

1

00:00:00,000 --> 00:00:06,000

An incredible eyewitness account of unidentified flying objects.

2

00:00:06,000 --> 00:00:10,000

So it wasn't just one light, it was a series of lights.

3

00:00:10,000 --> 00:00:15,000

A sensational report of an alien crash.

4

00:00:15,000 --> 00:00:18,000

They have the debris out here in the hangar area.

5

00:00:18,000 --> 00:00:23,000

Ancient depictions of extraterrestrial visitation.

6

00:00:23,000 --> 00:00:29,000

I'm arguing that what we are looking at here is someone visiting from the sky.

7

00:00:29,000 --> 00:00:35,000

For more than a decade, ancient aliens has followed investigators across the globe

8

00:00:35,000 --> 00:00:44,000

as they've gone directly to the sites where unusual, unexpected and unexplained incidents have been reported.

9

00:00:44,000 --> 00:00:49,000

Now, we take a look back at the most extraordinary encounters.

10

00:00:49,000 --> 00:00:53,000

Encounters that according to ancient astronaut theorists,

11

00:00:53,000 --> 00:00:59,000

reveal overwhelming evidence of an extraterrestrial presence on Earth.

12

00:01:16,000 --> 00:01:22,000

On ancient aliens, we've traveled around the world investigating extraordinary encounters with UFOs,

13

00:01:22,000 --> 00:01:26,000

strange beings and other unexplainable phenomena.

14

00:01:26,000 --> 00:01:32,000

But make no mistake, alien encounters are not simply a modern day occurrence.

15

00:01:32,000 --> 00:01:35,000

They've been happening for thousands of years.

16

00:01:35,000 --> 00:01:39,000

And when I visited the Mediterranean island of Sardinia,

17

00:01:39,000 --> 00:01:43,000

I found some of the most compelling evidence that I've ever seen.

18

00:01:44,000 --> 00:01:49,000

Sardinia, Italy. May 2018.

19

00:01:49,000 --> 00:01:56,000

Ancient astronaut theorist, Giorgio Suclos, is meeting Oak Island treasure hunter Marty Laguna

20

00:01:56,000 --> 00:02:00,000

to explore the island's mysterious legends of other worldly visitors.

21

00:02:00,000 --> 00:02:03,000

Giorgio, how crazy is this place?

22

00:02:03,000 --> 00:02:07,000

Isn't this something so great to meet you here in Sardinia?

23

00:02:07,000 --> 00:02:14,000

To begin their investigation, Giorgio and Marty travel to the National Archaeological Museum in Collieri,

24

00:02:14,000 --> 00:02:20,000

where some of Sardinia's oldest and strangest artifacts are on display.

25

00:02:20,000 --> 00:02:25,000

It's just all weird. And that this helmet on, those weird eyes.

26

00:02:25,000 --> 00:02:33,000

Featured in the museum's collection are a number of enormous stone statues known as the giants of Monte Prama.

27

00:02:33,000 --> 00:02:42,000

They were first discovered in 1974, when a local farmer stumbled upon a large carved stone protruding from the ground.

28

00:02:42,000 --> 00:02:49,000

Archaeologists quickly took over the site, recovering more than 5,000 broken remnants.

29

00:02:49,000 --> 00:02:55,000

Mainstream historians suggest the statues were carved by the Nerogic people,

30

00:02:55,000 --> 00:03:01,000

a civilization that is believed to have inhabited the island for 2,000 years,

31

00:03:01,000 --> 00:03:08,000

emerging in 1800 BC and mysteriously disappearing around 200 AD.

32

00:03:09,000 --> 00:03:16,000

But what also makes the statues so mysterious is the strange way in which the faces are carved,

33

00:03:16,000 --> 00:03:24,000

not so much resembling humans, but what some might describe as robots.

34

00:03:24,000 --> 00:03:30,000

The giant statues found at Monte Prama were approximately 7.5 to 8 feet tall.

35

00:03:30,000 --> 00:03:34,000

You have warriors and boxers and archers.

36

00:03:34,000 --> 00:03:38,000

The statues themselves are just noted for their size.

37

00:03:38,000 --> 00:03:46,000

And it's thought that they represent the Nerogic people, that this is actually what we might have that looks like them.

38

00:03:46,000 --> 00:03:50,000

If he's a model of that, why doesn't he have disguise?

39

00:03:50,000 --> 00:03:54,000

Because he doesn't have disguise, and he certainly could.

40

00:03:54,000 --> 00:04:00,000

What I find intriguing is that the giants of Monte Prama, although they were discovered in the 1970s,

41

00:04:00,000 --> 00:04:05,000

were not put on display until sometime near the year 2000.

42

00:04:05,000 --> 00:04:12,000

And I believe that the statues simply do not conform to the conventional archaeological narrative on the island,

43

00:04:12,000 --> 00:04:19,000

and instead point to the reality that there was something very unusual happening on this island.

44

00:04:19,000 --> 00:04:25,000

This is very human, except it has weird eyes and disproportionate eyes.

45

00:04:25,000 --> 00:04:29,000

When you look at these stone figurines, they are extremely peculiar.

46

00:04:29,000 --> 00:04:33,000

They give the impression of actually being giants.

47

00:04:33,000 --> 00:04:41,000

The strange things about the statues is that they have these very strange circular eyes

48

00:04:41,000 --> 00:04:45,000

that almost give them an otherworldly feel.

49

00:04:45,000 --> 00:04:49,000

After their visit to the museum, George Yon-Marty

50

00:04:49,000 --> 00:04:54,000

meet at a nearby restaurant with archaeological tour guide Maria Paola Loe

51

00:04:54,000 --> 00:04:59,000

who is offered to share with them some of Sardinia's local legends.

52

00:04:59,000 --> 00:05:02,000

How are you? Ciao, pleased to meet you. Welcome to Sardinia.

53

00:05:02,000 --> 00:05:04,000

That's you. Fantastic.

54

00:05:04,000 --> 00:05:07,000

Yeah. Okay. Did you go to the museum? We did.

55

00:05:07,000 --> 00:05:12,000

Oh, yeah. Tell me what you think about the finds that are displayed there.

56

00:05:12,000 --> 00:05:18,000

I mean, up until about six months ago, I had no idea about these statues here.

57

00:05:18,000 --> 00:05:23,000

So now, when I saw these statues of the gigante for the first time

58

00:05:23,000 --> 00:05:28,000

not only did the eyes remind me of C-3PO from Star Wars

59

00:05:28,000 --> 00:05:35,000

but also there are these giant eyed statues in Tel Azmar

60

00:05:35,000 --> 00:05:39,000

from the ancient Sumerian and Babylonian times.

61

00:05:39,000 --> 00:05:46,000

Originally, the archaeologists and also scholars who mentioned the New Rajic civilization

62

00:05:46,000 --> 00:05:51,000

said that these people probably arrived from Mesopotamia.

63

00:05:51,000 --> 00:05:54,000

So the Anunnaki wrote...

64

00:05:54,000 --> 00:05:56,000

The Anunnaki?

65

00:05:56,000 --> 00:06:00,000

The race of winged giants has described in ancient Sumerian texts

66

00:06:00,000 --> 00:06:05,000

and frequently depicted on the temples and icons of ancient Babylon?

67

00:06:05,000 --> 00:06:10,000

There are a lot of connections between the Sardinian language

68

00:06:10,000 --> 00:06:14,000

and the different languages of Mesopotamia

69

00:06:14,000 --> 00:06:19,000

suggesting that the Sumerians did actually come to Sardinia.

70

00:06:19,000 --> 00:06:24,000

They would have brought with them the traditions to do with the Anunnaki,

71

00:06:24,000 --> 00:06:30,000

the gods of heaven and earth, which many people believe were celestial beings.

72

00:06:33,000 --> 00:06:38,000

Might the mysterious giants of Monte Prama have been inspired by encounters

73

00:06:38,000 --> 00:06:42,000

with extraterrestrial visitors?

74

00:06:42,000 --> 00:06:46,000

The ancient astronauts not only say yes,

75

00:06:46,000 --> 00:06:51,000

but they believe that dozens of carved stones found scattered across Sardinia,

76

00:06:51,000 --> 00:06:57,000

known as Menhir's, tell the story of how these beings arrived on planet Earth.

77

00:06:57,000 --> 00:07:04,000

During their trip, George Yu and Marty arranged to meet with archaeological guide Ibanamalu

78

00:07:04,000 --> 00:07:08,000

at the Menhir Museum in Likoni to get an up-close look

79

00:07:08,000 --> 00:07:11,000

at some of these strange standing stones.

80

00:07:11,000 --> 00:07:14,000

Look at the very strange circle with the spear.

81

00:07:14,000 --> 00:07:16,000

What do you think Marty, what is there?

82

00:07:16,000 --> 00:07:19,000

I'm not sure what that is and I'm not sure what this is either.

83

00:07:19,000 --> 00:07:23,000

Now you tell me, please, what should I be seeing?

84

00:07:23,000 --> 00:07:28,000

It's a guy going down to go into another dimension.

85

00:07:28,000 --> 00:07:32,000

Do not ask me where or which are the war,

86

00:07:32,000 --> 00:07:37,000

but he's going on a trip on a journey going from point A to point B.

87

00:07:37,000 --> 00:07:41,000

Whenever it really symbolizes it was very important.

88

00:07:41,000 --> 00:07:44,000

This took an enormous amount of work, just this.

89

00:07:44,000 --> 00:07:45,000

I mean, it's very heavy.

90

00:07:45,000 --> 00:07:48,000

It's done in relief, which is the hard way to do a carving.

91

00:07:48,000 --> 00:07:50,000

I think it's a...

92

00:07:50,000 --> 00:07:52,000

What do you think that represents?

93

00:07:52,000 --> 00:07:55,000

We have people with two wings on each side.

94

00:07:55,000 --> 00:07:59,000

You know, it's almost like an early version of some type of an angel.

95

00:07:59,000 --> 00:08:06,000

I'm arguing that what we are looking at here is someone visiting from the sky.

96

00:08:06,000 --> 00:08:12,000

You know what I find beyond fascinating is this shape down here,

97

00:08:12,000 --> 00:08:18,000

which mainstream archaeology suggests is some type of a weapon, some type of a dagger,

98

00:08:18,000 --> 00:08:20,000

which makes perfect sense.

99

00:08:20,000 --> 00:08:26,000

But in conjunction with this symbol right here and that,

100

00:08:26,000 --> 00:08:33,000

one could argue that this is a representation of some type of misunderstood technology

101

00:08:33,000 --> 00:08:37,000

that illustrates some type of a flying craft.

102

00:08:37,000 --> 00:08:39,000

Fascinating.

103

00:08:39,000 --> 00:08:44,000

Is it possible that the imagery carved onto the manhirs of Sardinia,

104

00:08:44,000 --> 00:08:47,000

as well as the stone giants of Monte Prama,

105

00:08:47,000 --> 00:08:52,000

tell a story of extraterrestrial visitation in the distant past,

106

00:08:52,000 --> 00:08:55,000

as ancient astronaut theorists suggest?

107

00:08:55,000 --> 00:09:00,000

And if so, could these mysterious figures be the same beings

108

00:09:00,000 --> 00:09:05,000

that some people believe are visiting mankind today?

109

00:09:05,000 --> 00:09:12,000

Perhaps further clues can be found by examining a modern-day report of a crashed UFO.

110

00:09:17,000 --> 00:09:22,000

When it comes to extraordinary encounters, we are living in the most exciting time

111

00:09:22,000 --> 00:09:26,000

because governments all around the world are finally admitting

112

00:09:26,000 --> 00:09:32,000

that there are unidentified aerial phenomena that simply have no conventional explanation.

113

00:09:32,000 --> 00:09:34,000

But this hasn't always been the case.

114

00:09:34,000 --> 00:09:38,000

And when I visited the site of a UAP report in Wales,

115

00:09:38,000 --> 00:09:43,000

I was completely blown away by what the government tried to cover up.

116

00:09:46,000 --> 00:09:51,000

San Dreslo, Wales, January 23, 1974.

117

00:09:52,000 --> 00:09:56,000

Late in the evening, this quiet rural village in the Burwin Mountains

118

00:09:56,000 --> 00:09:59,000

is wracked by an enormous explosion.

119

00:10:02,000 --> 00:10:08,000

14-year-old Hugh Lloyd is in his home watching television when he feels the impact

120

00:10:08,000 --> 00:10:12,000

and then receives call after call from his neighbors,

121

00:10:12,000 --> 00:10:17,000

most claiming to have seen an incredibly bright light falling from the sky

122

00:10:17,000 --> 00:10:20,000

and then glowing on the mountain side.

123

00:10:22,000 --> 00:10:28,000

Today, Hugh Lloyd still works on his father's ranch in San Dreslo.

124

00:10:28,000 --> 00:10:29,000

Are you Hugh?

125

00:10:29,000 --> 00:10:30,000

Yep.

126

00:10:30,000 --> 00:10:34,000

Ancient astronaut theorist, George Osuklos and Nick Ho,

127

00:10:34,000 --> 00:10:38,000

a former UFO investigator for the British Ministry of Defense,

128

00:10:38,000 --> 00:10:43,000

met up with Hugh to get his take on what really happened that night.

129

00:10:43,000 --> 00:10:45,000

Can you tell us your experience?

130

00:10:45,000 --> 00:10:48,000

Well, I was home with my two sisters and my neighbor.

131

00:10:48,000 --> 00:10:52,000

We were basically watching television and it was just like a thud.

132

00:10:52,000 --> 00:10:55,000

The next thing, the whole place started shaking quite violently.

133

00:10:55,000 --> 00:10:57,000

You know, this was like a tremor.

134

00:10:57,000 --> 00:11:00,000

And then we were all a bit stunned and the phone started ringing.

135

00:11:00,000 --> 00:11:03,000

So neighbors and things, you know, saying, what the hell was that?

136

00:11:03,000 --> 00:11:04,000

Are you OK?

137

00:11:04,000 --> 00:11:07,000

You put the phone down and then the neighbor with the phone.

138

00:11:07,000 --> 00:11:10,000

Your neighbors called you to ask you if you're OK,

139

00:11:10,000 --> 00:11:12,000

so they pretty much had similar experiences?

140

00:11:12,000 --> 00:11:13,000

Oh, yes, yeah.

141

00:11:13,000 --> 00:11:15,000

So you're not the only one?

142

00:11:15,000 --> 00:11:16,000

No.

143

00:11:16,000 --> 00:11:18,000

What time of evening was this?

144

00:11:18,000 --> 00:11:20,000

It was roughly 20 to 9.

145

00:11:20,000 --> 00:11:23,000

So, you know, some people have suggested that, well,

146

00:11:23,000 --> 00:11:25,000

it was nothing else but an earthquake.

147

00:11:25,000 --> 00:11:26,000

Yeah.

148

00:11:26,000 --> 00:11:27,000

Which I don't subscribe to this idea,

149

00:11:27,000 --> 00:11:30,000

but have you had any earthquakes around here?

150

00:11:30,000 --> 00:11:31,000

Nothing like that, no.

151

00:11:31,000 --> 00:11:35,000

But at the time, they were trying to say that the lights people had seen

152

00:11:35,000 --> 00:11:41,000

were people with what do you call them, lamping, you know, after foxes and rabbits.

153

00:11:41,000 --> 00:11:45,000

But you saw that light and it was much, much brighter

154

00:11:45,000 --> 00:11:46,000

than people lamping.

155

00:11:46,000 --> 00:11:47,000

Yeah.

156

00:11:47,000 --> 00:11:49,000

I mean, it was something almost blinding.

157

00:11:49,000 --> 00:11:51,000

Well, I've never seen a light like it before

158

00:11:51,000 --> 00:11:53,000

and I've never seen anything like it since.

159

00:11:53,000 --> 00:11:55,000

Wow.

160

00:11:55,000 --> 00:11:59,000

The community of Sandri Slav was shaken by the mysterious event,

161

00:11:59,000 --> 00:12:04,000

which became known as the Burwin Mountains Incident.

162

00:12:04,000 --> 00:12:09,000

That night, dozens of residents called the region's emergency line

163

00:12:09,000 --> 00:12:12,000

to report a bright light followed by a mysterious object

164

00:12:12,000 --> 00:12:15,000

seen streaking across the night sky.

165

00:12:15,000 --> 00:12:20,000

Curiously, approximately 30 minutes after the reports were made,

166

00:12:20,000 --> 00:12:25,000

a police officer arrived at the home of eyewitness Hugh Lloyd.

167

00:12:28,000 --> 00:12:31,000

There's a knock on the door and there was a police officer there.

168

00:12:31,000 --> 00:12:34,000

And he said, this has been a reporter with plain crash.

169

00:12:34,000 --> 00:12:37,000

And I remember our neighbour saying, oh, he's quite important.

170

00:12:37,000 --> 00:12:39,000

He's got pips on his shoulder.

171

00:12:39,000 --> 00:12:41,000

Right, so a senior officer.

172

00:12:41,000 --> 00:12:43,000

Not one of the local.

173

00:12:43,000 --> 00:12:44,000

No.

174

00:12:44,000 --> 00:12:46,000

Because the police turned up.

175

00:12:46,000 --> 00:12:48,000

I just assumed there was a plain crash here, you know?

176

00:12:48,000 --> 00:12:50,000

A plain crash?

177

00:12:50,000 --> 00:12:53,000

For Nick Pope, who worked at the Ministry of Defence

178

00:12:53,000 --> 00:12:55,000

and has seen the file on this incident,

179

00:12:55,000 --> 00:12:58,000

this is a surprising new detail.

180

00:12:58,000 --> 00:13:04,000

The official report only mentions a meteor and nothing about a plane.

181

00:13:06,000 --> 00:13:09,000

The theory initially that this was a plain crash

182

00:13:09,000 --> 00:13:12,000

and that this police and military operation

183

00:13:12,000 --> 00:13:15,000

was a search and rescue or search and recovery,

184

00:13:15,000 --> 00:13:16,000

that's fine.

185

00:13:16,000 --> 00:13:19,000

But I mean, you know, we know where our planes are.

186

00:13:19,000 --> 00:13:24,000

There is 24-7 radar coverage, civilian aircraft.

187

00:13:24,000 --> 00:13:25,000

Even back then?

188

00:13:25,000 --> 00:13:27,000

Yeah, absolutely.

189

00:13:27,000 --> 00:13:29,000

Planes don't just drop out of the sky.

190

00:13:29,000 --> 00:13:33,000

And if they do, immediately everyone knows which aircraft it is.

191

00:13:33,000 --> 00:13:35,000

So it seems odd.

192

00:13:35,000 --> 00:13:36,000

Yes.

193

00:13:36,000 --> 00:13:38,000

And I remember the inspector saying,

194

00:13:38,000 --> 00:13:40,000

I don't know the exact word,

195

00:13:40,000 --> 00:13:42,000

I'd like to commandeer your land rover if you can,

196

00:13:42,000 --> 00:13:44,000

to take us up there.

197

00:13:49,000 --> 00:13:52,000

The officer commandeered the family's truck

198

00:13:52,000 --> 00:13:55,000

and drove with Hugh to the crash site.

199

00:13:55,000 --> 00:13:58,000

Nick and Giorgio were taken on the exact same journey

200

00:13:58,000 --> 00:14:01,000

that was made that night.

201

00:14:01,000 --> 00:14:03,000

How high is the mountain?

202

00:14:03,000 --> 00:14:06,000

At the very top, about 2,800 feet.

203

00:14:06,000 --> 00:14:09,000

You know, one thing that struck me is

204

00:14:09,000 --> 00:14:11,000

this is a pretty difficult drive.

205

00:14:11,000 --> 00:14:13,000

So you've got to be pretty determined

206

00:14:13,000 --> 00:14:15,000

to get a whole bunch of people up here.

207

00:14:15,000 --> 00:14:16,000

Yes.

208

00:14:16,000 --> 00:14:18,000

And for what purpose?

209

00:14:18,000 --> 00:14:21,000

Unless it's really something of importance.

210

00:14:21,000 --> 00:14:25,000

Yeah, this is not to be undertaken lightly, is it?

211

00:14:25,000 --> 00:14:26,000

No.

212

00:14:26,000 --> 00:14:28,000

According to Hugh, the police inspector

213

00:14:28,000 --> 00:14:31,000

directed him to stop at this spot.

214

00:14:31,000 --> 00:14:34,000

Although the inspector was allegedly not familiar with the area

215

00:14:34,000 --> 00:14:37,000

and seemed to have no reason for doing so.

216

00:14:37,000 --> 00:14:40,000

It was at this location that Hugh witnessed

217

00:14:40,000 --> 00:14:43,000

an incredibly bright light in the distance.

218

00:14:43,000 --> 00:14:45,000

So down there?

219

00:14:45,000 --> 00:14:47,000

You're both to the left there.

220

00:14:47,000 --> 00:14:48,000

OK.

221

00:14:48,000 --> 00:14:49,000

Just over there.

222

00:14:49,000 --> 00:14:52,000

There's a little clump of trees to the left of the valley.

223

00:14:52,000 --> 00:14:54,000

That's where the lights were.

224

00:14:56,000 --> 00:14:59,000

When this light appeared, did it seem to you

225

00:14:59,000 --> 00:15:01,000

as if it was an explosion?

226

00:15:01,000 --> 00:15:02,000

No.

227

00:15:02,000 --> 00:15:06,000

This was definitely a very strong white light from the ground.

228

00:15:06,000 --> 00:15:08,000

And how long was it shining for?

229

00:15:08,000 --> 00:15:10,000

No more than 15 seconds.

230

00:15:13,000 --> 00:15:17,000

According to Hugh, the inspector wanted to get a closer look

231

00:15:17,000 --> 00:15:21,000

at the mysterious light, but then received a curious command

232

00:15:21,000 --> 00:15:23,000

from his superiors.

233

00:15:23,000 --> 00:15:27,000

He asked me, can you take the vehicle with a source of lightness?

234

00:15:27,000 --> 00:15:30,000

So we went back down that way a quarter of a mile,

235

00:15:30,000 --> 00:15:34,000

and turned left on the track, and then this radio message came

236

00:15:34,000 --> 00:15:36,000

and said, come back with the first light.

237

00:15:36,000 --> 00:15:39,000

So it sounds like it was a stand down call?

238

00:15:39,000 --> 00:15:40,000

Yes.

239

00:15:40,000 --> 00:15:43,000

That bugs me to this day if they were looking for the crash site.

240

00:15:43,000 --> 00:15:44,000

Why?

241

00:15:44,000 --> 00:15:46,000

When you were half a mile away from where we wanted to go,

242

00:15:46,000 --> 00:15:47,000

they were called down?

243

00:15:47,000 --> 00:15:48,000

Yes.

244

00:15:48,000 --> 00:15:49,000

This makes sense.

245

00:15:52,000 --> 00:15:56,000

In the days following the incident, Royal Air Force personnel

246

00:15:56,000 --> 00:16:00,000

scientists, journalists, and UFO enthusiasts

247

00:16:00,000 --> 00:16:05,000

combed the surrounding land and interviewed locals at length.

248

00:16:05,000 --> 00:16:09,000

Curiously, the official explanation for these events

249

00:16:09,000 --> 00:16:13,000

provided by the Ministry of Defense did not include

250

00:16:13,000 --> 00:16:15,000

either Fox hunters or a plane crash,

251

00:16:15,000 --> 00:16:19,000

as was told to Hugh that night.

252

00:16:19,000 --> 00:16:25,000

And the story they did provide involves an incredible coincidence.

253

00:16:26,000 --> 00:16:30,000

The story is apparently that there was an earthquake

254

00:16:30,000 --> 00:16:32,000

that hit the village.

255

00:16:32,000 --> 00:16:38,000

But at the same time, there was a bright fireball meteor

256

00:16:38,000 --> 00:16:42,000

breaking up in the Earth's atmosphere.

257

00:16:42,000 --> 00:16:48,000

So not one extraordinary event, but two at exactly the same time.

258

00:16:48,000 --> 00:16:52,000

Over the years, the UFO community has become convinced

259

00:16:52,000 --> 00:16:55,000

that this was indeed a UFO crash,

260

00:16:55,000 --> 00:16:59,000

that the military launched a secret operation

261

00:16:59,000 --> 00:17:04,000

to secure the crash site, to recover the wreckage and maybe bodies,

262

00:17:04,000 --> 00:17:07,000

and to take it to a secure facility.

263

00:17:10,000 --> 00:17:14,000

More than four decades since the Burwin Mountains incident,

264

00:17:14,000 --> 00:17:17,000

the residents of Sandry Sloe are still convinced

265

00:17:17,000 --> 00:17:20,000

that the British government is hiding the truth

266

00:17:20,000 --> 00:17:23,000

about what really happened that night.

267

00:17:23,000 --> 00:17:27,000

As far as ancient astronaut theorists are concerned,

268

00:17:27,000 --> 00:17:31,000

it is part of a global effort to keep the public in the dark

269

00:17:31,000 --> 00:17:34,000

about alien activity on Earth.

270

00:17:34,000 --> 00:17:39,000

And it all started after the U.S. Army itself reported the crash

271

00:17:39,000 --> 00:17:41,000

of a flying saucer.

272

00:17:44,000 --> 00:17:49,000

On ancient aliens, we have covered some pretty incredible encounters,

273

00:17:49,000 --> 00:17:54,000

including the most famous of all, the Roswell incident in New Mexico.

274

00:17:54,000 --> 00:17:58,000

And one of the most exciting places I've ever visited

275

00:17:58,000 --> 00:18:04,000

was the airplane hangar where some say the wreckage from the Roswell crash was taken.

276

00:18:05,000 --> 00:18:10,000

Washington, D.C., April 2011.

277

00:18:10,000 --> 00:18:16,000

The FBI releases thousands of files as part of its online FBI vault.

278

00:18:17,000 --> 00:18:23,000

One particular file draws the attention of the media and independent researchers.

279

00:18:24,000 --> 00:18:31,000

The memo, dated March 22, 1950, is a briefing to FBI director J. Edgar Hoover

280

00:18:31,000 --> 00:18:38,000

regarding informed information about three flying saucers that were recovered in New Mexico.

281

00:18:39,000 --> 00:18:45,000

Investigators immediately connect the memo to the infamous Roswell incident,

282

00:18:45,000 --> 00:18:52,000

a reported UFO crash that many people believe was covered up by the military in 1947.

283

00:18:55,000 --> 00:18:59,000

But this document is just the latest in a series of government files

284

00:18:59,000 --> 00:19:05,000

that have been released in recent years, suggesting there may be more to the Roswell crash

285

00:19:05,000 --> 00:19:08,000

than the public was told.

286

00:19:10,000 --> 00:19:14,000

As an investigative reporter, I think what I am amazed by

287

00:19:14,000 --> 00:19:22,000

is how many leaked documents from the 1940s have actually come out into the world

288

00:19:22,000 --> 00:19:26,000

and lay out details about what really happened at Roswell.

289

00:19:29,000 --> 00:19:34,000

On July 4, a rancher named Mac Brazzel finds a new man,

290

00:19:34,000 --> 00:19:39,000

finds all kinds of strange silver debris.

291

00:19:39,000 --> 00:19:43,000

He knows he doesn't understand what he's walking through.

292

00:19:43,000 --> 00:19:49,000

He decides to go into Roswell and tell the sheriff something has crashed on my ranch.

293

00:19:51,000 --> 00:19:54,000

Intel, coming out of Roswell Army airfield,

294

00:19:54,000 --> 00:19:57,000

get assigned to go to the debris field.

295

00:19:57,000 --> 00:20:01,000

And these men are told that they are to pick up every single thing

296

00:20:01,000 --> 00:20:05,000

that is in the debris field on the Mac Brazzel ranch.

297

00:20:05,000 --> 00:20:07,000

Everything is to be picked up.

298

00:20:09,000 --> 00:20:16,000

On July 8, 1947, the headline on the front page of the Roswell Daily Record

299

00:20:16,000 --> 00:20:20,000

reports that the military had retrieved a flying saucer.

300

00:20:22,000 --> 00:20:27,000

But the following day, the official story is suddenly changed

301

00:20:27,000 --> 00:20:31,000

to suggest it was nothing more than a failed weather balloon.

302

00:20:33,000 --> 00:20:37,000

Roswell was the home of the 509th bomb group.

303

00:20:37,000 --> 00:20:41,000

This was the only atomic bomb capable squadron anywhere in the world.

304

00:20:41,000 --> 00:20:43,000

These people were the best of the best.

305

00:20:45,000 --> 00:20:51,000

The idea that intelligence personnel at this base would mistake a weather balloon

306

00:20:51,000 --> 00:20:55,000

for something exotic is preposterous.

307

00:20:55,000 --> 00:21:00,000

So that, arguably, is the start of the UFO cover-up.

308

00:21:00,000 --> 00:21:03,000

The world was told, nope, just a weather balloon.

309

00:21:03,000 --> 00:21:11,000

And for more than 30 years, that's where it was left, until witnesses started to surface,

310

00:21:11,000 --> 00:21:17,000

saying no, it was actually an extraterrestrial craft and that people saw alien bodies.

311

00:21:18,000 --> 00:21:27,000

In April of 2014, ancient astronaut theorist George O'Souklos

312

00:21:27,000 --> 00:21:32,000

traveled to the Roswell International Air Center in New Mexico

313

00:21:32,000 --> 00:21:37,000

to meet with the city's mayor, Dell Journey, and to get a rare look at the hangar

314

00:21:37,000 --> 00:21:42,000

where the Roswell wreckage and extraterrestrial bodies were allegedly first taken.

315

00:21:48,000 --> 00:21:50,000

Wow.

316

00:21:50,000 --> 00:21:52,000

This is huge.

317

00:21:52,000 --> 00:21:53,000

So what do you think?

318

00:21:53,000 --> 00:21:56,000

Man, I have goosebumps right now.

319

00:21:56,000 --> 00:21:58,000

I mean, we're walking on history.

320

00:21:58,000 --> 00:21:59,000

It's amazing, isn't it?

321

00:21:59,000 --> 00:22:01,000

Are you familiar with where this spot is?

322

00:22:01,000 --> 00:22:06,000

Well, you know, the information that I have says that it's probably right over here in the corner.

323

00:22:06,000 --> 00:22:09,000

They took him over there, did an examination of the bodies.

324

00:22:11,000 --> 00:22:13,000

So this is where it was.

325

00:22:13,000 --> 00:22:15,000

This is it. Yeah, come on in.

326

00:22:18,000 --> 00:22:23,000

They had the debris out here in the hangar, and they bring the bodies inside this room.

327

00:22:25,000 --> 00:22:28,000

I really don't know what to say, because I mean, if this was it,

328

00:22:28,000 --> 00:22:34,000

you're standing where extraterrestrial beings might have been.

329

00:22:37,000 --> 00:22:40,000

Where did the debris go? Where did it end up?

330

00:22:40,000 --> 00:22:42,000

Well, it ended up with the government, of course.

331

00:22:42,000 --> 00:22:46,000

My understanding is it took the bodies to Wright Patterson Air Force Base.

332

00:22:46,000 --> 00:22:51,000

Certainly, it probably took the debris as well, and have it well preserved

333

00:22:51,000 --> 00:22:53,000

in a military installation someplace.

334

00:22:56,000 --> 00:23:01,000

Is it possible that an alien craft really did crash in Roswell

335

00:23:01,000 --> 00:23:07,000

and was covered up by the U.S. government as ancient astronaut theorists suggest?

336

00:23:08,000 --> 00:23:14,000

Perhaps such encounters are harder to ignore when the witness is running for president

337

00:23:14,000 --> 00:23:16,000

of the United States.

338

00:23:20,000 --> 00:23:25,000

On Ancient Aliens, we have examined the most extraordinary encounters on record,

339

00:23:25,000 --> 00:23:31,000

and believe it or not, there are thousands of new UFO sightings reported every year.

340

00:23:31,000 --> 00:23:37,000

Of course, skeptics dismiss these accounts as misinterpretations or outright hoaxes.

341

00:23:37,000 --> 00:23:42,000

But on one episode of Ancient Aliens, Nick Pope investigated a UFO sighting

342

00:23:42,000 --> 00:23:46,000

made by a witness who's as credible as it gets,

343

00:23:46,000 --> 00:23:52,000

because this witness went public with his encounter while running for president of the United States.

344

00:23:54,000 --> 00:23:59,000

Philadelphia, Pennsylvania, October 30th, 2007.

345

00:23:59,000 --> 00:24:03,000

During the Democratic primary debate at Drexel University,

346

00:24:03,000 --> 00:24:09,000

moderator Tim Russert turns and addresses presidential candidate Dennis Kucinich.

347

00:24:09,000 --> 00:24:14,000

Congressman Kucinich, a serious question. Shirley McClain writes in her new book

348

00:24:14,000 --> 00:24:19,000

that you sighted a UFO over her home in Washington state

349

00:24:19,000 --> 00:24:25,000

that you found the encounter extremely moving, that it was a triangular craft.

350

00:24:25,000 --> 00:24:28,000

Now, did you see a UFO?

351

00:24:28,000 --> 00:24:35,000

I did, and the rest of the account, it was an unidentified flying object, okay?

352

00:24:35,000 --> 00:24:38,000

It's like it's unidentified. I saw something.

353

00:24:38,000 --> 00:24:43,000

Now, and also you have to keep in mind that Jimmy Carter saw a UFO

354

00:24:43,000 --> 00:24:48,000

and also that more people in this country have seen UFOs

355

00:24:48,000 --> 00:24:51,000

and I think approve of George Bush's presidency.

356

00:24:51,000 --> 00:24:55,000

The debate moment made national headlines.

357

00:24:55,000 --> 00:25:00,000

While Kucinich was not a front-runner, many political commentators proposed

358

00:25:00,000 --> 00:25:05,000

that this admission undoubtedly had a negative impact on his campaign.

359

00:25:05,000 --> 00:25:12,000

I think for most people it's been the notion that you are even discussing UFOs,

360

00:25:12,000 --> 00:25:14,000

tends to be viewed as a career ender.

361

00:25:14,000 --> 00:25:20,000

You know, people think you're a little bit wacky if you're taking the phenomena seriously.

362

00:25:20,000 --> 00:25:24,000

What just what did Dennis Kucinich experience?

363

00:25:25,000 --> 00:25:30,000

Seattle, Washington, February 2020.

364

00:25:30,000 --> 00:25:35,000

Former British Ministry of Defense UFO investigator Nick Hump

365

00:25:35,000 --> 00:25:41,000

has arranged to meet with Dennis Kucinich at the location of his 1982 UFO encounter.

366

00:25:41,000 --> 00:25:46,000

The former home of Academy Award-winning actress Shirley McClain.

367

00:25:46,000 --> 00:25:50,000

The home, which has since been sold, overlooked Mount Rainier.

368

00:25:50,000 --> 00:25:54,000

The sight of the infamous Kenneth Arnold Flying Saucer incident

369

00:25:54,000 --> 00:25:58,000

that ignited the UFO craze in 1947.

370

00:25:58,000 --> 00:26:01,000

Hey there, welcome.

371

00:26:01,000 --> 00:26:05,000

The current owner agreed to allow Nick and Dennis to take a look around.

372

00:26:05,000 --> 00:26:06,000

Come on in.

373

00:26:06,000 --> 00:26:08,000

Thank you.

374

00:26:08,000 --> 00:26:09,000

Wow.

375

00:26:09,000 --> 00:26:11,000

Yeah, really?

376

00:26:11,000 --> 00:26:13,000

What a fabulous view.

377

00:26:13,000 --> 00:26:15,000

Oh, look, there's nothing like this.

378

00:26:15,000 --> 00:26:19,000

This is, of course, the location where you had your UFO sighting.

379

00:26:19,000 --> 00:26:21,000

Can you tell me about it?

380

00:26:21,000 --> 00:26:26,000

Well, Nick, I was seated at a dinner table with myself and two friends.

381

00:26:26,000 --> 00:26:31,000

And I noticed a light in the distance came from the hill directly over the house.

382

00:26:31,000 --> 00:26:32,000

Come on, let me show you, OK?

383

00:26:32,000 --> 00:26:33,000

OK.

384

00:26:33,000 --> 00:26:34,000

Wow.

385

00:26:34,000 --> 00:26:35,000

So I was standing out here.

386

00:26:35,000 --> 00:26:37,000

The scope was here.

387

00:26:37,000 --> 00:26:44,000

I brought it up here so that I could get a look at the light.

388

00:26:44,000 --> 00:26:47,000

And when I looked at it, I saw it wasn't just one light,

389

00:26:47,000 --> 00:26:49,000

it was a series of lights, like a grid.

390

00:26:49,000 --> 00:26:51,000

One stacked on another.

391

00:26:51,000 --> 00:26:53,000

I went back and I looked.

392

00:26:53,000 --> 00:26:56,000

And then I saw something that was extraordinary.

393

00:26:56,000 --> 00:26:59,000

I said, the lights were separating.

394

00:26:59,000 --> 00:27:01,000

They were definitely moving in this direction.

395

00:27:01,000 --> 00:27:03,000

So at that point, came right to the edge here.

396

00:27:03,000 --> 00:27:10,000

And I looked out into the hills to watch what proved to be three crafts moving in this direction.

397

00:27:10,000 --> 00:27:15,000

Just to be clear, first scene over there to directly over the house.

398

00:27:15,000 --> 00:27:18,000

Right, right in the hills in the distance.

399

00:27:18,000 --> 00:27:25,000

And then in a straight line, that straight line would just go right overhead here

400

00:27:25,000 --> 00:27:32,000

and then above the house and then quickly accelerating out of sight.

401

00:27:32,000 --> 00:27:34,000

Just like that, gone.

402

00:27:34,000 --> 00:27:36,000

And that was the last you saw or thought.

403

00:27:36,000 --> 00:27:38,000

Oh, yeah.

404

00:27:39,000 --> 00:27:44,000

The next day, Kucinich described the experience to Shirley McClain.

405

00:27:44,000 --> 00:27:48,000

He would say nothing more about it for 26 years.

406

00:27:48,000 --> 00:27:52,000

And then when running for the Democratic nomination in 2008,

407

00:27:52,000 --> 00:27:56,000

his private UFO sighting would become a public event

408

00:27:56,000 --> 00:28:01,000

affecting presidential politics in a most unexpected way.

409

00:28:01,000 --> 00:28:06,000

When the question was asked, I think there was mention of, you know,

410

00:28:06,000 --> 00:28:10,000

feeling almost an emotional connection that it spoke to you.

411

00:28:10,000 --> 00:28:13,000

I mean, not in a literal sense, but feelings.

412

00:28:13,000 --> 00:28:16,000

I don't know that I ever communicated that to anyone,

413

00:28:16,000 --> 00:28:21,000

but I will tell you this, that it was extraordinary, it was exciting.

414

00:28:21,000 --> 00:28:23,000

How could it not be?

415

00:28:23,000 --> 00:28:26,000

I mean, anybody who would see anything like that would have to be excited.

416

00:28:26,000 --> 00:28:29,000

And was I? Yeah.

417

00:28:30,000 --> 00:28:33,000

As far as ancient astronaut theorists are concerned,

418

00:28:33,000 --> 00:28:38,000

accounts of UFO sightings from high-level politicians like Dennis Kucinich

419

00:28:38,000 --> 00:28:41,000

are particularly intriguing.

420

00:28:41,000 --> 00:28:44,000

Not only is he seen as a credible witness,

421

00:28:44,000 --> 00:28:46,000

but he was so amazed by what he saw

422

00:28:46,000 --> 00:28:50,000

that he was willing to risk his political career to talk about it.

423

00:28:51,000 --> 00:28:56,000

Perhaps the only encounter more compelling would be one reported by multiple witnesses

424

00:28:56,000 --> 00:29:02,000

that involved not a UFO, but an alien entity.

425

00:29:04,000 --> 00:29:07,000

On Ancient Aliens, we have traveled the globe

426

00:29:07,000 --> 00:29:11,000

investigating reports of incredible encounters.

427

00:29:11,000 --> 00:29:15,000

And there are some locations that seem to be hotspots

428

00:29:15,000 --> 00:29:18,000

for strange and unexplained activity.

429

00:29:18,000 --> 00:29:22,000

In 2020, William Henry got the rare opportunity

430

00:29:22,000 --> 00:29:26,000

to visit one of these hotspots where for hundreds of years,

431

00:29:26,000 --> 00:29:30,000

people have reportedly seen otherworldly beings.

432

00:29:31,000 --> 00:29:37,000

November 2020, ancient astronaut theorist William Henry,

433

00:29:37,000 --> 00:29:41,000

along with author and historian Dustin Neff,

434

00:29:41,000 --> 00:29:45,000

set out to explore a series of underground lava tubes

435

00:29:45,000 --> 00:29:50,000

known as Pluto's Cave several miles north of Mount Chasta.

436

00:29:50,000 --> 00:29:52,000

That is just spectacular.

437

00:29:52,000 --> 00:29:58,000

It is here where numerous eyewitnesses claim to have encountered mysterious beings.

438

00:29:59,000 --> 00:30:04,000

As well as seen evidence of possible interdimensional portals,

439

00:30:05,000 --> 00:30:09,000

Pluto's Cave is one of several natural wonders

440

00:30:09,000 --> 00:30:13,000

known as lava tubes that crisscross the region.

441

00:30:14,000 --> 00:30:17,000

Mount Chasta is a volcanic mountain.

442

00:30:17,000 --> 00:30:23,000

So volcanic lava tubes are formed when you have fast flowing lava

443

00:30:23,000 --> 00:30:29,000

and it cools on the surface of the flow, so it actually builds a crust.

444

00:30:29,000 --> 00:30:33,000

But the lava continues to flow in the middle

445

00:30:33,000 --> 00:30:36,000

and it forms nearly a tube.

446

00:30:39,000 --> 00:30:41,000

Check it out, man.

447

00:30:42,000 --> 00:30:44,000

Awesome.

448

00:30:46,000 --> 00:30:48,000

Awesome.

449

00:30:49,000 --> 00:30:53,000

Most all of the mythology and legends around the place,

450

00:30:53,000 --> 00:30:58,000

it all takes place underground in caves and tunnels which surround the area.

451

00:30:58,000 --> 00:31:01,000

If you are able to look underground,

452

00:31:01,000 --> 00:31:04,000

you would just see tunnels radiating out in every direction.

453

00:31:04,000 --> 00:31:07,000

There are actually native authored stories

454

00:31:07,000 --> 00:31:11,000

that you could travel clear into Oregon completely underground.

455

00:31:11,000 --> 00:31:16,000

Yeah, look at that, Dustin. That's awesome.

456

00:31:16,000 --> 00:31:18,000

Beautiful skylight.

457

00:31:18,000 --> 00:31:21,000

There's a really big subculture here in Mount Chasta

458

00:31:21,000 --> 00:31:27,000

that is always believed that these caves and tunnels contain civilization.

459

00:31:27,000 --> 00:31:32,000

Full of people just like you and I, and they come back and forth

460

00:31:32,000 --> 00:31:35,000

through portals hidden in these caves.

461

00:31:35,000 --> 00:31:39,000

I've had people actually contact me and tell me they've seen people

462

00:31:39,000 --> 00:31:43,000

in this very cave walk right into a wall and vanish.

463

00:31:43,000 --> 00:31:45,000

What were these people like? What did they look like?

464

00:31:45,000 --> 00:31:48,000

They looked just like us.

465

00:31:48,000 --> 00:31:53,000

That's how they're able to travel back and forth in mingle with humans.

466

00:31:53,000 --> 00:31:55,000

Wow.

467

00:31:56,000 --> 00:32:01,000

One of the most famous reports of a being emerging from within Mount Chasta

468

00:32:01,000 --> 00:32:05,000

was made in 1930 by Guy Warren Ballard.

469

00:32:05,000 --> 00:32:09,000

Ballard, a mining engineer who worked in the area,

470

00:32:09,000 --> 00:32:12,000

claimed he was surveying the slopes of the mountain

471

00:32:12,000 --> 00:32:16,000

when he encountered a mysterious glowing figure.

472

00:32:17,000 --> 00:32:23,000

Guy reported that when he was hiking on Mount Chasta in the early 1930s,

473

00:32:23,000 --> 00:32:28,000

he encountered some extraordinary mysterious teacher,

474

00:32:28,000 --> 00:32:32,000

which he later identified as the Ascended Master.

475

00:32:33,000 --> 00:32:37,000

This is a radiant being dressed in white,

476

00:32:37,000 --> 00:32:40,000

and they get into a long conversation.

477

00:32:40,000 --> 00:32:44,000

And this teacher, this guru, this other worldly character,

478

00:32:44,000 --> 00:32:48,000

teaches Ballard the secrets of enlightenment.

479

00:32:48,000 --> 00:32:51,000

For ancient astronaut theorists,

480

00:32:51,000 --> 00:32:55,000

Ballard's description of a radiant being is reminiscent of accounts

481

00:32:55,000 --> 00:32:59,000

from ancient times of similarly luminous figures.

482

00:33:00,000 --> 00:33:04,000

In Irish legend, we learn of the Tuatha Dadan, or the Tuadadan.

483

00:33:04,000 --> 00:33:09,000

These are luminous humanoid beings who are considered to be beings of immense wisdom

484

00:33:09,000 --> 00:33:12,000

who are also called the Shining Ones.

485

00:33:12,000 --> 00:33:16,000

Similar to the Shining Ones of the Celtic tradition,

486

00:33:16,000 --> 00:33:23,000

the ancient Sumerian gods known as the Anunnaki were also described as glowing figures.

487

00:33:23,000 --> 00:33:29,000

Might these accounts, including those made about Mount Chasta, be true?

488

00:33:29,000 --> 00:33:34,000

If so, can William Henry find any evidence to help verify them?

489

00:33:34,000 --> 00:33:36,000

If you look on the USGS charts,

490

00:33:36,000 --> 00:33:41,000

there's an immense negative magnetic anomaly that surrounds Mount Chasta.

491

00:33:41,000 --> 00:33:43,000

That's the lay line they describe here, right?

492

00:33:43,000 --> 00:33:49,000

Yeah, a lot of psychic and paranormal phenomena actually occurs in places that have magnetic anomalies.

493

00:33:49,000 --> 00:33:55,000

And used as a portal between the inner earth realm and the stars?

494

00:33:55,000 --> 00:33:57,000

Yeah, yeah.

495

00:33:57,000 --> 00:34:02,000

Anything capable of generating energy like that could be a portal.

496

00:34:03,000 --> 00:34:07,000

Might the lava tubes found at the base of Mount Chasta

497

00:34:07,000 --> 00:34:14,000

be the location where extraterrestrial beings can travel between planet earth and the stars?

498

00:34:14,000 --> 00:34:22,000

And if so, does this explain the strange sightings of otherworldly entities reported in the area?

499

00:34:22,000 --> 00:34:25,000

Ancient astronaut theorists say yes,

500

00:34:25,000 --> 00:34:29,000

and they believe that at the sight of another incredible encounter,

501

00:34:29,000 --> 00:34:38,000

undeniable evidence of alien contact was left behind by an extraterrestrial technology.

502

00:34:41,000 --> 00:34:45,000

Of all the unexplained phenomena we've investigated on ancient aliens,

503

00:34:45,000 --> 00:34:49,000

the formation of crop circles is simply baffling.

504

00:34:49,000 --> 00:34:57,000

Crop circles have been reported in over 50 different countries and on every continent except Antarctica.

505

00:34:57,000 --> 00:35:09,000

And one night in Wiltshire, England, two people believe they actually witnessed a strange formation being created by something that was not human.

506

00:35:09,000 --> 00:35:14,000

Sonsbury, England, July 7th, 2007.

507

00:35:14,000 --> 00:35:22,000

Local paralegal and crop circle researcher Gary King spends the night camping out on Nap Hill,

508

00:35:22,000 --> 00:35:28,000

an area known for sightings of mysterious orbs and other strange occurrences.

509

00:35:28,000 --> 00:35:34,000

It was the 7th of July, 2007, so because it was an auspicious date, the 777,

510

00:35:34,000 --> 00:35:38,000

we decided we'd come here, I came here with my girlfriend to do a night watch.

511

00:35:38,000 --> 00:35:44,000

So we arrived here, and at about three o'clock in the morning, we had a big white flash of light which completely encompassed the sky.

512

00:35:44,000 --> 00:35:51,000

And about 20 minutes after that we looked and we could see this crop circle laid out in front of us.

513

00:35:51,000 --> 00:35:55,000

The field it appeared in was this field here to the right that's yellow now.

514

00:35:55,000 --> 00:35:59,000

It was actually in wheat the year that it occurred, but they rotate the crops.

515

00:35:59,000 --> 00:36:03,000

And it started from way back near those trees and came over the brow of this hill.

516

00:36:03,000 --> 00:36:06,000

It was absolutely enormous.

517

00:36:06,000 --> 00:36:15,000

The crop formation extended 1,033 feet long and 490 feet wide.

518

00:36:15,000 --> 00:36:25,000

The over two acre design contained 150 individual circles, the largest 164 feet across.

519

00:36:25,000 --> 00:36:29,000

I have no idea what made it. I'm completely open to the fact that it could be aliens.

520

00:36:29,000 --> 00:36:33,000

What I do know though is that people didn't make this.

521

00:36:33,000 --> 00:36:44,000

Gary King's experience is just one of many first-hand accounts of designs that mysteriously appear in a short period of time.

522

00:36:44,000 --> 00:36:55,000

And crop circle researchers cite that many of these eyewitness accounts include sightings of strange lights in and around the formation.

523

00:36:55,000 --> 00:37:06,000

In 1991, local photographer Steve Alexander caught on camera an orb of light floating above a crop formation in Wiltshire, England.

524

00:37:06,000 --> 00:37:08,000

What is it?

525

00:37:09,000 --> 00:37:17,000

His camera caught sight of what seemed to be a white orb of light flying right across this field right next to a crop circle.

526

00:37:17,000 --> 00:37:23,000

That orb of light, whatever it was, flew directly over a tractor working in the next field down.

527

00:37:23,000 --> 00:37:26,000

And later on that farmer was contacted and he said,

528

00:37:26,000 --> 00:37:35,000

I saw this weird orb of light about the size of a melon or something fly over my tractor.

529

00:37:35,000 --> 00:37:45,000

I was so intrigued by Gary King's story and the bizarre events surrounding the crop circle phenomenon that I had to go see it for myself.

530

00:37:45,000 --> 00:37:50,000

Wiltshire, England, May 13, 2015.

531

00:37:50,000 --> 00:38:03,000

Ancient astronaut theorist George Osukulos is meeting with crop circle researcher Dr. Eljo Haselhoff to discuss a scientific paper Dr. Haselhoff published in January of 2000,

532

00:38:03,000 --> 00:38:11,000

suggesting that the crop circle formations might be created by an unknown electromagnetic energy source.

533

00:38:11,000 --> 00:38:20,000

By measuring the length of the growth nodes found along the plant stems within a crop circle and comparing them with the nodes on the undisturbed plants in the field,

534

00:38:20,000 --> 00:38:26,000

Dr. Haselhoff was able to predict what he thinks could be creating this phenomenon.

535

00:38:27,000 --> 00:38:34,000

So you've actually done scientific analysis on some of those formations, so what were some of your conclusions?

536

00:38:34,000 --> 00:38:40,000

The hypothesis is that somehow electromagnetic energy is involved in the creation of these crop

circles.

537

00:38:40,000 --> 00:38:47,000

And that somehow this energy causes node elongation, so the nodes and the stems get longer.

538

00:38:47,000 --> 00:38:49,000

The more energy, the longer the nodes are.

539

00:38:49,000 --> 00:38:59,000

And that is very interesting because all you need to do is take a cross-section across a circle like this and measure the node length in each of these positions.

540

00:38:59,000 --> 00:39:08,000

And actually this is what you see. This is at the perimeter. See these nodes, these dark areas. This is somewhere halfway and that's in the center.

541

00:39:08,000 --> 00:39:10,000

So you see there's a huge difference in the node length.

542

00:39:10,000 --> 00:39:14,000

I mean it's a huge, I mean this is fascinating, this is incredible.

543

00:39:14,000 --> 00:39:15,000

It is not just a little bit.

544

00:39:15,000 --> 00:39:16,000

Okay.

545

00:39:16,000 --> 00:39:20,000

There's a difference in size between a horse and an elephant. It's very, very significant.

546

00:39:20,000 --> 00:39:24,000

Yeah, I mean what would do this? That's quite weird.

547

00:39:24,000 --> 00:39:31,000

Well in this case it was very interesting because this crop circle actually had an eyewitness when it was formed.

548

00:39:31,000 --> 00:39:36,000

And the eyewitness says, I saw a ball of light and it was standing still.

549

00:39:36,000 --> 00:39:45,000

And that is very important because when the ball of light is standing still we can very accurately predict how the energy will be distributed on the ground.

550

00:39:45,000 --> 00:39:51,000

We know that there will be more energy in the center and the more energy the longer the nodes are.

551

00:39:51,000 --> 00:39:54,000

And in this case it was a perfect mesh.

552

00:39:54,000 --> 00:39:55,000

Wow.

553

00:39:56,000 --> 00:39:57,000

Amazing, isn't it?

554

00:39:57,000 --> 00:40:10,000

Now this is where I get the goosebumps because clearly there is something there and no one denies that many of them are man-made but then there's something bizarre.

555

00:40:10,000 --> 00:40:18,000

Do you have any idea how or who might be behind it?

556

00:40:20,000 --> 00:40:22,000

That's a very difficult question.

557

00:40:22,000 --> 00:40:28,000

What I can say about that is, I don't know.

558

00:40:28,000 --> 00:40:33,000

So it is something that remains a giant question mark.

559

00:40:33,000 --> 00:40:35,000

Absolutely, yes.

560

00:40:36,000 --> 00:40:45,000

Does Dr. Hasselhoff's scientific research provide evidence that not all crop formations are the product of hoaxers?

561

00:40:45,000 --> 00:40:54,000

And if so, could there be an otherworldly origin to them as ancient astronaut theorists suggest?

562

00:40:55,000 --> 00:41:05,000

Each and every one of the extraordinary encounters we've investigated on ancient aliens truly defies conventional explanation.

563

00:41:05,000 --> 00:41:12,000

And when you examine them together it becomes abundantly clear that we are not alone in the universe.

564

00:41:12,000 --> 00:41:18,000

These events can no longer be explained away as weather balloons or hoaxes.

565

00:41:18,000 --> 00:41:21,000

So what are we left with?

566

00:41:22,000 --> 00:41:25,000

To me, there's only one answer.

567

00:41:25,000 --> 00:41:27,000

Exeterrestrial visitation.
