

1

00:00:00,000 --> 00:00:04,000

Cultural artifacts obliterating.

2

00:00:04,000 --> 00:00:06,000

It is absolutely barbaric.

3

00:00:06,000 --> 00:00:09,000

They're destroying our cultural heritage.

4

00:00:09,000 --> 00:00:14,000

Irreplaceable texts reduced to smoldering ash.

5

00:00:14,000 --> 00:00:17,000

It's as if the roots of human civilization itself

6

00:00:17,000 --> 00:00:19,000

are being hidden from us.

7

00:00:19,000 --> 00:00:24,000

And sacred lands looted under the cover of darkness.

8

00:00:24,000 --> 00:00:28,000

Armed men spent three days digging and lapped

9

00:00:28,000 --> 00:00:31,000

with something in tow.

10

00:00:31,000 --> 00:00:34,000

What exactly it was nobody knows.

11

00:00:34,000 --> 00:00:39,000

Throughout history, mankind's most ancient and sacred sites

12

00:00:39,000 --> 00:00:44,000

have been plagued by conflict and warfare.

13

00:00:44,000 --> 00:00:47,000

But could this constant turmoil really be part

14

00:00:47,000 --> 00:00:50,000

of another worldly agenda?

15

00:00:50,000 --> 00:00:52,000

Could extraterrestrial intelligence

16

00:00:52,000 --> 00:00:56,000

be deliberately thwarting any effort for itself

17

00:00:56,000 --> 00:01:00,000

to be discovered from the ancient records?

18

00:01:00,000 --> 00:01:03,000

Since the dawn of civilization,

19

00:01:03,000 --> 00:01:06,000

mankind has credited its origins to gods

20

00:01:06,000 --> 00:01:09,000

and other visitors from the stars.

21

00:01:09,000 --> 00:01:12,000

What if it were true?

22

00:01:12,000 --> 00:01:18,000

Did extraterrestrial beings really help to shape our history?

23

00:01:18,000 --> 00:01:22,000

And if so, might the most compelling evidence

24

00:01:22,000 --> 00:01:26,000

lie hidden in forbidden zones?

25

00:01:53,000 --> 00:01:57,000

Northern Iraq

26

00:01:57,000 --> 00:02:02,000

20 miles south of Mosul lies the ancient Assyrian capital city

27

00:02:02,000 --> 00:02:04,000

of Nimrud.

28

00:02:04,000 --> 00:02:10,000

Built over 3,000 years ago in the 13th century BC,

29

00:02:10,000 --> 00:02:14,000

the site is an archaeological treasure trove.

30

00:02:14,000 --> 00:02:17,000

Among the entire city,

31

00:02:17,000 --> 00:02:21,000

is the ancient Assyrian capital city of Nimrud.

32

00:02:21,000 --> 00:02:24,000

It's a treasure trove.

33

00:02:24,000 --> 00:02:28,000

Among the antiquities found here are monumental statues

34

00:02:28,000 --> 00:02:32,000

of winged lions with human heads

35

00:02:32,000 --> 00:02:34,000

and massive relief carvings

36

00:02:34,000 --> 00:02:39,000

depicting the ancient gods of Mesopotamia.

37

00:02:39,000 --> 00:02:43,000

The Assyrian capital city of Nimrud.

38

00:02:43,000 --> 00:02:45,000

In the 19th century,

39

00:02:45,000 --> 00:02:47,000

militants from the Islamic State

40

00:02:47,000 --> 00:02:49,000

stormed the ancient site,

41

00:02:49,000 --> 00:02:53,000

violently destroying everything in their path.

42

00:02:53,000 --> 00:02:56,000

After obliterating irreplaceable relics,

43

00:02:56,000 --> 00:02:59,000

they wired the entire site with explosives

44

00:02:59,000 --> 00:03:03,000

and leveled it completely,

45

00:03:03,000 --> 00:03:07,000

forever wiping it from the face of the earth.

46

00:03:07,000 --> 00:03:11,000

This group seems to be more destructive

47

00:03:11,000 --> 00:03:14,000

than anything people can recall in history.

48

00:03:14,000 --> 00:03:17,000

It's almost as if we're being orphaned from our past.

49

00:03:17,000 --> 00:03:19,000

We are having our parentage,

50

00:03:19,000 --> 00:03:21,000

our ancestors cut off from us,

51

00:03:21,000 --> 00:03:23,000

the record of them.

52

00:03:23,000 --> 00:03:25,000

It is absolutely barbaric

53

00:03:25,000 --> 00:03:28,000

what is going on currently in the Middle East

54

00:03:28,000 --> 00:03:34,000

with some factions going deliberately to ancient sites

55

00:03:34,000 --> 00:03:39,000

and just eradicating our cultural heritage.

56

00:03:42,000 --> 00:03:46,000

This volatile region is widely considered

57

00:03:46,000 --> 00:03:49,000

to have been the cradle of civilization

58

00:03:49,000 --> 00:03:52,000

and its archaeological destruction

59

00:03:52,000 --> 00:03:54,000

could mean the loss of information

60

00:03:54,000 --> 00:03:59,000

about mankind's historical past.

61

00:03:59,000 --> 00:04:02,000

Iraq, Syria, what we call the Middle East

62

00:04:02,000 --> 00:04:04,000

or the Near East,

63

00:04:04,000 --> 00:04:09,000

is called the cradle of civilization for a reason.

64

00:04:09,000 --> 00:04:12,000

Anthropologically, this appears to be the place

65

00:04:12,000 --> 00:04:15,000

where the first humans arose.

66

00:04:15,000 --> 00:04:18,000

This is where people came from

67

00:04:18,000 --> 00:04:22,000

and all of the earliest civilizations, cities,

68

00:04:22,000 --> 00:04:25,000

governments come from this region.

69

00:04:27,000 --> 00:04:29,000

In the 21st century,

70

00:04:29,000 --> 00:04:31,000

the violence and destruction

71

00:04:31,000 --> 00:04:33,000

have reached an unprecedented level,

72

00:04:33,000 --> 00:04:36,000

but the Middle East has been embroiled in conflict

73

00:04:36,000 --> 00:04:38,000

for thousands of years.

74

00:04:42,000 --> 00:04:45,000

The Islamic State today is doing what the Taliban did before,

75

00:04:45,000 --> 00:04:47,000

which is doing what Byzantine Christians

76

00:04:47,000 --> 00:04:50,000

and Jews before them have all done.

77

00:04:50,000 --> 00:04:52,000

They don't want any graven images,

78

00:04:52,000 --> 00:04:54,000

so because of their religious beliefs,

79

00:04:54,000 --> 00:04:56,000

they are basically destroying

80

00:04:56,000 --> 00:05:00,000

our own cultural heritage for religious purposes.

81

00:05:00,000 --> 00:05:02,000

And like human lives,

82

00:05:02,000 --> 00:05:05,000

many of these, you can't get back.

83

00:05:07,000 --> 00:05:10,000

Since 1990, the Middle East

84

00:05:10,000 --> 00:05:13,000

has seen the destruction of cultural heritage

85

00:05:13,000 --> 00:05:16,000

on an unprecedented scale.

86

00:05:17,000 --> 00:05:21,000

A scale not seen since the Christian vandalism

87

00:05:21,000 --> 00:05:24,000

that began during the Roman Empire.

88

00:05:26,000 --> 00:05:30,000

Over 700,000 archaeological, cultural,

89

00:05:30,000 --> 00:05:34,000

and religious artifacts have been stolen or destroyed,

90

00:05:34,000 --> 00:05:38,000

and over 200 significant historical sites

91

00:05:38,000 --> 00:05:41,000

have been completely left in ruins.

92

00:05:45,000 --> 00:05:47,000

The Middle East seems to be

93

00:05:47,000 --> 00:05:50,000

in an almost permanent state of instability.

94

00:05:52,000 --> 00:05:53,000

Is this deliberate?

95

00:05:53,000 --> 00:05:55,000

Is someone keeping it that way

96

00:05:55,000 --> 00:05:58,000

and maybe to prevent us from discovering something?

97

00:05:59,000 --> 00:06:03,000

Is there something that would fundamentally change

98

00:06:03,000 --> 00:06:07,000

our understanding of who we are and where we come from?

99

00:06:08,000 --> 00:06:13,000

It is absolutely horrifying to see the erasing of our history,

100

00:06:13,000 --> 00:06:16,000

and what's worse, all of these ancient sites

101

00:06:16,000 --> 00:06:19,000

are one giant piece of the puzzle

102

00:06:19,000 --> 00:06:23,000

that we might have been visited in the past by extraterrestrials.

103

00:06:25,000 --> 00:06:27,000

For thousands of years,

104

00:06:27,000 --> 00:06:31,000

Northern Africa, the Middle East, and India

105

00:06:31,000 --> 00:06:34,000

have been in an almost constant state of unrest.

106

00:06:37,000 --> 00:06:39,000

But also in Southeast Asia,

107

00:06:39,000 --> 00:06:42,000

the regions of Kashmir and Tibet

108

00:06:43,000 --> 00:06:47,000

are considered among the most disputed territories in the world.

109

00:06:50,000 --> 00:06:52,000

And halfway across the globe,

110

00:06:52,000 --> 00:06:55,000

the Northern Triangle of Central America,

111

00:06:55,000 --> 00:06:59,000

which includes Guatemala, El Salvador, and Honduras,

112

00:07:00,000 --> 00:07:03,000

has been declared the deadliest region on Earth

113

00:07:03,000 --> 00:07:06,000

outside of active war zones.

114

00:07:09,000 --> 00:07:12,000

Could there be a reason that these specific areas

115

00:07:12,000 --> 00:07:15,000

experience so much chaos?

116

00:07:18,000 --> 00:07:21,000

It might be that on such places,

117

00:07:21,000 --> 00:07:24,000

the extraterrestrials descended some thousands of years ago.

118

00:07:24,000 --> 00:07:28,000

On such places, they have hidden something.

119

00:07:29,000 --> 00:07:32,000

There could be something special about the sites.

120

00:07:32,000 --> 00:07:34,000

These are areas that are so important

121

00:07:34,000 --> 00:07:37,000

to the things that have happened on this planet.

122

00:07:37,000 --> 00:07:41,000

And I still think that the knowledge and the success

123

00:07:41,000 --> 00:07:44,000

of where we go as people on planet Earth

124

00:07:44,000 --> 00:07:47,000

is directly related to those areas.

125

00:07:50,000 --> 00:07:54,000

Is it possible that there is an otherworldly connection

126

00:07:54,000 --> 00:07:57,000

between certain areas of global conflict

127

00:07:57,000 --> 00:08:01,000

and places of significant archaeological importance?

128

00:08:03,000 --> 00:08:06,000

Ancient astronaut theorists say yes

129

00:08:06,000 --> 00:08:09,000

and suggest there could very well be

130

00:08:09,000 --> 00:08:12,000

so-called forbidden zones on planet Earth,

131

00:08:12,000 --> 00:08:15,000

areas that extraterrestrial entities

132

00:08:15,000 --> 00:08:18,000

want to keep humans from exploring.

133

00:08:20,000 --> 00:08:23,000

But if so, why?

134

00:08:23,000 --> 00:08:25,000

Perhaps further clues can be found

135

00:08:25,000 --> 00:08:29,000

by examining a conflict in another volatile region

136

00:08:29,000 --> 00:08:32,000

where some of mankind's greatest treasures

137

00:08:32,000 --> 00:08:36,000

are being looted from beneath the desert sands.

138

00:08:45,000 --> 00:08:48,000

Cairo, Egypt, 2011

139

00:08:50,000 --> 00:08:53,000

In what has come to be known as the Arab Spring,

140

00:08:53,000 --> 00:08:56,000

riots break out throughout Egypt.

141

00:08:56,000 --> 00:08:59,000

Protesters demand the resignation

142

00:08:59,000 --> 00:09:02,000

of President Hosni Mubarak.

143

00:09:04,000 --> 00:09:08,000

With the media and law enforcement focused on the demonstrations,

144

00:09:08,000 --> 00:09:11,000

looters gain greater freedom

145

00:09:11,000 --> 00:09:15,000

to pillage Egypt's ancient sites and artifacts.

146

00:09:19,000 --> 00:09:21,000

For many people, getting rid of Mubarak

147

00:09:21,000 --> 00:09:25,000

was just a license to profit from the new situation.

148

00:09:27,000 --> 00:09:29,000

They would loot archaeological sites.

149

00:09:29,000 --> 00:09:32,000

They were suddenly free of the dictator

150

00:09:32,000 --> 00:09:34,000

and a lot of them went crazy.

151

00:09:35,000 --> 00:09:38,000

During the Arab Spring, insiders told me

152

00:09:38,000 --> 00:09:41,000

that trucks loaded with deep digging equipment

153

00:09:41,000 --> 00:09:45,000

accompanied by armored vehicles and armed men

154

00:09:45,000 --> 00:09:49,000

spent three days digging in the sands outside Cairo

155

00:09:49,000 --> 00:09:53,000

and laughed with something in tow.

156

00:09:54,000 --> 00:09:57,000

What exactly it was, nobody knows.

157

00:09:59,000 --> 00:10:02,000

Guards were powerless to do anything to stop it.

158

00:10:02,000 --> 00:10:04,000

This created a huge amount of havoc

159

00:10:04,000 --> 00:10:06,000

just because of the lack of security

160

00:10:06,000 --> 00:10:08,000

and the intentions of certain people

161

00:10:08,000 --> 00:10:10,000

to steal Egyptian antiquities.

162

00:10:11,000 --> 00:10:13,000

You can tell from the satellite imagery

163

00:10:13,000 --> 00:10:15,000

the increase in different holes in the ground,

164

00:10:15,000 --> 00:10:18,000

the looters' pits that they've dug.

165

00:10:19,000 --> 00:10:21,000

This is the site of Dashur.

166

00:10:21,000 --> 00:10:23,000

This picture was taken in 2010.

167

00:10:23,000 --> 00:10:25,000

But when you look at this one over here,

168

00:10:25,000 --> 00:10:27,000

I think this was taken in 2013.

169

00:10:27,000 --> 00:10:29,000

The difference between the two is pretty amazing.

170

00:10:29,000 --> 00:10:32,000

Look at all these pits that were dug by looters.

171

00:10:36,000 --> 00:10:39,000

When it comes to Egypt, everyone's familiar with the pyramids,

172

00:10:39,000 --> 00:10:43,000

but really that's only a tiny part of what survives

173

00:10:43,000 --> 00:10:47,000

of that ancient and sophisticated civilization.

174

00:10:50,000 --> 00:10:53,000

According to modern archaeologists,

175

00:10:53,000 --> 00:10:59,000

less than 1% of ancient Egypt has been discovered and excavated.

176

00:11:01,000 --> 00:11:04,000

But how is it that such a pivotal ancient culture

177

00:11:04,000 --> 00:11:08,000

disappeared unnoticed into the desert sands?

178

00:11:11,000 --> 00:11:14,000

There were several different cultures that came in with armies.

179

00:11:14,000 --> 00:11:16,000

The Nubians, I think the Syrians,

180

00:11:16,000 --> 00:11:20,000

or the Persians twice, and then the Greeks.

181

00:11:22,000 --> 00:11:24,000

When the Romans took over,

182

00:11:24,000 --> 00:11:27,000

they just drained it of Egyptian religion and culture.

183

00:11:27,000 --> 00:11:30,000

So when the Erebs came in in 641,

184

00:11:30,000 --> 00:11:33,000

most of these temples were at least halfway covered in sands.

185

00:11:33,000 --> 00:11:35,000

All you have are these huge, magnificent columns

186

00:11:35,000 --> 00:11:37,000

coming out of the ground.

187

00:11:37,000 --> 00:11:40,000

The sphinx was buried right up to his head.

188

00:11:41,000 --> 00:11:43,000

By the time Napoleon got to Egypt,

189

00:11:43,000 --> 00:11:46,000

the hieroglyphs were indecipherable.

190

00:11:46,000 --> 00:11:49,000

No one knew what these things were, what they meant.

191

00:11:49,000 --> 00:11:51,000

We had to relearn it.

192

00:11:51,000 --> 00:11:53,000

It was only with the discovery of the Rosetta Stone

193

00:11:53,000 --> 00:11:55,000

that we got our first insight

194

00:11:55,000 --> 00:11:58,000

into what these hieroglyphs might actually be saying.

195

00:12:01,000 --> 00:12:06,000

But is Egypt's long history a political unrest merely man-made?

196

00:12:06,000 --> 00:12:10,000

Or is there something extraterrestrial at work?

197

00:12:11,000 --> 00:12:13,000

Ancient astronaut theorists suggest

198

00:12:13,000 --> 00:12:15,000

that further answers can be found,

199

00:12:15,000 --> 00:12:18,000

still buried in the desert sands.

200

00:12:21,000 --> 00:12:25,000

I think if you could blow all the sand away from the Middle East and Egypt,

201

00:12:25,000 --> 00:12:27,000

you would find incredible relics.

202

00:12:29,000 --> 00:12:33,000

I also think that information about extraterrestrials

203

00:12:33,000 --> 00:12:38,000

is probably deeply hidden away under the sands of that region.

204

00:12:41,000 --> 00:12:45,000

Amidos, Egypt

205

00:12:45,000 --> 00:12:47,000

February 2011

206

00:12:49,000 --> 00:12:52,000

300 miles south of Cairo

207

00:12:52,000 --> 00:12:56,000

Looters target what was once the most sacred site

208

00:12:56,000 --> 00:13:00,000

to the ancient Egyptians during the time of the pharaohs.

209

00:13:01,000 --> 00:13:05,000

It was here that Egypt's first rulers were buried

210

00:13:05,000 --> 00:13:08,000

and the earliest forms of hieroglyphs were found,

211

00:13:08,000 --> 00:13:12,000

as well as an inscription bearing the names and chronology

212

00:13:12,000 --> 00:13:15,000

of the first kings of ancient Egypt.

213

00:13:17,000 --> 00:13:22,000

Amidos was considered sacred to the god Osiris, lord of the dead,

214

00:13:22,000 --> 00:13:25,000

an Egypt's first otherworldly ruler.

215

00:13:26,000 --> 00:13:28,000

According to ancient legends,

216

00:13:28,000 --> 00:13:31,000

his dismembered head was buried at the site.

217

00:13:33,000 --> 00:13:35,000

So who was Osiris?

218

00:13:35,000 --> 00:13:39,000

Was he simply an ancestor of the ancient Egyptians?

219

00:13:39,000 --> 00:13:45,000

Or was he a god that descended to Earth from the sky world?

220

00:13:47,000 --> 00:13:49,000

Obviously, we cannot say today,

221

00:13:49,000 --> 00:13:52,000

but we know he was said to have existed in an age

222

00:13:52,000 --> 00:13:55,000

that was known as Zeptepi the first time.

223

00:13:59,000 --> 00:14:03,000

In the 13th century BC, the pharaoh, Sedi I,

224

00:14:03,000 --> 00:14:06,000

was building his temple here in Amidos.

225

00:14:07,000 --> 00:14:09,000

When according to some accounts,

226

00:14:09,000 --> 00:14:12,000

he had an encounter with the god Osiris.

227

00:14:17,000 --> 00:14:19,000

When King Sedi was building his temple,

228

00:14:19,000 --> 00:14:24,000

he had a dream in which the Egyptian god Osiris appeared to him.

229

00:14:25,000 --> 00:14:30,000

And he told Sedi that if he was to dig behind his temple location,

230

00:14:30,000 --> 00:14:34,000

that he would find something of enormous significance.

231

00:14:35,000 --> 00:14:38,000

Sedi digs 40 feet beneath the temple

232

00:14:38,000 --> 00:14:41,000

and finds the tomb of Osiris.

233

00:14:45,000 --> 00:14:50,000

For hundreds of years, no such tomb was known to exist in Amidos.

234

00:14:52,000 --> 00:14:55,000

But at the turn of the 20th century,

235

00:14:55,000 --> 00:14:59,000

archaeologists digging behind the temple of Sedi I,

236

00:14:59,000 --> 00:15:03,000

was the first unearthed, a massive underground structure

237

00:15:03,000 --> 00:15:06,000

consisting of granite and sandstone blocks,

238

00:15:06,000 --> 00:15:09,000

some weighing nearly 60 tons.

239

00:15:12,000 --> 00:15:15,000

The Osirian, as it is now known,

240

00:15:15,000 --> 00:15:18,000

was found buried under 40 feet of silt.

241

00:15:20,000 --> 00:15:23,000

And ancient astronaut theorists are convinced

242

00:15:23,000 --> 00:15:27,000

that further excavations would reveal something much more profound,

243

00:15:27,000 --> 00:15:29,000

hidden within it.

244

00:15:32,000 --> 00:15:36,000

The interesting thing about it is that on the exterior wall

245

00:15:36,000 --> 00:15:42,000

of the temple of Sedi is inscribed what is called the head or tower of Osiris.

246

00:15:43,000 --> 00:15:47,000

What looks like some kind of an ancient antenna type of a device,

247

00:15:47,000 --> 00:15:51,000

it's clearly technological or mechanical looking.

248

00:15:53,000 --> 00:15:56,000

According to legend, it has been buried

249

00:15:56,000 --> 00:15:59,000

in as a waiting rediscovery.

250

00:16:00,000 --> 00:16:05,000

Amidos is a veritable treasure trove of artifacts,

251

00:16:05,000 --> 00:16:08,000

ancient records, inscriptions on temple walls

252

00:16:08,000 --> 00:16:11,000

of people who look very different than us.

253

00:16:12,000 --> 00:16:15,000

There are repositories of ancient technologies

254

00:16:15,000 --> 00:16:18,000

that are still hiding under the desert sands.

255

00:16:18,000 --> 00:16:20,000

There's a lot of vested interest.

256

00:16:20,000 --> 00:16:23,000

These extraterrestrials, the gods might have

257

00:16:23,000 --> 00:16:26,000

in keeping these things hidden from us.

258

00:16:30,000 --> 00:16:34,000

Could it be that Amidos holds alien technology

259

00:16:34,000 --> 00:16:37,000

that was deliberately hidden from mankind?

260

00:16:40,000 --> 00:16:42,000

Is the instability in this region,

261

00:16:42,000 --> 00:16:45,000

like that in other forbidden zones,

262

00:16:45,000 --> 00:16:49,000

somehow being generated by extraterrestrials

263

00:16:49,000 --> 00:16:52,000

that want to keep humanity from rediscovering it?

264

00:16:54,000 --> 00:16:58,000

And if so, just how are they accomplishing this?

265

00:16:59,000 --> 00:17:02,000

Perhaps further clues can be found

266

00:17:02,000 --> 00:17:05,000

by examining the latest scientific breakthroughs

267

00:17:05,000 --> 00:17:09,000

in using technology to incite violence.

268

00:17:16,000 --> 00:17:18,000

Lhasa, Tibet

269

00:17:19,000 --> 00:17:23,000

Situated nearly 12,000 feet above sea level,

270

00:17:23,000 --> 00:17:27,000

the Tibetan capital of Lhasa, or place of the gods,

271

00:17:27,000 --> 00:17:32,000

has long been considered one of the least accessible areas of the world.

272

00:17:34,000 --> 00:17:36,000

For over three decades,

273

00:17:36,000 --> 00:17:39,000

Tibet was entirely closed off to outsiders

274

00:17:39,000 --> 00:17:42,000

after the forcible takeover of the region

275

00:17:42,000 --> 00:17:45,000

and exile of its spiritual leader, the Dalai Lama,

276

00:17:45,000 --> 00:17:48,000

in 1959 by the Chinese army.

277

00:17:51,000 --> 00:17:53,000

During their siege of the city,

278

00:17:53,000 --> 00:17:57,000

Chinese red guards systematically destroyed temples,

279

00:17:57,000 --> 00:18:00,000

frescoes, and ancient religious texts.

280

00:18:03,000 --> 00:18:06,000

It's a terrible legacy from the great library at Alexandria,

281

00:18:06,000 --> 00:18:10,000

the library at Sarajevo, more recently in Panam Pan.

282

00:18:10,000 --> 00:18:13,000

Other stories like the Nazi book burning there

283

00:18:13,000 --> 00:18:18,000

seems to be this thing that happens where some revolutionary energy

284

00:18:18,000 --> 00:18:22,000

wants to destroy the cultural treasures of the past.

285

00:18:24,000 --> 00:18:27,000

When one culture conquers another culture,

286

00:18:27,000 --> 00:18:29,000

you want to kill their ideology,

287

00:18:29,000 --> 00:18:32,000

and the way that you do that is you burn their books,

288

00:18:32,000 --> 00:18:36,000

you banish their ideas, you banish their language,

289

00:18:36,000 --> 00:18:38,000

you banish their religious practices,

290

00:18:38,000 --> 00:18:40,000

you burn the ancient records.

291

00:18:44,000 --> 00:18:48,000

Throughout history, military conflict has resulted

292

00:18:48,000 --> 00:18:50,000

not only in loss of life,

293

00:18:50,000 --> 00:18:53,000

but also the destruction of cultural heritage.

294

00:18:56,000 --> 00:19:00,000

And even when setting out to colonize the new world,

295

00:19:00,000 --> 00:19:04,000

early explorers and missionaries systematically eradicated

296

00:19:04,000 --> 00:19:09,000

what they considered to be pagan texts and mythologies of Native American,

297

00:19:09,000 --> 00:19:12,000

Mesoamerican, and Polynesian tribes

298

00:19:12,000 --> 00:19:14,000

they encountered.

299

00:19:17,000 --> 00:19:20,000

They destroy artifacts, they bury sites.

300

00:19:20,000 --> 00:19:25,000

It's almost as if this is a deliberate blotting out of the past.

301

00:19:28,000 --> 00:19:32,000

It's as if the roots of human civilization itself

302

00:19:32,000 --> 00:19:34,000

are being hidden from us.

303

00:19:36,000 --> 00:19:38,000

With the destruction of knowledge,

304

00:19:38,000 --> 00:19:42,000

we may well be losing our connection to the gods,

305

00:19:42,000 --> 00:19:44,000

the extraterrestrials of the past,

306

00:19:44,000 --> 00:19:48,000

how they interacted with us, what they wanted us to do.

307

00:19:50,000 --> 00:19:54,000

Why isn't that these records continually seem to get misplaced,

308

00:19:54,000 --> 00:19:57,000

or they get burned, or they get destroyed,

309

00:19:58,000 --> 00:20:01,000

or they're deliberately ruined?

310

00:20:03,000 --> 00:20:05,000

Is it possible that there is, in fact,

311

00:20:05,000 --> 00:20:07,000

an ongoing extraterrestrial presence

312

00:20:07,000 --> 00:20:11,000

that has somehow infiltrated into our society?

313

00:20:12,000 --> 00:20:16,000

Could this extraterrestrial intelligence be deliberately thwarting

314

00:20:16,000 --> 00:20:21,000

any effort for itself to be discovered from the ancient records?

315

00:20:26,000 --> 00:20:30,000

Could there really be aliens among us inciting conflict,

316

00:20:30,000 --> 00:20:33,000

as some ancient astronaut theorists suggest?

317

00:20:36,000 --> 00:20:40,000

And if so, might we find this conflict concentrated

318

00:20:40,000 --> 00:20:44,000

in so-called forbidden zones, but why?

319

00:20:45,000 --> 00:20:48,000

And perhaps, even more importantly,

320

00:20:48,000 --> 00:20:51,000

how has this violent behavior been accomplished?

321

00:20:56,000 --> 00:20:58,000

Pasadena, California

322

00:20:59,000 --> 00:21:03,000

Scientists at the California Institute of Technology

323

00:21:03,000 --> 00:21:07,000

identify a set of neurons in the hypothalamus of mouse brains

324

00:21:07,000 --> 00:21:10,000

that correspond to aggression.

325

00:21:12,000 --> 00:21:15,000

Through a technique called optogenetics,

326

00:21:15,000 --> 00:21:19,000

the group uses pulses of light to activate the neurons

327

00:21:19,000 --> 00:21:23,000

and instantaneously incite violence in the mice.

328

00:21:24,000 --> 00:21:26,000

So there are many ways in which we can affect

329

00:21:26,000 --> 00:21:29,000

or manipulate the brain or brain function.

330

00:21:30,000 --> 00:21:34,000

And there's a really exciting new technique called optogenetics.

331

00:21:34,000 --> 00:21:36,000

And although it's not being used in humans yet,

332

00:21:36,000 --> 00:21:38,000

it's being used in animal trials.

333

00:21:38,000 --> 00:21:41,000

And what that is is they actually manipulate a virus

334

00:21:41,000 --> 00:21:44,000

so that it becomes a delivery system for a gene

335

00:21:44,000 --> 00:21:47,000

that's taken from a photosensitive algae.

336

00:21:47,000 --> 00:21:50,000

And that gene is then delivered to specific neurons.

337

00:21:50,000 --> 00:21:54,000

And then those neurons are triggered to fire via light.

338

00:21:54,000 --> 00:21:58,000

You can control the behavior of the animal via remote control

339

00:21:58,000 --> 00:22:02,000

in the sense all you have to do is trigger the different types of receptors to fire.

340

00:22:02,000 --> 00:22:05,000

If you actually go in and stimulate the prefrontal cortex,

341

00:22:05,000 --> 00:22:08,000

you can cause animals to act out aggressively.

342

00:22:12,000 --> 00:22:16,000

In 2010, scientists at Osaka University

343

00:22:16,000 --> 00:22:20,000

and at the University of Texas published separate findings,

344

00:22:20,000 --> 00:22:26,000

both indicating that up to 8% of the human genome comes from viruses

345

00:22:26,000 --> 00:22:29,000

and not from our ancestral DNA.

346

00:22:31,000 --> 00:22:34,000

Could this help explain how extraterrestrials

347

00:22:34,000 --> 00:22:37,000

might be able to incite humans to violence,

348

00:22:37,000 --> 00:22:42,000

just as researchers have used viruses to trigger aggression in mice?

349

00:22:45,000 --> 00:22:48,000

Somebody genetically altered us a long, long time ago,

350

00:22:48,000 --> 00:22:53,000

and they intentionally put in this ability to become violent.

351

00:22:54,000 --> 00:22:57,000

There's no question that people could be manipulated,

352

00:22:57,000 --> 00:23:00,000

could be used to do all kinds of things,

353

00:23:00,000 --> 00:23:02,000

and they wouldn't even know it.

354

00:23:03,000 --> 00:23:07,000

We are simply a pawn on an extraterrestrial chess game

355

00:23:07,000 --> 00:23:11,000

that they can move and manipulate any time they want.

356

00:23:11,000 --> 00:23:16,000

That they serve up at their whim whenever they want.

357

00:23:16,000 --> 00:23:18,000

There's no question about that.

358

00:23:19,000 --> 00:23:24,000

Could humans be artificially stimulated to create acts of violence,

359

00:23:24,000 --> 00:23:28,000

as some ancient astronaut theorists propose?

360

00:23:29,000 --> 00:23:33,000

And might this stimulation be targeted to people

361

00:23:33,000 --> 00:23:36,000

living in certain regions of the world?

362

00:23:39,000 --> 00:23:42,000

Perhaps the answers can be found

363

00:23:42,000 --> 00:23:45,000

very deep in the jungles of Guatemala.

364

00:23:48,000 --> 00:23:52,000

Lie the ruins of the ancient Mayan city of El Mirador.

365

00:23:54,000 --> 00:23:57,000

Dating back to at least the 5th century BC,

366

00:23:57,000 --> 00:24:02,000

the site is believed to predate the classic Mayan civilization.

367

00:24:02,000 --> 00:24:07,000

But curiously, it was abruptly abandoned around 150 BC.

368

00:24:09,000 --> 00:24:12,000

Western archaeologists rediscovered the site

369

00:24:12,000 --> 00:24:15,000

in the early 20th century,

370

00:24:15,000 --> 00:24:17,000

and in the early 20th century,

371

00:24:17,000 --> 00:24:21,000

Western archaeologists rediscovered the site in 1979,

372

00:24:21,000 --> 00:24:24,000

in an area currently controlled

373

00:24:24,000 --> 00:24:27,000

by one of the most feared drug cartels in the region.

374

00:24:29,000 --> 00:24:32,000

Today, armed soldiers stand guard

375

00:24:32,000 --> 00:24:35,000

just outside the archaeological site

376

00:24:35,000 --> 00:24:37,000

that is larger than Manhattan

377

00:24:37,000 --> 00:24:41,000

and contains one of the tallest pyramids in the world.

378

00:24:42,000 --> 00:24:46,000

El Mirador, in fact, has dozens of pyramids.

379

00:24:46,000 --> 00:24:50,000

Many of them are as big as anything that the classic Maya made,

380

00:24:50,000 --> 00:24:53,000

but it's also one of their very oldest cities.

381

00:24:56,000 --> 00:25:00,000

But perhaps the most intriguing discovery at El Mirador

382

00:25:00,000 --> 00:25:04,000

is a carving believed to be a depiction of the Mayan creation story,

383

00:25:04,000 --> 00:25:07,000

known as the Popovu.

384

00:25:08,000 --> 00:25:12,000

It dates back more than 2,000 years

385

00:25:12,000 --> 00:25:16,000

and is the oldest known version to survive

386

00:25:16,000 --> 00:25:19,000

after Central America was overtaken

387

00:25:19,000 --> 00:25:23,000

by Spanish conquistadors in the 16th century.

388

00:25:26,000 --> 00:25:28,000

The conquistadors requested

389

00:25:28,000 --> 00:25:32,000

for all these different Mayan codices to be destroyed.

390

00:25:33,000 --> 00:25:38,000

And so after this pillaging and destruction happened,

391

00:25:38,000 --> 00:25:42,000

the Popovu was recreated by the ruling elite at the time,

392

00:25:42,000 --> 00:25:44,000

and to the best of their abilities,

393

00:25:44,000 --> 00:25:48,000

they tried to put on paper their histories

394

00:25:48,000 --> 00:25:51,000

and their mythologies of their ancestors.

395

00:25:51,000 --> 00:25:55,000

But these stories go back much further back in time.

396

00:25:56,000 --> 00:26:01,000

The Popovu is foundational to Maya civilization

397

00:26:01,000 --> 00:26:05,000

as foundational as the Bible is to Christianity.

398

00:26:05,000 --> 00:26:09,000

But now, things like what we've found at El Mirador

399

00:26:09,000 --> 00:26:14,000

are telling us that that story goes back at least to 200 BC.

400

00:26:14,000 --> 00:26:16,000

And that's exciting.

401

00:26:16,000 --> 00:26:20,000

Now we have a continuity of the Popovu

402

00:26:20,000 --> 00:26:24,000

being pivotal to Maya people all the way back to their origins.

403

00:26:25,000 --> 00:26:29,000

Curiously, the Popovu narrative

404

00:26:29,000 --> 00:26:34,000

and the Hebrew Bible's Book of Genesis contain many similarities,

405

00:26:35,000 --> 00:26:39,000

including the stories concerning the creation of the world,

406

00:26:39,000 --> 00:26:43,000

animals, and then finally, mankind.

407

00:26:44,000 --> 00:26:47,000

They both include stories of a great flood.

408

00:26:48,000 --> 00:26:51,000

And in both texts, it is suggested

409

00:26:51,000 --> 00:26:56,000

that there is information purposely kept from mankind by his creator.

410

00:26:59,000 --> 00:27:01,000

But what is unique to the Popovu

411

00:27:01,000 --> 00:27:03,000

is an account of an earlier time

412

00:27:03,000 --> 00:27:07,000

when humans had access to greater knowledge.

413

00:27:10,000 --> 00:27:13,000

In the great Mayan creation narrative,

414

00:27:13,000 --> 00:27:17,000

the Popovu, the gods created humans.

415

00:27:18,000 --> 00:27:21,000

And they had terrific knowledge,

416

00:27:21,000 --> 00:27:24,000

so much so that it worried the gods.

417

00:27:24,000 --> 00:27:28,000

And so they put a veil over the consciousness of the people

418

00:27:28,000 --> 00:27:32,000

so that they could only see what was right there in front of them.

419

00:27:32,000 --> 00:27:36,000

They limited their ability to know.

420

00:27:38,000 --> 00:27:42,000

The earliest human beings in the Popovu, they were very smart.

421

00:27:42,000 --> 00:27:45,000

They had a great sense of the world.

422

00:27:45,000 --> 00:27:47,000

They were very smart.

423

00:27:47,000 --> 00:27:50,000

They basically understood things, they could see things.

424

00:27:50,000 --> 00:27:52,000

And so the gods of creation said,

425

00:27:52,000 --> 00:27:54,000

oh, we can't have this.

426

00:27:55,000 --> 00:28:00,000

So what we have to do is we have to put a screen over that vision.

427

00:28:00,000 --> 00:28:05,000

Knowledge became less and less available to the overall population.

428

00:28:07,000 --> 00:28:10,000

What happened to the humans who were smarter than us?

429

00:28:10,000 --> 00:28:13,000

Were they, in fact, the ancient Egyptians,

430

00:28:13,000 --> 00:28:17,000

the Sumerians, and many other ancient cultures?

431

00:28:17,000 --> 00:28:20,000

These areas apparently would have all of the records

432

00:28:20,000 --> 00:28:24,000

that we would need to completely rebuild our history.

433

00:28:24,000 --> 00:28:28,000

These are the most unstable areas on Earth.

434

00:28:28,000 --> 00:28:30,000

Could this be why?

435

00:28:33,000 --> 00:28:36,000

Is it possible that ancient humans

436

00:28:36,000 --> 00:28:39,000

possess greater knowledge than we currently do today,

437

00:28:39,000 --> 00:28:43,000

as the Mayan mythology seems to suggest?

438

00:28:44,000 --> 00:28:49,000

If so, who were these gods that the Mayans believed to be their creators?

439

00:28:51,000 --> 00:28:53,000

According to ancient astronaut theorists,

440

00:28:53,000 --> 00:28:56,000

their true identity might be revealed

441

00:28:56,000 --> 00:29:00,000

by examining one of the carvings contained within the Popovu,

442

00:29:00,000 --> 00:29:03,000

the so-called Hero Twins.

443

00:29:05,000 --> 00:29:07,000

If you look at that carving,

444

00:29:07,000 --> 00:29:11,000

the guy is clearly wearing a helmet and he has this backpack

445

00:29:11,000 --> 00:29:15,000

and he's actually floating in space or he's descending from the sky.

446

00:29:17,000 --> 00:29:21,000

You have what seemed to be some kind of helmet

447

00:29:21,000 --> 00:29:25,000

and even one of the figures looks like a flying saucer.

448

00:29:29,000 --> 00:29:33,000

Could these stone carvings be depictions of ancient astronauts?

449

00:29:33,000 --> 00:29:34,000

And if that is the case,

450

00:29:34,000 --> 00:29:39,000

then it would indicate that these extraterrestrials have actually created us

451

00:29:39,000 --> 00:29:45,000

and in fact they're still here today, manipulating us and guiding us into the future.

452

00:29:48,000 --> 00:29:53,000

Do the carvings at El Mirador contain information about mankind's past

453

00:29:53,000 --> 00:29:56,000

that we were not meant to discover?

454

00:29:57,000 --> 00:30:00,000

If so, could it be that extraterrestrials

455

00:30:00,000 --> 00:30:07,000

have been creating barriers and warfare to prevent us from learning about our true origins?

456

00:30:08,000 --> 00:30:12,000

Or is there an even more profound explanation?

457

00:30:13,000 --> 00:30:19,000

Ancient astronaut theorists suggest the ultimate proof of just what they are trying to hide

458

00:30:19,000 --> 00:30:24,000

can be found by examining one of the most thought-over sites on Earth,

459

00:30:24,000 --> 00:30:26,000

Temple Mount.

460

00:30:31,000 --> 00:30:42,000

Jerusalem, October 2014

461

00:30:45,000 --> 00:30:50,000

Amidst tension and violence after the assassination attempt on a Jewish activist,

462

00:30:50,000 --> 00:30:55,000

Israeli authorities shut down the sacred site of Temple Mount.

463

00:30:56,000 --> 00:31:03,000

Palestinian leader Mahmoud Abbas pronounces the closure a declaration of war.

464

00:31:04,000 --> 00:31:08,000

And although access to the Temple is quickly restored,

465

00:31:08,000 --> 00:31:14,000

many fear that a third Intifada or Holy War is now inevitable.

466

00:31:17,000 --> 00:31:20,000

That was the uprising that the Palestinians engaged in.

467

00:31:20,000 --> 00:31:23,000

This was their revolution.

468

00:31:24,000 --> 00:31:27,000

It began first in 1987 and was waged for five years.

469

00:31:27,000 --> 00:31:30,000

Then in 2000, it lasted for another five years.

470

00:31:30,000 --> 00:31:34,000

There was tremendous violence between Palestinians and Israelis.

471

00:31:34,000 --> 00:31:40,000

It shouldn't come as a surprise that the Temple Mount would be a flash point for all these countries.

472

00:31:45,000 --> 00:31:49,000

The Temple Mount is a 35-acre platform

473

00:31:49,000 --> 00:31:54,000

that has long had great significance to Jews, Christians and Muslims.

474

00:31:56,000 --> 00:32:03,000

It is revered in the Jewish tradition as the place where God gathered the dust to create Adam,

475

00:32:03,000 --> 00:32:09,000

where Abraham nearly sacrificed his son Isaac to prove his faith to God.

476

00:32:10,000 --> 00:32:16,000

And where King Solomon built the first Temple to house the Ark of the Covenant.

477

00:32:17,000 --> 00:32:23,000

Christians honor the site as the location of some of Jesus' most sacred teachings.

478

00:32:24,000 --> 00:32:30,000

And for Muslims, Temple Mount, which they refer to as the Noble Sanctuary,

479

00:32:30,000 --> 00:32:39,000

or Haram al-Sharif, is believed to be the location where the Prophet Muhammad ascended to heaven on the back of a winged horse.

480

00:32:40,000 --> 00:32:47,000

The three monotheistic faiths, Judaism, Christianity and Islam,

481

00:32:47,000 --> 00:32:51,000

all believe that God has a special connection to this area.

482

00:32:51,000 --> 00:32:56,000

They all believe that this is where people will ascend to heaven when the day of judgment comes.

483

00:32:57,000 --> 00:33:00,000

They all want it, but they don't want to share it.

484

00:33:00,000 --> 00:33:07,000

The Temple Mount has been a holy place for many, many generations.

485

00:33:07,000 --> 00:33:15,000

And there are strange religious traditions, rumors, legends of what lies underneath it.

486

00:33:15,000 --> 00:33:20,000

And the idea is there is something so precious underneath it that God himself intervenes to protect it.

487

00:33:31,000 --> 00:33:36,000

Could there really be some powerful force contained within Temple Mount?

488

00:33:37,000 --> 00:33:42,000

Is that why three religions are at such odds over this sacred site?

489

00:33:44,000 --> 00:33:53,000

Some researchers and religious scholars suggest that Temple Mount may not only serve as a place of spiritual connection,

490

00:33:53,000 --> 00:33:58,000

but also as a gateway to other points in the universe.

491

00:34:00,000 --> 00:34:06,000

The Temple Mount has long been considered to be a portal to heaven.

492

00:34:06,000 --> 00:34:13,000

It is said that when the patriarch in Jacob rested one night, he placed stones on the ground,

493

00:34:13,000 --> 00:34:16,000

and there he saw a ladder ascending to heaven.

494

00:34:16,000 --> 00:34:20,000

The angels were going up and coming down.

495

00:34:20,000 --> 00:34:26,000

This was always known to have been a vortex, a portal.

496

00:34:30,000 --> 00:34:33,000

A ladder descending from heaven?

497

00:34:33,000 --> 00:34:38,000

A visitation site for other worldly beings.

498

00:34:38,000 --> 00:34:47,000

Could it really be that the significance of Temple Mount is not what's under it, but the location itself?

499

00:34:48,000 --> 00:34:56,000

It could very well be that there was a natural area on the earth that the Temple Mount was deliberately built around.

500

00:34:57,000 --> 00:35:02,000

And that natural physics that we don't yet understand in conventional science

501

00:35:02,000 --> 00:35:12,000

allow for there to be a slipstream between realities, a gateway, a parting of the veil between this world and other parallel universes.

502

00:35:13,000 --> 00:35:17,000

There have been a number of UFO sightings around Temple Mount.

503

00:35:18,000 --> 00:35:28,000

Is the site important not just to human religions, but does it have some special significance for extraterrestrials?

504

00:35:28,000 --> 00:35:31,000

Is that why this site is so untouchable?

505

00:35:35,000 --> 00:35:42,000

Do sacred sites like Temple Mount in Jerusalem not only hold secrets about mankind's origins,

506

00:35:42,000 --> 00:35:47,000

but possibly even serve as portals to other parts of the universe?

507

00:35:48,000 --> 00:35:55,000

And if so, might the turmoil in various forbidden zones be due in part to extraterrestrials

508

00:35:55,000 --> 00:35:59,000

that want to keep humanity from discovering the truth?

509

00:36:01,000 --> 00:36:10,000

Perhaps the answers can be found by reexamining what some claim is the motivation behind the Western invasion of Iraq.

510

00:36:13,000 --> 00:36:19,000

Iraq, March 19, 2003

511

00:36:21,000 --> 00:36:27,000

The United States military begins its Shogunah air campaign over the city of Baghdad.

512

00:36:28,000 --> 00:36:34,000

It is a preemptive strike aimed to overthrow Iraqi dictator Saddam Hussein,

513

00:36:35,000 --> 00:36:40,000

who the government believes is in possession of weapons of mass destruction.

514

00:36:43,000 --> 00:36:50,000

Saddam Hussein wanted to make Iraq a regional and perhaps a global superpower.

515

00:36:50,000 --> 00:36:54,000

He spoke about himself as the new Nebuchadnezzar.

516

00:36:55,000 --> 00:37:00,000

Nebuchadnezzar II was the great Babylonian warrior king,

517

00:37:00,000 --> 00:37:07,000

most famously known for rebuilding and expanding the Babylonian Empire in the 6th century BC.

518

00:37:08,000 --> 00:37:17,000

His armies conquered Egypt, as well as ransacking and destroying Solomon's temple in 597 BC.

519

00:37:19,000 --> 00:37:25,000

Saddam Hussein went nuts. He believed he was the reincarnation of Nebuchadnezzar.

520

00:37:25,000 --> 00:37:33,000

So he ordered massive reconstruction of Babylon, which was done with bricks bearing his name on them.

521

00:37:37,000 --> 00:37:42,000

Everyone would come to respect the ancient Nebuchadnezzar and the new Nebuchadnezzar.

522

00:37:47,000 --> 00:37:51,000

The missing piece to the puzzle of why we went to war with Iraq

523

00:37:51,000 --> 00:37:59,000

is the understanding that Saddam Hussein sought to outdo what Nebuchadnezzar had accomplished in his earlier life.

524

00:38:00,000 --> 00:38:06,000

The ultimate accomplishment of Nebuchadnezzar was the opening of the fiery furnace.

525

00:38:07,000 --> 00:38:12,000

Nebuchadnezzar had gone to Jerusalem, looted and leveled the Temple of Solomon.

526

00:38:15,000 --> 00:38:19,000

And he brought the wise men of the temple back to Babylon with them.

527

00:38:21,000 --> 00:38:24,000

What happened in the story is absolutely amazing.

528

00:38:26,000 --> 00:38:30,000

These three wise men enter this fiery furnace.

529

00:38:32,000 --> 00:38:36,000

Not only did they come back out in perfect condition, they weren't alone.

530

00:38:37,000 --> 00:38:42,000

They came back with an extraterrestrial visitor in tow.

531

00:38:42,000 --> 00:38:48,000

In today's terms, we would obviously call this a stargate or a portal.

532

00:38:50,000 --> 00:38:51,000

Saddam knew this.

533

00:38:54,000 --> 00:38:59,000

Saddam Hussein's esoteric interests were probably like those of the Nazis.

534

00:39:00,000 --> 00:39:04,000

Aimed at uncovering some power, some technology, some relic

535

00:39:04,000 --> 00:39:09,000

that would enable him to become this world leader that he dreamed of being.

536

00:39:12,000 --> 00:39:17,000

There's one theory that the Iraq war was actually a war about a stargate.

537

00:39:19,000 --> 00:39:25,000

Saddam Hussein, so the theory goes, got access to this stargate, maybe threatened to use it.

538

00:39:25,000 --> 00:39:28,000

Was that why the Allied powers went in?

539

00:39:29,000 --> 00:39:33,000

It sounds far-fetched, but this theory is widely believed.

540

00:39:36,000 --> 00:39:44,000

Is it possible the United States military was pursuing more than weapons of mass destruction when they invaded Iran?

541

00:39:45,000 --> 00:39:52,000

Could something of great significance, perhaps a portal to another world, have been found amongst the chaos?

542

00:39:53,000 --> 00:40:00,000

And if there are truths about extraterrestrial involvement with our planet hidden in forbidden zones,

543

00:40:00,000 --> 00:40:05,000

just what would happen when the truth is finally revealed?

544

00:40:08,000 --> 00:40:16,000

With the knowledge that's coming into view now as we're reconstructing bit by bit, piece by piece, this tile mosaic of ancient history,

545

00:40:16,000 --> 00:40:21,000

we're gaining the ability to reconstruct the view of what really happened to us

546

00:40:21,000 --> 00:40:27,000

and what it means to be human and our relationship to the greater cosmos that's around us.

547

00:40:30,000 --> 00:40:35,000

If you believe in the extraterrestrial presence, it was always to kind of keep us down

548

00:40:35,000 --> 00:40:38,000

so that we wouldn't get that much knowledge.

549

00:40:39,000 --> 00:40:43,000

They want to keep us ignorant and fighting and greedy.

550

00:40:43,000 --> 00:40:48,000

It's very possible that we will never know what happened on this planet a long time ago.

551

00:40:49,000 --> 00:40:59,000

It's our own test and the reason why no official contact has taken place yet is because we ourselves are on the verge of destroying this planet.

552

00:41:00,000 --> 00:41:09,000

So my suggestion is we first have to learn how to interact with each other before being allowed to receive this knowledge.

553

00:41:14,000 --> 00:41:19,000

Is it possible that the perpetual violence experienced in certain parts of the world

554

00:41:20,000 --> 00:41:24,000

is more than just a consequence of political and religious conflict?

555

00:41:25,000 --> 00:41:31,000

Could it be that it is actually spurred on by extraterrestrial forces?

556

00:41:32,000 --> 00:41:38,000

Forces that are trying to hide the truth about mankind's origins?

557

00:41:39,000 --> 00:41:45,000

Perhaps once we approve that we can conquer our aggression and anger,

558

00:41:45,000 --> 00:41:53,000

we will be able to access this knowledge and join our creators in the stars.
