Calling All Beings

1
00:00:31,830 --> 00:00:07,590
calling all beings y'all

2
00:00:35,750 --> 00:00:32,790
yeah

3
00:00:38,150 --> 00:00:35,760
welcome back to calling all beings i'm

4
00:00:39,990 --> 00:00:38,160
your host dj and this is my brother

5
00:00:42,830 --> 00:00:40,000
nathan what's going on man what's going

6
00:00:45,190 --> 00:00:42,840
on dj have a good time

7
00:00:47,910 --> 00:00:45,200
big you know what i'm talking about oh

8
00:00:51,350 --> 00:00:47,920
yeah we talking about big yeah okay

9
00:00:54,389 --> 00:00:51,360
two meatball sandwiches utah okay yeah

10
00:01:01,029 --> 00:00:54,399
all right so tonight uh backstage we

11
00:01:05,910 --> 00:01:03,830
and we have a very very special

12
00:01:07,429 --> 00:01:05,920
guest uh tonight somebody that i

13
00:01:09,270 --> 00:01:07,439

couldn't imagine that would be on i'm

14

00:01:10,550 --> 00:01:09,280

sure nathan's imagination wasn't that

15

00:01:12,710 --> 00:01:10,560

broad either

16

00:01:15,190 --> 00:01:12,720

uh but you know what we're gonna do it

17

00:01:16,390 --> 00:01:15,200

so everybody like like start to generate

18

00:01:18,950 --> 00:01:16,400

up man because this is what we're

19

00:01:22,310 --> 00:01:18,960

talking about yes the author of american

20

00:01:23,590 --> 00:01:22,320

cosmic right the professor of religious

21

00:01:26,550 --> 00:01:23,600

studies

22

00:01:31,109 --> 00:01:26,560

the brilliant one party people put your

23

00:01:34,469 --> 00:01:31,119

hands together for none other than diana

24

00:01:34,479 --> 00:01:38,230

yes

25

00:01:42,469 --> 00:01:40,630

put them hands together come get some of

26

00:01:45,030 --> 00:01:42,479

this what you about to give you

27

00:01:49,670 --> 00:01:47,190

i doubt you've had an intro like that uh

28

00:01:52,550 --> 00:01:49,680

thus far no i'm like totally blushing

29

00:01:54,950 --> 00:01:52,560

the doctor

30

00:01:56,550 --> 00:01:54,960

incredible yes yes the show

31

00:01:57,910 --> 00:01:56,560

we're going to bring out to skin walker

32

00:01:59,510 --> 00:01:57,920

man she's going to roll up she's going

33

00:02:00,789 --> 00:01:59,520

to be like

34

00:02:02,789 --> 00:02:00,799

i'm going to tell it let me tell you

35

00:02:04,950 --> 00:02:02,799

something there

36

00:02:06,789 --> 00:02:04,960

i mean i'm not going to go there either

37

00:02:08,949 --> 00:02:06,799

i'll be running in my underwear out the

38

00:02:10,469 --> 00:02:08,959

front gate right past the dragon

39

00:02:11,589 --> 00:02:10,479

i'm going to tell you something doctor

40

00:02:15,350 --> 00:02:11,599

your book

41

00:02:17,270 --> 00:02:15,360

most

42

00:02:19,110 --> 00:02:17,280

significant work i've read since

43

00:02:22,309 --> 00:02:19,120

clifford the red dog

44

00:02:24,869 --> 00:02:22,319

awesome yeah i mean it's shared it's

45

00:02:27,190 --> 00:02:24,879

sharing a very very esteemed part of my

46

00:02:28,949 --> 00:02:27,200

bookshelf so i that's the company you

47

00:02:32,630 --> 00:02:28,959

keep and i want you to know that

48

00:02:35,670 --> 00:02:34,150

but what i want to ask you i actually

49

00:02:37,750 --> 00:02:35,680

have a question before i turn this over

50

00:02:39,670 --> 00:02:37,760

to nathan and i go silent i'm going to

51
00:02:41,190 --> 00:02:39,680
go dark you're just going to look like

52
00:02:42,150 --> 00:02:41,200
one of the shadow people that comes out

53
00:02:44,630 --> 00:02:42,160
the wall

54
00:02:47,430 --> 00:02:44,640
uh while this interview she's like what

55
00:02:49,430 --> 00:02:47,440
what talking about um so

56
00:02:51,110 --> 00:02:49,440
what i want to ask you is uh in the

57
00:02:52,390 --> 00:02:51,120
writing in this book

58
00:02:53,990 --> 00:02:52,400
um

59
00:02:56,070 --> 00:02:54,000
one of the things that you you talked

60
00:02:58,710 --> 00:02:56,080
about i don't know if it was in the uh

61
00:03:00,949 --> 00:02:58,720
the epilogue part of it or during the

62
00:03:03,990 --> 00:03:00,959
book is that it was very transformative

63
00:03:06,309 --> 00:03:04,000

for tyler obviously which is

64

00:03:09,110 --> 00:03:06,319

fascinating so i'm curious in your

65

00:03:11,350 --> 00:03:09,120

research that led up to this this

66

00:03:13,670 --> 00:03:11,360

beautiful work that you wrote

67

00:03:15,430 --> 00:03:13,680

was it uh informative would you say if

68

00:03:17,270 --> 00:03:15,440

you were to characterize it as hey this

69

00:03:20,470 --> 00:03:17,280

is very informative or was it

70

00:03:22,869 --> 00:03:20,480

transformative for you personally

71

00:03:26,149 --> 00:03:22,879

oh i would say it was both absolutely

72

00:03:28,710 --> 00:03:26,159

100 percent both if i so yeah i should

73

00:03:30,390 --> 00:03:28,720

have gave an a or a b and then that way

74

00:03:33,910 --> 00:03:30,400

i'm just kidding go ahead

75

00:03:37,509 --> 00:03:33,920

no no completely um if well informative

76

00:03:40,070 --> 00:03:37,519

absolutely because i learned a lot um

77

00:03:42,710 --> 00:03:40,080

transformative i guess because

78

00:03:48,470 --> 00:03:42,720

i was surprised by what i learned so

79

00:03:54,309 --> 00:03:51,670

as you know from um the first two months

80

00:03:56,869 --> 00:03:54,319

of serious research into the topic

81

00:03:59,990 --> 00:03:56,879

um it's almost as if the topic grabbed

82

00:04:02,869 --> 00:04:00,000

me and pulled me along and i was just

83

00:04:05,110 --> 00:04:02,879

like um i mean i i think i was

84

00:04:07,910 --> 00:04:05,120

in a sense i mean it's such a cliché to

85

00:04:09,350 --> 00:04:07,920

say but i was in the matrix

86

00:04:10,149 --> 00:04:09,360

and this was my

87

00:04:14,550 --> 00:04:10,159

you know

88

00:04:16,710 --> 00:04:14,560

this was like out of it yeah yeah so um

89

00:04:19,110 --> 00:04:16,720

yeah so that's pretty much

90

00:04:21,270 --> 00:04:19,120

how it happened yeah and it's still the

91

00:04:24,629 --> 00:04:21,280

same by the way i'm still being informed

92

00:04:26,550 --> 00:04:24,639

and transformed simultaneously

93

00:04:28,629 --> 00:04:26,560

i hope that we're gonna we're gonna talk

94

00:04:30,950 --> 00:04:28,639

about that tonight because the the the

95

00:04:32,870 --> 00:04:30,960

specter of the matrix and all this is is

96

00:04:36,870 --> 00:04:32,880

fascinating to me and

97

00:04:40,230 --> 00:04:38,310

all right i'm gonna i'm gonna turn it

98

00:04:42,310 --> 00:04:40,240

over to the man that you really want to

99

00:04:44,469 --> 00:04:42,320

talk to the man who also when he talks

100

00:04:46,629 --> 00:04:44,479

sometimes i get heart bubble emojis just

101

00:04:48,230 --> 00:04:46,639

like i got with you so so go for it

102

00:04:49,430 --> 00:04:48,240

nathan you're too kind yeah so it's

103

00:04:50,550 --> 00:04:49,440

great to have you with us on the show

104

00:04:53,350 --> 00:04:50,560

really looking forward to talking with

105

00:04:55,189 --> 00:04:53,360

you um i know what you're working on

106

00:04:56,629 --> 00:04:55,199

what's coming up on sort of on your

107

00:04:59,270 --> 00:04:56,639

plate is something that's dealing with

108

00:05:01,110 --> 00:04:59,280

synchronicity and creativity and i just

109

00:05:03,590 --> 00:05:01,120

wanted to say that the first question

110

00:05:05,350 --> 00:05:03,600

that i had is actually very similar to

111

00:05:07,510 --> 00:05:05,360

the one that dj just asked and we did

112

00:05:09,430 --> 00:05:07,520

not compare notes so that was kind of

113

00:05:11,270 --> 00:05:09,440

interesting but i wanted to start off

114

00:05:13,830 --> 00:05:11,280

with um

115

00:05:16,629 --> 00:05:13,840

looking at the religious studies angle

116

00:05:20,150 --> 00:05:16,639

of ufology and of the phenomenon and

117

00:05:21,189 --> 00:05:20,160

wanted to ask you were you surprised

118

00:05:22,950 --> 00:05:21,199

at the

119

00:05:24,629 --> 00:05:22,960

the degree to which

120

00:05:27,029 --> 00:05:24,639

you've kind of become elevated as a

121

00:05:28,950 --> 00:05:27,039

figure that is kind of closer to the the

122

00:05:30,629 --> 00:05:28,960

quote unquote truth you know that if we

123

00:05:34,230 --> 00:05:30,639

if we were to map

124

00:05:36,230 --> 00:05:34,240

uh the structure of let's say a church

125

00:05:37,110 --> 00:05:36,240

structure or whatnot a belief structure

126
00:05:40,230 --> 00:05:37,120
onto the

127
00:05:41,909 --> 00:05:40,240
you have those that are closest to the

128
00:05:43,430 --> 00:05:41,919
truth those are kind of the disciples

129
00:05:45,749 --> 00:05:43,440
those are kind of the

130
00:05:47,670 --> 00:05:45,759
uh or the firsthand experiencers and

131
00:05:48,710 --> 00:05:47,680
they are the ones that people look to

132
00:05:52,070 --> 00:05:48,720
for

133
00:05:54,310 --> 00:05:52,080
surprised that you were kind of elevated

134
00:05:56,710 --> 00:05:54,320
into that position uh after writing this

135
00:05:59,909 --> 00:05:58,309
um

136
00:06:01,909 --> 00:05:59,919
but that's really that's an interesting

137
00:06:03,510 --> 00:06:01,919
question i don't think i'd put the

138
00:06:05,110 --> 00:06:03,520

question that way if you don't mind me

139

00:06:08,070 --> 00:06:05,120

kind of rearranging it yeah please go

140

00:06:11,029 --> 00:06:08,080

for it okay yeah so um

141

00:06:13,590 --> 00:06:11,039

so i get people who email me right a lot

142

00:06:15,029 --> 00:06:13,600

now about the research and how do we do

143

00:06:16,230 --> 00:06:15,039

this research you know a lot of students

144

00:06:17,670 --> 00:06:16,240

a lot of people who are in graduate

145

00:06:20,390 --> 00:06:17,680

school a lot of

146

00:06:22,870 --> 00:06:20,400

you know uh scientists you know students

147

00:06:24,309 --> 00:06:22,880

who are scientists and scientists and um

148

00:06:26,070 --> 00:06:24,319

some of them are like how do i do this

149

00:06:28,070 --> 00:06:26,080

research well

150

00:06:30,150 --> 00:06:28,080

i felt like i had been

151
00:06:31,430 --> 00:06:30,160
it's not necessarily that i was elevated

152
00:06:35,430 --> 00:06:31,440
i think that

153
00:06:37,990 --> 00:06:35,440
i wasn't actually particularly looking

154
00:06:42,790 --> 00:06:40,710
that's how it works so um

155
00:06:45,830 --> 00:06:42,800
so

156
00:06:47,110 --> 00:06:45,840
you know there was um

157
00:06:52,309 --> 00:06:47,120
basically

158
00:06:53,270 --> 00:06:52,319
you can't go out and find it it has to

159
00:06:55,510 --> 00:06:53,280
actually

160
00:06:58,070 --> 00:06:55,520
come to you or you have to see that it's

161
00:07:00,550 --> 00:06:58,080
already here i think that's the correct

162
00:07:03,110 --> 00:07:00,560
way to do it because i certainly didn't

163
00:07:05,029 --> 00:07:03,120

search it out i didn't search out any of

164

00:07:07,670 --> 00:07:05,039

the people i read jacques villa's book

165

00:07:09,350 --> 00:07:07,680

right passport to agunya and i saw that

166

00:07:12,629 --> 00:07:09,360

it was like religious studies you know

167

00:07:14,309 --> 00:07:12,639

he was doing similar types of historical

168

00:07:17,670 --> 00:07:14,319

he was looking at historical patterns

169

00:07:19,589 --> 00:07:17,680

and making these you know uh conclusions

170

00:07:21,589 --> 00:07:19,599

and it looked like my book on purgatory

171

00:07:24,309 --> 00:07:21,599

frankly and so i reached out to him so

172

00:07:26,870 --> 00:07:24,319

in a sense yeah that's kind of similar

173

00:07:29,670 --> 00:07:26,880

you know maybe i'm you know but i found

174

00:07:32,469 --> 00:07:29,680

that um you know like tyler

175

00:07:34,150 --> 00:07:32,479

searched me out i didn't search him out

176

00:07:37,029 --> 00:07:34,160

and it took me a while to actually meet

177

00:07:39,110 --> 00:07:37,039

him and then i didn't search out james

178

00:07:42,550 --> 00:07:39,120

you know so i just kind of like i think

179

00:07:46,469 --> 00:07:42,560

i had a very uh sincere

180

00:07:47,909 --> 00:07:46,479

desire to know and i think that on some

181

00:07:49,990 --> 00:07:47,919

some i mean i'm just going to get super

182

00:07:51,189 --> 00:07:50,000

deep with you here yeah go for it one

183

00:07:52,309 --> 00:07:51,199

level you know

184

00:07:54,790 --> 00:07:52,319

um

185

00:07:55,670 --> 00:07:54,800

because why not right i mean

186

00:07:57,270 --> 00:07:55,680

we're here

187

00:07:59,510 --> 00:07:57,280

yeah so

188

00:08:01,990 --> 00:07:59,520

you know that's how it works so here

189

00:08:03,589 --> 00:08:02,000

here's an anecdote to explain it if i

190

00:08:04,710 --> 00:08:03,599

can because it sounds really convoluted

191

00:08:05,830 --> 00:08:04,720

at the moment

192

00:08:07,990 --> 00:08:05,840

um

193

00:08:09,830 --> 00:08:08,000

and it's kind of a personal anecdote i

194

00:08:12,070 --> 00:08:09,840

don't think i've ever told anybody this

195

00:08:14,629 --> 00:08:12,080

but um where i've told people but never

196

00:08:17,749 --> 00:08:14,639

publicly so um

197

00:08:19,029 --> 00:08:17,759

one of my uh brothers when he was young

198

00:08:20,469 --> 00:08:19,039

like 11

199

00:08:23,029 --> 00:08:20,479

um had

200

00:08:24,469 --> 00:08:23,039

experience so we're a family my father

201

00:08:28,309 --> 00:08:24,479

was an attorney

202

00:08:30,869 --> 00:08:28,319

and you know um kind of like

203

00:08:33,269 --> 00:08:30,879

your normal family american family

204

00:08:35,269 --> 00:08:33,279

and we didn't believe or talk about ufos

205

00:08:36,389 --> 00:08:35,279

internet nothing like that i'd never

206

00:08:38,709 --> 00:08:36,399

even seen

207

00:08:41,990 --> 00:08:38,719

um any of spielberg's films like

208

00:08:43,829 --> 00:08:42,000

none of it and so um my brother was on a

209

00:08:45,350 --> 00:08:43,839

hill riding his bicycle

210

00:08:48,470 --> 00:08:45,360

and i did

211

00:08:49,350 --> 00:08:48,480

apparently there was a a big orb that he

212

00:08:51,190 --> 00:08:49,360

said

213

00:08:53,829 --> 00:08:51,200

turned around and looked at him and then

214

00:08:56,389 --> 00:08:53,839

chased him down as he tried to get away

215

00:08:58,310 --> 00:08:56,399

and um he came down the hill and threw

216

00:09:00,150 --> 00:08:58,320

the bike in the driveway screaming

217

00:09:02,389 --> 00:09:00,160

running into the house and my mother and

218

00:09:03,590 --> 00:09:02,399

my father again completely

219

00:09:06,070 --> 00:09:03,600

straight-laced type people who would

220

00:09:06,790 --> 00:09:06,080

never think of ufos walk outside and see

221

00:09:08,790 --> 00:09:06,800

it

222

00:09:10,710 --> 00:09:08,800

and um

223

00:09:12,230 --> 00:09:10,720

my father thinking you know here i'm an

224

00:09:13,750 --> 00:09:12,240

attorney i'm going to call the police i

225

00:09:15,269 --> 00:09:13,760

thought they were going going to listen

226

00:09:17,110 --> 00:09:15,279

to him

227

00:09:18,870 --> 00:09:17,120

right yeah but they laughed at him yeah

228

00:09:20,630 --> 00:09:18,880

they laughed yeah yeah and he was like

229

00:09:23,350 --> 00:09:20,640

oh how could you know we saw this we sat

230

00:09:25,829 --> 00:09:23,360

and so i remember my family's having

231

00:09:28,150 --> 00:09:25,839

this um experience

232

00:09:30,070 --> 00:09:28,160

but none of us really

233

00:09:31,350 --> 00:09:30,080

followed up we didn't even think about

234

00:09:33,190 --> 00:09:31,360

it after that like i thought it was

235

00:09:35,509 --> 00:09:33,200

weird of course but we never like went

236

00:09:37,829 --> 00:09:35,519

remember that time this happened to sure

237

00:09:39,509 --> 00:09:37,839

blah blah blah now we never did that

238

00:09:41,990 --> 00:09:39,519

when i started to do this research i

239

00:09:43,990 --> 00:09:42,000

began to think what the heck was that

240

00:09:46,150 --> 00:09:44,000

yeah and so i went and i

241

00:09:47,590 --> 00:09:46,160

researched you know something that was

242

00:09:49,670 --> 00:09:47,600

at the same time period that this

243

00:09:51,509 --> 00:09:49,680

happened and i could i looked and looked

244

00:09:53,350 --> 00:09:51,519

and looked i knew there had to be there

245

00:09:55,350 --> 00:09:53,360

had to be other people who saw it

246

00:09:57,430 --> 00:09:55,360

because i wanted to cooperate that this

247

00:09:59,750 --> 00:09:57,440

actually happened and it wasn't like

248

00:10:01,670 --> 00:09:59,760

my family's group hallucination

249

00:10:03,110 --> 00:10:01,680

and because my mother after i started to

250

00:10:05,190 --> 00:10:03,120

do this research

251
00:10:07,990 --> 00:10:05,200
talk to me about it too she said i have

252
00:10:09,590 --> 00:10:08,000
to describe to you what this was like

253
00:10:10,470 --> 00:10:09,600
and so um

254
00:10:12,389 --> 00:10:10,480
and so

255
00:10:14,389 --> 00:10:12,399
what happened was that i s you know and

256
00:10:16,550 --> 00:10:14,399
i started this research in 2012 so now

257
00:10:19,829 --> 00:10:16,560
we're in 2019

258
00:10:22,389 --> 00:10:19,839
2000 you know and i've not found this

259
00:10:24,389 --> 00:10:22,399
now i'm not a bad researcher so i should

260
00:10:25,910 --> 00:10:24,399
have been able to find it right it's

261
00:10:28,470 --> 00:10:25,920
gotta be out there

262
00:10:30,470 --> 00:10:28,480
and so it's um halloween now you've got

263
00:10:32,310 --> 00:10:30,480

gotta understand i spent

264

00:10:34,710 --> 00:10:32,320

like hours looking for this like days

265

00:10:35,750 --> 00:10:34,720

and days like extended through time

266

00:10:37,750 --> 00:10:35,760

through years

267

00:10:38,949 --> 00:10:37,760

couldn't find it

268

00:10:41,269 --> 00:10:38,959

halloween

269

00:10:43,030 --> 00:10:41,279

is an important day for me it's an

270

00:10:44,790 --> 00:10:43,040

important day for catholics because it's

271

00:10:47,430 --> 00:10:44,800

all hallows eve right

272

00:10:50,069 --> 00:10:47,440

martin luther you know uh put the 95

273

00:10:53,269 --> 00:10:50,079

theses on the door in wittenberg and

274

00:10:56,069 --> 00:10:53,279

ignited the protestant reformation on

275

00:10:58,470 --> 00:10:56,079

halloween super important day huge so

276

00:11:00,550 --> 00:10:58,480

i'm sitting there and

277

00:11:01,829 --> 00:11:00,560

my brother sends me

278

00:11:03,350 --> 00:11:01,839

um

279

00:11:05,030 --> 00:11:03,360

the article

280

00:11:07,269 --> 00:11:05,040

it was in this journal this mountain

281

00:11:08,870 --> 00:11:07,279

journal and he thought he didn't know i

282

00:11:10,870 --> 00:11:08,880

was looking for this nothing so he sent

283

00:11:12,949 --> 00:11:10,880

it on halloween i felt punk'd

284

00:11:14,949 --> 00:11:12,959

right wow because every you know i've

285

00:11:17,110 --> 00:11:14,959

been looking for it but when i wasn't

286

00:11:19,910 --> 00:11:17,120

looking for it it came to me on the most

287

00:11:23,509 --> 00:11:19,920

significant day of the year for me and i

288

00:11:25,750 --> 00:11:23,519

thought ah that was a good joke right

289

00:11:27,670 --> 00:11:25,760

so when you're not looking for it

290

00:11:29,910 --> 00:11:27,680

you know or if you're sincerely wanting

291

00:11:31,910 --> 00:11:29,920

to know i think that

292

00:11:34,069 --> 00:11:31,920

it's not like you're going to find it

293

00:11:36,389 --> 00:11:34,079

and um there's a great great quote by

294

00:11:39,110 --> 00:11:36,399

the way by kerry mullis and he the

295

00:11:41,590 --> 00:11:39,120

scientist who's the nobel chemist

296

00:11:43,829 --> 00:11:41,600

covered the polymerase chain reaction

297

00:11:46,710 --> 00:11:43,839

and he had that he called it he called

298

00:11:49,670 --> 00:11:46,720

it a ufo event but um he described it

299

00:11:52,310 --> 00:11:49,680

being like a electric raccoon okay so um

300

00:11:54,790 --> 00:11:52,320

i became friends with him um

301
00:11:57,829 --> 00:11:54,800
and he has if you go to his website it's

302
00:12:01,269 --> 00:11:57,839
kerrymoles.com he's got such a great

303
00:12:03,590 --> 00:12:01,279
description of creativity and it's it's

304
00:12:05,990 --> 00:12:03,600
the best i've quoted it so many times

305
00:12:08,710 --> 00:12:06,000
it's in my book i believe but um

306
00:12:10,470 --> 00:12:08,720
i'll be quoting it again and if any of

307
00:12:12,230 --> 00:12:10,480
you are interested in how i would

308
00:12:13,670 --> 00:12:12,240
conduct the research how i would go

309
00:12:15,829 --> 00:12:13,680
about researching anything that i'm

310
00:12:17,670 --> 00:12:15,839
really super interested in due to that

311
00:12:20,310 --> 00:12:17,680
quote and and look at it and read it

312
00:12:22,150 --> 00:12:20,320
because it's it's informative and

313
00:12:24,230 --> 00:12:22,160

transformative

314

00:12:25,190 --> 00:12:24,240

nice she brought it right back around

315

00:12:26,710 --> 00:12:25,200

there we go

316

00:12:28,629 --> 00:12:26,720

if you're not busy you can guess those

317

00:12:30,470 --> 00:12:28,639

next week

318

00:12:32,790 --> 00:12:30,480

no with skid walker ranch we'll bring

319

00:12:36,829 --> 00:12:32,800

hunt that's true we'll bring on diana

320

00:12:39,190 --> 00:12:36,839

for uh we're having that yeah tj okay so

321

00:12:40,470 --> 00:12:39,200

um and i'm gonna try not to call you

322

00:12:42,710 --> 00:12:40,480

doctor

323

00:12:44,710 --> 00:12:42,720

yeah yeah call me diana okay right now

324

00:12:45,990 --> 00:12:44,720

i'm in shin mudra all right

325

00:12:47,190 --> 00:12:46,000

so

326

00:12:51,350 --> 00:12:47,200

um

327

00:12:53,030 --> 00:12:51,360

you i didn't think while reading the

328

00:12:56,069 --> 00:12:53,040

book that you're kind of like the real

329

00:12:59,910 --> 00:12:58,870

is that am i am i right

330

00:13:05,190 --> 00:12:59,920

um

331

00:13:07,269 --> 00:13:05,200

when i wrote the book i honestly thought

332

00:13:08,550 --> 00:13:07,279

maybe 10 people

333

00:13:10,949 --> 00:13:08,560

would read it

334

00:13:13,190 --> 00:13:10,959

and i have a friend named dave metcalf

335

00:13:15,190 --> 00:13:13,200

um he's one of the most brilliant people

336

00:13:17,269 --> 00:13:15,200

i know and

337

00:13:19,269 --> 00:13:17,279

he and i were kind of talking about i

338

00:13:21,030 --> 00:13:19,279

was sending the chapters

339

00:13:23,590 --> 00:13:21,040

and you know i thought it was pretty

340

00:13:25,910 --> 00:13:23,600

darn theoretical i was like ah

341

00:13:28,310 --> 00:13:25,920

it's gonna go out there but 10 people

342

00:13:29,590 --> 00:13:28,320

will get this book 10 people 10 people

343

00:13:31,509 --> 00:13:29,600

sorry

344

00:13:33,750 --> 00:13:31,519

in the first 10 minutes probably they

345

00:13:35,190 --> 00:13:33,760

got that book

346

00:13:38,230 --> 00:13:35,200

and you know

347

00:13:40,870 --> 00:13:38,240

it was uh it didn't go like that so

348

00:13:43,509 --> 00:13:40,880

uh yeah i don't i don't try to be i'm

349

00:13:45,910 --> 00:13:43,519

just no i of course you're not but it's

350

00:13:47,590 --> 00:13:45,920

just it's you know i it's like i want to

351

00:13:49,990 --> 00:13:47,600

go and trace the rose line with you

352

00:13:51,829 --> 00:13:50,000

right now okay anyway

353

00:13:53,670 --> 00:13:51,839

i mean i mean when i was doing it myself

354

00:13:56,629 --> 00:13:53,680

i was like this is ridiculous you know

355

00:13:58,790 --> 00:13:56,639

the kind of thing that i'm doing is so

356

00:13:59,430 --> 00:13:58,800

so ridiculous nobody's going to believe

357

00:14:10,310 --> 00:13:59,440

it

358

00:14:13,430 --> 00:14:10,320

right so um

359

00:14:15,990 --> 00:14:13,440

yeah so i mean i'd go with my friend

360

00:14:17,590 --> 00:14:16,000

jeff cripel and i would go into a um

361

00:14:20,870 --> 00:14:17,600

university and give a talk and this is

362

00:14:21,670 --> 00:14:20,880

before the new york times articles hit

363

00:14:23,430 --> 00:14:21,680

okay

364

00:14:25,110 --> 00:14:23,440

we'd go we give a talk

365

00:14:27,189 --> 00:14:25,120

and jeff would do his thing and

366

00:14:29,350 --> 00:14:27,199

everybody would just be awesome so

367

00:14:31,990 --> 00:14:29,360

beautiful you know love it and then i do

368

00:14:33,350 --> 00:14:32,000

my thing and i talk about ufos and tyler

369

00:14:35,189 --> 00:14:33,360

and james and

370

00:14:37,670 --> 00:14:35,199

literally people would look at me like i

371

00:14:39,750 --> 00:14:37,680

was complete idiot they were like don't

372

00:14:42,949 --> 00:14:39,760

you know that these people actually are

373

00:14:44,470 --> 00:14:42,959

fooling you and i'm like no no promise

374

00:14:46,870 --> 00:14:44,480

jeff knows them you know

375

00:14:50,069 --> 00:14:46,880

and you know so i would like

376

00:14:53,670 --> 00:14:50,079

i would be so um disrespected you could

377

00:14:56,389 --> 00:14:53,680

call it like everywhere until the until

378

00:14:58,230 --> 00:14:56,399

leslie and ralph uh published those in

379

00:15:00,629 --> 00:14:58,240

new york times after that they were

380

00:15:02,230 --> 00:15:00,639

calling me right right exactly she's

381

00:15:04,389 --> 00:15:02,240

like yeah how you like that now you read

382

00:15:07,030 --> 00:15:04,399

it in the new york times don't laugh at

383

00:15:08,550 --> 00:15:07,040

me that's right yeah well yeah and that

384

00:15:11,350 --> 00:15:08,560

and that gets to my point i guess my

385

00:15:12,710 --> 00:15:11,360

question and i i brought that up because

386

00:15:14,550 --> 00:15:12,720

when people knew that we were going to

387

00:15:16,389 --> 00:15:14,560

have you on and so many people reach out

388

00:15:17,189 --> 00:15:16,399

to me that were like can you ask her

389

00:15:19,670 --> 00:15:17,199

about

390

00:15:22,230 --> 00:15:19,680

insert secret whatever it is you know so

391

00:15:24,069 --> 00:15:22,240

you become identified as a person

392

00:15:27,110 --> 00:15:24,079

who is you know more intimately

393

00:15:29,590 --> 00:15:27,120

connected or closer to the the point of

394

00:15:31,509 --> 00:15:29,600

revelation if we can put it that way uh

395

00:15:33,030 --> 00:15:31,519

then then others may be than the average

396

00:15:34,949 --> 00:15:33,040

in a sort of ufologist or person or

397

00:15:37,110 --> 00:15:34,959

whatever whatever that might be so

398

00:15:39,350 --> 00:15:37,120

people are looking to you and people

399

00:15:41,509 --> 00:15:39,360

like uh lou elizondo and chris mellon

400

00:15:43,269 --> 00:15:41,519

and these other insiders quote-unquote

401
00:15:45,670 --> 00:15:43,279
insiders you know for

402
00:15:48,069 --> 00:15:45,680
uh this sort of uh higher knowledge you

403
00:15:50,389 --> 00:15:48,079
know so higher truth and i just wonder

404
00:15:52,550 --> 00:15:50,399
how you kind of process that or

405
00:15:54,710 --> 00:15:52,560
um what's a better way to think about it

406
00:15:56,310 --> 00:15:54,720
uh you know from someone who's on who's

407
00:15:58,069 --> 00:15:56,320
on the inside or has been at least a

408
00:15:59,910 --> 00:15:58,079
little bit on the inside from others

409
00:16:02,310 --> 00:15:59,920
perspective

410
00:16:04,470 --> 00:16:02,320
yeah okay i can give a better framework

411
00:16:05,269 --> 00:16:04,480
if you are interested in that and it's

412
00:16:07,670 --> 00:16:05,279
this

413
00:16:09,430 --> 00:16:07,680

i don't believe in an insider situation

414

00:16:12,150 --> 00:16:09,440

okay um obviously

415

00:16:13,350 --> 00:16:12,160

when it was secret right when

416

00:16:16,389 --> 00:16:13,360

tyler

417

00:16:18,470 --> 00:16:16,399

um was part of these programs that were

418

00:16:20,949 --> 00:16:18,480

secret okay and that i kind of stumbled

419

00:16:23,749 --> 00:16:20,959

upon i didn't know they existed

420

00:16:25,910 --> 00:16:23,759

um had no clue

421

00:16:28,389 --> 00:16:25,920

um and then

422

00:16:29,990 --> 00:16:28,399

you know now we know they exist

423

00:16:36,629 --> 00:16:30,000

um so

424

00:16:41,189 --> 00:16:39,829

i don't know that i mean luke listen

425

00:16:47,110 --> 00:16:41,199

there are

426
00:16:48,710 --> 00:16:47,120
being on the inside right because even

427
00:16:51,350 --> 00:16:48,720
tyler i mean that's why i described it

428
00:16:53,670 --> 00:16:51,360
as a fight club because there were so

429
00:16:55,509 --> 00:16:53,680
many different types of i knew so many

430
00:16:57,590 --> 00:16:55,519
different types of insiders who didn't

431
00:17:00,150 --> 00:16:57,600
know each other and could never talk to

432
00:17:04,150 --> 00:17:00,160
each other right um i had to lose

433
00:17:06,789 --> 00:17:04,160
friendships because people that i knew

434
00:17:09,029 --> 00:17:06,799
couldn't be associated with other people

435
00:17:11,110 --> 00:17:09,039
because of their because of what they

436
00:17:12,789 --> 00:17:11,120
did and they said that they would put it

437
00:17:14,630 --> 00:17:12,799
you know just frankly

438
00:17:16,230 --> 00:17:14,640

if you associate with that person i can

439

00:17:17,829 --> 00:17:16,240

never talk to you again

440

00:17:19,270 --> 00:17:17,839

very seriously

441

00:17:21,990 --> 00:17:19,280

nothing personal

442

00:17:23,829 --> 00:17:22,000

just so um is that the stove piping is

443

00:17:27,029 --> 00:17:23,839

that what we hear like it has to be

444

00:17:29,110 --> 00:17:27,039

rigidly maintained yeah yeah and um one

445

00:17:30,870 --> 00:17:29,120

of the people told me this because

446

00:17:32,950 --> 00:17:30,880

i did i was learning you know i'm not an

447

00:17:35,190 --> 00:17:32,960

academic that's why i put in my book i

448

00:17:37,350 --> 00:17:35,200

hope people get that part in my book

449

00:17:39,430 --> 00:17:37,360

where i spend some time talking about

450

00:17:41,830 --> 00:17:39,440

the different ethics of different

451
00:17:43,350 --> 00:17:41,840
communities and i talk about the fight

452
00:17:45,909 --> 00:17:43,360
club ethics of the people with

453
00:17:48,870 --> 00:17:45,919
clearances and then the ethics of people

454
00:17:50,150 --> 00:17:48,880
like me who are non-cleared people

455
00:17:53,590 --> 00:17:50,160
who are just

456
00:17:56,870 --> 00:17:53,600
professors stumbling upon this right and

457
00:17:57,909 --> 00:17:56,880
um i think that you know we share our

458
00:17:58,789 --> 00:17:57,919
sources

459
00:18:01,029 --> 00:17:58,799
but

460
00:18:02,870 --> 00:18:01,039
they could not and still cannot in my

461
00:18:04,789 --> 00:18:02,880
interpretation so i know that there's a

462
00:18:05,750 --> 00:18:04,799
lot of um

463
00:18:07,430 --> 00:18:05,760

like

464

00:18:09,270 --> 00:18:07,440

for want of a better work you know

465

00:18:11,590 --> 00:18:09,280

disclosure going on or whatnot you know

466

00:18:13,750 --> 00:18:11,600

this kind of at least at least now my

467

00:18:16,630 --> 00:18:13,760

work is not

468

00:18:18,390 --> 00:18:16,640

suspect because before it was right and

469

00:18:19,590 --> 00:18:18,400

now it's not thankfully

470

00:18:20,950 --> 00:18:19,600

um

471

00:18:24,310 --> 00:18:20,960

and

472

00:18:26,789 --> 00:18:24,320

i would be i would suggest that

473

00:18:29,110 --> 00:18:26,799

the fight club still is in process there

474

00:18:31,029 --> 00:18:29,120

is still a fight club um i would also

475

00:18:32,310 --> 00:18:31,039

suggest that

476

00:18:34,950 --> 00:18:32,320

um

477

00:18:38,150 --> 00:18:34,960

talking about it like i did in my book

478

00:18:39,270 --> 00:18:38,160

doesn't give you keys

479

00:18:41,270 --> 00:18:39,280

just because you know it's there doesn't

480

00:18:43,590 --> 00:18:41,280

give you an invitation yeah no no in

481

00:18:46,070 --> 00:18:43,600

fact it um

482

00:18:47,350 --> 00:18:46,080

it does the opposite hmm

483

00:18:49,590 --> 00:18:47,360

interesting

484

00:18:51,669 --> 00:18:49,600

and that's fine that's good because like

485

00:18:54,710 --> 00:18:51,679

i said there are so many listen

486

00:18:57,110 --> 00:18:54,720

a person should not have to have endured

487

00:18:58,230 --> 00:18:57,120

a lot of the kind of strange things that

488

00:19:00,789 --> 00:18:58,240

happened

489

00:19:03,029 --> 00:19:00,799

um just because they are doing research

490

00:19:04,310 --> 00:19:03,039

you know and then they come out and they

491

00:19:05,830 --> 00:19:04,320

wrote this book that honestly they

492

00:19:07,750 --> 00:19:05,840

didn't think people you know i mean

493

00:19:09,350 --> 00:19:07,760

academics their books generally aren't

494

00:19:12,390 --> 00:19:09,360

read a lot by

495

00:19:15,430 --> 00:19:12,400

the general population and so when that

496

00:19:17,430 --> 00:19:15,440

did happen to me and my book did arrive

497

00:19:19,190 --> 00:19:17,440

right at the moment when boom it all

498

00:19:20,470 --> 00:19:19,200

kind of um

499

00:19:21,430 --> 00:19:20,480

spilled out

500

00:19:24,630 --> 00:19:21,440

um

501

00:19:26,630 --> 00:19:24,640

you know it's like i needed to

502

00:19:29,350 --> 00:19:26,640

get away from the fight club you know

503

00:19:31,590 --> 00:19:29,360

because uh that's an intense place to be

504

00:19:33,990 --> 00:19:31,600

oh yeah i imagine it is

505

00:19:35,510 --> 00:19:34,000

well let me go go ahead please i was

506

00:19:38,390 --> 00:19:35,520

gonna say um

507

00:19:41,029 --> 00:19:38,400

if you were to put a rank order on

508

00:19:44,230 --> 00:19:41,039

things that you research

509

00:19:46,470 --> 00:19:44,240

where would ufology land on that

510

00:19:48,150 --> 00:19:46,480

if you were to give it a one to ten rank

511

00:19:50,070 --> 00:19:48,160

where would because obviously you're

512

00:19:52,150 --> 00:19:50,080

researching several different things in

513

00:19:54,070 --> 00:19:52,160

the course of your work i'm sure where

514

00:19:56,630 --> 00:19:54,080

would you rank ufology in terms of

515

00:19:59,190 --> 00:19:56,640

importance to you

516

00:20:02,230 --> 00:19:59,200

oh that's a great question um

517

00:20:04,710 --> 00:20:02,240

so i'm doing a book i'm doing you know

518

00:20:07,430 --> 00:20:04,720

research and sometimes two books can

519

00:20:09,669 --> 00:20:07,440

come out of your research right and so

520

00:20:11,830 --> 00:20:09,679

what i'm looking at right now and what i

521

00:20:13,110 --> 00:20:11,840

kind of started looking at with american

522

00:20:16,549 --> 00:20:13,120

cosmic

523

00:20:17,270 --> 00:20:16,559

were um basically scientists who

524

00:20:20,789 --> 00:20:17,280

are

525

00:20:23,110 --> 00:20:20,799

hooked into some radical for want of a

526
00:20:24,070 --> 00:20:23,120
better word woo

527
00:20:25,990 --> 00:20:24,080
okay

528
00:20:27,510 --> 00:20:26,000
like radical woo

529
00:20:29,669 --> 00:20:27,520
yep

530
00:20:32,390 --> 00:20:29,679
read carrie mullis's book and you'll see

531
00:20:34,950 --> 00:20:32,400
okay and so people who are getting

532
00:20:37,029 --> 00:20:34,960
knowledge that that is coming from

533
00:20:38,950 --> 00:20:37,039
sources you know knowledge that's not

534
00:20:40,710 --> 00:20:38,960
coming from sources that

535
00:20:42,710 --> 00:20:40,720
people think scientists

536
00:20:44,870 --> 00:20:42,720
would pay attention to conventional and

537
00:20:45,909 --> 00:20:44,880
um and i noticed that it wasn't just

538
00:20:48,950 --> 00:20:45,919

these

539

00:20:52,230 --> 00:20:48,960

people i was talking to currently is

540

00:20:53,669 --> 00:20:52,240

also the history of the space program

541

00:20:56,070 --> 00:20:53,679

and it was also

542

00:20:58,070 --> 00:20:56,080

the history of science

543

00:21:00,310 --> 00:20:58,080

so much so that

544

00:21:02,230 --> 00:21:00,320

in the talks that i gave at universities

545

00:21:04,149 --> 00:21:02,240

afterwards we'd go out to dinner and

546

00:21:06,470 --> 00:21:04,159

inevitably there would be the history of

547

00:21:08,470 --> 00:21:06,480

science people okay and this is a whole

548

00:21:11,110 --> 00:21:08,480

field it's called the history of science

549

00:21:13,110 --> 00:21:11,120

right and i would say to them who's

550

00:21:15,990 --> 00:21:13,120

going to write the book called the

551
00:21:18,630 --> 00:21:16,000
history of unorthodox science we need

552
00:21:20,630 --> 00:21:18,640
that book like you write it right and

553
00:21:22,390 --> 00:21:20,640
everyone was saying absolutely that is

554
00:21:23,510 --> 00:21:22,400
the book we need right now nobody's

555
00:21:27,270 --> 00:21:23,520
written it yet

556
00:21:29,270 --> 00:21:27,280
and i was um i was talking to um and

557
00:21:31,830 --> 00:21:29,280
do you know evan weiss he does uh true

558
00:21:33,510 --> 00:21:31,840
stories and science podcasts so i was

559
00:21:35,430 --> 00:21:33,520
talking to him about it and he said you

560
00:21:37,669 --> 00:21:35,440
better write this book because i'm going

561
00:21:39,669 --> 00:21:37,679
to write it if you don't and i was like

562
00:21:42,230 --> 00:21:39,679
you can't do that

563
00:21:44,070 --> 00:21:42,240

you're like i'm starting tonight

564

00:21:45,990 --> 00:21:44,080

it reminds me of the the drunk history

565

00:21:47,590 --> 00:21:46,000

episodes on history channel like uh

566

00:21:49,510 --> 00:21:47,600

where they go through the unorthodox

567

00:21:51,669 --> 00:21:49,520

histories you know yeah it is it's very

568

00:21:53,990 --> 00:21:51,679

much like that so it's um so i'm going

569

00:21:56,310 --> 00:21:54,000

to be talking about these scientists

570

00:21:58,310 --> 00:21:56,320

like tyler and james who are doing

571

00:22:01,029 --> 00:21:58,320

remarkable things and some of them you

572

00:22:03,510 --> 00:22:01,039

know like johann kepler right and these

573

00:22:05,430 --> 00:22:03,520

guys from way back and um and even women

574

00:22:07,590 --> 00:22:05,440

today there will be women you know who

575

00:22:08,950 --> 00:22:07,600

are gonna who i'm gonna feature and

576

00:22:11,350 --> 00:22:08,960

they're amazing they're doing they're

577

00:22:13,029 --> 00:22:11,360

scientists but they are you know at the

578

00:22:15,190 --> 00:22:13,039

heart of what they're doing is something

579

00:22:16,549 --> 00:22:15,200

incredible what what we would study in

580

00:22:18,630 --> 00:22:16,559

religious studies that's what they're

581

00:22:21,270 --> 00:22:18,640

doing they're doing like what i would

582

00:22:24,070 --> 00:22:21,280

say is a mysticism they're doing some

583

00:22:27,110 --> 00:22:24,080

type of mysticism so i would say that

584

00:22:29,190 --> 00:22:27,120

ufology fits right below that

585

00:22:31,909 --> 00:22:29,200

because um to come back to your question

586

00:22:33,110 --> 00:22:31,919

i know that was a long answer um but you

587

00:22:35,669 --> 00:22:33,120

know i mean

588

00:22:38,870 --> 00:22:35,679

that's what i found when i went to look

589

00:22:41,430 --> 00:22:38,880

at ufos right i i found scientists from

590

00:22:43,270 --> 00:22:41,440

back in the day and even like in my in

591

00:22:46,149 --> 00:22:43,280

history that i do is catholic history

592

00:22:47,510 --> 00:22:46,159

doctors of the church right um teresa of

593

00:22:48,950 --> 00:22:47,520

avila you go you know these are

594

00:22:50,870 --> 00:22:48,960

brilliant people you go back and you

595

00:22:53,510 --> 00:22:50,880

look at what they've written and what

596

00:22:55,190 --> 00:22:53,520

they've done and there is some very

597

00:22:57,430 --> 00:22:55,200

weird stuff going on there even with

598

00:23:00,789 --> 00:22:57,440

little beans and things like that so you

599

00:23:02,950 --> 00:23:00,799

know even with electric raccoons

600

00:23:05,830 --> 00:23:02,960

of all things that was on super mario at

601
00:23:08,390 --> 00:23:05,840
some point um so yeah so this makes me

602
00:23:10,230 --> 00:23:08,400
think of uh

603
00:23:12,230 --> 00:23:10,240
the phenomenon seems to produce like

604
00:23:14,390 --> 00:23:12,240
mysterious moments that are out of like

605
00:23:16,870 --> 00:23:14,400
reach of conception and it's almost like

606
00:23:19,190 --> 00:23:16,880
the very existence of those moments is

607
00:23:21,350 --> 00:23:19,200
the catalyst to to

608
00:23:23,750 --> 00:23:21,360
production of some kind it's a yes it's

609
00:23:26,149 --> 00:23:23,760
the the flame that lights the the wick

610
00:23:27,909 --> 00:23:26,159
or whatever it is so

611
00:23:30,390 --> 00:23:27,919
and john keel talk talks about that too

612
00:23:31,750 --> 00:23:30,400
in his uh control system you know sort

613
00:23:33,350 --> 00:23:31,760

of hypothesis

614

00:23:35,270 --> 00:23:33,360

so is that what we're talking about you

615

00:23:37,029 --> 00:23:35,280

think that that what it's doing is

616

00:23:39,110 --> 00:23:37,039

actually creating these moments of

617

00:23:41,110 --> 00:23:39,120

inspiration of

618

00:23:43,669 --> 00:23:41,120

it's like luring us into technological

619

00:23:46,230 --> 00:23:43,679

development some kind in some way

620

00:23:48,310 --> 00:23:46,240

yeah that's a really good question um so

621

00:23:49,110 --> 00:23:48,320

first

622

00:23:51,750 --> 00:23:49,120

it's

623

00:23:53,110 --> 00:23:51,760

deep right so i don't know okay but i

624

00:23:55,350 --> 00:23:53,120

can speculate

625

00:23:57,430 --> 00:23:55,360

and like a lot now i have a lot more

626

00:24:00,789 --> 00:23:57,440

friends who are in academia you know who

627

00:24:03,190 --> 00:24:00,799

are academics and who we spend a lot of

628

00:24:04,630 --> 00:24:03,200

time talking about this right and just

629

00:24:05,830 --> 00:24:04,640

thinking about it

630

00:24:07,990 --> 00:24:05,840

you know waking up the middle of the

631

00:24:09,750 --> 00:24:08,000

night writing stuff down sending it over

632

00:24:11,430 --> 00:24:09,760

text or email the next day

633

00:24:12,470 --> 00:24:11,440

you know freaking each other out that

634

00:24:13,669 --> 00:24:12,480

kind of thing

635

00:24:15,430 --> 00:24:13,679

and um

636

00:24:17,669 --> 00:24:15,440

one person in particular

637

00:24:19,190 --> 00:24:17,679

i'm not going to say his name because he

638

00:24:20,549 --> 00:24:19,200

is uh

639

00:24:21,909 --> 00:24:20,559

he's at a taught he's at a top

640

00:24:23,590 --> 00:24:21,919

university but

641

00:24:26,789 --> 00:24:23,600

there's still a stigma attached to this

642

00:24:28,710 --> 00:24:26,799

research okay um but this person focuses

643

00:24:30,710 --> 00:24:28,720

on synchronicity

644

00:24:31,510 --> 00:24:30,720

and um

645

00:24:33,510 --> 00:24:31,520

okay

646

00:24:39,750 --> 00:24:33,520

so

647

00:24:40,870 --> 00:24:39,760

what i'm beginning to think about is

648

00:24:43,269 --> 00:24:40,880

that

649

00:24:44,230 --> 00:24:43,279

it looks to be

650

00:24:49,269 --> 00:24:44,240

like

651

00:24:51,269 --> 00:24:49,279

synchronicity is an event right yeah

652

00:24:52,789 --> 00:24:51,279

okay so if it's an event it has to do

653

00:24:53,669 --> 00:24:52,799

with time

654

00:24:56,070 --> 00:24:53,679

okay

655

00:24:59,110 --> 00:24:56,080

and then i think it and so this person

656

00:25:01,590 --> 00:24:59,120

informed me uh his idea is this because

657

00:25:04,310 --> 00:25:01,600

i can't ascribe it to me i didn't come

658

00:25:05,830 --> 00:25:04,320

up with this um his idea is this and he

659

00:25:07,990 --> 00:25:05,840

actually has to cite someone else too

660

00:25:10,070 --> 00:25:08,000

and i can't remember who that is um i

661

00:25:10,950 --> 00:25:10,080

might get his permission and give you a

662

00:25:11,750 --> 00:25:10,960

link

663

00:25:14,310 --> 00:25:11,760

and

664

00:25:16,710 --> 00:25:14,320

read his uh we're signing in chicago's

665

00:25:18,710 --> 00:25:16,720

17th edition on the show just so you

666

00:25:20,789 --> 00:25:18,720

know okay

667

00:25:22,310 --> 00:25:20,799

manual style yes

668

00:25:28,310 --> 00:25:22,320

um

669

00:25:29,990 --> 00:25:28,320

we tend to think of time as linear

670

00:25:31,669 --> 00:25:30,000

because that's how we experience it sure

671

00:25:33,990 --> 00:25:31,679

but what if we're experiencing another

672

00:25:34,870 --> 00:25:34,000

form of time it's synchronously

673

00:25:37,750 --> 00:25:34,880

right

674

00:25:39,990 --> 00:25:37,760

so these so time is coming to us in

675

00:25:43,029 --> 00:25:40,000

different ways and synchronicity is the

676

00:25:45,110 --> 00:25:43,039

experience of that and so um i tend to

677

00:25:47,430 --> 00:25:45,120

and you asked about the control system

678

00:25:50,070 --> 00:25:47,440

um i tend to

679

00:25:51,029 --> 00:25:50,080

think of it almost like you know okay so

680

00:25:52,630 --> 00:25:51,039

um

681

00:25:54,070 --> 00:25:52,640

jacques valet i think he's got this up

682

00:25:56,549 --> 00:25:54,080

on youtube i've seen him talk about him

683

00:25:59,350 --> 00:25:56,559

for so many times this idea that uh

684

00:26:01,350 --> 00:25:59,360

synchronicity is just like it would like

685

00:26:03,029 --> 00:26:01,360

you know consciousness is like a google

686

00:26:05,029 --> 00:26:03,039

search right so we're kind of you know

687

00:26:07,510 --> 00:26:05,039

there's this technological metaphor

688

00:26:09,510 --> 00:26:07,520

there you know you put stuff out there

689

00:26:11,750 --> 00:26:09,520

and it comes back to you i tend to think

690

00:26:12,549 --> 00:26:11,760

of it more like this so

691

00:26:16,710 --> 00:26:12,559

we

692

00:26:19,110 --> 00:26:16,720

search that's the language of an

693

00:26:21,909 --> 00:26:19,120

algorithm so in a sense it's almost like

694

00:26:25,269 --> 00:26:21,919

a sentient type of algorithm like an

695

00:26:27,110 --> 00:26:25,279

algorithm that is so incredibly

696

00:26:28,950 --> 00:26:27,120

internal to us knows us better than

697

00:26:31,110 --> 00:26:28,960

ourselves well heck that sounds like god

698

00:26:33,029 --> 00:26:31,120

right right that kind of language right

699

00:26:35,590 --> 00:26:33,039

that's that's like

700

00:26:38,710 --> 00:26:35,600

weird and it's like an algorithm that

701
00:26:41,269 --> 00:26:38,720
you know gives us what we need to see

702
00:26:43,669 --> 00:26:41,279
here if we're open to it right and it's

703
00:26:45,029 --> 00:26:43,679
a candy experience for sure right well

704
00:26:47,190 --> 00:26:45,039
you touched on this recently and i

705
00:26:49,350 --> 00:26:47,200
forget which show it was but um the

706
00:26:50,950 --> 00:26:49,360
talking about pierre tejar de chardin

707
00:26:52,470 --> 00:26:50,960
and i i

708
00:26:54,149 --> 00:26:52,480
remembered about that back from my

709
00:26:55,830 --> 00:26:54,159
seminary days and i was like oh let's

710
00:26:57,909 --> 00:26:55,840
look at that one more time but the idea

711
00:26:59,430 --> 00:26:57,919
of the new the newest fear and um i was

712
00:27:01,510 --> 00:26:59,440
wondering if you could speak to

713
00:27:03,190 --> 00:27:01,520

both the the notion of the newest fear

714

00:27:05,510 --> 00:27:03,200

as well as his concept of the omega

715

00:27:07,909 --> 00:27:05,520

point and maybe kind of unpack that for

716

00:27:10,149 --> 00:27:07,919

folks what is the newest fear what are

717

00:27:12,630 --> 00:27:10,159

we talking about does it exist or will

718

00:27:14,310 --> 00:27:12,640

it exist in from from

719

00:27:16,789 --> 00:27:14,320

a chardonnay's standpoint

720

00:27:19,269 --> 00:27:16,799

yeah so for uh folks who don't know who

721

00:27:21,909 --> 00:27:19,279

he is he's well worth looking into de

722

00:27:24,149 --> 00:27:21,919

chardon so he was a jesuit friend he was

723

00:27:26,230 --> 00:27:24,159

a french jesuit priest

724

00:27:27,830 --> 00:27:26,240

and in the catholic church obviously or

725

00:27:29,510 --> 00:27:27,840

wait was he a priest or a monk i can't

726

00:27:30,870 --> 00:27:29,520

remember i think he was a priest but it

727

00:27:33,510 --> 00:27:30,880

doesn't matter because he was also an

728

00:27:35,750 --> 00:27:33,520

anthropologist and a scientist right but

729

00:27:38,310 --> 00:27:35,760

even more interesting than that he was

730

00:27:39,190 --> 00:27:38,320

in the military yes he went i think it

731

00:27:40,950 --> 00:27:39,200

was like

732

00:27:43,029 --> 00:27:40,960

he did it all yeah that's right he was

733

00:27:45,510 --> 00:27:43,039

he was a medic i think yeah yeah he was

734

00:27:48,710 --> 00:27:45,520

just this incredible human being right

735

00:27:51,909 --> 00:27:48,720

and so he was at on the front and it was

736

00:27:53,669 --> 00:27:51,919

you know in battle and he felt the

737

00:27:56,389 --> 00:27:53,679

this idea of the new sphere so it wasn't

738

00:27:57,830 --> 00:27:56,399

it was actually tangible idea for him so

739

00:27:59,990 --> 00:27:57,840

he was in battle

740

00:28:02,870 --> 00:28:00,000

um he saw people getting killed and you

741

00:28:05,830 --> 00:28:02,880

know so but he was in this energy what

742

00:28:07,350 --> 00:28:05,840

he described as an energetic field

743

00:28:08,630 --> 00:28:07,360

and he

744

00:28:10,870 --> 00:28:08,640

it all came because he was really

745

00:28:13,269 --> 00:28:10,880

brilliant he was able to articulate this

746

00:28:14,950 --> 00:28:13,279

and see it as our future and he said

747

00:28:17,430 --> 00:28:14,960

that there will be

748

00:28:19,909 --> 00:28:17,440

a it you know we have like this sphere

749

00:28:21,750 --> 00:28:19,919

we have a biosphere you know and so he

750

00:28:23,750 --> 00:28:21,760

says this thing called the new sphere

751

00:28:25,830 --> 00:28:23,760

when basically it's almost as if he was

752

00:28:28,870 --> 00:28:25,840

talking about the internet right but it

753

00:28:31,029 --> 00:28:28,880

was a psychic internet okay which by the

754

00:28:33,510 --> 00:28:31,039

way is kind of strange because jacques

755

00:28:35,990 --> 00:28:33,520

vale's early work in the 1970s was

756

00:28:38,230 --> 00:28:36,000

specifically about that right

757

00:28:40,310 --> 00:28:38,240

and so um

758

00:28:42,630 --> 00:28:40,320

well that's fascinating to me especially

759

00:28:45,190 --> 00:28:42,640

people's own experience with technology

760

00:28:47,830 --> 00:28:45,200

as as being that you know it's kind of

761

00:28:49,350 --> 00:28:47,840

being something like a medium floor or

762

00:28:51,190 --> 00:28:49,360

even um

763

00:28:52,230 --> 00:28:51,200

you know something that

764

00:28:54,230 --> 00:28:52,240

helps them

765

00:28:55,669 --> 00:28:54,240

you know they even have what i call

766

00:28:58,710 --> 00:28:55,679

synthetic synchronicities

767

00:29:00,870 --> 00:28:58,720

synchronicities where you know obviously

768

00:29:03,510 --> 00:29:00,880

if your phone is listening to you you'll

769

00:29:05,110 --> 00:29:03,520

get stuff that you've been talking about

770

00:29:07,830 --> 00:29:05,120

but what happens when you just think

771

00:29:08,950 --> 00:29:07,840

about stuff and it comes up right

772

00:29:11,190 --> 00:29:08,960

maybe

773

00:29:13,190 --> 00:29:11,200

but it happens it happens so much to

774

00:29:16,470 --> 00:29:13,200

people um that

775

00:29:18,149 --> 00:29:16,480

um it causes me to think a lot about hmm

776

00:29:20,710 --> 00:29:18,159

what's going on is the newest fear

777

00:29:22,389 --> 00:29:20,720

actually more here than we think it is

778

00:29:24,870 --> 00:29:22,399

and so um

779

00:29:28,310 --> 00:29:24,880

another person that is um

780

00:29:32,070 --> 00:29:28,320

kurzweil is uh yeah as well yeah so the

781

00:29:34,470 --> 00:29:32,080

singularity isn't is like a 20th century

782

00:29:36,389 --> 00:29:34,480

take on the new sphere

783

00:29:38,230 --> 00:29:36,399

um and the omega point

784

00:29:40,149 --> 00:29:38,240

for deschardon

785

00:29:42,549 --> 00:29:40,159

is this idea that it's actually

786

00:29:44,549 --> 00:29:42,559

religious and spiritual right and if you

787

00:29:47,269 --> 00:29:44,559

read ray i've written about this

788

00:29:50,789 --> 00:29:47,279

if you if you read ray kurzweil's

789

00:29:52,630 --> 00:29:50,799

singularity it's the the book um the

790

00:29:54,549 --> 00:29:52,640

beginning of it the first chat the

791

00:29:57,430 --> 00:29:54,559

introduction the first chapter

792

00:30:00,230 --> 00:29:57,440

it's so incredibly spiritual it just

793

00:30:02,549 --> 00:30:00,240

drips with spirituality when he says i

794

00:30:05,430 --> 00:30:02,559

felt it before i knew it i mean that

795

00:30:07,350 --> 00:30:05,440

stay started on right there right yeah

796

00:30:08,630 --> 00:30:07,360

so there's something very fascinating

797

00:30:09,909 --> 00:30:08,640

about those two

798

00:30:11,669 --> 00:30:09,919

that your

799

00:30:13,830 --> 00:30:11,679

listeners might want to

800

00:30:15,510 --> 00:30:13,840

check out yeah for sure

801
00:30:17,909 --> 00:30:15,520
um dj you had you had a follow-up i

802
00:30:20,789 --> 00:30:17,919
think yeah is it's on the last one but

803
00:30:23,750 --> 00:30:20,799
what i was gonna ask you ma'am is um

804
00:30:25,029 --> 00:30:23,760
how often like uh does your hypothesis

805
00:30:27,190 --> 00:30:25,039
evolve like so if

806
00:30:29,830 --> 00:30:27,200
in a typical week or maybe it's it's on

807
00:30:32,470 --> 00:30:29,840
a month uh on a monthly basis where you

808
00:30:33,269 --> 00:30:32,480
start to contemplate the phenomenon as a

809
00:30:35,350 --> 00:30:33,279
whole

810
00:30:37,909 --> 00:30:35,360
and how often do you have a new

811
00:30:39,590 --> 00:30:37,919
hypothesis and say to yourself wow diana

812
00:30:41,029 --> 00:30:39,600
i never thought about that one that's

813
00:30:44,070 --> 00:30:41,039

something i need to

814

00:30:45,830 --> 00:30:44,080

concentrate on or something

815

00:30:47,269 --> 00:30:45,840

um

816

00:30:48,070 --> 00:30:47,279

how often

817

00:30:50,630 --> 00:30:48,080

right

818

00:30:52,230 --> 00:30:50,640

so um what i find is that when you

819

00:30:53,590 --> 00:30:52,240

actually

820

00:30:56,070 --> 00:30:53,600

talk you know when you

821

00:30:57,509 --> 00:30:56,080

you're engaged in doing the research say

822

00:30:59,269 --> 00:30:57,519

you're talking with other people about

823

00:31:00,630 --> 00:30:59,279

it or you're actually sitting down and

824

00:31:02,470 --> 00:31:00,640

you're you have to write something up

825

00:31:04,230 --> 00:31:02,480

because you have to give a talk or

826

00:31:06,389 --> 00:31:04,240

something like that that's when it

827

00:31:09,269 --> 00:31:06,399

happens that's when something that

828

00:31:12,389 --> 00:31:09,279

happened with american cosmic so

829

00:31:14,149 --> 00:31:12,399

i was i was struggling with every single

830

00:31:15,830 --> 00:31:14,159

chapter before it happened i was like i

831

00:31:17,590 --> 00:31:15,840

don't know what i'm gonna say you know i

832

00:31:19,110 --> 00:31:17,600

don't know what's what's going on and

833

00:31:20,789 --> 00:31:19,120

then i would you know and this would go

834

00:31:23,029 --> 00:31:20,799

go on for like two or three weeks and i

835

00:31:25,590 --> 00:31:23,039

would be um you know it would like

836

00:31:26,950 --> 00:31:25,600

terrorize me and then finally i would

837

00:31:28,630 --> 00:31:26,960

sit down

838

00:31:30,230 --> 00:31:28,640

and i would and it would be in a coffee

839

00:31:32,070 --> 00:31:30,240

shop

840

00:31:35,029 --> 00:31:32,080

and i would just boom you know it would

841

00:31:37,269 --> 00:31:35,039

start to come out and then what i wrote

842

00:31:39,190 --> 00:31:37,279

was like it it wasn't even lying that's

843

00:31:41,830 --> 00:31:39,200

how i felt about it i felt like it was

844

00:31:43,509 --> 00:31:41,840

speaking to me and i was like wow what's

845

00:31:46,549 --> 00:31:43,519

going to happen next and i would write

846

00:31:47,990 --> 00:31:46,559

the next and go wow that's amazing

847

00:31:49,509 --> 00:31:48,000

yeah that's incredible and a lot of

848

00:31:51,029 --> 00:31:49,519

musicians say that about their about

849

00:31:53,110 --> 00:31:51,039

their songs you know that they they're

850

00:31:55,590 --> 00:31:53,120

not sure where they came from that they

851
00:31:57,669 --> 00:31:55,600
have an experience of it as if it's not

852
00:32:00,870 --> 00:31:57,679
of them themselves yeah that is

853
00:32:03,830 --> 00:32:00,880
autonomous yeah and it's um

854
00:32:04,870 --> 00:32:03,840
it it's basically it's very a very

855
00:32:07,029 --> 00:32:04,880
strange

856
00:32:09,190 --> 00:32:07,039
thing yeah so that's what happens dj so

857
00:32:11,750 --> 00:32:09,200
yeah so um

858
00:32:13,509 --> 00:32:11,760
you know very rarely does it come when

859
00:32:16,070 --> 00:32:13,519
i'm just sitting there cogitating

860
00:32:17,590 --> 00:32:16,080
thinking you know no no it has to you

861
00:32:20,230 --> 00:32:17,600
have to actually be doing something i

862
00:32:22,070 --> 00:32:20,240
think for it to happen

863
00:32:24,389 --> 00:32:22,080

right no definitely

864

00:32:26,630 --> 00:32:24,399

and talking about this idea some more so

865

00:32:28,549 --> 00:32:26,640

where

866

00:32:29,909 --> 00:32:28,559

this newest fear

867

00:32:31,590 --> 00:32:29,919

this uh

868

00:32:34,149 --> 00:32:31,600

sentience this sort of that perm that

869

00:32:35,909 --> 00:32:34,159

may permeate reality itself

870

00:32:37,750 --> 00:32:35,919

do we have a sense in which the

871

00:32:39,509 --> 00:32:37,760

phenomenon that we're

872

00:32:41,350 --> 00:32:39,519

hearing about observing

873

00:32:42,470 --> 00:32:41,360

and all of its varieties and so many

874

00:32:43,990 --> 00:32:42,480

different things that it seems to

875

00:32:46,230 --> 00:32:44,000

manifest as

876

00:32:49,430 --> 00:32:46,240

that it is

877

00:32:51,830 --> 00:32:49,440

utilizing us as a means for its own

878

00:32:54,630 --> 00:32:51,840

manifestation

879

00:32:57,110 --> 00:32:54,640

oh nathan went there early he went there

880

00:32:58,870 --> 00:32:57,120

early man i love it

881

00:33:01,669 --> 00:32:58,880

are we conduits

882

00:33:06,070 --> 00:33:01,679

creating a portal for its

883

00:33:17,190 --> 00:33:06,870

so

884

00:33:20,310 --> 00:33:17,200

like i always have to put it back and

885

00:33:21,509 --> 00:33:20,320

like reframe your question yeah so that

886

00:33:23,029 --> 00:33:21,519

and because

887

00:33:24,950 --> 00:33:23,039

i find that people have a lot of

888

00:33:26,230 --> 00:33:24,960

assumptions when they have questions

889

00:33:27,750 --> 00:33:26,240

sure and i have to take those

890

00:33:28,470 --> 00:33:27,760

assumptions and say wait a minute you

891

00:33:29,830 --> 00:33:28,480

know

892

00:33:31,509 --> 00:33:29,840

you've got this here we've got to

893

00:33:33,990 --> 00:33:31,519

address right you've got this there we

894

00:33:35,669 --> 00:33:34,000

have to address okay so in one sense i

895

00:33:38,470 --> 00:33:35,679

would have to say that

896

00:33:40,310 --> 00:33:38,480

this sounds kind of like ai right

897

00:33:42,230 --> 00:33:40,320

ai is creating

898

00:33:43,990 --> 00:33:42,240

itself through us

899

00:33:45,590 --> 00:33:44,000

and we are doing it

900

00:33:48,149 --> 00:33:45,600

right so i would have to say that that

901
00:33:50,870 --> 00:33:48,159
seems kind of true um but i don't i

902
00:33:52,389 --> 00:33:50,880
don't necessarily say we're unconscious

903
00:33:54,710 --> 00:33:52,399
in doing it

904
00:33:56,470 --> 00:33:54,720
that's why i go back to oh this is this

905
00:33:58,389 --> 00:33:56,480
is actually it's a secret issue because

906
00:33:59,430 --> 00:33:58,399
i just saw this the other day

907
00:34:03,509 --> 00:33:59,440
um

908
00:34:04,549 --> 00:34:03,519
i there is a great black mirror episode

909
00:34:06,710 --> 00:34:04,559
um

910
00:34:09,190 --> 00:34:06,720
and i saw it a long time ago and i

911
00:34:10,710 --> 00:34:09,200
thought wow whoever did this

912
00:34:12,230 --> 00:34:10,720
red heidegger

913
00:34:13,909 --> 00:34:12,240

so you know martin

914

00:34:16,629 --> 00:34:13,919

wrote a lot about so i use martin

915

00:34:18,149 --> 00:34:16,639

heidegger in american cosmic and a lot

916

00:34:20,790 --> 00:34:18,159

of my work and

917

00:34:21,750 --> 00:34:20,800

philosophers generally hate the guy

918

00:34:24,230 --> 00:34:21,760

um

919

00:34:26,310 --> 00:34:24,240

but he's fascinating because

920

00:34:28,149 --> 00:34:26,320

he was another one of these people that

921

00:34:30,230 --> 00:34:28,159

kind of predicts

922

00:34:33,190 --> 00:34:30,240

what technology what what technology

923

00:34:34,869 --> 00:34:33,200

means right and how it's not you know

924

00:34:36,069 --> 00:34:34,879

people tend to think that they could put

925

00:34:37,990 --> 00:34:36,079

it down

926
00:34:40,790 --> 00:34:38,000
and that they're not somehow

927
00:34:41,990 --> 00:34:40,800
in it already you know we really are we

928
00:34:46,149 --> 00:34:42,000
can't escape

929
00:34:48,470 --> 00:34:46,159
um and so he saw this right in the 1930s

930
00:34:50,869 --> 00:34:48,480
and 40s and he said whoa this is going

931
00:34:51,909 --> 00:34:50,879
to be like the catholic church was

932
00:34:53,909 --> 00:34:51,919
for

933
00:34:56,310 --> 00:34:53,919
you know western culture

934
00:34:58,470 --> 00:34:56,320
this is it it's a new era basically

935
00:35:01,270 --> 00:34:58,480
called an epoch it's a new epic right

936
00:35:03,349 --> 00:35:01,280
yep yep so um

937
00:35:04,950 --> 00:35:03,359
okay so in that sense

938
00:35:06,710 --> 00:35:04,960

you can't put it down it's not you know

939

00:35:09,349 --> 00:35:06,720

it's prometheus right so it's like the

940

00:35:11,270 --> 00:35:09,359

myth of prometheus alive right now okay

941

00:35:14,069 --> 00:35:11,280

so um

942

00:35:17,190 --> 00:35:14,079

yeah i don't necessarily think that

943

00:35:18,790 --> 00:35:17,200

there's a dualism yeah that that that

944

00:35:19,910 --> 00:35:18,800

your question has an assumption of a

945

00:35:20,710 --> 00:35:19,920

dualism

946

00:35:24,310 --> 00:35:20,720

right

947

00:35:26,230 --> 00:35:24,320

so it's it's separate from us sure yeah

948

00:35:28,069 --> 00:35:26,240

i don't know if it is of when when we

949

00:35:30,470 --> 00:35:28,079

say it there's another assumption that

950

00:35:32,950 --> 00:35:30,480

is one thing correct that's right the

951
00:35:35,910 --> 00:35:32,960
phenomena is one thing i mean i frankly

952
00:35:38,550 --> 00:35:35,920
think that whatever goes on at um

953
00:35:41,349 --> 00:35:38,560
skinwalker ranch is absolutely different

954
00:35:44,630 --> 00:35:41,359
than tic tacs yeah yeah they're not the

955
00:35:47,349 --> 00:35:44,640
same thing and both not connected

956
00:35:50,470 --> 00:35:47,359
what's that no connection

957
00:35:52,870 --> 00:35:50,480
um i in my opinion

958
00:35:56,390 --> 00:35:55,030
no i would say no

959
00:35:57,990 --> 00:35:56,400
fair enough

960
00:36:00,150 --> 00:35:58,000
there might be i mean i could be

961
00:36:04,230 --> 00:36:00,160
completely wrong though but what i'm

962
00:36:09,349 --> 00:36:07,109
you know tic tac is not space i mean

963
00:36:10,630 --> 00:36:09,359

when i say space based it's not

964

00:36:12,390 --> 00:36:10,640

a place

965

00:36:15,430 --> 00:36:12,400

where a skinwalker ranch is like

966

00:36:17,109 --> 00:36:15,440

localized to a specific place which by

967

00:36:18,069 --> 00:36:17,119

the way i think is pretty interesting

968

00:36:20,470 --> 00:36:18,079

because

969

00:36:22,950 --> 00:36:20,480

when i did go to the vatican and tyler

970

00:36:25,270 --> 00:36:22,960

and i did a lot of assessment of

971

00:36:28,310 --> 00:36:25,280

uh events kind of like not just like

972

00:36:31,750 --> 00:36:28,320

virgin mary apparitions but also uh

973

00:36:33,589 --> 00:36:31,760

alleged ufo contacts and what we did was

974

00:36:37,109 --> 00:36:33,599

we did a lot of like analysis of the

975

00:36:38,829 --> 00:36:37,119

places like metals in the ground

976
00:36:40,630 --> 00:36:38,839
um you know

977
00:36:41,829 --> 00:36:40,640
uh

978
00:36:43,990 --> 00:36:41,839
meridian

979
00:36:45,190 --> 00:36:44,000
stuff like that right so

980
00:36:46,870 --> 00:36:45,200
um

981
00:36:49,190 --> 00:36:46,880
and what we found was pretty interesting

982
00:36:52,310 --> 00:36:49,200
we found that there were specific

983
00:36:55,109 --> 00:36:52,320
there were patterns to those places

984
00:36:56,870 --> 00:36:55,119
so i think that you know space when i

985
00:36:59,990 --> 00:36:56,880
say space-based i don't mean like space

986
00:37:02,710 --> 00:37:00,000
up there but a place an actual location

987
00:37:05,910 --> 00:37:02,720
right i think that some locations are

988
00:37:09,750 --> 00:37:07,030

yeah

989

00:37:11,270 --> 00:37:09,760

i i was gonna say uh i agree with you by

990

00:37:13,750 --> 00:37:11,280

the way i i

991

00:37:15,190 --> 00:37:13,760

hold tic tac in a very special place for

992

00:37:17,750 --> 00:37:15,200

the uh

993

00:37:19,030 --> 00:37:17,760

sort of aviation related reasons things

994

00:37:21,430 --> 00:37:19,040

that it can do

995

00:37:24,390 --> 00:37:21,440

and how it does it and i know how we do

996

00:37:26,069 --> 00:37:24,400

it and i saw what that did and i

997

00:37:27,190 --> 00:37:26,079

can think in my mind what would it take

998

00:37:29,990 --> 00:37:27,200

to make

999

00:37:32,150 --> 00:37:30,000

a craft that looks like that do what it

1000

00:37:33,750 --> 00:37:32,160

did so that all aside

1001
00:37:36,710 --> 00:37:33,760
grant cameron though when listening to

1002
00:37:38,630 --> 00:37:36,720
him yesterday he uh he said to me that

1003
00:37:41,510 --> 00:37:38,640
or not to me excuse me he was on his

1004
00:37:44,069 --> 00:37:41,520
podcast and and theorizes that there is

1005
00:37:45,510 --> 00:37:44,079
a that everything's connected so i

1006
00:37:46,870 --> 00:37:45,520
didn't think they were connected to me

1007
00:37:48,630 --> 00:37:46,880
it seems like that there's a certain

1008
00:37:50,550 --> 00:37:48,640
energy uh

1009
00:37:53,190 --> 00:37:50,560
at skinwalker

1010
00:37:55,190 --> 00:37:53,200
that's in and of itself is a different

1011
00:37:57,990 --> 00:37:55,200
sort of a paranormal supernatural

1012
00:37:59,349 --> 00:37:58,000
phenomenon and then in in with tic-tac

1013
00:38:01,190 --> 00:37:59,359

we're dealing with an intelligence

1014

00:38:04,950 --> 00:38:01,200

that's either born

1015

00:38:06,069 --> 00:38:04,960

of here or elsewhere you know who knows

1016

00:38:07,670 --> 00:38:06,079

um

1017

00:38:11,109 --> 00:38:07,680

the other question

1018

00:38:12,870 --> 00:38:11,119

i was gonna ask you so i'm gonna let

1019

00:38:13,910 --> 00:38:12,880

I i'm gonna let nathan jump back into

1020

00:38:15,349 --> 00:38:13,920

and i'll see

1021

00:38:17,349 --> 00:38:15,359

because i think it was related to the

1022

00:38:18,710 --> 00:38:17,359

last thing that you guys just talked

1023

00:38:20,230 --> 00:38:18,720

about i'll let you guys jump back in and

1024

00:38:22,470 --> 00:38:20,240

then if i remember it i'll come back

1025

00:38:25,190 --> 00:38:22,480

yeah please do um are you familiar with

1026

00:38:26,950 --> 00:38:25,200

the philip experiment it's uh this uh

1027

00:38:28,470 --> 00:38:26,960

paranormal i think it was a bunch of

1028

00:38:30,390 --> 00:38:28,480

canadian uh

1029

00:38:32,310 --> 00:38:30,400

folks that were paranoid they sat

1030

00:38:34,150 --> 00:38:32,320

together and created a fictional person

1031

00:38:35,829 --> 00:38:34,160

and then it ended up i am aware of that

1032

00:38:38,310 --> 00:38:35,839

that sounds some answers

1033

00:38:40,950 --> 00:38:38,320

i don't think i'd want to try that

1034

00:38:43,670 --> 00:38:40,960

right well i i come back to that

1035

00:38:45,589 --> 00:38:43,680

idea quite quite often and i wonder to

1036

00:38:46,390 --> 00:38:45,599

what degree

1037

00:38:50,150 --> 00:38:46,400

do

1038

00:38:52,150 --> 00:38:50,160

uh

1039

00:38:53,829 --> 00:38:52,160

in a collectivist aspect you know not

1040

00:38:54,950 --> 00:38:53,839

just maybe one individual consciousness

1041

00:38:57,190 --> 00:38:54,960

although we've talked about already

1042

00:38:59,750 --> 00:38:57,200

about how an individual consciousness

1043

00:39:01,589 --> 00:38:59,760

may be able to tap into this whatever it

1044

00:39:03,670 --> 00:39:01,599

is but when you collectivize it when

1045

00:39:04,950 --> 00:39:03,680

they have more than one mind where two

1046

00:39:07,349 --> 00:39:04,960

or three are gathered to borrow a

1047

00:39:13,270 --> 00:39:07,359

christian phrase

1048

00:39:17,750 --> 00:39:15,829

giving birth to you know something that

1049

00:39:19,750 --> 00:39:17,760

that is almost like a gregoric you know

1050

00:39:22,950 --> 00:39:19,760

it's like it lives apart from the minds

1051
00:39:23,829 --> 00:39:22,960
that themselves and is its own thing

1052
00:39:25,510 --> 00:39:23,839
right

1053
00:39:28,710 --> 00:39:25,520
in i think it's tibetan buddhism that

1054
00:39:30,069 --> 00:39:28,720
has the tulpas that um people create

1055
00:39:31,589 --> 00:39:30,079
these these

1056
00:39:33,670 --> 00:39:31,599
thought forms that then exist

1057
00:39:35,510 --> 00:39:33,680
independently of them so they're in

1058
00:39:37,510 --> 00:39:35,520
religious traditions there's some you

1059
00:39:38,870 --> 00:39:37,520
know there is this tradition

1060
00:39:41,270 --> 00:39:38,880
um

1061
00:39:44,069 --> 00:39:41,280
i absolutely think that you know we

1062
00:39:47,430 --> 00:39:44,079
aren't just minds we're body minds right

1063
00:39:50,470 --> 00:39:47,440

so i think that if you get i mean

1064

00:39:52,950 --> 00:39:50,480

there is a lot of when

1065

00:39:54,950 --> 00:39:52,960

i felt it many

1066

00:39:56,550 --> 00:39:54,960

millions and millions of people

1067

00:39:59,109 --> 00:39:56,560

billions most likely

1068

00:40:01,589 --> 00:39:59,119

um you know they they if you go to like

1069

00:40:03,510 --> 00:40:01,599

let's take i just taught a class and we

1070

00:40:06,550 --> 00:40:03,520

spent some time talking about

1071

00:40:08,790 --> 00:40:06,560

um the goddess festivals in india right

1072

00:40:10,710 --> 00:40:08,800

where millions of people people could be

1073

00:40:13,750 --> 00:40:10,720

at these festivals all

1074

00:40:17,750 --> 00:40:13,760

you know worshipping durga or or some

1075

00:40:19,990 --> 00:40:17,760

feminine aspect of brahma right and

1076

00:40:23,349 --> 00:40:20,000

there is energy there i mean you can

1077

00:40:25,910 --> 00:40:23,359

feel it and you know so um yes i've been

1078

00:40:29,109 --> 00:40:25,920

in many gatherings of different kinds of

1079

00:40:30,870 --> 00:40:29,119

people um either in churches or

1080

00:40:32,870 --> 00:40:30,880

you know when i was younger in

1081

00:40:35,190 --> 00:40:32,880

california new age gatherings where you

1082

00:40:36,870 --> 00:40:35,200

know there's a thousand people and you

1083

00:40:40,069 --> 00:40:36,880

know um

1084

00:40:42,790 --> 00:40:40,079

i was a person who um

1085

00:40:44,710 --> 00:40:42,800

was is old enough to have attended one

1086

00:40:47,190 --> 00:40:44,720

grateful dead concert right at the end

1087

00:40:48,630 --> 00:40:47,200

right where you know before jerry garcia

1088

00:40:50,950 --> 00:40:48,640

and and um

1089

00:40:53,190 --> 00:40:50,960

i was dragged to it and then oh my

1090

00:40:54,470 --> 00:40:53,200

goodness it was so amazing that i

1091

00:40:56,390 --> 00:40:54,480

couldn't believe it i was like oh i have

1092

00:40:59,510 --> 00:40:56,400

to do this again and then jerry garcia

1093

00:41:01,750 --> 00:40:59,520

you know passes away so um

1094

00:41:03,589 --> 00:41:01,760

yeah i mean i

1095

00:41:05,510 --> 00:41:03,599

that's for sure that that absolutely

1096

00:41:07,030 --> 00:41:05,520

happened so

1097

00:41:08,950 --> 00:41:07,040

you know i think that i mean that's why

1098

00:41:12,230 --> 00:41:08,960

i think that right now technology and

1099

00:41:14,550 --> 00:41:12,240

ufo belief is so fascinating because i

1100

00:41:15,990 --> 00:41:14,560

mean what i'm trying to basically say

1101

00:41:18,790 --> 00:41:16,000

but i didn't i don't think i really

1102

00:41:20,230 --> 00:41:18,800

articulated it loudly enough is that

1103

00:41:23,270 --> 00:41:20,240

we're going to be having these

1104

00:41:25,990 --> 00:41:23,280

experiences now and mass because we're

1105

00:41:27,990 --> 00:41:26,000

all going to be watching it on tv we're

1106

00:41:29,670 --> 00:41:28,000

going to be watching it on our computer

1107

00:41:31,589 --> 00:41:29,680

screen we're going to be watching it on

1108

00:41:34,710 --> 00:41:31,599

our phones all of us

1109

00:41:36,309 --> 00:41:34,720

what is that going to do to us right

1110

00:41:39,270 --> 00:41:36,319

buy toilet paper

1111

00:41:41,270 --> 00:41:39,280

um i i just remember i i just remembered

1112

00:41:42,630 --> 00:41:41,280

what it was it was nathan's prior

1113

00:41:45,109 --> 00:41:42,640

question

1114

00:41:46,309 --> 00:41:45,119

i thought and nathan please correct me

1115

00:41:47,829 --> 00:41:46,319

if i'm wrong because this is kind of

1116

00:41:50,550 --> 00:41:47,839

like to you and then it'll be to dr

1117

00:41:53,510 --> 00:41:50,560

pisoka okay sure i think that i thought

1118

00:41:56,710 --> 00:41:53,520

you were asking her if

1119

00:41:59,109 --> 00:41:56,720

an intelligence is is having an effect

1120

00:42:00,950 --> 00:41:59,119

to make us act a certain way

1121

00:42:02,790 --> 00:42:00,960

i thought that's what you were asking

1122

00:42:04,950 --> 00:42:02,800

rather than

1123

00:42:09,349 --> 00:42:04,960

the ai aspect of it i

1124

00:42:10,550 --> 00:42:09,359

okay that's like the cia absolutely

1125

00:42:12,309 --> 00:42:10,560

no i mean

1126
00:42:14,470 --> 00:42:12,319
did i have your question right nathan or

1127
00:42:15,750 --> 00:42:14,480
was that yeah so right okay i guess

1128
00:42:17,430 --> 00:42:15,760
you're talking about a non-human

1129
00:42:19,990 --> 00:42:17,440
intelligence correct yeah non-human

1130
00:42:22,790 --> 00:42:20,000
intelligence that that may

1131
00:42:25,349 --> 00:42:22,800
serve as a a lure

1132
00:42:27,510 --> 00:42:25,359
like a like an angler fish you know that

1133
00:42:28,309 --> 00:42:27,520
is that is attracting us to it

1134
00:42:30,950 --> 00:42:28,319
and

1135
00:42:32,550 --> 00:42:30,960
for us it feels like we are making the

1136
00:42:34,390 --> 00:42:32,560
discoveries you know we are creating the

1137
00:42:35,990 --> 00:42:34,400
technology yeah even if they are

1138
00:42:37,910 --> 00:42:36,000

synchronistic or even if they come out

1139

00:42:39,670 --> 00:42:37,920

of the ether or whatever we have the

1140

00:42:41,270 --> 00:42:39,680

sense in which these are good things

1141

00:42:43,349 --> 00:42:41,280

that we are discovering and they are

1142

00:42:46,069 --> 00:42:43,359

they're good for us generally but what

1143

00:42:48,390 --> 00:42:46,079

i'm getting at is is it perhaps are we

1144

00:42:50,230 --> 00:42:48,400

perhaps creating the individual puzzle

1145

00:42:51,510 --> 00:42:50,240

pieces that once

1146

00:42:52,790 --> 00:42:51,520

finally

1147

00:42:55,589 --> 00:42:52,800

you know complete

1148

00:42:58,390 --> 00:42:55,599

unlocks you know sort of a a a

1149

00:42:59,670 --> 00:42:58,400

manifestation of whatever that nhi

1150

00:43:01,750 --> 00:42:59,680

happens to be

1151

00:43:03,990 --> 00:43:01,760

uh that is more real than it is now in

1152

00:43:06,390 --> 00:43:04,000

other words it needs us as its eyes ears

1153

00:43:08,309 --> 00:43:06,400

arms and legs for it to be manifest in

1154

00:43:09,829 --> 00:43:08,319

the world

1155

00:43:15,270 --> 00:43:09,839

yeah this sounds like a whitney street

1156

00:43:18,550 --> 00:43:16,870

yeah there's a lot of laughing on this

1157

00:43:19,510 --> 00:43:18,560

show so it's all

1158

00:43:21,990 --> 00:43:19,520

yeah

1159

00:43:24,230 --> 00:43:22,000

it's part of the game like

1160

00:43:26,950 --> 00:43:24,240

that he says that the more we recognize

1161

00:43:28,230 --> 00:43:26,960

it the more it's going to

1162

00:43:29,510 --> 00:43:28,240

be around

1163

00:43:31,589 --> 00:43:29,520

or the visitors he calls them the

1164

00:43:33,270 --> 00:43:31,599

visitors yeah the more we recognize them

1165

00:43:35,109 --> 00:43:33,280

the more they will be around um if

1166

00:43:37,670 --> 00:43:35,119

there's a saturation point we must reach

1167

00:43:39,670 --> 00:43:37,680

at which it becomes more uh present or

1168

00:43:42,950 --> 00:43:39,680

real to the rest of us

1169

00:43:45,349 --> 00:43:42,960

yeah i think that um this okay so

1170

00:43:46,550 --> 00:43:45,359

um let me think about that see the

1171

00:43:47,829 --> 00:43:46,560

podcasts are kind of hard for me

1172

00:43:49,430 --> 00:43:47,839

sometimes because people ask me these

1173

00:43:51,430 --> 00:43:49,440

questions i'm so deep and then i'm

1174

00:43:55,510 --> 00:43:51,440

supposed to answer them and i was like i

1175

00:43:58,790 --> 00:43:57,430

so it's not like i haven't thought about

1176

00:44:01,030 --> 00:43:58,800

that one but

1177

00:44:03,109 --> 00:44:01,040

i guess that it's been a while since

1178

00:44:03,990 --> 00:44:03,119

i've thought about it so

1179

00:44:05,349 --> 00:44:04,000

um

1180

00:44:06,630 --> 00:44:05,359

i guess it gets for me while you're

1181

00:44:08,390 --> 00:44:06,640

thinking about it gets me the issues of

1182

00:44:09,990 --> 00:44:08,400

trust right so i have and dj we've

1183

00:44:11,910 --> 00:44:10,000

talked about this before if we're

1184

00:44:13,990 --> 00:44:11,920

dealing with a non-human intelligence

1185

00:44:16,069 --> 00:44:14,000

and let's take a game of chess right so

1186

00:44:18,230 --> 00:44:16,079

they are let's say they're they have a

1187

00:44:20,309 --> 00:44:18,240

greater knowledge of reality technology

1188

00:44:21,670 --> 00:44:20,319

whatever than we do and we're playing a

1189

00:44:23,829 --> 00:44:21,680

game of chess well i understand the

1190

00:44:26,550 --> 00:44:23,839

rules they understand the rules but they

1191

00:44:28,069 --> 00:44:26,560

understand me maybe perhaps way better

1192

00:44:29,990 --> 00:44:28,079

than i understand myself or they

1193

00:44:31,990 --> 00:44:30,000

understand uh the nature of the chess

1194

00:44:33,589 --> 00:44:32,000

board or the pieces or they have more

1195

00:44:34,950 --> 00:44:33,599

information it's not in other words it's

1196

00:44:37,109 --> 00:44:34,960

a game we're not playing on equal

1197

00:44:38,790 --> 00:44:37,119

footing and so what are the things that

1198

00:44:40,150 --> 00:44:38,800

i would be looking for in this

1199

00:44:43,109 --> 00:44:40,160

relationship

1200

00:44:45,430 --> 00:44:43,119

for me to trust that whatever it's

1201

00:44:47,589 --> 00:44:45,440

offering me or whatever thing it is

1202

00:44:48,829 --> 00:44:47,599

doing on the board is something that i

1203

00:44:51,910 --> 00:44:48,839

can

1204

00:44:53,270 --> 00:44:51,920

uh you know have faith in or trust in

1205

00:44:54,790 --> 00:44:53,280

that that it is

1206

00:44:56,550 --> 00:44:54,800

it is part of the rules that we have

1207

00:44:58,150 --> 00:44:56,560

agreed on and that it's actually you

1208

00:45:00,470 --> 00:44:58,160

know part of the game and not some other

1209

00:45:02,550 --> 00:45:00,480

game that it's playing that i'm gonna

1210

00:45:04,390 --> 00:45:02,560

i'm completely unaware of how do you

1211

00:45:08,309 --> 00:45:04,400

know you can trust it it's basically

1212

00:45:13,510 --> 00:45:10,470

i think you guys can answer that

1213

00:45:14,870 --> 00:45:13,520

in contact if you're making if we're if

1214

00:45:17,510 --> 00:45:14,880

i think what he's saying if we make

1215

00:45:19,829 --> 00:45:17,520

contact nathan's wanting to know how do

1216

00:45:21,910 --> 00:45:19,839

we know if there's if we make contact

1217

00:45:24,150 --> 00:45:21,920

that the interaction is genuine and that

1218

00:45:25,910 --> 00:45:24,160

we're not being gamed and not aware of

1219

00:45:27,589 --> 00:45:25,920

it how do we know we can trust something

1220

00:45:30,309 --> 00:45:27,599

that's so much more intelligent i think

1221

00:45:33,030 --> 00:45:30,319

that's what he's saying yeah okay so i

1222

00:45:34,230 --> 00:45:33,040

can only give you some answers through

1223

00:45:37,109 --> 00:45:34,240

some things that have happened to me

1224

00:45:39,190 --> 00:45:37,119

like some experiences that i've had

1225

00:45:41,910 --> 00:45:39,200

um

1226

00:45:43,510 --> 00:45:41,920

i don't look for that okay

1227

00:45:46,470 --> 00:45:43,520

and

1228

00:45:47,750 --> 00:45:46,480

once i once my book came out i've had

1229

00:45:50,950 --> 00:45:47,760

like you know

1230

00:45:53,109 --> 00:45:50,960

whatever a lot of people

1231

00:45:54,870 --> 00:45:53,119

tell me you know um especially one

1232

00:45:57,270 --> 00:45:54,880

person in particular

1233

00:45:59,670 --> 00:45:57,280

um who was a good seems a good friend

1234

00:46:02,150 --> 00:45:59,680

i've never met the person but seems a

1235

00:46:03,109 --> 00:46:02,160

good friend of several people who i know

1236

00:46:05,270 --> 00:46:03,119

and trust

1237

00:46:07,750 --> 00:46:05,280

and so this person

1238

00:46:08,710 --> 00:46:07,760

sent me a few things where

1239

00:46:10,550 --> 00:46:08,720

it

1240

00:46:12,470 --> 00:46:10,560

the person said to me

1241

00:46:14,870 --> 00:46:12,480

you can check me out i'm i'm a friend of

1242

00:46:16,309 --> 00:46:14,880

so-and-so and so and so i'm cool kind of

1243

00:46:17,589 --> 00:46:16,319

thing you know and i was like okay so i

1244

00:46:19,589 --> 00:46:17,599

checked i checked that person out and

1245

00:46:22,870 --> 00:46:19,599

i'm like okay i'll correspond with this

1246

00:46:25,270 --> 00:46:22,880

person and then the they sent me um a

1247

00:46:27,670 --> 00:46:25,280

couple of things where they said you can

1248

00:46:29,109 --> 00:46:27,680

actually can be in contact with the

1249

00:46:30,069 --> 00:46:29,119

phenomenon

1250

00:46:36,230 --> 00:46:30,079

and

1251
00:46:38,069 --> 00:46:36,240
want to be in contact with right yeah no

1252
00:46:40,790 --> 00:46:38,079
thanks

1253
00:46:42,790 --> 00:46:40,800
i'm kind of busy this afternoon

1254
00:46:44,230 --> 00:46:42,800
i'll check my calendar yeah i've been a

1255
00:46:46,309 --> 00:46:44,240
lot of people who are in contact with

1256
00:46:48,550 --> 00:46:46,319
phenomenal i just don't want that right

1257
00:46:50,790 --> 00:46:48,560
now okay sure and so um

1258
00:46:52,550 --> 00:46:50,800
so then you know the person didn't give

1259
00:46:54,550 --> 00:46:52,560
up and kept sending me this stuff and

1260
00:46:57,030 --> 00:46:54,560
then sent me something that said

1261
00:46:58,710 --> 00:46:57,040
you must agree to this contact

1262
00:47:01,030 --> 00:46:58,720
and so i just started to delete

1263
00:47:02,390 --> 00:47:01,040

everything it finally blocked everything

1264

00:47:05,030 --> 00:47:02,400

now you have to understand this person

1265

00:47:07,190 --> 00:47:05,040

is among my friends right so

1266

00:47:09,990 --> 00:47:07,200

my friends and i said to them

1267

00:47:12,630 --> 00:47:10,000

i am not quite sure that this is only up

1268

00:47:14,950 --> 00:47:12,640

and up yeah and they were like whoa this

1269

00:47:18,069 --> 00:47:14,960

person is so cool how can you think that

1270

00:47:21,910 --> 00:47:20,150

i'm just not i'm just going to not try

1271

00:47:24,710 --> 00:47:21,920

to contact i'm not going to skin vodka

1272

00:47:26,549 --> 00:47:24,720

ranch you know if a person has seen orbs

1273

00:47:27,349 --> 00:47:26,559

i'm not going to go check it out you

1274

00:47:29,910 --> 00:47:27,359

know

1275

00:47:31,589 --> 00:47:29,920

and so um i hate to tell you this but

1276

00:47:34,230 --> 00:47:31,599

you know people think that maybe i'm the

1277

00:47:37,349 --> 00:47:34,240

person who's in contact no i'm not do i

1278

00:47:39,430 --> 00:47:37,359

want to be in contact no i don't

1279

00:47:41,430 --> 00:47:39,440

have you worn garlic around your neck

1280

00:47:42,870 --> 00:47:41,440

for the express purpose of keeping them

1281

00:47:44,710 --> 00:47:42,880

away

1282

00:47:48,390 --> 00:47:44,720

that i prayed before i went to the

1283

00:47:50,549 --> 00:47:48,400

donations i remember okay

1284

00:47:53,910 --> 00:47:50,559

it's true i saw what uh

1285

00:47:55,589 --> 00:47:53,920

i saw what you know james's research he

1286

00:47:58,390 --> 00:47:55,599

showed tyler and i the research before

1287

00:48:00,790 --> 00:47:58,400

we went and i mean it was terrifying

1288

00:48:02,870 --> 00:48:00,800

and he is a person who is wanting to

1289

00:48:06,470 --> 00:48:02,880

create something like a drug that will

1290

00:48:09,270 --> 00:48:06,480

interface so that we it can only be in

1291

00:48:11,750 --> 00:48:09,280

contact with humans on human terms

1292

00:48:15,030 --> 00:48:11,760

instead of harm so you've got to see

1293

00:48:17,030 --> 00:48:15,040

there's a lot there that's um

1294

00:48:19,349 --> 00:48:17,040

don't want contact like you know a lot

1295

00:48:20,390 --> 00:48:19,359

of the people and some people are in

1296

00:48:22,790 --> 00:48:20,400

contact

1297

00:48:24,790 --> 00:48:22,800

seem fairly out of their minds but seem

1298

00:48:26,309 --> 00:48:24,800

to enjoy it

1299

00:48:28,069 --> 00:48:26,319

don't want that either

1300

00:48:30,630 --> 00:48:28,079

you're not going with anjali out to the

1301
00:48:31,990 --> 00:48:30,640
mountain and trek out there and do that

1302
00:48:32,790 --> 00:48:32,000
eight foot

1303
00:48:34,069 --> 00:48:32,800
okay

1304
00:48:36,390 --> 00:48:34,079
you'll be happy to study it after the

1305
00:48:38,549 --> 00:48:36,400
fact but uh no i'm not gonna do that i'm

1306
00:48:40,230 --> 00:48:38,559
not even gonna say

1307
00:48:41,190 --> 00:48:40,240
that's great well it makes me think of

1308
00:48:42,630 --> 00:48:41,200
um

1309
00:48:43,750 --> 00:48:42,640
i'll say this then we want to bring on a

1310
00:48:45,510 --> 00:48:43,760
guest

1311
00:48:47,670 --> 00:48:45,520
questionnaire but i don't know if you've

1312
00:48:49,589 --> 00:48:47,680
read the three body problem

1313
00:48:51,589 --> 00:48:49,599

and i i forget the name of the author

1314

00:48:52,790 --> 00:48:51,599

but it's a chinese author

1315

00:48:54,870 --> 00:48:52,800

it's an excellent book it's science

1316

00:48:56,069 --> 00:48:54,880

fiction but i'm not trying to spoil too

1317

00:48:57,109 --> 00:48:56,079

much of the book but essentially part of

1318

00:48:59,829 --> 00:48:57,119

the book is

1319

00:49:01,750 --> 00:48:59,839

they discover that uh some non-human

1320

00:49:03,109 --> 00:49:01,760

intelligence has essentially kind of

1321

00:49:06,390 --> 00:49:03,119

infiltrated

1322

00:49:08,630 --> 00:49:06,400

uh the earth's uh atmosphere or or space

1323

00:49:11,190 --> 00:49:08,640

or reality in a way that it makes it

1324

00:49:13,109 --> 00:49:11,200

very hard for humans to

1325

00:49:15,030 --> 00:49:13,119

know that it's there so it can kind of

1326
00:49:17,510 --> 00:49:15,040
like see what they're doing and observe

1327
00:49:19,109 --> 00:49:17,520
and and so they they create an entire

1328
00:49:21,910 --> 00:49:19,119
program

1329
00:49:24,150 --> 00:49:21,920
designed specifically to obfuscate what

1330
00:49:26,630 --> 00:49:24,160
they are really doing so that this

1331
00:49:29,030 --> 00:49:26,640
intelligence is unaware of the schemes

1332
00:49:30,950 --> 00:49:29,040
that the humans are doing to try to

1333
00:49:33,190 --> 00:49:30,960
uh protect themselves but essentially

1334
00:49:34,549 --> 00:49:33,200
like they're on the way like they're

1335
00:49:35,829 --> 00:49:34,559
they're light years away they're on the

1336
00:49:38,309 --> 00:49:35,839
way we know how long it's gonna take

1337
00:49:40,390 --> 00:49:38,319
them to get into our our galaxy whatever

1338
00:49:42,230 --> 00:49:40,400

we have time to prepare but they are

1339

00:49:44,390 --> 00:49:42,240

observing us as they're approaching so

1340

00:49:47,430 --> 00:49:44,400

we create this entire structures to like

1341

00:49:49,030 --> 00:49:47,440

you know juke it i don't know

1342

00:49:50,630 --> 00:49:49,040

wow yeah

1343

00:49:52,470 --> 00:49:50,640

sometimes when i'm overweight i feel

1344

00:49:54,710 --> 00:49:52,480

like i have a three-body problem i don't

1345

00:49:55,990 --> 00:49:54,720

know that i want to read this boom

1346

00:49:58,309 --> 00:49:56,000

but

1347

00:50:00,230 --> 00:49:58,319

there you go yeah so about this trust

1348

00:50:02,790 --> 00:50:00,240

thing um no

1349

00:50:04,549 --> 00:50:02,800

i'm not gonna trust it right sorry

1350

00:50:05,990 --> 00:50:04,559

you're on board so that it's really

1351
00:50:07,910 --> 00:50:06,000
interesting because nathan and i have

1352
00:50:10,230 --> 00:50:07,920
been talking about his hypothesis on the

1353
00:50:12,390 --> 00:50:10,240
phone for like a month and we brought it

1354
00:50:15,190 --> 00:50:12,400
up and i'm sure that he's been wanting

1355
00:50:17,030 --> 00:50:15,200
to ask you this question so yeah oh yeah

1356
00:50:19,430 --> 00:50:17,040
i hope i haven't dashed your hopes or

1357
00:50:21,030 --> 00:50:19,440
anything no he's an agree he's in 100

1358
00:50:22,790 --> 00:50:21,040
agreement with no i mean like i want to

1359
00:50:24,390 --> 00:50:22,800
talk to for example i'd like to talk to

1360
00:50:26,150 --> 00:50:24,400
some game theorists right i would like

1361
00:50:27,109 --> 00:50:26,160
to talk to the to people who think about

1362
00:50:29,349 --> 00:50:27,119
these

1363
00:50:32,950 --> 00:50:29,359

uh asynchronous or uh

1364

00:50:35,750 --> 00:50:32,960

asymmetrical relationships and how

1365

00:50:37,589 --> 00:50:35,760

we would be able to establish trust in

1366

00:50:39,910 --> 00:50:37,599

asymmetrical relationships because that

1367

00:50:41,750 --> 00:50:39,920

will be the position that we have with

1368

00:50:44,470 --> 00:50:41,760

whatever this happens to be that is

1369

00:50:49,030 --> 00:50:46,549

it's like the 92 dream team when they

1370

00:50:51,510 --> 00:50:49,040

played angola in basketball asymmetric

1371

00:50:53,349 --> 00:50:51,520

relationship no trust in the in the

1372

00:50:55,670 --> 00:50:53,359

after you know locker room party that

1373

00:50:57,030 --> 00:50:55,680

they had no completely yeah

1374

00:50:58,069 --> 00:50:57,040

well yeah so why don't we uh we'll

1375

00:50:59,750 --> 00:50:58,079

switch gears real quick we've got a

1376

00:51:01,510 --> 00:50:59,760

person that we'd like to bring on uh

1377

00:51:03,510 --> 00:51:01,520

who's a fan of the show and they wanted

1378

00:51:05,990 --> 00:51:03,520

to ask a question um and so mark i'm

1379

00:51:08,710 --> 00:51:06,000

gonna put you on on stage real quick uh

1380

00:51:10,790 --> 00:51:08,720

with that hey what's going on mark

1381

00:51:13,349 --> 00:51:10,800

hey guys how's it going good how you

1382

00:51:15,109 --> 00:51:13,359

doing brother welcome really well thanks

1383

00:51:17,109 --> 00:51:15,119

thanks for having me

1384

00:51:19,030 --> 00:51:17,119

pleasure man

1385

00:51:21,510 --> 00:51:19,040

pleasure to make your acquaintance

1386

00:51:23,030 --> 00:51:21,520

yeah um i'm actually in the process of

1387

00:51:25,589 --> 00:51:23,040

reading your book right now american

1388

00:51:27,190 --> 00:51:25,599

cosmic and uh congratulations it's a

1389

00:51:29,270 --> 00:51:27,200

really fantastic book

1390

00:51:31,670 --> 00:51:29,280

um

1391

00:51:33,510 --> 00:51:31,680

i i highly recommend it for those

1392

00:51:34,390 --> 00:51:33,520

that haven't read it you definitely

1393

00:51:36,710 --> 00:51:34,400

should

1394

00:51:40,710 --> 00:51:36,720

um i'm about halfway through it right

1395

00:51:42,390 --> 00:51:40,720

now and um i have a question for you

1396

00:51:44,549 --> 00:51:42,400

um

1397

00:51:47,510 --> 00:51:44,559

it seems like your your hypothesis your

1398

00:51:51,349 --> 00:51:47,520

working hypothesis is that we're at the

1399

00:51:53,349 --> 00:51:51,359

precipice of having a new religion um

1400

00:51:57,190 --> 00:51:53,359

a scientific religion

1401
00:51:58,549 --> 00:51:57,200
that includes ufos uaps uh whatever

1402
00:52:00,870 --> 00:51:58,559
broadly

1403
00:52:03,190 --> 00:52:00,880
they may represent

1404
00:52:04,870 --> 00:52:03,200
my question for you is

1405
00:52:05,750 --> 00:52:04,880
what is the

1406
00:52:10,309 --> 00:52:05,760
what

1407
00:52:13,270 --> 00:52:10,319
the black swan moment who's the

1408
00:52:14,309 --> 00:52:13,280
progenitor that's going to move this

1409
00:52:17,589 --> 00:52:14,319
from

1410
00:52:20,150 --> 00:52:17,599
being something that's talked about to

1411
00:52:23,270 --> 00:52:20,160
a full-fledged religion so we see that

1412
00:52:26,069 --> 00:52:23,280
obviously in christianity with jesus um

1413
00:52:27,270 --> 00:52:26,079

you know directly with yahweh and

1414

00:52:31,589 --> 00:52:27,280

judaism

1415

00:52:34,309 --> 00:52:31,599

uh mozes um you know we have you know

1416

00:52:37,750 --> 00:52:34,319

you know siddhartha uh gautama

1417

00:52:39,109 --> 00:52:37,760

um you know so what who do you believe

1418

00:52:41,190 --> 00:52:39,119

uh would be

1419

00:52:43,910 --> 00:52:41,200

um

1420

00:52:46,870 --> 00:52:43,920

significant enough to move this to the

1421

00:52:49,430 --> 00:52:46,880

threshold and then pass the threshold of

1422

00:52:51,589 --> 00:52:49,440

being a full-fledged religion

1423

00:52:53,430 --> 00:52:51,599

great question okay

1424

00:52:55,589 --> 00:52:53,440

so what i'm going to ask you to do

1425

00:52:56,710 --> 00:52:55,599

though is to

1426
00:52:58,549 --> 00:52:56,720
bracket

1427
00:52:59,349 --> 00:52:58,559
all of those

1428
00:53:01,190 --> 00:52:59,359
um

1429
00:53:03,510 --> 00:53:01,200
all of what you've learned

1430
00:53:04,710 --> 00:53:03,520
about religion right because you've

1431
00:53:06,630 --> 00:53:04,720
talked about

1432
00:53:07,510 --> 00:53:06,640
religions that have been

1433
00:53:09,829 --> 00:53:07,520
that

1434
00:53:10,630 --> 00:53:09,839
emerged from personalities

1435
00:53:13,030 --> 00:53:10,640
okay

1436
00:53:14,390 --> 00:53:13,040
and not so hinduism didn't really emerge

1437
00:53:17,829 --> 00:53:14,400
from a personality

1438
00:53:20,790 --> 00:53:17,839

and so not all religions do they're not

1439

00:53:22,950 --> 00:53:20,800

they're not focused on you know we've

1440

00:53:25,270 --> 00:53:22,960

got the major religions like islam

1441

00:53:28,549 --> 00:53:25,280

buddhism christianity

1442

00:53:31,430 --> 00:53:28,559

obviously all focused on one person um

1443

00:53:34,150 --> 00:53:31,440

but this is this is a new way we're in a

1444

00:53:36,630 --> 00:53:34,160

new epoch right so as heidegger said and

1445

00:53:39,829 --> 00:53:36,640

we're new we're in a new game-changing

1446

00:53:41,190 --> 00:53:39,839

infrastructure and so here i have i have

1447

00:53:43,510 --> 00:53:41,200

that person

1448

00:53:44,390 --> 00:53:43,520

it's this right here

1449

00:53:46,470 --> 00:53:44,400

okay

1450

00:53:48,870 --> 00:53:46,480

it's this

1451
00:53:51,030 --> 00:53:48,880
is what is gonna is is the game changer

1452
00:53:54,150 --> 00:53:51,040
and what i mean by that is that kind of

1453
00:53:56,470 --> 00:53:54,160
what i talked about earlier is that

1454
00:53:59,030 --> 00:53:56,480
a lot of people are convinced when they

1455
00:54:01,589 --> 00:53:59,040
have these amazing experiences and

1456
00:54:04,069 --> 00:54:01,599
events like a contact event okay when a

1457
00:54:06,790 --> 00:54:04,079
person experiences say

1458
00:54:09,910 --> 00:54:06,800
the virgin mary coming down like a

1459
00:54:12,150 --> 00:54:09,920
herophony okay so the the god or the

1460
00:54:14,309 --> 00:54:12,160
goddess comes down to earth

1461
00:54:15,589 --> 00:54:14,319
and people witness it and it's this

1462
00:54:17,990 --> 00:54:15,599
amazing

1463
00:54:20,870 --> 00:54:18,000

um hierophany which is

1464

00:54:22,549 --> 00:54:20,880

sacred event on earth then that people

1465

00:54:25,750 --> 00:54:22,559

talk about and that's what becomes kind

1466

00:54:28,549 --> 00:54:25,760

of religion okay so um right now what

1467

00:54:31,829 --> 00:54:28,559

we're all doing is we're all witnessing

1468

00:54:34,630 --> 00:54:31,839

the galileo project we're all witnessing

1469

00:54:36,950 --> 00:54:34,640

the new york times breakthroughs we're

1470

00:54:39,589 --> 00:54:36,960

all witnessing in my own little way

1471

00:54:40,950 --> 00:54:39,599

american cosmic right and what happened

1472

00:54:43,349 --> 00:54:40,960

to tyler and james and we're all

1473

00:54:45,910 --> 00:54:43,359

witnessing this through

1474

00:54:47,910 --> 00:54:45,920

this podcast on our computer on our

1475

00:54:51,829 --> 00:54:47,920

phone through

1476
00:54:54,230 --> 00:54:51,839
um media okay it's media itself and we

1477
00:54:56,390 --> 00:54:54,240
tend not to give it agency

1478
00:55:00,309 --> 00:54:56,400
we tend just to think of it as a

1479
00:55:03,349 --> 00:55:00,319
byproduct or a tool but it is it so it

1480
00:55:05,670 --> 00:55:03,359
is the jesus yeah so it's the medium is

1481
00:55:08,309 --> 00:55:05,680
the the medium and the proliferance of

1482
00:55:09,990 --> 00:55:08,319
it is is the jesus because it is on

1483
00:55:11,750 --> 00:55:10,000
those all these different devices yeah

1484
00:55:13,990 --> 00:55:11,760
because we're all experiencing it in

1485
00:55:16,150 --> 00:55:14,000
real time at the same time so we're all

1486
00:55:18,390 --> 00:55:16,160
getting the same information we're all

1487
00:55:21,109 --> 00:55:18,400
experiencing you know think about when

1488
00:55:23,109 --> 00:55:21,119

uh those new york times stories hit

1489

00:55:25,589 --> 00:55:23,119

i mean that was quite amazing i mean it

1490

00:55:26,630 --> 00:55:25,599

was electrifying like people like you

1491

00:55:27,990 --> 00:55:26,640

know you

1492

00:55:29,750 --> 00:55:28,000

maybe talk about your high school

1493

00:55:31,109 --> 00:55:29,760

friends who think you're weird now for

1494

00:55:33,510 --> 00:55:31,119

talking about ufos well they don't

1495

00:55:34,870 --> 00:55:33,520

anymore right because it's on the new

1496

00:55:37,510 --> 00:55:34,880

york times

1497

00:55:40,230 --> 00:55:37,520

and you know so it becomes the uh you

1498

00:55:43,430 --> 00:55:40,240

know i think we should all go re-watch

1499

00:55:45,750 --> 00:55:43,440

2001 a space odyssey because kubrick had

1500

00:55:47,750 --> 00:55:45,760

it absolutely right and he was talking

1501

00:55:50,150 --> 00:55:47,760

about i mean look this is the monolith

1502

00:55:51,270 --> 00:55:50,160

right so he's talking about the monolith

1503

00:55:54,230 --> 00:55:51,280

and um

1504

00:55:56,950 --> 00:55:54,240

what was the monolith well it's this so

1505

00:55:58,710 --> 00:55:56,960

that i so he was really correct speaking

1506

00:56:00,950 --> 00:55:58,720

of which i think i saw a text there from

1507

00:56:03,349 --> 00:56:00,960

alex dietrich she was saying eject eject

1508

00:56:05,670 --> 00:56:03,359

eject i'm just kidding

1509

00:56:07,030 --> 00:56:05,680

exactly well it's this sense in which

1510

00:56:09,430 --> 00:56:07,040

the like

1511

00:56:11,750 --> 00:56:09,440

the ritualization

1512

00:56:15,510 --> 00:56:11,760

uh and the uh official

1513

00:56:18,309 --> 00:56:15,520

medium like uh uh

1514

00:56:20,309 --> 00:56:18,319

acknowledgement is the is the spawn the

1515

00:56:23,030 --> 00:56:20,319

birth of the religion itself it's not

1516

00:56:25,270 --> 00:56:23,040

the it's not the initial experience it

1517

00:56:28,309 --> 00:56:25,280

is it is what we do to try to recreate

1518

00:56:31,109 --> 00:56:28,319

the experience through the act of ritual

1519

00:56:33,589 --> 00:56:31,119

uh or uh the approximation of the

1520

00:56:35,349 --> 00:56:33,599

experience itself like it's it's when we

1521

00:56:37,750 --> 00:56:35,359

start codifying it in that way that we

1522

00:56:39,589 --> 00:56:37,760

are really forming a system

1523

00:56:41,670 --> 00:56:39,599

well i think that andy warhol is

1524

00:56:45,430 --> 00:56:41,680

actually helpful here because andy

1525

00:56:47,750 --> 00:56:45,440

warhol in the 60s kind of took stuff

1526

00:56:50,470 --> 00:56:47,760

that was of everyday reality and

1527

00:56:52,950 --> 00:56:50,480

recreated it ad nauseum

1528

00:56:53,589 --> 00:56:52,960

what was his what was the art where was

1529

00:57:02,789 --> 00:56:53,599

it

1530

00:57:05,190 --> 00:57:02,799

one event that happens

1531

00:57:06,950 --> 00:57:05,200

it's this thing that's happening

1532

00:57:09,829 --> 00:57:06,960

there's no like this one kind of

1533

00:57:12,710 --> 00:57:09,839

heurophany it's this continuous

1534

00:57:15,190 --> 00:57:12,720

you know um x-files episode or black

1535

00:57:18,069 --> 00:57:15,200

keeps going yeah exactly and it keeps

1536

00:57:19,910 --> 00:57:18,079

showing because the technology is now we

1537

00:57:21,589 --> 00:57:19,920

never turn it off

1538

00:57:23,910 --> 00:57:21,599

we have a vehicle that we didn't have

1539

00:57:25,750 --> 00:57:23,920

because i couldn't send smoke signals to

1540

00:57:27,750 --> 00:57:25,760

nathan in north carolina about what was

1541

00:57:30,150 --> 00:57:27,760

going on if you didn't know that person

1542

00:57:31,910 --> 00:57:30,160

or correspond them with by letter then

1543

00:57:33,750 --> 00:57:31,920

you couldn't but now we can do this like

1544

00:57:36,069 --> 00:57:33,760

you're saying we could do it all day

1545

00:57:38,069 --> 00:57:36,079

long all night long that's right and in

1546

00:57:40,549 --> 00:57:38,079

fact it will go if it's being recorded

1547

00:57:43,270 --> 00:57:40,559

it will be going you know kind of like

1548

00:57:44,470 --> 00:57:43,280

the there's no end to it right that's a

1549

00:57:47,910 --> 00:57:44,480

good point

1550

00:57:48,950 --> 00:57:47,920

so i'm i'm curiou i'm i'm curious um

1551

00:57:55,430 --> 00:57:48,960

so

1552

00:57:58,549 --> 00:57:55,440

know fundamental structure to support

1553

00:58:01,589 --> 00:57:58,559

all of these objective experiences um so

1554

00:58:03,349 --> 00:58:01,599

you mentioned uh you know uh mary uh

1555

00:58:05,750 --> 00:58:03,359

just last week i was in israel i had a

1556

00:58:07,589 --> 00:58:05,760

chance to actually go to uh the the

1557

00:58:08,390 --> 00:58:07,599

church at the annotation and you know

1558

00:58:11,190 --> 00:58:08,400

apparently

1559

00:58:14,549 --> 00:58:11,200

see the the grotto where that had

1560

00:58:16,230 --> 00:58:14,559

happened uh where the angel gabriel came

1561

00:58:18,870 --> 00:58:16,240

down and visited mary to make the

1562

00:58:20,549 --> 00:58:18,880

declaration about jesus

1563

00:58:23,430 --> 00:58:20,559

it's the same angel gabriel that made

1564

00:58:26,069 --> 00:58:23,440

the same declaration to muhammad

1565

00:58:28,870 --> 00:58:26,079

um and you know so you you have these

1566

00:58:32,069 --> 00:58:28,880

these different subjective experiences

1567

00:58:34,390 --> 00:58:32,079

um that have to have some sort of uh

1568

00:58:37,990 --> 00:58:34,400

formal structure that's built so i'm

1569

00:58:40,549 --> 00:58:38,000

curious um once the declaration is made

1570

00:58:43,430 --> 00:58:40,559

and you have all of these collective

1571

00:58:45,270 --> 00:58:43,440

subjective experiences globally um you

1572

00:58:46,069 --> 00:58:45,280

know where is the

1573

00:58:47,270 --> 00:58:46,079

the

1574

00:58:49,750 --> 00:58:47,280

skeleton

1575

00:58:52,150 --> 00:58:49,760

of this uh religion how would it you

1576

00:58:54,549 --> 00:58:52,160

know how would it evolve

1577

00:58:58,069 --> 00:58:54,559

yes so we are inside that skeleton at

1578

00:59:03,750 --> 00:59:00,710

so we're you know it's like we're within

1579

00:59:06,789 --> 00:59:03,760

we're within technology now yeah we're

1580

00:59:07,910 --> 00:59:06,799

all virtual talking to each other so i'm

1581

00:59:13,750 --> 00:59:07,920

trying to

1582

00:59:16,950 --> 00:59:13,760

the the way of looking at it you know

1583

00:59:18,870 --> 00:59:16,960

there's it's a new form of religion it's

1584

00:59:20,870 --> 00:59:18,880

not a new religion and when i say

1585

00:59:21,670 --> 00:59:20,880

religion i'm talking about

1586

00:59:23,750 --> 00:59:21,680

uh

1587

00:59:25,750 --> 00:59:23,760

the elements of religion so i'm talking

1588

00:59:28,789 --> 00:59:25,760

about a belief system

1589

00:59:31,270 --> 00:59:28,799

um a belief system that

1590

00:59:33,670 --> 00:59:31,280

has spiritual connotations

1591

00:59:35,910 --> 00:59:33,680

so you know a lot of people

1592

00:59:37,589 --> 00:59:35,920

first you know we've not seen just like

1593

00:59:40,309 --> 00:59:37,599

we had we you know a lot of atheists

1594

00:59:45,510 --> 00:59:40,319

will say give me evidence of god and

1595

00:59:49,750 --> 00:59:48,789

so give me evidence of a ufo and i'll

1596

00:59:52,230 --> 00:59:49,760

believe

1597

00:59:53,750 --> 00:59:52,240

okay well all of a sudden you know for

1598

00:59:56,870 --> 00:59:53,760

the for the longest time everybody's

1599

00:59:58,630 --> 00:59:56,880

like i can't do it can't do it and then

1600

01:00:00,789 --> 00:59:58,640

you know i come along and i say whoa

1601
01:00:02,549 --> 01:00:00,799
these people think they have evidence

1602
01:00:04,390 --> 01:00:02,559
okay and then the new york times

1603
01:00:07,109 --> 01:00:04,400
articles come along and they say oh yeah

1604
01:00:09,030 --> 01:00:07,119
we've got evidence right and so there's

1605
01:00:10,950 --> 01:00:09,040
this but we still don't know and where's

1606
01:00:12,630 --> 01:00:10,960
the evidence and so what i'm trying to

1607
01:00:13,589 --> 01:00:12,640
say here is that

1608
01:00:15,829 --> 01:00:13,599
um

1609
01:00:18,150 --> 01:00:15,839
it sure does look like

1610
01:00:20,150 --> 01:00:18,160
belief is something that we can't prove

1611
01:00:22,710 --> 01:00:20,160
that we don't have evidence for

1612
01:00:25,589 --> 01:00:22,720
yet it's a robust belief and it's

1613
01:00:27,270 --> 01:00:25,599

getting institutional backing say here

1614

01:00:30,230 --> 01:00:27,280

with you know obviously

1615

01:00:32,789 --> 01:00:30,240

and with the june 25th pentagon military

1616

01:00:35,109 --> 01:00:32,799

report that comes out and says

1617

01:00:37,430 --> 01:00:35,119

yes you know just like it did in 1952

1618

01:00:39,190 --> 01:00:37,440

yes you know we there are these things

1619

01:00:41,349 --> 01:00:39,200

um and we do want to study them and now

1620

01:00:42,789 --> 01:00:41,359

money is um you know the government is

1621

01:00:44,630 --> 01:00:42,799

trying to get money together to study

1622

01:00:46,710 --> 01:00:44,640

this so that looks like institutional

1623

01:00:48,710 --> 01:00:46,720

support akin to

1624

01:00:50,710 --> 01:00:48,720

what has happened in the religions that

1625

01:00:52,309 --> 01:00:50,720

you talked about earlier because that's

1626

01:00:54,870 --> 01:00:52,319

the formation of these religions they

1627

01:00:57,829 --> 01:00:54,880

start out rogue right and then they

1628

01:00:59,750 --> 01:00:57,839

become institutionalized by a powerful

1629

01:01:02,069 --> 01:00:59,760

is a structure like a government

1630

01:01:03,910 --> 01:01:02,079

generally like christianity you're in

1631

01:01:04,710 --> 01:01:03,920

the place of worship right now that's

1632

01:01:07,030 --> 01:01:04,720

right

1633

01:01:10,069 --> 01:01:07,040

i'm going to pass out the tithing

1634

01:01:11,030 --> 01:01:10,079

yeah so you're saying that um let me

1635

01:01:13,030 --> 01:01:11,040

hear it make sure i'm hearing you

1636

01:01:15,670 --> 01:01:13,040

correctly that like at the constantine

1637

01:01:17,910 --> 01:01:15,680

moment where it it becomes the the state

1638

01:01:19,510 --> 01:01:17,920

religion and it unifies the roman empire

1639

01:01:21,589 --> 01:01:19,520

in a way that it you know maybe hadn't

1640

01:01:22,710 --> 01:01:21,599

been before or at least in a long time

1641

01:01:24,870 --> 01:01:22,720

um

1642

01:01:27,349 --> 01:01:24,880

you know i always viewed that and maybe

1643

01:01:28,950 --> 01:01:27,359

incorrectly that you know constantine

1644

01:01:31,270 --> 01:01:28,960

sort of sees an opportunity you know

1645

01:01:33,349 --> 01:01:31,280

like hey like i've got some something i

1646

01:01:34,789 --> 01:01:33,359

can really latch on to it's a monotheism

1647

01:01:36,710 --> 01:01:34,799

which is great because i can align like

1648

01:01:38,630 --> 01:01:36,720

the state structure with uh the

1649

01:01:40,549 --> 01:01:38,640

monotheistic belief system and i could

1650

01:01:42,470 --> 01:01:40,559

be closer to the divine and people will

1651

01:01:45,030 --> 01:01:42,480

believe that i'm i've got the ear of god

1652

01:01:46,069 --> 01:01:45,040

or whatever um so you're saying that um

1653

01:01:47,670 --> 01:01:46,079

the state

1654

01:01:50,829 --> 01:01:47,680

in this instance the united states

1655

01:01:53,349 --> 01:01:50,839

government you know may potentially

1656

01:01:55,829 --> 01:01:53,359

use this uh

1657

01:01:59,029 --> 01:01:55,839

you know ufology or the phenomenon as in

1658

01:02:01,270 --> 01:01:59,039

a similar fashion as a like a unifying

1659

01:02:03,510 --> 01:02:01,280

worldview creation moment

1660

01:02:05,990 --> 01:02:03,520

if if they kind of back it officially is

1661

01:02:08,069 --> 01:02:06,000

that that they could then

1662

01:02:11,430 --> 01:02:08,079

take advantage of it okay so i'm saying

1663

01:02:15,190 --> 01:02:11,440

that this is the this has this is the uh

1664

01:02:17,109 --> 01:02:15,200

these are the steps in the creation of a

1665

01:02:18,870 --> 01:02:17,119

belief system like a religion indeed

1666

01:02:20,950 --> 01:02:18,880

this is the case okay you can see it

1667

01:02:22,870 --> 01:02:20,960

with buddhism um you can see it with

1668

01:02:23,670 --> 01:02:22,880

christianity you can see it with islam

1669

01:02:27,109 --> 01:02:23,680

right

1670

01:02:29,270 --> 01:02:27,119

um okay so if that's the case and it is

1671

01:02:30,710 --> 01:02:29,280

and i and if we take that template and

1672

01:02:34,069 --> 01:02:30,720

we stick it onto

1673

01:02:36,150 --> 01:02:34,079

you know the 1940s well what happened

1674

01:02:37,109 --> 01:02:36,160

there you know some strange things

1675

01:02:39,029 --> 01:02:37,119

happened

1676

01:02:41,109 --> 01:02:39,039

and then there was a narrative

1677

01:02:43,109 --> 01:02:41,119

and that narrative was absolutely

1678

01:02:45,430 --> 01:02:43,119

controlled right i mean we know it

1679

01:02:47,670 --> 01:02:45,440

project blue book they there

1680

01:02:49,670 --> 01:02:47,680

even there's a lot that is still

1681

01:02:51,670 --> 01:02:49,680

classified that we don't know and that's

1682

01:02:53,349 --> 01:02:51,680

something we should talk about too um

1683

01:02:54,950 --> 01:02:53,359

because as a researcher

1684

01:02:56,549 --> 01:02:54,960

you've got if you don't talk about that

1685

01:02:59,910 --> 01:02:56,559

you're not doing good research you've

1686

01:03:02,150 --> 01:02:59,920

got to say i don't have access to these

1687

01:03:05,109 --> 01:03:02,160

records because in this history because

1688

01:03:06,870 --> 01:03:05,119

it's classified and the people who do by

1689

01:03:09,029 --> 01:03:06,880

the way dj the people who do air force

1690

01:03:10,710 --> 01:03:09,039

history those historians are super

1691

01:03:12,870 --> 01:03:10,720

honest because if you go to the history

1692

01:03:13,990 --> 01:03:12,880

of the air force they just right frankly

1693

01:03:15,829 --> 01:03:14,000

say

1694

01:03:17,750 --> 01:03:15,839

yeah we can't tell you all the history

1695

01:03:19,990 --> 01:03:17,760

but we'll tell you this much and the

1696

01:03:21,990 --> 01:03:20,000

historians of the future will get the

1697

01:03:23,910 --> 01:03:22,000

declassified stuff and we can then tell

1698

01:03:26,390 --> 01:03:23,920

you what happened

1699

01:03:29,430 --> 01:03:26,400

i'm not afraid to be critical of of the

1700

01:03:31,990 --> 01:03:29,440

institution of my uh the institution i

1701

01:03:33,349 --> 01:03:32,000

love i i i'm critical of myself i'll be

1702

01:03:34,950 --> 01:03:33,359

critical of them

1703

01:03:37,109 --> 01:03:34,960

hey you know i mean i'm sure they did

1704

01:03:38,549 --> 01:03:37,119

for a reason right so we're u.s citizens

1705

01:03:40,870 --> 01:03:38,559

and you know

1706

01:03:43,190 --> 01:03:40,880

they who knows what they did it for but

1707

01:03:46,230 --> 01:03:43,200

it's classified and so but there was

1708

01:03:48,470 --> 01:03:46,240

also an education or i'm kind of like a

1709

01:03:50,150 --> 01:03:48,480

debunking um

1710

01:03:52,470 --> 01:03:50,160

that happened through project blue book

1711

01:03:55,589 --> 01:03:52,480

right um the robertson panel suggested

1712

01:03:57,109 --> 01:03:55,599

that the government engage in debunking

1713

01:03:59,990 --> 01:03:57,119

of people you know basically to

1714

01:04:02,470 --> 01:04:00,000

stigmatize this knowledge and so if you

1715

01:04:04,950 --> 01:04:02,480

don't see that as the part of the

1716

01:04:07,510 --> 01:04:04,960

structure of which i'm talking about um

1717

01:04:09,589 --> 01:04:07,520

it's pretty darn clear um is it still

1718

01:04:10,829 --> 01:04:09,599

happening i mean let's hope that it is

1719

01:04:14,630 --> 01:04:10,839

not happening

1720

01:04:16,950 --> 01:04:14,640

now not to the level it was so

1721

01:04:18,549 --> 01:04:16,960

so it's an interesting point that um

1722

01:04:19,589 --> 01:04:18,559

nathan brought up about the nigerian

1723

01:04:22,870 --> 01:04:19,599

council

1724

01:04:26,630 --> 01:04:22,880

um you know under you know uh you know

1725

01:04:28,710 --> 01:04:26,640

the the roman rule um we were you know

1726

01:04:30,309 --> 01:04:28,720

forced to come up with the modern bible

1727

01:04:32,549 --> 01:04:30,319

as we have it today

1728

01:04:34,750 --> 01:04:32,559

um but you know it's doctrine it was

1729

01:04:38,789 --> 01:04:34,760

collected doctrine that needed to be

1730

01:04:41,029 --> 01:04:38,799

consolidated so i know that you um have

1731

01:04:43,750 --> 01:04:41,039

had access to a lot of folks that are in

1732

01:04:45,990 --> 01:04:43,760

the know quote unquote in the know um

1733

01:04:48,630 --> 01:04:46,000

and i'm curious um

1734

01:04:50,470 --> 01:04:48,640

where do you think that this doctrine

1735

01:04:51,990 --> 01:04:50,480

uh for this new religion would be

1736

01:04:53,589 --> 01:04:52,000

sourced from do you think it would be

1737

01:04:55,430 --> 01:04:53,599

sourced from individuals or do you think

1738

01:04:56,870 --> 01:04:55,440

it would be sourced uh from the

1739

01:04:59,510 --> 01:04:56,880

government or do you think it would be

1740

01:05:02,150 --> 01:04:59,520

sourced from science

1741

01:05:04,390 --> 01:05:02,160

okay so that's a really good question um

1742

01:05:06,470 --> 01:05:04,400

did you guys like hand pick mark to ask

1743

01:05:09,109 --> 01:05:06,480

these questions yes actually we did yeah

1744

01:05:10,549 --> 01:05:09,119

very sophisticated yeah

1745

01:05:12,390 --> 01:05:10,559

um

1746

01:05:14,710 --> 01:05:12,400

yeah okay so where is this going to be

1747

01:05:17,670 --> 01:05:14,720

sourced from um let me point out though

1748

01:05:19,750 --> 01:05:17,680

that in the history of christianity and

1749

01:05:22,549 --> 01:05:19,760

especially when the council of nicaea

1750

01:05:25,270 --> 01:05:22,559

happened um a lot there were

1751

01:05:28,309 --> 01:05:25,280

hundreds maybe even a thousand different

1752

01:05:31,510 --> 01:05:28,319

varieties of christianity okay and so

1753

01:05:34,710 --> 01:05:31,520

the constantine kind of pushed his form

1754

01:05:37,670 --> 01:05:34,720

of christianity backed by the bishops

1755

01:05:38,710 --> 01:05:37,680

and they solidified and made dogmatic

1756

01:05:39,990 --> 01:05:38,720

right so

1757

01:05:42,230 --> 01:05:40,000

you know

1758

01:05:44,309 --> 01:05:42,240

you had to believe this or we will burn

1759

01:05:46,470 --> 01:05:44,319

your books literally okay

1760

01:05:47,990 --> 01:05:46,480

so um you know

1761

01:05:50,789 --> 01:05:48,000

they're

1762

01:05:52,870 --> 01:05:50,799

so people basically you know that's

1763

01:05:54,549 --> 01:05:52,880

that's what happens a lot of times then

1764

01:05:56,150 --> 01:05:54,559

those varieties of

1765

01:05:58,230 --> 01:05:56,160

christian traditions

1766

01:06:00,150 --> 01:05:58,240

are unknown and we don't know about them

1767

01:06:02,069 --> 01:06:00,160

today we do know about some

1768

01:06:03,750 --> 01:06:02,079

um did they survive

1769

01:06:05,589 --> 01:06:03,760

uh are there elements of those

1770

01:06:06,710 --> 01:06:05,599

traditions that survived

1771

01:06:08,230 --> 01:06:06,720

um so

1772

01:06:10,069 --> 01:06:08,240

yes there are elements of those

1773

01:06:11,589 --> 01:06:10,079

traditions that survive like gnosticism

1774

01:06:14,470 --> 01:06:11,599

and things like that they survived in

1775

01:06:18,069 --> 01:06:14,480

the monastic communities and so um and

1776

01:06:20,789 --> 01:06:18,079

we see that um and people try to recover

1777

01:06:22,390 --> 01:06:20,799

that now why uh because maybe there's

1778

01:06:24,549 --> 01:06:22,400

something really interesting there

1779

01:06:27,190 --> 01:06:24,559

that's not part of the dometic i mean

1780

01:06:29,430 --> 01:06:27,200

dogmatic uh you know

1781

01:06:32,390 --> 01:06:29,440

interpretation of christianity so how

1782

01:06:33,430 --> 01:06:32,400

does that apply to ufology or to ufo

1783

01:06:36,069 --> 01:06:33,440

belief

1784

01:06:38,549 --> 01:06:36,079

um i think this is how it applies i

1785

01:06:41,109 --> 01:06:38,559

think that just as you know you can have

1786

01:06:43,750 --> 01:06:41,119

your dogmatic institutional

1787

01:06:45,510 --> 01:06:43,760

um belief structure do you know how many

1788

01:06:47,829 --> 01:06:45,520

roads people are going to be out there

1789

01:06:49,589 --> 01:06:47,839

having their own contact experiences and

1790

01:06:51,270 --> 01:06:49,599

doing their own science and doing their

1791

01:06:52,710 --> 01:06:51,280

own things those are the people that are

1792

01:06:53,750 --> 01:06:52,720

going to be truly exceptional in my

1793

01:06:55,430 --> 01:06:53,760

opinion

1794

01:06:57,829 --> 01:06:55,440

um but those are not you know and i

1795

01:06:59,270 --> 01:06:57,839

think that it's those people who

1796

01:07:01,349 --> 01:06:59,280

you know they create the

1797

01:07:03,589 --> 01:07:01,359

mutation they create the mutation in a

1798

01:07:05,510 --> 01:07:03,599

good way because you know a lot of times

1799

01:07:07,910 --> 01:07:05,520

the reason why we progress is because of

1800

01:07:10,870 --> 01:07:07,920

mutations that are positive mutations

1801
01:07:11,910 --> 01:07:10,880
and so i don't think that it's you know

1802
01:07:15,109 --> 01:07:11,920
i don't think a lot of people are going

1803
01:07:17,589 --> 01:07:15,119
to be following the this the line of you

1804
01:07:20,230 --> 01:07:17,599
know say saying for

1805
01:07:21,829 --> 01:07:20,240
uh let's just say because

1806
01:07:23,430 --> 01:07:21,839
there's precedent for this that the

1807
01:07:26,069 --> 01:07:23,440
government decides that it's the

1808
01:07:27,349 --> 01:07:26,079
scientists within its own programs that

1809
01:07:29,829 --> 01:07:27,359
are going to be the ones who are going

1810
01:07:31,190 --> 01:07:29,839
to give us knowledge about uaps and ufos

1811
01:07:33,589 --> 01:07:31,200
well that's going to be

1812
01:07:35,430 --> 01:07:33,599
uh sure that's going to be very

1813
01:07:37,270 --> 01:07:35,440

surprising for those people who already

1814

01:07:39,190 --> 01:07:37,280

are having all these contact events

1815

01:07:41,349 --> 01:07:39,200

right and it's you know and perhaps it's

1816

01:07:42,789 --> 01:07:41,359

going to basically um people won't

1817

01:07:44,870 --> 01:07:42,799

believe those people because they're not

1818

01:07:46,630 --> 01:07:44,880

authoritative they don't have phds you

1819

01:07:49,510 --> 01:07:46,640

know they're not you know associated

1820

01:07:50,870 --> 01:07:49,520

with you know the government in in ways

1821

01:07:53,829 --> 01:07:50,880

and but they're still having those

1822

01:07:54,950 --> 01:07:53,839

experiences it's it's religion generally

1823

01:07:57,029 --> 01:07:54,960

that's what happens in religion

1824

01:07:58,870 --> 01:07:57,039

generally there's always going to be the

1825

01:08:01,510 --> 01:07:58,880

people who consider themselves to be

1826

01:08:03,430 --> 01:08:01,520

orthodox and those who are doing what's

1827

01:08:05,990 --> 01:08:03,440

called unorthodox you know they're

1828

01:08:07,910 --> 01:08:06,000

unorthodox and um i guess i guess that's

1829

01:08:10,150 --> 01:08:07,920

what my research is about you know i

1830

01:08:12,870 --> 01:08:10,160

happened upon a lot of the people who i

1831

01:08:15,190 --> 01:08:12,880

consider to be quite an orthodox um for

1832

01:08:17,590 --> 01:08:15,200

scientists they were but they're you

1833

01:08:18,789 --> 01:08:17,600

know they're ensconced within this

1834

01:08:22,309 --> 01:08:18,799

white club

1835

01:08:23,189 --> 01:08:22,319

type of uh environment of uap study

1836

01:08:24,390 --> 01:08:23,199

and

1837

01:08:25,749 --> 01:08:24,400

um

1838

01:08:28,149 --> 01:08:25,759

and there's lots of other people who

1839

01:08:29,510 --> 01:08:28,159

make amazing discoveries who are not

1840

01:08:31,749 --> 01:08:29,520

within that

1841

01:08:33,669 --> 01:08:31,759

right yeah it's this valuable role that

1842

01:08:36,789 --> 01:08:33,679

uh like uh

1843

01:08:39,189 --> 01:08:36,799

dogma and orthodoxy and heresy play in

1844

01:08:41,510 --> 01:08:39,199

the development of belief like they they

1845

01:08:43,510 --> 01:08:41,520

actually function they're codependent

1846

01:08:45,669 --> 01:08:43,520

and and they influence and so that you

1847

01:08:48,630 --> 01:08:45,679

know heresies often over time become the

1848

01:08:50,229 --> 01:08:48,640

new dogma the new orthodoxy so you know

1849

01:08:51,749 --> 01:08:50,239

i think we'll see that in this space we

1850

01:08:53,669 --> 01:08:51,759

already are we already do see it we sit

1851
01:08:55,110 --> 01:08:53,679
now you know there's this and are going

1852
01:08:56,630 --> 01:08:55,120
in the community it's often talked about

1853
01:08:58,229 --> 01:08:56,640
you know we have the nuts and bolts

1854
01:09:00,470 --> 01:08:58,239
people we have the experienter people

1855
01:09:03,110 --> 01:09:00,480
and you know which one has the truth

1856
01:09:05,749 --> 01:09:03,120
with a capital t and in fact it's going

1857
01:09:07,269 --> 01:09:05,759
to have to kind of be across all these

1858
01:09:09,189 --> 01:09:07,279
different things

1859
01:09:10,630 --> 01:09:09,199
i guess that makes me want to switch to

1860
01:09:12,070 --> 01:09:10,640
the last sort of topics i wanted to get

1861
01:09:14,789 --> 01:09:12,080
into with you and that that is sort of

1862
01:09:16,470 --> 01:09:14,799
these ontological models generally you

1863
01:09:17,829 --> 01:09:16,480

know so when you're interacting with

1864

01:09:20,470 --> 01:09:17,839

folks that

1865

01:09:21,590 --> 01:09:20,480

were in the invisible college uh or

1866

01:09:23,910 --> 01:09:21,600

others that were you know really

1867

01:09:27,669 --> 01:09:23,920

studying this very inten intently

1868

01:09:29,910 --> 01:09:27,679

did you see in all any sort of um

1869

01:09:31,669 --> 01:09:29,920

recurring or common uh sort of

1870

01:09:34,070 --> 01:09:31,679

ontological belief systems that they

1871

01:09:36,789 --> 01:09:34,080

shared about what it was or about their

1872

01:09:39,669 --> 01:09:36,799

worldview more generally

1873

01:09:40,630 --> 01:09:39,679

yeah sure that's a great question um

1874

01:09:43,110 --> 01:09:40,640

so

1875

01:09:44,709 --> 01:09:43,120

it seemed to me

1876

01:09:46,789 --> 01:09:44,719

that

1877

01:09:49,910 --> 01:09:46,799

they were well you know we're talking

1878

01:09:52,789 --> 01:09:49,920

about people who are physicists you know

1879

01:09:56,950 --> 01:09:52,799

and um some astrophysicists

1880

01:09:58,630 --> 01:09:56,960

medical doctors um molecular biologists

1881

01:10:00,790 --> 01:09:58,640

um you know so

1882

01:10:02,950 --> 01:10:00,800

they're looking at

1883

01:10:04,070 --> 01:10:02,960

phenomena that they

1884

01:10:07,590 --> 01:10:04,080

could not

1885

01:10:09,910 --> 01:10:07,600

they couldn't understand it okay so um

1886

01:10:12,550 --> 01:10:09,920

they had to come up with explanatory

1887

01:10:14,070 --> 01:10:12,560

frameworks in order to describe what it

1888

01:10:16,229 --> 01:10:14,080

was that they're

1889

01:10:17,830 --> 01:10:16,239

looking at and then of course you have

1890

01:10:20,310 --> 01:10:17,840

very wealthy people who are interested

1891

01:10:21,910 --> 01:10:20,320

in supporting that research because

1892

01:10:23,669 --> 01:10:21,920

that's probably going to give them an

1893

01:10:26,630 --> 01:10:23,679

edge i guess that's what they're

1894

01:10:29,110 --> 01:10:26,640

thinking their motivations i don't know

1895

01:10:30,630 --> 01:10:29,120

but that you know i found that there are

1896

01:10:32,950 --> 01:10:30,640

a lot of very wealthy people who are

1897

01:10:35,750 --> 01:10:32,960

interested um in this

1898

01:10:38,390 --> 01:10:35,760

and so that can that means that there's

1899

01:10:41,189 --> 01:10:38,400

like this privatized area of research

1900

01:10:42,950 --> 01:10:41,199

that's not controlled by the government

1901

01:10:44,630 --> 01:10:42,960

and um

1902

01:10:45,830 --> 01:10:44,640

and then these then the government

1903

01:10:47,430 --> 01:10:45,840

realizes that a lot of really

1904

01:10:50,229 --> 01:10:47,440

interesting research is happening over

1905

01:10:52,149 --> 01:10:50,239

here in this privatized area and so it

1906

01:10:55,510 --> 01:10:52,159

kind of tries to get in on it right and

1907

01:10:58,470 --> 01:10:55,520

does get in on it and um

1908

01:10:59,270 --> 01:10:58,480

so ontologically then i think that i

1909

01:11:00,550 --> 01:10:59,280

mean

1910

01:11:01,990 --> 01:11:00,560

personally

1911

01:11:04,390 --> 01:11:02,000

because i've had such a background in

1912

01:11:06,790 --> 01:11:04,400

philosophy i think that a lot of the

1913

01:11:08,790 --> 01:11:06,800

ontological frameworks that

1914

01:11:11,110 --> 01:11:08,800

people in the invisible college have

1915

01:11:13,910 --> 01:11:11,120

with the exception of maybe jacques

1916

01:11:16,630 --> 01:11:13,920

ballet um they need to get they need to

1917

01:11:17,430 --> 01:11:16,640

kind of lose old frameworks and start to

1918

01:11:19,590 --> 01:11:17,440

see

1919

01:11:21,830 --> 01:11:19,600

that you know they

1920

01:11:23,990 --> 01:11:21,840

i think that they need to see that

1921

01:11:25,990 --> 01:11:24,000

perhaps onto logically

1922

01:11:29,270 --> 01:11:26,000

it's whatever it is that they're looking

1923

01:11:31,510 --> 01:11:29,280

at is inherently meaningful

1924

01:11:34,550 --> 01:11:31,520

because we tend to think of matter and

1925

01:11:37,030 --> 01:11:34,560

things as like inert without meaning

1926

01:11:38,790 --> 01:11:37,040

only meaning we ascribe to it but it

1927

01:11:40,550 --> 01:11:38,800

seems to me that whatever it is that we

1928

01:11:42,070 --> 01:11:40,560

are studying it seems to have some kind

1929

01:11:43,590 --> 01:11:42,080

of innate meaning

1930

01:11:47,030 --> 01:11:43,600

and i think and that's where it gets

1931

01:11:49,430 --> 01:11:47,040

into this event because you know um

1932

01:11:51,270 --> 01:11:49,440

now remember i'm in you know i'm in a

1933

01:11:53,590 --> 01:11:51,280

philosophy and religion department so a

1934

01:11:56,550 --> 01:11:53,600

lot of the conversations are about

1935

01:11:58,709 --> 01:11:56,560

ontology and what is you know what are

1936

01:12:00,149 --> 01:11:58,719

these what is a theme what is an object

1937

01:12:01,830 --> 01:12:00,159

even martin heidegger has an essay

1938

01:12:03,590 --> 01:12:01,840

called what is an object

1939

01:12:05,510 --> 01:12:03,600

and once you start to break it down heck

1940

01:12:06,229 --> 01:12:05,520

there is no thing there right right and

1941

01:12:08,950 --> 01:12:06,239

so

1942

01:12:10,149 --> 01:12:08,960

things have to be things have to happen

1943

01:12:11,590 --> 01:12:10,159

in time

1944

01:12:13,830 --> 01:12:11,600

so whatever it is that we're studying

1945

01:12:15,510 --> 01:12:13,840

this whole idea of synchronicity fits in

1946

01:12:17,990 --> 01:12:15,520

there with it and if you get to the

1947

01:12:19,430 --> 01:12:18,000

meaning of these things you begin to see

1948

01:12:22,550 --> 01:12:19,440

wow you know there's some kind of

1949

01:12:24,709 --> 01:12:22,560

intrinsic meaning to these events

1950

01:12:27,030 --> 01:12:24,719

these event objects things right so

1951

01:12:30,390 --> 01:12:27,040

ontologically so i think that

1952

01:12:32,229 --> 01:12:30,400

so you asked me i guess nathan

1953

01:12:34,390 --> 01:12:32,239

what were like the people in the

1954

01:12:37,350 --> 01:12:34,400

invisible college what are they thinking

1955

01:12:39,350 --> 01:12:37,360

in terms of what's the ontological

1956

01:12:40,709 --> 01:12:39,360

being or framework of these of the

1957

01:12:42,630 --> 01:12:40,719

phenomena

1958

01:12:43,990 --> 01:12:42,640

i think that they don't know i think

1959

01:12:46,070 --> 01:12:44,000

that they're questioning they're trying

1960

01:12:49,110 --> 01:12:46,080

to figure it out and i also think that

1961

01:12:52,070 --> 01:12:49,120

there is um invisible college is like

1962

01:12:54,950 --> 01:12:52,080

the second generation there's first

1963

01:12:57,430 --> 01:12:54,960

generation 1940s 1950s

1964

01:12:59,750 --> 01:12:57,440

second generation invisible college the

1965

01:13:01,669 --> 01:12:59,760

people from the 1960s 70s maybe into the

1966

01:13:04,630 --> 01:13:01,679

80s and then we have fight club the

1967

01:13:06,630 --> 01:13:04,640

fight club general okay and so i think

1968

01:13:09,270 --> 01:13:06,640

that um the people in the fight club

1969

01:13:10,790 --> 01:13:09,280

generation are the ones who are um more

1970

01:13:13,590 --> 01:13:10,800

technologically

1971

01:13:15,669 --> 01:13:13,600

sophisticated and understand kind of

1972

01:13:17,430 --> 01:13:15,679

more the physics of today

1973

01:13:19,350 --> 01:13:17,440

and um

1974

01:13:22,070 --> 01:13:19,360

and yeah so i think that things are a

1975

01:13:23,669 --> 01:13:22,080

lot different so a lot of people ask me

1976

01:13:25,590 --> 01:13:23,679

to introduce them to the evangelical

1977

01:13:27,910 --> 01:13:25,600

college right happens all the time it

1978

01:13:30,870 --> 01:13:27,920

happens when people hollywood it happens

1979

01:13:32,790 --> 01:13:30,880

from students or like some people i

1980

01:13:35,030 --> 01:13:32,800

don't even know email me and say hey i

1981

01:13:36,149 --> 01:13:35,040

have this idea can you introduce me to

1982

01:13:38,070 --> 01:13:36,159

some you know

1983

01:13:39,590 --> 01:13:38,080

name a person in the evening

1984

01:13:41,430 --> 01:13:39,600

a lot of us know who they are already

1985

01:13:44,310 --> 01:13:41,440

right sure not like they're invisible

1986

01:13:46,870 --> 01:13:44,320

anymore right okay wait diana can we

1987

01:13:49,350 --> 01:13:46,880

just see your invisible college id card

1988

01:13:52,950 --> 01:13:49,360

or your your swipe badge to enter the

1989

01:13:52,960 --> 01:13:56,870

just kidding all right so

1990

01:14:00,870 --> 01:13:59,430

all right um

1991

01:14:02,630 --> 01:14:00,880

nathan's got to make the call because

1992

01:14:03,990 --> 01:14:02,640

there are people in the chat that that

1993

01:14:05,189 --> 01:14:04,000

want to ask questions that's going to be

1994

01:14:07,270 --> 01:14:05,199

up to nathan

1995

01:14:08,870 --> 01:14:07,280

um and i was going to ask a question

1996

01:14:10,550 --> 01:14:08,880

about the invisible college but we don't

1997

01:14:12,870 --> 01:14:10,560

have a lot more time

1998

01:14:15,669 --> 01:14:12,880

so i want to uh give those people the

1999

01:14:17,430 --> 01:14:15,679

opportunity yeah

2000

01:14:19,430 --> 01:14:17,440

thank you guys so much for having me

2001

01:14:20,950 --> 01:14:19,440

yeah mark thank you man mark

2002

01:14:23,270 --> 01:14:20,960

thanks for bringing a great question

2003

01:14:24,950 --> 01:14:23,280

namaste brother where's your hair uh can

2004

01:14:26,470 --> 01:14:24,960

i see your hair

2005

01:14:28,229 --> 01:14:26,480

you look like steve jobs there we go

2006

01:14:30,470 --> 01:14:28,239

okay all right all right you look like

2007

01:14:32,149 --> 01:14:30,480

steve jobs tonight all right man see you

2008

01:14:33,590 --> 01:14:32,159

brother thank you all right

2009

01:14:34,870 --> 01:14:33,600

good job well i don't want to spend a

2010

01:14:36,070 --> 01:14:34,880

lot of time on it but i do want to ask

2011

01:14:38,149 --> 01:14:36,080

you this because a lot of people wanted

2012

01:14:40,229 --> 01:14:38,159

me to ask you about this so it relates

2013

01:14:41,110 --> 01:14:40,239

to on the ontological models but it's

2014

01:14:43,430 --> 01:14:41,120

about

2015

01:14:45,669 --> 01:14:43,440

eschatological models all right so of

2016

01:14:48,070 --> 01:14:45,679

course we we know that the way that we

2017

01:14:49,590 --> 01:14:48,080

might think yeah exactly

2018

01:14:52,709 --> 01:14:49,600

we know that the way in which we think

2019

01:14:54,390 --> 01:14:52,719

about the end our own end or the end of

2020

01:14:55,990 --> 01:14:54,400

the cosmos or whatever it may be what

2021

01:14:57,590 --> 01:14:56,000

the end of the story happens to be the

2022

01:15:00,070 --> 01:14:57,600

way people think about that influences

2023

01:15:01,910 --> 01:15:00,080

the way we act in the present

2024

01:15:03,990 --> 01:15:01,920

and we also know or we've heard there

2025

01:15:05,430 --> 01:15:04,000

are those who have some degree of

2026

01:15:07,910 --> 01:15:05,440

connection to the phenomenon either

2027

01:15:09,270 --> 01:15:07,920

studying it or in agencies or whatever

2028

01:15:12,149 --> 01:15:09,280

have

2029

01:15:14,310 --> 01:15:12,159

particular eschatological views that the

2030

01:15:16,310 --> 01:15:14,320

phenomenon they may be able to

2031

01:15:19,189 --> 01:15:16,320

wield it or manipulate it or something

2032

01:15:20,709 --> 01:15:19,199

to bring about an end time event

2033

01:15:22,550 --> 01:15:20,719

uh you know what what are your thoughts

2034

01:15:25,189 --> 01:15:22,560

on you know this

2035

01:15:26,310 --> 01:15:25,199

uh notion generally and and what model

2036

01:15:28,550 --> 01:15:26,320

do you see

2037

01:15:31,270 --> 01:15:28,560

most prevalent uh in the thinking of

2038

01:15:33,910 --> 01:15:31,280

those who are in the invisible college

2039

01:15:35,110 --> 01:15:33,920

okay so this is the collins elite

2040

01:15:36,950 --> 01:15:35,120

question

2041

01:15:39,510 --> 01:15:36,960

is this correct yeah in a roundabout way

2042

01:15:41,110 --> 01:15:39,520

yeah right right okay okay okay

2043

01:15:43,669 --> 01:15:41,120

so um you got me

2044

01:15:45,510 --> 01:15:43,679

a lot of people discount

2045

01:15:47,189 --> 01:15:45,520

this pollen's elite right and they say

2046

01:15:48,310 --> 01:15:47,199

oh it's a made-up thing like nick

2047

01:15:51,030 --> 01:15:48,320

redfern

2048

01:15:54,630 --> 01:15:51,040

made it up or something like that um

2049

01:15:56,870 --> 01:15:54,640

i don't think so uh so basically one of

2050

01:15:58,310 --> 01:15:56,880

the weirdest things that i experienced

2051
01:16:00,790 --> 01:15:58,320
was that

2052
01:16:02,149 --> 01:16:00,800
and every time it happened i was just i

2053
01:16:03,030 --> 01:16:02,159
just didn't know what to think about it

2054
01:16:04,709 --> 01:16:03,040
um

2055
01:16:07,510 --> 01:16:04,719
people within the invisible college

2056
01:16:11,590 --> 01:16:07,520
would like out themselves

2057
01:16:14,390 --> 01:16:11,600
as being incredibly religious

2058
01:16:16,310 --> 01:16:14,400
we're not talking like oh i go to church

2059
01:16:18,870 --> 01:16:16,320
on easter and christmas

2060
01:16:21,189 --> 01:16:18,880
we're talking about

2061
01:16:22,870 --> 01:16:21,199
absolutely fundamentally

2062
01:16:23,910 --> 01:16:22,880
religious okay

2063
01:16:27,350 --> 01:16:23,920

and

2064

01:16:29,590 --> 01:16:27,360

i was surprised i did not know this they

2065

01:16:32,149 --> 01:16:29,600

they're not out about it

2066

01:16:34,950 --> 01:16:32,159

um what does this mean

2067

01:16:36,070 --> 01:16:34,960

so i still i mean

2068

01:16:40,070 --> 01:16:36,080

it

2069

01:16:41,270 --> 01:16:40,080

yeah that so that that was i mean

2070

01:16:43,590 --> 01:16:41,280

what does it mean

2071

01:16:47,590 --> 01:16:43,600

i don't know all i know is that

2072

01:16:49,990 --> 01:16:47,600

it the uh the story is way weirder

2073

01:16:51,430 --> 01:16:50,000

once you start to get to know the people

2074

01:16:54,390 --> 01:16:51,440

who do this work

2075

01:16:56,790 --> 01:16:54,400

and you cannot escape

2076

01:16:57,590 --> 01:16:56,800

religion in this you can't

2077

01:16:59,110 --> 01:16:57,600

and

2078

01:17:01,590 --> 01:16:59,120

i'm not saying that because i'm a

2079

01:17:04,070 --> 01:17:01,600

professor of religion

2080

01:17:06,310 --> 01:17:04,080

frankly i went into it as a professor

2081

01:17:07,510 --> 01:17:06,320

not as a person who's religious right

2082

01:17:09,990 --> 01:17:07,520

yeah and

2083

01:17:12,229 --> 01:17:10,000

and the more i had these experiences of

2084

01:17:14,630 --> 01:17:12,239

people basically telling me you know

2085

01:17:16,630 --> 01:17:14,640

pushing a book in my face and saying

2086

01:17:20,790 --> 01:17:16,640

you better read this like a history of

2087

01:17:20,800 --> 01:17:24,149

i mean it was scary

2088

01:17:24,159 --> 01:17:27,910

coffee table

2089

01:17:31,910 --> 01:17:30,070

you know i mean that's disturbing even

2090

01:17:33,270 --> 01:17:31,920

to me

2091

01:17:35,430 --> 01:17:33,280

is it a vestige though of what they

2092

01:17:37,189 --> 01:17:35,440

inherited from the the prior generation

2093

01:17:39,669 --> 01:17:37,199

or is it it's reinforced by what they

2094

01:17:41,910 --> 01:17:39,679

are doing no i think that it is

2095

01:17:44,470 --> 01:17:41,920

something that happens because of what

2096

01:17:46,070 --> 01:17:44,480

they they're in do they're doing these

2097

01:17:47,270 --> 01:17:46,080

are people who are incredibly

2098

01:17:48,149 --> 01:17:47,280

intelligent

2099

01:17:49,990 --> 01:17:48,159

who

2100

01:17:51,910 --> 01:17:50,000

most likely when they were

2101
01:17:54,550 --> 01:17:51,920
in their 20s or they were going through

2102
01:17:56,630 --> 01:17:54,560
college they left their their religion

2103
01:17:57,590 --> 01:17:56,640
whatever it was catholicism christianity

2104
01:17:58,630 --> 01:17:57,600
whatever

2105
01:18:01,350 --> 01:17:58,640
um

2106
01:18:04,390 --> 01:18:01,360
judaism they left it right and became

2107
01:18:06,630 --> 01:18:04,400
atheistic scientists and then had these

2108
01:18:09,830 --> 01:18:06,640
experiences and then went back

2109
01:18:11,990 --> 01:18:09,840
i think i don't know frankly but this

2110
01:18:13,430 --> 01:18:12,000
isn't your normal

2111
01:18:17,189 --> 01:18:13,440
practicing

2112
01:18:18,870 --> 01:18:17,199
religious person we're talking about a

2113
01:18:22,470 --> 01:18:18,880

person who

2114

01:18:23,350 --> 01:18:22,480

lives and breathes it does that make

2115

01:18:26,149 --> 01:18:23,360

sense

2116

01:18:28,390 --> 01:18:26,159

and i'm only i'm only reporting this i'm

2117

01:18:30,390 --> 01:18:28,400

not making a judgment and i'm not making

2118

01:18:32,229 --> 01:18:30,400

any kind of like i'm not trying to

2119

01:18:33,830 --> 01:18:32,239

explain it i don't know let's put it

2120

01:18:35,510 --> 01:18:33,840

this way this is like one of the biggest

2121

01:18:38,550 --> 01:18:35,520

question marks that

2122

01:18:40,550 --> 01:18:38,560

i have coming out of the research

2123

01:18:42,870 --> 01:18:40,560

do you fear the phenomenon

2124

01:18:44,149 --> 01:18:42,880

do i theory

2125

01:18:46,950 --> 01:18:44,159

um

2126

01:18:48,630 --> 01:18:46,960

no i don't fear it

2127

01:18:51,270 --> 01:18:48,640

i i don't want you i mean i'm not going

2128

01:18:52,870 --> 01:18:51,280

to be accepting yes i want contact with

2129

01:18:54,870 --> 01:18:52,880

nih

2130

01:18:56,709 --> 01:18:54,880

i'm not doing that right

2131

01:18:58,790 --> 01:18:56,719

you know i think that it's been here i

2132

01:19:00,870 --> 01:18:58,800

mean without like i said there's not

2133

01:19:02,470 --> 01:19:00,880

just one phenomenon right right right

2134

01:19:03,910 --> 01:19:02,480

talk about these you know

2135

01:19:05,910 --> 01:19:03,920

you know beings like non-human

2136

01:19:07,750 --> 01:19:05,920

intelligent beings that you know almost

2137

01:19:11,350 --> 01:19:07,760

every religion refers to

2138

01:19:12,630 --> 01:19:11,360

they've been around since human history

2139

01:19:13,669 --> 01:19:12,640

you know what's interesting is we're

2140

01:19:15,590 --> 01:19:13,679

going to get through some of these

2141

01:19:17,910 --> 01:19:15,600

questions Diane and I think with the

2142

01:19:19,750 --> 01:19:17,920

amount of time we have left I think

2143

01:19:21,510 --> 01:19:19,760

we're going to have room for a part two

2144

01:19:23,669 --> 01:19:21,520

to say the very least because I know

2145

01:19:25,830 --> 01:19:23,679

Nathan probably had a considerable more

2146

01:19:29,030 --> 01:19:25,840

but I always like I always like leaving

2147

01:19:30,950 --> 01:19:29,040

them wanting more and having a part two

2148

01:19:32,950 --> 01:19:30,960

assuming you enjoyed yourself and you're

2149

01:19:34,709 --> 01:19:32,960

not ready to just go tell your cat I

2150

01:19:36,550 --> 01:19:34,719

can't stand these guys I'm never going

2151

01:19:37,350 --> 01:19:36,560

on them again

2152

01:19:42,229 --> 01:19:37,360

so

2153

01:19:43,910 --> 01:19:42,239

from william edward i'll read it uh just

2154

01:19:45,830 --> 01:19:43,920

to show nathan that i can read because

2155

01:19:47,910 --> 01:19:45,840

he's been wondering about this diana do

2156

01:19:50,870 --> 01:19:47,920

you think there's a thread of evil in

2157

01:19:53,990 --> 01:19:50,880

the fabric of ufos and their occupants

2158

01:19:54,950 --> 01:19:54,000

versus the tapestry of angelic savior's

2159

01:19:57,830 --> 01:19:54,960

narrative

2160

01:19:59,669 --> 01:19:57,840

question mark okay so yeah i actually

2161

01:20:02,550 --> 01:19:59,679

talked about this in american cosmic

2162

01:20:04,470 --> 01:20:02,560

where um james and i um are heading to

2163

01:20:06,790 --> 01:20:04,480

the airport and tyler

2164

01:20:09,189 --> 01:20:06,800

just after being in new mexico and we're

2165

01:20:10,790 --> 01:20:09,199

going to leave right and he's telling me

2166

01:20:13,910 --> 01:20:10,800

about the research going on at

2167

01:20:16,629 --> 01:20:13,920

skinwalker and he's basically saying

2168

01:20:18,229 --> 01:20:16,639

you know diana if you were studying this

2169

01:20:20,149 --> 01:20:18,239

you know 50 years ago we would be

2170

01:20:21,990 --> 01:20:20,159

calling these things angels and demons

2171

01:20:24,310 --> 01:20:22,000

that's what he said and i think i have

2172

01:20:26,629 --> 01:20:24,320

to agree well at least with respect to

2173

01:20:29,750 --> 01:20:26,639

skinwalker skinwalker yeah

2174

01:20:31,030 --> 01:20:29,760

now affected tic tacs i don't know but

2175

01:20:33,830 --> 01:20:31,040

there are people who had those

2176

01:20:35,910 --> 01:20:33,840

experiences on the ships like the

2177

01:20:38,870 --> 01:20:35,920

roosevelt and stuff you have had some

2178

01:20:40,070 --> 01:20:38,880

pretty bizarre experiences that seem

2179

01:20:41,110 --> 01:20:40,080

fairly

2180

01:20:42,470 --> 01:20:41,120

epic

2181

01:20:44,790 --> 01:20:42,480

but i think there are emotional

2182

01:20:46,470 --> 01:20:44,800

responses to something they can't

2183

01:20:48,629 --> 01:20:46,480

explain because when you

2184

01:20:51,270 --> 01:20:48,639

the personality types of the individual

2185

01:20:53,030 --> 01:20:51,280

seem to inform what their reaction was

2186

01:20:54,629 --> 01:20:53,040

you know because dave and alex alex was

2187

01:20:56,790 --> 01:20:54,639

like i'll have a cup of coffee she's

2188

01:20:58,470 --> 01:20:56,800

joking about it whereas kevin day was

2189

01:21:01,270 --> 01:20:58,480

like oh i think i need therapy about

2190

01:21:02,790 --> 01:21:01,280

this or sean so i think it i think it's

2191

01:21:04,870 --> 01:21:02,800

individual when you're looking at a

2192

01:21:07,030 --> 01:21:04,880

technology and you're coming to the

2193

01:21:08,149 --> 01:21:07,040

terms with the fact that that's not

2194

01:21:09,350 --> 01:21:08,159

human made

2195

01:21:11,910 --> 01:21:09,360

that's not

2196

01:21:12,830 --> 01:21:11,920

21st century human that thing is doing

2197

01:21:15,830 --> 01:21:12,840

things

2198

01:21:18,070 --> 01:21:15,840

that from an aviation standpoint from a

2199

01:21:19,750 --> 01:21:18,080

physics bernoulli's theorem standpoint i

2200

01:21:22,070 --> 01:21:19,760

didn't think were possible

2201

01:21:23,990 --> 01:21:22,080

that's absolutely the case yes

2202

01:21:26,470 --> 01:21:24,000

so all right let's bring in the next one

2203

01:21:29,110 --> 01:21:26,480

what do you got akashi for dr pisoka we

2204

01:21:32,390 --> 01:21:29,120

got six minutes left with this lady

2205

01:21:33,910 --> 01:21:32,400

na na oh okay how's it going nath was

2206

01:21:36,470 --> 01:21:33,920

diana surprised that the government

2207

01:21:38,870 --> 01:21:36,480

insiders invisible college fight club

2208

01:21:41,990 --> 01:21:38,880

military industrial complex had such

2209

01:21:45,110 --> 01:21:42,000

complex belief systems based around the

2210

01:21:47,830 --> 01:21:46,629

um i'm not sure i understand the

2211

01:21:49,350 --> 01:21:47,840

question but i'm going to try to dig

2212

01:21:51,430 --> 01:21:49,360

into it

2213

01:21:53,350 --> 01:21:51,440

so um first

2214

01:21:57,350 --> 01:21:53,360

i think first i was surprised that there

2215

01:21:59,430 --> 01:21:57,360

was such an entity um or entities

2216

01:22:02,950 --> 01:21:59,440

because there are different factions of

2217

01:22:04,870 --> 01:22:02,960

like the the yeah of uh you know that i

2218

01:22:07,750 --> 01:22:04,880

mean up here i'm just i was just a you

2219

01:22:09,990 --> 01:22:07,760

know a fairly i guess naive professor

2220

01:22:12,229 --> 01:22:10,000

just going about my life you know

2221

01:22:14,870 --> 01:22:12,239

getting tenure doing this right

2222

01:22:17,110 --> 01:22:14,880

publishing and then all of a sudden boom

2223

01:22:19,430 --> 01:22:17,120

government is doing ufo stuff and i'm

2224

01:22:20,870 --> 01:22:19,440

like wow am i in the x-files like wow

2225

01:22:22,070 --> 01:22:20,880

you know what's going on

2226

01:22:27,430 --> 01:22:22,080

and um

2227

01:22:28,550 --> 01:22:27,440

that sounds pretty californian but it's

2228

01:22:31,110 --> 01:22:28,560

true

2229

01:22:32,870 --> 01:22:31,120

so yeah so was i was i surprised

2230

01:22:36,310 --> 01:22:32,880

definitely yeah

2231

01:22:38,550 --> 01:22:36,320

rick dodie told us on air diana that um

2232

01:22:41,189 --> 01:22:38,560

he said to us and i quote

2233

01:22:43,510 --> 01:22:41,199

i've seen and read some reports or seen

2234

01:22:45,110 --> 01:22:43,520

some things that really scared me and i

2235

01:22:47,270 --> 01:22:45,120

don't scare easily

2236

01:22:49,430 --> 01:22:47,280

and when you look into his background

2237

01:22:51,510 --> 01:22:49,440

you know that he was a combat controller

2238

01:22:53,910 --> 01:22:51,520

uh and then got out went into academia

2239

01:22:55,750 --> 01:22:53,920

was the teacher came back as a special

2240

01:22:57,590 --> 01:22:55,760

agent with osi when you look at the guy

2241

01:22:59,189 --> 01:22:57,600

and he doesn't blink when he's looking

2242

01:23:01,189 --> 01:22:59,199

at you you know he doesn't scare easily

2243

01:23:02,870 --> 01:23:01,199

so there's certainly some things out

2244

01:23:05,030 --> 01:23:02,880

there that i think

2245

01:23:08,229 --> 01:23:05,040

uh those in the and louis elizondo has

2246

01:23:10,629 --> 01:23:08,239

alluded to some very scary things um

2247

01:23:13,110 --> 01:23:10,639

also that john ramirez so

2248

01:23:15,110 --> 01:23:13,120

people that have seen actual reports

2249

01:23:17,590 --> 01:23:15,120

that the government holds as true

2250

01:23:19,430 --> 01:23:17,600

have had the the poop scared out of them

2251

01:23:21,350 --> 01:23:19,440

in some measure i have a question from

2252

01:23:23,270 --> 01:23:21,360

deb that i have to ask because deb is

2253

01:23:24,550 --> 01:23:23,280

our oh all right deb i'm going to ask

2254

01:23:26,070 --> 01:23:24,560

your first question then you get the

2255

01:23:28,709 --> 01:23:26,080

second question because you're part of

2256

01:23:32,070 --> 01:23:28,719

our show and we love you um from deb i

2257

01:23:34,550 --> 01:23:32,080

asked dj to ask how people can access

2258

01:23:36,070 --> 01:23:34,560

info from the invisible college think

2259

01:23:37,910 --> 01:23:36,080

tank i think i know what the answer is

2260

01:23:39,590 --> 01:23:37,920

going to be go ahead uh

2261

01:23:41,510 --> 01:23:39,600

diana

2262

01:23:43,110 --> 01:23:41,520

um how can they access info from the

2263

01:23:45,510 --> 01:23:43,120

invisible college

2264

01:23:46,390 --> 01:23:45,520

some of it actually gets out there uh

2265

01:23:47,910 --> 01:23:46,400

although

2266

01:23:50,310 --> 01:23:47,920

they're not going to put their names on

2267

01:23:52,870 --> 01:23:50,320

it right and if they do put their names

2268

01:23:55,110 --> 01:23:52,880

on what gets out there it will be

2269

01:23:57,830 --> 01:23:55,120

peer-reviewed articles

2270

01:24:00,550 --> 01:23:57,840

and they won't have the word uap or ufo

2271

01:24:03,270 --> 01:24:00,560

in them okay and deb's second question

2272

01:24:05,030 --> 01:24:03,280

please and she's part of our part of our

2273

01:24:07,110 --> 01:24:05,040

team

2274

01:24:11,510 --> 01:24:07,120

what can the public access in order to

2275

01:24:13,430 --> 01:24:11,520

make progress so she is a researcher of

2276

01:24:16,390 --> 01:24:13,440

she scours through open source

2277

01:24:18,629 --> 01:24:16,400

information uh everywhere uh so i think

2278

01:24:22,310 --> 01:24:18,639

that's the context of this question

2279

01:24:23,990 --> 01:24:22,320

oh okay she if she does not know this

2280

01:24:24,870 --> 01:24:24,000

um yeah right

2281

01:24:29,750 --> 01:24:24,880

deb

2282

01:24:32,629 --> 01:24:29,760

um you should go to this conference at

2283

01:24:35,030 --> 01:24:32,639

rice in houston um and it's in the

2284

01:24:37,750 --> 01:24:35,040

spring i'll be going there and it's

2285

01:24:41,030 --> 01:24:37,760

basically the opening of the archives of

2286

01:24:44,790 --> 01:24:41,040

the impossible which jeff cripel who is

2287

01:24:47,910 --> 01:24:44,800

a professor there has um basically has

2288

01:24:50,149 --> 01:24:47,920

archives from so many researchers who

2289

01:24:52,470 --> 01:24:50,159

are in the invisible college some who

2290

01:24:55,030 --> 01:24:52,480

are not but should be

2291

01:24:56,629 --> 01:24:55,040

um basically this amazing body of

2292

01:24:57,430 --> 01:24:56,639

research including

2293

01:24:59,430 --> 01:24:57,440

our

2294

01:25:03,350 --> 01:24:59,440

jacques valley's collection

2295

01:25:05,510 --> 01:25:03,360

um like just people that are have been

2296

01:25:08,709 --> 01:25:05,520

doing this for many you know just many

2297

01:25:10,629 --> 01:25:08,719

years and so this archive is is going to

2298

01:25:12,229 --> 01:25:10,639

be open to

2299

01:25:13,430 --> 01:25:12,239

someone like her that's interested in

2300

01:25:15,030 --> 01:25:13,440

the research

2301

01:25:17,430 --> 01:25:15,040

and the best thing about rice it's

2302

01:25:18,709 --> 01:25:17,440

gluten-free so i think everybody should

2303

01:25:21,990 --> 01:25:18,719

consider that

2304

01:25:24,149 --> 01:25:22,000

um so it's up nathan did you have a uh

2305

01:25:25,750 --> 01:25:24,159

okay so nathan says he's good so please

2306

01:25:27,830 --> 01:25:25,760

if you would akashi

2307

01:25:29,830 --> 01:25:27,840

this is from harley492 lots of

2308

01:25:32,629 --> 01:25:29,840

experiencers that claim to have

2309

01:25:34,870 --> 01:25:32,639

face-to-face contact with the visitors

2310

01:25:36,950 --> 01:25:34,880

say that the visitors are frustrated

2311

01:25:39,590 --> 01:25:36,960

because humans destroy this planet over

2312

01:25:42,870 --> 01:25:39,600

and over again do we as humans get a

2313

01:25:46,550 --> 01:25:42,880

do-over miss diana

2314

01:25:49,990 --> 01:25:48,229

unfortunately yeah

2315

01:25:51,990 --> 01:25:50,000

i think you're right we're all

2316

01:25:54,390 --> 01:25:52,000

environmentally conscious on this

2317

01:25:57,030 --> 01:25:54,400

program so

2318

01:25:59,430 --> 01:25:57,040

yeah well i i can't i know

2319

01:26:00,870 --> 01:25:59,440

dj would say the same but we are uh

2320

01:26:01,750 --> 01:26:00,880

beyond thrilled to have had you on the

2321

01:26:03,510 --> 01:26:01,760

show

2322

01:26:06,070 --> 01:26:03,520

um you've helped us think through some

2323

01:26:06,870 --> 01:26:06,080

of these things in ways that uh you know

2324

01:26:08,470 --> 01:26:06,880

these

2325

01:26:11,669 --> 01:26:08,480

super beneficial to me

2326

01:26:13,510 --> 01:26:11,679

um the interpretive lens uh i think has

2327

01:26:15,669 --> 01:26:13,520

been widened and i really appreciate

2328

01:26:16,870 --> 01:26:15,679

that and uh i hope you had a good time

2329

01:26:18,390 --> 01:26:16,880

as well we try to cut up a little bit

2330

01:26:20,470 --> 01:26:18,400

here uh we just keep a little more

2331

01:26:21,590 --> 01:26:20,480

serious but yeah we we look forward to

2332

01:26:23,110 --> 01:26:21,600

having an opportunity to chat with you

2333

01:26:24,149 --> 01:26:23,120

again in the future hopefully sounds

2334

01:26:25,990 --> 01:26:24,159

awesome

2335

01:26:27,830 --> 01:26:26,000

yes uh i agree

2336

01:26:29,910 --> 01:26:27,840

i say that it's an honor when anybody

2337

01:26:32,149 --> 01:26:29,920

wants to come on and talk with us or

2338

01:26:34,390 --> 01:26:32,159

invites us to talk with them and and i

2339

01:26:36,790 --> 01:26:34,400

do mean that and yeah it's extremely

2340

01:26:38,709 --> 01:26:36,800

special when it's a person

2341

01:26:40,790 --> 01:26:38,719

like yourself who's we consider

2342

01:26:43,189 --> 01:26:40,800

brilliant and quite frankly we look up

2343

01:26:45,590 --> 01:26:43,199

to so um

2344

01:26:47,669 --> 01:26:45,600

so thank you very much so for uh for deb

2345

01:26:50,550 --> 01:26:47,679

who's in the back that's at a study of

2346

01:26:54,790 --> 01:26:50,560

uaps for our associate producer akashi

2347

01:26:57,590 --> 01:26:54,800

chris and for griers flair flareus kevin

2348

01:27:00,390 --> 01:26:57,600

and for nathan this is djs and uh dr

2349

01:27:02,830 --> 01:27:00,400

pasulka this dj saying peace out

2350

01:27:05,500 --> 01:27:02,840

one love and we'll see you down the
