**PRIME TIME'S**  
**Artemis + Josh**

**Nov 23, 2021**

**Calling All Beings**

1  
00:00:30,230 --> 00:00:08,250  
calling all beings y'all

2  
00:00:32,229 --> 00:00:30,240  
[Music]

3  
00:00:35,670 --> 00:00:32,239  
yeah

4  
00:00:38,790 --> 00:00:35,680  
welcome back to calling all beings

5  
00:00:41,670 --> 00:00:38,800  
i'm your host dj along with my co-host

6  
00:00:43,830 --> 00:00:41,680  
money nate also known as nftnate all i

7  
00:00:45,430 --> 00:00:43,840  
know is that he money in the bank and

8  
00:00:47,670 --> 00:00:45,440  
guess what we got a new member of the

9  
00:00:50,310 --> 00:00:47,680  
team right here

10  
00:00:55,240 --> 00:00:50,320  
we got associate producer put them hands

11  
00:00:55,250 --> 00:01:00,630  
[Applause]

12  
00:01:03,680 --> 00:01:01,990  
all right man

13  
00:01:08,070 --> 00:01:03,690

hit it brother

14

00:01:13,160 --> 00:01:08,080

[Music]

15

00:01:13,170 --> 00:01:25,190

[Laughter]

16

00:01:29,030 --> 00:01:27,190

party people let's let's talk about what

17

00:01:31,510 --> 00:01:29,040

we got going on tonight we talking about

18

00:01:33,749 --> 00:01:31,520

the power couple we talking about they

19

00:01:36,149 --> 00:01:33,759

went from different continents to get

20

00:01:38,390 --> 00:01:36,159

together to put together something we

21

00:01:40,469 --> 00:01:38,400

called la

22

00:01:42,389 --> 00:01:40,479

love is in the air baby can you feel

23

00:01:44,469 --> 00:01:42,399

what i'm saying nathan i can brother i

24

00:01:47,510 --> 00:01:44,479

can love is in the air they got

25

00:01:49,429 --> 00:01:47,520

beautiful hair beautiful faces man let

26  
00:01:57,710 --> 00:01:49,439  
me get some of that man kick that

27  
00:01:57,720 --> 00:02:07,030  
[Music]

28  
00:02:13,030 --> 00:02:09,430  
yeah this is what i'm talking about

29  
00:02:15,510 --> 00:02:13,040  
people put your hands together for prime

30  
00:02:21,990 --> 00:02:15,520  
time prime time

31  
00:02:25,270 --> 00:02:22,000  
artemis and the beautiful josh from the

32  
00:02:27,910 --> 00:02:25,280  
united kingdom put them hands together

33  
00:02:30,550 --> 00:02:27,920  
can i get it hey everybody please and

34  
00:02:34,390 --> 00:02:30,560  
put them hands together

35  
00:02:39,750 --> 00:02:37,670  
yeah look at her man check this out josh

36  
00:02:42,070 --> 00:02:39,760  
this is what i got

37  
00:02:43,830 --> 00:02:42,080  
josh i'm i don't care what

38  
00:02:45,589 --> 00:02:43,840

you know you look beautiful josh i don't

39

00:02:47,589 --> 00:02:45,599

care what she got to say man that's the

40

00:02:49,589 --> 00:02:47,599

you know she looks beautiful too what is

41

00:02:51,509 --> 00:02:49,599

up welcome people

42

00:02:53,990 --> 00:02:51,519

thanks man yeah it's it's a pleasure to

43

00:02:56,790 --> 00:02:54,000

be here it's um it's late in the uk but

44

00:02:58,710 --> 00:02:56,800

your voice dj has perked me up so so

45

00:03:02,949 --> 00:02:58,720

much so yeah it's a pleasure thanks oh

46

00:03:04,869 --> 00:03:02,959

man that makes me feel good artemis

47

00:03:06,869 --> 00:03:04,879

homegirl we've been waiting to get on

48

00:03:09,030 --> 00:03:06,879

air together

49

00:03:13,910 --> 00:03:09,040

and we don't did it

50

00:03:18,630 --> 00:03:15,589

i'll tell you what and i'll tell you

51  
00:03:21,030 --> 00:03:18,640  
what yeah fast friends i'm i'm sorry

52  
00:03:23,589 --> 00:03:21,040  
does somebody say nathan man what's up

53  
00:03:25,670 --> 00:03:23,599  
man what what's up it's uh it's artemis

54  
00:03:29,350 --> 00:03:25,680  
and josh ready or not here we come i

55  
00:03:32,550 --> 00:03:30,710  
can you keep up man you had me doing

56  
00:03:34,149 --> 00:03:32,560  
like four different things still i still

57  
00:03:39,509 --> 00:03:34,159  
like the

58  
00:03:41,430 --> 00:03:40,630  
yeah

59  
00:03:42,869 --> 00:03:41,440  
so

60  
00:03:44,309 --> 00:03:42,879  
um

61  
00:03:47,030 --> 00:03:44,319  
we're very excited to have you guys

62  
00:03:49,110 --> 00:03:47,040  
nathan has given me the honor

63  
00:03:50,309 --> 00:03:49,120

of having the first question

64

00:03:53,350 --> 00:03:50,319

for this

65

00:03:56,229 --> 00:03:53,360

this transcontinental love couple who

66

00:03:57,910 --> 00:03:56,239

just it it warms me hot

67

00:04:02,789 --> 00:03:57,920

do you know what i'm saying just it

68

00:04:07,350 --> 00:04:05,190

and so my first question is for artemis

69

00:04:08,949 --> 00:04:07,360

so now i'm going to get serious

70

00:04:10,470 --> 00:04:08,959

but well in order to do that let me put

71

00:04:12,070 --> 00:04:10,480

my hand up because i don't want to have

72

00:04:13,110 --> 00:04:12,080

hair too yeah oh we're getting serious

73

00:04:15,270 --> 00:04:13,120

okay

74

00:04:16,789 --> 00:04:15,280

now i feel like i'm really part of the

75

00:04:20,229 --> 00:04:16,799

group

76

00:04:24,629 --> 00:04:22,950

yeah i mean yeah hey dj

77

00:04:27,270 --> 00:04:24,639

i'm hearing there's might be some

78

00:04:28,710 --> 00:04:27,280

echoing do we know who okay

79

00:04:40,950 --> 00:04:28,720

deborah

80

00:04:43,590 --> 00:04:40,960

okay thank you just let us know yes

81

00:04:46,950 --> 00:04:43,600

please dab that's uh my homies posted at

82

00:04:49,990 --> 00:04:46,960

a study of ufos and uaps deb is a

83

00:04:51,749 --> 00:04:50,000

brilliant researcher uh with just an

84

00:04:53,749 --> 00:04:51,759

android phone she's been able to scour

85

00:04:56,150 --> 00:04:53,759

the internet and find

86

00:04:58,310 --> 00:04:56,160

hundreds and hundreds of documents wow

87

00:05:00,150 --> 00:04:58,320

check out deb anyway uh she'll have her

88

00:05:01,590 --> 00:05:00,160

own channel it's not gonna be long uh so

89

00:05:04,070 --> 00:05:01,600

anyway

90

00:05:05,990 --> 00:05:04,080

um so my first question is for artemis

91

00:05:08,230 --> 00:05:06,000

and i thought we'd have a little bit of

92

00:05:09,029 --> 00:05:08,240

fun with this first one artemis

93

00:05:11,909 --> 00:05:09,039

and

94

00:05:13,749 --> 00:05:11,919

what i thought we would do is to make

95

00:05:15,430 --> 00:05:13,759

sort of a little a little bit of a

96

00:05:16,790 --> 00:05:15,440

ground rule just for this question and

97

00:05:19,670 --> 00:05:16,800

this is all of course with your

98

00:05:22,629 --> 00:05:19,680

concurrence but i want to ask you

99

00:05:25,990 --> 00:05:22,639

what is most important to you regarding

100

00:05:29,590 --> 00:05:26,000

this entire topic but without using the

101

00:05:30,629 --> 00:05:29,600

word or the inference transparency

102

00:05:31,510 --> 00:05:30,639

right

103

00:05:39,270 --> 00:05:31,520

or

104

00:05:44,790 --> 00:05:42,070

because everyone goes we need disclosure

105

00:05:46,629 --> 00:05:44,800

what's important to me is that we did

106

00:05:48,790 --> 00:05:46,639

get this quote and it's like okay

107

00:05:49,749 --> 00:05:48,800

everybody on ufo twitter agrees on that

108

00:05:51,189 --> 00:05:49,759

next

109

00:05:56,870 --> 00:05:51,199

so

110

00:05:59,430 --> 00:05:56,880

um what really strikes you like

111

00:06:01,830 --> 00:05:59,440

you know to me like like like when i

112

00:06:05,749 --> 00:06:01,840

hear or read or see tic tac it really

113

00:06:07,029 --> 00:06:05,759

stimulates me um from my standpoint

114

00:06:08,950 --> 00:06:07,039

that's not the only thing there's a lot

115

00:06:11,830 --> 00:06:08,960

of things but what is very stimulating

116

00:06:13,590 --> 00:06:11,840

to you what aspect

117

00:06:14,550 --> 00:06:13,600

what aspect of the

118

00:06:19,270 --> 00:06:14,560

topic

119

00:06:25,110 --> 00:06:21,270

well i mean i think all of it is pretty

120

00:06:25,120 --> 00:06:28,070

um

121

00:06:31,270 --> 00:06:29,830

all right all right josh

122

00:06:32,830 --> 00:06:31,280

i was i was interested what kind of

123

00:06:35,670 --> 00:06:32,840

moose are you using i'm just kidding go

124

00:06:37,590 --> 00:06:35,680

ahead no i uh don't use moose i'm

125

00:06:39,749 --> 00:06:37,600

actually torn this before the show so

126

00:06:41,830 --> 00:06:39,759

the only thing i use in my hair is base

127

00:06:43,350 --> 00:06:41,840

i've got some leave-in um

128

00:06:44,790 --> 00:06:43,360

conditioner that's so that's what we're

129

00:06:47,110 --> 00:06:44,800

using it really

130

00:06:48,710 --> 00:06:47,120

wow okay so for everybody out there that

131

00:06:50,390 --> 00:06:48,720

that was going to chime in with that

132

00:06:52,150 --> 00:06:50,400

question it's been answered let's move

133

00:06:53,730 --> 00:06:52,160

on to artemis

134

00:06:55,670 --> 00:06:53,740

i'm sorry flair

135

00:06:58,550 --> 00:06:55,680

[Laughter]

136

00:07:04,230 --> 00:06:58,560

i'm sure claire had it ready

137

00:07:09,189 --> 00:07:06,550

no i you looked absolutely phenomenal

138

00:07:11,350 --> 00:07:09,199

today i think you wowed all of ufo

139

00:07:16,710 --> 00:07:11,360

twitter um not the least of which was

140

00:07:17,670 --> 00:07:16,720

josh so thank you artemis uh

141

00:07:20,150 --> 00:07:17,680

and

142

00:07:22,230 --> 00:07:20,160

it's a pretty good reason look at it

143

00:07:23,670 --> 00:07:22,240

i think how do you use a bit low um

144

00:07:25,430 --> 00:07:23,680

artemis you can turn your mic up a

145

00:07:27,270 --> 00:07:25,440

little bit something's a bit lower yes

146

00:07:28,870 --> 00:07:27,280

yes ma'am let's get the volume up a

147

00:07:30,800 --> 00:07:28,880

little bit there or bring it i'll bring

148

00:07:37,940 --> 00:07:30,810

it

149

00:07:43,749 --> 00:07:41,749

[Laughter]

150

00:07:45,110 --> 00:07:43,759

truly because i i really kind of want to

151  
00:07:48,070 --> 00:07:45,120  
get into

152  
00:07:50,550 --> 00:07:48,080  
you know how you how you got into this

153  
00:07:52,869 --> 00:07:50,560  
uh what was it were you one of those uh

154  
00:07:54,710 --> 00:07:52,879  
kids who was looking up at the stars did

155  
00:07:56,869 --> 00:07:54,720  
you have a sighting was there something

156  
00:07:59,110 --> 00:07:56,879  
that was the uh sort of beginning for

157  
00:08:02,150 --> 00:07:59,120  
you the genesis of your love and

158  
00:08:05,189 --> 00:08:02,160  
interest for for this topic

159  
00:08:07,430 --> 00:08:05,199  
um i never had like a sighting or

160  
00:08:09,990 --> 00:08:07,440  
experience as a kid but i definitely was

161  
00:08:13,270 --> 00:08:10,000  
in the like the sci-fi topic i watched

162  
00:08:14,550 --> 00:08:13,280  
like star trek with my dad like

163  
00:08:16,230 --> 00:08:14,560

yeah

164

00:08:19,430 --> 00:08:16,240  
and like we watched like all the

165

00:08:22,309 --> 00:08:19,440  
classics like dinah her cookies

166

00:08:23,909 --> 00:08:22,319  
like superman like but the like old

167

00:08:25,029 --> 00:08:23,919  
superman

168

00:08:26,629 --> 00:08:25,039  
um

169

00:08:28,070 --> 00:08:26,639  
yeah just like all the

170

00:08:30,150 --> 00:08:28,080  
like old

171

00:08:31,909 --> 00:08:30,160  
and like the original so

172

00:08:34,310 --> 00:08:31,919  
um i was always like

173

00:08:36,389 --> 00:08:34,320  
really into

174

00:08:38,389 --> 00:08:36,399  
just like that whole

175

00:08:40,870 --> 00:08:38,399  
idea that like more is out there and

176

00:08:42,949 --> 00:08:40,880

that like whenever i thought of like

177

00:08:45,110 --> 00:08:42,959

space and if we're alone like that was

178

00:08:46,230 --> 00:08:45,120

never really a question for me i always

179

00:08:48,710 --> 00:08:46,240

felt like

180

00:08:50,790 --> 00:08:48,720

it was obvious that we weren't alone

181

00:08:54,949 --> 00:08:50,800

what did your father say to you when

182

00:08:58,150 --> 00:08:56,150

like now

183

00:08:59,190 --> 00:08:58,160

no like back then what kind of things

184

00:09:02,710 --> 00:08:59,200

was he

185

00:09:05,110 --> 00:09:02,720

what were those discussions like

186

00:09:07,590 --> 00:09:05,120

well back then he was just into it and

187

00:09:09,190 --> 00:09:07,600

so was i and my sister was like she's

188

00:09:10,550 --> 00:09:09,200

six years older than me

189

00:09:14,870 --> 00:09:10,560

and uh

190

00:09:17,990 --> 00:09:16,310

wasn't into it

191

00:09:19,910 --> 00:09:18,000

um

192

00:09:22,790 --> 00:09:19,920

so i was like kind of the one also like

193

00:09:25,670 --> 00:09:22,800

stuck like watching this with my dad but

194

00:09:26,630 --> 00:09:25,680

i enjoyed it so it was kind of a win-win

195

00:09:28,310 --> 00:09:26,640

um

196

00:09:30,870 --> 00:09:28,320

and then like as i got older like you

197

00:09:32,949 --> 00:09:30,880

know we got into like star wars and like

198

00:09:34,630 --> 00:09:32,959

lord of the rings harry potter like i

199

00:09:36,630 --> 00:09:34,640

got into like all of that

200

00:09:38,790 --> 00:09:36,640

but no theories no theories from your

201  
00:09:41,509 --> 00:09:38,800  
father

202  
00:09:43,829 --> 00:09:41,519  
you know what he he's like

203  
00:09:44,870 --> 00:09:43,839  
um he's very greek

204  
00:09:45,750 --> 00:09:44,880  
so

205  
00:09:48,070 --> 00:09:45,760  
yeah

206  
00:09:50,070 --> 00:09:48,080  
i come from a greek background so like

207  
00:09:53,030 --> 00:09:50,080  
um

208  
00:09:54,150 --> 00:09:53,040  
i don't know he i i don't speak to him

209  
00:09:56,630 --> 00:09:54,160  
like i don't

210  
00:09:58,630 --> 00:09:56,640  
yeah i don't speak to him now but i

211  
00:10:00,710 --> 00:09:58,640  
would imagine that he

212  
00:10:02,230 --> 00:10:00,720  
definitely believes that there's like

213  
00:10:04,389 --> 00:10:02,240

more out there that's probably why he

214

00:10:06,069 --> 00:10:04,399

was so into those shows like

215

00:10:08,710 --> 00:10:06,079

thinking back like

216

00:10:11,110 --> 00:10:08,720

he loved the idea of like space and he

217

00:10:12,949 --> 00:10:11,120

was very philosophical and like

218

00:10:13,750 --> 00:10:12,959

he um

219

00:10:22,069 --> 00:10:13,760

he

220

00:10:24,069 --> 00:10:22,079

space stuff so

221

00:10:26,389 --> 00:10:24,079

that's interesting

222

00:10:28,069 --> 00:10:26,399

yeah this is the kind of guy he was but

223

00:10:30,550 --> 00:10:28,079

um

224

00:10:32,790 --> 00:10:30,560

yeah so he he basically did get me into

225

00:10:35,829 --> 00:10:32,800

it but i figured i think one way or

226  
00:10:37,430 --> 00:10:35,839  
another i probably would have either way

227  
00:10:38,389 --> 00:10:37,440  
through high school

228  
00:10:41,910 --> 00:10:38,399  
i was

229  
00:10:44,550 --> 00:10:41,920  
watching things like with him but i kind

230  
00:10:46,630 --> 00:10:44,560  
of got more into like movies like

231  
00:10:50,069 --> 00:10:46,640  
and like aliens and like

232  
00:10:52,389 --> 00:10:50,079  
just like more of the actual like

233  
00:10:54,790 --> 00:10:52,399  
phenomenon sort of movies

234  
00:10:55,829 --> 00:10:54,800  
and like paranormal movies

235  
00:10:57,829 --> 00:10:55,839  
um

236  
00:10:59,829 --> 00:10:57,839  
so i was it was always like intriguing

237  
00:11:01,590 --> 00:10:59,839  
to me but i didn't really get into this

238  
00:11:04,230 --> 00:11:01,600

until like four years ago

239

00:11:05,990 --> 00:11:04,240

or five years ago and it was more behind

240

00:11:07,590 --> 00:11:06,000

the scenes until like

241

00:11:08,790 --> 00:11:07,600

june or july

242

00:11:09,590 --> 00:11:08,800

so

243

00:11:11,750 --> 00:11:09,600

um

244

00:11:14,470 --> 00:11:11,760

kind of like emerged onto

245

00:11:15,590 --> 00:11:14,480

ufo twitter and like ucr and singularity

246

00:11:17,430 --> 00:11:15,600

lab

247

00:11:19,269 --> 00:11:17,440

and uh

248

00:11:21,670 --> 00:11:19,279

yeah it's just been like a whirlwind and

249

00:11:22,710 --> 00:11:21,680

then i met josh yeah oh we're gonna get

250

00:11:24,949 --> 00:11:22,720

into that

251

00:11:27,670 --> 00:11:24,959

love is in the air

252

00:11:29,670 --> 00:11:27,680

everywhere i look around

253

00:11:31,750 --> 00:11:29,680

nathan got the next question yeah i mean

254

00:11:33,030 --> 00:11:31,760

i'm curious so who whose idea was it to

255

00:11:35,750 --> 00:11:33,040

do the show and

256

00:11:37,509 --> 00:11:35,760

were both of you sort of into it in the

257

00:11:39,750 --> 00:11:37,519

same way or was one of you a little bit

258

00:11:42,710 --> 00:11:39,760

more reluctant to do that

259

00:11:45,269 --> 00:11:42,720

um well with me personally um i came

260

00:11:47,110 --> 00:11:45,279

online i think it was like june or july

261

00:11:49,110 --> 00:11:47,120

of this year but but like before came

262

00:11:50,790 --> 00:11:49,120

online i was um

263

00:11:52,389 --> 00:11:50,800

i was speaking to vinnie from from my

264

00:11:53,829 --> 00:11:52,399

disclosure team i'm sure i'm sure you

265

00:11:59,910 --> 00:11:53,839

guys are

266

00:12:03,269 --> 00:12:01,750

yeah but yeah um

267

00:12:05,030 --> 00:12:03,279

so he was like kind of the big reason

268

00:12:06,710 --> 00:12:05,040

why i wanted to come online he was like

269

00:12:09,269 --> 00:12:06,720

we were speaking like for a few weeks

270

00:12:12,790 --> 00:12:09,279

before i actually started my page

271

00:12:14,550 --> 00:12:12,800

um and i came online and since

272

00:12:16,389 --> 00:12:14,560

since started my page in july i've had

273

00:12:17,990 --> 00:12:16,399

the idea that i wanted to do a channel

274

00:12:21,030 --> 00:12:18,000

um but i didn't really get around to

275

00:12:22,550 --> 00:12:21,040

doing it and it was only when like me

276

00:12:23,990 --> 00:12:22,560

me and artemis met

277

00:12:26,790 --> 00:12:24,000

and we kind of just wanted to come

278

00:12:28,310 --> 00:12:26,800

together to create a channel um you know

279

00:12:30,790 --> 00:12:28,320

and together we thought it'd be good

280

00:12:32,310 --> 00:12:30,800

because um there isn't really anyone out

281

00:12:34,470 --> 00:12:32,320

there who's a couple

282

00:12:35,990 --> 00:12:34,480

um doing a channel together so we

283

00:12:37,590 --> 00:12:36,000

thought that might be like kind of like

284

00:12:39,990 --> 00:12:37,600

a unique angle

285

00:12:42,470 --> 00:12:40,000

as well and it's and and the fact that

286

00:12:44,870 --> 00:12:42,480

um at that time there wasn't really any

287

00:12:47,269 --> 00:12:44,880

female co-hosts or hosts really there

288

00:12:48,949 --> 00:12:47,279

wasn't much much of that around so we

289

00:12:50,949 --> 00:12:48,959

thought it'd be cool that there would

290

00:12:52,470 --> 00:12:50,959

there would always be a permanent a

291

00:12:53,670 --> 00:12:52,480

female host there as well which i

292

00:12:55,750 --> 00:12:53,680

thought which of what was really

293

00:12:58,230 --> 00:12:55,760

important to have absolutely

294

00:12:59,990 --> 00:12:58,240

yeah so so that's like the that's like

295

00:13:02,550 --> 00:13:00,000

the main reason why well not the main

296

00:13:04,069 --> 00:13:02,560

reason but one one of the big reasons

297

00:13:06,389 --> 00:13:04,079

why we wanted to do the channel was to

298

00:13:08,389 --> 00:13:06,399

have like a have like a kind of like an

299

00:13:09,910 --> 00:13:08,399

inclusive voice if that makes sense oh

300

00:13:12,629 --> 00:13:09,920

absolutely

301

00:13:16,150 --> 00:13:12,639

yeah i i'm so impressed by you guys i

302

00:13:24,310 --> 00:13:16,160

mean i i i saw akashi

303

00:13:28,629 --> 00:13:26,389

okay i'm gonna try to whisper although i

304

00:13:29,829 --> 00:13:28,639

just project

305

00:13:32,710 --> 00:13:29,839

you're good you're good to go you do

306

00:13:34,870 --> 00:13:32,720

your thing i'm like broadway um but um

307

00:13:36,629 --> 00:13:34,880

no i mean like watching you guys show

308

00:13:38,389 --> 00:13:36,639

you guys make such a

309

00:13:39,590 --> 00:13:38,399

am i still too loud why are you actually

310

00:13:40,949 --> 00:13:39,600

no you're good

311

00:13:44,629 --> 00:13:40,959

that was jazz

312

00:13:50,790 --> 00:13:48,150

don't say jazz you know what happens

313

00:13:51,990 --> 00:13:50,800

dolphins appear across the screen

314

00:13:54,870 --> 00:13:52,000

right there

315

00:13:57,269 --> 00:13:54,880

but um and no i i love the chemistry in

316

00:13:59,670 --> 00:13:57,279

the in your show because it's like you

317

00:14:01,030 --> 00:13:59,680

guys are a couple that came together and

318

00:14:02,790 --> 00:14:01,040

obviously you guys are a little bit

319

00:14:04,949 --> 00:14:02,800

interested in

320

00:14:06,550 --> 00:14:04,959

you have different realms i mean you you

321

00:14:07,750 --> 00:14:06,560

guys cover the

322

00:14:08,629 --> 00:14:07,760

gamut

323

00:14:10,310 --> 00:14:08,639

uh

324

00:14:12,310 --> 00:14:10,320

of all of it together

325

00:14:14,470 --> 00:14:12,320

you guys got a green world on your first

326

00:14:16,790 --> 00:14:14,480

episode oh no i can't believe you did

327

00:14:21,910 --> 00:14:16,800

that

328

00:14:23,430 --> 00:14:21,920

yeah these guys are

329

00:14:24,870 --> 00:14:23,440

go ahead sir

330

00:14:26,310 --> 00:14:24,880

i'm going to say i kind of want to do

331

00:14:27,750 --> 00:14:26,320

that one again at some point in green

332

00:14:29,750 --> 00:14:27,760

world because we're really nervous that

333

00:14:31,350 --> 00:14:29,760

was our first show

334

00:14:33,750 --> 00:14:31,360

and we didn't have like the setup there

335

00:14:35,350 --> 00:14:33,760

at all so we're both really nervous and

336

00:14:37,829 --> 00:14:35,360

so i kind of want to get him on again at

337

00:14:39,509 --> 00:14:37,839

some point so greenwald if they see this

338

00:14:41,829 --> 00:14:39,519

we need you again mate we need you again

339

00:14:43,670 --> 00:14:41,839

for sure oh yes absolutely yeah these

340

00:14:45,030 --> 00:14:43,680

guys are doing us a favor by coming on

341

00:14:46,870 --> 00:14:45,040

here because they've already had like

342

00:14:49,829 --> 00:14:46,880

some of the biggest guests in the entire

343

00:14:53,430 --> 00:14:49,839

thing so uh i appreciate it man

344

00:14:56,069 --> 00:14:53,440

this is online louis online guys

345

00:15:04,090 --> 00:14:56,079

oh

346

00:15:10,629 --> 00:15:08,629

[Laughter]

347

00:15:13,350 --> 00:15:10,639

he just probably finished his show oh no

348

00:15:14,230 --> 00:15:13,360

tonight was uh daniel miller right

349

00:15:15,750 --> 00:15:14,240

yeah

350

00:15:17,910 --> 00:15:15,760

well let me let me get into a little bit

351

00:15:19,350 --> 00:15:17,920

a little the weeds here on the show so

352

00:15:21,189 --> 00:15:19,360

you know dj and i obviously were doing

353

00:15:23,189 --> 00:15:21,199

this show and and we kind of split some

354

00:15:25,590 --> 00:15:23,199

responsibilities you know who who's

355

00:15:27,509 --> 00:15:25,600

doing the art who's doing the uh the

356

00:15:29,749 --> 00:15:27,519

guest lining up is it a joint effort do

357

00:15:31,350 --> 00:15:29,759

you guys uh debrief after each show kind

358

00:15:33,269 --> 00:15:31,360

of go over what went well what didn't

359

00:15:35,829 --> 00:15:33,279

how do you approach it

360

00:15:38,069 --> 00:15:35,839

well um well yeah in terms of artemis

361

00:15:39,509 --> 00:15:38,079

she's like really good with like

362

00:15:42,310 --> 00:15:39,519

speaking to people behind the scenes and

363

00:15:44,870 --> 00:15:42,320

because of she used to work with um ucr

364

00:15:47,189 --> 00:15:44,880

um she's kind of got a lot of um she's

365

00:15:48,949 --> 00:15:47,199

got she's got a lot of um got a lot of

366

00:15:50,949 --> 00:15:48,959

hiss in terms of the guests we have on

367

00:15:53,110 --> 00:15:50,959

she's got some history of like and green

368

00:15:54,710 --> 00:15:53,120

wolf for example she spoke to him before

369

00:15:56,230 --> 00:15:54,720

right and so that was kind that was

370

00:15:57,269 --> 00:15:56,240

quite easy to arrange

371

00:15:59,350 --> 00:15:57,279

um

372

00:16:01,110 --> 00:15:59,360

so she's kind of like the main person

373

00:16:03,269 --> 00:16:01,120

really with with like that side of

374

00:16:05,189 --> 00:16:03,279

things in terms of the post as i do that

375

00:16:06,310 --> 00:16:05,199

on my phone i've got canva like i'm on

376

00:16:08,069 --> 00:16:06,320

like the app

377

00:16:10,069 --> 00:16:08,079

i just use canva to make those posters

378

00:16:12,710 --> 00:16:10,079

it's an awesome app yeah i use that too

379

00:16:15,030 --> 00:16:12,720

yeah it's really good yeah um the logo

380

00:16:16,389 --> 00:16:15,040

together like we we do everything joint

381

00:16:17,829 --> 00:16:16,399

but he's definitely in charge of doing

382

00:16:19,749 --> 00:16:17,839

the posters and

383

00:16:21,910 --> 00:16:19,759

getting those up

384

00:16:23,749 --> 00:16:21,920

um so we do have like our strong points

385

00:16:25,030 --> 00:16:23,759

i think that we just come together but

386

00:16:26,870 --> 00:16:25,040

we do like

387

00:16:29,189 --> 00:16:26,880

we discuss everything we look through

388

00:16:30,550 --> 00:16:29,199

like what we can talk about

389

00:16:34,629 --> 00:16:30,560

um

390

00:16:36,710 --> 00:16:34,639

yeah like how we think it went or like

391

00:16:38,069 --> 00:16:36,720

um and who else we want to have on for

392

00:16:40,629 --> 00:16:38,079

sure we're like

393

00:16:43,829 --> 00:16:40,639

always talking and like looking at

394

00:16:44,629 --> 00:16:43,839

um accounts and stuff in the background

395

00:16:46,629 --> 00:16:44,639

and

396

00:16:48,790 --> 00:16:46,639

figure out like who we want to speak

397

00:16:50,949 --> 00:16:48,800

with so

398

00:16:52,790 --> 00:16:50,959

it's fun and like

399

00:16:55,030 --> 00:16:52,800

still like i sometimes think like i

400

00:16:57,829 --> 00:16:55,040

can't believe we're doing this like

401  
00:17:00,550 --> 00:16:57,839  
it's incredible that's what we think

402  
00:17:02,710 --> 00:17:00,560  
yeah every day every day

403  
00:17:05,270 --> 00:17:02,720  
you know how did this happen

404  
00:17:07,350 --> 00:17:05,280  
yeah

405  
00:17:09,669 --> 00:17:07,360  
i just bought like a new camera and we

406  
00:17:11,669 --> 00:17:09,679  
have like a nice mic set up like when

407  
00:17:14,470 --> 00:17:11,679  
john comes back we're like we're all set

408  
00:17:16,870 --> 00:17:14,480  
up at our like little office and like

409  
00:17:20,230 --> 00:17:16,880  
it's just like damn it's like it's real

410  
00:17:22,789 --> 00:17:20,240  
you know we're doing this we're actually

411  
00:17:24,069 --> 00:17:22,799  
able to speak on like a topic

412  
00:17:25,189 --> 00:17:24,079  
about and getting

413  
00:17:27,429 --> 00:17:25,199

you know the word out just like

414

00:17:29,909 --> 00:17:27,439

everybody else wants to like and work

415

00:17:31,669 --> 00:17:29,919

towards that same goal

416

00:17:34,470 --> 00:17:31,679

wait no disclosure

417

00:17:38,549 --> 00:17:36,230

no

418

00:17:40,070 --> 00:17:38,559

the goal the same goal the inference

419

00:17:42,549 --> 00:17:40,080

we know what it is

420

00:17:44,710 --> 00:17:42,559

yeah a disclosure and what was the other

421

00:17:46,150 --> 00:17:44,720

one transparency we got it i can't say i

422

00:17:47,029 --> 00:17:46,160

really want to know playing a drinking

423

00:17:49,669 --> 00:17:47,039

game

424

00:17:51,270 --> 00:17:49,679

yeah it is in fact i'm gonna did i you

425

00:17:52,470 --> 00:17:51,280

did you were good you're good he's

426

00:17:54,470 --> 00:17:52,480

trying to trick you he's trying to don't

427

00:17:55,909 --> 00:17:54,480

don't listen to him you block him out

428

00:17:57,029 --> 00:17:55,919

he's tricking you

429

00:17:59,590 --> 00:17:57,039

no

430

00:18:00,789 --> 00:17:59,600

you can't block me

431

00:18:02,870 --> 00:18:00,799

all right so

432

00:18:04,870 --> 00:18:02,880

josh my friend

433

00:18:07,350 --> 00:18:04,880

i would like to

434

00:18:08,870 --> 00:18:07,360

get inside of what is important i mean

435

00:18:11,830 --> 00:18:08,880

there's been a lot of stuff lately we

436

00:18:15,110 --> 00:18:11,840

just had i just heard on our friend our

437

00:18:17,110 --> 00:18:15,120

mutual friend andy actually everybody on

438

00:18:20,789 --> 00:18:17,120

the show's mutual friend andy for that

439

00:18:23,190 --> 00:18:20,799

matter uh spoke about um had uh john

440

00:18:25,590 --> 00:18:23,200

ramirez on and they talked about about

441

00:18:27,830 --> 00:18:25,600

this gene uh help me out nathan so

442

00:18:29,830 --> 00:18:27,840

basically it was like ah an infusion of

443

00:18:32,470 --> 00:18:29,840

genes or a um

444

00:18:34,230 --> 00:18:32,480

how did they characterize that hybrid a

445

00:18:35,510 --> 00:18:34,240

yeah hybridization

446

00:18:36,870 --> 00:18:35,520

uh or a

447

00:18:39,590 --> 00:18:36,880

enhancing

448

00:18:40,789 --> 00:18:39,600

of our gene that happened 70 000 years

449

00:18:44,390 --> 00:18:40,799

ago and believe it or not that was

450

00:18:47,190 --> 00:18:44,400

before me and uh just barely yeah

451  
00:18:49,350 --> 00:18:47,200  
we just we just made it under the wire

452  
00:18:51,350 --> 00:18:49,360  
yes yeah and so

453  
00:18:53,590 --> 00:18:51,360  
we have issues like that we have issues

454  
00:18:55,990 --> 00:18:53,600  
like the us the uas is happening

455  
00:18:57,750 --> 00:18:56,000  
underwater i'm interested what floats

456  
00:18:59,990 --> 00:18:57,760  
your proverbial boat

457  
00:19:01,909 --> 00:19:00,000  
well with this top like i'm pretty much

458  
00:19:04,070 --> 00:19:01,919  
on on like the fence of everything like

459  
00:19:06,710 --> 00:19:04,080  
i i do know that we've had like the gila

460  
00:19:08,630 --> 00:19:06,720  
brands mmn which is coming out well it's

461  
00:19:09,990 --> 00:19:08,640  
still not hasn't come come through yet

462  
00:19:11,669 --> 00:19:10,000  
in terms of the vote but we're hoping

463  
00:19:13,110 --> 00:19:11,679

that that's going to come through

464

00:19:14,870 --> 00:19:13,120

um

465

00:19:16,950 --> 00:19:14,880

you know so there's a lot of things what

466

00:19:19,110 --> 00:19:16,960

could happen in terms of the future so

467

00:19:21,110 --> 00:19:19,120

in terms of 2022 there's a lot of

468

00:19:23,430 --> 00:19:21,120

potential for that to be a really great

469

00:19:25,430 --> 00:19:23,440

year but you know until this stuff

470

00:19:27,510 --> 00:19:25,440

actually goes through i'm very much on

471

00:19:30,150 --> 00:19:27,520

the fence because i've been doing i've

472

00:19:31,590 --> 00:19:30,160

been you know in in terms of my research

473

00:19:33,590 --> 00:19:31,600

and um

474

00:19:36,630 --> 00:19:33,600

and reading and things i've been doing

475

00:19:39,669 --> 00:19:36,640

it since my teens really i'm 33 now

476

00:19:41,830 --> 00:19:39,679

wow you know i started doing this when i

477

00:19:43,590 --> 00:19:41,840

was like benji what up man you know i

478

00:19:46,710 --> 00:19:43,600

started doing this and

479

00:19:48,630 --> 00:19:46,720

well when like i first started of it was

480

00:19:49,750 --> 00:19:48,640

like grade school so i was like eight

481

00:19:52,470 --> 00:19:49,760

years old

482

00:19:53,909 --> 00:19:52,480

and my interest started i picked up this

483

00:19:55,110 --> 00:19:53,919

book from the library it was just like a

484

00:19:56,950 --> 00:19:55,120

picture book

485

00:20:00,070 --> 00:19:56,960

um but it was like full of like pictures

486

00:20:01,510 --> 00:20:00,080

of ufos so that's where like my um

487

00:20:02,390 --> 00:20:01,520

that's kind of where like it started for

488

00:20:04,390 --> 00:20:02,400

me

489

00:20:07,510 --> 00:20:04,400

and in my teens that's when i started to

490

00:20:09,430 --> 00:20:07,520

research it and you know

491

00:20:10,390 --> 00:20:09,440

you know in terms of this topic oh you

492

00:20:12,710 --> 00:20:10,400

know you

493

00:20:14,310 --> 00:20:12,720

get fed down the garden path a lot you

494

00:20:15,909 --> 00:20:14,320

know and like you think you get you

495

00:20:17,830 --> 00:20:15,919

think you if you think you're on the

496

00:20:19,270 --> 00:20:17,840

right track and you think things moving

497

00:20:21,029 --> 00:20:19,280

in the right way

498

00:20:23,510 --> 00:20:21,039

and then the rug gets pulled from under

499

00:20:25,669 --> 00:20:23,520

your feet again so i'm very much on the

500

00:20:27,270 --> 00:20:25,679

fence but i'm i'm hopeful you know for

501  
00:20:28,230 --> 00:20:27,280  
the future of this but

502  
00:20:29,590 --> 00:20:28,240  
um

503  
00:20:31,350 --> 00:20:29,600  
you know i'm still much i'm still on the

504  
00:20:32,310 --> 00:20:31,360  
fence of it all if

505  
00:20:35,430 --> 00:20:32,320  
honest

506  
00:20:38,470 --> 00:20:35,440  
but my leading theory um

507  
00:20:41,270 --> 00:20:40,470  
either but just so it's just so many

508  
00:20:42,870 --> 00:20:41,280  
yeah

509  
00:20:44,789 --> 00:20:42,880  
what's the very latest thing where you

510  
00:20:46,950 --> 00:20:44,799  
said like you you sort of had a theory

511  
00:20:48,390 --> 00:20:46,960  
you were following down a path and and

512  
00:20:51,029 --> 00:20:48,400  
standing on a rug and then someone

513  
00:20:52,149 --> 00:20:51,039

yanked that rug what's the latest

514

00:20:54,149 --> 00:20:52,159

um

515

00:20:56,070 --> 00:20:54,159

the latest one would it well

516

00:20:57,669 --> 00:20:56,080

um

517

00:20:59,190 --> 00:20:57,679

off the top of my head i'm not sure just

518

00:21:00,870 --> 00:20:59,200

because it would it would have been a

519

00:21:02,950 --> 00:21:00,880

long time ago because

520

00:21:04,549 --> 00:21:02,960

you know with like the recent news like

521

00:21:07,029 --> 00:21:04,559

when like the article came out a few

522

00:21:09,430 --> 00:21:07,039

years ago in the new york times that's

523

00:21:10,870 --> 00:21:09,440

kind of like the next um cycle if that

524

00:21:13,029 --> 00:21:10,880

makes sense so we're still kind of in

525

00:21:14,549 --> 00:21:13,039

that cycle now yeah and it's come to a

526

00:21:16,950 --> 00:21:14,559

point with like the gila brand amendment

527

00:21:19,350 --> 00:21:16,960

which hopefully if that goes through

528

00:21:20,549 --> 00:21:19,360

um that could be a big step

529

00:21:23,110 --> 00:21:20,559

um

530

00:21:24,870 --> 00:21:23,120

but even then even if that goes through

531

00:21:27,029 --> 00:21:24,880

i mean i'm still

532

00:21:28,789 --> 00:21:27,039

i'm still a bit curious as to what we'll

533

00:21:29,669 --> 00:21:28,799

actually get get to see at the end of

534

00:21:31,590 --> 00:21:29,679

the day

535

00:21:34,149 --> 00:21:31,600

yeah i mean so so even if all this goes

536

00:21:37,029 --> 00:21:34,159

through like what data do we actually

537

00:21:38,070 --> 00:21:37,039

get get to see yeah like i i do

538

00:21:39,590 --> 00:21:38,080

understand that it's going to be

539

00:21:40,789 --> 00:21:39,600

important and we'll get to have these

540

00:21:42,390 --> 00:21:40,799

reports

541

00:21:44,870 --> 00:21:42,400

um potentially and obviously the

542

00:21:47,350 --> 00:21:44,880

oversight from like the the

543

00:21:50,070 --> 00:21:47,360

amendment you know places like the

544

00:21:51,990 --> 00:21:50,080

department of energy which which haven't

545

00:21:53,830 --> 00:21:52,000

you know they've been exempt from a lot

546

00:21:55,590 --> 00:21:53,840

of all this for like years so the fact

547

00:21:57,190 --> 00:21:55,600

that they're gonna be they're gonna have

548

00:22:00,470 --> 00:21:57,200

to hand over the things what they have

549

00:22:02,470 --> 00:22:00,480

that's like a big thing for me um so

550

00:22:03,430 --> 00:22:02,480

that could really open the door

551  
00:22:05,750 --> 00:22:03,440  
um

552  
00:22:08,149 --> 00:22:05,760  
but but again it's speculation for me

553  
00:22:10,230 --> 00:22:08,159  
because we don't know yet so i'm kind of

554  
00:22:12,390 --> 00:22:10,240  
on the fence of it all dj from this but

555  
00:22:13,750 --> 00:22:12,400  
we'll see

556  
00:22:15,669 --> 00:22:13,760  
yeah for sure

557  
00:22:17,350 --> 00:22:15,679  
nathan i'll go ahead brother well yeah i

558  
00:22:19,190 --> 00:22:17,360  
mean i i resonate with that a lot

559  
00:22:21,430 --> 00:22:19,200  
because there are so many theories and

560  
00:22:22,710 --> 00:22:21,440  
particularly when we're in a kind of a

561  
00:22:24,230 --> 00:22:22,720  
if it feels that we're in a little bit

562  
00:22:25,830 --> 00:22:24,240  
of a valley of information you know

563  
00:22:27,990 --> 00:22:25,840

we're kind of between peaks of of

564

00:22:29,909 --> 00:22:28,000

releases or whatever i think there's a

565

00:22:31,909 --> 00:22:29,919

temptation to um

566

00:22:33,750 --> 00:22:31,919

to really grasp onto something it's like

567

00:22:36,870 --> 00:22:33,760

yeah i've got to have something in

568

00:22:38,870 --> 00:22:36,880

between these uh these nuggets of truth

569

00:22:40,789 --> 00:22:38,880

that we're finding yeah and i think we

570

00:22:43,029 --> 00:22:40,799

have to kind of resist that temptation

571

00:22:45,909 --> 00:22:43,039

and stay grounded and and

572

00:22:47,669 --> 00:22:45,919

remain on the fence until we know more

573

00:22:49,510 --> 00:22:47,679

uh i was really

574

00:22:50,470 --> 00:22:49,520

interested in the uh the interview that

575

00:22:52,470 --> 00:22:50,480

max

576

00:22:56,390 --> 00:22:52,480

muskovitch did with um

577

00:22:58,310 --> 00:22:56,400

avi melon chris and lou yeah and uh i'm

578

00:23:00,789 --> 00:22:58,320

sure you guys caught that as well what

579

00:23:02,390 --> 00:23:00,799

was your kind of take away from uh that

580

00:23:04,789 --> 00:23:02,400

conversation it was

581

00:23:06,710 --> 00:23:04,799

i had a sort of mixture of feelings

582

00:23:09,029 --> 00:23:06,720

about it having watched a lot of avi's

583

00:23:09,909 --> 00:23:09,039

interviews he he kind of has the same

584

00:23:12,070 --> 00:23:09,919

sort of

585

00:23:14,310 --> 00:23:12,080

anecdotes that he likes to use and he

586

00:23:16,070 --> 00:23:14,320

goes back to those things but uh you

587

00:23:17,430 --> 00:23:16,080

know chris we don't hear from very much

588

00:23:19,909 --> 00:23:17,440

at all so i was really more interested

589

00:23:21,990 --> 00:23:19,919

just hear what he had to say what his

590

00:23:23,669 --> 00:23:22,000

body language had to say in that in that

591

00:23:25,750 --> 00:23:23,679

conversation what were some of y'all's

592

00:23:27,909 --> 00:23:25,760

takeaways from from that well yeah it

593

00:23:30,470 --> 00:23:27,919

was just great to have those three in

594

00:23:32,310 --> 00:23:30,480

like the same show so that so that was

595

00:23:35,669 --> 00:23:32,320

like you know the main thing for me was

596

00:23:37,750 --> 00:23:35,679

just to see them free on screen and and

597

00:23:39,350 --> 00:23:37,760

um you know in terms of the topic it was

598

00:23:42,470 --> 00:23:39,360

great to see those those those three

599

00:23:43,990 --> 00:23:42,480

together but i'm with you on that one um

600

00:23:46,070 --> 00:23:44,000

you know there wasn't really any new

601  
00:23:48,149 --> 00:23:46,080  
information for me it was kind of stupid

602  
00:23:49,669 --> 00:23:48,159  
so we already know from like the galileo

603  
00:23:51,029 --> 00:23:49,679  
project we already know that melon and

604  
00:23:53,510 --> 00:23:51,039  
lou were

605  
00:23:54,789 --> 00:23:53,520  
in involved with that we didn't really

606  
00:23:57,350 --> 00:23:54,799  
get to hear

607  
00:23:59,190 --> 00:23:57,360  
much about what what what what they'll

608  
00:24:00,870 --> 00:23:59,200  
do we've got we got to hear that they're

609  
00:24:03,029 --> 00:24:00,880  
going to be kind of like advisors i

610  
00:24:05,269 --> 00:24:03,039  
guess right and to whether you know to

611  
00:24:06,710 --> 00:24:05,279  
where the project would which is great

612  
00:24:09,350 --> 00:24:06,720  
um

613  
00:24:10,870 --> 00:24:09,360

but you know we it's it's you know it's

614

00:24:13,350 --> 00:24:10,880

it's something which i mentioned before

615

00:24:15,029 --> 00:24:13,360

again it's we'll just have to see how

616

00:24:16,950 --> 00:24:15,039

how that plays out but but it is

617

00:24:18,549 --> 00:24:16,960

exciting to see all these names together

618

00:24:20,070 --> 00:24:18,559

and working together

619

00:24:21,510 --> 00:24:20,080

um

620

00:24:22,950 --> 00:24:21,520

but yeah in terms of like the body

621

00:24:24,710 --> 00:24:22,960

language and things that that's the kind

622

00:24:26,390 --> 00:24:24,720

of survived watch as well it's not so

623

00:24:27,990 --> 00:24:26,400

much what what they say it's what it's

624

00:24:29,909 --> 00:24:28,000

what's what they don't say right at the

625

00:24:33,510 --> 00:24:29,919

end of the day that's kind of

626

00:24:36,390 --> 00:24:33,520

like a watch out for um but you know it

627

00:24:38,710 --> 00:24:36,400

could be exciting um

628

00:24:40,630 --> 00:24:38,720

yeah um and like and like you said about

629

00:24:43,029 --> 00:24:40,640

uh melon it's very rare to kind of see

630

00:24:45,669 --> 00:24:43,039

him on on on like a show so that's that

631

00:24:47,909 --> 00:24:45,679

was cool as well yeah i think max was in

632

00:24:49,510 --> 00:24:47,919

a really tough spot there because

633

00:24:51,029 --> 00:24:49,520

you get these three power houses

634

00:24:52,789 --> 00:24:51,039

together and then

635

00:24:54,870 --> 00:24:52,799

your idea is to take questions and all

636

00:24:56,950 --> 00:24:54,880

the questions are for avilab

637

00:24:58,710 --> 00:24:56,960

and so lou is sitting there he's not

638

00:25:01,110 --> 00:24:58,720

answering christopher didn't talk for

639

00:25:02,630 --> 00:25:01,120

like 15 minutes in a row that's not a

640

00:25:04,789 --> 00:25:02,640

good situation

641

00:25:06,789 --> 00:25:04,799

uh to be in and i'm sure he's probably

642

00:25:09,029 --> 00:25:06,799

thinking i wish i would have had like

643

00:25:09,830 --> 00:25:09,039

10 questions of my own like three or

644

00:25:11,750 --> 00:25:09,840

four

645

00:25:13,590 --> 00:25:11,760

or so for each person and then just go

646

00:25:14,710 --> 00:25:13,600

around because if you're relying on the

647

00:25:17,830 --> 00:25:14,720

audience and they want to hear from

648

00:25:21,669 --> 00:25:17,840

avila because he's extremely um

649

00:25:22,310 --> 00:25:21,679

expressive he has a lot to say uh and uh

650

00:25:23,669 --> 00:25:22,320

and

651

00:25:25,669 --> 00:25:23,679

basically it's his project with the

652

00:25:29,029 --> 00:25:25,679

other two jumping on so that was a tough

653

00:25:31,190 --> 00:25:29,039

position for max but you know i i you

654

00:25:33,350 --> 00:25:31,200

know as as you would say uh fair play he

655

00:25:35,190 --> 00:25:33,360

got he got them all on this yeah

656

00:25:38,310 --> 00:25:35,200

that was great i i thought there was

657

00:25:40,549 --> 00:25:38,320

kind of a disconnect uh in my in my mind

658

00:25:43,430 --> 00:25:40,559

between what avi is saying about his

659

00:25:44,950 --> 00:25:43,440

endeavor and chris and lou it's sort of

660

00:25:47,350 --> 00:25:44,960

like they're on they're on opposite

661

00:25:49,430 --> 00:25:47,360

sides of the fence in a way like uh

662

00:25:51,669 --> 00:25:49,440

chris and lou have seen some stuff

663

00:25:53,110 --> 00:25:51,679

avi is trying to see some stuff they

664

00:25:55,510 --> 00:25:53,120

can't really talk to each other

665

00:25:58,390 --> 00:25:55,520

explicitly about what it is that they've

666

00:25:59,750 --> 00:25:58,400

seen so the subtext that i had and maybe

667

00:26:01,590 --> 00:25:59,760

i'm just an optimist here and i'm

668

00:26:03,190 --> 00:26:01,600

reading too much into it was that you

669

00:26:05,269 --> 00:26:03,200

know chris is sort of sitting there kind

670

00:26:08,070 --> 00:26:05,279

of like yeah we need we need to catch up

671

00:26:10,710 --> 00:26:08,080

to this like we need we need galileo to

672

00:26:12,950 --> 00:26:10,720

find something that isn't the providence

673

00:26:14,710 --> 00:26:12,960

of the us government so we can have a

674

00:26:17,269 --> 00:26:14,720

because that stuff is going to be locked

675

00:26:18,870 --> 00:26:17,279

up for a while at least it appears to be

676

00:26:20,470 --> 00:26:18,880

so he's like waiting for everybody to

677

00:26:22,870 --> 00:26:20,480

catch up to the conversation that that

678

00:26:25,750 --> 00:26:22,880

was the takeaway that i had no of course

679

00:26:28,630 --> 00:26:25,760

yeah um and it was then it kind of leads

680

00:26:30,789 --> 00:26:28,640

back to what to what i said before um

681

00:26:32,390 --> 00:26:30,799

you know i'm not sure because i've heard

682

00:26:34,870 --> 00:26:32,400

uh people mention that melons

683

00:26:36,549 --> 00:26:34,880

tentatively

684

00:26:37,990 --> 00:26:36,559

optimistic that that's gonna go through

685

00:26:39,990 --> 00:26:38,000

so that kind of means that he's still a

686

00:26:41,350 --> 00:26:40,000

bit unlike the fence so that would make

687

00:26:43,029 --> 00:26:41,360

sense for what what he's saying there

688

00:26:44,870 --> 00:26:43,039

that he's kind of got he's kind of

689

00:26:47,110 --> 00:26:44,880

putting his eggs into the basket of like

690

00:26:49,510 --> 00:26:47,120

the galileo project to find some new

691

00:26:51,110 --> 00:26:49,520

information because like you said there

692

00:26:53,190 --> 00:26:51,120

um you know

693

00:26:55,510 --> 00:26:53,200

even if this amendment does go go

694

00:26:57,269 --> 00:26:55,520

through you know what information will

695

00:26:58,789 --> 00:26:57,279

will like we actually get

696

00:27:01,510 --> 00:26:58,799

get get to see at the end of the day i'm

697

00:27:03,750 --> 00:27:01,520

not even sure well i i want to talk to

698

00:27:05,669 --> 00:27:03,760

with artemis about this i

699

00:27:07,190 --> 00:27:05,679

i think that i don't know if you agree

700

00:27:09,990 --> 00:27:07,200

with me or not i don't miss i think this

701  
00:27:12,310 --> 00:27:10,000  
is largely a symbolic gesture between

702  
00:27:14,070 --> 00:27:12,320  
all these parties because uh

703  
00:27:17,029 --> 00:27:14,080  
at the end of the day we're looking

704  
00:27:18,870 --> 00:27:17,039  
through telescopes right that are

705  
00:27:21,669 --> 00:27:18,880  
apparently they're going to be in an ir

706  
00:27:24,389 --> 00:27:21,679  
spectrum that is most favorable to

707  
00:27:27,350 --> 00:27:24,399  
capturing the phenomenon but the

708  
00:27:29,430 --> 00:27:27,360  
military already has these so

709  
00:27:31,750 --> 00:27:29,440  
i i don't know that they're going to get

710  
00:27:34,149 --> 00:27:31,760  
something that's going to make us go

711  
00:27:36,950 --> 00:27:34,159  
you know because it's a telescope it's

712  
00:27:38,710 --> 00:27:36,960  
not a wide angle covering the entirety

713  
00:27:40,310 --> 00:27:38,720

of the sky and i mean if you guys heard

714

00:27:42,870 --> 00:27:40,320

that interview with john ramirez

715

00:27:45,350 --> 00:27:42,880

particularly with andy he said

716

00:27:47,029 --> 00:27:45,360

okay we can't we're never going to end i

717

00:27:48,470 --> 00:27:47,039

think

718

00:27:49,909 --> 00:27:48,480

nathan and i spoke about this when we

719

00:27:51,750 --> 00:27:49,919

talked to chris lato you're never

720

00:27:53,269 --> 00:27:51,760

getting that data that they have and i

721

00:27:54,789 --> 00:27:53,279

told you that you're not getting that

722

00:27:56,710 --> 00:27:54,799

that classified data that you can get

723

00:27:59,510 --> 00:27:56,720

out of those satellites uh and john

724

00:28:01,990 --> 00:27:59,520

ramirez said that and so that's what you

725

00:28:04,630 --> 00:28:02,000

really want but the telescope to me

726

00:28:06,710 --> 00:28:04,640

artemis i feel like this is a symbolic

727

00:28:09,029 --> 00:28:06,720

partnership but i don't think they're

728

00:28:10,870 --> 00:28:09,039

going to produce anything that's uh

729

00:28:12,549 --> 00:28:10,880

going to make people go oh my god

730

00:28:14,389 --> 00:28:12,559

because we already know the phenomenon's

731

00:28:16,870 --> 00:28:14,399

out there do you see something different

732

00:28:17,750 --> 00:28:16,880

than what i see maybe you do

733

00:28:20,389 --> 00:28:17,760

um

734

00:28:21,830 --> 00:28:20,399

well it might not be that different but

735

00:28:24,389 --> 00:28:21,840

maybe the fact that it's going to be

736

00:28:26,389 --> 00:28:24,399

public and not classified so whatever

737

00:28:28,549 --> 00:28:26,399

they're finding they're

738

00:28:30,789 --> 00:28:28,559

sharing it with us and

739

00:28:33,029 --> 00:28:30,799

so that might catch on more than

740

00:28:34,870 --> 00:28:33,039

whatever is going on behind the scenes

741

00:28:36,950 --> 00:28:34,880

with the government because

742

00:28:39,430 --> 00:28:36,960

we're starting a movement of our own

743

00:28:42,230 --> 00:28:39,440

publicly and they're already involving

744

00:28:44,470 --> 00:28:42,240

more universities so if that keeps going

745

00:28:46,789 --> 00:28:44,480

and they get you know universities all

746

00:28:49,269 --> 00:28:46,799

over the states and then maybe canada

747

00:28:51,510 --> 00:28:49,279

and then you know expanded even more

748

00:28:53,750 --> 00:28:51,520

around the world like it

749

00:28:56,230 --> 00:28:53,760

you know i don't know where they plan to

750

00:28:58,630 --> 00:28:56,240

take it in the next like let's say 10

751  
00:29:00,710 --> 00:28:58,640  
to 20 years but like i don't know if

752  
00:29:02,310 --> 00:29:00,720  
they're looking that far ahead but

753  
00:29:03,830 --> 00:29:02,320  
they can

754  
00:29:05,830 --> 00:29:03,840  
maybe it's just because they have that

755  
00:29:07,430 --> 00:29:05,840  
much more opportunity to

756  
00:29:09,590 --> 00:29:07,440  
get that message out

757  
00:29:10,950 --> 00:29:09,600  
and like get these pictures out and if

758  
00:29:13,430 --> 00:29:10,960  
they do capture things it's not going to

759  
00:29:14,870 --> 00:29:13,440  
be classified so

760  
00:29:16,470 --> 00:29:14,880  
it's all about the funding as well it's

761  
00:29:18,549 --> 00:29:16,480  
all about the funding it depends on how

762  
00:29:20,310 --> 00:29:18,559  
much funding they get you know i know

763  
00:29:23,350 --> 00:29:20,320

they've opened it up to public uh

764

00:29:26,230 --> 00:29:23,360

funding i think on the interview um abby

765

00:29:28,870 --> 00:29:26,240

loeb mentioned the race to the mid 2

766

00:29:30,549 --> 00:29:28,880

million i think it was he said um which

767

00:29:32,549 --> 00:29:30,559

isn't enough it's nowhere near enough

768

00:29:34,389 --> 00:29:32,559

it's like it's like change really for

769

00:29:36,789 --> 00:29:34,399

the stuff they need to do so two percent

770

00:29:38,310 --> 00:29:36,799

of what he wants yeah so it's just so

771

00:29:40,389 --> 00:29:38,320

there's a long way to go with it you

772

00:29:42,470 --> 00:29:40,399

know there's a long way to go i think

773

00:29:44,870 --> 00:29:42,480

and i want to get akashi in here to ask

774

00:29:46,789 --> 00:29:44,880

the next question but i think what

775

00:29:48,230 --> 00:29:46,799

stimulates people are two things there's

776

00:29:50,310 --> 00:29:48,240

only two things that people really want

777

00:29:52,310 --> 00:29:50,320

to see you'll hear people scream about

778

00:29:53,669 --> 00:29:52,320

data like for a week

779

00:29:55,269 --> 00:29:53,679

and then you realize that if you're

780

00:29:57,350 --> 00:29:55,279

receiving raw data you don't even know

781

00:29:59,350 --> 00:29:57,360

how to analyze that data what you do

782

00:30:01,909 --> 00:29:59,360

know how to analyze is if you're seeing

783

00:30:03,029 --> 00:30:01,919

something that is either an image or a

784

00:30:05,430 --> 00:30:03,039

video

785

00:30:08,549 --> 00:30:05,440

and in the absence of that i think

786

00:30:10,870 --> 00:30:08,559

whatever they produced in in in with

787

00:30:13,669 --> 00:30:10,880

these sensors if they're able to capture

788

00:30:17,669 --> 00:30:13,679

even data with ai that says oh that is

789

00:30:20,470 --> 00:30:17,679

anomalous that 100 is an anomalous but

790

00:30:22,230 --> 00:30:20,480

we don't have a clear image of what that

791

00:30:24,710 --> 00:30:22,240

is i don't think people are going to be

792

00:30:27,110 --> 00:30:24,720

compelled by that but again i think

793

00:30:29,750 --> 00:30:27,120

symbolically speaking when you have a

794

00:30:31,269 --> 00:30:29,760

gs15 from the pentagon and then

795

00:30:33,029 --> 00:30:31,279

christopher mellon i think he's on he

796

00:30:34,789 --> 00:30:33,039

was on like a different scale as an

797

00:30:36,950 --> 00:30:34,799

undersecretary i don't even know what

798

00:30:38,310 --> 00:30:36,960

those guys are making

799

00:30:40,870 --> 00:30:38,320

as a us

800

00:30:43,029 --> 00:30:40,880

di but um

801  
00:30:45,430 --> 00:30:43,039  
but the symbology of those two

802  
00:30:47,990 --> 00:30:45,440  
partnering with this scientist

803  
00:30:49,510 --> 00:30:48,000  
makes the government have to say oh lou

804  
00:30:50,470 --> 00:30:49,520  
and chris are putting pressure on us

805  
00:30:52,149 --> 00:30:50,480  
again

806  
00:30:54,070 --> 00:30:52,159  
if they're not in san marino putting

807  
00:30:55,350 --> 00:30:54,080  
pressure on us then they're partnering

808  
00:30:58,230 --> 00:30:55,360  
with this harvard guy and they're

809  
00:30:59,509 --> 00:30:58,240  
putting pressure on us and that to me is

810  
00:31:00,310 --> 00:30:59,519  
significant

811  
00:31:01,269 --> 00:31:00,320  
so

812  
00:31:04,710 --> 00:31:01,279  
uh

813  
00:31:07,029 --> 00:31:04,720

oh akashi chris associate producer

814

00:31:09,190 --> 00:31:07,039

what's up everything well

815

00:31:13,830 --> 00:31:09,200

i actually have a comment because i keep

816

00:31:16,549 --> 00:31:13,840

i'm obsessed with um that um

817

00:31:18,789 --> 00:31:16,559

that interview that uh we did with uh

818

00:31:21,029 --> 00:31:18,799

christina gomez right

819

00:31:23,750 --> 00:31:21,039

this like three weeks ago whatever when

820

00:31:25,990 --> 00:31:23,760

he kept saying that all you needed and i

821

00:31:28,870 --> 00:31:26,000

keep honing in on that all you need is

822

00:31:32,389 --> 00:31:28,880

one pointing at the right place

823

00:31:34,950 --> 00:31:32,399

so is that one the web telescope

824

00:31:37,190 --> 00:31:34,960

and where is the web telescope

825

00:31:39,269 --> 00:31:37,200

supposed to be pointing initially

826

00:31:41,990 --> 00:31:39,279

because he specifically said those two

827

00:31:44,149 --> 00:31:42,000

pieces all you need is one

828

00:31:46,389 --> 00:31:44,159

pointing at the right place so that

829

00:31:48,870 --> 00:31:46,399

would mean to me and um this is just a

830

00:31:51,590 --> 00:31:48,880

costume chris talking yeah

831

00:31:53,909 --> 00:31:51,600

yeah but i i just started reading into

832

00:31:55,590 --> 00:31:53,919

it i mean we all do it's just you know

833

00:31:57,269 --> 00:31:55,600

the nature of the beast we want to read

834

00:31:59,350 --> 00:31:57,279

more into it and try to put the puzzle

835

00:32:01,909 --> 00:31:59,360

together but those two things and

836

00:32:04,950 --> 00:32:01,919

remember he always says he leaves bread

837

00:32:07,029 --> 00:32:04,960

crumbs he used to and he stopped so i'm

838

00:32:08,950 --> 00:32:07,039

like all that i'm going back and trying

839

00:32:10,870 --> 00:32:08,960

to find those bread crumbs along the way

840

00:32:13,269 --> 00:32:10,880

it's actually good because it's high in

841

00:32:15,269 --> 00:32:13,279

carbohydrates josh right

842

00:32:17,509 --> 00:32:15,279

and plus the beatles said all you need

843

00:32:23,750 --> 00:32:17,519

is love so what's more significant about

844

00:32:30,630 --> 00:32:28,070

obviously my beetle right now but oh

845

00:32:31,350 --> 00:32:30,640

he's the that's pete best he's the he's

846

00:32:38,230 --> 00:32:31,360

the

847

00:32:44,470 --> 00:32:40,470

but i do want to hear from yeah i do

848

00:32:46,549 --> 00:32:44,480

have a question um for for josh only

849

00:32:48,549 --> 00:32:46,559

because you're you know you're in the uk

850

00:32:49,909 --> 00:32:48,559

and i think you were talking about the

851  
00:32:51,830 --> 00:32:49,919  
fact that

852  
00:32:53,430 --> 00:32:51,840  
it's incredible to me when you say that

853  
00:32:57,190 --> 00:32:53,440  
it's like we're so far ahead of the

854  
00:33:00,389 --> 00:32:58,789  
and i talked to you know talk to my

855  
00:33:02,789 --> 00:33:00,399  
friends all the time and my friends that

856  
00:33:05,029 --> 00:33:02,799  
don't you want to know that this is a

857  
00:33:06,549 --> 00:33:05,039  
thing they have no interest so i was

858  
00:33:08,549 --> 00:33:06,559  
just wondering what challenges you're

859  
00:33:10,549 --> 00:33:08,559  
bumping into over there you know is it

860  
00:33:12,549 --> 00:33:10,559  
more skeptical you know at a public

861  
00:33:14,950 --> 00:33:12,559  
level or is it just more skeptical and

862  
00:33:16,630 --> 00:33:14,960  
more controlled at a government so just

863  
00:33:18,549 --> 00:33:16,640

a little bit of insight would be great

864

00:33:20,710 --> 00:33:18,559

sure yeah and well in terms of that

865

00:33:22,710 --> 00:33:20,720

there isn't even a there isn't even

866

00:33:25,029 --> 00:33:22,720

this it's just like a blank page like

867

00:33:26,310 --> 00:33:25,039

there's just nothing at all um you don't

868

00:33:28,149 --> 00:33:26,320

see it in any

869

00:33:30,310 --> 00:33:28,159

media you don't see in any news channels

870

00:33:32,389 --> 00:33:30,320

you see it in the odd paper um here and

871

00:33:35,430 --> 00:33:32,399

there i know that vinnie a disclosure

872

00:33:36,630 --> 00:33:35,440

team i know he's working with uap media

873

00:33:38,710 --> 00:33:36,640

uk

874

00:33:41,029 --> 00:33:38,720

um they've actually got a pretty good

875

00:33:42,950 --> 00:33:41,039

relationship with the newspaper the sun

876

00:33:44,310 --> 00:33:42,960

and so if like you've noticed over the

877

00:33:47,269 --> 00:33:44,320

past few weeks they've actually brought

878

00:33:48,950 --> 00:33:47,279

out a couple of articles in the sun

879

00:33:50,070 --> 00:33:48,960

so that's kind of like a good a good

880

00:33:52,149 --> 00:33:50,080

change but

881

00:33:54,310 --> 00:33:52,159

you know and but at the end of the day

882

00:33:57,830 --> 00:33:54,320

it's no dis disrespect to the sun but

883

00:33:59,750 --> 00:33:57,840

that's like a tabloid um newspaper so

884

00:34:01,269 --> 00:33:59,760

like the average person in like the uk

885

00:34:02,789 --> 00:34:01,279

if they pick up that paper they're not

886

00:34:04,149 --> 00:34:02,799

going to take it seriously at all you

887

00:34:06,070 --> 00:34:04,159

know it's like in terms of the

888

00:34:08,710 --> 00:34:06,080

information in in like the article

889

00:34:10,389 --> 00:34:08,720

that's great but you know when someone's

890

00:34:12,069 --> 00:34:10,399

when someone go goes into a shop or

891

00:34:14,230 --> 00:34:12,079

walks to like the news agents to pick up

892

00:34:16,069 --> 00:34:14,240

a newspaper you know

893

00:34:17,750 --> 00:34:16,079

and they pick up the sun and see a pic

894

00:34:18,950 --> 00:34:17,760

and see a story about a ufo in there

895

00:34:20,629 --> 00:34:18,960

we're not going to take it seriously

896

00:34:23,430 --> 00:34:20,639

even if the information is correct if

897

00:34:25,829 --> 00:34:23,440

that makes sense and yeah we need to see

898

00:34:27,510 --> 00:34:25,839

this talked about in like a more

899

00:34:29,589 --> 00:34:27,520

not not in a more serious way but we

900

00:34:32,069 --> 00:34:29,599

need to get this information into

901  
00:34:34,550 --> 00:34:32,079  
kind of like the in terms of the papers

902  
00:34:36,470 --> 00:34:34,560  
like the telegraph or or like the

903  
00:34:39,190 --> 00:34:36,480  
guardian those are like the serious ones

904  
00:34:41,829 --> 00:34:39,200  
here and so to see it talked about there

905  
00:34:43,909 --> 00:34:41,839  
that would be really interesting um that

906  
00:34:47,430 --> 00:34:43,919  
actually happened when like the new when

907  
00:34:49,109 --> 00:34:47,440  
the ufo report came out in in june

908  
00:34:51,750 --> 00:34:49,119  
there was a brief period about a week

909  
00:34:54,950 --> 00:34:51,760  
where we kind of got to see

910  
00:34:56,790 --> 00:34:54,960  
um some stories in in in those papers

911  
00:34:58,230 --> 00:34:56,800  
and it was briefly talked about in like

912  
00:34:58,950 --> 00:34:58,240  
the house of lords

913  
00:35:00,150 --> 00:34:58,960

um

914

00:35:01,430 --> 00:35:00,160

which is the first time it's ever

915

00:35:03,430 --> 00:35:01,440

happened to

916

00:35:05,589 --> 00:35:03,440

you know and that i think you know it's

917

00:35:07,430 --> 00:35:05,599

on twitter somewhere think of the signal

918

00:35:09,030 --> 00:35:07,440

he uh posted about it so if you go

919

00:35:11,990 --> 00:35:09,040

through his tweets he'll it'll still be

920

00:35:14,870 --> 00:35:12,000

there um but just to see that topic

921

00:35:16,390 --> 00:35:14,880

discussed in the house of lords was was

922

00:35:18,950 --> 00:35:16,400

crazy to see

923

00:35:21,589 --> 00:35:18,960

um but since then it's kind of just went

924

00:35:24,069 --> 00:35:21,599

completely quiet you know um

925

00:35:25,430 --> 00:35:24,079

but speaking to vinnie um you know

926

00:35:26,710 --> 00:35:25,440

because like we text each other and

927

00:35:29,670 --> 00:35:26,720

stuff he's

928

00:35:31,589 --> 00:35:29,680

he's um he's very hopeful that you know

929

00:35:33,829 --> 00:35:31,599

if this amendment does go through that's

930

00:35:35,990 --> 00:35:33,839

going to put a lot of pressure on the uk

931

00:35:38,230 --> 00:35:36,000

to kind of follow suit and they'll have

932

00:35:41,750 --> 00:35:38,240

to say you know we'll have to address it

933

00:35:44,150 --> 00:35:41,760

in in in some way you know um so we're

934

00:35:45,510 --> 00:35:44,160

hoping that that will happen going

935

00:35:48,069 --> 00:35:45,520

forward but you know again it's just a

936

00:35:49,030 --> 00:35:48,079

waiting game akashi so we'll see i want

937

00:35:51,190 --> 00:35:49,040

it

938

00:35:54,790 --> 00:35:51,200

go ahead my dear go ahead no no no you

939

00:35:57,349 --> 00:35:54,800

go i was going to say that um i i sort

940

00:35:59,510 --> 00:35:57,359

of posed this with i think with andy on

941

00:36:01,510 --> 00:35:59,520

on text message that i think it would be

942

00:36:04,470 --> 00:36:01,520

really cool if there was like a regional

943

00:36:06,710 --> 00:36:04,480

person in each area of of the uk like if

944

00:36:08,790 --> 00:36:06,720

you have like northumberland a person

945

00:36:11,430 --> 00:36:08,800

and then you had someone in the midlands

946

00:36:13,990 --> 00:36:11,440

and then someone out in wales like dan

947

00:36:16,950 --> 00:36:14,000

and somebody in the south like stevie

948

00:36:18,390 --> 00:36:16,960

keith not hi stevie keith anyway but but

949

00:36:20,790 --> 00:36:18,400

what i'm getting at though is if you had

950

00:36:23,589 --> 00:36:20,800

these regional people that you could

951  
00:36:24,950 --> 00:36:23,599  
organize uh and have meetings so if you

952  
00:36:26,630 --> 00:36:24,960  
have these meetings and then you just

953  
00:36:27,510 --> 00:36:26,640  
kind of build out those meetings from

954  
00:36:29,829 --> 00:36:27,520  
there

955  
00:36:31,990 --> 00:36:29,839  
because of the size of the uk makes that

956  
00:36:34,390 --> 00:36:32,000  
easier than for artemis i mean it's like

957  
00:36:36,710 --> 00:36:34,400  
for her to go across the the span of

958  
00:36:38,390 --> 00:36:36,720  
canada is pretty

959  
00:36:39,990 --> 00:36:38,400  
you know it's a pretty good trek but i i

960  
00:36:41,510 --> 00:36:40,000  
still think you should do it but i don't

961  
00:36:45,430 --> 00:36:41,520  
know those are my thoughts more like

962  
00:36:47,109 --> 00:36:45,440  
ontario or like going downtown toronto

963  
00:36:49,270 --> 00:36:47,119

do you have an idea like that like have

964

00:36:52,069 --> 00:36:49,280

you thought about that artemis to do

965

00:36:53,270 --> 00:36:52,079

regional uh meetups for the purposes of

966

00:36:55,829 --> 00:36:53,280

motivating

967

00:36:58,230 --> 00:36:55,839

yeah me and josh have talked about it

968

00:37:00,069 --> 00:36:58,240

once he's back here like we've got

969

00:37:02,710 --> 00:37:00,079

loads of plans

970

00:37:04,870 --> 00:37:02,720

and like people we're gonna enlist and

971

00:37:06,790 --> 00:37:04,880

like all around here that we want to

972

00:37:08,710 --> 00:37:06,800

speaking with and

973

00:37:10,310 --> 00:37:08,720

we're gonna be doing stuff with video

974

00:37:11,109 --> 00:37:10,320

girl kelly

975

00:37:14,470 --> 00:37:11,119

yeah

976  
00:37:17,670 --> 00:37:14,480  
hey kelly dodge put your hands together

977  
00:37:19,910 --> 00:37:17,680  
for kelly lee dodge

978  
00:37:24,550 --> 00:37:19,920  
what's up kelly lee

979  
00:37:26,550 --> 00:37:24,560  
yeah we miss her so yeah we're gonna um

980  
00:37:27,750 --> 00:37:26,560  
we have plans like to do stuff with her

981  
00:37:29,670 --> 00:37:27,760  
too so

982  
00:37:31,589 --> 00:37:29,680  
you know i think it's about building

983  
00:37:33,510 --> 00:37:31,599  
that community that we talk about that's

984  
00:37:35,030 --> 00:37:33,520  
virtual like i mean it's great virtual

985  
00:37:37,829 --> 00:37:35,040  
of course

986  
00:37:39,990 --> 00:37:37,839  
and it connects us you know um around

987  
00:37:42,390 --> 00:37:40,000  
the globe but

988  
00:37:43,829 --> 00:37:42,400

you know in person about that connection

989

00:37:46,870 --> 00:37:43,839

in person and

990

00:37:49,430 --> 00:37:46,880

um to also just like when kelly came

991

00:37:50,550 --> 00:37:49,440

over it was one other person with josh

992

00:37:51,589 --> 00:37:50,560

and i and

993

00:37:53,990 --> 00:37:51,599

but

994

00:37:56,630 --> 00:37:54,000

having that conversation just openly

995

00:37:59,990 --> 00:37:56,640

with the people in the room and like

996

00:38:01,910 --> 00:38:00,000

it being like engaging and like just

997

00:38:03,750 --> 00:38:01,920

like hey did you see that report though

998

00:38:04,470 --> 00:38:03,760

oh but did you see that youtube live or

999

00:38:09,829 --> 00:38:04,480

like

1000

00:38:12,710 --> 00:38:09,839

you're just around your own people you

1001  
00:38:14,630 --> 00:38:12,720  
know and so yeah it's the start it's the

1002  
00:38:15,589 --> 00:38:14,640  
start it got to start somewhere that's

1003  
00:38:18,069 --> 00:38:15,599  
the start

1004  
00:38:20,710 --> 00:38:18,079  
that we were like this this definitely

1005  
00:38:22,790 --> 00:38:20,720  
needs to happen in person like on a

1006  
00:38:24,950 --> 00:38:22,800  
grander scale and like we need to make a

1007  
00:38:27,910 --> 00:38:24,960  
bigger impact like

1008  
00:38:29,510 --> 00:38:27,920  
we need to make it like do like a live

1009  
00:38:30,950 --> 00:38:29,520  
stream for like a whole week or

1010  
00:38:33,190 --> 00:38:30,960  
something and like

1011  
00:38:36,710 --> 00:38:33,200  
advocating on the topic and like doing

1012  
00:38:39,109 --> 00:38:36,720  
things and creating a goal and like um

1013  
00:38:41,270 --> 00:38:39,119

i don't know like just just making a

1014

00:38:44,390 --> 00:38:41,280

bigger impact on a bigger scale it's

1015

00:38:46,390 --> 00:38:44,400

more work but at the same time

1016

00:38:48,069 --> 00:38:46,400

you're creating that community that's

1017

00:38:48,950 --> 00:38:48,079

not just like

1018

00:38:50,550 --> 00:38:48,960

um

1019

00:38:52,870 --> 00:38:50,560

you know you're not just getting like a

1020

00:38:55,430 --> 00:38:52,880

quick like like or share or whatever

1021

00:38:58,710 --> 00:38:55,440

right it's a real conversation

1022

00:39:01,990 --> 00:38:58,720

you're you're building a foundation

1023

00:39:04,630 --> 00:39:02,000

you're making like a lasting change and

1024

00:39:06,630 --> 00:39:04,640

also like people love that and people

1025

00:39:08,150 --> 00:39:06,640

need that like that connection that

1026

00:39:10,710 --> 00:39:08,160

feeling that they're not alone in this

1027

00:39:12,630 --> 00:39:10,720

that um experiences could come out with

1028

00:39:15,109 --> 00:39:12,640

this or um

1029

00:39:16,150 --> 00:39:15,119

even just broadening um

1030

00:39:18,069 --> 00:39:16,160

your own

1031

00:39:19,990 --> 00:39:18,079

like perception of the topic kind of

1032

00:39:21,430 --> 00:39:20,000

taking out that tunnel vision and

1033

00:39:24,470 --> 00:39:21,440

speaking with other people who have

1034

00:39:26,790 --> 00:39:24,480

different um takes on the topic if

1035

00:39:28,550 --> 00:39:26,800

they're more nuts and bolts or woo-woo

1036

00:39:30,950 --> 00:39:28,560

whatever you want to call it like

1037

00:39:32,550 --> 00:39:30,960

bringing these people together and

1038

00:39:34,550 --> 00:39:32,560

just broadening the

1039

00:39:36,790 --> 00:39:34,560

everybody's perspective and

1040

00:39:39,030 --> 00:39:36,800

um feeding off each other's energy like

1041

00:39:41,030 --> 00:39:39,040

that's what it's all about artemis if

1042

00:39:43,430 --> 00:39:41,040

you if you have if you have a meeting

1043

00:39:45,910 --> 00:39:43,440

and you josh and kelly have a meeting

1044

00:39:48,310 --> 00:39:45,920

and five people show up the next time

1045

00:39:49,270 --> 00:39:48,320

you meet you're going to have 10.

1046

00:39:50,310 --> 00:39:49,280

it's just

1047

00:39:51,589 --> 00:39:50,320

i mean

1048

00:39:54,069 --> 00:39:51,599

and then for you i'm just going to say

1049

00:39:57,510 --> 00:39:54,079

for josh for you you have a meeting and

1050

00:39:59,670 --> 00:39:57,520

you get 10 people to write into your mp

1051

00:40:02,310 --> 00:39:59,680

that means something it does yeah i mean

1052

00:40:04,230 --> 00:40:02,320

to have like i think it was um ross

1053

00:40:06,150 --> 00:40:04,240

coulthard i think he made a great point

1054

00:40:08,230 --> 00:40:06,160

saying it's always better to hand write

1055

00:40:09,030 --> 00:40:08,240

something because it's gonna it's gonna

1056

00:40:11,430 --> 00:40:09,040

get

1057

00:40:13,510 --> 00:40:11,440

noticed and highlighted a lot more so

1058

00:40:15,349 --> 00:40:13,520

um instead of like doing a tweet for

1059

00:40:17,030 --> 00:40:15,359

example you know

1060

00:40:19,030 --> 00:40:17,040

yes grant

1061

00:40:20,950 --> 00:40:19,040

grant says the big phone home uk edition

1062

00:40:23,030 --> 00:40:20,960

that's right uk edition is a great idea

1063

00:40:24,950 --> 00:40:23,040

it's a great idea um

1064

00:40:26,870 --> 00:40:24,960

but yeah in terms of that in terms of

1065

00:40:28,630 --> 00:40:26,880

contacting mps it's always better to do

1066

00:40:30,550 --> 00:40:28,640

it with like a letter and not a tweet

1067

00:40:32,470 --> 00:40:30,560

for example because it's gonna get paid

1068

00:40:34,230 --> 00:40:32,480

like attention a lot more if like you do

1069

00:40:36,710 --> 00:40:34,240

that it's shown that someone's actually

1070

00:40:38,870 --> 00:40:36,720

taken the time to write that letter and

1071

00:40:39,910 --> 00:40:38,880

go down and post it it's got like a

1072

00:40:42,230 --> 00:40:39,920

powerful

1073

00:40:43,510 --> 00:40:42,240

like the message behind it is a lot

1074

00:40:45,270 --> 00:40:43,520

there's a lot more if that makes sense

1075

00:40:47,910 --> 00:40:45,280

you know hey hey josh can you do me a

1076

00:40:49,109 --> 00:40:47,920

favor um when i hear the name ross

1077

00:40:51,589 --> 00:40:49,119

cultart

1078

00:40:54,630 --> 00:40:51,599

so so uh and nathan knows what's about

1079

00:40:58,069 --> 00:40:56,950

i envisioned the fourth the voice of

1080

00:41:01,109 --> 00:40:58,079

sean bean

1081

00:41:04,069 --> 00:41:01,119

in um in in in uh what's that that movie

1082

00:41:06,630 --> 00:41:04,079

uh national treasure after all yeah and

1083

00:41:07,990 --> 00:41:06,640

i envisioned sean bean saying ross

1084

00:41:10,390 --> 00:41:08,000

kilzart

1085

00:41:12,870 --> 00:41:10,400

if you either you are the helper steal

1086

00:41:15,670 --> 00:41:12,880

the declaration and we'll send you back

1087

00:41:17,190 --> 00:41:15,680

to australia in the body bag

1088

00:41:20,150 --> 00:41:17,200

so but i feel like you would do that a

1089

00:41:22,710 --> 00:41:20,160

lot better can you be sean bean can you

1090

00:41:23,510 --> 00:41:22,720

channel your inner sean bean for this

1091

00:41:26,309 --> 00:41:23,520

show

1092

00:41:27,670 --> 00:41:26,319

i'm crap of accents i'm really happy

1093

00:41:29,510 --> 00:41:27,680

you can't all you got to do is lower

1094

00:41:32,150 --> 00:41:29,520

your voice it's sean bean

1095

00:41:38,309 --> 00:41:32,160

he has never raised his voice in a movie

1096

00:41:42,230 --> 00:41:40,309

yeah i mean h you know it's it's a

1097

00:41:44,470 --> 00:41:42,240

process man it's a process it's like

1098

00:41:46,950 --> 00:41:44,480

disclosure

1099

00:41:48,790 --> 00:41:46,960

yeah you did it yeah you did it yourself

1100

00:41:50,630 --> 00:41:48,800

uh yeah well i wanted to get y'all's

1101

00:41:53,030 --> 00:41:50,640

thoughts on um

1102

00:41:55,510 --> 00:41:53,040

the issue of the of kind of the the

1103

00:41:57,510 --> 00:41:55,520

truth with a capital t you know so

1104

00:41:59,270 --> 00:41:57,520

um and i don't necessarily want to go

1105

00:42:00,829 --> 00:41:59,280

down our speculative paths here but i

1106

00:42:03,750 --> 00:42:00,839

want to talk a little bit

1107

00:42:06,230 --> 00:42:03,760

about where does it need to come from

1108

00:42:09,750 --> 00:42:06,240

you know so i'm thinking back to

1109

00:42:12,630 --> 00:42:09,760

lou's uh talk with vinnie in fact uh

1110

00:42:14,630 --> 00:42:12,640

about the five pillars um vincenzo yeah

1111

00:42:15,750 --> 00:42:14,640

the five pillars presentation they did

1112

00:42:18,069 --> 00:42:15,760

and when you when you look at that

1113

00:42:19,829 --> 00:42:18,079

presentation you realize how important

1114

00:42:21,990 --> 00:42:19,839

the coordinated effort really is and

1115

00:42:24,790 --> 00:42:22,000

it's it's all these different pathways

1116

00:42:27,349 --> 00:42:24,800

and avenues of engagement uh

1117

00:42:28,950 --> 00:42:27,359

and and kind of they have to as he talks

1118

00:42:32,710 --> 00:42:28,960

about it they have to sort of happen in

1119

00:42:35,829 --> 00:42:32,720

parallel so there's not necessarily um

1120

00:42:39,190 --> 00:42:35,839

maybe one group one pillar that has the

1121

00:42:39,990 --> 00:42:39,200

uh the monopoly on this story

1122

00:42:41,990 --> 00:42:40,000

but

1123

00:42:43,510 --> 00:42:42,000

i would argue that maybe a couple of

1124

00:42:45,750 --> 00:42:43,520

them are more important than the others

1125

00:42:47,990 --> 00:42:45,760

and it speaks to sort of our role in the

1126

00:42:50,470 --> 00:42:48,000

ufo twitter community the role of the

1127

00:42:52,390 --> 00:42:50,480

media at large the role of governments

1128

00:42:54,630 --> 00:42:52,400

the role of experiencers and all of

1129

00:42:56,870 --> 00:42:54,640

these are sort of mouthpieces for

1130

00:42:59,589 --> 00:42:56,880

whatever this happens to be in your

1131

00:43:00,950 --> 00:42:59,599

minds what is it that will be the most

1132

00:43:02,950 --> 00:43:00,960

significant

1133

00:43:05,589 --> 00:43:02,960

uh sort of

1134

00:43:07,109 --> 00:43:05,599

turning point or or voice that will

1135

00:43:08,710 --> 00:43:07,119

think of it as a conductor at an

1136

00:43:11,430 --> 00:43:08,720

orchestra you know when that when that

1137

00:43:13,270 --> 00:43:11,440

when that conductor is up there we're

1138

00:43:15,589 --> 00:43:13,280

all going to start kind of playing along

1139

00:43:17,030 --> 00:43:15,599

in the same tune or more likely playing

1140

00:43:19,430 --> 00:43:17,040

along the same tune who would be who

1141

00:43:20,870 --> 00:43:19,440

would be that person in in those groups

1142

00:43:23,589 --> 00:43:20,880

that liz talked about

1143

00:43:23,599 --> 00:43:27,990

i must want to go first though

1144

00:43:30,790 --> 00:43:29,510

i mean i mean basically

1145

00:43:33,109 --> 00:43:30,800

i'll give you my answer i think it has

1146

00:43:34,470 --> 00:43:33,119

to be the government personally um but i

1147

00:43:36,710 --> 00:43:34,480

don't know and

1148

00:43:38,390 --> 00:43:36,720

there are a lot of clear gun

1149

00:43:40,470 --> 00:43:38,400

i think um

1150

00:43:42,390 --> 00:43:40,480

i think for the general public to accept

1151  
00:43:44,470 --> 00:43:42,400  
it it would have to be the government

1152  
00:43:46,069 --> 00:43:44,480  
for sure um you know for like the

1153  
00:43:47,510 --> 00:43:46,079  
average person who's kind of not really

1154  
00:43:48,550 --> 00:43:47,520  
involved with this

1155  
00:43:50,630 --> 00:43:48,560  
um

1156  
00:43:52,870 --> 00:43:50,640  
they need an official right yeah you

1157  
00:43:53,750 --> 00:43:52,880  
need someone official to kind of come

1158  
00:43:57,190 --> 00:43:53,760  
out

1159  
00:44:00,790 --> 00:43:57,200  
on board in terms of the general public

1160  
00:44:02,950 --> 00:44:00,800  
but um i was watching um

1161  
00:44:04,710 --> 00:44:02,960  
the show with artemis you would well i

1162  
00:44:09,349 --> 00:44:04,720  
saw a tiny bit but you were they and i

1163  
00:44:10,950 --> 00:44:09,359

had um the one one time i was abducted

1164

00:44:13,190 --> 00:44:10,960

who run there the girls are in the chat

1165

00:44:16,230 --> 00:44:13,200

now i think and they made a great point

1166

00:44:18,950 --> 00:44:16,240

because um you know a disclosure is kind

1167

00:44:20,390 --> 00:44:18,960

of up to each person it's it's what you

1168

00:44:21,910 --> 00:44:20,400

would want it to be

1169

00:44:23,990 --> 00:44:21,920

you know so for like like the

1170

00:44:25,589 --> 00:44:24,000

experiences for example

1171

00:44:27,190 --> 00:44:25,599

like they have they've already had that

1172

00:44:29,510 --> 00:44:27,200

experience they already know that this

1173

00:44:31,510 --> 00:44:29,520

is real so they don't need like the

1174

00:44:33,589 --> 00:44:31,520

validation from like the government or

1175

00:44:36,230 --> 00:44:33,599

some official to come out and say but

1176

00:44:38,230 --> 00:44:36,240

this is real they they already know that

1177

00:44:40,150 --> 00:44:38,240

right and that's such a huge part of

1178

00:44:42,550 --> 00:44:40,160

this topic what people kind of forget as

1179

00:44:45,190 --> 00:44:42,560

well you know this this uh side of these

1180

00:44:46,950 --> 00:44:45,200

people who who've had these experiences

1181

00:44:49,430 --> 00:44:46,960

and like like i haven't had one myself

1182

00:44:51,670 --> 00:44:49,440

but i can i can really relate to them

1183

00:44:52,950 --> 00:44:51,680

and their kind of take on this topic you

1184

00:44:53,990 --> 00:44:52,960

know to

1185

00:44:55,030 --> 00:44:54,000

to have

1186

00:44:57,270 --> 00:44:55,040

you know

1187

00:44:58,390 --> 00:44:57,280

to have all these government people talk

1188

00:45:01,349 --> 00:44:58,400

about this it must be kind of

1189

00:45:02,870 --> 00:45:01,359

frustrating for them um in a way because

1190

00:45:05,510 --> 00:45:02,880

these guys already know it's real

1191

00:45:07,270 --> 00:45:05,520

they've like experienced something um

1192

00:45:09,430 --> 00:45:07,280

you know survey they've already kind of

1193

00:45:10,950 --> 00:45:09,440

had their moment if that makes sense you

1194

00:45:12,870 --> 00:45:10,960

know um

1195

00:45:15,829 --> 00:45:12,880

but in terms of the general public it

1196

00:45:17,589 --> 00:45:15,839

would need some sort of official to come

1197

00:45:20,069 --> 00:45:17,599

out and say

1198

00:45:21,510 --> 00:45:20,079

that this is real you know and and and

1199

00:45:23,030 --> 00:45:21,520

even then it's happened you know and

1200

00:45:24,390 --> 00:45:23,040

this is what people forget like the

1201  
00:45:26,950 --> 00:45:24,400  
pentagon have already come out and said

1202  
00:45:28,630 --> 00:45:26,960  
that ufos are real so so in a way

1203  
00:45:30,470 --> 00:45:28,640  
they've kind of done it you know there's

1204  
00:45:32,630 --> 00:45:30,480  
not a lot more that they need to say

1205  
00:45:34,470 --> 00:45:32,640  
they've already needed to all

1206  
00:45:36,870 --> 00:45:34,480  
they've already said all they need to

1207  
00:45:38,790 --> 00:45:36,880  
say in terms of the ufo topic that makes

1208  
00:45:41,190 --> 00:45:38,800  
sense so this is why i'm kind of

1209  
00:45:42,870 --> 00:45:41,200  
cautious um going forward as to what

1210  
00:45:46,309 --> 00:45:42,880  
we're actually going to get get to see

1211  
00:45:50,390 --> 00:45:48,069  
even if the government i'm sorry even if

1212  
00:45:51,829 --> 00:45:50,400  
the government comes out will they

1213  
00:45:54,470 --> 00:45:51,839

believe it

1214

00:45:57,030 --> 00:45:54,480

yeah yeah i mean at this point we've

1215

00:45:59,270 --> 00:45:57,040

seen crazier things right it's like will

1216

00:46:01,990 --> 00:45:59,280

they really believe that you know yeah i

1217

00:46:03,990 --> 00:46:02,000

mean in in the terms of covid i mean

1218

00:46:06,150 --> 00:46:04,000

look at look look at that huge divider

1219

00:46:07,990 --> 00:46:06,160

of covert i mean some some people don't

1220

00:46:09,510 --> 00:46:08,000

don't believe as a virus some some

1221

00:46:11,910 --> 00:46:09,520

people don't think it's that serious and

1222

00:46:13,829 --> 00:46:11,920

other people are very much on board and

1223

00:46:16,150 --> 00:46:13,839

they'll wear the full protective gear

1224

00:46:18,390 --> 00:46:16,160

and the face masks and you know have ten

1225

00:46:20,630 --> 00:46:18,400

jobs or whatever right yeah

1226

00:46:22,309 --> 00:46:20,640

you know so it's um there's like a mixed

1227

00:46:25,190 --> 00:46:22,319

bag when it comes to the government and

1228

00:46:27,990 --> 00:46:25,200

how people actually see the government

1229

00:46:31,430 --> 00:46:28,000

um and what they're actually saying so

1230

00:46:34,870 --> 00:46:31,440

well based on history of misinformation

1231

00:46:38,069 --> 00:46:34,880

on the ufo topic how are they gonna say

1232

00:46:38,790 --> 00:46:38,079

that this one's real but that wasn't

1233

00:46:40,230 --> 00:46:38,800

yeah

1234

00:46:42,790 --> 00:46:40,240

i want to address this so from two

1235

00:46:44,309 --> 00:46:42,800

angles one angle i spoke with max the

1236

00:46:46,470 --> 00:46:44,319

other night from the uk

1237

00:46:49,030 --> 00:46:46,480

and max had an amazing experience it was

1238

00:46:51,510 --> 00:46:49,040

on a uh a spaces with this young lady

1239

00:46:53,990 --> 00:46:51,520

named angel and i think some of you will

1240

00:46:55,990 --> 00:46:54,000

will meet angel will know about angel

1241

00:46:58,550 --> 00:46:56,000

because people seem to connect with her

1242

00:47:01,349 --> 00:46:58,560

her voice on there and this max uh was

1243

00:47:03,750 --> 00:47:01,359

such a gentleman and had an incredibly

1244

00:47:06,309 --> 00:47:03,760

compelling story like blew me away kind

1245

00:47:09,030 --> 00:47:06,319

of story and i said to him at the end he

1246

00:47:13,030 --> 00:47:09,040

was ready to go to israel and track down

1247

00:47:16,710 --> 00:47:13,040

a couple who had filmed a uap experience

1248

00:47:19,589 --> 00:47:16,720

that looked like a a oblong cylindrical

1249

00:47:21,430 --> 00:47:19,599

um vertical object that came over his

1250

00:47:25,030 --> 00:47:21,440

house that was like the size of a school

1251

00:47:26,950 --> 00:47:25,040

bus and and this the the um

1252

00:47:28,630 --> 00:47:26,960

let's say the characteristics of of the

1253

00:47:30,790 --> 00:47:28,640

flight characteristics of this

1254

00:47:32,710 --> 00:47:30,800

particular object looked like what he

1255

00:47:34,470 --> 00:47:32,720

saw and he said i want to go get them to

1256

00:47:36,549 --> 00:47:34,480

back me up and i said you know something

1257

00:47:38,230 --> 00:47:36,559

and i don't curse a lot on air uh nathan

1258

00:47:40,390 --> 00:47:38,240

could tell you that and at the end i

1259

00:47:42,630 --> 00:47:40,400

said max repeat after me i don't have to

1260

00:47:48,790 --> 00:47:42,640

prove [h\_\_h] to anybody

1261

00:47:50,390 --> 00:47:48,800

if somebody says i want scientific proof

1262

00:47:52,710 --> 00:47:50,400

or kick rocks

1263

00:47:54,230 --> 00:47:52,720

[h\_\_\h] kick rocks i don't give a [h\_\_\h]

1264

00:47:56,069 --> 00:47:54,240

whether you believe it or not i don't

1265

00:47:58,230 --> 00:47:56,079

give a [h\_\_\h] whether mixed west believes

1266

00:48:01,109 --> 00:47:58,240

it or not so you don't we don't have to

1267

00:48:03,750 --> 00:48:01,119

prove anything to anybody you only have

1268

00:48:06,470 --> 00:48:03,760

to prove it to you is the only person

1269

00:48:08,549 --> 00:48:06,480

you have to satisfy unfortunately the

1270

00:48:10,950 --> 00:48:08,559

government is a de facto authority on

1271

00:48:12,790 --> 00:48:10,960

this and people are going to because

1272

00:48:14,870 --> 00:48:12,800

when the world exploded when they

1273

00:48:17,750 --> 00:48:14,880

released these three videos and now we

1274

00:48:19,349 --> 00:48:17,760

have 50 youtube channels including this

1275

00:48:21,430 --> 00:48:19,359

one that wouldn't exist were weren't not

1276

00:48:24,069 --> 00:48:21,440

for those three videos that's a fact

1277

00:48:25,670 --> 00:48:24,079

that's not a guesswork and lou elizon

1278

00:48:27,430 --> 00:48:25,680

doing those guys we're all part of that

1279

00:48:29,270 --> 00:48:27,440

but that doesn't mean they own the

1280

00:48:32,150 --> 00:48:29,280

entirety of the narrative because people

1281

00:48:34,790 --> 00:48:32,160

like max people like yourselves even

1282

00:48:36,870 --> 00:48:34,800

people like nathan

1283

00:48:39,670 --> 00:48:36,880

he's like money in the bank um that's

1284

00:48:41,670 --> 00:48:39,680

why i call him money nft nathan man put

1285

00:48:44,390 --> 00:48:41,680

it in the bank baby because when he

1286

00:48:47,670 --> 00:48:44,400

talking people listening and akashi

1287

00:48:53,829 --> 00:48:48,470

so

1288

00:48:55,589 --> 00:48:53,839

were having slices of pizza josh

1289

00:48:57,430 --> 00:48:55,599

i would say that's the big one that had

1290

00:48:59,270 --> 00:48:57,440

the most meatballs on it

1291

00:49:00,230 --> 00:48:59,280

and like you left me the sliver so i'm

1292

00:49:02,309 --> 00:49:00,240

just kidding

1293

00:49:04,710 --> 00:49:02,319

i mean it's weird like artemis come on

1294

00:49:06,470 --> 00:49:04,720

pizza come on artemis

1295

00:49:08,549 --> 00:49:06,480

meatballs

1296

00:49:11,109 --> 00:49:08,559

okay who does that we could do without

1297

00:49:12,069 --> 00:49:11,119

that canadian bacon is that better

1298

00:49:22,630 --> 00:49:12,079

okay

1299

00:49:43,109 --> 00:49:25,430

bring that flare up in this joint

1300

00:49:48,950 --> 00:49:46,069

akashi is a baby yoda for grant then

1301  
00:49:51,190 --> 00:49:48,960  
then maybe flair is her baby baby yoda

1302  
00:49:53,670 --> 00:49:51,200  
maybe yeah

1303  
00:49:55,430 --> 00:49:53,680  
i don't know

1304  
00:49:58,069 --> 00:49:55,440  
i know he's there but he's not quite

1305  
00:49:59,430 --> 00:49:58,079  
there he'll be back so when he pops back

1306  
00:50:01,030 --> 00:49:59,440  
up we'll just squeeze him in i don't

1307  
00:50:02,470 --> 00:50:01,040  
know what else

1308  
00:50:04,230 --> 00:50:02,480  
i think we you know we're kind of

1309  
00:50:05,670 --> 00:50:04,240  
talking about an important aspect of

1310  
00:50:07,589 --> 00:50:05,680  
this though that

1311  
00:50:09,510 --> 00:50:07,599  
you know it kind of

1312  
00:50:12,230 --> 00:50:09,520  
the the disclosure of the information is

1313  
00:50:13,670 --> 00:50:12,240

somewhat proportionate to the uh the way

1314

00:50:16,230 --> 00:50:13,680

in which the phenomenon's really going

1315

00:50:18,069 --> 00:50:16,240

to engage with the world on a larger

1316

00:50:19,349 --> 00:50:18,079

scale you know so if the phenomenon's

1317

00:50:20,549 --> 00:50:19,359

going to continue just sort of showing

1318

00:50:22,870 --> 00:50:20,559

up for the navy

1319

00:50:25,030 --> 00:50:22,880

and causing experiencers to have you

1320

00:50:28,069 --> 00:50:25,040

know the things that they have

1321

00:50:30,630 --> 00:50:28,079

i i worry that

1322

00:50:32,230 --> 00:50:30,640

a disclosed i use the word sorry but a

1323

00:50:33,750 --> 00:50:32,240

truth from the government

1324

00:50:36,069 --> 00:50:33,760

you know what how much weight it will

1325

00:50:37,910 --> 00:50:36,079

carry if when if the average person in

1326

00:50:40,470 --> 00:50:37,920

the world is not really directly

1327

00:50:42,549 --> 00:50:40,480

affected by this in some form or fashion

1328

00:50:43,270 --> 00:50:42,559

you know so it's one because a lot of i

1329

00:50:44,790 --> 00:50:43,280

mean

1330

00:50:46,790 --> 00:50:44,800

let's be honest a lot of folks in the

1331

00:50:48,549 --> 00:50:46,800

world believe in some pretty you know

1332

00:50:51,030 --> 00:50:48,559

fantastical things i mean most of the

1333

00:50:53,030 --> 00:50:51,040

world's religions have some aspects of

1334

00:50:54,790 --> 00:50:53,040

the phenomenon represented in them

1335

00:50:56,950 --> 00:50:54,800

already it's just that we've normalized

1336

00:50:59,670 --> 00:50:56,960

them and called them religion and it's

1337

00:51:00,549 --> 00:50:59,680

become more acceptable so you know in my

1338

00:51:03,109 --> 00:51:00,559

mind

1339

00:51:04,870 --> 00:51:03,119

there will come a time where

1340

00:51:06,549 --> 00:51:04,880

the government or whoever is going to

1341

00:51:08,069 --> 00:51:06,559

sort of try to rally

1342

00:51:10,150 --> 00:51:08,079

folks together may we're seeing this

1343

00:51:12,069 --> 00:51:10,160

with the astro with the with if we get

1344

00:51:13,910 --> 00:51:12,079

this bill passed with the the creation

1345

00:51:15,589 --> 00:51:13,920

of astro the anomaly

1346

00:51:16,870 --> 00:51:15,599

uh surveillance tracking resolution

1347

00:51:18,150 --> 00:51:16,880

office which i had to look up just in

1348

00:51:19,990 --> 00:51:18,160

just a second

1349

00:51:22,309 --> 00:51:20,000

um but i see that as kind of like the

1350

00:51:24,390 --> 00:51:22,319

central node with a lot of the these

1351  
00:51:26,150 --> 00:51:24,400  
players so if you if you really wanted

1352  
00:51:28,069 --> 00:51:26,160  
to get this uh

1353  
00:51:30,230 --> 00:51:28,079  
accepted on a wider scale what you would

1354  
00:51:31,589 --> 00:51:30,240  
try to do is kind of create that body

1355  
00:51:33,270 --> 00:51:31,599  
where you're bringing in people from

1356  
00:51:35,430 --> 00:51:33,280  
galilee you're bringing them skeptics

1357  
00:51:37,990 --> 00:51:35,440  
like michael shermer uh you're bringing

1358  
00:51:39,829 --> 00:51:38,000  
in you know all of these different uh

1359  
00:51:41,750 --> 00:51:39,839  
personalities

1360  
00:51:43,829 --> 00:51:41,760  
and you're going to i would hope kind of

1361  
00:51:46,549 --> 00:51:43,839  
expose them together

1362  
00:51:48,790 --> 00:51:46,559  
as a group some of these findings then

1363  
00:51:50,630 --> 00:51:48,800

those people who have their own tribes

1364

00:51:52,870 --> 00:51:50,640

of people who follow them

1365

00:51:54,870 --> 00:51:52,880

that that will be listened to you know

1366

00:51:56,309 --> 00:51:54,880

if you can convince michael shermer you

1367

00:51:58,309 --> 00:51:56,319

know you're more likely to convince a

1368

00:51:59,510 --> 00:51:58,319

mick west and yada yada and down the

1369

00:52:00,790 --> 00:51:59,520

line

1370

00:52:03,270 --> 00:52:00,800

we're going to need that kind of

1371

00:52:06,309 --> 00:52:03,280

coalition if you will if we're going to

1372

00:52:07,829 --> 00:52:06,319

all arrive at the same place but it's

1373

00:52:09,510 --> 00:52:07,839

going to be weird if we get there and

1374

00:52:10,870 --> 00:52:09,520

the phenomenon is not actually waiting

1375

00:52:12,470 --> 00:52:10,880

for us you know i'm saying it's like

1376

00:52:15,109 --> 00:52:12,480

well we know that you're real but hey

1377

00:52:17,349 --> 00:52:15,119

how do we actually interact with this i

1378

00:52:19,829 --> 00:52:17,359

mean here's like a hypothetical quest

1379

00:52:22,069 --> 00:52:19,839

question for you guys um

1380

00:52:23,750 --> 00:52:22,079

what if it turns out that louis lozando

1381

00:52:26,309 --> 00:52:23,760

isn't who he says he is i mean how would

1382

00:52:28,069 --> 00:52:26,319

you guys react to that it can't because

1383

00:52:29,910 --> 00:52:28,079

he's already been checked out but i've

1384

00:52:32,069 --> 00:52:29,920

already i've already talked somebody in

1385

00:52:33,670 --> 00:52:32,079

government who's who's checked him out

1386

00:52:35,990 --> 00:52:33,680

and has talked to him

1387

00:52:37,589 --> 00:52:36,000

right so he is who he says he is barely

1388

00:52:39,190 --> 00:52:37,599

that part but like

1389

00:52:41,190 --> 00:52:39,200

that he's hiding something or that

1390

00:52:42,790 --> 00:52:41,200

something about him is like he's

1391

00:52:44,309 --> 00:52:42,800

definitely hiding something he's trying

1392

00:52:45,670 --> 00:52:44,319

to keep himself out of jail because

1393

00:52:47,510 --> 00:52:45,680

that's like the narrative that's like

1394

00:52:50,470 --> 00:52:47,520

the other side of this story what a lot

1395

00:52:51,990 --> 00:52:50,480

of people look at as well you know um

1396

00:52:54,069 --> 00:52:52,000

you know

1397

00:52:56,390 --> 00:52:54,079

about like the government and things and

1398

00:52:58,710 --> 00:52:56,400

um you know the

1399

00:53:00,950 --> 00:52:58,720

the mistrue is what we've been fed for

1400

00:53:03,109 --> 00:53:00,960

for 80 years 100

1401  
00:53:04,309 --> 00:53:03,119  
100 percent it's difficult for people to

1402  
00:53:06,549 --> 00:53:04,319  
kind of make

1403  
00:53:08,710 --> 00:53:06,559  
make that leap

1404  
00:53:11,190 --> 00:53:08,720  
josh you have to though we're living in

1405  
00:53:13,510 --> 00:53:11,200  
shades of gray if everybody from the

1406  
00:53:16,069 --> 00:53:13,520  
government is a liar and they're bad and

1407  
00:53:18,230 --> 00:53:16,079  
everybody who's on ufo twitter who's a

1408  
00:53:24,230 --> 00:53:18,240  
conspiracy theorist is good then what is

1409  
00:53:28,470 --> 00:53:25,910  
right but but let's look at what's

1410  
00:53:30,390 --> 00:53:28,480  
what's de facto in that he gave up his

1411  
00:53:31,910 --> 00:53:30,400  
job so therefore his 20-year

1412  
00:53:32,790 --> 00:53:31,920  
retirement's gone

1413  
00:53:35,030 --> 00:53:32,800

okay

1414

00:53:37,270 --> 00:53:35,040

then uh so he's got if he gets a

1415

00:53:39,270 --> 00:53:37,280

retirement it's going to be a

1416

00:53:41,990 --> 00:53:39,280

far reduced from what he the percentage

1417

00:53:44,950 --> 00:53:42,000

he would have gotten at 20 years as a gs

1418

00:53:47,030 --> 00:53:44,960

15 at step 10. so he'd still be employed

1419

00:53:49,670 --> 00:53:47,040

right now actually banking uh adding to

1420

00:53:51,670 --> 00:53:49,680

his percentage so he's done all that

1421

00:53:54,549 --> 00:53:51,680

he's went out in the wilderness he's

1422

00:53:56,790 --> 00:53:54,559

filed two ig investigations against the

1423

00:53:58,710 --> 00:53:56,800

people he worked for yeah for sure yeah

1424

00:54:00,069 --> 00:53:58,720

and hired a lawyer so do you and people

1425

00:54:01,910 --> 00:54:00,079

like hey i wonder if lou is ever going

1426

00:54:03,910 --> 00:54:01,920

to work in the pentagon again i was like

1427

00:54:06,069 --> 00:54:03,920

i can answer that no he's not he'd be

1428

00:54:08,950 --> 00:54:06,079

the last person that a contracting

1429

00:54:11,030 --> 00:54:08,960

officer would hire uh to be a contractor

1430

00:54:12,150 --> 00:54:11,040

or a gs employee back at the pentagon

1431

00:54:14,870 --> 00:54:12,160

right so

1432

00:54:15,910 --> 00:54:14,880

so hold on a second so we have we have

1433

00:54:19,109 --> 00:54:15,920

all that

1434

00:54:21,510 --> 00:54:19,119

and the guy has gone overseas he's moved

1435

00:54:23,990 --> 00:54:21,520

these senators he's he and christopher

1436

00:54:25,589 --> 00:54:24,000

millen got the videos released they this

1437

00:54:27,670 --> 00:54:25,599

bill would not be happening right now

1438

00:54:29,510 --> 00:54:27,680

without them the house resolution

1439

00:54:32,309 --> 00:54:29,520

wouldn't happen nor with the senate so

1440

00:54:33,990 --> 00:54:32,319

it's a there's no question you can say i

1441

00:54:35,990 --> 00:54:34,000

don't like him i don't trust him i'm

1442

00:54:37,750 --> 00:54:36,000

never going to believe him you could say

1443

00:54:39,589 --> 00:54:37,760

anything bad about him you want but you

1444

00:54:41,910 --> 00:54:39,599

can't say he hasn't done anything

1445

00:54:44,069 --> 00:54:41,920

because that's just not a fact no in

1446

00:54:45,910 --> 00:54:44,079

terms of louis lozando i mean you know

1447

00:54:47,750 --> 00:54:45,920

i'm skeptical of every single person in

1448

00:54:48,630 --> 00:54:47,760

this topic because they're sure what's

1449

00:54:50,789 --> 00:54:48,640

happened

1450

00:54:53,270 --> 00:54:50,799

including lou you know

1451  
00:54:55,670 --> 00:54:53,280  
i'll question everybody

1452  
00:54:56,710 --> 00:54:55,680  
we had we had a discussion with uh

1453  
00:54:59,190 --> 00:54:56,720  
daniel's

1454  
00:55:00,630 --> 00:54:59,200  
uh stubbings who was like um he's like a

1455  
00:55:01,750 --> 00:55:00,640  
mental health uh

1456  
00:55:03,190 --> 00:55:01,760  
doctor

1457  
00:55:04,390 --> 00:55:03,200  
on our show that was like a couple of

1458  
00:55:06,950 --> 00:55:04,400  
weeks ago but

1459  
00:55:08,950 --> 00:55:06,960  
he made the point on on there from what

1460  
00:55:11,109 --> 00:55:08,960  
he's observed from what he's observed

1461  
00:55:13,510 --> 00:55:11,119  
he's like who's actually come up with

1462  
00:55:15,990 --> 00:55:13,520  
this decision to bring this information

1463  
00:55:17,109 --> 00:55:16,000

out in this way right like who's

1464

00:55:18,950 --> 00:55:17,119

actually

1465

00:55:21,430 --> 00:55:18,960

why have they got that power to bring

1466

00:55:22,950 --> 00:55:21,440

this information out in this way like

1467

00:55:25,349 --> 00:55:22,960

i'm i'm not trying to say that lose a

1468

00:55:27,510 --> 00:55:25,359

liar well let's say that why is it being

1469

00:55:28,710 --> 00:55:27,520

brought out in this way if that makes

1470

00:55:30,870 --> 00:55:28,720

sense well right i mean let's take a

1471

00:55:32,309 --> 00:55:30,880

step back let's go back to the days of

1472

00:55:33,990 --> 00:55:32,319

tom delong let's listen to what tom

1473

00:55:37,030 --> 00:55:34,000

actually said he said that he had spoken

1474

00:55:39,910 --> 00:55:37,040

with advisors who basically had had

1475

00:55:42,150 --> 00:55:39,920

organized a team to help him push this

1476

00:55:45,030 --> 00:55:42,160

information out now who was on that team

1477

00:55:46,870 --> 00:55:45,040

oh chris mellon oh lou elizondo so you

1478

00:55:48,390 --> 00:55:46,880

can't tell me that chris and lou just

1479

00:55:49,750 --> 00:55:48,400

all of a sudden like rolled out of bed

1480

00:55:50,789 --> 00:55:49,760

one day and we're like you know i'm just

1481

00:55:52,390 --> 00:55:50,799

gonna do this

1482

00:55:53,990 --> 00:55:52,400

we're just gonna go for it i think that

1483

00:55:55,190 --> 00:55:54,000

they have their own convictions i think

1484

00:55:57,750 --> 00:55:55,200

that they

1485

00:56:00,069 --> 00:55:57,760

are are men of of conviction they serve

1486

00:56:01,270 --> 00:56:00,079

their country honorably and they are

1487

00:56:03,829 --> 00:56:01,280

trying to do what in their minds what

1488

00:56:05,510 --> 00:56:03,839

they think is best but i do think if and

1489

00:56:07,030 --> 00:56:05,520

i'm just saying if you just listen to

1490

00:56:08,069 --> 00:56:07,040

what they're telling us

1491

00:56:09,430 --> 00:56:08,079

you know if you listen to what they're

1492

00:56:12,150 --> 00:56:09,440

telling us and you read a little bit

1493

00:56:13,829 --> 00:56:12,160

between the lines there there is a clear

1494

00:56:15,510 --> 00:56:13,839

coordinated effort

1495

00:56:17,190 --> 00:56:15,520

lou is just on the front end of this

1496

00:56:18,549 --> 00:56:17,200

chris is on the front end of this but

1497

00:56:20,470 --> 00:56:18,559

and he says that he says that all the

1498

00:56:21,990 --> 00:56:20,480

time and just recently said you know

1499

00:56:23,750 --> 00:56:22,000

there's all these people that i you know

1500

00:56:26,069 --> 00:56:23,760

hopefully their names will come out you

1501

00:56:27,990 --> 00:56:26,079

know soon who are big names people that

1502

00:56:29,990 --> 00:56:28,000

that you know of so these are this is a

1503

00:56:32,789 --> 00:56:30,000

group of folks who are trying to push

1504

00:56:35,430 --> 00:56:32,799

this in a specific direction and i think

1505

00:56:36,950 --> 00:56:35,440

that for lou's sake he he actually wants

1506

00:56:38,710 --> 00:56:36,960

you know the more people he can bring

1507

00:56:40,870 --> 00:56:38,720

into this conversation the more relieved

1508

00:56:43,430 --> 00:56:40,880

he becomes because then it takes some of

1509

00:56:45,829 --> 00:56:43,440

this risk that you're illustrating josh

1510

00:56:47,109 --> 00:56:45,839

about you know what happens if um

1511

00:56:49,109 --> 00:56:47,119

you know people don't believe him or

1512

00:56:51,349 --> 00:56:49,119

whatever it actually mitigates that risk

1513

00:56:54,630 --> 00:56:51,359

when more people have exposure to what

1514

00:56:56,309 --> 00:56:54,640

what is really happening of course yeah

1515

00:56:58,870 --> 00:56:56,319

and what does anyone remember what the

1516

00:57:02,470 --> 00:56:58,880

seminal moment was for lou when he just

1517

00:57:06,710 --> 00:57:04,789

the the seminal moment was when he said

1518

00:57:09,109 --> 00:57:06,720

i want to breathe the sex death which

1519

00:57:11,510 --> 00:57:09,119

was james mattis and he was told by his

1520

00:57:13,510 --> 00:57:11,520

boss you will not brief the sect def

1521

00:57:15,430 --> 00:57:13,520

because we want sectif to have plausible

1522

00:57:17,910 --> 00:57:15,440

deniability on this issue in case

1523

00:57:19,349 --> 00:57:17,920

somebody asked him about it and when he

1524

00:57:21,430 --> 00:57:19,359

said if you're not gonna let me brief

1525

00:57:23,750 --> 00:57:21,440

the boss i'm out of here and remember

1526

00:57:26,470 --> 00:57:23,760

who his resignation letter went to the

1527

00:57:28,390 --> 00:57:26,480

sec deaf yeah which was james mattis so

1528

00:57:30,870 --> 00:57:28,400

he said okay if you're not going to tell

1529

00:57:32,870 --> 00:57:30,880

them anything and we're over classifying

1530

00:57:34,470 --> 00:57:32,880

everything which they are

1531

00:57:35,910 --> 00:57:34,480

um then

1532

00:57:38,230 --> 00:57:35,920

i don't need to be involved in this

1533

00:57:40,069 --> 00:57:38,240

because we're keeping too much from the

1534

00:57:42,710 --> 00:57:40,079

american people and i'm not down with

1535

00:57:45,030 --> 00:57:42,720

that and that takes an amount of courage

1536

00:57:46,870 --> 00:57:45,040

that this person here doesn't have if i

1537

00:57:48,630 --> 00:57:46,880

would have been in his position i would

1538

00:57:51,430 --> 00:57:48,640

not have done what he did i wouldn't

1539

00:57:54,150 --> 00:57:51,440

have given up my career and my uh

1540

00:57:56,309 --> 00:57:54,160

in in uh and make when i take care of my

1541

00:57:58,069 --> 00:57:56,319

family that guy i have no kids i got

1542

00:58:00,230 --> 00:57:58,079

five pets running around the house this

1543

00:58:02,470 --> 00:58:00,240

guy had two kids going to college and

1544

00:58:03,270 --> 00:58:02,480

did that that's conviction so when you

1545

00:58:05,030 --> 00:58:03,280

say

1546

00:58:07,670 --> 00:58:05,040

what makes when someone goes i don't

1547

00:58:09,589 --> 00:58:07,680

trust that guy what has he done well i

1548

00:58:11,109 --> 00:58:09,599

can just start naming things off and and

1549

00:58:12,870 --> 00:58:11,119

you're just gonna

1550

00:58:14,390 --> 00:58:12,880

i mean you don't have to like the guy

1551

00:58:16,230 --> 00:58:14,400

you could say i think he's a liar i

1552

00:58:18,309 --> 00:58:16,240

don't believe him i don't like him but

1553

00:58:20,230 --> 00:58:18,319

you can't say he hasn't done anything

1554

00:58:22,069 --> 00:58:20,240

sure in terms of my opinion on lou i'm

1555

00:58:24,470 --> 00:58:22,079

on the fence of him i don't have a i'm

1556

00:58:25,750 --> 00:58:24,480

not there or here you know i'm just on

1557

00:58:27,349 --> 00:58:25,760

the fence like that's your choice

1558

00:58:28,870 --> 00:58:27,359

because i don't know what goes on behind

1559

00:58:31,270 --> 00:58:28,880

the scenes i don't have a clue you know

1560

00:58:33,190 --> 00:58:31,280

so yeah i can only go on what he's told

1561

00:58:34,789 --> 00:58:33,200

us you know and um

1562

00:58:36,470 --> 00:58:34,799

you know and what and what i hope will

1563

00:58:39,109 --> 00:58:36,480

happen like i hope this amendment will

1564

00:58:42,150 --> 00:58:39,119

will go through i hope everything will

1565

00:58:43,829 --> 00:58:42,160

turn out to be you know this path of of

1566

00:58:45,589 --> 00:58:43,839

the disclosure what melon and lou have

1567

00:58:47,910 --> 00:58:45,599

laid out i hope that turns out to be the

1568

00:58:50,069 --> 00:58:47,920

case like i really do but you know until

1569

00:58:52,630 --> 00:58:50,079

that happens officially i'm not going to

1570

00:58:54,549 --> 00:58:52,640

be fully onboard you know

1571

00:58:56,470 --> 00:58:54,559

you don't need to mention it

1572

00:58:58,390 --> 00:58:56,480

you don't you don't need to be like like

1573

00:59:00,150 --> 00:58:58,400

i said nobody needs to prove [h\_\_h] to

1574

00:59:02,950 --> 00:59:00,160

anybody lou doesn't have to have

1575

00:59:04,390 --> 00:59:02,960

anything to prove to you yeah or me for

1576

00:59:06,309 --> 00:59:04,400

that matter and you don't have to prove

1577

00:59:08,069 --> 00:59:06,319

anything to lou but what i will tell you

1578

00:59:10,309 --> 00:59:08,079

is this i have signed one of those

1579

00:59:12,950 --> 00:59:10,319

agreements like what he signed okay

1580

00:59:15,030 --> 00:59:12,960

and what would happen if i violated that

1581

00:59:16,789 --> 00:59:15,040

agreement is that's going to go up in

1582

00:59:18,789 --> 00:59:16,799

front of the bosses the intel guys can

1583

00:59:21,430 --> 00:59:18,799

bring that up and say this is what the

1584

00:59:23,109 --> 00:59:21,440

violation was and depending upon how

1585

00:59:25,670 --> 00:59:23,119

they feel about me

1586

00:59:27,270 --> 00:59:25,680

could depend on how hard they push us

1587

00:59:29,510 --> 00:59:27,280

and it gets walked over to the judge

1588

00:59:32,870 --> 00:59:29,520

advocate general and now you have a case

1589

00:59:35,990 --> 00:59:32,880

against you lou is walking this line

1590

00:59:38,069 --> 00:59:36,000

because how bad does anyone on this

1591

00:59:39,829 --> 00:59:38,079

panel out of one to ten

1592

00:59:42,549 --> 00:59:39,839

what do you think susan goff would want

1593

00:59:44,710 --> 00:59:42,559

to prosecute lou watch him do a perp

1594

00:59:47,109 --> 00:59:44,720

walk in an orange jumpsuit so you say

1595

00:59:49,030 --> 00:59:47,119

see i told you all along he wasn't what

1596

00:59:51,030 --> 00:59:49,040

i what he said he was

1597

00:59:53,190 --> 00:59:51,040

of course yeah i mean she'd love to do

1598

00:59:55,430 --> 00:59:53,200

that of course that and so that's what

1599

00:59:57,829 --> 00:59:55,440

he's up against and anybody that would

1600

01:00:00,069 --> 00:59:57,839

suggest that this guy should give one

1601  
01:00:03,190 --> 01:00:00,079  
piece of information that could send him

1602  
01:00:04,710 --> 01:00:03,200  
to jail is a coward in my book i mean

1603  
01:00:06,309 --> 01:00:04,720  
unless you're willing to go to jail and

1604  
01:00:07,190 --> 01:00:06,319  
you're still a coward because you're not

1605  
01:00:09,349 --> 01:00:07,200  
him

1606  
01:00:10,870 --> 01:00:09,359  
but in in terms of that i mean it's

1607  
01:00:13,910 --> 01:00:10,880  
difficult because

1608  
01:00:15,670 --> 01:00:13,920  
um i touched on it before like it's diff

1609  
01:00:16,950 --> 01:00:15,680  
it's different from like in terms of the

1610  
01:00:18,789 --> 01:00:16,960  
us

1611  
01:00:20,150 --> 01:00:18,799  
your you guys are the only ones who were

1612  
01:00:22,150 --> 01:00:20,160  
talking about this i promise like in

1613  
01:00:24,069 --> 01:00:22,160

terms of the uk nobody's talking about

1614

01:00:25,829 --> 01:00:24,079

it and we're kind of like an ally of

1615

01:00:28,150 --> 01:00:25,839

yours and it's the same with australia

1616

01:00:30,150 --> 01:00:28,160

they had i think the pilot the house of

1617

01:00:32,710 --> 01:00:30,160

parliament australia was like two or

1618

01:00:33,910 --> 01:00:32,720

three weeks ago they had like a

1619

01:00:35,349 --> 01:00:33,920

they had like a discussion there and

1620

01:00:38,950 --> 01:00:35,359

they basically said that there's nothing

1621

01:00:40,309 --> 01:00:38,960

to investigate effectively so it's it's

1622

01:00:42,230 --> 01:00:40,319

weird to me

1623

01:00:43,829 --> 01:00:42,240

how it's only the us who is talking

1624

01:00:46,230 --> 01:00:43,839

about this it's so it's doesn't it

1625

01:00:48,309 --> 01:00:46,240

doesn't make sense it doesn't make sense

1626

01:00:49,910 --> 01:00:48,319

at all well they're that's why they're

1627

01:00:52,150 --> 01:00:49,920

not behind it i don't know the reason

1628

01:00:53,829 --> 01:00:52,160

behind it well imagine that

1629

01:00:55,430 --> 01:00:53,839

out of america

1630

01:00:57,750 --> 01:00:55,440

no one else is really talking about it

1631

01:00:58,870 --> 01:00:57,760

so it's kind of it's weird to me yeah

1632

01:01:00,390 --> 01:00:58,880

that's strange

1633

01:01:01,829 --> 01:01:00,400

yeah yeah

1634

01:01:02,789 --> 01:01:01,839

i agree well

1635

01:01:04,950 --> 01:01:02,799

i want to switch

1636

01:01:07,109 --> 01:01:04,960

real quick to ask artemis a question

1637

01:01:08,870 --> 01:01:07,119

about yeah

1638

01:01:10,630 --> 01:01:08,880

and i know one of the aspects of y'all's

1639

01:01:12,710 --> 01:01:10,640

channel is kind of focusing a little bit

1640

01:01:13,910 --> 01:01:12,720

on the mental health component and i

1641

01:01:16,630 --> 01:01:13,920

find that so

1642

01:01:18,549 --> 01:01:16,640

amazing and and important you know it's

1643

01:01:19,430 --> 01:01:18,559

particularly with this topic

1644

01:01:22,309 --> 01:01:19,440

um

1645

01:01:23,990 --> 01:01:22,319

you know one of the things that uh you

1646

01:01:26,150 --> 01:01:24,000

know if you were to counsel somebody who

1647

01:01:28,309 --> 01:01:26,160

just said hey i'm into ufos i'm going to

1648

01:01:29,829 --> 01:01:28,319

start getting into ufo twitter tomorrow

1649

01:01:31,430 --> 01:01:29,839

you know what what are some kind of

1650

01:01:32,150 --> 01:01:31,440

words you would advice you would give

1651  
01:01:34,150 --> 01:01:32,160  
them

1652  
01:01:35,829 --> 01:01:34,160  
uh if they were going to jump in head

1653  
01:01:37,430 --> 01:01:35,839  
first into the deep end how would you

1654  
01:01:40,230 --> 01:01:37,440  
help them kind of navigate all of these

1655  
01:01:41,990 --> 01:01:40,240  
different theories and speculations and

1656  
01:01:43,589 --> 01:01:42,000  
you know how do you how do you advocate

1657  
01:01:46,630 --> 01:01:43,599  
for kind of staying grounded in the

1658  
01:01:49,589 --> 01:01:46,640  
midst of all this crazy stuff

1659  
01:01:51,589 --> 01:01:49,599  
um well to jump on ufo twitter i would

1660  
01:01:53,589 --> 01:01:51,599  
say

1661  
01:01:56,069 --> 01:01:53,599  
you definitely have to be cautious of

1662  
01:01:56,870 --> 01:01:56,079  
the ufo twitter and not get involved in

1663  
01:02:00,150 --> 01:01:56,880

like

1664

01:02:01,750 --> 01:02:00,160

the petty drama and just stick to that

1665

01:02:04,309 --> 01:02:01,760

there are a lot of good things that are

1666

01:02:07,029 --> 01:02:04,319

on ufo twitter so just stick to like the

1667

01:02:09,029 --> 01:02:07,039

articles that you find in like um when

1668

01:02:10,789 --> 01:02:09,039

you meet an interesting person on there

1669

01:02:11,910 --> 01:02:10,799

just gravitate towards

1670

01:02:14,150 --> 01:02:11,920

that

1671

01:02:16,150 --> 01:02:14,160

um for the mental health side of it when

1672

01:02:18,309 --> 01:02:16,160

you are like

1673

01:02:20,710 --> 01:02:18,319

you're taking in a lot of information

1674

01:02:24,630 --> 01:02:20,720

and i would say that keeping an open

1675

01:02:26,390 --> 01:02:24,640

mind is uh really important because

1676

01:02:28,950 --> 01:02:26,400

we don't have all the answers so we

1677

01:02:30,069 --> 01:02:28,960

don't know we can't rule anything out

1678

01:02:31,990 --> 01:02:30,079

really

1679

01:02:34,870 --> 01:02:32,000

and we shouldn't

1680

01:02:37,750 --> 01:02:34,880

to keep an open mind back and also not

1681

01:02:39,910 --> 01:02:37,760

to overwhelm yourself like when you are

1682

01:02:41,510 --> 01:02:39,920

just beginning in the topic it can get

1683

01:02:44,309 --> 01:02:41,520

overwhelming and like

1684

01:02:46,630 --> 01:02:44,319

you really do start to see

1685

01:02:48,390 --> 01:02:46,640

um the world in a different way and you

1686

01:02:49,349 --> 01:02:48,400

really start to think

1687

01:02:52,309 --> 01:02:49,359

um

1688

01:02:53,990 --> 01:02:52,319

about this stuff like a lot and like

1689

01:02:57,430 --> 01:02:54,000

you have to like remember that there is

1690

01:02:59,829 --> 01:02:57,440

like a whole other world out of ufos you

1691

01:03:02,069 --> 01:02:59,839

know whether you want to admit that or

1692

01:03:04,870 --> 01:03:02,079

not right

1693

01:03:07,430 --> 01:03:04,880

so it is important to actually

1694

01:03:08,309 --> 01:03:07,440

ease yourself into it anyway and

1695

01:03:10,150 --> 01:03:08,319

um

1696

01:03:11,029 --> 01:03:10,160

to trust also your intuition like if you

1697

01:03:12,309 --> 01:03:11,039

think

1698

01:03:14,870 --> 01:03:12,319

like when you're listening to somebody

1699

01:03:16,870 --> 01:03:14,880

if you're getting like a bad feeling of

1700

01:03:17,750 --> 01:03:16,880

some kind or

1701

01:03:21,510 --> 01:03:17,760

don't

1702

01:03:25,589 --> 01:03:22,950

like jiving with like whatever that

1703

01:03:40,950 --> 01:03:25,599

person's saying like that's okay

1704

01:03:44,470 --> 01:03:42,390

and i think i guess you're gonna have to

1705

01:03:46,309 --> 01:03:44,480

be a little bit um

1706

01:03:47,990 --> 01:03:46,319

zen like you know so

1707

01:03:49,589 --> 01:03:48,000

regardless of what really happens you

1708

01:03:50,390 --> 01:03:49,599

still have to let it kind of flow past

1709

01:03:52,470 --> 01:03:50,400

you

1710

01:03:54,710 --> 01:03:52,480

um i had a great uh

1711

01:03:55,829 --> 01:03:54,720

chat oh it's so hard

1712

01:03:56,710 --> 01:03:55,839

like i mean

1713

01:03:59,589 --> 01:03:56,720

um

1714

01:04:02,069 --> 01:03:59,599

we always have that intention so even if

1715

01:04:03,910 --> 01:04:02,079

we tell people just to like stay sand or

1716

01:04:05,029 --> 01:04:03,920

just to like back up

1717

01:04:08,309 --> 01:04:05,039

it's also

1718

01:04:10,549 --> 01:04:08,319

easy to kind of stay sucked in or be

1719

01:04:11,589 --> 01:04:10,559

like okay okay and like stay off for

1720

01:04:18,309 --> 01:04:11,599

like

1721

01:04:20,309 --> 01:04:18,319

whatever you need to fix

1722

01:04:21,270 --> 01:04:20,319

and we really don't so

1723

01:04:22,470 --> 01:04:21,280

um

1724

01:04:24,309 --> 01:04:22,480

i think

1725

01:04:26,789 --> 01:04:24,319

to actually do that is really important

1726

01:04:28,549 --> 01:04:26,799

and i mean we all get birds like me and

1727

01:04:31,430 --> 01:04:28,559

josh have both felt in the last like oh

1728

01:04:32,870 --> 01:04:31,440

yeah exactly and i mean it happens to

1729

01:04:35,910 --> 01:04:32,880

the best of us especially the more

1730

01:04:38,309 --> 01:04:35,920

involved you are in the topic it is uh

1731

01:04:40,390 --> 01:04:38,319

tiring and

1732

01:04:41,990 --> 01:04:40,400

just like mentally and like you know

1733

01:04:43,910 --> 01:04:42,000

it's a lot of information that's always

1734

01:04:45,510 --> 01:04:43,920

out there and like we want to know more

1735

01:04:47,750 --> 01:04:45,520

about what's happening around the world

1736

01:04:49,109 --> 01:04:47,760

that they're not either able to talk

1737

01:04:50,230 --> 01:04:49,119

about or that they don't want to talk

1738

01:04:51,430 --> 01:04:50,240

about like

1739

01:04:55,270 --> 01:04:51,440

there's just

1740

01:04:56,470 --> 01:04:55,280

such an overflow of information and

1741

01:04:58,950 --> 01:04:56,480

like just

1742

01:05:01,589 --> 01:04:58,960

what is going on out there that

1743

01:05:03,430 --> 01:05:01,599

it gets overcoming for sure

1744

01:05:05,990 --> 01:05:03,440

i think there's fear the unknown too

1745

01:05:08,069 --> 01:05:06,000

artemis i think because we don't know

1746

01:05:09,750 --> 01:05:08,079

what we don't know what's gonna happen

1747

01:05:13,109 --> 01:05:09,760

we don't know why

1748

01:05:16,630 --> 01:05:13,119

their craft flying around and for many

1749

01:05:20,710 --> 01:05:16,640

of our friends that are on ufo twitter

1750

01:05:22,549 --> 01:05:20,720

uh that we love it's extremely

1751

01:05:24,630 --> 01:05:22,559

they're extremely fearful

1752

01:05:26,390 --> 01:05:24,640

of not knowing what that is so if i

1753

01:05:28,230 --> 01:05:26,400

could say well that is certainly a

1754

01:05:30,549 --> 01:05:28,240

russian craft that is certainly a

1755

01:05:33,270 --> 01:05:30,559

chinese craft that's certainly u.s tech

1756

01:05:35,829 --> 01:05:33,280

then i can i can contextualize it i can

1757

01:05:37,910 --> 01:05:35,839

put it in a box we love boxes right josh

1758

01:05:39,750 --> 01:05:37,920

we got our containers here

1759

01:05:41,990 --> 01:05:39,760

we're building the side walls at the top

1760

01:05:43,270 --> 01:05:42,000

um and and when we don't know it's

1761

01:05:45,109 --> 01:05:43,280

really scary and that's actually going

1762

01:05:47,029 --> 01:05:45,119

to take us into the next

1763

01:05:49,349 --> 01:05:47,039

topic that i want to ask everybody on

1764

01:05:51,670 --> 01:05:49,359

the panel about is what contact looks

1765

01:05:54,069 --> 01:05:51,680

like but i think that is the source of

1766

01:05:57,270 --> 01:05:54,079

fear for a lot of people when they read

1767

01:05:59,109 --> 01:05:57,280

that oh then in 2019 the navy had had

1768

01:06:00,710 --> 01:05:59,119

this incident and gee we didn't know

1769

01:06:02,950 --> 01:06:00,720

about it and what why are they keep

1770

01:06:04,710 --> 01:06:02,960

turning up in the navy's training areas

1771

01:06:06,549 --> 01:06:04,720

and what it what do they want what are

1772

01:06:08,150 --> 01:06:06,559

they going to do to us

1773

01:06:10,150 --> 01:06:08,160

so um do you guys want to talk about

1774

01:06:12,950 --> 01:06:10,160

contact now

1775

01:06:14,470 --> 01:06:12,960

contact josh josh contact so do you mean

1776

01:06:15,910 --> 01:06:14,480

like what contact would mean to me or

1777

01:06:18,710 --> 01:06:15,920

how or how do i think that it but it's

1778

01:06:21,190 --> 01:06:18,720

going to happen or yes yes like

1779

01:06:23,109 --> 01:06:21,200

does your mind's eye picture it and if

1780

01:06:24,150 --> 01:06:23,119

it does so let's go around and uh we

1781

01:06:27,910 --> 01:06:24,160

could go

1782

01:06:29,750 --> 01:06:27,920

uh josh and artemis nate and um akashi

1783

01:06:31,029 --> 01:06:29,760

what do you think that that would look

1784

01:06:32,390 --> 01:06:31,039

like

1785

01:06:33,910 --> 01:06:32,400

it's a difficult question

1786

01:06:42,390 --> 01:06:33,920

um

1787

01:06:44,150 --> 01:06:42,400

and it depends on what like the

1788

01:06:46,390 --> 01:06:44,160

intentions are of these

1789

01:06:49,430 --> 01:06:46,400

beings or whatever you want to call them

1790

01:06:51,510 --> 01:06:49,440

um you know what what

1791

01:06:53,430 --> 01:06:51,520

what their intentions are but if if like

1792

01:06:54,870 --> 01:06:53,440

you believe the ufo topic they've kind

1793

01:06:57,029 --> 01:06:54,880

of already made that cog you know i've

1794

01:06:58,630 --> 01:06:57,039

already been doing that for

1795

01:07:01,589 --> 01:06:58,640

for thousands of years you know you can

1796

01:07:03,109 --> 01:07:01,599

go back to you know for a long long time

1797

01:07:05,029 --> 01:07:03,119

and they've been making contact you know

1798

01:07:07,029 --> 01:07:05,039

you touched on it at the start of the

1799

01:07:09,910 --> 01:07:07,039

show about the uh gene

1800

01:07:12,230 --> 01:07:09,920

manipulation and stuff you know um if

1801

01:07:14,069 --> 01:07:12,240

that's if that's true i'm not sure if it

1802

01:07:16,150 --> 01:07:14,079

is but if that's true then that just

1803

01:07:18,870 --> 01:07:16,160

proves that they've been here for a very

1804

01:07:20,390 --> 01:07:18,880

very long time um and that contact's

1805

01:07:22,470 --> 01:07:20,400

already made so

1806

01:07:25,349 --> 01:07:22,480

and if that theory is true you know what

1807

01:07:26,950 --> 01:07:25,359

john the ramirez is saying there um that

1808

01:07:29,589 --> 01:07:26,960

would mean that

1809

01:07:30,630 --> 01:07:29,599

they basically influenced

1810

01:07:33,109 --> 01:07:30,640

our

1811

01:07:36,470 --> 01:07:33,119

you know but today today i'm saying

1812

01:07:37,430 --> 01:07:36,480

today today yeah not 70 because we can't

1813

01:07:39,510 --> 01:07:37,440

i'm saying

1814

01:07:41,029 --> 01:07:39,520

today you're at the chip shop and you

1815

01:07:43,190 --> 01:07:41,039

decide that you're not going to get

1816

01:07:44,630 --> 01:07:43,200

caught today because you know it's fried

1817

01:07:46,309 --> 01:07:44,640

you ask if they have anything steamed

1818

01:07:48,230 --> 01:07:46,319

they tell you no get out we don't have

1819

01:07:49,510 --> 01:07:48,240

anything steamed it's only fried and you

1820

01:07:53,109 --> 01:07:49,520

go outside and then all of a sudden

1821

01:07:54,950 --> 01:07:53,119

there's a craft hovering yeah

1822

01:07:57,589 --> 01:07:54,960

i mean for the average person

1823

01:08:00,150 --> 01:07:57,599

and they'd probably be scared if i'm

1824

01:08:02,390 --> 01:08:00,160

honest um something that they don't

1825

01:08:05,109 --> 01:08:02,400

or you know they've got no

1826

01:08:06,470 --> 01:08:05,119

reference to to make sense of it you

1827

01:08:08,950 --> 01:08:06,480

know um

1828

01:08:12,150 --> 01:08:08,960

so you know a lot of it would would be

1829

01:08:13,270 --> 01:08:12,160

fear i guess um you know you know you

1830

01:08:15,670 --> 01:08:13,280

guys touched on that if you go back

1831

01:08:17,430 --> 01:08:15,680

through history um humans we always kind

1832

01:08:19,669 --> 01:08:17,440

of fear the things we don't understand

1833

01:08:22,229 --> 01:08:19,679

um so for the general public i guess

1834

01:08:23,669 --> 01:08:22,239

there would be a lot of fear um

1835

01:08:25,349 --> 01:08:23,679

for people in the ufo world would

1836

01:08:27,430 --> 01:08:25,359

probably see it circulating around on

1837

01:08:29,269 --> 01:08:27,440

ufo twitter to be a video

1838

01:08:30,950 --> 01:08:29,279

we probably think it was amazing you

1839

01:08:32,390 --> 01:08:30,960

know um

1840

01:08:34,709 --> 01:08:32,400

but for the general public who aren't

1841

01:08:36,390 --> 01:08:34,719

really aware of what's going on in terms

1842

01:08:39,189 --> 01:08:36,400

of this topic and like the history and

1843

01:08:40,390 --> 01:08:39,199

what's happened it would be scary for

1844

01:08:42,309 --> 01:08:40,400

sure

1845

01:08:44,070 --> 01:08:42,319

atomos

1846

01:08:46,789 --> 01:08:44,080

well i was going to say that

1847

01:08:48,390 --> 01:08:46,799

where like people wouldn't understand we

1848

01:08:50,070 --> 01:08:48,400

wouldn't understand but because we've

1849

01:08:53,110 --> 01:08:50,080

been conditioned in like

1850

01:08:56,070 --> 01:08:53,120

tv and movies and all of

1851  
01:08:58,630 --> 01:08:56,080  
like and books and and podcasts and all

1852  
01:09:00,070 --> 01:08:58,640  
this stuff like we've already

1853  
01:09:02,229 --> 01:09:00,080  
like our brains would be able to

1854  
01:09:04,390 --> 01:09:02,239  
recognize at least what it is i think we

1855  
01:09:07,510 --> 01:09:04,400  
would have fear but also

1856  
01:09:09,430 --> 01:09:07,520  
a lot of curiosity and maybe like

1857  
01:09:10,789 --> 01:09:09,440  
also like skepticism is to like if

1858  
01:09:12,950 --> 01:09:10,799  
they're actually seeing something out of

1859  
01:09:14,870 --> 01:09:12,960  
this world or if they're seeing

1860  
01:09:16,390 --> 01:09:14,880  
like some movie set

1861  
01:09:17,669 --> 01:09:16,400  
um

1862  
01:09:20,470 --> 01:09:17,679  
and like

1863  
01:09:21,829 --> 01:09:20,480

i think people would be confused as well

1864

01:09:23,910 --> 01:09:21,839

and maybe some people would be kind of

1865

01:09:26,149 --> 01:09:23,920

excited thinking like oh cool like what

1866

01:09:28,870 --> 01:09:26,159

is this until they realize like

1867

01:09:31,110 --> 01:09:28,880

that it's oh

1868

01:09:34,709 --> 01:09:31,120

you're like wait those costumes are like

1869

01:09:37,349 --> 01:09:36,309

like how do they make that

1870

01:09:38,789 --> 01:09:37,359

no but

1871

01:09:40,789 --> 01:09:38,799

um

1872

01:09:42,870 --> 01:09:40,799

yeah i think that

1873

01:09:44,630 --> 01:09:42,880

we'll probably

1874

01:09:46,630 --> 01:09:44,640

a lot of people react different ways but

1875

01:09:50,229 --> 01:09:46,640

i think some people will actually

1876

01:09:52,309 --> 01:09:50,239

like it might surprise us how much

1877

01:09:55,669 --> 01:09:52,319

we've already been conditioned and maybe

1878

01:09:58,310 --> 01:09:55,679

aren't even aware of that like how much

1879

01:10:00,709 --> 01:09:58,320

we are conditioned until we've seen it

1880

01:10:02,470 --> 01:10:00,719

in real life and then we're like oh

1881

01:10:05,270 --> 01:10:02,480

this actually doesn't seem

1882

01:10:07,669 --> 01:10:05,280

so insane right now why

1883

01:10:09,510 --> 01:10:07,679

because you know what what's been on tv

1884

01:10:11,910 --> 01:10:09,520

the last like

1885

01:10:12,870 --> 01:10:11,920

60 70 i don't even know how many years

1886

01:10:14,070 --> 01:10:12,880

now

1887

01:10:16,310 --> 01:10:14,080

um

1888

01:10:18,390 --> 01:10:16,320

so it i think it's going to be a lot

1889

01:10:19,910 --> 01:10:18,400

more mixed than we think and because so

1890

01:10:23,110 --> 01:10:19,920

many people actually

1891

01:10:24,950 --> 01:10:23,120

are more open-minded these days um

1892

01:10:27,590 --> 01:10:24,960

like i think there was like a percentage

1893

01:10:29,510 --> 01:10:27,600

like of the states like it was over 50

1894

01:10:30,630 --> 01:10:29,520

of the states that believe

1895

01:10:34,390 --> 01:10:30,640

um

1896

01:10:35,990 --> 01:10:34,400

that aliens could exist or something so

1897

01:10:37,350 --> 01:10:36,000

i mean

1898

01:10:39,189 --> 01:10:37,360

there's probably a lot more people that

1899

01:10:41,270 --> 01:10:39,199

weren't i don't know what they voted

1900

01:10:43,270 --> 01:10:41,280

with to determine how many people

1901

01:10:44,790 --> 01:10:43,280

believe in it but i'm sure there's a lot

1902

01:10:46,709 --> 01:10:44,800

more people

1903

01:10:47,990 --> 01:10:46,719

than just that percentage as well that

1904

01:10:50,709 --> 01:10:48,000

probably

1905

01:10:53,350 --> 01:10:50,719

you know wouldn't be surprised if there

1906

01:10:54,709 --> 01:10:53,360

was somebody out there like maybe not

1907

01:10:57,110 --> 01:10:54,719

believing that we've already been

1908

01:10:58,709 --> 01:10:57,120

visited but the possibility of life i'm

1909

01:11:00,310 --> 01:10:58,719

sure a lot of people would agree that

1910

01:11:01,590 --> 01:11:00,320

that's possible

1911

01:11:02,790 --> 01:11:01,600

so

1912

01:11:03,910 --> 01:11:02,800

yeah i

1913

01:11:05,510 --> 01:11:03,920

um

1914

01:11:07,350 --> 01:11:05,520

for just like i don't know i don't want

1915

01:11:09,270 --> 01:11:07,360

to say that word for um

1916

01:11:13,270 --> 01:11:09,280

no no it's just about it's just a matter

1917

01:11:17,189 --> 01:11:15,750

no no it's all good you know that was a

1918

01:11:18,790 --> 01:11:17,199

joke from the beginning of the show it's

1919

01:11:19,830 --> 01:11:18,800

a visceral reaction though you see

1920

01:11:23,910 --> 01:11:19,840

something

1921

01:11:25,430 --> 01:11:23,920

know that's all that's what i was asking

1922

01:11:27,830 --> 01:11:25,440

nathan i definitely think there'll be

1923

01:11:28,870 --> 01:11:27,840

some fear but i think it'll surprise us

1924

01:11:30,070 --> 01:11:28,880

how much

1925

01:11:31,910 --> 01:11:30,080

um

1926

01:11:34,149 --> 01:11:31,920

maybe that even that initial fear

1927

01:11:35,750 --> 01:11:34,159

reaction might go away

1928

01:11:37,189 --> 01:11:35,760

hold on one second i'm hearing a loud

1929

01:11:40,950 --> 01:11:37,199

background noise

1930

01:11:43,270 --> 01:11:40,960

who's that coming from can everybody um

1931

01:11:45,510 --> 01:11:43,280

okay go ahead nathan

1932

01:11:49,030 --> 01:11:45,520

or uh artemis i was hearing this like

1933

01:11:51,669 --> 01:11:49,040

out loud but finish your thoughts yeah

1934

01:11:54,470 --> 01:11:51,679

i hope it's not me um no i'm not hearing

1935

01:11:56,790 --> 01:11:54,480

it now so we're good go ahead uh artists

1936

01:11:58,149 --> 01:11:56,800

or money nate whoever's up

1937

01:11:59,270 --> 01:11:58,159

i want you to finish your thought if you

1938

01:11:59,650 --> 01:11:59,280

if you

1939

01:12:01,270 --> 01:11:59,660

uh

1940

01:12:05,430 --> 01:12:01,280

[Music]

1941

01:12:07,350 --> 01:12:05,440

i blame dj i blame dj it's his fault

1942

01:12:08,790 --> 01:12:07,360

no it's all good man yeah i mean i i

1943

01:12:11,030 --> 01:12:08,800

think of this i think that what you the

1944

01:12:13,110 --> 01:12:11,040

way you framed it dj was really

1945

01:12:14,550 --> 01:12:13,120

appropriate you know sort of the box

1946

01:12:16,229 --> 01:12:14,560

analogy

1947

01:12:18,229 --> 01:12:16,239

um

1948

01:12:21,030 --> 01:12:18,239

it's sort of what what is wrapped up in

1949

01:12:22,390 --> 01:12:21,040

this moment for you you know and and

1950

01:12:24,070 --> 01:12:22,400

this is going to be different for every

1951

01:12:26,070 --> 01:12:24,080

person right think of what's wrapped up

1952

01:12:27,590 --> 01:12:26,080

in that moment for an experienter think

1953

01:12:29,750 --> 01:12:27,600

of what's wrapped up in that moment for

1954

01:12:31,830 --> 01:12:29,760

someone that is a a traditional

1955

01:12:33,189 --> 01:12:31,840

religious person you know think of

1956

01:12:35,750 --> 01:12:33,199

what's wrapped up in that moment for

1957

01:12:38,149 --> 01:12:35,760

someone who's in ufo twitter you know

1958

01:12:39,830 --> 01:12:38,159

who hasn't had a direct experience so

1959

01:12:43,270 --> 01:12:39,840

you know we're all kind of going to be

1960

01:12:45,590 --> 01:12:43,280

laying on top of the phenomenon our own

1961

01:12:47,189 --> 01:12:45,600

uh sort of issues or preconceptions or

1962

01:12:48,070 --> 01:12:47,199

whatever it is

1963

01:12:49,910 --> 01:12:48,080

and

1964

01:12:51,510 --> 01:12:49,920

i think it's important that we actually

1965

01:12:53,430 --> 01:12:51,520

think through

1966

01:12:55,510 --> 01:12:53,440

whatever those whatever whatever the

1967

01:12:57,669 --> 01:12:55,520

lens you're viewing this from now and

1968

01:12:59,910 --> 01:12:57,679

viewing what i say this viewing reality

1969

01:13:01,669 --> 01:12:59,920

as you as you know it yeah whatever lens

1970

01:13:04,790 --> 01:13:01,679

that happens to be it's important to

1971

01:13:07,110 --> 01:13:04,800

examine that and understand that because

1972

01:13:09,110 --> 01:13:07,120

regardless of what what actually comes

1973

01:13:11,110 --> 01:13:09,120

out you know we still got to deal with

1974

01:13:13,590 --> 01:13:11,120

that lens that lens isn't going anywhere

1975

01:13:15,669 --> 01:13:13,600

you know so we need to to hold that

1976

01:13:16,870 --> 01:13:15,679

examine it and be ready

1977

01:13:18,950 --> 01:13:16,880

to

1978

01:13:20,950 --> 01:13:18,960

kind of shatter it if you will

1979

01:13:23,030 --> 01:13:20,960

it whenever this moment comes and get

1980

01:13:25,510 --> 01:13:23,040

give give away give up

1981

01:13:28,070 --> 01:13:25,520

our our biases or our preconceptions for

1982

01:13:29,910 --> 01:13:28,080

and be open to whatever this might be i

1983

01:13:31,669 --> 01:13:29,920

think it will be a very mixed picture

1984

01:13:33,750 --> 01:13:31,679

you know to josh to your point i think

1985

01:13:35,189 --> 01:13:33,760

there will be a lot of um fear there

1986

01:13:36,870 --> 01:13:35,199

will be a lot of um

1987

01:13:37,750 --> 01:13:36,880

you know sort of divisiveness in the

1988

01:13:43,990 --> 01:13:37,760

world

1989

01:13:45,669 --> 01:13:44,000

government's on the same page the better

1990

01:13:48,070 --> 01:13:45,679

that this will go

1991

01:13:50,790 --> 01:13:48,080

but there will absolutely be people who

1992

01:13:53,350 --> 01:13:50,800

aren't going to hear anything that that

1993

01:13:55,270 --> 01:13:53,360

any official outlet tells them

1994

01:13:57,030 --> 01:13:55,280

you know and that's what concerns me as

1995

01:13:59,030 --> 01:13:57,040

well like i've touched on it before how

1996

01:14:01,510 --> 01:13:59,040

you know in the uk for example nobody's

1997

01:14:03,030 --> 01:14:01,520

talking about it you know it's um

1998

01:14:05,270 --> 01:14:03,040

you know the average person doesn't have

1999

01:14:06,709 --> 01:14:05,280

a clue who emily lazonda is we don't

2000

01:14:08,310 --> 01:14:06,719

have a clue you know we don't have a

2001

01:14:09,910 --> 01:14:08,320

clue who who

2002

01:14:11,830 --> 01:14:09,920

who these guys are you know but if you

2003

01:14:13,030 --> 01:14:11,840

go into america who's on fox news he's

2004

01:14:15,189 --> 01:14:13,040

on cnn

2005

01:14:17,750 --> 01:14:15,199

you know in like the uk no one would

2006

01:14:18,550 --> 01:14:17,760

know who who the hell he is so it's like

2007

01:14:22,149 --> 01:14:18,560

it's

2008

01:14:24,070 --> 01:14:22,159

looking up i'm looking at it from like

2009

01:14:27,110 --> 01:14:24,080

the uk perspective here you know if like

2010

01:14:29,590 --> 01:14:27,120

a craft did come come down in the uk

2011

01:14:31,350 --> 01:14:29,600

there would be fear because no one's

2012

01:14:34,149 --> 01:14:31,360

it hasn't been talked about what

2013

01:14:36,390 --> 01:14:34,159

whatsoever you know so to have something

2014

01:14:38,950 --> 01:14:36,400

like that you know landon you know in

2015

01:14:41,110 --> 01:14:38,960

london sent in in central london or

2016

01:14:42,790 --> 01:14:41,120

something for example huge crap

2017

01:14:45,030 --> 01:14:42,800

um

2018

01:14:47,350 --> 01:14:45,040

it would be a lot of fear 100

2019

01:14:48,870 --> 01:14:47,360

yep nathan like for you let's say you

2020

01:14:50,630 --> 01:14:48,880

you know you walk out of chick-fil-a you

2021

01:14:53,110 --> 01:14:50,640

got your wife your kids there

2022

01:14:55,350 --> 01:14:53,120

you decided to get the grilled chicken

2023

01:14:58,550 --> 01:14:55,360

uh and no mayo packets

2024

01:15:00,229 --> 01:14:58,560

uh while your kids actually got the you

2025

01:15:02,550 --> 01:15:00,239

know the super meal that had the

2026

01:15:04,870 --> 01:15:02,560

coleslaw and the waffle fries and the

2027

01:15:07,030 --> 01:15:04,880

chicken breast sandwich okay and

2028

01:15:11,510 --> 01:15:07,040

and you're walking out to the car and

2029

01:15:14,870 --> 01:15:11,520

the craft is is now descending um just

2030

01:15:16,070 --> 01:15:14,880

let's say a hundred yards from or

2031

01:15:18,950 --> 01:15:16,080

let's make it shorter let's make it a

2032

01:15:20,550 --> 01:15:18,960

hundred feet from your car yeah are you

2033

01:15:23,030 --> 01:15:20,560

and you're holding the kid's hands are

2034

01:15:25,510 --> 01:15:23,040

you kind of going towards it or are you

2035

01:15:27,270 --> 01:15:25,520

like unlocking the porsche panamera and

2036

01:15:29,110 --> 01:15:27,280

jumping inside

2037

01:15:30,950 --> 01:15:29,120

yeah well i mean from from what i know

2038

01:15:32,470 --> 01:15:30,960

about uap guys don't get too close to

2039

01:15:34,630 --> 01:15:32,480

them i don't want some

2040

01:15:36,550 --> 01:15:34,640

radiation situation

2041

01:15:38,390 --> 01:15:36,560

so i think i would probably you know

2042

01:15:41,669 --> 01:15:38,400

stand back a little bit but but i'm a

2043

01:15:43,750 --> 01:15:41,679

curious person by nature so i my default

2044

01:15:45,590 --> 01:15:43,760

setting is let's learn more about it you

2045

01:15:47,430 --> 01:15:45,600

know let's continue to learn more about

2046

01:15:49,910 --> 01:15:47,440

it and so but i think the world is

2047

01:15:52,070 --> 01:15:49,920

divided in in terms of personalities

2048

01:15:53,990 --> 01:15:52,080

that like the boxes that you mentioned

2049

01:15:55,590 --> 01:15:54,000

and those that want to open every box

2050

01:15:57,990 --> 01:15:55,600

and i'm going to open every box and see

2051

01:16:00,310 --> 01:15:58,000

what all the boxes have and where i

2052

01:16:01,270 --> 01:16:00,320

where i struggle with that dichotomy is

2053

01:16:02,870 --> 01:16:01,280

that

2054

01:16:04,229 --> 01:16:02,880

kind of people who find themselves in

2055

01:16:05,350 --> 01:16:04,239

one side or the other we tend to like

2056

01:16:07,350 --> 01:16:05,360

look at the other side and be like well

2057

01:16:09,110 --> 01:16:07,360

don't be a box person the other side's

2058

01:16:10,870 --> 01:16:09,120

like don't be an open box person but the

2059

01:16:12,790 --> 01:16:10,880

truth is like we actually need both of

2060

01:16:14,709 --> 01:16:12,800

these personalities we need we need the

2061

01:16:16,070 --> 01:16:14,719

box people and we close box people and

2062

01:16:17,910 --> 01:16:16,080

open box people we're going to have to

2063

01:16:19,830 --> 01:16:17,920

figure this out together

2064

01:16:22,630 --> 01:16:19,840

there are benefits to both of those

2065

01:16:24,149 --> 01:16:22,640

perspectives particularly if

2066

01:16:25,270 --> 01:16:24,159

all of a sudden one day we find

2067

01:16:27,669 --> 01:16:25,280

ourselves

2068

01:16:30,149 --> 01:16:27,679

on the same team the human team

2069

01:16:32,390 --> 01:16:30,159

uh and and we're coming face to face

2070

01:16:34,229 --> 01:16:32,400

with a non-human something i don't i

2071

01:16:35,830 --> 01:16:34,239

don't know that that's in us versus them

2072

01:16:38,390 --> 01:16:35,840

situation but it is

2073

01:16:40,310 --> 01:16:38,400

by kind of staring at this other we are

2074

01:16:41,430 --> 01:16:40,320

going to find our reflections coming

2075

01:16:43,270 --> 01:16:41,440

back at us

2076

01:16:45,669 --> 01:16:43,280

and we we have to be ready for that

2077

01:16:46,950 --> 01:16:45,679

moment and be ready to kind of listen to

2078

01:16:49,350 --> 01:16:46,960

each other in a way that i don't think

2079

01:16:51,270 --> 01:16:49,360

we're doing at all right now so we need

2080

01:16:52,470 --> 01:16:51,280

to be better than lit listeners before

2081

01:16:55,750 --> 01:16:52,480

anything definitely a great night from

2082

01:16:57,430 --> 01:16:55,760

yeah yeah yeah um akashi uh you're

2083

01:16:59,669 --> 01:16:57,440

walking at a walmart

2084

01:17:01,910 --> 01:16:59,679

i ask you to get the gluten-free crust

2085

01:17:03,430 --> 01:17:01,920

and i really do appreciate that because

2086

01:17:06,709 --> 01:17:03,440

it's actually better without the

2087

01:17:09,590 --> 01:17:06,719

pepperoni on it so thank you for the uh

2088

01:17:12,229 --> 01:17:09,600

the freschetta uh gluten-free crust

2089

01:17:14,630 --> 01:17:12,239

and um all of a sudden

2090

01:17:17,430 --> 01:17:14,640

near your car there's some saucer-shaped

2091

01:17:19,510 --> 01:17:17,440

craft that is descending down

2092

01:17:21,990 --> 01:17:19,520

and you do what

2093

01:17:24,550 --> 01:17:22,000

um i started getting far enough of

2094

01:17:26,229 --> 01:17:24,560

weight and i'd get hit by the radiation

2095

01:17:27,910 --> 01:17:26,239

because we've done our research and we

2096

01:17:28,790 --> 01:17:27,920

know that that burns

2097

01:17:31,350 --> 01:17:28,800

uh

2098

01:17:32,709 --> 01:17:31,360

i try to get part of the way that i

2099

01:17:35,189 --> 01:17:32,719

don't get abducted because i don't

2100

01:17:36,229 --> 01:17:35,199

necessarily want to go up there

2101  
01:17:38,229 --> 01:17:36,239  
whatever

2102  
01:17:40,229 --> 01:17:38,239  
so um but

2103  
01:17:41,669 --> 01:17:40,239  
i'm more

2104  
01:17:43,590 --> 01:17:41,679  
i would be

2105  
01:17:45,910 --> 01:17:43,600  
prepared mentally

2106  
01:17:48,470 --> 01:17:45,920  
but i know so many are not

2107  
01:17:50,550 --> 01:17:48,480  
and the fear in their faces when you

2108  
01:17:52,790 --> 01:17:50,560  
even bring in the subject it is

2109  
01:17:56,790 --> 01:17:52,800  
immediate denial

2110  
01:17:59,669 --> 01:17:56,800  
and that's what concerns me most we are

2111  
01:18:02,550 --> 01:17:59,679  
more i mean

2112  
01:18:05,590 --> 01:18:02,560  
it's that fear

2113  
01:18:07,430 --> 01:18:05,600

i i this my personal opinion not

2114

01:18:08,900 --> 01:18:07,440

disclaimer not the opinion calling all

2115

01:18:13,030 --> 01:18:08,910

beings

2116

01:18:15,990 --> 01:18:13,040

[Laughter]

2117

01:18:17,830 --> 01:18:16,000

uh religion and ufos are not mutually

2118

01:18:19,270 --> 01:18:17,840

exclusive to me

2119

01:18:21,110 --> 01:18:19,280

god is

2120

01:18:24,470 --> 01:18:21,120

the creative

2121

01:18:26,870 --> 01:18:24,480

force of earth

2122

01:18:29,270 --> 01:18:26,880

but a lot of people will turn it

2123

01:18:33,189 --> 01:18:29,280

immediately into something like an

2124

01:18:35,350 --> 01:18:33,199

existential crisis um turn to their you

2125

01:18:37,430 --> 01:18:35,360

know back to what avi was saying it's

2126

01:18:39,189 --> 01:18:37,440

like it's going to be a spiritual

2127

01:18:40,709 --> 01:18:39,199

journey for many

2128

01:18:43,750 --> 01:18:40,719

and um

2129

01:18:45,590 --> 01:18:43,760

i mean they my friends laugh at me i i

2130

01:18:48,310 --> 01:18:45,600

crack up because i'm like you laugh at

2131

01:18:50,310 --> 01:18:48,320

the hippie just wait till something

2132

01:18:54,390 --> 01:18:50,320

happens

2133

01:18:56,550 --> 01:18:54,400

with the observables the type of craft

2134

01:18:58,870 --> 01:18:56,560

you know is it gray is it a mantis i

2135

01:19:00,790 --> 01:18:58,880

mean you know and i have joking because

2136

01:19:02,630 --> 01:19:00,800

i'm trying to introduce topics in a

2137

01:19:04,790 --> 01:19:02,640

spoon-feeding type of way

2138

01:19:07,750 --> 01:19:04,800

you're not ready to hear it all we're

2139

01:19:10,070 --> 01:19:07,760

down ultra-dimensional by now they're

2140

01:19:13,350 --> 01:19:10,080

still don't even know what gimbal tic

2141

01:19:16,070 --> 01:19:13,360

tac and go fast is and and and you'll be

2142

01:19:18,790 --> 01:19:16,080

surprised josh you think that it's more

2143

01:19:21,669 --> 01:19:18,800

mainstream it's not i mean it's still

2144

01:19:22,790 --> 01:19:21,679

there's a small ball here in the in

2145

01:19:25,189 --> 01:19:22,800

mainland

2146

01:19:26,470 --> 01:19:25,199

in puerto rico so i'm from puerto rico

2147

01:19:27,990 --> 01:19:26,480

and in puerto rico even though we're

2148

01:19:30,350 --> 01:19:28,000

part of the united states it's a little

2149

01:19:32,950 --> 01:19:30,360

bit of a different we grew up

2150

01:19:34,550 --> 01:19:32,960

understanding and believing that they're

2151

01:19:37,189 --> 01:19:34,560

we're not alone

2152

01:19:39,110 --> 01:19:37,199

so it just kind of to them i talked to

2153

01:19:40,870 --> 01:19:39,120

them every couple of weeks to my high

2154

01:19:42,149 --> 01:19:40,880

school friends and they're like oh yeah

2155

01:19:44,870 --> 01:19:42,159

i see stuff

2156

01:19:46,790 --> 01:19:44,880

and they don't have that issue but a lot

2157

01:19:49,189 --> 01:19:46,800

of people that i know just have that

2158

01:19:51,030 --> 01:19:49,199

fear and it just concerns me because

2159

01:19:53,110 --> 01:19:51,040

it's the rather i rather not know i'd

2160

01:19:54,630 --> 01:19:53,120

rather take the other pill give me the

2161

01:19:57,030 --> 01:19:54,640

stake i don't want to know i'm having a

2162

01:19:58,390 --> 01:19:57,040

slop and that's that's the part where i

2163

01:20:04,390 --> 01:19:58,400

think

2164

01:20:08,790 --> 01:20:06,550

i was going to be anjali sherpa until i

2165

01:20:10,790 --> 01:20:08,800

saw my career flash before my eyes but

2166

01:20:13,990 --> 01:20:10,800

that's another matter

2167

01:20:15,750 --> 01:20:14,000

so you know a guidance sherpa you know

2168

01:20:18,709 --> 01:20:15,760

i was going to carry her backpack she's

2169

01:20:19,990 --> 01:20:18,719

she's ill she's dealing with some issues

2170

01:20:22,790 --> 01:20:20,000

i was going to carry her water her

2171

01:20:26,709 --> 01:20:22,800

backpack power bars a couple of salmon

2172

01:20:29,110 --> 01:20:26,719

uh jerky uh packages but um and even the

2173

01:20:31,430 --> 01:20:29,120

her headlamp for her do we want to ask

2174

01:20:32,950 --> 01:20:31,440

claire what he would think i'm gonna i'm

2175

01:20:35,430 --> 01:20:32,960

gonna bring flair in but i didn't get to

2176

01:20:36,950 --> 01:20:35,440

give my perspective jesus oh my goodness

2177

01:20:40,790 --> 01:20:36,960

shut up josh

2178

01:20:44,070 --> 01:20:42,149

you gave her that power you gotta watch

2179

01:20:46,470 --> 01:20:44,080

me

2180

01:20:49,189 --> 01:20:46,480

no i'll be i'll be quick i'll be quick

2181

01:20:51,669 --> 01:20:49,199

what i wanted to say to all of you was

2182

01:20:53,830 --> 01:20:51,679

we can have ideas about

2183

01:20:54,870 --> 01:20:53,840

including myself about what we think we

2184

01:20:57,430 --> 01:20:54,880

would do

2185

01:20:59,830 --> 01:20:57,440

then you talked to max

2186

01:21:02,950 --> 01:20:59,840

and and i believe max and when you look

2187

01:21:04,790 --> 01:21:02,960

at max you figure out uh he has some

2188

01:21:06,950 --> 01:21:04,800

acting credits in the uk by the way when

2189

01:21:08,870 --> 01:21:06,960

you go to his imdb because he has it

2190

01:21:10,550 --> 01:21:08,880

listed on there

2191

01:21:12,310 --> 01:21:10,560

and he looks like the kind of guy that

2192

01:21:14,310 --> 01:21:12,320

if you went to a man you game and you

2193

01:21:16,149 --> 01:21:14,320

pissed him off he'd take his beer bottle

2194

01:21:19,510 --> 01:21:16,159

and bust it over your head

2195

01:21:22,149 --> 01:21:19,520

so he looks like uh you know picture he

2196

01:21:23,750 --> 01:21:22,159

looks like a uk movie tough guy guy

2197

01:21:26,470 --> 01:21:23,760

richie right

2198

01:21:29,189 --> 01:21:26,480

okay hey blurry what's up blurry

2199

01:21:31,110 --> 01:21:29,199

welcome girlfriend um

2200

01:21:33,830 --> 01:21:31,120

so the thing what i was going to say to

2201

01:21:36,070 --> 01:21:33,840

you is that um

2202

01:21:37,350 --> 01:21:36,080

he said that when he was approached the

2203

01:21:39,350 --> 01:21:37,360

second time

2204

01:21:41,430 --> 01:21:39,360

and this thing is 90 feet above his

2205

01:21:42,470 --> 01:21:41,440

house and he said you know 30 meters

2206

01:21:45,030 --> 01:21:42,480

roughly

2207

01:21:47,270 --> 01:21:45,040

he said um

2208

01:21:49,350 --> 01:21:47,280

he was with his young son and that's why

2209

01:21:51,669 --> 01:21:49,360

i asked nathan that question

2210

01:21:53,590 --> 01:21:51,679

and un he said i don't scare easily and

2211

01:21:55,189 --> 01:21:53,600

that's back to my thing about he looks

2212

01:21:57,510 --> 01:21:55,199

like the type of guy who would bust his

2213

01:21:58,310 --> 01:21:57,520

beer glasses on your head

2214

01:22:01,750 --> 01:21:58,320

he

2215

01:22:03,750 --> 01:22:01,760

said an uncontrollable fear came over me

2216

01:22:05,830 --> 01:22:03,760

even though i had already seen he had

2217

01:22:06,830 --> 01:22:05,840

already had beings come in his house

2218

01:22:09,990 --> 01:22:06,840

black

2219

01:22:10,870 --> 01:22:10,000

anthropomorphic beings floated into his

2220

01:22:13,590 --> 01:22:10,880

house

2221

01:22:15,830 --> 01:22:13,600

yes yes and then floated out right

2222

01:22:18,629 --> 01:22:15,840

and when he described this cylindrical

2223

01:22:21,030 --> 01:22:18,639

object he was stricken with a a fear

2224

01:22:22,070 --> 01:22:21,040

that he could not control so my answer

2225

01:22:23,750 --> 01:22:22,080

is

2226

01:22:25,910 --> 01:22:23,760

even if i think i know what i'm going to

2227

01:22:27,669 --> 01:22:25,920

do i have no idea because yeah we've

2228

01:22:29,669 --> 01:22:27,679

never experienced we could be terrified

2229

01:22:31,510 --> 01:22:29,679

and like run and see if i can get

2230

01:22:33,510 --> 01:22:31,520

underneath my car and that's the thing

2231

01:22:36,390 --> 01:22:33,520

until you see it i mean i've spoken to

2232

01:22:39,110 --> 01:22:36,400

people like like on instagram lives or

2233

01:22:41,110 --> 01:22:39,120

or like on youtube or whatever and um

2234

01:22:43,270 --> 01:22:41,120

like they said to me like you don't

2235

01:22:46,390 --> 01:22:43,280

understand like until you actually see

2236

01:22:48,390 --> 01:22:46,400

that craft or you know being or whatever

2237

01:22:50,229 --> 01:22:48,400

you can't it's something what you can't

2238

01:22:51,830 --> 01:22:50,239

comprehend until you actually see it so

2239

01:22:53,590 --> 01:22:51,840

you know dj you're right there i think

2240

01:22:54,870 --> 01:22:53,600

you know it's something which until we

2241

01:22:56,470 --> 01:22:54,880

actually see it ourselves we don't

2242

01:22:58,310 --> 01:22:56,480

really know how like we feel at the end

2243

01:23:00,149 --> 01:22:58,320

of the day but i just learned i mean i

2244

01:23:02,390 --> 01:23:00,159

just had this you know interaction with

2245

01:23:04,070 --> 01:23:02,400

him sunday night and like he gave me

2246

01:23:06,149 --> 01:23:04,080

he's had two or three and he's scared to

2247

01:23:08,229 --> 01:23:06,159

take his son in the woods now he's like

2248

01:23:10,149 --> 01:23:08,239

if i take my son in the woods

2249

01:23:12,870 --> 01:23:10,159

uh in our hiking trails and i don't have

2250

01:23:14,870 --> 01:23:12,880

a gaggle of people around me i feel like

2251

01:23:16,870 --> 01:23:14,880

he could be vulnerable if something

2252

01:23:20,550 --> 01:23:16,880

happens the anjali thing nathan will

2253

01:23:23,189 --> 01:23:20,560

tell you i was 100 down to go and and go

2254

01:23:25,830 --> 01:23:23,199

face to face with those beings but the

2255

01:23:27,110 --> 01:23:25,840

craft is a whole you know i have to take

2256

01:23:29,350 --> 01:23:27,120

what he said

2257

01:23:31,189 --> 01:23:29,360

he saw one and i

2258

01:23:33,669 --> 01:23:31,199

haven't i have had a sighting but not

2259

01:23:36,229 --> 01:23:33,679

like what he had not like right over his

2260

01:23:38,709 --> 01:23:36,239

home where it was like in his his space

2261

01:23:40,310 --> 01:23:38,719

anyway let's bring on stephen grier's

2262

01:23:42,790 --> 01:23:40,320

flare because after this we got a beat

2263

01:23:44,470 --> 01:23:42,800

feet because somebody driving to coral

2264

01:23:46,870 --> 01:23:44,480

springs florida tomorrow we talk about

2265

01:23:50,390 --> 01:23:46,880

like an eight and a half nine hour drive

2266

01:23:52,149 --> 01:23:50,400

and i haven't packed yet so oh boy

2267

01:23:53,990 --> 01:23:52,159

my wife's packed all the

2268

01:23:57,030 --> 01:23:54,000

dogs and cats stuff and her stuff but i

2269

01:24:00,790 --> 01:23:57,040

guess still got a pack so nice

2270

01:24:03,110 --> 01:24:00,800

griers flare man look at that man

2271

01:24:05,030 --> 01:24:03,120

what's up man what's up steven

2272

01:24:07,030 --> 01:24:05,040

what's up can you guys hear me how you

2273

01:24:09,430 --> 01:24:07,040

doing flair you sound good man

2274

01:24:11,750 --> 01:24:09,440

you can hear me yup yeah all right i

2275

01:24:14,070 --> 01:24:11,760

look nearly as good as josh go ahead

2276

01:24:18,550 --> 01:24:14,080

almost

2277

01:24:24,390 --> 01:24:20,790

what's up josh

2278

01:24:26,470 --> 01:24:24,400

josh oh yeah you okay how you doing

2279

01:24:28,470 --> 01:24:26,480

what's up rms

2280

01:24:30,550 --> 01:24:28,480

good how are you

2281

01:24:34,070 --> 01:24:30,560

i'm really good

2282

01:24:35,990 --> 01:24:34,080

so i got some questions for you guys

2283

01:24:38,470 --> 01:24:36,000

are you ready

2284

01:24:41,110 --> 01:24:38,480

yeah very ready

2285

01:24:43,590 --> 01:24:41,120

right then i love career flair

2286

01:24:46,070 --> 01:24:43,600

are you ready all right

2287

01:24:49,160 --> 01:24:47,430

josh

2288

01:24:51,430 --> 01:24:49,170

if that's what your name is

2289

01:24:53,430 --> 01:24:51,440

[Laughter]

2290

01:24:58,790 --> 01:24:53,440

i found it rather sus that your name

2291

01:25:03,669 --> 01:25:01,750

so tell me josh

2292

01:25:07,910 --> 01:25:03,679

what was the light growing up in

2293

01:25:07,920 --> 01:25:24,950

it was challenging

2294

01:25:28,870 --> 01:25:26,550

yeah yeah

2295

01:25:30,550 --> 01:25:28,880

all right that was a good answer the air

2296

01:25:32,790 --> 01:25:30,560

conditioning never worked in that manger

2297

01:25:35,990 --> 01:25:32,800

go ahead

2298

01:25:39,270 --> 01:25:36,000

did you make friends with these sheep

2299

01:25:42,470 --> 01:25:39,280

we did yes i did yeah um i mean that's

2300

01:25:44,550 --> 01:25:42,480

how i made all these clothes i'm wearing

2301

01:25:46,390 --> 01:25:44,560

interesting all the milk and stuff so

2302

01:25:49,910 --> 01:25:46,400

yeah it was all good carpenter at a

2303

01:25:54,750 --> 01:25:51,830

mother is a virgin that must have been

2304

01:25:58,470 --> 01:25:54,760

awkward at the parties

2305

01:26:01,030 --> 01:25:58,480

[Laughter]

2306

01:26:03,030 --> 01:26:01,040

anyways artemis i have a question for

2307

01:26:05,030 --> 01:26:03,040

you

2308

01:26:07,110 --> 01:26:05,040

so um

2309

01:26:10,390 --> 01:26:07,120

what what's your favorite meal for

2310

01:26:15,669 --> 01:26:13,189

great question i love this yep i love

2311

01:26:18,870 --> 01:26:17,830

how do you like your eggs in the morning

2312

01:26:22,470 --> 01:26:18,880

oh

2313

01:26:24,709 --> 01:26:22,480

so if i'm gonna have some

2314

01:26:27,350 --> 01:26:24,719

if if i want to dip my eggs then

2315

01:26:30,550 --> 01:26:27,360

definitely sunny side up with like bacon

2316

01:26:32,149 --> 01:26:30,560

and either like home fries or toast with

2317

01:26:33,350 --> 01:26:32,159

butter

2318

01:26:36,790 --> 01:26:33,360

or

2319

01:26:40,390 --> 01:26:36,800

pancakes definitely she makes the best

2320

01:26:43,270 --> 01:26:40,400

uh pancakes i've had for sure so

2321

01:26:45,270 --> 01:26:43,280

steve nice wow this is this is amazing

2322

01:26:47,270 --> 01:26:45,280

man no more full english black

2323

01:26:50,629 --> 01:26:47,280

breakfast for josh man no he's going

2324

01:26:54,070 --> 01:26:50,639

american style

2325

01:26:56,470 --> 01:26:54,080

say that

2326  
01:26:58,709 --> 01:26:56,480  
she's a keeper if she makes pancakes

2327  
01:26:59,910 --> 01:26:58,719  
yeah i would agree

2328  
01:27:01,510 --> 01:26:59,920  
all right

2329  
01:27:02,950 --> 01:27:01,520  
flair do you have anything else before

2330  
01:27:05,430 --> 01:27:02,960  
we throw you out of here

2331  
01:27:07,189 --> 01:27:05,440  
yes i do i wanted to know what um now

2332  
01:27:08,870 --> 01:27:07,199  
that we're on the subject of food what

2333  
01:27:12,310 --> 01:27:08,880  
what would josh like

2334  
01:27:15,110 --> 01:27:12,320  
like say for his last meal

2335  
01:27:16,149 --> 01:27:15,120  
like last supper type thing no his last

2336  
01:27:22,400 --> 01:27:16,159  
meal

2337  
01:27:33,750 --> 01:27:30,950  
[Laughter]

2338  
01:27:34,950 --> 01:27:33,760

was a straight face i'm proud of myself

2339

01:27:36,709 --> 01:27:34,960

hey

2340

01:27:39,750 --> 01:27:36,719

i would just say a steak i'd say steak

2341

01:27:42,310 --> 01:27:39,760

and chips bacon bacon eggs making chips

2342

01:27:46,070 --> 01:27:42,320

a classic yeah steak british british

2343

01:27:47,189 --> 01:27:46,080

yeah it means steak and fries

2344

01:27:49,030 --> 01:27:47,199

oh

2345

01:27:53,990 --> 01:27:49,040

gotcha okay i'll stop torturing your

2346

01:27:59,320 --> 01:27:57,510

i'm afraid he's trying to steal josh

2347

01:28:02,870 --> 01:27:59,330

he's already planning his

2348

01:28:04,149 --> 01:28:02,880

[Laughter]

2349

01:28:06,149 --> 01:28:04,159

either that or it's going to be sort of

2350

01:28:07,669 --> 01:28:06,159

a silence of the lambs thing and like

2351

01:28:10,149 --> 01:28:07,679

josh is going to be at the bottom of

2352

01:28:12,070 --> 01:28:10,159

some sort of a pit careers flair uh

2353

01:28:14,149 --> 01:28:12,080

first of all i love you uh i have heart

2354

01:28:15,750 --> 01:28:14,159

bubble emojis for you josh and nathan

2355

01:28:19,030 --> 01:28:15,760

now um

2356

01:28:21,430 --> 01:28:19,040

and i would like um you to uh come on

2357

01:28:23,910 --> 01:28:21,440

next time and uh and come up with

2358

01:28:24,709 --> 01:28:23,920

incredibly uncomfortable questions again

2359

01:28:26,149 --> 01:28:24,719

okay

2360

01:28:28,470 --> 01:28:26,159

what i do best

2361

01:28:30,629 --> 01:28:28,480

thank you uh we'll see i'll talk to you

2362

01:28:32,310 --> 01:28:30,639

okay brother thank you so much i really

2363

01:28:34,470 --> 01:28:32,320

appreciate you man thank you man thanks

2364

01:28:35,990 --> 01:28:34,480

for joining us thank you so much

2365

01:28:39,110 --> 01:28:36,000

yep

2366

01:28:40,550 --> 01:28:39,120

oh wow if it's not enough that we have

2367

01:28:41,590 --> 01:28:40,560

the son of

2368

01:28:44,470 --> 01:28:41,600

god

2369

01:28:47,510 --> 01:28:44,480

in our presence

2370

01:28:49,990 --> 01:28:47,520

but we have a greek goddess uh we have

2371

01:28:51,910 --> 01:28:50,000

the empress of puerto rico the i guess

2372

01:28:52,790 --> 01:28:51,920

uh the puerto rico's answer to helen of

2373

01:28:55,830 --> 01:28:52,800

troy

2374

01:28:57,510 --> 01:28:55,840

and uh and sir arthur conan doyle at her

2375

01:28:59,189 --> 01:28:57,520

right hand right there

2376

01:29:01,030 --> 01:28:59,199

nathan um

2377

01:29:03,110 --> 01:29:01,040

i i'm really sorry that i'm gonna have

2378

01:29:05,830 --> 01:29:03,120

to end a little bit earlier than i want

2379

01:29:08,790 --> 01:29:05,840

to but my wife said you know pack

2380

01:29:12,390 --> 01:29:08,800

nothing need to do you close

2381

01:29:15,350 --> 01:29:12,400

so uh in her her uh

2382

01:29:16,310 --> 01:29:15,360

language that we've called katyanis so

2383

01:29:18,950 --> 01:29:16,320

anyway

2384

01:29:20,470 --> 01:29:18,960

um yeah so uh first of all

2385

01:29:21,990 --> 01:29:20,480

i just want to tell you guys where the

2386

01:29:24,550 --> 01:29:22,000

hair thing comes from because you guys

2387

01:29:29,510 --> 01:29:24,560

must be wondering how that came up

2388

01:29:34,310 --> 01:29:31,669

beautiful yeah the talk of hair has been

2389

01:29:37,910 --> 01:29:34,320

going on for in my life for many years

2390

01:29:39,990 --> 01:29:37,920

but basically in my job in the air force

2391

01:29:41,830 --> 01:29:40,000

other flight engineer guys you you

2392

01:29:43,270 --> 01:29:41,840

basically have two of everything on the

2393

01:29:45,350 --> 01:29:43,280

airplane except the flight engineer

2394

01:29:47,590 --> 01:29:45,360

you're alone so there's two pilots

2395

01:29:49,510 --> 01:29:47,600

there's two navigator types and two guys

2396

01:29:51,750 --> 01:29:49,520

in the back that are load masters so

2397

01:29:54,070 --> 01:29:51,760

when you show up to debrief you're all

2398

01:29:56,470 --> 01:29:54,080

alone so you have to have a certain kind

2399

01:29:58,470 --> 01:29:56,480

of a thick skin so if you screwed up

2400

01:29:59,990 --> 01:29:58,480

uh they're going to tell you and you're

2401  
01:30:02,149 --> 01:30:00,000  
not going to have any backup there to

2402  
01:30:05,430 --> 01:30:02,159  
back you up so

2403  
01:30:07,990 --> 01:30:05,440  
uh it's a very a personality type thick

2404  
01:30:10,550 --> 01:30:08,000  
skin type group so i figure what can i

2405  
01:30:12,070 --> 01:30:10,560  
do that can make everybody drop that

2406  
01:30:14,229 --> 01:30:12,080  
guard a little bit

2407  
01:30:17,669 --> 01:30:14,239  
smile a little bit and not have this

2408  
01:30:20,310 --> 01:30:17,679  
steely steel face like all the time so i

2409  
01:30:22,229 --> 01:30:20,320  
started mentioning which one of us had

2410  
01:30:24,709 --> 01:30:22,239  
nice hair of course my hair's been

2411  
01:30:26,709 --> 01:30:24,719  
falling out since my 30s

2412  
01:30:29,270 --> 01:30:26,719  
chris you saw me in the 30s in that one

2413  
01:30:31,110 --> 01:30:29,280

photo i sent you from france

2414

01:30:33,030 --> 01:30:31,120

so anyway but

2415

01:30:35,350 --> 01:30:33,040

so that's how it started and it just

2416

01:30:37,430 --> 01:30:35,360

gained popularity and people would i

2417

01:30:39,430 --> 01:30:37,440

wasn't the only one that would mention

2418

01:30:41,910 --> 01:30:39,440

when someone had great hair and i

2419

01:30:43,669 --> 01:30:41,920

figured out this is like a fun thing

2420

01:30:45,590 --> 01:30:43,679

that everybody can

2421

01:30:48,790 --> 01:30:45,600

admire when somebody has great hair so

2422

01:30:53,350 --> 01:30:48,800

i've just carried it from probably

2423

01:30:55,669 --> 01:30:53,360

2002 in 2000 until now no even 2000

2424

01:30:57,189 --> 01:30:55,679

until now so yeah that's how long i've

2425

01:30:59,350 --> 01:30:57,199

been talking about hair with various

2426

01:31:15,270 --> 01:30:59,360

groups of friends so

2427

01:31:19,590 --> 01:31:17,830

notifications it's all about hair right

2428

01:31:20,870 --> 01:31:19,600

it was incredible breaking news ufo

2429

01:31:23,270 --> 01:31:20,880

twitter oh it's just

2430

01:31:24,709 --> 01:31:23,280

it's just but everybody i don't know i

2431

01:31:27,430 --> 01:31:24,719

don't know what it is but there's

2432

01:31:31,750 --> 01:31:27,440

something about it so i i want to really

2433

01:31:35,910 --> 01:31:33,990

it's incredible man i i really want to

2434

01:31:38,070 --> 01:31:35,920

thank chris and for that just

2435

01:31:40,870 --> 01:31:38,080

specifically i'd like to thank grant i'd

2436

01:31:43,669 --> 01:31:40,880

like to thank flair and even alien gray

2437

01:31:46,310 --> 01:31:43,679

got in the mix like at the end and so

2438

01:31:49,270 --> 01:31:46,320

thank you alien gray all of you guys uh

2439

01:31:51,910 --> 01:31:49,280

bringing us so much joy uh and making us

2440

01:31:53,270 --> 01:31:51,920

laugh and and it takes time to do that

2441

01:31:55,910 --> 01:31:53,280

it's not something that just happens in

2442

01:31:57,669 --> 01:31:55,920

10 seconds so um i just from the bottom

2443

01:31:59,910 --> 01:31:57,679

of my heart thank you very much for

2444

01:32:02,310 --> 01:31:59,920

taking our joke and carrying it and

2445

01:32:04,629 --> 01:32:02,320

coming up when i saw artemis looking

2446

01:32:06,390 --> 01:32:04,639

like beyonce and then all of a sudden

2447

01:32:09,669 --> 01:32:06,400

josh looked like all these different

2448

01:32:12,470 --> 01:32:09,679

models blonde instead of dark you know

2449

01:32:14,229 --> 01:32:12,480

new looks here's my mind it was amazing

2450

01:32:16,950 --> 01:32:14,239

all right so what i'd like to do now if

2451  
01:32:18,709 --> 01:32:16,960  
you would is pleased to uh promo all of

2452  
01:32:21,110 --> 01:32:18,719  
your stuff and we're very

2453  
01:32:23,910 --> 01:32:21,120  
you know can you if you could just look

2454  
01:32:25,910 --> 01:32:23,920  
to your right josh and artemis look to

2455  
01:32:28,070 --> 01:32:25,920  
your left and then you can even blow a

2456  
01:32:31,910 --> 01:32:28,080  
kiss and you'll get it

2457  
01:32:35,270 --> 01:32:33,750  
love is in the air

2458  
01:32:37,430 --> 01:32:35,280  
so um

2459  
01:32:40,629 --> 01:32:37,440  
yeah please uh talk about uh all your

2460  
01:32:43,189 --> 01:32:40,639  
social media so that uh more i mean more

2461  
01:32:44,709 --> 01:32:43,199  
people are already following you

2462  
01:32:46,550 --> 01:32:44,719  
but if we can get a couple more people

2463  
01:32:48,229 --> 01:32:46,560

that would be awesome so go ahead please

2464

01:32:52,310 --> 01:32:48,239

yeah

2465

01:32:54,310 --> 01:32:52,320

our link links we've basically got one

2466

01:32:56,550 --> 01:32:54,320

uh link link tree now so it's the prime

2467

01:32:59,110 --> 01:32:56,560

time one uh so if you go in there it's

2468

01:33:01,830 --> 01:32:59,120

got um it's got our combined links it's

2469

01:33:04,390 --> 01:33:01,840

got artemis's links and my links all all

2470

01:33:05,510 --> 01:33:04,400

in one page now so it's easy to find

2471

01:33:06,790 --> 01:33:05,520

um

2472

01:33:09,669 --> 01:33:06,800

yeah in terms of what we've got coming

2473

01:33:12,070 --> 01:33:09,679

up tomorrow we've got philip uh mantle

2474

01:33:13,910 --> 01:33:12,080

so he's like a ufo researcher from the

2475

01:33:14,870 --> 01:33:13,920

uk

2476

01:33:17,590 --> 01:33:14,880

phillip

2477

01:33:19,750 --> 01:33:17,600

yeah so he's like an og when it comes to

2478

01:33:22,070 --> 01:33:19,760

this topic so he's um he's done a lot of

2479

01:33:23,590 --> 01:33:22,080

research he's actually read a few he's

2480

01:33:25,189 --> 01:33:23,600

uh wrote a few books he's been a

2481

01:33:26,390 --> 01:33:25,199

broadcaster as well so that's going to

2482

01:33:29,750 --> 01:33:26,400

be interesting

2483

01:33:31,590 --> 01:33:29,760

um that's at 5 pm uk time i think that's

2484

01:33:34,830 --> 01:33:31,600

what time is that eastern

2485

01:33:38,229 --> 01:33:34,840

noon eastern eastern yeah

2486

01:33:40,550 --> 01:33:38,239

um then on friday we've got a round

2487

01:33:41,430 --> 01:33:40,560

table with benji who's in the chat i can

2488

01:33:42,790 --> 01:33:41,440

see

2489

01:33:43,910 --> 01:33:42,800

yeah

2490

01:33:45,830 --> 01:33:43,920

benji

2491

01:34:03,350 --> 01:33:45,840

yeah we've got priscilla who's uh the

2492

01:34:06,390 --> 01:34:04,709

so we

2493

01:34:07,910 --> 01:34:06,400

nice we've got

2494

01:34:10,070 --> 01:34:07,920

who we've interviewed before but then

2495

01:34:11,830 --> 01:34:10,080

we've got another researcher uh from

2496

01:34:13,830 --> 01:34:11,840

china who's i'm a female as well so

2497

01:34:15,270 --> 01:34:13,840

we're going to put that out um this week

2498

01:34:17,110 --> 01:34:15,280

so very exciting we're going to be

2499

01:34:19,110 --> 01:34:17,120

interested to get that perspective uh

2500

01:34:19,990 --> 01:34:19,120

from china again so yeah 100 that's

2501  
01:34:23,350 --> 01:34:20,000  
awesome

2502  
01:34:24,629 --> 01:34:23,360  
100 homes man nathan uh anything final

2503  
01:34:26,470 --> 01:34:24,639  
for the group

2504  
01:34:28,229 --> 01:34:26,480  
i'm just so grateful to have you guys on

2505  
01:34:29,910 --> 01:34:28,239  
uh really thank you guys thank you

2506  
01:34:31,990 --> 01:34:29,920  
really glad for everything that y'all do

2507  
01:34:33,510 --> 01:34:32,000  
the positivity and the engagement with

2508  
01:34:35,830 --> 01:34:33,520  
the community so just keep up the good

2509  
01:34:37,590 --> 01:34:35,840  
work and let's spread the word for sure

2510  
01:34:39,189 --> 01:34:37,600  
it's it's it's in terms of ourselves

2511  
01:34:41,990 --> 01:34:39,199  
we're only a new channel really so we're

2512  
01:34:44,470 --> 01:34:42,000  
just uh new to all of this stuff so yeah

2513  
01:34:46,470 --> 01:34:44,480

it's great and to meet you guys and just

2514

01:34:48,310 --> 01:34:46,480

to have this positive community and have

2515

01:34:50,470 --> 01:34:48,320

a laugh about you know it gets too

2516

01:34:52,790 --> 01:34:50,480

serious at times so it's good to have a

2517

01:34:55,590 --> 01:34:52,800

laugh about it too

2518

01:34:57,750 --> 01:34:55,600

associate producer akashi chris

2519

01:35:01,510 --> 01:34:57,760

everybody

2520

01:35:04,950 --> 01:35:01,520

come on artemis josh

2521

01:35:09,510 --> 01:35:04,960

thank you what you got akashi

2522

01:35:14,390 --> 01:35:12,470

i am so excited that i got to talk to um

2523

01:35:17,030 --> 01:35:14,400

josh and artemis i mean are we only

2524

01:35:19,830 --> 01:35:17,040

talking about and this is so awesome so

2525

01:35:21,430 --> 01:35:19,840

yeah like put like a face to like the

2526

01:35:23,189 --> 01:35:21,440

picture on twitter it's nice so yeah

2527

01:35:24,950 --> 01:35:23,199

it's been a pleasure i know

2528

01:35:27,030 --> 01:35:24,960

we're building something really cool

2529

01:35:29,270 --> 01:35:27,040

here so i'm just excited to be part of

2530

01:35:31,430 --> 01:35:29,280

it thank you dj nathan for allowing me

2531

01:35:33,990 --> 01:35:31,440

to sit here and do this thank you for

2532

01:35:35,669 --> 01:35:34,000

being awesome and adding to this space

2533

01:35:37,590 --> 01:35:35,679

homegirl i got to tell you something

2534

01:35:39,030 --> 01:35:37,600

else so uh nathan and i've been talking

2535

01:35:41,669 --> 01:35:39,040

about this we talked about it with

2536

01:35:43,350 --> 01:35:41,679

mataloni last time i have a feeling that

2537

01:35:45,430 --> 01:35:43,360

maybe even josh and artemis would come

2538

01:35:47,109 --> 01:35:45,440

to something like this but this coming

2539

01:35:48,629 --> 01:35:47,119

summer because we want to give time

2540

01:35:51,189 --> 01:35:48,639

we're looking to put together a

2541

01:35:53,430 --> 01:35:51,199

southeast usa and take that in air

2542

01:35:55,510 --> 01:35:53,440

quotes because southeast usa is pretty

2543

01:35:57,430 --> 01:35:55,520

big i mean it goes from nathan all the

2544

01:35:58,629 --> 01:35:57,440

way to exo academia's house which is

2545

01:36:01,750 --> 01:35:58,639

like a mile

2546

01:36:03,510 --> 01:36:01,760

but anyway um no all kidding aside we

2547

01:36:06,709 --> 01:36:03,520

want to put together something a hashtag

2548

01:36:08,830 --> 01:36:06,719

ufo twitter meetup where we can eat we

2549

01:36:13,030 --> 01:36:08,840

can drink and we can look at the

2550

01:36:15,189 --> 01:36:14,070

um

2551

01:36:17,990 --> 01:36:15,199

yeah i know

2552

01:36:19,669 --> 01:36:18,000

so yeah so that's what we want to do and

2553

01:36:21,350 --> 01:36:19,679

uh we're going to kind of we're kind of

2554

01:36:24,709 --> 01:36:21,360

german let that seed germinate a little

2555

01:36:27,510 --> 01:36:24,719

bit uh this sunday i think we're having

2556

01:36:28,470 --> 01:36:27,520

james iandoli engaging the phenomenon

2557

01:36:30,470 --> 01:36:28,480

i think

2558

01:36:32,310 --> 01:36:30,480

so uh if we can get him off the squat

2559

01:36:33,990 --> 01:36:32,320

rack because right now he's got like 400

2560

01:36:36,149 --> 01:36:34,000

racked up there exactly uh we'll try to

2561

01:36:37,910 --> 01:36:36,159

get him off the rack uh but yeah so

2562

01:36:40,629 --> 01:36:37,920

that's what's going down it was an honor

2563

01:36:42,709 --> 01:36:40,639

to have you guys and and meet uh two two

2564

01:36:44,629 --> 01:36:42,719

more friends and i the only thing

2565

01:36:46,149 --> 01:36:44,639

scientifically i didn't get to was

2566

01:36:47,910 --> 01:36:46,159

leaving the conditioner in your hair

2567

01:36:50,870 --> 01:36:47,920

josh but we're gonna have to save that

2568

01:36:53,750 --> 01:36:50,880

for next time we get together because

2569

01:36:55,910 --> 01:36:53,760

i'm very concerned about your hair and

2570

01:36:57,990 --> 01:36:55,920

i'm sorry it's yeah i mean in terms of

2571

01:37:00,550 --> 01:36:58,000

you guys as well leave them like we'd

2572

01:37:02,470 --> 01:37:00,560

like to have you guys on our show what

2573

01:37:04,950 --> 01:37:02,480

wait hold on

2574

01:37:06,790 --> 01:37:04,960

too sir you'd like to have us on your

2575

01:37:08,310 --> 01:37:06,800

show of course

2576

01:37:10,950 --> 01:37:08,320

they're making a horrible mistake but

2577

01:37:12,690 --> 01:37:10,960

yeah we'll do it this is a big big

2578

01:37:15,350 --> 01:37:12,700

career screw-up

2579

01:37:17,430 --> 01:37:15,360

[Laughter]

2580

01:37:28,470 --> 01:37:17,440

you have moskowitz you don't want us

2581

01:37:34,040 --> 01:37:30,149

hopefully i'll be more rested and have

2582

01:37:35,990 --> 01:37:34,050

more alcohol and a wild out even more

2583

01:37:38,070 --> 01:37:36,000

[Music]

2584

01:37:39,830 --> 01:37:38,080

yeah well it's it's like half past three

2585

01:37:41,430 --> 01:37:39,840

in the morning here so yeah so i'll be

2586

01:37:42,870 --> 01:37:41,440

in a different time zone next time as

2587

01:37:44,709 --> 01:37:42,880

well i'll be a lot more fresh so here

2588

01:37:47,109 --> 01:37:44,719

you go be close man yeah good so much

2589

01:37:48,950 --> 01:37:47,119

for joining us

2590

01:37:50,550 --> 01:37:48,960

for josh

2591

01:37:52,310 --> 01:37:50,560

for artemis

2592

01:37:57,030 --> 01:37:52,320

for bunny nate

2593

01:38:02,950 --> 01:37:59,030

this is djs

2594

01:38:04,629 --> 01:38:02,960

this is dj saying peace out

2595

01:38:07,240 --> 01:38:04,639

one love
