

1

00:00:00,000 --> 00:00:05,000

Thousands of claims of alien abductions.

2

00:00:05,040 --> 00:00:08,000

People are reporting the extraterrestrials

3

00:00:08,040 --> 00:00:12,080

are harvesting genetic material from humans.

4

00:00:12,120 --> 00:00:16,280

Animals mutilated with surgical precision.

5

00:00:16,320 --> 00:00:21,120

What we know is that something is harvesting body parts,

6

00:00:21,160 --> 00:00:23,920

blood, and DNA.

7

00:00:23,960 --> 00:00:27,360

Are aliens performing genetic experimentation

8

00:00:28,160 --> 00:00:31,160

here on planet Earth?

9

00:00:31,200 --> 00:00:37,000

Other intelligences can mix and match any gene they want

10

00:00:37,040 --> 00:00:41,040

and hybridize and hybridize again.

11

00:00:41,080 --> 00:00:43,040

The question which remains is,

12

00:00:43,080 --> 00:00:45,840

if extraterrestrials have made hybrids,

13

00:00:45,880 --> 00:00:48,080

why, what for?

14

00:00:48,120 --> 00:00:51,080

And if extraterrestrials are engaged

15

00:00:51,120 --> 00:00:54,080

in creating alien human hybrids,

16

00:00:54,400 --> 00:00:57,680

could it signal the end of humankind?

17

00:00:57,720 --> 00:01:01,520

Perhaps more hybrids are being created right now

18

00:01:01,560 --> 00:01:06,520

in order to continue this extraterrestrial evolution.

19

00:01:09,600 --> 00:01:14,200

There is a doorway in the universe.

20

00:01:14,240 --> 00:01:18,400

Beyond it is the promise of truth.

21

00:01:18,440 --> 00:01:23,680

It demands we question everything we have ever been taught.

22

00:01:23,800 --> 00:01:27,240

The evidence is all around us.

23

00:01:27,280 --> 00:01:31,320

The future is right before our eyes.

24

00:01:31,360 --> 00:01:33,760

We are not alone.

25

00:01:33,800 --> 00:01:36,920

We have never been alone.

26

00:01:45,240 --> 00:01:50,040

Luzon Island, the Philippines.

27

00:01:50,200 --> 00:01:52,840

2019.

28

00:01:52,880 --> 00:01:55,080

Archaeologists announced the discovery

29

00:01:55,120 --> 00:01:58,680

of an entirely new relative of the human species,

30

00:01:58,720 --> 00:02:01,840

Homo Luzonensis,

31

00:02:01,880 --> 00:02:04,520

found in a large limestone cave.

32

00:02:04,560 --> 00:02:06,600

The remains of Homo Luzonensis

33

00:02:06,640 --> 00:02:10,880

date back 67,000 years.

34

00:02:10,920 --> 00:02:13,440

Without a land bridge to mainland Asia,

35

00:02:13,480 --> 00:02:16,120

this strange species arose isolated

36

00:02:16,160 --> 00:02:19,560

from other hominin species.

37

00:02:19,600 --> 00:02:22,880

So I think when you look at the evolution of humanity

38

00:02:22,920 --> 00:02:26,440

and the different species that have existed throughout time,

39

00:02:26,480 --> 00:02:29,480

early on we had a pretty simple story.

40

00:02:29,520 --> 00:02:31,880

We split from chimpanzees and monkeys,

41

00:02:31,920 --> 00:02:34,600

the Homo sapien ancestors developed,

42

00:02:34,640 --> 00:02:36,000

and you end up with Homo sapien

43

00:02:36,040 --> 00:02:38,160

and we're the ones that are left.

44

00:02:38,200 --> 00:02:41,280

As we do more research and archaeology,

45

00:02:41,320 --> 00:02:45,360

we're discovering a wide range of different hominids.

46

00:02:45,400 --> 00:02:47,560

One of them is the Homo Luzonensis.

47

00:02:47,600 --> 00:02:50,000

And one of the interesting things about it is

48

00:02:50,040 --> 00:02:52,040

the structures of some of the bones

49

00:02:52,080 --> 00:02:56,080

are sufficiently different that it is a different species.

50

00:02:56,120 --> 00:02:58,680

In addition to Homo Luzonensis,

51

00:02:58,720 --> 00:03:00,720

other ancient human-like species

52

00:03:00,760 --> 00:03:03,440

are continually being discovered,

53

00:03:03,480 --> 00:03:06,480

like the Dinesovans in Siberia

54

00:03:06,520 --> 00:03:11,320

and the Hobbit-like Homo Floresiensis in Indonesia.

55

00:03:11,360 --> 00:03:15,760

Given the great diversity of the number of different species,

56

00:03:15,840 --> 00:03:19,440

how is it that Homo sapien sapien ended up the only one left?

57

00:03:21,400 --> 00:03:23,440

All those scientists now believe

58

00:03:23,480 --> 00:03:27,280

that at least eight human-like species once walked the Earth,

59

00:03:27,320 --> 00:03:30,480

only Homo sapien survived.

60

00:03:30,520 --> 00:03:32,320

But why?

61

00:03:32,360 --> 00:03:36,960

The answer remains one of archaeology's greatest mysteries.

62

00:03:37,000 --> 00:03:40,080

Could it be possible that this survival

63

00:03:40,120 --> 00:03:44,320

or the reason why Homo sapiens has survived to this day

64

00:03:44,400 --> 00:03:48,320

is due to an extraterrestrial interference?

65

00:03:49,640 --> 00:03:54,480

Are what we're looking at here failed experiments, prototypes?

66

00:03:54,520 --> 00:03:57,560

Are we just the latest experiment?

67

00:03:57,600 --> 00:04:02,640

Were there previously other branches of the human family

68

00:04:02,680 --> 00:04:06,200

that were themselves either created or enhanced,

69

00:04:06,240 --> 00:04:08,400

but which didn't quite make the grade?

70

00:04:09,400 --> 00:04:12,680

Is it possible that extraterrestrial intervention

71

00:04:12,720 --> 00:04:16,720

could explain the existence of multiple hominin species on Earth

72

00:04:16,760 --> 00:04:21,400

and the fact that only Homo sapiens have survived into the modern era?

73

00:04:22,440 --> 00:04:24,960

Ancient astronaut theorists suggest

74

00:04:25,000 --> 00:04:27,400

that evidence to support this hypothesis

75

00:04:27,440 --> 00:04:29,920

can be found in the historical records

76

00:04:29,960 --> 00:04:32,480

of the earliest known civilizations,

77

00:04:32,520 --> 00:04:35,480

and in particular, the Sumerian stories

78

00:04:35,520 --> 00:04:37,200

of the Anunnites,

79

00:04:37,200 --> 00:04:40,560

also called the Guardians of the Sky.

80

00:04:40,600 --> 00:04:42,840

In the ancient Sumerian texts,

81

00:04:42,880 --> 00:04:45,880

they talk about the Anunnaki,

82

00:04:45,920 --> 00:04:50,320

who were described as being able to fly,

83

00:04:50,360 --> 00:04:53,280

having elongated heads,

84

00:04:53,320 --> 00:04:55,760

and also being very wise

85

00:04:55,800 --> 00:04:59,080

and bringing knowledge and science.

86

00:04:59,120 --> 00:05:03,400

It's often said that the Anunnaki were specifically involved

87

00:05:03,440 --> 00:05:05,440

in genetic experiments.

88

00:05:05,440 --> 00:05:08,680

And so here we have the story of extraterrestrials

89

00:05:08,720 --> 00:05:12,680

genetically engineering people starting around 6000 BC,

90

00:05:12,720 --> 00:05:16,080

although I suspect it must go back much further than that.

91

00:05:16,120 --> 00:05:18,920

In order to keep their territory,

92

00:05:18,960 --> 00:05:21,000

they made hybrids.

93

00:05:21,040 --> 00:05:25,440

They made hybrids that would extend the Anunnaki bloodline

94

00:05:25,480 --> 00:05:28,680

into standing up primates

95

00:05:28,720 --> 00:05:31,960

that would carry out their territory,

96

00:05:32,000 --> 00:05:33,680

their bloodline,

97

00:05:33,680 --> 00:05:36,480

what you can find with many of these depictions

98

00:05:36,520 --> 00:05:38,280

of these ancient gods.

99

00:05:38,320 --> 00:05:41,320

Is they're described either with wings

100

00:05:41,360 --> 00:05:45,480

or they're depicted inside flying animals

101

00:05:45,520 --> 00:05:47,760

or flying machines?

102

00:05:47,800 --> 00:05:51,360

And whoever visited ancient Sumeria,

103

00:05:51,400 --> 00:05:55,760

those same guys visited elsewhere around the planet.

104

00:05:55,800 --> 00:05:59,240

Because, for example, present day Teotihuacan,

105

00:05:59,280 --> 00:06:01,920

they're actually on the same planet

106

00:06:01,920 --> 00:06:05,960

and they're actually our statues that have been found

107

00:06:06,000 --> 00:06:09,960

that are uncannily similar to statues

108

00:06:10,000 --> 00:06:13,960

that have been found in present day ancient Sumeria.

109

00:06:14,000 --> 00:06:19,600

Mite species like Neanderthal and homo-lucinensis

110

00:06:19,640 --> 00:06:22,640

represent failed attempts by alien visitors

111

00:06:22,680 --> 00:06:27,080

to create hybrids of themselves from earthly primates.

112

00:06:27,120 --> 00:06:30,440

And could there have been other, even stranger creatures

113

00:06:30,440 --> 00:06:33,080

that resulted from their experimentation?

114

00:06:35,720 --> 00:06:40,840

Mosul, Iraq, 1845.

115

00:06:40,880 --> 00:06:42,880

While excavating the ancient ruins

116

00:06:42,920 --> 00:06:45,520

of the Assyrian capital city of Nimrod,

117

00:06:45,560 --> 00:06:48,840

famed English archaeologist Austin Henry Laird

118

00:06:48,880 --> 00:06:53,120

unearths an amazing stone covered with detailed carvings.

119

00:06:53,160 --> 00:06:55,560

Dating to 825 BC,

120

00:06:55,600 --> 00:06:58,720

the Black limestone obelisk commemorates the deeds

121

00:06:58,720 --> 00:07:01,520

of King Shalmaneser III.

122

00:07:01,560 --> 00:07:05,320

Curiously, depicted alongside his military conquests

123

00:07:05,360 --> 00:07:07,400

and various offerings made to him

124

00:07:07,440 --> 00:07:10,560

are strange hybrid creatures.

125

00:07:10,600 --> 00:07:13,600

The Black obelisk of Shalmaneser III

126

00:07:13,640 --> 00:07:16,360

is incredibly fascinating

127

00:07:16,400 --> 00:07:20,240

because as far as hybrid beings are concerned,

128

00:07:20,280 --> 00:07:25,120

what we have here are creatures, half animal, half human.

129

00:07:25,120 --> 00:07:30,920

Some with a human head, with then an animal body.

130

00:07:30,960 --> 00:07:33,800

And what's so interesting is the fact

131

00:07:33,840 --> 00:07:37,960

that the artist was very clear in depicting something,

132

00:07:38,000 --> 00:07:40,320

and that is that some of these creatures

133

00:07:40,360 --> 00:07:45,440

are held with a rope, and one even with a chain.

134

00:07:45,480 --> 00:07:51,200

Now, did these creatures actually walk around here on Earth?

135

00:07:51,240 --> 00:07:53,920

And frankly, I would not be surprised

136

00:07:53,920 --> 00:07:56,920

if that's what happened because the basic tenet

137

00:07:56,960 --> 00:07:58,760

of the ancient astronaut theory

138

00:07:58,800 --> 00:08:04,600

is manipulation artificially of genetic material.

139

00:08:04,640 --> 00:08:07,600

Hybrid creatures abound in mythological traditions

140

00:08:07,640 --> 00:08:09,240

all over the world,

141

00:08:09,280 --> 00:08:12,640

and in many cases, they are part human.

142

00:08:12,680 --> 00:08:15,280

The ancient Greeks wrote about the centaur,

143

00:08:15,320 --> 00:08:17,960

half human, half horse.

144

00:08:18,000 --> 00:08:21,520

In Hindu mythology, the naga are often depicted

145

00:08:21,560 --> 00:08:25,360

as serpentine creatures with human heads,

146

00:08:25,400 --> 00:08:28,800

while the Egyptian god Horus has a falcon head

147

00:08:28,840 --> 00:08:30,960

and a human body.

148

00:08:31,000 --> 00:08:34,040

Even in the Quran, the flying horse that was said

149

00:08:34,080 --> 00:08:36,880

to have flown Muhammad from Mecca to Jerusalem

150

00:08:36,920 --> 00:08:39,440

had a human face.

151

00:08:39,480 --> 00:08:41,640

By natural evolution,

152

00:08:41,680 --> 00:08:44,280

hybrids can never have existed.

153

00:08:44,320 --> 00:08:45,880

If hybrids existed,

154

00:08:45,920 --> 00:08:49,760

then there must be genetic design behind it.

155

00:08:50,040 --> 00:08:54,640

Our ancestors in Egypt also had no genetic designs,

156

00:08:54,680 --> 00:08:56,280

but we had the hybrids.

157

00:08:56,320 --> 00:08:58,160

You can prove it in the literature,

158

00:08:58,200 --> 00:08:59,920

you can prove it in the sculptures,

159

00:08:59,960 --> 00:09:03,400

which still exist worldwide, especially in Egypt.

160

00:09:03,440 --> 00:09:05,640

The question which remains is,

161

00:09:05,680 --> 00:09:09,600

if extraterrestrials have made hybrids, why?

162

00:09:09,640 --> 00:09:11,080

What for?

163

00:09:12,200 --> 00:09:15,320

Could the black obelisk of Shaman Eser III

164

00:09:15,360 --> 00:09:18,720

and countless other depictions around the world

165

00:09:18,800 --> 00:09:21,680

be a physical record that hybrids have existed

166

00:09:21,720 --> 00:09:23,840

throughout history?

167

00:09:23,880 --> 00:09:27,800

And if so, is there an alien hybridization project

168

00:09:27,840 --> 00:09:32,240

that continues to be carried out even today?

169

00:09:32,280 --> 00:09:34,520

Perhaps further clues can be found

170

00:09:34,560 --> 00:09:38,560

by examining the bizarre and gruesome phenomenon

171

00:09:38,600 --> 00:09:40,880

of animal mutilation.

172

00:09:48,840 --> 00:09:52,000

Moscow, the Soviet Union.

173

00:09:52,040 --> 00:09:55,680

February 1954.

174

00:09:55,720 --> 00:09:58,880

At the Institute of Experimental Clinical Surgery,

175

00:09:58,920 --> 00:10:02,720

organ transplantation pioneer Vladimir Demikov

176

00:10:02,760 --> 00:10:05,000

conducts a potentially groundbreaking

177

00:10:05,040 --> 00:10:08,760

and highly controversial experiment.

178

00:10:08,800 --> 00:10:13,320

He transplants a dog's head onto the torso of another dog,

179

00:10:13,360 --> 00:10:17,440

using vascular connections to the host dog's heart.

180

00:10:17,480 --> 00:10:20,040

The procedure is a success,

181

00:10:20,080 --> 00:10:22,080

and over the next five years,

182

00:10:22,120 --> 00:10:26,680

Demikov performs several more head transplants.

183

00:10:26,720 --> 00:10:30,000

As far as these experiments are concerned,

184

00:10:30,040 --> 00:10:33,360

what they demonstrated was that scientists

185

00:10:33,400 --> 00:10:37,880

now had the potential to quite literally play God

186

00:10:37,920 --> 00:10:42,400

by mixing human DNA with animal DNA,

187

00:10:42,440 --> 00:10:46,480

creating, if you like, sort of chimeras.

188

00:10:46,560 --> 00:10:50,240

Looking back on Demikov's efforts more than 50 years later,

189

00:10:50,280 --> 00:10:54,080

they may seem like the work of a mad scientist.

190

00:10:54,120 --> 00:10:57,360

But surgeons today have gone even further,

191

00:10:57,400 --> 00:11:01,520

actually merging animals with humans.

192

00:11:01,560 --> 00:11:05,960

In 2003, Chinese scientist Wixiang Shen

193

00:11:06,000 --> 00:11:09,200

fused human cells with rabbit eggs,

194

00:11:09,240 --> 00:11:12,120

resulting in the first human animal hybrids

195

00:11:12,160 --> 00:11:14,960

created through genetic engineering.

196

00:11:14,960 --> 00:11:19,280

In 2004, researchers at Minnesota's Mayo Clinic

197

00:11:19,320 --> 00:11:23,960

created pigs with human blood flowing through their bodies.

198

00:11:24,000 --> 00:11:28,600

And in 2018, Chinese scientist He Shang-Kui

199

00:11:28,640 --> 00:11:32,120

used a powerful new gene editing technique called CRISPR

200

00:11:32,160 --> 00:11:37,160

to create the world's first genetically edited human babies,

201

00:11:37,200 --> 00:11:39,200

Lulu and Nana.

202

00:11:41,280 --> 00:11:43,320

It's basically molecular scissors

203

00:11:43,320 --> 00:11:46,760

that also do a cut exactly where you want to cut

204

00:11:46,800 --> 00:11:50,800

and puts the new pieces that you want into the DNA.

205

00:11:50,840 --> 00:11:53,520

So as we learn how to map out DNA,

206

00:11:53,560 --> 00:11:55,720

as we learn what the different genes are,

207

00:11:55,760 --> 00:11:57,840

we finally have the tool that would allow us

208

00:11:57,880 --> 00:12:00,960

to design the genes in certain ways.

209

00:12:01,000 --> 00:12:04,920

In recent years, some scientists have even proposed

210

00:12:04,960 --> 00:12:08,920

that building upon Vladimir Demikov's experiments with dogs,

211

00:12:09,040 --> 00:12:14,240

transplants of human heads, may soon become a reality.

212

00:12:14,280 --> 00:12:16,560

But for ancient astronaut theorists,

213

00:12:16,600 --> 00:12:21,520

all of these animal-human hybrid experiments are nothing new.

214

00:12:21,560 --> 00:12:24,200

In fact, they are eerily reminiscent

215

00:12:24,240 --> 00:12:26,440

of the depictions of hybrid creatures

216

00:12:26,480 --> 00:12:28,920

found on numerous ancient carvings,

217

00:12:28,960 --> 00:12:33,200

like those on the obelisk of King Shaomunesser III,

218

00:12:33,240 --> 00:12:35,640

that seem to show stitches around the necks

219

00:12:35,720 --> 00:12:38,640

of what appear to be human-faced dogs.

220

00:12:41,720 --> 00:12:45,600

I sometimes wonder if what we're doing now

221

00:12:45,640 --> 00:12:50,800

was also done tens and tens of thousands of years ago

222

00:12:50,840 --> 00:12:53,360

in different parts of the world,

223

00:12:53,400 --> 00:12:57,080

and possibly that could have led to the creation

224

00:12:57,120 --> 00:13:00,360

of these multiple different types of early humans.

225

00:13:01,400 --> 00:13:04,920

Is it possible that the discovery of other human-like species

226

00:13:04,920 --> 00:13:06,760

that once roamed the Earth,

227

00:13:06,800 --> 00:13:09,720

as well as ancient depictions of hybrid creatures,

228

00:13:09,760 --> 00:13:13,280

provides evidence that thousands of years ago,

229

00:13:13,320 --> 00:13:16,480

extraterrestrials performed genetic experiments

230

00:13:16,520 --> 00:13:20,560

similar to those being conducted by scientists today?

231

00:13:20,600 --> 00:13:23,120

According to ancient astronaut theorists,

232

00:13:23,160 --> 00:13:25,640

not only did this happen in the past,

233

00:13:25,680 --> 00:13:28,040

but a disturbing phenomenon suggests

234

00:13:28,080 --> 00:13:32,400

that what they refer to as an alien hybridization project

235

00:13:32,440 --> 00:13:34,160

is still underway.

236

00:13:35,880 --> 00:13:38,920

San Luis Valley, Colorado,

237

00:13:40,480 --> 00:13:42,480

1967,

238

00:13:43,840 --> 00:13:45,760

on the King Family Ranch.

239

00:13:46,800 --> 00:13:50,480

A horse named Lady is found dead in a pasture.

240

00:13:50,520 --> 00:13:52,880

The skull is stripped so clean of flesh

241

00:13:52,920 --> 00:13:56,760

that it appears to have been exposed to the elements for weeks.

242

00:13:56,800 --> 00:14:01,080

Yet the King Family had seen Lady alive just two days earlier.

243

00:14:02,080 --> 00:14:06,080

More astonishingly, no blood or animal tracks of any kind

244

00:14:06,120 --> 00:14:08,080

are found near the corpse.

245

00:14:08,120 --> 00:14:11,280

Authorities are shaken and perplexed.

246

00:14:12,680 --> 00:14:15,880

The skeleton was completely clean and white.

247

00:14:15,920 --> 00:14:18,080

Even brain tissue was gone.

248

00:14:18,120 --> 00:14:23,920

But the rest of the horse looked as if it should get up and walk.

249

00:14:23,960 --> 00:14:25,720

It was that fresh.

250

00:14:26,760 --> 00:14:30,320

Lady has become famous under the name Snippy.

251

00:14:30,600 --> 00:14:33,440

As early press coverage misidentified the animal

252

00:14:33,480 --> 00:14:35,680

as the horse which sired her.

253

00:14:35,720 --> 00:14:39,760

But the incident likely would have been lost to history completely,

254

00:14:39,800 --> 00:14:42,920

were it not for the fact that near identical slaughters

255

00:14:42,960 --> 00:14:46,720

soon became commonplace across the American heartland.

256

00:14:46,760 --> 00:14:50,320

You had farmers and ranchers getting up in the morning

257

00:14:50,360 --> 00:14:53,920

and finding their animals dead in the fields.

258

00:14:53,960 --> 00:14:58,320

And these were clearly not attacks by mountain lions

259

00:14:58,320 --> 00:15:01,120

or coyotes or anything like that.

260

00:15:01,160 --> 00:15:06,120

The farmers actually reported how blood was drained from the animals,

261

00:15:06,160 --> 00:15:08,120

organs were removed,

262

00:15:08,160 --> 00:15:12,160

and it seemed as if the bodies of the cattle had been opened up

263

00:15:12,200 --> 00:15:16,000

by some sort of high heat weapon or device.

264

00:15:17,240 --> 00:15:20,600

Animal mutilations have continued to this day.

265

00:15:20,640 --> 00:15:22,200

And in many cases,

266

00:15:22,240 --> 00:15:25,440

ranchers report seeing strange bright lights

267

00:15:25,560 --> 00:15:28,440

in the vicinity of the butchered animal.

268

00:15:29,760 --> 00:15:32,800

The deeper you get and the more people you interview,

269

00:15:32,840 --> 00:15:35,840

and I have literally interviewed thousands now,

270

00:15:35,880 --> 00:15:40,840

you hear, I saw this kind of light.

271

00:15:40,880 --> 00:15:44,080

I saw this beam lowering an animal to the pasture

272

00:15:44,120 --> 00:15:45,520

and it was mutilated.

273

00:15:45,560 --> 00:15:49,080

Somebody else, I saw this animal coming up in a beam of light

274

00:15:49,120 --> 00:15:51,120

and later it was found mutilated.

275

00:15:52,160 --> 00:15:54,960

What we know is that something is happening

276

00:15:55,480 --> 00:16:02,480

and something is harvesting body parts, blood, cells, DNA from animals.

277

00:16:04,520 --> 00:16:09,320

If aliens are, in fact, harvesting genetic material from the food chain,

278

00:16:09,360 --> 00:16:12,760

how does this tie in with their agenda for humanity?

279

00:16:13,800 --> 00:16:16,000

Scientists have recently discovered

280

00:16:16,040 --> 00:16:19,800

that humans are remarkably similar to many other animals

281

00:16:19,840 --> 00:16:22,200

in terms of genetic makeup.

282

00:16:22,200 --> 00:16:25,440

Animals share roughly 80% of their genes with cows,

283

00:16:25,480 --> 00:16:27,880

85% with mice,

284

00:16:27,920 --> 00:16:29,720

90% with cats,

285

00:16:29,760 --> 00:16:32,480

and 96% with chimpanzees.

286

00:16:33,800 --> 00:16:36,600

Considering the commonalities in DNA,

287

00:16:36,640 --> 00:16:42,120

is it possible that if there really is an alien hybridization project underway,

288

00:16:42,160 --> 00:16:45,640

its goal is not to direct human evolution?

289

00:16:46,480 --> 00:16:49,880

Could it be that we are just one of many species

290

00:16:49,960 --> 00:16:52,440

from which they are extracting genetic material

291

00:16:52,480 --> 00:16:55,240

to create an entirely new life form?

292

00:16:56,560 --> 00:17:02,560

If you can genetically extract from any life form

293

00:17:03,960 --> 00:17:08,080

and take those genes and hybridize,

294

00:17:09,200 --> 00:17:10,720

and hybridize again,

295

00:17:13,200 --> 00:17:18,080

we are the product of the manipulation of DNA

296

00:17:18,160 --> 00:17:21,480

in already evolving primates

297

00:17:21,520 --> 00:17:27,720

by other intelligences that can mix and match any gene they want

298

00:17:27,760 --> 00:17:30,280

for any purpose or game.

299

00:17:31,480 --> 00:17:33,720

What are their motivations?

300

00:17:33,760 --> 00:17:37,000

Now, so far at least, they haven't destroyed us.

301

00:17:37,880 --> 00:17:39,320

But in saying that,

302

00:17:39,360 --> 00:17:44,120

I haven't really seen much in the way of positive activity

303

00:17:44,160 --> 00:17:47,440

on their part to help us as a species.

304

00:17:48,880 --> 00:17:51,600

I think they're probably self-serving,

305

00:17:51,640 --> 00:17:55,000

and that self-serving situation

306

00:17:55,040 --> 00:18:01,000

may well involve the creation of an extremely complex experiment,

307

00:18:01,040 --> 00:18:03,640

and that experiment happens to be us.

308

00:18:05,840 --> 00:18:08,640

Are extraterrestrials extracting DNA

309

00:18:08,680 --> 00:18:11,320

from all manner of earthly species

310

00:18:11,360 --> 00:18:15,120

in an effort to create so-called alien human hybrids?

311

00:18:16,120 --> 00:18:18,800

Ancient astronaut theorists say yes

312

00:18:18,840 --> 00:18:21,440

and suggest further evidence can be found

313

00:18:21,480 --> 00:18:27,160

by closely examining some of the stories told concerning alien abductions.

314

00:18:33,720 --> 00:18:39,560

Boston, Massachusetts, October 25, 1965.

315

00:18:41,400 --> 00:18:44,680

A local newspaper known as The Boston Traveler

316

00:18:44,760 --> 00:18:48,920

runs a front-page story about the alleged alien abduction

317

00:18:48,960 --> 00:18:52,120

of New Hampshire residents Betty and Barney Hill.

318

00:18:53,680 --> 00:18:57,600

In the more than five decades since this now famous incident,

319

00:18:57,640 --> 00:18:59,720

thousands of others have come forward

320

00:18:59,760 --> 00:19:05,520

with similar reports of being abducted by extraterrestrials.

321

00:19:05,560 --> 00:19:11,160

What's particularly notable is the fact that during alien abductions,

322

00:19:11,200 --> 00:19:15,640

people talk about DNA taken from their bodies

323

00:19:15,680 --> 00:19:22,480

and essentially experimented on by these strange, short, black-eyed entities

324

00:19:22,520 --> 00:19:24,760

that have become known as the grays.

325

00:19:28,080 --> 00:19:31,280

As far as ancient astronaut theorists are concerned,

326

00:19:32,960 --> 00:19:36,720

an equally chilling aspect of these reported alien abductions

327

00:19:36,760 --> 00:19:39,840

is the role that human blood and blood type

328

00:19:39,880 --> 00:19:43,200

seems to play in determining which human subjects

329

00:19:44,480 --> 00:19:47,000

become the targets of experimentation.

330

00:19:49,640 --> 00:19:54,560

New York, New York, 1940.

331

00:19:55,840 --> 00:19:57,680

At the Rockefeller Institute,

332

00:19:57,720 --> 00:20:00,960

Nobel Prize-winning scientist Carl Landsteiner

333

00:20:01,000 --> 00:20:03,320

makes yet another groundbreaking finding

334

00:20:03,360 --> 00:20:05,880

in his work surrounding human blood types.

335

00:20:06,880 --> 00:20:10,080

Landsteiner discovers the RH factor,

336

00:20:11,120 --> 00:20:15,520

a type of protein or antigen on the surface of red blood cells,

337

00:20:16,560 --> 00:20:19,000

setting the scientific world afire.

338

00:20:21,800 --> 00:20:25,600

One of the things about human blood types is we have an RH,

339

00:20:25,640 --> 00:20:27,600

either positive or negative blood type.

340

00:20:28,880 --> 00:20:31,480

And it simply has to do with a particular antibody

341

00:20:31,520 --> 00:20:33,320

on the outside of a red blood cell.

342

00:20:33,320 --> 00:20:36,120

If you have it, you're positive, and if you don't, you're negative.

343

00:20:37,400 --> 00:20:42,760

Landsteiner was the first person to identify the original A, B, and O blood groups.

344

00:20:44,120 --> 00:20:48,160

But his latest discovery ignites a much more fascinating mystery

345

00:20:48,200 --> 00:20:50,320

underlying the nature of human blood.

346

00:20:52,400 --> 00:20:59,400

One of the most intriguing aspects of the RH negative versus RH positive

347

00:20:59,400 --> 00:21:04,840

is that science really does not have a specific answer

348

00:21:04,880 --> 00:21:07,880

as to why some people should be negative

349

00:21:07,920 --> 00:21:10,480

and why other people should be positive.

350

00:21:12,680 --> 00:21:16,160

Just like any virus or bacteria or disease,

351

00:21:16,200 --> 00:21:19,800

if you mix these blood types, you can get interesting effects.

352

00:21:21,120 --> 00:21:24,800

If you're RH negative and you get RH positive blood,

353

00:21:24,840 --> 00:21:26,840

the red blood cells look different.

354

00:21:26,840 --> 00:21:29,680

They look like an invading bacteria or virus,

355

00:21:29,720 --> 00:21:31,920

and your immune system will react to that,

356

00:21:31,960 --> 00:21:34,480

and that can lead to various diseases and problems.

357

00:21:36,600 --> 00:21:42,160

When you're in a situation where you have a pregnant woman who is RH negative

358

00:21:42,200 --> 00:21:45,040

and the father is RH positive,

359

00:21:45,080 --> 00:21:50,200

what we find is that the pregnant woman's immune system

360

00:21:50,240 --> 00:21:55,240

quite literally views the growing fetus as something age-related.

361

00:21:55,240 --> 00:21:59,240

The fetus is something alien, no pun intended.

362

00:22:00,280 --> 00:22:04,240

In that situation, medicine is provided to ensure

363

00:22:04,280 --> 00:22:06,440

that the fetus grows healthy.

364

00:22:08,480 --> 00:22:11,280

How and why the RH negative blood type developed

365

00:22:11,320 --> 00:22:13,960

remains a mystery to scientists.

366

00:22:14,000 --> 00:22:16,520

And while the blood type is rare,

367

00:22:16,560 --> 00:22:19,560

there appears to be a disproportionately high occurrence

368

00:22:19,600 --> 00:22:23,800

of RH negative individuals among one particular group of people.

369

00:22:24,520 --> 00:22:27,600

Those who claim to have been abducted by aliens.

370

00:22:29,840 --> 00:22:35,440

I don't think anybody would be able to stand behind a number and firmly know,

371

00:22:35,480 --> 00:22:42,400

but maybe three, maybe even some four out of ten people

372

00:22:42,440 --> 00:22:45,240

that you would interview in the Abduction Syndrome

373

00:22:45,280 --> 00:22:47,280

would say, I'm RH negative.

374

00:22:49,120 --> 00:22:53,560

Could determining the origin of RH negative humans be the key

375

00:22:53,560 --> 00:22:57,720

to uncovering the mystery behind potential human alien hybrids?

376

00:22:58,960 --> 00:23:03,480

Is it possible that a link to an ancient history of RH negative people

377

00:23:03,520 --> 00:23:07,080

could be found in a modern-day population of humans?

378

00:23:10,960 --> 00:23:13,160

Basque country, northern Spain.

379

00:23:15,360 --> 00:23:18,000

Wedged between the mountains and the shore,

380

00:23:18,040 --> 00:23:21,760

this isolated and unique culture near the border with France

381

00:23:21,800 --> 00:23:25,440

contains a genetic heritage rare in most of the world.

382

00:23:26,560 --> 00:23:31,440

The Basque people have the highest concentration of RH negative blood on Earth.

383

00:23:33,240 --> 00:23:36,680

What's particularly fascinating about the Basque people

384

00:23:36,720 --> 00:23:41,880

is their huge percentages of RH negatives in their populations.

385

00:23:43,840 --> 00:23:48,840

Typically, it's above 50% in the entire Basque population.

386

00:23:49,840 --> 00:23:54,840

What's particularly notable is that in the rest of the planet, across the world,

387

00:23:54,880 --> 00:23:58,840

the figures are actually only about two to three percent.

388

00:23:58,880 --> 00:24:04,880

And because we know that ancient man roamed around those same areas

389

00:24:04,920 --> 00:24:08,840

of Spain and France thousands and thousands of years ago,

390

00:24:08,880 --> 00:24:11,840

this has given rise to the potential theory

391

00:24:11,880 --> 00:24:16,040

that the early humans were also RH negatives.

392

00:24:17,040 --> 00:24:21,040

While it is unclear exactly what role the RH negative blood type

393

00:24:21,080 --> 00:24:27,080

plays in what many believe to be an ongoing alien hybridization project,

394

00:24:27,120 --> 00:24:32,120

there are some who are certain that the ultimate goal is to alter the human race.

395

00:24:33,120 --> 00:24:38,120

But why? As far as they are concerned, the answer is clear

396

00:24:38,160 --> 00:24:43,040

because they claim that they themselves are the only ones

397

00:24:43,040 --> 00:24:45,040

who can run the planet.

398

00:24:45,080 --> 00:24:51,080

Because they claim that they themselves are hybrids.

399

00:24:56,080 --> 00:24:58,080

Baltimore, Maryland.

400

00:24:58,120 --> 00:25:02,120

November 9th, 2018.

401

00:25:04,120 --> 00:25:08,120

Thousands gather at the Baltimore Convention Center for Alien Con,

402

00:25:08,120 --> 00:25:14,120

a event dedicated to exploring the possibility that life not only exists on other planets,

403

00:25:14,160 --> 00:25:19,160

but that intelligent beings have been visiting the Earth for thousands of years.

404

00:25:20,200 --> 00:25:24,200

I would like to ask this audience at this Alien Con,

405

00:25:24,240 --> 00:25:31,240

how many of you have had missing time and abduction experience,

406

00:25:31,280 --> 00:25:34,280

have encountered perhaps an entity in your room,

407

00:25:34,280 --> 00:25:40,280

or you have seen some kind of light, craft that have left you with a feeling

408

00:25:40,320 --> 00:25:45,320

that you were seeing or experiencing something that was not human

409

00:25:45,360 --> 00:25:48,360

and fits into this category? How many?

410

00:25:48,400 --> 00:25:50,400

Wow, that is...

411

00:25:50,440 --> 00:25:54,440

Wow, that is an impressive show of hands. That's staggering.

412

00:25:56,440 --> 00:26:01,440

The large numbers of allegedly abducted people in the audience stuns the panel.

413

00:26:01,600 --> 00:26:05,600

Equally impressive is the credibility of the stories.

414

00:26:05,640 --> 00:26:08,640

Let me just say I'm a very logical person.

415

00:26:08,680 --> 00:26:11,680

He looked at me, he tipped his head down, and he looked up.

416

00:26:11,720 --> 00:26:15,720

At that moment, his eyes went black,

417

00:26:15,760 --> 00:26:19,760

his nose started to turn almost beak-like,

418

00:26:19,800 --> 00:26:21,800

and I couldn't break the gaze.

419

00:26:21,840 --> 00:26:24,840

I've had beings walk through the wall.

420

00:26:24,880 --> 00:26:27,880

I'm RH-negative, green-eyed.

421

00:26:27,920 --> 00:26:30,920

I do have some missing time.

422

00:26:30,920 --> 00:26:34,920

We wake up, and we're not in our bedroom anymore.

423

00:26:34,960 --> 00:26:37,960

We're laying on tables.

424

00:26:38,000 --> 00:26:42,000

They pulled me up on the ship. They did surgery on me.

425

00:26:42,040 --> 00:26:45,040

I had no idea of what they were doing.

426

00:26:45,080 --> 00:26:49,080

I later found it may have been extracting sperm.

427

00:26:51,080 --> 00:26:56,080

But if alien abductions are really happening, what is their purpose?

428

00:26:56,120 --> 00:27:00,120

Are extraterrestrials simply examining the human species?

429

00:27:00,520 --> 00:27:04,520

Or is there another, even more profound agenda?

430

00:27:04,560 --> 00:27:07,560

The reptilian who visits me on a regular basis.

431

00:27:07,600 --> 00:27:11,600

Apparently he realized I was infertile and he backed away.

432

00:27:11,640 --> 00:27:15,640

As I began to do more and more deep research,

433

00:27:15,680 --> 00:27:18,680

eventually you come out at another layer.

434

00:27:18,720 --> 00:27:20,720

What are we?

435

00:27:20,760 --> 00:27:24,760

What are homo sapiens sapien, really?

436

00:27:24,800 --> 00:27:28,800

And then you get to my perspective today.

437

00:27:29,480 --> 00:27:33,480

The harvest of genetic material from this planet,

438

00:27:33,520 --> 00:27:36,520

and so one of our greatest questions is

439

00:27:36,560 --> 00:27:39,560

who walks around on our planet,

440

00:27:39,600 --> 00:27:42,600

looks human, but is not?

441

00:27:45,120 --> 00:27:49,120

Could human abductions be part of a greater effort by extraterrestrials

442

00:27:49,160 --> 00:27:54,160

to hybridize the human species with alien DNA?

443

00:27:54,200 --> 00:27:57,200

Many ancient astronaut theorists insist

444

00:27:57,600 --> 00:28:00,600

that such an audacious notion is not only likely,

445

00:28:00,640 --> 00:28:03,640

but that evidence of it can be documented

446

00:28:03,680 --> 00:28:06,680

by means of regression therapy.

447

00:28:09,920 --> 00:28:13,920

Barbara Lam has conducted nearly 2,000 regressions

448

00:28:13,960 --> 00:28:16,960

on people who believe they have been abducted

449

00:28:17,000 --> 00:28:20,000

by extraterrestrial beings.

450

00:28:22,000 --> 00:28:25,000

Most recently, she has been studying the case

451

00:28:25,000 --> 00:28:28,000

of California native Robert Follington,

452

00:28:28,040 --> 00:28:31,040

who has, under hypnosis, revealed details

453

00:28:31,080 --> 00:28:34,080

of his numerous encounters with extraterrestrials

454

00:28:34,120 --> 00:28:37,120

over the course of the past 10 years.

455

00:28:37,160 --> 00:28:41,160

I came to know hybrid seven years ago,

456

00:28:41,200 --> 00:28:46,200

and since then I've been conducting long, long interviews

457

00:28:46,240 --> 00:28:49,240

and have been doing regressions with them,

458

00:28:49,280 --> 00:28:52,280

and out of all that material, I have become convinced

459

00:28:52,280 --> 00:28:56,280

that they are indeed ET human hybrids

460

00:28:56,320 --> 00:28:59,320

living here on Earth.

461

00:28:59,360 --> 00:29:04,360

I was 215 pounds, and I went down to 115 pounds,

462

00:29:06,280 --> 00:29:09,280

and doctors had no idea what was going on with me.

463

00:29:09,320 --> 00:29:13,320

I was starting to have experience with ET's.

464

00:29:13,360 --> 00:29:15,360

It's things like going to sleep

465

00:29:15,400 --> 00:29:18,400

and then becoming aware that something's happening.

466

00:29:18,400 --> 00:29:24,400

It's these little tiny blips of real clear ET interactions,

467

00:29:24,440 --> 00:29:27,440

and I have no idea what's going on.

468

00:29:29,440 --> 00:29:33,440

A wonderful thing is that our subconscious part of our minds

469

00:29:33,480 --> 00:29:37,480

records everything that happens to us,

470

00:29:37,520 --> 00:29:42,520

even those things that we have not been consciously aware of.

471

00:29:42,520 --> 00:29:47,520

On June 6th, 2019, Barbara conducted another regression session

472

00:29:47,560 --> 00:29:50,560

with Robert.

473

00:29:50,600 --> 00:29:52,600

Okay, nice and comfortable now.

474

00:29:52,640 --> 00:29:56,640

In an effort to find out not only why he had been abducted,

475

00:29:56,680 --> 00:30:00,640

but also the specific way in which he might have been genetically altered.

476

00:30:00,680 --> 00:30:05,640

So now we're going to go into a nice state of deep relaxation.

477

00:30:07,680 --> 00:30:10,680

More and more deep.

478

00:30:11,680 --> 00:30:14,680

More and more relaxed.

479

00:30:18,680 --> 00:30:24,680

People are laying in lines, and they're working on people like I'm less than lying.

480

00:30:24,720 --> 00:30:26,720

So you worked on.

481

00:30:26,760 --> 00:30:29,760

Now, are these people in line? Are they lying down?

482

00:30:29,800 --> 00:30:32,760

Yeah, it's like a bunch of tables in a row.

483

00:30:32,800 --> 00:30:36,800

I feel like there's something inserting into my stomach.

484

00:30:36,840 --> 00:30:38,840

They're extracting something.

485

00:30:39,000 --> 00:30:42,000

It's like they're collecting DNA from their people.

486

00:30:44,000 --> 00:30:48,000

In regression, it turned out that one extraterrestrial

487

00:30:48,040 --> 00:30:51,040

actually made an incision

488

00:30:52,040 --> 00:30:55,040

and took out DNA.

489

00:30:55,080 --> 00:31:00,080

Now, that is something that has come across through my work.

490

00:31:00,120 --> 00:31:03,120

Some of them seem to be very scientific,

491

00:31:03,160 --> 00:31:06,160

and they want to understand how human bodies work

492

00:31:06,160 --> 00:31:09,160

and what our physiology is like.

493

00:31:09,200 --> 00:31:12,200

In many of the regressions I have done,

494

00:31:12,240 --> 00:31:19,240

it turns out that the ETs are creating hybrids for their own purposes.

495

00:31:22,240 --> 00:31:26,240

If extraterrestrials are extracting genetic material from humans

496

00:31:26,280 --> 00:31:29,280

and experimenting with alien human hybrids,

497

00:31:29,320 --> 00:31:32,320

what might their purpose be?

498

00:31:32,360 --> 00:31:34,360

Is it to benefit the aliens?

499

00:31:34,600 --> 00:31:38,600

Humanity? Or could it be both?

500

00:31:44,240 --> 00:31:46,240

Berkeley, California.

501

00:31:47,880 --> 00:31:50,880

2013.

502

00:31:50,920 --> 00:31:55,920

An international team of anthropologists and geneticists at UC Berkeley

503

00:31:55,960 --> 00:32:00,920

discovered that between 1.5 and 2.1% of the genomes

504

00:32:01,000 --> 00:32:04,000

of modern non-Africans can be traced to a hominid

505

00:32:04,040 --> 00:32:09,040

that lived alongside humans, Neanderthals.

506

00:32:11,080 --> 00:32:15,080

The finding provides proof that early humans came into contact

507

00:32:15,120 --> 00:32:19,120

with Neanderthals and even interbred with them.

508

00:32:19,160 --> 00:32:22,160

But one thing scientists are still unable to explain

509

00:32:22,200 --> 00:32:25,200

is why humans survived and Neanderthals,

510

00:32:25,240 --> 00:32:30,240

who were in many ways a superior species, did not.

511

00:32:31,240 --> 00:32:34,240

One of the biggest mysteries about Neanderthal man

512

00:32:34,280 --> 00:32:38,280

is how and why they became extinct.

513

00:32:38,320 --> 00:32:42,320

They were very strong, robust, intelligent people,

514

00:32:42,360 --> 00:32:47,360

not the sort of cartoon image of so-called cavemen.

515

00:32:47,400 --> 00:32:51,400

The space for their brain and their head is bigger than ours,

516

00:32:51,440 --> 00:32:56,440

and they know from pollen that they put flowers on their graves

517

00:32:56,480 --> 00:32:59,480

that meant they had compassion.

518

00:33:01,480 --> 00:33:05,480

Neanderthals not only had much, much larger brains,

519

00:33:05,520 --> 00:33:07,520

but also their bodies.

520

00:33:07,560 --> 00:33:09,560

I mean, they were walking refrigerators.

521

00:33:09,600 --> 00:33:12,600

They were as strong as you can imagine.

522

00:33:12,640 --> 00:33:14,640

So what made the difference here?

523

00:33:16,160 --> 00:33:18,160

Extraterrestrials.

524

00:33:19,200 --> 00:33:23,200

If, as many alleged alien abductees have testified,

525

00:33:23,240 --> 00:33:26,240

extraterrestrials are performing genetic experiments

526

00:33:26,280 --> 00:33:29,280

on humans for their own benefit.

527

00:33:29,280 --> 00:33:33,280

Could they have favored Homo sapiens over Homo Neanderthal ensus

528

00:33:33,320 --> 00:33:37,320

because it was a species more compatible with their own?

529

00:33:37,360 --> 00:33:40,360

Or did they create numerous hominins

530

00:33:40,400 --> 00:33:45,400

and humans represent the most favorable parts of each of them?

531

00:33:45,440 --> 00:33:49,440

In either case, two important questions remain.

532

00:33:49,480 --> 00:33:52,000

Is this process still underway?

533

00:33:52,040 --> 00:33:57,040

And if so, what is the ultimate objective?

534

00:33:57,120 --> 00:34:01,120

One theory is that they are a dying race,

535

00:34:02,720 --> 00:34:06,720

and that by harvesting genetic material from humans,

536

00:34:06,760 --> 00:34:10,760

they are injecting into their own genome

537

00:34:10,800 --> 00:34:14,800

some new genetic material which will help save them.

538

00:34:15,840 --> 00:34:20,840

Another related theory is let's take human DNA,

539

00:34:20,880 --> 00:34:25,880

let's take alien DNA, and let's create something even better.

540

00:34:25,880 --> 00:34:30,880

When we hybridize something, we do so to gain a benefit.

541

00:34:30,920 --> 00:34:33,920

We take a particular line and we breed

542

00:34:33,960 --> 00:34:38,960

and we gradually get a stronger, faster, better racehorse.

543

00:34:40,360 --> 00:34:44,360

Extraterrestrials are effectively doing the same thing to us

544

00:34:44,400 --> 00:34:46,400

as a species.

545

00:34:46,440 --> 00:34:49,440

Theories abound as to the purpose behind

546

00:34:49,480 --> 00:34:52,480

a possible alien hybridization project.

547

00:34:52,520 --> 00:34:55,520

But is it all mere speculation?

548

00:34:56,680 --> 00:34:59,680

Some ancient astronaut theorists believe

549

00:34:59,720 --> 00:35:02,720

the ultimate evidence that an alien hybridization project

550

00:35:02,760 --> 00:35:07,760

is, in fact, underway and clues as to the true motives behind it

551

00:35:07,800 --> 00:35:11,800

can be found by examining an incredible UFO encounter

552

00:35:11,840 --> 00:35:16,840

reported by members of the U.S. Air Force.

553

00:35:16,880 --> 00:35:21,880

Rendlesham Forest, Suffolk County, England.

554

00:35:22,880 --> 00:35:25,880

December 26th, 1980.

555

00:35:25,920 --> 00:35:28,920

A glowing craft is reported near an airbase

556

00:35:28,960 --> 00:35:32,960

leased to the United States Air Force by the RAF.

557

00:35:33,960 --> 00:35:36,960

Two U.S. servicemen are dispatched to the site

558

00:35:37,000 --> 00:35:42,000

to investigate what they believe could be a possible downed aircraft.

559

00:35:45,960 --> 00:35:48,960

When they arrive, the men observe a strange,

560

00:35:49,040 --> 00:35:53,040

dragular craft on the ground, approximately three meters wide

561

00:35:53,080 --> 00:35:55,080

at its base.

562

00:35:56,080 --> 00:36:00,080

One of the men, U.S. Air Force Sergeant Jim Peniston,

563

00:36:00,120 --> 00:36:03,120

notices an inscription on the side of the aircraft

564

00:36:03,160 --> 00:36:06,160

and reaches out to touch it.

565

00:36:06,200 --> 00:36:10,200

One of the key points in Jim's testimony

566

00:36:10,240 --> 00:36:13,240

is that he touched the side of the UFO

567

00:36:13,280 --> 00:36:18,280

and received the sort of telepathic download

568

00:36:18,760 --> 00:36:23,760

of ones and zeros that he then wrote down

569

00:36:23,800 --> 00:36:25,800

in his police notebook.

570

00:36:25,840 --> 00:36:31,840

Years later, a computer programmer took this information,

571

00:36:31,880 --> 00:36:34,880

ran it through a translation program,

572

00:36:34,920 --> 00:36:37,920

and a message emerged.

573

00:36:37,960 --> 00:36:40,960

The message read as follows.

574

00:36:41,000 --> 00:36:44,000

Exploration of humanity,

575

00:36:44,400 --> 00:36:48,400

continuous for planetary advance,

576

00:36:48,440 --> 00:36:51,440

eyes of your eyes,

577

00:36:51,480 --> 00:36:54,480

Origin Year 8100.

578

00:36:55,800 --> 00:37:00,800

There was also a series of latitudinal and longitudinal coordinates

579

00:37:00,840 --> 00:37:05,840

that matched up with locations such as the Great Pyramid,

580

00:37:05,880 --> 00:37:09,880

the Temple of Apollo at Naxos,

581

00:37:10,000 --> 00:37:13,000

the Nazca Lines in Peru,

582

00:37:13,040 --> 00:37:17,040

Sedona in Arizona, all around the world,

583

00:37:17,080 --> 00:37:22,080

sites of great, sacred significance.

584

00:37:23,120 --> 00:37:27,120

So Jim Peniston came up with all this information

585

00:37:27,160 --> 00:37:32,160

without knowing a thing in real life about binary code.

586

00:37:32,200 --> 00:37:37,200

When one sees Origin Year 8100,

587

00:37:37,480 --> 00:37:39,480

one is forced to speculate,

588

00:37:39,520 --> 00:37:42,520

might we be looking not just at extraterrestrials,

589

00:37:42,560 --> 00:37:45,560

but time travelers from the future?

590

00:37:45,600 --> 00:37:50,600

And if that's the case, why did they come here?

591

00:37:50,640 --> 00:37:54,640

In the distant future, the human race is dying out.

592

00:37:54,680 --> 00:37:56,680

Well, how do you save the human race?

593

00:37:56,720 --> 00:38:01,720

Maybe you go back in time and essentially reap eggs,

594

00:38:01,760 --> 00:38:06,760

DNA, cells, as a means to try and beef up the species

595

00:38:07,320 --> 00:38:09,320

in the future.

596

00:38:09,360 --> 00:38:13,360

But by doing that, you present yourself as extraterrestrials

597

00:38:13,400 --> 00:38:16,400

so that the people of today won't actually know

598

00:38:16,440 --> 00:38:19,440

who they really are.

599

00:38:19,480 --> 00:38:22,480

Is it possible that an alien hybridization project

600

00:38:22,520 --> 00:38:25,520

is of benefit to both the extraterrestrials

601

00:38:25,560 --> 00:38:28,560

and their human subjects because they are, in fact,

602

00:38:28,600 --> 00:38:30,600

one and the same?

603

00:38:30,640 --> 00:38:33,640

And are future humans posing as aliens

604

00:38:33,680 --> 00:38:36,680

to harvest valuable genetic material

605

00:38:36,720 --> 00:38:39,720

in order to take that material back with them

606

00:38:39,760 --> 00:38:42,760

and ensure humanity's future?

607

00:38:52,760 --> 00:38:57,760

Beijing, China, November 5th, 2017.

608

00:38:57,800 --> 00:39:01,800

During a video presentation at the Tencent We Summit,

609

00:39:01,880 --> 00:39:04,880

Stephen Hawking warns that in order to ensure the survival

610

00:39:04,920 --> 00:39:07,920

of the human race, we must work to develop the means

611

00:39:07,960 --> 00:39:10,960

to leave planet Earth.

612

00:39:11,000 --> 00:39:14,000

While much of the speculation regarding the purpose

613

00:39:14,040 --> 00:39:17,040

behind a possible alien hybridization project

614

00:39:17,080 --> 00:39:20,080

has to do with extraterrestrials trying to find a way

615

00:39:20,120 --> 00:39:23,120

to live on Earth, could it be that the goal is, in fact,

616

00:39:23,160 --> 00:39:25,160

the exact opposite?

617

00:39:25,200 --> 00:39:28,200

Are humans being genetically altered in preparation

618

00:39:28,200 --> 00:39:31,200

for a future existence on another planet?

619

00:39:31,240 --> 00:39:37,240

We're constantly discovering new ancestors to humans.

620

00:39:37,280 --> 00:39:40,280

Just when we think we've got it all figured out

621

00:39:40,320 --> 00:39:44,320

and who our early ancestors are, they find somebody new.

622

00:39:44,360 --> 00:39:47,360

And you have to wonder just why are there so many

623

00:39:47,400 --> 00:39:50,400

different ancestors of humans?

624

00:39:50,440 --> 00:39:54,440

And are we being genetically engineered ultimately

625

00:39:54,440 --> 00:40:00,440

until the perfect vehicle that the extraterrestrials want

626

00:40:00,480 --> 00:40:02,480

has been created?

627

00:40:02,520 --> 00:40:08,520

So in theory, then, we'll be ready to be a space-faring race.

628

00:40:08,560 --> 00:40:12,560

Ready to go into the stars, to return to the stars,

629

00:40:12,600 --> 00:40:16,600

and to join these other extraterrestrial races

630

00:40:16,640 --> 00:40:19,640

that are watching us right now.

631

00:40:20,640 --> 00:40:25,640

If you were to ask me what does project hybrid mean to me,

632

00:40:25,680 --> 00:40:30,680

I would kind of view it as like an ongoing, secret,

633

00:40:30,720 --> 00:40:34,720

clandestine program that revolves around

634

00:40:34,760 --> 00:40:38,760

the physical manipulation of the human race

635

00:40:38,800 --> 00:40:42,800

going back not just recent times,

636

00:40:42,840 --> 00:40:45,800

but potentially millions of years ago.

637

00:40:45,840 --> 00:40:48,840

There are some who have significant knowledge

638

00:40:49,040 --> 00:40:53,040

and some who have suggested that between 15 and 30%

639

00:40:53,080 --> 00:40:57,080

of present-day humans allegedly are hybrids.

640

00:40:57,120 --> 00:41:03,120

What I am saying is that all of us already are hybrids.

641

00:41:03,160 --> 00:41:06,160

Homo sapiens sapiens would not exist

642

00:41:06,200 --> 00:41:11,200

without the artificial mutation of our genes by extraterrestrials.

643

00:41:11,240 --> 00:41:15,240

So we already are the hybrids,

644

00:41:15,240 --> 00:41:19,240

and perhaps more hybrids are being created right now

645

00:41:19,280 --> 00:41:24,280

in order to continue this extraterrestrial evolution.

646

00:41:25,800 --> 00:41:29,800

Has human evolution been merely the product of natural selection?

647

00:41:29,840 --> 00:41:33,840

As mainstream scientists and anthropologists believe,

648

00:41:33,880 --> 00:41:38,880

or have we benefited from extraterrestrial engineering?

649

00:41:38,920 --> 00:41:42,400

As far as ancient astronaut theorists are concerned,

650

00:41:42,440 --> 00:41:45,440

the answer is a profound yes.

651

00:41:45,480 --> 00:41:48,480

And they believe that not only have humans

652

00:41:48,520 --> 00:41:52,520

been genetically altered in an effort to ensure our survival,

653

00:41:52,560 --> 00:41:56,560

but that our evolution has been accelerated

654

00:41:56,600 --> 00:42:00,600

so that we will be able to join with our alien ancestors

655

00:42:00,640 --> 00:42:05,640

and begin our journey to the stars in the not too distant future.
