

1

00:00:00,000 --> 00:00:05,000

A detailed description of a highly advanced aircraft

2

00:00:05,000 --> 00:00:09,000

appears in a 3,000-year-old text.

3

00:00:09,000 --> 00:00:12,000

There are tales of flying craft that

4

00:00:12,000 --> 00:00:17,000

could fly at extraordinary speeds that defy the laws of physics.

5

00:00:17,000 --> 00:00:21,000

Ancient stories depict a vehicle that travels both in the sky

6

00:00:21,000 --> 00:00:23,000

and underwater.

7

00:00:23,000 --> 00:00:27,000

In Samaria and in Babylon, they talked about Owans,

8

00:00:27,000 --> 00:00:31,000

who emerge from the sea in a winged disk.

9

00:00:31,000 --> 00:00:34,000

And the oldest Egyptian hieroglyphs

10

00:00:34,000 --> 00:00:37,000

reference strange objects descending to Earth.

11

00:00:37,000 --> 00:00:42,000

We have depictions in ancient times of flying craft

12

00:00:42,000 --> 00:00:46,000

that seem to be in the form of pyramids.

13

00:00:46,000 --> 00:00:49,000

Now military personnel are capturing footage

14

00:00:49,000 --> 00:00:53,000

of nearly identical objects in the sky.

15

00:00:53,000 --> 00:00:56,000

Are we encountering the same extraterrestrials

16

00:00:56,000 --> 00:01:00,000

that have occupied Earth for thousands of years?

17

00:01:04,000 --> 00:01:09,000

There is a doorway in the universe.

18

00:01:09,000 --> 00:01:13,000

Beyond it is the promise of truth.

19

00:01:13,000 --> 00:01:18,000

It demands we question everything we have ever been taught.

20

00:01:18,000 --> 00:01:22,000

The evidence is all around us.

21

00:01:22,000 --> 00:01:26,000

The future is right before our eyes.

22

00:01:26,000 --> 00:01:29,000

We are not alone.

23

00:01:29,000 --> 00:01:32,000

We have never been alone.

24

00:01:40,000 --> 00:01:44,000

July 2019.

25

00:01:44,000 --> 00:01:47,000

San Clemente Island, California.

26

00:01:47,000 --> 00:01:51,000

68 nautical miles west of San Diego.

27

00:01:51,000 --> 00:01:55,000

Nine US warships belonging to an elite Navy unit

28

00:01:55,000 --> 00:01:57,000

called Carrier Strike Group 9

29

00:01:57,000 --> 00:02:00,000

are performing nighttime training exercises

30

00:02:00,000 --> 00:02:02,000

in restricted waters.

31

00:02:02,000 --> 00:02:08,000

The Navy was undertaking an exercise with Strike Force 9.

32

00:02:08,000 --> 00:02:11,000

This is an integrated group

33

00:02:11,000 --> 00:02:13,000

centered on an aircraft carrier

34

00:02:13,000 --> 00:02:19,000

but with multiple other US Navy vessels and jets.

35

00:02:19,000 --> 00:02:23,000

Really testing how the US military

36

00:02:23,000 --> 00:02:26,000

would respond in a warfighting situation.

37

00:02:26,000 --> 00:02:29,000

So everything has to be seamless.

38

00:02:29,000 --> 00:02:33,000

And then into the middle of all of this,

39

00:02:33,000 --> 00:02:37,000

suddenly and unexpectedly,

40

00:02:37,000 --> 00:02:42,000

the exercise is interrupted by an unknown presence.

41

00:02:43,000 --> 00:02:47,000

The ships are swarmed by what the Navy refers to as UAVs

42

00:02:47,000 --> 00:02:50,000

or unidentified aerial vehicles.

43

00:02:50,000 --> 00:02:54,000

The UAVs fly for prolonged periods of time

44

00:02:54,000 --> 00:02:56,000

in low visibility conditions,

45

00:02:56,000 --> 00:02:59,000

performing brazen maneuvers over the warships

46

00:02:59,000 --> 00:03:02,000

near a sensitive military training range.

47

00:03:02,000 --> 00:03:04,000

Make no mistake about it.

48

00:03:04,000 --> 00:03:11,000

Something is penetrating the sophisticated air defense network.

49

00:03:12,000 --> 00:03:17,000

That swarm series of UFOs around Navy ships

50

00:03:17,000 --> 00:03:19,000

is one of the most important bodies of evidence

51

00:03:19,000 --> 00:03:22,000

ever documented and put out to the public

52

00:03:22,000 --> 00:03:25,000

because it involved so many ships.

53

00:03:25,000 --> 00:03:30,000

There were a strategic coordination of these unidentified.

54

00:03:30,000 --> 00:03:34,000

The photographic interpretation and examination team

55

00:03:34,000 --> 00:03:36,000

aboard the USS Russell

56

00:03:36,000 --> 00:03:40,000

captured a compelling 18-second night vision video

57

00:03:40,000 --> 00:03:45,000

of multiple UAVs covering just 700 feet above the ship.

58

00:03:45,000 --> 00:03:49,000

The USS Russell was swarmed by UFOs like other ships,

59

00:03:49,000 --> 00:03:51,000

but this was different.

60

00:03:51,000 --> 00:03:55,000

These were flying pyramids without any control surfaces,

61

00:03:55,000 --> 00:03:58,000

wings, rotors, tails, plumes or exhausts.

62

00:03:58,000 --> 00:04:01,000

Nothing. How did these things move?

63

00:04:01,000 --> 00:04:03,000

How were they able to get past

64

00:04:03,000 --> 00:04:05,000

one of our nation's greatest defense systems?

65

00:04:05,000 --> 00:04:09,000

This was something that we couldn't even defend against.

66

00:04:09,000 --> 00:04:15,000

In December 2017, just 18 months prior to this incident,

67

00:04:15,000 --> 00:04:18,000

the New York Times exposed the U.S. government's secret program

68

00:04:18,000 --> 00:04:22,000

to investigate unidentified aerial phenomena.

69

00:04:23,000 --> 00:04:26,000

Since that bombshell revelation,

70

00:04:26,000 --> 00:04:30,000

numerous photographs and videos have surfaced of Navy encounters

71

00:04:30,000 --> 00:04:32,000

with different types of UAPs.

72

00:04:32,000 --> 00:04:36,000

And as far as ancient astronaut theorists are concerned,

73

00:04:36,000 --> 00:04:42,000

the video captured from the USS Russell may be the most extraordinary of all.

74

00:04:42,000 --> 00:04:46,000

Not because there were so many objects seen in the sky,

75

00:04:46,000 --> 00:04:50,000

but because of the UAPs, very unique shape.

76

00:04:51,000 --> 00:04:54,000

The fact that there are pyramid-shaped objects

77

00:04:54,000 --> 00:04:57,000

that have been filmed by the Navy

78

00:04:57,000 --> 00:05:00,000

is beyond interesting to me

79

00:05:00,000 --> 00:05:05,000

because we have similar depictions in ancient times

80

00:05:05,000 --> 00:05:09,000

of flying craft that seem to be in the form of pyramids.

81

00:05:10,000 --> 00:05:14,000

Clearly, what we see in this footage of today is pyramid shape,

82

00:05:14,000 --> 00:05:16,000

three-dimensionally. It's not flat.

83

00:05:16,000 --> 00:05:21,000

It's a three-dimensional pyramid floating in the sky,

84

00:05:21,000 --> 00:05:25,000

providing the footage is real, providing it is extraterrestrial.

85

00:05:25,000 --> 00:05:30,000

Then one could argue that the same visitors that we've had back then

86

00:05:30,000 --> 00:05:33,000

are showing themselves again.

87

00:05:34,000 --> 00:05:36,000

Cairo, Egypt.

88

00:05:36,000 --> 00:05:40,000

On display in the Egyptian Museum and Royal Mummy's Hall

89

00:05:40,000 --> 00:05:45,000

is an artifact from the pyramid of a menomhot the Third,

90

00:05:45,000 --> 00:05:48,000

called a Benben Stone.

91

00:05:48,000 --> 00:05:51,000

In ancient Egypt, similar pyramid-shaped capstones

92

00:05:51,000 --> 00:05:56,000

were placed on the top of giant-standing stones called obelisks.

93

00:05:56,000 --> 00:06:01,000

The first of these Benben stones predate the earliest pyramids.

94

00:06:01,000 --> 00:06:03,000

The obelisks pointed up toward the heavens,

95

00:06:03,000 --> 00:06:05,000

so it is an object of worship,

96

00:06:05,000 --> 00:06:10,000

and that capstone, that Benben stone, was the meeting place.

97

00:06:10,000 --> 00:06:13,000

That was the portal to other worlds

98

00:06:13,000 --> 00:06:18,000

where human energy lifted up and made contact with the gods.

99

00:06:18,000 --> 00:06:22,000

So the shape of the Benben stone is like a classic pyramid shape,

100

00:06:22,000 --> 00:06:27,000

and apparently the design of pyramids was based on the Benben stone itself,

101

00:06:27,000 --> 00:06:30,000

and these are like giant versions of it.

102

00:06:31,000 --> 00:06:36,000

The Benben stone was not just symbolizing a connection to the heavens.

103

00:06:36,000 --> 00:06:42,000

It was actually memorializing an extraterrestrial visitation.

104

00:06:42,000 --> 00:06:47,000

In ancient Egypt, it's chalk full of references

105

00:06:47,000 --> 00:06:50,000

of celestial beings descending from the sky

106

00:06:50,000 --> 00:06:53,000

and imparting knowledge to our ancestors.

107

00:06:53,000 --> 00:06:57,000

One of the origin stories says

108

00:06:57,000 --> 00:07:01,000

that a Benben stone descended from the sky

109

00:07:01,000 --> 00:07:05,000

out of which the first creator gods emerged

110

00:07:05,000 --> 00:07:08,000

and started Egyptian civilization.

111

00:07:08,000 --> 00:07:11,000

It was a flying craft.

112

00:07:11,000 --> 00:07:15,000

Could the pyramidal capstones found atop Egypt's obelisks

113

00:07:15,000 --> 00:07:17,000

and even the pyramids themselves

114

00:07:17,000 --> 00:07:21,000

have been inspired by an extraterrestrial visitation?

115

00:07:21,000 --> 00:07:24,000

And if so, is it possible

116

00:07:24,000 --> 00:07:30,000

that similar alien craft were captured on video above the USS Russell?

117

00:07:30,000 --> 00:07:33,000

What was seen from the USS Russell,

118

00:07:33,000 --> 00:07:37,000

these kind of objects flying around in the sky,

119

00:07:37,000 --> 00:07:39,000

were an identical shape,

120

00:07:39,000 --> 00:07:42,000

and there was multiple ones witnessed and filmed.

121

00:07:42,000 --> 00:07:45,000

And so is there a connection?

122

00:07:45,000 --> 00:07:48,000

Is this what was witnessed from the USS Russell?

123

00:07:48,000 --> 00:07:52,000

It's a fascinating idea that perhaps

124

00:07:52,000 --> 00:07:55,000

the first terrestrials first arrived in Egypt

125

00:07:55,000 --> 00:07:59,000

in these small pyramid-shaped craft

126

00:07:59,000 --> 00:08:01,000

like we're seeing in this video.

127

00:08:01,000 --> 00:08:05,000

And in fact, many of the UAPs that have been reported in modern times

128

00:08:05,000 --> 00:08:08,000

and that we see in the recent Navy videos

129

00:08:08,000 --> 00:08:13,000

are very reminiscent of ancient accounts of strange objects in the sky,

130

00:08:13,000 --> 00:08:18,000

accounts that you can find in many ancient cultures around the world.

131

00:08:19,000 --> 00:08:22,000

Did people living thousands of years ago

132

00:08:22,000 --> 00:08:25,000

encounter the very same objects in the sky

133

00:08:25,000 --> 00:08:28,000

that appear in recent videos and photographs

134

00:08:28,000 --> 00:08:31,000

taken by the U.S. Navy?

135

00:08:31,000 --> 00:08:34,000

And if so, could this indicate

136

00:08:34,000 --> 00:08:36,000

that humans have been sharing planet Earth

137

00:08:36,000 --> 00:08:38,000

with another race of intelligent beings

138

00:08:38,000 --> 00:08:41,000

since our earliest history?

139

00:08:41,000 --> 00:08:45,000

Ancient astronaut theorists say yes

140

00:08:45,000 --> 00:08:49,000

and suggest further evidence can be found in India

141

00:08:49,000 --> 00:08:54,000

within the pages of one of the world's oldest texts.

142

00:08:59,000 --> 00:09:04,000

The Coast of Florida, January 2015.

143

00:09:04,000 --> 00:09:07,000

The crew of a Navy F-18 fighter jet

144

00:09:07,000 --> 00:09:09,000

fly into restricted airspace

145

00:09:09,000 --> 00:09:13,000

and encounter an airborne object directly in their flight path.

146

00:09:13,000 --> 00:09:17,000

They aim their forward-looking infrared camera at the object

147

00:09:17,000 --> 00:09:19,000

and capture it in flight.

148

00:09:19,000 --> 00:09:23,000

F-18s were chasing this thing and they couldn't catch it.

149

00:09:23,000 --> 00:09:28,000

The UAP is doing things that modern air-dynamic vehicles can't do.

150

00:09:28,000 --> 00:09:32,000

According to the aviator's official report,

151

00:09:32,000 --> 00:09:37,000

the craft descended from altitudes of 60,000 feet to 50 feet

152

00:09:37,000 --> 00:09:39,000

in a matter of seconds,

153

00:09:39,000 --> 00:09:41,000

hovering for short periods of time

154

00:09:41,000 --> 00:09:44,000

and departing at high velocities.

155

00:09:44,000 --> 00:09:47,000

One of the impressive aspects of it

156

00:09:47,000 --> 00:09:49,000

is that it's moving against the wind

157

00:09:49,000 --> 00:09:51,000

and you can hear the pilots say this.

158

00:09:51,000 --> 00:09:55,000

Oh, my God!

159

00:09:55,000 --> 00:09:57,000

They're all going against the wind.

160

00:09:57,000 --> 00:10:00,000

The wind's 100-point-off to the west.

161

00:10:00,000 --> 00:10:05,000

It doesn't lose speed and it rotates mechanically against the wind.

162

00:10:05,000 --> 00:10:08,000

This gimbal footage is one of the rare pieces

163

00:10:08,000 --> 00:10:12,000

of physical evidence that is corroborated

164

00:10:12,000 --> 00:10:15,000

directly by individuals who are out there on the East Coast

165

00:10:15,000 --> 00:10:17,000

documenting these things.

166

00:10:17,000 --> 00:10:21,000

It is highly impressive.

167

00:10:21,000 --> 00:10:24,000

Now, modern-day aircraft can yaw and pitch

168

00:10:24,000 --> 00:10:26,000

and they can roll,

169

00:10:26,000 --> 00:10:28,000

but they can't simply pitch straight up

170

00:10:28,000 --> 00:10:31,000

and continue to move forward into the line of flight.

171

00:10:31,000 --> 00:10:33,000

This thing does that.

172

00:10:33,000 --> 00:10:35,000

It's moving extremely fast

173

00:10:35,000 --> 00:10:39,000

and it's accelerating much faster than the F-18s can.

174

00:10:39,000 --> 00:10:44,000

So that in itself is a feat that mankind has yet to accomplish.

175

00:10:44,000 --> 00:10:47,000

We tried to vet this for a long time.

176

00:10:47,000 --> 00:10:50,000

What's uncomfortable is that we haven't figured it out,

177

00:10:50,000 --> 00:10:54,000

that we don't know whose technology this is.

178

00:10:54,000 --> 00:10:57,000

If you can't identify someone that's far more advanced

179

00:10:57,000 --> 00:11:00,000

than you technologically, Houston, we have a problem.

180

00:11:00,000 --> 00:11:03,000

Navy video of the incredible encounter

181

00:11:03,000 --> 00:11:07,000

was made public in December 2017

182

00:11:07,000 --> 00:11:10,000

and the object was dubbed gimbal

183

00:11:10,000 --> 00:11:14,000

due to its ability to rotate on an axis.

184

00:11:14,000 --> 00:11:17,000

But for ancient astronaut theorists,

185

00:11:17,000 --> 00:11:19,000

just as intriguing as the way it moves,

186

00:11:19,000 --> 00:11:21,000

it's the object shape.

187

00:11:21,000 --> 00:11:25,000

The craft itself is an acorn-shaped craft.

188

00:11:25,000 --> 00:11:29,000

Immediately, that's reminiscent of what the ancient Indian text

189

00:11:29,000 --> 00:11:31,000

described as the Vamana,

190

00:11:31,000 --> 00:11:34,000

which were acorn-shaped craft.

191

00:11:34,000 --> 00:11:38,000

In the Mahabharata and many of the ancient Vedic texts,

192

00:11:38,000 --> 00:11:41,000

they speak about the so-called Vimanas.

193

00:11:41,000 --> 00:11:43,000

The Vimanas were flying vehicles

194

00:11:43,000 --> 00:11:47,000

with which to reach the celestial realm.

195

00:11:47,000 --> 00:11:50,000

In the ancient Sanskrit epics of India,

196

00:11:50,000 --> 00:11:53,000

there are highly detailed descriptions of the Vimana,

197

00:11:53,000 --> 00:11:56,000

which carried the gods and other important figures

198

00:11:56,000 --> 00:11:58,000

through the sky,

199

00:11:58,000 --> 00:12:02,000

and sometimes to other planets.

200

00:12:02,000 --> 00:12:05,000

The acorn-shaped craft were even incorporated

201

00:12:05,000 --> 00:12:09,000

at the very top of many Hindu temples.

202

00:12:09,000 --> 00:12:13,000

And some researchers believe they also inspired

203

00:12:13,000 --> 00:12:17,000

similar Buddhist structures called stupa.

204

00:12:17,000 --> 00:12:20,000

If we go to Indonesia and look at Borobudur,

205

00:12:20,000 --> 00:12:25,000

where we have 194 stupas sitting in concentric circles,

206

00:12:25,000 --> 00:12:31,000

each stupa, in my opinion, represents a type of flying craft,

207

00:12:31,000 --> 00:12:35,000

because stupa actually means celestial chariot,

208

00:12:35,000 --> 00:12:39,000

or a way with which to reach the celestial realm.

209

00:12:39,000 --> 00:12:44,000

And they are in the shape of the so-called Vimanas.

210

00:12:44,000 --> 00:12:48,000

Often the Vimana were described as war machines,

211

00:12:48,000 --> 00:12:50,000

armed with incredible weapons.

212

00:12:50,000 --> 00:12:53,000

There are tales of flying craft

213

00:12:53,000 --> 00:12:57,000

that could defy gravity and fly at extraordinary speeds

214

00:12:57,000 --> 00:12:59,000

that defy the laws of physics.

215

00:12:59,000 --> 00:13:02,000

These were military in usage,

216

00:13:02,000 --> 00:13:05,000

had powerful engines and powerful weapons.

217

00:13:05,000 --> 00:13:08,000

In these battles, missiles would fire

218

00:13:08,000 --> 00:13:10,000

that could wipe out cities.

219

00:13:10,000 --> 00:13:13,000

These were the earliest stories we have

220

00:13:13,000 --> 00:13:15,000

of flying military craft.

221

00:13:15,000 --> 00:13:19,000

In the Indian text, the Vimanas are the chariots

222

00:13:19,000 --> 00:13:21,000

or craft of the gods.

223

00:13:21,000 --> 00:13:24,000

They were clearly a method of transportation

224

00:13:24,000 --> 00:13:26,000

that could take the gods from place to place,

225

00:13:26,000 --> 00:13:29,000

country to country, and even to other planets.

226

00:13:29,000 --> 00:13:33,000

They're sometimes described as bright clouds.

227

00:13:33,000 --> 00:13:36,000

Some of them are seven stories tall.

228

00:13:36,000 --> 00:13:41,000

In 1895, Sanskrit scholar Shivkarthopada

229

00:13:41,000 --> 00:13:45,000

decided to fashion an aircraft-based solely on information

230

00:13:45,000 --> 00:13:49,000

gleaned from the ancient Indian writings about the Vimana.

231

00:13:50,000 --> 00:13:52,000

While the story is hotly disputed,

232

00:13:52,000 --> 00:13:54,000

he allegedly tested the craft

233

00:13:54,000 --> 00:13:57,000

in front of an audience of thousands of people

234

00:13:57,000 --> 00:13:59,000

on a beach in Bombay.

235

00:13:59,000 --> 00:14:04,000

The legend has it that he flew for, like, 30 seconds at 1,500 feet.

236

00:14:04,000 --> 00:14:09,000

The Wright brothers only went 120 feet for 12 seconds.

237

00:14:09,000 --> 00:14:13,000

But even more exciting is that this is technology

238

00:14:13,000 --> 00:14:16,000

based on a scripture written thousands of years

239

00:14:16,000 --> 00:14:20,000

before mankind ever had the idea of heavier-than-air flight.

240

00:14:20,000 --> 00:14:22,000

How is this possible?

241

00:14:22,000 --> 00:14:25,000

According to the Hindu text,

242

00:14:25,000 --> 00:14:28,000

the crafts were mind-controlled,

243

00:14:28,000 --> 00:14:30,000

able to change direction and pitch

244

00:14:30,000 --> 00:14:32,000

and travel at high speeds,

245

00:14:32,000 --> 00:14:36,000

define our current knowledge of aeronautical physics.

246

00:14:36,000 --> 00:14:40,000

What's really cool is that these modern-day UFO videos

247

00:14:40,000 --> 00:14:45,000

show that these vehicles are capable of ridiculous maneuvers.

248

00:14:45,000 --> 00:14:48,000

That they can accelerate at the drop of a dime

249

00:14:48,000 --> 00:14:52,000

or they can just stop or change direction

250

00:14:52,000 --> 00:14:57,000

immediately at the G-forces that we could not survive.

251

00:14:58,000 --> 00:15:00,000

In the Vimana Kashastra,

252

00:15:00,000 --> 00:15:04,000

which describes what these Vimanas were capable of doing,

253

00:15:04,000 --> 00:15:07,000

the exact same descriptions exist.

254

00:15:07,000 --> 00:15:11,000

The fact that we have similar stories in ancient times

255

00:15:11,000 --> 00:15:15,000

illustrates to me something similar has happened.

256

00:15:16,000 --> 00:15:19,000

Could it be that the ancient Sanskrit texts

257

00:15:19,000 --> 00:15:22,000

are describing extraterrestrial vehicles

258

00:15:22,000 --> 00:15:24,000

even more advanced than the U.S. military's

259

00:15:24,000 --> 00:15:27,000

most sophisticated fighter jets?

260

00:15:27,000 --> 00:15:31,000

And if so, are we seeing the same alien technology

261

00:15:31,000 --> 00:15:33,000

on display in the recent videos

262

00:15:33,000 --> 00:15:36,000

released by the United States Navy?

263

00:15:36,000 --> 00:15:39,000

Ancient astronaut theorists say yes

264

00:15:39,000 --> 00:15:43,000

and suggest that this technology may also be depicted

265

00:15:43,000 --> 00:15:46,000

on the wall of an Egyptian temple

266

00:15:46,000 --> 00:15:49,000

that dates back thousands of years.

267

00:15:57,000 --> 00:15:59,000

Dendera, Egypt

268

00:16:00,000 --> 00:16:03,000

Roughly one and a half miles southeast of this ancient city

269

00:16:03,000 --> 00:16:06,000

lies the temple of Hathor,

270

00:16:06,000 --> 00:16:09,000

one of the most impressive and well-preserved

271

00:16:09,000 --> 00:16:12,000

archaeological sites in all of Egypt.

272

00:16:12,000 --> 00:16:16,000

Among the vast hieroglyphs that cover the columns of the temple

273

00:16:16,000 --> 00:16:19,000

are numerous depictions of pharaohs

274

00:16:19,000 --> 00:16:21,000

standing on mysterious ships

275

00:16:21,000 --> 00:16:24,000

and purportedly traveling through the stars.

276

00:16:25,000 --> 00:16:28,000

At the temple of Hathor, we see a remarkable depiction

277

00:16:28,000 --> 00:16:32,000

of a resurrected pharaoh standing on what the ancient Egyptians

278

00:16:32,000 --> 00:16:35,000

called the ship of eternity.

279

00:16:35,000 --> 00:16:38,000

This is a craft that was created by Ptah,

280

00:16:38,000 --> 00:16:41,000

the ancient Egyptian god of technology,

281

00:16:41,000 --> 00:16:44,000

who the Egyptians connected with the star Sirius.

282

00:16:44,000 --> 00:16:47,000

In ancient Egypt, we learn of pharaohs, gods

283

00:16:47,000 --> 00:16:51,000

who traveled the stars riding these craft.

284

00:16:51,000 --> 00:16:53,000

According to William Henry,

285

00:16:53,000 --> 00:16:57,000

who has spent decades studying the ancient Egyptian iconography,

286

00:16:57,000 --> 00:17:00,000

an important detail found in some of the depictions

287

00:17:00,000 --> 00:17:02,000

at Dendera and elsewhere

288

00:17:02,000 --> 00:17:06,000

is that the pharaoh is shown within a circle or bubble.

289

00:17:08,000 --> 00:17:10,000

In another remarkable example,

290

00:17:10,000 --> 00:17:12,000

we see a pharaoh sitting on a throne

291

00:17:12,000 --> 00:17:16,000

with Isis and Nephites on either side of him,

292

00:17:16,000 --> 00:17:20,000

and he's sitting in a blue bubble or a magic bubble.

293

00:17:20,000 --> 00:17:23,000

The so-called magic bubble imagery

294

00:17:23,000 --> 00:17:26,000

is found in artwork throughout the ancient world.

295

00:17:26,000 --> 00:17:28,000

And some researchers speculate

296

00:17:28,000 --> 00:17:31,000

that the repeated connection between the bubble shape

297

00:17:31,000 --> 00:17:35,000

and ascension may indicate that it represents

298

00:17:35,000 --> 00:17:39,000

a common experience describing space travel.

299

00:17:39,000 --> 00:17:41,000

Throughout the ancient world,

300

00:17:41,000 --> 00:17:43,000

we find other very compelling examples

301

00:17:43,000 --> 00:17:46,000

of beings surrounded by a bubble.

302

00:17:46,000 --> 00:17:51,000

For example, in Tibet, we find Padma Sambhava,

303

00:17:51,000 --> 00:17:55,000

who sits on a lotus throne surrounded by rainbow-colored light

304

00:17:55,000 --> 00:18:00,000

with a thin line symbolizing some form of a bubble.

305

00:18:00,000 --> 00:18:04,000

When you see the earliest examples of Jesus ascending into the heavens,

306

00:18:04,000 --> 00:18:08,000

he's sitting on a throne surrounded by concentric rings

307

00:18:08,000 --> 00:18:11,000

that form a bubble around his body.

308

00:18:11,000 --> 00:18:14,000

These are supposed to represent what the Book of Acts says

309

00:18:14,000 --> 00:18:18,000

he ascended in and will return riding upon.

310

00:18:18,000 --> 00:18:24,000

There are countless paintings of saints and other celestial beings

311

00:18:24,000 --> 00:18:29,000

that happen to be shown in some type of an energetic bubble.

312

00:18:29,000 --> 00:18:36,000

What if people saw something that surpassed their technological intellect

313

00:18:36,000 --> 00:18:40,000

and thus drew it in that way?

314

00:18:40,000 --> 00:18:43,000

Mainstream historians interpret the bubble shape

315

00:18:43,000 --> 00:18:47,000

found in religious art as simply symbols of divinity.

316

00:18:47,000 --> 00:18:52,000

But could the repetition of this iconic imagery across traditions

317

00:18:52,000 --> 00:18:56,000

suggest it was something our ancestors witnessed?

318

00:18:56,000 --> 00:19:00,000

Ancient astronaut theorists say yes

319

00:19:00,000 --> 00:19:03,000

and believe further evidence may be found

320

00:19:03,000 --> 00:19:07,000

by taking a closer look at the recently released gimbal video

321

00:19:07,000 --> 00:19:13,000

captured by Navy jets in 2015.

322

00:19:13,000 --> 00:19:18,000

When aerospace engineer Dr. Travis Taylor examined the gimbal video,

323

00:19:18,000 --> 00:19:21,000

he noticed a very curious anomaly,

324

00:19:21,000 --> 00:19:26,000

a halo of light surrounding the craft.

325

00:19:26,000 --> 00:19:29,000

After further analysis of the video,

326

00:19:29,000 --> 00:19:35,000

what we can see is there is a bubble region that sort of surrounds this craft.

327

00:19:35,000 --> 00:19:39,000

This is something that you don't see when you look through the same instrument

328

00:19:39,000 --> 00:19:43,000

at say an F-18 or an F-22 or an F-35.

329

00:19:43,000 --> 00:19:46,000

Black is hot on their forward-looking infrared camera

330

00:19:46,000 --> 00:19:48,000

and if black is hot then white is cooler.

331

00:19:48,000 --> 00:19:51,000

So this is a colder region around the vehicle.

332

00:19:51,000 --> 00:19:56,000

So maybe this is a warp bubble

333

00:19:56,000 --> 00:20:01,000

or some sort of propellant-less propulsion field that someone has discovered.

334

00:20:01,000 --> 00:20:05,000

The concept of the warp bubble was introduced in 1994

335

00:20:05,000 --> 00:20:08,000

by Mexican physicist Miguel Alcubierre

336

00:20:08,000 --> 00:20:12,000

as part of a hypothetical model for traveling faster than the speed of light.

337

00:20:12,000 --> 00:20:15,000

I was asked by Miguel Alcubierre

338

00:20:15,000 --> 00:20:19,000

how he came up with the idea of the Alcubierre drive.

339

00:20:19,000 --> 00:20:21,000

He told me that he was watching Star Trek

340

00:20:21,000 --> 00:20:25,000

and in Star Trek they, well, compressed the space in front of them

341

00:20:25,000 --> 00:20:27,000

and expanded the space behind them

342

00:20:27,000 --> 00:20:30,000

and would rocket faster than the speed of light.

343

00:20:30,000 --> 00:20:35,000

And then he said, well, wait a minute, I think I could duplicate that.

344

00:20:35,000 --> 00:20:38,000

In Alcubierre's theoretical model,

345

00:20:38,000 --> 00:20:43,000

the warp drive vehicle is surrounded by an energy bubble within space-time.

346

00:20:43,000 --> 00:20:45,000

You need energy to create a bubble.

347

00:20:45,000 --> 00:20:48,000

It's called a warp bubble surrounding your starship.

348

00:20:48,000 --> 00:20:53,000

Then you need what is called negative energy to drive it faster than the speed of light

349

00:20:53,000 --> 00:20:56,000

while inside you feel almost nothing.

350

00:20:56,000 --> 00:21:02,000

When we look at the idea of a warp bubble that could surround a spacecraft

351

00:21:02,000 --> 00:21:08,000

in the video, engineers are seeing exactly that principle in action.

352

00:21:08,000 --> 00:21:12,000

As far as ancient astronaut theorists are concerned,

353

00:21:12,000 --> 00:21:17,000

warp bubble technology could be on display not only in the gimbal video

354

00:21:17,000 --> 00:21:21,000

but also in artwork created centuries ago,

355

00:21:21,000 --> 00:21:24,000

like the Pharaoh's blue bubble,

356

00:21:24,000 --> 00:21:27,000

the Tibetan lotus throne,

357

00:21:27,000 --> 00:21:29,000

the ascension of Christ,

358

00:21:29,000 --> 00:21:35,000

and countless other sacred images that seemingly show identical phenomena.

359

00:21:35,000 --> 00:21:41,000

So you have to wonder what is it that the artist tried to depict here?

360

00:21:41,000 --> 00:21:43,000

It's just like Arthur C. Clarke said,

361

00:21:43,000 --> 00:21:48,000

any advanced technology is indistinguishable from magic.

362

00:21:48,000 --> 00:21:55,000

These are powerful examples that are suggesting ascended beings who travel the stars in magic bubbles.

363

00:21:55,000 --> 00:22:00,000

That precisely matches the Alcubierre warp bubble concept.

364

00:22:00,000 --> 00:22:06,000

Could these ancient drawings be showing us the same thing that we're seeing today

365

00:22:06,000 --> 00:22:08,000

in these modern-day infrared cameras?

366

00:22:11,000 --> 00:22:15,000

Is it possible that depictions of figures encompassed by bubbles

367

00:22:15,000 --> 00:22:23,000

found throughout history and all around the world represent an alien technology?

368

00:22:23,000 --> 00:22:29,000

Perhaps further clues can be found by examining another extraordinary navy video

369

00:22:29,000 --> 00:22:33,000

and its direct connection to the ancient world.

370

00:22:33,000 --> 00:22:35,000

It's splashed.

371

00:22:36,000 --> 00:22:40,000

Los Angeles, California, May 2021

372

00:22:40,000 --> 00:22:46,000

Veteran journalist George Knapp and documentary filmmaker Jeremy Corbell

373

00:22:46,000 --> 00:22:50,000

publish a astonishing video they acquired from the USS Omaha

374

00:22:50,000 --> 00:22:57,000

that shows a mysterious spherical object flying at speeds approaching 160 miles per hour

375

00:22:57,000 --> 00:23:00,000

before disappearing into the ocean.

376

00:23:00,000 --> 00:23:02,000

What was splashed?

377

00:23:02,000 --> 00:23:08,000

The USS Omaha is one of the central pieces of evidence that I've put forward

378

00:23:08,000 --> 00:23:10,000

to the American and global public.

379

00:23:10,000 --> 00:23:14,000

There were objects that were swarming this navy warship

380

00:23:14,000 --> 00:23:20,000

and one in particular appears to transcend between the space of air and intersea.

381

00:23:20,000 --> 00:23:23,000

They call that a trans-medium vehicle,

382

00:23:23,000 --> 00:23:27,000

a vehicle that can operate equally as well as the ship.

383

00:23:27,000 --> 00:23:32,000

A vehicle that can operate equally as well from in the air and under the water.

384

00:23:32,000 --> 00:23:38,000

Now, this was suspected, but when they went to go look for this craft under the water

385

00:23:38,000 --> 00:23:42,000

or for wreckage, none was found.

386

00:23:44,000 --> 00:23:47,000

Tennessee representative Tim Burchett,

387

00:23:47,000 --> 00:23:51,000

an outspoken proponent for disclosure of UFO sightings,

388

00:23:51,000 --> 00:23:55,000

was one of the first members of Congress to review the footage.

389

00:23:55,000 --> 00:24:00,000

To me, it is pretty astounding when they showed that craft actually going and it popping up

390

00:24:00,000 --> 00:24:02,000

and it looked like it didn't even slow down.

391

00:24:02,000 --> 00:24:04,000

It wasn't any friction at all when it hit the water.

392

00:24:04,000 --> 00:24:08,000

So to me, that's something that we can't even begin to understand, I don't think.

393

00:24:08,000 --> 00:24:12,000

I've read the mathematical equations of friction and things like that,

394

00:24:12,000 --> 00:24:14,000

and it just defies all of that.

395

00:24:15,000 --> 00:24:19,000

How could a vehicle fly into the water at 100 miles per hour?

396

00:24:19,000 --> 00:24:24,000

Well, that suggests either the surface of this vehicle is frictionless

397

00:24:24,000 --> 00:24:29,000

and it wouldn't have any interaction with any material that was flying through.

398

00:24:29,000 --> 00:24:35,000

Or it's not frictionless, it's actually a warp bubble where the spacecraft or craft is inside it.

399

00:24:36,000 --> 00:24:41,000

The stresses and strains by flying through the atmosphere in outer space

400

00:24:41,000 --> 00:24:46,000

and then plunging into the oceans would be enough to rupture any of our non-aircraft.

401

00:24:47,000 --> 00:24:55,000

These reports of USOs, unidentified submerged or submersible objects,

402

00:24:55,000 --> 00:24:59,000

are much more common than people might suppose.

403

00:24:59,000 --> 00:25:05,000

In 1991, Zhong Yu-shang, a fisherman, was at Fuxian Lake

404

00:25:05,000 --> 00:25:11,000

when he encountered this strange craft in the waters of the lake.

405

00:25:11,000 --> 00:25:14,000

He described it as a shining disk.

406

00:25:15,000 --> 00:25:21,000

This UFO was so close and so powerful that it actually tossed the boat around.

407

00:25:23,000 --> 00:25:27,000

And then rapidly, this craft just disappeared up into the sky.

408

00:25:28,000 --> 00:25:34,000

Over the years, there have been many, many cases of UFOs seen over the water,

409

00:25:34,000 --> 00:25:40,000

disappearing under the water, and in some cases, emerging from under the water.

410

00:25:41,000 --> 00:25:47,000

On December 29, 2020, a very curious thing happened off of the coast of Hawaii.

411

00:25:48,000 --> 00:25:55,000

People could see a huge cigar-shaped craft hovering off the coast

412

00:25:55,000 --> 00:26:02,000

and took photos of it, and eventually this craft then plunged into the ocean.

413

00:26:03,000 --> 00:26:09,000

And the Navy went out there to also look for possible wreckage of some craft crashing into the ocean

414

00:26:09,000 --> 00:26:11,000

and found nothing.

415

00:26:12,000 --> 00:26:17,000

One theory about this trans-medium travel and these USOs

416

00:26:17,000 --> 00:26:22,000

is that what we're seeing is evidence of underwater bases.

417

00:26:22,000 --> 00:26:25,000

Now, this makes a good deal of sense.

418

00:26:25,000 --> 00:26:30,000

I mean, the distance involved for interstellar travel

419

00:26:30,000 --> 00:26:35,000

means that it's much easier to have a base on the location that you're interested in

420

00:26:35,000 --> 00:26:38,000

than to constantly travel there and back.

421

00:26:39,000 --> 00:26:42,000

But what if that presence goes back millennia?

422

00:26:42,000 --> 00:26:48,000

They're operating here, but under the oceans, right under our noses.

423

00:26:49,000 --> 00:26:55,000

When we see the spherical object in the video taken by the USS Omaha hovering for a time

424

00:26:55,000 --> 00:27:00,000

and then descending into the water, this opens up some really interesting concepts

425

00:27:00,000 --> 00:27:02,000

in relation to the ancient world.

426

00:27:03,000 --> 00:27:08,000

For example, in Sumeria and in Babylon, they talked about a god being named Owans,

427

00:27:08,000 --> 00:27:14,000

who lived in the sea, who emerged from the sea wearing a fish cloak.

428

00:27:14,000 --> 00:27:19,000

He was an initiator of humanity who taught writing and science and other concepts.

429

00:27:19,000 --> 00:27:27,000

What's amazing about this is that Owans also founded a priesthood of beings called Apkalu priests,

430

00:27:27,000 --> 00:27:29,000

who also wore fish cloaks.

431

00:27:29,000 --> 00:27:37,000

And in Sumerian cylinder seals, we see these Apkalu priests on either side of a luminous or radiant tree of life

432

00:27:37,000 --> 00:27:39,000

with a winged disc hovering above.

433

00:27:39,000 --> 00:27:47,000

The inference is that this craft came from the sea, because these are priests of a sea being.

434

00:27:47,000 --> 00:27:53,000

And so here's an example of an ancient being emerging from the sea and connected with the craft.

435

00:27:54,000 --> 00:28:01,000

Owans belong to a group of powerful beings known in ancient Mesopotamia as the Anunnaki.

436

00:28:02,000 --> 00:28:07,000

The term Anunnaki means those who from the heavens came,

437

00:28:07,000 --> 00:28:13,000

and refers to beings descending from the sky imparting knowledge.

438

00:28:13,000 --> 00:28:20,000

That is the most important thing that we can read and learn about the Anunnaki, that they were our teachers.

439

00:28:21,000 --> 00:28:28,000

So I think it's very possible that what the ancient people tried to record was an extraterrestrial visitation.

440

00:28:29,000 --> 00:28:37,000

For ancient astronaut theorists, perhaps the most compelling evidence of an alien presence that traverses Earth's oceans

441

00:28:37,000 --> 00:28:43,000

can be found in an account from 1492, recorded by Christopher Columbus.

442

00:28:44,000 --> 00:28:49,000

It's a famous story about Christopher Columbus, and he wrote this in his journals,

443

00:28:49,000 --> 00:28:55,000

that as he was moving west across the Atlantic towards the Caribbean in his first voyage,

444

00:28:55,000 --> 00:29:01,000

he saw a light out in the ocean to the west hovering over the water,

445

00:29:01,000 --> 00:29:05,000

and this light then descended into the water.

446

00:29:05,000 --> 00:29:11,000

But Columbus felt that this light was guiding him towards his destination.

447

00:29:11,000 --> 00:29:17,000

So if this glowing object that Columbus saw did go into the water,

448

00:29:17,000 --> 00:29:23,000

he's perhaps one of the first witnesses to describe a trans-medium craft like this,

449

00:29:23,000 --> 00:29:28,000

which could hover above the water and then disappear into it like a submarine.

450

00:29:29,000 --> 00:29:35,000

Could the account of Christopher Columbus and the ancient Babylonian stories of Awanas

451

00:29:35,000 --> 00:29:40,000

have a profound connection to the object recorded from the USS Omaha?

452

00:29:40,000 --> 00:29:49,000

Do they provide further evidence that the same crafts witnessed in the distant past are still visiting Earth in the present?

453

00:29:50,000 --> 00:29:59,000

Ancient astronaut theorists say yes, and believe the ultimate proof of this can be found in the Hebrew Bible.

454

00:30:05,000 --> 00:30:10,000

Washington, D.C. June 15, 2021.

455

00:30:10,000 --> 00:30:17,000

Just outside the Capitol Building, Congressman Tim Birchit of Tennessee speaks with a reporter

456

00:30:17,000 --> 00:30:23,000

about the much anticipated government UAP report due to be released in less than two weeks.

457

00:30:23,000 --> 00:30:29,000

To the surprise of many, he suggests that UFOs have been around for all of human history

458

00:30:29,000 --> 00:30:34,000

and can even be found in the Bible's book of Ezekiel.

459

00:30:34,000 --> 00:30:41,000

I was intrigued when I heard that Congressional Representative Tim Birchit had talked about these UFOs

460

00:30:41,000 --> 00:30:46,000

and said, well, this is straight out of the Bible. This is the book of Ezekiel.

461

00:30:46,000 --> 00:30:50,000

And I thought, my goodness, he's an ancient astronaut theorist.

462

00:30:52,000 --> 00:30:59,000

We have seen a lot of unsolicited comments by congressmen, politicians, even heads of the CIA,

463

00:30:59,000 --> 00:31:03,000

have come forward and given opinion about UFOs.

464

00:31:03,000 --> 00:31:08,000

This has been such a shocking and revelatory few years about UFOs

465

00:31:08,000 --> 00:31:11,000

that you're now seeing people go back to the Bible

466

00:31:11,000 --> 00:31:16,000

and trying to understand if those events are similar to the events that we're having today.

467

00:31:16,000 --> 00:31:21,000

Congressman Birchit's bold assertion that UFOs can be found in the Bible

468

00:31:21,000 --> 00:31:26,000

was a conclusion he came to after a careful study of the book of Ezekiel.

469

00:31:27,000 --> 00:31:35,000

According to this text, the Hebrew prophet Ezekiel describes a fiery chariot coming down from the sky

470

00:31:35,000 --> 00:31:38,000

drawn by four living creatures.

471

00:31:38,000 --> 00:31:43,000

Each creature is flanked by a metallic object, a wheel within a wheel

472

00:31:43,000 --> 00:31:49,000

that Ezekiel observes as it descends in a whirlwind making tremendous noise.

473

00:31:49,000 --> 00:31:53,000

It's pretty clear what's going on in the Bible, what he's describing to me.

474

00:31:53,000 --> 00:31:55,000

I've read it many times.

475

00:31:55,000 --> 00:31:59,000

You've got to realize Ezekiel was in 6th century BC,

476

00:31:59,000 --> 00:32:04,000

but he basically describes what I would say was what people describe as a UFO.

477

00:32:05,000 --> 00:32:08,000

I mean, it's a wheel within a wheel, there's fire, there's a landing gear.

478

00:32:08,000 --> 00:32:13,000

To me it sounds like there's a craft landing and there are smaller craft around it

479

00:32:13,000 --> 00:32:16,000

that are providing protection for it.

480

00:32:16,000 --> 00:32:18,000

And you know, that's what we see.

481

00:32:18,000 --> 00:32:22,000

When you see the president land in a helicopter, there's not just one helicopter,

482

00:32:22,000 --> 00:32:24,000

there's multiple helicopters.

483

00:32:24,000 --> 00:32:29,000

So to me it sounds like Ezekiel saw something that he could not accurately describe

484

00:32:29,000 --> 00:32:34,000

and he used things around him that he would see in a day-to-day basis to describe what he saw.

485

00:32:35,000 --> 00:32:41,000

The closest thing he has is a wheel, because that was the pinnacle of technology at that time, was a wheel.

486

00:32:41,000 --> 00:32:49,000

To Congressman Birchit and many others, the Navy videos indicate that crafts like those seen by Ezekiel

487

00:32:49,000 --> 00:32:51,000

are still with us in the present.

488

00:32:51,000 --> 00:32:56,000

I think it's the same type of thing that's being depicted in olden times that's being depicted today.

489

00:32:56,000 --> 00:33:01,000

Some of those Navy tapes, there's just too much similarity for it not to be.

490

00:33:01,000 --> 00:33:05,000

If you heard those Navy pilots, they're the sharpest we've got.

491

00:33:07,000 --> 00:33:11,000

You can tell they're excited and they're trying to explain what they're seeing.

492

00:33:11,000 --> 00:33:14,000

Much like Ezekiel would try to define what he was seeing.

493

00:33:14,000 --> 00:33:20,000

And so I think that it proves that we're definitely not alone.

494

00:33:21,000 --> 00:33:27,000

To many UFO researchers, the only difference between ancient sightings like Ezekiel's

495

00:33:27,000 --> 00:33:33,000

and modern 21st century encounters is that today, people have the technology to record them.

496

00:33:35,000 --> 00:33:43,000

We have seen throughout history that individuals will testify to seeing in the sky, you know, shields on fire

497

00:33:43,000 --> 00:33:46,000

or things that just are not aerodynamic.

498

00:33:46,000 --> 00:33:52,000

Now, because of the nature of our technology and our corroborative evidence,

499

00:33:52,000 --> 00:33:58,000

we have more information to say, yes, this happened exactly like this witness said it happened.

500

00:33:58,000 --> 00:34:01,000

We just didn't have that 150 years ago.

501

00:34:01,000 --> 00:34:03,000

We just didn't have that capability.

502

00:34:03,000 --> 00:34:10,000

The difference now is that we are able to artificially capture these craft and these objects

503

00:34:10,000 --> 00:34:15,000

to a precise measuring of the rotation and the speeds.

504

00:34:15,000 --> 00:34:17,000

That is just something we did not have before.

505

00:34:17,000 --> 00:34:20,000

We did not have it before, but we have it now.

506

00:34:20,000 --> 00:34:23,000

So it's kind of an exciting time to be alive.

507

00:34:24,000 --> 00:34:33,000

Countless times, our ancestors referred to these things up in the sky as flying shields or flying furnaces.

508

00:34:33,000 --> 00:34:42,000

Today, we actually refer to that as flying craft, flying machines, unidentified aerial phenomena.

509

00:34:42,000 --> 00:34:46,000

Back then, people didn't have those words.

510

00:34:46,000 --> 00:34:53,000

And so, in my opinion, there is a clear connection between the sightings that we have today

511

00:34:53,000 --> 00:34:59,000

and the sightings that we have in the past, because if we would not have the vocabulary,

512

00:34:59,000 --> 00:35:05,000

what we see in those Navy videos can be described as a flying shield.

513

00:35:05,000 --> 00:35:11,000

These kinds of images have been with us throughout our entire history,

514

00:35:11,000 --> 00:35:15,000

and they're all telling the same thing.

515

00:35:15,000 --> 00:35:22,000

That the ancient astronauts never left the same visitors that we've had back then

516

00:35:22,000 --> 00:35:28,000

are showing themselves again, and this time publicly, it's incredible.

517

00:35:30,000 --> 00:35:35,000

As the photographic and video evidence of UFOs continues to grow,

518

00:35:35,000 --> 00:35:40,000

so too does the number of people who believe that governments around the world

519

00:35:40,000 --> 00:35:42,000

know more than they are disclosing.

520

00:35:42,000 --> 00:35:48,000

The idea that there's an alien presence and the idea that the US government, amongst others,

521

00:35:48,000 --> 00:35:53,000

knows about all this is coming out of the fringe and into the mainstream.

522

00:35:53,000 --> 00:35:56,000

Now you hear people in Congress talk about it.

523

00:35:56,000 --> 00:36:00,000

We do not need to fear these airborne and unidentified objects.

524

00:36:00,000 --> 00:36:04,000

They would have shown themselves to be dangerous a long time ago by now if they were a threat.

525

00:36:04,000 --> 00:36:09,000

I wished our intelligence community would release everything they have on that.

526

00:36:09,000 --> 00:36:13,000

The higher-ups put out a lot that some of these recent tapes were just sort of a joke.

527

00:36:13,000 --> 00:36:17,000

It was an anomaly. We sure have had a heck of a lot of anomalies.

528

00:36:17,000 --> 00:36:20,000

I think there's a lot more going on to this.

529

00:36:20,000 --> 00:36:24,000

I've talked to military people that when something like this happens,

530

00:36:24,000 --> 00:36:27,000

they are generally told not to bring it up.

531

00:36:27,000 --> 00:36:31,000

They can have psychic evaluations, they can have things put in their records,

532

00:36:31,000 --> 00:36:34,000

and they're encouraged not to bring these kind of things up.

533

00:36:35,000 --> 00:36:39,000

If the United States government and other governments around the world

534

00:36:39,000 --> 00:36:44,000

were to reveal all the evidence they have concerning UFOs,

535

00:36:44,000 --> 00:36:50,000

would it show irrefutable proof that there is an alien air force on Earth?

536

00:36:50,000 --> 00:36:56,000

Ancient astronaut theorists suspect that truth is even more incredible,

537

00:36:56,000 --> 00:37:00,000

and that hidden away in top-secret facilities around the globe

538

00:37:00,000 --> 00:37:04,000

are recovered extraterrestrial craft.

539

00:37:09,000 --> 00:37:12,000

Houston, Texas, 2019.

540

00:37:12,000 --> 00:37:17,000

NASA's Advanced Propulsion Physics Lab, known as the Eagle Works Project,

541

00:37:17,000 --> 00:37:21,000

announces that based on their latest experiments,

542

00:37:21,000 --> 00:37:25,000

they now believe it is possible to create an actual warp drive

543

00:37:25,000 --> 00:37:30,000

and a spacecraft that can travel faster than the speed of light.

544

00:37:30,000 --> 00:37:36,000

The team at NASA's Eagle Works has been trying to reproduce a warp field,

545

00:37:36,000 --> 00:37:40,000

and the results have been right at the edge of experimental error right now,

546

00:37:40,000 --> 00:37:43,000

so they're not ready to go build the Starship Enterprise,

547

00:37:43,000 --> 00:37:46,000

but it's possible that they can do an experiment that says

548

00:37:46,000 --> 00:37:50,000

we could build the Starship Enterprise if we put enough work into it.

549

00:37:51,000 --> 00:37:54,000

While some believe that such a revolutionary technology

550

00:37:54,000 --> 00:37:58,000

is purely the result of human ingenuity,

551

00:37:58,000 --> 00:38:01,000

others maintain that such advances are possible

552

00:38:01,000 --> 00:38:05,000

because secret government agencies possess and are able to study

553

00:38:05,000 --> 00:38:08,000

crashed alien vehicles.

554

00:38:08,000 --> 00:38:15,000

It is a theory that goes back to the famous Roswell crash of 1947.

555

00:38:16,000 --> 00:38:19,000

Roswell happened in 47 Roswell, New Mexico.

556

00:38:19,000 --> 00:38:21,000

They put out a UFO crash.

557

00:38:21,000 --> 00:38:23,000

It was on the headlines of the papers.

558

00:38:23,000 --> 00:38:25,000

Then the next day they came back and said,

559

00:38:25,000 --> 00:38:27,000

no, in fact, it was a weather balloon,

560

00:38:27,000 --> 00:38:31,000

and it just contradicted everything everybody had said.

561

00:38:32,000 --> 00:38:36,000

Many have alleged that the U.S. government secretly retrieved

562

00:38:36,000 --> 00:38:39,000

an alien spacecraft from Roswell.

563

00:38:39,000 --> 00:38:43,000

In 1989, a scientist named Bob Lazar

564

00:38:43,000 --> 00:38:46,000

even came forward to say that he worked for the U.S. government,

565

00:38:46,000 --> 00:38:50,000

reverse engineering, crashed extraterrestrial vehicles,

566

00:38:50,000 --> 00:38:54,000

divulging incredible details about the secret project

567

00:38:54,000 --> 00:38:56,000

in the years that followed.

568

00:38:56,000 --> 00:39:01,000

The government is holding nine alien spacecraft

569

00:39:01,000 --> 00:39:07,000

that are repelled by a modified gravity generator.

570

00:39:07,000 --> 00:39:12,000

It's being, work is being conducted 15 miles south of the lake.

571

00:39:12,000 --> 00:39:17,000

The only reason you know about UFOs in Area 51

572

00:39:17,000 --> 00:39:21,000

and that connection is because of Bob Lazar.

573

00:39:21,000 --> 00:39:24,000

He was faced with a lot of adversity through this,

574

00:39:24,000 --> 00:39:27,000

but in my eyes, he's telling you the truth,

575

00:39:27,000 --> 00:39:30,000

and it's backed up time and time again.

576

00:39:31,000 --> 00:39:35,000

For decades, the U.S. government denied Lazar's claims

577

00:39:35,000 --> 00:39:38,000

as well as the existence of the facility

578

00:39:38,000 --> 00:39:43,000

where he said the alien craft were being held, Area 51.

579

00:39:44,000 --> 00:39:48,000

But in 2013, a Freedom of Information Act request

580

00:39:48,000 --> 00:39:53,000

finally forced officials to admit that Area 51 is real.

581

00:39:54,000 --> 00:39:57,000

For the government to say the things they say

582

00:39:57,000 --> 00:40:00,000

and to hold back on these reports,

583

00:40:00,000 --> 00:40:04,000

it goes back to Roswell or any of those others.

584

00:40:04,000 --> 00:40:08,000

Spots, it's just nobody trusts the government.

585

00:40:08,000 --> 00:40:11,000

They don't trust government, and frankly, they should.

586

00:40:11,000 --> 00:40:13,000

We don't keep our word on anything.

587

00:40:13,000 --> 00:40:16,000

The United States isn't the only country

588

00:40:16,000 --> 00:40:20,000

accused of covering up attempts to study alien craft.

589

00:40:21,000 --> 00:40:24,000

Many believe the Russians have a similar UFO program

590

00:40:24,000 --> 00:40:26,000

at a site called Kapustin Yar,

591

00:40:26,000 --> 00:40:30,000

often nicknamed the Russian Area 51.

592

00:40:31,000 --> 00:40:34,000

Kapustin Yar was one of the former Soviet Union's

593

00:40:34,000 --> 00:40:36,000

most secretive air bases.

594

00:40:36,000 --> 00:40:39,000

The rumor is, is they were reverse engineering

595

00:40:39,000 --> 00:40:41,000

UFO technology.

596

00:40:41,000 --> 00:40:43,000

It could be as much as a thousand years in advance

597

00:40:43,000 --> 00:40:45,000

of what we have today.

598

00:40:46,000 --> 00:40:49,000

Recovered alien vehicles are also rumored to be held

599

00:40:49,000 --> 00:40:53,000

at the Pine Gap Military Base in Australia,

600

00:40:53,000 --> 00:40:58,000

at a mysterious desert airfield in the Xinjiang region of China,

601

00:40:58,000 --> 00:41:01,000

and at Rudlow Manor in England.

602

00:41:01,000 --> 00:41:05,000

With these craft coming from other planets

603

00:41:05,000 --> 00:41:09,000

and other solar systems, this is clearly a very advanced technology.

604

00:41:09,000 --> 00:41:14,000

And we are now trying to catch up to these extraterrestrials

605

00:41:14,000 --> 00:41:18,000

and have the same kind of technology that they already have.

606

00:41:18,000 --> 00:41:21,000

It's clear that it's something we don't understand

607

00:41:21,000 --> 00:41:23,000

and we're not sure where it comes from,

608

00:41:23,000 --> 00:41:25,000

and I just wish they'd just say that.

609

00:41:25,000 --> 00:41:27,000

They think that the American public can't handle it

610

00:41:27,000 --> 00:41:30,000

and they can in fact handle it, I think, very well.

611

00:41:30,000 --> 00:41:33,000

Is it possible that the sensational footage

612

00:41:33,000 --> 00:41:36,000

recently released by the U.S. Navy

613

00:41:36,000 --> 00:41:39,000

features the same type of aerial vehicles

614

00:41:39,000 --> 00:41:42,000

that were documented by our ancestors?

615

00:41:42,000 --> 00:41:45,000

Do we now have overwhelming evidence

616

00:41:45,000 --> 00:41:48,000

that alien craft not only exist,

617

00:41:48,000 --> 00:41:52,000

but have been present on planet Earth for thousands of years?

618

00:41:52,000 --> 00:41:55,000

Perhaps when we discover just who is behind

619

00:41:55,000 --> 00:41:58,000

the UFO phenomenon, we will uncover

620

00:41:58,000 --> 00:42:01,000

an even more profound truth

621

00:42:01,000 --> 00:42:06,000

that extraterrestrials have been living among us all along.
