Calling All Beings

1
00:00:32,150 --> 00:00:08,109
calling all beings y'all

2
00:00:37,990 --> 00:00:35,350
welcome back to calling all

3
00:00:39,430 --> 00:00:38,000
beings we're ready to do it ready or not

4
00:00:42,389 --> 00:00:39,440
here we come

5
00:00:44,709 --> 00:00:42,399
with my money man upstairs

6
00:00:47,350 --> 00:00:44,719
money nathan

7
00:00:48,950 --> 00:00:47,360
what's up captain how's everybody doing

8
00:00:50,869 --> 00:00:48,960
nate i'm gonna tell you before we go to

9
00:00:53,270 --> 00:00:50,879
chris nathan's gonna give you something

10
00:00:54,630 --> 00:00:53,280
that you ain't had yet okay so if you're

11
00:00:57,830 --> 00:00:54,640
from california you haven't had

12
00:01:00,950 --> 00:00:57,840
andouille sausage you better have it now

13
00:01:02,790 --> 00:01:00,960

let's hang a left turn from nathan over

14

00:01:04,229 --> 00:01:02,800

to the associate

15

00:01:06,950 --> 00:01:04,239

producer

16

00:01:10,870 --> 00:01:06,960

of calling all beings everybody get them

17

00:01:14,870 --> 00:01:10,880

hands in the air for akashi chris

18

00:01:21,270 --> 00:01:18,070

hi guys yeah i'm so glad to be here so

19

00:01:23,190 --> 00:01:21,280

excited our guest is behind the scenes

20

00:01:24,950 --> 00:01:23,200

ladies

21

00:01:26,870 --> 00:01:24,960

he gonna wait a little bit longer

22

00:01:28,870 --> 00:01:26,880

because i got somebody else to get to

23

00:01:30,789 --> 00:01:28,880

some business oh yeah yeah and this man

24

00:01:33,910 --> 00:01:30,799

right here nathan this is kind of like

25

00:01:36,789 --> 00:01:33,920

having some sort of a secret missile

26
00:01:38,630 --> 00:01:36,799
and nobody else has this technology and

27
00:01:40,550 --> 00:01:38,640
somehow you were out there one day

28
00:01:43,350 --> 00:01:40,560
you're dressed up like indiana jones you

29
00:01:45,749 --> 00:01:43,360
got your 49er business on the pickaxe

30
00:01:48,469 --> 00:01:45,759
and all that and the spade shovel and

31
00:01:50,069 --> 00:01:48,479
you uncovered the humorous

32
00:01:54,310 --> 00:01:50,079
antagonist

33
00:01:56,069 --> 00:01:54,320
yeah that's right boom hilarious kevin

34
00:01:59,510 --> 00:01:56,079
what's up

35
00:02:00,950 --> 00:01:59,520
hello how's it going today oh man claire

36
00:02:02,870 --> 00:02:00,960
you've been on fire lately buddy the

37
00:02:05,670 --> 00:02:02,880
video is incredible

38
00:02:08,150 --> 00:02:05,680

destroying destroying and now now now

39

00:02:09,350 --> 00:02:08,160

we're about to get to it my homie my

40

00:02:11,190 --> 00:02:09,360

paisan

41

00:02:12,790 --> 00:02:11,200

okay i think this brother's from new

42

00:02:15,110 --> 00:02:12,800

york and i didn't even know but i saw a

43

00:02:19,350 --> 00:02:15,120

new york mets insignia which means that

44

00:02:20,869 --> 00:02:19,360

we down man so everybody put your hands

45

00:02:22,790 --> 00:02:20,879

together

46

00:02:24,070 --> 00:02:22,800

for the ufo

47

00:02:25,990 --> 00:02:24,080

g

48

00:02:29,380 --> 00:02:26,000

mr joe

49

00:02:32,630 --> 00:02:31,270

[Applause]

50

00:02:35,350 --> 00:02:32,640

hey guys

51
00:02:37,830 --> 00:02:35,360
thank you thank you for having me on and

52
00:02:40,790 --> 00:02:37,840
you can ask my name perfectly so you are

53
00:02:42,790 --> 00:02:40,800
italian yeah i am a paisan you know you

54
00:02:45,030 --> 00:02:42,800
may not know my last name but you will

55
00:02:47,110 --> 00:02:45,040
because we got some we got some business

56
00:02:48,229 --> 00:02:47,120
to cover that ain't gonna be on air well

57
00:02:49,589 --> 00:02:48,239
thanks for having me again guys i'm

58
00:02:52,150 --> 00:02:49,599
looking forward to it man great to have

59
00:02:53,910 --> 00:02:52,160
you with us yes yeah uh it's true now

60
00:02:55,830 --> 00:02:53,920
i'll go out of character joe and i'll

61
00:02:57,910 --> 00:02:55,840
i'll re i was just teaching yoga before

62
00:02:59,430 --> 00:02:57,920
this i'll go

63
00:03:00,390 --> 00:02:59,440

namaste

64

00:03:02,390 --> 00:03:00,400

um

65

00:03:04,309 --> 00:03:02,400

it's an honor to have you come on i know

66

00:03:06,869 --> 00:03:04,319

that a lot of people uh are very

67

00:03:08,710 --> 00:03:06,879

interested to have you come on the show

68

00:03:10,630 --> 00:03:08,720

uh come on their show and when you said

69

00:03:12,470 --> 00:03:10,640

yes to me i don't know if it was because

70

00:03:15,509 --> 00:03:12,480

of the ayandoli connection and there was

71

00:03:18,149 --> 00:03:15,519

sort of a marinara sauce that ran over

72

00:03:19,350 --> 00:03:18,159

me from iandolin to you but somehow it

73

00:03:22,070 --> 00:03:19,360

happened so

74

00:03:23,570 --> 00:03:22,080

um oreo sauce maybe i don't know uh

75

00:03:25,589 --> 00:03:23,580

anyway

76

00:03:27,509 --> 00:03:25,599

[Laughter]

77

00:03:29,830 --> 00:03:27,519

rails in spanish harlem baby that's

78

00:03:32,309 --> 00:03:29,840

where akashi crests dominate in that

79

00:03:34,869 --> 00:03:32,319

neighborhood anyway

80

00:03:37,350 --> 00:03:34,879

all right so uh joe

81

00:03:40,710 --> 00:03:37,360

you know the the breadth of your work is

82

00:03:42,710 --> 00:03:40,720

so vast that uh we're gonna try to

83

00:03:44,550 --> 00:03:42,720

to find some tangents that we can jump

84

00:03:47,670 --> 00:03:44,560

in on and i have no doubt about this and

85

00:03:51,110 --> 00:03:47,680

by the way our lovely uh ufo researcher

86

00:03:53,589 --> 00:03:51,120

uh a study of study of ufo uaps debs

87

00:03:55,750 --> 00:03:53,599

also known the host of deb's data dojo

88

00:03:57,509 --> 00:03:55,760

is taking care of another member of our

89

00:03:59,030 --> 00:03:57,519

community tonight because that's the

90

00:04:00,949 --> 00:03:59,040

kind of love that she has in her heart

91

00:04:02,710 --> 00:04:00,959

we're extremely proud of her she may

92

00:04:04,070 --> 00:04:02,720

join us if she gets freed up but right

93

00:04:06,789 --> 00:04:04,080

now the work she's doing is a little bit

94

00:04:08,070 --> 00:04:06,799

more important than this show um so

95

00:04:10,869 --> 00:04:08,080

anyway joe

96

00:04:12,070 --> 00:04:10,879

uh i was listening the other night

97

00:04:14,550 --> 00:04:12,080

and

98

00:04:17,349 --> 00:04:14,560

i really was enjoying your the type of

99

00:04:19,110 --> 00:04:17,359

commentary i was ready i love to want to

100

00:04:21,670 --> 00:04:19,120

play the mystery music when i hear

101
00:04:23,270 --> 00:04:21,680
either the names dr eric davis

102
00:04:25,430 --> 00:04:23,280
dr kidd green

103
00:04:27,350 --> 00:04:25,440
when i hear my man richard dodie my

104
00:04:29,030 --> 00:04:27,360
friend when i hear any of these names

105
00:04:31,189 --> 00:04:29,040
it's like i want to hear that mystery

106
00:04:32,550 --> 00:04:31,199
music in the background but i heard you

107
00:04:35,909 --> 00:04:32,560
talk about

108
00:04:37,990 --> 00:04:35,919
that craft uh that landed in that

109
00:04:40,870 --> 00:04:38,000
person's backyard

110
00:04:43,350 --> 00:04:40,880
and apparently or reportedly allegedly

111
00:04:45,270 --> 00:04:43,360
the beings emerged and asked to have

112
00:04:48,710 --> 00:04:45,280
their water pitcher filled

113
00:04:50,390 --> 00:04:48,720

and then offered the owner of that home

114

00:04:53,510 --> 00:04:50,400

some pancakes

115

00:04:55,590 --> 00:04:53,520

so my question to you is

116

00:04:58,469 --> 00:04:55,600

would you assume that those are

117

00:05:02,150 --> 00:04:58,479

something like buckwheat pancakes are we

118

00:05:04,790 --> 00:05:02,160

thinking uh multi-grain uh

119

00:05:06,710 --> 00:05:04,800

maybe gluten-free buttermilk yeah like

120

00:05:14,070 --> 00:05:06,720

butter okay so butter i like i really

121

00:05:18,230 --> 00:05:16,550

so what what type of pancakes do you

122

00:05:21,029 --> 00:05:18,240

think that they were serving in there i

123

00:05:22,710 --> 00:05:21,039

mean you know they analyzed the pancakes

124

00:05:26,629 --> 00:05:22,720

and i don't remember what the analysis

125

00:05:28,710 --> 00:05:26,639

said um very basic assault remember yeah

126

00:05:31,990 --> 00:05:28,720

i i would i would say gray

127

00:05:33,990 --> 00:05:32,000

blueberry buckwheat yes blueberry buffy

128

00:05:35,749 --> 00:05:34,000

nathan take it away brother

129

00:05:44,230 --> 00:05:35,759

yeah no i that that's an incredible

130

00:05:48,550 --> 00:05:46,310

perfect example of absurdity in this in

131

00:05:50,710 --> 00:05:48,560

this field is like what is that what was

132

00:05:52,390 --> 00:05:50,720

that you know it's like yes

133

00:05:53,990 --> 00:05:52,400

are they using coconut oil are they

134

00:05:55,430 --> 00:05:54,000

using butter on their griddle i mean

135

00:05:57,270 --> 00:05:55,440

there's a lot of questions so many

136

00:05:59,110 --> 00:05:57,280

questions we'll just leave it aside yeah

137

00:06:01,510 --> 00:05:59,120

absolutely well joe i wanted to start

138

00:06:03,510 --> 00:06:01,520

with um one just thanking you for all

139

00:06:05,990 --> 00:06:03,520

the work that you've done you know i've

140

00:06:08,070 --> 00:06:06,000

been active in uh you know kind of

141

00:06:09,590 --> 00:06:08,080

lurking in the ufo twitter community

142

00:06:12,629 --> 00:06:09,600

uh for a few years before i really

143

00:06:14,550 --> 00:06:12,639

became more prominent in it and uh you

144

00:06:16,469 --> 00:06:14,560

were like one of the first people that i

145

00:06:17,670 --> 00:06:16,479

followed and followed really closely i

146

00:06:19,270 --> 00:06:17,680

mean

147

00:06:21,830 --> 00:06:19,280

the work that you put in

148

00:06:24,550 --> 00:06:21,840

trying to get content out in a different

149

00:06:27,990 --> 00:06:24,560

format and your commentary on it to me

150

00:06:29,029 --> 00:06:28,000

was incredibly meaningful and valuable

151

00:06:30,469 --> 00:06:29,039

and i just

152

00:06:32,629 --> 00:06:30,479

can't thank you enough for everything

153

00:06:35,029 --> 00:06:32,639

that you're doing i know it takes a ton

154

00:06:37,110 --> 00:06:35,039

of work to do the things that you do

155

00:06:39,029 --> 00:06:37,120

both professionally but also the work

156

00:06:40,790 --> 00:06:39,039

that you do within the community

157

00:06:42,150 --> 00:06:40,800

and then i know you've got your own show

158

00:06:43,990 --> 00:06:42,160

too i mean and your wet website there's

159

00:06:45,749 --> 00:06:44,000

just so much stuff that you're doing and

160

00:06:47,830 --> 00:06:45,759

i know how much work it takes us to do

161

00:06:50,070 --> 00:06:47,840

what we do and i just want to say a huge

162

00:06:51,589 --> 00:06:50,080

thank you uh from me and and from from

163

00:06:54,150 --> 00:06:51,599

all of us on the show

164

00:06:56,309 --> 00:06:54,160

um yeah i appreciate that thank you

165

00:06:57,830 --> 00:06:56,319

it's uh there's been you know folks i

166

00:06:59,510 --> 00:06:57,840

think um

167

00:07:00,629 --> 00:06:59,520

would say depending on who you ask that

168

00:07:02,710 --> 00:07:00,639

we're kind of going through a little bit

169

00:07:04,790 --> 00:07:02,720

of a lull period that

170

00:07:07,830 --> 00:07:04,800

you know everybody's kind of been i

171

00:07:10,870 --> 00:07:07,840

guess acclimated or attuned to getting

172

00:07:13,430 --> 00:07:10,880

some some sweet nuggets here and there

173

00:07:15,589 --> 00:07:13,440

and uh for some people we kind of are in

174

00:07:17,510 --> 00:07:15,599

this if you have the sense in which we

175

00:07:19,990 --> 00:07:17,520

haven't had a really great drop in a

176

00:07:21,830 --> 00:07:20,000

little while um is that an opinion that

177

00:07:24,550 --> 00:07:21,840

you uh share or do you think that we've

178

00:07:26,870 --> 00:07:24,560

had some pretty sort of meaty things to

179

00:07:28,550 --> 00:07:26,880

to sort of chew on in the last few weeks

180

00:07:30,950 --> 00:07:28,560

no definitely not i do not agree with

181

00:07:32,790 --> 00:07:30,960

that because i'm i'm up to here with

182

00:07:34,950 --> 00:07:32,800

transcripts of things i think are

183

00:07:37,110 --> 00:07:34,960

important and one of them i've done on a

184

00:07:39,110 --> 00:07:37,120

couple of gary nolan transcripts and you

185

00:07:40,870 --> 00:07:39,120

know a couple of weeks ago most of a lot

186

00:07:43,029 --> 00:07:40,880

of people knew

187

00:07:44,950 --> 00:07:43,039

or had an opinion i knew because i had

188

00:07:47,830 --> 00:07:44,960

heard it from a really good source that

189

00:07:50,150 --> 00:07:47,840

gary was james in american cosmic

190

00:07:52,150 --> 00:07:50,160

in in that book by diana posalka in the

191

00:07:54,230 --> 00:07:52,160

beginning it talks about how james is an

192

00:07:56,629 --> 00:07:54,240

experencer and his whole family is an

193

00:07:58,790 --> 00:07:56,639

ex are experiencers so that's a huge

194

00:08:01,749 --> 00:07:58,800

deal so two weeks ago diana came out and

195

00:08:03,589 --> 00:08:01,759

said yeah he uh gary nolan is james and

196

00:08:05,670 --> 00:08:03,599

then gary chimed in on it on twitter and

197

00:08:07,270 --> 00:08:05,680

joked around he didn't deny it so if

198

00:08:09,189 --> 00:08:07,280

you're an experencer and i know an

199

00:08:11,670 --> 00:08:09,199

experencer would say i don't need gary

200

00:08:12,869 --> 00:08:11,680

nolan to tell me my experiences are real

201
00:08:14,629 --> 00:08:12,879
but

202
00:08:15,909 --> 00:08:14,639
for you to be able to point to gary

203
00:08:18,309 --> 00:08:15,919
nolan

204
00:08:20,309 --> 00:08:18,319
you know a scientist at stanford and jim

205
00:08:21,990 --> 00:08:20,319
semivan who's now giving more details

206
00:08:23,830 --> 00:08:22,000
about his experience with his wife when

207
00:08:25,830 --> 00:08:23,840
he was in graduate school i mean he's

208
00:08:27,990 --> 00:08:25,840
described beings they look like the

209
00:08:30,150 --> 00:08:28,000
michelin man except they're dark it was

210
00:08:32,550 --> 00:08:30,160
like dark armor uh

211
00:08:33,829 --> 00:08:32,560
colin kelleher had an a word for them

212
00:08:36,389 --> 00:08:33,839
calling

213
00:08:37,990 --> 00:08:36,399

the bnb and i'm saying it wrong but if

214

00:08:40,070 --> 00:08:38,000

you look up michelin man you'll see in

215

00:08:42,469 --> 00:08:40,080

some of the old some of the old ads

216

00:08:43,990 --> 00:08:42,479

it'll say the name of that character um

217

00:08:45,269 --> 00:08:44,000

so those are two big pieces of

218

00:08:48,230 --> 00:08:45,279

information that have come out for the

219

00:08:50,470 --> 00:08:48,240

past two weeks and just like when videos

220

00:08:52,389 --> 00:08:50,480

came out i was like for the first time i

221

00:08:54,150 --> 00:08:52,399

could say to people they're like yeah i

222

00:08:55,590 --> 00:08:54,160

don't know about ufos i'm like well have

223

00:08:57,509 --> 00:08:55,600

you seen the new york times article did

224

00:08:59,750 --> 00:08:57,519

you see the f-18 pilots who have come

225

00:09:01,910 --> 00:08:59,760

out i was never able to do that before

226

00:09:03,350 --> 00:09:01,920

now if you're an experiencer you can say

227

00:09:05,750 --> 00:09:03,360

have you heard about gary nolan you know

228

00:09:07,910 --> 00:09:05,760

he works he works on helping solve

229

00:09:09,509 --> 00:09:07,920

cancer he's at stanford university have

230

00:09:12,230 --> 00:09:09,519

you heard about jim semivan who was high

231

00:09:13,990 --> 00:09:12,240

up in the cia um so that's a really big

232

00:09:16,470 --> 00:09:14,000

deal to me so i don't really think it's

233

00:09:18,389 --> 00:09:16,480

quiet plus we've had the other day it

234

00:09:20,710 --> 00:09:18,399

was like a week ago

235

00:09:21,590 --> 00:09:20,720

senator kirsten gillibrand

236

00:09:23,269 --> 00:09:21,600

was

237

00:09:24,550 --> 00:09:23,279

questioning the

238

00:09:27,590 --> 00:09:24,560

potential

239

00:09:29,110 --> 00:09:27,600

new inspector general for the dod and

240

00:09:30,949 --> 00:09:29,120

she asked him about you know she asked

241

00:09:33,430 --> 00:09:30,959

him about uap and put him on the spot

242

00:09:34,949 --> 00:09:33,440

like all right well if i get if i get um

243

00:09:36,710 --> 00:09:34,959

confirmed i'll get back to you on that

244

00:09:38,949 --> 00:09:36,720

and she's like no you need to get back

245

00:09:40,870 --> 00:09:38,959

to me before you're confirmed in writing

246

00:09:42,310 --> 00:09:40,880

i want answers to my questions it's like

247

00:09:44,710 --> 00:09:42,320

where is she coming from it's like this

248

00:09:46,870 --> 00:09:44,720

is like out of nowhere so as lou has

249

00:09:48,790 --> 00:09:46,880

said and melon has chris melinda said

250

00:09:49,750 --> 00:09:48,800

her staff is amazing so somebody on her

251
00:09:51,990 --> 00:09:49,760
staff

252
00:09:53,750 --> 00:09:52,000
is interested in this subject and she

253
00:09:55,430 --> 00:09:53,760
also obviously has an interest i don't

254
00:09:57,509 --> 00:09:55,440
know what videos she was shown during

255
00:09:59,350 --> 00:09:57,519
her briefings but it's enough for these

256
00:10:01,670 --> 00:09:59,360
folks to be bringing bringing it up and

257
00:10:03,110 --> 00:10:01,680
not really batting an eye so yeah not

258
00:10:04,310 --> 00:10:03,120
slow for me

259
00:10:06,069 --> 00:10:04,320
that's awesome and there's a quick

260
00:10:07,750 --> 00:10:06,079
follow-up on that i mean because you

261
00:10:08,870 --> 00:10:07,760
brought this to mind right away did you

262
00:10:11,910 --> 00:10:08,880
think we would be talking about

263
00:10:13,269 --> 00:10:11,920

experiencers in this way so soon i think

264

00:10:15,509 --> 00:10:13,279

most folks had

265

00:10:17,030 --> 00:10:15,519

thought this would be down the road but

266

00:10:18,710 --> 00:10:17,040

we're entering into that part of the

267

00:10:20,389 --> 00:10:18,720

conversation now with with the two

268

00:10:22,710 --> 00:10:20,399

gentlemen you just mentioned

269

00:10:23,910 --> 00:10:22,720

right and i thought we would talk about

270

00:10:25,269 --> 00:10:23,920

it i mean there are certain people in

271

00:10:26,949 --> 00:10:25,279

the community that don't want to talk

272

00:10:28,470 --> 00:10:26,959

about it they think it's too soon and

273

00:10:29,590 --> 00:10:28,480

you really can't go to a senator and

274

00:10:31,110 --> 00:10:29,600

bring that up

275

00:10:32,870 --> 00:10:31,120

um but

276

00:10:35,110 --> 00:10:32,880

yeah it hasn't happened yet where it's

277

00:10:36,630 --> 00:10:35,120

spoken about you know i have not seen a

278

00:10:39,910 --> 00:10:36,640

reporter ask

279

00:10:41,350 --> 00:10:39,920

uh marco rubio or gillibrand or gallego

280

00:10:43,670 --> 00:10:41,360

what do you think about you know

281

00:10:45,269 --> 00:10:43,680

experiencers because their

282

00:10:47,590 --> 00:10:45,279

melon christopher mellon has said he

283

00:10:49,670 --> 00:10:47,600

gave them a way to enter into this by

284

00:10:51,269 --> 00:10:49,680

just talking about flight safety and

285

00:10:52,470 --> 00:10:51,279

national security so they don't even

286

00:10:54,550 --> 00:10:52,480

have to go

287

00:10:56,230 --> 00:10:54,560

down the path even even

288

00:10:58,550 --> 00:10:56,240

non-human visitors they don't even have

289

00:11:00,470 --> 00:10:58,560

to go there rubio has addressed it a

290

00:11:02,310 --> 00:11:00,480

couple of times in some interviews

291

00:11:03,910 --> 00:11:02,320

um gillibrand has kind of talked about

292

00:11:05,509 --> 00:11:03,920

and joked about it with her

293

00:11:07,350 --> 00:11:05,519

you know her kids um

294

00:11:08,389 --> 00:11:07,360

so we really haven't gone there i don't

295

00:11:10,470 --> 00:11:08,399

know if

296

00:11:13,110 --> 00:11:10,480

i would say it's being discussed yet as

297

00:11:15,110 --> 00:11:13,120

far as experiences in the mainstream but

298

00:11:16,710 --> 00:11:15,120

we'll see cnn is doing uh you know

299

00:11:18,710 --> 00:11:16,720

they're doing the documentary at the end

300

00:11:20,069 --> 00:11:18,720

of the year or towards the summer i

301

00:11:21,430 --> 00:11:20,079

don't know if they're gonna talk about

302

00:11:22,949 --> 00:11:21,440

experiences i don't know if we're there

303

00:11:24,230 --> 00:11:22,959

yet and i know a lot of experiences get

304

00:11:26,310 --> 00:11:24,240

frustrated they're like we should talk

305

00:11:28,310 --> 00:11:26,320

about it now and i'm like i agree i will

306

00:11:30,230 --> 00:11:28,320

talk about it but if i like if you sent

307

00:11:31,750 --> 00:11:30,240

me into it you have to read the room if

308

00:11:33,350 --> 00:11:31,760

you go into a certain

309

00:11:34,550 --> 00:11:33,360

senator's office and you're talking for

310

00:11:36,870 --> 00:11:34,560

the first time you're not going to bring

311

00:11:38,630 --> 00:11:36,880

up abductions obviously right um but

312

00:11:40,790 --> 00:11:38,640

there are certain people i meet

313

00:11:42,710 --> 00:11:40,800

right away they say something to me and

314

00:11:45,030 --> 00:11:42,720

i know i can go totally down the rabbit

315

00:11:47,030 --> 00:11:45,040

hole and it will not be a problem

316

00:11:49,590 --> 00:11:47,040

so it depends on who it is you know joe

317

00:11:51,350 --> 00:11:49,600

even even if if there is a staffer uh

318

00:11:53,430 --> 00:11:51,360

gillibrand has a staffer that is

319

00:11:54,949 --> 00:11:53,440

passionate about it she

320

00:11:56,389 --> 00:11:54,959

has to see it as

321

00:11:58,790 --> 00:11:56,399

if if not

322

00:12:01,030 --> 00:11:58,800

politically expedient not politically

323

00:12:03,190 --> 00:12:01,040

harmful certainly or she wouldn't be

324

00:12:05,509 --> 00:12:03,200

asking these questions in an open forum

325

00:12:07,750 --> 00:12:05,519

so she deserves a lot of credit i mean i

326

00:12:09,509 --> 00:12:07,760

i thought this was you know the musings

327

00:12:11,670 --> 00:12:09,519

of her children asking her about it

328

00:12:13,829 --> 00:12:11,680

after soccer practice which she alluded

329

00:12:15,990 --> 00:12:13,839

to herself but it's actually she has a

330

00:12:17,910 --> 00:12:16,000

deeper thought about that but with that

331

00:12:19,910 --> 00:12:17,920

uh let me pass it over to akashi chris

332

00:12:22,389 --> 00:12:19,920

mullins or let me just i'll just that's

333

00:12:24,150 --> 00:12:22,399

a great point because i do think she's

334

00:12:26,470 --> 00:12:24,160

going to use this if she runs again for

335

00:12:29,190 --> 00:12:26,480

president in 2024 if biden doesn't run

336

00:12:31,110 --> 00:12:29,200

and i think rubio will too if

337

00:12:32,949 --> 00:12:31,120

uh i don't know if he'll he'll probably

338

00:12:35,430 --> 00:12:32,959

run even if trump runs but i think rubio

339

00:12:37,590 --> 00:12:35,440

versus gillibrand trying to battle each

340

00:12:39,269 --> 00:12:37,600

other for the most important ufo ufo

341

00:12:42,069 --> 00:12:39,279

information is the best thing we could

342

00:12:43,509 --> 00:12:42,079

ask for i could top your ufo information

343

00:12:45,430 --> 00:12:43,519

right now

344

00:12:47,030 --> 00:12:45,440

we can have that in the debate nathan

345

00:12:49,829 --> 00:12:47,040

and i we could moderate that debate

346

00:12:52,470 --> 00:12:49,839

we'll do it on youtube

347

00:12:54,150 --> 00:12:52,480

it would be amazing it would be great

348

00:12:56,389 --> 00:12:54,160

all right go ahead akashi what you have

349

00:12:58,790 --> 00:12:56,399

my friend

350

00:13:00,710 --> 00:12:58,800

oh akashi is muted

351

00:13:03,190 --> 00:13:00,720

we love you akashi

352

00:13:05,750 --> 00:13:03,200

i did it again it's because i have dogs

353

00:13:07,750 --> 00:13:05,760

too joe if they go insane and i was

354

00:13:11,509 --> 00:13:07,760

trying to keep that from happening

355

00:13:14,150 --> 00:13:11,519

um yes so um i think we were gonna pass

356

00:13:16,310 --> 00:13:14,160

it on to flareus kevin first this time

357

00:13:18,069 --> 00:13:16,320

okay you know what let's we're switching

358

00:13:22,230 --> 00:13:18,079

it around you're a little late that's

359

00:13:26,069 --> 00:13:24,550

flare's on you too which is

360

00:13:28,310 --> 00:13:26,079

even better that's awesome i think that

361

00:13:30,949 --> 00:13:28,320

was intentionally rock it's a flare move

362

00:13:32,829 --> 00:13:30,959

we're rocking it i did that on purpose

363

00:13:38,870 --> 00:13:32,839

ha

364

00:13:40,550 --> 00:13:38,880

open with my silly rant okay so first of

365

00:13:42,150 --> 00:13:40,560

all i wanted to thank you for your

366

00:13:45,350 --> 00:13:42,160

efforts you're making the information

367

00:13:47,590 --> 00:13:45,360

more accessible i applaud that

368

00:13:49,910 --> 00:13:47,600

thank you so much i mean i just started

369

00:13:52,389 --> 00:13:49,920

making content and i can't

370

00:13:55,430 --> 00:13:52,399

uh yeah i can't believe how much you put

371

00:13:56,550 --> 00:13:55,440

out and where you find the time so dude

372

00:13:58,870 --> 00:13:56,560

respect

373

00:14:00,710 --> 00:13:58,880

so yeah anyway so um

374

00:14:03,590 --> 00:14:00,720

yeah so um

375

00:14:06,470 --> 00:14:03,600

um i made a graphic actually

376

00:14:08,310 --> 00:14:06,480

um nathan did you want to pull that up

377

00:14:10,550 --> 00:14:08,320

yep i was gonna

378

00:14:12,710 --> 00:14:10,560

talk about a lot of this

379

00:14:13,990 --> 00:14:12,720

so this is about basically where we're

380

00:14:16,389 --> 00:14:14,000

at right now

381

00:14:18,230 --> 00:14:16,399

um as far as

382

00:14:19,189 --> 00:14:18,240

did you push play

383

00:14:22,310 --> 00:14:19,199

yep

384

00:14:24,710 --> 00:14:22,320

okay um so this is as far okay can we go

385

00:14:27,910 --> 00:14:24,720

back sorry yep

386

00:14:30,230 --> 00:14:27,920

all right start again

387

00:14:32,550 --> 00:14:30,240

all right so this is um the ufo

388

00:14:34,949 --> 00:14:32,560

community versus the non-ufo community

389

00:14:37,189 --> 00:14:34,959

so these are the values so we had

390

00:14:39,350 --> 00:14:37,199

basically four million views versus our

391

00:14:41,910 --> 00:14:39,360

galileo project which is like 2 000

392

00:14:45,670 --> 00:14:41,920

subscribers so 3 million versus 2 000.

393

00:14:49,110 --> 00:14:45,680

all right so here we have a ufo

394

00:14:51,910 --> 00:14:49,120

um con or the ufo conference um doesn't

395

00:14:53,829 --> 00:14:51,920

look very exciting this is a comic con

396

00:14:55,910 --> 00:14:53,839

all right this looks much more exciting

397

00:14:57,509 --> 00:14:55,920

this is much more mainstream so i have

398

00:14:59,110 --> 00:14:57,519

some ideas to help bring the ufo

399

00:15:02,069 --> 00:14:59,120

community make it a little more

400

00:15:04,069 --> 00:15:02,079

mainstream okay i think we should

401
00:15:06,389 --> 00:15:04,079
make it like this so first of all we

402
00:15:09,430 --> 00:15:06,399
have a musician we have

403
00:15:12,069 --> 00:15:09,440
tom dalon he's got he's got a band blink

404
00:15:13,350 --> 00:15:12,079
182 tom where are you stop writing books

405
00:15:15,430 --> 00:15:13,360
for a minute

406
00:15:16,790 --> 00:15:15,440
we need this okay we want to see a mosh

407
00:15:19,509 --> 00:15:16,800
pit with

408
00:15:21,509 --> 00:15:19,519
all these people we want nick pope mick

409
00:15:24,069 --> 00:15:21,519
west in there all right this is this is

410
00:15:26,389 --> 00:15:24,079
going to bring us audience okay so who

411
00:15:27,829 --> 00:15:26,399
doesn't want a louis lozando tattoo all

412
00:15:30,470 --> 00:15:27,839
right let's talk to us at these

413
00:15:32,470 --> 00:15:30,480

conventions oh god all right a lou

414

00:15:33,350 --> 00:15:32,480

alexander original who wouldn't want

415

00:15:36,230 --> 00:15:33,360

that

416

00:15:38,870 --> 00:15:36,240

i mean or or a dj original too

417

00:15:41,269 --> 00:15:38,880

i totally want that yeah yes who

418

00:15:43,829 --> 00:15:41,279

wouldn't want a dj one nobody wants that

419

00:15:46,150 --> 00:15:43,839

one joe but they do

420

00:15:48,550 --> 00:15:46,160

all right so for the kids we got green

421

00:15:50,710 --> 00:15:48,560

street he's good with the kids sesame

422

00:15:52,069 --> 00:15:50,720

street green street we need a cryptid

423

00:15:54,230 --> 00:15:52,079

petting zoo

424

00:15:55,749 --> 00:15:54,240

all right got all the little cryptos

425

00:15:57,189 --> 00:15:55,759

there i think that'll bring the bring

426

00:15:59,590 --> 00:15:57,199

the kids in

427

00:16:02,710 --> 00:15:59,600

also we've got um who better to lead

428

00:16:04,710 --> 00:16:02,720

this um petting zoo than brandon fuegle

429

00:16:07,269 --> 00:16:04,720

yeah in walker ranch petting zoo right

430

00:16:08,870 --> 00:16:07,279

there and the children don't look scared

431

00:16:11,110 --> 00:16:08,880

did you notice oh no they don't they're

432

00:16:14,069 --> 00:16:11,120

having a great time so instead of pony

433

00:16:16,230 --> 00:16:14,079

rides we had our dino beaver rides

434

00:16:19,030 --> 00:16:16,240

right there

435

00:16:19,829 --> 00:16:19,040

jono beavers and um for the small small

436

00:16:21,590 --> 00:16:19,839

kids

437

00:16:23,910 --> 00:16:21,600

lose clues i think alazana would be

438

00:16:25,509 --> 00:16:23,920

great leading this

439

00:16:28,230 --> 00:16:25,519

they're blues clues

440

00:16:30,389 --> 00:16:28,240

we got our loose clues there

441

00:16:31,670 --> 00:16:30,399

all right so for the super big kids who

442

00:16:33,749 --> 00:16:31,680

are still trying to grow up and still

443

00:16:36,949 --> 00:16:33,759

have to fight a lot we got our ufo

444

00:16:40,069 --> 00:16:36,959

celebrity death match so we got

445

00:16:43,670 --> 00:16:40,079

look at that we got abby loeb versus

446

00:16:45,590 --> 00:16:43,680

oh well now we got rue elizondo versus

447

00:16:48,389 --> 00:16:45,600

the nasa guy he's getting ready to do

448

00:16:50,710 --> 00:16:48,399

his fireball

449

00:16:54,150 --> 00:16:50,720

all right man

450

00:16:56,949 --> 00:16:54,160

right well bill okay now we can

451
00:16:58,310 --> 00:16:56,959
this is where we can adopt a orb also it

452
00:17:00,310 --> 00:16:58,320
would be a cool part of it you know you

453
00:17:01,910 --> 00:17:00,320
got to wear your

454
00:17:03,829 --> 00:17:01,920
no more tin foil hats though because

455
00:17:05,829 --> 00:17:03,839
those don't protect you you've got to

456
00:17:09,270 --> 00:17:05,839
have faraday cages you got to have the

457
00:17:11,590 --> 00:17:09,280
faraday cage on your head okay so yeah

458
00:17:13,909 --> 00:17:11,600
spread the word so that's my um take on

459
00:17:16,390 --> 00:17:13,919
how to to get you know some of this out

460
00:17:18,470 --> 00:17:16,400
to the mainstream so you as a

461
00:17:19,990 --> 00:17:18,480
you as somebody who's worked in film

462
00:17:21,510 --> 00:17:20,000
what what's your take on that i mean on

463
00:17:24,230 --> 00:17:21,520

a more serious aspect how do you think

464

00:17:26,390 --> 00:17:24,240

we could bring this more to the public

465

00:17:27,990 --> 00:17:26,400

you know i mean get those four million

466

00:17:29,430 --> 00:17:28,000

views

467

00:17:31,110 --> 00:17:29,440

i know i mean there are ways to do it

468

00:17:33,270 --> 00:17:31,120

but i would not do it that way i mean

469

00:17:35,190 --> 00:17:33,280

you you create drama you create drama

470

00:17:37,190 --> 00:17:35,200

with reality shows reality shows people

471

00:17:38,710 --> 00:17:37,200

watch i mean i worked on 90 day fiance

472

00:17:40,630 --> 00:17:38,720

which is a really popular night you know

473

00:17:42,230 --> 00:17:40,640

reality show and the reason people watch

474

00:17:43,190 --> 00:17:42,240

is because it's a train wreck and it's

475

00:17:44,950 --> 00:17:43,200

drama

476
00:17:46,470 --> 00:17:44,960
um right so you know you could do that

477
00:17:48,549 --> 00:17:46,480
in the ufo field but we don't want to do

478
00:17:49,590 --> 00:17:48,559
that so

479
00:17:50,870 --> 00:17:49,600
one way

480
00:17:52,789 --> 00:17:50,880
i just think it's going to happen

481
00:17:55,350 --> 00:17:52,799
naturally naturally organically over

482
00:17:57,029 --> 00:17:55,360
time the videos are so important and and

483
00:17:59,430 --> 00:17:57,039
they took a risk getting those videos

484
00:18:01,430 --> 00:17:59,440
out i don't know exactly you know melon

485
00:18:03,350 --> 00:18:01,440
talked about how it was definitely

486
00:18:04,950 --> 00:18:03,360
bending the rules a little bit yeah but

487
00:18:06,870 --> 00:18:04,960
those videos are still if you watch the

488
00:18:07,909 --> 00:18:06,880

60 minutes australia they did a little

489

00:18:10,150 --> 00:18:07,919

series

490

00:18:12,230 --> 00:18:10,160

uh called unidentified it was just put

491

00:18:14,230 --> 00:18:12,240

up on youtube and the videos are still

492

00:18:15,510 --> 00:18:14,240

being played still being analyzed four

493

00:18:18,230 --> 00:18:15,520

years later

494

00:18:21,590 --> 00:18:18,240

so if we get one we just need one video

495

00:18:23,029 --> 00:18:21,600

that shows 90 degree turns um

496

00:18:24,230 --> 00:18:23,039

something that but i still don't know if

497

00:18:26,390 --> 00:18:24,240

that's going to make it mainstream

498

00:18:27,510 --> 00:18:26,400

because people are worried in my family

499

00:18:29,830 --> 00:18:27,520

they don't pay attention to this

500

00:18:31,830 --> 00:18:29,840

whatsoever a little bit along the way

501
00:18:33,830 --> 00:18:31,840
the past four years but recently no the

502
00:18:35,669 --> 00:18:33,840
ufo office gila brand they're from new

503
00:18:37,430 --> 00:18:35,679
york not one word from them and i've

504
00:18:38,630 --> 00:18:37,440
posted on facebook so i don't know what

505
00:18:40,150 --> 00:18:38,640
it's going to take

506
00:18:42,150 --> 00:18:40,160
it's going to have to affect their lives

507
00:18:43,830 --> 00:18:42,160
they're like listen i have bills i have

508
00:18:45,350 --> 00:18:43,840
to take care of my family i really can't

509
00:18:47,510 --> 00:18:45,360
worry about something that might happen

510
00:18:49,909 --> 00:18:47,520
so far you know nothing has happened

511
00:18:52,070 --> 00:18:49,919
maybe a mass sighting uh you know during

512
00:18:53,590 --> 00:18:52,080
the day we've had the phoenix likes but

513
00:18:55,669 --> 00:18:53,600

that was you know that was phoenix that

514

00:18:57,590 --> 00:18:55,679

was over at night it was at night you

515

00:18:58,870 --> 00:18:57,600

really couldn't see what it was so if we

516

00:19:00,070 --> 00:18:58,880

had something during the day maybe that

517

00:19:02,070 --> 00:19:00,080

would get the masses interested

518

00:19:03,430 --> 00:19:02,080

otherwise it's just going to take time i

519

00:19:04,710 --> 00:19:03,440

i really don't know and i've thought

520

00:19:06,630 --> 00:19:04,720

about that i'm trying to think how do we

521

00:19:08,549 --> 00:19:06,640

get the masses interested and it is

522

00:19:10,630 --> 00:19:08,559

happening but it's just slow and that's

523

00:19:12,230 --> 00:19:10,640

why i think says it's a long marathon

524

00:19:13,669 --> 00:19:12,240

we've got a long way to go yeah

525

00:19:15,270 --> 00:19:13,679

yeah we've got to change their values

526

00:19:17,830 --> 00:19:15,280

somehow we've got to get them to value

527

00:19:20,549 --> 00:19:17,840

something more than eyebrows or or

528

00:19:22,390 --> 00:19:20,559

makeup or how how much food is trendy on

529

00:19:24,390 --> 00:19:22,400

tick tock you know it's just yeah kim

530

00:19:26,310 --> 00:19:24,400

karda i bring it up king kim kardashian

531

00:19:27,669 --> 00:19:26,320

i don't know 70 80 million followers

532

00:19:29,350 --> 00:19:27,679

it's that kind of that's the kind of

533

00:19:31,190 --> 00:19:29,360

focus you know people are focused on

534

00:19:32,870 --> 00:19:31,200

that you know it's like and i've been

535

00:19:35,270 --> 00:19:32,880

part of the problem i work on reality

536

00:19:37,590 --> 00:19:35,280

shows which i'm trying to get away from

537

00:19:38,630 --> 00:19:37,600

so i've worked on some of those

538

00:19:40,549 --> 00:19:38,640

but still it's like there have been

539

00:19:42,950 --> 00:19:40,559

shows i've worked on i'm like i am going

540

00:19:45,029 --> 00:19:42,960

to help because i've worked on this

541

00:19:48,230 --> 00:19:45,039

and it was just you didn't work on

542

00:19:49,750 --> 00:19:48,240

flavor flav no i worked on life swap

543

00:19:50,830 --> 00:19:49,760

wife swap was oh

544

00:19:53,830 --> 00:19:50,840

really bad

545

00:19:55,190 --> 00:19:53,840

yeah hey joe so i got two things uh one

546

00:19:58,150 --> 00:19:55,200

thing i don't know if you know from the

547

00:20:00,630 --> 00:19:58,160

podcast world reality life's kate casey

548

00:20:03,029 --> 00:20:00,640

uh she does one of the most prolific

549

00:20:05,430 --> 00:20:03,039

reality show podcasts i had her on my

550

00:20:07,350 --> 00:20:05,440

old show before this one and she has at

551
00:20:09,029 --> 00:20:07,360
least verbally committed that she's

552
00:20:10,390 --> 00:20:09,039
going to come on calling all beings and

553
00:20:13,270 --> 00:20:10,400
she used to work in the white house i

554
00:20:15,590 --> 00:20:13,280
mean she's a brilliant lady uh and very

555
00:20:17,909 --> 00:20:15,600
very smart and funny so i hope we get

556
00:20:19,669 --> 00:20:17,919
her on i hope i hope you know fingers

557
00:20:21,510 --> 00:20:19,679
crossed on that but the second thing i

558
00:20:22,789 --> 00:20:21,520
was going to say is we've spoken about

559
00:20:25,350 --> 00:20:22,799
this at length

560
00:20:27,510 --> 00:20:25,360
i believe that if if we were to have

561
00:20:30,149 --> 00:20:27,520
irrefutable contact which is what you

562
00:20:32,950 --> 00:20:30,159
are alluding to so a major city during

563
00:20:34,870 --> 00:20:32,960

the daytime and all the news cameras all

564

00:20:37,270 --> 00:20:34,880

the trucks you know people that are in

565

00:20:39,669 --> 00:20:37,280

your business are able to get out and

566

00:20:41,909 --> 00:20:39,679

see that and view that and film that so

567

00:20:44,789 --> 00:20:41,919

now we've got fox we've got

568

00:20:47,669 --> 00:20:44,799

msnbc we have cnn we have the local news

569

00:20:49,830 --> 00:20:47,679

networks if it's irrefutable people will

570

00:20:51,669 --> 00:20:49,840

have to deal with it there's no

571

00:20:53,990 --> 00:20:51,679

the phoenix lights were easily

572

00:20:55,350 --> 00:20:54,000

dismissible this would not be in broad

573

00:20:56,870 --> 00:20:55,360

daylight would you

574

00:20:58,310 --> 00:20:56,880

agree disagree what's your thoughts i

575

00:20:59,909 --> 00:20:58,320

would agree and once and i was thinking

576

00:21:01,510 --> 00:20:59,919

about it today once the press gets a

577

00:21:03,590 --> 00:21:01,520

hold of it and people really want to

578

00:21:05,190 --> 00:21:03,600

know it's going to be non-stop shows

579

00:21:07,029 --> 00:21:05,200

non-stop

580

00:21:08,310 --> 00:21:07,039

panel shows on all those it's going to

581

00:21:11,110 --> 00:21:08,320

be it's going to be out of control and

582

00:21:12,950 --> 00:21:11,120

that's where i saw somebody today saying

583

00:21:14,870 --> 00:21:12,960

when scientists get involved and the

584

00:21:16,470 --> 00:21:14,880

mainstream gets involved ufology is kind

585

00:21:18,789 --> 00:21:16,480

of probably going to go away a little

586

00:21:20,470 --> 00:21:18,799

bit i mean i'm sure regular people

587

00:21:21,830 --> 00:21:20,480

there'll be enough people that want to

588

00:21:24,070 --> 00:21:21,840

know and they'll reach out to folks like

589

00:21:25,190 --> 00:21:24,080

us who have been at this for a long time

590

00:21:26,710 --> 00:21:25,200

um

591

00:21:28,470 --> 00:21:26,720

but it's going to take on a totally it's

592

00:21:30,149 --> 00:21:28,480

going to look really different it's it's

593

00:21:32,070 --> 00:21:30,159

really going to be amazing to see people

594

00:21:33,430 --> 00:21:32,080

debating it and you'll probably if

595

00:21:35,750 --> 00:21:33,440

they're smart they'll have the folks the

596

00:21:37,350 --> 00:21:35,760

religious folks who are on who are on

597

00:21:39,190 --> 00:21:37,360

who i think are

598

00:21:40,870 --> 00:21:39,200

the folks and we could talk about the

599

00:21:42,950 --> 00:21:40,880

folks in the air force and the folks

600

00:21:44,549 --> 00:21:42,960

little has you know who he encountered

601
00:21:45,909 --> 00:21:44,559
in the pentagon they don't want us to

602
00:21:47,029 --> 00:21:45,919
even study this because they think it's

603
00:21:49,110 --> 00:21:47,039
demonic

604
00:21:51,270 --> 00:21:49,120
so so that that whole

605
00:21:53,029 --> 00:21:51,280
that whole you want drama you can have

606
00:21:54,950 --> 00:21:53,039
panelists you know debating that issue

607
00:21:57,350 --> 00:21:54,960
back and forth which i think is a fair

608
00:21:59,430 --> 00:21:57,360
debate i mean it's part of the story you

609
00:22:01,029 --> 00:21:59,440
know that's part of why i don't think

610
00:22:02,710 --> 00:22:01,039
we've seen data from the air force

611
00:22:03,990 --> 00:22:02,720
because the higher-ups just don't want

612
00:22:06,310 --> 00:22:04,000
it out because

613
00:22:07,590 --> 00:22:06,320

they think you know

614

00:22:10,470 --> 00:22:07,600

it's demonic

615

00:22:12,390 --> 00:22:10,480

i think uh i i don't i've actually gave

616

00:22:13,909 --> 00:22:12,400

this little this little speech last week

617

00:22:15,990 --> 00:22:13,919

because we have a new chief of staff

618

00:22:17,830 --> 00:22:16,000

named charles q brown he's the first

619

00:22:19,669 --> 00:22:17,840

black chief of staff that we've ever had

620

00:22:22,149 --> 00:22:19,679

in the history of the air force

621

00:22:24,549 --> 00:22:22,159

and i don't know his particular values

622

00:22:27,430 --> 00:22:24,559

although i did get to hear him speak

623

00:22:28,310 --> 00:22:27,440

about the uh george floyd killing

624

00:22:30,310 --> 00:22:28,320

and

625

00:22:32,310 --> 00:22:30,320

i think what it has to do with is if you

626

00:22:34,870 --> 00:22:32,320

were to read and you were and i can

627

00:22:36,549 --> 00:22:34,880

probably pull this up and and send it to

628

00:22:37,430 --> 00:22:36,559

you but the mission statement of the air

629

00:22:40,070 --> 00:22:37,440

force

630

00:22:41,669 --> 00:22:40,080

and now first of all let me just say i'm

631

00:22:43,830 --> 00:22:41,679

in the camp of i don't like being

632

00:22:47,110 --> 00:22:43,840

deceived i don't like being lied to or

633

00:22:49,270 --> 00:22:47,120

bs and i know like you as a new yorker

634

00:22:50,630 --> 00:22:49,280

we don't like that nobody likes that

635

00:22:52,390 --> 00:22:50,640

and

636

00:22:54,390 --> 00:22:52,400

the fact that they

637

00:22:56,710 --> 00:22:54,400

to the extent this has happened is is a

638

00:22:59,029 --> 00:22:56,720

result of our mission statement is air

639

00:23:00,710 --> 00:22:59,039

superiority over the united states and

640

00:23:04,310 --> 00:23:00,720

projecting global

641

00:23:06,789 --> 00:23:04,320

power global air power across the world

642

00:23:08,789 --> 00:23:06,799

none of that mission statement

643

00:23:11,270 --> 00:23:08,799

includes something like i need to tell

644

00:23:12,789 --> 00:23:11,280

the people who want to know about ufos

645

00:23:15,909 --> 00:23:12,799

about ufos

646

00:23:17,990 --> 00:23:15,919

i need to do my part to the national

647

00:23:20,390 --> 00:23:18,000

command authority president joint chiefs

648

00:23:22,870 --> 00:23:20,400

of staff secretary of defense that i'm

649

00:23:25,750 --> 00:23:22,880

fulfilled my mission which is instill

650

00:23:27,909 --> 00:23:25,760

confidence in the public that we have

651
00:23:28,789 --> 00:23:27,919
control of the skies when in fact we all

652
00:23:30,870 --> 00:23:28,799
know

653
00:23:34,070 --> 00:23:30,880
they don't when those things appear

654
00:23:35,990 --> 00:23:34,080
right no i agree i don't think it's just

655
00:23:37,270 --> 00:23:36,000
the demonic angle i think what you just

656
00:23:38,870 --> 00:23:37,280
said they don't want to admit that there

657
00:23:41,110 --> 00:23:38,880
are craft here that we can do nothing

658
00:23:42,950 --> 00:23:41,120
about you know we have no control

659
00:23:45,669 --> 00:23:42,960
you know as as people say they act with

660
00:23:46,710 --> 00:23:45,679
impunity over restricted air space um

661
00:23:48,789 --> 00:23:46,720
you know they have you also have the

662
00:23:50,950 --> 00:23:48,799
technology angle if we do have this

663
00:23:52,390 --> 00:23:50,960

technology you don't want

664

00:23:53,750 --> 00:23:52,400

whether or not russia and china have it

665

00:23:55,510 --> 00:23:53,760

too you just don't want to take that

666

00:23:58,470 --> 00:23:55,520

chance so i understand that aspect of it

667

00:23:59,909 --> 00:23:58,480

so yeah it's um

668

00:24:01,669 --> 00:23:59,919

i don't know it's going to break open

669

00:24:03,110 --> 00:24:01,679

that damn i think we're in we're heading

670

00:24:04,710 --> 00:24:03,120

in the right direction but i'm not sure

671

00:24:06,149 --> 00:24:04,720

if somebody like gillibrand i don't know

672

00:24:08,149 --> 00:24:06,159

what it's going to take

673

00:24:10,230 --> 00:24:08,159

let's say they the air force people they

674

00:24:11,830 --> 00:24:10,240

do have let's say whoever's in charge of

675

00:24:14,390 --> 00:24:11,840

that data warehouse or multiple

676
00:24:15,750 --> 00:24:14,400
warehouses or special access programs i

677
00:24:17,190 --> 00:24:15,760
don't know how we're going to get access

678
00:24:18,549 --> 00:24:17,200
to that that's the biggest question i

679
00:24:20,710 --> 00:24:18,559
had that question

680
00:24:23,830 --> 00:24:20,720
22 years ago i was i was calling into a

681
00:24:25,990 --> 00:24:23,840
show 22 years ago early 2000 asking the

682
00:24:27,750 --> 00:24:26,000
same exact question it's like and we

683
00:24:29,510 --> 00:24:27,760
still i mean we're definitely making

684
00:24:32,710 --> 00:24:29,520
progress when we have crash retrieval

685
00:24:35,269 --> 00:24:32,720
language in the ndaa so that's that's a

686
00:24:36,710 --> 00:24:35,279
huge thing so it's being discussed but

687
00:24:38,870 --> 00:24:36,720
i don't know where we go from here how

688
00:24:40,549 --> 00:24:38,880

we get to that access i need to turn

689

00:24:42,789 --> 00:24:40,559

this over to nathan because it's his

690

00:24:45,110 --> 00:24:42,799

turn but i just want to say that

691

00:24:47,110 --> 00:24:45,120

if lou elizondo is the head of the

692

00:24:49,350 --> 00:24:47,120

advanced aerospace threat identification

693

00:24:52,789 --> 00:24:49,360

program was not

694

00:24:56,870 --> 00:24:52,799

read into every single program special

695

00:24:59,430 --> 00:24:56,880

access or otherwise that has either

696

00:25:01,510 --> 00:24:59,440

downed craft as richard dodie says

697

00:25:04,789 --> 00:25:01,520

biological material that was harvested

698

00:25:07,029 --> 00:25:04,799

from live and deceased beings etc then

699

00:25:09,430 --> 00:25:07,039

you know that there is a construct out

700

00:25:11,750 --> 00:25:09,440

there that is able to keep

701

00:25:13,830 --> 00:25:11,760

someone with the need to know from

702

00:25:16,230 --> 00:25:13,840

knowing so who would those people be the

703

00:25:17,909 --> 00:25:16,240

president the secretary of defense the

704

00:25:20,630 --> 00:25:17,919

joint chiefs of staff

705

00:25:22,549 --> 00:25:20,640

so that's yeah that's right well admiral

706

00:25:24,390 --> 00:25:22,559

wilson was in charge of intelligence and

707

00:25:25,990 --> 00:25:24,400

he couldn't get access to this program

708

00:25:27,510 --> 00:25:26,000

and people are like why would he think

709

00:25:29,190 --> 00:25:27,520

he would get access it was a special

710

00:25:31,510 --> 00:25:29,200

access program and he wasn't on the

711

00:25:32,950 --> 00:25:31,520

bigot list but

712

00:25:34,789 --> 00:25:32,960

if he felt like he was in charge of

713

00:25:37,110 --> 00:25:34,799

intelligence he's like this is over this

714

00:25:38,789 --> 00:25:37,120

is my purview i should have access to

715

00:25:40,789 --> 00:25:38,799

this information so it's like it was

716

00:25:42,310 --> 00:25:40,799

understandable that he actually felt

717

00:25:45,909 --> 00:25:42,320

like he should have been given access

718

00:25:49,430 --> 00:25:47,190

yeah and joe you touched on this a

719

00:25:50,870 --> 00:25:49,440

second ago and i think this is why i

720

00:25:52,950 --> 00:25:50,880

enjoy your perspective because you've

721

00:25:54,310 --> 00:25:52,960

been in this for quite a while

722

00:25:56,630 --> 00:25:54,320

um i think

723

00:25:58,230 --> 00:25:56,640

before the 2000 right you've been doing

724

00:25:59,669 --> 00:25:58,240

this since the 90s right you've been

725

00:26:01,750 --> 00:25:59,679

interested in this topic

726

00:26:03,269 --> 00:26:01,760

like 96 is when i really started getting

727

00:26:04,630 --> 00:26:03,279

into it and somebody mentioned whitley

728

00:26:06,470 --> 00:26:04,640

strieber's book to me and that was kind

729

00:26:08,630 --> 00:26:06,480

of what sent me down that rabbit hole

730

00:26:10,870 --> 00:26:08,640

amazing so i was wondering like just

731

00:26:12,950 --> 00:26:10,880

with the span of that time

732

00:26:14,950 --> 00:26:12,960

because i reflect on this myself the the

733

00:26:17,029 --> 00:26:14,960

sort of journey that people go through

734

00:26:18,470 --> 00:26:17,039

in this topic they start out kind of

735

00:26:20,310 --> 00:26:18,480

typically in a

736

00:26:22,630 --> 00:26:20,320

if you're if you're not an experimenter

737

00:26:24,310 --> 00:26:22,640

you generally start out in this

738

00:26:26,950 --> 00:26:24,320

you know interested from more of the

739

00:26:28,710 --> 00:26:26,960

science or the technology or we're not

740

00:26:30,390 --> 00:26:28,720

alone perspective and then you kind of

741

00:26:31,350 --> 00:26:30,400

go through a journey and i was wondering

742

00:26:33,590 --> 00:26:31,360

if you could

743

00:26:36,070 --> 00:26:33,600

speak to your journey a little bit i've

744

00:26:38,549 --> 00:26:36,080

in particular i've enjoyed the tweets

745

00:26:40,789 --> 00:26:38,559

in the last year from you that have i

746

00:26:42,630 --> 00:26:40,799

have noticed and maybe this is just me

747

00:26:44,310 --> 00:26:42,640

picking up on it where where it's always

748

00:26:47,510 --> 00:26:44,320

been there but i've noticed you've been

749

00:26:50,070 --> 00:26:47,520

very uh sort of much more nuanced in

750

00:26:52,070 --> 00:26:50,080

your take on what might be going on than

751
00:26:53,430 --> 00:26:52,080
uh than i remember so i just wanted you

752
00:26:56,549 --> 00:26:53,440
know kind of has it always been where

753
00:27:00,149 --> 00:26:56,559
you where you have been or have you

754
00:27:02,390 --> 00:27:00,159
have you kind of gotten there over time

755
00:27:03,669 --> 00:27:02,400
when i first started out so the reason i

756
00:27:05,590 --> 00:27:03,679
got into this

757
00:27:06,870 --> 00:27:05,600
really strong was because i wanted to

758
00:27:08,390 --> 00:27:06,880
impress

759
00:27:09,269 --> 00:27:08,400
a female

760
00:27:13,750 --> 00:27:09,279
so

761
00:27:15,750 --> 00:27:13,760
we were working for city government and

762
00:27:17,029 --> 00:27:15,760
i met her and i'm like

763
00:27:18,230 --> 00:27:17,039

started hanging out with her she's like

764

00:27:20,549 --> 00:27:18,240

we're just friends we're just friends

765

00:27:21,990 --> 00:27:20,559

and then she goes oh my my by the way my

766

00:27:24,549 --> 00:27:22,000

aunt i don't know how it came up she

767

00:27:25,909 --> 00:27:24,559

goes my man my aunt had an experience

768

00:27:28,470 --> 00:27:25,919

where

769

00:27:29,990 --> 00:27:28,480

this being was in her house next to her

770

00:27:31,510 --> 00:27:30,000

she woke up in this reclining chair and

771

00:27:33,350 --> 00:27:31,520

the being was right there i'm like what

772

00:27:34,789 --> 00:27:33,360

did it look like she's like

773

00:27:37,190 --> 00:27:34,799

the cover of that book i'm like what

774

00:27:38,630 --> 00:27:37,200

book she's like oh and she finally

775

00:27:40,789 --> 00:27:38,640

realized it was communion by whitley

776

00:27:42,470 --> 00:27:40,799

strieber so i like all right i'm gonna

777

00:27:43,909 --> 00:27:42,480

read that book so now i have something

778

00:27:46,310 --> 00:27:43,919

in common with her

779

00:27:48,389 --> 00:27:46,320

so i read the book nice didn't realize

780

00:27:49,990 --> 00:27:48,399

it was scary did not realize anything

781

00:27:52,950 --> 00:27:50,000

like it was like that and i put it down

782

00:27:54,389 --> 00:27:52,960

i'm like i'm not reading this and

783

00:27:56,070 --> 00:27:54,399

i went to sleep one night i was on the

784

00:27:57,990 --> 00:27:56,080

couch and slept on the couch i woke up

785

00:27:59,830 --> 00:27:58,000

and i could not move i was paralyzed on

786

00:28:01,350 --> 00:27:59,840

the couch so i'm like you know it's

787

00:28:03,110 --> 00:28:01,360

typical

788

00:28:05,029 --> 00:28:03,120

people say sleep paralysis other people

789

00:28:06,389 --> 00:28:05,039

say precursor to an out-of-body

790

00:28:08,149 --> 00:28:06,399

experience other people say it's an

791

00:28:09,669 --> 00:28:08,159

abduction well i just read an abduction

792

00:28:12,950 --> 00:28:09,679

book so i'm like here come the aliens to

793

00:28:14,630 --> 00:28:12,960

come take me so i was like oh my god

794

00:28:15,990 --> 00:28:14,640

so i got out i struggled out of it and

795

00:28:18,470 --> 00:28:16,000

the next day i'm like that's a sign to

796

00:28:20,230 --> 00:28:18,480

me to finish that book so i finished it

797

00:28:21,909 --> 00:28:20,240

and i finished with streeper's next book

798

00:28:24,230 --> 00:28:21,919

transformation and then breakthrough and

799

00:28:25,990 --> 00:28:24,240

i went into all these new age books

800

00:28:28,230 --> 00:28:26,000

i believed everything i read i had no

801
00:28:30,470 --> 00:28:28,240
discernment i thought disclosure was

802
00:28:33,110 --> 00:28:30,480
coming in you know it was 96 97 i

803
00:28:34,870 --> 00:28:33,120
thought disclosure was coming by 2000.

804
00:28:36,789 --> 00:28:34,880
um i worked with somebody who would

805
00:28:38,310 --> 00:28:36,799
debate me and he was really a skeptic

806
00:28:39,590 --> 00:28:38,320
and it really helped me mold my

807
00:28:41,269 --> 00:28:39,600
arguments i'm like you know what he's

808
00:28:42,710 --> 00:28:41,279
right i can't prove half the stuff i'm

809
00:28:44,950 --> 00:28:42,720
talking about none of it i can't prove

810
00:28:46,950 --> 00:28:44,960
any of it so and i became more

811
00:28:48,389 --> 00:28:46,960
conservative along the way but then i

812
00:28:51,750 --> 00:28:48,399
went back a little bit towards the other

813
00:28:53,510 --> 00:28:51,760

way i took remote viewing classes in 97

814

00:28:55,909 --> 00:28:53,520

um years a couple years after that with

815

00:28:58,070 --> 00:28:55,919

a couple of remote viewing teachers and

816

00:28:59,430 --> 00:28:58,080

and then recently a lot of my interest

817

00:29:01,110 --> 00:28:59,440

was something i didn't know i didn't

818

00:29:03,350 --> 00:29:01,120

realize there was there was a connection

819

00:29:04,950 --> 00:29:03,360

between poltergeist and ufos until eric

820

00:29:06,470 --> 00:29:04,960

davis said it on coast to coast a couple

821

00:29:08,789 --> 00:29:06,480

of years ago

822

00:29:10,389 --> 00:29:08,799

he said every ufo sightings it has

823

00:29:13,350 --> 00:29:10,399

poltergeist activity and what he meant

824

00:29:14,870 --> 00:29:13,360

was close encounters um so i didn't

825

00:29:16,389 --> 00:29:14,880

realize that and then

826

00:29:18,630 --> 00:29:16,399

hud for the skinwalker came out and the

827

00:29:20,950 --> 00:29:18,640

whole hitchhiker effect so

828

00:29:23,669 --> 00:29:20,960

that sent me that down that path and i'm

829

00:29:25,350 --> 00:29:23,679

i'm really trying to figure and i don't

830

00:29:27,269 --> 00:29:25,360

assume that i can figure anything out

831

00:29:28,870 --> 00:29:27,279

but i try to figure out

832

00:29:30,389 --> 00:29:28,880

whatever information points in a certain

833

00:29:31,990 --> 00:29:30,399

direction and try to share that maybe

834

00:29:33,269 --> 00:29:32,000

somebody else comes comes up with

835

00:29:36,230 --> 00:29:33,279

something because i do think there's a

836

00:29:38,389 --> 00:29:36,240

connection 100 between whatever that

837

00:29:40,549 --> 00:29:38,399

intelligence intelligence is that causes

838

00:29:42,070 --> 00:29:40,559

poltergeist activity they can also

839

00:29:44,149 --> 00:29:42,080

create ufo sightings i don't know if

840

00:29:46,070 --> 00:29:44,159

that's the entire answer there might be

841

00:29:48,549 --> 00:29:46,080

a totally separate intelligence

842

00:29:50,549 --> 00:29:48,559

that connects you know that is ufos and

843

00:29:53,990 --> 00:29:50,559

maybe the poltergeist intelligence can

844

00:29:55,830 --> 00:29:54,000

mimic ufos to trick us i don't know but

845

00:29:57,830 --> 00:29:55,840

the people who are

846

00:29:58,950 --> 00:29:57,840

the christians in the government and the

847

00:30:00,389 --> 00:29:58,960

air force

848

00:30:02,230 --> 00:30:00,399

in the beginning according to nick

849

00:30:05,110 --> 00:30:02,240

redfern they were they were open to

850

00:30:06,549 --> 00:30:05,120

other ideas they were like it's

851

00:30:08,870 --> 00:30:06,559

you know it's another dimension it

852

00:30:11,430 --> 00:30:08,880

wasn't strictly demons and angels it was

853

00:30:13,669 --> 00:30:11,440

more nuanced um as the years went on

854

00:30:14,950 --> 00:30:13,679

they became very strongly that it was

855

00:30:17,350 --> 00:30:14,960

just demons and the good stuff was

856

00:30:19,190 --> 00:30:17,360

angels so i'm more open to that stuff i

857

00:30:20,630 --> 00:30:19,200

mean i've read i've read in a lot of

858

00:30:22,789 --> 00:30:20,640

controversial stuff i've gotten in

859

00:30:24,310 --> 00:30:22,799

trouble just mentioning david ike's name

860

00:30:26,630 --> 00:30:24,320

on twitter because i'll get labeled as

861

00:30:28,630 --> 00:30:26,640

an anti-semite i mean and i and i've

862

00:30:29,909 --> 00:30:28,640

seen like lecture and i don't you know i

863

00:30:31,269 --> 00:30:29,919

don't really talk about him too much a

864

00:30:33,269 --> 00:30:31,279

friend of mine's like don't talk about

865

00:30:35,110 --> 00:30:33,279

him i'm like but some of the information

866

00:30:36,950 --> 00:30:35,120

that he has in there i think may be spot

867

00:30:39,110 --> 00:30:36,960

on and i've had somebody tell me

868

00:30:41,190 --> 00:30:39,120

somebody really smart saying

869

00:30:42,549 --> 00:30:41,200

a lot of his information is accurate so

870

00:30:44,310 --> 00:30:42,559

that doesn't mean it's accurate but it's

871

00:30:46,149 --> 00:30:44,320

something i pay attention to

872

00:30:47,590 --> 00:30:46,159

um so i really

873

00:30:49,669 --> 00:30:47,600

i don't know if i answered your question

874

00:30:51,750 --> 00:30:49,679

if i don't know i really you did you you

875

00:30:53,029 --> 00:30:51,760

know you told about the journey and you

876

00:30:55,750 --> 00:30:53,039

you opened my mind started to think

877

00:30:57,190 --> 00:30:55,760

about poltergeists and ufos tell me can

878

00:30:59,029 --> 00:30:57,200

you expand on that a little bit before

879

00:31:00,310 --> 00:30:59,039

we go to the next

880

00:31:02,149 --> 00:31:00,320

yeah i mean skinwalker ranch is a

881

00:31:04,710 --> 00:31:02,159

perfect example because they've sent

882

00:31:06,549 --> 00:31:04,720

five dia folks there and there's ufo

883

00:31:08,630 --> 00:31:06,559

activity at the ranch well all five of

884

00:31:09,990 --> 00:31:08,640

them went to the ranch went home

885

00:31:12,710 --> 00:31:10,000

and they started having poultry guys

886

00:31:13,750 --> 00:31:12,720

activity in their homes uh shadow beings

887

00:31:16,070 --> 00:31:13,760

um

888

00:31:18,870 --> 00:31:16,080

one lady the mother of the character

889

00:31:21,190 --> 00:31:18,880

named jonathan axelrod she saw a bipedal

890

00:31:22,789 --> 00:31:21,200

wolf staring at her during the day

891

00:31:24,230 --> 00:31:22,799

outside um

892

00:31:26,710 --> 00:31:24,240

didn't tell anybody about it and then

893

00:31:28,230 --> 00:31:26,720

her son experienced it separately it was

894

00:31:29,830 --> 00:31:28,240

uh they went in the backyard they

895

00:31:31,509 --> 00:31:29,840

checked the tree there was claw marks in

896

00:31:33,509 --> 00:31:31,519

the tree so they believed

897

00:31:34,950 --> 00:31:33,519

it was physical and then one of the kids

898

00:31:36,470 --> 00:31:34,960

friends the kid didn't tell anybody one

899

00:31:37,350 --> 00:31:36,480

of his friends experienced it so it

900

00:31:38,870 --> 00:31:37,360

seems

901
00:31:40,149 --> 00:31:38,880
the activity that the poltergeist

902
00:31:41,909 --> 00:31:40,159
activity seems to spread like a

903
00:31:43,430 --> 00:31:41,919
contagion i don't know you know it's

904
00:31:45,430 --> 00:31:43,440
called hitchhiker's where it supposedly

905
00:31:46,789 --> 00:31:45,440
attaches to you you take it home it

906
00:31:48,269 --> 00:31:46,799
wasn't just skinwalker though there was

907
00:31:50,710 --> 00:31:48,279
a case on the west coast a

908
00:31:53,190 --> 00:31:50,720
biotechnologist he was in the car with

909
00:31:55,750 --> 00:31:53,200
his daughter and driving along and she

910
00:31:57,669 --> 00:31:55,760
sees these orbs out you know just off in

911
00:31:59,190 --> 00:31:57,679
the distance two of them come into the

912
00:32:00,549 --> 00:31:59,200
car one of them goes through her

913
00:32:04,310 --> 00:32:00,559

father's shoulder

914

00:32:05,350 --> 00:32:04,320

um he gets sick with a very rare ductal

915

00:32:07,990 --> 00:32:05,360

cancer

916

00:32:10,549 --> 00:32:08,000

she goes home to the east coast

917

00:32:12,710 --> 00:32:10,559

poltergeist activity bursts out in her

918

00:32:14,389 --> 00:32:12,720

home so it's like what is that what is

919

00:32:15,909 --> 00:32:14,399

going on it's like you know one of the

920

00:32:17,750 --> 00:32:15,919

theories that's been going on for such a

921

00:32:19,509 --> 00:32:17,760

long time and i've gotten criticized for

922

00:32:21,430 --> 00:32:19,519

bringing this one up too is whatever

923

00:32:23,990 --> 00:32:21,440

this is it feeds off of negativity in

924

00:32:25,909 --> 00:32:24,000

our lives so it comes in and it and it

925

00:32:27,509 --> 00:32:25,919

focuses on families or people that have

926
00:32:29,990 --> 00:32:27,519
negativity although what i just told you

927
00:32:30,789 --> 00:32:30,000
doesn't really fit that um

928
00:32:33,590 --> 00:32:30,799
but

929
00:32:35,190 --> 00:32:33,600
the whole where was i going with that um

930
00:32:37,029 --> 00:32:35,200
people have said with the ranch if you

931
00:32:39,190 --> 00:32:37,039
brought violence if you bring an

932
00:32:40,870 --> 00:32:39,200
attitude to the ranch like uh you know

933
00:32:43,350 --> 00:32:40,880
you're bringing weaponry you're bringing

934
00:32:45,350 --> 00:32:43,360
a mind of i'm gonna take this thing on

935
00:32:47,750 --> 00:32:45,360
that it approaches you that way but if

936
00:32:49,110 --> 00:32:47,760
you sort of come with a a peaceful

937
00:32:52,470 --> 00:32:49,120
gesture of

938
00:32:55,110 --> 00:32:52,480

just you know discovery that it you know

939

00:32:57,110 --> 00:32:55,120

it doesn't attach a negativity i think

940

00:32:59,350 --> 00:32:57,120

you guys everybody in the panel's heard

941

00:33:00,710 --> 00:32:59,360

things like that have you heard that joe

942

00:33:02,549 --> 00:33:00,720

yeah i've heard the theory i've heard

943

00:33:04,230 --> 00:33:02,559

the theory um

944

00:33:06,470 --> 00:33:04,240

but then you have thomas winterton who's

945

00:33:08,630 --> 00:33:06,480

the ranch superintendent i mean he got a

946

00:33:10,630 --> 00:33:08,640

brain injury it was very serious i don't

947

00:33:11,990 --> 00:33:10,640

think from what i've seen of him he's

948

00:33:14,070 --> 00:33:12,000

not the kind of guy that had that

949

00:33:15,909 --> 00:33:14,080

attitude um

950

00:33:17,430 --> 00:33:15,919

and as far as the the hitchhiker stuff

951
00:33:18,710 --> 00:33:17,440
like i said it happened to the to the

952
00:33:20,870 --> 00:33:18,720
guy's daughter

953
00:33:22,149 --> 00:33:20,880
um you know and it ruined you know her

954
00:33:23,669 --> 00:33:22,159
roommate had to move out it was he

955
00:33:25,430 --> 00:33:23,679
couldn't take all the poltergeist

956
00:33:27,669 --> 00:33:25,440
activity yeah you know people have

957
00:33:28,789 --> 00:33:27,679
gotten sick too like i said her father

958
00:33:30,549 --> 00:33:28,799
you know went through his arm he got

959
00:33:32,070 --> 00:33:30,559
this cancer um

960
00:33:34,230 --> 00:33:32,080
had a dream that night where they said

961
00:33:36,230 --> 00:33:34,240
we're gonna fix this but

962
00:33:38,070 --> 00:33:36,240
he still got sick i mean maybe it wasn't

963
00:33:40,470 --> 00:33:38,080

as bad maybe it was because i asked

964

00:33:42,389 --> 00:33:40,480

colin kelleher i go assuming this is an

965

00:33:43,590 --> 00:33:42,399

advanced intelligence you would think at

966

00:33:45,350 --> 00:33:43,600

this point

967

00:33:47,190 --> 00:33:45,360

they would know that going through a

968

00:33:49,269 --> 00:33:47,200

human is going to cause the human to get

969

00:33:50,710 --> 00:33:49,279

sick right whether it's radiation or

970

00:33:52,710 --> 00:33:50,720

whatever they are so it's like it

971

00:33:54,389 --> 00:33:52,720

doesn't make sense to me unless somebody

972

00:33:56,549 --> 00:33:54,399

said well maybe they was like little

973

00:33:58,470 --> 00:33:56,559

kids the orbs represented some kids off

974

00:33:59,350 --> 00:33:58,480

on a little you know a little field trip

975

00:34:01,430 --> 00:33:59,360

and they didn't know what they were

976

00:34:03,430 --> 00:34:01,440

doing it's like it really a lot of it is

977

00:34:05,909 --> 00:34:03,440

really hard to figure out and he's like

978

00:34:07,750 --> 00:34:05,919

we don't think ufos are you know there's

979

00:34:09,109 --> 00:34:07,760

ill intent we just think they're bad for

980

00:34:10,710 --> 00:34:09,119

human health and maybe it's an

981

00:34:13,190 --> 00:34:10,720

intelligence that just goes about their

982

00:34:15,510 --> 00:34:13,200

business and if we get injured oh well

983

00:34:17,030 --> 00:34:15,520

yeah exactly you know

984

00:34:18,629 --> 00:34:17,040

kind of like we do with with lesser

985

00:34:19,669 --> 00:34:18,639

intelligent beings if we step on an

986

00:34:21,510 --> 00:34:19,679

anthill we're like you know we don't

987

00:34:23,190 --> 00:34:21,520

worry about it the rest of the day

988

00:34:25,510 --> 00:34:23,200

right that maybe that may be part of

989

00:34:27,030 --> 00:34:25,520

what's going on and lou has insinuated

990

00:34:29,109 --> 00:34:27,040

if that you know he's mentioned the food

991

00:34:31,589 --> 00:34:29,119

chain i'm not sure how the masses would

992

00:34:33,430 --> 00:34:31,599

be able to handle that i think we'd be

993

00:34:34,710 --> 00:34:33,440

a lot better than most people but i

994

00:34:36,389 --> 00:34:34,720

don't know if it would be you know i

995

00:34:38,470 --> 00:34:36,399

think we'd have to see how we actually

996

00:34:40,550 --> 00:34:38,480

react to it because

997

00:34:42,069 --> 00:34:40,560

i'm just hold on a second

998

00:34:44,310 --> 00:34:42,079

hey

999

00:34:45,349 --> 00:34:44,320

the dog is going crazy he's a puppy we

1000

00:34:47,909 --> 00:34:45,359

need this he's like there he's like

1001
00:34:49,829 --> 00:34:47,919
there's other guys in the house where's

1002
00:34:51,829 --> 00:34:49,839
that door

1003
00:34:53,829 --> 00:34:51,839
there's a ghost

1004
00:34:55,349 --> 00:34:53,839
he's digging he's digging into my papers

1005
00:34:56,629 --> 00:34:55,359
anyway um

1006
00:34:57,829 --> 00:34:56,639
yeah so that could be you know i don't

1007
00:34:59,030 --> 00:34:57,839
know how the masses would handle it i

1008
00:35:00,550 --> 00:34:59,040
say i would be able to handle it but

1009
00:35:02,870 --> 00:35:00,560
that's another story just like if i went

1010
00:35:04,870 --> 00:35:02,880
outside and i saw a craft you know a

1011
00:35:06,870 --> 00:35:04,880
couple of 100 feet over my head saying i

1012
00:35:08,390 --> 00:35:06,880
could handle that and seeing it are two

1013
00:35:09,750 --> 00:35:08,400

different things

1014

00:35:11,910 --> 00:35:09,760

you know i don't and i don't want i

1015

00:35:13,589 --> 00:35:11,920

always say with us with poltergeist

1016

00:35:15,829 --> 00:35:13,599

activity i don't want i don't need to

1017

00:35:18,150 --> 00:35:15,839

know i believe enough the stories are

1018

00:35:19,910 --> 00:35:18,160

similar across so many people so many

1019

00:35:21,430 --> 00:35:19,920

incredibly credible people have had the

1020

00:35:23,270 --> 00:35:21,440

experience i think it's real i just

1021

00:35:25,349 --> 00:35:23,280

don't know what it is

1022

00:35:28,550 --> 00:35:25,359

here's a very credible person akashi

1023

00:35:32,630 --> 00:35:31,109

um thank you so much joe for you know

1024

00:35:35,910 --> 00:35:32,640

first of all taking the time to be here

1025

00:35:38,550 --> 00:35:35,920

with us it's really awesome so um

1026

00:35:40,870 --> 00:35:38,560

uh so i just i'm like i'm gonna go check

1027

00:35:42,790 --> 00:35:40,880

out i've had a hell of a week and i i

1028

00:35:44,630 --> 00:35:42,800

said i'm gonna go check out you know

1029

00:35:46,550 --> 00:35:44,640

what joe's been doing you know was this

1030

00:35:49,510 --> 00:35:46,560

last video he posted

1031

00:35:51,829 --> 00:35:49,520

so i saw your thought-provoking um

1032

00:35:52,710 --> 00:35:51,839

deathbed experiences

1033

00:35:54,230 --> 00:35:52,720

and

1034

00:35:56,470 --> 00:35:54,240

i wanted to ask you about that first of

1035

00:35:58,310 --> 00:35:56,480

all on a personal level um

1036

00:36:00,310 --> 00:35:58,320

it was really interesting from a

1037

00:36:02,550 --> 00:36:00,320

synchronicity perspective

1038

00:36:04,790 --> 00:36:02,560

that this came up because i just lost my

1039

00:36:07,510 --> 00:36:04,800

mom three days ago and she basically

1040

00:36:09,750 --> 00:36:07,520

went through my soul no but i i meant to

1041

00:36:12,390 --> 00:36:09,760

tell you because it she went through my

1042

00:36:13,910 --> 00:36:12,400

soul and when i'm reading you know when

1043

00:36:17,670 --> 00:36:13,920

i was listening to you telling the

1044

00:36:20,630 --> 00:36:17,680

stories you took 50 stories of deathbed

1045

00:36:23,030 --> 00:36:20,640

experiences and and went through it and

1046

00:36:24,950 --> 00:36:23,040

and shared some of your own and some of

1047

00:36:26,630 --> 00:36:24,960

your experience at the va i want to know

1048

00:36:28,950 --> 00:36:26,640

kind of what drove you to do in that

1049

00:36:30,870 --> 00:36:28,960

piece because um thank you for doing it

1050

00:36:33,430 --> 00:36:30,880

because it spoke to me i don't know at a

1051

00:36:34,950 --> 00:36:33,440

time that i really needed it and

1052

00:36:36,310 --> 00:36:34,960

i just want to know kind of what drove

1053

00:36:38,230 --> 00:36:36,320

you to that and

1054

00:36:39,829 --> 00:36:38,240

what you think about that so i saw the

1055

00:36:42,390 --> 00:36:39,839

article yesterday and i'm reading it i'm

1056

00:36:44,390 --> 00:36:42,400

like i need to share this because i mean

1057

00:36:45,829 --> 00:36:44,400

i don't i don't like to focus just on

1058

00:36:47,430 --> 00:36:45,839

ufos although that's what i've done a

1059

00:36:49,990 --> 00:36:47,440

lot of the past four years because i

1060

00:36:51,670 --> 00:36:50,000

love the life after death subject and

1061

00:36:53,270 --> 00:36:51,680

psychic abilities and i was reading this

1062

00:36:54,390 --> 00:36:53,280

article and i'm like i can just read

1063

00:36:56,150 --> 00:36:54,400

some of these and i think a lot of

1064

00:36:57,670 --> 00:36:56,160

people will appreciate it and i'll throw

1065

00:36:59,589 --> 00:36:57,680

in some of my own personal experiences

1066

00:37:01,030 --> 00:36:59,599

when i worked at the veterans hospital

1067

00:37:03,589 --> 00:37:01,040

and i worked with people who were dying

1068

00:37:05,109 --> 00:37:03,599

and i knew they were going to die and

1069

00:37:06,550 --> 00:37:05,119

that's not something i would normally do

1070

00:37:09,109 --> 00:37:06,560

it's out of my comfort zone to just to

1071

00:37:10,069 --> 00:37:09,119

go in and meet people like that but i'm

1072

00:37:12,069 --> 00:37:10,079

like you know what i'm going to take

1073

00:37:13,670 --> 00:37:12,079

that class and i took a three-day class

1074

00:37:15,670 --> 00:37:13,680

taught by one of danny brinkley's

1075

00:37:16,790 --> 00:37:15,680

teachers and he's the guy who

1076

00:37:18,630 --> 00:37:16,800

he was the guy that was struck by

1077

00:37:20,790 --> 00:37:18,640

lightning had his near-death experience

1078

00:37:23,430 --> 00:37:20,800

um there's also a movie about him i

1079

00:37:25,670 --> 00:37:23,440

think that was made so

1080

00:37:27,510 --> 00:37:25,680

i did it and it was the best thing i've

1081

00:37:29,109 --> 00:37:27,520

ever done it's like i would you know

1082

00:37:30,470 --> 00:37:29,119

whatever problems i had in my day i

1083

00:37:32,390 --> 00:37:30,480

would go in and talk to guys who are

1084

00:37:34,150 --> 00:37:32,400

dying and they would not complain it was

1085

00:37:35,670 --> 00:37:34,160

very rare for them to complain even

1086

00:37:37,430 --> 00:37:35,680

though they were all dying and they knew

1087

00:37:40,230 --> 00:37:37,440

it um

1088

00:37:41,750 --> 00:37:40,240

and like my one story is one guy i went

1089

00:37:43,109 --> 00:37:41,760

into his room it wasn't one of the guys

1090

00:37:44,790 --> 00:37:43,119

i spent a lot of time with there were

1091

00:37:47,190 --> 00:37:44,800

three guys i spent like nine months

1092

00:37:49,109 --> 00:37:47,200

total with before they all passed on but

1093

00:37:50,790 --> 00:37:49,119

this one guy went in a new guy and he's

1094

00:37:52,710 --> 00:37:50,800

like how you doing i'm like i'm all

1095

00:37:54,470 --> 00:37:52,720

right how are you he goes not good i'm

1096

00:37:55,990 --> 00:37:54,480

like what's the matter he's like i don't

1097

00:37:56,870 --> 00:37:56,000

want to be here anymore i just want to

1098

00:37:59,670 --> 00:37:56,880

die

1099

00:38:01,109 --> 00:37:59,680

um i need he's talking to me just like

1100

00:38:02,310 --> 00:38:01,119

i'm talking to you you couldn't tell

1101
00:38:04,630 --> 00:38:02,320
there was anything wrong with him and i

1102
00:38:06,150 --> 00:38:04,640
don't know what was wrong with him so

1103
00:38:07,910 --> 00:38:06,160
you know we talked a little bit and i

1104
00:38:09,750 --> 00:38:07,920
didn't know what to say and i said i

1105
00:38:11,109 --> 00:38:09,760
just said it i hope you get what you

1106
00:38:13,270 --> 00:38:11,119
want and

1107
00:38:15,030 --> 00:38:13,280
left and then the next day or the day

1108
00:38:17,109 --> 00:38:15,040
after i talked to the nurse she's like

1109
00:38:18,550 --> 00:38:17,119
yeah he's gone he passed on

1110
00:38:20,230 --> 00:38:18,560
last night he

1111
00:38:22,150 --> 00:38:20,240
was laying in his bed i was in his room

1112
00:38:23,750 --> 00:38:22,160
he looked up at the ceiling put his both

1113
00:38:25,349 --> 00:38:23,760

arms up like that

1114

00:38:26,310 --> 00:38:25,359

put his arms down closed his eyes and

1115

00:38:27,430 --> 00:38:26,320

died

1116

00:38:29,030 --> 00:38:27,440

so it's like

1117

00:38:30,550 --> 00:38:29,040

there's so many stories like that if you

1118

00:38:32,630 --> 00:38:30,560

talk to nurses and that's what that

1119

00:38:34,710 --> 00:38:32,640

article was focused on a lot of nurses

1120

00:38:36,870 --> 00:38:34,720

and caregivers you have you hear stories

1121

00:38:39,430 --> 00:38:36,880

like that people can make themselves die

1122

00:38:41,030 --> 00:38:39,440

they can hang on um they'll see a ball

1123

00:38:42,710 --> 00:38:41,040

of light next to the bed when the person

1124

00:38:44,630 --> 00:38:42,720

passes on i don't have i don't have any

1125

00:38:48,069 --> 00:38:44,640

stories like that but i also had a dream

1126

00:38:49,910 --> 00:38:48,079

of one of the guys who had emphysema

1127

00:38:51,270 --> 00:38:49,920

went home he was some days he would be

1128

00:38:52,790 --> 00:38:51,280

good some days he couldn't talk because

1129

00:38:54,230 --> 00:38:52,800

he was out of breath but he wasn't there

1130

00:38:55,510 --> 00:38:54,240

was no signs that he was going to die

1131

00:38:57,510 --> 00:38:55,520

anytime soon even though he's in

1132

00:38:59,829 --> 00:38:57,520

palliative care six months or less to

1133

00:39:02,310 --> 00:38:59,839

live anyway so i had no inkling anything

1134

00:39:04,390 --> 00:39:02,320

was different on this day went home

1135

00:39:07,109 --> 00:39:04,400

had a dream that he died went in the

1136

00:39:09,430 --> 00:39:07,119

next day or day after and the nurse

1137

00:39:11,670 --> 00:39:09,440

stops me before i go in she's like i

1138

00:39:13,270 --> 00:39:11,680

need to talk to you i'm like frank died

1139

00:39:15,430 --> 00:39:13,280

right she's like how do you know i'm

1140

00:39:17,589 --> 00:39:15,440

like i had a dream last night that he

1141

00:39:19,190 --> 00:39:17,599

died it was really clear and she was

1142

00:39:20,470 --> 00:39:19,200

like she didn't really bat an eye

1143

00:39:21,990 --> 00:39:20,480

because they have experiences like that

1144

00:39:23,109 --> 00:39:22,000

all the time so

1145

00:39:24,390 --> 00:39:23,119

you know and i had an experience like

1146

00:39:26,630 --> 00:39:24,400

that when i was like

1147

00:39:28,390 --> 00:39:26,640

in ninth grade i dreamt of my schoolmate

1148

00:39:30,630 --> 00:39:28,400

who i had a huge crush on i dreamt that

1149

00:39:32,150 --> 00:39:30,640

her mother died just out of the blue i

1150

00:39:33,510 --> 00:39:32,160

go in the next day or day after and

1151

00:39:36,550 --> 00:39:33,520

she's like yeah i was out because my

1152

00:39:39,589 --> 00:39:36,560

mother died it's like wow oh and that as

1153

00:39:41,270 --> 00:39:39,599

as a as a 15 year old i didn't really

1154

00:39:43,510 --> 00:39:41,280

put two and two together i just thought

1155

00:39:45,030 --> 00:39:43,520

it was just a random dream but later on

1156

00:39:46,550 --> 00:39:45,040

i started getting into the subject i'm

1157

00:39:48,950 --> 00:39:46,560

like that was some sort of premonition

1158

00:39:50,550 --> 00:39:48,960

what it meant i don't know but there's

1159

00:39:53,109 --> 00:39:50,560

no way i could have possibly known her

1160

00:39:55,430 --> 00:39:53,119

mom was even sick i didn't know that 40

1161

00:39:56,950 --> 00:39:55,440

years later last year i connected with

1162

00:39:59,190 --> 00:39:56,960

her on facebook i said i need to tell

1163

00:40:00,710 --> 00:39:59,200

you a story about when we were in ninth

1164

00:40:03,190 --> 00:40:00,720

grade and she

1165

00:40:04,630 --> 00:40:03,200

she said yeah and we we talked and

1166

00:40:06,309 --> 00:40:04,640

it was pretty amazing and it turns out

1167

00:40:08,069 --> 00:40:06,319

her son lives in vegas i met her son

1168

00:40:11,430 --> 00:40:08,079

that night she's on the east coast so

1169

00:40:13,270 --> 00:40:11,440

wow it's pretty cool that's very cool so

1170

00:40:16,069 --> 00:40:13,280

yeah so in you know and a lot of the

1171

00:40:18,150 --> 00:40:16,079

stories and and one that that resonated

1172

00:40:20,230 --> 00:40:18,160

with me and i've seen it with a couple

1173

00:40:23,270 --> 00:40:20,240

of people lately in my life

1174

00:40:25,190 --> 00:40:23,280

is the the fact that they see people and

1175

00:40:26,630 --> 00:40:25,200

i know that they call it dementia but

1176

00:40:28,790 --> 00:40:26,640

there's something there's something

1177

00:40:31,430 --> 00:40:28,800

different between seeing like random

1178

00:40:34,150 --> 00:40:31,440

objects and things that don't make sense

1179

00:40:36,710 --> 00:40:34,160

and the the fact that you see your the

1180

00:40:38,870 --> 00:40:36,720

person that you love that's

1181

00:40:40,790 --> 00:40:38,880

looking behind you

1182

00:40:42,710 --> 00:40:40,800

instead of at your eyes going you know

1183

00:40:45,589 --> 00:40:42,720

and i'm like is somebody there and she

1184

00:40:48,390 --> 00:40:45,599

said yes and i mean in this in in your

1185

00:40:52,790 --> 00:40:48,400

story that you were reading that's like

1186

00:40:54,470 --> 00:40:52,800

statistically kind of a constant so yeah

1187

00:40:57,030 --> 00:40:54,480

i think people see something that we

1188

00:40:59,030 --> 00:40:57,040

don't see normally but towards the end

1189

00:41:00,150 --> 00:40:59,040

of life they're seeing it right

1190

00:41:01,589 --> 00:41:00,160

and there are people there are people

1191

00:41:03,270 --> 00:41:01,599

there's a book and i have not read the

1192

00:41:06,150 --> 00:41:03,280

book but i've skimmed through it online

1193

00:41:07,910 --> 00:41:06,160

it's called phantasms of the living um

1194

00:41:10,470 --> 00:41:07,920

and it was a science i think it was the

1195

00:41:12,230 --> 00:41:10,480

site the society for psychical research

1196

00:41:13,750 --> 00:41:12,240

i may be getting it wrong in the uk and

1197

00:41:15,349 --> 00:41:13,760

they put together a couple of the

1198

00:41:17,030 --> 00:41:15,359

scientists put together anecdotes of

1199

00:41:18,630 --> 00:41:17,040

people where they would see

1200

00:41:20,390 --> 00:41:18,640

somebody in their house and they're like

1201

00:41:21,990 --> 00:41:20,400

and they weren't always dead sometimes

1202

00:41:24,150 --> 00:41:22,000

it would be it would be a live people

1203

00:41:25,430 --> 00:41:24,160

who are still alive but

1204

00:41:26,790 --> 00:41:25,440

most of the time it was somebody who was

1205

00:41:27,750 --> 00:41:26,800

dead but they didn't know they were dead

1206

00:41:29,670 --> 00:41:27,760

at the time they're like what are you

1207

00:41:31,109 --> 00:41:29,680

doing in my house at two in the morning

1208

00:41:32,390 --> 00:41:31,119

and then three weeks later when they

1209

00:41:34,230 --> 00:41:32,400

would get the telegram because there was

1210

00:41:35,910 --> 00:41:34,240

no internet or phones they would find

1211

00:41:38,309 --> 00:41:35,920

out that person passed at that point and

1212

00:41:39,270 --> 00:41:38,319

this is case after case after case after

1213

00:41:40,630 --> 00:41:39,280

case

1214

00:41:42,309 --> 00:41:40,640

so um

1215

00:41:44,309 --> 00:41:42,319

yeah people see stuff what are they

1216

00:41:45,910 --> 00:41:44,319

seeing i don't know it's like i went

1217

00:41:47,589 --> 00:41:45,920

into some dark stuff yesterday i don't

1218

00:41:49,510 --> 00:41:47,599

know if you heard it but there was one

1219

00:41:51,990 --> 00:41:49,520

case where a woman she's like she sees

1220

00:41:54,390 --> 00:41:52,000

her husband and the nurse is like

1221

00:41:56,470 --> 00:41:54,400

oh that's great and she's like no i

1222

00:41:58,870 --> 00:41:56,480

hated my husband yeah i don't want to

1223

00:42:00,630 --> 00:41:58,880

see him that one so it's like what is

1224

00:42:02,309 --> 00:42:00,640

that is that really her husband you know

1225

00:42:03,510 --> 00:42:02,319

so

1226

00:42:05,270 --> 00:42:03,520

yeah

1227

00:42:06,470 --> 00:42:05,280

people i do think people i don't think

1228

00:42:07,910 --> 00:42:06,480

it's a hallucination i'm sure

1229

00:42:09,510 --> 00:42:07,920

hallucinations are part of that with

1230

00:42:11,750 --> 00:42:09,520

some people but these people are you

1231

00:42:14,390 --> 00:42:11,760

know it's very clear for them they're

1232

00:42:16,069 --> 00:42:14,400

um they're they're not in like a a lot

1233

00:42:17,910 --> 00:42:16,079

of them are just in a regular conscious

1234

00:42:19,190 --> 00:42:17,920

state and they see things

1235

00:42:21,430 --> 00:42:19,200

and that's like i said it's not just

1236

00:42:23,670 --> 00:42:21,440

people in the hospital

1237

00:42:26,309 --> 00:42:23,680

thank you so much joe so i'm gonna pass

1238

00:42:28,230 --> 00:42:26,319

it on to her no you this was fantastic

1239

00:42:29,750 --> 00:42:28,240

and and i'm still not done because

1240

00:42:31,030 --> 00:42:29,760

there's so many stories and i'm like i

1241

00:42:32,630 --> 00:42:31,040

want to go through all of them because

1242

00:42:34,390 --> 00:42:32,640

they were all fascinating so thank you

1243

00:42:36,309 --> 00:42:34,400

for sharing that with me and the other

1244

00:42:37,670 --> 00:42:36,319

thing you said that's very common across

1245

00:42:39,750 --> 00:42:37,680

you know people seeing things the other

1246

00:42:41,990 --> 00:42:39,760

thing is people can hold on like my mom

1247

00:42:43,270 --> 00:42:42,000

would not my mom was not passing she was

1248

00:42:44,950 --> 00:42:43,280

in hospice and were like what is she

1249

00:42:46,309 --> 00:42:44,960

holding on for

1250

00:42:47,670 --> 00:42:46,319

you know she's not even she's not

1251
00:42:49,349 --> 00:42:47,680
conscious she's just laying there every

1252
00:42:51,030 --> 00:42:49,359
day and then my father finally my

1253
00:42:53,670 --> 00:42:51,040
sisters convinced my father to whisper

1254
00:42:55,910 --> 00:42:53,680
in her and say it's okay you can go that

1255
00:42:57,510 --> 00:42:55,920
night she leaves doctor talks to us

1256
00:42:58,950 --> 00:42:57,520
right afterwards he's like we see it all

1257
00:43:01,190 --> 00:42:58,960
the time people have that ability to

1258
00:43:03,190 --> 00:43:01,200
hang on it's a really amazing you know

1259
00:43:06,069 --> 00:43:03,200
ability we have yeah

1260
00:43:07,910 --> 00:43:06,079
that that's so crazy because my my mom

1261
00:43:09,510 --> 00:43:07,920
was hanging on and i was trying to

1262
00:43:11,430 --> 00:43:09,520
figure out i kept asking her what are

1263
00:43:13,030 --> 00:43:11,440

you hanging on for it's like it's okay

1264

00:43:15,750 --> 00:43:13,040

to go because she was in so much pain

1265

00:43:17,270 --> 00:43:15,760

and wasn't speaking but then i went home

1266

00:43:18,710 --> 00:43:17,280

and it's like maybe she was just waiting

1267

00:43:21,190 --> 00:43:18,720

for me to leave

1268

00:43:22,630 --> 00:43:21,200

i came back but i cleaned up she was

1269

00:43:25,190 --> 00:43:22,640

always obsessed with

1270

00:43:27,750 --> 00:43:25,200

people looking like cleaned up i think

1271

00:43:29,750 --> 00:43:27,760

she when she saw me clean up and come

1272

00:43:32,390 --> 00:43:29,760

back and be calm and just held her hand

1273

00:43:35,270 --> 00:43:32,400

15 minutes later she launched

1274

00:43:37,589 --> 00:43:35,280

so it's their time it's their choice so

1275

00:43:39,270 --> 00:43:37,599

um anyway so i'll stop talking now and

1276

00:43:41,030 --> 00:43:39,280

go to the next person

1277

00:43:42,870 --> 00:43:41,040

so thank you so much oh good you're

1278

00:43:47,670 --> 00:43:42,880

welcome to go as much as you want i'm

1279

00:43:49,750 --> 00:43:47,680

sorry my mic is too loud so my apologies

1280

00:43:51,430 --> 00:43:49,760

it's all good my mom did the same thing

1281

00:43:53,670 --> 00:43:51,440

she had made her decision when she was

1282

00:43:55,430 --> 00:43:53,680

going she was at hospice and she just

1283

00:43:56,309 --> 00:43:55,440

pieced so

1284

00:43:57,829 --> 00:43:56,319

uh

1285

00:44:00,309 --> 00:43:57,839

mr murja

1286

00:44:01,990 --> 00:44:00,319

um there are so you know it's

1287

00:44:04,069 --> 00:44:02,000

interesting that you know we have the

1288

00:44:06,870 --> 00:44:04,079

nuts and bolts folks

1289

00:44:08,470 --> 00:44:06,880

uh i think you know you and i are both

1290

00:44:11,190 --> 00:44:08,480

in that category

1291

00:44:12,309 --> 00:44:11,200

but you alluded to earlier the amount of

1292

00:44:14,230 --> 00:44:12,319

uh

1293

00:44:15,910 --> 00:44:14,240

reading that you've done on the subject

1294

00:44:17,430 --> 00:44:15,920

that took you to a certain place and

1295

00:44:19,349 --> 00:44:17,440

then your co-worker had to bring you

1296

00:44:21,910 --> 00:44:19,359

back to reality and now you've sort of

1297

00:44:23,430 --> 00:44:21,920

find a balance but i'm curious with all

1298

00:44:24,790 --> 00:44:23,440

the different theories out there and i

1299

00:44:27,910 --> 00:44:24,800

asked this to a lot of guests because

1300

00:44:30,630 --> 00:44:27,920

i'm sort of curious what stimulates

1301
00:44:33,190 --> 00:44:30,640
people and so i think one question could

1302
00:44:35,030 --> 00:44:33,200
be is to your drive

1303
00:44:37,190 --> 00:44:35,040
but i think another question i would

1304
00:44:39,430 --> 00:44:37,200
want to ask is is

1305
00:44:41,990 --> 00:44:39,440
what do you find really fascinating of

1306
00:44:43,750 --> 00:44:42,000
the theories that are out there whether

1307
00:44:45,430 --> 00:44:43,760
that be something like

1308
00:44:46,990 --> 00:44:45,440
um

1309
00:44:50,470 --> 00:44:47,000
extraterrestrial

1310
00:44:51,750 --> 00:44:50,480
ultra-terrestrial a dna manipulation

1311
00:44:53,670 --> 00:44:51,760
um

1312
00:44:55,750 --> 00:44:53,680
something where an intelligence had

1313
00:44:58,230 --> 00:44:55,760

planted beings on this planet like what

1314

00:45:00,390 --> 00:44:58,240

is your something that really fascinates

1315

00:45:03,190 --> 00:45:00,400

you that that you've heard

1316

00:45:04,630 --> 00:45:03,200

from all your resources the one

1317

00:45:06,230 --> 00:45:04,640

sources will not

1318

00:45:08,069 --> 00:45:06,240

i'm trying to think

1319

00:45:08,870 --> 00:45:08,079

there's only one person that really gave

1320

00:45:10,630 --> 00:45:08,880

me

1321

00:45:11,990 --> 00:45:10,640

their opinion on what they thought was

1322

00:45:14,950 --> 00:45:12,000

going on and it was multiple

1323

00:45:17,030 --> 00:45:14,960

intelligences here et interdimensional

1324

00:45:18,870 --> 00:45:17,040

time travelers um

1325

00:45:20,309 --> 00:45:18,880

so nobody else everybody else is like we

1326

00:45:22,470 --> 00:45:20,319

don't know what's going on you know it's

1327

00:45:24,230 --> 00:45:22,480

only speculation and

1328

00:45:25,910 --> 00:45:24,240

you know i think eric davis in his

1329

00:45:26,870 --> 00:45:25,920

interview with stephen greenstreet said

1330

00:45:28,230 --> 00:45:26,880

you know we don't know if they're

1331

00:45:29,670 --> 00:45:28,240

extraterrestrial we don't know if

1332

00:45:31,190 --> 00:45:29,680

they're based on this planet but we do

1333

00:45:32,390 --> 00:45:31,200

know that they're using other dimensions

1334

00:45:34,550 --> 00:45:32,400

to get here

1335

00:45:36,309 --> 00:45:34,560

um

1336

00:45:37,829 --> 00:45:36,319

for me personally the one theory that

1337

00:45:39,670 --> 00:45:37,839

really stands out which is the most

1338

00:45:41,430 --> 00:45:39,680

interesting is it's one intelligence

1339

00:45:43,430 --> 00:45:41,440

able to do all of this stuff it's able

1340

00:45:45,430 --> 00:45:43,440

to mimic everything that we see which is

1341

00:45:47,430 --> 00:45:45,440

amazing to me if that's the case i don't

1342

00:45:50,230 --> 00:45:47,440

really know if that's the case but

1343

00:45:52,790 --> 00:45:50,240

um you know if it can create craft if

1344

00:45:54,630 --> 00:45:52,800

it's that advanced where i say i use an

1345

00:45:57,910 --> 00:45:54,640

example of just a super duper advanced

1346

00:45:59,030 --> 00:45:57,920

3d printer which is a really bad example

1347

00:46:01,349 --> 00:45:59,040

something creating something at the

1348

00:46:02,470 --> 00:46:01,359

atomic level whether it be a craft or a

1349

00:46:04,309 --> 00:46:02,480

being

1350

00:46:07,109 --> 00:46:04,319

um

1351
00:46:08,390 --> 00:46:07,119
or it can or it's with experiences it

1352
00:46:10,309 --> 00:46:08,400
may be

1353
00:46:12,150 --> 00:46:10,319
they're actually able to project

1354
00:46:15,030 --> 00:46:12,160
something into our consciousness into

1355
00:46:16,710 --> 00:46:15,040
our you know our perceptions where it

1356
00:46:18,870 --> 00:46:16,720
feels real but it's really not real but

1357
00:46:20,950 --> 00:46:18,880
then you have jim semivan saying him and

1358
00:46:22,390 --> 00:46:20,960
his wife were both injured i think grant

1359
00:46:24,069 --> 00:46:22,400
cameron has gone a little further in

1360
00:46:24,790 --> 00:46:24,079
saying i think his wife was cut a little

1361
00:46:26,870 --> 00:46:24,800
bit

1362
00:46:28,230 --> 00:46:26,880
um and then jim semivan said something

1363
00:46:30,390 --> 00:46:28,240

else happened to him he wouldn't say

1364

00:46:33,190 --> 00:46:30,400

what details but it wasn't his wife was

1365

00:46:34,870 --> 00:46:33,200

worse off than him um so people get hurt

1366

00:46:36,309 --> 00:46:34,880

um

1367

00:46:38,150 --> 00:46:36,319

i'm trying to think if anybody else has

1368

00:46:40,710 --> 00:46:38,160

given theories that i've that i can

1369

00:46:42,390 --> 00:46:40,720

think of um it's all across the board i

1370

00:46:44,309 --> 00:46:42,400

mean somebody said you know they thought

1371

00:46:46,150 --> 00:46:44,319

maybe it was really really dark a lot

1372

00:46:48,230 --> 00:46:46,160

darker than people realize

1373

00:46:49,670 --> 00:46:48,240

which is along the tom de long angle

1374

00:46:51,349 --> 00:46:49,680

because he's talking about how you know

1375

00:46:52,550 --> 00:46:51,359

some of the stuff kept him up at night

1376

00:46:58,630 --> 00:46:52,560

and

1377

00:47:01,030 --> 00:46:58,640

it's like everything i i talk about is

1378

00:47:02,790 --> 00:47:01,040

just speculation on that front hopefully

1379

00:47:04,309 --> 00:47:02,800

one day if we get enough people who are

1380

00:47:06,630 --> 00:47:04,319

in the conversation scientists around

1381

00:47:08,790 --> 00:47:06,640

the world psychologists sociologists

1382

00:47:10,230 --> 00:47:08,800

maybe if a group as a gatherer as a

1383

00:47:11,510 --> 00:47:10,240

group as together as a group we can

1384

00:47:13,589 --> 00:47:11,520

figure it out

1385

00:47:15,030 --> 00:47:13,599

maybe not maybe maybe whatever this is

1386

00:47:16,309 --> 00:47:15,040

doesn't want us to figure it out you

1387

00:47:18,630 --> 00:47:16,319

know i don't know i don't know if we'll

1388

00:47:20,230 --> 00:47:18,640

ever have disclosure if this whatever

1389

00:47:21,589 --> 00:47:20,240

this intelligence is may not want

1390

00:47:22,710 --> 00:47:21,599

disclosure

1391

00:47:26,390 --> 00:47:22,720

um

1392

00:47:27,670 --> 00:47:26,400

but whatever one great thing lou said

1393

00:47:29,510 --> 00:47:27,680

listen if you're if you want to talk

1394

00:47:30,950 --> 00:47:29,520

about bodies right now you know that

1395

00:47:32,630 --> 00:47:30,960

kind of thing he goes come back in five

1396

00:47:33,990 --> 00:47:32,640

years find a hobby and come back and a

1397

00:47:36,950 --> 00:47:34,000

lot of people are turned off by that

1398

00:47:39,270 --> 00:47:36,960

they're like five years go do a go have

1399

00:47:41,030 --> 00:47:39,280

a hobby what he's saying is that kind of

1400

00:47:42,950 --> 00:47:41,040

talk is not going to happen right now

1401
00:47:44,549 --> 00:47:42,960
we're not anywhere near close to that

1402
00:47:45,750 --> 00:47:44,559
you know we can talk about it but you're

1403
00:47:47,990 --> 00:47:45,760
not going to have senator senator

1404
00:47:49,589 --> 00:47:48,000
gillibrand saying by the way

1405
00:47:51,190 --> 00:47:49,599
um before you get

1406
00:47:53,430 --> 00:47:51,200
you know confirmed i want you to go

1407
00:47:55,430 --> 00:47:53,440
research the bodies that were you know

1408
00:47:56,630 --> 00:47:55,440
that were found on the craft in roswell

1409
00:47:58,630 --> 00:47:56,640
and get back to me on that that's not

1410
00:48:00,549 --> 00:47:58,640
going to happen maybe i hope i get to

1411
00:48:02,630 --> 00:48:00,559
see that in my lifetime

1412
00:48:04,390 --> 00:48:02,640
craft and bodies they wheel i've said

1413
00:48:05,750 --> 00:48:04,400

this before during a hearing they wheel

1414

00:48:07,990 --> 00:48:05,760

the craft

1415

00:48:10,870 --> 00:48:08,000

down the aisle and say here it is it's

1416

00:48:12,069 --> 00:48:10,880

intact we have it here you go world and

1417

00:48:13,410 --> 00:48:12,079

then the bodies come in the little

1418

00:48:14,630 --> 00:48:13,420

containers

1419

00:48:17,430 --> 00:48:14,640

[Laughter]

1420

00:48:20,069 --> 00:48:17,440

imagine the ratings for that oh my god i

1421

00:48:21,829 --> 00:48:20,079

mean billions i and you know what until

1422

00:48:23,190 --> 00:48:21,839

then i'm happy to speculate about it

1423

00:48:25,750 --> 00:48:23,200

because that's half of the fun of

1424

00:48:27,190 --> 00:48:25,760

talking about the phenomenon

1425

00:48:29,589 --> 00:48:27,200

just like somebody who wants to talk to

1426

00:48:32,630 --> 00:48:29,599

you about consciousness none other than

1427

00:48:35,190 --> 00:48:34,069

okay so yeah i'm going to bring it to

1428

00:48:40,069 --> 00:48:35,200

consciousness

1429

00:48:41,510 --> 00:48:40,079

big in this topic um lately

1430

00:48:42,710 --> 00:48:41,520

so um

1431

00:48:44,870 --> 00:48:42,720

so consciousness

1432

00:48:46,230 --> 00:48:44,880

it's something that it's unexplainable

1433

00:48:48,230 --> 00:48:46,240

right but it's

1434

00:48:50,549 --> 00:48:48,240

always interpreted interpersonally sort

1435

00:48:51,510 --> 00:48:50,559

of exactly kind of like the phenomenon

1436

00:48:54,309 --> 00:48:51,520

that's always interpreted

1437

00:48:56,150 --> 00:48:54,319

interpersonally so that being said

1438

00:48:59,430 --> 00:48:56,160

i was wondering if you

1439

00:49:01,270 --> 00:48:59,440

value those interpretations or

1440

00:49:03,430 --> 00:49:01,280

or do you value more the specific

1441

00:49:05,190 --> 00:49:03,440

observable and the measurable data like

1442

00:49:07,270 --> 00:49:05,200

you've got the whole other set of people

1443

00:49:10,549 --> 00:49:07,280

who just measure things and type the

1444

00:49:13,030 --> 00:49:10,559

numbers so which one do you think would

1445

00:49:15,430 --> 00:49:13,040

i guess bring us closer to understanding

1446

00:49:19,030 --> 00:49:15,440

the phenomenon you think

1447

00:49:21,109 --> 00:49:19,040

you know i i think if we focus

1448

00:49:22,710 --> 00:49:21,119

and i not me personally but

1449

00:49:25,589 --> 00:49:22,720

scientists will focus on the numbers and

1450

00:49:27,670 --> 00:49:25,599

the measurables um in my opinion once

1451

00:49:30,230 --> 00:49:27,680

people realize that something is here

1452

00:49:31,750 --> 00:49:30,240

that's not human or i don't even like

1453

00:49:33,990 --> 00:49:31,760

saying not human because if it's time

1454

00:49:36,150 --> 00:49:34,000

traveling humans that could be human

1455

00:49:37,750 --> 00:49:36,160

something not part of our society if

1456

00:49:40,470 --> 00:49:37,760

something is here

1457

00:49:42,710 --> 00:49:40,480

once people accept that i think they'll

1458

00:49:43,990 --> 00:49:42,720

say what else have we been lied to about

1459

00:49:45,109 --> 00:49:44,000

and then we go down the consciousness

1460

00:49:46,549 --> 00:49:45,119

route i'm like

1461

00:49:48,549 --> 00:49:46,559

remote viewing is real you have

1462

00:49:51,510 --> 00:49:48,559

abilities that we all have to some

1463

00:49:53,430 --> 00:49:51,520

degree you have not been told that you

1464

00:49:55,109 --> 00:49:53,440

can work on that everything like that

1465

00:49:57,589 --> 00:49:55,119

you know some people have the ability to

1466

00:49:59,829 --> 00:49:57,599

move things with their mind very little

1467

00:50:01,589 --> 00:49:59,839

um i don't think there's any macro pk

1468

00:50:02,710 --> 00:50:01,599

out there that i that i know about

1469

00:50:04,790 --> 00:50:02,720

there's so many things on the

1470

00:50:07,190 --> 00:50:04,800

consciousness level i think

1471

00:50:09,670 --> 00:50:07,200

accepting of ufos by the masses we can

1472

00:50:11,349 --> 00:50:09,680

head down the consciousness route um

1473

00:50:13,030 --> 00:50:11,359

life after death everything like that

1474

00:50:14,309 --> 00:50:13,040

out of body experiences i don't know if

1475

00:50:17,030 --> 00:50:14,319

that's gonna happen but that might

1476
00:50:19,030 --> 00:50:17,040
that's my that's my dream world where

1477
00:50:20,470 --> 00:50:19,040
that opens the door the nuts and bolts

1478
00:50:22,790 --> 00:50:20,480
opens the door to everything else and

1479
00:50:24,390 --> 00:50:22,800
then we got the multiverse and then

1480
00:50:25,990 --> 00:50:24,400
you know the guy i've been reading

1481
00:50:27,589 --> 00:50:26,000
recently paul eno he believes it's a

1482
00:50:29,109 --> 00:50:27,599
multiverse we're just inter you know

1483
00:50:30,309 --> 00:50:29,119
we're colliding with these other worlds

1484
00:50:31,990 --> 00:50:30,319
that's what you're seeing you know

1485
00:50:33,589 --> 00:50:32,000
they're kind of bleeding through into

1486
00:50:35,030 --> 00:50:33,599
our world um

1487
00:50:36,950 --> 00:50:35,040
which i think is really interesting and

1488
00:50:38,790 --> 00:50:36,960

maybe what's going on

1489

00:50:40,150 --> 00:50:38,800

i love his theory and i know i'm going

1490

00:50:43,270 --> 00:50:40,160

down a tangent a little bit but it's

1491

00:50:45,190 --> 00:50:43,280

kind of consciousness his theory is

1492

00:50:46,630 --> 00:50:45,200

you know poltergeist activity which

1493

00:50:47,990 --> 00:50:46,640

sometimes will turn very negative he

1494

00:50:49,829 --> 00:50:48,000

thinks it's parasites and he thinks

1495

00:50:51,190 --> 00:50:49,839

there's like nine types of parasites not

1496

00:50:53,190 --> 00:50:51,200

demons he's like i don't believe it's

1497

00:50:54,790 --> 00:50:53,200

that cut and dry where it's demons these

1498

00:50:56,549 --> 00:50:54,800

parasites feed off of our negative

1499

00:50:58,309 --> 00:50:56,559

energy that's just what they do

1500

00:51:00,390 --> 00:50:58,319

that's just how they survive

1501
00:51:02,309 --> 00:51:00,400
um i would i kneel i really need to

1502
00:51:05,190 --> 00:51:02,319
interview him because i think

1503
00:51:07,349 --> 00:51:05,200
i like that explanation and i've had

1504
00:51:10,549 --> 00:51:07,359
in my family one thing i've never talked

1505
00:51:13,109 --> 00:51:10,559
about i thought about today this is so

1506
00:51:14,870 --> 00:51:13,119
off topic not really not off topic so

1507
00:51:16,390 --> 00:51:14,880
when i was younger i would sleep with my

1508
00:51:17,750 --> 00:51:16,400
sisters we would sleep in my parents

1509
00:51:18,950 --> 00:51:17,760
room in the air conditioner in new york

1510
00:51:22,870 --> 00:51:18,960
because we had one room with air

1511
00:51:24,950 --> 00:51:22,880
conditioning so we'd sleep on the floor

1512
00:51:28,069 --> 00:51:24,960
and there was this one time where i

1513
00:51:29,270 --> 00:51:28,079

heard this evil maniacal laugh it was

1514

00:51:31,190 --> 00:51:29,280

audible

1515

00:51:35,109 --> 00:51:31,200

and it was like

1516

00:51:38,309 --> 00:51:36,549

you know as a kid so i look back i'm

1517

00:51:39,670 --> 00:51:38,319

like did i imagine that did i hear that

1518

00:51:41,109 --> 00:51:39,680

but there's other stuff that went on to

1519

00:51:43,670 --> 00:51:41,119

my with in my house with other family

1520

00:51:45,510 --> 00:51:43,680

members that was very negative so

1521

00:51:47,750 --> 00:51:45,520

yeah a lot of stuff going on in my house

1522

00:51:49,349 --> 00:51:47,760

um that would fall into the other world

1523

00:51:51,510 --> 00:51:49,359

other you know other consciousness we're

1524

00:51:52,630 --> 00:51:51,520

interacting with um

1525

00:51:53,490 --> 00:51:52,640

so

1526
00:51:54,870 --> 00:51:53,500
yeah um

1527
00:51:56,630 --> 00:51:54,880
[Music]

1528
00:51:58,549 --> 00:51:56,640
consciousness for me like i said i took

1529
00:52:00,630 --> 00:51:58,559
in 97 i took a remote viewing class with

1530
00:52:02,390 --> 00:52:00,640
lynn buchanan i had discovered a remote

1531
00:52:04,549 --> 00:52:02,400
viewing became obsessed with it like i

1532
00:52:05,750 --> 00:52:04,559
do with most things in my life took the

1533
00:52:07,270 --> 00:52:05,760
class

1534
00:52:09,030 --> 00:52:07,280
found out that i can do it to some

1535
00:52:11,349 --> 00:52:09,040
degree um

1536
00:52:13,510 --> 00:52:11,359
my first wife was very psychic she was

1537
00:52:15,349 --> 00:52:13,520
really good and then my second wife

1538
00:52:16,870 --> 00:52:15,359

second wife i took classes with her too

1539

00:52:19,589 --> 00:52:16,880

with prudence calabrese who was a

1540

00:52:22,390 --> 00:52:19,599

non-military remote viewer um

1541

00:52:24,230 --> 00:52:22,400

so yeah i love that stuff it's just

1542

00:52:26,150 --> 00:52:24,240

my biggest issue in this community is

1543

00:52:28,069 --> 00:52:26,160

when people say well this is what's

1544

00:52:29,670 --> 00:52:28,079

going on the grays are here the

1545

00:52:31,510 --> 00:52:29,680

reptilians are doing this it's the sixth

1546

00:52:33,109 --> 00:52:31,520

dimension that kind of stuff it turns me

1547

00:52:35,109 --> 00:52:33,119

off right away because i'm like i don't

1548

00:52:36,870 --> 00:52:35,119

know if that's true or not and everybody

1549

00:52:38,309 --> 00:52:36,880

has a different opinion and when i first

1550

00:52:40,150 --> 00:52:38,319

got into this i was reading channeled

1551
00:52:41,910 --> 00:52:40,160
books and they were all giving different

1552
00:52:44,150 --> 00:52:41,920
explanations for what's going on i'm

1553
00:52:47,670 --> 00:52:44,160
like they can't all be right they're so

1554
00:52:49,190 --> 00:52:47,680
different right um so yeah

1555
00:52:50,870 --> 00:52:49,200
consciousness

1556
00:52:53,109 --> 00:52:50,880
well you know the only thing i want to

1557
00:52:55,750 --> 00:52:53,119
push back about telekinesis on what you

1558
00:52:58,950 --> 00:52:55,760
said joe's about moving little things we

1559
00:53:00,950 --> 00:52:58,960
all saw yoda pick up the x-wing fighter

1560
00:53:04,390 --> 00:53:00,960
out of the water everybody on this panel

1561
00:53:06,230 --> 00:53:04,400
saw that right right yeah nathan's yeah

1562
00:53:08,069 --> 00:53:06,240
so i mean i think it's more than just

1563
00:53:09,510 --> 00:53:08,079

moving like the nail clipper across the

1564

00:53:11,270 --> 00:53:09,520

table so i'm

1565

00:53:12,630 --> 00:53:11,280

i would hope so maybe maybe in the

1566

00:53:15,270 --> 00:53:12,640

future we can get to that point but

1567

00:53:16,710 --> 00:53:15,280

right now it's so micro luke did it i

1568

00:53:18,230 --> 00:53:16,720

mean i don't know

1569

00:53:19,750 --> 00:53:18,240

that that missile went right through

1570

00:53:21,990 --> 00:53:19,760

maybe the message in that movie that's a

1571

00:53:23,829 --> 00:53:22,000

message how we that's that's um there

1572

00:53:25,589 --> 00:53:23,839

may be other beings who are like us in

1573

00:53:27,589 --> 00:53:25,599

this galaxy who can do that you know

1574

00:53:29,589 --> 00:53:27,599

maybe that's the message as louis said

1575

00:53:30,790 --> 00:53:29,599

he mentions consciousness he goes you

1576

00:53:32,790 --> 00:53:30,800

know it's not just humans maybe

1577

00:53:34,790 --> 00:53:32,800

consciousness is inherent to all beings

1578

00:53:36,630 --> 00:53:34,800

that we're dealing with um

1579

00:53:39,430 --> 00:53:36,640

you know he brought that up in i think

1580

00:53:42,870 --> 00:53:41,270

making contact conference over the

1581

00:53:45,990 --> 00:53:42,880

summer which the con that that

1582

00:53:47,510 --> 00:53:46,000

transcript is up on my blog and it was

1583

00:53:48,870 --> 00:53:47,520

it was one of the things he really got

1584

00:53:51,030 --> 00:53:48,880

into he was dealing with somebody who

1585

00:53:52,710 --> 00:53:51,040

channeled information um

1586

00:53:55,589 --> 00:53:52,720

i forget the guy's name

1587

00:53:56,870 --> 00:53:55,599

he deals with the i forget the title but

1588

00:53:58,309 --> 00:53:56,880

there are folks they're supposedly

1589

00:54:00,150 --> 00:53:58,319

extraterrestrial group that's trying to

1590

00:54:02,470 --> 00:54:00,160

warn us about what what's going on on

1591

00:54:03,270 --> 00:54:02,480

this planet i forget the guy's name

1592

00:54:04,790 --> 00:54:03,280

um

1593

00:54:06,870 --> 00:54:04,800

but he's saying they're saying there are

1594

00:54:08,230 --> 00:54:06,880

negative ets here that are just taking

1595

00:54:09,670 --> 00:54:08,240

advantage of us you know that's all

1596

00:54:11,030 --> 00:54:09,680

they're doing they're just mining the

1597

00:54:12,150 --> 00:54:11,040

planet for

1598

00:54:14,390 --> 00:54:12,160

for um

1599

00:54:15,270 --> 00:54:14,400

what's the word

1600

00:54:16,950 --> 00:54:15,280

loose

1601
00:54:18,069 --> 00:54:16,960
for not lose but

1602
00:54:19,990 --> 00:54:18,079
now that he didn't go that far but

1603
00:54:21,990 --> 00:54:20,000
they're mining it for um

1604
00:54:23,750 --> 00:54:22,000
not material materials biological

1605
00:54:25,829 --> 00:54:23,760
material yeah and we're part of that

1606
00:54:27,670 --> 00:54:25,839
they're you know using us but it was a

1607
00:54:29,829 --> 00:54:27,680
really great that was one of my favorite

1608
00:54:31,510 --> 00:54:29,839
events it was a multi people it was it

1609
00:54:33,349 --> 00:54:31,520
was ralph blumenthal

1610
00:54:34,950 --> 00:54:33,359
lou it was danny sheehan it was really

1611
00:54:36,630 --> 00:54:34,960
great if anybody gets a chance it's on

1612
00:54:39,030 --> 00:54:36,640
my website and i started out i think

1613
00:54:41,270 --> 00:54:39,040

lou's quote i used was um something

1614

00:54:42,390 --> 00:54:41,280

about there's a non-human being i have

1615

00:54:44,150 --> 00:54:42,400

to pull it up i could do it while you

1616

00:54:46,710 --> 00:54:44,160

guys are talking just if people want to

1617

00:54:48,630 --> 00:54:46,720

find it easier hey joe we have something

1618

00:54:49,750 --> 00:54:48,640

from jazz shaw for you at the bottom uh

1619

00:54:51,990 --> 00:54:49,760

the people

1620

00:54:54,549 --> 00:54:52,000

in charge of the secrets want to hear

1621

00:54:57,030 --> 00:54:54,559

about the things that are testable

1622

00:55:00,069 --> 00:54:57,040

documentable and repeatable we're only

1623

00:55:02,549 --> 00:55:00,079

scratching the surface of actual uap

1624

00:55:03,829 --> 00:55:02,559

they're not ready for yoda

1625

00:55:04,789 --> 00:55:03,839

what jazz

1626
00:55:07,510 --> 00:55:04,799
are you

1627
00:55:09,589 --> 00:55:07,520
i mean you could at least told me this

1628
00:55:12,950 --> 00:55:09,599
in private

1629
00:55:14,870 --> 00:55:12,960
he did it in a stupid chat

1630
00:55:17,750 --> 00:55:14,880
by the way the blog is called it's

1631
00:55:19,829 --> 00:55:17,760
probably not human elizondo blumenthal

1632
00:55:22,069 --> 00:55:19,839
and the allies of humanity that's that's

1633
00:55:24,069 --> 00:55:22,079
the uh that's the book i'm talking about

1634
00:55:26,710 --> 00:55:24,079
and the guy's name

1635
00:55:28,309 --> 00:55:26,720
is marshall summers but that says the

1636
00:55:29,190 --> 00:55:28,319
people in charge of the secrets want to

1637
00:55:30,950 --> 00:55:29,200
hear

1638
00:55:32,950 --> 00:55:30,960

is he talking about the masses or is he

1639

00:55:34,390 --> 00:55:32,960

talking about the secret keepers i'm

1640

00:55:35,430 --> 00:55:34,400

confused on that because i think the

1641

00:55:37,030 --> 00:55:35,440

masses

1642

00:55:38,789 --> 00:55:37,040

he's right

1643

00:55:40,470 --> 00:55:38,799

to get to the point where we want to go

1644

00:55:41,750 --> 00:55:40,480

we have to start off basically but like

1645

00:55:42,870 --> 00:55:41,760

i said there are some people that you

1646

00:55:44,549 --> 00:55:42,880

talk to them right away and they're like

1647

00:55:47,109 --> 00:55:44,559

oh by the way i had an experience i've

1648

00:55:49,589 --> 00:55:47,119

never told anybody anybody so once

1649

00:55:51,670 --> 00:55:49,599

people feel feel comfortable and they're

1650

00:55:53,109 --> 00:55:51,680

they're beyond feeling stigma i think

1651

00:55:56,069 --> 00:55:53,119

we'll get a lot more openness from

1652

00:55:59,829 --> 00:55:57,829

when he said i i understand what he's

1653

00:56:01,589 --> 00:55:59,839

saying when he says the people in charge

1654

00:56:03,510 --> 00:56:01,599

i believe he's talking about like the

1655

00:56:05,430 --> 00:56:03,520

senate intelligence committee the

1656

00:56:07,910 --> 00:56:05,440

special committees i think they want to

1657

00:56:10,950 --> 00:56:07,920

see things that are testable repeatable

1658

00:56:12,710 --> 00:56:10,960

documentable i think yeah i agree

1659

00:56:14,230 --> 00:56:12,720

remote viewing is testable repeatable

1660

00:56:15,589 --> 00:56:14,240

and documentable that's one thing people

1661

00:56:16,789 --> 00:56:15,599

like i'm like have you studied the

1662

00:56:19,270 --> 00:56:16,799

subject at all have you tried it

1663

00:56:21,910 --> 00:56:19,280

yourself it's repeatable it's not always

1664

00:56:23,510 --> 00:56:21,920

good sometimes the results are crap so

1665

00:56:25,190 --> 00:56:23,520

most times the results are they call

1666

00:56:27,349 --> 00:56:25,200

them eight martini results where the

1667

00:56:28,470 --> 00:56:27,359

results are so good the results were so

1668

00:56:31,030 --> 00:56:28,480

good they had to go out and have eight

1669

00:56:33,109 --> 00:56:31,040

martinis afterwards i love it nathan's

1670

00:56:34,549 --> 00:56:33,119

nathan's never gotten over seven that's

1671

00:56:38,069 --> 00:56:34,559

yeah that's

1672

00:56:43,030 --> 00:56:40,870

yeah well i mean joe to me like we're

1673

00:56:46,150 --> 00:56:43,040

we're hinting it here the fact that the

1674

00:56:47,670 --> 00:56:46,160

the very models were were applying to

1675

00:56:50,549 --> 00:56:47,680

the problem just don't seem to be

1676

00:56:52,150 --> 00:56:50,559

working because i think that

1677

00:56:54,950 --> 00:56:52,160

you know anyone that studied this

1678

00:56:56,789 --> 00:56:54,960

subject long enough will tell you

1679

00:56:59,430 --> 00:56:56,799

of the stories that we have that are

1680

00:57:01,829 --> 00:56:59,440

nuts and bolts and the personal stories

1681

00:57:04,950 --> 00:57:01,839

and the the poltergeist stories i mean

1682

00:57:06,950 --> 00:57:04,960

all of this kind of paranormality uh and

1683

00:57:08,710 --> 00:57:06,960

and then also the ufo technology i mean

1684

00:57:10,470 --> 00:57:08,720

it's all part of the picture it's it's

1685

00:57:13,190 --> 00:57:10,480

all there somehow

1686

00:57:14,630 --> 00:57:13,200

interrelated and we just don't it's like

1687

00:57:17,670 --> 00:57:14,640

we've lost

1688

00:57:20,309 --> 00:57:17,680

a a way to honor all of these kinds of

1689

00:57:21,670 --> 00:57:20,319

experiences and i think that

1690

00:57:22,789 --> 00:57:21,680

you know if i were to kind of look back

1691

00:57:26,630 --> 00:57:22,799

at history

1692

00:57:28,630 --> 00:57:26,640

uh we we can go back to where

1693

00:57:29,910 --> 00:57:28,640

it take the church in the in the middle

1694

00:57:31,990 --> 00:57:29,920

ages you know they really kind of

1695

00:57:34,470 --> 00:57:32,000

dominated the landscape and then there

1696

00:57:36,950 --> 00:57:34,480

was a high degree of you know spiritual

1697

00:57:39,190 --> 00:57:36,960

thinking and what we in sort of western

1698

00:57:41,829 --> 00:57:39,200

modernity would really attribute to like

1699

00:57:44,069 --> 00:57:41,839

a lot of mythologizing and you know sort

1700

00:57:45,990 --> 00:57:44,079

of not not scientific and then the

1701
00:57:48,230 --> 00:57:46,000
enlightenment area kind of came on the

1702
00:57:51,510 --> 00:57:48,240
scene as a repudiation

1703
00:57:53,510 --> 00:57:51,520
of that way of of of doing things and

1704
00:57:56,390 --> 00:57:53,520
enlightenment science has brought us a

1705
00:57:58,710 --> 00:57:56,400
ton of great stuff right we've we can

1706
00:58:00,549 --> 00:57:58,720
look everywhere in our lives right now

1707
00:58:01,510 --> 00:58:00,559
and say science science science science

1708
00:58:03,510 --> 00:58:01,520
thank you

1709
00:58:05,589 --> 00:58:03,520
you know but at the same time it's like

1710
00:58:08,150 --> 00:58:05,599
we have just like in our own psyches

1711
00:58:10,390 --> 00:58:08,160
where we kind of can repress uh sort of

1712
00:58:12,390 --> 00:58:10,400
aspects of ourselves and think that ah

1713
00:58:13,589 --> 00:58:12,400

you know i've pushed that down and

1714

00:58:15,589 --> 00:58:13,599

that's not i don't deal with that

1715

00:58:17,670 --> 00:58:15,599

anymore but then the truth is anyone

1716

00:58:20,309 --> 00:58:17,680

that's worked with with

1717

00:58:22,150 --> 00:58:20,319

anyone in therapy will tell you you know

1718

00:58:23,990 --> 00:58:22,160

it's all a lot you know we can kind of

1719

00:58:25,910 --> 00:58:24,000

push it down as much as we want but it's

1720

00:58:27,430 --> 00:58:25,920

gonna come back up somehow and i think

1721

00:58:28,789 --> 00:58:27,440

that's really what we're seeing here is

1722

00:58:30,069 --> 00:58:28,799

that we're seeing that

1723

00:58:31,990 --> 00:58:30,079

uh you know

1724

00:58:33,430 --> 00:58:32,000

centuries of enlightenment science and

1725

00:58:36,630 --> 00:58:33,440

and the wonderful things that has

1726

00:58:38,150 --> 00:58:36,640

brought us has also suppressed the these

1727

00:58:41,190 --> 00:58:38,160

very real

1728

00:58:43,910 --> 00:58:41,200

you know very palpable human experiences

1729

00:58:46,309 --> 00:58:43,920

and that and it has told all of humanity

1730

00:58:48,950 --> 00:58:46,319

that is just total garbage but the truth

1731

00:58:50,789 --> 00:58:48,960

is it's not there's something to all of

1732

00:58:54,150 --> 00:58:50,799

it there's some value

1733

00:58:56,470 --> 00:58:54,160

to our our mastery of our material world

1734

00:58:58,549 --> 00:58:56,480

but also these these things that we have

1735

00:59:01,109 --> 00:58:58,559

boxed into this you know sort of

1736

00:59:03,349 --> 00:59:01,119

fantastical category so i think we need

1737

00:59:05,829 --> 00:59:03,359

a new model that really gives

1738

00:59:08,470 --> 00:59:05,839

credence and value and appreciation to

1739

00:59:11,670 --> 00:59:08,480

the to the scope of these things

1740

00:59:13,829 --> 00:59:11,680

and says there is some interconnectivity

1741

00:59:15,190 --> 00:59:13,839

across these fields and and i just

1742

00:59:16,870 --> 00:59:15,200

wondered you know who

1743

00:59:18,630 --> 00:59:16,880

who you may have come across i know you

1744

00:59:20,549 --> 00:59:18,640

spent some time um it may have been a

1745

00:59:22,470 --> 00:59:20,559

couple years ago going through bill

1746

00:59:24,549 --> 00:59:22,480

bankston stuff uh you know kind of

1747

00:59:26,150 --> 00:59:24,559

looking at things from a scientific

1748

00:59:27,829 --> 00:59:26,160

perspective but that's really good kind

1749

00:59:29,109 --> 00:59:27,839

of healing so you know what what are

1750

00:59:31,109 --> 00:59:29,119

your thoughts on that what kind of

1751
00:59:33,990 --> 00:59:31,119
models could we look to to help us with

1752
00:59:35,829 --> 00:59:34,000
this remind me to bring up bankston if i

1753
00:59:37,589 --> 00:59:35,839
forget but one of the things that was

1754
00:59:39,109 --> 00:59:37,599
great about the osap program which was

1755
00:59:41,190 --> 00:59:39,119
the beginning it wasn't a tip just for

1756
00:59:44,950 --> 00:59:41,200
people who don't know it's it was 2008

1757
00:59:46,390 --> 00:59:44,960
to 2010 it was awesome and they studied

1758
00:59:47,910 --> 00:59:46,400
you know part of the part of it was

1759
00:59:49,750 --> 00:59:47,920
skinwalker ranch but they studied that

1760
00:59:51,910 --> 00:59:49,760
whole area the even you went to basin

1761
00:59:54,150 --> 00:59:51,920
and they went around and studied cases

1762
00:59:55,990 --> 00:59:54,160
and the great thing about that is you

1763
00:59:58,069 --> 00:59:56,000

know as an example people who had

1764

01:00:00,390 --> 00:59:58,079

interactions one guy was hurt by a beam

1765

01:00:02,150 --> 01:00:00,400

from a black triangle one guy had an orb

1766

01:00:03,670 --> 01:00:02,160

go through his shoulder claimed to get

1767

01:00:06,069 --> 01:00:03,680

sick well they they were able to follow

1768

01:00:08,150 --> 01:00:06,079

the guy for two years do blood work it's

1769

01:00:10,150 --> 01:00:08,160

science it's medical that was the whole

1770

01:00:11,990 --> 01:00:10,160

thing colin kelleher is like yeah there

1771

01:00:13,349 --> 01:00:12,000

are positive they focused on a lot of

1772

01:00:15,030 --> 01:00:13,359

the criticism said they focus on

1773

01:00:17,109 --> 01:00:15,040

negative cases but

1774

01:00:18,630 --> 01:00:17,119

the positive cases are not documented

1775

01:00:20,230 --> 01:00:18,640

when people said i was healed well we

1776

01:00:21,270 --> 01:00:20,240

don't have we don't have most for the

1777

01:00:23,589 --> 01:00:21,280

most part we don't have medical

1778

01:00:25,270 --> 01:00:23,599

documentation for the asap program they

1779

01:00:27,750 --> 01:00:25,280

did they had two medical doctors on

1780

01:00:29,430 --> 01:00:27,760

staff they did scientific tests they did

1781

01:00:32,309 --> 01:00:29,440

blood work it was a great way to

1782

01:00:33,910 --> 01:00:32,319

document things and with the ndaa and

1783

01:00:35,829 --> 01:00:33,920

the gillibrand language if they go

1784

01:00:37,750 --> 01:00:35,839

investigate a case

1785

01:00:38,870 --> 01:00:37,760

and people had close encounters and they

1786

01:00:41,510 --> 01:00:38,880

stay with those people and they

1787

01:00:43,190 --> 01:00:41,520

investigate it they're going to get guys

1788

01:00:44,870 --> 01:00:43,200

they're going to get poltergeist reports

1789

01:00:46,230 --> 01:00:44,880

if those people feel feel comfortable

1790

01:00:47,430 --> 01:00:46,240

enough it's going to come out that's

1791

01:00:50,630 --> 01:00:47,440

what's great about the gila brand

1792

01:00:53,030 --> 01:00:50,640

language bill bankston has done study

1793

01:00:54,630 --> 01:00:53,040

after study after study with mice and

1794

01:00:56,549 --> 01:00:54,640

not all of them are the same exact

1795

01:00:57,670 --> 01:00:56,559

cancer but they inject and i know a lot

1796

01:00:59,270 --> 01:00:57,680

of people who are animal rights

1797

01:01:01,430 --> 01:00:59,280

activists i love it i don't like that

1798

01:01:03,109 --> 01:01:01,440

they're doing mice but they inject mice

1799

01:01:05,190 --> 01:01:03,119

with mammary cancer

1800

01:01:06,789 --> 01:01:05,200

the mice will live without any

1801
01:01:08,950 --> 01:01:06,799
interference any drugs or anything

1802
01:01:10,710 --> 01:01:08,960
they'll live a total 27 days well

1803
01:01:12,549 --> 01:01:10,720
bankston has a method

1804
01:01:14,150 --> 01:01:12,559
that he learned from a psychic it's his

1805
01:01:16,470 --> 01:01:14,160
books are great and he's so down to

1806
01:01:18,150 --> 01:01:16,480
earth he's so scientific he's like i

1807
01:01:19,109 --> 01:01:18,160
learned the method we tried it on the

1808
01:01:22,549 --> 01:01:19,119
mice

1809
01:01:24,230 --> 01:01:22,559
studies lived their full lifespan of two

1810
01:01:26,069 --> 01:01:24,240
years that should not happen and he's

1811
01:01:27,910 --> 01:01:26,079
like if anybody sees a problem with any

1812
01:01:29,510 --> 01:01:27,920
and he's published his reports he goes

1813
01:01:31,430 --> 01:01:29,520

if anybody sees a problem with my

1814

01:01:33,430 --> 01:01:31,440

experiments is there any thing i'm doing

1815

01:01:36,230 --> 01:01:33,440

wrong feel free to bring it up and we'll

1816

01:01:37,510 --> 01:01:36,240

correct it so far nobody has um nobody

1817

01:01:39,109 --> 01:01:37,520

has replicated it's very hard to

1818

01:01:41,030 --> 01:01:39,119

replicate right now because with mice

1819

01:01:43,030 --> 01:01:41,040

it's really hard in the united states

1820

01:01:44,950 --> 01:01:43,040

because of animal rights activists um so

1821

01:01:47,190 --> 01:01:44,960

i think he's moved to china to do his

1822

01:01:48,630 --> 01:01:47,200

latest study but over and over and over

1823

01:01:50,710 --> 01:01:48,640

again his method

1824

01:01:53,030 --> 01:01:50,720

is curing mice he also did it on humans

1825

01:01:54,710 --> 01:01:53,040

but humans if somebody is cured by

1826
01:01:57,190 --> 01:01:54,720
cancer and they went to benson or one of

1827
01:01:59,430 --> 01:01:57,200
his healers you could always say well

1828
01:02:01,109 --> 01:01:59,440
maybe their diet changed and that's what

1829
01:02:03,029 --> 01:02:01,119
cured their cancer maybe something else

1830
01:02:05,029 --> 01:02:03,039
in their life cured their cancer with

1831
01:02:07,750 --> 01:02:05,039
mice you know

1832
01:02:09,910 --> 01:02:07,760
inject the cancer 27 days they're dead

1833
01:02:12,069 --> 01:02:09,920
if not something's going on for them to

1834
01:02:14,390 --> 01:02:12,079
live their entire life spans something's

1835
01:02:16,630 --> 01:02:14,400
going on and bankston will say that's

1836
01:02:19,190 --> 01:02:16,640
interesting they can take the mice

1837
01:02:21,510 --> 01:02:19,200
who was healed inject take blood from

1838
01:02:23,109 --> 01:02:21,520

that mouse inject it into another mouse

1839

01:02:25,349 --> 01:02:23,119

who has cancer in them and that mouse

1840

01:02:27,029 --> 01:02:25,359

will will heal um

1841

01:02:29,190 --> 01:02:27,039

and they'll be immune from from cancer

1842

01:02:30,870 --> 01:02:29,200

their entire lives

1843

01:02:32,870 --> 01:02:30,880

the latest thing that benson is doing

1844

01:02:34,549 --> 01:02:32,880

with dean raiden and some other folks is

1845

01:02:36,150 --> 01:02:34,559

they're trying to record it so

1846

01:02:37,270 --> 01:02:36,160

whatever's going on in that room they

1847

01:02:39,029 --> 01:02:37,280

have all these different instruments

1848

01:02:41,029 --> 01:02:39,039

they're trying to record it to see if

1849

01:02:42,789 --> 01:02:41,039

they just play it back if it'll create

1850

01:02:44,549 --> 01:02:42,799

healing in the mice this way he goes we

1851

01:02:46,309 --> 01:02:44,559

can just upload it to the cloud and just

1852

01:02:47,910 --> 01:02:46,319

share it with the world which would be

1853

01:02:50,710 --> 01:02:47,920

amazing and he said we're starting to

1854

01:02:51,910 --> 01:02:50,720

see effects but it's not as strong as if

1855

01:02:53,829 --> 01:02:51,920

the people who are sitting there with

1856

01:02:55,829 --> 01:02:53,839

their hands over the mice and

1857

01:02:57,910 --> 01:02:55,839

the technique if you want to go on the

1858

01:02:59,349 --> 01:02:57,920

technique is really basic it's not easy

1859

01:03:01,430 --> 01:02:59,359

to do but it's really basic it's

1860

01:03:02,950 --> 01:03:01,440

basically

1861

01:03:05,109 --> 01:03:02,960

uh we won't i don't know if we have time

1862

01:03:07,270 --> 01:03:05,119

to get into the technique but

1863

01:03:09,109 --> 01:03:07,280

i took his class it's kind of like and

1864

01:03:10,470 --> 01:03:09,119

you have to really be open-minded

1865

01:03:11,589 --> 01:03:10,480

although with the science part of it

1866

01:03:13,270 --> 01:03:11,599

with the mice you don't have to be

1867

01:03:15,510 --> 01:03:13,280

open-minded here are the studies here

1868

01:03:17,589 --> 01:03:15,520

are the results here are the experiments

1869

01:03:18,710 --> 01:03:17,599

peer-reviewed we publish these papers

1870

01:03:21,109 --> 01:03:18,720

you don't have doesn't matter if you're

1871

01:03:22,549 --> 01:03:21,119

open-minded and also the people who he

1872

01:03:24,470 --> 01:03:22,559

got to be healers the people of the

1873

01:03:25,910 --> 01:03:24,480

students at the schools he didn't want

1874

01:03:27,670 --> 01:03:25,920

believers he didn't want to but he

1875

01:03:29,510 --> 01:03:27,680

wanted people who are like

1876

01:03:31,270 --> 01:03:29,520

yeah maybe i don't really believe in

1877

01:03:33,029 --> 01:03:31,280

this but you know let's try it those are

1878

01:03:34,470 --> 01:03:33,039

the people he wanted if they were people

1879

01:03:36,710 --> 01:03:34,480

who were like oh yeah i believe in

1880

01:03:40,630 --> 01:03:36,720

healing 100 he's like nope don't want

1881

01:03:42,789 --> 01:03:40,640

you um but the method is basically

1882

01:03:45,029 --> 01:03:42,799

you would it's a it's a manifesting

1883

01:03:47,270 --> 01:03:45,039

method you you create 20 images in your

1884

01:03:48,710 --> 01:03:47,280

life in your mind that you want

1885

01:03:50,710 --> 01:03:48,720

to achieve in your life if you have a

1886

01:03:52,470 --> 01:03:50,720

broken leg you know and you want to be

1887

01:03:54,230 --> 01:03:52,480

playing tennis you you imagine yourself

1888

01:03:55,990 --> 01:03:54,240

playing tennis you go through you pick

1889

01:03:57,670 --> 01:03:56,000

20 of those and you cycle through them

1890

01:03:59,829 --> 01:03:57,680

as fast as you possibly can until it

1891

01:04:01,589 --> 01:03:59,839

becomes a blur that's it

1892

01:04:02,950 --> 01:04:01,599

that's it that that's his technique that

1893

01:04:04,710 --> 01:04:02,960

he uses and he teaches it to the

1894

01:04:06,950 --> 01:04:04,720

students and they just sit there for an

1895

01:04:08,950 --> 01:04:06,960

hour a day over the mice for some reason

1896

01:04:11,349 --> 01:04:08,960

the mice gravitate towards the left hand

1897

01:04:13,190 --> 01:04:11,359

don't know why but he has pictures there

1898

01:04:15,109 --> 01:04:13,200

they all go over to the left side of the

1899

01:04:16,870 --> 01:04:15,119

cage um

1900

01:04:17,910 --> 01:04:16,880

he's and i spoke to somebody privately

1901

01:04:19,029 --> 01:04:17,920

and i'm like what do you think about

1902

01:04:20,870 --> 01:04:19,039

this he's like

1903

01:04:22,390 --> 01:04:20,880

every scientist should try to replicate

1904

01:04:23,990 --> 01:04:22,400

this it's one of the most important

1905

01:04:26,150 --> 01:04:24,000

studies we have to be able to replicate

1906

01:04:27,910 --> 01:04:26,160

it because if it's true it's huge

1907

01:04:30,230 --> 01:04:27,920

especially with cancer

1908

01:04:32,470 --> 01:04:30,240

my mom passive cancer if we can cure

1909

01:04:33,990 --> 01:04:32,480

people of cancer you know it's right now

1910

01:04:35,829 --> 01:04:34,000

a little more important than ufos as

1911

01:04:38,549 --> 01:04:35,839

much as i love ufos

1912

01:04:40,390 --> 01:04:38,559

cancer is a big deal but i i have a hard

1913

01:04:42,069 --> 01:04:40,400

time getting the ufo community

1914

01:04:43,750 --> 01:04:42,079

interested in anything bill bankston

1915

01:04:45,109 --> 01:04:43,760

does and he's the head i think he's the

1916

01:04:49,190 --> 01:04:45,119

president of the

1917

01:04:50,789 --> 01:04:49,200

society for scientific exploration um

1918

01:04:52,549 --> 01:04:50,799

really really great guy if you watch his

1919

01:04:53,750 --> 01:04:52,559

interviews on youtube you'll see the guy

1920

01:04:55,910 --> 01:04:53,760

is like

1921

01:04:57,910 --> 01:04:55,920

he's he's like my perfect example of an

1922

01:04:59,430 --> 01:04:57,920

open-minded scientist

1923

01:05:00,950 --> 01:04:59,440

hopefully and i will hopefully interview

1924

01:05:02,630 --> 01:05:00,960

him in the near future and people can

1925

01:05:04,230 --> 01:05:02,640

ask questions people want to be

1926

01:05:06,309 --> 01:05:04,240

skeptical he doesn't get offended ever

1927

01:05:08,470 --> 01:05:06,319

he doesn't get offended whatsoever

1928

01:05:10,549 --> 01:05:08,480

but he doesn't have some conscious

1929

01:05:12,069 --> 01:05:10,559

he does have some stories in that book

1930

01:05:13,589 --> 01:05:12,079

very little a couple of them and then

1931

01:05:15,029 --> 01:05:13,599

but they're really

1932

01:05:17,750 --> 01:05:15,039

what really make you question what's

1933

01:05:19,510 --> 01:05:17,760

going on in our world

1934

01:05:20,789 --> 01:05:19,520

yeah if you can give me his number after

1935

01:05:23,190 --> 01:05:20,799

the show i'm probably going to give him

1936

01:05:25,029 --> 01:05:23,200

a call just in case i'm not i don't have

1937

01:05:26,950 --> 01:05:25,039

it right now but you never know and we

1938

01:05:28,710 --> 01:05:26,960

just need to make sure we get the links

1939

01:05:31,349 --> 01:05:28,720

to the books and stuff because

1940

01:05:33,510 --> 01:05:31,359

everybody's asking on chat

1941

01:05:34,789 --> 01:05:33,520

his book is so his one book is an audio

1942

01:05:36,230 --> 01:05:34,799

book where he just

1943

01:05:38,150 --> 01:05:36,240

goes through the story he's not he's

1944

01:05:39,670 --> 01:05:38,160

obviously not reading and it's just

1945

01:05:41,029 --> 01:05:39,680

great it's one of my favorite audiobooks

1946

01:05:42,950 --> 01:05:41,039

of all time and he just tells the story

1947

01:05:44,470 --> 01:05:42,960

of how it happened in the beginning and

1948

01:05:46,230 --> 01:05:44,480

how this psychic taught him this and how

1949

01:05:48,069 --> 01:05:46,240

the psyche got a big head and just left

1950

01:05:49,270 --> 01:05:48,079

and he was stuck doing it himself and

1951

01:05:50,789 --> 01:05:49,280

the psychic was supposed to do the

1952

01:05:52,230 --> 01:05:50,799

healing in the first experiment and he

1953

01:05:54,150 --> 01:05:52,240

left right before the experiment they

1954

01:05:55,349 --> 01:05:54,160

had everything set up in a college so

1955

01:05:57,190 --> 01:05:55,359

the guy's like you're gonna have to do

1956

01:05:58,950 --> 01:05:57,200

the healing and benson's like i'm not a

1957

01:05:59,910 --> 01:05:58,960

healer like well you're gonna have to do

1958

01:06:03,270 --> 01:05:59,920

it

1959

01:06:04,870 --> 01:06:03,280

days in he's like look at the mice

1960

01:06:06,309 --> 01:06:04,880

they're dying please let's stop this

1961

01:06:07,750 --> 01:06:06,319

let's put the mice out of their misery

1962

01:06:10,230 --> 01:06:07,760

they're like no keep doing it keep doing

1963

01:06:12,470 --> 01:06:10,240

it sure enough the tumor got bigger

1964

01:06:13,990 --> 01:06:12,480

imploded mice got better

1965

01:06:15,990 --> 01:06:14,000

it's really great stuff people need to

1966

01:06:18,309 --> 01:06:16,000

check it out and it also deals with the

1967

01:06:19,829 --> 01:06:18,319

placebo effect which might not be

1968

01:06:22,230 --> 01:06:19,839

exactly what we think it is it might be

1969

01:06:23,829 --> 01:06:22,240

some sort of connection between us or

1970

01:06:25,750 --> 01:06:23,839

between us and their mice between us as

1971

01:06:28,150 --> 01:06:25,760

human beings there may be something that

1972

01:06:30,549 --> 01:06:28,160

connects us together i think it's called

1973

01:06:31,750 --> 01:06:30,559

i think rupert sheldrick yeah epigenetic

1974

01:06:33,029 --> 01:06:31,760

fields

1975

01:06:34,069 --> 01:06:33,039

but there's another word he comes up

1976

01:06:36,789 --> 01:06:34,079

with it i don't know what it's called

1977

01:06:39,190 --> 01:06:36,799

now i'm rambling

1978

01:06:41,029 --> 01:06:39,200

um i have one yeah you're not you know

1979

01:06:43,829 --> 01:06:41,039

lord i was born a rambling man joe

1980

01:06:45,510 --> 01:06:43,839

merger so i can i can relate paisan are

1981

01:06:47,589 --> 01:06:45,520

you from new york

1982

01:06:50,069 --> 01:06:47,599

i grew up in long island and then i met

1983

01:06:52,470 --> 01:06:50,079

my second wife

1984

01:06:54,549 --> 01:06:52,480

who still lives with me um

1985

01:06:56,150 --> 01:06:54,559

in queens so we lived in queens flushing

1986

01:06:57,190 --> 01:06:56,160

and then came out to california and then

1987

01:06:59,270 --> 01:06:57,200

vegas

1988

01:07:01,109 --> 01:06:59,280

2009

1989

01:07:03,029 --> 01:07:01,119

and you know where westchester county is

1990

01:07:04,470 --> 01:07:03,039

right peak skill i do i don't think i've

1991

01:07:06,470 --> 01:07:04,480

ever i'm not sure if i've ever been

1992

01:07:08,150 --> 01:07:06,480

there i've been to canada it's upstate

1993

01:07:09,829 --> 01:07:08,160

it's upstate well that's right that's

1994

01:07:11,029 --> 01:07:09,839

where i'm from anyway i'm from

1995

01:07:13,670 --> 01:07:11,039

up there in

1996

01:07:14,470 --> 01:07:13,680

montrose the montrose area of the hudson

1997

01:07:17,430 --> 01:07:14,480

valley

1998

01:07:20,470 --> 01:07:17,440

just adjacent to peak skill

1999

01:07:21,910 --> 01:07:20,480

shout out to henderson anyway um so i

2000

01:07:24,390 --> 01:07:21,920

was going to ask you back to

2001

01:07:26,630 --> 01:07:24,400

consciousness again because uh and

2002

01:07:28,470 --> 01:07:26,640

there's def hey

2003

01:07:30,710 --> 01:07:28,480

where's flair now we don't have a flare

2004

01:07:32,309 --> 01:07:30,720

that's flare yeah we lost our flare uh

2005

01:07:33,990 --> 01:07:32,319

someone might have turned on the xbox

2006

01:07:37,990 --> 01:07:34,000

over at his house but we'll we'll get

2007

01:07:40,150 --> 01:07:38,000

him back um but anyway uh debs uh will

2008

01:07:42,230 --> 01:07:40,160

will uh she'll be next up and there he

2009

01:07:43,910 --> 01:07:42,240

is now you got all the cabbies joe

2010

01:07:46,230 --> 01:07:43,920

you've got us all

2011

01:07:47,829 --> 01:07:46,240

in full strength here um

2012

01:07:49,589 --> 01:07:47,839

so my question going back to

2013

01:07:51,270 --> 01:07:49,599

consciousness is

2014

01:07:53,029 --> 01:07:51,280

and this is a theory you know nathan's

2015

01:07:55,990 --> 01:07:53,039

heard me discuss this a little bit when

2016

01:07:57,270 --> 01:07:56,000

we had uh uh paisan ayandolion or

2017

01:07:58,950 --> 01:07:57,280

yandoli

2018

01:08:02,069 --> 01:07:58,960

and um

2019

01:08:05,670 --> 01:08:02,079

if there are certain intelligences

2020

01:08:08,470 --> 01:08:05,680

that enough experiencers have said

2021

01:08:10,950 --> 01:08:08,480

are harvesting material biological

2022

01:08:13,109 --> 01:08:10,960

material material from their sexual

2023

01:08:14,069 --> 01:08:13,119

organs etc

2024

01:08:27,990 --> 01:08:14,079

i

2025

01:08:30,630 --> 01:08:28,000

we can get

2026

01:08:33,590 --> 01:08:30,640

some of their biological material

2027

01:08:35,430 --> 01:08:33,600

then we can uh we can then

2028

01:08:37,669 --> 01:08:35,440

form or create

2029

01:08:40,149 --> 01:08:37,679

our own consciousness by these sort of

2030

01:08:41,910 --> 01:08:40,159

hybridized beings

2031

01:08:43,510 --> 01:08:41,920

cannot take any

2032

01:08:44,870 --> 01:08:43,520

theory off the table i've never heard

2033

01:08:45,749 --> 01:08:44,880

that theory but that's interesting i

2034

01:08:48,630 --> 01:08:45,759

mean

2035

01:08:50,390 --> 01:08:48,640

you know maybe maybe and

2036

01:08:52,789 --> 01:08:50,400

but there are also people like carla

2037

01:08:55,349 --> 01:08:52,799

turner who is now no longer with us who

2038

01:08:57,749 --> 01:08:55,359

believe that the whole

2039

01:09:00,229 --> 01:08:57,759

taking of egg and sperm and you know

2040

01:09:01,990 --> 01:09:00,239

creating babies and she said in her

2041

01:09:03,749 --> 01:09:02,000

opinion that might just be a just a

2042

01:09:06,789 --> 01:09:03,759

cover story for what they're really

2043

01:09:08,550 --> 01:09:06,799

doing which she didn't know um

2044

01:09:10,550 --> 01:09:08,560

yeah maybe they need something from us

2045

01:09:12,390 --> 01:09:10,560

even if it's not consciousness maybe

2046

01:09:14,229 --> 01:09:12,400

maybe it's us from the future and we've

2047

01:09:15,590 --> 01:09:14,239

lost our way where we're little grey

2048

01:09:17,349 --> 01:09:15,600

characters although some people think

2049

01:09:19,110 --> 01:09:17,359

they're robots i don't know there's so

2050

01:09:20,309 --> 01:09:19,120

many theories out there i don't know how

2051

01:09:21,510 --> 01:09:20,319

we're going to get to the bottom of it

2052

01:09:23,430 --> 01:09:21,520

to tell you the truth

2053

01:09:25,030 --> 01:09:23,440

you know even like i said even if we

2054

01:09:26,709 --> 01:09:25,040

have crafts and bodies how do you even

2055

01:09:28,870 --> 01:09:26,719

know where they're from there's no way

2056

01:09:31,349 --> 01:09:28,880

unless and i've made the joke unless on

2057

01:09:32,950 --> 01:09:31,359

their ass it's stamped you know made in

2058

01:09:34,870 --> 01:09:32,960

zeta reticuli

2059

01:09:37,910 --> 01:09:34,880

there's no way unless you have video

2060

01:09:39,749 --> 01:09:37,920

tracking that craft from deep deep space

2061

01:09:40,870 --> 01:09:39,759

um and i spoke to somebody and it's i

2062

01:09:42,470 --> 01:09:40,880

didn't speak to somebody it's on a

2063

01:09:43,749 --> 01:09:42,480

facebook page that is private so i

2064

01:09:45,110 --> 01:09:43,759

couldn't share it specifically but

2065

01:09:47,189 --> 01:09:45,120

they're like and they've had access to

2066

01:09:49,829 --> 01:09:47,199

classified data and they're like

2067

01:09:51,749 --> 01:09:49,839

as far as i know there is no data that

2068

01:09:53,590 --> 01:09:51,759

that i've been able to access that shows

2069

01:09:56,870 --> 01:09:53,600

anything coming from

2070

01:09:59,590 --> 01:09:56,880

outside of the orbit of the moon um

2071

01:10:00,630 --> 01:09:59,600

that data may exist but i have not seen

2072

01:10:02,149 --> 01:10:00,640

it so

2073

01:10:03,270 --> 01:10:02,159

yeah i don't know how we're going to

2074

01:10:04,790 --> 01:10:03,280

look

2075

01:10:06,950 --> 01:10:04,800

that's a whole nother matter whether or

2076

01:10:08,390 --> 01:10:06,960

not that person has seen it is is

2077

01:10:10,950 --> 01:10:08,400

another story because if you listen to

2078

01:10:12,550 --> 01:10:10,960

john ramirez he said he's seen them

2079

01:10:14,550 --> 01:10:12,560

outside of orbit

2080

01:10:18,630 --> 01:10:14,560

so

2081

01:10:20,630 --> 01:10:18,640

know he's seen he said he's seen data

2082

01:10:22,149 --> 01:10:20,640

that shows that they're outside of orbit

2083

01:10:23,189 --> 01:10:22,159

the moon's over like coming from deep

2084

01:10:25,590 --> 01:10:23,199

space

2085

01:10:26,870 --> 01:10:25,600

i think outside of the earth's orbit i

2086

01:10:28,790 --> 01:10:26,880

don't know about outside the moon's

2087

01:10:31,430 --> 01:10:28,800

orbit

2088

01:10:33,270 --> 01:10:31,440

yeah um we would need to just track them

2089

01:10:34,709 --> 01:10:33,280

from very deep space and but then again

2090

01:10:35,669 --> 01:10:34,719

that doesn't even prove anything i

2091

01:10:37,830 --> 01:10:35,679

really don't know how we're going to

2092

01:10:39,430 --> 01:10:37,840

prove any of this so it's

2093

01:10:41,189 --> 01:10:39,440

you know it's like the fact that we

2094

01:10:43,669 --> 01:10:41,199

could just show that something that's

2095

01:10:45,189 --> 01:10:43,679

not part of our society it's not a state

2096

01:10:47,830 --> 01:10:45,199

actor not a non-state actor it's

2097

01:10:49,590 --> 01:10:47,840

something anomalous is here because i do

2098

01:10:51,750 --> 01:10:49,600

think the theory that some of this is

2099

01:10:52,630 --> 01:10:51,760

based on earth is a valid theory

2100

01:10:54,390 --> 01:10:52,640

um

2101

01:10:56,149 --> 01:10:54,400

that's pretty cool if it is based on

2102

01:10:58,229 --> 01:10:56,159

earth it would it it could explain why

2103

01:11:00,070 --> 01:10:58,239

they're interested in nukes because hey

2104

01:11:01,990 --> 01:11:00,080

we live here too we don't care as much

2105

01:11:03,590 --> 01:11:02,000

about humans but we care about the

2106

01:11:05,430 --> 01:11:03,600

planet so

2107

01:11:07,110 --> 01:11:05,440

but then there's a theory you know

2108

01:11:09,510 --> 01:11:07,120

there's a theory that they're just

2109

01:11:11,270 --> 01:11:09,520

trying to pretend to be ets so they pay

2110

01:11:13,270 --> 01:11:11,280

attention to nukes to trick us but

2111

01:11:14,310 --> 01:11:13,280

they're really not ets they're demons

2112

01:11:18,550 --> 01:11:14,320

and

2113

01:11:21,189 --> 01:11:18,560

about that that's a person one of my

2114

01:11:23,750 --> 01:11:21,199

sources said read valet read diana

2115

01:11:29,030 --> 01:11:23,760

posalka read

2116

01:11:30,149 --> 01:11:29,040

what was the third one pasalka ballet

2117

01:11:32,390 --> 01:11:30,159

and now

2118

01:11:34,390 --> 01:11:32,400

who's no john poche who's

2119

01:11:37,110 --> 01:11:34,400

um ray bo shea who's all of his stuff is

2120

01:11:38,790 --> 01:11:37,120

online he's a he's a former reverend and

2121

01:11:40,470 --> 01:11:38,800

then the fourth one was nick redfern

2122

01:11:42,550 --> 01:11:40,480

who talks about the collins elite in

2123

01:11:44,229 --> 01:11:42,560

final theory and the person said

2124

01:11:45,750 --> 01:11:44,239

you're going to think ray you know nick

2125

01:11:46,870 --> 01:11:45,760

redfern puts out a book every week it

2126

01:11:48,390 --> 01:11:46,880

looks like he really doesn't do any

2127

01:11:49,750 --> 01:11:48,400

research i'm like yeah it does seem that

2128

01:11:51,830 --> 01:11:49,760

way he goes yeah but there's some stuff

2129

01:11:54,229 --> 01:11:51,840

in there that's really good from him so

2130

01:11:56,390 --> 01:11:54,239

but john keel is a must read for anybody

2131

01:11:57,669 --> 01:11:56,400

who's interested in ufos i mean just for

2132

01:11:59,189 --> 01:11:57,679

the history that he goes into in the

2133

01:12:00,630 --> 01:11:59,199

beginning and then he talks about the

2134

01:12:02,390 --> 01:12:00,640

theories that it may be an intelligence

2135

01:12:04,870 --> 01:12:02,400

that can create anything at once it's so

2136

01:12:06,470 --> 01:12:04,880

super advanced it messes with us some of

2137

01:12:09,350 --> 01:12:06,480

it's positive some of it's negative some

2138

01:12:11,430 --> 01:12:09,360

of it's neutral i i was so amazed by

2139

01:12:12,630 --> 01:12:11,440

that book and somebody gary nolan is one

2140

01:12:13,510 --> 01:12:12,640

who told me he goes you should read that

2141

01:12:15,669 --> 01:12:13,520

book

2142

01:12:18,229 --> 01:12:15,679

well here's somebody that's uh super

2143

01:12:19,990 --> 01:12:18,239

advanced and super positive and she is

2144

01:12:23,189 --> 01:12:20,000

our researcher

2145

01:12:25,590 --> 01:12:23,199

uh who has a show called debs data dojo

2146

01:12:28,149 --> 01:12:25,600

and uh and she also goes by a study of

2147

01:12:30,790 --> 01:12:28,159

uaps hi debs

2148

01:12:32,550 --> 01:12:30,800

hi everybody sorry i'm late

2149

01:12:34,070 --> 01:12:32,560

debbie

2150

01:12:36,870 --> 01:12:34,080

hi

2151

01:12:39,990 --> 01:12:36,880

we love deb go ahead

2152

01:12:42,149 --> 01:12:40,000

oh i i just was um really appreciating

2153

01:12:44,390 --> 01:12:42,159

all the work that you did today

2154

01:12:46,070 --> 01:12:44,400

um and i was wondering kind of what

2155

01:12:48,709 --> 01:12:46,080

which

2156

01:12:51,669 --> 01:12:48,719

like material do you recommend to other

2157

01:12:54,390 --> 01:12:51,679

people coming into this topic other than

2158

01:12:56,149 --> 01:12:54,400

keel but like when you decide who am i

2159

01:12:58,790 --> 01:12:56,159

going to go listen to who do you think

2160

01:13:00,390 --> 01:12:58,800

people should be following

2161

01:13:02,790 --> 01:13:00,400

depends on what they're looking for like

2162

01:13:04,470 --> 01:13:02,800

with with history richard dolan is great

2163

01:13:05,830 --> 01:13:04,480

and he has so many lectures online if

2164

01:13:07,350 --> 01:13:05,840

people don't want to read because i have

2165

01:13:09,110 --> 01:13:07,360

people in my family

2166

01:13:09,910 --> 01:13:09,120

one cousin who's interested i'm like

2167

01:13:11,669 --> 01:13:09,920

read

2168

01:13:14,149 --> 01:13:11,679

i have the pdf for skin walkers at the

2169

01:13:16,229 --> 01:13:14,159

pentagon read this he's like two days

2170

01:13:17,189 --> 01:13:16,239

later he goes i i i need the audio

2171

01:13:19,510 --> 01:13:17,199

version

2172

01:13:21,189 --> 01:13:19,520

so like there is no there is no audio

2173

01:13:23,110 --> 01:13:21,199

version so um

2174

01:13:25,669 --> 01:13:23,120

but there's so much dolan online he has

2175

01:13:27,910 --> 01:13:25,679

a lot of good information on the ufo

2176

01:13:30,470 --> 01:13:27,920

history um

2177

01:13:33,110 --> 01:13:30,480

kiel is yeah a great one valet um i'm

2178

01:13:34,310 --> 01:13:33,120

trying to think from the very beginning

2179

01:13:35,910 --> 01:13:34,320

dolan is a great one for the very

2180

01:13:37,750 --> 01:13:35,920

beginning because he doesn't in his

2181

01:13:40,390 --> 01:13:37,760

historical books he doesn't go into nuts

2182

01:13:42,390 --> 01:13:40,400

and bolts there's also another book i

2183

01:13:43,350 --> 01:13:42,400

have not read it i've see i've glimpsed

2184

01:13:45,350 --> 01:13:43,360

through it

2185

01:13:47,189 --> 01:13:45,360

it was recommended to me by michael vi

2186

01:13:49,110 --> 01:13:47,199

who i interviewed who had an experience

2187

01:13:51,830 --> 01:13:49,120

he was on unidentified i'll have to find

2188

01:13:53,510 --> 01:13:51,840

it um

2189

01:13:56,310 --> 01:13:53,520

leslie kane

2190

01:13:57,830 --> 01:13:56,320

is a great place to start um and also

2191

01:13:59,110 --> 01:13:57,840

see the if people don't want to read

2192

01:14:01,270 --> 01:13:59,120

some people just don't like to read see

2193

01:14:03,430 --> 01:14:01,280

the phenomenon by james fox any of his

2194

01:14:06,070 --> 01:14:03,440

movies he's done in the past um ross

2195

01:14:07,910 --> 01:14:06,080

cultart's movie is is is another one his

2196

01:14:09,510 --> 01:14:07,920

documentary ross goldhart's book in

2197

01:14:11,750 --> 01:14:09,520

plain sight is a really good one that

2198

01:14:13,830 --> 01:14:11,760

goes through history and covers a lot of

2199

01:14:17,430 --> 01:14:13,840

ground ross's book and leslie's book

2200

01:14:18,870 --> 01:14:17,440

anything leslie has done um

2201

01:14:20,470 --> 01:14:18,880

and i have to come up with a list for

2202

01:14:22,709 --> 01:14:20,480

ufo books because i don't have them

2203

01:14:24,149 --> 01:14:22,719

offhand but the one i'm talking about

2204

01:14:28,149 --> 01:14:24,159

that deals with

2205

01:14:29,830 --> 01:14:28,159

government documents it's it's very in

2206

01:14:31,669 --> 01:14:29,840

even

2207

01:14:33,350 --> 01:14:31,679

john greenwald who i battle with i've

2208

01:14:35,030 --> 01:14:33,360

recommend his but i recommended his book

2209

01:14:36,550 --> 01:14:35,040

before he has a really great book that

2210

01:14:37,910 --> 01:14:36,560

goes through government documents in

2211

01:14:40,470 --> 01:14:37,920

history and it's got some really great

2212

01:14:42,470 --> 01:14:40,480

information in there so

2213

01:14:44,630 --> 01:14:42,480

i do need to do a blog page where i just

2214

01:14:46,310 --> 01:14:44,640

go through books uh whitley strieber for

2215

01:14:47,990 --> 01:14:46,320

me it's it's it's essential reading for

2216

01:14:50,790 --> 01:14:48,000

anybody interested in this subject

2217

01:14:52,630 --> 01:14:50,800

because he gets into he goes in starting

2218

01:14:54,550 --> 01:14:52,640

off with his i mean abductions are

2219

01:14:56,790 --> 01:14:54,560

already not nuts and bolts but it goes

2220

01:14:59,189 --> 01:14:56,800

down even further i mean where he's

2221

01:15:01,030 --> 01:14:59,199

meditating every day and he has you know

2222

01:15:03,350 --> 01:15:01,040

it's more metaphysical than i ever

2223

01:15:04,790 --> 01:15:03,360

realized which i really loved um

2224

01:15:06,950 --> 01:15:04,800

and then you start going into out of

2225

01:15:09,350 --> 01:15:06,960

body books must reads robert monroe

2226

01:15:10,870 --> 01:15:09,360

books are must reads strict ufos though

2227

01:15:12,790 --> 01:15:10,880

history the beginning

2228

01:15:15,430 --> 01:15:12,800

dolan has a book called ufos for the

2229

01:15:17,189 --> 01:15:15,440

20th century mine which is a great place

2230

01:15:20,149 --> 01:15:17,199

for people to start and he goes into a

2231

01:15:22,550 --> 01:15:20,159

little bit more non-nuts and bolts more

2232

01:15:24,390 --> 01:15:22,560

um more consciousness stuff but it's a

2233

01:15:26,070 --> 01:15:24,400

really it's a really great it's not a

2234

01:15:28,790 --> 01:15:26,080

really deep read like

2235

01:15:31,590 --> 01:15:28,800

his history books are like really thick

2236

01:15:33,350 --> 01:15:31,600

but ufos for a 20th century my 21st

2237

01:15:35,430 --> 01:15:33,360

century mind i think uh it's a really

2238

01:15:37,430 --> 01:15:35,440

great place to start

2239

01:15:39,910 --> 01:15:37,440

and by the way somebody on the in the

2240

01:15:44,229 --> 01:15:39,920

chat asked about bankston's method it is

2241

01:15:47,350 --> 01:15:45,750

thank you

2242

01:15:54,870 --> 01:15:47,360

welcome you read my mind that's what i

2243

01:15:59,830 --> 01:15:57,110

my second ex-wife does reiki

2244

01:16:01,990 --> 01:15:59,840

um yeah and bankston will not doubt he's

2245

01:16:03,750 --> 01:16:02,000

like yeah reiki works for whatever reiki

2246

01:16:05,830 --> 01:16:03,760

works for but my specific thing does

2247

01:16:07,350 --> 01:16:05,840

really good with cancer and the more

2248

01:16:09,270 --> 01:16:07,360

aggressive the cancer

2249

01:16:12,790 --> 01:16:09,280

the more it seems to work the better it

2250

01:16:17,110 --> 01:16:16,149

and chris can you pop that up there or

2251

01:16:19,350 --> 01:16:17,120

yeah

2252

01:16:22,950 --> 01:16:19,360

it was just basically it was a question

2253

01:16:25,189 --> 01:16:22,960

uh did they use reiki uh reiki technique

2254

01:16:27,189 --> 01:16:25,199

yeah he yeah because he said he caught

2255

01:16:29,270 --> 01:16:27,199

it before i popped it up because we're

2256

01:16:31,110 --> 01:16:29,280

in synchronicity right joe

2257

01:16:33,350 --> 01:16:31,120

yes show merger

2258

01:16:35,350 --> 01:16:33,360

where'd you all right back to my brother

2259

01:16:37,350 --> 01:16:35,360

uh nathan

2260

01:16:39,830 --> 01:16:37,360

yeah so i guess uh i'm gonna keep keep

2261

01:16:41,590 --> 01:16:39,840

uh going down this path but i i you know

2262

01:16:43,750 --> 01:16:41,600

we since we have talked about the

2263

01:16:46,470 --> 01:16:43,760

spectrum of the phenomena

2264

01:16:48,229 --> 01:16:46,480

uh you know and since i recently talked

2265

01:16:49,110 --> 01:16:48,239

a little bit on disclosure

2266

01:16:52,790 --> 01:16:49,120

i mean

2267

01:16:55,110 --> 01:16:52,800

don't you think that we kind of um

2268

01:16:56,950 --> 01:16:55,120

like the world has to be conditioned to

2269

01:16:58,630 --> 01:16:56,960

be able to

2270

01:17:01,110 --> 01:16:58,640

to sort of

2271

01:17:03,350 --> 01:17:01,120

be at a place where we can

2272

01:17:05,830 --> 01:17:03,360

have this conversation because i'm of

2273

01:17:08,630 --> 01:17:05,840

the opinion that if it's just aliens

2274

01:17:10,550 --> 01:17:08,640

right if it's just extraterrestrials

2275

01:17:12,470 --> 01:17:10,560

who've come to visit us

2276

01:17:14,630 --> 01:17:12,480

like that's a pretty easy story to tell

2277

01:17:16,790 --> 01:17:14,640

you know like right i agree aliens are

2278

01:17:18,630 --> 01:17:16,800

here great like we learned we're not

2279

01:17:21,669 --> 01:17:18,640

alone hooray like they're either going

2280

01:17:23,910 --> 01:17:21,679

to destroy us okay nothing we can do or

2281

01:17:26,229 --> 01:17:23,920

they're not and so that's a good story i

2282

01:17:28,830 --> 01:17:26,239

mean that's you know that's simple it's

2283

01:17:31,510 --> 01:17:28,840

not complicated and i think most of the

2284

01:17:34,310 --> 01:17:31,520

world most of the world is pretty much

2285

01:17:35,430 --> 01:17:34,320

ready for that so later a week later

2286

01:17:37,350 --> 01:17:35,440

they'll be like

2287

01:17:39,270 --> 01:17:37,360

what is kim kardashian up to today right

2288

01:17:41,030 --> 01:17:39,280

exactly

2289

01:17:43,189 --> 01:17:41,040

what surgery reality tv you know that's

2290

01:17:45,510 --> 01:17:43,199

right so so i think it's too simple and

2291

01:17:47,189 --> 01:17:45,520

that's why that's not it right

2292

01:17:49,030 --> 01:17:47,199

so because i

2293

01:17:51,430 --> 01:17:49,040

because i do think it is more of these

2294

01:17:53,830 --> 01:17:51,440

complicated things that that this this

2295

01:17:56,470 --> 01:17:53,840

consciousness component that the nature

2296

01:17:58,870 --> 01:17:56,480

of reality itself is something other

2297

01:18:02,229 --> 01:17:58,880

than what we think it is that's what

2298

01:18:05,270 --> 01:18:02,239

makes this such a big challenge that how

2299

01:18:07,350 --> 01:18:05,280

do you really tell that story and i'm

2300

01:18:09,430 --> 01:18:07,360

also of the opinion that

2301

01:18:11,910 --> 01:18:09,440

that the government has to do this in

2302

01:18:13,030 --> 01:18:11,920

little pieces because it's almost like a

2303

01:18:15,750 --> 01:18:13,040

um

2304

01:18:18,229 --> 01:18:15,760

it's like if i if i give something to a

2305

01:18:20,070 --> 01:18:18,239

if i give a new toy to a kid and let's

2306

01:18:21,830 --> 01:18:20,080

let's say that if they play with it it

2307

01:18:23,270 --> 01:18:21,840

maybe it comes in different pieces if

2308

01:18:25,189 --> 01:18:23,280

they play with it in the wrong way it

2309

01:18:27,350 --> 01:18:25,199

doesn't get assembled and doesn't the

2310

01:18:29,189 --> 01:18:27,360

the final assembly doesn't if

2311

01:18:29,990 --> 01:18:29,199

it's voltron right so if i give them the

2312

01:18:31,910 --> 01:18:30,000

little

2313

01:18:33,669 --> 01:18:31,920

you know and they're not playing with it

2314

01:18:35,350 --> 01:18:33,679

right you know they can't build voltron

2315

01:18:37,669 --> 01:18:35,360

so i need to give them one little you

2316

01:18:39,590 --> 01:18:37,679

know sort of line at a time and show

2317

01:18:41,189 --> 01:18:39,600

them how it works and that's that's the

2318

01:18:42,709 --> 01:18:41,199

arm that's the head that's the body

2319

01:18:43,590 --> 01:18:42,719

that's the you know okay now put it

2320

01:18:46,149 --> 01:18:43,600

together

2321

01:18:47,590 --> 01:18:46,159

um if that's the case you know how long

2322

01:18:49,270 --> 01:18:47,600

do you think this journey is going to be

2323

01:18:51,510 --> 01:18:49,280

before

2324

01:18:52,950 --> 01:18:51,520

the world is really at a place where we

2325

01:18:55,110 --> 01:18:52,960

can

2326

01:18:56,709 --> 01:18:55,120

accept what what what is really going on

2327

01:18:59,110 --> 01:18:56,719

here

2328

01:19:00,870 --> 01:18:59,120

and specifically how how are scientists

2329

01:19:03,189 --> 01:19:00,880

going to be able to handle

2330

01:19:04,550 --> 01:19:03,199

the fact that reality is so much

2331

01:19:06,550 --> 01:19:04,560

different i mean they have problem

2332

01:19:08,630 --> 01:19:06,560

dealing with the with the double slit

2333

01:19:09,910 --> 01:19:08,640

experiment you know right it's like

2334

01:19:11,590 --> 01:19:09,920

scientists are like well yeah that

2335

01:19:13,430 --> 01:19:11,600

happens on the quantum level but on not

2336

01:19:14,950 --> 01:19:13,440

on the macro level well we don't know

2337

01:19:17,189 --> 01:19:14,960

that if it does happening on the macro

2338

01:19:20,149 --> 01:19:17,199

level you know our world is so it's like

2339

01:19:22,149 --> 01:19:20,159

turns everything upside down so how long

2340

01:19:24,229 --> 01:19:22,159

before we get there i mean it could be

2341

01:19:25,110 --> 01:19:24,239

decades before we get there i hope not

2342

01:19:26,390 --> 01:19:25,120

um

2343

01:19:27,189 --> 01:19:26,400

you know there are some people think

2344

01:19:31,030 --> 01:19:27,199

that

2345

01:19:33,110 --> 01:19:31,040

a crisis environmentally and

2346

01:19:35,110 --> 01:19:33,120

you know cyclical disasters may pop up

2347

01:19:36,790 --> 01:19:35,120

here and there that it's gonna force

2348

01:19:38,470 --> 01:19:36,800

it's gonna force disclosure but i don't

2349

01:19:40,149 --> 01:19:38,480

know if i you know i don't see that

2350

01:19:41,590 --> 01:19:40,159

happening you know you never know what's

2351

01:19:43,830 --> 01:19:41,600

gonna go on what's gonna pop up

2352

01:19:45,669 --> 01:19:43,840

surprises here and there and you know i

2353

01:19:47,590 --> 01:19:45,679

just can't like you said it i just can't

2354

01:19:49,430 --> 01:19:47,600

see us going even if we get to the point

2355

01:19:50,790 --> 01:19:49,440

where like oh look there are craft here

2356

01:19:53,030 --> 01:19:50,800

and there are bodies that doesn't take

2357

01:19:54,310 --> 01:19:53,040

us to consciousness unless they come out

2358

01:19:56,390 --> 01:19:54,320

and say

2359

01:19:58,709 --> 01:19:56,400

we've seen them create this out of thin

2360

01:20:00,630 --> 01:19:58,719

air using we don't even understand the

2361

01:20:02,470 --> 01:20:00,640

technology maybe that'll get us in that

2362

01:20:04,550 --> 01:20:02,480

direction but george kneps as you know

2363

01:20:06,470 --> 01:20:04,560

like you said extraterrestrials fine a

2364

01:20:08,390 --> 01:20:06,480

lot of people may be able to accept that

2365

01:20:10,229 --> 01:20:08,400

but if it talks about other beings in

2366

01:20:11,910 --> 01:20:10,239

some other dimension that are around us

2367

01:20:13,750 --> 01:20:11,920

all the time they can see us all the

2368

01:20:15,030 --> 01:20:13,760

time we can't see them they're watching

2369

01:20:16,950 --> 01:20:15,040

you when you're in the bathroom and when

2370

01:20:18,870 --> 01:20:16,960

you're taking a shower people are not

2371

01:20:20,790 --> 01:20:18,880

going to be able to handle that i mean a

2372

01:20:21,750 --> 01:20:20,800

lot of us may not be able to handle that

2373

01:20:23,990 --> 01:20:21,760

so

2374

01:20:25,590 --> 01:20:24,000

yeah time wise i would just tell people

2375

01:20:26,870 --> 01:20:25,600

just be patient because there are people

2376

01:20:28,709 --> 01:20:26,880

that are not patient and they start

2377

01:20:30,870 --> 01:20:28,719

getting so negative right away and they

2378

01:20:32,629 --> 01:20:30,880

start becoming debunkers i've seen it

2379

01:20:34,629 --> 01:20:32,639

i've seen it in the past i see it now

2380

01:20:36,310 --> 01:20:34,639

and it's like they get out of control

2381

01:20:38,629 --> 01:20:36,320

with the negativity i'm like just calm

2382

01:20:40,470 --> 01:20:38,639

down we're making progress you know this

2383

01:20:42,470 --> 01:20:40,480

is progress what's going on we have a

2384

01:20:44,310 --> 01:20:42,480

senator's talking about this i know it's

2385

01:20:47,110 --> 01:20:44,320

not exactly what you want and you want

2386

01:20:48,870 --> 01:20:47,120

it to happen fast but things are going

2387

01:20:50,470 --> 01:20:48,880

well um

2388

01:20:52,470 --> 01:20:50,480

timelines are tough as far as

2389

01:20:54,070 --> 01:20:52,480

consciousness but like i said if we can

2390

01:20:55,750 --> 01:20:54,080

get them to accept

2391

01:20:58,470 --> 01:20:55,760

that they were lied to and i'm not even

2392

01:21:01,189 --> 01:20:58,480

saying just you were misled this stuff

2393

01:21:02,709 --> 01:21:01,199

was real you were duped there's a lot of

2394

01:21:04,310 --> 01:21:02,719

other stuff you were duped about let's

2395

01:21:06,709 --> 01:21:04,320

talk about remote viewing let's talk

2396

01:21:08,229 --> 01:21:06,719

about related issues with consciousness

2397

01:21:09,350 --> 01:21:08,239

and i think people will be more

2398

01:21:11,430 --> 01:21:09,360

receptive

2399

01:21:12,830 --> 01:21:11,440

once they realize how wrong they were

2400

01:21:18,070 --> 01:21:12,840

about

2401

01:21:19,990 --> 01:21:18,080

was able to visualize a very very

2402

01:21:22,310 --> 01:21:20,000

specific structure

2403

01:21:24,229 --> 01:21:22,320

in russia somewhere that he could not

2404

01:21:26,470 --> 01:21:24,239

have known just by based on them giving

2405

01:21:27,830 --> 01:21:26,480

him grid coordinates yeah he was able he

2406

01:21:29,830 --> 01:21:27,840

was one of the few that could actually

2407

01:21:31,350 --> 01:21:29,840

read numbers off of documents which is a

2408

01:21:32,950 --> 01:21:31,360

disaster and a nightmare for a

2409

01:21:35,189 --> 01:21:32,960

government if you have a special access

2410

01:21:36,950 --> 01:21:35,199

program with code words he was able to

2411

01:21:39,030 --> 01:21:36,960

come up with them that's not the norm

2412

01:21:40,709 --> 01:21:39,040

for a remote viewer there are people

2413

01:21:43,110 --> 01:21:40,719

that felt he was murdered if you saw

2414

01:21:44,550 --> 01:21:43,120

psychics uh third eye spies they kind of

2415

01:21:47,030 --> 01:21:44,560

go in that direction it was a very

2416

01:21:48,310 --> 01:21:47,040

mysterious death with pat price um

2417

01:21:50,149 --> 01:21:48,320

he was amazing though i wish he was

2418

01:21:52,310 --> 01:21:50,159

still i wish him and ingle were still

2419

01:21:53,910 --> 01:21:52,320

with us two ingo swan another amazing

2420

01:21:56,550 --> 01:21:53,920

remote viewer

2421

01:21:58,070 --> 01:21:56,560

yep i i ended up getting on a show where

2422

01:21:59,990 --> 01:21:58,080

there was a couple of remote viewers and

2423

01:22:03,350 --> 01:22:00,000

they were mentioning those names and i

2424

01:22:05,270 --> 01:22:03,360

was fascinated um i wanted to go back to

2425

01:22:06,950 --> 01:22:05,280

the you know probably one of the few

2426

01:22:08,550 --> 01:22:06,960

people i've seen in ufology that has

2427

01:22:11,030 --> 01:22:08,560

better hair than you do and that's

2428

01:22:13,350 --> 01:22:11,040

richard dolan um

2429

01:22:16,310 --> 01:22:13,360

and his um

2430

01:22:18,950 --> 01:22:16,320

he uh interviewed that guy on the jeremy

2431

01:22:21,189 --> 01:22:18,960

corbell short film that was maybe 20

2432

01:22:25,350 --> 01:22:21,199

minutes long and it was a gentleman uh

2433

01:22:26,310 --> 01:22:25,360

in the hotel room who was a retired cia

2434

01:22:27,990 --> 01:22:26,320

agent

2435

01:22:29,830 --> 01:22:28,000

and i'm curious i know that you're

2436

01:22:31,110 --> 01:22:29,840

familiar with this film and so i'd like

2437

01:22:33,030 --> 01:22:31,120

to just get your

2438

01:22:34,709 --> 01:22:33,040

uh on varnish take on that and the

2439

01:22:36,229 --> 01:22:34,719

material presented it's been a while

2440

01:22:37,990 --> 01:22:36,239

it's been a while since i've seen that

2441

01:22:40,709 --> 01:22:38,000

um

2442

01:22:42,629 --> 01:22:40,719

and i know people say it's been debunked

2443

01:22:45,270 --> 01:22:42,639

that guy and i don't know exactly what

2444

01:22:46,790 --> 01:22:45,280

they've debunked um

2445

01:22:48,950 --> 01:22:46,800

i don't really have much to add about

2446

01:22:50,390 --> 01:22:48,960

that um but i could talk about deathbed

2447

01:22:51,830 --> 01:22:50,400

confession somebody asked today if you

2448

01:22:53,990 --> 01:22:51,840

think there's gonna be more deathbed

2449

01:22:55,590 --> 01:22:54,000

confessions and it depends

2450

01:22:57,510 --> 01:22:55,600

these guys believe that they're

2451

01:22:59,510 --> 01:22:57,520

patriotic by keeping the secret they

2452

01:23:01,189 --> 01:22:59,520

don't they don't think they don't think

2453

01:23:02,790 --> 01:23:01,199

it's a good idea like especially if we

2454

01:23:04,950 --> 01:23:02,800

have a craft and we're trying to back

2455

01:23:06,629 --> 01:23:04,960

engineer it they don't think it's a good

2456

01:23:08,390 --> 01:23:06,639

thing to be talking about secrets even

2457

01:23:10,310 --> 01:23:08,400

on their deathbed we haven't seen that

2458

01:23:11,990 --> 01:23:10,320

many of those type of things i mean i'm

2459

01:23:14,070 --> 01:23:12,000

trying to think of the closest

2460

01:23:16,550 --> 01:23:14,080

the closest deathbed confession we've

2461

01:23:19,270 --> 01:23:16,560

had was with ross coulthard and

2462

01:23:22,310 --> 01:23:19,280

the guy nat colbits who had cancer and

2463

01:23:23,830 --> 01:23:22,320

he told you know he said to ross he said

2464

01:23:26,470 --> 01:23:23,840

screw it i'll tell you yes i was read

2465

01:23:28,709 --> 01:23:26,480

into the program and um you know we have

2466

01:23:31,189 --> 01:23:28,719

multiple craft and

2467

01:23:33,110 --> 01:23:31,199

he never was able to see them so you

2468

01:23:35,110 --> 01:23:33,120

know can't confirm that but he said that

2469

01:23:37,030 --> 01:23:35,120

he was taking the rod to wright paterson

2470

01:23:38,709 --> 01:23:37,040

air force base and he showed the moment

2471

01:23:40,709 --> 01:23:38,719

they showed him a material that he could

2472

01:23:43,030 --> 01:23:40,719

not figure out how it was manufactured

2473

01:23:45,189 --> 01:23:43,040

that's the closest deathbed confession

2474

01:23:46,390 --> 01:23:45,199

but he didn't you know he told ross you

2475

01:23:48,390 --> 01:23:46,400

know on the phone so we don't have a

2476

01:23:50,310 --> 01:23:48,400

recording of it

2477

01:23:51,830 --> 01:23:50,320

you would think you would think if

2478

01:23:53,270 --> 01:23:51,840

somebody if there was a piece of

2479

01:23:54,790 --> 01:23:53,280

information like

2480

01:23:56,550 --> 01:23:54,800

bodies

2481

01:23:58,629 --> 01:23:56,560

that would not be a national security

2482

01:24:00,470 --> 01:23:58,639

issue to me if you know if somebody had

2483

01:24:02,390 --> 01:24:00,480

seen that before they died i know people

2484

01:24:03,800 --> 01:24:02,400

have talked about that before

2485

01:24:05,189 --> 01:24:03,810

related to roswell um

2486

01:24:06,310 --> 01:24:05,199

[Music]

2487

01:24:07,830 --> 01:24:06,320

richard

2488

01:24:13,270 --> 01:24:07,840

100

2489

01:24:15,669 --> 01:24:13,280

asked him

2490

01:24:18,629 --> 01:24:15,679

well he saw a 16 millimeter film

2491

01:24:21,510 --> 01:24:18,639

of oh somebody's uh debs has something

2492

01:24:23,110 --> 01:24:21,520

uh he saw 16 millimeter film of a being

2493

01:24:25,590 --> 01:24:23,120

when it was live

2494

01:24:26,709 --> 01:24:25,600

and he saw photos

2495

01:24:27,750 --> 01:24:26,719

and

2496

01:24:30,390 --> 01:24:27,760

um

2497

01:24:33,270 --> 01:24:30,400

and also the same of the craft and so i

2498

01:24:36,149 --> 01:24:33,280

said your percentage of surety that we

2499

01:24:38,390 --> 01:24:36,159

have captured craft from roswell and he

2500

01:24:42,070 --> 01:24:38,400

said a hundred percent

2501

01:24:44,149 --> 01:24:42,080

when he was tdy out to uh debt three air

2502

01:24:47,270 --> 01:24:44,159

force death three at groom lake or area

2503

01:24:50,390 --> 01:24:47,280

51 we ask him how certain are you that

2504

01:24:52,149 --> 01:24:50,400

we have captured kraft there and he said

2505

01:24:53,990 --> 01:24:52,159

because i didn't see them with my own

2506

01:24:54,790 --> 01:24:54,000

eyes 80 percent

2507

01:24:56,790 --> 01:24:54,800

right

2508

01:24:58,629 --> 01:24:56,800

and and george knapp tells a story about

2509

01:25:00,229 --> 01:24:58,639

somebody he met that told him the same

2510

01:25:02,070 --> 01:25:00,239

thing that they had a live alien at area

2511

01:25:03,189 --> 01:25:02,080

51 it's one of my favorite tweet threads

2512

01:25:05,910 --> 01:25:03,199

i had

2513

01:25:06,950 --> 01:25:05,920

it's the same person that amy jacobson

2514

01:25:10,310 --> 01:25:06,960

said

2515

01:25:12,550 --> 01:25:10,320

told her that no roswell was

2516

01:25:14,870 --> 01:25:12,560

german technology and i forget exactly

2517

01:25:16,709 --> 01:25:14,880

the details oh yeah and and this guy

2518

01:25:18,629 --> 01:25:16,719

told george nappy saying no it was you

2519

01:25:20,550 --> 01:25:18,639

know he george was interviewing about

2520

01:25:22,149 --> 01:25:20,560

area 51 the guy's like you don't want to

2521

01:25:23,270 --> 01:25:22,159

you want to know about ufos right he's

2522

01:25:26,310 --> 01:25:23,280

like yeah i need

2523

01:25:28,070 --> 01:25:26,320

him the guy's passed on by now um so he

2524

01:25:30,149 --> 01:25:28,080

can't be interviewed and then don't you

2525

01:25:32,790 --> 01:25:30,159

know dodie is controversial i spent time

2526

01:25:34,950 --> 01:25:32,800

with dodie at the ufo megacon in june

2527

01:25:37,750 --> 01:25:34,960

here in lawful nevada and

2528

01:25:39,510 --> 01:25:37,760

really good guy great to talk to

2529

01:25:40,870 --> 01:25:39,520

really nice guy very likable you know

2530

01:25:42,709 --> 01:25:40,880

just like hal put off he worked with hal

2531

01:25:44,709 --> 01:25:42,719

put off down in austin at hal's place

2532

01:25:46,070 --> 01:25:44,719

and hal's like yeah really great guy and

2533

01:25:48,149 --> 01:25:46,080

some of the information he shared we

2534

01:25:50,070 --> 01:25:48,159

couldn't verify some of it we could

2535

01:25:51,350 --> 01:25:50,080

so i don't know i mean jody says a lot

2536

01:25:53,430 --> 01:25:51,360

of things in his lectures he talked

2537

01:25:55,350 --> 01:25:53,440

about there was a group of military guys

2538

01:25:56,950 --> 01:25:55,360

that went into this underground mountain

2539

01:25:59,110 --> 01:25:56,960

where there were et's like right in

2540

01:26:00,950 --> 01:25:59,120

front of them he talked about another

2541

01:26:03,110 --> 01:26:00,960

situation where these ets popped into a

2542

01:26:06,229 --> 01:26:03,120

room and they were human you they were

2543

01:26:08,310 --> 01:26:06,239

human-looking et's and they just tore

2544

01:26:10,310 --> 01:26:08,320

everybody part and killed everybody in

2545

01:26:11,910 --> 01:26:10,320

the room so it's like i don't know what

2546

01:26:13,830 --> 01:26:11,920

to believe from him

2547

01:26:15,110 --> 01:26:13,840

because i can't verify any of it but

2548

01:26:16,310 --> 01:26:15,120

there are multiple people who talk about

2549

01:26:17,990 --> 01:26:16,320

roswell

2550

01:26:19,910 --> 01:26:18,000

um but that's the debate that hap a

2551
01:26:21,350 --> 01:26:19,920
debate that happened recently with uh

2552
01:26:23,189 --> 01:26:21,360
the guy who's writing the articles for

2553
01:26:25,030 --> 01:26:23,199
the hill marek who's written some great

2554
01:26:27,430 --> 01:26:25,040
articles for the hill he's like i

2555
01:26:29,590 --> 01:26:27,440
believe uh roswell was a you know a

2556
01:26:32,629 --> 01:26:29,600
mogul weather balloon so

2557
01:26:33,590 --> 01:26:32,639
a mogul balloon you know and i and

2558
01:26:35,270 --> 01:26:33,600
you know

2559
01:26:37,110 --> 01:26:35,280
davis is 100

2560
01:26:38,470 --> 01:26:37,120
liu said he believes it

2561
01:26:40,070 --> 01:26:38,480
um

2562
01:26:43,189 --> 01:26:40,080
there's the only way to know is we get

2563
01:26:45,350 --> 01:26:43,199

to see it for sure 100

2564

01:26:46,790 --> 01:26:45,360

so i mean i've left open the possibility

2565

01:26:48,070 --> 01:26:46,800

that everybody's lying to us because

2566

01:26:49,669 --> 01:26:48,080

they want to convince the russians that

2567

01:26:51,990 --> 01:26:49,679

we have this i don't think that's the

2568

01:26:53,510 --> 01:26:52,000

case but i leave it open like this you

2569

01:26:54,790 --> 01:26:53,520

know just in case

2570

01:26:56,629 --> 01:26:54,800

i don't think that's the case though i

2571

01:26:57,830 --> 01:26:56,639

mean my opinion my judgment pete talking

2572

01:26:59,030 --> 01:26:57,840

to people

2573

01:27:00,950 --> 01:26:59,040

you know roswell and then we have

2574

01:27:02,709 --> 01:27:00,960

trinity which is a totally nother case i

2575

01:27:04,310 --> 01:27:02,719

was told by somebody

2576

01:27:06,470 --> 01:27:04,320

that it was second or third hand

2577

01:27:08,709 --> 01:27:06,480

somebody said so-and-so thinks that's a

2578

01:27:11,270 --> 01:27:08,719

prosaic case so and they were connected

2579

01:27:12,950 --> 01:27:11,280

to the ufo story in the government

2580

01:27:14,870 --> 01:27:12,960

so i don't know and and you know and

2581

01:27:16,629 --> 01:27:14,880

then we have lou talking about italy

2582

01:27:18,870 --> 01:27:16,639

back in the i think it was the 30s about

2583

01:27:20,790 --> 01:27:18,880

a craft that was retrieved by mussolini

2584

01:27:23,110 --> 01:27:20,800

and we wound up getting it and then you

2585

01:27:25,430 --> 01:27:23,120

have another source of mind talked about

2586

01:27:28,229 --> 01:27:25,440

a craft that landed in kingman that was

2587

01:27:31,110 --> 01:27:28,239

in totally intact just sitting there

2588

01:27:33,590 --> 01:27:31,120

george knapp did a report on that so

2589

01:27:36,310 --> 01:27:33,600

you know if we have all of that stuff

2590

01:27:37,990 --> 01:27:36,320

that alone will will will get us past

2591

01:27:40,310 --> 01:27:38,000

that'll get us to the point where it's

2592

01:27:42,870 --> 01:27:40,320

real it's that's it that's no doubt

2593

01:27:44,310 --> 01:27:42,880

about it it's real and then my from my

2594

01:27:46,070 --> 01:27:44,320

hopes we can get into more of the

2595

01:27:47,750 --> 01:27:46,080

consciousness stuff i think people will

2596

01:27:49,430 --> 01:27:47,760

naturally i would think people would

2597

01:27:51,990 --> 01:27:49,440

naturally speak about that

2598

01:27:54,629 --> 01:27:52,000

if the answer isn't strict e.t as nathan

2599

01:27:59,189 --> 01:27:54,639

said yep and get to where nathan wants

2600

01:28:01,350 --> 01:27:59,199

us to get to as a human race uh so um

2601

01:28:04,310 --> 01:28:01,360

there is cat on our chat that akashi

2602

01:28:06,070 --> 01:28:04,320

chris has uh something cat is one of our

2603

01:28:12,790 --> 01:28:06,080

friends and we'd like to put up her

2604

01:28:17,669 --> 01:28:14,870

okay if i had an imaginary friend as a

2605

01:28:20,310 --> 01:28:17,679

child that i swore up and down he was

2606

01:28:22,470 --> 01:28:20,320

real an ex-boyfriend had the same

2607

01:28:24,629 --> 01:28:22,480

experience thoughts

2608

01:28:26,550 --> 01:28:24,639

yeah when i was little in my baby book

2609

01:28:28,390 --> 01:28:26,560

it says i would blame everything on the

2610

01:28:30,229 --> 01:28:28,400

robot which i don't remember anything

2611

01:28:31,750 --> 01:28:30,239

but it says the robot did it the robot

2612

01:28:32,950 --> 01:28:31,760

did it mom the robot did it so who was

2613

01:28:34,790 --> 01:28:32,960

the robot

2614

01:28:36,950 --> 01:28:34,800

maybe we're as children we're able to

2615

01:28:38,310 --> 01:28:36,960

see more you know we're not biased at

2616

01:28:40,310 --> 01:28:38,320

all and we could see into these other

2617

01:28:42,390 --> 01:28:40,320

realms easier it seems like kids do have

2618

01:28:45,189 --> 01:28:42,400

that ability until they get older just

2619

01:28:46,950 --> 01:28:45,199

like with reincarnation cases with kids

2620

01:28:49,110 --> 01:28:46,960

as they're younger there's like 4 000

2621

01:28:50,550 --> 01:28:49,120

cases that ian stevenson investigated

2622

01:28:52,149 --> 01:28:50,560

where the kids are like

2623

01:28:54,229 --> 01:28:52,159

mostly in countries that believe in

2624

01:28:56,070 --> 01:28:54,239

reincarnation but the kids are like uh

2625

01:28:57,750 --> 01:28:56,080

by the way you're not my real mother my

2626

01:28:59,990 --> 01:28:57,760

real parents my you're not my real

2627

01:29:01,669 --> 01:29:00,000

father my real parents live in this town

2628

01:29:03,430 --> 01:29:01,679

and they can name all of the all of the

2629

01:29:04,790 --> 01:29:03,440

other previous you know

2630

01:29:06,310 --> 01:29:04,800

family members that were from his

2631

01:29:08,229 --> 01:29:06,320

previous life they take the kid there

2632

01:29:09,669 --> 01:29:08,239

and he just names all of them could tell

2633

01:29:12,709 --> 01:29:09,679

him where the jewels were hidden stuff

2634

01:29:14,790 --> 01:29:12,719

details like that um

2635

01:29:17,669 --> 01:29:14,800

being coronation is and i'm getting off

2636

01:29:19,750 --> 01:29:17,679

the question reincarnation may be real

2637

01:29:21,669 --> 01:29:19,760

evidence points in that direction

2638

01:29:24,310 --> 01:29:21,679

our kids who are talking about imaginary

2639

01:29:25,830 --> 01:29:24,320

friends actually seeing a real being

2640

01:29:27,910 --> 01:29:25,840

that's possible i mean i can't rule that

2641

01:29:29,669 --> 01:29:27,920

out um yeah

2642

01:29:31,189 --> 01:29:29,679

you know definitely

2643

01:29:32,870 --> 01:29:31,199

i personally don't remember seeing

2644

01:29:35,510 --> 01:29:32,880

anything like that in my house but i

2645

01:29:38,790 --> 01:29:35,520

have i have a cousin who said with her

2646

01:29:40,470 --> 01:29:38,800

husband saw a beam of light in her house

2647

01:29:42,950 --> 01:29:40,480

come down from the ceiling i got like

2648

01:29:44,950 --> 01:29:42,960

this wide come down and a being stepped

2649

01:29:47,669 --> 01:29:44,960

out of it halfway

2650

01:29:49,510 --> 01:29:47,679

um in in her mind she said you know what

2651

01:29:50,950 --> 01:29:49,520

at first she was like i want to see you

2652

01:29:51,910 --> 01:29:50,960

she changed her mind i said please i

2653

01:29:53,350 --> 01:29:51,920

don't want to see it and the thing just

2654

01:29:55,510 --> 01:29:53,360

stepped back in and then closed back up

2655

01:29:57,270 --> 01:29:55,520

she said it was her and her husband so

2656

01:29:58,709 --> 01:29:57,280

oh my god

2657

01:30:00,149 --> 01:29:58,719

you know in that house i was always

2658

01:30:02,709 --> 01:30:00,159

afraid to go to that house it was the

2659

01:30:03,910 --> 01:30:02,719

scariest house as a kid oh my god oh my

2660

01:30:06,790 --> 01:30:03,920

god

2661

01:30:09,830 --> 01:30:06,800

that right there is terrifying uh can i

2662

01:30:11,990 --> 01:30:09,840

introduce one quick yeah i'm sorry

2663

01:30:13,750 --> 01:30:12,000

joe back to before you move on on that

2664

01:30:15,430 --> 01:30:13,760

one because i find it really interesting

2665

01:30:16,870 --> 01:30:15,440

i always see kind of back to the

2666

01:30:19,430 --> 01:30:16,880

perspective that we were talking about

2667

01:30:21,430 --> 01:30:19,440

earlier about end of life and being able

2668

01:30:23,990 --> 01:30:21,440

to see things and maybe are not there i

2669

01:30:27,189 --> 01:30:24,000

find it's like the bookends of life at

2670

01:30:29,350 --> 01:30:27,199

the beginning you seem to be very pure

2671

01:30:31,350 --> 01:30:29,360

of mine and i'm wondering that that

2672

01:30:33,990 --> 01:30:31,360

because i was looking into the inner

2673

01:30:37,030 --> 01:30:34,000

reincarnation cases as leslie keene

2674

01:30:39,189 --> 01:30:37,040

surviving death you know daco and stuff

2675

01:30:40,790 --> 01:30:39,199

so i i find those really interesting

2676

01:30:42,790 --> 01:30:40,800

because it's almost like

2677

01:30:46,870 --> 01:30:42,800

at the beginning and at the end

2678

01:30:48,790 --> 01:30:46,880

you gain some clarity of sorts so

2679

01:30:50,470 --> 01:30:48,800

yeah and is that intentional is that so

2680

01:30:52,870 --> 01:30:50,480

we can live our lives without that

2681

01:30:54,390 --> 01:30:52,880

distraction i don't know

2682

01:30:56,790 --> 01:30:54,400

there are other people

2683

01:30:58,709 --> 01:30:56,800

really quick story if you thought that

2684

01:31:00,629 --> 01:30:58,719

was scary here's another one

2685

01:31:03,350 --> 01:31:00,639

my first wife was a natural she was a

2686

01:31:05,590 --> 01:31:03,360

natural psychic and one day i brought

2687

01:31:07,910 --> 01:31:05,600

her to a church it was a it was an

2688

01:31:09,430 --> 01:31:07,920

evangelical i forget what it was but she

2689

01:31:10,790 --> 01:31:09,440

really didn't want to go i dragged her i

2690

01:31:12,149 --> 01:31:10,800

said listen my friend is singing in the

2691

01:31:14,149 --> 01:31:12,159

choir i want you to go with me she's

2692

01:31:16,229 --> 01:31:14,159

like okay so we went and as my friends

2693

01:31:18,790 --> 01:31:16,239

up there singing we're sitting there i

2694

01:31:22,390 --> 01:31:18,800

look over at my wife and she starts

2695

01:31:24,629 --> 01:31:22,400

crying and she looks so scared

2696

01:31:26,390 --> 01:31:24,639

and i'm like what the hell um she's got

2697

01:31:28,390 --> 01:31:26,400

tears coming down she's like

2698

01:31:30,629 --> 01:31:28,400

what tears coming down so

2699

01:31:33,189 --> 01:31:30,639

i waited till afterwards and

2700

01:31:34,550 --> 01:31:33,199

i said well what happened she's like

2701
01:31:35,750 --> 01:31:34,560
she goes

2702
01:31:38,950 --> 01:31:35,760
i saw this

2703
01:31:40,470 --> 01:31:38,960
this really nasty being on the altar and

2704
01:31:42,149 --> 01:31:40,480
it looked at me and it communicated

2705
01:31:43,669 --> 01:31:42,159
telepathically and said

2706
01:31:45,830 --> 01:31:43,679
i know you can see me and there's

2707
01:31:47,590 --> 01:31:45,840
absolutely nothing you can do about it

2708
01:31:49,030 --> 01:31:47,600
and it started gliding and it started

2709
01:31:51,350 --> 01:31:49,040
gliding towards her she said it looked

2710
01:31:52,870 --> 01:31:51,360
reptilian-like started gliding toward

2711
01:31:55,030 --> 01:31:52,880
her and then it just disappeared into

2712
01:31:56,870 --> 01:31:55,040
the preacher or the reverend then that's

2713
01:31:59,750 --> 01:31:56,880

when he went into his spiel pushing for

2714

01:32:01,990 --> 01:31:59,760

money like really exploded wow

2715

01:32:03,030 --> 01:32:02,000

it's like yeah and i i shook his hand

2716

01:32:04,229 --> 01:32:03,040

afterwards and i'm like why didn't you

2717

01:32:06,390 --> 01:32:04,239

tell me this before i shook his hand

2718

01:32:08,390 --> 01:32:06,400

what if the thing was still in him

2719

01:32:10,310 --> 01:32:08,400

um yeah it was and she had experiences

2720

01:32:13,189 --> 01:32:10,320

where we had some confirmation that what

2721

01:32:15,669 --> 01:32:13,199

she saw matched uh real quick it was a

2722

01:32:17,189 --> 01:32:15,679

house where this lady uh it was some we

2723

01:32:19,110 --> 01:32:17,199

were at some new age

2724

01:32:21,110 --> 01:32:19,120

get together and she says she whispers

2725

01:32:22,870 --> 01:32:21,120

she goes i see this really really tall

2726

01:32:26,149 --> 01:32:22,880

native american here like up to the

2727

01:32:28,470 --> 01:32:26,159

ceiling like nine feet tall

2728

01:32:30,550 --> 01:32:28,480

whispers it to me then we meet the owner

2729

01:32:32,790 --> 01:32:30,560

of the house who we didn't know and

2730

01:32:34,229 --> 01:32:32,800

she says so you know you have any spirit

2731

01:32:36,070 --> 01:32:34,239

guides here that's all she said and the

2732

01:32:37,910 --> 01:32:36,080

lady goes oh yeah i have a real really

2733

01:32:39,510 --> 01:32:37,920

tall native american here so it's like

2734

01:32:40,790 --> 01:32:39,520

confirmation

2735

01:32:42,390 --> 01:32:40,800

it doesn't prove anything but it's

2736

01:32:44,790 --> 01:32:42,400

confirmation that maybe what she was

2737

01:32:46,709 --> 01:32:44,800

seeing was in reality some other

2738

01:32:48,870 --> 01:32:46,719

dimension of something so yeah she's had

2739

01:32:51,030 --> 01:32:48,880

other experiences that's trippy it's

2740

01:32:53,669 --> 01:32:51,040

confirmation to me that i'm not going to

2741

01:32:55,590 --> 01:32:53,679

sleep tonight joe mergia and let me tell

2742

01:32:58,790 --> 01:32:55,600

you something man if ever we've had a

2743

01:33:01,910 --> 01:32:58,800

guest that had a mic drop moment times

2744

01:33:04,390 --> 01:33:01,920

three on this show that's you my friend

2745

01:33:05,350 --> 01:33:04,400

thanks guys yeah it's been fun i enjoyed

2746

01:33:07,510 --> 01:33:05,360

it

2747

01:33:10,709 --> 01:33:07,520

that those are mike trout moments let's

2748

01:33:11,830 --> 01:33:10,719

let the the cabbies go round and men uh

2749

01:33:12,629 --> 01:33:11,840

and i'll

2750

01:33:14,870 --> 01:33:12,639

i'll

2751
01:33:16,870 --> 01:33:14,880
i'm gonna i'm i'm still processing the

2752
01:33:19,270 --> 01:33:16,880
story akashi chris

2753
01:33:20,550 --> 01:33:19,280
oh i i just want to say thank you this

2754
01:33:23,110 --> 01:33:20,560
has been just

2755
01:33:25,510 --> 01:33:23,120
at so many levels it's been it's been

2756
01:33:27,510 --> 01:33:25,520
great for me and um getting to know you

2757
01:33:30,229 --> 01:33:27,520
and getting to know your stories and my

2758
01:33:32,149 --> 01:33:30,239
god there's so many you know you got so

2759
01:33:34,790 --> 01:33:32,159
many angles and you've done so many

2760
01:33:37,030 --> 01:33:34,800
things i'm just i i'm just glad you were

2761
01:33:38,950 --> 01:33:37,040
able to stop by and hang out with us

2762
01:33:40,229 --> 01:33:38,960
today and just share your perspectives

2763
01:33:44,310 --> 01:33:40,239

thank you

2764

01:33:45,990 --> 01:33:44,320

yeah i would echo that too joe i um

2765

01:33:49,830 --> 01:33:46,000

i always look forward to your

2766

01:33:50,709 --> 01:33:49,840

transcriptions and i do read your blog

2767

01:33:59,750 --> 01:33:50,719

i

2768

01:34:00,950 --> 01:33:59,760

um

2769

01:34:02,390 --> 01:34:00,960

i think

2770

01:34:03,669 --> 01:34:02,400

you know folks that have studied this

2771

01:34:05,110 --> 01:34:03,679

the longest

2772

01:34:07,350 --> 01:34:05,120

and you look at jacques fillet as a

2773

01:34:08,950 --> 01:34:07,360

great example yeah they don't land on

2774

01:34:10,709 --> 01:34:08,960

easy conclusions and i think that's

2775

01:34:12,070 --> 01:34:10,719

telling us something so you know i

2776

01:34:14,470 --> 01:34:12,080

applaud you for the work that you're

2777

01:34:17,510 --> 01:34:14,480

doing for really trying to suss out the

2778

01:34:19,669 --> 01:34:17,520

truth here and you know as well as

2779

01:34:21,430 --> 01:34:19,679

anyone how much it takes a group of

2780

01:34:22,310 --> 01:34:21,440

people to to figure this out it's a team

2781

01:34:25,030 --> 01:34:22,320

effort

2782

01:34:27,669 --> 01:34:25,040

and i hope you can count on us

2783

01:34:29,750 --> 01:34:27,679

as uh as allies in that effort if you

2784

01:34:33,270 --> 01:34:29,760

need anything just give us a shout

2785

01:34:34,550 --> 01:34:33,280

yeah great thank you thank you nathan

2786

01:34:38,070 --> 01:34:34,560

debs

2787

01:34:40,629 --> 01:34:38,080

um i wanted to say thank you also

2788

01:34:42,709 --> 01:34:40,639

not only for coming to talk to us but

2789

01:34:45,109 --> 01:34:42,719

for the people out there that i hear

2790

01:34:47,750 --> 01:34:45,119

from who are always praising your work

2791

01:34:49,990 --> 01:34:47,760

and saying go check out what he's got

2792

01:34:52,550 --> 01:34:50,000

you know and some of those people don't

2793

01:34:55,590 --> 01:34:52,560

have access to some materials that

2794

01:34:57,430 --> 01:34:55,600

you're providing transcripts for so

2795

01:35:03,350 --> 01:34:57,440

thank you very much

2796

01:35:03,360 --> 01:35:05,990

hi

2797

01:35:09,590 --> 01:35:07,830

is it my turn

2798

01:35:11,830 --> 01:35:09,600

okay i always got to make it awkward

2799

01:35:14,070 --> 01:35:11,840

back to you flair

2800

01:35:15,510 --> 01:35:14,080

well leo thank you for your content and

2801
01:35:17,270 --> 01:35:15,520
that's been a great episode either i had

2802
01:35:19,270 --> 01:35:17,280
a great time listening to you yeah

2803
01:35:21,830 --> 01:35:19,280
you're very insightful i appreciate all

2804
01:35:23,510 --> 01:35:21,840
the work since the 90s so i guess i've

2805
01:35:25,430 --> 01:35:23,520
got a lot to catch up as far as your

2806
01:35:26,830 --> 01:35:25,440
work i've got a lot of reading to do so

2807
01:35:29,750 --> 01:35:26,840
thank you for all

2808
01:35:31,350 --> 01:35:29,760
that it's one good thing about having an

2809
01:35:34,310 --> 01:35:31,360
obsessed obsessive compulsive

2810
01:35:36,390 --> 01:35:34,320
personality is this like obsessed over a

2811
01:35:38,870 --> 01:35:36,400
topic and stick with it yeah this has

2812
01:35:40,950 --> 01:35:38,880
been great man great discussion thanks

2813
01:35:41,750 --> 01:35:40,960

thank you

2814

01:35:43,830 --> 01:35:41,760

joe

2815

01:35:46,310 --> 01:35:43,840

you know we're basically like babes in

2816

01:35:49,590 --> 01:35:46,320

the woods compared to you i mean

2817

01:35:52,470 --> 01:35:49,600

we are in the infant stage of studying

2818

01:35:54,229 --> 01:35:52,480

this topic everybody on this panel is

2819

01:35:56,550 --> 01:35:54,239

compared to you i mean you're in this

2820

01:35:58,149 --> 01:35:56,560

over 20 years and that's why you're like

2821

01:35:59,910 --> 01:35:58,159

five more years you're like five years

2822

01:36:01,669 --> 01:35:59,920

ago i was thinking you know we might see

2823

01:36:04,070 --> 01:36:01,679

something in ten years i mean

2824

01:36:06,390 --> 01:36:04,080

so you you do add an incredible

2825

01:36:07,270 --> 01:36:06,400

perspective you have that og quality if

2826

01:36:09,990 --> 01:36:07,280

you will

2827

01:36:12,629 --> 01:36:10,000

that we don't have and we're extremely

2828

01:36:14,950 --> 01:36:12,639

grateful that you would come and share

2829

01:36:18,470 --> 01:36:14,960

as nathan said your wisdom and your

2830

01:36:20,149 --> 01:36:18,480

knowledge uh with us uh on uh when

2831

01:36:22,950 --> 01:36:20,159

people join us kind of we think they're

2832

01:36:25,510 --> 01:36:22,960

joining the cab family uh it's a it's a

2833

01:36:27,430 --> 01:36:25,520

welcoming sort of love environment if

2834

01:36:29,510 --> 01:36:27,440

you will some people might think that

2835

01:36:31,910 --> 01:36:29,520

sounds stupid that's okay

2836

01:36:34,310 --> 01:36:31,920

um and so we're greatly greatly

2837

01:36:36,310 --> 01:36:34,320

appreciative that you decided that uh

2838

01:36:38,790 --> 01:36:36,320

you would come in and share your

2839

01:36:39,830 --> 01:36:38,800

knowledge with us and uh i think we have

2840

01:36:42,870 --> 01:36:39,840

plenty

2841

01:36:44,149 --> 01:36:42,880

of meat on the bone for a round two in

2842

01:36:46,229 --> 01:36:44,159

in the future

2843

01:36:48,229 --> 01:36:46,239

so yeah definitely thanks thanks for

2844

01:36:49,910 --> 01:36:48,239

inviting me and sticking with it because

2845

01:36:52,149 --> 01:36:49,920

i was not responding because i was kind

2846

01:36:53,669 --> 01:36:52,159

of trying to cut back on shows because i

2847

01:36:55,109 --> 01:36:53,679

never have enough time to even work on

2848

01:36:56,870 --> 01:36:55,119

transcripts because they

2849

01:36:58,310 --> 01:36:56,880

take so long so yeah thank you for

2850

01:37:00,149 --> 01:36:58,320

sticking with it i'm glad i did it you

2851

01:37:02,790 --> 01:37:00,159

guys are great

2852

01:37:03,750 --> 01:37:02,800

it was an honor for uh nathan for akashi

2853

01:37:06,229 --> 01:37:03,760

chris

2854

01:37:07,350 --> 01:37:06,239

for kevin and for debs this is dj saying

2855

01:37:10,709 --> 01:37:07,360

peace out

2856

01:37:12,700 --> 01:37:10,719

one love and we'll see you down the road

2857

01:37:39,270 --> 01:37:12,710

peace
