

1

00:00:00,304 --> 00:00:04,305

This is the best document that's been leaked.

2

00:00:04,305 --> 00:00:09,306

What is in this book is, I'm going to say, shocking.

3

00:00:09,306 --> 00:00:14,307

You have the illustrations of different crafts.

4

00:00:14,307 --> 00:00:16,308

I've seen this shape before.

5

00:00:16,308 --> 00:00:19,308

In India, it's an upside-down, a Vimana shape.

6

00:00:19,308 --> 00:00:21,309

I mean, this is sensational.

7

00:00:21,309 --> 00:00:26,310

There is a paragraph in here that implies some agreement

8

00:00:26,310 --> 00:00:31,311

between the United States and the extraterrestrials.

9

00:00:31,311 --> 00:00:36,312

Encounters will take place at military installations

10

00:00:36,312 --> 00:00:41,313

selected by mutual agreement.

11

00:00:41,313 --> 00:00:44,314

This is solid confirmation that our government knew

12

00:00:44,314 --> 00:00:49,315

and was dealing with extraterrestrial entities and technology.

13

00:00:49,315 --> 00:00:51,316

This is solid.

14

00:00:56,317 --> 00:01:00,318

Vimana

15

00:01:00,318 --> 00:01:02,318

Vimana

16

00:01:02,318 --> 00:01:05,319

Vimana

17

00:01:05,319 --> 00:01:10,320

Vimana

18

00:01:10,320 --> 00:01:14,321

Vimana

19

00:01:14,321 --> 00:01:19,322

Vimana

20

00:01:19,322 --> 00:01:22,323

Vimana

21

00:01:22,323 --> 00:01:24,323

Burbank, California

22

00:01:24,323 --> 00:01:27,324

December, 1984

23

00:01:27,324 --> 00:01:32,325

Movie producer and UFO researcher Jamie Chandra

24

00:01:32,325 --> 00:01:35,326

arrives home to find a Manila envelope

25

00:01:35,326 --> 00:01:39,327

has been dropped through the mail slot of his front door.

26

00:01:39,327 --> 00:01:44,328

The postmark indicates that it was sent from Albuquerque, New Mexico,

27

00:01:44,328 --> 00:01:49,329

but no return address is written on the envelope.

28

00:01:49,329 --> 00:01:56,330

When he opens it, he finds only a roll of 35-millimeter film.

29

00:01:56,330 --> 00:01:59,331

And what he had received was this package right here.

30

00:01:59,331 --> 00:02:01,332

This is the original package.

31

00:02:01,332 --> 00:02:07,333

And inside the package, there was the roll of film inside this canister.

32

00:02:07,333 --> 00:02:10,334

And this is actually the roll of film that he received.

33

00:02:10,334 --> 00:02:16,335

This film, when copied properly, produced these eight pages

34

00:02:16,335 --> 00:02:21,336

of the Eisenhower Briefing Document.

35

00:02:21,336 --> 00:02:27,338

The Eisenhower Briefing Document is a memo that was allegedly written in 1952

36

00:02:27,338 --> 00:02:31,338

by the first director of the CIA, Roscoe Hillencoder,

37

00:02:31,338 --> 00:02:34,339

to President-elect Dwight Eisenhower.

38

00:02:34,339 --> 00:02:39,340

In it, Hillencoder writes that sitting President Harry Truman

39

00:02:39,340 --> 00:02:44,341

has formed a secret group within the U.S. government called the Majestic 12

40

00:02:44,341 --> 00:02:49,343

to examine crashed extraterrestrial spacecraft.

41

00:02:49,343 --> 00:02:54,344

The document that he received basically reported that we had had previous crashes,

42

00:02:54,344 --> 00:02:57,344

including the one at Roswell.

43

00:02:57,344 --> 00:03:02,345

The bottom line, recommendation to President Eisenhower

44

00:03:02,345 --> 00:03:06,346

was that this topic continued to be kept secret.

45

00:03:06,346 --> 00:03:13,348

Aerospace engineer Dr. Robert Wood was one of the men Chanderay asked to examine this memo.

46

00:03:13,348 --> 00:03:19,349

His 43-year career included work on aerodynamic heating,

47

00:03:19,349 --> 00:03:25,351

ballistic missile defense, radar, and the space station.

48

00:03:25,351 --> 00:03:30,352

It is his opinion that this document is the smoking gun

49

00:03:30,352 --> 00:03:36,353

to prove that the most famous alleged UFO crash of all time, the Roswell incident,

50

00:03:36,353 --> 00:03:40,354

really was an extraterrestrial event.

51

00:03:40,354 --> 00:03:45,355

For several years, I was looking at the authenticity of this memo

52

00:03:45,355 --> 00:03:48,356

and trying to relate to other sources.

53

00:03:48,356 --> 00:03:54,357

In terms of the main ideas and the statements of fact and the memo being correct,

54

00:03:54,357 --> 00:03:57,358

I'm confident that they are.

55

00:03:58,358 --> 00:04:03,359

The Roswell incident that is detailed in the Eisenhower Briefing Document

56

00:04:03,359 --> 00:04:08,361

occurred in 1947 during Truman's first term in office,

57

00:04:08,361 --> 00:04:12,361

when Eisenhower was Chief of Staff of the Army.

58

00:04:14,362 --> 00:04:23,364

On July 7th, an unidentified object crashed on a ranch just outside the town of Roswell, New Mexico.

59

00:04:23,364 --> 00:04:29,365

The next day, the local newspaper announced that officials from the Army airfield

60

00:04:29,365 --> 00:04:33,366

had reported the capture of a, quote, flying saucer.

61

00:04:33,366 --> 00:04:38,367

But just a few hours later, the military revised that statement

62

00:04:38,367 --> 00:04:42,368

to say the object was nothing more than a weather balloon.

63

00:04:42,368 --> 00:04:47,369

Since that time, further details have emerged from alleged insiders

64

00:04:47,369 --> 00:04:54,371

that not only one craft, but three, and even alien bodies were retrieved that night.

65

00:04:54,371 --> 00:04:58,372

Harry Truman is President of the United States.

66

00:04:58,372 --> 00:05:02,373

Dwight D. Eisenhower, General Nathan Twining.

67

00:05:03,373 --> 00:05:08,374

These people would be the very first that would get these calls.

68

00:05:08,374 --> 00:05:11,375

And there was some sort of a communication glitch.

69

00:05:11,375 --> 00:05:14,376

That's how that headline made it out.

70

00:05:14,376 --> 00:05:19,377

That one headline was telling the truth, but this government did not want information

71

00:05:19,377 --> 00:05:24,378

about nonhumans out to what their perceived enemies were.

72

00:05:24,378 --> 00:05:31,379

And Harry S. Truman, a practical man in every way, looking at this whole situation,

73

00:05:31,379 --> 00:05:36,381

he must have said, I need help, I can trust.

74

00:05:36,381 --> 00:05:41,382

If you were President Truman in 1947 and you were presented with credible evidence

75

00:05:41,382 --> 00:05:46,383

that there was an alien presence on planet Earth, what would you do?

76

00:05:46,383 --> 00:05:49,384

You would create a commission to study what is going on

77

00:05:49,384 --> 00:05:52,384

and make recommendations and explore the subject.

78

00:05:52,384 --> 00:05:54,385

What did President Harry Truman do?

79

00:05:54,385 --> 00:05:57,385

He created Majestic 12.

80

00:05:57,385 --> 00:05:59,386

He created the National Security Act.

81

00:05:59,386 --> 00:06:01,386

He created the National Security Council.

82

00:06:01,386 --> 00:06:08,388

And he created the CIA all at the same time in response to this threat.

83

00:06:08,388 --> 00:06:13,389

The U.S. government decided it needed to have a main central oversight committee

84

00:06:13,389 --> 00:06:17,390

that would handle the so-called alien problem.

85

00:06:17,390 --> 00:06:22,391

The mission of Maj12 was to decide on what the United States government policy should be

86

00:06:22,391 --> 00:06:25,392

towards aliens and extraterrestrials,

87

00:06:25,392 --> 00:06:30,393

what it should be towards releasing the information or keeping it secret.

88

00:06:30,393 --> 00:06:38,395

And they were empowered to ultimately decide everything regarding the presence of aliens on the planet Earth.

89

00:06:38,395 --> 00:06:42,396

President Eisenhower's great-granddaughter, Laura Eisenhower,

90

00:06:42,396 --> 00:06:46,397

claims that the Majestic 12 was a real organization

91

00:06:46,397 --> 00:06:54,398

and that her great-grandfather had no choice but to continue what his predecessor, Harry Truman, had started.

92

00:06:54,398 --> 00:06:57,399

President Eisenhower was definitely in a very challenged position

93

00:06:57,399 --> 00:07:01,400

as far as how to handle the exo-political issues going on.

94

00:07:01,400 --> 00:07:08,402

He was actually a scapegoat or somebody, everybody could later blame for some of the things that are happening.

95

00:07:08,402 --> 00:07:12,402

That is actually Maj12. This is the hidden shadow government.

96

00:07:12,402 --> 00:07:14,403

He wasn't able to do anything about it.

97

00:07:14,403 --> 00:07:20,404

But the ones that were close to him knew that he was going to put out this information for the

public.

98

00:07:20,404 --> 00:07:25,405

And it got shut down. They even had a planned date and nothing ended up happening.

99

00:07:26,406 --> 00:07:29,406

March 1994.

100

00:07:29,406 --> 00:07:35,408

Almost a decade after Jamie Chandra received the Eisenhower briefing document,

101

00:07:35,408 --> 00:07:41,409

Majestic 12 researchers are shocked when a second roll of film surfaces.

102

00:07:41,409 --> 00:07:49,411

This time, it is sent anonymously to a UFO group in Maryland from Quillen's drug store in La Crosse, Wisconsin.

103

00:07:50,411 --> 00:07:57,413

Investigative journalist Linda Moulton-Howe was among the first to examine these documents

104

00:07:57,413 --> 00:08:03,414

and she has been conducting research on Maj12 for more than two decades.

105

00:08:06,415 --> 00:08:14,417

In April 2017, editor and researcher Georgios Uccholos traveled to Albuquerque, New Mexico

106

00:08:15,417 --> 00:08:21,418

to meet with Linda and find out what she knows about these mysterious documents.

107

00:08:23,419 --> 00:08:32,421

So if you understand this correctly, the first documentation of the Maj12 files came in the form of 35mm negatives

108

00:08:32,421 --> 00:08:37,422

that somebody at some point took photos of a document that existed in paper form.

109

00:08:37,422 --> 00:08:41,423

Do we know who did this? Who took those photographs?

110

00:08:42,423 --> 00:08:51,425

Throughout my experience as a reporter, there are people who have served in the military or CIA, DIA, NSA, NRO

111

00:08:51,425 --> 00:08:56,426

and they are out there and they have grudges. They are angry.

112

00:08:56,426 --> 00:09:01,427

They feel that this story should come out or that they have been infringed against.

113

00:09:01,427 --> 00:09:07,429

And in this case, this might have been somebody who had this manual in their work

114

00:09:07,429 --> 00:09:12,430

photograph that may be right there at the pharmacy and the rest is history.

115

00:09:13,430 --> 00:09:22,432

Of all the documents that I have ever seen and studied, it is this restricted SOM-101 Maj12 group special operations manual

116

00:09:22,432 --> 00:09:31,434

that I think is really confirmation goes beyond disclosure because this is April 1954 Maj12 group.

117

00:09:31,434 --> 00:09:35,435

It's the war office stamp. It is real and the title.

118

00:09:35,435 --> 00:09:40,436

Extraterrestrial entities and technology recovery and disposal.

119

00:09:40,436 --> 00:09:53,439

Top secret, magic eyes only and in here magic is defined as the top, the highest national security clearance in the United States.

120

00:09:53,439 --> 00:09:55,440

This is sensational.

121

00:09:56,440 --> 00:10:12,443

Did the United States government learn about an alien presence on Earth in the 1940s and devise a top secret committee to investigate this shocking revelation?

122

00:10:13,444 --> 00:10:26,447

Ancient astronaut theorists say yes and suggest further examination of the Maj12 documents reveals that the government was not only aware of extraterrestrials

123

00:10:26,447 --> 00:10:30,448

but also interacted with them.

124

00:10:31,448 --> 00:10:41,450

Albuquerque, New Mexico.

125

00:10:41,450 --> 00:10:49,452

Ancient astronaut theorist, Georgiosuclos, is at the home of Linda Moulton-Howell.

126

00:10:50,452 --> 00:11:02,455

After examining all of the material related to the Maj12, she believes that the most compelling documents are those that surfaced in Maryland in 1994.

127

00:11:02,455 --> 00:11:11,457

This to me, this is the best document that's been leaked. It's called restricted SOM-101 Maj12 group.

128

00:11:12,457 --> 00:11:22,459

And all of us, when we first saw that title, extraterrestrial entities and technology recovery and disposal, one of the first things that everybody wanted to do was find out,

129

00:11:22,459 --> 00:11:28,461

okay, did they use this stamp in 1954 from the war office?

130

00:11:28,461 --> 00:11:32,462

Turns out that they did all the way up into the 60s.

131

00:11:33,462 --> 00:11:42,464

And one of the more important pieces, I think, is as you go through here, they found in a government printing office.

132

00:11:42,464 --> 00:11:52,466

Take a look at this. This is from a blow-up where they were doing a test and look at this unauthorized and look at what happens to that Z.

133

00:11:52,466 --> 00:11:54,467

It raises slightly.

134

00:11:54,467 --> 00:11:55,467

Right.

135

00:11:55,467 --> 00:12:06,469

Bob went to the government printing office and found a guy named MacArthur who was printing in the GPO in Washington, D.C. in 1954.

136

00:12:06,469 --> 00:12:12,471

And he took one look at this text and he said, this was done on a monotype.

137

00:12:12,471 --> 00:12:19,472

I used it and the Z would collect dust and that's why the Zs would print rays.

138

00:12:19,472 --> 00:12:24,474

So different steps have been taken to authenticate this document.

139

00:12:24,474 --> 00:12:25,474

Yes.

140

00:12:28,474 --> 00:12:34,476

The fellow I spoke to, he fortunately had been a long, long time employee of the public printer.

141

00:12:34,476 --> 00:12:40,477

And it actually worked on the kind of presses that he thought were appropriate for this document.

142

00:12:40,477 --> 00:12:50,480

He said based on the printing, I'd say it clearly was printed on one of the presses in this building or in this basement of the Pentagon in 1954, which is what it says.

143

00:12:51,480 --> 00:13:07,483

And then when you start getting into what is in this book, you have the illustrations and sketches of four different categories of different craft UFOs.

144

00:13:08,484 --> 00:13:11,484

And on this page, here are the discs.

145

00:13:11,484 --> 00:13:20,486

Here is a long cigar shape, which is described in this document as being up to a thousand feet in diameter.

146

00:13:20,486 --> 00:13:26,488

And then this one, the ice cream cone and this, the triangle.

147

00:13:27,488 --> 00:13:42,491

And there is a paragraph in here that implies that we are dealing with collaboration, that there must be some agreement between the United States and the extraterrestrials.

148

00:13:42,491 --> 00:13:43,492

Really?

149

00:13:43,492 --> 00:13:54,494

There is on this page 17, it's under chapter five and it goes into A, encounters initiated by the extraterrestrial biological entities.

150

00:13:54,494 --> 00:14:00,495

Possible contact may take place as a result of overtures by the entities themselves.

151

00:14:00,495 --> 00:14:14,499

In these instances, it is anticipated that encounters will take place at military installations or other obscure locations selected by mutual agreement.

152

00:14:14,499 --> 00:14:15,499

By mutual?

153

00:14:15,499 --> 00:14:17,499

Yeah, 1954.

154

00:14:18,500 --> 00:14:27,502

According to the majestic 12 documents, the men who made up this group and were in communication with beings from other worlds,

155

00:14:27,502 --> 00:14:34,503

included top scientists, government officials and high ranking military personnel.

156

00:14:36,504 --> 00:14:45,506

In 1954, President Eisenhower supposedly met with extraterrestrials in Palm Springs at Edwards Air Force Base, otherwise known as Murak.

157

00:14:46,506 --> 00:14:51,507

And there's a lot of whistleblower testimony about his presence at this meeting.

158

00:14:51,507 --> 00:14:55,508

He was just as probably alarmed or shocked as anybody, you know, realizing the larger picture.

159

00:14:55,508 --> 00:15:02,510

But with all the whistleblower testimony about these different encounters, I pretty much sighed on the fact that he did make contact.

160

00:15:02,510 --> 00:15:07,511

One of the interesting members of the MJ-12 was Dr. Professor Donald Menzel,

161

00:15:09,511 --> 00:15:15,513

who actually had written three books on the subject that had the general flavor of debunking it.

162

00:15:15,513 --> 00:15:23,514

And I read this book and I said, here's a guy who's allegedly a PhD in physics, but he's obviously ignoring the data.

163

00:15:23,514 --> 00:15:29,516

I'm highly confident that Dr. Menzel was working in a counterintelligence mode.

164

00:15:29,516 --> 00:15:33,517

He was intentionally trying to deceive the public that there was nothing to it.

165

00:15:33,517 --> 00:15:38,518

I personally met him, shook hands with him, and carefully avoided any discussions of UFOs.

166

00:15:38,518 --> 00:15:42,519

And he knew perfectly well that we had recovered a number of crashed flank saucers.

167

00:15:44,519 --> 00:15:51,521

Let's go to one of these that is so important to July 4th, 1947.

168

00:15:51,521 --> 00:15:58,522

Look, see those all-cap letters, IPU, date 04 July 47th.

169

00:15:58,522 --> 00:16:02,523

What was happening that we know exactly.

170

00:16:02,523 --> 00:16:06,524

IPU stands for Interplanetary Phenomena Unit.

171

00:16:06,524 --> 00:16:17,527

That's it. And this is directive to Lieutenant General Twining from Dwight Eisenhower in the

General Chain of Command.

172

00:16:17,527 --> 00:16:31,530

And what he's doing is you will proceed to the White Sands Proving Ground Common Center without delay for the purpose of making an appraisal of the reported unidentified objects being kept there.

173

00:16:31,530 --> 00:16:37,531

This is not only disclosure, it's confirmation.

174

00:16:37,531 --> 00:16:40,532

I mean, that's incredibly fascinating to me.

175

00:16:40,532 --> 00:16:48,534

And in many ways, Giorgio, this is one of the more astounding documents because this is General Nathan Twining.

176

00:16:48,534 --> 00:16:50,534

And what is he talking about?

177

00:16:50,534 --> 00:16:59,536

Upon examination of the interior of the craft, a compartment exhibiting a possible atomic engine

was discovered.

178

00:16:59,536 --> 00:17:05,538

At least this is the opinion of Dr. Oppenheimer, Robert Oppenheimer, the one who made the bomb.

179

00:17:06,538 --> 00:17:17,540

Dr. J. Robert Oppenheimer is often credited as being the father of the atomic bomb for his work on the Manhattan Project.

180

00:17:17,540 --> 00:17:34,544

A possibility exists that part of the craft itself comprises the propulsion system, thus allowing the reactor to function as a heat exchanger and permitting the storage of energy into a substance for later use.

181

00:17:34,544 --> 00:17:45,547

And what they mean, we all today have a bit of an idea that you could have an entire craft be both the propulsion system, the craft system.

182

00:17:45,547 --> 00:17:51,548

It might even be a point to point, go through dimensions and timelines in the UFO.

183

00:17:51,548 --> 00:17:54,549

That's 21st century discussion.

184

00:17:54,549 --> 00:18:00,550

This is back in the week of the discovery of the bodies in the craft.

185

00:18:00,550 --> 00:18:01,550

I mean, that this is sensational.

186

00:18:01,550 --> 00:18:02,551

It is.

187

00:18:05,551 --> 00:18:24,556

If the Majestic 12 documents provide proof that the United States government employed its top scientists to examine and reverse engineer extraterrestrial craft, how have they been able to keep this hidden from the public for all these years?

188

00:18:25,556 --> 00:18:40,559

Perhaps further clues can be found by examining the death of the first man allegedly appointed to lead the Majestic 12, as well as the assassination of John F. Kennedy.

189

00:18:46,561 --> 00:18:47,561

Bethesda, Maryland.

190

00:18:47,561 --> 00:18:50,562

May 22, 1949.

191

00:18:51,562 --> 00:18:59,564

James Forrestal, the first United States Secretary of Defense, is found dead at the Naval Hospital.

192

00:18:59,564 --> 00:19:05,565

He reportedly fell from a 16th floor window after being committed for depression.

193

00:19:06,565 --> 00:19:09,566

His death was ruled a suicide.

194

00:19:09,566 --> 00:19:19,568

But many have challenged this conclusion and believe Forrestal was assassinated because he was threatening to go public with information he had acquired from the FBI.

195

00:19:20,568 --> 00:19:23,569

About an extraterrestrial presence on Earth.

196

00:19:24,569 --> 00:19:30,571

James Forrestal was one of the most significant military figures in the history of the United States.

197

00:19:30,571 --> 00:19:33,571

He was Secretary of the Navy during and after World War II.

198

00:19:33,571 --> 00:19:38,572

He was eventually appointed the very first Secretary of Defense of the United States.

199

00:19:38,572 --> 00:19:44,574

And he visited all of these secret German technology facilities after the war.

200

00:19:44,574 --> 00:19:45,574

He went to Pena Mundi.

201

00:19:45,574 --> 00:19:47,575

He went to Middle War.

202

00:19:47,575 --> 00:19:49,575

He went to the different places where they had developed the V-2.

203

00:19:49,575 --> 00:19:54,576

And he also visited this really interesting so-called rubber plant in Salacia,

204

00:19:54,576 --> 00:19:59,577

which is where the Germans were supposedly developing the very, very high technology,

205

00:19:59,577 --> 00:20:04,578

super hyper physics weapons and weapons systems like flying saucers.

206

00:20:06,579 --> 00:20:15,581

Some believe that during the Second World War, James Forrestal discovered that the Nazis had acquired extraterrestrial technology.

207

00:20:16,581 --> 00:20:27,584

Perhaps not coincidentally, they say that after the war, President Truman put Forrestal in charge of a secret investigation into all this,

208

00:20:27,584 --> 00:20:32,585

heading up an organization known as Majestic 12 or MJ-12.

209

00:20:34,585 --> 00:20:37,586

There's a lot of controversy about Secretary Forrestal's final years.

210

00:20:38,586 --> 00:20:40,587

He was on MJ-12.

211

00:20:40,587 --> 00:20:44,588

He became familiar with what was transpiring with the alien presence.

212

00:20:44,588 --> 00:20:47,588

And there's always been a question, was this his suicide?

213

00:20:47,588 --> 00:20:49,589

Was he pushed? What really happened?

214

00:20:51,589 --> 00:20:56,590

Some people say that Forrestal was determined to tell the American public about what he had seen

215

00:20:56,590 --> 00:21:00,591

regarding the alien presence, the alien influence on Nazi technology,

216

00:21:00,591 --> 00:21:06,593

and that when he wanted to go public with this, that they created a fake backstory of him being despondent

217

00:21:06,593 --> 00:21:13,594

and murdered him by literally throwing him out of the 16th floor window of the hospital facility he had been imprisoned in.

218

00:21:14,594 --> 00:21:22,596

Is it possible that James Forrestal was silenced to keep him from revealing the truth about an alien presence here on Earth?

219

00:21:24,597 --> 00:21:30,598

There was a release of another, I'm going to say, shocking document.

220

00:21:31,598 --> 00:21:36,599

As extraordinary as the notion of Forrestal's assassination may seem,

221

00:21:36,599 --> 00:21:46,602

ancient astronaut Theorist proposed that one of the Majestic 12 documents points to the assassination of an even higher level government official.

222

00:21:47,602 --> 00:21:56,604

The story is that it was supposed to have been destroyed and somebody put it in a fireplace and that another person pulled it out.

223

00:21:57,604 --> 00:21:58,604

So what does it say?

224

00:21:58,604 --> 00:22:07,606

Top secret MJ-12 Central Intelligence Agency from Director of Central Intelligence Agency MJ-1.

225

00:22:07,606 --> 00:22:13,608

Who was that? That was Alan Dulles, 60 to 63 under Kennedy.

226

00:22:14,608 --> 00:22:23,610

Okay, you must know Lancer has made some inquiries regarding our activities.

227

00:22:23,610 --> 00:22:30,612

And Lancer during the Kennedy administration was the secret service name for the president.

228

00:22:31,612 --> 00:22:34,613

This is the head of the CIA, MJ-1.

229

00:22:34,613 --> 00:22:37,613

Going against the president's wishes of finding out more.

230

00:22:37,613 --> 00:22:44,615

Which we cannot allow. Please submit your views no later than October.

231

00:22:44,615 --> 00:22:51,616

If that was in 63, he was dead one month later in Dallas.

232

00:22:52,617 --> 00:22:58,618

And in fact, Bob Wood told me this was in a report I did.

233

00:22:58,618 --> 00:23:09,621

Linda, as far as I know, this burn memo is the only document that I've ever heard anyone claim could be the authorization to kill President John F. Kennedy.

234

00:23:11,621 --> 00:23:13,622

I mean, that's an extraordinary claim.

235

00:23:13,622 --> 00:23:19,623

It's absolutely fascinating and unlike anything I've ever heard before.

236

00:23:19,623 --> 00:23:28,625

The inference of the Scorch memo is that if JFK keeps doing what he's doing, that he maybe is a problem.

237

00:23:28,625 --> 00:23:40,628

It identifies a number of actions that could be taken, one of which, the last one, implies that if Washington does not respond to what they want done, it should be wet.

238

00:23:40,628 --> 00:23:48,629

And that's the language that I think the Soviets started to use for assassination because wet is associated with blood.

239

00:23:50,630 --> 00:24:03,633

If the Majestic 12 documents are indeed authentic, are they proof that not only were members of the United States government aware of and in contact with extraterrestrial beings,

240

00:24:03,633 --> 00:24:09,634

but also that they would go to any length to keep this information hidden from the public?

241

00:24:10,634 --> 00:24:23,637

Former Washington DC attorney Douglas Caddy was a close friend of E. Howard Hunt, who he represented when Hunt was found to be at the center of the Watergate scandal in 1972.

242

00:24:23,637 --> 00:24:28,639

Hunt was an officer in the CIA when John F. Kennedy was president.

243

00:24:29,639 --> 00:24:36,640

Caddy claims that he asked Howard Hunt about the assassination one night and received a shocking answer.

244

00:24:38,641 --> 00:24:45,642

The last time I saw Howard Hunt was in 1975. He called me and said he'd like to have dinner.

245

00:24:45,642 --> 00:24:53,644

So dinner was finished, we went out to the sidewalk and I thought, well, this may be the last time I'll see Howard. He's going away and I'm moving from Washington.

246

00:24:53,644 --> 00:24:58,645

And so at my own curiosity, I said to Howard, I was John Kennedy assassinated.

247

00:25:03,647 --> 00:25:10,648

And he said John Kennedy was assassinated because he was about to give our most vital secret to the Soviet Union.

248

00:25:10,648 --> 00:25:18,650

And I said, our most vital secret? I said, what could that be? He leaned forward and looked me in the eyes and he said the alien presence.

249

00:25:18,650 --> 00:25:21,651

He shook my hand and walked away.

250

00:25:22,651 --> 00:25:35,654

If the stories about the Majestic 12 are true and those involved with the top secret group were ready to take such drastic measures to keep its existence hidden, was it ever discontinued?

251

00:25:35,654 --> 00:25:41,655

Do you think that MJ-12 is still in existence today?

252

00:25:41,655 --> 00:25:49,657

Well, what I've been told is that they have changed the letters and the numbers probably more than once.

253

00:25:49,657 --> 00:25:57,659

So it's the same idea. It's the same control, same files, same archives, same power.

254

00:25:57,659 --> 00:26:10,662

If you look at what has happened in the last 60 years, it's really possible that more decisions have been made in a side of our government because of this subject, ETs and technology.

255

00:26:11,662 --> 00:26:13,663

Than any of us would ever know.

256

00:26:17,663 --> 00:26:32,667

July 20th, 1969. Six years after President Kennedy's assassination, American astronauts Neil Armstrong and Edwin Buzz Aldrin become the first humans to land on the moon.

257

00:26:33,667 --> 00:26:39,668

At one small step for man, one giant leap for mankind.

258

00:26:41,669 --> 00:26:50,671

But there are some who believe this was not the first moon landing and that other highly classified missions proceeded in.

259

00:26:51,671 --> 00:27:09,675

In 2014, declassified documents revealed that the United States had a secret project underway in 1959 to not just reach the moon, but even establish military bases there by 1965.

260

00:27:10,676 --> 00:27:15,677

When President Kennedy said, we're going to go to the moon, there were many, many proposals on the table.

261

00:27:15,677 --> 00:27:31,680

One of them was called Project Horizon and the idea behind Project Horizon was that we would launch more than 140 rockets up into low Earth orbit, assemble basically empty fuel containers, large tubes, send them to the moon,

262

00:27:31,680 --> 00:27:39,682

soft land them on the moon and assemble them together into a permanent moon base that would start with about 20 astronauts and eventually be populated by hundreds.

263

00:27:39,682 --> 00:27:44,683

The idea being that we would establish a permanent military presence on the surface of the moon.

264

00:27:47,684 --> 00:27:58,686

Project Horizon was the brainchild of Verne von Braun, the former Nazi rocket scientist whose multi-stage rocket design is still used today.

265

00:27:59,687 --> 00:28:11,689

And who, according to the Majestic 12 documents, was one of the men that worked on reverse engineering the extraterrestrial craft that crashed in Roswell, New Mexico.

266

00:28:14,690 --> 00:28:21,692

In addition to establishing bases on the moon, Verne von Braun had another goal, to reach Mars.

267

00:28:22,692 --> 00:28:27,693

He considered this to be achievable even as far back as the 1960s.

268

00:28:27,693 --> 00:28:34,695

And there are those who claim that the United States and other nations have bases there right now.

269

00:28:35,695 --> 00:28:40,696

One of the first alleged missions to Mars was a project called Solar Warden.

270

00:28:41,696 --> 00:28:49,698

At least one person, Corey Good, has come forward to say that he was recruited for Project Solar Warden.

271

00:28:50,698 --> 00:29:02,701

According to Corey, he was targeted because his grandfather was involved in another secret project that took place around the same time MJ-12 was allegedly formed.

272

00:29:03,701 --> 00:29:04,702

Project White Coat.

273

00:29:07,702 --> 00:29:10,703

Project White Coat was set up during World War II.

274

00:29:11,703 --> 00:29:15,704

Officially, they were taking soldiers and experimenting on them with viruses.

275

00:29:16,704 --> 00:29:22,706

Well, it turns out that our government was working with genetics far before we supposedly

discovered them in the 50s.

276

00:29:23,706 --> 00:29:29,707

Genetics were being manipulated and genetic changes were being delivered to people through viruses.

277

00:29:30,707 --> 00:29:33,708

My grandfather happened to be one of these participants.

278

00:29:34,708 --> 00:29:38,709

They were keeping an eye on my lineage because of this program.

279

00:29:38,709 --> 00:29:49,712

And they brought me in to this training program that would last from the age of about six years old to about 17 years old when I was officially drafted into Solar Warden.

280

00:29:52,712 --> 00:29:57,714

Very soon after joining the space program, I was assigned to a research vessel.

281

00:29:58,714 --> 00:29:59,714

I was doing communications.

282

00:29:59,714 --> 00:30:04,715

A sub-program that I was a part of in the beginning was called the Intruder Intercept and Interrogation Program.

283

00:30:05,715 --> 00:30:08,716

Different beings were living on our planet amongst us.

284

00:30:09,716 --> 00:30:15,718

And the mandate was to capture these beings, interrogate them, and find out why they were here.

285

00:30:17,718 --> 00:30:21,719

The United States Secret Space Program, its roots actually go back to Nazi Germany.

286

00:30:22,719 --> 00:30:31,721

A lot of the scientists that we obtained in Operation Paperclip were in contact with a breakaway society that had already developed spacecraft.

287

00:30:34,722 --> 00:30:37,723

Currently, there are at least three dozen nations involved.

288

00:30:38,723 --> 00:30:46,725

Some of the countries involved right now are countries like Estonia, the Ukraine, and of course we have the larger players in the United States.

289

00:30:47,725 --> 00:30:49,725

China, Germany, Russia.

290

00:30:50,726 --> 00:30:52,726

Britain is also a large player in the secret space program.

291

00:30:52,726 --> 00:31:08,730

If this seems impossible to believe, remember that the Manhattan Project was in operation for almost ten years in the development of the nuclear bomb.

292

00:31:10,730 --> 00:31:13,731

It employed over 130,000 people.

293

00:31:14,731 --> 00:31:19,732

Not one person came forward with information about what they were working on.

294

00:31:19,732 --> 00:31:22,733

That proves that the government can keep a secret.

295

00:31:26,734 --> 00:31:31,735

Could there really be over 30 different countries with secret operations in outer space?

296

00:31:35,736 --> 00:31:38,737

Working at bases on both the moon and Mars.

297

00:31:40,737 --> 00:31:48,739

According to Corey Good, not only is this true, but the first members of these secret space programs found that when they realized that the secret space program was not working,

298

00:31:49,739 --> 00:31:51,740

they reached these celestial bodies.

299

00:31:52,740 --> 00:31:54,740

They were not the first visitors.

300

00:31:56,741 --> 00:32:03,742

When the secret space program began to travel to other bodies in our solar system, they were finding ancient structures.

301

00:32:04,743 --> 00:32:09,744

They quickly dubbed the people that built these structures the ancient builder race.

302

00:32:10,744 --> 00:32:19,746

What our astronauts were mainly finding were structures that had been destroyed a long time ago, and they were very interesting structures.

303

00:32:20,746 --> 00:32:27,748

Some of them were floating off of the ground and were mostly complete. Others were completely shattered.

304

00:32:29,748 --> 00:32:38,750

You can find all the proof you want that there are ancient extraterrestrial inhabitations of the planet Mars and our own moon.

305

00:32:39,751 --> 00:32:49,753

Just by looking at the NASA pictures, you'll see pyramids, you'll see bridges, and you see all kinds of so-called rocks that do not appear to be rocks.

306

00:32:50,753 --> 00:32:57,755

I have seen numerous images of what appear to be structures that may or may not be active and may or may not be inhabited.

307

00:32:58,755 --> 00:33:14,758

Perhaps we are now on both the moon and Mars, with brand new space installations that are using ancient structures that were built thousands and even millions of years ago.

308

00:33:15,759 --> 00:33:33,763

Could Corey Goetz' incredible claims be true? Is Project Solar Wharton the product of plans put in motion by the Majestic 12 decades ago to deal with an extraterrestrial presence in our solar system?

309

00:33:34,763 --> 00:33:51,767

Nearly 20 years after the first Majestic 12 documents surfaced, a computer hacker named Gary McKinnon claimed to have discovered the strongest evidence yet to support their authenticity within the secret files of NASA.

310

00:33:52,767 --> 00:34:01,769

London, England, March 19, 2002.

311

00:34:02,769 --> 00:34:11,771

At 8 a.m., the National High-Tech Crime Unit arrives at the home of 34-year-old Scottish systems administrator Gary McKinnon.

312

00:34:12,772 --> 00:34:18,773

They are there to arrest him on behalf of the United States Justice Department and NASA.

313

00:34:19,773 --> 00:34:26,775

For the past year, McKinnon has been hacking into top-secret Pentagon and NASA computers.

314

00:34:27,775 --> 00:34:39,778

What he uncovered were files that he claims could provide undeniable proof that the Majestic 12 and the secret space program it gave rise to truly exist.

315

00:34:40,778 --> 00:34:52,781

Among the things I found, there was an Excel spreadsheet entitled Non-Terrestrial Officers, which I took to be a space-going fleet made of human personnel, not aliens.

316

00:34:52,781 --> 00:35:03,783

It did list their names, I couldn't find them on the internet at the time. There was also a list of ships. I googled the ship names, there were no matches. I knew they weren't ocean-going vessels.

317

00:35:03,783 --> 00:35:27,789

Interestingly, some of the names of these ships were people allegedly involved in Majestic 12. If there was a secret space program and if it has anything to do with back-engineering crashed alien

spacecraft, then those MJ-12 people are exactly the ones you would expect to find name-checked in this way.

318

00:35:28,789 --> 00:35:48,794

According to McKinnon, the most shocking file he came across was on a computer at NASA's Johnson Space Center. Within a folder labeled unfiltered, he spotted a thumbnail image of a high-res NASA satellite photo, which appeared to depict an unusual spacecraft.

319

00:35:49,794 --> 00:36:03,797

I double-clicked on this image and it was coming down very slowly. I could see this tubular, a classic cigar-shaped UFO with these kind of geodesic domes, like half a golf ball stuck on top and underneath.

320

00:36:04,797 --> 00:36:13,799

And I'm just amazed because I found real evidence of what I thought was a UFO, although it could have been a secret spaceship, who knows.

321

00:36:13,799 --> 00:36:22,801

But there it wasn't frantically coming down the screen and then suddenly I saw the mouse move across the screen, right-click the lan icon and choose disconnect.

322

00:36:22,801 --> 00:36:31,803

And lost the chance to fully transfer the photo to my machine, so it was a eureka moment bold, so I went, ah, they got me.

323

00:36:34,804 --> 00:36:40,805

Did Gary McKinnon discover a NASA image of an alien craft or something else?

324

00:36:41,806 --> 00:36:49,807

The secrecy associated with MJ-12 in my judgment has permitted us to spend a huge amount of money, trillions of dollars.

325

00:36:50,808 --> 00:37:03,811

My more recent conclusion is that some of the trillions of dollars of money have been used to take the technology we have discovered and build gravity-controlled devices that we would see sometimes as UFOs.

326

00:37:03,811 --> 00:37:10,812

So if you look in the sky now, in my opinion, it's 50-50 chance that it's ours versus theirs.

327

00:37:11,813 --> 00:37:22,815

According to Corey Good, what Gary McKinnon discovered in the top secret Pentagon and NASA files is in line with his own experiences.

328

00:37:24,815 --> 00:37:32,817

Gary ended up being the first person to uncover tangible proof of these programs through his hacking.

329

00:37:32,817 --> 00:37:47,821

Interestingly enough, the information he obtained on the different types of spacecraft, the non-terrestrial officers, fleet-to-fleet transfers, all of this perfectly coincided with Project Solar Warden.

330

00:37:48,821 --> 00:38:03,824

Corey claims that the Majestic-12 documents from the 1950s, which reveal that interactions were taking place between government officials and numerous alien species, are accurate as well.

331

00:38:04,825 --> 00:38:18,828

Currently in the secret space programs, we've been dealing with approximately 60 different non-terrestrial groups that have come here and some of those groups are interacting with the governments of the world right now.

332

00:38:19,828 --> 00:38:32,831

If there really are both alien and human factions operating throughout our solar system, how much longer can it be kept hidden from the public?

333

00:38:33,831 --> 00:38:41,833

Ancient astronaut theorists suggest recent government statements reveal that the truth will soon be disclosed.

334

00:38:49,835 --> 00:38:53,836

New Delhi, India, January 2010.

335

00:38:54,836 --> 00:38:59,837

The India space program announces plans for their first man trip to the moon.

336

00:39:02,838 --> 00:39:08,839

China, Russia and the United States all have similar plans in the works.

337

00:39:09,839 --> 00:39:17,841

There are also numerous planned missions to Mars currently in development by both private and public organizations.

338

00:39:18,841 --> 00:39:33,845

In the midst of this new fervor for space exploration, on April 7th, 2015, NASA Chief Scientist Ellen Stofan makes a bold statement concerning the discovery of extraterrestrial life.

339

00:39:34,845 --> 00:39:42,847

I think we're going to have strong indications of life beyond Earth within a decade and I think we're going to have definitive evidence within 20 to 30 years.

340

00:39:43,847 --> 00:39:50,849

When we look at that statement and we compare it with the new lunar and Martian missions that are coming up,

341

00:39:52,849 --> 00:40:09,853

we have reason to believe that we may be getting prepared drip by drip for an open public acknowledgement of the reality of a secret space program that has been in existence throughout much of the 20th century and only now is going to be revealed to us.

342

00:40:10,853 --> 00:40:29,858

I don't think MJ-12 is the only thing that's been kept secret and I think the disclosure process needs to go way beyond MJ-12 because it's just a tiny portion of the secrets that this country lives in and with and my goal is to find the truth.

343

00:40:30,858 --> 00:40:33,859

I don't care what the truth is, I want to find the truth.

344

00:40:34,859 --> 00:40:40,860

Once this knowledge is revealed to us, it will fundamentally propel us into a Star Trek age.

345

00:40:41,860 --> 00:40:47,862

Almost overnight, we will have the ability to travel throughout our solar system, perhaps travel outside our solar system.

346

00:40:50,862 --> 00:40:53,863

We will learn that we are not alone in the universe.

347

00:40:54,863 --> 00:41:07,866

I can understand that many will have a problem believing me and all I can say is that I've had these experiences, I know them to be true and one of these days this information will be revealed and you will know it to be true.

348

00:41:08,867 --> 00:41:15,868

Could there really be a government agency known as the Majestic 12?

349

00:41:16,868 --> 00:41:28,871

And if so, is it helping the United States, in league with other nations, to pave the way for future communications between mankind and its extraterrestrial counterparts?

350

00:41:29,871 --> 00:41:36,873

According to numerous top secret documents, the answer is a profound yes.

351

00:41:37,873 --> 00:41:51,876

And the ultimate proof may very well be waiting for us when we venture back to the stars and begin the next phase in human evolution, the colonization of other planets.

352

00:41:58,878 --> 00:41:59,878

The Majestic 12
