

1

00:00:00,000 --> 00:00:05,000

A civilization suddenly destroyed.

2

00:00:05,000 --> 00:00:08,000

I think that was asked incredible technology,

3

00:00:08,000 --> 00:00:10,000

and then something happened.

4

00:00:10,000 --> 00:00:14,000

Centuries of knowledge wiped out forever.

5

00:00:14,000 --> 00:00:16,000

When these books were all destroyed,

6

00:00:16,000 --> 00:00:21,000

it was a way of setting the knowledge back to zero.

7

00:00:21,000 --> 00:00:24,000

And the world's most powerful weapons

8

00:00:24,000 --> 00:00:27,000

inexplicably taken offline.

9

00:00:27,000 --> 00:00:31,000

We were being sent a message. We are watching.

10

00:00:31,000 --> 00:00:34,000

Is it possible that extraterrestrials

11

00:00:34,000 --> 00:00:37,000

have intervened at key moments in our history

12

00:00:37,000 --> 00:00:40,000

to manipulate our progress?

13

00:00:40,000 --> 00:00:45,000

And if so, what is their ultimate goal?

14

00:00:45,000 --> 00:00:48,000

There are extraterrestrials that want to see humanity

15

00:00:48,000 --> 00:00:55,000

evolve and grow in another group that wants us destroyed.

16

00:00:55,000 --> 00:00:58,000

Millions of people around the world

17

00:00:58,000 --> 00:01:00,000

believe we have been visited in the past

18

00:01:00,000 --> 00:01:03,000

by extraterrestrial beings.

19

00:01:03,000 --> 00:01:06,000

What if it were true?

20

00:01:06,000 --> 00:01:10,000

Did ancient aliens really help to shape our history?

21

00:01:10,000 --> 00:01:14,000

And if so, is the advancement of mankind

22

00:01:14,000 --> 00:01:18,000

determined by an alien agenda?

23

00:01:25,000 --> 00:01:35,000

MUSIC

24

00:01:35,000 --> 00:01:45,000

MUSIC

25

00:01:45,000 --> 00:01:49,000

MUSIC

26

00:01:49,000 --> 00:01:54,000

Washington, D.C. 2013.

27

00:01:54,000 --> 00:01:57,000

At the citizen hearing on disclosure,

28

00:01:57,000 --> 00:02:00,000

six former members of the United States Congress

29

00:02:00,000 --> 00:02:03,000

listened to testimony from former high-ranking

30

00:02:03,000 --> 00:02:06,000

government and military officials,

31

00:02:06,000 --> 00:02:10,000

along with a variety of scientists and researchers

32

00:02:10,000 --> 00:02:15,000

about extraterrestrial presence engaging the human race.

33

00:02:15,000 --> 00:02:19,000

One of the speakers was former Canadian defense minister

34

00:02:19,000 --> 00:02:23,000

Paul Hellyer.

35

00:02:23,000 --> 00:02:25,000

The American people and the people of the world

36

00:02:25,000 --> 00:02:27,000

have a right to know.

37

00:02:27,000 --> 00:02:32,000

UFOs are as real as the airplanes flying overhead.

38

00:02:32,000 --> 00:02:36,000

We live in a cosmos teeming with life.

39

00:02:36,000 --> 00:02:38,000

MUSIC

40

00:02:38,000 --> 00:02:42,000

To have a former defense minister and deputy prime minister

41

00:02:42,000 --> 00:02:46,000

come out and say that the UFO phenomenon is real

42

00:02:46,000 --> 00:02:49,000

and that we're being visited and that there's a government cover-up

43

00:02:49,000 --> 00:02:52,000

is in of itself sensational.

44

00:02:52,000 --> 00:02:54,000

MUSIC

45

00:02:54,000 --> 00:02:59,000

And he also expressed the view that some alien civilizations

46

00:02:59,000 --> 00:03:02,000

are concerned about humanity

47

00:03:02,000 --> 00:03:06,000

and do not want to share technology with the human race

48

00:03:06,000 --> 00:03:08,000

for fear that we are not ready for it,

49

00:03:08,000 --> 00:03:11,000

that we'll abuse that technology.

50

00:03:11,000 --> 00:03:14,000

We are, after all, a race that has used atomic bombs

51

00:03:14,000 --> 00:03:16,000

on our own people.

52

00:03:16,000 --> 00:03:20,000

MUSIC

53

00:03:20,000 --> 00:03:24,000

Other distinguished speakers at the Citizen Hearing

54

00:03:24,000 --> 00:03:29,000

on Disclosure included nuclear physicist Stan Friedman,

55

00:03:29,000 --> 00:03:32,000

retired Air Force Captain Robert Salas,

56

00:03:32,000 --> 00:03:36,000

and a former official for the Federal Aviation Administration,

57

00:03:36,000 --> 00:03:42,000

John Callahan, all of whom corroborated Paul Hellyer's assertion

58

00:03:42,000 --> 00:03:46,000

that we are being visited by other worldly beings.

59

00:03:46,000 --> 00:03:50,000

They also claim that these visitors have an interest

60

00:03:50,000 --> 00:03:53,000

in our technological advancements,

61

00:03:53,000 --> 00:03:57,000

especially when it comes to nuclear weapons.

62

00:03:57,000 --> 00:03:59,000

MUSIC

63

00:03:59,000 --> 00:04:04,000

These objects know in great detail how our missiles operate.

64

00:04:04,000 --> 00:04:07,000

They can shut down our missiles at any time.

65

00:04:07,000 --> 00:04:10,000

If you release that information to the public,

66

00:04:10,000 --> 00:04:14,000

what do you say then about, you know,

67

00:04:14,000 --> 00:04:17,000

what kind of defense do we have against these things?

68

00:04:17,000 --> 00:04:20,000

MUSIC

69

00:04:20,000 --> 00:04:24,000

Could the UFO phenomenon be real?

70

00:04:24,000 --> 00:04:28,000

And is it possible that extraterrestrials have been monitoring

71

00:04:28,000 --> 00:04:32,000

and perhaps even interfering with the technological advancement

72

00:04:32,000 --> 00:04:35,000

of mankind?

73

00:04:35,000 --> 00:04:38,000

Ancient astronaut theorists say yes

74

00:04:38,000 --> 00:04:43,000

and suggest that the earliest and perhaps strongest evidence of this

75

00:04:43,000 --> 00:04:48,000

can be found in the biblical story of the Tower of Babel.

76

00:04:48,000 --> 00:04:50,000

MUSIC

77

00:04:50,000 --> 00:04:53,000

According to the Book of Genesis,

78

00:04:53,000 --> 00:04:57,000

the Tower of Babel was built in Mesopotamia after the Great Flood.

79

00:04:57,000 --> 00:05:01,000

Some accounts suggest it reached nearly 30 stories,

80

00:05:01,000 --> 00:05:04,000

or 300 feet tall.

81

00:05:04,000 --> 00:05:08,000

It was described as a bridge between heaven and earth,

82

00:05:08,000 --> 00:05:11,000

built by a unified people.

83

00:05:11,000 --> 00:05:14,000

In the Book of Genesis, chapter 11, it says,

84

00:05:14,000 --> 00:05:18,000

in the beginning there was only one language and few words.

85

00:05:18,000 --> 00:05:24,000

And then a group of people got together and decided that things could be improved.

86

00:05:24,000 --> 00:05:28,000

Someone got the idea of building a tower, a tower to heaven,

87

00:05:28,000 --> 00:05:30,000

to make a name for ourselves.

88

00:05:30,000 --> 00:05:32,000

Well, this starts to become hubris,

89

00:05:32,000 --> 00:05:34,000

where you start challenging the gods.

90

00:05:34,000 --> 00:05:36,000

This is a key idea.

91

00:05:36,000 --> 00:05:39,000

A certain kind of arrogance that is starting to think that you are a god,

92

00:05:39,000 --> 00:05:41,000

and so is the Tower of the Sun.

93

00:05:41,000 --> 00:05:43,000

God is annoyed.

94

00:05:43,000 --> 00:05:45,000

God comes down and says,

95

00:05:45,000 --> 00:05:47,000

wow, they can actually accomplish the street.

96

00:05:47,000 --> 00:05:50,000

They can actually build a tower up into the heavens.

97

00:05:50,000 --> 00:05:53,000

So let's disperse their language,

98

00:05:53,000 --> 00:05:57,000

and then they can't communicate, and then they can't build this tower.

99

00:05:57,000 --> 00:05:59,000

MUSIC

100

00:05:59,000 --> 00:06:05,000

Biblical scholars contend that the story merely attempts to offer an explanation

101

00:06:05,000 --> 00:06:08,000

for the various languages on earth.

102

00:06:08,000 --> 00:06:13,000

But ancient astronaut theorists suggest the biblical account

103

00:06:13,000 --> 00:06:18,000

may actually reveal a greater truth about extraterrestrial interest

104

00:06:18,000 --> 00:06:22,000

in the technological progress of mankind.

105

00:06:23,000 --> 00:06:28,000

From the other literature that we have peripheral to the Bible,

106

00:06:28,000 --> 00:06:31,000

a much deeper story is told.

107

00:06:31,000 --> 00:06:33,000

What was this tower?

108

00:06:33,000 --> 00:06:35,000

According to this ancient source,

109

00:06:35,000 --> 00:06:38,000

this ancient technology that they discovered

110

00:06:38,000 --> 00:06:41,000

was to reach to the heavens.

111

00:06:41,000 --> 00:06:44,000

When you look at the story of the Tower of Babel,

112

00:06:44,000 --> 00:06:49,000

it's essentially a story of mankind developing technology

113

00:06:49,000 --> 00:06:54,000

and being like the gods, being like our extraterrestrial creators.

114

00:06:54,000 --> 00:06:57,000

And therefore, mankind was, in a sense,

115

00:06:57,000 --> 00:07:01,000

kept from reaching a technological level.

116

00:07:02,000 --> 00:07:05,000

The word Babel means gate to God.

117

00:07:05,000 --> 00:07:10,000

And some believe that the gate to God was in fact a star gate,

118

00:07:10,000 --> 00:07:14,000

a ladder tower or stairway that reached into the heavens.

119

00:07:14,000 --> 00:07:19,000

And so when God saw that humankind were building a star gate,

120

00:07:19,000 --> 00:07:21,000

this was too much.

121

00:07:22,000 --> 00:07:25,000

Well, what happened next?

122

00:07:25,000 --> 00:07:28,000

Powers that be watched.

123

00:07:28,000 --> 00:07:30,000

They observed.

124

00:07:30,000 --> 00:07:32,000

They spoke to one another saying,

125

00:07:32,000 --> 00:07:36,000

we have to descend to the earth to bring an assault

126

00:07:36,000 --> 00:07:38,000

upon the builders of the tower.

127

00:07:38,000 --> 00:07:40,000

What kind of an assault?

128

00:07:40,000 --> 00:07:42,000

The biblical text is very clear.

129

00:07:42,000 --> 00:07:46,000

They touched the minds of the people

130

00:07:46,000 --> 00:07:49,000

and corrupted their spirit of unity.

131

00:07:50,000 --> 00:07:55,000

The Tower of Babel story really relates to a decision

132

00:07:55,000 --> 00:07:58,000

that these so-called gods had made.

133

00:07:58,000 --> 00:08:01,000

Human beings were not only supposed to speak different languages,

134

00:08:01,000 --> 00:08:04,000

they were also supposed to fight with each other.

135

00:08:04,000 --> 00:08:07,000

They were supposed to come into conflict with each other.

136

00:08:07,000 --> 00:08:09,000

And as long as they're swallowing with each other,

137

00:08:09,000 --> 00:08:11,000

they're not going to unite and fight against you.

138

00:08:14,000 --> 00:08:18,000

Is it possible, as some ancient astronaut theorists suggest,

139

00:08:18,000 --> 00:08:21,000

that otherworldly beings have been carefully watching

140

00:08:21,000 --> 00:08:25,000

the advancements of humans and have intervened,

141

00:08:25,000 --> 00:08:28,000

creating barriers as a way to keep mankind

142

00:08:28,000 --> 00:08:31,000

from obtaining powerful technology?

143

00:08:33,000 --> 00:08:35,000

Perhaps further clues can be found

144

00:08:35,000 --> 00:08:39,000

by examining the remnants of an ancient civilization

145

00:08:39,000 --> 00:08:44,000

that appears to have been destroyed by a massive explosion.

146

00:08:48,000 --> 00:08:54,000

Sen province, Pakistan, 1922.

147

00:08:54,000 --> 00:08:58,000

An officer of the Archaeological Survey of India

148

00:08:58,000 --> 00:09:02,000

is led by a Buddhist monk to an area believed to have been

149

00:09:02,000 --> 00:09:04,000

a religious monument.

150

00:09:06,000 --> 00:09:08,000

But under the mounds of dirt,

151

00:09:08,000 --> 00:09:12,000

archaeologists find instead an ancient Indus Valley city

152

00:09:12,000 --> 00:09:16,000

dating back to 2000 BC.

153

00:09:16,000 --> 00:09:21,000

It is called Mohenjo-Daro, or mound of the dead.

154

00:09:21,000 --> 00:09:23,000

And it is one of the oldest civilizations

155

00:09:23,000 --> 00:09:26,000

discovered in the world.

156

00:09:28,000 --> 00:09:33,000

Mohenjo-Daro was very advanced for that time.

157

00:09:34,000 --> 00:09:36,000

They had sanitation.

158

00:09:36,000 --> 00:09:39,000

They had all kinds of good things going.

159

00:09:39,000 --> 00:09:42,000

And they had a lot of trade going with Mesopotamia.

160

00:09:43,000 --> 00:09:47,000

The city of Mohenjo-Daro rivaled the ancient civilizations

161

00:09:47,000 --> 00:09:50,000

in Egypt and Mesopotamia.

162

00:09:52,000 --> 00:09:56,000

Archaeologists believe that over 35,000 people

163

00:09:56,000 --> 00:09:58,000

once occupied the city.

164

00:09:58,000 --> 00:10:03,000

However, only 43 skeletons have been discovered at the site.

165

00:10:08,000 --> 00:10:10,000

There are many theories surrounding

166

00:10:10,000 --> 00:10:13,000

the mysterious disappearance of the Indus people

167

00:10:13,000 --> 00:10:16,000

from Mohenjo-Daro.

168

00:10:16,000 --> 00:10:20,000

In 1977, British researcher David Davenport

169

00:10:20,000 --> 00:10:23,000

discovered that part of the archaeological site

170

00:10:23,000 --> 00:10:26,000

showed evidence of having been destroyed

171

00:10:26,000 --> 00:10:30,000

by an extremely powerful explosion.

172

00:10:32,000 --> 00:10:35,000

He found what remains of the blast.

173

00:10:36,000 --> 00:10:40,000

And he believed that this area was the epicenter

174

00:10:40,000 --> 00:10:44,000

of something that he believed was an explosion

175

00:10:44,000 --> 00:10:47,000

that destroyed a part of the city.

176

00:10:47,000 --> 00:10:52,000

And he found the evidence of vitrified pottery wigs

177

00:10:52,000 --> 00:10:56,000

that were totally fused, matted, or vitrified.

178

00:10:56,000 --> 00:10:59,000

Scholars claim that several calcified skeletons

179

00:10:59,000 --> 00:11:03,000

found at the site suggest they suffered

180

00:11:03,000 --> 00:11:05,000

an instantaneous death.

181

00:11:09,000 --> 00:11:11,000

In Mohenjo-Daro, they found bodies,

182

00:11:11,000 --> 00:11:14,000

arm in arm, skeletons, arm in arm

183

00:11:14,000 --> 00:11:17,000

that had been vitrified, virtually vitrified.

184

00:11:19,000 --> 00:11:22,000

For years, restricted access to the site

185

00:11:22,000 --> 00:11:26,000

has prevented scientists from analyzing the vitrified ruins.

186

00:11:28,000 --> 00:11:32,000

But in 2014, mineralogist Dr. Sam Eingar

187

00:11:32,000 --> 00:11:35,000

was able to obtain a piece of fused pottery

188

00:11:35,000 --> 00:11:40,000

from Mohenjo-Daro and put it through a series of tests.

189

00:11:40,000 --> 00:11:42,000

When I did the elemental analysis,

190

00:11:42,000 --> 00:11:47,000

it showed me that the Mohenjo-Daro rock contained

191

00:11:47,000 --> 00:11:51,000

mostly silicon aluminum with some calcium and potassium.

192

00:11:51,000 --> 00:11:55,000

So my thought was maybe it could be some type of a clay

193

00:11:55,000 --> 00:11:58,000

till I did the X-ray diffraction.

194

00:11:59,000 --> 00:12:02,000

X-ray diffraction is able to determine

195

00:12:02,000 --> 00:12:05,000

exactly how a material was formed.

196

00:12:07,000 --> 00:12:10,000

When I did the X-ray powder diffraction,

197

00:12:10,000 --> 00:12:13,000

this is the pattern I got.

198

00:12:13,000 --> 00:12:16,000

And you can see some crystalline peaks here

199

00:12:16,000 --> 00:12:19,000

along with the amorphous hump,

200

00:12:19,000 --> 00:12:23,000

which usually results from a glassy phase in the rock.

201

00:12:23,000 --> 00:12:27,000

The composition is very similar to volcanic rock.

202

00:12:27,000 --> 00:12:32,000

The only way the clay can be converted into something

203

00:12:32,000 --> 00:12:36,000

which we saw is subjecting the clay

204

00:12:36,000 --> 00:12:39,000

to a very, very high temperature.

205

00:12:39,000 --> 00:12:43,000

I'm talking 4 to 5,000 degree Fahrenheit.

206

00:12:43,000 --> 00:12:49,000

That is not something a early civilization can do intentionally.

207

00:12:49,000 --> 00:12:53,000

It has to be something supernatural.

208

00:12:57,000 --> 00:12:59,000

Could this pottery sample,

209

00:12:59,000 --> 00:13:01,000

which shows irrefutable evidence

210

00:13:01,000 --> 00:13:05,000

of having been subjected to extreme heat,

211

00:13:05,000 --> 00:13:08,000

be definitive evidence that Mohenjo-Daro

212

00:13:08,000 --> 00:13:12,000

really was the site of some type of powerful explosion

213

00:13:12,000 --> 00:13:15,000

in the ancient past?

214

00:13:17,000 --> 00:13:22,000

David Davenport and other researchers of India's ancient Vedic texts

215

00:13:22,000 --> 00:13:25,000

have suggested that this is the case

216

00:13:25,000 --> 00:13:30,000

and that Mohenjo-Daro may in fact be the kingdom of Lanka,

217

00:13:30,000 --> 00:13:34,000

a city whose destruction is detailed

218

00:13:34,000 --> 00:13:38,000

in the Indian epic known as the Ramayana.

219

00:13:38,000 --> 00:13:42,000

In the Ramayana, it is described that the god Vishnu

220

00:13:42,000 --> 00:13:45,000

decides the leader of Lanka.

221

00:13:45,000 --> 00:13:49,000

A mortal named Ravana has grown too powerful.

222

00:13:49,000 --> 00:13:52,000

Vishnu takes the human form of Rama

223

00:13:52,000 --> 00:13:54,000

and does battle with Ravana,

224

00:13:54,000 --> 00:13:57,000

who has become like the gods himself.

225

00:13:57,000 --> 00:14:00,000

Ravana was a very formidable enemy.

226

00:14:00,000 --> 00:14:02,000

In fact, most of his power,

227

00:14:02,000 --> 00:14:05,000

it was acquired from God Shiva himself

228

00:14:05,000 --> 00:14:08,000

because he was a great devotee of Shiva

229

00:14:08,000 --> 00:14:11,000

and Shiva gave him lethal weapons.

230

00:14:11,000 --> 00:14:16,000

During the battle between Rama and Ravana,

231

00:14:16,000 --> 00:14:19,000

they used the particular weapons of energy,

232

00:14:19,000 --> 00:14:22,000

the weapons of the gods.

233

00:14:24,000 --> 00:14:28,000

They have a very big power of destruction.

234

00:14:28,000 --> 00:14:32,000

It was described as the sun turning into 50

235

00:14:32,000 --> 00:14:37,000

even more brighter suns with this incredible blast.

236

00:14:38,000 --> 00:14:42,000

So some people have suggested that perhaps at Mohenjo-Daro

237

00:14:42,000 --> 00:14:46,000

some type of a nuclear blast occurred.

238

00:14:46,000 --> 00:14:50,000

Not only do we have a textual reference

239

00:14:50,000 --> 00:14:52,000

to a possible nuclear blast,

240

00:14:52,000 --> 00:14:56,000

but we also find physical evidence

241

00:14:56,000 --> 00:15:00,000

that show vitrification of stone.

242

00:15:00,000 --> 00:15:04,000

And the only way that stone can be vitrified

243

00:15:04,000 --> 00:15:07,000

is if it's exposed to extreme heat.

244

00:15:11,000 --> 00:15:14,000

This is not mythology, this is not superstition,

245

00:15:14,000 --> 00:15:17,000

but it's a recommended historical advance

246

00:15:17,000 --> 00:15:19,000

of people that are warring with each other

247

00:15:19,000 --> 00:15:22,000

using advanced technology.

248

00:15:22,000 --> 00:15:24,000

I happen to believe that mankind

249

00:15:24,000 --> 00:15:28,000

possessed incredible technology, incredible knowledge,

250

00:15:28,000 --> 00:15:32,000

and that they did things that we're doing right now

251

00:15:32,000 --> 00:15:35,000

and then something happened.

252

00:15:37,000 --> 00:15:41,000

And they had to literally start all over again.

253

00:15:41,000 --> 00:15:43,000

Whoever got involved said,

254

00:15:43,000 --> 00:15:45,000

God, that's not going to happen.

255

00:15:45,000 --> 00:15:48,000

Let's let them have knowledge, but not too much knowledge.

256

00:15:48,000 --> 00:15:51,000

And I think that's probably what's happening here.

257

00:15:52,000 --> 00:15:56,000

Is it possible that the vitrified ruins at Mohenjo-Daro

258

00:15:56,000 --> 00:15:59,000

are evidence that humans were in possession

259

00:15:59,000 --> 00:16:03,000

of advanced technology thousands of years ago?

260

00:16:03,000 --> 00:16:07,000

And does this suggest that extraterrestrial beings

261

00:16:07,000 --> 00:16:10,000

intervened in the affairs of mankind

262

00:16:10,000 --> 00:16:14,000

to prevent the exploitation of these weapons?

263

00:16:14,000 --> 00:16:18,000

Ancient astronaut theorists say yes

264

00:16:18,000 --> 00:16:21,000

and suggest further proof can be found

265

00:16:21,000 --> 00:16:23,000

by examining the ancient world's

266

00:16:23,000 --> 00:16:26,000

greatest repository of knowledge

267

00:16:26,000 --> 00:16:29,000

and how it came to be destroyed.

268

00:16:35,000 --> 00:16:39,000

Egypt 391 A.D.

269

00:16:40,000 --> 00:16:43,000

The great library of Alexandria,

270

00:16:43,000 --> 00:16:46,000

which houses perhaps the most extensive collection

271

00:16:46,000 --> 00:16:49,000

of knowledge in the ancient world,

272

00:16:49,000 --> 00:16:51,000

is set aflame.

273

00:16:54,000 --> 00:16:58,000

It is burned by decree of Emperor Theodosius I,

274

00:16:58,000 --> 00:17:02,000

who is deemed many of the works contained at the library,

275

00:17:02,000 --> 00:17:05,000

an orthodox and a reticle.

276

00:17:06,000 --> 00:17:09,000

Built by the Egyptians in the 3rd century B.C.,

277

00:17:09,000 --> 00:17:13,000

the library of Alexandria was said to contain

278

00:17:13,000 --> 00:17:17,000

as many as a million scrolls on a wide variety of topics,

279

00:17:17,000 --> 00:17:23,000

including astronomy, mathematics, physics, medicine,

280

00:17:23,000 --> 00:17:26,000

and philosophy.

281

00:17:28,000 --> 00:17:31,000

The library at Alexandria was the greatest library

282

00:17:31,000 --> 00:17:33,000

of the ancient world,

283

00:17:33,000 --> 00:17:35,000

thousands and thousands of scrolls.

284

00:17:35,000 --> 00:17:39,000

All of the ancient science, all of the ancient wisdom,

285

00:17:39,000 --> 00:17:42,000

the occult lore, the literature,

286

00:17:42,000 --> 00:17:45,000

but as regimes changed, there was a fear

287

00:17:45,000 --> 00:17:49,000

that perhaps there were heresies in those volumes.

288

00:17:50,000 --> 00:17:54,000

As Christianity grew and became a more powerful religion,

289

00:17:54,000 --> 00:17:57,000

they began to see some of the learning

290

00:17:57,000 --> 00:18:01,000

that was part of ancient civilization as evil.

291

00:18:02,000 --> 00:18:06,000

And so all of the astronomy, all of the technological knowledge,

292

00:18:06,000 --> 00:18:09,000

all of the philosophy had to be destroyed.

293

00:18:10,000 --> 00:18:13,000

There was ancient technologies that were lost.

294

00:18:13,000 --> 00:18:16,000

We know this from modern historical record.

295

00:18:16,000 --> 00:18:21,000

Technologies working with systems like magnetism, crystals,

296

00:18:21,000 --> 00:18:24,000

energy, like the arc of the Covenant.

297

00:18:24,000 --> 00:18:26,000

We know these things existed,

298

00:18:26,000 --> 00:18:30,000

but we don't know what was the nature of their existence.

299

00:18:30,000 --> 00:18:34,000

Some of those books were the history of our planet,

300

00:18:34,000 --> 00:18:38,000

going back to 100,000 years even.

301

00:18:38,000 --> 00:18:41,000

So when these books were all destroyed,

302

00:18:41,000 --> 00:18:46,000

it was a way of setting the knowledge back to zero.

303

00:18:50,000 --> 00:18:53,000

Of the volumes once held by the vast library,

304

00:18:53,000 --> 00:18:57,000

researchers have estimated that 95% of the knowledge

305

00:18:57,000 --> 00:19:00,000

that was recorded there was incinerated,

306

00:19:00,000 --> 00:19:04,000

plunging humanity back thousands of years in its evolution.

307

00:19:04,000 --> 00:19:06,000

But why?

308

00:19:07,000 --> 00:19:11,000

Was the library of Alexandria burned down

309

00:19:11,000 --> 00:19:13,000

simply because the Catholic Church

310

00:19:13,000 --> 00:19:17,000

considered some of its contents to be heretical?

311

00:19:18,000 --> 00:19:22,000

Ancient astronaut theorists suggest there may have been another,

312

00:19:22,000 --> 00:19:27,000

perhaps extraterrestrial, agenda behind its destruction.

313

00:19:31,000 --> 00:19:35,000

According to an official NASA document published in 2007,

314

00:19:35,000 --> 00:19:39,000

titled Unidentified Flying Objects in Classical Antiquity,

315

00:19:39,000 --> 00:19:43,000

there were a remarkable number of mysterious encounters

316

00:19:43,000 --> 00:19:46,000

during the rise and fall of the Roman Empire.

317

00:19:47,000 --> 00:19:50,000

They didn't use the term UFO or flying saucer

318

00:19:50,000 --> 00:19:53,000

back in the times of the Romans and the Greeks,

319

00:19:53,000 --> 00:19:59,000

but they spoke about things like sky armies, shields, ships.

320

00:19:59,000 --> 00:20:01,000

I mean, this is history.

321

00:20:03,000 --> 00:20:05,000

There's a very interesting report by Cicero,

322

00:20:05,000 --> 00:20:09,000

and what that was is that there was a sphere in the sky

323

00:20:09,000 --> 00:20:12,000

which then divided into smaller spheres.

324

00:20:12,000 --> 00:20:15,000

This reflects the classic UFO reports that we get today,

325

00:20:15,000 --> 00:20:18,000

where there's just one big object, usually a sphere,

326

00:20:18,000 --> 00:20:20,000

and then suddenly it breaks apart,

327

00:20:20,000 --> 00:20:23,000

and these smaller subsets go flying around.

328

00:20:25,000 --> 00:20:28,000

This report from the first century BC

329

00:20:28,000 --> 00:20:32,000

was just one of over 100 unexplained sightings

330

00:20:32,000 --> 00:20:35,000

recorded during the Roman Empire.

331

00:20:35,000 --> 00:20:38,000

There's one remarkable story after another

332

00:20:38,000 --> 00:20:42,000

in the Roman Empire of the appearance of spaceships,

333

00:20:42,000 --> 00:20:44,000

their influencing battles,

334

00:20:44,000 --> 00:20:47,000

and it leaves the appearance that these extraterrestrial beings

335

00:20:47,000 --> 00:20:51,000

had a direct bearing on the outcome of some of these battles

336

00:20:51,000 --> 00:20:53,000

and these wars.

337

00:20:53,000 --> 00:20:55,000

Of all the unexplained sightings,

338

00:20:55,000 --> 00:20:59,000

the most famous was reported by Emperor Constantine the Great

339

00:20:59,000 --> 00:21:03,000

on October 27th, 312 AD,

340

00:21:03,000 --> 00:21:06,000

at the Battle of the Milvian Bridge,

341

00:21:06,000 --> 00:21:08,000

which would win him the throne

342

00:21:08,000 --> 00:21:11,000

and change Western civilization forever.

343

00:21:11,000 --> 00:21:14,000

The real moment of truth for Constantine came

344

00:21:14,000 --> 00:21:18,000

when he was engaged in the midst of a great battle.

345

00:21:21,000 --> 00:21:26,000

He claimed to have seen a cross appear in the sky

346

00:21:26,000 --> 00:21:28,000

over the battlefield.

347

00:21:28,000 --> 00:21:31,000

At that point, he made a vow to Christ

348

00:21:31,000 --> 00:21:33,000

that if he won the battle,

349

00:21:33,000 --> 00:21:36,000

he would convert to Christianity for good,

350

00:21:36,000 --> 00:21:40,000

and he would make Christianity the state religion

351

00:21:40,000 --> 00:21:42,000

of the Roman Empire.

352

00:21:43,000 --> 00:21:47,000

The vision of Constantine was extremely significant.

353

00:21:47,000 --> 00:21:49,000

They thought it was some kind of message.

354

00:21:49,000 --> 00:21:53,000

Fight this battle and establish this form of Christianity.

355

00:21:54,000 --> 00:21:58,000

Shortly after Constantine became Emperor of Rome,

356

00:21:58,000 --> 00:22:03,000

religious wars broke out between the Christians, Jews, and pagans.

357

00:22:03,000 --> 00:22:07,000

It was during these wars that the first attacks were made

358

00:22:07,000 --> 00:22:10,000

on the library of Alexandria,

359

00:22:10,000 --> 00:22:15,000

ultimately leading to its total destruction in 391 AD.

360

00:22:16,000 --> 00:22:20,000

And according to some ancient astronaut theorists,

361

00:22:20,000 --> 00:22:24,000

this was done at the direction of those extraterrestrial beings

362

00:22:24,000 --> 00:22:27,000

that were responsible for Constantine's vision

363

00:22:27,000 --> 00:22:29,000

at the Milvian Bridge.

364

00:22:31,000 --> 00:22:35,000

The Roman Empire, in many ways, was ahead of its time.

365

00:22:35,000 --> 00:22:39,000

Now, was this something that caught the attention

366

00:22:39,000 --> 00:22:42,000

of intelligent extraterrestrials?

367

00:22:42,000 --> 00:22:45,000

Did it give them cause for concern?

368

00:22:45,000 --> 00:22:49,000

Were these UFO sightings, at the time of the Roman Empire,

369

00:22:49,000 --> 00:22:52,000

a monitoring process, and maybe humanity

370

00:22:52,000 --> 00:22:55,000

was just pegged back a little bit?

371

00:22:57,000 --> 00:23:00,000

Is it possible the alleged UFO sightings

372

00:23:00,000 --> 00:23:03,000

throughout the Roman Empire indicate

373

00:23:03,000 --> 00:23:06,000

that there is an extraterrestrial agenda

374

00:23:06,000 --> 00:23:09,000

to hold back the progress of humanity?

375

00:23:09,000 --> 00:23:14,000

Or might there be an even more incredible explanation?

376

00:23:14,000 --> 00:23:17,000

Some ancient astronaut theorists claim

377

00:23:17,000 --> 00:23:20,000

there may not be just one alien agenda.

378

00:23:22,000 --> 00:23:24,000

But several.

379

00:23:25,000 --> 00:23:27,000

Washington, D.C.

380

00:23:28,000 --> 00:23:31,000

After five days of expert testimony

381

00:23:31,000 --> 00:23:34,000

at the citizen hearing on disclosure,

382

00:23:34,000 --> 00:23:37,000

astounding claims regarding extraterrestrial involvement

383

00:23:37,000 --> 00:23:42,000

with the human race were shared with former members of Congress.

384

00:23:43,000 --> 00:23:46,000

Among the most inflammatory is the assertion

385

00:23:46,000 --> 00:23:50,000

from former Canadian Defense Minister, Paul Hellyer,

386

00:23:50,000 --> 00:23:55,000

that we are not being visited by just one alien faction,

387

00:23:55,000 --> 00:23:57,000

but several.

388

00:23:58,000 --> 00:24:02,000

At least four species had been visiting Earth

389

00:24:02,000 --> 00:24:04,000

for thousands of years.

390

00:24:05,000 --> 00:24:07,000

There are different species,

391

00:24:07,000 --> 00:24:10,000

and consequently may have different agendas.

392

00:24:10,000 --> 00:24:14,000

The thing about Paul Hellyer is the level of detail

393

00:24:14,000 --> 00:24:17,000

that he goes down to, numbers of civilizations,

394

00:24:17,000 --> 00:24:19,000

alien agendas.

395

00:24:19,000 --> 00:24:23,000

This is not some maverick UFO researcher.

396

00:24:23,000 --> 00:24:27,000

This is a politician still deeply connected.

397

00:24:27,000 --> 00:24:31,000

He has a number of extremely high-level

398

00:24:31,000 --> 00:24:35,000

government and military and intelligence community sources.

399

00:24:37,000 --> 00:24:40,000

Is it possible the government has been covering up

400

00:24:40,000 --> 00:24:43,000

the presence of other worldly beings here on Earth?

401

00:24:44,000 --> 00:24:49,000

And could there, in fact, be more than one agenda?

402

00:24:50,000 --> 00:24:52,000

Ancient astronaut theorists claim

403

00:24:52,000 --> 00:24:57,000

that not only do different extraterrestrial agendas exist,

404

00:24:57,000 --> 00:25:02,000

but that this notion is supported by some of mankind's earliest writings.

405

00:25:04,000 --> 00:25:08,000

In Greek mythology, Prometheus acts in opposition to Zeus

406

00:25:08,000 --> 00:25:12,000

by giving fire and knowledge to mankind.

407

00:25:13,000 --> 00:25:19,000

In the Indian Vedic texts, the gods Vishnu and Shiva are often at odds.

408

00:25:20,000 --> 00:25:26,000

And even in the Bible, Lucifer is cast out of heaven for disobeying God.

409

00:25:27,000 --> 00:25:32,000

But perhaps the strongest clues as to just what these opposing agendas are

410

00:25:32,000 --> 00:25:37,000

can be found in the detailed accounts of the ancient Sumerians.

411

00:25:42,000 --> 00:25:47,000

Tall Amokhya year, Iraq, 1922.

412

00:25:48,000 --> 00:25:51,000

British archaeologist Sir Leonard Woolley and his team

413

00:25:51,000 --> 00:25:55,000

uncover the ancient Sumerian city of Ur

414

00:25:56,000 --> 00:26:00,000

and discover numerous clay tablets containing fantastic tales

415

00:26:00,000 --> 00:26:03,000

of gods interacting with humans.

416

00:26:04,000 --> 00:26:10,000

We have these keneiform tablets carved into clay with a primitive stylus,

417

00:26:10,000 --> 00:26:15,000

but the stories they tell, the Sumerian mythology of the Anunnaki,

418

00:26:15,000 --> 00:26:21,000

those who from heaven to Earth came, are so intricate and fascinating.

419

00:26:21,000 --> 00:26:24,000

After studying the tablets for nearly 50 years,

420

00:26:24,000 --> 00:26:28,000

preeminent Mesopotamian historian Thor Kild Jacobson

421

00:26:28,000 --> 00:26:34,000

publishes Treasures of Darkness, a book outlining the governing structure

422

00:26:34,000 --> 00:26:38,000

of Sumerian gods called the Anunnaki.

423

00:26:38,000 --> 00:26:43,000

Thor Kild Jacobson, he was not an ancient astronaut theorist

424

00:26:43,000 --> 00:26:49,000

or a ufologist by any means, but he just simply took all of these Mesopotamian stories

425

00:26:49,000 --> 00:26:53,000

and he was able to construct from that exactly how the gods ruled,

426

00:26:53,000 --> 00:26:57,000

how they managed, and the effect on that it has on the human population

427

00:26:57,000 --> 00:27:00,000

once they established certain policies.

428

00:27:01,000 --> 00:27:08,000

Jacobson outlines that an assembly of gods were charged with making decisions regarding Earth.

429

00:27:08,000 --> 00:27:14,000

The unanimous will of the assembly would ultimately shape and control human history.

430

00:27:15,000 --> 00:27:20,000

The high-ranking gods of the assembly included half-brothers Enlil and Enki,

431

00:27:20,000 --> 00:27:23,000

who had opposing ideas about mankind.

432

00:27:26,000 --> 00:27:29,000

Enki is a very benevolent god, a very wise god.

433

00:27:29,000 --> 00:27:34,000

In fact, he's credited with being the one who actually fashioned or created the human body.

434

00:27:34,000 --> 00:27:40,000

And his agenda was to raise humankind even to the level of the gods.

435

00:27:41,000 --> 00:27:46,000

He's opposed by his half-brother Enlil, who's very militaristic and commanding,

436

00:27:46,000 --> 00:27:50,000

who prefers to keep humanity at the level of slaves and sex objects.

437

00:27:50,000 --> 00:27:54,000

And so throughout the Babylonian epics, there's this continuing battle

438

00:27:54,000 --> 00:27:57,000

between these two opposing forces, these brothers.

439

00:27:59,000 --> 00:28:02,000

Enlil did not like Enki's relationship with mankind,

440

00:28:02,000 --> 00:28:07,000

so they apparently, he was the one who brought the delus, the flood,

441

00:28:08,000 --> 00:28:11,000

that wiped out civilizations.

442

00:28:11,000 --> 00:28:15,000

Enki, on the other hand, trying to keep things going.

443

00:28:17,000 --> 00:28:20,000

But just who were these brothers?

444

00:28:20,000 --> 00:28:28,000

According to ancient astronaut theorists, the Sumerians were visited by alien beings from another solar system.

445

00:28:28,000 --> 00:28:32,000

It's easy for us to say that the Anunnaki were their gods.

446

00:28:32,000 --> 00:28:38,000

But let's be clear, the Sumerians did not refer to the Anunnaki as gods.

447

00:28:38,000 --> 00:28:45,000

They referred to them as a race of giant, human-looking people who came from the stars.

448

00:28:47,000 --> 00:28:53,000

Enlil and Enki, they fought over whether humanity should be destroyed or not.

449

00:28:55,000 --> 00:28:59,000

And ever since then, there has been a battle that has been going on

450

00:28:59,000 --> 00:29:04,000

between extraterrestrial watchers that want to see humanity

451

00:29:04,000 --> 00:29:10,000

evolve and grow and another group that wants us destroyed.

452

00:29:11,000 --> 00:29:14,000

Look at humankind. Some are good, some are bad.

453

00:29:14,000 --> 00:29:18,000

I think extraterrestrials are the same thing. Some are very enlightened.

454

00:29:18,000 --> 00:29:23,000

They want to upgrade us. They want great things for this planet and this universe.

455

00:29:23,000 --> 00:29:25,000

There are others who don't.

456

00:29:25,000 --> 00:29:30,000

They want to keep us ignorant and down and fighting and greedy.

457

00:29:33,000 --> 00:29:37,000

Do the legends of gods with different agendas for mankind

458

00:29:37,000 --> 00:29:44,000

actually give insight into the extraterrestrial claims of former Canadian defense minister, Paul Hellyer?

459

00:29:45,000 --> 00:29:51,000

And if so, are these otherworldly rivalries still occurring today?

460

00:29:51,000 --> 00:29:56,000

Perhaps clues can be found by looking at our more recent past

461

00:29:56,000 --> 00:30:00,000

and the secret technology of the Nazis.

462

00:30:08,000 --> 00:30:11,000

London, England, 1939.

463

00:30:13,000 --> 00:30:19,000

Former Nazi officer Hermann Roche■, publishes a book titled, Hitler Speaks.

464

00:30:20,000 --> 00:30:27,000

In it, he reveals some shocking conversations that he claimed to have had with Adolf Hitler.

465

00:30:28,000 --> 00:30:33,000

Conversations about contact with non-human intelligences.

466

00:30:34,000 --> 00:30:39,000

The surprising thing is that Adolf Hitler was basically, we would call him today, basically a UFO contactee.

467

00:30:39,000 --> 00:30:46,000

He claimed that he personally had at least one contactor meeting with these so-called supermen.

468

00:30:46,000 --> 00:30:49,000

They called them the supermen or the underground supermen.

469

00:30:49,000 --> 00:30:56,000

But basically it was a contact with these super people who were guiding them.

470

00:30:58,000 --> 00:31:03,000

There are beings that are said to manipulate segments of humanity

471

00:31:03,000 --> 00:31:08,000

so as to express their own agendas

472

00:31:08,000 --> 00:31:15,000

and therefore it is they who influence nations to go to war and to fight.

473

00:31:16,000 --> 00:31:19,000

But their purposes and their agendas.

474

00:31:20,000 --> 00:31:26,000

Is it really possible that Adolf Hitler was in contact with a race of extraterrestrials?

475

00:31:26,000 --> 00:31:28,000

He called supermen.

476

00:31:29,000 --> 00:31:34,000

While the authenticity of Hermann Roche's accounts are widely questioned,

477

00:31:34,000 --> 00:31:40,000

ancient astronaut theorists propose that extraterrestrials may have had a particular interest

478

00:31:40,000 --> 00:31:44,000

in the quest of Hitler to obtain super weapons.

479

00:31:44,000 --> 00:31:49,000

Lost knowledge and artifacts of the ancestral gods.

480

00:31:49,000 --> 00:31:56,000

The Nazis embarked on a quest for so-called wunderwaff, wonder weapons.

481

00:31:57,000 --> 00:32:03,000

The Nazis were after not just making the atomic bomb, which they clearly were working toward,

482

00:32:03,000 --> 00:32:06,000

but guided missiles.

483

00:32:07,000 --> 00:32:14,000

And even something called the sun gun, which actually involved plans for some sort of space station

484

00:32:14,000 --> 00:32:21,000

and then effectively directed energy weapon down to the surface of the earth.

485

00:32:24,000 --> 00:32:30,000

Many people now speculate that extraterrestrials were watching humanity

486

00:32:30,000 --> 00:32:34,000

engaged in this cataclysmic conflict.

487

00:32:36,000 --> 00:32:41,000

The theory was that this was war on a totally new scale.

488

00:32:43,000 --> 00:32:48,000

And that it had attracted the attention of these alien visitors

489

00:32:48,000 --> 00:32:54,000

who were watching with concern for human beings advancing so rapidly.

490

00:32:56,000 --> 00:33:01,000

There are a ton of reports that date back to the Second World War

491

00:33:01,000 --> 00:33:06,000

where pilots reported the so-called Foo Fighters.

492

00:33:06,000 --> 00:33:11,000

And Foo Fighters are something that can be likened to modern-day UFOs.

493

00:33:12,000 --> 00:33:18,000

So that is very interesting because it shows to me that somehow

494

00:33:18,000 --> 00:33:23,000

extraterrestrials were interested in the outcome.

495

00:33:25,000 --> 00:33:27,000

You have World War II with Hitler.

496

00:33:27,000 --> 00:33:32,000

Signs were really clear that we were now starting to enter a phase of our development

497

00:33:32,000 --> 00:33:36,000

where we are now going to have some pretty good technology.

498

00:33:36,000 --> 00:33:41,000

We're going to start understanding some of the weirder aspects of reality.

499

00:33:41,000 --> 00:33:45,000

That was the knowledge of the gods perhaps that they did not want us to have.

500

00:33:47,000 --> 00:33:53,000

Is it possible that Hitler's quest for super weapons ultimately led to his downfall?

501

00:33:54,000 --> 00:34:01,000

Might an extraterrestrial faction have intervened to stop him before he went even further?

502

00:34:04,000 --> 00:34:11,000

Immediately following World War II, the United States military enlisted Nazi scientists

503

00:34:11,000 --> 00:34:17,000

to continue the development of weaponry, including rockets and nuclear bombs.

504

00:34:18,000 --> 00:34:27,000

After World War II, much of the UFO activity around the world really stepped up considerably.

505

00:34:28,000 --> 00:34:35,000

There are stories of how UFOs would circle around nuclear weapons silos.

506

00:34:37,000 --> 00:34:43,000

UFOs were reported at numerous U.S. Air Force bases with nuclear capabilities,

507

00:34:44,000 --> 00:34:49,000

including high-profile reports from the Maastrum Air Force Base in Montana

508

00:34:50,000 --> 00:34:53,000

and Minot Air Force Base in North Dakota.

509

00:34:55,000 --> 00:35:00,000

In 1980, there was a famous sighting of a disc-shaped object that hovered

510

00:35:00,000 --> 00:35:07,000

near a nuclear bomb storage depot in Suffolk, England, and emitted laser-like beams of light.

511

00:35:08,000 --> 00:35:17,000

The sightings over the missile facilities at Maastrum and Minot involved apparent shutdowns of the missiles.

512

00:35:18,000 --> 00:35:22,000

That is to say, it was alleged that the missiles were taken offline.

513

00:35:23,000 --> 00:35:30,000

Now, UFO believers think that we were being sent a message and that the message was

514

00:35:30,000 --> 00:35:37,000

we know what your nuclear arsenal is capable of. We are watching.

515

00:35:40,000 --> 00:35:44,000

Are extraterrestrials monitoring nuclear facilities?

516

00:35:45,000 --> 00:35:50,000

Perhaps to ensure mankind does not unleash such weapons of mass destruction?

517

00:35:52,000 --> 00:35:57,000

And if there are, in fact, competing alien agendas for mankind,

518

00:35:57,000 --> 00:36:04,000

will proof of this be revealed with the introduction of an incredible new technology?

519

00:36:08,000 --> 00:36:12,000

Geneva, Switzerland. CERN headquarters.

520

00:36:13,000 --> 00:36:19,000

A multinational coalition of scientists are working to upgrade the large Hadron Collider,

521

00:36:20,000 --> 00:36:24,000

the world's largest and most powerful atom smasher,

522

00:36:24,000 --> 00:36:30,000

which is capable of producing the energy of 70,000 atomic bombs.

523

00:36:32,000 --> 00:36:38,000

The Large Hadron Collider was key to the initial discovery of the Higgs boson, or God particle.

524

00:36:40,000 --> 00:36:48,000

A subatomic particle that many scientists believe exists for a fraction of a second before other particles get their mass,

525

00:36:48,000 --> 00:36:54,000

and the one missing piece of our present understanding of the laws of physics.

526

00:36:55,000 --> 00:37:02,000

For theoretical physicists, the find opens up new frontiers in science and technology,

527

00:37:03,000 --> 00:37:09,000

suggesting the possibility of anti-gravity, travel at the speed of light,

528

00:37:10,000 --> 00:37:17,000

teleportation, and even future military applications.

529

00:37:18,000 --> 00:37:24,000

The Higgs particle is so new, we just really don't know what we're going to be able to do with it.

530

00:37:26,000 --> 00:37:34,000

The first person to refer to the Higgs boson as the God particle was Nobel Prize winning physicist Leon Lederman,

531

00:37:35,000 --> 00:37:42,000

who also likened the use of the Large Hadron Collider to the building of the Tower of Babel to reach the realm of God.

532

00:37:43,000 --> 00:37:51,000

If we take his words literally, it suggests that the search for the God particle and the creation of these amazing particle accelerators,

533

00:37:52,000 --> 00:37:57,000

such as the one at CERN, is actually a recreation of the Tower of Babel.

534

00:37:58,000 --> 00:38:07,000

Well, the Tower of Babel seems to have been humanity's first attempt to blast open holes in heaven, to open stargates and wormholes.

535

00:38:12,000 --> 00:38:18,000

With the promise of a more powerful, upgraded collider to go online in the next few years,

536

00:38:19,000 --> 00:38:27,000

scientists are hopeful that humankind will make even more technological leaps in understanding just how the universe works.

537

00:38:31,000 --> 00:38:36,000

When they finish the upgrade, it will be about 13 times more powerful.

538

00:38:37,000 --> 00:38:42,000

So that's an enormous increase in energy.

539

00:38:43,000 --> 00:38:48,000

We've never had a machine that could operate at these energy levels.

540

00:38:49,000 --> 00:38:55,000

But the question is, are we at risk of opening up something we don't want?

541

00:38:56,000 --> 00:38:57,000

Is it a Pandora's box?

542

00:39:00,000 --> 00:39:05,000

Could the collaborations with scientists from across the world happening at CERN today,

543

00:39:06,000 --> 00:39:12,000

mirror the efforts of the ancient civilization in Genesis who built the Tower of Babel?

544

00:39:13,000 --> 00:39:21,000

If we are reaching a level where we could interact with the heavens and connect with a galactic community, are we ready?

545

00:39:22,000 --> 00:39:28,000

Or will our efforts be thwarted again, pushing us back thousands of years in our development?

546

00:39:29,000 --> 00:39:37,000

The Egyptians, the Romans, the Greeks, most of these empires of course fell and for a while humanity was pegged back.

547

00:39:38,000 --> 00:39:41,000

But always we rose again and always we advance.

548

00:39:43,000 --> 00:39:47,000

Now it seems that we stand on the threshold of the final jump.

549

00:39:50,000 --> 00:39:54,000

There do seem to be cyclical patterns in history.

550

00:39:55,000 --> 00:40:02,000

Each generation has to make the same mistakes. We personally have to make similar mistakes at each life stage.

551

00:40:03,000 --> 00:40:10,000

Some argue it is a spiral pattern that the cycles have a kind of forward motion.

552

00:40:11,000 --> 00:40:15,000

It's actually traveling in a direction even as it seems to be going around in circles.

553

00:40:15,000 --> 00:40:30,000

It is human destiny from every religion to know. We as a race of human beings will evolve. We will overcome.

554

00:40:31,000 --> 00:40:40,000

We will achieve the fulfillment of the messianic destiny to knowing the truth of our universe, the truth of our existence. It's inevitable.

555

00:40:41,000 --> 00:41:00,000

It could well be that what we are seeing here is the fulfillment of this long standing plan or agenda of these extraterrestrial beings who have been waiting for us to arrive at this level of consciousness or technology through which they will feel comfortable now to reveal themselves.

556

00:41:01,000 --> 00:41:14,000

Is it possible that the course of humanity has been guided from the beginning by an alien agenda as ancient astronaut theorists suggest?

557

00:41:15,000 --> 00:41:21,000

Have extraterrestrials been monitoring our progress for thousands of years?

558

00:41:22,000 --> 00:41:27,000

At times helping us to advance and at other times holding us back.

559

00:41:28,000 --> 00:41:37,000

Are we finally reaching the point in our technological evolution where these alien visitors can no longer exist among us undetected?

560

00:41:38,000 --> 00:41:54,000

Perhaps the setbacks throughout our history were to assure we were prepared for full disclosure and only then would we be allowed to realize our potential and be reunited with our alien ancestors.
