

1

00:00:00,000 --> 00:00:03,000

Battles waged in the sky.

2

00:00:03,000 --> 00:00:06,080

The scripture says that Lord Salva's flying craft

3

00:00:06,080 --> 00:00:08,080

crashes to the earth.

4

00:00:08,080 --> 00:00:11,080

Weapons with unimaginable power.

5

00:00:11,080 --> 00:00:13,080

According to the Sumerian myths,

6

00:00:13,080 --> 00:00:16,080

one planet was completely destroyed

7

00:00:16,080 --> 00:00:19,080

and evidence of advanced technology

8

00:00:19,080 --> 00:00:22,080

thousands of years ago.

9

00:00:22,080 --> 00:00:26,080

Structures themselves are replicas of the machines

10

00:00:26,080 --> 00:00:28,080

that our ancestors witnessed.

11

00:00:28,160 --> 00:00:31,160

Accounts of wars among the gods

12

00:00:31,160 --> 00:00:35,160

can be found in ancient legends throughout the world.

13

00:00:35,160 --> 00:00:38,160

Might these stories really describe battles

14

00:00:38,160 --> 00:00:41,160

between alien beings?

15

00:00:41,160 --> 00:00:45,160

And if so, are they still being waged today?

16

00:00:45,160 --> 00:00:48,160

I think there's no question that there's a warring faction

17

00:00:48,160 --> 00:00:51,160

here on this planet between exsidadaterrestrials.

18

00:00:51,160 --> 00:00:55,160

Since the dawn of civilization,

19

00:00:55,240 --> 00:00:59,240

mankind has credited its origins to gods

20

00:00:59,240 --> 00:01:02,240

and other visitors from the stars.

21

00:01:02,240 --> 00:01:05,240

What if it were true?

22

00:01:05,240 --> 00:01:10,240

Did extraterrestrial beings really help to shape our history?

23

00:01:10,240 --> 00:01:14,240

And if so, might Earth have been the site

24

00:01:14,240 --> 00:01:17,240

of alien wars?

33

00:01:55,320 --> 00:01:59,320

Officers with the British National High-Tech Crime Unit.

34

00:01:59,320 --> 00:02:02,320

Arrest 34-year-old Scottish Systems Administrator,

35

00:02:02,320 --> 00:02:05,320

Gary McKinnon.

36

00:02:05,320 --> 00:02:08,320

Charging him with hacking at the top secret Pentagon

37

00:02:08,320 --> 00:02:12,320

and NASA computers over a 13-month period.

38

00:02:12,320 --> 00:02:16,320

In response, McKinnon goes public,

39

00:02:16,320 --> 00:02:19,320

claiming he was searching for government-suppressed information

40

00:02:19,400 --> 00:02:22,400

on UFOs and alternative energy.

41

00:02:22,400 --> 00:02:26,400

But he says that what he found instead

42

00:02:26,400 --> 00:02:30,400

is evidence of an even greater conspiracy.

43

00:02:32,400 --> 00:02:36,400

Without doubt, the most fascinating discovery

44

00:02:36,400 --> 00:02:39,400

that McKinnon said he made were files

45

00:02:39,400 --> 00:02:43,400

that referenced something called nonterrestrial officers.

46

00:02:43,400 --> 00:02:46,400

McKinnon talked about how these officers

47

00:02:46,480 --> 00:02:50,480

were supposedly assigned to certain ships

48

00:02:50,480 --> 00:02:53,480

that began with the designation USSS,

49

00:02:53,480 --> 00:02:57,480

suggesting United States spaceships.

50

00:02:57,480 --> 00:03:01,480

In McKinnon's mind, he uncovered nothing less

51

00:03:01,480 --> 00:03:06,480

than firm proof of a clandestine, highly classified

52

00:03:06,480 --> 00:03:10,480

US military space program that ran alongside

53

00:03:10,480 --> 00:03:13,480

NASA's regular space program.

54

00:03:13,560 --> 00:03:17,560

My the United States military really have

55

00:03:17,560 --> 00:03:20,560

a secret space program.

56

00:03:20,560 --> 00:03:23,560

But if so, why?

57

00:03:23,560 --> 00:03:27,560

Are they preparing for a space-based war with other nations?

58

00:03:27,560 --> 00:03:30,560

Or other species?

59

00:03:33,560 --> 00:03:37,560

According to former Canadian Defense Minister Paul Helyer,

60

00:03:37,560 --> 00:03:40,560

US officials are withholding information

61

00:03:40,640 --> 00:03:44,640

about their contact with alien beings.

62

00:03:44,640 --> 00:03:47,640

I was privy to a lot of things,

63

00:03:47,640 --> 00:03:52,640

and some of it, for me, very frightening, very disturbing.

64

00:03:52,640 --> 00:03:55,640

UFOs are real.

65

00:03:55,640 --> 00:03:59,640

The United States government had been in contact with them.

66

00:03:59,640 --> 00:04:02,640

In September of 2005, Helyer made headlines

67

00:04:02,640 --> 00:04:07,640

by publicly announcing that UFOs do, in fact, exist.

68

00:04:07,720 --> 00:04:11,720

He would later state that it is not just one race

69

00:04:11,720 --> 00:04:15,720

of alien beings that is visiting Earth, but many.

70

00:04:15,720 --> 00:04:19,720

A claim that is supported by astronaut Edgar Mitchell,

71

00:04:19,720 --> 00:04:23,720

the sixth person ever to walk on the moon.

72

00:04:23,720 --> 00:04:27,720

When Apollo astronaut Ed Mitchell came to Toronto

73

00:04:27,720 --> 00:04:30,720

soon after I went public, we invited him to dinner.

74

00:04:30,720 --> 00:04:34,720

His question to me was, how many species do you think there are?

75

00:04:34,800 --> 00:04:37,800

And I said somewhere between two and 12.

76

00:04:37,800 --> 00:04:40,800

And he said, yes, that's what I think, too.

77

00:04:40,800 --> 00:04:43,800

What has happened in the intervening years

78

00:04:43,800 --> 00:04:46,800

is that the number keeps growing.

79

00:04:47,800 --> 00:04:51,800

I think that just like there's multiple species here on Earth,

80

00:04:51,800 --> 00:04:55,800

there are multiple species out there.

81

00:04:56,800 --> 00:04:59,800

I've had insiders that have told me this to my face

82

00:04:59,800 --> 00:05:02,800

that we already have diplomatic relationships

83

00:05:02,880 --> 00:05:05,880

with a variety of extraterrestrial species and cultures.

84

00:05:06,880 --> 00:05:10,880

I know, for example, that they have two or three species of grays.

85

00:05:12,880 --> 00:05:18,880

I know that they're praying mantis and reptilians, various sorts.

86

00:05:18,880 --> 00:05:22,880

And so these are the sort of the principal ones that we talk about

87

00:05:22,880 --> 00:05:25,880

because something you can get your mind around.

88

00:05:27,880 --> 00:05:31,880

Could there really be numerous races of extraterrestrial beings

89

00:05:31,960 --> 00:05:33,960

visiting Earth?

90

00:05:33,960 --> 00:05:37,960

And if so, are they all part of a unified confederation?

91

00:05:39,960 --> 00:05:42,960

Ancient astronaut theorists say no.

92

00:05:42,960 --> 00:05:46,960

And some government insiders like Paul Hellyer

93

00:05:46,960 --> 00:05:50,960

claim that these different alien species have competing agendas,

94

00:05:50,960 --> 00:05:55,960

agendas that are not always favourable for humans.

95

00:05:56,040 --> 00:06:01,040

I think there is a worrisome situation that we have to look at

96

00:06:01,040 --> 00:06:06,040

very quickly, and that is whether or not one or two of them

97

00:06:06,040 --> 00:06:11,040

might cut at some of our territory and might, as a result of that,

98

00:06:11,040 --> 00:06:15,040

want to reduce the human population.

99

00:06:16,040 --> 00:06:19,040

Are they interested in our best interests

100

00:06:19,040 --> 00:06:22,040

or are they interested in their best interests,

101

00:06:22,120 --> 00:06:26,120

in which case we should find out about it before it's too late?

102

00:06:28,120 --> 00:06:31,120

Could the assertions that extraterrestrial beings

103

00:06:31,120 --> 00:06:36,120

are at war over the control of planet Earth actually be true?

104

00:06:38,120 --> 00:06:41,120

According to ancient astronaut theorists,

105

00:06:41,120 --> 00:06:44,120

evidence of such a conflict does exist,

106

00:06:44,120 --> 00:06:48,120

and it has been going on for thousands of years.

107

00:06:48,200 --> 00:06:52,200

Mumbai, India.

108

00:06:52,200 --> 00:06:56,200

January 4th, 2015.

109

00:06:56,200 --> 00:07:00,200

The 102nd Indian Science Congress,

110

00:07:00,200 --> 00:07:04,200

along with the University of Mumbai,

111

00:07:04,200 --> 00:07:09,200

hosts a symposium titled Ancient Sciences through Sanskrit.

112

00:07:09,200 --> 00:07:14,200

The Sanskrit texts that are the focus of the symposium

113

00:07:14,280 --> 00:07:18,280

are Hinduism's most ancient writings.

114

00:07:18,280 --> 00:07:22,280

Included within them, along with poetry, drama,

115

00:07:22,280 --> 00:07:26,280

science, and philosophy, are accounts

116

00:07:26,280 --> 00:07:30,280

of the great wars between powerful gods

117

00:07:30,280 --> 00:07:34,280

who came from the sky.

118

00:07:34,280 --> 00:07:38,280

The great Hindu texts, the Mahabharata, the Ramayana, and the Vedas,

119

00:07:38,280 --> 00:07:42,280

are the ancient wisdom stories of the continent.

120

00:07:42,360 --> 00:07:45,360

The stories are vivid and gripping.

121

00:07:45,360 --> 00:07:48,360

Many of them have to do with great conflicts and wars.

122

00:07:48,360 --> 00:07:51,360

The gods are forever in battle with each other

123

00:07:51,360 --> 00:07:54,360

using extraordinary equipment.

124

00:07:55,360 --> 00:07:59,360

For the most part, these stories are, like the epics,

125

00:07:59,360 --> 00:08:02,360

filled with cosmic battles.

126

00:08:02,360 --> 00:08:05,360

Battles between the gods

127

00:08:05,360 --> 00:08:09,360

in the celestial realm dominate Hindu mythos.

128

00:08:12,360 --> 00:08:16,360

At the Indian Science Congress,

129

00:08:16,360 --> 00:08:20,360

a number of scientists and scholars make a highly

130

00:08:20,360 --> 00:08:24,360

controversial proposal that these ancient Hindu texts

131

00:08:24,360 --> 00:08:28,360

dating as far back as 1700 BC

132

00:08:28,360 --> 00:08:32,360

are not simply mythology, but are accounts

133

00:08:32,360 --> 00:08:36,360

of real historical characters and events

134

00:08:36,360 --> 00:08:40,360

and depict advanced technology that truly existed

135

00:08:40,440 --> 00:08:43,440

thousands of years ago.

136

00:08:43,440 --> 00:08:45,440

Could it be true?

137

00:08:45,440 --> 00:08:49,440

It is a question that has been debated by both Hindu scholars

138

00:08:49,440 --> 00:08:52,440

and ancient astronaut theorists alike.

139

00:08:53,440 --> 00:08:56,440

The Hindu story of the Mahabharata is loaded

140

00:08:56,440 --> 00:09:00,440

with references to what seems to be

141

00:09:00,440 --> 00:09:02,440

extraterrestrial technology.

142

00:09:02,440 --> 00:09:04,440

You've got flying vehicles.

143

00:09:04,440 --> 00:09:08,440

You've got weapons that are voice-activated.

144

00:09:08,520 --> 00:09:11,520

You have destructions of civilizations by what seems

145

00:09:11,520 --> 00:09:14,520

like nuclear detonation.

146

00:09:16,520 --> 00:09:20,520

Hindus believe that these stories are

147

00:09:20,520 --> 00:09:23,520

not simply myth.

148

00:09:23,520 --> 00:09:26,520

They are historical records because Mahabharata

149

00:09:26,520 --> 00:09:29,520

and Ramayana are not called myth.

150

00:09:29,520 --> 00:09:32,520

They are actually called itihasa.

151

00:09:32,520 --> 00:09:35,520

Itihasa meaning history.

152

00:09:35,600 --> 00:09:39,600

In those, these texts stand as historical records

153

00:09:39,600 --> 00:09:43,600

of past kings and past happenings that happened

154

00:09:43,600 --> 00:09:46,600

long, long, long time ago.

155

00:09:48,600 --> 00:09:52,600

Could the Sanskrit texts really contain historical accounts

156

00:09:52,600 --> 00:09:56,600

of warfare waged between gods that were physically

157

00:09:56,600 --> 00:10:00,600

present here on Earth as many Hindus believed?

158

00:10:00,600 --> 00:10:04,600

And if so, are these same beings in conflict

159

00:10:04,680 --> 00:10:08,680

over the fate of planet Earth even today?

160

00:10:08,680 --> 00:10:12,680

Ancient astronaut theorists say yes and suggest

161

00:10:12,680 --> 00:10:16,680

physical evidence can be found in India that proves

162

00:10:16,680 --> 00:10:20,680

these accounts are not simply mythology.

163

00:10:25,680 --> 00:10:30,680

Dwaraka, northwest India, 1983.

164

00:10:30,760 --> 00:10:34,760

Marine archaeologist Dr. S.R. Rao

165

00:10:34,760 --> 00:10:38,760

begins a 10-year underwater exploration

166

00:10:38,760 --> 00:10:42,760

just off the coast of this ancient fishing town.

167

00:10:42,760 --> 00:10:46,760

And what he finds is stunning.

168

00:10:46,760 --> 00:10:50,760

Starting at 20 feet beneath the surface of the ocean

169

00:10:50,760 --> 00:10:54,760

are sandstone walls,

170

00:10:54,760 --> 00:10:58,760

cobblestone streets, and further evidence

171

00:10:58,840 --> 00:11:02,840

of what once was a prosperous seaport.

172

00:11:02,840 --> 00:11:06,840

At Dwaraka, what has been

173

00:11:06,840 --> 00:11:10,840

found so far under the ocean is incredibly tantalizing.

174

00:11:10,840 --> 00:11:14,840

For instance, there's this huge wall, estimate about

175

00:11:14,840 --> 00:11:18,840

580 meters long, so this is not insignificant.

176

00:11:18,840 --> 00:11:22,840

And this would suggest that this was a sophisticated

177

00:11:22,840 --> 00:11:26,840

dwelling area.

178

00:11:26,920 --> 00:11:30,920

In the early years of underwater excavations

179

00:11:30,920 --> 00:11:34,920

and geological evidence indicate, the ruins are part of a city

180

00:11:34,920 --> 00:11:38,920

that suddenly became submerged in 1443 B.C.

181

00:11:38,920 --> 00:11:42,920

The discovery of these ruins

182

00:11:42,920 --> 00:11:46,920

is a major archaeological find, but for some

183

00:11:46,920 --> 00:11:50,920

even more significant is where the ruins were found.

184

00:11:51,000 --> 00:11:57,000

For centuries, the modern day

185

00:11:57,000 --> 00:12:01,000

city of Dwaraka was thought by many Hindus

186

00:12:01,000 --> 00:12:05,000

to be the Dwaraka described in the Mahabharata as the ancient kingdom

187

00:12:05,000 --> 00:12:09,000

of the god Krishna.

188

00:12:09,000 --> 00:12:13,000

According to the text, during the Kurukshetra war,

189

00:12:13,000 --> 00:12:17,000

a rival to Krishna, Lord Salva, attacked

190

00:12:17,080 --> 00:12:21,080

Dwaraka from a flying chariot, bringing down weapons of mass destruction

191

00:12:21,080 --> 00:12:25,080

that littered the sky.

192

00:12:25,080 --> 00:12:29,080

He actually flew over Dwaraka

193

00:12:29,080 --> 00:12:33,080

using his chariot.

194

00:12:33,080 --> 00:12:37,080

He started bombarding the city of Dwaraka, throwing down all kinds of weapons.

195

00:12:37,080 --> 00:12:41,080

Finally, Krishna employs his own incredible

196

00:12:41,080 --> 00:12:45,080

weapon and blows the thing up the sky.

197

00:12:45,160 --> 00:12:49,160

It says in the scripture

198

00:12:49,160 --> 00:12:53,160

that Lord Salva's flying craft itself comes

199

00:12:53,160 --> 00:12:57,160

smoldering out of the sky and crashes to the earth.

200

00:12:57,160 --> 00:13:01,160

This suggests that there was machines involved in the war,

201

00:13:01,160 --> 00:13:05,160

machines that could fly.

202

00:13:05,160 --> 00:13:09,160

Shortly after the great war, Krishna is killed.

203

00:13:09,160 --> 00:13:13,160

And the city, this magnificent city built on land that came out of the sea,

204

00:13:13,240 --> 00:13:17,240

sank back into the ocean again.

205

00:13:17,240 --> 00:13:21,240

It only existed during the time that Krishna lived there.

206

00:13:25,240 --> 00:13:29,240

Most historians dismiss

207

00:13:29,240 --> 00:13:33,240

this war of the gods as folklore.

208

00:13:33,240 --> 00:13:37,240

But could these underwater ruins be evidence

209

00:13:37,240 --> 00:13:41,240

that the ancient Hindu texts are based in actual history?

210

00:13:43,240 --> 00:13:47,240

And it seems to confirm the ancient myths, the ancient legends,

211

00:13:47,240 --> 00:13:51,240

they have a basis in reality.

212

00:13:51,240 --> 00:13:55,240

Ancient astronaut theorists suggest

213

00:13:55,240 --> 00:13:59,240

further evidence can be found at Mahabalipuram,

214

00:13:59,240 --> 00:14:03,240

an ancient port city located along

215

00:14:03,240 --> 00:14:07,240

India's southeastern coast.

216

00:14:07,240 --> 00:14:11,240

According to ancient stories, six of seven Pagodas

217

00:14:11,320 --> 00:14:15,320

once stood at Mahabalipuram were lost

218

00:14:15,320 --> 00:14:19,320

due to a great deluge sent to destroy the city

219

00:14:19,320 --> 00:14:23,320

by the Hindu god Indra.

220

00:14:23,320 --> 00:14:27,320

Just as in the case of Dwaraka,

221

00:14:27,320 --> 00:14:31,320

historians and archeologists dismiss the story of the missing six temples

222

00:14:31,320 --> 00:14:35,320

as myth.

223

00:14:35,320 --> 00:14:39,320

But on December 26th, 2004,

224

00:14:39,400 --> 00:14:43,400

a massive tsunami caused water levels to temporarily drop,

225

00:14:43,400 --> 00:14:47,400

exposing a number of mysterious

226

00:14:47,400 --> 00:14:51,400

looking formations along the shoreline.

227

00:14:51,400 --> 00:14:55,400

Upon closer inspection, they were found to be

228

00:14:55,400 --> 00:14:59,400

man-made structures, and quite possibly

229

00:14:59,400 --> 00:15:03,400

the ruins of the lost Pagodas of Mahabalipuram.

230

00:15:03,400 --> 00:15:07,400

Archeologists

231

00:15:07,480 --> 00:15:11,480

went diving into this area and also found that

232

00:15:11,480 --> 00:15:15,480

there was basically a sunken city there.

233

00:15:15,480 --> 00:15:19,480

And so this would indicate that the legends

234

00:15:19,480 --> 00:15:23,480

are really correct about this place.

235

00:15:23,480 --> 00:15:27,480

That in fact, it was destroyed in some kind of a flood, just as the legends said.

236

00:15:27,480 --> 00:15:31,480

If recent archeological

237

00:15:31,480 --> 00:15:35,480

finds have proven that the city of Krishna

238

00:15:35,560 --> 00:15:39,560

and the seven Pagodas of Mahabalipuram really did exist,

239

00:15:39,560 --> 00:15:43,560

then might that mean that the stories of these

240

00:15:43,560 --> 00:15:47,560

sites being attacked from the sky are true as well?

241

00:15:47,560 --> 00:15:51,560

Perhaps the answer can be found

242

00:15:51,560 --> 00:15:55,560

by examining the many ancient stone structures of Mahabalipuram

243

00:15:55,560 --> 00:15:59,560

called Rathas.

244

00:15:59,560 --> 00:16:03,560

All over Mahabalipuram there are these tower-like structures

245

00:16:03,640 --> 00:16:07,640

that are called Pagodas.

246

00:16:07,640 --> 00:16:11,640

Rathas can be translated with sky city,

247

00:16:11,640 --> 00:16:15,640

house of the gods, or even sky ship.

248

00:16:15,640 --> 00:16:19,640

These are temples,

249

00:16:19,640 --> 00:16:23,640

but simultaneously they are seen as being

250

00:16:23,640 --> 00:16:27,640

movable vehicles in which the gods can come to earth,

251

00:16:27,640 --> 00:16:31,640

can come to the presence of the worshippers.

252

00:16:31,720 --> 00:16:35,720

They're called Kuru. They're little windows that are shaped like horseshoes.

253

00:16:35,720 --> 00:16:39,720

And even in those little windows you'll see peering out the

254

00:16:39,720 --> 00:16:43,720

faces of the gods.

255

00:16:43,720 --> 00:16:47,720

In many temples throughout India, you'll actually

256

00:16:47,720 --> 00:16:51,720

see gigantic wheels added as a motif on the base of these

257

00:16:51,720 --> 00:16:55,720

temples, just to remind the worshippers that these are moving chariots.

258

00:16:55,720 --> 00:16:59,720

There were to be manas of the gods.

259

00:16:59,800 --> 00:17:03,800

The stone structures themselves are replicas

260

00:17:03,800 --> 00:17:07,800

off the machines that our ancestors witnessed.

261

00:17:11,800 --> 00:17:15,800

Do the ruins off the coast of Dwaraka

262

00:17:15,800 --> 00:17:19,800

and Mahabalipuram, along with the stone

263

00:17:19,800 --> 00:17:23,800

temples and carvings found throughout India,

264

00:17:23,800 --> 00:17:27,800

provide a physical record of the advanced warfare

265

00:17:27,880 --> 00:17:31,880

of ancient Hindu texts?

266

00:17:31,880 --> 00:17:35,880

And if so, were these wars waged between opposing factions

267

00:17:35,880 --> 00:17:39,880

of extraterrestrial beings?

268

00:17:39,880 --> 00:17:43,880

Perhaps further clues can be found by examining

269

00:17:43,880 --> 00:17:47,880

the historical records of ancient Mesopotamia.

270

00:17:47,880 --> 00:17:51,880

Wittenberg, Germany

271

00:17:51,880 --> 00:17:55,880

1766

272

00:17:55,960 --> 00:17:59,960

Astronomer Johann Daniel Tidius

273

00:17:59,960 --> 00:18:03,960

proposes that there is a consistent

274

00:18:03,960 --> 00:18:07,960

pattern in the layout of the planets of our solar system

275

00:18:07,960 --> 00:18:11,960

except for one highly unusual

276

00:18:11,960 --> 00:18:15,960

anomaly.

277

00:18:15,960 --> 00:18:19,960

The distribution of the planets in the solar system has always been a puzzle.

278

00:18:19,960 --> 00:18:23,960

They seem to be spaced out according to some sort of

279

00:18:24,040 --> 00:18:28,040

arrangement, but there's a big gap between

280

00:18:28,040 --> 00:18:32,040

Mars and Jupiter. And when you look there today

281

00:18:32,040 --> 00:18:36,040

what we see is the asteroids, lots and lots of rocky fragments.

282

00:18:36,040 --> 00:18:40,040

The discovery

283

00:18:40,040 --> 00:18:44,040

led astronomers to conclude that there

284

00:18:44,040 --> 00:18:48,040

had to at one time have been a planet between the orbits

285

00:18:48,040 --> 00:18:52,040

of Mars and Jupiter. And what lies within this gap now

286

00:18:52,120 --> 00:18:56,120

is an asteroid belt.

287

00:18:56,120 --> 00:19:00,120

Many scientists speculate that these asteroids

288

00:19:00,120 --> 00:19:04,120

are the remnants of a world that was destroyed thousands of years ago

289

00:19:04,120 --> 00:19:08,120

by some cosmic collision.

290

00:19:08,120 --> 00:19:12,120

But according to ancient astronaut theorist Zechariah Sitchin

291

00:19:12,120 --> 00:19:16,120

the destruction of this lost planet may not have been

292

00:19:16,120 --> 00:19:20,120

due to natural causes.

293

00:19:20,120 --> 00:19:24,200

In evidence he cited the stories of the oldest known civilization

294

00:19:24,200 --> 00:19:28,200

the Sumerians. The Sumerian myths

295

00:19:28,200 --> 00:19:32,200

point to the idea that there was this phenomenal cosmic

296

00:19:32,200 --> 00:19:36,200

battle.

297

00:19:36,200 --> 00:19:40,200

The gods fought amongst themselves across the cosmos

298

00:19:40,200 --> 00:19:44,200

one planet fighting another planet. And that in fact one planet

299

00:19:44,200 --> 00:19:48,200

was completely destroyed during this cosmic battle.

300

00:19:48,280 --> 00:19:52,280

And as a result of that they destroyed their

301

00:19:52,280 --> 00:19:56,280

homeworld and had to reestablish civilization

302

00:19:56,280 --> 00:20:00,280

on a new planet.

303

00:20:00,280 --> 00:20:04,280

Is it possible that there was once a

304

00:20:04,280 --> 00:20:08,280

planet between Mars and Jupiter that was home to

305

00:20:08,280 --> 00:20:12,280

intelligent life? And if so

306

00:20:12,280 --> 00:20:16,280

might its destruction have come as the result of an alien war?

307

00:20:18,280 --> 00:20:22,280

Ancient astronaut theorists say yes

308

00:20:22,280 --> 00:20:26,280

and suggest that a recent NASA discovery

309

00:20:26,280 --> 00:20:30,280

may provide evidence that the survivors of this conflict

310

00:20:30,280 --> 00:20:34,280

took refuge on a celestial body located within the

311

00:20:34,280 --> 00:20:38,280

asteroid belt.

312

00:20:38,280 --> 00:20:42,280

On February 19th,

313

00:20:42,280 --> 00:20:46,280

2015, NASA's Dawn spacecraft sent back to earth

314

00:20:46,360 --> 00:20:50,360

images of mysterious bright lights reflecting off the surface

315

00:20:50,360 --> 00:20:54,360

of a dwarf planet called Ceres.

316

00:20:54,360 --> 00:20:58,360

While some scientists have suggested that the lights

317

00:20:58,360 --> 00:21:02,360

are the result of something natural like an ice field or escaping gas

318

00:21:02,360 --> 00:21:06,360

higher resolution images have failed to uncover

319

00:21:06,360 --> 00:21:10,360

the true cause of the reflections.

320

00:21:10,360 --> 00:21:14,360

Four months later in June, the Dawn spacecraft

321

00:21:14,440 --> 00:21:18,440

captured even more incredible images.

322

00:21:18,440 --> 00:21:22,440

Images that reveal what looks like a three mile tall pyramid.

323

00:21:22,440 --> 00:21:26,440

These are possibly

324

00:21:26,440 --> 00:21:30,440

technological structures. So this brings up the question

325

00:21:30,440 --> 00:21:34,440

is it possible that these were built by extraterrestrials?

326

00:21:34,440 --> 00:21:38,440

Instead of looking at the creation myths from Sumer as mythology

327

00:21:38,440 --> 00:21:42,440

maybe this is scientific data that we should be revisiting.

328

00:21:42,520 --> 00:21:46,520

Might further exploration of Ceres

329

00:21:46,520 --> 00:21:50,520

reveal evidence that it once served as

330

00:21:50,520 --> 00:21:54,520

refuge for the survivors of an alien war.

331

00:21:54,520 --> 00:21:58,520

Ancient astronaut theorists say yes

332

00:21:58,520 --> 00:22:02,520

and claim that according to the Sumerian texts

333

00:22:02,520 --> 00:22:06,520

these warring extraterrestrial factions also took refuge

334

00:22:06,520 --> 00:22:10,520

on another planet, earth.

335

00:22:10,600 --> 00:22:14,600

And they propose that stories found throughout the world

336

00:22:14,600 --> 00:22:18,600

of gods waging battle in the skies

337

00:22:18,600 --> 00:22:22,600

suggest that this otherworldly conflict continued

338

00:22:22,600 --> 00:22:26,600

once the survivors reached their new home planet.

339

00:22:26,600 --> 00:22:30,600

All over the world we're seeing evidence of these ancient wars

340

00:22:30,600 --> 00:22:34,600

that took place. They took place in Greece,

341

00:22:34,600 --> 00:22:38,600

they took place in Norse mythology, all throughout Mesoamerican symbolism

342

00:22:38,680 --> 00:22:42,680

and consistently what we're seeing is

343

00:22:42,680 --> 00:22:46,680

some sort of battle for control over the earth.

344

00:22:46,680 --> 00:22:50,680

When you look at many of these ancient tales

345

00:22:50,680 --> 00:22:54,680

it would seem to be that the gods are warring amongst

346

00:22:54,680 --> 00:22:58,680

themselves over us.

347

00:22:58,680 --> 00:23:02,680

This lends to an intriguing

348

00:23:02,680 --> 00:23:06,680

possibility that we are the descendants

349

00:23:06,760 --> 00:23:10,760

of the winners and that there are certain groups that are pushing for us

350

00:23:10,760 --> 00:23:14,760

and really rallying because in fact we are their direct descendants

351

00:23:14,760 --> 00:23:18,760

they created us through some sort of genetic engineering.

352

00:23:18,760 --> 00:23:22,760

And then there's other factions that want to wipe us off the face of the earth completely

353

00:23:22,760 --> 00:23:26,760

and those wars may still be being fought right now.

354

00:23:32,760 --> 00:23:36,600

Are humans the descendants of a race of alien beings?

355

00:23:36,600 --> 00:23:40,600

The home planet was destroyed thousands of years ago.

356

00:23:40,600 --> 00:23:44,600

Might the ancient stories of warring gods really be

357

00:23:44,600 --> 00:23:48,600

accounts of separate extraterrestrial factions that were fighting

358

00:23:48,600 --> 00:23:52,600

for control of the earth and may still be fighting for it

359

00:23:52,600 --> 00:23:56,600

today? Perhaps further clues

360

00:23:56,600 --> 00:24:00,600

can be found by examining accounts of modern day

361

00:24:00,600 --> 00:24:04,600

UFOs appearing over nuclear facilities.

362

00:24:06,600 --> 00:24:10,600

Sultanabad, Iran

363

00:24:10,600 --> 00:24:14,600

November, 2004

364

00:24:14,600 --> 00:24:18,600

The Iranian Air Force scrambles an F-14

365

00:24:18,600 --> 00:24:22,600

fighter jet in response to an unknown aircraft

366

00:24:22,600 --> 00:24:26,600

rapidly approaching the IV-40 heavy water nuclear facility.

367

00:24:26,600 --> 00:24:30,600

As they close in the pilots report

368

00:24:30,600 --> 00:24:34,600

seeing a luminous object unlike any they have ever encountered.

369

00:24:34,600 --> 00:24:38,600

It is spherical and emits a green afterburner.

370

00:24:38,600 --> 00:24:42,600

When they try to lock on their missiles

371

00:24:42,600 --> 00:24:46,600

their radar is disrupted by large amounts of magnetic radiation

372

00:24:46,600 --> 00:24:50,600

emitting from the craft.

373

00:24:50,600 --> 00:24:54,600

What it was nobody knew it was a definitive

374

00:24:54,600 --> 00:24:58,600

UFO and exited the area at high speed.

375

00:24:58,600 --> 00:25:02,600

What's particularly fascinating and also intriguing

376

00:25:02,600 --> 00:25:06,600

and disturbing is why the UFO took

377

00:25:06,600 --> 00:25:10,600

such an interest in an atomic plant.

378

00:25:10,600 --> 00:25:14,600

UFOs have also been reported over nuclear

379

00:25:14,600 --> 00:25:18,600

missile bases in England and America.

380

00:25:18,600 --> 00:25:22,600

In March, 1967, Maltstrom Air Force Base

381

00:25:22,600 --> 00:25:26,600

in Montana was the site of one of the most profound

382

00:25:26,600 --> 00:25:30,600

amazing and disturbing UFO encounters of

383

00:25:30,600 --> 00:25:34,600

all time. Security personnel described seeing

384

00:25:34,600 --> 00:25:38,600

bright lights, flying saucers, definitive UFOs.

385

00:25:38,600 --> 00:25:42,600

One of the missiles suddenly went off-line and then

386

00:25:42,600 --> 00:25:46,600

another and another until the whole flight of

387

00:25:46,600 --> 00:25:50,600

missiles was somehow mysteriously deactivated.

388

00:25:50,600 --> 00:25:54,600

This is highly

389

00:25:54,600 --> 00:25:58,600

disturbing because it suggests

390

00:25:58,600 --> 00:26:02,600

in the events that UFOs one day become hostile.

391

00:26:02,600 --> 00:26:06,600

Our entire atomic

392

00:26:06,600 --> 00:26:10,600

arsenal may become completely inoperable.

393

00:26:10,600 --> 00:26:14,600

Could it be

394

00:26:14,600 --> 00:26:18,600

that extraterrestrial beings are monitoring

395

00:26:18,600 --> 00:26:22,600

nuclear facilities here on Earth?

396

00:26:22,600 --> 00:26:26,600

But if so, why?

397

00:26:26,600 --> 00:26:30,600

There are two reasons why UFOs might take an interest

398

00:26:30,600 --> 00:26:34,600

in atomic installations. One might be that they're concerned

399

00:26:34,600 --> 00:26:38,600

that we're going to destroy ourselves.

400

00:26:38,600 --> 00:26:42,600

They've a vested interest in keeping the human race alive

401

00:26:42,600 --> 00:26:46,600

or perhaps it's personal reasons and it's the planet they want.

402

00:26:46,600 --> 00:26:50,600

The other possibility is that they're fearful that we may develop

403

00:26:50,600 --> 00:26:54,600

far more advanced atomic weaponry and one day

404

00:26:54,600 --> 00:26:58,600

they'll not be their rival.

405

00:26:58,600 --> 00:27:02,600

Nuclear weapons might represent the only technology

406

00:27:02,600 --> 00:27:06,600

humans have which would be capable of posing a threat to them.

407

00:27:06,600 --> 00:27:10,600

Is it possible

408

00:27:10,600 --> 00:27:14,600

the technology of modern man has advanced to the point

409

00:27:14,600 --> 00:27:18,600

that humans are considered a threat by alien factions

410

00:27:18,600 --> 00:27:22,600

watching over the planet?

411

00:27:22,600 --> 00:27:26,600

Some ancient astronaut theorists are convinced

412

00:27:26,600 --> 00:27:30,600

that this is the case and suggest there is evidence

413

00:27:30,600 --> 00:27:34,600

that extraterrestrials used similar nuclear weapons

414

00:27:34,600 --> 00:27:38,600

right here on Earth thousands of years ago.

415

00:27:42,600 --> 00:27:46,600

The Great Sand Sea, North Africa

416

00:27:46,600 --> 00:27:50,600

in the remote corner of the eastern Sahara desert

417

00:27:50,600 --> 00:27:54,600

along the border between Egypt and Libya

418

00:27:54,600 --> 00:27:58,600

translucent pieces of a pale yellow-green glass

419

00:27:58,600 --> 00:28:02,600

lay scattered about for miles in every direction.

420

00:28:02,600 --> 00:28:06,600

This rare silicate compound called Libyan desert glass

421

00:28:06,600 --> 00:28:10,600

can only be formed by exposing the sand

422

00:28:10,600 --> 00:28:14,600

to extreme heat and pressure

423

00:28:14,600 --> 00:28:18,600

like that generated by a meteor strike.

424

00:28:18,600 --> 00:28:22,600

But there are no visible signs of a suitable

425

00:28:22,600 --> 00:28:26,600

impact crater nor can any be found

426

00:28:26,600 --> 00:28:30,600

using satellite imaging technology.

427

00:28:30,600 --> 00:28:34,600

Libyan desert glass is thousands of years old

428

00:28:34,600 --> 00:28:38,600

and one of the challenges is figuring out how that glass was formed.

429

00:28:38,600 --> 00:28:42,600

We know you need high heat, high temperatures, high pressure.

430

00:28:42,600 --> 00:28:46,600

This yellowish green glass looks

431

00:28:46,600 --> 00:28:50,600

vitrified. In fact, it's strikingly similar to trinitite

432

00:28:50,600 --> 00:28:54,600

the quartz-like glass that was created after the atomic explosion

433

00:28:54,600 --> 00:28:58,600

at the Trinity test site in New Mexico.

434

00:28:58,600 --> 00:29:02,600

And one wonders if the Libyan glass is also a remnant from

435

00:29:02,600 --> 00:29:06,600

a nuclear explosion.

436

00:29:06,600 --> 00:29:10,600

And it is possible that nuclear blast would have done it, but that would assume you had someone around

437

00:29:10,600 --> 00:29:14,600

with nuclear weapons.

438

00:29:14,600 --> 00:29:18,600

Is it possible that the Libyan desert glass was formed

439

00:29:18,600 --> 00:29:22,600

by the detonation of a nuclear weapon thousands of years ago?

440

00:29:22,600 --> 00:29:26,600

Ancient astronaut theorists

441

00:29:26,600 --> 00:29:30,600

say yes and claim evidence of such a powerful

442

00:29:30,600 --> 00:29:34,600

weapon being used is written in the texts of

443

00:29:34,600 --> 00:29:38,600

ancient Egypt.

444

00:29:38,600 --> 00:29:42,600

In the ancient Egyptian story in which Horus avenges his brother Osiris

445

00:29:42,600 --> 00:29:46,600

death, he flies up into the heavens in a winged

446

00:29:46,600 --> 00:29:50,600

disc. And in the heavens he encounters the enemies

447

00:29:50,600 --> 00:29:54,600

of Osiris and he chases them.

448

00:29:54,600 --> 00:29:58,600

And then Horus releases some kind of a terrible weapon that causes

449

00:29:58,600 --> 00:30:02,600

his enemies to first go blind and then death.

450

00:30:02,600 --> 00:30:06,600

This sounds like some devastating weapon that Horus unleashed.

451

00:30:06,600 --> 00:30:10,600

Is it possible that it was some kind of a nuclear weapon

452

00:30:10,600 --> 00:30:14,600

that he unleashed on them?

453

00:30:14,600 --> 00:30:18,600

Could ancient Egypt

454

00:30:18,600 --> 00:30:22,600

really have been the site of nuclear warfare waged by extra-terrestrial

455

00:30:22,600 --> 00:30:26,600

beings?

456

00:30:26,600 --> 00:30:30,600

And if so, might this explain why there have been so many

457

00:30:30,600 --> 00:30:34,600

UFOs around nuclear missile facilities?

458

00:30:34,600 --> 00:30:38,600

Ancient astronaut theorists say that while it

459

00:30:38,600 --> 00:30:42,600

is not entirely unclear whether extra-terrestrials are concerned about

460

00:30:42,600 --> 00:30:46,600

protecting humans or protecting themselves,

461

00:30:46,600 --> 00:30:50,600

recent NASA findings provide evidence that planet Earth

462

00:30:50,600 --> 00:30:54,600

is being shielded from above.

463

00:30:54,600 --> 00:30:58,600

Five, four,

464

00:30:58,600 --> 00:31:02,600

three, two, one.

465

00:31:02,600 --> 00:31:06,600

Mission sequence start and lift off.

466

00:31:06,600 --> 00:31:10,600

Cape Canaveral Air Force Station, Florida,

467

00:31:10,600 --> 00:31:14,600

August 30th, 2012.

468

00:31:14,600 --> 00:31:18,600

NASA launches two probes into space

469

00:31:18,600 --> 00:31:22,600

in order to study the Van Allen radiation belts.

470

00:31:22,600 --> 00:31:26,600

A pair of donut-shaped particle zones

471

00:31:26,600 --> 00:31:30,600

that surround the Earth.

472

00:31:30,600 --> 00:31:34,600

After two years of collecting data, NASA scientists

473

00:31:34,600 --> 00:31:38,600

discover a surprising phenomenon.

474

00:31:38,600 --> 00:31:42,600

The Van Allen belts are operating as a protective dome

475

00:31:42,600 --> 00:31:46,600

shielding the Earth from dangerous radiation.

476

00:31:46,600 --> 00:31:50,600

Our planet is constantly flooded with particles from

477

00:31:50,600 --> 00:31:54,600

space that are charged that if they made it through the atmosphere, would actually be quite damaging

478

00:31:54,600 --> 00:31:58,600

radiation to light. But because of the Van-Allen belts and the combination

479

00:31:58,600 --> 00:32:02,600

of magnetic fields and charged particles already there, incoming charged

480

00:32:02,600 --> 00:32:06,600

particles are sent on curved paths that safely protect the Earth and we don't get hit by them.

481

00:32:06,600 --> 00:32:10,600

The Van Allen radiation belt is

482

00:32:10,600 --> 00:32:14,600

one of the most phenomenal scientific phenomena

483

00:32:14,600 --> 00:32:18,600

to be discovered in recent times. One of the things that's

484

00:32:18,600 --> 00:32:22,600

so shocking about it is that it's changing and mutating

485

00:32:22,600 --> 00:32:26,600

as if it's intelligently directed.

486

00:32:26,600 --> 00:32:30,600

The Van Allen belts may be an advanced technology

487

00:32:30,600 --> 00:32:34,600

that we still don't really understand.

488

00:32:34,600 --> 00:32:38,600

A technology that actually is blocking not just natural cosmic particles

489

00:32:38,600 --> 00:32:42,600

from the Sun from coming in, but

490

00:32:42,600 --> 00:32:46,600

potentially protecting the Earth from extraterrestrial weapons

491

00:32:46,600 --> 00:32:50,600

that might use some sort of particle beam technology from ever being able to

492

00:32:50,600 --> 00:32:54,600

make its way in here.

493

00:32:54,600 --> 00:32:58,600

Where the Van Allen belts, designed by

494

00:32:58,600 --> 00:33:02,600

extraterrestrial beings, to protect mankind from other

495

00:33:02,600 --> 00:33:06,600

hostile alien factions.

496

00:33:06,600 --> 00:33:10,600

Might there really be an extraterrestrial

497

00:33:10,600 --> 00:33:14,600

defense system protecting the Earth from attack?

498

00:33:14,600 --> 00:33:18,600

Ancient astronaut theorists say yes

499

00:33:18,600 --> 00:33:22,600

and suggest further evidence that there is an alien

500

00:33:22,600 --> 00:33:26,600

faction policing Earth's airspace can be found

501

00:33:26,600 --> 00:33:30,600

by examining modern-day UFO crashes.

502

00:33:34,600 --> 00:33:38,600

In 2005, UFO researcher Ryan Wood

503

00:33:38,600 --> 00:33:42,600

published a book chronicling 74 instances

504

00:33:42,600 --> 00:33:46,600

of strange objects falling from the sky dating back

505

00:33:46,600 --> 00:33:50,600

to 1897.

506

00:33:50,600 --> 00:33:54,600

As proof that these crashes took place

507

00:33:54,600 --> 00:33:58,600

he cites official documents, eye-witness reports

508

00:33:58,600 --> 00:34:02,600

and even physical evidence.

509

00:34:02,600 --> 00:34:06,600

Ryan Wood's book, Magic Eye's Home,

510

00:34:06,600 --> 00:34:10,600

lists all of these crashes and I think

511

00:34:10,600 --> 00:34:14,600

the U.S. has been involved in the retrieval of the vast majority.

512

00:34:14,600 --> 00:34:18,600

It doesn't matter where they are.

513

00:34:18,600 --> 00:34:22,600

We had one crash north of Winnipeg, Manitoba in Canada

514

00:34:22,600 --> 00:34:26,600

and our regular people that go and investigate

515

00:34:26,600 --> 00:34:30,600

aerial crashes went out there and were greeted with

516

00:34:30,600 --> 00:34:34,600

American troops pointing guns at them and

517

00:34:34,600 --> 00:34:38,600

they contacted Ottawa and were told well let the Americans have it.

518

00:34:38,600 --> 00:34:42,600

We've had some great stories of crashes.

519

00:34:42,600 --> 00:34:46,600

Roswell, Cape Girardeau, Missouri, they're all over the place

520

00:34:46,600 --> 00:34:50,600

and you say to yourself how could they crash when they have that kind of technology?

521

00:34:50,600 --> 00:34:54,600

You've got to wonder how extraterrestrials

522

00:34:54,600 --> 00:34:58,600

with all of their advanced super technology

523

00:34:58,600 --> 00:35:02,600

would then just crash.

524

00:35:02,600 --> 00:35:06,600

It would seem that something else is really going on here.

525

00:35:06,600 --> 00:35:10,600

Perhaps we have the extraterrestrials themselves battling it out

526

00:35:10,600 --> 00:35:14,600

over our skies.

527

00:35:14,600 --> 00:35:18,600

Is it possible that even now warring factions of extraterrestrial so-called gods

528

00:35:18,600 --> 00:35:22,600

are in fact duking it out over what happens on Earth

529

00:35:22,600 --> 00:35:26,600

and wars that we see in ancient texts like

530

00:35:26,600 --> 00:35:30,600

the Mahabharata or the Bible

531

00:35:30,600 --> 00:35:34,600

could be still playing out in our skies as we speak?

532

00:35:38,600 --> 00:35:42,600

Could we really be at the center of an extraterrestrial conflict

533

00:35:42,600 --> 00:35:46,600

that dates back to before the dawn of human civilization

534

00:35:46,600 --> 00:35:50,600

on Earth?

535

00:35:50,600 --> 00:35:54,600

Ancient astronaut theorists say yes and suggest

536

00:35:54,600 --> 00:35:58,600

that our survival may be dependent upon an ancient defense system

537

00:35:58,600 --> 00:36:02,600

that has existed for thousands of years.

538

00:36:02,600 --> 00:36:06,600

Right beneath our feet.

539

00:36:16,600 --> 00:36:20,600

Known as the Valley of Death

540

00:36:20,600 --> 00:36:24,600

Geographer and natural scientist Richard Carl Mock

541

00:36:24,600 --> 00:36:28,600

leads a scientific expedition of the Russian geographical society

542

00:36:28,600 --> 00:36:32,600

into the Vilyuyi River Basin.

543

00:36:32,600 --> 00:36:36,600

In his journal, Mock writes that he and his team

544

00:36:36,600 --> 00:36:40,600

encountered several large and mysterious metallic objects

545

00:36:40,600 --> 00:36:44,600

embedded in the Earth that the local hunters refer to

546

00:36:44,600 --> 00:36:48,600

as cauldrons.

547

00:36:48,600 --> 00:36:52,600

Additional accounts were reported throughout the late 19th and early 20th centuries.

548

00:36:56,600 --> 00:37:00,600

According to descriptions, these large metallic domes

549

00:37:00,600 --> 00:37:04,600

that protrude from the ground each measure between 20 and 30 feet

550

00:37:04,600 --> 00:37:08,600

in diameter.

551

00:37:08,600 --> 00:37:12,600

Their existence is also supported by the legends

552

00:37:12,600 --> 00:37:16,600

of young Kut people who say that over the years

553

00:37:16,600 --> 00:37:20,600

the cauldrons would periodically open up and send fireballs

554

00:37:20,600 --> 00:37:24,600

into the sky.

555

00:37:24,600 --> 00:37:28,600

What happens is that an object would fly out

556

00:37:28,600 --> 00:37:32,600

from under the ground and intersect an incoming

557

00:37:32,600 --> 00:37:36,600

celestial body.

558

00:37:36,600 --> 00:37:40,600

Be it a ball light, meteor, anything that can

559

00:37:40,600 --> 00:37:44,600

damage our planet, it's like somebody put

560

00:37:44,600 --> 00:37:48,600

in an automatic station programmed to take

561

00:37:48,600 --> 00:37:52,600

out a celestial body that can cause tremendous

562

00:37:52,600 --> 00:37:56,600

damage and maybe to end life on Earth.

563

00:37:56,600 --> 00:38:00,600

On June 30th, 1908

564

00:38:00,600 --> 00:38:04,600

a fireball was seen streaking across

565

00:38:04,600 --> 00:38:08,600

the sky over the Tunguska River in rural Siberia

566

00:38:08,600 --> 00:38:12,600

followed by a massive explosion.

567

00:38:12,600 --> 00:38:16,600

It was the same area where these

568

00:38:16,600 --> 00:38:20,600

mysterious sunken cauldrons are said to be located.

569

00:38:20,600 --> 00:38:24,600

Twenty years later, when the Soviet military

570

00:38:24,600 --> 00:38:28,600

examined the area, they reported finding flattened trees

571

00:38:28,600 --> 00:38:32,600

for miles around the blast site.

572

00:38:32,600 --> 00:38:36,600

What no crater.

573

00:38:36,600 --> 00:38:40,600

The Soviet military officer came up with an idea,

574

00:38:40,600 --> 00:38:44,600

Alexander Kazantsev, in 1940s,

575

00:38:44,600 --> 00:38:48,600

that this was an alien ship, a UFO that came into the

576

00:38:48,600 --> 00:38:52,600

atmosphere of our planet and exploded. Others took up this idea

577

00:38:52,600 --> 00:38:56,600

but where he came up with it, it's very hard to say because secrecy is all over Russia.

578

00:38:56,600 --> 00:39:00,600

Is it possible the cauldrons serve as a type

579

00:39:00,600 --> 00:39:04,600

of anti-aircraft weapon against space-based threats?

580

00:39:04,600 --> 00:39:08,600

It's possible that the Earth has been

581

00:39:08,600 --> 00:39:12,600

equipped with some sort of hyper-advanced technology that is actually keeping

582

00:39:12,600 --> 00:39:16,600

us all safe and that whoever won these ancient extraterrestrial

583

00:39:16,600 --> 00:39:20,600

wars, who may in fact be our progenitors, put that there

584

00:39:20,600 --> 00:39:24,600

so that their offspring would be protected from whoever their enemies

585

00:39:24,600 --> 00:39:28,600

had been many thousands of years ago.

586

00:39:28,600 --> 00:39:32,600

Some ancient astronaut theorists

587

00:39:32,600 --> 00:39:36,600

suggest that if there is an extraterrestrial conflict

588

00:39:36,600 --> 00:39:40,600

over humanity, it may be due to the fact that

589

00:39:40,600 --> 00:39:44,600

certain alien factions consider humans a threat.

590

00:39:44,600 --> 00:39:48,600

They propose that the point mankind has reached today

591

00:39:48,600 --> 00:39:52,600

is predicted in the same Sanskrit texts

592

00:39:52,600 --> 00:39:56,600

that documented these ancient alien wars.

593

00:39:56,600 --> 00:40:00,600

Ancient Hindu texts tell us that we are

594

00:40:00,600 --> 00:40:04,600

in the very last of four stages of the planet.

595

00:40:04,600 --> 00:40:08,600

And that stage is called Kali Yuga.

596

00:40:08,600 --> 00:40:12,600

And Kali Yuga is a time of

597

00:40:12,600 --> 00:40:16,600

strife and terrible activities

598

00:40:16,600 --> 00:40:20,600

and of evil. And it may be

599

00:40:20,600 --> 00:40:24,600

that the extraterrestrials are really monitoring us

600

00:40:24,600 --> 00:40:28,600

to see how we can handle this very stressful period.

601

00:40:28,600 --> 00:40:32,600

There are conflicts in the skies.

602

00:40:32,600 --> 00:40:36,600

There are different species with different agendas.

603

00:40:36,600 --> 00:40:40,600

I'm sure that we are regarded as a potential threat.

604

00:40:40,600 --> 00:40:44,600

They would assume that eventually we'll be traveling

605

00:40:44,600 --> 00:40:48,600

around the cosmos. And it's something that must go

606

00:40:48,600 --> 00:40:52,600

through their collective minds.

607

00:40:52,600 --> 00:40:56,600

That these are war-like people.

608

00:40:56,600 --> 00:41:00,600

And consequently we're going to have to keep an eye on them.

609

00:41:00,600 --> 00:41:04,600

Now, for the first time, I think that the

610

00:41:04,600 --> 00:41:08,600

future of the species is at stake.

611

00:41:08,600 --> 00:41:12,600

That's how deeply I feel.

612

00:41:12,600 --> 00:41:16,600

There are lessons to be learned. And we have to learn them.

613

00:41:16,600 --> 00:41:20,600

Now we have to learn them very, very quickly.

614

00:41:20,600 --> 00:41:24,600

Is it possible that extraterrestrial beings

615

00:41:24,600 --> 00:41:28,600

have been fighting for control of planet Earth

616

00:41:28,600 --> 00:41:32,600

for thousands of years?

617

00:41:32,600 --> 00:41:36,600

And could the outcome of this dispute ultimately be determined

618

00:41:36,600 --> 00:41:40,600

not by the alien combatants, but by humans?

619

00:41:40,600 --> 00:41:44,600

Perhaps we are on the verge of reaching

620

00:41:44,600 --> 00:41:48,600

a defining moment in our evolution. A turning point

621

00:41:48,600 --> 00:41:52,600

that will lead either to our ascension or

622

00:41:52,600 --> 00:41:56,600

our extermination.
