Calling All Beings

1
00:00:00,080 --> 00:00:32,229
okay

2
00:00:37,670 --> 00:00:35,030
oh it's going down now man

3
00:00:40,709 --> 00:00:37,680
it's going down now we're live

4
00:00:41,990 --> 00:00:40,719
we are live welcome welcome welcome to

5
00:00:45,270 --> 00:00:42,000
the first

6
00:00:47,270 --> 00:00:45,280
episode of the rebranded calling all

7
00:00:49,830 --> 00:00:47,280
beings

8
00:00:52,869 --> 00:00:49,840
i'm dj i'm your host dj san marco good

9
00:00:55,670 --> 00:00:52,879
evening everybody and i am joined by my

10
00:00:58,709 --> 00:00:55,680
amazing co-host he's the baddest of the

11
00:01:01,510 --> 00:00:58,719
bad he's george's own

12
00:01:04,229 --> 00:01:01,520
money nate await away soul how's it

13
00:01:06,230 --> 00:01:04,239

going nathan good dj how are you

14

00:01:08,789 --> 00:01:06,240

dude i'm doing good man i'm like so

15

00:01:11,190 --> 00:01:08,799

excited man it's it's a whole new era in

16

00:01:13,510 --> 00:01:11,200

the show we're on youtube we're going to

17

00:01:15,030 --> 00:01:13,520

be on podcasts we're going to do for

18

00:01:16,390 --> 00:01:15,040

we're going to bring you great guests

19

00:01:18,390 --> 00:01:16,400

and you know what

20

00:01:20,710 --> 00:01:18,400

we're starting it off tonight

21

00:01:23,429 --> 00:01:20,720

with the lovely the talented

22

00:01:26,230 --> 00:01:23,439

and the hypnotic

23

00:01:28,550 --> 00:01:26,240

little play on words here party people

24

00:01:30,950 --> 00:01:28,560

put your hands together

25

00:01:32,390 --> 00:01:30,960

for carlene lynx weiler

26

00:01:36,710 --> 00:01:32,400

yes

27

00:01:39,670 --> 00:01:38,069

this is exciting

28

00:01:41,190 --> 00:01:39,680

yes

29

00:01:44,149 --> 00:01:41,200

we're gonna get down we're gonna talk

30

00:01:45,670 --> 00:01:44,159

about some hypno hypnotic regression

31

00:01:47,749 --> 00:01:45,680

and then we're gonna get into the

32

00:01:49,429 --> 00:01:47,759

biggest story in the phenomenon nathan

33

00:01:50,870 --> 00:01:49,439

what is it

34

00:01:54,469 --> 00:01:50,880

is anjali is that what you're talking

35

00:01:56,950 --> 00:01:54,479

about can i get it amen

36

00:02:00,149 --> 00:01:56,960

can i get an amen

37

00:02:02,950 --> 00:02:00,159

what's up homegirl and today

38

00:02:06,830 --> 00:02:02,960

surreptitiously behind nathan's back i

39

00:02:12,630 --> 00:02:10,150

story did nice nice job

40

00:02:14,869 --> 00:02:12,640

so she read and that was a good dr evil

41

00:02:16,550 --> 00:02:14,879

right oh perfect that was really good

42

00:02:17,830 --> 00:02:16,560

that was solid i want to say this like

43

00:02:19,589 --> 00:02:17,840

first of all carly i just want to say

44

00:02:21,510 --> 00:02:19,599

the camera adds like 20 pounds i'm

45

00:02:22,869 --> 00:02:21,520

really a lot better looking than this in

46

00:02:24,710 --> 00:02:22,879

person

47

00:02:26,309 --> 00:02:24,720

anyway

48

00:02:28,550 --> 00:02:26,319

she's like i'll take your word for it

49

00:02:31,350 --> 00:02:28,560

okay he's like i'm having an easier time

50

00:02:33,910 --> 00:02:31,360

believing anjali story but anyway so uh

51
00:02:36,390 --> 00:02:33,920
i had i sent her the interview i don't

52
00:02:39,270 --> 00:02:36,400
know how many did you listen to carlene

53
00:02:42,150 --> 00:02:39,280
so i listened to the majority of that

54
00:02:44,070 --> 00:02:42,160
very long first one and that was and

55
00:02:45,430 --> 00:02:44,080
that's the one we were chatting about

56
00:02:47,350 --> 00:02:45,440
and then i dug and then like i went down

57
00:02:48,869 --> 00:02:47,360
a little bit of a rabbit hole and then i

58
00:02:50,949 --> 00:02:48,879
pulled myself out of the rabbit hole but

59
00:02:53,030 --> 00:02:50,959
i was watching i jumped through those

60
00:02:54,070 --> 00:02:53,040
other youtubes uh interviews with her

61
00:02:56,070 --> 00:02:54,080
and then i just started doing my own

62
00:02:57,910 --> 00:02:56,080
investigation on who she was

63
00:02:59,270 --> 00:02:57,920

just to see like her credibility and

64

00:03:01,030 --> 00:02:59,280

where she was coming from because this

65

00:03:03,750 --> 00:03:01,040

was a brand new story for me

66

00:03:06,309 --> 00:03:03,760

yeah i mean um and so we'll get into

67

00:03:08,550 --> 00:03:06,319

that but first we have the topic at hand

68

00:03:09,589 --> 00:03:08,560

back to the lecture at hand

69

00:03:10,309 --> 00:03:09,599

carlene

70

00:03:12,630 --> 00:03:10,319

so

71

00:03:14,630 --> 00:03:12,640

as as is usually the case

72

00:03:17,670 --> 00:03:14,640

when we want someone to ask a really

73

00:03:20,229 --> 00:03:17,680

intelligent question obviously it's

74

00:03:21,030 --> 00:03:20,239

it's it's nathan so um

75

00:03:25,110 --> 00:03:21,040

so

76

00:03:27,350 --> 00:03:25,120

i'm pointing over towards him nathan is

77

00:03:28,949 --> 00:03:27,360

gonna kick this off with the first

78

00:03:31,110 --> 00:03:28,959

question my brother

79

00:03:32,630 --> 00:03:31,120

thank you dj carlene great to have you

80

00:03:34,390 --> 00:03:32,640

on the show really looking forward to

81

00:03:35,990 --> 00:03:34,400

talking with you and

82

00:03:38,229 --> 00:03:36,000

can't say enough about how grateful we

83

00:03:39,910 --> 00:03:38,239

are to have you on as our first guest uh

84

00:03:41,190 --> 00:03:39,920

so super excited about that i was

85

00:03:43,350 --> 00:03:41,200

wondering if you could set the stage for

86

00:03:44,710 --> 00:03:43,360

us a little bit and introduce our

87

00:03:46,470 --> 00:03:44,720

audience to

88

00:03:49,030 --> 00:03:46,480

a little bit about your background

89

00:03:51,110 --> 00:03:49,040

a little bit about uh your journey

90

00:03:52,630 --> 00:03:51,120

because i've read i read about you read

91

00:03:54,070 --> 00:03:52,640

a little bit about your story and it's

92

00:03:55,750 --> 00:03:54,080

really fascinating and i think people

93

00:03:56,869 --> 00:03:55,760

would love to hear it and then i also

94

00:03:58,710 --> 00:03:56,879

want you to talk about what you're

95

00:04:01,190 --> 00:03:58,720

working on now what kind of interests

96

00:04:03,750 --> 00:04:01,200

you what really gets you motivated uh as

97

00:04:05,910 --> 00:04:03,760

your journey continues into the future

98

00:04:07,670 --> 00:04:05,920

okay so any are you talking about

99

00:04:09,670 --> 00:04:07,680

hypnotic journey are you talking about

100

00:04:11,990 --> 00:04:09,680

spiritual journey i mean i want to hear

101
00:04:15,910 --> 00:04:12,000
it all but let's uh i would think one

102
00:04:20,150 --> 00:04:18,469
sure so so spiritually i mean

103
00:04:22,310 --> 00:04:20,160
um ever since and it's funny because i

104
00:04:24,070 --> 00:04:22,320
was doing a podcast saturday night where

105
00:04:25,590 --> 00:04:24,080
this actually had come up and i had

106
00:04:28,390 --> 00:04:25,600
forgotten about these memories from my

107
00:04:29,990 --> 00:04:28,400
childhood but i had a lot of um

108
00:04:31,189 --> 00:04:30,000
paranormal stuff happening throughout my

109
00:04:32,310 --> 00:04:31,199
childhood

110
00:04:34,310 --> 00:04:32,320
and

111
00:04:36,390 --> 00:04:34,320
experiences but i just kind of all

112
00:04:39,990 --> 00:04:36,400
chalked it up to imagination because i

113
00:04:42,950 --> 00:04:40,000

do have i think i have a pretty um

114

00:04:45,909 --> 00:04:42,960

good imagination pretty creative and so

115

00:04:49,189 --> 00:04:45,919

as yeah so as time went on um

116

00:04:50,790 --> 00:04:49,199

i really got i kind of like pulled away

117

00:04:52,950 --> 00:04:50,800

uh from spirituality got more into the

118

00:04:55,670 --> 00:04:52,960

materialistic world until about my

119

00:04:58,550 --> 00:04:55,680

mid-20s and then i started to see auras

120

00:05:00,710 --> 00:04:58,560

um i had gone through something that was

121

00:05:02,790 --> 00:05:00,720

i considered traumatizing a close person

122

00:05:05,270 --> 00:05:02,800

to me had almost died

123

00:05:07,670 --> 00:05:05,280

and i think what happened was i was i

124

00:05:09,670 --> 00:05:07,680

started to focus a lot on heart energy

125

00:05:10,710 --> 00:05:09,680

and heart energy when you focus on this

126
00:05:12,629 --> 00:05:10,720
work

127
00:05:15,189 --> 00:05:12,639
and they do this in qigong this opens

128
00:05:17,270 --> 00:05:15,199
you up to more telepathic tendencies it

129
00:05:19,430 --> 00:05:17,280
actually helps you expand so i talk a

130
00:05:20,790 --> 00:05:19,440
lot about third eye expansion because

131
00:05:22,150 --> 00:05:20,800
that can happen when you open up your

132
00:05:23,029 --> 00:05:22,160
third eye i mean when you open up your

133
00:05:24,629 --> 00:05:23,039
heart

134
00:05:26,629 --> 00:05:24,639
your third eye will open

135
00:05:29,110 --> 00:05:26,639
um so i started seeing auras and then

136
00:05:30,629 --> 00:05:29,120
that obviously led me down to reading a

137
00:05:32,390 --> 00:05:30,639
lot of books i started reading

138
00:05:34,390 --> 00:05:32,400

voraciously about the topics of

139

00:05:37,590 --> 00:05:34,400

spirituality i got i got to be a

140

00:05:39,029 --> 00:05:37,600

certified yoga teacher um at the time

141

00:05:41,029 --> 00:05:39,039

yes

142

00:05:43,430 --> 00:05:41,039

shout out to yoga teachers

143

00:05:44,390 --> 00:05:43,440

in the house yeah what's up man

144

00:05:46,150 --> 00:05:44,400

thanks

145

00:05:47,510 --> 00:05:46,160

at the time i was a high school teacher

146

00:05:50,230 --> 00:05:47,520

i was a full-time high school teacher in

147

00:05:51,990 --> 00:05:50,240

my 20s and uh over in new hampshire and

148

00:05:54,550 --> 00:05:52,000

i was teaching the social studies so

149

00:05:56,550 --> 00:05:54,560

social sciences mainly had majored in

150

00:05:58,150 --> 00:05:56,560

political science and history so

151

00:05:59,990 --> 00:05:58,160

moving forward

152

00:06:02,469 --> 00:06:00,000

i wanted to get the heck out of the

153

00:06:04,070 --> 00:06:02,479

mainstream world the this like it's i

154

00:06:05,590 --> 00:06:04,080

just needed to get out of um having a

155

00:06:08,230 --> 00:06:05,600

full-time job i wanted to work for

156

00:06:09,909 --> 00:06:08,240

myself i wanted to have a more

157

00:06:11,830 --> 00:06:09,919

what i thought was a more in-depth

158

00:06:13,510 --> 00:06:11,840

living so

159

00:06:14,469 --> 00:06:13,520

in an in-depth way of living on my own

160

00:06:16,950 --> 00:06:14,479

terms

161

00:06:18,710 --> 00:06:16,960

so i had opened a studio a yoga studio

162

00:06:21,430 --> 00:06:18,720

where we did ariel as well and that's

163

00:06:23,350 --> 00:06:21,440

that was very successful i saw it was i

164

00:06:25,670 --> 00:06:23,360

had it for seven years i sold it last

165

00:06:27,909 --> 00:06:25,680

summer during the covid lockdown

166

00:06:29,590 --> 00:06:27,919

um had sold it off and i

167

00:06:31,670 --> 00:06:29,600

my spiritual path during the kova

168

00:06:33,430 --> 00:06:31,680

lockdown i started to get into hypnosis

169

00:06:36,150 --> 00:06:33,440

um a little bit before it i discovered

170

00:06:38,629 --> 00:06:36,160

dolores cannon and yes

171

00:06:39,990 --> 00:06:38,639

do you guys know who dolores cannon is

172

00:06:41,590 --> 00:06:40,000

how about how about this you're the

173

00:06:44,150 --> 00:06:41,600

second person on the show that's a

174

00:06:47,029 --> 00:06:44,160

disciple of dolores cannon yeah the

175

00:06:48,550 --> 00:06:47,039

other one was was uh debbie

176

00:06:51,350 --> 00:06:48,560

what did debbie do what kind of work

177

00:06:53,909 --> 00:06:51,360

devi was uh she did uh hypnotic

178

00:06:55,990 --> 00:06:53,919

regression and she was a kundalini yoga

179

00:06:58,550 --> 00:06:56,000

teacher she teaches at one of the places

180

00:07:01,510 --> 00:06:58,560

i sub at yeah so there you go there you

181

00:07:03,189 --> 00:07:01,520

go so um dolores cannon is someone to

182

00:07:05,270 --> 00:07:03,199

know if you're listening to this podcast

183

00:07:08,309 --> 00:07:05,280

if you're into ufology she worked

184

00:07:12,469 --> 00:07:08,319

closely with mufon m-u-f-o-n um in the

185

00:07:13,830 --> 00:07:12,479

80s she is known for her work with mufon

186

00:07:15,909 --> 00:07:13,840

as well and if i'm pronouncing that

187

00:07:16,710 --> 00:07:15,919

incorrectly please correct me no that's

188

00:07:19,510 --> 00:07:16,720

right

189

00:07:21,670 --> 00:07:19,520

yeah um and she and she wrote a lot of

190

00:07:24,070 --> 00:07:21,680

books on her clients that had had

191

00:07:25,909 --> 00:07:24,080

hypnotic regressions um i'm from new

192

00:07:28,309 --> 00:07:25,919

hampshire betty barney hill is a story

193

00:07:30,469 --> 00:07:28,319

that everyone knows um or most people

194

00:07:33,029 --> 00:07:30,479

know if you don't i mean it's not a hard

195

00:07:35,589 --> 00:07:33,039

story to look up into um so anyways it

196

00:07:37,909 --> 00:07:35,599

was using hypnosis to

197

00:07:39,350 --> 00:07:37,919

uh tap into these regressions and do you

198

00:07:41,430 --> 00:07:39,360

know what's coming to my head right now

199

00:07:43,270 --> 00:07:41,440

this movie um is it

200

00:07:45,990 --> 00:07:43,280

it's alaska was it

201

00:07:48,230 --> 00:07:46,000

the third kind what was that movie

202

00:07:50,550 --> 00:07:48,240

close encounters close encounters yeah

203

00:07:52,150 --> 00:07:50,560

yeah it was somewhere out west like utah

204

00:07:54,869 --> 00:07:52,160

or i don't know where was it i think it

205

00:07:56,950 --> 00:07:54,879

was alaska was it not alaska no i don't

206

00:07:58,869 --> 00:07:56,960

think so yeah one in alaska though guys

207

00:08:00,309 --> 00:07:58,879

there is one devil's peak or something

208

00:08:01,909 --> 00:08:00,319

like that

209

00:08:03,589 --> 00:08:01,919

i've heard okay so there might be two

210

00:08:05,990 --> 00:08:03,599

different movies and i i'll come back

211

00:08:08,550 --> 00:08:06,000

and it won't i'll confront on this um

212

00:08:11,110 --> 00:08:08,560

but anyway so using hypnotic regression

213

00:08:12,790 --> 00:08:11,120

to access these memories so um i was

214

00:08:14,629 --> 00:08:12,800

reading her books i was getting all up

215

00:08:15,990 --> 00:08:14,639

on what she was doing and i was like

216

00:08:18,550 --> 00:08:16,000

this is the work i want to do i want to

217

00:08:21,350 --> 00:08:18,560

do regression work um we have a mutual

218

00:08:23,749 --> 00:08:21,360

friend natasha she's been on this show

219

00:08:25,270 --> 00:08:23,759

yes i love natasha she and i are all

220

00:08:27,189 --> 00:08:25,280

about we've i've done a lot of

221

00:08:28,309 --> 00:08:27,199

paranormal investigations with her just

222

00:08:29,350 --> 00:08:28,319

for fun

223

00:08:31,350 --> 00:08:29,360

wow

224

00:08:34,630 --> 00:08:31,360

she's great and she was a hypnotic

225

00:08:36,949 --> 00:08:34,640

subject of mine uh many times and

226

00:08:39,829 --> 00:08:36,959

um as a friend you know and so

227

00:08:42,230 --> 00:08:39,839

but since that time i've i've done um

228

00:08:44,550 --> 00:08:42,240

dozens and dozens if not a couple uh

229

00:08:48,230 --> 00:08:44,560

close to 100 um hypnotic regressions in

230

00:08:50,389 --> 00:08:48,240

the last year and so wow that's a lot in

231

00:08:53,030 --> 00:08:50,399

a year it is in a year it is and so and

232

00:08:55,590 --> 00:08:53,040

i'm constantly progressing and

233

00:08:59,030 --> 00:08:55,600

working and i've been um talking to more

234

00:09:02,389 --> 00:08:59,040

and more people involved in in ufo

235

00:09:03,829 --> 00:09:02,399

research and disclosure and whether or

236

00:09:05,829 --> 00:09:03,839

not i want to be involved in this

237

00:09:08,389 --> 00:09:05,839

subject the subject wants to be involved

238

00:09:13,190 --> 00:09:10,949

sounds familiar

239

00:09:14,550 --> 00:09:13,200

it sounds like anjali my home girl

240

00:09:15,509 --> 00:09:14,560

what's up

241

00:09:17,030 --> 00:09:15,519

so

242

00:09:18,389 --> 00:09:17,040

all right well i think i think all of us

243

00:09:20,949 --> 00:09:18,399

that get into this

244

00:09:22,949 --> 00:09:20,959

find our way we're almost pulled into it

245

00:09:25,269 --> 00:09:22,959

uh and sometimes kicking and screaming

246

00:09:27,910 --> 00:09:25,279

but there's a there's a lure

247

00:09:30,310 --> 00:09:27,920

of this topic that that brings you in

248

00:09:31,350 --> 00:09:30,320

and doesn't let you go

249

00:09:33,430 --> 00:09:31,360

yeah yeah

250

00:09:36,230 --> 00:09:33,440

i want to talk about mine but you guys

251

00:09:39,750 --> 00:09:38,790

let's focus on carlene um so you said

252

00:09:46,310 --> 00:09:39,760

you

253

00:09:48,870 --> 00:09:46,320

though growing up and i'm assuming that

254

00:09:51,269 --> 00:09:48,880

that lit the fire that then kind of like

255

00:09:53,990 --> 00:09:51,279

that fire was doused and then it

256

00:09:56,790 --> 00:09:54,000

kind of sparked up again yeah i think

257

00:09:59,430 --> 00:09:56,800

life kind of happened and i became a

258

00:10:01,509 --> 00:09:59,440

teenager and i just got away from that

259

00:10:02,310 --> 00:10:01,519

kind of stuff you know what i mean but i

260

00:10:04,150 --> 00:10:02,320

had

261

00:10:06,230 --> 00:10:04,160

a lot of sleep paralysis a lot of nights

262

00:10:07,910 --> 00:10:06,240

of sleep paralysis um

263

00:10:10,069 --> 00:10:07,920

things that would bump in the night wake

264

00:10:11,750 --> 00:10:10,079

me up um things sitting on the edge of

265

00:10:14,310 --> 00:10:11,760

my bed um

266

00:10:16,550 --> 00:10:14,320

visitors at night um sometimes they

267

00:10:18,710 --> 00:10:16,560

would come in the form of my dad which

268

00:10:20,710 --> 00:10:18,720

was really like they they wouldn't they

269

00:10:22,389 --> 00:10:20,720

would be transparent they would try to i

270

00:10:24,069 --> 00:10:22,399

think mask themselves to look like

271

00:10:25,030 --> 00:10:24,079

somebody i was familiar with i was six

272

00:10:26,630 --> 00:10:25,040

or seven

273

00:10:28,470 --> 00:10:26,640

and they never touched me or anything

274

00:10:30,550 --> 00:10:28,480

like that they just would try to

275

00:10:33,509 --> 00:10:30,560

communicate i think

276

00:10:35,670 --> 00:10:33,519

so does that run in my family at all

277

00:10:39,269 --> 00:10:35,680

not that i know of okay you know my mom

278

00:10:40,790 --> 00:10:39,279

has however my mother who's very quiet

279

00:10:42,310 --> 00:10:40,800

about this kind of stuff every once in a

280

00:10:44,790 --> 00:10:42,320

while she'll say like

281

00:10:46,230 --> 00:10:44,800

when she was a kid she remembered um

282

00:10:48,310 --> 00:10:46,240

waking up and there'd be a woman

283

00:10:49,829 --> 00:10:48,320

standing at the edge of her bed and then

284

00:10:51,110 --> 00:10:49,839

she had um

285

00:10:54,949 --> 00:10:51,120

she had a couple

286

00:10:56,710 --> 00:10:54,959

uh visitations back in 92 or 93 and i do

287

00:10:58,310 --> 00:10:56,720

remember being seven years old or eight

288

00:11:00,550 --> 00:10:58,320

years old when that happened

289

00:11:03,030 --> 00:11:00,560

so it does run in the family

290

00:11:06,310 --> 00:11:03,040

i guess so but i've never actually i

291

00:11:07,990 --> 00:11:06,320

haven't seen a ufo um until

292

00:11:10,150 --> 00:11:08,000

this is this is how it all happened so

293

00:11:11,990 --> 00:11:10,160

if i can full disclosure here

294

00:11:14,310 --> 00:11:12,000

i was talking to natasha a week ago and

295

00:11:16,150 --> 00:11:14,320

i said hey i think i saw a ufo and

296

00:11:18,310 --> 00:11:16,160

that's how she i got she connected me to

297

00:11:20,230 --> 00:11:18,320

you guys because she was like i think

298

00:11:22,389 --> 00:11:20,240

it's starting to happen or i don't know

299

00:11:23,590 --> 00:11:22,399

if i'm i'm calling in this uh experience

300

00:11:25,829 --> 00:11:23,600

or what

301
00:11:27,750 --> 00:11:25,839
wow yeah incredible yeah and i've heard

302
00:11:28,949 --> 00:11:27,760
out my notepad to take i'm just kidding

303
00:11:33,110 --> 00:11:28,959
i'm not going to

304
00:11:35,030 --> 00:11:33,120
ahead well i i've heard that uh it can

305
00:11:37,829 --> 00:11:35,040
run in the family these types of

306
00:11:40,389 --> 00:11:37,839
experiences and in particular through

307
00:11:42,870 --> 00:11:40,399
the the female line in the family that

308
00:11:45,030 --> 00:11:42,880
um it can be stronger so just

309
00:11:47,350 --> 00:11:45,040
interesting there you go

310
00:11:49,590 --> 00:11:47,360
maybe it is it's innocent is there more

311
00:11:52,230 --> 00:11:49,600
have you heard more narratives from

312
00:11:54,150 --> 00:11:52,240
female persons than male persons nathan

313
00:11:56,069 --> 00:11:54,160

is that

314

00:11:58,550 --> 00:11:56,079

well when it comes to this type of

315

00:12:01,030 --> 00:11:58,560

experience i

316

00:12:03,509 --> 00:12:01,040

and i'm i'm not an expert at this at all

317

00:12:05,990 --> 00:12:03,519

but the ones that i have come across the

318

00:12:07,430 --> 00:12:06,000

little that i know of it does seem to be

319

00:12:10,389 --> 00:12:07,440

more prevalent

320

00:12:11,829 --> 00:12:10,399

uh with women than than men now there

321

00:12:13,910 --> 00:12:11,839

could just be a

322

00:12:16,069 --> 00:12:13,920

maybe a conversational bias maybe more

323

00:12:19,030 --> 00:12:16,079

women are likely to talk about talking

324

00:12:20,389 --> 00:12:19,040

about it i think so than men so yeah

325

00:12:22,790 --> 00:12:20,399

hard to say

326

00:12:25,430 --> 00:12:22,800

so the the entity that visited you

327

00:12:27,430 --> 00:12:25,440

carlene you think that that's more in

328

00:12:30,310 --> 00:12:27,440

the natasha realm

329

00:12:32,389 --> 00:12:30,320

than the ufo realm well

330

00:12:35,190 --> 00:12:32,399

that's what i believe up to this point

331

00:12:36,949 --> 00:12:35,200

um i haven't had i don't believe i've

332

00:12:38,470 --> 00:12:36,959

had any experience to

333

00:12:40,230 --> 00:12:38,480

say otherwise

334

00:12:42,230 --> 00:12:40,240

if it was and then there's a whole

335

00:12:45,110 --> 00:12:42,240

discussion about and i don't know if you

336

00:12:46,870 --> 00:12:45,120

guys can educate me on this one but um

337

00:12:49,430 --> 00:12:46,880

there's people who believe that a lot of

338

00:12:50,790 --> 00:12:49,440

aliens are interdimensional beings

339

00:12:52,230 --> 00:12:50,800

and then there's other people like i

340

00:12:53,990 --> 00:12:52,240

actually got an email the other day

341

00:12:55,190 --> 00:12:54,000

where someone was very upset not at me

342

00:12:56,949 --> 00:12:55,200

they were upset at the different

343

00:12:58,710 --> 00:12:56,959

regressionists they worked with

344

00:13:01,190 --> 00:12:58,720

and he was kind of coming to me for an

345

00:13:03,110 --> 00:13:01,200

answer and i'm a big believer at the end

346

00:13:05,190 --> 00:13:03,120

i am do not listen to anything anyone

347

00:13:07,350 --> 00:13:05,200

says the truth is within you like your

348

00:13:09,430 --> 00:13:07,360

truth your reality so i don't like to i

349

00:13:11,430 --> 00:13:09,440

don't love when people come at me with

350

00:13:13,030 --> 00:13:11,440

please answer this for me

351

00:13:15,430 --> 00:13:13,040

i don't know i don't know it's your

352

00:13:18,389 --> 00:13:15,440

experience but the person um was upset

353

00:13:20,389 --> 00:13:18,399

because they were trying to understand

354

00:13:21,829 --> 00:13:20,399

are aliens interdimensional beings or

355

00:13:24,230 --> 00:13:21,839

are they physical

356

00:13:26,790 --> 00:13:24,240

beings and they were having a hard time

357

00:13:28,470 --> 00:13:26,800

bridging that idea and i was and i and

358

00:13:31,110 --> 00:13:28,480

i'm thinking well why not why can't it

359

00:13:32,470 --> 00:13:31,120

be both why can't there be some that are

360

00:13:35,269 --> 00:13:32,480

interdimensional

361

00:13:37,350 --> 00:13:35,279

um and that some are actual physical

362

00:13:39,910 --> 00:13:37,360

we actually have good some good reasons

363

00:13:42,629 --> 00:13:39,920

why we believe that and i think nathan

364

00:13:45,590 --> 00:13:42,639
can expound on that real quickly

365

00:13:47,990 --> 00:13:45,600
well yeah so they're um

366

00:13:50,310 --> 00:13:48,000
i mean the whole host of phenomena that

367

00:13:53,269 --> 00:13:50,320
have been reported that nothing fits

368

00:13:56,069 --> 00:13:53,279
neatly into one box right and so

369

00:13:58,550 --> 00:13:56,079
um because of that you have folks that

370

00:14:01,110 --> 00:13:58,560
are focusing on these sort of different

371

00:14:03,430 --> 00:14:01,120
aspects these different rays of the same

372

00:14:05,910 --> 00:14:03,440
sun perhaps but you know the way that it

373

00:14:07,670 --> 00:14:05,920
manifests itself in in our time and our

374

00:14:08,310 --> 00:14:07,680
space and our world

375

00:14:10,710 --> 00:14:08,320
and

376

00:14:13,350 --> 00:14:10,720

what's interesting about it all is that

377

00:14:14,870 --> 00:14:13,360

as you said it could be all of the above

378

00:14:17,030 --> 00:14:14,880

and and you'll find that some people

379

00:14:19,509 --> 00:14:17,040

become very passionate about you know

380

00:14:21,509 --> 00:14:19,519

it's oh it's you know it is e.t they're

381

00:14:22,550 --> 00:14:21,519

from other planets from other galaxies

382

00:14:24,710 --> 00:14:22,560

they're here

383

00:14:26,550 --> 00:14:24,720

in their physical craft that's exactly

384

00:14:27,670 --> 00:14:26,560

what this is then you'll say here other

385

00:14:29,670 --> 00:14:27,680

people say no you know it's

386

00:14:31,430 --> 00:14:29,680

interdimensional people they

387

00:14:34,790 --> 00:14:31,440

they're not from another galaxy not from

388

00:14:37,750 --> 00:14:34,800

another world they basically co-exist

389

00:14:39,829 --> 00:14:37,760

on a layer of reality that

390

00:14:41,750 --> 00:14:39,839

that we occupy we just can't interface

391

00:14:43,990 --> 00:14:41,760

with them very well all the time yeah

392

00:14:46,470 --> 00:14:44,000

exactly when they want to lead over but

393

00:14:47,189 --> 00:14:46,480

there isn't much bleed over very often

394

00:14:48,790 --> 00:14:47,199

so

395

00:14:51,269 --> 00:14:48,800

just tell about aguadilla real quick

396

00:14:53,189 --> 00:14:51,279

like you have a trans medium vehicle

397

00:14:57,030 --> 00:14:53,199

that is not that's going in the water

398

00:15:01,990 --> 00:14:59,750

exactly so you have and this you know

399

00:15:02,949 --> 00:15:02,000

that that example as well as tic deck

400

00:15:04,629 --> 00:15:02,959

which we started talking about the

401
00:15:07,030 --> 00:15:04,639
beginning these are things that have

402
00:15:10,629 --> 00:15:07,040
been picked up by physical

403
00:15:12,389 --> 00:15:10,639
uh sensors and so you know infrared

404
00:15:14,949 --> 00:15:12,399
other types of sensor technologies have

405
00:15:17,269 --> 00:15:14,959
seen these craft and that that adds some

406
00:15:19,110 --> 00:15:17,279
uh credence to the notion that these are

407
00:15:21,030 --> 00:15:19,120
nuts and bolts things purely nuts and

408
00:15:22,310 --> 00:15:21,040
bolts phenomena yes they can do

409
00:15:24,389 --> 00:15:22,320
phenomenal things but they're just

410
00:15:26,470 --> 00:15:24,399
physical things uh but then you have

411
00:15:28,389 --> 00:15:26,480
lots of stories where

412
00:15:30,710 --> 00:15:28,399
whatever appears to

413
00:15:33,430 --> 00:15:30,720

the experimenter can as you mentioned

414

00:15:35,749 --> 00:15:33,440

earlier kind of uh change its appearance

415

00:15:38,150 --> 00:15:35,759

based on the person that is having the

416

00:15:39,509 --> 00:15:38,160

experience maybe make it so that they

417

00:15:41,350 --> 00:15:39,519

can be something that person would be

418

00:15:43,829 --> 00:15:41,360

more comfortable with

419

00:15:45,990 --> 00:15:43,839

and not make them uncomfortable and that

420

00:15:47,430 --> 00:15:46,000

i watched um something today

421

00:15:49,590 --> 00:15:47,440

uh one of the

422

00:15:51,749 --> 00:15:49,600

women she was a girl at the time but

423

00:15:53,749 --> 00:15:51,759

she's a woman now who was

424

00:15:55,110 --> 00:15:53,759

a part of the aerial school incident in

425

00:15:57,030 --> 00:15:55,120

zimbabwe i don't know if you're familiar

426
00:15:59,749 --> 00:15:57,040
with that but it's a very well-known

427
00:16:01,829 --> 00:15:59,759
case a huge case in ufology

428
00:16:03,829 --> 00:16:01,839
where all these school kids were playing

429
00:16:05,749 --> 00:16:03,839
and yeah i have heard this yeah and so

430
00:16:08,069 --> 00:16:05,759
they were out in the basically the play

431
00:16:09,110 --> 00:16:08,079
yard of the school in zimbabwe and a

432
00:16:11,269 --> 00:16:09,120
craft

433
00:16:13,910 --> 00:16:11,279
uh appeared and

434
00:16:16,470 --> 00:16:13,920
beings uh communicated with some of

435
00:16:18,389 --> 00:16:16,480
these people in the craft yeah exited

436
00:16:20,829 --> 00:16:18,399
and communicated telepathically with

437
00:16:24,629 --> 00:16:20,839
these kids and and she essentially said

438
00:16:27,509 --> 00:16:24,639

that they didn't speak they uh

439

00:16:29,910 --> 00:16:27,519

projected uh sort of thousands of images

440

00:16:30,629 --> 00:16:29,920

yeah telepathically in in in front of

441

00:16:32,949 --> 00:16:30,639

her

442

00:16:35,110 --> 00:16:32,959

uh to make a communication and that they

443

00:16:38,310 --> 00:16:35,120

also kind of she she felt that the way

444

00:16:40,310 --> 00:16:38,320

that they appeared wasn't necessarily

445

00:16:42,389 --> 00:16:40,320

what they really looked like so that was

446

00:16:43,430 --> 00:16:42,399

interesting they had hair didn't they

447

00:16:47,269 --> 00:16:43,440

well

448

00:16:49,509 --> 00:16:47,279

the children they did and but in in her

449

00:16:51,910 --> 00:16:49,519

drawing they didn't so they didn't

450

00:16:54,629 --> 00:16:51,920

where different people seem to have a

451
00:16:56,550 --> 00:16:54,639
slightly modified experience of what it

452
00:16:58,629 --> 00:16:56,560
is that they're observing

453
00:17:00,470 --> 00:16:58,639
right and and i want to just say one

454
00:17:01,990 --> 00:17:00,480
more thing about and i will send you

455
00:17:04,150 --> 00:17:02,000
after uh the show i'll send you the

456
00:17:05,669 --> 00:17:04,160
aguadia video so you can watch it and

457
00:17:09,270 --> 00:17:05,679
it's basically a customs and border

458
00:17:11,189 --> 00:17:09,280
patrol aircraft sensor that they it's

459
00:17:13,429 --> 00:17:11,199
same sensor that i flew with when i was

460
00:17:15,429 --> 00:17:13,439
active duty and they filmed this thing

461
00:17:18,230 --> 00:17:15,439
so i know like all the symbology on the

462
00:17:19,990 --> 00:17:18,240
screen what it says and what it means

463
00:17:21,669 --> 00:17:20,000

and you basically see this thing flying

464

00:17:22,789 --> 00:17:21,679

and you can zoom in on it and it doesn't

465

00:17:25,429 --> 00:17:22,799

have a shape

466

00:17:27,510 --> 00:17:25,439

it's not square it's not round and it's

467

00:17:29,909 --> 00:17:27,520

shape shifting and it flies right over

468

00:17:31,990 --> 00:17:29,919

an airport and you can see it and then

469

00:17:33,990 --> 00:17:32,000

it goes out over the water and it goes

470

00:17:35,590 --> 00:17:34,000

in the water there's no splash and

471

00:17:37,669 --> 00:17:35,600

there's multiple accounts of these

472

00:17:39,990 --> 00:17:37,679

things going in the water without a

473

00:17:41,909 --> 00:17:40,000

physical splash and then it comes out

474

00:17:43,830 --> 00:17:41,919

and then it's two of them when it comes

475

00:17:46,390 --> 00:17:43,840

out of the water so that's what makes us

476
00:17:47,990 --> 00:17:46,400
think uh there's certain characteristics

477
00:17:50,070 --> 00:17:48,000
of an aircraft

478
00:17:52,710 --> 00:17:50,080
that things like the tic tac do not

479
00:17:55,029 --> 00:17:52,720
display that makes us think that it's

480
00:17:57,990 --> 00:17:55,039
not interacting with our atmosphere the

481
00:18:00,150 --> 00:17:58,000
way that we have to interact with the

482
00:18:01,909 --> 00:18:00,160
atmosphere when we want to fly there's

483
00:18:04,230 --> 00:18:01,919
certain um

484
00:18:06,150 --> 00:18:04,240
theorems uh and airplanes are built a

485
00:18:07,909 --> 00:18:06,160
certain way to create lift this thing

486
00:18:10,230 --> 00:18:07,919
doesn't have any of that stuff yeah it's

487
00:18:12,470 --> 00:18:10,240
like no we don't need to do all that

488
00:18:14,789 --> 00:18:12,480

well if you you guys have probably all

489

00:18:16,710 --> 00:18:14,799

know all about bob lazar

490

00:18:18,950 --> 00:18:16,720

right and didn't he basically have to

491

00:18:19,830 --> 00:18:18,960

reverse engineer

492

00:18:24,150 --> 00:18:19,840

how

493

00:18:26,549 --> 00:18:24,160

actually operated he was asked to do

494

00:18:29,110 --> 00:18:26,559

that he did not successfully do that he

495

00:18:31,669 --> 00:18:29,120

was asked to do that interesting yeah

496

00:18:34,150 --> 00:18:31,679

and it's yeah so i mean in my mind it's

497

00:18:35,590 --> 00:18:34,160

like the these might be um

498

00:18:37,830 --> 00:18:35,600

these might be beings well there's

499

00:18:39,750 --> 00:18:37,840

different levels of beings i believe

500

00:18:42,390 --> 00:18:39,760

because if you like a lot of spiritual

501
00:18:44,549 --> 00:18:42,400
people um talk about channeling

502
00:18:48,150 --> 00:18:44,559
different inter interdimensional beings

503
00:18:51,190 --> 00:18:48,160
like pleiadians arcturians um anunnakis

504
00:18:54,470 --> 00:18:51,200
things like that right um and and mantis

505
00:18:55,909 --> 00:18:54,480
beings and and and orions and uh beings

506
00:18:57,430 --> 00:18:55,919
like that and then there's also the

507
00:19:00,549 --> 00:18:57,440
beings where you

508
00:19:02,630 --> 00:19:00,559
like the grays right right and people

509
00:19:04,470 --> 00:19:02,640
talking about the grace so my knowledge

510
00:19:06,630 --> 00:19:04,480
comes from very much a spiritual

511
00:19:08,789 --> 00:19:06,640
perception a spiritual perspective but i

512
00:19:11,270 --> 00:19:08,799
am aware of some experiences that people

513
00:19:12,870 --> 00:19:11,280

have had and i wonder if some of these

514

00:19:14,390 --> 00:19:12,880

beings might be interdimensional and

515

00:19:16,070 --> 00:19:14,400

some of them actually might be physical

516

00:19:17,990 --> 00:19:16,080

but they're being able to play with

517

00:19:19,990 --> 00:19:18,000

dimensions and they're being able to

518

00:19:24,230 --> 00:19:20,000

move through time and space in ways that

519

00:19:25,430 --> 00:19:24,240

we just can't understand yet right sure

520

00:19:26,870 --> 00:19:25,440

can you guys educate me on this because

521

00:19:30,710 --> 00:19:26,880

this is a theory i've had since i was a

522

00:19:33,029 --> 00:19:30,720

teacher teaching u.s history is that

523

00:19:35,590 --> 00:19:33,039

more it was more prevalent to have

524

00:19:37,270 --> 00:19:35,600

abductions or sightings after

525

00:19:39,350 --> 00:19:37,280

world war ii and what i mean by that is

526

00:19:41,590 --> 00:19:39,360

after the atomic bomb

527

00:19:43,350 --> 00:19:41,600

and then the creation of turn

528

00:19:45,669 --> 00:19:43,360

right there there's a lot of talk about

529

00:19:46,789 --> 00:19:45,679

that that the the dawn of the atomic age

530

00:19:47,830 --> 00:19:46,799

may have

531

00:19:49,590 --> 00:19:47,840

somehow

532

00:19:53,270 --> 00:19:49,600

uh catalyzed

533

00:19:55,430 --> 00:19:53,280

an increase in sightings and experiences

534

00:19:57,270 --> 00:19:55,440

of this type of phenomenon and you know

535

00:19:59,350 --> 00:19:57,280

one big sort of

536

00:20:01,669 --> 00:19:59,360

reason why that might be is by

537

00:20:02,789 --> 00:20:01,679

discovering this power the power of the

538

00:20:05,029 --> 00:20:02,799

atom

539

00:20:07,430 --> 00:20:05,039

you know sort of like a giant flashing

540

00:20:09,270 --> 00:20:07,440

red light to the universe saying okay

541

00:20:11,270 --> 00:20:09,280

like this is a civilization that has

542

00:20:12,950 --> 00:20:11,280

discovered this technology it's

543

00:20:13,750 --> 00:20:12,960

incredibly dangerous

544

00:20:17,830 --> 00:20:13,760

and

545

00:20:19,110 --> 00:20:17,840

they're doing with it uh so that you

546

00:20:20,870 --> 00:20:19,120

know they don't maybe in their

547

00:20:22,630 --> 00:20:20,880

civilization and destroy their planet

548

00:20:23,669 --> 00:20:22,640

all the other species that are on that

549

00:20:26,710 --> 00:20:23,679

planet so

550

00:20:28,710 --> 00:20:26,720

it's certainly an interesting theory um

551
00:20:31,029 --> 00:20:28,720
on the other hand we can go back through

552
00:20:33,750 --> 00:20:31,039
history and and look at a lot of uh

553
00:20:35,830 --> 00:20:33,760
accounts of of what we call what we call

554
00:20:38,310 --> 00:20:35,840
strange things and say hey you know

555
00:20:41,270 --> 00:20:38,320
maybe that was in fact what we would

556
00:20:43,430 --> 00:20:41,280
call the modern day ufo phenomena

557
00:20:46,390 --> 00:20:43,440
can i interrupt for a second sure of

558
00:20:48,390 --> 00:20:46,400
course there is significant anecdotal

559
00:20:50,470 --> 00:20:48,400
evidence from places like

560
00:20:53,430 --> 00:20:50,480
maelstrom air force base where

561
00:20:56,549 --> 00:20:53,440
missileers saw them hovering over

562
00:20:59,669 --> 00:20:56,559
missile silos minuteman missile silos uh

563
00:21:02,390 --> 00:20:59,679

minot north dakota there's uh probably

564

00:21:05,590 --> 00:21:02,400

like 10 different sightings at one point

565

00:21:07,430 --> 00:21:05,600

they actually uh shut down missiles uh

566

00:21:09,590 --> 00:21:07,440

they would hover over there's a very

567

00:21:11,510 --> 00:21:09,600

famous guy named robert salas you can

568

00:21:14,310 --> 00:21:11,520

find him on he's actually on ufo twitter

569

00:21:17,190 --> 00:21:14,320

he's an old man now but you can see him

570

00:21:19,270 --> 00:21:17,200

in the late 60s when he was young and he

571

00:21:21,430 --> 00:21:19,280

was a commander of a missile silo his

572

00:21:23,350 --> 00:21:21,440

captain and he says yeah i went out

573

00:21:25,909 --> 00:21:23,360

there and was sitting there hovering and

574

00:21:28,390 --> 00:21:25,919

shot a beam into the missile silo he's

575

00:21:30,470 --> 00:21:28,400

not the only one that tells that story

576
00:21:32,870 --> 00:21:30,480
there are other security policemen from

577
00:21:35,029 --> 00:21:32,880
the air force that tell a very similar

578
00:21:38,310 --> 00:21:35,039
story so there's anecdotal evidence that

579
00:21:41,350 --> 00:21:38,320
they have both started launch sequences

580
00:21:42,950 --> 00:21:41,360
and let humans shut them down and also

581
00:21:44,950 --> 00:21:42,960
turned off missiles

582
00:21:47,750 --> 00:21:44,960
that were online

583
00:21:50,070 --> 00:21:47,760
so yeah and the russians have recounted

584
00:21:51,510 --> 00:21:50,080
experiences like this as well with their

585
00:21:53,350 --> 00:21:51,520
icbms

586
00:21:55,510 --> 00:21:53,360
uh so yeah super super duper interesting

587
00:21:56,789 --> 00:21:55,520
stuff and you know carly and what i

588
00:21:59,350 --> 00:21:56,799

would love to

589

00:22:01,430 --> 00:21:59,360

uh kind of get into with you so what i

590

00:22:04,070 --> 00:22:01,440

find fascinating is

591

00:22:06,149 --> 00:22:04,080

sort of everyone's different

592

00:22:07,430 --> 00:22:06,159

on-road to this topic right so

593

00:22:09,590 --> 00:22:07,440

everyone's got a little bit of a

594

00:22:12,230 --> 00:22:09,600

different path that they follow where

595

00:22:14,310 --> 00:22:12,240

they land on this subject and when they

596

00:22:15,990 --> 00:22:14,320

land on it they land on it kind of on a

597

00:22:17,990 --> 00:22:16,000

spectrum we're all on a spectrum in a

598

00:22:20,390 --> 00:22:18,000

certain way you know some of us might be

599

00:22:23,029 --> 00:22:20,400

more in the that's in both sides some of

600

00:22:25,190 --> 00:22:23,039

us might be more in the uh the spiritual

601
00:22:27,510 --> 00:22:25,200
side uh you know that it may be more

602
00:22:29,029 --> 00:22:27,520
religious type of phenomena there's a

603
00:22:30,710 --> 00:22:29,039
whole kind of host of things that go on

604
00:22:33,750 --> 00:22:30,720
there but what i'm interested to hear

605
00:22:36,070 --> 00:22:33,760
from you and in particular your journey

606
00:22:37,590 --> 00:22:36,080
is the way in which

607
00:22:40,630 --> 00:22:37,600
your

608
00:22:42,070 --> 00:22:40,640
journey through yoga and through

609
00:22:43,430 --> 00:22:42,080
aerial yoga

610
00:22:47,590 --> 00:22:43,440
and through

611
00:22:49,830 --> 00:22:47,600
hypnosis you know how has that

612
00:22:51,990 --> 00:22:49,840
how have those stepping stones

613
00:22:53,830 --> 00:22:52,000

you know kind of opened up your

614

00:22:56,549 --> 00:22:53,840

perception to these other things and how

615

00:22:58,470 --> 00:22:56,559

has it kind of changed your world view

616

00:23:00,870 --> 00:22:58,480

by going through those different types

617

00:23:01,750 --> 00:23:00,880

of practices because i really think

618

00:23:03,830 --> 00:23:01,760

that

619

00:23:05,990 --> 00:23:03,840

when you begin a practice anytime it's a

620

00:23:08,470 --> 00:23:06,000

new practice right let's say that you

621

00:23:10,149 --> 00:23:08,480

you want to paint for the first time or

622

00:23:11,029 --> 00:23:10,159

you want to write poetry or whatever it

623

00:23:14,630 --> 00:23:11,039

is

624

00:23:15,590 --> 00:23:14,640

someone someone exposes you to that

625

00:23:17,669 --> 00:23:15,600

thing

626

00:23:20,470 --> 00:23:17,679

and they essentially reveal to you a

627

00:23:22,390 --> 00:23:20,480

world that didn't exist before a world

628

00:23:23,909 --> 00:23:22,400

that was unknown to you before

629

00:23:26,549 --> 00:23:23,919

and in a way they're giving you an

630

00:23:28,710 --> 00:23:26,559

invitation to come into that space and

631

00:23:30,470 --> 00:23:28,720

think of it like your studio

632

00:23:32,070 --> 00:23:30,480

when when you have a new client come in

633

00:23:34,470 --> 00:23:32,080

you're inviting them to come into that

634

00:23:37,590 --> 00:23:34,480

space with you and that space

635

00:23:39,190 --> 00:23:37,600

is a new kind of canvas if you will that

636

00:23:42,549 --> 00:23:39,200

they are going to explore with their

637

00:23:45,029 --> 00:23:42,559

body uh and with their time and and that

638

00:23:47,430 --> 00:23:45,039

that the act of doing those things how

639

00:23:48,630 --> 00:23:47,440

does that change a person and how has it

640

00:23:51,669 --> 00:23:48,640

changed you

641

00:23:53,830 --> 00:23:51,679

uh over the course of your journey

642

00:23:57,830 --> 00:23:53,840

so are you asking for what was my like

643

00:24:00,070 --> 00:23:57,840

initiation into aliens and ufos or

644

00:24:02,549 --> 00:24:00,080

i think i think he's asking how

645

00:24:05,110 --> 00:24:02,559

your uh teaching your practice your

646

00:24:05,909 --> 00:24:05,120

acknowledgement you're taking yoga into

647

00:24:11,990 --> 00:24:05,919

you

648

00:24:13,269 --> 00:24:12,000

into this space because my follow-up to

649

00:24:15,909 --> 00:24:13,279

him is going to be like i think we're

650

00:24:19,350 --> 00:24:15,919

more open to the space yeah i

651
00:24:21,110 --> 00:24:19,360
was more closed off to all of this um

652
00:24:23,029 --> 00:24:21,120
and then i think through not just

653
00:24:27,590 --> 00:24:23,039
studying yoga and

654
00:24:31,269 --> 00:24:29,669
if i could pinpoint it let me i mean

655
00:24:33,350 --> 00:24:31,279
that's difficult for me at this point i

656
00:24:35,430 --> 00:24:33,360
think but i think what opened me up to

657
00:24:37,990 --> 00:24:35,440
it was i'm gonna circle back and give

658
00:24:39,350 --> 00:24:38,000
her credit natasha um was a big piece of

659
00:24:42,549 --> 00:24:39,360
that and i and i

660
00:24:44,789 --> 00:24:42,559
and she cuz she was into aliens and and

661
00:24:48,630 --> 00:24:44,799
or you know and had had experiences and

662
00:24:51,510 --> 00:24:48,640
and i had done hypnosis with her and um

663
00:24:53,110 --> 00:24:51,520

and with some other people as well and

664

00:24:54,549 --> 00:24:53,120

and since then i have and they've had

665

00:24:56,549 --> 00:24:54,559

these experiences that actually started

666

00:24:59,669 --> 00:24:56,559

to make me very curious

667

00:25:02,470 --> 00:24:59,679

um when it comes to ufo and ufology and

668

00:25:04,549 --> 00:25:02,480

aliens i was

669

00:25:06,310 --> 00:25:04,559

partially in denial for a while i

670

00:25:07,350 --> 00:25:06,320

believe they did exist i believe that

671

00:25:09,909 --> 00:25:07,360

they didn't

672

00:25:12,230 --> 00:25:09,919

um really contact us if they did why

673

00:25:13,590 --> 00:25:12,240

isn't there more evidence of it

674

00:25:15,830 --> 00:25:13,600

because everyone's got everyone has a

675

00:25:17,830 --> 00:25:15,840

computer in their pocket sure um why

676

00:25:19,590 --> 00:25:17,840

aren't there more videos um and then i

677

00:25:21,269 --> 00:25:19,600

will tell you like when i almost i

678

00:25:23,990 --> 00:25:21,279

believe i saw one last week and i'll

679

00:25:25,669 --> 00:25:24,000

talk about that in a second but um i had

680

00:25:33,269 --> 00:25:25,679

my phone on me and i didn't take a

681

00:25:37,590 --> 00:25:35,430

and then i have this theory now nathan

682

00:25:39,909 --> 00:25:37,600

and i i might be digressing but

683

00:25:42,310 --> 00:25:39,919

um i'll get back um but i have this

684

00:25:43,990 --> 00:25:42,320

theory now that maybe they maybe they

685

00:25:46,310 --> 00:25:44,000

only show themselves to who they want to

686

00:25:48,549 --> 00:25:46,320

show themselves to and then when they do

687

00:25:51,029 --> 00:25:48,559

that they kind of

688

00:25:53,430 --> 00:25:51,039

because they can do telepathy um maybe

689

00:25:55,110 --> 00:25:53,440

kind of nudge you away from the impulse

690

00:25:57,190 --> 00:25:55,120

to grab the device and get the camera

691

00:25:59,830 --> 00:25:57,200

going

692

00:26:01,830 --> 00:25:59,840

you know i don't know

693

00:26:04,470 --> 00:26:01,840

but that kind of opened me up more to

694

00:26:06,950 --> 00:26:04,480

these experiences because i hadn't had

695

00:26:10,230 --> 00:26:06,960

any of my own and then through talking

696

00:26:12,710 --> 00:26:10,240

about it i mean i'm 35 now and my mother

697

00:26:14,310 --> 00:26:12,720

finally admitted uh maybe two or three

698

00:26:15,990 --> 00:26:14,320

months ago about the incident i'm

699

00:26:19,190 --> 00:26:16,000

talking about when i was seven

700

00:26:22,230 --> 00:26:19,200

so these conversations started to happen

701
00:26:25,269 --> 00:26:22,240
and then i was um quick quick story we

702
00:26:27,110 --> 00:26:25,279
were at a fireside on a mountaintop in

703
00:26:29,909 --> 00:26:27,120
oregon with a group of us around

704
00:26:31,909 --> 00:26:29,919
memorial day weekend there was about 20

705
00:26:33,669 --> 00:26:31,919
15 to 20 of us in a group we had the

706
00:26:36,070 --> 00:26:33,679
whole mountain to ourselves in oregon

707
00:26:38,789 --> 00:26:36,080
and um i someone around the campfire was

708
00:26:41,510 --> 00:26:38,799
like can you just do a quick hypnosis

709
00:26:43,590 --> 00:26:41,520
and i i did a really brief 10 15 minute

710
00:26:46,070 --> 00:26:43,600
session right there with the group

711
00:26:47,350 --> 00:26:46,080
one person did not participate and when

712
00:26:49,909 --> 00:26:47,360
i was done

713
00:26:53,430 --> 00:26:49,919

he goes so uh while you were doing that

714

00:26:55,830 --> 00:26:53,440

um i think i saw ufo fly over all of us

715

00:26:58,710 --> 00:26:55,840

and he didn't stop me he didn't say

716

00:27:00,310 --> 00:26:58,720

anything right very disappointed

717

00:27:02,230 --> 00:27:00,320

i actually have something more important

718

00:27:04,310 --> 00:27:02,240

carlene this is a reason why you need to

719

00:27:05,590 --> 00:27:04,320

keep your iphone square because you

720

00:27:06,950 --> 00:27:05,600

could have been like yeah i could do a

721

00:27:10,070 --> 00:27:06,960

15 minute do you mind just sliding your

722

00:27:12,149 --> 00:27:10,080

debit card here that'll be 35

723

00:27:14,310 --> 00:27:12,159

i mean that's reasonable right i'm gonna

724

00:27:16,950 --> 00:27:14,320

do a five month i'm not you know a month

725

00:27:18,389 --> 00:27:16,960

having a weekend here and okay so make

726

00:27:20,710 --> 00:27:18,399

sure you have that square with you at

727

00:27:22,549 --> 00:27:20,720

all times it's a good tip okay so my

728

00:27:24,549 --> 00:27:22,559

appreciation was definitely just

729

00:27:26,389 --> 00:27:24,559

hypnotizing people and having

730

00:27:28,870 --> 00:27:26,399

experiences come about

731

00:27:30,549 --> 00:27:28,880

and then um and then the more i talk

732

00:27:31,990 --> 00:27:30,559

about it people start to come out of the

733

00:27:34,230 --> 00:27:32,000

woodwork a little bit and they start to

734

00:27:36,630 --> 00:27:34,240

chat more about it yeah okay so as a

735

00:27:38,230 --> 00:27:36,640

yogi you didn't you still weren't buying

736

00:27:40,549 --> 00:27:38,240

into it

737

00:27:43,029 --> 00:27:40,559

ufos and aliens right

738

00:27:45,269 --> 00:27:43,039

that was outside of my paradigm

739

00:27:48,549 --> 00:27:45,279

okay guys it was great having carlene

740

00:27:53,350 --> 00:27:51,430

right so it was something that was i

741

00:27:55,750 --> 00:27:53,360

believe they were the out there but they

742

00:27:57,750 --> 00:27:55,760

were but they

743

00:27:59,590 --> 00:27:57,760

they weren't really interacting with us

744

00:28:01,990 --> 00:27:59,600

you know they were observing maybe

745

00:28:03,830 --> 00:28:02,000

that's where i come from so yeah so so

746

00:28:06,070 --> 00:28:03,840

i've i've been converted

747

00:28:10,230 --> 00:28:06,080

wait before we continue can we just give

748

00:28:12,710 --> 00:28:10,240

a shout out to snh's snhu's favorite

749

00:28:15,430 --> 00:28:12,720

academic advisor my advisor

750

00:28:17,110 --> 00:28:15,440

natasha dominguez what's up home girl

751
00:28:18,549 --> 00:28:17,120
yeah there you go sorry shout out to her

752
00:28:20,149 --> 00:28:18,559
for sure

753
00:28:21,590 --> 00:28:20,159
uh now we had a great time talking with

754
00:28:23,669 --> 00:28:21,600
her and look looking forward to talking

755
00:28:25,830 --> 00:28:23,679
with her again i learned a ton that that

756
00:28:27,029 --> 00:28:25,840
night during that conversation about the

757
00:28:29,590 --> 00:28:27,039
ghost hunting

758
00:28:32,070 --> 00:28:29,600
yeah she's very knowledgeable yeah

759
00:28:33,750 --> 00:28:32,080
really knowledgeable and her work is uh

760
00:28:35,269 --> 00:28:33,760
it's really cool i've been on some

761
00:28:38,389 --> 00:28:35,279
intense hunts with her where we've had

762
00:28:41,190 --> 00:28:38,399
some uh interactions oh i can imagine i

763
00:28:42,870 --> 00:28:41,200

can imagine yeah but but so so

764

00:28:44,549 --> 00:28:42,880

coming back to kind of i guess my

765

00:28:45,750 --> 00:28:44,559

question a little bit too the way i'm

766

00:28:48,630 --> 00:28:45,760

trying to think about this and i may

767

00:28:50,630 --> 00:28:48,640

have phrased it poorly but

768

00:28:52,710 --> 00:28:50,640

i i grew up in a in a religious

769

00:28:54,950 --> 00:28:52,720

household and a lot of americans did i'm

770

00:28:57,350 --> 00:28:54,960

sure um and have have a little bit of

771

00:28:59,510 --> 00:28:57,360

similar context there but but the very

772

00:29:01,350 --> 00:28:59,520

exposure to

773

00:29:04,549 --> 00:29:01,360

religious thinking

774

00:29:07,990 --> 00:29:04,559

you know uh to concepts like um

775

00:29:09,350 --> 00:29:08,000

angels or demons or prayer uh or

776

00:29:13,909 --> 00:29:09,360

miracles

777

00:29:18,310 --> 00:29:16,789

these are sparks that light sort of new

778

00:29:20,470 --> 00:29:18,320

fires in the mind

779

00:29:22,389 --> 00:29:20,480

and make the mind believe that things

780

00:29:24,230 --> 00:29:22,399

are capable where you weren't aware of

781

00:29:26,789 --> 00:29:24,240

their capability before

782

00:29:28,149 --> 00:29:26,799

and so with yoga

783

00:29:29,590 --> 00:29:28,159

and i've done a little bit of yoga and i

784

00:29:32,710 --> 00:29:29,600

wish i would have been i wish i was

785

00:29:34,870 --> 00:29:32,720

doing more i love it uh but but in doing

786

00:29:37,269 --> 00:29:34,880

it what i discovered about myself

787

00:29:40,789 --> 00:29:37,279

is that things that i didn't think i was

788

00:29:43,350 --> 00:29:40,799

capable of doing i really was so so yoga

789

00:29:45,750 --> 00:29:43,360

was a gateway for me to understand that

790

00:29:48,549 --> 00:29:45,760

i had more capability

791

00:29:52,070 --> 00:29:48,559

than i was aware of before

792

00:29:56,710 --> 00:29:52,080

um and so it's i'm curious in with your

793

00:29:58,710 --> 00:29:56,720

with your practice of it um did that um

794

00:30:01,029 --> 00:29:58,720

you know kind of broaden your your

795

00:30:02,149 --> 00:30:01,039

acceptance of other things in your life

796

00:30:03,430 --> 00:30:02,159

that you may not have been aware of

797

00:30:06,870 --> 00:30:03,440

before

798

00:30:09,350 --> 00:30:06,880

but yes but um so did psychedelics

799

00:30:11,510 --> 00:30:09,360

okay all right we can go there too for

800

00:30:14,149 --> 00:30:11,520

me it's from jack daniels and of course

801

00:30:15,830 --> 00:30:14,159

latin i've seen a lot of things

802

00:30:18,710 --> 00:30:15,840

there was a there was a woman who had

803

00:30:21,909 --> 00:30:18,720

started coming to my studio um

804

00:30:24,149 --> 00:30:21,919

uh three or four years ago and she um

805

00:30:26,549 --> 00:30:24,159

was she was used to be a clinical

806

00:30:28,389 --> 00:30:26,559

therapist in a mesodone mesodone

807

00:30:29,350 --> 00:30:28,399

methadone clinic methadone

808

00:30:34,549 --> 00:30:29,360

thank you

809

00:30:36,070 --> 00:30:34,559

word and she found that she couldn't

810

00:30:37,990 --> 00:30:36,080

work with clients and help them the way

811

00:30:39,990 --> 00:30:38,000

she wanted to she was a big believer and

812

00:30:41,590 --> 00:30:40,000

i am a big believer this that psilocybin

813

00:30:43,590 --> 00:30:41,600

mushrooms psychedelic mushroom can

814

00:30:45,750 --> 00:30:43,600

actually help cure people who have

815

00:30:47,990 --> 00:30:45,760

mental illness and addiction i'm a big

816

00:30:49,269 --> 00:30:48,000

proponent of mushrooms i love mushrooms

817

00:30:51,830 --> 00:30:49,279

i'm not just almost psychedelics i'm

818

00:30:54,070 --> 00:30:51,840

talking about chaga reishi lions main

819

00:30:55,830 --> 00:30:54,080

turkey tail like other supplementation

820

00:30:57,669 --> 00:30:55,840

of mushroom i think it's a very powerful

821

00:30:59,350 --> 00:30:57,679

medicine looking at paul's diamonds if

822

00:31:01,430 --> 00:30:59,360

anybody is mm-hmm

823

00:31:03,190 --> 00:31:01,440

um but this girl but this girl was

824

00:31:05,909 --> 00:31:03,200

definitely um

825

00:31:07,669 --> 00:31:05,919

she would do uh hypnotic work with me

826

00:31:09,509 --> 00:31:07,679

and she would also

827

00:31:11,110 --> 00:31:09,519

educate me about

828

00:31:14,149 --> 00:31:11,120

um using

829

00:31:16,470 --> 00:31:14,159

a psychedelic as a tool and

830

00:31:18,630 --> 00:31:16,480

to for mine expansion and and through

831

00:31:21,190 --> 00:31:18,640

doing that that's when i i really

832

00:31:24,149 --> 00:31:21,200

cracked open so yoga and spirituality

833

00:31:25,909 --> 00:31:24,159

was probably the gateway drug but i mean

834

00:31:27,990 --> 00:31:25,919

mushroom psilocybin really like pushed

835

00:31:30,070 --> 00:31:28,000

me through that threshold where i was

836

00:31:31,590 --> 00:31:30,080

able to experience and expand my mind in

837

00:31:33,430 --> 00:31:31,600

a way in my consciousness in a way where

838

00:31:36,230 --> 00:31:33,440

i was more accepting of these things

839

00:31:38,149 --> 00:31:36,240

gotcha say yoga and and by the way i

840

00:31:40,870 --> 00:31:38,159

know what posed that nathan was really

841

00:31:43,029 --> 00:31:40,880

challenging he's talking about barbarita

842

00:31:45,190 --> 00:31:43,039

artist andrasana i can't do that pose

843

00:31:47,269 --> 00:31:45,200

either i have to stare at the ground and

844

00:31:48,950 --> 00:31:47,279

then i can't look at my hand but that's

845

00:31:50,630 --> 00:31:48,960

beside the point it doesn't matter

846

00:31:52,870 --> 00:31:50,640

though you're still a good person even

847

00:31:54,230 --> 00:31:52,880

if you can't attain the pose perfect i

848

00:31:56,630 --> 00:31:54,240

don't know that was not humor him too

849

00:31:58,630 --> 00:31:56,640

much okay absolutely no i

850

00:32:00,149 --> 00:31:58,640

no i i actually serve a different

851
00:32:02,710 --> 00:32:00,159
function because people will come to

852
00:32:05,590 --> 00:32:02,720
class and they'll go okay this guy can't

853
00:32:08,630 --> 00:32:05,600
do like all those superb he's not super

854
00:32:10,470 --> 00:32:08,640
flexible and that's that's what i want i

855
00:32:13,110 --> 00:32:10,480
want everybody to believe that they can

856
00:32:14,789 --> 00:32:13,120
come into class they can do them the

857
00:32:17,110 --> 00:32:14,799
person at the front of the room is not a

858
00:32:19,750 --> 00:32:17,120
shaman they're not your boss they're not

859
00:32:21,669 --> 00:32:19,760
the master it's not simon says

860
00:32:24,950 --> 00:32:21,679
you go into anybody's class and you do

861
00:32:27,269 --> 00:32:24,960
you and whatever that posture looks like

862
00:32:30,789 --> 00:32:27,279
that's great um

863
00:32:31,509 --> 00:32:30,799

so anyway yeah um nobody's the master

864

00:32:34,630 --> 00:32:31,519

yeah

865

00:32:36,549 --> 00:32:34,640

um i'm just a guide and i'm fallible i

866

00:32:38,470 --> 00:32:36,559

fall out of postures and what i do is i

867

00:32:41,190 --> 00:32:38,480

see what do you do in life when you fall

868

00:32:42,870 --> 00:32:41,200

down you get up and you try it again and

869

00:32:44,789 --> 00:32:42,880

you laugh at yourself and then we're

870

00:32:47,430 --> 00:32:44,799

going to go back to artisan drastina

871

00:32:49,590 --> 00:32:47,440

twist it if necessary so anyway enough

872

00:32:51,990 --> 00:32:49,600

about yoga we're here to find out about

873

00:32:54,870 --> 00:32:52,000

carlene's ufo experience that happened

874

00:32:57,110 --> 00:32:54,880

what the sunday before last

875

00:32:58,070 --> 00:32:57,120

yeah so it's not going to be that i fear

876

00:32:59,830 --> 00:32:58,080

it's not going to be that cool of a

877

00:33:01,909 --> 00:32:59,840

story for the listeners but um i'll tell

878

00:33:04,950 --> 00:33:01,919

you my version and my perception and you

879

00:33:06,950 --> 00:33:04,960

guys can tell me what you think okay um

880

00:33:08,310 --> 00:33:06,960

so i checked in with natasha because oh

881

00:33:15,990 --> 00:33:08,320

my gosh this is like the natasha show

882

00:33:20,470 --> 00:33:18,549

uh this particular podcast but um

883

00:33:22,070 --> 00:33:20,480

regardless so i gone to her because i

884

00:33:23,509 --> 00:33:22,080

doubted the experience i went to her

885

00:33:24,950 --> 00:33:23,519

actually two days later after it

886

00:33:26,630 --> 00:33:24,960

happened because i really just was like

887

00:33:27,669 --> 00:33:26,640

i don't know and i kind of like just put

888

00:33:30,230 --> 00:33:27,679

it aside

889

00:33:32,470 --> 00:33:30,240

and um she was like well you know she's

890

00:33:34,149 --> 00:33:32,480

like maybe it was and and then i started

891

00:33:36,310 --> 00:33:34,159

going down a little research rabbit hole

892

00:33:39,509 --> 00:33:36,320

so what had happened was um

893

00:33:41,509 --> 00:33:39,519

i'm in idaho um i'm in boise and it's a

894

00:33:44,310 --> 00:33:41,519

valley and we're surrounded by mountains

895

00:33:46,870 --> 00:33:44,320

or foothills and um there are popular

896

00:33:48,310 --> 00:33:46,880

places to hike so i had gone up to the

897

00:33:50,710 --> 00:33:48,320

biggest mountain over here which is

898

00:33:52,870 --> 00:33:50,720

called bogus basin at night did you say

899

00:33:54,710 --> 00:33:52,880

no no no during the day okay no during

900

00:33:56,310 --> 00:33:54,720

the day it was i went up there around

901
00:33:58,870 --> 00:33:56,320
seven in the morning so i go up to go

902
00:34:00,950 --> 00:33:58,880
hiking with my dog and this is why i

903
00:34:02,789 --> 00:34:00,960
doubted this for two days or so and i

904
00:34:04,789 --> 00:34:02,799
still kind of am weary of it but hear me

905
00:34:05,669 --> 00:34:04,799
out so i'm driving back down this

906
00:34:07,990 --> 00:34:05,679
mountain

907
00:34:09,589 --> 00:34:08,000
and i'm going about um

908
00:34:11,109 --> 00:34:09,599
10 miles an hour 15 miles an hour

909
00:34:12,790 --> 00:34:11,119
because it's a lot of switchbacks and

910
00:34:14,790 --> 00:34:12,800
it's very steep and there's a lot of

911
00:34:16,869 --> 00:34:14,800
oncoming traffic but i'm the only car

912
00:34:18,629 --> 00:34:16,879
descending the mountain it's like 10 in

913
00:34:20,230 --> 00:34:18,639

the morning on a sunday and it's broad

914

00:34:22,710 --> 00:34:20,240

daylight

915

00:34:24,149 --> 00:34:22,720

and as i'm coming down i am just

916

00:34:25,829 --> 00:34:24,159

listening to my music and not thinking

917

00:34:26,629 --> 00:34:25,839

of anything in particular i look up and

918

00:34:29,990 --> 00:34:26,639

i'm

919

00:34:32,950 --> 00:34:30,000

seeing a hazy so it wasn't solid it was

920

00:34:35,270 --> 00:34:32,960

like but not transparent either it was

921

00:34:38,710 --> 00:34:35,280

hazy looking and it was a black

922

00:34:40,629 --> 00:34:38,720

rectangle right and it was um

923

00:34:43,430 --> 00:34:40,639

laying horizontally so the more narrow

924

00:34:45,669 --> 00:34:43,440

ends were on the side and it was longer

925

00:34:47,669 --> 00:34:45,679

um i would guess someone had asked me i

926
00:34:48,550 --> 00:34:47,679
would guess the size of a house

927
00:34:49,349 --> 00:34:48,560
okay

928
00:34:51,990 --> 00:34:49,359
so

929
00:34:55,030 --> 00:34:52,000
shape

930
00:34:56,950 --> 00:34:55,040
how could because if the aspect that

931
00:34:59,670 --> 00:34:56,960
you're looking at it are you looking at

932
00:35:00,550 --> 00:34:59,680
the long end of the rectangle

933
00:35:03,349 --> 00:35:00,560
yes

934
00:35:05,349 --> 00:35:03,359
and the its relative height compared to

935
00:35:07,270 --> 00:35:05,359
you was

936
00:35:09,270 --> 00:35:07,280
that was the more shorter side right so

937
00:35:10,790 --> 00:35:09,280
the longer side was going end to end

938
00:35:12,390 --> 00:35:10,800

think of like it was like the hot dog

939

00:35:14,630 --> 00:35:12,400

not the hamburger

940

00:35:17,109 --> 00:35:14,640

right so yeah you're seeing the longer

941

00:35:18,870 --> 00:35:17,119

end was facing your car because i'm

942

00:35:21,109 --> 00:35:18,880

curious because i haven't i've heard of

943

00:35:22,950 --> 00:35:21,119

a lot of triangles so that's why i'm

944

00:35:25,349 --> 00:35:22,960

curious if it could have been a triangle

945

00:35:27,109 --> 00:35:25,359

right so so i had actually found an

946

00:35:28,790 --> 00:35:27,119

image online i haven't shared it with

947

00:35:30,790 --> 00:35:28,800

you guys but i found an image online

948

00:35:32,870 --> 00:35:30,800

that was identical to what i saw

949

00:35:34,069 --> 00:35:32,880

okay and i shared it with natasha yeah

950

00:35:36,390 --> 00:35:34,079

i've got it

951
00:35:37,750 --> 00:35:36,400
oh okay um

952
00:35:40,150 --> 00:35:37,760
yeah

953
00:35:41,589 --> 00:35:40,160
so it's it's just a google image search

954
00:35:43,589 --> 00:35:41,599
it's not what i saw because i didn't

955
00:35:45,829 --> 00:35:43,599
take a picture

956
00:35:47,349 --> 00:35:45,839
right and i slowed my car down because

957
00:35:49,030 --> 00:35:47,359
there was no traffic behind me so i

958
00:35:51,190 --> 00:35:49,040
slowed down to about five seven miles an

959
00:35:52,710 --> 00:35:51,200
hour and i was like what am i looking at

960
00:35:54,390 --> 00:35:52,720
now as you're switching back down the

961
00:35:56,390 --> 00:35:54,400
mountain you know you

962
00:35:58,310 --> 00:35:56,400
i would lose my view of it right because

963
00:36:00,470 --> 00:35:58,320

you'd have a hill or a house or

964

00:36:02,550 --> 00:36:00,480

something block your view and this thing

965

00:36:04,550 --> 00:36:02,560

was hovering and again about the size of

966

00:36:07,589 --> 00:36:04,560

a house it's hovering over

967

00:36:11,109 --> 00:36:07,599

um the southern side of boise city and

968

00:36:12,310 --> 00:36:11,119

i'm thinking if i'm seeing this

969

00:36:15,430 --> 00:36:12,320

everyone else is going to be seeing this

970

00:36:17,510 --> 00:36:15,440

this thing's huge right um but as i was

971

00:36:18,710 --> 00:36:17,520

focusing on it and i slowing i'm

972

00:36:19,990 --> 00:36:18,720

starting to slow my car down

973

00:36:21,670 --> 00:36:20,000

intentionally to get out and take a

974

00:36:24,310 --> 00:36:21,680

picture or just get a better look at it

975

00:36:25,510 --> 00:36:24,320

it started to slowly disappear and fade

976
00:36:27,430 --> 00:36:25,520
it out

977
00:36:28,390 --> 00:36:27,440
and then i took another turn and it was

978
00:36:30,870 --> 00:36:28,400
gone

979
00:36:32,230 --> 00:36:30,880
so i doubted it for two days or so and

980
00:36:34,790 --> 00:36:32,240
then i started talking to natasha i

981
00:36:36,710 --> 00:36:34,800
found that picture and um

982
00:36:39,589 --> 00:36:36,720
i was like okay this might be something

983
00:36:40,870 --> 00:36:39,599
i saw i have no idea i went online and

984
00:36:42,069 --> 00:36:40,880
you know to see if there's any ufo

985
00:36:44,870 --> 00:36:42,079
reports

986
00:36:46,870 --> 00:36:44,880
and there's quite a few in idaho and

987
00:36:48,630 --> 00:36:46,880
especially in the pacific northwest but

988
00:36:51,349 --> 00:36:48,640

they're usually triangles

989

00:36:55,349 --> 00:36:51,359

um i'll see if i can share the screen

990

00:36:57,349 --> 00:36:55,359

now so you guys can see it sure so let

991

00:36:58,710 --> 00:36:57,359

me see if this will work if you guys can

992

00:37:01,910 --> 00:36:58,720

see

993

00:37:04,069 --> 00:37:01,920

there you go oh went away

994

00:37:06,950 --> 00:37:04,079

yeah did it

995

00:37:09,990 --> 00:37:06,960

oh wait share screen there you go

996

00:37:11,109 --> 00:37:10,000

all right yeah cool

997

00:37:12,710 --> 00:37:11,119

and

998

00:37:14,470 --> 00:37:12,720

did it

999

00:37:16,630 --> 00:37:14,480

i got your screen

1000

00:37:19,510 --> 00:37:16,640

okay y'all you see it okay let me see

1001
00:37:20,470 --> 00:37:19,520
your screen is here can you see this

1002
00:37:24,150 --> 00:37:20,480
no

1003
00:37:25,670 --> 00:37:24,160
nathan does it have something where you

1004
00:37:28,069 --> 00:37:25,680
can put it on but it's really cool it

1005
00:37:30,950 --> 00:37:28,079
does exactly look like that's exactly

1006
00:37:34,630 --> 00:37:30,960
what i saw the same like um oh

1007
00:37:38,470 --> 00:37:36,550
yeah that was really that's really

1008
00:37:41,190 --> 00:37:38,480
really cool so all right so you could

1009
00:37:43,589 --> 00:37:41,200
see the bottom of it enough that you

1010
00:37:45,670 --> 00:37:43,599
could tell the shape was not triangular

1011
00:37:47,270 --> 00:37:45,680
in fact it was a rectangle because your

1012
00:37:50,790 --> 00:37:47,280
relative position

1013
00:37:52,950 --> 00:37:50,800

yeah it was i never and i and obviously

1014

00:37:55,349 --> 00:37:52,960

most of my hypnotic sessions and people

1015

00:37:58,069 --> 00:37:55,359

that i've heard from and usually images

1016

00:37:59,349 --> 00:37:58,079

you look up are triangle and uh i

1017

00:38:00,950 --> 00:37:59,359

believe the one my mother saw was a

1018

00:38:03,510 --> 00:38:00,960

triangle but

1019

00:38:04,390 --> 00:38:03,520

no i was hope i was very confused by

1020

00:38:06,150 --> 00:38:04,400

this

1021

00:38:07,589 --> 00:38:06,160

let me let nathan get in a question

1022

00:38:09,990 --> 00:38:07,599

about this because then

1023

00:38:11,349 --> 00:38:10,000

we gotta go to anjali and i'm not

1024

00:38:16,870 --> 00:38:11,359

talking mudra

1025

00:38:19,109 --> 00:38:16,880

was fired up today she was ready to just

1026
00:38:20,790 --> 00:38:19,119
let loose man well right in the middle

1027
00:38:22,310 --> 00:38:20,800
of my work day i'm like hold it hold it

1028
00:38:24,390 --> 00:38:22,320
for tonight girl

1029
00:38:26,310 --> 00:38:24,400
all right go ahead nathan do you have

1030
00:38:28,550 --> 00:38:26,320
anything final about the sighting that

1031
00:38:30,310 --> 00:38:28,560
you would like to inquire about

1032
00:38:31,829 --> 00:38:30,320
yeah so

1033
00:38:33,349 --> 00:38:31,839
at this point i mean this is pretty

1034
00:38:35,829 --> 00:38:33,359
recent and as you mentioned at the

1035
00:38:38,630 --> 00:38:35,839
beginning of the show you've done

1036
00:38:40,630 --> 00:38:38,640
a large number of um hypnotherapy

1037
00:38:42,710 --> 00:38:40,640
sessions with folks and i watched a

1038
00:38:44,470 --> 00:38:42,720

couple of those on your youtube channel

1039

00:38:45,829 --> 00:38:44,480

they were really interesting

1040

00:38:47,430 --> 00:38:45,839

including some that that people talk

1041

00:38:49,829 --> 00:38:47,440

about um

1042

00:38:52,390 --> 00:38:49,839

their own experiences with uh you know

1043

00:38:53,270 --> 00:38:52,400

sort of ufos or aliens or whatnot

1044

00:38:56,230 --> 00:38:53,280

um

1045

00:38:58,230 --> 00:38:56,240

so again kind of coming back to this

1046

00:39:00,069 --> 00:38:58,240

notion of i don't want to use the word

1047

00:39:01,030 --> 00:39:00,079

conditioning because that that sounds as

1048

00:39:03,109 --> 00:39:01,040

if

1049

00:39:06,150 --> 00:39:03,119

it is um

1050

00:39:08,069 --> 00:39:06,160

it's it's controlled um what i what i

1051
00:39:10,630 --> 00:39:08,079
want to use or think about this in terms

1052
00:39:13,430 --> 00:39:10,640
of as expand expansion and sort of a

1053
00:39:15,910 --> 00:39:13,440
mental expansion so is your could you

1054
00:39:18,550 --> 00:39:15,920
say that your work with your patients

1055
00:39:20,310 --> 00:39:18,560
and some of their regressive

1056
00:39:23,349 --> 00:39:20,320
regression experiences

1057
00:39:29,190 --> 00:39:27,030
made room in your mind for

1058
00:39:31,910 --> 00:39:29,200
looking for these things or stumbling

1059
00:39:34,150 --> 00:39:31,920
upon them or or or maybe you know you

1060
00:39:36,310 --> 00:39:34,160
probably heard of the word um

1061
00:39:39,030 --> 00:39:36,320
i'll mispronounce it but it's uh

1062
00:39:42,150 --> 00:39:39,040
paradilia and that's essentially where

1063
00:39:45,349 --> 00:39:42,160

you look at a cloud and you see like oh

1064

00:39:46,230 --> 00:39:45,359

that's a a a bunny or that's uh you know

1065

00:39:47,510 --> 00:39:46,240

like

1066

00:39:50,150 --> 00:39:47,520

we look at shapes

1067

00:39:51,829 --> 00:39:50,160

i feared what i feared i was doing

1068

00:39:53,270 --> 00:39:51,839

that's what i feared

1069

00:39:56,150 --> 00:39:53,280

but it stayed in places you kind of

1070

00:39:57,910 --> 00:39:56,160

moved around and then it it did not move

1071

00:40:00,550 --> 00:39:57,920

it didn't move and the color was strange

1072

00:40:02,790 --> 00:40:00,560

too right you said it was kind of black

1073

00:40:04,790 --> 00:40:02,800

yeah but it was almost it was a it was a

1074

00:40:06,550 --> 00:40:04,800

it was a dark color and it wasn't a

1075

00:40:09,510 --> 00:40:06,560

solid solid black well i mean it could

1076

00:40:11,430 --> 00:40:09,520

have been but i was so far away um

1077

00:40:13,750 --> 00:40:11,440

and like you said it just was hovering

1078

00:40:15,670 --> 00:40:13,760

there it didn't move it didn't go for

1079

00:40:17,670 --> 00:40:15,680

like so i will say like when i was going

1080

00:40:19,109 --> 00:40:17,680

up the mountain on my way up towards the

1081

00:40:20,870 --> 00:40:19,119

mountain i just see a hot air balloon in

1082

00:40:22,230 --> 00:40:20,880

the air so my first thought when i saw

1083

00:40:27,430 --> 00:40:22,240

this thing was that must be a hot air

1084

00:40:31,990 --> 00:40:29,910

angular um and it wasn't moving it was

1085

00:40:34,550 --> 00:40:32,000

not drifting up down

1086

00:40:37,109 --> 00:40:34,560

right or left it just was there and then

1087

00:40:39,270 --> 00:40:37,119

slowly faded away that's all

1088

00:40:42,150 --> 00:40:39,280

that does sound and so the voice you're

1089

00:40:44,630 --> 00:40:42,160

hearing right there is uh carlene of

1090

00:40:47,430 --> 00:40:44,640

roots and wings hypnosis uh karlene

1091

00:40:50,390 --> 00:40:47,440

linksweiler and my uh my co-host tonight

1092

00:40:52,630 --> 00:40:50,400

of course is uh for calling all beings

1093

00:40:56,150 --> 00:40:52,640

is at a waif soul

1094

00:40:58,470 --> 00:40:56,160

on twitter his name is nathan and uh we

1095

00:40:59,750 --> 00:40:58,480

are calling all beings and that's the

1096

00:41:02,710 --> 00:40:59,760

launch

1097

00:41:05,430 --> 00:41:02,720

of our new podcast together we've done

1098

00:41:07,349 --> 00:41:05,440

several episodes prior under our prior

1099

00:41:09,030 --> 00:41:07,359

name and uh we're honored to have

1100

00:41:12,150 --> 00:41:09,040

carlene with us this evening and you

1101
00:41:14,150 --> 00:41:12,160
guys can see that i can be serious okay

1102
00:41:16,550 --> 00:41:14,160
maybe i wasn't serious just in saying

1103
00:41:18,069 --> 00:41:16,560
that uh but

1104
00:41:19,910 --> 00:41:18,079
one of the things that i that i find

1105
00:41:20,710 --> 00:41:19,920
really interesting is that as you can

1106
00:41:22,710 --> 00:41:20,720
see

1107
00:41:23,910 --> 00:41:22,720
right here carlene is extremely well

1108
00:41:26,870 --> 00:41:23,920
adjusted

1109
00:41:29,510 --> 00:41:26,880
with her experience and is not terribly

1110
00:41:33,270 --> 00:41:29,520
affected then you look at what we

1111
00:41:35,349 --> 00:41:33,280
associate with a macho man like uh that

1112
00:41:38,069 --> 00:41:35,359
in the navy like kevin day

1113
00:41:42,069 --> 00:41:38,079

who was enormously respected by his

1114

00:41:43,910 --> 00:41:42,079

shipmates um went was uh you know

1115

00:41:46,069 --> 00:41:43,920

basically selected to go to top gun

1116

00:41:47,589 --> 00:41:46,079

school as a radar operator something i

1117

00:41:49,030 --> 00:41:47,599

didn't even know they had in the navy

1118

00:41:52,550 --> 00:41:49,040

top gun program

1119

00:41:54,630 --> 00:41:52,560

and him seeing the tic tac

1120

00:41:56,390 --> 00:41:54,640

on his radar screen for several nights

1121

00:41:59,750 --> 00:41:56,400

in a row plus the

1122

00:42:02,870 --> 00:41:59,760

encounter he couldn't sleep he's had

1123

00:42:05,349 --> 00:42:02,880

issues he's been driven to tears talking

1124

00:42:08,550 --> 00:42:05,359

about it and yet carlene here our yoga

1125

00:42:11,190 --> 00:42:08,560

team yes right on camera nathan

1126

00:42:14,309 --> 00:42:11,200

yeah he was driven to tears if you watch

1127

00:42:16,150 --> 00:42:14,319

the showtime special and yet we have uh

1128

00:42:17,430 --> 00:42:16,160

carlene here that's extremely well

1129

00:42:18,950 --> 00:42:17,440

adjusted

1130

00:42:20,950 --> 00:42:18,960

maybe that's

1131

00:42:22,309 --> 00:42:20,960

would it be different if you saw it on a

1132

00:42:24,630 --> 00:42:22,319

radar screen

1133

00:42:27,190 --> 00:42:24,640

for a week straight

1134

00:42:29,349 --> 00:42:27,200

i think i think um

1135

00:42:31,750 --> 00:42:29,359

maybe somebody who's been not very

1136

00:42:33,510 --> 00:42:31,760

spiritually inclined would pro or

1137

00:42:35,109 --> 00:42:33,520

maybe educated about this kind of stuff

1138

00:42:36,390 --> 00:42:35,119

would definitely have some shell shock

1139

00:42:38,309 --> 00:42:36,400

from seeing something like that and

1140

00:42:40,950 --> 00:42:38,319

being like and trying to

1141

00:42:43,270 --> 00:42:40,960

um integrate that into his previous

1142

00:42:45,589 --> 00:42:43,280

experience of like what is this what is

1143

00:42:47,190 --> 00:42:45,599

this whereas i might have and this is

1144

00:42:48,069 --> 00:42:47,200

and this goes back to what nathan was

1145

00:42:50,630 --> 00:42:48,079

just saying

1146

00:42:52,470 --> 00:42:50,640

i was wary of sharing this story um and

1147

00:42:54,470 --> 00:42:52,480

i still kind of am now because maybe i'm

1148

00:42:57,829 --> 00:42:54,480

just being a seeker you know and i just

1149

00:42:58,870 --> 00:42:57,839

was seeking an experience um but my hope

1150

00:43:00,950 --> 00:42:58,880

is that

1151
00:43:02,790 --> 00:43:00,960
um i'm not going to be calling in these

1152
00:43:04,630 --> 00:43:02,800
experiences i think that they can

1153
00:43:06,470 --> 00:43:04,640
organically happen and if they keep

1154
00:43:07,430 --> 00:43:06,480
happening i will be accepting of that

1155
00:43:08,630 --> 00:43:07,440
you know

1156
00:43:11,190 --> 00:43:08,640
that's awesome

1157
00:43:12,470 --> 00:43:11,200
and can can you now for the audience

1158
00:43:14,550 --> 00:43:12,480
execute

1159
00:43:17,589 --> 00:43:14,560
anjali mudra so we can welcome in the

1160
00:43:18,630 --> 00:43:17,599
topic of anjali i don't think i know it

1161
00:43:21,109 --> 00:43:18,640
it's this

1162
00:43:24,230 --> 00:43:21,119
is that okay this is anjali mudra i was

1163
00:43:27,109 --> 00:43:24,240

like is this gonna be something no no

1164

00:43:30,550 --> 00:43:27,119

that's anjali mudra so

1165

00:43:32,230 --> 00:43:30,560

uh so boy uh nathan do you want to kick

1166

00:43:34,710 --> 00:43:32,240

this off or should we let carlene

1167

00:43:38,010 --> 00:43:34,720

because she was ready to like

1168

00:43:45,430 --> 00:43:38,020

she was ready to just fire with vocals

1169

00:43:46,710 --> 00:43:45,440

[Laughter]

1170

00:43:48,950 --> 00:43:46,720

all right so

1171

00:43:51,190 --> 00:43:48,960

this is a topic that has been uh kind of

1172

00:43:53,030 --> 00:43:51,200

a lightning rod topic in the last

1173

00:43:56,790 --> 00:43:53,040

several weeks in

1174

00:43:58,710 --> 00:43:56,800

ufo twitter and in ufological circles

1175

00:44:00,309 --> 00:43:58,720

um but it's it's something that has

1176

00:44:01,990 --> 00:44:00,319

happened

1177

00:44:04,790 --> 00:44:02,000

over and over again through the history

1178

00:44:06,870 --> 00:44:04,800

of ufology and that's where we have uh i

1179

00:44:10,630 --> 00:44:06,880

talked about spectrum earlier and we

1180

00:44:12,710 --> 00:44:10,640

have people who have had an experience

1181

00:44:14,550 --> 00:44:12,720

of something very profound that has

1182

00:44:17,190 --> 00:44:14,560

changed their life

1183

00:44:18,150 --> 00:44:17,200

but the experience itself

1184

00:44:20,230 --> 00:44:18,160

lacks

1185

00:44:22,710 --> 00:44:20,240

what most would say would be any kind of

1186

00:44:24,790 --> 00:44:22,720

substantial degree of evidence to back

1187

00:44:28,150 --> 00:44:24,800

up the claims that they're making

1188

00:44:30,150 --> 00:44:28,160

and this is where uh anjali the story of

1189

00:44:33,829 --> 00:44:30,160

anjali comes in she

1190

00:44:35,750 --> 00:44:33,839

claims to have had an experience

1191

00:44:37,750 --> 00:44:35,760

with higher beings i think that's the

1192

00:44:39,510 --> 00:44:37,760

phrase that she uses that have conveyed

1193

00:44:41,990 --> 00:44:39,520

a message to her

1194

00:44:43,829 --> 00:44:42,000

the message has is a mixture of good

1195

00:44:46,870 --> 00:44:43,839

things and bad things she claims to have

1196

00:44:49,270 --> 00:44:46,880

met these beings in a base

1197

00:44:50,950 --> 00:44:49,280

buried somehow in a mountain in the

1198

00:44:53,670 --> 00:44:50,960

mojave desert

1199

00:44:56,150 --> 00:44:53,680

and she recently uh in the last couple

1200

00:44:58,069 --> 00:44:56,160

of weeks did a press conference in front

1201

00:44:59,910 --> 00:44:58,079

of the lincoln memorial

1202

00:45:01,270 --> 00:44:59,920

uh where she announced that you know

1203

00:45:03,510 --> 00:45:01,280

really kind of coming out into the

1204

00:45:05,589 --> 00:45:03,520

public saying this is who she is this is

1205

00:45:07,829 --> 00:45:05,599

her real name her background and that

1206

00:45:08,710 --> 00:45:07,839

she's assembling a team of folks to join

1207

00:45:11,750 --> 00:45:08,720

her

1208

00:45:14,790 --> 00:45:11,760

going back into the mojave and to this

1209

00:45:17,430 --> 00:45:14,800

uh tunnel that leads to this base to

1210

00:45:18,950 --> 00:45:17,440

create and and present and and obtain

1211

00:45:21,589 --> 00:45:18,960

the proof that

1212

00:45:22,870 --> 00:45:21,599

uh everyone is is clamoring for and this

1213

00:45:25,510 --> 00:45:22,880

you know this issue is interesting

1214

00:45:27,349 --> 00:45:25,520

because it it's dividing a lot of

1215

00:45:30,230 --> 00:45:27,359

folks in the community some are very

1216

00:45:31,829 --> 00:45:30,240

vocal about um calling out uh

1217

00:45:33,750 --> 00:45:31,839

her story and saying you know there's

1218

00:45:35,349 --> 00:45:33,760

nothing to this this is not

1219

00:45:37,109 --> 00:45:35,359

you know there's it's not real we

1220

00:45:39,270 --> 00:45:37,119

shouldn't even be giving this person air

1221

00:45:41,030 --> 00:45:39,280

time and there are others that are

1222

00:45:42,790 --> 00:45:41,040

you know hey let's let her have her

1223

00:45:45,349 --> 00:45:42,800

space like let's not come out too hard

1224

00:45:47,670 --> 00:45:45,359

against her and let let's wait and see

1225

00:45:50,390 --> 00:45:47,680

kind of how the how the chips fall and

1226

00:45:53,030 --> 00:45:50,400

at that point then we'll weigh in and so

1227

00:45:55,109 --> 00:45:53,040

i i myself have not come to any firm

1228

00:45:56,950 --> 00:45:55,119

conclusions i'm very much um an

1229

00:45:59,510 --> 00:45:56,960

open-minded kind of person and i don't

1230

00:46:01,349 --> 00:45:59,520

feel it's my place to

1231

00:46:03,589 --> 00:46:01,359

necessarily you know come out hard one

1232

00:46:04,950 --> 00:46:03,599

way or the other i i'm fascinated by the

1233

00:46:07,190 --> 00:46:04,960

claims and i think

1234

00:46:08,950 --> 00:46:07,200

the sort of romantic inside of me really

1235

00:46:10,870 --> 00:46:08,960

wants these things to be

1236

00:46:12,790 --> 00:46:10,880

real like wants this to be

1237

00:46:14,870 --> 00:46:12,800

exactly as she describes because i think

1238

00:46:17,270 --> 00:46:14,880

it's a beautiful message

1239

00:46:19,349 --> 00:46:17,280

uh that that she has shared but the

1240

00:46:21,670 --> 00:46:19,359

skeptical side of me is like yeah but

1241

00:46:23,349 --> 00:46:21,680

we've heard this kind of story before uh

1242

00:46:24,230 --> 00:46:23,359

over and over again and how will this

1243

00:46:26,230 --> 00:46:24,240

time

1244

00:46:27,430 --> 00:46:26,240

uh be any different so anyway i've set

1245

00:46:28,710 --> 00:46:27,440

the table there a little bit with the

1246

00:46:32,069 --> 00:46:28,720

story what what are your thoughts on

1247

00:46:36,390 --> 00:46:35,030

dj or me oh yeah yeah no

1248

00:46:36,760 --> 00:46:36,400

you're already i listen to him all the

1249

00:46:40,870 --> 00:46:36,770

time

1250

00:46:42,950 --> 00:46:40,880

[Laughter]

1251

00:46:45,910 --> 00:46:42,960

so obviously there's a lot of layers

1252

00:46:47,910 --> 00:46:45,920

there's a lot to peel back on this um

1253

00:46:50,470 --> 00:46:47,920

i definitely my first initial reaction

1254

00:46:52,309 --> 00:46:50,480

was i go to read the comments first um

1255

00:46:54,390 --> 00:46:52,319

as i'm listening to it i'm like what are

1256

00:46:57,829 --> 00:46:54,400

people's reactions to this and

1257

00:46:59,349 --> 00:46:57,839

and this where this was posted um it had

1258

00:47:02,230 --> 00:46:59,359

and it was on youtube there's a lot of

1259

00:47:04,630 --> 00:47:02,240

negative comments disbelief um

1260

00:47:07,109 --> 00:47:04,640

and i was like i don't that wasn't my

1261

00:47:08,710 --> 00:47:07,119

feel on it i i and then i kind of

1262

00:47:10,470 --> 00:47:08,720

investigated her a little bit i needed

1263

00:47:12,630 --> 00:47:10,480

to physically see her i wanted to see

1264

00:47:14,309 --> 00:47:12,640

how she just even presented and held

1265

00:47:16,550 --> 00:47:14,319

herself i wanted to see what what her

1266

00:47:18,630 --> 00:47:16,560

work was what she'd done with her life

1267

00:47:21,270 --> 00:47:18,640

um and

1268

00:47:23,670 --> 00:47:21,280

this is somebody that you know i

1269

00:47:26,230 --> 00:47:23,680

on first glance i don't believe to be a

1270

00:47:28,390 --> 00:47:26,240

liar or a storyteller she seems pretty

1271

00:47:29,589 --> 00:47:28,400

coherent she seems very intelligent she

1272

00:47:32,069 --> 00:47:29,599

seems

1273

00:47:34,309 --> 00:47:32,079

she was very thorough in her details and

1274

00:47:37,510 --> 00:47:34,319

very much like trying to speak as

1275

00:47:39,109 --> 00:47:37,520

accurately as possible so

1276

00:47:43,109 --> 00:47:39,119

so she wouldn't be

1277

00:47:46,470 --> 00:47:43,119

you know um discredited and and

1278

00:47:49,430 --> 00:47:46,480

if she is making an effort to um

1279

00:47:52,309 --> 00:47:49,440

further investigate and open this up and

1280

00:47:54,069 --> 00:47:52,319

this is something that i think and call

1281

00:47:56,069 --> 00:47:54,079

me out if i'm wrong on this but i

1282

00:47:57,910 --> 00:47:56,079

believe she did say that these beings

1283

00:47:59,910 --> 00:47:57,920

did want her to meet them they did want

1284

00:48:01,750 --> 00:47:59,920

to meet her yes and that they do want

1285

00:48:03,510 --> 00:48:01,760

her to do this so that's where it

1286

00:48:05,510 --> 00:48:03,520

becomes kind of

1287

00:48:07,349 --> 00:48:05,520

almost mythological to me it's like well

1288

00:48:10,470 --> 00:48:07,359

why her and why

1289

00:48:13,829 --> 00:48:10,480

in this way and um

1290

00:48:14,870 --> 00:48:13,839

when they are so powerful and i mean

1291

00:48:19,270 --> 00:48:14,880

beyond

1292

00:48:20,549 --> 00:48:19,280

intelligent and i'm one i'm curious

1293

00:48:22,150 --> 00:48:20,559

because they're i don't know if they're

1294

00:48:23,430 --> 00:48:22,160

holes in the story so much as i just

1295

00:48:25,670 --> 00:48:23,440

have questions

1296

00:48:27,430 --> 00:48:25,680

and i like to keep an open mind um and

1297

00:48:29,510 --> 00:48:27,440

i'd like to see what happens let's wait

1298

00:48:31,990 --> 00:48:29,520

and see you know well let's talk about

1299

00:48:34,790 --> 00:48:32,000

her background really quickly and i i

1300

00:48:37,510 --> 00:48:34,800

just jotted down a little uh because if

1301
00:48:39,430 --> 00:48:37,520
there's a little bit of alphabet soup

1302
00:48:41,670 --> 00:48:39,440
associated with her

1303
00:48:44,630 --> 00:48:41,680
her uh bio on linkedin a lot of people

1304
00:48:46,710 --> 00:48:44,640
don't understand so io you'll see ioiw

1305
00:48:48,390 --> 00:48:46,720
so that means information operations

1306
00:48:49,990 --> 00:48:48,400
information warfare

1307
00:48:51,990 --> 00:48:50,000
that she was involved in from the intel

1308
00:48:53,990 --> 00:48:52,000
side of the house intelligence expert

1309
00:48:56,630 --> 00:48:54,000
then it says osint

1310
00:48:59,349 --> 00:48:56,640
which is um

1311
00:49:01,829 --> 00:48:59,359
online uh basically like social media

1312
00:49:03,990 --> 00:49:01,839
intelligence and osun is like open

1313
00:49:05,670 --> 00:49:04,000

source intelligence so she would be the

1314

00:49:07,910 --> 00:49:05,680

kind of person who

1315

00:49:09,349 --> 00:49:07,920

wouldn't who would be able to look at

1316

00:49:12,630 --> 00:49:09,359

open sources

1317

00:49:14,950 --> 00:49:12,640

and uh and analyze those and

1318

00:49:17,109 --> 00:49:14,960

use that information so you have other

1319

00:49:19,589 --> 00:49:17,119

people using different classified

1320

00:49:21,670 --> 00:49:19,599

methods they're they're um

1321

00:49:25,270 --> 00:49:21,680

looking at data that they got from a

1322

00:49:26,870 --> 00:49:25,280

drone or data they got from human like a

1323

00:49:28,710 --> 00:49:26,880

cia agent that's on the ground that

1324

00:49:30,710 --> 00:49:28,720

provides intelligence she's basically

1325

00:49:33,190 --> 00:49:30,720

using open source what you can surf on

1326

00:49:35,670 --> 00:49:33,200

the net and social media stuff that

1327

00:49:38,309 --> 00:49:35,680

people are posting and she's analyzing

1328

00:49:39,990 --> 00:49:38,319

that and and um obviously did it at a

1329

00:49:41,510 --> 00:49:40,000

very high level so that's that's her

1330

00:49:45,109 --> 00:49:41,520

background and

1331

00:49:47,829 --> 00:49:45,119

mr larkin i believe his name is is uh

1332

00:49:51,109 --> 00:49:47,839

nick larkin gregory nicholas larkin he's

1333

00:49:54,069 --> 00:49:51,119

the one who uh verified her identity and

1334

00:49:55,270 --> 00:49:54,079

her security clearance that she's legit

1335

00:49:57,190 --> 00:49:55,280

so

1336

00:49:58,470 --> 00:49:57,200

that's what lends a measure of

1337

00:50:01,990 --> 00:49:58,480

credibility

1338

00:50:05,430 --> 00:50:02,000

where if i said to you that she was

1339

00:50:07,750 --> 00:50:05,440

she had a healing center in

1340

00:50:09,349 --> 00:50:07,760

laguna beach you'd probably be less

1341

00:50:11,430 --> 00:50:09,359

likely to believe her

1342

00:50:12,549 --> 00:50:11,440

anything that she says about this topic

1343

00:50:13,349 --> 00:50:12,559

yeah sure

1344

00:50:14,230 --> 00:50:13,359

so

1345

00:50:24,230 --> 00:50:14,240

i

1346

00:50:25,349 --> 00:50:24,240

uh that uh

1347

00:50:26,549 --> 00:50:25,359

well

1348

00:50:28,470 --> 00:50:26,559

i want to believe that they're

1349

00:50:30,150 --> 00:50:28,480

contacting somebody because so many

1350

00:50:32,470 --> 00:50:30,160

people are talking about

1351
00:50:34,549 --> 00:50:32,480
beings that look very much

1352
00:50:36,630 --> 00:50:34,559
like what she says

1353
00:50:39,109 --> 00:50:36,640
so um

1354
00:50:41,030 --> 00:50:39,119
i would be intrigued enough that if i

1355
00:50:42,790 --> 00:50:41,040
were invited and i thought i wasn't

1356
00:50:47,030 --> 00:50:42,800
gonna lose my job

1357
00:50:48,309 --> 00:50:47,040
um i would i would go and accompany her

1358
00:50:50,470 --> 00:50:48,319
come with me

1359
00:50:52,230 --> 00:50:50,480
right well i was curious about that is

1360
00:50:54,630 --> 00:50:52,240
is anything going to stop her any

1361
00:50:56,870 --> 00:50:54,640
government group or entity going to stop

1362
00:50:58,950 --> 00:50:56,880
her she says no because they don't even

1363
00:51:00,470 --> 00:50:58,960

know they don't know where it is and

1364

00:51:02,710 --> 00:51:00,480

unless they're going to like tail her

1365

00:51:04,630 --> 00:51:02,720

which they probably are right if they

1366

00:51:06,390 --> 00:51:04,640

believe that she's credible

1367

00:51:08,309 --> 00:51:06,400

um i don't think they're going to stop

1368

00:51:11,190 --> 00:51:08,319

her she just doesn't want military there

1369

00:51:13,190 --> 00:51:11,200

but let's go over the parts of her story

1370

00:51:14,870 --> 00:51:13,200

that you find believable and not

1371

00:51:17,990 --> 00:51:14,880

believable or what

1372

00:51:19,670 --> 00:51:18,000

um take us through from

1373

00:51:21,670 --> 00:51:19,680

the if there's anything about first of

1374

00:51:23,510 --> 00:51:21,680

all let's just start chronology is there

1375

00:51:25,190 --> 00:51:23,520

anything about the coffee shop that you

1376

00:51:26,630 --> 00:51:25,200

find interesting carlene and then we'll

1377

00:51:29,270 --> 00:51:26,640

go to nathan

1378

00:51:31,510 --> 00:51:29,280

i didn't i didn't think so um

1379

00:51:33,190 --> 00:51:31,520

i mean like i guess it could sound a

1380

00:51:35,030 --> 00:51:33,200

little farfetched to some people that

1381

00:51:36,870 --> 00:51:35,040

she just met up happened to meet these

1382

00:51:38,630 --> 00:51:36,880

people and they happen to be like hey

1383

00:51:40,150 --> 00:51:38,640

let's talk about aliens hey we happen to

1384

00:51:41,910 --> 00:51:40,160

have some aliens if you want to come

1385

00:51:43,990 --> 00:51:41,920

show we'll come show you some aliens

1386

00:51:46,150 --> 00:51:44,000

right now and she was like yeah i'll go

1387

00:51:47,990 --> 00:51:46,160

with you but she talks about how she did

1388

00:51:49,750 --> 00:51:48,000

take precautions she got their

1389

00:51:51,270 --> 00:51:49,760

information and shared it with her i

1390

00:51:52,230 --> 00:51:51,280

think her immediate family was like

1391

00:51:53,829 --> 00:51:52,240

listen

1392

00:51:55,990 --> 00:51:53,839

i'm going into the desert if i don't

1393

00:51:57,589 --> 00:51:56,000

come back tomorrow i'm with these people

1394

00:51:58,790 --> 00:51:57,599

and this is what happened

1395

00:52:00,790 --> 00:51:58,800

um

1396

00:52:03,510 --> 00:52:00,800

and then i think down the road if i can

1397

00:52:05,589 --> 00:52:03,520

skip ahead she does mention that one of

1398

00:52:07,430 --> 00:52:05,599

those beings said that they had

1399

00:52:09,829 --> 00:52:07,440

coordinated that those

1400

00:52:11,750 --> 00:52:09,839

people would reach out to her and find

1401
00:52:13,990 --> 00:52:11,760
her there's no doubt because she said

1402
00:52:16,390 --> 00:52:14,000
she already saw that lavender being

1403
00:52:18,549 --> 00:52:16,400
uh in her house or something nathan

1404
00:52:21,829 --> 00:52:18,559
coffee shop

1405
00:52:27,270 --> 00:52:25,349
it's a great setup right um

1406
00:52:28,870 --> 00:52:27,280
the the

1407
00:52:30,630 --> 00:52:28,880
it you know you can look at that and go

1408
00:52:33,589 --> 00:52:30,640
oh this is kind of odd and a strange

1409
00:52:35,589 --> 00:52:33,599
sort of set of circumstances but

1410
00:52:37,190 --> 00:52:35,599
you know that that's how life is right

1411
00:52:40,150 --> 00:52:37,200
it's sort of a series of strange things

1412
00:52:42,069 --> 00:52:40,160
that happen to us and and we

1413
00:52:44,549 --> 00:52:42,079

you know kind of fall into certain

1414

00:52:46,549 --> 00:52:44,559

experiences and and we

1415

00:52:48,870 --> 00:52:46,559

attribute those experiences to kind of

1416

00:52:50,549 --> 00:52:48,880

happenstance you know like we don't

1417

00:52:52,790 --> 00:52:50,559

necessarily plan to do a certain thing

1418

00:52:54,069 --> 00:52:52,800

or plan to meet a certain person but one

1419

00:52:55,510 --> 00:52:54,079

day you'll meet a person and that person

1420

00:52:58,710 --> 00:52:55,520

will change your life

1421

00:53:01,030 --> 00:52:58,720

um and you know so it it there's a

1422

00:53:04,549 --> 00:53:01,040

degree of credibility to this sort of

1423

00:53:05,670 --> 00:53:04,559

to the randomness of this encounter

1424

00:53:07,990 --> 00:53:05,680

that i think

1425

00:53:09,109 --> 00:53:08,000

makes the story very compelling

1426

00:53:11,430 --> 00:53:09,119

um

1427

00:53:12,630 --> 00:53:11,440

i mean when i hear her talk and and uh

1428

00:53:14,309 --> 00:53:12,640

and i've watched a couple of the

1429

00:53:17,750 --> 00:53:14,319

interviews and i do follow her on

1430

00:53:18,630 --> 00:53:17,760

twitter and i follow her on reddit

1431

00:53:22,790 --> 00:53:18,640

um

1432

00:53:24,470 --> 00:53:22,800

it's hard to say that she's not genuine

1433

00:53:26,069 --> 00:53:24,480

you know she seems to be a very genuine

1434

00:53:28,470 --> 00:53:26,079

person

1435

00:53:30,230 --> 00:53:28,480

and she speaks speaks very well and and

1436

00:53:32,950 --> 00:53:30,240

i think is a very

1437

00:53:35,510 --> 00:53:32,960

um compassionate person and is very um

1438

00:53:37,109 --> 00:53:35,520

polite and uh and treats people with

1439

00:53:39,109 --> 00:53:37,119

dignity which is something that i

1440

00:53:40,470 --> 00:53:39,119

resonate with you know to me how you

1441

00:53:42,710 --> 00:53:40,480

treat a person

1442

00:53:44,390 --> 00:53:42,720

is more important than what you know

1443

00:53:45,990 --> 00:53:44,400

um and so

1444

00:53:48,470 --> 00:53:46,000

you know just seeing how she treats

1445

00:53:51,990 --> 00:53:48,480

people and the things that she is trying

1446

00:53:55,270 --> 00:53:52,000

to do uh by adding kind of transparency

1447

00:53:56,710 --> 00:53:55,280

and uh responding to her critics

1448

00:53:59,430 --> 00:53:56,720

with i think

1449

00:54:01,190 --> 00:53:59,440

a pretty kind of kind hand rather than

1450

00:54:03,270 --> 00:54:01,200

you know like a returned slap or

1451
00:54:06,230 --> 00:54:03,280
whatever all the all those things are

1452
00:54:08,309 --> 00:54:06,240
good signs for me that at least

1453
00:54:09,589 --> 00:54:08,319
uh if this was gonna if this is a real

1454
00:54:11,829 --> 00:54:09,599
thing this is the kind of person that

1455
00:54:15,670 --> 00:54:11,839
would want to you know to give this a go

1456
00:54:17,910 --> 00:54:15,680
and and and reveal this greater truth to

1457
00:54:20,710 --> 00:54:17,920
the world but at the same time you know

1458
00:54:23,030 --> 00:54:20,720
i'm fully cognizant of the fact that

1459
00:54:25,030 --> 00:54:23,040
there's so much wrapped up in this topic

1460
00:54:27,510 --> 00:54:25,040
right there's so much of our human sort

1461
00:54:28,790 --> 00:54:27,520
of hopes and fears and

1462
00:54:30,470 --> 00:54:28,800
you know anxieties and everything

1463
00:54:31,670 --> 00:54:30,480

wrapped up in ufology and that's why a

1464

00:54:33,270 --> 00:54:31,680

lot of people you know we had a whole

1465

00:54:36,230 --> 00:54:33,280

show on this uh

1466

00:54:37,589 --> 00:54:36,240

dj with uh exo academia recently

1467

00:54:39,750 --> 00:54:37,599

and how

1468

00:54:41,510 --> 00:54:39,760

yeah i mean great guys so academia and

1469

00:54:43,030 --> 00:54:41,520

you got to hear that one girlfriend it

1470

00:54:45,349 --> 00:54:43,040

was a great great show but talking about

1471

00:54:47,030 --> 00:54:45,359

religion and and the the components and

1472

00:54:50,470 --> 00:54:47,040

aspects of religion and religious

1473

00:54:53,109 --> 00:54:50,480

experience that bleed over into into

1474

00:54:55,910 --> 00:54:53,119

ufology and sort of the various

1475

00:54:58,069 --> 00:54:55,920

uh circles of ufology and the phenomena

1476

00:54:59,510 --> 00:54:58,079

like it's it's a human thing you know if

1477

00:55:02,069 --> 00:54:59,520

we could reduce this down to something

1478

00:55:05,270 --> 00:55:02,079

simple it's human to believe

1479

00:55:07,750 --> 00:55:05,280

in in in fantastical things like the

1480

00:55:10,630 --> 00:55:07,760

power of our imagination is what has

1481

00:55:12,069 --> 00:55:10,640

created our entire society you know it's

1482

00:55:14,150 --> 00:55:12,079

it's like a superpower that we we

1483

00:55:16,390 --> 00:55:14,160

possess and we can go you know into that

1484

00:55:18,230 --> 00:55:16,400

more deep deeply later if we need to but

1485

00:55:20,309 --> 00:55:18,240

you know all that being said

1486

00:55:21,750 --> 00:55:20,319

you know when people read this story

1487

00:55:24,069 --> 00:55:21,760

from anjali

1488

00:55:26,549 --> 00:55:24,079

you know they're laying on to that story

1489

00:55:29,270 --> 00:55:26,559

all of all of their personal hopes

1490

00:55:31,589 --> 00:55:29,280

dreams desires wishes etc and that's

1491

00:55:33,670 --> 00:55:31,599

super duper powerful like the power of

1492

00:55:36,150 --> 00:55:33,680

that motivation

1493

00:55:37,829 --> 00:55:36,160

is so compelling that it can blind

1494

00:55:41,349 --> 00:55:37,839

people and has blinded people through

1495

00:55:43,430 --> 00:55:41,359

history to uh frauds and grifters and

1496

00:55:44,710 --> 00:55:43,440

people that take you know advantage of

1497

00:55:47,109 --> 00:55:44,720

others and abuse people and all that

1498

00:55:50,309 --> 00:55:47,119

kind of thing nathan can i jump in here

1499

00:55:52,789 --> 00:55:50,319

sure i'm still back at carmel macchiato

1500

00:55:55,030 --> 00:55:52,799

and you're already

1501
00:55:57,750 --> 00:55:55,040
you already skipped past seeing the

1502
00:55:59,589 --> 00:55:57,760
beings to the analysis of it and i'm at

1503
00:56:02,470 --> 00:55:59,599
carmel macchiato

1504
00:56:04,230 --> 00:56:02,480
so uh and by the way do you do you like

1505
00:56:07,030 --> 00:56:04,240
uh do you take carmel or any of those

1506
00:56:09,510 --> 00:56:07,040
syrups in your coffee carleen i don't i

1507
00:56:11,270 --> 00:56:09,520
know i actually switched over to um like

1508
00:56:14,870 --> 00:56:11,280
mushroom coffee

1509
00:56:17,589 --> 00:56:14,880
oh nice get that that reishi coffee man

1510
00:56:18,630 --> 00:56:17,599
uh but anyway

1511
00:56:22,150 --> 00:56:18,640
um

1512
00:56:25,190 --> 00:56:22,160
i it wasn't serendipitous that these

1513
00:56:27,430 --> 00:56:25,200

people showed up in in her estimation

1514

00:56:29,270 --> 00:56:27,440

because of the fact that she had seen

1515

00:56:31,109 --> 00:56:29,280

this very same being

1516

00:56:33,750 --> 00:56:31,119

i don't remember she said it was at her

1517

00:56:35,750 --> 00:56:33,760

home where it appeared to her as this

1518

00:56:37,670 --> 00:56:35,760

tall lavender being or if it was at the

1519

00:56:39,190 --> 00:56:37,680

hospital i can't remember i know the

1520

00:56:41,510 --> 00:56:39,200

thing she had at the hospital was the

1521

00:56:43,670 --> 00:56:41,520

woman next door to her that had passed

1522

00:56:45,190 --> 00:56:43,680

and then her soul had meandered into the

1523

00:56:47,109 --> 00:56:45,200

room i don't know if you've heard that

1524

00:56:49,349 --> 00:56:47,119

one but that's the other podcast i sent

1525

00:56:51,589 --> 00:56:49,359

you carlene the one with that one does

1526
00:56:53,430 --> 00:56:51,599
not sound familiar yeah roderick when

1527
00:56:57,270 --> 00:56:53,440
you listen to the first roderick martin

1528
00:57:00,230 --> 00:56:57,280
you'll hear uh where uh but anyway

1529
00:57:04,549 --> 00:57:00,240
so it wasn't serendipity it was she

1530
00:57:06,309 --> 00:57:04,559
believes it was planned uh based on

1531
00:57:08,630 --> 00:57:06,319
the fact that she had already seen that

1532
00:57:11,109 --> 00:57:08,640
being and that being has communicated

1533
00:57:13,349 --> 00:57:11,119
with her after the fact about the people

1534
00:57:15,589 --> 00:57:13,359
that they do want and don't want to come

1535
00:57:17,670 --> 00:57:15,599
out there with her so i'm sure that

1536
00:57:19,270 --> 00:57:17,680
probably there's a significant

1537
00:57:20,950 --> 00:57:19,280
percentage of this

1538
00:57:23,270 --> 00:57:20,960

is that

1539

00:57:25,750 --> 00:57:23,280

uh like just to let you guys know where

1540

00:57:27,750 --> 00:57:25,760

i'm coming from when i heard this i had

1541

00:57:29,670 --> 00:57:27,760

to like contact nathan right and what

1542

00:57:31,510 --> 00:57:29,680

did i say nathan

1543

00:57:33,829 --> 00:57:31,520

what's this about yeah tell me about

1544

00:57:35,910 --> 00:57:33,839

this story yeah like i had no i had no

1545

00:57:38,309 --> 00:57:35,920

idea i wasn't tracking it i thought it

1546

00:57:40,150 --> 00:57:38,319

was just another person that supposedly

1547

00:57:42,710 --> 00:57:40,160

had an experience and some of them i

1548

00:57:44,470 --> 00:57:42,720

find very credible like travis walton

1549

00:57:47,109 --> 00:57:44,480

and some of them are probably less

1550

00:57:49,829 --> 00:57:47,119

credible but um so i didn't even

1551
00:57:52,710 --> 00:57:49,839
investigate it and as soon as i started

1552
00:57:55,349 --> 00:57:52,720
to listen to her and read her background

1553
00:57:57,349 --> 00:57:55,359
and read the fact that that nick has

1554
00:57:59,270 --> 00:57:57,359
verified her credentials

1555
00:58:02,950 --> 00:57:59,280
that her her clearance that it's

1556
00:58:05,030 --> 00:58:02,960
legitimate it's not just a fake um

1557
00:58:07,430 --> 00:58:05,040
linkedin account etc

1558
00:58:10,150 --> 00:58:07,440
then i started to become intrigued and

1559
00:58:12,390 --> 00:58:10,160
so there is a probably a high percentage

1560
00:58:14,230 --> 00:58:12,400
of me that just wants to believe this

1561
00:58:16,150 --> 00:58:14,240
but i would actually i would actually go

1562
00:58:17,030 --> 00:58:16,160
there and check it out if i thought i

1563
00:58:18,870 --> 00:58:17,040

could

1564

00:58:20,710 --> 00:58:18,880

again that i wouldn't get fired what's

1565

00:58:22,549 --> 00:58:20,720

the timeline of her getting down there

1566

00:58:26,390 --> 00:58:22,559

and revealing this by the end of the

1567

00:58:28,150 --> 00:58:26,400

year december 31st pretty soon

1568

00:58:30,150 --> 00:58:28,160

but i would just suspect sooner because

1569

00:58:31,109 --> 00:58:30,160

it's going to get cold in the desert

1570

00:58:34,549 --> 00:58:31,119

you know

1571

00:58:36,789 --> 00:58:34,559

uh as time goes on bring it on yeah all

1572

00:58:38,950 --> 00:58:36,799

right i mean sure i prefer the cold but

1573

00:58:40,390 --> 00:58:38,960

uh i i guess carlene one one thought i

1574

00:58:42,470 --> 00:58:40,400

want to get from you

1575

00:58:43,349 --> 00:58:42,480

uh on this topic

1576

00:58:44,870 --> 00:58:43,359

is

1577

00:58:47,030 --> 00:58:44,880

you know i'm sure through your

1578

00:58:49,670 --> 00:58:47,040

hypnotherapy sessions you've heard a lot

1579

00:58:50,390 --> 00:58:49,680

of things a lot of interesting things

1580

00:58:52,390 --> 00:58:50,400

and

1581

00:58:53,510 --> 00:58:52,400

um

1582

00:58:55,190 --> 00:58:53,520

you know

1583

00:58:58,230 --> 00:58:55,200

tell us a little bit about how you kind

1584

00:58:59,670 --> 00:58:58,240

of weigh the claims of what your patient

1585

00:59:01,990 --> 00:58:59,680

is saying

1586

00:59:03,349 --> 00:59:02,000

versus you know what you believe to be

1587

00:59:06,069 --> 00:59:03,359

true yourself you know how do you

1588

00:59:08,950 --> 00:59:06,079

balance those things or do you not

1589

00:59:12,150 --> 00:59:08,960

i would say that um oh boy that's that's

1590

00:59:14,069 --> 00:59:12,160

big so it's a very case-by-case basis

1591

00:59:16,150 --> 00:59:14,079

for sure and like how we kind of just

1592

00:59:18,630 --> 00:59:16,160

kind of analyze this woman for a while

1593

00:59:21,430 --> 00:59:18,640

and we're like does she seem

1594

00:59:24,710 --> 00:59:21,440

to be credible um or does she seem to be

1595

00:59:26,150 --> 00:59:24,720

a storyteller um so sometimes when

1596

00:59:27,510 --> 00:59:26,160

you're dealing with hypnosis and you're

1597

00:59:29,990 --> 00:59:27,520

dealing with psychological you're

1598

00:59:31,270 --> 00:59:30,000

dealing with the mind so sometimes

1599

00:59:33,349 --> 00:59:31,280

people

1600

00:59:35,510 --> 00:59:33,359

and i've done this too you think you had

1601

00:59:38,549 --> 00:59:35,520

an experience or you think

1602

00:59:41,030 --> 00:59:38,559

that some being is talking to you or

1603

00:59:43,030 --> 00:59:41,040

through you or controlling you or

1604

00:59:44,390 --> 00:59:43,040

attached to you like i mean i'm probably

1605

00:59:46,630 --> 00:59:44,400

going a little bit off left field but

1606

00:59:49,349 --> 00:59:46,640

these are things people do get into

1607

00:59:51,750 --> 00:59:49,359

and there's a part of me now i'm not a

1608

00:59:53,670 --> 00:59:51,760

psychologist i'm not a therapist so i'm

1609

00:59:57,430 --> 00:59:53,680

not here to analyze those pieces for

1610

00:59:59,349 --> 00:59:57,440

them right um if you do have some kind

1611

01:00:01,109 --> 00:59:59,359

of mental

1612

01:00:05,030 --> 01:00:01,119

you know um

1613

01:00:07,109 --> 01:00:05,040

let's say you have a reason to develop

1614

01:00:08,710 --> 01:00:07,119

an entity inside of you that you are

1615

01:00:10,309 --> 01:00:08,720

going to decide is going to speak to you

1616

01:00:11,829 --> 01:00:10,319

and it's an all-powerful being from

1617

01:00:14,549 --> 01:00:11,839

another planet

1618

01:00:16,390 --> 01:00:14,559

and then and under hypnosis i will you

1619

01:00:18,150 --> 01:00:16,400

know facilitate communication with that

1620

01:00:19,990 --> 01:00:18,160

being um

1621

01:00:22,069 --> 01:00:20,000

there's a discernment you have to come

1622

01:00:24,710 --> 01:00:22,079

into and the discernment is what is this

1623

01:00:26,789 --> 01:00:24,720

person's you know stuff

1624

01:00:29,030 --> 01:00:26,799

um what is their you know kind of

1625

01:00:30,950 --> 01:00:29,040

history and i'm not here to analyze

1626
01:00:33,349 --> 01:00:30,960
people when they're doing a hypnotic

1627
01:00:35,030 --> 01:00:33,359
session and i'm facilitating and whether

1628
01:00:36,789 --> 01:00:35,040
or not we're talking to a pleiadian or

1629
01:00:39,109 --> 01:00:36,799
we're talking to the galactic i've had

1630
01:00:40,870 --> 01:00:39,119
people like be very adamant like well

1631
01:00:42,549 --> 01:00:40,880
i'm an arcturian and i want to have an

1632
01:00:43,910 --> 01:00:42,559
actuarian experience i want to see mark

1633
01:00:45,990 --> 01:00:43,920
terry and family

1634
01:00:48,470 --> 01:00:46,000
okay fine that's their reality i'm not

1635
01:00:50,549 --> 01:00:48,480
going to question their personal reality

1636
01:00:52,470 --> 01:00:50,559
um so when i when we're doing a hypnotic

1637
01:00:54,309 --> 01:00:52,480
session they will see you know maybe a

1638
01:00:55,910 --> 01:00:54,319

mantis being like that's happened before

1639

01:00:58,309 --> 01:00:55,920

or maybe they're channeling something or

1640

01:01:01,030 --> 01:00:58,319

maybe they're seeing a big gray and

1641

01:01:01,990 --> 01:01:01,040

i had one time a gray like be yelling at

1642

01:01:03,510 --> 01:01:02,000

me

1643

01:01:05,190 --> 01:01:03,520

and i was just like

1644

01:01:07,510 --> 01:01:05,200

okay

1645

01:01:09,589 --> 01:01:07,520

and and so you have to act you have to

1646

01:01:11,430 --> 01:01:09,599

add some discernment in there of like

1647

01:01:14,230 --> 01:01:11,440

are we interacting with something that

1648

01:01:16,069 --> 01:01:14,240

is intergalactic interdimensional or

1649

01:01:18,309 --> 01:01:16,079

paranormal or are we interacting with

1650

01:01:21,030 --> 01:01:18,319

somebody's um the word is i'm going to

1651

01:01:22,390 --> 01:01:21,040

use a psychosis or just their just their

1652

01:01:23,910 --> 01:01:22,400

mental state

1653

01:01:25,030 --> 01:01:23,920

so you have to be able to discern that

1654

01:01:27,270 --> 01:01:25,040

and that's what we're trying to do with

1655

01:01:29,270 --> 01:01:27,280

this situation too is this person a

1656

01:01:31,990 --> 01:01:29,280

storyteller or is she

1657

01:01:33,510 --> 01:01:32,000

legitimate you know and um

1658

01:01:36,829 --> 01:01:33,520

i kind of went on a tangent on that on

1659

01:01:39,190 --> 01:01:36,839

you nathan but i think i answered your

1660

01:01:41,349 --> 01:01:39,200

questions it's a great answer and and

1661

01:01:42,470 --> 01:01:41,359

and i want to sort of go from from there

1662

01:01:43,670 --> 01:01:42,480

to here

1663

01:01:45,030 --> 01:01:43,680

and the

1664

01:01:47,910 --> 01:01:45,040

and here is

1665

01:01:48,710 --> 01:01:47,920

does it necessarily even matter you know

1666

01:01:50,710 --> 01:01:48,720

so

1667

01:01:52,150 --> 01:01:50,720

uh yeah

1668

01:01:54,630 --> 01:01:52,160

right so does it matter it's their

1669

01:01:55,910 --> 01:01:54,640

reality it is right and and

1670

01:02:00,390 --> 01:01:55,920

we

1671

01:02:02,230 --> 01:02:00,400

wake up and

1672

01:02:03,750 --> 01:02:02,240

move through the world

1673

01:02:06,150 --> 01:02:03,760

in a way that

1674

01:02:08,230 --> 01:02:06,160

fits within the the the narrative we've

1675

01:02:10,549 --> 01:02:08,240

built around it you know so

1676

01:02:12,549 --> 01:02:10,559

when when we're born we're we're all

1677

01:02:14,470 --> 01:02:12,559

here on this on the show you know born

1678

01:02:16,470 --> 01:02:14,480

in the west and and grew up in a western

1679

01:02:18,630 --> 01:02:16,480

culture and you know we navigate the

1680

01:02:21,589 --> 01:02:18,640

world through that lens

1681

01:02:24,549 --> 01:02:21,599

of uh what is normal not normal all the

1682

01:02:26,309 --> 01:02:24,559

all those things are dictated to us by

1683

01:02:27,589 --> 01:02:26,319

the culture that we've sort of find

1684

01:02:28,549 --> 01:02:27,599

ourselves

1685

01:02:30,710 --> 01:02:28,559

and

1686

01:02:33,029 --> 01:02:30,720

that's not an absolute thing there's no

1687

01:02:35,510 --> 01:02:33,039

absolute you know uh

1688

01:02:37,029 --> 01:02:35,520

normative or non-normative uh you know

1689

01:02:38,309 --> 01:02:37,039

kind of way to take your tea in the

1690

01:02:39,029 --> 01:02:38,319

morning you know there are things that

1691

01:02:41,109 --> 01:02:39,039

we

1692

01:02:42,950 --> 01:02:41,119

have come to believe are acceptable ways

1693

01:02:46,390 --> 01:02:42,960

to do that and not acceptable ways to do

1694

01:02:47,510 --> 01:02:46,400

that and so we we all have to live in

1695

01:02:48,630 --> 01:02:47,520

harmony

1696

01:02:51,029 --> 01:02:48,640

with

1697

01:02:53,109 --> 01:02:51,039

our beliefs you know we if if we weren't

1698

01:02:54,710 --> 01:02:53,119

doing that we would lose our minds we'd

1699

01:02:56,390 --> 01:02:54,720

have psychotic breaks all the time you

1700

01:02:58,390 --> 01:02:56,400

know if we weren't able to kind of move

1701

01:03:00,950 --> 01:02:58,400

through life and harmonize our

1702

01:03:03,589 --> 01:03:00,960

experiences so that they don't

1703

01:03:05,270 --> 01:03:03,599

break our house apart

1704

01:03:06,710 --> 01:03:05,280

then we wouldn't be able to function

1705

01:03:08,309 --> 01:03:06,720

right and so

1706

01:03:10,470 --> 01:03:08,319

i think that

1707

01:03:11,430 --> 01:03:10,480

a lot of these experiences whether

1708

01:03:13,990 --> 01:03:11,440

they're

1709

01:03:16,150 --> 01:03:14,000

real or not real as you pointed out

1710

01:03:18,549 --> 01:03:16,160

carlene i think that's a very gracious

1711

01:03:19,910 --> 01:03:18,559

way to interact with with anyone it's

1712

01:03:22,230 --> 01:03:19,920

real to them

1713

01:03:23,990 --> 01:03:22,240

and yeah but it means something to them

1714

01:03:25,589 --> 01:03:24,000

now where i do take issue and before i

1715

01:03:29,029 --> 01:03:25,599

before you before you speak where i do

1716

01:03:31,670 --> 01:03:29,039

take issue is if you bring other people

1717

01:03:33,750 --> 01:03:31,680

into your

1718

01:03:36,309 --> 01:03:33,760

that's the difference that's the

1719

01:03:40,069 --> 01:03:38,069

yeah this is not somebody who just went

1720

01:03:41,670 --> 01:03:40,079

to carlene and said hey i want to have a

1721

01:03:43,990 --> 01:03:41,680

hypnosis this is someone who's saying i

1722

01:03:46,630 --> 01:03:44,000

want to have a national press conference

1723

01:03:48,789 --> 01:03:46,640

and then lead a team that that's not a

1724

01:03:50,710 --> 01:03:48,799

person

1725

01:03:53,349 --> 01:03:50,720

and that's exactly where her detractors

1726

01:03:55,190 --> 01:03:53,359

are coming at her but you know that she

1727

01:03:57,190 --> 01:03:55,200

shouldn't be doing this because

1728

01:03:58,549 --> 01:03:57,200

they've there are so many examples of

1729

01:03:59,750 --> 01:03:58,559

people taking advantage of others like

1730

01:04:01,589 --> 01:03:59,760

this in the past

1731

01:04:03,670 --> 01:04:01,599

but she's no wait a minute she's not

1732

01:04:05,829 --> 01:04:03,680

taking advantage of anybody well we'll

1733

01:04:07,670 --> 01:04:05,839

go back to you we'll go we'll go back

1734

01:04:09,829 --> 01:04:07,680

there

1735

01:04:12,470 --> 01:04:09,839

that doesn't matter we'll go back to tic

1736

01:04:14,710 --> 01:04:12,480

tac you can choose to believe or you can

1737

01:04:16,789 --> 01:04:14,720

choose not to believe i'm not here to

1738

01:04:19,510 --> 01:04:16,799

convince you to believe or not to

1739

01:04:21,349 --> 01:04:19,520

believe do what you want to do right she

1740

01:04:23,589 --> 01:04:21,359

has made it an issue

1741

01:04:26,069 --> 01:04:23,599

larger than somebody that goes to

1742

01:04:28,230 --> 01:04:26,079

carlene and goes which i by the way if

1743

01:04:30,230 --> 01:04:28,240

carlene was local i would be doing about

1744

01:04:33,990 --> 01:04:30,240

about my own experience because i want

1745

01:04:36,470 --> 01:04:34,000

to know what i saw right uh but that

1746

01:04:37,990 --> 01:04:36,480

notwithstanding i think what you have

1747

01:04:39,349 --> 01:04:38,000

sorry

1748

01:04:42,390 --> 01:04:39,359

this

1749

01:04:44,309 --> 01:04:42,400

uh what she's doing first of all

1750

01:04:46,390 --> 01:04:44,319

at this table i want to take a poll

1751

01:04:48,390 --> 01:04:46,400

we're going to do this really quickly

1752

01:04:50,190 --> 01:04:48,400

do you believe that there are other

1753

01:04:52,710 --> 01:04:50,200

beings either

1754

01:04:55,829 --> 01:04:52,720

extraterrestrial or ultra-terrestrial

1755

01:04:59,109 --> 01:04:55,839

etc that have visited here yes or no

1756

01:05:00,430 --> 01:04:59,119

carlene yes of course nathan do you

1757

01:05:02,069 --> 01:05:00,440

believe that they're either

1758

01:05:05,349 --> 01:05:02,079

extraterrestrial and or

1759

01:05:07,430 --> 01:05:05,359

ultra-terrestrial that have visited here

1760

01:05:08,950 --> 01:05:07,440

i'm going to go with yes but a caveat

1761

01:05:11,670 --> 01:05:08,960

non-human intelligence i don't know what

1762

01:05:13,589 --> 01:05:11,680

that is okay whatever yes i don't

1763

01:05:16,069 --> 01:05:13,599

whatever we call it but some sort of

1764

01:05:19,029 --> 01:05:16,079

being has visited here yeah

1765

01:05:21,910 --> 01:05:19,039

okay so if we all agree with that then

1766

01:05:23,270 --> 01:05:21,920

that right there makes it not that

1767

01:05:25,990 --> 01:05:23,280

fantastic

1768

01:05:28,230 --> 01:05:26,000

that she says she saw one sure or saw a

1769

01:05:30,470 --> 01:05:28,240

group of them so it's plausible go ahead

1770

01:05:32,470 --> 01:05:30,480

i'm sorry what's in it for her that's my

1771

01:05:35,029 --> 01:05:32,480

question it's nothing people are so mad

1772

01:05:36,630 --> 01:05:35,039

at her or um just trying to discredit

1773

01:05:37,750 --> 01:05:36,640

her before they even let her try to

1774

01:05:39,589 --> 01:05:37,760

prove this

1775

01:05:41,430 --> 01:05:39,599

um you got to look at

1776

01:05:43,109 --> 01:05:41,440

follow the money what's in it for her

1777

01:05:45,190 --> 01:05:43,119

right by doing this i mean she could

1778

01:05:46,470 --> 01:05:45,200

ruin her reputation right she could

1779

01:05:48,390 --> 01:05:46,480

probably

1780

01:05:50,309 --> 01:05:48,400

she said i'm not getting hired again

1781

01:05:51,510 --> 01:05:50,319

right and i looked at that and that's

1782

01:05:54,309 --> 01:05:51,520

what i think you need to look at

1783

01:05:55,910 --> 01:05:54,319

people's motives um and circling back

1784

01:05:57,589 --> 01:05:55,920

almost to like what nathan was asking me

1785

01:05:59,510 --> 01:05:57,599

about you know people discerning

1786

01:06:01,270 --> 01:05:59,520

people's like intentions and stuff like

1787

01:06:03,990 --> 01:06:01,280

what is what's her intention what's her

1788

01:06:05,750 --> 01:06:04,000

motive what's in it for her if uh she

1789

01:06:07,589 --> 01:06:05,760

you know takes a film crew or whatever

1790

01:06:09,829 --> 01:06:07,599

down to the mojave desert and there's

1791

01:06:11,910 --> 01:06:09,839

nothing there she's gonna look like a

1792

01:06:14,870 --> 01:06:11,920

fool right so why would you do that to

1793

01:06:16,870 --> 01:06:14,880

yourself i don't think this woman is um

1794

01:06:19,430 --> 01:06:16,880

i think she's too intelligent i think

1795

01:06:21,430 --> 01:06:19,440

she's too um

1796

01:06:23,349 --> 01:06:21,440

coherent i think she knows what i think

1797

01:06:26,309 --> 01:06:23,359

she's aware that what she's doing is a

1798

01:06:28,470 --> 01:06:26,319

risk and she's being courageous i don't

1799

01:06:29,589 --> 01:06:28,480

i want her to be right i want this story

1800

01:06:31,430 --> 01:06:29,599

to be true

1801

01:06:33,510 --> 01:06:31,440

um and if it's not well then i guess we

1802

01:06:35,910 --> 01:06:33,520

move on to the next show right

1803

01:06:37,990 --> 01:06:35,920

i think she's anything but stupid

1804

01:06:41,029 --> 01:06:38,000

and i think

1805

01:06:43,990 --> 01:06:41,039

she she 100 believes this

1806

01:06:46,549 --> 01:06:44,000

and if it's not true she's concocted a

1807

01:06:48,069 --> 01:06:46,559

narrative that has several different

1808

01:06:49,829 --> 01:06:48,079

players in it

1809

01:06:50,870 --> 01:06:49,839

and

1810

01:06:52,710 --> 01:06:50,880

i mean

1811

01:06:54,390 --> 01:06:52,720

i'll tell you what somebody's probably

1812

01:06:55,990 --> 01:06:54,400

already figured out who wayne and trisha

1813

01:06:58,230 --> 01:06:56,000

are do you believe somebody has figured

1814

01:07:01,029 --> 01:06:58,240

out who they are nathan

1815

01:07:02,390 --> 01:07:01,039

i mean i'm sure people are trying um i

1816

01:07:03,829 --> 01:07:02,400

don't know if they have or not but i

1817

01:07:04,710 --> 01:07:03,839

mean because they could be made up names

1818

01:07:06,470 --> 01:07:04,720

but

1819

01:07:08,309 --> 01:07:06,480

that's true

1820

01:07:10,950 --> 01:07:08,319

you know oh are they really those aren't

1821

01:07:14,789 --> 01:07:10,960

their real names oh yeah what's up

1822

01:07:18,789 --> 01:07:14,799

carlene the investigator see natasha man

1823

01:07:22,710 --> 01:07:18,799

it's back to natasha man all roads

1824

01:07:25,430 --> 01:07:22,720

but but intelligence is not a

1825

01:07:26,390 --> 01:07:25,440

intelligence alone is not a

1826

01:07:30,950 --> 01:07:26,400

no

1827

01:07:33,430 --> 01:07:31,829

to

1828

01:07:35,349 --> 01:07:33,440

just because someone is smart doesn't

1829

01:07:37,910 --> 01:07:35,359

mean that they can't be prone to to

1830

01:07:39,670 --> 01:07:37,920

insanity and i'm not saying that that

1831

01:07:41,029 --> 01:07:39,680

she is i i want to make sure that that's

1832

01:07:42,549 --> 01:07:41,039

clear i'm not saying that she is i'm

1833

01:07:43,670 --> 01:07:42,559

just saying that

1834

01:07:45,829 --> 01:07:43,680

a lot of

1835

01:07:47,589 --> 01:07:45,839

famous people who've gone insane in

1836

01:07:49,029 --> 01:07:47,599

history have been a super super smart

1837

01:07:51,190 --> 01:07:49,039

people um

1838

01:07:53,349 --> 01:07:51,200

and they can seem very coherent but they

1839

01:07:54,710 --> 01:07:53,359

live in an alternate reality that they

1840

01:07:55,670 --> 01:07:54,720

have concocted

1841

01:07:57,190 --> 01:07:55,680

and so

1842

01:07:58,630 --> 01:07:57,200

you know could that be the case here

1843

01:08:01,109 --> 01:07:58,640

yeah absolutely you know and again

1844

01:08:03,510 --> 01:08:01,119

that's which is why i i'm i'm i'm on the

1845

01:08:05,589 --> 01:08:03,520

fence here i want to see where this goes

1846

01:08:07,589 --> 01:08:05,599

did you see her press conference i did

1847

01:08:09,270 --> 01:08:07,599

and uh and how did she seem in that how

1848

01:08:11,109 --> 01:08:09,280

did she did she seem crazy or did she

1849

01:08:14,150 --> 01:08:11,119

seem cool yeah i i don't think she

1850

01:08:17,030 --> 01:08:14,160

seemed crazy but i think our our

1851

01:08:18,229 --> 01:08:17,040

marker for crazy can be a little skewed

1852

01:08:19,910 --> 01:08:18,239

you know so

1853

01:08:22,630 --> 01:08:19,920

um you know like sometimes we think of

1854

01:08:24,630 --> 01:08:22,640

crazy as you know somebody with you know

1855

01:08:26,070 --> 01:08:24,640

wild hair and they're sort of uh you

1856

01:08:28,229 --> 01:08:26,080

know eating their own feces or something

1857

01:08:31,110 --> 01:08:28,239

but what was it what was your visceral

1858

01:08:35,349 --> 01:08:33,349

yeah my internal feeling is this that

1859

01:08:37,030 --> 01:08:35,359

she really believes what she is saying

1860

01:08:39,430 --> 01:08:37,040

and that's why this is compelling

1861

01:08:41,269 --> 01:08:39,440

because she seems authentic and that's

1862

01:08:43,349 --> 01:08:41,279

probably the word i was looking for

1863

01:08:46,070 --> 01:08:43,359

great yoga word right there

1864

01:08:47,990 --> 01:08:46,080

very authentic and so you know let's

1865

01:08:50,470 --> 01:08:48,000

let's see where it goes right i'm not

1866

01:08:51,990 --> 01:08:50,480

out there to kind of say hey you know

1867

01:08:53,430 --> 01:08:52,000

she shouldn't be doing this or she's

1868

01:08:54,789 --> 01:08:53,440

taking advantage of people i don't

1869

01:08:56,470 --> 01:08:54,799

believe that that to be true until i

1870

01:08:58,550 --> 01:08:56,480

know otherwise and she can't take

1871

01:09:00,229 --> 01:08:58,560

advantage of people well she's not

1872

01:09:01,749 --> 01:09:00,239

capable she's how

1873

01:09:04,470 --> 01:09:01,759

uh i mean there are lots of ways she

1874

01:09:06,950 --> 01:09:04,480

could at some point uh i mean right

1875

01:09:08,950 --> 01:09:06,960

okay up to now has she taken advantage

1876
01:09:10,470 --> 01:09:08,960
of anybody no and that's why i'm saying

1877
01:09:11,990 --> 01:09:10,480
i'm not coming down on her one way or

1878
01:09:14,149 --> 01:09:12,000
the other but she could she could she

1879
01:09:15,749 --> 01:09:14,159
could try to monetize this she could you

1880
01:09:17,910 --> 01:09:15,759
know there are things that that okay

1881
01:09:19,510 --> 01:09:17,920
that that's possible true but i'm saying

1882
01:09:21,430 --> 01:09:19,520
okay that's true then she could turn

1883
01:09:24,709 --> 01:09:21,440
into like what stephen greer did

1884
01:09:26,550 --> 01:09:24,719
whatever but to this point she hasn't

1885
01:09:28,550 --> 01:09:26,560
she hasn't done that she's just said i

1886
01:09:31,349 --> 01:09:28,560
saw this they want to connect with

1887
01:09:32,390 --> 01:09:31,359
humanity they're looking to uh what did

1888
01:09:34,709 --> 01:09:32,400

she say

1889

01:09:36,309 --> 01:09:34,719

they're looking to disclose themself

1890

01:09:37,430 --> 01:09:36,319

right okay

1891

01:09:39,749 --> 01:09:37,440

so

1892

01:09:42,229 --> 01:09:39,759

that if that bothers you if you're at

1893

01:09:43,910 --> 01:09:42,239

home and you're like some ufo twitter

1894

01:09:45,510 --> 01:09:43,920

guy and that makes you angry and you're

1895

01:09:48,709 --> 01:09:45,520

gonna start typing in your messages

1896

01:09:50,390 --> 01:09:48,719

you're an idiot you're a [h__h] yeah

1897

01:09:53,990 --> 01:09:50,400

you can choose the people who are

1898

01:09:56,310 --> 01:09:54,000

reactions yes yes just like tic tac is

1899

01:09:58,390 --> 01:09:56,320

definitely made by humans because i'm

1900

01:10:00,390 --> 01:09:58,400

scared if it's not right and that's what

1901

01:10:03,910 --> 01:10:00,400

a lot of people's reaction is but but

1902

01:10:05,910 --> 01:10:03,920

those who have come out against her are

1903

01:10:06,790 --> 01:10:05,920

i think are doing so

1904

01:10:09,030 --> 01:10:06,800

from a

1905

01:10:10,870 --> 01:10:09,040

a place of good intent i don't agree

1906

01:10:13,669 --> 01:10:10,880

with it but their intent is they're

1907

01:10:15,510 --> 01:10:13,679

trying to dissuade people from

1908

01:10:17,669 --> 01:10:15,520

following someone who they believe is a

1909

01:10:19,430 --> 01:10:17,679

fraud so it's coming from a place of

1910

01:10:21,189 --> 01:10:19,440

good intent again i don't agree with

1911

01:10:23,030 --> 01:10:21,199

with their with the way they've gone

1912

01:10:24,070 --> 01:10:23,040

about that

1913

01:10:25,990 --> 01:10:24,080

but

1914

01:10:28,630 --> 01:10:26,000

wait a minute hold on

1915

01:10:30,790 --> 01:10:28,640

yeah yes what you just said and this is

1916

01:10:34,229 --> 01:10:30,800

not jim jones

1917

01:10:38,550 --> 01:10:34,239

no this is not hey we're going to guyana

1918

01:10:41,990 --> 01:10:39,590

it is

1919

01:10:44,390 --> 01:10:42,000

there is nothing they're not protecting

1920

01:10:46,229 --> 01:10:44,400

anybody from anything you can choose to

1921

01:10:48,149 --> 01:10:46,239

believe or not believe

1922

01:10:50,310 --> 01:10:48,159

you don't have to harass her you're

1923

01:10:52,070 --> 01:10:50,320

you're a freaking [h__\h] if you do that

1924

01:10:56,149 --> 01:10:52,080

yeah

1925

01:10:58,310 --> 01:10:56,159

point that she's putting herself out

1926

01:11:00,149 --> 01:10:58,320

there and there are a lot of people who

1927

01:11:02,390 --> 01:11:00,159

if she doesn't deliver

1928

01:11:05,669 --> 01:11:02,400

they will feel very let down and they

1929

01:11:08,070 --> 01:11:05,679

could wish her harm you know

1930

01:11:10,630 --> 01:11:08,080

what if i'm let that what if what if i

1931

01:11:12,390 --> 01:11:10,640

went out there and i what did i tell you

1932

01:11:13,590 --> 01:11:12,400

i was to do nathan

1933

01:11:15,590 --> 01:11:13,600

you're going to try to get on that on

1934

01:11:18,229 --> 01:11:15,600

that team man and if and what did i say

1935

01:11:21,350 --> 01:11:18,239

i would do if it wasn't true

1936

01:11:23,110 --> 01:11:21,360

uh i forget i said it'd be a nice hike

1937

01:11:25,750 --> 01:11:23,120

and come back and

1938

01:11:27,990 --> 01:11:25,760

go see my yoga friends and my jiu jitsu

1939

01:11:30,310 --> 01:11:28,000

friends and have a beer and eat at

1940

01:11:32,550 --> 01:11:30,320

alibaba's or something i don't know

1941

01:11:33,669 --> 01:11:32,560

it's not that i mean if if you're

1942

01:11:35,990 --> 01:11:33,679

investing

1943

01:11:37,189 --> 01:11:36,000

more than that you're an idiot you have

1944

01:11:38,070 --> 01:11:37,199

a problem

1945

01:11:43,590 --> 01:11:38,080

not

1946

01:11:45,590 --> 01:11:43,600

oh she ruined my life

1947

01:11:46,709 --> 01:11:45,600

right no i understand that but at the

1948

01:11:48,630 --> 01:11:46,719

same time

1949

01:11:50,550 --> 01:11:48,640

what i'm trying to say is that

1950

01:11:53,430 --> 01:11:50,560

there are those that feel a sense of

1951

01:11:55,430 --> 01:11:53,440

responsibility to others who maybe they

1952

01:11:57,030 --> 01:11:55,440

have seen taken advantage of in their

1953

01:11:58,709 --> 01:11:57,040

own life and they want to prevent those

1954

01:12:00,229 --> 01:11:58,719

people from being taken advantage of and

1955

01:12:03,030 --> 01:12:00,239

this is their way about going about it

1956

01:12:05,990 --> 01:12:03,040

again i disagree with the methodology i

1957

01:12:07,669 --> 01:12:06,000

i wouldn't i don't condone that behavior

1958

01:12:10,390 --> 01:12:07,679

but this is the place in which those

1959

01:12:11,990 --> 01:12:10,400

people are coming from uh i i don't

1960

01:12:13,510 --> 01:12:12,000

agree with it but i you know understand

1961

01:12:15,750 --> 01:12:13,520

why they are trying to come out against

1962

01:12:17,270 --> 01:12:15,760

her because in their minds they think

1963

01:12:19,590 --> 01:12:17,280

that she is

1964

01:12:22,310 --> 01:12:19,600

uh potentially dangerous to people who

1965

01:12:24,310 --> 01:12:22,320

might be you know sucked in you know

1966

01:12:26,630 --> 01:12:24,320

what they say about haters you know what

1967

01:12:29,270 --> 01:12:26,640

i mean it's that they hate

1968

01:12:31,030 --> 01:12:29,280

that they see something in you they wish

1969

01:12:33,350 --> 01:12:31,040

they had within themselves there's

1970

01:12:35,110 --> 01:12:33,360

absolutely no reason to come out against

1971

01:12:36,790 --> 01:12:35,120

her you could just simply say i don't

1972

01:12:39,350 --> 01:12:36,800

believe her and that's it

1973

01:12:42,149 --> 01:12:39,360

you don't have to hur if you harass her

1974

01:12:44,790 --> 01:12:42,159

the problem is with you right now you're

1975

01:12:47,110 --> 01:12:44,800

not protecting anybody the problems with

1976

01:12:49,110 --> 01:12:47,120

you who hasn't been okay who on this

1977

01:12:50,470 --> 01:12:49,120

panel hasn't been taken advantage of if

1978

01:12:52,390 --> 01:12:50,480

you've been taken advantage of raise

1979

01:12:53,270 --> 01:12:52,400

your hand nathan i'll just take your

1980

01:12:55,590 --> 01:12:53,280

work

1981

01:12:57,990 --> 01:12:55,600

raise the marble okay

1982

01:13:00,310 --> 01:12:58,000

everybody's been taken advantage of

1983

01:13:02,790 --> 01:13:00,320

don't make excuses for them for that

1984

01:13:04,550 --> 01:13:02,800

[h__\h] behavior that is

1985

01:13:06,950 --> 01:13:04,560

i don't know i'm not going to use a like

1986

01:13:08,950 --> 01:13:06,960

a curse word that's bs that's bs

1987

01:13:11,030 --> 01:13:08,960

behavior you could just say i don't

1988

01:13:12,310 --> 01:13:11,040

believe her i don't put any stock in it

1989

01:13:14,149 --> 01:13:12,320

and move on

1990

01:13:15,750 --> 01:13:14,159

which is what i would do if i even

1991

01:13:17,669 --> 01:13:15,760

bought a ticket to california and went

1992

01:13:20,470 --> 01:13:17,679

there right i'm not going to sit there

1993

01:13:22,310 --> 01:13:20,480

and go angela it's your fault

1994

01:13:24,550 --> 01:13:22,320

i've been taken advantage of in my life

1995

01:13:26,229 --> 01:13:24,560

thinking it's taking some autonomy over

1996

01:13:28,470 --> 01:13:26,239

your own reaction yes i think that's

1997

01:13:30,070 --> 01:13:28,480

what you yeah honestly that's an agency

1998

01:13:31,830 --> 01:13:30,080

a lot of people need to be doing right

1999

01:13:33,990 --> 01:13:31,840

now is taking autonomy over their own

2000

01:13:36,149 --> 01:13:34,000

anger in their own actions thank you

2001
01:13:38,870 --> 01:13:36,159
thank you there is no reason and there

2002
01:13:41,030 --> 01:13:38,880
is no excuse if there if you have that

2003
01:13:41,990 --> 01:13:41,040
in your mind that you're protecting the

2004
01:13:43,990 --> 01:13:42,000
public

2005
01:13:45,270 --> 01:13:44,000
by cursing out this woman on twitter

2006
01:13:46,950 --> 01:13:45,280
you're [h__\h]

2007
01:13:49,110 --> 01:13:46,960
and don't watch the show anymore well

2008
01:13:50,870 --> 01:13:49,120
you know it's eight billion humans not

2009
01:13:52,630 --> 01:13:50,880
everyone can be as smart as you dj you

2010
01:13:54,709 --> 01:13:52,640
know

2011
01:13:56,149 --> 01:13:54,719
it's very in fact in fact both people on

2012
01:13:58,550 --> 01:13:56,159
this panel are smarter than me but

2013
01:14:01,110 --> 01:13:58,560

that's that's that's beside the point no

2014

01:14:04,229 --> 01:14:01,120

it's it's the new you know then you know

2015

01:14:05,590 --> 01:14:04,239

nathan will tell you that i'm very jokey

2016

01:14:08,630 --> 01:14:05,600

i'm very

2017

01:14:11,110 --> 01:14:08,640

uh i i like to just kind of be fun and

2018

01:14:14,149 --> 01:14:11,120

and just you know humorous and so forth

2019

01:14:16,870 --> 01:14:14,159

but when the new york will come at me

2020

01:14:18,390 --> 01:14:16,880

like with the uh nathan's heard me we

2021

01:14:20,630 --> 01:14:18,400

spent like probably an hour and a half

2022

01:14:23,510 --> 01:14:20,640

the other night talking about the tic

2023

01:14:25,189 --> 01:14:23,520

tac and when somebody says oh the navy

2024

01:14:26,790 --> 01:14:25,199

guys don't know what they're doing with

2025

01:14:28,790 --> 01:14:26,800

flying these airplanes and they made

2026

01:14:30,950 --> 01:14:28,800

mistakes when people when i hear that

2027

01:14:33,030 --> 01:14:30,960

the new york comes at me and i say you

2028

01:14:35,990 --> 01:14:33,040

know you're full crap just like they'll

2029

01:14:37,430 --> 01:14:36,000

say oh i i'm attacking anjali online

2030

01:14:39,430 --> 01:14:37,440

because i'm protecting the public i'm

2031

01:14:41,910 --> 01:14:39,440

going to say you're full crap i'm not

2032

01:14:44,390 --> 01:14:41,920

going to try to whitewash it and sugar

2033

01:14:46,709 --> 01:14:44,400

coat it and be super analytical and make

2034

01:14:48,630 --> 01:14:46,719

my professors that in this snh you proud

2035

01:14:50,550 --> 01:14:48,640

of me i'm going to just say you're full

2036

01:14:52,149 --> 01:14:50,560

of it simple exactly this is why we're a

2037

01:14:54,630 --> 01:14:52,159

good team because we we come at this

2038

01:14:56,229 --> 01:14:54,640

from completely different yes that's why

2039

01:14:57,430 --> 01:14:56,239

i love nathan because he's smarter than

2040

01:14:59,910 --> 01:14:57,440

me i'll get i'll get a little

2041

01:15:02,310 --> 01:14:59,920

astrological here you know i'm a pisces

2042

01:15:03,910 --> 01:15:02,320

so i'm very me too you know

2043

01:15:05,350 --> 01:15:03,920

very much it brings some balance to the

2044

01:15:06,709 --> 01:15:05,360

world kind of person

2045

01:15:07,669 --> 01:15:06,719

um

2046

01:15:08,870 --> 01:15:07,679

yeah

2047

01:15:10,790 --> 01:15:08,880

maybe that's why we work together so

2048

01:15:12,630 --> 01:15:10,800

well um

2049

01:15:14,790 --> 01:15:12,640

so anyway i i you know it's a

2050

01:15:15,910 --> 01:15:14,800

fascinating story and it is um it's

2051

01:15:16,790 --> 01:15:15,920

something that

2052

01:15:18,310 --> 01:15:16,800

you know

2053

01:15:20,149 --> 01:15:18,320

i i very much hope it's true because i

2054

01:15:21,910 --> 01:15:20,159

think it'd be super cool i mean you know

2055

01:15:25,830 --> 01:15:21,920

it's gonna if if we're gonna get some

2056

01:15:27,350 --> 01:15:25,840

sort of disclosure from beings uh at all

2057

01:15:28,790 --> 01:15:27,360

it's gonna happen in a weird way i don't

2058

01:15:30,950 --> 01:15:28,800

think they're gonna do it in a way that

2059

01:15:32,310 --> 01:15:30,960

everybody thinks you know oh it should

2060

01:15:34,870 --> 01:15:32,320

happen like this i mean i think it's

2061

01:15:36,310 --> 01:15:34,880

gonna happen in a strange way and and

2062

01:15:38,950 --> 01:15:36,320

we'll have to deal with the with the

2063

01:15:41,669 --> 01:15:38,960

consequences of that um

2064

01:15:43,350 --> 01:15:41,679

but i guess to kind of

2065

01:15:46,229 --> 01:15:43,360

kind of conclude the show and get to the

2066

01:15:48,790 --> 01:15:46,239

end i mean i really want to um come back

2067

01:15:51,350 --> 01:15:48,800

to you carlene i want to i want to

2068

01:15:53,350 --> 01:15:51,360

get a sense from you on

2069

01:15:54,870 --> 01:15:53,360

you know you've gotten to the subject as

2070

01:15:57,990 --> 01:15:54,880

you said like you've you've kind of been

2071

01:15:59,110 --> 01:15:58,000

made more aware of uh the ufo stuff in

2072

01:16:00,070 --> 01:15:59,120

your journey

2073

01:16:02,149 --> 01:16:00,080

um

2074

01:16:05,350 --> 01:16:02,159

where do you sense it kind of going from

2075

01:16:07,030 --> 01:16:05,360

here and also how do you see

2076

01:16:09,510 --> 01:16:07,040

or encourage people

2077

01:16:11,830 --> 01:16:09,520

to kind of open themselves up to this

2078

01:16:14,229 --> 01:16:11,840

topic uh and just and be willing to

2079

01:16:15,189 --> 01:16:14,239

discuss it in a way that that a lot of

2080

01:16:16,390 --> 01:16:15,199

people aren't right a lot of people

2081

01:16:17,910 --> 01:16:16,400

aren't willing to talk about these kinds

2082

01:16:18,950 --> 01:16:17,920

of things in the public so what do you

2083

01:16:20,470 --> 01:16:18,960

see there

2084

01:16:21,990 --> 01:16:20,480

well there's eight billion humans eight

2085

01:16:22,950 --> 01:16:22,000

billion different realities happening

2086

01:16:26,709 --> 01:16:22,960

right now

2087

01:16:29,189 --> 01:16:26,719

totally um yeah so so i mean you can't

2088

01:16:31,030 --> 01:16:29,199

have a hundred percent you just can't of

2089

01:16:34,870 --> 01:16:31,040

of um acceptance or anything like that

2090

01:16:36,950 --> 01:16:34,880

or but i think i think that as they say

2091

01:16:39,510 --> 01:16:36,960

the truth is out there

2092

01:16:41,110 --> 01:16:39,520

and i think the truth always reveals

2093

01:16:42,149 --> 01:16:41,120

itself

2094

01:16:48,390 --> 01:16:42,159

i

2095

01:16:50,550 --> 01:16:48,400

you know

2096

01:16:52,709 --> 01:16:50,560

i think it is interesting the timing of

2097

01:16:55,990 --> 01:16:52,719

when they did release

2098

01:16:59,430 --> 01:16:56,000

the uh those videos of unidentified

2099

01:17:01,350 --> 01:16:59,440

aerial objects last summer during

2100

01:17:03,110 --> 01:17:01,360

you know controversial issues

2101

01:17:05,030 --> 01:17:03,120

um and i think

2102

01:17:07,110 --> 01:17:05,040

i have an another thought i had in this

2103

01:17:08,790 --> 01:17:07,120

kind of i had it right before you asked

2104

01:17:10,950 --> 01:17:08,800

the question nathan was

2105

01:17:12,870 --> 01:17:10,960

you know if she does do this or if this

2106

01:17:15,110 --> 01:17:12,880

there is disclosure

2107

01:17:16,950 --> 01:17:15,120

that does happen because i mean i do

2108

01:17:18,630 --> 01:17:16,960

follow some psychics on youtube every

2109

01:17:20,070 --> 01:17:18,640

once in a while but and they do talk

2110

01:17:21,750 --> 01:17:20,080

about disclosure

2111

01:17:23,350 --> 01:17:21,760

and they're always talking about

2112

01:17:25,830 --> 01:17:23,360

disclosure and like oh it's gonna happen

2113

01:17:27,430 --> 01:17:25,840

it's gonna happen it's gonna happen well

2114

01:17:30,070 --> 01:17:27,440

here's my question

2115

01:17:33,750 --> 01:17:30,080

how it happens isn't exactly important

2116

01:17:35,030 --> 01:17:33,760

or even when but more so how is the

2117

01:17:37,590 --> 01:17:35,040

world

2118

01:17:39,830 --> 01:17:37,600

the species of humans going to react to

2119

01:17:42,149 --> 01:17:39,840

it and are we ready to re are we ready

2120

01:17:44,870 --> 01:17:42,159

to receive that are we at that level

2121

01:17:46,630 --> 01:17:44,880

where we can receive that um the

2122

01:17:48,149 --> 01:17:46,640

reaction to

2123

01:17:50,470 --> 01:17:48,159

the cert you know world events in the

2124

01:17:52,790 --> 01:17:50,480

last 18 months um has been what it's

2125

01:17:54,470 --> 01:17:52,800

been very fear-based humans are still

2126

01:17:56,390 --> 01:17:54,480

living in a place and operating from a

2127

01:17:58,630 --> 01:17:56,400

place of fear a lot of us are

2128

01:18:00,709 --> 01:17:58,640

um so i worry that

2129

01:18:01,910 --> 01:18:00,719

that's my concern for the futures i

2130

01:18:03,590 --> 01:18:01,920

think people need to keep educating

2131

01:18:05,430 --> 01:18:03,600

themselves keep questioning things um

2132

01:18:07,189 --> 01:18:05,440

keep looking for the truth

2133

01:18:10,390 --> 01:18:07,199

and stay curious

2134

01:18:13,189 --> 01:18:10,400

um ask questions find stories um look

2135

01:18:15,110 --> 01:18:13,199

for evidence if you can but

2136

01:18:18,470 --> 01:18:15,120

as a whole as a collective of the

2137

01:18:22,149 --> 01:18:18,480

species homo sapiens on this planet

2138

01:18:24,790 --> 01:18:22,159

are we truly ready to handle disclosure

2139

01:18:27,110 --> 01:18:24,800

how's that going to go down and i'm very

2140

01:18:29,030 --> 01:18:27,120

it makes me slightly apprehensive

2141

01:18:30,550 --> 01:18:29,040

but excited

2142

01:18:32,229 --> 01:18:30,560

and so i don't know what your thoughts

2143

01:18:33,750 --> 01:18:32,239

are and i wanted to ask that so i know

2144

01:18:34,950 --> 01:18:33,760

you asked me a question and i kinda

2145

01:18:37,030 --> 01:18:34,960

answered this now i wanna throw this

2146

01:18:39,510 --> 01:18:37,040

back at you guys if disclosure did

2147

01:18:41,430 --> 01:18:39,520

happen let's just play out this fantasy

2148

01:18:42,950 --> 01:18:41,440

and whether it's anjali or who it isn't

2149

01:18:45,669 --> 01:18:42,960

it doesn't you know whatever let's say

2150

01:18:46,950 --> 01:18:45,679

it does happen before december 31st how

2151

01:18:49,030 --> 01:18:46,960

do you think humanity is going to

2152

01:18:50,630 --> 01:18:49,040

respond to that where they are based on

2153

01:18:52,149 --> 01:18:50,640

where we are right now

2154

01:18:55,270 --> 01:18:52,159

you know

2155

01:18:57,110 --> 01:18:55,280

well i'll i'll let nathan go first

2156

01:19:02,709 --> 01:18:57,120

okay nathan

2157

01:19:05,350 --> 01:19:02,719

uh i mean poorly um i think that um

2158

01:19:07,110 --> 01:19:05,360

we've got a ton of hurdles to overcome

2159

01:19:10,550 --> 01:19:07,120

as a global

2160

01:19:13,030 --> 01:19:10,560

culture uh to engage with

2161

01:19:15,669 --> 01:19:13,040

if there is in fact a broader kind of

2162

01:19:17,750 --> 01:19:15,679

galactic community which i think would

2163

01:19:19,510 --> 01:19:17,760

be really cool i mean i grew up i was a

2164

01:19:21,189 --> 01:19:19,520

you know star trek kid

2165

01:19:23,430 --> 01:19:21,199

you know star wars all these kinds of

2166

01:19:24,229 --> 01:19:23,440

stories that i grew up with as a child

2167

01:19:26,070 --> 01:19:24,239

and

2168

01:19:29,510 --> 01:19:26,080

you know that that's a very

2169

01:19:31,750 --> 01:19:29,520

exciting and inspiring uh sort of future

2170

01:19:32,630 --> 01:19:31,760

to to walk into

2171

01:19:36,390 --> 01:19:32,640

um

2172

01:19:39,430 --> 01:19:36,400

but i i fully recognize that

2173

01:19:42,470 --> 01:19:39,440

we have a ton of different perspectives

2174

01:19:44,950 --> 01:19:42,480

and motivations

2175

01:19:46,310 --> 01:19:44,960

and behaviors on on the earth

2176
01:19:48,630 --> 01:19:46,320
that would be

2177
01:19:50,709 --> 01:19:48,640
super challenging to

2178
01:19:53,270 --> 01:19:50,719
to kind of cooperate on

2179
01:19:54,390 --> 01:19:53,280
as we engage with with that broader

2180
01:19:56,790 --> 01:19:54,400
community

2181
01:19:59,030 --> 01:19:56,800
uh you know just just take one issue

2182
01:20:00,709 --> 01:19:59,040
like let's take technology you know if

2183
01:20:03,830 --> 01:20:00,719
they were to present themselves and

2184
01:20:06,229 --> 01:20:03,840
provide us with access to some degree of

2185
01:20:08,070 --> 01:20:06,239
advanced technology well who gets it

2186
01:20:10,709 --> 01:20:08,080
you know who get gets on the earth and

2187
01:20:12,310 --> 01:20:10,719
how is it used um how is it abused or

2188
01:20:15,350 --> 01:20:12,320

how could it be abused

2189

01:20:17,750 --> 01:20:15,360

uh if i were an advanced species and i i

2190

01:20:21,189 --> 01:20:17,760

were about to hand over some you know

2191

01:20:22,629 --> 01:20:21,199

amazing tech to to to humans i would

2192

01:20:23,590 --> 01:20:22,639

want to know before i handed that over

2193

01:20:25,590 --> 01:20:23,600

that they weren't going to blow

2194

01:20:27,350 --> 01:20:25,600

themselves up with it uh and and right

2195

01:20:29,110 --> 01:20:27,360

now i don't know that i could say that

2196

01:20:30,149 --> 01:20:29,120

i'd have any confidence that we wouldn't

2197

01:20:31,590 --> 01:20:30,159

do that

2198

01:20:33,270 --> 01:20:31,600

um so

2199

01:20:35,430 --> 01:20:33,280

you know while on it i'd be excited

2200

01:20:37,669 --> 01:20:35,440

about it um yeah exactly we're very much

2201

01:20:39,830 --> 01:20:37,679

children here

2202

01:20:41,910 --> 01:20:39,840

excited but very sort of a lot of

2203

01:20:43,270 --> 01:20:41,920

trepidation about that um

2204

01:20:45,189 --> 01:20:43,280

which which is tough because i you know

2205

01:20:48,629 --> 01:20:45,199

i really want it to happen i want that

2206

01:20:52,550 --> 01:20:50,310

what nathan said

2207

01:20:54,310 --> 01:20:52,560

yeah and back to you carly obviously no

2208

01:20:56,550 --> 01:20:54,320

i think we all kind of had a consensus

2209

01:20:58,149 --> 01:20:56,560

there go ahead no no i was going to say

2210

01:20:59,830 --> 01:20:58,159

you know i think we have three people on

2211

01:21:01,669 --> 01:20:59,840

this panel right here they really care

2212

01:21:03,430 --> 01:21:01,679

about the planet a lot and the

2213

01:21:04,550 --> 01:21:03,440

environment and so on and so forth and

2214

01:21:06,709 --> 01:21:04,560

it's very

2215

01:21:08,149 --> 01:21:06,719

troubling to see

2216

01:21:10,390 --> 01:21:08,159

uh how

2217

01:21:12,629 --> 01:21:10,400

people disregard it i'd say would be the

2218

01:21:15,990 --> 01:21:12,639

best word i could use that would cover

2219

01:21:16,870 --> 01:21:16,000

the most largest group of people yes um

2220

01:21:19,430 --> 01:21:16,880

so

2221

01:21:21,270 --> 01:21:19,440

but i i think there would be problems

2222

01:21:23,910 --> 01:21:21,280

with a lot of people

2223

01:21:26,470 --> 01:21:23,920

trying to assimilate that information my

2224

01:21:28,790 --> 01:21:26,480

boss and i uh my prior boss the guy who

2225

01:21:30,790 --> 01:21:28,800

got me this gig right now uh but he's

2226

01:21:33,669 --> 01:21:30,800

still a colleague at this point told me

2227

01:21:36,550 --> 01:21:33,679

and he's a deeply faithful catholic but

2228

01:21:37,990 --> 01:21:36,560

he also has a scientific mind about him

2229

01:21:40,470 --> 01:21:38,000

and he said that

2230

01:21:42,470 --> 01:21:40,480

he said he said i got news for you dj

2231

01:21:44,629 --> 01:21:42,480

he said there are religious people have

2232

01:21:46,950 --> 01:21:44,639

a problem with this and then

2233

01:21:48,390 --> 01:21:46,960

it came out uh you remembers nathan lou

2234

01:21:50,310 --> 01:21:48,400

elizondo said that people in the

2235

01:21:53,510 --> 01:21:50,320

pentagon said we already know what this

2236

01:21:55,510 --> 01:21:53,520

phenomenon is it's demons right so so

2237

01:21:57,750 --> 01:21:55,520

and i mean not to

2238

01:21:59,270 --> 01:21:57,760

uh at all to demonize people of faith

2239

01:22:01,430 --> 01:21:59,280

because i

2240

01:22:04,229 --> 01:22:01,440

regard and respect them just like i

2241

01:22:06,470 --> 01:22:04,239

respect my fellow uh yogis

2242

01:22:09,110 --> 01:22:06,480

uh and and other

2243

01:22:11,030 --> 01:22:09,120

groups i love everybody

2244

01:22:12,870 --> 01:22:11,040

uh but um

2245

01:22:14,149 --> 01:22:12,880

yeah it's going to be an issue for some

2246

01:22:17,350 --> 01:22:14,159

but that doesn't mean it shouldn't

2247

01:22:19,910 --> 01:22:17,360

happen um it should happen because

2248

01:22:23,430 --> 01:22:19,920

it's the truth and you don't

2249

01:22:25,350 --> 01:22:23,440

ever get anywhere by trying to

2250

01:22:27,990 --> 01:22:25,360

ignore the truth whether it's your own

2251

01:22:30,149 --> 01:22:28,000

personal truth about yourself

2252

01:22:33,189 --> 01:22:30,159

that you're trying to

2253

01:22:35,910 --> 01:22:33,199

hide or not acknowledge or someone else

2254

01:22:37,910 --> 01:22:35,920

not acknowledging the truth about you

2255

01:22:39,990 --> 01:22:37,920

you can just broaden that out to a

2256

01:22:41,750 --> 01:22:40,000

greater context and if there's something

2257

01:22:43,590 --> 01:22:41,760

out there we need to know what it is

2258

01:22:44,709 --> 01:22:43,600

it's obviously trying to get our

2259

01:22:46,870 --> 01:22:44,719

attention

2260

01:22:51,430 --> 01:22:46,880

um

2261

01:22:53,030 --> 01:22:51,440

you know the navy pilot that said we saw

2262

01:22:55,430 --> 01:22:53,040

him every day for a year so what does

2263

01:22:56,629 --> 01:22:55,440

that tell you if he says you have a navy

2264

01:22:58,790 --> 01:22:56,639

f-18

2265

01:23:01,110 --> 01:22:58,800

fighter pilot on the princeton so east

2266

01:23:04,070 --> 01:23:01,120

coast excuse me on the roosevelt east

2267

01:23:06,229 --> 01:23:04,080

coast based carrier group and he said he

2268

01:23:08,310 --> 01:23:06,239

saw him every day for a year what does

2269

01:23:10,550 --> 01:23:08,320

that tell you

2270

01:23:13,110 --> 01:23:10,560

it tells you they're not trying to hide

2271

01:23:15,030 --> 01:23:13,120

that they're here so i i think there is

2272

01:23:17,830 --> 01:23:15,040

a certain plausibility about what she

2273

01:23:20,790 --> 01:23:17,840

says it sounds extremely fantastic but i

2274

01:23:21,990 --> 01:23:20,800

want you to tell me i want you guys to

2275

01:23:22,950 --> 01:23:22,000

tell me

2276

01:23:25,110 --> 01:23:22,960

what

2277

01:23:28,790 --> 01:23:25,120

ufo encounter

2278

01:23:31,270 --> 01:23:28,800

could happen in in your life in today

2279

01:23:33,510 --> 01:23:31,280

your life today so it could be it could

2280

01:23:37,350 --> 01:23:33,520

happen this week but let's say your life

2281

01:23:38,629 --> 01:23:37,360

in 2021 i want you to tell me a ufo

2282

01:23:43,669 --> 01:23:38,639

encounter

2283

01:23:47,030 --> 01:23:43,679

something like

2284

01:23:49,110 --> 01:23:47,040

anjali tell me what that would look like

2285

01:23:50,310 --> 01:23:49,120

go first please carlene

2286

01:23:53,110 --> 01:23:50,320

i don't know if i understood the

2287

01:23:56,550 --> 01:23:53,120

question okay okay if you were to have

2288

01:23:58,310 --> 01:23:56,560

kant if if in if if an alien were to

2289

01:23:59,750 --> 01:23:58,320

let's say you're you're karleen

2290

01:24:02,390 --> 01:23:59,760

linksweiler right

2291

01:24:05,430 --> 01:24:02,400

okay in your life this week

2292

01:24:08,790 --> 01:24:05,440

you are going to make in-person physical

2293

01:24:10,790 --> 01:24:08,800

contact with an alien i want you to tell

2294

01:24:13,110 --> 01:24:10,800

me what would that look like

2295

01:24:16,310 --> 01:24:13,120

what would be concrete evidence to me or

2296

01:24:17,590 --> 01:24:16,320

no what would it how if it occurred like

2297

01:24:19,430 --> 01:24:17,600

just say

2298

01:24:22,790 --> 01:24:19,440

if it occurred how could you imagine it

2299

01:24:27,750 --> 01:24:25,430

like you're at the studio you're alone

2300

01:24:31,270 --> 01:24:27,760

you're rolling up mats no i feel like

2301

01:24:35,270 --> 01:24:31,280

i'd have a nighttime visitation

2302

01:24:39,510 --> 01:24:37,030

yeah i mean i you know i think it would

2303

01:24:41,910 --> 01:24:39,520

have to be reality shattering right

2304

01:24:43,510 --> 01:24:41,920

you know it would have to be

2305

01:24:48,149 --> 01:24:43,520

something that would break the routine

2306

01:24:51,830 --> 01:24:50,070

i i don't know

2307

01:24:53,590 --> 01:24:51,840

the point i'm trying to make to you is

2308

01:24:56,229 --> 01:24:53,600

there's no scenario that you could

2309

01:24:59,189 --> 01:24:56,239

imagine that would not sound almost

2310

01:25:01,430 --> 01:24:59,199

exactly like what happened to her it's

2311

01:25:03,110 --> 01:25:01,440

we have no and this goes back to what

2312

01:25:05,110 --> 01:25:03,120

lou elizondo said

2313

01:25:06,950 --> 01:25:05,120

now i'm gonna sound smart carlene this

2314

01:25:10,149 --> 01:25:06,960

is the part where i sound smart

2315

01:25:12,709 --> 01:25:10,159

we have no frame of reference other than

2316

01:25:16,470 --> 01:25:12,719

being human to imagine something like

2317

01:25:19,510 --> 01:25:16,480

this so if it's gonna happen and and

2318

01:25:21,350 --> 01:25:19,520

nobody we know has actually seen one in

2319

01:25:22,629 --> 01:25:21,360

the flesh where they could reach out and

2320

01:25:25,110 --> 01:25:22,639

touch one

2321

01:25:27,830 --> 01:25:25,120

and if that happens there's no way it

2322

01:25:29,510 --> 01:25:27,840

doesn't sound just like what happened

2323

01:25:33,110 --> 01:25:29,520

with uh

2324

01:25:37,510 --> 01:25:35,510

it's gonna be like i can't belie

2325

01:25:39,830 --> 01:25:37,520

like i can't believe it was that like i

2326

01:25:42,310 --> 01:25:39,840

just saw something like i just was in a

2327

01:25:44,470 --> 01:25:42,320

room with this thing right

2328

01:25:46,870 --> 01:25:44,480

there's no way it does it that's the

2329

01:25:50,229 --> 01:25:46,880

only way it's gonna sound is like this

2330

01:25:51,110 --> 01:25:50,239

sounds completely 100

2331

01:25:52,550 --> 01:25:51,120

fake

2332

01:25:54,550 --> 01:25:52,560

television

2333

01:25:57,110 --> 01:25:54,560

because we don't have we only have the

2334

01:25:59,030 --> 01:25:57,120

movies right and how

2335

01:26:01,110 --> 01:25:59,040

that's why the story alone isn't isn't

2336

01:26:02,550 --> 01:26:01,120

good enough you know right because

2337

01:26:05,189 --> 01:26:02,560

because you you know you've got you're

2338

01:26:07,189 --> 01:26:05,199

going to have to have some kind of

2339

01:26:09,990 --> 01:26:07,199

corroborating evidence multiple

2340

01:26:12,070 --> 01:26:10,000

witnesses you know video

2341

01:26:13,510 --> 01:26:12,080

photographic audio everything you could

2342

01:26:15,030 --> 01:26:13,520

possibly get

2343

01:26:15,750 --> 01:26:15,040

as a collection

2344

01:26:17,830 --> 01:26:15,760

to

2345

01:26:19,030 --> 01:26:17,840

corroborate the claim because if you

2346

01:26:21,110 --> 01:26:19,040

don't have any of that stuff it's just

2347

01:26:24,070 --> 01:26:21,120

words and that that's all we have right

2348

01:26:27,110 --> 01:26:24,080

now right i agree i'm i'm not i'm not

2349

01:26:29,669 --> 01:26:27,120

saying i'm in 100 agreement with you but

2350

01:26:31,590 --> 01:26:29,679

what i'm saying is is that it sounds so

2351

01:26:33,430 --> 01:26:31,600

nuts right what she's saying

2352

01:26:35,189 --> 01:26:33,440

we walked into the cave and in through

2353

01:26:37,510 --> 01:26:35,199

the mountain and it just sounds like

2354

01:26:39,830 --> 01:26:37,520

land of the loss type stuff right we're

2355

01:26:42,229 --> 01:26:39,840

ready for chaka and the sleaze stacks to

2356

01:26:43,669 --> 01:26:42,239

come running out and and and right now

2357

01:26:47,910 --> 01:26:43,679

carla's going what the hell is that but

2358

01:26:51,830 --> 01:26:49,910

but i mean there's a lot of questions

2359

01:26:53,430 --> 01:26:51,840

for sure there's a lot of questions and

2360

01:26:56,470 --> 01:26:53,440

there's a lot of like you could you

2361

01:26:59,270 --> 01:26:56,480

could argue this story and and

2362

01:27:01,189 --> 01:26:59,280

it's very it's it's very weak without

2363

01:27:03,590 --> 01:27:01,199

evidence and so

2364

01:27:04,790 --> 01:27:03,600

i say we wait you gotta wait till she

2365

01:27:07,189 --> 01:27:04,800

goes out there

2366

01:27:08,550 --> 01:27:07,199

we don't have a choice

2367

01:27:10,709 --> 01:27:08,560

i'm gonna wait and see i'm not gonna

2368

01:27:12,790 --> 01:27:10,719

call it any because predicting

2369

01:27:14,870 --> 01:27:12,800

at this point you can predict but let's

2370

01:27:16,390 --> 01:27:14,880

just see what she's got she came out she

2371

01:27:18,390 --> 01:27:16,400

said she's got evidence let's wait for

2372

01:27:20,229 --> 01:27:18,400

it let's see the evidence then so i

2373

01:27:21,669 --> 01:27:20,239

won't ask you how the story ends then

2374

01:27:24,390 --> 01:27:21,679

because i think you've just said that

2375

01:27:26,870 --> 01:27:24,400

you don't want to try to predict

2376

01:27:30,830 --> 01:27:26,880

i find when people predict

2377

01:27:35,910 --> 01:27:33,510

it in vegas

2378

01:27:38,149 --> 01:27:35,920

right so i find that predictions can be

2379

01:27:40,070 --> 01:27:38,159

silly so it's just let's just see i mean

2380

01:27:41,990 --> 01:27:40,080

she came out she's been vocal she's

2381

01:27:43,750 --> 01:27:42,000

getting the word out okay lady let's see

2382

01:27:44,950 --> 01:27:43,760

it you know okay you didn't take a video

2383

01:27:46,950 --> 01:27:44,960

to make a picture but you had your

2384

01:27:48,709 --> 01:27:46,960

camera on the whole time let's see it

2385

01:27:50,709 --> 01:27:48,719

right last word to nathan what do you

2386

01:27:53,590 --> 01:27:50,719

got brother ha do you want to make a

2387

01:27:55,189 --> 01:27:53,600

prediction how the story ends or you

2388

01:27:58,390 --> 01:27:55,199

i don't want to frame it any further

2389

01:28:00,390 --> 01:27:58,400

than that no i want to say this that um

2390

01:28:02,870 --> 01:28:00,400

you know be in the present moment

2391

01:28:05,510 --> 01:28:02,880

and this is true for

2392

01:28:07,910 --> 01:28:05,520

you know a yoga practice yeah

2393

01:28:10,470 --> 01:28:07,920

uh it's true for any relationship it's

2394

01:28:12,390 --> 01:28:10,480

true for everything that we do

2395

01:28:13,669 --> 01:28:12,400

you know we're at our best when we're

2396

01:28:15,350 --> 01:28:13,679

present

2397

01:28:16,629 --> 01:28:15,360

and

2398

01:28:19,110 --> 01:28:16,639

when we

2399

01:28:21,750 --> 01:28:19,120

try to fast forward into the future or

2400

01:28:25,189 --> 01:28:21,760

rewind into the past

2401

01:28:29,750 --> 01:28:27,830

i think chasing a fantasy

2402

01:28:31,830 --> 01:28:29,760

that doesn't exist and or doesn't exist

2403

01:28:33,990 --> 01:28:31,840

anymore

2404

01:28:35,750 --> 01:28:34,000

and so in this instance

2405

01:28:38,149 --> 01:28:35,760

i think we need to be

2406

01:28:41,510 --> 01:28:38,159

present to what she's saying present to

2407

01:28:44,070 --> 01:28:41,520

one another be charitable

2408

01:28:45,830 --> 01:28:44,080

uh be open-minded and let's see where

2409

01:28:46,950 --> 01:28:45,840

the journey takes us

2410

01:28:47,910 --> 01:28:46,960

um

2411

01:28:57,590 --> 01:28:47,920

and

2412

01:28:59,830 --> 01:28:57,600

there's a lot more that i'd love to talk

2413

01:29:01,350 --> 01:28:59,840

to you about too um which is great so we

2414

01:29:03,030 --> 01:29:01,360

can have you on again in the future if

2415

01:29:04,870 --> 01:29:03,040

you're if you're open to that yeah that

2416

01:29:07,350 --> 01:29:04,880

would be super fun i hope i have another

2417

01:29:09,830 --> 01:29:07,360

experience between between now and then

2418

01:29:11,350 --> 01:29:09,840

yeah absolutely yeah and we'll uh if you

2419

01:29:12,950 --> 01:29:11,360

don't don't mind maybe we'll get that

2420

01:29:14,870 --> 01:29:12,960

image and we might be able to share it

2421

01:29:17,189 --> 01:29:14,880

with uh with the audience yeah if uh

2422

01:29:19,430 --> 01:29:17,199

dj's got it yeah definitely yeah i

2423

01:29:20,310 --> 01:29:19,440

shared it with uh with nathan so he

2424

01:29:22,470 --> 01:29:20,320

should

2425

01:29:24,470 --> 01:29:22,480

find it in his email because he's he's

2426

01:29:27,270 --> 01:29:24,480

got control of the stream

2427

01:29:29,270 --> 01:29:27,280

so i am now out of control

2428

01:29:31,750 --> 01:29:29,280

that's right and if any listeners have

2429

01:29:33,910 --> 01:29:31,760

ever um seen something like that i want

2430

01:29:36,149 --> 01:29:33,920

to hear i want to hear about it

2431

01:29:39,110 --> 01:29:36,159

please yeah please chime in and let us

2432

01:29:41,590 --> 01:29:39,120

know about that you can find actually

2433

01:29:43,990 --> 01:29:41,600

yeah let us uh let us dive into that i

2434

01:29:45,430 --> 01:29:44,000

actually have a a

2435

01:29:47,750 --> 01:29:45,440

kind of a sad announcement i'm going to

2436

01:29:49,910 --> 01:29:47,760

make but before i do that i want to

2437

01:29:52,070 --> 01:29:49,920

give carlene a chance to tell people

2438

01:29:55,430 --> 01:29:52,080

about where they can find her in her

2439

01:29:57,270 --> 01:29:55,440

work okay so it's um roots wings

2440

01:30:01,510 --> 01:29:57,280

hypnosis.com

2441

01:30:03,350 --> 01:30:01,520

you can contact me there and all my

2442

01:30:05,350 --> 01:30:03,360

social media links are in the top right

2443

01:30:06,470 --> 01:30:05,360

hand corner of of every page on that

2444

01:30:08,470 --> 01:30:06,480

website so you can go through my

2445

01:30:11,830 --> 01:30:08,480

instagram roots underscore wings

2446

01:30:14,070 --> 01:30:11,840

underscore sage i am on youtube um best

2447

01:30:16,310 --> 01:30:14,080

if you just hit the youtube link on my

2448

01:30:19,350 --> 01:30:16,320

website because it'll take you to

2449

01:30:21,270 --> 01:30:19,360

dozens of um audio sessions thank you

2450

01:30:23,750 --> 01:30:21,280

dozens of audio sessions of clients

2451

01:30:24,870 --> 01:30:23,760

having regressions past life

2452

01:30:27,990 --> 01:30:24,880

uh

2453

01:30:30,070 --> 01:30:28,000

future life and actually going into um

2454

01:30:31,270 --> 01:30:30,080

and current life stuff seeing uh

2455

01:30:32,830 --> 01:30:31,280

experiences

2456

01:30:35,350 --> 01:30:32,840

from youtube

2457

01:30:38,870 --> 01:30:35,360

visitations and we need you on ufo

2458

01:30:42,149 --> 01:30:40,550

i don't have twitter i don't want to get

2459

01:30:44,709 --> 01:30:42,159

on twitter i'm scared

2460

01:30:45,910 --> 01:30:44,719

it's beautiful ufo twitter's always

2461

01:30:46,830 --> 01:30:45,920

smart

2462

01:30:53,030 --> 01:30:46,840

so

2463

01:30:54,790 --> 01:30:53,040

fun

2464

01:30:56,390 --> 01:30:54,800

um i know

2465

01:30:58,790 --> 01:30:56,400

uh you're welcome i know we'll talk to

2466

01:31:01,189 --> 01:30:58,800

you again nathan you're amazing i'm so

2467

01:31:03,830 --> 01:31:01,199

happy to have you as a co-host and

2468

01:31:06,550 --> 01:31:03,840

and um every time you speak it's just

2469

01:31:08,070 --> 01:31:06,560

like i just stop and i just stare at the

2470

01:31:10,149 --> 01:31:08,080

wall and listen

2471

01:31:11,750 --> 01:31:10,159

and it's you're just you're amazing so

2472

01:31:13,270 --> 01:31:11,760

thank you one last thing i want to say

2473

01:31:19,350 --> 01:31:13,280

if you had me on again you should

2474

01:31:23,030 --> 01:31:21,110

all right so that we were looking for an

2475

01:31:25,189 --> 01:31:23,040

avenue to bring in natasha for an

2476

01:31:27,270 --> 01:31:25,199

episode i think we just found one nathan

2477

01:31:29,350 --> 01:31:27,280

yeah she's we'll talk to her she's

2478

01:31:34,149 --> 01:31:29,360

willing to chat about her particular um

2479

01:31:38,550 --> 01:31:36,709

let's be great man natasha dominguez i

2480

01:31:40,310 --> 01:31:38,560

know you're watching this i assume you

2481

01:31:41,350 --> 01:31:40,320

tweeted her the link right or you sent

2482

01:31:44,229 --> 01:31:41,360

her the link

2483

01:31:45,350 --> 01:31:44,239

i haven't but i will or you can okay

2484

01:31:47,750 --> 01:31:45,360

natasha

2485

01:31:50,070 --> 01:31:47,760

girl come on next time with carlene

2486

01:31:51,350 --> 01:31:50,080

we're gonna break it down um

2487

01:31:53,110 --> 01:31:51,360

right now i have a little bit of a

2488

01:31:56,470 --> 01:31:53,120

somber note nathan's helped us out for

2489

01:31:59,669 --> 01:31:56,480

me i found out uh tonight uh post

2490

01:32:02,550 --> 01:31:59,679

teaching yoga i was checking in with uh

2491

01:32:04,310 --> 01:32:02,560

ironically checking in with my college

2492

01:32:08,470 --> 01:32:04,320

uh teammates

2493

01:32:10,149 --> 01:32:08,480

from dean football 1985 86 football team

2494

01:32:11,430 --> 01:32:10,159

and we're having a reunion this month so

2495

01:32:12,709 --> 01:32:11,440

i was like hey guys you know what's

2496

01:32:15,510 --> 01:32:12,719

going on

2497

01:32:17,590 --> 01:32:15,520

and um i was checking in with one guy

2498

01:32:19,189 --> 01:32:17,600

and then when i finished yoga class and

2499

01:32:22,629 --> 01:32:19,199

i looked at my phone

2500

01:32:23,990 --> 01:32:22,639

there was a message that one of them

2501
01:32:26,629 --> 01:32:24,000
died today

2502
01:32:28,870 --> 01:32:26,639
so and he was part of our 10-person chat

2503
01:32:30,229 --> 01:32:28,880
that's going going to reunite on the

2504
01:32:32,870 --> 01:32:30,239
24th so

2505
01:32:34,629 --> 01:32:32,880
uh please uh r.i.p

2506
01:32:37,990 --> 01:32:34,639
dean football's number nine the

2507
01:32:38,950 --> 01:32:38,000
all-american from 1986 mark hanson

2508
01:32:43,590 --> 01:32:38,960
um

2509
01:32:45,990 --> 01:32:43,600
you won't be forgotten you're uh an

2510
01:32:48,950 --> 01:32:46,000
inspiration to scrub like me

2511
01:32:50,070 --> 01:32:48,960
so uh thank you very much and uh for

2512
01:32:52,550 --> 01:32:50,080
carlene

2513
01:32:54,950 --> 01:32:52,560

nathan this is dj

2514

01:32:56,070 --> 01:32:54,960

for calling all beings saying peace out
