# *Roundtable*

*Nov 3, 2021*

*Calling All Beings*

1  
00:00:32,069 --> 00:00:07,670  
calling all beings y'all

2  
00:00:38,630 --> 00:00:35,670  
welcome back to calling all beings baby

3  
00:00:41,350 --> 00:00:38,640  
i'm your host dj and right there over

4  
00:00:43,990 --> 00:00:41,360  
that way is my co-host

5  
00:00:45,430 --> 00:00:44,000  
nathan

6  
00:00:47,110 --> 00:00:45,440  
up y'all

7  
00:00:49,910 --> 00:00:47,120  
good evening yes

8  
00:00:52,389 --> 00:00:49,920  
and we are very happy to have our

9  
00:00:54,069 --> 00:00:52,399  
esteemed panel tonight and please don't

10  
00:00:57,830 --> 00:00:54,079  
get a vision of broccoli in your head

11  
00:01:00,709 --> 00:00:57,840  
because i said esteemed this is the all

12  
00:01:02,549 --> 00:01:00,719  
this is the all-female round table we're

13  
00:01:05,270 --> 00:01:02,559

going to hear from them they're going to

14

00:01:07,400 --> 00:01:05,280

break it down what's important to them

15

00:01:10,390 --> 00:01:07,410

and you're going to listen okay

16

00:01:12,149 --> 00:01:10,400

[Laughter]

17

00:01:13,910 --> 00:01:12,159

yes so that's what's about to happen so

18

00:01:16,149 --> 00:01:13,920

let me introduce our panel is that okay

19

00:01:17,910 --> 00:01:16,159

nathan please do can i get with it

20

00:01:19,270 --> 00:01:17,920

calling on me all right let's go in

21

00:01:21,830 --> 00:01:19,280

alphabetical order she's from

22

00:01:24,630 --> 00:01:21,840

albuquerque new mexico do you know what

23

00:01:27,830 --> 00:01:24,640

i'm saying this woman right here she's

24

00:01:30,310 --> 00:01:27,840

got more youtube subscribers then i got

25

00:01:31,830 --> 00:01:30,320

excuses why i didn't graduate until i

26

00:01:32,789 --> 00:01:31,840

was 53.

27

00:01:35,910 --> 00:01:32,799

okay

28

00:01:39,670 --> 00:01:35,920

so party people put your hands together

29

00:01:42,149 --> 00:01:39,680

for amy the alien girl yes

30

00:01:45,270 --> 00:01:42,159

put those hands together

31

00:01:47,109 --> 00:01:45,280

oh my gosh dj that was like the best

32

00:01:49,350 --> 00:01:47,119

intro i've ever

33

00:01:51,990 --> 00:01:49,360

had ever that's

34

00:01:52,830 --> 00:01:52,000

we're gonna give you some love in here

35

00:01:55,190 --> 00:01:52,840

there it

36

00:01:57,910 --> 00:01:55,200

is that's what we do coming up i take it

37

00:02:00,789 --> 00:01:57,920

i take it we're talking about canada's

38

00:02:03,670 --> 00:02:00,799

own okay so this girl right here man she

39

00:02:05,749 --> 00:02:03,680

is at the video girl okay so if you need

40

00:02:07,830 --> 00:02:05,759

to get some video work done or if you

41

00:02:09,990 --> 00:02:07,840

want to learn how to put your dog on the

42

00:02:11,990 --> 00:02:10,000

paddle board she's going to be canada's

43

00:02:14,470 --> 00:02:12,000

best paddle board instructor party

44

00:02:17,750 --> 00:02:14,480

people put your hands together for the

45

00:02:20,390 --> 00:02:17,760

girl everybody knows on ufo twitter

46

00:02:21,750 --> 00:02:20,400

kelly dies

47

00:02:22,869 --> 00:02:21,760

yeah

48

00:02:25,110 --> 00:02:22,879

bam

49

00:02:27,190 --> 00:02:25,120

she's on spaces she's all over the place

50

00:02:28,309 --> 00:02:27,200

she's in your face maybe too much

51  
00:02:30,150 --> 00:02:28,319  
because she's probably dropping the

52  
00:02:30,949 --> 00:02:30,160  
f-bomb on you but that's okay that's

53  
00:02:33,589 --> 00:02:30,959  
right

54  
00:02:35,030 --> 00:02:33,599  
um it's it's all natural it's organic

55  
00:02:37,030 --> 00:02:35,040  
all right

56  
00:02:38,309 --> 00:02:37,040  
the next person here this is what i want

57  
00:02:40,869 --> 00:02:38,319  
to say

58  
00:02:41,990 --> 00:02:40,879  
this person here is an intellectual with

59  
00:02:43,910 --> 00:02:42,000  
easily

60  
00:02:47,030 --> 00:02:43,920  
the most adorable

61  
00:02:48,790 --> 00:02:47,040  
handle on ufo twitter okay

62  
00:02:50,949 --> 00:02:48,800  
girl that's going to drop some knowledge

63  
00:02:53,190 --> 00:02:50,959

on you tonight

64

00:02:57,030 --> 00:02:53,200

put your hands together

65

00:03:00,309 --> 00:02:57,040

for this show's own miss essay lampy

66

00:03:00,319 --> 00:03:06,880

roswell baby it's out the bag it's

67

00:03:10,869 --> 00:03:08,949

[Music]

68

00:03:13,110 --> 00:03:10,879

um because

69

00:03:15,190 --> 00:03:13,120

what this show really needed was a

70

00:03:17,589 --> 00:03:15,200

classy new yorker

71

00:03:19,750 --> 00:03:17,599

and i can only fill one of those roles

72

00:03:21,910 --> 00:03:19,760

which is new yorker so we needed to

73

00:03:23,910 --> 00:03:21,920

bring on a classy new yorker

74

00:03:26,470 --> 00:03:23,920

somebody that's actually smart and

75

00:03:28,630 --> 00:03:26,480

intellectual this woman right here has

76

00:03:30,309 --> 00:03:28,640

been on with this before uh she was on

77

00:03:33,670 --> 00:03:30,319

with linda zimmerman

78

00:03:36,390 --> 00:03:33,680

so uh she is a publicist and an author

79

00:03:38,470 --> 00:03:36,400

herself she's an artist and just a

80

00:03:40,869 --> 00:03:38,480

wonderful human being i hope you all

81

00:03:42,070 --> 00:03:40,879

have an opportunity to talk to her like

82

00:03:45,030 --> 00:03:42,080

i did

83

00:03:48,869 --> 00:03:45,040

so party people put your hands together

84

00:03:51,430 --> 00:03:48,879

for bed stuy's own new york county's own

85

00:03:57,990 --> 00:03:51,440

the five boroughs owned

86

00:04:01,270 --> 00:03:59,670

give that up

87

00:04:02,630 --> 00:04:01,280

and now we're about to kick it off i'm

88

00:04:04,630 --> 00:04:02,640

going to turn it over to the show

89

00:04:06,390 --> 00:04:04,640

manager nathan

90

00:04:07,670 --> 00:04:06,400

yes all right thank you

91

00:04:09,750 --> 00:04:07,680

right there

92

00:04:11,509 --> 00:04:09,760

yes all right you guys know we run a

93

00:04:12,949 --> 00:04:11,519

tight show we run a tight round table

94

00:04:14,229 --> 00:04:12,959

around here that's how it's going to go

95

00:04:17,030 --> 00:04:14,239

everybody's going to get a minute and a

96

00:04:19,030 --> 00:04:17,040

half to do some topic introductions

97

00:04:20,949 --> 00:04:19,040

and then we will go around the room and

98

00:04:23,270 --> 00:04:20,959

you get a minute and a half to respond

99

00:04:25,189 --> 00:04:23,280

to the topic now we know

100

00:04:26,629 --> 00:04:25,199

we know we're going to get into some

101

00:04:28,390 --> 00:04:26,639

stuff all right

102

00:04:29,590 --> 00:04:28,400

when we get into some stuff

103

00:04:31,350 --> 00:04:29,600

you know

104

00:04:32,950 --> 00:04:31,360

is it going to happen dj is going to let

105

00:04:34,469 --> 00:04:32,960

us know we're going to take a deep dive

106

00:04:35,990 --> 00:04:34,479

we'll take some extra time we've got a

107

00:04:37,590 --> 00:04:36,000

batch of extra time we're going to we're

108

00:04:40,230 --> 00:04:37,600

going to dip into so don't worry about

109

00:04:41,590 --> 00:04:40,240

that uh but we will try our best to kind

110

00:04:43,030 --> 00:04:41,600

of keep this train moving and give

111

00:04:45,749 --> 00:04:43,040

everybody a chance to talk and say what

112

00:04:48,629 --> 00:04:45,759

they want to say that is the goal we are

113

00:04:49,590 --> 00:04:48,639

so happy to have all of you guys with us

114

00:04:51,670 --> 00:04:49,600

tonight

115

00:04:53,189 --> 00:04:51,680

great energy great to meet you all and

116

00:04:54,550 --> 00:04:53,199

let let's get into it so dj who we're

117

00:04:57,510 --> 00:04:54,560

going to start off with

118

00:04:59,270 --> 00:04:57,520

man let's okay we need to go in an order

119

00:05:01,590 --> 00:04:59,280

here let's since we're at the bottom of

120

00:05:03,270 --> 00:05:01,600

the screen let's go kelly dodge amy

121

00:05:04,870 --> 00:05:03,280

lampe susan

122

00:05:06,390 --> 00:05:04,880

and and you're not going to hear from me

123

00:05:10,070 --> 00:05:06,400

if you're hearing from me it's some hot

124

00:05:12,230 --> 00:05:10,080

air nathan's fitting to mute my mic

125

00:05:14,469 --> 00:05:12,240

so let's go let's get into it kelly

126

00:05:15,990 --> 00:05:14,479

dodge tell us about what your topic is

127

00:05:18,390 --> 00:05:16,000

you know what actually before we even

128

00:05:20,469 --> 00:05:18,400

start the timer tell us what's important

129

00:05:22,150 --> 00:05:20,479

to you about this topic if you have a

130

00:05:23,350 --> 00:05:22,160

goal or mission and let's please take

131

00:05:27,430 --> 00:05:23,360

that around the table if you would

132

00:05:29,749 --> 00:05:27,440

please wow okay you wow okay that was

133

00:05:31,909 --> 00:05:29,759

like the biggest

134

00:05:34,950 --> 00:05:31,919

biggest question that anyone has ever

135

00:05:36,790 --> 00:05:34,960

asked well and nathan put the timer on

136

00:05:43,430 --> 00:05:36,800

put the timer on this girl now

137

00:05:49,350 --> 00:05:44,550

um

138

00:05:51,430 --> 00:05:49,360

everyone that i i discovered on ufo

139

00:05:53,430 --> 00:05:51,440

twitter i feel like i'm on a tribe of

140

00:05:56,230 --> 00:05:53,440

people that i absolutely love and

141

00:05:59,590 --> 00:05:56,240

cherish and i would freaking die for

142

00:06:01,830 --> 00:05:59,600

love you guys so much number two um i

143

00:06:05,189 --> 00:06:01,840

know that there's so much more out there

144

00:06:07,510 --> 00:06:05,199

and this whole disclosure uh process is

145

00:06:11,909 --> 00:06:07,520

um is like a marathon as much as lou

146

00:06:16,790 --> 00:06:14,150

right i want it now

147

00:06:19,350 --> 00:06:16,800

everybody wants it now and it could do

148

00:06:21,590 --> 00:06:19,360

more um but um

149

00:06:23,830 --> 00:06:21,600

i'm just so happy that i'm here and

150

00:06:26,950 --> 00:06:23,840

honestly you guys have brought so much

151  
00:06:29,749 --> 00:06:26,960  
love and light into my life even though

152  
00:06:32,309 --> 00:06:29,759  
it's a very frustrating topic to even

153  
00:06:34,070 --> 00:06:32,319  
sit and talk about because

154  
00:06:37,909 --> 00:06:34,080  
you know what i'm talking about uh

155  
00:06:41,189 --> 00:06:37,919  
number two alien girl love you um lampy

156  
00:06:43,990 --> 00:06:41,199  
i swear to god you better tell me where

157  
00:06:57,270 --> 00:06:44,000  
you got your glasses and this bin

158  
00:07:02,309 --> 00:07:00,550  
yeah she's like uh 2004 remember mace

159  
00:07:05,990 --> 00:07:02,319  
2004

160  
00:07:10,550 --> 00:07:07,749  
but my uh my

161  
00:07:12,629 --> 00:07:10,560  
important topic is is

162  
00:07:15,350 --> 00:07:12,639  
it doesn't matter about the disclosure

163  
00:07:16,870 --> 00:07:15,360

or what we're going to find out or what

164

00:07:19,350 --> 00:07:16,880

really is going on

165

00:07:22,390 --> 00:07:19,360

what i really really enjoy and like and

166

00:07:23,589 --> 00:07:22,400

i am not like a woo-woo person

167

00:07:25,830 --> 00:07:23,599

i love

168

00:07:27,749 --> 00:07:25,840

the fact that there's so many people

169

00:07:28,830 --> 00:07:27,759

coming together

170

00:07:31,990 --> 00:07:28,840

talking

171

00:07:33,990 --> 00:07:32,000

about other things in the Kardashians

172

00:07:37,110 --> 00:07:34,000

talking about other things

173

00:07:39,029 --> 00:07:37,120

and and the little tiny minuscule things

174

00:07:39,909 --> 00:07:39,039

that happen in your life it doesn't mean

175

00:07:45,430 --> 00:07:39,919

[h\_\_\h]

176  
00:07:47,110 --> 00:07:45,440  
love this i love the community and um

177  
00:07:48,230 --> 00:07:47,120  
that's all

178  
00:07:50,150 --> 00:07:48,240  
i love it

179  
00:07:53,189 --> 00:07:50,160  
all right let's let's get all right

180  
00:07:55,350 --> 00:07:53,199  
timers on amy go girlfriend

181  
00:07:56,469 --> 00:07:55,360  
hey guys my name is amy and i run the

182  
00:07:58,230 --> 00:07:56,479  
little youtube channel called

183  
00:08:01,270 --> 00:07:58,240  
aliengirl111

184  
00:08:03,589 --> 00:08:01,280  
and um i i love it so much my biggest

185  
00:08:05,589 --> 00:08:03,599  
goal with doing these shows is i have

186  
00:08:08,070 --> 00:08:05,599  
one specific question that i always try

187  
00:08:10,869 --> 00:08:08,080  
to get every guest i have no matter who

188  
00:08:13,589 --> 00:08:10,879

they are to answer which is usually do

189

00:08:15,990 --> 00:08:13,599

you think that there is an intelligent

190

00:08:18,150 --> 00:08:16,000

organized civilization somewhere out

191

00:08:20,309 --> 00:08:18,160

there similar to us

192

00:08:22,469 --> 00:08:20,319

and i think that's a huge question that

193

00:08:25,029 --> 00:08:22,479

we need to be asking because for me i

194

00:08:27,270 --> 00:08:25,039

don't understand i think probability

195

00:08:29,029 --> 00:08:27,280

like we can say you don't believe any

196

00:08:31,110 --> 00:08:29,039

you know you don't know the facts but i

197

00:08:33,269 --> 00:08:31,120

do believe that scientific probability

198

00:08:35,029 --> 00:08:33,279

is in my favor i do believe a lot of

199

00:08:37,589 --> 00:08:35,039

scientists believe there are intelligent

200

00:08:39,670 --> 00:08:37,599

civilizations such as ours and i don't

201

00:08:42,149 --> 00:08:39,680

think that i shouldn't be able to walk

202

00:08:44,710 --> 00:08:42,159

into any room and be in the minority

203

00:08:46,310 --> 00:08:44,720

there i wear alien stuff wherever i go

204

00:08:48,470 --> 00:08:46,320

if i can if i have it if i'm there or

205

00:08:50,630 --> 00:08:48,480

whatever and what i've seen about people

206

00:08:52,230 --> 00:08:50,640

is they want to talk to it i talk about

207

00:08:53,829 --> 00:08:52,240

it i go to the grocery store i've got an

208

00:08:56,389 --> 00:08:53,839

alien shirt they're like you like aliens

209

00:08:58,230 --> 00:08:56,399

oh you have no idea how much i like it

210

00:09:00,150 --> 00:08:58,240

oh do i like aliens

211

00:09:01,910 --> 00:09:00,160

and then the cashier next to them and

212

00:09:04,630 --> 00:09:01,920

the other cashiers like yeah this

213

00:09:06,790 --> 00:09:04,640

happened that happened so for me um

214

00:09:09,269 --> 00:09:06,800

that's definitely the driving force

215

00:09:11,509 --> 00:09:09,279

behind it for me and tonight the topic

216

00:09:14,870 --> 00:09:11,519

that i wanted to share and discuss that

217

00:09:16,230 --> 00:09:14,880

always kind of like gets me all into it

218

00:09:17,430 --> 00:09:16,240

you can hold you can hold on you'll get

219

00:09:22,070 --> 00:09:17,440

a whole minute and a half for that this

220

00:09:25,910 --> 00:09:22,080

is just to tell us who amy is yes

221

00:09:27,910 --> 00:09:25,920

here i am yes this is awesome awesome

222

00:09:32,470 --> 00:09:27,920

lampy

223

00:09:35,990 --> 00:09:32,480

i've been interested in this topic for a

224

00:09:38,790 --> 00:09:36,000

while and like when asking why is a hard

225

00:09:41,110 --> 00:09:38,800

question but i think for me it comes

226

00:09:44,550 --> 00:09:41,120

down to i think that there are sort of

227

00:09:47,990 --> 00:09:44,560

two main things that sort of drive us as

228

00:09:49,030 --> 00:09:48,000

a species and one of them is to

229

00:09:58,870 --> 00:09:49,040

to

230

00:10:00,710 --> 00:09:58,880

know as much as we can about

231

00:10:03,670 --> 00:10:00,720

the world we are in and i think the

232

00:10:06,310 --> 00:10:03,680

other thing that drives us is seeking

233

00:10:08,389 --> 00:10:06,320

connection with others and trying to

234

00:10:11,509 --> 00:10:08,399

form bonds and

235

00:10:13,910 --> 00:10:11,519

um exploring the possibility of life

236

00:10:16,630 --> 00:10:13,920

elsewhere in the universe kind of ties

237

00:10:19,509 --> 00:10:16,640

both of those things together like if

238

00:10:21,990 --> 00:10:19,519

there's something else out there then we

239

00:10:23,910 --> 00:10:22,000

want to know both just from an

240

00:10:26,310 --> 00:10:23,920

intellectual perspective and also

241

00:10:28,790 --> 00:10:26,320

because we want to know

242

00:10:31,269 --> 00:10:28,800

if we are sharing this universe with

243

00:10:33,030 --> 00:10:31,279

other intelligent things like

244

00:10:34,790 --> 00:10:33,040

then

245

00:10:37,110 --> 00:10:34,800

we would want to have some sort of

246

00:10:39,430 --> 00:10:37,120

connection with them

247

00:10:42,389 --> 00:10:39,440

and i think ufo twitter in particular

248

00:10:43,190 --> 00:10:42,399

has been great because

249

00:10:49,509 --> 00:10:43,200

like

250

00:10:51,030 --> 00:10:49,519

out that there isn't anything else out

251  
00:10:53,110 --> 00:10:51,040  
there then like we are forming

252  
00:10:55,590 --> 00:10:53,120  
connections in our community like we are

253  
00:10:58,069 --> 00:10:55,600  
exploring different ideas we

254  
00:11:00,870 --> 00:10:58,079  
and i just think it's a great

255  
00:11:02,230 --> 00:11:00,880  
thought-provoking place that's right the

256  
00:11:05,269 --> 00:11:02,240  
human journey

257  
00:11:07,110 --> 00:11:05,279  
yeah and i so and you know to pick up on

258  
00:11:09,269 --> 00:11:07,120  
amy's point when you say you believe i

259  
00:11:11,030 --> 00:11:09,279  
think the mathematics is exponentially

260  
00:11:12,790 --> 00:11:11,040  
in your favor like

261  
00:11:14,870 --> 00:11:12,800  
exponentially exponentially in your

262  
00:11:17,910 --> 00:11:14,880  
favor so yeah it's pretty good pretty

263  
00:11:19,590 --> 00:11:17,920

good hypothesis to have uh and also

264

00:11:21,590 --> 00:11:19,600

we'll go over a couple of rules just to

265

00:11:23,190 --> 00:11:21,600

make sure but let's get into uh our

266

00:11:25,110 --> 00:11:23,200

friend from new york city the classy

267

00:11:28,069 --> 00:11:25,120

susan fence thank you thank you for

268

00:11:31,350 --> 00:11:28,079

having me yes ma'am i'm so many things

269

00:11:34,310 --> 00:11:31,360

that are important to me uh truth

270

00:11:35,750 --> 00:11:34,320

open-mindedness acceptance

271

00:11:37,030 --> 00:11:35,760

and

272

00:11:39,509 --> 00:11:37,040

just a a

273

00:11:41,350 --> 00:11:39,519

a sort of a not a joined mission but a

274

00:11:43,910 --> 00:11:41,360

sort of a you know walking in the same

275

00:11:46,230 --> 00:11:43,920

direction kind of thing with like-minded

276

00:11:48,150 --> 00:11:46,240

people it's been really freeing for me

277

00:11:49,750 --> 00:11:48,160

because it's always been a very solitary

278

00:11:52,710 --> 00:11:49,760

experience for me it's very hard to find

279

00:11:55,670 --> 00:11:52,720

people to talk about this with and even

280

00:11:58,069 --> 00:11:55,680

back when i first started uh way back in

281

00:12:00,230 --> 00:11:58,079

the late 1980s you know all my friends

282

00:12:02,710 --> 00:12:00,240

were artists everybody was very bohemian

283

00:12:05,030 --> 00:12:02,720

and very you know free-minded whatever

284

00:12:07,030 --> 00:12:05,040

but i really found that they weren't and

285

00:12:09,750 --> 00:12:07,040

they were i was like wait a minute you

286

00:12:11,590 --> 00:12:09,760

know this is like the cosmic you know

287

00:12:13,590 --> 00:12:11,600

cosmic debris you know like think about

288

00:12:15,670 --> 00:12:13,600

frank zappa think about all the things

289

00:12:17,430 --> 00:12:15,680

that inspire us all like the artists and

290

00:12:20,069 --> 00:12:17,440

like you know that all that surrealism

291

00:12:21,910 --> 00:12:20,079

and that irrational chaos that comes in

292

00:12:23,910 --> 00:12:21,920

that that kind of a

293

00:12:26,230 --> 00:12:23,920

environment i was really frustrated i

294

00:12:28,230 --> 00:12:26,240

couldn't find anybody to talk to about

295

00:12:30,230 --> 00:12:28,240

it that was just like like hitting a

296

00:12:32,870 --> 00:12:30,240

wall but it wasn't until i joined the

297

00:12:34,310 --> 00:12:32,880

new york 40 in society that john keel

298

00:12:37,269 --> 00:12:34,320

used to run in manhattan and they had

299

00:12:39,350 --> 00:12:37,279

monthly meetings and i started going to

300

00:12:41,910 --> 00:12:39,360

these meetings and it was just an

301  
00:12:44,790 --> 00:12:41,920  
eclectic incredible group of people

302  
00:12:46,389 --> 00:12:44,800  
plumbers teachers housewives from

303  
00:12:47,990 --> 00:12:46,399  
connecticut they drive all the way into

304  
00:12:49,350 --> 00:12:48,000  
the city people from new jersey people

305  
00:12:51,030 --> 00:12:49,360  
from long island they would all come in

306  
00:12:52,389 --> 00:12:51,040  
they were all very different i was the

307  
00:12:54,389 --> 00:12:52,399  
youngest person there

308  
00:12:57,269 --> 00:12:54,399  
and that's where i was just like taking

309  
00:12:59,750 --> 00:12:57,279  
root like my inner root was like yeah

310  
00:13:01,990 --> 00:12:59,760  
this is where i'm going with all this so

311  
00:13:05,190 --> 00:13:02,000  
that's what brings me here ultimately 30

312  
00:13:07,030 --> 00:13:05,200  
whatever years later i'm still here

313  
00:13:09,030 --> 00:13:07,040

and we're happy we're happy to have you

314

00:13:11,110 --> 00:13:09,040

thank you that's been around and oh geez

315

00:13:13,030 --> 00:13:11,120

so to speak for me i didn't get to intro

316

00:13:16,230 --> 00:13:13,040

myself in the beginning but uh if i were

317

00:13:18,790 --> 00:13:16,240

to to intro myself i would say uh former

318

00:13:21,509 --> 00:13:18,800

special ed student um

319

00:13:25,110 --> 00:13:21,519

air force aviator retired uh government

320

00:13:28,230 --> 00:13:25,120

guy now uh civilian pilot uh meat head

321

00:13:30,790 --> 00:13:28,240

that appears on ufo shows uh like well

322

00:13:33,670 --> 00:13:30,800

appears on my ufo show

323

00:13:35,110 --> 00:13:33,680

and very very curious person who

324

00:13:37,430 --> 00:13:35,120

knows uh

325

00:13:39,189 --> 00:13:37,440

uh very little and is open to learn a

326

00:13:41,910 --> 00:13:39,199

whole lot and so that's one of the

327

00:13:44,389 --> 00:13:41,920

reasons that i'm here and i also share

328

00:13:47,829 --> 00:13:44,399

with kelly i love to engage with uh with

329

00:13:50,230 --> 00:13:47,839

other people i love positivity i love uh

330

00:13:52,150 --> 00:13:50,240

collective people coming together

331

00:13:54,150 --> 00:13:52,160

because there's so many things in our

332

00:13:56,470 --> 00:13:54,160

countries respectively that divide us

333

00:13:58,870 --> 00:13:56,480

and so we found something where we can

334

00:14:00,949 --> 00:13:58,880

sort of coalesce and without other than

335

00:14:03,509 --> 00:14:00,959

a few hiccups which we're all aware of

336

00:14:05,670 --> 00:14:03,519

uh we are proving you know that people

337

00:14:07,189 --> 00:14:05,680

are coming together so i'm honored to be

338

00:14:09,110 --> 00:14:07,199

here and speak with each and every one

339

00:14:10,790 --> 00:14:09,120

of you and all the people on hashtag ufo

340

00:14:12,389 --> 00:14:10,800

twitter

341

00:14:16,629 --> 00:14:12,399

yes indeed

342

00:14:18,389 --> 00:14:16,639

i uh ufos are for the people right so i

343

00:14:21,189 --> 00:14:18,399

resonate with so much of what all of you

344

00:14:23,189 --> 00:14:21,199

have said uh i am here for the the

345

00:14:25,189 --> 00:14:23,199

conversation and the journey

346

00:14:27,990 --> 00:14:25,199

my background is uh

347

00:14:30,069 --> 00:14:28,000

half of my life was very spiritual um in

348

00:14:32,550 --> 00:14:30,079

a traditional sense and the other half

349

00:14:34,310 --> 00:14:32,560

was very kind of practically minded uh

350

00:14:37,030 --> 00:14:34,320

and this topic has kind of brought those

351  
00:14:40,790 --> 00:14:37,040  
two worlds back together uh at least for

352  
00:14:42,470 --> 00:14:40,800  
me and uh i love exploring the what if i

353  
00:14:44,629 --> 00:14:42,480  
love having respectful conversation i

354  
00:14:46,230 --> 00:14:44,639  
think we can we can all get along

355  
00:14:48,870 --> 00:14:46,240  
and still disagree

356  
00:14:50,310 --> 00:14:48,880  
uh there's a way to do that and i want

357  
00:14:52,230 --> 00:14:50,320  
to achieve that

358  
00:14:54,870 --> 00:14:52,240  
i'm about building a community that

359  
00:14:56,790 --> 00:14:54,880  
embodies that so let's make that happen

360  
00:15:00,949 --> 00:14:56,800  
let's make that a reality

361  
00:15:02,790 --> 00:15:00,959  
part bubble emoji for nathan my co-host

362  
00:15:05,509 --> 00:15:02,800  
all right about to get into it let's

363  
00:15:06,949 --> 00:15:05,519

kick it man let's start off with the

364

00:15:09,110 --> 00:15:06,959

candidates favorite paddleboard

365

00:15:11,670 --> 00:15:09,120

instructor who also is a professional

366

00:15:13,990 --> 00:15:11,680

video editor that's right that's right

367

00:15:15,750 --> 00:15:14,000

who likes your work nathan she made

368

00:15:17,350 --> 00:15:15,760

positive comments about your work yeah

369

00:15:19,509 --> 00:15:17,360

i'm still in shock about that yeah

370

00:15:21,509 --> 00:15:19,519

that's uh yeah self self taught here so

371

00:15:24,790 --> 00:15:21,519

thank you stop it

372

00:15:26,629 --> 00:15:24,800

listen like it don't get don't get crazy

373

00:15:29,350 --> 00:15:26,639

i've been doing this for a long time

374

00:15:31,269 --> 00:15:29,360

it's the botox and the filler

375

00:15:33,189 --> 00:15:31,279

that is um

376

00:15:35,430 --> 00:15:33,199

looking like i haven't been doing this

377

00:15:36,870 --> 00:15:35,440

for a long time but can you dm me about

378

00:15:49,269 --> 00:15:36,880

that

379

00:15:51,670 --> 00:15:50,389

all right well kelly kick us off with

380

00:15:54,550 --> 00:15:51,680

the first topic i'm gonna put the timer

381

00:16:00,550 --> 00:15:54,560

up and we'll get going so hit it the

382

00:16:07,030 --> 00:16:03,749

okay so you know what has been really on

383

00:16:09,590 --> 00:16:07,040

my mind lately number one the skin

384

00:16:11,269 --> 00:16:09,600

walker ranch uh book that came out

385

00:16:13,030 --> 00:16:11,279

obviously that was very very ill

386

00:16:14,230 --> 00:16:13,040

received and a lot of people just want

387

00:16:17,110 --> 00:16:14,240

to burn it

388

00:16:18,310 --> 00:16:17,120

so we could just like x-ray on that

389

00:16:20,949 --> 00:16:18,320

number two

390

00:16:23,269 --> 00:16:20,959

i want to know what your thoughts are on

391

00:16:26,069 --> 00:16:23,279

what's going to be coming out with um

392

00:16:28,710 --> 00:16:26,079

the book deal with lou elizondo and his

393

00:16:31,110 --> 00:16:28,720

book deal so just let me know because

394

00:16:32,550 --> 00:16:31,120

he's going to be dropping some bombs so

395

00:16:35,670 --> 00:16:32,560

what bombs do you think that he's going

396

00:16:37,350 --> 00:16:35,680

to be dropping because it has to be um

397

00:16:39,670 --> 00:16:37,360

approved

398

00:16:42,710 --> 00:16:39,680

before he can do that so i know he's

399

00:16:44,310 --> 00:16:42,720

been walking on a very very thin line

400

00:16:45,749 --> 00:16:44,320

you know what i'm saying like he's been

401

00:16:48,150 --> 00:16:45,759

a little bit more a little bit more he's

402

00:16:51,829 --> 00:16:48,160

been kind of like spewing it out so

403

00:16:55,030 --> 00:16:51,839

what are your thoughts on um what lou

404

00:16:56,870 --> 00:16:55,040

elizondo's book is going to be um

405

00:16:58,150 --> 00:16:56,880

coming out with

406

00:17:00,230 --> 00:16:58,160

amy

407

00:17:03,110 --> 00:17:00,240

you're okay really quickly before we

408

00:17:05,110 --> 00:17:03,120

start the timer um okay so stop the

409

00:17:08,470 --> 00:17:05,120

timer if you would nathan yeah okay so

410

00:17:11,510 --> 00:17:08,480

uh kelly you can yield any of your time

411

00:17:13,590 --> 00:17:11,520

to someone else on the panel so kelly

412

00:17:15,590 --> 00:17:13,600

left 30 seconds actually amy could have

413

00:17:18,549 --> 00:17:15,600

talked for two minutes but i want you to

414

00:17:21,270 --> 00:17:18,559

i'll give amy anything that she wants

415

00:17:23,669 --> 00:17:21,280

but she can also ask you can ask her to

416

00:17:26,150 --> 00:17:23,679

yield you time as well so anyone on the

417

00:17:28,390 --> 00:17:26,160

panel can yield time or give time to

418

00:17:30,470 --> 00:17:28,400

another panelist that's a brilliant uh

419

00:17:32,950 --> 00:17:30,480

thing that you brought up uh did i miss

420

00:17:34,230 --> 00:17:32,960

anything nathan or is that it

421

00:17:36,310 --> 00:17:34,240

okay you got it

422

00:17:37,830 --> 00:17:36,320

okay amy you're gonna respond to that

423

00:17:41,430 --> 00:17:37,840

that topic please

424

00:17:43,669 --> 00:17:41,440

yes so skinwalkers at the pentagon is a

425

00:17:45,430 --> 00:17:43,679

very interesting thing and i i think

426

00:17:46,950 --> 00:17:45,440

kelly's right on the money when it comes

427

00:17:50,470 --> 00:17:46,960

to a lot of people just wanting to throw

428

00:17:52,470 --> 00:17:50,480

that topic away 100 percent when it

429

00:17:54,470 --> 00:17:52,480

comes to louis elizondo's new book

430

00:17:56,470 --> 00:17:54,480

reveal i think it's very obvious what

431

00:17:58,070 --> 00:17:56,480

he's going to be talking about and in my

432

00:18:00,710 --> 00:17:58,080

own opinion he's going to be talking

433

00:18:02,630 --> 00:18:00,720

about consciousness it was already a

434

00:18:04,390 --> 00:18:02,640

little bit leaked okay when we were

435

00:18:06,950 --> 00:18:04,400

talking about it because he had the

436

00:18:08,470 --> 00:18:06,960

consciousness um program i can't

437

00:18:10,630 --> 00:18:08,480

remember but you guys know what i mean

438

00:18:12,870 --> 00:18:10,640

the remote viewing program there's been

439

00:18:15,909 --> 00:18:12,880

this little buzz throughout everything

440

00:18:17,990 --> 00:18:15,919

that elue elizondo is a remote viewer

441

00:18:20,230 --> 00:18:18,000

so i'm pretty sure

442

00:18:22,870 --> 00:18:20,240

that there'll be something in here

443

00:18:24,710 --> 00:18:22,880

in this book that will reveal a little

444

00:18:26,070 --> 00:18:24,720

bit more about his remote viewing

445

00:18:28,870 --> 00:18:26,080

experiences

446

00:18:30,390 --> 00:18:28,880

and how that may be incorporated or he

447

00:18:32,870 --> 00:18:30,400

might not say it

448

00:18:33,830 --> 00:18:32,880

and how that might be related

449

00:18:35,830 --> 00:18:33,840

to

450

00:18:37,669 --> 00:18:35,840

how the craft are operated through

451  
00:18:39,510 --> 00:18:37,679  
consciousness given this let's look back

452  
00:18:41,750 --> 00:18:39,520  
to what just got dropped by uh that had

453  
00:18:43,909 --> 00:18:41,760  
the stamp of approval by harry reid

454  
00:18:45,669 --> 00:18:43,919  
skinwalkers at the pentagon

455  
00:18:47,830 --> 00:18:45,679  
okay why did they do this

456  
00:18:49,590 --> 00:18:47,840  
why did they tell us werewolves and dino

457  
00:18:51,750 --> 00:18:49,600  
beavers and all this crazy stuff because

458  
00:18:53,510 --> 00:18:51,760  
there is some there is some wax stuff

459  
00:18:56,630 --> 00:18:53,520  
going on

460  
00:18:59,110 --> 00:18:56,640  
but now that the wacky's out maybe we

461  
00:19:02,150 --> 00:18:59,120  
can move into the consciousness maybe if

462  
00:19:03,510 --> 00:19:02,160  
we think a senator accepts this idea

463  
00:19:05,669 --> 00:19:03,520

we're going to be more

464

00:19:07,430 --> 00:19:05,679

open to yeah consciousness runs craft i

465

00:19:08,710 --> 00:19:07,440

don't believe in werewolves but that's

466

00:19:10,870 --> 00:19:08,720

all the time i got right there though

467

00:19:13,190 --> 00:19:10,880

amy could actually have 30 more seconds

468

00:19:15,750 --> 00:19:13,200

uh because uh it was left over so you

469

00:19:17,669 --> 00:19:15,760

can go go ahead for another 30 me that's

470

00:19:19,590 --> 00:19:17,679

brilliant so and so i think you know

471

00:19:21,350 --> 00:19:19,600

harry reid put the stamp of approval on

472

00:19:23,510 --> 00:19:21,360

this whole book and it's absolutely

473

00:19:25,669 --> 00:19:23,520

insane because a lot of the reason that

474

00:19:27,830 --> 00:19:25,679

he says he believes is because of his

475

00:19:29,830 --> 00:19:27,840

own personal religion which is mormonism

476

00:19:31,430 --> 00:19:29,840

he's actually part of the lds faith he

477

00:19:33,510 --> 00:19:31,440

never talked about that while he was

478

00:19:35,190 --> 00:19:33,520

politicking or campaigning or anything

479

00:19:37,750 --> 00:19:35,200

like that and if you're a part of the

480

00:19:39,270 --> 00:19:37,760

lds faith and you're mormon um one thing

481

00:19:41,510 --> 00:19:39,280

that you realize is you do believe in

482

00:19:43,190 --> 00:19:41,520

people from other worlds okay so we're

483

00:19:44,710 --> 00:19:43,200

taking in this viewpoint as well with

484

00:19:47,669 --> 00:19:44,720

werewolves and everything we got that

485

00:19:49,909 --> 00:19:47,679

was great analysis

486

00:19:53,590 --> 00:19:49,919

thank you thank you

487

00:19:54,630 --> 00:19:53,600

yeah yeah yeah 90 seconds to my home

488

00:19:58,070 --> 00:19:54,640

girl

489

00:19:59,830 --> 00:19:58,080

cutest cutest name on ufo twitter lampy

490

00:20:01,190 --> 00:19:59,840

there we go

491

00:20:03,909 --> 00:20:01,200

hello

492

00:20:05,750 --> 00:20:03,919

so yeah um i don't i don't even know

493

00:20:07,909 --> 00:20:05,760

what to expect because when the book was

494

00:20:09,990 --> 00:20:07,919

first announced i honestly didn't think

495

00:20:11,830 --> 00:20:10,000

we were going to be getting much new

496

00:20:13,750 --> 00:20:11,840

just because of the restrictions that

497

00:20:16,710 --> 00:20:13,760

lou was under i figured that the book

498

00:20:18,549 --> 00:20:16,720

was just sort of going to be like all of

499

00:20:20,549 --> 00:20:18,559

the statements that he's made in the

500

00:20:21,830 --> 00:20:20,559

past sort of brought into one place

501  
00:20:23,590 --> 00:20:21,840  
which i think would be a perfectly

502  
00:20:25,190 --> 00:20:23,600  
legitimate reason to release a book

503  
00:20:27,909 --> 00:20:25,200  
because like he said a lot over the

504  
00:20:29,669 --> 00:20:27,919  
years but um with all of the stuff that

505  
00:20:31,190 --> 00:20:29,679  
he's been coming out with now like amy

506  
00:20:34,470 --> 00:20:31,200  
said talking more about consciousness

507  
00:20:37,430 --> 00:20:34,480  
remote viewing i'm talking about how um

508  
00:20:38,390 --> 00:20:37,440  
there are occupants in the craft like i

509  
00:20:43,590 --> 00:20:38,400  
think

510  
00:20:44,950 --> 00:20:43,600  
about both of those things and that it's

511  
00:20:47,510 --> 00:20:44,960  
going

512  
00:20:50,710 --> 00:20:47,520  
to be more interesting than i than i

513  
00:20:51,909 --> 00:20:50,720

originally thought and um i that's sorry

514

00:20:54,070 --> 00:20:51,919

i don't really have much more than that

515

00:20:56,549 --> 00:20:54,080

the skinwalker ranch book i saw a little

516

00:20:58,789 --> 00:20:56,559

bit about on twitter but i didn't really

517

00:21:02,630 --> 00:20:58,799

look into it and it sounds like it was

518

00:21:05,510 --> 00:21:02,640

absolutely wild so um but with that i

519

00:21:09,990 --> 00:21:05,520

will yield my remaining time to susan

520

00:21:12,789 --> 00:21:11,750

whatever people think about the skin

521

00:21:14,710 --> 00:21:12,799

walker

522

00:21:15,990 --> 00:21:14,720

at the pentagon book i found some

523

00:21:17,350 --> 00:21:16,000

interesting things in it that i didn't

524

00:21:18,870 --> 00:21:17,360

know before and for that reason i

525

00:21:20,230 --> 00:21:18,880

thought it was worthwhile i don't think

526

00:21:21,990 --> 00:21:20,240

it was a book that it was intended to

527

00:21:23,590 --> 00:21:22,000

reveal all secrets because we're all

528

00:21:24,470 --> 00:21:23,600

like very thirsty

529

00:21:27,909 --> 00:21:24,480

for

530

00:21:29,669 --> 00:21:27,919

news truth the truth secrets it's really

531

00:21:31,750 --> 00:21:29,679

not going to happen that way

532

00:21:33,909 --> 00:21:31,760

aside from that what i i think is

533

00:21:37,029 --> 00:21:33,919

important about skinwalker ranch is that

534

00:21:39,830 --> 00:21:37,039

my observations are a couple of things

535

00:21:42,630 --> 00:21:39,840

it's not entirely about ufos skinwalker

536

00:21:45,350 --> 00:21:42,640

ranch as a location as a mystical place

537

00:21:47,990 --> 00:21:45,360

which are rife throughout folklore that

538

00:21:50,950 --> 00:21:48,000

involve valleys and caves like anjali's

539

00:21:53,750 --> 00:21:50,960

folklore there's all kinds of earth-tied

540

00:21:55,669 --> 00:21:53,760

mysteries going on we have a magnetic

541

00:21:57,430 --> 00:21:55,679

field that is decreasing at such an

542

00:22:00,470 --> 00:21:57,440

alarming rate right now it's sort of

543

00:22:02,950 --> 00:22:00,480

drawing in a lot of doomsday cataclysm

544

00:22:05,669 --> 00:22:02,960

you know thoughts about hole shift and

545

00:22:06,789 --> 00:22:05,679

you know it gets it's a very slippery

546

00:22:08,390 --> 00:22:06,799

slope

547

00:22:11,430 --> 00:22:08,400

but i think it's important to keep an

548

00:22:13,029 --> 00:22:11,440

open mind we don't know everything

549

00:22:15,029 --> 00:22:13,039

we don't know everything and what's

550

00:22:17,029 --> 00:22:15,039

coming around the zeitgeist right now is

551  
00:22:18,789 --> 00:22:17,039  
that everything you know is wrong you

552  
00:22:21,190 --> 00:22:18,799  
know and lloyd pie wrote a book about

553  
00:22:22,310 --> 00:22:21,200  
that a bunch of years ago and it is true

554  
00:22:23,909 --> 00:22:22,320  
everything we're going to have to

555  
00:22:27,350 --> 00:22:23,919  
relearn everything backwards and

556  
00:22:29,110 --> 00:22:27,360  
forwards right now so excluding odd

557  
00:22:30,549 --> 00:22:29,120  
strange things

558  
00:22:34,149 --> 00:22:30,559  
weird washing

559  
00:22:36,149 --> 00:22:34,159  
the experience i don't think is

560  
00:22:38,870 --> 00:22:36,159  
i think you're throwing out things that

561  
00:22:41,350 --> 00:22:38,880  
we should be considering okay

562  
00:22:43,270 --> 00:22:41,360  
all right that that said i

563  
00:22:45,430 --> 00:22:43,280

do i believe in werewolves

564

00:22:46,950 --> 00:22:45,440

i believe in just about anything to tell

565

00:22:48,470 --> 00:22:46,960

you the truth i've seen things that

566

00:22:50,070 --> 00:22:48,480

nobody would believe i've never seen a

567

00:22:51,990 --> 00:22:50,080

werewolf but i've seen ghosts i've seen

568

00:22:55,190 --> 00:22:52,000

things manifest i've heard things that

569

00:22:57,750 --> 00:22:55,200

defy complete logic i can't photograph

570

00:22:59,350 --> 00:22:57,760

it put it in a jar weigh it get it

571

00:23:01,510 --> 00:22:59,360

scientifically approved but these things

572

00:23:03,830 --> 00:23:01,520

do happen we're very complex we live in

573

00:23:04,630 --> 00:23:03,840

a complex world a multi-dimensional

574

00:23:10,630 --> 00:23:04,640

world

575

00:23:15,909 --> 00:23:13,029

no i i think that's great and uh every

576

00:23:18,390 --> 00:23:15,919

one of you is making like amazing points

577

00:23:21,990 --> 00:23:18,400

and and and every one of you has

578

00:23:24,149 --> 00:23:22,000

provoked thoughts um what actually i if

579

00:23:26,789 --> 00:23:24,159

i can just interject for a second what

580

00:23:28,230 --> 00:23:26,799

what amy's uh hypothesis about lou is

581

00:23:30,710 --> 00:23:28,240

brilliant because what is he going to

582

00:23:31,909 --> 00:23:30,720

put in that book and and when i thought

583

00:23:33,590 --> 00:23:31,919

about that i didn't come up with

584

00:23:36,149 --> 00:23:33,600

anything but amy did so that that's

585

00:23:38,549 --> 00:23:36,159

great uh let's please uh move on to what

586

00:23:39,510 --> 00:23:38,559

uh amy's topic for the evening is please

587

00:23:43,350 --> 00:23:39,520

yeah

588

00:23:45,350 --> 00:23:43,360

this is so awesome how organized you

589

00:23:48,870 --> 00:23:45,360

have it i am in love with it thank you

590

00:23:54,950 --> 00:23:48,880

man you did such an amazing job okay

591

00:24:00,630 --> 00:23:57,350

so my topic is the aerial school in

592

00:24:03,510 --> 00:24:00,640

zimbabwe i think this is the most

593

00:24:06,149 --> 00:24:03,520

most authentic experience i've ever

594

00:24:08,549 --> 00:24:06,159

heard and for multiple different reasons

595

00:24:10,870 --> 00:24:08,559

number one you had dr john mack who was

596

00:24:12,789 --> 00:24:10,880

studying the abduction phenomenon who

597

00:24:15,029 --> 00:24:12,799

was studying it also at harvard which is

598

00:24:17,590 --> 00:24:15,039

where avi lopez what a weird quinky dink

599

00:24:19,110 --> 00:24:17,600

right so he was studying abductions and

600

00:24:20,710 --> 00:24:19,120

he was looking at the correlations

601  
00:24:22,549 --> 00:24:20,720  
between all these people figuring out

602  
00:24:24,310 --> 00:24:22,559  
they were getting abducted by grays and

603  
00:24:26,549 --> 00:24:24,320  
everything and then right you have the

604  
00:24:29,669 --> 00:24:26,559  
zimbabwe children who see these three

605  
00:24:31,990 --> 00:24:29,679  
graves come out three grey aliens come

606  
00:24:33,830 --> 00:24:32,000  
out of a spaceship which by the way they

607  
00:24:34,789 --> 00:24:33,840  
said one of them had long brown hair

608  
00:24:37,029 --> 00:24:34,799  
what

609  
00:24:38,950 --> 00:24:37,039  
and there were many children who saw

610  
00:24:40,390 --> 00:24:38,960  
them and the children you got that

611  
00:24:41,909 --> 00:24:40,400  
that's good

612  
00:24:44,149 --> 00:24:41,919  
the children said that they

613  
00:24:45,590 --> 00:24:44,159

telepathically connected with them right

614

00:24:48,070 --> 00:24:45,600

and told them that they needed to be

615

00:24:49,909 --> 00:24:48,080

better to the earth and things like that

616

00:24:51,669 --> 00:24:49,919

john mack came down and one thing that

617

00:24:53,750 --> 00:24:51,679

makes me really think it's real is this

618

00:24:55,350 --> 00:24:53,760

is a guy who went through about 30 40

619

00:24:57,830 --> 00:24:55,360

kids i don't even know how many kids he

620

00:25:00,470 --> 00:24:57,840

saw decided they didn't have any mental

621

00:25:02,710 --> 00:25:00,480

issues there was a lady from mufon

622

00:25:04,549 --> 00:25:02,720

who was in zimbabwe and there actually

623

00:25:06,470 --> 00:25:04,559

was an event that happened a mass

624

00:25:08,870 --> 00:25:06,480

sighting all across zimbabwe two days

625

00:25:11,350 --> 00:25:08,880

before or a day before and she went in

626  
00:25:13,590 --> 00:25:11,360  
right after um what had went down and

627  
00:25:15,029 --> 00:25:13,600  
she asked all the kids to do a picture

628  
00:25:17,110 --> 00:25:15,039  
right of what they saw and the thing

629  
00:25:18,549 --> 00:25:17,120  
that i think makes people really draw

630  
00:25:20,549 --> 00:25:18,559  
into it is that all the pictures of the

631  
00:25:22,630 --> 00:25:20,559  
kids looked exactly the same and if you

632  
00:25:23,669 --> 00:25:22,640  
asked my daughter to draw an alien she'd

633  
00:25:30,549 --> 00:25:23,679  
draw

634  
00:25:32,070 --> 00:25:30,559  
purple person you know right i i love it

635  
00:25:34,070 --> 00:25:32,080  
i love it and you know we're too

636  
00:25:35,990 --> 00:25:34,080  
technologied lampy

637  
00:25:37,909 --> 00:25:36,000  
i believe we're to technology and

638  
00:25:39,990 --> 00:25:37,919

remember if somebody's going and you

639

00:25:42,230 --> 00:25:40,000

want to yield time to them you can so

640

00:25:44,789 --> 00:25:42,240

but go ahead i'll i'll i'll go ahead and

641

00:25:46,549 --> 00:25:44,799

yell like um 20 seconds to amy just so

642

00:25:48,630 --> 00:25:46,559

he can sort of finish

643

00:25:50,630 --> 00:25:48,640

uh yeah and that's the thing about it

644

00:25:53,909 --> 00:25:50,640

right is the mufon lady went down i'll

645

00:25:55,510 --> 00:25:53,919

take it the mufan lady went down and she

646

00:25:57,029 --> 00:25:55,520

went and made sure that they had it

647

00:25:59,269 --> 00:25:57,039

fresh in their mind they had those

648

00:26:01,750 --> 00:25:59,279

drawings ready by the time john mack

649

00:26:03,750 --> 00:26:01,760

came down and john mack asked all those

650

00:26:05,350 --> 00:26:03,760

kids and those kids are still alive

651  
00:26:07,830 --> 00:26:05,360  
today they're middle aged and they're

652  
00:26:11,110 --> 00:26:07,840  
still saying the exact same thing that's

653  
00:26:14,149 --> 00:26:11,120  
20 seconds lampy hit it technology

654  
00:26:16,549 --> 00:26:14,159  
okay so yeah i i love the aerial school

655  
00:26:18,630 --> 00:26:16,559  
incident like i first learned about it

656  
00:26:21,430 --> 00:26:18,640  
um when the phenomenon documentary came

657  
00:26:22,230 --> 00:26:21,440  
out i think last year um and

658  
00:27:05,269 --> 00:26:22,240  
i

659  
00:27:07,430 --> 00:27:05,279  
there's

660  
00:27:09,190 --> 00:27:07,440  
yeah i i definitely think that this is a

661  
00:27:11,029 --> 00:27:09,200  
case that should be brought into more

662  
00:27:13,510 --> 00:27:11,039  
mainstream attention

663  
00:27:14,950 --> 00:27:13,520

susan they communicated with our

664

00:27:16,789 --> 00:27:14,960

thoughts

665

00:27:18,630 --> 00:27:16,799

i'm doing as you guys can tell i'm

666

00:27:20,789 --> 00:27:18,640

trying to imitate these beautiful kids

667

00:27:22,950 --> 00:27:20,799

and by the way i believe it was 64 kids

668

00:27:24,630 --> 00:27:22,960

they spoke with amy incredible i believe

669

00:27:26,789 --> 00:27:24,640

it was 64 kids that's great thank you

670

00:27:29,029 --> 00:27:26,799

for letting i'm glad to know the number

671

00:27:31,350 --> 00:27:29,039

it's so nice nice to know that's the

672

00:27:33,750 --> 00:27:31,360

only thing i know tonight

673

00:27:35,750 --> 00:27:33,760

some of the teachers witnesses too but

674

00:27:37,590 --> 00:27:35,760

didn't come out they didn't they didn't

675

00:27:39,430 --> 00:27:37,600

support it until later and they didn't

676  
00:27:41,110 --> 00:27:39,440  
believe the kids and all that stuff and

677  
00:27:43,190 --> 00:27:41,120  
yeah and it's like yo you're about 30

678  
00:27:45,590 --> 00:27:43,200  
years late but anyway go ahead

679  
00:27:46,950 --> 00:27:45,600  
let us go on to miss susan fence

680  
00:27:50,149 --> 00:27:46,960  
what a great

681  
00:27:51,909 --> 00:27:50,159  
subject and what a profound experience

682  
00:27:55,110 --> 00:27:51,919  
that is written

683  
00:27:57,909 --> 00:27:55,120  
in perfect truth on their faces and in

684  
00:27:59,029 --> 00:27:57,919  
their expressions when they recount

685  
00:28:05,269 --> 00:27:59,039  
this

686  
00:28:07,350 --> 00:28:05,279  
into their normal everyday school life

687  
00:28:09,669 --> 00:28:07,360  
and only can sort of begin to

688  
00:28:13,430 --> 00:28:09,679

contemplate what the profound effect

689

00:28:15,510 --> 00:28:13,440

would be to see something so completely

690

00:28:18,389 --> 00:28:15,520

different you know these were not babies

691

00:28:20,389 --> 00:28:18,399

they were very intelligent children very

692

00:28:22,950 --> 00:28:20,399

poised very self-possessed very

693

00:28:25,750 --> 00:28:22,960

thoughtful very considered they they

694

00:28:27,990 --> 00:28:25,760

didn't appear to be like uh extremely uh

695

00:28:30,789 --> 00:28:28,000

hysterical or overreacting in any way

696

00:28:33,830 --> 00:28:30,799

they seem to very quietly

697

00:28:35,830 --> 00:28:33,840

take this in and process it which i can

698

00:28:37,990 --> 00:28:35,840

see is a lifelong

699

00:28:39,590 --> 00:28:38,000

process

700

00:28:42,070 --> 00:28:39,600

ufo

701  
00:28:43,430 --> 00:28:42,080  
appearances over school yards in front

702  
00:28:45,990 --> 00:28:43,440  
of children have been pretty well

703  
00:28:47,990 --> 00:28:46,000  
documented by preston dennett which is

704  
00:28:50,470 --> 00:28:48,000  
very interesting he's got such a great

705  
00:28:52,389 --> 00:28:50,480  
little corridor of topics he likes to go

706  
00:28:53,909 --> 00:28:52,399  
down that are just so off the beaten

707  
00:28:55,669 --> 00:28:53,919  
track and he's he brings out some

708  
00:28:57,510 --> 00:28:55,679  
important things and it really sort of

709  
00:28:58,789 --> 00:28:57,520  
brings together the larger picture which

710  
00:29:01,269 --> 00:28:58,799  
is

711  
00:29:08,070 --> 00:29:04,710  
introduction um

712  
00:29:13,350 --> 00:29:10,149  
gently impacting us in some ways and

713  
00:29:15,510 --> 00:29:13,360

this has been going on for what 50 60

714

00:29:18,149 --> 00:29:15,520

years now um

715

00:29:20,149 --> 00:29:18,159

it's very complex it's very huge we're

716

00:29:22,230 --> 00:29:20,159

never going to completely understand it

717

00:29:23,909 --> 00:29:22,240

i don't think unless it's all written

718

00:29:27,350 --> 00:29:23,919

down in gold

719

00:29:27,360 --> 00:29:32,470

you got to keep your eyes on the clock

720

00:29:35,590 --> 00:29:34,070

it's all right that's all good is your

721

00:29:37,669 --> 00:29:35,600

boyfriend there is he going to get the

722

00:29:41,909 --> 00:29:37,679

thai food we'll get him to or the

723

00:29:45,430 --> 00:29:42,870

all right

724

00:29:47,990 --> 00:29:45,440

uh anyway uh kelly dodge would you

725

00:29:49,990 --> 00:29:48,000

please respond to amy's topic please

726

00:29:52,630 --> 00:29:50,000

that's right yes absolutely uh number

727

00:29:55,350 --> 00:29:52,640

one uh susan oh it's just such a delight

728

00:30:00,630 --> 00:29:55,360

to have you here thank you so much i'm

729

00:30:01,510 --> 00:30:00,640

so so blessed to meet you thank you

730

00:30:06,149 --> 00:30:01,520

um

731

00:30:08,870 --> 00:30:06,159

because these

732

00:30:12,549 --> 00:30:08,880

children but now adults because

733

00:30:15,830 --> 00:30:12,559

well i'm 40 but i mean like

734

00:30:21,350 --> 00:30:18,389

well they're all middle-aged now like

735

00:30:22,950 --> 00:30:21,360

okay don't say that

736

00:30:23,669 --> 00:30:22,960

the one thing that really stood out to

737

00:30:25,830 --> 00:30:23,679

me

738

00:30:27,430 --> 00:30:25,840

is

739

00:30:30,870 --> 00:30:27,440

every single one

740

00:30:32,389 --> 00:30:30,880

said that the beings that came out they

741

00:30:34,310 --> 00:30:32,399

weren't walking

742

00:30:37,269 --> 00:30:34,320

they were

743

00:30:38,630 --> 00:30:37,279

oh get skitteringer

744

00:30:40,549 --> 00:30:38,640

they were here they were there they were

745

00:30:42,470 --> 00:30:40,559

there like they were all over the place

746

00:30:45,029 --> 00:30:42,480

they weren't touching the ground

747

00:30:47,110 --> 00:30:45,039

and it's really interesting

748

00:30:48,310 --> 00:30:47,120

for me because i think with this whole

749

00:30:50,549 --> 00:30:48,320

like

750

00:30:54,389 --> 00:30:50,559

propulsion system with the anti-gravity

751  
00:30:57,029 --> 00:30:54,399  
propulsion system as these crafts are

752  
00:30:58,310 --> 00:30:57,039  
who who knows nobody freaking knows but

753  
00:31:00,310 --> 00:30:58,320  
it's just so

754  
00:31:02,870 --> 00:31:00,320  
wild to me that

755  
00:31:06,070 --> 00:31:02,880  
these children are like oh

756  
00:31:07,830 --> 00:31:06,080  
there's a being and then all of a sudden

757  
00:31:09,269 --> 00:31:07,840  
they're switching off on their in their

758  
00:31:10,870 --> 00:31:09,279  
face and they're back and they're

759  
00:31:11,669 --> 00:31:10,880  
they're not moving they're not walking

760  
00:31:13,830 --> 00:31:11,679  
it's

761  
00:31:21,110 --> 00:31:13,840  
i find that so

762  
00:31:22,149 --> 00:31:21,120  
and so how we have absolutely no idea

763  
00:31:23,269 --> 00:31:22,159

how

764

00:31:24,310 --> 00:31:23,279

and that

765

00:31:26,149 --> 00:31:24,320

works

766

00:31:28,149 --> 00:31:26,159

that's a wrap kelly dodge and thank you

767

00:31:30,789 --> 00:31:28,159

for educating me on that because i did

768

00:31:31,590 --> 00:31:30,799

not know that i didn't know that they

769

00:31:33,269 --> 00:31:31,600

were

770

00:31:35,190 --> 00:31:33,279

i i kind of knew that in other

771

00:31:37,190 --> 00:31:35,200

narratives that they had floated but i

772

00:31:39,430 --> 00:31:37,200

didn't realize they did in that one and

773

00:31:43,110 --> 00:31:39,440

they were moving about so that's

774

00:31:44,870 --> 00:31:43,120

fascinating uh lampy uh what's going on

775

00:31:46,789 --> 00:31:44,880

actually this is uh your topic my friend

776

00:31:49,029 --> 00:31:46,799

that's right that's right oh

777

00:31:51,190 --> 00:31:49,039

all right so um

778

00:31:54,230 --> 00:31:51,200

so my topic is based on um a friend of

779

00:31:57,669 --> 00:31:54,240

mine asked me the other day if i thought

780

00:31:59,590 --> 00:31:57,679

that um the new york times articles and

781

00:32:03,430 --> 00:31:59,600

the sort of mainstream news coverage of

782

00:32:04,149 --> 00:32:03,440

ufos was going to lead to a resurgence

783

00:32:09,269 --> 00:32:04,159

in

784

00:32:11,110 --> 00:32:09,279

the 90s and

785

00:32:13,430 --> 00:32:11,120

and i kind of think that that is

786

00:32:14,789 --> 00:32:13,440

happening now i feel like i've observed

787

00:32:18,310 --> 00:32:14,799

in the past couple of years that there's

788

00:32:20,070 --> 00:32:18,320

been a lot more um alien themed tv shows

789

00:32:21,509 --> 00:32:20,080

a lot more like alien toys sold in

790

00:32:23,909 --> 00:32:21,519

stores

791

00:32:26,230 --> 00:32:23,919

lots of shows like resident aliens solar

792

00:32:27,509 --> 00:32:26,240

opposites the x-files reboot project

793

00:32:29,909 --> 00:32:27,519

blue book

794

00:32:31,830 --> 00:32:29,919

but i'm also looking for this stuff now

795

00:32:33,669 --> 00:32:31,840

in a way that i probably wasn't three

796

00:32:37,590 --> 00:32:33,679

plus years ago so i guess my question to

797

00:32:40,389 --> 00:32:37,600

you guys is do you think that um pop

798

00:32:43,509 --> 00:32:40,399

culture is sort of going back to being

799

00:32:46,389 --> 00:32:43,519

more interested in aliens and ufos and

800

00:32:49,350 --> 00:32:46,399

if that is what's happening then does

801  
00:32:51,110 --> 00:32:49,360  
that have significance for um ufology

802  
00:32:53,509 --> 00:32:51,120  
are more people in the mainstream going

803  
00:32:55,909 --> 00:32:53,519  
to get interested in this topic because

804  
00:32:58,549 --> 00:32:55,919  
of pop culture or can we sort of use

805  
00:33:01,509 --> 00:32:58,559  
that to bring people in so i'll yield

806  
00:33:05,269 --> 00:33:01,519  
the rest of my time to susan

807  
00:33:07,269 --> 00:33:05,279  
yes and yes all of those things um

808  
00:33:09,110 --> 00:33:07,279  
having lived through the 90s and the

809  
00:33:11,190 --> 00:33:09,120  
whole ufo thing

810  
00:33:14,549 --> 00:33:11,200  
and comparing it to now

811  
00:33:15,909 --> 00:33:14,559  
uh there's no comparison to

812  
00:33:17,830 --> 00:33:15,919  
you know the difference between the

813  
00:33:19,269 --> 00:33:17,840

speed of light and you know waiting for

814

00:33:21,509 --> 00:33:19,279

something to come in the mail for three

815

00:33:23,269 --> 00:33:21,519

weeks it's very different and it's all

816

00:33:25,110 --> 00:33:23,279

happening in real time but i can't even

817

00:33:27,029 --> 00:33:25,120

keep up with everything that's going on

818

00:33:29,830 --> 00:33:27,039

like seriously it's just like a a fire

819

00:33:31,350 --> 00:33:29,840

hose like every day i'm like 18 20 tabs

820

00:33:32,389 --> 00:33:31,360

open this video that i gotta watch this

821

00:33:34,310 --> 00:33:32,399

i gotta watch that i'm gonna see this

822

00:33:36,549 --> 00:33:34,320

and that i think people are

823

00:33:39,029 --> 00:33:36,559

are are getting a lot and i think that's

824

00:33:40,710 --> 00:33:39,039

good and they're getting a lot of you

825

00:33:42,630 --> 00:33:40,720

know crack potty stuff but that's always

826

00:33:44,470 --> 00:33:42,640

kind of been baked into the whole pie

827

00:33:45,830 --> 00:33:44,480

you know there's

828

00:33:48,310 --> 00:33:45,840

there's a lot of people who make a lot

829

00:33:50,630 --> 00:33:48,320

of claims it's always been

830

00:33:52,149 --> 00:33:50,640

an open field for

831

00:33:53,830 --> 00:33:52,159

possibly made up stories maybe

832

00:33:55,590 --> 00:33:53,840

somebody's just trying to make a dollar

833

00:33:57,830 --> 00:33:55,600

but really i think at the heart and the

834

00:34:00,149 --> 00:33:57,840

bone of the whole thing we're really

835

00:34:03,269 --> 00:34:00,159

grappling with something that is very

836

00:34:05,430 --> 00:34:03,279

absolutely affecting our reality as we

837

00:34:07,830 --> 00:34:05,440

understand it and it's it's we're being

838

00:34:10,149 --> 00:34:07,840

pushed by it and because we people like

839

00:34:11,669 --> 00:34:10,159

us are responding to it there's a growth

840

00:34:13,109 --> 00:34:11,679

that happens there there's believe

841

00:34:15,190 --> 00:34:13,119

there's a large part of the population

842

00:34:16,950 --> 00:34:15,200

that's not interested doesn't affect

843

00:34:18,470 --> 00:34:16,960

them won't ever affect them doesn't

844

00:34:19,510 --> 00:34:18,480

don't care and you know i guess that's

845

00:34:21,030 --> 00:34:19,520

fine too

846

00:34:22,869 --> 00:34:21,040

everybody has a different thing that

847

00:34:25,750 --> 00:34:22,879

they're interested in but i really think

848

00:34:28,149 --> 00:34:25,760

this is the most important subject and

849

00:34:30,869 --> 00:34:28,159

i've always felt this is the most

850

00:34:31,909 --> 00:34:30,879

important subject because for me it ties

851  
00:34:34,230 --> 00:34:31,919  
together

852  
00:34:36,629 --> 00:34:34,240  
what we are and that's my question every

853  
00:34:39,270 --> 00:34:36,639  
morning when i wake up what are we what

854  
00:34:41,990 --> 00:34:39,280  
are we what is this what are we why are

855  
00:34:45,349 --> 00:34:42,000  
we are the way we are 10 seconds

856  
00:34:47,669 --> 00:34:45,359  
past present future it's not linear but

857  
00:34:49,430 --> 00:34:47,679  
i want to know i don't want to know

858  
00:34:51,829 --> 00:34:49,440  
that's all absolutely

859  
00:34:54,389 --> 00:34:51,839  
and i'll tell you what as soon as lampy

860  
00:34:55,349 --> 00:34:54,399  
gave her topic i saw the video girl she

861  
00:34:57,750 --> 00:34:55,359  
was like

862  
00:34:58,630 --> 00:34:57,760  
i'm about to get on my paddleboard

863  
00:35:00,829 --> 00:34:58,640

so

864

00:35:03,750 --> 00:35:00,839

let's let's get it

865

00:35:05,670 --> 00:35:03,760

kelly you're on the clock girlfriend

866

00:35:06,950 --> 00:35:05,680

stop i hate the clock i love the fact

867

00:35:09,430 --> 00:35:06,960

that i

868

00:35:10,790 --> 00:35:09,440

live and die by it

869

00:35:11,990 --> 00:35:10,800

we're going to keep you i'll give you

870

00:35:13,670 --> 00:35:12,000

i'll give you a fresh 90. you got it

871

00:35:16,790 --> 00:35:13,680

we're going to give you succinct go

872

00:35:20,550 --> 00:35:18,870

i completely forgot what i was going to

873

00:35:21,270 --> 00:35:20,560

say

874

00:35:23,670 --> 00:35:21,280

all right

875

00:35:25,190 --> 00:35:23,680

okay let's let's let's let amy go we'll

876

00:35:27,510 --> 00:35:25,200

come back to you

877

00:35:30,310 --> 00:35:27,520

okay okay i got something going on and

878

00:35:32,710 --> 00:35:30,320

then just like kelly we'll go to amy

879

00:35:34,790 --> 00:35:32,720

come back focus you're out on the lake

880

00:35:36,870 --> 00:35:34,800

your dog is in front of you nathan's

881

00:35:39,589 --> 00:35:36,880

drinking a coors light i'm sorry

882

00:35:41,190 --> 00:35:39,599

anyway let's go to amy kelly please

883

00:35:42,310 --> 00:35:41,200

think of your point go into your own

884

00:35:44,390 --> 00:35:42,320

zone

885

00:35:46,710 --> 00:35:44,400

so um when it comes to that i always

886

00:35:48,390 --> 00:35:46,720

like to kind of lean on the ideas of ufo

887

00:35:50,310 --> 00:35:48,400

jane because when i was watching her

888

00:35:51,990 --> 00:35:50,320

shows for like the last few years she

889

00:35:54,310 --> 00:35:52,000

always talked about the slow disclosure

890

00:35:56,230 --> 00:35:54,320

process i never believed in it i never

891

00:36:00,150 --> 00:35:56,240

really saw it until she kind of brought

892

00:36:03,190 --> 00:36:00,160

it up um and so i think all of this that

893

00:36:04,470 --> 00:36:03,200

is unrolling is part of the slow drip

894

00:36:06,630 --> 00:36:04,480

disclosure

895

00:36:08,390 --> 00:36:06,640

um on all sorts of different different

896

00:36:10,550 --> 00:36:08,400

levels whether they're disinformation

897

00:36:12,230 --> 00:36:10,560

agents or their information agents the

898

00:36:14,150 --> 00:36:12,240

government's controlling the narrative

899

00:36:16,470 --> 00:36:14,160

because it would be scary to just let

900

00:36:17,750 --> 00:36:16,480

all this out would you want maybe your

901  
00:36:19,589 --> 00:36:17,760  
child to come up to you and be like i

902  
00:36:21,910 --> 00:36:19,599  
only abducted me last night you know i

903  
00:36:23,349 --> 00:36:21,920  
mean nobody wants to think that that's

904  
00:36:25,829 --> 00:36:23,359  
that's happening

905  
00:36:27,990 --> 00:36:25,839  
um and so because of that i i actually

906  
00:36:30,550 --> 00:36:28,000  
think that movie paul that came out

907  
00:36:32,230 --> 00:36:30,560  
about the alien right and that's when i

908  
00:36:33,990 --> 00:36:32,240  
was like this this can't be real because

909  
00:36:36,550 --> 00:36:34,000  
he's an alien and he says that we've

910  
00:36:38,870 --> 00:36:36,560  
slow drip disclosure the alien head or

911  
00:36:41,510 --> 00:36:38,880  
whatever through all these generations

912  
00:36:42,950 --> 00:36:41,520  
and i i totally think that's what's

913  
00:36:45,750 --> 00:36:42,960

going on

914

00:36:49,109 --> 00:36:45,760

um right when the meta materials were

915

00:36:52,230 --> 00:36:49,119

found in uh robert bigelow's warehouse

916

00:36:53,670 --> 00:36:52,240

that were said to be meta materials from

917

00:36:57,349 --> 00:36:53,680

roswell

918

00:36:58,630 --> 00:36:57,359

a show came out i think on the cw called

919

00:37:04,390 --> 00:36:58,640

debris

920

00:37:06,710 --> 00:37:04,400

it's everywhere it's embedded in our

921

00:37:08,470 --> 00:37:06,720

culture it's ready to come out so when

922

00:37:10,310 --> 00:37:08,480

it comes to that yeah they're pushing

923

00:37:11,670 --> 00:37:10,320

the gas pedal they already confirmed

924

00:37:14,150 --> 00:37:11,680

those videos they're letting they're

925

00:37:16,870 --> 00:37:14,160

ready to tell us

926

00:37:19,349 --> 00:37:16,880

they're using the media and if if uh

927

00:37:22,069 --> 00:37:19,359

eric davis dr eric davis and lou

928

00:37:24,870 --> 00:37:22,079

elizondo coming out and rick dodi coming

929

00:37:26,470 --> 00:37:24,880

out and saying this 100 percent happened

930

00:37:28,790 --> 00:37:26,480

he said that to nathan on our show i

931

00:37:29,910 --> 00:37:28,800

said your your degree of surety he said

932

00:37:32,630 --> 00:37:29,920

100

933

00:37:35,190 --> 00:37:32,640

about roswell and then lou said the same

934

00:37:37,190 --> 00:37:35,200

an analogous to the same thing and then

935

00:37:38,630 --> 00:37:37,200

eric davis backed it up with a thousand

936

00:37:43,030 --> 00:37:38,640

percent so

937

00:37:47,510 --> 00:37:44,950

there we go

938

00:37:48,870 --> 00:37:47,520

i love that nathan's drinking the chorus

939

00:37:50,150 --> 00:37:48,880

here we go

940

00:37:53,030 --> 00:37:50,160

okay eight

941

00:37:55,990 --> 00:37:53,040

nine seconds awesome on the clock okay

942

00:37:57,990 --> 00:37:56,000

so my thought is is even though that we

943

00:38:02,790 --> 00:37:58,000

keep pushing for disclosure we want the

944

00:38:05,109 --> 00:38:02,800

truth guess what mf's um

945

00:38:06,790 --> 00:38:05,119

sorry but it's not going to happen so

946

00:38:08,950 --> 00:38:06,800

what what is going to happen and this is

947

00:38:11,030 --> 00:38:08,960

what i truly believe that we have to go

948

00:38:14,150 --> 00:38:11,040

through different steps to get people

949

00:38:17,030 --> 00:38:14,160

warmed up on certain things number one

950

00:38:18,550 --> 00:38:17,040

um the area or uap or the error

951

00:38:20,950 --> 00:38:18,560

phenomenon um

952

00:38:23,030 --> 00:38:20,960

that is a threat it's not a threat but

953

00:38:24,390 --> 00:38:23,040

they had to put that in to just get that

954

00:38:27,190 --> 00:38:24,400

ball rolling

955

00:38:28,790 --> 00:38:27,200

so i feel like not that i feel like i

956

00:38:32,310 --> 00:38:28,800

know that

957

00:38:34,230 --> 00:38:32,320

there are certain things that we need to

958

00:38:36,470 --> 00:38:34,240

get people warmed up to we gotta warm

959

00:38:38,790 --> 00:38:36,480

them up you know we gotta we gotta we

960

00:38:40,390 --> 00:38:38,800

gotta we gotta massage at the back we

961

00:38:43,109 --> 00:38:40,400

gotta you know we gotta pour them a

962

00:38:44,790 --> 00:38:43,119

glass of wine we exactly we just gotta

963

00:38:46,790 --> 00:38:44,800

you gotta want we gotta we gotta we

964

00:38:48,069 --> 00:38:46,800

gotta warm them up get them wet

965

00:38:49,349 --> 00:38:48,079

and

966

00:38:50,230 --> 00:38:49,359

sorry

967

00:38:53,109 --> 00:38:50,240

wow

968

00:38:53,119 --> 00:38:57,349

this is a pg-rated show kelly

969

00:38:57,359 --> 00:39:01,349

nathan's kids are watching

970

00:39:08,310 --> 00:39:03,510

like we just have to get them

971

00:39:11,349 --> 00:39:08,320

ready for and i think the the drip um

972

00:39:14,550 --> 00:39:11,359

10 seconds remaining before kelly's next

973

00:39:16,470 --> 00:39:14,560

sexual innuendo nobody going

974

00:39:18,550 --> 00:39:16,480

anyway there's a process and it's a

975

00:39:19,670 --> 00:39:18,560

marathon luke keeps talking about it and

976

00:39:22,069 --> 00:39:19,680

that's it

977

00:39:24,230 --> 00:39:22,079

it's a process love it's a process

978

00:39:25,589 --> 00:39:24,240

indeed thank you very much kelly thank

979

00:39:27,190 --> 00:39:25,599

you because

980

00:39:29,109 --> 00:39:27,200

you're really giving us so much and you

981

00:39:31,510 --> 00:39:29,119

don't even know it

982

00:39:33,670 --> 00:39:31,520

susan fensten

983

00:39:35,670 --> 00:39:33,680

and the last but not least the final

984

00:39:37,910 --> 00:39:35,680

topic of this evening aside for we're

985

00:39:40,150 --> 00:39:37,920

going to allow a few go backs is susan

986

00:39:41,750 --> 00:39:40,160

fensten please yes okay

987

00:39:44,150 --> 00:39:41,760

i didn't have a topic i didn't do my

988

00:39:46,390 --> 00:39:44,160

homework but i do what i do now i'm

989

00:39:48,150 --> 00:39:46,400

calling your professor right now which

990

00:39:50,630 --> 00:39:48,160

suny school

991

00:39:53,990 --> 00:39:50,640

we're gonna go the third rail

992

00:39:55,349 --> 00:39:54,000

here might as well all right the h word

993

00:39:57,349 --> 00:39:55,359

yeah yeah

994

00:39:59,990 --> 00:39:57,359

they're hinting at it they're talking

995

00:40:00,950 --> 00:40:00,000

about it the hybrid

996

00:40:03,910 --> 00:40:00,960

world

997

00:40:06,790 --> 00:40:03,920

oh oh yes that's right we're talking

998

00:40:08,710 --> 00:40:06,800

toyota prius here

999

00:40:11,589 --> 00:40:08,720

we're not talking about orchids we're

1000

00:40:15,829 --> 00:40:11,599

talking about us

1001  
00:40:18,069 --> 00:40:15,839  
about them they're not like us maybe

1002  
00:40:19,270 --> 00:40:18,079  
we're like them maybe they own us maybe

1003  
00:40:24,870 --> 00:40:19,280  
we're

1004  
00:40:26,950 --> 00:40:24,880  
special creation i don't know this is

1005  
00:40:28,790 --> 00:40:26,960  
the third rail this is not what they

1006  
00:40:30,550 --> 00:40:28,800  
want to talk about with the public they

1007  
00:40:32,710 --> 00:40:30,560  
can barely squeak

1008  
00:40:34,230 --> 00:40:32,720  
the little gray in the door and make it

1009  
00:40:35,510 --> 00:40:34,240  
seem like they're just our friends they

1010  
00:40:37,109 --> 00:40:35,520  
don't like our nukes you know they

1011  
00:40:38,710 --> 00:40:37,119  
really care about the environment you

1012  
00:40:41,349 --> 00:40:38,720  
know that's that's all fine but that's

1013  
00:40:44,630 --> 00:40:41,359

us that's our projection because we are

1014

00:40:46,870 --> 00:40:44,640

mad here and struggling with something

1015

00:40:49,589 --> 00:40:46,880

that is so enormous and we're sort of

1016

00:40:51,589 --> 00:40:49,599

frustrated with ourselves making this

1017

00:40:53,510 --> 00:40:51,599

leap it's not easy

1018

00:40:55,510 --> 00:40:53,520

we're we're kind of primitive in some

1019

00:40:57,270 --> 00:40:55,520

ways but even with all our consciousness

1020

00:40:59,829 --> 00:40:57,280

and our time traveling and our astral

1021

00:41:02,470 --> 00:40:59,839

body projection

1022

00:41:05,109 --> 00:41:02,480

10 seconds hybrids i want to know what

1023

00:41:07,750 --> 00:41:05,119

you all think love it

1024

00:41:10,470 --> 00:41:07,760

not my subaru hybrid kelly

1025

00:41:11,589 --> 00:41:10,480

not my honda crv hybrid but we're

1026  
00:41:13,750 --> 00:41:11,599  
talking

1027  
00:41:17,349 --> 00:41:13,760  
something between nathan and me

1028  
00:41:19,349 --> 00:41:17,359  
okay so um there was a interview on

1029  
00:41:21,109 --> 00:41:19,359  
witness citizen

1030  
00:41:23,190 --> 00:41:21,119  
anyways there's um

1031  
00:41:26,069 --> 00:41:23,200  
i can't get into the nitty-gritty

1032  
00:41:28,309 --> 00:41:26,079  
because like my adhd but

1033  
00:41:31,190 --> 00:41:28,319  
someone just went on saying that lou

1034  
00:41:33,910 --> 00:41:31,200  
elizondo cannot say but he is kind of

1035  
00:41:35,430 --> 00:41:33,920  
hinting to it the next chapter or the

1036  
00:41:37,190 --> 00:41:35,440  
next phase

1037  
00:41:41,030 --> 00:41:37,200  
of the prep

1038  
00:41:45,270 --> 00:41:41,040

is the fact that we are hybrids

1039

00:41:48,390 --> 00:41:45,280

and as soon as that was said i'm like

1040

00:41:51,030 --> 00:41:48,400

bingo [h\_\_h] makes sense yeah that makes

1041

00:41:53,430 --> 00:41:51,040

a complete sense no nathan's kids all

1042

00:41:55,190 --> 00:41:53,440

right go ahead that's fine it's fine but

1043

00:41:57,829 --> 00:41:55,200

we have to

1044

00:42:00,069 --> 00:41:57,839

they have to slowly get us used to this

1045

00:42:02,309 --> 00:42:00,079

even though all of us are like no give

1046

00:42:04,550 --> 00:42:02,319

it give it to us give it just just just

1047

00:42:06,390 --> 00:42:04,560

feed it to us there's we have to the

1048

00:42:09,190 --> 00:42:06,400

whole entire

1049

00:42:12,150 --> 00:42:09,200

civilization because

1050

00:42:14,390 --> 00:42:12,160

we're awesome um

1051

00:42:17,109 --> 00:42:14,400

we are hybrids and again and i think

1052

00:42:19,109 --> 00:42:17,119

this ties back to when lou said the

1053

00:42:21,349 --> 00:42:19,119

somber what

1054

00:42:23,589 --> 00:42:21,359

what do you think if when you're at

1055

00:42:25,750 --> 00:42:23,599

school or your religion or what your

1056

00:42:28,230 --> 00:42:25,760

parents are telling you is not exactly

1057

00:42:31,589 --> 00:42:28,240

the truth of how we came to be on this

1058

00:42:34,150 --> 00:42:31,599

planet and i tied that back in and with

1059

00:42:36,069 --> 00:42:34,160

this whole hybrid um

1060

00:42:38,870 --> 00:42:36,079

theory which i don't think is a theory i

1061

00:42:41,270 --> 00:42:38,880

think we are um we're fully going to get

1062

00:42:43,910 --> 00:42:41,280

into that and that somber

1063

00:42:45,750 --> 00:42:43,920

thought is you know what maybe we're we

1064

00:42:46,550 --> 00:42:45,760

just didn't evolve

1065

00:42:48,309 --> 00:42:46,560

sorry

1066

00:42:49,750 --> 00:42:48,319

that was brilliant no thank you kelly

1067

00:42:52,309 --> 00:42:49,760

that was a really

1068

00:42:53,430 --> 00:42:52,319

that was a great analysis and uh and it

1069

00:42:57,990 --> 00:42:53,440

it's

1070

00:42:59,589 --> 00:42:58,000

you guys were gonna just provoke a lot

1071

00:43:02,069 --> 00:42:59,599

of thought and make me think about

1072

00:43:04,630 --> 00:43:02,079

things and i knew you would that i

1073

00:43:06,309 --> 00:43:04,640

hadn't thought of and that's been 100

1074

00:43:08,550 --> 00:43:06,319

success and i just had somebody like

1075

00:43:10,710 --> 00:43:08,560

inviting guests on and that that right

1076

00:43:12,470 --> 00:43:10,720

nathan that's what's happened i i can't

1077

00:43:13,510 --> 00:43:12,480

wait to to get to the after chat here

1078

00:43:14,950 --> 00:43:13,520

you know

1079

00:43:17,430 --> 00:43:14,960

we're gonna we're gonna get into this

1080

00:43:19,270 --> 00:43:17,440

stuff kelly so much good content here

1081

00:43:21,109 --> 00:43:19,280

all right

1082

00:43:23,430 --> 00:43:21,119

setting the stage i love it

1083

00:43:26,069 --> 00:43:23,440

amy would you please respond to uh the

1084

00:43:27,829 --> 00:43:26,079

hybrids please i'd love to um the alien

1085

00:43:29,990 --> 00:43:27,839

hybridization program was something that

1086

00:43:32,870 --> 00:43:30,000

i did not believe in for a very long

1087

00:43:35,910 --> 00:43:32,880

time um however after listening to many

1088

00:43:37,190 --> 00:43:35,920

people's experiences and also just

1089

00:43:39,030 --> 00:43:37,200

looking at different abduction

1090

00:43:41,510 --> 00:43:39,040

experiences you see the majority of it

1091

00:43:43,030 --> 00:43:41,520

has to do with taking out eggs or sperm

1092

00:43:45,510 --> 00:43:43,040

or embryos it has to do with

1093

00:43:48,550 --> 00:43:45,520

reproductive sort of experiments and

1094

00:43:50,710 --> 00:43:48,560

things like that that being said the

1095

00:43:52,550 --> 00:43:50,720

alien hybridization program i found a

1096

00:43:54,150 --> 00:43:52,560

scientific article i can't even remember

1097

00:43:55,589 --> 00:43:54,160

where i found it that totally changed my

1098

00:43:57,430 --> 00:43:55,599

mind about things let's take the

1099

00:43:59,109 --> 00:43:57,440

hybridization program from the human

1100

00:44:00,870 --> 00:43:59,119

experience once we're out there and

1101

00:44:03,190 --> 00:44:00,880

we're interstellar travelers and we're

1102

00:44:05,349 --> 00:44:03,200

out there and we find a planet that

1103

00:44:07,190 --> 00:44:05,359

maybe doesn't have the qualities that

1104

00:44:09,270 --> 00:44:07,200

our human body could use but there's

1105

00:44:11,109 --> 00:44:09,280

little entities down there hanging out

1106

00:44:13,510 --> 00:44:11,119

on that planet well we're going to go

1107

00:44:15,829 --> 00:44:13,520

down there take some of that gene mix it

1108

00:44:17,589 --> 00:44:15,839

with our own dna so that we can live in

1109

00:44:20,390 --> 00:44:17,599

that climate and in that in that

1110

00:44:22,150 --> 00:44:20,400

environment um and how how is that bad

1111

00:44:23,829 --> 00:44:22,160

right and so you get you know we talk

1112

00:44:25,589 --> 00:44:23,839

about the trauma of the abductees and

1113

00:44:27,829 --> 00:44:25,599

all these things that happen but at the

1114

00:44:29,589 --> 00:44:27,839

end of the day i mean we all like it's

1115

00:44:32,230 --> 00:44:29,599

it's like about love it's about life

1116

00:44:34,710 --> 00:44:32,240

it's about getting this this vibration

1117

00:44:37,190 --> 00:44:34,720

everywhere right and if we're gonna have

1118

00:44:39,030 --> 00:44:37,200

to use our genetics to mix with some

1119

00:44:41,109 --> 00:44:39,040

sort of other entity on another planet

1120

00:44:43,430 --> 00:44:41,119

so that we can survive that atmosphere

1121

00:44:44,870 --> 00:44:43,440

so we can keep this party going and get

1122

00:44:47,670 --> 00:44:44,880

off these rocks that aren't going to

1123

00:44:49,430 --> 00:44:47,680

last for eternity then i think i do

1124

00:44:51,270 --> 00:44:49,440

believe that that makes sense to me

1125

00:44:53,349 --> 00:44:51,280

logically as to why we where the

1126  
00:44:55,030 --> 00:44:53,359  
government would not discuss it because

1127  
00:44:57,190 --> 00:44:55,040  
it's actually like isn't that like a

1128  
00:44:59,190 --> 00:44:57,200  
cosmic benefit so that's my thoughts

1129  
00:45:01,270 --> 00:44:59,200  
about the alien hybridization program i

1130  
00:45:03,190 --> 00:45:01,280  
love it nathan uh just

1131  
00:45:05,589 --> 00:45:03,200  
in your mind nathan does crispr kind of

1132  
00:45:07,910 --> 00:45:05,599  
open the door for this a little bit

1133  
00:45:10,069 --> 00:45:07,920  
i mean it's maybe we're stumbling upon a

1134  
00:45:12,390 --> 00:45:10,079  
technology that it's already there you

1135  
00:45:14,630 --> 00:45:12,400  
know it's it we're kind of unlocking

1136  
00:45:16,710 --> 00:45:14,640  
things aren't we

1137  
00:45:18,309 --> 00:45:16,720  
have already been there the whole time

1138  
00:45:19,750 --> 00:45:18,319

that's what our technology seems to be

1139

00:45:25,349 --> 00:45:19,760

doing so

1140

00:45:27,430 --> 00:45:25,359

thank you so much uh miss sa lampy 1947.

1141

00:45:29,190 --> 00:45:27,440

all right so this is a topic that i

1142

00:45:31,109 --> 00:45:29,200

really like but also have some mixed

1143

00:45:33,990 --> 00:45:31,119

feelings about because first of all i do

1144

00:45:36,630 --> 00:45:34,000

think that um there i do think that like

1145

00:45:39,109 --> 00:45:36,640

it is a somewhat plausible idea that

1146

00:45:42,230 --> 00:45:39,119

hybridization could be happening like

1147

00:45:44,230 --> 00:45:42,240

for the reasons amy said but like that a

1148

00:45:46,150 --> 00:45:44,240

lot of abductees have talked about like

1149

00:45:49,190 --> 00:45:46,160

having gametes harvested and that sort

1150

00:45:51,829 --> 00:45:49,200

of thing but also just i we as humans

1151  
00:45:53,990 --> 00:45:51,839  
have experimented with like creating

1152  
00:45:56,630 --> 00:45:54,000  
human chimpanzee hybrids and such in

1153  
00:45:58,550 --> 00:45:56,640  
labs so it's something that scientists

1154  
00:46:01,349 --> 00:45:58,560  
have tried to do and there's no reason

1155  
00:46:02,950 --> 00:46:01,359  
to think that other scientists out in

1156  
00:46:04,630 --> 00:46:02,960  
the universe might not be interested in

1157  
00:46:06,950 --> 00:46:04,640  
the same thing

1158  
00:46:10,069 --> 00:46:06,960  
the reason that i have mixed feelings

1159  
00:46:12,550 --> 00:46:10,079  
about this topic is i think that if you

1160  
00:46:15,829 --> 00:46:12,560  
if it gets to the point of people trying

1161  
00:46:18,470 --> 00:46:15,839  
to sort of find identifiers for how to

1162  
00:46:21,990 --> 00:46:18,480  
tell if a certain human is a hybrid

1163  
00:46:23,990 --> 00:46:22,000

versus a quote-unquote regular human or

1164

00:46:25,910 --> 00:46:24,000

if it becomes

1165

00:46:28,309 --> 00:46:25,920

people theorizing that

1166

00:46:29,910 --> 00:46:28,319

some groups of humans are not fully

1167

00:46:31,510 --> 00:46:29,920

humans and other ones are i think

1168

00:46:35,030 --> 00:46:31,520

there's a lot of potential for that to

1169

00:46:37,349 --> 00:46:35,040

become very dangerous hitlerization

1170

00:46:39,910 --> 00:46:37,359

yeah so i think that this is a topic

1171

00:46:42,470 --> 00:46:39,920

that like should be discussed in the ufo

1172

00:46:45,589 --> 00:46:42,480

community but that people should also

1173

00:46:48,069 --> 00:46:45,599

be very careful when discussing and

1174

00:46:51,510 --> 00:46:48,079

work and consider the intentions of some

1175

00:46:53,910 --> 00:46:51,520

of the people who might be discussing it

1176

00:46:57,190 --> 00:46:53,920

so um i just want i'm sorry if she's

1177

00:46:59,270 --> 00:46:57,200

yielding four seconds to me uh so if you

1178

00:47:01,190 --> 00:46:59,280

guys were wondering why we had lampeon

1179

00:47:02,950 --> 00:47:01,200

i'll bet you that nobody on this panel

1180

00:47:05,270 --> 00:47:02,960

was thinking about that point right

1181

00:47:06,550 --> 00:47:05,280

there the way that we can divide you

1182

00:47:07,990 --> 00:47:06,560

know we've seen sort of the country

1183

00:47:10,710 --> 00:47:08,000

divide now you can say well the

1184

00:47:12,470 --> 00:47:10,720

hitlerization we're pure they're hybrid

1185

00:47:15,750 --> 00:47:12,480

and we've seen that play out in a number

1186

00:47:17,190 --> 00:47:15,760

of cinematic uh pieces of artwork so

1187

00:47:20,390 --> 00:47:17,200

um so

1188

00:47:21,829 --> 00:47:20,400

you know uh before i uh the government

1189

00:47:23,510 --> 00:47:21,839

felt really bad for me and decided to

1190

00:47:26,390 --> 00:47:23,520

bring me back i was working at whole

1191

00:47:27,990 --> 00:47:26,400

foods and of course the shift manager

1192

00:47:29,190 --> 00:47:28,000

will hand you a cart and say here's the

1193

00:47:33,910 --> 00:47:29,200

go backs

1194

00:47:37,030 --> 00:47:33,920

so okay yeah

1195

00:47:39,670 --> 00:47:37,040

so so here we are so with go backs

1196

00:47:42,150 --> 00:47:39,680

let us start with uh miss kelly dodge

1197

00:47:44,069 --> 00:47:42,160

for a minute and a half to you

1198

00:47:45,990 --> 00:47:44,079

that was a little bit of an elvis

1199

00:47:46,790 --> 00:47:46,000

don't be cr

1200

00:47:47,910 --> 00:47:46,800

too

1201  
00:47:50,390 --> 00:47:47,920  
that's true

1202  
00:47:52,309 --> 00:47:50,400  
so um would do you have a go back that

1203  
00:47:54,390 --> 00:47:52,319  
you'd like to address with anyone any

1204  
00:47:57,510 --> 00:47:54,400  
topic miss dodge

1205  
00:48:01,910 --> 00:47:57,520  
uh uh go back no way back playback

1206  
00:48:04,069 --> 00:48:01,920  
absolutely not um again i am

1207  
00:48:06,470 --> 00:48:04,079  
okay i'm just so grateful of having

1208  
00:48:08,710 --> 00:48:06,480  
these conversations with all y'all um

1209  
00:48:11,430 --> 00:48:08,720  
that's a very canadian way saying all of

1210  
00:48:11,440 --> 00:48:13,990  
um

1211  
00:48:18,069 --> 00:48:16,230  
i'm just so

1212  
00:48:20,230 --> 00:48:18,079  
glad that people can come together and

1213  
00:48:22,230 --> 00:48:20,240

talk about this stuff and i think slowly

1214

00:48:23,990 --> 00:48:22,240

we are figuring this out

1215

00:48:26,069 --> 00:48:24,000

um

1216

00:48:28,069 --> 00:48:26,079

even though there's so many conspiracies

1217

00:48:29,349 --> 00:48:28,079

there's this there's that there's people

1218

00:48:33,030 --> 00:48:29,359

on the mountain there's you know

1219

00:48:35,030 --> 00:48:33,040

lavender people like who knows

1220

00:48:36,069 --> 00:48:35,040

i'm going to summon people down like

1221

00:48:38,069 --> 00:48:36,079

anyways

1222

00:48:40,390 --> 00:48:38,079

um i i feel like once you kind of get

1223

00:48:42,790 --> 00:48:40,400

through the weeds of the things um we

1224

00:48:45,829 --> 00:48:42,800

are we are figuring it out slowly but

1225

00:48:48,549 --> 00:48:45,839

surely and

1226

00:48:50,230 --> 00:48:48,559

i'm just very very happy with all this

1227

00:48:52,870 --> 00:48:50,240

stuff and i know it's not gonna happen

1228

00:48:55,829 --> 00:48:52,880

overnight we're slowly gonna get there

1229

00:48:57,510 --> 00:48:55,839

we can't have humanity um

1230

00:48:59,829 --> 00:48:57,520

you know we can't give everything to the

1231

00:49:01,510 --> 00:48:59,839

humanity we can't just like

1232

00:49:02,870 --> 00:49:01,520

on the humanities face because they're

1233

00:49:04,790 --> 00:49:02,880

gonna be like you know what i don't like

1234

00:49:06,390 --> 00:49:04,800

that i don't like that

1235

00:49:10,309 --> 00:49:06,400

so we have to like

1236

00:49:12,870 --> 00:49:10,319

warm them up get them there you know um

1237

00:49:14,549 --> 00:49:12,880

i'm just very excited and happy and i'm

1238

00:49:17,430 --> 00:49:14,559

very um

1239

00:49:19,910 --> 00:49:17,440

optimistic of what's going to happen

1240

00:49:21,990 --> 00:49:19,920

and what's going to be discovered uh in

1241

00:49:24,470 --> 00:49:22,000

the next 10 years it is i know that

1242

00:49:25,670 --> 00:49:24,480

sucks but it is going to take uh that

1243

00:49:27,829 --> 00:49:25,680

long

1244

00:49:30,710 --> 00:49:27,839

kelly i want to thank you uh by the way

1245

00:49:33,670 --> 00:49:30,720

the granola goes back to aisle four and

1246

00:49:35,750 --> 00:49:33,680

uh as far as lavender skins is concerned

1247

00:49:37,910 --> 00:49:35,760

just think lavender skin could eradicate

1248

00:49:40,069 --> 00:49:37,920

skin cancer so i just want you to ponder

1249

00:49:41,829 --> 00:49:40,079

that when we go on to amy's go back

1250

00:49:46,069 --> 00:49:41,839

interesting yeah

1251

00:49:48,470 --> 00:49:46,079

so i think that extraterrestrials

1252

00:49:50,710 --> 00:49:48,480

are going to become more of the

1253

00:49:53,349 --> 00:49:50,720

forefront of our mind

1254

00:49:54,950 --> 00:49:53,359

it's a matter of time before we put the

1255

00:49:57,750 --> 00:49:54,960

pieces together

1256

00:50:00,069 --> 00:49:57,760

in terms of people like lou elizondo on

1257

00:50:02,230 --> 00:50:00,079

rolling it out he's rolling it out he's

1258

00:50:04,790 --> 00:50:02,240

rolling the information out then we got

1259

00:50:06,870 --> 00:50:04,800

books like the skinwalker about

1260

00:50:09,829 --> 00:50:06,880

werewolves and all of these things that

1261

00:50:10,870 --> 00:50:09,839

just seem so fantastical coming from a

1262

00:50:12,710 --> 00:50:10,880

senator

1263

00:50:14,470 --> 00:50:12,720

at the same time we look at all sorts of

1264

00:50:15,510 --> 00:50:14,480

different popular culture that we have

1265

00:50:18,710 --> 00:50:15,520

throughout

1266

00:50:20,470 --> 00:50:18,720

everything and it's actually pretty dang

1267

00:50:22,309 --> 00:50:20,480

hard to find a sci-fi that doesn't

1268

00:50:24,790 --> 00:50:22,319

believe in aliens i don't know if that

1269

00:50:27,270 --> 00:50:24,800

says anything maybe not really but and

1270

00:50:30,549 --> 00:50:27,280

then we take in the idea of of the

1271

00:50:32,870 --> 00:50:30,559

hybrids um and and when anybody takes

1272

00:50:35,270 --> 00:50:32,880

the time to look at this topic and to

1273

00:50:37,349 --> 00:50:35,280

review it and to just

1274

00:50:38,309 --> 00:50:37,359

learn with a curious

1275

00:50:41,349 --> 00:50:38,319

open

1276

00:50:43,030 --> 00:50:41,359

mind be someone who just shows up and

1277

00:50:45,109 --> 00:50:43,040

says instead of pretending to be the

1278

00:50:46,549 --> 00:50:45,119

smartest person in the room

1279

00:50:47,990 --> 00:50:46,559

it's actually the person who doesn't

1280

00:50:49,109 --> 00:50:48,000

think they know the most that's the

1281

00:50:50,710 --> 00:50:49,119

smartest

1282

00:50:53,270 --> 00:50:50,720

and it's that person who has the

1283

00:50:54,470 --> 00:50:53,280

laid-back vibe who's not going to say oh

1284

00:50:56,870 --> 00:50:54,480

well you don't know what you're talking

1285

00:50:58,870 --> 00:50:56,880

about just like in the titanic right

1286

00:50:59,990 --> 00:50:58,880

they're like what was that shutter oh

1287

00:51:02,230 --> 00:51:00,000

don't worry

1288

00:51:04,790 --> 00:51:02,240

it was just the shutter of the rudder

1289

00:51:07,190 --> 00:51:04,800

it's okay i've learned so much that when

1290

00:51:08,790 --> 00:51:07,200

people say it's okay no go figure it out

1291

00:51:11,190 --> 00:51:08,800

because this isn't okay this is what

1292

00:51:13,190 --> 00:51:11,200

this conversation is on the go like not

1293

00:51:15,829 --> 00:51:13,200

the government but someone knows whether

1294

00:51:18,230 --> 00:51:15,839

it be anjalee whether it be some other

1295

00:51:20,390 --> 00:51:18,240

experiencer we need that information

1296

00:51:21,910 --> 00:51:20,400

we're ready just tell us and the second

1297

00:51:24,150 --> 00:51:21,920

that they can tell us we got some cool

1298

00:51:27,190 --> 00:51:24,160

stuff going on yeah and whether or not

1299

00:51:29,430 --> 00:51:27,200

it might be alien girl amy by the way

1300

00:51:31,750 --> 00:51:29,440

uh listen up

1301  
00:51:33,270 --> 00:51:31,760  
lampy what's your go back girl oh wait

1302  
00:51:34,710 --> 00:51:33,280  
please uh i would like you to if you

1303  
00:51:38,950 --> 00:51:34,720  
could take that oat milk back to the

1304  
00:51:44,630 --> 00:51:41,750  
um well first i just want to thank kelly

1305  
00:51:46,710 --> 00:51:44,640  
for um completely ruining my ability to

1306  
00:51:51,910 --> 00:51:46,720  
ever hear the phrase slow drip

1307  
00:51:56,230 --> 00:51:53,030  
oh no

1308  
00:51:59,430 --> 00:51:56,240  
and uh beyond that um i agree i agree

1309  
00:52:01,510 --> 00:51:59,440  
with amy that i think that um eg's are

1310  
00:52:03,670 --> 00:52:01,520  
sort of becoming at the forefront of

1311  
00:52:06,630 --> 00:52:03,680  
more people's mind and i think that the

1312  
00:52:09,190 --> 00:52:06,640  
stigma around this topic is lessening in

1313  
00:52:11,109 --> 00:52:09,200

the mainstream like i still think that

1314

00:52:13,109 --> 00:52:11,119

the normies would kind of balk if they

1315

00:52:14,870 --> 00:52:13,119

heard the discussion about like hybrids

1316

00:52:16,549 --> 00:52:14,880

and consciousness and remote viewing and

1317

00:52:18,230 --> 00:52:16,559

such but i think that if you just tell a

1318

00:52:20,309 --> 00:52:18,240

random person that like you're

1319

00:52:22,309 --> 00:52:20,319

interested in aliens and ufos then

1320

00:52:26,549 --> 00:52:22,319

they'll be like oh that's cool and it's

1321

00:52:28,390 --> 00:52:26,559

not that strange anymore i think that at

1322

00:52:31,270 --> 00:52:28,400

least a casual interest is a fairly

1323

00:52:32,549 --> 00:52:31,280

normal thing and if

1324

00:52:35,190 --> 00:52:32,559

and i feel like this is a really

1325

00:52:37,349 --> 00:52:35,200

interesting time to be involved in this

1326

00:52:40,069 --> 00:52:37,359

topic like i know everyone feels like

1327

00:52:42,309 --> 00:52:40,079

sort of their own moment in history is

1328

00:52:44,470 --> 00:52:42,319

the is the big significant one but i

1329

00:52:47,030 --> 00:52:44,480

really do think that there's a lot of

1330

00:52:49,349 --> 00:52:47,040

development happening here and i am

1331

00:52:51,750 --> 00:52:49,359

really glad to be a part of ufo twitter

1332

00:52:53,670 --> 00:52:51,760

right now so i think i'm going to yield

1333

00:52:55,109 --> 00:52:53,680

the rest of this time to susan but um

1334

00:52:58,829 --> 00:52:55,119

thank you all for having me it's been

1335

00:53:02,069 --> 00:52:58,839

great to meet all of you thanks

1336

00:53:05,030 --> 00:53:02,079

lamp i it's a lot to take in

1337

00:53:07,829 --> 00:53:05,040

for the normies right your mother your

1338

00:53:09,510 --> 00:53:07,839

grandmother your aunt remember

1339

00:53:12,150 --> 00:53:09,520

this is the dawn

1340

00:53:13,910 --> 00:53:12,160

of a whole new way of relearning

1341

00:53:16,069 --> 00:53:13,920

everything and then incorporating a lot

1342

00:53:19,910 --> 00:53:16,079

of very new and extremely radical and

1343

00:53:21,750 --> 00:53:19,920

unusual things you know

1344

00:53:24,150 --> 00:53:21,760

just try to imagine for a moment that

1345

00:53:27,750 --> 00:53:24,160

you not you haven't been immersed in the

1346

00:53:29,750 --> 00:53:27,760

subject the way we have uh many others

1347

00:53:31,990 --> 00:53:29,760

have for many many years decades people

1348

00:53:34,150 --> 00:53:32,000

have died in this whole process never

1349

00:53:35,349 --> 00:53:34,160

knowing you know where it's all going to

1350

00:53:37,109 --> 00:53:35,359

go

1351

00:53:39,990 --> 00:53:37,119

it's a lot to take in we live in a

1352

00:53:42,069 --> 00:53:40,000

culture that is largely based on myth

1353

00:53:43,990 --> 00:53:42,079

and fairy tale i mean think about it

1354

00:53:47,109 --> 00:53:44,000

from the moment you you're you're it's

1355

00:53:49,109 --> 00:53:47,119

like little girls princesses dragons you

1356

00:53:50,790 --> 00:53:49,119

know fantasy

1357

00:53:52,230 --> 00:53:50,800

you know christmas i mean look let me

1358

00:53:53,670 --> 00:53:52,240

get into the whole religion thing too

1359

00:53:55,589 --> 00:53:53,680

there's no insult to any religion but

1360

00:53:59,030 --> 00:53:55,599

basically there's so many stories that

1361

00:53:59,750 --> 00:53:59,040

we're told okay none of them are this

1362

00:54:03,109 --> 00:53:59,760

so

1363

00:54:05,910 --> 00:54:03,119

this is completely radical the the most

1364

00:54:08,470 --> 00:54:05,920

avant-garde of the avant-garde this is

1365

00:54:09,430 --> 00:54:08,480

the fringe of the fringe it's not for

1366

00:54:13,670 --> 00:54:09,440

the

1367

00:54:15,990 --> 00:54:13,680

isn't i mean i've had many moments in my

1368

00:54:17,910 --> 00:54:16,000

many decades i'm sitting on the subway

1369

00:54:19,829 --> 00:54:17,920

and i'm reading a book i don't even know

1370

00:54:21,910 --> 00:54:19,839

what book i've read thousands and it

1371

00:54:22,790 --> 00:54:21,920

suddenly hits you like a wall you're

1372

00:54:24,950 --> 00:54:22,800

like

1373

00:54:27,270 --> 00:54:24,960

wow

1374

00:54:29,990 --> 00:54:27,280

oh my god it's my stop i have to get off

1375

00:54:32,069 --> 00:54:30,000

the train you know and i'm still half in

1376

00:54:34,069 --> 00:54:32,079

this other parallel world thinking about

1377

00:54:34,870 --> 00:54:34,079

all this stuff and really taking it in i

1378

00:54:37,190 --> 00:54:34,880

think

1379

00:54:39,829 --> 00:54:37,200

changes you on a micro dna level when

1380

00:54:43,430 --> 00:54:39,839

you learn about it

1381

00:54:45,990 --> 00:54:43,440

i love it um nathan to to susan's point

1382

00:54:48,150 --> 00:54:46,000

i think lou alluded to in that kirk jai

1383

00:54:50,069 --> 00:54:48,160

mongol video audi excuse me the

1384

00:54:52,390 --> 00:54:50,079

kirchhoff mongol interview correct me if

1385

00:54:54,710 --> 00:54:52,400

i'm wrong that maybe the the stories

1386

00:54:56,549 --> 00:54:54,720

that we've been told uh by our parents

1387

00:54:58,230 --> 00:54:56,559

and he i think he used those words

1388

00:54:59,430 --> 00:54:58,240

paraphrasing if not

1389

00:55:01,030 --> 00:54:59,440

uh aren't

1390

00:55:04,230 --> 00:55:01,040

what really has happened or aren't

1391

00:55:06,150 --> 00:55:04,240

what's happening um yeah well i mean i

1392

00:55:08,549 --> 00:55:06,160

agree and susan kind of you're touching

1393

00:55:10,789 --> 00:55:08,559

on something that i think

1394

00:55:11,910 --> 00:55:10,799

you know resonates with me a lot

1395

00:55:13,109 --> 00:55:11,920

we're

1396

00:55:15,829 --> 00:55:13,119

humans are

1397

00:55:18,230 --> 00:55:15,839

we orient our lives around stories

1398

00:55:19,190 --> 00:55:18,240

um and we always have

1399

00:55:21,190 --> 00:55:19,200

and

1400

00:55:24,950 --> 00:55:21,200

for a very long time

1401

00:55:27,990 --> 00:55:24,960

we had societies that were fairly well

1402

00:55:29,270 --> 00:55:28,000

contained with consistent stories that

1403

00:55:31,190 --> 00:55:29,280

maintained

1404

00:55:33,670 --> 00:55:31,200

those structures

1405

00:55:36,630 --> 00:55:33,680

and cultures and as as the world got

1406

00:55:37,990 --> 00:55:36,640

smaller as these places got larger we

1407

00:55:40,390 --> 00:55:38,000

started bumping into each other and we

1408

00:55:43,349 --> 00:55:40,400

realized oh geez like my story is just a

1409

00:55:45,109 --> 00:55:43,359

it's one among other stories

1410

00:55:46,870 --> 00:55:45,119

and so now we're we threw all these

1411

00:55:48,069 --> 00:55:46,880

stories together and we said well geez

1412

00:55:49,349 --> 00:55:48,079

like

1413

00:55:51,190 --> 00:55:49,359

there's a whole bunch of things here

1414

00:55:53,030 --> 00:55:51,200

well none of them are actually like the

1415

00:55:55,349 --> 00:55:53,040

real story none of these are the real

1416

00:55:58,150 --> 00:55:55,359

story we need a new story

1417

00:56:00,390 --> 00:55:58,160

but in in the 20th century and in the

1418

00:56:03,030 --> 00:56:00,400

early days of the 21st century

1419

00:56:06,549 --> 00:56:03,040

we have jettisoned all of the stories in

1420

00:56:08,870 --> 00:56:06,559

favor of of of a scientific narrative

1421

00:56:10,309 --> 00:56:08,880

that we that we want to hang our hats on

1422

00:56:11,990 --> 00:56:10,319

we want to say hey well you know this

1423

00:56:13,349 --> 00:56:12,000

science stuff it's getting a lot done i

1424

00:56:15,190 --> 00:56:13,359

don't know if you guys noticed but it's

1425

00:56:16,950 --> 00:56:15,200

accomplishing quite a lot

1426

00:56:18,789 --> 00:56:16,960

uh it's allowing us to do this really

1427

00:56:20,950 --> 00:56:18,799

cool thing we're doing right here it's

1428

00:56:22,870 --> 00:56:20,960

allowing us to uh you know cheat death

1429

00:56:25,109 --> 00:56:22,880

in many instances science is actually

1430

00:56:26,950 --> 00:56:25,119

doing some stuff so maybe

1431

00:56:29,190 --> 00:56:26,960

we need to put all of our chips in the

1432

00:56:30,549 --> 00:56:29,200

science basket and that's the story that

1433

00:56:32,549 --> 00:56:30,559

we need

1434

00:56:34,470 --> 00:56:32,559

but the truth of the matter is we are

1435

00:56:36,549 --> 00:56:34,480

coming back around we are coming back

1436

00:56:38,870 --> 00:56:36,559

around to a realization that the story

1437

00:56:40,549 --> 00:56:38,880

is much larger than even that

1438

00:56:42,470 --> 00:56:40,559

and the things that we discarded the

1439

00:56:44,150 --> 00:56:42,480

things that we thought we didn't need

1440

00:56:45,190 --> 00:56:44,160

are things that are actually important

1441

00:56:47,510 --> 00:56:45,200

after all

1442

00:56:49,430 --> 00:56:47,520

but science is also important so we are

1443

00:56:51,190 --> 00:56:49,440

entering a new age where we are blending

1444

00:56:53,030 --> 00:56:51,200

these things together and it just so

1445

00:56:55,349 --> 00:56:53,040

happens that the nexus

1446

00:56:59,030 --> 00:56:55,359

of these ideas happens to be

1447

00:57:00,630 --> 00:56:59,040

the ufo and the phenomenon consciousness

1448

00:57:02,549 --> 00:57:00,640

all the weird things that we've seen

1449

00:57:04,309 --> 00:57:02,559

throughout history you know it's got it

1450

00:57:06,309 --> 00:57:04,319

all wrapped up in there and so we are

1451

00:57:08,309 --> 00:57:06,319

creating this new story

1452

00:57:10,230 --> 00:57:08,319

for all of humanity and it's if you

1453

00:57:12,710 --> 00:57:10,240

think about the work that that takes it

1454

00:57:15,910 --> 00:57:12,720

takes a lot of work and a lot of time

1455

00:57:17,990 --> 00:57:15,920

i'll tell you guys um audience if you're

1456

00:57:19,510 --> 00:57:18,000

if we've left you wanting more then we

1457

00:57:21,670 --> 00:57:19,520

accomplished our goal

1458

00:57:24,470 --> 00:57:21,680

because that's going to be it um that's

1459

00:57:25,670 --> 00:57:24,480

going to be it for tonight

1460

00:57:26,789 --> 00:57:25,680

that's going to be we're going to leave

1461

00:57:28,309 --> 00:57:26,799

what that's the way i got to get you

1462

00:57:30,870 --> 00:57:28,319

back fenced in

1463

00:57:32,150 --> 00:57:30,880

you better connect with me and limpy oh

1464

00:57:33,910 --> 00:57:32,160

my goodness

1465

00:57:36,309 --> 00:57:33,920

yeah say yours

1466

00:57:39,030 --> 00:57:36,319

friends yeah we need an alien pajama

1467

00:57:41,670 --> 00:57:39,040

party where we sit up all night telling

1468

00:57:44,150 --> 00:57:41,680

alien stories do you have anything

1469

00:57:45,990 --> 00:57:44,160

like on alien girl's channel like this

1470

00:57:48,390 --> 00:57:46,000

is what she does like this is her whole

1471

00:57:51,430 --> 00:57:48,400

vibe it's just like yes

1472

00:57:53,270 --> 00:57:51,440

i know i want like oh i love it she's

1473

00:57:55,270 --> 00:57:53,280

the best

1474

00:57:57,349 --> 00:57:55,280

want so much fun so much fun let's have

1475

00:57:59,190 --> 00:57:57,359

an alien pajama party on my channel

1476

00:58:00,870 --> 00:57:59,200

let's do it let's let's all about it

1477

00:58:03,829 --> 00:58:00,880

let's all do it let's do it why not i

1478

00:58:06,150 --> 00:58:03,839

like the idea let's go i'm totally there

1479

00:58:07,670 --> 00:58:06,160

all right i'll use our dm so we've been

1480

00:58:10,870 --> 00:58:07,680

uh chit chatting and let's set it up

1481

00:58:12,630 --> 00:58:10,880

sometime as you guys as you guys uh can

1482

00:58:14,870 --> 00:58:12,640

tell that uh there is an element of

1483

00:58:16,470 --> 00:58:14,880

comedy that that associated with this

1484

00:58:18,870 --> 00:58:16,480

show but there's also

1485

00:58:21,109 --> 00:58:18,880

um a huge element of seriousness and i

1486

00:58:23,510 --> 00:58:21,119

think we approached that tonight and and

1487

00:58:25,430 --> 00:58:23,520

you could do a little bit of both and um

1488

00:58:27,990 --> 00:58:25,440

i want to say uh i

1489

00:58:29,750 --> 00:58:28,000

i love all of you and uh i think all of

1490

00:58:32,390 --> 00:58:29,760

us on this panel love all of you out

1491

00:58:34,150 --> 00:58:32,400

there in hashtag ufo twitter land

1492

00:58:37,430 --> 00:58:34,160

and uh let's let's keep bringing the

1493

00:58:39,829 --> 00:58:37,440

positivities for uh kelly dodge for

1494

00:58:43,030 --> 00:58:39,839

alien girl amy for lampy for susan in

1495

00:58:45,829 --> 00:58:43,040

for nathan this is dj saying peace out

1496

00:58:47,630 --> 00:58:45,839

one love and we'll see you down the road
