

1

00:00:00,000 --> 00:00:05,000

Mysterious stone structures that defy explanation.

2

00:00:05,040 --> 00:00:07,240

Look at that.

3

00:00:07,280 --> 00:00:10,340

The exhibiting electromagnetic anomalies.

4

00:00:10,380 --> 00:00:11,880

And you can see those fluctuations.

5

00:00:11,920 --> 00:00:12,880

Yeah.

6

00:00:12,920 --> 00:00:16,380

That have even been linked to UFO sightings.

7

00:00:16,420 --> 00:00:17,880

Thousands of people would have witnessed

8

00:00:17,920 --> 00:00:21,420

these massive, triangular spacecraft congregate

9

00:00:21,460 --> 00:00:23,460

towards where these chambers are.

10

00:00:23,500 --> 00:00:26,660

And perhaps most incredible of all,

11

00:00:26,700 --> 00:00:29,200

these ancient sites are located

12

00:00:29,700 --> 00:00:32,400

in the northeastern United States.

13

00:00:32,440 --> 00:00:34,540

These mysterious stone structures

14

00:00:34,580 --> 00:00:37,500

are in fact druid structures.

15

00:00:37,540 --> 00:00:39,680

Could an extraterrestrial culture

16

00:00:39,720 --> 00:00:43,720

have existed in North America centuries ago?

17

00:00:43,740 --> 00:00:46,280

People were not only seeing UFOs,

18

00:00:46,320 --> 00:00:47,880

they were seeing creatures.

19

00:00:47,920 --> 00:00:50,680

They were experiencing missing time.

20

00:00:50,720 --> 00:00:53,720

I've experienced it directly for years.

21

00:00:53,760 --> 00:00:56,200

It's an extraordinary place of power.

22

00:01:00,160 --> 00:01:04,700

There is a doorway in the universe.

23

00:01:04,740 --> 00:01:08,940

Beyond it is the promise of truth.

24

00:01:08,980 --> 00:01:11,740

It demands we question everything

25

00:01:11,780 --> 00:01:14,240

we have ever been taught.

26

00:01:14,280 --> 00:01:17,680

The evidence is all around us.

27

00:01:17,720 --> 00:01:21,720

The future is right before our eyes.

28

00:01:21,760 --> 00:01:24,220

We are not alone.

29

00:01:24,260 --> 00:01:27,220

We have never been alone.

30

00:01:29,200 --> 00:01:32,200

We are not alone.

31

00:01:32,240 --> 00:01:35,200

We are not alone.

32

00:01:35,240 --> 00:01:38,200

We are not alone.

33

00:01:38,240 --> 00:01:40,200

We are not alone.

34

00:01:40,240 --> 00:01:42,240

We are not alone.

35

00:01:42,280 --> 00:01:45,240

We are not alone.

36

00:01:45,280 --> 00:01:51,320

New York's Hudson Valley, December 26, 1985.

37

00:01:51,360 --> 00:01:53,960

Author Whitley Streber has an experience

38

00:01:53,980 --> 00:01:58,200

that becomes the basis of his blockbuster book, Communion.

39

00:01:58,220 --> 00:02:00,200

The experiences began to happen there

40

00:02:00,220 --> 00:02:05,200

that were memorable but not understandable.

41

00:02:05,240 --> 00:02:08,240

And then on December the 26th,

42

00:02:08,260 --> 00:02:13,200

I felt myself in motion and woke up in the middle of the night

43

00:02:13,240 --> 00:02:17,080

and the room was filled with these willowy figures

44

00:02:17,120 --> 00:02:21,880

with big black eyes and dark blue short figures moving around.

45

00:02:21,920 --> 00:02:23,280

I assumed it was a nightmare

46

00:02:23,320 --> 00:02:27,520

and I kept trying to wake up from the dream and I couldn't.

47

00:02:27,520 --> 00:02:30,520

I began to hear a voice, repeating very gentle voice,

48

00:02:30,560 --> 00:02:32,520

but it was like a mechanical voice.

49

00:02:32,560 --> 00:02:35,520

What can we do to help you stop screaming?

50

00:02:35,560 --> 00:02:37,520

I thought I'm screaming and I was screaming.

51

00:02:37,560 --> 00:02:39,520

That was the beginning of it

52

00:02:39,560 --> 00:02:42,520

and that's when the rest of my life began.

53

00:02:42,560 --> 00:02:46,520

And to this day, he still doesn't know exactly who they were.

54

00:02:46,560 --> 00:02:49,520

Where they came from, were they aliens,

55

00:02:49,560 --> 00:02:52,520

were they interdimensional visitors?

56

00:02:52,560 --> 00:02:54,520

He cannot say.

57

00:02:54,560 --> 00:02:56,520

Unbeknownst to him at the time,

58

00:02:56,520 --> 00:03:00,520

Streeper's abduction was actually witnessed by a neighbor.

59

00:03:00,560 --> 00:03:02,520

After I published Communion,

60

00:03:02,560 --> 00:03:05,520

one neighbor shamefully admitted that he had seen

61

00:03:05,560 --> 00:03:07,520

what happened to me that night.

62

00:03:07,560 --> 00:03:10,520

He and his wife had been driving home from a party

63

00:03:10,560 --> 00:03:12,520

at about two in the morning

64

00:03:12,560 --> 00:03:16,520

and they had seen what they thought was the Goodyear blimp

65

00:03:16,560 --> 00:03:19,520

landed in a field near our houses.

66

00:03:19,560 --> 00:03:21,520

And suddenly lights came on all over

67

00:03:21,560 --> 00:03:24,520

and he heard us, someone screaming inside.

68

00:03:24,520 --> 00:03:27,520

His wife panicked and he drove away.

69

00:03:27,560 --> 00:03:28,520

And a year later he said to me,

70

00:03:28,560 --> 00:03:31,520

really I'm so ashamed to tell you.

71

00:03:31,560 --> 00:03:33,520

I know it was you in there.

72

00:03:33,560 --> 00:03:36,520

It was a man screaming. It had to have been you.

73

00:03:36,560 --> 00:03:39,520

Communion became a massive bestseller

74

00:03:39,560 --> 00:03:43,520

and ignited a cultural shift in people's attitudes

75

00:03:43,560 --> 00:03:46,520

towards the subject of alien abduction.

76

00:03:46,560 --> 00:03:48,520

When I published it,

77

00:03:48,560 --> 00:03:51,520

I thought there were like maybe 30 or 40 people

78

00:03:51,560 --> 00:03:53,520

who had had the experience, not millions.

79

00:03:53,520 --> 00:03:55,520

But it was millions.

80

00:03:55,560 --> 00:04:00,520

But for UFO researchers and ancient astronaut theorists alike,

81

00:04:00,560 --> 00:04:02,520

a particular significance

82

00:04:02,560 --> 00:04:05,520

is where Streber's encounter occurred.

83

00:04:05,560 --> 00:04:09,520

The Hudson Valley stretches northward 150 miles

84

00:04:09,560 --> 00:04:12,520

from New York City up to Albany.

85

00:04:12,560 --> 00:04:15,520

This occurred right at the western border of the Hudson Valley.

86

00:04:15,560 --> 00:04:19,520

The area is full of this type of thing.

87

00:04:19,560 --> 00:04:21,520

And after I published Communion,

88

00:04:21,520 --> 00:04:24,520

people from the neighborhood would come forward,

89

00:04:24,560 --> 00:04:27,520

one after another, to tell me their own stories.

90

00:04:29,560 --> 00:04:34,520

Kent, New York. New Year's Eve, 1982.

91

00:04:36,560 --> 00:04:39,520

Just a few miles from the Hudson River,

92

00:04:39,560 --> 00:04:42,520

New Year's Eve revelers spot a gigantic V-shaped craft

93

00:04:42,560 --> 00:04:46,520

throbbing with red, white and green lights.

94

00:04:46,560 --> 00:04:49,520

As they watch in amazement, the colors vanish,

95

00:04:49,560 --> 00:04:51,560

replaced by white lights so bright,

96

00:04:51,600 --> 00:04:54,560

they illuminate the ground.

97

00:04:54,600 --> 00:04:57,560

Over the next months, authorities are bombarded

98

00:04:57,600 --> 00:05:00,560

with hundreds of similar reports.

99

00:05:00,600 --> 00:05:05,560

Usually, UFOs just appear to a small number of people,

100

00:05:05,600 --> 00:05:07,560

and they disappear.

101

00:05:07,600 --> 00:05:11,560

In this case, people were stopped on the highways.

102

00:05:11,600 --> 00:05:13,560

People were running out of their houses, watching

103

00:05:13,600 --> 00:05:18,560

this enormous object pass over the size of a football field.

104

00:05:18,600 --> 00:05:21,600

There was so large that people standing between trees

105

00:05:21,640 --> 00:05:24,600

couldn't see the ends of the flying triangles,

106

00:05:24,640 --> 00:05:27,600

because they were so big. That's how large they were.

107

00:05:29,640 --> 00:05:32,600

The sightings continued for more than six years

108

00:05:32,640 --> 00:05:36,600

and became the most widely reported in American history.

109

00:05:36,640 --> 00:05:42,600

The Hudson Valley UFO sightings continued well up to 1988.

110

00:05:42,640 --> 00:05:46,600

It's estimated that as many as 5,000 people

111

00:05:46,640 --> 00:05:52,640

called in and made reports of this very large,

112

00:05:52,680 --> 00:05:55,640

lit-up UFO.

113

00:05:55,680 --> 00:06:00,640

Other accounts of people seeing these strange balls of lightning

114

00:06:00,680 --> 00:06:04,640

which move around in erratic and unusual ways.

115

00:06:04,680 --> 00:06:07,640

UFOs were being seen all over the place.

116

00:06:07,680 --> 00:06:09,640

Pilots were seeing them.

117

00:06:09,680 --> 00:06:11,640

Police officers were chasing them.

118

00:06:11,680 --> 00:06:14,640

It was like something out of a movie.

119

00:06:14,680 --> 00:06:18,680

But why were so many UFO sightings reported

120

00:06:18,720 --> 00:06:21,680

in this one particular area?

121

00:06:21,720 --> 00:06:24,680

Could there be a connection to Whitley Streeper's

122

00:06:24,720 --> 00:06:26,680

abduction experience?

123

00:06:26,720 --> 00:06:31,680

The thinking is that when you have so much UFO activity

124

00:06:31,720 --> 00:06:34,680

in one place, that place is going to be significant.

125

00:06:34,720 --> 00:06:37,680

There's something about that area, it seems,

126

00:06:37,720 --> 00:06:40,680

that is attracting the UFOs.

127

00:06:40,720 --> 00:06:43,680

They want something in that location.

128

00:06:43,720 --> 00:06:46,720

There is a connection with something in that location.

129

00:06:46,760 --> 00:06:49,720

Some have suggested the reason why these sightings

130

00:06:49,760 --> 00:06:52,720

have happened at the Hudson Valley

131

00:06:52,760 --> 00:06:56,720

is because they are on top of a vortex.

132

00:06:56,760 --> 00:06:58,720

Now, what's a vortex?

133

00:06:58,760 --> 00:07:00,720

Well, there are varying opinions of what that is.

134

00:07:00,760 --> 00:07:04,720

Some have suggested that there are magnetic points

135

00:07:04,760 --> 00:07:07,720

that are part of the Earth's magnetic grid.

136

00:07:07,760 --> 00:07:12,720

Others have suggested that vortexes are sort of these portals.

137

00:07:12,760 --> 00:07:15,760

What we call portals are locations

138

00:07:15,800 --> 00:07:19,760

where paranormal phenomena and supernatural events

139

00:07:19,800 --> 00:07:23,760

occur on an extremely regular basis

140

00:07:23,800 --> 00:07:29,760

and have done for many decades, if not hundreds of years.

141

00:07:29,800 --> 00:07:32,760

Some argue that New York's Hudson Valley

142

00:07:32,800 --> 00:07:36,760

and the adjoining region of New England, America's Northeast,

143

00:07:36,800 --> 00:07:39,760

may be just such a vortex.

144

00:07:39,800 --> 00:07:42,800

There is definitely an extraordinary place

145

00:07:42,840 --> 00:07:44,800

of power of the Hudson Valley.

146

00:07:44,840 --> 00:07:47,800

If you want to call it a vortex, then sure it's a vortex.

147

00:07:47,840 --> 00:07:50,800

I'd have to be completely nuts to say anything else

148

00:07:50,840 --> 00:07:54,800

because I experienced it directly for years there.

149

00:07:54,840 --> 00:07:57,800

Could Whitley Streber's story of communion

150

00:07:57,840 --> 00:08:01,800

and the frenzied Hudson Valley UFO sightings of the 1980s

151

00:08:01,840 --> 00:08:05,800

be just two small parts of a much larger story?

152

00:08:05,840 --> 00:08:09,840

A story that begins thousands of years before Columbus,

153

00:08:09,880 --> 00:08:12,880

when ancient visitors set sail for America,

154

00:08:12,920 --> 00:08:16,880

bringing with them secrets from the stars.

155

00:08:16,920 --> 00:08:19,880

Perhaps further clues can be found

156

00:08:19,920 --> 00:08:23,880

by examining the hundreds of strange stone structures

157

00:08:23,920 --> 00:08:26,880

that dot the area and their possible connection

158

00:08:26,920 --> 00:08:30,880

to an ancient people known as the Druids.

159

00:08:30,960 --> 00:08:36,960

Salem, New Hampshire, July 9, 1975.

160

00:08:37,000 --> 00:08:40,960

At one of New England's most popular archaeological sites,

161

00:08:41,000 --> 00:08:45,960

Mystery Hill, also known as America's Stonehenge,

162

00:08:46,000 --> 00:08:49,960

Harvard professor Barry Fell discovers a stone tablet

163

00:08:50,000 --> 00:08:53,960

with a mysterious script carved into it.

164

00:08:54,000 --> 00:08:57,960

He identifies it as belonging to a writing system called Ogham,

165

00:08:58,040 --> 00:09:02,040

which was used by the Irish Celts, who lived 2,000 years ago

166

00:09:02,080 --> 00:09:07,040

and 3,000 miles away in their traditional homeland of Ireland.

167

00:09:09,080 --> 00:09:13,040

He translates this script as meaning dedicated to Belle,

168

00:09:13,080 --> 00:09:16,040

the Celtic sun god.

169

00:09:16,080 --> 00:09:18,080

But why would there be Celtic writing

170

00:09:18,120 --> 00:09:22,040

carved into an ancient stone tablet in New Hampshire?

171

00:09:25,080 --> 00:09:27,920

There is some evidence that the Celtic writing

172

00:09:27,960 --> 00:09:32,920

worked in ancient America, the megalithic stone chambers,

173

00:09:32,960 --> 00:09:36,920

the Tee of Stone circles, their Stone avenues.

174

00:09:36,960 --> 00:09:39,920

There's also Ogum writing that's been found,

175

00:09:39,960 --> 00:09:41,920

and there's even some dolmens as well,

176

00:09:41,960 --> 00:09:44,920

and these are all what you find in ancient Ireland

177

00:09:44,960 --> 00:09:46,920

and ancient Europe.

178

00:09:47,960 --> 00:09:51,920

In recent years, a growing number of people have come to believe

179

00:09:51,960 --> 00:09:54,960

that the Celts were present in the American Northeast

180

00:09:55,000 --> 00:09:56,920

thousands of years ago.

181

00:09:57,960 --> 00:10:01,920

And some suggest that these mysterious Celtic priests believed

182

00:10:01,960 --> 00:10:05,920

that the land possessed a powerful energy.

183

00:10:05,960 --> 00:10:07,920

Did the Celts travel to North America

184

00:10:07,960 --> 00:10:11,920

because of its connection to extraterrestrial activity?

185

00:10:11,960 --> 00:10:15,920

Or in coming here, did they open a gateway

186

00:10:15,960 --> 00:10:18,920

that is still open today?

187

00:10:19,880 --> 00:10:23,880

Harvard University, 1976.

188

00:10:23,920 --> 00:10:27,880

Professor Berry fell, who discovered what he believed to be

189

00:10:27,920 --> 00:10:30,880

ancient Celtic writing in New Hampshire one year earlier

190

00:10:30,920 --> 00:10:33,880

publishes America BC.

191

00:10:33,920 --> 00:10:37,880

In it, he argues that long before Christopher Columbus

192

00:10:37,920 --> 00:10:41,880

reached the shores of the New World in 1492,

193

00:10:41,920 --> 00:10:45,880

America was the first to be found in the United States.

194

00:10:45,880 --> 00:10:49,840

In the Middle East, the world in 1492,

195

00:10:49,880 --> 00:10:52,840

America was visited by the Druids,

196

00:10:52,880 --> 00:10:56,840

a high-ranking priest class of the Celtic people

197

00:10:56,880 --> 00:11:01,840

who first arose in Northern Europe around 800 BC.

198

00:11:02,880 --> 00:11:05,840

As evidence, fell points to the prevalence

199

00:11:05,880 --> 00:11:07,840

of strange stone chambers scattered

200

00:11:07,880 --> 00:11:11,840

over large areas of the Hudson Valley and New England.

201

00:11:12,880 --> 00:11:15,840

All over New England and New York State,

202

00:11:15,880 --> 00:11:19,840

there were a number of these unusual stone chambers.

203

00:11:19,880 --> 00:11:22,840

Many of them are thought to be colonial root cellars

204

00:11:22,880 --> 00:11:25,840

where local colonialists would place their vegetables

205

00:11:25,880 --> 00:11:27,840

in for storage.

206

00:11:27,880 --> 00:11:30,840

If they're root cellars, if they're just for whether

207

00:11:30,880 --> 00:11:33,840

colonialists would place their vegetables,

208

00:11:33,880 --> 00:11:37,840

then why are they so far out in the middle of nowhere?

209

00:11:37,880 --> 00:11:40,840

And why were some of them being reported by colonial people

210

00:11:40,880 --> 00:11:44,840

as they moved into this area, even as far back as the 1600s?

211

00:11:44,840 --> 00:11:47,800

There were stone structures all over the place,

212

00:11:47,840 --> 00:11:49,800

but they weren't things made by settlers

213

00:11:49,840 --> 00:11:53,800

because they've never been any agriculture in those woods.

214

00:11:53,840 --> 00:11:55,800

You can't grow anything there.

215

00:11:55,840 --> 00:11:57,800

Many of them have stone flooring,

216

00:11:57,840 --> 00:12:00,800

and stone is not the best material for keeping crops.

217

00:12:00,840 --> 00:12:03,800

The coal seeps through and destroys the crops.

218

00:12:03,840 --> 00:12:05,800

But there was something else.

219

00:12:05,840 --> 00:12:07,800

We've dated charcoal that we found

220

00:12:07,840 --> 00:12:09,800

within many of these structures,

221

00:12:09,840 --> 00:12:12,800

and they date back to about 3,000 years ago.

222

00:12:13,800 --> 00:12:15,760

I think that the stone chambers,

223

00:12:15,800 --> 00:12:18,760

which are dismissed so often as root cellars,

224

00:12:18,800 --> 00:12:21,760

are not root cellars.

225

00:12:21,800 --> 00:12:23,760

I've been in a couple of those chambers,

226

00:12:23,800 --> 00:12:26,760

and that is no root cellar, believe you me.

227

00:12:28,800 --> 00:12:30,760

Professor Fell also noted

228

00:12:30,800 --> 00:12:32,760

that the chambers accurately line up

229

00:12:32,800 --> 00:12:34,760

with astronomical events

230

00:12:34,800 --> 00:12:37,760

like the solstice and the equinox,

231

00:12:37,800 --> 00:12:41,760

just like ancient Celtic megaliths in Europe.

232

00:12:42,720 --> 00:12:46,720

Could Professor Fell have been right?

233

00:12:46,760 --> 00:12:49,720

Were these chambers built by the ancient Druids

234

00:12:49,760 --> 00:12:51,720

of Northern Europe?

235

00:12:52,760 --> 00:12:55,720

There's been a lot of discussion over the last century

236

00:12:55,760 --> 00:12:57,720

about if these chambers

237

00:12:57,760 --> 00:13:01,720

are actually part of an ancient Celtic or Druid tradition

238

00:13:01,760 --> 00:13:03,720

that came over from Europe.

239

00:13:03,760 --> 00:13:06,720

They're virtually identical to the Neolithic structures

240

00:13:06,760 --> 00:13:07,720

we find throughout Europe

241

00:13:07,760 --> 00:13:09,720

that were created by the Druids

242

00:13:09,720 --> 00:13:12,680

for the purpose of meditation,

243

00:13:12,720 --> 00:13:15,680

as observatories of stellar phenomena,

244

00:13:15,720 --> 00:13:18,680

and perhaps even other more mysterious purposes.

245

00:13:21,720 --> 00:13:23,680

There were all types of legends

246

00:13:23,720 --> 00:13:26,680

that people from Europe came here a long time ago

247

00:13:26,720 --> 00:13:29,680

and explored the east coast of the United States

248

00:13:29,720 --> 00:13:31,680

from New York, Connecticut,

249

00:13:31,720 --> 00:13:34,680

all the way up to Vermont and Massachusetts.

250

00:13:34,720 --> 00:13:37,680

And they actually built these structures

251

00:13:37,680 --> 00:13:39,640

with the Druid priest

252

00:13:39,680 --> 00:13:43,640

and they were used for ceremonial purposes.

253

00:13:43,680 --> 00:13:47,640

Did Druids visit America centuries before Columbus

254

00:13:47,680 --> 00:13:49,640

and build these structures?

255

00:13:50,680 --> 00:13:52,640

And if so, are they connected

256

00:13:52,680 --> 00:13:55,640

to the Hudson Valley sightings of the 1980s?

257

00:13:55,680 --> 00:13:57,640

And even the abduction story

258

00:13:57,680 --> 00:14:01,640

told by Whitley Streber in his book Communion.

259

00:14:03,680 --> 00:14:05,640

Perhaps further clues can be found

260

00:14:05,640 --> 00:14:09,600

by more closely examining just who the Druids were

261

00:14:09,640 --> 00:14:11,600

and who they worshiped.

262

00:14:16,640 --> 00:14:18,600

Wiltshire, England.

263

00:14:19,640 --> 00:14:23,600

Summer solstice, 500 BC.

264

00:14:23,640 --> 00:14:25,600

As ancient Celts converge

265

00:14:25,640 --> 00:14:28,600

on the megalithic stone circle known as Stonehenge,

266

00:14:28,640 --> 00:14:31,600

the sun's first rays shine directly

267

00:14:31,640 --> 00:14:33,600

into the center of the monument.

268

00:14:34,600 --> 00:14:36,560

Like the stone chambers found scattered

269

00:14:36,600 --> 00:14:38,560

throughout the American northeast,

270

00:14:38,600 --> 00:14:41,560

Stonehenge is aligned to this celestial event.

271

00:14:42,600 --> 00:14:45,560

The Celts are led by their Druid priests

272

00:14:45,600 --> 00:14:48,560

who are believed to communicate with a higher realm.

273

00:14:48,600 --> 00:14:51,560

The Druids' history shows us

274

00:14:51,600 --> 00:14:55,560

the ancient inhabitants in both the British Isles

275

00:14:55,600 --> 00:14:57,560

and in Ireland.

276

00:14:57,600 --> 00:15:00,560

They were allegedly an ancient priesthood,

277

00:15:00,560 --> 00:15:04,520

masters of magic, science.

278

00:15:04,560 --> 00:15:05,520

They were political leaders.

279

00:15:05,560 --> 00:15:06,520

They were judges.

280

00:15:06,560 --> 00:15:09,520

They were essentially the elite.

281

00:15:11,560 --> 00:15:13,520

Who exactly were they?

282

00:15:13,560 --> 00:15:15,520

Where did they come from?

283

00:15:17,560 --> 00:15:19,520

According to Irish legend,

284

00:15:19,560 --> 00:15:21,520

the Druid priests were instructed

285

00:15:21,560 --> 00:15:23,520

by a race of god-like beings

286

00:15:23,560 --> 00:15:25,520

who descended from the heavens.

287

00:15:26,560 --> 00:15:29,520

The shining ones, or Tuatha, date anon.

288

00:15:31,560 --> 00:15:33,520

The Tuatha date anon

289

00:15:33,560 --> 00:15:35,520

are probably the most important tribe

290

00:15:35,560 --> 00:15:37,520

in Irish mythology.

291

00:15:37,560 --> 00:15:39,520

All the representations we have

292

00:15:39,560 --> 00:15:42,520

that the Tuatha date anon were special.

293

00:15:42,560 --> 00:15:45,520

So the Tuatha means tribe.

294

00:15:45,560 --> 00:15:47,520

Day means gods or divine.

295

00:15:47,560 --> 00:15:50,520

So divine tribes, gods of the divine.

296

00:15:51,560 --> 00:15:54,520

According to these ancient Irish books,

297

00:15:54,560 --> 00:15:57,520

the Tuatha didanon had red hair

298

00:15:57,560 --> 00:15:59,520

and blue or green eyes.

299

00:15:59,520 --> 00:16:01,480

They had magical powers.

300

00:16:03,520 --> 00:16:05,480

And they arrived in airships

301

00:16:05,520 --> 00:16:07,480

with dark clouds.

302

00:16:09,520 --> 00:16:13,480

They had all kinds of magical devices

303

00:16:13,520 --> 00:16:16,480

and weapons that they used.

304

00:16:16,520 --> 00:16:18,480

The shining ones had access

305

00:16:18,520 --> 00:16:21,480

to strange pieces of weaponry.

306

00:16:21,520 --> 00:16:24,480

For example, one of them is called the light sword.

307

00:16:24,520 --> 00:16:26,480

This sword made out of fire.

308

00:16:30,480 --> 00:16:33,480

With which you could end any battle like this.

309

00:16:35,520 --> 00:16:37,480

It is my opinion that those were

310

00:16:37,520 --> 00:16:39,480

the extraterrestrials who imparted

311

00:16:39,520 --> 00:16:41,480

the first type of knowledge

312

00:16:41,520 --> 00:16:44,480

to the local population of that area.

313

00:16:46,520 --> 00:16:49,480

Are the Celtic stories of the Tuatha de Danann

314

00:16:49,520 --> 00:16:51,480

actual historical accounts

315

00:16:51,520 --> 00:16:53,480

of an alien visitation in Ireland?

316

00:16:55,520 --> 00:16:57,480

And if so, were these teachers

317

00:16:57,480 --> 00:17:00,440

perhaps also present in the American Northeast

318

00:17:00,480 --> 00:17:02,440

thousands of years ago?

319

00:17:03,480 --> 00:17:06,440

Ancient astronaut theorists say yes

320

00:17:06,480 --> 00:17:08,440

and they suggest physical evidence

321

00:17:08,480 --> 00:17:10,440

may have been unearthed

322

00:17:10,480 --> 00:17:12,440

on a quiet New England beach.

323

00:17:14,480 --> 00:17:15,440

Milford, Connecticut.

324

00:17:15,480 --> 00:17:18,440

August 19th, 1922.

325

00:17:20,480 --> 00:17:22,440

The Dean of American Archaeology,

326

00:17:22,480 --> 00:17:25,440

Warren Morehead, makes a shocking discovery

327

00:17:25,480 --> 00:17:27,440

on the Connecticut shore.

328

00:17:27,480 --> 00:17:30,440

His excavations uncover the remains

329

00:17:30,480 --> 00:17:32,440

of two massive giants.

330

00:17:32,480 --> 00:17:36,440

Their discovery sparked a media sensation.

331

00:17:36,480 --> 00:17:39,440

Warren Morehead uncovered two skeletons

332

00:17:39,480 --> 00:17:44,440

of some strange beings which were over seven feet tall.

333

00:17:44,480 --> 00:17:48,440

They had flat heads and extra rows of teeth.

334

00:17:48,480 --> 00:17:51,440

For ancient astronaut theorists,

335

00:17:51,480 --> 00:17:54,440

an intriguing clue about the giant's origins

336

00:17:54,440 --> 00:17:57,400

can be found in the Native American oral tradition,

337

00:17:57,440 --> 00:18:01,400

which says that the giants had red hair.

338

00:18:01,440 --> 00:18:05,400

Red hair is something that is traditionally associated

339

00:18:05,440 --> 00:18:09,400

with the Celtic peoples of Britain.

340

00:18:09,440 --> 00:18:12,400

So is it possible that there's a relationship

341

00:18:12,440 --> 00:18:16,400

between the ancient British peoples

342

00:18:16,440 --> 00:18:18,400

and these giants?

343

00:18:19,440 --> 00:18:21,400

If Druids came to the New World

344

00:18:21,440 --> 00:18:24,400

and built the stone chambers scattered throughout Ireland

345

00:18:24,440 --> 00:18:26,400

and throughout New England,

346

00:18:26,440 --> 00:18:28,400

did they do so with the help

347

00:18:28,440 --> 00:18:30,400

of extraterrestrial visitors?

348

00:18:30,440 --> 00:18:32,400

Perhaps further clues can be found

349

00:18:32,440 --> 00:18:34,400

by more closely examining

350

00:18:34,440 --> 00:18:36,400

these potentially ancient structures

351

00:18:36,440 --> 00:18:40,400

and the mysterious properties they exhibit.

352

00:18:47,440 --> 00:18:49,400

North Salem, New York.

353

00:18:49,440 --> 00:18:52,400

April, 2019.

354

00:18:52,400 --> 00:18:56,360

Seeking a link between the Celts, Druids, and the New World.

355

00:18:56,400 --> 00:18:58,360

Ancient astronaut theorist David Chondris

356

00:18:58,400 --> 00:19:01,360

and British megalith expert Hugh Newman

357

00:19:01,400 --> 00:19:05,360

set out to visit one of the most mysterious stone structures

358

00:19:05,400 --> 00:19:08,360

in America, Balanced Rock.

359

00:19:08,400 --> 00:19:11,360

I'm excited about seeing this Balanced Rock

360

00:19:11,400 --> 00:19:13,360

and you think it's a dolman, is that what you're saying?

361

00:19:13,400 --> 00:19:15,360

I'm convinced it's a dolman.

362

00:19:15,400 --> 00:19:18,360

It looks like something you would find in Britain.

363

00:19:18,400 --> 00:19:21,360

Thousands of ancient dolmens have been found

364

00:19:21,360 --> 00:19:23,320

throughout Europe.

365

00:19:23,360 --> 00:19:26,320

Most are known to be at least 5,000 years old

366

00:19:26,360 --> 00:19:29,320

and since rock cannot be carbon dated,

367

00:19:29,360 --> 00:19:31,320

could be far older.

368

00:19:31,360 --> 00:19:34,320

The dolmens were sometimes open tombs

369

00:19:34,360 --> 00:19:38,320

under which a body would be ceremonially placed.

370

00:19:38,360 --> 00:19:42,320

This monument that is known as Balanced Rock

371

00:19:42,360 --> 00:19:49,320

resembles almost exactly the stone dolmens of Europe.

372

00:19:49,320 --> 00:19:51,280

It's a massive top stone,

373

00:19:51,320 --> 00:19:54,280

60 to 90 tons of the estimates

374

00:19:54,320 --> 00:19:56,280

and it's just a remarkable place.

375

00:19:56,320 --> 00:20:00,280

And so geologists are saying that it's a glacial erratic

376

00:20:00,320 --> 00:20:02,280

and a glacier just brought it.

377

00:20:02,320 --> 00:20:04,280

It's totally natural.

378

00:20:04,320 --> 00:20:05,280

As the glacier pulled out,

379

00:20:05,320 --> 00:20:07,280

it just sort of dropped them down on these stones.

380

00:20:07,320 --> 00:20:09,280

That's what they say, but it just doesn't make sense

381

00:20:09,320 --> 00:20:11,280

because it looks like it's constructed.

382

00:20:11,320 --> 00:20:14,280

You can see the shaping on the stones underneath it.

383

00:20:14,320 --> 00:20:17,280

Just a few miles south of the mass UFO sightings

384

00:20:17,280 --> 00:20:20,240

that happened in Kent, New York in the 1980s,

385

00:20:20,280 --> 00:20:26,240

David and Hugh arrive at the mysterious formation.

386

00:20:26,280 --> 00:20:29,240

Wow, look at that!

387

00:20:29,280 --> 00:20:33,240

Oh, man, that is huge.

388

00:20:33,280 --> 00:20:35,240

That is pretty impressive, isn't it?

389

00:20:35,280 --> 00:20:37,240

That is a giant dolman, isn't it?

390

00:20:37,280 --> 00:20:38,240

I know. That's amazing.

391

00:20:38,280 --> 00:20:39,240

Oh, wow.

392

00:20:39,280 --> 00:20:42,240

It looks like a European dolman, doesn't it?

393

00:20:42,280 --> 00:20:44,240

It does. It's identical because you have...

394

00:20:44,280 --> 00:20:45,240

We have these uprights.

395

00:20:45,280 --> 00:20:46,240

I mean, they were originally seven there.

396

00:20:46,240 --> 00:20:48,200

There seems to be five or six there.

397

00:20:48,240 --> 00:20:49,200

It's hard to tell because I'm split.

398

00:20:49,240 --> 00:20:52,200

And the fact that it's granite is quite intriguing,

399

00:20:52,240 --> 00:20:54,200

combined with the nice rock underneath.

400

00:20:54,240 --> 00:20:57,200

So there is a potential piezoelectric effect,

401

00:20:57,240 --> 00:20:59,200

and this sight is renowned

402

00:20:59,240 --> 00:21:05,200

for having kind of energies associated with it.

403

00:21:05,240 --> 00:21:07,200

In the so-called piezoelectric effect,

404

00:21:07,240 --> 00:21:11,200

electrical energy accumulates in solids, rocks,

405

00:21:11,240 --> 00:21:14,200

and otherwise lifeless matter.

406

00:21:14,200 --> 00:21:17,160

Some claim that objects infused with piezoelectricity

407

00:21:17,200 --> 00:21:21,160

can produce strange and anomalous results.

408

00:21:21,200 --> 00:21:23,160

Because this is granite,

409

00:21:23,200 --> 00:21:25,160

it's infused with tiny quartz crystals.

410

00:21:25,200 --> 00:21:26,160

Yeah.

411

00:21:26,200 --> 00:21:29,160

So, yeah, there should be some energy coming out of it.

412

00:21:29,200 --> 00:21:32,160

I believe there is, and also the landscape it's in

413

00:21:32,200 --> 00:21:36,160

sits right on top of a negative magnetic anomaly

414

00:21:36,200 --> 00:21:39,160

directly under the main part of the stone.

415

00:21:39,200 --> 00:21:43,160

So you think that this is some kind of vortex area

416

00:21:43,160 --> 00:21:45,120

or a magnetic anomaly,

417

00:21:45,160 --> 00:21:48,120

and that perhaps they use that magnetic anomaly

418

00:21:48,160 --> 00:21:50,120

to move this giant boulder and place it here?

419

00:21:50,160 --> 00:21:51,120

It's quite possible.

420

00:21:51,160 --> 00:21:53,120

And I think if you place them in the right spot

421

00:21:53,160 --> 00:21:55,120

when there's magnetic anomalies

422

00:21:55,160 --> 00:21:57,120

or telluric currents underneath, which is both here,

423

00:21:57,160 --> 00:21:59,120

and you have the piezoelectric effect,

424

00:21:59,160 --> 00:22:01,120

so when you place seeds or grains there,

425

00:22:01,160 --> 00:22:02,120

it will charge them up

426

00:22:02,160 --> 00:22:05,120

and you'll get higher yield and a better quality crop.

427

00:22:05,160 --> 00:22:08,120

Seeds that are charged under here for one or two days

428

00:22:08,160 --> 00:22:10,120

and then other seeds that aren't charged,

429

00:22:10,160 --> 00:22:11,120

they grow them together,

430

00:22:11,120 --> 00:22:14,080

and the ones from here grow like twice as fast.

431

00:22:14,120 --> 00:22:17,080

This has been tested scientifically.

432

00:22:17,120 --> 00:22:21,080

So if there's some kind of energy vortex here,

433

00:22:21,120 --> 00:22:22,080

you can measure that, right?

434

00:22:22,120 --> 00:22:23,080

Yeah.

435

00:22:23,120 --> 00:22:24,080

So we've got this.

436

00:22:24,120 --> 00:22:27,080

This is a tri-field magnetometer.

437

00:22:27,120 --> 00:22:29,080

This is a classic device

438

00:22:29,120 --> 00:22:31,080

where you measure different readings

439

00:22:31,120 --> 00:22:33,080

from magnetic fluctuations,

440

00:22:33,120 --> 00:22:36,080

also electric charge, and even radiation.

441

00:22:36,120 --> 00:22:37,080

What should we do some tests?

442

00:22:37,120 --> 00:22:38,080

Should we see what we can find?

443

00:22:38,120 --> 00:22:39,080

Yeah, let's do it.

444

00:22:39,120 --> 00:22:40,080

Let's go.

445

00:22:40,080 --> 00:22:42,040

So what we'll do is we'll get down a bit closer in.

446

00:22:42,080 --> 00:22:43,040

Uh-huh.

447

00:22:43,080 --> 00:22:45,040

Let's put this down here right in the center

448

00:22:45,080 --> 00:22:48,040

and look, immediately we've got it on the magnetic setting,

449

00:22:48,080 --> 00:22:51,040

so we get fluctuations already.

450

00:22:51,080 --> 00:22:55,040

So that means that there's an anomalous energy here,

451

00:22:55,080 --> 00:22:59,040

some magnetic field that's stronger than outside.

452

00:22:59,080 --> 00:23:01,040

So this energy field is pulsing.

453

00:23:01,080 --> 00:23:05,040

This is a proper energy site.

454

00:23:05,080 --> 00:23:06,040

So let's just keep walking around

455

00:23:06,080 --> 00:23:09,040

and see if we can pick up any other fluctuations

456

00:23:09,040 --> 00:23:11,000

or readings here.

457

00:23:11,040 --> 00:23:15,000

And, yeah, this spot here seems to be the hot spot.

458

00:23:15,040 --> 00:23:16,000

It's stronger now.

459

00:23:16,040 --> 00:23:17,000

It's much stronger.

460

00:23:17,040 --> 00:23:18,000

It's almost double.

461

00:23:18,040 --> 00:23:19,000

Uh-huh.

462

00:23:19,040 --> 00:23:23,000

We certainly have an anomaly here.

463

00:23:23,040 --> 00:23:26,000

While many rocks naturally carry a magnetic charge,

464

00:23:26,040 --> 00:23:30,000

the magnetic energy under and around balanced rock

465

00:23:30,040 --> 00:23:32,000

is unusually high,

466

00:23:32,040 --> 00:23:36,000

from 10 to 50 times normal.

467

00:23:36,000 --> 00:23:38,960

The great structures of the past,

468

00:23:39,000 --> 00:23:40,960

like balanced rock,

469

00:23:41,000 --> 00:23:45,960

were about experiencing the great energy of the Earth.

470

00:23:46,000 --> 00:23:48,960

And in fact, if you go to balanced rock,

471

00:23:49,000 --> 00:23:52,960

you can feel the power of the Earth there still,

472

00:23:53,000 --> 00:23:55,960

just as it was then.

473

00:23:56,000 --> 00:23:59,960

But is the rock generating all of this energy on its own?

474

00:24:00,000 --> 00:24:01,960

Or could it have been purposely placed here

475

00:24:02,000 --> 00:24:03,960

because it is a location

476

00:24:03,960 --> 00:24:06,920

that qualifies its magnetic properties?

477

00:24:06,960 --> 00:24:09,920

So you're also thinking, then,

478

00:24:09,960 --> 00:24:13,920

that druids or the Tuatha de Danon,

479

00:24:13,960 --> 00:24:17,920

they've come here from Ireland and England and Wales,

480

00:24:17,960 --> 00:24:19,920

and then they chose this area

481

00:24:19,960 --> 00:24:22,920

because it's a vortex spot,

482

00:24:22,960 --> 00:24:24,920

and then they chose this spot,

483

00:24:24,960 --> 00:24:27,920

particularly to put this giant dormant here.

484

00:24:27,960 --> 00:24:28,920

I think that's the case,

485

00:24:28,960 --> 00:24:32,920

and I think this is really the center

486

00:24:32,920 --> 00:24:36,880

of the whole complex around this part of the country.

487

00:24:36,920 --> 00:24:38,880

So back in the 80s,

488

00:24:38,920 --> 00:24:42,880

there was this big UFO flap here in the Hudson Valley,

489

00:24:42,920 --> 00:24:45,880

and some UFO researchers claim

490

00:24:45,920 --> 00:24:51,880

that the UFOs were coming up the valley towards this rock.

491

00:24:51,920 --> 00:24:58,880

Six years after Harvard University professor Barry Fowle

492

00:24:58,880 --> 00:25:00,840

studied the controversial theory

493

00:25:00,880 --> 00:25:03,840

that the druids had visited North America,

494

00:25:03,880 --> 00:25:05,840

the Hudson Valley UFO sightings

495

00:25:05,880 --> 00:25:08,840

began right over the mysterious stone chambers

496

00:25:08,880 --> 00:25:10,840

and balanced rock.

497

00:25:10,880 --> 00:25:13,840

As investigators began tracking these many thousands

498

00:25:13,880 --> 00:25:15,840

of sightings in the Hudson Valley,

499

00:25:15,880 --> 00:25:18,840

they began to notice that there was a focal point,

500

00:25:18,880 --> 00:25:21,840

a central point, balanced rock.

501

00:25:21,880 --> 00:25:23,840

Appears to be a sort of a vortex

502

00:25:23,880 --> 00:25:26,840

that was either used as a portal by these craft

503

00:25:26,840 --> 00:25:29,800

or as a guidance mechanism for these craft

504

00:25:29,840 --> 00:25:33,800

as they're traveling through this vortex.

505

00:25:33,840 --> 00:25:36,800

It's no accident that these masses of sightings

506

00:25:36,840 --> 00:25:39,800

took place in the Hudson Valley.

507

00:25:39,840 --> 00:25:43,800

Some of the research that was carried out,

508

00:25:43,840 --> 00:25:45,800

they found that some of the balls of light,

509

00:25:45,840 --> 00:25:47,800

which seemed intelligent,

510

00:25:47,840 --> 00:25:49,800

were moving towards these kind of sites,

511

00:25:49,840 --> 00:25:54,800

the dolmens, the chambers of the Hudson Valley here.

512

00:25:54,800 --> 00:25:57,760

As the magnetic testing at balanced rock

513

00:25:57,800 --> 00:25:59,760

revealed that this area of the Earth

514

00:25:59,800 --> 00:26:01,760

generates an energy vortex,

515

00:26:01,800 --> 00:26:04,760

and if so, could this anomaly

516

00:26:04,800 --> 00:26:06,760

be connected to both the high number

517

00:26:06,800 --> 00:26:08,760

of UFO sightings in the Hudson Valley

518

00:26:08,800 --> 00:26:11,760

and also the mysterious stone structures

519

00:26:11,800 --> 00:26:13,760

found throughout the region?

520

00:26:13,800 --> 00:26:16,760

Perhaps further clues can be found

521

00:26:16,800 --> 00:26:18,760

by examining an infamous site

522

00:26:18,800 --> 00:26:22,760

where some say time stands still.

523

00:26:25,760 --> 00:26:29,760

Upstate New York.

524

00:26:29,800 --> 00:26:32,760

April, 2019.

525

00:26:32,800 --> 00:26:34,760

In search of further evidence

526

00:26:34,800 --> 00:26:36,760

that the ancient druids came to America,

527

00:26:36,800 --> 00:26:38,760

David Childress and Hugh Newman

528

00:26:38,800 --> 00:26:42,760

head to a site just 20 miles north of balanced rock,

529

00:26:42,800 --> 00:26:44,760

one of the mysterious stone chambers

530

00:26:44,800 --> 00:26:46,760

of Putnam County.

531

00:26:46,800 --> 00:26:49,760

There's huge boulders here and some walls.

532

00:26:49,800 --> 00:26:51,760

Well, yeah, there's just so many of them really.

533

00:26:51,800 --> 00:26:53,760

I mean, some of them are probably still buried

534

00:26:53,760 --> 00:26:55,720

to be discovered.

535

00:26:55,760 --> 00:26:57,720

All right, I see a chamber right there, yeah.

536

00:26:57,760 --> 00:26:59,720

Really looking forward to seeing this one.

537

00:27:04,760 --> 00:27:07,720

Yeah, this is one of the more famous ones.

538

00:27:09,760 --> 00:27:11,720

When we get inside, it gets bigger.

539

00:27:11,760 --> 00:27:13,720

So let's get these on.

540

00:27:13,760 --> 00:27:15,720

Let's go in and take a look, see what we can see.

541

00:27:15,760 --> 00:27:18,720

Yeah, this is a big lift, you know?

542

00:27:18,760 --> 00:27:21,720

Yeah, look at this. This is incredible.

543

00:27:21,720 --> 00:27:23,680

Wow.

544

00:27:23,720 --> 00:27:25,680

It's well constructed.

545

00:27:25,720 --> 00:27:27,680

This is one of the chambers

546

00:27:27,720 --> 00:27:30,680

where the strange lights would kind of congregate on

547

00:27:30,720 --> 00:27:33,680

during the whole Hudson Valley UFO flap

548

00:27:33,720 --> 00:27:34,680

that lasted for 10 years.

549

00:27:34,720 --> 00:27:35,680

Is that right?

550

00:27:35,720 --> 00:27:38,680

And also, we've got massive megalithic blocks,

551

00:27:38,720 --> 00:27:39,680

especially this stone back here.

552

00:27:39,720 --> 00:27:40,680

Look at this.

553

00:27:40,720 --> 00:27:43,680

This is the classic sort of British megalithic design,

554

00:27:43,720 --> 00:27:45,680

and it proves, I believe,

555

00:27:45,720 --> 00:27:48,680

a connection with the ancient sites of Britain.

556

00:27:48,720 --> 00:27:50,680

This entrance, what direction do you think

557

00:27:50,680 --> 00:27:51,640

that's pointing?

558

00:27:51,680 --> 00:27:54,640

Check that, actually, while we're here.

559

00:27:54,680 --> 00:27:56,640

We're standing over this side,

560

00:27:56,680 --> 00:27:58,640

and that direction is going east.

561

00:27:58,680 --> 00:28:01,640

But if we go over here, for instance,

562

00:28:01,680 --> 00:28:03,640

and we look in that direction,

563

00:28:03,680 --> 00:28:04,640

that's like northeast.

564

00:28:04,680 --> 00:28:07,640

So we've got a summer solstice alignment going that way,

565

00:28:07,680 --> 00:28:08,640

and if we're standing over there,

566

00:28:08,680 --> 00:28:10,640

we've got an eastern equinox alignment.

567

00:28:10,680 --> 00:28:12,640

So that's kind of intriguing itself.

568

00:28:16,680 --> 00:28:18,640

Based on Hugh Newman's research,

569

00:28:18,640 --> 00:28:22,600

the chamber lines up with the solstice and equinox,

570

00:28:22,640 --> 00:28:25,600

like ancient sites all over the former Celtic territory

571

00:28:25,640 --> 00:28:29,600

of northern Europe, such as Stonehenge in England,

572

00:28:29,640 --> 00:28:32,600

the Ring of Brodgar in Scotland,

573

00:28:32,640 --> 00:28:34,600

New Grange in Ireland,

574

00:28:34,640 --> 00:28:37,600

and the Carnac Stones in France.

575

00:28:37,640 --> 00:28:39,600

Were the Hudson Valley chambers constructed

576

00:28:39,640 --> 00:28:42,600

by the same ancient builders?

577

00:28:42,640 --> 00:28:46,600

And if so, how were the chambers connected

578

00:28:46,600 --> 00:28:48,560

to the spectacular UFO sightings

579

00:28:48,600 --> 00:28:52,560

that electrified the Hudson Valley 30 years ago?

580

00:28:52,600 --> 00:28:57,560

In the whole Hudson Valley UFO flap in the 80s,

581

00:28:57,600 --> 00:29:00,560

we did have accounts of these balls of light,

582

00:29:00,600 --> 00:29:02,560

these oars coming down,

583

00:29:02,600 --> 00:29:05,560

and they would sort of almost orientate and kind of land

584

00:29:05,600 --> 00:29:07,560

and go inside the chambers.

585

00:29:07,600 --> 00:29:09,560

And so why would they do that?

586

00:29:09,600 --> 00:29:11,560

And then it was realized they may have been designed

587

00:29:11,600 --> 00:29:14,560

to trap magnetic and electric charge,

588

00:29:14,560 --> 00:29:18,520

and it would attract and move these natural balls of light around.

589

00:29:18,560 --> 00:29:21,520

If Druid's armed with alien technology

590

00:29:21,560 --> 00:29:23,520

visited the American Northeast,

591

00:29:23,560 --> 00:29:27,520

could there be other signs of their passage through New England?

592

00:29:30,560 --> 00:29:36,520

Hartford, Connecticut, November 20th, 1654.

593

00:29:36,560 --> 00:29:38,520

A settler named John Pinchon

594

00:29:38,560 --> 00:29:40,520

writes Governor John Winthrop

595

00:29:40,560 --> 00:29:44,520

about a newly discovered stone site known as Gunjewamp.

596

00:29:44,560 --> 00:29:48,520

In which he says he is hearing many strange reports.

597

00:29:48,560 --> 00:29:52,520

Gunjewamp is a series of stone chambers,

598

00:29:52,560 --> 00:29:54,520

alignment of standing stones

599

00:29:54,560 --> 00:29:57,520

on a 24-acre hilltop in southern Connecticut,

600

00:29:57,560 --> 00:30:01,520

and people have been looking at this since the early 1600s.

601

00:30:01,560 --> 00:30:04,520

Gunjewamp is a place of mystery.

602

00:30:04,560 --> 00:30:07,520

It's a place that has a lot of anomalies with it.

603

00:30:07,560 --> 00:30:09,520

It's known for its magnetic anomalies.

604

00:30:09,560 --> 00:30:11,520

It's known for the strange lights,

605

00:30:11,560 --> 00:30:14,520

the UFOs that appear in this area.

606

00:30:14,560 --> 00:30:17,520

People have very strange experiences when they go there.

607

00:30:17,560 --> 00:30:22,520

They burst into tears, becoming very emotional.

608

00:30:22,560 --> 00:30:26,520

People have reported nosebleeds out of nowhere.

609

00:30:26,560 --> 00:30:29,520

Bleeding from the eyes.

610

00:30:29,560 --> 00:30:34,520

People have reported passing out, feeling nauseous.

611

00:30:34,560 --> 00:30:36,520

I was there with a friend of mine,

612

00:30:36,560 --> 00:30:38,520

and we had to sit down

613

00:30:38,560 --> 00:30:41,520

because we got so nauseous and dizzy.

614

00:30:41,520 --> 00:30:46,480

Some have claimed extraordinary experiences

615

00:30:46,520 --> 00:30:49,480

where time and space actually are freezing.

616

00:30:53,520 --> 00:30:56,480

Interestingly, Governor John Winthrop,

617

00:30:56,520 --> 00:30:59,480

who recorded the first reference to Gunjewamp,

618

00:30:59,520 --> 00:31:04,480

also recorded the first report of a UFO sighting in the New World.

619

00:31:04,520 --> 00:31:07,480

It occurred in 1639,

620

00:31:07,520 --> 00:31:09,480

100 miles east of Gunjewamp,

621

00:31:09,480 --> 00:31:12,440

on Boston's Muddy River.

622

00:31:12,480 --> 00:31:15,440

He described an incident that fishermen had

623

00:31:15,480 --> 00:31:18,440

where an object flew up out of the water,

624

00:31:18,480 --> 00:31:21,440

hovered in the sky, then all of a sudden,

625

00:31:21,480 --> 00:31:24,440

these fishermen were back at the head,

626

00:31:24,480 --> 00:31:26,440

waters of this river,

627

00:31:26,480 --> 00:31:29,440

with no sense of passing time.

628

00:31:29,480 --> 00:31:32,440

Strange magnetic anomalies.

629

00:31:32,480 --> 00:31:35,440

Unexplainable physical ailments.

630

00:31:35,480 --> 00:31:37,440

Missing time.

631

00:31:37,440 --> 00:31:40,400

UFO sightings.

632

00:31:40,440 --> 00:31:44,400

Could Balastrock, Gunjewamp, and the stone chambers

633

00:31:44,440 --> 00:31:46,400

be part of a larger energy grid

634

00:31:46,440 --> 00:31:50,400

that overlies vast swaths of the Hudson Valley and New England,

635

00:31:50,440 --> 00:31:54,400

one that contributes to the creation of a vortex?

636

00:31:54,440 --> 00:31:56,400

For ancient astronaut theorists,

637

00:31:56,440 --> 00:31:59,400

the answer is a resounding yes.

638

00:31:59,440 --> 00:32:02,400

And they suggest a connection to the druids

639

00:32:02,440 --> 00:32:04,400

and their other worldly mentors

640

00:32:04,400 --> 00:32:06,360

the Tawatha Dittonad

641

00:32:06,400 --> 00:32:10,360

can be found by examining their darkest practice.

642

00:32:10,400 --> 00:32:12,360

Human sacrifice.

643

00:32:20,400 --> 00:32:23,360

Mystery Hill, New Hampshire.

644

00:32:23,400 --> 00:32:26,360

At this remarkable megalithic stone site

645

00:32:26,400 --> 00:32:28,360

known as America's Stonehenge,

646

00:32:28,400 --> 00:32:31,360

where Berryfell first discovered evidence

647

00:32:31,400 --> 00:32:33,360

of druid writing in 1975,

648

00:32:33,360 --> 00:32:37,320

can be found in numerous celestial alignments.

649

00:32:38,360 --> 00:32:41,320

It's an area that covers 12 acres.

650

00:32:41,360 --> 00:32:43,320

It has multiple stone chambers.

651

00:32:43,360 --> 00:32:46,320

It has megalithic construction,

652

00:32:46,360 --> 00:32:48,320

such as standing stones,

653

00:32:48,360 --> 00:32:51,320

which have now been found to be astronomically aligned

654

00:32:51,360 --> 00:32:53,320

from the center of the site.

655

00:32:53,360 --> 00:32:56,320

The most famous artifact at Mystery Hill

656

00:32:56,360 --> 00:32:59,320

is a curious stone slab.

657

00:32:59,360 --> 00:33:02,320

Among the many stone structures

658

00:33:02,320 --> 00:33:04,280

at America's Stonehenge

659

00:33:04,320 --> 00:33:08,280

is a huge flat slab

660

00:33:08,320 --> 00:33:12,280

that is the size of a human body.

661

00:33:12,320 --> 00:33:16,280

And around its edges is a channel

662

00:33:16,320 --> 00:33:18,280

that leads into a hole

663

00:33:18,320 --> 00:33:21,280

that very clearly would have been used

664

00:33:21,320 --> 00:33:23,280

to catch liquid

665

00:33:23,320 --> 00:33:26,280

that was running down the stone

666

00:33:26,320 --> 00:33:29,280

and that would eventually go through the channel

667

00:33:29,320 --> 00:33:31,280

down into the ground.

668

00:33:32,320 --> 00:33:36,280

A stone slab, the size of a human body

669

00:33:36,320 --> 00:33:40,280

with a channel for catching liquid?

670

00:33:40,320 --> 00:33:44,280

Could this slab have been used for blood rituals?

671

00:33:44,320 --> 00:33:48,280

The stone has, in fact, been dubbed the sacrificial table.

672

00:33:48,320 --> 00:33:50,280

And some researchers believe

673

00:33:50,320 --> 00:33:54,280

it was used by the druids.

674

00:33:54,320 --> 00:33:56,280

Throughout Northern England,

675

00:33:56,320 --> 00:33:59,280

so-called bog bodies have been found,

676

00:33:59,280 --> 00:34:01,240

disturbingly well-preserved corpses

677

00:34:01,280 --> 00:34:05,240

of 2,000-year-old human sacrifice victims.

678

00:34:05,280 --> 00:34:08,240

Bog bodies, as they're described,

679

00:34:08,280 --> 00:34:11,240

are human cadavers

680

00:34:11,280 --> 00:34:14,240

that have been repeatedly found

681

00:34:14,280 --> 00:34:16,240

in boggy environments.

682

00:34:16,280 --> 00:34:19,240

And the manner of their discovery

683

00:34:19,280 --> 00:34:23,240

seems to suggest that they could have been cast

684

00:34:23,280 --> 00:34:28,240

into the waters as a sacrifice.

685

00:34:28,240 --> 00:34:30,200

There is powerful evidence

686

00:34:30,240 --> 00:34:32,200

that those responsible

687

00:34:32,240 --> 00:34:35,200

for these ritual murders were the druids.

688

00:34:35,240 --> 00:34:39,200

And if the druids did reach North America,

689

00:34:39,240 --> 00:34:43,200

that they'd carried sacrifice with them.

690

00:34:43,240 --> 00:34:46,200

The druids did sacrifice a certain way.

691

00:34:46,240 --> 00:34:48,200

They would put a noose around the neck

692

00:34:48,240 --> 00:34:51,200

so that the pressure builds up in the carotid artery.

693

00:34:51,240 --> 00:34:54,200

Then they would slit the throat.

694

00:34:54,240 --> 00:34:57,200

So the blood had pressure to form

695

00:34:57,200 --> 00:35:01,160

a stream in the grooves of the rock.

696

00:35:03,200 --> 00:35:05,160

Could the table of sacrifice

697

00:35:05,200 --> 00:35:07,160

be physical evidence that the druids

698

00:35:07,200 --> 00:35:10,160

came to America centuries ago

699

00:35:10,200 --> 00:35:12,160

and brought with them

700

00:35:12,200 --> 00:35:14,160

not only their dark costumes,

701

00:35:14,200 --> 00:35:17,160

but perhaps also left an indelible mark

702

00:35:17,200 --> 00:35:20,160

on New England and the Hudson Valley.

703

00:35:20,200 --> 00:35:24,160

Ancient astronaut theorists say yes

704

00:35:24,160 --> 00:35:27,120

and point out that Balanced Rock,

705

00:35:27,160 --> 00:35:29,120

the Hudson Valley stone chambers,

706

00:35:29,160 --> 00:35:32,120

the largest number of UFO sightings in U.S. history

707

00:35:32,160 --> 00:35:35,120

and Whitley Streeper's famous abduction story

708

00:35:35,160 --> 00:35:39,120

all happened within miles of each other.

709

00:35:39,160 --> 00:35:42,120

I've had many conversations with Whitley Streeper

710

00:35:42,160 --> 00:35:46,120

and he uses the Hudson Valley UFO sightings

711

00:35:46,160 --> 00:35:49,120

to give validation to his own experiences

712

00:35:49,160 --> 00:35:52,120

which occurred in the Hudson Valley.

713

00:35:52,120 --> 00:35:55,080

It validates his story.

714

00:35:55,120 --> 00:36:00,080

Streeper notes that according to the ancient Celtic stories,

715

00:36:00,120 --> 00:36:02,080

the Tuatha de Danade,

716

00:36:02,120 --> 00:36:05,080

the so-called shining ones who descended from the sky,

717

00:36:05,120 --> 00:36:07,080

ultimately went underground

718

00:36:07,120 --> 00:36:10,080

and became the fairy folk of Irish myth.

719

00:36:12,120 --> 00:36:15,080

In his own extraterrestrial abduction experience,

720

00:36:15,120 --> 00:36:19,080

the beings he encountered came from below.

721

00:36:19,080 --> 00:36:23,040

There's a tradition in Celtic folklore

722

00:36:23,080 --> 00:36:27,040

that the old gods would retreat underground.

723

00:36:27,080 --> 00:36:29,040

I think they came up

724

00:36:29,080 --> 00:36:32,040

and those people who came up were real.

725

00:36:32,080 --> 00:36:35,040

Just as real as you and me.

726

00:36:35,080 --> 00:36:41,040

So maybe there is something to the old fairy lore.

727

00:36:41,080 --> 00:36:44,040

Let me put it this way and we mustn't forget this.

728

00:36:44,080 --> 00:36:48,040

These fairy folk had nothing to do with Tinkerbell.

729

00:36:48,040 --> 00:36:51,000

They're really a serious bunch.

730

00:36:53,040 --> 00:36:56,000

Is there an extraterrestrial presence

731

00:36:56,040 --> 00:36:59,000

that has existed in the American Northeast

732

00:36:59,040 --> 00:37:01,000

for more than 2,000 years?

733

00:37:01,040 --> 00:37:06,000

If so, is this what brought the druids to this area?

734

00:37:06,040 --> 00:37:08,000

Or might the druids themselves

735

00:37:08,040 --> 00:37:11,000

have been responsible for opening the door

736

00:37:11,040 --> 00:37:13,000

to other worldly visitors?

737

00:37:13,040 --> 00:37:16,000

Perhaps further clues can be found

738

00:37:16,000 --> 00:37:17,960

in another eerie similarity

739

00:37:18,000 --> 00:37:19,960

between ancient druid legends

740

00:37:20,000 --> 00:37:23,960

and the testimony of today's abductees.

741

00:37:24,000 --> 00:37:27,960

The strange phenomenon of missing time.

742

00:37:33,000 --> 00:37:36,960

More than 30 years after the publication of his book, Communion,

743

00:37:37,000 --> 00:37:39,960

author Whitley Streber remains convinced

744

00:37:40,000 --> 00:37:42,960

of a profound connection between his abduction

745

00:37:43,000 --> 00:37:44,960

and the mysterious stone chambers

746

00:37:44,960 --> 00:37:47,920

that don't the Hudson Valley.

747

00:37:47,960 --> 00:37:49,920

You sit in one of these chambers

748

00:37:49,960 --> 00:37:53,920

that's been carefully aligned to the Earth

749

00:37:53,960 --> 00:37:55,920

and to the sky,

750

00:37:55,960 --> 00:37:59,920

and you will communicate with other levels of reality

751

00:37:59,960 --> 00:38:02,920

to the point that you will actually bring

752

00:38:02,960 --> 00:38:05,920

physical entities into your presence.

753

00:38:05,960 --> 00:38:10,920

And you knew then the land is terribly sacred.

754

00:38:10,960 --> 00:38:12,920

Could these structures

755

00:38:12,920 --> 00:38:14,880

and Streber's strange encounter

756

00:38:14,920 --> 00:38:16,880

point to an extraterrestrial influence

757

00:38:16,920 --> 00:38:20,880

dating back to the age of the ancient druids?

758

00:38:20,920 --> 00:38:23,880

Perhaps one final key can be found

759

00:38:23,920 --> 00:38:26,880

in famous tales of lost and missing time

760

00:38:26,920 --> 00:38:29,880

for which this region of the world is famous

761

00:38:29,920 --> 00:38:33,880

and which played a major role in Communion.

762

00:38:33,920 --> 00:38:35,880

Like many close encounter witnesses,

763

00:38:35,920 --> 00:38:38,880

I have missing time in my experience.

764

00:38:38,920 --> 00:38:40,880

It's not like going to sleep.

765

00:38:40,880 --> 00:38:43,840

It's as if you and I are sitting here talking.

766

00:38:43,880 --> 00:38:46,840

I sense no change whatsoever,

767

00:38:46,880 --> 00:38:49,840

and then I discover that I've actually been here

768

00:38:49,880 --> 00:38:53,840

for over an hour in what seemed to me like five minutes.

769

00:38:53,880 --> 00:38:55,840

Missing time plays a role

770

00:38:55,880 --> 00:38:59,840

in many modern reports of alien abductions.

771

00:38:59,880 --> 00:39:01,840

But when it comes to the Hudson Valley,

772

00:39:01,880 --> 00:39:05,840

stories of missing time go back centuries.

773

00:39:05,880 --> 00:39:07,840

200 years ago,

774

00:39:07,880 --> 00:39:10,840

Washington Irving published America's most famous

775

00:39:10,880 --> 00:39:14,840

tale of lost time, Rip Van Winkle.

776

00:39:14,880 --> 00:39:16,840

It's the story of a Dutch-American colonist

777

00:39:16,880 --> 00:39:18,840

who takes a nap in the woods

778

00:39:18,880 --> 00:39:21,840

and wakes up 20 years later.

779

00:39:21,880 --> 00:39:25,840

Curiously, it's set in a village just a few miles away

780

00:39:25,880 --> 00:39:27,840

from Streber's cabin,

781

00:39:27,880 --> 00:39:30,840

and Irving's The Legend of Sleepy Hollow

782

00:39:30,880 --> 00:39:32,840

takes place in the real village

783

00:39:32,880 --> 00:39:34,840

of North Territown, New York

784

00:39:34,880 --> 00:39:37,840

just a few miles from Balanced Rock.

785

00:39:37,880 --> 00:39:39,840

I think that Washington Irving

786

00:39:39,840 --> 00:39:41,800

sensed something up there clearly

787

00:39:41,840 --> 00:39:45,800

and was very sensitive to what was going on in that area.

788

00:39:45,840 --> 00:39:48,800

What is going on to this day in that area in my opinion?

789

00:39:48,840 --> 00:39:52,800

The well-known Rip Van Winkle story

790

00:39:52,840 --> 00:39:55,800

that was put into literary form by Washington Irving

791

00:39:55,840 --> 00:39:58,800

is kind of a fascinating story

792

00:39:58,840 --> 00:40:01,800

because even though it seems to be American,

793

00:40:01,840 --> 00:40:05,800

it's really lifted directly out of the Celtic fairy tradition.

794

00:40:09,840 --> 00:40:13,800

If the ancient Druids came to America thousands of years ago,

795

00:40:13,840 --> 00:40:17,800

were they attracted by an alien presence?

796

00:40:17,840 --> 00:40:19,800

Or is it possible that they used their vast

797

00:40:19,840 --> 00:40:21,800

and mysterious knowledge

798

00:40:21,840 --> 00:40:24,800

that allowed them to harness the electromagnetic energy

799

00:40:24,840 --> 00:40:27,800

of the Earth in order to create a vortex

800

00:40:27,840 --> 00:40:31,800

and open a gateway for extraterrestrials?

801

00:40:31,840 --> 00:40:35,800

And if so, could that gateway have been left open,

802

00:40:35,840 --> 00:40:37,800

making it possible for the scores

803

00:40:37,800 --> 00:40:41,760

of other worldly encounters that have followed?

804

00:40:41,800 --> 00:40:45,760

In my opinion, the vortexes and portals

805

00:40:45,800 --> 00:40:49,760

have been around for many, many thousands of years.

806

00:40:49,800 --> 00:40:53,760

With each generation, we interpret the supernatural events,

807

00:40:53,800 --> 00:40:55,760

the paranormal phenomena

808

00:40:55,800 --> 00:40:59,760

that repeatedly occur in these areas in different ways.

809

00:40:59,800 --> 00:41:03,760

Sometimes we see them as demons and devils.

810

00:41:03,760 --> 00:41:08,720

Today, we see them as spacemen, as places of extraterrestrials.

811

00:41:08,760 --> 00:41:11,720

Tomorrow, they may be the portals

812

00:41:11,760 --> 00:41:14,720

through which transdimensional beings

813

00:41:14,760 --> 00:41:17,720

are making contact with this world.

814

00:41:17,760 --> 00:41:21,720

I don't think that we should ever assume

815

00:41:21,760 --> 00:41:24,720

that we have always been alone here.

816

00:41:24,760 --> 00:41:28,720

There's too much evidence that that is not true.

817

00:41:28,760 --> 00:41:31,720

It's just that we don't like to look at that evidence.

818

00:41:31,720 --> 00:41:35,680

Did the Druids arrive in America centuries ago

819

00:41:35,720 --> 00:41:38,680

and forever leave their imprint on the land,

820

00:41:38,720 --> 00:41:42,680

creating an entry point for beings from other worlds,

821

00:41:42,720 --> 00:41:47,680

other dimensions, and even other points in time?

822

00:41:47,720 --> 00:41:51,680

Perhaps as we learn more about the ancient Druids,

823

00:41:51,720 --> 00:41:55,680

we will uncover the secret to harnessing this power ourselves

824

00:41:55,720 --> 00:42:01,680

and finally be prepared to meet our ancient alien and alien.

825
