

1

00:00:00,000 --> 00:00:03,000

possessed by demons.

2

00:00:03,000 --> 00:00:08,000

The dark side needs physical bodies to act in existence,

3

00:00:08,000 --> 00:00:10,000

tempted by evil.

4

00:00:10,000 --> 00:00:13,000

Many people desire things so badly

5

00:00:13,000 --> 00:00:16,000

that they're willing to forfeit their immortal soul,

6

00:00:16,000 --> 00:00:19,000

and enlisted to the dark side.

7

00:00:19,000 --> 00:00:23,000

They understood that they were serving darkness.

8

00:00:23,000 --> 00:00:26,000

If there is good that exists in the world,

9

00:00:26,000 --> 00:00:29,000

must there also be evil?

10

00:00:29,000 --> 00:00:33,000

Are there negative energies that permeate the cosmos?

11

00:00:33,000 --> 00:00:37,000

And if so, might the true source of these dark forces

12

00:00:37,000 --> 00:00:41,000

be extraterrestrial beings?

13

00:00:41,000 --> 00:00:43,000

There's good and evil in the world.

14

00:00:43,000 --> 00:00:45,000

When you look at all the evidence,

15

00:00:45,000 --> 00:00:47,000

you're gonna find behind this,

16

00:00:47,000 --> 00:00:50,000

extraterrestrial entities.

17

00:00:50,000 --> 00:00:53,000

Since the dawn of civilization,

18

00:00:53,000 --> 00:00:57,000

mankind has credited its origins to gods

19

00:00:57,000 --> 00:01:00,000

and other visitors from the stars.

20

00:01:00,000 --> 00:01:03,000

What if it were true?

21

00:01:03,000 --> 00:01:08,000

Did extraterrestrial beings really help to shape our history?

22

00:01:08,000 --> 00:01:15,000

And if so, are some of these beings acting as dark forces?

23

00:01:23,000 --> 00:01:27,000

The Dark Side

24

00:01:48,000 --> 00:01:51,000

Richard Ramirez, the Night Stalker.

25

00:01:51,000 --> 00:01:55,000

Found guilty of killing 13 people.

26

00:01:55,000 --> 00:01:59,000

He claims to be a minion of Satan

27

00:01:59,000 --> 00:02:04,000

sent to Earth to carry out atrocities for the devil.

28

00:02:04,000 --> 00:02:08,000

David Berkowitz, son of Sam,

29

00:02:08,000 --> 00:02:13,000

charged with killing six people and wounding seven others.

30

00:02:13,000 --> 00:02:20,000

He stated that he was a soldier in a Satanic army.

31

00:02:20,000 --> 00:02:23,000

Ted Bundy, serial killer and rapist,

32

00:02:23,000 --> 00:02:28,000

arrested in connection with over 36 murders.

33

00:02:28,000 --> 00:02:31,000

He alleged that something overtook him

34

00:02:31,000 --> 00:02:33,000

while committing the crimes.

35

00:02:33,000 --> 00:02:37,000

He called it the entity.

36

00:02:37,000 --> 00:02:39,000

Were these men simply delusional,

37

00:02:39,000 --> 00:02:42,000

or could their claims that they were compelled to violence

38

00:02:42,000 --> 00:02:48,000

by dark entities actually be true?

39

00:02:48,000 --> 00:02:52,000

The idea of otherworldly agents of good and evil

40

00:02:52,000 --> 00:02:56,000

influencing humans exists in nearly every culture

41

00:02:56,000 --> 00:02:58,000

throughout the world.

42

00:02:58,000 --> 00:03:02,000

Philosophers, religious scholars and psychologists

43

00:03:02,000 --> 00:03:06,000

have long debated not only the existence of,

44

00:03:06,000 --> 00:03:10,000

but also the nature of, these forces.

45

00:03:10,000 --> 00:03:17,000

Light and dark forces may be something quite objective and real.

46

00:03:17,000 --> 00:03:21,000

They may in that sense be spiritual powers,

47

00:03:21,000 --> 00:03:25,000

the things that are named as God on the one hand,

48

00:03:25,000 --> 00:03:31,000

and Satan and the devil and the demons on the other.

49

00:03:31,000 --> 00:03:35,000

Whether we think of light and dark forces in metaphysical terms,

50

00:03:35,000 --> 00:03:38,000

that is out there somewhere, or psychological terms,

51

00:03:38,000 --> 00:03:42,000

there are light and dark forces of some kind,

52

00:03:42,000 --> 00:03:46,000

and respecting that is important.

53

00:03:47,000 --> 00:03:50,000

The majority of humans on Earth and throughout history

54

00:03:50,000 --> 00:03:54,000

believe that otherworldly beings are actually agents.

55

00:03:54,000 --> 00:03:57,000

They're doing things in this world,

56

00:03:57,000 --> 00:04:00,000

either directly to us or indirectly,

57

00:04:00,000 --> 00:04:05,000

and that they too are experiencing a battle or a struggle,

58

00:04:05,000 --> 00:04:08,000

and using us as humans, as agents,

59

00:04:08,000 --> 00:04:12,000

as proxies, if you will, to fight this battle.

60

00:04:12,000 --> 00:04:16,000

There's obviously good and evil in the world.

61

00:04:16,000 --> 00:04:19,000

I think when you look at all the evidence of the UFO

62

00:04:19,000 --> 00:04:21,000

and the ancient astronaut evidence,

63

00:04:21,000 --> 00:04:24,000

you're going to find behind this,

64

00:04:24,000 --> 00:04:27,000

entities that were accused of causing the darkness,

65

00:04:27,000 --> 00:04:30,000

the war of the suffering, all of that,

66

00:04:30,000 --> 00:04:33,000

were by and large extraterrestrial entities.

67

00:04:33,000 --> 00:04:36,000

They called them the gods in Mesopotamia,

68

00:04:36,000 --> 00:04:38,000

also in Egypt,

69

00:04:38,000 --> 00:04:45,000

and then that morphed into angels and forces of Satan.

70

00:04:45,000 --> 00:04:47,000

Today we call them extraterrestrials,

71

00:04:47,000 --> 00:04:50,000

but it's really the same thing.

72

00:04:50,000 --> 00:04:52,000

There's no question in my mind

73

00:04:52,000 --> 00:04:55,000

that good and bad permeates the entire universe.

74

00:04:55,000 --> 00:04:58,000

That good and bad, yin and yang, positive, negative,

75

00:04:58,000 --> 00:05:03,000

exists all throughout the known and the unknown universe.

76

00:05:03,000 --> 00:05:05,000

Good or evil, in my opinion,

77

00:05:05,000 --> 00:05:11,000

also applies to extraterrestrials themselves.

78

00:05:11,000 --> 00:05:14,000

Are good and evil more than just qualities

79

00:05:14,000 --> 00:05:17,000

that exist within an individual?

80

00:05:17,000 --> 00:05:23,000

Could they be tangible forces that permeate the cosmos?

81

00:05:23,000 --> 00:05:26,000

Perhaps further clues can be found

82

00:05:26,000 --> 00:05:29,000

by examining ancient texts that describe the unleashing

83

00:05:29,000 --> 00:05:35,000

of dark forces upon the Earth.

84

00:05:35,000 --> 00:05:39,000

Mount Helicon, central Greece.

85

00:05:39,000 --> 00:05:42,000

At the base of this mountain,

86

00:05:42,000 --> 00:05:44,000

6th century BC poet Hesiod

87

00:05:44,000 --> 00:05:48,000

claimed to have made contact with the nine muses.

88

00:05:48,000 --> 00:05:51,000

Immortal daughters of the Gonsus

89

00:05:51,000 --> 00:05:57,000

said to impart knowledge and art to humans.

90

00:05:57,000 --> 00:06:01,000

Hesiod composed poems under the guidance of these muses,

91

00:06:01,000 --> 00:06:06,000

including what many consider his most important work,

92

00:06:06,000 --> 00:06:14,000

the Theogony and the infamous story of Pandora's Box.

93

00:06:14,000 --> 00:06:18,000

When the Titan Prometheus stole fire from the gods

94

00:06:18,000 --> 00:06:21,000

and gave it to humans, Zeus wasn't happy about it.

95

00:06:21,000 --> 00:06:23,000

Zeus wanted revenge.

96

00:06:23,000 --> 00:06:26,000

So what he did was he commissioned Hifastus

97

00:06:26,000 --> 00:06:29,000

to create Pandora, the first woman.

98

00:06:29,000 --> 00:06:33,000

So he gave Pandora a pythos, a jar,

99

00:06:33,000 --> 00:06:37,000

that contained all of the evils of the world.

100

00:06:37,000 --> 00:06:40,000

We call it a box, but in Greek it's a jar.

101

00:06:40,000 --> 00:06:42,000

And she's told, don't open this.

102

00:06:42,000 --> 00:06:44,000

And of course, she opens it up.

103

00:06:44,000 --> 00:06:47,000

And so all these evils are released into the world.

104

00:06:47,000 --> 00:06:51,000

These evil forces are sometimes embodied by demons.

105

00:06:51,000 --> 00:06:53,000

Sometimes those demons are gods.

106

00:06:53,000 --> 00:06:57,000

Sometimes they are hybrid mix of monsters and gods.

107

00:06:57,000 --> 00:07:03,000

But they are the forces of negative events in the world.

108

00:07:03,000 --> 00:07:07,000

Zeus wanted to counterbalance the fact that they had these good things

109

00:07:07,000 --> 00:07:12,000

that had been unfairly in Zeus's opinion given to humans.

110

00:07:12,000 --> 00:07:18,000

So it's an explanation that lays the existence of evil

111

00:07:18,000 --> 00:07:22,000

at the responsibility of the deities, of the gods.

112

00:07:23,000 --> 00:07:29,000

Pandora is telling a theme that people believed to be true for a long time.

113

00:07:29,000 --> 00:07:37,000

That these gods, these extraterrestrial gods were in control of human society.

114

00:07:37,000 --> 00:07:47,000

Pandora was an unleashing of entities or beings to cause these things to happen.

115

00:07:47,000 --> 00:07:50,000

The box itself might have been some sort of portal

116

00:07:50,000 --> 00:07:55,000

that when you open the box, you may actually create a doorway

117

00:07:55,000 --> 00:08:00,000

that a whole variety of nasty entities, spiritual beings,

118

00:08:00,000 --> 00:08:06,000

or extraterrestrial life potentially, was able to fly into the Earth through.

119

00:08:11,000 --> 00:08:17,000

Might the story of Pandora's box be describing the release of negative beings

120

00:08:17,000 --> 00:08:25,000

on Earth by extraterrestrials as ancient astronaut Theorists propose?

121

00:08:25,000 --> 00:08:34,000

Could it be that these dark forces are actual entities that infiltrated our world?

122

00:08:34,000 --> 00:08:43,000

If we look into some of the eastern legends we come across, beings like the Jinn,

123

00:08:43,000 --> 00:08:48,000

who could on occasion provide goodness and help

124

00:08:48,000 --> 00:08:57,000

and on other occasions were like demons and could provide all kinds of evil and all kinds of temptation.

125

00:08:57,000 --> 00:09:08,000

So that's the theory that the forces of good and evil are perhaps personal beings of some sort.

126

00:09:09,000 --> 00:09:14,000

The Jinn are really of some alternative world,

127

00:09:14,000 --> 00:09:21,000

but they're able to pass through gateways and come into our world to influence us.

128

00:09:21,000 --> 00:09:28,000

So you have to wonder perhaps if the Jinn aren't in some ways some kind of extraterrestrial force

129

00:09:28,000 --> 00:09:35,000

that's using other dimensions to appear and influence us in some way.

130

00:09:36,000 --> 00:09:44,000

Could it be that the stories of the Jinn and of Pandora's box are actually accounts of extraterrestrials

131

00:09:44,000 --> 00:09:51,000

purposely unleashing dark forces upon humanity, as ancient astronaut Theorists suggest?

132

00:09:51,000 --> 00:09:59,000

And if so, might this be evidence that alien entities exist that are intent on man's destruction?

133

00:10:00,000 --> 00:10:08,000

Perhaps clues can be found by examining the beliefs of a Christian sect that was denounced as the Church of Satan

134

00:10:08,000 --> 00:10:12,000

and ultimately exterminated.

135

00:10:19,000 --> 00:10:24,000

Villarouge Terminasse Castle, Languedoc, France

136

00:10:24,000 --> 00:10:35,000

This medieval fortress dating back to the 13th century AD served as the final holdout of the Christian sect known as the Cathars.

137

00:10:35,000 --> 00:10:47,000

In 1321, the last known Cathar perfectus, Gilhelm de la Basta, was burned at the stake here as part of the Holy Inquisition.

138

00:10:48,000 --> 00:10:53,000

The Cathars were a heretical sect that developed in Europe during the Middle Ages.

139

00:10:53,000 --> 00:10:56,000

They are considered a Christian heresy.

140

00:10:56,000 --> 00:11:07,000

The Cathars saw all of the things that happened in the world as a result of a cosmic struggle between the forces of good and the forces of evil.

141

00:11:07,000 --> 00:11:11,000

The forces of God on one hand and the forces of Satan on the other hand.

142

00:11:11,000 --> 00:11:16,000

And we human beings were nothing but pawns in this cosmic struggle.

143

00:11:16,000 --> 00:11:23,000

It was heresy to believe that there is a force as strong as God and the Cathars certainly believed that.

144

00:11:23,000 --> 00:11:28,000

The Cathars believed in an evil force, a force that was here to corrupt humans.

145

00:11:28,000 --> 00:11:32,000

The Cathars referred to this force as Rex Moondi.

146

00:11:32,000 --> 00:11:37,000

Rex Moondi means the king of the world. He is essentially a type of demon.

147

00:11:37,000 --> 00:11:42,000

Rex Moondi will lead you from your path with material temptations.

148

00:11:44,000 --> 00:11:54,000

The Cathars believed that there were two great forces of darkness and light that collided at the beginning of time.

149

00:11:57,000 --> 00:12:01,000

And that the good God remained out there somewhere in the stars.

150

00:12:02,000 --> 00:12:13,000

But the bad God sometimes called the devil, called many names, created matter and entrapped our particles of light in humanity.

151

00:12:14,000 --> 00:12:18,000

The Cathars believed that we are angels contained within flesh.

152

00:12:18,000 --> 00:12:24,000

And that we struggle every day with remembering our divine origins.

153

00:12:24,000 --> 00:12:33,000

With remembering that there are dark forces that tempt us away from our spirituality and they tempt us with the physical world.

154

00:12:35,000 --> 00:12:44,000

The Cathars believed that you had to lead a perfect and exemplary ascetic life in order to escape this world.

155

00:12:44,000 --> 00:12:50,000

If you didn't, if you became too involved in the things of this world, upon death you would be reincarnated.

156

00:12:50,000 --> 00:12:54,000

There was no hell. Hell is here. Hell is on earth.

157

00:12:55,000 --> 00:13:00,000

The Cathars had very odd ideas about the human race.

158

00:13:01,000 --> 00:13:15,000

Their ultimate idea of heaven or of the celestial end of the universe was that everybody would resume a spiritual nature and that all things physical would go.

159

00:13:16,000 --> 00:13:33,000

Because the devil is the ruler over this physical world, this perishable world, he's going to try to exchange these possessions on this earth for things that are immortal or imperishable, namely human souls.

160

00:13:34,000 --> 00:13:46,000

And many people desire things on this earth so badly that they're willing to forfeit their immortal soul, their eternal soul, and live under the rule of the devil in exchange for this temporary wealth.

161

00:13:48,000 --> 00:13:55,000

Could it be that humans really are otherworldly beings trapped in physical bodies as the Cathars believed?

162

00:13:56,000 --> 00:14:03,000

And do the dark forces serve to keep mankind in physical shackles here on earth?

163

00:14:04,000 --> 00:14:18,000

Some ancient astronaut theorists say yes and suggest that further evidence can be found in one of humanity's earliest creation accounts, the Mesopotamian Epic known as the Atrahasis.

164

00:14:19,000 --> 00:14:27,000

We know from Sumerian kuniforms that the gods created humans as slaves.

165

00:14:28,000 --> 00:14:35,000

Our forefathers could not understand it. They believed erroneously that these extraterrestrials are some gods.

166

00:14:36,000 --> 00:14:42,000

Because they came down from the skies, they influenced humans, and they had supernatural forces.

167

00:14:43,000 --> 00:14:46,000

They were not spirits or ghosts, definitely not.

168

00:14:47,000 --> 00:14:58,000

The Mesopotamian creation story talks about that there are several elements that needed to go into creating this work race that the extraterrestrial gods wanted to make.

169

00:14:59,000 --> 00:15:02,000

In order for the body to function, you need to attach a soul to make it work.

170

00:15:03,000 --> 00:15:15,000

The gods fashioned the body as a sort of prison that would trap the divine sparks or souls of the light beings in a human form.

171

00:15:16,000 --> 00:15:25,000

One begins to wonder if this dualistic or hybrid aspect of humanity is sort of like a game to these extraterrestrial gods.

172

00:15:26,000 --> 00:15:30,000

Let's conflict these humans, let's put them on this planet, let's see what happens.

173

00:15:31,000 --> 00:15:39,000

Humans are essentially hybrid beings. We are conflicted beings, part of us is immaterial and light.

174

00:15:40,000 --> 00:15:49,000

The other part of us is material and dark, and it's that constant conflict between us that rules our lives and defines our civilization.

175

00:15:50,000 --> 00:16:02,000

Is it possible that humans were not only the creation of extraterrestrial beings, but also one deliberately fashioned to possess attributes of both good and evil?

176

00:16:03,000 --> 00:16:10,000

And if so, aren't the forces of light and dark in an epic struggle to influence the path of mankind?

177

00:16:11,000 --> 00:16:20,000

Perhaps further clues can be found by examining the life of one of the most controversial and pulverizing figures in modern history.

178

00:16:21,000 --> 00:16:23,000

Grigori, Resputin.

179

00:16:29,000 --> 00:16:34,000

Yakata Ringborg, Russia, July 17, 1918.

180

00:16:35,000 --> 00:16:48,000

Members of the deposed Russian royal family, Tsar Nicholas and Tsarina Alexandra Romanov and their five children are awakened in the middle of the night by Bolshevik soldiers.

181

00:16:49,000 --> 00:16:56,000

They are led to the basement of their safe house. One after the other, they are executed.

182

00:16:57,000 --> 00:17:14,000

Rumors spread that their death was the result of a curse laid upon them by the powerful mystic Grigori Resputin, a man who had been murdered himself a year and a half prior.

183

00:17:15,000 --> 00:17:21,000

Resputin wrote an open letter to Russia, and within this open letter he states,

184

00:17:22,000 --> 00:17:31,000

If I am murdered by the royal family or by someone related to the royal family, within two years every member of the royal family will be dead.

185

00:17:32,000 --> 00:17:46,000

Just who was this mysterious figure known as Resputin? And how did he come to be so infamously associated with dark powers from beyond the grave?

186

00:17:47,000 --> 00:17:53,000

The Kroska, Western Siberia.

187

00:17:54,000 --> 00:18:04,000

A comet streaks across the Russian sky the evening of January 23, 1871.

188

00:18:05,000 --> 00:18:11,000

This celestial event is said to have set the stage for the birth of Resputin.

189

00:18:11,000 --> 00:18:29,000

From the memoir of Maria Resputin, Resputin's daughter, she wrote that when he was born, there were other omens and portents, things like dog with six legs, being born, babies with deformities, that kind of thing.

190

00:18:30,000 --> 00:18:44,000

From a very early age, Resputin displayed what some believed to be supernatural powers, including psychic premonitions and the ability to heal animals.

191

00:18:45,000 --> 00:18:54,000

And by the time he reached adulthood, he would experience a vision that would profoundly alter the trajectory of his peasant life.

192

00:18:55,000 --> 00:19:01,000

One day while plowing his fields, Resputin sees a strange light in the sky.

193

00:19:02,000 --> 00:19:07,000

And out from the middle of this light emerges a vision of the Virgin Mary.

194

00:19:08,000 --> 00:19:13,000

And she doesn't speak to him, but he watches her gesture to the horizon.

195

00:19:14,000 --> 00:19:23,000

And Resputin takes this to mean that he is being told by the mother of God that he must go and find himself on a spiritual pilgrimage.

196

00:19:23,000 --> 00:19:27,000

And this begins the huge shift in Resputin's life.

197

00:19:29,000 --> 00:19:33,000

But was it really the Virgin Mary that appeared to Resputin?

198

00:19:34,000 --> 00:19:42,000

Ancient astronaut theorists suggest that what Resputin encountered was a very different kind of otherworldly being.

199

00:19:43,000 --> 00:19:54,000

The vision set Resputin on his course of then trying to become a religious monk, which finally led him to the Czarist family.

200

00:19:55,000 --> 00:19:58,000

This has been a very consistent thing throughout all of human history.

201

00:19:59,000 --> 00:20:02,000

People are claiming that they're being guided. Well, then you have to ask, well, who's guiding them?

202

00:20:02,000 --> 00:20:14,000

People have made contact and it is clear that there is a definitive extraterrestrial involvement here.

203

00:20:16,000 --> 00:20:20,000

We have religiocized this understanding.

204

00:20:21,000 --> 00:20:27,000

We have developed a mythology, a legend around something, and we have not understood it correctly.

205

00:20:33,000 --> 00:20:43,000

In 1905, after years of wandering and developing a reputation as a healer, Resputin was introduced to the Russian royal family.

206

00:20:45,000 --> 00:20:56,000

The reason why the royal family are interested in Resputin is the problem they have with their only son, Alexis, who is hemophilic.

207

00:20:57,000 --> 00:21:12,000

It becomes very clear from the earliest visits to the palace that Resputin's prayers, his gaze, that psychological penetration that he's able to help stop the bleeding.

208

00:21:13,000 --> 00:21:20,000

Resputin certainly had a powerful magnetic presence. He gained great favor with the royal family, the Czarist family.

209

00:21:20,000 --> 00:21:29,000

Some felt he was one of the most powerful people in Russia at the time, but he also drew the attention of powerful rivals, so he made some major enemies.

210

00:21:31,000 --> 00:21:39,000

Resputin's behavior certainly became an area of concern for the nobility. He was seen to be debauchery. He was involved in orgies.

211

00:21:40,000 --> 00:21:46,000

He was a very, very heavy drinker. He was often seen battling with demons out loud as he walked through the streets.

212

00:21:50,000 --> 00:22:05,000

Resputin's erratic behavior would earn him the nickname the Mad Monk, but might he really have been functioning as a vessel for other worldly forces? Forces he had little, if any, control over.

213

00:22:06,000 --> 00:22:21,000

This whole idea of channeling essentially implies that you are a conduit to a different world or to a different realm, so then the question arises, are you in control of that conduit or not?

214

00:22:22,000 --> 00:22:33,000

The dark side needs physical bodies to act in existence, and Resputin could have been one of those. They could have used him. They could have possessed him.

215

00:22:35,000 --> 00:22:46,000

Resputin really almost comes across as really being a pawn in a much bigger game, and that's a bigger game that's connected to extra crystals, and that's one of the amazing things about it.

216

00:22:47,000 --> 00:23:09,000

On the night of December 16th, 1916, Grigori Resputin was lured to the home of Prince Felix Yusupov. Yusupov and his co-conspirators were convinced that Resputin was set to destroy the royal family and was being led by forces of darkness.

217

00:23:10,000 --> 00:23:19,000

Yusupov offers Resputin kegs that he is laced with cyanide and sweet wine that also is poisoned.

218

00:23:20,000 --> 00:23:29,000

Felix Yusupov becomes anxious because Resputin hasn't died, despite consuming what he thinks are prodigious amounts of cyanide.

219

00:23:30,000 --> 00:23:39,000

So he makes an excuse, goes upstairs to talk to the other conspirators and gets a gun from them. He comes back downstairs and then he shoots him.

220

00:23:40,000 --> 00:23:53,000

And he thinks that he's killed him. Resputin, however, is still alive, and he crawls out of the cellar and out into the courtyard where he's bleeding profusely onto the snow.

221

00:23:54,000 --> 00:24:07,000

Then they got really panicked and they actually shot him through the head as well. They beat his body way beyond the point that somebody should have died. Then they tie him up and they throw him into the river.

222

00:24:08,000 --> 00:24:17,000

And his body was found frozen solid in the ice of the river, and it showed that he had managed to wrestle out of his shackles inside the river.

223

00:24:18,000 --> 00:24:29,000

Resputin would not die, but would have killed a normal man did not kill him. This raises a very interesting question. Was Resputin somehow protected?

224

00:24:32,000 --> 00:24:42,000

Could it be that there were extraterrestrial dark forces working through Resputin and possibly protecting him, as some ancient astronaut theorists suggest?

225

00:24:43,000 --> 00:24:53,000

Might these same forces have led to the assassination of the Russian royal family, an outcome that Resputin had prophesied?

226

00:24:54,000 --> 00:25:01,000

If so, are there other humans on Earth that serve as foot soldiers for an otherworldly cause?

227

00:25:01,000 --> 00:25:13,000

Perhaps evidence of this can be found by exploring what was happening behind the scenes during one of mankind's darkest hours.

228

00:25:31,000 --> 00:25:35,000

Resputin had been a pact with dark forces in exchange for power.

229

00:25:36,000 --> 00:25:53,000

The idea of a pact with the devil seems to be worldwide, and there are many stories of those who have made such a pact and then had their life of wealth and power and sexual pleasure.

230

00:25:53,000 --> 00:26:01,000

Today we don't talk about making a deal with the devil as much as we talk about making pacts with extraterrestrial civilizations.

231

00:26:02,000 --> 00:26:14,000

This is a retooling of a very ancient idea, but it may in fact take us back to the original source and the original truth of these stories of deals with the devil or other nefarious beings.

232

00:26:15,000 --> 00:26:21,000

Have we historically misinterpreted stories of encounters with demonic forces?

233

00:26:22,000 --> 00:26:29,000

And could these entities actually be extraterrestrial, as ancient astronaut theorists suggest?

234

00:26:29,000 --> 00:26:32,000

The first time we've seen a man in the North West.

235

00:26:34,000 --> 00:26:37,000

Weevilsburg Castle, Northwest Germany.

236

00:26:40,000 --> 00:26:56,000

In the crypt of the North Tower, twelve pedestals surrounding a gas pipe meant to feed an eternal flame stand as a testament to the occult leadings of Heinrich Himmler and the Nazi SS.

237

00:26:57,000 --> 00:27:05,000

And on the marble floors of the circular Hall of SS Generals is the mystical symbol of a black sun.

238

00:27:06,000 --> 00:27:15,000

The Weevilsburg Castle was acquired in 1933 by Himmler. He intended to make that the spiritual center of the world.

239

00:27:16,000 --> 00:27:30,000

The black sun symbolized an invisible sun or a dead sun and consequently it was believed that there was hidden power that resided in that that could be tapped.

240

00:27:31,000 --> 00:27:38,000

That would link you into a completely different source of energies from the ordinary ones that you would get.

241

00:27:39,000 --> 00:27:43,000

By tapping into a dark force you have more power.

242

00:27:44,000 --> 00:27:55,000

If you think about necromancy, black magic, alchemy, the black art, you're trying to tap into the dark forces to accrue more power.

243

00:27:56,000 --> 00:28:04,000

And of course having power from some telluric, earthly dark force would make you unvanquishable.

244

00:28:05,000 --> 00:28:10,000

Nazi Germany was an occult society.

245

00:28:12,000 --> 00:28:25,000

They were seeking contact. They were seeking the secret power to gain control because they worshipped what was called the black sun, the darkness.

246

00:28:26,000 --> 00:28:29,000

They understood that they were serving darkness.

247

00:28:30,000 --> 00:28:45,000

Particularly within the SS they were totally absorbed with trying to make contact with hidden entities, extraterrestrials, even they used a medium to contact other worlds.

248

00:28:46,000 --> 00:28:55,000

It is well known that high level members of the Nazi party participated in magic ritual and extraterrestrial contact efforts.

249

00:28:56,000 --> 00:29:04,000

However, the allies were also said to have employed psychics, magicians and channelers to assist the war effort.

250

00:29:05,000 --> 00:29:14,000

The allies also made use of what you might call psychic magical warfare and some of it was done at the highest level.

251

00:29:15,000 --> 00:29:19,000

Churchill in particular was very much involved in that.

252

00:29:20,000 --> 00:29:27,000

Churchill of course had been initiated as a druid in 1908. He was into the occult thing.

253

00:29:28,000 --> 00:29:36,000

There was more psychics than occultists etc on the British government's payroll than that of any other government except the German government.

254

00:29:37,000 --> 00:29:39,000

Because Churchill decided that was very important.

255

00:29:40,000 --> 00:29:45,000

He literally recruited the whole team of psychics and occultists and put them on the payroll.

256

00:29:45,000 --> 00:29:47,000

Like Alistair Crowley.

257

00:29:51,000 --> 00:30:00,000

Alistair Crowley was considered the world's most infamous occultist and claimed to have studied the secret teachings of the ancient Egyptians.

258

00:30:01,000 --> 00:30:06,000

Alistair Crowley was a British occultist who's considered the wickedest man alive.

259

00:30:06,000 --> 00:30:13,000

He was important to human history because he is said to have given Winston Churchill that famous V sign.

260

00:30:14,000 --> 00:30:24,000

V for victory is what we think it means but in Crowley's world it's an ancient symbol that was given to Churchill to help defeat Nazism.

261

00:30:25,000 --> 00:30:28,000

And to counteract the power of the swastika.

262

00:30:29,000 --> 00:30:39,000

Is it possible that both the Allied forces and the Nazi SS were attempting to receive help from other worldly sources?

263

00:30:40,000 --> 00:30:49,000

If so, did World War II serve as a battle between extraterrestrial forces of light and dark?

264

00:30:50,000 --> 00:30:57,000

Perhaps evidence of this can be found by further examining the magic rituals of Alistair Crowley.

265

00:31:04,000 --> 00:31:09,000

Rome, Italy, November 6th, 2014.

266

00:31:10,000 --> 00:31:16,000

Vatican officials announced a pastoral emergency due to a rise in occult activity.

267

00:31:16,000 --> 00:31:20,000

Such as the use of Ouija boards and seances.

268

00:31:22,000 --> 00:31:30,000

They caution that the spiritual realm is very real and that these games may have unintended consequences.

269

00:31:32,000 --> 00:31:39,000

Similar warnings concerning the danger of trying to summon dark forces can be found throughout history.

270

00:31:40,000 --> 00:31:52,000

And in 1918, the infamous occultist Alistair Crowley claimed to be in contact with a dark entity that he was actually able to put a face to.

271

00:31:53,000 --> 00:32:00,000

Alistair Crowley conducted some rituals in which he came into contact with a being called Lamb.

272

00:32:01,000 --> 00:32:06,000

He believed this was what he called an interdimensional being.

273

00:32:06,000 --> 00:32:09,000

But he never wrote anything about Lamb.

274

00:32:09,000 --> 00:32:13,000

She's curious because he wrote a great deal about some of his other rituals.

275

00:32:13,000 --> 00:32:18,000

It could be that it frightened him and he didn't want to encourage other people to go down that stage.

276

00:32:20,000 --> 00:32:25,000

What was he looking at? Where did that creature come from? Who knows?

277

00:32:25,000 --> 00:32:29,000

But it doesn't look human. It looks more extraterrestrial.

278

00:32:31,000 --> 00:32:44,000

Lamb looks very much like a grey alien and in some ways he looks like one of the oddness like Ocknaughton or their children with large extended heads.

279

00:32:45,000 --> 00:32:51,000

So you have to ask yourself, is this lamb actually some grey alien who's appeared to Crowley?

280

00:32:52,000 --> 00:32:56,000

And have these grey aliens appeared throughout history?

281

00:32:58,000 --> 00:33:06,000

Is it possible that through his ritual practices, Alistair Crowley made contact with an

extraterrestrial entity called Lamb?

282

00:33:08,000 --> 00:33:20,000

Some ancient astronaut theorists say yes and claim further evidence can be found by examining the magical rituals that coincided with the beginning of the age of UFOs.

283

00:33:22,000 --> 00:33:23,500

The

284

00:33:28,000 --> 00:33:32,500

Pasadena, California, 1946.

285

00:33:35,000 --> 00:33:50,000

In a mansion on Millionaires Row, Rocket Scientist and founder of Jet Propulsion Laboratories, Jack Parsons, and Scientology founder L. Ron Hubbard, dabble in the magical rituals of Alistair Crowley

286

00:33:51,000 --> 00:34:01,540

Jack Parsons is arguably the most controversial and strange figure in the history of the American

287

00:34:01,540 --> 00:34:04,400

space program.

288

00:34:04,400 --> 00:34:09,380

He found out about the work of Alistair Crowley and the secret society known as OTO or Ordo

289

00:34:09,380 --> 00:34:11,480

Templi Orientis.

290

00:34:11,480 --> 00:34:19,480

And Parsons got very interested in what you could essentially call black magic and Satanism.

291

00:34:19,480 --> 00:34:22,920

One comes along the science fiction writer L. Ron Hubbard.

292

00:34:22,920 --> 00:34:29,800

L. Ron Hubbard moved in with Jack Parsons and together they started to do this elaborate

293

00:34:29,800 --> 00:34:32,920

magical ceremony.

294

00:34:32,920 --> 00:34:42,880

Between January and March 1946 Jack Parsons and Ron Hubbard were conducting these rituals.

295

00:34:42,880 --> 00:34:47,680

Crowley certainly didn't authorize them to do the rituals.

296

00:34:47,680 --> 00:34:53,720

The one thing he did say was to advise people not to do his rituals unless they were properly

297

00:34:53,720 --> 00:34:54,720

prepared.

298

00:34:54,720 --> 00:35:01,560

He was not happy with them doing them.

299

00:35:01,560 --> 00:35:07,080

Some ancient astronaut theorists suggest that by conducting the rituals without understanding

300

00:35:07,080 --> 00:35:15,200

the consequences Hubbard and Parsons inadvertently ushered in the UFO age.

301

00:35:15,200 --> 00:35:20,200

Probably the same latitude line of Pasadena, California if you take it all the way around

302

00:35:20,200 --> 00:35:21,200

the earth.

303

00:35:21,200 --> 00:35:27,120

You got the Roswell crash which happens the very next year 1947 and many other UFO sightings

304

00:35:27,120 --> 00:35:31,720

and crashes that took place all over the world.

305

00:35:31,720 --> 00:35:37,200

As if Parsons and Hubbard were walking alongside a tarp that was hanging down vertically and

306

00:35:37,200 --> 00:35:40,960

they had a box cutter knife and slit holes in the tarp.

307

00:35:40,960 --> 00:35:47,160

And these holes become like portals that allow extraterrestrials to get in.

308

00:35:47,160 --> 00:35:54,800

I think that Hubbard and Parsons dabbled in things that they shouldn't have dabbled with.

309

00:35:54,800 --> 00:36:03,080

There are a lot of experts out there that think that demonic forces are indeed extraterrestrials.

310

00:36:03,080 --> 00:36:08,120

So who knows what the two of them mixed in conjured up but there was always talk that

311

00:36:08,120 --> 00:36:14,480

the two of them were big into UFOs and very strange things like that and they may have

312

00:36:14,480 --> 00:36:23,600

opened up a doorway a portal to get all these things through.

313

00:36:23,600 --> 00:36:30,120

Is it possible that the modern day UFO phenomenon is connected to rituals that were conducted

314

00:36:30,120 --> 00:36:35,640

to summon other worldly beings?

315

00:36:35,640 --> 00:36:42,360

Would this be evidence that dark forces really are of an extraterrestrial nature as some

316

00:36:42,360 --> 00:36:45,600

ancient astronaut theorists suggest?

317

00:36:45,600 --> 00:36:51,840

Perhaps further clues can be found by examining recent studies that show positive and negative

318

00:36:51,840 --> 00:37:00,640

energy can in fact alter our physical world.

319

00:37:00,640 --> 00:37:04,560

Tokyo Japan 1999.

320

00:37:04,960 --> 00:37:12,640

Japanese researcher Dr. Masaru Imoto publishes findings claiming that human thoughts, words

321

00:37:12,640 --> 00:37:18,840

and feelings have a direct effect on water molecules.

322

00:37:18,840 --> 00:37:24,680

Imoto and his team subjected samples of water to numerous types of positive and negative

323

00:37:24,680 --> 00:37:31,200

stimuli, such as applying labels to the samples and addressing them verbally.

324

00:37:31,200 --> 00:37:38,200

They then flash froze the samples to capture the structural formation of ice crystals.

325

00:37:38,200 --> 00:37:44,240

Using high speed photography, the team found observable differences in the crystal formations

326

00:37:44,240 --> 00:37:51,040

when subjected to destructive thoughts compared to thoughts of love and appreciation.

327

00:37:51,040 --> 00:37:57,200

Ancient astronaut theorists suggest that these findings may have profound implications, not

328

00:37:57,200 --> 00:38:04,560

only regarding the existence of good and evil, but also on our relationship to extraterrestrial

329

00:38:04,560 --> 00:38:05,560

entities.

330

00:38:05,560 --> 00:38:13,320

There could be parasitic entities in the spirit plane that can feed off of negative energy

331

00:38:13,320 --> 00:38:18,960

and actually harness that energy and use it as a food supply.

332

00:38:18,960 --> 00:38:25,520

When we give them our energy through sending a concentrated focus towards them, that they

333

00:38:25,520 --> 00:38:30,920

then have more ability to project into our reality.

334

00:38:30,920 --> 00:38:36,840

It's possible that right now on earth we are actually seeing a battle between negative

335

00:38:36,840 --> 00:38:43,120

and positive extraterrestrials who are working behind the scenes in a battle for control

336

00:38:43,120 --> 00:38:46,520

over humanity's future.

337

00:38:46,520 --> 00:38:51,400

Do the observable effects of positive and negative energies on the structure of water

338

00:38:51,400 --> 00:38:57,280

molecules provide proof that dark forces exist?

339

00:38:57,280 --> 00:39:04,160

If so, could the escalating violence occurring in our world today have a more profound origin

340

00:39:04,160 --> 00:39:06,080

than we realize?

341

00:39:06,080 --> 00:39:12,400

There are those who believe the answer is yes and that humans may have the power to stop

342

00:39:12,400 --> 00:39:13,400

it.

343

00:39:13,400 --> 00:39:20,640

You can't really have the forces of light without forces of dark.

344

00:39:21,160 --> 00:39:25,840

Every individual has to make that choice themselves of whether they're going to go to the dark

345

00:39:25,840 --> 00:39:30,200

side of the force or the light side of the force.

346

00:39:30,200 --> 00:39:33,680

You have power of good and the power of evil.

347

00:39:33,680 --> 00:39:41,600

They're looking for recruits to help each of them to conquer the other.

348

00:39:41,600 --> 00:39:49,720

So maybe the powers have times of ascendancy and they have times of failure and so we're

349

00:39:49,800 --> 00:39:55,600

left wondering who is going to win.

350

00:39:55,600 --> 00:40:00,960

According to the biblical stories, the apocalypse of John, the book of Revelation, if you could

351

00:40:00,960 --> 00:40:05,640

peel behind and look and see what's really going on in the heavenly realm, then you

352

00:40:05,640 --> 00:40:12,240

could see that there are forces at play and that what we're seeing on this earth is just

353

00:40:12,240 --> 00:40:17,240

the physical manifestation of an otherworldly battle that's going on.

354

00:40:18,040 --> 00:40:22,320

When we think about this struggle between light and dark, this is the whole end time

355

00:40:22,320 --> 00:40:28,400

scenario of Christian or Judeo-Christian prophecy that at the end times we will see a final

356

00:40:28,400 --> 00:40:33,960

battle between the sons of light and the sons of darkness with humankind as the swords

357

00:40:33,960 --> 00:40:35,960

in that battle.

358

00:40:39,320 --> 00:40:41,680

The biblical prophecy is clear.

359

00:40:41,680 --> 00:40:50,680

We will reintegrate with our universal destiny, a restoration of our bonds of heaven and earth,

360

00:40:50,680 --> 00:40:56,840

which mean an extraterrestrial and terrestrial bond and union.

361

00:40:56,840 --> 00:41:02,280

And when the Messiah comes, he comes with an army.

362

00:41:02,280 --> 00:41:08,640

It comes from a place off this earth, most believed from out of the skies.

363

00:41:09,080 --> 00:41:12,240

But what would we call an invading army from out of the skies?

364

00:41:12,240 --> 00:41:15,600

We're not going to call it an army of angels.

365

00:41:15,600 --> 00:41:19,600

We're going to call it an extraterrestrial invasion.

366

00:41:25,480 --> 00:41:33,360

Our human beings actually soldiers in a cosmic war between good and evil.

367

00:41:33,440 --> 00:41:41,440

If so, have our experiences with the light and dark forces help to prepare us for the final battle.

368

00:41:42,440 --> 00:41:47,440

One that will reunite us with our extraterrestrial creators.

369

00:41:48,440 --> 00:41:53,440

Or will we find ourselves fighting against them?
