Calling All Beings

1
00:00:16,790 --> 00:00:08,140
calling all beings y'all

2
00:00:34,870 --> 00:00:16,800
[Music]

3
00:00:41,670 --> 00:00:38,630
yes welcome back to calling all beings

4
00:00:43,990 --> 00:00:41,680
i'm your host dj san marco here with you

5
00:00:46,389 --> 00:00:44,000
on a wednesday night with another

6
00:00:47,590 --> 00:00:46,399
special guest we keep bringing you dope

7
00:00:49,590 --> 00:00:47,600
people

8
00:00:51,270 --> 00:00:49,600
i mean and when i say dope i don't mean

9
00:00:53,590 --> 00:00:51,280
in the way that you guys think of me as

10
00:00:56,470 --> 00:00:53,600
dope which is in the actual sense of the

11
00:00:58,709 --> 00:00:56,480
word i mean dopadelic people all right

12
00:01:00,310 --> 00:00:58,719
so i'm your host dj san marco along with

13
00:01:03,590 --> 00:01:00,320

my co-host

14

00:01:06,469 --> 00:01:03,600

the amazing the not to be compared

15

00:01:08,310 --> 00:01:06,479

the deep the thoughtful

16

00:01:14,390 --> 00:01:08,320

the intellectual

17

00:01:18,710 --> 00:01:16,230

and uh and now let's get to what's

18

00:01:21,270 --> 00:01:18,720

really going down tonight um

19

00:01:22,950 --> 00:01:21,280

you know there's been a lot of uh

20

00:01:25,429 --> 00:01:22,960

stories that you guys have heard people

21

00:01:27,830 --> 00:01:25,439

have shared their experiences with the

22

00:01:30,870 --> 00:01:27,840

phenomenon with beings uh most most

23

00:01:33,429 --> 00:01:30,880

recently anjali who's probably also been

24

00:01:35,109 --> 00:01:33,439

in contact with our next guest

25

00:01:38,789 --> 00:01:35,119

from alabama

26

00:01:46,149 --> 00:01:38,799

party people put your hands together

27

00:01:52,149 --> 00:01:50,069

he's my ball brother yes

28

00:01:55,270 --> 00:01:52,159

and let me tell you something

29

00:01:57,190 --> 00:01:55,280

oh david um there are going to be some

30

00:01:59,510 --> 00:01:57,200

very deep and intelligent questions

31

00:02:01,590 --> 00:01:59,520

tonight and you're going to find that

32

00:02:04,870 --> 00:02:01,600

most of them will come from me

33

00:02:06,709 --> 00:02:04,880

okay the the more shallow sort of

34

00:02:08,469 --> 00:02:06,719

meaningless stuff

35

00:02:11,510 --> 00:02:08,479

that would be nathan so let me just give

36

00:02:13,350 --> 00:02:11,520

you an example um we lost him

37

00:02:14,790 --> 00:02:13,360

oh my god david where are you he'll be

38

00:02:16,070 --> 00:02:14,800

back he'll be back i'm sure he'll be

39

00:02:18,070 --> 00:02:16,080

back he's going to come keep going yeah

40

00:02:19,430 --> 00:02:18,080

he'll be back well no i can't keep going

41

00:02:28,309 --> 00:02:19,440

because he needs to be there for the

42

00:02:33,110 --> 00:02:31,350

um so as i was saying the the deeper and

43

00:02:35,350 --> 00:02:33,120

more thoughtful questions will more than

44

00:02:37,589 --> 00:02:35,360

likely come from me um and i'll just

45

00:02:40,309 --> 00:02:37,599

give you a sampling right here

46

00:02:43,509 --> 00:02:40,319

so david tell us what happened

47

00:02:43,519 --> 00:02:47,670

i'm just kidding

48

00:02:52,470 --> 00:02:50,070

i knew you'd love that nathan okay and

49

00:02:54,790 --> 00:02:52,480

with that i'm gonna turn it over to my

50

00:02:57,030 --> 00:02:54,800

aforementioned brilliant co-host nathan

51
00:02:59,270 --> 00:02:57,040
to kick this off brother

52
00:03:01,910 --> 00:02:59,280
yes thank you dj david great to have you

53
00:03:03,509 --> 00:03:01,920
with us uh this evening uh we we are

54
00:03:05,190 --> 00:03:03,519
very very fortunate to have you on the

55
00:03:07,430 --> 00:03:05,200
show and i'm looking forward to hearing

56
00:03:09,910 --> 00:03:07,440
your story um as we've talked with you

57
00:03:12,390 --> 00:03:09,920
before uh we want to make sure that you

58
00:03:14,309 --> 00:03:12,400
feel comfortable and feel a part of our

59
00:03:16,309 --> 00:03:14,319
our family when you're on the show and

60
00:03:17,589 --> 00:03:16,319
so we're going to do this in the way

61
00:03:19,110 --> 00:03:17,599
that you want to do it i know we've

62
00:03:21,750 --> 00:03:19,120
talked a little bit about kind of where

63
00:03:22,949 --> 00:03:21,760

we want to go uh with the show and and

64

00:03:25,110 --> 00:03:22,959

and kind of the direction that we want

65

00:03:27,750 --> 00:03:25,120

to go and so i think we'll we'll get

66

00:03:29,670 --> 00:03:27,760

started here and uh maybe you can

67

00:03:31,430 --> 00:03:29,680

do a little introduction tell folks what

68

00:03:33,350 --> 00:03:31,440

uh what what you want them to know about

69

00:03:35,190 --> 00:03:33,360

you and then let's start with uh where

70

00:03:36,869 --> 00:03:35,200

things got really going for you in the

71

00:03:40,070 --> 00:03:36,879

late 90s

72

00:03:42,229 --> 00:03:40,080

okay um can you guys hear me okay

73

00:03:43,270 --> 00:03:42,239

yeah sound great loud and clear

74

00:03:44,390 --> 00:03:43,280

um

75

00:03:47,110 --> 00:03:44,400

i mean

76

00:03:50,390 --> 00:03:47,120

as far as my my personal background i

77

00:03:52,869 --> 00:03:50,400

don't have i don't fly fa-18s i didn't

78

00:03:54,630 --> 00:03:52,879

work for the government i don't have

79

00:03:55,670 --> 00:03:54,640

incredible uh

80

00:03:57,429 --> 00:03:55,680

uh

81

00:03:59,190 --> 00:03:57,439

you know backstory

82

00:04:02,390 --> 00:03:59,200

um i've

83

00:04:05,830 --> 00:04:02,400

i'm married young i had a family young i

84

00:04:08,550 --> 00:04:05,840

worked in uh real estate for the last 20

85

00:04:10,390 --> 00:04:08,560

years on different uh

86

00:04:12,390 --> 00:04:10,400

levels you know

87

00:04:16,310 --> 00:04:12,400

i

88

00:04:18,710 --> 00:04:16,320

and uh

89

00:04:20,870 --> 00:04:18,720

yeah oh yeah i i mean i i've

90

00:04:23,189 --> 00:04:20,880

accomplished some pretty cool things but

91

00:04:27,110 --> 00:04:23,199

i don't want to really wave that around

92

00:04:31,110 --> 00:04:27,120

as a way to convince people that i'm

93

00:04:33,430 --> 00:04:31,120

not full of it and and incredible

94

00:04:36,310 --> 00:04:33,440

i mean uh i'm i'm

95

00:04:39,590 --> 00:04:36,320

willing to answer any questions you know

96

00:04:42,790 --> 00:04:39,600

uh or or what have you if people have

97

00:04:43,830 --> 00:04:42,800

them uh but i don't really feel like

98

00:04:46,310 --> 00:04:43,840

you know

99

00:04:47,590 --> 00:04:46,320

bragging on myself to make myself sound

100

00:04:48,710 --> 00:04:47,600

credible

101
00:04:51,350 --> 00:04:48,720
um

102
00:04:53,670 --> 00:04:51,360
you know i'm a pretty ordinary dude i

103
00:04:54,710 --> 00:04:53,680
guess aside from

104
00:04:55,749 --> 00:04:54,720
whatever

105
00:04:56,790 --> 00:04:55,759
the hell

106
00:04:58,710 --> 00:04:56,800
happened

107
00:05:00,550 --> 00:04:58,720
but um

108
00:05:02,150 --> 00:05:00,560
you know i'm

109
00:05:03,270 --> 00:05:02,160
i'm just wanting to talk about it

110
00:05:05,350 --> 00:05:03,280
because

111
00:05:07,029 --> 00:05:05,360
i really do have faith in this

112
00:05:08,790 --> 00:05:07,039
disclosure movement that's happening

113
00:05:11,110 --> 00:05:08,800

right now

114

00:05:13,909 --> 00:05:11,120

i wasn't a part of ufology

115

00:05:15,590 --> 00:05:13,919

for a long time because it's so

116

00:05:16,469 --> 00:05:15,600

convoluted

117

00:05:24,230 --> 00:05:16,479

and

118

00:05:25,430 --> 00:05:24,240

um

119

00:05:27,270 --> 00:05:25,440

and

120

00:05:29,270 --> 00:05:27,280

now i'm back in it because i really feel

121

00:05:30,790 --> 00:05:29,280

like there's there's people making some

122

00:05:33,990 --> 00:05:30,800

smart moves

123

00:05:36,790 --> 00:05:34,000

and and and getting the ball rolling

124

00:05:39,990 --> 00:05:36,800

and i just kind of feel like

125

00:05:42,070 --> 00:05:40,000

i've got this thing that happened to me

126
00:05:44,710 --> 00:05:42,080
and i've told some people but i haven't

127
00:05:47,110 --> 00:05:44,720
really done it in a public way i've left

128
00:05:48,950 --> 00:05:47,120
little bits and pieces on twitter but i

129
00:05:50,629 --> 00:05:48,960
haven't just kind of like sat down and

130
00:05:53,909 --> 00:05:50,639
told the whole story

131
00:05:56,710 --> 00:05:53,919
and uh you guys were nice enough to uh

132
00:05:58,230 --> 00:05:56,720
approach me and and uh let me do that so

133
00:06:00,390 --> 00:05:58,240
that's why i'm here

134
00:06:02,629 --> 00:06:00,400
and and with with that correct with that

135
00:06:04,790 --> 00:06:02,639
credit that we've built up does that

136
00:06:07,670 --> 00:06:04,800
mean that you'll play guitar for us to

137
00:06:09,270 --> 00:06:07,680
close out the show

138
00:06:11,749 --> 00:06:09,280

okay okay

139

00:06:13,430 --> 00:06:11,759

all right next time and nathan back to

140

00:06:16,790 --> 00:06:13,440

you

141

00:06:18,629 --> 00:06:16,800

yeah excellent excellent excellent

142

00:06:20,070 --> 00:06:18,639

yeah we'll work on our little ensemble

143

00:06:21,110 --> 00:06:20,080

piece for the next show i think that'll

144

00:06:21,990 --> 00:06:21,120

be great

145

00:06:24,150 --> 00:06:22,000

um

146

00:06:25,909 --> 00:06:24,160

so david where do you uh you know i

147

00:06:29,110 --> 00:06:25,919

again we really appreciate having you on

148

00:06:30,870 --> 00:06:29,120

and and i know this is not easy uh to do

149

00:06:32,390 --> 00:06:30,880

and so we don't take that lightly but

150

00:06:36,150 --> 00:06:32,400

we're you know where does the story

151
00:06:40,950 --> 00:06:38,309
um

152
00:06:44,150 --> 00:06:40,960
let me preface all of it by saying i'm

153
00:06:47,029 --> 00:06:44,160
fully like i have one foot in the normal

154
00:06:48,550 --> 00:06:47,039
world where my parents and my in-laws

155
00:06:51,110 --> 00:06:48,560
are very

156
00:06:54,070 --> 00:06:51,120
educated hard-working people

157
00:06:57,189 --> 00:06:54,080
on you know the family on both sides

158
00:07:00,550 --> 00:06:57,199
doesn't get into this kind of stuff

159
00:07:04,390 --> 00:07:00,560
and i respect that and there's a part of

160
00:07:06,710 --> 00:07:04,400
my life of our lives that doesn't

161
00:07:09,110 --> 00:07:06,720
really want that in it

162
00:07:12,390 --> 00:07:09,120
but then there's another part that

163
00:07:16,629 --> 00:07:12,400

you know i went through it and

164

00:07:19,830 --> 00:07:16,639

i'm fully aware of how absolutely crazy

165

00:07:21,990 --> 00:07:19,840

this sounds to just the average person

166

00:07:24,790 --> 00:07:22,000

who just got off work

167

00:07:26,390 --> 00:07:24,800

or that has other things going on and

168

00:07:27,430 --> 00:07:26,400

there are other things going on in the

169

00:07:29,670 --> 00:07:27,440

world

170

00:07:32,629 --> 00:07:29,680

um so i just want to preface it by

171

00:07:35,430 --> 00:07:32,639

saying that that i'm fully aware of how

172

00:07:37,749 --> 00:07:35,440

uh crazy this all sounds

173

00:07:39,270 --> 00:07:37,759

you know i listened to ryan bledsoe

174

00:07:41,830 --> 00:07:39,280

today david

175

00:07:43,350 --> 00:07:41,840

and when you listen to his story in his

176

00:07:45,189 --> 00:07:43,360

background it's not very different from

177

00:07:46,309 --> 00:07:45,199

your background uh

178

00:07:48,710 --> 00:07:46,319

you know the

179

00:07:51,110 --> 00:07:48,720

you know guys from the south you know

180

00:07:53,749 --> 00:07:51,120

father's out hunting doing things like

181

00:07:55,990 --> 00:07:53,759

that fishing and these things happen so

182

00:07:58,469 --> 00:07:56,000

uh nobody in the town is like oh wow you

183

00:08:01,189 --> 00:07:58,479

must be absolutely out of your mind

184

00:08:03,350 --> 00:08:01,199

uh yeah if we're in sedona arizona

185

00:08:05,589 --> 00:08:03,360

people might go oh wow that happened wow

186

00:08:07,029 --> 00:08:05,599

they'd believe right but

187

00:08:08,230 --> 00:08:07,039

that's you know it's just a function of

188

00:08:09,080 --> 00:08:08,240

where you grew up

189

00:08:10,550 --> 00:08:09,090

but um

190

00:08:14,790 --> 00:08:10,560

[Music]

191

00:08:18,070 --> 00:08:16,390

you know what

192

00:08:20,790 --> 00:08:18,080

i'll just go ahead and get into it

193

00:08:23,270 --> 00:08:20,800

because i was gonna go for it

194

00:08:26,150 --> 00:08:23,280

i was just so much i could say and

195

00:08:28,390 --> 00:08:26,160

it's a lot like this this story covers

196

00:08:31,589 --> 00:08:28,400

about three years roughly

197

00:08:35,589 --> 00:08:31,599

and uh it covers my wife

198

00:08:36,790 --> 00:08:35,599

my children my mother my brother-in-law

199

00:08:41,029 --> 00:08:36,800

me

200

00:08:43,589 --> 00:08:41,039

um

201
00:08:46,949 --> 00:08:43,599
so it's hard to tell

202
00:08:48,470 --> 00:08:46,959
and and i do kind of want my privacy

203
00:08:49,509 --> 00:08:48,480
to maintain

204
00:08:51,750 --> 00:08:49,519
a little

205
00:08:53,990 --> 00:08:51,760
you know again i'll answer questions but

206
00:08:55,910 --> 00:08:54,000
i'm not

207
00:08:57,750 --> 00:08:55,920
don't want like

208
00:08:59,670 --> 00:08:57,760
skeptics and debunkers and researchers

209
00:09:04,070 --> 00:08:59,680
and investigators like

210
00:09:06,870 --> 00:09:04,080
right my butt trying to find out if

211
00:09:08,790 --> 00:09:06,880
my mom who is who she says she is or

212
00:09:09,750 --> 00:09:08,800
right you know all that kind of stuff

213
00:09:10,470 --> 00:09:09,760

right

214

00:09:11,590 --> 00:09:10,480

so

215

00:09:12,630 --> 00:09:11,600

um

216

00:09:16,230 --> 00:09:12,640

saying that

217

00:09:17,590 --> 00:09:16,240

i'll i'll get into it okay so

218

00:09:19,350 --> 00:09:17,600

um

219

00:09:23,110 --> 00:09:19,360

1997

220

00:09:27,350 --> 00:09:23,120

i'm i'm 17 years old and i'm a straight

221

00:09:29,990 --> 00:09:27,360

arrow kid i i might have smoked a joint

222

00:09:32,470 --> 00:09:30,000

like a couple puffs off of one had half

223

00:09:33,829 --> 00:09:32,480

a beer and passed out i was i was a good

224

00:09:36,470 --> 00:09:33,839

kid

225

00:09:38,389 --> 00:09:36,480

uh this would have been like 97

226

00:09:40,389 --> 00:09:38,399

um and i was on the way home from a

227

00:09:41,910 --> 00:09:40,399

concert and it was an outdoor concert so

228

00:09:44,710 --> 00:09:41,920

this would have been like

229

00:09:45,910 --> 00:09:44,720

late spring early summer summer time

230

00:09:48,790 --> 00:09:45,920

around that time

231

00:09:50,710 --> 00:09:48,800

and there's a friend in the car with me

232

00:09:53,269 --> 00:09:50,720

and we're driving home we're going north

233

00:09:54,470 --> 00:09:53,279

up the interstate we get off the ramp

234

00:09:55,829 --> 00:09:54,480

and

235

00:09:57,190 --> 00:09:55,839

um

236

00:09:58,790 --> 00:09:57,200

you know i

237

00:10:00,230 --> 00:09:58,800

look to my right

238

00:10:02,870 --> 00:10:00,240

you know look to your left left to right

239

00:10:04,389 --> 00:10:02,880

it's a two two-way highway and a small

240

00:10:05,590 --> 00:10:04,399

town

241

00:10:08,710 --> 00:10:05,600

uh

242

00:10:10,630 --> 00:10:08,720

and there's this blimp

243

00:10:12,710 --> 00:10:10,640

that's you know i'm not a great judge of

244

00:10:15,430 --> 00:10:12,720

like how far away things are how close

245

00:10:17,670 --> 00:10:15,440

things are how high they are i'm gonna

246

00:10:20,550 --> 00:10:17,680

roughly estimate that it's probably

247

00:10:23,590 --> 00:10:20,560

three to five miles away

248

00:10:24,470 --> 00:10:23,600

and it's over the city

249

00:10:26,630 --> 00:10:24,480

um

250

00:10:28,870 --> 00:10:26,640

and it's not terribly high off of the

251
00:10:31,030 --> 00:10:28,880
horizon like i'm not having to crane my

252
00:10:32,389 --> 00:10:31,040
neck you know it's i can see it out the

253
00:10:34,470 --> 00:10:32,399
windshield

254
00:10:36,470 --> 00:10:34,480
and it's a blimp it looks about the size

255
00:10:39,110 --> 00:10:36,480
of a blimp maybe a little bigger

256
00:10:42,069 --> 00:10:39,120
and it's got a little cap on the bottom

257
00:10:43,269 --> 00:10:42,079
of it and i think i just i remember this

258
00:10:44,790 --> 00:10:43,279
vividly

259
00:10:46,550 --> 00:10:44,800
because a lot of

260
00:10:48,790 --> 00:10:46,560
i stopped myself because i know people

261
00:10:51,190 --> 00:10:48,800
are like well you know memory degrades

262
00:10:53,269 --> 00:10:51,200
over time and it does but like i don't

263
00:10:55,750 --> 00:10:53,279

remember what i had for lunch at my

264

00:10:57,350 --> 00:10:55,760

grandmother's funeral but i remember

265

00:11:00,470 --> 00:10:57,360

seeing the body in the casket you know

266

00:11:02,790 --> 00:11:00,480

things stick out absolutely so i see

267

00:11:05,350 --> 00:11:02,800

this little

268

00:11:07,269 --> 00:11:05,360

cap on the bottom of it

269

00:11:09,030 --> 00:11:07,279

and i think that thing's awful small for

270

00:11:10,949 --> 00:11:09,040

the people

271

00:11:14,870 --> 00:11:10,959

and then i noticed that it has the same

272

00:11:17,509 --> 00:11:14,880

cap on top of it

273

00:11:20,389 --> 00:11:17,519

oh we lost oh it's awesome

274

00:11:21,269 --> 00:11:20,399

so we were lost at cap on top cap on

275

00:11:22,710 --> 00:11:21,279

bottom

276

00:11:23,750 --> 00:11:22,720

yes uh

277

00:11:25,590 --> 00:11:23,760

you know

278

00:11:27,110 --> 00:11:25,600

doesn't necessarily lend itself to what

279

00:11:28,790 --> 00:11:27,120

a blimp looks like

280

00:11:31,430 --> 00:11:28,800

so um

281

00:11:32,389 --> 00:11:31,440

yeah that's interesting yeah yeah and

282

00:11:33,670 --> 00:11:32,399

you know

283

00:11:35,590 --> 00:11:33,680

uh are we good

284

00:11:36,550 --> 00:11:35,600

yeah we're good welcome back man

285

00:11:39,030 --> 00:11:36,560

okay

286

00:11:40,630 --> 00:11:39,040

we lost you on the uh the the size of

287

00:11:42,630 --> 00:11:40,640

the cap on the and you were talking

288

00:11:43,829 --> 00:11:42,640

about on the bottom as well as on on the

289

00:11:46,069 --> 00:11:43,839

top

290

00:11:48,710 --> 00:11:46,079

yes there was a there was a cap on the

291

00:11:50,069 --> 00:11:48,720

bottom of it too small for people i was

292

00:11:53,030 --> 00:11:50,079

confused

293

00:11:54,870 --> 00:11:53,040

same cap was on top of it and then the

294

00:11:56,470 --> 00:11:54,880

whole thing is about is shaped like a

295

00:12:00,310 --> 00:11:56,480

blimp

296

00:12:01,509 --> 00:12:00,320

you know or or like a liquid advil

297

00:12:04,790 --> 00:12:01,519

yeah okay

298

00:12:08,069 --> 00:12:04,800

oh advil liquid gel cap

299

00:12:10,389 --> 00:12:08,079

oblong kind of stretched out

300

00:12:12,710 --> 00:12:10,399

and it has like two grooves

301

00:12:15,110 --> 00:12:12,720

carved out in the side of it

302

00:12:17,750 --> 00:12:15,120

or like two indentions inside of it and

303

00:12:19,670 --> 00:12:17,760

it's just moving peculiar

304

00:12:21,350 --> 00:12:19,680

you know like a like there's a there's

305

00:12:23,350 --> 00:12:21,360

an airport near my house and small

306

00:12:25,750 --> 00:12:23,360

planes will kind of like bank this way

307

00:12:27,350 --> 00:12:25,760

or bank that way or up or down and they

308

00:12:30,790 --> 00:12:27,360

have like a red you know and this was

309

00:12:35,590 --> 00:12:30,800

just like a steady just slow

310

00:12:40,230 --> 00:12:37,750

all the while this thing is flashing

311

00:12:42,870 --> 00:12:40,240

like multiple colors like

312

00:12:45,110 --> 00:12:42,880

i can't explain it it's just like

313

00:12:47,829 --> 00:12:45,120

almost looks holographic

314

00:12:50,150 --> 00:12:47,839

yeah and so the whole surface of the

315

00:12:52,790 --> 00:12:50,160

object is doing that yeah and it's

316

00:12:55,509 --> 00:12:52,800

giving off this like

317

00:12:59,350 --> 00:12:55,519

purple pink reddish hue

318

00:13:01,110 --> 00:12:59,360

and it's also emanating red light so you

319

00:13:03,190 --> 00:13:01,120

know the way a christmas light looks

320

00:13:04,829 --> 00:13:03,200

from a distance and it has points of

321

00:13:06,710 --> 00:13:04,839

light that come off of it

322

00:13:08,790 --> 00:13:06,720

yeah um

323

00:13:10,550 --> 00:13:08,800

it it had that it had several kind of

324

00:13:12,470 --> 00:13:10,560

points of light that were coming off of

325

00:13:14,389 --> 00:13:12,480

it and it's just kind of moving just

326

00:13:16,069 --> 00:13:14,399

slow and steady

327

00:13:18,550 --> 00:13:16,079

and i'm sitting there and it just you

328

00:13:19,670 --> 00:13:18,560

know and all of these

329

00:13:22,550 --> 00:13:19,680

thoughts are coming to me over the

330

00:13:24,790 --> 00:13:22,560

course of about five seconds

331

00:13:28,389 --> 00:13:24,800

i'm watching it go and i just go

332

00:13:32,310 --> 00:13:30,150

it was just processing what i saw just

333

00:13:35,269 --> 00:13:32,320

going like yeah is that a blimp why does

334

00:13:37,670 --> 00:13:35,279

why is the why is that so small why is

335

00:13:38,470 --> 00:13:37,680

it multiple colors why is it glowing red

336

00:13:40,870 --> 00:13:38,480

light

337

00:13:42,790 --> 00:13:40,880

and then i thought and and i have to

338

00:13:45,350 --> 00:13:42,800

preface before i say this i was not into

339

00:13:47,189 --> 00:13:45,360

star trek i was not into star wars i was

340

00:13:49,910 --> 00:13:47,199

not into conspiracy theories there was

341

00:13:51,189 --> 00:13:49,920

no reason for me to be thinking anything

342

00:13:53,829 --> 00:13:51,199

other than like

343

00:13:57,110 --> 00:13:53,839

i saw some episode on unsolved mysteries

344

00:13:59,189 --> 00:13:57,120

in the 80s or early 90s or i'd seen like

345

00:14:01,990 --> 00:13:59,199

an alien movie and i just thought to

346

00:14:03,829 --> 00:14:02,000

myself like is that a ufo and there's an

347

00:14:05,590 --> 00:14:03,839

and all the while you know my friend is

348

00:14:07,670 --> 00:14:05,600

next to me in the car

349

00:14:09,509 --> 00:14:07,680

and as soon as i thought that

350

00:14:10,870 --> 00:14:09,519

and i'm not saying it's connected but as

351

00:14:11,829 --> 00:14:10,880

soon as i thought that that thing just

352

00:14:14,069 --> 00:14:11,839

went

353

00:14:16,470 --> 00:14:14,079

i mean it took off like it had been shot

354

00:14:17,829 --> 00:14:16,480

out of a gun it just went

355

00:14:20,470 --> 00:14:17,839

from like

356

00:14:23,670 --> 00:14:20,480

slowly moving to just suddenly like in

357

00:14:24,949 --> 00:14:23,680

the blink of an eye just this tracer

358

00:14:28,389 --> 00:14:24,959

because it was at night it's probably

359

00:14:31,750 --> 00:14:28,399

about 12 30 a.m and there's like this i

360

00:14:35,430 --> 00:14:31,760

left that out 12 30 a.m right okay

361

00:14:37,670 --> 00:14:35,440

yeah give me 30 minutes uh and it's just

362

00:14:40,550 --> 00:14:37,680

this tracer this red tracer just

363

00:14:41,829 --> 00:14:40,560

stretches across the horizon and you can

364

00:14:42,790 --> 00:14:41,839

see

365

00:14:47,829 --> 00:14:42,800

it

366

00:14:50,310 --> 00:14:47,839

like a bulb and then all the way back to

367

00:14:52,150 --> 00:14:50,320

where it was is just a point just a tip

368

00:14:53,910 --> 00:14:52,160

and it looks like a sperm that's just

369

00:14:55,430 --> 00:14:53,920

been like stretched out

370

00:14:57,590 --> 00:14:55,440

yeah it might be a lot of an analogy but

371

00:15:00,310 --> 00:14:57,600

that's what i thought when i saw it sure

372

00:15:03,430 --> 00:15:00,320

and then the the tail closed up behind

373

00:15:05,189 --> 00:15:03,440

it about this fast

374

00:15:07,110 --> 00:15:05,199

and it's interesting

375

00:15:09,910 --> 00:15:07,120

as soon as the tail closed up behind it

376

00:15:12,870 --> 00:15:09,920

it was just a twinkling red light like a

377

00:15:15,350 --> 00:15:12,880

star or a planet you know same level on

378

00:15:17,750 --> 00:15:15,360

the horizon like it was just on a

379

00:15:20,069 --> 00:15:17,760

level and it just kind of twinkled and

380

00:15:22,310 --> 00:15:20,079

got dim and then it was just gone it

381

00:15:23,910 --> 00:15:22,320

just disappeared

382

00:15:26,069 --> 00:15:23,920

and i looked to my friend and he looks

383

00:15:28,710 --> 00:15:26,079

at me and for the researchers and

384

00:15:30,230 --> 00:15:28,720

skeptics and debunkers and investigators

385

00:15:31,590 --> 00:15:30,240

i haven't talked to that guy in 20 years

386

00:15:32,550 --> 00:15:31,600

i'm not just going to cold [h__h] them out

387

00:15:33,990 --> 00:15:32,560

of the blue and be like hey man you

388

00:15:36,870 --> 00:15:34,000

remember this because i got people from

389

00:15:38,870 --> 00:15:36,880

ufo ufo twitter

390

00:15:41,030 --> 00:15:38,880

hey david can i can i

391

00:15:44,389 --> 00:15:41,040

can i interject for a second don't worry

392

00:15:45,829 --> 00:15:44,399

about refutations of anybody or trying

393

00:15:48,790 --> 00:15:45,839

to qualify

394

00:15:50,230 --> 00:15:48,800

based on any skeptic or any idiot that's

395

00:15:52,710 --> 00:15:50,240

out there that just

396

00:15:55,189 --> 00:15:52,720

uh likes to get on there and tell people

397

00:15:56,629 --> 00:15:55,199

they're lying or something we don't care

398

00:15:59,030 --> 00:15:56,639

we're here to interview so just tell

399

00:16:01,269 --> 00:15:59,040

your story and don't even worry about

400

00:16:03,350 --> 00:16:01,279

qualifying because i have zero worry

401
00:16:05,189 --> 00:16:03,360
about these people and their and their

402
00:16:07,269 --> 00:16:05,199
thoughts so let's just let's hear from i

403
00:16:08,710 --> 00:16:07,279
want to hear from you

404
00:16:09,590 --> 00:16:08,720
okay okay

405
00:16:11,670 --> 00:16:09,600
so

406
00:16:12,550 --> 00:16:11,680
my friend turns to me and i turned to

407
00:16:14,069 --> 00:16:12,560
him

408
00:16:15,749 --> 00:16:14,079
and i can't remember if i said he said

409
00:16:17,749 --> 00:16:15,759
he said was that a

410
00:16:19,749 --> 00:16:17,759
you know doc and we just laughed

411
00:16:21,990 --> 00:16:19,759
hysterically just laughing and i

412
00:16:23,670 --> 00:16:22,000
remember thinking like man i just like

413
00:16:25,990 --> 00:16:23,680

won the lottery or got struck by

414

00:16:28,710 --> 00:16:26,000

lightning like i i realized that this

415

00:16:31,430 --> 00:16:28,720

was a uffo

416

00:16:33,030 --> 00:16:31,440

i don't know what that meant but i but

417

00:16:36,710 --> 00:16:33,040

you know i just was like oh this is like

418

00:16:38,389 --> 00:16:36,720

the movies or like the um

419

00:16:39,430 --> 00:16:38,399

you know unsolved mysteries or something

420

00:16:40,629 --> 00:16:39,440

and i'm just

421

00:16:42,550 --> 00:16:40,639

one of these people that just happened

422

00:16:44,550 --> 00:16:42,560

to be privy to it i just caught it you

423

00:16:46,790 --> 00:16:44,560

know yeah yeah and it did kind of feel

424

00:16:48,949 --> 00:16:46,800

like it had been caught

425

00:16:50,550 --> 00:16:48,959

you know like i've seen it at 12 30

426
00:16:51,749 --> 00:16:50,560
night pooting around and it just went

427
00:16:53,749 --> 00:16:51,759
whoop

428
00:16:55,749 --> 00:16:53,759
did you stop the car and all that

429
00:16:57,430 --> 00:16:55,759
business or were you just watching

430
00:16:59,269 --> 00:16:57,440
through the windshield

431
00:17:00,550 --> 00:16:59,279
i was at the top of the exit you know

432
00:17:02,230 --> 00:17:00,560
how when you get off the interstate off

433
00:17:05,110 --> 00:17:02,240
an exit ramp

434
00:17:06,309 --> 00:17:05,120
you get to like the top of the exit

435
00:17:08,789 --> 00:17:06,319
and you kind of have to sit there for a

436
00:17:10,230 --> 00:17:08,799
minute check traffic both ways it is

437
00:17:11,909 --> 00:17:10,240
parked

438
00:17:13,750 --> 00:17:11,919

okay

439

00:17:18,549 --> 00:17:13,760

so

440

00:17:21,590 --> 00:17:18,559

say just a few seconds or yeah

441

00:17:23,750 --> 00:17:21,600

literally probably within 10 15 seconds

442

00:17:25,270 --> 00:17:23,760

wow that's a lot longer than mine was

443

00:17:27,270 --> 00:17:25,280

and you know what see there's something

444

00:17:29,270 --> 00:17:27,280

and nathan there's something to be said

445

00:17:31,590 --> 00:17:29,280

for him stopping at those off-ramps a

446

00:17:33,110 --> 00:17:31,600

guy like me that blows through that stop

447

00:17:36,070 --> 00:17:33,120

sign just kind of rolls through i missed

448

00:17:38,150 --> 00:17:36,080

the ufo well yeah no please obey local

449

00:17:41,350 --> 00:17:38,160

traffic law that's yeah yes

450

00:17:43,350 --> 00:17:41,360

and if you do that what could happen

451

00:17:46,950 --> 00:17:43,360

you might see

452

00:17:48,789 --> 00:17:46,960

yeah you're back don't worry

453

00:17:50,230 --> 00:17:48,799

okay i don't know what's going on i

454

00:17:51,830 --> 00:17:50,240

don't know if that's on my end i assume

455

00:17:53,830 --> 00:17:51,840

it is

456

00:17:56,710 --> 00:17:53,840

yeah do you have two nets in your house

457

00:17:58,789 --> 00:17:56,720

do you have uh uh like i have two nets

458

00:18:01,029 --> 00:17:58,799

do you have two different nets and maybe

459

00:18:02,950 --> 00:18:01,039

your wife is using one and streaming and

460

00:18:04,549 --> 00:18:02,960

then if you go on the other net

461

00:18:07,029 --> 00:18:04,559

no i'm out

462

00:18:09,110 --> 00:18:07,039

i'm out at the lake house and it's okay

463

00:18:10,310 --> 00:18:09,120

it's kind of i'm the only one out here

464

00:18:11,510 --> 00:18:10,320

so

465

00:18:13,430 --> 00:18:11,520

it's no problem

466

00:18:14,870 --> 00:18:13,440

you're not gone for long so anytime you

467

00:18:17,590 --> 00:18:14,880

leave it's just a chance for dj to

468

00:18:22,549 --> 00:18:19,669

hey you know what i haven't talked to

469

00:18:24,070 --> 00:18:22,559

david yet about buying uh you know maybe

470

00:18:25,510 --> 00:18:24,080

five of those hundred acres but that's

471

00:18:36,950 --> 00:18:25,520

going to come after the show yeah please

472

00:18:40,870 --> 00:18:39,190

i don't remember

473

00:18:43,430 --> 00:18:40,880

the drive home

474

00:18:45,350 --> 00:18:43,440

i remember dropping him off

475

00:18:47,110 --> 00:18:45,360

i don't remember driving home i don't

476

00:18:49,830 --> 00:18:47,120

remember discussing it but then again

477

00:18:50,549 --> 00:18:49,840

this was like 20 years ago over 20 years

478

00:18:53,350 --> 00:18:50,559

ago

479

00:18:54,710 --> 00:18:53,360

okay um so i just don't recall it i'm

480

00:18:55,669 --> 00:18:54,720

not saying there was anything weird

481

00:18:57,110 --> 00:18:55,679

there

482

00:18:59,830 --> 00:18:57,120

right i do remember going to school the

483

00:19:02,310 --> 00:18:59,840

next day and

484

00:19:05,270 --> 00:19:02,320

you know talking to my friends about it

485

00:19:09,029 --> 00:19:05,280

and you know 50 of the people were like

486

00:19:11,510 --> 00:19:09,039

no way and then the other 50 were like

487

00:19:12,470 --> 00:19:11,520

that's weird tell me more

488

00:19:17,270 --> 00:19:12,480

and

489

00:19:19,990 --> 00:19:17,280

know i just kind of was like wow that's

490

00:19:22,710 --> 00:19:20,000

neat uh but i didn't become a conspiracy

491

00:19:23,590 --> 00:19:22,720

guy i didn't become obsessed with sci-fi

492

00:19:29,430 --> 00:19:23,600

i

493

00:19:34,150 --> 00:19:31,029

so that was

494

00:19:37,350 --> 00:19:34,160

you know the first sighting

495

00:19:39,750 --> 00:19:37,360

and it coincides with

496

00:19:40,630 --> 00:19:39,760

something else that was going on in my

497

00:19:42,630 --> 00:19:40,640

life

498

00:19:44,630 --> 00:19:42,640

that's later down the road

499

00:19:46,950 --> 00:19:44,640

that i can get through later because i

500

00:19:47,830 --> 00:19:46,960

don't want to jump around the story

501
00:19:50,150 --> 00:19:47,840
so

502
00:19:51,029 --> 00:19:50,160
fast forward 10 years

503
00:19:52,630 --> 00:19:51,039
okay

504
00:19:54,070 --> 00:19:52,640
2007

505
00:19:55,350 --> 00:19:54,080
17.

506
00:19:57,190 --> 00:19:55,360
wait

507
00:20:00,230 --> 00:19:57,200
2007

508
00:20:02,390 --> 00:20:00,240
yeah

509
00:20:04,830 --> 00:20:02,400
um and

510
00:20:08,789 --> 00:20:04,840
i'm working the late

511
00:20:13,029 --> 00:20:11,029
and

512
00:20:14,789 --> 00:20:13,039
the guy that was with me

513
00:20:16,710 --> 00:20:14,799

it just asked me a question out of the

514

00:20:19,990 --> 00:20:16,720

blue he's like hey man what do you think

515

00:20:21,990 --> 00:20:20,000

about ufos so you know 10 years past i

516

00:20:24,310 --> 00:20:22,000

don't really it's not a part of my life

517

00:20:25,990 --> 00:20:24,320

i don't i don't think about it i uh and

518

00:20:28,630 --> 00:20:26,000

he says what do you think about ufos and

519

00:20:30,549 --> 00:20:28,640

i'm saying well you know

520

00:20:33,029 --> 00:20:30,559

the universe is a big place there's

521

00:20:35,750 --> 00:20:33,039

exoplanets i guess it's you know it's

522

00:20:38,070 --> 00:20:35,760

possible and then suddenly that whole

523

00:20:40,390 --> 00:20:38,080

scenario of seeing that ufo just came

524

00:20:43,909 --> 00:20:40,400

like rushing back into my memory and i

525

00:20:46,470 --> 00:20:43,919

was like oh my god like i've seen one

526
00:20:48,230 --> 00:20:46,480
and so he gets me to tell the story and

527
00:20:50,390 --> 00:20:48,240
i relay the same thing i just told you

528
00:20:51,990 --> 00:20:50,400
guys

529
00:20:53,430 --> 00:20:52,000
and um

530
00:20:56,070 --> 00:20:53,440
you know then he tells a story about

531
00:20:59,029 --> 00:20:56,080
something he had seen and and on a small

532
00:21:03,029 --> 00:20:59,039
tangent i i have found that in these

533
00:21:07,590 --> 00:21:04,870
you know about five out of ten people

534
00:21:10,870 --> 00:21:07,600
will have some kind of like paranormal

535
00:21:11,990 --> 00:21:10,880
story to tell and the other five know

536
00:21:14,710 --> 00:21:12,000
somebody

537
00:21:17,029 --> 00:21:14,720
so really not uncommon i just don't

538
00:21:20,470 --> 00:21:17,039

think a lot of people talk about it

539

00:21:21,830 --> 00:21:20,480

yeah people don't he suggests to me

540

00:21:24,070 --> 00:21:21,840

he was like have you ever listened to

541

00:21:25,669 --> 00:21:24,080

coast to coast stay in

542

00:21:27,590 --> 00:21:25,679

i'm like

543

00:21:29,110 --> 00:21:27,600

he's like you should listen to it and

544

00:21:31,350 --> 00:21:29,120

you should look into the subject

545

00:21:33,590 --> 00:21:31,360

especially since you've seen one

546

00:21:35,510 --> 00:21:33,600

i'm like okay

547

00:21:37,909 --> 00:21:35,520

so on the way home i listened to coast

548

00:21:39,669 --> 00:21:37,919

coast am and it's uh i think it's

549

00:21:41,590 --> 00:21:39,679

dolores cannon

550

00:21:43,830 --> 00:21:41,600

and she's talking about the indigo

551
00:21:46,070 --> 00:21:43,840
children

552
00:21:48,950 --> 00:21:46,080
and i'm just kind of going like what

553
00:21:50,630 --> 00:21:48,960
like what am i hearing

554
00:21:52,789 --> 00:21:50,640
and

555
00:21:56,470 --> 00:21:52,799
i the next day

556
00:21:58,149 --> 00:21:56,480
i google it i just google like ufo

557
00:22:00,470 --> 00:21:58,159
and the first thing that comes up at the

558
00:22:02,870 --> 00:22:00,480
top of the search is bob lazar

559
00:22:05,510 --> 00:22:02,880
yeah and so again i'm coming into this

560
00:22:06,710 --> 00:22:05,520
subject knowing nothing okay nothing

561
00:22:08,789 --> 00:22:06,720
other than the fact that i've seen

562
00:22:10,470 --> 00:22:08,799
something i'm not still

563
00:22:13,590 --> 00:22:10,480

i didn't even watch star wars until i

564

00:22:16,070 --> 00:22:13,600

was in my you know mid-20s i i just this

565

00:22:18,149 --> 00:22:16,080

is off my radar too

566

00:22:20,310 --> 00:22:18,159

so i watched the bob lazar documentary

567

00:22:23,430 --> 00:22:20,320

and i'm just like

568

00:22:25,510 --> 00:22:23,440

my mouth my jaw's like on the floor like

569

00:22:27,590 --> 00:22:25,520

you know i don't have

570

00:22:29,350 --> 00:22:27,600

an army of debunkers telling me this

571

00:22:31,830 --> 00:22:29,360

guy's full of it i'm just listening to

572

00:22:35,190 --> 00:22:31,840

this guy tell a story i'm not sensing

573

00:22:38,470 --> 00:22:35,200

any you know lies and he's like yeah you

574

00:22:40,870 --> 00:22:38,480

know aliens are real

575

00:22:41,990 --> 00:22:40,880

government knows we have access to their

576

00:22:42,950 --> 00:22:42,000

craft

577

00:22:45,190 --> 00:22:42,960

and

578

00:22:48,310 --> 00:22:45,200

i'm not 100 sure but i think they had

579

00:22:49,669 --> 00:22:48,320

something to do with our creation

580

00:22:51,669 --> 00:22:49,679

oh wow

581

00:22:52,630 --> 00:22:51,679

did he say that

582

00:22:54,549 --> 00:22:52,640

yeah

583

00:22:56,549 --> 00:22:54,559

you know his i think

584

00:22:59,350 --> 00:22:56,559

you know

585

00:23:01,750 --> 00:22:59,360

his the way he tells it is that

586

00:23:04,549 --> 00:23:01,760

he's not sure what disinformation he was

587

00:23:08,390 --> 00:23:04,559

fed and what information he was fed

588

00:23:11,350 --> 00:23:08,400

right but he was briefed on that that

589

00:23:14,149 --> 00:23:11,360

600 000 years ago they came here

590

00:23:16,630 --> 00:23:14,159

and integrated their dna into

591

00:23:18,070 --> 00:23:16,640

homo sapiens and about every 600 years

592

00:23:20,470 --> 00:23:18,080

would come back

593

00:23:21,270 --> 00:23:20,480

and upgrade and upgrade

594

00:23:22,630 --> 00:23:21,280

and

595

00:23:24,470 --> 00:23:22,640

here we are

596

00:23:25,990 --> 00:23:24,480

and they're still kind of coming around

597

00:23:27,190 --> 00:23:26,000

and tinkering

598

00:23:29,350 --> 00:23:27,200

and so

599

00:23:31,590 --> 00:23:29,360

i have no context for this information

600

00:23:33,430 --> 00:23:31,600

yeah i'm right

601
00:23:34,870 --> 00:23:33,440
no go ahead no

602
00:23:36,470 --> 00:23:34,880
i was just going to say i just want to

603
00:23:38,230 --> 00:23:36,480
just go around so the voice you're

604
00:23:40,390 --> 00:23:38,240
hearing and the experience you're

605
00:23:42,549 --> 00:23:40,400
hearing is that of david john lanier our

606
00:23:45,350 --> 00:23:42,559
guest he's going to talk about his

607
00:23:47,269 --> 00:23:45,360
experience both seeing and standing in

608
00:23:50,470 --> 00:23:47,279
front of interacting

609
00:23:53,029 --> 00:23:50,480
in his house with uh beings

610
00:23:56,310 --> 00:23:53,039
uh my co-host of course is uh the

611
00:23:58,149 --> 00:23:56,320
amazing nathan at a wave soul and i'm dj

612
00:24:01,190 --> 00:23:58,159
san marco your erstwhile host please

613
00:24:03,990 --> 00:24:02,470

so

614

00:24:07,350 --> 00:24:04,000

you know i have no context for any of

615

00:24:10,950 --> 00:24:07,360

this i i'm not into ufology i don't know

616

00:24:13,029 --> 00:24:10,960

that he did he really did not remember

617

00:24:16,470 --> 00:24:13,039

i'm just listening to this guy talk and

618

00:24:19,190 --> 00:24:16,480

i'm going like holy mother like

619

00:24:21,990 --> 00:24:19,200

is this for real because i've seen one

620

00:24:23,990 --> 00:24:22,000

like i've seen a ufo and it actually you

621

00:24:26,230 --> 00:24:24,000

know the one i saw kind of sounds like

622

00:24:28,230 --> 00:24:26,240

something he just described

623

00:24:30,789 --> 00:24:28,240

is that what's going on because like i

624

00:24:32,789 --> 00:24:30,799

was raised in a christian home

625

00:24:35,110 --> 00:24:32,799

you know i left christianity

626
00:24:37,269 --> 00:24:35,120
became nihilist studied buddhism you

627
00:24:38,549 --> 00:24:37,279
know

628
00:24:40,549 --> 00:24:38,559
experimented with psychedelics just

629
00:24:42,390 --> 00:24:40,559
trying to figure out like god in the

630
00:24:43,110 --> 00:24:42,400
universe like what's going on and i'm

631
00:24:46,630 --> 00:24:43,120
like

632
00:24:49,510 --> 00:24:46,640
dude that's it it's aliens

633
00:24:50,710 --> 00:24:49,520
so that might have something to do with

634
00:24:53,669 --> 00:24:50,720
like

635
00:24:56,230 --> 00:24:53,679
everything else that is about to happen

636
00:24:58,230 --> 00:24:56,240
you know where my mind went with that

637
00:25:02,630 --> 00:24:58,240
sure shift to perspective you know

638
00:25:06,630 --> 00:25:05,269

that you know to get to the next part of

639

00:25:09,510 --> 00:25:06,640

the story

640

00:25:12,149 --> 00:25:09,520

i i start studying it you know i start

641

00:25:15,510 --> 00:25:12,159

studying the subject and

642

00:25:17,909 --> 00:25:15,520

i'm not like super in-depth into it but

643

00:25:19,750 --> 00:25:17,919

it's on my radar

644

00:25:20,870 --> 00:25:19,760

and so around this time

645

00:25:23,909 --> 00:25:20,880

i'm

646

00:25:25,350 --> 00:25:23,919

i have a music project on the side

647

00:25:28,310 --> 00:25:25,360

and

648

00:25:30,149 --> 00:25:28,320

my brother-in-law who's a cartoonist is

649

00:25:31,909 --> 00:25:30,159

drawing the album cover

650

00:25:33,750 --> 00:25:31,919

and he sends the album cover to me i

651
00:25:35,029 --> 00:25:33,760
gave him the music i said draw whatever

652
00:25:38,870 --> 00:25:35,039
comes to mind

653
00:25:41,669 --> 00:25:38,880
just listen to the music and so he draws

654
00:25:44,230 --> 00:25:41,679
um a ufo and he was like is this a good

655
00:25:46,310 --> 00:25:44,240
album cover and i'm like dude no

656
00:25:48,310 --> 00:25:46,320
i was like what is that you know because

657
00:25:49,669 --> 00:25:48,320
i'm sitting here so unprompted he didn't

658
00:25:51,590 --> 00:25:49,679
you didn't ask him to draw the ufo you

659
00:25:54,230 --> 00:25:51,600
just drew what came to came to mind yeah

660
00:25:56,950 --> 00:25:54,240
wow yeah and and so he sends us some

661
00:25:58,549 --> 00:25:56,960
like oh my god you know and and that's

662
00:26:00,870 --> 00:25:58,559
when i start picking up on the concept

663
00:26:03,350 --> 00:26:00,880

of like synchronicity

664

00:26:04,630 --> 00:26:03,360

yeah and so i'm going like

665

00:26:06,710 --> 00:26:04,640

okay

666

00:26:09,830 --> 00:26:06,720

wait you know because i'm also learning

667

00:26:11,909 --> 00:26:09,840

about like telepathy

668

00:26:14,470 --> 00:26:11,919

grays and

669

00:26:16,470 --> 00:26:14,480

zeta particula and betty and barney hill

670

00:26:18,470 --> 00:26:16,480

and and all this kind of stuff

671

00:26:20,149 --> 00:26:18,480

and now he sends me a drawing of ufos

672

00:26:23,350 --> 00:26:20,159

and i'm like this is

673

00:26:25,269 --> 00:26:23,360

not going well like where is this going

674

00:26:26,390 --> 00:26:25,279

so

675

00:26:28,070 --> 00:26:26,400

okay

676
00:26:29,510 --> 00:26:28,080
this kind of thing goes on for a while i

677
00:26:33,430 --> 00:26:29,520
don't know how long because this was

678
00:26:37,029 --> 00:26:35,669
that i'm kind of going down this ufo

679
00:26:40,710 --> 00:26:37,039
rabbit hole

680
00:26:41,990 --> 00:26:40,720
yep not again not like super in depth

681
00:26:44,470 --> 00:26:42,000
and i know i just kind of jumped from

682
00:26:46,630 --> 00:26:44,480
2007 to 2009 but

683
00:26:47,909 --> 00:26:46,640
2009 is when like the meat of this kind

684
00:26:49,029 --> 00:26:47,919
of started

685
00:26:51,510 --> 00:26:49,039
sure

686
00:26:56,310 --> 00:26:54,149
i'm downstairs in my basement folding

687
00:26:57,590 --> 00:26:56,320
clothes folding laundry because the

688
00:26:59,430 --> 00:26:57,600

laundry room's downstairs we have a

689

00:27:01,590 --> 00:26:59,440

little there's a little window it's the

690

00:27:03,750 --> 00:27:01,600

old house it's next door to my new house

691

00:27:04,789 --> 00:27:03,760

it's all on the same property

692

00:27:06,230 --> 00:27:04,799

um

693

00:27:08,870 --> 00:27:06,240

and i look out the window and there's

694

00:27:12,870 --> 00:27:10,870

light it's just kind of like looks like

695

00:27:14,870 --> 00:27:12,880

it's moving around like this

696

00:27:16,070 --> 00:27:14,880

and then there's two other smaller

697

00:27:18,630 --> 00:27:16,080

lights

698

00:27:21,590 --> 00:27:18,640

kind of moving around near it

699

00:27:24,230 --> 00:27:21,600

and i'm like no way and i just get

700

00:27:26,630 --> 00:27:24,240

scared like i'm like no

701
00:27:28,310 --> 00:27:26,640
and i look out and i swear like one of

702
00:27:30,710 --> 00:27:28,320
the little lights

703
00:27:33,190 --> 00:27:30,720
flies up and touches the bigger one and

704
00:27:36,230 --> 00:27:33,200
like just disappears into it like just

705
00:27:38,070 --> 00:27:36,240
becomes one with this

706
00:27:42,149 --> 00:27:38,080
thing and i'm like that's a star that's

707
00:27:44,789 --> 00:27:42,159
i'm i'm going crazy and i ran upstairs

708
00:27:46,549 --> 00:27:44,799
and i look out the window in the blinds

709
00:27:47,990 --> 00:27:46,559
and i'm kind of a little panicked you

710
00:27:49,990 --> 00:27:48,000
know because at this point my wife

711
00:27:51,750 --> 00:27:50,000
didn't know

712
00:27:53,590 --> 00:27:51,760
about any of this this was kind of like

713
00:27:55,029 --> 00:27:53,600

just in the basement you know

714

00:27:57,110 --> 00:27:55,039

sure yeah

715

00:28:00,389 --> 00:27:57,120

doing doing god's work down there and

716

00:28:02,789 --> 00:28:00,399

she didn't know anything

717

00:28:05,430 --> 00:28:02,799

she's like what is it i'm like

718

00:28:07,029 --> 00:28:05,440

i think there's ufo outside she was like

719

00:28:09,590 --> 00:28:07,039

what and so

720

00:28:10,470 --> 00:28:09,600

i look out the window and it's moved

721

00:28:12,310 --> 00:28:10,480

from

722

00:28:14,630 --> 00:28:12,320

it's hard to explain

723

00:28:17,590 --> 00:28:14,640

let's move from here to over here

724

00:28:19,430 --> 00:28:17,600

okay now what is the size of the window

725

00:28:21,110 --> 00:28:19,440

we're looking at just to get your aspect

726

00:28:22,470 --> 00:28:21,120

are you looking straight out are you

727

00:28:24,950 --> 00:28:22,480

looking up

728

00:28:26,789 --> 00:28:24,960

is this a picture like a sliding glass

729

00:28:32,549 --> 00:28:26,799

door

730

00:28:36,870 --> 00:28:35,830

and that picture i sent you of like the

731

00:28:39,029 --> 00:28:36,880

180

732

00:28:41,110 --> 00:28:39,039

of the backyard that yes

733

00:28:43,269 --> 00:28:41,120

where the trees meet the sky

734

00:28:44,789 --> 00:28:43,279

that horizon is roughly

735

00:28:47,190 --> 00:28:44,799

eye level

736

00:28:50,310 --> 00:28:47,200

okay and it's right above the horizon

737

00:28:53,110 --> 00:28:50,320

not too high up above it

738

00:28:55,190 --> 00:28:53,120

and by the time i come upstairs to look

739

00:28:57,750 --> 00:28:55,200

out the window it had moved from there

740

00:28:59,510 --> 00:28:57,760

to here so it had gone

741

00:29:00,630 --> 00:28:59,520

over

742

00:29:02,230 --> 00:29:00,640

and

743

00:29:03,669 --> 00:29:02,240

in my mind i'm thinking okay you've been

744

00:29:07,430 --> 00:29:03,679

reading about this apparently they're

745

00:29:08,710 --> 00:29:07,440

telepathic let's test that out

746

00:29:10,389 --> 00:29:08,720

and i say

747

00:29:12,630 --> 00:29:10,399

if you can hear me

748

00:29:15,190 --> 00:29:12,640

fly down or i can't remember if i said

749

00:29:16,870 --> 00:29:15,200

fly down or fly up fly over

750

00:29:18,549 --> 00:29:16,880

i think this is in your mind or out and

751

00:29:20,070 --> 00:29:18,559

your mind are out loud this is in my

752

00:29:21,350 --> 00:29:20,080

mind you know because i don't want to

753

00:29:24,710 --> 00:29:21,360

sit there and i don't want to think i'm

754

00:29:28,149 --> 00:29:27,029

uh you know fly up

755

00:29:29,830 --> 00:29:28,159

and

756

00:29:32,149 --> 00:29:29,840

there's a tree that's in my line of

757

00:29:34,789 --> 00:29:32,159

vision so there's branches

758

00:29:37,669 --> 00:29:34,799

and i just see this thing go like

759

00:29:38,830 --> 00:29:37,679

up past the branches

760

00:29:41,350 --> 00:29:38,840

and i'm like

761

00:29:43,750 --> 00:29:41,360

oh and then i'm like if you can hear me

762

00:29:45,430 --> 00:29:43,760

fly over you know and again

763

00:29:46,549 --> 00:29:45,440

in relation to the branches it's going

764

00:29:48,870 --> 00:29:46,559

like

765

00:29:51,110 --> 00:29:48,880

and it'll kind of move over and i just

766

00:29:52,630 --> 00:29:51,120

freak out and i just shut the blinds and

767

00:29:54,070 --> 00:29:52,640

then it's like what are you looking at

768

00:29:57,269 --> 00:29:54,080

and she comes over and she looks out the

769

00:29:59,269 --> 00:29:57,279

window and i s and i just see this like

770

00:30:01,029 --> 00:29:59,279

her muscles in the back of her neck just

771

00:30:03,029 --> 00:30:01,039

go like

772

00:30:04,149 --> 00:30:03,039

you know like chills kind of thing and

773

00:30:06,230 --> 00:30:04,159

she was like

774

00:30:08,070 --> 00:30:06,240

i don't see anything and if you knew my

775

00:30:10,470 --> 00:30:08,080

wife you you would know that she's like

776

00:30:13,190 --> 00:30:10,480

the queen of just like there's work to

777

00:30:16,230 --> 00:30:13,200

be done and i'm not dealing with this

778

00:30:19,190 --> 00:30:16,240

right block it out hey david can can you

779

00:30:21,430 --> 00:30:19,200

give us an approximate size of this

780

00:30:23,269 --> 00:30:21,440

object compared to

781

00:30:24,950 --> 00:30:23,279

uh either just

782

00:30:27,190 --> 00:30:24,960

what you think or relative to the other

783

00:30:28,630 --> 00:30:27,200

one you saw the first one

784

00:30:33,350 --> 00:30:28,640

big

785

00:30:34,470 --> 00:30:33,360

i would assume

786

00:30:37,510 --> 00:30:34,480

like i

787

00:30:41,590 --> 00:30:37,520

again i'm not an aviator i'm not an

788

00:30:44,470 --> 00:30:41,600

aeronautics expert so i'm not a good

789

00:30:47,590 --> 00:30:44,480

judge of distance and height

790

00:30:49,510 --> 00:30:47,600

and size it was far away

791

00:30:50,950 --> 00:30:49,520

and that's kind of a key part of the

792

00:30:51,909 --> 00:30:50,960

story

793

00:30:54,310 --> 00:30:51,919

okay

794

00:30:56,070 --> 00:30:54,320

it is it's it's far away i don't know

795

00:30:59,190 --> 00:30:56,080

it's not in your yard

796

00:31:03,750 --> 00:31:01,029

again he'll be back i know you know what

797

00:31:06,630 --> 00:31:03,760

though i'll tell you what i'm willing to

798

00:31:07,590 --> 00:31:06,640

upgrade his internet service

799

00:31:09,830 --> 00:31:07,600

um

800

00:31:11,509 --> 00:31:09,840

you know just next month at least when

801
00:31:13,110 --> 00:31:11,519
you're out of the lake it uh it happened

802
00:31:14,870 --> 00:31:13,120
sometimes yeah hey this happened you

803
00:31:16,950 --> 00:31:14,880
know what i would like to have lake

804
00:31:18,710 --> 00:31:16,960
house problems right exactly

805
00:31:21,830 --> 00:31:18,720
i would like to have a lake house i

806
00:31:24,789 --> 00:31:21,840
would like to have 100 uh acres of

807
00:31:25,669 --> 00:31:24,799
wooded land in alabama and

808
00:31:28,230 --> 00:31:25,679
i'm

809
00:31:29,269 --> 00:31:28,240
sorry nathan bring me back no no bring

810
00:31:30,870 --> 00:31:29,279
me

811
00:31:32,389 --> 00:31:30,880
it's all good all right

812
00:31:34,149 --> 00:31:32,399
welcome back no it's fine man don't

813
00:31:36,149 --> 00:31:34,159

worry about it okay

814

00:31:39,110 --> 00:31:36,159

i was dreaming about lake property it's

815

00:31:40,789 --> 00:31:39,120

okay okay all right we're back location

816

00:31:41,990 --> 00:31:40,799

with bad wi-fi

817

00:31:46,470 --> 00:31:42,000

i'm back

818

00:31:50,230 --> 00:31:46,480

exactly is it area 51

819

00:31:50,240 --> 00:31:53,350

so

820

00:31:59,830 --> 00:31:55,990

as far as how big it was i'm guessing

821

00:32:02,149 --> 00:31:59,840

it's it's sizeable like not like

822

00:32:05,190 --> 00:32:02,159

enormous i don't mean like mothership

823

00:32:07,830 --> 00:32:05,200

but like it's not one of these

824

00:32:10,310 --> 00:32:07,840

smaller kind of things that that some

825

00:32:11,909 --> 00:32:10,320

people see like you know

826

00:32:13,509 --> 00:32:11,919

that's you know roughly the size a

827

00:32:17,669 --> 00:32:13,519

little bit bigger than a sedan but just

828

00:32:18,870 --> 00:32:17,679

like a disc okay it was bigger than that

829

00:32:21,269 --> 00:32:18,880

um

830

00:32:23,669 --> 00:32:21,279

but not like you know mothership kind of

831

00:32:24,549 --> 00:32:23,679

thing but just a light just like a white

832

00:32:27,110 --> 00:32:24,559

light

833

00:32:28,630 --> 00:32:27,120

you know uh i just want to say just

834

00:32:29,669 --> 00:32:28,640

because i haven't heard too many of

835

00:32:31,750 --> 00:32:29,679

these but

836

00:32:34,230 --> 00:32:31,760

anjali's confidant

837

00:32:35,909 --> 00:32:34,240

nick larkin said he and his mother in

838

00:32:38,549 --> 00:32:35,919

the backyard saw one the size of a

839

00:32:40,549 --> 00:32:38,559

football so imagine you know something

840

00:32:43,269 --> 00:32:40,559

comes in your yard it's the size of a

841

00:32:47,029 --> 00:32:43,279

football and flies away i mean that's

842

00:32:49,750 --> 00:32:47,039

bizarre right bizarre i can imagine

843

00:32:53,029 --> 00:32:49,760

yeah so nick larkin what's up brother

844

00:32:55,909 --> 00:32:53,039

anjali say hello to david john lanier

845

00:32:57,750 --> 00:32:55,919

all right let's go go ahead brother um

846

00:32:58,549 --> 00:32:57,760

okay and so

847

00:33:21,669 --> 00:32:58,559

i

848

00:33:23,830 --> 00:33:21,679

request

849

00:33:26,470 --> 00:33:23,840

right yeah and all this stuff i'm

850

00:33:28,789 --> 00:33:26,480

researching is suddenly like uh like is

851

00:33:31,590 --> 00:33:28,799

this true is this real

852

00:33:33,269 --> 00:33:31,600

i go take a hot shower until it runs

853

00:33:35,590 --> 00:33:33,279

cold

854

00:33:39,750 --> 00:33:35,600

and then i come into the bedroom and

855

00:33:41,029 --> 00:33:39,760

watch uh scrubs which is an old tv show

856

00:33:43,269 --> 00:33:41,039

yeah it's a good one

857

00:33:45,590 --> 00:33:43,279

it describes my sports career actually

858

00:33:48,149 --> 00:33:45,600

but anyway go ahead

859

00:33:50,389 --> 00:33:48,159

i just needed i needed to laugh and i

860

00:33:51,750 --> 00:33:50,399

needed to think about something else and

861

00:33:53,430 --> 00:33:51,760

sadly

862

00:33:54,549 --> 00:33:53,440

began

863

00:33:56,710 --> 00:33:54,559

about

864

00:34:01,269 --> 00:33:56,720

i don't know how long of me having to

865

00:34:06,470 --> 00:34:04,149

okay and i'm not preparing to admit that

866

00:34:08,710 --> 00:34:06,480

because i just telepathically

867

00:34:11,669 --> 00:34:08,720

communicated with

868

00:34:12,950 --> 00:34:11,679

a light in the sky that responded to

869

00:34:14,550 --> 00:34:12,960

my request

870

00:34:16,389 --> 00:34:14,560

i'm freaked you out

871

00:34:19,349 --> 00:34:16,399

i'm a little disturbed

872

00:34:20,790 --> 00:34:19,359

so this is the point where the story

873

00:34:23,909 --> 00:34:20,800

starts getting

874

00:34:29,030 --> 00:34:25,190

blurred

875

00:34:31,829 --> 00:34:29,040

because so much happened

876

00:34:35,829 --> 00:34:31,839

and i want to make the point that

877

00:34:39,349 --> 00:34:35,839

they approached me in phases

878

00:34:43,270 --> 00:34:39,359

and the first phase was far away

879

00:34:45,349 --> 00:34:43,280

it was lights in the upper atmosphere

880

00:34:48,629 --> 00:34:45,359

uh you know like i said way off i don't

881

00:34:50,550 --> 00:34:48,639

know how far but way off in the horizon

882

00:34:52,710 --> 00:34:50,560

small i mean i don't think they were

883

00:34:53,829 --> 00:34:52,720

small but but away

884

00:34:55,430 --> 00:34:53,839

okay and

885

00:34:56,550 --> 00:34:55,440

i saw

886

00:34:57,910 --> 00:34:56,560

i had

887

00:35:00,470 --> 00:34:57,920

moments like that

888

00:35:02,710 --> 00:35:00,480

like that little story i just told you

889

00:35:06,230 --> 00:35:02,720

so many times that i don't remember all

890

00:35:09,750 --> 00:35:06,240

of it i do have video footage i set up a

891

00:35:12,950 --> 00:35:09,760

tripod and i put my little this was 2009

892

00:35:14,630 --> 00:35:12,960

i put my little 2007 8 millimeter camera

893

00:35:16,630 --> 00:35:14,640

on a tripod because this was happening

894

00:35:18,710 --> 00:35:16,640

so frequently that i was like i can film

895

00:35:20,150 --> 00:35:18,720

this i can prove to people this is

896

00:35:22,150 --> 00:35:20,160

happening because i feel like i'm going

897

00:35:23,990 --> 00:35:22,160

crazy

898

00:35:25,589 --> 00:35:24,000

and you know i went back and i looked at

899

00:35:28,470 --> 00:35:25,599

some of the footage

900

00:35:33,270 --> 00:35:30,790

as time went on i did kind of go like

901
00:35:36,230 --> 00:35:33,280
okay that's probably a scintillating

902
00:35:39,109 --> 00:35:36,240
star that might be a helicopter that

903
00:35:40,710 --> 00:35:39,119
might be a plane i started that could be

904
00:35:43,270 --> 00:35:40,720
a space station that might be a

905
00:35:45,270 --> 00:35:43,280
satellite i started learning about

906
00:35:47,510 --> 00:35:45,280
what's in the area

907
00:35:49,270 --> 00:35:47,520
sure also and i'll go ahead you know

908
00:35:52,710 --> 00:35:49,280
full disclosure

909
00:35:55,510 --> 00:35:52,720
i live 40 minutes south of the redstone

910
00:35:58,630 --> 00:35:55,520
arsenal in huntsville which is a major

911
00:36:00,710 --> 00:35:58,640
jet propulsion laboratory for nasa and

912
00:36:03,030 --> 00:36:00,720
national defense development for the

913
00:36:06,150 --> 00:36:03,040

army so there's every chance you know

914

00:36:07,990 --> 00:36:06,160

lou elizondo was on a podcast recently

915

00:36:09,589 --> 00:36:08,000

saying there's ai being developed that's

916

00:36:11,270 --> 00:36:09,599

going to be able to tell and they've

917

00:36:13,109 --> 00:36:11,280

already run something through it turns

918

00:36:19,030 --> 00:36:13,119

out it was an army thing

919

00:36:24,710 --> 00:36:21,670

it got closer and it got weirder

920

00:36:27,270 --> 00:36:24,720

and i don't suspect military at that

921

00:36:29,270 --> 00:36:27,280

point but initially it's far away and

922

00:36:31,750 --> 00:36:29,280

some of the video footage i don't even

923

00:36:32,550 --> 00:36:31,760

remember taking

924

00:36:35,109 --> 00:36:32,560

um

925

00:36:38,150 --> 00:36:35,119

as far as putting that out i don't want

926
00:36:42,150 --> 00:36:39,349
hammered

927
00:36:43,829 --> 00:36:42,160
you know i'm a pretty sensitive person

928
00:36:45,670 --> 00:36:43,839
and i don't want to get hammered by

929
00:36:47,589 --> 00:36:45,680
people that don't believe me

930
00:36:50,550 --> 00:36:47,599
or that you know are going to mock me

931
00:36:52,710 --> 00:36:50,560
and and belittle me and try to ruin

932
00:36:54,710 --> 00:36:52,720
my story i'm kind of like believe me or

933
00:36:57,510 --> 00:36:54,720
not i might put it out

934
00:36:59,589 --> 00:36:57,520
but there's a couple of clips that are

935
00:37:00,950 --> 00:36:59,599
pretty interesting one of which was

936
00:37:03,190 --> 00:37:00,960
during the day

937
00:37:05,829 --> 00:37:03,200
and i can tell you i i do remember one

938
00:37:08,470 --> 00:37:05,839

of the daytime sightings i was

939

00:37:13,270 --> 00:37:08,480

i was googling the occupation in

940

00:37:19,750 --> 00:37:15,750

so so we lost him again

941

00:37:22,470 --> 00:37:19,760

um so guys uh we are calling all beings

942

00:37:25,430 --> 00:37:22,480

i'm your host dj san marco this is my

943

00:37:27,190 --> 00:37:25,440

co-host nathan at a wave stole

944

00:37:29,109 --> 00:37:27,200

and our guest

945

00:37:31,030 --> 00:37:29,119

sorry nathan i was

946

00:37:33,670 --> 00:37:31,040

and i i didn't mean to somebody and our

947

00:37:36,390 --> 00:37:33,680

our guest is uh david john lanier trying

948

00:37:38,950 --> 00:37:36,400

to tell his story it's very difficult to

949

00:37:41,270 --> 00:37:38,960

tell these stories because uh

950

00:37:43,430 --> 00:37:41,280

uh frankly probably most of the people

951
00:37:45,990 --> 00:37:43,440
that he tells don't believe him

952
00:37:48,790 --> 00:37:46,000
um and that's why i didn't tell my story

953
00:37:50,710 --> 00:37:48,800
for 30 some odd years i know it's real i

954
00:37:51,430 --> 00:37:50,720
don't need mick west or somebody to tell

955
00:37:56,230 --> 00:37:51,440
me

956
00:37:57,670 --> 00:37:56,240
above the tree line

957
00:37:59,829 --> 00:37:57,680
in uh

958
00:38:02,069 --> 00:37:59,839
uh sunday night in peak skill that lit

959
00:38:04,630 --> 00:38:02,079
up the entire sky i mean it just blew my

960
00:38:06,470 --> 00:38:04,640
mind yeah different colors like yeah

961
00:38:08,390 --> 00:38:06,480
yeah totally it looks like he's back so

962
00:38:09,910 --> 00:38:08,400
we'll get it back okay let's get him in

963
00:38:12,470 --> 00:38:09,920

sorry all right welcome back

964

00:38:13,430 --> 00:38:12,480

and that is our aforementioned special

965

00:38:15,990 --> 00:38:13,440

guest

966

00:38:17,109 --> 00:38:16,000

david john lanier we are calling all

967

00:38:19,589 --> 00:38:17,119

beings

968

00:38:21,750 --> 00:38:19,599

uh we love you ufo twitter and uh

969

00:38:24,630 --> 00:38:21,760

david's here to share his story please

970

00:38:27,349 --> 00:38:24,640

continue sir and by the way sir

971

00:38:28,710 --> 00:38:27,359

uh as far as sharing your your video you

972

00:38:31,910 --> 00:38:28,720

don't have to share

973

00:38:33,750 --> 00:38:31,920

uh with anybody you don't have to uh get

974

00:38:35,750 --> 00:38:33,760

affirmation on it and one of the reasons

975

00:38:38,630 --> 00:38:35,760

i say that is

976

00:38:40,950 --> 00:38:38,640

a lot of times it just doesn't show up

977

00:38:42,310 --> 00:38:40,960

on film the way it shows up when your

978

00:38:44,069 --> 00:38:42,320

eye sees it

979

00:38:45,109 --> 00:38:44,079

you see it you know what you're looking

980

00:38:48,069 --> 00:38:45,119

at

981

00:38:50,150 --> 00:38:48,079

um and when it is you kind of know it is

982

00:38:52,870 --> 00:38:50,160

and it's not necessarily going to show

983

00:38:53,990 --> 00:38:52,880

up on film it wasn't meant to be filmed

984

00:38:57,349 --> 00:38:54,000

it's not

985

00:39:00,390 --> 00:38:57,359

what i mean

986

00:39:03,349 --> 00:39:00,400

so go for it brother um

987

00:39:05,670 --> 00:39:03,359

one of the videos one one of the scenes

988

00:39:08,710 --> 00:39:05,680

i caught was during the daytime i had

989

00:39:10,470 --> 00:39:08,720

multiple daytime sightings and one of

990

00:39:11,670 --> 00:39:10,480

which i was

991

00:39:13,750 --> 00:39:11,680

keeping up with the news about the

992

00:39:17,270 --> 00:39:13,760

occupation in afghanistan and i was

993

00:39:22,150 --> 00:39:19,349

civilian casualties and just the

994

00:39:23,430 --> 00:39:22,160

horrible stuff and and just

995

00:39:25,349 --> 00:39:23,440

and i don't know why i was looking at

996

00:39:27,190 --> 00:39:25,359

that oh i do know why

997

00:39:28,790 --> 00:39:27,200

it has something to do with an art with

998

00:39:30,710 --> 00:39:28,800

my art project and i was putting

999

00:39:32,790 --> 00:39:30,720

together a slideshow

1000

00:39:34,230 --> 00:39:32,800

for people and there was a lot of uh

1001

00:39:35,829 --> 00:39:34,240

you know innocent civilian war

1002

00:39:37,510 --> 00:39:35,839

casualties that were part of the

1003

00:39:39,030 --> 00:39:37,520

slideshow maybe they had something to do

1004

00:39:41,030 --> 00:39:39,040

with it i don't know

1005

00:39:42,550 --> 00:39:41,040

but i started crying

1006

00:39:44,710 --> 00:39:42,560

because i'm filthy

1007

00:39:47,270 --> 00:39:44,720

and so i went outside

1008

00:39:49,670 --> 00:39:47,280

and there was like a star in the sky

1009

00:39:51,829 --> 00:39:49,680

like two three in the afternoon there's

1010

00:39:53,270 --> 00:39:51,839

a star in this guy i'm like oh my god

1011

00:39:55,510 --> 00:39:53,280

it's one of those things run back inside

1012

00:39:57,670 --> 00:39:55,520

get a camera run back out it's gone

1013

00:39:59,349 --> 00:39:57,680

um and that kind of thing happened

1014

00:40:01,589 --> 00:39:59,359

multiple times like something that

1015

00:40:03,910 --> 00:40:01,599

looked like a coke can or something just

1016

00:40:05,589 --> 00:40:03,920

sideways like this

1017

00:40:07,270 --> 00:40:05,599

it's not a satellite satellites aren't

1018

00:40:09,109 --> 00:40:07,280

that low in the sky

1019

00:40:10,630 --> 00:40:09,119

right now

1020

00:40:12,630 --> 00:40:10,640

and there were a couple of daytime

1021

00:40:14,150 --> 00:40:12,640

sightings like that most of them were at

1022

00:40:18,230 --> 00:40:14,160

night time but again

1023

00:40:20,069 --> 00:40:18,240

during this phase of it it it's far away

1024

00:40:21,190 --> 00:40:20,079

um

1025

00:40:22,710 --> 00:40:21,200

so

1026
00:40:26,470 --> 00:40:22,720
again

1027
00:40:28,390 --> 00:40:26,480
when i go back and look at these videos

1028
00:40:30,309 --> 00:40:28,400
i don't even remember taking

1029
00:40:31,270 --> 00:40:30,319
any of them half of them

1030
00:40:33,430 --> 00:40:31,280
um

1031
00:40:36,309 --> 00:40:33,440
and so this this whole part of the story

1032
00:40:39,750 --> 00:40:36,319
just gets confusing i i don't

1033
00:40:42,630 --> 00:40:39,760
and it was 10 years ago you know sure

1034
00:40:49,030 --> 00:40:46,390
they got progressively closer

1035
00:40:53,109 --> 00:40:51,270
the first one i remember being really

1036
00:40:54,790 --> 00:40:53,119
close

1037
00:40:57,349 --> 00:40:54,800
i just saw

1038
00:40:58,950 --> 00:40:57,359

you know coming in at

1039

00:41:00,710 --> 00:40:58,960

um

1040

00:41:03,109 --> 00:41:00,720

my house sits at a thousand feet above

1041

00:41:04,710 --> 00:41:03,119

sea level

1042

00:41:07,309 --> 00:41:04,720

it's probably

1043

00:41:09,829 --> 00:41:07,319

this thing's probably

1044

00:41:11,030 --> 00:41:09,839

150 feet in the air

1045

00:41:14,710 --> 00:41:11,040

and it says

1046

00:41:17,670 --> 00:41:14,720

this red light in an orange light like

1047

00:41:18,950 --> 00:41:17,680

way far apart coming right at me

1048

00:41:23,190 --> 00:41:18,960

over the field i don't have any

1049

00:41:27,190 --> 00:41:25,750

or its approach i just remember just the

1050

00:41:29,270 --> 00:41:27,200

red light and orange light and they're

1051
00:41:30,150 --> 00:41:29,280
far apart i was like that is a big ass

1052
00:41:32,470 --> 00:41:30,160
plane

1053
00:41:34,950 --> 00:41:32,480
not making any sound on the other side

1054
00:41:37,109 --> 00:41:34,960
of those trees

1055
00:41:39,990 --> 00:41:37,119
and then the orange light

1056
00:41:42,710 --> 00:41:40,000
it turns it like pivots and the red

1057
00:41:45,990 --> 00:41:42,720
light kind of stays in one position and

1058
00:41:47,430 --> 00:41:46,000
the orange light goes like this

1059
00:41:50,309 --> 00:41:47,440
and then it flies

1060
00:41:52,710 --> 00:41:50,319
directly over me

1061
00:41:53,510 --> 00:41:52,720
and it's and then it turns a white light

1062
00:41:57,910 --> 00:41:53,520
on

1063
00:42:00,230 --> 00:41:57,920

triangle

1064

00:42:02,710 --> 00:42:00,240

it's just this big

1065

00:42:05,109 --> 00:42:02,720

black triangle i mean easily the size of

1066

00:42:07,349 --> 00:42:05,119

my house if not bigger

1067

00:42:10,390 --> 00:42:07,359

and it has this big

1068

00:42:11,270 --> 00:42:10,400

protruding like bowl off the bottom of

1069

00:42:14,950 --> 00:42:11,280

it

1070

00:42:16,309 --> 00:42:14,960

i say bowl because that's the shape

1071

00:42:17,750 --> 00:42:16,319

so you were kind of you were kind of at

1072

00:42:20,710 --> 00:42:17,760

an off angle to it then you weren't

1073

00:42:22,550 --> 00:42:20,720

directly underneath it you could tell

1074

00:42:27,030 --> 00:42:22,560

well

1075

00:42:31,030 --> 00:42:28,870

it had like you could kind of it was

1076
00:42:32,069 --> 00:42:31,040
like it was nighttime but the moon was

1077
00:42:33,750 --> 00:42:32,079
bright

1078
00:42:38,630 --> 00:42:33,760
and you could kind of see like this kind

1079
00:42:39,990 --> 00:42:38,640
of silvery gray black metallic sheen to

1080
00:42:45,349 --> 00:42:40,000
it

1081
00:42:48,550 --> 00:42:45,359
that was off the bottom and had like a

1082
00:42:51,109 --> 00:42:48,560
series of holes just black holes

1083
00:42:53,510 --> 00:42:51,119
i don't know it was just a square grid

1084
00:42:55,030 --> 00:42:53,520
of black holes

1085
00:42:56,230 --> 00:42:55,040
on the bottom of this bowl and then

1086
00:42:59,670 --> 00:42:56,240
suddenly

1087
00:43:02,390 --> 00:42:59,680
the grids light up

1088
00:43:04,710 --> 00:43:02,400

and it just makes this pattern

1089

00:43:06,390 --> 00:43:04,720

that's like braille it looks like

1090

00:43:07,510 --> 00:43:06,400

braille

1091

00:43:09,030 --> 00:43:07,520

and then they go

1092

00:43:11,430 --> 00:43:09,040

and all the lights go off and then it

1093

00:43:15,829 --> 00:43:13,030

and it makes another pattern that's

1094

00:43:17,750 --> 00:43:15,839

different still looks like braille

1095

00:43:19,829 --> 00:43:17,760

all the lights go off it does this like

1096

00:43:21,510 --> 00:43:19,839

three or four times

1097

00:43:23,750 --> 00:43:21,520

so you're looking at the bottom of it

1098

00:43:24,950 --> 00:43:23,760

now it's almost like hovering above your

1099

00:43:26,470 --> 00:43:24,960

property

1100

00:43:28,309 --> 00:43:26,480

yeah it's hovering above

1101
00:43:29,430 --> 00:43:28,319
me i'm and you're right i love you right

1102
00:43:31,670 --> 00:43:29,440
above you

1103
00:43:33,750 --> 00:43:31,680
yeah it is a little offset

1104
00:43:34,550 --> 00:43:33,760
like it's not directly by me it's a

1105
00:43:36,630 --> 00:43:34,560
little

1106
00:43:37,670 --> 00:43:36,640
over

1107
00:43:40,470 --> 00:43:37,680
but

1108
00:43:44,230 --> 00:43:40,480
i just think like that thing

1109
00:43:47,990 --> 00:43:44,240
whatever it is is flashing lights at me

1110
00:43:50,230 --> 00:43:49,270
it's it's

1111
00:43:51,670 --> 00:43:50,240
it's

1112
00:43:53,349 --> 00:43:51,680
waving at me

1113
00:43:54,550 --> 00:43:53,359

right some type of communication is

1114

00:43:57,270 --> 00:43:54,560

trying to yeah

1115

00:43:58,150 --> 00:43:57,280

is your wife like is she freaking out

1116

00:44:00,309 --> 00:43:58,160

like

1117

00:44:02,790 --> 00:44:00,319

uh are you freaking out

1118

00:44:03,910 --> 00:44:02,800

oh no no she was doing laundry she's not

1119

00:44:05,589 --> 00:44:03,920

awake

1120

00:44:07,750 --> 00:44:05,599

this is great

1121

00:44:10,150 --> 00:44:07,760

hey honey get back in here your

1122

00:44:13,109 --> 00:44:10,160

underwear is almost done oh man

1123

00:44:15,910 --> 00:44:13,119

again yep all right um she might be on

1124

00:44:17,270 --> 00:44:15,920

playstation 3 right now that might be

1125

00:44:18,710 --> 00:44:17,280

or on twitch

1126

00:44:21,030 --> 00:44:18,720

so okay

1127

00:44:23,510 --> 00:44:21,040

um yeah this is really interesting now

1128

00:44:26,390 --> 00:44:23,520

imagine you're having a contact nathan

1129

00:44:28,470 --> 00:44:26,400

where you're like right under craft

1130

00:44:30,950 --> 00:44:28,480

yeah no it's hard to hard to imagine

1131

00:44:32,870 --> 00:44:30,960

that for sure a lot more visceral than

1132

00:44:40,710 --> 00:44:32,880

what hey uh if your wife's on

1133

00:44:44,150 --> 00:44:42,069

it's all good

1134

00:44:46,470 --> 00:44:44,160

i'm assuming that due to the data

1135

00:44:48,950 --> 00:44:46,480

transfer i've probably got like five ten

1136

00:44:50,710 --> 00:44:48,960

minute windows before i fart out no it's

1137

00:44:52,390 --> 00:44:50,720

all good

1138

00:44:53,829 --> 00:44:52,400

we're happy i mean like you've already

1139

00:44:56,790 --> 00:44:53,839

i'm sorry go ahead nathan because well

1140

00:44:58,230 --> 00:44:56,800

yeah so okay so just a quick recap so

1141

00:45:00,470 --> 00:44:58,240

the uh

1142

00:45:03,030 --> 00:45:00,480

experiences that contact the sightings

1143

00:45:05,670 --> 00:45:03,040

they've been increasing over time

1144

00:45:07,829 --> 00:45:05,680

uh since 2007 when they when you kind of

1145

00:45:10,630 --> 00:45:07,839

had that another experience with them

1146

00:45:12,790 --> 00:45:10,640

and now you've got a large black

1147

00:45:15,589 --> 00:45:12,800

triangle in the night sky

1148

00:45:19,190 --> 00:45:15,599

there's a moon out in the sky as well

1149

00:45:21,190 --> 00:45:19,200

but this triangle has a rounded

1150

00:45:23,030 --> 00:45:21,200

sort of glowing white

1151

00:45:24,550 --> 00:45:23,040

bowl in the center of it and at the

1152

00:45:25,829 --> 00:45:24,560

bottom of that

1153

00:45:27,670 --> 00:45:25,839

bowl

1154

00:45:29,829 --> 00:45:27,680

sort of facing the ground is a you

1155

00:45:34,069 --> 00:45:29,839

described it as kind of a square

1156

00:45:36,550 --> 00:45:34,079

grid like pattern of of dots that are

1157

00:45:37,910 --> 00:45:36,560

uh animated in a way that almost like a

1158

00:45:40,309 --> 00:45:37,920

like a uh

1159

00:45:42,550 --> 00:45:40,319

a pixel screen that can kind of pop in

1160

00:45:44,470 --> 00:45:42,560

and out of those little black pixels can

1161

00:45:46,550 --> 00:45:44,480

pop in and out and change configurations

1162

00:45:49,910 --> 00:45:46,560

that is that an accurate recap

1163

00:45:52,309 --> 00:45:49,920

uh pretty much um the the bowl itself

1164

00:45:53,270 --> 00:45:52,319

off the bottom was black and the bowl

1165

00:45:55,670 --> 00:45:53,280

was black

1166

00:45:56,950 --> 00:45:55,680

but it was almost like a recessed

1167

00:45:59,430 --> 00:45:56,960

lighting

1168

00:46:00,470 --> 00:45:59,440

that was in those little black

1169

00:46:01,990 --> 00:46:00,480

slots

1170

00:46:03,910 --> 00:46:02,000

yeah within the black holes there were

1171

00:46:05,030 --> 00:46:03,920

lights and the lights were coming on in

1172

00:46:08,870 --> 00:46:05,040

a pattern

1173

00:46:10,710 --> 00:46:08,880

gotcha okay thank you flying over me and

1174

00:46:13,510 --> 00:46:10,720

i you know of course

1175

00:46:16,870 --> 00:46:13,520

i'm just like i'm freaking out

1176

00:46:19,750 --> 00:46:16,880

and i go inside

1177

00:46:22,150 --> 00:46:19,760

and i just hear static in my ear just

1178

00:46:23,030 --> 00:46:22,160

in my head just like

1179

00:46:25,109 --> 00:46:23,040

like

1180

00:46:27,990 --> 00:46:25,119

ringing in my ears and i sit down at the

1181

00:46:29,990 --> 00:46:28,000

bottom step of the basement and my

1182

00:46:33,349 --> 00:46:30,000

wife's doing laundry and she's like

1183

00:46:35,990 --> 00:46:33,359

what's wrong and i'm like i just saw

1184

00:46:37,750 --> 00:46:36,000

a ufo again and she was like

1185

00:46:39,349 --> 00:46:37,760

you know her mind she's like you need to

1186

00:46:41,910 --> 00:46:39,359

stop with that

1187

00:46:43,829 --> 00:46:41,920

you know it's bothering me clearly i was

1188

00:46:45,670 --> 00:46:43,839

like i can't help it

1189

00:46:48,710 --> 00:46:45,680

i was like i didn't ask for this she's

1190

00:46:52,150 --> 00:46:49,510

right

1191

00:46:54,470 --> 00:46:52,160

hell yeah i'm asking for it

1192

00:46:56,550 --> 00:46:54,480

so then i hear in my head

1193

00:46:59,190 --> 00:46:56,560

this is the first time i hear a voice

1194

00:47:02,390 --> 00:47:00,470

and i know this sounds like

1195

00:47:04,630 --> 00:47:02,400

schizophrenic

1196

00:47:06,150 --> 00:47:04,640

but this you know

1197

00:47:10,230 --> 00:47:06,160

i haven't had anything like that happen

1198

00:47:10,240 --> 00:47:14,950

and it's like this almost like

1199

00:47:19,109 --> 00:47:18,069

the vibe of of what they're saying is

1200

00:47:20,790 --> 00:47:19,119

just like

1201

00:47:24,630 --> 00:47:20,800

calm down

1202

00:47:26,950 --> 00:47:24,640

like like almost like damn dude like

1203

00:47:29,270 --> 00:47:26,960

everything's fine we're not gonna hurt

1204

00:47:31,829 --> 00:47:29,280

you almost like

1205

00:47:33,109 --> 00:47:31,839

like when a child gets scared of thunder

1206

00:47:35,109 --> 00:47:33,119

yeah and

1207

00:47:38,309 --> 00:47:35,119

and you're like it's okay jesus okay

1208

00:47:39,510 --> 00:47:38,319

okay you know it was like that kind of

1209

00:47:40,870 --> 00:47:39,520

tone

1210

00:47:43,030 --> 00:47:40,880

and i'm like

1211

00:47:44,230 --> 00:47:43,040

get out of my head i'm going nuts and i

1212

00:47:46,870 --> 00:47:44,240

go

1213

00:47:49,430 --> 00:47:46,880

into my little basement office and all

1214

00:47:50,950 --> 00:47:49,440

my studio equipment is has gone into

1215

00:47:52,790 --> 00:47:50,960

disco mode

1216

00:47:54,630 --> 00:47:52,800

okay which means all the lights are

1217

00:47:57,589 --> 00:47:54,640

flashing and the levers are moving and

1218

00:47:59,030 --> 00:47:57,599

uh my computer's farted out and my

1219

00:48:01,270 --> 00:47:59,040

you know other electronic equipment's

1220

00:48:02,150 --> 00:48:01,280

farted out is that coincidence

1221

00:48:03,750 --> 00:48:02,160

maybe

1222

00:48:04,829 --> 00:48:03,760

probably not

1223

00:48:06,390 --> 00:48:04,839

and so

1224

00:48:08,069 --> 00:48:06,400

emily

1225

00:48:10,710 --> 00:48:08,079

that was

1226

00:48:13,109 --> 00:48:10,720

like the first kind of like close

1227

00:48:15,750 --> 00:48:13,119

because again it's it's going in phases

1228

00:48:18,790 --> 00:48:15,760

it's it's way out here

1229

00:48:20,630 --> 00:48:18,800

it's getting closer and now it's it's

1230

00:48:22,630 --> 00:48:20,640

like on me

1231

00:48:25,750 --> 00:48:22,640

yeah and so this

1232

00:48:28,710 --> 00:48:25,760

starts like the second phase of crafts

1233

00:48:32,829 --> 00:48:28,720

being in close proximity and hearing

1234

00:48:36,069 --> 00:48:34,470

and

1235

00:48:37,829 --> 00:48:36,079

i mean

1236

00:48:39,190 --> 00:48:37,839

one time i heard i was sitting in the

1237

00:48:40,630 --> 00:48:39,200

living room i heard a voice it's like

1238

00:48:43,030 --> 00:48:40,640

come outside

1239

00:48:45,430 --> 00:48:43,040

and this was like the female voice some

1240

00:48:46,870 --> 00:48:45,440

of it was like a group talking it

1241

00:48:49,670 --> 00:48:46,880

sounded like

1242

00:48:52,309 --> 00:48:49,680

multiple people talking at once

1243

00:48:54,790 --> 00:48:52,319

and then one was like a female voice

1244

00:48:56,390 --> 00:48:54,800

like if you talked into an empty tin

1245

00:48:57,750 --> 00:48:56,400

bucket

1246

00:49:00,470 --> 00:48:57,760

the way it kind of echoes back in your

1247

00:49:02,470 --> 00:49:00,480

ears it has like that ping to it

1248

00:49:05,030 --> 00:49:02,480

yeah you know i like that

1249

00:49:07,670 --> 00:49:05,040

but like a female voice

1250

00:49:08,950 --> 00:49:07,680

but in my head

1251
00:49:11,109 --> 00:49:08,960
and

1252
00:49:12,870 --> 00:49:11,119
oddly enough i have met somebody on ufo

1253
00:49:14,390 --> 00:49:12,880
twitter two people

1254
00:49:15,910 --> 00:49:14,400
that have heard the same thing and then

1255
00:49:18,390 --> 00:49:15,920
i watched that documentary the other

1256
00:49:21,430 --> 00:49:18,400
night on netflix the unclassified thing

1257
00:49:24,470 --> 00:49:21,440
and i didn't even realize the past gula

1258
00:49:26,230 --> 00:49:24,480
guy in mississippi

1259
00:49:27,430 --> 00:49:26,240
calvin parker

1260
00:49:29,510 --> 00:49:27,440
no

1261
00:49:32,390 --> 00:49:29,520
and so

1262
00:49:33,670 --> 00:49:32,400
i i don't realize it at the time

1263
00:49:35,109 --> 00:49:33,680

but i hear this voice they come outside

1264

00:49:40,630 --> 00:49:35,119

i go outside and there's like you know

1265

00:49:40,640 --> 00:49:43,109

and

1266

00:49:48,470 --> 00:49:45,990

you know i i mean

1267

00:49:50,870 --> 00:49:48,480

again i'm outside in my backyard i could

1268

00:49:52,630 --> 00:49:50,880

just go on and on

1269

00:49:55,109 --> 00:49:52,640

and i look off to the left you know i

1270

00:49:56,549 --> 00:49:55,119

showed you the woodlands out there and

1271

00:50:01,270 --> 00:49:56,559

off the horizon

1272

00:50:03,829 --> 00:50:01,280

white lights and a red light

1273

00:50:04,790 --> 00:50:03,839

slowly right there's a radio tower on a

1274

00:50:07,750 --> 00:50:04,800

hill

1275

00:50:09,829 --> 00:50:07,760

and it's slowly rising like this

1276

00:50:12,790 --> 00:50:09,839

you know next to the radio tower as if

1277

00:50:15,670 --> 00:50:12,800

to say do you see me moving up

1278

00:50:17,670 --> 00:50:15,680

and not at you

1279

00:50:19,829 --> 00:50:17,680

but i'm going like no way that's a plane

1280

00:50:21,270 --> 00:50:19,839

coming and just because of the

1281

00:50:23,349 --> 00:50:21,280

whatever

1282

00:50:25,190 --> 00:50:23,359

you know it looks like it's rising and

1283

00:50:27,589 --> 00:50:25,200

then the two white lights go off the red

1284

00:50:32,230 --> 00:50:27,599

light goes off and then across the front

1285

00:50:36,790 --> 00:50:34,390

well these lights like purple and green

1286

00:50:38,309 --> 00:50:36,800

and white and i think orange was in

1287

00:50:39,190 --> 00:50:38,319

there definitely purple and green and

1288

00:50:44,549 --> 00:50:39,200

white

1289

00:50:47,430 --> 00:50:45,910

and then they all went off and the two

1290

00:50:48,630 --> 00:50:47,440

white lights came back on the red light

1291

00:50:51,349 --> 00:50:48,640

came back on

1292

00:50:53,510 --> 00:50:51,359

and now it's not moving up anymore and

1293

00:50:55,750 --> 00:50:53,520

this is miles away

1294

00:50:57,109 --> 00:50:55,760

it's not moving up anymore it's moving

1295

00:50:59,829 --> 00:50:57,119

at me

1296

00:51:03,349 --> 00:50:59,839

and then again the two white lights go

1297

00:51:07,030 --> 00:51:04,950

the s

1298

00:51:09,030 --> 00:51:07,040

you know the roll lights go off and then

1299

00:51:10,390 --> 00:51:09,040

they the two white lights come off so do

1300

00:51:12,230 --> 00:51:10,400

you see what i'm saying it's kind of

1301
00:51:13,349 --> 00:51:12,240
sequencing between whatever's across the

1302
00:51:14,710 --> 00:51:13,359
wingspan

1303
00:51:17,349 --> 00:51:14,720
and these two white lights in the red

1304
00:51:19,589 --> 00:51:17,359
light underneath and then i go like oh

1305
00:51:21,910 --> 00:51:19,599
god that's one of those things

1306
00:51:24,230 --> 00:51:21,920
and so i turn around to walk back to my

1307
00:51:26,150 --> 00:51:24,240
basement door and i've counted the steps

1308
00:51:27,190 --> 00:51:26,160
it's 30 steps

1309
00:51:30,870 --> 00:51:27,200
and

1310
00:51:31,829 --> 00:51:30,880
you know 30 seconds or less walking

1311
00:51:33,430 --> 00:51:31,839
quickly

1312
00:51:35,910 --> 00:51:33,440
back to my basement door i turn around

1313
00:51:37,030 --> 00:51:35,920

and this thing is on me it has gone

1314

00:51:37,750 --> 00:51:37,040

miles

1315

00:51:40,390 --> 00:51:37,760

in

1316

00:51:41,750 --> 00:51:40,400

less than 30 seconds or less

1317

00:51:45,270 --> 00:51:41,760

yeah wow

1318

00:51:51,990 --> 00:51:48,069

here's me

1319

00:51:54,870 --> 00:51:52,000

and this thing is like here

1320

00:51:57,829 --> 00:51:54,880

and i can see it's a boomerang

1321

00:52:00,150 --> 00:51:57,839

okay oh wow okay

1322

00:52:01,270 --> 00:52:00,160

but it's angled okay if my hand was the

1323

00:52:03,829 --> 00:52:01,280

boomerang

1324

00:52:05,910 --> 00:52:03,839

it's angled like this

1325

00:52:08,630 --> 00:52:05,920

okay where the front of it is

1326
00:52:10,710 --> 00:52:08,640
facing me and i can see the points of

1327
00:52:12,630 --> 00:52:10,720
the top of the wing form

1328
00:52:14,950 --> 00:52:12,640
pointing at an angle up in the sky and

1329
00:52:17,670 --> 00:52:14,960
i'm like that's not flying that's

1330
00:52:19,349 --> 00:52:17,680
hanging because there's no aerodynamics

1331
00:52:21,910 --> 00:52:19,359
happening at all

1332
00:52:23,589 --> 00:52:21,920
and that is the boomerang

1333
00:52:25,109 --> 00:52:23,599
and then

1334
00:52:27,910 --> 00:52:25,119
and it's right above a tree and the

1335
00:52:29,750 --> 00:52:27,920
average tree is about 100 feet tall

1336
00:52:32,630 --> 00:52:29,760
and

1337
00:52:35,589 --> 00:52:32,640
so it's probably like 110 120

1338
00:52:37,670 --> 00:52:35,599

you know pretty close and again with the

1339

00:52:40,549 --> 00:52:37,680

lights across the front of it

1340

00:52:42,230 --> 00:52:40,559

but this time it's close and i'm like

1341

00:52:45,750 --> 00:52:42,240

and not unlike that black triangle i'm

1342

00:52:49,430 --> 00:52:45,760

like this thing is going like hey

1343

00:52:53,030 --> 00:52:49,440

you know like it's it sees me seeing it

1344

00:52:55,270 --> 00:52:53,640

and so

1345

00:52:57,910 --> 00:52:55,280

[Music]

1346

00:53:00,549 --> 00:52:57,920

i don't remember

1347

00:53:03,670 --> 00:53:00,559

it moving from angled

1348

00:53:06,390 --> 00:53:03,680

and facing me to right above me but when

1349

00:53:08,549 --> 00:53:06,400

it's right above me it's a lot closer

1350

00:53:11,270 --> 00:53:08,559

like it's a low tree top and i'm

1351
00:53:13,270 --> 00:53:11,280
guessing 50 60 and the two white lights

1352
00:53:15,510 --> 00:53:13,280
on the bottom and the red light

1353
00:53:16,790 --> 00:53:15,520
cast this like pink glow on the bottom i

1354
00:53:18,630 --> 00:53:16,800
can see it clearly this day it looks

1355
00:53:21,109 --> 00:53:18,640
like a croissant

1356
00:53:22,710 --> 00:53:21,119
or a boomerang or a banana i'm just

1357
00:53:25,109 --> 00:53:22,720
going like

1358
00:53:26,470 --> 00:53:25,119
i and it has like it looks like ice

1359
00:53:28,790 --> 00:53:26,480
cream cones

1360
00:53:31,990 --> 00:53:28,800
with a scoop of ice cream almost like

1361
00:53:34,549 --> 00:53:32,000
bird breasts on on the bottom of it

1362
00:53:37,510 --> 00:53:34,559
okay yep yep it's making like a low like

1363
00:53:39,510 --> 00:53:37,520

a luxury car that's in idle

1364

00:53:40,549 --> 00:53:39,520

like something's running but it's not

1365

00:53:44,230 --> 00:53:40,559

roaring

1366

00:53:46,230 --> 00:53:44,240

kind of a hum hum to it and

1367

00:53:48,069 --> 00:53:46,240

it passes over and this was one of the

1368

00:53:50,710 --> 00:53:48,079

few and i don't know if this was before

1369

00:53:51,670 --> 00:53:50,720

or after all the other

1370

00:53:54,870 --> 00:53:51,680

stuff

1371

00:53:57,109 --> 00:53:54,880

but like i didn't i wasn't scared

1372

00:53:59,109 --> 00:53:57,119

this one didn't freak me out and it

1373

00:54:00,950 --> 00:53:59,119

wasn't big it was you know it would have

1374

00:54:04,309 --> 00:54:00,960

been big enough for two

1375

00:54:07,190 --> 00:54:04,319

adults to sit in maybe

1376

00:54:09,829 --> 00:54:07,200

uh and it flies over and i'm watching it

1377

00:54:11,750 --> 00:54:09,839

fly over and the two white lights on the

1378

00:54:13,270 --> 00:54:11,760

bottom side of the wing which by the way

1379

00:54:15,990 --> 00:54:13,280

i could see when it flies over and they

1380

00:54:18,230 --> 00:54:16,000

were like it was just so smooth like it

1381

00:54:20,630 --> 00:54:18,240

didn't look like it was

1382

00:54:23,270 --> 00:54:20,640

nothing was bolted there were no

1383

00:54:25,270 --> 00:54:23,280

flaps there was no soldering it just

1384

00:54:27,990 --> 00:54:25,280

looks like it was just

1385

00:54:29,670 --> 00:54:28,000

neatly tucked into it the two white

1386

00:54:32,549 --> 00:54:29,680

lights

1387

00:54:34,150 --> 00:54:32,559

goes off

1388

00:54:36,549 --> 00:54:34,160

and then the red light

1389

00:54:38,309 --> 00:54:36,559

drops just like those

1390

00:54:40,069 --> 00:54:38,319

but it maintains pace with it's probably

1391

00:54:41,349 --> 00:54:40,079

going about this fast

1392

00:54:43,430 --> 00:54:41,359

and the red light just drops and

1393

00:54:45,109 --> 00:54:43,440

maintains pace and it's about 10 15 feet

1394

00:54:46,309 --> 00:54:45,119

below it i'm like dude that's one of

1395

00:54:47,829 --> 00:54:46,319

those orbs

1396

00:54:51,109 --> 00:54:47,839

that's not a light that's attached to

1397

00:54:54,870 --> 00:54:51,119

the craft that's one of those orbs

1398

00:54:56,549 --> 00:54:54,880

and and it's red and then the back oh

1399

00:54:58,870 --> 00:54:56,559

god this hurts my head

1400

00:55:00,390 --> 00:54:58,880

the back of the craft where the tips of

1401

00:55:02,630 --> 00:55:00,400

the wings would have been

1402

00:55:04,549 --> 00:55:02,640

this these red lights come on the back

1403

00:55:07,270 --> 00:55:04,559

of it and they just

1404

00:55:08,950 --> 00:55:07,280

multiply they layer and the craft looks

1405

00:55:10,230 --> 00:55:08,960

to get thicker

1406

00:55:12,710 --> 00:55:10,240

like it it

1407

00:55:14,630 --> 00:55:12,720

its depth grew

1408

00:55:16,309 --> 00:55:14,640

these these series of white light red

1409

00:55:17,430 --> 00:55:16,319

lights came off on the back of it just

1410

00:55:20,390 --> 00:55:17,440

like

1411

00:55:23,670 --> 00:55:20,400

and i'm i am awake i am sober i'm not on

1412

00:55:26,470 --> 00:55:23,680

drugs i'm not drunk it was easter sunday

1413

00:55:27,670 --> 00:55:26,480

my kids were like easter eggs up the

1414

00:55:29,829 --> 00:55:27,680

hill

1415

00:55:32,150 --> 00:55:29,839

you know uh several acres away at the

1416

00:55:34,789 --> 00:55:32,160

neighbor's house wow this thing flies

1417

00:55:37,349 --> 00:55:34,799

over where they are a little white light

1418

00:55:39,349 --> 00:55:37,359

turns on on top of it the red light

1419

00:55:41,990 --> 00:55:39,359

disappears the white lights come back on

1420

00:55:43,829 --> 00:55:42,000

i was like it's pretending to be a plane

1421

00:55:48,470 --> 00:55:43,839

and then it kind of angles and just

1422

00:55:52,230 --> 00:55:48,480

flies off over the horizon of the street

1423

00:55:55,349 --> 00:55:53,430

so if

1424

00:55:57,829 --> 00:55:55,359

if i understand now david your wife

1425

00:56:00,150 --> 00:55:57,839

doesn't want you to interact

1426

00:56:03,670 --> 00:56:00,160

with these

1427

00:56:08,309 --> 00:56:03,680

and what draws you to the interaction

1428

00:56:12,390 --> 00:56:08,319

i don't know i'm not requesting this i'm

1429

00:56:14,150 --> 00:56:12,400

not no ce5 was performed no dmt

1430

00:56:16,789 --> 00:56:14,160

trip was done

1431

00:56:18,870 --> 00:56:16,799

there was no means of any kind of

1432

00:56:22,150 --> 00:56:18,880

connection being made

1433

00:56:24,230 --> 00:56:22,160

they sought me out i'm convinced of it

1434

00:56:26,470 --> 00:56:24,240

but in your fee you're feeling like

1435

00:56:29,430 --> 00:56:26,480

because if they if they say to you come

1436

00:56:32,549 --> 00:56:29,440

outside and you go outside

1437

00:56:34,390 --> 00:56:32,559

something's telling you to go outside

1438

00:56:36,870 --> 00:56:34,400

yes um

1439

00:56:37,990 --> 00:56:36,880

i i don't is it your heart

1440

00:56:40,230 --> 00:56:38,000

no it's like

1441

00:56:41,670 --> 00:56:40,240

it's that voice that that that i

1442

00:56:45,750 --> 00:56:41,680

described like when you're talking into

1443

00:56:52,150 --> 00:56:49,990

do you feel compelled or do you feel

1444

00:56:53,829 --> 00:56:52,160

how do i say this do you feel it was of

1445

00:56:56,829 --> 00:56:53,839

your own volition or do you feel like

1446

00:56:59,670 --> 00:56:56,839

you were compelled to go outside and

1447

00:57:01,589 --> 00:56:59,680

interact i remember being like son of a

1448

00:57:02,950 --> 00:57:01,599

[h__\h] now what

1449

00:57:04,950 --> 00:57:02,960

you know like

1450

00:57:06,390 --> 00:57:04,960

kind of annoyed by it in a way

1451

00:57:08,789 --> 00:57:06,400

a little

1452

00:57:10,630 --> 00:57:08,799

and i remember sending a text to my wife

1453

00:57:12,950 --> 00:57:10,640

like another ufo just flew over

1454

00:57:14,950 --> 00:57:12,960

boomerang close could have thrown a rock

1455

00:57:16,069 --> 00:57:14,960

at it you know and these people that are

1456

00:57:18,470 --> 00:57:16,079

like oh

1457

00:57:20,470 --> 00:57:18,480

wow okay let me back up i don't mean to

1458

00:57:22,710 --> 00:57:20,480

mock it because i don't know

1459

00:57:25,349 --> 00:57:22,720

yeah but that this idea that it's just

1460

00:57:27,670 --> 00:57:25,359

an extension of ourselves or we manifest

1461

00:57:29,910 --> 00:57:27,680

it from our own

1462

00:57:32,549 --> 00:57:29,920

mind i'm like dude

1463

00:57:34,150 --> 00:57:32,559

with a rock and it would have gone thunk

1464

00:57:36,950 --> 00:57:34,160

yeah now no

1465

00:57:39,109 --> 00:57:36,960

i'm in close i'm in close proximity to

1466

00:57:41,510 --> 00:57:39,119

the nasa jet propulsion lab

1467

00:57:42,549 --> 00:57:41,520

is that something out of there i have no

1468

00:57:44,870 --> 00:57:42,559

idea

1469

00:57:49,190 --> 00:57:44,880

but these things are getting closer and

1470

00:57:52,710 --> 00:57:49,200

closer and the shapes are varying wildly

1471

00:57:55,030 --> 00:57:52,720

now they're i hate stop me if i'm boring

1472

00:57:57,510 --> 00:57:55,040

you guys well no i actually have a

1473

00:58:00,710 --> 00:57:57,520

question and then and i apologize if you

1474

00:58:02,549 --> 00:58:00,720

are going to get to this but

1475

00:58:04,069 --> 00:58:02,559

oh all right we'll come back to it soon

1476

00:58:06,710 --> 00:58:04,079

we'll have to come back to it

1477

00:58:09,349 --> 00:58:06,720

the cliffhanger question there we are

1478

00:58:11,190 --> 00:58:09,359

see when nathan gets a question it

1479

00:58:15,430 --> 00:58:11,200

really something happens in the universe

1480

00:58:20,230 --> 00:58:17,990

we are calling all beings uh we are not

1481

00:58:22,630 --> 00:58:20,240

going to talk about our our powerhouse

1482

00:58:24,069 --> 00:58:22,640

roundtable that we're in the process of

1483

00:58:27,109 --> 00:58:24,079

playing right now we are going to talk

1484

00:58:29,270 --> 00:58:27,119

to david john lanier and nathan has a

1485

00:58:31,750 --> 00:58:29,280

question that he would like to pose to

1486

00:58:34,230 --> 00:58:31,760

you please go ahead my good friend yeah

1487

00:58:37,510 --> 00:58:34,240

so david uh when we talked earlier

1488

00:58:40,630 --> 00:58:37,520

you had mentioned to us um

1489

00:58:41,750 --> 00:58:40,640

that you had had a a physical

1490

00:58:43,270 --> 00:58:41,760

uh

1491

00:58:44,950 --> 00:58:43,280

effect

1492

00:58:46,950 --> 00:58:44,960

on i think your arm or something like

1493

00:58:47,910 --> 00:58:46,960

that is is that before or after this

1494

00:58:49,030 --> 00:58:47,920

incident

1495

00:58:52,150 --> 00:58:49,040

during

1496

00:58:54,150 --> 00:58:52,160

like as they're getting closer

1497

00:58:55,190 --> 00:58:54,160

like they went from just being the

1498

00:58:56,150 --> 00:58:55,200

lights

1499

00:59:00,309 --> 00:58:56,160

to

1500

00:59:02,829 --> 00:59:00,319

point where i'm seeing like boomerangs

1501
00:59:04,789 --> 00:59:02,839
50 to 60 feet above my head that i could

1502
00:59:08,549 --> 00:59:04,799
literally hit with a rock

1503
00:59:11,109 --> 00:59:08,559
right and it was during that time that

1504
00:59:13,589 --> 00:59:11,119
these kinds of things were happening

1505
00:59:15,270 --> 00:59:13,599
which really freaked me out

1506
00:59:17,349 --> 00:59:15,280
uh and i should also add that at this

1507
00:59:22,150 --> 00:59:17,359
point i had stopped filming

1508
00:59:24,789 --> 00:59:22,160
because this was you know 2009 2010

1509
00:59:27,349 --> 00:59:24,799
and i just kind of felt like it was

1510
00:59:29,829 --> 00:59:27,359
really personal and they would come

1511
00:59:33,910 --> 00:59:29,839
closer if i stopped filming

1512
00:59:35,670 --> 00:59:33,920
and at one point they told me

1513
00:59:37,030 --> 00:59:35,680

i don't know

1514

00:59:39,910 --> 00:59:37,040

oh my god

1515

00:59:41,750 --> 00:59:39,920

that to to stop talking about it to stop

1516

00:59:44,150 --> 00:59:41,760

filming it

1517

00:59:45,910 --> 00:59:44,160

and and so you know i did and that's

1518

00:59:47,430 --> 00:59:45,920

when they started getting real close and

1519

00:59:49,270 --> 00:59:47,440

i was like okay this is like just a

1520

00:59:51,589 --> 00:59:49,280

one-on-one thing this is like they don't

1521

00:59:53,510 --> 00:59:51,599

want everybody knowing this is going on

1522

00:59:55,109 --> 00:59:53,520

this is just personal this is very

1523

00:59:57,109 --> 00:59:55,119

personal they don't want other people to

1524

00:59:59,270 --> 00:59:57,119

know what's going on if i don't film it

1525

01:00:01,670 --> 00:59:59,280

they get closer and i can figure out

1526

01:00:03,430 --> 01:00:01,680

what's going on with all this

1527

01:00:05,270 --> 01:00:03,440

yeah um

1528

01:00:07,030 --> 01:00:05,280

do i need to wait did he just don't know

1529

01:00:08,710 --> 01:00:07,040

he's i think he just turned the world

1530

01:00:09,430 --> 01:00:08,720

campaign

1531

01:00:10,309 --> 01:00:09,440

so

1532

01:00:13,589 --> 01:00:10,319

um

1533

01:00:17,670 --> 01:00:15,589

so it has kind of an intimacy to it in a

1534

01:00:18,950 --> 01:00:17,680

way like uh like this is meant for you

1535

01:00:21,030 --> 01:00:18,960

or just

1536

01:00:23,109 --> 01:00:21,040

meant for you only really not meant for

1537

01:00:26,710 --> 01:00:23,119

other people to know about yeah pretty

1538

01:00:28,150 --> 01:00:26,720

much uh and that kind of ties in later

1539

01:00:31,349 --> 01:00:28,160

and this is why it just gets so

1540

01:00:34,230 --> 01:00:31,359

confusing because i could go on and on

1541

01:00:35,910 --> 01:00:34,240

there was a there was a metallic sphere

1542

01:00:37,990 --> 01:00:35,920

just a ball

1543

01:00:40,390 --> 01:00:38,000

that came again these things are like

1544

01:00:43,109 --> 01:00:40,400

below tree top level

1545

01:00:45,829 --> 01:00:43,119

so i'm assuming between 80 to 100 feet

1546

01:00:46,630 --> 01:00:45,839

like clear most of it all the time at

1547

01:00:48,870 --> 01:00:46,640

night

1548

01:00:49,829 --> 01:00:48,880

i there was one craft i saw during the

1549

01:00:52,630 --> 01:00:49,839

day

1550

01:00:55,510 --> 01:00:52,640

i'm not sure what it was but

1551

01:00:57,349 --> 01:00:55,520

do that did does he need to come back no

1552

01:00:58,950 --> 01:00:57,359

he asked me to take him off the stage

1553

01:01:00,789 --> 01:00:58,960

for a second so you're good just keep

1554

01:01:02,950 --> 01:01:00,799

keep going so

1555

01:01:04,789 --> 01:01:02,960

the sphere

1556

01:01:07,030 --> 01:01:04,799

is coming

1557

01:01:09,990 --> 01:01:07,040

below treetop level

1558

01:01:12,069 --> 01:01:10,000

and it has like it's just like a ball i

1559

01:01:13,589 --> 01:01:12,079

don't know how big it is probably like

1560

01:01:16,390 --> 01:01:13,599

oh

1561

01:01:17,589 --> 01:01:16,400

you know it's not big 10 15 feet in

1562

01:01:20,390 --> 01:01:17,599

diameter

1563

01:01:22,950 --> 01:01:20,400

give or take you know five feet towards

1564

01:01:25,990 --> 01:01:22,960

20 not towards five okay

1565

01:01:27,750 --> 01:01:26,000

uh it's just this ball and it has like

1566

01:01:30,150 --> 01:01:27,760

these little red lights

1567

01:01:32,230 --> 01:01:30,160

that are above and below it

1568

01:01:34,069 --> 01:01:32,240

probably about eight or nine small red

1569

01:01:36,630 --> 01:01:34,079

lights above and below it and they're

1570

01:01:38,150 --> 01:01:36,640

undulating just like

1571

01:01:39,430 --> 01:01:38,160

getting fur does that make any sense

1572

01:01:42,230 --> 01:01:39,440

like they're getting further away and

1573

01:01:43,910 --> 01:01:42,240

closer and they look to be attached to

1574

01:01:46,870 --> 01:01:43,920

antenna

1575

01:01:48,630 --> 01:01:46,880

okay okay these aren't orbs

1576
01:01:50,950 --> 01:01:48,640
because now they're attached to some

1577
01:01:53,109 --> 01:01:50,960
kind of antenna and it's they're

1578
01:01:54,549 --> 01:01:53,119
undulating and

1579
01:01:57,190 --> 01:01:54,559
it's flying

1580
01:02:00,390 --> 01:01:57,200
again it's not high less than 100 feet

1581
01:02:01,990 --> 01:02:00,400
not far away less than 50 yards away

1582
01:02:03,910 --> 01:02:02,000
and again at this point it's like so

1583
01:02:05,270 --> 01:02:03,920
regular that i'm just like

1584
01:02:06,390 --> 01:02:05,280
well what now

1585
01:02:08,390 --> 01:02:06,400
and so

1586
01:02:11,029 --> 01:02:08,400
this this light comes on like a

1587
01:02:12,630 --> 01:02:11,039
headlight just a single light just

1588
01:02:15,270 --> 01:02:12,640

just right ahead of it so it's going

1589

01:02:16,710 --> 01:02:15,280

like this this metal orb this light goes

1590

01:02:18,309 --> 01:02:16,720

on

1591

01:02:19,670 --> 01:02:18,319

shining straight ahead and then the

1592

01:02:22,470 --> 01:02:19,680

light goes

1593

01:02:25,829 --> 01:02:22,480

and shines on me

1594

01:02:28,390 --> 01:02:25,839

and it shines on me for like

1595

01:02:30,309 --> 01:02:28,400

oh like one mississippi two mississippi

1596

01:02:31,829 --> 01:02:30,319

three mississippi four mississippi five

1597

01:02:34,069 --> 01:02:31,839

mississippi then it swings the light

1598

01:02:35,349 --> 01:02:34,079

forward and i don't remember what

1599

01:02:37,270 --> 01:02:35,359

happened after that

1600

01:02:38,870 --> 01:02:37,280

hmm i'm not saying anything weird

1601
01:02:40,230 --> 01:02:38,880
happened actually

1602
01:02:42,630 --> 01:02:40,240
get in that thing

1603
01:02:44,390 --> 01:02:42,640
i don't know what's going on

1604
01:02:46,309 --> 01:02:44,400
right right it's too small

1605
01:02:47,910 --> 01:02:46,319
excuse me yeah like an hour gas

1606
01:02:51,430 --> 01:02:47,920
somewhere between 10 to 20 feet in

1607
01:02:54,789 --> 01:02:52,870
um

1608
01:02:56,549 --> 01:02:54,799
and i guess i'm telling these particular

1609
01:02:58,549 --> 01:02:56,559
instances because

1610
01:03:00,470 --> 01:02:58,559
these are where they were shiny lights

1611
01:03:03,109 --> 01:03:00,480
on me as if to communicate but now we've

1612
01:03:05,349 --> 01:03:03,119
got a triangle we've got a blueberry

1613
01:03:08,549 --> 01:03:05,359

we've got a sphere and i'm going like is

1614

01:03:11,349 --> 01:03:08,559

this a parade am i being privy to

1615

01:03:13,430 --> 01:03:11,359

multiple species right now what have i

1616

01:03:14,390 --> 01:03:13,440

done what do you want with me what's

1617

01:03:17,990 --> 01:03:14,400

happening

1618

01:03:20,309 --> 01:03:18,000

there was another where it was just an x

1619

01:03:22,470 --> 01:03:20,319

i've heard of that before as well

1620

01:03:23,910 --> 01:03:22,480

i thought i was going nuts

1621

01:03:25,589 --> 01:03:23,920

i don't tell people about it because i'm

1622

01:03:27,109 --> 01:03:25,599

like i've never heard of an x-shaped

1623

01:03:29,910 --> 01:03:27,119

craft

1624

01:03:31,510 --> 01:03:29,920

literally not much bigger than my car

1625

01:03:34,950 --> 01:03:31,520

and then on

1626

01:03:37,270 --> 01:03:34,960

okay here's the x and on two of the

1627

01:03:38,950 --> 01:03:37,280

points there's red lights

1628

01:03:43,109 --> 01:03:38,960

and they're swimming through the air

1629

01:03:49,349 --> 01:03:47,349

i mean they're swimming around the craft

1630

01:03:52,069 --> 01:03:49,359

and i have no recollection of what

1631

01:03:53,670 --> 01:03:52,079

happens after before why i was standing

1632

01:03:55,589 --> 01:03:53,680

there i'm not saying anything weird

1633

01:03:57,750 --> 01:03:55,599

happened it was ten years ago

1634

01:04:00,470 --> 01:03:57,760

i just that's all i remember

1635

01:04:02,430 --> 01:04:00,480

um there was another word

1636

01:04:06,309 --> 01:04:02,440

there were like these four

1637

01:04:09,190 --> 01:04:06,319

gigantic orbs of orange light probably

1638

01:04:12,470 --> 01:04:09,200

20 to 30 feet in diameter

1639

01:04:15,270 --> 01:04:12,480

all next to each other in a row

1640

01:04:16,950 --> 01:04:15,280

and then there was a smaller fifth one

1641

01:04:17,829 --> 01:04:16,960

in the middle

1642

01:04:18,870 --> 01:04:17,839

above

1643

01:04:22,549 --> 01:04:18,880

the four

1644

01:04:25,190 --> 01:04:22,559

and they were just slowly drifting at me

1645

01:04:27,190 --> 01:04:25,200

i ran inside i ran this guy

1646

01:04:29,349 --> 01:04:27,200

of my mind took another hot shower until

1647

01:04:31,270 --> 01:04:29,359

the water ran called

1648

01:04:34,870 --> 01:04:31,280

i you know

1649

01:04:41,349 --> 01:04:38,470

i could go on and on and on you know

1650

01:04:44,309 --> 01:04:41,359

let's let us uh you know a lot of people

1651

01:04:45,349 --> 01:04:44,319

that that follow ufology have seen

1652

01:04:47,430 --> 01:04:45,359

something

1653

01:04:49,589 --> 01:04:47,440

and now we it's actually interesting

1654

01:04:51,510 --> 01:04:49,599

you've probably seen more

1655

01:04:53,430 --> 01:04:51,520

shape craft than anybody that i've

1656

01:04:55,829 --> 01:04:53,440

talked to other than probably lou

1657

01:04:57,349 --> 01:04:55,839

elizondo has probably seen

1658

01:05:01,190 --> 01:04:57,359

you know every shape that's out there

1659

01:05:03,829 --> 01:05:01,200

but i think what is fascinating to to uh

1660

01:05:05,829 --> 01:05:03,839

the the viewers is to hear about

1661

01:05:08,150 --> 01:05:05,839

experiences that you had with them and

1662

01:05:10,230 --> 01:05:08,160

as uh we've gone just a little bit over

1663

01:05:12,549 --> 01:05:10,240

an hour so tell us about the

1664

01:05:14,230 --> 01:05:12,559

interactions that you have to the extent

1665

01:05:16,230 --> 01:05:14,240

that you want to and if that's not

1666

01:05:18,630 --> 01:05:16,240

something that you want to talk about a

1667

01:05:21,349 --> 01:05:18,640

hundred percent don't talk about it but

1668

01:05:22,630 --> 01:05:21,359

the the things that you told us uh

1669

01:05:24,789 --> 01:05:22,640

we're pretty interested that you have

1670

01:05:26,470 --> 01:05:24,799

between you your wife and some members

1671

01:05:27,349 --> 01:05:26,480

of your family

1672

01:05:32,150 --> 01:05:27,359

okay

1673

01:05:36,710 --> 01:05:34,710

real quick i saw another black triangle

1674

01:05:39,029 --> 01:05:36,720

that was much smaller

1675

01:05:41,829 --> 01:05:39,039

fly over an intersection

1676

01:05:44,549 --> 01:05:41,839

and it looked like the tr3b thing

1677

01:05:47,349 --> 01:05:44,559

that wow it was it was little

1678

01:05:50,470 --> 01:05:47,359

and there were people around and nobody

1679

01:05:52,630 --> 01:05:50,480

looked up and i was like oh wow crazy

1680

01:05:54,950 --> 01:05:52,640

like is this am i crazy are you all

1681

01:05:56,069 --> 01:05:54,960

crazy are you that

1682

01:05:58,630 --> 01:05:56,079

numb

1683

01:06:00,069 --> 01:05:58,640

yeah and and then there was a second

1684

01:06:02,630 --> 01:06:00,079

where it

1685

01:06:06,390 --> 01:06:02,640

another one flew over i mean low just

1686

01:06:07,510 --> 01:06:06,400

this giant ass oh my god like safari hat

1687

01:06:09,510 --> 01:06:07,520

looking thing

1688

01:06:11,190 --> 01:06:09,520

i'm looking at everybody's just talking

1689

01:06:13,829 --> 01:06:11,200

and i look up

1690

01:06:14,870 --> 01:06:13,839

nobody's looking up and i'm like what is

1691

01:06:16,390 --> 01:06:14,880

happening

1692

01:06:18,150 --> 01:06:16,400

and at this point i had disconnected

1693

01:06:20,470 --> 01:06:18,160

myself from ufology and from the study

1694

01:06:23,270 --> 01:06:20,480

of it because i didn't want cognitive

1695

01:06:25,910 --> 01:06:23,280

bias to occur and for me to

1696

01:06:28,309 --> 01:06:25,920

be like confused by the issue i was just

1697

01:06:30,789 --> 01:06:28,319

letting this naturally be what it was i

1698

01:06:33,270 --> 01:06:30,799

was like these people are not seeing

1699

01:06:34,710 --> 01:06:33,280

what i'm seeing or they're numb to it or

1700

01:06:36,309 --> 01:06:34,720

i'm going crazy

1701

01:06:39,270 --> 01:06:36,319

it's one of the three

1702

01:06:40,870 --> 01:06:39,280

and if this is the military

1703

01:06:44,230 --> 01:06:40,880

is there like

1704

01:06:46,470 --> 01:06:44,240

a gold mine under my house or something

1705

01:06:50,470 --> 01:06:46,480

what's right

1706

01:06:54,069 --> 01:06:52,230

well you know richard dreyfuss the

1707

01:06:56,470 --> 01:06:54,079

character in close encounters felt the

1708

01:06:59,190 --> 01:06:56,480

same way he felt like am i going crazy

1709

01:07:01,670 --> 01:06:59,200

and supposedly that story is based on

1710

01:07:02,630 --> 01:07:01,680

real uh based on real is that right

1711

01:07:04,069 --> 01:07:02,640

nathan

1712

01:07:06,710 --> 01:07:04,079

that some of that is based on real

1713

01:07:09,750 --> 01:07:06,720

events okay all right steven spielberg

1714

01:07:11,589 --> 01:07:09,760

did his homework no he did yeah he did

1715

01:07:12,950 --> 01:07:11,599

and jacqueline was a consultant on that

1716

01:07:13,750 --> 01:07:12,960

sean

1717

01:07:15,670 --> 01:07:13,760

was kind of like that

1718

01:07:17,910 --> 01:07:15,680

culmination of a lot of things and i

1719

01:07:21,430 --> 01:07:17,920

mean i was lit i at this point i was

1720

01:07:22,789 --> 01:07:21,440

building mashed potato mountains

1721

01:07:26,710 --> 01:07:22,799

yeah

1722

01:07:31,270 --> 01:07:29,430

but like i'm metaphorically speaking it

1723

01:07:32,069 --> 01:07:31,280

was getting to that point where i'm like

1724

01:07:33,510 --> 01:07:32,079

dude

1725

01:07:35,990 --> 01:07:33,520

and so

1726

01:07:37,109 --> 01:07:36,000

now my wife is getting on board she's

1727

01:07:40,470 --> 01:07:37,119

like

1728

01:07:41,910 --> 01:07:40,480

because she sees one with me

1729

01:07:43,349 --> 01:07:41,920

we're leaving to go somewhere with kids

1730

01:07:45,029 --> 01:07:43,359

in the car

1731

01:07:46,630 --> 01:07:45,039

oh my god

1732

01:07:49,510 --> 01:07:46,640

and there's this safari hat looking

1733

01:07:51,829 --> 01:07:49,520

thing coming through the trees i mean

1734

01:07:55,670 --> 01:07:51,839

it's so far down in the trees that it's

1735

01:07:57,510 --> 01:07:55,680

in the forest coming up the trail

1736

01:07:59,510 --> 01:07:57,520

wow and it's got like two headlights

1737

01:08:01,430 --> 01:07:59,520

shining right at me i was like anna do

1738

01:08:02,950 --> 01:08:01,440

you see that she's like yes i see it get

1739

01:08:04,870 --> 01:08:02,960

in the car i was like

1740

01:08:07,430 --> 01:08:04,880

this is historic

1741

01:08:09,990 --> 01:08:07,440

do you see this she was like get in the

1742

01:08:12,549 --> 01:08:10,000

car i was like

1743

01:08:15,190 --> 01:08:12,559

and i get in the car and we leave but i

1744

01:08:19,590 --> 01:08:15,200

it had gotten like that casual

1745

01:08:22,390 --> 01:08:20,870

so

1746

01:08:24,950 --> 01:08:22,400

my wife's getting on board now because

1747

01:08:26,470 --> 01:08:24,960

she's seeing stuff my kids are seeing

1748

01:08:28,229 --> 01:08:26,480

stuff

1749

01:08:30,309 --> 01:08:28,239

my older daughter has seen like some

1750

01:08:31,910 --> 01:08:30,319

kind of green she's trying to explain it

1751
01:08:33,269 --> 01:08:31,920
to me like some kind of green disc with

1752
01:08:36,950 --> 01:08:33,279
green lights on the outside it's like

1753
01:08:41,910 --> 01:08:39,269
hey david did did the conversation

1754
01:08:44,950 --> 01:08:41,920
between you and your wife shift at this

1755
01:08:47,510 --> 01:08:44,960
point because now up to then it had been

1756
01:08:49,430 --> 01:08:47,520
you seeing things and her telling you

1757
01:08:52,470 --> 01:08:49,440
you know get inside don't go look for

1758
01:08:54,870 --> 01:08:52,480
these things and now she saw it did

1759
01:08:55,910 --> 01:08:54,880
anything change at that point

1760
01:08:59,590 --> 01:08:55,920
um

1761
01:09:01,189 --> 01:08:59,600
yes and that's where things shifted to

1762
01:09:03,030 --> 01:09:01,199
can y'all hear me

1763
01:09:05,110 --> 01:09:03,040

yes sir okay

1764

01:09:08,630 --> 01:09:05,120

that's when things shifted to phase

1765

01:09:11,269 --> 01:09:09,510

that

1766

01:09:12,870 --> 01:09:11,279

now we're seeing beings

1767

01:09:16,229 --> 01:09:12,880

okay

1768

01:09:18,550 --> 01:09:16,239

so one night or one morning i wake up

1769

01:09:20,870 --> 01:09:18,560

okay and keep in mind all this stuff is

1770

01:09:23,829 --> 01:09:20,880

going on and i and that's not even i

1771

01:09:26,309 --> 01:09:23,839

have told a fraction of what i saw

1772

01:09:29,510 --> 01:09:26,319

because i just i'm i'm i'm getting into

1773

01:09:33,030 --> 01:09:29,520

like a manic episode while i'm trying to

1774

01:09:34,870 --> 01:09:33,040

explain all this this stuff and sure

1775

01:09:37,590 --> 01:09:34,880

i'll leave from this conversation and

1776

01:09:39,749 --> 01:09:37,600

remember more craft right i could just

1777

01:09:43,590 --> 01:09:39,759

go on and on point is they're getting

1778

01:09:45,349 --> 01:09:43,600

close they're following me around

1779

01:09:47,669 --> 01:09:45,359

okay like i went to atlanta i took my

1780

01:09:49,669 --> 01:09:47,679

dad to a braves game and thought in my

1781

01:09:52,789 --> 01:09:49,679

mind i want one of these things to show

1782

01:09:54,310 --> 01:09:52,799

up and sure enough one did and my sister

1783

01:09:56,310 --> 01:09:54,320

was with i was like do you see that she

1784

01:09:57,669 --> 01:09:56,320

looked at me she's like david stop i was

1785

01:09:59,830 --> 01:09:57,679

like okay

1786

01:10:02,790 --> 01:09:59,840

and my dad was like is that a helicopter

1787

01:10:05,669 --> 01:10:02,800

i was like no dad that's not it

1788

01:10:08,310 --> 01:10:05,679

wow here and they and and and that kind

1789

01:10:09,430 --> 01:10:08,320

of thing went on like nashville atlanta

1790

01:10:12,229 --> 01:10:09,440

birmingham

1791

01:10:14,070 --> 01:10:12,239

huntsville wherever i was going

1792

01:10:16,149 --> 01:10:14,080

i was seeing these things i'm like dude

1793

01:10:17,830 --> 01:10:16,159

are they following me am i going nuts

1794

01:10:19,270 --> 01:10:17,840

okay so my wife is starting to see these

1795

01:10:20,630 --> 01:10:19,280

things now

1796

01:10:22,310 --> 01:10:20,640

one morning she's folding clothes and

1797

01:10:24,310 --> 01:10:22,320

she said david

1798

01:10:25,430 --> 01:10:24,320

one of those things was in the bedroom i

1799

01:10:27,189 --> 01:10:25,440

was like what do you mean one of those

1800

01:10:28,149 --> 01:10:27,199

things she said but she was like an

1801
01:10:29,669 --> 01:10:28,159
alien

1802
01:10:30,950 --> 01:10:29,679
and i'm just like

1803
01:10:32,630 --> 01:10:30,960
what

1804
01:10:34,310 --> 01:10:32,640
she said yeah i was like where was it

1805
01:10:36,630 --> 01:10:34,320
she said it was over here she turns your

1806
01:10:38,870 --> 01:10:36,640
back she's like it was up here

1807
01:10:40,630 --> 01:10:38,880
and our ceilings are seven feet tall

1808
01:10:42,149 --> 01:10:40,640
she said it was either seven feet taller

1809
01:10:43,430 --> 01:10:42,159
it was floating

1810
01:10:44,709 --> 01:10:43,440
and it looked like it was coming through

1811
01:10:46,550 --> 01:10:44,719
the wall

1812
01:10:49,110 --> 01:10:46,560
and she's got no

1813
01:10:51,110 --> 01:10:49,120

inclination of any of this stuff this is

1814

01:10:53,110 --> 01:10:51,120

homelessness to her she still thinks

1815

01:10:54,709 --> 01:10:53,120

it's foolishness although she's aware

1816

01:10:56,550 --> 01:10:54,719

it's real

1817

01:10:58,390 --> 01:10:56,560

um

1818

01:11:01,270 --> 01:10:58,400

and i was like coming through the wall

1819

01:11:03,350 --> 01:11:01,280

great because again this is i'm a virgin

1820

01:11:05,189 --> 01:11:03,360

to this thing and even though this is

1821

01:11:06,630 --> 01:11:05,199

happening over the course of years i'm

1822

01:11:08,310 --> 01:11:06,640

like reading something going like they

1823

01:11:09,830 --> 01:11:08,320

can come through walls and then my wife

1824

01:11:11,030 --> 01:11:09,840

who knows nothing she's like it might

1825

01:11:13,350 --> 01:11:11,040

have been coming through the wall i was

1826

01:11:17,110 --> 01:11:13,360

like oh my god

1827

01:11:20,149 --> 01:11:18,630

i said what it looked like she was like

1828

01:11:23,510 --> 01:11:20,159

you know like

1829

01:11:26,550 --> 01:11:23,520

light bulb shaped head big black eyes

1830

01:11:28,390 --> 01:11:26,560

little mouth little nose i said did you

1831

01:11:30,790 --> 01:11:28,400

see its whole body she said i only saw

1832

01:11:32,950 --> 01:11:30,800

its torso like from its arms up to its

1833

01:11:35,189 --> 01:11:32,960

head she said i thought i was seeing

1834

01:11:36,790 --> 01:11:35,199

things but then it shifted its weight

1835

01:11:39,669 --> 01:11:36,800

and it moved

1836

01:11:41,590 --> 01:11:39,679

and she said i dug my fingernails into

1837

01:11:43,750 --> 01:11:41,600

your bicep

1838

01:11:45,750 --> 01:11:43,760

and you were just dead

1839

01:11:47,270 --> 01:11:45,760

she said i tried to wake you up and you

1840

01:11:48,550 --> 01:11:47,280

wouldn't wake up

1841

01:11:50,310 --> 01:11:48,560

and i was like

1842

01:11:52,070 --> 01:11:50,320

what did you do she said i pulled the

1843

01:11:56,470 --> 01:11:52,080

covers over my head and i prayed to god

1844

01:12:00,070 --> 01:11:58,550

david if i could if i could jump in here

1845

01:12:03,430 --> 01:12:00,080

and i apologize nathan i didn't mean to

1846

01:12:04,149 --> 01:12:03,440

cut you off that's fine what do you if

1847

01:12:06,390 --> 01:12:04,159

so

1848

01:12:07,669 --> 01:12:06,400

you were being kept asleep

1849

01:12:09,590 --> 01:12:07,679

for some reason

1850

01:12:10,630 --> 01:12:09,600

i have no idea

1851

01:12:12,229 --> 01:12:10,640

okay

1852

01:12:14,310 --> 01:12:12,239

no

1853

01:12:15,510 --> 01:12:14,320

okay second second part of the question

1854

01:12:18,630 --> 01:12:15,520

then would be

1855

01:12:19,350 --> 01:12:18,640

why would they do that because

1856

01:12:21,590 --> 01:12:19,360

it

1857

01:12:22,470 --> 01:12:21,600

why what do you think they're trying to

1858

01:12:31,910 --> 01:12:22,480

do

1859

01:12:33,669 --> 01:12:31,920

and that comes a little bit later

1860

01:12:35,590 --> 01:12:33,679

because

1861

01:12:38,870 --> 01:12:35,600

all along

1862

01:12:40,149 --> 01:12:38,880

getting closer i would ask for them to

1863

01:12:41,910 --> 01:12:40,159

show up because i couldn't believe this

1864

01:12:43,510 --> 01:12:41,920

was happening i was like y'all can hear

1865

01:12:48,790 --> 01:12:43,520

me and you're in crafts and these are

1866

01:12:53,669 --> 01:12:51,510

and so now we've got to be

1867

01:12:56,229 --> 01:12:53,679

in the house coming through the wall

1868

01:12:58,470 --> 01:12:56,239

i have i have no idea i i don't want to

1869

01:13:00,709 --> 01:12:58,480

speculate but all i know is

1870

01:13:03,270 --> 01:13:00,719

she's got some long fingernails

1871

01:13:05,270 --> 01:13:03,280

that's dug it into my arm

1872

01:13:06,229 --> 01:13:05,280

trying to wake me up and i didn't wake

1873

01:13:08,630 --> 01:13:06,239

up

1874

01:13:11,270 --> 01:13:08,640

yeah and so now

1875

01:13:14,070 --> 01:13:11,280

i'm beyond scared

1876

01:13:18,149 --> 01:13:16,870

i mean i'm in a panic i i don't know

1877

01:13:19,910 --> 01:13:18,159

and this is where the story is going to

1878

01:13:22,550 --> 01:13:19,920

start kind of jumping around because

1879

01:13:25,270 --> 01:13:22,560

then the dream started and the voices

1880

01:13:33,189 --> 01:13:27,910

um and and i do think that what they

1881

01:13:35,510 --> 01:13:33,199

told me and the dreams are relevant

1882

01:13:40,790 --> 01:13:37,830

you know my mind just went blind but

1883

01:13:44,390 --> 01:13:40,800

what were those what were those things

1884

01:13:47,430 --> 01:13:44,400

uh you know um

1885

01:13:48,229 --> 01:13:47,440

i'm trying to there were more beings you

1886

01:13:51,669 --> 01:13:48,239

know

1887

01:13:53,590 --> 01:13:51,679

if i could jump across real quick my son

1888

01:13:55,189 --> 01:13:53,600

woke up one morning and said he woke up

1889

01:13:57,830 --> 01:13:55,199

in the middle of the night and was stuck

1890

01:14:03,030 --> 01:13:57,840

to the ceiling and he heard footsteps on

1891

01:14:07,910 --> 01:14:04,709

it's okay

1892

01:14:09,990 --> 01:14:07,920

sorry david it it was scared

1893

01:14:11,270 --> 01:14:10,000

it would scare the hell out of anybody

1894

01:14:12,630 --> 01:14:11,280

absolutely

1895

01:14:14,870 --> 01:14:12,640

okay

1896

01:14:17,750 --> 01:14:14,880

to be in this situation then he had like

1897

01:14:19,669 --> 01:14:17,760

this like thing he had this lump in his

1898

01:14:20,870 --> 01:14:19,679

foot that looked like the size of your

1899

01:14:22,950 --> 01:14:20,880

pinky

1900

01:14:25,910 --> 01:14:22,960

just this lump in his foot and it has

1901

01:14:27,590 --> 01:14:25,920

since concave now it's just like concave

1902

01:14:31,669 --> 01:14:27,600

scoop at the bottom of his foot and it

1903

01:14:33,669 --> 01:14:32,790

so

1904

01:14:34,550 --> 01:14:33,679

what

1905

01:14:36,229 --> 01:14:34,560

so

1906

01:14:37,669 --> 01:14:36,239

um

1907

01:14:38,709 --> 01:14:37,679

and then my daughter my five-year-old

1908

01:14:40,870 --> 01:14:38,719

daughter wakes up in the middle of a

1909

01:14:42,229 --> 01:14:40,880

nice scream bloody murder

1910

01:14:44,070 --> 01:14:42,239

and then the next day she's just like

1911

01:14:45,510 --> 01:14:44,080

clinging to me she won't talk i'm like

1912

01:14:47,189 --> 01:14:45,520

what's going on what you see she keeps

1913

01:14:48,630 --> 01:14:47,199

like side eyeing this like bottom pain

1914

01:14:50,950 --> 01:14:48,640

in the window

1915

01:14:52,950 --> 01:14:50,960

and um

1916

01:14:55,030 --> 01:14:52,960

and she was like there was a big bird

1917

01:14:57,750 --> 01:14:55,040

staring in the window and it had big

1918

01:14:59,189 --> 01:14:57,760

eyes and a pointy mouth

1919

01:15:02,070 --> 01:14:59,199

she's five

1920

01:15:06,310 --> 01:15:02,080

and i'm like okay

1921

01:15:10,630 --> 01:15:08,550

and then my wife like

1922

01:15:12,950 --> 01:15:10,640

okay so now i have to stop and say now

1923

01:15:16,790 --> 01:15:12,960

i'm talking to them and when i talk to

1924

01:15:18,310 --> 01:15:16,800

them i'm outside and i can see a craft

1925

01:15:20,550 --> 01:15:18,320

you know and i don't have clear

1926

01:15:22,229 --> 01:15:20,560

recollections but i'm like i just recall

1927

01:15:25,510 --> 01:15:22,239

one night like having my hands on my

1928

01:15:27,270 --> 01:15:25,520

knees i'm gagging i'm crying i'm

1929

01:15:28,950 --> 01:15:27,280

stumbling around like i'm drunk not

1930

01:15:30,070 --> 01:15:28,960

drunk and there's these two orange

1931

01:15:33,030 --> 01:15:30,080

lights

1932

01:15:34,390 --> 01:15:33,040

on the opposite sides of the tree line

1933

01:15:35,990 --> 01:15:34,400

and i asked and i'm having a

1934

01:15:37,830 --> 01:15:36,000

conversation i'm like we gotta get to

1935

01:15:39,669 --> 01:15:37,840

the bottom of this and you can hear me

1936

01:15:41,430 --> 01:15:39,679

and y'all are in my house now i want

1937

01:15:43,030 --> 01:15:41,440

answers

1938

01:15:44,709 --> 01:15:43,040

what's going on

1939

01:15:46,790 --> 01:15:44,719

you know this is starting to feel a

1940

01:15:48,070 --> 01:15:46,800

little bit violating

1941

01:15:50,470 --> 01:15:48,080

and so

1942

01:15:55,030 --> 01:15:52,950

oh my god i can't believe i'm saying

1943

01:15:56,470 --> 01:15:55,040

it's a lot it's very it's very violating

1944

01:15:59,510 --> 01:15:56,480

not even a little bit

1945

01:16:02,070 --> 01:15:59,520

yeah so i ask it

1946

01:16:04,470 --> 01:16:02,080

what's the deal with god heaven hell

1947

01:16:07,270 --> 01:16:04,480

jesus the devil i can almost remember

1948

01:16:08,550 --> 01:16:07,280

verbatim what i heard

1949

01:16:10,470 --> 01:16:08,560

am i going nuts am i having a

1950

01:16:11,830 --> 01:16:10,480

schizophrenic episode i don't know i

1951

01:16:15,590 --> 01:16:11,840

don't think so

1952

01:16:17,830 --> 01:16:15,600

and they said it said she said

1953

01:16:19,430 --> 01:16:17,840

we can now reveal to you the answers to

1954

01:16:21,189 --> 01:16:19,440

those types of questions because it

1955

01:16:22,950 --> 01:16:21,199

would defeat the purpose of the faith

1956

01:16:24,470 --> 01:16:22,960

that's required to believe in such

1957

01:16:26,870 --> 01:16:24,480

things

1958

01:16:31,110 --> 01:16:26,880

then i ask if there's anything to the

1959

01:16:32,149 --> 01:16:31,120

2012 phenomenon this was like in 2011

1960

01:16:33,990 --> 01:16:32,159

i said

1961

01:16:35,750 --> 01:16:34,000

not in the way that you think there will

1962

01:16:36,870 --> 01:16:35,760

be chaos and destruction but life will

1963

01:16:38,790 --> 01:16:36,880

go on

1964

01:16:41,110 --> 01:16:38,800
and this was right after haiti had

1965

01:16:42,470 --> 01:16:41,120
happened i was like similar to haiti

1966

01:16:44,070 --> 01:16:42,480
they're like yes

1967

01:16:46,790 --> 01:16:44,080
but life will go on

1968

01:16:49,189 --> 01:16:46,800
and then not long after that the tsunami

1969

01:16:51,910 --> 01:16:49,199
hit japan and i'm just watching the tv

1970

01:16:53,270 --> 01:16:51,920
going like dude is the world about to

1971

01:16:54,950 --> 01:16:53,280
end

1972

01:16:56,709 --> 01:16:54,960
you know and then i ask and most of the

1973

01:16:59,910 --> 01:16:56,719
time when i'm talking to them i'm seeing

1974

01:17:01,590 --> 01:16:59,920
a craft outside

1975

01:17:03,669 --> 01:17:01,600
and sometimes it's just sitting on my

1976

01:17:05,030 --> 01:17:03,679

sofa you know because the relationship

1977

01:17:08,310 --> 01:17:05,040

at that point had gotten like i could

1978

01:17:09,189 --> 01:17:08,320

just like like punching in a tv chat

1979

01:17:12,630 --> 01:17:09,199

yeah

1980

01:17:16,149 --> 01:17:14,470

why is this happening

1981

01:17:17,510 --> 01:17:16,159

like we can't reveal to you the answers

1982

01:17:19,830 --> 01:17:17,520

to those kinds of questions because you

1983

01:17:22,070 --> 01:17:19,840

wouldn't be able to handle it

1984

01:17:25,669 --> 01:17:22,080

but it'll make sense as you continue to

1985

01:17:26,790 --> 01:17:25,679

live your life and it's necessary

1986

01:17:28,390 --> 01:17:26,800

i'm like

1987

01:17:29,430 --> 01:17:28,400

that's vague

1988

01:17:32,149 --> 01:17:29,440

trying

1989

01:17:34,709 --> 01:17:32,159

like you know in in transmission

1990

01:17:37,590 --> 01:17:34,719

are you doing this to my kids are you

1991

01:17:40,229 --> 01:17:37,600

doing this to my pregnant wife yes

1992

01:17:41,750 --> 01:17:40,239

but nobody's being hurt nobody will

1993

01:17:43,270 --> 01:17:41,760

remember anything

1994

01:17:44,790 --> 01:17:43,280

and it's all

1995

01:17:48,149 --> 01:17:44,800

for a purpose

1996

01:17:50,950 --> 01:17:48,159

a good purpose trust us calm down

1997

01:17:54,390 --> 01:17:50,960

everything will be fine like no

1998

01:17:55,669 --> 01:17:54,400

no stop whatever you've got to do

1999

01:17:58,390 --> 01:17:55,679

do it to me

2000

01:18:00,390 --> 01:17:58,400

but leave my wife and kids out of this

2001

01:18:02,149 --> 01:18:00,400

then i come home from work at 11 30

2002

01:18:05,030 --> 01:18:02,159

shortly after saying that and there's

2003

01:18:07,350 --> 01:18:05,040

this tear-drop shaped craft hanging like

2004

01:18:09,270 --> 01:18:07,360

80 feet above my house just hanging in

2005

01:18:11,430 --> 01:18:09,280

the air it's got like three big white

2006

01:18:13,669 --> 01:18:11,440

lights on the bottom of it little green

2007

01:18:15,189 --> 01:18:13,679

like tip wings

2008

01:18:17,350 --> 01:18:15,199

looks like a pair

2009

01:18:19,189 --> 01:18:17,360

but like laying on its side it's just

2010

01:18:20,709 --> 01:18:19,199

hanging and i'm like they're waiting

2011

01:18:21,590 --> 01:18:20,719

till i'm gone

2012

01:18:24,149 --> 01:18:21,600

yeah

2013

01:18:25,750 --> 01:18:24,159

and then i i'm looking at my windshield

2014

01:18:28,390 --> 01:18:25,760

because my car is parked in the driveway

2015

01:18:30,310 --> 01:18:28,400

and it flies over me and i lean back so

2016

01:18:32,149 --> 01:18:30,320

i don't want to face the reality of it

2017

01:18:33,830 --> 01:18:32,159

and i look back out it's like a glitch

2018

01:18:36,149 --> 01:18:33,840

in the matrix and it there it is again

2019

01:18:38,550 --> 01:18:36,159

it's like a skip and a tape reel and it

2020

01:18:40,630 --> 01:18:38,560

flies back over me again

2021

01:18:41,990 --> 01:18:40,640

and then around that time my wife was

2022

01:18:42,950 --> 01:18:42,000

like well you were at work i woke up in

2023

01:18:44,870 --> 01:18:42,960

the middle of the night and there were

2024

01:18:46,550 --> 01:18:44,880

two of them standing at the foot of the

2025

01:18:48,229 --> 01:18:46,560

bed shoulder to shoulder didn't say

2026

01:18:49,830 --> 01:18:48,239

anything they were just standing there

2027

01:18:53,030 --> 01:18:49,840

it's like what did you do

2028

01:18:57,110 --> 01:18:53,040

two two one right yeah two to what

2029

01:18:59,669 --> 01:18:57,120

two beings aliens graves

2030

01:19:01,430 --> 01:18:59,679

standing shoulder to shoulder

2031

01:19:02,870 --> 01:19:01,440

you know not saying anything

2032

01:19:04,870 --> 01:19:02,880

said what'd you do

2033

01:19:05,830 --> 01:19:04,880

covered my head with the sheets and

2034

01:19:07,669 --> 01:19:05,840

prayed

2035

01:19:09,270 --> 01:19:07,679

that they would go away

2036

01:19:11,669 --> 01:19:09,280

and so now i'm like they're coming to

2037

01:19:13,830 --> 01:19:11,679

the house while i'm gone

2038

01:19:17,590 --> 01:19:13,840

i asked them not to and now they're in

2039

01:19:26,550 --> 01:19:20,229

so i'm pissed

2040

01:19:26,560 --> 01:19:28,950

you know

2041

01:19:32,950 --> 01:19:30,630

you're frustrated because there's not a

2042

01:19:36,550 --> 01:19:32,960

there's just no sense of trust there

2043

01:19:38,390 --> 01:19:36,560

well there's a one sided it's one-sided

2044

01:19:41,430 --> 01:19:38,400

yeah like

2045

01:19:43,590 --> 01:19:41,440

it would be like if i asked you

2046

01:19:45,990 --> 01:19:43,600

what's the weather like today and you're

2047

01:19:47,830 --> 01:19:46,000

or if i asked you what color your shirt

2048

01:19:52,790 --> 01:19:47,840

was and i couldn't see you and you were

2049

01:19:56,550 --> 01:19:54,390

yeah not clear enough a little more

2050

01:19:58,630 --> 01:19:56,560

specific and it's always like you can't

2051
01:20:00,790 --> 01:19:58,640
handle it it's for a greater purpose

2052
01:20:01,990 --> 01:20:00,800
just trust me what's this greater

2053
01:20:04,950 --> 01:20:02,000
purpose

2054
01:20:06,790 --> 01:20:04,960
the idea was

2055
01:20:09,590 --> 01:20:06,800
if

2056
01:20:11,110 --> 01:20:09,600
[h__\h] hits the fan

2057
01:20:13,510 --> 01:20:11,120
what we're doing

2058
01:20:14,870 --> 01:20:13,520
will enable you to be

2059
01:20:18,390 --> 01:20:14,880
with us

2060
01:20:20,229 --> 01:20:18,400
in some way on the craft wherever we are

2061
01:20:24,950 --> 01:20:20,239
live we're going

2062
01:20:32,550 --> 01:20:25,830
and

2063
01:20:35,750 --> 01:20:32,560

okay so that ties into the dreams

2064

01:20:37,669 --> 01:20:35,760

i'm have i'm having these dreams

2065

01:20:40,149 --> 01:20:37,679

you know go out and there's just this

2066

01:20:41,590 --> 01:20:40,159

lattice work of ufos in the sky and they

2067

01:20:43,430 --> 01:20:41,600

look they're just discs and they're

2068

01:20:45,510 --> 01:20:43,440

multi-colored and they're flashing

2069

01:20:47,350 --> 01:20:45,520

colors and they're everywhere and

2070

01:20:49,270 --> 01:20:47,360

there's just this sense that they've

2071

01:20:50,790 --> 01:20:49,280

shown themselves and it's not an

2072

01:20:53,189 --> 01:20:50,800

invasion they're not attacking they're

2073

01:20:56,229 --> 01:20:53,199

just flexing they're just saying

2074

01:20:58,950 --> 01:20:56,239

know that we're here know who's

2075

01:21:00,950 --> 01:20:58,960

boss around here and you all better act

2076

01:21:03,110 --> 01:21:00,960

right and that's just for all of

2077

01:21:04,629 --> 01:21:03,120

humanity and life still goes on

2078

01:21:07,510 --> 01:21:04,639

everybody's going to work but there's

2079

01:21:09,110 --> 01:21:07,520

just this like jesus christ

2080

01:21:12,070 --> 01:21:09,120

like you know

2081

01:21:13,669 --> 01:21:12,080

that kind of is the vibe and i had two

2082

01:21:16,229 --> 01:21:13,679

dreams like that

2083

01:21:19,030 --> 01:21:16,239

and one dream the water levels were

2084

01:21:20,550 --> 01:21:19,040

really high it wasn't flooded but it was

2085

01:21:22,070 --> 01:21:20,560

flooding

2086

01:21:24,070 --> 01:21:22,080

and you know i talked to somebody else

2087

01:21:26,830 --> 01:21:24,080

that's had experiences and oddly enough

2088

01:21:28,470 --> 01:21:26,840

she heard robotic male voices i heard

2089

01:21:29,910 --> 01:21:28,480

robotics

2090

01:21:31,030 --> 01:21:29,920

why

2091

01:21:33,030 --> 01:21:31,040

it's almost like they're trying to make

2092

01:21:34,310 --> 01:21:33,040

you more comfortable by giving you

2093

01:21:36,310 --> 01:21:34,320

something that's

2094

01:21:39,590 --> 01:21:36,320

i don't know

2095

01:21:42,070 --> 01:21:39,600

so hey david at this point in time

2096

01:21:45,350 --> 01:21:42,080

have you confined the these events

2097

01:21:47,830 --> 01:21:45,360

inside your family or is this being

2098

01:21:49,189 --> 01:21:47,840

shared with your wife's family

2099

01:21:52,070 --> 01:21:49,199

your family

2100

01:21:54,229 --> 01:21:52,080

this is just within our own family you

2101
01:21:56,870 --> 01:21:54,239
know okay there were nights where we had

2102
01:21:58,629 --> 01:21:56,880
horses that would run wild on our

2103
01:22:00,310 --> 01:21:58,639
property for a while

2104
01:22:01,910 --> 01:22:00,320
and the horses were in the backyard one

2105
01:22:03,750 --> 01:22:01,920
night and there was just like this

2106
01:22:05,270 --> 01:22:03,760
just this burst of light and all the

2107
01:22:07,030 --> 01:22:05,280
horses were like

2108
01:22:08,709 --> 01:22:07,040
and they took off running and my dog

2109
01:22:11,510 --> 01:22:08,719
started barking at the horses ran after

2110
01:22:13,110 --> 01:22:11,520
the horses and the light i i just you

2111
01:22:15,110 --> 01:22:13,120
know my wife just grabbed my hand real

2112
01:22:17,350 --> 01:22:15,120
tight it's like 10 30 at night just

2113
01:22:19,910 --> 01:22:17,360

stuff like this going on like non-stop a

2114

01:22:22,229 --> 01:22:19,920

little orange or red i can't remember

2115

01:22:24,950 --> 01:22:22,239

light outside of the window one night

2116

01:22:26,390 --> 01:22:24,960

having all these crazy dreams you know

2117

01:22:28,550 --> 01:22:26,400

there was a second dream where there was

2118

01:22:30,070 --> 01:22:28,560

the latticework of the ufos i'm sorry

2119

01:22:32,550 --> 01:22:30,080

for talking so much but

2120

01:22:34,709 --> 01:22:32,560

no it's okay it's okay

2121

01:22:36,790 --> 01:22:34,719

so there was another dream at the last

2122

01:22:39,990 --> 01:22:36,800

work ufos

2123

01:22:42,629 --> 01:22:40,000

same vibe they'd show themselves

2124

01:22:45,110 --> 01:22:42,639

no threat but you better watch yourself

2125

01:22:46,709 --> 01:22:45,120

and my son is sleepwalking and he's

2126

01:22:48,870 --> 01:22:46,719

walking into

2127

01:22:51,350 --> 01:22:48,880

the window

2128

01:22:53,030 --> 01:22:51,360

uh trying to go to and i'm like they're

2129

01:22:55,030 --> 01:22:53,040

trying to draw them outside why are they

2130

01:22:57,430 --> 01:22:55,040

trying to draw them outside is that just

2131

01:22:59,510 --> 01:22:57,440

a dream does it does it is it

2132

01:23:01,189 --> 01:22:59,520

coincidental i don't know but it was

2133

01:23:03,590 --> 01:23:01,199

going on at the same time my wife is

2134

01:23:06,470 --> 01:23:03,600

seeing beings and i'm seeing crap close

2135

01:23:08,950 --> 01:23:06,480

enough to throw a rock at something i'm

2136

01:23:11,030 --> 01:23:08,960

seeing orbs flying around x-shaped

2137

01:23:14,550 --> 01:23:11,040

things flying around the back of this

2138

01:23:16,550 --> 01:23:14,560

thing looks like it's out of star war

2139

01:23:18,870 --> 01:23:16,560

i mean this is it sounds like it's

2140

01:23:19,669 --> 01:23:18,880

relentless and

2141

01:23:21,590 --> 01:23:19,679

yes

2142

01:23:24,149 --> 01:23:21,600

i mean is it every week is it every day

2143

01:23:26,070 --> 01:23:24,159

how often does this happen

2144

01:23:28,070 --> 01:23:26,080

to my recollection

2145

01:23:31,350 --> 01:23:28,080

i would say on average about three

2146

01:23:32,390 --> 01:23:31,360

nights a week for about three years

2147

01:23:34,550 --> 01:23:32,400

wow

2148

01:23:36,310 --> 01:23:34,560

it was so often that it literally got to

2149

01:23:39,830 --> 01:23:36,320

the point where it was it wasn't like

2150

01:23:42,229 --> 01:23:39,840

wow look the thing it was like

2151
01:23:43,910 --> 01:23:42,239
what yeah here we go again yeah you know

2152
01:23:45,669 --> 01:23:43,920
and so

2153
01:23:47,189 --> 01:23:45,679
and all the while you know i'm waking up

2154
01:23:48,790 --> 01:23:47,199
like i've got

2155
01:23:49,629 --> 01:23:48,800
four

2156
01:23:52,070 --> 01:23:49,639
white

2157
01:23:53,910 --> 01:23:52,080
discolorations in a row on the back of

2158
01:23:56,550 --> 01:23:53,920
my calf i've got a little scoop out of

2159
01:23:58,149 --> 01:23:56,560
my shin is it some skull wow long time

2160
01:23:59,750 --> 01:23:58,159
ago i don't know

2161
01:24:02,149 --> 01:23:59,760
i woke up one morning there were two

2162
01:24:04,070 --> 01:24:02,159
little holes in my pointer finger and

2163
01:24:05,590 --> 01:24:04,080

this fingernail and this fingernail fell

2164

01:24:08,229 --> 01:24:05,600

off

2165

01:24:09,990 --> 01:24:08,239

and that happened twice

2166

01:24:11,830 --> 01:24:10,000

you know i just put band-aids on it try

2167

01:24:13,669 --> 01:24:11,840

to go about my day and i think about it

2168

01:24:15,510 --> 01:24:13,679

i'm like dude is this connected to that

2169

01:24:17,910 --> 01:24:15,520

is it not connected having some kind of

2170

01:24:19,270 --> 01:24:17,920

fungal infection what's going on my wife

2171

01:24:21,189 --> 01:24:19,280

would wake up she was pregnant she'd

2172

01:24:22,390 --> 01:24:21,199

have a little like scab on her belly

2173

01:24:23,669 --> 01:24:22,400

button

2174

01:24:25,430 --> 01:24:23,679

uh

2175

01:24:27,110 --> 01:24:25,440

you know and she was freaked out i'd

2176

01:24:29,830 --> 01:24:27,120

have little scabs on mine i'd wake up

2177

01:24:32,709 --> 01:24:29,840

just sweating so bad that i was soaked

2178

01:24:34,390 --> 01:24:32,719

through to the mattress i have to take

2179

01:24:36,229 --> 01:24:34,400

i'd have to put like four or five towels

2180

01:24:38,149 --> 01:24:36,239

down and this would happen frequently

2181

01:24:40,550 --> 01:24:38,159

i'm like am i having nightmares

2182

01:24:42,229 --> 01:24:40,560

like what's happening i started smoking

2183

01:24:45,110 --> 01:24:42,239

and drinking coffee

2184

01:24:46,950 --> 01:24:45,120

to stay awake so i wouldn't fall asleep

2185

01:24:48,070 --> 01:24:46,960

so they wouldn't come

2186

01:24:49,669 --> 01:24:48,080

right

2187

01:24:51,189 --> 01:24:49,679

what was it like on the nights and they

2188

01:24:53,270 --> 01:24:51,199

didn't come were you sitting in there

2189

01:24:55,110 --> 01:24:53,280

like you guys are watching tv and you're

2190

01:24:56,229 --> 01:24:55,120

like oh i hope you won't come and then

2191

01:25:00,390 --> 01:24:56,239

they did

2192

01:25:02,709 --> 01:25:00,400

like how did it

2193

01:25:04,550 --> 01:25:02,719

were you what what emotion were you met

2194

01:25:06,229 --> 01:25:04,560

with when they did come

2195

01:25:09,910 --> 01:25:06,239

uh when you're just having a normal

2196

01:25:14,629 --> 01:25:12,390

at this point nothing was normal it was

2197

01:25:17,270 --> 01:25:14,639

very strained

2198

01:25:20,149 --> 01:25:17,280

uh i was i started drinking

2199

01:25:23,270 --> 01:25:20,159

pretty heavily at night time just to

2200

01:25:24,310 --> 01:25:23,280

deal with the stress of it

2201
01:25:29,510 --> 01:25:24,320

i

2202
01:25:30,790 --> 01:25:29,520
alcohol or tv shows

2203
01:25:33,750 --> 01:25:30,800
just to

2204
01:25:35,030 --> 01:25:33,760
not think about it if it wasn't coming

2205
01:25:37,750 --> 01:25:35,040
if it was a

2206
01:25:41,990 --> 01:25:37,760
night where nothing was happening

2207
01:25:45,830 --> 01:25:42,870
so

2208
01:25:47,830 --> 01:25:45,840
yeah it just wasn't good at all ever

2209
01:25:49,990 --> 01:25:47,840
you know it was just stressed and my

2210
01:25:51,990 --> 01:25:50,000
wife was like you better not bring those

2211
01:25:55,189 --> 01:25:52,000
things in the house again i'm like i'm

2212
01:25:57,189 --> 01:25:55,199
not she's like stop stop

2213
01:25:59,910 --> 01:25:57,199

stop googling it stop researching it

2214

01:26:02,390 --> 01:25:59,920

stop looking for them stop talking to

2215

01:26:04,470 --> 01:26:02,400

them right because

2216

01:26:06,790 --> 01:26:04,480

and i'm gonna tell we have about 15

2217

01:26:09,750 --> 01:26:06,800

minutes left so i want to i want to get

2218

01:26:10,629 --> 01:26:09,760

to how you got rid of these guys

2219

01:26:13,110 --> 01:26:10,639

but

2220

01:26:14,149 --> 01:26:13,120

i want to know if there was a part of

2221

01:26:16,310 --> 01:26:14,159

you

2222

01:26:18,070 --> 01:26:16,320

that didn't want them to come

2223

01:26:20,070 --> 01:26:18,080

and then a part of you that did want

2224

01:26:21,990 --> 01:26:20,080

them to come

2225

01:26:24,149 --> 01:26:22,000

yeah i mean you know because you feel

2226

01:26:27,110 --> 01:26:24,159

special there's a part of you that feels

2227

01:26:28,070 --> 01:26:27,120

like oh wow this is happening to me

2228

01:26:29,590 --> 01:26:28,080

and did you feel like you were getting

2229

01:26:31,350 --> 01:26:29,600

any answers did you do you feel like you

2230

01:26:33,270 --> 01:26:31,360

were ever getting any any closer to the

2231

01:26:36,870 --> 01:26:33,280

reason

2232

01:26:38,310 --> 01:26:36,880

uh no it was all one-sided i mean they

2233

01:26:40,550 --> 01:26:38,320

hold the key

2234

01:26:42,149 --> 01:26:40,560

they're in control i cannot emphasize

2235

01:26:44,790 --> 01:26:42,159

that enough

2236

01:26:47,030 --> 01:26:44,800

but you know there

2237

01:26:48,870 --> 01:26:47,040

there's just there's so much more to

2238

01:26:52,629 --> 01:26:48,880

this

2239

01:26:54,709 --> 01:26:52,639

um but to answer your question

2240

01:26:55,990 --> 01:26:54,719

it became too much

2241

01:26:57,189 --> 01:26:56,000

and

2242

01:26:58,310 --> 01:26:57,199

i kind of

2243

01:27:00,310 --> 01:26:58,320

wrapped my head around the fact that

2244

01:27:02,950 --> 01:27:00,320

this is not a good thing these are not

2245

01:27:05,350 --> 01:27:02,960

space brothers come to save us oh and i

2246

01:27:06,310 --> 01:27:05,360

saw one of them one night

2247

01:27:08,149 --> 01:27:06,320

um

2248

01:27:10,229 --> 01:27:08,159

you know and i had heard a voice in my

2249

01:27:12,070 --> 01:27:10,239

head that said uh communication would

2250

01:27:13,430 --> 01:27:12,080

work better if we could do this face to

2251
01:27:15,669 --> 01:27:13,440
face i was like

2252
01:27:17,510 --> 01:27:15,679
could it because i'm not

2253
01:27:19,030 --> 01:27:17,520
so like

2254
01:27:21,990 --> 01:27:19,040
and then people like oh well you must

2255
01:27:23,430 --> 01:27:22,000
have agreed i was like i must not have

2256
01:27:24,950 --> 01:27:23,440
they

2257
01:27:27,990 --> 01:27:24,960
want

2258
01:27:30,070 --> 01:27:28,000
you know and so like

2259
01:27:30,830 --> 01:27:30,080
i saw one one night

2260
01:27:32,390 --> 01:27:30,840
you

2261
01:27:34,950 --> 01:27:32,400
know

2262
01:27:37,030 --> 01:27:34,960
i'll try to answer your question but

2263
01:27:38,149 --> 01:27:37,040

it appeared there was a mist

2264

01:27:39,910 --> 01:27:38,159

you know because i can't speak for my

2265

01:27:40,950 --> 01:27:39,920

wife i can think of myself there's this

2266

01:27:42,470 --> 01:27:40,960

mist

2267

01:27:43,590 --> 01:27:42,480

like i'm i'm sitting there playing video

2268

01:27:45,350 --> 01:27:43,600

games one night it's one o'clock in the

2269

01:27:47,189 --> 01:27:45,360

morning because i'm afraid to go to bed

2270

01:27:49,110 --> 01:27:47,199

i see this little shadow run by the

2271

01:27:51,510 --> 01:27:49,120

window in the door it's a wooden door

2272

01:27:53,990 --> 01:27:51,520

with a square window i ignore it shower

2273

01:27:55,669 --> 01:27:54,000

runs by again i ignore it it was by a

2274

01:27:57,669 --> 01:27:55,679

third time like okay

2275

01:27:59,430 --> 01:27:57,679

is this something weird

2276

01:28:01,990 --> 01:27:59,440

and then there's just this mist just

2277

01:28:04,149 --> 01:28:02,000

molecule by molecule just this mist

2278

01:28:05,590 --> 01:28:04,159

coming in out of nothing

2279

01:28:07,910 --> 01:28:05,600

right in the window

2280

01:28:09,910 --> 01:28:07,920

and it just starts like coalescing

2281

01:28:11,510 --> 01:28:09,920

until it's like

2282

01:28:14,070 --> 01:28:11,520

there's a gray

2283

01:28:16,070 --> 01:28:14,080

and i mean it's as real as there was

2284

01:28:18,149 --> 01:28:16,080

somebody on ufo twitter that drew it for

2285

01:28:19,990 --> 01:28:18,159

me like a police sketch i doodled a

2286

01:28:21,910 --> 01:28:20,000

little thing and i explained it

2287

01:28:23,669 --> 01:28:21,920

it's exactly i mean it looks just like

2288

01:28:25,750 --> 01:28:23,679

it's like i'm looking in the face

2289

01:28:27,669 --> 01:28:25,760

the ridge up its head was a little

2290

01:28:28,950 --> 01:28:27,679

darker than his depiction it was a

2291

01:28:29,830 --> 01:28:28,960

little lighter

2292

01:28:32,149 --> 01:28:29,840

you know

2293

01:28:34,470 --> 01:28:32,159

but it had like a darker ridge went up

2294

01:28:35,910 --> 01:28:34,480

its head but just the eyes were just

2295

01:28:37,750 --> 01:28:35,920

massive like they would have come all

2296

01:28:39,510 --> 01:28:37,760

the way back here had wrinkles around

2297

01:28:41,189 --> 01:28:39,520

his mouth just a little boomerang the

2298

01:28:43,430 --> 01:28:41,199

picture on my twitter looks just like it

2299

01:28:45,189 --> 01:28:43,440

and i was like how do you do that

2300

01:28:47,510 --> 01:28:45,199

that is not the female

2301

01:28:49,270 --> 01:28:47,520

the female i've been talking to that

2302

01:28:51,350 --> 01:28:49,280

i don't okay

2303

01:28:53,350 --> 01:28:51,360

you know and i just like i'm six feet

2304

01:28:55,510 --> 01:28:53,360

away from it and i can see like it's got

2305

01:28:58,390 --> 01:28:55,520

really high hard cheekbones i can like

2306

01:28:59,990 --> 01:28:58,400

see the shadows under the cheekbones

2307

01:29:02,870 --> 01:29:00,000

i'm like six feet away from it i just

2308

01:29:04,629 --> 01:29:02,880

look away and i say no

2309

01:29:06,310 --> 01:29:04,639

you know and i look back and it's not

2310

01:29:08,310 --> 01:29:06,320

there i look out the window my dog's

2311

01:29:10,470 --> 01:29:08,320

just like her hackle was up that ridge

2312

01:29:11,910 --> 01:29:10,480

of hair that runs down

2313

01:29:14,790 --> 01:29:11,920

she's sniffing under the car and

2314

01:29:18,070 --> 01:29:14,800

sniffing the front fender looking around

2315

01:29:20,149 --> 01:29:18,080

i'm just like what in the hell

2316

01:29:22,070 --> 01:29:20,159

and i've replayed that in my mind a

2317

01:29:23,510 --> 01:29:22,080

million times

2318

01:29:24,870 --> 01:29:23,520

what are you doing are you sitting on

2319

01:29:27,430 --> 01:29:24,880

the sofa what are you doing at this

2320

01:29:28,709 --> 01:29:27,440

point sitting on the coffee table

2321

01:29:30,950 --> 01:29:28,719

you're sitting here

2322

01:29:34,310 --> 01:29:30,960

okay close to the tv

2323

01:29:37,750 --> 01:29:35,430

and

2324

01:29:40,310 --> 01:29:37,760

the door was about seven feet away i

2325

01:29:42,390 --> 01:29:40,320

stood up and took a step and i'm six

2326

01:29:44,229 --> 01:29:42,400

feet away from the door

2327

01:29:46,790 --> 01:29:44,239

when i saw this happen

2328

01:29:51,590 --> 01:29:49,669

that that's when i also

2329

01:29:53,750 --> 01:29:51,600

kind of

2330

01:29:56,070 --> 01:29:53,760

went like that's that's not matching up

2331

01:29:58,229 --> 01:29:56,080

with the voice i'm hearing my wife had

2332

01:30:00,870 --> 01:29:58,239

dreams i have to include this she had

2333

01:30:03,910 --> 01:30:00,880

dreams about

2334

01:30:05,590 --> 01:30:03,920

they land there they landed in some big

2335

01:30:07,590 --> 01:30:05,600

city and all these people were clamoring

2336

01:30:10,229 --> 01:30:07,600

to go see it and she heard a voice and

2337

01:30:12,629 --> 01:30:10,239

again she thinks this is all stupid

2338

01:30:14,470 --> 01:30:12,639

she hates all this stuff that this voice

2339

01:30:16,390 --> 01:30:14,480

in her head in the dream says one day

2340

01:30:18,790 --> 01:30:16,400

this is going to happen only you can

2341

01:30:21,750 --> 01:30:18,800

hear us right now and if you choose you

2342

01:30:23,430 --> 01:30:21,760

can get on the craft with us and leave

2343

01:30:24,790 --> 01:30:23,440

and she said

2344

01:30:26,229 --> 01:30:24,800

nope

2345

01:30:27,590 --> 01:30:26,239

so

2346

01:30:29,990 --> 01:30:27,600

i think i have that picture if you want

2347

01:30:31,750 --> 01:30:30,000

if i can put it up on screen here oh wow

2348

01:30:34,950 --> 01:30:31,760

that is awesome man

2349

01:30:36,790 --> 01:30:34,960

yeah this is

2350

01:30:39,030 --> 01:30:36,800

that's scary looking man that's

2351

01:30:40,870 --> 01:30:39,040

identical and you know what it really

2352

01:30:42,550 --> 01:30:40,880

looked old like the wrinkles around its

2353

01:30:45,110 --> 01:30:42,560

mouth were really like

2354

01:30:47,350 --> 01:30:45,120

it looked old and the first thought that

2355

01:30:49,910 --> 01:30:47,360

was in my mind was like zombie like that

2356

01:30:53,270 --> 01:30:49,920

thing is not there's no

2357

01:30:54,950 --> 01:30:53,280

emotion there at all it's just like

2358

01:30:57,110 --> 01:30:54,960

you know it's just

2359

01:30:59,110 --> 01:30:57,120

just zombie

2360

01:31:02,950 --> 01:30:59,120

so

2361

01:31:09,430 --> 01:31:04,470

i did bring it up to my parents

2362

01:31:13,510 --> 01:31:11,510

at dinner and my mom likes to go around

2363

01:31:18,629 --> 01:31:13,520

the table like how did your year ago

2364

01:31:21,750 --> 01:31:19,990

i don't know if i'm being abducted

2365

01:31:23,910 --> 01:31:21,760

violence i don't i've not had regressive

2366

01:31:25,270 --> 01:31:23,920

hypnosis i don't know what's going on

2367

01:31:26,950 --> 01:31:25,280

okay i just know that they're in my

2368

01:31:28,790 --> 01:31:26,960

house i'm seeing them my wife's in we're

2369

01:31:31,270 --> 01:31:28,800

having dreams about the apocalypse

2370

01:31:32,310 --> 01:31:31,280

there's a crap everywhere and orbs

2371

01:31:34,310 --> 01:31:32,320

everywhere

2372

01:31:36,709 --> 01:31:34,320

and from from from what you mentioned

2373

01:31:38,550 --> 01:31:36,719

because i actually called a friend about

2374

01:31:39,350 --> 01:31:38,560

this topic that you just brought up i

2375

01:31:40,709 --> 01:31:39,360

said

2376

01:31:44,550 --> 01:31:40,719

you know

2377

01:31:45,350 --> 01:31:44,560

was on our show who does regressionist

2378

01:31:47,030 --> 01:31:45,360

work

2379

01:31:49,189 --> 01:31:47,040

and she said it has to be something that

2380

01:31:51,350 --> 01:31:49,199

you want i said i don't think david

2381

01:31:52,950 --> 01:31:51,360

wants

2382

01:31:54,629 --> 01:31:52,960

to remember

2383

01:31:57,149 --> 01:31:54,639

oh yeah no

2384

01:32:00,149 --> 01:31:57,159

okay i mean i did some like

2385

01:32:03,189 --> 01:32:00,159

transcendental meditative type

2386

01:32:05,590 --> 01:32:03,199

transit self-induced to try to remember

2387

01:32:08,149 --> 01:32:05,600

and i had some flashes of like being led

2388

01:32:12,470 --> 01:32:08,159

down this long curved hallway

2389

01:32:15,110 --> 01:32:12,480

by this woman alien with black hair uh

2390

01:32:16,149 --> 01:32:15,120

and seeing like arched doors

2391

01:32:17,990 --> 01:32:16,159

and then

2392

01:32:20,149 --> 01:32:18,000

you know being on a table and seeing the

2393

01:32:22,629 --> 01:32:20,159

tops of their little heads but that

2394

01:32:24,390 --> 01:32:22,639

could all be my imagination i don't know

2395

01:32:26,070 --> 01:32:24,400

i don't really put a lot of stock in

2396

01:32:28,229 --> 01:32:26,080

that but i've heard other people

2397

01:32:29,669 --> 01:32:28,239

describe things oh my god that's eerily

2398

01:32:32,310 --> 01:32:29,679

similar

2399

01:32:34,550 --> 01:32:32,320

you know um but but i don't really put a

2400

01:32:35,830 --> 01:32:34,560

lot of stock in that and no i don't want

2401
01:32:37,750 --> 01:32:35,840
regression because one of the things

2402
01:32:40,070 --> 01:32:37,760
that flashed in my mind was like being

2403
01:32:42,390 --> 01:32:40,080
in some kind of chair with a tube down

2404
01:32:45,590 --> 01:32:42,400
my throat and i don't want to know

2405
01:32:47,669 --> 01:32:45,600
what's going on that flash in my head

2406
01:32:49,990 --> 01:32:47,679
that could just be imagination and

2407
01:32:51,270 --> 01:32:50,000
paranoia run wild

2408
01:32:52,790 --> 01:32:51,280
yeah

2409
01:32:54,550 --> 01:32:52,800
and i'm not telling anybody that's what

2410
01:32:56,709 --> 01:32:54,560
happened absolutely

2411
01:32:58,390 --> 01:32:56,719
you know i that's just the flash in my

2412
01:33:00,550 --> 01:32:58,400
mind i don't know i'm not putting you

2413
01:33:01,669 --> 01:33:00,560

don't want to actualize that that into

2414

01:33:05,750 --> 01:33:01,679

your

2415

01:33:07,669 --> 01:33:05,760

you're like oh okay now i remember that

2416

01:33:09,510 --> 01:33:07,679

i i get it i get it i just had to throw

2417

01:33:12,310 --> 01:33:09,520

it i just had to throw it out there just

2418

01:33:14,550 --> 01:33:12,320

find out but i understand and i and i

2419

01:33:16,629 --> 01:33:14,560

want to be rational about it too and say

2420

01:33:18,070 --> 01:33:16,639

that like the voices in my head and the

2421

01:33:19,750 --> 01:33:18,080

dreams

2422

01:33:21,830 --> 01:33:19,760

i have a hard time believing that i have

2423

01:33:24,790 --> 01:33:21,840

a hard time believing i saw a gray i

2424

01:33:26,070 --> 01:33:24,800

believed my wife i know i saw a craft

2425

01:33:28,870 --> 01:33:26,080

and orbs

2426

01:33:30,790 --> 01:33:28,880

and lights that would respond to my

2427

01:33:32,790 --> 01:33:30,800

request

2428

01:33:35,830 --> 01:33:32,800

so i'm at christmas dinner

2429

01:33:38,470 --> 01:33:35,840

breakdown my wife my kids everybody

2430

01:33:40,629 --> 01:33:38,480

leaves the table

2431

01:33:42,390 --> 01:33:40,639

and my dad is just like you know son

2432

01:33:44,070 --> 01:33:42,400

this is not new

2433

01:33:45,990 --> 01:33:44,080

topic this has been going on since i was

2434

01:33:48,470 --> 01:33:46,000

a kid you need to talk to your mother

2435

01:33:50,709 --> 01:33:48,480

because she's had some similar wow

2436

01:33:53,430 --> 01:33:50,719

do not dox my mother by the way for

2437

01:33:55,830 --> 01:33:53,440

anybody listening but she tells me that

2438

01:33:58,790 --> 01:33:55,840

like when she was 19

2439

01:34:00,149 --> 01:33:58,800

she was at a christian camp and she

2440

01:34:01,189 --> 01:34:00,159

heard her wrestling in the closet she

2441

01:34:03,110 --> 01:34:01,199

opened the door there's two little

2442

01:34:05,030 --> 01:34:03,120

silhouettes in there she slammed the

2443

01:34:06,950 --> 01:34:05,040

door shut they pushed back she slammed

2444

01:34:09,189 --> 01:34:06,960

it again ran out to the counselor's

2445

01:34:11,830 --> 01:34:09,199

cabin she said there's little things in

2446

01:34:12,870 --> 01:34:11,840

my closet and he says cecilia those are

2447

01:34:14,629 --> 01:34:12,880

demons

2448

01:34:16,790 --> 01:34:14,639

and they've come to like you know

2449

01:34:18,390 --> 01:34:16,800

manipulate you into not being christian

2450

01:34:20,870 --> 01:34:18,400

anymore

2451
01:34:22,310 --> 01:34:20,880
and then again when she was 37 around

2452
01:34:26,550 --> 01:34:22,320
the time

2453
01:34:27,910 --> 01:34:26,560
that ufo in 1997

2454
01:34:30,790 --> 01:34:27,920
she said she woke up one night there

2455
01:34:33,189 --> 01:34:30,800
were three little short silhouettes at

2456
01:34:34,310 --> 01:34:33,199
each at the bottom right corner upper

2457
01:34:35,430 --> 01:34:34,320
left corner

2458
01:34:36,709 --> 01:34:35,440
up here

2459
01:34:38,310 --> 01:34:36,719
and then there was a man like a

2460
01:34:40,629 --> 01:34:38,320
silhouette of a man he had like a

2461
01:34:42,149 --> 01:34:40,639
staffer rod in his hand he lifted the

2462
01:34:44,470 --> 01:34:42,159
rod up in the air and the three little

2463
01:34:46,550 --> 01:34:44,480

silhouettes disappeared and he proceeded

2464

01:34:47,910 --> 01:34:46,560

to tell her like how she was gonna die

2465

01:34:50,550 --> 01:34:47,920

now if my mother hears this she's gonna

2466

01:34:52,629 --> 01:34:50,560

go oh my god dude what are you doing but

2467

01:34:55,189 --> 01:34:52,639

i mean it's part of it it's it's just

2468

01:34:56,310 --> 01:34:55,199

part of the story it's just part of it

2469

01:34:58,709 --> 01:34:56,320

you know

2470

01:35:00,870 --> 01:34:58,719

also while this is going on

2471

01:35:02,390 --> 01:35:00,880

my brother-in-law catches wind of it he

2472

01:35:05,109 --> 01:35:02,400

practice i don't know if he's jealous or

2473

01:35:07,109 --> 01:35:05,119

if he wants to find us true he practices

2474

01:35:09,270 --> 01:35:07,119

necronomicon sigil magic says he

2475

01:35:11,590 --> 01:35:09,280

conjures a reptilian

2476

01:35:13,910 --> 01:35:11,600

uh uh ends up spending two weeks in the

2477

01:35:16,390 --> 01:35:13,920

mental hospital this is very sensitive

2478

01:35:17,350 --> 01:35:16,400

information i don't want people

2479

01:35:18,870 --> 01:35:17,360

you know

2480

01:35:20,390 --> 01:35:18,880

being like well i need to go talk to him

2481

01:35:22,470 --> 01:35:20,400

and talk to you he's like mind your

2482

01:35:23,830 --> 01:35:22,480

business believe me your tone

2483

01:35:25,350 --> 01:35:23,840

you know he ends up two weeks in the

2484

01:35:28,149 --> 01:35:25,360

mental hospital now i got to deal with

2485

01:35:29,430 --> 01:35:28,159

that and then i'm getting you know i'm

2486

01:35:31,030 --> 01:35:29,440

also getting like followed by

2487

01:35:32,470 --> 01:35:31,040

helicopters

2488

01:35:33,830 --> 01:35:32,480

and there was a guy that followed me

2489

01:35:35,669 --> 01:35:33,840

through a shopping center all the way to

2490

01:35:37,590 --> 01:35:35,679

my car's car just so happen to be parked

2491

01:35:39,109 --> 01:35:37,600

like right next to mine he takes my

2492

01:35:40,790 --> 01:35:39,119

picture from like four feet away and

2493

01:35:43,189 --> 01:35:40,800

just slowly lowers the camera just

2494

01:35:45,030 --> 01:35:43,199

stares at me like that and then it gets

2495

01:35:46,950 --> 01:35:45,040

in his car's little all black car

2496

01:35:49,590 --> 01:35:46,960

convertible pulls off drives off my

2497

01:35:50,950 --> 01:35:49,600

parents house burns down this is all

2498

01:35:52,390 --> 01:35:50,960

happening around the same time on

2499

01:35:53,270 --> 01:35:52,400

facebook i'm getting

2500

01:35:54,709 --> 01:35:53,280

you know

2501

01:35:57,030 --> 01:35:54,719

stalked by this dude that's got a

2502

01:35:59,750 --> 01:35:57,040

profile picture of like a

2503

01:36:01,990 --> 01:35:59,760

trench coat and a gun with a ufo from

2504

01:36:04,149 --> 01:36:02,000

the banner a hundred of my photos get

2505

01:36:05,830 --> 01:36:04,159

liked in a day block them happens again

2506

01:36:07,669 --> 01:36:05,840

the next day with some weird profile

2507

01:36:10,070 --> 01:36:07,679

blocking i don't know if that's

2508

01:36:12,229 --> 01:36:10,080

connected that can all be not connected

2509

01:36:14,149 --> 01:36:12,239

at all but it was happening so i have an

2510

01:36:16,550 --> 01:36:14,159

absolute mental breakdown at christmas

2511

01:36:18,870 --> 01:36:16,560

in 2013. i talked to my dad talked to my

2512

01:36:20,950 --> 01:36:18,880

mother this has to stop my mother's like

2513

01:36:22,390 --> 01:36:20,960

those demons my wife is like david those

2514

01:36:23,910 --> 01:36:22,400
are demons i don't know if they're

2515

01:36:25,189 --> 01:36:23,920
demons or not i don't know if this is

2516

01:36:27,189 --> 01:36:25,199
something good

2517

01:36:29,350 --> 01:36:27,199
i don't know if they enhanced my dna and

2518

01:36:30,470 --> 01:36:29,360
now i can survive on a spaceship if they

2519

01:36:34,390 --> 01:36:30,480
have to take me away during the

2520

01:36:35,270 --> 01:36:34,400
apocalypse i don't know i have no idea

2521

01:36:37,270 --> 01:36:35,280
but

2522

01:36:40,149 --> 01:36:37,280
at this point i'm so strong out that i'm

2523

01:36:42,709 --> 01:36:40,159
like i can't live like this anymore

2524

01:36:45,030 --> 01:36:42,719
so they start praying for me

2525

01:36:46,870 --> 01:36:45,040
they encourage me to get back into the

2526

01:36:48,470 --> 01:36:46,880

bible i

2527

01:36:50,390 --> 01:36:48,480

start in i

2528

01:36:52,390 --> 01:36:50,400

come to terms that this is not a good

2529

01:36:54,470 --> 01:36:52,400

thing

2530

01:36:57,430 --> 01:36:54,480

and these are not

2531

01:37:00,550 --> 01:36:57,440

space brothers come to say this i just

2532

01:37:03,510 --> 01:37:00,560

i'm like okay i take all of my t-shirts

2533

01:37:04,950 --> 01:37:03,520

alien t-shirts alien books

2534

01:37:07,270 --> 01:37:04,960

all this stuff i go to get my

2535

01:37:09,510 --> 01:37:07,280

brother-in-law's black magic books i

2536

01:37:11,510 --> 01:37:09,520

take all that i burn it i invite

2537

01:37:13,669 --> 01:37:11,520

somebody out to the house that's like a

2538

01:37:16,070 --> 01:37:13,679

new age kind of healer she sages the

2539

01:37:18,550 --> 01:37:16,080

house another friend of mine is like a

2540

01:37:21,430 --> 01:37:18,560

new age crystal guy he buries organite

2541

01:37:22,709 --> 01:37:21,440

all in the yard uh i have like church

2542

01:37:25,030 --> 01:37:22,719

pray over me

2543

01:37:27,830 --> 01:37:25,040

uh i met with a pastor i had somebody

2544

01:37:31,270 --> 01:37:27,840

anoint me with oil i started

2545

01:37:36,310 --> 01:37:31,280

practicing um you know

2546

01:37:39,030 --> 01:37:36,320

enochian type stuff to summon archangels

2547

01:37:42,310 --> 01:37:39,040

i took on the christ consciousness

2548

01:37:44,390 --> 01:37:42,320

i was doing i like kundalini rising and

2549

01:37:46,470 --> 01:37:44,400

chakra cleansing and everything i could

2550

01:37:48,550 --> 01:37:46,480

do i stopped drinking

2551
01:37:51,990 --> 01:37:48,560
everything i could do to pull myself out

2552
01:37:54,390 --> 01:37:52,000
of a negative place and that's when

2553
01:37:56,390 --> 01:37:54,400
it started tapering off in the same way

2554
01:37:58,550 --> 01:37:56,400
it came beings left

2555
01:38:01,109 --> 01:37:58,560
craft started leaving little lights in

2556
01:38:02,550 --> 01:38:01,119
the sky and then

2557
01:38:04,950 --> 01:38:02,560
and now it's gone

2558
01:38:06,550 --> 01:38:04,960
and it's still gone

2559
01:38:09,590 --> 01:38:06,560
pick up the wee hours of the morning and

2560
01:38:12,229 --> 01:38:09,600
i'll see something weird and i'm like

2561
01:38:14,550 --> 01:38:12,239
you know what david

2562
01:38:17,109 --> 01:38:14,560
i have a lot of respect for you already

2563
01:38:19,270 --> 01:38:17,119

and i'm gonna tell you why because

2564

01:38:21,270 --> 01:38:19,280

if it were me and they told me i could

2565

01:38:24,950 --> 01:38:21,280

make your hair grow back i would

2566

01:38:28,070 --> 01:38:24,960

probably suffer an abduction for that

2567

01:38:29,430 --> 01:38:28,080

i would if they said we promise you full

2568

01:38:30,390 --> 01:38:29,440

head of hair

2569

01:38:32,550 --> 01:38:30,400

nathan

2570

01:38:34,470 --> 01:38:32,560

this would be it you know

2571

01:38:36,310 --> 01:38:34,480

it'd be tough to say no you got you know

2572

01:38:38,550 --> 01:38:36,320

you you understand where i'm coming from

2573

01:38:43,270 --> 01:38:38,560

that's pretty so that's a pretty sexy

2574

01:38:47,350 --> 01:38:45,189

well i mean i want to echo what dj is

2575

01:38:50,550 --> 01:38:47,360

saying yeah

2576

01:38:53,189 --> 01:38:50,560

sorry a little choked up there but uh

2577

01:38:55,910 --> 01:38:53,199

it takes a ton of guts to do

2578

01:38:58,950 --> 01:38:55,920

to share the story with everybody and um

2579

01:39:00,070 --> 01:38:58,960

i'm sorry for going manic on y'all no

2580

01:39:01,189 --> 01:39:00,080

i i

2581

01:39:03,669 --> 01:39:01,199

i mean

2582

01:39:05,430 --> 01:39:03,679

for me and there's so many layers of the

2583

01:39:07,030 --> 01:39:05,440

story that um

2584

01:39:09,669 --> 01:39:07,040

you know kind of hit me

2585

01:39:12,709 --> 01:39:09,679

but watching you tell it is actually one

2586

01:39:15,270 --> 01:39:12,719

of the most important components of this

2587

01:39:18,310 --> 01:39:15,280

because it's obvious to me

2588

01:39:20,950 --> 01:39:18,320

how uh impactful this experience was to

2589

01:39:22,229 --> 01:39:20,960

you and how difficult it is to talk

2590

01:39:24,629 --> 01:39:22,239

about it

2591

01:39:27,270 --> 01:39:24,639

so i you know again

2592

01:39:28,470 --> 01:39:27,280

i i really want to thank you for

2593

01:39:30,550 --> 01:39:28,480

for coming on the show to share this

2594

01:39:33,750 --> 01:39:30,560

with everyone and only because i

2595

01:39:36,550 --> 01:39:33,760

hope that in sharing the story it it

2596

01:39:39,189 --> 01:39:36,560

helps like it helps process this and

2597

01:39:41,189 --> 01:39:39,199

helps you come to peace with it

2598

01:39:43,830 --> 01:39:41,199

that's my hope too i mean that's part of

2599

01:39:46,950 --> 01:39:43,840

why i did it just because

2600

01:39:48,950 --> 01:39:46,960

you know i i cannot just sit down at

2601
01:39:53,669 --> 01:39:48,960
dinner with some friend and be like hey

2602
01:39:56,629 --> 01:39:55,750
like i just don't care

2603
01:39:58,709 --> 01:39:56,639
um

2604
01:40:00,950 --> 01:39:58,719
that's never a good conversation to have

2605
01:40:02,870 --> 01:40:00,960
anywhere in the conversation but it is

2606
01:40:04,629 --> 01:40:02,880
it's

2607
01:40:07,270 --> 01:40:04,639
just not being able to be like dude

2608
01:40:09,669 --> 01:40:07,280
there's aliens flying around doing god

2609
01:40:10,870 --> 01:40:09,679
knows what i don't care

2610
01:40:11,990 --> 01:40:10,880
about

2611
01:40:14,390 --> 01:40:12,000
anything

2612
01:40:15,990 --> 01:40:14,400
i mean i do i do okay and that's why i'm

2613
01:40:17,510 --> 01:40:16,000

thankful for my wife

2614

01:40:18,870 --> 01:40:17,520

because she's very good at just being

2615

01:40:21,189 --> 01:40:18,880

like hey

2616

01:40:23,189 --> 01:40:21,199

the toilet's clogged go fix it

2617

01:40:24,149 --> 01:40:23,199

yeah you have a life here go cut the

2618

01:40:26,870 --> 01:40:24,159

grass

2619

01:40:30,709 --> 01:40:26,880

go feed the horses you know

2620

01:40:32,790 --> 01:40:30,719

focus david so like

2621

01:40:34,950 --> 01:40:32,800

it's difficult and also

2622

01:40:37,030 --> 01:40:34,960

you know i feel like i'm not the only

2623

01:40:38,229 --> 01:40:37,040

one that's been through this

2624

01:40:39,510 --> 01:40:38,239

oh my god

2625

01:40:41,510 --> 01:40:39,520

yeah

2626

01:40:44,149 --> 01:40:41,520

we just we just uh

2627

01:40:45,430 --> 01:40:44,159

learned all about jim sparks very some

2628

01:40:47,750 --> 01:40:45,440

some similar

2629

01:40:50,709 --> 01:40:47,760

experiences to you chris bled so terry

2630

01:40:53,669 --> 01:40:50,719

loveless obviously anjali

2631

01:40:55,430 --> 01:40:53,679

um so yeah you're not alone and by the

2632

01:40:57,430 --> 01:40:55,440

way i want to say this david you look

2633

01:41:01,910 --> 01:40:57,440

very healthy

2634

01:41:05,910 --> 01:41:01,920

well i'll say that

2635

01:41:07,750 --> 01:41:05,920

back to getting rid of them

2636

01:41:10,550 --> 01:41:07,760

um

2637

01:41:13,350 --> 01:41:10,560

that was part of it was like cutting out

2638

01:41:16,709 --> 01:41:13,360

the drinking cutting out the just the

2639

01:41:19,350 --> 01:41:16,719

just the negativity that was in my life

2640

01:41:21,590 --> 01:41:19,360

having to like get out of that was a

2641

01:41:24,070 --> 01:41:21,600

part of it and i still

2642

01:41:26,070 --> 01:41:24,080

continue that to this day like have you

2643

01:41:28,070 --> 01:41:26,080

seen that meme that's got like rocky

2644

01:41:30,470 --> 01:41:28,080

working out it says like introverts

2645

01:41:33,669 --> 01:41:30,480

preparing to make a phone call that's

2646

01:41:36,070 --> 01:41:33,679

exactly what i did before i came here

2647

01:41:39,430 --> 01:41:36,080

to do that because my levels of stress

2648

01:41:41,350 --> 01:41:39,440

and anxiety are that high that i have to

2649

01:41:43,990 --> 01:41:41,360

you know do that and and i do think it's

2650

01:41:46,390 --> 01:41:44,000

a constant battle and i will say

2651

01:41:48,390 --> 01:41:46,400

i'm not against love and light i know

2652

01:41:50,950 --> 01:41:48,400

the story i just told was dark and

2653

01:41:53,430 --> 01:41:50,960

stressful and confusing

2654

01:41:55,270 --> 01:41:53,440

but i'm not against love and light uh

2655

01:41:57,590 --> 01:41:55,280

you know i did

2656

01:42:00,070 --> 01:41:57,600

i did have some experiences and all that

2657

01:42:01,669 --> 01:42:00,080

where i wasn't creeped out and i wasn't

2658

01:42:04,950 --> 01:42:01,679

i didn't feel threatened i just felt

2659

01:42:06,709 --> 01:42:04,960

like they were showing themselves to me

2660

01:42:07,669 --> 01:42:06,719

as almost like a

2661

01:42:11,109 --> 01:42:07,679

a

2662

01:42:12,790 --> 01:42:11,119

consoling kind of thing

2663

01:42:16,070 --> 01:42:12,800

just think of this david like this is

2664

01:42:17,430 --> 01:42:16,080

our yoga room uh and and you can come to

2665

01:42:20,470 --> 01:42:17,440

this space

2666

01:42:21,830 --> 01:42:20,480

uh anytime that you want and uh talk to

2667

01:42:24,310 --> 01:42:21,840

nathan and i

2668

01:42:25,270 --> 01:42:24,320

and uh and let it out there and we will

2669

01:42:27,189 --> 01:42:25,280

welcome

2670

01:42:29,350 --> 01:42:27,199

you to have you on here

2671

01:42:32,070 --> 01:42:29,360

and talk about it it's uh

2672

01:42:34,229 --> 01:42:32,080

it's a beautiful thing um it's not an ex

2673

01:42:36,790 --> 01:42:34,239

it's an experience that a lot of us

2674

01:42:38,870 --> 01:42:36,800

think would be great and some people do

2675

01:42:41,669 --> 01:42:38,880

have some great experiences and some

2676
01:42:42,470 --> 01:42:41,679
people have horrific experiences for

2677
01:42:44,550 --> 01:42:42,480
example

2678
01:42:46,550 --> 01:42:44,560
um

2679
01:42:49,750 --> 01:42:46,560
correct me if i'm wrong nathan chris

2680
01:42:53,270 --> 01:42:49,760
bledsoe said he was healed during his

2681
01:42:56,470 --> 01:42:53,280
first interaction of crohn's disease yet

2682
01:42:58,629 --> 01:42:56,480
anjali spent six hours and said that

2683
01:43:00,950 --> 01:42:58,639
she's not healed yeah

2684
01:43:02,950 --> 01:43:00,960
yeah no it's a mixed bag for sure yeah

2685
01:43:05,350 --> 01:43:02,960
it's it's a very mixed bag i don't think

2686
01:43:07,669 --> 01:43:05,360
they're all the same beings and if

2687
01:43:09,430 --> 01:43:07,679
anjali said as much she said there are

2688
01:43:10,550 --> 01:43:09,440

some beings out there that are not as

2689

01:43:12,550 --> 01:43:10,560

benevolent

2690

01:43:15,270 --> 01:43:12,560

as the beings that uh that she's been

2691

01:43:17,350 --> 01:43:15,280

interacting with and uh the two that

2692

01:43:19,270 --> 01:43:17,360

left the council and then the other four

2693

01:43:22,830 --> 01:43:19,280

and i think that's what got our friend

2694

01:43:26,790 --> 01:43:22,840

uh lampy shout out to uh s a lamping

2695

01:43:28,790 --> 01:43:26,800

1947. um she was very upset by

2696

01:43:31,030 --> 01:43:28,800

uh knowing that there's something out

2697

01:43:31,910 --> 01:43:31,040

there that's uh ominous i would say

2698

01:43:34,070 --> 01:43:31,920

nathan

2699

01:43:35,270 --> 01:43:34,080

yeah you know if i could interject i

2700

01:43:36,709 --> 01:43:35,280

would say

2701

01:43:39,270 --> 01:43:36,719

not evil

2702

01:43:40,310 --> 01:43:39,280

but impartial hmm

2703

01:43:41,350 --> 01:43:40,320

they don't

2704

01:43:43,990 --> 01:43:41,360

care

2705

01:43:46,629 --> 01:43:44,000

yes it's on their it's their playing

2706

01:43:47,910 --> 01:43:46,639

field and you're just kind of like the

2707

01:43:50,229 --> 01:43:47,920

duke

2708

01:43:52,310 --> 01:43:50,239

almost like if an nba team played

2709

01:43:53,830 --> 01:43:52,320

against like a middle school basketball

2710

01:43:56,390 --> 01:43:53,840

team like

2711

01:43:59,109 --> 01:43:56,400

you're not even in the same league and

2712

01:44:01,590 --> 01:43:59,119

they know it and they just don't really

2713

01:44:03,430 --> 01:44:01,600

care it's not evil as much as it's just

2714

01:44:05,430 --> 01:44:03,440

like

2715

01:44:07,590 --> 01:44:05,440

you're not playing by your rules you're

2716

01:44:10,070 --> 01:44:07,600

playing by their rules and

2717

01:44:12,470 --> 01:44:10,080

yeah and uh and i just don't know it's

2718

01:44:14,709 --> 01:44:12,480

also confusing but if i can get

2719

01:44:16,870 --> 01:44:14,719

outside of my own experience and i just

2720

01:44:19,430 --> 01:44:16,880

try to just because i i just try to

2721

01:44:20,950 --> 01:44:19,440

hammer home i don't know what it all

2722

01:44:22,790 --> 01:44:20,960

means

2723

01:44:26,310 --> 01:44:22,800

i don't know if the dreams and the

2724

01:44:27,590 --> 01:44:26,320

voices correlate i don't know so i'm not

2725

01:44:30,149 --> 01:44:27,600

trying to speculate but if i can

2726

01:44:31,750 --> 01:44:30,159

speculate now i'll say that there's

2727

01:44:34,149 --> 01:44:31,760

multiple beings

2728

01:44:35,030 --> 01:44:34,159

there's a lot going on here i don't know

2729

01:44:36,470 --> 01:44:35,040

why

2730

01:44:38,709 --> 01:44:36,480

because you'll have a debunker it's

2731

01:44:40,470 --> 01:44:38,719

going to be like why why in the world

2732

01:44:43,270 --> 01:44:40,480

would there even be one much less

2733

01:44:44,390 --> 01:44:43,280

multiple i don't know dude i have no

2734

01:44:47,189 --> 01:44:44,400

idea

2735

01:44:49,350 --> 01:44:47,199

you know i wish i knew and maybe that's

2736

01:44:50,229 --> 01:44:49,360

where we're going with all of it

2737

01:44:52,950 --> 01:44:50,239

sure

2738

01:44:55,750 --> 01:44:52,960

i i i want to say for my part that the

2739

01:44:57,990 --> 01:44:55,760

nba versus middle school team actually

2740

01:45:00,790 --> 01:44:58,000

happened last year when kevin durant was

2741

01:45:03,510 --> 01:45:00,800

healthy uh kyrie irving and james harden

2742

01:45:05,030 --> 01:45:03,520

and they were beating teams by 30 until

2743

01:45:07,109 --> 01:45:05,040

one of the two three of them would get

2744

01:45:08,950 --> 01:45:07,119

injured so anyway so we did get to see

2745

01:45:12,390 --> 01:45:08,960

that maybe it was the memphis grizzlies

2746

01:45:14,709 --> 01:45:12,400

just kidding memphis calm down okay

2747

01:45:18,870 --> 01:45:14,719

um no but david i think uh you know to

2748

01:45:20,390 --> 01:45:18,880

kind of bring it to a close uh today

2749

01:45:22,310 --> 01:45:20,400

you know it's

2750

01:45:24,950 --> 01:45:22,320

the timing means something you know i

2751

01:45:26,870 --> 01:45:24,960

think there's a reason why uh you know

2752

01:45:28,390 --> 01:45:26,880

now is the time to tell this story

2753

01:45:30,390 --> 01:45:28,400

there's a reason why we're hearing more

2754

01:45:31,109 --> 01:45:30,400

stories being told

2755

01:45:33,669 --> 01:45:31,119

and

2756

01:45:36,310 --> 01:45:33,679

that reason may not be clear yet but it

2757

01:45:38,070 --> 01:45:36,320

may become clear and i think your

2758

01:45:41,189 --> 01:45:38,080

courage to come forward will encourage

2759

01:45:44,629 --> 01:45:41,199

others to come forward and and and that

2760

01:45:47,270 --> 01:45:44,639

has a accumulative uh power

2761

01:45:49,350 --> 01:45:47,280

that you know will lead to something so

2762

01:45:51,270 --> 01:45:49,360

and i don't know what but i i again i

2763

01:45:53,109 --> 01:45:51,280

want to thank you for for

2764

01:45:54,470 --> 01:45:53,119

being willing to share this story in the

2765

01:45:55,830 --> 01:45:54,480

way that you have and

2766

01:45:57,590 --> 01:45:55,840

and i hope we get a chance to chat with

2767

01:45:59,990 --> 01:45:57,600

you again

2768

01:46:01,750 --> 01:46:00,000

uh yeah i mean let me know i think i've

2769

01:46:04,790 --> 01:46:01,760

just absolutely

2770

01:46:06,310 --> 01:46:04,800

mentally vomited everything that

2771

01:46:08,709 --> 01:46:06,320

happened to me

2772

01:46:12,149 --> 01:46:08,719

so i don't know what more there is to

2773

01:46:15,750 --> 01:46:12,159

say and and diving into all of it is

2774

01:46:18,070 --> 01:46:15,760

clearly like triggering and not a good

2775

01:46:21,350 --> 01:46:18,080

place for me to be mentally

2776

01:46:23,270 --> 01:46:21,360

um but you know i'm always down to chat

2777

01:46:25,990 --> 01:46:23,280

with somebody about it

2778

01:46:29,189 --> 01:46:26,000

you know um and and like you said i do

2779

01:46:31,510 --> 01:46:29,199

agree that part of why i did it is is to

2780

01:46:35,189 --> 01:46:31,520

encourage more people even if you just

2781

01:46:38,870 --> 01:46:35,199

saw an orb or just a triangle

2782

01:46:42,149 --> 01:46:38,880

or or a ghost or something like just

2783

01:46:45,750 --> 01:46:42,159

this does seem to be the time that that

2784

01:46:49,109 --> 01:46:45,760

you know pushback needs to occur

2785

01:46:50,470 --> 01:46:49,119

um because i don't know what lou's up to

2786

01:46:53,430 --> 01:46:50,480

but i like it

2787

01:46:55,510 --> 01:46:53,440

i don't know where this is going but i

2788

01:46:56,790 --> 01:46:55,520

hope that it's going in the direction

2789

01:47:01,350 --> 01:46:56,800

where

2790

01:47:03,669 --> 01:47:01,360

the general public i don't tell my story

2791

01:47:05,590 --> 01:47:03,679

yeah but we do need to start wrapping

2792

01:47:08,629 --> 01:47:05,600

our heads around the fact that this

2793

01:47:09,910 --> 01:47:08,639

isn't chinese drones that's right some

2794

01:47:12,550 --> 01:47:09,920

of it may be

2795

01:47:13,669 --> 01:47:12,560

but i don't think all of it is

2796

01:47:14,550 --> 01:47:13,679

let me

2797

01:47:16,550 --> 01:47:14,560

let's

2798

01:47:18,709 --> 01:47:16,560

let me give you an example of the kind

2799

01:47:20,870 --> 01:47:18,719

of inspiration that you and people like

2800

01:47:23,590 --> 01:47:20,880

you have provided

2801

01:47:25,669 --> 01:47:23,600

i had a chat uh

2802

01:47:28,629 --> 01:47:25,679

online with uh somebody that's coming on

2803

01:47:30,870 --> 01:47:28,639

our show named troy broskovitz he's a

2804

01:47:32,709 --> 01:47:30,880

former pilot from special operations

2805

01:47:35,109 --> 01:47:32,719

somebody that i flew with

2806

01:47:37,189 --> 01:47:35,119

somebody that was a leader of mine

2807

01:47:38,790 --> 01:47:37,199

someone i hold in high regard

2808

01:47:39,750 --> 01:47:38,800

i would never

2809

01:47:44,790 --> 01:47:39,760

ever

2810

01:47:47,430 --> 01:47:44,800

in front of him

2811

01:47:49,590 --> 01:47:47,440

and even now we're gonna

2812

01:47:51,270 --> 01:47:49,600

he's gonna know about my experience he's

2813

01:47:52,790 --> 01:47:51,280

going to come on the air with nathan and

2814

01:47:54,950 --> 01:47:52,800

i and chris lato

2815

01:47:58,629 --> 01:47:54,960

and that would not have happened except

2816

01:48:01,350 --> 01:47:58,639

for i feel bolder i'm emboldened

2817

01:48:03,990 --> 01:48:01,360

because of people like yourself

2818

01:48:05,270 --> 01:48:04,000

so that's what the effect is so i want

2819

01:48:06,870 --> 01:48:05,280

to thank you

2820

01:48:08,390 --> 01:48:06,880

and um

2821

01:48:10,070 --> 01:48:08,400

we're here for you and we really do

2822

01:48:12,470 --> 01:48:10,080

appreciate your time

2823

01:48:14,709 --> 01:48:12,480

people before me doing it you know yeah

2824

01:48:17,430 --> 01:48:14,719

i mean i just i do feel like there's

2825

01:48:18,709 --> 01:48:17,440

like a domino effect happening

2826

01:48:22,070 --> 01:48:18,719

no doubt

2827

01:48:24,709 --> 01:48:22,080

david fravor uh inspired me you know

2828

01:48:27,750 --> 01:48:24,719

many people but i can tell but i've even

2829

01:48:30,149 --> 01:48:27,760

like i like i said even though i came

2830

01:48:33,510 --> 01:48:30,159

out with the story my story

2831

01:48:36,950 --> 01:48:33,520

after david fravor i don't know that

2832

01:48:38,870 --> 01:48:36,960

two weeks ago even i would have called

2833

01:48:41,669 --> 01:48:38,880

troy broskowitz and said hey troy we'd

2834

01:48:44,310 --> 01:48:41,679

like you to come on air and talk about

2835

01:48:46,390 --> 01:48:44,320

aviation and related to ufos

2836

01:48:48,390 --> 01:48:46,400

and that will probably wouldn't have

2837

01:48:51,109 --> 01:48:48,400

happened but i'm inspired by people that

2838

01:48:54,229 --> 01:48:51,119

are coming out and talking so

2839

01:48:55,910 --> 01:48:54,239

thank you so much um seriously it just

2840

01:48:58,070 --> 01:48:55,920

occurred to me that it's more than just

2841

01:49:00,149 --> 01:48:58,080

the three of us

2842

01:49:02,950 --> 01:49:00,159

that's right yes we're on youtube right

2843

01:49:05,189 --> 01:49:02,960

now so uh thank you i want to say so let

2844

01:49:07,350 --> 01:49:05,199

me just say a couple things before we

2845

01:49:10,870 --> 01:49:07,360

let nathan go and then we're going to

2846

01:49:14,149 --> 01:49:10,880

make our uh memorial to kevin p

2847

01:49:17,910 --> 01:49:14,159

childress the retired doe special agent

2848

01:49:20,870 --> 01:49:17,920

whom we lost out of ufo hashtag ufo

2849

01:49:23,350 --> 01:49:20,880

twitter i want to say i love you guys

2850

01:49:25,510 --> 01:49:23,360

um i realized that we do have some

2851

01:49:27,589 --> 01:49:25,520

scraps and some arguments there you can

2852

01:49:28,790 --> 01:49:27,599

just see what david just there showing a

2853

01:49:31,189 --> 01:49:28,800

peace sign

2854

01:49:32,709 --> 01:49:31,199

um please treat him and his story with

2855

01:49:35,430 --> 01:49:32,719

love and respect

2856

01:49:38,390 --> 01:49:35,440

and i really appreciate

2857

01:49:41,030 --> 01:49:38,400

what this community has given to my life

2858

01:49:42,470 --> 01:49:41,040

so for david p lanier

2859

01:49:44,470 --> 01:49:42,480

for nathan

2860

01:49:47,589 --> 01:49:44,480

away soul on

2861

01:49:48,790 --> 01:49:47,599

ufo twitter this is dj san marco saying
