

1

00:00:00,000 --> 00:00:05,000

From deep beneath the earth, they appear.

2

00:00:05,000 --> 00:00:09,000

He covered some sort of a creature lurking back in the dark.

3

00:00:09,000 --> 00:00:13,000

Part human, part serpent.

4

00:00:13,000 --> 00:00:15,000

There are many stories of people encountering

5

00:00:15,000 --> 00:00:18,000

lizard man or snake people.

6

00:00:18,000 --> 00:00:22,000

Could the ancient legends describing snake-like gods

7

00:00:22,000 --> 00:00:24,000

really be true?

8

00:00:24,000 --> 00:00:29,000

There's always been talk about a reptilian race,

9

00:00:29,000 --> 00:00:33,000

whether it's angelic or extraterrestrial.

10

00:00:33,000 --> 00:00:38,000

Could they still be among us, hiding in plain sight?

11

00:00:38,000 --> 00:00:42,000

Serpent people are seen coming out of these tunnels, right?

12

00:00:42,000 --> 00:00:43,000

Yes.

13

00:00:43,000 --> 00:00:47,000

And if so, what is their agenda?

14

00:00:47,000 --> 00:00:50,000

Perhaps they're awaiting a time to arise,

15

00:00:50,000 --> 00:00:55,000

to take control of humanity.

16

00:00:55,000 --> 00:00:59,000

There is a doorway in the universe.

17

00:00:59,000 --> 00:01:03,000

Beyond it is the promise of truth.

18

00:01:03,000 --> 00:01:09,000

It demands we question everything we have ever been taught.

19

00:01:09,000 --> 00:01:12,000

The evidence is all around us.

20

00:01:12,000 --> 00:01:16,000

The future is right before our eyes.

21

00:01:16,000 --> 00:01:19,000

We are not alone.

22

00:01:19,000 --> 00:01:22,000

We have never been alone.

23

00:01:26,000 --> 00:01:28,000

BEAUTY

24

00:01:31,000 --> 00:01:37,000

Bethesda, Maryland, 1960.

25

00:01:37,000 --> 00:01:40,000

American neurobiologist Paul MacLaine

26

00:01:40,000 --> 00:01:45,000

proposes a revolutionary model of human brain anatomy

27

00:01:45,000 --> 00:01:47,000

called the Triune Brain Model.

28

00:01:47,000 --> 00:01:50,000

It distinguishes evolutionary remnants

29

00:01:50,000 --> 00:01:54,000

of what MacLaine refers to as the Reptilian Brain.

30

00:01:54,000 --> 00:01:57,000

Paul MacLaine was a noted neurobiologist

31

00:01:57,000 --> 00:02:00,000

who came up with a model called the Triune Brain,

32

00:02:00,000 --> 00:02:03,000

three-part brain.

33

00:02:03,000 --> 00:02:05,000

One part of the brain was Reptilian,

34

00:02:05,000 --> 00:02:09,000

one mammalian, and one primate.

35

00:02:09,000 --> 00:02:12,000

Distinct areas of the brain with different functions.

36

00:02:12,000 --> 00:02:16,000

The Reptilian was particularly important.

37

00:02:16,000 --> 00:02:19,000

MacLaine suggested this was earlier in evolution,

38

00:02:19,000 --> 00:02:21,000

perhaps the first brain,

39

00:02:21,000 --> 00:02:25,000

and had more primal functions, fear, rage.

40

00:02:25,000 --> 00:02:29,000

The idea ignites a firestorm of public interest,

41

00:02:29,000 --> 00:02:32,000

putting into question conventional theories

42

00:02:32,000 --> 00:02:34,000

about human evolution.

43

00:02:34,000 --> 00:02:36,000

This was in the 1960s,

44

00:02:36,000 --> 00:02:39,000

and the Triune Brain captured the imagination

45

00:02:39,000 --> 00:02:42,000

of the intellectual class.

46

00:02:42,000 --> 00:02:45,000

Even Carl Sagan commented on it.

47

00:02:45,000 --> 00:02:49,000

Nearly six decades later, in 2018,

48

00:02:49,000 --> 00:02:52,000

reptile neuroscientist Guy Laurent

49

00:02:52,000 --> 00:02:55,000

and his team at the Max Planck Institute

50

00:02:55,000 --> 00:02:58,000

published a landmark study in the journal Science,

51

00:02:58,000 --> 00:03:03,000

reexamining the idea of a reptilian component to the brain.

52

00:03:03,000 --> 00:03:06,000

Guy Laurent challenged MacLaine's model

53

00:03:06,000 --> 00:03:09,000

and found the brain is not so tidy,

54

00:03:09,000 --> 00:03:11,000

the locations are not so clear,

55

00:03:11,000 --> 00:03:13,000

but he also found there was similarity

56

00:03:13,000 --> 00:03:16,000

in the chemical function of the reptile brain

57

00:03:16,000 --> 00:03:19,000

and the human brain. That was unexpected.

58

00:03:21,000 --> 00:03:24,000

Evolutionary biologists have long proposed

59

00:03:24,000 --> 00:03:28,000

that many human traits, including the Amniotic Births Act,

60

00:03:28,000 --> 00:03:31,000

the layering system of our skin,

61

00:03:31,000 --> 00:03:33,000

and even our hearing,

62

00:03:33,000 --> 00:03:37,000

can be traced back to a common reptilian ancestor.

63

00:03:37,000 --> 00:03:41,000

Many of our features, like our skin, our teeth,

64

00:03:41,000 --> 00:03:44,000

our hair, our nails, as things with backbones,

65

00:03:44,000 --> 00:03:47,000

and sort of the grand evolutionary scheme of things,

66

00:03:47,000 --> 00:03:50,000

were relatively closely related to modern reptiles.

67

00:03:50,000 --> 00:03:53,000

Is it possible that the most significant

68

00:03:53,000 --> 00:03:55,000

advancements in human development

69

00:03:55,000 --> 00:03:57,000

didn't evolve from primates,

70

00:03:57,000 --> 00:04:00,000

as was proposed by Charles Darwin,

71

00:04:00,000 --> 00:04:02,000

but from reptiles?

72

00:04:02,000 --> 00:04:07,000

Humans and reptiles share a lot of traits.

73

00:04:07,000 --> 00:04:10,000

For example, we have these recessive genes in us

74

00:04:10,000 --> 00:04:13,000

that are expressed on occasion.

75

00:04:13,000 --> 00:04:16,000

When we're in the womb, we actually have a tail,

76

00:04:16,000 --> 00:04:18,000

and the tail disappears,

77

00:04:18,000 --> 00:04:22,000

and it becomes the end of our vertebrae down by the bottom of our back.

78

00:04:22,000 --> 00:04:24,000

Some people are born,

79

00:04:24,000 --> 00:04:27,000

and they're actually born with these tails intact.

80

00:04:27,000 --> 00:04:30,000

But while conventional science appears confounded

81

00:04:30,000 --> 00:04:35,000

by the possibility of mankind having a reptilian ancestry,

82

00:04:35,000 --> 00:04:38,000

as far as ancient astronaut theorists are concerned,

83

00:04:38,000 --> 00:04:41,000

such a profound notion is not a mystery,

84

00:04:41,000 --> 00:04:43,000

but a confirmation.

85

00:04:43,000 --> 00:04:46,000

And they suggest that this process is documented

86

00:04:46,000 --> 00:04:48,000

in the various creation stories

87

00:04:48,000 --> 00:04:52,000

found in ancient cultures throughout the world.

88

00:04:52,000 --> 00:04:56,000

The basic tenet of the ancient astronaut theory

89

00:04:56,000 --> 00:05:01,000

is manipulation artificially of genetic material.

90

00:05:01,000 --> 00:05:03,000

We have a fossil record.

91

00:05:03,000 --> 00:05:05,000

There is no doubt in my mind

92

00:05:05,000 --> 00:05:08,000

that there are hominid ancestors

93

00:05:08,000 --> 00:05:12,000

before homo sapiens sapiens made it.

94

00:05:12,000 --> 00:05:14,000

But in my opinion,

95

00:05:14,000 --> 00:05:16,000

the missing link has not been found

96

00:05:16,000 --> 00:05:20,000

because the missing link is the extraterrestrial intervention

97

00:05:20,000 --> 00:05:23,000

of our genetic makeup.

98

00:05:23,000 --> 00:05:26,000

This fits perfectly with ancient creation mythologies.

99

00:05:26,000 --> 00:05:29,000

That is, that reptilian beings came to Earth

100

00:05:29,000 --> 00:05:31,000

and manipulated human DNA

101

00:05:31,000 --> 00:05:35,000

and made us in their image.

102

00:05:35,000 --> 00:05:38,000

According to many ancient astronaut theorists,

103

00:05:38,000 --> 00:05:41,000

extraterrestrials manipulated the genetic makeup

104

00:05:41,000 --> 00:05:43,000

of existing primates on Earth

105

00:05:43,000 --> 00:05:47,000

to create what are considered modern-day humans.

106

00:05:47,000 --> 00:05:50,000

It is this genetic manipulation

107

00:05:50,000 --> 00:05:54,000

that helps to explain mankind's unique intelligence

108

00:05:54,000 --> 00:05:57,000

and why humans are different from other animals

109

00:05:57,000 --> 00:06:02,000

in their use of music, language, poetry, and art

110

00:06:02,000 --> 00:06:05,000

as a means of expressing themselves.

111

00:06:05,000 --> 00:06:07,000

One of the key figures written about

112

00:06:07,000 --> 00:06:10,000

on the ancient Sumerian tablets is Enki,

113

00:06:10,000 --> 00:06:13,000

who they labeled the god of Smithcraft and alchemy

114

00:06:13,000 --> 00:06:17,000

and also suggest as a figure who knew the secrets of human DNA,

115

00:06:17,000 --> 00:06:20,000

for they credited him with the transformation

116

00:06:20,000 --> 00:06:22,000

or fashioning of the human body.

117

00:06:22,000 --> 00:06:25,000

Very interestingly, Enki is portrayed

118

00:06:25,000 --> 00:06:28,000

as a half-human, half-serpent being.

119

00:06:28,000 --> 00:06:33,000

He is referred to as a serpentine god, a reptilian being.

120

00:06:33,000 --> 00:06:37,000

Stories of reptilians appear in many different cultures.

121

00:06:37,000 --> 00:06:41,000

In the Vedic culture, we have the stories of the Nagas.

122

00:06:41,000 --> 00:06:46,000

We have stories of reptilians, of course, in the Garden of Eden.

123

00:06:46,000 --> 00:06:51,000

We have stories of reptilians in the Mesoamerican cultures,

124

00:06:51,000 --> 00:06:54,000

like the Incas and the Mayans.

125

00:06:54,000 --> 00:06:57,000

Divine serpents are unusually universal.

126

00:06:57,000 --> 00:07:01,000

There are examples from Mesopotamia, from India, China, Japan,

127

00:07:01,000 --> 00:07:05,000

and in the Americas, both South America and Central America.

128

00:07:05,000 --> 00:07:08,000

Different cultures refer to reptilian beings

129

00:07:08,000 --> 00:07:13,000

as beings that were helping humanity acquire technologies

130

00:07:13,000 --> 00:07:16,000

at a point in our evolution when we were really starting out.

131

00:07:18,000 --> 00:07:23,000

In early China, the founders were considered to have been semi-divine

132

00:07:23,000 --> 00:07:26,000

and in some cases, fully-divine beings.

133

00:07:26,000 --> 00:07:30,000

Very often, they were half-snake and half-human.

134

00:07:30,000 --> 00:07:35,000

The ancient Egyptian god Sobek is a crocodile-like deity

135

00:07:35,000 --> 00:07:39,000

who is credited by the ancient Egyptians with creating the world.

136

00:07:39,000 --> 00:07:42,000

He portrays that the temple is dedicated to him.

137

00:07:42,000 --> 00:07:45,000

He's portrayed as a human with the head of a crocodile

138

00:07:45,000 --> 00:07:50,000

who emerged from the original waters of creation to create humanity.

139

00:07:50,000 --> 00:07:55,000

Is it possible that the many ancient stories of human beings

140

00:07:55,000 --> 00:08:00,000

created by serpent-like gods are inspired by actual events?

141

00:08:00,000 --> 00:08:03,000

Ancient astronaut theorists say yes

142

00:08:03,000 --> 00:08:08,000

and point to archaeological evidence that supports this very idea.

143

00:08:11,000 --> 00:08:15,000

In 1923, British archaeologist Sir Leonard Woolley

144

00:08:15,000 --> 00:08:20,000

excavated one of the oldest agricultural communities in the world,

145

00:08:20,000 --> 00:08:22,000

the Sumerian city of Ur,

146

00:08:22,000 --> 00:08:26,000

where the ancient Sumerian people worshiped the serpent god Enki.

147

00:08:28,000 --> 00:08:32,000

Among the remains, he discovered some unusual clay artifacts,

148

00:08:32,000 --> 00:08:37,000

some dating as far back as 4000 BC.

149

00:08:37,000 --> 00:08:43,000

One of the most amazing discoveries were the figurines that were uncovered.

150

00:08:43,000 --> 00:08:48,000

They were these humanoid figures with fronted purposes,

151

00:08:48,000 --> 00:08:50,000

heads of reptiles.

152

00:08:50,000 --> 00:08:52,000

They look like snake people.

153

00:08:52,000 --> 00:08:59,000

And you even have a motif where this person is holding and breastfeeding a humanoid baby.

154

00:08:59,000 --> 00:09:06,000

So are they trying to show to us that these are perhaps the creator gods?

155

00:09:06,000 --> 00:09:09,000

And if you look at Enki in some of the depictions of him,

156

00:09:09,000 --> 00:09:12,000

you can see him with scaly skin.

157

00:09:13,000 --> 00:09:16,000

All theories abound as to what these statues represent,

158

00:09:16,000 --> 00:09:21,000

but to me, they represent possibly Sumerian gods, the Onanaki.

159

00:09:21,000 --> 00:09:24,000

Enki too shows these characteristics.

160

00:09:24,000 --> 00:09:28,000

We have to wonder if this isn't the god that wasn't visiting just ancient Sumer,

161

00:09:28,000 --> 00:09:31,000

but other cultures around the world as well.

162

00:09:33,000 --> 00:09:39,000

Do the strange statues on earth in the city of Ur represent extra-terrestrials

163

00:09:39,000 --> 00:09:42,000

that came to earth in the distant past?

164

00:09:42,000 --> 00:09:47,000

And if so, could this provide further evidence that extra-terrestrials

165

00:09:47,000 --> 00:09:53,000

used reptile DNA in their genetic manipulation of what is now the human race?

166

00:09:53,000 --> 00:09:58,000

Ancient astronaut theorists suggest that further evidence can be found,

167

00:09:58,000 --> 00:10:02,000

not only by excavating ancient sites like the city of Ur,

168

00:10:02,000 --> 00:10:09,000

but by looking deep beneath the earth and at a place located thousands of miles away.

169

00:10:13,000 --> 00:10:17,000

Vietnam

170

00:10:17,000 --> 00:10:21,000

Phnom Nguyen Khabang National Park

171

00:10:21,000 --> 00:10:25,000

Located deep within the Southeast Asian jungles

172

00:10:25,000 --> 00:10:29,000

is the world's largest cave system, the Sundong Cave.

173

00:10:31,000 --> 00:10:36,000

It's 3 million years old, 650 feet high, 550 feet wide,

174

00:10:36,000 --> 00:10:41,000

and extends an astounding 3 miles into the earth.

175

00:10:41,000 --> 00:10:47,000

It actually has its own ecosystem with the jungle and even a lake inside of it.

176

00:10:47,000 --> 00:10:52,000

When the cave was first discovered, there was a Vietnamese logger

177

00:10:52,000 --> 00:10:54,000

who was doing illegal logging in the area.

178

00:10:54,000 --> 00:10:58,000

He discovered the cave and it encountered some sort of a creature

179

00:10:58,000 --> 00:11:01,000

that looked like a dragon, a humanoid being.

180

00:11:03,000 --> 00:11:07,000

Since the site was opened to the public in 2013,

181

00:11:07,000 --> 00:11:13,000

there have been multiple eyewitness accounts of a reptile-like humanoid in and around the area.

182

00:11:14,000 --> 00:11:19,000

According to UFO investigators, the Sundong reports are just the latest

183

00:11:19,000 --> 00:11:25,000

in the increasing number of reptoid sightings in remote areas with known cave systems.

184

00:11:26,000 --> 00:11:32,000

There are many stories of people encountering lizard man or snake people

185

00:11:32,000 --> 00:11:38,000

who might be in caves or who might be near a cave on the surface just walking around.

186

00:11:38,000 --> 00:11:42,000

And those unfortunate enough to stumble across these reptilians are terrified

187

00:11:42,000 --> 00:11:45,000

because the reptilians can be very aggressive.

188

00:11:49,000 --> 00:11:55,000

Is it possible that the Sundong caves are home to a race of reptile beings living beneath our feet?

189

00:11:56,000 --> 00:11:59,000

As far as ancient astronaut theorists are concerned,

190

00:11:59,000 --> 00:12:03,000

such a bizarre notion is entirely possible.

191

00:12:03,000 --> 00:12:07,000

In fact, encounters with these creatures have become so common

192

00:12:07,000 --> 00:12:12,000

that the UFO community now has a name for them, the reptilians.

193

00:12:13,000 --> 00:12:19,000

Reptilian humanoids or reptoids are described as being beings that are about 7 to 8 feet tall.

194

00:12:19,000 --> 00:12:22,000

They have a humanoid structure.

195

00:12:22,000 --> 00:12:27,000

Their skin is either beaded like a lizard or either scaled like a snake.

196

00:12:28,000 --> 00:12:30,000

In addition to Southeast Asia,

197

00:12:30,000 --> 00:12:36,000

another location where reptilian sightings have been reported is the area of Cusco, Peru,

198

00:12:36,000 --> 00:12:39,000

high in the Andes Mountains.

199

00:12:39,000 --> 00:12:44,000

According to the stories of the Inca and the even more ancient cultures that preceded them,

200

00:12:44,000 --> 00:12:48,000

a race of reptilian beings once inhabited this land.

201

00:12:49,000 --> 00:12:54,000

They even built some of the massive stone structures that still exist here today.

202

00:12:55,000 --> 00:12:58,000

In April 2019,

203

00:12:58,000 --> 00:13:03,000

ancient astronaut theorist David Hatcher-Childress and researcher Hugh Newman

204

00:13:03,000 --> 00:13:09,000

traveled to Cusco to investigate a possible connection between the ancient stories of reptilians

205

00:13:09,000 --> 00:13:14,000

and sightings of these creatures that have been reported in the last few years.

206

00:13:14,000 --> 00:13:18,000

Joining them as their guide is Jorge Luis Delgado,

207

00:13:18,000 --> 00:13:22,000

an expert on the native Andean civilizations.

208

00:13:23,000 --> 00:13:27,000

You know, Peru in general is just so full of mystery.

209

00:13:27,000 --> 00:13:31,000

To me, it's really the land of the unexplained and adventure.

210

00:13:32,000 --> 00:13:38,000

I never get tired of coming here and there's always something new to see, some new incredible mystery.

211

00:13:38,000 --> 00:13:45,000

Yeah, I agree. I mean, you've got the megalithic temples, you've got Machu Picchu, Cusco and other sites.

212

00:13:45,000 --> 00:13:51,000

You've got Nazca, you've got all these mysterious underground tunnels that stretch across the country.

213

00:13:51,000 --> 00:13:55,000

All these amazing myths and legends relating to these serpent gods.

214

00:13:55,000 --> 00:13:58,000

So there's something really special about this place.

215

00:13:59,000 --> 00:14:06,000

We are going to one of the most important temples with the giant stones we can see.

216

00:14:06,000 --> 00:14:09,000

And the name of that place is Saxeï Woman.

217

00:14:10,000 --> 00:14:15,000

The sprawling fortress of Saxeï Woman covers more than 11 square miles

218

00:14:15,000 --> 00:14:20,000

and is filled with some of the most perplexing megalithic constructions in the world.

219

00:14:21,000 --> 00:14:27,000

They're all unique. Each one is unique, but so perfectly cut and fitted together.

220

00:14:27,000 --> 00:14:29,000

It's always astonishing to see it.

221

00:14:30,000 --> 00:14:35,000

These ancient walls are built with unusually shaped stone blocks.

222

00:14:35,000 --> 00:14:42,000

Often weighing thousands of pounds, they are cut so precisely they fit together without the need of mortar.

223

00:14:42,000 --> 00:14:48,000

Mainstream historians date the megalithic fortress to the 12th century AD

224

00:14:48,000 --> 00:14:54,000

and credit its construction to a pre-Incan civilization called the Kilki.

225

00:14:55,000 --> 00:15:02,000

However, a growing body of evidence suggests that the structures may actually predate the Kilki

226

00:15:02,000 --> 00:15:05,000

and belong to an even older civilization.

227

00:15:06,000 --> 00:15:13,000

A civilization that according to ancient astronaut theorists may have been not entirely human.

228

00:15:13,000 --> 00:15:15,000

The Kilki

229

00:15:18,000 --> 00:15:19,000

Wow, look at this.

230

00:15:19,000 --> 00:15:20,000

Alright, so...

231

00:15:20,000 --> 00:15:21,000

That's the one, isn't it?

232

00:15:21,000 --> 00:15:24,000

Yeah. Is this the stone you were talking about then?

233

00:15:24,000 --> 00:15:25,000

No, this is the head you can see.

234

00:15:25,000 --> 00:15:28,000

So this is the serpent. This is the head of the serpent here.

235

00:15:28,000 --> 00:15:29,000

That's around.

236

00:15:29,000 --> 00:15:30,000

And how far does it go?

237

00:15:30,000 --> 00:15:31,000

Yeah, just behind this wall.

238

00:15:31,000 --> 00:15:33,000

And can you see the tail on it?

239

00:15:34,000 --> 00:15:40,000

So you're saying that the builders are purposely putting a serpent into the walls here?

240

00:15:40,000 --> 00:15:41,000

Yes.

241

00:15:41,000 --> 00:15:47,000

To remember that as you learn from the serpent, you can have access to the ancestors.

242

00:15:47,000 --> 00:15:49,000

You access to the wisdom.

243

00:15:49,000 --> 00:15:53,000

But is it the serpent people who are building this?

244

00:15:53,000 --> 00:15:57,000

Are they showing that we are the serpent people and we are the builders?

245

00:15:57,000 --> 00:15:58,000

That's one of the theories.

246

00:16:00,000 --> 00:16:07,000

The Stonework serpent is just one of many found embedded within the constructions of the walls around Cusco.

247

00:16:07,000 --> 00:16:13,000

Might these depictions suggest a connection at the megalithic site with snake-like beams?

248

00:16:14,000 --> 00:16:22,000

Incredibly, ancient megalithic walls that are nearly identical to those in Peru have been discovered in nearly every part of the globe.

249

00:16:22,000 --> 00:16:33,000

The ancient ruins of Thera in Greece, the Valley Temple in Egypt, the Gimpy Pyramid in Australia, Ahuvenapu on Easter Island.

250

00:16:33,000 --> 00:16:40,000

Is it possible that these massive stone walls and others like them all share a common architect?

251

00:16:42,000 --> 00:16:45,000

All over the world there are traditions of the serpent people.

252

00:16:45,000 --> 00:16:48,000

Now these were master megalithic stone masons.

253

00:16:48,000 --> 00:16:56,000

And I believe this is where this high knowledge, this megalithic construction emerge from and then spread around the world.

254

00:16:57,000 --> 00:17:07,000

Throughout Peru and the Andes there are many, many legends of tunnels, underground chambers.

255

00:17:07,000 --> 00:17:19,000

And the Peruvians themselves believe that this underground tunnel system has something to do with these and serpent deities which they call the Amaru there.

256

00:17:20,000 --> 00:17:21,000

So this is the entrance.

257

00:17:22,000 --> 00:17:23,000

Look.

258

00:17:23,000 --> 00:17:24,000

Oh wow.

259

00:17:24,000 --> 00:17:25,000

Look at that.

260

00:17:27,000 --> 00:17:32,000

In this place we have this main entrance and then there is many other tunnels.

261

00:17:33,000 --> 00:17:37,000

It's very tricky because people can be confused and they can get lost here.

262

00:17:37,000 --> 00:17:39,000

So if you don't have fear, we can go inside.

263

00:17:44,000 --> 00:17:46,000

Wow, look at these high ceilings here.

264

00:17:46,000 --> 00:17:47,000

Yeah.

265

00:17:50,000 --> 00:17:52,000

There's another shelf. Watch your step right here.

266

00:17:55,000 --> 00:17:59,000

Here's another side tunnel right there.

267

00:18:02,000 --> 00:18:03,000

Oh yeah.

268

00:18:03,000 --> 00:18:05,000

It's been carved out as well, isn't it?

269

00:18:05,000 --> 00:18:06,000

Looks like yeah.

270

00:18:07,000 --> 00:18:14,000

Do you think this is one of the tunnels, side tunnels that might lead deeper into this underground city of the Amarus?

271

00:18:14,000 --> 00:18:15,000

Yes.

272

00:18:15,000 --> 00:18:23,000

There is a legend saying that under Saxehuaman, which is connected with this place, it's very close to Saxehuaman.

273

00:18:23,000 --> 00:18:25,000

There is like a city.

274

00:18:25,000 --> 00:18:34,000

One of the legends is the masters who live in this inner world are the ones who build these amazing megalithic constructions.

275

00:18:34,000 --> 00:18:39,000

Sometimes people are seen coming out of these tunnels, right?

276

00:18:39,000 --> 00:18:44,000

And I mean you're saying spirits but also people as well, right?

277

00:18:44,000 --> 00:18:45,000

Yeah.

278

00:18:45,000 --> 00:18:51,000

When we are talking these other kind of people, you know the kind of people is not like the actual humanity.

279

00:18:51,000 --> 00:18:54,000

It's a different kind of race.

280

00:18:55,000 --> 00:19:00,000

Do they have a serpent-like appearance? They look like serpents?

281

00:19:00,000 --> 00:19:08,000

Yes, it has a long-legged head. It has a different kind of eyes. It's like alien eye.

282

00:19:11,000 --> 00:19:17,000

Is it possible that a race of reptilian humanoids still exists somewhere deep underground?

283

00:19:18,000 --> 00:19:22,000

But if so, why haven't they made their presence known?

284

00:19:22,000 --> 00:19:29,000

Ancient astronaut theorists suggest that according to sacred texts, the answer is clear.

285

00:19:29,000 --> 00:19:34,000

It is because they were once banished from the face of the earth.

286

00:19:40,000 --> 00:19:42,000

Southern India

287

00:19:43,000 --> 00:19:48,000

In the province of Kerala stands the Manasala Temple.

288

00:19:48,000 --> 00:19:54,000

Within this compound are more than 30,000 stone snake idols and images.

289

00:19:56,000 --> 00:20:01,000

The temple is dedicated to Lord Nagaraja, the king of the Naga,

290

00:20:01,000 --> 00:20:06,000

who according to local legend still resides at the temple today.

291

00:20:07,000 --> 00:20:14,000

In the Hindu tradition, the Naga are semi-divine beings, half-human and half-cobra.

292

00:20:16,000 --> 00:20:21,000

The Nagas are often depicted as either snakes, cobras primarily,

293

00:20:22,000 --> 00:20:26,000

or half-human and half-reptilian beings.

294

00:20:26,000 --> 00:20:29,000

Usually the lower part of the body will be that of a snake,

295

00:20:29,000 --> 00:20:32,000

and the upper part will be that of a human.

296

00:20:32,000 --> 00:20:37,000

But they are closely associated with these subterranean underground cities

297

00:20:37,000 --> 00:20:43,000

that are in many ways parallel worlds to the world above ground.

298

00:20:43,000 --> 00:20:48,000

They populate these subterranean realms in very large numbers.

299

00:20:49,000 --> 00:20:55,000

According to Hindu mythology, the Naga were driven underground by the god Vishnu.

300

00:20:55,000 --> 00:21:01,000

Curiously, a similar story can be found in ancient Hebrew texts.

301

00:21:01,000 --> 00:21:08,000

Numerous biblical accounts suggest that although Adam and Eve are the first humans created by God,

302

00:21:08,000 --> 00:21:11,000

they were not the first to dwell upon the earth.

303

00:21:12,000 --> 00:21:19,000

The Adamic race as recorded in the Bible was not the first race on earth.

304

00:21:19,000 --> 00:21:24,000

There were pre-Adamic civilizations.

305

00:21:24,000 --> 00:21:29,000

The pre-Adamic civilizations has a history which we do not know.

306

00:21:30,000 --> 00:21:33,000

A race that walked the earth before Adam and Eve?

307

00:21:33,000 --> 00:21:38,000

Might this be the reptilian-like beings mentioned in ancient texts?

308

00:21:39,000 --> 00:21:43,000

Ancient astronaut theorists suggest that the serpent in the Garden of Eden

309

00:21:43,000 --> 00:21:46,000

may be the key to solving the mystery.

310

00:21:46,000 --> 00:21:52,000

There have always been talk about a reptilian race,

311

00:21:52,000 --> 00:21:55,000

whether it's angelic or extraterrestrial.

312

00:21:55,000 --> 00:22:01,000

Most people will look towards the example in Genesis with the serpent.

313

00:22:01,000 --> 00:22:10,000

Ancient legend tells us that the serpent in the Garden of Eden was actually a humanoid form.

314

00:22:10,000 --> 00:22:12,000

It stood erect at arms and at legs.

315

00:22:12,000 --> 00:22:15,000

Clearly, it spoke as we know from biblical record.

316

00:22:16,000 --> 00:22:24,000

According to the book of Genesis, this reptilian figure's interference with mankind leads to him being punished by God.

317

00:22:24,000 --> 00:22:28,000

Genesis, chapter 1 verse 2 states that the world was in chaos.

318

00:22:28,000 --> 00:22:37,000

It indicates to us, very possibly, a pre-Adamic war amongst civilizations.

319

00:22:37,000 --> 00:22:42,000

We find echoes of this in literature, both in our Judean traditions,

320

00:22:42,000 --> 00:22:45,000

as well as in literature from around the world.

321

00:22:46,000 --> 00:22:51,000

I don't think we should be so quick to dismiss these things in light of archaeological discoveries.

322

00:22:52,000 --> 00:22:54,000

In the story of the serpent being punished,

323

00:22:54,000 --> 00:22:59,000

we seem to have literary evidence of an extraterrestrial battle or war going on.

324

00:23:01,000 --> 00:23:03,000

An extraterrestrial battle?

325

00:23:03,000 --> 00:23:08,000

Ancient astronaut theorists suggest that not only did such a war occur,

326

00:23:08,000 --> 00:23:12,000

but physical evidence of this can be found across the globe.

327

00:23:13,000 --> 00:23:18,000

In Cusco, Peru, local Andean expert and guide Jorge Delgado

328

00:23:18,000 --> 00:23:24,000

is taking David Childress and Hugh Newman to one of the most curious sites in the city.

329

00:23:25,000 --> 00:23:26,000

So look at this rock.

330

00:23:26,000 --> 00:23:27,000

Wow.

331

00:23:27,000 --> 00:23:32,000

The shape, this cut, some steps going in.

332

00:23:32,000 --> 00:23:35,000

But steps? How you will use these steps?

333

00:23:35,000 --> 00:23:37,000

It seems that the stone is upside down.

334

00:23:37,000 --> 00:23:38,000

Incredible.

335

00:23:38,000 --> 00:23:40,000

You see? And looking this other side.

336

00:23:40,000 --> 00:23:42,000

All these cuts in the rock.

337

00:23:42,000 --> 00:23:48,000

Inexplicably, this megalithic stone appears to have been toppled over 180 degrees.

338

00:23:48,000 --> 00:23:53,000

Legend says it was displaced during a great cataclysm.

339

00:23:54,000 --> 00:23:57,000

So it is one of the biggest mysteries for some people.

340

00:23:57,000 --> 00:24:00,000

This is an evidence of the cataclysm that happened once.

341

00:24:00,000 --> 00:24:01,000

It's incredible.

342

00:24:01,000 --> 00:24:06,000

Hugh, have you seen evidence of cataclysms like this in some of your journeys?

343

00:24:06,000 --> 00:24:09,000

Well, I mean, at Tewanaku and Puma Punku.

344

00:24:10,000 --> 00:24:13,000

It looks like a tidal wave has hit the site from the lake.

345

00:24:15,000 --> 00:24:21,000

We have the vitrified forts in Scotland, for instance, which show extreme heating, like some kind of solar flare.

346

00:24:24,000 --> 00:24:27,000

And the Hittite cities in Turkey and stuff like that.

347

00:24:27,000 --> 00:24:28,000

Yeah.

348

00:24:28,000 --> 00:24:37,000

Places where it looks like some missile or some giant explosion has just blown up these megalithic towers and walls.

349

00:24:39,000 --> 00:24:40,000

Missiles?

350

00:24:40,000 --> 00:24:43,000

Gigantic explosions?

351

00:24:43,000 --> 00:24:49,000

Might this be physical evidence of a devastating war fought between groups of extraterrestrials?

352

00:24:51,000 --> 00:24:58,000

Stories of ancient battles between supernatural beings can be found in sacred texts throughout the world.

353

00:25:00,000 --> 00:25:08,000

In Greek mythology, there are destructive battles between Zeus and Typhon, a monster described as having coiled serpent legs.

354

00:25:09,000 --> 00:25:17,000

The ancient Egyptians had tales of unending battles between the sun god Ra and Apep, the serpent deity of the underworld.

355

00:25:20,000 --> 00:25:26,000

Curiously, in each of these accounts, the losing party is represented by a serpent or dragon.

356

00:25:28,000 --> 00:25:36,000

In the stories of the battles between the gods, we learn of a battle between extraterrestrial forces, some described as reptilian.

357

00:25:36,000 --> 00:25:38,000

What happened to those reptilian beings?

358

00:25:38,000 --> 00:25:41,000

Well, they're banished to the interior of the earth.

359

00:25:42,000 --> 00:25:44,000

You're saying there's extraterrestrial races?

360

00:25:44,000 --> 00:25:51,000

And this stone is evidence of this extraterrestrial war and some cataclysm?

361

00:25:51,000 --> 00:25:52,000

Could be.

362

00:25:52,000 --> 00:25:54,000

It is the time when everything is upside down.

363

00:25:54,000 --> 00:25:55,000

It's chaos.

364

00:25:55,000 --> 00:25:56,000

Okay, it's war.

365

00:25:56,000 --> 00:25:58,000

It's upside down, the war, this cataclysm.

366

00:25:58,000 --> 00:25:59,000

Exactly.

367

00:25:59,000 --> 00:26:01,000

It was a period of time, too much chaos.

368

00:26:01,000 --> 00:26:07,000

So some of these nations, they went to live in the inner world.

369

00:26:09,000 --> 00:26:14,000

If an ancient extraterrestrial war took place on earth, what was it fought over?

370

00:26:14,000 --> 00:26:27,000

Some ancient astronaut theorists suggest the participants may have had conflicting agendas for humanity and that the ultimate outcome has not yet been determined.

371

00:26:32,000 --> 00:26:36,000

Scottsdale, Arizona.

372

00:26:36,000 --> 00:26:40,000

February 2018.

373

00:26:40,000 --> 00:26:48,000

Thousands descend on this small desert community to attend the 27th annual International UFO Congress.

374

00:26:48,000 --> 00:27:00,000

The event offers UFO researchers an opportunity to not only share the latest developments in the field, but also to hear from people who believe they have come into contact with extraterrestrials.

375

00:27:01,000 --> 00:27:10,000

Over the course of the five-day event, attendees describe encounters with alien beings that take a variety of physical forms.

376

00:27:11,000 --> 00:27:17,000

There seem to be three categories of organic alien beings that have been interacting with humanity.

377

00:27:17,000 --> 00:27:24,000

You have your reptilian types, you have what we describe as the Nordics, and then you have the grays.

378

00:27:24,000 --> 00:27:30,000

These types of descriptions appear over and over again in various mythic and historical traditions.

379

00:27:30,000 --> 00:27:44,000

Do the accounts of modern-day encounters with extraterrestrials support the notion that the reptilians are just one of numerous alien races that have been influencing events on earth dating back thousands of years?

380

00:27:44,000 --> 00:27:49,000

And if so, do they each have their own agenda for humankind?

381

00:27:50,000 --> 00:27:59,000

Clearly, what we are being told here is that in the ancient times there was a battle for control over earth and indeed the destiny of humanity.

382

00:28:01,000 --> 00:28:08,000

Ancient astronaut theorists often think that there were several kinds of extraterrestrials who were coming to the planet.

383

00:28:09,000 --> 00:28:19,000

And fighting wars over which extraterrestrial race would nurture humans and bring them along to the point where they are now.

384

00:28:20,000 --> 00:28:28,000

The idea that there's been warring factions of EETs trying to have control over the human race or the world in general goes way into the past.

385

00:28:29,000 --> 00:28:33,000

We have to wonder if they weren't all doing genetic experimentation.

386

00:28:34,000 --> 00:28:44,000

If human DNA was manipulated by extraterrestrials, as ancient astronaut theorists suggest, might this have been done by various alien races?

387

00:28:45,000 --> 00:29:02,000

A number of abductees have claimed that they've been subjected to genetic experiments by reptilian aliens who are looking at them and their DNA for long-going research of creating, say, a future human.

388

00:29:04,000 --> 00:29:19,000

It seems reasonable to assume that if we human beings are now experimenting with animals doing genetic experiments, that if we have a higher culture to us scientifically and older culture, they may have been drawing us in as their experimental stock.

389

00:29:20,000 --> 00:29:25,000

Could earth have been actually populated a long time ago as an actual zoo?

390

00:29:26,000 --> 00:29:33,000

In other words, could we have other alien beings always coming down to earth because earth is their science workshop?

391

00:29:34,000 --> 00:29:49,000

As far as ancient astronaut theorists are concerned, a growing body of evidence suggests not only

that multiple races of extraterrestrials have a presence on the earth, but that there may be government officials who are aware of them.

392

00:29:50,000 --> 00:30:08,000

In December 1999, a man was retiring from the Defense Intelligence Agency and told me his job for 23 years was to monitor and analyze competing extraterrestrial territorial conflicts on planet Earth.

393

00:30:08,000 --> 00:30:24,000

The DIA guy said, our government has proof that three competing extraterrestrial civilizations have been mixing and matching genes on this planet using this as a laboratory for at least 270 million years.

394

00:30:25,000 --> 00:30:35,000

The human race is not a pure human species. It is part reptilian. It is part other extraterrestrial.

395

00:30:36,000 --> 00:30:45,000

I believe it started with a group of the reptilian type beings that began this experiment with DNA manipulation.

396

00:30:46,000 --> 00:30:55,000

At that time, other groups of non-human extraterrestrial beings wanted to also participate in this experiment.

397

00:30:56,000 --> 00:31:02,000

With time, those different factions started to not see eye to eye.

398

00:31:03,000 --> 00:31:09,000

That is the reason why we hear about stories where there is wars in the sky.

399

00:31:10,000 --> 00:31:24,000

There are those that believe that the reptilian beings were banished to an interior part of the earth and that perhaps they were awaiting a time such as today for them to once again arise to take control of humanity.

400

00:31:25,000 --> 00:31:40,000

If reptilian extraterrestrials were responsible for the creation of the first humans and were later forced to retreat beneath the earth by other alien races, will they continue to remain in hiding?

401

00:31:41,000 --> 00:31:48,000

Or, based on the growing number of recent sightings, are they preparing to reemerge?

402

00:31:49,000 --> 00:32:00,000

Perhaps further clues can be found by examining a secret underground air force base where some have reported encounters with reptilians.

403

00:32:08,000 --> 00:32:10,000

Dulce, New Mexico

404

00:32:11,000 --> 00:32:19,000

This unassuming town has been home to the Hikariah Apache Indian tribe for over six centuries.

405

00:32:20,000 --> 00:32:31,000

Hikariah Apache folklore is filled with stories of interactions with star people, including lizard and antmen they describe as living underground.

406

00:32:32,000 --> 00:32:40,000

To them, those star people are as active and interactive with the planet now as they ever have been.

407

00:32:41,000 --> 00:32:52,000

It was western civilization that ran by and buried the whole issue of extraterrestrials and reptiles as mythological.

408

00:32:53,000 --> 00:33:10,000

But it is the Hikariah Paches in Dulce who will also tell you that they know that there are some type of beings that are underground Dulce and that the key are Mount Archuleta and Archuleta Mesa.

409

00:33:11,000 --> 00:33:26,000

And below those two, there are deep underground bases that have been operated by some form of reptilian related being for centuries.

410

00:33:27,000 --> 00:33:39,000

According to government insiders, located nearly two miles beneath the surface is indeed a secret subterranean military base known as the Dulce Air Force Base.

411

00:33:40,000 --> 00:33:49,000

The base is rumored to extend seven levels underground with the lowest levels occupied by extraterrestrial species.

412

00:33:50,000 --> 00:33:59,000

Whistleblower Phil Schneider claimed to have worked on the construction of these deep underground military bases for the U.S. government.

413

00:34:00,000 --> 00:34:16,000

Phil Schneider was a very interesting geologist used by the U.S. government to do excavations of large areas under military contract where they were essentially going to be building large caverns and connecting underground passageways.

414

00:34:16,000 --> 00:34:27,000

On May 8, 1995, Schneider gave a presentation in Post Falls, Idaho and claimed he was attacked by

extraterrestrials deep underground.

415

00:34:28,000 --> 00:34:41,000

I was involved in 1979 in a horrendous firefight with alien human type, whatever you want to call them. And I was one of the survivors.

416

00:34:41,000 --> 00:34:46,000

Sixty-six secret service agents, FBI and the like, Black Berets died in that firefight.

417

00:34:47,000 --> 00:34:56,000

According to Phil, at the time of his encounter, his team had been contracted to create an addition to the existing Dulce Underground Base.

418

00:34:57,000 --> 00:35:02,000

They were drilling holes deep into the ground and using explosives to create caverns.

419

00:35:04,000 --> 00:35:07,000

When they encountered numerous gray and reptilian aliens.

420

00:35:08,000 --> 00:35:23,000

Basically what had occurred was that we surprised a whole under-mountain base of existing aliens

and later I was to find out that we are not the highest on the food chain.

421

00:35:25,000 --> 00:35:35,000

Phil Schneider later described learning about genetic experiments conducted by the same extraterrestrial beings he encountered at Dulce Air Force Base.

422

00:35:38,000 --> 00:35:43,000

But sadly, he would never get the chance to provide further information.

423

00:35:46,000 --> 00:35:56,000

Just eight months after his presentation in Post Falls, Phil Schneider was found dead in his apartment with rubber tubing wrapped around his neck.

424

00:35:57,000 --> 00:36:06,000

Those who knew him best were shocked when his death was ruled a suicide and many insisted this was a comfort story for an assassination.

425

00:36:08,000 --> 00:36:12,000

Part of what I'm going to tell you is going to be very shocking.

426

00:36:12,000 --> 00:36:25,000

If people had learned of what Phil Schneider was revealing, they would have understood that there had been agreements reached between the US government and some of these extraterrestrial civilizations.

427

00:36:26,000 --> 00:36:35,000

And that there were many individuals that were abducted and being subjected to all kinds of human experimentation at the Dulce Base.

428

00:36:37,000 --> 00:36:48,000

Did Phil Schneider encounter the same reptilian extraterrestrials that the Inc. accredited with creating underground cities in the southern highlands of Peru hundreds of years ago?

429

00:36:50,000 --> 00:37:01,000

Some ancient astronaut theorists suggest that not only are extraterrestrials working with the government, they have infiltrated society at the highest levels.

430

00:37:01,000 --> 00:37:17,000

One of the other theories in the field of ufology is that the reptilian presence is actually active today and that they've concealed themselves by taking more of a human form but have infiltrated many world governments or top world positions.

431

00:37:18,000 --> 00:37:25,000

We have to wonder if there isn't some type of an agenda once again taking place where they're letting their presence be known.

432

00:37:26,000 --> 00:37:33,000

Might the stories of reptilians hiding amongst us be true? And if so, to what end?

433

00:37:34,000 --> 00:37:43,000

Some believe that not only are they trying to influence the course of humanity, they are creating a superior species of human, alien, hybrids.

434

00:37:44,000 --> 00:37:48,000

HOVE, ENGLAND, 2008

435

00:37:49,000 --> 00:38:00,000

In the middle of the night, 20-year-old Charmaine de Rosario Sage is sleeping in bed when she awakens to a frightening sign. A reptilian humanoid staring down at her.

436

00:38:00,000 --> 00:38:01,000

I woke up.

437

00:38:01,000 --> 00:38:08,000

A reptilian came into the room. We went to an underground cave.

438

00:38:08,000 --> 00:38:15,000

There was a group of reptilians there and they stood around me in a circle.

439

00:38:15,000 --> 00:38:21,000

Each one of them put one hand on my body and I slowly took a look at her.

440

00:38:21,000 --> 00:38:26,000

There was a group of reptilians there and they stood around me in a circle.

441

00:38:26,000 --> 00:38:31,000

Each one of them put one hand on my body and I slowly changed.

442

00:38:32,000 --> 00:38:47,000

And it was the most amazing but also sort of bizarre situation to look down at your body and see it morph from your human form into a reptilian form.

443

00:38:47,000 --> 00:38:54,000

To see the skin shift from being smooth into scales and to find that I had a tail.

444

00:38:55,000 --> 00:39:03,000

Could Charmaine's incredible story be true when she really transformed into a reptilian human hybrid?

445

00:39:03,000 --> 00:39:14,000

Charmaine claims she learned from her abductors that all humans today are byproducts of alien genetic manipulation. Some more than others.

446

00:39:15,000 --> 00:39:27,000

At certain points in our history different ET races have come to this planet and they have not manipulated all of humanity but certain groups.

447

00:39:28,000 --> 00:39:42,000

The reason and agenda for alien intelligences to be on this planet manipulating humans and animals is because there are wars out there.

448

00:39:42,000 --> 00:39:57,000

Between different types of intelligences about territory and that those territorial wars involve populations of created and manipulated life.

449

00:39:59,000 --> 00:40:08,000

If reptilian extraterrestrials have inhabited Earth for thousands of years are they content to continue hiding out underground?

450

00:40:08,000 --> 00:40:15,000

Or is the day fast approaching where they will step out of the shadows and announce their presence once again?

451

00:40:19,000 --> 00:40:25,000

The Christians are waiting for the return of Jesus. The Jews are waiting for the return of the Messiah.

452

00:40:25,000 --> 00:40:28,000

The Islamic community is waiting for the return of Muhammad.

453

00:40:28,000 --> 00:40:43,000

The idea of this return did not originate with any of those religious figures but it in fact originated with the promise by extraterrestrials that they would return in the future.

454

00:40:44,000 --> 00:40:59,000

Tradition tells us that the army of the Messiah is not to come from heaven but is to arise from inner Earth and therefore dominate the surface world.

455

00:41:00,000 --> 00:41:16,000

Perhaps we are now at this special turning point in our history and the timeline of planet Earth where the reptilians and the other extraterrestrials will announce themselves.

456

00:41:17,000 --> 00:41:32,000

Could evidence of secret underground cities combined with recent accounts of encounters with so-called reptilian creatures be preparing us to accept a profoundly different genetic truth than the one we have been taught?

457

00:41:33,000 --> 00:41:46,000

That mankind didn't only evolve from a race of primates but also from a race of reptiles whose genes were spliced into our own by means of extraterrestrial manipulation.

458

00:41:46,000 --> 00:42:04,000

If true, such a revelation would revolutionize everything we have come to believe about our existence on this planet but it may also lead to a profound understanding not only about mankind's past but about its future.
