

1

00:00:00,000 --> 00:00:05,000

They predate any known civilization in the Americas.

2

00:00:05,000 --> 00:00:07,000

Mysterious sightings.

3

00:00:07,000 --> 00:00:13,000

There are things in this country that nobody's even dreamed of.

4

00:00:13,000 --> 00:00:16,000

An unexplained phenomenon.

5

00:00:16,000 --> 00:00:19,000

But when you see radar tracings,

6

00:00:19,000 --> 00:00:21,000

ground-based eyewitness reports,

7

00:00:21,000 --> 00:00:23,000

there's something going on here.

8

00:00:23,000 --> 00:00:25,000

Is there more to America's past

9

00:00:25,000 --> 00:00:27,000

than is the future?

10

00:00:27,000 --> 00:00:32,000

Is there more to America's past than is found in our history books?

11

00:00:32,000 --> 00:00:37,000

And could the mysterious stories and relics found throughout the land

12

00:00:37,000 --> 00:00:42,000

be evidence that the American continent has extraterrestrial origins?

13

00:00:42,000 --> 00:00:45,000

America is really a very mysterious place

14

00:00:45,000 --> 00:00:48,000

with all kinds of strange legends.

15

00:00:48,000 --> 00:00:54,000

And some of the explanations may have to do with extraterrestrials.

16

00:00:55,000 --> 00:00:58,000

Millions of people around the world believe

17

00:00:58,000 --> 00:01:03,000

we have been visited in the past by extraterrestrial beings.

18

00:01:03,000 --> 00:01:06,000

What if it were true?

19

00:01:06,000 --> 00:01:11,000

Did ancient aliens really help to shape our history?

20

00:01:11,000 --> 00:01:16,000

And if so, can the proof be found in America?

21

00:01:24,000 --> 00:01:26,880

It's forbidden.

22

00:01:46,160 --> 00:01:48,000

You will never be seen.

23

00:01:48,660 --> 00:01:51,000

You will never be■.

24

00:01:51,000 --> 00:01:56,000

on the cloudless evening of January 8th, 2008.

25

00:01:56,000 --> 00:02:01,000

More than a dozen people, including a police officer

26

00:02:01,000 --> 00:02:05,000

and a private pilot, spot a luminous spherical object

27

00:02:05,000 --> 00:02:08,000

floating silently across the sky.

28

00:02:08,000 --> 00:02:11,000

It was very intense, bright light,

29

00:02:11,000 --> 00:02:14,000

and they spanned a wide area.

30

00:02:14,000 --> 00:02:17,000

It was so fast when it took off, you know,

31

00:02:17,000 --> 00:02:19,000

and it made not a sound.

32

00:02:20,000 --> 00:02:24,000

Radar reports released by the FAA confirm an object

33

00:02:24,000 --> 00:02:29,000

without a transponder, exactly where ground observers see the UFO.

34

00:02:31,000 --> 00:02:36,000

The January 8th, 2008 encounter of a giant UFO

35

00:02:36,000 --> 00:02:40,000

over Stephenville, Texas is particularly interesting.

36

00:02:40,000 --> 00:02:44,000

A number of people saw this giant, glowing ball of light

37

00:02:44,000 --> 00:02:46,000

moving through the sky.

38

00:02:46,000 --> 00:02:49,000

It was picked up on the radar.

39

00:02:50,000 --> 00:02:53,000

According to reports, for two hours,

40

00:02:53,000 --> 00:02:59,000

the UFO slowly moved some 70 miles across the Texas countryside.

41

00:02:59,000 --> 00:03:03,000

Military aircraft are in the air nearby.

42

00:03:05,000 --> 00:03:08,000

But curiously, radar records show that they initially

43

00:03:08,000 --> 00:03:12,000

made no overt action towards the unidentified object.

44

00:03:13,000 --> 00:03:16,000

The first government report said that this was not anything

45

00:03:16,000 --> 00:03:19,000

except for some bizarre optical phenomena

46

00:03:19,000 --> 00:03:22,000

such as a reflection of light in the sky.

47

00:03:22,000 --> 00:03:26,000

But when you see people who have radar tracings,

48

00:03:26,000 --> 00:03:29,000

ground-based eyewitness reports, that's not a reflection.

49

00:03:29,000 --> 00:03:31,000

There's something going on here.

50

00:03:32,000 --> 00:03:35,000

Stephenville, Texas certainly implies that UFOs

51

00:03:35,000 --> 00:03:37,000

are a commonplace occurrence in America

52

00:03:37,000 --> 00:03:40,000

and the military stays out of the way.

53

00:03:41,000 --> 00:03:45,000

In the United States, there are over 6,000 UFO sightings

54

00:03:45,000 --> 00:03:50,000

reported every year, more than any other country in the world.

55

00:03:50,000 --> 00:03:52,000

But why?

56

00:03:52,000 --> 00:03:56,000

Is there an explanation for such a high number of UFO sightings?

57

00:03:56,000 --> 00:04:00,000

Could aliens have this special interest in America?

58

00:04:02,000 --> 00:04:04,000

According to ancient astronaut theorists,

59

00:04:04,000 --> 00:04:08,000

not only are aliens watching over North America today,

60

00:04:08,000 --> 00:04:12,000

but in fact, they have been visiting us for hundreds

61

00:04:12,000 --> 00:04:15,000

and possibly even thousands of years.

62

00:04:16,000 --> 00:04:20,000

And they claim the evidence can be found in the strange sites,

63

00:04:20,000 --> 00:04:25,000

structures and monuments that lie in every corner of the continent.

64

00:04:27,000 --> 00:04:30,000

America is really a very mysterious place

65

00:04:30,000 --> 00:04:33,000

with all kinds of strange legends.

66

00:04:34,000 --> 00:04:38,000

So trying to put all of these things together in context

67

00:04:38,000 --> 00:04:43,000

shows us that we're living in a very unusual continent

68

00:04:43,000 --> 00:04:46,000

full of magic and mystery.

69

00:04:48,000 --> 00:04:51,000

Serpent Mound in Adams County, Ohio.

70

00:04:51,000 --> 00:04:55,000

The Kivas at Chaco Canyon, New Mexico.

71

00:04:55,000 --> 00:04:59,000

Big Horn Medicine Wheel in Wyoming.

72

00:04:59,000 --> 00:05:02,000

Many Native American tribes say that

73

00:05:02,000 --> 00:05:05,000

at these ancient sites and countless others,

74

00:05:05,000 --> 00:05:08,000

entities that they call star beings

75

00:05:08,000 --> 00:05:13,000

came down from the sky to teach their ancestors.

76

00:05:13,000 --> 00:05:15,000

To the Zuni people and other tribes,

77

00:05:15,000 --> 00:05:19,000

there's a spiritual connection with the star beings.

78

00:05:21,000 --> 00:05:24,000

They're the ones that actually rule the universe

79

00:05:24,000 --> 00:05:26,000

or the world that we're on.

80

00:05:26,000 --> 00:05:28,000

If you look at the Petroglyphs,

81

00:05:28,000 --> 00:05:31,000

there's a lot of references to those type of entities.

82

00:05:33,000 --> 00:05:36,000

According to tribes like the Zuni and Hopi,

83

00:05:36,000 --> 00:05:39,000

stories of these otherworldly visitations

84

00:05:39,000 --> 00:05:42,000

exist not only in the oral traditions

85

00:05:42,000 --> 00:05:44,000

passed down from their ancestors,

86

00:05:44,000 --> 00:05:49,000

but also in Petroglyphs carved into rock all across America.

87

00:05:51,000 --> 00:05:54,000

On the Zuni Pueblo in New Mexico,

88

00:05:54,000 --> 00:05:57,000

there are literally thousands of ancient carvings

89

00:05:57,000 --> 00:06:01,000

that most outsiders have never laid eyes on.

90

00:06:01,000 --> 00:06:04,000

And the Zuni claim that some of these Petroglyphs

91

00:06:04,000 --> 00:06:08,000

depict visitations from star beings.

92

00:06:10,000 --> 00:06:14,000

There's definitely evidence that aliens visited North America

93

00:06:14,000 --> 00:06:16,000

in a distant past,

94

00:06:16,000 --> 00:06:19,000

and there are Petroglyphs throughout this part of the country

95

00:06:19,000 --> 00:06:22,000

carved by ancient Americans that depict just that.

96

00:06:22,000 --> 00:06:25,000

What can you tell me about this Petroglyph right here?

97

00:06:25,000 --> 00:06:28,000

You know, if you can see on top of that

98

00:06:28,000 --> 00:06:31,000

where maybe a head would be, it's kind of eroded off.

99

00:06:31,000 --> 00:06:34,000

But on the next part of it, there's work on parmigas,

100

00:06:34,000 --> 00:06:37,000

like extension or something sticking out.

101

00:06:37,000 --> 00:06:39,000

Yeah, almost like legs.

102

00:06:39,000 --> 00:06:42,000

It could be something that they saw in the air.

103

00:06:44,000 --> 00:06:49,000

Isn't there a legend that beings visited on top of this mountain?

104

00:06:49,000 --> 00:06:52,000

Oh, yes. On all of the Maces.

105

00:06:53,000 --> 00:06:56,000

In conjunction with all the stories of star people

106

00:06:56,000 --> 00:07:00,000

descending from the sky in fiery shields and things like this,

107

00:07:00,000 --> 00:07:04,000

when I see a pattern like that,

108

00:07:04,000 --> 00:07:08,000

I always think, what if this is something that they saw

109

00:07:08,000 --> 00:07:11,000

and then they carved onto a rock?

110

00:07:13,000 --> 00:07:15,000

And a lot of these are sacred drawings.

111

00:07:15,000 --> 00:07:18,000

They're just not graffiti like a lot of people say they are.

112

00:07:18,000 --> 00:07:19,000

No, never.

113

00:07:19,000 --> 00:07:22,000

There are no such things as that in those days.

114

00:07:22,000 --> 00:07:24,000

Look at the triangle up there.

115

00:07:24,000 --> 00:07:28,000

And you've got the dots around it that have been carved into the rock.

116

00:07:28,000 --> 00:07:30,000

They remind me like stars.

117

00:07:32,000 --> 00:07:35,000

Could the ancient people in this part of America

118

00:07:35,000 --> 00:07:39,000

really have been trying to depict encounters with alien spacecraft?

119

00:07:40,000 --> 00:07:43,000

There are legends and myths all around the world

120

00:07:43,000 --> 00:07:48,000

that can be interpreted as having been visits by extraterrestrials.

121

00:07:48,000 --> 00:07:53,000

And many think that such stories don't exist here in the United States.

122

00:07:53,000 --> 00:07:57,000

But the fact is that there are things in this country

123

00:07:57,000 --> 00:08:00,000

that nobody's even dreamed of.

124

00:08:03,000 --> 00:08:05,000

According to ancient astronaut theorists,

125

00:08:05,000 --> 00:08:08,000

there is evidence that otherworldly beings

126

00:08:08,000 --> 00:08:11,000

were not only witnessed by Native Americans,

127

00:08:11,000 --> 00:08:14,000

but also by the European colonists.

128

00:08:15,000 --> 00:08:20,000

And curiously, one of the earliest UFO sightings reported in the colonies

129

00:08:20,000 --> 00:08:27,000

occurred in an area that the local Wapanoag Nation claimed was a point of contact with star beings.

130

00:08:30,000 --> 00:08:34,000

The Hakemok Swap, southeastern Massachusetts.

131

00:08:36,000 --> 00:08:39,000

Located 25 miles south of Boston,

132

00:08:39,000 --> 00:08:42,000

in and around the suburban town of Bridgewater,

133

00:08:42,000 --> 00:08:47,000

this vast wetland is infamous for being the heart of the Bridgewater Triangle.

134

00:08:48,000 --> 00:08:50,000

According to Native American legends,

135

00:08:50,000 --> 00:08:55,000

this 200-square-mile region has been a hotbed of UFO sightings

136

00:08:55,000 --> 00:08:59,000

dating back to before Columbus arrived in the New World.

137

00:09:01,000 --> 00:09:03,000

Within the Bridgewater Triangle,

138

00:09:03,000 --> 00:09:07,000

a huge amount of interesting paranormal activity has been reported,

139

00:09:07,000 --> 00:09:09,000

including very high numbers of UFO sightings.

140

00:09:10,000 --> 00:09:15,000

Some people speculate that maybe it's the presence of the Hakemok Swamp.

141

00:09:15,000 --> 00:09:20,000

The very name Hakemok means place where evil spirits dwell.

142

00:09:20,000 --> 00:09:24,000

European colonists settled this area in the 17th century,

143

00:09:24,000 --> 00:09:29,000

but the stories of paranormal activity here go back long before that time.

144

00:09:31,000 --> 00:09:37,000

Time and time again, we see stories about beings that live in the sky,

145

00:09:37,000 --> 00:09:39,000

flying canoes,

146

00:09:39,000 --> 00:09:42,000

what are apparently spaceships that land,

147

00:09:43,000 --> 00:09:47,000

people that get out and interact with the Native Americans.

148

00:09:49,000 --> 00:09:51,000

On May 10th, 1760,

149

00:09:51,000 --> 00:09:57,000

in the same area where Native Americans say star beings interacted with humans,

150

00:09:57,000 --> 00:10:02,000

European colonists reported seeing mysterious lights in the sky.

151

00:10:05,000 --> 00:10:10,000

The account appeared in a publication that was read throughout the English-speaking world,

152

00:10:10,000 --> 00:10:13,000

called *The Gentleman's Magazine*.

153

00:10:13,000 --> 00:10:15,000

According to historical records,

154

00:10:15,000 --> 00:10:22,000

at 10 a.m. a sphere of fire appeared that emitted a light

155

00:10:22,000 --> 00:10:26,000

bright enough to cast a shadow in bright sunlight,

156

00:10:26,000 --> 00:10:31,000

and this object was reported to be seen not only in Bridgewater,

157

00:10:31,000 --> 00:10:35,000

but also in Roxbury over 30 miles away.

158

00:10:35,000 --> 00:10:39,000

Now that's interesting to me because the fact that people

159

00:10:39,000 --> 00:10:44,000

in two different cities reported seeing the same thing at the same time

160

00:10:44,000 --> 00:10:48,000

to me says that they really saw something.

161

00:10:48,000 --> 00:10:51,000

It was seen by a huge number of people,

162

00:10:51,000 --> 00:10:58,000

and one observer remarked that the sound that this giant ball of light made

163

00:10:58,000 --> 00:11:03,000

was heard more in the middle of its travel than at the beginning,

164

00:11:03,000 --> 00:11:06,000

which I think is a very interesting detail

165

00:11:06,000 --> 00:11:10,000

that does correlate to some extent with more modern UFO reports.

166

00:11:10,000 --> 00:11:15,000

The Bridgewater sighting of 1760 is just one of many incredible events

167

00:11:15,000 --> 00:11:18,000

that took place in colonial America.

168

00:11:18,000 --> 00:11:21,000

It was mysterious. It was the frontier.

169

00:11:21,000 --> 00:11:24,000

Something was up there in the sky,

170

00:11:24,000 --> 00:11:28,000

way before any powered flight had been invented by modern humanity.

171

00:11:29,000 --> 00:11:35,000

Is it possible that the strange lights seen over the Bridgewater Triangle

172

00:11:35,000 --> 00:11:42,000

were produced by the same alien beings that exist in Native American legend?

173

00:11:42,000 --> 00:11:46,000

Ancient astronaut theorists say yes,

174

00:11:46,000 --> 00:11:52,000

and claim that a recent archaeological find suggests that extra-terrestrials

175

00:11:52,000 --> 00:11:57,000

have not only been visiting America from the time of our earliest known civilizations,

176

00:11:57,000 --> 00:12:02,000

but even centuries before recorded history began.

177

00:12:05,000 --> 00:12:09,000

Western Nevada, 2013.

178

00:12:09,000 --> 00:12:13,000

On the west side of the dried-up Winamaka Lake,

179

00:12:13,000 --> 00:12:18,000

researchers take samples from a layer of white carbonate covering petroglyphs

180

00:12:18,000 --> 00:12:21,000

carved into limestone boulders.

181

00:12:21,000 --> 00:12:26,000

Radiocarbon tests performed by the University of Colorado Boulder

182

00:12:26,000 --> 00:12:35,000

reveal that the petroglyphs were etched between 10,500 and 14,800 years ago,

183

00:12:35,000 --> 00:12:40,000

making them the oldest petroglyphs ever found in North America.

184

00:12:43,000 --> 00:12:50,000

Winamaka Lake in Nevada is the site of petroglyphs that date all the way back to 8,000 B.C.

185

00:12:50,000 --> 00:12:55,000

That is amazing because right here in America,

186

00:12:55,000 --> 00:13:02,000

we now have absolute proof of a civilization that predates the fertile crescent of Mesopotamia

187

00:13:02,000 --> 00:13:07,000

by over 3,000 years minimum, and there's nothing else like it.

188

00:13:07,000 --> 00:13:16,000

Looking at some of these petroglyphs, you've got to wonder if these aren't being drawn by early Americans

189

00:13:16,000 --> 00:13:22,000

who are interacting with extra-terrestrials and then drawing what they think they see.

190

00:13:22,000 --> 00:13:27,000

When we look at the petroglyphs themselves, the actual designs,

191

00:13:27,000 --> 00:13:33,000

we also find very unusual formations, including spirals.

192

00:13:33,000 --> 00:13:39,000

This is something that we see very consistently in many ancient cultures,

193

00:13:39,000 --> 00:13:43,000

which is often associated with the shape of the galaxies.

194

00:13:43,000 --> 00:13:46,000

They may be aware that they were a part of a galaxy.

195

00:13:46,000 --> 00:13:50,000

Who gave them this information? How did they obtain this?

196

00:13:50,000 --> 00:13:53,000

Why would they make these illustrations?

197

00:13:53,000 --> 00:13:59,000

This has given rise to the theory that could there have been civilizations not dissimilar to ours

198

00:13:59,000 --> 00:14:06,000

that thousands of years ago, or tens of thousands of years ago, that have now become lost to the fog of time.

199

00:14:06,000 --> 00:14:11,000

This inevitably raises the question, does the human race go in cycles?

200

00:14:11,000 --> 00:14:17,000

We're a war-like species. Will we one day be somebody's memory and somebody's folklore?

201

00:14:17,000 --> 00:14:20,000

And they think they're the first.

202

00:14:23,000 --> 00:14:29,000

Could these petroglyphs that predate even the earliest known Native American tribes

203

00:14:29,000 --> 00:14:33,000

be evidence of an ancient lost civilization?

204

00:14:33,000 --> 00:14:40,000

And if so, might other, even more profound secrets lie hidden in North America,

205

00:14:40,000 --> 00:14:43,000

waiting to be discovered?

206

00:14:44,000 --> 00:14:50,000

The Grand Canyon, located in the American Southwest.

207

00:14:50,000 --> 00:14:57,000

This enormous gorge is 277 miles long and a mile deep.

208

00:14:57,000 --> 00:15:02,000

Much of it is remote and rarely traveled.

209

00:15:03,000 --> 00:15:15,000

In 1909, an explorer named G.E. Kincaid was boating through the canyon on the Colorado River,

210

00:15:15,000 --> 00:15:21,000

when he noticed stains in the sediments on the east wall of a canyon gorge.

211

00:15:21,000 --> 00:15:25,000

According to his account, when he stopped to get a closer look,

212

00:15:25,000 --> 00:15:30,000

he found the entrance to what appeared to be a man-made cave.

213

00:15:30,000 --> 00:15:34,000

Kincaid saw what he thought was an ancient gold mine.

214

00:15:34,000 --> 00:15:39,000

As he climbed up onto the walls of the canyon to investigate it,

215

00:15:39,000 --> 00:15:43,000

what he really discovered was not an ancient mine,

216

00:15:43,000 --> 00:15:49,000

but a labyrinth of rooms and tunnels cut into the side of the canyon

217

00:15:49,000 --> 00:15:53,000

that went back hundreds, even thousands of feet.

218

00:15:54,000 --> 00:16:01,000

There were passageways radiating from this main chamber.

219

00:16:01,000 --> 00:16:06,000

He found stone tablets with Egyptian-style hieroglyphics.

220

00:16:08,000 --> 00:16:16,000

He also came to another chamber and it contained a marble carved statue of Buddha

221

00:16:16,000 --> 00:16:21,000

sitting in a lotus posture, holding a lotus in each hand.

222

00:16:23,000 --> 00:16:29,000

There was all kinds of statues made of bronze and mummies as well.

223

00:16:29,000 --> 00:16:35,000

He described them as Egyptian and Tibetan kind of things.

224

00:16:36,000 --> 00:16:45,000

So therefore he believed he had discovered some vast secret city and treasure inside the Grand Canyon.

225

00:16:46,000 --> 00:16:53,000

Anchors to spread the news of his extraordinary find,

226

00:16:53,000 --> 00:16:56,000

Kincaid reportedly made his way to Phoenix,

227

00:16:56,000 --> 00:17:01,000

where he told his story to a reporter for the local newspaper.

228

00:17:01,000 --> 00:17:07,000

He then contacted his employer, the Smithsonian Institution.

229

00:17:07,000 --> 00:17:13,000

They sent an archaeologist named Jordan and Jordan then examined the caves.

230

00:17:14,000 --> 00:17:21,000

The Smithsonian allegedly began excavating and removing the artifacts out of the secret caves.

231

00:17:21,000 --> 00:17:26,000

And supposedly they were all sent back to Washington, D.C.

232

00:17:27,000 --> 00:17:31,000

But mysteriously there was no follow-up to the story.

233

00:17:32,000 --> 00:17:36,000

And G.E. Kincaid was never heard from again.

234

00:17:43,000 --> 00:17:46,000

The caves were apparently sealed up.

235

00:17:46,000 --> 00:17:50,000

Metal doors and gates put over them.

236

00:17:50,000 --> 00:17:57,000

The National Park now denies any knowledge or existence of these caves or cave entrances.

237

00:17:57,000 --> 00:18:04,000

And if you talk to the Smithsonian today, they will deny any knowledge of the secret city in the Grand Canyon.

238

00:18:04,000 --> 00:18:08,000

Or that an archaeologist named Jordan worked for the Smithsonian.

239

00:18:08,000 --> 00:18:14,000

And in fact, essentially the knowledge of the secret city in the Grand Canyon has completely disappeared from history.

240

00:18:17,000 --> 00:18:26,000

How is it that such an incredible story that the Arizona Gazette reported in two separate articles dated a month apart was suddenly dropped?

241

00:18:29,000 --> 00:18:32,000

Was Kincaid the victim of a cover-up?

242

00:18:32,000 --> 00:18:38,000

And if so, what was it that the American government didn't want the public to know?

243

00:18:39,000 --> 00:18:48,000

According to his own description, Kincaid's cave lies in one of the most remote and inaccessible parts of the Grand Canyon.

244

00:18:50,000 --> 00:18:55,000

And since a government permit is required to enter this treacherous terrain,

245

00:18:55,000 --> 00:19:01,000

few people have ever been able to explore the area where this cave was allegedly found.

246

00:19:02,000 --> 00:19:11,000

If in fact there are artifacts that exist from Egypt or from the Orient in the United States and

they predate history as we know it,

247

00:19:11,000 --> 00:19:17,000

it would completely change everything we know about our own history. We'd have to rewrite our history books.

248

00:19:22,000 --> 00:19:30,000

Is it possible that G.E. Kincaid really did find Egyptian and Oriental artifacts in a cave in the Grand Canyon?

249

00:19:31,000 --> 00:19:34,000

And if so, how did they get here?

250

00:19:35,000 --> 00:19:44,000

Some ancient astronaut theorists believe the answer can be found by examining the stories of the Native American tribes of the Southwest,

251

00:19:44,000 --> 00:19:49,000

who say there is a connection between the Grand Canyon and star beings.

252

00:19:50,000 --> 00:20:02,000

According to the Hopi, just before a catastrophic event struck the area where their ancestors lived, these star beings led them to safety.

253

00:20:04,000 --> 00:20:12,000

The Native Americans followed an object in the sky night and day to the Grand Canyon where they found refuge.

254

00:20:13,000 --> 00:20:28,000

The Hopi believed that they were taken to an underground or subterranean city where they were nurtured and progressed through levels to emerge eventually on the surface of the Earth.

255

00:20:31,000 --> 00:20:38,000

They emerged through a hole called a seapapu. It's a very holy place to the Hopi nation.

256

00:20:39,000 --> 00:20:43,000

The seapapu and the Grand Canyon, we know there is such a place.

257

00:20:45,000 --> 00:20:50,000

This is our Garden of Eden where we had the beginning of the present world.

258

00:20:53,000 --> 00:21:03,000

We hold the Grand Canyon as a very reverent place that came out after the last catastrophe into the present day systems that we have.

259

00:21:04,000 --> 00:21:17,000

The Hopi elders only recently revealed the Grand Canyon as the site of their seapapu, causing some to question whether this might be the same cave dwelling.

260

00:21:17,000 --> 00:21:24,000

GE Kincaid claimed to have found in 1909, but the exact location remains a mystery.

261

00:21:25,000 --> 00:21:34,000

Supposedly, the entrance into this underground city of the Grand Canyon is on this eastern part on these slopes right over here.

262

00:21:35,000 --> 00:21:46,000

We were able to get to the edge of the canyon to look down, but it's hundreds of feet straight down on cliffs into this area of the Grand Canyon.

263

00:21:46,000 --> 00:21:51,000

It's just almost impossible to get a good look or see what is in this part.

264

00:21:54,000 --> 00:22:02,000

Could extraterrestrials really have led ancient Native Americans to this nearly inaccessible area of the Grand Canyon?

265

00:22:03,000 --> 00:22:07,000

Whether Kincaid's cave really exists remains a mystery.

266

00:22:09,000 --> 00:22:19,000

But some ancient astronaut theorists believe indisputable proof of extraterrestrial contact can be found today thousands of miles away.

267

00:22:20,000 --> 00:22:22,000

In the American Midwest.

268

00:22:25,000 --> 00:22:28,000

Henry County, Missouri.

269

00:22:30,000 --> 00:22:33,000

July 19th, 2013.

270

00:22:35,000 --> 00:22:40,000

Driving across her land, rancher Lynn Mitchell comes upon a horrific sight.

271

00:22:44,000 --> 00:22:48,000

One of her black Angus cows lies dead and maimed in a field.

272

00:22:49,000 --> 00:22:51,000

The tongue had been removed.

273

00:22:52,000 --> 00:22:57,000

The udders, the anus and the reproductive organs had also been removed.

274

00:22:58,000 --> 00:23:01,000

The veterinarian ruled out blunt trauma as a cause of death.

275

00:23:02,000 --> 00:23:05,000

In fact, no cause of death at all could be determined.

276

00:23:09,000 --> 00:23:18,000

The Mitchell event is just the latest in a half-century long epidemic of mysterious animal mutilations that have occurred all across America.

277

00:23:19,000 --> 00:23:31,000

Although experts say they don't know exactly how many animals have been affected, they estimate the number ranges from one to two thousand a year for the past twenty years.

278

00:23:36,000 --> 00:23:47,000

Investigative journalist Linda Moulton-Howe was working for CBS News in Denver, Colorado in 1979 when she witnessed firsthand the strange precision of the animal.

279

00:23:48,000 --> 00:23:52,000

The animal was also involved in the precise injuries inflicted on animals.

280

00:23:53,000 --> 00:23:59,000

We flew down to San Luis, Colorado because I had gotten a phone call from a sheriff there.

281

00:24:00,000 --> 00:24:02,000

And he's telling me, you need to see this.

282

00:24:04,000 --> 00:24:15,000

We start crossing a field and then using our arms to get through thick willows, pushing the tree branches.

283

00:24:15,000 --> 00:24:21,000

And when we got into the space underneath these trees, it didn't seem possible.

284

00:24:22,000 --> 00:24:29,000

Here was a black and white steer and it was lying perfectly like it should get up.

285

00:24:31,000 --> 00:24:37,000

There's no violence, but there was a perfect circle around that left eye that's up.

286

00:24:38,000 --> 00:24:49,000

The hide had been removed just down to the bone and then the left jaw was perfectly removed, the tongue is removed and there's not a single broken branch.

287

00:24:54,000 --> 00:25:01,000

Curiously, researchers say that in almost every animal mutilation case, the organs appear to be the target.

288

00:25:02,000 --> 00:25:05,000

These are very carefully removed.

289

00:25:06,000 --> 00:25:15,000

Not torn out, not chewed away, but precisely and carefully cut away with what appear to be surgical type incisions.

290

00:25:16,000 --> 00:25:18,000

There's never any blood found near these carcasses.

291

00:25:19,000 --> 00:25:23,000

In fact, most times there is no blood within the carcasses themselves.

292

00:25:24,000 --> 00:25:31,000

When you're dealing with natural predators such as coyotes, you're dealing with lots of blood.

293

00:25:32,000 --> 00:25:38,000

It's an entirely different process and does not produce these clean bloodless incisions.

294

00:25:41,000 --> 00:25:44,000

Are these animal mutilations truly extraordinary?

295

00:25:45,000 --> 00:25:50,000

Or are farmers and ranchers simply mistaken about how the animals died?

296

00:25:53,000 --> 00:25:59,000

Dr. Jim Reynolds is a professor of livestock medicine at Western University in Pomona, California.

297

00:26:00,000 --> 00:26:05,000

Over the course of his career, he has seen thousands of animal injuries.

298

00:26:06,000 --> 00:26:15,000

After closely examining pictures of these mutilations, he believes many of the animals died from ordinary disease or natural predator attacks.

299

00:26:16,000 --> 00:26:25,000

But he says other pictures, like this one, taken in Caldwell, Kansas in 1992, are harder to explain.

300

00:26:26,000 --> 00:26:30,000

Just looking at the picture, I can't explain how this happened.

301

00:26:31,000 --> 00:26:36,000

What's strange about it is that there's no evidence of hemorrhage or bleeding around the area.

302

00:26:37,000 --> 00:26:38,000

We don't see any blood on the tissue.

303

00:26:38,000 --> 00:26:46,000

As a long-time field veterinarian, I've not seen this in a dead cow in my career.

304

00:26:47,000 --> 00:26:53,000

Another mutilation case from 1982 also raises questions for Dr. Reynolds.

305

00:26:54,000 --> 00:26:59,000

Because of the surgical fashion in which the body parts look to have been removed.

306

00:27:01,000 --> 00:27:07,000

I can't really explain the removal of this ear. It could have been chewed off by a scavenger.

307

00:27:08,000 --> 00:27:15,000

But I can't really explain. I would expect if this had been chewed off that there would be a little more tissue damage and probably fresher tissue.

308

00:27:16,000 --> 00:27:17,000

I'm not sure about this one.

309

00:27:19,000 --> 00:27:36,000

While mainstream medical professionals are unsure who or what could be responsible for these attacks, ancient astronaut theorists suggest the answer may be found by examining strange findings reported at other mutilation sites.

310

00:27:39,000 --> 00:27:44,000

Sometimes the animals are lying on top of charred patches of ground.

311

00:27:45,000 --> 00:27:49,000

Sometimes those charred patches are exactly the same size and shape as the animals themselves.

312

00:27:50,000 --> 00:27:58,000

And very often there have been reports of strange lights in the sky or on the ground in and around the time where the mutilations are taking place.

313

00:27:59,000 --> 00:28:14,000

I have come to the conclusion the phenomena that is behind the global animal mutilations of the last at least 100 years are extraterrestrial, biological, and it is.

314

00:28:17,000 --> 00:28:22,000

Is it possible that extraterrestrials are behind the cattle mutilation phenomenon?

315

00:28:23,000 --> 00:28:32,000

Ancient astronaut theorists suggest that the evidence for this conclusion dates back much further than just the past 50 years.

316

00:28:35,000 --> 00:28:41,000

The oldest case that I've been able to discover is from England in 1606.

317

00:28:42,000 --> 00:28:45,000

This is mentioned in James I court records.

318

00:28:46,000 --> 00:28:53,000

Hundreds of sheep were being found strangely slain and parts were taken away, but the meat was left behind.

319

00:28:56,000 --> 00:29:00,000

And the particular passage in the record has a very interesting quote at the end.

320

00:29:01,000 --> 00:29:05,000

It said that these cases or incidences tend to thwart fireworks.

321

00:29:06,000 --> 00:29:15,000

But why would alien beings that are presumably thousands of years more advanced than humans choose to abduct and maim animals?

322

00:29:16,000 --> 00:29:21,000

What could they want with these extracted body parts?

323

00:29:23,000 --> 00:29:32,000

Some ancient astronaut theorists believe that the explanation behind this frightening phenomenon may be that extraterrestrials are actually conducting a process of life.

324

00:29:35,000 --> 00:29:38,000

They're conducting experiments to benefit humankind.

325

00:29:40,000 --> 00:29:53,000

One intriguing theory of the cattle mutilations is that extraterrestrials might be monitoring the cattle herd to try and determine if there are emerging viruses that could jump from species to species.

326

00:29:54,000 --> 00:30:04,000

That's to say they infect the cattle and then we eat the cattle in the form of beef and then we get infected, which is exactly what happened with Mad Cow disease in Britain.

327

00:30:06,000 --> 00:30:13,000

Could animal mutilations really be proof that alien beings are still present in America today?

328

00:30:16,000 --> 00:30:32,000

Continuing to monitor our progress and even intervening in earthly affairs, perhaps further clues can be found by examining strange events witnessed by the United States military.

329

00:30:36,000 --> 00:30:43,000

Momstrom Air Force Base, Montana, March 16, 1967.

330

00:30:44,000 --> 00:30:55,000

Before dawn, sentries and maintenance crews near the base's nuclear missile silos see mysterious lights flying back and forth across the sky.

331

00:30:56,000 --> 00:31:02,000

These lights are so bright that the men on the ground can't identify what they are.

332

00:31:03,000 --> 00:31:13,000

But when one of them takes up a position just outside the base's security fence, a sentry causes superior to report a UFO.

333

00:31:13,000 --> 00:31:23,000

The people on the ground were trying to make sense of this sudden wave of sightings. Alarm started going off.

334

00:31:24,000 --> 00:31:31,000

The nuclear weapons were going off alert, which means they were moving into a state in which they could not have been fired.

335

00:31:33,000 --> 00:31:37,000

When one missile seemed to shut itself off, it was a huge deal.

336

00:31:38,000 --> 00:31:44,000

There was an uproar. People thought, well, there were maintenance crews at this site.

337

00:31:45,000 --> 00:31:51,000

Maybe they were doing work on it that required taking the missile offline. They didn't notify us. They didn't follow protocol.

338

00:31:52,000 --> 00:31:58,000

But when the other missiles started to go offline in rapid succession, they realized something really unusual was happening.

339

00:31:58,000 --> 00:32:06,000

In fact, they brought in teams of engineers later to try to figure out what had happened.

340

00:32:07,000 --> 00:32:15,000

This was documented in memoranda that went back and forth between that facility and NORAD about how could this happen.

341

00:32:16,000 --> 00:32:25,000

They were trying to explain how in the world this has happened, because this is obviously something that would be of immense interest to the national security people in charge of our weapons.

342

00:32:26,000 --> 00:32:30,000

Boeing, who made the missiles, could not find what was wrong with them.

343

00:32:31,000 --> 00:32:37,000

They could duplicate the fault by sending electronic signals into one part of the electronic system of the missile.

344

00:32:38,000 --> 00:32:45,000

But that system was protected by shielded cables and the rest, so how they were taken offline is not known to this day.

345

00:32:45,000 --> 00:32:56,000

But who, or what, was responsible for the seemingly inexplicable nuclear shutdown?

346

00:32:57,000 --> 00:33:04,000

The Washington-based disclosure project has done detailed research on encounters between the military and UFOs.

347

00:33:05,000 --> 00:33:10,000

And based on the evidence, they are convinced this incident was an alien encounter.

348

00:33:10,000 --> 00:33:21,000

A UFO somehow took offline and rendered unlaunchable at least 16 and maybe up to 20 intercontinental ballistic missiles.

349

00:33:22,000 --> 00:33:28,000

The men who were there had told me that it wasn't just that there was the effect, they actually did see the UFO.

350

00:33:29,000 --> 00:33:39,000

Is it possible that aliens at Malmstrom Air Force Base were trying to send us a message?

351

00:33:40,000 --> 00:33:47,000

Some ancient astronaut theorists believe that the high number of UFO sightings reported near military installations

352

00:33:48,000 --> 00:33:54,000

indicates that aliens are not only present in America, but that they have taken measures to shape our future.

353

00:33:55,000 --> 00:33:58,000

Three, two, one.

354

00:34:04,000 --> 00:34:09,000

Ever since we detonated the first atomic weapon, UFOs have taken an interest in our nuclear facilities.

355

00:34:10,000 --> 00:34:18,000

They are wanting to see to what extent we might be a risk to this planet and to others who may be out in space who are peaceful.

356

00:34:22,000 --> 00:34:36,000

Could it be that extraterrestrials have been visiting us now in much greater numbers since we developed the capability to annihilate the planet with nuclear weapons, specifically to ensure that we do not do so?

357

00:34:41,000 --> 00:34:56,000

When a flurry of UFO sightings started being reported in the late 1940s and 50s, some Native Americans took it as a warning sign based on their own stories of star beings.

358

00:34:56,000 --> 00:35:14,000

In 1948, a Navajo writer named Ogomaki wrote a magazine article drawing parallels between the modern UFO phenomenon and the experiences of the Native people who lived in the Death Valley area of California.

359

00:35:15,000 --> 00:35:30,000

It describes a past of the Paiute Indians and there was a species of human who lived in the mountains on the west side of Death Valley who had a marvelous and complicated civilization.

360

00:35:31,000 --> 00:35:37,000

It contained vast rowing boats as they're described in this myth, vast flying machines.

361

00:35:38,000 --> 00:35:47,000

Ogomaki questions white man's thinking that stories of flying saucers and mystery ships are something new.

362

00:35:47,000 --> 00:35:54,000

And he says, and I quote, if you had red skin, you'd know that this is not true.

363

00:35:54,000 --> 00:36:01,000

He writes that his people have been seeing objects like this in the sky for thousands of years.

364

00:36:01,000 --> 00:36:10,000

And he basically says that for his people, the idea that aliens have visited Earth is not merely a theory, but it's a fact.

365

00:36:12,000 --> 00:36:27,000

The elder Paiute chief who told this story said that they believe that these UFOs have an interest in our Earth and that they don't want to see our environment, our world destroyed by the actions of man.

366

00:36:27,000 --> 00:36:47,000

Is it possible that the UFOs spotted at Malmstrom Air Force Base in 1967 were the same entities that many Native American tribes refer to as star beings and that they caused the shutdown of the nuclear missiles to send us a message?

367

00:36:48,000 --> 00:36:59,000

Ancient astronaut theorists say yes and claim that aliens may even have played a decisive role in the war of 1812.

368

00:37:00,000 --> 00:37:24,000

According to the Colorado based Mutual UFO Network, the largest UFO investigative organization in the world, in the first week of 2012 reports of UFOs in the United States suddenly skyrocketed with a staggering 233 reports coming in from 36 states.

369

00:37:25,000 --> 00:37:29,000

And ever since, the numbers have continued to grow.

370

00:37:30,000 --> 00:37:41,000

If there really are aliens still visiting Earth today, have they taken a special interest in America? And might they even be helping to determine our future?

371

00:37:42,000 --> 00:37:50,000

Ancient astronaut theorists believe the answer may be found by looking back at one of the most important events in American history.

372

00:37:54,000 --> 00:37:57,000

Washington DC, 1814.

373

00:38:01,000 --> 00:38:04,000

Two years into the bloody war of 1812.

374

00:38:09,000 --> 00:38:14,000

The American hopes for victory over the invading English army seem to be dying.

375

00:38:18,000 --> 00:38:21,000

And now the unimaginable is happening.

376

00:38:22,000 --> 00:38:27,000

A foreign army is poised to enter Washington DC.

377

00:38:31,000 --> 00:38:40,000

It was a very hot summer that year. The British forces were able to completely overwhelm the very young United States army at the time.

378

00:38:41,000 --> 00:38:44,000

And they marched into Washington DC.

379

00:38:44,000 --> 00:38:56,000

President Monroe and all of the other politicians had left the capital and at that time the British forces were finding basically a deserted city.

380

00:38:57,000 --> 00:39:02,000

So they began to set fire to Washington DC, starting with the White House.

381

00:39:05,000 --> 00:39:09,000

And they were basically going to just burn down our nation's capital.

382

00:39:10,000 --> 00:39:17,000

The United States of America, then just a few decades old, is on the verge of going down in flames.

383

00:39:18,000 --> 00:39:21,000

But then something strange happens.

384

00:39:22,000 --> 00:39:26,000

That summer day was a very hot, sultry day.

385

00:39:27,000 --> 00:39:33,000

And at first they thought this would really help burn down Washington DC. There weren't any clouds in the sky.

386

00:39:34,000 --> 00:39:40,000

But suddenly the weather changed very, very drastically.

387

00:39:43,000 --> 00:39:48,000

Big storm clouds moved in. It began pouring rain.

388

00:39:52,000 --> 00:39:56,000

And then suddenly out of nowhere this tornado formed.

389

00:39:57,000 --> 00:40:03,000

And it went straight at the British troops and forced them to retreat.

390

00:40:04,000 --> 00:40:09,000

And at the same time the pelting rain put out all of the fires.

391

00:40:10,000 --> 00:40:12,000

And Washington DC was saved.

392

00:40:14,000 --> 00:40:19,000

History books record this as a stroke of incredible good luck for the Americans.

393

00:40:20,000 --> 00:40:26,000

But some ancient alien theorists believe that perhaps this was a UFO encounter.

394

00:40:27,000 --> 00:40:31,000

That it was an extraterrestrial intelligence that created that storm.

395

00:40:32,000 --> 00:40:37,000

And changed the course of that battle and perhaps of American history.

396

00:40:38,000 --> 00:40:47,000

Is it possible that the storm that helped the United States win the war of 1812 was actually produced by extraterrestrials?

397

00:40:48,000 --> 00:40:52,000

And if so, were they trying to protect the fragile American experiments?

398

00:40:53,000 --> 00:41:00,000

It's interesting to speculate that perhaps there was something about America that was not only a natural disaster,

399

00:41:01,000 --> 00:41:09,000

it's interesting to speculate that perhaps there was something about America that an extraterrestrial intelligence took interest in.

400

00:41:10,000 --> 00:41:15,000

Whether it was freedom of religion, new ideas about democracy, about a republic,

401

00:41:16,000 --> 00:41:24,000

or something else that drew the attention of aliens and might have made them want to help this country become a success.

402

00:41:25,000 --> 00:41:34,000

And I think that that would really be because the United States as a country was a prophecy to exist in a sense.

403

00:41:35,000 --> 00:41:43,000

And the extraterrestrials very much nurtured the young United States and watched its growth very carefully.

404

00:41:44,000 --> 00:41:50,000

Like a parent watching a child growing up and being very protective of it too.

405

00:41:50,000 --> 00:41:58,000

And when the extraterrestrials saw this moment where the United States could lose this war and be occupied,

406

00:41:59,000 --> 00:42:02,000

they decided to step in and change history.

407

00:42:06,000 --> 00:42:16,000

Could the mysterious sightings and strange incidents that have been reported throughout our history be evidence of America's extraterrestrial heritage?

408

00:42:17,000 --> 00:42:22,000

Since the beginning of recorded history in North America, we've heard of these sightings.

409

00:42:25,000 --> 00:42:30,000

And we today in our modern world are re-encountering these same creatures.

410

00:42:32,000 --> 00:42:34,000

And you have to ask, are they the same beings?

411

00:42:35,000 --> 00:42:42,000

Are they the same creatures that have been seen for thousands of years and now we're being asked to find a place for them in our world?

412

00:42:47,000 --> 00:42:57,000

I'm totally convinced that the evidence makes it true beyond reasonable doubt that we are being reconnoitered by extraterrestrial civilizations.

413

00:42:58,000 --> 00:43:01,000

And the big question is, why is this?

414

00:43:02,000 --> 00:43:07,000

My personal view is that there could be teaching us, trying to upgrade us.

415

00:43:08,000 --> 00:43:09,000

You know, we're a pretty war-like species.

416

00:43:10,000 --> 00:43:19,000

Possibly somebody from out there might want to try and harness and rein in our war-like abilities

in the event that one day we head out there as well.

417

00:43:21,000 --> 00:43:28,000

Is it possible that aliens have been visiting America and watching over its inhabitants throughout human history?

418

00:43:29,000 --> 00:43:34,000

Could there be evidence that is yet to be discovered hidden in caves?

419

00:43:35,000 --> 00:43:37,000

On remote cliffs?

420

00:43:38,000 --> 00:43:41,000

Or even in the Grand Canyon?

421

00:43:42,000 --> 00:43:55,000

If there really are extraterrestrials still visiting Earth today, might they be slowly revealing their presence in an attempt to prepare us for their return?
