

1

00:00:00,000 --> 00:00:06,000

Official reports of alien craft suddenly retracted.

2

00:00:06,000 --> 00:00:10,000

UFO investigations designed to spread disinformation.

3

00:00:10,000 --> 00:00:16,000

Government whistleblowers forced to conceal their identities.

4

00:00:16,000 --> 00:00:28,000

Over the years, ancient aliens has investigated the long history of government attempts to cover up the truth about the extraterrestrial presence on planet Earth.

5

00:00:28,000 --> 00:00:41,000

And now we're going to take a look at what I consider to be the most compelling and revealing examples as we count down my top 10 alien cover-ups.

6

00:00:41,000 --> 00:00:49,000

What is the most compelling and most compelling evidence of alien craft?

7

00:00:49,000 --> 00:01:05,000

Many people believe that there is strong evidence that aliens have visited Earth and that for decades, even centuries, governments around the globe have been hiding information that has been classified as top secret.

8

00:01:05,000 --> 00:01:25,000

But is this just a conspiracy theory? That's what many had suggested until finally in December 2017, The New York Times published a front page headline revealing that the U.S. government was funding a secret program to investigate UFOs.

9

00:01:25,000 --> 00:01:31,000

Number 10 on my countdown of the top cover-ups, A-Tip.

10

00:01:31,000 --> 00:01:47,000

On December 16, 2017, The New York Times ran an explosive story entitled Glowing Auras and Black Money, the Pentagon's mysterious UFO program.

11

00:01:47,000 --> 00:02:01,000

It was the first time the American public learned of a top secret U.S. government project, the Advanced Aerospace Threat Identification Program, otherwise known as A-Tip.

12

00:02:01,000 --> 00:02:15,000

The revelations concerning the existence of the Pentagon's A-Tip program are extraordinary. It is the single biggest ever news in the whole history of the UFO phenomenon.

13

00:02:15,000 --> 00:02:23,000

It's not quite a spaceship and a hangar smoking gun, but it's the closest we've ever been.

14

00:02:23,000 --> 00:02:41,000

The article reported that the program had been in operation from 2007 until 2012 and was run by a former Pentagon official named Luis Elizondo, a senior career intelligence officer with top security clearance.

15

00:02:41,000 --> 00:02:51,000

It was Elizondo's job to investigate reports of unidentified flying objects and to measure what threat they could pose to national security.

16

00:02:51,000 --> 00:03:10,000

But while A-Tip's funding officially ended in 2012, Elizondo claims he continued to work on the program out of his Pentagon office for the next five years and with the help of officials from both the U.S. Navy and the CIA.

17

00:03:10,000 --> 00:03:21,000

In October 2017, Elizondo resigned to protest what he characterized as excessive secrecy and internal opposition.

18

00:03:21,000 --> 00:03:35,000

I've sat down and had this conversation with Luis Elizondo face to face and it's clear that there is no reason to believe that the Pentagon has any intention of declassifying and releasing any more material.

19

00:03:35,000 --> 00:03:42,000

So he's done some very important work in bringing this story out of the shadows and into the open.

20

00:03:42,000 --> 00:03:49,000

When Elizondo left the Pentagon, he was determined to make A-Tip's years of investigation known to the public.

21

00:03:49,000 --> 00:03:59,000

He did so by helping to distribute three videos to the press that were released in conjunction with the New York Times' sensational front-page story.

22

00:04:00,000 --> 00:04:11,000

Taken by cameras mounted on Navy jets, they were perhaps the most spectacular and credible UFO videos ever released to the public.

23

00:04:18,000 --> 00:04:23,000

Well, the really interesting thing about A-Tip is how much information hasn't been released.

24

00:04:23,000 --> 00:04:28,000

We hear things that are coming. I bet you there's a lot more.

25

00:04:28,000 --> 00:04:44,000

In June 2020, the government acknowledged what Luis Elizondo had claimed for years, that the UAP investigations have continued uninterrupted, but under a new name, the Unidentified Aerial Phenomenon Task Force.

26

00:04:44,000 --> 00:04:57,000

As far as ancient astronaut theorists are concerned, this recent disclosure only confirms their suspicions that the government continues to hide the full extent of its UFO investigations.

27

00:04:58,000 --> 00:05:02,000

And that far more incredible revelations are yet to come.

28

00:05:09,000 --> 00:05:17,000

For years, government officials denied rumors of a top-secret military installation in the Nevada desert.

29

00:05:17,000 --> 00:05:24,000

But in 2013, one of the most significant cover-ups in American history was finally revealed.

30

00:05:25,000 --> 00:05:28,000

Number 9 on my list, Area 51.

31

00:05:32,000 --> 00:05:37,000

Langley, Virginia, August 15, 2013.

32

00:05:38,000 --> 00:05:52,000

After decades of secrecy, denials and cover-ups, the CIA declassifies documents which acknowledge the existence of a top-secret military research facility known as Area 51.

33

00:05:53,000 --> 00:05:56,000

This was an historic announcement.

34

00:05:56,000 --> 00:06:06,000

Finally, these years of rumors that the UFO community and the conspiracy theory community had been claiming to be true had been validated.

35

00:06:06,000 --> 00:06:14,000

The federal government was forced to acknowledge the existence of the Area 51 base because of a Freedom of Information Act request.

36

00:06:15,000 --> 00:06:23,000

It took them over a decade to actually respond, but in the end, they eventually had to admit what everybody already knew, which was that Area 51 did exist.

37

00:06:24,000 --> 00:06:42,000

Since 1955, this top-secret base, located in the remote desert of southern Nevada, has been considered the epicenter of the military's most classified projects, from the U-2 spy plane to the F-117 stealth fighter.

38

00:06:43,000 --> 00:06:55,000

But many believe that in the darkest corners of Area 51 lurks an even bigger secret, one that hides the ultimate evidence of extraterrestrial contact.

39

00:06:57,000 --> 00:07:09,000

Over the years, there have been a number of claims by people who have been associated with Area 51, who have spoken to journalists or whistleblowers, in which they have stated quite explicitly that there is extraterrestrial technology at Area 51.

40

00:07:13,000 --> 00:07:23,000

So the United States began with a policy of lies and denial, let's call it for what it is, counterintelligence.

41

00:07:23,000 --> 00:07:33,000

UFOs and ETs have been at the top of the counterintelligence list since World War II. Our government doesn't want us to know the truth.

42

00:07:33,000 --> 00:07:46,000

The cover-ups we've looked at so far have been extraordinary, but what if I told you there was an even bigger one that occurred 1600 years ago?

43

00:07:46,000 --> 00:07:54,000

And it all revolved around which religious texts would be included or banned from the Holy Bible.

44

00:07:54,000 --> 00:08:03,000

In fact, it was one of those banned books that inspired Eric Fundanican to introduce the world to the ancient astronaut theory.

45

00:08:05,000 --> 00:08:08,000

Number 8 on my cover-up countdown, The Book of Enoch.

46

00:08:12,000 --> 00:08:16,000

Central Anatolia Turkey, the 4th century AD.

47

00:08:17,000 --> 00:08:28,000

A group of 30 clerics from the Christian Church hold the Council of Laodicea, a clandestine meeting to discuss the removal of certain books from the biblical canon.

48

00:08:28,000 --> 00:08:31,000

Among them is the Book of Enoch.

49

00:08:31,000 --> 00:08:43,000

According to many biblical scholars, the reason for this was most likely the controversy over the accounts of fallen angels descending to Earth in order to mate with the daughters of men.

50

00:08:44,000 --> 00:08:48,000

Accounts that the people of the time had taken as fact.

51

00:08:48,000 --> 00:09:03,000

There are references in the scriptures to rebellious angels who were in trouble with God, came to Earth, found the daughters of men attractive and married them, which is to say had sex with them and produced offspring.

52

00:09:04,000 --> 00:09:08,000

In the Book of Enoch, it actually gives the numbers.

53

00:09:08,000 --> 00:09:13,000

It says 200 angels disobeyed God and came to Earth and mated with human women.

54

00:09:17,000 --> 00:09:32,000

If angels are what we think they are today, these non-human entities want on Earth, why on Earth, how on Earth could there be any interest in a sexual relationship with human women?

55

00:09:33,000 --> 00:09:38,000

We must re-understand what these sons of God are.

56

00:09:38,000 --> 00:09:48,000

Indeed, it is recorded in ancient legend that these were some form of humanoid physical beings, something extraterrestrial.

57

00:09:48,000 --> 00:09:52,000

We should translate the old texts with modern sense.

58

00:09:52,000 --> 00:09:56,000

Use a word extraterrestrials instead of the word of angel.

59

00:09:56,000 --> 00:10:01,000

Use a word of a leader of extraterrestrials instead of arch-angel.

60

00:10:03,000 --> 00:10:07,000

If you see something is brought to heaven, it's just space.

61

00:10:07,000 --> 00:10:11,000

It's time to wake up to see these things with modern eyes.

62

00:10:13,000 --> 00:10:24,000

Is it possible that stories found in the Book of Enoch are really depicting alien beings coming down to earth to mate with humans and manipulate our genetic makeup?

63

00:10:25,000 --> 00:10:38,000

Ancient astronaut theorists say yes and suggest that the Book of Enoch was removed from the biblical canon in order to cover up the truth about humankind's extraterrestrial past.

64

00:10:39,000 --> 00:10:57,000

In 1952, at the height of the Cold War, there was another secret government program whose purpose, as far as the public was told, was to get to the bottom of the UFO phenomenon.

65

00:10:57,000 --> 00:11:02,000

But was the real purpose to get to the truth or to cover it up?

66

00:11:02,000 --> 00:11:11,000

One of the biggest disinformation campaigns ever is number seven on my countdown of the top ten cover-ups.

67

00:11:12,000 --> 00:11:14,000

Project Blue Book

68

00:11:17,000 --> 00:11:21,000

Washington, D.C. March 1952

69

00:11:22,000 --> 00:11:30,000

A number of high-ranking U.S. Air Force generals come together to launch a formal investigation into UFO reports.

70

00:11:31,000 --> 00:11:33,000

Project Blue Book

71

00:11:33,000 --> 00:11:45,000

Under the command of Air Force Captain Edward Rumpelt, this new top-secret agency would take UFOs and their potential threat to national security very seriously.

72

00:11:46,000 --> 00:11:54,000

Project Blue Book produced a standard form for people who wanted to report a UFO.

73

00:11:54,000 --> 00:11:56,000

What did it look like?

74

00:11:56,000 --> 00:11:58,000

Was there a sound?

75

00:11:58,000 --> 00:12:05,000

They even had a chart for people to calculate the angle of elevation.

76

00:12:05,000 --> 00:12:16,000

If UFOs are nothing to worry about, why is the Air Force requesting so much information about the true nature of what the witnesses saw?

77

00:12:16,000 --> 00:12:38,000

In January 1953, after gathering hundreds of reported sightings, photographs and interviews, Captain Rumpelt and astronomer Dr. J. Allen Heineck prepared and presented their best 23 cases to a CIA-formed panel of scientists led by Dr. H.P. Robertson.

78

00:12:38,000 --> 00:12:47,000

The Robertson panel concluded that the evidence could all be dismissed as natural occurrences and was not worth the effort of the government.

79

00:12:48,000 --> 00:13:05,000

According to many researchers, including J. Allen Heineck's son, Paul Heineck, the government never really intended for Project Blue Book to uncover the truth behind the UFO phenomenon in the first place, but instead set out to debunk it.

80

00:13:06,000 --> 00:13:11,000

The Air Force, their job was to find answers, not the truth.

81

00:13:12,000 --> 00:13:19,000

So the mission of Project Blue Book was to find and create and cram in as many answers as they could.

82

00:13:19,000 --> 00:13:34,000

The interesting thing, though, even with that impetus to explain away every case they could, was out of the 12,000 odd cases that they officially examined, they admitted they couldn't explain over 700 or 5% of them.

83

00:13:35,000 --> 00:13:49,000

In 1969, Project Blue Book was finally shut down on the grounds that there was no proof the

unidentified objects posed a national security threat or were of extraterrestrial origin.

84

00:13:50,000 --> 00:13:55,000

But was that really the end of the story or only the beginning?

85

00:13:56,000 --> 00:14:07,000

Even though Project Blue Book was terminated in 1969, we've seen with ATIP recently that these government agencies never really go away, they just sort of morph into another agency.

86

00:14:08,000 --> 00:14:13,000

So clearly the Air Force has admitted they have not stopped studying UFOs.

87

00:14:14,000 --> 00:14:28,000

The mere disclosure of a government program such as Project Blue Book really makes you wonder just how many other top secret government programs there might be.

88

00:14:29,000 --> 00:14:37,000

In 1984, another one of these secret programs was revealed when information was leaked to a Hollywood producer.

89

00:14:38,000 --> 00:14:44,000

Number 6 on my countdown of the top 10 cover-ups, the Majestic 12.

90

00:14:48,000 --> 00:14:52,000

Burbank, California, December 1984.

91

00:14:54,000 --> 00:15:04,000

Movie producer and UFO researcher Janie Chandra arrives home to find a manila envelope has been dropped through the mail slot of his front door.

92

00:15:05,000 --> 00:15:13,000

The postmark indicates that it was sent from Albuquerque, New Mexico, but no return address is written on the envelope.

93

00:15:15,000 --> 00:15:19,000

And what he had received was this package right here. This is the original package.

94

00:15:20,000 --> 00:15:28,000

Inside the package there was the roll of film inside this canister. And this is actually the roll of film that he received.

95

00:15:29,000 --> 00:15:37,000

This film, when copied properly, produced these eight pages of the Eisenhower Briefing Document.

96

00:15:41,000 --> 00:15:53,000

The Eisenhower Briefing Document is a memo that was allegedly written in 1952 by the first director of the CIA, Roscoe Hillenketer, to President-elect Dwight Eisenhower.

97

00:15:54,000 --> 00:16:07,000

In it, Hillenketer writes that sitting President Harry Truman has formed a secret group within the U.S. government called the Majestic 12 to examine crashed extraterrestrial spacecraft.

98

00:16:10,000 --> 00:16:17,000

The document that he received basically reported that we had had previous crashes, including the one at Roswell.

99

00:16:17,000 --> 00:16:24,000

The bottom line recommendation to President Eisenhower was that this topic continued to be kept secret.

100

00:16:27,000 --> 00:16:40,000

March 1994. Almost a decade after Jamie Chandra received the Eisenhower Briefing Document, Majestic 12 researchers are shocked when a second roll of film surfaces.

101

00:16:41,000 --> 00:16:48,000

This time, it is set anonymously to a UFO group in Maryland from Quillen's Drugstore in La Crosse, Wisconsin.

102

00:16:50,000 --> 00:17:01,000

Investigative journalist Linda Moulton-Howe was among the first to examine these documents, and she has been conducting research on MJ-12 for more than two decades.

103

00:17:02,000 --> 00:17:17,000

In April 2017, editor and researcher George O'Souklos traveled to Albuquerque, New Mexico to meet with Linda and find out what she knows about these mysterious documents.

104

00:17:19,000 --> 00:17:25,000

So if I understand this correctly, at some point, somebody at some point took photos of a document that existed in paper form.

105

00:17:26,000 --> 00:17:29,000

Do we know who did this? Who took those photographs?

106

00:17:30,000 --> 00:17:36,000

There are people who have served in the military, or CIA, DIA, NSA, NRO, and they are angry.

107

00:17:37,000 --> 00:17:49,000

They feel that this story should come out. This might have been somebody who had this manual in their work photographed that may be right there at the pharmacy and the rest is history.

108

00:17:50,000 --> 00:18:01,000

Of all the documents that I've ever seen and studied, it is this restricted SOM-101 Majestic 12 Group Special Operations Manual that I think is really confirmation.

109

00:18:02,000 --> 00:18:08,000

It goes beyond disclosure because this is April 1954 Majestic 12 Group.

110

00:18:09,000 --> 00:18:11,000

It's the War Office stamp. It is real.

111

00:18:12,000 --> 00:18:17,000

And the title, Extra-Terrestrial Entities in Technology Recovery and Disposal.

112

00:18:17,000 --> 00:18:21,000

Top Secret, Magic Eyes Only.

113

00:18:22,000 --> 00:18:34,000

And then when you start getting into what is in this book, you have the illustrations and sketches of different craft UFOs.

114

00:18:35,000 --> 00:18:37,000

I mean, that's incredible.

115

00:18:38,000 --> 00:18:50,000

Did the United States government learn about an alien presence on Earth in the 1940s and devise a top secret committee to investigate this shocking revelation?

116

00:18:51,000 --> 00:19:06,000

While government officials continue to insist that the Majestic 12 never existed, those who have researched the documents remain convinced of their authenticity and have found no evidence that MJ12 was ever discontinued.

117

00:19:07,000 --> 00:19:21,000

One of the most infamous UFO cover-ups happened on December 9, 1965 when a bell-shaped object crashed to Earth in Kecksburg, Pennsylvania.

118

00:19:22,000 --> 00:19:28,000

At number five on my countdown of the top ten cover-ups, the Kecksburg UFO incident.

119

00:19:29,000 --> 00:19:32,000

Kecksburg, Pennsylvania.

120

00:19:33,000 --> 00:19:36,000

December 9, 1965.

121

00:19:37,000 --> 00:19:42,000

Thousands of people watch as a brilliant fireball streaks across the night sky.

122

00:19:43,000 --> 00:19:57,000

And a large object was seen to come down in a wooded area and witnesses actually claimed that this strange object which was described as the size of a Volkswagen.

123

00:19:58,000 --> 00:20:02,000

The object that was being beat up caused what appeared to be sonic booms.

124

00:20:04,000 --> 00:20:09,000

The phones went off in all of the volunteer fire departments all around.

125

00:20:10,000 --> 00:20:12,000

We have a plane crash in the woods at Kecksburg.

126

00:20:13,000 --> 00:20:21,000

Well, there was a man named Jim Romanski and I had a real privilege to talk with him directly in March of 1998.

127

00:20:22,000 --> 00:20:34,000

Because he was one of only about ten people in this whole saga who had 15 minutes in the forest close up officially as a volunteer fireman.

128

00:20:35,000 --> 00:20:39,000

Walking around and trying to understand what are we looking at.

129

00:20:39,000 --> 00:20:51,000

And he said it was like an acorn or a bell and at the top it was copper colored and then in the bottom was a band about four inches wide.

130

00:20:52,000 --> 00:20:58,000

And raised up, not carved in, were symbols that went around a portion of this craft.

131

00:20:59,000 --> 00:21:04,000

And he and others said they look sort of like Egyptian hieroglyph.

132

00:21:05,000 --> 00:21:15,000

Just minutes after the firefighters arrived at the location of the crash, they were met by a convoy of military personnel and ordered to leave.

133

00:21:16,000 --> 00:21:32,000

Suddenly the military entered the area, cordoned it off and it was even suggested that a very large military vehicle was seen carrying away this object to God knows where.

134

00:21:32,000 --> 00:21:35,000

And the whole thing was essentially hushed up.

135

00:21:36,000 --> 00:21:49,000

Our government tried to explain everything away in Kecksburg as a meteorite and those men who stood around this object in that forest on December 9th, 1965, knew it was no meteorite.

136

00:21:50,000 --> 00:21:56,000

They said at the time this was this big acorn or bell shaped craft from outer space.

137

00:21:57,000 --> 00:22:02,000

What was it that was found in Kecksburg? We may never know.

138

00:22:03,000 --> 00:22:09,000

However, we do know what the US military found during another famous UFO event that took place in England.

139

00:22:10,000 --> 00:22:15,000

It's one of the most credible first hand accounts of an alien craft on record.

140

00:22:16,000 --> 00:22:21,000

Number four on our countdown of the top ten cover ups, Rendlesham Forest.

141

00:22:27,000 --> 00:22:31,000

Rendlesham Forest, Suffolk County, England.

142

00:22:32,000 --> 00:22:46,000

On December 26th, 1980, near an air base leased to the United States Air Force by the RAF, strange lights are reported on the horizon in what appears to be a possible downed aircraft.

143

00:22:48,000 --> 00:22:51,000

Two US servicemen are dispatched to the site.

144

00:22:51,000 --> 00:23:01,000

Strange lights were seen about three to four hundred meters away from an area what was called the East Gate.

145

00:23:02,000 --> 00:23:11,000

And the patrolling officers at the East Gate saw the lights above the forest and they thought potentially it was a downed aircraft or an aircraft in distress.

146

00:23:12,000 --> 00:23:16,000

So two of them, Sergeant Penison and Airman John Burroughs, went further into the forest.

147

00:23:17,000 --> 00:23:27,000

Once at the so-called crash site, the men observed a strange triangular craft on the ground, approximately three meters wide at its base.

148

00:23:30,000 --> 00:23:38,000

I noticed that there was an inscription on the side of the aircraft. I was expecting to find, I don't know, USAF, something like that.

149

00:23:39,000 --> 00:23:44,000

And what I find is glyphs, pictorial glyphs, making no sense at all.

150

00:23:45,000 --> 00:23:48,000

And then I was running my hand over the side of the craft. It was very warm to touch.

151

00:23:49,000 --> 00:23:56,000

At this time, we were getting the feeling of electricity that was just bouncing. It was much, much stronger.

152

00:23:57,000 --> 00:24:00,000

There was this feeling of being drawn into it or being pulled into it.

153

00:24:01,000 --> 00:24:06,000

The craft was on the ground approximately forty-five minutes and then there was a bright flash of light.

154

00:24:06,000 --> 00:24:13,000

And then the craft just took off out of the area. I mean, it was just out of the area.

155

00:24:16,000 --> 00:24:23,000

The following night, US Air Force Colonel Charles Halt led his own search party to the location of this strange encounter.

156

00:24:24,000 --> 00:24:34,000

What they discovered were high levels of radioactivity where Burroughs and Penison had previously seen the strange craft and three impact holes in the ground.

157

00:24:37,000 --> 00:24:47,000

While we're walking around, we also notice four or five objects in the sky. They moved at very high speed, made sharp angular turns as though they were doing some type of a grid search.

158

00:24:48,000 --> 00:24:57,000

Then one came at high speed, stopped directly overhead, three, four, maybe five thousand feet, and sent down a concentrated beam about eight or ten feet from us.

159

00:24:58,000 --> 00:25:02,000

We noticed the other object to the south sending down similar beams on Woodbridge Base.

160

00:25:03,000 --> 00:25:08,000

At that point I was thinking, why did I ever get involved in this? How will I ever explain this?

161

00:25:10,000 --> 00:25:16,000

In spite of the compelling eyewitness testimony, the Ministry of Defense soon declared the case closed.

162

00:25:19,000 --> 00:25:26,000

Peniston and Burroughs were ordered by their superiors to document the events they witnessed in Rendlesham Forest.

163

00:25:27,000 --> 00:25:36,000

But both men claimed they were pressured to leave out certain details of the event, especially those suggesting the craft may have been extraterrestrial.

164

00:25:38,000 --> 00:25:48,000

I had to give this sanitized story. There's a lot of detail that was left out. And truth by omission is not the truth. It's a lie.

165

00:25:49,000 --> 00:25:57,000

They didn't want to appear like the government was trying to cover it up, but I clearly felt that they didn't want me to go into all the details.

166

00:25:58,000 --> 00:26:05,000

Now, I did a cold case review for the Ministry of Defense. I am still subject to the Official Secrets Act.

167

00:26:06,000 --> 00:26:14,000

But I can tell you, chances are, these craft were real. And if they're real, they might actually be extraterrestrial.

168

00:26:19,000 --> 00:26:28,000

Buried beneath an old English manor house in Wiltshire, England, is a maze of stone quarries excavated over a century ago,

169

00:26:29,000 --> 00:26:36,000

where it has long been rumored that the British government may have conducted secret UFO investigations.

170

00:26:37,000 --> 00:26:44,000

In 2017, I had the opportunity to investigate this site with former British Defense Ministry official Nick Pope.

171

00:26:45,000 --> 00:26:51,000

The number three cover-up on our top ten countdown, Rudlow Manor.

172

00:26:56,000 --> 00:27:01,000

In England's southwest county of Wiltshire stands Rudlow Manor.

173

00:27:03,000 --> 00:27:08,000

On the surface, it appears to be nothing more than a quaint English manor house.

174

00:27:08,000 --> 00:27:21,000

But deep beneath this structure lie an astounding 2.2 million square feet of vast caverns divided into many smaller chambers.

175

00:27:23,000 --> 00:27:27,000

For years, it was home to a group called the Provost and Security Services.

176

00:27:28,000 --> 00:27:31,000

They're kind of like the James Bunns of the British Royal Air Force.

177

00:27:32,000 --> 00:27:43,000

But back in the 1990s and certainly going back to the 1950s, the Provost and Security Services were heavily involved in UFO investigations.

178

00:27:45,000 --> 00:27:52,000

In 2007, the Ministry of Defense announced that Rudlow Manor was no longer in use by the military.

179

00:27:53,000 --> 00:28:04,000

But if that's true, why are the grounds surrounded by chain link fences, monitored by security

cameras, and even protected by guard dogs?

180

00:28:05,000 --> 00:28:16,000

To find the answers, in January of 2017, ancient astronaut theorist, George O'Souklos, traveled to the protected boundaries of Rudlow Manor.

181

00:28:17,000 --> 00:28:21,000

Joining him in his search for the truth was Nick Pope.

182

00:28:24,000 --> 00:28:26,000

Wow, we're here.

183

00:28:28,000 --> 00:28:36,000

During your time at the M.O.D., what did you learn about this place or any type of UFO cases that may have happened around this area?

184

00:28:37,000 --> 00:28:39,000

Well, this whole area is rich in UFO sightings.

185

00:28:40,000 --> 00:28:49,000

UFO sightings were investigated by staff based here at Rudlow Manor, but for years, we denied it.

186

00:28:50,000 --> 00:29:02,000

We told Parliament, the media and the public that these things were of no interest, that Rudlow Manor had no involvement in this, and yet when the files were declassified, it turned out that people were right.

187

00:29:03,000 --> 00:29:04,000

Right here.

188

00:29:04,000 --> 00:29:05,000

Right here.

189

00:29:05,000 --> 00:29:14,000

And so this building really was at the heart of Britain's secret UFO research, and particularly the underground facilities below us.

190

00:29:15,000 --> 00:29:21,000

And the UFO community alleges that that's where the UK keeps its alien hardware.

191

00:29:22,000 --> 00:29:33,000

Crashed UFOs, all sorts of secrets and research and investigation and projects went on from this particular facility.

192

00:29:33,000 --> 00:29:38,000

So then this was basically considered or is considered the UK's Area 51?

193

00:29:39,000 --> 00:29:42,000

Absolutely right. Even rumors of alien bodies.

194

00:29:44,000 --> 00:29:53,000

Alien bodies? Could the ultimate proof of government contact with extraterrestrials be hidden in the tunnels right beneath Nick and Giorgio's feet?

195

00:29:54,000 --> 00:30:09,000

While Rudlow Manor is completely inaccessible, another entrance to the underground facilities is found two miles away at the equally secretive installation known as the Corsham Computer Center or CCC.

196

00:30:10,000 --> 00:30:24,000

Despite the fact that it too is not open to the public, ancient astronaut theorist Giorgio Suclos asked Nick Pope to take him to the CCC for a first-hand look at the installation.

197

00:30:25,000 --> 00:30:27,000

All right. Good luck. Thank you very much.

198

00:30:28,000 --> 00:30:36,000

As a former employee of the Ministry of Defense, Nick did not feel it was appropriate for him to approach the facility himself without clearance.

199

00:30:37,000 --> 00:30:38,000

I'll see you later, Nick.

200

00:30:38,000 --> 00:30:39,000

Take care.

201

00:30:45,000 --> 00:30:47,000

Here we are, the CCC.

202

00:30:53,000 --> 00:30:54,000

The lights are on.

203

00:30:56,000 --> 00:31:05,000

And just like Nick explained, it's got barbed wire, it is fenced down, it's impenetrable. Clearly this entrance goes underground.

204

00:31:09,000 --> 00:31:15,000

Within minutes of Giorgio's arrival at the security gate, the crew is met by military police units.

205

00:31:15,000 --> 00:31:18,000

I'm asked a million done question. What are you doing down here?

206

00:31:19,000 --> 00:31:25,000

Unfortunately, the situation ends with filming being halted. But why?

207

00:31:26,000 --> 00:31:41,000

Is it possible, as ancient astronaut theorist suggests, that Rudlow Manor is not only used for secret government UFO investigations, but is housing extraterrestrial technology and even alien bodies?

208

00:31:42,000 --> 00:31:54,000

Whatever's going on down there, it's big. Still to this day, thousands of people work there, and yet you can't get any real information about what they're doing. It's absolutely off limits.

209

00:31:56,000 --> 00:32:14,000

There is one site that is arguably the most famous in UFO history. And for more than 70 years, the entire world has wanted to know the truth about what really happened that day in the desert of New Mexico.

210

00:32:15,000 --> 00:32:21,000

Number two on our countdown of the top ten cover-ups, the Roswell incident.

211

00:32:25,000 --> 00:32:35,000

In July of 1947, an unidentified flying object crashed to earth in the desert just outside Roswell, New Mexico.

212

00:32:36,000 --> 00:32:45,000

It is today the most famous UFO event on record, in part, because it was the army itself that reported the craft as a flying disk.

213

00:32:46,000 --> 00:32:52,000

July 8th and 9th, the newspaper headlines, Army captures flying disk outside of Roswell.

214

00:32:52,000 --> 00:33:01,000

High of the newspaper get that story, Walter Howe. He was the official public information officer at the Roswell 509, who gave the story to the newspaper.

215

00:33:02,000 --> 00:33:16,000

But the military quickly walked back at story. Within days, the mysterious Roswell UFO was given an earthly origin, when the government claimed that the downcraft was merely a weather balloon.

216

00:33:17,000 --> 00:33:27,000

Major Jesse Marcell, the head intelligence officer at Roswell Army Airfield, traveled to Fort Worth, Texas, with a debris recovered from the Roswell crash site.

217

00:33:28,000 --> 00:33:36,000

He and Brigadier General Roger Ramey, head of the 8th Air Force, were scheduled to present their findings to the media.

218

00:33:36,000 --> 00:33:50,000

It came out that President Truman sent orders to General Ramey, hold up something, get some Reynolds wrap off the fish in your freezer and hold it up and say, that's what you found, not a disk, which is exactly what they did.

219

00:33:51,000 --> 00:33:53,000

And the reporters basically just turned around, went home.

220

00:33:54,000 --> 00:34:09,000

For UFO researchers, evidence that the actual wreckage from Roswell was indeed replaced with a weather balloon can be found within the notorious photograph, along with clues as to what was being hidden from the public.

221

00:34:10,000 --> 00:34:19,000

When General Roger Ramey was posing for photographs with Jesse Marcell in the aftermath of all of this, you can see him very clearly holding a piece of paper.

222

00:34:20,000 --> 00:34:24,000

General Ramey had a document in his hands, the so-called Ramey Memo.

223

00:34:25,000 --> 00:34:37,000

Modern forensic document analysis and photographic enhancement has enabled some researchers to zoom in on this and to clarify at least some portions of the text.

224

00:34:38,000 --> 00:34:40,000

What it tells us is astounding.

225

00:34:40,000 --> 00:34:48,000

Some of the phrases in the memo are victims of the wreck and disk which we will ship.

226

00:34:49,000 --> 00:34:57,000

So clearly something more than just a weather balloon was involved here and the memo might just be the smoking gun.

227

00:34:58,000 --> 00:35:06,000

We actually have evidence of an FBI memo that made such a statement that what was recovered was being brought to right field for analysis.

228

00:35:06,000 --> 00:35:12,000

Well, you're not going to bring balloon parts to right field for analysis. That's not going to happen.

229

00:35:13,000 --> 00:35:24,000

Is it possible that Wright-Patterson Air Force Base in Dayton, Ohio is still housing the remains of the object recovered from the New Mexico desert more than 70 years ago?

230

00:35:25,000 --> 00:35:31,000

And if so, could they be using the debris to try and recreate extraterrestrial technology?

231

00:35:32,000 --> 00:35:39,000

Even now, in the last few years, there have been important UFO sightings around Dayton.

232

00:35:40,000 --> 00:35:51,000

And witnesses in that area are looking out over Wright-Patterson Air Force Base and even in broad daylight seeing unusual craft hovering over the base.

233

00:35:52,000 --> 00:35:59,000

This is a very distinct possibility that's supported by the fact that no jets are released when these UFOs appeared.

234

00:36:00,000 --> 00:36:05,000

It's almost as if they know what they are. Maybe it's because it's one of our own reverse engineered craft.

235

00:36:09,000 --> 00:36:20,000

We finally reached the end of my countdown and I believe this one is undoubtedly the most significant because it has the most serious implications for human beings.

236

00:36:21,000 --> 00:36:31,000

According to former Air Force Commander Robert Salas, back in the 1960s, UFOs shut down one of America's key missile sites.

237

00:36:32,000 --> 00:36:36,000

How does he know this? Well, because he was there.

238

00:36:37,000 --> 00:36:43,000

My number one cover-up of all time, the Momstrom Nuclear Missile Crisis.

239

00:36:44,000 --> 00:36:53,000

Momstrom Air Force Base, Montana, March 16, 1967.

240

00:36:54,000 --> 00:37:04,000

Before dawn, sentries and maintenance crews near the base's nuclear missile silos see mysterious lights flying back and forth across the sky.

241

00:37:05,000 --> 00:37:11,000

These lights are so bright that the men on the ground can't identify what they are.

242

00:37:11,000 --> 00:37:22,000

But when one of them takes up a position just outside the base's security fence, a sentry calls a superior to report a UFO.

243

00:37:24,000 --> 00:37:36,000

One of the missiles suddenly went off-line and then another and another until the whole flight of missiles was somehow mysteriously deactivated.

244

00:37:37,000 --> 00:37:51,000

This is highly disturbing because it suggests in the events that UFOs one day become hostile, our entire atomic arsenal may become completely inoperable.

245

00:37:52,000 --> 00:38:05,000

In June 2019, Georgiosuclis arranged to meet up with one of the men who was stationed at Momstrom on the night of this historic UFO event.

246

00:38:06,000 --> 00:38:10,000

Retired Air Force Missile Launch Officer Robert Salas.

247

00:38:11,000 --> 00:38:21,000

While Momstrom was deactivated at the end of the Cold War, a nearly identical Minuteman missile facility in South Dakota is still accessible to the public.

248

00:38:22,000 --> 00:38:24,000

It's going there. Thank you very much.

249

00:38:25,000 --> 00:38:31,000

So Robert invited Georgios there to walk him through exactly what he experienced in 1967.

250

00:38:33,000 --> 00:38:34,000

Tell me what happened that night.

251

00:38:35,000 --> 00:38:41,000

I got a phone call from the topside guard. He's screaming into the phone. I mean, he's really

frightened.

252

00:38:43,000 --> 00:38:46,000

And he said, I've got all the guards out here, weapons drawn.

253

00:38:47,000 --> 00:38:53,000

And we see this gigantic red-orange object oval-shaped hovering above the front gate.

254

00:38:53,000 --> 00:38:57,000

And all of a sudden, we get klaxons, horns.

255

00:38:58,000 --> 00:39:00,000

Both look over at the control panel here.

256

00:39:01,000 --> 00:39:03,000

And boom, boom, boom, one right after the other.

257

00:39:05,000 --> 00:39:06,000

All no go.

258

00:39:09,000 --> 00:39:17,000

I mean, it has to be incredibly startling and disconcerting that someone else with higher technology is able to disable our missiles.

259

00:39:18,000 --> 00:39:20,000

Exactly. And that's how we're going to get there.

260

00:39:20,000 --> 00:39:22,000

And then we're going to disable our missiles.

261

00:39:23,000 --> 00:39:31,000

Exactly. And that's how I come to the conclusion that these were extraterrestrial objects or they were constructed off Earth.

262

00:39:32,000 --> 00:39:38,000

Because we had nothing that could do anything like this, either then or now.

263

00:39:39,000 --> 00:39:42,000

And then was there a debriefing or was there a discussion?

264

00:39:42,000 --> 00:39:50,000

We were ordered to our squadron commander's office. And then the guy next to him shoved this paper in our faces, signed here.

265

00:39:52,000 --> 00:39:58,000

I said, what is this? He said, this is a nondisclosure statement about the incident.

266

00:39:59,000 --> 00:40:01,000

You are never to speak about it to anybody.

267

00:40:02,000 --> 00:40:04,000

So you were given an order. We were ordered to sign it out.

268

00:40:05,000 --> 00:40:11,000

And that was it. I could not speak about this. And I didn't speak about this to anyone.

269

00:40:12,000 --> 00:40:15,000

I was on the line for, uh, about 27 years.

270

00:40:18,000 --> 00:40:22,000

Military officials have never provided an explanation for the missile shutdown.

271

00:40:23,000 --> 00:40:25,000

Was it caused by extraterrestrials?

272

00:40:26,000 --> 00:40:32,000

Ancient astronaut theorists say yes, but suggest that we may never know the full story,

273

00:40:33,000 --> 00:40:38,000

because for 50 years the United States military has covered it up.

274

00:40:38,000 --> 00:40:46,880

That concludes my top 10 list for the all-time greatest extraterrestrial cover-ups.

275

00:40:46,880 --> 00:40:48,920

But the questions still remain.

276

00:40:48,920 --> 00:40:50,980

Why keep us all in the dark?

277

00:40:50,980 --> 00:40:53,440

Do they think it's for our benefit?

278

00:40:53,440 --> 00:40:56,800

Or could it be for other reasons?

279

00:40:56,800 --> 00:41:02,760

As far as I'm concerned, we the people must continue to search for the evidence and to

280

00:41:02,760 --> 00:41:05,160

demand to know the facts.

281

00:41:05,680 --> 00:41:10,640

It may be the only way that will finally get to full disclosure.

282

00:41:10,640 --> 00:41:12,640

I'm ready for the truth.

283

00:41:12,640 --> 00:41:13,120

Are you?
