

1

00:00:00,000 --> 00:00:03,000

Next on Alien Highway.

2

00:00:03,000 --> 00:00:07,000

People have seen objects fly out of the water and zip around.

3

00:00:09,000 --> 00:00:11,000

I look up and there's something there.

4

00:00:11,000 --> 00:00:14,000

Lights around the red light came on.

5

00:00:14,000 --> 00:00:16,000

She claims that a craft landed.

6

00:00:16,000 --> 00:00:18,000

I did not just see that.

7

00:00:19,000 --> 00:00:21,000

Do you think we're being studied?

8

00:00:21,000 --> 00:00:23,000

Oh, I guarantee it.

9

00:00:23,000 --> 00:00:25,000

This meter is on everywhere.

10

00:00:25,000 --> 00:00:27,000

Go, go, go, go, go, go.

11

00:00:27,000 --> 00:00:28,000

Dan, come on back to Chuck.

12

00:00:28,000 --> 00:00:29,000

Here we go.

13

00:00:29,000 --> 00:00:32,000

I think I see something.

14

00:00:35,000 --> 00:00:37,000

There's something happening across our land.

15

00:00:37,000 --> 00:00:39,000

It's carving a terrifying path.

16

00:00:39,000 --> 00:00:40,000

Right there.

17

00:00:40,000 --> 00:00:42,000

Long man don't want to talk about it.

18

00:00:42,000 --> 00:00:44,000

I have no idea how you would explain that.

19

00:00:44,000 --> 00:00:46,000

And the government denies it's even happening.

20

00:00:46,000 --> 00:00:49,000

The White House has dismissed a full UFO investigation.

21

00:00:49,000 --> 00:00:52,000

Those who speak up face ridicule or even worse.

22

00:00:52,000 --> 00:00:56,000

An El Paso County Sheriff's Deputy fired from his job.

23

00:00:56,000 --> 00:00:59,000

They took my badge, but they can't take my voice.

24

00:01:01,000 --> 00:01:03,000

I'm determined to uncover what's happening.

25

00:01:03,000 --> 00:01:05,000

Look at that thing. Do you see that?

26

00:01:05,000 --> 00:01:06,000

I saw it that night.

27

00:01:06,000 --> 00:01:09,000

I listened to people who are afraid to speak out.

28

00:01:09,000 --> 00:01:10,000

Nobody's going to believe me.

29

00:01:10,000 --> 00:01:13,000

I find evidence that's hiding in plain sight.

30

00:01:13,000 --> 00:01:15,000

This is it, right here.

31

00:01:15,000 --> 00:01:18,000

Together with my son, Dan Zuchowski, it's absolutely moving right now.

32

00:01:18,000 --> 00:01:20,000

An investigator, Heather Taddy,

33

00:01:20,000 --> 00:01:21,000

I never really get this close.

34

00:01:21,000 --> 00:01:23,000

I'm here to find the truth.

35

00:01:23,000 --> 00:01:24,000

I see it.

36

00:01:25,000 --> 00:01:28,000

Along America's Eileen Highway.

37

00:01:31,000 --> 00:01:34,000

Piedmont, Missouri, a city of 2000,

38

00:01:34,000 --> 00:01:37,000

isolated in the American heartland.

39

00:01:39,000 --> 00:01:43,000

But in 1973, its residents found themselves not so alone

40

00:01:43,000 --> 00:01:47,000

when one of the most reported UFO sightings in history

41

00:01:47,000 --> 00:01:49,000

gained national attention,

42

00:01:49,000 --> 00:01:52,000

known today as the Piedmont Lights.

43

00:01:54,000 --> 00:01:55,000

I don't know what it was.

44

00:01:55,000 --> 00:01:57,000

I know it wasn't a plane or a helicopter.

45

00:01:57,000 --> 00:02:00,000

They all know that they saw something and cannot explain it.

46

00:02:00,000 --> 00:02:05,000

But ultimately, authorities discouraged witnesses from speaking out.

47

00:02:05,000 --> 00:02:09,000

Now, with new reports continuing to emerge,

48

00:02:09,000 --> 00:02:13,000

the question is, did the activity ever really subside?

49

00:02:13,000 --> 00:02:18,000

And why is this region constantly tormented by UFOs?

50

00:02:24,000 --> 00:02:27,000

I was contacted by a lady named Sherry.

51

00:02:27,000 --> 00:02:29,000

She had this anomaly happen.

52

00:02:29,000 --> 00:02:30,000

She doesn't know what it was.

53

00:02:30,000 --> 00:02:32,000

She said that there's been a lot of

54

00:02:32,000 --> 00:02:35,000

UFO activity in this particular area.

55

00:02:35,000 --> 00:02:37,000

Over 37 sightings.

56

00:02:37,000 --> 00:02:39,000

37 sightings? That's a lot.

57

00:02:39,000 --> 00:02:41,000

That's a lot.

58

00:02:41,000 --> 00:02:43,000

What kind of sightings are they having right now?

59

00:02:43,000 --> 00:02:46,000

Anything from balls of light to actual craft sighting.

60

00:02:46,000 --> 00:02:48,000

We're gonna talk with Sherry.

61

00:02:48,000 --> 00:02:50,000

She's scared. She's confused.

62

00:02:50,000 --> 00:02:51,000

Maybe we can be the ones to help her.

63

00:02:51,000 --> 00:02:53,000

I sure hope so.

64

00:02:53,000 --> 00:02:56,000

There's increased UFO incidents happening all around the world,

65

00:02:56,000 --> 00:02:59,000

but you still don't see it in mainstream media.

66

00:02:59,000 --> 00:03:01,000

Our goal is to go out to these areas,

67

00:03:01,000 --> 00:03:04,000

hear these stories, and capture any evidence we can.

68

00:03:04,000 --> 00:03:07,000

If the media won't put this information out to the public,

69

00:03:07,000 --> 00:03:09,000

then we will.

70

00:03:09,000 --> 00:03:12,000

One night, I was coming home,

71

00:03:12,000 --> 00:03:19,000

and I caught out of my left eye fire coming up from the top of the tree branches in the back.

72

00:03:19,000 --> 00:03:20,000

Okay.

73

00:03:20,000 --> 00:03:26,000

And it startled me because it just looked like the tops of the trees on fire.

74

00:03:26,000 --> 00:03:28,000

There were some houses on the other side,

75

00:03:28,000 --> 00:03:30,000

so I thought maybe a roof was on fire.

76

00:03:30,000 --> 00:03:32,000

Was it a lightning strike? No.

77

00:03:32,000 --> 00:03:34,000

There were no clouds at all? No.

78

00:03:34,000 --> 00:03:36,000

No storms?

79

00:03:36,000 --> 00:03:40,000

So I ran into the house to try to call 911.

80

00:03:40,000 --> 00:03:43,000

When I got back out here, and I saw it again,

81

00:03:43,000 --> 00:03:47,000

and I watched the flames turn into a ball,

82

00:03:47,000 --> 00:03:51,000

and it folded within itself and disappeared,

83

00:03:51,000 --> 00:03:53,000

and went completely black.

84

00:03:53,000 --> 00:03:56,000

When it disappeared, it didn't shoot away.

85

00:03:56,000 --> 00:03:57,000

It just... No.

86

00:03:57,000 --> 00:04:00,000

It folded in itself and just kind of went poof,

87

00:04:00,000 --> 00:04:02,000

and it was completely black.

88

00:04:02,000 --> 00:04:06,000

And I'm like, I did not just see that.

89

00:04:06,000 --> 00:04:08,000

Sherri's case isn't the first case I heard of this.

90

00:04:08,000 --> 00:04:12,000

Personally, I've interviewed witnesses who've seen these balls of light,

91

00:04:12,000 --> 00:04:15,000

either above the tree or in the trees.

92

00:04:15,000 --> 00:04:18,000

How long was the fire there, roughly?

93

00:04:18,000 --> 00:04:20,000

It could not have been very long.

94

00:04:20,000 --> 00:04:22,000

Maybe two minutes. Yeah, maybe.

95

00:04:22,000 --> 00:04:24,000

It wasn't very long.

96

00:04:24,000 --> 00:04:27,000

The next morning, I got in the car, and I drove around

97

00:04:27,000 --> 00:04:30,000

to see if there was any kind of singeing, anything,

98

00:04:30,000 --> 00:04:33,000

that a fire would leave, and there was nothing.

99

00:04:33,000 --> 00:04:35,000

Nothing.

100

00:04:35,000 --> 00:04:37,000

That's crazy.

101

00:04:37,000 --> 00:04:41,000

My first thought is,

102

00:04:41,000 --> 00:04:44,000

nobody's gonna believe me.

103

00:04:44,000 --> 00:04:46,000

Because that doesn't just happen.

104

00:04:46,000 --> 00:04:49,000

I didn't hear any reports of anyone seeing anything.

105

00:04:49,000 --> 00:04:51,000

How did they make you feel when you first saw that?

106

00:04:51,000 --> 00:04:55,000

I honestly felt like there was something beckoning me to come,

107

00:04:55,000 --> 00:04:57,000

and that I knew I shouldn't.

108

00:04:57,000 --> 00:04:58,000

I could tell right off,

109

00:04:58,000 --> 00:05:01,000

what Sherri's telling me she actually saw.

110

00:05:01,000 --> 00:05:05,000

At no time was there any indication that she was exaggerating her story.

111

00:05:05,000 --> 00:05:07,000

Do you think you're in any kind of danger?

112

00:05:07,000 --> 00:05:08,000

Yes.

113

00:05:08,000 --> 00:05:11,000

So I was worried that it had escorted me home that night.

114

00:05:11,000 --> 00:05:13,000

Are they following you?

115

00:05:13,000 --> 00:05:14,000

I have no idea.

116

00:05:14,000 --> 00:05:16,000

Didn't feel like threatening at all.

117

00:05:16,000 --> 00:05:19,000

That, I would just say,

118

00:05:19,000 --> 00:05:22,000

I felt a sense of I shouldn't go any further.

119

00:05:22,000 --> 00:05:24,000

You had a pretty bad feeling,

120

00:05:24,000 --> 00:05:26,000

so I think while we're investigating these woods,

121

00:05:26,000 --> 00:05:28,000

we should probably be a little bit careful.

122

00:05:28,000 --> 00:05:29,000

Absolutely, yeah.

123

00:05:29,000 --> 00:05:31,000

Especially since we don't know what it was.

124

00:05:31,000 --> 00:05:32,000

Exactly.

125

00:05:32,000 --> 00:05:33,000

When you first saw it, you could think,

126

00:05:33,000 --> 00:05:34,000

well, that could be a fire,

127

00:05:34,000 --> 00:05:36,000

but when it folded and went away...

128

00:05:36,000 --> 00:05:38,000

I had never, ever seen anything like it,

129

00:05:38,000 --> 00:05:40,000

and I never saw that again.

130

00:05:40,000 --> 00:05:42,000

So an investigator's point of view,

131

00:05:42,000 --> 00:05:44,000

what we want to do is go out there,

132

00:05:44,000 --> 00:05:45,000

and shoot some full spectrum,

133

00:05:45,000 --> 00:05:46,000

and hit it with a Geiger counter,

134

00:05:46,000 --> 00:05:47,000

maybe a FLIR,

135

00:05:47,000 --> 00:05:50,000

check it all out to see if we can find any evidence.

136

00:05:50,000 --> 00:05:53,000

Well, this is definitely something that we need to look at.

137

00:05:53,000 --> 00:05:54,000

Yeah.

138

00:05:55,000 --> 00:05:58,000

Chuck and the team venture into the woods

139

00:05:58,000 --> 00:06:00,000

in search of residual evidence.

140

00:06:00,000 --> 00:06:03,000

Radiation, electromagnetic energy,

141

00:06:03,000 --> 00:06:04,000

burn marks,

142

00:06:04,000 --> 00:06:09,000

anything that could link Sherri's sighting to potential UFO activity.

143

00:06:09,000 --> 00:06:10,000

Hey, guys.

144

00:06:10,000 --> 00:06:11,000

Be careful.

145

00:06:11,000 --> 00:06:12,000

Be on high alert.

146

00:06:12,000 --> 00:06:13,000

If you hear anything,

147

00:06:13,000 --> 00:06:15,000

if you see anything, call without.

148

00:06:20,000 --> 00:06:22,000

So as a kid, my dad always drug me around

149

00:06:22,000 --> 00:06:25,000

on all of his UFO paranormal investigations,

150

00:06:25,000 --> 00:06:27,000

and I think that's why I'm more of a skeptic now.

151

00:06:30,000 --> 00:06:32,000

But still, every once in a while,

152

00:06:32,000 --> 00:06:34,000

I come across something that I just can't explain.

153

00:06:34,000 --> 00:06:36,000

I've been doing this for so long.

154

00:06:36,000 --> 00:06:38,000

There's certain reports like Sherri's.

155

00:06:38,000 --> 00:06:40,000

I know that evidence will still be here.

156

00:06:40,000 --> 00:06:43,000

So when I'm walking through the woods behind Sherri's house,

157

00:06:43,000 --> 00:06:44,000

I'm not looking on the ground.

158

00:06:44,000 --> 00:06:46,000

I'm looking at the top of the trees,

159

00:06:46,000 --> 00:06:48,000

because that's where the evidence is going to be.

160

00:06:48,000 --> 00:06:49,000

I think I found something.

161

00:06:51,000 --> 00:06:54,000

You can see a little bit of tree damage straight up right here.

162

00:06:54,000 --> 00:06:57,000

Oh, I see a tree that looks like top of the house.

163

00:06:57,000 --> 00:06:58,000

I'm not looking on the ground.

164

00:06:58,000 --> 00:07:00,000

I'm looking at the top of the trees,

165

00:07:00,000 --> 00:07:02,000

because that's where the evidence is going to be.

166

00:07:02,000 --> 00:07:05,000

I see a tree that looks like the top of it was cut off.

167

00:07:06,000 --> 00:07:08,000

It's crazy.

168

00:07:08,000 --> 00:07:10,000

It's definitely burned.

169

00:07:10,000 --> 00:07:12,000

Some of the signs I've seen where lightning strikes

170

00:07:12,000 --> 00:07:15,000

is actually an explosion of the tree itself.

171

00:07:15,000 --> 00:07:16,000

But in Sherri's case,

172

00:07:16,000 --> 00:07:19,000

we only see burning on the top of the trees,

173

00:07:19,000 --> 00:07:21,000

which tells me that what Sherri saw

174

00:07:21,000 --> 00:07:23,000

was definitely not a lightning strike.

175

00:07:23,000 --> 00:07:27,000

If you look back from here to the observation location

176

00:07:27,000 --> 00:07:29,000

where her car was parked,

177

00:07:29,000 --> 00:07:32,000

it definitely falls in line to where she was.

178

00:07:32,000 --> 00:07:35,000

Whatever she saw, this is the spot.

179

00:07:35,000 --> 00:07:36,000

Yeah, I agree.

180

00:07:41,000 --> 00:07:45,000

With potential evidence of renewed activity in Piedmont,

181

00:07:45,000 --> 00:07:48,000

Chuck has arranged to meet with reporter Dennis Hovis,

182

00:07:48,000 --> 00:07:53,000

who broke the story of the original Missouri lights in 1973.

183

00:07:53,000 --> 00:07:56,000

This is Dennis Hovis, bar KPWV News.

184

00:07:57,000 --> 00:08:00,000

So, I was the manager and a disc jockey

185

00:08:00,000 --> 00:08:03,000

at the local radio station, KPWV, at the time.

186

00:08:03,000 --> 00:08:05,000

Suddenly, someone called and said,

187

00:08:05,000 --> 00:08:07,000

have you heard about these UFOs

188

00:08:07,000 --> 00:08:09,000

that have been flying around Piedmont?

189

00:08:09,000 --> 00:08:12,000

And so we became interested and decided we'd go out

190

00:08:12,000 --> 00:08:13,000

and see what was happening.

191

00:08:13,000 --> 00:08:17,000

So you went from being a DJ to an investigative journalist?

192

00:08:17,000 --> 00:08:19,000

Yeah, I guess you could call that.

193

00:08:19,000 --> 00:08:22,000

We were able to go out and record people

194

00:08:22,000 --> 00:08:25,000

and talk to them about what kind of sightings they were doing.

195

00:08:26,000 --> 00:08:28,000

Praying, John identified flying objects

196

00:08:28,000 --> 00:08:30,000

that have been appearing over the skies of Piedmont

197

00:08:30,000 --> 00:08:32,000

and the Blair Water Lake.

198

00:08:32,000 --> 00:08:35,000

And I saw the flashing lights through the curtain.

199

00:08:35,000 --> 00:08:38,000

Ronnie spotted it coming from east to west.

200

00:08:38,000 --> 00:08:39,000

What is this white light?

201

00:08:39,000 --> 00:08:41,000

I went directly over us.

202

00:08:41,000 --> 00:08:42,000

I don't know what's cooking.

203

00:08:42,000 --> 00:08:43,000

Driven any noise.

204

00:08:43,000 --> 00:08:45,000

I hope there isn't somebody in here

205

00:08:45,000 --> 00:08:47,000

who's trying to get me along with the boys.

206

00:08:47,000 --> 00:08:50,000

There was a lot of people concerned about what it was.

207

00:08:50,000 --> 00:08:52,000

People would come in and ask us questions

208

00:08:52,000 --> 00:08:53,000

about what we were seeing.

209

00:08:53,000 --> 00:08:55,000

A lot of them we didn't know.

210

00:08:55,000 --> 00:08:58,000

And so two gentlemen came in and they asked us some questions.

211

00:08:58,000 --> 00:09:00,000

And I happened to walk around the car that they were driving,

212

00:09:00,000 --> 00:09:02,000

which was a U.S. Air Force car.

213

00:09:02,000 --> 00:09:06,000

They had their military uniforms in the car,

214

00:09:06,000 --> 00:09:08,000

but they were in civilian clothes.

215

00:09:09,000 --> 00:09:12,000

If it wasn't something that people were seeing,

216

00:09:12,000 --> 00:09:15,000

why would the military be interested in coming down?

217

00:09:15,000 --> 00:09:16,000

Yeah.

218

00:09:16,000 --> 00:09:17,000

The people were seeing something.

219

00:09:17,000 --> 00:09:18,000

Yes.

220

00:09:18,000 --> 00:09:21,000

Strange things were happening in the sky over Piedmont.

221

00:09:21,000 --> 00:09:26,000

The sky over Piedmont may once again be under siege

222

00:09:26,000 --> 00:09:27,000

by strange things.

223

00:09:27,000 --> 00:09:31,000

And sightings have spread across the state to the town of Salem,

224

00:09:31,000 --> 00:09:36,000

where local UFO reports are at their highest since 1973.

225

00:09:36,000 --> 00:09:39,000

Chuck and the team are eager to collect eyewitness accounts

226

00:09:39,000 --> 00:09:43,000

of this statewide resurgence in UFO activity.

227

00:09:43,000 --> 00:09:45,000

We were coming through one night, though.

228

00:09:45,000 --> 00:09:46,000

Okay.

229

00:09:46,000 --> 00:09:48,000

And I look up and there's something there.

230

00:09:48,000 --> 00:09:52,000

I mean, it was iridescent, like glowing from the inside.

231

00:09:52,000 --> 00:09:54,000

There was nothing on the outside.

232

00:09:54,000 --> 00:09:56,000

And Dan was with me.

233

00:09:56,000 --> 00:09:57,000

And Dan was your boyfriend?

234

00:09:57,000 --> 00:09:58,000

He was my boyfriend.

235

00:09:58,000 --> 00:09:59,000

Okay.

236

00:09:59,000 --> 00:10:00,000

I said, are you seeing this?

237

00:10:00,000 --> 00:10:02,000

And he says, what is that?

238

00:10:02,000 --> 00:10:05,000

It came right over us, like right over us,

239

00:10:05,000 --> 00:10:07,000

not up in the sky, like on us.

240

00:10:07,000 --> 00:10:08,000

It was scary.

241

00:10:08,000 --> 00:10:11,000

I just felt we've got to get out of here.

242

00:10:11,000 --> 00:10:14,000

You know, you get the fighter's light and stank.

243

00:10:14,000 --> 00:10:16,000

Like, maybe we need to go.

244

00:10:17,000 --> 00:10:20,000

This one right here was there in the bay.

245

00:10:20,000 --> 00:10:23,000

And these were all taken around by your house?

246

00:10:23,000 --> 00:10:24,000

Yeah.

247

00:10:24,000 --> 00:10:25,000

Now that one.

248

00:10:25,000 --> 00:10:27,000

It was there in the night.

249

00:10:30,000 --> 00:10:33,000

Something's interested in you or your house.

250

00:10:33,000 --> 00:10:36,000

What's it feel like to be experiencing this?

251

00:10:36,000 --> 00:10:38,000

I was still scared.

252

00:10:39,000 --> 00:10:42,000

I see this very bright object.

253

00:10:42,000 --> 00:10:44,000

Fort Wood is not far from our house.

254

00:10:44,000 --> 00:10:47,000

So we've seen just about every type of aircraft come through.

255

00:10:47,000 --> 00:10:49,000

They do other war games out there all the time.

256

00:10:49,000 --> 00:10:51,000

But this is not something I've ever seen.

257

00:10:51,000 --> 00:10:52,000

How is it different?

258

00:10:52,000 --> 00:10:53,000

There was no noises.

259

00:10:53,000 --> 00:10:55,000

There was no indication other than the lights themselves.

260

00:10:55,000 --> 00:11:00,000

The bottom you could absolutely see, it was bright, bright red,

261

00:11:00,000 --> 00:11:02,000

and orange on the bottom of it.

262

00:11:02,000 --> 00:11:03,000

It was kind of oval shaped.

263

00:11:03,000 --> 00:11:04,000

Okay.

264

00:11:04,000 --> 00:11:06,000

I don't know what they were looking for.

265

00:11:07,000 --> 00:11:09,000

We just would like some answers.

266

00:11:10,000 --> 00:11:11,000

What was your last sighting?

267

00:11:11,000 --> 00:11:15,000

Early November, 12, 31 o'clock in the morning.

268

00:11:15,000 --> 00:11:18,000

Me and a buddy of mine had been out driving up through this field.

269

00:11:18,000 --> 00:11:21,000

And all of a sudden there was two lights in front of us,

270

00:11:21,000 --> 00:11:23,000

just like they were chasing each other.

271

00:11:23,000 --> 00:11:24,000

Both were on the spheres.

272

00:11:24,000 --> 00:11:26,000

One had a big light in the center of it.

273

00:11:26,000 --> 00:11:29,000

And the other one had several different lights around the edge of it.

274

00:11:29,000 --> 00:11:31,000

Now there's a military base nearby.

275

00:11:31,000 --> 00:11:34,000

You could tell the difference between airplanes, conventional aircraft.

276

00:11:34,000 --> 00:11:35,000

Oh yeah.

277

00:11:35,000 --> 00:11:37,000

It was getting daylight and you could see them pretty plain.

278

00:11:38,000 --> 00:11:41,000

It hovered over probably for ten minutes.

279

00:11:41,000 --> 00:11:43,000

Any sound, any noise?

280

00:11:43,000 --> 00:11:44,000

No sound.

281

00:11:44,000 --> 00:11:47,000

I wouldn't have ever believed it if I hadn't seen it in my own eyes.

282

00:11:47,000 --> 00:11:50,000

It makes a hair stand up on your head.

283

00:11:50,000 --> 00:11:52,000

Freaked me the heck out.

284

00:11:52,000 --> 00:11:54,000

You didn't happen to have a cell phone on you.

285

00:11:54,000 --> 00:11:55,000

I did.

286

00:11:55,000 --> 00:11:57,000

So you've got pictures of some of the stuff that you've seen?

287

00:11:57,000 --> 00:11:58,000

Oh yeah.

288

00:11:59,000 --> 00:12:01,000

I've seen these things of the night.

289

00:12:01,000 --> 00:12:03,000

I've seen them during the day.

290

00:12:03,000 --> 00:12:07,000

Out of all the sightings that you've had, which sighting really sticks out?

291

00:12:07,000 --> 00:12:10,000

The deer thing is still a strange deal with me.

292

00:12:10,000 --> 00:12:12,000

I'm still kind of freaked out about it.

293

00:12:12,000 --> 00:12:15,000

Can you tell me a little bit more about the deer?

294

00:12:15,000 --> 00:12:16,000

It was deer season.

295

00:12:16,000 --> 00:12:17,000

I was hunting.

296

00:12:17,000 --> 00:12:21,000

I'd seen all the deer coming out of a hall or these deer didn't look right.

297

00:12:21,000 --> 00:12:23,000

Just like they're a hologram or something.

298

00:12:25,000 --> 00:12:27,000

You couldn't exactly see them.

299

00:12:27,000 --> 00:12:31,000

They were like real dark and real dark eyed and they would just move real slow.

300

00:12:31,000 --> 00:12:34,000

Kind of like they were spotters.

301

00:12:34,000 --> 00:12:36,000

Just kind of watch you.

302

00:12:36,000 --> 00:12:38,000

It wasn't a hallucination or anything like that.

303

00:12:38,000 --> 00:12:39,000

It was real.

304

00:12:39,000 --> 00:12:42,000

I've hunted and killed enough deer that you could tell the difference.

305

00:12:42,000 --> 00:12:48,000

I took a couple of other guys with me a couple days after I've seen them and we've seen them again.

306

00:12:48,000 --> 00:12:50,000

So you've actually had witnesses with you that's seen these two?

307

00:12:50,000 --> 00:12:51,000

Yeah.

308

00:12:51,000 --> 00:12:53,000

This is in the same area that you've seen lights?

309

00:12:53,000 --> 00:12:54,000

Yeah.

310

00:12:54,000 --> 00:12:56,000

Do you think we're being studied?

311

00:12:56,000 --> 00:12:58,000

Oh, I guarantee it.

312

00:13:02,000 --> 00:13:06,000

From the people that I've talked to there's clearly a lot going on here.

313

00:13:06,000 --> 00:13:09,000

They've definitely seen stuff above the tree line as well as above houses.

314

00:13:09,000 --> 00:13:10,000

That seems to be a pattern.

315

00:13:10,000 --> 00:13:13,000

I talked to a witness who had seen something above the trees.

316

00:13:13,000 --> 00:13:15,000

Balls of light, orbs.

317

00:13:15,000 --> 00:13:20,000

We've talked to a lot of people that are experiencing the same activity and they're very scared.

318

00:13:20,000 --> 00:13:23,000

Almost everybody that I've talked to is afraid to go out during certain times at night.

319

00:13:23,000 --> 00:13:26,000

They feel like they're being targeted by these things.

320

00:13:26,000 --> 00:13:27,000

It's just crazy.

321

00:13:27,000 --> 00:13:32,000

That tells me that we've got to get these people together and find out what's really going on here.

322

00:13:43,000 --> 00:13:50,000

Chuck has assembled a town hall meeting full of concerned citizens and potential UFO witnesses.

323

00:13:51,000 --> 00:13:54,000

All right, all right, everybody settle down please.

324

00:13:54,000 --> 00:13:55,000

Go ahead, Chuck.

325

00:13:55,000 --> 00:14:01,000

My name is Chuck Zuchowski and I've been doing UFO investigations for over 35 years now.

326

00:14:01,000 --> 00:14:05,000

I was law enforcement in Colorado for about eight years.

327

00:14:05,000 --> 00:14:10,000

For every crime, there's always some type of evidence left.

328

00:14:10,000 --> 00:14:12,000

Same thing with UFO sightings.

329

00:14:12,000 --> 00:14:15,000

We're going to do what we can to figure out what's going on over here.

330

00:14:15,000 --> 00:14:18,000

How many people have actually had experiences here in Salem?

331

00:14:18,000 --> 00:14:20,000

You want to raise your hand?

332

00:14:25,000 --> 00:14:38,000

In the aftermath of the original Piedmont Lights, the national media turned the incident into a joke.

333

00:14:38,000 --> 00:14:43,000

Disbelievers who've seen this film say it's merely a streetlight animated by the motion of the camera.

334

00:14:43,000 --> 00:14:46,000

Could this possibly have been something that you imagined?

335

00:14:46,000 --> 00:14:48,000

Oh no, no way.

336

00:14:48,000 --> 00:14:51,000

And they all say they were sober at the times of the various sightings.

337

00:14:51,000 --> 00:14:55,000

45 years later, that stigma remains.

338

00:14:55,000 --> 00:14:59,000

And getting witnesses to speak in a public forum is a challenge.

339

00:14:59,000 --> 00:15:04,000

I know a lot of you have probably had life-changing experiences that probably keep you up all night.

340

00:15:04,000 --> 00:15:08,000

And maybe you feel like people, your friends and family, don't believe you or they think you're crazy.

341

00:15:08,000 --> 00:15:11,000

We've all had crazy experiences like you guys have had.

342

00:15:11,000 --> 00:15:19,000

This alien stuff is new to me, but my background in law enforcement and being in the military is why I'm here to help do the investigations.

343

00:15:19,000 --> 00:15:23,000

People laugh at you, they don't want to talk to you, associate with you.

344

00:15:23,000 --> 00:15:24,000

You're a nut job.

345

00:15:24,000 --> 00:15:28,000

There's a lot of people here that's had numerous experiences over and over again.

346

00:15:28,000 --> 00:15:31,000

How many of you have had experiences in Salem?

347

00:15:39,000 --> 00:15:42,000

These fault lines, you believe or are tracking UFOs?

348

00:15:42,000 --> 00:15:43,000

Absolutely.

349

00:15:43,000 --> 00:15:45,000

Is that one of our vans?

350

00:15:45,000 --> 00:15:46,000

No.

351

00:15:46,000 --> 00:15:47,000

What the f\*\*\*?

352

00:15:47,000 --> 00:15:48,000

Can you see it?

353

00:15:49,000 --> 00:15:50,000

What is that?

354

00:15:50,000 --> 00:15:51,000

What the f\*\*\*?

355

00:15:51,000 --> 00:15:52,000

No idea.

356

00:16:19,000 --> 00:16:28,000

So we have, there's an uptick in UFO sightings for the last four years.

357

00:16:28,000 --> 00:16:33,000

We live so close to an army base that we're always here in post flares, it's war games.

358

00:16:33,000 --> 00:16:36,000

They're not going to tell you what really happened.

359

00:16:36,000 --> 00:16:38,000

Our government, those are the ones that are fearful.

360

00:16:38,000 --> 00:16:39,000

Absolutely.

361

00:16:39,000 --> 00:16:40,000

Absolutely.

362

00:16:40,000 --> 00:16:41,000

No question.

363

00:16:41,000 --> 00:16:43,000

I think it's part of national security.

364

00:16:43,000 --> 00:16:46,000

They feel that they have a duty to keep things at rest.

365

00:16:46,000 --> 00:16:52,000

They've tried more time-lapse stuff and told them they'd better never put that out in public.

366

00:16:52,000 --> 00:16:55,000

Do you guys ever fear those souls?

367

00:16:55,000 --> 00:16:59,000

I've had actual events where I've been followed during investigations.

368

00:16:59,000 --> 00:17:04,000

I'm not always sure by who, but we're not going to let any of that stuff stop us.

369

00:17:06,000 --> 00:17:11,000

One local witness who wishes to remain anonymous approaches Heather with what she claims is

370

00:17:11,000 --> 00:17:15,000

startling evidence of a close encounter in her own backyard.

371

00:17:17,000 --> 00:17:23,000

Did you pick up any photographic evidence?

372

00:17:23,000 --> 00:17:25,000

One witness showed me this.

373

00:17:25,000 --> 00:17:27,000

This was taken in her backyard.

374

00:17:27,000 --> 00:17:29,000

She claims that a craft landed.

375

00:17:29,000 --> 00:17:31,000

I see you shaking your head, Dan.

376

00:17:32,000 --> 00:17:34,000

Do you know if that witness has any kids?

377

00:17:34,000 --> 00:17:35,000

Um, yes.

378

00:17:35,000 --> 00:17:40,000

So to me, I look at this and I see this was a above ground pool.

379

00:17:40,000 --> 00:17:43,000

I'm very suspect about all this.

380

00:17:43,000 --> 00:17:48,000

I think me being skeptical actually makes me better when it comes to this type of investigation.

381

00:17:48,000 --> 00:17:55,000

Now, you know, as a kid, we had a four-foot pool and when we broke it down, there was no grass at all in the middle.

382

00:17:55,000 --> 00:17:56,000

Everything was dead.

383

00:17:56,000 --> 00:18:00,000

From the outside edge, it was completely dead all the way through.

384

00:18:00,000 --> 00:18:07,000

My opinion is we should consider this and maybe go out there, check this out, maybe take some dirt samples.

385

00:18:07,000 --> 00:18:08,000

Yeah.

386

00:18:09,000 --> 00:18:13,000

The truth might lie somewhere on these grounds.

387

00:18:13,000 --> 00:18:14,000

This is it.

388

00:18:14,000 --> 00:18:23,000

If this is an actual UFO landing site, there could be changes in the soil, environmental anomalies, even residual radiation.

389

00:18:23,000 --> 00:18:29,000

Exactly the kind of evidence that could prove what these witnesses are claiming is true.

390

00:18:29,000 --> 00:18:34,000

Dan, you know, when we were talking about a swimming pool, this is at a slant.

391

00:18:34,000 --> 00:18:35,000

You wouldn't do that.

392

00:18:35,000 --> 00:18:38,000

All the water would shift to one side, especially if it's downhill.

393

00:18:38,000 --> 00:18:39,000

Right.

394

00:18:39,000 --> 00:18:40,000

I think my dad was right.

395

00:18:40,000 --> 00:18:45,000

After looking at kind of how the slope is at the house, no one would put a pool here.

396

00:18:45,000 --> 00:18:46,000

It's something else.

397

00:18:46,000 --> 00:18:48,000

Do you want to look at the photo?

398

00:18:48,000 --> 00:18:49,000

Yeah.

399

00:18:49,000 --> 00:18:56,000

The homeowners first noticed a ring on their property after allegedly witnessing a UFO rising over their backyard last spring.

400

00:18:56,000 --> 00:18:59,000

In the time since, the grass has grown back.

401

00:18:59,000 --> 00:19:00,000

You have that picture dead?

402

00:19:00,000 --> 00:19:06,000

Dan is using a photo transparency to pinpoint exactly where the ring was located.

403

00:19:06,000 --> 00:19:08,000

Okay, where do we need to be, Dan?

404

00:19:08,000 --> 00:19:09,000

Probably about here.

405

00:19:09,000 --> 00:19:10,000

Okay.

406

00:19:10,000 --> 00:19:16,000

You know, we'll map out the ring with the flags so we get, you know, an actual area to be able to take soil samples.

407

00:19:16,000 --> 00:19:18,000

Let's do this like maybe every three feet.

408

00:19:18,000 --> 00:19:19,000

Is that good?

409

00:19:19,000 --> 00:19:20,000

Yeah.

410

00:19:20,000 --> 00:19:21,000

Where you think?

411

00:19:21,000 --> 00:19:23,000

It's about right here where the picture was taken.

412

00:19:23,000 --> 00:19:26,000

Once I take the soil samples, I sketch out the ring on my tablet.

413

00:19:26,000 --> 00:19:29,000

I measure so I know exactly where the soil samples come from.

414

00:19:29,000 --> 00:19:30,000

Cool.

415

00:19:36,000 --> 00:19:37,000

Hold up.

416

00:19:37,000 --> 00:19:38,000

Get it.

417

00:19:38,000 --> 00:19:39,000

Hold on a second.

418

00:19:39,000 --> 00:19:40,000

My camera went down.

419

00:19:40,000 --> 00:19:41,000

And sound.

420

00:19:41,000 --> 00:19:43,000

You can hear me, right?

421

00:19:43,000 --> 00:19:44,000

What was it?

422

00:19:44,000 --> 00:19:45,000

Both cameras that went down?

423

00:19:45,000 --> 00:19:48,000

All the batteries die immediately when they go near this circle.

424

00:19:48,000 --> 00:19:49,000

The camera went down?

425

00:19:49,000 --> 00:19:50,000

What happened?

426

00:19:50,000 --> 00:19:51,000

That was working?

427

00:19:51,000 --> 00:19:52,000

I don't know.

428

00:19:52,000 --> 00:19:53,000

It just restarted.

429

00:19:53,000 --> 00:19:54,000

Over by this ring?

430

00:19:54,000 --> 00:19:55,000

Yeah.

431

00:19:55,000 --> 00:19:57,000

As soon as I went to walk in it.

432

00:19:57,000 --> 00:19:59,000

Okay, you know, give me a couple of minutes.

433

00:19:59,000 --> 00:20:00,000

I'm going to grab my EMF meter.

434

00:20:00,000 --> 00:20:02,000

I'm going to see if we have a high EM field.

435

00:20:02,000 --> 00:20:05,000

You know, when electronic devices react in certain areas,

436

00:20:05,000 --> 00:20:07,000

that's a red flag that something's there.

437

00:20:07,000 --> 00:20:09,000

That actually drives me to do more tests.

438

00:20:09,000 --> 00:20:13,000

Because if something happened here, there will be residual energy.

439

00:20:13,000 --> 00:20:15,000

And that will affect our equipment.

440

00:20:15,000 --> 00:20:19,000

And that means that we could be closer to capturing tangible evidence.

441

00:20:19,000 --> 00:20:21,000

Do a baseline of the circle.

442

00:20:21,000 --> 00:20:22,000

Okay.

443

00:20:22,000 --> 00:20:25,000

I've got nothing here.

444

00:20:27,000 --> 00:20:34,000

Hey, you see that?

445

00:20:34,000 --> 00:20:35,000

Yeah.

446

00:20:35,000 --> 00:20:38,000

This meter is like going everywhere.

447

00:20:38,000 --> 00:20:40,000

Right back here.

448

00:20:40,000 --> 00:20:44,000

Outside the ring, not getting any readings at all.

449

00:20:44,000 --> 00:20:47,000

As soon as I step into the ring.

450

00:20:47,000 --> 00:20:48,000

Look at this.

451

00:20:48,000 --> 00:20:49,000

Look at this.

452

00:20:49,000 --> 00:20:51,000

You see how it jumps?

453

00:20:51,000 --> 00:20:53,000

It's jumping.

454

00:20:54,000 --> 00:20:57,000

Who's van is that?

455

00:20:57,000 --> 00:21:00,000

Is that guy watching us?

456

00:21:00,000 --> 00:21:02,000

Could this be a neighbor?

457

00:21:02,000 --> 00:21:04,000

It definitely wasn't there before.

458

00:21:04,000 --> 00:21:06,000

Yeah, that's not one of ours.

459

00:21:06,000 --> 00:21:08,000

Is that one of our vans?

460

00:21:08,000 --> 00:21:09,000

No.

461

00:21:09,000 --> 00:21:11,000

Let's go talk to him.

462

00:21:11,000 --> 00:21:13,000

Copy that.

463

00:21:24,000 --> 00:21:30,000

He's getting nobody here.

464

00:21:30,000 --> 00:21:31,000

Hey, guys.

465

00:21:31,000 --> 00:21:32,000

Hey, guys, nice to see you.

466

00:21:32,000 --> 00:21:37,920

And welcome to F4P Man, we welcome you to Vicarca,

467

00:21:37,920 --> 00:21:41,000

the ■■■■■-id ■■■■■, the Sega-soaked fam.

468

00:21:41,000 --> 00:21:43,000

It's your■-to-vogels.

469

00:21:43,000 --> 00:21:45,000

that appears to be watching them.

470

00:21:45,000 --> 00:21:46,000

How long have you been there?

471

00:21:46,000 --> 00:21:47,000

I just noticed it.

472

00:21:47,000 --> 00:21:48,000

Let's go talk to them.

473

00:22:03,000 --> 00:22:06,000

It looks like it's leaving.

474

00:22:06,000 --> 00:22:07,000

Dan's scared of them all.

475

00:22:07,000 --> 00:22:08,000

You see anything, Dan?

476

00:22:08,000 --> 00:22:11,000

No, they saw me walking up and they left.

477

00:22:11,000 --> 00:22:12,000

That was weird.

478

00:22:12,000 --> 00:22:13,000

How are you just coming back now?

479

00:22:13,000 --> 00:22:14,000

Just be a neighbor.

480

00:22:14,000 --> 00:22:15,000

I don't know.

481

00:22:15,000 --> 00:22:17,000

Did you make eye contact?

482

00:22:17,000 --> 00:22:18,000

Didn't get close enough.

483

00:22:18,000 --> 00:22:19,000

What was it? Who was in there?

484

00:22:19,000 --> 00:22:20,000

Could you see anything?

485

00:22:20,000 --> 00:22:21,000

I don't know.

486

00:22:21,000 --> 00:22:22,000

Two people?

487

00:22:22,000 --> 00:22:23,000

Two males?

488

00:22:23,000 --> 00:22:24,000

I couldn't tell.

489

00:22:24,000 --> 00:22:25,000

You couldn't tell?

490

00:22:25,000 --> 00:22:26,000

Did you get their license plate?

491

00:22:26,000 --> 00:22:27,000

Did not.

492

00:22:27,000 --> 00:22:29,000

I can't say for sure who was in that van watching us.

493

00:22:29,000 --> 00:22:30,000

It could have been the government.

494

00:22:30,000 --> 00:22:34,000

But one of the reasons why the military or an entity within the government would be watching

495

00:22:34,000 --> 00:22:39,000

is because they could be running their own investigation or they may want to know what

496

00:22:39,000 --> 00:22:41,000

I'm learning that they don't know.

497

00:22:41,000 --> 00:22:46,000

After pinpointing the location of an alleged UFO sighting, the team is collecting soil

498

00:22:46,000 --> 00:22:47,000

from the grounds.

499

00:22:47,000 --> 00:22:52,000

These samples will be tested for anomalies that could link this site to extraterrestrial

500

00:22:52,000 --> 00:22:53,000

activity.

501

00:22:53,000 --> 00:22:55,000

Okay, so we've got the soil samples.

502

00:22:55,000 --> 00:22:56,000

The problem is the EMF.

503

00:22:56,000 --> 00:22:58,000

I wasn't expecting that at all.

504

00:22:58,000 --> 00:22:59,000

We have an anomaly here.

505

00:22:59,000 --> 00:23:00,000

We have something.

506

00:23:00,000 --> 00:23:02,000

We really need to look at this.

507

00:23:02,000 --> 00:23:04,000

Let's go get that stuff analyzed.

508

00:23:04,000 --> 00:23:06,000

Let's see what we got.

509

00:23:12,000 --> 00:23:17,000

Midwest testing will perform a compression comparison, determining if a heavy object

510

00:23:17,000 --> 00:23:20,000

ever landed inside the mysterious circle.

511

00:23:20,000 --> 00:23:25,000

They'll also test for radiation and chemical abnormalities that could point to the involvement

512

00:23:25,000 --> 00:23:27,000

of something unexplained.

513

00:23:27,000 --> 00:23:29,000

Here are the soil samples.

514

00:23:29,000 --> 00:23:30,000

Okay.

515

00:23:30,000 --> 00:23:36,000

While Heather deals with the soil samples, Chuck has a new mission for Dan, a deeper

516

00:23:36,000 --> 00:23:40,000

investigation into Missouri's UFO past.

517

00:23:40,000 --> 00:23:46,000

I talked to Dennis Holvitz, who was the DJ at the time during the 1973 Piedmont UFO

518

00:23:46,000 --> 00:23:47,000

Flap.

519

00:23:47,000 --> 00:23:50,000

Strange things were happening in the sky over Piedmont.

520

00:23:50,000 --> 00:23:53,000

He gave me a list of witnesses from that original sighting.

521

00:23:53,000 --> 00:23:57,000

What we can do is we can look at that list, see if they're still local, see if they're

522

00:23:57,000 --> 00:24:00,000

still alive even, if they want to talk to us or not.

523

00:24:00,000 --> 00:24:05,000

With Dan on the hunt for the original witnesses, Chuck regroups with Heather to review the

524

00:24:05,000 --> 00:24:07,000

soil test results.

525

00:24:07,000 --> 00:24:09,000

Take a look at this.

526

00:24:09,000 --> 00:24:15,000

The soil is hydrophobic, meaning that the soil isn't allowing water to settle, which

527

00:24:15,000 --> 00:24:18,000

can explain the lack of grass growth around the ring.

528

00:24:18,000 --> 00:24:19,000

Okay.

529

00:24:19,000 --> 00:24:20,000

This is the weird part.

530

00:24:20,000 --> 00:24:21,000

They're still analyzing everything.

531

00:24:21,000 --> 00:24:23,000

They're looking at something else.

532

00:24:23,000 --> 00:24:24,000

Yeah, there's something else.

533

00:24:24,000 --> 00:24:26,000

And we don't know what that something else is.

534

00:24:26,000 --> 00:24:27,000

That's an unknown.

535

00:24:27,000 --> 00:24:28,000

Yeah.

536

00:24:28,000 --> 00:24:29,000

Didn't you find that kind of strange?

537

00:24:29,000 --> 00:24:30,000

Yeah.

538

00:24:30,000 --> 00:24:32,000

You were expecting the whole packet and they're holding back.

539

00:24:32,000 --> 00:24:33,000

Yeah.

540

00:24:33,000 --> 00:24:36,000

Based on the analysis of the soil samples we took at that ring site, I needed to talk

541

00:24:36,000 --> 00:24:39,000

to a geologist that knows a little bit more about that area.

542

00:24:39,000 --> 00:24:43,000

Heather found a researcher that might be able to shed some light on what's going on with

543

00:24:43,000 --> 00:24:45,000

all this activity in the area.

544

00:24:49,000 --> 00:24:55,000

Bellevue's Elephant Rocks is the current base of operations for geology expert Gary Hart,

545

00:24:55,000 --> 00:25:00,000

who has spent decades unearthing a potential connection between what lies beneath this region's

546

00:25:00,000 --> 00:25:04,000

surface and the mysterious craft plaguing its skies.

547

00:25:07,000 --> 00:25:16,000

So what you're seeing here is an entire area of slightly radioactive granite.

548

00:25:16,000 --> 00:25:21,000

And this is an exposure of it, but the whole area is underlain by this granite.

549

00:25:21,000 --> 00:25:23,000

It's busted up with faults.

550

00:25:23,000 --> 00:25:25,000

And the faults produce seismic energy.

551

00:25:25,000 --> 00:25:28,000

The energy that mainstream science does not recognize.

552

00:25:28,000 --> 00:25:33,000

And we can't look at the fault lines in this area with this map.

553

00:25:33,000 --> 00:25:34,000

Wow.

554

00:25:34,000 --> 00:25:39,000

Most people don't know this, but I've plotted the UFO sightings onto a topographic map

555

00:25:39,000 --> 00:25:41,000

and a lot of sightings are along these fault lines.

556

00:25:41,000 --> 00:25:45,000

So you think this energy has something to do with the activity in this area?

557

00:25:45,000 --> 00:25:46,000

Absolutely.

558

00:25:46,000 --> 00:25:48,000

So these are the fault lines right here?

559

00:25:48,000 --> 00:25:51,000

Yeah, see, they filled this whole area for miles.

560

00:25:51,000 --> 00:25:55,000

That's what makes this area so easy to study versus anywhere else.

561

00:25:55,000 --> 00:25:59,000

So we have miles and miles of fault lines that are releasing energy.

562

00:25:59,000 --> 00:26:04,000

And the energy being released by these fault lines, you believe are attracting UFOs through this region?

563

00:26:04,000 --> 00:26:10,000

Yes, and the faults are the only type of structure on Earth that can generate this unusual energy.

564

00:26:10,000 --> 00:26:13,000

Now mainstream scientists don't want to study this.

565

00:26:13,000 --> 00:26:17,000

We really don't know what the military thinks, but they've been known to be flying around this area,

566

00:26:17,000 --> 00:26:19,000

especially when there's a spate of sightings.

567

00:26:19,000 --> 00:26:24,000

That actually makes sense because during 1973, military did come into that area.

568

00:26:24,000 --> 00:26:25,000

Exactly.

569

00:26:25,000 --> 00:26:29,000

Now what I'm looking at here is all these fault lines are going this way.

570

00:26:29,000 --> 00:26:31,000

These are coming down this way.

571

00:26:31,000 --> 00:26:34,000

It looks like they kind of meet right here, like a vortex or something.

572

00:26:34,000 --> 00:26:35,000

Exactly.

573

00:26:35,000 --> 00:26:37,000

And where is this convergence point?

574

00:26:37,000 --> 00:26:38,000

Clearwater Lake.

575

00:26:38,000 --> 00:26:44,000

People in the Clearwater Lake area have seen objects in the water fly out of the water

576

00:26:44,000 --> 00:26:48,000

and zip around both silver objects and orange lights.

577

00:26:48,000 --> 00:26:51,000

That's exactly what Sherry and the others reported seeing.

578

00:26:51,000 --> 00:26:54,000

So the lake is Clearwater Lake and that's down here.

579

00:26:54,000 --> 00:26:56,000

It's right there just off the map.

580

00:26:56,000 --> 00:27:01,000

Could the mysterious fault line energy be the X factor that is pulling UFOs to the lake?

581

00:27:01,000 --> 00:27:03,000

We need to get the Clearwater Lake.

582

00:27:05,000 --> 00:27:09,000

If these are aliens, they can do whatever they want.

583

00:27:09,000 --> 00:27:10,000

Go, go, go, go, go, go.

584

00:27:10,000 --> 00:27:12,000

Dan, is everything okay?

585

00:27:12,000 --> 00:27:13,000

Yeah, I love him.

586

00:27:13,000 --> 00:27:15,000

Have you seen our hotel, Dan?

587

00:27:15,000 --> 00:27:17,000

Dan!

588

00:27:24,000 --> 00:27:27,000

Is there an incident where something is gone?

589

00:27:27,000 --> 00:27:29,000

Excellent.

590

00:27:29,000 --> 00:27:33,000

And is there something in the water that's coming off the water?

591

00:27:33,000 --> 00:27:34,000

Yeah.

592

00:27:34,000 --> 00:27:37,300

But what....

593

00:27:39,180 --> 00:27:42,000

What happens?

594

00:27:42,000 --> 00:27:45,000

See how the phenomenon is happening?

595

00:27:45,000 --> 00:27:52,700

Well, the problem is brightly big flames get hit to That's why we need that frike O ■■■ a

596

00:27:52,700 --> 00:27:53,500

just off the map.

597

00:27:56,500 --> 00:27:57,900

We need to get to Clearwater Lake.

598

00:28:01,300 --> 00:28:04,940

Clearwater Lake is located back in Piedmont, Missouri,

599

00:28:04,940 --> 00:28:10,540

home of 1973's infamous mass UFO sightings.

600

00:28:10,540 --> 00:28:12,820

As Chuck preps for the investigation,

601

00:28:12,820 --> 00:28:14,860

Heather travels ahead to join Dan,

602

00:28:14,860 --> 00:28:18,420

who has tracked down a witness to the original 1973

603

00:28:18,420 --> 00:28:20,180

Clearwater sightings.

604

00:28:20,420 --> 00:28:22,820

Could her experience from decades ago

605

00:28:22,820 --> 00:28:25,700

confirm Gary Hart's theory that strange energies

606

00:28:25,700 --> 00:28:29,100

beneath Clearwater Lake are attracting UFOs?

607

00:28:29,100 --> 00:28:30,900

So I tracked down Jean Coleman.

608

00:28:30,900 --> 00:28:33,940

Back in 1973, she was one of the first witnesses

609

00:28:33,940 --> 00:28:35,940

to report a close encounter of strange lights

610

00:28:35,940 --> 00:28:37,300

flying over Clearwater Lake.

611

00:28:37,300 --> 00:28:39,300

I want to know how her experience matches up

612

00:28:39,300 --> 00:28:40,380

with what's going on today.

613

00:28:40,380 --> 00:28:41,700

Are we dealing with the same thing?

614

00:28:41,700 --> 00:28:43,300

Is history repeating itself?

615

00:28:44,580 --> 00:28:47,740

We were driving across the dam,

616

00:28:47,780 --> 00:28:51,380

and I was looking out across the lake,

617

00:28:51,380 --> 00:28:57,860

and I saw a red flash out in the lake.

618

00:28:57,860 --> 00:29:00,700

And all of a sudden, it flashed again.

619

00:29:03,260 --> 00:29:06,980

And so we both got out and we watched.

620

00:29:06,980 --> 00:29:11,140

There would be a red flash, and in two or three seconds,

621

00:29:11,140 --> 00:29:12,860

there would be another flash.

622

00:29:12,860 --> 00:29:15,460

But every time there was a flash,

623

00:29:15,500 --> 00:29:19,460

you could see that the flash was higher.

624

00:29:19,460 --> 00:29:25,780

And it got so far up, then lights around the red light

625

00:29:25,780 --> 00:29:27,420

came on, and they flashed.

626

00:29:27,420 --> 00:29:30,900

So then when it got up pretty high,

627

00:29:30,900 --> 00:29:32,860

all the lights came on and they just stayed on.

628

00:29:35,460 --> 00:29:36,580

What do you think that was?

629

00:29:40,460 --> 00:29:43,500

Well, definitely it was never identified.

630

00:29:43,500 --> 00:29:45,220

So I would say it was a UFO.

631

00:29:47,700 --> 00:29:49,900

So how does it feel to be back here?

632

00:29:49,900 --> 00:29:52,420

I really don't like to be here at nighttime.

633

00:29:52,420 --> 00:29:53,740

What's that?

634

00:29:53,740 --> 00:29:58,540

Well, if these are aliens, they're

635

00:29:58,540 --> 00:30:02,540

a lot more advanced than we are.

636

00:30:02,540 --> 00:30:06,660

And they can do whatever they want.

637

00:30:06,660 --> 00:30:08,980

I know what I saw was real.

638

00:30:08,980 --> 00:30:13,460

I mean, I didn't make it up, and I didn't imagine it.

639

00:30:13,820 --> 00:30:19,820

And I know other people, that very credible people,

640

00:30:19,820 --> 00:30:21,740

have told me what they saw.

641

00:30:21,740 --> 00:30:25,580

And there was definitely something that happened here.

642

00:30:31,940 --> 00:30:34,220

From the multiple UFO witness accounts

643

00:30:34,220 --> 00:30:37,540

throughout Piedmont and Salem to Gary Hart's research

644

00:30:37,540 --> 00:30:40,700

tracking those sightings along fault lines,

645

00:30:40,700 --> 00:30:43,700

everything points the team back to where it all started

646

00:30:43,700 --> 00:30:45,140

in the 1970s.

647

00:30:47,620 --> 00:30:48,860

Clearwater Lake.

648

00:30:53,260 --> 00:30:54,820

This is ground zero.

649

00:30:54,820 --> 00:30:56,220

OK, this is what we're going to do.

650

00:30:56,220 --> 00:30:58,780

I'm going to set up my binary light experiment.

651

00:30:58,780 --> 00:31:00,420

We're going to take water samples,

652

00:31:00,420 --> 00:31:02,300

because there might be something within the water,

653

00:31:02,300 --> 00:31:04,300

biological contaminants, could be caverns,

654

00:31:04,300 --> 00:31:06,580

all kinds of stuff under the water.

655

00:31:06,580 --> 00:31:08,940

Secondly, if something flew over,

656

00:31:08,940 --> 00:31:10,860

there might be something inside the woods here.

657

00:31:10,860 --> 00:31:13,180

So we need to walk around the woods out of here

658

00:31:13,180 --> 00:31:14,860

and check the EMF.

659

00:31:14,860 --> 00:31:19,060

Be on guard, be careful, and don't forget your walkies, OK?

660

00:31:19,060 --> 00:31:21,940

When we investigate, we use everything at our disposal.

661

00:31:21,940 --> 00:31:25,660

Historical reports, eyewitness testimonies, photos,

662

00:31:25,660 --> 00:31:29,420

forensic evidence, everything to find the best location

663

00:31:29,420 --> 00:31:31,860

to potentially make contact with the UFO.

664

00:31:39,940 --> 00:31:40,940

Hey, Dan.

665

00:31:40,940 --> 00:31:42,940

How's it going in the woods?

666

00:31:42,940 --> 00:31:44,940

It's pretty freaky out here.

667

00:31:53,940 --> 00:31:56,940

Something's going on.

668

00:31:56,940 --> 00:31:57,940

There was a heat source.

669

00:31:57,940 --> 00:32:00,940

I don't know where it went, though.

670

00:32:00,940 --> 00:32:02,940

There it is.

671

00:32:02,940 --> 00:32:05,940

Yeah, we've got some sort of heat source going on out here.

672

00:32:08,940 --> 00:32:09,940

Could be an animal.

673

00:32:12,940 --> 00:32:16,940

I've seen deer that didn't actually look like deer.

674

00:32:16,940 --> 00:32:18,940

Kind of like they were spotters.

675

00:32:33,940 --> 00:32:35,940

What did he change?

676

00:32:35,940 --> 00:32:36,940

Go, go, go, go, go, go.

677

00:32:38,940 --> 00:32:39,940

I don't know.

678

00:32:44,940 --> 00:32:45,940

Is there an onion?

679

00:32:52,940 --> 00:32:53,940

Yeah, an onion.

680

00:32:59,940 --> 00:33:00,940

Dan.

681

00:33:00,940 --> 00:33:02,940

Dan, can you please respond?

682

00:33:02,940 --> 00:33:04,940

Come back here, there.

683

00:33:04,940 --> 00:33:08,940

Have you seen our redstone, Dan?

684

00:33:08,940 --> 00:33:10,940

Dan, come on back to Chuck.

685

00:33:12,940 --> 00:33:14,940

Dan, come on back to Chuck.

686

00:33:14,940 --> 00:33:16,940

Dan, come on back to Chuck.

687

00:33:16,940 --> 00:33:19,940

Dan, that's Dan Swarkey.

688

00:33:19,940 --> 00:33:20,940

Dan!

689

00:33:24,940 --> 00:33:25,940

Dan!

690

00:33:30,940 --> 00:33:35,940

Dan, can you please respond?

691

00:33:35,940 --> 00:33:39,940

While pursuing an unidentified entity at a known UFO hotspot,

692

00:33:39,940 --> 00:33:42,940

Dan has disappeared into the woods.

693

00:33:42,940 --> 00:33:44,940

Dan, you see Dan?

694

00:33:44,940 --> 00:33:46,940

Have you seen our redstone, Dan?

695

00:33:46,940 --> 00:33:48,940

Dan, come on back to Chuck.

696

00:33:52,940 --> 00:33:54,940

Dan, come on back to Chuck.

697

00:33:54,940 --> 00:33:56,940

Dan, come on back to Chuck.

698

00:33:56,940 --> 00:33:58,940

Dan, come on back to Chuck.

699

00:33:58,940 --> 00:34:01,940

Dan, come on back to Chuck.

700

00:34:01,940 --> 00:34:04,940

Dan, that's Dan Swarkey.

701

00:34:04,940 --> 00:34:05,940

Dan!

702

00:34:15,940 --> 00:34:17,940

All right, where was this last location?

703

00:34:17,940 --> 00:34:18,940

Over there.

704

00:34:18,940 --> 00:34:19,940

All right, let's head that way.

705

00:34:19,940 --> 00:34:20,940

You didn't respond to anything I said.

706

00:34:20,940 --> 00:34:22,940

I don't know where he went.

707

00:34:23,940 --> 00:34:24,940

Dan, it's Chuck.

708

00:34:24,940 --> 00:34:25,940

Where are you at?

709

00:34:28,940 --> 00:34:31,940

Chuck, Dan doesn't have his walkie.

710

00:34:42,940 --> 00:34:44,940

There he is.

711

00:34:46,940 --> 00:34:51,940

So, I'm pretty sure I saw something that was bigger than a small animal,

712

00:34:51,940 --> 00:34:53,940

but shorter than a person.

713

00:34:53,940 --> 00:34:57,940

And I was watching it on my flare, and it took off, so I went after it.

714

00:34:57,940 --> 00:35:00,940

I left the crew and everybody else behind me while I'm running.

715

00:35:00,940 --> 00:35:02,940

I dropped my radio.

716

00:35:02,940 --> 00:35:05,940

It was just, it was really crazy.

717

00:35:05,940 --> 00:35:09,940

The part that bothers me, though, I'm pretty fast, and I can catch people,

718

00:35:09,940 --> 00:35:12,940

and whatever this was, outran me.

719

00:35:14,940 --> 00:35:15,940

Hey, Dan.

720

00:35:15,940 --> 00:35:17,940

I hear you loud and clear.

721

00:35:17,940 --> 00:35:18,940

I had some issues.

722

00:35:18,940 --> 00:35:19,940

You're okay?

723

00:35:19,940 --> 00:35:20,940

I'm good now.

724

00:35:20,940 --> 00:35:22,940

I'll be heading back to the door shortly.

725

00:35:22,940 --> 00:35:24,940

With Dan safely headed back,

726

00:35:24,940 --> 00:35:28,940

Chuck readies a next level experiment in UFO hunting,

727

00:35:28,940 --> 00:35:30,940

binary light signaling.

728

00:35:30,940 --> 00:35:32,940

Be careful with the wires, okay?

729

00:35:32,940 --> 00:35:39,940

Binary communication translates ones and zeros into signals capable of transmitting information.

730

00:35:39,940 --> 00:35:45,940

Chuck has created a binary sequencer to relay these signals through a system of lights.

731

00:35:45,940 --> 00:35:46,940

The result?

732

00:35:46,940 --> 00:35:49,940

Simple messages broadcast into the night sky,

733

00:35:49,940 --> 00:35:54,940

reaching out to make contact with whatever might be watching us from above.

734

00:35:55,940 --> 00:35:57,940

It's going to do the alphabet.

735

00:35:57,940 --> 00:36:02,940

It's going to do alphanumeric, and they're going to do some simple letters like high.

736

00:36:02,940 --> 00:36:07,940

What we need to do is kill any other lights so we can see out over the water

737

00:36:07,940 --> 00:36:09,940

and see if we get any type of responses.

738

00:36:09,940 --> 00:36:11,940

So let's get this thing going.

739

00:36:15,940 --> 00:36:16,940

Here we go.

740

00:36:19,940 --> 00:36:20,940

Let's go.

741

00:36:49,940 --> 00:36:50,940

Dan?

742

00:36:50,940 --> 00:36:51,940

Yeah?

743

00:36:51,940 --> 00:36:57,940

What I want you to do, okay, if you see anything, I want you to point in that direction.

744

00:36:57,940 --> 00:37:01,940

What I'm going to do is I'm going to be scanning like a 180.

745

00:37:01,940 --> 00:37:02,940

Gotcha.

746

00:37:02,940 --> 00:37:05,940

Just see if I see anything and I'll point it out to you guys, okay?

747

00:37:05,940 --> 00:37:06,940

Okay.

748

00:37:06,940 --> 00:37:08,940

See anything, Heather?

749

00:37:08,940 --> 00:37:09,940

Not yet.

750

00:37:09,940 --> 00:37:10,940

Okay.

751

00:37:10,940 --> 00:37:11,940

Okay.

752

00:37:11,940 --> 00:37:12,940

Okay.

753

00:37:12,940 --> 00:37:13,940

Okay.

754

00:37:13,940 --> 00:37:14,940

Okay.

755

00:37:14,940 --> 00:37:15,940

Okay.

756

00:37:15,940 --> 00:37:16,940

Okay.

757

00:37:16,940 --> 00:37:17,940

Okay.

758

00:37:18,940 --> 00:37:22,940

Hey guys, keep scanning the tree light.

759

00:37:22,940 --> 00:37:24,940

That's where a lot of these sightings happen.

760

00:37:33,940 --> 00:37:34,940

Do you see anything, Dan?

761

00:37:34,940 --> 00:37:35,940

No.

762

00:37:48,940 --> 00:37:51,940

I got lights.

763

00:37:51,940 --> 00:37:54,940

What do you see?

764

00:37:54,940 --> 00:37:56,940

I got lights right here.

765

00:37:56,940 --> 00:37:57,940

You do?

766

00:37:57,940 --> 00:37:58,940

I'm not kidding.

767

00:37:58,940 --> 00:37:59,940

Where?

768

00:37:59,940 --> 00:38:00,940

Hey, kill that light.

769

00:38:00,940 --> 00:38:01,940

Right here.

770

00:38:01,940 --> 00:38:03,940

Straight through, just over the ridge.

771

00:38:05,940 --> 00:38:06,940

See anything, Heather?

772

00:38:06,940 --> 00:38:08,940

I think I see something.

773

00:38:10,940 --> 00:38:11,940

See it right there?

774

00:38:13,940 --> 00:38:14,940

It's moving really slow.

775

00:38:14,940 --> 00:38:15,940

No.

776

00:38:17,940 --> 00:38:18,940

Where?

777

00:38:19,940 --> 00:38:20,940

Right there.

778

00:38:21,940 --> 00:38:22,940

Where?

779

00:38:22,940 --> 00:38:23,940

Right over there?

780

00:38:23,940 --> 00:38:24,940

Yes, right there.

781

00:38:31,940 --> 00:38:32,940

Can you see it?

782

00:38:32,940 --> 00:38:34,940

It's slowly moving from left to right.

783

00:38:34,940 --> 00:38:35,940

Yeah.

784

00:38:35,940 --> 00:38:36,940

Yeah.

785

00:38:36,940 --> 00:38:37,940

It's a plane.

786

00:38:37,940 --> 00:38:38,940

Are you sure?

787

00:38:38,940 --> 00:38:40,940

Plays don't move like that.

788

00:38:40,940 --> 00:38:41,940

Okay, hang on.

789

00:38:41,940 --> 00:38:43,940

I'm going to try and document this.

790

00:38:47,940 --> 00:38:49,940

Stay right where you're at.

791

00:38:49,940 --> 00:38:50,940

It stopped.

792

00:38:50,940 --> 00:38:51,940

It stopped?

793

00:38:51,940 --> 00:38:52,940

Yeah.

794

00:38:52,940 --> 00:38:53,940

Give me that back.

795

00:38:53,940 --> 00:38:55,940

It stopped.

796

00:38:59,940 --> 00:39:01,940

Oh, I did stop.

797

00:39:02,940 --> 00:39:05,940

That plane still stopped in the middle, guys.

798

00:39:07,940 --> 00:39:08,940

What is that?

799

00:39:08,940 --> 00:39:10,940

I have no idea.

800

00:39:17,940 --> 00:39:19,940

What is that?

801

00:39:21,940 --> 00:39:22,940

What the?

802

00:39:24,940 --> 00:39:25,940

What is that?

803

00:39:26,940 --> 00:39:27,940

It wasn't an airplane.

804

00:39:27,940 --> 00:39:29,940

It didn't look like a satellite.

805

00:39:29,940 --> 00:39:30,940

We didn't really know what it was.

806

00:39:30,940 --> 00:39:32,940

Oh, my God.

807

00:39:36,940 --> 00:39:37,940

I have no idea.

808

00:39:39,940 --> 00:39:41,940

I don't know what I was expected to see out here tonight,

809

00:39:41,940 --> 00:39:42,940

but it wasn't that.

810

00:39:42,940 --> 00:39:44,940

I don't know what I was expected to see out here tonight.

811

00:39:44,940 --> 00:39:47,940

I'm not saying what we saw tonight was an alien spacecraft,

812

00:39:47,940 --> 00:39:49,940

but by definition, it was a UFO.

813

00:40:03,940 --> 00:40:04,940

There it goes.

814

00:40:04,940 --> 00:40:05,940

What the?

815

00:40:05,940 --> 00:40:06,940

What did we just see?

816

00:40:06,940 --> 00:40:07,940

It's awesome.

817

00:40:07,940 --> 00:40:09,940

Can't believe it.

818

00:40:09,940 --> 00:40:12,940

As an investigator, I've never seen anything like this.

819

00:40:12,940 --> 00:40:13,940

I can't believe it.

820

00:40:13,940 --> 00:40:16,940

As an investigator, I usually investigate other people's sightings,

821

00:40:16,940 --> 00:40:20,940

but to confirm those sightings with my own eyes and capture it on video,

822

00:40:20,940 --> 00:40:25,940

what better way to validate that, yes, there is something happening here in Missouri.

823

00:40:25,940 --> 00:40:26,940

It wasn't a plane.

824

00:40:26,940 --> 00:40:28,940

It definitely wasn't lightning.

825

00:40:28,940 --> 00:40:30,940

That's exactly what everybody's talking about.

826

00:40:30,940 --> 00:40:31,940

This is great.

827

00:40:31,940 --> 00:40:37,940

This experience definitely proves to me whatever happened in the early 70s is still happening today,

828

00:40:37,940 --> 00:40:41,940

and somebody is keeping that information away from the public.

829

00:40:43,940 --> 00:40:47,940

In a region flooded with UFO reports,

830

00:40:47,940 --> 00:40:54,940

these unexplained lights over Clearwater Lake further cement Missouri's infamy as a UFO hotspot.

831

00:40:58,940 --> 00:41:00,940

This has been one heck of an investigation.

832

00:41:00,940 --> 00:41:03,940

We came out here to check up on just one report,

833

00:41:03,940 --> 00:41:08,940

and it seems like it's just so much more like exploding everywhere around here.

834

00:41:08,940 --> 00:41:10,940

I think it's a place we'll have to keep our eye on,

835

00:41:10,940 --> 00:41:12,940

maybe come back for a future investigation.

836

00:41:14,940 --> 00:41:15,940

Since landing in Missouri,

837

00:41:15,940 --> 00:41:22,940

the team found evidence to corroborate Sherry Stack's report of anomalous fire descending from the sky.

838

00:41:22,940 --> 00:41:25,940

You can see a little bit of tree damage straight up right here.

839

00:41:25,940 --> 00:41:27,940

Oh, it's definitely burned.

840

00:41:28,940 --> 00:41:30,940

They experienced electrical anomalies,

841

00:41:30,940 --> 00:41:34,940

which disabled their cameras where a UFO was said to have landed.

842

00:41:35,940 --> 00:41:38,940

All the batteries die immediately when they go near the circle.

843

00:41:38,940 --> 00:41:41,940

And they captured unexplained lights at Clearwater Lake,

844

00:41:41,940 --> 00:41:45,940

the epicenter of the mass sightings back in 1973.

845

00:41:47,940 --> 00:41:51,940

What I'd like to do in the future is maybe not necessarily just put something out to Salem,

846

00:41:51,940 --> 00:41:54,940

but maybe that whole county about us coming out to come talk to them,

847

00:41:54,940 --> 00:41:57,940

bring everybody in versus just the town.

848

00:41:57,940 --> 00:41:59,940

Well, then we're going to need a lot bigger place.

849

00:41:59,940 --> 00:42:00,940

Bigger town hall.

850

00:42:02,940 --> 00:42:07,940

The results of Chuck's investigation may bring peace of mind to some of the area's residents.

851

00:42:07,940 --> 00:42:10,940

I just want to thank you guys for believing our stories.

852

00:42:10,940 --> 00:42:14,940

But what remains troubling is the government's refusal to acknowledge these craft

853

00:42:14,940 --> 00:42:21,940

that clearly populate the Missouri skies, hovering, watching, and waiting.
