

1

00:00:00,716 --> 00:00:03,716

Everything in ancient Egyptians' world

2

00:00:03,716 --> 00:00:06,716

was revolving around these nine gods.

3

00:00:06,716 --> 00:00:09,716

The idea of a council of nine gods

4

00:00:09,716 --> 00:00:12,716

recurs over and over again throughout history.

5

00:00:12,716 --> 00:00:14,716

It's very possible that there's a group

6

00:00:14,716 --> 00:00:17,715

that oversees planet Earth.

7

00:00:17,715 --> 00:00:18,715

What is their agenda?

8

00:00:18,715 --> 00:00:21,715

Is it benevolent, or is there another agenda

9

00:00:21,715 --> 00:00:23,715

to control us?

10

00:00:23,715 --> 00:00:25,715

We might never know their ultimate purpose,

11

00:00:25,715 --> 00:00:27,715

but we should be very, very careful

12

00:00:27,715 --> 00:00:31,715

because if they don't like people challenging them,

13

00:00:31,715 --> 00:00:33,715

well, we're doomed.

14

00:00:33,715 --> 00:00:37,715

Since the dawn of civilization,

15

00:00:37,715 --> 00:00:41,715

mankind has credited its origins to gods

16

00:00:41,715 --> 00:00:44,715

and other visitors from the stars.

17

00:00:44,715 --> 00:00:47,715

What if it were true?

18

00:00:47,715 --> 00:00:52,714

Did extraterrestrial beings really help to shape our history?

19

00:00:52,714 --> 00:00:57,714

And if so, might our planet still be under the watchful eye

20

00:00:57,714 --> 00:01:03,714

of what some people refer to only as the mysterious nine?

21

00:01:22,713 --> 00:01:35,713

December 30, 2013

22

00:01:35,713 --> 00:01:38,713

In an international television news broadcast,

23

00:01:38,713 --> 00:01:41,713

former Canadian Minister of National Defense,

24

00:01:41,713 --> 00:01:44,713

Paul Helier, makes an astonishing statement.

25

00:01:44,713 --> 00:01:47,713

He claims to have knowledge that extraterrestrials

26

00:01:47,713 --> 00:01:49,713

are visiting the planet.

27

00:01:49,713 --> 00:01:53,713

Why do you say that UFOs are as real as the airplanes

28

00:01:53,713 --> 00:01:55,712

flying over our heads?

29

00:01:55,712 --> 00:01:57,712

Well, because I know that they are.

30

00:01:57,712 --> 00:02:02,712

And they've been visiting this planet for thousands of years.

31

00:02:02,712 --> 00:02:07,712

And there is what is called a federation of these people,

32

00:02:07,712 --> 00:02:09,712

and they have rules.

33

00:02:09,712 --> 00:02:12,712

The interview sent shockwaves through the media

34

00:02:12,712 --> 00:02:14,712

to the media.

35

00:02:14,712 --> 00:02:17,712

Viewers questioned why a high-level official

36

00:02:17,712 --> 00:02:19,712

would make such an announcement.

37

00:02:19,712 --> 00:02:25,712

Paul Helier first came forward in 2005,

38

00:02:25,712 --> 00:02:28,711

but it wasn't until January of 2014

39

00:02:28,711 --> 00:02:31,711

that his story truly went viral.

40

00:02:31,711 --> 00:02:34,711

I gave me the dubious distinction

41

00:02:34,711 --> 00:02:36,711

of being the first person of cabinet rank

42

00:02:36,711 --> 00:02:38,711

in the G8 Group of 2014.

43

00:02:38,711 --> 00:02:42,711

I was the first person to be in the G8 Group of 2014.

44

00:02:42,711 --> 00:02:45,711

But I gave me the dubious distinction of being the first person

45

00:02:45,711 --> 00:02:48,711

of cabinet rank in the G8 Group of 2014.

46

00:02:48,711 --> 00:02:51,711

Without reservation, UFOs are real.

47

00:02:51,711 --> 00:02:53,711

And you have to accept them as being real.

48

00:02:53,711 --> 00:02:55,711

This is difficult territory.

49

00:02:55,711 --> 00:02:58,711

But I understand, there's a federation

50

00:02:58,711 --> 00:03:04,710

that is monitoring us most closely and keeping tabs on us.

51

00:03:04,710 --> 00:03:09,710

Could there be truth to Helier's statements?

52

00:03:09,710 --> 00:03:13,650

of extraterrestrials overseeing Earth.

53

00:03:13,650 --> 00:03:18,190

But if so, what is the evidence behind such astounding claims?

54

00:03:21,290 --> 00:03:28,070

Edgwood Arsenal, Chesapeake Bay, Maryland, 1952.

55

00:03:28,070 --> 00:03:30,710

As part of a secret government program

56

00:03:30,710 --> 00:03:35,069

termed Project Penguin, medical doctor and psychiatrist

57

00:03:35,829 --> 00:03:39,709

Andrea Pujaric set up a special laboratory

58

00:03:39,709 --> 00:03:42,109

where psychics and military personnel

59

00:03:42,109 --> 00:03:45,309

gathered to investigate psychological manipulation

60

00:03:45,309 --> 00:03:48,709

and hallucinogenic drugs.

61

00:03:48,709 --> 00:03:51,909

Perhaps one of the most compelling and controversial

62

00:03:51,909 --> 00:03:55,869

aspects of Pujaric's research was channeling,

63

00:03:55,869 --> 00:03:59,949

which involved making contact with non-physical beings

64

00:03:59,949 --> 00:04:03,229

through the use of psychics.

65

00:04:03,229 --> 00:04:04,589

It's very important to me understand

66

00:04:04,589 --> 00:04:07,468

that this was a serious scientific endeavor.

67

00:04:07,468 --> 00:04:11,308

No candles or holy water, any of that was used.

68

00:04:11,308 --> 00:04:16,428

Barrage use, good ferriday cage, a copper room

69

00:04:16,428 --> 00:04:18,748

that was specially insulated according to US naval

70

00:04:18,748 --> 00:04:20,348

standards.

71

00:04:20,348 --> 00:04:23,628

It would prohibit mid-level electromagnetic waves

72

00:04:23,628 --> 00:04:25,628

and electrostatic.

73

00:04:25,628 --> 00:04:28,548

In this ferriday cage, individuals

74

00:04:28,548 --> 00:04:33,588

would relax and allow the mine over matter signal

75

00:04:33,588 --> 00:04:34,548

to take place.

76

00:04:38,307 --> 00:04:44,627

In December 1952, Pujaric invited Hindu mystic and doctor,

77

00:04:44,627 --> 00:04:49,707

D.G. Vinod, to one of these channeling sessions.

78

00:04:49,707 --> 00:04:53,627

During the experiment, Vinod went into a deep trance

79

00:04:53,627 --> 00:04:58,107

and made contact with a group of entities called the Nine.

80

00:04:58,107 --> 00:05:01,267

At the very beginning, they just announced themselves

81

00:05:01,267 --> 00:05:03,267

as nine principles of the universe.

82

00:05:03,267 --> 00:05:05,307

Well, that's pretty big to start with.

83

00:05:05,307 --> 00:05:08,187

But nevertheless, they said they were extraterrestrials.

84

00:05:08,187 --> 00:05:11,306

They were forces from beyond.

85

00:05:11,306 --> 00:05:15,306

The Nine said that they were an eternal presence,

86

00:05:15,306 --> 00:05:19,146

that they had been watching humanity from the very

87

00:05:19,146 --> 00:05:23,706

beginning, and that they were gods, guides.

88

00:05:23,706 --> 00:05:26,866

And this was what particularly interested Pujaric,

89

00:05:26,866 --> 00:05:30,226

the idea that if they are gods, they of course

90

00:05:30,266 --> 00:05:31,466

have wisdom.

91

00:05:31,466 --> 00:05:35,066

And Pujaric wanted to ask for guidance.

92

00:05:35,066 --> 00:05:38,786

The Nine came up with a number of different messages

93

00:05:38,786 --> 00:05:43,065

involving there being guardians for the human race,

94

00:05:43,065 --> 00:05:45,385

creators even.

95

00:05:45,385 --> 00:05:47,545

Pujaric, he said, what is your name?

96

00:05:47,545 --> 00:05:49,185

Who are you?

97

00:05:49,185 --> 00:05:52,505

And that was the great revelation,

98

00:05:52,505 --> 00:05:57,225

because the being said, I am atom.

99

00:05:57,265 --> 00:06:02,865

An atom was the great father god of ancient Egypt.

100

00:06:02,865 --> 00:06:06,625

And introducing not only the nine principles,

101

00:06:06,625 --> 00:06:10,385

but the nine great gods or the ennird of ancient Egypt.

102

00:06:13,545 --> 00:06:16,064

Is it possible that Pujaric actually

103

00:06:16,064 --> 00:06:20,864

made contact with the nine great gods of Egypt?

104

00:06:20,864 --> 00:06:24,184

Could this be evidence of a longstanding federation

105

00:06:24,224 --> 00:06:29,504

of extraterrestrials overseen earthly affairs?

106

00:06:29,504 --> 00:06:32,504

But if so, just who were these beings?

107

00:06:36,624 --> 00:06:42,024

Heliopolis Cairo, known as the Sun City.

108

00:06:42,024 --> 00:06:45,064

This is one of the oldest and most sacred sites

109

00:06:45,064 --> 00:06:47,184

of ancient Egypt.

110

00:06:47,184 --> 00:06:51,343

Although mostly destroyed, an obelisk remains,

111

00:06:51,383 --> 00:06:54,703

marking the spot where the temple of the sun god,

112

00:06:54,703 --> 00:06:57,623

Atum, once stood.

113

00:06:57,623 --> 00:07:01,743

Here, the ancient pharaohs would connect to the Enniad,

114

00:07:01,743 --> 00:07:03,823

a council of nine deities who were

115

00:07:03,823 --> 00:07:08,943

said to have brought technology and knowledge to mankind.

116

00:07:08,943 --> 00:07:13,503

According to Egyptian hieroglyphs, consultation with Enniad

117

00:07:13,503 --> 00:07:15,983

was chief among the pharaoh's duties

118

00:07:15,983 --> 00:07:18,383

and critical to the success of the nation.

119

00:07:19,383 --> 00:07:24,382

Heliopolis was the Vatican of ancient Egypt.

120

00:07:24,382 --> 00:07:27,382

This was the seat, the home, if you like,

121

00:07:27,382 --> 00:07:31,382

the abode of the famous Enniad, the nine gods,

122

00:07:31,382 --> 00:07:35,382

that ruled from the sky and governed Egypt

123

00:07:35,382 --> 00:07:37,382

from a place in the sky.

124

00:07:37,382 --> 00:07:42,382

The Enniad started with god Atum,

125

00:07:42,382 --> 00:07:45,382

the god of the solar disk.

126

00:07:46,382 --> 00:07:49,382

God Shoe, the god of the wind.

127

00:07:51,382 --> 00:07:55,381

And goddess Tifnut, the goddess of the water.

128

00:07:57,381 --> 00:08:00,381

God Geb, the god of the land.

129

00:08:01,381 --> 00:08:05,381

And goddess Nute, the goddess of the sky.

130

00:08:06,381 --> 00:08:09,381

Isis, the mother to all the kings.

131

00:08:09,381 --> 00:08:12,381

God Osiris, the god of good.

132

00:08:15,381 --> 00:08:18,381

God Seth, the god of evil.

133

00:08:19,381 --> 00:08:23,381

And goddess Niftis, the goddess up there.

134

00:08:27,380 --> 00:08:29,380

Everything in ancient Egyptians' world

135

00:08:29,380 --> 00:08:32,380

was revolving around these nine gods.

136

00:08:34,380 --> 00:08:37,380

So the pharaoh of Egypt would have to consult

137

00:08:37,380 --> 00:08:40,380

with the nine gods that Enniad,

138

00:08:40,380 --> 00:08:42,380

with every aspect in life,

139

00:08:42,380 --> 00:08:45,380

would make sure he is doing the right thing.

140

00:08:45,380 --> 00:08:49,380

And every ancient Egyptian local would have their full trust

141

00:08:49,380 --> 00:08:54,380

that anything coming out from the mouth of the king

142

00:08:54,380 --> 00:08:57,380

is the word of God,

143

00:08:57,380 --> 00:08:59,379

because he already heard it.

144

00:09:00,379 --> 00:09:03,379

The pharaoh was the special emissary to the gods.

145

00:09:03,379 --> 00:09:06,379

And therefore the gods were able to speak

146

00:09:06,379 --> 00:09:08,379

directly through the pharaoh.

147

00:09:08,379 --> 00:09:11,379

A case can be made that the pharaoh allowing the gods

148

00:09:11,379 --> 00:09:15,379

in to speak through him is similar to the channeling

149

00:09:15,379 --> 00:09:17,379

that is done through mediums today.

150

00:09:18,379 --> 00:09:23,379

Nine other worldly beings speaking through the pharaoh?

151

00:09:24,379 --> 00:09:27,379

Might the modern-day channeling sessions with the nine

152

00:09:27,379 --> 00:09:30,379

conducted during the secret military experiments

153

00:09:30,379 --> 00:09:32,378

in the 1950s,

154

00:09:32,378 --> 00:09:36,378

be mirroring those experienced by the ancient Egyptians.

155

00:09:36,378 --> 00:09:40,378

The Enniad were actually extraterrestrial beings

156

00:09:40,378 --> 00:09:44,378

here to administer and guide human affairs.

157

00:09:44,378 --> 00:09:49,378

The pyramid texts tell us that Atum came from Sirius.

158

00:09:49,378 --> 00:09:52,378

It's quite fascinating to contemplate the possibility

159

00:09:52,378 --> 00:09:57,378

that Dr. Puharic was part of a long line of initiates

160

00:09:57,378 --> 00:10:00,378

who were contacted by the Enniad.

161

00:10:00,378 --> 00:10:02,378

The rulers and the presidents and the kings

162

00:10:02,378 --> 00:10:04,377

and the queens throughout history

163

00:10:04,377 --> 00:10:08,377

always have these stories of consulting higher forces.

164

00:10:09,377 --> 00:10:12,377

Could we still have these extraterrestrial

165

00:10:12,377 --> 00:10:16,377

or pan-dimensional overlords existing today

166

00:10:16,377 --> 00:10:21,377

that are guiding the rulers of various nations?

167

00:10:22,377 --> 00:10:26,377

Could it really be that Puharic inadvertently made contact

168

00:10:26,377 --> 00:10:29,377

with the same beings that were consulted

169

00:10:29,377 --> 00:10:32,377

by the ancient Egyptian pharaohs?

170

00:10:33,377 --> 00:10:36,376

And might these be the extraterrestrials

171

00:10:36,376 --> 00:10:39,376

that former Canadian defense minister, Paul Hellyer,

172

00:10:39,376 --> 00:10:42,376

was referring to?

173

00:10:42,376 --> 00:10:45,376

Perhaps more evidence can be found in numerous accounts

174

00:10:45,376 --> 00:10:50,376

from across the globe of otherworldly councils of nine.

175

00:10:51,376 --> 00:10:53,376

Coming up...

176

00:10:53,376 --> 00:10:56,376

These extraterrestrial beings are turning up again and again

177

00:10:56,376 --> 00:10:58,376

in human history.

178

00:10:58,376 --> 00:11:01,376

These are gods who are deeply and fundamentally

179

00:11:01,376 --> 00:11:03,376

involved in humans' lives.

180

00:11:06,376 --> 00:11:11,375

South East Asia

181

00:11:11,375 --> 00:11:16,375

Every year during the 9th lunar month of the Chinese calendar,

182

00:11:16,375 --> 00:11:19,375

thousands of Taoists throughout the region celebrate

183

00:11:19,375 --> 00:11:26,375

a 2,000-year-old tradition called the Nine Emperor Gods Festival.

184

00:11:30,375 --> 00:11:33,375

The Nine Emperor Gods Festival is a very, very important festival

185

00:11:33,375 --> 00:11:37,375

in Southeast Asian Chinese communities.

186

00:11:39,375 --> 00:11:43,374

And it revolves around a carnival-like ritual

187

00:11:43,374 --> 00:11:46,374

that takes place for nine full days.

188

00:11:47,374 --> 00:11:50,374

The point of this festival is to summon

189

00:11:50,374 --> 00:11:53,374

the very, very powerful Nine Emperor Gods.

190

00:11:55,374 --> 00:11:58,374

Because they're seen as residing up in the skies.

191

00:12:04,374 --> 00:12:07,374

The Nine Skylords are believed by Taoists

192

00:12:07,374 --> 00:12:10,374

to have been the original rulers of China

193

00:12:10,374 --> 00:12:14,373

and the offspring of the supreme god of creation.

194

00:12:16,373 --> 00:12:19,373

According to legend, the Nine Emperor Gods

195

00:12:19,373 --> 00:12:22,373

come from the nine stars that make up the Big Dipper,

196

00:12:22,373 --> 00:12:27,373

seven of which are visible and two that are invisible.

197

00:12:28,373 --> 00:12:32,373

They are tasked with controlling the universe

198

00:12:32,373 --> 00:12:35,373

and keeping order on Earth.

199

00:12:38,373 --> 00:12:41,373

There are typically about nine spirit mediums

200

00:12:41,373 --> 00:12:45,373

who enter a trance and then channel these gods

201

00:12:46,372 --> 00:12:50,372

to bring them down and to keep them very content and happy.

202

00:12:51,372 --> 00:12:53,372

The reason why it's crucial to keep them happy

203

00:12:53,372 --> 00:12:55,372

is because they keep an account,

204

00:12:55,372 --> 00:12:58,372

a record of everything that happens on Earth.

205

00:12:58,372 --> 00:13:00,372

They control human destiny.

206

00:13:01,372 --> 00:13:03,372

At the end of the nine days,

207

00:13:03,372 --> 00:13:05,372

when the festival reaches its climax,

208

00:13:05,372 --> 00:13:09,372

the gods eventually return to the stars from which they came.

209

00:13:13,372 --> 00:13:17,372

Curiously, this idea of nine gods or overlords

210

00:13:17,372 --> 00:13:22,371

watching over Earth can be found in cultures throughout the world.

211

00:13:25,371 --> 00:13:29,371

The Aztecs of Mesoamerica were known to worship nine gods

212

00:13:29,371 --> 00:13:32,371

called the Lords of the Night.

213

00:13:34,371 --> 00:13:36,371

In the Norse tradition,

214

00:13:36,371 --> 00:13:40,371

nine gods survived the Ragnarok or Earthly Destruction.

215

00:13:42,371 --> 00:13:44,371

According to Buddhist legend,

216

00:13:44,371 --> 00:13:48,371

the Emperor Ashoka consulted with a secret society

217

00:13:48,371 --> 00:13:50,371

called the Nine Unknown Man

218

00:13:50,371 --> 00:13:54,370

who were said to possess the knowledge of the universe.

219

00:13:55,370 --> 00:14:00,370

The ancient Etruscans of Italy also believed in nine gods

220

00:14:00,370 --> 00:14:04,370

that could be persuaded to influence the fate of mankind.

221

00:14:06,370 --> 00:14:08,370

And in Greek mythology,

222

00:14:08,370 --> 00:14:13,370

Zeus led a council of nine gods created to oversee humanity.

223

00:14:16,370 --> 00:14:19,370

The canonical Olympian gods are imagined to be about 12,

224

00:14:19,370 --> 00:14:23,370

and they have a sort of governing body as well.

225

00:14:23,370 --> 00:14:25,369

And so they have a council.

226

00:14:26,369 --> 00:14:29,369

For the most part, the nine most important gods are there.

227

00:14:29,369 --> 00:14:32,369

Sitting at the top of that is Zeus.

228

00:14:32,369 --> 00:14:36,369

These make up sort of the power structure of the heavens.

229

00:14:36,369 --> 00:14:40,369

And they occasionally meet to determine

230

00:14:40,369 --> 00:14:42,369

what they're going to do about mankind.

231

00:14:44,369 --> 00:14:46,369

Zeus created the council of nine,

232

00:14:46,369 --> 00:14:51,369

and this was Aphrodite, Apollo, Athena, Demeter,

233

00:14:51,369 --> 00:14:55,369

Hephaestus, Hera, Hermes, Poseidon, and Zeus himself.

234

00:14:58,368 --> 00:15:01,368

And these are the gods that then could interact with humans,

235

00:15:01,368 --> 00:15:03,368

I guess, to keep this in line.

236

00:15:07,368 --> 00:15:10,368

These are gods who are deeply and fundamentally

237

00:15:10,368 --> 00:15:12,368

evolved in humans' lives,

238

00:15:12,368 --> 00:15:15,368

and the gods occasionally have to clean things up.

239

00:15:16,368 --> 00:15:19,368

And so there's a few times in the mythological tradition

240

00:15:19,368 --> 00:15:23,368

we hear about the gods deciding, rather like we hear in Genesis,

241

00:15:23,368 --> 00:15:25,368

that they're going to wipe the slate clean

242

00:15:25,368 --> 00:15:29,367

and just start new entirely with a brand new human race.

243

00:15:32,367 --> 00:15:36,367

Is it purely coincidence that so many ancient cultures,

244

00:15:36,367 --> 00:15:38,367

separated by thousands of miles,

245

00:15:38,367 --> 00:15:42,367

all worship a group of nine gods?

246

00:15:43,367 --> 00:15:47,367

And could it be that these beings were not gods,

247

00:15:47,367 --> 00:15:49,367

but extraterrestrial visitors,

248

00:15:49,367 --> 00:15:52,367

as ancient astronaut theorists believe?

249

00:15:52,367 --> 00:15:55,367

Visitors that are working behind the scenes

250

00:15:55,367 --> 00:15:58,367

and still watching over us today?

251

00:15:59,367 --> 00:16:02,366

I'm always asked about ancient astronauts.

252

00:16:02,366 --> 00:16:06,366

Why did they leave? How come they are not here anymore?

253

00:16:06,366 --> 00:16:09,366

And personally, I never said that they left.

254

00:16:09,366 --> 00:16:12,366

I think they've arrived and they've stayed.

255

00:16:12,366 --> 00:16:15,366

And so that plays into the whole idea

256

00:16:15,366 --> 00:16:21,366

that we are this ongoing project by extraterrestrial species

257

00:16:21,366 --> 00:16:26,366

and that they are observing us, have observed us, from afar.

258

00:16:26,366 --> 00:16:29,366

Because according to the creation stories,

259

00:16:29,366 --> 00:16:31,366

we are their offspring.

260

00:16:31,366 --> 00:16:34,365

So if the council exists,

261

00:16:34,365 --> 00:16:38,365

they are here to observe their creation.

262

00:16:41,365 --> 00:16:43,365

The idea of a council of gods,

263

00:16:43,365 --> 00:16:45,365

especially nine gods,

264

00:16:45,365 --> 00:16:48,365

recurs over and over again throughout history.

265

00:16:49,365 --> 00:16:53,365

People today claim that they're in contact with a divine council.

266

00:16:54,365 --> 00:16:56,365

When you look at this, you have to ask,

267

00:16:56,365 --> 00:16:59,365

is it possible that these are actually the same group

268

00:16:59,365 --> 00:17:03,365

of extraterrestrial beings that are turning up again and again

269

00:17:03,365 --> 00:17:06,365

in human history, and that in fact,

270

00:17:06,365 --> 00:17:10,364

they may have a long term or long range plan for humanity?

271

00:17:11,364 --> 00:17:14,364

Might it be that these nine gods,

272

00:17:14,364 --> 00:17:17,364

found across various cultures throughout the globe,

273

00:17:17,364 --> 00:17:20,364

are in fact the same beings?

274

00:17:20,364 --> 00:17:25,364

And if so, does this give credibility to the claims of contact

275

00:17:25,364 --> 00:17:30,364

during military experiments conducted in the 1950s?

276

00:17:33,364 --> 00:17:35,364

All around the world,

277

00:17:35,364 --> 00:17:39,364

in a remarkably cross-cultural way, we get the nine.

278

00:17:41,363 --> 00:17:45,363

And when Pujaric started channeling,

279

00:17:45,363 --> 00:17:47,363

the nine cropped up again.

280

00:17:47,363 --> 00:17:48,363

Coincidence?

281

00:17:48,363 --> 00:17:51,363

Or was he accessing something that has been with us

282

00:17:51,363 --> 00:17:53,363

since the dawn of time?

283

00:17:54,363 --> 00:17:58,363

Does this notion of an otherworldly council of nine

284

00:17:58,363 --> 00:18:01,363

that is found in so many ancient cultures

285

00:18:01,363 --> 00:18:05,363

provide proof that there really are alien overlords

286

00:18:05,363 --> 00:18:09,363

that have been steering the course of humanity?

287

00:18:10,363 --> 00:18:13,362

Ancient astronaut theorists say yes

288

00:18:13,362 --> 00:18:17,362

and claim that incredibly physical evidence of this

289

00:18:17,362 --> 00:18:22,362

can be found not on Earth, but circling high above it.

290

00:18:25,362 --> 00:18:26,362

Coming up.

291

00:18:26,362 --> 00:18:29,362

This is something that has a dark, streamlined,

292

00:18:29,362 --> 00:18:31,362

technological appearance.

293

00:18:31,362 --> 00:18:34,362

This is an extraterrestrial satellite

294

00:18:34,362 --> 00:18:37,362

that has been monitoring planet Earth.

295

00:18:40,362 --> 00:18:44,362

MUSIC

296

00:18:44,362 --> 00:18:47,361

December, 1998.

297

00:18:48,361 --> 00:18:52,361

During the assembly of the International Space Station,

298

00:18:52,361 --> 00:18:58,361

U.S. astronauts spot a large unidentified item orbiting the Earth.

299

00:18:58,361 --> 00:19:01,361

They take photographs of the mysterious object

300

00:19:01,361 --> 00:19:04,361

and post them on the NASA website.

301

00:19:06,361 --> 00:19:09,361

When you actually look at the photographs of the object,

302

00:19:09,361 --> 00:19:12,361

it very obviously looks artificial.

303

00:19:12,361 --> 00:19:14,361

This is not a meteor.

304

00:19:14,361 --> 00:19:17,360

This is not a chunk of rock.

305

00:19:17,360 --> 00:19:20,360

This is something that has a dark, streamlined,

306

00:19:20,360 --> 00:19:22,360

technological appearance,

307

00:19:22,360 --> 00:19:25,360

almost like some of the stealth aircraft that we've built,

308

00:19:25,360 --> 00:19:29,360

with a kind of bent nose in the front, sort of like a hawk.

309

00:19:34,360 --> 00:19:38,360

Curiously, NASA officials quickly remove the photos.

310

00:19:39,360 --> 00:19:42,360

And claim the object was space debris,

311

00:19:42,360 --> 00:19:45,360

most likely a thermal blanket,

312

00:19:45,360 --> 00:19:48,360

inadvertently released from the space station.

313

00:19:48,360 --> 00:19:52,359

But some independent researchers are not convinced

314

00:19:52,359 --> 00:19:56,359

and suggest that it might be the latest evidence

315

00:19:56,359 --> 00:19:58,359

of the Black Knight satellite

316

00:19:58,359 --> 00:20:01,359

that first made headlines three years before

317

00:20:01,359 --> 00:20:05,359

the first man-made satellite was launched into orbit.

318

00:20:06,359 --> 00:20:10,359

In 1954, both the San Francisco Examiner

319

00:20:10,359 --> 00:20:12,359

and the Aviation Week Journal

320

00:20:12,359 --> 00:20:15,359

published articles detailing what appeared to be

321

00:20:15,359 --> 00:20:18,359

artificial satellites orbiting the Earth.

322

00:20:22,358 --> 00:20:24,358

It really shocked a lot of people

323

00:20:24,358 --> 00:20:27,358

because although the concept of satellites were known,

324

00:20:27,358 --> 00:20:30,358

nobody on the planet was flying a satellite.

325

00:20:31,358 --> 00:20:35,358

The story really takes off with a man named Major Donald Keyhoe.

326

00:20:35,358 --> 00:20:37,358

He was formerly with the U.S. military

327

00:20:37,358 --> 00:20:40,358

and wrote a number of books on UFOs.

328

00:20:41,358 --> 00:20:44,358

One of the things that Keyhoe wrote about

329

00:20:44,358 --> 00:20:48,358

was how supposedly a number of military insiders had told him

330

00:20:48,358 --> 00:20:51,358

that the U.S. military was tracking one or two

331

00:20:51,358 --> 00:20:55,357

unknown satellites of extraordinary size in Earth orbit.

332

00:20:55,357 --> 00:20:57,357

Nobody knew what they were.

333

00:20:57,357 --> 00:20:59,357

This was long before Sputnik,

334

00:20:59,357 --> 00:21:02,357

the first satellite launched by the Russians,

335

00:21:02,357 --> 00:21:06,357

and it gave rise to the idea that it was extraterrestrial.

336

00:21:10,357 --> 00:21:13,357

The United States Department of Defense

337

00:21:13,357 --> 00:21:15,357

was said to have recruited the assistance

338

00:21:15,357 --> 00:21:19,357

of astronomer Clyde W. Tombow in 1953

339

00:21:19,357 --> 00:21:22,357

to identify this strange object.

340

00:21:22,357 --> 00:21:26,357

However, his conclusions were never made public.

341

00:21:27,357 --> 00:21:31,356

Based on its appearance on radar in the 1960s,

342

00:21:31,356 --> 00:21:34,356

scientists estimated that the mystery satellite

343

00:21:34,356 --> 00:21:36,356

weighed over 10 tons.

344

00:21:36,356 --> 00:21:39,356

It was not only several times larger

345

00:21:39,356 --> 00:21:41,356

than anything worldwide space programs

346

00:21:41,356 --> 00:21:43,356

were capable of launching,

347

00:21:43,356 --> 00:21:47,356

but it also seemed to be traveling in an artificial orbit,

348

00:21:47,356 --> 00:21:51,356

circling the Earth from pole to pole.

349

00:21:52,356 --> 00:21:55,356

The Black Knight is said to be in a polar orbit,

350

00:21:55,356 --> 00:21:57,356

which is what you would do if you wanted to cover

351

00:21:57,356 --> 00:22:00,355

the entire planet Earth as it rotated underneath you.

352

00:22:00,355 --> 00:22:02,355

Weather satellites,

353

00:22:02,355 --> 00:22:05,355

spy satellites are commonly put into this polar orbit

354

00:22:05,355 --> 00:22:07,355

in order to cover the entire surface of the Earth.

355

00:22:07,355 --> 00:22:11,355

This implies that it is an unnatural object.

356

00:22:13,355 --> 00:22:16,355

What's particularly intriguing about this satellite

357

00:22:16,355 --> 00:22:18,355

is it's not one of ours.

358

00:22:18,355 --> 00:22:21,355

In other words, the theory is that this is

359

00:22:21,355 --> 00:22:24,355

an extraterrestrial satellite

360

00:22:24,355 --> 00:22:27,355

that has perhaps been monitoring planet Earth

361

00:22:27,355 --> 00:22:29,355

for thousands of years.

362

00:22:32,355 --> 00:22:35,354

In the 1930s, ham radio operators

363

00:22:35,354 --> 00:22:40,354

claimed they were picking up radio signals from outer space.

364

00:22:40,354 --> 00:22:43,354

And Nikola Tesla himself claimed

365

00:22:43,354 --> 00:22:46,354

that he was picking up radio signals

366

00:22:46,354 --> 00:22:48,354

from Mars.

367

00:22:48,354 --> 00:22:50,354

So you have to wonder,

368

00:22:50,354 --> 00:22:53,354

were ham radio operators and even Nikola Tesla

369

00:22:53,354 --> 00:22:55,354

somehow picking up signals

370

00:22:55,354 --> 00:22:59,354

from this extraterrestrial ship orbiting our planet?

371

00:23:02,354 --> 00:23:05,353

A ham radio operator was able to decipher this signal

372

00:23:05,353 --> 00:23:08,353

and create a matrix grid of individual dots

373

00:23:08,353 --> 00:23:10,353

that were either white or black.

374

00:23:10,353 --> 00:23:12,353

When he looked at this grid,

375

00:23:12,353 --> 00:23:15,353

he concluded that it was a map of the epicentriion

376

00:23:15,353 --> 00:23:19,353

that was a map of the Epsilon Boots constellation,

377

00:23:19,353 --> 00:23:23,353

positioned where it would have been 13,000 years ago.

378

00:23:27,353 --> 00:23:31,353

Might this mysterious object actually have traveled to Earth

379

00:23:31,353 --> 00:23:34,353

13,000 years ago?

380

00:23:34,353 --> 00:23:39,352

And if so, was it put into orbit by extraterrestrials

381

00:23:39,352 --> 00:23:42,352

in order to observe Earth?

382

00:23:42,352 --> 00:23:45,352

Ancient astronaut theorists say yes

383

00:23:45,352 --> 00:23:49,352

and suggest that descriptions of an extraterrestrial satellite

384

00:23:49,352 --> 00:23:53,352

can even be found thousands of years ago

385

00:23:53,352 --> 00:23:58,352

in the Hebrew texts known as the Apocalypse of Baruch.

386

00:24:02,352 --> 00:24:05,352

The Apocalypse of Baruch is one of the best

387

00:24:05,352 --> 00:24:09,352

ancient astronaut stories in existence

388

00:24:09,352 --> 00:24:13,351

because it describes an eyewitness account

389

00:24:13,351 --> 00:24:15,351

of a satellite orbiting the Earth.

390

00:24:15,351 --> 00:24:21,351

Baruch describes how he sees a magnificent bird

391

00:24:21,351 --> 00:24:24,351

that watched the happenings on the planet.

392

00:24:24,351 --> 00:24:29,351

And from time to time, this bird would extend its wings

393

00:24:29,351 --> 00:24:34,351

to glean or to gather the power of the sun

394

00:24:34,351 --> 00:24:36,351

and after flying around,

395

00:24:36,351 --> 00:24:41,351

that bird would be so exhausted it would retract its wings.

396

00:24:41,351 --> 00:24:45,350

If we look at today's satellites in space,

397

00:24:45,350 --> 00:24:47,350

it's the same story.

398

00:24:47,350 --> 00:24:50,350

We have solar cells on wings that can extend

399

00:24:50,350 --> 00:24:52,350

and then they can retract at will.

400

00:24:52,350 --> 00:24:57,350

So what if Baruch witnessed something similar?

401

00:24:57,350 --> 00:25:03,350

Baruch himself said that this is the guardian of the Earth.

402

00:25:06,350 --> 00:25:11,350

Might the mythological bird described in the Apocalypse of Baruch

403

00:25:11,350 --> 00:25:15,350

have actually been an observational satellite?

404

00:25:15,350 --> 00:25:18,349

Could this be proof that extraterrestrials

405

00:25:18,349 --> 00:25:22,349

have been keeping watch over Earth for thousands of years,

406

00:25:22,349 --> 00:25:26,349

as some ancient astronaut theorists suggest?

407

00:25:26,349 --> 00:25:30,349

And if so, do they pose a threat?

408

00:25:30,349 --> 00:25:33,349

Perhaps additional clues can be found

409

00:25:33,349 --> 00:25:38,349

by exploring the rumors of an alien encounter at the White House.

410

00:26:03,348 --> 00:26:05,348

Dr. Marshall N. Chaplin,

411

00:26:05,348 --> 00:26:08,348

who had top-secret security clearance at the Pentagon.

412

00:26:08,348 --> 00:26:13,348

Dr. Frank Stranges is introduced to an extraterrestrial being

413

00:26:13,348 --> 00:26:15,348

named Valiant Thor,

414

00:26:15,348 --> 00:26:19,348

who is secretly working with the United States government.

415

00:26:19,348 --> 00:26:24,347

Stranges later goes public with the shocking allegations

416

00:26:24,347 --> 00:26:28,347

in his groundbreaking book, Stranger at the Pentagon.

417

00:26:28,347 --> 00:26:35,347

Dr. Frank Stranges said that on March 16, 1957,

418

00:26:35,347 --> 00:26:39,347

Valiant Thor arrived in a scout ship,

419

00:26:39,347 --> 00:26:43,347

which landed in Alexandria, Virginia,

420

00:26:43,347 --> 00:26:46,347

in an agricultural field at 8 a.m.

421

00:26:46,347 --> 00:26:49,347

The police were the first on the scene,

422

00:26:49,347 --> 00:26:51,347

and they had a conversation with him.

423

00:26:51,347 --> 00:26:55,346

He wanted to meet with President Eisenhower,

424

00:26:55,346 --> 00:26:57,346

so they took him through the Pentagon,

425

00:26:57,346 --> 00:27:00,346

where he met with the Secretary of Defense.

426

00:27:00,346 --> 00:27:02,346

Once that was cleared,

427

00:27:02,346 --> 00:27:04,346

they brought him over to the Oval Office

428

00:27:04,346 --> 00:27:09,346

to meet with Eisenhower, Nixon, and all the Joint Chiefs.

429

00:27:10,346 --> 00:27:14,346

Stranges' account was backed up by Harley Bird,

430

00:27:14,346 --> 00:27:17,346

the nephew of Admiral Richard E. Bird,

431

00:27:17,346 --> 00:27:24,346

who worked for the Department of Defense from 1957 to 1963.

432

00:27:24,346 --> 00:27:27,345

Bird was assigned to Project Blue Book,

433

00:27:27,345 --> 00:27:32,345

the secret military program that investigated UFO reports,

434

00:27:32,345 --> 00:27:37,345

and he wrote the forward to Stranges' book.

435

00:27:37,345 --> 00:27:39,345

There had been face-to-face meetings

436

00:27:39,345 --> 00:27:41,345

between United States officials

437

00:27:41,345 --> 00:27:46,345

and people from other star systems, period.

438

00:27:46,345 --> 00:27:48,345

The best evidence that I think there is

439

00:27:48,345 --> 00:27:51,345

is the case of Valiant Thor

440

00:27:51,345 --> 00:27:54,345

and his visit to the Capitol in the U.S.

441

00:27:54,345 --> 00:27:58,345

He remained in the United States for three years

442

00:27:58,345 --> 00:28:01,344

and did a multitude of things there,

443

00:28:01,344 --> 00:28:03,344

communicating with various people

444

00:28:03,344 --> 00:28:06,344

and discussing the state of affairs

445

00:28:06,344 --> 00:28:09,344

in the United States and in the cosmos.

446

00:28:09,344 --> 00:28:11,344

According to accounts,

447

00:28:11,344 --> 00:28:15,344

Valiant Thor had been sent to Earth by the High Council

448

00:28:15,344 --> 00:28:19,344

to intervene on behalf of the intergalactic community.

449

00:28:21,344 --> 00:28:24,344

They were worried because our nuclear capabilities

450

00:28:24,344 --> 00:28:28,344

had become an interstellar concern.

451

00:28:28,344 --> 00:28:32,343

The story goes that Valiant Thor had contact

452

00:28:32,343 --> 00:28:35,343

with high-level members of the U.S. government

453

00:28:35,343 --> 00:28:38,343

and the military, including the Joint Chiefs of Staff,

454

00:28:38,343 --> 00:28:41,343

essentially giving a friendly warning that,

455

00:28:41,343 --> 00:28:43,343

hey, if you don't disarm your nuclear weapons

456

00:28:43,343 --> 00:28:45,343

and if the Russians don't,

457

00:28:45,343 --> 00:28:48,343

it's all going to end in complete destruction for everybody

458

00:28:48,343 --> 00:28:51,343

and the obliteration of the human race.

459

00:28:51,343 --> 00:28:55,343

And Thor wasn't some sort of bullying-type character.

460

00:28:55,343 --> 00:28:58,343

He wanted the people of Earth to understand

461

00:28:58,343 --> 00:29:03,343

and take action themselves rather than being forced into it.

462

00:29:03,343 --> 00:29:06,342

The story actually sounds quite like the scenario

463

00:29:06,342 --> 00:29:09,342

presented in the 1951 movie

464

00:29:09,342 --> 00:29:11,342

The Day the Earth Stood Still,

465

00:29:11,342 --> 00:29:13,342

very, very similar scenario.

466

00:29:13,342 --> 00:29:19,342

As outlandish as the claims seem to be,

467

00:29:19,342 --> 00:29:23,342

photographs have surfaced of Thor meeting with top officials,

468

00:29:23,342 --> 00:29:27,342

and no one has stepped forward to dispute them.

469

00:29:27,342 --> 00:29:30,342

Even members of President Eisenhower's family,

470

00:29:30,342 --> 00:29:34,342

including his great-granddaughter, Laura Eisenhower,

471

00:29:34,342 --> 00:29:37,341

insist the story is true.

472

00:29:37,341 --> 00:29:41,341

Valiant Thor supposedly showed up around 1957

473

00:29:41,341 --> 00:29:44,341

and was brought to the president and the vice president,

474

00:29:44,341 --> 00:29:47,341

and they put him on VIP status for three years.

475

00:29:47,341 --> 00:29:52,341

And Eisenhower really wanted to let humanity know about this proposed plan,

476

00:29:52,341 --> 00:29:54,341

but the Secretary of Defense,

477

00:29:54,341 --> 00:29:57,341

the head of the Central Intelligence Agency,

478

00:29:57,341 --> 00:30:01,341

and the military Joint Chiefs of Staff opposed it.

479

00:30:01,341 --> 00:30:05,341

And even though Eisenhower was intent on having a meeting

480

00:30:05,341 --> 00:30:07,341

with the General Assembly of the United Nations

481

00:30:07,341 --> 00:30:10,340

in order to present the story to them,

482

00:30:10,340 --> 00:30:13,340

that was shut down too.

483

00:30:13,340 --> 00:30:18,340

Ultimately, his mission, which was on behalf of the Federation,

484

00:30:18,340 --> 00:30:20,340

was not taken up.

485

00:30:20,340 --> 00:30:22,340

His mission was aborted.

486

00:30:22,340 --> 00:30:25,340

He didn't accomplish what he came for

487

00:30:25,340 --> 00:30:29,340

because the decision was made not by the president himself,

488

00:30:29,340 --> 00:30:35,340

but was made by people like the Secretary of Defense and the CIA.

489

00:30:35,340 --> 00:30:37,340

And this, I think, was a turning point

490

00:30:37,340 --> 00:30:41,339

in the history of the United States and the world.

491

00:30:41,339 --> 00:30:45,339

We had an opportunity then to change our ways,

492

00:30:45,339 --> 00:30:48,339

and we missed the opportunity.

493

00:30:48,339 --> 00:30:52,339

We blew it to put it bluntly.

494

00:30:52,339 --> 00:30:56,339

What's very interesting here in terms of Valiant Thor's timing

495

00:30:56,339 --> 00:31:01,339

was whether or not this was something that was part of a larger plan,

496

00:31:01,339 --> 00:31:03,339

whether there are these overlords

497

00:31:03,339 --> 00:31:07,339

who are there behind the scenes controlling humanity.

498

00:31:07,339 --> 00:31:11,339

Valiant Thor claimed that he had been sent by the High Council

499

00:31:11,339 --> 00:31:15,338

to talk to the military leaders of Earth

500

00:31:15,338 --> 00:31:22,338

and warn them of the dangers of nuclear weapons.

501

00:31:22,338 --> 00:31:24,338

And you have to wonder,

502

00:31:24,338 --> 00:31:30,338

is Valiant Thor some kind of representative of this Council of Nine

503

00:31:30,338 --> 00:31:40,338

that's watching over planet Earth that Pujara had been talking about?

504

00:31:40,338 --> 00:31:45,338

Is it conceivable that an extraterrestrial emissary for a Council of Nine

505

00:31:45,338 --> 00:31:50,337

really made contact with the United States government?

506

00:31:50,337 --> 00:31:55,337

And if so, was his mission ultimately a failure?

507

00:31:55,337 --> 00:32:00,337

Ancient astronaut theorists suggest that perhaps the mysterious Nines

508

00:32:00,337 --> 00:32:08,337

succeeded in delivering a message to mankind through other, more receptive channels.

509

00:32:08,337 --> 00:32:10,337

Coming up...

510

00:32:10,337 --> 00:32:16,337

Science fiction is preparing people for final contact.

511

00:32:16,337 --> 00:32:24,336

Gene Roddenberry sat in and could ask questions of the Council of Nine.

512

00:32:26,336 --> 00:32:31,336

Ossening, New York, 1958.

513

00:32:31,336 --> 00:32:34,336

After his initial contact with the Nine,

514

00:32:34,336 --> 00:32:42,336

Dr. Andrea Pujaric creates the Round Table Foundation at his private estate.

515

00:32:42,336 --> 00:32:48,336

Various psychics and mediums are invited to channel the self-proclaimed Egyptian deities

516

00:32:48,336 --> 00:32:53,335

for a group of influential observers.

517

00:32:53,335 --> 00:32:58,335

Pujaric just simply carried on investigating psychic abilities.

518

00:32:58,335 --> 00:33:06,335

His idea almost certainly from the beginning was to hook big names, movers and shakers, writers,

519

00:33:06,335 --> 00:33:13,335

people who could ensure that the message of the Nine reached the top layer of society

520

00:33:13,335 --> 00:33:16,335

but who could be trusted with a big secret.

521

00:33:16,335 --> 00:33:19,335

Among the participants in these meetings were Warren McCulloch,

522

00:33:19,335 --> 00:33:22,335

who was an early pioneer in cybernetics.

523

00:33:22,335 --> 00:33:28,334

Another was John Jay Hammond, who was considered to be the student of Nikola Tesla.

524

00:33:28,334 --> 00:33:32,334

Henry A. Wallace, President Franklin Delano Rose,

525

00:33:32,334 --> 00:33:37,334

about secretary of agriculture and third term VP, was also a participant in these meetings.

526

00:33:37,334 --> 00:33:44,334

Ultimately, they appeared to be deeply interested in how the human mind can connect with the extraterrestrial mind.

527

00:33:45,334 --> 00:33:53,334

One observer of the Round Table Foundation, according to his writing assistant, John Poeville,

528

00:33:53,334 --> 00:33:57,333

was future Star Trek creator, Gene Roddenberry.

529

00:33:57,333 --> 00:34:02,333

Poeville claims Roddenberry actively participated in the sessions

530

00:34:02,333 --> 00:34:08,333

and that carts of the Star Trek television series may not be Roddenberry's work at all,

531

00:34:08,333 --> 00:34:13,333

but directly inspired by the mysterious Nine.

532

00:34:14,333 --> 00:34:21,333

Of all of the famous guests, Gene Roddenberry was one of the most gifted

533

00:34:21,333 --> 00:34:30,332

and was a part of our team, taking notes and scoring information that he felt would eventually be

used worldwide.

534

00:34:30,332 --> 00:34:41,332

What is exciting is some of what Gene saw there and I worked together was produced in some of the episodes of Star Trek.

535

00:34:41,332 --> 00:34:48,332

Gene Roddenberry sat in and could ask questions of the psychics who were communicating with the Council of Nine.

536

00:34:48,332 --> 00:34:55,332

And I think this is where you get various ideas such as teleportation, warp drive.

537

00:34:55,332 --> 00:35:04,331

In Star Trek, they have the Federation and the Federation is responsible for governing planets all throughout the universe.

538

00:35:04,331 --> 00:35:10,331

That's very possible that it's happening here and that there's a group that oversees planet Earth.

539

00:35:10,331 --> 00:35:16,331

It has higher power within the universe that is monitoring things on Earth.

540

00:35:16,331 --> 00:35:19,331

I don't think there's any doubt about the Federation being real.

541

00:35:19,331 --> 00:35:24,331

This is something that I've heard since I first became interested in the subject of ufology.

542

00:35:24,331 --> 00:35:39,330

And I've talked to hundreds of people who have had contacts direct or indirect with various individuals from one or more of the planets that are members of the Federation.

543

00:35:41,330 --> 00:35:52,330

Set in the future, Star Trek chronicled a peaceful scientific mission to seek out and explore other planets in the Milky Way Galaxy.

544

00:35:52,330 --> 00:36:00,330

Among the futuristic concepts revealed in the series is the Federation's Prime Directive.

545

00:36:00,330 --> 00:36:09,329

Their guiding principle that prohibits them from interfering with the development of a still

evolving civilization.

546

00:36:09,329 --> 00:36:17,329

Researchers studying the mysterious Nine have concluded that they may function in much the same way.

547

00:36:19,329 --> 00:36:24,329

Roddenberry heard about the Prime Directive from these sessions.

548

00:36:24,329 --> 00:36:26,329

Now what is the Prime Directive?

549

00:36:26,329 --> 00:36:37,329

It's the idea that an extraterrestrial race should not just show up and announce its identity to a fledgling planet that has not yet achieved interstellar travel.

550

00:36:38,329 --> 00:36:45,328

An extraterrestrial group is not going to make themselves openly known until that society is ready for it,

551

00:36:45,328 --> 00:36:52,328

meaning until their development has naturally steered them in favor of the idea of extraterrestrial life.

552

00:36:52,328 --> 00:36:59,328

So it wouldn't come as a great surprise and it wouldn't overly disrupt their existing social and political order.

553

00:37:00,328 --> 00:37:13,327

If we're being monitored by extraterrestrials, it seems to me that one reason why they don't openly land on the White House lawn is something very much like the Prime Directive.

554

00:37:13,327 --> 00:37:21,327

I think the Prime Directive is that they are not to interfere with us, that we were given the power of choice.

555

00:37:22,327 --> 00:37:30,327

And so that they have to let us exercise that choice which the Creator gave us, even though we often choose very badly,

556

00:37:30,327 --> 00:37:35,327

make the wrong decisions, that is our legacy, we're allowed to do that.

557

00:37:37,327 --> 00:37:47,326

Is it possible that the Nine extraterrestrial overlords don't want to directly interfere in our society,

558

00:37:47,326 --> 00:37:51,326

but to guide us from behind the scenes?

559

00:37:52,326 --> 00:38:00,326

That you have to wonder if there's not some truth to the science fiction, television and movies and books,

560

00:38:00,326 --> 00:38:07,326

are a way of preparing people of the Earth for what's coming?

561

00:38:08,326 --> 00:38:14,326

Might there actually be some galactic truths found within the Star Trek series?

562

00:38:14,326 --> 00:38:21,325

Truths that were shared with Gene Roddenberry through the sessions with the Mysterious Nine?

563

00:38:21,325 --> 00:38:29,325

And if so, was this in an effort to assist humanity and guide us to a more peaceful future?

564

00:38:30,325 --> 00:38:34,325

Or is there another aim altogether?

565

00:38:35,325 --> 00:38:41,325

Perhaps one that prevents us from becoming a threat?

566

00:38:45,325 --> 00:38:51,324

Before he concluded his broadcast with RT Television Network in 2013,

567

00:38:51,324 --> 00:39:01,324

former Canadian Defense Minister Paul Hellyer publicly urged officials to reveal the truth about extraterrestrials overseeing Earth.

568

00:39:02,324 --> 00:39:06,324

This information is top secret in a way that the governments aren't talking about it,

569

00:39:06,324 --> 00:39:14,324

but if you listen to the whistleblowers and the people who have worked in the industry and who know what is going on,

570

00:39:14,324 --> 00:39:19,324

there is just a lot of information out there and it doesn't take very long to get your hands on it.

571

00:39:20,324 --> 00:39:26,323

The future of the world depends on us knowing what is going on, not only in our own world,

572

00:39:26,323 --> 00:39:32,323

but in others that are monitoring us and attempting to influence us for better or for worse.

573

00:39:32,323 --> 00:39:36,323

And there are people here who know a lot about them.

574

00:39:38,323 --> 00:39:42,323

This idea that there are other entities, whether from other dimensions, other galaxies, other planets,

575

00:39:42,323 --> 00:39:48,323

who are actually controlling or somehow influencing what is happening with life on Earth is fascinating.

576

00:39:48,323 --> 00:39:52,323

And we always have to ask that question, what is their agenda?

577

00:39:53,323 --> 00:39:56,322

Is it benevolent? Are they here to protect us?

578

00:39:57,322 --> 00:40:00,322

As Valiant Thor and the Nine originally said?

579

00:40:01,322 --> 00:40:05,322

Or is there another agenda? Is there an agenda to control us?

580

00:40:06,322 --> 00:40:10,322

Is there an agenda to influence the way that we live in a negative way?

581

00:40:13,322 --> 00:40:21,322

So you have to wonder if there is in fact some kind of extraterrestrial council that's watching over planet Earth,

582

00:40:22,322 --> 00:40:31,321

that they are here to look at our advancement and to warn us of possible catastrophes that may be occurring.

583

00:40:32,321 --> 00:40:36,321

And hopefully we will heed their warnings.

584

00:40:37,321 --> 00:40:42,321

If we're being monitored by extraterrestrials, if they're watching human affairs,

585

00:40:42,321 --> 00:40:49,321

I think they would be very concerned about things that we might do that would destroy ourselves

586

00:40:49,321 --> 00:40:51,321

and destroy the planet.

587

00:40:51,321 --> 00:40:59,321

And perhaps part of the alien agenda is our moral development, as well as our technological development.

588

00:41:00,320 --> 00:41:04,320

Perhaps this is our ticket to join the Galactic Federation.

589

00:41:06,320 --> 00:41:12,320

We might never know their ultimate purpose, but if this is an experiment,

590

00:41:12,320 --> 00:41:19,320

we should be very, very careful because quite clearly if they don't like people challenging them,

591

00:41:19,320 --> 00:41:21,320

well, we're doomed.

592

00:41:25,320 --> 00:41:31,320

If there are in fact nine extraterrestrial entities overseeing Earth,

593

00:41:32,320 --> 00:41:37,319

are they here to help us, as ancient astronaut theorists suggest?

594

00:41:38,319 --> 00:41:41,319

Or could they have a more sinister motive?

595

00:41:43,319 --> 00:41:50,319

Perhaps the answer will only be revealed when they make contact once again.

596

00:41:51,319 --> 00:41:56,319

And when we are more ready to accept the truth.
