

1

00:00:00,000 --> 00:00:05,000

Demons who seize control of humans while they sleep.

2

00:00:05,000 --> 00:00:07,500

Being unable to breathe, feeling like you're frozen,

3

00:00:07,500 --> 00:00:09,500

these are similar things that happen to people

4

00:00:09,500 --> 00:00:12,500

in modern abduction phenomena.

5

00:00:12,500 --> 00:00:17,500

Interplanetary journeys in space and time.

6

00:00:17,500 --> 00:00:19,500

They go to another world,

7

00:00:19,500 --> 00:00:21,500

supernatural beings, and they come back.

8

00:00:21,500 --> 00:00:23,500

And missing time is important.

9

00:00:23,500 --> 00:00:29,500

And entire cultures that mysteriously vanish from the Earth.

10

00:00:29,500 --> 00:00:33,500

We do know that they were threatened from something from the sky.

11

00:00:33,500 --> 00:00:36,500

Could this be some type of upwelling of energy

12

00:00:36,500 --> 00:00:39,500

that was possibly utilized by ancient aliens

13

00:00:39,500 --> 00:00:42,500

in some fashion that we still don't understand?

14

00:00:42,500 --> 00:00:45,500

Millions of people around the world

15

00:00:45,500 --> 00:00:47,500

believe we have been visited in the past

16

00:00:47,500 --> 00:00:49,500

by extraterrestrial beings.

17

00:00:49,500 --> 00:00:52,500

What if it were true?

18

00:00:52,500 --> 00:00:57,500

Did ancient aliens really help to shape our history?

19

00:00:57,500 --> 00:01:01,500

And might accounts of strange abductions

20

00:01:01,500 --> 00:01:04,500

reveal an incredible agenda?

21

00:01:27,500 --> 00:01:34,500

Central Arizona.

22

00:01:34,500 --> 00:01:37,500

The Apache Sick Greaves National Forest.

23

00:01:37,500 --> 00:01:41,500

November 5th, 1975.

24

00:01:41,500 --> 00:01:45,500

At 6.30 p.m., a bright light

25

00:01:45,500 --> 00:01:50,500

suddenly appears in the sky over the Central Arizona Mountains.

26

00:01:50,500 --> 00:01:52,500

Six U.S. Forest Service workers

27

00:01:52,500 --> 00:01:55,500

driving home after their day shift

28

00:01:55,500 --> 00:02:02,500

witness a large silvery disc hovering in the sky.

29

00:02:02,500 --> 00:02:05,500

It was smooth as glass,

30

00:02:05,500 --> 00:02:09,500

but glowing and reflective at the same time.

31

00:02:09,500 --> 00:02:12,500

It just had a powerful look and feel to it

32

00:02:12,500 --> 00:02:14,500

that was just amazing.

33

00:02:14,500 --> 00:02:18,500

This beam of energy hit me.

34

00:02:18,500 --> 00:02:22,500

I felt like I'd been hit real suddenly,

35

00:02:22,500 --> 00:02:24,500

like a physical blow,

36

00:02:24,500 --> 00:02:27,500

but with a sort of a tingling electric shock

37

00:02:27,500 --> 00:02:30,500

sort of feeling at the same time.

38

00:02:30,500 --> 00:02:35,500

Walton basically got zapped by this blinding light.

39

00:02:35,500 --> 00:02:39,500

The crew just hot-footed out the area quickly

40

00:02:39,500 --> 00:02:41,500

and then thought, well, we've got to go back.

41

00:02:41,500 --> 00:02:43,500

You know, we've got to get Travis.

42

00:02:43,500 --> 00:02:45,500

Went back, whatever this object was, was gone,

43

00:02:45,500 --> 00:02:49,500

and he was gone as well.

44

00:02:49,500 --> 00:02:51,500

According to Travis Walton,

45

00:02:51,500 --> 00:02:55,500

the mysterious beam of light rendered him unconscious.

46

00:02:55,500 --> 00:02:57,500

And when he awoke,

47

00:02:57,500 --> 00:03:05,500

he found himself in a room surrounded by strange beings.

48

00:03:05,500 --> 00:03:10,500

I was looking straight into the face of this creature.

49

00:03:10,500 --> 00:03:14,500

These small beings were humanoid,

50

00:03:14,500 --> 00:03:19,500

but so unhuman, it's just terrifying.

51

00:03:19,500 --> 00:03:21,500

And I just flipped out.

52

00:03:21,500 --> 00:03:23,500

It was just horrible.

53

00:03:23,500 --> 00:03:28,500

It was like they were looking right into me.

54

00:03:28,500 --> 00:03:31,500

Crews searched everywhere for the missing forest worker,

55

00:03:31,500 --> 00:03:34,500

but it wasn't until five days later

56

00:03:34,500 --> 00:03:39,500

that Walton reappeared in a nearby town.

57

00:03:39,500 --> 00:03:43,500

I was lying face down, outside in the dark,

58

00:03:43,500 --> 00:03:46,500

and there was a light above me.

59

00:03:46,500 --> 00:03:48,500

And I saw the bottom of the craft there

60

00:03:48,500 --> 00:03:54,500

right before it shot up into the sky.

61

00:03:54,500 --> 00:03:57,500

When details of Travis Walton's close encounter

62

00:03:57,500 --> 00:04:00,500

were revealed to authorities,

63

00:04:00,500 --> 00:04:03,500

they dismissed the accounts of the young man's disappearance

64

00:04:03,500 --> 00:04:06,500

as a possible hoax.

65

00:04:06,500 --> 00:04:09,500

But researchers say the Travis Walton case

66

00:04:09,500 --> 00:04:15,500

is one of the most credible abduction stories on record.

67

00:04:15,500 --> 00:04:20,500

Stories of alien encounters, abductions to different realms,

68

00:04:20,500 --> 00:04:25,500

are as old as mankind itself.

69

00:04:25,500 --> 00:04:28,500

Something truly enigmatic has been happening with us

70

00:04:28,500 --> 00:04:30,500

and with our ancestors.

71

00:04:30,500 --> 00:04:33,500

And when you look at the modern accounts of abductions,

72

00:04:33,500 --> 00:04:37,500

you find that they are one and the same.

73

00:04:37,500 --> 00:04:43,500

Washington, D.C. December 1969.

74

00:04:43,500 --> 00:04:48,500

The United States government suddenly terminates Project Blue Book,

75

00:04:48,500 --> 00:04:52,500

the Air Force investigation into claims of UFO sightings

76

00:04:52,500 --> 00:04:55,500

and contact with extraterrestrials.

77

00:04:55,500 --> 00:04:59,500

Though more than 12,000 reports were investigated

78

00:04:59,500 --> 00:05:01,500

over a span of 20 years,

79

00:05:01,500 --> 00:05:04,500

the government publicly concluded that most cases

80

00:05:04,500 --> 00:05:08,500

were misunderstood natural phenomenon.

81

00:05:08,500 --> 00:05:10,500

But inside the organization,

82

00:05:10,500 --> 00:05:13,500

Project Blue Book astronomer J. Allen Heineck

83

00:05:13,500 --> 00:05:16,500

had been creating a system of classifying the data

84

00:05:16,500 --> 00:05:23,500

he believed provided scientific evidence of alien encounters.

85

00:05:23,500 --> 00:05:29,500

Heineck was actively in charge of some of the investigations.

86

00:05:29,500 --> 00:05:33,500

And he realized early on, after amassing so many cases

87

00:05:33,500 --> 00:05:36,500

and having a database, that he needed to organize it

88

00:05:36,500 --> 00:05:39,500

and classify these types of reports.

89

00:05:39,500 --> 00:05:45,500

So he came up with the Close Encounter 1-3 classification.

90

00:05:45,500 --> 00:05:48,500

According to Heineck's classification system,

91

00:05:48,500 --> 00:05:52,500

a close encounter of the first kind, or CE1,

92

00:05:52,500 --> 00:05:57,500

is described as witnessing a UFO within 500 feet.

93

00:05:57,500 --> 00:06:03,500

CE2 is when a UFO leaves behind a physical trace of its presence,

94

00:06:03,500 --> 00:06:09,500

and CE3 includes seen occupants within the UFO.

95

00:06:09,500 --> 00:06:13,500

Dr. J. Allen Heineck invented these three terms,

96

00:06:13,500 --> 00:06:19,500

which basically detailed the distance of the person from the UFO

97

00:06:19,500 --> 00:06:21,500

and the nature of the experience.

98

00:06:21,500 --> 00:06:24,500

And it was basically designed as terms so that, you know,

99

00:06:24,500 --> 00:06:27,500

we would have a good understanding of whether somebody saw

100

00:06:27,500 --> 00:06:30,500

an object at a distance in the sky, further closer,

101

00:06:30,500 --> 00:06:33,500

the UFO on the ground.

102

00:06:33,500 --> 00:06:36,500

Close encounters of the fourth kind

103

00:06:36,500 --> 00:06:42,500

is that the occupants of this craft took the observer aboard.

104

00:06:42,500 --> 00:06:46,500

And either did some type of experimental procedure on them

105

00:06:46,500 --> 00:06:48,500

or implanted them with them.

106

00:06:48,500 --> 00:06:51,500

And then close encounters of the fifth kind

107

00:06:51,500 --> 00:06:55,500

is people that are having some type of telepathic communication

108

00:06:55,500 --> 00:07:00,500

with the occupants of a craft or ET, per se.

109

00:07:00,500 --> 00:07:04,500

Since Travis Walton's close encounter of the fourth kind,

110

00:07:04,500 --> 00:07:06,500

in which he was taken aboard a craft,

111

00:07:06,500 --> 00:07:10,500

claims of alien contact have been increasing.

112

00:07:10,500 --> 00:07:13,500

Perhaps most alarming, they say,

113

00:07:13,500 --> 00:07:17,500

are details of abductions claiming sexual interactions

114

00:07:17,500 --> 00:07:21,500

and even the creation of hybrid humans.

115

00:07:21,500 --> 00:07:25,500

Many of these abduction stories are really scary.

116

00:07:25,500 --> 00:07:32,500

The abductee is not fully in control of his or her own body.

117

00:07:32,500 --> 00:07:36,500

The abductee has all kinds of very painful things done to them

118

00:07:36,500 --> 00:07:39,500

that he or she cannot control.

119

00:07:39,500 --> 00:07:42,500

And they're deeply changed by these experiences

120

00:07:42,500 --> 00:07:48,500

in ways that are often detrimental to them and very disturbing.

121

00:07:48,500 --> 00:07:50,500

I'm often asked,

122

00:07:50,500 --> 00:07:53,500

do I have any kind of an idea of who they are?

123

00:07:53,500 --> 00:07:55,500

What do they want?

124

00:07:55,500 --> 00:07:57,500

Why have they been terraforming this planet

125

00:07:57,500 --> 00:08:02,500

and manipulating genes, apparently, in various life forms

126

00:08:02,500 --> 00:08:06,500

and interacting with humans in the human abduction syndrome?

127

00:08:06,500 --> 00:08:10,500

The phenomena, the high strangeness, continues and persists,

128

00:08:10,500 --> 00:08:16,500

defying human logic and defying human understanding.

129

00:08:18,500 --> 00:08:24,500

Researchers claim that alien abductions have been occurring for millennia.

130

00:08:24,500 --> 00:08:29,500

Could such extraordinary events have been documented in the ancient world?

131

00:08:29,500 --> 00:08:32,500

According to ancient astronaut theorists,

132

00:08:32,500 --> 00:08:36,500

evidence can be found right in what many believe

133

00:08:36,500 --> 00:08:40,500

to be the missing pages of the Judeo-Christian Bible.

134

00:08:44,500 --> 00:08:48,500

Kherbet Kumran, Palestine.

135

00:08:48,500 --> 00:08:52,500

In 1946, a collection of ancient manuscripts

136

00:08:52,500 --> 00:08:55,500

known as the Dead Sea Scrolls

137

00:08:55,500 --> 00:09:00,500

is discovered hidden in clay jars deep inside a cave.

138

00:09:00,500 --> 00:09:03,500

Among the manuscripts is the Book of Enoch,

139

00:09:03,500 --> 00:09:06,500

a so-called lost biblical text

140

00:09:06,500 --> 00:09:09,500

in which a Hebrew prophet named Enoch

141

00:09:09,500 --> 00:09:13,500

describes in great detail his extraordinary encounters

142

00:09:13,500 --> 00:09:15,500

with other worldly beings.

143

00:09:17,500 --> 00:09:23,500

Enoch tells us about the guardians of the sky who came down.

144

00:09:23,500 --> 00:09:25,500

He doesn't use the word spaceship,

145

00:09:25,500 --> 00:09:29,500

but we have come down from the sky to Earth.

146

00:09:29,500 --> 00:09:32,500

He's the only one who speaks in the first person.

147

00:09:32,500 --> 00:09:34,500

I did, I sought, I flew,

148

00:09:34,500 --> 00:09:38,500

I had contact with the so-called guardians of the sky.

149

00:09:38,500 --> 00:09:41,500

Enoch was taken away from our planet Earth

150

00:09:41,500 --> 00:09:44,500

by the Lord in a fiery chariot.

151

00:09:46,500 --> 00:09:49,500

They were not angels, they were not gods,

152

00:09:49,500 --> 00:09:52,500

they were flesh and blood extraterrestrials

153

00:09:52,500 --> 00:09:56,500

who took him up there in some type of a vehicle

154

00:09:56,500 --> 00:10:01,500

in order to write down the knowledge of the universe, as he calls it.

155

00:10:01,500 --> 00:10:05,500

Our ancestors thought that all they were witnessing

156

00:10:05,500 --> 00:10:08,500

had something to do with magic

157

00:10:08,500 --> 00:10:11,500

when reality, it was nothing else,

158

00:10:11,500 --> 00:10:15,500

but misunderstood technology.

159

00:10:16,500 --> 00:10:19,500

Could the Book of Enoch really be describing

160

00:10:19,500 --> 00:10:21,500

an actual abduction event,

161

00:10:21,500 --> 00:10:25,500

one that took place thousands of years ago?

162

00:10:25,500 --> 00:10:29,500

If so, might the Bible contain other examples

163

00:10:29,500 --> 00:10:33,500

of extraterrestrial encounters with humans?

164

00:10:33,500 --> 00:10:36,500

And could these incredible close encounters

165

00:10:36,500 --> 00:10:42,500

betray another, perhaps less benign, alien agenda?

166

00:10:42,500 --> 00:10:46,500

One that involves controlling our behavior

167

00:10:46,500 --> 00:10:50,500

and psychic abductions to other dimensions?

168

00:10:50,500 --> 00:11:00,500

The Sinai Peninsula, Egypt

169

00:11:00,500 --> 00:11:06,500

In the Judeo-Christian Bible, as found in the Book of Exodus,

170

00:11:06,500 --> 00:11:10,500

Moses receives the Ten Commandments from God

171

00:11:10,500 --> 00:11:12,500

after disappearing on Mount Sinai

172

00:11:12,500 --> 00:11:15,500

for a period of 40 days and 40 nights.

173

00:11:15,500 --> 00:11:19,500

When the Prophet returns to his people,

174

00:11:19,500 --> 00:11:23,500

his appearance has drastically changed.

175

00:11:23,500 --> 00:11:25,500

It was very interesting.

176

00:11:25,500 --> 00:11:28,500

He had been around this God for so long.

177

00:11:28,500 --> 00:11:32,500

His face was glowing, and he had to literally cover himself

178

00:11:32,500 --> 00:11:34,500

because people were afraid of him,

179

00:11:34,500 --> 00:11:37,500

because his countenance had changed so much.

180

00:11:37,500 --> 00:11:40,500

Basically, his people recognize him,

181

00:11:40,500 --> 00:11:43,500

but also see that he has physically changed.

182

00:11:43,500 --> 00:11:45,500

And so this is very interesting,

183

00:11:45,500 --> 00:11:50,500

because if you were to take it from a biblical perspective,

184

00:11:50,500 --> 00:11:54,500

you would think that an encounter with God is something nice,

185

00:11:54,500 --> 00:11:59,500

something phenomenal, but not that it has physical effects.

186

00:11:59,500 --> 00:12:01,500

In the case of the Moses encounter,

187

00:12:01,500 --> 00:12:03,500

what you have is something very physical,

188

00:12:03,500 --> 00:12:05,500

something very specific,

189

00:12:05,500 --> 00:12:07,500

suggestive that what happened to him

190

00:12:07,500 --> 00:12:10,500

is a very physical encounter with a deity.

191

00:12:11,500 --> 00:12:13,500

An extraterrestrial being,

192

00:12:13,500 --> 00:12:17,500

rather than what we would generally classify as divine.

193

00:12:17,500 --> 00:12:21,500

If we look at it from the context of today's alien abduction stories,

194

00:12:21,500 --> 00:12:26,500

you know, was God coming down from the sky actually a UFO descending?

195

00:12:29,500 --> 00:12:32,500

Was he taken aboard, abducted onto a UFO,

196

00:12:32,500 --> 00:12:35,500

and held for 40 days, and then returned?

197

00:12:35,500 --> 00:12:37,500

I think, you know, if we look at it in that context,

198

00:12:37,500 --> 00:12:40,500

we've got what sounds like a classic abduction.

199

00:12:41,500 --> 00:12:48,500

Could the biblical accounts of Enoch and Moses suggest an extraterrestrial agenda?

200

00:12:48,500 --> 00:12:54,500

One where alien beings communicate messages of peace and harmony with humans.

201

00:13:00,500 --> 00:13:03,500

Northeast Syria, the Kabul River.

202

00:13:03,500 --> 00:13:07,500

According to the Hebrew Bible,

203

00:13:07,500 --> 00:13:10,500

it was here in the 6th century BC

204

00:13:10,500 --> 00:13:13,500

that divine beings descended from heaven

205

00:13:14,500 --> 00:13:20,500

and made contact with a 30-year-old Hebrew priest named Ezekiel.

206

00:13:22,500 --> 00:13:25,500

Ezekiel was by the river Chebar,

207

00:13:25,500 --> 00:13:28,500

and he said a great whirlwind came toward him.

208

00:13:28,500 --> 00:13:31,500

He described it as a fire infolding itself,

209

00:13:31,500 --> 00:13:35,500

and out of the fire was the color of amber,

210

00:13:35,500 --> 00:13:40,500

which is the Hebrew word, which means polished spectra-metal,

211

00:13:40,500 --> 00:13:44,500

which implies that it's metallic and that it's spinning,

212

00:13:44,500 --> 00:13:48,500

and it lands in front of him, right directly in front of him,

213

00:13:48,500 --> 00:13:53,500

and suddenly out of this whirlwind come four creatures.

214

00:13:54,500 --> 00:14:01,500

In the Bible, the prophet Ezekiel calls these spiritual beings cherubimms

215

00:14:04,500 --> 00:14:08,500

and describes them as having four faces,

216

00:14:08,500 --> 00:14:13,500

four wings, and skin that's shown like polished bronze.

217

00:14:15,500 --> 00:14:19,500

Ezekiel says that he was taken up into the sky

218

00:14:19,500 --> 00:14:24,500

and taken to different places where he could see different things.

219

00:14:24,500 --> 00:14:29,500

And then he was told some of the future things that were going to come.

220

00:14:34,500 --> 00:14:37,500

But what in fact was the mysterious object

221

00:14:37,500 --> 00:14:42,500

that touched down in front of Ezekiel and lifted him up to the sky?

222

00:14:44,500 --> 00:14:47,500

And who were the strange beings that emerged

223

00:14:47,500 --> 00:14:51,500

and shared a vision of the future with the prophet?

224

00:14:53,500 --> 00:14:55,500

He described them as the likeness of a man,

225

00:14:55,500 --> 00:15:00,500

but they seemed to have different faces on them, of different animals,

226

00:15:00,500 --> 00:15:03,500

and some people have interpreted that as perhaps even like a spacesuit.

227

00:15:03,500 --> 00:15:07,500

You know, imagine the helmet, oxygen mask, that kind of thing.

228

00:15:07,500 --> 00:15:10,500

Could he have been actually seeing something that was a face

229

00:15:10,500 --> 00:15:13,500

but didn't look like a face normally looks?

230

00:15:14,500 --> 00:15:19,500

He's got the best description of a UFO that's anywhere in the Bible

231

00:15:19,500 --> 00:15:24,500

because he basically says that the thing looked like a wheel within a wheel,

232

00:15:24,500 --> 00:15:27,500

kind of a classic flying saucer description.

233

00:15:27,500 --> 00:15:31,500

It's basically the kind of a guy who's been abducted,

234

00:15:31,500 --> 00:15:33,500

who has been told certain things,

235

00:15:33,500 --> 00:15:35,500

and who's then returned to the place of origin.

236

00:15:35,500 --> 00:15:39,500

It would be what we today would describe as an abduction account.

237

00:15:43,500 --> 00:15:47,500

Could it be that the prophet Ezekiel's account of a heavenly close encounter

238

00:15:47,500 --> 00:15:50,500

might have been something else,

239

00:15:50,500 --> 00:15:53,500

perhaps one not involving heavenly beings,

240

00:15:53,500 --> 00:15:57,500

but visitors of another in her planetary nature?

241

00:15:59,500 --> 00:16:03,500

If so, what might this suggest about other biblical accounts

242

00:16:03,500 --> 00:16:06,500

of similarly strange encounters?

243

00:16:06,500 --> 00:16:11,500

In the book of Jonah, there is a character that was called by God to do a mission,

244

00:16:11,500 --> 00:16:13,500

but he didn't want to do it.

245

00:16:13,500 --> 00:16:16,500

He tried to travel away from his destiny.

246

00:16:16,500 --> 00:16:18,500

God intervened.

247

00:16:21,500 --> 00:16:25,500

He brought a storm. The sailors grew afraid and they threw him overboard.

248

00:16:27,500 --> 00:16:29,500

He was swallowed up by a great fish.

249

00:16:29,500 --> 00:16:32,500

He was in the belly for three days and three nights

250

00:16:32,500 --> 00:16:34,500

and finally coughed up on the shore.

251

00:16:34,500 --> 00:16:39,500

The story of Jonah and the whale,

252

00:16:39,500 --> 00:16:43,500

where Jonah had this transformative experience,

253

00:16:43,500 --> 00:16:48,500

in my opinion, it was some type of a submarine or some type of a craft.

254

00:16:48,500 --> 00:16:53,500

And what's even more fascinating is that in the apocryphic texts,

255

00:16:53,500 --> 00:16:59,500

we can read that the skin and the ribs of that whale

256

00:16:59,500 --> 00:17:02,500

were made of shiny bronze.

257

00:17:02,500 --> 00:17:08,500

What Jonah described was in fact some type of a mechanical apparatus.

258

00:17:08,500 --> 00:17:14,500

He's swallowed by a big fish and lives in the belly of the fish for three days.

259

00:17:14,500 --> 00:17:20,500

This doesn't seem very probable and we do know that modern UFOs do go in the water,

260

00:17:20,500 --> 00:17:22,500

as well as in the air.

261

00:17:22,500 --> 00:17:24,500

They seem to be able to go anywhere they want.

262

00:17:24,500 --> 00:17:30,500

So the idea that a UFO might have swallowed up Jonah instead of a fish,

263

00:17:30,500 --> 00:17:32,500

does make sense.

264

00:17:33,500 --> 00:17:36,500

Do the Old Testament stories of Ezekiel and Jonah

265

00:17:36,500 --> 00:17:40,500

actually offer proof of extraterrestrial contact

266

00:17:40,500 --> 00:17:45,500

with technically advanced but relatively harmless entities?

267

00:17:45,500 --> 00:17:50,500

And if so, then what are we to make of similar accounts of humans

268

00:17:50,500 --> 00:17:54,500

who are physically abducted and taken to other dimensions?

269

00:17:54,500 --> 00:17:58,500

Ancient astronaut theorists believe the answers can be found

270

00:17:58,500 --> 00:18:02,500

by taking a closer look at the tale of Muhammad

271

00:18:02,500 --> 00:18:05,500

and his encounter with an angelic being.

272

00:18:09,500 --> 00:18:14,500

600 BC. The ancient city of Mecca.

273

00:18:15,500 --> 00:18:20,500

Historical Islamic accounts in the hadith say that Muhammad,

274

00:18:20,500 --> 00:18:23,500

the last great prophet, was sent by God

275

00:18:23,500 --> 00:18:28,500

to unite the Arabian Peninsula tribes under a single religion of Islam.

276

00:18:29,500 --> 00:18:35,500

Before forming Islam, Muhammad is said to have retreated to a mountain cave

277

00:18:35,500 --> 00:18:39,500

where he received a series of revelations from God.

278

00:18:40,500 --> 00:18:45,500

Muhammad would take a period of time each year to reflect and pray

279

00:18:45,500 --> 00:18:47,500

in a cave in the mountains nearby.

280

00:18:48,500 --> 00:18:53,500

During one of these retreats, the angel Gabriel came to him

281

00:18:53,500 --> 00:18:57,500

and had a prophecy for him and was his guide throughout his ministry.

282

00:18:58,500 --> 00:19:02,500

The angel Gabriel is somebody who is known in the Old Testament.

283

00:19:02,500 --> 00:19:04,500

He makes appearances there.

284

00:19:04,500 --> 00:19:09,500

He also announces the birth of Jesus and John the Baptist

285

00:19:09,500 --> 00:19:11,500

in a Christian context.

286

00:19:11,500 --> 00:19:14,500

Now, when it comes to Muhammad, we're seeing that this angel

287

00:19:14,500 --> 00:19:17,500

is all of a sudden far more important.

288

00:19:18,500 --> 00:19:24,500

According to Muslim legend, Muhammad formed an intense relationship with Gabriel.

289

00:19:24,500 --> 00:19:29,500

During one of Muhammad's retreats, Gabriel is said to have given the prophet

290

00:19:29,500 --> 00:19:31,500

the complete text to the Quran.

291

00:19:35,500 --> 00:19:40,500

In the case of Muhammad, what we're seeing is he stays with him for 23 years.

292

00:19:40,500 --> 00:19:42,500

He reveals the Quran to him.

293

00:19:42,500 --> 00:19:47,500

And it really once again shows you that there are these messengers of the gods,

294

00:19:47,500 --> 00:19:52,500

these entities who come to us, human beings, and say,

295

00:19:52,500 --> 00:19:54,500

you are chosen.

296

00:19:54,500 --> 00:19:57,500

If you're willing to listen to us and work with us,

297

00:19:57,500 --> 00:20:01,500

we will actually teach you information about the divine.

298

00:20:03,500 --> 00:20:08,500

Now, the angel said to Muhammad, I will take you with me.

299

00:20:09,500 --> 00:20:12,500

And they fly over the earth.

300

00:20:12,500 --> 00:20:14,500

He sees the whole planet.

301

00:20:14,500 --> 00:20:16,500

They circle the earth.

302

00:20:16,500 --> 00:20:20,500

And then the angel bring Muhammad back to the cave.

303

00:20:22,500 --> 00:20:24,500

They were surrounding the earth very, very quick

304

00:20:24,500 --> 00:20:27,500

because it probably took one and a half minute,

305

00:20:27,500 --> 00:20:29,500

the whole surrounding around the earth.

306

00:20:31,500 --> 00:20:35,500

Is it possible, as some ancient astronaut theorists believe,

307

00:20:35,500 --> 00:20:40,500

that Muhammad was repeatedly taken and seated with information over time

308

00:20:40,500 --> 00:20:44,500

in a series of extraterrestrial abductions?

309

00:20:45,500 --> 00:20:51,500

Researchers point to one particular interaction between Gabriel and Muhammad

310

00:20:51,500 --> 00:20:56,500

when the prophet flees the holy city of Mecca in the direction of Jerusalem.

311

00:20:57,500 --> 00:21:02,500

The angel Gabriel came to Muhammad with a creature, a winged horse, the barak,

312

00:21:02,500 --> 00:21:05,500

who was able to fly him to Jerusalem some distance.

313

00:21:05,500 --> 00:21:08,500

It was called the farthest mosque.

314

00:21:08,500 --> 00:21:11,500

And they meditated there for a time.

315

00:21:11,500 --> 00:21:15,500

And then after some time of visit there, he went to heaven

316

00:21:15,500 --> 00:21:20,500

and was able to visit with the prophets Abraham, Moses, Jesus,

317

00:21:20,500 --> 00:21:24,500

and then with Yahweh, Allah, God himself.

318

00:21:24,500 --> 00:21:26,500

And get insights and inspiration.

319

00:21:26,500 --> 00:21:30,500

Then came back from the heavens to Jerusalem

320

00:21:30,500 --> 00:21:35,500

and back from Jerusalem to Mecca, completely inspired for his further teachings.

321

00:21:37,500 --> 00:21:41,500

It is said that he goes from Mecca to Jerusalem in a single night.

322

00:21:41,500 --> 00:21:45,500

This is a physical impossibility. It simply cannot be.

323

00:21:46,500 --> 00:21:50,500

Now, rather than take this allegorically, if we take it literally,

324

00:21:50,500 --> 00:21:55,500

we're actually given the tools and the explanation as to why this might have been possible.

325

00:21:55,500 --> 00:22:00,500

We're actually told that he did this with the help of the angel Gabriel.

326

00:22:01,500 --> 00:22:07,500

Might this tale describe a physical abduction in which Muhammad is taken to other dimensions,

327

00:22:07,500 --> 00:22:11,500

including heaven, by the angel Gabriel?

328

00:22:12,500 --> 00:22:16,500

Could there be more to this than a misinterpreted account?

329

00:22:17,500 --> 00:22:21,500

Ancient astronaut theorists say the answer is yes

330

00:22:21,500 --> 00:22:26,500

and claim that evidence is found in mysterious disappearances

331

00:22:26,500 --> 00:22:30,500

documented in an area of the Atlantic Ocean,

332

00:22:30,500 --> 00:22:33,500

known as the Bermuda Triangle.

333

00:22:39,500 --> 00:22:45,500

Fort Lauderdale, Florida, December 5, 1945.

334

00:22:46,500 --> 00:22:52,500

Five Navy Avenger bombers flying due east on a routine training mission

335

00:22:52,500 --> 00:22:56,500

encounter something strange over the Bermuda Islands.

336

00:22:57,500 --> 00:23:00,500

About an hour and a half into the flight,

337

00:23:00,500 --> 00:23:04,500

squadron leader Lieutenant Charles Taylor sends a radio transmission

338

00:23:04,500 --> 00:23:08,500

that his two onboard compasses have become inoperable.

339

00:23:09,500 --> 00:23:13,500

Everybody got totally confused as to where they were.

340

00:23:13,500 --> 00:23:17,500

They were totally lost in an area where they should not have been lost.

341

00:23:17,500 --> 00:23:21,500

The whole squadron of US Navy aircraft just vanished.

342

00:23:24,500 --> 00:23:28,500

The fact that it was in this particular area obviously has given rise to the theory

343

00:23:28,500 --> 00:23:31,500

could they have been abducted.

344

00:23:31,500 --> 00:23:35,500

Three hours later, a rescue aircraft, a TBY,

345

00:23:36,500 --> 00:23:41,500

Mariner with a crew of 11 aboard, disappeared with no trace.

346

00:23:41,500 --> 00:23:46,500

And what that caused is one of the most extensive search and rescue operations

347

00:23:46,500 --> 00:23:49,500

in the annals of the United States Navy.

348

00:23:49,500 --> 00:23:53,500

And they never found a life preserver, a piece of a wing,

349

00:23:53,500 --> 00:23:55,500

or anything from those aircraft.

350

00:23:55,500 --> 00:23:56,500

Nothing.

351

00:23:56,500 --> 00:23:59,500

And to this day we have no clue as to what happened.

352

00:24:00,500 --> 00:24:06,500

But Flight 19 is only one incident in allegedly hundreds

353

00:24:06,500 --> 00:24:11,500

that have claimed victims in what is commonly referred to as the Bermuda Triangle.

354

00:24:14,500 --> 00:24:17,500

And according to ancient astronaut theorists,

355

00:24:17,500 --> 00:24:21,500

this site, which spans a 500,000 square mile area

356

00:24:21,500 --> 00:24:25,500

between Florida, Bermuda, and Puerto Rico,

357

00:24:25,500 --> 00:24:30,500

plays host to numerous unexplained physical and metaphysical phenomena.

358

00:24:33,500 --> 00:24:39,500

Strange energies that may help to explain why pilots, sailors, and ship captains

359

00:24:39,500 --> 00:24:44,500

enter the area and are never seen or heard from again.

360

00:24:50,500 --> 00:24:52,500

They have to wonder what's happening to these people.

361

00:24:52,500 --> 00:24:54,500

Is there something about the Bermuda Triangle?

362

00:24:54,500 --> 00:25:01,500

Is it some kind of portal that aliens are using to come and go through hyperspace?

363

00:25:01,500 --> 00:25:08,500

And suddenly you and your yacht or you and your plane are sucked into some other dimension.

364

00:25:08,500 --> 00:25:10,500

And you're not coming back?

365

00:25:10,500 --> 00:25:13,500

The Bermuda Triangle is interesting for a number of reasons.

366

00:25:13,500 --> 00:25:17,500

First of all, it's not just one plane which goes missing somewhere.

367

00:25:17,500 --> 00:25:20,500

This is several planes which all disappear.

368

00:25:21,500 --> 00:25:24,500

Now the question is where have all of them gone?

369

00:25:24,500 --> 00:25:27,500

It's not just a case that on occasion one of them is found.

370

00:25:27,500 --> 00:25:31,500

Really an awful lot of what has gone missing in the Bermuda Triangle

371

00:25:31,500 --> 00:25:34,500

has never been seen, has never been heard of.

372

00:25:38,500 --> 00:25:43,500

If an aircraft is flying over or a ship's sailing the ocean at the wrong time,

373

00:25:43,500 --> 00:25:46,500

could it pull them down underneath the water?

374

00:25:46,500 --> 00:25:51,500

So, you know, we're looking at possibly not abductions into the sky,

375

00:25:51,500 --> 00:25:53,500

but actually below the ocean.

376

00:25:54,500 --> 00:25:59,500

Ancient astronaut theorists say the legend of the Lost City of Atlantis

377

00:25:59,500 --> 00:26:03,500

may be connected to the possible abductions in the Bermuda Triangle.

378

00:26:08,500 --> 00:26:14,500

According to legends, the island of Atlantis was an enormous ancient power

379

00:26:14,500 --> 00:26:18,500

that thrived as far back as 9600 BC.

380

00:26:20,500 --> 00:26:25,500

The story of Atlantis, which is one of the most famous mysteries from antiquity,

381

00:26:25,500 --> 00:26:28,500

the earliest sources we have on it is Plato.

382

00:26:28,500 --> 00:26:34,500

And the city was known for being a sort of a technological marvel in its own right.

383

00:26:35,500 --> 00:26:38,500

And at some point, for reasons that are not entirely clear,

384

00:26:38,500 --> 00:26:44,500

there was an eruption of some sort and the city disappeared.

385

00:26:51,500 --> 00:26:54,500

We have no archaeological artifacts from Atlantis,

386

00:26:54,500 --> 00:26:56,500

and we don't know if it's just mythology.

387

00:26:56,500 --> 00:27:00,500

So is it possible, either through evil intentions or by accident,

388

00:27:00,500 --> 00:27:05,500

they sunk to the bottom of the ocean in the Bermuda area?

389

00:27:05,500 --> 00:27:10,500

And that's why we're experiencing or pilot's experiencing all kinds of electrical interference

390

00:27:10,500 --> 00:27:12,500

when they fly over the Bermuda Triangle.

391

00:27:14,500 --> 00:27:20,500

Might the ruins of Atlantis lie below the waters of the Bermuda and Bimini islands?

392

00:27:21,500 --> 00:27:26,500

And could this help explain the disappearances and possible abductions

393

00:27:26,500 --> 00:27:29,500

associated with the Bermuda Triangle?

394

00:27:30,500 --> 00:27:33,500

Atlantis was destroyed in a day and a night.

395

00:27:33,500 --> 00:27:35,500

They've just completely vanished.

396

00:27:35,500 --> 00:27:39,500

Is it possible that they were all mass abducted and left the planet?

397

00:27:40,500 --> 00:27:44,500

Could it be possible that the Earth has hidden vortexes

398

00:27:44,500 --> 00:27:47,500

that are causing unexplained disappearances

399

00:27:47,500 --> 00:27:51,500

and may have even swallowed up the lost continent of Atlantis?

400

00:27:52,500 --> 00:27:59,500

And if so, might this help explain the fate of other so-called lost civilizations?

401

00:27:59,500 --> 00:28:06,500

Empires whose populations and technologies have also mysteriously disappeared.

402

00:28:09,500 --> 00:28:13,500

Mesa Verde, Colorado, 1888.

403

00:28:14,500 --> 00:28:19,500

Rancher Richard Weatherill discovers massive Native American cliff ruins

404

00:28:19,500 --> 00:28:24,500

believed to have been built by the Pueblo people in the 12th century.

405

00:28:25,500 --> 00:28:30,500

Weatherill chooses the Navajo name, Anasazi, or ancient ones

406

00:28:30,500 --> 00:28:33,500

to describe the region's former inhabitants.

407

00:28:35,500 --> 00:28:38,500

Anasazi are very mysterious people.

408

00:28:38,500 --> 00:28:42,500

Initially, they built these wonderful Pueblos along the river systems,

409

00:28:42,500 --> 00:28:46,500

but for some reason in the late 1100s, the early 1200s,

410

00:28:48,500 --> 00:28:53,500

they moved up to higher ground as if they were trying to create defensive positions.

411

00:28:54,500 --> 00:28:59,500

And they had the most sophisticated cities that were built not on the ground,

412

00:28:59,500 --> 00:29:05,500

not on the tops of canyons, but actually built into the rock walls.

413

00:29:05,500 --> 00:29:13,500

Now, why would anyone in their mind build their cities into a rock wall?

414

00:29:13,500 --> 00:29:17,500

So my question is, who were they hiding from?

415

00:29:17,500 --> 00:29:22,500

And my answer is some type of an aerial enemy.

416

00:29:25,500 --> 00:29:31,500

Pueblo Indian legends describe the Anasazi as having great spiritual power,

417

00:29:31,500 --> 00:29:35,500

as well as an ability to control natural forces.

418

00:29:35,500 --> 00:29:44,500

But by 1350, many believe this once great people suddenly and mysteriously disappeared.

419

00:29:44,500 --> 00:29:50,500

And there are no graves to account for the Anasazi civilization that thrived here.

420

00:29:51,500 --> 00:29:56,500

Throughout history, there are civilizations just essentially vanished.

421

00:29:56,500 --> 00:29:59,500

We have this with the Anasazi in the Southwest.

422

00:29:59,500 --> 00:30:03,500

Whole areas just completely depopulated.

423

00:30:03,500 --> 00:30:07,500

And exactly the causes for this remain a mystery.

424

00:30:07,500 --> 00:30:10,500

We don't actually know where the Anasazi went,

425

00:30:10,500 --> 00:30:13,500

but we do know that they were threatened from something from the sky

426

00:30:13,500 --> 00:30:18,500

and made decisions to build their domiciles in these cliffside homes.

427

00:30:18,500 --> 00:30:23,500

Maybe the Anasazi were protecting themselves on the cliffside

428

00:30:23,500 --> 00:30:26,500

from something that would be easily exposed on the ground.

429

00:30:26,500 --> 00:30:30,500

Aliens, UFOs looking for people to abduct?

430

00:30:33,500 --> 00:30:38,500

If the Anasazi were under siege from an extraterrestrial threat,

431

00:30:38,500 --> 00:30:43,500

what might have led the conflict to escalate into mass abductions?

432

00:30:43,500 --> 00:30:46,500

According to ancient astronaut theorists,

433

00:30:46,500 --> 00:30:52,500

the rich minerals hidden in the ground of the American Southwest may hold a clue.

434

00:30:52,500 --> 00:31:00,500

Perhaps there has been literally a battle for our planet's resources over gold and other minerals.

435

00:31:00,500 --> 00:31:07,500

And during these wars, perhaps there have been mass abductions of, say, the Anasazi in the Southwest.

436

00:31:09,500 --> 00:31:13,500

We know that the area they lived in was rich,

437

00:31:13,500 --> 00:31:18,500

where there is gold which really, quite often, the gods are set to be interested in.

438

00:31:18,500 --> 00:31:25,500

It might be that they indeed ended up as other cultures which had a specific focus and emphasis on gold,

439

00:31:25,500 --> 00:31:28,500

which is they disappeared.

440

00:31:30,500 --> 00:31:34,500

Is it possible, as ancient astronaut theorists believe,

441

00:31:34,500 --> 00:31:42,500

that hundreds of people, even entire civilizations like the Anasazi and the people of Atlantis,

442

00:31:42,500 --> 00:31:48,500

disappeared due to mass abductions by extraterrestrials throughout history?

443

00:31:50,500 --> 00:31:56,500

And if so, were they physically called home to their place of origin in the stars?

444

00:31:57,500 --> 00:32:02,500

Perhaps further evidence can be found in the so-called psychic abductions

445

00:32:02,500 --> 00:32:07,500

that some believe have an otherworldly origin.

446

00:32:13,500 --> 00:32:16,500

The Selma Plateau, Oman.

447

00:32:17,500 --> 00:32:21,500

100 kilometers from the capital city of Muscat,

448

00:32:21,500 --> 00:32:26,500

a treacherous cavern lies deep beneath the Earth's surface.

449

00:32:27,500 --> 00:32:35,500

Discovered in June of 1983, this massive underground chamber is known as Moshly Al-Jin,

450

00:32:35,500 --> 00:32:38,500

translated as Meeting Place of the Jin.

451

00:32:38,500 --> 00:32:42,500

It is one of the largest caves in the world.

452

00:32:46,500 --> 00:32:48,500

The Jin is like an Arabic fairy.

453

00:32:48,500 --> 00:32:51,500

The genie in the bottle of Aladdin and his lamb.

454

00:32:51,500 --> 00:32:55,500

The Jin can come out of the bottle and grant you three wishes,

455

00:32:55,500 --> 00:32:59,500

but those wishes might not turn out the way that you hoped that they would.

456

00:33:00,500 --> 00:33:06,500

In Arab and Islamic traditions, these were a set of beings that were made by God,

457

00:33:06,500 --> 00:33:11,500

and in some ways they're sort of intermediate between humans and angels.

458

00:33:11,500 --> 00:33:17,500

Could they represent a being from another realm of the universe that we're not used to?

459

00:33:17,500 --> 00:33:18,500

We just don't know.

460

00:33:19,500 --> 00:33:26,500

According to descriptions in the Quran, the Jin are supernatural entities from another dimension

461

00:33:26,500 --> 00:33:29,500

that can appear and disappear at will.

462

00:33:30,500 --> 00:33:35,500

They are variously described as being both benevolent and malevolent to humans.

463

00:33:36,500 --> 00:33:42,500

And often reveal themselves with messages, which can be either good or evil.

464

00:33:46,500 --> 00:33:55,500

Mystical literature from all over the world has accounts of visitations from magical creatures, angels, gods, what have you.

465

00:33:55,500 --> 00:33:58,500

Moses talked to a burning bush.

466

00:33:58,500 --> 00:34:01,500

Jacob had angels coming down a ladder.

467

00:34:01,500 --> 00:34:07,500

So we have tales from our familiar culture and from many others of some kind of supernatural creatures

468

00:34:07,500 --> 00:34:13,500

that interact and interfere, that represent some powers beyond our understanding.

469

00:34:15,500 --> 00:34:25,500

Spirit beings with sinister motives can also be found in recorded history dating as far back as 2400 BC.

470

00:34:26,500 --> 00:34:32,500

The Sumerian King List, a manuscript believed to be over 4000 years old,

471

00:34:33,500 --> 00:34:39,500

describes a demon named Lelou, a spirit that seduces women in their sleep.

472

00:34:41,500 --> 00:34:48,500

Depictions of supernatural beings, also known as Incubus, and a female counterpart, Sunkubus,

473

00:34:48,500 --> 00:34:51,500

exist in the folklore of various cultures.

474

00:34:52,500 --> 00:34:59,500

In each account, Incubus and Sunkubus can paralyze their victims before having sex with them.

475

00:35:02,500 --> 00:35:08,500

A female entity would come and have its way with a male victim.

476

00:35:08,500 --> 00:35:11,500

That would be the Sunkubus and Incubus would be a male version of this.

477

00:35:12,500 --> 00:35:19,500

Being unable to breathe, feeling like you're frozen, these are very, very similar things that happen to people in modern abduction phenomenon.

478

00:35:20,500 --> 00:35:29,500

These stories basically are about how these malignant entities somehow come to people in their sleep at night time.

479

00:35:29,500 --> 00:35:33,500

And it is said that they have sexual intercourse with these beings.

480

00:35:33,500 --> 00:35:42,500

From time to time they made a landing and they simply captured nice looking girls, sometimes nice

looking men,

481

00:35:42,500 --> 00:35:44,500

captured them and take them away.

482

00:35:45,500 --> 00:35:50,500

Sometimes these extraterrestrials had sex with some of our humans, so you have an offspring.

483

00:35:50,500 --> 00:35:54,500

And the offspring still has part of the blood of the extraterrestrial.

484

00:35:56,500 --> 00:36:04,500

But might the legends of Jinn, Incubus and Sunkubus be describing not demons, but alien visitors?

485

00:36:05,500 --> 00:36:09,500

Beings with the ability to seduce and psychically abduct humans.

486

00:36:10,500 --> 00:36:18,500

Ancient astronaut theorists believe that throughout history humans have documented numerous otherworldly communications,

487

00:36:18,500 --> 00:36:21,500

both voluntary and involuntary.

488

00:36:23,500 --> 00:36:28,500

Human beings have been having similar kinds of experiences all along.

489

00:36:28,500 --> 00:36:35,500

According to some folklorists, the experience of missing time, of having contact with non-human humanoids,

490

00:36:36,500 --> 00:36:42,500

is the same. It is historically consistent whether people are describing it as being taken by the fairies

491

00:36:42,500 --> 00:36:47,500

or whether people are describing being taken by UFO aliens.

492

00:36:51,500 --> 00:36:59,500

According to Native American folklor, tribal priests known as shamans are able to reach a higher state of consciousness

493

00:36:59,500 --> 00:37:02,500

by communicating telepathically with the spirit world.

494

00:37:03,500 --> 00:37:12,500

Traditional shamans go into altered states of consciousness and may then believe that they are dealing now with spirits.

495

00:37:14,500 --> 00:37:23,500

Could these actually be what some people call star beings? Beings that are living in another dimension, another level of reality.

496

00:37:24,500 --> 00:37:34,500

There are many descriptions of shamanic experiences where shamans come into contact with unusual beings psychically.

497

00:37:34,500 --> 00:37:43,500

So in many ways shamans are sort of being psychically abducted. You have some revelation of a sort.

498

00:37:43,500 --> 00:37:48,500

So where is that coming from? Is it possibly coming also from extraterrestrials?

499

00:37:49,500 --> 00:37:58,500

Is it possible that seductions and telepathic messages may be a form of abduction as some believe?

500

00:37:58,500 --> 00:38:05,500

And should humans be fearful of what could very well be considered a type of alien mind control?

501

00:38:05,500 --> 00:38:13,500

And might we look to the ancient past for proof that otherworldly contact is not only benign,

502

00:38:13,500 --> 00:38:17,500

but even essential for our very survival?

503

00:38:21,500 --> 00:38:24,500

Are abductions even more prevalent than we know?

504

00:38:24,500 --> 00:38:31,500

Some ancient astronaut theorists believe that psychic abductions with otherworldly beings

505

00:38:31,500 --> 00:38:37,500

have provided inspiration to numerous historical figures including Winston Churchill,

506

00:38:37,500 --> 00:38:48,500

Joan of Arc, Alexander the Great, Mahatma Gandhi, and one of the greatest scientific minds of the 20th century, Nikola Tesla.

507

00:38:49,500 --> 00:38:58,500

From 1884 until his death in 1943, Tesla was responsible for groundbreaking scientific discoveries,

508

00:38:58,500 --> 00:39:06,500

including alternating current, radio, x-rays, and lasers.

509

00:39:07,500 --> 00:39:16,500

In a magazine article Tesla authored in 1901, he described receiving telepathic messages from beings on Mars,

510

00:39:16,500 --> 00:39:21,500

a comet that earned him the nickname Mad Scientist.

511

00:39:22,500 --> 00:39:29,500

Nikola Tesla was involved in all sorts of highly alternative research, science, physics, etc.

512

00:39:29,500 --> 00:39:35,500

There is a story that he supposedly, when he was doing some of his research, picked up these strange signals

513

00:39:35,500 --> 00:39:40,500

and potentially was in contact with some sort of higher non-human entities.

514

00:39:40,500 --> 00:39:50,500

Nikola Tesla claimed that a lot of his ideas and knowledge came from telepathic messages that he was receiving from some type of extraterrestrial.

515

00:39:51,500 --> 00:39:58,500

That they were guiding him and that he was just a conduit for that information.

516

00:39:59,500 --> 00:40:11,500

Might Tesla's accounts of telepathic encounters with otherworldly beings provide proof of abductions that not only involves the physical, but the mental as well.

517

00:40:12,500 --> 00:40:24,500

Could it be that extraterrestrials have a secret agenda, a plan that may involve preparing humans for an intergalactic future,

518

00:40:24,500 --> 00:40:33,500

or perhaps, as some suggest, a desire to breed with us and populate planet Earth with a new hybrid race?

519

00:40:34,500 --> 00:40:43,500

The reason I think that extraterrestrials are kidnapping citizens, abducting them, is for genetic purposes.

520

00:40:43,500 --> 00:40:51,500

Somewhere along the line, someone changed the genetic code and we became who we are today.

521

00:40:51,500 --> 00:40:59,500

And I believe that's still going on today, whether it's out of a survival mode, or we're an experimental petri dish,

522

00:40:59,500 --> 00:41:05,500

or that we're some kind of pet. I don't know. That remains to be seen.

523

00:41:05,500 --> 00:41:15,500

But I for one think that you have to go way back into ancient historical documentation and there lies the evidence, if you will.

524

00:41:18,500 --> 00:41:26,500

The ancient astronaut theory has never suggested that extraterrestrials only visited in the remote past.

525

00:41:26,500 --> 00:41:37,500

In fact, they have never left. The evidence suggests that there is a type of an abduction scenario clearly going on in this day and age.

526

00:41:41,500 --> 00:41:45,500

Is there some sort of hybridization or cross-species interaction?

527

00:41:45,500 --> 00:41:49,500

The natural thing is to consider our interest in biology of other species and what we do.

528

00:41:49,500 --> 00:41:55,500

We obviously have zoos, we do animal research, we use it for drug testing.

529

00:41:55,500 --> 00:42:00,500

How close would their biology really be to ours and how useful could that be?

530

00:42:00,500 --> 00:42:10,500

You have to ask yourself if there's not some big alien agenda for all of these thousands of reported abductions.

531

00:42:11,500 --> 00:42:16,500

It's a preparation for something to happen in the future.

532

00:42:16,500 --> 00:42:24,500

And all these abductions are a way of preparing mankind for this big event.

533

00:42:26,500 --> 00:42:29,500

But come to sort of redefine what happened to me.

534

00:42:31,500 --> 00:42:37,500

I believe there's more than one type of being coming, I would have to say alien agendas in the plural.

535

00:42:38,500 --> 00:42:46,500

And I think much of what's referred to as an abduction isn't really an abduction in the truest

sense of the words.

536

00:42:46,500 --> 00:42:50,500

I think in many cases, at least in my case, they were trying to help.

537

00:42:51,500 --> 00:42:56,500

And if we're dealing with one or more intelligences, then maybe they have different agendas.

538

00:42:57,500 --> 00:43:04,500

But maybe there is something out there that has been an ally to evolving hominids.

539

00:43:05,500 --> 00:43:07,500

And we're the latest model.

540

00:43:10,500 --> 00:43:16,500

Might the numerous accounts of alien abductions, not only recently but throughout the ancient past,

541

00:43:17,500 --> 00:43:20,500

really provide evidence of an extraterrestrial agenda?

542

00:43:21,500 --> 00:43:27,500

A plan not only to communicate with us, but for us to communicate through them.

543

00:43:28,500 --> 00:43:31,500

If so, what is the message?

544

00:43:32,500 --> 00:43:35,500

Are we being prepared for a bright new future?

545

00:43:36,500 --> 00:43:41,500

And might these so-called abductions be a reunion with our remote past?

546

00:43:42,500 --> 00:43:44,500

One fact seems clear.

547

00:43:45,500 --> 00:43:47,500

Many believe contact is being made.

548

00:43:48,500 --> 00:43:53,500

And mankind's ultimate future may be closer than we think.
