

1

00:00:00,000 --> 00:00:04,740

It is one of the most beautiful places on Earth.

2

00:00:04,840 --> 00:00:06,940

Hawaii is a utopian place.

3

00:00:07,040 --> 00:00:09,640

Some say, idenic.

4

00:00:09,740 --> 00:00:13,440

But could the Hawaiian Islands also be something much,

5

00:00:13,540 --> 00:00:14,920

much more?

6

00:00:15,020 --> 00:00:19,460

A place that is not only a destination for tourists,

7

00:00:19,560 --> 00:00:22,620

but for extraterrestrial visitors?

8

00:00:22,720 --> 00:00:28,800

Hawaii seems to be at the center of a wave of UFO sightings.

9

00:00:29,300 --> 00:00:31,600

Wow, these don't look like humans, do they?

10

00:00:31,700 --> 00:00:35,100

When I first saw that ticket, first thought that came to my mind

11

00:00:35,200 --> 00:00:38,540

was, that's a great extraterrestrial.

12

00:00:38,640 --> 00:00:42,940

Could Hawaii be one of the hotspots of alien activity

13

00:00:43,040 --> 00:00:44,680

on our planet?

14

00:00:44,780 --> 00:00:48,620

These are ancient aliens till today, regarded by them.

15

00:00:48,720 --> 00:00:51,960

And could it serve as a portal that not only attracts

16

00:00:52,060 --> 00:00:56,120

beings from other worlds to us, but could one day offer

17

00:00:56,140 --> 00:00:59,680

mankind a gateway to other worlds?

18

00:00:59,780 --> 00:01:03,520

Hawaii is the place where extraterrestrials travel through

19

00:01:03,620 --> 00:01:06,960

to go to other places throughout the entire planet.

20

00:01:10,100 --> 00:01:14,900

There is a doorway in the universe.

21

00:01:15,000 --> 00:01:19,100

Beyond it is the promise of truth.

22

00:01:19,200 --> 00:01:24,240

It demands we question everything we have ever been taught.

23

00:01:24,300 --> 00:01:27,540

The evidence is all around us.

24

00:01:27,640 --> 00:01:31,740

The future is right before our eyes.

25

00:01:31,840 --> 00:01:34,340

We are not alone.

26

00:01:34,440 --> 00:01:37,340

We have never been alone.

27

00:01:37,340 --> 00:01:44,340

Hawaii, to visitors and tourists, it is a paradise on Earth,

28

00:01:44,440 --> 00:01:49,720

a land of cascading waterfalls, breathtaking scenery,

29

00:01:49,820 --> 00:01:52,020

and captivating volcanoes.

30

00:01:52,120 --> 00:01:56,620

And it's a place where we can find our own life.

31

00:01:56,720 --> 00:02:01,320

And it's a place where we can find our own life.

32

00:02:01,380 --> 00:02:02,720

And captivating volcanoes.

33

00:02:10,820 --> 00:02:14,960

But this tropical island chain is not merely a beautiful and

34

00:02:15,060 --> 00:02:17,760

romantic travel destination.

35

00:02:17,860 --> 00:02:21,660

To the people that have inhabited this land for centuries

36

00:02:21,760 --> 00:02:25,200

and who carry with them the traditions of their ancestors,

37

00:02:25,300 --> 00:02:29,040

Hawaii is something very different.

38

00:02:29,100 --> 00:02:32,300

For them, it is the place where beings from the sky

39

00:02:32,400 --> 00:02:35,840

came to Earth centuries ago.

40

00:02:35,940 --> 00:02:39,540

And a place where many, like tribal elder Kimo Keo

41

00:02:39,640 --> 00:02:43,240

Kapa Hulehua, believe these so-called sky people

42

00:02:43,340 --> 00:02:46,020

are destined to return.

43

00:02:46,120 --> 00:02:48,920

The ancient Hawaiian, it was not a religion.

44

00:02:49,020 --> 00:02:51,420

It was just a way of life.

45

00:02:51,520 --> 00:02:55,020

To stay connected to all things,

46

00:02:55,120 --> 00:02:56,260

even if we're not connected by land,

47

00:02:56,360 --> 00:02:57,760

we're connected by ocean.

48

00:02:57,780 --> 00:03:00,480

And if not, we're connected by stars.

49

00:03:00,580 --> 00:03:03,180

And we're all offsprings of star people.

50

00:03:03,280 --> 00:03:07,020

Today, people are studying if their people exist in a space.

51

00:03:07,120 --> 00:03:12,260

For us, we know there are other people besides us.

52

00:03:12,360 --> 00:03:15,960

Is it possible that the ancient stories of the native Hawaiians

53

00:03:16,060 --> 00:03:19,400

are in fact evidence of early human contact

54

00:03:19,500 --> 00:03:21,900

with extraterrestrials?

55

00:03:22,000 --> 00:03:25,840

As far as ancient astronaut theorists are concerned,

56

00:03:25,920 --> 00:03:28,780

the answer is yes.

57

00:03:28,880 --> 00:03:30,820

And they believe one of the reasons

58

00:03:30,920 --> 00:03:33,920

that extraterrestrial visitors chose the Hawaiian islands

59

00:03:34,020 --> 00:03:38,020

as a destination is the fact that the islands were them,

60

00:03:38,120 --> 00:03:45,800

as now largely remote and, in some cases, relatively uninhabited.

61

00:03:45,900 --> 00:03:49,000

If I were an extraterrestrial in the remote past,

62

00:03:49,100 --> 00:03:51,740

and I was looking for the perfect laboratory

63

00:03:51,740 --> 00:03:55,440

to engineer a new species of mankind,

64

00:03:55,540 --> 00:03:58,180

I would look no further than the most remote place

65

00:03:58,280 --> 00:04:01,980

on the Earth, which is the Hawaiian islands.

66

00:04:02,080 --> 00:04:05,680

Before the arrival of Europeans, there were no reptiles,

67

00:04:05,780 --> 00:04:08,160

no mosquitoes, no rats.

68

00:04:08,260 --> 00:04:12,820

It was as pure a place as any on our planet.

69

00:04:12,920 --> 00:04:15,160

And in many ways, it was the perfect spot

70

00:04:15,260 --> 00:04:18,460

for a terrestrial laboratory.

71

00:04:18,560 --> 00:04:20,040

This is where they settled down.

72

00:04:20,060 --> 00:04:21,840

It was definitely all of the rest of the place

73

00:04:21,940 --> 00:04:25,100

that overlooked these people that they created.

74

00:04:25,200 --> 00:04:27,640

In addition to being one of the most remote places

75

00:04:27,740 --> 00:04:33,380

on the planet, Hawaii is also one of the most volatile.

76

00:04:33,480 --> 00:04:37,080

It is home to literally hundreds of volcanoes.

77

00:04:37,180 --> 00:04:42,220

And three of them are still very active.

78

00:04:42,320 --> 00:04:45,360

Pele is the creator of what you call Mokopuni, the islands.

79

00:04:45,460 --> 00:04:47,960

And she created that with the volcano as a fire goddess.

80

00:04:51,040 --> 00:04:53,740

She was embodied as a beautiful woman,

81

00:04:53,840 --> 00:04:55,900

Hawaiian mythology says.

82

00:04:56,000 --> 00:04:57,900

You also had a wrathful nature.

83

00:04:58,000 --> 00:05:00,140

And if you didn't respect her wishes,

84

00:05:00,240 --> 00:05:02,740

it was not going to be a very good day.

85

00:05:02,840 --> 00:05:07,480

Pele is an angry goddess in many ways.

86

00:05:07,580 --> 00:05:12,260

But she's also seen as a creator because she creates land.

87

00:05:12,360 --> 00:05:16,720

There's a belief and a full on respect of Pele.

88

00:05:16,780 --> 00:05:20,580

For Hawaiian natives, Pele is but one of many beings

89

00:05:20,680 --> 00:05:22,720

they call star people.

90

00:05:22,820 --> 00:05:24,780

And all things that happen on Earth

91

00:05:24,880 --> 00:05:28,080

are connected to the stars.

92

00:05:28,180 --> 00:05:32,420

Each on them, when the Pleiades star system appears on the horizon,

93

00:05:32,520 --> 00:05:35,300

practitioners of the old native Hawaiian faith

94

00:05:35,400 --> 00:05:39,040

gather to celebrate the harvest and honor the other worldly

95

00:05:39,140 --> 00:05:41,600

visitors whose direct descendants also

96

00:05:41,700 --> 00:05:45,000

serve as the tribe leads.

97

00:05:45,060 --> 00:05:47,620

There was always this different separation

98

00:05:47,720 --> 00:05:50,700

between a royal person and a commoner.

99

00:05:50,800 --> 00:05:53,400

None of us was supposed to put our eyes on a royal family.

100

00:05:53,500 --> 00:05:55,300

So when there was Mokahiki time, and this is a time

101

00:05:55,400 --> 00:05:59,600

that you could really visit with the royal family.

102

00:05:59,700 --> 00:06:03,480

In ancient times, the largest harvest season celebrations

103

00:06:03,580 --> 00:06:06,880

occurred at the foot of Hawaii's tallest mountain,

104

00:06:06,980 --> 00:06:10,680

which according to legend, was the central geological feature

105

00:06:10,780 --> 00:06:13,960

of a lost continent called Lemuria.

106

00:06:14,020 --> 00:06:17,620

There are countless stories about a lost continent that

107

00:06:17,720 --> 00:06:20,260

was swallowed up by the sea, and that continent

108

00:06:20,360 --> 00:06:22,120

was called Lemuria.

109

00:06:22,220 --> 00:06:24,920

Lemuria is said to have been the home of the planet's

110

00:06:25,020 --> 00:06:26,560

tallest mountain.

111

00:06:26,660 --> 00:06:30,200

So in order to determine Lemuria's possible location

112

00:06:30,300 --> 00:06:32,840

in a region that could fit our mythology,

113

00:06:32,940 --> 00:06:35,100

we have to change our perspective a little bit.

114

00:06:35,200 --> 00:06:37,340

When considering mountains that rise directly

115

00:06:37,440 --> 00:06:40,080

from the floor of a tectonic plate,

116

00:06:40,180 --> 00:06:43,320

which Mount Everest doesn't do, and the distance

117

00:06:43,340 --> 00:06:46,540

from the actual base to the actual summit,

118

00:06:46,640 --> 00:06:50,880

Monachea is by far the tallest mountain in the world.

119

00:06:50,980 --> 00:06:56,320

And it's nearly a mile taller than Mount Everest.

120

00:06:56,420 --> 00:07:02,260

It is the most massive land mass on the planet.

121

00:07:02,360 --> 00:07:04,560

And it is a critical place when it

122

00:07:04,660 --> 00:07:07,860

comes to the traditions of the Hawaiian islanders,

123

00:07:07,960 --> 00:07:10,300

welcoming back the star visitors.

124

00:07:11,300 --> 00:07:14,220

It's also the time of the rising of the Pleiades.

125

00:07:14,320 --> 00:07:18,760

And what it signals is this time of great joy and festivities.

126

00:07:18,860 --> 00:07:21,700

The people gather to celebrate prosperity,

127

00:07:21,800 --> 00:07:24,500

or coming prosperity.

128

00:07:24,600 --> 00:07:26,540

For native Hawaiians, the Pleiades

129

00:07:26,640 --> 00:07:29,880

is much more than just a constellation.

130

00:07:29,980 --> 00:07:34,880

This cluster of stars, 444.2 light years away,

131

00:07:34,980 --> 00:07:37,780

are the stars from which the native Hawaiians trace

132

00:07:37,840 --> 00:07:40,440

their very origins.

133

00:07:40,540 --> 00:07:43,040

The Pleiades plays an absolutely central role

134

00:07:43,140 --> 00:07:47,080

in the mythology of people spread right across the Pacific.

135

00:07:47,180 --> 00:07:51,780

All the way to Australia, Japan, we

136

00:07:51,880 --> 00:07:54,180

hear these stories that once upon a time,

137

00:07:54,280 --> 00:07:56,860

beings from the Pleiades arrived here,

138

00:07:56,960 --> 00:07:59,360

and that they in some way involve themselves

139

00:07:59,460 --> 00:08:01,360

in human evolution.

140

00:08:01,460 --> 00:08:05,860

There is no question that the elders of Hawaiians

141

00:08:05,920 --> 00:08:11,360

have a belief that their ancestors came from the stars.

142

00:08:14,460 --> 00:08:17,560

In the Hawaiian tradition, the star people

143

00:08:17,660 --> 00:08:21,260

are most often referred to as the akua, or atua,

144

00:08:21,360 --> 00:08:25,100

and are responsible for the creation of humankind.

145

00:08:25,200 --> 00:08:28,940

We are all of springs of akua, and we know that we

146

00:08:29,040 --> 00:08:30,540

had a connection to them.

147

00:08:30,640 --> 00:08:33,240

Because we look at the world, we look at the world,

148

00:08:33,260 --> 00:08:35,100

we had a connection to them.

149

00:08:35,200 --> 00:08:36,360

Because we're looking up to the side

150

00:08:36,460 --> 00:08:39,300

to see connected and be guided by them.

151

00:08:39,400 --> 00:08:41,240

These are supernatural beings that

152

00:08:41,340 --> 00:08:44,940

appear to have superhuman powers.

153

00:08:45,040 --> 00:08:47,680

The chiefs and royalty of ancient Hawaii

154

00:08:47,780 --> 00:08:51,440

were considered to be the offspring of the atua.

155

00:08:51,540 --> 00:08:54,720

Similarly named creator gods can be found in cultures

156

00:08:54,820 --> 00:08:58,020

throughout Oceania, a geographic region which

157

00:08:58,120 --> 00:09:03,220

includes Australasia, Melanesia, Micronesia, and Polynesia.

158

00:09:03,320 --> 00:09:06,440

In Micronesia, they call them Aitu,

159

00:09:06,540 --> 00:09:12,680

in the Philippines, on Nito, and in Malaysia, on too.

160

00:09:12,780 --> 00:09:17,120

The terms atua and akua for a type of gods or beings

161

00:09:17,220 --> 00:09:21,020

throughout the Pacific region is quite fascinating.

162

00:09:21,120 --> 00:09:23,060

Because when we dig into that lore,

163

00:09:23,160 --> 00:09:25,960

we're told that there's these entities that are often,

164

00:09:26,060 --> 00:09:31,740

in some sense, invisible, but can interact with human beings

165

00:09:31,760 --> 00:09:33,240

and animals.

166

00:09:33,340 --> 00:09:36,640

You know, are these some kind of interdimensional extra

167

00:09:36,740 --> 00:09:39,440

terrestrials that can hide themselves at will,

168

00:09:39,540 --> 00:09:42,380

and engineer situations where they can then

169

00:09:42,480 --> 00:09:44,340

appear to be humans?

170

00:09:44,440 --> 00:09:46,940

It's a very strange set of legends.

171

00:09:47,040 --> 00:09:50,720

I suspect that we really have here a history pointing

172

00:09:50,820 --> 00:09:53,360

to some kind of ancient visitation,

173

00:09:53,460 --> 00:09:56,020

with these beings arriving and involving

174

00:09:56,120 --> 00:09:57,960

themselves in human origins.

175

00:10:02,740 --> 00:10:06,140

Could it be, as ancient astronaut theorists suggest,

176

00:10:06,240 --> 00:10:09,040

that the story of humankind's true origins

177

00:10:09,140 --> 00:10:12,980

can be found within the Hawaiian traditions,

178

00:10:13,080 --> 00:10:17,980

and that these islands were a point of first contact?

179

00:10:18,080 --> 00:10:20,520

Perhaps further clues can be found

180

00:10:20,620 --> 00:10:23,620

by examining the iconic wooden sculptures that

181

00:10:23,720 --> 00:10:28,700

exist throughout the entire Hawaiian island chain.

182

00:10:28,800 --> 00:10:29,600

The tiki.

183

00:10:32,700 --> 00:10:33,760

Coming up.

184

00:10:33,860 --> 00:10:36,040

So you're thinking these are extraterrestrial races?

185

00:10:36,140 --> 00:10:37,000

Totally.

186

00:10:37,100 --> 00:10:39,900

The akua came here with spacecraft.

187

00:10:40,000 --> 00:10:42,940

This one is pretty odd standing here by the water.

188

00:10:43,040 --> 00:10:44,480

That's a gray extraterrestrial.

189

00:10:51,420 --> 00:10:55,220

Honounau, Hawaii, June 2019.

190

00:10:55,980 --> 00:10:59,680

On the west coast of what is commonly called the Big Island,

191

00:10:59,780 --> 00:11:02,580

ancient astronaut theorist David Childress

192

00:11:02,680 --> 00:11:05,660

is traveling with his colleague Dr. Michael Salla,

193

00:11:05,760 --> 00:11:10,620

a Hawaiian resident and an expert on local history.

194

00:11:10,720 --> 00:11:14,300

It is David's belief that thousands of years ago,

195

00:11:14,400 --> 00:11:18,940

this area of the world was not only a place of alien visitation,

196

00:11:19,040 --> 00:11:22,840

but was actually inhabited by extraterrestrial beings.

197

00:11:22,900 --> 00:11:25,940

Well, Michael, I'm really excited to be here in Hawaii with you.

198

00:11:26,040 --> 00:11:27,600

I've traveled around the Pacific,

199

00:11:27,700 --> 00:11:29,240

and I have been to Hawaii before,

200

00:11:29,340 --> 00:11:34,740

but I really want to understand Hawaii's extraterrestrial past.

201

00:11:34,840 --> 00:11:38,680

And its ancient history, the many unusual sites here,

202

00:11:38,780 --> 00:11:42,780

and even what's going on today here in Hawaii.

203

00:11:42,880 --> 00:11:43,920

It's fascinating.

204

00:11:44,020 --> 00:11:45,680

I mean, this is something that I didn't expect

205

00:11:45,780 --> 00:11:49,420

when I moved out here that Hawaii had this kind of history.

206

00:11:49,520 --> 00:11:51,720

I mean, it's a history of the past.

207

00:11:51,740 --> 00:11:53,140

I mean, I've never been to Hawaii,

208

00:11:53,240 --> 00:11:56,740

had this kind of extraterrestrial contact, this history.

209

00:11:56,840 --> 00:11:58,780

But that's one of the things I kept hearing.

210

00:11:58,880 --> 00:12:03,080

And as I began to learn more about Hawaii's history,

211

00:12:03,180 --> 00:12:06,360

it became clear that a lot of Hawaiians

212

00:12:06,460 --> 00:12:09,920

really traced their ancestors to extraterrestrial visitors

213

00:12:10,020 --> 00:12:13,460

that came here tens of thousands of years ago.

214

00:12:13,560 --> 00:12:16,560

David and Michael are on their way to Puuu Honua,

215

00:12:16,660 --> 00:12:19,800

a honounau national historical park,

216

00:12:19,880 --> 00:12:25,080

where they have a number of giant statues and native exhibits.

217

00:12:25,180 --> 00:12:30,280

At honounau, you have this temple complex,

218

00:12:30,380 --> 00:12:33,780

which basically dates back to the Hawaiian kingdom.

219

00:12:33,880 --> 00:12:38,720

And it has some of the best tiki statues of the akua, the gods.

220

00:12:38,820 --> 00:12:44,560

Exitrestrials, in my view, that you can find anywhere on the island.

221

00:12:44,660 --> 00:12:49,160

At the park, a great wall marks a boundary between an area

222

00:12:49,220 --> 00:12:53,060

and a sanctuary, where lawbreakers could gain refuge

223

00:12:53,160 --> 00:12:55,760

and absolution.

224

00:12:55,860 --> 00:12:58,700

Iconic wooden statues with strange features

225

00:12:58,800 --> 00:13:01,740

surround the Hale Okeiwe temple, which houses

226

00:13:01,840 --> 00:13:06,080

the remains of Hawaiian chiefs, remains that are still

227

00:13:06,180 --> 00:13:09,980

thought by the native Hawaiians to emanate power, or mana,

228

00:13:10,080 --> 00:13:13,380

throughout the area.

229

00:13:13,480 --> 00:13:14,920

David, I know you've got this theory

230

00:13:15,020 --> 00:13:17,780

about extraterrestrial contact and technology being

231

00:13:17,800 --> 00:13:19,740

spread throughout the Pacific.

232

00:13:19,840 --> 00:13:22,280

And we've got some really interesting tiki's

233

00:13:22,380 --> 00:13:24,940

that I think lend support to that theory.

234

00:13:25,040 --> 00:13:26,720

Yeah, they look pretty interesting.

235

00:13:26,820 --> 00:13:29,820

And this one is pretty odd.

236

00:13:29,920 --> 00:13:32,020

He's standing here by the water.

237

00:13:32,120 --> 00:13:35,460

When I first saw that tiki, first thought that came to my mind

238

00:13:35,560 --> 00:13:39,060

was, that's a great extraterrestrial.

239

00:13:39,160 --> 00:13:43,160

And this is one of the helpers, or the menuhuni,

240

00:13:43,260 --> 00:13:46,440

that the Hawaiian believe were created by the gods,

241

00:13:46,500 --> 00:13:47,660

or the akua.

242

00:13:47,760 --> 00:13:50,160

So is this the akua right here, these guys,

243

00:13:50,260 --> 00:13:51,800

with the big headdresses?

244

00:13:51,900 --> 00:13:52,640

Exactly, yeah.

245

00:13:52,740 --> 00:13:53,740

Those are the akua.

246

00:13:53,840 --> 00:13:57,540

They had four principal akua that were basically

247

00:13:57,640 --> 00:13:59,940

the creators of humanity and helped

248

00:14:00,040 --> 00:14:03,520

establish civilization on the planet.

249

00:14:03,620 --> 00:14:07,080

One year ago, when David was investigating the Marquesas

250

00:14:07,180 --> 00:14:11,160

Islands, located 2,300 miles south of Hawaii,

251

00:14:11,260 --> 00:14:14,400

he encountered similar tiki statues

252

00:14:14,460 --> 00:14:17,860

and discovered that they too are associated with ancient gods.

253

00:14:20,860 --> 00:14:23,360

But here, in Honaunau, there appear

254

00:14:23,460 --> 00:14:28,100

to be two different types of beings depicted by the tiki.

255

00:14:28,200 --> 00:14:30,940

So you're thinking these are two different extraterrestrial

256

00:14:31,040 --> 00:14:31,700

races?

257

00:14:31,800 --> 00:14:32,600

Totally.

258

00:14:32,700 --> 00:14:34,580

They have different kind of eyes, too.

259

00:14:34,680 --> 00:14:35,640

Totally, yeah.

260

00:14:35,740 --> 00:14:38,240

I mean, this to me looks like the akua were extraterrestrial.

261

00:14:38,340 --> 00:14:41,080

Then they knew about genetic experimentation,

262

00:14:41,180 --> 00:14:43,280

and they created these beings.

263

00:14:43,340 --> 00:14:46,740

Mena huni, or gray aliens, to basically be servants.

264

00:14:46,840 --> 00:14:49,040

And you can see that from the lack of the headdress,

265

00:14:49,140 --> 00:14:53,640

their ball, which signifies they have low social status.

266

00:14:53,740 --> 00:14:56,840

According to ancient Hawaiian stories,

267

00:14:56,940 --> 00:15:00,680

the Mena huni were human-like beings of short stature

268

00:15:00,780 --> 00:15:03,280

who were created by the akua.

269

00:15:03,380 --> 00:15:05,780

The Mena hunis was a little dwarf people,

270

00:15:05,880 --> 00:15:07,640

and they always came out in the evening

271

00:15:07,740 --> 00:15:10,940

because they were not so much human-like looking.

272

00:15:13,340 --> 00:15:17,240

The Mena huni are small, magical creatures

273

00:15:17,340 --> 00:15:18,840

that are thought sometimes to have

274

00:15:18,940 --> 00:15:21,620

been descendants of the earliest inhabitants that

275

00:15:21,720 --> 00:15:25,520

came before the Hawaiians from Polynesia.

276

00:15:25,620 --> 00:15:29,820

There are canals, waterways, gulfs.

277

00:15:29,920 --> 00:15:32,260

Built, they say, by the Mena huni.

278

00:15:32,360 --> 00:15:34,320

The work was done at night.

279

00:15:34,420 --> 00:15:37,200

They don't want to be seen, and they work incredibly quickly.

280

00:15:37,300 --> 00:15:39,360

So sometimes a whole retaining wall

281

00:15:39,460 --> 00:15:40,940

will have been built in a single night.

282

00:15:43,400 --> 00:15:47,000

I visited all of the structures that supposedly

283

00:15:47,100 --> 00:15:48,940

were built by the Mena huni.

284

00:15:49,040 --> 00:15:52,140

There's a Mena huni fish pond that's

285

00:15:52,240 --> 00:15:58,680

huge, has 900 feet of wall surrounding this one area,

286

00:15:58,780 --> 00:16:03,220

and then they would use that as a reservoir for fish.

287

00:16:03,320 --> 00:16:06,520

There's also called the Mena huni ditch.

288

00:16:06,620 --> 00:16:09,160

It was a way to channel fresh water.

289

00:16:09,260 --> 00:16:12,760

It is old in structure, and before the Hawaiians,

290

00:16:12,820 --> 00:16:15,780

could this account of a pre-Hawaiian and pre-human water

291

00:16:15,880 --> 00:16:20,120

channel lend credence to the Hawaiian Genesis story,

292

00:16:20,220 --> 00:16:22,460

a story which also contains depictions

293

00:16:22,560 --> 00:16:25,860

of genetic engineering?

294

00:16:25,960 --> 00:16:30,160

These were, I believe, extraterrestrial hybrids that

295

00:16:30,260 --> 00:16:34,900

had been created to help the Pleidians,

296

00:16:35,000 --> 00:16:38,940

and other races establish their civilization.

297

00:16:39,220 --> 00:16:42,660

And other races establish their civilizations

298

00:16:42,760 --> 00:16:46,140

or their genetic experiments on the Earth.

299

00:16:46,240 --> 00:16:48,360

The Mena huni are said to have built

300

00:16:48,460 --> 00:16:51,900

these unusual structures on Kauai.

301

00:16:52,000 --> 00:16:53,940

Archaeologists do not know who built them.

302

00:16:54,040 --> 00:16:57,860

The Hawaiians say, oh, these little people of the past,

303

00:16:57,960 --> 00:16:59,940

they're the ones that built them.

304

00:17:00,040 --> 00:17:04,940

These little people are somehow ancestors to the Hawaiians,

305

00:17:05,040 --> 00:17:07,240

who are actually very tall and large.

306

00:17:07,240 --> 00:17:10,540

The Polynesians are the largest race of people still

307

00:17:10,640 --> 00:17:12,040

on the planet.

308

00:17:12,140 --> 00:17:16,040

And yet, their own stories go back to these little people who

309

00:17:16,140 --> 00:17:19,340

are building stuff for them.

310

00:17:19,440 --> 00:17:22,640

While many dismiss the Mena huni as little more

311

00:17:22,740 --> 00:17:27,260

than mythological figures, a census from 200 years ago

312

00:17:27,360 --> 00:17:29,960

seems to provide historical documentation

313

00:17:30,060 --> 00:17:34,060

that they may have actually existed.

314

00:17:34,560 --> 00:17:39,760

The first census on Kauai took place in 1820.

315

00:17:39,860 --> 00:17:44,920

And that census said that of the 2,000 people that were counted,

316

00:17:45,020 --> 00:17:49,260

65 of them were Mena huni.

317

00:17:49,360 --> 00:17:52,360

Confirming the account of the 1820 census,

318

00:17:52,460 --> 00:17:55,960

the Hawaiian Almanac in annual of 1913

319

00:17:56,060 --> 00:17:58,760

states that during the reign of Ka'umu'a li'i

320

00:17:58,860 --> 00:18:03,460

in the early 19th century, a census recorded 65 Mena huni

321

00:18:03,460 --> 00:18:07,160

living in the small hamlet of La'au.

322

00:18:07,260 --> 00:18:11,400

The Almanac reports an allied race of older extraction,

323

00:18:11,500 --> 00:18:15,200

2 and 1 half to 3 feet high, and concludes,

324

00:18:15,300 --> 00:18:17,600

as far as the little people of La'au,

325

00:18:17,700 --> 00:18:22,040

they were forgotten in the laps of years.

326

00:18:22,140 --> 00:18:24,580

Hawaiian islands are so remote.

327

00:18:24,680 --> 00:18:27,480

This is one of the most remote places in the world.

328

00:18:27,580 --> 00:18:29,720

Do you think that Hawaii was perhaps

329

00:18:29,780 --> 00:18:33,180

some special extraterrestrial base?

330

00:18:33,280 --> 00:18:34,380

I believe so.

331

00:18:34,480 --> 00:18:37,480

And it's interesting that this area is part of Kela'a Kua,

332

00:18:37,580 --> 00:18:39,820

which literally means pathway of the gods.

333

00:18:39,920 --> 00:18:40,820

Pathway of the gods.

334

00:18:40,920 --> 00:18:43,820

Well, how can it be translated as doorway?

335

00:18:43,920 --> 00:18:48,660

Are the tilis a record of ancient alien activity in Hawaii?

336

00:18:48,760 --> 00:18:52,160

If so, what were the islands used for?

337

00:18:52,260 --> 00:18:57,000

And where do these otherworldly visitors go?

338

00:18:57,100 --> 00:18:59,040

Perhaps further clues can be found

339

00:18:59,100 --> 00:19:02,940

by venturing inside one of the island's largest volcanoes.

340

00:19:08,340 --> 00:19:13,340

The Pacific Ocean, 20,000 BC.

341

00:19:13,440 --> 00:19:15,980

It is during this period that the surface of the earth

342

00:19:16,080 --> 00:19:19,680

is frozen in the grip of a glacial period otherwise known

343

00:19:19,780 --> 00:19:22,380

as the Ice Age.

344

00:19:22,480 --> 00:19:25,920

It is a time when sea levels are dramatically lower,

345

00:19:25,980 --> 00:19:30,140

nearly 400 feet below where they are today.

346

00:19:30,240 --> 00:19:34,280

And these lower sea levels have created expansive landmasses,

347

00:19:34,380 --> 00:19:37,820

which as the ice melts some 12,000 years ago,

348

00:19:37,920 --> 00:19:41,320

begin to disappear beneath the surface of the rising oceans.

349

00:19:46,160 --> 00:19:48,860

Is it possible that some of these landmasses

350

00:19:48,960 --> 00:19:52,400

were home to lost civilizations?

351

00:19:52,980 --> 00:19:56,780

Civilizations, for which we have no historical record

352

00:19:56,880 --> 00:20:01,580

and which may have been far more advanced than we know.

353

00:20:01,680 --> 00:20:04,420

We live on a very restless earth

354

00:20:04,520 --> 00:20:06,480

that's constantly moving with earthquakes

355

00:20:06,580 --> 00:20:08,580

and tsunamis and volcanic activity.

356

00:20:08,680 --> 00:20:12,860

Condents rise and fall.

357

00:20:12,960 --> 00:20:16,600

Mountain ranges are torn apart.

358

00:20:16,700 --> 00:20:20,500

All kinds of civilizations could have come and gone

359

00:20:20,700 --> 00:20:22,400

on our planet.

360

00:20:22,500 --> 00:20:25,080

We know that there are over 200 known

361

00:20:25,180 --> 00:20:27,140

submerged cities in the Mediterranean.

362

00:20:27,240 --> 00:20:29,240

There's just so much on our planet

363

00:20:29,340 --> 00:20:32,040

that we have yet to find out.

364

00:20:32,140 --> 00:20:34,420

Throughout history, a number of stories

365

00:20:34,520 --> 00:20:37,460

have been told about great civilizations that

366

00:20:37,560 --> 00:20:41,720

disappeared into the ocean thousands of years ago.

367

00:20:41,820 --> 00:20:44,160

The most famous of these, Atlantis,

368

00:20:44,260 --> 00:20:47,960

was written about by Plato in the 4th century BC

369

00:20:48,020 --> 00:20:50,800

and is still believed by many to have truly existed.

370

00:20:53,400 --> 00:20:55,800

But there is another lost continent

371

00:20:55,900 --> 00:20:59,500

that is said to have existed at the same time as Atlantis

372

00:20:59,600 --> 00:21:05,680

and looms large in Hawaiian traditions, Lemuria.

373

00:21:05,780 --> 00:21:07,580

Lemuria was in the South Pacific.

374

00:21:07,680 --> 00:21:10,180

It is thought to have connected the Hawaiian islands

375

00:21:10,280 --> 00:21:13,380

and the other island systems out in that part of the planet.

376

00:21:13,480 --> 00:21:15,220

So it was a huge land bridge.

377

00:21:18,220 --> 00:21:22,220

In the lore, Lemuria was an extraordinary civilization

378

00:21:22,320 --> 00:21:24,660

before it sank into the sea.

379

00:21:24,760 --> 00:21:27,700

Story has it Hawaii is a surviving fragment

380

00:21:27,800 --> 00:21:30,640

of the enormous land mass.

381

00:21:30,740 --> 00:21:33,900

Lemuria existed prior to the last great flood that

382

00:21:34,000 --> 00:21:37,840

occurred around 9600 BC, which was a catastrophe which

383

00:21:37,940 --> 00:21:41,280

led to the water levels all around the Earth rising

384

00:21:41,380 --> 00:21:43,280

as much as 400 feet.

385

00:21:43,380 --> 00:21:46,620

According to legend, before the two lost continents

386

00:21:46,640 --> 00:21:49,020

were destroyed by a great flood,

387

00:21:49,120 --> 00:21:54,520

there was a war between Lemuria and Atlantis.

388

00:21:54,620 --> 00:21:57,660

This was the destruction of the Lemurian civilization.

389

00:21:57,760 --> 00:22:00,920

And the Lemurians were driven into these underground cavern

390

00:22:01,020 --> 00:22:02,260

systems.

391

00:22:02,360 --> 00:22:05,200

The Hawaiian peoples really understand

392

00:22:05,300 --> 00:22:09,400

that they are the descendants of some great civilization

393

00:22:09,500 --> 00:22:12,140

and that they have some kind of responsibility of preserving

394

00:22:12,240 --> 00:22:13,140

the culture of that.

395

00:22:17,240 --> 00:22:21,080

Ancient astronaut theorist David Chilton and Hawaiian history

396

00:22:21,180 --> 00:22:24,420

expert Dr. Michael Salon are on the Big Island

397

00:22:24,520 --> 00:22:27,720

to explore the underground caverns the Lemurians are

398

00:22:27,820 --> 00:22:29,160

said to have retreated to.

399

00:22:29,260 --> 00:22:31,100

Yeah, there is a bit of spelunking here on the Big

400

00:22:31,200 --> 00:22:32,360

Island.

401

00:22:32,460 --> 00:22:35,560

These caverns are actually enormous lava tubes that

402

00:22:35,660 --> 00:22:38,540

exist throughout the volcanic island chain.

403

00:22:38,640 --> 00:22:41,400

And some locals believe they are still inhabited

404

00:22:41,500 --> 00:22:44,240

by the Lemurians.

405

00:22:44,340 --> 00:22:45,240

Wow, this is huge.

406

00:22:46,680 --> 00:22:49,040

Yeah, it goes back two miles in that direction.

407

00:22:49,140 --> 00:22:52,020

And the whole lava tube is 25 miles long,

408

00:22:52,120 --> 00:22:53,520

all the way from Manila.

409

00:22:53,620 --> 00:22:57,020

Wow, these walls are 30 feet high or more.

410

00:22:57,120 --> 00:22:58,020

Right.

411

00:22:58,120 --> 00:22:59,760

There's lava tubes that are much bigger than this as well.

412

00:22:59,860 --> 00:23:02,800

OK, tell me what happened here.

413

00:23:02,900 --> 00:23:05,600

Well, this is part of an extensive cavern system

414

00:23:05,700 --> 00:23:07,740

throughout the Big Island of Hawaii,

415

00:23:07,840 --> 00:23:09,100

where you have these lava tubes.

416

00:23:09,200 --> 00:23:12,700

And this kind of cavern and these lava tubes

417

00:23:12,800 --> 00:23:15,140

have been here for tens of thousands, hundreds of thousands

418

00:23:15,240 --> 00:23:16,340

of years.

419

00:23:16,360 --> 00:23:20,540

At some point in its history, the Lemurians found this cavern

420

00:23:20,640 --> 00:23:22,360

system and built it out.

421

00:23:22,460 --> 00:23:25,000

And so when they were in a war against the Atlanteans,

422

00:23:25,100 --> 00:23:26,700

this was their refuge.

423

00:23:26,800 --> 00:23:29,640

So down inside these lava tubes, what do you think

424

00:23:29,740 --> 00:23:32,380

that there are like secret doors that

425

00:23:32,480 --> 00:23:35,780

are hidden with this high technology?

426

00:23:35,880 --> 00:23:37,880

Well, there's a lot of secrets in these lava tubes

427

00:23:37,980 --> 00:23:39,780

and these caves.

428

00:23:39,880 --> 00:23:41,420

What we're not seeing in the caves

429

00:23:41,520 --> 00:23:45,520

are entry points into this hidden labyrinth of portals

430

00:23:45,780 --> 00:23:49,020

and tunnel systems that lie underneath the entire Big

431

00:23:49,120 --> 00:23:50,020

Island.

432

00:23:50,120 --> 00:23:51,220

They're well hidden.

433

00:23:51,320 --> 00:23:53,320

This is part of Hawaiian legend.

434

00:23:53,420 --> 00:23:55,960

The extraterrestrials had cloaking technology.

435

00:23:56,060 --> 00:23:57,760

And so the doorways would just look

436

00:23:57,860 --> 00:24:00,800

like an ordinary rock face.

437

00:24:00,900 --> 00:24:04,240

According to a Hawaiian legend, these lava tubes

438

00:24:04,340 --> 00:24:07,440

have been inhabited not only by the ancient Lemurians,

439

00:24:07,540 --> 00:24:11,180

but also by the Akua, the visitors that are said

440

00:24:11,280 --> 00:24:13,740

to have arrived here from the Pleiades

441

00:24:13,800 --> 00:24:17,640

and the dwarf people they created called the Menuhune.

442

00:24:17,740 --> 00:24:20,340

But if these ancient ancestors of Hawaii

443

00:24:20,440 --> 00:24:23,740

possessed technology that allowed them to conceal doorways

444

00:24:23,840 --> 00:24:27,520

to secret passages and chambers within the lava tubes,

445

00:24:27,620 --> 00:24:31,520

could they still be hiding out in them today?

446

00:24:31,620 --> 00:24:33,060

There's other places around the Earth

447

00:24:33,160 --> 00:24:35,860

where there are these strange tunnels like this.

448

00:24:35,960 --> 00:24:38,960

And sometimes people are said to go inside them

449

00:24:39,060 --> 00:24:43,200

and disappear or they encounter strange beings

450

00:24:43,260 --> 00:24:44,520

inside these tunnels.

451

00:24:44,620 --> 00:24:45,500

Has that happened here?

452

00:24:45,600 --> 00:24:46,660

Well, definitely.

453

00:24:46,760 --> 00:24:47,960

I mean, there are a lot of Hawaiian stories

454

00:24:48,060 --> 00:24:49,600

of people going into these tunnels

455

00:24:49,700 --> 00:24:53,400

and having encounters with Menehune or with the sorcerers

456

00:24:53,500 --> 00:24:56,000

or even with the Akua themselves.

457

00:24:56,100 --> 00:24:57,740

I've even had an experience here with my wife

458

00:24:57,840 --> 00:25:00,840

where we had some kind of mystical experience where

459

00:25:00,940 --> 00:25:04,080

the Akua communicated and basically said, we're coming back.

460

00:25:04,180 --> 00:25:06,520

A telepath of communication that she suddenly

461

00:25:06,620 --> 00:25:08,480

had inside this tunnel.

462

00:25:08,580 --> 00:25:09,580

That's right.

463

00:25:09,680 --> 00:25:10,620

In this very tunnel, we were meditating

464

00:25:10,720 --> 00:25:12,720

and she had that kind of telepathic download.

465

00:25:12,740 --> 00:25:14,340

On its own, it just doesn't mean much,

466

00:25:14,440 --> 00:25:17,220

but many other people have had these kinds of mystical

467

00:25:17,320 --> 00:25:21,520

experiences in the caverns and even had encounters with beings

468

00:25:21,620 --> 00:25:22,420

in these caverns.

469

00:25:27,020 --> 00:25:29,420

If people today are reporting encounters

470

00:25:29,520 --> 00:25:32,160

with strange beings in the lava tubes,

471

00:25:32,260 --> 00:25:34,900

where are they coming from?

472

00:25:35,000 --> 00:25:37,100

Could it be that Hawaii was not only

473

00:25:37,200 --> 00:25:39,600

a hub of extraterrestrial visitation

474

00:25:39,700 --> 00:25:42,340

thousands of years ago, but that it continues

475

00:25:42,400 --> 00:25:46,840

to serve as an entry point for other worldly visitors?

476

00:25:46,940 --> 00:25:51,200

But if so, how is it possible that such activity continues

477

00:25:51,300 --> 00:25:53,340

undetected?

478

00:25:53,440 --> 00:25:55,780

Ancient astronaut theorists say the answer

479

00:25:55,880 --> 00:25:59,820

can be found by examining sacred rock art, which

480

00:25:59,920 --> 00:26:03,760

suggests Hawaii is home to an incredible anomaly.

481

00:26:13,100 --> 00:26:18,700

P'Uloa, Petroglyph Field, Hawaii.

482

00:26:18,800 --> 00:26:22,100

Ancient astronaut theorist David Childress and Hawaiian

483

00:26:22,200 --> 00:26:25,140

resident and historian Dr. Michael Salah

484

00:26:25,240 --> 00:26:29,040

have arrived at P'Uloa to continue their investigation

485

00:26:29,140 --> 00:26:32,120

of Hawaii's ancient secrets.

486

00:26:32,220 --> 00:26:36,460

At P'Uloa, over 23,000 individual works of art

487

00:26:36,560 --> 00:26:41,320

stretch over several miles of rocky terrain.

488

00:26:41,380 --> 00:26:43,420

You know, Michael, our access to the Petroglyphs

489

00:26:43,520 --> 00:26:47,180

here is quite limited because this is a very sacred area.

490

00:26:47,280 --> 00:26:49,680

But from these Petroglyphs that I see,

491

00:26:49,780 --> 00:26:53,680

they're identical to what you see in Easter Island,

492

00:26:53,780 --> 00:26:55,520

throughout Polynesia, really.

493

00:26:55,620 --> 00:26:58,160

What we see here with the human figures,

494

00:26:58,260 --> 00:27:01,060

they're holding their arms and their postures,

495

00:27:01,160 --> 00:27:05,400

this is identical, really, to Rongo Rongo.

496

00:27:05,500 --> 00:27:09,000

Rongo Rongo, the mysterious ancient script that

497

00:27:09,060 --> 00:27:15,520

has been found on Easter Island, roughly 4,500 miles away.

498

00:27:15,620 --> 00:27:18,460

These Petroglyphs are very unusual.

499

00:27:18,560 --> 00:27:21,060

They're humanoid figures.

500

00:27:21,160 --> 00:27:23,060

But each one is different.

501

00:27:23,160 --> 00:27:26,760

Actually, they're very similar to the Rongo Rongo writing

502

00:27:26,860 --> 00:27:29,560

that we find at Easter Island that is still

503

00:27:29,660 --> 00:27:30,940

on decipher and mysterious.

504

00:27:34,400 --> 00:27:37,240

So some Hawaiians, David, believe that Hawaii

505

00:27:37,380 --> 00:27:39,280

was the birthing place of all humanity,

506

00:27:39,380 --> 00:27:41,140

that this is the legendary Hawaii.

507

00:27:41,240 --> 00:27:44,620

This is where the people, the humanity, was birthed

508

00:27:44,720 --> 00:27:47,020

and actually spread throughout all of Polynesia

509

00:27:47,120 --> 00:27:49,680

and throughout the entire planet.

510

00:27:49,780 --> 00:27:53,320

So what do you think about this one right here in the middle

511

00:27:53,420 --> 00:27:55,020

with the concentric circles?

512

00:27:55,120 --> 00:27:57,660

You see this in the American Southwest,

513

00:27:57,760 --> 00:28:01,560

where, in fact, the American Indians call these portals.

514

00:28:01,660 --> 00:28:05,060

Where you have concentric circles are going around,

515

00:28:05,080 --> 00:28:07,020

sometimes a spiral.

516

00:28:07,120 --> 00:28:10,120

And for them, it is also, it's an energy field,

517

00:28:10,220 --> 00:28:12,660

a portal to other dimensions.

518

00:28:12,760 --> 00:28:15,900

Right, well, that would fit in with a lot of the things

519

00:28:16,000 --> 00:28:18,260

that Hawaiians believe about the big island.

520

00:28:18,360 --> 00:28:20,440

That this is a sacred ground.

521

00:28:20,540 --> 00:28:23,500

There's a lot of energy that flows through these islands.

522

00:28:23,600 --> 00:28:26,480

And it even goes back to the kind of idea of Hawaii

523

00:28:26,580 --> 00:28:29,240

being the birthing place for the whole Polynesian people.

524

00:28:29,340 --> 00:28:32,780

For all the Polynesian people, and also that Hawaii

525

00:28:32,880 --> 00:28:34,380

itself is a portal.

526

00:28:34,440 --> 00:28:35,180

Right?

527

00:28:35,280 --> 00:28:36,000

That's right, yeah.

528

00:28:39,040 --> 00:28:40,880

A portal?

529

00:28:40,980 --> 00:28:42,680

Did the ancient Polynesian people

530

00:28:42,780 --> 00:28:47,720

believe that some kind of cosmic gateway existed in Hawaii?

531

00:28:47,820 --> 00:28:49,380

Through which beings could travel here

532

00:28:49,480 --> 00:28:52,320

from other parts of the universe.

533

00:28:52,420 --> 00:28:55,100

The scientific concept of a wormhole

534

00:28:55,200 --> 00:28:58,400

was first proposed by Albert Einstein and Nathan Rosen

535

00:28:58,500 --> 00:29:03,700

in 1935, who suggested that spacetime could be met.

536

00:29:03,760 --> 00:29:06,920

To bring two distant points together.

537

00:29:07,020 --> 00:29:10,060

While it may sound far-fetched, some scientists

538

00:29:10,160 --> 00:29:14,400

suggest it is possible that such portals or wormholes may

539

00:29:14,500 --> 00:29:16,400

actually exist.

540

00:29:16,500 --> 00:29:21,180

And not only in deep space, but also right here on Earth.

541

00:29:21,280 --> 00:29:25,420

It became sort of accepted as actually being real

542

00:29:25,520 --> 00:29:28,480

that there would be portals or wormholes in space.

543

00:29:28,580 --> 00:29:31,320

But as we deepen our understanding of physics,

544

00:29:31,380 --> 00:29:35,420

it raises the possibility of wormholes and portals being

545

00:29:35,520 --> 00:29:37,820

able to be accessible here on Earth.

546

00:29:37,920 --> 00:29:39,720

It appears possible theoretically

547

00:29:39,820 --> 00:29:42,360

to manipulate electromagnetic fields

548

00:29:42,460 --> 00:29:46,200

and change the structure of spacetime, perhaps dramatically.

549

00:29:46,300 --> 00:29:49,900

Now, can this happen in a geophysical realm?

550

00:29:50,000 --> 00:29:51,400

Possibly.

551

00:29:51,500 --> 00:29:53,140

The Earth has a magnetic field.

552

00:29:53,240 --> 00:29:55,300

It has an electric field.

553

00:29:55,400 --> 00:29:57,780

And those vary from place to place.

554

00:29:57,880 --> 00:30:00,680

Would there be areas on Earth where perhaps

555

00:30:00,700 --> 00:30:04,640

might be prone to spacetime instability,

556

00:30:04,740 --> 00:30:09,980

changes in topology, doors, portals opening and closing?

557

00:30:10,080 --> 00:30:13,020

It's very possible.

558

00:30:13,120 --> 00:30:16,420

According to geologists, the undersea magma source

559

00:30:16,520 --> 00:30:19,920

called the Hawaii hotspot continues to give birth

560

00:30:20,020 --> 00:30:22,300

to new volcanoes.

561

00:30:22,400 --> 00:30:25,100

And the volcanic rock produced by these volcanoes

562

00:30:25,200 --> 00:30:27,400

are rich in crystalline materials

563

00:30:27,500 --> 00:30:30,600

that are capable of producing electromagnetic materials.

564

00:30:30,700 --> 00:30:34,180

And they're also known as electromagnetic fields

565

00:30:34,280 --> 00:30:38,140

by means of what scientists refer to as the piezoelectric

566

00:30:38,240 --> 00:30:38,740

effect.

567

00:30:42,680 --> 00:30:48,920

If you have a region with an electric field anomaly,

568

00:30:49,020 --> 00:30:52,460

and if you can create strong enough electromagnetic

569

00:30:52,560 --> 00:30:54,800

phenomenon, you can perhaps change

570

00:30:54,900 --> 00:31:00,400

the geometry of spacetime, leading to portal-like phenomena.

571

00:31:00,400 --> 00:31:02,920

Offer the perfect conditions for the shifting

572

00:31:03,020 --> 00:31:07,660

of electromagnetic energy, conditions that could actually

573

00:31:07,760 --> 00:31:11,660

bend space and time, resulting in the creation

574

00:31:11,760 --> 00:31:14,100

of a time-space portal.

575

00:31:14,200 --> 00:31:16,640

According to many ancient astronaut theorists,

576

00:31:16,740 --> 00:31:20,180

the answer is a profound yes.

577

00:31:20,280 --> 00:31:23,980

Hawaii was the place where a lot of humanity and extraterrestrials

578

00:31:24,080 --> 00:31:26,980

were able to travel through to go to other places

579

00:31:27,080 --> 00:31:29,780

throughout the Pacific and the entire planet.

580

00:31:29,800 --> 00:31:31,900

And that's been happening for centuries, millennia,

581

00:31:32,000 --> 00:31:35,280

and it's even happening now.

582

00:31:35,380 --> 00:31:39,780

If the island of Hawaii once served as some sort of spaceport,

583

00:31:39,880 --> 00:31:42,920

a destination or extraterrestrial visitors

584

00:31:43,020 --> 00:31:46,020

were able to come by means of an interdimensional gateway

585

00:31:46,120 --> 00:31:51,660

or portal, could that portal still be operating today?

586

00:31:51,760 --> 00:31:55,640

Perhaps the answer can be found by examining the area located

587

00:31:55,740 --> 00:31:59,100

at the exact same latitude as Hawaii's biggest volcano.

588

00:32:00,780 --> 00:32:15,080

But located on another planet, Manaloa, the Big Island.

589

00:32:15,180 --> 00:32:19,720

This active volcano is one of the largest in the world

590

00:32:19,820 --> 00:32:23,720

and is estimated to have been erupting for at least 700,000

591

00:32:23,820 --> 00:32:25,160

years.

592

00:32:25,260 --> 00:32:28,860

Not far from Manaloa is the Kilauea hotspot.

593

00:32:28,920 --> 00:32:32,720

That continues to spew lava to this day.

594

00:32:32,820 --> 00:32:35,920

But perhaps the most significant aspect of Manaloa

595

00:32:36,020 --> 00:32:39,520

is its location on planet Earth.

596

00:32:39,620 --> 00:32:41,960

Now, one of the critical things to keep in mind

597

00:32:42,060 --> 00:32:45,560

is that the Manaloa volcano in particular

598

00:32:45,660 --> 00:32:52,440

is located at 19.47 latitude in the northern hemisphere.

599

00:32:52,540 --> 00:32:57,140

That area sitting on 19.47 is called Kilauea,

600

00:32:57,400 --> 00:33:01,000

which means pathway of the gods.

601

00:33:01,100 --> 00:33:03,600

According to ancient astronaut theorists,

602

00:33:03,700 --> 00:33:05,800

natural formations and structures

603

00:33:05,900 --> 00:33:09,180

found at a latitude of 19.5 degrees

604

00:33:09,280 --> 00:33:15,720

form a kind of a pattern, what some refer to as cosmic geometry.

605

00:33:15,820 --> 00:33:19,920

The pyramid of the sun at Teotihuacan is at 19.5 degrees.

606

00:33:20,020 --> 00:33:23,520

So is Easter Island, the hurricane belt.

607

00:33:23,640 --> 00:33:27,240

But most importantly, the Kilauea volcano in Hawaii

608

00:33:27,340 --> 00:33:30,880

is also located at 19.5 degrees.

609

00:33:30,980 --> 00:33:34,720

Perhaps even more profound than the pattern found here on Earth

610

00:33:34,820 --> 00:33:38,320

is the one found on other planets in our solar system.

611

00:33:38,420 --> 00:33:41,960

On Mars, for example, we find the Monza Olympus volcano,

612

00:33:42,060 --> 00:33:44,060

the largest volcano in our solar system,

613

00:33:44,160 --> 00:33:46,860

is located at 19.5 degrees.

614

00:33:46,960 --> 00:33:52,100

The giant red spot on Jupiter is at 19.5 degrees.

615

00:33:52,160 --> 00:33:55,320

Everything in the universe is geometric.

616

00:33:55,420 --> 00:34:00,160

Your physical body, physical cells, the tree, the buildings,

617

00:34:00,260 --> 00:34:02,760

everything is geometric.

618

00:34:02,860 --> 00:34:06,940

Sacred geometry is the pattern in which these geometries

619

00:34:07,040 --> 00:34:11,940

are organized according to ratios and proportions.

620

00:34:12,040 --> 00:34:14,740

Now, when you say something is organized,

621

00:34:14,840 --> 00:34:19,580

it implies that there is a cosmic intelligence behind it.

622

00:34:19,660 --> 00:34:23,080

One of the most important shapes in sacred geometry

623

00:34:23,180 --> 00:34:27,160

and one that also has a connection to the 19.5 latitude

624

00:34:27,260 --> 00:34:31,660

is the three-sided pyramid known as the tetrahedron.

625

00:34:31,760 --> 00:34:35,900

When you have two tetrahedrons inverted over one another,

626

00:34:36,000 --> 00:34:39,400

that forms a star tetrahedron.

627

00:34:39,500 --> 00:34:41,540

When we look at a star tetrahedron

628

00:34:41,640 --> 00:34:43,580

and where it fits inside of the sphere,

629

00:34:43,680 --> 00:34:45,740

the vertices of a star tetrahedron

630

00:34:45,760 --> 00:34:50,560

impact the sphere at 19.5 latitude, both north and south.

631

00:34:50,660 --> 00:34:53,240

And that is exactly where the big island of Hawaii

632

00:34:53,340 --> 00:34:57,440

is in relationship to the entire planet.

633

00:34:57,540 --> 00:34:59,640

Because of the planet's geometry,

634

00:34:59,740 --> 00:35:02,740

you're going to have hotspots that

635

00:35:02,840 --> 00:35:07,320

would be very strongly charged in such a way

636

00:35:07,420 --> 00:35:11,820

that you could use these hotspots to teleport

637

00:35:11,920 --> 00:35:14,860

from one point to the other.

638

00:35:14,920 --> 00:35:20,080

Or these hotspots could be used for intergalactic travel

639

00:35:20,180 --> 00:35:22,060

or interplanetary travel.

640

00:35:25,060 --> 00:35:27,560

Could sacred geometry support the notion

641

00:35:27,660 --> 00:35:31,800

that Hawaii is perfectly positioned to create portals?

642

00:35:31,900 --> 00:35:34,400

Portals that could not only offer shortcuts

643

00:35:34,500 --> 00:35:36,900

to other parts of the world, but also

644

00:35:37,000 --> 00:35:40,340

other parts of the universe.

645

00:35:40,440 --> 00:35:43,940

For many native Hawaiians and ancient astronaut theorists,

646

00:35:44,000 --> 00:35:47,660

the answer is a resounding yes.

647

00:35:47,760 --> 00:35:49,960

And they believe that these portals have made

648

00:35:50,060 --> 00:35:55,400

Hawaii a virtual hub of alien visitation, one that exists

649

00:35:55,500 --> 00:35:56,840

even to this day.

650

00:36:01,740 --> 00:36:08,540

Pahoa, Hawaii, June 27, 2014.

651

00:36:08,640 --> 00:36:11,840

Hawaiian noble Robert Kalihi Ohomalu,

652

00:36:11,900 --> 00:36:14,400

affectionately known as Uncle Robert,

653

00:36:14,500 --> 00:36:18,080

opens the Star Visitor Sanctuary, a dedicated landing

654

00:36:18,180 --> 00:36:22,640

site for extraterrestrials visiting the Earth.

655

00:36:22,740 --> 00:36:26,380

Until his death in 2015, Uncle Robert

656

00:36:26,480 --> 00:36:28,880

stood at the forefront of his people's efforts

657

00:36:28,980 --> 00:36:32,420

to maintain contact with the star beings who they believe

658

00:36:32,520 --> 00:36:37,220

are the Hawaiian people's true ancestors.

659

00:36:37,320 --> 00:36:39,860

Today, his dream continues.

660

00:36:39,920 --> 00:36:42,660

Thanks to the efforts of people like his nephew in law,

661

00:36:42,760 --> 00:36:44,280

Gary Hoffeld.

662

00:36:44,380 --> 00:36:47,220

Uncle Robert was considered to be the Kona Hiki of the area

663

00:36:47,320 --> 00:36:48,320

there.

664

00:36:48,420 --> 00:36:49,560

And there were other chiefs in the area,

665

00:36:49,660 --> 00:36:53,000

but amongst those chiefs, they came to Uncle Robert

666

00:36:53,100 --> 00:36:55,860

for guidance, and he was included in every decision

667

00:36:55,960 --> 00:36:57,700

they made.

668

00:36:57,800 --> 00:37:02,580

In June 2019, ancient astronaut theorists, David Childress,

669

00:37:02,680 --> 00:37:06,040

and Michael Sala, arrived in Pahoia.

670

00:37:06,140 --> 00:37:08,980

They are eager to get a personal tour of the sanctuary

671

00:37:09,040 --> 00:37:12,600

and to hear a firsthand account of its history, creation,

672

00:37:12,700 --> 00:37:14,200

and mission.

673

00:37:14,300 --> 00:37:16,540

Uncle Robert, he was the Prince of Peace,

674

00:37:16,640 --> 00:37:18,640

and he thought that he called them

675

00:37:18,740 --> 00:37:20,540

our space brothers and sisters.

676

00:37:20,640 --> 00:37:22,740

He thought they could certainly come down,

677

00:37:22,840 --> 00:37:25,480

and perhaps we should greet them with some aloha,

678

00:37:25,580 --> 00:37:28,080

and see what guns pointed at them like they might get someplace

679

00:37:28,180 --> 00:37:29,520

else in the world.

680

00:37:29,620 --> 00:37:33,720

So he was thinking that since the space visitors had

681

00:37:33,820 --> 00:37:36,420

originally come here to Hawaii, they would come back.

682

00:37:36,520 --> 00:37:37,220

Is that their idea?

683

00:37:37,320 --> 00:37:38,060

Yeah, yeah.

684

00:37:38,160 --> 00:37:38,860

OK.

685

00:37:38,860 --> 00:37:41,400

So you want to come out into the area we call the Star Visitor

686

00:37:41,500 --> 00:37:42,240

Sanctuary?

687

00:37:42,340 --> 00:37:43,900

This is the sanctuary here, right inside here?

688

00:37:44,000 --> 00:37:45,200

Yeah, yeah.

689

00:37:45,300 --> 00:37:47,400

Right here on the lava fields, huh?

690

00:37:47,500 --> 00:37:49,680

Yeah, yeah, yeah.

691

00:37:49,780 --> 00:37:53,180

Why did he choose this spot as the center for the Star Visitor

692

00:37:53,280 --> 00:37:54,280

Sanctuary right here?

693

00:37:54,380 --> 00:37:57,080

Well, the whole lava field creates

694

00:37:57,180 --> 00:37:58,920

a kind of new magnetic field out here,

695

00:37:59,020 --> 00:38:01,580

but this area was actually very special,

696

00:38:01,680 --> 00:38:06,360

and it could be a place for the star visitors to be welcomed,

697

00:38:06,460 --> 00:38:08,060

and that they would be given sanctuary

698

00:38:08,560 --> 00:38:11,360

because the Hawaii kingdom claims sovereignty

699

00:38:11,460 --> 00:38:15,300

to this whole land, and which would be the first time

700

00:38:15,400 --> 00:38:19,800

in modern history that a sovereign entity has granted

701

00:38:19,900 --> 00:38:24,200

extraterrestrials the right to land in peace and harmony.

702

00:38:24,300 --> 00:38:27,440

To many Hawaiians, the Star Visitor Sanctuary

703

00:38:27,540 --> 00:38:32,780

serves as an homage to their other worldly origins.

704

00:38:32,880 --> 00:38:36,080

But if a number of recent reports are true,

705

00:38:36,140 --> 00:38:40,280

could it already be receiving extraterrestrial visitors?

706

00:38:47,180 --> 00:38:50,180

Ancient astronaut theorists David Childress and Michael

707

00:38:50,280 --> 00:38:54,080

Sala are at the Star Visitor Sanctuary on Hawaii's Big

708

00:38:54,180 --> 00:38:55,320

Island.

709

00:38:55,420 --> 00:38:59,160

With them is Gary Hoffeld, a member of the lawful Hawaiian

710

00:38:59,260 --> 00:39:02,260

government who is involved in the sanctuary's founding

711

00:39:02,360 --> 00:39:05,600

and helps to oversee the site.

712

00:39:05,660 --> 00:39:10,360

So since you started this Star Visitor Sanctuary,

713

00:39:10,460 --> 00:39:14,300

has there been some unusual activities or incidents here

714

00:39:14,400 --> 00:39:15,700

of things you've seen?

715

00:39:15,800 --> 00:39:18,700

The day we set this up just before it got dark,

716

00:39:18,800 --> 00:39:20,440

several people were sitting out here,

717

00:39:20,540 --> 00:39:22,880

and up in the distance on the hill up here,

718

00:39:22,980 --> 00:39:25,380

they said they saw light orbs come out of the lava flow

719

00:39:25,480 --> 00:39:27,520

right there above the ridge, come across the sky

720

00:39:27,620 --> 00:39:29,720

and do a little bit of a hula, and then

721

00:39:29,820 --> 00:39:31,460

off into the distance shot off.

722

00:39:31,560 --> 00:39:35,020

And I mean, well, probably 30 people were here seeing it,

723

00:39:35,040 --> 00:39:37,520

and the next day the lava started flowing again.

724

00:39:37,620 --> 00:39:42,020

So they felt this was a sign from the Star Visitors

725

00:39:42,120 --> 00:39:43,920

that they were glad the Star Visitors were celebrating?

726

00:39:44,020 --> 00:39:46,860

Perhaps validation of what we're doing, perhaps coincidence.

727

00:39:46,960 --> 00:39:49,260

But I do believe that there's a portal hanging out

728

00:39:49,360 --> 00:39:52,100

in this particular area, opening to different places.

729

00:39:52,200 --> 00:39:53,200

And why not open here?

730

00:39:53,300 --> 00:39:54,700

Because we've opened a place to do it

731

00:39:54,800 --> 00:39:56,200

rather than someplace else.

732

00:39:56,300 --> 00:39:59,380

Well, this is a pretty amazing spot and quite fascinating.

733

00:39:59,480 --> 00:40:01,180

Thanks for bringing me here, Michael,

734

00:40:01,280 --> 00:40:02,940

and thank you, Gary, for all this.

735

00:40:03,040 --> 00:40:04,120

Oh, thank you.

736

00:40:04,180 --> 00:40:06,220

I'm glad to share.

737

00:40:06,320 --> 00:40:09,580

Could it be that the beings the native Hawaiians refer to

738

00:40:09,680 --> 00:40:12,520

as their star ancestors have come here to Earth

739

00:40:12,620 --> 00:40:16,460

by means of a space-time portal?

740

00:40:16,560 --> 00:40:21,300

For many ancient astronaut theorists, the answer is yes.

741

00:40:21,400 --> 00:40:24,400

And for them and for many Hawaiian natives,

742

00:40:24,500 --> 00:40:26,900

the Star Visitor Sanctuary represents

743

00:40:27,000 --> 00:40:30,180

an important step in their quest to make contact

744

00:40:30,280 --> 00:40:33,940

with extraterrestrial civilizations.

745

00:40:33,960 --> 00:40:37,840

The idea that Hawaii is building a welcome center

746

00:40:37,940 --> 00:40:40,300

for extraterrestrials is incredible

747

00:40:40,400 --> 00:40:46,040

because their entire legends are based on so-called star lure,

748

00:40:46,140 --> 00:40:50,520

that their origins are in the stars.

749

00:40:50,620 --> 00:40:53,180

They themselves have said that they

750

00:40:53,280 --> 00:40:58,220

are a direct offspring of the extraterrestrials,

751

00:40:58,320 --> 00:41:01,560

and they are yearning for their return.

752

00:41:04,000 --> 00:41:05,960

Among many Hawaiian groups, there's

753

00:41:06,060 --> 00:41:09,600

the belief that they were the original people.

754

00:41:09,700 --> 00:41:12,340

They were the kind of gateway for the gods

755

00:41:12,440 --> 00:41:15,940

to come and see the planet Earth with their progeny.

756

00:41:16,040 --> 00:41:19,080

And that's consistent with the idea

757

00:41:19,180 --> 00:41:23,680

that the Hawaiian Islands is a critical portal energy point

758

00:41:23,780 --> 00:41:26,720

for these extraterrestrials from distant star systems

759

00:41:26,820 --> 00:41:29,260

such as the Pleiades.

760

00:41:29,360 --> 00:41:33,620

It was a portal for the Pleiades to send their people

761

00:41:33,640 --> 00:41:35,780

to the Earth.

762

00:41:35,880 --> 00:41:37,520

These are ancient elders.

763

00:41:37,620 --> 00:41:39,280

These are ancient aliens.

764

00:41:39,380 --> 00:41:40,680

They were with us before.

765

00:41:40,780 --> 00:41:43,480

They are with us now, and will be for us forever.

766

00:41:43,580 --> 00:41:47,660

Till today, we're guided by them.

767

00:41:47,760 --> 00:41:50,660

Do the Hawaiian Islands offer a profound connection

768

00:41:50,760 --> 00:41:56,000

to the stars, a gateway through which extraterrestrials have

769

00:41:56,100 --> 00:42:00,140

been entering our world for centuries?

770

00:42:00,240 --> 00:42:01,940

Perhaps.

771

00:42:02,000 --> 00:42:06,140

But if such an audacious notion turns out to be true,

772

00:42:06,240 --> 00:42:08,700

how long will it be before we learn

773

00:42:08,800 --> 00:42:12,880

how to use these incredible portals for ourselves

774

00:42:12,980 --> 00:42:16,340

to take our own journeys to other worlds

775

00:42:16,440 --> 00:42:20,020

and to colonize the very universe?
