

1

00:00:00,000 --> 00:00:03,600

Next on Alien Highway.

2

00:00:03,600 --> 00:00:06,440

Sedona's a mecca for paranormal activity.

3

00:00:06,440 --> 00:00:08,840

Somebody in the higher echelons of our government

4

00:00:08,840 --> 00:00:12,040

understands what's going on here.

5

00:00:12,040 --> 00:00:14,680

That's all this bright light.

6

00:00:14,680 --> 00:00:15,680

Mary, you're not excited.

7

00:00:15,680 --> 00:00:17,240

There's something just passed over.

8

00:00:17,240 --> 00:00:19,920

Over 10,000 people saw these phenomena.

9

00:00:19,920 --> 00:00:23,080

Military guys just come up out of nowhere.

10

00:00:23,080 --> 00:00:25,080

You believe that the federal government

11

00:00:25,080 --> 00:00:27,160

may be hiding what's going on?

12

00:00:27,160 --> 00:00:28,160

Oh, sure.

13

00:00:28,160 --> 00:00:29,160

Yes.

14

00:00:30,160 --> 00:00:33,000

What was that?

15

00:00:33,000 --> 00:00:34,960

That's a helicopter.

16

00:00:34,960 --> 00:00:35,960

There, right there.

17

00:00:35,960 --> 00:00:36,960

Holy s***.

18

00:00:36,960 --> 00:00:37,960

Where'd it go?

19

00:00:37,960 --> 00:00:38,960

They know we're here.

20

00:00:43,560 --> 00:00:46,240

There's something happening across our land.

21

00:00:46,240 --> 00:00:48,080

It's carving a terrifying path.

22

00:00:48,080 --> 00:00:49,080

Right there.

23

00:00:49,080 --> 00:00:50,080

Wow!

24

00:00:50,080 --> 00:00:51,080

The raw men don't want to talk about it.

25

00:00:51,080 --> 00:00:52,480

I have no idea how you would explain that.

26

00:00:52,480 --> 00:00:54,920

And the government denies it's even happening.

27

00:00:54,920 --> 00:00:58,360

The White House has dismissed a full UFO investigation.

28

00:00:58,360 --> 00:01:01,520

Those who speak up face ridicule or even worse.

29

00:01:01,520 --> 00:01:05,320

An El Paso County Sheriff's Deputy fired from his job.

30

00:01:05,320 --> 00:01:10,080

They took my badge, but they can't take my voice.

31

00:01:10,080 --> 00:01:12,080

I'm determined to uncover what's happening.

32

00:01:12,080 --> 00:01:13,560

Look at that thing.

33

00:01:13,560 --> 00:01:14,560

Do you see that?

34

00:01:14,560 --> 00:01:15,560

I saw it that night.

35

00:01:15,560 --> 00:01:18,000

I listened to people who are afraid to speak out.

36

00:01:18,000 --> 00:01:19,240

Nobody's going to believe me.

37

00:01:19,240 --> 00:01:22,560

I find evidence that's hiding in plain sight.

38

00:01:22,560 --> 00:01:23,800

This is it, right here.

39

00:01:23,800 --> 00:01:27,400

Together with my son, Dan Zuchowski, it's absolutely moving right now.

40

00:01:27,400 --> 00:01:28,760

An investigator, Heather Taddy.

41

00:01:28,760 --> 00:01:30,400

I never really get this close.

42

00:01:30,400 --> 00:01:32,560

I'm here to find the truth.

43

00:01:32,560 --> 00:01:33,560

I see it!

44

00:01:33,560 --> 00:01:34,560

Yeah!

45

00:01:34,560 --> 00:01:37,080

Along America's Eileen Highway.

46

00:01:41,080 --> 00:01:49,720

Arizona is home to the striking landscape of the Grand Canyon, as well as 20 Indian reservations.

47

00:01:49,720 --> 00:01:54,360

It's also no stranger to UFO encounters.

48

00:01:54,360 --> 00:01:56,840

What's that?

49

00:01:56,840 --> 00:02:01,440

Every year, over 300 sightings are reported statewide.

50

00:02:01,440 --> 00:02:06,920

Something bizarre happened in the skies over Phoenix last night, and so far, no one can

51

00:02:06,920 --> 00:02:09,040

explain it.

52

00:02:09,040 --> 00:02:13,080

That's over 6,000 encounters in the past 20 years.

53

00:02:13,080 --> 00:02:17,240

Phoenix ranks as the number one city for UFO reports.

54

00:02:17,240 --> 00:02:22,800

Raising the question, what makes Arizona such a hotspot for UFOs?

55

00:02:22,800 --> 00:02:25,560

And what is the purpose of their frequent visits?

56

00:02:26,280 --> 00:02:30,840

Is there anybody that's not above us that passes like 30 seconds ago?

57

00:02:30,840 --> 00:02:31,840

Negative.

58

00:02:31,840 --> 00:02:32,840

Okay.

59

00:02:32,840 --> 00:02:34,840

Are you UFO?

60

00:02:43,280 --> 00:02:47,280

So you guys have heard of the 1997 March 13th Phoenix Light incident?

61

00:02:47,280 --> 00:02:48,960

Yeah, that was a pretty big deal.

62

00:02:48,960 --> 00:02:51,240

We got another sighting in the same area.

63

00:02:51,240 --> 00:02:52,360

What type of sighting?

64

00:02:52,360 --> 00:02:55,520

There was a high altitude commercial pilot sighting.

65

00:02:55,520 --> 00:02:56,520

Oh, sweet.

66

00:02:56,520 --> 00:02:58,040

So he's a pilot.

67

00:02:58,040 --> 00:03:04,560

He's been a commercial pilot for a while now, but I believe he's got some military flying

68

00:03:04,560 --> 00:03:06,160

experience also.

69

00:03:06,160 --> 00:03:08,560

He's been trained to observe.

70

00:03:08,560 --> 00:03:10,440

He's a credible witness at this point.

71

00:03:10,440 --> 00:03:15,320

Now we get an opportunity to find out from a pilot's point of view about UFO sightings.

72

00:03:15,320 --> 00:03:17,760

If they have sightings, they generally don't come forward.

73

00:03:17,760 --> 00:03:21,080

They're afraid of being ridiculed or they're afraid of some type of backlash.

74

00:03:21,440 --> 00:03:24,840

I mean, he's putting his job at risk, his reputation.

75

00:03:31,440 --> 00:03:32,560

Glenn Gray, nice to meet you.

76

00:03:32,560 --> 00:03:33,560

Nice to meet you too.

77

00:03:33,560 --> 00:03:34,560

What did you see?

78

00:03:34,560 --> 00:03:37,080

It was February the 24th of last year.

79

00:03:37,080 --> 00:03:39,600

We were going from San Diego to DFTW.

80

00:03:39,600 --> 00:03:41,560

It was the middle of the afternoon.

81

00:03:41,560 --> 00:03:43,840

Bright, beautiful day.

82

00:03:43,840 --> 00:03:46,880

We were, I think, 35 or 37,000 feet.

83

00:03:46,880 --> 00:03:50,440

There was a general aviation jet in front of us.

84

00:03:50,440 --> 00:03:56,400

And we heard this jet in front of us ask Albuquerque Center, hey, you know, what plane

85

00:03:56,400 --> 00:03:59,720

just flew over the top of us?

86

00:03:59,720 --> 00:04:02,600

And Albuquerque Center said we have nothing on Raidheart.

87

00:04:02,600 --> 00:04:10,320

Was anybody at the top above us that passed us like 30 seconds ago?

88

00:04:10,320 --> 00:04:11,320

Negative.

89

00:04:11,320 --> 00:04:12,320

OK.

90

00:04:12,320 --> 00:04:16,720

So then Albuquerque Center asked me.

91

00:04:16,720 --> 00:04:22,880

In 1095, let me know if you see anything pass over you here in the next 15 miles.

92

00:04:22,880 --> 00:04:25,160

You know if anything passes over?

93

00:04:25,160 --> 00:04:26,160

American 1095 affirmative.

94

00:04:26,160 --> 00:04:29,040

We had an aircraft in front of you at 37.

95

00:04:29,040 --> 00:04:32,280

I reported something pass over him and we didn't have any targets.

96

00:04:32,280 --> 00:04:36,200

So just let me know if you see anything pass over you.

97

00:04:36,200 --> 00:04:37,440

All right.

98

00:04:37,440 --> 00:04:40,480

Maybe a minute later, you know, I saw this.

99

00:04:40,480 --> 00:04:42,960

The best way to describe it is a bright light.

100

00:04:43,960 --> 00:04:45,960

This is American 1095.

101

00:04:45,960 --> 00:04:47,960

Yeah, something just passed over.

102

00:04:47,960 --> 00:04:53,960

It's like a, I don't know what it was, but it's at least 2,000, 3,000 feet above us.

103

00:04:53,960 --> 00:04:55,960

The other pass right over the top of us.

104

00:04:55,960 --> 00:04:56,960

OK, American 1095, thank you.

105

00:04:56,960 --> 00:04:59,960

I mean, I've been flying jets since 1987.

106

00:04:59,960 --> 00:05:01,960

I've never seen anything like it ever.

107

00:05:01,960 --> 00:05:05,960

When you're at 35,000 feet, generally you're above most of the clouds.

108

00:05:05,960 --> 00:05:08,960

So, I mean, there's sunshine, you know?

109

00:05:08,960 --> 00:05:09,960

I mean, it's bright.

110

00:05:09,960 --> 00:05:14,960

And for something to be that bright in the middle of the day, it's pretty phenomenal.

111

00:05:14,960 --> 00:05:16,960

So it wasn't sun reflection on it.

112

00:05:16,960 --> 00:05:18,960

It was actually emitting its own light?

113

00:05:18,960 --> 00:05:19,960

Yes.

114

00:05:19,960 --> 00:05:20,960

Yeah.

115

00:05:20,960 --> 00:05:22,960

Not a flare, not a star.

116

00:05:22,960 --> 00:05:24,960

Flare's even operating at that altitude?

117

00:05:24,960 --> 00:05:25,960

From another airplane?

118

00:05:25,960 --> 00:05:28,960

Yeah, but a flare's going to burn out very quickly.

119

00:05:28,960 --> 00:05:30,960

What about a high altitude drone?

120

00:05:30,960 --> 00:05:33,960

No, a drone is not going to be as big as another airliner.

121

00:05:33,960 --> 00:05:37,960

And it's not going to be emitting that light either.

122

00:05:37,960 --> 00:05:42,960

Most pilots are afraid to talk about what they've seen let alone go public.

123

00:05:42,960 --> 00:05:47,960

Most pilots are probably just reluctant to say something just because of the stigma attached to it.

124

00:05:47,960 --> 00:05:50,960

I feel OK talking about it because it was documented for other pilots.

125

00:05:50,960 --> 00:05:52,960

I saw it in two different aircraft.

126

00:05:52,960 --> 00:05:55,960

I would just like to know what we saw.

127

00:05:55,960 --> 00:06:00,960

Nobody ever came in, you know, in an official capacity from the government or FAA or anything like that.

128

00:06:00,960 --> 00:06:03,960

Nobody ever came in to ask me what I saw.

129

00:06:03,960 --> 00:06:07,960

Would you think it would be a national security thing if there was something flying up there?

130

00:06:07,960 --> 00:06:09,960

You would think, right?

131

00:06:09,960 --> 00:06:16,960

I think it's pretty odd that you have this credible captain reporting to the air traffic controller

132

00:06:16,960 --> 00:06:21,960

that they now have seen the same object that another pilot has seen.

133

00:06:21,960 --> 00:06:23,960

And then there's like nonchalant about it.

134

00:06:23,960 --> 00:06:24,960

OK, cool.

135

00:06:24,960 --> 00:06:26,960

And then they just keep flying.

136

00:06:26,960 --> 00:06:28,960

Like, I don't understand that.

137

00:06:28,960 --> 00:06:32,960

Did that experience change your views on the UFOs?

138

00:06:32,960 --> 00:06:37,960

In the past, if somebody said they saw a UFO, I'm like, right, whatever.

139

00:06:37,960 --> 00:06:40,960

But now I wouldn't discount it.

140

00:06:40,960 --> 00:06:48,960

I actually know a couple of people in Colorado that saw the same thing that you saw, but they saw it from the ground.

141

00:06:48,960 --> 00:06:49,960

It was the same day.

142

00:06:49,960 --> 00:06:50,960

It was the same day.

143

00:06:50,960 --> 00:06:54,960

If it's OK with you, I'd like to Skype them real quick.

144

00:06:54,960 --> 00:06:55,960

Have you talked with them?

145

00:06:55,960 --> 00:06:56,960

Yeah, sure.

146

00:06:56,960 --> 00:06:57,960

It's OK?

147

00:06:57,960 --> 00:06:58,960

Yeah.

148

00:06:59,960 --> 00:07:00,960

I'm a blend.

149

00:07:00,960 --> 00:07:01,960

Blend of green.

150

00:07:01,960 --> 00:07:02,960

How are you?

151

00:07:02,960 --> 00:07:03,960

I'm Pat Staffield.

152

00:07:03,960 --> 00:07:04,960

This is Maria.

153

00:07:04,960 --> 00:07:05,960

I am Maria Staffield.

154

00:07:05,960 --> 00:07:06,960

Nice to meet you.

155

00:07:06,960 --> 00:07:08,960

So I had described your sighting.

156

00:07:09,960 --> 00:07:15,960

Well, we were on Interstate 10, and we were heading in a west-lead direction.

157

00:07:15,960 --> 00:07:17,960

It was just a bright light.

158

00:07:17,960 --> 00:07:24,960

It was about seven miles when we first saw it, and we kept heading west, and it never moved.

159

00:07:24,960 --> 00:07:26,960

It can't be an airplane.

160

00:07:26,960 --> 00:07:29,960

There's no blinking lights, and it was a large light.

161

00:07:29,960 --> 00:07:31,960

And it just hovered there.

162

00:07:31,960 --> 00:07:34,960

There were people standing on the side of the roads looking up.

163

00:07:34,960 --> 00:07:35,960

Really?

164

00:07:35,960 --> 00:07:39,960

It was approximately two to three o'clock when we saw it.

165

00:07:39,960 --> 00:07:41,960

I think it was late afternoon.

166

00:07:41,960 --> 00:07:42,960

OK.

167

00:07:42,960 --> 00:07:47,960

And it was just as like you said, it was just this bright light.

168

00:07:47,960 --> 00:07:51,960

And it was weird because it was bright all the way around it.

169

00:07:51,960 --> 00:07:56,960

So normally, you know, if the sun is hitting something, then the reflection of the sun is going to be brighter than the backside.

170

00:07:56,960 --> 00:08:00,960

Well, this thing, the backside, was just as bright as the front side.

171

00:08:00,960 --> 00:08:04,960

All the way around, it was just one constant brightness.

172

00:08:04,960 --> 00:08:05,960

That's exactly correct.

173

00:08:05,960 --> 00:08:07,960

That's exactly what we saw.

174

00:08:07,960 --> 00:08:08,960

Yeah.

175

00:08:11,960 --> 00:08:18,960

What I really liked about Captain Blennis' report was not only do we have a pilot that saw something 30,000 feet up,

176

00:08:18,960 --> 00:08:22,960

but now we have two eyewitnesses that saw it from ground level.

177

00:08:22,960 --> 00:08:24,960

That really validates this UFO sighting.

178

00:08:24,960 --> 00:08:27,960

Wow, that's a lot of information to download right there.

179

00:08:27,960 --> 00:08:29,960

Four pilots saw it?

180

00:08:29,960 --> 00:08:33,960

And not only that, but I mean, two more people from the ground saw it.

181

00:08:33,960 --> 00:08:35,960

That light had to be bright.

182

00:08:35,960 --> 00:08:38,960

So that was bright enough that the people from the ground could see it too.

183

00:08:38,960 --> 00:08:39,960

And let's not forget where we are.

184

00:08:39,960 --> 00:08:40,960

This is Phoenix.

185

00:08:40,960 --> 00:08:42,960

This is a really hot area.

186

00:08:42,960 --> 00:08:47,960

Heather, I think what we need to do is do a little research on the Phoenix lights.

187

00:08:47,960 --> 00:08:48,960

Yeah.

188

00:08:48,960 --> 00:08:52,960

And see if it correlates with what the pilot saw.

189

00:08:52,960 --> 00:08:54,960

What are you thinking, Dan?

190

00:08:54,960 --> 00:08:58,960

I want to get with the tower and I want to figure out where exactly those planes were at,

191

00:08:58,960 --> 00:09:03,960

get their coordinates, their exact altitude, exact time of day.

192

00:09:03,960 --> 00:09:08,960

Maybe between what you get and what we get, we can kind of figure out where these things are coming from.

193

00:09:08,960 --> 00:09:10,960

I bet there's more up there than we think.

194

00:09:10,960 --> 00:09:11,960

Well, that's where we're here to find out.

195

00:09:11,960 --> 00:09:15,960

We got a lot of work ahead of us, so let's go do it.

196

00:09:16,960 --> 00:09:22,960

One of the witnesses to the 1997 Phoenix lights is Dr. Lynn Katai.

197

00:09:22,960 --> 00:09:28,960

Her documentary on the event is screening at a local feeder, and she's agreed to meet with the team.

198

00:09:33,960 --> 00:09:38,960

Dr. Lynn, I want to learn what really happened with the Phoenix lights.

199

00:09:38,960 --> 00:09:45,960

March 13th, what was so impactful was that thousands of people were purposely outside looking up

200

00:09:45,960 --> 00:09:52,960

to get a glimpse of the Hellbock comet when they also caught a glimpse of these much larger orbs' information.

201

00:09:52,960 --> 00:09:56,960

They were oval shaped, like an egg on its side.

202

00:09:56,960 --> 00:10:04,960

The light did not extend outside the edge, it was self-contained, and I thought, well, an actual craft.

203

00:10:04,960 --> 00:10:07,960

It was just the most awesome sight I ever saw.

204

00:10:07,960 --> 00:10:10,960

I thought, jeez, I've got to get a picture of this or no one's going to believe it.

205

00:10:10,960 --> 00:10:12,960

I started clicking away.

206

00:10:17,960 --> 00:10:20,960

And immediately noticed an eerie silence.

207

00:10:20,960 --> 00:10:23,960

It actually felt that something was watching me.

208

00:10:25,960 --> 00:10:29,960

We've seen special operations people show up armed to the teeth.

209

00:10:29,960 --> 00:10:31,960

Hey guys, I got a helicopter coming in.

210

00:10:31,960 --> 00:10:33,960

I just saw something over there.

211

00:10:44,960 --> 00:10:51,960

There are currently hundreds of eyewitnesses coming forward in an event now known as the Phoenix lights.

212

00:10:53,960 --> 00:10:56,960

It was just the most awesome sight I ever saw.

213

00:10:56,960 --> 00:10:59,960

I thought, jeez, I've got to get a picture of this or no one's going to believe it.

214

00:10:59,960 --> 00:11:01,960

I started clicking away.

215

00:11:06,960 --> 00:11:09,960

And immediately noticed an eerie silence.

216

00:11:09,960 --> 00:11:12,960

It actually felt that something was watching me.

217

00:11:13,960 --> 00:11:14,960

It was unnerving.

218

00:11:14,960 --> 00:11:15,960

I started to shake.

219

00:11:15,960 --> 00:11:18,960

I thought, what is this, a mothership or a fleet?

220

00:11:18,960 --> 00:11:19,960

I mean, it was massive.

221

00:11:19,960 --> 00:11:23,960

There were jets sent out to intercept one of these mile-wide craft.

222

00:11:24,960 --> 00:11:29,960

As they approached, the lights started to dim and as they got a little closer,

223

00:11:29,960 --> 00:11:32,960

the entire thing linked out and disappeared.

224

00:11:34,960 --> 00:11:37,960

When the Phoenix lights happened, what did the local authorities say?

225

00:11:37,960 --> 00:11:40,960

After the mass sighting, there was no investigation.

226

00:11:40,960 --> 00:11:46,960

But we're talking over 10,000 people, at least it's estimated, that saw these phenomena.

227

00:11:46,960 --> 00:11:52,960

And a month later, I get a call from one of the PR heads from the Air National Guard

228

00:11:52,960 --> 00:11:55,960

and she says, oh, Dr. Lynn, I think we know what those lights were back in March.

229

00:11:55,960 --> 00:12:02,960

You know, she says to me that the Air National Guard was in town setting off flares in Operation Snowbird,

230

00:12:02,960 --> 00:12:07,960

which I later found out meant diversionary tactical maneuvers in military terms,

231

00:12:07,960 --> 00:12:11,960

which, hey, they may have been sending off flares, but there's not one witness

232

00:12:11,960 --> 00:12:14,960

that has described any of the flare characteristics.

233

00:12:16,960 --> 00:12:18,960

It seems like it's a cover-up.

234

00:12:18,960 --> 00:12:19,960

Exactly.

235

00:12:20,960 --> 00:12:26,960

In May, former Councilwoman Vice Mayor Frances Borowood asked why isn't there an investigation.

236

00:12:26,960 --> 00:12:30,960

She was plastered by the media. There was so much ridicule and snickering.

237

00:12:30,960 --> 00:12:34,960

When real people are actually seeing these things, experiencing these things,

238

00:12:34,960 --> 00:12:37,960

why does the media make fun of this?

239

00:12:37,960 --> 00:12:41,960

Some people can't deal with this topic. Some people don't want to.

240

00:12:41,960 --> 00:12:46,960

And that was one of the big reasons I came forward, not only to set the record straight,

241

00:12:46,960 --> 00:12:49,960

get the data out there, let people know they're not crazy.

242

00:12:49,960 --> 00:12:54,960

It's important to share and not let it fester when you have an experience like this.

243

00:12:55,960 --> 00:13:00,960

You've lived in the area for a long time. Have you heard of any other sightings like this before?

244

00:13:00,960 --> 00:13:07,960

Oh, yes. What's really interesting is there are Navajo Rangers law enforcement.

245

00:13:07,960 --> 00:13:12,960

They have come forward to acknowledge that they are happening and they need to be studied.

246

00:13:12,960 --> 00:13:15,960

It'd be great if we could interview one of the Navajo contacts that she has.

247

00:13:15,960 --> 00:13:17,960

Oh, absolutely.

248

00:13:21,960 --> 00:13:29,960

While Chuck and Heather conclude their interview with Dr. Lin, Dan gathers information from the Albuquerque control tower.

249

00:13:29,960 --> 00:13:36,960

My name is Dan Zuchowski. I have some questions about how you guys operate when it comes to your flight patterns.

250

00:13:36,960 --> 00:13:41,960

If I wanted to actually get information pertaining to a certain day, is that possible?

251

00:13:42,960 --> 00:13:48,960

Okay. I took some digging, but I was able to obtain Captain Blennis' flight pattern for the day.

252

00:13:48,960 --> 00:13:53,960

I'm hoping that's going to help us determine where that craft was coming from.

253

00:13:53,960 --> 00:14:04,960

Meanwhile, Chuck reaches out to Dr. Lin's contact, a retired Navajo ranger who has been investigating UFO sightings for over 10 years.

254

00:14:04,960 --> 00:14:11,960

Navajo Rangers protect and patrol tribal historical sites in the southwestern United States.

255

00:14:11,960 --> 00:14:19,960

I appreciate the opportunity to talk to you. I couldn't wait for this interview because I was pretty excited to talk with the Navajo ranger.

256

00:14:19,960 --> 00:14:25,960

I had heard, I believe some of them were talking about having UFO sightings. Have you personally seen anything?

257

00:14:25,960 --> 00:14:39,960

Many, many times. I've seen orbs. I was followed by one. The orb that was following me was about the size of a basketball at about 2 o'clock in the morning.

258

00:14:39,960 --> 00:14:49,960

It followed me right down the middle of the highway for about 35 miles. It continued to parallel my course and then it just faded out and disappeared.

259

00:14:49,960 --> 00:15:02,960

Wow. In my work, you rely on your sixth sense and all the flags went up during that time. And I got this feeling that it didn't mean me any good.

260

00:15:02,960 --> 00:15:07,960

Will you have a tent to talk about your sightings while you were active law enforcement?

261

00:15:07,960 --> 00:15:16,960

Back in 2000, during that time, the police department didn't want to handle those cases and they ridiculed the people that reported them.

262

00:15:16,960 --> 00:15:24,960

My director instructed us that we will take these cases, we will take them seriously and investigate them the best of our ability.

263

00:15:24,960 --> 00:15:27,960

For 11 years, we investigated these types of cases.

264

00:15:27,960 --> 00:15:33,960

Have you ever had anybody from the federal government try to intervene in your investigations?

265

00:15:33,960 --> 00:15:42,960

We have a long history of distrust of the US government. We've seen special operations people show up after some of our investigations.

266

00:15:42,960 --> 00:15:50,960

We've seen flights of black helicopters flying over the area. We had a black Cadillac Escalade shoot-up.

267

00:15:50,960 --> 00:15:58,960

The guy comes out, he's armed to the teeth wearing battle dress uniform. Then he opens up the back, he takes out what looks like an ice chest.

268

00:15:58,960 --> 00:16:09,960

Opens the ice chest, smoke came out, so I'm thinking dry eyes. He picks up something off the ground, puts it inside and then drives off.

269

00:16:09,960 --> 00:16:16,960

You believe that the federal government may be hiding what's going on, at least in your area?

270

00:16:16,960 --> 00:16:18,960

Oh sure, yes.

271

00:16:18,960 --> 00:16:20,960

Why is Arizona so active?

272

00:16:20,960 --> 00:16:30,960

I think that there's some kind of vortex that's in Sedona where we have a lot of sightings. Things seem to pop in.

273

00:16:30,960 --> 00:16:38,960

A vortex is a really interesting theory. We had these lights as large as an airplane appearing and disappearing right over them.

274

00:16:38,960 --> 00:16:42,960

So that's one explanation why something so big can just vanish instantly.

275

00:16:43,960 --> 00:16:52,960

After gathering data from the Albuquerque control tower, Dan reunites with the team to share his findings.

276

00:16:52,960 --> 00:17:02,960

So I made contact with Albuquerque Center and I was able to get some information from them based off of what Captain Blennis had seen and where he had seen it.

277

00:17:02,960 --> 00:17:04,960

It looks like it's coming from Sedona.

278

00:17:04,960 --> 00:17:07,960

That's exactly where the Rangers had their sightings.

279

00:17:07,960 --> 00:17:10,960

It looks like Sedona is where we need to go.

280

00:17:11,960 --> 00:17:13,960

Did you just see the flash over there?

281

00:17:13,960 --> 00:17:15,960

They just disappeared.

282

00:17:15,960 --> 00:17:17,960

F***, we got a helicopter coming in.

283

00:17:17,960 --> 00:17:42,960

After interviewing multiple UFO witnesses in Phoenix, Chuck has pinpointed Sedona as a possible epicenter of these mysterious sightings.

284

00:17:42,960 --> 00:17:48,960

The presence of vortexes in Sedona could explain why this is such a hot spot for UFOs.

285

00:17:51,960 --> 00:17:56,960

And physicist Pete Sanders has been investigating the phenomenon for decades.

286

00:17:58,960 --> 00:18:04,960

The vortex is an enhanced energy site that makes it easier to tap dimensions beyond.

287

00:18:04,960 --> 00:18:09,960

Is there any instrument like an EMF meter that can detect a vortex?

288

00:18:09,960 --> 00:18:17,960

We can't use current technology to measure the vortexes because the energy flows are probably in the dimensions beyond.

289

00:18:17,960 --> 00:18:21,960

That's super strings physics now says everybody exists in.

290

00:18:21,960 --> 00:18:26,960

Super strings physics basically says everything exists in 10 or more dimensions.

291

00:18:26,960 --> 00:18:33,960

So vortex, you can tap dimensions beyond and maybe even connect with extra dimensional beams.

292

00:18:34,960 --> 00:18:40,960

I think a lot of people seem to think of a vortex as sort of a tornado. Is that accurate?

293

00:18:40,960 --> 00:18:56,960

It's not measurable like a wind tornado, but there's a lot of things that aren't as physically tangible as wind like electromagnetic radio wave signals or pulses from the stars.

294

00:18:56,960 --> 00:18:59,960

They were existing even before we could measure them.

295

00:18:59,960 --> 00:19:07,960

So too, these energy flows in these deeper dimensions are not currently measurable with our current technology.

296

00:19:07,960 --> 00:19:11,960

Aliens then could be using vortexes.

297

00:19:11,960 --> 00:19:12,960

Correct.

298

00:19:13,960 --> 00:19:18,960

There's something coming in and out of this area and traveling across Arizona.

299

00:19:18,960 --> 00:19:23,960

The Phoenix lights probably came over this area too back in 1997.

300

00:19:23,960 --> 00:19:28,960

They might be using it to help communicate by the veil being pierced a little bit.

301

00:19:29,960 --> 00:19:37,960

While vortexes cannot be seen or measured, witnesses repeatedly link them to the presence of UFOs in Sedona.

302

00:19:37,960 --> 00:19:43,960

Native Americans have been documenting encounters with extraterrestrials for thousands of years,

303

00:19:43,960 --> 00:19:49,960

reporting mysterious celestial beings that are able to manifest as spheres of light.

304

00:19:49,960 --> 00:19:54,960

Could it be that these craft are back trying to communicate with modern society?

305

00:19:54,960 --> 00:20:01,960

The team will now be meeting with a Sedona local who's been documenting sightings for the last decade.

306

00:20:01,960 --> 00:20:08,960

So the first thing is Bear Mountain right in front of us. All of the Sedona locals will tell you that's a well-known UFO hotspot.

307

00:20:08,960 --> 00:20:13,960

And if you go behind Bear Mountain, that road is going to dead end to Bradshaw Ranch.

308

00:20:13,960 --> 00:20:16,960

And what's at Bradshaw Ranch? Something happened in there?

309

00:20:16,960 --> 00:20:24,960

So I have seen all kinds of things at Bradshaw Ranch, from UFOs to black helicopters going in and out of there.

310

00:20:24,960 --> 00:20:26,960

It's weird encounters.

311

00:20:26,960 --> 00:20:31,960

A lot of people will tell you they could just be hiking anywhere around Bear Mountain

312

00:20:31,960 --> 00:20:37,960

and all of a sudden military guys in full gear and automatic weapons just come up out of nowhere,

313

00:20:37,960 --> 00:20:41,960

tell them to turn around and leave and then just kind of disappear.

314

00:20:42,960 --> 00:20:47,960

What it sounds like, there's a lot of stuff going on here. So it would make sense that there is military here.

315

00:20:47,960 --> 00:20:51,960

The people that have been confronting these hikers, do you think they're connected to the government?

316

00:20:51,960 --> 00:20:56,960

There's some type of government, probably not the ones that we think of as government.

317

00:20:56,960 --> 00:21:00,960

The lights and the craft you see are in this area right here?

318

00:21:00,960 --> 00:21:05,960

Yeah, Bear Mountain a lot. Secret Mountain Wilderness, a little bit on Wilson Mountain.

319

00:21:05,960 --> 00:21:08,960

So we see a lot of ships go in and out.

320

00:21:08,960 --> 00:21:12,960

I've got pictures of everything that I've seen out here, so I will share them with you.

321

00:21:15,960 --> 00:21:18,960

So here's a little fly by.

322

00:21:18,960 --> 00:21:20,960

Huh, that's interesting.

323

00:21:20,960 --> 00:21:26,960

Bear Mountain, so right over there. Bear Mountain. Right here is the ships coming out of Bear.

324

00:21:26,960 --> 00:21:29,960

That looks like floating light bulbs.

325

00:21:29,960 --> 00:21:32,960

Yeah, that's weird.

326

00:21:32,960 --> 00:21:34,960

That looks bright.

327

00:21:34,960 --> 00:21:36,960

That's what I want to see.

328

00:21:36,960 --> 00:21:41,960

That's what I'm talking about. But there's one spot on that mountain where there's a lot of activity. Where is it at?

329

00:21:41,960 --> 00:21:45,960

There's several hot spots, but I need infrared laser to point them out.

330

00:21:45,960 --> 00:21:46,960

Yeah, we can mark that.

331

00:21:46,960 --> 00:21:48,960

But it won't work during the day.

332

00:21:48,960 --> 00:21:50,960

Okay, let's set up for a night watch.

333

00:21:50,960 --> 00:21:52,960

So are we going to see anything tonight?

334

00:21:52,960 --> 00:21:58,960

If the sky clears up, absolutely. If I flash the laser at them and they flash back, that's communication.

335

00:21:58,960 --> 00:21:59,960

That would be interesting.

336

00:21:59,960 --> 00:22:01,960

Yeah, we want that.

337

00:22:01,960 --> 00:22:08,960

We know that there's something going on in the area based on all the military presence, but why? What are they monitoring?

338

00:22:10,960 --> 00:22:13,960

Alright Anita, what's the game plan for tonight?

339

00:22:13,960 --> 00:22:18,960

Well, we can all put our superpowers together and get the sky to clear. That would be awesome.

340

00:22:20,960 --> 00:22:26,960

So this down here, this is Bear Mountain. A lot of the contact that I have made has been that area right there.

341

00:22:26,960 --> 00:22:31,960

To the left of there, there are no roads and there are no houses. So it's really dark in that area.

342

00:22:32,960 --> 00:22:38,960

A lot of times we'll see slow movement. Like all of a sudden there'll be a light on top of Bear and it will just slowly move.

343

00:22:38,960 --> 00:22:41,960

Sometimes it'll disappear and sometimes it'll flash back.

344

00:22:46,960 --> 00:22:54,960

Well, we do have a lot of cloud cover, which is unfortunate for us right now, but behind me I'm starting to see a couple of stars peek out.

345

00:22:54,960 --> 00:22:56,960

I can see one star in front of us.

346

00:22:56,960 --> 00:22:59,960

Yeah, so I think the clouds are going to start to...

347

00:22:59,960 --> 00:23:04,960

But here's an airplane so you can see planes have blinking lights. Consistent blinking lights.

348

00:23:04,960 --> 00:23:06,960

So we're not going to be mistaking anything for a plane.

349

00:23:17,960 --> 00:23:18,960

Was someone shining a light over there?

350

00:23:18,960 --> 00:23:19,960

No.

351

00:23:19,960 --> 00:23:24,960

I just saw it almost look like a white light appeared and then it went away super quick.

352

00:23:24,960 --> 00:23:25,960

Where?

353

00:23:26,960 --> 00:23:27,960

Are you looking out through the night vision?

354

00:23:27,960 --> 00:23:29,960

No, I was looking with my naked eye.

355

00:23:30,960 --> 00:23:32,960

Were you guys shining light over there?

356

00:23:32,960 --> 00:23:33,960

No.

357

00:23:34,960 --> 00:23:35,960

That was weird.

358

00:23:38,960 --> 00:23:42,960

Hey guys, come over here. I see that light source. Right here, right here guys.

359

00:23:42,960 --> 00:23:45,960

We're in the middle of a mountain range right there. That wasn't in the sky.

360

00:23:46,960 --> 00:23:47,960

Yeah, there, right there.

361

00:23:47,960 --> 00:23:50,960

Okay, yeah, okay. All right. I just saw that.

362

00:23:50,960 --> 00:23:51,960

That's exactly who I saw.

363

00:23:51,960 --> 00:23:52,960

Yeah.

364

00:23:54,960 --> 00:23:56,960

Oh, it disappeared.

365

00:23:56,960 --> 00:23:58,960

Did you guys get that on film? It just disappeared.

366

00:23:58,960 --> 00:24:01,960

That was weird. No, that was weird.

367

00:24:02,960 --> 00:24:03,960

Where did that light go?

368

00:24:03,960 --> 00:24:06,960

It looked like a light from over there was shining.

369

00:24:08,960 --> 00:24:10,960

Almost like a car light, but there's no cars over there.

370

00:24:10,960 --> 00:24:11,960

Hmm.

371

00:24:16,960 --> 00:24:17,960

What's that light over there?

372

00:24:18,960 --> 00:24:19,960

That's a helicopter.

373

00:24:20,960 --> 00:24:22,960

Hey guys, we got a helicopter coming in.

374

00:24:22,960 --> 00:24:24,960

What's a helicopter doing here now?

375

00:24:25,960 --> 00:24:29,960

There's no reason for a helicopter to be out at night time unless it's search and rescue.

376

00:24:29,960 --> 00:24:32,960

And if it were that, he'd have a light down on the mountains.

377

00:24:32,960 --> 00:24:35,960

It's moving pretty quick. That sounds military.

378

00:24:40,960 --> 00:24:41,960

Okay.

379

00:24:47,960 --> 00:24:49,960

Hey guys, we got a helicopter coming in.

380

00:24:49,960 --> 00:24:50,960

Who's got left?

381

00:24:51,960 --> 00:24:52,960

It's right behind Dan.

382

00:24:53,960 --> 00:24:55,960

What's that helicopter doing here now?

383

00:24:56,960 --> 00:24:58,960

There's no reason for a helicopter to be out at night time.

384

00:24:58,960 --> 00:25:00,960

Here, you want to look at this, Dan?

385

00:25:00,960 --> 00:25:02,960

Maybe you might be a little idea better than me.

386

00:25:04,960 --> 00:25:05,960

Hmm.

387

00:25:05,960 --> 00:25:06,960

It's not a blackhawk.

388

00:25:06,960 --> 00:25:11,960

It looks like a military helicopter, but I don't see any markings on it.

389

00:25:11,960 --> 00:25:12,960

That's kind of suspicious.

390

00:25:13,960 --> 00:25:14,960

Where he goes.

391

00:25:16,960 --> 00:25:19,960

While conducting a night watch in the Sedona Mountains,

392

00:25:19,960 --> 00:25:23,960

the team witnesses an unidentified light in the sky,

393

00:25:23,960 --> 00:25:27,960

followed by the appearance of a mysterious helicopter.

394

00:25:28,960 --> 00:25:30,960

There was a lot of things we saw tonight.

395

00:25:30,960 --> 00:25:35,960

There were a couple of things that I couldn't identify.

396

00:25:35,960 --> 00:25:38,960

We all three saw something down low.

397

00:25:38,960 --> 00:25:41,960

I mean, it was once again, there was a flash of light.

398

00:25:41,960 --> 00:25:42,960

Right.

399

00:25:42,960 --> 00:25:43,960

But you know what?

400

00:25:43,960 --> 00:25:47,960

What I saw tonight tells me that this is the right area.

401

00:25:47,960 --> 00:25:48,960

It really is.

402

00:25:48,960 --> 00:25:52,960

We need to do some more research to find out what houses are over there,

403

00:25:52,960 --> 00:25:55,960

what power sources are over there.

404

00:25:55,960 --> 00:25:58,960

If you can, in fact, drive a vehicle up in that area.

405

00:25:58,960 --> 00:26:02,960

I don't want to get close to the area where we saw the lights

406

00:26:02,960 --> 00:26:05,960

and get a perspective from over there.

407

00:26:05,960 --> 00:26:06,960

Yeah.

408

00:26:06,960 --> 00:26:08,960

Get on the ground and do some groundwork.

409

00:26:08,960 --> 00:26:11,960

We need to figure out what's back there.

410

00:26:11,960 --> 00:26:13,960

Yeah, absolutely.

411

00:26:19,960 --> 00:26:24,960

Following an eventful night of unexplained activity in the Sedona Mountains,

412

00:26:24,960 --> 00:26:30,960

the team meets with a local whose extensive knowledge on the history of the Bradshaw Ranch

413

00:26:30,960 --> 00:26:35,960

might prove a connection to the area's UFO activity.

414

00:26:35,960 --> 00:26:38,960

So, can you tell us about the Bradshaw Ranch?

415

00:26:38,960 --> 00:26:42,960

I have cowboyyed not far from there for a couple years to the west of there.

416

00:26:42,960 --> 00:26:44,960

I'm a professional guide in the area.

417

00:26:44,960 --> 00:26:49,960

The Bradshaw Ranch was once privately owned by Bob Bradshaw,

418

00:26:49,960 --> 00:26:53,960

and he operated out there cattle for years.

419

00:26:53,960 --> 00:26:56,960

The Forest Service started trying to push him off using environmental law

420

00:26:56,960 --> 00:26:58,960

and trying to get a hold of that ranch.

421

00:26:58,960 --> 00:26:59,960

No one really understood why.

422

00:26:59,960 --> 00:27:02,960

Eventually, the Forest Service pushed him and pushed him, and they end up selling out.

423

00:27:02,960 --> 00:27:04,960

And now it's under lock and key.

424

00:27:04,960 --> 00:27:08,960

No one goes out there, and no one goes in there.

425

00:27:08,960 --> 00:27:15,960

Now, mid to late 90s, there was a rash of people coming in contact with what would be described as soldiers.

426

00:27:15,960 --> 00:27:17,960

Private security.

427

00:27:17,960 --> 00:27:19,960

Possibly, yeah.

428

00:27:19,960 --> 00:27:22,960

Why would the US Forest Service need that type of security?

429

00:27:22,960 --> 00:27:24,960

I don't know. It's a good question.

430

00:27:24,960 --> 00:27:28,960

Have you heard reports of government vehicles going in and out of that area?

431

00:27:28,960 --> 00:27:32,960

There's military vehicles, tanks, bradlies that were unloaded off a train

432

00:27:32,960 --> 00:27:35,960

that disappeared up into the Walpai Mountain Range.

433

00:27:35,960 --> 00:27:39,960

The gentleman I interviewed was a prospector in Kingman, and when he went to look at the area,

434

00:27:39,960 --> 00:27:42,960

he saw this train parked with like 90 cars on it.

435

00:27:42,960 --> 00:27:45,960

He said just full of tanks and military hummers and bradlies and whatnot.

436

00:27:45,960 --> 00:27:49,960

And when he came back two hours later, the cars were there, but all the equipment was gone.

437

00:27:49,960 --> 00:27:51,960

And I followed the tracks.

438

00:27:51,960 --> 00:27:53,960

He went up a wash right up into the Walpai Mountain Range.

439

00:27:53,960 --> 00:27:56,960

There's no history of them doing military maneuvers in that area?

440

00:27:56,960 --> 00:27:59,960

Nope. And he went home and he looked on his map of where he could prospect,

441

00:27:59,960 --> 00:28:02,960

and that whole area had been blacked out. It was now government property.

442

00:28:02,960 --> 00:28:05,960

90 vehicles is like a brigade combat tail.

443

00:28:05,960 --> 00:28:06,960

It was an orchestrated operation.

444

00:28:06,960 --> 00:28:11,960

So something is drawing the UFOs either to this area or there's a base there.

445

00:28:11,960 --> 00:28:14,960

So there's rumors of tunnels under the entire area.

446

00:28:14,960 --> 00:28:19,960

Sedona's been known since the 50s as being a mecca for paranormal activity.

447

00:28:19,960 --> 00:28:24,960

Whatever's going on at the Bradshaw Ranch, somebody up in the higher echelons

448

00:28:24,960 --> 00:28:26,960

of our government understands what's going on here.

449

00:28:31,960 --> 00:28:37,960

We've interviewed a lot of witnesses, a lot of people who've seen sightings in this area.

450

00:28:37,960 --> 00:28:41,960

We've heard about underground bases, military presence, vortexes.

451

00:28:41,960 --> 00:28:44,960

We actually saw lights in the sky.

452

00:28:44,960 --> 00:28:50,960

Everything we've heard, everything we've seen is pointing towards Bear Mountain.

453

00:28:50,960 --> 00:28:52,960

We're the Bradshaw Ranches.

454

00:28:53,960 --> 00:28:55,960

That's where I want to go.

455

00:28:56,960 --> 00:28:59,960

We know that there's been a strong military presence there.

456

00:28:59,960 --> 00:29:04,960

There's also rumors that there's an interdimensional window there that all this activity passes through.

457

00:29:04,960 --> 00:29:06,960

So it seems like a pretty active place.

458

00:29:06,960 --> 00:29:11,960

I wonder what it is about Bradshaw Ranch and Bear Mountain that draws all this activity.

459

00:29:11,960 --> 00:29:13,960

Like what is it about that area?

460

00:29:13,960 --> 00:29:18,960

Well, if Bear Mountain is the stem of the activity, since it's near Bradshaw Ranch,

461

00:29:18,960 --> 00:29:21,960

I think I need to get up there and check out the mountain.

462

00:29:23,960 --> 00:29:26,960

It's super slippery right here, so be careful.

463

00:29:29,960 --> 00:29:31,960

I'm sorry guys, I just saw something over there.

464

00:29:31,960 --> 00:29:33,960

What did you see?

465

00:29:33,960 --> 00:29:38,960

It looked like a dark shadow flying through the trees.

466

00:29:38,960 --> 00:29:45,960

After meeting with multiple UFO witnesses, the team has learned of a strong military presence in Sedona,

467

00:29:45,960 --> 00:29:51,960

centered around two locations, Bear Mountain and Bradshaw Ranch.

468

00:29:51,960 --> 00:29:54,960

There's military-type people up in that mountain range.

469

00:29:54,960 --> 00:29:59,960

There's stuff going on in the mountains, and there's a lot of people out there.

470

00:29:59,960 --> 00:30:01,960

There's a lot of people out there.

471

00:30:01,960 --> 00:30:03,960

There's a lot of people out there.

472

00:30:03,960 --> 00:30:05,960

Bradshaw Ranch.

473

00:30:05,960 --> 00:30:07,960

There's military-type people up in that mountain range.

474

00:30:07,960 --> 00:30:09,960

There's stuff going on up there.

475

00:30:09,960 --> 00:30:11,960

That's where we need to be.

476

00:30:11,960 --> 00:30:13,960

You want to go up that mountain?

477

00:30:13,960 --> 00:30:15,960

Oh yeah.

478

00:30:15,960 --> 00:30:19,960

Maybe take a couple of cameramen into a recon, try to find some of these tunnels that we've been hearing about.

479

00:30:19,960 --> 00:30:21,960

Anything that doesn't look man-made.

480

00:30:21,960 --> 00:30:23,960

Why you're doing that?

481

00:30:23,960 --> 00:30:25,960

There's another witness that we want to talk to.

482

00:30:25,960 --> 00:30:27,960

She's over by Bradshaw Ranch.

483

00:30:27,960 --> 00:30:30,960

I think we should interview her and then kind of scout that whole area out too,

484

00:30:30,960 --> 00:30:32,960

and see if we can find anything.

485

00:30:32,960 --> 00:30:34,960

Let's do it.

486

00:30:34,960 --> 00:30:40,960

The Bradshaw Ranch is located 4.2 miles north of Bear Mountain.

487

00:30:45,960 --> 00:30:51,960

There were some claims about military base or some sort of base inside the mountain.

488

00:30:51,960 --> 00:30:59,960

So we've only got a couple hours of light left, so get as high up there as we can and see if there's any openings.

489

00:30:59,960 --> 00:31:03,960

In an effort to explain the strange lights the team saw in the mountains,

490

00:31:03,960 --> 00:31:09,960

Dan will scale the peak in search of any structures, lights, or hidden tunnels.

491

00:31:09,960 --> 00:31:11,960

It's one thing I can already see.

492

00:31:11,960 --> 00:31:13,960

There's no houses up here.

493

00:31:13,960 --> 00:31:15,960

There's no street lights, no cars.

494

00:31:15,960 --> 00:31:17,960

We're making our own path right now.

495

00:31:17,960 --> 00:31:21,960

So we've got to get moving.

496

00:31:21,960 --> 00:31:23,960

Yeah, what's your status?

497

00:31:23,960 --> 00:31:28,960

We're about 200 yards or so from the base of the mountain.

498

00:31:28,960 --> 00:31:30,960

Alright, how far are you going up?

499

00:31:30,960 --> 00:31:32,960

I want to get to the top.

500

00:31:32,960 --> 00:31:35,960

Alright, be careful. Check back in the next 15.

501

00:31:35,960 --> 00:31:37,960

Copy.

502

00:31:37,960 --> 00:31:39,960

Can we go down this way?

503

00:31:39,960 --> 00:31:41,960

Okay, we're about what? 5 minutes out?

504

00:31:41,960 --> 00:31:43,960

Yeah, we're pretty close.

505

00:31:48,960 --> 00:31:51,960

It's super slippery right here, so be careful.

506

00:31:54,960 --> 00:31:56,960

Oh, f***!

507

00:31:56,960 --> 00:31:59,960

Almost hand and cactus.

508

00:32:06,960 --> 00:32:08,960

This might be a stopping point for us.

509

00:32:11,960 --> 00:32:13,960

Yeah, this is Dan.

510

00:32:13,960 --> 00:32:15,960

Hey, what's up, Dan?

511

00:32:15,960 --> 00:32:18,960

I'm at a stopping point here.

512

00:32:18,960 --> 00:32:24,960

I'm about, I don't know, 15 feet from the top, but I can't get to it. There's just cliffs.

513

00:32:24,960 --> 00:32:26,960

You see anything unusual up there?

514

00:32:26,960 --> 00:32:29,960

Yeah, so we got a couple little cave things up here.

515

00:32:29,960 --> 00:32:32,960

I mean, that could be something.

516

00:32:32,960 --> 00:32:34,960

A cave?

517

00:32:34,960 --> 00:32:36,960

Can you get to it?

518

00:32:36,960 --> 00:32:38,960

No, I can't get it from here. It's too far away.

519

00:32:38,960 --> 00:32:40,960

It's on the ridge right across from me.

520

00:32:40,960 --> 00:32:42,960

But I can't get to it.

521

00:32:42,960 --> 00:32:44,960

Alright, copy that.

522

00:32:44,960 --> 00:32:46,960

There's nothing man-made up here.

523

00:32:46,960 --> 00:32:49,960

There's no houses, no electricity, no lights.

524

00:32:49,960 --> 00:32:51,960

There are some caves, though.

525

00:32:51,960 --> 00:32:53,960

I think we have a mystery on our hands.

526

00:32:53,960 --> 00:32:55,960

I can't explain what we saw last night.

527

00:32:58,960 --> 00:33:01,960

Hey, Dan, if things get interesting at the Bradshaw Ranch...

528

00:33:01,960 --> 00:33:05,960

We may be a little late, so let's just meet back at the truck.

529

00:33:05,960 --> 00:33:07,960

Copy.

530

00:33:07,960 --> 00:33:10,960

We did our recon up here. We're heading down now.

531

00:33:10,960 --> 00:33:12,960

Copy that.

532

00:33:15,960 --> 00:33:18,960

Chuck and Heather meet with another Sedona local,

533

00:33:18,960 --> 00:33:22,960

who is very familiar with the mysterious Bradshaw Ranch.

534

00:33:23,960 --> 00:33:25,960

Northern Arizona University, at least the land.

535

00:33:25,960 --> 00:33:29,960

Well, it's interesting that there's security cameras up there.

536

00:33:29,960 --> 00:33:31,960

I can see them.

537

00:33:31,960 --> 00:33:34,960

That's probably to keep everybody off the property.

538

00:33:34,960 --> 00:33:39,960

I mean, there's speculation that this whole idea of the university being here

539

00:33:39,960 --> 00:33:42,960

is another cover-up for what may actually be happening

540

00:33:42,960 --> 00:33:46,960

or still investigating by the government or other.

541

00:33:47,960 --> 00:33:51,960

In 2003, the Bradshaw Ranch was purchased by the government

542

00:33:51,960 --> 00:33:53,960

from Bob Bradshaw.

543

00:33:53,960 --> 00:33:56,960

It became famous for its unexplained phenomena

544

00:33:56,960 --> 00:33:59,960

and recurring UFO sightings.

545

00:33:59,960 --> 00:34:03,960

And now it's rumored to be under government surveillance.

546

00:34:04,960 --> 00:34:08,960

Have you talked to anybody from the university that's actually been here?

547

00:34:08,960 --> 00:34:10,960

No, I have not.

548

00:34:10,960 --> 00:34:13,960

I'm just wondering if that's a cover-up,

549

00:34:13,960 --> 00:34:17,960

or are there actually is people from the university working in that area?

550

00:34:17,960 --> 00:34:20,960

Well, based on what you see out here, something is happening,

551

00:34:20,960 --> 00:34:23,960

but we don't know for certain that people are here 24-7.

552

00:34:23,960 --> 00:34:26,960

Have there been any odd occurrences that you've heard of?

553

00:34:26,960 --> 00:34:28,960

Yes. When I first moved to Sedona,

554

00:34:28,960 --> 00:34:33,960

the first story that I heard about Bradshaw was of a forestry service ranger.

555

00:34:33,960 --> 00:34:38,960

He knows this land inside. He knew it inside out.

556

00:34:38,960 --> 00:34:42,960

There's no reason for him to disappear, but that's in fact what happened.

557

00:34:42,960 --> 00:34:46,960

He came out here, probably checked on something, and never returned.

558

00:34:47,960 --> 00:34:49,960

And they never found him.

559

00:34:49,960 --> 00:34:50,960

They never found him.

560

00:34:50,960 --> 00:34:53,960

What about military presence? Have people seen any type of military presence here?

561

00:34:53,960 --> 00:34:56,960

Yes. When I was with my boyfriend at the time,

562

00:34:56,960 --> 00:34:59,960

we just did a roundabout thing, and we didn't even go through the front.

563

00:34:59,960 --> 00:35:02,960

We went through the back and got onto the property.

564

00:35:02,960 --> 00:35:05,960

And we were costed by, like, three or four.

565

00:35:05,960 --> 00:35:08,960

I can't remember exactly. Military.

566

00:35:08,960 --> 00:35:11,960

I don't know if you really know for sure if they were military,

567

00:35:11,960 --> 00:35:13,960

because they actually had white on.

568

00:35:13,960 --> 00:35:15,960

White? Yeah.

569

00:35:15,960 --> 00:35:17,960

Did they order you off, or did they tell you to go?

570

00:35:17,960 --> 00:35:21,960

They asked us what we were doing there, basically, and, you know, hiking,

571

00:35:21,960 --> 00:35:24,960

and they told us, no, you need to turn around and head back.

572

00:35:24,960 --> 00:35:26,960

They didn't say why? No.

573

00:35:26,960 --> 00:35:28,960

They wouldn't tell us. No reason at all.

574

00:35:28,960 --> 00:35:30,960

They had their big...

575

00:35:30,960 --> 00:35:31,960

ARs, like an AR-15?

576

00:35:31,960 --> 00:35:34,960

I'm not familiar with the names of them, but I know that it was just a big gun.

577

00:35:34,960 --> 00:35:36,960

I mean, why would they be out here with guns?

578

00:35:36,960 --> 00:35:39,960

I know. I can tell you.

579

00:35:39,960 --> 00:35:42,960

Proposal to me is why here.

580

00:35:42,960 --> 00:35:45,960

Why this ranch? Why the security cameras?

581

00:35:45,960 --> 00:35:47,960

Why is this closed off?

582

00:35:47,960 --> 00:35:50,960

You are amongst a lot of us that would like to have that answer.

583

00:35:50,960 --> 00:35:52,960

So who are they monitoring by the camera?

584

00:35:52,960 --> 00:35:56,960

Us or something inside the ranch?

585

00:35:56,960 --> 00:35:58,960

I think it's both.

586

00:35:58,960 --> 00:36:01,960

What was that?

587

00:36:01,960 --> 00:36:02,960

The windmill?

588

00:36:02,960 --> 00:36:03,960

No, the windmill's over here.

589

00:36:03,960 --> 00:36:05,960

I thought the windmill was over there.

590

00:36:05,960 --> 00:36:07,960

It sounds like a fence being opened or something.

591

00:36:07,960 --> 00:36:10,960

It sure sounds like something metallic moving.

592

00:36:12,960 --> 00:36:15,960

I'm sorry, guys. I just saw something over there.

593

00:36:15,960 --> 00:36:17,960

What'd you see?

594

00:36:17,960 --> 00:36:22,960

It looked like a dark shadow flying through the trees and then down.

595

00:36:37,960 --> 00:36:38,960

What was that?

596

00:36:38,960 --> 00:36:41,960

I'm sorry, guys. I just saw something over there.

597

00:36:41,960 --> 00:36:43,960

What'd you see?

598

00:36:43,960 --> 00:36:49,960

It looked like a dark shadow flying through the trees and then down.

599

00:36:49,960 --> 00:36:51,960

And you saw just right through there?

600

00:36:51,960 --> 00:36:53,960

Just right between these two trees in the back,

601

00:36:53,960 --> 00:36:56,960

towards the mountain with the snow on it.

602

00:36:58,960 --> 00:37:00,960

Oh my gosh.

603

00:37:00,960 --> 00:37:02,960

Lena, where is the entrance to the ranch?

604

00:37:02,960 --> 00:37:04,960

Like, is there a gate or something?

605

00:37:04,960 --> 00:37:07,960

Yes, it's actually just to the right of where we came in.

606

00:37:07,960 --> 00:37:09,960

I want to go see where that sound came from.

607

00:37:09,960 --> 00:37:11,960

I'm really curious.

608

00:37:20,960 --> 00:37:22,960

Can we get through this way?

609

00:37:22,960 --> 00:37:24,960

Oh, there's a fence.

610

00:37:30,960 --> 00:37:37,960

I just want to rattle this real quick and see if that could have been the sound.

611

00:37:37,960 --> 00:37:41,960

I don't know. I can't recreate that sound and I want to know what it was.

612

00:37:41,960 --> 00:37:44,960

I want to know what that sound was.

613

00:37:44,960 --> 00:37:47,960

It could have been something inside, too.

614

00:37:50,960 --> 00:37:54,960

That's weird. It looks like there's a camera facing the ground.

615

00:37:54,960 --> 00:37:58,960

I don't understand why they would have a camera facing the ground.

616

00:38:00,960 --> 00:38:02,960

It's kind of weird.

617

00:38:02,960 --> 00:38:04,960

You see what's this way.

618

00:38:04,960 --> 00:38:07,960

Oh yeah, there's another fence.

619

00:38:08,960 --> 00:38:12,960

I don't see any cameras here. I see a sign that says closed to public use.

620

00:38:13,960 --> 00:38:17,960

This gate's locked, but I think this could be where the sound was coming from.

621

00:38:21,960 --> 00:38:24,960

I really think that sound was someone going through this gate.

622

00:38:24,960 --> 00:38:26,960

We didn't see anybody pass by here.

623

00:38:26,960 --> 00:38:29,960

It's like somebody opened the gate and just disappeared.

624

00:38:30,960 --> 00:38:33,960

Yeah, it's really, it's really odd because no one else is down here.

625

00:38:33,960 --> 00:38:35,960

Our whole crew was up there.

626

00:38:39,960 --> 00:38:40,960

We're back.

627

00:38:40,960 --> 00:38:42,960

Were you able to find that one made the noise?

628

00:38:42,960 --> 00:38:45,960

I found the one fence here, so I rattled it a little bit.

629

00:38:45,960 --> 00:38:48,960

I think the sound we heard was someone opening the gate.

630

00:38:48,960 --> 00:38:51,960

And that's the entrance into the ranch.

631

00:38:51,960 --> 00:38:55,960

I noticed they had a camera pointing to the ground.

632

00:38:56,960 --> 00:39:00,960

It really feels like whatever's going on out here, the government wants to keep it as a secret.

633

00:39:00,960 --> 00:39:03,960

One thing I can't understand is why are the cameras facing the ground?

634

00:39:03,960 --> 00:39:07,960

Why aren't they facing like the entrance, you know, to look for violators?

635

00:39:07,960 --> 00:39:09,960

Now they're pointed in another direction.

636

00:39:09,960 --> 00:39:11,960

Does it make sense?

637

00:39:13,960 --> 00:39:16,960

Do you guys see that light above the mountain there?

638

00:39:17,960 --> 00:39:21,960

It could be a star that just popped up.

639

00:39:21,960 --> 00:39:22,960

Pretty bright.

640

00:39:22,960 --> 00:39:24,960

Yeah, it is.

641

00:39:25,960 --> 00:39:27,960

Wait, did you say wait, the light's gone?

642

00:39:27,960 --> 00:39:28,960

Yeah, that light's gone.

643

00:39:28,960 --> 00:39:29,960

Holy s***.

644

00:39:30,960 --> 00:39:31,960

Where'd it go?

645

00:39:31,960 --> 00:39:32,960

It's gone.

646

00:39:32,960 --> 00:39:33,960

I was watching it.

647

00:39:33,960 --> 00:39:36,960

I looked down for one second and I looked back up and it was gone.

648

00:39:36,960 --> 00:39:37,960

Oh my gosh.

649

00:39:37,960 --> 00:39:39,960

They know we're here.

650

00:39:46,960 --> 00:39:49,960

That was some good activity to end the night.

651

00:39:49,960 --> 00:39:50,960

I want to know what that light was.

652

00:39:50,960 --> 00:39:52,960

It's a good question.

653

00:39:53,960 --> 00:39:59,960

After a night of unexplained noises and strange lights in the sky over Bradshaw Ranch,

654

00:39:59,960 --> 00:40:02,960

Chuck and Heather rendezvous with Dan.

655

00:40:02,960 --> 00:40:04,960

What did you see up in the mountain?

656

00:40:04,960 --> 00:40:05,960

Found some caves.

657

00:40:05,960 --> 00:40:09,960

I saw one big opening, probably about two or three miles away from where I was.

658

00:40:09,960 --> 00:40:10,960

I couldn't get to it.

659

00:40:10,960 --> 00:40:11,960

It looked pretty big.

660

00:40:11,960 --> 00:40:14,960

It looked like you could fly an airplane into it.

661

00:40:15,960 --> 00:40:18,960

Did you say anything that could have explained, you know, we did that sky watch

662

00:40:18,960 --> 00:40:21,960

and we saw that light right over where you went up today?

663

00:40:21,960 --> 00:40:22,960

There was no lights.

664

00:40:22,960 --> 00:40:23,960

There was no houses.

665

00:40:23,960 --> 00:40:26,960

There was no electricity anywhere running into that whole area.

666

00:40:26,960 --> 00:40:29,960

So those lights that we saw, I don't know where they came from.

667

00:40:30,960 --> 00:40:33,960

Well, at the ranch, we saw something we couldn't explain.

668

00:40:33,960 --> 00:40:34,960

We saw a light.

669

00:40:34,960 --> 00:40:35,960

It lingered there.

670

00:40:35,960 --> 00:40:38,960

It was so bright, brighter than anything and it just disappeared.

671

00:40:38,960 --> 00:40:39,960

It just disappeared.

672

00:40:39,960 --> 00:40:40,960

It just went out.

673

00:40:41,960 --> 00:40:42,960

Alright, look at this.

674

00:40:43,960 --> 00:40:44,960

See a move?

675

00:40:46,960 --> 00:40:47,960

It's gone.

676

00:40:47,960 --> 00:40:48,960

Oh my god.

677

00:40:48,960 --> 00:40:49,960

When was that?

678

00:40:49,960 --> 00:40:50,960

It just disappeared.

679

00:40:50,960 --> 00:40:52,960

That is what we call a UFO there, guys.

680

00:40:52,960 --> 00:40:58,960

This type of activity is exactly what people have been seeing at the Bradshaw Ranch.

681

00:41:00,960 --> 00:41:06,960

The Native Americans had been talking about this type of phenomenon for centuries.

682

00:41:06,960 --> 00:41:07,960

So it's nothing new.

683

00:41:07,960 --> 00:41:12,960

We just happened to be at the right place at the right time and captured it on film.

684

00:41:13,960 --> 00:41:17,960

Do you guys think that this light is somehow related to the vortexes in the area?

685

00:41:17,960 --> 00:41:22,960

There are a lot of UFO sightings in this area and I think vortexes are a big part of it.

686

00:41:22,960 --> 00:41:24,960

They're using the vortexes for something.

687

00:41:24,960 --> 00:41:29,960

It's maybe this is why there's all the military presence in the area, stuff like this.

688

00:41:29,960 --> 00:41:30,960

It could be.

689

00:41:30,960 --> 00:41:37,960

I mean, we talked to a lot of witnesses that have seen strange vehicles, strange planes being around this area,

690

00:41:37,960 --> 00:41:39,960

like as if they're watching over it.

691

00:41:39,960 --> 00:41:43,960

I think this is one of the things that does trigger military presence in the area.

692

00:41:43,960 --> 00:41:47,960

I mean, I believe that, you know, if military is there, they're monitoring it.

693

00:41:47,960 --> 00:41:50,960

This is stuff that's been going on for a long time.

694

00:41:50,960 --> 00:41:54,960

It's consistent and we captured part of it on camera.

695

00:41:54,960 --> 00:41:55,960

Good job, guys.

696

00:41:55,960 --> 00:41:56,960

Yeah, this is a lot of stuff.

697

00:41:56,960 --> 00:42:03,960

This was a really good investigation and I believe this is one really good I have to come back to.

698

00:42:03,960 --> 00:42:04,960

Yeah.

699

00:42:05,960 --> 00:42:14,960

Does the amount of UFO activity in Sedona indicate that the city might be a gateway for interdimensional alien craft?

700

00:42:14,960 --> 00:42:22,960

And if so, will there come a time when Earth becomes more than just an intergalactic truck stop on their travels

701

00:42:22,960 --> 00:42:26,960

and instead a final destination?

702

00:42:27,960 --> 00:42:32,960

If you would like to report potential UFO activity, please contact us.

703

00:42:34,960 --> 00:42:35,960

Thank you.
