

1

00:00:00,000 --> 00:00:02,000

Demonic seduction.

2

00:00:02,000 --> 00:00:06,000

You cannot resist or do anything about it.

3

00:00:06,000 --> 00:00:08,000

Hybrid offspring.

4

00:00:08,000 --> 00:00:12,000

People believe that he was half-dragon and half-human.

5

00:00:12,000 --> 00:00:14,000

And strange abductions.

6

00:00:14,000 --> 00:00:18,000

These beings from outer space want them to have sex.

7

00:00:18,000 --> 00:00:20,000

In cultures throughout the world,

8

00:00:20,000 --> 00:00:25,000

there are tales of intimate encounters with extraterrestrial beings.

9

00:00:25,000 --> 00:00:29,000

But could these stories be more than just myth?

10

00:00:29,000 --> 00:00:35,000

Did aliens come to Earth to mate with humans?

11

00:00:35,000 --> 00:00:40,000

Clearly, there are entities out there which have an agenda

12

00:00:40,000 --> 00:00:45,000

mating with human beings for their own purpose.

13

00:00:45,000 --> 00:00:48,000

Millions of people around the world believe

14

00:00:48,000 --> 00:00:52,000

we have been visited in the past by extraterrestrial beings.

15

00:00:52,000 --> 00:00:55,000

What if it were true?

16

00:00:56,000 --> 00:01:00,000

Did ancient aliens really help to shape our history?

17

00:01:00,000 --> 00:01:06,000

And if so, might we be the product of alien breeders?

18

00:01:25,000 --> 00:01:30,000

The World of Tanks

19

00:01:40,000 --> 00:01:44,000

Leipzig, Germany, 2010.

20

00:01:44,000 --> 00:01:48,000

Biologists, led by Svante Pabbo of the Max Planck Institute

21

00:01:48,000 --> 00:01:53,000

for Evolutionary Anthropology, make a stunning announcement.

22

00:01:53,000 --> 00:01:55,000

They have determined that early humans

23

00:01:55,000 --> 00:02:00,000

not only coexisted on Earth with other more primitive hominids,

24

00:02:00,000 --> 00:02:04,000

they also mated with them.

25

00:02:04,000 --> 00:02:09,000

But even more astonishing, was their finding that another,

26

00:02:09,000 --> 00:02:15,000

as yet unidentified species, may also be represented in human DNA.

27

00:02:18,000 --> 00:02:21,000

Up until now, most people have been familiar

28

00:02:21,000 --> 00:02:25,000

with the typical DNA model of human evolution in which

29

00:02:25,000 --> 00:02:28,000

you have a very nicely defined progression

30

00:02:28,000 --> 00:02:33,000

from previous types of human or hominid life

31

00:02:33,000 --> 00:02:36,000

up to anatomically modern humans.

32

00:02:36,000 --> 00:02:38,000

That's not true anymore.

33

00:02:38,000 --> 00:02:41,000

And what we're seeing is evidence

34

00:02:41,000 --> 00:02:43,000

that there could have been interbreeding

35

00:02:43,000 --> 00:02:46,000

with what the actual mainstream media is calling

36

00:02:46,000 --> 00:02:49,000

mystery species of humans.

37

00:02:52,000 --> 00:02:54,000

There's a big debate over Neanderthals

38

00:02:54,000 --> 00:02:57,000

and others whether they had sexual contact in humans.

39

00:02:57,000 --> 00:02:59,000

But if there were, a primate's already here

40

00:02:59,000 --> 00:03:01,000

who had evolved by Darwinian evolution,

41

00:03:01,000 --> 00:03:06,000

it's not a big step to take the next step and create a cross.

42

00:03:07,000 --> 00:03:10,000

An anthropologist from the University of Wisconsin,

43

00:03:10,000 --> 00:03:15,000

Dr. John Hawks, did a comprehensive analysis of human DNA

44

00:03:15,000 --> 00:03:17,000

going back for many thousands of years,

45

00:03:17,000 --> 00:03:20,000

and what he found was astonishing.

46

00:03:21,000 --> 00:03:26,000

If you look at the DNA from someone in 3000 BC

47

00:03:26,000 --> 00:03:30,000

and you compare that to the DNA of someone alive today,

48

00:03:30,000 --> 00:03:33,000

it has changed by 7%.

49

00:03:34,000 --> 00:03:37,000

Mapping the human genome, Dr. Hawks,

50

00:03:37,000 --> 00:03:40,000

found that in the past 5,000 years,

51

00:03:40,000 --> 00:03:44,000

our DNA has evolved at a rate 100 times greater

52

00:03:44,000 --> 00:03:48,000

than any previous 5,000-year period in our history.

53

00:03:48,000 --> 00:03:51,000

So what happened in the last 5,000 years

54

00:03:51,000 --> 00:03:56,000

that altered the structure of human DNA by 7%?

55

00:03:57,000 --> 00:04:00,000

Is it possible that extraterrestrial humans

56

00:04:00,000 --> 00:04:03,000

interbreed with us sometime in the last 5,000 years,

57

00:04:03,000 --> 00:04:07,000

and that could account for these monumental changes

58

00:04:07,000 --> 00:04:09,000

in the structure of human DNA?

59

00:04:11,000 --> 00:04:15,000

Could it be that our ancestors are not only hominids

60

00:04:15,000 --> 00:04:17,000

who lived here on Earth,

61

00:04:17,000 --> 00:04:20,000

but also beings from beyond our world?

62

00:04:22,000 --> 00:04:25,000

Ancient astronaut theorists claim that evidence of this

63

00:04:25,000 --> 00:04:28,000

can be found in stories throughout history

64

00:04:28,000 --> 00:04:31,000

that depict humans mating with gods.

65

00:04:31,000 --> 00:04:34,000

Throughout world cultures and mythologies,

66

00:04:34,000 --> 00:04:37,000

this idea of otherworldly beings, gods,

67

00:04:37,000 --> 00:04:41,000

supernatural beings, demons, having sex with humans

68

00:04:41,000 --> 00:04:43,000

is very, very common.

69

00:04:43,000 --> 00:04:45,000

The way that we interpret that experience

70

00:04:45,000 --> 00:04:49,000

depends on the cultural and religious factors around us.

71

00:04:50,000 --> 00:04:53,000

We can read about these accounts of all sorts of

72

00:04:53,000 --> 00:04:56,000

weird beings who had their way with humans.

73

00:04:59,000 --> 00:05:02,000

All we have to do is to approach these stories

74

00:05:02,000 --> 00:05:05,000

and look at them from a modern perspective

75

00:05:05,000 --> 00:05:08,000

to eliminate the always suggested symbolism

76

00:05:08,000 --> 00:05:12,000

and look at these events for what they potentially really were.

77

00:05:13,000 --> 00:05:16,000

And counters with extraterrestrials.

78

00:05:18,000 --> 00:05:21,000

There is abundant, undeniable evidence

79

00:05:21,000 --> 00:05:24,000

of human and extraterrestrial interbreeding.

80

00:05:24,000 --> 00:05:26,000

It's in so many different cultures

81

00:05:26,000 --> 00:05:29,000

that to suggest that it's all a conspiracy theory,

82

00:05:29,000 --> 00:05:32,000

or a myth, or a fantasy is completely illogical.

83

00:05:35,000 --> 00:05:38,000

But if extraterrestrials have, in fact,

84

00:05:38,000 --> 00:05:41,000

been mating with human beings since ancient times,

85

00:05:41,000 --> 00:05:43,000

what might their purpose be?

86

00:05:45,000 --> 00:05:48,000

Ancient astronaut theorists believe the answer can be found

87

00:05:48,000 --> 00:05:51,000

in the biblical stories of the fallen angels.

88

00:05:53,000 --> 00:05:57,000

There are references in the scriptures to rebellious angels

89

00:05:57,000 --> 00:05:59,000

who were in trouble with God,

90

00:05:59,000 --> 00:06:02,000

came to earth, found the daughters of men attractive

91

00:06:02,000 --> 00:06:05,000

and married them, which is to say had sex with them

92

00:06:05,000 --> 00:06:07,000

and produced offspring.

93

00:06:08,000 --> 00:06:11,000

But God was not happy about it.

94

00:06:11,000 --> 00:06:15,000

The unhappiness of God about it doesn't appear in Genesis

95

00:06:15,000 --> 00:06:18,000

so much as it does in the extra-canonical Old Testament

96

00:06:18,000 --> 00:06:20,000

book of Enoch.

97

00:06:20,000 --> 00:06:23,000

In the book of Enoch, it actually gives the numbers.

98

00:06:23,000 --> 00:06:26,000

It says 200 angels disobeyed God and came to earth

99

00:06:26,000 --> 00:06:28,000

and mated with human women.

100

00:06:29,000 --> 00:06:32,000

In the book of Enoch, these beings from outer space,

101

00:06:32,000 --> 00:06:36,000

they wanted to have sex with beauties on earth.

102

00:06:36,000 --> 00:06:40,000

So they all came together and they swore we will do it

103

00:06:40,000 --> 00:06:43,000

even if it's against the rule.

104

00:06:46,000 --> 00:06:49,000

The apocryphal text called the book of Enoch

105

00:06:49,000 --> 00:06:51,000

was written before the time of Jesus,

106

00:06:51,000 --> 00:06:54,000

but was curiously removed from the Bible

107

00:06:54,000 --> 00:06:58,000

in the 4th century AD at the Council of Laodicea.

108

00:06:59,000 --> 00:07:01,000

According to many biblical scholars,

109

00:07:01,000 --> 00:07:05,000

the reason for this was most likely the controversy

110

00:07:05,000 --> 00:07:07,000

over these accounts of the fallen angels

111

00:07:07,000 --> 00:07:09,000

mating with daughters of men,

112

00:07:09,000 --> 00:07:13,000

accounts that the people of the time had taken as fact.

113

00:07:15,000 --> 00:07:17,000

But if the stories of the fallen angels

114

00:07:17,000 --> 00:07:19,000

are to be taken literally,

115

00:07:19,000 --> 00:07:22,000

how is it that spiritual beings were able to not only mate

116

00:07:22,000 --> 00:07:25,000

with humans, but even reproduce?

117

00:07:27,000 --> 00:07:29,000

If angels are what we think they are today,

118

00:07:29,000 --> 00:07:34,000

these non-corporeal, certainly non-human entities,

119

00:07:34,000 --> 00:07:37,000

what on earth, why on earth, how on earth

120

00:07:37,000 --> 00:07:41,000

could there be any interest in a sexual relationship

121

00:07:41,000 --> 00:07:43,000

with human women?

122

00:07:43,000 --> 00:07:46,000

It's physically impossible.

123

00:07:46,000 --> 00:07:49,000

So therefore, if there's any legitimacy

124

00:07:49,000 --> 00:07:52,000

to what the Bible says as we believe it there is,

125

00:07:52,000 --> 00:07:57,000

we must re-understand what these sons of God are.

126

00:07:59,000 --> 00:08:02,000

We have to change the interpretation

127

00:08:02,000 --> 00:08:05,000

and to interpret them in a modern way.

128

00:08:05,000 --> 00:08:09,000

And you see, of a sudden, it all makes sense.

129

00:08:10,000 --> 00:08:13,000

Now the problem is, if extraterrestrials

130

00:08:13,000 --> 00:08:16,000

had a sexual contact with our forefathers,

131

00:08:16,000 --> 00:08:19,000

that means that the genital apparatus

132

00:08:19,000 --> 00:08:22,000

must be similar, otherwise it's not possible.

133

00:08:23,000 --> 00:08:25,000

Now, here's the interesting thing.

134

00:08:25,000 --> 00:08:29,000

It didn't come down here for recreational pastime

135

00:08:29,000 --> 00:08:31,000

as we use sexuality today.

136

00:08:32,000 --> 00:08:36,000

They had an agenda in the manipulation

137

00:08:36,000 --> 00:08:39,000

of the human genetic pool.

138

00:08:43,000 --> 00:08:47,000

Is it possible that the stories of the fallen angels

139

00:08:47,000 --> 00:08:50,000

are really depicting alien beings coming down to earth

140

00:08:50,000 --> 00:08:54,000

to mate with humans and manipulate our genetic makeup?

141

00:08:55,000 --> 00:08:59,000

In this ancient tale that was excised from the Hebrew Bible,

142

00:08:59,000 --> 00:09:03,000

it also describes the offspring of these encounters,

143

00:09:03,000 --> 00:09:07,000

a race of giants known as the Nephilim.

144

00:09:08,000 --> 00:09:11,000

Nephilim were beings that were a crossbreed

145

00:09:11,000 --> 00:09:14,000

between an angelic order and a human order,

146

00:09:14,000 --> 00:09:17,000

which apparently were very large.

147

00:09:18,000 --> 00:09:22,000

The offspring of the sons of God and daughters of men

148

00:09:23,000 --> 00:09:26,000

were not completely human.

149

00:09:26,000 --> 00:09:29,000

They're what we would might today call demigods.

150

00:09:29,000 --> 00:09:32,000

They were not necessarily homo sapient men,

151

00:09:32,000 --> 00:09:34,000

but homo superiors.

152

00:09:34,000 --> 00:09:36,000

They had added abilities, added strength,

153

00:09:36,000 --> 00:09:39,000

very possibly added stature.

154

00:09:39,000 --> 00:09:44,000

These entities created devastation upon the earth.

155

00:09:45,000 --> 00:09:46,000

Why?

156

00:09:46,000 --> 00:09:50,000

Because they are not indigenous to this earth.

157

00:09:53,000 --> 00:09:55,000

Ancient accounts of powerful beings

158

00:09:55,000 --> 00:09:58,000

that are the offspring of gods and humans

159

00:09:58,000 --> 00:10:01,000

can be found in cultures throughout the world.

160

00:10:03,000 --> 00:10:06,000

But if these giants were more than mythology,

161

00:10:06,000 --> 00:10:08,000

wouldn't we have found skeletal remains

162

00:10:08,000 --> 00:10:11,000

or other evidence of their existence?

163

00:10:11,000 --> 00:10:14,000

According to some ancient astromoptheorists,

164

00:10:14,000 --> 00:10:18,000

proof that these human alien hybrids once walked the earth

165

00:10:18,000 --> 00:10:22,000

may lie not in the Middle East, Africa, or even Asia,

166

00:10:22,000 --> 00:10:28,000

but on the other side of the world, in North America.

167

00:10:31,000 --> 00:10:36,000

Delevingne Lake, Wisconsin, May 4th, 1912.

168

00:10:38,000 --> 00:10:41,000

According to a report in the New York Times,

169

00:10:41,000 --> 00:10:45,000

two local boys made an extraordinary discovery.

170

00:10:46,000 --> 00:10:51,000

18 skeletons found in a series of ancient burial mounds,

171

00:10:51,000 --> 00:10:56,000

and all of them measuring between 7 and 9 feet tall.

172

00:10:56,000 --> 00:10:59,000

The enormous skeletons were reportedly submitted

173

00:10:59,000 --> 00:11:01,000

to the State Historical Museum,

174

00:11:01,000 --> 00:11:04,000

but some say they were later confiscated

175

00:11:04,000 --> 00:11:07,000

by the Smithsonian Institution.

176

00:11:10,000 --> 00:11:13,000

There have been finds of giant humanoid bones

177

00:11:13,000 --> 00:11:17,000

all over the world, even here in the American Southwest.

178

00:11:17,000 --> 00:11:21,000

Yet most of these stories have been suppressed.

179

00:11:21,000 --> 00:11:25,000

They're not the kind of thing you read about in anatomy textbooks.

180

00:11:25,000 --> 00:11:27,000

You don't ever read about them in the news.

181

00:11:27,000 --> 00:11:31,000

They're generally just regarded as myths and legends.

182

00:11:31,000 --> 00:11:33,000

The reason why that would be the case

183

00:11:33,000 --> 00:11:36,000

is because that would imply that these creatures

184

00:11:36,000 --> 00:11:39,000

were not necessarily evolved here on earth,

185

00:11:39,000 --> 00:11:42,000

that they had come from somewhere else.

186

00:11:42,000 --> 00:11:45,000

You have to wonder if they're not half extraterrestrial,

187

00:11:45,000 --> 00:11:47,000

half human giants that existed here

188

00:11:47,000 --> 00:11:50,000

hundreds and thousands of years ago.

189

00:11:51,000 --> 00:11:55,000

Did ancient humans really have sexual encounters

190

00:11:55,000 --> 00:11:57,000

with extraterrestrial beings

191

00:11:57,000 --> 00:12:00,000

that resulted in superhuman offspring?

192

00:12:01,000 --> 00:12:06,000

But if so, why aren't there giants among us today?

193

00:12:06,000 --> 00:12:11,000

Ancient astronaut theorists say the answer can once again be found.

194

00:12:11,000 --> 00:12:13,000

In the Holy Bible,

195

00:12:14,000 --> 00:12:18,000

because of the contamination of the human gene pool,

196

00:12:18,000 --> 00:12:21,000

God's experiment on earth was thwarted,

197

00:12:21,000 --> 00:12:25,000

and God was not going to be thwarted,

198

00:12:25,000 --> 00:12:29,000

and therefore he chose, I guess we can call it Plan B.

199

00:12:30,000 --> 00:12:32,000

He sent the flood.

200

00:12:33,000 --> 00:12:35,000

In the Old Testament's book of Genesis,

201

00:12:35,000 --> 00:12:40,000

the story of Noah tells of how God saw that the wickedness of man was great,

202

00:12:40,000 --> 00:12:44,000

and decided to destroy all of creation with a great flood.

203

00:12:47,000 --> 00:12:51,000

Noah, his family, and the animals aboard the ark

204

00:12:51,000 --> 00:12:55,000

were allowed to survive and repopulate the planet.

205

00:12:57,000 --> 00:13:00,000

But ancient astronaut theorists believe there is more to the story

206

00:13:00,000 --> 00:13:03,000

that can be found in the book of Enoch.

207

00:13:05,000 --> 00:13:09,000

In the book of Enoch, it's recorded that when Noah was born,

208

00:13:09,000 --> 00:13:11,000

his body shined,

209

00:13:11,000 --> 00:13:15,000

kind of like the glow of Moses' face when he came down from Mount Sinai.

210

00:13:16,000 --> 00:13:18,000

When his father saw this,

211

00:13:18,000 --> 00:13:20,000

he immediately was appalled and he turned to his mother,

212

00:13:20,000 --> 00:13:24,000

accusing her of being intimate with one of the sons of God.

213

00:13:25,000 --> 00:13:27,000

According to the story,

214

00:13:27,000 --> 00:13:31,000

the father, Lamech, received advice from his grandfather, Enoch,

215

00:13:31,000 --> 00:13:35,000

that Noah is to be the future of the human race.

216

00:13:36,000 --> 00:13:41,000

Enoch says he should accept the baby as his own son,

217

00:13:41,000 --> 00:13:46,000

because the guardians of the sky will destroy the planet with the great flood.

218

00:13:47,000 --> 00:13:51,000

And Noah is the survivor of the new generation.

219

00:13:53,000 --> 00:13:58,000

And Noah was a mixed creature between extraterrestrials and us.

220

00:13:59,000 --> 00:14:03,000

Now we are the descendants of Noah, so we all are part of it.

221

00:14:03,000 --> 00:14:07,000

This changed human evolution completely.

222

00:14:12,000 --> 00:14:16,000

I believe almost every culture around the world has a flood legend.

223

00:14:17,000 --> 00:14:20,000

There is someone in the place of Noah.

224

00:14:20,000 --> 00:14:24,000

So therefore, the ancient flood was of vital importance,

225

00:14:24,000 --> 00:14:30,000

because the world before the flood is very different than the world afterwards.

226

00:14:31,000 --> 00:14:34,000

There are continual legends from around the world

227

00:14:34,000 --> 00:14:40,000

that in the pre-flood times is an advanced technological civilization

228

00:14:40,000 --> 00:14:46,000

where human beings were in touch with beings who were stories.

229

00:14:46,000 --> 00:14:52,000

All of this was lost because of the contamination that incurred.

230

00:14:53,000 --> 00:14:57,000

Is it possible that the story of the great flood is not only true,

231

00:14:57,000 --> 00:15:02,000

but that it was caused by extraterrestrials to eradicate a human population

232

00:15:02,000 --> 00:15:05,000

that had been genetically contaminated?

233

00:15:05,000 --> 00:15:11,000

If so, did this bring an end to sexual contact between humans and aliens?

234

00:15:11,000 --> 00:15:16,000

Or have extraterrestrials continued to experiment with our DNA?

235

00:15:21,000 --> 00:15:24,000

Mount Olympus, Greece

236

00:15:25,000 --> 00:15:30,000

It is here that the Greek gods known as the Olympians were sent to reside.

237

00:15:32,000 --> 00:15:34,000

According to the ancient Greek stories,

238

00:15:34,000 --> 00:15:40,000

the Olympians often came down from Mount Olympus to intervene in the lives of mortals,

239

00:15:40,000 --> 00:15:42,000

aiding them in war,

240

00:15:44,000 --> 00:15:48,000

teaching them valuable skills like how to make fire and create weapons,

241

00:15:49,000 --> 00:15:52,000

and even mating with them.

242

00:15:54,000 --> 00:15:59,000

There are many, many myths of Zeus having sexual relationships with mortal women,

243

00:16:00,000 --> 00:16:05,000

and the mortal women then giving birth to these exceptional children.

244

00:16:05,000 --> 00:16:12,000

For example, Heracles, also known as Hercules, is one of the children of Zeus.

245

00:16:12,000 --> 00:16:16,000

His mother was Alcmini, who was a mortal woman,

246

00:16:16,000 --> 00:16:20,000

and Zeus approached her as a shower of gold.

247

00:16:21,000 --> 00:16:26,000

And as a result, she became pregnant and she gave birth to the great hero, Hercules.

248

00:16:28,000 --> 00:16:33,000

One of the aspects of these sexual relationships between gods and humans

249

00:16:33,000 --> 00:16:36,000

is that the woman is almost always pregnant as a result of it.

250

00:16:38,000 --> 00:16:42,000

One of the most well-known of these encounters between gods and mortals

251

00:16:42,000 --> 00:16:44,000

is the story of Zeus and Leda,

252

00:16:44,000 --> 00:16:48,000

a pairing which produced Helen of Troy,

253

00:16:48,000 --> 00:16:52,000

the woman whose beauty was said to be the cause of the Trojan War.

254

00:16:56,000 --> 00:17:01,000

Zeus came as a swan and seduced Lida, who's the mother.

255

00:17:01,000 --> 00:17:06,000

The fact that Lida was coupling with a swan, even if it was,

256

00:17:06,000 --> 00:17:10,000

Zeus means that Helen was born of an egg.

257

00:17:12,000 --> 00:17:15,000

Helen of Troy is born apparently out of an egg.

258

00:17:15,000 --> 00:17:17,000

Now, what is going on here?

259

00:17:18,000 --> 00:17:21,000

Through the lens of the ancient Astronaut theory,

260

00:17:21,000 --> 00:17:27,000

we might be able to surmise that maybe Helen of Troy was a hybrid

261

00:17:27,000 --> 00:17:33,000

born inside one of those incubation tanks that many modern-day abductees have described.

262

00:17:34,000 --> 00:17:41,000

It's interesting to me to compare that to potentially an extraterrestrial event.

263

00:17:42,000 --> 00:17:47,000

Although most people regard the Olympians as purely mythological,

264

00:17:47,000 --> 00:17:51,000

the ancient Greeks considered them to be actual beings.

265

00:17:52,000 --> 00:17:56,000

This notion was made even more credible in 1870

266

00:17:56,000 --> 00:18:00,000

when German archaeologist Heinrich Schliemann uncovered evidence

267

00:18:00,000 --> 00:18:03,000

that suggests Troy was a real place.

268

00:18:03,000 --> 00:18:09,000

As the progress of archaeology continues forward,

269

00:18:09,000 --> 00:18:14,000

we're validating more and more of these ancient Greek mythologies.

270

00:18:14,000 --> 00:18:18,000

So why should we arbitrarily induce a bias into the research

271

00:18:18,000 --> 00:18:21,000

that says, oh, all the reports of gods can't be true,

272

00:18:21,000 --> 00:18:26,000

even though we're validating everything else with actual empirical data?

273

00:18:27,000 --> 00:18:29,000

What if these gods were there?

274

00:18:29,000 --> 00:18:32,000

And what if the people of the time were directly interacting

275

00:18:32,000 --> 00:18:35,000

with a higher form of intelligence?

276

00:18:39,000 --> 00:18:42,000

Is it possible that the Olympians were not mythological gods,

277

00:18:42,000 --> 00:18:45,000

but extraterrestrial beings?

278

00:18:47,000 --> 00:18:52,000

Ancient astronaut theorists suggest that the Greek stories are more than just mythology,

279

00:18:52,000 --> 00:18:58,000

and as evidence point to similar stories found in a culture thousands of miles away.

280

00:19:00,000 --> 00:19:04,000

Jiangxi Province, China

281

00:19:04,000 --> 00:19:10,000

It was here in 247 BC that the founder of the ancient Han Empire

282

00:19:10,000 --> 00:19:13,000

was born under mysterious circumstances.

283

00:19:14,000 --> 00:19:17,000

Lu Bang, later known as Emperor Gao,

284

00:19:17,000 --> 00:19:21,000

was said to have been the product of a supernatural conception.

285

00:19:22,000 --> 00:19:26,000

His mother, who was not pregnant at the time, got caught in a rainstorm.

286

00:19:27,000 --> 00:19:34,000

There were very large class of thunder and wind whipping up,

287

00:19:34,000 --> 00:19:38,000

and she fled under a bridge to find shelter.

288

00:19:38,000 --> 00:19:41,000

Her husband went to rescue her,

289

00:19:41,000 --> 00:19:45,000

and he noticed that there was a dragon hovering above her.

290

00:19:45,000 --> 00:19:49,000

So from that point, she basically became pregnant with Lu Bang.

291

00:19:51,000 --> 00:19:54,000

He sort of had the appearance of a dragon as well.

292

00:19:54,000 --> 00:19:58,000

So many people believe that he was half-dragon, half-human.

293

00:19:58,000 --> 00:20:02,000

And Lu Bang was extraordinary in other respects as well.

294

00:20:02,000 --> 00:20:05,000

He came from a peasant family.

295

00:20:05,000 --> 00:20:11,000

It was extremely improbable for a peasant to become an emperor in those days.

296

00:20:13,000 --> 00:20:18,000

Lu Bang began Han China, the great empire in China.

297

00:20:18,000 --> 00:20:24,000

And so it was thought that somehow this child had not only human origins,

298

00:20:24,000 --> 00:20:28,000

but whatever came from this flying presence of the conception

299

00:20:28,000 --> 00:20:30,000

factored into who he was.

300

00:20:31,000 --> 00:20:34,000

These various descriptions of ancient flying dragons

301

00:20:34,000 --> 00:20:39,000

have similar properties to what we would today call a technological flying craft.

302

00:20:39,000 --> 00:20:44,000

A large body, sounds of smoke and fire and great noise.

303

00:20:45,000 --> 00:20:53,000

You have to wonder here if this hovering dragon isn't some kind of fiery or lit up

304

00:20:53,000 --> 00:20:57,000

extraterrestrial ship that had hovered over her,

305

00:20:57,000 --> 00:21:02,000

and ultimately she was impregnated by these extraterrestrial visitors.

306

00:21:05,000 --> 00:21:10,000

Is it possible that the conception stories of both Lu Bang and Helen of Troy

307

00:21:11,000 --> 00:21:15,000

are really accounts of aliens mating with early humans?

308

00:21:17,000 --> 00:21:22,000

And if so, were they part of a larger extraterrestrial agenda?

309

00:21:24,000 --> 00:21:29,000

Incredibly, ancient astronaut theorists claim further answers can be found

310

00:21:29,000 --> 00:21:33,000

with the death-pad confession of a pope.

311

00:21:34,000 --> 00:21:41,000

The Vatican, May 12, 1003 A.D.

312

00:21:45,000 --> 00:21:48,000

One of the most controversial popes of all time,

313

00:21:48,000 --> 00:21:52,000

Pope Sylvester II, lies on his deathbed.

314

00:21:55,000 --> 00:21:58,000

Over the course of his four years as pope,

315

00:21:58,000 --> 00:22:01,000

Sylvester had proven to be both learned and innovative,

316

00:22:01,000 --> 00:22:05,000

having promoted the study of arithmetic and astronomy.

317

00:22:05,000 --> 00:22:09,000

But there were those who believed that the mysterious pontiff's scientific skills

318

00:22:09,000 --> 00:22:13,000

were the result of his having been in league with demons.

319

00:22:16,000 --> 00:22:20,000

That he had studied the black arts,

320

00:22:20,000 --> 00:22:25,000

and that he had even built a robotic head from which he received secret knowledge.

321

00:22:26,000 --> 00:22:30,000

According to some accounts, with his last breaths,

322

00:22:30,000 --> 00:22:33,000

Pope Sylvester made a shocking confession

323

00:22:33,000 --> 00:22:38,000

that he was involved with a mythological demon called a succubus.

324

00:22:41,000 --> 00:22:46,000

Inky-bye and succubi are very commonly appearing in ancient mythologies

325

00:22:46,000 --> 00:22:49,000

straight through to the medieval times.

326

00:22:49,000 --> 00:22:54,000

This is not a one-off, it was a common feature of life back in those days.

327

00:22:56,000 --> 00:23:00,000

In ancient stories, the succubus is a demonic bee

328

00:23:00,000 --> 00:23:04,000

that takes the form of a woman and seduces human men.

329

00:23:06,000 --> 00:23:11,000

This demon is also able to change genders and become an incubus,

330

00:23:11,000 --> 00:23:15,000

using the semen taken from men to impregnate mortal women.

331

00:23:16,000 --> 00:23:21,000

Inky-bye and succubi were said to come to people in the night.

332

00:23:21,000 --> 00:23:27,000

In a kind of nightmarish experience of sleep paralysis,

333

00:23:29,000 --> 00:23:33,000

they wake up from a deep sleep and are fully conscious of their surroundings,

334

00:23:33,000 --> 00:23:36,000

however they also are paralyzed.

335

00:23:37,000 --> 00:23:42,000

And there's a sexual component to this presence in that it is attempting to rape you.

336

00:23:42,000 --> 00:23:47,000

Stories of the incubus and succubus,

337

00:23:47,000 --> 00:23:52,000

demons that appear at night to have sex with people in their bedrooms.

338

00:23:55,000 --> 00:24:00,000

There's often some fear involved, but you cannot resist or do anything about it.

339

00:24:03,000 --> 00:24:09,000

The classic form of the incubus theory is owed to St. Thomas Aquinas.

340

00:24:09,000 --> 00:24:14,000

In several of his works, he discusses this phrase,

341

00:24:14,000 --> 00:24:19,000

children of the devil, for a child of the devil to be born,

342

00:24:19,000 --> 00:24:24,000

the devil is somehow going to have to steal viable semen from a man

343

00:24:24,000 --> 00:24:26,000

and inject it into a woman.

344

00:24:27,000 --> 00:24:32,000

Clearly, there are entities out there which have an agenda

345

00:24:32,000 --> 00:24:37,000

with apparently mating with human beings for their own purpose.

346

00:24:40,000 --> 00:24:45,000

Might these sexual predators be simply an ancient myth?

347

00:24:46,000 --> 00:24:50,000

Or could the legends be based on historical documentation?

348

00:24:55,000 --> 00:24:59,000

Between 1480 and 1750,

349

00:24:59,000 --> 00:25:03,000

an estimated 50,000 executions of so-called witches

350

00:25:03,000 --> 00:25:07,000

occurred as part of the Holy Inquisition.

351

00:25:09,000 --> 00:25:14,000

An unrelenting war waged by the Roman Catholic Church against anyone

352

00:25:14,000 --> 00:25:17,000

they saw as opposing God's law.

353

00:25:19,000 --> 00:25:24,000

Witches were people who were thought to be engaged in a conspiracy with Satan

354

00:25:24,000 --> 00:25:27,000

to bring about the destruction of Christianity,

355

00:25:27,000 --> 00:25:30,000

the destruction of the civilized world.

356

00:25:31,000 --> 00:25:36,000

According to the Malleus Maleficarum, or Hammer of the Witches,

357

00:25:36,000 --> 00:25:42,000

witchcraft began when women ceased resisting the advances of demons.

358

00:25:44,000 --> 00:25:49,000

Women accused of having sex with demons were tortured into confessions

359

00:25:49,000 --> 00:25:53,000

that revealed lurid details of their sexual relations.

360

00:25:53,000 --> 00:25:58,000

If you had sex with a demon, you had given yourself to the demon,

361

00:25:58,000 --> 00:26:01,000

and therefore you would be forced, even against your will,

362

00:26:01,000 --> 00:26:05,000

to kill livestock, kill and eat babies,

363

00:26:05,000 --> 00:26:10,000

destroy pregnancies, make men impotent and on down the line.

364

00:26:11,000 --> 00:26:15,000

Many of these reports from medieval times have similarities

365

00:26:15,000 --> 00:26:17,000

to a modern-day alien abduction.

366

00:26:17,000 --> 00:26:21,000

The first one is the fact that the human being is a human being

367

00:26:21,000 --> 00:26:24,000

and has similarities to a modern-day alien abduction.

368

00:26:24,000 --> 00:26:29,000

People report the same type of feeling of having some type of a sexual encounter.

369

00:26:30,000 --> 00:26:33,000

Could the confessions hurt during the Inquisition

370

00:26:33,000 --> 00:26:37,000

and encounters with the mythological Incubus and Succubus

371

00:26:37,000 --> 00:26:42,000

really be describing sexual relations with extraterrestrials?

372

00:26:44,000 --> 00:26:50,000

Some ancient astronaut theorists say that not only was this happening in medieval times,

373

00:26:50,000 --> 00:26:52,000

but it still goes on today.

374

00:26:57,000 --> 00:27:03,000

Modern accounts of sexual encounters with aliens date back to 1957,

375

00:27:04,000 --> 00:27:08,000

when a Brazilian farmer claimed he was taken onboard a ship

376

00:27:08,000 --> 00:27:14,000

and coerced into having sex with a strange-looking blonde female with large eyes.

377

00:27:15,000 --> 00:27:22,000

One of the most famous and earliest of the modern extraterrestrial abduction reports

378

00:27:22,000 --> 00:27:27,000

is the 1957 case of Antonio Vila Boas in Brazil.

379

00:27:28,000 --> 00:27:33,000

And he claimed that a flying saucer landed in his remote farm.

380

00:27:33,000 --> 00:27:37,000

He was taken aboard while he was there.

381

00:27:37,000 --> 00:27:41,000

He had a sexual encounter with this extraterrestrial woman.

382

00:27:42,000 --> 00:27:45,000

That's one of the first abduction cases, and most interesting,

383

00:27:45,000 --> 00:27:50,000

because it preceded all the others and wasn't well known until years afterwards.

384

00:27:50,000 --> 00:27:55,000

So you can't say that Antonio Vila Boas got these ideas by reading pulp literature.

385

00:27:56,000 --> 00:28:02,000

A few years later in 1961, Betty and Barney Hill of Lancaster, New Hampshire

386

00:28:02,000 --> 00:28:07,000

reported a famous abduction incident where they were placed naked on examination tables

387

00:28:07,000 --> 00:28:14,000

and probed by what they described as grey aliens who extracted eggs and sperm samples.

388

00:28:15,000 --> 00:28:21,000

There are too many stories like that where one can dismiss them as simply saying,

389

00:28:21,000 --> 00:28:24,000

oh, all those stories are made up.

390

00:28:25,000 --> 00:28:30,000

I personally think that many abduction stories are fake,

391

00:28:30,000 --> 00:28:34,000

because people want attention, they want to be listened to,

392

00:28:34,000 --> 00:28:41,000

but at the same time to suggest that all of these stories are a hoax, it's too much.

393

00:28:44,000 --> 00:28:53,000

What we're seeing is a clear cut through line between modern-day extraterrestrial abduction accounts

394

00:28:53,000 --> 00:28:57,000

and what we actually find in medieval times.

395

00:28:58,000 --> 00:29:01,000

There are notable similarities in these stories,

396

00:29:01,000 --> 00:29:10,000

and the products of that sexual conjunction appear to be used for a genetic interbreeding program.

397

00:29:14,000 --> 00:29:20,000

Are these incidents, along with the incubus and succubus stories from medieval times,

398

00:29:20,000 --> 00:29:23,000

really encounters with extraterrestrial beings?

399

00:29:24,000 --> 00:29:28,000

If so, are they simply the actions of rogue aliens,

400

00:29:28,000 --> 00:29:31,000

similar to the ancient stories of the fallen angels?

401

00:29:32,000 --> 00:29:35,000

Or might they be part of some greater plan?

402

00:29:36,000 --> 00:29:44,000

Perhaps the answer can be found with the stories of unborn babies that mysteriously disappear from the womb.

403

00:29:58,000 --> 00:30:04,000

Peter Curry awakes to find himself paralyzed and unable to talk, but fully conscious.

404

00:30:05,000 --> 00:30:11,000

He feels a weight pressing down on him, and as his eyes adjust to the darkness,

405

00:30:13,000 --> 00:30:17,000

he notices a woman with very strange features straddling his body.

406

00:30:20,000 --> 00:30:27,000

I got the shock of my life because right on top of me was this female, a blonde female.

407

00:30:29,000 --> 00:30:31,000

She was just milky white in colour.

408

00:30:31,000 --> 00:30:35,000

Her eyes were probably two, three times bigger than her human eyes.

409

00:30:35,000 --> 00:30:41,000

She had protruding cheekbones and a narrow face that narrowed down to a pointy chin.

410

00:30:41,000 --> 00:30:46,000

And on the side of the bed, on the corner of the bed, there was another female, an Asian-looking female,

411

00:30:46,000 --> 00:30:53,000

and then she, the blonde female, touches her stomach and points to the sky.

412

00:30:54,000 --> 00:31:02,000

The visitors then disappeared, but not without leaving behind proof that they were there.

413

00:31:04,000 --> 00:31:06,000

A single blonde hair.

414

00:31:10,000 --> 00:31:14,000

Curry took this piece of evidence to an independent genealogy lab,

415

00:31:15,000 --> 00:31:20,000

where biochemist Horace Drew subjected the hair to DNA analysis.

416

00:31:23,000 --> 00:31:26,000

The results were not what he expected.

417

00:31:27,000 --> 00:31:31,000

It was very unusual because most people's hair is yellow or brown or black,

418

00:31:31,000 --> 00:31:34,000

and this was optically clear like Nala and Fishingline.

419

00:31:34,000 --> 00:31:38,000

There's nobody who has hair on earth, which is optically clear.

420

00:31:38,000 --> 00:31:41,000

Normally a human hair only has one kind of DNA type.

421

00:31:41,000 --> 00:31:46,000

In the shaft above the hair, we got a very rare Chinese lineage, about 0.1%,

422

00:31:46,000 --> 00:31:52,000

1% of ethnic Chinese, and then in the other part, we actually got blue-eyed, Celtic, light-skinned,

423

00:31:52,000 --> 00:31:58,000

lineage. This shows authentically our unusual DNA, which is fairly rare,

424

00:31:58,000 --> 00:32:01,000

which Peter couldn't just have picked up in his bedroom or off the street.

425

00:32:04,000 --> 00:32:10,000

The Pita Curry hair sample yielded very unusual DNA results that just aren't easy to explain

426

00:32:10,000 --> 00:32:13,000

in normal conventional human DNA sequences.

427

00:32:15,000 --> 00:32:20,000

You can't really keep dismissing it all as sort of fantasies of the mind or sexual fantasy.

428

00:32:22,000 --> 00:32:28,000

And while it didn't absolutely prove that it was alien, because we're only dealing with one hair sample,

429

00:32:28,000 --> 00:32:32,000

it didn't nevertheless prove that we're dealing with something quite unusual.

430

00:32:34,000 --> 00:32:40,000

When we see DNA evidence in the hair of something that doesn't match up with what we would expect to be,

431

00:32:40,000 --> 00:32:46,000

old Gaelic DNA mixed with Chinese DNA and blonde hair, the storylines don't add up

432

00:32:46,000 --> 00:32:51,000

unless we start to invoke the idea of abduction.

433

00:32:52,000 --> 00:32:58,000

And genetic interbreeding going back for many thousands of years, all the way to the dawn of history.

434

00:33:05,000 --> 00:33:12,000

Could the unusual DNA sequence found in the hair sample be evidence that Peter Curry really did have an encounter

435

00:33:12,000 --> 00:33:14,000

with other worldly beings?

436

00:33:16,000 --> 00:33:19,000

And if so, what did they want?

437

00:33:20,000 --> 00:33:27,000

Some ancient astronaut theorists believe the answer can be found by looking back at the medieval accounts

438

00:33:27,000 --> 00:33:31,000

of women being impregnated by so-called demons.

439

00:33:37,000 --> 00:33:42,000

According to medieval literature that warned of these demonic sexual unions,

440

00:33:42,000 --> 00:33:46,000

women's bellies would grow enormous following their encounters.

441

00:33:46,000 --> 00:33:50,000

But the fetus would often mysteriously disappear.

442

00:33:53,000 --> 00:34:05,000

In the Malleus, there are numbers of symptoms that get listed as proof of the reality of these demonic encounters

443

00:34:05,000 --> 00:34:08,000

between women and demons.

444

00:34:10,000 --> 00:34:15,000

One of them is a kind of medieval theory of false pregnancies.

445

00:34:16,000 --> 00:34:29,000

Cramer says that women who have had children sired on them by demons will sometimes find that their bellies are full of nothing but air.

446

00:34:33,000 --> 00:34:42,000

According to the Malleus, she expels a great quantity of wind and of course doesn't deliver anything living.

447

00:34:42,000 --> 00:34:50,000

To medieval Christians, this in and of itself, this phantom pregnancy with no progeny seemed demonic.

448

00:34:50,000 --> 00:34:52,000

It seemed wrong.

449

00:34:53,000 --> 00:34:59,000

But were these women really pregnant? Or was it all in their minds?

450

00:35:01,000 --> 00:35:08,000

Phantom pregnancies are reported even today, known in the medical world as pseudosciesis.

451

00:35:09,000 --> 00:35:13,000

Pseudosciesis literally means false pregnancy.

452

00:35:13,000 --> 00:35:16,000

It's otherwise known as phantom pregnancies.

453

00:35:16,000 --> 00:35:21,000

And in fact, it's so rare that we don't even have a clear understanding of its true prevalence.

454

00:35:21,000 --> 00:35:24,000

And we have two hypotheses to explain this.

455

00:35:24,000 --> 00:35:26,000

One is psychosomatic.

456

00:35:26,000 --> 00:35:31,000

So it's the mind that's making the body believe that it's pregnant.

457

00:35:31,000 --> 00:35:34,000

And the other hypothesis is just reverse of that.

458

00:35:34,000 --> 00:35:40,000

There's something that's happening in the human body that's making the mind think that it's pregnant.

459

00:35:41,000 --> 00:35:47,000

The thought that some women have reported pregnancies and then the fetus disappears.

460

00:35:47,000 --> 00:35:56,000

The initial speculation is it might be a phantom pregnancy, but there have been a number of very compelling cases that argue that maybe there's something more true than that.

461

00:35:57,000 --> 00:36:06,000

There is more than one case of a UFO abduction followed by a pregnancy, but it turns out that a couple of months later, the pregnancy disappears.

462

00:36:07,000 --> 00:36:15,000

There is some evidence that the woman has been re-abducted, a fetus removed in the UFO and the woman put back on Earth.

463

00:36:19,000 --> 00:36:21,000

Where this all leads, I don't know.

464

00:36:21,000 --> 00:36:24,000

How reliable all the stories are, I don't know.

465

00:36:24,000 --> 00:36:33,000

But there's enough evidence here to make me reasonably certain on the balance of probability that something like this is happening.

466

00:36:34,000 --> 00:36:47,000

Is it possible, as some ancient astronaut theorists suggest, that false pregnancies reported in medieval times and even today are actually the result of an extraterrestrial encounter?

467

00:36:47,000 --> 00:36:54,000

If so, what is happening to these unborn babies?

468

00:36:55,000 --> 00:37:04,000

Perhaps the ultimate answer can be found with the story of a man who claims to have met his child on an alien spaceship.

469

00:37:09,000 --> 00:37:12,000

Las Vegas, Nevada, 1987

470

00:37:13,000 --> 00:37:20,000

In the middle of the night, Brett Oldham and his girlfriend Diane Swanson are awakened by a loud bang.

471

00:37:21,000 --> 00:37:30,000

The couple, who were expecting their first child, are shocked to see a number of what look like grey aliens surrounding their bed.

472

00:37:32,000 --> 00:37:37,000

Before we even had time to react to seeing the greys in the room, we were gone.

473

00:37:38,000 --> 00:37:51,000

They took us aboard the craft, they placed me on a table and placed her to my right and they had her in a position much like women do when they get an exam from a gynecologist.

474

00:37:52,000 --> 00:37:56,000

I realized immediately what was happening, that they were taking the fetus.

475

00:37:56,000 --> 00:38:08,000

I couldn't move, I couldn't move my head, I couldn't move my eyes to see where he was at and I could hear him screaming.

476

00:38:10,000 --> 00:38:12,000

That's when I realized they were doing something to me.

477

00:38:13,000 --> 00:38:17,000

We were just calling to say, please, please don't take my baby, don't hurt us.

478

00:38:18,000 --> 00:38:27,000

According to Diane's account, the next morning she refused to believe the incident was more than just a terrible nightmare.

479

00:38:29,000 --> 00:38:36,000

But after finding traces of blood in her bed, she feared a miscarriage and the couple went to see her doctor.

480

00:38:37,000 --> 00:38:46,000

When examined, Diane was found who had no tissue remaining in her womb, as if the fetus had been surgically removed.

481

00:38:47,000 --> 00:38:49,000

He said, I've never seen anything like this before.

482

00:38:50,000 --> 00:38:51,000

It was like this woman was never pregnant.

483

00:38:52,000 --> 00:38:54,000

I went in to clean the womb and the womb was already cleaned.

484

00:38:56,000 --> 00:39:00,000

Diane had been nearly four months pregnant at the time of this incident.

485

00:39:01,000 --> 00:39:13,000

If you're referring to a case where we have ultrasonic graphic evidence that the fetus was present and then sometime later there's no more fetus, I would think that's strange.

486

00:39:14,000 --> 00:39:22,000

What you have here is an ultrasonic graphic image of a human fetus at about three months of gestation.

487

00:39:23,000 --> 00:39:32,000

If you measure the crown to rump length, which is the longest distance from the head to the butt, that's about five to six centimeters.

488

00:39:33,000 --> 00:39:35,000

So that's roughly the size or the diameter of a baseball.

489

00:39:36,000 --> 00:39:42,000

Could the body absorb the fetus overnight? That's very unlikely.

490

00:39:43,000 --> 00:39:49,000

How could the unborn child just disappear completely without a trace?

491

00:39:51,000 --> 00:39:59,000

Is it possible that what Brett and Diane experienced the previous night really was more than just a bizarre dream?

492

00:40:00,000 --> 00:40:05,000

Most of the time we would explain that by saying that the patient had a miscarriage.

493

00:40:06,000 --> 00:40:15,000

But in the event that there was not much bleeding and there's not much passage of tissue and yet the embryo was gone, I couldn't explain that.

494

00:40:17,000 --> 00:40:26,000

We were both kind of stunned when we left the hospital that night and it took a while for us to start talking about if we remembered the same things.

495

00:40:27,000 --> 00:40:34,000

Three years later, Brett Oldham claims he was once again visited and taken by grey aliens.

496

00:40:35,000 --> 00:40:40,000

I was taken by two small grays to an area that I'd never seen before.

497

00:40:41,000 --> 00:40:43,000

Within a few minutes I could see that it was a female hybrid.

498

00:40:44,000 --> 00:40:52,000

She was carrying a small child with her and as she got closer I could also see that the child she was carrying was a female hybrid.

499

00:40:53,000 --> 00:41:00,000

I did feel a bond with the child which would lead me to believe that it probably was part of mine.

500

00:41:03,000 --> 00:41:14,000

There seems to be a good deal of relatively consistent evidence on the part of both male and female abductees that there's some interest in our reproductive process.

501

00:41:15,000 --> 00:41:31,000

There is also some evidence that abductees have been put in contact on spaceships with hybrid children who seem to have some human characteristics and some characteristics that aren't quite human.

502

00:41:31,000 --> 00:41:47,000

Might the stories of reunions with hybrid babies be not fantasy but a conditioning process to prepare us for the day when the alien agenda is finally revealed?

503

00:41:48,000 --> 00:41:53,000

But if we are being subtly and strategically altered, where will it ultimately lead?

504

00:41:53,000 --> 00:42:05,000

It would seem that extraterrestrials have been coming to Earth for quite a long time and having sexual relationships with humans.

505

00:42:07,000 --> 00:42:21,000

And the reason for this would be to manipulate our DNA, making us into the more refined race that we are today and we still have a certain evolution to go.

506

00:42:23,000 --> 00:42:35,000

There's another very heinous thing behind all of this and that is let's wipe out the earth lanes and put in this new breed that we can control.

507

00:42:38,000 --> 00:42:48,000

In my personal view, we are seeing extraterrestrials interbreeding with humans as part of a long-term inter familial exchange.

508

00:42:48,000 --> 00:42:52,000

The human family goes far beyond life on Earth.

509

00:42:53,000 --> 00:43:02,000

Extraterrestrials humans may be coming here to replenish their genetic supply. It may literally be a question of life and death for them.

510

00:43:03,000 --> 00:43:20,000

When I'm asked whether an alien sexual agenda exists or if there is anything that we can do to stop it, well, if such an agenda really exists, then I've got bad news for you. There's nothing we can do.

511

00:43:23,000 --> 00:43:29,000

Are extraterrestrials really interbreeding with humans to carry out a secret alien agenda?

512

00:43:32,000 --> 00:43:34,000

Could they be upgrading our genetic makeup?

513

00:43:36,000 --> 00:43:42,000

Or are they experimenting with our DNA to one day replace us with a superior human race?

514

00:43:43,000 --> 00:43:50,000

Perhaps one day we'll discover that an alien invasion has been taking place on Earth for thousands of years.

515

00:43:51,000 --> 00:43:56,000

One being waged within our own bodies.
