***Calling All Beings***

1  
00:00:05,670 --> 00:00:02,950  
and welcome back people to calling all

2  
00:00:08,629 --> 00:00:05,680  
beings i'm your host dj san marco here

3  
00:00:10,629 --> 00:00:08,639  
on a thursday night with my vacationing

4  
00:00:12,310 --> 00:00:10,639  
co-host is back

5  
00:00:14,390 --> 00:00:12,320  
the man you know the man that you're

6  
00:00:17,029 --> 00:00:14,400  
gonna see his pretty face

7  
00:00:20,870 --> 00:00:17,039  
for the first time party people put your

8  
00:00:23,029 --> 00:00:20,880  
hands together for nathan a wave soul

9  
00:00:25,109 --> 00:00:23,039  
what's up everybody

10  
00:00:27,750 --> 00:00:25,119  
man it is good to have you back nathan

11  
00:00:29,589 --> 00:00:27,760  
um my sounding board was gone so i would

12  
00:00:31,109 --> 00:00:29,599  
make a sound but it wouldn't come back

13  
00:00:32,950 --> 00:00:31,119

it's like yelling into a cave and

14

00:00:35,030 --> 00:00:32,960

there's no echo it's terrible

15

00:00:36,150 --> 00:00:35,040

we'll get there but but you know what i

16

00:00:38,310 --> 00:00:36,160

want to say

17

00:00:40,869 --> 00:00:38,320

is one of the cool things about ufo

18

00:00:42,549 --> 00:00:40,879

twitter is that you meet and and my

19

00:00:44,389 --> 00:00:42,559

friend that's about to join us here in a

20

00:00:46,150 --> 00:00:44,399

second our special guest

21

00:00:47,830 --> 00:00:46,160

um

22

00:00:50,069 --> 00:00:47,840

you meet these interesting people and

23

00:00:52,709 --> 00:00:50,079

you have conversations and i don't know

24

00:00:54,950 --> 00:00:52,719

that there are other sections of twitter

25

00:00:56,150 --> 00:00:54,960

that are necessarily like that

26

00:00:58,470 --> 00:00:56,160

and

27

00:01:00,869 --> 00:00:58,480

uh so i met uh lampe talking about

28

00:01:04,070 --> 00:01:00,879

anjali because she posted a whole bunch

29

00:01:05,750 --> 00:01:04,080

of uh basically uh i think it was a

30

00:01:07,750 --> 00:01:05,760

transcript of something i'm get her to

31

00:01:10,230 --> 00:01:07,760

remind me because now i forgot but we

32

00:01:12,390 --> 00:01:10,240

ended up having a great conversation and

33

00:01:15,109 --> 00:01:12,400

so i said you know what i'd really like

34

00:01:16,390 --> 00:01:15,119

to have you on tonight and talk so party

35

00:01:18,950 --> 00:01:16,400

people

36

00:01:23,429 --> 00:01:18,960

put your hands together

37

00:01:27,830 --> 00:01:24,630

hello

38

00:01:30,310 --> 00:01:27,840

um yeah the thread i made was basically

39

00:01:33,109 --> 00:01:30,320

just like um a compilation of all the

40

00:01:36,069 --> 00:01:33,119

links that you'd need to get caught up

41

00:01:38,149 --> 00:01:36,079

on the drama because by then there was a

42

00:01:39,670 --> 00:01:38,159

lot of it and there has only been more

43

00:01:41,590 --> 00:01:39,680

sense but

44

00:01:43,429 --> 00:01:41,600

new people are coming into uf oh twitter

45

00:01:47,190 --> 00:01:43,439

every day and even people who are

46

00:01:49,670 --> 00:01:47,200

regulars like aren't on constantly so

47

00:01:52,310 --> 00:01:49,680

things move fast and people really need

48

00:01:53,590 --> 00:01:52,320

a way to catch up on everything

49

00:01:56,069 --> 00:01:53,600

absolutely

50

00:01:57,590 --> 00:01:56,079

are there cooler glasses on ufo twitter

51  
00:01:59,109 --> 00:01:57,600  
than what you're wearing right now i

52  
00:02:01,030 --> 00:01:59,119  
don't think there is

53  
00:02:04,550 --> 00:02:01,040  
i mean i'm putting out a challenge if

54  
00:02:09,350 --> 00:02:06,389  
until then i'm declaring myself a

55  
00:02:10,949 --> 00:02:09,360  
champion i love it natasha dominguez

56  
00:02:12,710 --> 00:02:10,959  
check it out next time you're on the

57  
00:02:17,110 --> 00:02:12,720  
show you're gonna have to up your game

58  
00:02:18,150 --> 00:02:17,120  
girlfriend all right anyway um so

59  
00:02:20,150 --> 00:02:18,160  
you know

60  
00:02:22,710 --> 00:02:20,160  
there are a lot of interesting people

61  
00:02:25,430 --> 00:02:22,720  
today i actually heard somebody

62  
00:02:27,190 --> 00:02:25,440  
who was asking

63  
00:02:29,510 --> 00:02:27,200

asking anjali

64

00:02:31,110 --> 00:02:29,520

uh if she would go on the stephen

65

00:02:33,990 --> 00:02:31,120

somebody show

66

00:02:37,030 --> 00:02:34,000

and answer hardball questions and from

67

00:02:40,229 --> 00:02:37,040

reading his tweet he sounded like a

68

00:02:42,390 --> 00:02:40,239

breathless petulant child

69

00:02:43,110 --> 00:02:42,400

and it's like oh you think if she goes

70

00:02:46,710 --> 00:02:43,120

on

71

00:02:48,790 --> 00:02:46,720

stephen kisses show the hardball tough

72

00:02:50,390 --> 00:02:48,800

guy do you think she's gonna answer

73

00:02:52,070 --> 00:02:50,400

something different than what she

74

00:02:54,150 --> 00:02:52,080

answered what's he going to ask her that

75

00:02:55,750 --> 00:02:54,160

she's going to say differently

76

00:02:57,830 --> 00:02:55,760

what he's going to say i don't i don't

77

00:02:58,949 --> 00:02:57,840

believe you you're a liar like what is

78

00:02:59,750 --> 00:02:58,959

he going to say

79

00:03:01,350 --> 00:02:59,760

that's

80

00:03:03,270 --> 00:03:01,360

what right

81

00:03:05,350 --> 00:03:03,280

so talk to me

82

00:03:08,070 --> 00:03:05,360

yeah i don't know um

83

00:03:10,309 --> 00:03:08,080

i know that a lot of people are getting

84

00:03:12,550 --> 00:03:10,319

like there's always been skepticism of

85

00:03:14,949 --> 00:03:12,560

anjali but i feel like it's just only

86

00:03:17,589 --> 00:03:14,959

been ramping up since about a week after

87

00:03:19,990 --> 00:03:17,599

the press conference because people are

88

00:03:21,830 --> 00:03:20,000

wanting to know when she's going out to

89

00:03:24,229 --> 00:03:21,840

the desert and who the team is going to

90

00:03:26,470 --> 00:03:24,239

be and um

91

00:03:28,710 --> 00:03:26,480

so i understand the frustration but

92

00:03:30,229 --> 00:03:28,720

you're right people can be a little bit

93

00:03:33,190 --> 00:03:30,239

mean about it

94

00:03:34,949 --> 00:03:33,200

like i gave a very respectful response

95

00:03:36,949 --> 00:03:34,959

and that guy like blocked me or

96

00:03:38,470 --> 00:03:36,959

something and it's like i just i said

97

00:03:41,750 --> 00:03:38,480

look you know you're gonna know and

98

00:03:43,430 --> 00:03:41,760

she'll she she'll uh broadcast it uh

99

00:03:45,430 --> 00:03:43,440

probably after the fact you're not gonna

100

00:03:46,789 --> 00:03:45,440

know that she's going when she's going

101  
00:03:48,470 --> 00:03:46,799  
she's going to tell the appropriate

102  
00:03:50,070 --> 00:03:48,480  
people she's going to go and then when

103  
00:03:52,550 --> 00:03:50,080  
she comes back she'll report her

104  
00:03:54,309 --> 00:03:52,560  
findings what would be the point of them

105  
00:03:55,670 --> 00:03:54,319  
telling people ahead of time so that you

106  
00:03:58,869 --> 00:03:55,680  
can have people out on the road with

107  
00:04:01,190 --> 00:03:58,879  
binoculars and be nuts

108  
00:04:03,509 --> 00:04:01,200  
yeah um well i know that she did say

109  
00:04:05,350 --> 00:04:03,519  
that she was going to do a poll on ufo

110  
00:04:07,350 --> 00:04:05,360  
twitter where we could nominate someone

111  
00:04:09,030 --> 00:04:07,360  
to go which i don't know if she's still

112  
00:04:11,270 --> 00:04:09,040  
gonna do that but i hope she does

113  
00:04:14,000 --> 00:04:11,280

because i'm very interested to see who

114

00:04:17,110 --> 00:04:14,010

would get picked

115

00:04:19,670 --> 00:04:17,120

[Laughter]

116

00:04:21,270 --> 00:04:19,680

yeah yeah i mean i i think she

117

00:04:24,390 --> 00:04:21,280

definitely needs i mean she needs it

118

00:04:26,070 --> 00:04:24,400

honestly and we can get into this uh i

119

00:04:27,749 --> 00:04:26,080

think we could actually get into that

120

00:04:29,510 --> 00:04:27,759

discussion later the first thing i

121

00:04:31,830 --> 00:04:29,520

really wanted to ask you lampy and i've

122

00:04:33,189 --> 00:04:31,840

scripted out all these questions which

123

00:04:33,990 --> 00:04:33,199

is to say one

124

00:04:34,870 --> 00:04:34,000

um

125

00:04:37,990 --> 00:04:34,880

is

126

00:04:39,749 --> 00:04:38,000

what me nathan loves it because he he

127

00:04:41,990 --> 00:04:39,759

studied for class you know i'm

128

00:04:42,870 --> 00:04:42,000

extemporaneous you know when i do this

129

00:04:46,070 --> 00:04:42,880

um

130

00:04:47,670 --> 00:04:46,080

so what made you go to the anjali press

131

00:04:49,830 --> 00:04:47,680

conference in the first place what drew

132

00:04:51,749 --> 00:04:49,840

you to that particular event

133

00:04:54,150 --> 00:04:51,759

so i was kind of late to the anjali

134

00:04:56,150 --> 00:04:54,160

party like um a lot of people have been

135

00:04:58,550 --> 00:04:56,160

following her on twitter and on reddit

136

00:05:01,909 --> 00:04:58,560

since she first appeared back in march

137

00:05:05,510 --> 00:05:01,919

2012 2021 but i didn't hear about her

138

00:05:07,430 --> 00:05:05,520

until like the end of july because um

139

00:05:10,469 --> 00:05:07,440

actually one of the skeptical accounts

140

00:05:12,390 --> 00:05:10,479

that i follow retweeted her announcement

141

00:05:14,469 --> 00:05:12,400

of the press conference and was like is

142

00:05:16,469 --> 00:05:14,479

there anyone in the dc area who's going

143

00:05:19,909 --> 00:05:16,479

to cover this and i was like i'm in the

144

00:05:22,150 --> 00:05:19,919

dc area i could go that that sounds cool

145

00:05:25,990 --> 00:05:22,160

like at that point i didn't

146

00:05:28,070 --> 00:05:26,000

have any opinions on her and like i i

147

00:05:30,469 --> 00:05:28,080

went and read her first reddit post but

148

00:05:32,310 --> 00:05:30,479

i hadn't gone very deep down the rabbit

149

00:05:35,270 --> 00:05:32,320

hole i just thought i was in the area

150

00:05:36,790 --> 00:05:35,280

it's gonna be a nice august day um

151

00:05:39,749 --> 00:05:36,800

whether she's telling the truth or

152

00:05:41,350 --> 00:05:39,759

whether she's starting a cult or what

153

00:05:44,070 --> 00:05:41,360

whether this is a style like whatever is

154

00:05:48,469 --> 00:05:44,080

going on it's not going to be boring so

155

00:05:50,550 --> 00:05:48,479

like why not um so i went down there and

156

00:05:52,629 --> 00:05:50,560

it ended up that

157

00:05:54,390 --> 00:05:52,639

she did end up posting her live stream

158

00:05:56,550 --> 00:05:54,400

eventually but at the time she was a

159

00:05:59,029 --> 00:05:56,560

little late getting that started so a

160

00:06:01,749 --> 00:05:59,039

lot of people were really eager to see

161

00:06:03,909 --> 00:06:01,759

what was going on and started following

162

00:06:07,749 --> 00:06:03,919

the thread i made after getting there so

163

00:06:10,950 --> 00:06:07,759

that was very exciting um and yeah yeah

164

00:06:12,790 --> 00:06:10,960

yeah yeah that's how i i had heard of uh

165

00:06:14,629 --> 00:06:12,800

i had heard her name and heard something

166

00:06:16,790 --> 00:06:14,639

tangentially about the story but i

167

00:06:19,189 --> 00:06:16,800

didn't really know uh

168

00:06:21,510 --> 00:06:19,199

anything i i hadn't delved into it

169

00:06:23,990 --> 00:06:21,520

whatsoever until after reading your post

170

00:06:26,230 --> 00:06:24,000

so that was my entryway into the

171

00:06:27,430 --> 00:06:26,240

phenomenon that has become anjali about

172

00:06:32,469 --> 00:06:27,440

the phenomenon

173

00:06:34,790 --> 00:06:32,479

then uh and then i you know i found her

174

00:06:37,270 --> 00:06:34,800

to be a very credible person

175

00:06:38,629 --> 00:06:37,280

uh and you know i

176  
00:06:40,629 --> 00:06:38,639  
you know what i'm gonna let i'm gonna

177  
00:06:43,270 --> 00:06:40,639  
let nathan have it now i mean i i find

178  
00:06:45,430 --> 00:06:43,280  
like i feel like you're you know you're

179  
00:06:47,590 --> 00:06:45,440  
holding a healthy bit of skepticism here

180  
00:06:50,790 --> 00:06:47,600  
as uh am i right

181  
00:06:52,550 --> 00:06:50,800  
yeah i i think that that's fair

182  
00:06:55,430 --> 00:06:52,560  
okay nathan

183  
00:06:57,830 --> 00:06:55,440  
go for it yeah all right yeah so um

184  
00:07:01,110 --> 00:06:57,840  
where to begin all right so i think uh

185  
00:07:04,150 --> 00:07:01,120  
what i'm interested in is uh

186  
00:07:07,270 --> 00:07:04,160  
where this story intersects with the

187  
00:07:08,390 --> 00:07:07,280  
ufo twitter verse uh you know broadly

188  
00:07:10,390 --> 00:07:08,400

right so

189

00:07:13,670 --> 00:07:10,400

uh i i know you've been kind of

190

00:07:15,270 --> 00:07:13,680

following along uh in ufo twitter since

191

00:07:16,629 --> 00:07:15,280

i think last year that's what looked

192

00:07:19,350 --> 00:07:16,639

like you joined

193

00:07:21,670 --> 00:07:19,360

twitter based on your profile um

194

00:07:23,510 --> 00:07:21,680

and you know i'm curious kind of what

195

00:07:25,670 --> 00:07:23,520

what caused you to to kind of jump into

196

00:07:27,270 --> 00:07:25,680

that space uh you know if you don't mind

197

00:07:28,870 --> 00:07:27,280

me asking was was this kind of your

198

00:07:30,550 --> 00:07:28,880

first twitter account second twitter

199

00:07:32,230 --> 00:07:30,560

account i'm asking because

200

00:07:33,830 --> 00:07:32,240

it wasn't my first twitter account that

201

00:07:36,150 --> 00:07:33,840

i dedicated to

202

00:07:38,870 --> 00:07:36,160

ufo twitter so curious kind of what got

203

00:07:42,309 --> 00:07:38,880

you into the space and uh what kept you

204

00:07:44,390 --> 00:07:42,319

coming back to the ufo twitterverse

205

00:07:46,710 --> 00:07:44,400

yeah so it wasn't my first twitter

206

00:07:48,550 --> 00:07:46,720

account period but it was my first ufo

207

00:07:52,070 --> 00:07:48,560

twitter account um

208

00:07:53,830 --> 00:07:52,080

basically i started getting back into

209

00:07:56,629 --> 00:07:53,840

ufos uh

210

00:07:59,350 --> 00:07:56,639

late 2019 early 2020. like i was very

211

00:08:02,150 --> 00:07:59,360

interested in ufos and aliens when i was

212

00:08:05,189 --> 00:08:02,160

a kid and then just sort of

213

00:08:07,830 --> 00:08:05,199

got away from it as i got older and then

214

00:08:09,670 --> 00:08:07,840

a couple years ago i had

215

00:08:11,510 --> 00:08:09,680

i just finished up my studies i got a

216

00:08:12,950 --> 00:08:11,520

job i moved to a new apartment and i'd

217

00:08:15,670 --> 00:08:12,960

sort of like

218

00:08:18,390 --> 00:08:15,680

hit all of the adulting milestones and

219

00:08:22,950 --> 00:08:18,400

was now like okay what what do i want to

220

00:08:24,309 --> 00:08:22,960

do for fun again and so uh i started

221

00:08:25,990 --> 00:08:24,319

like sort of

222

00:08:27,670 --> 00:08:26,000

rediscovering what my goals were and one

223

00:08:30,390 --> 00:08:27,680

of them was that i wanted to write a

224

00:08:31,909 --> 00:08:30,400

novel and then i was like well what am i

225

00:08:34,310 --> 00:08:31,919

going to write my novel about all about

226

00:08:35,909 --> 00:08:34,320

aliens you used to like aliens so

227

00:08:39,029 --> 00:08:35,919

so yeah i started writing this novel in

228

00:08:42,469 --> 00:08:39,039

2019 and at the same time i started sort

229

00:08:45,269 --> 00:08:42,479

of getting back into reading about ufos

230

00:08:48,150 --> 00:08:45,279

and aliens and alien abductions and as

231

00:08:50,550 --> 00:08:48,160

part of that i discovered ufo twitter

232

00:08:52,630 --> 00:08:50,560

and when i first made my account back in

233

00:08:54,389 --> 00:08:52,640

october 2020 it was

234

00:08:56,630 --> 00:08:54,399

solely for

235

00:08:58,470 --> 00:08:56,640

like lurking purposes like i did not

236

00:09:02,230 --> 00:08:58,480

have any intention of engaging with

237

00:09:04,550 --> 00:09:02,240

anybody or tweeting because um like

238

00:09:06,949 --> 00:09:04,560

i had a very negative opinion of twitter

239

00:09:08,230 --> 00:09:06,959

and the drama that ensues there so my

240

00:09:10,389 --> 00:09:08,240

only goal was i'm gonna follow some

241

00:09:12,389 --> 00:09:10,399

people um i can turn scrolling through

242

00:09:14,230 --> 00:09:12,399

social media into something

243

00:09:17,350 --> 00:09:14,240

semi-productive and that's gonna be that

244

00:09:19,829 --> 00:09:17,360

that's why my display name is very

245

00:09:23,269 --> 00:09:19,839

unoriginal that's why my username is

246

00:09:24,870 --> 00:09:23,279

just like a cartoon character um from

247

00:09:26,070 --> 00:09:24,880

the brave little toaster plus the year

248

00:09:28,389 --> 00:09:26,080

of the roswell

249

00:09:30,310 --> 00:09:28,399

like because i did not think that this

250

00:09:33,350 --> 00:09:30,320

was going to be a real twitter account

251  
00:09:35,110 --> 00:09:33,360  
um so i started following people and

252  
00:09:37,190 --> 00:09:35,120  
on ufo twitter as you know there's a

253  
00:09:39,030 --> 00:09:37,200  
very big culture of following back so i

254  
00:09:41,509 --> 00:09:39,040  
started getting followers even though i

255  
00:09:44,389 --> 00:09:41,519  
was not posting anything

256  
00:09:46,230 --> 00:09:44,399  
and uh around the point that my ufo

257  
00:09:48,389 --> 00:09:46,240  
twitter account started having more

258  
00:09:50,710 --> 00:09:48,399  
followers than my real twitter account

259  
00:09:51,910 --> 00:09:50,720  
even though i had literally never said

260  
00:09:53,590 --> 00:09:51,920  
anything i

261  
00:09:59,750 --> 00:09:53,600  
started to

262  
00:10:01,509 --> 00:09:59,760  
just became very fun i met really neat

263  
00:10:04,069 --> 00:10:01,519

people i

264

00:10:06,550 --> 00:10:04,079

i thought that the discussions were very

265

00:10:08,710 --> 00:10:06,560

interesting and i've just sort of gotten

266

00:10:09,990 --> 00:10:08,720

deeper and deeper into it over the past

267

00:10:11,590 --> 00:10:10,000

year

268

00:10:13,670 --> 00:10:11,600

that's awesome yeah and i feel like

269

00:10:15,350 --> 00:10:13,680

that's a pro probably a pretty common

270

00:10:18,230 --> 00:10:15,360

experience uh

271

00:10:19,750 --> 00:10:18,240

in terms of folks that take that path

272

00:10:21,110 --> 00:10:19,760

and then they kind of take another step

273

00:10:22,870 --> 00:10:21,120

another step and all of a sudden they

274

00:10:24,790 --> 00:10:22,880

find themselves in this village of

275

00:10:26,710 --> 00:10:24,800

people that they kind of like hanging

276

00:10:28,550 --> 00:10:26,720

out with and that that's certainly been

277

00:10:30,470 --> 00:10:28,560

my experience as well

278

00:10:34,630 --> 00:10:30,480

um you know for all of the kind of

279

00:10:35,670 --> 00:10:34,640

follows that you have in in ufo twitter

280

00:10:37,990 --> 00:10:35,680

um

281

00:10:40,389 --> 00:10:38,000

you know how would you describe

282

00:10:43,190 --> 00:10:40,399

that the spectrum that that you followed

283

00:10:45,829 --> 00:10:43,200

you try to follow a broad spectrum of

284

00:10:48,630 --> 00:10:45,839

folks in this space do you try to follow

285

00:10:50,550 --> 00:10:48,640

folks that kind of lean more toward the

286

00:10:52,710 --> 00:10:50,560

nuts and bolts side or more toward the

287

00:10:54,630 --> 00:10:52,720

experiencer side or you know other

288

00:10:57,190 --> 00:10:54,640

aspects you know what what kind of

289

00:10:59,590 --> 00:10:57,200

population do you do you keep

290

00:11:01,190 --> 00:10:59,600

i try to follow a diverse number of

291

00:11:03,350 --> 00:11:01,200

accounts i follow some people who are

292

00:11:05,509 --> 00:11:03,360

more nuts and bolts i follow people who

293

00:11:08,069 --> 00:11:05,519

are more on sort of the spiritual side

294

00:11:10,710 --> 00:11:08,079

um i follow people who just are sort of

295

00:11:13,190 --> 00:11:10,720

hanging out and seem like neat people i

296

00:11:15,750 --> 00:11:13,200

follow skeptics i follow basically

297

00:11:17,910 --> 00:11:15,760

everyone my only real criteria is like

298

00:11:20,069 --> 00:11:17,920

if the posts if if the things they tweet

299

00:11:22,550 --> 00:11:20,079

look interesting and if they don't seem

300

00:11:25,030 --> 00:11:22,560

like a massive jerk um

301

00:11:27,110 --> 00:11:25,040

then that's that's pretty much my only

302

00:11:29,110 --> 00:11:27,120

criteria for who i will follow

303

00:11:33,430 --> 00:11:29,120

lampe would i be more in the category of

304

00:11:37,030 --> 00:11:35,430

do you really want me to answer that

305

00:11:41,990 --> 00:11:37,040

probably not probably not let's let's

306

00:11:45,670 --> 00:11:43,350

yeah

307

00:11:47,269 --> 00:11:45,680

go ahead go ahead well no i mean i i'm

308

00:11:49,750 --> 00:11:47,279

just trying to figure out what is the

309

00:11:52,069 --> 00:11:49,760

area i think another way of phrasing

310

00:11:54,389 --> 00:11:52,079

nathan's question is is there something

311

00:11:57,110 --> 00:11:54,399

that's more fascinating aspect of this

312

00:11:58,470 --> 00:11:57,120

more so than the other and that may be

313

00:11:59,829 --> 00:11:58,480

what you're going to write about in your

314

00:12:01,509 --> 00:11:59,839

book or maybe

315

00:12:02,870 --> 00:12:01,519

well i would assume it would have to be

316

00:12:05,350 --> 00:12:02,880

what you're writing about in your book

317

00:12:06,870 --> 00:12:05,360

the aspect of it what aspect is most

318

00:12:09,110 --> 00:12:06,880

interesting

319

00:12:11,750 --> 00:12:09,120

um yeah so when i came in like i was

320

00:12:13,829 --> 00:12:11,760

pretty much exclusively focused on um

321

00:12:15,750 --> 00:12:13,839

the extraterrestrial hypothesis and

322

00:12:17,430 --> 00:12:15,760

aliens specifically alien abductions

323

00:12:20,310 --> 00:12:17,440

because that's that's what's in my book

324

00:12:21,750 --> 00:12:20,320

and i think i just aliens i think are

325

00:12:23,269 --> 00:12:21,760

neat and

326

00:12:25,030 --> 00:12:23,279

that that that's not terribly

327

00:12:26,230 --> 00:12:25,040

intellectual of me to say but that's

328

00:12:28,550 --> 00:12:26,240

that's it

329

00:12:31,190 --> 00:12:28,560

aliens are cool so i wanted to look up

330

00:12:34,710 --> 00:12:31,200

stuff related to aliens but i think that

331

00:12:37,590 --> 00:12:34,720

having been in the space for the past

332

00:12:40,470 --> 00:12:37,600

year has made me sort of more open to

333

00:12:42,870 --> 00:12:40,480

and interested in alternative hypotheses

334

00:12:45,350 --> 00:12:42,880

about the phenomenon and just sort of

335

00:12:47,110 --> 00:12:45,360

different aspects of this subject so

336

00:12:49,829 --> 00:12:47,120

yeah it's been an interesting experience

337

00:12:52,710 --> 00:12:49,839

so the the whole aspect of the ocean

338

00:12:54,470 --> 00:12:52,720

and the fact that uh there's you know at

339

00:12:57,350 --> 00:12:54,480

least some evidence

340

00:12:59,030 --> 00:12:57,360

that uh that maybe they're already here

341

00:13:01,829 --> 00:12:59,040

or were here

342

00:13:04,389 --> 00:13:01,839

before us and or are revealing

343

00:13:06,470 --> 00:13:04,399

themselves now due to things they see

344

00:13:09,670 --> 00:13:06,480

happening in the natural environment

345

00:13:13,110 --> 00:13:09,680

uh geopolitically perhaps with nukes um

346

00:13:14,310 --> 00:13:13,120

do you is that what changed your mind

347

00:13:16,310 --> 00:13:14,320

um

348

00:13:18,310 --> 00:13:16,320

i don't know if it's that specifically i

349

00:13:21,030 --> 00:13:18,320

think more what has changed my mind is

350

00:13:23,750 --> 00:13:21,040

sort of seeing people talk about like

351

00:13:27,350 --> 00:13:23,760

the theory that um sort of the

352

00:13:29,990 --> 00:13:27,360

phenomenon we're seeing now is the same

353

00:13:32,230 --> 00:13:30,000

as what has been behind like various

354

00:13:35,350 --> 00:13:32,240

weird stuff that we have seen throughout

355

00:13:37,829 --> 00:13:35,360

history and that just sort of the

356

00:13:40,710 --> 00:13:37,839

explanations we come up for it are

357

00:13:42,389 --> 00:13:40,720

different depending on our culture

358

00:13:44,949 --> 00:13:42,399

but um

359

00:13:47,910 --> 00:13:44,959

but i do find that the um

360

00:13:49,670 --> 00:13:47,920

the stuff of the uso stuff interesting

361

00:13:52,949 --> 00:13:49,680

um

362

00:13:54,069 --> 00:13:52,959

yeah i mean that blew my mind like i i

363

00:13:56,230 --> 00:13:54,079

did not

364

00:13:57,430 --> 00:13:56,240

have in my mind ever

365

00:13:59,350 --> 00:13:57,440

until

366

00:14:01,670 --> 00:13:59,360

i don't know like lou elizondo started

367

00:14:03,590 --> 00:14:01,680

talking about it oh wow these things are

368

00:14:06,150 --> 00:14:03,600

coming out of the water

369

00:14:08,310 --> 00:14:06,160

and then dave fravor recounted that

370

00:14:10,550 --> 00:14:08,320

uh one of the navy divers that was

371

00:14:12,230 --> 00:14:10,560

grabbing up a torpedo and trying to pull

372

00:14:13,430 --> 00:14:12,240

it up with a helicopter had seen

373

00:14:14,310 --> 00:14:13,440

something

374

00:14:15,110 --> 00:14:14,320

um

375

00:14:16,870 --> 00:14:15,120

so

376

00:14:18,870 --> 00:14:16,880

that really blew my mind because i had

377

00:14:21,030 --> 00:14:18,880

never thought i'd always thought in

378

00:14:23,110 --> 00:14:21,040

terms of extraterrestrial coming from

379

00:14:24,710 --> 00:14:23,120

other planets and now there's some

380

00:14:25,829 --> 00:14:24,720

evidence that that's not the case so we

381

00:14:27,269 --> 00:14:25,839

have to look at

382

00:14:28,710 --> 00:14:27,279

that there's both

383

00:14:33,350 --> 00:14:28,720

and

384

00:14:35,030 --> 00:14:33,360

about the fact that there's uh some

385

00:14:35,829 --> 00:14:35,040

beings that are quite

386

00:14:38,069 --> 00:14:35,839

uh

387

00:14:40,470 --> 00:14:38,079

looking to be friendly toward us looking

388

00:14:42,069 --> 00:14:40,480

to help us transcend and those four

389

00:14:44,389 --> 00:14:42,079

she was talking about that aren't

390

00:14:46,710 --> 00:14:44,399

friendly you remember hearing about that

391

00:14:47,990 --> 00:14:46,720

yeah i do remember that um

392

00:14:50,710 --> 00:14:48,000

kind of surprised that there isn't more

393

00:14:53,189 --> 00:14:50,720

talk about that actually seems like

394

00:14:56,230 --> 00:14:53,199

might be important if that's something

395

00:14:59,030 --> 00:14:56,240

that's going on um you think

396

00:15:01,590 --> 00:14:59,040

yeah yeah it's uh we i find that at

397

00:15:04,629 --> 00:15:01,600

least in the folks that i follow the

398

00:15:06,550 --> 00:15:04,639

focus generally is more on the positive

399

00:15:08,310 --> 00:15:06,560

aspects of it you know that there is

400

00:15:11,030 --> 00:15:08,320

more of the hopeful

401  
00:15:14,150 --> 00:15:11,040  
um you know kind of salvific quality

402  
00:15:15,269 --> 00:15:14,160  
that that ufos represent

403  
00:15:17,430 --> 00:15:15,279  
to people

404  
00:15:18,710 --> 00:15:17,440  
and yeah it may not be

405  
00:15:20,389 --> 00:15:18,720  
all that great

406  
00:15:21,990 --> 00:15:20,399  
if uh if we really look at every

407  
00:15:23,910 --> 00:15:22,000  
different aspect of it and i find that

408  
00:15:25,670 --> 00:15:23,920  
that voice tends to kind of get drowned

409  
00:15:27,189 --> 00:15:25,680  
out a little bit too there are folks who

410  
00:15:29,910 --> 00:15:27,199  
do bring it up

411  
00:15:31,590 --> 00:15:29,920  
uh but they seem to get uh outnumbered

412  
00:15:33,350 --> 00:15:31,600  
quite a bit from

413  
00:15:35,670 --> 00:15:33,360

the uh the love and light crowd if you

414

00:15:38,150 --> 00:15:35,680

will well but if if we're objective

415

00:15:41,189 --> 00:15:38,160

about it even anjali who would count

416

00:15:43,430 --> 00:15:41,199

herself among that also said

417

00:15:45,749 --> 00:15:43,440

they told her there are ones that are

418

00:15:47,749 --> 00:15:45,759

not friendly so there's a person who is

419

00:15:50,870 --> 00:15:47,759

spreading as much love and light as

420

00:15:52,310 --> 00:15:50,880

possible that's coming from yoga teacher

421

00:15:54,389 --> 00:15:52,320

um

422

00:15:56,150 --> 00:15:54,399

you know is also saying that there are

423

00:15:57,829 --> 00:15:56,160

beings that she was told that are not

424

00:15:58,629 --> 00:15:57,839

friendly so if people don't want to buy

425

00:16:00,629 --> 00:15:58,639

that

426

00:16:02,470 --> 00:16:00,639

and they believe her but then they don't

427

00:16:05,829 --> 00:16:02,480

want to take they want to just like

428

00:16:08,389 --> 00:16:05,839

excise that sliver of it out i mean

429

00:16:10,310 --> 00:16:08,399

to be honest you know i i get you know

430

00:16:13,189 --> 00:16:10,320

you you you hate you know i don't want

431

00:16:15,829 --> 00:16:13,199

this podcast to be like a continuous

432

00:16:18,069 --> 00:16:15,839

refrain of luis elizondo and anjali

433

00:16:19,110 --> 00:16:18,079

although it probably will be but but i

434

00:16:24,389 --> 00:16:19,120

like

435

00:16:26,629 --> 00:16:24,399

when he oh look at that now that's class

436

00:16:28,389 --> 00:16:26,639

right there girlfriend man put the

437

00:16:29,670 --> 00:16:28,399

camera back no i'm just kidding doing it

438

00:16:37,110 --> 00:16:29,680

right

439

00:16:39,990 --> 00:16:37,120

over a stomach problem yeah cocktails

440

00:16:42,550 --> 00:16:40,000

yeah no this is my first uh live podcast

441

00:16:44,550 --> 00:16:42,560

recording so i need an excuse if i say

442

00:16:47,110 --> 00:16:44,560

something stupid there you go hey you

443

00:16:49,430 --> 00:16:47,120

know what i've been doing it for since

444

00:16:51,590 --> 00:16:49,440

2010 i've been saying things stupid on

445

00:16:53,269 --> 00:16:51,600

air and i'm still here

446

00:16:57,670 --> 00:16:53,279

um

447

00:16:59,670 --> 00:16:57,680

but yeah i i like that luis says all

448

00:17:00,470 --> 00:16:59,680

things you know you have to say this is

449

00:17:03,670 --> 00:17:00,480

not

450

00:17:05,270 --> 00:17:03,680

an existential threat but if you say it

451  
00:17:06,949 --> 00:17:05,280  
it can't be

452  
00:17:08,789 --> 00:17:06,959  
because they have the power to destroy

453  
00:17:11,270 --> 00:17:08,799  
us then i i'm sorry i would have to

454  
00:17:14,069 --> 00:17:11,280  
disagree with those people i'm a loving

455  
00:17:17,510 --> 00:17:14,079  
life person i do believe in what anjali

456  
00:17:19,750 --> 00:17:17,520  
said about transcension uh and being

457  
00:17:21,750 --> 00:17:19,760  
better humans to one another

458  
00:17:23,750 --> 00:17:21,760  
and finding a better way to communicate

459  
00:17:25,669 --> 00:17:23,760  
than what we currently use which by the

460  
00:17:26,949 --> 00:17:25,679  
way has devolved from this type of

461  
00:17:29,430 --> 00:17:26,959  
communication

462  
00:17:31,110 --> 00:17:29,440  
of to text there are people that don't

463  
00:17:32,630 --> 00:17:31,120

even want to talk to you now they just

464

00:17:34,070 --> 00:17:32,640

want to text you if you try to call them

465

00:17:34,950 --> 00:17:34,080

they won't answer

466

00:17:36,710 --> 00:17:34,960

so

467

00:17:39,350 --> 00:17:36,720

seriously that's a that's a that's a

468

00:17:42,150 --> 00:17:39,360

devolution of communication not an

469

00:17:44,549 --> 00:17:42,160

expansion or broadening or transcending

470

00:17:46,630 --> 00:17:44,559

of of our of our communication as humans

471

00:17:48,789 --> 00:17:46,640

in my mind so

472

00:17:51,990 --> 00:17:48,799

if you but you have to leave open the

473

00:17:54,470 --> 00:17:52,000

possibility and by the way uh somebody

474

00:17:56,950 --> 00:17:54,480

who who espouses that opinion said it

475

00:17:59,909 --> 00:17:56,960

for for as much

476

00:18:03,750 --> 00:17:59,919

so yeah like i am i definitely think

477

00:18:05,669 --> 00:18:03,760

that asking like are the beings friendly

478

00:18:07,510 --> 00:18:05,679

or not is the wrong question because

479

00:18:09,190 --> 00:18:07,520

like what if they asked us are humans

480

00:18:11,830 --> 00:18:09,200

friendly or not like how would you even

481

00:18:14,710 --> 00:18:11,840

answer that and we're just one species

482

00:18:17,750 --> 00:18:14,720

so i i don't think it makes sense to

483

00:18:20,870 --> 00:18:17,760

think that if they're aliens all of them

484

00:18:22,390 --> 00:18:20,880

are going to be one thing or the other

485

00:18:27,110 --> 00:18:22,400

completely

486

00:18:29,190 --> 00:18:27,120

is is there a an abduction or a contact

487

00:18:30,230 --> 00:18:29,200

narrative from someone that resonates

488

00:18:33,430 --> 00:18:30,240

with you

489

00:18:35,590 --> 00:18:33,440

the most or is there a couple of those

490

00:18:37,669 --> 00:18:35,600

um well i've always found the aerial

491

00:18:40,230 --> 00:18:37,679

school incident absolutely fascinating

492

00:18:42,950 --> 00:18:40,240

just because of just the shared number

493

00:18:46,070 --> 00:18:42,960

of people who were there and who have

494

00:18:49,750 --> 00:18:46,080

maintained the story as they grew up and

495

00:18:52,070 --> 00:18:49,760

years later um i'm really excited for

496

00:18:54,310 --> 00:18:52,080

the um i think it's james fox is making

497

00:18:56,549 --> 00:18:54,320

a documentary about it and um the

498

00:18:58,710 --> 00:18:56,559

phenomena documentary was fantastic and

499

00:19:01,270 --> 00:18:58,720

i'm really excited about this one i

500

00:19:03,029 --> 00:19:01,280

think that a lot of people don't know

501  
00:19:05,270 --> 00:19:03,039  
about this incident because i certainly

502  
00:19:07,270 --> 00:19:05,280  
didn't know about it until i started

503  
00:19:09,830 --> 00:19:07,280  
getting into this subject more and more

504  
00:19:12,630 --> 00:19:09,840  
so i think that once it's mainstream

505  
00:19:14,789 --> 00:19:12,640  
it's going to get a lot of attention

506  
00:19:15,830 --> 00:19:14,799  
right yeah i think that um that aerial

507  
00:19:18,390 --> 00:19:15,840  
school

508  
00:19:20,789 --> 00:19:18,400  
uh piece from his movie the phenomenon

509  
00:19:23,270 --> 00:19:20,799  
that that segment is really what

510  
00:19:25,270 --> 00:19:23,280  
probably humanized the topic the most

511  
00:19:27,830 --> 00:19:25,280  
and and like for folks that were a

512  
00:19:28,789 --> 00:19:27,840  
little bit on the fence on it that one

513  
00:19:30,470 --> 00:19:28,799

story

514

00:19:32,070 --> 00:19:30,480

maybe even more so than the nimitz is

515

00:19:34,710 --> 00:19:32,080

the one that really kind of grabs you

516

00:19:35,430 --> 00:19:34,720

and pulls you in because of how personal

517

00:19:37,830 --> 00:19:35,440

the

518

00:19:39,590 --> 00:19:37,840

that testimony is from those kids and

519

00:19:41,590 --> 00:19:39,600

how dynamic that was so i think that

520

00:19:44,470 --> 00:19:41,600

that's like a there are some of these

521

00:19:47,350 --> 00:19:44,480

sort of gateway cases right that uh

522

00:19:48,950 --> 00:19:47,360

really are very compelling and that draw

523

00:19:51,430 --> 00:19:48,960

you in and maybe draw you in for

524

00:19:54,150 --> 00:19:51,440

different reasons uh so nimitz is a

525

00:19:56,789 --> 00:19:54,160

great example ariel's a great example um

526

00:19:59,190 --> 00:19:56,799

and then we have the uh the experiercer

527

00:20:01,830 --> 00:19:59,200

cases the abduction cases and i know you

528

00:20:03,909 --> 00:20:01,840

did a thread on travis walton i'd love

529

00:20:06,070 --> 00:20:03,919

for you to talk about that a little bit

530

00:20:08,710 --> 00:20:06,080

and two i think i want you to touch on

531

00:20:09,750 --> 00:20:08,720

if you wouldn't mind like as a writer

532

00:20:11,909 --> 00:20:09,760

you know

533

00:20:13,270 --> 00:20:11,919

is a is your approach to twitter and

534

00:20:15,830 --> 00:20:13,280

some of these great threads that you've

535

00:20:17,430 --> 00:20:15,840

compiled is that a drive that you have

536

00:20:20,149 --> 00:20:17,440

because because of the kind of

537

00:20:21,909 --> 00:20:20,159

fragmentary nature of twitter itself to

538

00:20:25,110 --> 00:20:21,919

kind of bring this stuff together and

539

00:20:26,870 --> 00:20:25,120

and make it a little bit more coherent

540

00:20:28,070 --> 00:20:26,880

yeah that's definitely it because like

541

00:20:31,430 --> 00:20:28,080

because like i said

542

00:20:34,630 --> 00:20:31,440

news moves very quickly on twitter and i

543

00:20:36,950 --> 00:20:34,640

have definite i am someone who has to

544

00:20:39,830 --> 00:20:36,960

know what's going on like curiosity will

545

00:20:41,430 --> 00:20:39,840

drive me insane and so i absolutely hate

546

00:20:44,230 --> 00:20:41,440

when i see

547

00:20:46,710 --> 00:20:44,240

a sub tweet and i have to spend the next

548

00:20:49,270 --> 00:20:46,720

three hours like searching every keyword

549

00:20:52,149 --> 00:20:49,280

i can think of like asking my friends

550

00:20:54,310 --> 00:20:52,159

just like being the twitter fbi just so

551

00:20:56,390 --> 00:20:54,320

that i can find out what the gossip is

552

00:20:58,630 --> 00:20:56,400

so anytime that i am in a position where

553

00:21:00,470 --> 00:20:58,640

i see people asking about something and

554

00:21:03,270 --> 00:21:00,480

i know what's going on and it's

555

00:21:06,230 --> 00:21:03,280

something that's like

556

00:21:08,710 --> 00:21:06,240

newsworthy enough that i don't feel like

557

00:21:11,750 --> 00:21:08,720

a gossip brag making a threat about it

558

00:21:14,230 --> 00:21:11,760

then i i'd want to do that i think that

559

00:21:16,390 --> 00:21:14,240

it's it's fun for me and i hope that it

560

00:21:17,510 --> 00:21:16,400

satisfies people's curiosity and saves

561

00:21:19,669 --> 00:21:17,520

them time

562

00:21:21,590 --> 00:21:19,679

um

563

00:21:23,510 --> 00:21:21,600

absolutely i mean well your threads are

564

00:21:25,510 --> 00:21:23,520

super helpful i mean and i find that for

565

00:21:26,870 --> 00:21:25,520

everybody that spends people that that

566

00:21:28,870 --> 00:21:26,880

spend the time

567

00:21:31,270 --> 00:21:28,880

to compile all of this disparate

568

00:21:33,830 --> 00:21:31,280

information into into a format that

569

00:21:36,149 --> 00:21:33,840

people can digest as opposed to like you

570

00:21:38,070 --> 00:21:36,159

said kind of going through the forest of

571

00:21:39,510 --> 00:21:38,080

breadcrumbs that are out there and

572

00:21:41,190 --> 00:21:39,520

trying to make sense of it all i mean

573

00:21:43,350 --> 00:21:41,200

it's a it's a public service quite

574

00:21:45,350 --> 00:21:43,360

frankly so you know thank you thank you

575

00:21:47,110 --> 00:21:45,360

for doing it yeah it's it's also been

576

00:21:48,950 --> 00:21:47,120

really nice to like have sort of found a

577

00:21:50,710 --> 00:21:48,960

way that i can

578

00:21:51,990 --> 00:21:50,720

add to ufo twitter and contribute

579

00:21:55,830 --> 00:21:52,000

something because like i'm not a

580

00:21:57,430 --> 00:21:55,840

researcher i'm not a scientist like i i

581

00:22:00,230 --> 00:21:57,440

some of the stuff that people will talk

582

00:22:02,549 --> 00:22:00,240

about like makes my brain melt like if

583

00:22:05,029 --> 00:22:02,559

like you could ask me now like what the

584

00:22:06,870 --> 00:22:05,039

hell is going on with tsa and i was

585

00:22:08,950 --> 00:22:06,880

like i don't know there's lou and

586

00:22:13,110 --> 00:22:08,960

there's tom delong and like the

587

00:22:16,310 --> 00:22:13,120

government's involved somehow uh but but

588

00:22:17,990 --> 00:22:16,320

but when there are things that i can

589

00:22:20,549 --> 00:22:18,000

write something about that might help

590

00:22:22,070 --> 00:22:20,559

then it makes me feel like i am i am

591

00:22:24,630 --> 00:22:22,080

here for a reason

592

00:22:26,470 --> 00:22:24,640

absolutely yeah like me countering mick

593

00:22:28,630 --> 00:22:26,480

west has turned into like a cottage

594

00:22:30,149 --> 00:22:28,640

industry no i'm just kidding

595

00:22:33,909 --> 00:22:30,159

i forgot how many rounds we were on with

596

00:22:36,549 --> 00:22:33,919

that like round five six you know oh man

597

00:22:37,669 --> 00:22:36,559

i've got my i've got so much i just have

598

00:22:39,750 --> 00:22:37,679

to have

599

00:22:41,909 --> 00:22:39,760

the proper platform and it's like i

600

00:22:43,909 --> 00:22:41,919

would invite him on here but i think it

601  
00:22:46,230 --> 00:22:43,919  
would be rude to invite him on here and

602  
00:22:47,350 --> 00:22:46,240  
then insult him and

603  
00:22:49,510 --> 00:22:47,360  
that's just

604  
00:22:51,750 --> 00:22:49,520  
but and it would he would people would

605  
00:22:53,590 --> 00:22:51,760  
take it as an insult but i want to just

606  
00:22:56,149 --> 00:22:53,600  
say that you know that term when someone

607  
00:22:57,270 --> 00:22:56,159  
says with all due respect and then they

608  
00:23:00,390 --> 00:22:57,280  
insult you

609  
00:23:01,830 --> 00:23:00,400  
but in the truest sense of the word

610  
00:23:04,470 --> 00:23:01,840  
with all

611  
00:23:06,549 --> 00:23:04,480  
due respect to you

612  
00:23:09,750 --> 00:23:06,559  
this is what i think and

613  
00:23:12,630 --> 00:23:09,760

depending upon how you respect others is

614

00:23:13,830 --> 00:23:12,640

the way that i'm going to respect you

615

00:23:15,990 --> 00:23:13,840

so if

616

00:23:17,430 --> 00:23:16,000

mick is talking about

617

00:23:19,510 --> 00:23:17,440

fighter pilots don't know what they're

618

00:23:21,350 --> 00:23:19,520

doing don't know what they're looking at

619

00:23:23,190 --> 00:23:21,360

um i don't think this person flew the

620

00:23:25,270 --> 00:23:23,200

airplane correctly i don't think they

621

00:23:28,149 --> 00:23:25,280

operate their sensor correctly

622

00:23:29,830 --> 00:23:28,159

and i know from aviation background what

623

00:23:32,149 --> 00:23:29,840

it takes to do that and i know i'm not

624

00:23:35,029 --> 00:23:32,159

even on the level of these guys

625

00:23:37,270 --> 00:23:35,039

and then some guy who made video games

626

00:23:40,390 --> 00:23:37,280

is doing that then i think he's not

627

00:23:43,590 --> 00:23:40,400

giving them the respect they're due

628

00:23:44,789 --> 00:23:43,600

so if i say mick with all due respect i

629

00:23:46,870 --> 00:23:44,799

mean that

630

00:23:48,070 --> 00:23:46,880

in that help me phrase this nathan i

631

00:23:49,350 --> 00:23:48,080

mean that in

632

00:23:51,909 --> 00:23:49,360

the most

633

00:23:54,630 --> 00:23:51,919

honest sense of of that phrase very

634

00:23:57,110 --> 00:23:54,640

simple directly very yeah the sincerest

635

00:23:58,630 --> 00:23:57,120

i do mean that if you're disrespecting

636

00:24:00,390 --> 00:23:58,640

them i'm good and i know what your

637

00:24:02,630 --> 00:24:00,400

credentials are i'm going to call those

638

00:24:04,950 --> 00:24:02,640

into question but i'll i'll save the

639

00:24:07,350 --> 00:24:04,960

mick western for later

640

00:24:12,710 --> 00:24:08,549

like

641

00:24:15,110 --> 00:24:12,720

that mick west tends to come across

642

00:24:17,190 --> 00:24:15,120

better when he's either quoted in a long

643

00:24:19,830 --> 00:24:17,200

form article or when he appears on

644

00:24:21,510 --> 00:24:19,840

podcasts like i really do think that

645

00:24:23,510 --> 00:24:21,520

when you are on twitter and when you

646

00:24:25,909 --> 00:24:23,520

were like saying the first thing that

647

00:24:28,070 --> 00:24:25,919

comes to mind in less than 240

648

00:24:30,230 --> 00:24:28,080

characters like you are not your best

649

00:24:32,470 --> 00:24:30,240

self and you are probably actually your

650

00:24:33,669 --> 00:24:32,480

worst self so

651  
00:24:35,669 --> 00:24:33,679  
okay but

652  
00:24:37,510 --> 00:24:35,679  
when you when you say that you're

653  
00:24:41,350 --> 00:24:37,520  
viewing that through the prism of

654  
00:24:44,070 --> 00:24:41,360  
somebody who doesn't know aviation

655  
00:24:46,230 --> 00:24:44,080  
so if he says something and he's really

656  
00:24:48,870 --> 00:24:46,240  
smart like if you're going to say who's

657  
00:24:50,630 --> 00:24:48,880  
smarter mick west or dj mick west is

658  
00:24:52,310 --> 00:24:50,640  
going to be up here and i'm going to be

659  
00:24:55,430 --> 00:24:52,320  
down here but

660  
00:24:57,750 --> 00:24:55,440  
with 4 000 hours of military flying

661  
00:25:00,549 --> 00:24:57,760  
then dj is going to be up here and mick

662  
00:25:02,950 --> 00:25:00,559  
west is going to be down here okay when

663  
00:25:05,269 --> 00:25:02,960

when we're talking about evaluating well

664

00:25:06,390 --> 00:25:05,279

first of all i know enough like if you

665

00:25:09,190 --> 00:25:06,400

said to me

666

00:25:11,190 --> 00:25:09,200

dj what did you think about what chad

667

00:25:14,710 --> 00:25:11,200

underwood or dave fraver or alex

668

00:25:16,470 --> 00:25:14,720

dietrich did i'm gonna say i don't know

669

00:25:18,390 --> 00:25:16,480

because i i wasn't trained in their

670

00:25:20,870 --> 00:25:18,400

mission set i didn't go through the

671

00:25:22,789 --> 00:25:20,880

thousands hours of tactics ground

672

00:25:24,710 --> 00:25:22,799

training flight training past check

673

00:25:26,870 --> 00:25:24,720

rides become an instructor becoming an

674

00:25:28,950 --> 00:25:26,880

evaluator go through top gun all the

675

00:25:31,029 --> 00:25:28,960

things that they did you have no idea

676

00:25:31,990 --> 00:25:31,039

what it takes to do that right

677

00:25:33,430 --> 00:25:32,000

so

678

00:25:34,470 --> 00:25:33,440

but i do

679

00:25:37,510 --> 00:25:34,480

and i

680

00:25:39,909 --> 00:25:37,520

and so when somebody like mick west

681

00:25:42,549 --> 00:25:39,919

the lay person goes wow he's

682

00:25:44,310 --> 00:25:42,559

you know he sounds pretty reasonable yes

683

00:25:46,549 --> 00:25:44,320

because you don't know what it took to

684

00:25:48,549 --> 00:25:46,559

do what they did

685

00:25:51,029 --> 00:25:48,559

but they know that he's a buffoon and

686

00:25:52,710 --> 00:25:51,039

that's why they don't come on air with

687

00:25:54,390 --> 00:25:52,720

them you know dietrich went on and was

688

00:25:57,190 --> 00:25:54,400

very charitable and very friendly with

689

00:25:59,110 --> 00:25:57,200

him and chris lato was too dave fravor

690

00:26:00,789 --> 00:25:59,120

won't be

691

00:26:02,549 --> 00:26:00,799

the guy who does the fighter pilot

692

00:26:05,110 --> 00:26:02,559

podcast on apple

693

00:26:07,190 --> 00:26:05,120

vincent jello aiello i guarantee he's

694

00:26:09,269 --> 00:26:07,200

not going to be and i wouldn't be

695

00:26:11,190 --> 00:26:09,279

because i'm going to say you are not

696

00:26:12,870 --> 00:26:11,200

qualified to critique that person's

697

00:26:15,909 --> 00:26:12,880

flying

698

00:26:17,909 --> 00:26:15,919

none no no qualifications so that's the

699

00:26:19,750 --> 00:26:17,919

respect that you're due for saying that

700

00:26:21,590 --> 00:26:19,760

and there are people out there like

701  
00:26:23,430 --> 00:26:21,600  
lampe who goes oh well you know gee

702  
00:26:26,070 --> 00:26:23,440  
sounds like he's pretty thoughtful and

703  
00:26:28,789 --> 00:26:26,080  
reasonable yes but meanwhile he put out

704  
00:26:31,830 --> 00:26:28,799  
a tweet today with his living room sofa

705  
00:26:33,750 --> 00:26:31,840  
sings i did like that one yeah okay so

706  
00:26:36,230 --> 00:26:33,760  
you're questioning them again

707  
00:26:38,470 --> 00:26:36,240  
when they told you how they identified a

708  
00:26:40,549 --> 00:26:38,480  
white object against a dark blue sea

709  
00:26:42,549 --> 00:26:40,559  
from 20 000 feet that's what they're

710  
00:26:44,070 --> 00:26:42,559  
trained to do it's not what i was

711  
00:26:45,830 --> 00:26:44,080  
trained to do

712  
00:26:48,390 --> 00:26:45,840  
right i was trained in tactical

713  
00:26:50,070 --> 00:26:48,400

low-level flying that's not what fighter

714

00:26:53,350 --> 00:26:50,080

pilots are trained in doing they're not

715

00:26:56,070 --> 00:26:53,360

comfortable at 250 feet like i am flying

716

00:26:58,710 --> 00:26:56,080

for an hour and a half in the mountains

717

00:27:00,789 --> 00:26:58,720

and i'm not comfortable diving it you

718

00:27:02,950 --> 00:27:00,799

know diving down at the ocean at an

719

00:27:03,750 --> 00:27:02,960

object like fraver did

720

00:27:06,390 --> 00:27:03,760

right

721

00:27:08,149 --> 00:27:06,400

it's it's a very specific skill

722

00:27:10,310 --> 00:27:08,159

you wouldn't catch okay to give you an

723

00:27:11,590 --> 00:27:10,320

example you hear what mick said i

724

00:27:14,390 --> 00:27:11,600

couldn't get

725

00:27:17,350 --> 00:27:14,400

a pilot who i flew with to say what he

726

00:27:19,110 --> 00:27:17,360

said you know what that pilot would say

727

00:27:20,549 --> 00:27:19,120

those guys are the experts in that man

728

00:27:24,870 --> 00:27:20,559

that's not my

729

00:27:26,950 --> 00:27:24,880

i mean i could i could get you a high

730

00:27:29,110 --> 00:27:26,960

time pilot that went to air force

731

00:27:30,630 --> 00:27:29,120

weapons school that would say that if we

732

00:27:32,470 --> 00:27:30,640

asked them to critique those guys they

733

00:27:34,310 --> 00:27:32,480

would look at it they'd listen to it

734

00:27:36,789 --> 00:27:34,320

they'd read it they'd listen to the

735

00:27:39,110 --> 00:27:36,799

interview and they'd say i

736

00:27:41,269 --> 00:27:39,120

they saw what they saw i can't

737

00:27:44,789 --> 00:27:41,279

but mick west is okay to

738

00:27:47,190 --> 00:27:44,799

say oh yeah those guys they don't

739

00:27:48,710 --> 00:27:47,200

they make mistakes you know right well

740

00:27:51,029 --> 00:27:48,720

and it's interesting i think that in the

741

00:27:52,789 --> 00:27:51,039

absence of of good information which you

742

00:27:55,750 --> 00:27:52,799

know you could argue is is a good

743

00:27:56,710 --> 00:27:55,760

portion of ufo twitter uh there's

744

00:27:59,590 --> 00:27:56,720

there's a

745

00:28:02,630 --> 00:27:59,600

a vacuum of information of quality data

746

00:28:05,990 --> 00:28:02,640

that allows for tremendous amounts of

747

00:28:07,909 --> 00:28:06,000

speculation and what i think uh you know

748

00:28:10,230 --> 00:28:07,919

i know you have your specific beefs my

749

00:28:12,470 --> 00:28:10,240

specific beefs with him are

750

00:28:13,830 --> 00:28:12,480

the way that he takes that very little

751  
00:28:15,750 --> 00:28:13,840  
amount of information and then

752  
00:28:18,870 --> 00:28:15,760  
extrapolates out from that

753  
00:28:20,389 --> 00:28:18,880  
very large speculative conclusions

754  
00:28:23,590 --> 00:28:20,399  
you know so i i have issues with

755  
00:28:25,350 --> 00:28:23,600  
conclusions off of of a very little data

756  
00:28:27,590 --> 00:28:25,360  
but i have that same beef with a lot of

757  
00:28:29,430 --> 00:28:27,600  
folks in ufo twitter that will take a

758  
00:28:31,190 --> 00:28:29,440  
tiny little thing and say well i mean it

759  
00:28:32,630 --> 00:28:31,200  
must be x y z

760  
00:28:35,750 --> 00:28:32,640  
uh i think that that that's a little

761  
00:28:37,269 --> 00:28:35,760  
disingenuous um to to to make that leap

762  
00:28:38,470 --> 00:28:37,279  
but uh lampy i mean what do you think

763  
00:28:40,070 --> 00:28:38,480

about that

764

00:28:43,510 --> 00:28:40,080

i think i'm pretty much with you on this

765

00:28:45,750 --> 00:28:43,520

like i i agree that midwest seems to

766

00:28:48,310 --> 00:28:45,760

sort of be in the habit of thinking up

767

00:28:50,870 --> 00:28:48,320

an alternate explanation and sort of

768

00:28:53,830 --> 00:28:50,880

putting it forth even if it's

769

00:28:55,750 --> 00:28:53,840

not based on very much because he just

770

00:28:58,470 --> 00:28:55,760

sees it as inherently

771

00:28:59,669 --> 00:28:58,480

a better explanation than

772

00:29:02,549 --> 00:28:59,679

aliens

773

00:29:05,110 --> 00:29:02,559

but i think that

774

00:29:07,990 --> 00:29:05,120

but i also like don't think that he's

775

00:29:10,149 --> 00:29:08,000

like the enemy or a terrible person

776

00:29:12,310 --> 00:29:10,159

because of this because like i think

777

00:29:14,470 --> 00:29:12,320

people judge him more harshly because

778

00:29:17,350 --> 00:29:14,480

he's on the skeptical side when like you

779

00:29:19,990 --> 00:29:17,360

said a lot of people speculate on ufo

780

00:29:22,389 --> 00:29:20,000

twitter and on when it comes to twitter

781

00:29:24,310 --> 00:29:22,399

we all have bad takes sometimes like

782

00:29:28,070 --> 00:29:24,320

i've had bad takes a lot of my friends

783

00:29:29,830 --> 00:29:28,080

have like we all tweet stuff that isn't

784

00:29:31,669 --> 00:29:29,840

super well thought out and we're all

785

00:29:35,190 --> 00:29:31,679

wrong about things but that doesn't

786

00:29:37,110 --> 00:29:35,200

necessarily mean that you're not an

787

00:29:39,430 --> 00:29:37,120

important part of the community that's

788

00:29:40,789 --> 00:29:39,440

right and we're not on cnn doing it

789

00:29:41,669 --> 00:29:40,799

though right

790

00:29:44,950 --> 00:29:41,679

yeah

791

00:29:47,750 --> 00:29:44,960

record i want to i want to get this

792

00:29:51,110 --> 00:29:47,760

actually on air i don't dislike mick

793

00:29:53,190 --> 00:29:51,120

west i don't not respect him i'm happy

794

00:29:54,630 --> 00:29:53,200

he's part of the community

795

00:29:56,549 --> 00:29:54,640

i don't

796

00:29:57,830 --> 00:29:56,559

there are two things i think first of

797

00:30:00,310 --> 00:29:57,840

all

798

00:30:02,870 --> 00:30:00,320

uh so i'm happy that he does debunk

799

00:30:06,389 --> 00:30:02,880

things because people will put out a ufo

800

00:30:09,350 --> 00:30:06,399

video that he is able to then find

801  
00:30:11,190 --> 00:30:09,360  
is fake and that is a huge service to us

802  
00:30:12,789 --> 00:30:11,200  
he's also apparently i don't really

803  
00:30:14,710 --> 00:30:12,799  
follow his work but he's done that with

804  
00:30:17,029 --> 00:30:14,720  
q anon and other

805  
00:30:19,909 --> 00:30:17,039  
anti-vaxx and other conspiracy theories

806  
00:30:22,230 --> 00:30:19,919  
so i really i really thank mick west

807  
00:30:24,230 --> 00:30:22,240  
namaste for doing stuff like that i

808  
00:30:26,710 --> 00:30:24,240  
really appreciate that and i think it's

809  
00:30:28,630 --> 00:30:26,720  
of service to the community

810  
00:30:30,389 --> 00:30:28,640  
what i have a problem with is i think if

811  
00:30:32,549 --> 00:30:30,399  
you start at the beginning

812  
00:30:34,950 --> 00:30:32,559  
there's an intellectual dishonesty in

813  
00:30:36,549 --> 00:30:34,960

the way that he approaches it because he

814

00:30:39,190 --> 00:30:36,559

comes out and says

815

00:30:41,190 --> 00:30:39,200

on camera hey i just want to learn i

816

00:30:43,830 --> 00:30:41,200

just want the data

817

00:30:44,789 --> 00:30:43,840

but he approaches the subject from

818

00:30:47,029 --> 00:30:44,799

okay

819

00:30:49,750 --> 00:30:47,039

everybody thinks it's this

820

00:30:52,310 --> 00:30:49,760

and so i'm gonna try to prove that it's

821

00:30:54,549 --> 00:30:52,320

not that so that's not intellectually

822

00:30:56,950 --> 00:30:54,559

that's not me trying to learn if you

823

00:30:59,350 --> 00:30:56,960

have a luis elizondo on your show and i

824

00:31:01,190 --> 00:30:59,360

actually have talking points about this

825

00:31:03,269 --> 00:31:01,200

where he asked luis

826

00:31:05,669 --> 00:31:03,279

you know with the gimbal you know i

827

00:31:07,669 --> 00:31:05,679

think it's this glass the glad glad he's

828

00:31:09,590 --> 00:31:07,679

saying glad over and over he's saying we

829

00:31:12,310 --> 00:31:09,600

had electro you know we bring in

830

00:31:14,549 --> 00:31:12,320

electrical optical engineers we brought

831

00:31:17,110 --> 00:31:14,559

in aerospace engineers we brought in

832

00:31:18,470 --> 00:31:17,120

pilots we reviewed stuff and by the way

833

00:31:21,350 --> 00:31:18,480

mick

834

00:31:23,029 --> 00:31:21,360

we have more than what you've seen

835

00:31:25,509 --> 00:31:23,039

we have other sensor data and other

836

00:31:28,710 --> 00:31:25,519

things and we don't agree with your

837

00:31:30,830 --> 00:31:28,720

hypothesis to which he says yes yes yes

838

00:31:33,669 --> 00:31:30,840

okay so let's talk about the chilean air

839

00:31:35,190 --> 00:31:33,679

force so that right there i'm not i'm

840

00:31:37,509 --> 00:31:35,200

not kidding he digresses to her

841

00:31:39,190 --> 00:31:37,519

relevancies so he's intellectually

842

00:31:41,190 --> 00:31:39,200

dishonest from the way he approaches it

843

00:31:42,950 --> 00:31:41,200

which he says i'm trying to learn no

844

00:31:45,590 --> 00:31:42,960

you're not trying to learn you are

845

00:31:46,389 --> 00:31:45,600

trying to find one aspect of this which

846

00:31:48,230 --> 00:31:46,399

is what

847

00:31:50,310 --> 00:31:48,240

uh lampy was alluding to

848

00:31:53,029 --> 00:31:50,320

that and actually nathan you also

849

00:31:55,190 --> 00:31:53,039

alluded to that one string we want to

850

00:31:57,830 --> 00:31:55,200

talk about the angle and the range

851

00:32:00,230 --> 00:31:57,840

because if they didn't get the range

852

00:32:03,430 --> 00:32:00,240

right or they didn't get the size of it

853

00:32:06,310 --> 00:32:03,440

right then maybe we can dismiss the

854

00:32:09,269 --> 00:32:06,320

princeton radar footage the e2 radar

855

00:32:10,870 --> 00:32:09,279

footage the testimony from all of them

856

00:32:12,789 --> 00:32:10,880

plus the pilots

857

00:32:14,470 --> 00:32:12,799

and then yeah everything's in question

858

00:32:15,430 --> 00:32:14,480

at this point so

859

00:32:20,149 --> 00:32:15,440

that

860

00:32:22,389 --> 00:32:20,159

the tic tac

861

00:32:24,950 --> 00:32:22,399

and lou came and said yes we looked at

862

00:32:27,350 --> 00:32:24,960

this we didn't use single source on this

863

00:32:28,870 --> 00:32:27,360

there's other data that you haven't seen

864

00:32:31,350 --> 00:32:28,880

that we did see

865

00:32:33,110 --> 00:32:31,360

he still won't say now somebody who's

866

00:32:35,430 --> 00:32:33,120

interested in learning say oh wow that's

867

00:32:37,350 --> 00:32:35,440

really interesting lou i should rethink

868

00:32:38,789 --> 00:32:37,360

this you know i mean if you've seen

869

00:32:41,190 --> 00:32:38,799

things that i haven't seen and you're

870

00:32:43,350 --> 00:32:41,200

privy to information i'm not

871

00:32:45,269 --> 00:32:43,360

and the pilot and it it jives with the

872

00:32:48,149 --> 00:32:45,279

pilots testify i might have to change

873

00:32:51,350 --> 00:32:48,159

he's not ever going to say that

874

00:32:53,269 --> 00:32:51,360

so to me he's starting from a dishonest

875

00:32:55,029 --> 00:32:53,279

place because he's not trying to learn

876

00:32:57,350 --> 00:32:55,039

he's trying to say how can i prove it's

877

00:33:00,549 --> 00:32:57,360

not would all these people think it is

878

00:33:03,269 --> 00:33:00,559

so i can be the smart one and people who

879

00:33:05,190 --> 00:33:03,279

are late lay people actually you know

880

00:33:06,470 --> 00:33:05,200

will say hey he seems pretty reasonable

881

00:33:09,110 --> 00:33:06,480

you thought that

882

00:33:12,870 --> 00:33:09,120

but it's it's not when you call into

883

00:33:14,870 --> 00:33:12,880

question people that we paid to do this

884

00:33:18,070 --> 00:33:14,880

we paid you paid

885

00:33:20,549 --> 00:33:18,080

to teach alex dietrich how to do this

886

00:33:22,549 --> 00:33:20,559

and i'm telling you how not easy it is

887

00:33:25,750 --> 00:33:22,559

and i know i know nick has flown a

888

00:33:27,110 --> 00:33:25,760

cessna i've also licensed to fly cessna

889

00:33:29,190 --> 00:33:27,120

let me tell you

890

00:33:32,070 --> 00:33:29,200

how much more difficult it is to fly one

891

00:33:34,950 --> 00:33:32,080

of these aircraft with g's with a g-suit

892

00:33:36,789 --> 00:33:34,960

when you have someone that straps you in

893

00:33:39,669 --> 00:33:36,799

and pulls on those straps like the damn

894

00:33:41,590 --> 00:33:39,679

space shuttle and then and then you have

895

00:33:43,669 --> 00:33:41,600

that sensor camera on your head you know

896

00:33:45,830 --> 00:33:43,679

they have that helmet mounted queuing

897

00:33:46,549 --> 00:33:45,840

system all that kind of stuff it's just

898

00:33:47,990 --> 00:33:46,559

it's

899

00:33:49,909 --> 00:33:48,000

he doesn't understand what he's looking

900

00:33:52,070 --> 00:33:49,919

at and he doesn't know that he doesn't

901  
00:33:53,029 --> 00:33:52,080  
understand it but people who are lay

902  
00:33:55,029 --> 00:33:53,039  
folks

903  
00:33:57,509 --> 00:33:55,039  
think that he knows because he went and

904  
00:33:58,310 --> 00:33:57,519  
read a manual about the camera

905  
00:34:01,029 --> 00:33:58,320  
so

906  
00:34:04,470 --> 00:34:01,039  
he's trying to start from the end i'm

907  
00:34:06,630 --> 00:34:04,480  
gonna be in analyze first

908  
00:34:08,790 --> 00:34:06,640  
but i haven't gone through the hard part

909  
00:34:10,790 --> 00:34:08,800  
the hard part is getting through flight

910  
00:34:13,990 --> 00:34:10,800  
school and even getting selected to fly

911  
00:34:16,069 --> 00:34:14,000  
a fighter then after you get to fly

912  
00:34:18,629 --> 00:34:16,079  
in order to critique others you have to

913  
00:34:20,550 --> 00:34:18,639

become an instructor and and your your

914

00:34:22,310 --> 00:34:20,560

records go up in front of a board and

915

00:34:24,069 --> 00:34:22,320

they nominate you as an instructor once

916

00:34:26,950 --> 00:34:24,079

you're an instructor now i could

917

00:34:29,589 --> 00:34:26,960

critique lampy's flying before that she

918

00:34:31,430 --> 00:34:29,599

flies i fly i don't tell her how to do

919

00:34:33,190 --> 00:34:31,440

her business because i'm not an

920

00:34:35,270 --> 00:34:33,200

instructor if she gets to be an

921

00:34:37,589 --> 00:34:35,280

instructor before me hey dj i didn't

922

00:34:39,990 --> 00:34:37,599

like what you did in today's exercise

923

00:34:41,829 --> 00:34:40,000

tell me why and you sit down debrief me

924

00:34:44,790 --> 00:34:41,839

then there's flight examiner and a

925

00:34:47,349 --> 00:34:44,800

flight examiner will decide if you fly

926  
00:34:48,790 --> 00:34:47,359  
which means on any day lampy can come

927  
00:34:49,669 --> 00:34:48,800  
and pat me on the shoulder and squad and

928  
00:34:52,069 --> 00:34:49,679  
go

929  
00:34:53,669 --> 00:34:52,079  
dj guess what we're doing a no notice

930  
00:34:56,869 --> 00:34:53,679  
check ride today

931  
00:34:57,910 --> 00:34:56,879  
so um we're going to give you a briefing

932  
00:34:59,109 --> 00:34:57,920  
going to look at these are the

933  
00:35:00,630 --> 00:34:59,119  
parameters that's what i'm going to be

934  
00:35:02,069 --> 00:35:00,640  
looking at good luck

935  
00:35:03,750 --> 00:35:02,079  
so now i know that she's going to be

936  
00:35:05,990 --> 00:35:03,760  
looking over my shoulder for the entire

937  
00:35:07,190 --> 00:35:06,000  
flight and writing down anything she

938  
00:35:09,190 --> 00:35:07,200

sees there's

939

00:35:10,950 --> 00:35:09,200

i can't tell you guys how much pressure

940

00:35:13,750 --> 00:35:10,960

there is when that happens

941

00:35:15,430 --> 00:35:13,760

it's an enormous amount of pressure just

942

00:35:16,390 --> 00:35:15,440

okay and that's what a flight examiner

943

00:35:18,950 --> 00:35:16,400

does so now

944

00:35:20,310 --> 00:35:18,960

now if i don't do well you could say dj

945

00:35:21,990 --> 00:35:20,320

you're going to have to sit down for a

946

00:35:23,670 --> 00:35:22,000

while we're going to do some training

947

00:35:25,270 --> 00:35:23,680

and we'll try to get you back up but for

948

00:35:26,630 --> 00:35:25,280

now you're grounded

949

00:35:29,190 --> 00:35:26,640

that's happened

950

00:35:30,630 --> 00:35:29,200

okay oh yeah right okay

951  
00:35:32,390 --> 00:35:30,640  
and i think what you're highlighting and

952  
00:35:34,470 --> 00:35:32,400  
i mean every time that you go down this

953  
00:35:36,870 --> 00:35:34,480  
path like i'm just like oh my gosh like

954  
00:35:38,870 --> 00:35:36,880  
it's there's so much more to

955  
00:35:40,870 --> 00:35:38,880  
the training that people get than i

956  
00:35:43,430 --> 00:35:40,880  
think most realize

957  
00:35:45,270 --> 00:35:43,440  
and when you describe it like this and

958  
00:35:46,150 --> 00:35:45,280  
contextualize it for folks i think it

959  
00:35:46,950 --> 00:35:46,160  
adds

960  
00:35:49,430 --> 00:35:46,960  
uh

961  
00:35:52,150 --> 00:35:49,440  
many layers of depth to these

962  
00:35:54,470 --> 00:35:52,160  
testimonies that come from these pilots

963  
00:35:57,750 --> 00:35:54,480

you know it it for me at least for me it

964

00:36:00,069 --> 00:35:57,760

does and it increases my level of trust

965

00:36:01,430 --> 00:36:00,079

in those testimonies and i think like

966

00:36:04,150 --> 00:36:01,440

lambie what i'd like for you to talk

967

00:36:06,550 --> 00:36:04,160

about uh you know in in your observation

968

00:36:09,589 --> 00:36:06,560

of this of the landscape really is that

969

00:36:11,030 --> 00:36:09,599

this issue of trust right so you know

970

00:36:12,950 --> 00:36:11,040

because we're hitting on it we're kind

971

00:36:14,790 --> 00:36:12,960

of dancing around it but that it really

972

00:36:16,950 --> 00:36:14,800

is a big part of

973

00:36:19,910 --> 00:36:16,960

what we choose to

974

00:36:22,630 --> 00:36:19,920

like or not like follow or not follow

975

00:36:25,270 --> 00:36:22,640

is the credibility of the story the

976  
00:36:26,950 --> 00:36:25,280  
witness whatever it is so you walk us

977  
00:36:28,310 --> 00:36:26,960  
through a little bit in your journey

978  
00:36:29,670 --> 00:36:28,320  
anyway and when you're in twitter and

979  
00:36:31,349 --> 00:36:29,680  
kind of navigating things and looking at

980  
00:36:33,829 --> 00:36:31,359  
these kinds of stories you know what

981  
00:36:36,150 --> 00:36:33,839  
increases your level of trust

982  
00:36:38,150 --> 00:36:36,160  
in a story and what kind of you know uh

983  
00:36:40,470 --> 00:36:38,160  
is a red flag for you to like walk away

984  
00:36:42,270 --> 00:36:40,480  
from from that particular account

985  
00:36:45,030 --> 00:36:42,280  
when she sees me post i'm just kidding

986  
00:36:47,589 --> 00:36:45,040  
[Laughter]

987  
00:36:49,990 --> 00:36:47,599  
uh yeah so when i

988  
00:36:52,790 --> 00:36:50,000

when i look at stories on ufo twitter i

989

00:36:55,510 --> 00:36:52,800

think that first of all for a long time

990

00:36:57,190 --> 00:36:55,520

i wasn't even looking at it that way

991

00:36:59,829 --> 00:36:57,200

because like i said i originally came to

992

00:37:02,069 --> 00:36:59,839

this looking for sort of inspiration for

993

00:37:04,870 --> 00:37:02,079

a novel i was writing and so like

994

00:37:06,790 --> 00:37:04,880

from at that point i didn't really care

995

00:37:09,589 --> 00:37:06,800

if stories were true i just was looking

996

00:37:12,069 --> 00:37:09,599

for things that were interesting but um

997

00:37:13,510 --> 00:37:12,079

now that i'm looking at it more

998

00:37:15,829 --> 00:37:13,520

from a more discerning point of view i

999

00:37:18,630 --> 00:37:15,839

think that i tend to look at the source

1000

00:37:20,710 --> 00:37:18,640

of the link and if it's a site that i

1001  
00:37:22,390 --> 00:37:20,720  
recognize um either it's a mainstream

1002  
00:37:25,430 --> 00:37:22,400  
outlet or it's

1003  
00:37:27,829 --> 00:37:25,440  
run by someone who has

1004  
00:37:29,589 --> 00:37:27,839  
been recognized by the community then

1005  
00:37:31,910 --> 00:37:29,599  
it's something i'm more likely to trust

1006  
00:37:33,349 --> 00:37:31,920  
than if it's by some site i've never

1007  
00:37:36,069 --> 00:37:33,359  
heard of that

1008  
00:37:37,829 --> 00:37:36,079  
crashes 50 bazillion times when i try to

1009  
00:37:38,950 --> 00:37:37,839  
open it on my phone

1010  
00:37:43,589 --> 00:37:38,960  
um

1011  
00:37:45,910 --> 00:37:43,599  
have

1012  
00:37:48,310 --> 00:37:45,920  
interacted with for almost a year now

1013  
00:37:50,390 --> 00:37:48,320

that i just trust more on a personal

1014

00:37:52,710 --> 00:37:50,400

level which isn't necessarily

1015

00:37:55,030 --> 00:37:52,720

like something that i would swear to in

1016

00:37:57,109 --> 00:37:55,040

court as a reason to trust someone but

1017

00:37:59,910 --> 00:37:57,119

it does but i think that building

1018

00:38:02,950 --> 00:37:59,920

relationships with people does like make

1019

00:38:04,550 --> 00:38:02,960

them make you trust them more um

1020

00:38:07,190 --> 00:38:04,560

and uh

1021

00:38:09,829 --> 00:38:07,200

i i do tend to look at the details and

1022

00:38:13,030 --> 00:38:09,839

of stories and see if they add up to me

1023

00:38:14,950 --> 00:38:13,040

based on what i know like it isn't super

1024

00:38:17,829 --> 00:38:14,960

often that i have expertise that is

1025

00:38:21,510 --> 00:38:17,839

relevant in this field but um it

1026  
00:38:23,910 --> 00:38:21,520  
occasionally happens um yeah and

1027  
00:38:27,190 --> 00:38:23,920  
and uh

1028  
00:38:30,150 --> 00:38:27,200  
yeah it's and then i also look at sort

1029  
00:38:33,910 --> 00:38:30,160  
of whether this story has been told

1030  
00:38:36,230 --> 00:38:33,920  
other times and compare notes on

1031  
00:38:38,390 --> 00:38:36,240  
whether it's consistent and how

1032  
00:38:40,310 --> 00:38:38,400  
which parts of it are consistent because

1033  
00:38:42,470 --> 00:38:40,320  
you expect there to be some minor

1034  
00:38:45,430 --> 00:38:42,480  
inconsistencies in stories that are told

1035  
00:38:47,349 --> 00:38:45,440  
repeatedly over the course of years like

1036  
00:38:50,630 --> 00:38:47,359  
people's memories are imperfect like

1037  
00:38:52,550 --> 00:38:50,640  
very minor details can be remembered

1038  
00:38:54,069 --> 00:38:52,560

differently on

1039

00:38:55,430 --> 00:38:54,079

different retellings because they say

1040

00:38:57,270 --> 00:38:55,440

that when you

1041

00:38:59,670 --> 00:38:57,280

when you recall a memory you aren't

1042

00:39:01,670 --> 00:38:59,680

actually recalling the memory of the

1043

00:39:05,910 --> 00:39:01,680

event you're recoloring the memory of

1044

00:39:08,550 --> 00:39:05,920

the last time you remembered it so wow

1045

00:39:11,750 --> 00:39:08,560

yeah but there are some but if there are

1046

00:39:14,710 --> 00:39:11,760

major inconsistencies on like events

1047

00:39:16,950 --> 00:39:14,720

that are key to the narrative or

1048

00:39:17,990 --> 00:39:16,960

or if the narrative seems to change in a

1049

00:39:19,270 --> 00:39:18,000

way

1050

00:39:22,069 --> 00:39:19,280

that

1051

00:39:25,030 --> 00:39:22,079

benefits the teller or

1052

00:39:28,150 --> 00:39:25,040

seems to make their role bigger than it

1053

00:39:31,510 --> 00:39:28,160

was in the original tellings that can be

1054

00:39:33,030 --> 00:39:31,520

to me a sign that maybe the truth is

1055

00:39:34,230 --> 00:39:33,040

being stretched

1056

00:39:36,630 --> 00:39:34,240

um

1057

00:39:39,030 --> 00:39:36,640

and then of course like i said i try to

1058

00:39:41,510 --> 00:39:39,040

follow more skeptical minded people so i

1059

00:39:42,550 --> 00:39:41,520

can see alternate views on the events

1060

00:39:43,829 --> 00:39:42,560

like i

1061

00:39:46,630 --> 00:39:43,839

don't

1062

00:39:49,270 --> 00:39:46,640

assume that just because someone is

1063

00:39:50,790 --> 00:39:49,280

posting a debunking means that they're

1064

00:39:52,630 --> 00:39:50,800

automatically right because like you

1065

00:39:54,630 --> 00:39:52,640

said like people

1066

00:39:57,670 --> 00:39:54,640

who are on the skeptical side are not

1067

00:40:01,109 --> 00:39:57,680

immune from cognitive biases nobody is

1068

00:40:02,790 --> 00:40:01,119

um but i do think that seeing that view

1069

00:40:04,309 --> 00:40:02,800

can help you

1070

00:40:05,910 --> 00:40:04,319

look at it from a different perspective

1071

00:40:07,349 --> 00:40:05,920

when you're trying to make your own

1072

00:40:08,870 --> 00:40:07,359

decisions

1073

00:40:10,390 --> 00:40:08,880

yeah you know i went through this with

1074

00:40:12,630 --> 00:40:10,400

green street a little bit my twitter

1075

00:40:14,230 --> 00:40:12,640

friend stephen how are you i'm sure your

1076

00:40:17,349 --> 00:40:14,240

hair looks great today

1077

00:40:19,990 --> 00:40:17,359

but but in analyzing the whole tucson

1078

00:40:22,309 --> 00:40:20,000

helicopter thing which fascinated ufo

1079

00:40:25,349 --> 00:40:22,319

twitter for about two weeks or so

1080

00:40:27,349 --> 00:40:25,359

and i was trying to and i was going back

1081

00:40:29,670 --> 00:40:27,359

and forth with the guy on there and i'm

1082

00:40:31,510 --> 00:40:29,680

not sure what it is i think it's still

1083

00:40:33,829 --> 00:40:31,520

in question but just to give you an

1084

00:40:35,990 --> 00:40:33,839

example if stephen green street

1085

00:40:37,349 --> 00:40:36,000

journalist for new york post right the

1086

00:40:38,950 --> 00:40:37,359

basement office

1087

00:40:40,230 --> 00:40:38,960

if he were to hand me a piece of

1088

00:40:42,150 --> 00:40:40,240

literature

1089

00:40:43,589 --> 00:40:42,160

and said dj read this and i read it and

1090

00:40:45,109 --> 00:40:43,599

i say

1091

00:40:46,790 --> 00:40:45,119

okay that's pretty ordinary i mean i

1092

00:40:48,069 --> 00:40:46,800

think anybody could have written that

1093

00:40:49,190 --> 00:40:48,079

and

1094

00:40:51,829 --> 00:40:49,200

dj

1095

00:40:53,030 --> 00:40:51,839

this is a phenomenal piece of writing

1096

00:40:54,230 --> 00:40:53,040

like you don't know what you're looking

1097

00:40:55,670 --> 00:40:54,240

at man

1098

00:40:57,430 --> 00:40:55,680

and i'd be like okay well you know maybe

1099

00:40:59,670 --> 00:40:57,440

i don't i mean i don't really have any

1100

00:41:01,349 --> 00:40:59,680

courses in journalism i have basic

1101

00:41:02,150 --> 00:41:01,359

college writing

1102

00:41:04,230 --> 00:41:02,160

uh

1103

00:41:07,270 --> 00:41:04,240

you know at my apex so yeah maybe i

1104

00:41:09,750 --> 00:41:07,280

don't so by contrast we can listen to a

1105

00:41:11,510 --> 00:41:09,760

narrative of drones and helicopters

1106

00:41:13,750 --> 00:41:11,520

interacting in tucson

1107

00:41:15,510 --> 00:41:13,760

and i say that's stephen

1108

00:41:17,109 --> 00:41:15,520

that's a he could say oh well that's

1109

00:41:19,430 --> 00:41:17,119

pretty ordinary what it did and i go

1110

00:41:21,589 --> 00:41:19,440

dude do you understand like how

1111

00:41:23,589 --> 00:41:21,599

difficult it is to perform those

1112

00:41:25,349 --> 00:41:23,599

maneuvers that that thing did

1113

00:41:27,430 --> 00:41:25,359

you don't know what you're looking at

1114

00:41:30,150 --> 00:41:27,440

so you see

1115

00:41:31,510 --> 00:41:30,160

if it comes to writing steven's gonna

1116

00:41:33,270 --> 00:41:31,520

be like dude

1117

00:41:35,750 --> 00:41:33,280

this is a this is a brilliant piece of

1118

00:41:37,910 --> 00:41:35,760

writing right or if it were luis jimenez

1119

00:41:39,349 --> 00:41:37,920

this is a a wonderful screenplay and you

1120

00:41:41,270 --> 00:41:39,359

think it's ordinary

1121

00:41:42,790 --> 00:41:41,280

well i'm going to say the same thing

1122

00:41:45,829 --> 00:41:42,800

when i hear about a drone that's sitting

1123

00:41:47,589 --> 00:41:45,839

at 10 000 some a some kind of craft that

1124

00:41:49,910 --> 00:41:47,599

we don't know it is sitting at 10 000

1125

00:41:52,390 --> 00:41:49,920

feet and they said it zoomed straight up

1126  
00:41:53,829 --> 00:41:52,400  
to 13 000 feet i know what it takes to

1127  
00:41:54,790 --> 00:41:53,839  
do that

1128  
00:41:56,390 --> 00:41:54,800  
exactly

1129  
00:41:58,069 --> 00:41:56,400  
and the fact that they can't see it on

1130  
00:41:59,750 --> 00:41:58,079  
an ir camera

1131  
00:42:02,790 --> 00:41:59,760  
really freaks me out and they said it

1132  
00:42:04,150 --> 00:42:02,800  
was 100 feet off the wingtip so

1133  
00:42:06,710 --> 00:42:04,160  
what you're training and what your

1134  
00:42:08,230 --> 00:42:06,720  
expertise is some of my expertise

1135  
00:42:09,910 --> 00:42:08,240  
happens to fall

1136  
00:42:11,190 --> 00:42:09,920  
in some of these

1137  
00:42:13,430 --> 00:42:11,200  
but if you start talking about something

1138  
00:42:15,750 --> 00:42:13,440

like what happened with anjali or travis

1139

00:42:17,589 --> 00:42:15,760

walton i have no ex my expertise is

1140

00:42:19,510 --> 00:42:17,599

nothing i'm none it's the same as

1141

00:42:21,910 --> 00:42:19,520

anybody else but if we're talking

1142

00:42:26,230 --> 00:42:21,920

something aviation specific

1143

00:42:28,309 --> 00:42:26,240

now i can i i can raise my voice

1144

00:42:30,710 --> 00:42:28,319

but i mean there are many many aspects

1145

00:42:33,270 --> 00:42:30,720

of ufology in fact when i see a ufo

1146

00:42:36,069 --> 00:42:33,280

video i know nothing i would ask mick

1147

00:42:38,630 --> 00:42:36,079

west is this real because i to me this

1148

00:42:40,630 --> 00:42:38,640

looks like a real ufo video and he could

1149

00:42:43,589 --> 00:42:40,640

look at and go dude that's obviously

1150

00:42:47,190 --> 00:42:43,599

faked look you can see here

1151  
00:42:48,390 --> 00:42:47,200  
right yeah we all have an area you know

1152  
00:42:51,109 --> 00:42:48,400  
yeah i don't spend a lot of time

1153  
00:42:54,069 --> 00:42:51,119  
watching ufo videos for that reason like

1154  
00:42:56,309 --> 00:42:54,079  
i have no idea if this is real or not i

1155  
00:42:59,829 --> 00:42:56,319  
don't know anything about aviation or

1156  
00:43:01,589 --> 00:42:59,839  
about cgi or like anything that would

1157  
00:43:04,230 --> 00:43:01,599  
allow me to determine if this is real

1158  
00:43:05,670 --> 00:43:04,240  
based on looking at the video so

1159  
00:43:09,270 --> 00:43:05,680  
right

1160  
00:43:11,430 --> 00:43:09,280  
different areas of expertise and

1161  
00:43:13,349 --> 00:43:11,440  
sometimes some in some cases none of us

1162  
00:43:15,430 --> 00:43:13,359  
haven't an expertise in what we're

1163  
00:43:18,069 --> 00:43:15,440

talking about at all then at that point

1164

00:43:19,589 --> 00:43:18,079

it's just thoughtful analysis

1165

00:43:21,190 --> 00:43:19,599

right like totally

1166

00:43:21,990 --> 00:43:21,200

well

1167

00:43:23,910 --> 00:43:22,000

thanks

1168

00:43:25,589 --> 00:43:23,920

love you back bro so yeah i mean but i

1169

00:43:28,710 --> 00:43:25,599

think like what we're touching on is

1170

00:43:30,069 --> 00:43:28,720

just uh it's a symptom of a larger issue

1171

00:43:32,309 --> 00:43:30,079

that we're having

1172

00:43:34,069 --> 00:43:32,319

you know globally right and that and and

1173

00:43:35,349 --> 00:43:34,079

that that's this issue of trust of

1174

00:43:38,550 --> 00:43:35,359

credibility

1175

00:43:40,309 --> 00:43:38,560

of um you know sort of the lack of of

1176

00:43:41,910 --> 00:43:40,319

faith in institutions that we may have

1177

00:43:43,910 --> 00:43:41,920

had in the past that

1178

00:43:46,710 --> 00:43:43,920

all of these things that have been uh

1179

00:43:48,950 --> 00:43:46,720

sort of normal the reliance on expertise

1180

00:43:50,950 --> 00:43:48,960

you know the the deference to expertise

1181

00:43:53,190 --> 00:43:50,960

all these things are are changing

1182

00:43:54,950 --> 00:43:53,200

they're they're eroding in a way maybe

1183

00:43:57,030 --> 00:43:54,960

erosion's not quite the right the right

1184

00:43:58,950 --> 00:43:57,040

word to use but the

1185

00:44:01,190 --> 00:43:58,960

the plates are shifting in other words

1186

00:44:04,230 --> 00:44:01,200

the the way that it has worked is not

1187

00:44:06,870 --> 00:44:04,240

working any longer you know yeah exactly

1188

00:44:08,470 --> 00:44:06,880

it's a tectonic chain yeah

1189

00:44:10,630 --> 00:44:08,480

it's

1190

00:44:11,990 --> 00:44:10,640

i gotta pay this guy like there's no way

1191

00:44:13,829 --> 00:44:12,000

he could be doing this for free

1192

00:44:15,589 --> 00:44:13,839

something smart

1193

00:44:17,910 --> 00:44:15,599

so we have this new landscape right we

1194

00:44:19,270 --> 00:44:17,920

have this new landscape that is forming

1195

00:44:21,829 --> 00:44:19,280

and we're all a part of it you know

1196

00:44:24,790 --> 00:44:21,839

we're all part of that conversation and

1197

00:44:27,510 --> 00:44:24,800

it's a new way for us to in a way almost

1198

00:44:29,589 --> 00:44:27,520

crowdsource uh credibility or or

1199

00:44:31,349 --> 00:44:29,599

trustworthiness or whatnot and i think

1200

00:44:33,190 --> 00:44:31,359

about this problem in the context of a

1201

00:44:36,069 --> 00:44:33,200

louis elizondo

1202

00:44:37,990 --> 00:44:36,079

or the government in general so if if

1203

00:44:39,910 --> 00:44:38,000

the government if if we take the

1204

00:44:42,230 --> 00:44:39,920

position and i think most in ufology

1205

00:44:44,470 --> 00:44:42,240

would that the government knows more

1206

00:44:47,349 --> 00:44:44,480

about this topic than than the average

1207

00:44:49,829 --> 00:44:47,359

person does than most of us do they have

1208

00:44:52,390 --> 00:44:49,839

more information more data what have you

1209

00:44:55,910 --> 00:44:52,400

yet the public is at a place in history

1210

00:44:57,829 --> 00:44:55,920

where the faith in that institution is

1211

00:45:00,069 --> 00:44:57,839

way lower than it's ever been

1212

00:45:02,069 --> 00:45:00,079

so how do you how do you balance this

1213

00:45:05,430 --> 00:45:02,079

out and i think about what lou's doing

1214

00:45:06,309 --> 00:45:05,440

on his like the lou road show

1215

00:45:07,670 --> 00:45:06,319

you know

1216

00:45:09,990 --> 00:45:07,680

that's what he's basically he's always

1217

00:45:12,710 --> 00:45:10,000

on and that guy is working so hard he's

1218

00:45:15,190 --> 00:45:12,720

on all the shows and he's just getting

1219

00:45:18,309 --> 00:45:15,200

the word out and if you think about what

1220

00:45:20,790 --> 00:45:18,319

you would need to begin restoring

1221

00:45:23,270 --> 00:45:20,800

credibility in the narrative you're

1222

00:45:24,550 --> 00:45:23,280

gonna have to you know put in the work

1223

00:45:25,750 --> 00:45:24,560

you're gonna have the boots are gonna

1224

00:45:28,550 --> 00:45:25,760

have to hit the ground and do the

1225

00:45:30,710 --> 00:45:28,560

walking and walk a long time and hold a

1226

00:45:32,790 --> 00:45:30,720

lot of hands have a lot of conversations

1227

00:45:36,309 --> 00:45:32,800

to where you get to the place where the

1228

00:45:37,910 --> 00:45:36,319

community and those that are behind the

1229

00:45:40,390 --> 00:45:37,920

community because we're for every person

1230

00:45:42,309 --> 00:45:40,400

you see on ufo twitter who's involved or

1231

00:45:43,750 --> 00:45:42,319

lurking as you said lampy you know like

1232

00:45:45,270 --> 00:45:43,760

and i think all of us relate late to

1233

00:45:47,190 --> 00:45:45,280

that there's a whole host of people

1234

00:45:49,270 --> 00:45:47,200

behind that person that aren't aware of

1235

00:45:51,510 --> 00:45:49,280

it or only tangentially aware of it

1236

00:45:53,670 --> 00:45:51,520

maybe never never interested at all but

1237

00:45:56,069 --> 00:45:53,680

that they're in they intersect the orbit

1238

00:45:58,829 --> 00:45:56,079

of that person who's engaged with ufo

1239

00:46:01,829 --> 00:45:58,839

twitter so if lou and his

1240

00:46:04,390 --> 00:46:01,839

outreach and others like chris likely

1241

00:46:06,550 --> 00:46:04,400

like chris mellon if what they're doing

1242

00:46:08,710 --> 00:46:06,560

is restoring credibility in the

1243

00:46:10,470 --> 00:46:08,720

institution of the government of the

1244

00:46:12,309 --> 00:46:10,480

secret keepers

1245

00:46:13,589 --> 00:46:12,319

by all of this work that they're doing

1246

00:46:17,109 --> 00:46:13,599

and if we

1247

00:46:19,670 --> 00:46:17,119

extend to them our charity and our trust

1248

00:46:21,829 --> 00:46:19,680

then when the secrets begin

1249

00:46:24,390 --> 00:46:21,839

getting become revealed or are more

1250

00:46:27,030 --> 00:46:24,400

revealed then then we have we are all in

1251  
00:46:29,510 --> 00:46:27,040  
a position at that point to amplify that

1252  
00:46:31,910 --> 00:46:29,520  
truth and say hey i know this may sound

1253  
00:46:34,790 --> 00:46:31,920  
weird but we've walked miles with this

1254  
00:46:37,349 --> 00:46:34,800  
guy and we trust him now

1255  
00:46:40,950 --> 00:46:37,359  
and so we you know you can trust us

1256  
00:46:42,870 --> 00:46:40,960  
because you know us and we trust him

1257  
00:46:45,030 --> 00:46:42,880  
he's done an enormous amount of work too

1258  
00:46:46,950 --> 00:46:45,040  
to bring his knowledge up to all these

1259  
00:46:49,829 --> 00:46:46,960  
he was a biochem major who went into

1260  
00:46:52,710 --> 00:46:49,839  
intel and man he is really his knowledge

1261  
00:46:55,109 --> 00:46:52,720  
of aviation is sharp man oh tremendous i

1262  
00:46:58,230 --> 00:46:55,119  
mean the guy is clearly a sharp guy

1263  
00:46:59,990 --> 00:46:58,240

um and and i guess so lampy like you

1264

00:47:01,510 --> 00:47:00,000

know as we talk about that

1265

00:47:03,670 --> 00:47:01,520

you know one thing that i noticed this

1266

00:47:05,829 --> 00:47:03,680

happens how it often happens in the lull

1267

00:47:07,750 --> 00:47:05,839

periods between you know the news cycles

1268

00:47:09,190 --> 00:47:07,760

the breaking sort of things that happen

1269

00:47:11,349 --> 00:47:09,200

on ufo twitter

1270

00:47:13,190 --> 00:47:11,359

uh you know it's like the community

1271

00:47:15,030 --> 00:47:13,200

councils tend to start turning inward

1272

00:47:16,390 --> 00:47:15,040

and there's like a circular firing squad

1273

00:47:17,190 --> 00:47:16,400

that begins to happen

1274

00:47:19,349 --> 00:47:17,200

um

1275

00:47:20,790 --> 00:47:19,359

you know that we have this this pent-up

1276

00:47:22,549 --> 00:47:20,800

need for something when that need isn't

1277

00:47:24,549 --> 00:47:22,559

satisfied we take it out on each other

1278

00:47:26,710 --> 00:47:24,559

right families do this too

1279

00:47:30,470 --> 00:47:26,720

yeah like i i don't i'm sure you

1280

00:47:33,349 --> 00:47:30,480

remember um ufo twitter in june like in

1281

00:47:36,069 --> 00:47:33,359

the two or three weeks leading up to the

1282

00:47:40,069 --> 00:47:36,079

uaptf report being released it was it

1283

00:47:42,069 --> 00:47:40,079

was a mess like people were like like

1284

00:47:44,470 --> 00:47:42,079

like the claws were out

1285

00:47:46,710 --> 00:47:44,480

there was so much drama

1286

00:47:48,470 --> 00:47:46,720

community petulance

1287

00:47:51,829 --> 00:47:48,480

so yeah i definitely think that when

1288

00:47:53,270 --> 00:47:51,839

people are restless then there tends to

1289

00:47:54,069 --> 00:47:53,280

be more

1290

00:47:58,150 --> 00:47:54,079

of

1291

00:48:01,109 --> 00:47:58,160

more drama on ufo twitter um and i

1292

00:48:03,910 --> 00:48:01,119

and i think that yeah we are in a time

1293

00:48:05,430 --> 00:48:03,920

where it is difficult to know who to

1294

00:48:07,670 --> 00:48:05,440

trust like i think trust in the

1295

00:48:09,670 --> 00:48:07,680

government is low i think trust in a lot

1296

00:48:11,829 --> 00:48:09,680

of mainstream media outlets has been low

1297

00:48:14,150 --> 00:48:11,839

for a while and like even trusting each

1298

00:48:17,349 --> 00:48:14,160

other is low because this is a topic

1299

00:48:20,069 --> 00:48:17,359

where a lot of us um are anonymous or

1300

00:48:22,630 --> 00:48:20,079

pseudonymous because we because it's

1301  
00:48:25,030 --> 00:48:22,640  
still somewhat stigmatized and we don't

1302  
00:48:27,589 --> 00:48:25,040  
necessarily want our boss to google us

1303  
00:48:30,710 --> 00:48:27,599  
and find us talking about ufos but at

1304  
00:48:31,589 --> 00:48:30,720  
the same time like we know that there

1305  
00:48:33,829 --> 00:48:31,599  
are

1306  
00:48:36,390 --> 00:48:33,839  
bots and trolls and people on twitter

1307  
00:48:39,190 --> 00:48:36,400  
who are there specifically to

1308  
00:48:40,390 --> 00:48:39,200  
divide communities and cause

1309  
00:48:43,910 --> 00:48:40,400  
problems

1310  
00:48:45,829 --> 00:48:43,920  
for nefarious ends and so it

1311  
00:48:47,589 --> 00:48:45,839  
it's really hard to

1312  
00:48:49,750 --> 00:48:47,599  
establish the trust needed to move

1313  
00:48:51,829 --> 00:48:49,760

forward on a subject like this and

1314

00:48:52,870 --> 00:48:51,839

that's why i think it's so important to

1315

00:48:55,270 --> 00:48:52,880

sort of

1316

00:48:56,390 --> 00:48:55,280

build a lasting community here and um

1317

00:48:57,670 --> 00:48:56,400

yes

1318

00:48:59,750 --> 00:48:57,680

and like with the

1319

00:49:02,870 --> 00:48:59,760

elizondo like i've noticed

1320

00:49:05,829 --> 00:49:02,880

that he appears on like the 60-minute

1321

00:49:08,069 --> 00:49:05,839

special but he'll also go on podcasts

1322

00:49:09,270 --> 00:49:08,079

that have a couple thousand subscribers

1323

00:49:11,349 --> 00:49:09,280

and um

1324

00:49:14,470 --> 00:49:11,359

so i think that

1325

00:49:16,309 --> 00:49:14,480

people who are trying to make this topic

1326

00:49:19,670 --> 00:49:16,319

mainstream are conscious of the fact

1327

00:49:21,750 --> 00:49:19,680

that they need to not only rely on their

1328

00:49:24,630 --> 00:49:21,760

status and expertise but build

1329

00:49:27,190 --> 00:49:24,640

relationships with people and make it

1330

00:49:30,790 --> 00:49:27,200

known that they are someone who can be

1331

00:49:33,109 --> 00:49:30,800

relied on on a personal level absolutely

1332

00:49:35,670 --> 00:49:33,119

and i was going to ask you if to if you

1333

00:49:36,950 --> 00:49:35,680

were to give your state of ufology in

1334

00:49:38,069 --> 00:49:36,960

terms of

1335

00:49:41,030 --> 00:49:38,079

i think

1336

00:49:44,549 --> 00:49:41,040

the government knows this has that

1337

00:49:46,950 --> 00:49:44,559

um like a lot of people in terms of

1338

00:49:49,349 --> 00:49:46,960

programs so do you think they have craft

1339

00:49:52,950 --> 00:49:49,359

don't have craft have

1340

00:49:54,790 --> 00:49:52,960

had beings have never had beings um no

1341

00:49:57,589 --> 00:49:54,800

more than what the uf

1342

00:49:59,030 --> 00:49:57,599

uaptf knows doesn't know more where are

1343

00:50:01,030 --> 00:49:59,040

you let's go i'd like to go around the

1344

00:50:03,589 --> 00:50:01,040

horn go you and then nathan then and

1345

00:50:06,150 --> 00:50:03,599

then i'll go what do you think

1346

00:50:09,030 --> 00:50:06,160

is the status of where we're at now in

1347

00:50:10,069 --> 00:50:09,040

terms of their grasp on this topic

1348

00:50:11,589 --> 00:50:10,079

um

1349

00:50:14,790 --> 00:50:11,599

like

1350

00:50:19,829 --> 00:50:14,800

if going purely by gut feeling not based

1351  
00:50:23,829 --> 00:50:19,839  
on anything reliable i would guess that

1352  
00:50:27,190 --> 00:50:23,839  
they know more than we do but not by

1353  
00:50:31,349 --> 00:50:27,200  
much i would not assume that they have

1354  
00:50:32,069 --> 00:50:31,359  
bodies or craft i think that

1355  
00:50:37,589 --> 00:50:32,079  
i

1356  
00:50:40,630 --> 00:50:37,599  
government knows enough

1357  
00:50:42,710 --> 00:50:40,640  
that it would be embarrassing to admit

1358  
00:50:44,069 --> 00:50:42,720  
they didn't they don't know more than

1359  
00:50:46,710 --> 00:50:44,079  
they do

1360  
00:50:48,390 --> 00:50:46,720  
and i also think that there's a good

1361  
00:50:50,950 --> 00:50:48,400  
chance that

1362  
00:50:53,990 --> 00:50:50,960  
there is knowledge sort of scattered in

1363  
00:50:55,910 --> 00:50:54,000

bits and pieces among various agencies

1364

00:50:58,790 --> 00:50:55,920

like um different branches that the

1365

00:51:01,190 --> 00:50:58,800

military might have some information um

1366

00:51:02,950 --> 00:51:01,200

the task force might have some nasa

1367

00:51:05,270 --> 00:51:02,960

might have some and

1368

00:51:07,190 --> 00:51:05,280

just but

1369

00:51:09,589 --> 00:51:07,200

but it hasn't gotten to a point where

1370

00:51:10,950 --> 00:51:09,599

they've been able to sort of compile

1371

00:51:12,870 --> 00:51:10,960

everything that's known especially

1372

00:51:14,630 --> 00:51:12,880

because since

1373

00:51:18,309 --> 00:51:14,640

there are so many unknowns with this

1374

00:51:19,510 --> 00:51:18,319

topic you might have information that

1375

00:51:21,510 --> 00:51:19,520

would

1376

00:51:22,870 --> 00:51:21,520

help put the puzzle together but not

1377

00:51:26,870 --> 00:51:22,880

even know

1378

00:51:28,630 --> 00:51:26,880

that it's has anything to do with uaps

1379

00:51:29,589 --> 00:51:28,640

interesting

1380

00:51:31,030 --> 00:51:29,599

yeah

1381

00:51:32,790 --> 00:51:31,040

well right i mean the vatican comes to

1382

00:51:35,910 --> 00:51:32,800

mind you know whatever they may have in

1383

00:51:38,470 --> 00:51:35,920

their treasure trove of information uh

1384

00:51:40,630 --> 00:51:38,480

through history right uh stories that

1385

00:51:43,510 --> 00:51:40,640

may have seemed um

1386

00:51:45,990 --> 00:51:43,520

like traditional miracles may in fact be

1387

00:51:47,349 --> 00:51:46,000

uh you know some sort of

1388

00:51:49,190 --> 00:51:47,359

there we go

1389

00:51:52,790 --> 00:51:49,200

some sort of manifestation of of

1390

00:51:55,910 --> 00:51:52,800

whatever this is but i i think you're

1391

00:51:57,109 --> 00:51:55,920

spot on i think that um in lou's recent

1392

00:51:58,790 --> 00:51:57,119

interview

1393

00:52:01,829 --> 00:51:58,800

uh i forget

1394

00:52:03,589 --> 00:52:01,839

who it was with uh andy i don't yeah

1395

00:52:06,470 --> 00:52:03,599

that's right it was with andy

1396

00:52:09,030 --> 00:52:06,480

you know that confirmed for me

1397

00:52:10,710 --> 00:52:09,040

that we don't we don't know as much as

1398

00:52:11,750 --> 00:52:10,720

we as we hope that they know he doesn't

1399

00:52:13,430 --> 00:52:11,760

that the government does not know as

1400

00:52:15,589 --> 00:52:13,440

much as we hope that they know i think

1401  
00:52:17,829 --> 00:52:15,599  
that they um they do know a good bit i

1402  
00:52:19,990 --> 00:52:17,839  
think that they have um you know like

1403  
00:52:21,510 --> 00:52:20,000  
you said compartmentalized information

1404  
00:52:24,230 --> 00:52:21,520  
um but

1405  
00:52:27,910 --> 00:52:24,240  
therein lies the the challenge and that

1406  
00:52:30,069 --> 00:52:27,920  
is like to start kind of compiling it

1407  
00:52:31,750 --> 00:52:30,079  
putting it out there and then looking it

1408  
00:52:33,109 --> 00:52:31,760  
out looking at all the pieces that are

1409  
00:52:35,750 --> 00:52:33,119  
on the table and saying well we have all

1410  
00:52:37,670 --> 00:52:35,760  
these pieces uh we don't have the box we

1411  
00:52:39,910 --> 00:52:37,680  
don't know what it looks like but we've

1412  
00:52:41,270 --> 00:52:39,920  
collected all this stuff so okay like i

1413  
00:52:43,190 --> 00:52:41,280

guess we all need to try to put it

1414

00:52:46,069 --> 00:52:43,200

together like and that you know think

1415

00:52:47,109 --> 00:52:46,079

about how that how challenging that

1416

00:52:49,670 --> 00:52:47,119

would be

1417

00:52:52,150 --> 00:52:49,680

to the world that has in in the 20th

1418

00:52:53,829 --> 00:52:52,160

century the modern world has grown

1419

00:52:56,630 --> 00:52:53,839

accustomed to

1420

00:52:58,549 --> 00:52:56,640

state power having uh sort of answers

1421

00:53:00,390 --> 00:52:58,559

you know that they have the resources

1422

00:53:03,589 --> 00:53:00,400

they have the expertise

1423

00:53:06,150 --> 00:53:03,599

they know more than average person does

1424

00:53:07,670 --> 00:53:06,160

about most things so to put all of this

1425

00:53:09,670 --> 00:53:07,680

out there on the table and say you know

1426

00:53:12,470 --> 00:53:09,680

what we really don't know

1427

00:53:14,549 --> 00:53:12,480

and we now need everyone in in the world

1428

00:53:17,190 --> 00:53:14,559

to sort of look at this with us and and

1429

00:53:18,950 --> 00:53:17,200

can put it together i think that is i

1430

00:53:20,710 --> 00:53:18,960

mean i can't imagine how they would

1431

00:53:23,190 --> 00:53:20,720

start that task that sounds really

1432

00:53:25,349 --> 00:53:23,200

challenging unless and this is where i

1433

00:53:27,109 --> 00:53:25,359

i'm i think i'm the most curious about

1434

00:53:36,790 --> 00:53:27,119

is

1435

00:53:38,790 --> 00:53:36,800

non-human intelligence happens to be

1436

00:53:41,109 --> 00:53:38,800

what role do they play

1437

00:53:43,430 --> 00:53:41,119

in us solving this puzzle are they going

1438

00:53:45,510 --> 00:53:43,440

to be a proactive role in helping us

1439

00:53:47,349 --> 00:53:45,520

answer these questions or are they going

1440

00:53:49,510 --> 00:53:47,359

to just sort of passively sit back and

1441

00:53:51,510 --> 00:53:49,520

see if we can put it together on our own

1442

00:53:54,309 --> 00:53:51,520

or or do we need to reach a certain

1443

00:53:56,870 --> 00:53:54,319

critical mass of interest uh to where

1444

00:54:00,390 --> 00:53:56,880

then this intelligence says okay now

1445

00:54:02,230 --> 00:54:00,400

that they've that 60 of the world is

1446

00:54:05,030 --> 00:54:02,240

you know interested in this and is open

1447

00:54:08,470 --> 00:54:05,040

to this concept this is an okay time for

1448

00:54:10,790 --> 00:54:08,480

us to you know be more actively involved

1449

00:54:13,030 --> 00:54:10,800

in the truth and revealing whatever it

1450

00:54:15,349 --> 00:54:13,040

may be i think that this is the journey

1451

00:54:17,030 --> 00:54:15,359

that we're now on that we we've made we

1452

00:54:19,190 --> 00:54:17,040

started making the these steps the

1453

00:54:20,790 --> 00:54:19,200

public is now a part of the the of this

1454

00:54:21,829 --> 00:54:20,800

journey in a way that has never been

1455

00:54:23,349 --> 00:54:21,839

before

1456

00:54:24,950 --> 00:54:23,359

and now it's for me it's like what is

1457

00:54:26,150 --> 00:54:24,960

the timeline you know how long do we

1458

00:54:29,190 --> 00:54:26,160

have to walk

1459

00:54:30,950 --> 00:54:29,200

uh together and bring other people along

1460

00:54:32,549 --> 00:54:30,960

with us it's sort of like forrest gump

1461

00:54:33,910 --> 00:54:32,559

when he takes the run across the country

1462

00:54:35,910 --> 00:54:33,920

and you know people start joining him on

1463

00:54:38,470 --> 00:54:35,920

the run you know how many people do we

1464

00:54:40,630 --> 00:54:38,480

need to get on that run before it starts

1465

00:54:42,630 --> 00:54:40,640

hitting the news and it's a real thing

1466

00:54:44,230 --> 00:54:42,640

it's and it's a movement right so i

1467

00:54:45,910 --> 00:54:44,240

really don't think we're quite at that

1468

00:54:48,870 --> 00:54:45,920

point yet i think we're still at a sort

1469

00:54:50,710 --> 00:54:48,880

of niche you know fringe interest

1470

00:54:52,390 --> 00:54:50,720

although you know interestingly every

1471

00:54:55,030 --> 00:54:52,400

time that the mainstream media picks

1472

00:54:56,549 --> 00:54:55,040

this up they get a ton of eyeballs on

1473

00:54:58,150 --> 00:54:56,559

that and the new york times will tell

1474

00:55:01,030 --> 00:54:58,160

you like one of their most

1475

00:55:01,829 --> 00:55:01,040

read articles is still that 2017 article

1476

00:55:03,510 --> 00:55:01,839

so

1477

00:55:05,349 --> 00:55:03,520

you know they're the interest is there

1478

00:55:07,829 --> 00:55:05,359

but maybe we don't quite have uh we're

1479

00:55:10,950 --> 00:55:07,839

not at the place yet to where we can

1480

00:55:13,430 --> 00:55:10,960

really have that mature conversation

1481

00:55:15,510 --> 00:55:13,440

now i want to i want to bring bella over

1482

00:55:17,430 --> 00:55:15,520

to see lampie but bella

1483

00:55:19,589 --> 00:55:17,440

bella is like crashed out over there it

1484

00:55:23,349 --> 00:55:19,599

doesn't look like she wants to get up

1485

00:55:24,390 --> 00:55:23,359

but um okay my roundup is is uh as

1486

00:55:28,230 --> 00:55:24,400

follows

1487

00:55:29,670 --> 00:55:28,240

um i agree with with both of your points

1488

00:55:30,950 --> 00:55:29,680

i don't think obviously i don't think

1489

00:55:33,589 --> 00:55:30,960

they know everything they don't know

1490

00:55:35,910 --> 00:55:33,599

where these craft are from i believe

1491

00:55:38,950 --> 00:55:35,920

okay so here's what i think

1492

00:55:42,230 --> 00:55:38,960

i believe that based on the evidence

1493

00:55:45,670 --> 00:55:42,240

shows that there are these uas craft

1494

00:55:47,829 --> 00:55:45,680

their craft uh that appear not to go in

1495

00:55:49,670 --> 00:55:47,839

the water uh there are these very very

1496

00:55:51,430 --> 00:55:49,680

large craft that people have seen

1497

00:55:52,230 --> 00:55:51,440

particularly where i grew up

1498

00:55:54,630 --> 00:55:52,240

so

1499

00:55:57,109 --> 00:55:54,640

i think the government is aware

1500

00:55:59,750 --> 00:55:57,119

of all of these sightings and has

1501  
00:56:02,710 --> 00:55:59,760  
collected probably pieces of these

1502  
00:56:06,710 --> 00:56:02,720  
i am one i know

1503  
00:56:09,510 --> 00:56:06,720  
just enough about area 51 or groom lake

1504  
00:56:10,950 --> 00:56:09,520  
test range to know that

1505  
00:56:13,670 --> 00:56:10,960  
and i'm going to counter something i

1506  
00:56:16,069 --> 00:56:13,680  
heard on twitter they could hi i assure

1507  
00:56:17,589 --> 00:56:16,079  
you of this i'm positive of this i i

1508  
00:56:19,270 --> 00:56:17,599  
can't tell you what they have there i

1509  
00:56:20,630 --> 00:56:19,280  
could tell you they could hide something

1510  
00:56:23,510 --> 00:56:20,640  
there

1511  
00:56:24,390 --> 00:56:23,520  
until you die and your kids die like

1512  
00:56:27,910 --> 00:56:24,400  
that

1513  
00:56:29,109 --> 00:56:27,920

what we're looking at because it's been

1514

00:56:32,470 --> 00:56:29,119

there since

1515

00:56:34,390 --> 00:56:32,480

what 49 50 something like that

1516

00:56:36,549 --> 00:56:34,400

so um

1517

00:56:38,789 --> 00:56:36,559

so yes if they had something that would

1518

00:56:42,069 --> 00:56:38,799

be the place that you would put it uh

1519

00:56:44,470 --> 00:56:42,079

and i have a fair degree of confidence

1520

00:56:47,349 --> 00:56:44,480

that something like that probably

1521

00:56:50,789 --> 00:56:47,359

if it exists it exists there it probably

1522

00:56:52,870 --> 00:56:50,799

exists i can't say i'm 100 sure in terms

1523

00:56:55,349 --> 00:56:52,880

of a contractor having something like

1524

00:56:57,910 --> 00:56:55,359

bigelow aerospace or lockheed martin i

1525

00:56:59,510 --> 00:56:57,920

can also assure you if there was a craft

1526

00:57:02,549 --> 00:56:59,520

it would not be in one of those

1527

00:57:04,870 --> 00:57:02,559

facilities full stop a piece of metal

1528

00:57:08,150 --> 00:57:04,880

sure a couple of pieces here a couple

1529

00:57:09,990 --> 00:57:08,160

pieces there you guys examine this yes

1530

00:57:11,030 --> 00:57:10,000

something that you could walk somebody

1531

00:57:13,109 --> 00:57:11,040

by and they'd look at it and they

1532

00:57:15,750 --> 00:57:13,119

wouldn't know what it is but if there is

1533

00:57:17,670 --> 00:57:15,760

a craft that's anywhere near intact it

1534

00:57:19,750 --> 00:57:17,680

is going to be in a facility that nobody

1535

00:57:22,470 --> 00:57:19,760

can see and that would be a place like

1536

00:57:24,829 --> 00:57:22,480

the groom lake test range china lake

1537

00:57:28,230 --> 00:57:24,839

ripat underground places things like

1538

00:57:31,430 --> 00:57:28,240

that uh particularly uh it's well

1539

00:57:33,670 --> 00:57:31,440

traveled at uh at right pat but at a

1540

00:57:35,510 --> 00:57:33,680

place like room lake you can't even you

1541

00:57:37,589 --> 00:57:35,520

can't even overfly it

1542

00:57:39,430 --> 00:57:37,599

like you can't fly over top of that

1543

00:57:42,390 --> 00:57:39,440

range right

1544

00:57:45,430 --> 00:57:42,400

you know if you're an airliner

1545

00:57:47,510 --> 00:57:45,440

yeah so so i i agree with you guys i

1546

00:57:48,630 --> 00:57:47,520

don't think they know everything at all

1547

00:57:50,230 --> 00:57:48,640

i don't think they know where these

1548

00:57:52,870 --> 00:57:50,240

things are from i don't think they've

1549

00:57:55,430 --> 00:57:52,880

been successful in bat back engineering

1550

00:57:57,109 --> 00:57:55,440

any significant part of them that would

1551  
00:57:59,190 --> 00:57:57,119  
lead to something that looks like tic

1552  
00:58:00,950 --> 00:57:59,200  
tac because if that's the case

1553  
00:58:02,470 --> 00:58:00,960  
then

1554  
00:58:04,390 --> 00:58:02,480  
you know i've been involved in

1555  
00:58:06,390 --> 00:58:04,400  
acquisition and we're buying airplanes

1556  
00:58:07,589 --> 00:58:06,400  
that are nowhere near what tic tac is

1557  
00:58:09,030 --> 00:58:07,599  
right so

1558  
00:58:11,190 --> 00:58:09,040  
i don't know why we would be doing that

1559  
00:58:13,990 --> 00:58:11,200  
if we could be buying something that

1560  
00:58:17,109 --> 00:58:14,000  
will performs like tic tac so

1561  
00:58:19,589 --> 00:58:17,119  
totally so so anyway let's go back to uh

1562  
00:58:21,430 --> 00:58:19,599  
anjali my friend let's go back to the

1563  
00:58:22,870 --> 00:58:21,440

you know people don't want to see this

1564

00:58:24,000 --> 00:58:22,880

you got to take the camera off there and

1565

00:58:25,670 --> 00:58:24,010

even

1566

00:58:26,549 --> 00:58:25,680

[Laughter]

1567

00:58:27,829 --> 00:58:26,559

so

1568

00:58:29,270 --> 00:58:27,839

um

1569

00:58:30,950 --> 00:58:29,280

so lampe let's go through this

1570

00:58:31,440 --> 00:58:30,960

chronologically

1571

00:58:32,789 --> 00:58:31,450

um

1572

00:58:34,470 --> 00:58:32,799

[Music]

1573

00:58:37,109 --> 00:58:34,480

if you go through this story from the

1574

00:58:39,430 --> 00:58:37,119

beginning tell me what resonates with

1575

00:58:40,630 --> 00:58:39,440

you what you have questions about i

1576

00:58:43,349 --> 00:58:40,640

don't know if you want to start at the

1577

00:58:44,150 --> 00:58:43,359

hospital room or back at the apartment

1578

00:58:46,470 --> 00:58:44,160

that

1579

00:58:48,549 --> 00:58:46,480

she was in as a contractor with her

1580

00:58:49,990 --> 00:58:48,559

daughter and and by the way i haven't

1581

00:58:51,990 --> 00:58:50,000

even seen i don't know her daughter's

1582

00:58:53,589 --> 00:58:52,000

twitter so i haven't seen anything about

1583

00:58:56,789 --> 00:58:53,599

what she has to say whatsoever i'll have

1584

00:58:58,230 --> 00:58:56,799

to talk to you about that offline but

1585

00:59:00,549 --> 00:58:58,240

well first of all i didn't realize her

1586

00:59:03,349 --> 00:59:00,559

daughter had a twitter so that is very

1587

00:59:04,950 --> 00:59:03,359

interesting information um if that gets

1588

00:59:06,230 --> 00:59:04,960

revealed i will definitely have to look

1589

00:59:07,990 --> 00:59:06,240

into that um

1590

00:59:09,829 --> 00:59:08,000

but yeah um

1591

00:59:13,829 --> 00:59:09,839

i think anjali is a very interesting

1592

00:59:15,589 --> 00:59:13,839

person like um i i know that uh

1593

00:59:16,710 --> 00:59:15,599

what i know that

1594

00:59:19,190 --> 00:59:16,720

some people have looked into our

1595

00:59:20,710 --> 00:59:19,200

background and it seems like she is

1596

00:59:22,630 --> 00:59:20,720

being honest at least about her

1597

00:59:23,670 --> 00:59:22,640

professional credentials that there

1598

00:59:24,950 --> 00:59:23,680

hasn't been

1599

00:59:26,150 --> 00:59:24,960

i know some people have called them into

1600

00:59:29,349 --> 00:59:26,160

question but no one's really found a

1601  
00:59:31,589 --> 00:59:29,359  
smoking gun against that and against

1602  
00:59:34,549 --> 00:59:31,599  
what she said and some people have found

1603  
00:59:35,750 --> 00:59:34,559  
corroborating evidence so um she

1604  
00:59:38,789 --> 00:59:35,760  
definitely at least worked for the

1605  
00:59:41,349 --> 00:59:38,799  
government in some capacity and

1606  
00:59:42,390 --> 00:59:41,359  
and just having seen her speak in person

1607  
00:59:44,150 --> 00:59:42,400  
she's

1608  
00:59:51,430 --> 00:59:44,160  
very

1609  
00:59:53,510 --> 00:59:51,440  
you just ran into her at a cafe and made

1610  
00:59:56,549 --> 00:59:53,520  
small talk with her she wouldn't strike

1611  
00:59:59,589 --> 00:59:56,559  
you as somebody weird or strange you

1612  
01:00:02,069 --> 00:59:59,599  
would just seem like a very nice mom

1613  
01:00:05,589 --> 01:00:03,910

so like if i saw her at a cafe and said

1614

01:00:07,910 --> 01:00:05,599

hey would you like to go to my house and

1615

01:00:09,670 --> 01:00:07,920

see an alien like that

1616

01:00:11,829 --> 01:00:09,680

i'm sorry it was just too close i was

1617

01:00:13,990 --> 01:00:11,839

right there yeah no no that's fine but

1618

01:00:16,309 --> 01:00:14,000

um but yeah like she she seems like a

1619

01:00:19,109 --> 01:00:16,319

very approachable person i think

1620

01:00:21,270 --> 01:00:19,119

but like but of course like

1621

01:00:23,510 --> 01:00:21,280

just because somebody is nice and just

1622

01:00:25,030 --> 01:00:23,520

because someone is intelligent doesn't

1623

01:00:27,829 --> 01:00:25,040

mean that they're necessarily

1624

01:00:30,309 --> 01:00:27,839

trustworthy and there are aspects of her

1625

01:00:31,030 --> 01:00:30,319

story that um

1626  
01:00:33,510 --> 01:00:31,040  
do

1627  
01:00:36,390 --> 01:00:33,520  
seem reminiscent of

1628  
01:00:37,990 --> 01:00:36,400  
cults and that are that are concerning

1629  
01:00:40,230 --> 01:00:38,000  
like specifically

1630  
01:00:42,230 --> 01:00:40,240  
her talk about how

1631  
01:00:44,789 --> 01:00:42,240  
the world is about to become

1632  
01:00:47,510 --> 01:00:44,799  
uninhabitable to

1633  
01:00:49,589 --> 01:00:47,520  
beings who inhabit these bodies and we

1634  
01:00:52,150 --> 01:00:49,599  
are going to have to ascend to a higher

1635  
01:00:53,270 --> 01:00:52,160  
density like that

1636  
01:00:55,510 --> 01:00:53,280  
sounds

1637  
01:00:58,870 --> 01:00:55,520  
very heaven's gatey that's very

1638  
01:01:01,430 --> 01:00:58,880

concerning to me um she sort of dropped

1639

01:01:03,670 --> 01:01:01,440

that line at the press conference and

1640

01:01:05,510 --> 01:01:03,680

then looked out at the reflecting pole

1641

01:01:07,190 --> 01:01:05,520

and was like oh look the ducks are so

1642

01:01:11,349 --> 01:01:07,200

pretty and i was like yes they are but

1643

01:01:21,190 --> 01:01:13,109

yeah i feel like like you should say

1644

01:01:25,430 --> 01:01:22,870

i also think that

1645

01:01:27,910 --> 01:01:25,440

her descriptions of what's going on with

1646

01:01:30,630 --> 01:01:27,920

wayne are very strange like the fact

1647

01:01:33,910 --> 01:01:30,640

that he and trisha have only been

1648

01:01:37,190 --> 01:01:33,920

given pseudonyms and apparently want to

1649

01:01:40,230 --> 01:01:37,200

remain anonymous and not be involved in

1650

01:01:42,549 --> 01:01:40,240

this and not have their location

1651  
01:01:44,789 --> 01:01:42,559  
revealed and on the one hand i i get

1652  
01:01:46,549 --> 01:01:44,799  
wanting your privacy like that that's

1653  
01:01:49,349 --> 01:01:46,559  
why i'm here in the giant alien eye

1654  
01:01:50,230 --> 01:01:49,359  
sunglasses going by initials but like

1655  
01:01:52,470 --> 01:01:50,240  
you

1656  
01:01:57,029 --> 01:01:52,480  
made contact with aliens

1657  
01:02:00,710 --> 01:01:57,039  
and or et's aliens is not pc anymore i

1658  
01:02:03,190 --> 01:02:00,720  
apologize uh i will post my notes app

1659  
01:02:05,109 --> 01:02:03,200  
apology on twitter uh

1660  
01:02:08,150 --> 01:02:05,119  
later and hopefully you won't cancel me

1661  
01:02:09,829 --> 01:02:08,160  
but he but he made contact

1662  
01:02:12,309 --> 01:02:09,839  
but he would like you more and more by

1663  
01:02:13,589 --> 01:02:12,319

the minute i'm sorry go ahead

1664

01:02:16,230 --> 01:02:13,599

thank you

1665

01:02:17,670 --> 01:02:16,240

but he made contact with et's they told

1666

01:02:19,990 --> 01:02:17,680

him to

1667

01:02:24,870 --> 01:02:20,000

drill into the mountain to find their

1668

01:02:27,270 --> 01:02:24,880

base um this this man um single-handedly

1669

01:02:29,750 --> 01:02:27,280

excavated a mountain in order to find

1670

01:02:33,109 --> 01:02:29,760

these aliens um

1671

01:02:37,109 --> 01:02:33,119

he brought in a random lady he met at a

1672

01:02:40,150 --> 01:02:37,119

cafe to meet them who was then told that

1673

01:02:43,589 --> 01:02:40,160

a new era is beginning because the world

1674

01:02:45,510 --> 01:02:43,599

is about to end and he's like i want to

1675

01:02:48,470 --> 01:02:45,520

be anonymous because my wife and i want

1676

01:02:52,950 --> 01:02:48,480

to keep living a cri private life like

1677

01:02:54,549 --> 01:02:52,960

man that ship has sailed like you're

1678

01:03:01,349 --> 01:02:54,559

like

1679

01:03:03,270 --> 01:03:01,359

this is the most significant event of

1680

01:03:05,990 --> 01:03:03,280

our lifetimes at least if not all of

1681

01:03:08,789 --> 01:03:06,000

human history and like you're worried

1682

01:03:10,870 --> 01:03:08,799

about people talking about you on the

1683

01:03:13,510 --> 01:03:10,880

internet like it just doesn't

1684

01:03:14,470 --> 01:03:13,520

make a lot of sense to me um

1685

01:03:17,750 --> 01:03:14,480

and

1686

01:03:19,990 --> 01:03:17,760

then anjali had her post today where she

1687

01:03:23,270 --> 01:03:20,000

sort of was heading off people

1688

01:03:25,270 --> 01:03:23,280

wanting to find the mountain on wayne's

1689

01:03:27,829 --> 01:03:25,280

property on their own and just sort of

1690

01:03:31,990 --> 01:03:27,839

post a thread talking about how like

1691

01:03:36,309 --> 01:03:32,000

wayne values his privacy um and also he

1692

01:03:39,190 --> 01:03:36,319

is um very well off and he has armed

1693

01:03:41,190 --> 01:03:39,200

guards outside of his place and he lives

1694

01:03:43,190 --> 01:03:41,200

in the in a mountain in the middle of

1695

01:03:44,950 --> 01:03:43,200

the desert

1696

01:03:46,630 --> 01:03:44,960

oh she's so pretty

1697

01:03:49,270 --> 01:03:46,640

but um

1698

01:03:50,870 --> 01:03:49,280

but but yeah um

1699

01:03:52,549 --> 01:03:50,880

and it

1700

01:03:53,589 --> 01:03:52,559

it just sounds

1701

01:03:57,029 --> 01:03:53,599

very

1702

01:04:00,150 --> 01:03:57,039

strange and to the point where i feel

1703

01:04:01,750 --> 01:04:00,160

like even if anjali brought back

1704

01:04:05,349 --> 01:04:01,760

definitive proof

1705

01:04:08,069 --> 01:04:05,359

of the aliens on this trip and like it

1706

01:04:10,789 --> 01:04:08,079

turned out that aspect of her story was

1707

01:04:12,390 --> 01:04:10,799

100 legit i would wonder if she's

1708

01:04:15,109 --> 01:04:12,400

not being completely truthful on the

1709

01:04:16,789 --> 01:04:15,119

wayne thing like i would wonder if

1710

01:04:19,910 --> 01:04:16,799

wayne is

1711

01:04:22,710 --> 01:04:19,920

sort of an alternate explanation for

1712

01:04:25,430 --> 01:04:22,720

a much more

1713

01:04:28,069 --> 01:04:25,440

powerful and resourced benefactor than

1714

01:04:30,549 --> 01:04:28,079

you would expect from just like one guy

1715

01:04:32,069 --> 01:04:30,559

who lives out in the desert with his

1716

01:04:34,470 --> 01:04:32,079

wife um

1717

01:04:37,750 --> 01:04:34,480

lampy i'm willing to go quid pro quo i

1718

01:04:39,109 --> 01:04:37,760

mean if she produces the aliens i'm okay

1719

01:04:40,630 --> 01:04:39,119

if wait

1720

01:04:42,870 --> 01:04:40,640

yeah like

1721

01:04:45,029 --> 01:04:42,880

you know and it could be wayne anybody

1722

01:04:46,789 --> 01:04:45,039

you know i mean i'm okay with it maybe

1723

01:04:49,029 --> 01:04:46,799

it'll be the return of wayne newton for

1724

01:04:51,109 --> 01:04:49,039

all i care about

1725

01:04:52,950 --> 01:04:51,119

yeah no that's that's totally fair but

1726

01:04:55,109 --> 01:04:52,960

yeah maybe it's batman guys could be

1727

01:04:57,829 --> 01:04:55,119

bruce wayne i mean lambie's got a high

1728

01:04:58,710 --> 01:04:57,839

standard not only does she want to see

1729

01:05:00,870 --> 01:04:58,720

four

1730

01:05:03,589 --> 01:05:00,880

fully fleshed aliens one of being an

1731

01:05:05,430 --> 01:05:03,599

eight foot tall lavender skin mantis

1732

01:05:09,190 --> 01:05:05,440

but she also wants to know wayne's

1733

01:05:12,390 --> 01:05:09,200

identity or this whole thing is a farce

1734

01:05:14,150 --> 01:05:12,400

no but i do think that like

1735

01:05:15,829 --> 01:05:14,160

i don't know i

1736

01:05:17,510 --> 01:05:15,839

that bothers you there's something about

1737

01:05:19,430 --> 01:05:17,520

you know what's interesting is

1738

01:05:22,710 --> 01:05:19,440

that is that actually is an interesting

1739

01:05:24,710 --> 01:05:22,720

point right nathan that bothers her yeah

1740

01:05:27,190 --> 01:05:24,720

no i get it i mean

1741

01:05:28,870 --> 01:05:27,200

there are a lot of points in this story

1742

01:05:31,430 --> 01:05:28,880

that are

1743

01:05:32,630 --> 01:05:31,440

uh head scratching to say the least i

1744

01:05:35,270 --> 01:05:32,640

think

1745

01:05:38,150 --> 01:05:35,280

at the same time since we've never had a

1746

01:05:39,670 --> 01:05:38,160

alien reveal before we have no benchmark

1747

01:05:41,589 --> 01:05:39,680

by which to judge what it would look

1748

01:05:42,470 --> 01:05:41,599

like so yeah you know this is sort of

1749

01:05:44,630 --> 01:05:42,480

where

1750

01:05:46,309 --> 01:05:44,640

i think um you know we're all going to

1751

01:05:48,390 --> 01:05:46,319

struggle right it's like we don't have

1752

01:05:50,470 --> 01:05:48,400

anything to really judge this against

1753

01:05:52,069 --> 01:05:50,480

other than other than

1754

01:05:55,589 --> 01:05:52,079

uh the

1755

01:05:56,630 --> 01:05:55,599

the number of instances in human history

1756

01:05:58,710 --> 01:05:56,640

where

1757

01:06:01,109 --> 01:05:58,720

individuals or groups of individuals

1758

01:06:02,710 --> 01:06:01,119

have made similar

1759

01:06:05,190 --> 01:06:02,720

proclamations

1760

01:06:07,510 --> 01:06:05,200

uh that have ended up being just

1761

01:06:10,470 --> 01:06:07,520

complete bogus um

1762

01:06:11,910 --> 01:06:10,480

and you know what i don't know if um

1763

01:06:13,910 --> 01:06:11,920

why i'm having this thought right now

1764

01:06:16,230 --> 01:06:13,920

but when i one of the earlier books that

1765

01:06:17,430 --> 01:06:16,240

i read when i started getting into this

1766

01:06:21,029 --> 01:06:17,440

topic

1767

01:06:22,630 --> 01:06:21,039

was uh john keels operation trojan horse

1768

01:06:23,829 --> 01:06:22,640

which i highly recommend if you haven't

1769

01:06:24,870 --> 01:06:23,839

read it you've got to read it it's

1770

01:06:26,630 --> 01:06:24,880

excellent

1771

01:06:28,390 --> 01:06:26,640

and what what keel

1772

01:06:29,829 --> 01:06:28,400

does he he goes through several

1773

01:06:32,069 --> 01:06:29,839

different

1774

01:06:34,549 --> 01:06:32,079

uh sort of accounts throughout history

1775

01:06:37,190 --> 01:06:34,559

and talks about some of the similarities

1776

01:06:39,190 --> 01:06:37,200

uh the of the those accounts and and

1777

01:06:41,510 --> 01:06:39,200

jacques valet does this as well in uh

1778

01:06:43,109 --> 01:06:41,520

passport to magonia talks about all

1779

01:06:44,950 --> 01:06:43,119

these sort of different stories and

1780

01:06:47,109 --> 01:06:44,960

they're very strange you know they're

1781

01:06:49,589 --> 01:06:47,119

very strange uh instances where people

1782

01:06:51,109 --> 01:06:49,599

have encounters with you know beings and

1783

01:06:53,270 --> 01:06:51,119

they tell people about it nobody

1784

01:06:55,430 --> 01:06:53,280

believes them the beings are weird they

1785

01:06:57,190 --> 01:06:55,440

do weird things that none of it really

1786

01:06:59,349 --> 01:06:57,200

may makes a lot of sense so you're kind

1787

01:07:01,190 --> 01:06:59,359

of left going like okay like was this a

1788

01:07:03,349 --> 01:07:01,200

real thing that happened

1789

01:07:06,230 --> 01:07:03,359

was this a made-up story

1790

01:07:09,510 --> 01:07:06,240

and if it was real and nothing came of

1791

01:07:11,589 --> 01:07:09,520

it what was the point of that right so

1792

01:07:13,349 --> 01:07:11,599

keel kind of gets at this

1793

01:07:16,309 --> 01:07:13,359

narrative that there's a trickster

1794

01:07:17,190 --> 01:07:16,319

component to the phenomenon that

1795

01:07:18,390 --> 01:07:17,200

uh

1796

01:07:20,390 --> 01:07:18,400

likes to

1797

01:07:23,589 --> 01:07:20,400

play with and

1798

01:07:25,910 --> 01:07:23,599

you know toy with humanity in a way

1799

01:07:27,910 --> 01:07:25,920

and so i think there it's a very real

1800

01:07:29,270 --> 01:07:27,920

possibility that this her experience

1801

01:07:31,670 --> 01:07:29,280

could have been real

1802

01:07:33,990 --> 01:07:31,680

and uh and very real to her

1803

01:07:35,750 --> 01:07:34,000

uh and when this expedition goes to

1804

01:07:38,069 --> 01:07:35,760

wherever it may be that none of it's

1805

01:07:40,150 --> 01:07:38,079

there right but it could still be very

1806

01:07:40,829 --> 01:07:40,160

real so it may have been something that

1807

01:07:44,230 --> 01:07:40,839

is

1808

01:07:45,829 --> 01:07:44,240

designed uh its whole its whole purpose

1809

01:07:48,710 --> 01:07:45,839

is designed to

1810

01:07:50,549 --> 01:07:48,720

uh create a controversy and and have

1811

01:07:51,589 --> 01:07:50,559

something kind of collapse in on on

1812

01:07:54,789 --> 01:07:51,599

itself

1813

01:07:57,829 --> 01:07:54,799

for reasons i don't understand but there

1814

01:07:59,910 --> 01:07:57,839

seems to be precedent for that

1815

01:08:02,309 --> 01:07:59,920

yeah i am i've definitely seen people

1816

01:08:05,109 --> 01:08:02,319

talk about that possibility that she's

1817

01:08:08,390 --> 01:08:05,119

not lying and she's not crazy but that

1818

01:08:10,789 --> 01:08:08,400

whatever she had contact with is not

1819

01:08:13,589 --> 01:08:10,799

something that can be trusted and

1820

01:08:16,070 --> 01:08:13,599

if that happens i think

1821

01:08:19,110 --> 01:08:16,080

i would i think that we'll have to see

1822

01:08:21,269 --> 01:08:19,120

what her reaction is because if she

1823

01:08:25,910 --> 01:08:21,279

comes forward and is like i

1824

01:08:29,189 --> 01:08:25,920

i believed this i was misled um i

1825

01:08:31,189 --> 01:08:29,199

and just sort of owns that then i would

1826

01:08:33,749 --> 01:08:31,199

hope people are

1827

01:08:36,229 --> 01:08:33,759

kind to her and that she doesn't

1828

01:08:38,709 --> 01:08:36,239

that that it doesn't ruin her life to

1829

01:08:39,829 --> 01:08:38,719

have come forward and given her

1830

01:08:42,149 --> 01:08:39,839

real name

1831

01:08:43,749 --> 01:08:42,159

i would hope that if

1832

01:08:46,789 --> 01:08:43,759

if she isn't able to produce the

1833

01:08:50,149 --> 01:08:46,799

evidence but she still holds herself out

1834

01:08:53,910 --> 01:08:50,159

as sort of being the conduit leading us

1835

01:08:55,749 --> 01:08:53,920

to a new era that people would call her

1836

01:08:57,669 --> 01:08:55,759

out on that um

1837

01:09:00,709 --> 01:08:57,679

but uh

1838

01:09:02,550 --> 01:09:00,719

but yeah either way i think that she has

1839

01:09:03,829 --> 01:09:02,560

promised she's going to go back by the

1840

01:09:06,870 --> 01:09:03,839

end of the year

1841

01:09:07,910 --> 01:09:06,880

and i'm hoping that one way or another

1842

01:09:10,309 --> 01:09:07,920

this

1843

01:09:11,910 --> 01:09:10,319

controversy is going to be resolved by

1844

01:09:15,430 --> 01:09:11,920

then like either

1845

01:09:18,829 --> 01:09:15,440

either she like pulls through um takes a

1846

01:09:21,430 --> 01:09:18,839

selfie with the lavender mantis and

1847

01:09:22,950 --> 01:09:21,440

like we're all gonna have to buy our

1848

01:09:23,910 --> 01:09:22,960

drinks or

1849

01:09:27,510 --> 01:09:23,920

um

1850

01:09:31,910 --> 01:09:27,520

she says like uh i was tricked and i was

1851  
01:09:34,950 --> 01:09:31,920  
wrong and i'm sorry for having um led

1852  
01:09:37,669 --> 01:09:34,960  
you on this wild goose chase or

1853  
01:09:39,829 --> 01:09:37,679  
or she um isn't able to produce

1854  
01:09:42,950 --> 01:09:39,839  
everything and doubles down and says

1855  
01:09:45,910 --> 01:09:42,960  
well actually the real aliens were the

1856  
01:09:46,829 --> 01:09:45,920  
friends we made along the way also by my

1857  
01:09:48,789 --> 01:09:46,839  
book

1858  
01:09:51,910 --> 01:09:48,799  
and repeat

1859  
01:09:52,709 --> 01:09:51,920  
and people like see that for what it is

1860  
01:09:55,430 --> 01:09:52,719  
and

1861  
01:09:57,510 --> 01:09:55,440  
stop listening to her but either way i

1862  
01:09:59,750 --> 01:09:57,520  
like those are the three options i think

1863  
01:10:01,750 --> 01:09:59,760

are on the table and i think no matter

1864

01:10:03,910 --> 01:10:01,760

what happens it's going to be over

1865

01:10:05,270 --> 01:10:03,920

quickly enough that i don't think it's

1866

01:10:07,750 --> 01:10:05,280

worth

1867

01:10:09,830 --> 01:10:07,760

damaging relationships permanently like

1868

01:10:11,110 --> 01:10:09,840

i don't even if you disagree with

1869

01:10:13,590 --> 01:10:11,120

someone on this even if you think

1870

01:10:14,950 --> 01:10:13,600

someone is being a huge jerk about this

1871

01:10:16,470 --> 01:10:14,960

like i

1872

01:10:19,110 --> 01:10:16,480

i

1873

01:10:21,030 --> 01:10:19,120

normally

1874

01:10:24,229 --> 01:10:21,040

see eye to eye

1875

01:10:25,270 --> 01:10:24,239

on this subject are sort of being driven

1876

01:10:26,950 --> 01:10:25,280

apart

1877

01:10:29,030 --> 01:10:26,960

by this controversy like there are

1878

01:10:32,229 --> 01:10:29,040

people who

1879

01:10:34,390 --> 01:10:32,239

are themselves experiencers who don't

1880

01:10:37,510 --> 01:10:34,400

believe her because her story doesn't

1881

01:10:39,270 --> 01:10:37,520

ring true to them or they think it's too

1882

01:10:40,070 --> 01:10:39,280

similar to

1883

01:10:42,310 --> 01:10:40,080

other

1884

01:10:45,030 --> 01:10:42,320

claims that have turned out to have been

1885

01:10:46,870 --> 01:10:45,040

made for abusive reasons and there are

1886

01:10:48,149 --> 01:10:46,880

some people who

1887

01:10:48,950 --> 01:10:48,159

are

1888

01:10:51,030 --> 01:10:48,960

not

1889

01:10:53,189 --> 01:10:51,040

usually into woo but are like like don't

1890

01:10:56,550 --> 01:10:53,199

be mean to her she's she'll produce it

1891

01:10:58,709 --> 01:10:56,560

or she won't so i i don't think that the

1892

01:11:01,030 --> 01:10:58,719

normal lines

1893

01:11:03,590 --> 01:11:01,040

of argument on ufo twitter are

1894

01:11:07,910 --> 01:11:03,600

necessarily the same ones being drawn

1895

01:11:09,750 --> 01:11:07,920

here and so i don't think it's worth

1896

01:11:11,430 --> 01:11:09,760

severing ties with someone you've been

1897

01:11:15,350 --> 01:11:11,440

friends with over

1898

01:11:17,669 --> 01:11:15,360

this one very unusual event

1899

01:11:19,430 --> 01:11:17,679

i've got i've got three things i want to

1900

01:11:21,270 --> 01:11:19,440

ask you about well first thing the first

1901

01:11:23,030 --> 01:11:21,280

thing is a proclamation i have

1902

01:11:25,189 --> 01:11:23,040

volunteered to go so i just want to say

1903

01:11:27,030 --> 01:11:25,199

that nathan make sure you take my make

1904

01:11:29,270 --> 01:11:27,040

sure you take my last name off of that

1905

01:11:31,350 --> 01:11:29,280

thing and just leave djs

1906

01:11:33,750 --> 01:11:31,360

i don't want to be out anyway i've i

1907

01:11:35,350 --> 01:11:33,760

volunteered to go uh with you anjali so

1908

01:11:37,270 --> 01:11:35,360

i just want to say that's where that's

1909

01:11:39,669 --> 01:11:37,280

where i'm at homegirl

1910

01:11:41,590 --> 01:11:39,679

and i'll provide security for you too

1911

01:11:42,950 --> 01:11:41,600

okay uh now i'm definitely she's not

1912

01:11:43,669 --> 01:11:42,960

gonna let me go

1913

01:11:47,830 --> 01:11:43,679

but

1914

01:11:49,910 --> 01:11:47,840

um i was gonna ask you um first of all

1915

01:11:52,390 --> 01:11:49,920

before i ask you i didn't know that

1916

01:11:53,350 --> 01:11:52,400

other experiences hers didn't believe

1917

01:11:55,669 --> 01:11:53,360

her

1918

01:11:56,950 --> 01:11:55,679

but i want to i mean yeah like like

1919

01:11:59,110 --> 01:11:56,960

there's something to do and there's some

1920

01:12:01,990 --> 01:11:59,120

that don't like it's just

1921

01:12:04,550 --> 01:12:02,000

like very very wide opinions on her lots

1922

01:12:05,910 --> 01:12:04,560

of people the most common one i think is

1923

01:12:07,990 --> 01:12:05,920

the most common opinion i think i've

1924

01:12:09,990 --> 01:12:08,000

seen is people who just sort of want to

1925

01:12:12,229 --> 01:12:10,000

wait and see

1926

01:12:14,870 --> 01:12:12,239

what she produces i think i've seen very

1927

01:12:18,310 --> 01:12:14,880

few people who are a hundred percent on

1928

01:12:20,310 --> 01:12:18,320

board right now um but i have i've seen

1929

01:12:23,189 --> 01:12:20,320

at least a couple of people who were

1930

01:12:25,030 --> 01:12:23,199

supportive of her who have since shifted

1931

01:12:28,149 --> 01:12:25,040

because they feel like the way she's

1932

01:12:32,870 --> 01:12:28,159

conducted herself on social media hasn't

1933

01:12:36,630 --> 01:12:33,669

yeah

1934

01:12:39,270 --> 01:12:36,640

but i i i kind of yield to to nathan

1935

01:12:41,830 --> 01:12:39,280

with that like there's and he and i have

1936

01:12:44,310 --> 01:12:41,840

this discussion i think the day i just

1937

01:12:47,750 --> 01:12:44,320

the day that you introduced me to anjali

1938

01:12:49,430 --> 01:12:47,760

because i was unaware of her um i said

1939

01:12:51,110 --> 01:12:49,440

you know it was a it wasn't that day but

1940

01:12:52,950 --> 01:12:51,120

it's a few days later i said i don't

1941

01:12:55,510 --> 01:12:52,960

think there's a way to tell this story

1942

01:12:57,669 --> 01:12:55,520

and not sound if this hat let's just say

1943

01:12:59,990 --> 01:12:57,679

that can we agree amongst the

1944

01:13:04,070 --> 01:13:00,000

triumvirate that sits here

1945

01:13:06,310 --> 01:13:04,080

where caesar pompeo magnus whatever

1946

01:13:08,630 --> 01:13:06,320

uh mark anthony

1947

01:13:12,550 --> 01:13:08,640

if if this

1948

01:13:13,669 --> 01:13:12,560

is this within the realm of possibility

1949

01:13:16,950 --> 01:13:13,679

sure

1950

01:13:19,270 --> 01:13:16,960

uh yes anything's possible okay so if

1951

01:13:21,430 --> 01:13:19,280

it's within the realm of possibility i

1952

01:13:24,070 --> 01:13:21,440

submit to you often nathan the back of

1953

01:13:24,870 --> 01:13:24,080

what nathan said there's no way

1954

01:13:31,350 --> 01:13:24,880

to

1955

01:13:33,030 --> 01:13:31,360

personally so not your daughter her

1956

01:13:34,950 --> 01:13:33,040

husband whatever

1957

01:13:37,110 --> 01:13:34,960

where it's not going to sound absolutely

1958

01:13:38,630 --> 01:13:37,120

crazy

1959

01:13:40,709 --> 01:13:38,640

is there a way

1960

01:13:43,110 --> 01:13:40,719

where women sound absolutely nuts

1961

01:13:48,070 --> 01:13:43,120

i think the only yeah they're degrees of

1962

01:13:51,910 --> 01:13:49,669

so it's sort of like a it's almost like

1963

01:13:54,229 --> 01:13:51,920

a court case in a sense like the more

1964

01:13:56,550 --> 01:13:54,239

evidence that you could provide the the

1965

01:13:59,350 --> 01:13:56,560

more likely that it would be a real

1966

01:14:01,669 --> 01:13:59,360

thing right so right now we only have uh

1967

01:14:03,990 --> 01:14:01,679

hearsay testimony you know we don't have

1968

01:14:06,550 --> 01:14:04,000

any sort of tangible evidence of any

1969

01:14:09,510 --> 01:14:06,560

kind other than her testimony

1970

01:14:11,910 --> 01:14:09,520

and so if she were to come back

1971

01:14:13,910 --> 01:14:11,920

and say well i actually i have a you

1972

01:14:16,550 --> 01:14:13,920

know here's the here's the full name and

1973

01:14:18,470 --> 01:14:16,560

address of the of wayne and and trish or

1974

01:14:20,070 --> 01:14:18,480

whatever you know here's where i went

1975

01:14:22,470 --> 01:14:20,080

here's how it here's you can see it's

1976

01:14:24,229 --> 01:14:22,480

adjacent to the mountain you can

1977

01:14:27,189 --> 01:14:24,239

that would be something that would add

1978

01:14:29,830 --> 01:14:27,199

another layer of credibility to the

1979

01:14:32,870 --> 01:14:29,840

story um i do think it's interesting

1980

01:14:36,550 --> 01:14:32,880

that she has family who have they have

1981

01:14:38,470 --> 01:14:36,560

not been vocally uh as far as i can tell

1982

01:14:40,870 --> 01:14:38,480

and i i have only recently also heard

1983

01:14:44,070 --> 01:14:40,880

that she had a daughter on twitter but i

1984

01:14:47,270 --> 01:14:44,080

haven't heard of any instance where they

1985

01:14:48,229 --> 01:14:47,280

are coming out in in opposition to her

1986

01:14:49,910 --> 01:14:48,239

story

1987

01:14:52,870 --> 01:14:49,920

so that

1988

01:14:55,189 --> 01:14:52,880

brings another layer of credibility to

1989

01:14:56,630 --> 01:14:55,199

it that if she has shared this she's put

1990

01:14:57,910 --> 01:14:56,640

herself out there she's put her family

1991

01:14:59,750 --> 01:14:57,920

name out there

1992

01:15:01,990 --> 01:14:59,760

if they haven't come forward and said

1993

01:15:05,030 --> 01:15:02,000

you know we really need to take care of

1994

01:15:06,550 --> 01:15:05,040

of anjali here you know

1995

01:15:08,870 --> 01:15:06,560

i mean i don't think i would come

1996

01:15:10,229 --> 01:15:08,880

forward like even if i didn't believe

1997

01:15:12,950 --> 01:15:10,239

the story like i don't think i'd

1998

01:15:16,390 --> 01:15:12,960

spontaneously go on twitter and be like

1999

01:15:17,830 --> 01:15:16,400

guys my mom is nuts like i think i would

2000

01:15:20,470 --> 01:15:17,840

just well i guess

2001

01:15:22,870 --> 01:15:20,480

entirely i think it depends though in

2002

01:15:24,630 --> 01:15:22,880

the sense that um

2003

01:15:26,149 --> 01:15:24,640

you know what what what is at stake i

2004

01:15:28,229 --> 01:15:26,159

suppose right you know i think you have

2005

01:15:30,470 --> 01:15:28,239

to answer that that question if if it's

2006

01:15:32,470 --> 01:15:30,480

just the disappointment of some twitter

2007

01:15:34,709 --> 01:15:32,480

people you know maybe that's not a big

2008

01:15:36,149 --> 01:15:34,719

deal and you're right it's not worth you

2009

01:15:37,669 --> 01:15:36,159

know kind of putting yourself out there

2010

01:15:38,870 --> 01:15:37,679

but if it's more than that if it's

2011

01:15:42,070 --> 01:15:38,880

somebody who

2012

01:15:45,189 --> 01:15:42,080

uh you know is is making literal plans

2013

01:15:47,830 --> 01:15:45,199

this year to do xyz based on the

2014

01:15:49,590 --> 01:15:47,840

imminent disclosure of whatever it is

2015

01:15:50,470 --> 01:15:49,600

you know they're spending money on it

2016

01:15:52,870 --> 01:15:50,480

they're

2017

01:15:54,790 --> 01:15:52,880

changing their will and testament to you

2018

01:15:56,149 --> 01:15:54,800

know to to whatever's going to happen

2019

01:15:57,750 --> 01:15:56,159

that they think will happen you know

2020

01:16:00,149 --> 01:15:57,760

there are all these things that the

2021

01:16:03,030 --> 01:16:00,159

people will do and so you know what

2022

01:16:03,990 --> 01:16:03,040

responsibility do you have to those

2023

01:16:05,189 --> 01:16:04,000

people

2024

01:16:07,350 --> 01:16:05,199

uh to

2025

01:16:10,070 --> 01:16:07,360

to prevent them from making those large

2026

01:16:11,350 --> 01:16:10,080

decisions if you happen to have

2027

01:16:13,430 --> 01:16:11,360

knowledge that it's

2028

01:16:16,310 --> 01:16:13,440

a fraud you know mm-hmm

2029

01:16:18,470 --> 01:16:16,320

well i'd i'd have to wrestle with that

2030

01:16:22,630 --> 01:16:18,480

she obviously you know i mean in her

2031

01:16:24,709 --> 01:16:22,640

mind this this this happened i mean

2032

01:16:27,790 --> 01:16:24,719

so i mean there's no doubt in her mind

2033

01:16:29,350 --> 01:16:27,800

but what i was gonna ask lampy regarding

2034

01:16:30,550 --> 01:16:29,360

experiencers

2035

01:16:32,709 --> 01:16:30,560

is if

2036

01:16:34,950 --> 01:16:32,719

you think that somebody sees a being

2037

01:16:36,790 --> 01:16:34,960

because for example like terry loveless

2038

01:16:39,590 --> 01:16:36,800

describes a being that looks very

2039

01:16:41,430 --> 01:16:39,600

similar to the being that that anjali

2040

01:16:42,390 --> 01:16:41,440

described i'm sure you've read different

2041

01:16:45,510 --> 01:16:42,400

accounts

2042

01:16:48,630 --> 01:16:45,520

do you find that that one could be

2043

01:16:49,590 --> 01:16:48,640

causal in the other that somebody if if

2044

01:16:51,750 --> 01:16:49,600

something

2045

01:16:53,830 --> 01:16:51,760

and i'm not saying this is necessarily

2046

01:16:55,350 --> 01:16:53,840

applies to anjali or any

2047

01:16:57,189 --> 01:16:55,360

but there are several people who said

2048

01:16:59,510 --> 01:16:57,199

they've seen mantises

2049

01:17:00,390 --> 01:16:59,520

um do you believe that

2050

01:17:05,030 --> 01:17:00,400

that

2051

01:17:07,189 --> 01:17:05,040

happening within your mind making it

2052

01:17:09,669 --> 01:17:07,199

very real that you're getting it from

2053

01:17:11,110 --> 01:17:09,679

somebody else you think that's possible

2054

01:17:13,830 --> 01:17:11,120

yeah like it's very difficult because

2055

01:17:15,750 --> 01:17:13,840

like like you said a lot of accounts

2056

01:17:18,070 --> 01:17:15,760

report things that look very similar

2057

01:17:19,990 --> 01:17:18,080

like mantises um

2058

01:17:21,830 --> 01:17:20,000

tall whites grays like those are the

2059

01:17:23,350 --> 01:17:21,840

three i remember her mentioning in her

2060

01:17:25,270 --> 01:17:23,360

press conference and those are three

2061

01:17:28,470 --> 01:17:25,280

very common things to report and it's

2062

01:17:30,709 --> 01:17:28,480

like is everyone reporting this because

2063

01:17:32,070 --> 01:17:30,719

these are the aliens that exist or is

2064

01:17:34,310 --> 01:17:32,080

are they reporting this because they're

2065

01:17:36,470 --> 01:17:34,320

ripping off each other and i don't think

2066

01:17:40,149 --> 01:17:36,480

that there's an easy way to answer this

2067

01:17:42,950 --> 01:17:40,159

question without more evidence um

2068

01:17:44,390 --> 01:17:42,960

i will say that um

2069

01:17:46,709 --> 01:17:44,400

for me

2070

01:17:49,350 --> 01:17:46,719

i don't think there's a way to report an

2071

01:17:51,030 --> 01:17:49,360

experience like anjali claims that

2072

01:17:53,590 --> 01:17:51,040

doesn't sound crazy like even if it

2073

01:17:55,990 --> 01:17:53,600

happened but i do think there's room to

2074

01:17:59,510 --> 01:17:56,000

scrutinize sort of

2075

01:18:02,310 --> 01:17:59,520

the way she conducts herself

2076

01:18:04,310 --> 01:18:02,320

after the experience so for example like

2077

01:18:08,229 --> 01:18:04,320

the way she talks to people on twitter

2078

01:18:12,709 --> 01:18:08,239

and read it sort of the way she

2079

01:18:15,510 --> 01:18:12,719

like plans the event because one thing i

2080

01:18:16,470 --> 01:18:15,520

keep coming back to is that if this is

2081

01:18:18,709 --> 01:18:16,480

true

2082

01:18:23,350 --> 01:18:18,719

it is

2083

01:18:25,990 --> 01:18:23,360

important thing that is going on

2084

01:18:29,590 --> 01:18:26,000

in the world right now because it has

2085

01:18:32,149 --> 01:18:29,600

consequences for all of humanity and

2086

01:18:39,510 --> 01:18:35,510

and she's saying that she's going to

2087

01:18:43,030 --> 01:18:39,520

have this expedition and that she is

2088

01:18:44,950 --> 01:18:43,040

committed to doing that and she posts um

2089

01:18:48,149 --> 01:18:44,960

she posts affirmations that she's

2090

01:18:51,510 --> 01:18:48,159

channeling from the beings allegedly but

2091

01:18:53,669 --> 01:18:51,520

i don't get the sense of urgency that i

2092

01:18:54,550 --> 01:18:53,679

think the situation

2093

01:18:55,510 --> 01:18:54,560

would

2094

01:18:58,630 --> 01:18:55,520

merit

2095

01:18:59,669 --> 01:18:58,640

and i think that she

2096

01:19:02,390 --> 01:18:59,679

is

2097

01:19:04,870 --> 01:19:02,400

i think she's overly

2098

01:19:07,830 --> 01:19:04,880

invested in worrying about

2099

01:19:09,510 --> 01:19:07,840

really trivial stuff like i saw that she

2100

01:19:11,189 --> 01:19:09,520

unblocked everyone that she blocked and

2101

01:19:14,229 --> 01:19:11,199

i respect that i

2102

01:19:17,669 --> 01:19:14,239

um but up until that point she was

2103

01:19:20,310 --> 01:19:17,679

getting increasingly frazzled um lashing

2104

01:19:22,310 --> 01:19:20,320

out at people on twitter and on reddit

2105

01:19:25,910 --> 01:19:22,320

um even like banning people from her

2106

01:19:28,950 --> 01:19:25,920

subreddit for like stuff that was fairly

2107

01:19:31,189 --> 01:19:28,960

minor in terms of questioning her and

2108

01:19:32,709 --> 01:19:31,199

and on the one hand i get that she's

2109

01:19:33,590 --> 01:19:32,719

under a lot of scrutiny and some people

2110

01:19:35,189 --> 01:19:33,600

have been

2111

01:19:37,510 --> 01:19:35,199

very mean in the way that they've

2112

01:19:39,110 --> 01:19:37,520

criticized her like i've seen people

2113

01:19:42,310 --> 01:19:39,120

make um

2114

01:19:43,910 --> 01:19:42,320

make comments like accusing her of um

2115

01:19:46,070 --> 01:19:43,920

faking needing a wheelchair which i

2116

01:19:48,950 --> 01:19:46,080

don't think is ever appropriate to

2117

01:19:51,830 --> 01:19:48,960

accuse someone of i've seen people like

2118

01:19:54,229 --> 01:19:51,840

make comments like like oh it's like oh

2119

01:19:56,630 --> 01:19:54,239

she's so like oh she's hot too bad she's

2120

01:19:58,550 --> 01:19:56,640

crazy like like don't like don't be

2121

01:19:59,350 --> 01:19:58,560

sexist guys like what would your mother

2122

01:20:01,270 --> 01:19:59,360

think

2123

01:20:05,910 --> 01:20:01,280

but um

2124

01:20:08,709 --> 01:20:05,920

but at the same time like you're

2125

01:20:11,430 --> 01:20:08,719

you met aliens you are currently

2126  
01:20:14,870 --> 01:20:11,440  
channeling them like they have chosen

2127  
01:20:17,669 --> 01:20:14,880  
you to lead us into our ascension to a

2128  
01:20:20,709 --> 01:20:17,679  
higher density and you are worried about

2129  
01:20:24,629 --> 01:20:20,719  
people being mean to you on the internet

2130  
01:20:26,950 --> 01:20:24,639  
like i mean the last time somebody had

2131  
01:20:30,470 --> 01:20:26,960  
revelations of this significance they

2132  
01:20:32,950 --> 01:20:30,480  
got crucified and you're upset because

2133  
01:20:36,390 --> 01:20:32,960  
somebody with 200 followers on twitter

2134  
01:20:39,990 --> 01:20:36,400  
and an x-files profile picture is saying

2135  
01:20:43,510 --> 01:20:40,000  
unkind things about you like i

2136  
01:20:46,629 --> 01:20:45,669  
i don't know i feel like

2137  
01:20:48,629 --> 01:20:46,639  
if

2138  
01:20:51,189 --> 01:20:48,639

i can't say what i would do in this

2139

01:20:54,950 --> 01:20:51,199

situation obviously because it's so

2140

01:20:55,750 --> 01:20:54,960

beyond anything that anyone's

2141

01:20:57,990 --> 01:20:55,760

like

2142

01:20:58,830 --> 01:20:58,000

confirmed to have experienced but i

2143

01:21:03,350 --> 01:20:58,840

think

2144

01:21:04,390 --> 01:21:03,360

that i would expect her to

2145

01:21:08,149 --> 01:21:04,400

be

2146

01:21:11,830 --> 01:21:08,159

so singularly focused on this

2147

01:21:13,990 --> 01:21:11,840

history changing event and not getting

2148

01:21:16,310 --> 01:21:14,000

bogged down in internet drama and not

2149

01:21:20,229 --> 01:21:16,320

dragging her feet on and building the

2150

01:21:21,870 --> 01:21:20,239

team just sort of like getting out there

2151  
01:21:25,270 --> 01:21:21,880  
getting these

2152  
01:21:27,270 --> 01:21:25,280  
extraterrestrials to like

2153  
01:21:29,030 --> 01:21:27,280  
come to the press conference with her

2154  
01:21:31,350 --> 01:21:29,040  
and announce their intentions to the

2155  
01:21:33,430 --> 01:21:31,360  
world and like hit the ground running on

2156  
01:21:36,629 --> 01:21:33,440  
what we need to do to

2157  
01:21:40,550 --> 01:21:36,639  
ascend to our higher density before we

2158  
01:21:43,110 --> 01:21:40,560  
are all sol like like come on

2159  
01:21:45,669 --> 01:21:43,120  
and i want to say i want to say that

2160  
01:21:47,669 --> 01:21:45,679  
the first part of that story that i

2161  
01:21:50,790 --> 01:21:47,679  
found problematic is what you did is

2162  
01:21:53,030 --> 01:21:50,800  
about the excavation of the tunnel

2163  
01:21:55,510 --> 01:21:53,040

i don't know if she asked him

2164

01:21:58,870 --> 01:21:55,520

specifically did someone from your

2165

01:22:00,629 --> 01:21:58,880

company come out and help you do this

2166

01:22:02,310 --> 01:22:00,639

i don't see why it would be unreasonable

2167

01:22:04,390 --> 01:22:02,320

that he couldn't have had

2168

01:22:06,149 --> 01:22:04,400

people that work from him come out and

2169

01:22:08,790 --> 01:22:06,159

help him make that tunnel i'd i would

2170

01:22:11,189 --> 01:22:08,800

find that problematic that one man could

2171

01:22:13,510 --> 01:22:11,199

make that if she was walking through a

2172

01:22:16,070 --> 01:22:13,520

tunnel for five to ten minutes and of

2173

01:22:18,950 --> 01:22:16,080

course if this happened i mean your your

2174

01:22:20,550 --> 01:22:18,960

sense of time is gonna be very skewed at

2175

01:22:22,629 --> 01:22:20,560

that moment you know you're not gonna

2176  
01:22:24,629 --> 01:22:22,639  
know how long you were in that tunnel i

2177  
01:22:27,189 --> 01:22:24,639  
mean it could have been a minute it

2178  
01:22:29,750 --> 01:22:27,199  
could have been five minutes you know

2179  
01:22:31,270 --> 01:22:29,760  
but i agree with you that i found that

2180  
01:22:33,510 --> 01:22:31,280  
problematic but

2181  
01:22:36,550 --> 01:22:33,520  
that may not have been something that

2182  
01:22:38,950 --> 01:22:36,560  
she drilled down on with him you get it

2183  
01:22:41,510 --> 01:22:38,960  
excavation metaphor sorry

2184  
01:22:44,629 --> 01:22:43,189  
i actually asked her at the press

2185  
01:22:46,950 --> 01:22:44,639  
conference um

2186  
01:22:50,790 --> 01:22:46,960  
a question about wayne because uh i was

2187  
01:22:53,510 --> 01:22:50,800  
curious how he had gotten in touch with

2188  
01:22:55,990 --> 01:22:53,520

the ets because he her story is that

2189

01:22:57,110 --> 01:22:56,000

like he saw the ufo he was curious about

2190

01:22:59,270 --> 01:22:57,120

it he

2191

01:23:02,149 --> 01:22:59,280

went out every night to try and contact

2192

01:23:03,910 --> 01:23:02,159

it and then eventually the occupants of

2193

01:23:05,669 --> 01:23:03,920

the ufo told him like we're in the

2194

01:23:06,470 --> 01:23:05,679

mountain go dig to the center of the

2195

01:23:08,550 --> 01:23:06,480

mountain

2196

01:23:10,470 --> 01:23:08,560

and so i asked her like how he

2197

01:23:13,189 --> 01:23:10,480

established contact with them like did

2198

01:23:15,510 --> 01:23:13,199

he do something to make the first move

2199

01:23:18,149 --> 01:23:15,520

or did they just reach out to him via

2200

01:23:20,149 --> 01:23:18,159

conscious contact like she describes and

2201

01:23:24,310 --> 01:23:20,159

she said that she and she told me that

2202

01:23:27,110 --> 01:23:24,320

she hadn't um really discussed in depth

2203

01:23:28,950 --> 01:23:27,120

those questions with him like she was

2204

01:23:31,030 --> 01:23:28,960

just sort of like she heard the story

2205

01:23:33,590 --> 01:23:31,040

and was immediately eager to go to the

2206

01:23:36,149 --> 01:23:33,600

mountain which i understand that but i

2207

01:23:38,470 --> 01:23:36,159

don't really get why they didn't talk

2208

01:23:41,110 --> 01:23:38,480

more about it after they got back from

2209

01:23:43,189 --> 01:23:41,120

the mountain and she's also indicated

2210

01:23:43,990 --> 01:23:43,199

that she hasn't been in touch with him

2211

01:23:47,350 --> 01:23:44,000

for

2212

01:23:50,790 --> 01:23:47,360

a long time at this point which also

2213

01:23:53,510 --> 01:23:50,800

seems very strange like this seems like

2214

01:23:54,870 --> 01:23:53,520

being two of the only people who

2215

01:23:56,950 --> 01:23:54,880

know about

2216

01:23:59,510 --> 01:23:56,960

extraterrestrials having a presence on

2217

01:24:01,910 --> 01:23:59,520

earth seems like the sort of

2218

01:24:03,669 --> 01:24:01,920

experience that creates a bond that you

2219

01:24:05,830 --> 01:24:03,679

don't just like

2220

01:24:08,550 --> 01:24:05,840

just go away so

2221

01:24:11,830 --> 01:24:08,560

right yeah um completely

2222

01:24:13,669 --> 01:24:11,840

you ask great questions man

2223

01:24:15,510 --> 01:24:13,679

i mean no i love that i love that

2224

01:24:17,030 --> 01:24:15,520

analysis um

2225

01:24:18,870 --> 01:24:17,040

you know and for me and

2226

01:24:19,830 --> 01:24:18,880

dj will tell you this like

2227

01:24:54,470 --> 01:24:19,840

i

2228

01:24:56,790 --> 01:24:54,480

uh and and what are the

2229

01:24:59,270 --> 01:24:56,800

what are the checklist of things

2230

01:25:01,189 --> 01:24:59,280

that the community needs to see in order

2231

01:25:02,149 --> 01:25:01,199

for for us

2232

01:25:05,750 --> 01:25:02,159

to say

2233

01:25:08,149 --> 01:25:05,760

yeah this is a credible uh person i i

2234

01:25:10,790 --> 01:25:08,159

trust this person's experience like a la

2235

01:25:13,990 --> 01:25:10,800

whit whitley strieber or travis walton

2236

01:25:16,629 --> 01:25:14,000

or other big name experiencers who who

2237

01:25:19,669 --> 01:25:16,639

have recounted whatever it is you know

2238

01:25:21,030 --> 01:25:19,679

what gives those experiences and stories

2239

01:25:22,390 --> 01:25:21,040

credibility

2240

01:25:24,310 --> 01:25:22,400

against

2241

01:25:27,430 --> 01:25:24,320

this particular story you know so i

2242

01:25:30,790 --> 01:25:27,440

think we needed we need a conversation

2243

01:25:34,709 --> 01:25:30,800

about this type of criteria

2244

01:25:37,110 --> 01:25:34,719

because going forward uh it's possible

2245

01:25:39,189 --> 01:25:37,120

that uh there will be more stories like

2246

01:25:41,590 --> 01:25:39,199

this and so do we

2247

01:25:44,310 --> 01:25:41,600

you know to to what extent do we give

2248

01:25:46,550 --> 01:25:44,320

air time uh or tweet time or whatever it

2249

01:25:47,590 --> 01:25:46,560

is uh to the next

2250

01:25:50,950 --> 01:25:47,600

story

2251

01:25:52,790 --> 01:25:50,960

uh and spend energy and effort kind of

2252

01:25:54,390 --> 01:25:52,800

following it dissecting it whatever it

2253

01:25:56,390 --> 01:25:54,400

is uh

2254

01:25:59,110 --> 01:25:56,400

as opposed to letting it just kind of

2255

01:26:01,030 --> 01:25:59,120

come and go and wash over us you know

2256

01:26:03,270 --> 01:26:01,040

as a community and you know we're

2257

01:26:05,189 --> 01:26:03,280

weighing this against you know the

2258

01:26:07,030 --> 01:26:05,199

government disclosure component so i

2259

01:26:08,550 --> 01:26:07,040

said we have a chat you know in the on

2260

01:26:09,830 --> 01:26:08,560

the on the live stream and put it up

2261

01:26:11,990 --> 01:26:09,840

here

2262

01:26:13,590 --> 01:26:12,000

from gabriel so hey gabriel you know

2263

01:26:15,990 --> 01:26:13,600

he's saying he's saying that you know

2264

01:26:18,390 --> 01:26:16,000

she's running interference against the

2265

01:26:20,550 --> 01:26:18,400

government disclosure narrative so the

2266

01:26:23,350 --> 01:26:20,560

kind of a competing thing but you know i

2267

01:26:26,950 --> 01:26:23,360

would argue that the experienter stories

2268

01:26:29,270 --> 01:26:26,960

are always running some kind of counter

2269

01:26:31,669 --> 01:26:29,280

uh narrative to

2270

01:26:33,430 --> 01:26:31,679

uh state truth you know

2271

01:26:35,590 --> 01:26:33,440

so uh

2272

01:26:37,110 --> 01:26:35,600

you know how do we weigh those two

2273

01:26:38,470 --> 01:26:37,120

things in in the community how do you

2274

01:26:40,870 --> 01:26:38,480

weigh them you know how do you weigh

2275

01:26:43,189 --> 01:26:40,880

government louis lozando stuff

2276

01:26:46,470 --> 01:26:43,199

against experience or stuff

2277

01:26:48,629 --> 01:26:46,480

you know is elizondo more more important

2278

01:26:51,110 --> 01:26:48,639

or are they equally important and how do

2279

01:26:53,350 --> 01:26:51,120

you make that decision

2280

01:26:55,189 --> 01:26:53,360

um honestly i don't think that i've ever

2281

01:26:58,149 --> 01:26:55,199

really thought about it in terms of like

2282

01:27:01,510 --> 01:26:58,159

who's more important like i will say

2283

01:27:04,229 --> 01:27:01,520

that i don't see it as a competition i

2284

01:27:06,790 --> 01:27:04,239

think that some people on ufo twitter

2285

01:27:10,550 --> 01:27:06,800

who are on more the nuts and bolts

2286

01:27:13,030 --> 01:27:10,560

government disclosure side tend to

2287

01:27:15,189 --> 01:27:13,040

not all of them but some of them tend to

2288

01:27:18,310 --> 01:27:15,199

be concerned about platforming

2289

01:27:21,430 --> 01:27:18,320

experiencers too much because they are

2290

01:27:24,950 --> 01:27:21,440

concerned about harming the credibility

2291

01:27:26,790 --> 01:27:24,960

of this topic with the mainstream and i

2292

01:27:29,990 --> 01:27:26,800

don't think that we should think of it

2293

01:27:32,070 --> 01:27:30,000

that way first of all like despite what

2294

01:27:34,870 --> 01:27:32,080

may have been the original intentions of

2295

01:27:37,910 --> 01:27:34,880

the hashtag i genuinely do not think

2296

01:27:41,110 --> 01:27:37,920

there is anyone on ufo twitter who is

2297

01:27:43,510 --> 01:27:41,120

not already interested in this topic

2298

01:27:45,590 --> 01:27:43,520

like this is not the

2299

01:27:48,229 --> 01:27:45,600

platform that we use to reach out to the

2300

01:27:50,950 --> 01:27:48,239

normies this is people who are already

2301

01:27:53,750 --> 01:27:50,960

interested in ufos uaps talking to each

2302

01:27:55,270 --> 01:27:53,760

other like you may not like that that's

2303

01:27:56,629 --> 01:27:55,280

the state of things but that is the

2304

01:27:58,629 --> 01:27:56,639

state of things so i don't think there's

2305

01:28:00,550 --> 01:27:58,639

any reason to censor ourselves in terms

2306

01:28:01,830 --> 01:28:00,560

of what we discuss

2307

01:28:04,390 --> 01:28:01,840

and

2308

01:28:07,910 --> 01:28:04,400

also i think that

2309

01:28:10,629 --> 01:28:07,920

when we talk about anjali we shouldn't

2310

01:28:13,590 --> 01:28:10,639

conflate her too much with the average

2311

01:28:16,550 --> 01:28:13,600

experiencer because i think that some

2312

01:28:19,590 --> 01:28:16,560

people see the way that she has been

2313

01:28:22,310 --> 01:28:19,600

treated on social media and

2314

01:28:25,270 --> 01:28:22,320

react very negatively not because they

2315

01:28:29,189 --> 01:28:25,280

support her but because they

2316

01:28:32,229 --> 01:28:29,199

don't want to see experiences broadly

2317

01:28:34,310 --> 01:28:32,239

treated badly and like treated like they

2318

01:28:36,470 --> 01:28:34,320

have ulterior motives or they're lying

2319

01:28:39,590 --> 01:28:36,480

or they're crazy or whatever

2320

01:28:42,229 --> 01:28:39,600

but i think that anjali's

2321

01:28:44,149 --> 01:28:42,239

story is very different than someone who

2322

01:28:47,030 --> 01:28:44,159

just says i

2323

01:28:49,229 --> 01:28:47,040

saw something or i

2324

01:28:50,870 --> 01:28:49,239

was contacted

2325

01:28:52,790 --> 01:28:50,880

telepathically

2326  
01:28:54,790 --> 01:28:52,800  
under these circumstances like she is

2327  
01:28:56,390 --> 01:28:54,800  
specifically claiming

2328  
01:28:57,990 --> 01:28:56,400  
that she is

2329  
01:29:01,189 --> 01:28:58,000  
currently channeling these beings that

2330  
01:29:04,870 --> 01:29:01,199  
she has been chosen to be

2331  
01:29:07,910 --> 01:29:04,880  
their mouthpiece as we

2332  
01:29:13,350 --> 01:29:07,920  
go forward and do what we must to

2333  
01:29:16,070 --> 01:29:13,360  
survive as a species and that is

2334  
01:29:18,709 --> 01:29:16,080  
when you put yourself out as a leader

2335  
01:29:21,830 --> 01:29:18,719  
you have more responsibility to the

2336  
01:29:23,590 --> 01:29:21,840  
community than if you're just

2337  
01:29:26,070 --> 01:29:23,600  
saying talking about something that

2338  
01:29:29,990 --> 01:29:26,080

happened to you and sure and also like

2339

01:29:32,550 --> 01:29:30,000

she's she's not like just some like

2340

01:29:35,189 --> 01:29:32,560

teenager or some housewife who had an

2341

01:29:38,070 --> 01:29:35,199

experience like she worked in

2342

01:29:39,350 --> 01:29:38,080

it she worked in military intelligence

2343

01:29:40,070 --> 01:29:39,360

like she's

2344

01:29:50,950 --> 01:29:40,080

like

2345

01:29:53,669 --> 01:29:50,960

i don't think that we need to assume

2346

01:29:57,030 --> 01:29:53,679

that treating her with scrutiny and

2347

01:29:58,790 --> 01:29:57,040

treating the average experiencer with

2348

01:30:03,030 --> 01:29:58,800

kindness and open mind

2349

01:30:03,910 --> 01:30:03,040

mindedness are mutually exclusive things

2350

01:30:04,830 --> 01:30:03,920

wow

2351

01:30:27,830 --> 01:30:04,840

a

2352

01:30:30,310 --> 01:30:27,840

somebody else

2353

01:30:32,790 --> 01:30:30,320

is expecting you to say or trying to

2354

01:30:35,110 --> 01:30:32,800

meet a certain standard you were coming

2355

01:30:37,750 --> 01:30:35,120

through as this is authentically how i

2356

01:30:39,510 --> 01:30:37,760

feel about this and i'm gonna say it and

2357

01:30:42,629 --> 01:30:39,520

i don't care what anybody thinks about

2358

01:30:43,910 --> 01:30:42,639

it and i respect that i really do um

2359

01:30:46,470 --> 01:30:43,920

that was great

2360

01:30:58,790 --> 01:30:46,480

um let's talk about your book home girl

2361

01:31:04,629 --> 01:31:02,390

oh yeah well um so i finished the like

2362

01:31:07,270 --> 01:31:04,639

first of all like it's a very like

2363

01:31:09,709 --> 01:31:07,280

light-hearted like sci-fi adventure book

2364

01:31:11,750 --> 01:31:09,719

like it's not like a serious literary

2365

01:31:12,950 --> 01:31:11,760

examination of

2366

01:31:15,030 --> 01:31:12,960

the

2367

01:31:17,110 --> 01:31:15,040

of alien abductions or anything it's

2368

01:31:20,149 --> 01:31:17,120

just a girl who gets abducted by aliens

2369

01:31:22,229 --> 01:31:20,159

and goes on adventures and um and it's

2370

01:31:26,310 --> 01:31:22,239

fun i hope but uh i finished the rough

2371

01:31:28,229 --> 01:31:26,320

draft back in june i started uh revising

2372

01:31:31,830 --> 01:31:28,239

it a couple weeks ago and i'm currently

2373

01:31:34,550 --> 01:31:31,840

working on that and uh hoping to

2374

01:31:36,390 --> 01:31:34,560

have my first round of revisions done by

2375

01:31:38,790 --> 01:31:36,400

the end of this month um then i'm gonna

2376

01:31:40,470 --> 01:31:38,800

send the draft to some some more friends

2377

01:31:42,790 --> 01:31:40,480

and then i'm gonna revise some more and

2378

01:31:45,830 --> 01:31:42,800

hoping to be done done by the end of

2379

01:31:48,629 --> 01:31:45,840

this year and then after that i'm going

2380

01:31:49,350 --> 01:31:48,639

to start querying it like i i'm hoping

2381

01:31:50,870 --> 01:31:49,360

that

2382

01:31:52,709 --> 01:31:50,880

like i'm going to try to get it

2383

01:31:54,470 --> 01:31:52,719

traditionally published but like if that

2384

01:31:57,189 --> 01:31:54,480

doesn't work out i'll reevaluate but

2385

01:31:59,750 --> 01:31:57,199

yeah it's just it's been fun

2386

01:32:02,709 --> 01:31:59,760

that's awesome are you an experiencer

2387

01:32:04,870 --> 01:32:02,719

i am not no i just i i got into this

2388

01:32:06,709 --> 01:32:04,880

topic when i was eight or nine years old

2389

01:32:09,189 --> 01:32:06,719

because uh

2390

01:32:11,270 --> 01:32:09,199

uh i was with my mom at her boyfriend's

2391

01:32:13,189 --> 01:32:11,280

house and they watched signs and i

2392

01:32:16,229 --> 01:32:13,199

watched it with them and it was super

2393

01:32:19,149 --> 01:32:16,239

creepy and interesting and then i um and

2394

01:32:23,030 --> 01:32:19,159

then someone gave me a book about uh

2395

01:32:25,510 --> 01:32:23,040

ufos and aliens that i read and so that

2396

01:32:27,830 --> 01:32:25,520

was my introduction to the topic i am i

2397

01:32:29,830 --> 01:32:27,840

am not an experiencer never seen one

2398

01:32:31,270 --> 01:32:29,840

like outside no okay

2399

01:32:32,950 --> 01:32:31,280

okay that's awesome

2400

01:32:37,270 --> 01:32:32,960

and nathan has so i'm the only one

2401

01:32:38,790 --> 01:32:37,280

that's seen one you have yeah yeah

2402

01:32:41,110 --> 01:32:38,800

he's kind of a big deal

2403

01:32:43,350 --> 01:32:41,120

yeah i'm a big deal now um

2404

01:32:45,270 --> 01:32:43,360

mine was so brief like you know we were

2405

01:32:47,270 --> 01:32:45,280

discussing it on the big phone home the

2406

01:32:49,830 --> 01:32:47,280

other day and luis

2407

01:32:53,830 --> 01:32:49,840

his experience was minutes long like

2408

01:32:55,990 --> 01:32:53,840

much mine was seconds you know uh and so

2409

01:32:57,750 --> 01:32:56,000

many people from where you know i'm

2410

01:33:00,310 --> 01:32:57,760

actually feel validated because so many

2411

01:33:03,830 --> 01:33:00,320

people from the hudson valley saw ufos

2412

01:33:06,470 --> 01:33:03,840

uh and so but i didn't know that for not

2413

01:33:08,709 --> 01:33:06,480

talking about it for 30 years or 40

2414

01:33:11,110 --> 01:33:08,719

years whatever the hell it was so

2415

01:33:12,070 --> 01:33:11,120

i'm 54 so you know i was 14 when it

2416

01:33:14,229 --> 01:33:12,080

happened

2417

01:33:15,990 --> 01:33:14,239

um anyway

2418

01:33:18,229 --> 01:33:16,000

all right um

2419

01:33:20,709 --> 01:33:18,239

so what is oh let me just ask you the

2420

01:33:21,669 --> 01:33:20,719

title of your book before we uh wrap up

2421

01:33:23,990 --> 01:33:21,679

here

2422

01:33:25,669 --> 01:33:24,000

the working title is a lift out of town

2423

01:33:27,189 --> 01:33:25,679

which um nice

2424

01:33:29,110 --> 01:33:27,199

it's like i'm amazed that i have a title

2425

01:33:31,510 --> 01:33:29,120

normally titling things is like the

2426

01:33:33,189 --> 01:33:31,520

hardest part of writing for me but but

2427

01:33:35,270 --> 01:33:33,199

that's my title right now um it could

2428

01:33:37,430 --> 01:33:35,280

change but that that is the title as far

2429

01:33:39,590 --> 01:33:37,440

as we are concerned

2430

01:33:41,510 --> 01:33:39,600

i know i know i know one person who's

2431

01:33:44,629 --> 01:33:41,520

buying it did you have anything else you

2432

01:33:46,950 --> 01:33:44,639

wanted to hit on before we go lampy

2433

01:33:48,870 --> 01:33:46,960

uh no i think we pretty much covered

2434

01:33:50,870 --> 01:33:48,880

everything like we went over on julie

2435

01:33:53,750 --> 01:33:50,880

again we talked about sort of the state

2436

01:33:55,830 --> 01:33:53,760

of ufo twitter um anything else y'all

2437

01:33:57,669 --> 01:33:55,840

wanna say

2438

01:33:59,830 --> 01:33:57,679

nathan do you have anything

2439

01:34:02,310 --> 01:33:59,840

i'm good man this has been a great

2440

01:34:04,629 --> 01:34:02,320

chat with you appreciate you taking time

2441

01:34:07,110 --> 01:34:04,639

out to speak with us on on such short

2442

01:34:09,669 --> 01:34:07,120

notice at that uh that was great i had

2443

01:34:11,590 --> 01:34:09,679

so much fun thank you for inviting me

2444

01:34:13,110 --> 01:34:11,600

i loved it

2445

01:34:14,790 --> 01:34:13,120

yeah definitely you're welcome to come

2446

01:34:16,310 --> 01:34:14,800

back if you want to talk about something

2447

01:34:19,510 --> 01:34:16,320

you see something that you want to bring

2448

01:34:22,070 --> 01:34:19,520

up um i love to share the platform which

2449

01:34:23,990 --> 01:34:22,080

is how you know nathan got on it i'm i'm

2450

01:34:26,470 --> 01:34:24,000

happy to you know dan warren's been on a

2451  
01:34:28,550 --> 01:34:26,480  
couple of times luisa's menace has been

2452  
01:34:31,030 --> 01:34:28,560  
on a couple times andy mcgrillen's been

2453  
01:34:34,550 --> 01:34:31,040  
on at least two or three times so you

2454  
01:34:36,950 --> 01:34:34,560  
know i'm all about it um and i really

2455  
01:34:39,350 --> 01:34:36,960  
appreciate it again i want to thank you

2456  
01:34:41,590 --> 01:34:39,360  
for your authenticity because it was i

2457  
01:34:43,990 --> 01:34:41,600  
think it was very obvious to nathan

2458  
01:34:46,310 --> 01:34:44,000  
and i when

2459  
01:34:48,950 --> 01:34:46,320  
your passions were aroused about

2460  
01:34:51,189 --> 01:34:48,960  
specific aspects no and you know what

2461  
01:34:52,870 --> 01:34:51,199  
that that's great i mean that's

2462  
01:34:53,910 --> 01:34:52,880  
that's what it's all about i mean it's

2463  
01:34:56,709 --> 01:34:53,920

all about

2464

01:34:58,950 --> 01:34:56,719

uh connecting with people and being able

2465

01:35:01,350 --> 01:34:58,960

to tell what you feel and how you feel

2466

01:35:03,270 --> 01:35:01,360

you guys saw me do it about mick west a

2467

01:35:04,950 --> 01:35:03,280

little while ago you know and that you

2468

01:35:06,629 --> 01:35:04,960

did it you know

2469

01:35:09,189 --> 01:35:06,639

and so that's what it's really all about

2470

01:35:11,109 --> 01:35:09,199

and i'm i'm so happy that we were able

2471

01:35:13,510 --> 01:35:11,119

to be here and experience that with you

2472

01:35:15,510 --> 01:35:13,520

i really mean that okay

2473

01:35:16,790 --> 01:35:15,520

thank you it was great to be here thank

2474

01:35:18,629 --> 01:35:16,800

you girlfriend we're going to do it

2475

01:35:21,830 --> 01:35:18,639

again we got to do a uh another one of

2476

01:35:23,910 --> 01:35:21,840

those twitter spaces

2477

01:35:25,510 --> 01:35:23,920

i actually sounded professional on there

2478

01:35:27,189 --> 01:35:25,520

you know i actually sounded like i knew

2479

01:35:30,390 --> 01:35:27,199

what i was talking about

2480

01:35:34,709 --> 01:35:32,390

looking forward to the next one for sure

2481

01:35:38,750 --> 01:35:34,719

it was cool party people we are calling

2482

01:35:41,350 --> 01:35:38,760

all beings that is s a at lampe

2483

01:35:43,430 --> 01:35:41,360

1947 the same year

2484

01:35:44,149 --> 01:35:43,440

the air force was born and the same year

2485

01:35:47,109 --> 01:35:44,159

of

2486

01:35:52,229 --> 01:35:49,109

air force birthday's coming up in a

2487

01:35:54,470 --> 01:35:52,239

couple of months that is nathan at a

2488

01:35:57,189 --> 01:35:54,480

wave soul on twitter

2489

01:35:58,470 --> 01:35:57,199

one of my latest blessings in life over

2490

01:35:59,430 --> 01:35:58,480

the last couple of months has been

2491

01:36:02,550 --> 01:35:59,440

nathan

2492

01:36:05,270 --> 01:36:02,560

uh joining and agreeing to be my uh

2493

01:36:07,669 --> 01:36:05,280

podcast partner and putting so much work

2494

01:36:09,669 --> 01:36:07,679

into this uh we'll bring you more guests

2495

01:36:11,590 --> 01:36:09,679

who knows who we're gonna have on next

2496

01:36:13,910 --> 01:36:11,600

man alright you know i really want

2497

01:36:15,510 --> 01:36:13,920

lieutenant tim mcmillan there's so many

2498

01:36:18,149 --> 01:36:15,520

people i want to have on and none of

2499

01:36:19,830 --> 01:36:18,159

them are the same so yeah

2500

01:36:23,669 --> 01:36:19,840

it's a big family

2501

01:36:26,870 --> 01:36:23,679

it is so for lambie 1947 for nathan at a

2502

01:36:28,070 --> 01:36:26,880

wave soul i am dj saying peace out
