FEATURED REVIEW

★ 1/10

ZERO STARS!!

I have honestly not ever seen a more ludicrous show. They show what is clearly a WOLF on their captured video then only because wolves are "not found here typically" proceed to wonder "what IS THAT?" - I have never wanted to throw something at my TV so badly as when I made the mistake of watching this garbage. What production company possibly screened this and cleared it and then were they passing the pipe to the network guy that approved actually airing this!?!?
