

1

00:00:00,000 --> 00:00:03,000

It was like being inside a nightmare,

2

00:00:03,000 --> 00:00:06,000

then I realized this was not a dream.

3

00:00:06,000 --> 00:00:12,000

There is some sort of infiltration of society going on.

4

00:00:12,000 --> 00:00:18,000

I think these abduction stories are all part of a larger plan.

5

00:00:18,000 --> 00:00:22,000

There is a reason why these people are being returned.

6

00:00:22,000 --> 00:00:25,000

There are people who are going to bed tonight,

7

00:00:25,000 --> 00:00:28,000

who have no idea that they'll do something

8

00:00:28,000 --> 00:00:30,000

that they've been programmed to do.

9

00:00:30,000 --> 00:00:32,000

That's pretty scary.

10

00:00:32,000 --> 00:00:35,000

Since the dawn of civilization,

11

00:00:35,000 --> 00:00:42,000

mankind has credited its origins to gods and other visitors from the stars.

12

00:00:42,000 --> 00:00:45,000

What if it were true?

13

00:00:45,000 --> 00:00:50,000

Did extraterrestrial beings really help to shape our history?

14

00:00:50,000 --> 00:00:58,000

And if so, could the truth lie with those who have been taken and returned?

15

00:01:21,000 --> 00:01:22,000

The World's Greatest

16

00:01:22,000 --> 00:01:25,000

The World's Greatest

17

00:01:25,000 --> 00:01:28,000

The World's Greatest

18

00:01:29,000 --> 00:01:32,000

The World's Greatest

19

00:01:32,000 --> 00:01:39,000

At least Kalmykia, Russia, July 16, 2007.

20

00:01:39,000 --> 00:01:45,000

The president of the Kalmykia Republic, Kyrzon Eliomzanov,

21

00:01:45,000 --> 00:01:50,000

discloses in an international primetime television interview for Al Jazeera

22

00:01:50,000 --> 00:01:55,000

that nearly a decade prior, he was abducted by extraterrestrials.

23

00:01:57,000 --> 00:02:03,000

I was taken by my apartment in Moscow to this spaceship.

24

00:02:03,000 --> 00:02:08,000

And we went to some star and after that I asked them,

25

00:02:08,000 --> 00:02:11,000

please bring me back.

26

00:02:11,000 --> 00:02:17,000

Eliomzanov claimed he'd been taken aboard a UFO by extraterrestrials

27

00:02:17,000 --> 00:02:20,000

dressed in these yellow outfits

28

00:02:20,000 --> 00:02:24,000

and essentially sort of given a tour of the UFO onto which he was taken.

29

00:02:27,000 --> 00:02:30,000

It's never been clear exactly how long he was gone,

30

00:02:30,000 --> 00:02:35,000

but he said it was almost a day where he was taken far away.

31

00:02:36,000 --> 00:02:41,000

He said to another star on this massive vessel.

32

00:02:41,000 --> 00:02:47,000

And this is his claim and it's, I mean, an unbelievably outrageous claim,

33

00:02:47,000 --> 00:02:53,000

but the problem is that this is a man who is a very accomplished individual.

34

00:02:53,000 --> 00:02:58,000

You know, when you listen to him speak about this, he's very open about it.

35

00:02:58,000 --> 00:03:01,000

He doesn't sound crazy except for the content of what he's saying.

36

00:03:01,000 --> 00:03:06,000

They have the same mind, the same vision and so on.

37

00:03:06,000 --> 00:03:09,000

And I talked with them.

38

00:03:09,000 --> 00:03:14,000

I understand that we are not alone in this all of all.

39

00:03:15,000 --> 00:03:18,000

There's an interesting theory about his story.

40

00:03:18,000 --> 00:03:23,000

Given his position and his standing within the government,

41

00:03:23,000 --> 00:03:26,000

when somebody like him speaks out,

42

00:03:26,000 --> 00:03:30,000

it actually adds a great deal of weight to the UFO subject.

43

00:03:30,000 --> 00:03:34,000

So an argument was made that perhaps extraterrestrials abducted him

44

00:03:34,000 --> 00:03:38,000

with the very hope that he would go public with the story,

45

00:03:38,000 --> 00:03:43,000

expose more and more people to the existence of the UFO phenomenon.

46

00:03:45,000 --> 00:03:50,000

Eli Umzenoff is the highest profile individual to come forward

47

00:03:50,000 --> 00:03:54,000

with an admission of being abducted by extraterrestrials

48

00:03:54,000 --> 00:03:57,000

and subsequently returned to Earth.

49

00:03:58,000 --> 00:04:04,000

However, he is just one of tens of thousands of people that have made such claims,

50

00:04:04,000 --> 00:04:09,000

dating back to the infamous case of Betty and Barney Hill,

51

00:04:09,000 --> 00:04:16,000

who were allegedly abducted from their vehicle on a New Hampshire road in 1961.

52

00:04:18,000 --> 00:04:23,000

Proported extraterrestrial abductions involve men, women and children

53

00:04:23,000 --> 00:04:26,000

of various cultures and religious backgrounds.

54

00:04:28,000 --> 00:04:31,000

This is a global phenomenon.

55

00:04:31,000 --> 00:04:36,000

I've had people write to me from all around the world about their abduction events.

56

00:04:36,000 --> 00:04:43,000

It has nothing to do with countries and everything to do with being human.

57

00:04:43,000 --> 00:04:49,000

There are some themes in these abduction stories that are universal or at least recur.

58

00:04:50,000 --> 00:04:53,000

Some report being paralyzed.

59

00:04:54,000 --> 00:04:59,000

Many report shifts in time. Some lose vast amount of time.

60

00:05:01,000 --> 00:05:07,000

It would be one thing if there were only ten or twenty abduction stories worldwide.

61

00:05:07,000 --> 00:05:13,000

The fact of the matter is that there are hundreds of thousands of abduction reports

62

00:05:13,000 --> 00:05:15,000

all around the world.

63

00:05:16,000 --> 00:05:20,000

The real question we need to ask ourselves is not whether abduction is taking place.

64

00:05:20,000 --> 00:05:23,000

It's very obvious that it's taking place.

65

00:05:24,000 --> 00:05:29,000

We need to try to crack into the mystery and understand why this is happening.

66

00:05:29,000 --> 00:05:34,000

What makes us so interesting to these people that they want to be bringing us up there,

67

00:05:34,000 --> 00:05:39,000

performing what appear to be medical experiments, and then putting us back down on Earth?

68

00:05:41,000 --> 00:05:45,000

Could it be that hundreds of thousands of people worldwide

69

00:05:45,000 --> 00:05:50,000

have been taken off planet only to be placed back into society?

70

00:05:51,000 --> 00:05:54,000

But if so, for what purpose?

71

00:05:56,000 --> 00:06:01,000

Perhaps clues can be found by exploring the age-old accounts of human abductions

72

00:06:01,000 --> 00:06:08,000

by other worldly beings that can be found in nearly every culture throughout the world.

73

00:06:09,000 --> 00:06:18,000

The stories of the representative of humanity who is taken to another place permeate mythic lore.

74

00:06:19,000 --> 00:06:23,000

This is a great universal story.

75

00:06:24,000 --> 00:06:29,000

We have Moses going up onto the mountain and getting the commandments and bringing them down.

76

00:06:29,000 --> 00:06:34,000

We imagine they're on tablets and somehow this is going to be the guidance of the future of the people.

77

00:06:35,000 --> 00:06:42,000

The prophet Enoch, the prophet Ezekiel going up into heaven and learning all the things of heaven.

78

00:06:43,000 --> 00:06:48,000

The fairies or fey in Celtic mythology draw you into an adventure.

79

00:06:48,000 --> 00:06:51,000

Often there is some seduction.

80

00:06:51,000 --> 00:06:58,000

Sometimes it's a demon who will force you away from your path into something, some kind of hell,

81

00:06:58,000 --> 00:07:03,000

but you somehow escape later and come back with new knowledge, new skills, new strengths.

82

00:07:05,000 --> 00:07:10,000

What's curious is when we look at the situations, the stories,

83

00:07:10,000 --> 00:07:17,000

as described in ancient literature and looking at modern experiences interpreted as alien abductions,

84

00:07:17,000 --> 00:07:19,000

they seem to be identical.

85

00:07:19,000 --> 00:07:25,000

These stories, these legends have been around for centuries.

86

00:07:25,000 --> 00:07:29,000

They can't all just be made up.

87

00:07:29,000 --> 00:07:31,000

There's too many of them.

88

00:07:31,000 --> 00:07:35,000

They're too prolific, they're too widespread.

89

00:07:35,000 --> 00:07:38,000

There has to be some basis to them.

90

00:07:38,000 --> 00:07:42,000

For what purpose have these things been happening throughout history?

91

00:07:42,000 --> 00:07:44,000

Who knows?

92

00:07:45,000 --> 00:07:52,000

Perhaps the most important thread that runs through the abduction stories is that all of these people are returned.

93

00:07:52,000 --> 00:07:56,000

They're not kept. They're allowed to come back. They are brought back.

94

00:07:56,000 --> 00:07:59,000

So the question is why?

95

00:08:02,000 --> 00:08:09,000

Might what we refer to today as alien abductions trace back thousands of years?

96

00:08:11,000 --> 00:08:18,000

If so, are those that are returned part of a bigger extraterrestrial plan?

97

00:08:19,000 --> 00:08:28,000

Perhaps more evidence can be found by examining an ancient abduction that took place in the jungles of Southeast Asia.

98

00:08:32,000 --> 00:08:39,000

Krong Siem Reap, Cambodia, 1860

99

00:08:40,000 --> 00:08:44,000

A group of missionaries traveling through the Cambodian jungle

100

00:08:44,000 --> 00:08:51,000

stumble across the largest and most elaborate religious complex in the world.

101

00:08:51,000 --> 00:08:53,000

Angkor Wat

102

00:08:54,000 --> 00:09:00,000

The Khmer people mysteriously abandoned the ancient site in the 15th century.

103

00:09:00,000 --> 00:09:06,000

It was enveloped by the surrounding vegetation and lay forgotten for centuries.

104

00:09:07,000 --> 00:09:16,000

Archaeologists believe construction likely began under the rule of King Suryavaraman II in 1116 AD.

105

00:09:18,000 --> 00:09:26,000

Cambodian lore credits its design to Priyapishnakar, a half-human, half-divine architect

106

00:09:26,000 --> 00:09:33,000

who is said to have been taken off-planet and returned to Earth with the plans to build this advanced complex.

107

00:09:36,000 --> 00:09:42,000

Priyapishnakar's legend is one of the best stories you could ever imagine for the ancient astronaut theory.

108

00:09:43,000 --> 00:09:53,000

Because in the legend he is taken to what's called Indra's heaven that was orbiting the Earth as described in the ancient Vedic texts.

109

00:09:53,000 --> 00:10:07,000

When Priyapishnakar first was introduced to go to Indra's heaven, he was exposed as blue light where he himself describes how he felt his entire body being rejuvenated.

110

00:10:08,000 --> 00:10:12,000

And the question is, could it be that that was some type of a decontamination pod?

111

00:10:13,000 --> 00:10:28,000

It's quite curious that an ancient Cambodian legend like this would contain a scene where the main character has to go through some decontamination process.

112

00:10:29,000 --> 00:10:36,000

And one that's done in space, it's done in this celestial home of the gods.

113

00:10:37,000 --> 00:10:55,000

He underwent this intense education program and weeks later he was rejoining his people and he essentially imparted all this knowledge that was given to him by the extraterrestrials to his people.

114

00:11:00,000 --> 00:11:04,000

Upon his return, Pisnakar is said to have designed Angkor Wat.

115

00:11:06,000 --> 00:11:13,000

It was built as a replica of the heavenly original in anticipation of the return of the gods.

116

00:11:15,000 --> 00:11:24,000

He's returned to the Earth to give humans all of this amazing knowledge and to help humans advance.

117

00:11:25,000 --> 00:11:31,000

And in his case by building an amazing temple city that is one of the wonders of the world today.

118

00:11:32,000 --> 00:11:41,000

The one issue that people don't focus on too much is the matter of the abductees being returned from where they were taken.

119

00:11:42,000 --> 00:11:54,000

We can look back in countless religious texts where contactees are given rules and regulations and ideas to follow in terms of elevating the human race.

120

00:11:55,000 --> 00:12:02,000

And sometimes they would build structures of the gods doing their bidding, whatever that might be.

121

00:12:03,000 --> 00:12:11,000

It could well be an ongoing program that hasn't stopped. It's just that we don't realize necessarily what's going on.

122

00:12:14,000 --> 00:12:18,000

Is it possible that the story of Priapisnakar is true?

123

00:12:19,000 --> 00:12:26,000

Are select humans being taken off planet and inserted back into society even today?

124

00:12:27,000 --> 00:12:29,000

But if so, to what end?

125

00:12:31,000 --> 00:12:38,000

Perhaps more clues can be found by exploring the details of modern alien abductions.

126

00:12:41,000 --> 00:12:46,000

Coming up, we've learned that abductions start pre-birth and it starts in family lines.

127

00:12:46,000 --> 00:12:53,000

Most people who are being abducted don't even know. They don't think about it. They don't dream about it. They're unaware of it.

128

00:13:00,000 --> 00:13:06,000

Harvard University, Cambridge, Massachusetts, 1991.

129

00:13:07,000 --> 00:13:22,000

Dr. John E. Mack, a Harvard professor and renowned psychiatrist working with trauma patients, is convinced by a colleague to examine those who claim to have been abducted by extraterrestrials.

130

00:13:23,000 --> 00:13:34,000

He started, according to him, having his clients tell him these very, very detailed and traumatizing in many cases accounts of beings coming and taking them.

131

00:13:36,000 --> 00:13:44,000

And doing experimentation and even this discussion of alien hybrids that were produced from experimentation.

132

00:13:45,000 --> 00:13:52,000

And in the beginning, he talks about how he had a lot of trouble considering this to be even close to being in the realm of possibility.

133

00:13:53,000 --> 00:13:59,000

You know, he's an ardent academic and his job is to find the rational approach to what's really going on here.

134

00:13:59,000 --> 00:14:03,000

And of course, he started trying to analyze what's the state of mind of these people.

135

00:14:03,000 --> 00:14:10,000

Are there any connections between the type of people that are recounting these stories, you know, so that way he can develop a psychological profile.

136

00:14:11,000 --> 00:14:18,000

But what he found was that that's not the case. These stories were coming from a wide demographic of people, people from all over the world.

137

00:14:19,000 --> 00:14:32,000

John Mack was a skeptic. At first, he didn't believe a single thing. But after five or six encounters with experiencers, he changed his tune.

138

00:14:33,000 --> 00:14:40,000

So for a skeptic to all of a sudden change 180 degrees, that's amazing.

139

00:14:40,000 --> 00:14:46,000

Because John Mack applied all of his clinical knowledge on those experiencers.

140

00:14:47,000 --> 00:14:56,000

And due to that, because it is a science, he had to conclude that extraterrestrial visitations are not a likelihood but a certainty.

141

00:14:57,000 --> 00:15:02,000

He also said the abduction phenomenon is not a modern day occurrence only.

142

00:15:03,000 --> 00:15:10,000

He was convinced beyond a shadow of a doubt that people were being abducted by extraterrestrials.

143

00:15:11,000 --> 00:15:18,000

He was ridiculed, scorned by his colleagues, laughed at, but he did not stop.

144

00:15:18,000 --> 00:15:23,000

He continued to try to get these answers as to what was happening to these people.

145

00:15:24,000 --> 00:15:34,000

During the course of his research, Dr. John Mack came to realize that the alien abduction phenomenon wasn't one of scarcity.

146

00:15:35,000 --> 00:15:40,000

It was essentially an epidemic. Reports were coming from all across the planet.

147

00:15:41,000 --> 00:15:50,000

But more importantly, there were people who had had vague dreams and memories of something going on, but clearly didn't realize they'd been abducted.

148

00:15:50,000 --> 00:15:56,000

And this suggested to John Mack that there were what we could call silent abductees.

149

00:15:57,000 --> 00:16:03,000

Most people who are being abducted don't even know. They don't think about it. They don't dream about it.

150

00:16:03,000 --> 00:16:09,000

They're unaware of it because I believe the extraterrestrials have somehow washed their memory.

151

00:16:10,000 --> 00:16:19,000

However, in hypnosis, when you regress somebody, you may be able to pick up things where they do recollect what has happened.

152

00:16:20,000 --> 00:16:27,000

It happened in the original case of Barney and Bitty Hill where the psychiatrist, Dr. Benjamin Simon, put them under via hypnosis.

153

00:16:28,000 --> 00:16:31,000

And that's when they started talking about the things that had happened.

154

00:16:32,000 --> 00:16:37,000

You cannot erase the mind permanently, and the ETs know that.

155

00:16:37,000 --> 00:16:42,000

But in terms of just full consciousness, they're able to knock it out.

156

00:16:43,000 --> 00:16:50,000

There are people who are going to bed tonight who have no idea that they may be abducted by extraterrestrials.

157

00:16:50,000 --> 00:16:56,000

They won't remember it, and they won't recall it, and they won't even know. The big question is why.

158

00:16:58,000 --> 00:17:04,000

While researchers suggest that many individuals that have been returned may never be identified,

159

00:17:04,000 --> 00:17:12,000

they believe clues to the extraterrestrial motive may be found in the specific characteristic traits of those being taken.

160

00:17:15,000 --> 00:17:28,000

1999. The international community for alien research begins conducting the largest and most in-depth study into the specific characteristics of abductees.

161

00:17:28,000 --> 00:17:36,000

The international community for alien research was founded by about a half a dozen ufologists who were not satisfied with what was going on in the field at the time.

162

00:17:36,000 --> 00:17:39,000

There was no legitimate abduction research being done.

163

00:17:40,000 --> 00:17:43,000

It started with the questionnaire, which is now going on about 13 years now.

164

00:17:43,000 --> 00:17:47,000

I believe about 18,000 contactees have taken a study.

165

00:17:47,000 --> 00:17:51,000

What this has told us is it showed us similarities in all of these abductions.

166

00:17:51,000 --> 00:17:55,000

We've learned that abductions start pre-birth, and it starts in family lines.

167

00:17:56,000 --> 00:18:07,000

The findings of the study also showed a greater percentage of individuals with hazel or green eyes are being abducted, as well as those having Rh negative blood types.

168

00:18:10,000 --> 00:18:16,000

The Rh factor refers to the presence of specific proteins or antigens in the blood.

169

00:18:16,000 --> 00:18:21,000

Most humans have these antigens and are considered Rh positive.

170

00:18:22,000 --> 00:18:29,000

About 25 to 35,000 years ago, out of the blue, no scientist today understands why Rh negative emerged in the scene.

171

00:18:29,000 --> 00:18:35,000

Most people don't realize, but man was just positive blood until then. There was no Rh negative.

172

00:18:35,000 --> 00:18:40,000

Really, what's funny about this is, is why would mother nature create Rh negative?

173

00:18:40,000 --> 00:18:45,000

What's odd about both the Rh negative and the green eyes is their mutations. They're both rare.

174

00:18:46,000 --> 00:18:57,000

Rh negative is only 15% of the world population. Green-eyed people, I think, make up 2% or 3% of the world's population, but almost 50% of contactees have hazel or green eyes.

175

00:18:57,000 --> 00:19:08,000

We don't think the color per se has anything to do with it. It's the fact that it's a mutation, and for some reason the extra-terrestrials either created it, or if they didn't create it, they seemed to have an extreme interest in it.

176

00:19:09,000 --> 00:19:23,000

Could there really be a genetic component at play in the extra-terrestrial abduction phenomenon, and might these lineages trace back to the ancient accounts of otherworldly encounters?

177

00:19:23,000 --> 00:19:29,000

If so, does this provide insight into a long-term agenda?

178

00:19:29,000 --> 00:19:44,000

Perhaps further clues can be found by extracting what lies buried in the memories of those that have been returned, and by examining what might also be hidden beneath their skin.

179

00:19:59,000 --> 00:20:12,000

Allsther County, New York, December 26, 1985.

180

00:20:12,000 --> 00:20:22,000

Best-selling fiction author, Whitley Stryber, is vacationing at his cabin when he experiences a strange event that will forever change his life.

181

00:20:23,000 --> 00:20:38,000

I woke up in the middle of the night, right after Christmas, in an incredibly peculiar situation. It was like being inside a nightmare, and at the time I was a horror novelist, and I thought, oh, good, but only for a second, because then I realized this was not a dream.

182

00:20:38,000 --> 00:20:40,000

It was not going away.

183

00:20:41,000 --> 00:20:51,000

I had these big, eyed creatures in front of me, like big insects, and I was in a little round room, and these other dark, dark blue figures were there.

184

00:20:51,000 --> 00:20:58,000

It degenerated very quickly into what amounted to a kind of assault.

185

00:20:59,000 --> 00:21:13,000

I then found myself, the next morning, waking up, feeling pretty beat up and very, very confused. What could have happened? Was it a nightmare? What was it?

186

00:21:14,000 --> 00:21:25,000

According to Stryber, these strange abductions continued to occur, and after one of his experiences, he was returned with physical proof.

187

00:21:26,000 --> 00:21:37,000

My ear began to hurt, the top of my ear, and I felt it, and it was a little lump. That lump had not been there before.

188

00:21:37,000 --> 00:21:43,000

I went to a doctor, and he said, it's a little cyst, I'll take care of it.

189

00:21:44,000 --> 00:22:00,000

When he opened it up, he said, it's a disc. Then he touched it with a scalpel, and it went down into the bottom of my ear, and he pulled out immediately, said, I don't know what to do about this, and closed it up.

190

00:22:02,000 --> 00:22:07,000

Could it be that people are being returned with objects implanted in them?

191

00:22:08,000 --> 00:22:11,000

Objects of otherworldly origins.

192

00:22:16,000 --> 00:22:29,000

Houston, Texas. Former law enforcement officer and investigator Daryl Sims has spent three decades collecting evidence left behind at abduction scenes throughout the country.

193

00:22:30,000 --> 00:22:41,000

At treated as a crime scene, and to do that, you need to know what to look for. In some of these cases, we'll find a burn mark, and in rare cases, radiation traces where UFO has landed.

194

00:22:41,000 --> 00:22:49,000

People will come back with a scar, like a dermatological scoop mark, and sometimes we find some type of implant.

195

00:22:49,000 --> 00:22:51,000

Thank you for coming by, Giorgio.

196

00:22:51,000 --> 00:23:02,000

In April 2016, Giorgio Suclos met with Daryl Sims to get a closer look at some of the hard evidence that Sims has collected through the years.

197

00:23:03,000 --> 00:23:10,000

One of the things we found on these abductees is alien leaves like a fingerprint on them.

198

00:23:10,000 --> 00:23:11,000

Really?

199

00:23:11,000 --> 00:23:17,000

When they touch them, it leaves a sub dermal mark on you in the form of fingerprints or long fingers, and there's an example.

200

00:23:18,000 --> 00:23:20,000

It impacts the body sub dermal.

201

00:23:20,000 --> 00:23:21,000

This is amazing.

202

00:23:21,000 --> 00:23:27,000

It literally goes into the skin, and you can't wash it off, you can't get it off with any kind of solvent or anything.

203

00:23:30,000 --> 00:23:32,000

And here's another good example.

204

00:23:33,000 --> 00:23:36,000

Here are some other hand prints that we found around the world.

205

00:23:36,000 --> 00:23:44,000

This is in Chile. The lady we got touched by this entity with huge prints on both front and back, and left caustic burns on her body.

206

00:23:44,000 --> 00:23:46,000

So this was visible light.

207

00:23:46,000 --> 00:23:47,000

Okay.

208

00:23:47,000 --> 00:23:51,000

This same hand print literally shows up in several other cases as well.

209

00:23:51,000 --> 00:23:53,000

A little girl draws the same exact hand.

210

00:23:54,000 --> 00:23:56,000

This was fluorescence.

211

00:23:56,000 --> 00:23:58,000

A police officer gets abducted.

212

00:23:58,000 --> 00:24:05,000

The entity actually comes through the glass window and left the holographic imagery in the glass very odd.

213

00:24:05,000 --> 00:24:07,000

Here's one that fascinates me.

214

00:24:07,000 --> 00:24:11,000

This is a print that came off a wall in Pennsylvania.

215

00:24:11,000 --> 00:24:18,000

The entire family are abductees with the exception of one person, and this one touched the wall and you see the fluorescence there where we lit it up.

216

00:24:20,000 --> 00:24:30,000

This is the case of a lady that this is our long finger, you see the huge long fingerprints, and this second comes on these four fingers, and this is on her headboard.

217

00:24:33,000 --> 00:24:34,000

That's fantastic.

218

00:24:35,000 --> 00:24:44,000

You've now spent many years studying this, and you see fingerprints like that, hand prints, and you know, residue.

219

00:24:44,000 --> 00:24:48,000

What is your theory, what we are looking at here?

220

00:24:48,000 --> 00:24:56,000

My estimation as a former police officer is that there was an oil-like substance that apparently exudes from the body of the entity.

221

00:24:56,000 --> 00:24:57,000

That's bizarre.

222

00:24:59,000 --> 00:25:00,000

There's some actual implants.

223

00:25:00,000 --> 00:25:10,000

Perhaps the most intriguing pieces of evidence in Sim's collection are the alleged extraterrestrial implants retrieved from various victims.

224

00:25:14,000 --> 00:25:16,000

I want to show you something rather remarkable.

225

00:25:17,000 --> 00:25:21,000

You can see the little objects here, the perfect T and it went off to the side.

226

00:25:21,000 --> 00:25:22,000

Yes.

227

00:25:23,000 --> 00:25:30,000

So we had them surgically excised, and here's what we found.

228

00:25:30,000 --> 00:25:34,000

Here's the good work we had them taken out.

229

00:25:34,000 --> 00:25:38,000

There was a biological cocoon surrounding these originally.

230

00:25:40,000 --> 00:25:43,000

This is bizarre, and what did they determine this is?

231

00:25:44,000 --> 00:25:50,000

We had this done in a blinded study. Los Alamos, the Mexican tech, they did a quantitative and quantitative analysis,

232

00:25:51,000 --> 00:25:53,000

and they found George R. Young believed this.

233

00:25:53,000 --> 00:25:57,000

It turns out that the objects are meteoric in origin.

234

00:26:01,000 --> 00:26:05,000

What's your opinion then, and how did it get into the woman's body?

235

00:26:05,000 --> 00:26:11,000

In my opinion, what we're looking at are objects that have been installed inside these people.

236

00:26:12,000 --> 00:26:15,000

Someone is doing this. This is entity related.

237

00:26:15,000 --> 00:26:21,000

So in my opinion, we're looking at real actual evidence of these cases.

238

00:26:21,000 --> 00:26:23,000

This is amazing.

239

00:26:24,000 --> 00:26:32,000

Is it possible that the implants collected from the bodies of alleged abductees are of extraterrestrial origin?

240

00:26:32,000 --> 00:26:36,000

But if so, what is their purpose?

241

00:26:37,000 --> 00:26:42,000

Are aliens tracking humans on whom they've performed medical experiments?

242

00:26:42,000 --> 00:26:47,000

Or might their ultimate agenda be even more profound?

243

00:26:48,000 --> 00:26:58,000

Perhaps further clues can be found by exploring what many researchers believe is the most compelling abduction account in modern history.

244

00:27:01,000 --> 00:27:03,000

Coming up...

245

00:27:03,000 --> 00:27:09,000

He remembered a computer screen in front of him. Letters and numbers of the alien world.

246

00:27:09,000 --> 00:27:13,000

People who are being abducted are being programmed.

247

00:27:21,000 --> 00:27:25,000

Philadelphia, Pennsylvania, 1998.

248

00:27:27,000 --> 00:27:33,000

Investigative journalist Linda Moldenhau publishes glimpses of other realities.

249

00:27:33,000 --> 00:27:36,000

Volume 2, High Strangeness.

250

00:27:36,000 --> 00:27:47,000

In it, she includes material on human interactions with extraterrestrial beings and what she considers one of the most compelling abduction cases on record.

251

00:27:48,000 --> 00:27:56,000

As a reporter who has always been investigating issues having to do with science medicine and the environment,

252

00:27:56,000 --> 00:28:02,000

which is how I came into finding myself talking with people in the human abduction syndrome,

253

00:28:02,000 --> 00:28:08,000

I remember it was 1995 at the Eureka Springs Ozark UFO conference,

254

00:28:08,000 --> 00:28:18,000

and I was introduced to Jim Sparks, and he unfolded one of the most amazing human abduction stories I've ever heard.

255

00:28:20,000 --> 00:28:27,000

With Jim, he was aware of literally going through the ceiling, going through the roof.

256

00:28:27,000 --> 00:28:35,000

Many people in the abduction syndrome will describe this, and he could see trees, he could see the land receding.

257

00:28:36,000 --> 00:28:45,000

But then there would be a blackout period, and then he would be in the world of what he calls the grey beings,

258

00:28:45,000 --> 00:28:48,000

of which there are many different types.

259

00:28:48,000 --> 00:28:53,000

And he said one day he remembered a computer screen in front of him.

260

00:28:54,000 --> 00:29:06,000

And that he knew that they were trying to make him learn an alien symbol, and they wanted him to trace, for example, A, the letter A in the alphabet.

261

00:29:07,000 --> 00:29:13,000

It would be a line drawn from right to left, left to right, right to left.

262

00:29:13,000 --> 00:29:25,000

And it was the motion, let alone just looks like a line, but he said every one of their symbols and numbers had embedded frequency.

263

00:29:27,000 --> 00:29:35,000

In yet another encounter, Sparks claimed to have been presented with a sequence of images depicting past lifetimes,

264

00:29:35,000 --> 00:29:41,000

including scenes of ancient Rome and culminating with images of primitive humans.

265

00:29:43,000 --> 00:29:51,000

When they went to an image and showed him primates like in a forest, he finally got it.

266

00:29:51,000 --> 00:30:02,000

They have manipulated DNA and already evolving primates to create something that was a hybrid of them and that life form on this planet.

267

00:30:03,000 --> 00:30:15,000

When you look at this account, you have to wonder if these abductions of humans by extraterrestrials don't go back many thousands and thousands of years.

268

00:30:15,000 --> 00:30:25,000

And in fact, certain human beings were selected, brought perhaps to a space station or an orbiting spaceship or a city of the gods,

269

00:30:25,000 --> 00:30:29,000

given a special education, and then returned to the Earth.

270

00:30:30,000 --> 00:30:39,000

Jim Sparks would later claim that extraterrestrials are somehow manipulating abductees, so-called junk DNA.

271

00:30:39,000 --> 00:30:46,000

The 97% of human DNA, for which scientists have not been able to find any purpose.

272

00:30:47,000 --> 00:30:52,000

Geneticists used to believe that a large percent of our DNA was unused.

273

00:30:53,000 --> 00:31:05,000

Recent discoveries have proven, however, that there are hidden switches, there are hidden signals within that junk DNA that is going to ultimately reveal a treasure trove of new human capabilities.

274

00:31:06,000 --> 00:31:18,000

Jim believes that people who are being abducted are being programmed that at any given time, the ETs will send a signal and these people will react and do something.

275

00:31:19,000 --> 00:31:28,000

Almost like a sleeper soldier, they'll immediately do something that they've been programmed to do. Whatever that might be, that's pretty scary.

276

00:31:29,000 --> 00:31:35,000

Early on, when I started doing abduction research, people would tell me, I think something is going to happen in the future, I'm going to have to do something.

277

00:31:35,000 --> 00:31:45,000

Serious people have, who I've worked with for a long time, have told me that they have been injected with knowledge, they're not sure what it is,

278

00:31:45,000 --> 00:31:51,000

but it will be switched on eventually when the time comes and they will know it.

279

00:31:52,000 --> 00:31:56,000

And I have come to think that that is actually correct, that that is true.

280

00:31:57,000 --> 00:32:05,000

It's an all-encompassing thing. The sleeper soldiers will start to get things ready. Those who are already here will start to get things ready.

281

00:32:06,000 --> 00:32:18,000

And also don't forget the millions of hybrids that they have been making since the beginning of time, that they've probably got on some mother ship somewhere, just ready to start bringing them in.

282

00:32:20,000 --> 00:32:28,000

Could it be that some abductees have been returned as preparation by extraterrestrials for some future mission?

283

00:32:29,000 --> 00:32:35,000

A mission that has been in the works for hundreds, if not thousands of years.

284

00:32:36,000 --> 00:32:41,000

And might it involve the integration of alien human hybrids on Earth?

285

00:32:42,000 --> 00:32:49,000

Some abduction experts suggest that such hybrids are in fact already here.

286

00:32:50,000 --> 00:32:51,000

Coming up.

287

00:32:52,000 --> 00:32:55,000

There was some sort of infiltration of society going on.

288

00:32:56,000 --> 00:33:01,000

Are we dealing with hybrids who will replace humans?

289

00:33:10,000 --> 00:33:17,000

Pacific Palisades, California, July 17th, 2015, 5 p.m.

290

00:33:18,000 --> 00:33:25,000

Police are alerted that inside an abandoned SUV parked on a residential street is a dead body.

291

00:33:26,000 --> 00:33:33,000

The badly decomposed corpse is sent to the coroner's office so that identification of the victim can be made.

292

00:33:34,000 --> 00:33:42,000

Although foul play is not suspected, as police continue to investigate, the case takes a bizarre turn.

293

00:33:42,000 --> 00:33:51,000

The body is identified by his fiancée as 60-year-old Jeffrey Allen Lash.

294

00:33:54,000 --> 00:34:07,000

Los Angeles police find more than 1,200 guns and seven tons of ammunition, along with numerous militarized vehicles and \$230,000 in cash inside of his home.

295

00:34:08,000 --> 00:34:16,000

His fiancée reports that Lash had proclaimed to be an alien hybrid secretly working for the government.

296

00:34:17,000 --> 00:34:19,000

It's the weirdest story I think I've ever heard.

297

00:34:20,000 --> 00:34:32,000

His girlfriend, and she seems to be pretty normal and legit, claims that he's an alien hybrid, that he was placed on this planet to do something specifically.

298

00:34:33,000 --> 00:34:34,000

Nothing adds up about his case. Nothing.

299

00:34:35,000 --> 00:34:45,000

When examining the body, the coroner's office could not find any fingerprints, even though fingerprints are the last skin tissue to decompose.

300

00:34:46,000 --> 00:34:54,000

Lash apparently had no fingerprints. His fiancée believed that he was an alien hybrid.

301

00:34:55,000 --> 00:35:02,000

And we have to wonder who this guy was. Was he really an alien hybrid, as he said? Why did he have all these weapons?

302

00:35:05,000 --> 00:35:15,000

A number of people who have claimed that they've been abducted by extraterrestrials also claim that they've witnessed what they say are alien human hybrids.

303

00:35:16,000 --> 00:35:30,000

And this would indicate that the extraterrestrials have a program of manipulating people and their DNA to genetically alter us slightly.

304

00:35:30,000 --> 00:35:44,000

And perhaps this has been going on for thousands of years, and that even as we are today, we've

been manipulated subtly by extraterrestrials, and this is still going on.

305

00:35:46,000 --> 00:35:54,000

As more and more people around the planet have been experiencing, whether they're seeing lights, whether they're being taken, whether they're missing time,

306

00:35:54,000 --> 00:36:07,000

there is a global evolution of a relationship with an alien presence that by the 21st century has moved from creatures from outer space

307

00:36:08,000 --> 00:36:14,000

to human ET hybrids that are a combination of something alien and something human.

308

00:36:15,000 --> 00:36:21,000

And in that evolution, we are now seeing a hybridization program on this planet.

309

00:36:22,000 --> 00:36:28,000

Is it possible that Lash's claim to be an alien hybrid might actually be true?

310

00:36:29,000 --> 00:36:42,000

For the last decade, self-proclaimed abductees have been coming to Dr. David Jenkins in rapidly

increasing numbers with alarmingly similar stories of alien hybrid integration into society.

311

00:36:43,000 --> 00:36:58,000

What I've had now recently is people who have befriended hybrids, who have come down to live here. The hybrid looks absolutely human.

312

00:36:59,000 --> 00:37:04,000

There is no difference whatsoever except one major, major, major difference.

313

00:37:05,000 --> 00:37:15,000

They are telepathic and they are neurologically controlling. They can control people's minds. They can make people think or do or act any way they want.

314

00:37:16,000 --> 00:37:20,000

And we can't do that. That would make us a second-class species.

315

00:37:20,000 --> 00:37:35,000

And the question is, are we dealing with hybrids who will replace humans or who will live alongside humans and control them? I don't really know the answer to that.

316

00:37:37,000 --> 00:37:42,000

Could it be that there really are alien hybrids currently living amongst us?

317

00:37:42,000 --> 00:37:53,000

As fantastic as it may sound, recent statements made by some of the world's most powerful leaders may just point to such a scenario.

318

00:38:12,000 --> 00:38:19,000

When he was over, he makes a shocking statement, not realizing that his microphone is still on.

319

00:38:19,000 --> 00:38:27,000

Together with the broadcast of the Chimodan with the nuclear codes, the president of the country brings a special folder.

320

00:38:28,000 --> 00:38:38,000

It is written as a secret and it is completely dedicated to the priestess who visited our planet.

321

00:38:49,000 --> 00:38:59,000

The human groups that are monitoring them. And you know, it's interesting about this video. The journalist that he was talking with, she was laughing nervously while he was doing this.

322

00:39:00,000 --> 00:39:02,000

But he was totally with straight face during all of this.

323

00:39:02,000 --> 00:39:04,000

How many of us are in the middle of this?

324

00:39:05,000 --> 00:39:07,000

I won't tell you how many of us are in the middle of this because it might cause a fight.

325

00:39:09,000 --> 00:39:26,000

Here he is on film saying that extraterrestrials live amongst us. I don't think this was an accident. I believe that what he was doing was part of a policy that the Russian government has begun implementing at the highest level to prepare its citizens for the truth.

326

00:39:27,000 --> 00:39:44,000

Is it possible that there are already aliens living among us and that our governments are fully aware of this? Could this be the culmination of years of extraterrestrial abductions?

327

00:39:45,000 --> 00:40:00,000

Our decisions here as a species could very well be affecting these other civilizations. So they may be in a sense intervening on their own behalf. They might not really care about whether we make it or not.

328

00:40:01,000 --> 00:40:20,000

If invasion and takeover of the planet were the goal of these extraterrestrial biological entities, they are so advanced, it could be done easily. Therefore, invasion and takeover of the world cannot be their goal.

329

00:40:21,000 --> 00:40:28,000

And if that is not the goal, then what is the goal? What is the alien agenda?

330

00:40:30,000 --> 00:40:46,000

You have sort of dichotomy of are we being invaded by terrible extraterrestrials or trying to take over our planet? Or are the extraterrestrials really trying to help us and that this has been an ongoing thing for many thousands of years?

331

00:40:47,000 --> 00:41:10,000

I think these abduction stories are all part of a larger plan. A plan going on for a very long time. This what we are experiencing now is the next step. Where we are now learning that we are not alone and that they soon will come back.

332

00:41:10,000 --> 00:41:14,000

Because that is what they promised in the ancient texts.

333

00:41:16,000 --> 00:41:24,000

Are extraterrestrials really coming to Earth in order to capture and examine human specimens?

334

00:41:25,000 --> 00:41:42,000

And if so, is their plan to join us or replace us? Perhaps the final outcome will be determined by how ready we are to welcome them. And how well we treat each other.

335

00:41:42,000 --> 00:41:55,000

One thing appears certain. Mankind's very existence hangs in the balance. And the time for answers could be sooner than we think.
