14

00:01:07,990 --> 00:01:05,280

that's awesome that might be my favorite

15

00:01:09,190 --> 00:01:08,000

my most favorite intro ever

16

00:01:14,710 --> 00:01:09,200

yes

17

00:01:16,149 --> 00:01:14,720

right i just want to sing a song for you

18

00:01:17,670 --> 00:01:16,159

girlfriend

19

00:01:20,469 --> 00:01:17,680

how you doing

20

00:01:23,350 --> 00:01:20,479

i'm doing i'm doing awesome now yeah

21

00:01:25,270 --> 00:01:23,360

yeah the og for sure because it's it's

22

00:01:27,910 --> 00:01:25,280

not you a pj and that's what i always

23

00:01:29,910 --> 00:01:27,920

say and it never will be so i was i

24

00:01:31,429 --> 00:01:29,920

that's proof i was here

25

00:01:33,510 --> 00:01:31,439

i was i've been here i've been around

26

00:01:35,030 --> 00:01:33,520

for a little while you know before

27

00:01:37,510 --> 00:01:35,040

before it was popular you know

28

00:01:39,590 --> 00:01:37,520

absolutely exactly talking to fools like

29

00:01:41,910 --> 00:01:39,600

me who just come around and you're in

30

00:01:44,630 --> 00:01:41,920

the conversation you nothing you just

31

00:01:47,030 --> 00:01:44,640

got on the block well hey the thing is

32

00:01:49,190 --> 00:01:47,040

that i i have to you know we all have

33

00:01:51,350 --> 00:01:49,200

our own you know little things and so

34

00:01:53,590 --> 00:01:51,360

i'm just gonna yeah i'm gonna be the

35

00:01:56,630 --> 00:01:53,600

the old the old folk you know on the

36

00:01:58,709 --> 00:01:56,640

block you know that's my thing right so

37

00:02:01,510 --> 00:01:58,719

i'm gonna you know you guys don't you

38

00:02:03,670 --> 00:02:01,520

guys don't know about you know about the

39

00:02:05,190 --> 00:02:03,680

back in my day and stuff right you back

40

00:02:11,589 --> 00:02:05,200

in my date somebody yet because you

41

00:02:15,670 --> 00:02:14,229

right exactly i haven't changed now i

42

00:02:19,670 --> 00:02:15,680

got a lot yeah

43

00:02:21,990 --> 00:02:19,680

or i have a similar amount but

44

00:02:23,589 --> 00:02:22,000

i've been able to you know report on you

45

00:02:27,750 --> 00:02:23,599

the whole time so that's pretty awesome

46

00:02:31,110 --> 00:02:29,270

yeah yeah yeah yeah as you can see my

47

00:02:33,350 --> 00:02:31,120

thing is acting like a fool i'm actually

48

00:02:34,309 --> 00:02:33,360

quite adept at it uh i've had a lot of

49

00:02:37,350 --> 00:02:34,319

practice

50

00:02:39,750 --> 00:02:37,360

um so but no all kidding aside i'm gonna

51
00:02:44,309 --> 00:02:39,760
get serious now i want you guys to know

52
00:02:45,910 --> 00:02:44,319
this is a serious ufo program so serious

53
00:02:47,350 --> 00:02:45,920
and that just shows it i proved it right

54
00:02:48,869 --> 00:02:47,360
there

55
00:02:49,910 --> 00:02:48,879
okay

56
00:02:51,830 --> 00:02:49,920
yeah one thing you need to know about

57
00:02:53,910 --> 00:02:51,840
our show jane is that uh

58
00:02:55,509 --> 00:02:53,920
on our show i'm the latte and dj is the

59
00:02:56,630 --> 00:02:55,519
pumpkin spice

60
00:02:58,229 --> 00:02:56,640
so

61
00:02:59,190 --> 00:02:58,239
that's just how it works around here

62
00:03:03,110 --> 00:02:59,200
yeah

63
00:03:05,030 --> 00:03:03,120

get serious though nathan did i get

64

00:03:08,470 --> 00:03:05,040

serious when we were talking about

65

00:03:09,509 --> 00:03:08,480

rather's boy mickey uh west oh man i

66

00:03:11,430 --> 00:03:09,519

think you're super

67

00:03:14,390 --> 00:03:11,440

too serious

68

00:03:15,509 --> 00:03:14,400

not too soon no i meant you know i i can

69

00:03:17,589 --> 00:03:15,519

be serious but i think there's an

70

00:03:19,509 --> 00:03:17,599

appropriate time for everything and

71

00:03:21,190 --> 00:03:19,519

there is no topic

72

00:03:23,830 --> 00:03:21,200

that i could talk about that i wouldn't

73

00:03:25,509 --> 00:03:23,840

want to include some level of levity

74

00:03:27,350 --> 00:03:25,519

otherwise why am i doing it i might as

75

00:03:30,550 --> 00:03:27,360

well go cut the grass exactly i don't

76

00:03:32,470 --> 00:03:30,560

have grass but anyway um ufo jane uh

77

00:03:34,710 --> 00:03:32,480

it's a pleasure to have you man yeah and

78

00:03:36,630 --> 00:03:34,720

honorable thanks for having me yes it is

79

00:03:40,149 --> 00:03:36,640

an honor to have you uh there are so

80

00:03:43,670 --> 00:03:40,159

many topics that are going on uh uh an

81

00:03:46,390 --> 00:03:43,680

anjali update ross coltard's interview

82

00:03:48,789 --> 00:03:46,400

nathan i guarantee is super duper

83

00:03:50,470 --> 00:03:48,799

prepared and i'm gonna kind of go i

84

00:03:52,550 --> 00:03:50,480

don't i don't know that i am you guys

85

00:03:55,910 --> 00:03:52,560

might have to fill me in on

86

00:03:57,910 --> 00:03:55,920

some of the news but i'll i'll react

87

00:03:59,509 --> 00:03:57,920

you know what uh i i i suspect word

88

00:04:01,589 --> 00:03:59,519

nathan's gonna wanna go and he's going

89

00:04:04,390 --> 00:04:01,599

to say this more intelligently than i

90

00:04:07,030 --> 00:04:04,400

would but can you like sort of uh take

91

00:04:09,350 --> 00:04:07,040

us uh you know how you became involved

92

00:04:12,869 --> 00:04:09,360

and what made you become shall we say

93

00:04:17,909 --> 00:04:15,110

yes so i

94

00:04:19,909 --> 00:04:17,919

did not see anything growing up i didn't

95

00:04:22,310 --> 00:04:19,919

really think about

96

00:04:25,430 --> 00:04:22,320

aliens being a real thing growing up

97

00:04:27,350 --> 00:04:25,440

just you know watched movies i i was a

98

00:04:30,230 --> 00:04:27,360

really curious

99

00:04:32,310 --> 00:04:30,240

kid though so i do remember always

100

00:04:33,670 --> 00:04:32,320

thinking outside the box and feeling a

101
00:04:35,749 --> 00:04:33,680
little bit different

102
00:04:37,909 --> 00:04:35,759
and kind of lost in my own brain a lot

103
00:04:40,390 --> 00:04:37,919
growing up so it's kind of now thinking

104
00:04:42,710 --> 00:04:40,400
back and like why didn't i get to why

105
00:04:45,350 --> 00:04:42,720
didn't i get to the alien

106
00:04:47,909 --> 00:04:45,360
theory growing up you know uh so what

107
00:04:49,670 --> 00:04:47,919
happened though i had

108
00:04:53,430 --> 00:04:49,680
a journalism degree

109
00:04:56,629 --> 00:04:53,440
from ut austin you know here nearby and

110
00:04:59,990 --> 00:04:56,639
i was blogging about movie reviews and

111
00:05:01,510 --> 00:05:00,000
fashion and all those safe to write

112
00:05:05,590 --> 00:05:01,520
about things

113
00:05:08,950 --> 00:05:05,600

and i met a guy we started dating

114

00:05:11,029 --> 00:05:08,960

and he was the one who introduced me to

115

00:05:13,270 --> 00:05:11,039

ufos i mean obviously i knew what a ufo

116

00:05:15,670 --> 00:05:13,280

was but it was just that word to me it

117

00:05:17,430 --> 00:05:15,680

was this blank part of

118

00:05:18,550 --> 00:05:17,440

the cosmos i guess

119

00:05:19,749 --> 00:05:18,560

and

120

00:05:24,629 --> 00:05:19,759

so

121

00:05:26,390 --> 00:05:24,639

introduced me to everything i mean i

122

00:05:29,430 --> 00:05:26,400

think just like anybody

123

00:05:31,270 --> 00:05:29,440

who's into this field knows is once you

124

00:05:33,909 --> 00:05:31,280

discover that all of this is real you

125

00:05:37,430 --> 00:05:33,919

can't really undiscover that and so you

126
00:05:39,990 --> 00:05:37,440
know i mean i had a skill set i i liked

127
00:05:42,870 --> 00:05:40,000
writing and it's like how do you

128
00:05:44,150 --> 00:05:42,880
go blogging about like celebrity fashion

129
00:05:45,270 --> 00:05:44,160
trends

130
00:05:47,830 --> 00:05:45,280
when

131
00:05:48,790 --> 00:05:47,840
ufos are showing up in your own home

132
00:05:51,110 --> 00:05:48,800
state

133
00:05:53,749 --> 00:05:51,120
and none of the local i mean there were

134
00:05:55,749 --> 00:05:53,759
some good there's definitely been some

135
00:05:57,189 --> 00:05:55,759
local coverage for sure there's

136
00:05:59,350 --> 00:05:57,199
different journalists for example that

137
00:06:00,950 --> 00:05:59,360
will regularly reach out to me when

138
00:06:03,670 --> 00:06:00,960

there's a sighting so it's not that it's

139

00:06:06,629 --> 00:06:03,680

a total blackout but i mean pretty much

140

00:06:07,670 --> 00:06:06,639

there was no reporting going on of ufos

141

00:06:09,990 --> 00:06:07,680

that were

142

00:06:11,590 --> 00:06:10,000

being seen here in texas all the time

143

00:06:14,070 --> 00:06:11,600

and so i just kind of started

144

00:06:16,070 --> 00:06:14,080

organically reporting on it

145

00:06:17,189 --> 00:06:16,080

looking at twitter looking at youtube

146

00:06:19,749 --> 00:06:17,199

mufon

147

00:06:22,469 --> 00:06:19,759

national ufo reporting outlet all that

148

00:06:24,469 --> 00:06:22,479

and archiving and documenting it

149

00:06:26,230 --> 00:06:24,479

on the web and eventually people then

150

00:06:28,309 --> 00:06:26,240

started to reach out to me with their

151

00:06:31,189 --> 00:06:28,319

own sightings and so it started to just

152

00:06:33,029 --> 00:06:31,199

snowball you know into what it is today

153

00:06:35,189 --> 00:06:33,039

so that's yeah that's pretty much how

154

00:06:37,110 --> 00:06:35,199

i'm here incredible

155

00:06:39,110 --> 00:06:37,120

i mean that said that has to be like

156

00:06:40,629 --> 00:06:39,120

quite a journey from kind of just

157

00:06:42,870 --> 00:06:40,639

getting into it and then just watching

158

00:06:45,029 --> 00:06:42,880

it grow and grow and grow i mean what

159

00:06:47,110 --> 00:06:45,039

was it like for you when you know you're

160

00:06:48,629 --> 00:06:47,120

just sitting around one day in 2017 and

161

00:06:50,790 --> 00:06:48,639

this article hits the new york times and

162

00:06:52,710 --> 00:06:50,800

we were you kind of like finally like

163

00:06:54,390 --> 00:06:52,720

more people were paying attention or you

164

00:06:55,749 --> 00:06:54,400

know what was the reaction that they had

165

00:06:58,950 --> 00:06:55,759

there

166

00:07:01,110 --> 00:06:58,960

oh yeah it was a super big deal and

167

00:07:04,390 --> 00:07:01,120

i can't say it was unanticipated though

168

00:07:06,309 --> 00:07:04,400

so i wouldn't have gone into this

169

00:07:08,629 --> 00:07:06,319

because we didn't think

170

00:07:10,790 --> 00:07:08,639

you know like my family and you didn't

171

00:07:13,670 --> 00:07:10,800

think that this was gonna end up

172

00:07:15,430 --> 00:07:13,680

somewhere so it was very clear to

173

00:07:17,430 --> 00:07:15,440

me

174

00:07:19,990 --> 00:07:17,440

and the guy dating who turned into my

175

00:07:21,029 --> 00:07:20,000

husband is very clear to me

176

00:07:27,670 --> 00:07:21,039

that

177

00:07:29,589 --> 00:07:27,680

we had been going through this process

178

00:07:31,909 --> 00:07:29,599

for a long time

179

00:07:34,070 --> 00:07:31,919

as humans you know probably even before

180

00:07:36,390 --> 00:07:34,080

roswell so that that was clear and so

181

00:07:37,990 --> 00:07:36,400

your own the only inevitable conclusion

182

00:07:40,150 --> 00:07:38,000

you come to is that well this is gonna

183

00:07:41,990 --> 00:07:40,160

the truth is gonna come out there's

184

00:07:45,430 --> 00:07:42,000

nothing really new under the sun right

185

00:07:47,110 --> 00:07:45,440

and this will be a new story and this

186

00:07:49,430 --> 00:07:47,120

probably a political news story probably

187

00:07:51,110 --> 00:07:49,440

a divisive news story and so

188

00:07:53,110 --> 00:07:51,120

i kind of thought as a mom i was like

189

00:07:54,790 --> 00:07:53,120

well should i even report on something

190

00:07:57,189 --> 00:07:54,800

that clearly the government doesn't want

191

00:07:59,110 --> 00:07:57,199

me to report on i mean just i remember

192

00:08:01,350 --> 00:07:59,120

sometimes looking at ip addresses and it

193

00:08:03,350 --> 00:08:01,360

was like the defense department early on

194

00:08:06,629 --> 00:08:03,360

and i would get real spooked out you

195

00:08:08,309 --> 00:08:06,639

know about stuff like that um especially

196

00:08:10,869 --> 00:08:08,319

later i remember going through some like

197

00:08:12,950 --> 00:08:10,879

not wikileaks but some yeah maybe some

198

00:08:14,230 --> 00:08:12,960

something from wikileaks and

199

00:08:16,309 --> 00:08:14,240

hearing some

200

00:08:17,670 --> 00:08:16,319

reading some email chat or discussing

201

00:08:20,469 --> 00:08:17,680

you know different

202

00:08:22,150 --> 00:08:20,479

triangle ufos you know and that that's

203

00:08:24,469 --> 00:08:22,160

one of the main things you know i've

204

00:08:26,070 --> 00:08:24,479

been reporting on all these years

205

00:08:28,469 --> 00:08:26,080

it says kind of this weird thing where

206

00:08:30,070 --> 00:08:28,479

i'm reporting on this thing that's fake

207

00:08:32,469 --> 00:08:30,080

to most people

208

00:08:33,829 --> 00:08:32,479

and it's on the fringe but i kind of

209

00:08:36,389 --> 00:08:33,839

live in that

210

00:08:37,990 --> 00:08:36,399

anonymous world a bit

211

00:08:40,630 --> 00:08:38,000

and

212

00:08:42,790 --> 00:08:40,640

but knowing that that would be over

213

00:08:45,590 --> 00:08:42,800

and that and so there was i just knew

214

00:08:47,590 --> 00:08:45,600

there was a limited window to research

215

00:08:50,070 --> 00:08:47,600

and learn and educate myself and educate

216

00:08:51,910 --> 00:08:50,080

others and for me even though yeah my

217

00:08:55,030 --> 00:08:51,920

hunches and aliens are out there and are

218

00:08:57,190 --> 00:08:55,040

visiting my goal really isn't so much

219

00:08:59,030 --> 00:08:57,200

uh to convince anybody to believe a

220

00:09:01,590 --> 00:08:59,040

particular thing but just to get them to

221

00:09:03,990 --> 00:09:01,600

think for themselves be educated but

222

00:09:07,910 --> 00:09:04,000

really more than anything just not freak

223

00:09:09,269 --> 00:09:07,920

out when this becomes a major news story

224

00:09:10,710 --> 00:09:09,279

that's something you really can't

225

00:09:12,630 --> 00:09:10,720

control because it's really going to be

226

00:09:14,389 --> 00:09:12,640

based on how they grew up what their

227

00:09:16,550 --> 00:09:14,399

belief system is because what's

228

00:09:18,389 --> 00:09:16,560

interesting uh harking back to something

229

00:09:19,910 --> 00:09:18,399

you said a little earlier is that once

230

00:09:21,750 --> 00:09:19,920

you learned about you said how could you

231

00:09:23,910 --> 00:09:21,760

not know about it and want to find out

232

00:09:26,550 --> 00:09:23,920

the truth and study more but yet you'll

233

00:09:28,550 --> 00:09:26,560

encounter people like alex dietrich and

234

00:09:30,949 --> 00:09:28,560

and and dave framer and others that have

235

00:09:32,230 --> 00:09:30,959

encountered it that are aware of it and

236

00:09:34,550 --> 00:09:32,240

they're not really interested in

237

00:09:37,350 --> 00:09:34,560

studying it so it means like there's a

238

00:09:38,550 --> 00:09:37,360

there's a group of us but not everybody

239

00:09:40,070 --> 00:09:38,560

is as

240

00:09:41,430 --> 00:09:40,080

alex dietrich

241

00:09:43,750 --> 00:09:41,440

it's interesting though about alex

242

00:09:46,310 --> 00:09:43,760

dietrich because she says that

243

00:09:48,389 --> 00:09:46,320

i almost but you see her by the way and

244

00:09:51,030 --> 00:09:48,399

i didn't i never got it it didn't work

245

00:09:52,550 --> 00:09:51,040

out um i think afghanistan happened

246

00:09:54,630 --> 00:09:52,560

right when we were and i was about to

247

00:09:55,829 --> 00:09:54,640

interview her so it just didn't work out

248

00:09:56,949 --> 00:09:55,839

and she's consumed with much more

249

00:09:59,430 --> 00:09:56,959

important things

250

00:10:01,350 --> 00:09:59,440

but yeah she says that but then she's

251
00:10:04,230 --> 00:10:01,360
the she shows up on ufo twitter

252
00:10:05,910 --> 00:10:04,240
constantly right and she's posting ufo

253
00:10:06,710 --> 00:10:05,920
books and art

254
00:10:09,030 --> 00:10:06,720
and

255
00:10:11,509 --> 00:10:09,040
like okay so then what's going on here

256
00:10:14,710 --> 00:10:11,519
is she just pretending like she's not

257
00:10:16,470 --> 00:10:14,720
into this she just enjoys the community

258
00:10:18,630 --> 00:10:16,480
why would she enjoy the community if

259
00:10:21,190 --> 00:10:18,640
she's not into it

260
00:10:23,030 --> 00:10:21,200
so that that's interesting

261
00:10:25,269 --> 00:10:23,040
i wonder if if

262
00:10:27,030 --> 00:10:25,279
fraver and dietrich and what's

263
00:10:28,870 --> 00:10:27,040

interesting is i talked to gary voorhees

264

00:10:32,150 --> 00:10:28,880

who's the other tic-tac-ya-fa witness

265

00:10:34,069 --> 00:10:32,160

who's like total contrast right to those

266

00:10:34,870 --> 00:10:34,079

two just super down the rabbit hole like

267

00:10:36,949 --> 00:10:34,880

us

268

00:10:38,870 --> 00:10:36,959

i'm wondering what briefings they have

269

00:10:40,710 --> 00:10:38,880

had or not had or what they're

270

00:10:41,509 --> 00:10:40,720

predicting for the future because i

271

00:10:43,670 --> 00:10:41,519

think

272

00:10:45,269 --> 00:10:43,680

they know that it's okay to invest in

273

00:10:47,350 --> 00:10:45,279

this and to

274

00:10:48,710 --> 00:10:47,360

participate in this because if i think

275

00:10:50,230 --> 00:10:48,720

that they weren't interested and they

276

00:10:52,310 --> 00:10:50,240

didn't think that this was ets they

277

00:10:53,590 --> 00:10:52,320

would not be talking about it

278

00:10:55,430 --> 00:10:53,600

yeah

279

00:10:58,150 --> 00:10:55,440

that's a good assessment

280

00:11:00,470 --> 00:10:58,160

now fravor i think is more

281

00:11:01,750 --> 00:11:00,480

from i've not watched a ton of

282

00:11:04,710 --> 00:11:01,760

interviews with them

283

00:11:06,790 --> 00:11:04,720

but in my interview with gary voorhees

284

00:11:08,110 --> 00:11:06,800

um he's talking about how pilots

285

00:11:10,150 --> 00:11:08,120

have their own

286

00:11:12,310 --> 00:11:10,160

compartmentalizations and things that

287

00:11:13,910 --> 00:11:12,320

they know and don't know and their own

288

00:11:16,230 --> 00:11:13,920

worlds and then you know those on the

289

00:11:18,710 --> 00:11:16,240

ship i guess have you know have their

290

00:11:20,150 --> 00:11:18,720

own world and so there's a little bit of

291

00:11:22,310 --> 00:11:20,160

a separation

292

00:11:24,230 --> 00:11:22,320

and i don't want to i hate to say this

293

00:11:26,790 --> 00:11:24,240

because i don't mean no disrespect to

294

00:11:29,190 --> 00:11:26,800

anybody who served because especially

295

00:11:31,110 --> 00:11:29,200

somebody like me who's just really a

296

00:11:34,310 --> 00:11:31,120

chicken uh

297

00:11:36,790 --> 00:11:34,320

and um just need needs people to protect

298

00:11:38,230 --> 00:11:36,800

me so i mean no disrespect i appreciate

299

00:11:39,590 --> 00:11:38,240

everybody's service

300

00:11:42,710 --> 00:11:39,600

but i do think

301
00:11:43,829 --> 00:11:42,720
with disclosure coming we do have to

302
00:11:45,509 --> 00:11:43,839
confront

303
00:11:49,190 --> 00:11:45,519
that uh whether or not you're in the

304
00:11:51,110 --> 00:11:49,200
military um it doesn't make you

305
00:11:53,190 --> 00:11:51,120
the be-all know-wall of whether

306
00:11:55,190 --> 00:11:53,200
something happened or whether aliens are

307
00:11:57,030 --> 00:11:55,200
real and you have to accept that

308
00:11:59,430 --> 00:11:57,040
whatever your briefings are are going to

309
00:12:00,550 --> 00:11:59,440
be limited and wherever you are in the

310
00:12:01,590 --> 00:12:00,560
chain you have to accept that there's

311
00:12:03,509 --> 00:12:01,600
other people that are going to get

312
00:12:05,829 --> 00:12:03,519
different information than you and i

313
00:12:06,870 --> 00:12:05,839

think there's could potentially be a lot

314

00:12:08,790 --> 00:12:06,880

of

315

00:12:11,350 --> 00:12:08,800

insecurity and

316

00:12:13,110 --> 00:12:11,360

maybe even jealousy and competition

317

00:12:15,590 --> 00:12:13,120

between different groups and i think

318

00:12:16,790 --> 00:12:15,600

that can contribute to ufo denial

319

00:12:18,150 --> 00:12:16,800

because

320

00:12:20,470 --> 00:12:18,160

if you're in the military and you see

321

00:12:22,870 --> 00:12:20,480

ufo and they're telling you it's a

322

00:12:24,870 --> 00:12:22,880

weather balloon or they're telling you

323

00:12:26,389 --> 00:12:24,880

it's our own military craft

324

00:12:27,269 --> 00:12:26,399

you might want to believe that because

325

00:12:29,190 --> 00:12:27,279

you don't want to believe that you're

326

00:12:31,670 --> 00:12:29,200

being lied to and that some other person

327

00:12:34,069 --> 00:12:31,680

in the military they trust more

328

00:12:37,430 --> 00:12:34,079

to give that information and as i

329

00:12:38,870 --> 00:12:37,440

understand it the tic tac those ufos

330

00:12:41,190 --> 00:12:38,880

before fraver

331

00:12:43,110 --> 00:12:41,200

saw at least one those were being

332

00:12:45,430 --> 00:12:43,120

tracked already

333

00:12:47,990 --> 00:12:45,440

before and they were anticipated and him

334

00:12:49,829 --> 00:12:48,000

and alex dietrich were not looped into

335

00:12:51,910 --> 00:12:49,839

that so i think

336

00:12:53,990 --> 00:12:51,920

when we think about how why people don't

337

00:12:56,150 --> 00:12:54,000

want to talk about things it may not be

338

00:12:57,590 --> 00:12:56,160

because you're just not naturally as hu

339

00:12:59,190 --> 00:12:57,600

curious

340

00:13:00,470 --> 00:12:59,200

i think that's

341

00:13:02,470 --> 00:13:00,480

there's just

342

00:13:03,910 --> 00:13:02,480

i don't i just don't know that i've met

343

00:13:05,509 --> 00:13:03,920

a human being yet who have talked about

344

00:13:08,790 --> 00:13:05,519

this who isn't naturally curious about

345

00:13:12,470 --> 00:13:08,800

it i do meet people who are

346

00:13:14,150 --> 00:13:12,480

afraid to talk about it or embarrassed

347

00:13:16,069 --> 00:13:14,160

or things like that

348

00:13:17,590 --> 00:13:16,079

yeah i could tell you there's no way

349

00:13:20,870 --> 00:13:17,600

that i would have talked about it when i

350

00:13:23,269 --> 00:13:20,880

was flying because as i think i said on

351

00:13:24,710 --> 00:13:23,279

when i was on ucr with you that they

352

00:13:26,949 --> 00:13:24,720

would have said hey you don't need to go

353

00:13:28,790 --> 00:13:26,959

see the flight dock and by the way

354

00:13:31,030 --> 00:13:28,800

you're off the flying schedule but i

355

00:13:33,910 --> 00:13:31,040

actually us with regard to pilots

356

00:13:35,750 --> 00:13:33,920

because i am i'm a civilian pilot not a

357

00:13:37,910 --> 00:13:35,760

i was not a military pilot but i flew

358

00:13:40,790 --> 00:13:37,920

with military pilots and i'm gonna have

359

00:13:42,069 --> 00:13:40,800

on one who's not familiar with the topic

360

00:13:43,829 --> 00:13:42,079

and we had an hour and a half

361

00:13:46,470 --> 00:13:43,839

conversation about this

362

00:13:49,030 --> 00:13:46,480

his name's troy broskovitz he was air

363

00:13:51,189 --> 00:13:49,040

force special operations command pilot

364

00:13:52,710 --> 00:13:51,199

um someone highly skilled he actually

365

00:13:53,590 --> 00:13:52,720

was my classmate going through high

366

00:13:57,350 --> 00:13:53,600

school

367

00:13:59,590 --> 00:13:57,360

with chris lato and we're actually going

368

00:14:01,750 --> 00:13:59,600

to try to get another pilot on to kind

369

00:14:03,189 --> 00:14:01,760

of dig into that world and i could just

370

00:14:04,710 --> 00:14:03,199

tell you they don't

371

00:14:07,509 --> 00:14:04,720

know anything more that you know the

372

00:14:10,230 --> 00:14:07,519

only area of they they of expertise they

373

00:14:12,150 --> 00:14:10,240

have that nobody else has is when they

374

00:14:13,430 --> 00:14:12,160

see something in the air they know what

375

00:14:15,110 --> 00:14:13,440

they're looking at

376

00:14:17,030 --> 00:14:15,120

and what they're not looking for right

377

00:14:19,110 --> 00:14:17,040

totally people on ufo twitter that

378

00:14:20,629 --> 00:14:19,120

include mick west think that they know

379

00:14:22,870 --> 00:14:20,639

what they're looking at and what the

380

00:14:24,790 --> 00:14:22,880

systems are capable of and what the

381

00:14:27,189 --> 00:14:24,800

craft is capable of and they don't

382

00:14:29,750 --> 00:14:27,199

that's the only thing that they have

383

00:14:30,790 --> 00:14:29,760

that is different than everybody else i

384

00:14:33,509 --> 00:14:30,800

see this

385

00:14:34,150 --> 00:14:33,519

i'm trained i know what i'm looking at

386

00:14:35,670 --> 00:14:34,160

and

387

00:14:37,590 --> 00:14:35,680

that's the extent of it but as far as

388

00:14:39,590 --> 00:14:37,600

what you said the broader knowledge of

389

00:14:40,870 --> 00:14:39,600

what's out there or if they're be yeah

390

00:14:42,310 --> 00:14:40,880

they don't know anything more than

391

00:14:44,069 --> 00:14:42,320

anybody else then

392

00:14:45,910 --> 00:14:44,079

the researchers know that have spent

393

00:14:47,590 --> 00:14:45,920

years on this yeah

394

00:14:49,430 --> 00:14:47,600

well and i think it speaks to the fact

395

00:14:52,310 --> 00:14:49,440

that as well that everyone's kind of

396

00:14:54,389 --> 00:14:52,320

playing a part in this larger story

397

00:14:56,949 --> 00:14:54,399

right and so you've got people who have

398

00:14:59,030 --> 00:14:56,959

different aspects of this puzzle um the

399

00:14:59,910 --> 00:14:59,040

ufo community is sort of the one that is

400

00:15:02,069 --> 00:14:59,920

kind of

401
00:15:04,230 --> 00:15:02,079
taking these little nuggets and turning

402
00:15:05,189 --> 00:15:04,240
them over in in their hands and trying

403
00:15:07,189 --> 00:15:05,199
to

404
00:15:08,790 --> 00:15:07,199
you know see whatever the the pieces

405
00:15:10,389 --> 00:15:08,800
form you know what kind of what kind of

406
00:15:12,310 --> 00:15:10,399
picture is foreign from these different

407
00:15:14,389 --> 00:15:12,320
pieces of information but i think

408
00:15:15,030 --> 00:15:14,399
everybody has an important role to play

409
00:15:19,350 --> 00:15:15,040
and

410
00:15:21,350 --> 00:15:19,360
you know how i look at folks that i may

411
00:15:23,189 --> 00:15:21,360
not necessarily agree with you know

412
00:15:24,949 --> 00:15:23,199
maybe they have a viewpoint that i i may

413
00:15:26,710 --> 00:15:24,959

not it doesn't resonate with me or

414

00:15:28,310 --> 00:15:26,720

actually maybe have strongly disagree

415

00:15:31,189 --> 00:15:28,320

with it i still i still look at that

416

00:15:33,269 --> 00:15:31,199

from the lens of hey this is a piece of

417

00:15:35,910 --> 00:15:33,279

the larger story that we need to

418

00:15:37,829 --> 00:15:35,920

consider as we're forming our our

419

00:15:39,990 --> 00:15:37,839

picture and we need to take into account

420

00:15:41,030 --> 00:15:40,000

all of these different perspectives but

421

00:15:42,790 --> 00:15:41,040

jane i don't know what you think about

422

00:15:45,590 --> 00:15:42,800

that i mean you certainly hear a lot

423

00:15:47,269 --> 00:15:45,600

more yeah i mean i had nick west on and

424

00:15:49,430 --> 00:15:47,279

it i think people were expecting me to

425

00:15:51,030 --> 00:15:49,440

like spar with him and go after him and

426

00:15:52,790 --> 00:15:51,040

i really had no interest in doing that

427

00:15:54,550 --> 00:15:52,800

because he knows that all the time you

428

00:15:55,829 --> 00:15:54,560

know analyzing footage he's ready for

429

00:15:57,990 --> 00:15:55,839

that i didn't think we'd get anywhere

430

00:15:59,269 --> 00:15:58,000

with that so it was more just talking

431

00:16:01,829 --> 00:15:59,279

about um

432

00:16:03,430 --> 00:16:01,839

the load of motivations and predictions

433

00:16:06,150 --> 00:16:03,440

and things like that

434

00:16:07,590 --> 00:16:06,160

and the thing is like mick west keeps

435

00:16:11,590 --> 00:16:07,600

everybody on

436

00:16:14,069 --> 00:16:11,600

their toes so it does make i mean every

437

00:16:15,829 --> 00:16:14,079

it's almost like it's a little

438

00:16:18,230 --> 00:16:15,839

uh mick west

439

00:16:20,629 --> 00:16:18,240

like little devil you know on every ufo

440

00:16:22,310 --> 00:16:20,639

researcher's shoulder that's just like

441

00:16:24,310 --> 00:16:22,320

what would mick west say about this and

442

00:16:26,310 --> 00:16:24,320

how can you why is that a bad thing tell

443

00:16:28,710 --> 00:16:26,320

me why that's a bad thing is mick west

444

00:16:31,350 --> 00:16:28,720

stop stop being disclosed but but let me

445

00:16:33,910 --> 00:16:31,360

is mick west stop disclosure he only

446

00:16:35,829 --> 00:16:33,920

gets people to talk about ufos more to

447

00:16:37,670 --> 00:16:35,839

watch the videos more to dissect the

448

00:16:40,069 --> 00:16:37,680

evidence more to debate it he's done

449

00:16:41,030 --> 00:16:40,079

nothing to stop it in my opinion he's

450

00:16:46,150 --> 00:16:41,040

only

451

00:16:47,990 --> 00:16:46,160

every researcher tighten up

452

00:16:50,230 --> 00:16:48,000

you know their theories if you met let's

453

00:16:51,509 --> 00:16:50,240

say you have a piece of technology right

454

00:16:54,470 --> 00:16:51,519

like you

455

00:16:57,110 --> 00:16:54,480

if you're smart right you hire a team to

456

00:16:58,949 --> 00:16:57,120

try to break it and you know hack into

457

00:17:00,790 --> 00:16:58,959

it i've worked on websites that's what

458

00:17:02,150 --> 00:17:00,800

you do you try to you know you do a new

459

00:17:05,029 --> 00:17:02,160

release you

460

00:17:07,750 --> 00:17:05,039

stress test it yeah so if you just think

461

00:17:09,750 --> 00:17:07,760

of mick west as a stress test

462

00:17:12,230 --> 00:17:09,760

um there are people who i think are

463

00:17:14,390 --> 00:17:12,240

could be harmful to disclosure and i

464

00:17:16,470 --> 00:17:14,400

just don't think that he's one of them

465

00:17:19,510 --> 00:17:16,480

you know yet

466

00:17:21,669 --> 00:17:19,520

they could change

467

00:17:23,829 --> 00:17:21,679

he's kind of like a human algorithm

468

00:17:25,829 --> 00:17:23,839

right he's kind of uh you know he's he's

469

00:17:27,990 --> 00:17:25,839

throwing his perspective against

470

00:17:28,710 --> 00:17:28,000

everything that the community puts out

471

00:17:31,430 --> 00:17:28,720

there

472

00:17:32,710 --> 00:17:31,440

and because of that and and dj i know

473

00:17:34,070 --> 00:17:32,720

you've got some thoughts on this i know

474

00:17:34,870 --> 00:17:34,080

you want to get in on it but because of

475

00:17:36,710 --> 00:17:34,880

that

476

00:17:39,510 --> 00:17:36,720

uh whenever the

477

00:17:42,390 --> 00:17:39,520

uh the video that comes out that will be

478

00:17:43,909 --> 00:17:42,400

the end-all be-all you know like the the

479

00:17:46,150 --> 00:17:43,919

legit video

480

00:17:48,150 --> 00:17:46,160

like he you'll know like when he's on

481

00:17:50,310 --> 00:17:48,160

board when that happens like

482

00:17:52,070 --> 00:17:50,320

there's no discussion there's no more

483

00:17:52,870 --> 00:17:52,080

discussion

484

00:17:55,190 --> 00:17:52,880

no

485

00:17:56,950 --> 00:17:55,200

it doesn't require him to be real i'm

486

00:17:58,630 --> 00:17:56,960

not saying he's going to be the uh he's

487

00:18:01,990 --> 00:17:58,640

going to be the seal of approval but i

488

00:18:05,990 --> 00:18:04,150

i know it now no i understand that but

489

00:18:08,470 --> 00:18:06,000

if you can convince him

490

00:18:10,150 --> 00:18:08,480

uh that it's legitimate after all the

491

00:18:11,830 --> 00:18:10,160

all the hard work and the hoops that he

492

00:18:14,150 --> 00:18:11,840

jumps through to try to to try to

493

00:18:17,669 --> 00:18:14,160

disprove something then i think it has

494

00:18:19,590 --> 00:18:17,679

an extra air of validity for those that

495

00:18:21,590 --> 00:18:19,600

sympathize with his perspective and that

496

00:18:23,110 --> 00:18:21,600

that wouldn't be most of us in this in

497

00:18:24,470 --> 00:18:23,120

this room are in the community i think

498

00:18:26,230 --> 00:18:24,480

well let me say this first of all there

499

00:18:28,230 --> 00:18:26,240

are a lot to do

500

00:18:29,110 --> 00:18:28,240

somebody contacted me the other day and

501
00:18:32,310 --> 00:18:29,120
said

502
00:18:34,310 --> 00:18:32,320
hey can you uh i have a ufo video that i

503
00:18:36,150 --> 00:18:34,320
want to show you and i said you know

504
00:18:38,630 --> 00:18:36,160
i'll be honest with you i said

505
00:18:40,150 --> 00:18:38,640
i'm not that's not me i can't analyze

506
00:18:42,150 --> 00:18:40,160
the video and tell you if it's real

507
00:18:43,590 --> 00:18:42,160
that's mick west that i would forward

508
00:18:44,549 --> 00:18:43,600
that to midwest

509
00:18:46,710 --> 00:18:44,559
if you

510
00:18:49,590 --> 00:18:46,720
determine that it's real and i look at

511
00:18:51,669 --> 00:18:49,600
it or read an account of it and i can

512
00:18:54,549 --> 00:18:51,679
evaluate the aviation characteristics

513
00:18:56,789 --> 00:18:54,559

that's my expertise but not determining

514

00:18:59,350 --> 00:18:56,799

if it's real i'm sorry that is a super

515

00:19:01,750 --> 00:18:59,360

brilliant guy that's mick west

516

00:19:03,990 --> 00:19:01,760

but what i disagree with him on is i

517

00:19:06,630 --> 00:19:04,000

think he's intellectually dishonest in

518

00:19:08,710 --> 00:19:06,640

his approach i think he's proven that in

519

00:19:11,110 --> 00:19:08,720

the interviews when he's had lou on his

520

00:19:12,549 --> 00:19:11,120

show the way he responded to

521

00:19:14,870 --> 00:19:12,559

lou's retorts

522

00:19:17,029 --> 00:19:14,880

with the evidence that brew

523

00:19:19,430 --> 00:19:17,039

lou brought to the table i think he was

524

00:19:22,230 --> 00:19:19,440

like that with chris lato and i think he

525

00:19:24,310 --> 00:19:22,240

pretends to be an impartial jurist when

526

00:19:26,549 --> 00:19:24,320

in fact he's not if you want to see an

527

00:19:29,110 --> 00:19:26,559

impartial jurist then go look at is

528

00:19:31,350 --> 00:19:29,120

stephen cambion that is an actual

529

00:19:33,669 --> 00:19:31,360

skeptic who's coming at this from an

530

00:19:36,150 --> 00:19:33,679

honest perspective mick is not and

531

00:19:38,870 --> 00:19:36,160

that's and he also

532

00:19:40,549 --> 00:19:38,880

he says to people chad underwood you

533

00:19:42,630 --> 00:19:40,559

didn't fly you made mistakes and you're

534

00:19:45,029 --> 00:19:42,640

flying you made mistakes in your

535

00:19:47,510 --> 00:19:45,039

operation of the athlear sensor and i've

536

00:19:49,110 --> 00:19:47,520

explained to nathan ad nauseam and the

537

00:19:51,110 --> 00:19:49,120

pilots will probably explain it on our

538

00:19:54,230 --> 00:19:51,120

podcast better than i can

539

00:19:57,510 --> 00:19:54,240

he has absolutely zero

540

00:20:00,310 --> 00:19:57,520

credential to say i have zero credential

541

00:20:02,470 --> 00:20:00,320

to say that any pilot from a weapon

542

00:20:04,710 --> 00:20:02,480

system that i i'm not flying and

543

00:20:06,549 --> 00:20:04,720

qualified on

544

00:20:09,110 --> 00:20:06,559

that he's flying it incorrectly or made

545

00:20:11,510 --> 00:20:09,120

mistakes does that mean people don't

546

00:20:13,430 --> 00:20:11,520

that these guys don't make mistakes okay

547

00:20:16,870 --> 00:20:13,440

the airplane i flew on they built only

548

00:20:20,470 --> 00:20:16,880

24 compared to we have 180 some odd

549

00:20:23,029 --> 00:20:20,480

f-16s they built 24 of the airplanes

550

00:20:25,190 --> 00:20:23,039

that i flew on we crashed four every

551
00:20:26,870 --> 00:20:25,200
single one of them was the fault of the

552
00:20:30,070 --> 00:20:26,880
crew

553
00:20:32,950 --> 00:20:30,080
so yes we make mistakes what mick is not

554
00:20:35,110 --> 00:20:32,960
qualified on a 41 second video to tell

555
00:20:37,190 --> 00:20:35,120
chad underwood because he's not a flight

556
00:20:39,350 --> 00:20:37,200
instructor on fa18 and he's not a flight

557
00:20:42,390 --> 00:20:39,360
examiner so he's intellectually

558
00:20:43,590 --> 00:20:42,400
dishonest and he's overly critical

559
00:20:44,950 --> 00:20:43,600
without

560
00:20:46,710 --> 00:20:44,960
so his credit

561
00:20:48,870 --> 00:20:46,720
his credibility goes in the toilet when

562
00:20:50,549 --> 00:20:48,880
he does that he looks like an idiot

563
00:20:52,310 --> 00:20:50,559

saying that when you you don't know what

564

00:20:54,630 --> 00:20:52,320

you're talking about right he should

565

00:20:55,990 --> 00:20:54,640

stick to the stuff that he knows yeah

566

00:20:58,310 --> 00:20:56,000

and you know

567

00:21:01,110 --> 00:20:58,320

right absolutely and and like all roads

568

00:21:02,630 --> 00:21:01,120

don't have to lead to mick west right so

569

00:21:04,950 --> 00:21:02,640

there's a lot of other perspectives in

570

00:21:06,470 --> 00:21:04,960

the community too that are skeptical and

571

00:21:07,750 --> 00:21:06,480

i think that

572

00:21:09,110 --> 00:21:07,760

you know jane i don't know what your

573

00:21:10,710 --> 00:21:09,120

thoughts on this are but i think it has

574

00:21:13,029 --> 00:21:10,720

to be a community that welcomes

575

00:21:15,110 --> 00:21:13,039

perspective you know it has to welcome

576

00:21:16,310 --> 00:21:15,120

different perspective and because it's

577

00:21:18,710 --> 00:21:16,320

those different perspectives that are

578

00:21:20,950 --> 00:21:18,720

going to challenge all of us to really

579

00:21:22,950 --> 00:21:20,960

refine our thinking and and be

580

00:21:24,789 --> 00:21:22,960

uh more honest with you know challenge

581

00:21:27,270 --> 00:21:24,799

our beliefs right and so we need to make

582

00:21:30,390 --> 00:21:27,280

sure that the table is set for a wide

583

00:21:31,830 --> 00:21:30,400

variety of opinions and and perspectives

584

00:21:34,070 --> 00:21:31,840

on that but jane i don't know what you

585

00:21:36,070 --> 00:21:34,080

think about that

586

00:21:40,310 --> 00:21:36,080

oh yeah i mean

587

00:21:42,470 --> 00:21:40,320

i suppose any topic that's gonna impact

588

00:21:45,430 --> 00:21:42,480

the whole globe

589

00:21:46,950 --> 00:21:45,440

should be a group conversation and not

590

00:21:50,470 --> 00:21:46,960

be exclusive

591

00:21:53,029 --> 00:21:50,480

but i definitely think this one

592

00:21:55,350 --> 00:21:53,039

it is above everybody's head if there's

593

00:21:56,470 --> 00:21:55,360

any people in the military listening

594

00:21:59,110 --> 00:21:56,480

right now

595

00:22:01,270 --> 00:21:59,120

who've been given briefings about aliens

596

00:22:04,310 --> 00:22:01,280

who've seen aliens or heard stories

597

00:22:06,710 --> 00:22:04,320

about aliens at this point roswell's

598

00:22:07,590 --> 00:22:06,720

you know long past

599

00:22:10,630 --> 00:22:07,600

uh

600

00:22:11,669 --> 00:22:10,640

you should still question if it's true

601
00:22:14,470 --> 00:22:11,679
you should

602
00:22:16,149 --> 00:22:14,480
like i mean i i like to think about it

603
00:22:18,310 --> 00:22:16,159
like this right so let's say there's a

604
00:22:20,149 --> 00:22:18,320
gray alien that gives a press conference

605
00:22:22,230 --> 00:22:20,159
tomorrow you can touch it and it's

606
00:22:25,350 --> 00:22:22,240
physically there and they say i'm from

607
00:22:26,390 --> 00:22:25,360
zeta reticuli and there's you know 33

608
00:22:29,350 --> 00:22:26,400
other species

609
00:22:31,190 --> 00:22:29,360
is that disclosure no that i mean it is

610
00:22:34,630 --> 00:22:31,200
disclosure

611
00:22:37,830 --> 00:22:34,640
right i suppose we'll see um

612
00:22:39,029 --> 00:22:37,840
but the questions don't stop like to

613
00:22:40,870 --> 00:22:39,039

think that

614

00:22:45,669 --> 00:22:40,880

this

615

00:22:47,190 --> 00:22:45,679

the universe are humans the latest form

616

00:22:49,430 --> 00:22:47,200

of evolution

617

00:22:50,870 --> 00:22:49,440

where did we come from

618

00:22:51,750 --> 00:22:50,880

that this is

619

00:22:54,710 --> 00:22:51,760

some

620

00:22:56,789 --> 00:22:54,720

story book that's already been closed by

621

00:22:58,630 --> 00:22:56,799

you know some secret

622

00:23:00,630 --> 00:22:58,640

you know some group of people in a

623

00:23:02,230 --> 00:23:00,640

secret board room

624

00:23:05,110 --> 00:23:02,240

i think

625

00:23:07,270 --> 00:23:05,120

and so yeah so it has to have as many

626
00:23:10,630 --> 00:23:07,280
voices in this as possible and it has to

627
00:23:15,190 --> 00:23:10,640
include all the witnesses and frankly

628
00:23:19,190 --> 00:23:15,200
this topic is so above us and beyond us

629
00:23:21,510 --> 00:23:19,200
that in some ways hearing just a kid

630
00:23:23,750 --> 00:23:21,520
throw out their perspective on it who's

631
00:23:25,190 --> 00:23:23,760
just who you know has never seen any

632
00:23:26,789 --> 00:23:25,200
lands but also

633
00:23:29,909 --> 00:23:26,799
maybe doesn't know a ton about science

634
00:23:31,510 --> 00:23:29,919
yet have their perspective might be just

635
00:23:33,909 --> 00:23:31,520
as valuable

636
00:23:36,870 --> 00:23:33,919
and again no disrespect is alex

637
00:23:38,470 --> 00:23:36,880
dietrich's you know experience in in the

638
00:23:40,310 --> 00:23:38,480

uh

639

00:23:41,430 --> 00:23:40,320

the aircraft you know when they saw the

640

00:23:44,149 --> 00:23:41,440

tic tac

641

00:23:46,870 --> 00:23:44,159

so yeah i can't think of a topic more

642

00:23:48,789 --> 00:23:46,880

deserving of everybody's

643

00:23:50,310 --> 00:23:48,799

take on it because i do think this is

644

00:23:53,830 --> 00:23:50,320

beyond

645

00:23:55,750 --> 00:23:53,840

just basic human iq and government

646

00:23:57,430 --> 00:23:55,760

briefings this is

647

00:23:59,110 --> 00:23:57,440

where we're at we don't even know what

648

00:24:01,350 --> 00:23:59,120

question we're asking

649

00:24:03,590 --> 00:24:01,360

right well and dispelling the notion

650

00:24:05,909 --> 00:24:03,600

that we're going to somehow arrive at a

651
00:24:08,310 --> 00:24:05,919
full conclusion right and i think that

652
00:24:11,190 --> 00:24:08,320
that is um i think that that's not we're

653
00:24:12,470 --> 00:24:11,200
not doing ourselves justice by

654
00:24:14,390 --> 00:24:12,480
believing that that is what it

655
00:24:17,909 --> 00:24:14,400
disclosure means and the way you put it

656
00:24:19,590 --> 00:24:17,919
was so articulate but we we can't arrive

657
00:24:21,190 --> 00:24:19,600
at a full conclusion we and honestly we

658
00:24:23,830 --> 00:24:21,200
don't we don't want a full conclusion

659
00:24:25,510 --> 00:24:23,840
because life is about the next mystery

660
00:24:27,909 --> 00:24:25,520
you know we want we want to be we don't

661
00:24:29,430 --> 00:24:27,919
have a clear understanding but not full

662
00:24:31,190 --> 00:24:29,440
clarity and i don't think full clarity

663
00:24:33,669 --> 00:24:31,200

is even achievable

664

00:24:36,870 --> 00:24:33,679

yeah i agree i would fun would that be

665

00:24:39,029 --> 00:24:36,880

right exactly i actually um i actually

666

00:24:41,590 --> 00:24:39,039

agree with you i'm 100

667

00:24:43,269 --> 00:24:41,600

everybody needs to be at the table and

668

00:24:45,269 --> 00:24:43,279

and like you said even a middle school

669

00:24:47,110 --> 00:24:45,279

kid who's pondered this might come up

670

00:24:48,950 --> 00:24:47,120

with a theory that's gonna affect them

671

00:24:50,950 --> 00:24:48,960

more than us too

672

00:24:53,029 --> 00:24:50,960

they're inheriting whatever we decide to

673

00:24:54,710 --> 00:24:53,039

do right now with all this

674

00:24:55,909 --> 00:24:54,720

disclosure stuff

675

00:24:57,590 --> 00:24:55,919

yeah and what we're doing with the

676
00:24:59,669 --> 00:24:57,600
environment but that's another story but

677
00:25:01,110 --> 00:24:59,679
uh i'm not sure yeah i'm sure it'll be

678
00:25:03,430 --> 00:25:01,120
i'm sure they'll i'm sure it'll be

679
00:25:05,669 --> 00:25:03,440
related i'm sure it wouldn't yeah yeah

680
00:25:07,269 --> 00:25:05,679
probably people try to connect it yeah

681
00:25:08,950 --> 00:25:07,279
and i do it by the way i just want to

682
00:25:11,269 --> 00:25:08,960
say for the audience i am happy that

683
00:25:13,590 --> 00:25:11,279
mick west is part of this community and

684
00:25:16,149 --> 00:25:13,600
i want him to be part of it but i'm just

685
00:25:18,630 --> 00:25:16,159
like he says he claims that he's being

686
00:25:21,990 --> 00:25:18,640
honest i'm going to be honest about

687
00:25:25,110 --> 00:25:22,000
his specific aspects of his commentary

688
00:25:27,269 --> 00:25:25,120

uh and the veracity of of his claims but

689

00:25:30,070 --> 00:25:27,279

uh but other than that i'm happy to have

690

00:25:32,149 --> 00:25:30,080

all voices uh here including folks that

691

00:25:33,830 --> 00:25:32,159

are conspiracy theorists the other thing

692

00:25:35,510 --> 00:25:33,840

i want to give you a data point

693

00:25:38,789 --> 00:25:35,520

regarding that might give you some

694

00:25:40,950 --> 00:25:38,799

insight into what um

695

00:25:42,390 --> 00:25:40,960

air crew are being told or people in the

696

00:25:44,149 --> 00:25:42,400

military are being told

697

00:25:46,950 --> 00:25:44,159

and i can tell you i've had the

698

00:25:49,190 --> 00:25:46,960

opportunity over the last three years to

699

00:25:51,430 --> 00:25:49,200

interface with crew members from every

700

00:25:53,909 --> 00:25:51,440

single weapon system in air force

701
00:25:55,590 --> 00:25:53,919
special ops command only so that means

702
00:26:00,950 --> 00:25:55,600
not fighter guys

703
00:26:02,789 --> 00:26:00,960
not um strategic command bomber guys but

704
00:26:04,470 --> 00:26:02,799
af socks and maybe let's say seven or

705
00:26:05,830 --> 00:26:04,480
eight different weapon systems

706
00:26:07,830 --> 00:26:05,840
not one

707
00:26:09,269 --> 00:26:07,840
has and when i asked him about this

708
00:26:11,110 --> 00:26:09,279
topic which by the way i have to wait

709
00:26:13,590 --> 00:26:11,120
for just the right moment to do that so

710
00:26:15,830 --> 00:26:13,600
i don't look like an idiot

711
00:26:17,990 --> 00:26:15,840
and not one of them has heard anything

712
00:26:21,029 --> 00:26:18,000
been briefed anything no rules of

713
00:26:22,549 --> 00:26:21,039

engagement anything about ufos so if not

714

00:26:24,390 --> 00:26:22,559

they're not being told they're fake

715

00:26:26,870 --> 00:26:24,400

they're not being told anything is what

716

00:26:28,870 --> 00:26:26,880

i'm i'm telling you yeah this news i

717

00:26:31,510 --> 00:26:28,880

work for the air force today

718

00:26:34,230 --> 00:26:31,520

yeah yeah well look her i don't

719

00:26:35,190 --> 00:26:34,240

my feeling just from a civilian

720

00:26:37,269 --> 00:26:35,200

right

721

00:26:40,149 --> 00:26:37,279

is that there was a time when there were

722

00:26:41,750 --> 00:26:40,159

physical crashes and contact

723

00:26:44,310 --> 00:26:41,760

and there were people who had to be

724

00:26:45,190 --> 00:26:44,320

briefed and saw things but that

725

00:26:46,870 --> 00:26:45,200

and then

726
00:26:48,950 --> 00:26:46,880
they

727
00:26:50,230 --> 00:26:48,960
you know if their et's changed up their

728
00:26:52,390 --> 00:26:50,240
tactics

729
00:26:53,830 --> 00:26:52,400
and the visitations did become a little

730
00:26:55,990 --> 00:26:53,840
bit less you know where you don't have

731
00:26:58,789 --> 00:26:56,000
those physical traces of evidence of

732
00:27:00,870 --> 00:26:58,799
abductions and things like that you know

733
00:27:02,470 --> 00:27:00,880
maybe there's more remote drought you

734
00:27:05,269 --> 00:27:02,480
know they have why wouldn't they have

735
00:27:06,549 --> 00:27:05,279
drones right just like us

736
00:27:09,669 --> 00:27:06,559
uh

737
00:27:11,029 --> 00:27:09,679
tic tac i think so maybe there isn't

738
00:27:14,230 --> 00:27:11,039

that may not be happening in the

739

00:27:17,430 --> 00:27:14,240

military anymore which might be

740

00:27:19,830 --> 00:27:17,440

that's my guess of why this is happening

741

00:27:21,269 --> 00:27:19,840

now it's not that it's not because it's

742

00:27:23,029 --> 00:27:21,279

harmed along

743

00:27:24,950 --> 00:27:23,039

i don't you know i don't i just don't

744

00:27:26,870 --> 00:27:24,960

believe that and unfortunately it's not

745

00:27:29,510 --> 00:27:26,880

because of any of these

746

00:27:32,950 --> 00:27:29,520

people who've contributed to to

747

00:27:34,630 --> 00:27:32,960

disclosure it's because

748

00:27:36,149 --> 00:27:34,640

a lot of people have died

749

00:27:37,190 --> 00:27:36,159

who uh

750

00:27:39,110 --> 00:27:37,200

held the scene

751
00:27:41,350 --> 00:27:39,120
yeah who held the secret and so now it

752
00:27:43,909 --> 00:27:41,360
does give

753
00:27:46,070 --> 00:27:43,919
current people in the military a true

754
00:27:49,909 --> 00:27:46,080
honest chance

755
00:27:51,029 --> 00:27:49,919
to explore this with the public

756
00:27:53,110 --> 00:27:51,039
and

757
00:27:55,029 --> 00:27:53,120
for those who you know are aware of this

758
00:27:56,549 --> 00:27:55,039
darker history

759
00:27:58,389 --> 00:27:56,559
to hang out in the background a little

760
00:28:00,230 --> 00:27:58,399
bit i think that there could be some

761
00:28:02,230 --> 00:28:00,240
with really good intentions who are

762
00:28:04,549 --> 00:28:02,240
pushing this along but we just have to

763
00:28:05,510 --> 00:28:04,559

keep in mind that that old guard was

764

00:28:09,190 --> 00:28:05,520

there

765

00:28:10,549 --> 00:28:09,200

legacy from that you know relics from

766

00:28:12,070 --> 00:28:10,559

that and how do we

767

00:28:15,029 --> 00:28:12,080

how are we not going to make all the

768

00:28:17,510 --> 00:28:15,039

same mistakes again um if we're naive

769

00:28:19,750 --> 00:28:17,520

and we just again just believe

770

00:28:22,470 --> 00:28:19,760

everything that the grey alien tells us

771

00:28:24,549 --> 00:28:22,480

in a press conference tomorrow we are we

772

00:28:26,870 --> 00:28:24,559

are worse shape

773

00:28:29,909 --> 00:28:26,880

than we were before disclosure and that

774

00:28:31,430 --> 00:28:29,919

that's what i fear is we're to just be

775

00:28:33,029 --> 00:28:31,440

given a new

776

00:28:34,870 --> 00:28:33,039

a new

777

00:28:37,110 --> 00:28:34,880

normal

778

00:28:38,149 --> 00:28:37,120

that is you know has the national you

779

00:28:41,190 --> 00:28:38,159

know

780

00:28:43,830 --> 00:28:41,200

maybe has our national security

781

00:28:46,630 --> 00:28:43,840

our best interest in mind but it's the

782

00:28:49,269 --> 00:28:46,640

truth what's being sought here

783

00:28:51,110 --> 00:28:49,279

yeah i mean i i have this hunch that

784

00:28:52,470 --> 00:28:51,120

folks like lou elizondo have good

785

00:28:54,149 --> 00:28:52,480

intentions

786

00:28:58,789 --> 00:28:54,159

and

787

00:29:01,269 --> 00:28:58,799

know want the truth to come out

788

00:29:03,990 --> 00:29:01,279

but i have to always you know know that

789

00:29:06,549 --> 00:29:04,000

there was an agenda that was appears to

790

00:29:08,870 --> 00:29:06,559

be put in place a long time ago and it's

791

00:29:11,430 --> 00:29:08,880

just continuing to be executed sure

792

00:29:13,350 --> 00:29:11,440

there's momentum from that uh plan

793

00:29:15,669 --> 00:29:13,360

essentially that is we're still kind of

794

00:29:18,710 --> 00:29:15,679

it's spinning down in a way and and i

795

00:29:20,549 --> 00:29:18,720

guess i've i've always thought too with

796

00:29:22,789 --> 00:29:20,559

the recent sort of people that have come

797

00:29:24,830 --> 00:29:22,799

forward you know the lose and the crisis

798

00:29:27,830 --> 00:29:24,840

and those kind of folks it doesn't

799

00:29:30,950 --> 00:29:27,840

require uh some sort of master

800

00:29:32,870 --> 00:29:30,960

orchestrated um you know plan between

801
00:29:35,430 --> 00:29:32,880
those guys to kind of push a certain

802
00:29:38,389 --> 00:29:35,440
thing it really just has to unfold on

803
00:29:40,950 --> 00:29:38,399
its own and if you if if you understand

804
00:29:43,110 --> 00:29:40,960
the way that um you know these

805
00:29:45,350 --> 00:29:43,120
government agencies work and that these

806
00:29:47,430 --> 00:29:45,360
individuals work you know like if you

807
00:29:50,710 --> 00:29:47,440
know if you understand who lou elizondo

808
00:29:51,909 --> 00:29:50,720
is as a as an investigator and as as a

809
00:29:53,430 --> 00:29:51,919
professional

810
00:29:54,149 --> 00:29:53,440
all you need that's all you need to know

811
00:29:56,230 --> 00:29:54,159
like

812
00:29:57,430 --> 00:29:56,240
he'll he'll do what lou elizondo is

813
00:29:59,590 --> 00:29:57,440

going to do

814

00:30:01,830 --> 00:29:59,600

and and he's he doesn't need a some sort

815

00:30:03,350 --> 00:30:01,840

of a master scheme you just you know

816

00:30:05,269 --> 00:30:03,360

kind of point him in a direction he's

817

00:30:07,990 --> 00:30:05,279

going to do the louis zondo thing and

818

00:30:11,350 --> 00:30:08,000

well look at me good yeah i mean nobody

819

00:30:13,830 --> 00:30:11,360

has put me up to investigating ufos and

820

00:30:16,070 --> 00:30:13,840

and and helping i guess to get people

821

00:30:18,630 --> 00:30:16,080

ready before disclosure right that's why

822

00:30:20,789 --> 00:30:18,640

i put myself up to that that i was

823

00:30:23,990 --> 00:30:20,799

taking cues that i think were being

824

00:30:25,990 --> 00:30:24,000

given to me indirectly

825

00:30:32,549 --> 00:30:26,000

by

826

00:30:35,510 --> 00:30:32,559

soft disclosures that were happening you

827

00:30:37,430 --> 00:30:35,520

know before 2017 everybody is picking up

828

00:30:38,230 --> 00:30:37,440

cues from each other

829

00:30:41,430 --> 00:30:38,240

look

830

00:30:43,990 --> 00:30:41,440

there are masonic societies and lodges

831

00:30:46,870 --> 00:30:44,000

and these old these groups that go back

832

00:30:49,350 --> 00:30:46,880

and they have they do believe in and

833

00:30:51,110 --> 00:30:49,360

certain things that you're very much

834

00:30:53,830 --> 00:30:51,120

ancient alien z

835

00:30:57,750 --> 00:30:53,840

and so there's very much a group

836

00:31:00,389 --> 00:30:57,760

conscious uh effort um that's happening

837

00:31:03,350 --> 00:31:00,399

here to again kind of group

838

00:31:06,070 --> 00:31:03,360

disclose this and and kind of get into

839

00:31:07,350 --> 00:31:06,080

our own roles here so yeah i know it it

840

00:31:09,110 --> 00:31:07,360

never has

841

00:31:10,950 --> 00:31:09,120

when you know when people

842

00:31:12,870 --> 00:31:10,960

you know will say like well how how can

843

00:31:15,190 --> 00:31:12,880

you say that you know louis lazonda or

844

00:31:17,350 --> 00:31:15,200

you know xyz could be a you know

845

00:31:18,950 --> 00:31:17,360

government agent with an agenda and you

846

00:31:21,110 --> 00:31:18,960

know accuse him being so evil and stuff

847

00:31:21,909 --> 00:31:21,120

and it's it's not that way i mean it's

848

00:31:24,070 --> 00:31:21,919

just

849

00:31:25,830 --> 00:31:24,080

um i remember complicated yeah i

850

00:31:28,549 --> 00:31:25,840

remember when i first

851
00:31:29,830 --> 00:31:28,559
you know when you do or at least at ut

852
00:31:31,909 --> 00:31:29,840
austin when i studied journals was a

853
00:31:33,110 --> 00:31:31,919
very renowned journalism school so i

854
00:31:34,950 --> 00:31:33,120
think that my

855
00:31:37,269 --> 00:31:34,960
education was pretty good walter

856
00:31:38,950 --> 00:31:37,279
cronkite you know came from there um the

857
00:31:41,430 --> 00:31:38,960
first thing you the first thing you

858
00:31:43,350 --> 00:31:41,440
learn is that journalism

859
00:31:45,830 --> 00:31:43,360
it was invented because it was

860
00:31:47,509 --> 00:31:45,840
propaganda it was not invented to tell

861
00:31:49,430 --> 00:31:47,519
us the truth that was about the purpose

862
00:31:51,669 --> 00:31:49,440
of journalism right

863
00:31:53,830 --> 00:31:51,679

uh it was yellow journalism you know

864

00:31:56,870 --> 00:31:53,840

that that's the birth of it it's to

865

00:31:59,430 --> 00:31:56,880

control the information you know that

866

00:32:01,269 --> 00:31:59,440

people get you know and

867

00:32:04,389 --> 00:32:01,279

you know the benefit whomever and it

868

00:32:06,149 --> 00:32:04,399

doesn't you can be uh

869

00:32:08,310 --> 00:32:06,159

journalists just graduate from

870

00:32:10,549 --> 00:32:08,320

university and go work at a newspaper

871

00:32:13,750 --> 00:32:10,559

and you just signed up for that system

872

00:32:15,669 --> 00:32:13,760

and it's not that it's in your head to

873

00:32:17,669 --> 00:32:15,679

lie but there's going to be stories you

874

00:32:19,029 --> 00:32:17,679

can report on stories you can't report

875

00:32:22,389 --> 00:32:19,039

on you're going to either be able to

876

00:32:24,789 --> 00:32:22,399

keep your job or not i just got to

877

00:32:27,350 --> 00:32:24,799

go that route and be just totally

878

00:32:29,990 --> 00:32:27,360

independent you know and you know google

879

00:32:32,070 --> 00:32:30,000

you can't find texas ufo sightings.com

880

00:32:34,230 --> 00:32:32,080

on google unless you

881

00:32:36,149 --> 00:32:34,240

you know look really really really hard

882

00:32:38,870 --> 00:32:36,159

you used to be able to find it

883

00:32:40,230 --> 00:32:38,880

so you know that's there are some really

884

00:32:41,509 --> 00:32:40,240

big um

885

00:32:44,149 --> 00:32:41,519

you know i understand how the google

886

00:32:45,029 --> 00:32:44,159

algorithm works so i understand how the

887

00:32:46,549 --> 00:32:45,039

google

888

00:32:48,470 --> 00:32:46,559

algorithm not

889

00:32:50,470 --> 00:32:48,480

there doesn't have to be an individual

890

00:32:52,630 --> 00:32:50,480

person that's right working for the

891

00:32:54,310 --> 00:32:52,640

government that looked at my website and

892

00:32:55,269 --> 00:32:54,320

said okay well you know when disclosure

893

00:32:57,350 --> 00:32:55,279

happens and everybody's reason we're

894

00:32:58,149 --> 00:32:57,360

searching for ufos in texas we don't

895

00:33:00,070 --> 00:32:58,159

want

896

00:33:01,669 --> 00:33:00,080

the you know one of the few websites

897

00:33:05,430 --> 00:33:01,679

that's reporting on it to show up we

898

00:33:07,190 --> 00:33:05,440

want old cnn articles to show up about

899

00:33:09,430 --> 00:33:07,200

real unrelated things that's what

900

00:33:12,310 --> 00:33:09,440

happened that's the google algorithm

901
00:33:14,870 --> 00:33:12,320
that doesn't have to be a person that

902
00:33:16,950 --> 00:33:14,880
decided to make that decision that was a

903
00:33:19,190 --> 00:33:16,960
swooping algorithm change that probably

904
00:33:21,029 --> 00:33:19,200
affected me and a bunch of other

905
00:33:22,789 --> 00:33:21,039
sure blockers

906
00:33:26,230 --> 00:33:22,799
so that you know that happened right

907
00:33:28,389 --> 00:33:26,240
kind of before uh right around or after

908
00:33:30,549 --> 00:33:28,399
i guess i should say

909
00:33:32,710 --> 00:33:30,559
this became

910
00:33:34,870 --> 00:33:32,720
more of a mainstream

911
00:33:36,149 --> 00:33:34,880
talk people like me got into it i can't

912
00:33:38,310 --> 00:33:36,159
just say it

913
00:33:40,070 --> 00:33:38,320

to say it okay see the thing is i knew

914

00:33:42,870 --> 00:33:40,080

it was gonna happen see that's what i

915

00:33:44,630 --> 00:33:42,880

mean there was a lot of i'm pouting now

916

00:33:47,190 --> 00:33:44,640

yeah i mean that's just the game that's

917

00:33:49,909 --> 00:33:47,200

the game that i've chosen to play is i

918

00:33:50,830 --> 00:33:49,919

didn't i didn't want to

919

00:33:54,230 --> 00:33:50,840

write

920

00:33:56,789 --> 00:33:54,240

stories that had were missing

921

00:33:58,549 --> 00:33:56,799

great you know pieces of information or

922

00:34:00,470 --> 00:33:58,559

i didn't want to not be able to write

923

00:34:01,509 --> 00:34:00,480

stories i wanted to write so i have to

924

00:34:03,350 --> 00:34:01,519

deal with

925

00:34:06,630 --> 00:34:03,360

you know things like

926
00:34:08,470 --> 00:34:06,640
facebook um yeah i know for a while

927
00:34:09,510 --> 00:34:08,480
even if i don't know if this is true

928
00:34:11,669 --> 00:34:09,520
anymore

929
00:34:14,389 --> 00:34:11,679
but i know for a while that let's say

930
00:34:16,550 --> 00:34:14,399
that there was a ufo story and um a

931
00:34:17,589 --> 00:34:16,560
president was involved right

932
00:34:19,750 --> 00:34:17,599
and

933
00:34:21,750 --> 00:34:19,760
right so if i were to report on that by

934
00:34:22,950 --> 00:34:21,760
the way i'm gonna do the best freaking

935
00:34:25,990 --> 00:34:22,960
reporting

936
00:34:28,550 --> 00:34:26,000
on and i only ever report on

937
00:34:29,750 --> 00:34:28,560
you know ufo things is related i am not

938
00:34:32,069 --> 00:34:29,760

a political

939

00:34:34,550 --> 00:34:32,079

youtube channel and never will be

940

00:34:36,230 --> 00:34:34,560

mark my words um but

941

00:34:37,990 --> 00:34:36,240

if a president or politician says

942

00:34:39,990 --> 00:34:38,000

something about ufos i'm definitely do

943

00:34:41,990 --> 00:34:40,000

my due diligence as a reporter and i'd

944

00:34:44,149 --> 00:34:42,000

like to think that me and other

945

00:34:46,230 --> 00:34:44,159

researchers do a really good job at that

946

00:34:48,869 --> 00:34:46,240

whereas the mainstream media just never

947

00:34:50,710 --> 00:34:48,879

provides context right but basically

948

00:34:53,510 --> 00:34:50,720

facebook would say

949

00:34:55,270 --> 00:34:53,520

because i'm not a political outlet

950

00:34:57,030 --> 00:34:55,280

if i were to write a story

951
00:34:59,750 --> 00:34:57,040
commenting on any of these things i

952
00:35:02,710 --> 00:34:59,760
would not be allowed to advertise it and

953
00:35:04,150 --> 00:35:02,720
on facebook you really cannot be seen

954
00:35:06,550 --> 00:35:04,160
unless you're advertising that's just

955
00:35:08,950 --> 00:35:06,560
the game again that's not a single men

956
00:35:11,270 --> 00:35:08,960
and black character out to get me

957
00:35:14,790 --> 00:35:11,280
that's just the algorithm

958
00:35:17,270 --> 00:35:14,800
and so yeah this luelzando i'm not

959
00:35:20,230 --> 00:35:17,280
picturing some evil

960
00:35:21,829 --> 00:35:20,240
um shady character lying to us i just

961
00:35:24,790 --> 00:35:21,839
got to talk to him for the big phone

962
00:35:25,750 --> 00:35:24,800
home it was a really a great interview

963
00:35:27,990 --> 00:35:25,760

and

964

00:35:29,589 --> 00:35:28,000

he i think he was as transparent as he's

965

00:35:31,109 --> 00:35:29,599

a legally

966

00:35:33,190 --> 00:35:31,119

you know allowed to be

967

00:35:35,589 --> 00:35:33,200

right and so that's just kind of all i

968

00:35:38,550 --> 00:35:35,599

know so far but he's definitely part of

969

00:35:40,150 --> 00:35:38,560

a bigger system and just just to think

970

00:35:41,750 --> 00:35:40,160

that

971

00:35:43,589 --> 00:35:41,760

i i don't know we all just i guess have

972

00:35:46,710 --> 00:35:43,599

to accept that we're all

973

00:35:48,470 --> 00:35:46,720

all kind of part of this this beehive

974

00:35:50,550 --> 00:35:48,480

exactly mick said he should just

975

00:35:52,069 --> 00:35:50,560

disclose and then go to jail so i don't

976
00:35:53,990 --> 00:35:52,079
know why he doesn't lou doesn't just

977
00:35:55,750 --> 00:35:54,000
tell everything he knows i mean what's

978
00:35:57,589 --> 00:35:55,760
what's you know jumpsuit i think he'd

979
00:35:59,030 --> 00:35:57,599
look okay

980
00:36:00,870 --> 00:35:59,040
anyway

981
00:36:03,349 --> 00:36:00,880
getting back to it i was interested in

982
00:36:04,790 --> 00:36:03,359
something else two things you said one

983
00:36:06,950 --> 00:36:04,800
thing that i thought about once thing

984
00:36:08,470 --> 00:36:06,960
you said that interested me earlier

985
00:36:11,510 --> 00:36:08,480
there was a little nugget there and i

986
00:36:13,990 --> 00:36:11,520
was able to dig it out with my nail file

987
00:36:16,230 --> 00:36:14,000
and it was about the um

988
00:36:18,150 --> 00:36:16,240

it was about see i look like dr evil

989

00:36:19,829 --> 00:36:18,160

it's only terrible

990

00:36:24,150 --> 00:36:19,839

but you can just call me noob from now

991

00:36:24,950 --> 00:36:24,160

on n-u-b any any wb but uh anyways

992

00:36:27,829 --> 00:36:24,960

um

993

00:36:30,230 --> 00:36:27,839

you said about ip addresses that you had

994

00:36:31,510 --> 00:36:30,240

traced see nathan oh yeah you didn't

995

00:36:33,430 --> 00:36:31,520

think i was paying attention didn't you

996

00:36:35,510 --> 00:36:33,440

nate yeah that was way weird

997

00:36:37,349 --> 00:36:35,520

that was just way back that was so long

998

00:36:38,829 --> 00:36:37,359

ago and i mean i can think i can tell

999

00:36:41,589 --> 00:36:38,839

you lots of random little things like

1000

00:36:44,310 --> 00:36:41,599

that meant nothing led to nothing well i

1001
00:36:46,470 --> 00:36:44,320
mean i don't do those things but how to

1002
00:36:47,670 --> 00:36:46,480
bounce back and google analytics i

1003
00:36:49,589 --> 00:36:47,680
actually don't think they allow that

1004
00:36:51,030 --> 00:36:49,599
anymore i don't think you can look at ip

1005
00:36:53,190 --> 00:36:51,040
addresses anymore actually that's i

1006
00:36:55,270 --> 00:36:53,200
think they removed that due to privacy

1007
00:36:56,870 --> 00:36:55,280
so many years ago but early on you could

1008
00:36:59,030 --> 00:36:56,880
see ip addresses who's visiting your

1009
00:37:00,470 --> 00:36:59,040
website honestly i don't know what led

1010
00:37:02,710 --> 00:37:00,480
me down that trail but there was

1011
00:37:04,790 --> 00:37:02,720
something that

1012
00:37:06,310 --> 00:37:04,800
read i don't remember really what led me

1013
00:37:08,470 --> 00:37:06,320

down that trail

1014

00:37:10,790 --> 00:37:08,480

and it's just it's a foggy memory but

1015

00:37:12,470 --> 00:37:10,800

it's one of those just kind of to i just

1016

00:37:14,230 --> 00:37:12,480

remember the feeling i had when i saw

1017

00:37:16,550 --> 00:37:14,240

that so that's why that story came up

1018

00:37:18,630 --> 00:37:16,560

and i can think of lots of different

1019

00:37:21,349 --> 00:37:18,640

things and it's not even so much that i

1020

00:37:23,910 --> 00:37:21,359

was certain that that was anything

1021

00:37:25,510 --> 00:37:23,920

it was was more just i knew that i was

1022

00:37:27,430 --> 00:37:25,520

reporting on something that they didn't

1023

00:37:29,349 --> 00:37:27,440

want me to report on

1024

00:37:32,150 --> 00:37:29,359

so when things like that happen you know

1025

00:37:33,990 --> 00:37:32,160

you don't want to be stupid either so i

1026

00:37:35,990 --> 00:37:34,000

also didn't want to be naive you don't

1027

00:37:38,310 --> 00:37:36,000

be crazy and assume a car is following

1028

00:37:40,310 --> 00:37:38,320

you but you also don't want to be naive

1029

00:37:42,470 --> 00:37:40,320

you know i've had in the rear view yeah

1030

00:37:45,190 --> 00:37:42,480

i mean look at their stories i don't

1031

00:37:47,750 --> 00:37:45,200

continue for a reason so so what like

1032

00:37:49,510 --> 00:37:47,760

nathan said it's not that any but

1033

00:37:51,589 --> 00:37:49,520

anybody's ever said you can't report on

1034

00:37:53,030 --> 00:37:51,599

the story to me yet maybe that will

1035

00:37:54,710 --> 00:37:53,040

happen in the future i don't think at

1036

00:37:56,069 --> 00:37:54,720

this point well maybe i'll get a really

1037

00:37:59,030 --> 00:37:56,079

great

1038

00:38:02,069 --> 00:37:59,040

sighting or whatever and i'll get a men

1039

00:38:03,510 --> 00:38:02,079

in black visit um there you go yeah

1040

00:38:05,270 --> 00:38:03,520

right

1041

00:38:09,190 --> 00:38:05,280

the second half of that was what's your

1042

00:38:12,390 --> 00:38:09,200

take on mj12 like what's your oh yeah

1043

00:38:15,030 --> 00:38:12,400

so here's the thing about mj12 majestic

1044

00:38:19,750 --> 00:38:15,040

12 all of that

1045

00:38:25,990 --> 00:38:22,550

sign of some kind of

1046

00:38:29,109 --> 00:38:26,000

weird cover-up psyop that you could

1047

00:38:31,270 --> 00:38:29,119

possibly like of all

1048

00:38:33,349 --> 00:38:31,280

the things out there and so i mean when

1049

00:38:35,430 --> 00:38:33,359

we talk about this old guard when we

1050

00:38:37,589 --> 00:38:35,440

talk about a lot of these

1051

00:38:40,390 --> 00:38:37,599

almost obvious conclusions and you

1052

00:38:42,390 --> 00:38:40,400

realize there's never any pro any physic

1053

00:38:43,270 --> 00:38:42,400

like there's never any evidence for any

1054

00:38:46,310 --> 00:38:43,280

of it

1055

00:38:48,230 --> 00:38:46,320

and my take is that the more likely the

1056

00:38:50,790 --> 00:38:48,240

greater likelihood

1057

00:38:53,190 --> 00:38:50,800

you know if let's say you know all that

1058

00:38:55,349 --> 00:38:53,200

you just do like a venn diagram or a

1059

00:38:57,109 --> 00:38:55,359

logic flow of the likelihood that aliens

1060

00:38:59,510 --> 00:38:57,119

are here and are visiting right let's

1061

00:39:01,750 --> 00:38:59,520

say you get to yes right which a lot of

1062

00:39:03,510 --> 00:39:01,760

us have gotten there okay

1063

00:39:05,750 --> 00:39:03,520

now we need to look at the world as if

1064

00:39:09,109 --> 00:39:05,760

that answer is yes and not as if that

1065

00:39:10,470 --> 00:39:09,119

world that answer is no

1066

00:39:12,470 --> 00:39:10,480

so

1067

00:39:15,430 --> 00:39:12,480

what we can conclude is that yes they

1068

00:39:19,349 --> 00:39:15,440

have visited and yes this has been the

1069

00:39:20,710 --> 00:39:19,359

most covered up lied about

1070

00:39:23,990 --> 00:39:20,720

phenomenon

1071

00:39:26,950 --> 00:39:24,000

that you know we can think of

1072

00:39:29,990 --> 00:39:26,960

right so much more likely is that there

1073

00:39:32,150 --> 00:39:30,000

have been photos of aliens there have

1074

00:39:34,790 --> 00:39:32,160

been videos there have been

1075

00:39:36,550 --> 00:39:34,800

organizations like the majestic 12.

1076

00:39:38,390 --> 00:39:36,560

there have been documents and they

1077

00:39:39,910 --> 00:39:38,400

haven't leaked they have gotten out and

1078

00:39:42,230 --> 00:39:39,920

that in fact

1079

00:39:45,670 --> 00:39:42,240

the moment that a top secret document is

1080

00:39:48,310 --> 00:39:45,680

created or a ufo photo is found that

1081

00:39:49,990 --> 00:39:48,320

there would be immediate protocol that

1082

00:39:52,950 --> 00:39:50,000

would have been practiced by the way

1083

00:39:54,230 --> 00:39:52,960

even you know since roswell and refined

1084

00:39:55,910 --> 00:39:54,240

to this day

1085

00:39:58,630 --> 00:39:55,920

that would be immediately enacted it

1086

00:39:59,510 --> 00:39:58,640

would be more serious than anything else

1087

00:40:01,270 --> 00:39:59,520

i mean

1088

00:40:03,030 --> 00:40:01,280

think of all the things you know that

1089

00:40:05,750 --> 00:40:03,040

the government's able to keep

1090

00:40:06,630 --> 00:40:05,760

keep secret and this this would be

1091

00:40:12,630 --> 00:40:06,640

um

1092

00:40:14,470 --> 00:40:12,640

just think about what i would do

1093

00:40:15,990 --> 00:40:14,480

and you know if i didn't want this to

1094

00:40:18,470 --> 00:40:16,000

come out if i was terrified of this

1095

00:40:20,790 --> 00:40:18,480

coming out like my life depended on it

1096

00:40:22,309 --> 00:40:20,800

of this coming out right and i there was

1097

00:40:23,430 --> 00:40:22,319

a ufo photo that was out there that i

1098

00:40:26,230 --> 00:40:23,440

knew was real

1099

00:40:27,190 --> 00:40:26,240

i would recreate that photo

1100

00:40:29,990 --> 00:40:27,200

um

1101
00:40:32,630 --> 00:40:30,000
and create fake versions of that photo

1102
00:40:34,710 --> 00:40:32,640
i would leak that to journalists

1103
00:40:35,829 --> 00:40:34,720
and and tell them the real story and

1104
00:40:37,829 --> 00:40:35,839
then i would

1105
00:40:39,349 --> 00:40:37,839
make sure that those fake photos got

1106
00:40:41,349 --> 00:40:39,359
lots of attention

1107
00:40:42,630 --> 00:40:41,359
right meanwhile i would try to scrub

1108
00:40:44,630 --> 00:40:42,640
every

1109
00:40:47,190 --> 00:40:44,640
uh version of that real photo from the

1110
00:40:49,109 --> 00:40:47,200
internet and all i'll say is um you used

1111
00:40:50,870 --> 00:40:49,119
to be able to find a lot more videos a

1112
00:40:53,510 --> 00:40:50,880
lot more photos

1113
00:40:55,270 --> 00:40:53,520

a lot more files i'm sitting on files

1114

00:40:57,030 --> 00:40:55,280

that have never been officially leaked

1115

00:40:58,230 --> 00:40:57,040

by the government but that i've been

1116

00:41:00,630 --> 00:40:58,240

able to

1117

00:41:03,910 --> 00:41:00,640

kind of connect the dots and kind of

1118

00:41:06,150 --> 00:41:03,920

verify like there's files out of hungary

1119

00:41:07,990 --> 00:41:06,160

that and obviously it could be total bs

1120

00:41:09,349 --> 00:41:08,000

hoax get that that's

1121

00:41:10,790 --> 00:41:09,359

you know the number one thing i was

1122

00:41:13,030 --> 00:41:10,800

trying to prove

1123

00:41:13,829 --> 00:41:13,040

um but i wasn't able to prove that i was

1124

00:41:14,790 --> 00:41:13,839

actually

1125

00:41:16,710 --> 00:41:14,800

found

1126
00:41:19,270 --> 00:41:16,720
evidence otherwise so these documents

1127
00:41:21,270 --> 00:41:19,280
that detail a crash

1128
00:41:25,349 --> 00:41:21,280
with the hungarian pilot

1129
00:41:28,150 --> 00:41:25,359
and a grey alien that they recovered

1130
00:41:29,670 --> 00:41:28,160
and uh were keeping in a facility and

1131
00:41:31,510 --> 00:41:29,680
that they were kind of concerned about

1132
00:41:33,670 --> 00:41:31,520
because it was i think quiet so they

1133
00:41:36,230 --> 00:41:33,680
were concerned about it being telepathic

1134
00:41:38,470 --> 00:41:36,240
they also followed um

1135
00:41:41,270 --> 00:41:38,480
the witnesses and

1136
00:41:43,990 --> 00:41:41,280
recorded what they were doing

1137
00:41:46,550 --> 00:41:44,000
and this was hungry in the 90s and the

1138
00:41:49,510 --> 00:41:46,560

only reason i know about this is because

1139

00:41:51,670 --> 00:41:49,520

being on the internet a while ago

1140

00:41:54,150 --> 00:41:51,680

and there was a hungarian researcher

1141

00:41:56,950 --> 00:41:54,160

that leaked the files to move on and to

1142

00:41:59,109 --> 00:41:56,960

their website and so i went and found it

1143

00:42:01,109 --> 00:41:59,119

translated as much as i could

1144

00:42:03,829 --> 00:42:01,119

and then was able to confirm that the

1145

00:42:07,829 --> 00:42:03,839

actual crash that's listed in the

1146

00:42:09,190 --> 00:42:07,839

documents was a real crash with the real

1147

00:42:11,109 --> 00:42:09,200

pilot that i could

1148

00:42:12,309 --> 00:42:11,119

completely separately confirm obviously

1149

00:42:16,470 --> 00:42:12,319

the public

1150

00:42:19,190 --> 00:42:16,480

uh exam uh reason for the crash was not

1151

00:42:22,950 --> 00:42:19,200

that i think it was just some plain uh

1152

00:42:24,470 --> 00:42:22,960

malfunction that pilot actually was um

1153

00:42:26,630 --> 00:42:24,480

dishonorably

1154

00:42:29,270 --> 00:42:26,640

discharged or you know stopped flying at

1155

00:42:30,950 --> 00:42:29,280

that that after that point so there was

1156

00:42:32,550 --> 00:42:30,960

so it's like what can i and i you know i

1157

00:42:33,990 --> 00:42:32,560

have been trying to find people in

1158

00:42:35,910 --> 00:42:34,000

hungary to help me but you know that's

1159

00:42:37,589 --> 00:42:35,920

hard it's a big language barrier if any

1160

00:42:39,670 --> 00:42:37,599

i say this all the time if there's

1161

00:42:41,109 --> 00:42:39,680

anybody in that part of the world that

1162

00:42:43,750 --> 00:42:41,119

could help me

1163

00:42:46,309 --> 00:42:43,760

you know learn more about this um

1164

00:42:48,870 --> 00:42:46,319

you know that that's hungry

1165

00:42:51,190 --> 00:42:48,880

yeah what don't you know that

1166

00:42:53,349 --> 00:42:51,200

first of all relative to this incident

1167

00:42:55,030 --> 00:42:53,359

what do you know and what don't you know

1168

00:42:57,430 --> 00:42:55,040

and then we could work on what you don't

1169

00:42:59,430 --> 00:42:57,440

sure yeah the hungry one specifically

1170

00:43:01,670 --> 00:42:59,440

yes please yeah so man i wish i had it

1171

00:43:03,270 --> 00:43:01,680

up here i haven't i'd go back to it

1172

00:43:05,349 --> 00:43:03,280

every once in a while i haven't lately

1173

00:43:07,990 --> 00:43:05,359

it's been been a little while before it

1174

00:43:10,069 --> 00:43:08,000

when i initially like dove in

1175

00:43:11,829 --> 00:43:10,079

um i mean yeah i mean those basic facts

1176
00:43:13,750 --> 00:43:11,839
of the case are you know or what what

1177
00:43:15,990 --> 00:43:13,760
the files uncover and i think the

1178
00:43:18,150 --> 00:43:16,000
biggest just kind of thing to verify is

1179
00:43:20,550 --> 00:43:18,160
that the the crash was real the pilot

1180
00:43:22,470 --> 00:43:20,560
was real the overall timing and

1181
00:43:24,870 --> 00:43:22,480
things around the documents were real

1182
00:43:27,670 --> 00:43:24,880
and there was no

1183
00:43:29,670 --> 00:43:27,680
no known hoaxer there was nobody talking

1184
00:43:31,030 --> 00:43:29,680
about this this was not

1185
00:43:32,710 --> 00:43:31,040
i don't want to say even name this is

1186
00:43:34,870 --> 00:43:32,720
not a conspiracy

1187
00:43:35,910 --> 00:43:34,880
that anybody knew about it was just

1188
00:43:37,589 --> 00:43:35,920

files

1189

00:43:39,109 --> 00:43:37,599

that these hungarian researchers said

1190

00:43:41,030 --> 00:43:39,119

that they were leaking

1191

00:43:43,270 --> 00:43:41,040

and somebody must have i wish that i

1192

00:43:44,710 --> 00:43:43,280

knew who came across them

1193

00:43:46,550 --> 00:43:44,720

you know who found them you know that

1194

00:43:49,510 --> 00:43:46,560

would obviously help me

1195

00:43:52,230 --> 00:43:49,520

to verify them i'm not used to looking

1196

00:43:55,510 --> 00:43:52,240

at hungarian top secret documents but i

1197

00:43:57,670 --> 00:43:55,520

you probably need to talk to somebody

1198

00:43:59,990 --> 00:43:57,680

you know who's who is used to looking at

1199

00:44:01,829 --> 00:44:00,000

those and could could compare it because

1200

00:44:03,030 --> 00:44:01,839

it's different than obviously the ones

1201
00:44:04,870 --> 00:44:03,040
we have

1202
00:44:07,270 --> 00:44:04,880
you know here in america

1203
00:44:09,109 --> 00:44:07,280
so yeah so there's there's more to

1204
00:44:10,870 --> 00:44:09,119
uncover for sure in that case you know

1205
00:44:12,710 --> 00:44:10,880
and that's just that's just one example

1206
00:44:15,910 --> 00:44:12,720
though right so it's just

1207
00:44:17,349 --> 00:44:15,920
i'm amazed i find i find out new cases

1208
00:44:20,230 --> 00:44:17,359
all the time

1209
00:44:22,230 --> 00:44:20,240
okay if this isn't real i should be done

1210
00:44:23,990 --> 00:44:22,240
finding out about new cases with really

1211
00:44:25,910 --> 00:44:24,000
compelling evidence

1212
00:44:27,990 --> 00:44:25,920
if this is real and it's been covered up

1213
00:44:29,829 --> 00:44:28,000

that explains why i'm still finding out

1214

00:44:32,069 --> 00:44:29,839

about new cases and evidence all the

1215

00:44:34,230 --> 00:44:32,079

time and there's just this constant

1216

00:44:36,390 --> 00:44:34,240

cover-up

1217

00:44:38,309 --> 00:44:36,400

something's here i think that's been

1218

00:44:41,030 --> 00:44:38,319

pretty much pretty something's here and

1219

00:44:43,750 --> 00:44:41,040

they've definitely lied about it i think

1220

00:44:45,990 --> 00:44:43,760

yes i have this feeling okay you know

1221

00:44:48,790 --> 00:44:46,000

the the gray alien

1222

00:44:55,589 --> 00:44:48,800

oh i'm bad at this

1223

00:44:59,589 --> 00:44:57,990

but like i i definitely am with like

1224

00:45:01,750 --> 00:44:59,599

numbers and certain things it's amazing

1225

00:45:06,470 --> 00:45:01,760

i'll just like flip stuff so that that

1226

00:45:10,390 --> 00:45:08,470

i put myself on the spot

1227

00:45:11,990 --> 00:45:10,400

yeah so i have a feeling that there's

1228

00:45:14,230 --> 00:45:12,000

something to the grey alien whatever

1229

00:45:15,750 --> 00:45:14,240

that is but again like i think at a

1230

00:45:17,349 --> 00:45:15,760

certain point we might just need to

1231

00:45:19,270 --> 00:45:17,359

accept that

1232

00:45:22,230 --> 00:45:19,280

we might just die

1233

00:45:25,190 --> 00:45:22,240

not really knowing what this is because

1234

00:45:27,589 --> 00:45:25,200

this may not be physical aliens coming

1235

00:45:29,270 --> 00:45:27,599

from one planet to us it really may not

1236

00:45:30,870 --> 00:45:29,280

be that

1237

00:45:33,030 --> 00:45:30,880

this this could be

1238

00:45:35,829 --> 00:45:33,040

this could be us this could be another

1239

00:45:38,630 --> 00:45:35,839

breakaway civilization this this could

1240

00:45:41,750 --> 00:45:38,640

some this could be somehow

1241

00:45:43,750 --> 00:45:41,760

man-made this phenomenon right but i

1242

00:45:46,309 --> 00:45:43,760

don't believe it's one that our military

1243

00:45:49,030 --> 00:45:46,319

members today like you're saying are in

1244

00:45:50,630 --> 00:45:49,040

on or that we're all in on

1245

00:45:52,150 --> 00:45:50,640

so um

1246

00:45:53,829 --> 00:45:52,160

yeah the cover-up the evidence for the

1247

00:45:55,750 --> 00:45:53,839

cover-up is strong

1248

00:45:58,710 --> 00:45:55,760

i don't think we can deny that right

1249

00:45:59,510 --> 00:45:58,720

totally well i mean what's your take on

1250

00:46:04,470 --> 00:45:59,520

the

1251
00:46:07,510 --> 00:46:04,480
has been doing i mean so you know one of

1252
00:46:09,190 --> 00:46:07,520
the questions i ask myself is um

1253
00:46:10,870 --> 00:46:09,200
you know here's a guy who's got a story

1254
00:46:13,750 --> 00:46:10,880
to tell and he's been telling a little

1255
00:46:15,750 --> 00:46:13,760
bit more over the years but

1256
00:46:17,829 --> 00:46:15,760
the guy is like he's never stopped the

1257
00:46:20,550 --> 00:46:17,839
roadshow i mean the roadshow

1258
00:46:21,430 --> 00:46:20,560
it just keeps going right and so to me

1259
00:46:27,829 --> 00:46:21,440
there's

1260
00:46:31,270 --> 00:46:27,839
his outreach and and i wonder if it is

1261
00:46:34,230 --> 00:46:31,280
if the intended effect is

1262
00:46:35,349 --> 00:46:34,240
is to raise the level of awareness uh

1263
00:46:38,150 --> 00:46:35,359

you know sort of

1264

00:46:40,950 --> 00:46:38,160

as much as he possibly can so like if

1265

00:46:42,870 --> 00:46:40,960

his in one of his jobs and and maybe

1266

00:46:44,790 --> 00:46:42,880

this kind of goes against what i said

1267

00:46:45,829 --> 00:46:44,800

earlier but maybe one of his jobs is to

1268

00:46:48,470 --> 00:46:45,839

just

1269

00:46:51,270 --> 00:46:48,480

increase the size of the platform you

1270

00:46:53,670 --> 00:46:51,280

know so so it's expand the the scope and

1271

00:46:55,750 --> 00:46:53,680

i and i wonder that because as you've

1272

00:46:57,349 --> 00:46:55,760

pointed out the

1273

00:46:58,790 --> 00:46:57,359

there's sort of um

1274

00:47:01,349 --> 00:46:58,800

it's kind of a chicken and egg problem

1275

00:47:04,069 --> 00:47:01,359

in a way like do we have a a disclosure

1276

00:47:06,470 --> 00:47:04,079

event you know the the classic white you

1277

00:47:08,630 --> 00:47:06,480

know saucer on the white house lawn and

1278

00:47:10,550 --> 00:47:08,640

life is is different on on you know

1279

00:47:12,710 --> 00:47:10,560

tomorrow than it was yeah yes yesterday

1280

00:47:15,109 --> 00:47:12,720

or do we have a kind of uh

1281

00:47:17,589 --> 00:47:15,119

a frog you know boiling in the kettle

1282

00:47:19,910 --> 00:47:17,599

situation or do we eventually kind of

1283

00:47:21,829 --> 00:47:19,920

raise the level of awareness in in the

1284

00:47:25,589 --> 00:47:21,839

world to a point where

1285

00:47:27,510 --> 00:47:25,599

society at large is is ready to come to

1286

00:47:28,549 --> 00:47:27,520

grips with this and i think a lot of you

1287

00:47:29,829 --> 00:47:28,559

know there are a lot of folks who

1288

00:47:31,589 --> 00:47:29,839

probably are

1289

00:47:33,430 --> 00:47:31,599

you know at this place you know where

1290

00:47:35,190 --> 00:47:33,440

it's like okay yeah we get it i mean the

1291

00:47:36,790 --> 00:47:35,200

universe is big we're not alone we're

1292

00:47:38,470 --> 00:47:36,800

not probably not the smartest

1293

00:47:40,870 --> 00:47:38,480

intelligence out there so like this

1294

00:47:43,589 --> 00:47:40,880

won't be like earth shattering per se

1295

00:47:44,549 --> 00:47:43,599

but there's also huge swaths of the

1296

00:47:48,069 --> 00:47:44,559

world

1297

00:47:49,190 --> 00:47:48,079

yeah who who hold some you know pretty

1298

00:47:51,990 --> 00:47:49,200

traditional

1299

00:47:54,390 --> 00:47:52,000

uh classic beliefs and the and and these

1300

00:47:57,190 --> 00:47:54,400

people by the way also have access to

1301

00:47:59,750 --> 00:47:57,200

very destructive uh you know weaponry so

1302

00:48:02,470 --> 00:47:59,760

they could do some real damage if this

1303

00:48:03,750 --> 00:48:02,480

were to kind of hit them existentially

1304

00:48:05,030 --> 00:48:03,760

and all of a sudden you know they're not

1305

00:48:06,549 --> 00:48:05,040

not sure what to do with it so i don't

1306

00:48:08,309 --> 00:48:06,559

know what you think about excuse me

1307

00:48:10,870 --> 00:48:08,319

about about that like do we need to

1308

00:48:14,390 --> 00:48:10,880

reach this point where the

1309

00:48:16,710 --> 00:48:14,400

you know we've had 60 70 sort of topic

1310

00:48:18,549 --> 00:48:16,720

saturation where then it where then the

1311

00:48:21,190 --> 00:48:18,559

phenomenon like okay

1312

00:48:22,950 --> 00:48:21,200

now humanity is like right there they're

1313

00:48:23,670 --> 00:48:22,960

pretty much there you know

1314

00:48:25,910 --> 00:48:23,680

okay

1315

00:48:27,589 --> 00:48:25,920

oh yeah i think

1316

00:48:28,630 --> 00:48:27,599

i mean i don't i don't have a crystal

1317

00:48:30,870 --> 00:48:28,640

ball

1318

00:48:31,990 --> 00:48:30,880

so and i'm not part of these these

1319

00:48:40,600 --> 00:48:32,000

meetings

1320

00:48:40,610 --> 00:48:46,069

[Laughter]

1321

00:48:49,430 --> 00:48:47,750

i do think that's what's happening

1322

00:48:51,270 --> 00:48:49,440

though i mean look this is pure

1323

00:48:52,710 --> 00:48:51,280

speculation i want to be clear and i

1324

00:48:53,589 --> 00:48:52,720

don't mean that

1325

00:48:56,870 --> 00:48:53,599

in

1326

00:48:57,829 --> 00:48:56,880

a half-butted way or a half-assed way

1327

00:49:00,549 --> 00:48:57,839

um

1328

00:49:02,630 --> 00:49:00,559

i really mean i this is just my i have a

1329

00:49:04,069 --> 00:49:02,640

i always have a latest working theory

1330

00:49:05,670 --> 00:49:04,079

you can't help but your brain tells

1331

00:49:07,589 --> 00:49:05,680

stories but i'm just i'm always keenly

1332

00:49:09,750 --> 00:49:07,599

aware though it's just my latest working

1333

00:49:11,190 --> 00:49:09,760

theory and so and it has changed over

1334

00:49:12,470 --> 00:49:11,200

the years but but yeah i mean i think

1335

00:49:13,510 --> 00:49:12,480

what's happening is just like what

1336

00:49:16,309 --> 00:49:13,520

you're saying

1337

00:49:17,910 --> 00:49:16,319

and i don't think louisando has i think

1338

00:49:19,910 --> 00:49:17,920

he's made it pretty clear

1339

00:49:20,710 --> 00:49:19,920

that's what's happening he says i still

1340

00:49:23,109 --> 00:49:20,720

have

1341

00:49:26,870 --> 00:49:23,119

security clearance i can't tell you

1342

00:49:27,750 --> 00:49:26,880

everything i know um in in the press uh

1343

00:49:30,230 --> 00:49:27,760

the

1344

00:49:32,549 --> 00:49:30,240

oh my goodness why can't ufo congress

1345

00:49:34,230 --> 00:49:32,559

when he gave the first rallying speech i

1346

00:49:36,549 --> 00:49:34,240

think this was kind of his coming out

1347

00:49:38,390 --> 00:49:36,559

before he hit the interview circuit i

1348

00:49:40,150 --> 00:49:38,400

listened to that and then they make fun

1349

00:49:41,750 --> 00:49:40,160

of me on the unidentified celebrity

1350

00:49:43,589 --> 00:49:41,760

review for always bringing this up and

1351

00:49:45,670 --> 00:49:43,599

like bragging about it

1352

00:49:46,710 --> 00:49:45,680

but i did immediately kind of put a red

1353

00:49:49,270 --> 00:49:46,720

flag

1354

00:49:51,030 --> 00:49:49,280

in my brain with little zondo because he

1355

00:49:52,549 --> 00:49:51,040

with his ufo congress speech and i

1356

00:49:54,069 --> 00:49:52,559

decided i wasn't and then he started

1357

00:49:55,990 --> 00:49:54,079

doing all these interviews and i decided

1358

00:49:58,870 --> 00:49:56,000

i wasn't going to listen to any of them

1359

00:50:00,390 --> 00:49:58,880

because i didn't want to be um i didn't

1360

00:50:02,630 --> 00:50:00,400

know if he was

1361

00:50:05,030 --> 00:50:02,640

i just didn't know yeah where he was

1362

00:50:07,030 --> 00:50:05,040

coming from what he was gonna try to try

1363

00:50:10,150 --> 00:50:07,040

to push right and now i'm kind of coming

1364

00:50:12,230 --> 00:50:10,160

up the other side feel pretty good about

1365

00:50:14,950 --> 00:50:12,240

where he's going he talks about roswell

1366

00:50:17,510 --> 00:50:14,960

he talks about the darker things he he

1367

00:50:19,750 --> 00:50:17,520

talks about aliens being actual

1368

00:50:21,190 --> 00:50:19,760

you know being so it doesn't seem he's

1369

00:50:23,750 --> 00:50:21,200

avoiding

1370

00:50:27,109 --> 00:50:23,760

that's i think that's a good indication

1371

00:50:29,109 --> 00:50:27,119

um but what but what uh lozano said in

1372

00:50:30,470 --> 00:50:29,119

ufo congress i mean you made it very

1373

00:50:31,990 --> 00:50:30,480

clear

1374

00:50:35,750 --> 00:50:32,000

that um

1375

00:50:38,710 --> 00:50:35,760

that all ufo videos that were going that

1376

00:50:40,630 --> 00:50:38,720

would be released uh would be edited so

1377

00:50:42,630 --> 00:50:40,640

don't ever expect that you're going to

1378

00:50:45,670 --> 00:50:42,640

get a video that's not edited

1379

00:50:49,270 --> 00:50:45,680

um if a video is declassified it went

1380

00:50:51,990 --> 00:50:49,280

through a process to get declassified

1381

00:50:55,270 --> 00:50:52,000

so it's not like these videos just are

1382

00:50:58,150 --> 00:50:55,280

getting leaked by the pentagon there is

1383

00:51:03,190 --> 00:51:00,230

yes and so we actually have to do the

1384

00:51:05,109 --> 00:51:03,200

work i think with the foia requests and

1385

00:51:07,030 --> 00:51:05,119

staying on top of it we want to continue

1386

00:51:08,870 --> 00:51:07,040

to see things and just it's kind of

1387

00:51:10,870 --> 00:51:08,880

implication there's way more

1388

00:51:13,190 --> 00:51:10,880

and you know we're just going to keep

1389

00:51:15,829 --> 00:51:13,200

and early on when tom delonge was

1390

00:51:19,510 --> 00:51:15,839

talking um the conversations were really

1391

00:51:21,510 --> 00:51:19,520

directed more toward ufo twitter and

1392

00:51:23,510 --> 00:51:21,520

somebody who attends ufo congress and so

1393

00:51:25,030 --> 00:51:23,520

they were getting deep into ancient

1394

00:51:27,589 --> 00:51:25,040

aliens okay

1395

00:51:29,270 --> 00:51:27,599

so that's where this is going

1396

00:51:31,109 --> 00:51:29,280

i really believe this is where this is

1397

00:51:33,750 --> 00:51:31,119

going and i also think this is where

1398

00:51:35,510 --> 00:51:33,760

this is going because this is what

1399

00:51:37,750 --> 00:51:35,520

um

1400

00:51:39,349 --> 00:51:37,760

as i understand it

1401

00:51:47,270 --> 00:51:39,359

the

1402

00:51:49,829 --> 00:51:47,280

it's a it's a real group

1403

00:51:50,790 --> 00:51:49,839

uh you know it makes you think of light

1404

00:51:53,670 --> 00:51:50,800

bulb

1405

00:51:55,910 --> 00:51:53,680

uh you can read in their books

1406

00:51:58,870 --> 00:51:55,920

what they believe and and many of them

1407

00:52:01,349 --> 00:51:58,880

are are in the military and we're

1408

00:52:03,990 --> 00:52:01,359

covering up roswell

1409

00:52:06,549 --> 00:52:04,000

so i think yeah that's where it's going

1410

00:52:10,150 --> 00:52:06,559

uh lou said he has security clearance

1411

00:52:11,829 --> 00:52:10,160

he's not really lying to us he's i can i

1412

00:52:12,790 --> 00:52:11,839

can actually speak to i could speak to

1413

00:52:15,510 --> 00:52:12,800

that

1414

00:52:17,589 --> 00:52:15,520

so yeah he said he did admit to i don't

1415

00:52:19,829 --> 00:52:17,599

know if it was andy or someone on one of

1416

00:52:22,390 --> 00:52:19,839

the podcast that he's a contractor he

1417

00:52:25,510 --> 00:52:22,400

won't say who he's working for and that

1418

00:52:27,910 --> 00:52:25,520

right now gives him

1419

00:52:29,589 --> 00:52:27,920

um how do i say this it gives him an

1420

00:52:32,549 --> 00:52:29,599

active clearance

1421

00:52:35,270 --> 00:52:32,559

that he can he can meet with people and

1422

00:52:38,230 --> 00:52:35,280

have an active clearance like if he were

1423

00:52:39,430 --> 00:52:38,240

not working for anybody he's still under

1424

00:52:41,270 --> 00:52:39,440

nda

1425

00:52:44,069 --> 00:52:41,280

until his clarity

1426
00:52:45,750 --> 00:52:44,079
so for tssci you have five years

1427
00:52:48,150 --> 00:52:45,760
after that runs out you need a

1428
00:52:50,549 --> 00:52:48,160
reinvestigation the only way you can get

1429
00:52:53,109 --> 00:52:50,559
a reinvestigation is if you're in a

1430
00:52:56,309 --> 00:52:53,119
position as a contractor or a government

1431
00:52:58,309 --> 00:52:56,319
official that requires tssci clearance

1432
00:53:01,030 --> 00:52:58,319
based on whatever program that he's run

1433
00:53:04,150 --> 00:53:01,040
into and i have no idea what that is so

1434
00:53:06,150 --> 00:53:04,160
that's how that works his nda's forever

1435
00:53:08,069 --> 00:53:06,160
regardless of if his clearance runs out

1436
00:53:10,950 --> 00:53:08,079
his nda's forever

1437
00:53:13,510 --> 00:53:10,960
okay next thing i would say i agree with

1438
00:53:14,710 --> 00:53:13,520

you on the well i would say this about

1439

00:53:18,309 --> 00:53:14,720

lou

1440

00:53:19,910 --> 00:53:18,319

we have actions and words right so

1441

00:53:22,710 --> 00:53:19,920

actions are

1442

00:53:24,230 --> 00:53:22,720

i did something and put myself in

1443

00:53:27,829 --> 00:53:24,240

jeopardy

1444

00:53:29,990 --> 00:53:27,839

for this cause and b you have people

1445

00:53:32,549 --> 00:53:30,000

i've done nothing but i'm pontificating

1446

00:53:35,510 --> 00:53:32,559

on ufo twitter about this cause

1447

00:53:37,270 --> 00:53:35,520

lou unless you find that this entire

1448

00:53:40,150 --> 00:53:37,280

thing is a grand conspiracy which

1449

00:53:42,549 --> 00:53:40,160

doesn't befit him going in garnering

1450

00:53:44,150 --> 00:53:42,559

international partnerships

1451

00:53:45,990 --> 00:53:44,160

you know with the united states and

1452

00:53:48,470 --> 00:53:46,000

going to brazil and going to chile and

1453

00:53:49,990 --> 00:53:48,480

going to mexico and san marino and all

1454

00:53:53,430 --> 00:53:50,000

this stuff

1455

00:53:56,470 --> 00:53:53,440

he him leaving the government early

1456

00:53:59,349 --> 00:53:56,480

causes him to lose a big chunk of his

1457

00:54:01,190 --> 00:53:59,359

retirement if he stayed long enough

1458

00:54:03,030 --> 00:54:01,200

to get to earn at least

1459

00:54:04,549 --> 00:54:03,040

i think it's ten years it might be a

1460

00:54:06,710 --> 00:54:04,559

little less

1461

00:54:08,549 --> 00:54:06,720

to be able to earn a retirement and he

1462

00:54:11,190 --> 00:54:08,559

would have left by the time he started

1463

00:54:12,390 --> 00:54:11,200

and when he left he was probably pretty

1464

00:54:15,670 --> 00:54:12,400

close to that

1465

00:54:17,349 --> 00:54:15,680

that takes huge cojones to do that when

1466

00:54:19,990 --> 00:54:17,359

you have a wife and children there's

1467

00:54:21,990 --> 00:54:20,000

very few i can't think of a person on

1468

00:54:22,710 --> 00:54:22,000

ufo twitter that's done something like

1469

00:54:30,069 --> 00:54:22,720

that

1470

00:54:31,589 --> 00:54:30,079

gs 15 makes in the government in today's

1471

00:54:33,750 --> 00:54:31,599

money i mean he'd be

1472

00:54:35,190 --> 00:54:33,760

you know in 150 but here's what i would

1473

00:54:36,630 --> 00:54:35,200

say to that

1474

00:54:38,630 --> 00:54:36,640

you feel that way because that's what

1475

00:54:39,990 --> 00:54:38,640

liaison tells you right

1476

00:54:42,549 --> 00:54:40,000

yes

1477

00:54:44,150 --> 00:54:42,559

right and i and i and i and i'm right

1478

00:54:45,829 --> 00:54:44,160

there with you i don't i don't get these

1479

00:54:47,589 --> 00:54:45,839

heebie gb vibes from him i definitely

1480

00:54:48,870 --> 00:54:47,599

get vibes he knows things

1481

00:54:51,109 --> 00:54:48,880

i don't know

1482

00:54:53,109 --> 00:54:51,119

i get that look in his eye yeah but i

1483

00:54:55,589 --> 00:54:53,119

don't i don't get yeah i don't get the

1484

00:54:57,589 --> 00:54:55,599

heebie-jeebie you know you're a bad guy

1485

00:55:01,030 --> 00:54:57,599

vibes i really don't um

1486

00:55:03,750 --> 00:55:01,040

but i don't mind people who do because

1487

00:55:06,150 --> 00:55:03,760

what would be what's wrong with us

1488

00:55:09,190 --> 00:55:06,160

if everything no no but if everything

1489

00:55:10,950 --> 00:55:09,200

that we know about ufos

1490

00:55:12,390 --> 00:55:10,960

the the main thing that we know more

1491

00:55:15,589 --> 00:55:12,400

than aliens are visiting is the

1492

00:55:17,270 --> 00:55:15,599

government has been lying to us about

1493

00:55:19,589 --> 00:55:17,280

this from the beginning and louis

1494

00:55:21,109 --> 00:55:19,599

zondo's history's counterintelligence

1495

00:55:23,109 --> 00:55:21,119

one of his job titles actually literally

1496

00:55:27,030 --> 00:55:23,119

i think included disinformation in it

1497

00:55:32,150 --> 00:55:29,510

it would be stupid he knows about us

1498

00:55:35,829 --> 00:55:32,160

it doesn't matter it's a government per

1499

00:55:37,510 --> 00:55:35,839

official that knows more than you dj dj

1500

00:55:39,030 --> 00:55:37,520

saying trust me oh a lot

1501
00:55:40,870 --> 00:55:39,040
by milk

1502
00:55:42,470 --> 00:55:40,880
and he knows more that i don't think

1503
00:55:45,430 --> 00:55:42,480
it's

1504
00:55:48,390 --> 00:55:45,440
naive to just trust him

1505
00:55:50,630 --> 00:55:48,400
okay i i trust i have good feelings

1506
00:55:51,430 --> 00:55:50,640
about him i guess you could say do trust

1507
00:55:56,470 --> 00:55:51,440
him

1508
00:55:58,309 --> 00:55:56,480
you know

1509
00:56:00,789 --> 00:55:58,319
not even a neighbor i would say like a

1510
00:56:03,910 --> 00:56:00,799
close family member or friend who i

1511
00:56:05,990 --> 00:56:03,920
trust i don't know him even like i know

1512
00:56:07,910 --> 00:56:06,000
you know luis on the unidentified

1513
00:56:10,470 --> 00:56:07,920

celebrity review i don't know him as

1514

00:56:13,030 --> 00:56:10,480

much as i know jeremy corbell

1515

00:56:15,270 --> 00:56:13,040

who i've spent extended time with and

1516

00:56:17,990 --> 00:56:15,280

seen behind the scenes and i am still i

1517

00:56:19,589 --> 00:56:18,000

consider jeremy to be a friend who has

1518

00:56:21,750 --> 00:56:19,599

supported me and a lot of other

1519

00:56:24,390 --> 00:56:21,760

researchers and i've seen a lot of ultra

1520

00:56:26,470 --> 00:56:24,400

honestly just downright altruism

1521

00:56:28,150 --> 00:56:26,480

in him and i've shared that

1522

00:56:31,270 --> 00:56:28,160

i know better

1523

00:56:33,349 --> 00:56:31,280

though than to trust everything that he

1524

00:56:35,270 --> 00:56:33,359

tells me because here's the thing

1525

00:56:37,910 --> 00:56:35,280

he's getting information from other

1526
00:56:39,829 --> 00:56:37,920
people who i don't know louis elizondo

1527
00:56:40,870 --> 00:56:39,839
is getting information from people i

1528
00:56:43,829 --> 00:56:40,880
don't know

1529
00:56:45,910 --> 00:56:43,839
this whole idea that there's this person

1530
00:56:48,549 --> 00:56:45,920
that we can trust

1531
00:56:50,309 --> 00:56:48,559
to to bring us true disclosure i think

1532
00:56:52,710 --> 00:56:50,319
that needs to go away

1533
00:56:55,349 --> 00:56:52,720
and i think the fanaticism

1534
00:56:57,750 --> 00:56:55,359
that i saw around louis sando

1535
00:57:01,270 --> 00:56:57,760
was alarming to me

1536
00:57:04,230 --> 00:57:01,280
it was scary to me not lou alzato

1537
00:57:07,510 --> 00:57:04,240
the fanaticism around him was terrifying

1538
00:57:10,309 --> 00:57:07,520

so i'm totally okay

1539

00:57:12,470 --> 00:57:10,319

not trusting him i have to like bring it

1540

00:57:15,750 --> 00:57:12,480

let me let me respond to your point i

1541

00:57:17,589 --> 00:57:15,760

think um i do think uh that's healthy

1542

00:57:19,589 --> 00:57:17,599

skepticism that you have

1543

00:57:21,190 --> 00:57:19,599

so if somebody like me believes i

1544

00:57:23,270 --> 00:57:21,200

wouldn't i wouldn't want them to be like

1545

00:57:24,829 --> 00:57:23,280

that about jeremy too and i'm always the

1546

00:57:26,789 --> 00:57:24,839

one defending

1547

00:57:28,870 --> 00:57:26,799

jeremy because i go on podcasts and

1548

00:57:30,789 --> 00:57:28,880

people will criticize him and i'll be

1549

00:57:34,470 --> 00:57:30,799

like no he's a good guy but guess what

1550

00:57:39,270 --> 00:57:36,470

i'm about to defend jeremy as well

1551
00:57:41,750 --> 00:57:39,280
because i have great respect for jeremy

1552
00:57:44,470 --> 00:57:41,760
and i really do too i've got nothing

1553
00:57:46,549 --> 00:57:44,480
regard for mr carmel

1554
00:57:49,190 --> 00:57:46,559
i might as well just go there right now

1555
00:57:52,230 --> 00:57:49,200
anybody who thinks that every video that

1556
00:57:54,870 --> 00:57:52,240
he gets from the navy hasn't been 100

1557
00:57:57,109 --> 00:57:54,880
percent vetted by the navy and thinks

1558
00:57:58,950 --> 00:57:57,119
that some cw2

1559
00:58:01,190 --> 00:57:58,960
on one of these ships is sending that to

1560
00:58:03,510 --> 00:58:01,200
jeremy i can tell you that you're that

1561
00:58:06,230 --> 00:58:03,520
you're wrong without knowing without

1562
00:58:08,309 --> 00:58:06,240
having actually first person knowledge

1563
00:58:11,430 --> 00:58:08,319

every single video that he gets has been

1564

00:58:14,630 --> 00:58:11,440

vetted and has been an authorized leak

1565

00:58:16,870 --> 00:58:14,640

to him yeah from who i have no idea but

1566

00:58:19,589 --> 00:58:16,880

anyone who thinks that someone it's all

1567

00:58:22,150 --> 00:58:19,599

authorized for sure yeah yeah

1568

00:58:24,230 --> 00:58:22,160

someone sent that to jeremy that person

1569

00:58:26,549 --> 00:58:24,240

right now would be wearing orange and

1570

00:58:27,510 --> 00:58:26,559

they'd be in fort leavenworth kansas

1571

00:58:29,030 --> 00:58:27,520

and

1572

00:58:31,589 --> 00:58:29,040

they'd probably be lifting on the prison

1573

00:58:33,510 --> 00:58:31,599

yard right now mm-hmm so yeah that's all

1574

00:58:35,589 --> 00:58:33,520

awful yeah and that's fine you know what

1575

00:58:37,510 --> 00:58:35,599

it's faith

1576

00:58:40,549 --> 00:58:37,520

we should just trust we just need to

1577

00:58:42,470 --> 00:58:40,559

understand i i don't like

1578

00:58:44,470 --> 00:58:42,480

we have i guess we have to trust each

1579

00:58:46,710 --> 00:58:44,480

other okay so there's no there's no

1580

00:58:48,789 --> 00:58:46,720

other choice well sure don't trust but

1581

00:58:51,270 --> 00:58:48,799

be aware of your biases yeah but we just

1582

00:58:53,670 --> 00:58:51,280

have to be aware that it is out of faith

1583

00:58:55,270 --> 00:58:53,680

ultimately and it's it's really not

1584

00:58:58,150 --> 00:58:55,280

coming from a place of proof because

1585

00:59:00,390 --> 00:58:58,160

honestly the proofer tells us

1586

00:59:01,670 --> 00:59:00,400

really the whole history of this you

1587

00:59:04,470 --> 00:59:01,680

know tells us

1588

00:59:05,990 --> 00:59:04,480

not to listen to really anybody honestly

1589

00:59:07,510 --> 00:59:06,000

that's talking about this except for

1590

00:59:09,589 --> 00:59:07,520

ourselves i think

1591

00:59:10,950 --> 00:59:09,599

and like like you said i've spent time

1592

00:59:14,069 --> 00:59:10,960

with jeremy so yeah my hunch is

1593

00:59:16,230 --> 00:59:14,079

especially feels good about him um and

1594

00:59:18,309 --> 00:59:16,240

if i spent more time with lulzando which

1595

00:59:19,990 --> 00:59:18,319

is i'd probably feel the same way and

1596

00:59:22,069 --> 00:59:20,000

that's what other people

1597

00:59:23,430 --> 00:59:22,079

i know who i trust right who've said

1598

00:59:26,789 --> 00:59:23,440

about him you know well there's

1599

00:59:28,950 --> 00:59:26,799

something he was like you know i i was

1600

00:59:30,710 --> 00:59:28,960

suspicious of him but then he spent some

1601

00:59:32,230 --> 00:59:30,720

time with him and then

1602

00:59:34,870 --> 00:59:32,240

i was like okay hey this is the real

1603

00:59:36,069 --> 00:59:34,880

deal i like that he is talking about all

1604

00:59:37,750 --> 00:59:36,079

the things

1605

00:59:39,750 --> 00:59:37,760

he shouldn't be talking about i do

1606

00:59:41,990 --> 00:59:39,760

really like that but i don't know where

1607

00:59:45,670 --> 00:59:42,000

it's going and so i'm

1608

00:59:48,069 --> 00:59:45,680

what twist in turn and bend in the road

1609

00:59:50,390 --> 00:59:48,079

and so i just i want to be ready for

1610

00:59:52,309 --> 00:59:50,400

that um because

1611

00:59:54,150 --> 00:59:52,319

it's definitely going to be there's

1612

00:59:55,510 --> 00:59:54,160

going to be the twists and turns there's

1613

00:59:57,750 --> 00:59:55,520

going to be some there's going to be

1614

01:00:00,549 --> 00:59:57,760

some surprises and

1615

01:00:02,789 --> 01:00:00,559

i don't want to just fall down um or hop

1616

01:00:05,430 --> 01:00:02,799

on whatever train

1617

01:00:07,990 --> 01:00:05,440

like you guys shout along yeah

1618

01:00:08,710 --> 01:00:08,000

jane yeah there's something existential

1619

01:00:10,950 --> 01:00:08,720

here

1620

01:00:13,589 --> 01:00:10,960

if unless you believe this is also a

1621

01:00:15,829 --> 01:00:13,599

conspiracy then he and melon got those

1622

01:00:18,710 --> 01:00:15,839

videos released and if those videos

1623

01:00:21,349 --> 01:00:18,720

aren't released then me nathan and half

1624

01:00:22,950 --> 01:00:21,359

the programs including luis and michael

1625

01:00:25,190 --> 01:00:22,960

are not joining you in conversation

1626

01:00:28,390 --> 01:00:25,200

right now half of us don't exist

1627

01:00:30,950 --> 01:00:28,400

right so if you if you don't believe

1628

01:00:33,430 --> 01:00:30,960

that those guys got that stuff released

1629

01:00:35,829 --> 01:00:33,440

then hey okay you're a

1630

01:00:37,910 --> 01:00:35,839

more skeptical than i am but to me

1631

01:00:39,349 --> 01:00:37,920

that's something existent i don't think

1632

01:00:41,109 --> 01:00:39,359

those guys could have gotten that

1633

01:00:42,870 --> 01:00:41,119

released unless there were people that

1634

01:00:43,750 --> 01:00:42,880

were okay with it getting at least of

1635

01:00:46,069 --> 01:00:43,760

course

1636

01:00:48,630 --> 01:00:46,079

that's a hundred percent yeah but they

1637

01:00:51,670 --> 01:00:48,640

got it they got it in their hands

1638

01:00:53,910 --> 01:00:51,680

i think it would have gotten out

1639

01:00:56,470 --> 01:00:53,920

it would have gone out

1640

01:01:00,470 --> 01:00:56,480

but they but they were

1641

01:01:04,549 --> 01:01:03,589

right so hopefully luella zondo is like

1642

01:01:10,950 --> 01:01:04,559

us

1643

01:01:12,870 --> 01:01:10,960

get this out and so there's those that

1644

01:01:15,270 --> 01:01:12,880

want to get it out he wants to get it

1645

01:01:16,630 --> 01:01:15,280

out they're getting it out that doesn't

1646

01:01:19,190 --> 01:01:16,640

mean she's going to want to get it out

1647

01:01:20,150 --> 01:01:19,200

though that isn't that should be dinner

1648

01:01:21,670 --> 01:01:20,160

but

1649

01:01:22,789 --> 01:01:21,680

he i don't

1650

01:01:24,870 --> 01:01:22,799

i don't think i'd be able to get

1651
01:01:26,630 --> 01:01:24,880
anything good out of him the only kind

1652
01:01:28,789 --> 01:01:26,640
of real chill

1653
01:01:31,109 --> 01:01:28,799
cut you know only when i feel like you

1654
01:01:32,390 --> 01:01:31,119
talk about things outside of ufos is

1655
01:01:34,390 --> 01:01:32,400
when i feel like

1656
01:01:35,910 --> 01:01:34,400
you can really see the real loo

1657
01:01:36,870 --> 01:01:35,920
like the real trust you know like a

1658
01:01:39,270 --> 01:01:36,880
person

1659
01:01:41,349 --> 01:01:39,280
right so i think i think it would be fun

1660
01:01:44,870 --> 01:01:41,359
to talk to him about just

1661
01:01:46,870 --> 01:01:44,880
non-ufo things you know for a while

1662
01:01:51,030 --> 01:01:46,880
i asked him why i'm like i want to talk

1663
01:01:52,789 --> 01:01:51,040

about cars yeah myself

1664

01:01:55,109 --> 01:01:52,799

yeah i talk about cuban culture i want

1665

01:01:56,870 --> 01:01:55,119

to talk about cuban food i listed off

1666

01:01:59,270 --> 01:01:56,880

all these things but uh i haven't heard

1667

01:02:02,549 --> 01:01:59,280

back from dan give me a call i want to

1668

01:02:03,750 --> 01:02:02,559

talk to lou holmes with boys man

1669

01:02:05,109 --> 01:02:03,760

yeah well i think it'd be a good

1670

01:02:07,349 --> 01:02:05,119

conversation

1671

01:02:09,109 --> 01:02:07,359

i mean to me i think that um

1672

01:02:10,950 --> 01:02:09,119

what this

1673

01:02:14,710 --> 01:02:10,960

this conversation brings to mind is that

1674

01:02:16,390 --> 01:02:14,720

we need to do more of of stating our our

1675

01:02:17,670 --> 01:02:16,400

assumptions and our biases in this

1676

01:02:19,109 --> 01:02:17,680

conversation

1677

01:02:21,109 --> 01:02:19,119

we need to be

1678

01:02:23,910 --> 01:02:21,119

wary of any kind of hero worship i think

1679

01:02:25,670 --> 01:02:23,920

that that's never a good thing um more

1680

01:02:27,829 --> 01:02:25,680

often than not your heroes will let you

1681

01:02:30,230 --> 01:02:27,839

down and you need to be prepared for

1682

01:02:31,750 --> 01:02:30,240

that um that's just a mature

1683

01:02:33,670 --> 01:02:31,760

approach that's an approach from

1684

01:02:35,349 --> 01:02:33,680

experience it's not being cynical it's

1685

01:02:37,349 --> 01:02:35,359

just it's just the way that people are

1686

01:02:39,910 --> 01:02:37,359

every everybody is flawed but i think

1687

01:02:41,750 --> 01:02:39,920

we'd all be better served whenever we're

1688

01:02:45,510 --> 01:02:41,760

having conversation

1689

01:02:47,910 --> 01:02:45,520

about this topic to to try to make known

1690

01:02:49,990 --> 01:02:47,920

our biases and assumptions when we enter

1691

01:02:51,190 --> 01:02:50,000

into that conversation because

1692

01:02:53,029 --> 01:02:51,200

that allows

1693

01:02:55,510 --> 01:02:53,039

the the participants in the conversation

1694

01:02:57,750 --> 01:02:55,520

to know where we stand and to and we can

1695

01:02:59,829 --> 01:02:57,760

better challenge each other i also think

1696

01:03:01,510 --> 01:02:59,839

it's it's fair it's more fair to to to

1697

01:03:03,430 --> 01:03:01,520

the subject you know what i get sort of

1698

01:03:05,829 --> 01:03:03,440

irritated by and i don't know what your

1699

01:03:08,230 --> 01:03:05,839

perspective is on this but you know as

1700

01:03:11,109 --> 01:03:08,240

an observer to a lot of the um more

1701

01:03:12,630 --> 01:03:11,119

well-known folks in ufo twitterland you

1702

01:03:14,230 --> 01:03:12,640

know when there's like a beef you know

1703

01:03:15,829 --> 01:03:14,240

that hits the street it's like

1704

01:03:17,510 --> 01:03:15,839

somebody's somewhat upset with somebody

1705

01:03:19,990 --> 01:03:17,520

else and it's like this big fight that

1706

01:03:22,150 --> 01:03:20,000

kind of blows up about usually some

1707

01:03:24,309 --> 01:03:22,160

stupid little detail that doesn't matter

1708

01:03:27,430 --> 01:03:24,319

um you know that that kind of irritates

1709

01:03:29,829 --> 01:03:27,440

me because i feel that um

1710

01:03:32,309 --> 01:03:29,839

usually more often than not both of

1711

01:03:34,630 --> 01:03:32,319

those parties are people that i think

1712

01:03:36,630 --> 01:03:34,640

bring a valuable component to the story

1713

01:03:39,270 --> 01:03:36,640

like they're both doing something really

1714

01:03:41,670 --> 01:03:39,280

meaningful and helpful to this story i

1715

01:03:44,230 --> 01:03:41,680

mean i could take a good example like

1716

01:03:45,829 --> 01:03:44,240

you know john greenwald and and joe

1717

01:03:47,990 --> 01:03:45,839

mermergia you know these guys are

1718

01:03:49,589 --> 01:03:48,000

constantly just like butt butting heads

1719

01:03:51,349 --> 01:03:49,599

and it's just like

1720

01:03:53,349 --> 01:03:51,359

you know like i i like what john

1721

01:03:55,029 --> 01:03:53,359

greenwald does and i like what joe does

1722

01:03:56,630 --> 01:03:55,039

i don't agree with both of them you know

1723

01:03:58,230 --> 01:03:56,640

100 of the time and that and that's

1724

01:04:00,390 --> 01:03:58,240

probably where most people are and but

1725

01:04:01,750 --> 01:04:00,400

to see them kind of beef on the on the

1726

01:04:03,829 --> 01:04:01,760

on the streets if you will the virtual

1727

01:04:05,510 --> 01:04:03,839

streets is kind of annoying because

1728

01:04:08,549 --> 01:04:05,520

from my perspective

1729

01:04:11,190 --> 01:04:08,559

uh they represent um in some ways kind

1730

01:04:12,950 --> 01:04:11,200

of like extremes of the spectrum right

1731

01:04:15,109 --> 01:04:12,960

but but the spectrum itself is what is

1732

01:04:16,549 --> 01:04:15,119

important so i need i need folks that

1733

01:04:17,910 --> 01:04:16,559

are on the extremes i need folks that

1734

01:04:19,829 --> 01:04:17,920

are in the middle i need folks that are

1735

01:04:22,630 --> 01:04:19,839

you know kind of in the in the moderate

1736

01:04:24,789 --> 01:04:22,640

ends of those extremes if i have people

1737

01:04:27,430 --> 01:04:24,799

that that are laid out across that

1738

01:04:29,750 --> 01:04:27,440

spectrum then i have a healthy

1739

01:04:31,029 --> 01:04:29,760

uh have a healthy community you know and

1740

01:04:33,109 --> 01:04:31,039

that that's really what we need to

1741

01:04:34,789 --> 01:04:33,119

foster is a healthy community that can

1742

01:04:36,870 --> 01:04:34,799

talk about this from lots of

1743

01:04:39,349 --> 01:04:36,880

perspectives and and from a level of

1744

01:04:41,510 --> 01:04:39,359

maturity that doesn't just jump to the

1745

01:04:43,910 --> 01:04:41,520

latest you know whatever it is that so

1746

01:04:46,230 --> 01:04:43,920

and so told me they can do no wrong you

1747

01:04:47,910 --> 01:04:46,240

know whatever it is i think we have to

1748

01:04:49,430 --> 01:04:47,920

approach this in a very careful way

1749

01:04:50,390 --> 01:04:49,440

because as you said

1750

01:04:53,510 --> 01:04:50,400

we

1751

01:04:54,549 --> 01:04:53,520

even if some huge revelation

1752

01:04:56,069 --> 01:04:54,559

is shared

1753

01:04:58,150 --> 01:04:56,079

we're still not going to know the whole

1754

01:05:00,630 --> 01:04:58,160

story i mean as i've said this before

1755

01:05:01,829 --> 01:05:00,640

you know on a prior show with you know

1756

01:05:04,150 --> 01:05:01,839

dj where

1757

01:05:06,069 --> 01:05:04,160

if um

1758

01:05:08,870 --> 01:05:06,079

if if an intelligence that is more

1759

01:05:09,670 --> 01:05:08,880

intelligent than humans interacts with

1760

01:05:10,630 --> 01:05:09,680

us

1761

01:05:13,029 --> 01:05:10,640

yeah

1762

01:05:15,109 --> 01:05:13,039

i mean i i'd like to think so please

1763

01:05:17,349 --> 01:05:15,119

hopefully

1764

01:05:19,829 --> 01:05:17,359

you know but but how would you

1765

01:05:21,670 --> 01:05:19,839

how would we as human beings be able to

1766

01:05:23,990 --> 01:05:21,680

know whether that is trustworthy you

1767

01:05:24,950 --> 01:05:24,000

know we really

1768

01:05:27,510 --> 01:05:24,960

trust

1769

01:05:30,789 --> 01:05:27,520

has to be earned you know like there has

1770

01:05:33,510 --> 01:05:30,799

to be a relationship built and thus far

1771

01:05:35,990 --> 01:05:33,520

in the relationship of non-human

1772

01:05:38,150 --> 01:05:36,000

intelligence and human intelligence we

1773

01:05:40,230 --> 01:05:38,160

don't have a lot of trust guys there's

1774

01:05:41,990 --> 01:05:40,240

not you know i wouldn't want to sit down

1775

01:05:43,589 --> 01:05:42,000

at thanksgiving dinner with you know

1776

01:05:44,789 --> 01:05:43,599

with with these folks because i don't i

1777

01:05:46,870 --> 01:05:44,799

don't think i can trust them right now

1778

01:05:48,710 --> 01:05:46,880

but what will it take to get that you

1779

01:05:51,270 --> 01:05:48,720

know and that to me like that's when you

1780

01:05:53,589 --> 01:05:51,280

start thinking about it once it becomes

1781

01:05:55,270 --> 01:05:53,599

a the norm you know what are the things

1782

01:05:57,829 --> 01:05:55,280

that need to happen to where we can

1783

01:05:59,910 --> 01:05:57,839

really get to that point of mutual trust

1784

01:06:02,230 --> 01:05:59,920

and respect uh because if we can't get

1785

01:06:05,670 --> 01:06:02,240

there then we might as well be like

1786

01:06:07,510 --> 01:06:05,680

you know my dog in the family you know

1787

01:06:10,710 --> 01:06:07,520

waiting on the next meal it's gonna be a

1788

01:06:12,390 --> 01:06:10,720

come to jesus moment it's gotta be um

1789

01:06:14,710 --> 01:06:12,400

forgiveness

1790

01:06:16,870 --> 01:06:14,720

so there could be a really pretty

1791

01:06:19,029 --> 01:06:16,880

rainbow and sunshine's part of

1792

01:06:21,109 --> 01:06:19,039

disclosure maybe that's

1793

01:06:23,589 --> 01:06:21,119

the beginning part maybe that's the end

1794

01:06:25,990 --> 01:06:23,599

part maybe it's throughout but i do

1795

01:06:27,589 --> 01:06:26,000

believe eventually these

1796

01:06:29,510 --> 01:06:27,599

uh

1797

01:06:30,630 --> 01:06:29,520

what's the phrase in your what's in your

1798

01:06:34,710 --> 01:06:30,640

closet

1799

01:06:35,990 --> 01:06:34,720

this doesn't sound right but i guess

1800

01:06:38,069 --> 01:06:36,000

because we're talking about ufos that

1801
01:06:40,230 --> 01:06:38,079
sounds like skeletons skeletons i was

1802
01:06:42,309 --> 01:06:40,240
like i think i'm taking like i think i'm

1803
01:06:45,589 --> 01:06:42,319
taking that phrase and turning it into

1804
01:06:47,029 --> 01:06:45,599
like ufo friendly phrase skeletons in

1805
01:06:49,109 --> 01:06:47,039
the closet

1806
01:06:51,750 --> 01:06:49,119
i do think they'll come out i don't

1807
01:06:55,430 --> 01:06:51,760
think that we get to a place of

1808
01:06:57,990 --> 01:06:55,440
truth until the truth or trust until the

1809
01:06:59,029 --> 01:06:58,000
truth does come out and there is

1810
01:07:01,349 --> 01:06:59,039
so there

1811
01:07:03,670 --> 01:07:01,359
i think maybe what is happening right

1812
01:07:05,270 --> 01:07:03,680
now is we're getting the public into a

1813
01:07:06,710 --> 01:07:05,280

place where there could maybe be some

1814

01:07:09,750 --> 01:07:06,720

amnesty

1815

01:07:10,630 --> 01:07:09,760

and some understanding and

1816

01:07:18,470 --> 01:07:10,640

i

1817

01:07:21,750 --> 01:07:18,480

government and probably

1818

01:07:22,710 --> 01:07:21,760

influence this cover-up and that sucks

1819

01:07:24,950 --> 01:07:22,720

but i

1820

01:07:26,630 --> 01:07:24,960

am guessing that most

1821

01:07:28,950 --> 01:07:26,640

of the cover-up

1822

01:07:32,150 --> 01:07:28,960

were people that were forced to sign

1823

01:07:33,670 --> 01:07:32,160

things that were threatened that were

1824

01:07:35,349 --> 01:07:33,680

faced with

1825

01:07:37,430 --> 01:07:35,359

this ultimate

1826

01:07:39,190 --> 01:07:37,440

question are we alone in the universe

1827

01:07:39,990 --> 01:07:39,200

and they weren't allowed to talk about

1828

01:07:42,069 --> 01:07:40,000

it

1829

01:07:43,670 --> 01:07:42,079

and they just had to go about their life

1830

01:07:46,069 --> 01:07:43,680

and you know

1831

01:07:47,910 --> 01:07:46,079

go about their jobs and read science

1832

01:07:50,710 --> 01:07:47,920

articles telling them that you know

1833

01:07:52,230 --> 01:07:50,720

there's no aliens and so this can't be

1834

01:07:55,109 --> 01:07:52,240

right and so that's

1835

01:07:57,270 --> 01:07:55,119

just a whole mind f

1836

01:07:59,829 --> 01:07:57,280

that i don't think a civilian can relate

1837

01:08:02,549 --> 01:07:59,839

to and imagine too like really put

1838

01:08:04,150 --> 01:08:02,559

yourself in luella's on those shoes so

1839

01:08:05,510 --> 01:08:04,160

shout out lou you know if you're

1840

01:08:07,109 --> 01:08:05,520

listening

1841

01:08:09,589 --> 01:08:07,119

how does lou know

1842

01:08:10,390 --> 01:08:09,599

the information he's getting

1843

01:08:13,270 --> 01:08:10,400

is

1844

01:08:15,510 --> 01:08:13,280

you know what photos or videos are you

1845

01:08:18,149 --> 01:08:15,520

know authentic how does he know

1846

01:08:19,430 --> 01:08:18,159

that there isn't some shady figure

1847

01:08:21,669 --> 01:08:19,440

giving him

1848

01:08:24,229 --> 01:08:21,679

incorrect information and trying to to

1849

01:08:26,229 --> 01:08:24,239

throw him off the trail like that is

1850

01:08:29,829 --> 01:08:26,239

just how this game

1851
01:08:31,269 --> 01:08:29,839
has been played and that game ha

1852
01:08:32,870 --> 01:08:31,279
as long as that game's still being

1853
01:08:34,070 --> 01:08:32,880
played i don't believe that there's any

1854
01:08:34,870 --> 01:08:34,080
trust

1855
01:08:36,709 --> 01:08:34,880
and

1856
01:08:39,189 --> 01:08:36,719
we're still kind of playing that game

1857
01:08:43,349 --> 01:08:41,269
we're getting there because again lou

1858
01:08:45,430 --> 01:08:43,359
does keep bringing up roswell he keeps

1859
01:08:47,910 --> 01:08:45,440
he's not ignoring it i'm always a little

1860
01:08:49,669 --> 01:08:47,920
bit suspicious i guess again though like

1861
01:08:51,829 --> 01:08:49,679
you said nathan we all have our own

1862
01:08:53,349 --> 01:08:51,839
roles right so

1863
01:08:55,110 --> 01:08:53,359

nick west doesn't need i don't think

1864

01:08:57,030 --> 01:08:55,120

mick west needs to go to

1865

01:08:59,030 --> 01:08:57,040

to believe in skinwalker ranch be nice

1866

01:09:02,950 --> 01:08:59,040

if he went there i still think but he

1867

01:09:04,709 --> 01:09:02,960

can be this the skeptic right uh

1868

01:09:07,510 --> 01:09:04,719

yeah but we i mean we need we need

1869

01:09:09,749 --> 01:09:07,520

balance and yeah just put yourself in

1870

01:09:11,749 --> 01:09:09,759

the shoes you know of people who've been

1871

01:09:13,189 --> 01:09:11,759

briefed or given information and then

1872

01:09:15,430 --> 01:09:13,199

they had to consider the national

1873

01:09:18,149 --> 01:09:15,440

security implication and would you be

1874

01:09:19,430 --> 01:09:18,159

able to make that decision and also

1875

01:09:22,390 --> 01:09:19,440

consider

1876

01:09:24,229 --> 01:09:22,400

um this and this is i think the deep

1877

01:09:27,189 --> 01:09:24,239

original sin

1878

01:09:29,110 --> 01:09:27,199

and it's not just ufos right when one

1879

01:09:30,789 --> 01:09:29,120

group of people decide that they know

1880

01:09:34,390 --> 01:09:30,799

it's best

1881

01:09:36,630 --> 01:09:34,400

for the masses and they decide okay i

1882

01:09:38,390 --> 01:09:36,640

this truth is too much um i don't know

1883

01:09:39,510 --> 01:09:38,400

how to process this so it's like a

1884

01:09:41,510 --> 01:09:39,520

parent that doesn't know how to process

1885

01:09:43,189 --> 01:09:41,520

something and doesn't talk about it with

1886

01:09:45,910 --> 01:09:43,199

their kid right and here's the thing

1887

01:09:48,870 --> 01:09:45,920

it's one thing not talk about something

1888

01:09:49,990 --> 01:09:48,880

but there's look there's a sin lying

1889

01:09:51,749 --> 01:09:50,000

about it

1890

01:09:52,870 --> 01:09:51,759

and that was wrong

1891

01:09:54,709 --> 01:09:52,880

and

1892

01:09:56,870 --> 01:09:54,719

it was just it was wrong i'm not saying

1893

01:09:58,070 --> 01:09:56,880

that it wasn't well intentioned

1894

01:09:59,750 --> 01:09:58,080

and i'm not saying there's still people

1895

01:10:01,910 --> 01:09:59,760

that are like we did you know we did the

1896

01:10:03,669 --> 01:10:01,920

right thing you know we protected you we

1897

01:10:06,470 --> 01:10:03,679

saved your lives

1898

01:10:09,350 --> 01:10:06,480

right but but telling people that aliens

1899

01:10:12,709 --> 01:10:09,360

that you are alone in the universe

1900

01:10:14,790 --> 01:10:12,719

that was wrong and it led to lie after

1901

01:10:18,550 --> 01:10:14,800

lie after lie to where the science

1902

01:10:20,709 --> 01:10:18,560

community is so isolated

1903

01:10:22,310 --> 01:10:20,719

and so the mainstream public science

1904

01:10:23,510 --> 01:10:22,320

community that's supposed to educate my

1905

01:10:25,590 --> 01:10:23,520

son

1906

01:10:27,030 --> 01:10:25,600

right that's supposed to cure diseases

1907

01:10:29,590 --> 01:10:27,040

for me treat me

1908

01:10:32,790 --> 01:10:29,600

has been deprived

1909

01:10:34,390 --> 01:10:32,800

of some of the most important knowledge

1910

01:10:36,070 --> 01:10:34,400

and not only that

1911

01:10:38,709 --> 01:10:36,080

they weren't deprived they actually

1912

01:10:41,510 --> 01:10:38,719

often tried to seek it out and proved it

1913

01:10:43,350 --> 01:10:41,520

and were threatened and were covered up

1914

01:10:45,990 --> 01:10:43,360

and lost their jobs

1915

01:10:48,229 --> 01:10:46,000

that was wrong it put all humanity

1916

01:10:50,790 --> 01:10:48,239

behind not just in america

1917

01:10:52,790 --> 01:10:50,800

and that was the mistake

1918

01:10:54,790 --> 01:10:52,800

and people will need to apologize for

1919

01:10:56,630 --> 01:10:54,800

that mistake now i believe that there

1920

01:10:58,709 --> 01:10:56,640

should be forgiveness

1921

01:11:00,550 --> 01:10:58,719

i don't have this vengeful spirit of

1922

01:11:01,830 --> 01:11:00,560

sending people to jail i don't know what

1923

01:11:04,550 --> 01:11:01,840

i would have done

1924

01:11:07,430 --> 01:11:04,560

right if i was in that situation

1925

01:11:10,550 --> 01:11:07,440

right yeah um so i don't i don't think

1926

01:11:12,070 --> 01:11:10,560

we have to focus on the evilness of it i

1927

01:11:14,470 --> 01:11:12,080

do think there's those guys there's

1928

01:11:16,149 --> 01:11:14,480

definitely those psychotic characters

1929

01:11:18,229 --> 01:11:16,159

who's you know manipulating the rest of

1930

01:11:19,430 --> 01:11:18,239

us right and that that's the problem is

1931

01:11:20,950 --> 01:11:19,440

you just you have those little

1932

01:11:22,310 --> 01:11:20,960

individual

1933

01:11:24,229 --> 01:11:22,320

um

1934

01:11:26,390 --> 01:11:24,239

people that mess it up those rotten

1935

01:11:27,990 --> 01:11:26,400

apples that mess it up for the rest of

1936

01:11:29,590 --> 01:11:28,000

us but because the rest of us are just

1937

01:11:31,590 --> 01:11:29,600

full of so much fear

1938

01:11:33,430 --> 01:11:31,600

um what if this information gets out

1939

01:11:35,430 --> 01:11:33,440

they can't handle it

1940

01:11:37,510 --> 01:11:35,440

it's gonna be worse if this information

1941

01:11:38,870 --> 01:11:37,520

gets out than if we let it out that that

1942

01:11:40,950 --> 01:11:38,880

kind of fear

1943

01:11:43,430 --> 01:11:40,960

rules us and i think that's just what we

1944

01:11:45,189 --> 01:11:43,440

saw happen to our intelligence community

1945

01:11:47,350 --> 01:11:45,199

and i think too it's like you have cia

1946

01:11:49,270 --> 01:11:47,360

that has some information and fbi has

1947

01:11:51,750 --> 01:11:49,280

some information and nsa has some

1948

01:11:53,270 --> 01:11:51,760

information and nobody knows who has it

1949

01:11:55,430 --> 01:11:53,280

all and they're all competing and i

1950

01:11:57,110 --> 01:11:55,440

don't think that was

1951

01:11:58,310 --> 01:11:57,120

i know that there were reasons i don't

1952

01:12:00,310 --> 01:11:58,320

know about

1953

01:12:02,149 --> 01:12:00,320

for a while that compartmentalization

1954

01:12:05,030 --> 01:12:02,159

exists but also i mean i've

1955

01:12:07,189 --> 01:12:05,040

this is before america i mean the idea

1956

01:12:09,669 --> 01:12:07,199

of secrecy is not something that the

1957

01:12:12,149 --> 01:12:09,679

american government made up i mean uh

1958

01:12:14,149 --> 01:12:12,159

you can uh what's that the art of war i

1959

01:12:15,910 --> 01:12:14,159

mean that's an amazing read that's a

1960

01:12:18,390 --> 01:12:15,920

really short read people should read

1961

01:12:21,030 --> 01:12:18,400

that as we go into disclosure

1962

01:12:23,110 --> 01:12:21,040

so um deception is

1963

01:12:25,590 --> 01:12:23,120

human nature so even though i'm not in

1964

01:12:27,590 --> 01:12:25,600

those meetings and i don't know

1965

01:12:29,030 --> 01:12:27,600

i'm glad i don't know

1966

01:12:31,030 --> 01:12:29,040

a lot of the national security stuff i

1967

01:12:34,310 --> 01:12:31,040

know how deception works i know how

1968

01:12:35,750 --> 01:12:34,320

lying works so i know how this works

1969

01:12:37,270 --> 01:12:35,760

yeah i just want i just want to say

1970

01:12:38,470 --> 01:12:37,280

because i want to show you that even

1971

01:12:40,550 --> 01:12:38,480

though i

1972

01:12:41,669 --> 01:12:40,560

came from that side and you're coming

1973

01:12:43,189 --> 01:12:41,679

from this

1974

01:12:45,350 --> 01:12:43,199

this side we're meeting in the middle

1975

01:12:47,750 --> 01:12:45,360

here right because i i agree with you

1976

01:12:51,189 --> 01:12:47,760

about everything you just said about the

1977

01:12:54,709 --> 01:12:51,199

lying and the you know people's careers

1978

01:12:56,470 --> 01:12:54,719

ended people were threatened i i i agree

1979

01:12:58,229 --> 01:12:56,480

with you on that so

1980

01:13:00,149 --> 01:12:58,239

but i have you know i should disclose

1981

01:13:02,229 --> 01:13:00,159

this nathan i think it was almost like

1982

01:13:03,910 --> 01:13:02,239

nathan's like uh when he said you know

1983

01:13:06,550 --> 01:13:03,920

people should come to this and disclose

1984

01:13:09,350 --> 01:13:06,560

their bias i should i should disclose

1985

01:13:11,110 --> 01:13:09,360

mine but i still i agree with you

1986

01:13:12,950 --> 01:13:11,120

because i i actually will disagree i

1987

01:13:14,470 --> 01:13:12,960

disagree with nathan in the chat here is

1988

01:13:16,390 --> 01:13:14,480

that i really don't think we should be

1989

01:13:18,229 --> 01:13:16,400

in the extremes i really think that's

1990

01:13:20,310 --> 01:13:18,239

the wrong place to be just like that's

1991

01:13:21,990 --> 01:13:20,320

the wrong place to be as an american i

1992

01:13:23,430 --> 01:13:22,000

think we actually should look to come

1993

01:13:24,870 --> 01:13:23,440

towards the middle

1994

01:13:26,550 --> 01:13:24,880

and that's what you and i are doing

1995

01:13:28,550 --> 01:13:26,560

right now jane there's a little bit of

1996

01:13:29,830 --> 01:13:28,560

this and there's a little bit of that i

1997

01:13:32,310 --> 01:13:29,840

believe yeah

1998

01:13:34,229 --> 01:13:32,320

i believe lou existentially proved

1999

01:13:36,070 --> 01:13:34,239

certain things and helped and and

2000

01:13:38,550 --> 01:13:36,080

christopher helped certain things to

2001

01:13:42,229 --> 01:13:38,560

happen that gave us

2002

01:13:44,229 --> 01:13:42,239

a new world to talk about especially

2003

01:13:45,350 --> 01:13:44,239

and at the same time i agree with you

2004

01:13:49,910 --> 01:13:45,360

about

2005

01:13:55,110 --> 01:13:52,550

very untoward things that that went down

2006

01:13:57,270 --> 01:13:55,120

in terms of people as you said

2007

01:13:59,750 --> 01:13:57,280

you stated it people being threatened

2008

01:14:02,470 --> 01:13:59,760

people's careers ending people being

2009

01:14:04,550 --> 01:14:02,480

threatened that their careers would end

2010

01:14:06,070 --> 01:14:04,560

or how about how about all of our

2011

01:14:07,990 --> 01:14:06,080

children

2012

01:14:09,510 --> 01:14:08,000

growing up in a world where they're

2013

01:14:12,149 --> 01:14:09,520

being lied to about being alone in the

2014

01:14:15,030 --> 01:14:12,159

universe do you think that stunts

2015

01:14:17,590 --> 01:14:15,040

your uh imagination doesn't i think it

2016

01:14:19,750 --> 01:14:17,600

stops just about every bit of scientific

2017

01:14:21,030 --> 01:14:19,760

progress and we did our american

2018

01:14:23,189 --> 01:14:21,040

government apparently starting in

2019

01:14:24,070 --> 01:14:23,199

roswell did that to the entire

2020

01:14:25,350 --> 01:14:24,080

world

2021

01:14:27,590 --> 01:14:25,360

yeah that's a great that's actually

2022

01:14:30,229 --> 01:14:27,600

that's i've never thought

2023

01:14:32,950 --> 01:14:30,239

it's it's absolutely awful and that's

2024

01:14:37,910 --> 01:14:32,960

why a single group of people

2025

01:14:41,350 --> 01:14:37,920

don't get to to lie to the world

2026

01:14:43,669 --> 01:14:41,360

that's not a truth that belonged to them

2027

01:14:45,189 --> 01:14:43,679

just to them but in fairness the rest of

2028

01:14:46,870 --> 01:14:45,199

the world i mean you don't see the

2029

01:14:48,950 --> 01:14:46,880

russians coming out talking about what

2030

01:14:52,149 --> 01:14:48,960

they have yes you do

2031

01:14:54,550 --> 01:14:52,159

there's so much uh ufo coverage in the

2032

01:14:56,950 --> 01:14:54,560

russian media it was actually

2033

01:14:59,030 --> 01:14:56,960

really um that's where i would find the

2034

01:15:00,950 --> 01:14:59,040

best stories back in the day

2035

01:15:03,270 --> 01:15:00,960

but they're not showing what they've got

2036

01:15:05,270 --> 01:15:03,280

oh the russian disclosure the government

2037

01:15:07,910 --> 01:15:05,280

oh yes oh yes you're right you can talk

2038

01:15:10,390 --> 01:15:07,920

today is different today it's totally

2039

01:15:12,870 --> 01:15:10,400

different you are totally right you're a

2040

01:15:15,110 --> 01:15:12,880

100 percent you're saying oh yes

2041

01:15:17,830 --> 01:15:15,120

look at what we've got nobody is such a

2042

01:15:18,830 --> 01:15:17,840

united states doing it yes oh no you're

2043

01:15:23,270 --> 01:15:18,840

right

2044

01:15:25,590 --> 01:15:23,280

different world so what i'm talking

2045

01:15:27,910 --> 01:15:25,600

about before is pre this is what i mean

2046

01:15:32,229 --> 01:15:27,920

where the forgiveness has to happen

2047

01:15:34,630 --> 01:15:32,239

this has to come out this this mistake

2048

01:15:36,790 --> 01:15:34,640

that was made that had such an effect

2049

01:15:39,030 --> 01:15:36,800

you know on not just americans but the

2050

01:15:41,189 --> 01:15:39,040

whole world right and you know set us

2051
01:15:43,189 --> 01:15:41,199
back that original you know and other

2052
01:15:47,030 --> 01:15:43,199
governments did it too

2053
01:15:50,149 --> 01:15:47,040
now yes we have new this new group of

2054
01:15:51,910 --> 01:15:50,159
military members who didn't have to

2055
01:15:54,310 --> 01:15:51,920
do that cover up who didn't have to

2056
01:15:55,669 --> 01:15:54,320
participate in it right and they have a

2057
01:15:56,550 --> 01:15:55,679
chance now

2058
01:15:58,470 --> 01:15:56,560
to

2059
01:16:00,070 --> 01:15:58,480
talk about this but there's no way that

2060
01:16:02,709 --> 01:16:00,080
stuff doesn't come up

2061
01:16:04,550 --> 01:16:02,719
um i just think that history is going to

2062
01:16:06,390 --> 01:16:04,560
come out and that the question was how

2063
01:16:07,910 --> 01:16:06,400

do we get to that ultimate place and

2064

01:16:10,470 --> 01:16:07,920

trust do you think about any family

2065

01:16:12,630 --> 01:16:10,480

member or friend you get there

2066

01:16:13,830 --> 01:16:12,640

if somebody makes a mistake and they lie

2067

01:16:16,550 --> 01:16:13,840

to you they got to tell you the truth

2068

01:16:18,630 --> 01:16:16,560

for a while before you trust them

2069

01:16:21,910 --> 01:16:18,640

i mean that's just that's how it goes

2070

01:16:24,070 --> 01:16:21,920

right i agree i i i know but i mean the

2071

01:16:27,590 --> 01:16:24,080

brazilians did it with vargin my wife's

2072

01:16:29,350 --> 01:16:27,600

from my wife uh spent her entire

2073

01:16:32,070 --> 01:16:29,360

youth and into her twenties in brazil

2074

01:16:33,830 --> 01:16:32,080

and had no idea about virginia

2075

01:16:35,110 --> 01:16:33,840

what james fox is down there looking at

2076

01:16:36,550 --> 01:16:35,120

now she's like

2077

01:16:38,229 --> 01:16:36,560

never heard of that yeah no you're

2078

01:16:40,390 --> 01:16:38,239

totally right about that yeah i totally

2079

01:16:42,630 --> 01:16:40,400

agree other governments did it too other

2080

01:16:44,550 --> 01:16:42,640

governments did it too

2081

01:16:45,910 --> 01:16:44,560

in fact i think i think i'm

2082

01:16:47,750 --> 01:16:45,920

i hate to say this actually we're going

2083

01:16:50,070 --> 01:16:47,760

to go back to your point

2084

01:16:51,990 --> 01:16:50,080

i i think that james fox said that

2085

01:16:54,950 --> 01:16:52,000

american agents showed turned up in

2086

01:16:55,910 --> 01:16:54,960

brazil at some of the sightings only

2087

01:16:58,149 --> 01:16:55,920

surprised

2088

01:16:59,910 --> 01:16:58,159

yeah i think i think

2089

01:17:01,910 --> 01:16:59,920

i think i saw that right did you ever

2090

01:17:03,830 --> 01:17:01,920

see that nathan yeah they said all

2091

01:17:05,430 --> 01:17:03,840

american agents came one of the ones

2092

01:17:07,430 --> 01:17:05,440

that was on the lake

2093

01:17:09,750 --> 01:17:07,440

where the uh

2094

01:17:12,870 --> 01:17:09,760

i heard him mention something about

2095

01:17:15,350 --> 01:17:12,880

men in suits who had come to

2096

01:17:17,910 --> 01:17:15,360

speak to the mother of some girls that

2097

01:17:18,870 --> 01:17:17,920

saw the being

2098

01:17:22,870 --> 01:17:18,880

and

2099

01:17:23,750 --> 01:17:22,880

of cash

2100

01:17:27,110 --> 01:17:23,760

to

2101

01:17:29,189 --> 01:17:27,120

kids saw like

2102

01:17:30,550 --> 01:17:29,199

to her kids like no you didn't see that

2103

01:17:32,630 --> 01:17:30,560

like you were crazy it wasn't that at

2104

01:17:34,070 --> 01:17:32,640

all and like just take take this money

2105

01:17:35,669 --> 01:17:34,080

and it was enough money apparently this

2106

01:17:37,669 --> 01:17:35,679

is according to him it's enough money

2107

01:17:39,110 --> 01:17:37,679

that they could have like relocated to

2108

01:17:41,910 --> 01:17:39,120

another country like it was a lot of

2109

01:17:42,950 --> 01:17:41,920

money and she she turned it down

2110

01:17:45,110 --> 01:17:42,960

um

2111

01:17:46,790 --> 01:17:45,120

so interesting he did say that that one

2112

01:17:48,870 --> 01:17:46,800

of the men spoke portuguese but the

2113

01:17:50,149 --> 01:17:48,880

others i mean it wasn't clear maybe that

2114

01:17:52,470 --> 01:17:50,159

they did or not

2115

01:17:53,350 --> 01:17:52,480

um so i'm not entirely sure if they were

2116

01:17:55,110 --> 01:17:53,360

you know

2117

01:17:58,310 --> 01:17:55,120

from the us or whatever

2118

01:18:00,709 --> 01:17:58,320

um but you know look i mean this is it

2119

01:18:03,510 --> 01:18:00,719

is the greatest story right it is the

2120

01:18:05,030 --> 01:18:03,520

it's the greatest story in in human

2121

01:18:07,189 --> 01:18:05,040

civilization

2122

01:18:09,189 --> 01:18:07,199

and and and and here's the other thing

2123

01:18:10,790 --> 01:18:09,199

too right so we're at a point in our

2124

01:18:13,750 --> 01:18:10,800

history

2125

01:18:15,030 --> 01:18:13,760

at least now where

2126

01:18:20,470 --> 01:18:15,040

the

2127

01:18:22,470 --> 01:18:20,480

our our civilizations are starting to

2128

01:18:23,830 --> 01:18:22,480

dissolve you know so the the stories

2129

01:18:25,750 --> 01:18:23,840

that have sustained the great

2130

01:18:28,229 --> 01:18:25,760

civilizations of the earth

2131

01:18:31,270 --> 01:18:28,239

are are slightly different and they're

2132

01:18:33,830 --> 01:18:31,280

dissolving they don't hold as much sway

2133

01:18:35,350 --> 01:18:33,840

for most of the world's peoples any

2134

01:18:36,950 --> 01:18:35,360

longer you know there are people that

2135

01:18:39,350 --> 01:18:36,960

still believe in these things and that's

2136

01:18:41,189 --> 01:18:39,360

fine and there are some who believe in

2137

01:18:43,110 --> 01:18:41,199

them more ardently than others but we

2138

01:18:45,910 --> 01:18:43,120

are reaching a point at which these

2139

01:18:49,350 --> 01:18:45,920

ancient stories are dissolving and they

2140

01:18:51,990 --> 01:18:49,360

hold less power than they once held and

2141

01:18:53,669 --> 01:18:52,000

i think we are fairy now or yes we're

2142

01:18:55,350 --> 01:18:53,679

getting rid of the tooth fairy so we're

2143

01:18:57,510 --> 01:18:55,360

at this work

2144

01:18:59,270 --> 01:18:57,520

yeah i hate to break it to you but we're

2145

01:19:01,270 --> 01:18:59,280

crossing that we're crossing a threshold

2146

01:19:03,590 --> 01:19:01,280

here you know and we are we are moving

2147

01:19:04,470 --> 01:19:03,600

into a future where a new story must be

2148

01:19:06,709 --> 01:19:04,480

told

2149

01:19:08,950 --> 01:19:06,719

and a story that i think

2150

01:19:10,870 --> 01:19:08,960

is going to be clearer

2151
01:19:13,030 --> 01:19:10,880
than the stories that have preceded it

2152
01:19:14,790 --> 01:19:13,040
now when i say that is that the stories

2153
01:19:17,669 --> 01:19:14,800
that preceded it

2154
01:19:18,870 --> 01:19:17,679
are have a lot of truth to them

2155
01:19:21,590 --> 01:19:18,880
so that

2156
01:19:24,229 --> 01:19:21,600
there's going to be a similar truth in

2157
01:19:26,950 --> 01:19:24,239
the news story that existed in the old

2158
01:19:29,430 --> 01:19:26,960
but the new story will be uh will be

2159
01:19:31,910 --> 01:19:29,440
truer in a kind of cosmological sense

2160
01:19:34,630 --> 01:19:31,920
right so it's not going to be you know

2161
01:19:36,950 --> 01:19:34,640
as fantastical as these ancient stories

2162
01:19:37,910 --> 01:19:36,960
were it will be truer and more sort of

2163
01:19:40,630 --> 01:19:37,920

um

2164

01:19:41,990 --> 01:19:40,640

uh harmonious with the way things really

2165

01:19:44,070 --> 01:19:42,000

in fact are

2166

01:19:46,229 --> 01:19:44,080

and and the power of that story coming

2167

01:19:48,550 --> 01:19:46,239

back to what you said jane

2168

01:19:50,470 --> 01:19:48,560

and and the power that stories have to

2169

01:19:51,430 --> 01:19:50,480

transform knowledge

2170

01:19:53,990 --> 01:19:51,440

like

2171

01:19:56,390 --> 01:19:54,000

you think about the wright brothers and

2172

01:19:58,070 --> 01:19:56,400

what they did on that rickety

2173

01:20:00,149 --> 01:19:58,080

you know sort of pla

2174

01:20:02,310 --> 01:20:00,159

playing out in kitty hawk and then

2175

01:20:04,550 --> 01:20:02,320

within a matter of decades

2176
01:20:07,030 --> 01:20:04,560
you know we're on the freaking moon i

2177
01:20:09,830 --> 01:20:07,040
mean so that one event

2178
01:20:12,149 --> 01:20:09,840
ignited all of this transformative

2179
01:20:14,870 --> 01:20:12,159
knowledge not just in in in in space

2180
01:20:17,270 --> 01:20:14,880
flight or or or you know flying just

2181
01:20:19,270 --> 01:20:17,280
planes but but in so many industries in

2182
01:20:21,189 --> 01:20:19,280
the world in technology et cetera like

2183
01:20:24,149 --> 01:20:21,199
that one thing

2184
01:20:26,390 --> 01:20:24,159
showed other people hey well we can do

2185
01:20:28,229 --> 01:20:26,400
this you know yeah this can be done and

2186
01:20:30,709 --> 01:20:28,239
we can do it we can do it better we can

2187
01:20:32,550 --> 01:20:30,719
do it faster we can do more and and that

2188
01:20:35,030 --> 01:20:32,560

that's where we are now so you take that

2189

01:20:37,110 --> 01:20:35,040

one example and you extrapolate that out

2190

01:20:39,990 --> 01:20:37,120

to what this story will do

2191

01:20:42,390 --> 01:20:40,000

for the world and oh yeah the next

2192

01:20:44,149 --> 01:20:42,400

centuries of our of our lives you know

2193

01:20:47,030 --> 01:20:44,159

are going to look

2194

01:20:49,629 --> 01:20:47,040

like magical compared to what the past

2195

01:20:52,070 --> 01:20:49,639

was like you know like completely

2196

01:20:53,830 --> 01:20:52,080

unrecognizable to what what life looks

2197

01:20:55,990 --> 01:20:53,840

like right right now and that these that

2198

01:20:56,790 --> 01:20:56,000

that's the romantic notion that i cling

2199

01:20:58,310 --> 01:20:56,800

to

2200

01:21:01,030 --> 01:20:58,320

what will it do

2201
01:21:02,950 --> 01:21:01,040
for our world i mean i think it it it's

2202
01:21:05,669 --> 01:21:02,960
the sky is the limit right i mean i i

2203
01:21:07,510 --> 01:21:05,679
was seeing uh i forget who said this but

2204
01:21:09,910 --> 01:21:07,520
uh you know essentially if you take

2205
01:21:11,750 --> 01:21:09,920
somebody if you were to take some take

2206
01:21:13,750 --> 01:21:11,760
us you would take us if we were to go

2207
01:21:16,149 --> 01:21:13,760
back 100 years and we were just to sit

2208
01:21:18,470 --> 01:21:16,159
and provide a lecture to the brightest

2209
01:21:21,189 --> 01:21:18,480
minds in the world 100 years ago and we

2210
01:21:23,430 --> 01:21:21,199
were to say hey i'm from the future and

2211
01:21:25,990 --> 01:21:23,440
this is what it's like you know

2212
01:21:27,669 --> 01:21:26,000
i have a device that can do yada yada i

2213
01:21:30,229 --> 01:21:27,679

can be anywhere in the world and use it

2214

01:21:32,390 --> 01:21:30,239

i can uh i can do xyz you know our

2215

01:21:34,310 --> 01:21:32,400

medicine can do this we've been to the

2216

01:21:36,229 --> 01:21:34,320

moon we've been to mars we've been to i

2217

01:21:38,870 --> 01:21:36,239

mean they would just look at you like

2218

01:21:41,189 --> 01:21:38,880

you were an absolute lunatic you know

2219

01:21:43,590 --> 01:21:41,199

like none of that would make sense uh it

2220

01:21:45,110 --> 01:21:43,600

would seem impossible you know

2221

01:21:47,510 --> 01:21:45,120

and and and that that's what the people

2222

01:21:49,430 --> 01:21:47,520

who who had the ability the mental

2223

01:21:51,030 --> 01:21:49,440

ability to imagine

2224

01:21:52,629 --> 01:21:51,040

the things that weren't even real at

2225

01:21:54,629 --> 01:21:52,639

that time that they lived but they had

2226

01:21:56,950 --> 01:21:54,639

that a sense of what they could do even

2227

01:22:00,390 --> 01:21:56,960

the sense of what they could do would

2228

01:22:03,030 --> 01:22:00,400

not come close to what reality actually

2229

01:22:04,790 --> 01:22:03,040

ended up being right so it's this it's

2230

01:22:07,030 --> 01:22:04,800

the exact same principle you know and

2231

01:22:08,790 --> 01:22:07,040

and in fact it actually compounds you

2232

01:22:11,189 --> 01:22:08,800

know so as this is the power of

2233

01:22:13,350 --> 01:22:11,199

technology so technology

2234

01:22:16,149 --> 01:22:13,360

has a uh has a compounding

2235

01:22:18,950 --> 01:22:16,159

impact on change right and so the more

2236

01:22:20,550 --> 01:22:18,960

technology that is is discovered and the

2237

01:22:21,750 --> 01:22:20,560

more that we have an ability to kind of

2238

01:22:23,590 --> 01:22:21,760

harness

2239

01:22:25,669 --> 01:22:23,600

these things the the more the

2240

01:22:26,709 --> 01:22:25,679

exponential kind of growth that we can

2241

01:22:28,790 --> 01:22:26,719

achieve

2242

01:22:30,790 --> 01:22:28,800

and so it you know really truly a

2243

01:22:32,709 --> 01:22:30,800

hundred years from now you know even if

2244

01:22:35,590 --> 01:22:32,719

we're on the track right now exclude the

2245

01:22:36,870 --> 01:22:35,600

conversation about aliens or whatever

2246

01:22:39,030 --> 01:22:36,880

right the future's still gonna look

2247

01:22:41,189 --> 01:22:39,040

bizarre too right that's the thing is

2248

01:22:43,669 --> 01:22:41,199

you don't even have to invoke aliens

2249

01:22:45,750 --> 01:22:43,679

anymore we're getting so advanced and

2250

01:22:47,830 --> 01:22:45,760

fancy because there's like i mean

2251

01:22:49,830 --> 01:22:47,840

artificial intelligence is the latest

2252

01:22:52,149 --> 01:22:49,840

thing i've been i don't know why i

2253

01:22:53,750 --> 01:22:52,159

wasn't more fascinated with it a long

2254

01:22:55,590 --> 01:22:53,760

time ago

2255

01:22:57,910 --> 01:22:55,600

but yeah i mean that i mean that's

2256

01:23:00,229 --> 01:22:57,920

probably for another another show but

2257

01:23:01,510 --> 01:23:00,239

that's exactly what you're saying i mean

2258

01:23:04,149 --> 01:23:01,520

it does we don't even have to have

2259

01:23:06,709 --> 01:23:04,159

aliens and it's gonna get really

2260

01:23:09,750 --> 01:23:06,719

it's gonna get pretty crazy yeah

2261

01:23:11,430 --> 01:23:09,760

no i can't be insane

2262

01:23:14,390 --> 01:23:11,440

i can actually counter your point when

2263

01:23:15,590 --> 01:23:14,400

it comes to powered flight

2264

01:23:17,750 --> 01:23:15,600

so okay

2265

01:23:21,270 --> 01:23:17,760

if you look at the right flyer

2266

01:23:23,830 --> 01:23:21,280

in what was it 1903 and then you go to

2267

01:23:27,030 --> 01:23:23,840

let's say 1958 when they were working on

2268

01:23:30,870 --> 01:23:27,040

the sr-71 out at groom lake which is now

2269

01:23:33,590 --> 01:23:30,880

area 51 and it's supersonic it flies by

2270

01:23:34,470 --> 01:23:33,600

the exact same principle as the right

2271

01:23:36,229 --> 01:23:34,480

flyer

2272

01:23:37,590 --> 01:23:36,239

yeah but its capability is like

2273

01:23:40,229 --> 01:23:37,600

exponentially

2274

01:23:43,110 --> 01:23:42,229

but again i'm talking about powered

2275

01:23:45,110 --> 01:23:43,120

flight

2276

01:23:49,189 --> 01:23:45,120

it's the exact same principle now let's

2277

01:23:53,030 --> 01:23:49,199

look today let's look at 1969 and today

2278

01:23:54,870 --> 01:23:53,040

spacex uses the exact same technology

2279

01:23:56,629 --> 01:23:54,880

right and someone pointed out on ufo

2280

01:23:59,910 --> 01:23:56,639

twitter brilliantly the other day one of

2281

01:24:01,510 --> 01:23:59,920

our our friends by the way i love you

2282

01:24:02,709 --> 01:24:01,520

ufo twitter there's so many brilliant

2283

01:24:05,189 --> 01:24:02,719

people there

2284

01:24:07,110 --> 01:24:05,199

that have great ideas but someone said

2285

01:24:07,910 --> 01:24:07,120

we're still using parachutes

2286

01:24:09,510 --> 01:24:07,920

so

2287

01:24:13,590 --> 01:24:09,520

in powered flight

2288

01:24:16,310 --> 01:24:13,600

something like tic tac or gimbal or

2289

01:24:19,750 --> 01:24:16,320

many of the sightings that probably jane

2290

01:24:22,709 --> 01:24:19,760

has documented in her work is so far

2291

01:24:24,390 --> 01:24:22,719

advanced that we haven't even

2292

01:24:25,350 --> 01:24:24,400

we haven't even come close because we're

2293

01:24:27,830 --> 01:24:25,360

still

2294

01:24:29,350 --> 01:24:27,840

flying the exact same way

2295

01:24:32,070 --> 01:24:29,360

right as the wright brothers flew in

2296

01:24:33,590 --> 01:24:32,080

1903. a lot of people don't realize that

2297

01:24:35,950 --> 01:24:33,600

right and what but what it takes is it

2298

01:24:37,510 --> 01:24:35,960

takes the scientific community

2299

01:24:39,669 --> 01:24:37,520

legitimizing

2300

01:24:41,910 --> 01:24:39,679

something new for the scientific

2301
01:24:44,229 --> 01:24:41,920
community to go oh wait we actually can

2302
01:24:45,830 --> 01:24:44,239
do this like you know like we could do

2303
01:24:47,669 --> 01:24:45,840
anti-gravity like you're telling us

2304
01:24:49,910 --> 01:24:47,679
telling us that that is a thing

2305
01:24:53,030 --> 01:24:49,920
it's everything once you tell somebody

2306
01:24:55,110 --> 01:24:53,040
that they can't do so i mean then yes

2307
01:24:56,870 --> 01:24:55,120
it's not a debate anymore and that's all

2308
01:24:59,350 --> 01:24:56,880
you're doing is trying to make the next

2309
01:25:01,350 --> 01:24:59,360
anti-gravity and it's just a completely

2310
01:25:02,709 --> 01:25:01,360
different discussion the hardest hurdle

2311
01:25:04,629 --> 01:25:02,719
has been overcome

2312
01:25:06,390 --> 01:25:04,639
it really has the hurdle of the mind the

2313
01:25:08,470 --> 01:25:06,400

mental block yeah i think it's going to

2314

01:25:10,790 --> 01:25:08,480

be overcome no matter what right whether

2315

01:25:12,629 --> 01:25:10,800

or not everybody goes along with the

2316

01:25:14,550 --> 01:25:12,639

alien theory

2317

01:25:15,590 --> 01:25:14,560

right because the technology is going to

2318

01:25:19,430 --> 01:25:15,600

be there

2319

01:25:20,470 --> 01:25:19,440

sure and i think too i guess

2320

01:25:22,550 --> 01:25:20,480

well

2321

01:25:23,910 --> 01:25:22,560

yeah i guess that's a question huh but i

2322

01:25:27,030 --> 01:25:23,920

guess we know that we're going to have

2323

01:25:29,189 --> 01:25:27,040

the ai right we know nasa wants to

2324

01:25:31,189 --> 01:25:29,199

colonize mars i mean i'd say this also

2325

01:25:33,110 --> 01:25:31,199

goes to what we're saying here right

2326
01:25:34,550 --> 01:25:33,120
this is going to happen regardless and

2327
01:25:36,390 --> 01:25:34,560
this is why i say

2328
01:25:38,070 --> 01:25:36,400
well if disclo if aliens are real and

2329
01:25:40,950 --> 01:25:38,080
visiting and

2330
01:25:43,030 --> 01:25:40,960
they know that um everybody's going to

2331
01:25:45,430 --> 01:25:43,040
be on board with the technology or

2332
01:25:46,790 --> 01:25:45,440
whatever that we're able to disclose

2333
01:25:50,229 --> 01:25:46,800
right so

2334
01:25:51,910 --> 01:25:50,239
nasa i like to remind folks had said

2335
01:25:53,590 --> 01:25:51,920
in press conferences well they've been

2336
01:25:56,070 --> 01:25:53,600
talking about colonizing mars for a long

2337
01:25:58,310 --> 01:25:56,080
time they made posters like years ago i

2338
01:26:00,629 --> 01:25:58,320

think 2011 posters of like people

2339

01:26:02,629 --> 01:26:00,639

gardening on mars and stuff

2340

01:26:04,870 --> 01:26:02,639

and they said

2341

01:26:05,669 --> 01:26:04,880

that the time for finding e.t life is

2342

01:26:08,550 --> 01:26:05,679

now

2343

01:26:11,030 --> 01:26:08,560

and that is a ludicrous statement the

2344

01:26:13,110 --> 01:26:11,040

only way you can't be saying oh we don't

2345

01:26:14,629 --> 01:26:13,120

know that eta life is out there and

2346

01:26:16,870 --> 01:26:14,639

could come here

2347

01:26:19,830 --> 01:26:16,880

but we're gonna find it for sure in the

2348

01:26:21,669 --> 01:26:19,840

next 20 years totally ludicrous the only

2349

01:26:23,270 --> 01:26:21,679

way that you say something like that is

2350

01:26:24,870 --> 01:26:23,280

if you already know

2351

01:26:26,470 --> 01:26:24,880

that the life's out there

2352

01:26:28,390 --> 01:26:26,480

and you know that now

2353

01:26:30,390 --> 01:26:28,400

you're going to find it so there's been

2354

01:26:32,310 --> 01:26:30,400

so many slips of the tongue of like the

2355

01:26:35,110 --> 01:26:32,320

headline that's just like how

2356

01:26:37,510 --> 01:26:35,120

like this is planting the scene yeah and

2357

01:26:41,030 --> 01:26:37,520

there was another time um

2358

01:26:42,870 --> 01:26:41,040

where i remember a nasa spokesperson um

2359

01:26:45,110 --> 01:26:42,880

was talking about the i don't know if it

2360

01:26:46,470 --> 01:26:45,120

was mars or venus does mars or venus

2361

01:26:48,229 --> 01:26:46,480

they're talking about biological life

2362

01:26:50,149 --> 01:26:48,239

forms being there in the past a present

2363

01:26:52,790 --> 01:26:50,159

he said something like we are not

2364

01:26:54,950 --> 01:26:52,800

rolling out that theory yet

2365

01:26:56,950 --> 01:26:54,960

so it's like did you i think you i think

2366

01:26:58,790 --> 01:26:56,960

you just goofed and

2367

01:27:01,590 --> 01:26:58,800

you thought you were in a meeting

2368

01:27:04,550 --> 01:27:01,600

uh with you know not talking to just as

2369

01:27:06,870 --> 01:27:04,560

civilians so i mean nasa

2370

01:27:09,350 --> 01:27:06,880

you know nasa is a public space program

2371

01:27:11,430 --> 01:27:09,360

yeah uh right that's obviously gonna

2372

01:27:12,790 --> 01:27:11,440

going to play a big role in this and and

2373

01:27:14,950 --> 01:27:12,800

they're they've been predicting

2374

01:27:16,310 --> 01:27:14,960

everybody has their um

2375

01:27:18,149 --> 01:27:16,320

cash in this

2376

01:27:20,070 --> 01:27:18,159

everybody's invested in this it's

2377

01:27:22,149 --> 01:27:20,080

definitely happening you know whether or

2378

01:27:24,709 --> 01:27:22,159

not everybody

2379

01:27:28,149 --> 01:27:24,719

is invested in the alien theory i mean

2380

01:27:29,350 --> 01:27:28,159

it it is happening right yeah

2381

01:27:31,030 --> 01:27:29,360

yeah um

2382

01:27:34,310 --> 01:27:31,040

jane i actually have a question about

2383

01:27:35,910 --> 01:27:34,320

you about that i'm very curious because

2384

01:27:38,390 --> 01:27:35,920

and this is particularly relevant

2385

01:27:41,189 --> 01:27:38,400

because you've been studying this topic

2386

01:27:44,790 --> 01:27:41,199

longer than uh most of us definitely

2387

01:27:47,910 --> 01:27:44,800

longer than nathan and i by 25 miles

2388

01:27:49,510 --> 01:27:47,920

um what is your thoughts on

2389

01:27:52,629 --> 01:27:49,520

what percentage like do you have a

2390

01:27:54,550 --> 01:27:52,639

feeling of well i think uh i'm really

2391

01:27:57,110 --> 01:27:54,560

more bought into the theory that there's

2392

01:27:58,790 --> 01:27:57,120

something that's already been habit uh

2393

01:28:00,310 --> 01:27:58,800

inhabiting the planet and then it

2394

01:28:02,229 --> 01:28:00,320

reveals that

2395

01:28:03,830 --> 01:28:02,239

that intelligence will reveal itself

2396

01:28:07,510 --> 01:28:03,840

when it wants to

2397

01:28:09,110 --> 01:28:07,520

uh and then or do you think it's more

2398

01:28:11,030 --> 01:28:09,120

you know what do you think the blend is

2399

01:28:12,550 --> 01:28:11,040

if i were to ask you that and then the

2400

01:28:14,070 --> 01:28:12,560

last question i'm going to ask you after

2401

01:28:16,390 --> 01:28:14,080

this one is going to be about anjali so

2402

01:28:18,149 --> 01:28:16,400

i don't want to let that go okay but but

2403

01:28:19,990 --> 01:28:18,159

if you would if you would uh what do you

2404

01:28:22,229 --> 01:28:20,000

think the mixture is the the percentage

2405

01:28:23,990 --> 01:28:22,239

blends so on so forth

2406

01:28:26,629 --> 01:28:24,000

yeah and i want to say i don't think i'm

2407

01:28:27,990 --> 01:28:26,639

more of an expert on i mean yes i've

2408

01:28:29,510 --> 01:28:28,000

been studying your photos for a while

2409

01:28:32,950 --> 01:28:29,520

but i mean if you're a pilot you

2410

01:28:36,709 --> 01:28:32,960

understand how an aircraft works like

2411

01:28:39,030 --> 01:28:36,719

gazillion times more than me oh but then

2412

01:28:41,270 --> 01:28:39,040

that's a lot that but that adds a whole

2413

01:28:43,350 --> 01:28:41,280

other expertise around you know

2414

01:28:45,830 --> 01:28:43,360

unidentified flying objects let me just

2415

01:28:47,990 --> 01:28:45,840

say that so i'm just bringing what i can

2416

01:28:49,830 --> 01:28:48,000

to the table um

2417

01:28:52,149 --> 01:28:49,840

yeah i mean like what's my latest you

2418

01:28:53,669 --> 01:28:52,159

know working theory you know it's really

2419

01:28:55,110 --> 01:28:53,679

interesting because

2420

01:28:57,430 --> 01:28:55,120

even though i

2421

01:28:59,270 --> 01:28:57,440

the older cases of the grays and the

2422

01:29:01,030 --> 01:28:59,280

physical contacts from the past and

2423

01:29:03,430 --> 01:29:01,040

roswell were really compelling to me in

2424

01:29:04,550 --> 01:29:03,440

cases like um zimbabwe and stuff really

2425

01:29:06,550 --> 01:29:04,560

compelling

2426

01:29:08,870 --> 01:29:06,560

most of the abduction reports

2427

01:29:10,709 --> 01:29:08,880

that i get are like there's no physical

2428

01:29:14,470 --> 01:29:10,719

evidence and it's just like people

2429

01:29:16,709 --> 01:29:14,480

experienced in a dream or almost like um

2430

01:29:17,990 --> 01:29:16,719

or in a dream like state right and so

2431

01:29:19,590 --> 01:29:18,000

even though i knew people were telling

2432

01:29:21,750 --> 01:29:19,600

the truth

2433

01:29:23,830 --> 01:29:21,760

no matter how many rapport i would read

2434

01:29:25,910 --> 01:29:23,840

saying like the same kind of thing i

2435

01:29:27,669 --> 01:29:25,920

still kind of would doubt it because

2436

01:29:30,550 --> 01:29:27,679

i've just never had that experience and

2437

01:29:31,430 --> 01:29:30,560

it just seems so hard to believe but

2438

01:29:34,790 --> 01:29:31,440

i'm

2439

01:29:37,110 --> 01:29:34,800

getting closer to a place of acceptance

2440

01:29:39,910 --> 01:29:37,120

um where okay this is what it would

2441

01:29:41,590 --> 01:29:39,920

probably look like i mean this is

2442

01:29:42,790 --> 01:29:41,600

what it would be like it would be a

2443

01:29:45,350 --> 01:29:42,800

confusing

2444

01:29:47,910 --> 01:29:45,360

mysterious experience

2445

01:29:49,669 --> 01:29:47,920

that wouldn't have necessarily this

2446

01:29:51,270 --> 01:29:49,679

clear story or

2447

01:29:53,030 --> 01:29:51,280

physical evidence and it would have an

2448

01:29:55,430 --> 01:29:53,040

effect too on witnesses that would

2449

01:29:57,590 --> 01:29:55,440

actually might even make it hard

2450

01:29:58,390 --> 01:29:57,600

to talk to them about it um because more

2451

01:30:00,870 --> 01:29:58,400

i've

2452

01:30:02,709 --> 01:30:00,880

tried to learn about the phenomena and

2453

01:30:04,870 --> 01:30:02,719

explored i'm really interested in

2454

01:30:07,270 --> 01:30:04,880

psychology so i've got a lot of youtube

2455

01:30:08,390 --> 01:30:07,280

degrees so

2456

01:30:15,110 --> 01:30:08,400

i have

2457

01:30:17,750 --> 01:30:15,120

read a lot about different mental

2458

01:30:20,310 --> 01:30:17,760

illnesses and there is look we have to

2459

01:30:21,430 --> 01:30:20,320

be honest there's some overlap with

2460

01:30:22,950 --> 01:30:21,440

things that people experience with

2461

01:30:26,550 --> 01:30:22,960

different mental illnesses and and

2462

01:30:28,310 --> 01:30:26,560

things that overlap with people that

2463

01:30:31,030 --> 01:30:28,320

experience like anomalous things things

2464

01:30:32,550 --> 01:30:31,040

like that so we have to acknowledge that

2465

01:30:35,350 --> 01:30:32,560

but that's

2466

01:30:37,110 --> 01:30:35,360

it's not black and white like that

2467

01:30:39,430 --> 01:30:37,120

um perception is not black and white

2468

01:30:41,189 --> 01:30:39,440

like that and that overlap there might

2469

01:30:42,550 --> 01:30:41,199

actually be something to that

2470

01:30:44,550 --> 01:30:42,560

um

2471

01:30:46,390 --> 01:30:44,560

that's a little unsettling kind of hard

2472

01:30:47,590 --> 01:30:46,400

to get into

2473

01:30:49,750 --> 01:30:47,600

right different people perceive

2474

01:30:52,709 --> 01:30:49,760

different things

2475

01:30:54,149 --> 01:30:52,719

ufos might be hard to perceive so

2476

01:30:55,669 --> 01:30:54,159

we're all kind of having our personal

2477

01:30:58,229 --> 01:30:55,679

experience with this and i've kind of

2478

01:31:00,149 --> 01:30:58,239

learned to accept that and so i guess

2479

01:31:03,110 --> 01:31:00,159

that was a long answer

2480

01:31:04,229 --> 01:31:03,120

but as time goes on yeah i'm more and

2481

01:31:07,669 --> 01:31:04,239

more

2482

01:31:09,110 --> 01:31:07,679

believing that that stereotypical grey

2483

01:31:10,950 --> 01:31:09,120

alien

2484

01:31:13,590 --> 01:31:10,960

is real and that there might be

2485

01:31:15,270 --> 01:31:13,600

different kinds and um

2486

01:31:17,910 --> 01:31:15,280

i i've heard people talk about them

2487

01:31:19,750 --> 01:31:17,920

being android biologically androids that

2488

01:31:22,550 --> 01:31:19,760

make sense with

2489

01:31:24,870 --> 01:31:22,560

a lot of the reports so i'm

2490

01:31:27,110 --> 01:31:24,880

yeah i kind of think that yes roswell

2491

01:31:28,709 --> 01:31:27,120

was exactly what we think it was

2492

01:31:32,070 --> 01:31:28,719

you know it's so funny the skeptics love

2493

01:31:33,990 --> 01:31:32,080

to say well don't um occam's a razor the

2494

01:31:35,510 --> 01:31:34,000

simplest explanation is always the right

2495

01:31:37,830 --> 01:31:35,520

one well number one that's not a

2496

01:31:39,510 --> 01:31:37,840

scientific theory yeah whatever they're

2497

01:31:41,270 --> 01:31:39,520

just still saying

2498

01:31:44,070 --> 01:31:41,280

but they make your apply

2499

01:31:45,510 --> 01:31:44,080

they never apply it to things like raw

2500

01:31:47,750 --> 01:31:45,520

as well they always throw it out

2501

01:31:50,470 --> 01:31:47,760

whenever there's an alien or ufo

2502

01:31:53,910 --> 01:31:50,480

sighting you can never just believe the

2503

01:31:56,070 --> 01:31:53,920

basic story so i'm coming just to terms

2504

01:31:58,709 --> 01:31:56,080

with that and

2505

01:32:01,110 --> 01:31:58,719

obviously you know my mind can change

2506

01:32:01,990 --> 01:32:01,120

but uh yeah i think the grays are real i

2507

01:32:04,629 --> 01:32:02,000

think

2508

01:32:06,390 --> 01:32:04,639

there was a spacecraft that crashed in

2509

01:32:08,070 --> 01:32:06,400

roswell maybe it was like with the tic

2510

01:32:09,910 --> 01:32:08,080

tac ufos today where we were

2511

01:32:12,790 --> 01:32:09,920

anticipating it and we even set up a

2512

01:32:15,990 --> 01:32:12,800

whole top secret military project

2513

01:32:17,910 --> 01:32:16,000

right alongside project mo mogul you

2514

01:32:20,550 --> 01:32:17,920

know that we were summoning it for all

2515

01:32:23,189 --> 01:32:20,560

we know and then we could use that for

2516

01:32:25,270 --> 01:32:23,199

all we know so yeah i do think that was

2517

01:32:27,669 --> 01:32:25,280

the start of the secrecy at least for

2518

01:32:29,350 --> 01:32:27,679

sure that was definitely the start of it

2519

01:32:31,110 --> 01:32:29,360

and we're you know living with that you

2520

01:32:32,870 --> 01:32:31,120

know to this day

2521

01:32:35,270 --> 01:32:32,880

i think with the the tic tac i think

2522

01:32:36,550 --> 01:32:35,280

what happened was when kevin and company

2523

01:32:41,830 --> 01:32:36,560

saw it

2524

01:32:43,669 --> 01:32:41,840

and down i don't think they didn't know

2525

01:32:45,669 --> 01:32:43,679

that that's what's going on yeah

2526

01:32:47,669 --> 01:32:45,679

that no i'm saying is i don't think they

2527

01:32:49,510 --> 01:32:47,679

knew that it was going to turn up in

2528

01:32:51,990 --> 01:32:49,520

that certain area that it turned up and

2529

01:32:53,669 --> 01:32:52,000

since they had uh what's his name dave

2530

01:32:55,510 --> 01:32:53,679

and alex out there they said okay we're

2531

01:32:58,149 --> 01:32:55,520

going to go intercept and get what we

2532

01:32:59,430 --> 01:32:58,159

would call vis-obs get eyes on i see it

2533

01:33:01,189 --> 01:32:59,440

on a sensor

2534

01:33:03,189 --> 01:33:01,199

well that's great i see it on phased

2535

01:33:05,350 --> 01:33:03,199

array radar can i actually see with mark

2536

01:33:06,070 --> 01:33:05,360

one eyebrows and

2537

01:33:13,910 --> 01:33:06,080

the

2538

01:33:16,149 --> 01:33:13,920

is is i was a planner i used to plan

2539

01:33:18,870 --> 01:33:16,159

exercises in missions and stuff is i

2540

01:33:21,430 --> 01:33:18,880

would not turn loose somebody into

2541

01:33:22,790 --> 01:33:21,440

somebody else's working airspace

2542

01:33:25,110 --> 01:33:22,800

without them knowing about it because

2543

01:33:27,350 --> 01:33:25,120

that's how class a accidents happen

2544

01:33:29,110 --> 01:33:27,360

people will run into each other somebody

2545

01:33:31,990 --> 01:33:29,120

gets killed and the next thing you know

2546

01:33:34,629 --> 01:33:32,000

we're up before quartz marshall and

2547

01:33:36,550 --> 01:33:34,639

a lot of bad things happen so

2548

01:33:38,070 --> 01:33:36,560

so if you were going to set something

2549

01:33:40,470 --> 01:33:38,080

like that up or if i were going to set

2550

01:33:43,669 --> 01:33:40,480

up training like tic tac if i if i were

2551

01:33:46,149 --> 01:33:43,679

in that program i would ask the navy j3

2552

01:33:49,430 --> 01:33:46,159

at the pentagon to get me x amount of

2553

01:33:51,350 --> 01:33:49,440

crews two f a 18s i'm going to give you

2554

01:33:53,350 --> 01:33:51,360

a squawk and a call sign to get into

2555

01:33:55,110 --> 01:33:53,360

area 51 and you're going to be there for

2556

01:33:56,310 --> 01:33:55,120

two weeks and we're going to fly and

2557

01:33:57,910 --> 01:33:56,320

we're going to intercept and we're going

2558

01:33:59,430 --> 01:33:57,920

to do this so we're going to do that and

2559

01:34:01,510 --> 01:33:59,440

then we're going to have you sign your

2560

01:34:03,430 --> 01:34:01,520

ndas we're going to cut you loose

2561

01:34:05,110 --> 01:34:03,440

back to your your mission and that's

2562

01:34:08,310 --> 01:34:05,120

that and will threaten the hell out of

2563

01:34:11,189 --> 01:34:08,320

you but i wouldn't just turn my object

2564

01:34:13,669 --> 01:34:11,199

loose in their working airspace and see

2565

01:34:15,350 --> 01:34:13,679

what happened right yeah dave nearly hit

2566

01:34:17,110 --> 01:34:15,360

the thing yeah

2567

01:34:18,629 --> 01:34:17,120

and dave would have been killed now

2568

01:34:21,110 --> 01:34:18,639

you've got an air wing commander that

2569

01:34:22,310 --> 01:34:21,120

was killed and you got some guy in a sap

2570

01:34:24,229 --> 01:34:22,320

somewhere having an answer and that

2571

01:34:25,990 --> 01:34:24,239

makes sense you would set that up in

2572

01:34:27,510 --> 01:34:26,000

china lake or dugway there's a whole

2573

01:34:30,149 --> 01:34:27,520

bunch of training areas where you can do

2574

01:34:33,030 --> 01:34:30,159

that so i tell people so my sliver of

2575

01:34:35,270 --> 01:34:33,040

expertise is very limited to evaluating

2576

01:34:37,270 --> 01:34:35,280

something that flies once someone tells

2577

01:34:39,750 --> 01:34:37,280

me it's real then i could start

2578

01:34:41,910 --> 01:34:39,760

analyzing it that's pretty relevant

2579

01:34:43,430 --> 01:34:41,920

but that's it i mean that and i know a

2580

01:34:45,270 --> 01:34:43,440

little bit about how government the

2581

01:34:47,430 --> 01:34:45,280

government works outside of that i'm

2582

01:34:49,669 --> 01:34:47,440

just a dude on ufo twitter

2583

01:34:51,830 --> 01:34:49,679

you know that's the only area but uh

2584

01:34:54,229 --> 01:34:51,840

what i was going to say to you that i

2585

01:34:56,870 --> 01:34:54,239

you mentioned in there the last bit

2586

01:34:58,790 --> 01:34:56,880

about anjali and nathan and i have

2587

01:35:02,149 --> 01:34:58,800

discussed this and we've had some

2588

01:35:05,830 --> 01:35:02,159

fascinating discussions uh uh estee

2589

01:35:08,950 --> 01:35:05,840

lampie in 1947 uh she came on here and

2590

01:35:11,350 --> 01:35:08,960

gave some brilliant points about uh

2591

01:35:13,750 --> 01:35:11,360

about anjali uh and you'll when you see

2592

01:35:15,590 --> 01:35:13,760

her ufo glasses jane you'll you're going

2593

01:35:19,189 --> 01:35:15,600

to fall in love with this girl

2594

01:35:22,149 --> 01:35:19,199

so smart and so analytical um

2595

01:35:24,070 --> 01:35:22,159

but there's no corollary with which we

2596

01:35:26,709 --> 01:35:24,080

can relate to what anjali said and i

2597

01:35:28,310 --> 01:35:26,719

think that's what you alluded to earlier

2598

01:35:29,990 --> 01:35:28,320

is that if you're gonna have an

2599

01:35:32,629 --> 01:35:30,000

experience like that and you're gonna

2600

01:35:34,629 --> 01:35:32,639

then uh talk about it in public there's

2601
01:35:36,950 --> 01:35:34,639
no there's nothing to compare that to

2602
01:35:39,030 --> 01:35:36,960
there's no correlation oh yeah okay i

2603
01:35:41,750 --> 01:35:39,040
get it i mean nobody can get it except

2604
01:35:43,669 --> 01:35:41,760
for like terry lovelace and and what's

2605
01:35:46,390 --> 01:35:43,679
my man over there in north carolina's

2606
01:35:50,149 --> 01:35:46,400
name uh ryan uh

2607
01:35:52,070 --> 01:35:50,159
bledsoe so yeah i'm sorry go ahead

2608
01:35:53,590 --> 01:35:52,080
so yeah yeah

2609
01:35:57,030 --> 01:35:53,600
how do you analyze

2610
01:35:58,550 --> 01:35:57,040
uh you know anjali's uh experience

2611
01:36:00,229 --> 01:35:58,560
yeah so

2612
01:36:01,430 --> 01:36:00,239
i don't know if i can speak to anjali's

2613
01:36:04,470 --> 01:36:01,440

experience

2614

01:36:05,750 --> 01:36:04,480

uh too too well you know specifically

2615

01:36:07,669 --> 01:36:05,760

but

2616

01:36:10,390 --> 01:36:07,679

yeah so when i did

2617

01:36:12,229 --> 01:36:10,400

go down that psychology i still am

2618

01:36:14,229 --> 01:36:12,239

always trying to learn about psychology

2619

01:36:16,070 --> 01:36:14,239

and things um

2620

01:36:17,590 --> 01:36:16,080

so i can see how that could relate to

2621

01:36:19,350 --> 01:36:17,600

people's experiences i mean one of the

2622

01:36:20,870 --> 01:36:19,360

things that you learn is that when

2623

01:36:24,070 --> 01:36:20,880

somebody has

2624

01:36:26,229 --> 01:36:24,080

excuse me a traumatic experience

2625

01:36:28,550 --> 01:36:26,239

the brain does really

2626

01:36:31,830 --> 01:36:28,560

incredible things

2627

01:36:34,870 --> 01:36:31,840

um and so we're talking about

2628

01:36:37,189 --> 01:36:34,880

an experience of alien contact

2629

01:36:39,590 --> 01:36:37,199

that would be could potentially be the

2630

01:36:40,950 --> 01:36:39,600

utmost traumatic especially you know if

2631

01:36:42,709 --> 01:36:40,960

we're to believe a lot of these

2632

01:36:44,709 --> 01:36:42,719

abduction reports right where there's an

2633

01:36:46,870 --> 01:36:44,719

examination and

2634

01:36:48,950 --> 01:36:46,880

um i mean all kinds of stuff right

2635

01:36:51,510 --> 01:36:48,960

sounds pretty terrifying so what we

2636

01:36:53,590 --> 01:36:51,520

would expect um to happen i'm not a

2637

01:36:54,470 --> 01:36:53,600

psychologist i'm not at this therapist

2638

01:36:57,109 --> 01:36:54,480

guys

2639

01:36:59,430 --> 01:36:57,119

please go verify you are yes but what i

2640

01:37:01,109 --> 01:36:59,440

understand is that when you

2641

01:37:02,790 --> 01:37:01,119

yeah

2642

01:37:04,790 --> 01:37:02,800

when you go through a traumatic

2643

01:37:06,870 --> 01:37:04,800

experience like that your brain can do

2644

01:37:08,629 --> 01:37:06,880

all kinds of amazing things it can well

2645

01:37:10,950 --> 01:37:08,639

obviously it can repress it completely

2646

01:37:13,430 --> 01:37:10,960

so that you don't remember it and you it

2647

01:37:14,870 --> 01:37:13,440

doesn't affect you know your day-to-day

2648

01:37:15,910 --> 01:37:14,880

reality

2649

01:37:20,550 --> 01:37:15,920

um

2650

01:37:22,629 --> 01:37:20,560

can actually cause

2651

01:37:24,229 --> 01:37:22,639

your personality

2652

01:37:25,830 --> 01:37:24,239

to um

2653

01:37:28,790 --> 01:37:25,840

if people have heard of things like

2654

01:37:30,390 --> 01:37:28,800

multiple personality and did and things

2655

01:37:33,510 --> 01:37:30,400

like that i mean that

2656

01:37:36,550 --> 01:37:33,520

that's um you know rare to happen

2657

01:37:40,950 --> 01:37:38,709

imagine you know somebody with the id

2658

01:37:43,189 --> 01:37:40,960

trying to tell you about a ufo they saw

2659

01:37:45,350 --> 01:37:43,199

so we need to i think

2660

01:37:47,669 --> 01:37:45,360

and i mean no disrespect to any

2661

01:37:51,109 --> 01:37:47,679

experiencer i'm not saying that you're

2662

01:37:53,750 --> 01:37:51,119

crazy please don't don't um assume that

2663

01:37:55,910 --> 01:37:53,760

but just in a big contact might be a

2664

01:37:57,910 --> 01:37:55,920

traumatic experience especially if it's

2665

01:37:59,990 --> 01:37:57,920

happening multiple times

2666

01:38:01,510 --> 01:38:00,000

and so just how would you talk to

2667

01:38:03,750 --> 01:38:01,520

somebody who's talking about

2668

01:38:05,910 --> 01:38:03,760

child abuse how would you talk to

2669

01:38:08,709 --> 01:38:05,920

somebody who's talking about um you know

2670

01:38:11,830 --> 01:38:08,719

maybe they were robbed or you know they

2671

01:38:13,350 --> 01:38:11,840

witnessed you know a horrible event like

2672

01:38:17,430 --> 01:38:13,360

a murder or something or how would you

2673

01:38:19,109 --> 01:38:17,440

talk to somebody a war veteran who is um

2674

01:38:20,629 --> 01:38:19,119

talking about

2675

01:38:22,229 --> 01:38:20,639

um

2676

01:38:24,070 --> 01:38:22,239

you know losing fellow soldiers or

2677

01:38:25,510 --> 01:38:24,080

something like that right so i'm just

2678

01:38:27,350 --> 01:38:25,520

thinking i'm trying to think of really

2679

01:38:29,669 --> 01:38:27,360

traumatic things that we can all relate

2680

01:38:30,790 --> 01:38:29,679

to not well hopefully i i fortunately

2681

01:38:33,030 --> 01:38:30,800

can't relate to a lot of those

2682

01:38:34,070 --> 01:38:33,040

experiences but that we that are more

2683

01:38:36,149 --> 01:38:34,080

human

2684

01:38:39,270 --> 01:38:36,159

that we're prepared to right so when

2685

01:38:42,149 --> 01:38:39,280

people say women say i've been

2686

01:38:45,350 --> 01:38:42,159

raped or you know whatever we are

2687

01:38:46,870 --> 01:38:45,360

trained to believe them right we're not

2688

01:38:49,109 --> 01:38:46,880

we're not there yet

2689

01:38:50,870 --> 01:38:49,119

you know with abductees and contactees

2690

01:38:54,629 --> 01:38:50,880

and we don't listen to them i don't

2691

01:38:56,629 --> 01:38:54,639

think with that perspective and so i'm

2692

01:38:58,390 --> 01:38:56,639

trying to do that

2693

01:39:00,229 --> 01:38:58,400

more and more

2694

01:39:01,510 --> 01:39:00,239

um so i can try and understand what's

2695

01:39:04,149 --> 01:39:01,520

going on here

2696

01:39:05,990 --> 01:39:04,159

um but yeah it's taken some time to just

2697

01:39:08,070 --> 01:39:06,000

kind of accept that this is what this

2698

01:39:10,149 --> 01:39:08,080

phenomenon looks like instead of just

2699

01:39:12,390 --> 01:39:10,159

trying to deny it and

2700

01:39:14,229 --> 01:39:12,400

you know debunk it it's it's a waste of

2701
01:39:15,750 --> 01:39:14,239
time i think at this point i'm moved on

2702
01:39:17,270 --> 01:39:15,760
i think

2703
01:39:20,070 --> 01:39:17,280
from that one thing i'll tell you one

2704
01:39:21,669 --> 01:39:20,080
thing you can relate to ufo jane yeah

2705
01:39:23,270 --> 01:39:21,679
that's being cool

2706
01:39:25,350 --> 01:39:23,280
oh

2707
01:39:27,430 --> 01:39:25,360
from you guys yeah that's what i'm

2708
01:39:28,950 --> 01:39:27,440
saying yeah and we want to have that

2709
01:39:31,189 --> 01:39:28,960
must be cool

2710
01:39:32,709 --> 01:39:31,199
yeah well obviously i mean you're

2711
01:39:35,189 --> 01:39:32,719
completely validated just look at that

2712
01:39:37,189 --> 01:39:35,199
shirt jane

2713
01:39:47,350 --> 01:39:37,199

yeah i've got the stars and you've got

2714

01:39:52,470 --> 01:39:49,030

all right

2715

01:39:54,550 --> 01:39:52,480

so i'm back to goofy dj again uh man it

2716

01:39:56,709 --> 01:39:54,560

was such a pleasure having you on ufo

2717

01:39:58,229 --> 01:39:56,719

jane perhaps uh you'll join us for a

2718

01:40:02,149 --> 01:39:58,239

round table we want to have your

2719

01:40:04,310 --> 01:40:02,159

colleague on uh mr luis jimenez he have

2720

01:40:05,590 --> 01:40:04,320

a great head of hair you notice no wig

2721

01:40:07,830 --> 01:40:05,600

tonight

2722

01:40:09,990 --> 01:40:07,840

right yeah that's yeah i was expecting

2723

01:40:12,790 --> 01:40:10,000

that i mean i wanted i really wanted

2724

01:40:15,990 --> 01:40:12,800

james to see the real me

2725

01:40:20,149 --> 01:40:18,149

you guys are beautiful

2726

01:40:21,750 --> 01:40:20,159

thank you yeah no but we

2727

01:40:24,470 --> 01:40:21,760

i mean seriously had a wonderful

2728

01:40:27,350 --> 01:40:24,480

conversation and and thank you for uh

2729

01:40:28,870 --> 01:40:27,360

gracing us with uh your time i know it's

2730

01:40:31,270 --> 01:40:28,880

i know you're very busy and they got a

2731
