

1

00:00:00,000 --> 00:00:10,000

Mass, suicides, human sacrifices, unholy rituals.

2

00:00:10,000 --> 00:00:14,000

They had ripped vertebrae from his backbone

3

00:00:14,000 --> 00:00:20,000

to make a necklace, and his body parts were put in a cauldron.

4

00:00:20,000 --> 00:00:23,000

Throughout history, people have claimed

5

00:00:23,000 --> 00:00:25,000

to have otherworldly knowledge

6

00:00:25,000 --> 00:00:29,000

and have led followers to commit horrific acts of violence.

7

00:00:29,000 --> 00:00:35,000

Are they con men? Are they insane?

8

00:00:35,000 --> 00:00:42,000

Or might the voices in their heads really be of an extraterrestrial origin?

9

00:00:42,000 --> 00:00:47,000

Appelwight made the claim that he was chosen

10

00:00:47,000 --> 00:00:52,000

to reveal the truth as known to these alien beings.

11

00:00:52,000 --> 00:00:58,000

They believed that those gods wanted them to commit these acts.

12

00:00:58,000 --> 00:01:02,000

We have to ask ourselves, are they doing this simply for their own amusement?

13

00:01:02,000 --> 00:01:08,000

Or are they possibly leading us in a direction to attain something that they want?

14

00:01:08,000 --> 00:01:12,000

Millions of people around the world believe

15

00:01:12,000 --> 00:01:16,000

we have been visited in the past by extraterrestrial beings.

16

00:01:16,000 --> 00:01:19,000

What if it were true?

17

00:01:19,000 --> 00:01:24,000

Did ancient aliens really help to shape our history?

18

00:01:24,000 --> 00:01:29,000

And might they be behind mankind's deadliest cults?

19

00:01:54,000 --> 00:02:09,000

San Diego, California, March 26, 1997

20

00:02:09,000 --> 00:02:15,000

In a multi-million dollar mansion,

21

00:02:15,000 --> 00:02:19,000

in the gated community of Rancho Santa Fe,

22

00:02:19,000 --> 00:02:24,000

police make a bizarre and horrifying discovery.

23

00:02:24,000 --> 00:02:30,000

There were 39 bodies found, all of them dressed identically,

24

00:02:30,000 --> 00:02:34,000

all with the same Nike tennis shoes,

25

00:02:34,000 --> 00:02:41,000

all covered in purple shrouds, all with the same haircuts.

26

00:02:41,000 --> 00:02:46,000

All indications are that this was a mass suicide.

27

00:02:46,000 --> 00:02:52,000

39 neatly arranged corpses.

28

00:02:52,000 --> 00:02:59,000

The final act of devotion to a charismatic leader named Marshall Applewhite,

29

00:02:59,000 --> 00:03:04,000

and the suicide cult he created, known as Heaven's Gate.

30

00:03:04,000 --> 00:03:10,000

We do know one thing, we don't care to cling to the life of this body.

31

00:03:11,000 --> 00:03:16,000

Applewhite believed that on that particular night,

32

00:03:16,000 --> 00:03:22,000

a UFO would appear and if members of Heaven's Gate would commit mass suicide,

33

00:03:22,000 --> 00:03:26,000

immediately their souls would be beamed up to the UFO.

34

00:03:26,000 --> 00:03:29,000

We're ready to leave this place.

35

00:03:29,000 --> 00:03:37,000

Marshall Applewhite, Charles Manson, Adolfo Constanzo,

36

00:03:37,000 --> 00:03:40,000

Schoko Asahara.

37

00:03:40,000 --> 00:03:45,000

Today, cult leaders are often written off as conmen,

38

00:03:45,000 --> 00:03:49,000

hoaxters, or criminally insane.

39

00:03:49,000 --> 00:03:51,000

But in the ancient world,

40

00:03:51,000 --> 00:04:00,000

entire empires were also ruled by men who claimed to have direct links to a higher power.

41

00:04:00,000 --> 00:04:03,000

The Roman Emperor Caligula,

42

00:04:03,000 --> 00:04:12,000

who is perhaps the most infamous, ruthless, and sadistic ruler of ancient Rome.

43

00:04:12,000 --> 00:04:18,000

He would even remove the heads of statues of gods,

44

00:04:18,000 --> 00:04:22,000

and then place his own head there.

45

00:04:25,000 --> 00:04:32,000

It was a concept that the Romans had inherited from the Greeks and the Egyptians.

46

00:04:33,000 --> 00:04:41,000

The whole kingship of Egypt rested on the belief that there had been a divine king called Osiris

47

00:04:41,000 --> 00:04:43,000

that had come from the sky,

48

00:04:43,000 --> 00:04:48,000

ruling Egypt with his sister wife, Isis.

49

00:04:48,000 --> 00:04:54,000

And from her was born a male child called Horus.

50

00:04:54,000 --> 00:04:59,000

Every pharaoh believed themselves to be the reincarnation of Horus.

51

00:04:59,000 --> 00:05:02,000

They truly believed this.

52

00:05:02,000 --> 00:05:08,000

The pharaoh clearly was invoking and convoking the message of the gods to his people.

53

00:05:08,000 --> 00:05:16,000

It was that authority that built the pyramids that built the temple complex at Luxor

54

00:05:16,000 --> 00:05:21,000

because the people believed they were serving a god.

55

00:05:21,000 --> 00:05:28,000

But were the ancient kings, pharaohs, and religious leaders

56

00:05:28,000 --> 00:05:35,000

merely deceiving their subjects by claiming to have a connection to the gods?

57

00:05:35,000 --> 00:05:39,000

Or might they have had actual contact with divine,

58

00:05:39,000 --> 00:05:43,000

or as some would describe other worldly beings?

59

00:05:43,000 --> 00:05:50,000

When we look at those ancient systems of belief where the ruler, the emperor, the king,

60

00:05:50,000 --> 00:05:56,000

was not just the divine representative of the gods, but was a god himself.

61

00:05:56,000 --> 00:06:01,000

We can see obvious parallels with modern day cults.

62

00:06:01,000 --> 00:06:06,000

Gods and aliens may indeed be the same. It's as simple as using different names.

63

00:06:06,000 --> 00:06:10,000

Is this a spaceman from another planet, or is this a god?

64

00:06:10,000 --> 00:06:14,000

And it's simply our terminology.

65

00:06:19,000 --> 00:06:25,000

While in the hospital recovering from a heart attack in the early 1970s,

66

00:06:25,000 --> 00:06:31,000

Marshal Appelwhite professed to have a vision that he and his nurse, Bonnie Nettles,

67

00:06:31,000 --> 00:06:39,000

were the so-called two witnesses, as described in the New Testament book of Revelation.

68

00:06:39,000 --> 00:06:44,000

After further visions, Appelwhite's story evolved.

69

00:06:44,000 --> 00:06:52,000

He told his followers that he and Nettles were actually aliens inhabiting human bodies.

70

00:06:52,000 --> 00:07:00,000

Appelwhite made the claim that he was the exclusive means by which a power from outer space

71

00:07:00,000 --> 00:07:08,000

would communicate with the world, that he had been chosen to reveal the truth

72

00:07:08,000 --> 00:07:13,000

as known to these superior alien beings.

73

00:07:13,000 --> 00:07:22,000

Part of our test of faith is our hating this world,

74

00:07:22,000 --> 00:07:29,000

even our flesh body enough to be willing to leave it without any proof other than what we have come to know.

75

00:07:29,000 --> 00:07:36,000

Whether the visions Marshal Appelwhite had were real or imagined, one thing is certain.

76

00:07:36,000 --> 00:07:39,000

He believed in them completely.

77

00:07:39,000 --> 00:07:46,000

He clearly believed his own teachings and in fact castrated himself surgically,

78

00:07:46,000 --> 00:07:51,000

because that was part of the teaching. They believed that highly evolved beings would have no sexual characteristics.

79

00:07:51,000 --> 00:07:54,000

Someone who is a con man is not going to do this.

80

00:07:54,000 --> 00:07:59,000

If Appelwhite really was contacted by extraterrestrials,

81

00:07:59,000 --> 00:08:06,000

were they the same beings that ancient astronaut theorists say visited Earth thousands of years ago?

82

00:08:07,000 --> 00:08:13,000

But if so, why would they ultimately betray and deceive him?

83

00:08:16,000 --> 00:08:20,000

Some believe the answer can be found in the creation story,

84

00:08:20,000 --> 00:08:26,000

as told by the Sumerians of Mesopotamia, the world's oldest known civilization.

85

00:08:27,000 --> 00:08:34,000

The ancient Mesopotamian stories talked about how the ancient ETs

86

00:08:34,000 --> 00:08:38,000

really wanted to keep control over the human race.

87

00:08:38,000 --> 00:08:44,000

In Sumerian mythology, the god Enki created humans as a slave race,

88

00:08:44,000 --> 00:08:52,000

but his superiors forbade him from giving them knowledge of their true origins for fear of revolt.

89

00:08:53,000 --> 00:09:03,000

That was actually the express intent of these extraterrestrials to actually create that kind of ignorance.

90

00:09:03,000 --> 00:09:06,000

It's actually talked about in some of the old creation stories,

91

00:09:06,000 --> 00:09:11,000

and that was really what the biblical Adam and Eve story talked about as well,

92

00:09:11,000 --> 00:09:17,000

when Adam and Eve wanted to partake of the fruit, which is a symbol for knowledge,

93

00:09:17,000 --> 00:09:21,000

but the gods said, no, you cannot have access to that knowledge.

94

00:09:25,000 --> 00:09:28,000

According to the ancient Sumerian texts,

95

00:09:28,000 --> 00:09:35,000

Enki defies his superiors and hands down this forbidden knowledge to a secret society

96

00:09:35,000 --> 00:09:39,000

known as the Brotherhood of the Snake.

97

00:09:42,000 --> 00:09:48,000

The Brotherhood of the Snake was originally an organization by a benevolent alien

98

00:09:48,000 --> 00:09:53,000

who wanted to bring us knowledge, but the other aliens objected, defeated him,

99

00:09:53,000 --> 00:09:59,000

and in fact turned the Brotherhood around until it became a sinister force in history.

100

00:09:59,000 --> 00:10:03,000

So now the Brotherhood of the Snake is used to undermine the human race.

101

00:10:04,000 --> 00:10:09,000

According to ancient legend, the gods infiltrated the Brotherhood of the Snake,

102

00:10:09,000 --> 00:10:17,000

and the knowledge of their true origin was distorted so that humans would follow false gods and masters.

103

00:10:17,000 --> 00:10:21,000

According to the legend, the original Brotherhood of the Snake split up

104

00:10:21,000 --> 00:10:28,000

into many different diverse cults, and those cults in various incarnations

105

00:10:28,000 --> 00:10:31,000

are still fighting one another today.

106

00:10:32,000 --> 00:10:37,000

So maybe the truth is we're worshipping the same people more and more just in a different way,

107

00:10:37,000 --> 00:10:41,000

and we're understanding better that they're not necessarily gods.

108

00:10:42,000 --> 00:10:48,000

They're just advanced creatures, kind of like us, that have been coming here and visiting us for a long time.

109

00:10:49,000 --> 00:10:58,000

Might extraterrestrials really have posed as false gods in order to keep humans under their control?

110

00:10:59,000 --> 00:11:06,000

And if so, could they have appeared to Marshall Appelwight and manipulated him and his followers

111

00:11:06,000 --> 00:11:11,000

into committing a horrific ritual suicide?

112

00:11:12,000 --> 00:11:19,000

Ancient astronaut theorists believe the answer is a chilling yes.

113

00:11:20,000 --> 00:11:25,000

And for further evidence, they point to a series of shallow graves,

114

00:11:25,000 --> 00:11:31,000

and a Mexican drug lord believed to have supernatural powers.

115

00:11:31,000 --> 00:11:42,000

Mata Moros, Mexico, 1989.

116

00:11:43,000 --> 00:11:50,000

Police investigating the mysterious disappearance of an American college student make a shocking

discovery.

117

00:11:54,000 --> 00:11:58,000

On property belonging to drug lord Adolfo Constanzo,

118

00:11:58,000 --> 00:12:01,000

they find 12 bodies buried in a row.

119

00:12:04,000 --> 00:12:10,000

Some have been shot. Others, hacked to death with a machete.

120

00:12:12,000 --> 00:12:17,000

And one of the graves contains the mutilated body of the missing student,

121

00:12:17,000 --> 00:12:20,000

21-year-old Mark Kilroy.

122

00:12:21,000 --> 00:12:26,000

They had ripped vertebrae from his backbone to make a necklace,

123

00:12:26,000 --> 00:12:30,000

and his body parts were put in a cauldron.

124

00:12:31,000 --> 00:12:37,000

Constanzo's followers believed verbally in his claims of supernatural power.

125

00:12:38,000 --> 00:12:44,000

And it was that power that was the glue that held the cult together

126

00:12:44,000 --> 00:12:51,000

and enabled him to murder as many as 23 or more people.

127

00:12:52,000 --> 00:12:57,000

But what could have inspired such brutal and senseless murders?

128

00:12:57,000 --> 00:13:08,000

Was it madness, evil, or was Constanzo guided as he professed to his followers by other worldly beings?

129

00:13:09,000 --> 00:13:14,000

Adolfo Constanzo practiced what is known as palo sorcery,

130

00:13:14,000 --> 00:13:17,000

which is a type of sorcery derived from African religions.

131

00:13:18,000 --> 00:13:25,000

He was a worker of witchcraft, who was trusted by drug traffickers to protect them.

132

00:13:26,000 --> 00:13:31,000

He became their miracle worker, and to work his miracles,

133

00:13:31,000 --> 00:13:38,000

he created a cauldron in which he would have dismembered parts of human bodies, a brain,

134

00:13:38,000 --> 00:13:46,000

all of this to create incantations or spells to protect his sponsors.

135

00:13:46,000 --> 00:13:50,000

He claimed that he could protect them from the police.

136

00:13:50,000 --> 00:13:54,000

He could protect them from bullets, and they believed in him.

137

00:13:55,000 --> 00:14:03,000

This culminated in him kidnapping and murdering and mutilating different victims.

138

00:14:05,000 --> 00:14:13,000

According to scholars, palo mayumbe incorporates traditions and gods from numerous West African religions.

139

00:14:13,000 --> 00:14:18,000

But Constanzo claimed a direct connection to Kadyam Pembe,

140

00:14:18,000 --> 00:14:22,000

more commonly known by the Eruvan name, Eshu.

141

00:14:23,000 --> 00:14:28,000

Eshu, he's got this very elongated head, he's got the very large eyes.

142

00:14:28,000 --> 00:14:32,000

He looks a lot in the sculptures of him like an extraterrestrial.

143

00:14:33,000 --> 00:14:37,000

It doesn't look very different from the modern day grays and ETs that we see so commonly.

144

00:14:38,000 --> 00:14:44,000

Was Adolfo Constanzo really in touch with an extraterrestrial being?

145

00:14:45,000 --> 00:14:50,000

If so, what does that say about the good or evil motives of alien visitors?

146

00:14:51,000 --> 00:14:55,000

Eshu was the trickster god. He can speak all the languages.

147

00:14:55,000 --> 00:15:01,000

He can change form, he can confuse, he likes to destroy things, he also likes to create opportunities.

148

00:15:01,000 --> 00:15:06,000

So he can sneak up on you in any number of ways.

149

00:15:06,000 --> 00:15:09,000

He can be completely devious.

150

00:15:10,000 --> 00:15:16,000

He's the master of lies, a god who may tell you the truth three times in a row,

151

00:15:16,000 --> 00:15:20,000

but on the fourth time he's going to lie and that's the lie that's going to trip you up.

152

00:15:20,000 --> 00:15:24,000

And that he's been setting this course of feeding you truth, giving you help,

153

00:15:24,000 --> 00:15:30,000

only to set you up for a fool, maybe for comic effect or maybe for a much more serious effect.

154

00:15:31,000 --> 00:15:36,000

Eshu is also represented in Haitian Voodoo as Papa Legba,

155

00:15:36,000 --> 00:15:41,000

a god that has been linked to another notorious mass murderer.

156

00:15:42,000 --> 00:15:48,000

Papa Legba is Eshu. This is the Voodoo name for the same energy.

157

00:15:48,000 --> 00:15:53,000

Papa Legba can speak all languages, even the languages of animals.

158

00:15:53,000 --> 00:15:58,000

So he channels his energy through dogs and actually is somewhat fond of that particular species.

159

00:15:58,000 --> 00:16:01,000

So he'll more often take that animal form than others.

160

00:16:01,000 --> 00:16:08,000

The terrible serial murderer, the son of Sam David Berkowitz, said he got his orders from dogs.

161

00:16:09,000 --> 00:16:14,000

One could speculate Papa Legba is speaking through the dog to the sinister end.

162

00:16:15,000 --> 00:16:20,000

Could the homicidal acts of men like Adolfo Constanzo and David Berkowitz

163

00:16:20,000 --> 00:16:24,000

have really been inspired by some unearthly entity?

164

00:16:25,000 --> 00:16:31,000

According to ancient astronaut theorists, such an audacious idea is possible.

165

00:16:31,000 --> 00:16:38,000

And for evidence, they point to a number of ancient legends and beliefs throughout the world.

166

00:16:38,000 --> 00:16:44,000

If you look across mankind's wonderful variety of religious beliefs,

167

00:16:44,000 --> 00:16:51,000

there are some archetypal god figures which occur in culture after culture after culture.

168

00:16:51,000 --> 00:16:56,000

They are completely resilient to changes in fortune of empires and history.

169

00:16:56,000 --> 00:17:05,000

One of the most powerful of these gods, which occurs in several cultures across vastly different periods of history, is the trickster figure.

170

00:17:05,000 --> 00:17:10,000

Trickster gods seem strange to Christians because they appear to be demonic.

171

00:17:13,000 --> 00:17:18,000

But typically in traditional religions, gods are immoral.

172

00:17:18,000 --> 00:17:23,000

And they have good and bad qualities and they can do mischief as well as good.

173

00:17:23,000 --> 00:17:27,000

And among their number is Loki among the Norse gods.

174

00:17:27,000 --> 00:17:34,000

Loki was a shapeshifter. He could be a fish, often a salmon or a falcon, so he could go fly.

175

00:17:34,000 --> 00:17:39,000

He could make himself in any shape he liked, usually for mischief.

176

00:17:40,000 --> 00:17:44,000

Among the Native Americans, there was the coyote, the great trickster.

177

00:17:44,000 --> 00:17:47,000

In the Anasazi, there was coca-cabelli.

178

00:17:47,000 --> 00:17:52,000

Among the Aztecs and the Mesoamericans, there was Tess Catloponka.

179

00:17:52,000 --> 00:17:57,000

Even the Christian idea of Satan is a trickster god.

180

00:17:57,000 --> 00:18:01,000

We have to ask ourselves, are they doing this simply for their own amusement,

181

00:18:01,000 --> 00:18:07,000

or are they possibly leading us in a direction to attain something that they want?

182

00:18:07,000 --> 00:18:12,000

It makes sense that a lot of the gods that we consider trickster gods really weren't gods at all.

183

00:18:12,000 --> 00:18:15,000

They were extraterrestrials that set themselves up as gods.

184

00:18:15,000 --> 00:18:21,000

It's perfectly logical that if you come to a place like the Earth, which is not nearly as advanced,

185

00:18:21,000 --> 00:18:25,000

of course you'd set yourself up as a god or a king or both.

186

00:18:25,000 --> 00:18:33,000

If we look across the whole range of new religions and new cults which have claimed contact with various alien beings,

187

00:18:33,000 --> 00:18:36,000

quite often we see a real trickster element at work.

188

00:18:36,000 --> 00:18:44,000

One of my favorite examples of what I would consider to be a trickster god form in a very modern UFO framework

189

00:18:44,000 --> 00:18:50,000

would be Spectra, which was claimed to be an alien intelligence circling the Earth in the early 70s,

190

00:18:50,000 --> 00:18:54,000

which was in contact with Uri Geller and various other people.

191

00:18:54,000 --> 00:19:01,000

Beginning in 1971, renowned psychic Uri Geller, along with Andriyapuharic,

192

00:19:01,000 --> 00:19:09,000

a respected scientist and parapsychologist, claimed to be receiving mysterious telepathic messages.

193

00:19:09,000 --> 00:19:17,000

The messages, they said, came from a computer intelligence orbiting the Earth that called itself Spectra.

194

00:19:17,000 --> 00:19:22,000

It would help them see amazing psychic phenomena.

195

00:19:22,000 --> 00:19:26,000

It would make very accurate predictions which would seem to come true,

196

00:19:26,000 --> 00:19:34,000

and it was gathering around it a number of people that really believed that Spectra was a very special alien intelligence.

197

00:19:34,000 --> 00:19:38,000

Of course, it then did what many trickster gods seemed to do.

198

00:19:38,000 --> 00:19:41,000

It told them a big lie. It told them the world was going to end.

199

00:19:41,000 --> 00:19:46,000

And a lot of people said, well, it's telling us the world's going to end. It must be going to end.

200

00:19:46,000 --> 00:19:48,000

And of course it didn't.

201

00:19:48,000 --> 00:19:54,000

Could Spectra have been a hoax or might it have been a so-called trickster god,

202

00:19:54,000 --> 00:19:57,000

purposely sending false messages?

203

00:19:57,000 --> 00:20:07,000

And might some similar extraterrestrial force or entity have been behind the actions of Adolfo Constanzo and others like him?

204

00:20:07,000 --> 00:20:10,000

Quite often in a lot of UFO contact, he cults.

205

00:20:10,000 --> 00:20:14,000

A lot of information starts off being very, very sensible, appearing to check out,

206

00:20:14,000 --> 00:20:16,000

appearing to have a lot of validity.

207

00:20:16,000 --> 00:20:23,000

But it gets stranger and weirder, and predictions are made, and things are promised which are going to happen, which don't happen.

208

00:20:25,000 --> 00:20:27,000

We'll see it throughout the 21st century.

209

00:20:27,000 --> 00:20:33,000

Just as new form of gods has quite often become alien or interdimensional or extraterrestrial,

210

00:20:33,000 --> 00:20:38,000

those gods are still going to behave as trickster gods.

211

00:20:38,000 --> 00:20:42,000

Just because they're aliens doesn't mean there's not a trickster element among them.

212

00:20:43,000 --> 00:20:50,000

When on May 6th, 1989, Adolfo Constanzo was cornered by the police.

213

00:20:50,000 --> 00:20:53,000

He ordered one of his disciples to shoot him.

214

00:20:54,000 --> 00:21:00,000

He was estimated to have murdered anywhere from 20 to 40 people.

215

00:21:00,000 --> 00:21:07,000

But what if a similar deadly cult is allowed to go unchecked for hundreds of years?

216

00:21:07,000 --> 00:21:13,000

Such a nightmarish possibility did, in fact, happen.

217

00:21:13,000 --> 00:21:23,000

And its victims numbered, not in the dozens or hundreds, but in the millions.

218

00:21:25,000 --> 00:21:31,000

Bangalore, India

219

00:21:31,000 --> 00:21:36,000

In the private collection of artist Joe Nambiar is a brass medallion,

220

00:21:36,000 --> 00:21:41,000

made to honor the 18th century Italian sculptor Antonio Canova.

221

00:21:41,000 --> 00:21:46,000

The medallion bears the bust of the artist on one side,

222

00:21:46,000 --> 00:21:50,000

with his famous work, The Three Graces, on the other.

223

00:21:51,000 --> 00:21:56,000

It is unique, not only because of the medallion's artistic value,

224

00:21:56,000 --> 00:22:01,000

but because it is connected to literally hundreds of murders,

225

00:22:01,000 --> 00:22:06,000

committed all by one man, known only as Baram.

226

00:22:06,000 --> 00:22:11,000

When we talk about Baram, what we are talking about is a mass murderer.

227

00:22:11,000 --> 00:22:17,000

He was directly responsible, or a major participant in more than 900 murders.

228

00:22:18,000 --> 00:22:22,000

That's a staggering number, and what appalls us and intrigues us even more,

229

00:22:22,000 --> 00:22:26,000

was he saw this as an act of religious devotion.

230

00:22:26,000 --> 00:22:31,000

Baram dispatched with all his victims by means of strangulation.

231

00:22:31,000 --> 00:22:37,000

Using a long strip of silk, he wore wrapped around his waist, called a remal.

232

00:22:37,000 --> 00:22:42,000

The remal had the Canova medallion sewn into it to add weight to one end.

233

00:22:42,000 --> 00:22:47,000

So in throne, it would easily wind around the intended victim's neck.

234

00:22:48,000 --> 00:22:52,000

But this method of murder was not unique to Baram.

235

00:22:53,000 --> 00:22:57,000

It was also practiced by a network of organized killers,

236

00:22:57,000 --> 00:23:01,000

who by the 19th century, numbered in the thousands.

237

00:23:02,000 --> 00:23:07,000

They were known as the Thuggy, and by even the most modest estimates,

238

00:23:07,000 --> 00:23:10,000

they are history's deadliest cult.

239

00:23:10,000 --> 00:23:14,000

Nearly two million deaths have been attributed to this cult,

240

00:23:14,000 --> 00:23:17,000

found in mass graves throughout India.

241

00:23:19,000 --> 00:23:22,000

They were really a band of thieves.

242

00:23:22,000 --> 00:23:28,000

They made their money by attacking people and robbing them on the roadways of India.

243

00:23:28,000 --> 00:23:36,000

Today we call people often thugs who are robbers or violent criminals.

244

00:23:36,000 --> 00:23:40,000

And this word comes from the Thuggies of India.

245

00:23:43,000 --> 00:23:47,000

The Thuggy are believed to date back to the 1300s.

246

00:23:47,000 --> 00:23:51,000

And although many have claimed they were no more than bandits,

247

00:23:51,000 --> 00:23:56,000

the Thuggy also claimed they murdered their victims for a very specific purpose,

248

00:23:56,000 --> 00:24:01,000

to offer blood to the Hindu goddess Kali.

249

00:24:02,000 --> 00:24:05,000

Murders were being done in the name of Kali by the Thuggy.

250

00:24:05,000 --> 00:24:09,000

There was a definite cult aspect to these murders.

251

00:24:09,000 --> 00:24:11,000

They weren't just about robbery.

252

00:24:11,000 --> 00:24:13,000

This was a devotional act.

253

00:24:14,000 --> 00:24:16,000

Kali is the black goddess.

254

00:24:17,000 --> 00:24:23,000

He has a sunken eyes, fangs, and she has a very long, lowly tongue.

255

00:24:24,000 --> 00:24:26,000

He wears a garland of human skulls.

256

00:24:28,000 --> 00:24:33,000

And she also holds a severed head, and she holds a mothetic in one hand.

257

00:24:33,000 --> 00:24:39,000

She is the most powerful goddess there is, because she is totally unstoppable when she is angry.

258

00:24:42,000 --> 00:24:47,000

The Thuggy cult were wanting to offer blood to Kali.

259

00:24:47,000 --> 00:24:51,000

Because they didn't want to even spill one drop of blood,

260

00:24:51,000 --> 00:24:59,000

they would strangle their victims so that Kali would be able to have all of the victims' blood.

261

00:25:00,000 --> 00:25:08,000

Curiously, although Kali is a Hindu god, the Thuggy also included Muslims and Sikhs.

262

00:25:09,000 --> 00:25:12,000

The Thuggy came from a very diverse background.

263

00:25:12,000 --> 00:25:17,000

So we see these people following Kali, who may transcend religion,

264

00:25:17,000 --> 00:25:21,000

and they believe that Kali is a goddess that comes from the stars.

265

00:25:21,000 --> 00:25:24,000

This may represent an extra-terrestrial.

266

00:25:25,000 --> 00:25:30,000

Could the Thuggy really have been influenced by another worldly visitor,

267

00:25:30,000 --> 00:25:35,000

one who had been mistaken for a god for centuries?

268

00:25:35,000 --> 00:25:41,000

And if so, why would an alien being have a thirst for human blood?

269

00:25:42,000 --> 00:25:49,000

When you look at the history of ancient cults and their worship of these human-like extra-terrestrial gods,

270

00:25:49,000 --> 00:25:53,000

you find atrocities, human sacrifice, in the name of those gods.

271

00:25:53,000 --> 00:26:00,000

They believed that those gods wanted them to commit these acts, to commit the sacrifices.

272

00:26:05,000 --> 00:26:11,000

Mount Yuyayako, Argentina, 1999.

273

00:26:13,000 --> 00:26:17,000

At the top of this 22,000-foot high volcano,

274

00:26:18,000 --> 00:26:25,000

archaeologist Johann Reinhardt discovers the frozen remains of three human mummies,

275

00:26:25,000 --> 00:26:30,000

one boy and two girls, all under the age of 16.

276

00:26:31,000 --> 00:26:38,000

Dating back approximately 500 years, they were also surrounded by a number of gold statues,

277

00:26:38,000 --> 00:26:42,000

silver, ornate textiles, and pottery.

278

00:26:43,000 --> 00:26:50,000

The children had been drugged and left to die on top of the mountain as sacrifices to the Inca gods.

279

00:26:51,000 --> 00:26:57,000

The Incas would make human sacrifice after a major earth event, like a volcano or maybe an earthquake.

280

00:26:57,000 --> 00:27:02,000

And the sacrifice would always be a child between the age of six and 14 years old,

281

00:27:02,000 --> 00:27:05,000

an unblemished child, a perfect child.

282

00:27:06,000 --> 00:27:17,000

Slaughtering their own people, it was the ultimate sacrifice to kill someone in order to possibly

get the gods to return.

283

00:27:17,000 --> 00:27:26,000

And that proves how intense those encounters were thousands of years ago.

284

00:27:27,000 --> 00:27:34,000

For the Aztecs, human sacrifice was so important that they believed it to be necessary

285

00:27:34,000 --> 00:27:37,000

for the survival of the entire universe.

286

00:27:37,000 --> 00:27:43,000

The Aztecs sacrificed because they thought the gods needed blood to maintain the universe.

287

00:27:43,000 --> 00:27:47,000

And without human blood, the universe would die.

288

00:27:47,000 --> 00:27:52,000

At the consecration of one temple, they allegedly sacrificed 20,000 people,

289

00:27:52,000 --> 00:27:56,000

in which the persons were taken up to the top of these pyramid-like structures.

290

00:27:56,000 --> 00:28:03,000

They were cut open, the heart ripped out, held up, and then the bodies rolled down the steps.

291

00:28:04,000 --> 00:28:09,000

But we have accounts that they were actually volunteers for this.

292

00:28:10,000 --> 00:28:15,000

When we think of these gods that the ancients talked about, or the modern cults talked about,

293

00:28:15,000 --> 00:28:21,000

are we to assume that these aliens are wanting us to conduct blood sacrifice?

294

00:28:21,000 --> 00:28:26,000

Or could that just be our interpretation of what they want?

295

00:28:26,000 --> 00:28:35,000

Do alien visitors really desire the blood of humans in order to exert power and gain control over the Earth?

296

00:28:35,000 --> 00:28:43,000

There are those who believe the answer is yes, and that there may be a greater, even more insidious agenda.

297

00:28:43,000 --> 00:28:50,000

And the clues can be found by examining cults that don't just call for the death of others,

298

00:28:50,000 --> 00:28:56,000

but require the faithful to sacrifice themselves.

299

00:29:00,000 --> 00:29:04,000

North Africa, the fourth century AD.

300

00:29:06,000 --> 00:29:14,000

Throughout the region, small bands of religious fanatics wielding clubs have been attacking random travelers on the road,

301

00:29:14,000 --> 00:29:17,000

while shouting praise to God.

302

00:29:18,000 --> 00:29:24,000

Their hope is to be met with retaliation and ultimately be killed.

303

00:29:24,000 --> 00:29:30,000

These precursors to modern suicide cults are called Circumcellions,

304

00:29:30,000 --> 00:29:38,000

and their followers purposely seek death so that they may ascend and join Jesus in the heavens.

305

00:29:38,000 --> 00:29:45,000

The Circumcellions, interestingly, didn't kill themselves. They tried to provoke other people into killing them, so they were obnoxious.

306

00:29:46,000 --> 00:29:54,000

They would wait at travelers on the road and bludgeon them with a stick, hoping to solicit a violent response,

307

00:29:54,000 --> 00:29:58,000

because they believed if they died, they would achieve martyrdom.

308

00:29:58,000 --> 00:30:09,000

And they tried so hard to be killed that when it didn't work, they banded together and threw themselves off cliffs and committed mass suicide anyway.

309

00:30:10,000 --> 00:30:22,000

Christian suicide sects like the Circumcellions became so widespread that they drove the church to declare suicide a sin in 364 AD.

310

00:30:22,000 --> 00:30:27,000

But what was it that inspired so many early Christians to martyr themselves?

311

00:30:29,000 --> 00:30:35,000

In the second century AD, more than 200 years before the Circumcellions,

312

00:30:35,000 --> 00:30:41,000

another group was formed called the Gnostics, who are still around today.

313

00:30:41,000 --> 00:30:49,000

Gnostic beliefs, or the world we live in, wasn't made by God. It was made by lesser beings.

314

00:30:50,000 --> 00:30:59,000

The Archons are celestial beings. God made them, but they got out of God's control, and they made Earth.

315

00:31:00,000 --> 00:31:09,000

This whole world isn't what it seems to be, and if you have this knowledge, then you can get into a higher world.

316

00:31:10,000 --> 00:31:19,000

The Archons were entities that came to Earth to divert the human species to their own ends.

317

00:31:20,000 --> 00:31:35,000

Imagine a group of demonic extraterrestrials that fed on human misery, that are here to this very day, with every war, every famine, every plague, every human mishap. Those were the Archons.

318

00:31:36,000 --> 00:31:48,000

Could it be that some subconscious connection to an extraterrestrial past made groups like the Gnostics and the Circumcellions believe in the existence of a world better than their own?

319

00:31:50,000 --> 00:32:03,000

In Geneva, Switzerland, in 1984, two men, Joseph de Mambre and Luc Jaray, formed a secret society called the Order of the Solar Temple.

320

00:32:04,000 --> 00:32:10,000

They preached that nirvana could be found on a planet circling the star Sirius.

321

00:32:11,000 --> 00:32:21,000

Luc Jaray was a kind of a holistic healer that incorporated bits and pieces of different religions.

322

00:32:23,000 --> 00:32:36,000

Primarily Christianity, the Order of the Templars, claims about extraterrestrials into what became his religious construct.

323

00:32:37,000 --> 00:32:46,000

While Jaray was the figurehead of the group, it was de Mambre's young daughter, who they called a cosmic child, that was to lead them to the New World.

324

00:32:48,000 --> 00:32:55,000

Joseph de Mambre managed to convince his followers that his daughter, Emmanuel, was actually a divine being.

325

00:32:56,000 --> 00:33:05,000

And that his communication through her allowed him to know that their future on a planet around Sirius was absolutely set.

326

00:33:06,000 --> 00:33:12,000

All they had to do in the end was believe so strongly that they were actually willing to give up their lives.

327

00:33:13,000 --> 00:33:20,000

Jaray and de Mambre preached that the apocalypse was near.

328

00:33:21,000 --> 00:33:28,000

And to reach this new planet, they needed to commit suicide and have their souls purified through fire.

329

00:33:30,000 --> 00:33:36,000

All their bodies were arranged in a network of chalets in France and Switzerland.

330

00:33:36,000 --> 00:33:42,000

And then there were timed explosives that set these chalets on fire.

331

00:33:48,000 --> 00:33:51,000

The bodies were essentially cremated.

332

00:33:51,000 --> 00:34:05,000

After the last wave of suicides in 1997, the death toll increased to 74 people.

333

00:34:07,000 --> 00:34:17,000

But authorities were even more shocked when that same year, another fanatical group also committed mass suicide for a similar purpose.

334

00:34:18,000 --> 00:34:20,000

Heaven's Gate.

335

00:34:21,000 --> 00:34:29,000

When the suicides occurred of Heaven's Gate, it was initially believed that this was just one more installment of the Solar Temple.

336

00:34:30,000 --> 00:34:36,000

It wasn't until later that reports established that this was another cult entirely.

337

00:34:38,000 --> 00:34:44,000

In the late 1980s, at the same time Heaven's Gate and the Order of the Solar Temple were gaining followers.

338

00:34:44,000 --> 00:34:52,000

Yet another cult was formed in Uganda, called the Movement for the Restoration of the Ten Commandments of God.

339

00:34:54,000 --> 00:35:02,000

Their leader, Joseph Kibbuteri, claimed he was in direct communication with the Virgin Mary through electronics in his home.

340

00:35:03,000 --> 00:35:08,000

The way that the Virgin Mary was talking through telephones, through the television.

341

00:35:09,000 --> 00:35:17,000

But eerie similarities with the way a lot of extraterrestrial-based cults claimed to actually be getting communications from UFOs.

342

00:35:18,000 --> 00:35:23,000

Kibbuteri predicted the world would end on December 31, 1999.

343

00:35:24,000 --> 00:35:30,000

But when the date passed without incident, he decided to bring about the end of the world himself.

344

00:35:32,000 --> 00:35:35,000

He poisoned them. He threw their bodies down wells.

345

00:35:36,000 --> 00:35:43,000

Finally, more than 500 were locked within a wooden church building that was set on fire.

346

00:35:53,000 --> 00:35:58,000

In the end, more than 750 bodies were recovered.

347

00:35:59,000 --> 00:36:03,000

It was probably the most horrific cult tragedy in modern history.

348

00:36:06,000 --> 00:36:08,000

Three separate cults.

349

00:36:11,000 --> 00:36:15,000

All committing mass suicide or murder within a five-year period.

350

00:36:16,000 --> 00:36:18,000

Over 1,000 dead.

351

00:36:20,000 --> 00:36:25,000

And all three cults believed they had received messages from other worldly beings.

352

00:36:26,000 --> 00:36:32,000

Messages that convinced them that their deaths would transport them into a better life in the heavens.

353

00:36:33,000 --> 00:36:35,000

Coincidence?

354

00:36:36,000 --> 00:36:43,000

Or might these cult members really have been the recipients of some sort of bizarre extraterrestrial communication?

355

00:36:44,000 --> 00:36:49,000

Ancient astronaut theorists believe that such an incredible notion is possible.

356

00:36:50,000 --> 00:36:55,000

And that the evidence may be found inside the human brain.

357

00:37:02,000 --> 00:37:07,000

Tokyo, Japan. March 20, 1995.

358

00:37:09,000 --> 00:37:14,000

Members of the Doomsday cult, Ome Shinrikyo, or the Supreme Truth Sect,

359

00:37:15,000 --> 00:37:20,000

placed packages filled with a deadly sarin nerve agent on five different trains,

360

00:37:21,000 --> 00:37:24,000

all racing into the heart of the Tokyo Underground.

361

00:37:26,000 --> 00:37:31,000

Cult members punctured the sarin-laced packages with sharpened umbrella tips.

362

00:37:33,000 --> 00:37:41,000

And their leader's apocalyptic vision nearly comes true when cries for help start to echo throughout the subway.

363

00:37:44,000 --> 00:37:46,000

This attack killed 13 people.

364

00:37:47,000 --> 00:37:53,000

It caused great injury to 50 more and temporary blindness and temporary effects to more than 1,000 people.

365

00:37:54,000 --> 00:38:09,000

After an exhaustive investigation, it was determined that the attacks were carefully and single-handedly orchestrated by Ome Shinrikyo's cult leader, Shoko Asahara.

366

00:38:10,000 --> 00:38:21,000

He had visions about the end of the world, and he decided that he would pull the script together and he would hasten the end of the world.

367

00:38:22,000 --> 00:38:31,000

And he was the leader of a cult that was responsible for perhaps the most heinous terrorist attack in Japanese history.

368

00:38:34,000 --> 00:38:41,000

When Japanese officials raided Ome Shinrikyo's research and development facility after the subway attack,

369

00:38:42,000 --> 00:38:49,000

they found explosives, a military helicopter, weapons-grade strains of anthrax and Ebola virus.

370

00:38:50,000 --> 00:38:58,000

But the strangest item they seized may also have been the most deadly, a mind-control device.

371

00:38:59,000 --> 00:39:03,000

Asahara convinced his followers to wear a type of helmet called a PSI helmet.

372

00:39:04,000 --> 00:39:06,000

This stood for Perfect Salvation Initiation.

373

00:39:07,000 --> 00:39:15,000

This helmet supposedly would actually connect electromagnetically to his brain waves and transmit information and thought directly to his followers.

374

00:39:16,000 --> 00:39:26,000

Is it possible that electrical or magnetic impulses can influence something that simulates the feeling of spiritual experience in the human brain?

375

00:39:28,000 --> 00:39:35,000

According to findings by Canadian neuroscience researcher and university professor Dr. Michael Persinger,

376

00:39:36,000 --> 00:39:40,000

magnetic fields can, in fact, affect the brain's temporal lobe.

377

00:39:40,000 --> 00:39:47,000

And he claims to have proven it with experiments involving a device he calls the God helmet.

378

00:39:48,000 --> 00:39:54,000

Persinger's God helmet is one of the most interesting new developments in neuroscience and the study of neuroscience.

379

00:39:55,000 --> 00:40:05,000

By actually inducing fluctuating magnetic fields in the human brain, these fluctuating magnetic fields have been shown in many, many cases

380

00:40:06,000 --> 00:40:08,000

to give people what can only be called a religious experience.

381

00:40:09,000 --> 00:40:17,000

Some have very shamanistic experiences. Some have experiences which absolutely mirror alien abduction or alien contact.

382

00:40:18,000 --> 00:40:21,000

It has left some people very, very changed.

383

00:40:22,000 --> 00:40:33,000

If the God helmet can induce spiritual or other worldly experiences, could more advanced alien technology have influenced mankind in similar ways?

384

00:40:34,000 --> 00:40:48,000

In 2005, geneticist Dr. Dean Hamer published the results of his experiments, testing whether or not human beings are hardwired to believe in God.

385

00:40:49,000 --> 00:41:03,000

After collecting DNA samples and conducting a series of psychological tests on 2,000 people, Hamer examined the correlation between human genes and spirituality.

386

00:41:04,000 --> 00:41:13,000

We found one particular gene that seemed to match up. That gene is called V-MAT2, which stands for the Cicular Monoamine Transporter Number 2.

387

00:41:14,000 --> 00:41:16,000

But for handiness, we just called it the God gene.

388

00:41:17,000 --> 00:41:29,000

Some people have seized on Hamer's very straightforward ideas about an evolutionary benefit of being capable of believing in God's, as saying that this may be a sign of alien genetic manipulation.

389

00:41:32,000 --> 00:41:41,000

Might extraterrestrial beings really have exploited mankind's genetic and biological inclination to believe in the existence of a higher power?

390

00:41:42,000 --> 00:41:59,000

If our DNA is made up of both extraterrestrial and human genetics, then we have to wonder, is it possible then that an extraterrestrial race could influence us more because our genetics are made up of them as well?

391

00:42:00,000 --> 00:42:19,000

If extraterrestrials have been influencing us and our spirituality, and are creating these cults, and it would seem that extraterrestrials who have genetically manipulated us have wanted us to have special brains that would be receptive to certain influences.

392

00:42:20,000 --> 00:42:30,000

The fact that we accept gods as mainstream and think of aliens as kind of like a weird idea is just because of where we are at this point in time.

393

00:42:31,000 --> 00:42:37,000

And a thousand years from now, it may be just the opposite and everyone would be going like, oh, of course you believe in aliens, but you don't believe in that God stuff, do you?

394

00:42:38,000 --> 00:43:04,000

Might aliens have used some sort of electrical or biomagnetic technology to compel cult leaders like Marshall Appelwhite, Shoko Asahara, and their followers to perform horrific and otherwise insane acts of murder, torture, and mass suicide?

395

00:43:05,000 --> 00:43:18,000

Did these men and women, as did millions of others, going back centuries, merely come into contact with a force they didn't understand? A force they misinterpreted.

396

00:43:19,000 --> 00:43:32,000

Many modern day cults that are led by, let's say, mad men could possibly be misinterpreting events that have taken place throughout history, whether it be things that relate to the Bible or astronomical things happening in the heavens.

397

00:43:34,000 --> 00:43:48,000

But whether cult leaders are misinterpreting extraterrestrial messages or are being directly guided by them, might we someday discover that the other worlds they preach about actually exist?

398

00:43:49,000 --> 00:43:50,000

And is their ultimate goal?
