

1

00:00:00,000 --> 00:00:03,000

Next on Alien Highway.

2

00:00:03,000 --> 00:00:06,000

That is Skinwalker Ridge to the right.

3

00:00:07,000 --> 00:00:09,000

I heard a growl.

4

00:00:09,000 --> 00:00:11,000

I was in fear for my life.

5

00:00:11,000 --> 00:00:12,000

It's like a big shadow.

6

00:00:12,000 --> 00:00:13,000

What the hell is that?

7

00:00:13,000 --> 00:00:14,000

It was amazingly huge.

8

00:00:14,000 --> 00:00:17,000

I can definitely see a beam of light coming straight up.

9

00:00:17,000 --> 00:00:19,000

Alright, we're gonna move over towards it.

10

00:00:19,000 --> 00:00:21,000

Dad, where are you?

11

00:00:21,000 --> 00:00:23,000

You are going to be the target.

12

00:00:23,000 --> 00:00:24,000

You're the danger.

13

00:00:24,000 --> 00:00:25,000

Oh my gosh.

14

00:00:25,000 --> 00:00:27,000

Get to way closer than I was before.

15

00:00:27,000 --> 00:00:28,000

It's moving.

16

00:00:28,000 --> 00:00:29,000

Dad!

17

00:00:29,000 --> 00:00:30,000

Yeah, I'm not here.

18

00:00:33,000 --> 00:00:36,000

There's something happening across our land.

19

00:00:36,000 --> 00:00:38,000

It's carving a terrifying path.

20

00:00:38,000 --> 00:00:39,000

Right there.

21

00:00:39,000 --> 00:00:40,000

Wow!

22

00:00:40,000 --> 00:00:41,000

The raw men don't want to talk about it.

23

00:00:41,000 --> 00:00:42,000

I have no idea how you would explain that.

24

00:00:42,000 --> 00:00:45,000

And the government denies it's even happening.

25

00:00:45,000 --> 00:00:48,000

The White House has dismissed a full UFO investigation.

26

00:00:48,000 --> 00:00:51,000

Those who speak up face ridicule or even worse.

27

00:00:51,000 --> 00:00:55,000

An El Paso County Sheriff's Deputy fired from his job.

28

00:00:55,000 --> 00:00:59,000

Mom, it took my badge, but they can't take my voice.

29

00:00:59,000 --> 00:01:02,000

I'm determined to uncover what's happening.

30

00:01:02,000 --> 00:01:03,000

Look at that thing.

31

00:01:03,000 --> 00:01:04,000

Do you see that?

32

00:01:04,000 --> 00:01:05,000

I saw it that night.

33

00:01:05,000 --> 00:01:08,000

I listened to people who are afraid to speak out.

34

00:01:08,000 --> 00:01:09,000

Nobody's gonna believe me.

35

00:01:09,000 --> 00:01:12,000

I find evidence that's hiding in plain sight.

36

00:01:12,000 --> 00:01:13,000

This is it, right here.

37

00:01:13,000 --> 00:01:17,000

Together with my son, Ganzukowski, it's absolutely moving right now.

38

00:01:17,000 --> 00:01:19,000

An investigator, Heather Taddy.

39

00:01:19,000 --> 00:01:20,000

I never really get this close.

40

00:01:20,000 --> 00:01:22,000

I'm here to find the truth.

41

00:01:22,000 --> 00:01:23,000

I see it!

42

00:01:23,000 --> 00:01:24,000

Yeah!

43

00:01:24,000 --> 00:01:27,000

Along America's Eileen Highway.

44

00:01:33,000 --> 00:01:35,000

Eastern Utah's Ewan Tobesin.

45

00:01:35,000 --> 00:01:41,000

A region long plagued by claims of the strange and unusual.

46

00:01:41,000 --> 00:01:48,000

In the skies, countless UFO sightings dating back to the Native American Yute tribe in the 1700s.

47

00:01:48,000 --> 00:01:53,000

On the ground, terrifying encounters with the skinwalker of Yute legend.

48

00:01:53,000 --> 00:01:57,000

A shape-shifting beast said to transform from man to wolf.

49

00:01:57,000 --> 00:01:59,000

But what if there's a connection?

50

00:01:59,000 --> 00:02:04,000

Could the skinwalker of ancient myth really be an extraterrestrial?

51

00:02:04,000 --> 00:02:11,000

And does recent evidence reveal that the elusive, possibly alien creature is still stalking these lands?

52

00:02:24,000 --> 00:02:29,000

Ballard's a city just outside of where the famous skinwalker ranch is.

53

00:02:29,000 --> 00:02:33,000

The skinwalker ranch is just one location here.

54

00:02:33,000 --> 00:02:37,000

But there's been a lot of UFO sightings in this whole area.

55

00:02:37,000 --> 00:02:41,000

The skinwalker ranch is supposed to be like the direct path of the skinwalker.

56

00:02:41,000 --> 00:02:48,000

What's now known as skinwalker ranch was originally founded in the 1800s as a family cattle operation.

57

00:02:48,000 --> 00:02:52,000

Today, it has reportedly taken on a darker mission.

58

00:02:52,000 --> 00:03:00,000

A collective of anonymous investors with rumored government ties has allegedly converted the ranch into a research compound.

59

00:03:00,000 --> 00:03:10,000

Investigating the region's numerous UFO reports and skinwalker sightings to determine if these two anomalies could be part of the same mysterious threat.

60

00:03:10,000 --> 00:03:13,000

We're not here to actually investigate the skinwalker ranch.

61

00:03:13,000 --> 00:03:18,000

We're here to investigate a creature sighting that's outside the skinwalker ranch.

62

00:03:20,000 --> 00:03:22,000

What type of creature are we talking about here?

63

00:03:22,000 --> 00:03:24,000

Seems like it could be a skinwalker.

64

00:03:24,000 --> 00:03:29,000

The name skinwalker is derived from Native American lore.

65

00:03:29,000 --> 00:03:38,000

Witnesses describe the creature as a shape-shifting beast with the unsettling ability to suddenly materialize out of thin air.

66

00:03:38,000 --> 00:03:44,000

We're going to talk to an investigator out here, Ryan, who actually saw a possible skinwalker.

67

00:03:45,000 --> 00:03:50,000

What makes this area so hot, so active?

68

00:03:50,000 --> 00:03:52,000

We're going to find out.

69

00:03:52,000 --> 00:03:56,000

Ryan Burns is a local UFO investigator,

70

00:03:56,000 --> 00:04:01,000

whose study of skinwalker ranch may have brought him face-to-face with the legendary creature.

71

00:04:01,000 --> 00:04:02,000

Hi, sir. Hi, Ryan.

72

00:04:02,000 --> 00:04:04,000

So tell me, Ryan, what's going on out here?

73

00:04:04,000 --> 00:04:08,000

A lot of weird stuff. Some high strangeness, for sure.

74

00:04:08,000 --> 00:04:11,000

No, no. We're not that far from the skinwalker ranch?

75

00:04:11,000 --> 00:04:17,000

No, this is the general valley right here going down to the east, to the top of UFO Hill.

76

00:04:17,000 --> 00:04:19,000

Why is it called UFO Hill?

77

00:04:19,000 --> 00:04:25,000

It was a really easy place to just pull over and look for UFO activity in the area here.

78

00:04:25,000 --> 00:04:32,000

I have images of orbs in the fields of light phenomena where things are flashing, you know, in the middle of the day

79

00:04:32,000 --> 00:04:35,000

or night, evening, you name it.

80

00:04:35,000 --> 00:04:37,000

And you said you saw something around the corner over here?

81

00:04:37,000 --> 00:04:41,000

Yeah. It was late.

82

00:04:41,000 --> 00:04:46,000

After midnight, it was definitely a new moon, so very little light.

83

00:04:46,000 --> 00:04:49,000

The first thing I saw was its eyes, and then just its size.

84

00:04:49,000 --> 00:04:52,000

I just stopped right here in the middle of the road.

85

00:04:52,000 --> 00:04:53,000

Okay.

86

00:04:53,000 --> 00:04:56,000

And it was right in the center here.

87

00:04:57,000 --> 00:04:59,000

It was amazingly huge.

88

00:04:59,000 --> 00:05:05,000

You think it's maybe it's like some of these dog or something, you know, like great dain slash wolf.

89

00:05:05,000 --> 00:05:07,000

How do you think it was?

90

00:05:07,000 --> 00:05:08,000

I'd say it was right here.

91

00:05:08,000 --> 00:05:09,000

Sitting.

92

00:05:09,000 --> 00:05:10,000

To my chest sitting.

93

00:05:10,000 --> 00:05:11,000

Wow.

94

00:05:11,000 --> 00:05:12,000

That's a big dog.

95

00:05:12,000 --> 00:05:14,000

Are wolves common in this area?

96

00:05:14,000 --> 00:05:16,000

Really, there should be no wolves in this area.

97

00:05:18,000 --> 00:05:19,000

What do you think it was?

98

00:05:19,000 --> 00:05:25,000

It reminded me of the skinwalker sightings, and around the same time period.

99

00:05:25,000 --> 00:05:29,000

I did have some strange things happen.

100

00:05:29,000 --> 00:05:33,000

One of them was, you know, at the ranch itself.

101

00:05:33,000 --> 00:05:43,000

I was basically driving, and there was a, what I can only describe as like an elderly Native American shaman coming down off of a bluff.

102

00:05:43,000 --> 00:05:46,000

And it had the pelt of an animal on.

103

00:05:46,000 --> 00:05:49,000

So I pulled over and said, hey, do you want to ride?

104

00:05:49,000 --> 00:05:52,000

They climbed in and I kind of just lost time.

105

00:05:52,000 --> 00:05:54,000

I didn't really remember anything.

106

00:05:54,000 --> 00:06:01,000

Many UFO witnesses report a black hole of missing time immediately after their initial sighting.

107

00:06:01,000 --> 00:06:05,000

Some believe this is an alien tactic to abduct and study humans,

108

00:06:05,000 --> 00:06:09,000

stealing our memories to hide their own existence.

109

00:06:09,000 --> 00:06:15,000

And then the tribal police saw me kind of hanging out of my truck.

110

00:06:15,000 --> 00:06:17,000

The first thing they thought is this guy's drunk.

111

00:06:17,000 --> 00:06:22,000

And when they asked what happened and I told them this, they were like laughing like, oh my gosh, you got nabbed by the skinwalker.

112

00:06:23,000 --> 00:06:28,000

Ryan talked about experiencing missing time when he had interaction with a possible skinwalker.

113

00:06:28,000 --> 00:06:33,000

So right off the bat, I'm seeing similarities with UFO investigations I've done.

114

00:06:33,000 --> 00:06:36,000

Have you ever got any type of evidence of anything that you've seen in this area?

115

00:06:36,000 --> 00:06:37,000

Absolutely.

116

00:06:39,000 --> 00:06:40,000

What's that?

117

00:06:44,000 --> 00:06:46,000

It's an animal, and those are the legs.

118

00:06:46,000 --> 00:06:48,000

Yeah, he's mid-stried.

119

00:06:48,000 --> 00:06:49,000

I mean, the mid-stried, yeah.

120

00:06:49,000 --> 00:06:51,000

Look how tall it is, though.

121

00:06:51,000 --> 00:06:56,000

It looks like somebody wearing almost like a cape and they're like trying to get out of the way.

122

00:06:56,000 --> 00:06:59,000

It's just so weird because it looks like a human leg.

123

00:06:59,000 --> 00:07:01,000

I'm not sure what, but it's definitely on two legs.

124

00:07:02,000 --> 00:07:05,000

Hey Ryan, how close can you get me to Skinwalker Ranch?

125

00:07:05,000 --> 00:07:06,000

I can get you pretty close.

126

00:07:06,000 --> 00:07:10,000

Is there a road that leads us directly to it or is there...

127

00:07:10,000 --> 00:07:12,000

Actually, this road right here will take you right to it.

128

00:07:12,000 --> 00:07:15,000

As long as we don't stop completely, we're okay.

129

00:07:15,000 --> 00:07:20,000

If you stop completely, they can immediately hold your stuff for 72 hours including you.

130

00:07:21,000 --> 00:07:26,000

So apparently at Skinwalker Ranch, they not only investigate Skinwalkers, but also investigate UFOs.

131

00:07:26,000 --> 00:07:28,000

They must think there's a connection.

132

00:07:28,000 --> 00:07:32,000

So how close can you get to the ranch before you get contacted by their security?

133

00:07:32,000 --> 00:07:34,000

You don't even have to really get close.

134

00:07:34,000 --> 00:07:35,000

Really?

135

00:07:35,000 --> 00:07:39,000

Yeah, there is that line of defense where you're just not going to penetrate the property.

136

00:07:39,000 --> 00:07:40,000

There's just no way.

137

00:07:47,000 --> 00:07:50,000

Before attempting to approach Skinwalker Ranch,

138

00:07:50,000 --> 00:07:53,000

the team secures the location of Ryan's encounter.

139

00:07:53,000 --> 00:07:57,000

I think we'll just put it up for the night and then come back tomorrow until we get.

140

00:07:57,000 --> 00:08:03,000

If the creature returns, it will now trigger a motion-activated trail camera.

141

00:08:06,000 --> 00:08:11,000

With the camera ready, the team follows Ryan to the place where UFO reports

142

00:08:11,000 --> 00:08:15,000

and mysterious creature sightings intersect.

143

00:08:15,000 --> 00:08:19,000

So there's these lights that people are seeing, there's UFOs that people are seeing,

144

00:08:19,000 --> 00:08:20,000

and then there's creature.

145

00:08:20,000 --> 00:08:24,000

And all of these predate the ranch itself.

146

00:08:24,000 --> 00:08:27,000

So do you think the ranch is there to monitor all these things?

147

00:08:27,000 --> 00:08:32,000

I think originally all these occurrences happened at that general location.

148

00:08:32,000 --> 00:08:35,000

That is Skinwalker Ranch to the right.

149

00:08:39,000 --> 00:08:43,000

You're going to see the ranch is coming up towards the end of the road here.

150

00:08:43,000 --> 00:08:48,000

Halfway between us and the gate, you'll see a large white sign.

151

00:08:48,000 --> 00:08:50,000

You can't go past that sign.

152

00:08:57,000 --> 00:08:58,000

See, this is it.

153

00:09:05,000 --> 00:09:06,000

You are now trespassing.

154

00:09:06,000 --> 00:09:11,000

Security is aware of your presence and is preparing to notify law enforcement.

155

00:09:11,000 --> 00:09:14,000

Turn around now to avoid prosecution.

156

00:09:15,000 --> 00:09:19,000

Gamma rows on top of these telephone poles.

157

00:09:22,000 --> 00:09:24,000

Let's go out and take a peek.

158

00:09:38,000 --> 00:09:40,000

Yeah, we might have to move here pretty soon.

159

00:09:45,000 --> 00:09:47,000

Okay, we're going back in the vehicles.

160

00:09:47,000 --> 00:09:49,000

Thing to do is turn around.

161

00:09:49,000 --> 00:09:50,000

It's right there.

162

00:09:50,000 --> 00:09:51,000

That \*\*\*\* is this.

163

00:09:52,000 --> 00:09:53,000

The car is coming fast.

164

00:10:10,000 --> 00:10:11,000

That's it down there.

165

00:10:12,000 --> 00:10:14,000

Yeah, we might have to move here pretty soon.

166

00:10:18,000 --> 00:10:20,000

Okay, we're going back in the vehicles.

167

00:10:20,000 --> 00:10:22,000

Thing to do is turn around.

168

00:10:22,000 --> 00:10:23,000

It's right there.

169

00:10:23,000 --> 00:10:24,000

That \*\*\*\* is this.

170

00:10:25,000 --> 00:10:26,000

That car is coming fast.

171

00:10:27,000 --> 00:10:28,000

Let's go.

172

00:10:28,000 --> 00:10:30,000

We don't want to deal with these guys.

173

00:10:30,000 --> 00:10:31,000

Let's get out of here then.

174

00:10:31,000 --> 00:10:32,000

Do you have a camera on?

175

00:10:41,000 --> 00:10:43,000

Guys, let's go! Move in!

176

00:10:53,000 --> 00:10:56,000

After being chased off by Skinwalker Ranch security,

177

00:10:56,000 --> 00:11:01,000

the team regroups to observe the compound from a safer vantage point.

178

00:11:05,000 --> 00:11:09,000

So that basically is Skinwalker Ranch, probably the most famous spot right there.

179

00:11:09,000 --> 00:11:11,000

That's pretty close to where we were just.

180

00:11:11,000 --> 00:11:13,000

You talk about where the peak is, where the two peaks are right there?

181

00:11:13,000 --> 00:11:14,000

Right in the middle?

182

00:11:14,000 --> 00:11:15,000

Yep.

183

00:11:15,000 --> 00:11:18,000

Am I seeing the house, right, like that little tan house?

184

00:11:18,000 --> 00:11:20,000

That's the last house near the gate, right?

185

00:11:20,000 --> 00:11:21,000

That's right.

186

00:11:21,000 --> 00:11:24,000

And the actual ranch house, you can see it.

187

00:11:24,000 --> 00:11:27,000

See this very densely thick area right here?

188

00:11:27,000 --> 00:11:28,000

Yeah.

189

00:11:28,000 --> 00:11:30,000

Aren't there several houses on the property?

190

00:11:30,000 --> 00:11:35,000

Yeah, there's a house and a command center, and then there's also some pens and some storage on the property.

191

00:11:35,000 --> 00:11:38,000

You can actually see the bait pen right there in the middle of that first field,

192

00:11:38,000 --> 00:11:43,000

and they are just basically spots that would put researchers to tie things like calves,

193

00:11:43,000 --> 00:11:48,000

small calves, baby calves, and be able to research if anything comes in to try to...

194

00:11:48,000 --> 00:11:51,000

Oh my gosh, just like Jurassic Park.

195

00:11:51,000 --> 00:11:53,000

So there's a lot of rumors out there who owns this ranch.

196

00:11:53,000 --> 00:11:57,000

We know originally you have previous owners that sold it to Bigelow.

197

00:11:57,000 --> 00:12:03,000

The ranch's previous owner, Terry Sherman, sold the property in 1996

198

00:12:03,000 --> 00:12:07,000

after suffering years of alleged paranormal phenomena.

199

00:12:09,000 --> 00:12:13,000

Despite his claims of menacing UFOs and monstrous creatures,

200

00:12:13,000 --> 00:12:16,000

the rancher managed to find a buyer.

201

00:12:16,000 --> 00:12:23,000

Robert Bigelow, a billionaire government contractor with ties to the space program and military defense,

202

00:12:23,000 --> 00:12:29,000

as founder of the National Institute for Discovery Science, a paranormal think tank.

203

00:12:29,000 --> 00:12:35,000

Bigelow targeted Skinwalker Ranch as the ideal spot to further his research into the unknown.

204

00:12:35,000 --> 00:12:39,000

It's a concept that I think deserves thinking about.

205

00:12:39,000 --> 00:12:46,000

I guess Bigelow bought it for like \$200,000, not bad, but then he sold it for over \$4.5 million.

206

00:12:46,000 --> 00:12:48,000

You know who bought it?

207

00:12:48,000 --> 00:12:50,000

It's a shell company within a shell company.

208

00:12:50,000 --> 00:12:53,000

They don't want to be in any way, shape, or form tied to the property,

209

00:12:53,000 --> 00:12:56,000

but they want to be able to do whatever they want there.

210

00:12:56,000 --> 00:13:00,000

About \$22 million was budgeted by our government here at this property

211

00:13:00,000 --> 00:13:03,000

to study advanced aerial threat identification.

212

00:13:03,000 --> 00:13:05,000

That definitely upped the stakes.

213

00:13:05,000 --> 00:13:10,000

Now, when you mention the \$22 million budget, of course we're talking about the Pentagon now.

214

00:13:10,000 --> 00:13:15,000

If it's true that our government is pouring millions of dollars into Skinwalker Research Investigations,

215

00:13:15,000 --> 00:13:17,000

what are they hoping to get out of it?

216

00:13:17,000 --> 00:13:19,000

What do they know that we don't know?

217

00:13:19,000 --> 00:13:24,000

Following its sale to this anonymous group in 2016,

218

00:13:24,000 --> 00:13:29,000

the secrecy and security of Skinwalker Ranch has continued to ramp up.

219

00:13:29,000 --> 00:13:36,000

But the mysteries surrounding the region aren't limited to the confines of Skinwalker's barbed wire fences.

220

00:13:36,000 --> 00:13:40,000

One of Ryan's colleagues, Dave Miller, is a ghost hunter.

221

00:13:40,000 --> 00:13:47,000

But his recent graveyard investigation may have scared out more than restless spirits.

222

00:13:47,000 --> 00:13:49,000

What happened out here in the cemetery?

223

00:13:49,000 --> 00:13:52,000

Right over there by those benches is where it all started.

224

00:13:52,000 --> 00:13:58,000

Ryan had just walked around the side of the car, and that's when all hell broke loose.

225

00:13:58,000 --> 00:14:06,000

I heard a growl, grunt, snarl, and I could feel, could see this huge presence coming at us.

226

00:14:06,000 --> 00:14:11,000

It's so dark out here at night time, it's completely black, so I could see the shape of it.

227

00:14:11,000 --> 00:14:17,000

And I could see Ryan's reaction, which empowered my reaction, which was to go backwards.

228

00:14:17,000 --> 00:14:19,000

It was completely coming at us.

229

00:14:19,000 --> 00:14:23,000

The cameras were going in and out while this was going on.

230

00:14:23,000 --> 00:14:27,000

I drained like three batteries out just in a quick 10-minute session.

231

00:14:27,000 --> 00:14:29,000

So whatever it was, it was draining energy?

232

00:14:29,000 --> 00:14:32,000

It took complete control over my camera. Three batteries.

233

00:14:32,000 --> 00:14:34,000

I wasn't feared for my life.

234

00:14:34,000 --> 00:14:35,000

Yeah, it was crashing. It was...

235

00:14:35,000 --> 00:14:36,000

What did it look like?

236

00:14:36,000 --> 00:14:37,000

It was like a big shadow.

237

00:14:37,000 --> 00:14:38,000

Like a silhouette of something?

238

00:14:38,000 --> 00:14:40,000

Silhouette of something coming at us.

239

00:14:40,000 --> 00:14:41,000

How tall?

240

00:14:41,000 --> 00:14:44,000

I'll say seven feet.

241

00:14:44,000 --> 00:14:45,000

Oh my gosh.

242

00:14:45,000 --> 00:14:46,000

It was big.

243

00:14:46,000 --> 00:14:47,000

Could you see through it?

244

00:14:47,000 --> 00:14:48,000

No.

245

00:14:48,000 --> 00:14:49,000

So it was solid?

246

00:14:49,000 --> 00:14:50,000

It was solid.

247

00:14:50,000 --> 00:14:51,000

You know what?

248

00:14:51,000 --> 00:14:54,000

I was running from a monster.

249

00:14:54,000 --> 00:15:01,000

I'm 48 years old, and I can honestly look you in your face and tell you that I believe in monsters.

250

00:15:02,000 --> 00:15:04,000

You are going to be the bait.

251

00:15:04,000 --> 00:15:06,000

Guys, it's way closer than I wanted before.

252

00:15:06,000 --> 00:15:07,000

What the hell is that?

253

00:15:07,000 --> 00:15:09,000

It's definitely moving.

254

00:15:18,000 --> 00:15:22,000

I was running from a monster.

255

00:15:22,000 --> 00:15:29,000

I'm 48 years old, and I can honestly look you in your face and tell you that I believe in monsters.

256

00:15:30,000 --> 00:15:34,000

Later that night, something really crazy happened.

257

00:15:34,000 --> 00:15:37,000

We're over by the ranch, the UFO ranch.

258

00:15:37,000 --> 00:15:40,000

We were driving, and Ryan noticed it.

259

00:15:40,000 --> 00:15:42,000

The light, light, light.

260

00:15:42,000 --> 00:15:46,000

And I'm driving, and I look over to the right, and there it was.

261

00:15:46,000 --> 00:15:50,000

This orb light sitting there hovering.

262

00:15:50,000 --> 00:15:56,000

And when it went, the front of it spun this way, and the backside of it spun that way, and it was gone.

263

00:15:56,000 --> 00:15:59,000

He looked right in my face and he goes, gone, gone.

264

00:15:59,000 --> 00:16:02,000

And I started laughing, nervous laugh, right?

265

00:16:02,000 --> 00:16:03,000

Yeah.

266

00:16:03,000 --> 00:16:04,000

Did the light appear to be solid?

267

00:16:04,000 --> 00:16:05,000

Could you see through the light?

268

00:16:05,000 --> 00:16:07,000

It was completely solid.

269

00:16:07,000 --> 00:16:08,000

Completely solid.

270

00:16:08,000 --> 00:16:09,000

Until it spun out.

271

00:16:09,000 --> 00:16:10,000

Did you feel anything?

272

00:16:10,000 --> 00:16:11,000

Static electricity?

273

00:16:11,000 --> 00:16:12,000

Did you feel any of that?

274

00:16:12,000 --> 00:16:15,000

No, I didn't feel anything static because we were inside the car.

275

00:16:15,000 --> 00:16:16,000

Okay.

276

00:16:16,000 --> 00:16:20,000

We came here to learn about Dave's close encounter with a skin walker.

277

00:16:20,000 --> 00:16:24,000

And now I hear he's seen UFOs in the area too.

278

00:16:24,000 --> 00:16:29,000

It seems like if you experience one of these things near the skin walker ranch, another one's not far behind.

279

00:16:29,000 --> 00:16:32,000

Can you show us where you saw this thing?

280

00:16:32,000 --> 00:16:33,000

Yeah, let's go check it out.

281

00:16:33,000 --> 00:16:34,000

Sure.

282

00:16:39,000 --> 00:16:42,000

This is it right here, and there is hair on it.

283

00:16:42,000 --> 00:16:45,000

There's a significant amount of hair on there.

284

00:16:45,000 --> 00:16:48,000

So these are dear for sure the longer ones.

285

00:16:48,000 --> 00:16:50,000

I don't know what the smaller fluffy stuff is.

286

00:16:50,000 --> 00:16:55,000

We had it tested and it was kind of inconclusive because it had unknown fibers.

287

00:16:55,000 --> 00:16:57,000

I got some little glass vials.

288

00:16:57,000 --> 00:17:02,000

I think we need to take some of the hair samples, put the glass vials, keep that.

289

00:17:02,000 --> 00:17:04,000

I would like to get a game camera up here.

290

00:17:04,000 --> 00:17:05,000

That's a great idea.

291

00:17:05,000 --> 00:17:08,000

Point it right here and see what comes through here.

292

00:17:08,000 --> 00:17:10,000

I'd like to get a camera on the cemetery.

293

00:17:10,000 --> 00:17:13,000

What about that second group of trees right there?

294

00:17:13,000 --> 00:17:17,000

So we'll get a little bit of over-secting going this way.

295

00:17:17,000 --> 00:17:18,000

Yeah.

296

00:17:20,000 --> 00:17:23,000

What I'm going to do is I'm going to take some hair samples.

297

00:17:23,000 --> 00:17:27,000

I'm going to try and get a sample close to the fence that doesn't look like deer.

298

00:17:27,000 --> 00:17:35,000

So we'll test the hair sample and we'll see if there's any follicles passed through the hair that maybe we can get some DNA off of.

299

00:17:35,000 --> 00:17:38,000

If this is a creature, it's going to fall where the game's gone.

300

00:17:38,000 --> 00:17:46,000

So the intent of this camera is we'll put it up kind of face in this direction so we can catch the opening part here where the game trail is.

301

00:17:46,000 --> 00:17:49,000

And hopefully we can get something tonight with that.

302

00:17:53,000 --> 00:17:58,000

I'm going to hit it with an EMF meter to see if I pick up anything to this fence.

303

00:17:58,000 --> 00:18:05,000

The EMF meter detects residual electromagnetic energy, measured in units called micro-teslas.

304

00:18:08,000 --> 00:18:10,000

Whoa!

305

00:18:10,000 --> 00:18:14,000

It has about 50 micro-teslas right there.

306

00:18:14,000 --> 00:18:22,000

50 micro-teslas is equivalent to the energy emitted by a smartphone far higher than the baseline of a chicken wire fence.

307

00:18:22,000 --> 00:18:25,000

I don't know why. It seems like there's a lot of energy here.

308

00:18:29,000 --> 00:18:37,000

After collecting evidence from the site of alleged UFO and skinwalker encounters, the team will check their motion-activated trail cameras,

309

00:18:37,000 --> 00:18:41,000

looking for visual confirmation of a link between the two.

310

00:18:44,000 --> 00:18:46,000

Is it still there?

311

00:18:46,000 --> 00:18:48,000

At least it's still on there.

312

00:18:50,000 --> 00:18:52,000

You see anything, Dan?

313

00:18:52,000 --> 00:18:54,000

Let's see.

314

00:18:56,000 --> 00:18:58,000

Okay, 166.

315

00:18:58,000 --> 00:19:00,000

166 hits?

316

00:19:00,000 --> 00:19:01,000

166.

317

00:19:01,000 --> 00:19:02,000

Oh man.

318

00:19:02,000 --> 00:19:03,000

There's a lot of activity out here.

319

00:19:03,000 --> 00:19:05,000

So that's just like motion-activated, right?

320

00:19:05,000 --> 00:19:06,000

Yeah.

321

00:19:08,000 --> 00:19:09,000

What do we got?

322

00:19:09,000 --> 00:19:10,000

68.

323

00:19:10,000 --> 00:19:11,000

68?

324

00:19:11,000 --> 00:19:12,000

Yeah.

325

00:19:13,000 --> 00:19:16,000

This one's got a lot of heads for being pointed at an empty field.

326

00:19:16,000 --> 00:19:18,000

I hope we got something.

327

00:19:18,000 --> 00:19:20,000

Well, we definitely got evidence.

328

00:19:20,000 --> 00:19:22,000

Now we want to know what type of evidence it is.

329

00:19:22,000 --> 00:19:24,000

Alright, so let's get out of here.

330

00:19:25,000 --> 00:19:32,000

The team conducts a footage review to observe what triggered these isolated motion-operated cameras throughout the night.

331

00:19:33,000 --> 00:19:35,000

This is around 4.50 a.m.

332

00:19:35,000 --> 00:19:36,000

What are these little lights?

333

00:19:36,000 --> 00:19:37,000

Yeah, that's what I'm trying to look at.

334

00:19:37,000 --> 00:19:39,000

Just like a little flash of light.

335

00:19:39,000 --> 00:19:40,000

You see that?

336

00:19:40,000 --> 00:19:41,000

Yeah.

337

00:19:41,000 --> 00:19:42,000

Whoa, whoa, whoa.

338

00:19:42,000 --> 00:19:43,000

What was that?

339

00:19:43,000 --> 00:19:44,000

I saw that tear right in there.

340

00:19:44,000 --> 00:19:45,000

What was that?

341

00:19:45,000 --> 00:19:46,000

Right there.

342

00:19:46,000 --> 00:19:47,000

Whoa.

343

00:19:47,000 --> 00:19:49,000

If you look really close, though, it looks like you can see these everywhere.

344

00:19:50,000 --> 00:19:52,000

Another one that went down this way.

345

00:19:52,000 --> 00:19:57,000

Can we look at the camera that Dan and I set up just to see if it looks like if you can see the little lights like this?

346

00:19:57,000 --> 00:19:59,000

Oh, that's...

347

00:19:59,000 --> 00:20:00,000

Oh, it looks like it's snowing.

348

00:20:00,000 --> 00:20:01,000

That's snowing there.

349

00:20:02,000 --> 00:20:04,000

You saying the snow could set this off?

350

00:20:04,000 --> 00:20:05,000

I mean...

351

00:20:05,000 --> 00:20:06,000

No.

352

00:20:08,000 --> 00:20:10,000

I think we should just go to nighttime.

353

00:20:11,000 --> 00:20:12,000

Okay.

354

00:20:12,000 --> 00:20:13,000

Okay, here's the night stuff right here.

355

00:20:13,000 --> 00:20:14,000

Oh, yeah.

356

00:20:14,000 --> 00:20:15,000

Here we go.

357

00:20:15,000 --> 00:20:16,000

This is what we want to see.

358

00:20:16,000 --> 00:20:17,000

Okay, listen. Hold on.

359

00:20:24,000 --> 00:20:25,000

Oh, Jesus!

360

00:20:25,000 --> 00:20:27,000

Man, you're talking about giving us a heart attack.

361

00:20:27,000 --> 00:20:28,000

What the hell was that?

362

00:20:28,000 --> 00:20:29,000

I didn't do that.

363

00:20:29,000 --> 00:20:30,000

Thanks, Neil.

364

00:20:30,000 --> 00:20:31,000

Oh, whoa, whoa, whoa.

365

00:20:31,000 --> 00:20:32,000

Whoa, whoa, whoa.

366

00:20:32,000 --> 00:20:33,000

What was that?

367

00:20:33,000 --> 00:20:34,000

Gunshots?

368

00:20:34,000 --> 00:20:38,000

Can you slow that down to that one part of the clip?

369

00:20:42,000 --> 00:20:43,000

Could have been.

370

00:20:43,000 --> 00:20:44,000

Sounds like it.

371

00:20:46,000 --> 00:20:48,000

We have one more camera.

372

00:20:48,000 --> 00:20:49,000

Let's go check that.

373

00:20:49,000 --> 00:20:50,000

This is the last video.

374

00:21:01,000 --> 00:21:02,000

Whoa!

375

00:21:03,000 --> 00:21:04,000

Dad!

376

00:21:04,000 --> 00:21:05,000

Yeah?

377

00:21:05,000 --> 00:21:06,000

Mirror.

378

00:21:06,000 --> 00:21:07,000

This is getting...

379

00:21:07,000 --> 00:21:08,000

This is getting crazier.

380

00:21:08,000 --> 00:21:09,000

What the hell is this?

381

00:21:09,000 --> 00:21:10,000

What the f\*\*\*?

382

00:21:10,000 --> 00:21:11,000

What is that?

383

00:21:11,000 --> 00:21:13,000

That's in the direction of the skin walker ranch.

384

00:21:13,000 --> 00:21:15,000

All right, we're going to move over towards it.

385

00:21:26,000 --> 00:21:29,000

Utah's UNTEPID

386

00:21:29,000 --> 00:21:32,000

is both an alleged UFO hotspot

387

00:21:32,000 --> 00:21:35,000

and ground zero for sightings of the skin walker.

388

00:21:35,000 --> 00:21:38,000

A wolf-like shapeshifter.

389

00:21:38,000 --> 00:21:40,000

After retrieving motion-activated cameras

390

00:21:40,000 --> 00:21:42,000

from last night's investigation...

391

00:21:42,000 --> 00:21:43,000

What do we got?

392

00:21:43,000 --> 00:21:44,000

68.

393

00:21:44,000 --> 00:21:45,000

68.

394

00:21:45,000 --> 00:21:46,000

So we captured something.

395

00:21:46,000 --> 00:21:48,000

The team searches their footage

396

00:21:48,000 --> 00:21:51,000

for evidence of the legendary beast.

397

00:21:54,000 --> 00:21:56,000

We have one more camera.

398

00:21:56,000 --> 00:21:57,000

Let's go check that.

399

00:21:57,000 --> 00:21:58,000

We have one more camera.

400

00:21:58,000 --> 00:21:59,000

Let's go check that.

401

00:22:08,000 --> 00:22:09,000

Whoa!

402

00:22:11,000 --> 00:22:12,000

That's big!

403

00:22:12,000 --> 00:22:13,000

That is big!

404

00:22:13,000 --> 00:22:14,000

What the f\*\*\*?

405

00:22:14,000 --> 00:22:16,000

Go back, go back, go back, go back more.

406

00:22:16,000 --> 00:22:18,000

What the hell is that?

407

00:22:18,000 --> 00:22:21,000

Just to clarify, there are no wolves here.

408

00:22:21,000 --> 00:22:22,000

Is that what he said?

409

00:22:22,000 --> 00:22:26,000

Ryan Burns said that there are no wolves in this area.

410

00:22:26,000 --> 00:22:27,000

He's just slowed down.

411

00:22:27,000 --> 00:22:29,000

Is he looking at the camera?

412

00:22:30,000 --> 00:22:34,000

This is exactly the same area that Ryan saw.

413

00:22:34,000 --> 00:22:35,000

Yeah.

414

00:22:35,000 --> 00:22:39,000

The large possible skin walker.

415

00:22:39,000 --> 00:22:41,000

Okay, we have a wolf-like creature on camera

416

00:22:41,000 --> 00:22:43,000

and it just appears out of nowhere.

417

00:22:46,000 --> 00:22:47,000

I'm just trying to...

418

00:22:47,000 --> 00:22:48,000

Like, where did it come from?

419

00:22:48,000 --> 00:22:52,000

Since it shows up in the middle of the street.

420

00:22:53,000 --> 00:22:54,000

I don't know.

421

00:22:55,000 --> 00:22:58,000

It literally just appears out of nowhere.

422

00:22:59,000 --> 00:23:01,000

So something triggered the camera here.

423

00:23:02,000 --> 00:23:04,000

We don't see anything till here.

424

00:23:04,000 --> 00:23:07,000

Yet the camera was recording the whole time.

425

00:23:07,000 --> 00:23:09,000

How do you explain that?

426

00:23:10,000 --> 00:23:11,000

Do you see that?

427

00:23:11,000 --> 00:23:12,000

Yeah, that's bizarre.

428

00:23:12,000 --> 00:23:13,000

Here's the reality though.

429

00:23:13,000 --> 00:23:15,000

I know we all got excited about this stuff,

430

00:23:15,000 --> 00:23:17,000

but we need to reel ourselves back in here

431

00:23:17,000 --> 00:23:19,000

and try to figure out what that animal is.

432

00:23:20,000 --> 00:23:22,000

Well, the best way to figure out what this animal is

433

00:23:22,000 --> 00:23:25,000

is to get out there and see what we can find.

434

00:23:27,000 --> 00:23:29,000

Using their footage as a guide,

435

00:23:29,000 --> 00:23:32,000

the team prepares to determine the creature's actual size

436

00:23:32,000 --> 00:23:35,000

in an effort to rule out known animals.

437

00:23:35,000 --> 00:23:38,000

So I've got the image of the animal on my phone here.

438

00:23:38,000 --> 00:23:42,000

Okay, so we can get a good idea of exactly where the camera was

439

00:23:42,000 --> 00:23:44,000

and the size of the animal.

440

00:23:45,000 --> 00:23:47,000

We're going to use a video on my phone as a guide

441

00:23:47,000 --> 00:23:50,000

and we're going to have Heather walk that same line the animal to.

442

00:23:50,000 --> 00:23:53,000

And see if she trips the camera the same time the animal did.

443

00:23:53,000 --> 00:23:55,000

Having Heather here in this location

444

00:23:55,000 --> 00:23:58,000

is going to give us a good idea how big this creature really is.

445

00:23:58,000 --> 00:24:01,000

So, Heather, if you want to hold the tape measure

446

00:24:01,000 --> 00:24:04,000

and you can walk right on where the snow starts,

447

00:24:04,000 --> 00:24:06,000

then we can get an idea.

448

00:24:06,000 --> 00:24:10,000

I'm going to pull the tape measure out and kind of lock it like this.

449

00:24:10,000 --> 00:24:11,000

Okay.

450

00:24:12,000 --> 00:24:14,000

From the video, it kind of looked like it appeared

451

00:24:14,000 --> 00:24:16,000

in between these branches.

452

00:24:16,000 --> 00:24:18,000

Yeah, let me turn this on.

453

00:24:18,000 --> 00:24:19,000

Okay.

454

00:24:20,000 --> 00:24:23,000

Okay, Heather, can you go back just a little bit more?

455

00:24:25,000 --> 00:24:26,000

A little bit more.

456

00:24:26,000 --> 00:24:28,000

We've got to start further back

457

00:24:28,000 --> 00:24:30,000

because we want to make sure we trigger the camera.

458

00:24:30,000 --> 00:24:33,000

All right, we're going to try and get an idea

459

00:24:33,000 --> 00:24:36,000

of the size of this animal that we captured.

460

00:24:36,000 --> 00:24:38,000

We've got the game camera set up.

461

00:24:38,000 --> 00:24:40,000

So go ahead and just kind of walk this way

462

00:24:40,000 --> 00:24:42,000

right down the center line.

463

00:24:49,000 --> 00:24:52,000

Okay, we caught it probably right in this area.

464

00:24:52,000 --> 00:24:57,000

So just measure from the ground to the bottom of your red coat.

465

00:24:57,000 --> 00:24:59,000

What do we have there?

466

00:25:00,000 --> 00:25:01,000

32 inches.

467

00:25:01,000 --> 00:25:02,000

Okay.

468

00:25:02,000 --> 00:25:05,000

We can compare the video we picked up from the trap cam

469

00:25:05,000 --> 00:25:07,000

to the video on my cell phone

470

00:25:07,000 --> 00:25:10,000

and then get an idea of size and speed.

471

00:25:12,000 --> 00:25:14,000

So on my phone, this is a video from the trap cam

472

00:25:14,000 --> 00:25:16,000

that we got last night.

473

00:25:16,000 --> 00:25:18,000

So here he is right here.

474

00:25:20,000 --> 00:25:22,000

So now we have Heather here

475

00:25:22,000 --> 00:25:24,000

set the trap cam to the same place.

476

00:25:24,000 --> 00:25:26,000

There's the top of the branch right there.

477

00:25:26,000 --> 00:25:28,000

And from there down, just 32 inches.

478

00:25:28,000 --> 00:25:30,000

That's pretty big.

479

00:25:30,000 --> 00:25:34,000

So now we have an idea of size.

480

00:25:34,000 --> 00:25:36,000

With the creature's size established,

481

00:25:36,000 --> 00:25:39,000

the team compares simultaneous playback

482

00:25:39,000 --> 00:25:41,000

as each camera is activated.

483

00:25:41,000 --> 00:25:43,000

F\*\*\*.

484

00:25:45,000 --> 00:25:46,000

Look at that.

485

00:25:46,000 --> 00:25:49,000

The animal doesn't appear until the middle of the clip.

486

00:25:50,000 --> 00:25:53,000

Well, I've never seen anything like this before.

487

00:25:53,000 --> 00:25:55,000

Right here, the game camera triggered

488

00:25:55,000 --> 00:25:57,000

when you were standing back here.

489

00:25:57,000 --> 00:25:59,000

So it should have picked up the creature way back here

490

00:25:59,000 --> 00:26:01,000

when the camera started rolling.

491

00:26:01,000 --> 00:26:02,000

It should have.

492

00:26:02,000 --> 00:26:03,000

It should have.

493

00:26:03,000 --> 00:26:06,000

And look, it came in right there.

494

00:26:06,000 --> 00:26:07,000

Do you see that?

495

00:26:07,000 --> 00:26:09,000

Yeah, it's pretty good.

496

00:26:10,000 --> 00:26:12,000

It's like he just appears in the middle of the street.

497

00:26:12,000 --> 00:26:14,000

So we got something that just

498

00:26:14,000 --> 00:26:16,000

looks like it just appeared.

499

00:26:16,000 --> 00:26:17,000

Walks down the street.

500

00:26:17,000 --> 00:26:20,000

It's 32 inches from the back.

501

00:26:20,000 --> 00:26:22,000

That comes up to here on me.

502

00:26:22,000 --> 00:26:24,000

That's not a coyote.

503

00:26:25,000 --> 00:26:26,000

Too big.

504

00:26:26,000 --> 00:26:27,000

That's too big for a coyote.

505

00:26:27,000 --> 00:26:29,000

That's bigger than a normal dog.

506

00:26:29,000 --> 00:26:32,000

It's not a dog and there's no wolves in this area.

507

00:26:35,000 --> 00:26:36,000

Whatever we're dealing with,

508

00:26:36,000 --> 00:26:38,000

triggered that motion sensing camera.

509

00:26:38,000 --> 00:26:40,000

That tells me it's got mass.

510

00:26:40,000 --> 00:26:42,000

That also tells me there could possibly be

511

00:26:42,000 --> 00:26:45,000

some types of tracks or furniture by.

512

00:26:53,000 --> 00:26:54,000

Dad!

513

00:26:54,000 --> 00:26:56,000

Yeah, here.

514

00:26:59,000 --> 00:27:01,000

This is getting crazier.

515

00:27:01,000 --> 00:27:03,000

What the hell is this?

516

00:27:03,000 --> 00:27:04,000

What the?

517

00:27:09,000 --> 00:27:11,000

It's a deer leg.

518

00:27:11,000 --> 00:27:13,000

What the hell would a deer leg be?

519

00:27:13,000 --> 00:27:16,000

Look, it's twisting around like something came through here.

520

00:27:16,000 --> 00:27:19,000

Did he get stuck and then ripped his leg off?

521

00:27:19,000 --> 00:27:20,000

I've never, no.

522

00:27:20,000 --> 00:27:22,000

Let's say a deer ran through here,

523

00:27:22,000 --> 00:27:24,000

ripped his leg off.

524

00:27:24,000 --> 00:27:25,000

It'd be dead.

525

00:27:25,000 --> 00:27:27,000

You'd see a carcass out there.

526

00:27:27,000 --> 00:27:29,000

Or over here.

527

00:27:29,000 --> 00:27:31,000

I think something was carrying it.

528

00:27:31,000 --> 00:27:32,000

It got caught in here.

529

00:27:32,000 --> 00:27:34,000

Something had it.

530

00:27:34,000 --> 00:27:35,000

Had a deer.

531

00:27:35,000 --> 00:27:37,000

Came through this area.

532

00:27:37,000 --> 00:27:40,000

They got caught, twisted around.

533

00:27:40,000 --> 00:27:42,000

I've never seen anything like this before.

534

00:27:42,000 --> 00:27:43,000

Stuck in there too.

535

00:27:43,000 --> 00:27:44,000

It is.

536

00:27:44,000 --> 00:27:46,000

So just down there,

537

00:27:46,000 --> 00:27:49,000

our game camera picked up that animal right there.

538

00:27:49,000 --> 00:27:52,000

I mean, could this be all related?

539

00:27:52,000 --> 00:27:55,000

I mean, something,

540

00:27:55,000 --> 00:27:57,000

I mean, there was a lot of pressure,

541

00:27:57,000 --> 00:28:00,000

a lot of power that caused this to happen.

542

00:28:00,000 --> 00:28:03,000

I only see one set of tracks going in.

543

00:28:04,000 --> 00:28:06,000

This is getting crazy.

544

00:28:07,000 --> 00:28:09,000

Is it related to the skin walker?

545

00:28:09,000 --> 00:28:11,000

Or is it related to this area?

546

00:28:11,000 --> 00:28:14,000

Because there's all kinds of things going on out here.

547

00:28:16,000 --> 00:28:18,000

This leg wasn't here yesterday.

548

00:28:18,000 --> 00:28:20,000

We captured that creature on camera last night.

549

00:28:20,000 --> 00:28:23,000

And Ryan Dave's sightings happened at night.

550

00:28:23,000 --> 00:28:26,000

I think if we want to see something for ourselves,

551

00:28:26,000 --> 00:28:28,000

we need to be here after sundown.

552

00:28:28,000 --> 00:28:32,000

The team has captured footage of a massive wolf-like beast

553

00:28:32,000 --> 00:28:35,000

that appears to materialize out of thin air.

554

00:28:35,000 --> 00:28:38,000

Could it be the legendary skin walker?

555

00:28:38,000 --> 00:28:40,000

Said to haunt the Uinta basin.

556

00:28:40,000 --> 00:28:42,000

Given the region's long UFO history

557

00:28:42,000 --> 00:28:45,000

and the creature's apparent paranormal ability,

558

00:28:45,000 --> 00:28:47,000

Chuck has prepared a night investigation

559

00:28:47,000 --> 00:28:50,000

to determine not only if the skin walker exists,

560

00:28:50,000 --> 00:28:53,000

but if its true origin is not of this earth.

561

00:28:54,000 --> 00:28:57,000

I think this is a great place for an investigation tonight.

562

00:28:58,000 --> 00:29:00,000

We have the broken fence here.

563

00:29:00,000 --> 00:29:02,000

This is an area where Ryan saw a creature

564

00:29:02,000 --> 00:29:04,000

in the cemetery come through here.

565

00:29:05,000 --> 00:29:07,000

Just to our left over here,

566

00:29:07,000 --> 00:29:10,000

that's where Ryan saw a creature in the middle of the road.

567

00:29:10,000 --> 00:29:14,000

That's where our game camera picked up something in the road.

568

00:29:14,000 --> 00:29:19,000

That's where we found the deer leg and just behind.

569

00:29:19,000 --> 00:29:23,000

On that side over there to my left is Skinwalker Ranch.

570

00:29:23,000 --> 00:29:27,000

I think what we need to do is focus on this area.

571

00:29:27,000 --> 00:29:29,000

Then what do you think about me taking Neil

572

00:29:29,000 --> 00:29:31,000

or something up top of that hill?

573

00:29:31,000 --> 00:29:33,000

It would be great to have a camera up there.

574

00:29:33,000 --> 00:29:35,000

I'll give you the night vision binoculars.

575

00:29:35,000 --> 00:29:38,000

That way, I think we've got this whole area covered.

576

00:29:40,000 --> 00:29:44,000

What I want you to do though is I have a distressed animal collar.

577

00:29:44,000 --> 00:29:47,000

Hunters use that to bring in animals.

578

00:29:47,000 --> 00:29:50,000

I'm going to have you use it and take David, our sound guy,

579

00:29:50,000 --> 00:29:53,000

and you are going to be the target. You're the bait.

580

00:29:53,000 --> 00:29:54,000

Okay.

581

00:29:54,000 --> 00:29:55,000

Okay.

582

00:29:55,000 --> 00:29:56,000

I'm up for it.

583

00:29:56,000 --> 00:29:57,000

I'm going to be up top watching.

584

00:29:57,000 --> 00:29:59,000

If we hear anything, I'll get on the radio.

585

00:29:59,000 --> 00:30:00,000

I'll tell you guys to stop doing it.

586

00:30:00,000 --> 00:30:01,000

Okay.

587

00:30:01,000 --> 00:30:04,000

Burn daylight. It's time to get our equipment and get set up,

588

00:30:04,000 --> 00:30:06,000

find our location.

589

00:30:26,000 --> 00:30:29,000

Okay, so we're out in this cemetery.

590

00:30:29,000 --> 00:30:31,000

It's super cold and snowing.

591

00:30:31,000 --> 00:30:33,000

I'm right in the middle of everything,

592

00:30:33,000 --> 00:30:36,000

so I think I'm the most vulnerable person.

593

00:30:36,000 --> 00:30:38,000

With Heather in the cemetery

594

00:30:38,000 --> 00:30:41,000

and Chuck manning the perimeter,

595

00:30:41,000 --> 00:30:43,000

Dan moves into position,

596

00:30:43,000 --> 00:30:46,000

high atop UFO Hill.

597

00:30:46,000 --> 00:30:47,000

UFO Hill's here.

598

00:30:47,000 --> 00:30:50,000

That's where Dan is going up now.

599

00:30:50,000 --> 00:30:54,000

And off to my left is a skin walker ranch,

600

00:30:54,000 --> 00:30:57,000

just on the other side of this hill.

601

00:30:58,000 --> 00:31:00,000

This is where all the stories converge.

602

00:31:00,000 --> 00:31:04,000

So, if there is a connection between skin walkers and UFOs,

603

00:31:04,000 --> 00:31:07,000

then right here is where we want to investigate.

604

00:31:08,000 --> 00:31:11,000

What we're going to do is get to a spot on top of this

605

00:31:11,000 --> 00:31:15,000

fruit sign here where we can look down and see

606

00:31:15,000 --> 00:31:16,000

Dad and Heather.

607

00:31:16,000 --> 00:31:18,000

Hopefully by bringing in

608

00:31:18,000 --> 00:31:21,000

disgraced calling noises,

609

00:31:21,000 --> 00:31:23,000

Daniel being on top of the hill

610

00:31:23,000 --> 00:31:25,000

looking with the night vision binoculars

611

00:31:25,000 --> 00:31:27,000

and then me checking the perimeter here.

612

00:31:27,000 --> 00:31:30,000

We're hoping we'll pick up something tonight.

613

00:31:31,000 --> 00:31:34,000

We have no idea really what kind of creatures

614

00:31:34,000 --> 00:31:36,000

could be out here.

615

00:31:38,000 --> 00:31:41,000

We don't know where this creature's coming from.

616

00:31:41,000 --> 00:31:44,000

We don't know whether or not it's coming from

617

00:31:44,000 --> 00:31:47,000

the skin walker area or coming from the area

618

00:31:47,000 --> 00:31:49,000

over here to my right.

619

00:31:49,000 --> 00:31:54,000

We do know that based on eyewitness reports

620

00:31:54,000 --> 00:31:58,000

that this is the path that it travels.

621

00:32:05,000 --> 00:32:07,000

Big advantage point.

622

00:32:18,000 --> 00:32:20,000

What the hell is that?

623

00:32:20,000 --> 00:32:21,000

What is that?

624

00:32:21,000 --> 00:32:23,000

Look at that glow.

625

00:32:25,000 --> 00:32:27,000

What the hell is that?

626

00:32:27,000 --> 00:32:28,000

That's a good question.

627

00:32:28,000 --> 00:32:31,000

That's in the direction of the skin walker ranch.

628

00:32:33,000 --> 00:32:36,000

Can you see that there's like a beam of light right above it?

629

00:32:36,000 --> 00:32:37,000

Do you see that?

630

00:32:37,000 --> 00:32:38,000

I do.

631

00:32:38,000 --> 00:32:39,000

What is that?

632

00:32:40,000 --> 00:32:42,000

Dad, we're going to move around to go see

633

00:32:42,000 --> 00:32:43,000

what that light's going from up.

634

00:32:43,000 --> 00:32:44,000

Be careful.

635

00:32:45,000 --> 00:32:48,000

Yeah, we see something right above it.

636

00:32:48,000 --> 00:32:50,000

It's like a white line.

637

00:32:50,000 --> 00:32:51,000

Do you guys see that?

638

00:32:51,000 --> 00:32:56,000

I can see that, but I can definitely see a beam of light

639

00:32:56,000 --> 00:32:57,000

going straight up.

640

00:32:57,000 --> 00:32:59,000

All right, we're going to move over towards it.

641

00:33:00,000 --> 00:33:01,000

Yeah.

642

00:33:01,000 --> 00:33:02,000

Holy s\*\*\*.

643

00:33:05,000 --> 00:33:07,000

Dad, come back to Chuck.

644

00:33:08,000 --> 00:33:09,000

Dad!

645

00:33:21,000 --> 00:33:22,000

What the hell is that?

646

00:33:22,000 --> 00:33:24,000

That's in the direction of the skin walker ranch.

647

00:33:24,000 --> 00:33:25,000

What is that?

648

00:33:27,000 --> 00:33:30,000

Dad, we're going to move around to go see what that light's going from up.

649

00:33:30,000 --> 00:33:31,000

Be careful.

650

00:33:35,000 --> 00:33:36,000

Dan!

651

00:33:39,000 --> 00:33:40,000

Oh my god.

652

00:33:41,000 --> 00:33:42,000

It's gone now.

653

00:33:47,000 --> 00:33:48,000

Dan's still up there.

654

00:33:48,000 --> 00:33:49,000

Dan, come back to Chuck.

655

00:33:51,000 --> 00:33:52,000

Dan, do you copy?

656

00:33:52,000 --> 00:33:53,000

Dan.

657

00:33:53,000 --> 00:33:54,000

Yeah, copy.

658

00:33:55,000 --> 00:33:56,000

The light's gone.

659

00:33:57,000 --> 00:33:58,000

Do you see that?

660

00:33:58,000 --> 00:34:00,000

I've never seen anything like that.

661

00:34:01,000 --> 00:34:02,000

Dad, where are you?

662

00:34:02,000 --> 00:34:04,000

Do you guys see my red light?

663

00:34:05,000 --> 00:34:06,000

Yeah, copy that.

664

00:34:06,000 --> 00:34:10,000

You were just right from my perspective of where that light is

665

00:34:10,000 --> 00:34:13,000

and you didn't see the origin of that light.

666

00:34:13,000 --> 00:34:14,000

Hey, we lost it.

667

00:34:14,000 --> 00:34:15,000

It's on the other side of it.

668

00:34:15,000 --> 00:34:18,000

It's like, it's probably about the ridge up here is actually bigger

669

00:34:18,000 --> 00:34:20,000

than what you guys can see down there.

670

00:34:20,000 --> 00:34:24,000

It's probably a good hundred yards to another ridge behind us.

671

00:34:25,000 --> 00:34:27,000

And that's where the light was coming from, what's behind us.

672

00:34:29,000 --> 00:34:31,000

Hey, Chuck, in your investigations,

673

00:34:31,000 --> 00:34:32,000

have you ever seen anything like that before?

674

00:34:32,000 --> 00:34:33,000

Negative.

675

00:34:33,000 --> 00:34:36,000

This is the first time I've ever seen anything like that.

676

00:34:36,000 --> 00:34:39,000

We got the whole sky lighting up, right in the middle of skin walker

677

00:34:39,000 --> 00:34:40,000

central.

678

00:34:40,000 --> 00:34:43,000

I can't say for sure if we're talking about a UFO.

679

00:34:43,000 --> 00:34:47,000

What I do know is now we have lights in the sky in the same area

680

00:34:47,000 --> 00:34:49,000

where we've had skin walker sightings.

681

00:34:50,000 --> 00:34:51,000

Okay, if we see that again,

682

00:34:51,000 --> 00:34:53,000

I'm going to move over there a little faster.

683

00:34:54,000 --> 00:34:57,000

Okay, well, this is why they call that UFO Hill.

684

00:34:59,000 --> 00:35:02,000

God, that was something else I've ever seen like that.

685

00:35:03,000 --> 00:35:05,000

Well, someone's been looking at us for a long time.

686

00:35:05,000 --> 00:35:07,000

That was something else I've ever seen like that.

687

00:35:08,000 --> 00:35:10,000

It was almost like to you were a borealis.

688

00:35:10,000 --> 00:35:11,000

It was just ridiculous.

689

00:35:12,000 --> 00:35:13,000

I wasn't expecting that at all.

690

00:35:13,000 --> 00:35:16,000

I was hoping for something to break the perimeter,

691

00:35:16,000 --> 00:35:17,000

but I wasn't.

692

00:35:17,000 --> 00:35:19,000

That was the furthest thing for my mind,

693

00:35:19,000 --> 00:35:20,000

something like that happening.

694

00:35:21,000 --> 00:35:22,000

It got something.

695

00:35:22,000 --> 00:35:23,000

That was pretty cool.

696

00:35:25,000 --> 00:35:26,000

Heads up, guys.

697

00:35:26,000 --> 00:35:28,000

I'm going to do my first animal call.

698

00:35:29,000 --> 00:35:30,000

Copy that.

699

00:35:33,000 --> 00:35:34,000

Okay, here we go.

700

00:35:35,000 --> 00:35:39,000

Okay, let's hope this will attract something.

701

00:36:06,000 --> 00:36:09,000

Can you turn on your red light and then face my direction?

702

00:36:18,000 --> 00:36:19,000

Oh, I hear something back there.

703

00:36:19,000 --> 00:36:20,000

I hear it too.

704

00:36:22,000 --> 00:36:23,000

What do you think that was?

705

00:36:24,000 --> 00:36:25,000

It sounded like two different things.

706

00:36:25,000 --> 00:36:27,000

It sounded like maybe an owl,

707

00:36:28,000 --> 00:36:30,000

and then something almost like if it was...

708

00:36:31,000 --> 00:36:32,000

if the owl got some dinner.

709

00:36:36,000 --> 00:36:37,000

I hear something.

710

00:36:37,000 --> 00:36:38,000

Just hold on a second, bud.

711

00:36:41,000 --> 00:36:42,000

What are you hearing?

712

00:36:42,000 --> 00:36:45,000

It's like a low rumble,

713

00:36:45,000 --> 00:36:48,000

but it's also like a howl at the same time.

714

00:36:50,000 --> 00:36:51,000

Where is it coming from?

715

00:36:51,000 --> 00:36:53,000

It's definitely coming from the east.

716

00:36:56,000 --> 00:36:57,000

Don't see anything?

717

00:36:57,000 --> 00:36:59,000

You said it sounded like a howl.

718

00:36:59,000 --> 00:37:01,000

Don't you guys hear it?

719

00:37:02,000 --> 00:37:05,000

Okay, are you guys hearing any kind of weird noises?

720

00:37:06,000 --> 00:37:08,000

What direction are you hearing it from, Heather?

721

00:37:08,000 --> 00:37:10,000

It would be to the east.

722

00:37:10,000 --> 00:37:11,000

I'm not hearing anything.

723

00:37:11,000 --> 00:37:14,000

Apparently it's something David is picking up on his mics.

724

00:37:14,000 --> 00:37:17,000

All right, I'm going to use my night vision to see if I can see anything.

725

00:37:18,000 --> 00:37:19,000

What did it sound like?

726

00:37:20,000 --> 00:37:22,000

It sounded very low and howly.

727

00:37:22,000 --> 00:37:24,000

It sounded like something pretty big.

728

00:37:31,000 --> 00:37:32,000

Wait, I hear it.

729

00:37:33,000 --> 00:37:34,000

I heard it.

730

00:37:34,000 --> 00:37:35,000

Guys, we can hear it.

731

00:37:35,000 --> 00:37:37,000

It sounds like it's coming closer.

732

00:37:38,000 --> 00:37:39,000

I don't see anything now.

733

00:37:40,000 --> 00:37:44,000

Hey, so I'm getting like a black mass,

734

00:37:44,000 --> 00:37:47,000

but I can't tell if it's a moving or if it's a headstone.

735

00:37:48,000 --> 00:37:49,000

A black mass.

736

00:37:52,000 --> 00:37:54,000

Is this black mass moving?

737

00:37:55,000 --> 00:37:56,000

It's moving.

738

00:37:56,000 --> 00:37:57,000

It's a black mass.

739

00:38:00,000 --> 00:38:02,000

Is this black mass moving?

740

00:38:03,000 --> 00:38:04,000

Everybody be really quiet.

741

00:38:04,000 --> 00:38:06,000

We're going to try to see if we can listen again.

742

00:38:13,000 --> 00:38:14,000

I hear it.

743

00:38:14,000 --> 00:38:15,000

I heard it.

744

00:38:15,000 --> 00:38:16,000

I hear it.

745

00:38:16,000 --> 00:38:17,000

It's definitely coming from that way.

746

00:38:19,000 --> 00:38:21,000

Guys, it's way closer than it was before.

747

00:38:21,000 --> 00:38:23,000

This thing is actually moving.

748

00:38:23,000 --> 00:38:24,000

It's definitely moving.

749

00:38:27,000 --> 00:38:29,000

Yeah, I'm not in here.

750

00:38:29,000 --> 00:38:31,000

Go, go, go, go back to the car.

751

00:38:33,000 --> 00:38:34,000

Come on, come on.

752

00:38:43,000 --> 00:38:47,000

Following the appearance of strange lights in the Utah sky,

753

00:38:47,000 --> 00:38:52,000

the team's investigation is interrupted by the sudden emergence of a shadowy mass

754

00:38:52,000 --> 00:38:55,000

that appears to be moving toward them.

755

00:38:55,000 --> 00:38:57,000

This thing is actually moving.

756

00:38:57,000 --> 00:38:58,000

It's definitely moving.

757

00:39:02,000 --> 00:39:03,000

Yeah, I'm not in here.

758

00:39:03,000 --> 00:39:05,000

Go, go, go, go back to the car.

759

00:39:07,000 --> 00:39:08,000

Come on, come on.

760

00:39:13,000 --> 00:39:14,000

Spotlight on.

761

00:39:20,000 --> 00:39:21,000

Dan's still up there.

762

00:39:21,000 --> 00:39:22,000

Dan, where are you?

763

00:39:22,000 --> 00:39:23,000

What's out there?

764

00:39:23,000 --> 00:39:24,000

You see anything?

765

00:39:24,000 --> 00:39:25,000

A little, a little higher.

766

00:39:25,000 --> 00:39:26,000

It's not in the cemetery.

767

00:39:29,000 --> 00:39:30,000

Dan, where are you?

768

00:39:30,000 --> 00:39:31,000

Can you see my spotlight?

769

00:39:31,000 --> 00:39:32,000

Yeah, stand by.

770

00:39:34,000 --> 00:39:38,000

In the direction of my spotlight, that's where they saw this black mass.

771

00:39:39,000 --> 00:39:41,000

My perimeter mics are still hearing something.

772

00:39:45,000 --> 00:39:47,000

I can't tell if it's moving or not.

773

00:39:47,000 --> 00:39:49,000

Man, the trees are blocking my spotlight.

774

00:39:51,000 --> 00:39:52,000

It's moving.

775

00:39:52,000 --> 00:39:53,000

Holy s\*\*\*.

776

00:39:53,000 --> 00:39:54,000

This is wild.

777

00:39:55,000 --> 00:39:56,000

No, this is dangerous now.

778

00:40:04,000 --> 00:40:06,000

Matt, it's gone.

779

00:40:08,000 --> 00:40:09,000

Dan, come back.

780

00:40:09,000 --> 00:40:11,000

Come back to home base.

781

00:40:11,000 --> 00:40:12,000

Copy.

782

00:40:13,000 --> 00:40:14,000

I'm headed back.

783

00:40:24,000 --> 00:40:25,000

There you are.

784

00:40:25,000 --> 00:40:26,000

You guys all right?

785

00:40:26,000 --> 00:40:27,000

Yeah.

786

00:40:27,000 --> 00:40:28,000

Yeah.

787

00:40:28,000 --> 00:40:31,000

I mean, we've been keeping our eye out over here because we definitely heard something

788

00:40:31,000 --> 00:40:32,000

coming from that way.

789

00:40:32,000 --> 00:40:35,000

It sounded like you guys were getting attacked by something.

790

00:40:35,000 --> 00:40:37,000

Yeah, you know, the excitement, I mean, it was crazy.

791

00:40:37,000 --> 00:40:38,000

They heard something over there.

792

00:40:38,000 --> 00:40:39,000

I heard it twice.

793

00:40:39,000 --> 00:40:41,000

It was like a howling noise.

794

00:40:41,000 --> 00:40:45,000

And then you said you saw something come towards us, so we ran back here.

795

00:40:45,000 --> 00:40:51,000

I mean, this has been, well, with you, one hell of an experiment doesn't seem to work.

796

00:40:51,000 --> 00:40:52,000

Definitely.

797

00:40:52,000 --> 00:40:53,000

This is a crazy night.

798

00:40:53,000 --> 00:40:55,000

Lights in the sky over the hill.

799

00:40:55,000 --> 00:40:59,000

Then we got David, our sound guy picked up like a howling or something.

800

00:40:59,000 --> 00:41:04,000

But you know, I think we might have brought that in using the distress animal collar.

801

00:41:04,000 --> 00:41:05,000

This is exciting, right?

802

00:41:05,000 --> 00:41:10,000

But a little stressful, especially when you had the team split up.

803

00:41:10,000 --> 00:41:12,000

We came here looking for a creature.

804

00:41:12,000 --> 00:41:16,000

We definitely found enough evidence that there is one out here.

805

00:41:16,000 --> 00:41:19,000

And it seems they had some kind of kind of a problem.

806

00:41:19,000 --> 00:41:23,000

And it seems they had some kind of connection to these lights in the sky.

807

00:41:23,000 --> 00:41:29,000

One hell of a night with everything going on and one hell of an investigation.

808

00:41:29,000 --> 00:41:33,000

There's definitely something going on in this whole area outside the ranch.

809

00:41:33,000 --> 00:41:34,000

This is an open case.

810

00:41:34,000 --> 00:41:38,000

It's not closed, not even by a long shot.

811

00:41:38,000 --> 00:41:47,000

The team still awaits DNA lab results on the unknown hair samples, hoping to shed light on the nature of this beast.

812

00:41:48,000 --> 00:41:59,000

Further analysis of the motion-activated camera footage has proven inconclusive as to why or how this creature instantly manifested, seemingly out of nowhere.

813

00:42:00,000 --> 00:42:04,000

The skinwalker continues to elude being captured.

814

00:42:04,000 --> 00:42:09,000

Its connection to strange lights in the sky remains shrouded in mystery.

815

00:42:09,000 --> 00:42:15,000

As does the nature of the government's alleged interest in Skinwalker Ranch.

816

00:42:15,000 --> 00:42:24,000

But something out here is still terrorizing both humans and animals alike, before once again vanishing into the night.
