

1

00:00:00,000 --> 00:00:04,000

Mysterious orbs of life.

2

00:00:04,000 --> 00:00:06,000

Reagan says, I just saw a UFO.

3

00:00:06,000 --> 00:00:08,000

He's not just being crazy.

4

00:00:08,000 --> 00:00:10,000

He knows exactly what it is.

5

00:00:10,000 --> 00:00:12,000

Strange visions.

6

00:00:12,000 --> 00:00:17,000

George Washington sees this glowing, beautiful creature

7

00:00:17,000 --> 00:00:22,000

who describes the future history of the United States

8

00:00:22,000 --> 00:00:25,000

and glowing humanoid figures,

9

00:00:25,000 --> 00:00:29,000

all reported by presidents of the United States.

10

00:00:29,000 --> 00:00:33,000

We have an extraordinary series of stories,

11

00:00:33,000 --> 00:00:37,000

president after president after president,

12

00:00:37,000 --> 00:00:39,000

being associated with a side team.

13

00:00:39,000 --> 00:00:43,000

For decades, the White House has denied having any knowledge

14

00:00:43,000 --> 00:00:45,000

of alien craft visiting Earth.

15

00:00:45,000 --> 00:00:49,000

Even discussing UFOs tends to be viewed as a career anger.

16

00:00:49,000 --> 00:00:53,000

But is it possible that extraterrestrials have been monitoring

17

00:00:53,000 --> 00:00:57,000

and even influencing America's presidents?

18

00:00:57,000 --> 00:01:00,000

It's really hard for people to wrap their heads around the fact

19

00:01:00,000 --> 00:01:03,000

that there was all this ET contact going on.

20

00:01:03,000 --> 00:01:05,000

There's a line, you shall know the truth,

21

00:01:05,000 --> 00:01:08,000

and the truth shall set you free.

22

00:01:10,000 --> 00:01:15,000

There is a doorway in the universe.

23

00:01:15,000 --> 00:01:19,000

Beyond it is the promise of truth.

24

00:01:19,000 --> 00:01:24,000

It demands we question everything we have ever been taught.

25

00:01:24,000 --> 00:01:28,000

The evidence is all around us.

26

00:01:28,000 --> 00:01:32,000

The future is right before our eyes.

27

00:01:32,000 --> 00:01:35,000

We are not alone.

28

00:01:35,000 --> 00:01:38,000

We have never been alone.

29

00:01:46,000 --> 00:01:52,000

Osaka, Japan, July 1st, 2019.

30

00:01:52,000 --> 00:01:54,000

In a wide-ranging interview,

31

00:01:54,000 --> 00:01:57,000

Fox News commentator Tucker Carlson

32

00:01:57,000 --> 00:02:01,000

asks President Donald Trump his thoughts about UFOs.

33

00:02:01,000 --> 00:02:03,000

You gave an interview the other day

34

00:02:03,000 --> 00:02:06,000

in which you said you'd been briefed on unidentified flying objects.

35

00:02:06,000 --> 00:02:08,000

Are they real?

36

00:02:08,000 --> 00:02:10,000

Personally, I tend to doubt it.

37

00:02:10,000 --> 00:02:13,000

We have had people saying that they've seen things.

38

00:02:13,000 --> 00:02:17,000

I don't assume it's correct, but I have an open mind, Tucker.

39

00:02:17,000 --> 00:02:21,000

To UFO experts, the president's response

40

00:02:21,000 --> 00:02:23,000

raises a key question.

41

00:02:23,000 --> 00:02:26,000

If U.S. intelligence officials have secret knowledge

42

00:02:26,000 --> 00:02:30,000

of alien visitations, are American presidents informed

43

00:02:30,000 --> 00:02:32,000

or kept in the dark?

44

00:02:32,000 --> 00:02:37,000

In August 2019, former British Ministry of Defense

45

00:02:37,000 --> 00:02:39,000

UFO investigator Nick Pope

46

00:02:39,000 --> 00:02:43,000

posed this question to Tucker Carlson.

47

00:02:43,000 --> 00:02:46,000

Do you think he knows more than he's letting on,

48

00:02:46,000 --> 00:02:48,000

or do you think, as some people say,

49

00:02:48,000 --> 00:02:50,000

even the president doesn't know?

50

00:02:50,000 --> 00:02:55,000

The question was that the president does know more than he said.

51

00:02:55,000 --> 00:03:01,000

Once in office, every president has become mum on the subject.

52

00:03:01,000 --> 00:03:05,000

And what it tells you is they likely know something

53

00:03:05,000 --> 00:03:08,000

that they've decided to keep from the public.

54

00:03:08,000 --> 00:03:10,000

Look, I don't know what they know,

55

00:03:10,000 --> 00:03:13,000

and so perhaps they have a good reason to lie to the public about it,

56

00:03:13,000 --> 00:03:16,000

but I doubt it.

57

00:03:16,000 --> 00:03:20,000

Once later, as the 2020 election year begins to heat up,

58

00:03:20,000 --> 00:03:23,000

several of Donald Trump's presidential challengers

59

00:03:23,000 --> 00:03:26,000

are asked by New Hampshire-based reporter Damon Steer

60

00:03:26,000 --> 00:03:28,000

of the Conway Daily Sun

61

00:03:28,000 --> 00:03:32,000

about where he or she stands on the issue of UFOs

62

00:03:32,000 --> 00:03:34,000

and government disclosure.

63

00:03:34,000 --> 00:03:36,000

It's very unlikely that we're alone in the universe.

64

00:03:36,000 --> 00:03:39,000

One of the things that president could do

65

00:03:39,000 --> 00:03:44,000

is to look into what's there in terms of what does the science say,

66

00:03:44,000 --> 00:03:46,000

what does our military say?

67

00:03:46,000 --> 00:03:49,000

Of course we have to explore that and look at that definitely.

68

00:03:49,000 --> 00:03:52,000

Many people would be surprised to discover

69

00:03:52,000 --> 00:03:55,000

that 36% of all U.S. presidents

70

00:03:55,000 --> 00:04:01,000

have had encounters with unidentified or unexplained UFO phenomena.

71

00:04:01,000 --> 00:04:03,000

This, according to a recent poll,

72

00:04:03,000 --> 00:04:05,000

is a full 20 points higher

73

00:04:05,000 --> 00:04:10,000

than the number of similar encounters experienced by average Americans.

74

00:04:11,000 --> 00:04:14,000

We have an extraordinary series of stories,

75

00:04:14,000 --> 00:04:17,000

president after president after president,

76

00:04:17,000 --> 00:04:22,000

either seeing a UFO, commenting on a UFO,

77

00:04:22,000 --> 00:04:25,000

being associated with a sighting.

78

00:04:25,000 --> 00:04:29,000

It's not something that just flashed in American culture briefly.

79

00:04:29,000 --> 00:04:31,000

We could date it back to 1800.

80

00:04:31,000 --> 00:04:33,000

We could date it earlier than that.

81

00:04:33,000 --> 00:04:36,000

This is not a new phenomenon.

82

00:04:36,000 --> 00:04:39,000

Presidents throughout history have been encountering this

83

00:04:39,000 --> 00:04:43,000

during almost the entire history of the American nation.

84

00:04:43,000 --> 00:04:47,000

Could aliens be trying to steer the destiny of America

85

00:04:47,000 --> 00:04:50,000

by influencing its presidents?

86

00:04:50,000 --> 00:04:52,000

Perhaps the answer can be found

87

00:04:52,000 --> 00:04:56,000

by examining the very first presidential encounter on record.

88

00:04:59,000 --> 00:05:02,000

Valley Forge, Pennsylvania.

89

00:05:02,000 --> 00:05:06,000

Winter, 1777.

90

00:05:07,000 --> 00:05:10,000

Amid freezing conditions, epidemic disease,

91

00:05:10,000 --> 00:05:14,000

and shortages of food, clothing and supplies,

92

00:05:14,000 --> 00:05:17,000

General George Washington's Continental Army

93

00:05:17,000 --> 00:05:19,000

faces possible destruction.

94

00:05:19,000 --> 00:05:24,000

In late 1777, George Washington was kind of at his lowest point.

95

00:05:24,000 --> 00:05:28,000

The Continental Army had been driven out of the National Capitol of Philadelphia

96

00:05:28,000 --> 00:05:31,000

to a winter encampment at Valley Forge.

97

00:05:31,000 --> 00:05:35,000

There was an optimism that they would eventually be able to push the British

98

00:05:35,000 --> 00:05:37,000

out of Philadelphia,

99

00:05:37,000 --> 00:05:44,000

but that optimism was dim and bleak in December 1777 at Valley Forge.

100

00:05:44,000 --> 00:05:49,000

Years later, an aide to General Washington revealed what happened next.

101

00:05:51,000 --> 00:05:55,000

Washington went out into the woods at Valley Forge to pray,

102

00:05:55,000 --> 00:06:00,000

and he saw this image of the spirit,

103

00:06:00,000 --> 00:06:04,000

garb and white, that assured him, you will win this war,

104

00:06:04,000 --> 00:06:08,000

and the spirit laid out for Washington the history

105

00:06:08,000 --> 00:06:11,000

of what would be the United States of America.

106

00:06:11,000 --> 00:06:15,000

After this meeting, Washington was invigorated.

107

00:06:15,000 --> 00:06:20,000

He was inspired, and he realized this is divine fate

108

00:06:20,000 --> 00:06:23,000

for the United States to exist,

109

00:06:23,000 --> 00:06:26,000

but he first had to defeat the British, which he did.

110

00:06:27,000 --> 00:06:33,000

Could George Washington really have had an otherworldly visitation at Valley Forge?

111

00:06:33,000 --> 00:06:39,000

If so, he isn't the only founding father associated with an alien encounter.

112

00:06:40,000 --> 00:06:46,000

In 1801, Thomas Jefferson filed one of the country's first official UFO reports

113

00:06:46,000 --> 00:06:51,000

after astronomer William Dunbar told him about an unexplained aerial sighting

114

00:06:51,000 --> 00:06:53,000

at Baton Rouge, Louisiana.

115

00:06:54,000 --> 00:06:58,000

In his report, Jefferson wrote of a fast-moving luminous object

116

00:06:58,000 --> 00:07:05,000

about 70 to 80 feet long that flew by at about 200 yards above the ground.

117

00:07:05,000 --> 00:07:08,000

After it disappeared over the horizon,

118

00:07:08,000 --> 00:07:12,000

the witnesses heard a tremendous impact in a nearby forest.

119

00:07:13,000 --> 00:07:19,000

Upon investigating, they found a crash site where everything had been burned and scorched.

120

00:07:20,000 --> 00:07:23,000

Thomas Jefferson, when he was vice president,

121

00:07:23,000 --> 00:07:29,000

wrote up an official report of a UFO sighting that had happened in Baton Rouge.

122

00:07:29,000 --> 00:07:33,000

He wrote it up for the American Philosophical Association.

123

00:07:33,000 --> 00:07:38,000

So that arguably is the first case where someone who would go on to be president

124

00:07:38,000 --> 00:07:41,000

made an official UFO report.

125

00:07:42,000 --> 00:07:47,000

The American Philosophical Society was founded by Benjamin Franklin,

126

00:07:47,000 --> 00:07:50,000

who, like Thomas Jefferson, openly expressed his belief

127

00:07:50,000 --> 00:07:54,000

in the existence of intelligent extraterrestrial life.

128

00:07:55,000 --> 00:08:00,000

The founding father's worldview accommodated the idea that there would be people in other worlds.

129

00:08:00,000 --> 00:08:07,000

And that was principled upon this idea that you cannot limit God's creativity

130

00:08:07,000 --> 00:08:09,000

just to the world that you observe.

131

00:08:09,000 --> 00:08:15,000

They literally had a vision of not just the world where we live, but the world beyond it.

132

00:08:15,000 --> 00:08:21,000

And that world beyond theirs was populated by extraterrestrials.

133

00:08:23,000 --> 00:08:27,000

Could the founding fathers have been aware of an otherworldly presence

134

00:08:27,000 --> 00:08:31,000

that was helping to ensure the success of the American experiment?

135

00:08:32,000 --> 00:08:35,000

Ancient astronaut theorists say yes,

136

00:08:35,000 --> 00:08:41,000

and suggest that so too was the man who took office at another crucial moment in the nation's history.

137

00:08:42,000 --> 00:08:44,000

Abraham Lincoln.

138

00:08:45,000 --> 00:08:51,000

On April 14th, 1865, just hours before he would be assassinated,

139

00:08:51,000 --> 00:08:56,000

President Lincoln made a shocking admission to General Ulysses S. Grant.

140

00:08:57,000 --> 00:09:04,000

Lincoln met with Grant, who was awaiting news from General Sherman about a battle in North Carolina.

141

00:09:04,000 --> 00:09:08,000

And Lincoln assured General Grant that news would come and it would be positive.

142

00:09:08,000 --> 00:09:14,000

And Lincoln told him that on the eve of every great battle, antietam, getisburg, bull run,

143

00:09:14,000 --> 00:09:16,000

he had the same dream.

144

00:09:16,000 --> 00:09:23,000

He was in some kind of indescribable vessel that he was sailing at a very rapid pace.

145

00:09:23,000 --> 00:09:30,000

And that this in fact led him to understand that this would be a positive outcome for the Union forces

146

00:09:30,000 --> 00:09:32,000

and lead to the doom of the Confederacy.

147

00:09:33,000 --> 00:09:38,000

It's almost as if at these pivotal turning points in human history,

148

00:09:38,000 --> 00:09:44,000

the President has shown how the United States will ultimately triumph.

149

00:09:44,000 --> 00:09:48,000

It's a sort of galactic manifest destiny.

150

00:09:49,000 --> 00:09:54,000

For many, UFO sightings and strange encounters reported by U.S. presidents

151

00:09:54,000 --> 00:09:57,000

may seem like little more than frivolous trivia.

152

00:09:58,000 --> 00:10:04,000

But could such events indicate that there is an unseen hand guiding the course of the nation?

153

00:10:04,000 --> 00:10:08,000

And if so, where is it leading us?

154

00:10:14,000 --> 00:10:16,000

Oyster Bay, Long Island.

155

00:10:18,000 --> 00:10:20,000

August 1st, 1907.

156

00:10:22,000 --> 00:10:27,000

At the estate of Theodore Roosevelt, the 26th President of the United States,

157

00:10:27,000 --> 00:10:33,000

a giant orb of light is witnessed by dozens of neighbors hovering in the sky for nearly two hours.

158

00:10:35,000 --> 00:10:41,000

In 1907, there was a spectacular UFO sighting over Sagmore Hill,

159

00:10:41,000 --> 00:10:45,000

one of the residences of President Teddy Roosevelt.

160

00:10:46,000 --> 00:10:52,000

Now, Roosevelt at the time was working on a critically important speech.

161

00:10:52,000 --> 00:10:58,000

And in this speech, he would set out a strategic vision for the United States

162

00:10:58,000 --> 00:11:05,000

to develop a truly modern navy that would propel the United States

163

00:11:05,000 --> 00:11:08,000

into the position of a global superpower.

164

00:11:08,000 --> 00:11:12,000

As a part of his vision, Roosevelt wanted to develop Pearl Harbor.

165

00:11:12,000 --> 00:11:17,000

It could be said that were it not for Roosevelt realizing that vision for the future of the nation,

166

00:11:17,000 --> 00:11:23,000

that American intervention in the First World War might not have been as significant as it was.

167

00:11:24,000 --> 00:11:30,000

So, were the UFOs, were the strange lights over Sagmore Hill?

168

00:11:30,000 --> 00:11:36,000

At the same time, Theodore Roosevelt was coming up with this vision of a world consortium of nations.

169

00:11:36,000 --> 00:11:38,000

Are they somehow linked?

170

00:11:40,000 --> 00:11:47,000

Researchers find this incident compelling, not only because it is connected with a U.S. president at a critical moment in history,

171

00:11:47,000 --> 00:11:54,000

but also because reports of UFO sightings were incredibly rare at the beginning of the 20th century.

172

00:11:54,000 --> 00:11:58,000

After World War II, however, this was no longer the case.

173

00:11:58,000 --> 00:12:04,000

And it happened under the watch of the country's 33rd president, Harry S. Truman.

174

00:12:05,000 --> 00:12:12,000

The Truman administration was really the golden years of flying saucers as they were known then.

175

00:12:13,000 --> 00:12:18,000

You had Kenneth Arnold sighting. You had Roswell.

176

00:12:18,000 --> 00:12:24,000

But then the great incident was the Great Washington merry-go-round,

177

00:12:24,000 --> 00:12:34,000

where in two weekends in July 1952, Washington, D.C. was overrun with strange objects

178

00:12:34,000 --> 00:12:41,000

that were tracked by the radar at National Airport and radar at Andrews Air Force Base.

179

00:12:42,000 --> 00:12:47,000

This is David Brinkley in the radar room at Washington National Airport.

180

00:12:47,000 --> 00:12:54,000

On these radar screens last Saturday, they saw something strange and unusual, and at the moment unexplainable.

181

00:12:54,000 --> 00:12:59,000

It was not an airplane. It was not a cloud. Nobody knows what it was.

182

00:13:00,000 --> 00:13:03,000

The second weekend, jets were scramble.

183

00:13:03,000 --> 00:13:12,000

And one pilot called and said, what should I do, meaning should I fire on them?

184

00:13:12,000 --> 00:13:18,000

And the strange objects all of a sudden backed off and disappeared.

185

00:13:19,000 --> 00:13:25,000

When President Truman was questioned about UFO incidents like the Washington, D.C. sightings,

186

00:13:25,000 --> 00:13:30,000

he remarkably did not deny the possibility of flying saucers.

187

00:13:31,000 --> 00:13:35,000

Oh yes, we discussed it at every conference that we had with the military,

188

00:13:35,000 --> 00:13:40,000

and they never were able to make me a concrete report on it.

189

00:13:40,000 --> 00:13:44,000

There's always things like that going on at a flying saucer.

190

00:13:44,000 --> 00:13:50,000

Many researchers point out that it was at this point in history, the dawn of the Cold War,

191

00:13:50,000 --> 00:13:57,000

that Truman established a policy of government secrecy that has come to be known as the National Security State.

192

00:13:57,000 --> 00:14:05,000

President Truman really sends us down the path to the modern security state with the National Security Act 1947.

193

00:14:05,000 --> 00:14:11,000

It created the National Security Council, and it created the Central Intelligence Agency.

194

00:14:11,000 --> 00:14:16,000

Truman is responding to what is now the oncoming Cold War,

195

00:14:16,000 --> 00:14:22,000

this new conflict that will dominate our global politics for the next five decades.

196

00:14:23,000 --> 00:14:27,000

Whatever Truman's motivation for drastically increasing government secrecy,

197

00:14:27,000 --> 00:14:31,000

the topic of UFOs was caught in the web.

198

00:14:31,000 --> 00:14:34,000

UFOs were something that people were experiencing,

199

00:14:34,000 --> 00:14:39,000

and right at the moment when it appears that that activity is kind of reaching ahead,

200

00:14:39,000 --> 00:14:42,000

suddenly we have the creation of the modern National Security State.

201

00:14:42,000 --> 00:14:46,000

Truman clamps down on the open discussion of such things.

202

00:14:46,000 --> 00:14:49,000

That's a critical moment in history.

203

00:14:49,000 --> 00:14:54,000

Truman made a decision that was fateful, and had he gone a different way,

204

00:14:54,000 --> 00:14:56,000

it would have changed the entire 20th century.

205

00:14:56,000 --> 00:15:01,000

When we look at the relationship between presidents and UFOs,

206

00:15:01,000 --> 00:15:07,000

we can split this into two categories, the historic sightings and encounters.

207

00:15:07,000 --> 00:15:11,000

Washington, Lincoln, Teddy Roosevelt.

208

00:15:11,000 --> 00:15:14,000

Say that there's almost a benign element here.

209

00:15:14,000 --> 00:15:19,000

It's almost as if the United States is being guided and helped.

210

00:15:19,000 --> 00:15:26,000

But then the development of atomic weapons seemed to be the ultimate game changer.

211

00:15:29,000 --> 00:15:32,000

Palm Springs, California.

212

00:15:32,000 --> 00:15:37,000

February 20th, 1954.

213

00:15:37,000 --> 00:15:41,000

Harry Truman's successor, President Dwight D. Eisenhower,

214

00:15:41,000 --> 00:15:47,000

is on a golfing vacation when he fails to show up for a scheduled public dinner.

215

00:15:47,000 --> 00:15:53,000

The press corps is given no explanation until the president finally reappears the next day,

216

00:15:53,000 --> 00:16:00,000

at which time his staff announces that he had been at an emergency dentist's appointment for a chip tooth.

217

00:16:00,000 --> 00:16:08,000

But curiously, Eisenhower's medical and dental records contain no reference to this dentist visit.

218

00:16:08,000 --> 00:16:13,000

Eisenhower goes to Palm Springs and he actually disappears.

219

00:16:13,000 --> 00:16:16,000

There's no doubt about this, from the presidential records.

220

00:16:16,000 --> 00:16:19,000

It's really an astounding story.

221

00:16:19,000 --> 00:16:23,000

He secreted out to this Air Force base where he meets with aliens,

222

00:16:23,000 --> 00:16:27,000

and he and the alien strike up a treaty.

223

00:16:27,000 --> 00:16:29,000

Here's the treaty.

224

00:16:29,000 --> 00:16:32,000

You can stay in our skies, surveil us.

225

00:16:32,000 --> 00:16:34,000

You can study us.

226

00:16:34,000 --> 00:16:43,000

In return, we want all of your technology, and we agree not to disclose your existence.

227

00:16:43,000 --> 00:16:49,000

Why? Because this is after the 1952 invasion of UFOs over Washington,

228

00:16:49,000 --> 00:16:54,000

so there's an urgency to Eisenhower striking a treaty with them.

229

00:16:54,000 --> 00:17:00,000

Numerous whistleblowers later came forward, claiming that Eisenhower met with extraterrestrial beings,

230

00:17:00,000 --> 00:17:05,000

not just once, but three times.

231

00:17:05,000 --> 00:17:10,000

And many who have researched these events, including Eisenhower's own great-granddaughter,

232

00:17:10,000 --> 00:17:14,000

are convinced a treaty was actually signed.

233

00:17:14,000 --> 00:17:18,000

I just feel like I was just born into this family to be the one willing to tackle it,

234

00:17:18,000 --> 00:17:22,000

willing to give it a voice, willing to kind of disseminate it,

235

00:17:22,000 --> 00:17:27,000

and I know it's really hard for people to wrap their heads around the fact that during Eisenhower's administration,

236

00:17:27,000 --> 00:17:32,000

there was all this contact going on, and it's gotten to the point where there's so much information about it

237

00:17:32,000 --> 00:17:35,000

that it really can't be denied.

238

00:17:35,000 --> 00:17:42,000

Is it possible that after World War II and humankind's development of atomic weapons,

239

00:17:42,000 --> 00:17:48,000

alien visitors communicated directly with officials within the United States government,

240

00:17:48,000 --> 00:17:54,000

perhaps even presidents Harry Truman and Dwight Eisenhower?

241

00:17:54,000 --> 00:18:01,000

Ufologists say yes, and suggest further evidence of communication between extraterrestrials and the White House

242

00:18:01,000 --> 00:18:09,000

can be found by examining a strange incident that involved President Richard Nixon and an alien body.

243

00:18:14,000 --> 00:18:16,000

Lauder Hill, Florida.

244

00:18:16,000 --> 00:18:19,000

January 1973.

245

00:18:19,000 --> 00:18:25,000

37th President of the United States, Richard Nixon, is entering his fifth year in office,

246

00:18:25,000 --> 00:18:30,000

mired in a seemingly never-ending military conflict in Southeast Asia.

247

00:18:30,000 --> 00:18:33,000

Richard Nixon was under a great deal of pressure by 1973.

248

00:18:33,000 --> 00:18:38,000

He was heralded into office with the recognition that he would be our savior from Vietnam.

249

00:18:38,000 --> 00:18:42,000

He gets into office basically promising the American people that I'm going to get you out of that.

250

00:18:42,000 --> 00:18:44,000

But I do promise action.

251

00:18:44,000 --> 00:18:49,000

A new policy for peace abroad, a new policy for peace and progress and justice at home.

252

00:18:51,000 --> 00:18:53,000

And then what does he do when he gets into office?

253

00:18:53,000 --> 00:18:56,000

He expands the military mission in Vietnam.

254

00:18:57,000 --> 00:19:01,000

To escape the daily rigors of his tumultuous presidency,

255

00:19:01,000 --> 00:19:05,000

Nixon schedules a golf outing with his friend Jackie Gleason,

256

00:19:05,000 --> 00:19:11,000

the famous actor and comedian who starred in the 1950s hit TV series The Honeymooners.

257

00:19:11,000 --> 00:19:15,000

Nixon and Jackie Gleason, they were very good friends

258

00:19:15,000 --> 00:19:19,000

and frequently played golf together in Florida, usually.

259

00:19:20,000 --> 00:19:25,000

And Nixon knew that Jackie Gleason was known to be a very big UFO buff.

260

00:19:25,000 --> 00:19:30,000

He had probably one of the largest libraries on the subject in the world at that time.

261

00:19:31,000 --> 00:19:36,000

His house was designed to look like a UFO and same with his guest house.

262

00:19:37,000 --> 00:19:42,000

He was always asking Nixon questions and Nixon disclosed a lot to him.

263

00:19:44,000 --> 00:19:49,000

According to an article written by Beverly Gleason, who was Jackie Gleason's wife at the time,

264

00:19:49,000 --> 00:19:54,000

the actor's golf outing with the president led to an extraordinary experience.

265

00:19:56,000 --> 00:20:01,000

Hours after Gleason returned home, a limousine arrived unannounced.

266

00:20:03,000 --> 00:20:04,000

Who's in the car?

267

00:20:04,000 --> 00:20:06,000

It's President Richard Nixon.

268

00:20:06,000 --> 00:20:09,000

And by the way, there's no secret service.

269

00:20:10,000 --> 00:20:13,000

He tells Gleason to climb in. This is your dream.

270

00:20:15,000 --> 00:20:17,000

They drive to an Air Force base in Florida.

271

00:20:18,000 --> 00:20:20,000

And what does Nixon show Gleason?

272

00:20:21,000 --> 00:20:27,000

He shows him alien artifacts, pieces of a UFO,

273

00:20:28,000 --> 00:20:32,000

and a dead alien in cold storage.

274

00:20:34,000 --> 00:20:38,000

When he got home, he told his wife all about it, what he had seen,

275

00:20:39,000 --> 00:20:42,000

and how Nixon had taken him there, and he told other people.

276

00:20:43,000 --> 00:20:48,000

I actually got the interview with Beverly Gleason. We actually interviewed her.

277

00:20:48,000 --> 00:20:49,000

She stayed to the story.

278

00:20:50,000 --> 00:20:53,000

Jackie was very shaken up when he came home after this thing,

279

00:20:53,000 --> 00:20:57,000

and it was very angry when she made public the fact that he had seen these bodies.

280

00:20:58,000 --> 00:21:02,000

This is extremely important because it indicates that almost certainly Nixon

281

00:21:02,000 --> 00:21:05,000

was fully briefed on the ETS ship.

282

00:21:06,000 --> 00:21:10,000

And if the president wants to go see an ET body by God, he's going to get to see one.

283

00:21:11,000 --> 00:21:13,000

And if he's got Jackie Gleason with him, fine.

284

00:21:14,000 --> 00:21:18,000

When his ex-wife's story was published in 1983,

285

00:21:18,000 --> 00:21:22,000

67-year-old Gleason remained silent about it.

286

00:21:22,000 --> 00:21:24,000

So too did Nixon.

287

00:21:24,000 --> 00:21:28,000

Is it possible that the incredible story is true?

288

00:21:29,000 --> 00:21:33,000

UFO historians suggest that Nixon's actions led to a clampdown

289

00:21:33,000 --> 00:21:36,000

on the information shared with future presidents

290

00:21:36,000 --> 00:21:39,000

and what they were allowed to say publicly.

291

00:21:44,000 --> 00:21:45,000

Leary, Georgia.

292

00:21:47,000 --> 00:21:49,000

October, 1969.

293

00:21:51,000 --> 00:21:53,000

Attendees of a local Lions Club meeting

294

00:21:53,000 --> 00:21:56,000

spot a mysterious object hovering in the night sky.

295

00:21:58,000 --> 00:22:03,000

Among the witnesses is future president of the United States, Jimmy Carter.

296

00:22:03,000 --> 00:22:07,000

At the time, Jimmy Carter was standing outside with a group of men,

297

00:22:07,000 --> 00:22:13,000

and they saw a great orb in the sky.

298

00:22:13,000 --> 00:22:20,000

Something very unusual that changed color from orange to a bluish color and back again

299

00:22:20,000 --> 00:22:23,000

and grew in size.

300

00:22:24,000 --> 00:22:29,000

Nearly four years later, Carter remained so intrigued by what he witnessed

301

00:22:29,000 --> 00:22:33,000

that he filed an official report with the National Investigation Committee

302

00:22:33,000 --> 00:22:36,000

on Aerial Phenomenon or NICAP.

303

00:22:37,000 --> 00:22:42,000

Jimmy Carter, when he was running for president, he had made the promise,

304

00:22:42,000 --> 00:22:45,000

if I become president, I will release all the files.

305

00:22:46,000 --> 00:22:51,000

What happened? He was elected president, and then he walked it back.

306

00:22:51,000 --> 00:22:55,000

And he said, well, maybe there are some UFO sightings

307

00:22:55,000 --> 00:22:58,000

that have national security implications,

308

00:22:58,000 --> 00:23:02,000

and perhaps not everything can be released.

309

00:23:02,000 --> 00:23:05,000

The question is what role have presidents played

310

00:23:05,000 --> 00:23:09,000

in maintaining this truth embargo, authorizing it and so forth?

311

00:23:10,000 --> 00:23:14,000

Well, that's somewhat dependent upon whether they were briefed or not.

312

00:23:15,000 --> 00:23:19,000

Truman was briefed on everything that happened in Roswell and anything else, ET related.

313

00:23:19,000 --> 00:23:22,000

Eisenhower absolutely would have been briefed in full.

314

00:23:22,000 --> 00:23:25,000

Kennedy, maybe not.

315

00:23:25,000 --> 00:23:29,000

Nixon, we think was briefed. Carter, Stonewall, and so forth.

316

00:23:29,000 --> 00:23:32,000

One of the stories that's been flowed around the UFO community is that

317

00:23:32,000 --> 00:23:37,000

the Democrats don't get a proper briefing because they don't have the connection to the military,

318

00:23:37,000 --> 00:23:40,000

the way the Republicans, the Republicans no more.

319

00:23:40,000 --> 00:23:43,000

So, stories always been that Jimmy Carter didn't get told anything,

320

00:23:43,000 --> 00:23:48,000

Bill Clinton didn't get told anything, but Ford, Reagan, and Bush all knew what was going on.

321

00:23:51,000 --> 00:23:58,000

Is it possible that there is a party bias when it comes to what an incoming president is told about the UFO phenomenon?

322

00:23:59,000 --> 00:24:03,000

Or could Jimmy Carter have been denied access to government UFO files

323

00:24:03,000 --> 00:24:07,000

because he had promised to release them to the public during his campaign?

324

00:24:08,000 --> 00:24:14,000

Perhaps further clues can be found by examining what happened to a presidential candidate

325

00:24:14,000 --> 00:24:17,000

after he admitted to his own UFO sighting.

326

00:24:17,000 --> 00:24:20,000

Did you see a UFO?

327

00:24:24,000 --> 00:24:27,000

Philadelphia, Pennsylvania.

328

00:24:27,000 --> 00:24:30,000

October 31st, 2007.

329

00:24:32,000 --> 00:24:35,000

During the Democratic primary debate at Drexel University,

330

00:24:36,000 --> 00:24:41,000

moderator Tim Russert turns and addresses presidential candidate Dennis Kucinich.

331

00:24:41,000 --> 00:24:44,000

Congressman Kucinich, a serious question, Shirley McClain,

332

00:24:44,000 --> 00:24:51,000

writes in her new book that you sighted a UFO over her home in Washington state

333

00:24:51,000 --> 00:24:56,000

that you found the encounter extremely moving, that it was a triangular craft.

334

00:24:56,000 --> 00:24:59,000

Now, did you see a UFO?

335

00:25:00,000 --> 00:25:03,000

I did, and the rest of the account,

336

00:25:03,000 --> 00:25:06,000

it was an unidentified flying object, okay?

337

00:25:06,000 --> 00:25:09,000

It's like it's unidentified. I saw something.

338

00:25:09,000 --> 00:25:14,000

Now, and also you have to keep in mind that more, that Jimmy Carter saw a UFO

339

00:25:14,000 --> 00:25:19,000

and also that more people in this country have seen UFOs

340

00:25:19,000 --> 00:25:22,000

and I think approve of George Bush's presidency.

341

00:25:22,000 --> 00:25:25,000

The debate moment made national headlines.

342

00:25:26,000 --> 00:25:31,000

Many political commentators speculated that this admission damaged his campaign.

343

00:25:31,000 --> 00:25:37,000

I think for most people it's been the notion that you are even discussing UFOs

344

00:25:37,000 --> 00:25:40,000

tends to be viewed as a career ender.

345

00:25:40,000 --> 00:25:46,000

You know, people think you're a little bit wacky if you're taking the phenomena seriously.

346

00:25:46,000 --> 00:25:50,000

But just what did Dennis Kucinich experience?

347

00:25:55,000 --> 00:25:57,000

Seattle, Washington.

348

00:25:58,000 --> 00:26:01,000

February, 2020.

349

00:26:03,000 --> 00:26:07,000

Former British Ministry of Defense UFO investigator Nick Pope

350

00:26:07,000 --> 00:26:13,000

has arranged to meet with Dennis Kucinich at the location of his 1982 UFO encounter,

351

00:26:13,000 --> 00:26:18,000

the former home of Academy Award-winning actress Shirley McClain.

352

00:26:18,000 --> 00:26:23,000

The home, which has since been sold, overlooks Mount Rainier.

353

00:26:23,000 --> 00:26:27,000

The sight of the infamous Kenneth Arnold Flying Saucer incident

354

00:26:27,000 --> 00:26:30,000

that ignited the UFO craze in 1947.

355

00:26:31,000 --> 00:26:33,000

Hey there, welcome.

356

00:26:33,000 --> 00:26:37,000

The current owner agreed to allow Nick and Dennis to take a look around.

357

00:26:37,000 --> 00:26:38,000

Come on in.

358

00:26:38,000 --> 00:26:39,000

Thank you.

359

00:26:40,000 --> 00:26:41,000

Wow.

360

00:26:41,000 --> 00:26:42,000

Yeah, really?

361

00:26:44,000 --> 00:26:45,000

What a fabulous view.

362

00:26:45,000 --> 00:26:47,000

Oh, look, there's nothing like this.

363

00:26:47,000 --> 00:26:51,000

This is, of course, the location where you had your UFO sighting.

364

00:26:51,000 --> 00:26:53,000

Can you tell me about it?

365

00:26:53,000 --> 00:26:58,000

Well, Nick, I was seated at a dinner table with myself and two friends.

366

00:26:58,000 --> 00:27:03,000

And I noticed a light in the distance came from the hill directly over the house.

367

00:27:03,000 --> 00:27:04,000

Come on, let me show you, okay?

368

00:27:04,000 --> 00:27:05,000

Okay.

369

00:27:08,000 --> 00:27:10,000

So I was standing out here.

370

00:27:10,000 --> 00:27:11,000

The scope was here.

371

00:27:11,000 --> 00:27:18,000

I brought it up here so that I could get a look at the light.

372

00:27:18,000 --> 00:27:21,000

And when I looked at it, I saw it wasn't just one light.

373

00:27:21,000 --> 00:27:23,000

It was a series of lights, like a grid.

374

00:27:23,000 --> 00:27:25,000

One stacked on another.

375

00:27:25,000 --> 00:27:27,000

I went back and I looked.

376

00:27:27,000 --> 00:27:30,000

And then I saw something that was extraordinary.

377

00:27:30,000 --> 00:27:32,000

I said, the lights were separating.

378

00:27:32,000 --> 00:27:34,000

They were definitely moving in this direction.

379

00:27:34,000 --> 00:27:43,000

So at that point, came right to the edge here, and I looked out into the hills to watch what proved to be three crafts moving in this direction.

380

00:27:43,000 --> 00:27:49,000

Just to be clear, first scene over there to directly over the house.

381

00:27:49,000 --> 00:27:55,000

Right, right in the hills, in the distance, and then in a straight line.

382

00:27:55,000 --> 00:28:06,000

That straight line would just go right overhead here and then above the house and then quickly accelerating out of sight.

383

00:28:06,000 --> 00:28:08,000

Just like that, gone.

384

00:28:08,000 --> 00:28:10,000

And that was the last you saw at the time.

385

00:28:10,000 --> 00:28:11,000

Oh, yeah.

386

00:28:12,000 --> 00:28:17,000

The next day, Kucinich described the experience to Shirley McClain.

387

00:28:17,000 --> 00:28:21,000

He would say nothing more about it for 26 years.

388

00:28:21,000 --> 00:28:35,000

And then, when running for the Democratic nomination in 2008, his private UFO sighting would become a public event, affecting presidential politics in a most unexpected way.

389

00:28:35,000 --> 00:28:44,000

When the question was asked, I think there was mention of, you know, feeling almost an emotional connection and that it spoke to you.

390

00:28:44,000 --> 00:28:47,000

I mean, not in a literal sense, but feelings.

391

00:28:47,000 --> 00:28:54,000

I don't know that I ever communicated that to anyone, but I will tell you this, that it was extraordinary.

392

00:28:54,000 --> 00:28:55,000

It was exciting.

393

00:28:55,000 --> 00:28:56,000

How could it not be?

394

00:28:56,000 --> 00:29:00,000

I mean, anybody who would see anything like that would have to be excited.

395

00:29:00,000 --> 00:29:01,000

Then was I?

396

00:29:01,000 --> 00:29:02,000

Yeah.

397

00:29:05,000 --> 00:29:14,000

After the debate, commentators like Chris Matthews questioned whether Kucinich's admission had in effect disqualified him from the presidential race.

398

00:29:14,000 --> 00:29:21,000

But he was surprised by the reaction of another candidate, New Mexico governor, Bill Richardson.

399

00:29:21,000 --> 00:29:24,000

Is that disqualifying for a presidential candidate?

400

00:29:24,000 --> 00:29:26,000

They say you've seen UFOs.

401

00:29:26,000 --> 00:29:28,000

You know, I've never seen one.

402

00:29:28,000 --> 00:29:31,000

You know, Roswell, New Mexico is the hotbed of UFOs.

403

00:29:31,000 --> 00:29:34,000

And I promote Roswell as a tourist mission.

404

00:29:34,000 --> 00:29:37,000

The federal government has not come clean on all that issue.

405

00:29:37,000 --> 00:29:38,000

And it should.

406

00:29:38,000 --> 00:29:39,000

But no, I've never seen one.

407

00:29:39,000 --> 00:29:40,000

Wait a minute.

408

00:29:40,000 --> 00:29:41,000

Stop the music.

409

00:29:41,000 --> 00:29:43,000

Stop the music.

410

00:29:43,000 --> 00:29:50,000

Governor, did you say the United States government is covering up a history of a UFO setting in your state?

411

00:29:50,000 --> 00:29:52,000

You said the government has a serious of you.

412

00:29:52,000 --> 00:29:54,000

What are they hiding that you say about it?

413

00:29:54,000 --> 00:29:55,000

Well, they haven't.

414

00:29:55,000 --> 00:29:57,000

Well, they they don't produce documents.

415

00:29:57,000 --> 00:29:59,000

Chris, they should just get it all out.

416

00:29:59,000 --> 00:30:03,000

And there's a known history about what is a conspiracy.

417

00:30:03,000 --> 00:30:05,000

What is your belief that they're hiding it?

418

00:30:05,000 --> 00:30:08,000

If they release all documents, look, I don't believe they're UFOs,

419

00:30:08,000 --> 00:30:11,000

but the government has not handled this well over the years.

420

00:30:11,000 --> 00:30:13,000

That's a historical fact.

421

00:30:13,000 --> 00:30:18,000

Three months after Gucinich's admission, he withdrew from the Democratic race.

422

00:30:18,000 --> 00:30:23,000

But he remains committed to a policy of disclosure.

423

00:30:23,000 --> 00:30:29,000

Information ought to be open for people to see so we know what our government's actually about.

424

00:30:29,000 --> 00:30:31,000

Let the people know.

425

00:30:31,000 --> 00:30:36,000

Let the people know what's going on with unexplained aerial phenomenon.

426

00:30:36,000 --> 00:30:47,000

If extraterrestrials have been monitoring and perhaps guiding the course of the United States since the time of George Washington, where is it all leading?

427

00:30:47,000 --> 00:30:56,000

Perhaps the answer can be found by examining the president who was most vocal when it came to speculating about an alien invasion.

428

00:31:00,000 --> 00:31:03,000

Merced, California.

429

00:31:03,000 --> 00:31:09,000

September 19, 1974.

430

00:31:09,000 --> 00:31:18,000

California Governor Ronald Reagan, along with his security detail, boards a Cessna aircraft bound for a fundraising event in Bakersfield.

431

00:31:18,000 --> 00:31:28,000

As the aircraft reaches an altitude of 35,000 feet, Governor Reagan is startled by a mysterious orb of light, which appears to be flying alongside his plane.

432

00:31:29,000 --> 00:31:36,000

Ronald Reagan was flying in an airplane and had an encounter with an unidentified flying object.

433

00:31:38,000 --> 00:31:42,000

He asked the pilot to follow it. They followed it for a period of time.

434

00:31:42,000 --> 00:31:49,000

Reagan is enthusiastic about this. When he lands, he says, I just saw a UFO.

435

00:31:49,000 --> 00:31:57,000

He's not just being crazy. He saw the UFO. He knows exactly what it is.

436

00:31:57,000 --> 00:32:08,000

The pilot that corroborated Reagan's sighting was Air Force Colonel Bill Painzer, who claimed that the UFO appeared to elongate and then rapidly shoot up into the sky.

437

00:32:08,000 --> 00:32:16,000

Some years later, the pilot was asked, did he really think that Reagan believed in UFO?

438

00:32:16,000 --> 00:32:25,000

And the pilot said, after what we saw in the sky that night, how could anybody not believe in him?

439

00:32:26,000 --> 00:32:34,000

According to historians, it was this incident that sparked Ronald Reagan's lifelong interest and belief in UFOs.

440

00:32:34,000 --> 00:32:42,000

But unlike other politicians who suffered ridicule for such beliefs, Reagan did not, and for a very simple reason.

441

00:32:42,000 --> 00:32:50,000

His closest aides kept him from speaking publicly about his UFO experience and his belief in extraterrestrials.

442

00:32:50,000 --> 00:33:03,000

The people that worked for him really tried to keep Reagan under control, so to speak, because they knew that he was very interested in this subject and wanted to talk about it publicly.

443

00:33:03,000 --> 00:33:08,000

So they had to kind of keep the lid on it, if you will.

444

00:33:08,000 --> 00:33:16,000

But did the UFO sighting influence Ronald Reagan's policies after he became the 40th president of the United States?

445

00:33:17,000 --> 00:33:27,000

And if so, could this have also been due to the fact that once elected, he was given even more direct knowledge of an extraterrestrial presence here on Earth?

446

00:33:27,000 --> 00:33:36,000

Ancient astronaut theorists say yes, and for proof, they point to a mysterious document that surfaced in 2005.

447

00:33:37,000 --> 00:33:56,000

I became exposed to a very, very important document that March 6th to 8th, 1981, then brand new president Ronald Reagan was taken by his new CIA director, William Casey, to Camp David.

448

00:33:56,000 --> 00:34:17,000

With him were analysts from the CIA, the NSA, the DIA, and this briefing boiled down to an introduction to Ronald Reagan of extraterrestrial species that William Casey was saying, sir, you need to understand that we are dealing with others on this planet.

449

00:34:18,000 --> 00:34:32,000

Curiously, throughout his presidency, Ronald Reagan brought up the subject of what would happen in the case of an alien invasion, most famously in 1987, when addressing United Nations General Assembly in New York.

450

00:34:32,000 --> 00:34:51,000

Perhaps we need some outside universal threat to make us recognize this common bound. I occasionally think how quickly our differences worldwide would vanish if we were facing an alien threat from outside this world.

451

00:34:51,000 --> 00:34:57,000

And yet, I ask you, is not an alien force already among us?

452

00:34:58,000 --> 00:35:09,000

Reagan was the first one who said publicly it just needs one extraterrestrial threat, and that would bring together the entire planet.

453

00:35:09,000 --> 00:35:14,000

So you have to ask yourself the question, did he know something?

454

00:35:14,000 --> 00:35:25,000

Both in discussions with the Soviet premier Mikhail Gorbachev, Reagan alluded to an alien presence.

455

00:35:25,000 --> 00:35:40,000

And Gorbachev says he was quite taken aback when Reagan said this to him at the critically important point of pivotal arms negotiations, and suddenly Ronald Reagan starts talking about extraterrestrials.

456

00:35:41,000 --> 00:35:47,000

Years later, during his symposium in New York, President Gorbachev recounted the incidents.

457

00:35:47,000 --> 00:35:59,000

President Reagan suddenly said to me, what would you do if the United States were attacked by someone from outer space?

458

00:35:59,000 --> 00:36:02,000

Would you help us?

459

00:36:02,000 --> 00:36:06,000

I said, no doubt about it.

460

00:36:06,000 --> 00:36:12,000

He said, we too. So that's interesting.

461

00:36:12,000 --> 00:36:24,000

Is it possible that Ronald Reagan knew the truth about extraterrestrial activity on Earth, and then kept the facts a secret for fear of creating a global panic?

462

00:36:24,000 --> 00:36:39,000

As far as many researchers are concerned, further evidence that President Reagan had knowledge of an alien presence can be found by examining one of his most high profile and controversial initiatives, Star Wars.

463

00:36:40,000 --> 00:36:53,000

On March 23, 1983, U.S. President Ronald Reagan launches the Strategic Defense Initiative.

464

00:36:53,000 --> 00:37:00,000

Nicknamed Star Wars, its stated purpose is to deter a Soviet attack by basing defensive weapons in outer space.

465

00:37:00,000 --> 00:37:09,000

I have approved a research program defined, if we can, a security shield that will destroy nuclear missiles before they reach their target.

466

00:37:09,000 --> 00:37:21,000

Isn't it interesting that this man who had this encounter in 1974 is the man who then, less than a decade later, authorizes the Strategic Defense Initiative, also known as Star Wars?

467

00:37:21,000 --> 00:37:25,000

If you'll pardon my stealing a film line, the force is with us.

468

00:37:25,000 --> 00:37:33,000

But was defending the United States against Soviet nuclear aggression, Ronald Reagan's only motivation?

469

00:37:33,000 --> 00:37:41,000

Some believe that the real purpose of the Star Wars campaign was to fight extraterrestrials.

470

00:37:41,000 --> 00:37:54,000

It's all about arming planet Earth, so that if the extraterrestrial presence suddenly turns hostile, we have the military hardware to resist.

471

00:37:56,000 --> 00:38:10,000

While Ronald Reagan's Star Wars program was dissolved in 1993, some researchers believe it set the nation on a course for taking the next crucial step towards connecting with other intelligences.

472

00:38:13,000 --> 00:38:15,000

Washington, D.C.

473

00:38:15,000 --> 00:38:19,000

January 24, 2020.

474

00:38:19,000 --> 00:38:26,000

President Donald Trump reveals the official logo for the newest branch of the Armed Services, Space Force.

475

00:38:26,000 --> 00:38:41,000

With my signature today, you will witness the birth of the Space Force, and that will be now officially the sixth branch of the United States Armed Forces. That is something to know.

476

00:38:42,000 --> 00:38:52,000

The USSF, an offshoot of the Air Force, was established by the Trump administration to oversee military operations beyond the Earth's atmosphere.

477

00:38:52,000 --> 00:38:58,000

One of President Trump's most famous initiatives relates to the Space Force.

478

00:38:58,000 --> 00:39:04,000

Inevitably, the UFO community have said, well, this is about the aliens.

479

00:39:04,000 --> 00:39:12,000

This is almost a carbon copy of what happened under Reagan's presidency with Star Wars.

480

00:39:12,000 --> 00:39:21,000

Trump's announcement that the United States is going to have a Space Force says something important about what he knows as the President of the United States.

481

00:39:21,000 --> 00:39:31,000

There have been disclosures since he became President that seem to suggest that his move in establishing a Space Force has merit.

482

00:39:31,000 --> 00:39:42,000

Space, there will be a lot of things happening in space. Because space is the world's newest warfighting domain.

483

00:39:42,000 --> 00:39:53,000

The final push to create a Space Force came just months after three leaked military videos of unidentified aerial phenomena became widely circulated online.

484

00:39:54,000 --> 00:40:02,000

The Navy goes in and shows Trump three videos that go fast to gimbal in the Tic Tac video and basically give him the video.

485

00:40:02,000 --> 00:40:09,000

So what is Trump going to say? So what is it? And they had to have said, we don't know, Mr. President, we're working on it.

486

00:40:09,000 --> 00:40:12,000

We're working on it. We don't know. We know it's for real.

487

00:40:12,000 --> 00:40:22,000

Could the formation of Space Force indicate that we are nearing the point when an American President will finally reveal to the world that aliens are among us?

488

00:40:24,000 --> 00:40:34,000

The escalation of UFO presence has stimulated the awareness of the world driving the process forward towards an announcement or confirmation by government, which I call disclosure.

489

00:40:34,000 --> 00:40:42,000

One of the fundamental purposes of the modern era is to get the world to the point where it will confirm the presence of these extraterrestrials.

490

00:40:42,000 --> 00:40:51,000

Once the world has had some time to adjust to that new, profound information, open contact then

becomes not particularly dramatic.

491

00:40:51,000 --> 00:40:58,000

In 2019 onward, I think we're not in disclosure. I think we're in confirmation.

492

00:40:58,000 --> 00:41:11,000

Donald Trump, as President of the United States, is admitting that we've got some of our best military pilots who are reporting UFOs and he and the White House and the Department of Defense.

493

00:41:11,000 --> 00:41:15,000

They are watching what the Navy pilots are reporting.

494

00:41:16,000 --> 00:41:23,000

The human race is now more ready than ever to accept the reality of extraterrestrial involvement in human affairs.

495

00:41:23,000 --> 00:41:27,000

And I think this is ultimately the end game of the extraterrestrial plan.

496

00:41:27,000 --> 00:41:34,000

And they are here to guide us, to assist us, and to help us to manifest a new future for humanity.

497

00:41:35,000 --> 00:41:39,000

George Washington encountering a glowing being.

498

00:41:39,000 --> 00:41:44,000

Ronald Reagan witnessing an orb of light through an airplane window.

499

00:41:44,000 --> 00:41:52,000

Is it possible that America's presidents have known for centuries the truth about an extraterrestrial agenda?

500

00:41:52,000 --> 00:41:59,000

If so, then perhaps we're on the threshold of learning not only the full history of the United States,

501

00:41:59,000 --> 00:42:05,000

but also the hidden facts about an alien presence right here on Earth.
