

1

00:00:00,000 --> 00:00:05,000

A mystical Jewish tradition that speaks of underground realms

2

00:00:05,000 --> 00:00:08,000

inhabited by strange creatures.

3

00:00:08,000 --> 00:00:13,000

It is believed in top that we are not alone as intelligent beings

4

00:00:13,000 --> 00:00:15,000

upon our own earth.

5

00:00:15,000 --> 00:00:20,000

A Buddhist legend that tells of a lost civilization

6

00:00:20,000 --> 00:00:23,000

surviving in vast underground canyons.

7

00:00:23,000 --> 00:00:26,000

Shambhala is a secret city underground.

8

00:00:26,000 --> 00:00:30,000

It's ruled by kings who lived for hundreds of years.

9

00:00:30,000 --> 00:00:35,000

Modern accounts of human-like entities beneath the earth.

10

00:00:35,000 --> 00:00:43,000

Local residents describe seeing reptilian-type humanoid beings deep inside this cave.

11

00:00:43,000 --> 00:00:50,000

Could it be that other intelligent beings exist right here on our own planet?

12

00:00:50,000 --> 00:00:55,000

Someone may be here underneath the surface of the earth

13

00:00:55,000 --> 00:00:59,000

and what if these entities have been here for thousands of years?

14

00:01:02,000 --> 00:01:06,000

There is a doorway in the universe.

15

00:01:06,000 --> 00:01:10,000

Beyond it is the promise of truth.

16

00:01:10,000 --> 00:01:16,000

It demands we question everything we have ever been taught.

17

00:01:16,000 --> 00:01:19,000

The evidence is all around us.

18

00:01:19,000 --> 00:01:23,000

The future is right before our eyes.

19

00:01:23,000 --> 00:01:26,000

We are not alone.

20

00:01:26,000 --> 00:01:29,000

We have never been alone.

21

00:01:38,000 --> 00:01:40,000

Moran, Israel

22

00:01:41,000 --> 00:01:46,000

This historic mountain village in Upper Galilee is home to a sacred cave

23

00:01:46,000 --> 00:01:51,000

that is the second most visited Jewish site in the world after the Western Wall

24

00:01:51,000 --> 00:01:55,000

with as many as 2 million annual visitors.

25

00:01:55,000 --> 00:02:01,000

According to Hebrew tradition, this cave served as the home of the famous rabbi,

26

00:02:01,000 --> 00:02:09,000

Shimon Bar-Yohai, in the 2nd century AD, when Jerusalem was under the rule of the Roman Empire.

27

00:02:09,000 --> 00:02:14,000

Rabbi Shimon Yohai lived during a very difficult time for the Jewish people

28

00:02:14,000 --> 00:02:17,000

living in the Kingdom of Israel.

29

00:02:18,000 --> 00:02:23,000

The Emperor Hadrian had been violently persecuting the Jews.

30

00:02:23,000 --> 00:02:26,000

They forbade them from studying the Torah.

31

00:02:26,000 --> 00:02:32,000

They forbade them under penalty of death from even initiating new students in the Torah.

32

00:02:34,000 --> 00:02:41,000

Shimon Bar-Yohai was one who spoke out against the Empire.

33

00:02:41,000 --> 00:02:46,000

This caused the Romans to brand him a criminal and to hunt him to death.

34

00:02:47,000 --> 00:02:55,000

Rabbi Yohai fled to northern Israel into the Galilee where he hid in a cave for as long as 13 years.

35

00:02:55,000 --> 00:03:04,000

When he was concealed in the cave, he received a tremendous amount of profound sacred wisdom,

36

00:03:04,000 --> 00:03:13,000

secrets that were revealed to him in the cave by none less than the immortal prophet himself, Elijah.

37

00:03:14,000 --> 00:03:21,000

If Rabbi Bar-Yohai truly encountered the prophet Elijah as he claimed, it would be a miracle.

38

00:03:21,000 --> 00:03:26,000

Because Elijah lived in Judea almost a thousand years earlier.

39

00:03:26,000 --> 00:03:35,000

According to Jewish tradition, Elijah never died, so he appears and enlightens people, he helps

people who are in trouble.

40

00:03:36,000 --> 00:03:41,000

So Rabbi Shimon Bar-Yohai communed with Elijah.

41

00:03:41,000 --> 00:03:45,000

He received secrets of the universe.

42

00:03:45,000 --> 00:03:52,000

Rabbi Bar-Yohai understood the teachings he received from this immortal messenger to be of great importance,

43

00:03:52,000 --> 00:04:00,000

but also felt that they should only be shared with a trusted view and not yet revealed to the public.

44

00:04:00,000 --> 00:04:08,000

After he came out of the cave, after the Romans forgot about him, he gathered together his students

45

00:04:08,000 --> 00:04:15,000

and taught them the secrets that were revealed to him in the cave.

46

00:04:15,000 --> 00:04:22,000

This knowledge was then written down or transmitted orally for centuries, for a thousand years,

47

00:04:22,000 --> 00:04:29,000

until a Spanish rabbi acquired this knowledge that he then shared with humankind.

48

00:04:31,000 --> 00:04:40,000

In the late 13th century, the secret writings of Rabbi Shimon Bar-Yohai were finally published as the Zohar,

49

00:04:40,000 --> 00:04:46,000

a text that is still held as sacred by millions of people around the world.

50

00:04:46,000 --> 00:04:52,000

It is considered fundamental to the Jewish tradition of Kabbalah.

51

00:04:52,000 --> 00:04:58,000

People often confuse Kabbalah and Zohar. There's no book called the Kabbalah.

52

00:04:58,000 --> 00:05:03,000

The Zohar is the major text of the Kabbalah. So if someone says they're studying Kabbalah,

53

00:05:03,000 --> 00:05:06,000

they probably mean that they're studying the Zohar.

54

00:05:06,000 --> 00:05:14,000

According to practitioners of Kabbalah, the teachings include ancient knowledge that was far ahead of its time,

55

00:05:14,000 --> 00:05:21,000

such as information related to modern atomic theory, the spherical shape of the earth,

56

00:05:21,000 --> 00:05:24,000

and the existence of other solar systems.

57

00:05:24,000 --> 00:05:32,000

But of all the teachings of Kabbalah, many believe the most profound comes from a passage found in the Zohar,

58

00:05:32,000 --> 00:05:35,000

one that says there are seven earths.

59

00:05:35,000 --> 00:05:40,000

Kabbalistic texts teach that there are multiple worlds out there.

60

00:05:40,000 --> 00:05:45,000

In fact, there are seven earths, and they give the name of each of them.

61

00:05:45,000 --> 00:05:53,000

And when I hear that, and I wonder, well, could it be possible that what we have here is a reference

62

00:05:53,000 --> 00:05:59,000

that there are six other inhabited planets in the rest of our galaxy?

63

00:05:59,000 --> 00:06:07,000

When you look at these Kabbalistic texts and they're talking about there being six other earths besides the one that we're on,

64

00:06:07,000 --> 00:06:14,000

and they're not just some allegory or talking about, you know, seven continents or something like that.

65

00:06:15,000 --> 00:06:22,000

Well, you have to ask yourself, is it possible that these are actual other planets, and they're inhabited?

66

00:06:24,000 --> 00:06:31,000

While seven earths may sound like a reference to seven planets, according to those who study Kabbalah,

67

00:06:31,000 --> 00:06:36,000

this concept has another even more profound meaning.

68

00:06:36,000 --> 00:06:43,000

Many people have this idea that the concept of seven earths

69

00:06:43,000 --> 00:06:46,000

has something to do with some other place.

70

00:06:46,000 --> 00:06:48,000

It's not some other place.

71

00:06:48,000 --> 00:06:53,000

And in fact, according to Zoharic literature, it's inside the earth.

72

00:06:53,000 --> 00:06:56,000

There are seven lands, one above the other.

73

00:06:56,000 --> 00:07:03,000

One of the lands is actually the outer earth, which is the one that we're walking on right now.

74

00:07:03,000 --> 00:07:06,000

According to Zohar, as well as Jewish religious interpretation,

75

00:07:06,000 --> 00:07:13,000

the six other earths are physical locations that are subterranean to our present reality.

76

00:07:13,000 --> 00:07:23,000

Even more compelling is that it also teaches that each of the six other earths are inhabited by intelligent creatures.

77

00:07:23,000 --> 00:07:25,000

There could be this multiplicity of beings.

78

00:07:25,000 --> 00:07:31,000

They exist in other realms, but are always kept hidden in the inner earth.

79

00:07:32,000 --> 00:07:49,000

One of the profound teachings of the oral Torah tradition is that we human beings are not the only intelligent species indigenous to our earth.

80

00:07:49,000 --> 00:07:55,000

And within this earth live other types of entities.

81

00:07:55,000 --> 00:08:00,000

Of course, the notion of a hollow earth is absurd.

82

00:08:00,000 --> 00:08:02,000

The earth is not hollow.

83

00:08:02,000 --> 00:08:17,000

However, if you change the word hollow to inner, then I even have to say there could be an argument made that someone may be here underneath the surface of the earth.

84

00:08:17,000 --> 00:08:31,000

Because it is a geological fact that there are gigantic chambers underneath the earth's crust, some of which even contain water that are larger than the world's oceans.

85

00:08:31,000 --> 00:08:42,000

So, you know, you have to wonder if it's at all possible that somebody is down there, and what if these entities have been here for thousands of years?

86

00:08:43,000 --> 00:08:50,000

Is it possible that earth is home to other intelligent beings that exist deep beneath the surface?

87

00:08:50,000 --> 00:08:54,000

And if so, how long have they been on this planet?

88

00:08:54,000 --> 00:09:04,000

According to the teachings of Kabbalah, some of the beings of inner earth once live on the surface long before the time of humans.

89

00:09:05,000 --> 00:09:17,000

In the Hebrew Bible's book of Ecclesiastes is the well-known saying, there's nothing new under the sun.

90

00:09:17,000 --> 00:09:30,000

But according to practitioners of Kabbalah, this seemingly philosophical verse, which continues with the phrase, no one remembers the former generations, also has a very literal meaning.

91

00:09:31,000 --> 00:09:39,000

The Kabbalah teaches that there were pre-adamic races. In the book of Genesis, Adam is the first man.

92

00:09:39,000 --> 00:09:47,000

So what the Kabbalah is saying is that before Adam, there were other races of beings and previous civilizations.

93

00:09:48,000 --> 00:09:57,000

It is believed and taught that we have had civilization upon our earth for tens of thousands of years.

94

00:09:58,000 --> 00:10:05,000

Possibly much longer prior to Adam spoken of in the Bible.

95

00:10:06,000 --> 00:10:15,000

According to the Kabbalah teachings, some of the beings that inhabit inner earth lived on the surface long before the time of humans.

96

00:10:15,000 --> 00:10:22,000

And Kabbalah is not the only ancient tradition that speaks of pre-human civilizations.

97

00:10:23,000 --> 00:10:34,000

All across the planet, there are stories of a highly technical, highly sophisticated, brilliant civilization that's no longer here.

98

00:10:35,000 --> 00:10:46,000

The story of Lemuria is the story of an ancient civilization, a brilliant civilization, reached high points, but dreadful climate wiped it out.

99

00:10:47,000 --> 00:10:55,000

The story of Atlantis is the same thing. It's in the Bible, as well as Gilgamesh.

100

00:10:56,000 --> 00:11:07,000

This corresponds with Greek thought that there were five ages. The Hindus teach about the yugas and the rise and fall of civilization,

101

00:11:07,000 --> 00:11:14,000

where civilization advances to a very high place and then descends and then re-ascends.

102

00:11:16,000 --> 00:11:24,000

In Hinduism, there are cycles of destruction and rebirth and we're in the fourth now. Three entire stages have come before now.

103

00:11:25,000 --> 00:11:32,000

In the Hopi Native American indigenous teaching, there are a number of worlds and we are on the fourth reality.

104

00:11:35,000 --> 00:11:42,000

If earth was inhabited by pre-human civilizations, could there be physical evidence of their existence?

105

00:11:43,000 --> 00:11:55,000

Incredibly, scientists have recently identified anomalies in earth's geological record that could be markers of an advanced civilization that existed millions of years ago.

106

00:11:56,000 --> 00:12:04,000

Today, modern science is looking into our ancient geological past in a concept they call techno

signatures.

107

00:12:04,000 --> 00:12:13,000

They're looking at our civilization and saying that one day, everything that we see around us on the earth will be reduced to rock.

108

00:12:14,000 --> 00:12:25,000

It'll be a thin layer of rock in our geological record and some future species will be able to look back and see that we were a technological civilization because we have left residue.

109

00:12:25,000 --> 00:12:28,000

We have left chlorofluorocarbons.

110

00:12:28,000 --> 00:12:32,000

And what they're doing now is looking back into the geological record.

111

00:12:33,000 --> 00:12:48,000

They have actually found a seam or a line of rock that's 56 million years old that reveals that at that time there was more carbon in the sediment than is supposed to be there and suddenly there's an ecological collapse.

112

00:12:49,000 --> 00:12:57,000

How do you explain this? Other than there must have been some kind of a non-human civilization that caused this. The evidence is there.

113

00:12:59,000 --> 00:13:12,000

Some archaeologists and geologists also point to the discovery of extremely ancient artifacts as further evidence that civilizations existed on earth long before humans.

114

00:13:13,000 --> 00:13:22,000

One such artifact is an object called the London Hammer that was discovered in Texas in 1936.

115

00:13:23,000 --> 00:13:32,000

It was a prehistoric hammer, if you will, with part of the handle still in place inside some very old rock.

116

00:13:33,000 --> 00:13:43,000

The hammer itself was found in the Travis Formation. It's a concretion of sandstone. And it usually takes about 140 million years for this to form.

117

00:13:44,000 --> 00:13:52,000

That would put the hammer at 140 million years old. Where did it come from? Who was here 140 million years ago?

118

00:13:53,000 --> 00:13:58,000

Many fossils and artifacts have been found that defies the Harp timeline.

119

00:13:59,000 --> 00:14:06,000

Some of them have been found in Analope Valley in Utah, which was a shoe print which was 200 million years old.

120

00:14:07,000 --> 00:14:17,000

We're constantly finding new relics, new pieces, new evidence that suggest there's probably civilizations that were here long before we have been here.

121

00:14:18,000 --> 00:14:27,000

If we are essentially due to a cataclysm, whether this is the tilting of the Earth's axis or if it's through a solar flare or something like this,

122

00:14:27,000 --> 00:14:38,000

or even a war or something, that there's virtually nobody left after three or four generations. Nobody will remember what was here 100 years ago.

123

00:14:40,000 --> 00:14:49,000

It's quite possible that something like us already existed and there's nothing left.

124

00:14:50,000 --> 00:15:00,000

So history, archaeology themselves point to life forms on this planet long before human beings.

125

00:15:01,000 --> 00:15:09,000

The question is where are they from? I believe we've been visited by lots of extraterrestrial races.

126

00:15:10,000 --> 00:15:16,000

Some took, some didn't, some stayed, some left. Some are on land, some are underwater.

127

00:15:17,000 --> 00:15:19,000

We're a colony.

128

00:15:20,000 --> 00:15:30,000

Could it be that long before the time of modern humans, other intelligent species, possibly even from other planets, populated the Earth,

129

00:15:31,000 --> 00:15:42,000

ancient astronaut theorists say yes and point to the teachings of Kabbalah for evidence that some of these species that predated humans also coexisted with them?

130

00:15:43,000 --> 00:15:51,000

One example can be found in the Bible's Book of Genesis and the creature described in the Garden of Eden as the serpent.

131

00:15:53,000 --> 00:16:02,000

The serpent not only spoke but stood erect, had arms and legs and clearly intelligence.

132

00:16:03,000 --> 00:16:11,000

We're describing a pre-adamic Earth-based reptilian.

133

00:16:12,000 --> 00:16:21,000

And this we find echoed in legends and teachings from cultures around the world.

134

00:16:21,000 --> 00:16:33,000

So one of the great pre-adamic civilizations clearly was a reptilian humanoid and these are referred to as seraphim.

135

00:16:35,000 --> 00:16:45,000

If a pre-human race is represented in the Garden of Eden, does that mean that it continued to inhabit the Earth after the time of the first humans?

136

00:16:46,000 --> 00:16:55,000

It could well be that there was a whole evolving race of reptilians, call them seraphim, call them anything you want to,

137

00:16:55,000 --> 00:17:05,000

that basically were in their own way civilizing this planet, organizing life on this planet and then human beings came to this planet.

138

00:17:05,000 --> 00:17:09,000

And they realized we couldn't live together and they went underground.

139

00:17:10,000 --> 00:17:21,000

Could ancient stories of other intelligent species sharing the planet with humans and then migrating to subterranean realms be true?

140

00:17:22,000 --> 00:17:33,000

As far as ancient astronaut theorists are concerned, the evidence can be found in numerous ancient traditions that describe not only underground worlds,

141

00:17:33,000 --> 00:17:39,000

but also the many strange beings that reside within them.

142

00:17:43,000 --> 00:17:52,000

For centuries, the Jewish mystical text called the Zohar has been a source of sacred teachings and esoteric wisdom.

143

00:17:53,000 --> 00:18:00,000

But the idea that there are inhabited realms within the Earth is not exclusive to the Zohar alone.

144

00:18:01,000 --> 00:18:09,000

This concept can also be found in ancient texts from numerous cultures around the world, like the Vishnu Purana of India.

145

00:18:11,000 --> 00:18:19,000

Written roughly 2000 years ago, the Vishnu Purana describes multiple domains that exist deep underground.

146

00:18:21,000 --> 00:18:26,000

In India, we learn of a place called Patala, which is beneath the surface of the Earth.

147

00:18:26,000 --> 00:18:32,000

And Patala has many subterranean realms that are believed to be inhabited by intelligent creatures.

148

00:18:33,000 --> 00:18:39,000

In fact, myth and folklore are filled with stories of inner-Earth civilizations, the same as the Zohar.

149

00:18:40,000 --> 00:18:42,000

The Greeks believed the same thing.

150

00:18:43,000 --> 00:18:47,000

This is very similar to the story of the Tuatha Dadanon.

151

00:18:47,000 --> 00:18:58,000

And ancient Irish texts talk about the Tuatha Dadanon as arriving in shadowy airships coming from the sky.

152

00:18:59,000 --> 00:19:03,000

They're enveloped in mist. They had all kinds of tremendous technology.

153

00:19:04,000 --> 00:19:16,000

And they were the rulers allegedly of Ireland for quite a long time until modern Irish came to Ireland and they made a pact.

154

00:19:17,000 --> 00:19:27,000

With the Tuatha Dadanon. The Tuatha Dadanon, according to legend, go underground in Ireland and now are living in the underground world.

155

00:19:28,000 --> 00:19:34,000

You've got the similar kind of story with the Sumerian texts. The Anunnaki literally are the sky gods.

156

00:19:35,000 --> 00:19:39,000

But then as you get into later versions of the stories, one of the Minanas goes into the Netherworld.

157

00:19:40,000 --> 00:19:46,000

And so you have the gods that start up in the sky, but then come down not just to Earth, but into the Earth.

158

00:19:47,000 --> 00:19:49,000

And you see this across different cultures.

159

00:19:51,000 --> 00:20:04,000

Many ancient cultures taught that beings living inside the Earth are not of the same physical nature as humans, but have the ability to effortlessly travel between our realm and theirs.

160

00:20:05,000 --> 00:20:11,000

In Islamic culture, there is the idea of the Jinn from which we get our word Jeanne.

161

00:20:12,000 --> 00:20:21,000

And this was not an angelic presence. It had a category of its own. It wasn't human. It wasn't exactly God-like. It was in between.

162

00:20:22,000 --> 00:20:28,000

It could travel from this world to another and back and sometimes they cause trouble. Sometimes they help people.

163

00:20:29,000 --> 00:20:35,000

It is known that they are indigenous to the domains of inner Earth.

164

00:20:36,000 --> 00:20:43,000

And these Jinn are said to have bodies only of fire and air.

165

00:20:44,000 --> 00:20:50,000

And we might think, well, they're a whole spiritual, but our traditions teach that's not so.

166

00:20:51,000 --> 00:21:04,000

Like human beings, it is said they eat and they drink, they sexually procreate and they die. And yet they can be invisible.

167

00:21:06,000 --> 00:21:17,000

While many traditions talk of human-like beings inhabiting Earth's inner realms, the Zohar teaches that all kinds of entities reside below the surface.

168

00:21:18,000 --> 00:21:22,000

And some are even hybrids of different creatures.

169

00:21:24,000 --> 00:21:33,000

The Zohar tells us that there are hybrid beings who live there, some of whom are half human, half animal.

170

00:21:34,000 --> 00:21:42,000

There are beings that have the bodies of human beings with the heads of lions or the heads of bulls.

171

00:21:42,000 --> 00:21:48,000

And this sounds very familiar to us from ancient mythologies and legends.

172

00:21:49,000 --> 00:21:59,000

The hybrid beings that the Zohar describes as having descended to inner Earth also appear in other ancient traditions as creatures that once lived on the surface.

173

00:22:00,000 --> 00:22:11,000

The ancient Egyptians recorded evidence of hybrid beings, including Thoth, the bird man, Sekhmet, the lion goddess, as well as Anubis,

174

00:22:11,000 --> 00:22:14,000

who's a humanoid with the canine head.

175

00:22:15,000 --> 00:22:20,000

We have the soddors of Greek mythology that are part human, part goat.

176

00:22:21,000 --> 00:22:24,000

In Samaria, we have mermen and mermaids.

177

00:22:25,000 --> 00:22:29,000

We have beings that are half human and half serpent.

178

00:22:30,000 --> 00:22:35,000

In India, the most popular god is Ganesh, who's half human, half elephant.

179

00:22:36,000 --> 00:22:47,000

In addition to hybrid beings, inner Earth is also said to be home to fantastical creatures that are described in myths and legends throughout the world.

180

00:22:48,000 --> 00:22:57,000

According to the ancient teachings, in inner Earth, there do live real dragons spoken of in the book of Job.

181

00:22:58,000 --> 00:23:10,000

The phoenix, which burns itself to ashes in its nest and then resurrects itself, just as the book of Job teaches, also live in inner Earth.

182

00:23:11,000 --> 00:23:19,000

And it is thought that unicorns, real ones, are alive today in inner Earth.

183

00:23:20,000 --> 00:23:31,000

Is it possible that these inner Earth entities that come up in tradition after tradition were actually witnessed by our ancestors thousands of years ago?

184

00:23:32,000 --> 00:23:41,000

So all around the world, we have these depictions in ancient carvings, in ancient paintings, figurines, everything.

185

00:23:42,000 --> 00:23:49,000

It doesn't matter what ancient culture you go to, we have the same stories worldwide.

186

00:23:50,000 --> 00:23:55,000

And the further you go back in time, the more similar these stories become.

187

00:23:57,000 --> 00:24:07,000

Ancient cultures must have experienced these types of beings, or why else, what humans have been making depictions from virtually the beginning of recorded history.

188

00:24:08,000 --> 00:24:19,000

The Zohar and other traditions that speak of intelligent beings and fantastical creatures occupying inner Earth were written many centuries ago.

189

00:24:20,000 --> 00:24:26,000

If these stories are more than mere mythology, are there still entities living within the Earth today?

190

00:24:28,000 --> 00:24:34,000

Perhaps further clues can be found by examining modern-day reports of encounters with strange beings,

191

00:24:35,000 --> 00:24:38,000

emerging from caves.

192

00:24:42,000 --> 00:24:46,000

Huan Bin Province, Vietnam.

193

00:24:47,000 --> 00:24:49,000

1991.

194

00:24:50,000 --> 00:24:57,000

Longer Ho Khon discovers a mysterious entrance to a hidden mountain cave obscured by dense jungle overgrowth.

195

00:24:57,000 --> 00:25:04,000

The cliffs leading down to the entrance are so steep, he cannot explore it further, but he notes its location.

196

00:25:05,000 --> 00:25:11,000

Nearly two decades later, the British Cave Research Association finally explores the cave.

197

00:25:12,000 --> 00:25:20,000

What the team discovers is astounding. It is the largest underground chamber on the planet.

198

00:25:21,000 --> 00:25:26,000

It's not just a cave, it's an actual world in Vietnam.

199

00:25:27,000 --> 00:25:31,000

Inside this cave, it's 40 stories high.

200

00:25:32,000 --> 00:25:34,000

There's actually an ancient forest.

201

00:25:35,000 --> 00:25:40,000

It's got flowing water, not just a puddle or a stream, but an actual river.

202

00:25:42,000 --> 00:25:53,000

Inside the cave is an entire growing ecosystem, and it's so deep that it looks like it's an entrance to a whole other reality.

203

00:25:54,000 --> 00:26:03,000

This incredible subterranean realm, called the Song Dong Cave, is estimated to be roughly three million years old.

204

00:26:04,000 --> 00:26:11,000

It runs through the Earth for nearly six miles, and numerous areas where the cave ceiling has collapsed allow sunlight to enter,

205

00:26:12,000 --> 00:26:15,000

resulting in the growth of trees and other vegetation.

206

00:26:16,000 --> 00:26:26,000

But according to area residents, what's most notable about Song Dong Cave are the strange creatures that are believed to dwell within it.

207

00:26:27,000 --> 00:26:38,000

Local residents describe seeing reptilian type humanoid beings emerging from the Song Dong Cave, and they believe that they actually live deep inside this cave.

208

00:26:38,000 --> 00:26:48,000

What's fascinating about this is that these reptilian type humanoid beings are similar to the

seraphim or the winged serpents in the Cavalistic tradition.

209

00:26:49,000 --> 00:26:54,000

The seraphim are said to have gone and lived in the inner Earth according to Cavalistic teaching.

210

00:26:56,000 --> 00:27:03,000

Is it possible that reports of reptilians at Song Dong Cave are encounters with beings from inner Earth?

211

00:27:04,000 --> 00:27:12,000

While it may sound too incredible to be true, there have been reports that during the Vietnam War in the 1970s,

212

00:27:13,000 --> 00:27:18,000

U.S. soldiers encountered what they described as upright lizards inhabiting caves.

213

00:27:20,000 --> 00:27:26,000

And accounts of reptilian beings existing in underground caverns can be found all across the globe,

214

00:27:27,000 --> 00:27:32,000

even on the other side of the world, in Kuzco, Peru.

215

00:27:33,000 --> 00:27:47,000

Throughout Peru and around Kuzco particularly, there are many, many stories of a tunnel system that has something to do with serpent deities, which they call the Amaru there.

216

00:27:48,000 --> 00:28:00,000

The Peruvian authorities themselves decided it was too dangerous for people to go into these tunnels, so they looked for all of the entrances they could around Kuzco and they sealed them up.

217

00:28:01,000 --> 00:28:05,000

And this is a well-known story within Peruvian history.

218

00:28:06,000 --> 00:28:15,000

While there have been many reports from around the world of human-like reptilians, there is another inner Earth entity described in the Zohar

219

00:28:15,000 --> 00:28:19,000

arm that is even more commonly witnessed in modern times.

220

00:28:20,000 --> 00:28:30,000

According to Zoharic literature, there are beings inside the Earth having large black eyes and a nose that leaves only two dark holes on the face.

221

00:28:31,000 --> 00:28:38,000

Now that corresponds to things that we've seen about, heard about these, for lack of a better word, ETs.

222

00:28:39,000 --> 00:28:47,000

There is a lot of evidence that these beings that we think are coming from another planet are not coming from another planet.

223

00:28:47,000 --> 00:28:49,000

They're coming from inside our own Earth.

224

00:28:50,000 --> 00:29:05,000

The black-eyed entities, commonly referred to as greys, by ufologists, are the beings most often reported by alleged alien abductees, many of whom claim to have been taken aboard saucer-shaped craft.

225

00:29:06,000 --> 00:29:16,000

Could it be that the so-called flying saucers, so often reported in modern times, are not coming from outer space, but inner Earth?

226

00:29:18,000 --> 00:29:31,000

According to some ancient astronaut theorists, this notion is supported by numerous accounts of UFOs that are seen disappearing into the landscape and sometimes even flying directly into mountains.

227

00:29:32,000 --> 00:29:42,000

In fact, one of the first UFO sightings on record involves an entire squadron of vehicles that appeared to enter a volcano.

228

00:29:43,000 --> 00:29:49,000

One of the first modern UFO sightings was recorded in June of 1947 by Kenneth Arnold.

229

00:29:50,000 --> 00:29:57,000

He was flying his private plane near Mount Rainier in Washington when he catches sight of some flashes of light.

230

00:29:57,000 --> 00:30:06,000

And soon he discovers that this is actually a squadron of what he described as flying saucer, skipping across the sky.

231

00:30:07,000 --> 00:30:17,000

He follows them as they disappear into the direction of nearby Mount Adams, a volcano, which has the sight of many modern UFO sightings.

232

00:30:18,000 --> 00:30:26,000

Is it possible that Mount Rainier, Mount Adams, are perhaps entranceways utilized by these craft into other realms?

233

00:30:27,000 --> 00:30:35,000

If these craft did enter into Mount Rainier and or Mount Adams, it would not seem unusual to UFO experts.

234

00:30:36,000 --> 00:30:46,000

Mountains around the world like Bougarache in southern France and Boussine in northern Italy are often sites where UFOs are reported actually entering into the mountains.

235

00:30:47,000 --> 00:30:53,000

Mountains are often cited in ancient traditions as entrances to inner Earth realms.

236

00:30:54,000 --> 00:31:02,000

The most well-known is the legendary land of Shambhala that Buddhists and Hindus identify as the home of the gods.

237

00:31:03,000 --> 00:31:14,000

Many believe that the entrance to this subterranean realm exists among the ruins of the lost kingdom of Gugge on top of Mount Kailash in Tibet.

238

00:31:15,000 --> 00:31:22,000

Shambhala is said to be underground. It's ruled by kings who lived for hundreds of years.

239

00:31:23,000 --> 00:31:28,000

They have wonderful technology, there's electricity, there's airships.

240

00:31:29,000 --> 00:31:37,000

And also part of the tradition of Shambhala is that they are guiding mankind very much as we often think that extra terrestrials are doing.

241

00:31:38,000 --> 00:31:45,000

A number of people have suggested that Shambhala, the hidden city, is at Mount Kailash or very nearby.

242

00:31:46,000 --> 00:31:54,000

Gugge, right near Mount Kailash, is a very strange fortress built on the top of a pyramidal mountain.

243

00:31:55,000 --> 00:32:04,000

And the fortress of Gugge had all kinds of tunnels and hidden staircases that went underground and went inside this mountain.

244

00:32:05,000 --> 00:32:13,000

So when archaeologists went there, they were astounded that this city of Gugga apparently led inside the Earth.

245

00:32:13,000 --> 00:32:27,000

What people seem to believe was that if you would follow these tunnels far enough into the Earth, you would eventually come to that hidden city of Shambhala, an active city full of light and power.

246

00:32:29,000 --> 00:32:39,000

While there have been numerous reports of UFOs at Mount Kailash, explorers have yet to find the legendary subterranean realm of Shambhala.

247

00:32:40,000 --> 00:32:55,000

But according to the secret diary of one of the United States' most celebrated naval officers, a hidden entrance to inner Earth can be found thousands of miles to the south in Antarctica.

248

00:32:56,000 --> 00:33:00,000

August 1946.

249

00:33:01,000 --> 00:33:18,000

Esteemed U.S. naval officer and explorer Admiral Richard Byrd, one of the first pilots to fly over both the north and south poles, organizes Operation High Jump, the largest expedition ever to travel to Antarctica.

250

00:33:19,000 --> 00:33:25,000

With 13 ships, 23 aircraft and over 4,700 military personnel.

251

00:33:28,000 --> 00:33:44,000

This was very important that after the conclusion of World War II, Admiral Byrd was asked if he would mount a large armada and go for four months.

252

00:33:45,000 --> 00:33:58,000

It was supposed to be that they would go in December, January, February and March, and there was a list of military goals that they were to achieve, but by the end of February something happened.

253

00:34:00,000 --> 00:34:07,000

One of the mission's official goals was investigating sites for potential military bases in Antarctica.

254

00:34:08,000 --> 00:34:15,000

But during his explorations, Admiral Byrd allegedly came upon something highly unexpected.

255

00:34:16,000 --> 00:34:27,000

This story is said to come from his diaries, not his published account of the trip, but something he held back and then later was suppressed by government authorities that found it frightening.

256

00:34:28,000 --> 00:34:36,000

In his diary, which was discovered by his son after his death, Admiral Byrd tells an extraordinary story.

257

00:34:38,000 --> 00:34:46,000

Admiral Byrd heard there was an entrance to the center of the earth through the south pole, and he took planes into the south, under the south pole.

258

00:34:47,000 --> 00:34:55,000

And when he did that, he discovered that as he flew over the pole, suddenly he's looking at things that shouldn't be there.

259

00:34:55,000 --> 00:35:01,000

I mean, it was temperate. He had a squadron flew under the earth, into the earth.

260

00:35:02,000 --> 00:35:09,000

It turns into this lush and green area, and he can't even believe his eyes, but that's just the beginning of his extraordinary story.

261

00:35:09,000 --> 00:35:16,000

He tells how all of a sudden he starts to see a shimmering rainbow city that's made of crystal.

262

00:35:17,000 --> 00:35:26,000

His airplane is taken control of when he suddenly sees these flying disc-shaped objects around them that lead him to the ground.

263

00:35:28,000 --> 00:35:37,000

Whereupon he's escorted into a cavernous type of an area where he meets a being he refers to as the master in his diary.

264

00:35:38,000 --> 00:35:44,000

The master tells him that they're highly disappointed in what humans are doing with nuclear weapons.

265

00:35:44,000 --> 00:35:53,000

How they've recently destroyed Hiroshima and Nagasaki, and they really are concerned about what is going on on the surface of the planet.

266

00:35:55,000 --> 00:36:00,000

They tell Admiral Byrd that they hope that humanity will ultimately stop this.

267

00:36:01,000 --> 00:36:13,000

For UFO researchers, this account from Admiral Byrd's diary is particularly significant, due to the

fact that the modern UFO era began right after World War II.

268

00:36:14,000 --> 00:36:17,000

And the detonation of the first atomic bombs.

269

00:36:18,000 --> 00:36:27,000

It has also been noted that a high number of UFO sightings have been reported in the vicinity of nuclear missile silos.

270

00:36:28,000 --> 00:36:41,000

Admiral Byrd's story is congruent with the stories that we hear from numerous accounts of angelic or extraterrestrial type beings that are very concerned about what humanity is doing with nuclear weapons.

271

00:36:42,000 --> 00:36:55,000

Just ask the Air Force officers at the US missile silos, the nuclear missile silos, that have seen their silos and their nuclear arms disarmed by what are perceived to be extraterrestrial beings.

272

00:36:57,000 --> 00:37:05,000

They're very concerned that we are ultimately not just going to destroy ourselves, but could harm our planet, which is their world as well.

273

00:37:06,000 --> 00:37:23,000

If Admiral Byrd's secret diary is authentic, does it reveal not only that there are highly advanced beings living inside the Earth, but also that they are monitoring what happens on the surface?

274

00:37:24,000 --> 00:37:34,000

According to the diary, after this incredible encounter, Admiral Byrd was eager to share his story, but was ordered to remain silent.

275

00:37:35,000 --> 00:37:47,000

Byrd comes back after this experience. He is taken to a government compound where he is told that he is never to speak of this publicly and that everything he says is classified.

276

00:37:48,000 --> 00:38:00,000

Could Admiral Byrd's story point to a profound connection between the ancient traditions of strange beings living inside the Earth and the modern-day UFO phenomenon?

277

00:38:01,000 --> 00:38:14,000

Ancient astronaut theorists say yes and believe we may be fast approaching the time when we will find ourselves face to face with the beings of inner Earth.

278

00:38:18,000 --> 00:38:36,000

Earth, September 16, 2240. According to the teachings of Gabala on this date, which marks the beginning of the 7th millennium on the Judea calendar, humankind will be introduced to a profound new reality.

279

00:38:37,000 --> 00:38:46,000

According to the Zohar, at the beginning of the 7th millennium, the gates of wisdom will open on the Earth. It seems like a long way off.

280

00:38:47,000 --> 00:38:54,000

However, the Zohar also tells us that there will be preliminary stages of the opening of this wisdom.

281

00:38:55,000 --> 00:39:07,000

Those stages the Kabbalists teach began around 1840. That's the beginning of the Industrial Revolution, when suddenly humans are taking control of nature.

282

00:39:08,000 --> 00:39:18,000

After that, we enter into the technological revolution of the 1950s, the invention of the computer, the transistor, and other technologies like that.

283

00:39:19,000 --> 00:39:34,000

Now we're moving into the nanotechnology, the artificial intelligence era. These are all believed to be signs that we are ultimately moving into this new era when immense wellsprings of wisdom will open up.

284

00:39:36,000 --> 00:39:43,000

At that point, there will be an age of enlightenment that will come upon the planet and come upon all the life on this planet.

285

00:39:43,000 --> 00:39:57,000

Now isn't this fascinating that the three Adamic religions all talk about the same thing? In Christianity, it is the second coming and the rapture.

286

00:39:58,000 --> 00:40:10,000

In Islam, it is the 12th Imam. In Judaism, it is the Messiah who will come and there will be a whole new life on this planet.

287

00:40:11,000 --> 00:40:25,000

When it comes time for the Messiah to come, the Messiah will not come from the skies, but rather the Messiah and his army will come from inner-earth.

288

00:40:26,000 --> 00:40:36,000

And there is Madrasic legend that states in the quote world to come, we will have first contact with those races in inner-earth.

289

00:40:37,000 --> 00:40:49,000

Do the prophecies of Kabbalah confirm that even to this day, humankind continues to share the planet with other intelligent beings that occupy hidden realms?

290

00:40:50,000 --> 00:41:04,000

There are many different species, races of beings. Some of them came from earlier times and some of them come from now, but in just a different place.

291

00:41:05,000 --> 00:41:17,000

There's not only one or two. There are many, many different races and coming in contact with other races or beings is coming in the next epoch.

292

00:41:19,000 --> 00:41:31,000

The purpose of teachings of the mystical traditions is to provide light and redirection back to communion with the higher domains.

293

00:41:32,000 --> 00:41:38,000

We are not alone as intelligent beings upon our own earth.

294

00:41:39,000 --> 00:41:47,000

Is humanity rapidly approaching the day when the secrets of inner-earth will be revealed?

295

00:41:48,000 --> 00:41:53,000

Have we been sharing the planet with other intelligent life forms for thousands of years?

296

00:41:54,000 --> 00:42:06,000

Perhaps it will be below rather than above where we will ultimately discover the truth about our past, our future and our alien ancestors.

297

00:42:08,000 --> 00:42:10,000
