

■1

00:00:01,708 --> 00:00:05,125

(eerie electronic music)

2

00:00:13,067 --> 00:00:15,067

- [Child] Reality films.

3

00:00:18,847 --> 00:00:22,180

(dark orchestral music)

4

00:00:26,070 --> 00:00:28,130

- [Narrator] Millions of
people around the world

5

00:00:28,130 --> 00:00:30,023

have witnessed UFO's.

6

00:00:32,470 --> 00:00:36,103

Millions have undergone
some bizarre experience.

7

00:00:37,800 --> 00:00:41,440

From tunnels of light, to
out-of-body experiences,

8

00:00:41,440 --> 00:00:45,783

from alien abduction, to visions
of unearthly apparitions.

9

00:00:48,240 --> 00:00:50,680

Millions more remain silent,

10

00:00:50,680 --> 00:00:52,703

through fear of being ridiculed.

11

00:00:54,500 --> 00:00:59,323

The fact is, what modern man
is experiencing, is not new.

12

00:01:01,010 --> 00:01:03,773

In fact, it has been

going on for millennia.

13

00:01:05,330 --> 00:01:07,750

The various recorded
histories of the world,

14

00:01:07,750 --> 00:01:09,133

reveals the truth.

15

00:01:10,360 --> 00:01:12,670

We are told about the experience.

16

00:01:12,670 --> 00:01:15,503

We are given the knowledge
of amazing machinery.

17

00:01:17,540 --> 00:01:20,310

We are even given the
names of those ancient gods

18

00:01:20,310 --> 00:01:23,103

who gave humanity incredible knowledge.

19

00:01:24,210 --> 00:01:27,053

We know them today as The Watchers.

20

00:01:28,900 --> 00:01:29,733

They came,

21

00:01:31,280 --> 00:01:35,340

they taught humanity art,

culture, architecture,

22

00:01:35,340 --> 00:01:37,573

agriculture and science.

23

00:01:38,940 --> 00:01:41,460

They became masters over mankind,

24

00:01:41,460 --> 00:01:43,343

and a hybrid race was born.

25

00:01:46,300 --> 00:01:48,730

But all was not well in Eden,

26

00:01:48,730 --> 00:01:50,753

and a great battle ensued.

27

00:01:53,530 --> 00:01:55,600

This is the incredible story

28

00:01:55,600 --> 00:01:58,590

of mankind's ancient past and its link

29

00:01:58,590 --> 00:02:01,330

to the millions of alien-related stories

30

00:02:01,330 --> 00:02:02,853

in our modern era.

31

00:02:06,050 --> 00:02:08,340

This is the story of the great lights

32

00:02:08,340 --> 00:02:11,733

that descended from the sky

and watched over mankind.

33

00:02:14,770 --> 00:02:19,770

This is the history of the Alien

Watchers, the Ancient Gods.

34

00:02:20,920 --> 00:02:25,080

(sinister orchestral music)

35

00:02:25,080 --> 00:02:28,850

They are the sons of

God, the Ireen in Hebrew.

36

00:02:28,850 --> 00:02:31,650

They are governed by the Biblical Elohim,

37

00:02:31,650 --> 00:02:33,390

which means the Shining Ones,

38

00:02:33,390 --> 00:02:35,253

the great lights from the sky.

39

00:02:39,510 --> 00:02:43,160

Zecharia Sitchin, in his

book, The Stairway to Heaven,

40

00:02:43,160 --> 00:02:48,047

stated, "The Acadians called

their predecessors Chumerians,

41

00:02:48,047 --> 00:02:50,077

"and spoke of the land of Chumer."

42

00:02:51,290 --> 00:02:54,253

It was in fact, the

Biblical land of Shinar.

43

00:02:55,190 --> 00:02:57,370

It was the land whose name literally

44

00:02:57,370 --> 00:02:59,303

meant the land of the watchers.

45

00:03:00,180 --> 00:03:03,320

It was indeed the Egyptian Taraneta,

46

00:03:03,320 --> 00:03:05,000

land of the watchers,

47

00:03:05,000 --> 00:03:07,853

the land from which

gods had come to Egypt.

48

00:03:09,548 --> 00:03:12,970

(dramatic orchestral music)

49

00:03:12,970 --> 00:03:17,180

So, Sumeria means, land of the watchers,

50

00:03:17,180 --> 00:03:20,050

and it is from this land, that the Elohim,

51

00:03:20,050 --> 00:03:23,653

or Shining Ones, who governed

the watchers, also came.

52

00:03:31,308 --> 00:03:34,808

(light orchestral music)

53

00:03:35,780 --> 00:03:37,440

In The Origin of Consciousness,

54

00:03:37,440 --> 00:03:40,150

in the Breakdown of the Bicameral Mind,

55

00:03:40,150 --> 00:03:43,430

Julian Jaynes tells us
something interesting

56

00:03:43,430 --> 00:03:46,260

about these governing gods.

57

00:03:46,260 --> 00:03:49,350

Throughout Mesopotamia,
from the earliest times

58

00:03:49,350 --> 00:03:51,030

of Sumer and Acad,

59

00:03:51,030 --> 00:03:54,533

all lands were owned by gods,
and men where their slaves.

60

00:03:55,700 --> 00:03:59,263

Of this, the cuneiform text

leave no doubt whatever.

61

00:04:00,260 --> 00:04:03,020

Each city state had its principal god,

62

00:04:03,020 --> 00:04:04,750

and the king was described

63

00:04:04,750 --> 00:04:07,570

in the very earliest

documents that we have,

64

00:04:07,570 --> 00:04:09,523

as the tenant farmer of the god.

65

00:04:18,510 --> 00:04:21,440

We need to take a look at

these Elohim for a moment,

66

00:04:21,440 --> 00:04:23,810

to found out who these gods were,

67

00:04:23,810 --> 00:04:25,950

that supposedly enslaved men,

68

00:04:25,950 --> 00:04:28,193

and were in charge of the watchers.

69

00:04:32,410 --> 00:04:36,383

Elohim is the term used in the

Old Testament for the Lord,

70

00:04:37,410 --> 00:04:40,600

an incorrect usage, as the term is plural,

71

00:04:40,600 --> 00:04:42,663

and means Shining Ones.

72

00:04:49,490 --> 00:04:54,490

We can see this plurality in

the text from Genesis 1:26.

73

00:04:54,527 --> 00:04:58,737

"And God said, let us
make man in our image,

74

00:04:58,737 --> 00:05:01,270

"after our likeness."

75

00:05:01,270 --> 00:05:03,093

And again in Genesis 6:2.

76

00:05:04,077 --> 00:05:06,707

"The sons of God saw the daughters of men,

77

00:05:06,707 --> 00:05:08,127

"that they were fair."

78

00:05:09,030 --> 00:05:11,320

This term, sons of God,

79

00:05:11,320 --> 00:05:14,260

is literally, sons of gods,

80

00:05:14,260 --> 00:05:17,260

and comes from Ben ha Elohim,

81

00:05:17,260 --> 00:05:19,333

sons of the Shining Ones.

82

00:05:21,920 --> 00:05:24,350

These were the sons of the shining lights

83

00:05:24,350 --> 00:05:25,883

that descended to Earth.

84

00:05:28,640 --> 00:05:32,893

The Sumerian word, El, means

simply, bright or shining.

85

00:05:33,960 --> 00:05:36,953

The Old Irish, Ilo, means shining.

86

00:05:38,030 --> 00:05:40,803

Old Cornish, El, means shining.

87

00:05:41,800 --> 00:05:44,010

Elf means shining,

88

00:05:44,010 --> 00:05:48,083

and hence we have elves as tall,

mysterious, angelic beings.

89

00:05:50,010 --> 00:05:53,523

The Inca term, ila, is

bright, or to shine.

90

00:05:54,700 --> 00:05:56,853

The Babylonian elu, is to shine.

91

00:05:58,650 --> 00:06:01,330

These are just a few that
have sprung up, worldwide,

92

00:06:01,330 --> 00:06:03,323

from the same Sumerian source.

93

00:06:06,380 --> 00:06:10,530

This itself, reveals the vast
spread of these sons of God,

94

00:06:10,530 --> 00:06:11,890

or Shining Ones,

95

00:06:11,890 --> 00:06:13,670

the lights from the sky,

96

00:06:13,670 --> 00:06:17,493

and their influence to this
day in all our cultures.

97

00:06:24,290 --> 00:06:28,760

Baal, the deity often spoken
of as the Lord in the Bible,

98

00:06:28,760 --> 00:06:32,340

is also seen as a shining
one in the Old Testament,

99

00:06:32,340 --> 00:06:33,943

and is called, The Owner.

100

00:06:37,080 --> 00:06:40,763

At that time, there were
many owners, or Shining Ones.

101

00:06:41,930 --> 00:06:44,800

In fact, there was one for each village,

102

00:06:44,800 --> 00:06:47,733

as a gathering of humanity

needed watching over.

103

00:06:55,520 --> 00:06:58,610

To the Hebrews, the Elohim

were nature divinities,

104

00:06:58,610 --> 00:07:00,723

from ancient Sumerian times.

105

00:07:02,020 --> 00:07:04,280

According to General Albert Pike,

106

00:07:04,280 --> 00:07:06,160

the famous Masonic historian,

107

00:07:06,160 --> 00:07:09,060

in his work, *Morals and Dogma*,

108

00:07:09,060 --> 00:07:11,430

the Elohim were the host of heaven,

109

00:07:11,430 --> 00:07:16,373

ascending and descending, to
pass messages to and from God.

110

00:07:22,030 --> 00:07:25,196

Some of the Shining Ones

were termed, watchers,

111

00:07:25,196 --> 00:07:27,396

and they were kin to
the angels of the Lord.

112

00:07:28,747 --> 00:07:32,414

(dramatic orchestral music)

113

00:07:38,452 --> 00:07:42,573

Yahweh Elohim means simply,
leader of the Shining Ones.

114

00:07:45,010 --> 00:07:49,080

The great God of Christianity,
Judaism, and Islam,

115

00:07:49,080 --> 00:07:51,280

is in fact, the leader of the light

116

00:07:51,280 --> 00:07:53,083

that descended from the sky.

117

00:07:55,670 --> 00:07:58,130

So now we have these plural Elohim,

118

00:07:58,130 --> 00:08:00,500

or Shining Ones, as gods,

119

00:08:00,500 --> 00:08:02,240

being above even the kings,

120

00:08:02,240 --> 00:08:05,223

and supplying watchers to watch over man.

121

00:08:09,400 --> 00:08:12,470

The Egyptian Timetta,

that Sitchin mentions,

122

00:08:12,470 --> 00:08:15,170

resembles the Egyptian, metta,

123

00:08:15,170 --> 00:08:17,620

a name for Ta, and other gods,

124

00:08:17,620 --> 00:08:19,663

which means guardian, or watcher.

125

00:08:20,800 --> 00:08:24,520

Timetta, is also the name

for the Red Sea straits,

126

00:08:24,520 --> 00:08:27,530

which connected Mesopotamia and Egypt,

127

00:08:27,530 --> 00:08:30,233

and is known as the place of the gods.

128

00:08:35,380 --> 00:08:38,510

These watchers were also known as Urshu,

129

00:08:38,510 --> 00:08:41,573

and were classed as being

less divine than the gods.

130

00:08:49,540 --> 00:08:51,400

The ancients spoke of a time

131

00:08:51,400 --> 00:08:53,540

when there were gods or Shining Ones,

132

00:08:53,540 --> 00:08:56,870

who ruled up and down Sumeria and Egypt,

133

00:08:56,870 --> 00:08:59,573

and who employed watchers

over the ordinary folk.

134

00:09:03,760 --> 00:09:07,670

In the same way a Pharaoh

of Egypt was a god on Earth,

135

00:09:07,670 --> 00:09:10,360

so to priests of the Elohim,

136

00:09:10,360 --> 00:09:12,413

for the shining lights on Earth.

137

00:09:17,340 --> 00:09:19,160

The Egyptian Book of the Dead

138

00:09:19,160 --> 00:09:22,500

calls these watchers, Anubis and Horus,

139

00:09:22,500 --> 00:09:24,623

in the form of Horus the Siklis.

140

00:09:25,740 --> 00:09:29,030

Others however, say that

they are the Chacha,

141

00:09:29,030 --> 00:09:32,290

who bring to Horus the

operations of their knives.

142

00:09:32,290 --> 00:09:34,120

And others say, that they are

143

00:09:34,120 --> 00:09:36,273

the chiefs of the Sheniyu chamber.

144

00:09:37,520 --> 00:09:40,000

So, even in ancient Egypt,

145

00:09:40,000 --> 00:09:42,920

by the time of the writing
of the Book of the Dead,

146

00:09:42,920 --> 00:09:44,063

there was confusion.

147

00:09:51,640 --> 00:09:54,710

They had to come to Egypt,
the Egyptians wrote,

148

00:09:54,710 --> 00:09:58,530

from Ta Ur, the far or foreign land,

149

00:09:58,530 --> 00:10:01,510

whose name, Ur, meant oldest,

150

00:10:01,510 --> 00:10:04,770

but could also have been

the actual placename,

151

00:10:04,770 --> 00:10:08,790

a place well-known for

Mesopotamian and Biblical records,

152

00:10:08,790 --> 00:10:10,703

the ancient city of Ur.

153

00:10:16,520 --> 00:10:18,180

We should note at this point,

154

00:10:18,180 --> 00:10:20,390

that this Ur is the same place

155

00:10:20,390 --> 00:10:23,480

that the father of the

world's three great religions,

156

00:10:23,480 --> 00:10:26,393

Abraham, is also said to have trained.

157

00:10:32,490 --> 00:10:35,600

He was trained by the

Shining Ones, the watchers,

158

00:10:35,600 --> 00:10:37,523

the great lights from the sky,

159

00:10:38,640 --> 00:10:40,250

and he started the yoke

160

00:10:40,250 --> 00:10:42,643

of mainstream religion on this planet.

161

00:10:47,190 --> 00:10:49,020

On the other side of the world,

162

00:10:49,020 --> 00:10:53,003

it appears the Shining Ones,
and watchers, also descended.

163

00:10:54,310 --> 00:10:58,280

According to the legend of
Votan, from Mesoamerica,

164

00:10:58,280 --> 00:11:00,740

this Votan was the serpent

165

00:11:00,740 --> 00:11:03,650

who was a descendant of the race of Kan,

166

00:11:03,650 --> 00:11:06,030

and was a guardian, or watcher,

167

00:11:06,030 --> 00:11:08,363

amazingly similar to Canaan.

168

00:11:14,930 --> 00:11:18,360

These Canaanites, are
implicated in many places,

169

00:11:18,360 --> 00:11:20,540

revolving around the Shining Ones,

170

00:11:20,540 --> 00:11:22,863

and the original serpent priests.

171

00:11:24,040 --> 00:11:25,690

From this time onwards,

172

00:11:25,690 --> 00:11:28,850

serpent worship spread across the globe,

173

00:11:28,850 --> 00:11:30,633

and we have to wonder why.

174

00:11:32,943 --> 00:11:36,610

(dramatic orchestral music)

175

00:11:40,630 --> 00:11:44,480

The serpent was known in the
language of Canaan variously,

176

00:11:44,480 --> 00:11:47,817

as Ow, Aa, Oh, Ub,

177

00:11:49,240 --> 00:11:53,233

Off, Up, Ef, Ev.

178

00:11:54,600 --> 00:11:58,680

In the Mayan language,

Kan, also means serpent,

179

00:11:58,680 --> 00:12:01,610

as in Kukulkan, the bird serpent,

180

00:12:01,610 --> 00:12:05,000

and just as in the ancient Sumerian, Akan,

181

00:12:05,000 --> 00:12:08,140

and the Scottish, Can, for serpent,

182

00:12:08,140 --> 00:12:10,580

which is where we get the word canny,

183

00:12:10,580 --> 00:12:12,023

like the wise snake.

184

00:12:13,767 --> 00:12:17,434

(dramatic orchestral music)

185

00:12:19,550 --> 00:12:22,760

Vulcan, the Roman god of fire,

186

00:12:22,760 --> 00:12:25,863

comes from the Babylonian,

Kan, for serpent,

187

00:12:26,766 --> 00:12:28,460

and Vul, for fire,

188

00:12:28,460 --> 00:12:30,730

showing at etymological link across

189

00:12:30,730 --> 00:12:33,400

thousands of miles and oceans,

190

00:12:33,400 --> 00:12:37,593

and meaning, therefore, that

Vulcan is the shining serpent.

191

00:12:48,660 --> 00:12:52,860

Indeed, even the very center

of the Christian world,

192

00:12:52,860 --> 00:12:56,940

the Vatican, comes from the

words, vatis, for prophet,

193

00:12:56,940 --> 00:12:58,533

and can, for serpent,

194

00:12:59,500 --> 00:13:03,630

making the Vatican a

place of serpent prophesy,

195

00:13:03,630 --> 00:13:06,240

the place where the

word of the Shining Ones

196

00:13:06,240 --> 00:13:09,653

was spoken and disseminated

around the world.

197

00:13:12,100 --> 00:13:15,750

Little wonder that their

Christian deity, Jesus,

198

00:13:15,750 --> 00:13:18,113

rose from the dead,
and ascended to heaven.

199

00:13:21,150 --> 00:13:25,410

The Hebrews termed these
watchers, as Non Resh leen,

200

00:13:25,410 --> 00:13:27,083

meaning those who watch.

201

00:13:28,030 --> 00:13:32,540

In the Greek, this translated
as gigantes, or giants,

202

00:13:32,540 --> 00:13:34,900

a race that even the writer Hesiod,

203

00:13:34,900 --> 00:13:36,973

featured as being monstrous.

204

00:13:42,790 --> 00:13:45,660

Now, we can understand

the role of the giants

205

00:13:45,660 --> 00:13:48,220

seen across the world of folklore,

206

00:13:48,220 --> 00:13:50,563

as the presence of the watchers.

207

00:13:55,840 --> 00:14:00,310

In the first Book of Enoch,

chapter 20, verses one to eight,

208

00:14:00,310 --> 00:14:02,923

even gives us the names of these watchers.

209

00:14:05,182 --> 00:14:08,183

"And these are the names of

the Holy Angels who watch.

210

00:14:09,137 --> 00:14:11,597

"Uriel, one of the holy angels,

211

00:14:11,597 --> 00:14:14,263

"who's over the world, and over tattoos.

212

00:14:15,467 --> 00:14:18,437

"Raphael, one of the Holy Angels,

213

00:14:18,437 --> 00:14:20,343

"who is over the spirits of men.

214

00:14:21,847 --> 00:14:25,477

"Raguel, one of the Holy

Angels who takes vengeance

215

00:14:25,477 --> 00:14:27,313

"on the world of the luminaries.

216

00:14:28,387 --> 00:14:31,017

"Michael, one of the Holy Angels,

217

00:14:31,017 --> 00:14:34,817

"to wit, he that is set over

the best part of mankind,

218

00:14:34,817 --> 00:14:36,313

"and over chaos.

219

00:14:37,627 --> 00:14:40,627

"Saraqâel, one of the Holy Angels,

220

00:14:40,627 --> 00:14:43,913

"who is set over the

spirits who sin in spirit.

221

00:14:44,747 --> 00:14:47,487

"Gabriel, one of the Holy Angels,

222

00:14:47,487 --> 00:14:50,893

"who is over paradise and the
serpents, and the cherubim.

223

00:14:52,217 --> 00:14:55,127

"Remiel, one of the Holy Angels

224

00:14:55,127 --> 00:14:57,997

"whom God set over those who rise."

225

00:14:59,786 --> 00:15:02,869

(gentle piano music)

226

00:15:05,710 --> 00:15:07,920

Note that Gabriel, the messenger

227

00:15:07,920 --> 00:15:09,790

who told of the birth of Jesus,

228

00:15:09,790 --> 00:15:12,140

and who passed on wisdom to Muhammad,

229

00:15:12,140 --> 00:15:14,193

is in charge of the serpents.

230

00:15:15,730 --> 00:15:18,730

Remiel is over those who rise,

231

00:15:18,730 --> 00:15:20,823

those seeking enlightenment.

232

00:15:27,490 --> 00:15:29,890

Enoch actually wrote about them,

233

00:15:29,890 --> 00:15:33,513

and in fact, for them,

in the Book of Enoch.

234

00:15:35,240 --> 00:15:37,410

In the Bible and the Book of Enoch,

235

00:15:37,410 --> 00:15:39,060

these Shining Ones are called

236

00:15:39,060 --> 00:15:42,213

angels, archangels, or cherubim.

237

00:15:49,350 --> 00:15:52,260

Unless the literature

is purely apocryphal,

238

00:15:52,260 --> 00:15:54,220

we find that in the Bible,

239

00:15:54,220 --> 00:15:57,780

the angel figures are simply earthly men.

240

00:15:57,780 --> 00:16:01,220

The word angel means, messenger.

241

00:16:01,220 --> 00:16:04,370

In Cornish, as in the Semite languages,

242

00:16:04,370 --> 00:16:07,760

the word El, means angel,

and the Shining Ones.

243

00:16:15,350 --> 00:16:18,713

In the Bible, we do not

find angels with wings.

244

00:16:19,700 --> 00:16:22,833

There are no original stories

of them being supernatural.

245

00:16:23,850 --> 00:16:26,093

They are in fact, quite ordinary.

246

00:16:27,300 --> 00:16:30,120

It is always Gabriel
who informs the people

247

00:16:30,120 --> 00:16:33,040

of a coming special childbirth.

248

00:16:33,040 --> 00:16:36,090

A doctor maybe, involved in what many say

249

00:16:36,090 --> 00:16:39,823

was the hybridization of the
human race with the aliens?

250

00:16:44,780 --> 00:16:47,500

Michael is the warrior and protector,

251

00:16:47,500 --> 00:16:50,723

accompanied by angels
wielding fiery swords.

252

00:16:51,760 --> 00:16:55,393

Each and every one of them,
has their own specific duty,

253

00:16:57,090 --> 00:16:59,950

people with title, angelic titles,

254

00:16:59,950 --> 00:17:03,173

as messengers and ambassadors
of the Shining Ones.

255

00:17:07,770 --> 00:17:11,100

The title, cherubim, means exile,

256

00:17:11,100 --> 00:17:14,770

and could be an indication of
the origins of these angels,

257

00:17:14,770 --> 00:17:18,203

exiled from their own
homeland, or even planet.

258

00:17:27,880 --> 00:17:30,380

Enoch, the consecrated one,

259

00:17:30,380 --> 00:17:33,680

would later write up the

history of these fallen angels,

260

00:17:33,680 --> 00:17:37,640

who spread across the globe

as the great Shining Ones,

261

00:17:37,640 --> 00:17:40,020

teaching, measuring, and building

262

00:17:40,020 --> 00:17:43,353

the world's most mysterious

ancient monuments.

263

00:17:53,850 --> 00:17:56,780

Of course, we must not forget the seraphim

264

00:17:56,780 --> 00:17:59,333

of Numbers 21:6, and elsewhere.

265

00:18:00,510 --> 00:18:04,240

These mystical beings

have hands, a face, legs,

266

00:18:04,240 --> 00:18:06,510

and great powers from God,

267

00:18:06,510 --> 00:18:08,593

because they are in the light.

268

00:18:09,750 --> 00:18:11,600

They have symbolic wings,

269

00:18:11,600 --> 00:18:13,023

meaning, they could fly.

270

00:18:14,110 --> 00:18:17,733

Their name means, Shining

Ones, or fiery serpents.

271

00:18:18,580 --> 00:18:20,463

They are enlightened beings.

272

00:18:24,200 --> 00:18:28,370

Mystical Jewish literature tells

us that the angels can fly,

273

00:18:28,370 --> 00:18:32,230

tell the future, shape

shift, speak Hebrew,

274

00:18:32,230 --> 00:18:35,603

and are emanations of

the divine shining light.

275

00:18:39,520 --> 00:18:41,150

In the Old Testament,

276

00:18:41,150 --> 00:18:43,630

God is indistinguishable from the angel

277

00:18:43,630 --> 00:18:45,533

or messenger known as Yahweh.

278

00:18:48,600 --> 00:18:51,853

He looks the same, and

acts as his representative.

279

00:18:53,010 --> 00:18:54,430

There is no difference here,

280

00:18:54,430 --> 00:18:56,853

from Babylonian and Egyptian records.

281

00:18:58,960 --> 00:19:02,763

In fact, the stories are
similar across the world.

282

00:19:05,500 --> 00:19:09,070

In the New Testament, the
angels actually take part

283

00:19:09,070 --> 00:19:11,563

in the judgment at the end times.

284

00:19:12,510 --> 00:19:16,033

Is this an indication that
one day they shall return?

285

00:19:18,290 --> 00:19:21,433

When they do, it appears
they will judge mankind.

286

00:19:23,540 --> 00:19:24,703

Looks like we failed.

287

00:19:28,270 --> 00:19:31,883

We are also told about

the nephilim, or watchers.

288

00:19:35,080 --> 00:19:37,280

These are the angels who seem to have been

289

00:19:37,280 --> 00:19:40,210

the military arm of the Shining Ones,

290

00:19:40,210 --> 00:19:42,270

and those who were initially employed

291

00:19:42,270 --> 00:19:44,920

to guard the Garden of Eden,

292

00:19:44,920 --> 00:19:46,630

but then began to mix

293

00:19:46,630 --> 00:19:48,783

with the indigenous peoples of the area.

294

00:19:53,617 --> 00:19:55,047

"And it came to pass,

295

00:19:55,047 --> 00:19:57,707

"when the children of men had multiplied,

296

00:19:57,707 --> 00:19:59,727

"as in those days were born unto them

297

00:19:59,727 --> 00:20:02,727

"beautiful and comely daughters,

298

00:20:02,727 --> 00:20:05,297

"and the angels, the children of heaven,

299

00:20:05,297 --> 00:20:07,507

"saw and lusted after them,

300

00:20:07,507 --> 00:20:09,087

"and said to one another,

301

00:20:09,087 --> 00:20:11,557

"come, let us choose us wives

302

00:20:11,557 --> 00:20:13,257

"from among the children of men,

303

00:20:13,257 --> 00:20:14,683

"and beget us children.

304

00:20:15,967 --> 00:20:18,347

"And Semjaza, who was their leader,

305

00:20:18,347 --> 00:20:21,527

"said unto them, I fear ye will not

306

00:20:21,527 --> 00:20:23,687

"indeed agree to do this deed,

307

00:20:23,687 --> 00:20:27,373

"and I alone shall have to pay
the penalty of a great sin.

308

00:20:28,777 --> 00:20:31,347

"And they all answered him and said,

309

00:20:31,347 --> 00:20:33,657

"let us all swear an oath,

310

00:20:33,657 --> 00:20:36,877

"and all bind ourselves
by mutual implications,

311

00:20:36,877 --> 00:20:40,283

"not to abandon this plan,
but to do this thing.

312

00:20:41,577 --> 00:20:43,967

"Then swear they altogether,

313

00:20:43,967 --> 00:20:47,517

"and bound themselves by
mutual implications upon it."

314

00:20:49,460 --> 00:20:53,173

Book of Enoch, chapter

six, verses one to six.

315

00:20:57,590 --> 00:21:01,350

From this union, a

hybrid race was produced,

316

00:21:01,350 --> 00:21:03,123

a race of giants.

317

00:21:05,717 --> 00:21:07,457

"And all the others together with them,

318

00:21:07,457 --> 00:21:09,417

"took unto themselves wives,

319

00:21:09,417 --> 00:21:12,117

"and each chose for himself, one,

320

00:21:12,117 --> 00:21:14,517

"and they began to go in unto them,

321

00:21:14,517 --> 00:21:16,717

"and to defile themselves with them,

322

00:21:16,717 --> 00:21:19,779

"and they taught them

charms and enchantments,

323

00:21:19,779 --> 00:21:20,937

"and the cutting of roots,

324

00:21:20,937 --> 00:21:23,133

"and made them acquainted with plants.

325

00:21:24,317 --> 00:21:26,467

"And they became pregnant,

326

00:21:26,467 --> 00:21:28,447

"and they bear great giants,

327

00:21:28,447 --> 00:21:32,067

"whose height was 3,000 elves,

328

00:21:32,067 --> 00:21:35,627

"who consumed all the acquisitions of man,

329

00:21:35,627 --> 00:21:38,457

"and when men could no
longer sustain them,

330

00:21:38,457 --> 00:21:42,143

"the giants turned against
them, and devoured mankind.

331

00:21:43,515 --> 00:21:46,517

"And they began to sin
against birds and beasts,

332

00:21:46,517 --> 00:21:48,917

"and reptiles, and fish,

333

00:21:48,917 --> 00:21:52,583

"and to devour one another's
flesh, and drink the blood.

334

00:21:54,377 --> 00:21:58,517

"Then the Earth lay accusation
against the lawless ones."

335

00:22:00,170 --> 00:22:03,913

Book of Enoch, chapter

seven, verses one to six.

336

00:22:07,357 --> 00:22:11,517

"And then Michael, Uriel,
Raphael, and Gabriel,

337

00:22:11,517 --> 00:22:13,057

"looked down from heaven,

338

00:22:13,057 --> 00:22:16,027

"and saw much blood being
shed upon the Earth,

339

00:22:16,027 --> 00:22:19,497

"and all lawlessness being
wrought upon the Earth."

340

00:22:20,450 --> 00:22:23,773

Book of Enoch, chapter
nine, verses one and two.

341

00:22:28,000 --> 00:22:31,010

These insurgents also passed on knowledge,

342

00:22:31,010 --> 00:22:33,933

and taught them combat,

and how to make weapons.

343

00:22:38,742 --> 00:22:40,917

"And Azâzêl taught men to make swords,

344

00:22:40,917 --> 00:22:44,027

"and knives, and shields,

and breastplates.

345

00:22:44,027 --> 00:22:46,587

"And made known to them

the metals of the Earth,

346

00:22:46,587 --> 00:22:48,527

"and the art of working them,

347

00:22:48,527 --> 00:22:50,757

"and bracelets, and ornaments,

348

00:22:50,757 --> 00:22:52,607

"and the use of antimony,

349

00:22:52,607 --> 00:22:55,167

"and the beautifying of the eyelids.

350

00:22:55,167 --> 00:22:57,617

"And all kinds of costly stones,

351

00:22:57,617 --> 00:22:59,733

"and all coloring tinctures.

352

00:23:00,867 --> 00:23:03,567

"And there arose much godlessness,

353

00:23:03,567 --> 00:23:05,707

"and they committed fornication,

354

00:23:05,707 --> 00:23:07,457

"and they were led astray,

355

00:23:07,457 --> 00:23:10,123

"and became corrupt in all their ways.

356

00:23:11,627 --> 00:23:15,193

"Semjaza taught enchantments

and root cuttings.

357

00:23:16,427 --> 00:23:19,163

"Armârôs, the resolving of enchantments.

358

00:23:21,337 --> 00:23:24,277

"Baraq'âl taught astrology.

359

00:23:24,277 --> 00:23:27,287

"Kokabel, the constellations.

360

00:23:27,287 --> 00:23:29,627

"Ezekiel, the knowledge of the clouds.

361

00:23:29,627 --> 00:23:32,787

"Allokiel, the signs of the Earth.

362

00:23:32,787 --> 00:23:36,317

"Shamshiel, the signs of the sun.

363

00:23:36,317 --> 00:23:38,773

"And Sariel, the course of the moon.

364

00:23:40,247 --> 00:23:41,937

"And as men perished,

365

00:23:41,937 --> 00:23:45,357

"they cried, and their

cry went up to heaven."

366

00:23:46,660 --> 00:23:50,053

Book of Enoch, chapter
eight, verses one and two.

367

00:23:53,950 --> 00:23:56,100

All this was seen as a violation

368

00:23:56,100 --> 00:23:59,030

against the laws laid
down by the Shining Ones,

369

00:23:59,030 --> 00:24:01,123

who were possessive in their knowledge.

370

00:24:03,757 --> 00:24:06,557

"Thou sees what Azazel hath done,

371

00:24:06,557 --> 00:24:08,997

"who hath taught all

unrighteousness on Earth,

372

00:24:08,997 --> 00:24:11,217

"and revealed the eternal secrets,

373

00:24:11,217 --> 00:24:13,497

"which were preserved in heaven,

374

00:24:13,497 --> 00:24:15,573

"which men were striving to learn.

375

00:24:17,017 --> 00:24:20,507

"And Semjaza, to whom

thou hast given authority

376

00:24:20,507 --> 00:24:23,003

"to bear rule over his associates,

377

00:24:23,967 --> 00:24:26,977

"and they have gone to the

daughters of men upon the Earth,

378

00:24:26,977 --> 00:24:28,727

"and have slept with the women,

379

00:24:28,727 --> 00:24:30,687

"and have defiled themselves,

380

00:24:30,687 --> 00:24:33,203

"and revealed to them all kinds of sin.

381

00:24:34,187 --> 00:24:36,367

"And the women have borne giants,

382

00:24:36,367 --> 00:24:38,967

"and the whole Earth

has thereby been filled

383

00:24:38,967 --> 00:24:41,257

"with blood and unrighteousness."

384

00:24:42,280 --> 00:24:45,853

Book of Enoch, chapter

nine, verses six to 10.

385

00:24:51,540 --> 00:24:55,090

Enoch, a scribe who was

taught by the Shining Ones,

386

00:24:55,090 --> 00:24:58,130

was then employed as a

messenger, or intermediary,

387

00:24:58,130 --> 00:25:01,570

between the Shining Ones

and these fallen ones,

388

00:25:01,570 --> 00:25:04,410

who had decided to abandon their divinity

389

00:25:04,410 --> 00:25:06,683

to live amongst the tribes of man.

390

00:25:10,890 --> 00:25:13,690

Enoch, was then sent

to tell the insurgents

391

00:25:13,690 --> 00:25:16,430

that a severe sentence

had been passed on them,

392

00:25:16,430 --> 00:25:18,423

and that they were soon to be punished.

393

00:25:22,610 --> 00:25:25,623

In brief, the punishment

sent is the flood.

394

00:25:27,030 --> 00:25:28,710

It is as if the Shining Ones

395

00:25:28,710 --> 00:25:31,230

wanted to wash away the sins of the Earth,

396

00:25:31,230 --> 00:25:34,380

that had been created by their own kind,

397

00:25:34,380 --> 00:25:35,703

the fallen ones.

398

00:25:40,320 --> 00:25:42,300

In the Testament of Amram,

399

00:25:42,300 --> 00:25:43,850

we have a remarkable insight

400

00:25:43,850 --> 00:25:46,483

into the aspects of

these shining watchers.

401

00:25:48,097 --> 00:25:50,337

"I asked them, who are you,

402

00:25:50,337 --> 00:25:52,593

"that you are thus empowered over me?

403

00:25:53,687 --> 00:25:56,467

"They answered me, we have been empowered,

404

00:25:56,467 --> 00:25:59,827

"and rule over all mankind.

405

00:25:59,827 --> 00:26:03,623

"They said to me, which of
us do you choose to rule you?

406

00:26:04,687 --> 00:26:06,633

"I raised my eyes and looked.

407

00:26:07,667 --> 00:26:10,607

"One of them was terrifying

in his appearance,

408

00:26:10,607 --> 00:26:14,833

"like a serpent, his cloak,

many-colored, yet very dark.

409

00:26:15,767 --> 00:26:18,557

"And I looked again,

and in his appearance,

410

00:26:18,557 --> 00:26:20,963

"his visage that like a viper,

411

00:26:23,037 --> 00:26:26,783

"and waring exceedingly, and all his eyes.

412

00:26:28,017 --> 00:26:32,143

"I replied to him, this watcher, so is he?

413

00:26:33,027 --> 00:26:35,353

"He answered me, this watcher,

414

00:26:36,247 --> 00:26:40,477

"and his three names are

Belial, and Prince of Darkness,

415

00:26:40,477 --> 00:26:41,611

"and King of Evil."

416

00:26:41,611 --> 00:26:46,611

So the watcher looked like the serpents

417

00:26:48,070 --> 00:26:49,283

that had many eyes.

418

00:26:50,330 --> 00:26:52,123

Not something of this Earth?

419

00:26:54,810 --> 00:26:56,640

The Mosaic Book of Jubilees

420

00:26:56,640 --> 00:26:59,690

was originally called,

The Apocalypse of Moses,

421

00:26:59,690 --> 00:27:02,000

as it was supposedly written by Moses,

422

00:27:02,000 --> 00:27:03,530

while on Mount Sinai,

423

00:27:03,530 --> 00:27:06,303

and dictated by a watcher, or angel.

424

00:27:07,720 --> 00:27:11,030

This book was intended as a

history of the days of old,

425

00:27:11,030 --> 00:27:13,763

and reveals the purpose of the watchers.

426

00:27:14,687 --> 00:27:17,287

"For in his days, the angels of the Lord

427

00:27:17,287 --> 00:27:19,117

"descended upon the Earth,

428

00:27:19,117 --> 00:27:21,617

"those who are named watchers,

429

00:27:21,617 --> 00:27:24,647

"that they should instruct

the children of men,

430

00:27:24,647 --> 00:27:26,147

"that they should do judgment,

431

00:27:26,147 --> 00:27:28,357

"and uprightness upon the Earth."

432

00:27:34,500 --> 00:27:37,860

These watchers, according

to the Book of Jubilees,

433

00:27:37,860 --> 00:27:41,160

are the sons of gods spoken of in Genesis,

434

00:27:41,160 --> 00:27:44,283

sent from their heavenly

abode to instruct men.

435

00:27:45,840 --> 00:27:47,250

What seems to have occurred,

436

00:27:47,250 --> 00:27:48,820

is that they fell from grace

437

00:27:48,820 --> 00:27:51,100

by mating with the daughters of men,

438

00:27:51,100 --> 00:27:53,150

and were thus outcast,

439

00:27:53,150 --> 00:27:56,483

giving us the fallen angels

we are familiar with, today.

440

00:28:00,680 --> 00:28:04,390

However, according to

A Dictionary of Angels,

441

00:28:04,390 --> 00:28:08,230

not all these watchers descended

from the heavenly abode,

442

00:28:08,230 --> 00:28:12,000

and those that did not,

were termed holy watchers,

443

00:28:12,000 --> 00:28:13,763

residing in the fifth heaven.

444

00:28:17,760 --> 00:28:20,050

As Enoch himself had testified

445

00:28:20,050 --> 00:28:22,150

against these fallen watchers,

446

00:28:22,150 --> 00:28:25,210

he was protected by the

ruling Shining Ones,

447

00:28:25,210 --> 00:28:27,573

and transported to the Garden of Eden.

448

00:28:28,410 --> 00:28:30,560

Eden, means plateau,

449

00:28:30,560 --> 00:28:33,677

and is therefore, a specific place.

450

00:28:33,677 --> 00:28:37,077

"And I, Enoch, was blessing
the Lord of Majesty,

451

00:28:37,077 --> 00:28:39,117

"and the King of the Ages,

452

00:28:39,117 --> 00:28:41,857

"and lo, the watchers called me,

453

00:28:41,857 --> 00:28:44,877

"Enoch the Scribe, and said to me,

454

00:28:44,877 --> 00:28:47,557

"Enoch, thou scribe of righteousness,

455

00:28:47,557 --> 00:28:50,377

"go, declare to the watchers of the heaven

456

00:28:50,377 --> 00:28:52,317

"who have left the high heaven,

457

00:28:52,317 --> 00:28:54,367

"the Holy Eternal Place,

458

00:28:54,367 --> 00:28:56,897

"and have defiled themselves with women,

459

00:28:56,897 --> 00:29:00,112

"and have done as the

children of the Earth do,

460

00:29:00,112 --> 00:29:02,847

"and have taken unto themselves wives.

461

00:29:02,847 --> 00:29:06,337

"Ye have wrought great

destruction on the Earth,

462

00:29:06,337 --> 00:29:10,027

"and ye shall have no peace,
nor forgiveness of sin,

463

00:29:10,027 --> 00:29:13,387

"and inasmuch as they delight
themselves in their children,

464

00:29:13,387 --> 00:29:16,687

"the murder of their
beloved ones shall they see,

465

00:29:16,687 --> 00:29:18,887

"and over the destruction
of their children

466

00:29:18,887 --> 00:29:20,637

"shall they lament,

467

00:29:20,637 --> 00:29:23,997

"and shall make

supplication unto eternity,

468

00:29:23,997 --> 00:29:28,590

"but mercy and peace,

ye shall not attain."

469

00:29:28,590 --> 00:29:31,263

One Enoch, 10, verses three to eight.

470

00:29:35,250 --> 00:29:37,640

According to Andrew Collins in his book,

471

00:29:37,640 --> 00:29:39,260

From the Ashes of Angels,

472

00:29:39,260 --> 00:29:42,220

the Forbidden Legacy of a Fallen Race,

473

00:29:42,220 --> 00:29:44,370

the fallen watchers swear an oath,

474

00:29:44,370 --> 00:29:46,890

and bind themselves together.

475

00:29:46,890 --> 00:29:50,000

The place of this action is called Adis,

476

00:29:50,000 --> 00:29:52,660

the fabled summit of Mount Hermon,

477

00:29:52,660 --> 00:29:55,473

which derives from the

Hebrew word for curse.

478

00:29:56,730 --> 00:29:59,790

Following these actions

of the fallen watchers,

479

00:29:59,790 --> 00:30:03,470

the Shining Ones called down
a great flood upon the Earth,

480

00:30:03,470 --> 00:30:05,550

to destroy the offspring,

481

00:30:05,550 --> 00:30:08,160

and Noah is warned to build a great ship

482

00:30:08,160 --> 00:30:10,093

to escape the impending doom.

483

00:30:11,300 --> 00:30:13,100

There was obviously some great battle

484

00:30:13,100 --> 00:30:15,590

between the dissenters
and the Shining Ones,

485

00:30:15,590 --> 00:30:19,560

and the loyal watchers, which
allowed Michael, Gabriel,

486

00:30:19,560 --> 00:30:22,963

and the others, to slay the
remaining fallen watchers.

487

00:30:26,600 --> 00:30:30,070

The flood is the symbolic
idea of the later cleansing

488

00:30:30,070 --> 00:30:33,220

of the land, and the
restarting of the human race,

489

00:30:33,220 --> 00:30:36,230

on track with the Shining Ones' ideals,

490

00:30:36,230 --> 00:30:38,800

a probable merging of a folk memory

491

00:30:38,800 --> 00:30:42,193

of some great catastrophe

and the actual events.

492

00:30:43,870 --> 00:30:45,510

There were other catastrophes,

493

00:30:45,510 --> 00:30:49,120

written up as being the judgment

of the remaining watchers,

494

00:30:49,120 --> 00:30:50,940

which must simply be folk memories

495

00:30:50,940 --> 00:30:53,510

of actual catastrophes that occurred

496

00:30:53,510 --> 00:30:55,980

and were blamed upon the transgressions

497

00:30:55,980 --> 00:30:57,803

of the fallen watchers.

498

00:31:03,700 --> 00:31:07,410

Indeed, even the spirits

of these fallen watchers

499

00:31:07,410 --> 00:31:09,600

are blamed for future evils,

500

00:31:09,600 --> 00:31:11,103

as Enoch points out.

501

00:31:12,737 --> 00:31:14,417

"And the spirits of the giants

502

00:31:14,417 --> 00:31:19,047

"afflict, oppress,

destroy, attack, do battle,

503

00:31:19,047 --> 00:31:22,243

"and work destruction on the
Earth, and cause trouble.

504

00:31:23,577 --> 00:31:27,467

"They take no food, but
nevertheless hunger and thirst,

505

00:31:27,467 --> 00:31:29,023

"and cause offenses.

506

00:31:30,037 --> 00:31:31,817

"And these spirits shall rise up

507

00:31:31,817 --> 00:31:33,467

"against the children of men,

508

00:31:33,467 --> 00:31:36,807

"and against the women, because

they have preceded them."

509

00:31:39,030 --> 00:31:40,343

1 Enoch, 12.

510

00:31:44,175 --> 00:31:47,842

(dramatic orchestral music)

511

00:31:49,760 --> 00:31:52,480

Notable revelations

admitted by the watchers

512

00:31:52,480 --> 00:31:54,020

to the sons of man,

513

00:31:54,020 --> 00:31:56,283

when knowledge of the signs of the Earth,

514

00:31:57,160 --> 00:32:01,073

writing, meteorology,

geography, and geodesy,

515

00:32:02,240 --> 00:32:04,840

all implying that these Shining Ones

516

00:32:04,840 --> 00:32:07,810

understood the energy

and power of the Earth,

517

00:32:07,810 --> 00:32:10,050

and its electromagnetism,

518

00:32:10,050 --> 00:32:12,483

not to mention the

movements of the planets.

519

00:32:13,720 --> 00:32:15,870

There are many fables of these times

520

00:32:15,870 --> 00:32:18,520

from across the world, of great builders,

521

00:32:18,520 --> 00:32:20,530

architects and magicians,

522

00:32:20,530 --> 00:32:24,633

all relating entirely back to
these Shining Ones' origins.

523

00:32:25,960 --> 00:32:28,960

We can see the similarity
in the structures of Europe,

524

00:32:28,960 --> 00:32:31,160

and elsewhere, of the burial mounds,

525

00:32:31,160 --> 00:32:35,220

with the fact the one of
the fallen watchers, Azazel,

526

00:32:35,220 --> 00:32:36,930

was cast into the desert,

527

00:32:36,930 --> 00:32:40,163

where they placed upon him

rough and jagged rocks.

528

00:32:45,790 --> 00:32:47,980

Much of this myth of the watchers,

529

00:32:47,980 --> 00:32:50,310

is found to be within the tales of wars

530

00:32:50,310 --> 00:32:53,510

and merging of peoples,

across the Middle East,

531

00:32:53,510 --> 00:32:57,100

between Canaanites, Egyptians, Sumerians,

532

00:32:57,100 --> 00:32:59,573

and even Asian civilizations.

533

00:33:00,670 --> 00:33:03,430

But the underlying current is a belief

534

00:33:03,430 --> 00:33:05,720

in the Shining Ones as leaders,

535

00:33:05,720 --> 00:33:07,860

with watchers doing their bidding,

536

00:33:07,860 --> 00:33:11,423

evolving into God with his angelic beings.

537

00:33:17,610 --> 00:33:21,900

The terms, Anunnaki,

Anakim, and even Nephilim,

538

00:33:21,900 --> 00:33:25,350

mean those who came down

to Earth from Heaven,

539

00:33:25,350 --> 00:33:28,340

and is a reference to

their position and location

540

00:33:28,340 --> 00:33:29,803

on the plateau of Eden.

541

00:33:31,290 --> 00:33:34,490

They looked down on the

people below and watched,

542

00:33:34,490 --> 00:33:36,760

something that would sound very familiar

543

00:33:36,760 --> 00:33:39,760

to thousands of people

around the world today,

544

00:33:39,760 --> 00:33:42,663

who have experienced alien visitations.

545

00:33:43,920 --> 00:33:45,470

They represented the sun,

546

00:33:45,470 --> 00:33:48,173

the moon, and the planets on Earth.

547

00:33:52,370 --> 00:33:53,830

The truth of the story

548

00:33:53,830 --> 00:33:56,160

of the Shining Ones and their watchers,

549

00:33:56,160 --> 00:33:58,200

has been the subject of a purging

550

00:33:58,200 --> 00:34:00,560

by many Jewish authorities,

551

00:34:00,560 --> 00:34:03,090

who were understandably concerned

552

00:34:03,090 --> 00:34:05,720

that the myth of these

angels, and their worship,

553

00:34:05,720 --> 00:34:09,133

would distract people from

the worship of the one God.

554

00:34:10,390 --> 00:34:14,020

To this end, the Book of Enoch,

and the Book of Jubilees,

555

00:34:14,020 --> 00:34:15,410

mentioned previously,

556

00:34:15,410 --> 00:34:17,770

was stricken from the accepted list,

557

00:34:17,770 --> 00:34:19,743

and are now known as apocrypha.

558

00:34:21,140 --> 00:34:22,890

What we do know though,

559

00:34:22,890 --> 00:34:25,130

is that these watchers continued

560

00:34:25,130 --> 00:34:28,660

in what has been described

as the underground stream,

561

00:34:28,660 --> 00:34:30,493

and were called Egregores.

562

00:34:31,910 --> 00:34:35,553

They somehow bred with
humanity, and melted away.

563

00:34:36,960 --> 00:34:40,670

Very soon, massive
secret societies emerged

564

00:34:40,670 --> 00:34:44,243

that fostered the original
teachings of the Shining Ones.

565

00:34:45,610 --> 00:34:50,150

The Kabbalah named 72
national angelic regions,

566

00:34:50,150 --> 00:34:53,673

which the Hebrews call
Elohim, or Shining Ones.

567

00:34:54,750 --> 00:34:57,660

The metaphysical,

technical term, Egregores,

568

00:34:57,660 --> 00:34:59,123

is also used for them,

569

00:35:00,290 --> 00:35:02,770

derived from the Greek word, agraros.

570

00:35:02,770 --> 00:35:05,083

It means watcher, or guardian.

571

00:35:06,320 --> 00:35:07,780

The office of a watcher

572

00:35:07,780 --> 00:35:10,240

is to protect from outside pressures,

573

00:35:10,240 --> 00:35:13,303

a region or ethnic group

assigned to its care.

574

00:35:14,530 --> 00:35:17,340

The region is always
measured off from another

575

00:35:17,340 --> 00:35:19,483

posing a threat of some sort to it.

576

00:35:20,710 --> 00:35:22,360

A given group of persons

577

00:35:22,360 --> 00:35:25,483

is tied to a certain area of jurisdiction.

578

00:35:27,330 --> 00:35:30,290

Here too, we meet the
riddle of the founding

579

00:35:30,290 --> 00:35:32,053

of cities and states.

580

00:35:33,360 --> 00:35:36,400

What is more, both the ancient Romans,

581

00:35:36,400 --> 00:35:38,940

and quite recently, the Chinese,

582

00:35:38,940 --> 00:35:41,790

have recognized the

existence of guardian spirits

583

00:35:41,790 --> 00:35:43,263

set over cities.

584

00:35:44,170 --> 00:35:47,210

Indeed, one author reports as follows

585

00:35:47,210 --> 00:35:51,083

on the occult war waged on

enemy cities by ancient Rome.

586

00:35:52,440 --> 00:35:55,460

The Romans, when besieging a city,

587

00:35:55,460 --> 00:35:58,900

made a habit of carefully

inquiring the name of the city,

588

00:35:58,900 --> 00:36:00,533

and of its guardian spirits.

589

00:36:01,660 --> 00:36:03,260

When they knew these,

590

00:36:03,260 --> 00:36:04,960

they would summon the guardian spirit

591

00:36:04,960 --> 00:36:08,033

of the city and its

inhabitants, and conquer it.

592

00:36:12,920 --> 00:36:14,650

Egregore is Greek,

593

00:36:14,650 --> 00:36:16,820

and means to rouse from sleep,

594

00:36:16,820 --> 00:36:18,690

be excited by passion,

595

00:36:18,690 --> 00:36:21,053

to be awake, or to watch,

596

00:36:22,270 --> 00:36:24,770

incredibly, etymologically linked

597

00:36:24,770 --> 00:36:28,050

to the enlightenment

experience of the awakening,

598

00:36:28,050 --> 00:36:30,543

or the place between awake and asleep.

599

00:36:32,050 --> 00:36:35,660

It is this very place,

between awake and asleep,

600

00:36:35,660 --> 00:36:39,700

that the vast majority of

alien abductions occur.

601

00:36:39,700 --> 00:36:41,620

The root of the word Egregore,

602

00:36:41,620 --> 00:36:44,380

appears to be the Syrian Er or Ur,

603

00:36:44,380 --> 00:36:46,150

and reverts to watcher,

604

00:36:46,150 --> 00:36:48,710

and is also related to Ur,

605

00:36:48,710 --> 00:36:50,283

the home of Abraham.

606

00:36:52,660 --> 00:36:56,580

Eliphas Levi, a 19th magician and mystic,

607

00:36:56,580 --> 00:36:59,730

speaks of these Egregores

on numerous occasions,

608

00:36:59,730 --> 00:37:02,310

and even links them to

the giants, or watchers,

609

00:37:02,310 --> 00:37:04,540

spoken of in the Book of Enoch,

610

00:37:04,540 --> 00:37:06,410

saying that they take shape

611

00:37:06,410 --> 00:37:09,400

and have appeared in the guise of giants.

612

00:37:09,400 --> 00:37:12,570

These are the Egregores

in the Book of Enoch,

613

00:37:12,570 --> 00:37:14,960

termed, the celestial watchers,

614

00:37:14,960 --> 00:37:17,223

or Egregores by the ancients.

615

00:37:19,860 --> 00:37:23,270

Levi also calls these

Egregores the Anakim,

616

00:37:23,270 --> 00:37:25,770

Shining Ones, men of renown,

617

00:37:25,770 --> 00:37:28,040

the giants of the Bible.

618

00:37:28,040 --> 00:37:32,090

And they are expressed in the
myths of various cultures,

619

00:37:32,090 --> 00:37:33,703

just as we have been finding.

620

00:37:36,490 --> 00:37:38,520

It therefore appears the Levi

621

00:37:38,520 --> 00:37:40,840

knew of these Egregores, or watchers,

622

00:37:40,840 --> 00:37:42,460

from the recently translated,

623

00:37:42,460 --> 00:37:44,833

and widely available, Book of Enoch.

624

00:37:48,507 --> 00:37:51,710

Levi was well-known to have

Rosicrucian tendencies,

625

00:37:51,710 --> 00:37:55,393

and this movement too, was aware

of the meaning of the word.

626

00:37:56,540 --> 00:37:59,100

In fact, they believed that the Egregores

627

00:37:59,100 --> 00:38:02,693

were still in existence, and

were working in the background.

628

00:38:05,930 --> 00:38:09,870

Amazingly, the infamous
book, the Necronomicon,

629

00:38:09,870 --> 00:38:12,980

tells us about a fabulous city of Ilim.

630

00:38:14,186 --> 00:38:18,000

Ilim of the Pillars, is part
of Arabian magical lore,

631

00:38:18,000 --> 00:38:20,940

and was built by the Jinn, or angels,

632

00:38:20,940 --> 00:38:23,420

and were also watchtowers,

633

00:38:23,420 --> 00:38:25,503

the towers of the watchers.

634

00:38:28,380 --> 00:38:30,470

The pillars were built on the instruction

635

00:38:30,470 --> 00:38:33,040

of the Lords of the tribe of Ad,

636

00:38:33,040 --> 00:38:34,640

which means eternity,

637

00:38:34,640 --> 00:38:36,800

who is referred to in Hebrew terms

638

00:38:36,800 --> 00:38:40,530

as the plural, Nephilim,

the giants or watchers

639

00:38:40,530 --> 00:38:42,240

of the Shining Ones,

640

00:38:42,240 --> 00:38:45,403

and referred to in the
Book of Enoch as Irim.

641

00:38:46,780 --> 00:38:48,870

According to Arabian legend,

642

00:38:48,870 --> 00:38:52,530

this Irim is located in Rub al Kali,

643

00:38:52,530 --> 00:38:55,840

which means the empty
quarter, or the void.

644

00:38:55,840 --> 00:38:59,000

The void could be a real valid location,

645

00:38:59,000 --> 00:39:01,830

or a term for the space between.

646

00:39:01,830 --> 00:39:04,583

Is this a clue to the
method of transportation?

647

00:39:07,320 --> 00:39:09,320

Archeologists have identified

648

00:39:09,320 --> 00:39:12,010

the very spot of the infamous Irim,

649

00:39:12,010 --> 00:39:14,533

as being the lost city of Ubar.

650

00:39:18,260 --> 00:39:19,840

One further link with Enoch,

651

00:39:19,840 --> 00:39:22,130

to the mysteries of the modern alchemists,

652

00:39:22,130 --> 00:39:24,253

mystics, and seers, is seen

653

00:39:24,253 --> 00:39:28,700

in a 13th century text of a Bar Hebraeus,

654

00:39:28,700 --> 00:39:32,330

who spent many years

investigating the ancient texts

655

00:39:32,330 --> 00:39:34,460

at the library of Malaga,

656

00:39:34,460 --> 00:39:37,497

and gives us this unique insight.

657

00:39:37,497 --> 00:39:42,497

"The ancient Greeks say that

Enoch is Hamis Trismagostis."

658

00:39:43,690 --> 00:39:46,460

The Chronography of Bar Hebraeus,

659

00:39:46,460 --> 00:39:49,913

translated by EW Budge, 1932.

660

00:39:54,980 --> 00:39:58,530

This is none other than

Hermes Trismegostis,

661

00:39:58,530 --> 00:40:00,300

the thrice-great Hermes,

662

00:40:00,300 --> 00:40:02,750

whom all mystics hold in high esteem,

663

00:40:02,750 --> 00:40:06,250

as having passed down

ancient and profound secrets,

664

00:40:06,250 --> 00:40:08,280

and who is seen as the father

665

00:40:08,280 --> 00:40:11,293

of almost all western secret orders.

666

00:40:14,230 --> 00:40:16,560

Whether or not the actual Shining Ones,

667

00:40:16,560 --> 00:40:18,140

watchers, or Egregore,

668

00:40:18,140 --> 00:40:19,930

were actually physically around

669

00:40:19,930 --> 00:40:22,120

during this vast expanse of time,

670

00:40:22,120 --> 00:40:23,863

is still the subject of debate.

671

00:40:24,730 --> 00:40:26,480

But what this does show,

672

00:40:26,480 --> 00:40:29,260

is that the ancient influence

of the Shining Ones,

673

00:40:29,260 --> 00:40:31,793

was certainly still in existence.

674

00:40:32,830 --> 00:40:35,040

Even the Storus Tempolum,

675

00:40:35,040 --> 00:40:38,610

translated into Latin

in the mid-17th century,

676

00:40:38,610 --> 00:40:40,750

gives us a chronology of events,

677

00:40:40,750 --> 00:40:42,643

surrounding these Egregores.

678

00:40:44,370 --> 00:40:47,220

In 1,000, they descended,

679

00:40:47,220 --> 00:40:52,020

and by 1,487 BC, they had

taken Enoch to Paradise,

680

00:40:52,020 --> 00:40:55,620

due to the descent of the fallen watchers.

681

00:40:55,620 --> 00:40:58,080

A text from the 17th century

682

00:40:58,080 --> 00:41:01,390

that clearly states that

the watchers descended,

683

00:41:01,390 --> 00:41:05,893

remained on Earth, and
even took Enoch away again.

684

00:41:07,820 --> 00:41:11,170

It seems then, that the
extremely ancient concept

685

00:41:11,170 --> 00:41:13,057

and story of the the Shining Ones,

686

00:41:13,057 --> 00:41:16,800

was still very much alive,
and being propagated secretly

687

00:41:16,800 --> 00:41:20,720

by the mystics of the
last few hundred years.

688

00:41:20,720 --> 00:41:23,653

These were part and parcel
of their hidden secrets.

689

00:41:24,530 --> 00:41:26,470

The question arises,

690

00:41:26,470 --> 00:41:29,803

why did they feel the
need to hide such secrets?

691

00:41:31,900 --> 00:41:34,980

Today, the Egregore is
seen in occult circles

692

00:41:34,980 --> 00:41:36,620

as an energy form,

693

00:41:36,620 --> 00:41:38,440

which according to the Martinist Order

694

00:41:38,440 --> 00:41:40,050

of the Knights of Christ,

695

00:41:40,050 --> 00:41:43,560

who claim to be the heirs of

the Rosicrucians and others,

696

00:41:43,560 --> 00:41:46,540

say its goal is to set the human being

697

00:41:46,540 --> 00:41:49,490

free from the hold of

the Prince of the World,

698

00:41:49,490 --> 00:41:52,050

and of achieving the mystical union

699

00:41:52,050 --> 00:41:54,460

of the self-aware personality,

700

00:41:54,460 --> 00:41:56,143

with the individual profundity.

701

00:41:57,250 --> 00:42:00,730

Its members strive to

have access to mastery,

702

00:42:00,730 --> 00:42:04,100

by reuniting with the

kingdom of the center,

703

00:42:04,100 --> 00:42:06,820

propitious with the

descent of the Paraclete,

704

00:42:06,820 --> 00:42:10,620

sent by Christ in addition

to the assistance rendered

705

00:42:10,620 --> 00:42:14,320

by the attachment on the

side of the initiator

706

00:42:14,320 --> 00:42:18,013

of the Egregory, protector

of the secret chain.

707

00:42:19,490 --> 00:42:21,900

An apolistic succession of power,

708

00:42:21,900 --> 00:42:25,960

suggest John Michael Greer,

in Inside the Magical Lodge,

709

00:42:25,960 --> 00:42:28,353

is a basic function of the Egregore.

710

00:42:31,250 --> 00:42:34,100

Worship me, cries the Egregory,

711

00:42:34,100 --> 00:42:36,170

I am the Son of God.

712

00:42:36,170 --> 00:42:39,730

You are nothing but a
worthless and sinful creature,

713

00:42:39,730 --> 00:42:42,460

damned from birth, and destined to hell,

714

00:42:42,460 --> 00:42:44,273

were it not for my sacrifice.

715

00:42:45,300 --> 00:42:48,193

And without me, you
will never reach heaven.

716

00:42:49,130 --> 00:42:51,550

The Egregory is a group spirit

717

00:42:51,550 --> 00:42:56,050

that serves to remind the
initiate of his or her goals.

718

00:42:56,050 --> 00:42:58,640

It informs and guides the individual,

719

00:42:58,640 --> 00:43:01,233

and it protects the living

chain of brotherhood.

720

00:43:02,520 --> 00:43:04,170

The living chain of brotherhood

721

00:43:04,170 --> 00:43:06,430

is entered into with a session

722

00:43:06,430 --> 00:43:09,000

that forms a rite of their own creation,

723

00:43:09,000 --> 00:43:12,533

intended to protect and
enhance the Temple of Set.

724

00:43:13,847 --> 00:43:16,177

"The Eggregory protects the brotherhood

725

00:43:16,177 --> 00:43:18,727

"by letting them know that

their enemies are there,

726

00:43:19,717 --> 00:43:22,517

"a symbolic representation

of the Eggregory,

727

00:43:22,517 --> 00:43:26,247

"is used to maintain a link

to the Prince of Darkness."

728

00:43:27,330 --> 00:43:30,783

Sir Osmond IV, Saturnian Principles.

729

00:43:34,650 --> 00:43:37,480

One of the peculiar
archeological evidences

730

00:43:37,480 --> 00:43:40,993

we have of ancient watchers,
are the round towers.

731

00:43:42,485 --> 00:43:44,985

What was being watched is
a matter of some debate.

732

00:43:45,880 --> 00:43:47,570

It may have been the people,

733

00:43:47,570 --> 00:43:49,453

or it may have been the stars.

734

00:43:50,420 --> 00:43:54,840

Indeed, it is highly likely

they were built for both,

735

00:43:54,840 --> 00:43:57,153

as well as for the search for aggressors.

736

00:43:59,750 --> 00:44:01,540

The Great Pyramid of Giza

737

00:44:01,540 --> 00:44:04,053

was seen as a gateway to the stars.

738

00:44:05,540 --> 00:44:08,720

In his paper, The Great Pyramid Text,

739

00:44:08,720 --> 00:44:10,403

Gleason Harvey points out

740

00:44:10,403 --> 00:44:12,640

that in the pyramids of Shakara,

741

00:44:12,640 --> 00:44:16,010

there are more than 3,000 columns of text

742

00:44:16,010 --> 00:44:18,490

from the 5th and 6th dynasties,

743

00:44:18,490 --> 00:44:20,790

which he believes holds the secret

744

00:44:20,790 --> 00:44:22,293

to the pyramid's use.

745

00:44:23,950 --> 00:44:26,500

These texts include incantations,

746

00:44:26,500 --> 00:44:29,360

and magical formulae,

that used to be invoked

747

00:44:29,360 --> 00:44:32,510

in certain locations around the pyramid,

748

00:44:32,510 --> 00:44:36,170

but in the upper passage,
chamber, gallery, and shaft,

749

00:44:36,170 --> 00:44:41,170

there are incredibly old,
unmistakable, megalithic glyph.

750

00:44:41,370 --> 00:44:45,793

This glyph, or phrase, translates
remarkably into stargate,

751

00:44:46,656 --> 00:44:48,033

and tunnel-opening gate.

752

00:44:49,840 --> 00:44:53,420

Because glyphs are sadly
lacking from most pyramids,

753

00:44:53,420 --> 00:44:56,343

this information is a startling discovery.

754

00:44:59,040 --> 00:45:02,780

Egyptologists claim that

the star is mythological,

755

00:45:02,780 --> 00:45:03,853

and leave it at that.

756

00:45:05,140 --> 00:45:07,313

But could this really be the case?

757

00:45:08,600 --> 00:45:11,280

With all the information

about ancient watchers

758

00:45:11,280 --> 00:45:13,430

having descended to Earth,

759

00:45:13,430 --> 00:45:14,583

we have to wonder.

760

00:45:17,380 --> 00:45:21,890

We already know that the
Egyptians called Giza, Rostau,

761

00:45:21,890 --> 00:45:24,293

which means gateway to the other world.

762

00:45:25,530 --> 00:45:27,563

What is this otherworld?

763

00:45:28,460 --> 00:45:31,880

If this were truly a
gateway to another world,

764

00:45:31,880 --> 00:45:33,323

then how did it work?

765

00:45:36,440 --> 00:45:38,700

Back in the 1970's and 80's,

766

00:45:38,700 --> 00:45:41,990

a scientist named Joe

Parr decided it was time

767

00:45:41,990 --> 00:45:43,960

to take a look at the Great Pyramids,

768

00:45:43,960 --> 00:45:46,050

and pyramid shapes in general,

769

00:45:46,050 --> 00:45:49,283

and what he discovered

is completely amazing.

770

00:45:51,340 --> 00:45:55,230

In his experiments, Joe

set up an aligned pyramid,

771

00:45:55,230 --> 00:45:57,910

north-south and east-west,

772

00:45:57,910 --> 00:46:00,933

with flat coils placed

in the north and south.

773

00:46:02,340 --> 00:46:05,220

A blown one microfarad capacitor,

774

00:46:05,220 --> 00:46:07,170

with sparks across the gap,

775

00:46:07,170 --> 00:46:10,463

using a battery, resistor,

and chart recorder.

776

00:46:11,950 --> 00:46:14,940

This was to stimulate the
electromagnetic energy

777

00:46:14,940 --> 00:46:17,123

of the Earth passing over the pyramid.

778

00:46:19,490 --> 00:46:23,300

The scientist registered the
changes on a daily basis,

779

00:46:23,300 --> 00:46:25,730

recording the state of an energy bubble,

780

00:46:25,730 --> 00:46:28,190

that surrounded the pyramid.

781

00:46:28,190 --> 00:46:31,140

Strangely, the energy actually stopped

782

00:46:31,140 --> 00:46:33,440

all kinds of radiation,

783

00:46:33,440 --> 00:46:37,170

and the bubble showed

attenuation to beater emitters,

784

00:46:37,170 --> 00:46:39,530

ion sources, and magnetic sources,

785

00:46:39,530 --> 00:46:40,483

when in the bubble.

786

00:46:42,020 --> 00:46:44,310

Feeding negative ions into the bubble

787

00:46:44,310 --> 00:46:46,363

actually intensified the energy.

788

00:46:48,150 --> 00:46:50,560

The energy was also found to alter,

789

00:46:50,560 --> 00:46:52,710

over the course of the year.

790

00:46:52,710 --> 00:46:56,893

And 13 years of experimentation

gave good results.

791

00:46:58,310 --> 00:47:01,540

Most peculiar, was the

effect upon gravity,

792

00:47:01,540 --> 00:47:05,033

which is linked intrinsically

to electromagnetic radiation.

793

00:47:06,350 --> 00:47:08,760

It appeared that the

bubble actually blocked out

794

00:47:08,760 --> 00:47:13,150

the force of gravity, as well
as electromagnetic energy,

795

00:47:13,150 --> 00:47:18,150

showing a 113,000 times
increase in kinetic energy,

796

00:47:18,800 --> 00:47:21,260

leading the researchers to theorize,

797

00:47:21,260 --> 00:47:25,260

that the pyramid actually
moved in time and space,

798

00:47:25,260 --> 00:47:29,773

a place known to theoretical
physicists as H space.

799

00:47:30,840 --> 00:47:34,083

But what relevance could

this have on our work here?

800

00:47:36,080 --> 00:47:38,100

Could the Great Pyramid actually be

801

00:47:38,100 --> 00:47:40,053

a massive transport device?

802

00:47:41,280 --> 00:47:43,640

Whether to physically travel, or mentally,

803

00:47:43,640 --> 00:47:46,443

to another place, another world?

804

00:47:48,871 --> 00:47:50,110

And the fact is,

805

00:47:50,110 --> 00:47:52,833

the Great Pyramid never

did contain a body.

806

00:47:54,020 --> 00:47:59,020

No evidence of a Pharaoh was
ever discovered, nothing.

807

00:48:01,060 --> 00:48:03,970

But there must be more
evidence of ancient building,

808

00:48:03,970 --> 00:48:06,233

with its peculiar inbuilt design.

809

00:48:07,770 --> 00:48:08,683

There is.

810

00:48:09,770 --> 00:48:12,830

One peculiar, and
little-written-about structure,

811

00:48:12,830 --> 00:48:14,163

is the round tower.

812

00:48:15,130 --> 00:48:17,420

These are worldwide in the hundreds,

813

00:48:17,420 --> 00:48:20,010

and strangely, are linked to the mysteries

814

00:48:20,010 --> 00:48:22,873

of serpent worship in

almost every instance.

815

00:48:24,600 --> 00:48:27,580

Tall, elegant, round structures,

816

00:48:27,580 --> 00:48:29,490

built by cultures as diverse

817

00:48:29,490 --> 00:48:32,520

as the Irish Celts, and early Christians,

818

00:48:32,520 --> 00:48:35,140

the Hopi Indians, and Egyptians,

819

00:48:35,140 --> 00:48:37,943

all of which are linked

with serpent worship.

820

00:48:39,370 --> 00:48:42,440

Even the Dead Sea Scrolls refer to towers,

821

00:48:42,440 --> 00:48:44,893

protected by angels, or watchers.

822

00:48:46,730 --> 00:48:48,840

In the famous Qumran community

823

00:48:48,840 --> 00:48:50,800

of the Dead Sea Scrolls,

824

00:48:50,800 --> 00:48:52,223

the war between the sons of light

825

00:48:52,223 --> 00:48:54,440

and and the sons of darkness,

826

00:48:54,440 --> 00:48:57,090

was to be conducted with acute awareness

827

00:48:57,090 --> 00:48:59,563

of the place of the angelic world in it.

828

00:49:01,140 --> 00:49:02,900

The Qumran war scroll,

829

00:49:02,900 --> 00:49:06,240

even gives us details on

the battle formations,

830

00:49:06,240 --> 00:49:08,233

which involve four towers

831

00:49:08,233 --> 00:49:10,130

that are units of soldiers

832

00:49:10,130 --> 00:49:12,833

with specifically long spears and shields.

833

00:49:13,810 --> 00:49:15,280

On each of the shields,

834

00:49:15,280 --> 00:49:17,913

is written the name of one

of the four archangels.

835

00:49:19,620 --> 00:49:22,940

This links the round

towers, or watchtowers,

836

00:49:22,940 --> 00:49:25,293

to the watchers, or giants.

837

00:49:27,170 --> 00:49:30,760

In Ireland, there are

over 65 round towers,

838

00:49:30,760 --> 00:49:33,033

many more than 100 feet tall.

839

00:49:34,240 --> 00:49:36,040

And there are a great many legends

840

00:49:36,040 --> 00:49:38,103

of giants and watchers in Ireland.

841

00:49:39,530 --> 00:49:41,953

In fact, the ancient history of Ireland

842

00:49:41,953 --> 00:49:44,000

is awash with Lords of Light,

843

00:49:44,000 --> 00:49:45,990

who descended upon the land,

844

00:49:45,990 --> 00:49:47,943

and nobody knows where from.

845

00:49:50,560 --> 00:49:53,310

Gladwell, writing in the 19th century,

846

00:49:53,310 --> 00:49:56,000

points it out that Saint

Patrick and his followers,

847

00:49:56,000 --> 00:50:00,680

almost invariably selected

those sacred sites of paganism,

848

00:50:00,680 --> 00:50:02,610

and built their wooden churches

849

00:50:02,610 --> 00:50:05,380

under the shadow of the round towers.

850

00:50:05,380 --> 00:50:09,513

Then, as mysterious and

inscrutable as they are today.

851

00:50:11,510 --> 00:50:14,300

Some claim these structures

were fire temples,

852

00:50:14,300 --> 00:50:16,490

dedicated to sun worship,

853

00:50:16,490 --> 00:50:18,240

and it is easy to see why,

854

00:50:18,240 --> 00:50:20,260

when we discover that sun worship

855

00:50:20,260 --> 00:50:22,480

is connected to serpent worship,

856

00:50:22,480 --> 00:50:24,593

and the enlightenment experience.

857

00:50:26,020 --> 00:50:28,500

Others claim them to be watchtowers,

858

00:50:28,500 --> 00:50:31,100

which would relate nicely

to the ancient term

859

00:50:31,100 --> 00:50:33,503

for the serpent cult, as watchers.

860

00:50:34,350 --> 00:50:37,060

In fact, Hargrave Jennings,

861

00:50:37,060 --> 00:50:39,430

author of Ophiolatreia,

862

00:50:39,430 --> 00:50:41,460

relates them to the obelisk,

863

00:50:41,460 --> 00:50:44,883

that ancient serpent-derived

pillar to the heavens.

864

00:50:47,247 --> 00:50:49,920

The towers are also found close to rivers,

865

00:50:49,920 --> 00:50:52,560

streams, and holy wells.

866

00:50:52,560 --> 00:50:56,760

The water was the subterranean

home of the serpent race,

867

00:50:56,760 --> 00:51:01,160

and is often seen as the
entrance to the other world.

868

00:51:01,160 --> 00:51:03,630

But it is the association with water

869

00:51:03,630 --> 00:51:06,340

that seems to be important
to such structures,

870

00:51:06,340 --> 00:51:08,963

in terms of Earth electromagnetic energy.

871

00:51:11,670 --> 00:51:13,250

There may be an important link

872

00:51:13,250 --> 00:51:15,940

between round towers and the Phoenicians,

873

00:51:15,940 --> 00:51:17,920

who had similar structures dedicated

874

00:51:17,920 --> 00:51:20,393

to their rain and water deity, Baal.

875

00:51:21,620 --> 00:51:23,270

There are thousands of these towers

876

00:51:23,270 --> 00:51:25,050

scattered across Sardinia,

877

00:51:25,050 --> 00:51:27,890

just north of the Phoenician

capital of Carthage,

878

00:51:27,890 --> 00:51:31,193

dating to at least 2,000

years before Christ.

879

00:51:33,180 --> 00:51:35,680

There are also those who
believe that these towers

880

00:51:35,680 --> 00:51:39,750

served as astronomical
tools, similar to Stonehenge,

881

00:51:39,750 --> 00:51:41,513

and this may be the case, also.

882

00:51:43,220 --> 00:51:47,110

The tower in Iran, called
Radkan, which means serpent,

883

00:51:47,110 --> 00:51:49,300

is thought to be one of these.

884

00:51:49,300 --> 00:51:52,630

And like the European
towers of a much later date,

885

00:51:52,630 --> 00:51:54,353

it has a conical cap.

886

00:51:55,573 --> 00:51:57,880

(eerie electronic music)

887

00:51:57,880 --> 00:52:00,800

in the Naga, or serpent homeland of India,

888

00:52:00,800 --> 00:52:03,430

the round tower became the stupa,

889

00:52:03,430 --> 00:52:05,940

and in China, the pagoda,

890

00:52:05,940 --> 00:52:08,333

both other forms of round tower.

891

00:52:09,930 --> 00:52:11,860

In Feng Shui, we get a glimpse

892

00:52:11,860 --> 00:52:13,883

of the real use of the towers.

893

00:52:15,170 --> 00:52:17,660

The pagoda, and indeed the stupa,

894

00:52:17,660 --> 00:52:20,530

are thought to trap

negative energy, or chi,

895

00:52:20,530 --> 00:52:23,240

known as dragon, or serpent energy,

896

00:52:23,240 --> 00:52:25,563

what we would call the negative ions.

897

00:52:29,000 --> 00:52:31,090

Remember that these negative ions

898

00:52:31,090 --> 00:52:33,090

in the Parr pyramid experiments

899

00:52:33,090 --> 00:52:35,090

were thought to cause anti-gravity,

900

00:52:35,090 --> 00:52:37,373

and anti-electromagnetic affects.

901

00:52:39,920 --> 00:52:42,190

The very tale of Lady Whitesnake

902

00:52:42,190 --> 00:52:44,450

is popular all over the world,

903

00:52:44,450 --> 00:52:47,893

and is ultimately due to
this electromagnetic energy.

904

00:52:49,140 --> 00:52:52,280

It is the Lady Whitesnake, or Luna Snake,

905

00:52:52,280 --> 00:52:55,393

that is trapped in the
pagoda for a thousand years,

906

00:52:56,470 --> 00:52:58,210

trapping the massive energy

907

00:52:58,210 --> 00:53:01,373

of the Earth's magnetic
field, in a structure.

908

00:53:04,420 --> 00:53:07,550

Further, round towers
can be found as far away

909

00:53:07,550 --> 00:53:11,260

as southern America, New Mexico, Colorado,

910

00:53:11,260 --> 00:53:15,323

Utah, Chichén Itza, Africa, and many more.

911

00:53:16,490 --> 00:53:20,970

All are related to the serpent
energy, and serpent cult,

912

00:53:20,970 --> 00:53:24,513

and many have the same
astronomical alignments.

913

00:53:25,840 --> 00:53:28,220

Indeed, the Hopi Snake Tribe

914

00:53:28,220 --> 00:53:31,083

actually refer to them as snake houses.

915

00:53:33,680 --> 00:53:37,293

The Hopi God of Death and
the underworld, is Maasaw,

916

00:53:38,130 --> 00:53:40,720

and he has to explain to the Snake Mother,

917

00:53:40,720 --> 00:53:43,283

why the children cannot live in the house.

918

00:53:45,417 --> 00:53:46,737

And Maasaw says,

919

00:53:46,737 --> 00:53:50,287

"No, the snakes have no houses,

920

00:53:50,287 --> 00:53:52,467

"because they have bitten and killed Hopi.

921

00:53:52,467 --> 00:53:54,757

"They should never again have a house,

922

00:53:54,757 --> 00:53:57,727

"but should live under rocks
and holes in the ground."

923

00:53:59,340 --> 00:54:00,457

But he also said,

924

00:54:00,457 --> 00:54:03,237

"The snake houses, the round towers,

925

00:54:03,237 --> 00:54:04,527

"which were built for them,

926

00:54:04,527 --> 00:54:06,917

"should never again be destroyed,

927

00:54:06,917 --> 00:54:09,387

"and that all coming generations of people

928

00:54:09,387 --> 00:54:11,527

"should know the snakes' doom,

929

00:54:11,527 --> 00:54:13,967

"never again to have a house."

930

00:54:16,440 --> 00:54:19,390

Could this be an indication of
the death of the snake cult?

931

00:54:21,150 --> 00:54:22,770

Could this be the Hopi version

932

00:54:22,770 --> 00:54:24,833

of Saint Patrick's story in Ireland?

933

00:54:26,220 --> 00:54:29,500

And if so, then it

relates back to Ireland,

934

00:54:29,500 --> 00:54:32,780

where again, there are

hundreds of round towers

935

00:54:32,780 --> 00:54:34,383

connected with the serpents.

936

00:54:35,770 --> 00:54:38,730

Is this a remnant of

some battle that ensued

937

00:54:38,730 --> 00:54:42,140

between humanity, and those

who worshiped the serpent,

938

00:54:42,140 --> 00:54:44,583

the Shining Ones, the watchers?

939

00:54:45,520 --> 00:54:46,810

If it is the case,

940

00:54:46,810 --> 00:54:49,280

that these round towers or snake houses,

941

00:54:49,280 --> 00:54:50,800

are seen across the Atlantic

942

00:54:50,800 --> 00:54:54,060

with the same religious

and cultural grounding,

943

00:54:54,060 --> 00:54:55,450

then it is also true

944

00:54:55,450 --> 00:54:59,113

to state that the Anakim are

also related in some way.

945

00:55:00,510 --> 00:55:03,363

Anak means long neck, or necklaces.

946

00:55:04,520 --> 00:55:07,820

The Hopi too, have a similar word, anaaq,

947

00:55:07,820 --> 00:55:10,370

meaning necklace or earring.

948

00:55:10,370 --> 00:55:13,793

It is also an expression used

when in pain from snakebite.

949

00:55:15,250 --> 00:55:18,740

But what about the science

of the round towers?

950

00:55:18,740 --> 00:55:20,560

Is there anything that can be related

951

00:55:20,560 --> 00:55:23,063

to the energy discussed with the pyramids?

952

00:55:25,250 --> 00:55:28,560

In the book, *Ancient
Mysteries, Modern Visitors,*

953

00:55:28,560 --> 00:55:31,360

Professor Callahan relays his research,

954

00:55:31,360 --> 00:55:34,210

which amazingly shows
that the round towers

955

00:55:34,210 --> 00:55:37,490

may have been designed
as huge resonant systems

956

00:55:37,490 --> 00:55:40,670

for collecting and storing
meter-long wavelengths

957

00:55:40,670 --> 00:55:43,253

of magnetic and electromagnetic energy.

958

00:55:45,340 --> 00:55:48,860

Facing the hypothesis of

his work on insect antennae,

959

00:55:48,860 --> 00:55:52,660

and the capacity to resonate

electromagnetic waves,

960

00:55:52,660 --> 00:55:56,570

Callahan hypothesized that

the tall, round towers,

961

00:55:56,570 --> 00:55:59,220

were made to be the Earth antennae,

962

00:55:59,220 --> 00:56:02,600

and that similar buildings or
structures around the globe,

963

00:56:02,600 --> 00:56:04,650

could have been made for the same reason.

964

00:56:05,720 --> 00:56:08,610

He believed that this

energy would be passed on

965

00:56:08,610 --> 00:56:10,503

to those meditating at the site.

966

00:56:12,570 --> 00:56:14,970

Of the towers tested in Ireland,

967

00:56:14,970 --> 00:56:17,500

Callahan found that the iron-rich rock

968

00:56:17,500 --> 00:56:18,700

that they were made from,

969

00:56:18,700 --> 00:56:20,683

indeed helped this effect along.

970

00:56:23,000 --> 00:56:25,230

The towers made from other materials,

971

00:56:25,230 --> 00:56:27,490

such as limestone and granite,

972

00:56:27,490 --> 00:56:29,267

were still paramagnetic.

973

00:56:30,530 --> 00:56:34,240

Callahan goes on to show how

the rubble within these towers,

974

00:56:34,240 --> 00:56:37,170

which has baffled people for decades,

975

00:56:37,170 --> 00:56:40,380

was truly there as a tuning implement,

976

00:56:40,380 --> 00:56:43,590

in the same way I say the

plugs in the air vents

977

00:56:43,590 --> 00:56:46,403

of the Great Pyramids are tuning plates.

978

00:56:47,830 --> 00:56:51,000

What we can see here is

the extent of the influence

979

00:56:51,000 --> 00:56:53,940

of the first origins of secret societies,

980

00:56:53,940 --> 00:56:56,100

both in culture and texts,

981

00:56:56,100 --> 00:56:59,480

but also in the many

fascinating and mysterious

982

00:56:59,480 --> 00:57:01,713

archeological remains of the world.

983

00:57:02,970 --> 00:57:05,933

These Shining Ones are the first on paper.

984

00:57:06,950 --> 00:57:09,823

They have a structure,

and a basis of authority.

985

00:57:10,660 --> 00:57:14,040

They rule over man and are all-wise,

986

00:57:14,040 --> 00:57:15,920

having their watchers to insure

987

00:57:15,920 --> 00:57:18,217

that their instructions are carried out.

988

00:57:21,340 --> 00:57:24,530

Either the Shining Ones

are still in power now,

989

00:57:24,530 --> 00:57:26,440

generations later,

990

00:57:26,440 --> 00:57:28,650

or the secret societies of the globe

991

00:57:28,650 --> 00:57:31,150

have copied the methods, structure,

992

00:57:31,150 --> 00:57:33,483

and symbols of these first few.

993

00:57:35,260 --> 00:57:37,130

The great religions of the world

994

00:57:37,130 --> 00:57:39,803

have all been created

by some secret method.

995

00:57:41,580 --> 00:57:43,820

The early Christians met in secrecy,

996

00:57:43,820 --> 00:57:46,880

and spread the word of

Christ far and wide,

997

00:57:46,880 --> 00:57:49,620

whilst the orthodox religions

and powers of the day

998

00:57:49,620 --> 00:57:51,493

struggled to rout them out.

999

00:57:52,420 --> 00:57:53,793

The same is true of Islam.

1000

00:57:54,940 --> 00:57:58,830

Power then is derived from

control of the masses,

1001

00:57:58,830 --> 00:58:00,510

and here in Sumeria,

1002

00:58:00,510 --> 00:58:02,970

control is formed by those who possessed

1003

00:58:02,970 --> 00:58:05,330

great knowledge, wisdom,

1004

00:58:05,330 --> 00:58:08,263

and a seeming ability to access God.

1005

00:58:12,280 --> 00:58:15,230

This has always been the

lure of secret orders,

1006

00:58:15,230 --> 00:58:17,683

and also that of orthodox religion.

1007

00:58:18,700 --> 00:58:21,053

One is open, one is not.

1008

00:58:26,450 --> 00:58:29,320

The texts and the archeology reveal to us

1009

00:58:29,320 --> 00:58:32,750

stories of strange looking,

serpent-like humans

1010

00:58:32,750 --> 00:58:36,210

that descended to Earth,

took control of mankind,

1011

00:58:36,210 --> 00:58:39,640

created civilizations,

instructed humanity,

1012

00:58:39,640 --> 00:58:41,023

and even bred with them.

1013

00:58:44,370 --> 00:58:47,600

We see glimpses of a

catastrophe, or battle,

1014

00:58:47,600 --> 00:58:50,090

and the ascent again of these beings

1015

00:58:50,090 --> 00:58:51,683

back to their other world.

1016

00:58:54,634 --> 00:58:56,840

But these hybrid men and women,

1017

00:58:56,840 --> 00:58:59,050

formed from a union of alien stock

1018

00:58:59,050 --> 00:59:01,747

and earthly humanity, remained,

1019

00:59:01,747 --> 00:59:03,470

and they would go on to become

1020

00:59:03,470 --> 00:59:05,913

the kings and queens of society.

1021

00:59:09,680 --> 00:59:12,090

Their bloodline was so special,

1022

00:59:12,090 --> 00:59:16,030

so divine, that they could not breed again

1023

00:59:16,030 --> 00:59:17,627

outside of their own,

1024

00:59:17,627 --> 00:59:21,623

and their lineage had to

be defended at all costs.

1025

00:59:23,930 --> 00:59:28,230

The blood of aliens walks

upon this Earth, to this day,

1026

00:59:28,230 --> 00:59:32,000

and those behind the scenes

of power know all too well.

1027

00:59:34,539 --> 00:59:37,289

(water bubbling)

1028

00:59:41,486 --> 00:59:44,903

(eerie electronic music)

1029

01:00:01,981 --> 01:00:05,814

(dramatic instrumental music)

1030

01:00:15,404 --> 01:00:18,237

(tribal drumming)
