we're just coming into spring here and

40

00:02:26,229 --> 00:02:22,879

i'm excited to uh talk about some stuff

41

00:02:27,990 --> 00:02:26,239

that i'm uh working on right now oh well

42

00:02:29,270 --> 00:02:28,000

we're gonna have to get right up into it

43

00:02:31,830 --> 00:02:29,280

to have you with us and i thank you to

47

00:02:39,190 --> 00:02:37,200

all those who are listening uh live on

48

00:02:40,869 --> 00:02:39,200

youtube right now or whoever might be

49

00:02:42,229 --> 00:02:40,879

listening later in the future grant

50

00:02:44,229 --> 00:02:42,239

you've got you've been in this game for

51
00:02:48,070 --> 00:02:44,239
a long time you've been uh researching

52
00:02:49,509 --> 00:02:48,080
for over 40 years uh starting out with

53
00:02:51,589 --> 00:02:49,519
something that kind of catapulted you

54
00:02:53,830 --> 00:02:51,599
into the topic your own experience

55
00:02:56,070 --> 00:02:53,840
in canada uh kind of a nuts and bolts

56
00:02:58,309 --> 00:02:56,080
researcher for many years um also

57
00:03:00,390 --> 00:02:58,319
focusing heavily on kind of the secret

58
00:03:02,149 --> 00:03:00,400
keepers and how the and who was given

59
00:03:04,070 --> 00:03:02,159
the information the white house ufo

60
00:03:05,830 --> 00:03:04,080
angle but then you had a as i understand

61
00:03:08,869 --> 00:03:05,840
it a pretty transformative experience in

62
00:03:10,869 --> 00:03:08,879
2012 that really kind of shifted gears

63
00:03:13,509 --> 00:03:10,879

for you into the into looking at it from

64

00:03:15,750 --> 00:03:13,519

the consciousness aspect and we see that

65

00:03:17,990 --> 00:03:15,760

in a lot of places now as well i would

66

00:03:19,670 --> 00:03:18,000

like i would love to hear kind of just

67

00:03:21,910 --> 00:03:19,680

your perspective looking back on that

68

00:03:25,350 --> 00:03:21,920

journey and and why consciousness itself

69

00:03:27,430 --> 00:03:25,360

is such a big focus for you right now

70

00:03:29,830 --> 00:03:27,440

um well yeah it's been a long trip it's

71

00:03:31,750 --> 00:03:29,840

been almost 50 years basically my whole

72

00:03:33,270 --> 00:03:31,760

life when i had the experience i

73

00:03:38,149 --> 00:03:33,280

basically

74

00:03:39,750 --> 00:03:38,159

quit university i kept going to

75

00:03:41,350 --> 00:03:39,760

university but i was just really not

76

00:03:43,270 --> 00:03:41,360

interested anymore

77

00:03:44,869 --> 00:03:43,280

and really didn't

78

00:03:46,390 --> 00:03:44,879

know what i was doing in university or

79

00:03:48,149 --> 00:03:46,400

what i was going to make money i was

80

00:03:50,390 --> 00:03:48,159

going to make money with all this stuff

81

00:03:52,309 --> 00:03:50,400

but um i had the experience as you

82

00:03:54,390 --> 00:03:52,319

mentioned which was very transformative

83

00:03:56,070 --> 00:03:54,400

it was uh it's the old story that once

84

00:03:58,470 --> 00:03:56,080

you have the experience

85

00:03:59,990 --> 00:03:58,480

it's like um

86

00:04:01,990 --> 00:04:00,000

you're sort of you're down the rabbit

87

00:04:03,429 --> 00:04:02,000

hole and we stay over the years we'd

88

00:04:05,429 --> 00:04:03,439

have a lot of people who'd say oh the

89

00:04:07,030 --> 00:04:05,439

guy's quit he's he's never coming back

90

00:04:08,710 --> 00:04:07,040

and we always go yeah don't worry he's

91

00:04:10,470 --> 00:04:08,720

coming back no nobody gets out of this

92

00:04:13,030 --> 00:04:10,480

thing and it's like it's that kind of

93

00:04:14,710 --> 00:04:13,040

thing where you can't really shake it

94

00:04:16,069 --> 00:04:14,720

you know people get divorced you have

95

00:04:18,229 --> 00:04:16,079

all sorts of problems they can't deal

96

00:04:19,349 --> 00:04:18,239

with people because they're different

97

00:04:20,229 --> 00:04:19,359

people

98

00:04:21,509 --> 00:04:20,239

and

99

00:04:23,030 --> 00:04:21,519

i thought i sort of knew what was going

100

00:04:24,870 --> 00:04:23,040

on i was doing what everybody else is

101

00:04:26,390 --> 00:04:24,880

doing now is this

102

00:04:27,510 --> 00:04:26,400

sort of nuts and bolts aspect i was

103

00:04:29,350 --> 00:04:27,520

chasing the president of the united

104

00:04:31,510 --> 00:04:29,360

states because when i had my experience

105

00:04:33,350 --> 00:04:31,520

the first night i saw it it was

106

00:04:34,629 --> 00:04:33,360

very very

107

00:04:35,749 --> 00:04:34,639

sort of like it fell off the edge of the

108

00:04:37,030 --> 00:04:35,759

earth i couldn't believe what i was

109

00:04:38,150 --> 00:04:37,040

seeing

110

00:04:41,590 --> 00:04:38,160

and then

111

00:04:42,870 --> 00:04:41,600

the second night it came directly at us

112

00:04:44,870 --> 00:04:42,880

and this is not a light in the sky this

113

00:04:47,270 --> 00:04:44,880

is an object it was in pretty close came

114

00:04:48,950 --> 00:04:47,280

right at us and made this left-hand turn

115

00:04:50,710 --> 00:04:48,960

and i remember as it was flying off into

116

00:04:52,629 --> 00:04:50,720

the north i said to myself

117

00:04:54,469 --> 00:04:52,639

what's it doing it's not doing anything

118

00:04:57,350 --> 00:04:54,479

it was just it was so weird it's like it

119

00:05:00,310 --> 00:04:57,360

came to carmen manitoba canada which is

120

00:05:02,469 --> 00:05:00,320

like the middle of nowhere like what the

121

00:05:05,029 --> 00:05:02,479

heck is it doing in carmen and i could

122

00:05:06,390 --> 00:05:05,039

not figure it out later we had this idea

123

00:05:08,629 --> 00:05:06,400

that had something to do with nuclear

124

00:05:10,150 --> 00:05:08,639

weapons and stuff but in in the end

125

00:05:12,469 --> 00:05:10,160

result i thought it had to do with me

126
00:05:14,310 --> 00:05:12,479
because there was a film that was taken

127
00:05:15,990 --> 00:05:14,320
if you're familiar with the the

128
00:05:18,550 --> 00:05:16,000
description of the nimitz

129
00:05:20,469 --> 00:05:18,560
um encounter where it drops from 80 000

130
00:05:21,590 --> 00:05:20,479
feet down to sea level in 7 8 of a

131
00:05:24,469 --> 00:05:21,600
second

132
00:05:25,430 --> 00:05:24,479
well what got me involved was a tv crew

133
00:05:27,749 --> 00:05:25,440
from

134
00:05:30,790 --> 00:05:27,759
cky which is a tv studio here in

135
00:05:32,310 --> 00:05:30,800
winnipeg i'd gone out to film this thing

136
00:05:33,270 --> 00:05:32,320
and they caught it jumping from the

137
00:05:36,390 --> 00:05:33,280
ground

138
00:05:38,950 --> 00:05:36,400

to 5 000 feet in the air in 1 8 of a

139

00:05:40,790 --> 00:05:38,960

second and they caught on now this film

140

00:05:42,230 --> 00:05:40,800

is around jail and hanek got two copies

141

00:05:44,230 --> 00:05:42,240

it sort of has disappeared there's

142

00:05:45,749 --> 00:05:44,240

there's one copy if you look at the

143

00:05:48,790 --> 00:05:45,759

documentary

144

00:05:51,110 --> 00:05:48,800

um ufo cover up live it's in there

145

00:05:54,710 --> 00:05:51,120

no not no it's in um no it's in

146

00:05:57,270 --> 00:05:54,720

ufo um ufos it has begun jacques valet

147

00:05:58,790 --> 00:05:57,280

actually narrates it 1979 it's in the

148

00:06:00,790 --> 00:05:58,800

film is in there

149

00:06:03,430 --> 00:06:00,800

anyway so i had this and i was chasing

150

00:06:05,670 --> 00:06:03,440

and i said what's it doing you know and

151
00:06:06,870 --> 00:06:05,680
and i wrote a book nobody was interested

152
00:06:09,029 --> 00:06:06,880
in the book

153
00:06:10,710 --> 00:06:09,039
and um then i said okay this exciting

154
00:06:12,390 --> 00:06:10,720
stuff is a bunch of garbage and still i

155
00:06:14,390 --> 00:06:12,400
believe a bunch of garbage it will tell

156
00:06:16,550 --> 00:06:14,400
you basically that ufos are here

157
00:06:19,430 --> 00:06:16,560
something's going on i even just got a

158
00:06:22,230 --> 00:06:19,440
160 pages from transport canada here in

159
00:06:24,230 --> 00:06:22,240
canada 160 pages of ufo sightings

160
00:06:25,990 --> 00:06:24,240
nobody's asked for me for them i read

161
00:06:27,749 --> 00:06:26,000
about two pages and got bored with it it

162
00:06:28,950 --> 00:06:27,759
was like same old thing lights in the

163
00:06:30,309 --> 00:06:28,960

sky

164

00:06:32,150 --> 00:06:30,319

jets were scrambled they didn't see

165

00:06:33,270 --> 00:06:32,160

anything and it's like you know we had a

166

00:06:36,309 --> 00:06:33,280

million sightings now we've got a

167

00:06:37,350 --> 00:06:36,319

million and a million and 160 sightings

168

00:06:39,189 --> 00:06:37,360

so i

169

00:06:40,469 --> 00:06:39,199

i sort of got depressed after nobody was

170

00:06:41,990 --> 00:06:40,479

interested in all these sightings

171

00:06:45,270 --> 00:06:42,000

there's a lot of sightings in this town

172

00:06:46,629 --> 00:06:45,280

that that i had the experience in and um

173

00:06:47,990 --> 00:06:46,639

nobody would publish it so i said okay

174

00:06:49,990 --> 00:06:48,000

that's it with settings i i'm just gonna

175

00:06:52,390 --> 00:06:50,000

i i want to know what was that thing

176
00:06:53,990 --> 00:06:52,400
doing in carmen and what's what's going

177
00:06:55,510 --> 00:06:54,000
on here what is this thing so i started

178
00:06:57,189 --> 00:06:55,520
this pursuit where i chased the canadian

179
00:06:58,790 --> 00:06:57,199
government then it went to the former

180
00:07:00,870 --> 00:06:58,800
president of penn state university who

181
00:07:03,189 --> 00:07:00,880
actually knew what was going on

182
00:07:05,749 --> 00:07:03,199
and uh people like kid green went after

183
00:07:07,430 --> 00:07:05,759
him as uh hell put off went after him we

184
00:07:09,189 --> 00:07:07,440
were the first to deal with this guy and

185
00:07:11,110 --> 00:07:09,199
he basically talked in rhymes and

186
00:07:12,469 --> 00:07:11,120
riddles to us about uh why should we

187
00:07:14,469 --> 00:07:12,479
change the rules to satisfy your

188
00:07:15,909 --> 00:07:14,479

curiosity he knew exactly how this thing

189

00:07:18,070 --> 00:07:15,919

had been set up he was there when he got

190

00:07:19,189 --> 00:07:18,080

set up he had 14 honor doctor degrees

191

00:07:21,350 --> 00:07:19,199

chairman of the board of the institute

192

00:07:22,469 --> 00:07:21,360

for defense analysis and i'm chasing

193

00:07:23,510 --> 00:07:22,479

this whole story and i'm trying to

194

00:07:25,270 --> 00:07:23,520

figure out somebody's got to know what's

195

00:07:26,469 --> 00:07:25,280

going on here and that led me to the

196

00:07:27,670 --> 00:07:26,479

president of the united states and

197

00:07:29,189 --> 00:07:27,680

that's where i figured while the

198

00:07:30,629 --> 00:07:29,199

president's the most powerful guy in the

199

00:07:31,990 --> 00:07:30,639

world i mean he's got all these

200

00:07:32,790 --> 00:07:32,000

clearances they're checking all the

201

00:07:34,629 --> 00:07:32,800

stuff they got to be telling the

202

00:07:37,270 --> 00:07:34,639

president what's going on so i chased

203

00:07:38,469 --> 00:07:37,280

the presidents for well i actually i'm

204

00:07:39,990 --> 00:07:38,479

still chasing them because i've just

205

00:07:41,589 --> 00:07:40,000

filed all the

206

00:07:43,430 --> 00:07:41,599

freedom information act requests with

207

00:07:45,270 --> 00:07:43,440

the obama administration that just came

208

00:07:47,430 --> 00:07:45,280

forward last month

209

00:07:49,510 --> 00:07:47,440

january 21st you could file for the

210

00:07:52,390 --> 00:07:49,520

material so i filed

211

00:07:54,710 --> 00:07:52,400

about 30 foia requests for obama because

212

00:07:57,350 --> 00:07:54,720

obama was by far and away the biggest

213

00:07:59,589 --> 00:07:57,360

president on ufos all the names tell me

214

00:08:01,430 --> 00:07:59,599

about this story tell me about jason or

215

00:08:03,510 --> 00:08:01,440

jaden smith what happened there in the

216

00:08:05,990 --> 00:08:03,520

in the situation room all these these

217

00:08:07,110 --> 00:08:06,000

sort of stories where obama talks about

218

00:08:10,869 --> 00:08:07,120

ufos

219

00:08:13,510 --> 00:08:10,879

and um then in in 2012 as you're saying

220

00:08:14,790 --> 00:08:13,520

i i basically got

221

00:08:16,390 --> 00:08:14,800

everything flipped around for me i was

222

00:08:17,909 --> 00:08:16,400

sort of like spinning my wheels like i

223

00:08:19,510 --> 00:08:17,919

think the vast majority of the ufo

224

00:08:21,589 --> 00:08:19,520

community is doing just sort of

225

00:08:23,670 --> 00:08:21,599

gathering material really not knowing

226

00:08:25,830 --> 00:08:23,680

what's going on and it was there where i

227

00:08:27,510 --> 00:08:25,840

was i was at a lecture in phoenix

228

00:08:29,510 --> 00:08:27,520

arizona where colin andrews was talking

229

00:08:31,350 --> 00:08:29,520

about the crop circles and he's the guy

230

00:08:33,509 --> 00:08:31,360

that invented the term crop circle saw

231

00:08:35,750 --> 00:08:33,519

the first one in 1982

232

00:08:37,670 --> 00:08:35,760

uh you know chased this whole thing

233

00:08:39,589 --> 00:08:37,680

and basically came to this conclusion he

234

00:08:41,990 --> 00:08:39,599

had rockefeller gave him money and they

235

00:08:43,670 --> 00:08:42,000

they investigated people who had done

236

00:08:45,829 --> 00:08:43,680

the hoaxes on crop circles and they'd

237

00:08:47,110 --> 00:08:45,839

run around and talk to these guys and he

238

00:08:48,389 --> 00:08:47,120

came to this conclusion that eight

239

00:08:50,470 --> 00:08:48,399

twenty percent of crop circles were

240

00:08:52,230 --> 00:08:50,480

legitimate eighty percent were hoaxes

241

00:08:53,990 --> 00:08:52,240

but in this lecture what he was saying

242

00:08:55,030 --> 00:08:54,000

was well the people that were doing the

243

00:08:57,190 --> 00:08:55,040

hoaxes

244

00:08:59,190 --> 00:08:57,200

actually got this idea in their head

245

00:09:00,470 --> 00:08:59,200

and so the beings were actually creating

246

00:09:01,190 --> 00:09:00,480

the crop circles from the hoaxers as

247

00:09:02,630 --> 00:09:01,200

well they're telling the whole

248

00:09:05,670 --> 00:09:02,640

experience

249

00:09:07,350 --> 00:09:05,680

so so that was the lecture and it was i

250

00:09:08,870 --> 00:09:07,360

wrote a book called contact modalities

251

00:09:10,550 --> 00:09:08,880

where i talk about the fact that i

252

00:09:12,310 --> 00:09:10,560

believe that all the materials in the

253

00:09:13,590 --> 00:09:12,320

field forty percent of all ufo

254

00:09:15,030 --> 00:09:13,600

experiencers will say at one point

255

00:09:17,030 --> 00:09:15,040

during their experience they knew the

256

00:09:19,269 --> 00:09:17,040

answer to everything in the universe uh

257

00:09:20,389 --> 00:09:19,279

near-death experience people 31 at one

258

00:09:21,910 --> 00:09:20,399

point during their experience say they

259

00:09:23,430 --> 00:09:21,920

knew the answer to everything universe

260

00:09:25,430 --> 00:09:23,440

so the whole concept in contact

261

00:09:27,350 --> 00:09:25,440

modalities is that all the material is

262

00:09:28,949 --> 00:09:27,360

there it's the ability to access the

263

00:09:30,310 --> 00:09:28,959

field get in there get the material and

264

00:09:32,150 --> 00:09:30,320

come back up whether you're doing

265

00:09:34,150 --> 00:09:32,160

channeling whether you're doing uh you

266

00:09:35,269 --> 00:09:34,160

know near-death experience psychedelics

267

00:09:36,550 --> 00:09:35,279

whatever you're doing you're going in

268

00:09:39,030 --> 00:09:36,560

the field you're getting getting

269

00:09:41,670 --> 00:09:39,040

whatever you can and bringing it back

270

00:09:44,630 --> 00:09:41,680

so i i had the contact modality i always

271

00:09:46,070 --> 00:09:44,640

used as zoning out i ran uh

272

00:09:47,670 --> 00:09:46,080

dj was talking about running i was just

273

00:09:50,389 --> 00:09:47,680

running earlier

274

00:09:52,150 --> 00:09:50,399

an hour ago i came back and so what i do

275

00:09:53,509 --> 00:09:52,160

is i do a lot of walking and i do a lot

276

00:09:56,389 --> 00:09:53,519

of uh

277

00:09:58,310 --> 00:09:56,399

running i'll do three three hours a day

278

00:10:01,509 --> 00:09:58,320

and basically that's when i zone out and

279

00:10:04,230 --> 00:10:01,519

that's when i get all sorts of uh um

280

00:10:06,790 --> 00:10:04,240

insights and i call them sort of uh it's

281

00:10:08,150 --> 00:10:06,800

like a flow state where i know i know to

282

00:10:10,150 --> 00:10:08,160

get the pen out i know i'm in a flow

283

00:10:11,750 --> 00:10:10,160

state and stuff starts to come to me

284

00:10:14,150 --> 00:10:11,760

and so

285

00:10:15,990 --> 00:10:14,160

what happened was that i was into colin

286

00:10:19,910 --> 00:10:16,000

andrews lecture and one of the contact

287

00:10:21,990 --> 00:10:19,920

modalities is uh daydreaming so you'll

288

00:10:23,269 --> 00:10:22,000

find that when you're in a in a lecture

289

00:10:24,790 --> 00:10:23,279

like this where i wasn't interested in

290

00:10:26,949 --> 00:10:24,800

crop circles the only reason i went into

291

00:10:28,389 --> 00:10:26,959

the lecture was because colin anders was

292

00:10:29,750 --> 00:10:28,399

this famous crop circle guy and i

293

00:10:31,190 --> 00:10:29,760

figured well and there's this big

294

00:10:33,269 --> 00:10:31,200

controversy about the fact that he said

295

00:10:35,030 --> 00:10:33,279

80 of all crop circles were hoaxed

296

00:10:36,630 --> 00:10:35,040

people were booing him and they were you

297

00:10:37,910 --> 00:10:36,640

know he was having a real hard time so i

298

00:10:39,670 --> 00:10:37,920

said i should go watch this lecture and

299

00:10:41,030 --> 00:10:39,680

i go i really are not in now i'm going

300

00:10:42,389 --> 00:10:41,040

to go no i'm not going to go so i

301

00:10:44,230 --> 00:10:42,399

finally said okay i'm going to go into

302

00:10:46,470 --> 00:10:44,240

the lecture because this is at ufo

303

00:10:48,389 --> 00:10:46,480

congress in the days when it was eight

304

00:10:49,670 --> 00:10:48,399

days long and you go to some lectures

305

00:10:52,230 --> 00:10:49,680

you don't go to some lectures it goes on

306

00:10:53,990 --> 00:10:52,240

forever day day and night for for a week

307

00:10:55,269 --> 00:10:54,000

so i decided okay i'll go in there i

308

00:10:56,389 --> 00:10:55,279

wasn't interested i was sitting there

309

00:10:58,150 --> 00:10:56,399

i'm thinking about oh i'm gonna go

310

00:11:00,470 --> 00:10:58,160

across the bullhead city

311

00:11:02,150 --> 00:11:00,480

arizona and i'm gonna go to the library

312

00:11:03,670 --> 00:11:02,160

and maybe i'll go for coffee and i'm

313

00:11:05,190 --> 00:11:03,680

thinking of all these other things and i

314

00:11:06,710 --> 00:11:05,200

zoned out i wasn't paying attention to

315

00:11:08,949 --> 00:11:06,720

the lecture and that's when it came to

316

00:11:11,509 --> 00:11:08,959

me and it was nothing new

317

00:11:13,350 --> 00:11:11,519

a lot of these flow states downloads

318

00:11:16,150 --> 00:11:13,360

whatever you want to call them come to

319

00:11:17,590 --> 00:11:16,160

people when for for example the the

320

00:11:19,350 --> 00:11:17,600

laser came like this and so did the

321

00:11:20,949 --> 00:11:19,360

hologram both the guys won the nobel

322

00:11:21,910 --> 00:11:20,959

prize where they worked on the problem

323

00:11:22,790 --> 00:11:21,920

they worked on the problem they worked

324

00:11:24,310 --> 00:11:22,800

on the problem they couldn't figure it

325

00:11:25,829 --> 00:11:24,320

out couldn't figure it out and they went

326

00:11:27,030 --> 00:11:25,839

and the one guy towns was sitting

327

00:11:28,870 --> 00:11:27,040

outside a restaurant waiting for the

328

00:11:30,230 --> 00:11:28,880

restaurant to open on a park bench and

329

00:11:31,670 --> 00:11:30,240

suddenly the idea just popped in his

330

00:11:33,910 --> 00:11:31,680

head just everything came together

331

00:11:35,269 --> 00:11:33,920

instantaneously and the guy who did the

332

00:11:37,590 --> 00:11:35,279

the um the

333

00:11:39,350 --> 00:11:37,600

gabor who did the hologram was sitting

334

00:11:40,310 --> 00:11:39,360

there watching people play tennis same

335

00:11:41,990 --> 00:11:40,320

thing he was trying to figure it out

336

00:11:43,350 --> 00:11:42,000

trying to figure it out was sitting

337

00:11:45,590 --> 00:11:43,360

there watching these people pay tennis

338

00:11:47,670 --> 00:11:45,600

and quieted the left brain the rational

339

00:11:49,269 --> 00:11:47,680

analytical brain which is causing the

340

00:11:50,870 --> 00:11:49,279

noise in the signal the signal is there

341

00:11:53,030 --> 00:11:50,880

for everybody but it's the left brain is

342

00:11:54,310 --> 00:11:53,040

causing this thing in the signal so i'm

343

00:11:56,110 --> 00:11:54,320

zoning out i'm not really paying

344

00:11:58,230 --> 00:11:56,120

attention and it just boom boom is it

345

00:12:00,069 --> 00:11:58,240

instantaneously three things came into

346

00:12:01,670 --> 00:12:00,079

my head all at the same time and they

347

00:12:05,190 --> 00:12:01,680

all had to do with consciousness and

348

00:12:06,230 --> 00:12:05,200

ufos and one was in 1950 the canadian

349

00:12:07,750 --> 00:12:06,240

government

350

00:12:09,590 --> 00:12:07,760

wilbur brockhouse smith who was running

351
00:12:11,350 --> 00:12:09,600
the program had gone to the americans

352
00:12:13,190 --> 00:12:11,360
and he'd asked the american officials

353
00:12:15,269 --> 00:12:13,200
not people on the street not ordinary

354
00:12:16,949 --> 00:12:15,279
people officials and he'd written his

355
00:12:18,550 --> 00:12:16,959
top secret memo and he said we were told

356
00:12:21,190 --> 00:12:18,560
by american officials the following

357
00:12:22,710 --> 00:12:21,200
things number one flying saucers exist

358
00:12:24,230 --> 00:12:22,720
it's the most highly classified subject

359
00:12:25,990 --> 00:12:24,240
in the united states there's a small

360
00:12:27,910 --> 00:12:26,000
group headed by dr van de ver bush you're

361
00:12:29,509 --> 00:12:27,920
trying to figure out the modus operandi

362
00:12:31,190 --> 00:12:29,519
the subject is of tremendous

363
00:12:32,470 --> 00:12:31,200

significance to the americans and then

364

00:12:34,150 --> 00:12:32,480

the line that came into my head

365

00:12:35,990 --> 00:12:34,160

instantaneously after that was the very

366

00:12:38,069 --> 00:12:36,000

next line in the document which said we

367

00:12:40,310 --> 00:12:38,079

were also told by american officials

368

00:12:42,710 --> 00:12:40,320

that other things might be associated

369

00:12:44,629 --> 00:12:42,720

with the flying saucers such as mental

370

00:12:45,670 --> 00:12:44,639

phenomena and the americans aren't doing

371

00:12:47,350 --> 00:12:45,680

very well because they've said if

372

00:12:48,949 --> 00:12:47,360

they're if we're working on the problem

373

00:12:51,910 --> 00:12:48,959

they're willing to exchange credentials

374

00:12:54,949 --> 00:12:51,920

and talk to us the thing is the mk ultra

375

00:12:56,870 --> 00:12:54,959

started six months later after that

376

00:12:59,430 --> 00:12:56,880

statement in the top secret

377

00:13:01,910 --> 00:12:59,440

memo it happened in montreal in a hotel

378

00:13:05,430 --> 00:13:01,920

in montreal canada 60 miles down the

379

00:13:07,990 --> 00:13:05,440

road from ottawa and dr oman salant who

380

00:13:09,670 --> 00:13:08,000

was in the ufo program was in that

381

00:13:11,750 --> 00:13:09,680

meeting with the cia and with the

382

00:13:13,430 --> 00:13:11,760

british and with the mk ultra and mk

383

00:13:14,790 --> 00:13:13,440

ultra was the whole deal is

384

00:13:16,150 --> 00:13:14,800

consciousness is important we got to

385

00:13:17,269 --> 00:13:16,160

figure out how this thing works and they

386

00:13:18,949 --> 00:13:17,279

were working on consciousness they

387

00:13:20,389 --> 00:13:18,959

weren't they're working on maybe

388

00:13:22,230 --> 00:13:20,399

brainwashing is part of it but it was

389

00:13:24,470 --> 00:13:22,240

this whole idea that they knew because

390

00:13:26,470 --> 00:13:24,480

the whole idea was 1950 nobody had

391

00:13:27,910 --> 00:13:26,480

talked to an alien yet a damskin

392

00:13:30,629 --> 00:13:27,920

williamson would not come forward until

393

00:13:32,470 --> 00:13:30,639

1952. so how did anybody know that

394

00:13:34,710 --> 00:13:32,480

telepathy that mental phenomena was

395

00:13:37,269 --> 00:13:34,720

involved the american officials

396

00:13:39,030 --> 00:13:37,279

probably had a live alien from roswell

397

00:13:41,110 --> 00:13:39,040

they realized there was no steering

398

00:13:42,310 --> 00:13:41,120

wheel in the craft you you don't fly it

399

00:13:43,910 --> 00:13:42,320

that way and they realized there was

400

00:13:45,910 --> 00:13:43,920

some sort of mental component to flying

401
00:13:47,990 --> 00:13:45,920
the craft that's why in 1950 they

402
00:13:49,189 --> 00:13:48,000
already knew that mental phenomena is

403
00:13:51,030 --> 00:13:49,199
involved they couldn't figure it out and

404
00:13:52,230 --> 00:13:51,040
they still can't really figure it out so

405
00:13:53,430 --> 00:13:52,240
that was the first thing it came ahead

406
00:13:55,110 --> 00:13:53,440
the second thing came into my head was

407
00:13:57,430 --> 00:13:55,120
dr eric walker where i mentioned one of

408
00:13:59,829 --> 00:13:57,440
the guys we chased for eight years very

409
00:14:02,150 --> 00:13:59,839
very powerful guy worked with uh

410
00:14:04,870 --> 00:14:02,160
did an engineering study for president

411
00:14:06,230 --> 00:14:04,880
eisenhower very very powerful guy and he

412
00:14:09,670 --> 00:14:06,240
said at one point we're talking about

413
00:14:12,389 --> 00:14:09,680

the mk mj um

414

00:14:14,710 --> 00:14:12,399

mj12 and we're asking him are there

415

00:14:16,629 --> 00:14:14,720

still just 12 guys or and is it just an

416

00:14:18,629 --> 00:14:16,639

american group or is it international

417

00:14:19,670 --> 00:14:18,639

and he says hey let me ask you a

418

00:14:21,670 --> 00:14:19,680

question

419

00:14:22,710 --> 00:14:21,680

but you nobody sp

420

00:14:23,990 --> 00:14:22,720

and

421

00:14:25,910 --> 00:14:24,000

what do you know about the seventh cent

422

00:14:27,350 --> 00:14:25,920

what do you know about esp and the guy

423

00:14:28,710 --> 00:14:27,360

who was interviewed from great britain

424

00:14:32,310 --> 00:14:28,720

really didn't have an answer and he said

425

00:14:34,310 --> 00:14:32,320

look unless you understand about esp

426

00:14:36,629 --> 00:14:34,320

and how it works you will not be taken

427

00:14:39,269 --> 00:14:36,639

in by the control group very few people

428

00:14:40,629 --> 00:14:39,279

understand how this works and so there

429

00:14:42,389 --> 00:14:40,639

and and we didn't know at the time that

430

00:14:44,389 --> 00:14:42,399

was 1991 i had no idea what he was

431

00:14:46,470 --> 00:14:44,399

talking about and suddenly in 2012 in

432

00:14:47,910 --> 00:14:46,480

this call and honors lecture i go oh

433

00:14:49,189 --> 00:14:47,920

now i know what walker that's what he

434

00:14:50,710 --> 00:14:49,199

meant that's what he was talking about

435

00:14:52,069 --> 00:14:50,720

it was the same thing as this mental

436

00:14:54,069 --> 00:14:52,079

phenomena thing that canadians were

437

00:14:55,829 --> 00:14:54,079

talking and the third was jan harrison

438

00:14:56,949 --> 00:14:55,839

who was the international director of

439

00:14:58,870 --> 00:14:56,959

mufon

440

00:15:00,470 --> 00:14:58,880

has this lecture in 1993 where he goes

441

00:15:01,829 --> 00:15:00,480

to see ben rich who is the head of

442

00:15:03,509 --> 00:15:01,839

lockheed skunk works which is always

443

00:15:05,750 --> 00:15:03,519

rumored to be the the back engineering

444

00:15:07,590 --> 00:15:05,760

of the flying saucers and ben rich says

445

00:15:09,110 --> 00:15:07,600

we've now got the technology to take et

446

00:15:10,550 --> 00:15:09,120

home it's not going to take a lifetime

447

00:15:12,790 --> 00:15:10,560

but it's going to take an act of god to

448

00:15:14,389 --> 00:15:12,800

get this thing out of congress and and

449

00:15:15,590 --> 00:15:14,399

jan hartson is with his other engineer

450

00:15:17,269 --> 00:15:15,600

and he's going can you believe can you

451
00:15:18,949 --> 00:15:17,279
believe what he's saying and he goes up

452
00:15:21,030 --> 00:15:18,959
and he had an experience when he was 10

453
00:15:22,790 --> 00:15:21,040
years old in the backyard 50 feet away

454
00:15:24,069 --> 00:15:22,800
from a flying saucer with his brother

455
00:15:25,350 --> 00:15:24,079
and he always wanted to build a flying

456
00:15:27,350 --> 00:15:25,360
saucer and he became an electrical

457
00:15:29,110 --> 00:15:27,360
engineer to do this and so he was

458
00:15:30,790 --> 00:15:29,120
fascinated he went to ben as ben was

459
00:15:32,629 --> 00:15:30,800
leaving the building and he said ben

460
00:15:34,389 --> 00:15:32,639
i've been fascinated my whole life how

461
00:15:36,470 --> 00:15:34,399
does it work how does the propulsion

462
00:15:39,430 --> 00:15:36,480
system work how do they get here and ben

463
00:15:41,269 --> 00:15:39,440

rich turns around he says exactly to the

464

00:15:43,670 --> 00:15:41,279

words exactly what walker had said two

465

00:15:45,189 --> 00:15:43,680

years before in 1991. he said let me ask

466

00:15:46,150 --> 00:15:45,199

you a question what do you know about

467

00:15:47,829 --> 00:15:46,160

esp

468

00:15:49,189 --> 00:15:47,839

and jan hartson said

469

00:15:51,829 --> 00:15:49,199

means everything in time and space is

470

00:15:53,350 --> 00:15:51,839

connected and ben rich said that's how

471

00:15:55,030 --> 00:15:53,360

it works and he walks out of the

472

00:15:56,550 --> 00:15:55,040

building gets in his car and drives away

473

00:15:58,310 --> 00:15:56,560

now we've had other indications since

474

00:16:00,550 --> 00:15:58,320

then tom delong talks about going to the

475

00:16:02,150 --> 00:16:00,560

skiff he's taking in the lockheed into

476

00:16:03,189 --> 00:16:02,160

the skiff and he's talking to these guys

477

00:16:04,949 --> 00:16:03,199

and they're asking what about this

478

00:16:07,269 --> 00:16:04,959

conspiracy website you've got and he's

479

00:16:08,949 --> 00:16:07,279

trying to talk out of this stupid like q

480

00:16:11,829 --> 00:16:08,959

and on website thing he was running in

481

00:16:13,430 --> 00:16:11,839

2012. and and then

482

00:16:14,949 --> 00:16:13,440

the head scientist said look i just want

483

00:16:16,389 --> 00:16:14,959

to know i'm all interested is how do

484

00:16:18,230 --> 00:16:16,399

they how does it work that's all i'm

485

00:16:19,829 --> 00:16:18,240

interested how does this thing work and

486

00:16:21,590 --> 00:16:19,839

then he's and he was hanging around with

487

00:16:23,110 --> 00:16:21,600

greer at the time so that and greer is

488

00:16:24,790 --> 00:16:23,120

big into consciousness so he says oh i

489

00:16:26,389 --> 00:16:24,800

can consciousness involved and he said

490

00:16:28,310 --> 00:16:26,399

the head scientist said

491

00:16:29,749 --> 00:16:28,320

now you're talking and he said that's

492

00:16:31,590 --> 00:16:29,759

all the head scientists wanted to talk

493

00:16:33,269 --> 00:16:31,600

about for 45 minutes was consciousness

494

00:16:36,470 --> 00:16:33,279

so that was the flip that so that

495

00:16:38,710 --> 00:16:36,480

flipped me in 2012 it was like the world

496

00:16:40,550 --> 00:16:38,720

had just flipped on its head again it

497

00:16:41,749 --> 00:16:40,560

was like i for two days i walked around

498

00:16:42,870 --> 00:16:41,759

and my head was just spinning i couldn't

499

00:16:44,389 --> 00:16:42,880

believe i didn't know what consciousness

500

00:16:45,670 --> 00:16:44,399

was i thought it was consciousness i

501
00:16:48,069 --> 00:16:45,680
didn't realize it was non-local

502
00:16:49,749 --> 00:16:48,079
consciousness so the idea developed more

503
00:16:51,749 --> 00:16:49,759
and more as it went along and more stuff

504
00:16:53,509 --> 00:16:51,759
came to me to fill in the gaps and in

505
00:16:55,189 --> 00:16:53,519
2013 we were talking about this just

506
00:16:57,030 --> 00:16:55,199
before the show that's when the first

507
00:16:58,629 --> 00:16:57,040
woman came i was in phoenix i was giving

508
00:17:01,030 --> 00:16:58,639
my fir one of my first consciousness

509
00:17:03,590 --> 00:17:01,040
lectures at big mufun group in phoenix

510
00:17:04,390 --> 00:17:03,600
was a big very giant group there

511
00:17:06,390 --> 00:17:04,400
and

512
00:17:07,429 --> 00:17:06,400
uh stacy who runs the group says to me

513
00:17:08,470 --> 00:17:07,439

are you still going to talk to pam

514

00:17:09,510 --> 00:17:08,480

dupuis

515

00:17:11,189 --> 00:17:09,520

and i said

516

00:17:12,309 --> 00:17:11,199

yeah i guess so i figured i must have

517

00:17:14,309 --> 00:17:12,319

agreed to talk to someone i don't know

518

00:17:15,909 --> 00:17:14,319

who she is and that's good she's coming

519

00:17:16,870 --> 00:17:15,919

to my house on monday and you'll meet

520

00:17:18,710 --> 00:17:16,880

her there

521

00:17:21,350 --> 00:17:18,720

and uh so i said okay whatever so pam

522

00:17:24,390 --> 00:17:21,360

comes to the to the to the the door with

523

00:17:25,909 --> 00:17:24,400

her with her partner and she says uh so

524

00:17:26,789 --> 00:17:25,919

what pet what's stacy tell you about me

525

00:17:28,230 --> 00:17:26,799

i said

526

00:17:29,990 --> 00:17:28,240

i don't know she just said you wanted to

527

00:17:31,510 --> 00:17:30,000

talk to me and it was important and she

528

00:17:33,510 --> 00:17:31,520

said yes she comes walking in she's

529

00:17:34,950 --> 00:17:33,520

talking about i was abducted as three i

530

00:17:36,470 --> 00:17:34,960

was wearing a diaper and the beings were

531

00:17:38,470 --> 00:17:36,480

there and all this sort of stuff and

532

00:17:39,510 --> 00:17:38,480

she's going on and i remove you for the

533

00:17:40,630 --> 00:17:39,520

government she's going through all the

534

00:17:42,710 --> 00:17:40,640

stuff and it's like whatever i've heard

535

00:17:45,029 --> 00:17:42,720

this stuff like a thousand times before

536

00:17:47,190 --> 00:17:45,039

going and so she and she's in her 70s

537

00:17:49,110 --> 00:17:47,200

and then she says to me oh

538

00:17:49,909 --> 00:17:49,120

and i was flying the craft last night i

539

00:17:52,310 --> 00:17:49,919

went

540

00:17:53,990 --> 00:17:52,320

you are what and she says i was flying

541

00:17:55,669 --> 00:17:54,000

the craft and i was all i could think of

542

00:17:57,190 --> 00:17:55,679

was saudi arabian women who aren't

543

00:17:59,190 --> 00:17:57,200

allowed to drive and now it's different

544

00:18:01,110 --> 00:17:59,200

but they weren't allowed to drive a car

545

00:18:02,230 --> 00:18:01,120

unless a brother or a man was in the car

546

00:18:04,390 --> 00:18:02,240

and i'm going

547

00:18:06,310 --> 00:18:04,400

they'll let you fly the flying saucer i

548

00:18:08,230 --> 00:18:06,320

just i couldn't believe i was listening

549

00:18:09,510 --> 00:18:08,240

to this i go they let you flying saucer

550

00:18:10,470 --> 00:18:09,520

he says yeah i've flown three different

551
00:18:11,990 --> 00:18:10,480
models

552
00:18:13,990 --> 00:18:12,000
and i said they let you fly the flying

553
00:18:15,909 --> 00:18:14,000
saucer how do you fly a flying saucer

554
00:18:17,990 --> 00:18:15,919
and she says you do it with your mind

555
00:18:19,350 --> 00:18:18,000
and as soon as she said that i knew i

556
00:18:19,990 --> 00:18:19,360
knew why they had set me up to talk to

557
00:18:21,270 --> 00:18:20,000
her because i was doing this

558
00:18:22,870 --> 00:18:21,280
consciousness thing

559
00:18:25,350 --> 00:18:22,880
and that led to this book that's about

560
00:18:27,430 --> 00:18:25,360
to come out called this ufo sky piles

561
00:18:29,430 --> 00:18:27,440
where i gather three dozen people from

562
00:18:32,549 --> 00:18:29,440
all different professions u.s air force

563
00:18:35,669 --> 00:18:32,559

retired colonels 747 uh united airlines

564

00:18:37,270 --> 00:18:35,679

pilots uh mostly women which is kind of

565

00:18:38,789 --> 00:18:37,280

weird i mean you know

566

00:18:40,789 --> 00:18:38,799

if you're a saudi arabian woman and you

567

00:18:42,710 --> 00:18:40,799

get abducted they'll you know you'll let

568

00:18:45,830 --> 00:18:42,720

you fly the craft no no brother in the

569

00:18:48,070 --> 00:18:45,840

car in this craft no insurance no

570

00:18:49,830 --> 00:18:48,080

license nothing just go ahead and fly it

571

00:18:51,350 --> 00:18:49,840

and it came to this whole thing why are

572

00:18:53,430 --> 00:18:51,360

they allowing people to fly the craft or

573

00:18:55,110 --> 00:18:53,440

the other thing that that you see often

574

00:18:56,470 --> 00:18:55,120

if you go back to experiences which is

575

00:18:58,150 --> 00:18:56,480

the key to this whole thing you got to

576

00:19:00,150 --> 00:18:58,160

talk to the experiences the people

577

00:19:01,750 --> 00:19:00,160

the beings they'll describe being

578

00:19:02,789 --> 00:19:01,760

children and sitting in a room in a

579

00:19:04,549 --> 00:19:02,799

circle

580

00:19:05,990 --> 00:19:04,559

and playing this game and they're being

581

00:19:07,990 --> 00:19:06,000

taught to levitate things and there's

582

00:19:09,350 --> 00:19:08,000

these three different colored balls and

583

00:19:11,190 --> 00:19:09,360

they're levitating these three different

584

00:19:12,470 --> 00:19:11,200

types of balls and you see this this

585

00:19:14,230 --> 00:19:12,480

sort of thing that people are being

586

00:19:16,070 --> 00:19:14,240

trained to do this kind of stuff so

587

00:19:17,590 --> 00:19:16,080

that's basically what the consciousness

588

00:19:19,350 --> 00:19:17,600

is saying and nothing has ever really

589

00:19:21,270 --> 00:19:19,360

gone wrong just like consciousness thing

590

00:19:23,430 --> 00:19:21,280

everything that i've gotten in these

591

00:19:25,190 --> 00:19:23,440

surf flow states nothing has ever turned

592

00:19:28,070 --> 00:19:25,200

out to be wrong i had the 2012

593

00:19:29,750 --> 00:19:28,080

experience then i had the one in 2017

594

00:19:32,230 --> 00:19:29,760

again i'm walking i'm walking downtown

595

00:19:34,470 --> 00:19:32,240

which is a six mile walk i go for coffee

596

00:19:36,310 --> 00:19:34,480

two miles in and then i keep walking and

597

00:19:38,870 --> 00:19:36,320

i know exactly i can't remember exactly

598

00:19:40,710 --> 00:19:38,880

what year it was it was 2017 but i'm

599

00:19:42,470 --> 00:19:40,720

walking down the street

600

00:19:44,310 --> 00:19:42,480

and the flow state starts and i go get

601
00:19:46,310 --> 00:19:44,320
up and get a pen and start running

602
00:19:47,590 --> 00:19:46,320
writing this stuff down and there was 24

603
00:19:49,510 --> 00:19:47,600
things that were given to me one after

604
00:19:51,190 --> 00:19:49,520
another it was cold i'd take my glove

605
00:19:53,270 --> 00:19:51,200
off i was writing this on this piece of

606
00:19:54,710 --> 00:19:53,280
paper and luckily i did because you it's

607
00:19:56,630 --> 00:19:54,720
like a dream you will not remember it if

608
00:19:59,350 --> 00:19:56,640
you unless you write it down so i wrote

609
00:20:02,710 --> 00:19:59,360
all this stuff down and um

610
00:20:04,310 --> 00:20:02,720
it was basically the whole idea of

611
00:20:06,950 --> 00:20:04,320
at one point they said not only have you

612
00:20:08,549 --> 00:20:06,960
got it wrong it's exactly the opposite

613
00:20:10,149 --> 00:20:08,559

of what you think it is and it was this

614

00:20:12,230 --> 00:20:10,159

idea is the world made out of nuts and

615

00:20:13,830 --> 00:20:12,240

bolts if it is that's one world

616

00:20:15,510 --> 00:20:13,840

and that has all the certain rules and

617

00:20:16,950 --> 00:20:15,520

regulations but

618

00:20:18,230 --> 00:20:16,960

it's made out of consciousness that's a

619

00:20:19,350 --> 00:20:18,240

completely different world it's got

620

00:20:20,789 --> 00:20:19,360

different rules and regulations

621

00:20:23,590 --> 00:20:20,799

everything's going to change

622

00:20:25,990 --> 00:20:23,600

is it is it one life if it's one life

623

00:20:27,750 --> 00:20:26,000

then that's one one uh

624

00:20:30,390 --> 00:20:27,760

set of circumstances but if it's

625

00:20:32,390 --> 00:20:30,400

multiple lives everything changes is it

626
00:20:34,230 --> 00:20:32,400
random if it's random it's one world but

627
00:20:35,510 --> 00:20:34,240
if it's pattern if it's all following a

628
00:20:37,669 --> 00:20:35,520
pattern it's a different world and was

629
00:20:39,190 --> 00:20:37,679
these 24 things is it this is it and

630
00:20:41,830 --> 00:20:39,200
this is the idea you think it's this

631
00:20:43,350 --> 00:20:41,840
exactly it's exactly the opposite idea

632
00:20:44,789 --> 00:20:43,360
and all that has turned out to be true

633
00:20:47,590 --> 00:20:44,799
as well none of that has ever turned out

634
00:20:49,350 --> 00:20:47,600
to be wrong so i've used a lot of this

635
00:20:51,510 --> 00:20:49,360
flow state stuff

636
00:20:53,590 --> 00:20:51,520
where i know when i get the flow state

637
00:20:56,549 --> 00:20:53,600
it usually starts where i could feel it

638
00:20:58,549 --> 00:20:56,559

coming then i wrote write down one idea

639

00:21:00,630 --> 00:20:58,559

and then it starts to flow and i and i

640

00:21:02,310 --> 00:21:00,640

madly write this stuff down and i never

641

00:21:04,950 --> 00:21:02,320

in i've got maybe a thousand pieces of

642

00:21:07,190 --> 00:21:04,960

paper i never reread the pieces of paper

643

00:21:08,870 --> 00:21:07,200

i i once i write it down then it's sort

644

00:21:10,950 --> 00:21:08,880

of in my mind and that's the way i'm

645

00:21:12,870 --> 00:21:10,960

working and so i said the bottom line is

646

00:21:15,430 --> 00:21:12,880

the experiencers are the people who are

647

00:21:16,950 --> 00:21:15,440

in the field they've the beings have

648

00:21:18,149 --> 00:21:16,960

shown them how to get in the field and a

649

00:21:20,390 --> 00:21:18,159

lot of that may have to do with

650

00:21:21,990 --> 00:21:20,400

disassociation or i make the joke why

651
00:21:23,830 --> 00:21:22,000
does an alien come into your room and

652
00:21:25,669 --> 00:21:23,840
scare the living daylights out of you i

653
00:21:27,750 --> 00:21:25,679
mean why would it wake you up wake up

654
00:21:28,789 --> 00:21:27,760
wake up come on wake up and they wake up

655
00:21:30,149 --> 00:21:28,799
and as soon as you wake up they put your

656
00:21:31,830 --> 00:21:30,159
hand on your head and say okay go back

657
00:21:33,350 --> 00:21:31,840
to sleep and you go back to sleep again

658
00:21:35,669 --> 00:21:33,360
and i think that may be part of this

659
00:21:37,830 --> 00:21:35,679
dissociation thing it's this trauma this

660
00:21:40,549 --> 00:21:37,840
dissociation ripping the veil getting

661
00:21:43,510 --> 00:21:40,559
you ready to go and the more i see the

662
00:21:45,909 --> 00:21:43,520
more i realize that that it is not the

663
00:21:48,390 --> 00:21:45,919

world we think it is i call it the 1492

664

00:21:49,750 --> 00:21:48,400

dilemma it looks like the world is flat

665

00:21:51,669 --> 00:21:49,760

it looks like the sun goes around the

666

00:21:53,350 --> 00:21:51,679

earth it looks like everything's solid

667

00:21:55,190 --> 00:21:53,360

it looks like there's aliens coming from

668

00:21:56,630 --> 00:21:55,200

out there there may not be any time

669

00:21:58,149 --> 00:21:56,640

there may not be any space especially

670

00:21:59,350 --> 00:21:58,159

when you look at out-of-body experience

671

00:22:01,270 --> 00:21:59,360

material

672

00:22:03,110 --> 00:22:01,280

where you take a look at the out-of-body

673

00:22:05,350 --> 00:22:03,120

experience which a lot of experiences

674

00:22:07,270 --> 00:22:05,360

eighty percent of all experiences say

675

00:22:08,549 --> 00:22:07,280

they've had an out-of-body experience

676
00:22:10,310 --> 00:22:08,559
and that's not everybody but it's

677
00:22:12,310 --> 00:22:10,320
getting pretty close and then you start

678
00:22:14,549 --> 00:22:12,320
wondering is this actually an event or

679
00:22:16,070 --> 00:22:14,559
is this is this a not a body experience

680
00:22:17,830 --> 00:22:16,080
is there really a physical world is

681
00:22:19,190 --> 00:22:17,840
there really a physical reality or are

682
00:22:21,510 --> 00:22:19,200
we in these different realities because

683
00:22:22,630 --> 00:22:21,520
if you take a look yeah i'll end at this

684
00:22:24,710 --> 00:22:22,640
if you take a look at the nearest

685
00:22:25,990 --> 00:22:24,720
experience if you have a not a near well

686
00:22:27,270 --> 00:22:26,000
near this experience the same thing but

687
00:22:28,950 --> 00:22:27,280
if you have an out-of-body experience

688
00:22:31,270 --> 00:22:28,960

where you leave your body and you look

689

00:22:32,230 --> 00:22:31,280

back at your body you can see your body

690

00:22:34,230 --> 00:22:32,240

there

691

00:22:35,830 --> 00:22:34,240

and you can see the head

692

00:22:36,870 --> 00:22:35,840

which has the brain in it and then you

693

00:22:38,870 --> 00:22:36,880

go

694

00:22:41,590 --> 00:22:38,880

is consciousness in the brain and you

695

00:22:44,789 --> 00:22:41,600

don't oh it's not in the brain can't you

696

00:22:46,310 --> 00:22:44,799

your body is in your consciousness

697

00:22:47,990 --> 00:22:46,320

this is there you can see the brain the

698

00:22:50,070 --> 00:22:48,000

consciousness is not the brain is is

699

00:22:52,149 --> 00:22:50,080

your sight in your in your eyes we have

700

00:22:54,149 --> 00:22:52,159

these kids who do the blindfold no

701
00:22:55,830 --> 00:22:54,159
because you're seeing and so you can

702
00:22:57,990 --> 00:22:55,840
even actually look around and you see

703
00:22:59,669 --> 00:22:58,000
the alien is the alien out there no the

704
00:23:01,270 --> 00:22:59,679
aliens in your consciousness look out

705
00:23:03,110 --> 00:23:01,280
the window it's that nighttime you see

706
00:23:04,870 --> 00:23:03,120
the stars and the planets and stuff is

707
00:23:06,630 --> 00:23:04,880
that stuff out there no it's in your

708
00:23:08,230 --> 00:23:06,640
consciousness and that's what deepak

709
00:23:10,310 --> 00:23:08,240
chopra says and you start to see this

710
00:23:12,390 --> 00:23:10,320
holographic universe the simulated

711
00:23:14,470 --> 00:23:12,400
universe uh the beings in great britain

712
00:23:16,390 --> 00:23:14,480
that say it's all an illusion or deepak

713
00:23:18,789 --> 00:23:16,400

chopra says everything's an activity

714

00:23:20,470 --> 00:23:18,799

inside consciousness and that's where

715

00:23:23,270 --> 00:23:20,480

we're going in ufology that's i think

716

00:23:25,270 --> 00:23:23,280

the big secret is that it is not the

717

00:23:28,710 --> 00:23:25,280

physical world we think it is it's this

718

00:23:30,149 --> 00:23:28,720

very complex thing that is all inside if

719

00:23:32,070 --> 00:23:30,159

there's no time and space and i've had

720

00:23:34,070 --> 00:23:32,080

lots of people who've flown the craft

721

00:23:36,230 --> 00:23:34,080

who will talk about unbelievable things

722

00:23:38,470 --> 00:23:36,240

you can do instantaneous movement from

723

00:23:40,470 --> 00:23:38,480

one part of the universe to the other

724

00:23:42,710 --> 00:23:40,480

if there's no time and space

725

00:23:44,870 --> 00:23:42,720

if everything's inside your awareness

726

00:23:45,990 --> 00:23:44,880

inside your consciousness how big is the

727

00:23:48,549 --> 00:23:46,000

universe

728

00:23:52,149 --> 00:23:48,559

you're in my consciousness i'm in your

729

00:23:54,149 --> 00:23:52,159

consciousness everything as they said uh

730

00:23:57,110 --> 00:23:54,159

grier used to do the expression the the

731

00:23:59,750 --> 00:23:57,120

sufi poet who said you see yourself as a

732

00:24:02,149 --> 00:23:59,760

puny form when the universe is folded

733

00:24:05,510 --> 00:24:02,159

within you if that is true if the

734

00:24:07,909 --> 00:24:05,520

universe is within you or as uh

735

00:24:10,230 --> 00:24:07,919

john wheeler the famous quantum

736

00:24:13,990 --> 00:24:10,240

physicist said there's no out there out

737

00:24:16,310 --> 00:24:14,000

there if it's all inside the whole world

738

00:24:17,750 --> 00:24:16,320

is a different world than we think it is

739

00:24:19,430 --> 00:24:17,760

we're just making these illusions we

740

00:24:20,950 --> 00:24:19,440

think it looks solid we think it looks

741

00:24:22,950 --> 00:24:20,960

flat we think the sun's going around the

742

00:24:24,630 --> 00:24:22,960

earth we think there's only 5 000 stars

743

00:24:26,310 --> 00:24:24,640

there's only one galaxy

744

00:24:27,430 --> 00:24:26,320

and the more we realize the more we

745

00:24:30,390 --> 00:24:27,440

realize

746

00:24:33,190 --> 00:24:30,400

that we have got it wrong almost like

747

00:24:34,070 --> 00:24:33,200

they've mutilated the whole um

748

00:24:35,909 --> 00:24:34,080

um

749

00:24:37,190 --> 00:24:35,919

scientific method descartes when you

750

00:24:40,070 --> 00:24:37,200

start looking at

751
00:24:42,549 --> 00:24:40,080
rene descartes what he said was not be

752
00:24:44,710 --> 00:24:42,559
skeptical of new ideas he said he was

753
00:24:46,870 --> 00:24:44,720
skeptical of all the material that he

754
00:24:49,350 --> 00:24:46,880
had been taught i have to tear down my

755
00:24:51,750 --> 00:24:49,360
former my former life and that's the

756
00:24:54,149 --> 00:24:51,760
thing we are we can't give up the stuff

757
00:24:56,310 --> 00:24:54,159
we learned in school and all these ideas

758
00:24:59,669 --> 00:24:56,320
we won't drop them and because you have

759
00:25:01,029 --> 00:24:59,679
anomalies or gary nolan from

760
00:25:03,110 --> 00:25:01,039
who works with the you know the

761
00:25:05,669 --> 00:25:03,120
individual college people he does the

762
00:25:07,830 --> 00:25:05,679
dna stuff he said it's the five percent

763
00:25:09,510 --> 00:25:07,840

anomalies that he's interested in

764

00:25:11,430 --> 00:25:09,520

because it's the five percent anomalies

765

00:25:13,830 --> 00:25:11,440

that tell you there's something wrong

766

00:25:15,190 --> 00:25:13,840

with the way we're viewing stuff and

767

00:25:16,870 --> 00:25:15,200

when you figure out the five percent

768

00:25:18,789 --> 00:25:16,880

anomalies you're going to win the nobel

769

00:25:20,549 --> 00:25:18,799

prize and have the inventions as long as

770

00:25:22,070 --> 00:25:20,559

you continue to believe that everything

771

00:25:26,470 --> 00:25:22,080

you've got is right you're never going

772

00:25:26,480 --> 00:25:31,190

love it dj i think you're a moot sorry

773

00:25:34,710 --> 00:25:33,830

thank you brother yeah um not only was

774

00:25:38,149 --> 00:25:34,720

uh

775

00:25:40,630 --> 00:25:38,159

the show but

776

00:25:42,870 --> 00:25:40,640

the topics that you're covering i

777

00:25:45,190 --> 00:25:42,880

analogized to like going to albuquerque

778

00:25:47,830 --> 00:25:45,200

and getting a mexican sopapilla

779

00:25:49,029 --> 00:25:47,840

and the sopapilla comes out and it's a

780

00:25:50,470 --> 00:25:49,039

warm

781

00:25:53,830 --> 00:25:50,480

piece of

782

00:25:55,510 --> 00:25:53,840

sort of uh pastry bread it's not flaky

783

00:25:58,070 --> 00:25:55,520

and then when they bring you over the

784

00:25:59,830 --> 00:25:58,080

the honey or the spicy honey because for

785

00:26:01,669 --> 00:25:59,840

nathan you talking about consciousness

786

00:26:04,390 --> 00:26:01,679

and different realities this is like

787

00:26:07,029 --> 00:26:04,400

he's got the warm sopapilla and now he's

788

00:26:08,830 --> 00:26:07,039

gonna dip it in that honey

789

00:26:11,269 --> 00:26:08,840

and now i'm really really hungry

790

00:26:13,510 --> 00:26:11,279

yes oh this is just like you're you're

791

00:26:14,950 --> 00:26:13,520

right in his wheelhouse yeah everything

792

00:26:19,029 --> 00:26:14,960

and so

793

00:26:20,710 --> 00:26:19,039

discussion uh of consciousness that has

794

00:26:22,710 --> 00:26:20,720

gone throughout the weekend and i posed

795

00:26:25,750 --> 00:26:22,720

this question to him today so i'll pose

796

00:26:29,029 --> 00:26:25,760

it to you um with regard to

797

00:26:31,269 --> 00:26:29,039

consciousness do you suppose because you

798

00:26:33,669 --> 00:26:31,279

know we all i think everybody that's on

799

00:26:36,230 --> 00:26:33,679

this cat this broadcast today believes

800

00:26:38,310 --> 00:26:36,240

that when this physical body passes our

801
00:26:39,909 --> 00:26:38,320
consciousness will remain and my

802
00:26:42,549 --> 00:26:39,919
question to you would be

803
00:26:45,590 --> 00:26:42,559
is there agency as to where that

804
00:26:48,070 --> 00:26:45,600
consciousness goes and what it does

805
00:26:50,070 --> 00:26:48,080
uh we talk about

806
00:26:52,870 --> 00:26:50,080
spirits that are in a house that that

807
00:26:55,190 --> 00:26:52,880
seem to be uh want to affix themselves

808
00:26:57,269 --> 00:26:55,200
to a physical place and then interact

809
00:26:59,590 --> 00:26:57,279
with people that that inhabit the home

810
00:27:03,029 --> 00:26:59,600
but but do you think that consciousness

811
00:27:04,310 --> 00:27:03,039
uh uh has agency your consciousness mind

812
00:27:07,669 --> 00:27:04,320
everyone here

813
00:27:10,470 --> 00:27:07,679

okay so i go much more fundamental

814

00:27:13,110 --> 00:27:10,480

there is no out there out there there is

815

00:27:14,789 --> 00:27:13,120

just consciousness so when you rebuild

816

00:27:17,190 --> 00:27:14,799

man if you interview bulma who's

817

00:27:18,630 --> 00:27:17,200

the top guy on a body experience he's

818

00:27:20,310 --> 00:27:18,640

the one that first triggered this with

819

00:27:22,470 --> 00:27:20,320

me he said you're not going anywhere

820

00:27:25,029 --> 00:27:22,480

you're going within yourself when you

821

00:27:26,630 --> 00:27:25,039

die you go within yourself there's no

822

00:27:28,549 --> 00:27:26,640

out there out there the time and space

823

00:27:31,190 --> 00:27:28,559

is all the side this whole weird thing

824

00:27:33,350 --> 00:27:31,200

is what happens if it's all inside your

825

00:27:34,549 --> 00:27:33,360

consciousness so you're going you're

826

00:27:36,630 --> 00:27:34,559

going within and i'll give you an

827

00:27:38,950 --> 00:27:36,640

example i have an ai friend of mine

828

00:27:40,310 --> 00:27:38,960

who's an ai expert and we got into the

829

00:27:42,389 --> 00:27:40,320

psychedelic thing i wrote a book on

830

00:27:46,310 --> 00:27:42,399

psychedelics i did uh

831

00:27:48,070 --> 00:27:46,320

16 high-dose sessions of of psilocybin

832

00:27:49,830 --> 00:27:48,080

and recorded everything as it was going

833

00:27:51,510 --> 00:27:49,840

on and stuff like that and he was doing

834

00:27:53,590 --> 00:27:51,520

the dmt stuff

835

00:27:55,269 --> 00:27:53,600

and he he contacted me the one day and i

836

00:27:56,389 --> 00:27:55,279

knew i knew the stat had already existed

837

00:27:58,310 --> 00:27:56,399

but he said

838

00:28:00,630 --> 00:27:58,320

i had a classic abduction experience

839

00:28:03,190 --> 00:28:00,640

last night and i said you did what he

840

00:28:05,590 --> 00:28:03,200

said yeah i said well that was the story

841

00:28:08,389 --> 00:28:05,600

that when when strossman did the dmt

842

00:28:09,669 --> 00:28:08,399

experiments he had this thing where 50

843

00:28:11,590 --> 00:28:09,679

of all the people said they had seen

844

00:28:14,389 --> 00:28:11,600

beings and they're lying on a couch this

845

00:28:16,470 --> 00:28:14,399

is 10 minutes in a dmt thing and

846

00:28:17,510 --> 00:28:16,480

strassmann is going have you been

847

00:28:18,630 --> 00:28:17,520

abducted do you think you've been

848

00:28:20,789 --> 00:28:18,640

abducted they're going no i don't think

849

00:28:22,710 --> 00:28:20,799

so i don't look a bit and and and so

850

00:28:25,269 --> 00:28:22,720

when this ai guy said i said well tell

851

00:28:27,029 --> 00:28:25,279

me exactly what this is what what is

852

00:28:29,830 --> 00:28:27,039

what do you mean classic he said was

853

00:28:31,110 --> 00:28:29,840

classic abduction t i'm on a table i can

854

00:28:32,870 --> 00:28:31,120

i can't see the beings but i can see

855

00:28:34,070 --> 00:28:32,880

their arms and they're working on my

856

00:28:35,190 --> 00:28:34,080

head there's like you always hear this

857

00:28:37,990 --> 00:28:35,200

thing they're working on your brain or

858

00:28:40,470 --> 00:28:38,000

something and i said really and so where

859

00:28:43,110 --> 00:28:40,480

did he go he didn't go anywhere he was

860

00:28:44,310 --> 00:28:43,120

lying on a couch and yet he said and

861

00:28:45,669 --> 00:28:44,320

everybody will say whether it's

862

00:28:46,789 --> 00:28:45,679

psychedelics whether it's near death

863

00:28:47,750 --> 00:28:46,799

experience whether it's out-of-body

864

00:28:49,909 --> 00:28:47,760

experience

865

00:28:52,389 --> 00:28:49,919

that's the real world we think oh it's

866

00:28:53,830 --> 00:28:52,399

just an illusion no they'll say that's

867

00:28:56,149 --> 00:28:53,840

the real world you're in the illusion

868

00:28:57,590 --> 00:28:56,159

this was more real than the real world

869

00:28:59,590 --> 00:28:57,600

and you start to get this so the whole

870

00:29:01,430 --> 00:28:59,600

thing is there it's there is no

871

00:29:03,669 --> 00:29:01,440

separation in consciousness

872

00:29:05,750 --> 00:29:03,679

so every well because we we

873

00:29:08,470 --> 00:29:05,760

again we're buying into these these

874

00:29:11,110 --> 00:29:08,480

religious ideas scientific ideas the

875

00:29:13,269 --> 00:29:11,120

idea of materialism was raised by by

876

00:29:15,909 --> 00:29:13,279

karl marx who invented communism in

877

00:29:17,110 --> 00:29:15,919

1840s in 1840s that's when he came up

878

00:29:18,630 --> 00:29:17,120

with the idea of materialism before

879

00:29:20,149 --> 00:29:18,640

there was the idea no idea of

880

00:29:22,870 --> 00:29:20,159

materialism that there's just this

881

00:29:25,029 --> 00:29:22,880

material thing and and so we have we and

882

00:29:26,950 --> 00:29:25,039

the biblical thing plays into the same

883

00:29:29,350 --> 00:29:26,960

game is god created the heaven and the

884

00:29:31,110 --> 00:29:29,360

earth and then he took it took them and

885

00:29:33,669 --> 00:29:31,120

then he breathed in a soul

886

00:29:35,990 --> 00:29:33,679

well no if you look at the new stuff

887

00:29:37,830 --> 00:29:36,000

this the the idea of the simulated

888

00:29:39,909 --> 00:29:37,840

universe and the holographic universe

889

00:29:41,909 --> 00:29:39,919

it's all consciousness so what i would

890

00:29:43,590 --> 00:29:41,919

say and my bottom line would be there is

891

00:29:46,070 --> 00:29:43,600

just consciousness it's all made out of

892

00:29:48,710 --> 00:29:46,080

consciousness and god did not create the

893

00:29:50,950 --> 00:29:48,720

heaven and the earth god split off these

894

00:29:53,350 --> 00:29:50,960

the the particles the sparks of the

895

00:29:55,269 --> 00:29:53,360

divine and they created the heaven and

896

00:29:57,269 --> 00:29:55,279

the earth because it's all made out of

897

00:29:59,990 --> 00:29:57,279

consciousness we're creating the heaven

898

00:30:01,590 --> 00:30:00,000

and the earth it's all created and so we

899

00:30:03,669 --> 00:30:01,600

have to get away i think away from the

900

00:30:05,590 --> 00:30:03,679

idea that there's this physical with

901
00:30:07,990 --> 00:30:05,600
that's infested with comic uh

902
00:30:10,070 --> 00:30:08,000
consciousness when in fact it's the the

903
00:30:11,990 --> 00:30:10,080
the whole idea of the dual slit

904
00:30:13,750 --> 00:30:12,000
experiment that the material does not

905
00:30:15,430 --> 00:30:13,760
appear until there's an observer okay

906
00:30:17,350 --> 00:30:15,440
it's all being created by consciousness

907
00:30:19,190 --> 00:30:17,360
there is no or a deepak troper says

908
00:30:21,029 --> 00:30:19,200
everything is an activity inside

909
00:30:23,510 --> 00:30:21,039
consciousness

910
00:30:25,830 --> 00:30:23,520
yeah i have one thing so nathan nathan

911
00:30:27,990 --> 00:30:25,840
studied divinity i'd like to if you

912
00:30:30,070 --> 00:30:28,000
don't mind get his take on what what you

913
00:30:31,990 --> 00:30:30,080

just said regarding god's role in in all

914

00:30:33,750 --> 00:30:32,000

this unconsciousness

915

00:30:35,430 --> 00:30:33,760

well i mean if i understand your grant i

916

00:30:37,750 --> 00:30:35,440

think that um and what i've from what

917

00:30:39,830 --> 00:30:37,760

i've read as well that it it

918

00:30:42,389 --> 00:30:39,840

god is just a word that we're using it's

919

00:30:44,470 --> 00:30:42,399

just a it's it's a label that we've used

920

00:30:46,149 --> 00:30:44,480

in our religious traditions it really

921

00:30:48,470 --> 00:30:46,159

kind of describes source you know

922

00:30:50,710 --> 00:30:48,480

consciousness being mind at large i mean

923

00:30:52,950 --> 00:30:50,720

that's essentially god

924

00:30:54,310 --> 00:30:52,960

but what i would be curious about is do

925

00:30:57,509 --> 00:30:54,320

you

926

00:31:00,070 --> 00:30:57,519

think of mind at large as uh

927

00:31:01,830 --> 00:31:00,080

in any way sort of anthropomorphic or is

928

00:31:03,669 --> 00:31:01,840

it just kind of as you said earlier just

929

00:31:05,509 --> 00:31:03,679

this foundational state of existence it

930

00:31:06,230 --> 00:31:05,519

doesn't have its own

931

00:31:09,110 --> 00:31:06,240

uh

932

00:31:10,950 --> 00:31:09,120

particular agency like you and i do

933

00:31:12,950 --> 00:31:10,960

but it is kind of the wellspring from

934

00:31:15,830 --> 00:31:12,960

which all other individuated

935

00:31:17,269 --> 00:31:15,840

consciousnesses uh derive

936

00:31:19,830 --> 00:31:17,279

yeah well that's the thing is the

937

00:31:22,230 --> 00:31:19,840

individual consciousness that that the

938

00:31:25,750 --> 00:31:22,240

source whatever you want to call it

939

00:31:28,070 --> 00:31:25,760

cannot if there's no duality it doesn't

940

00:31:31,029 --> 00:31:28,080

even know who it is itself i mean it's

941

00:31:33,350 --> 00:31:31,039

it's just it's just one thing so once

942

00:31:34,549 --> 00:31:33,360

once you have my my assistant desta

943

00:31:36,149 --> 00:31:34,559

barnaby

944

00:31:37,509 --> 00:31:36,159

it does this channeling stuff and she

945

00:31:40,070 --> 00:31:37,519

had this one

946

00:31:42,870 --> 00:31:40,080

thing that she described to me where she

947

00:31:45,190 --> 00:31:42,880

saw how it started was you're in this

948

00:31:47,990 --> 00:31:45,200

state of complete

949

00:31:50,710 --> 00:31:48,000

silence no vibration so when the

950

00:31:52,310 --> 00:31:50,720

consciousness the self the the

951
00:31:54,789 --> 00:31:52,320
higher self the

952
00:31:57,590 --> 00:31:54,799
source whatever starts to vibrate

953
00:31:59,509 --> 00:31:57,600
it's the whole idea of the maya the

954
00:32:01,430 --> 00:31:59,519
illusion the illusion starts and it's

955
00:32:03,430 --> 00:32:01,440
all vibrations so the dense the more it

956
00:32:05,350 --> 00:32:03,440
vibrates you get these different levels

957
00:32:06,470 --> 00:32:05,360
but there is no levels we always

958
00:32:09,590 --> 00:32:06,480
that's one of the things they said to me

959
00:32:11,029 --> 00:32:09,600
in 2017 is is it one thing or is it

960
00:32:12,710 --> 00:32:11,039
separate and we always want to go to the

961
00:32:15,190 --> 00:32:12,720
separation things our left brain is

962
00:32:16,789 --> 00:32:15,200
running it and the left brain wants uh

963
00:32:18,549 --> 00:32:16,799

details and then once it details inside

964

00:32:20,549 --> 00:32:18,559

the details and it wants to break things

965

00:32:22,789 --> 00:32:20,559

down let's make lists so we get lists we

966

00:32:25,350 --> 00:32:22,799

say oh there's these levels in in

967

00:32:27,110 --> 00:32:25,360

of of reality and different levels of

968

00:32:29,029 --> 00:32:27,120

dimension there is there is no levels

969

00:32:30,710 --> 00:32:29,039

it's like falling in the water and you

970

00:32:32,549 --> 00:32:30,720

drop down to 50 feet and you see this

971

00:32:34,310 --> 00:32:32,559

fish and you say what level am i at and

972

00:32:35,430 --> 00:32:34,320

the fish says what is stupid you're in

973

00:32:37,430 --> 00:32:35,440

the water i mean you're just in the

974

00:32:38,549 --> 00:32:37,440

water and the closer you get to the

975

00:32:40,470 --> 00:32:38,559

surface

976

00:32:43,110 --> 00:32:40,480

the closer you get the source

977

00:32:44,950 --> 00:32:43,120

the more the the the brighter it gets

978

00:32:47,509 --> 00:32:44,960

and the more you can see so we're at the

979

00:32:49,590 --> 00:32:47,519

bottom of the ocean in this darkness

980

00:32:51,750 --> 00:32:49,600

and when you change your vibration

981

00:32:53,830 --> 00:32:51,760

through meditation through

982

00:32:55,430 --> 00:32:53,840

71 contact modalities it went through

983

00:32:57,750 --> 00:32:55,440

when you change your vibration you start

984

00:32:59,669 --> 00:32:57,760

to let you start to elevate through the

985

00:33:01,909 --> 00:32:59,679

different vibrations and the more you

986

00:33:02,870 --> 00:33:01,919

your vibration changes the more you see

987

00:33:04,149 --> 00:33:02,880

different things so if you're in a

988

00:33:05,669 --> 00:33:04,159

near-death experience you're a different

989

00:33:07,509 --> 00:33:05,679

vibration out-of-body experience in

990

00:33:09,669 --> 00:33:07,519

different vibration you see different

991

00:33:11,669 --> 00:33:09,679

things and the closer you get to source

992

00:33:13,269 --> 00:33:11,679

the closer you get to the top the more

993

00:33:15,029 --> 00:33:13,279

light there is in the water the more you

994

00:33:16,549 --> 00:33:15,039

can see but it's all the same thing

995

00:33:19,350 --> 00:33:16,559

where we want to change it into these

996

00:33:21,350 --> 00:33:19,360

levels and and and put names on things

997

00:33:23,430 --> 00:33:21,360

but that's left brain doing it it's all

998

00:33:25,430 --> 00:33:23,440

an activity as deepak chopra says it's

999

00:33:27,669 --> 00:33:25,440

all activity inside consciousness when

1000

00:33:30,630 --> 00:33:27,679

you break it down it's all us creating

1001

00:33:32,310 --> 00:33:30,640

this this uh um

1002

00:33:34,789 --> 00:33:32,320

environment if you've if you've

1003

00:33:37,750 --> 00:33:34,799

interviewed mark sims mark sims talks

1004

00:33:39,590 --> 00:33:37,760

about it and um also the other one that

1005

00:33:41,830 --> 00:33:39,600

i was a big fan of i've had four big

1006

00:33:44,070 --> 00:33:41,840

experiences in my life one was seeing dr

1007

00:33:46,549 --> 00:33:44,080

michael newton lecture dr michael newton

1008

00:33:47,909 --> 00:33:46,559

is behind life between lives and when i

1009

00:33:49,909 --> 00:33:47,919

saw that i couldn't i couldn't think for

1010

00:33:52,470 --> 00:33:49,919

two days when i saw so michael newton

1011

00:33:54,389 --> 00:33:52,480

talks about this idea that in this soul

1012

00:33:55,430 --> 00:33:54,399

world these people are building stuff

1013

00:33:57,430 --> 00:33:55,440

and he's going what are you building and

1014

00:33:59,430 --> 00:33:57,440

the guy is making a rock he said you're

1015

00:34:01,190 --> 00:33:59,440

making a rock and he said well yeah i'm

1016

00:34:02,789 --> 00:34:01,200

not very i'm not very good at this yet

1017

00:34:04,230 --> 00:34:02,799

and this is the thing they're using

1018

00:34:05,669 --> 00:34:04,240

consciousness to create or they're

1019

00:34:07,669 --> 00:34:05,679

building these animals to put on

1020

00:34:10,149 --> 00:34:07,679

different planets and and this is this

1021

00:34:11,829 --> 00:34:10,159

idea and and mark sims so when mark sims

1022

00:34:13,669 --> 00:34:11,839

came forward i don't know if he was

1023

00:34:15,829 --> 00:34:13,679

experienced he was with stephen greer in

1024

00:34:17,990 --> 00:34:15,839

the ce5 and he has this this light

1025

00:34:19,510 --> 00:34:18,000

appears and so i always ask these

1026

00:34:21,109 --> 00:34:19,520

certain questions to people i say so

1027

00:34:22,389 --> 00:34:21,119

what was it doing the same as mine so

1028

00:34:24,069 --> 00:34:22,399

what was it doing

1029

00:34:26,310 --> 00:34:24,079

it wasn't doing anything

1030

00:34:28,550 --> 00:34:26,320

did everybody see it or did you see it

1031

00:34:30,069 --> 00:34:28,560

no it's sort of just i sort of i saw it

1032

00:34:31,510 --> 00:34:30,079

maybe somebody else saw but i think just

1033

00:34:32,389 --> 00:34:31,520

i saw it i said do you think it was for

1034

00:34:34,310 --> 00:34:32,399

you

1035

00:34:35,990 --> 00:34:34,320

yeah i think so and he sees this light

1036

00:34:38,550 --> 00:34:36,000

and then he goes and does his c5

1037

00:34:41,829 --> 00:34:38,560

protocol in the room and this being

1038

00:34:44,149 --> 00:34:41,839

tejbar tejbar appears and he's in his

1039

00:34:46,550 --> 00:34:44,159

body for 13 days and tajabar gives him

1040

00:34:47,750 --> 00:34:46,560

this using flowchart he gives them

1041

00:34:49,909 --> 00:34:47,760

exactly the same flow chart that is

1042

00:34:51,750 --> 00:34:49,919

michael newton and this whole idea that

1043

00:34:53,669 --> 00:34:51,760

it starts with very simple things with

1044

00:34:55,430 --> 00:34:53,679

atoms and and it just gets more complex

1045

00:34:57,270 --> 00:34:55,440

and more complex and we're creating all

1046

00:34:58,230 --> 00:34:57,280

this stuff consciousness like atoms have

1047

00:35:00,069 --> 00:34:58,240

consciousness everything has

1048

00:35:01,510 --> 00:35:00,079

consciousness so the consciousness is at

1049

00:35:03,030 --> 00:35:01,520

different levels and it gets more and

1050

00:35:05,829 --> 00:35:03,040

more complex and the universe is getting

1051
00:35:07,190 --> 00:35:05,839
more complex and at level 15 in mark

1052
00:35:09,349 --> 00:35:07,200
sims uh

1053
00:35:11,190 --> 00:35:09,359
flowchart the beings are creating

1054
00:35:13,109 --> 00:35:11,200
galaxies and so that's how it works it's

1055
00:35:14,950 --> 00:35:13,119
this flow of chart and the universe is

1056
00:35:16,950 --> 00:35:14,960
all information is getting more complex

1057
00:35:18,150 --> 00:35:16,960
and more magnificent but it's all

1058
00:35:19,349 --> 00:35:18,160
consciousness we're creating

1059
00:35:21,190 --> 00:35:19,359
consciousness we have to get away from

1060
00:35:22,950 --> 00:35:21,200
the idea that there's this matter that

1061
00:35:24,470 --> 00:35:22,960
has consciousness in it it's

1062
00:35:25,750 --> 00:35:24,480
consciousness creates matter not the

1063
00:35:27,270 --> 00:35:25,760

other way around the same as the thing

1064

00:35:28,950 --> 00:35:27,280

with the near-death experience or the

1065

00:35:31,750 --> 00:35:28,960

out-of-body experience when you look

1066

00:35:35,349 --> 00:35:31,760

back and see your brain you realize

1067

00:35:37,589 --> 00:35:35,359

your brain and all of the world the the

1068

00:35:39,910 --> 00:35:37,599

stars the planets it's all inside your

1069

00:35:41,750 --> 00:35:39,920

consciousness that's the whole the whole

1070

00:35:43,670 --> 00:35:41,760

deal as we make this assumption that

1071

00:35:45,109 --> 00:35:43,680

we're inside the brain

1072

00:35:47,910 --> 00:35:45,119

and then the consciousness leaves and

1073

00:35:49,190 --> 00:35:47,920

floats around but bulemen will say and

1074

00:35:50,230 --> 00:35:49,200

near-death experienced people will say

1075

00:35:51,910 --> 00:35:50,240

no you're not going anywhere you're

1076
00:35:53,670 --> 00:35:51,920
going inside yourself you're just going

1077
00:35:55,270 --> 00:35:53,680
back in through these different levels

1078
00:35:56,470 --> 00:35:55,280
it's all within yourself and it may just

1079
00:35:59,589 --> 00:35:56,480
be like a

1080
00:36:01,349 --> 00:35:59,599
a singularity a point in space and

1081
00:36:02,950 --> 00:36:01,359
it's manipulated it looks like it's big

1082
00:36:04,950 --> 00:36:02,960
it looks like they're stars that's why i

1083
00:36:07,589 --> 00:36:04,960
say it i have the one

1084
00:36:10,230 --> 00:36:07,599
guy whose name is ron johnson who had

1085
00:36:11,750 --> 00:36:10,240
the the craft flying where he they said

1086
00:36:12,870 --> 00:36:11,760
where would you like to go

1087
00:36:14,470 --> 00:36:12,880
and he says

1088
00:36:15,670 --> 00:36:14,480

oh i would like to see the milky way

1089

00:36:18,150 --> 00:36:15,680

they got him sitting in a chair and he's

1090

00:36:20,310 --> 00:36:18,160

got his hands on on this on this chair

1091

00:36:21,670 --> 00:36:20,320

and they they say wherever you think is

1092

00:36:22,790 --> 00:36:21,680

where we're gonna go so he says where

1093

00:36:24,230 --> 00:36:22,800

would you like to go he says i'd like to

1094

00:36:25,670 --> 00:36:24,240

see the milky way from a distance and

1095

00:36:28,230 --> 00:36:25,680

they say this can be very violent for

1096

00:36:30,710 --> 00:36:28,240

about one second and he said it was like

1097

00:36:32,710 --> 00:36:30,720

heavy heavy g-forces and this vibration

1098

00:36:33,990 --> 00:36:32,720

for one second the window was open he

1099

00:36:36,150 --> 00:36:34,000

looked and there was the milky way in

1100

00:36:37,910 --> 00:36:36,160

the distance that was one second so if

1101

00:36:39,510 --> 00:36:37,920

that's true we've got a real problem

1102

00:36:41,750 --> 00:36:39,520

with time and space is there such a

1103

00:36:43,990 --> 00:36:41,760

thing in time as time and space in the

1104

00:36:45,589 --> 00:36:44,000

real consciousness world and if there's

1105

00:36:47,910 --> 00:36:45,599

isn't how big is the universe the

1106

00:36:50,230 --> 00:36:47,920

universe may just actually be a point in

1107

00:36:52,069 --> 00:36:50,240

space even like like uh the the whole

1108

00:36:54,470 --> 00:36:52,079

thing with john wheeler again said this

1109

00:36:55,990 --> 00:36:54,480

whole idea there's only one electron and

1110

00:36:57,750 --> 00:36:56,000

if that's true i mean it's like the

1111

00:36:59,670 --> 00:36:57,760

electron moving back and forth it's this

1112

00:37:01,109 --> 00:36:59,680

whole idea it's impression it looks like

1113

00:37:02,550 --> 00:37:01,119

it's flat it looks like the sun's going

1114

00:37:03,829 --> 00:37:02,560

around the earth we've got to realize

1115

00:37:05,589 --> 00:37:03,839

what's actually going on and that's

1116

00:37:07,510 --> 00:37:05,599

where i change from other people where

1117

00:37:08,870 --> 00:37:07,520

people want to take a look at at ufo

1118

00:37:10,150 --> 00:37:08,880

sightings and gather how many green ones

1119

00:37:12,390 --> 00:37:10,160

and red ones and all that kind of stuff

1120

00:37:14,069 --> 00:37:12,400

there is no you talk to the experiencers

1121

00:37:15,510 --> 00:37:14,079

and they they will actually ask the

1122

00:37:17,270 --> 00:37:15,520

beings and the beings will tell them

1123

00:37:18,550 --> 00:37:17,280

what's actually going on and when you

1124

00:37:20,710 --> 00:37:18,560

start looking at it you start seeing

1125

00:37:22,790 --> 00:37:20,720

these patterns 37 have had near-death

1126
00:37:24,390 --> 00:37:22,800
experiences eighty percent have had uh

1127
00:37:25,430 --> 00:37:24,400
out-of-body experiences twenty-five

1128
00:37:26,950 --> 00:37:25,440
percent are talked to about

1129
00:37:29,349 --> 00:37:26,960
reincarnation you start seeing these

1130
00:37:31,670 --> 00:37:29,359
patterns of what people are being taught

1131
00:37:33,750 --> 00:37:31,680
being told and that is the stuff that's

1132
00:37:35,670 --> 00:37:33,760
in the field or people who say they knew

1133
00:37:37,349 --> 00:37:35,680
everything it's in the field and that is

1134
00:37:39,589 --> 00:37:37,359
more accurate information than the

1135
00:37:41,270 --> 00:37:39,599
rational analytical left brain that is

1136
00:37:42,790 --> 00:37:41,280
sitting here and shuffling around the

1137
00:37:44,790 --> 00:37:42,800
blocks it's like we have this idea we've

1138
00:37:46,230 --> 00:37:44,800

got all these puzzle pieces and the left

1139

00:37:47,589 --> 00:37:46,240

brain is shuffling these puzzle pieces

1140

00:37:48,790 --> 00:37:47,599

trying to put them together and some of

1141

00:37:50,550 --> 00:37:48,800

the pieces don't fit but they're still

1142

00:37:51,990 --> 00:37:50,560

trying to make them fit you've got to

1143

00:37:54,310 --> 00:37:52,000

figure figure out that we're missing

1144

00:37:56,230 --> 00:37:54,320

some of the puzzle pieces and that that

1145

00:37:57,829 --> 00:37:56,240

if you go into the field and pull that

1146

00:37:59,349 --> 00:37:57,839

material back so i'm very interested in

1147

00:38:01,190 --> 00:37:59,359

people who channel i'm very interested

1148

00:38:03,030 --> 00:38:01,200

in people who have out-of-body

1149

00:38:05,510 --> 00:38:03,040

experiences near-death experiences

1150

00:38:06,950 --> 00:38:05,520

psychedelics experiences ufo experiences

1151

00:38:08,230 --> 00:38:06,960

because they're in the field and that

1152

00:38:10,630 --> 00:38:08,240

material is going to be much more

1153

00:38:13,670 --> 00:38:10,640

accurate than the the the stuff that's

1154

00:38:16,470 --> 00:38:13,680

now even go back 5 000 years the idea of

1155

00:38:18,630 --> 00:38:16,480

maya the idea of the illusion that it's

1156

00:38:20,630 --> 00:38:18,640

all an illusion it's all consciousness

1157

00:38:22,390 --> 00:38:20,640

that's a 5 000 year old idea that

1158

00:38:23,829 --> 00:38:22,400

suddenly when we came to simulated

1159

00:38:25,270 --> 00:38:23,839

universe everyone oh yeah we just

1160

00:38:27,109 --> 00:38:25,280

invented this simulated universe it's

1161

00:38:29,030 --> 00:38:27,119

all good at video games

1162

00:38:31,270 --> 00:38:29,040

this thing out this is a 5 000 year old

1163

00:38:33,670 --> 00:38:31,280

idea those people had it they meditated

1164

00:38:35,190 --> 00:38:33,680

to get in the field 5000 years ago and

1165

00:38:36,150 --> 00:38:35,200

and they they pulled that material and

1166

00:38:37,829 --> 00:38:36,160

that's the thing is when you start

1167

00:38:39,430 --> 00:38:37,839

looking at the material in the field i

1168

00:38:41,670 --> 00:38:39,440

think it's gonna be more accurate than

1169

00:38:43,190 --> 00:38:41,680

trying to shuffle these pieces around

1170

00:38:44,870 --> 00:38:43,200

and not look at the five percent that

1171

00:38:46,790 --> 00:38:44,880

gary nolan talks about so five percent

1172

00:38:48,390 --> 00:38:46,800

of the puzzle pieces that don't fit that

1173

00:38:50,230 --> 00:38:48,400

tell you something is wrong you've got

1174

00:38:52,550 --> 00:38:50,240

something figured out and it's not

1175

00:38:55,510 --> 00:38:52,560

accurate

1176

00:38:57,670 --> 00:38:55,520

this is uh man this this conversation is

1177

00:39:00,150 --> 00:38:57,680

something that really makes all the

1178

00:39:01,510 --> 00:39:00,160

synapses in your brain fire when we

1179

00:39:03,510 --> 00:39:01,520

start talking about the size of the

1180

00:39:04,950 --> 00:39:03,520

universe we start thinking i know we're

1181

00:39:07,510 --> 00:39:04,960

about to go to flares kevin and his

1182

00:39:09,589 --> 00:39:07,520

synapses are fired and and the uh you

1183

00:39:11,349 --> 00:39:09,599

know like the voyager that went to mars

1184

00:39:13,910 --> 00:39:11,359

like what what would happen if we just

1185

00:39:16,069 --> 00:39:13,920

let that that craft you know continue on

1186

00:39:17,670 --> 00:39:16,079

like what does it end up seeing because

1187

00:39:19,750 --> 00:39:17,680

uh it is you know how big is the

1188

00:39:21,109 --> 00:39:19,760

universe but kevin i'm sure you can

1189

00:39:23,190 --> 00:39:21,119

answer all these questions but go ahead

1190

00:39:25,750 --> 00:39:23,200

and ask graham oh question that you have

1191

00:39:27,750 --> 00:39:25,760

oh wow man so yeah i'm glad that we're

1192

00:39:29,670 --> 00:39:27,760

talking about uh slow state and

1193

00:39:31,589 --> 00:39:29,680

phenomenon because i'm an artist i've

1194

00:39:34,069 --> 00:39:31,599

experienced flow state um

1195

00:39:36,390 --> 00:39:34,079

writing poetry writing fiction

1196

00:39:38,390 --> 00:39:36,400

i'm a musician also i've experienced um

1197

00:39:40,150 --> 00:39:38,400

with and without people other people

1198

00:39:41,670 --> 00:39:40,160

playing music like a band i've

1199

00:39:43,510 --> 00:39:41,680

experienced flow state also i'm a

1200

00:39:45,349 --> 00:39:43,520

martial artist i've experienced it

1201
00:39:48,550 --> 00:39:45,359
during a sparring session

1202
00:39:50,550 --> 00:39:48,560
um i also teach kids diagnose on with

1203
00:39:52,390 --> 00:39:50,560
autism spectrum disorder and i have

1204
00:39:54,390 --> 00:39:52,400
experienced it while teaching these

1205
00:39:55,430 --> 00:39:54,400
groups of kids it's flow state

1206
00:39:58,470 --> 00:39:55,440
so um

1207
00:40:00,230 --> 00:39:58,480
the flow state i've been trying to

1208
00:40:02,550 --> 00:40:00,240
come up with a operational definition

1209
00:40:04,230 --> 00:40:02,560
for it so what i've got is it's for me

1210
00:40:05,910 --> 00:40:04,240
it's basically it's a physical

1211
00:40:09,270 --> 00:40:05,920
manifestation

1212
00:40:11,589 --> 00:40:09,280
of unity between fluency of a skill and

1213
00:40:14,950 --> 00:40:11,599

the self expressed over time that's how

1214

00:40:16,710 --> 00:40:14,960

i i seem to notice it so um how do you

1215

00:40:17,910 --> 00:40:16,720

think that art connects our

1216

00:40:20,550 --> 00:40:17,920

consciousness

1217

00:40:22,069 --> 00:40:20,560

to the phenomenon as a whole like do you

1218

00:40:26,870 --> 00:40:22,079

think it's perhaps like maybe a

1219

00:40:30,710 --> 00:40:28,870

i'll give you my my my impression i i

1220

00:40:32,150 --> 00:40:30,720

basically i wrote a book called tuned in

1221

00:40:33,670 --> 00:40:32,160

the paranormal world of music i wrote a

1222

00:40:35,589 --> 00:40:33,680

whole book on musicians right where they

1223

00:40:37,670 --> 00:40:35,599

get their songs from and the download

1224

00:40:39,190 --> 00:40:37,680

songs and the spontaneous songs and and

1225

00:40:41,510 --> 00:40:39,200

they're all very right-brained creative

1226

00:40:43,910 --> 00:40:41,520

people and that's what they said to

1227

00:40:45,829 --> 00:40:43,920

roger lear who did the 17 alien implants

1228

00:40:47,990 --> 00:40:45,839

in los angeles said what's common

1229

00:40:50,069 --> 00:40:48,000

between all experiencers he said they're

1230

00:40:52,150 --> 00:40:50,079

all right brain creative people and

1231

00:40:53,829 --> 00:40:52,160

there's tons of them in hollywood and

1232

00:40:55,910 --> 00:40:53,839

and all implants are on the left side of

1233

00:40:57,510 --> 00:40:55,920

the body that's what he said he had 250

1234

00:40:58,710 --> 00:40:57,520

implants that looked at all implants on

1235

00:41:00,870 --> 00:40:58,720

the left side of the body the left side

1236

00:41:02,630 --> 00:41:00,880

of the body is run by the right brain

1237

00:41:04,870 --> 00:41:02,640

the right the left

1238

00:41:06,710 --> 00:41:04,880

vice versa so the right right brain runs

1239

00:41:07,990 --> 00:41:06,720

left side of the body and the left brain

1240

00:41:09,349 --> 00:41:08,000

runs the right side of the body so if

1241

00:41:11,430 --> 00:41:09,359

all implants are on the left side of the

1242

00:41:13,430 --> 00:41:11,440

body they ain't interested in your left

1243

00:41:15,510 --> 00:41:13,440

brain they're operating on your right

1244

00:41:17,109 --> 00:41:15,520

brain which is the female creative brain

1245

00:41:18,790 --> 00:41:17,119

we have the male brain that's destroying

1246

00:41:21,670 --> 00:41:18,800

the world here and then you have this

1247

00:41:25,109 --> 00:41:21,680

idea of the female brain that the so you

1248

00:41:28,470 --> 00:41:25,119

see musicians it's all it an art it's

1249

00:41:30,230 --> 00:41:28,480

all it's all visual it's all right brain

1250

00:41:31,750 --> 00:41:30,240

so that's what you see in psychedelics

1251

00:41:33,190 --> 00:41:31,760

that's what you see in dreams that's

1252

00:41:34,630 --> 00:41:33,200

what you see in all these sort of things

1253

00:41:36,870 --> 00:41:34,640

you're seeing you're not they don't come

1254

00:41:38,309 --> 00:41:36,880

to you and say uh here's a lecture and

1255

00:41:40,630 --> 00:41:38,319

they stand up and give you a lecture or

1256

00:41:42,950 --> 00:41:40,640

a left brain lecture they use images

1257

00:41:45,109 --> 00:41:42,960

that's what jim semivan said you look at

1258

00:41:47,109 --> 00:41:45,119

jim semivan the cia guy who had the

1259

00:41:49,750 --> 00:41:47,119

beings in his room what did he say they

1260

00:41:52,630 --> 00:41:49,760

talk in symbols symbols is right brain

1261

00:41:54,870 --> 00:41:52,640

it's visual and so musicians and artists

1262

00:41:56,870 --> 00:41:54,880

you see a lot of them are experiencers

1263

00:41:59,030 --> 00:41:56,880

because they have this right brain

1264

00:42:00,950 --> 00:41:59,040

they're able to shut down the left brain

1265

00:42:02,870 --> 00:42:00,960

it the rational analytical people don't

1266

00:42:04,870 --> 00:42:02,880

have the experiences because they're so

1267

00:42:06,790 --> 00:42:04,880

wrapped up in the ego and they're right

1268

00:42:08,150 --> 00:42:06,800

their left brain they go it's like i

1269

00:42:09,750 --> 00:42:08,160

don't need a briefing don't tell me

1270

00:42:12,150 --> 00:42:09,760

what's going on i'll tell you exactly

1271

00:42:13,829 --> 00:42:12,160

and they can they use logic i can stand

1272

00:42:15,589 --> 00:42:13,839

on my feet and argue with anybody i

1273

00:42:18,150 --> 00:42:15,599

don't need to read the book i can argue

1274

00:42:20,390 --> 00:42:18,160

with you but it's the it's the the idea

1275

00:42:23,030 --> 00:42:20,400

that art definitely we went through we

1276

00:42:24,870 --> 00:42:23,040

did a bunch of uh podcasts with artists

1277

00:42:26,390 --> 00:42:24,880

and how many of them were experiences

1278

00:42:27,990 --> 00:42:26,400

and how how do you get your art and

1279

00:42:29,670 --> 00:42:28,000

where do your songs come from and you'll

1280

00:42:31,430 --> 00:42:29,680

ask people like how long did it take

1281

00:42:33,910 --> 00:42:31,440

that song to come blowing in the wind

1282

00:42:36,150 --> 00:42:33,920

neil neil young and um

1283

00:42:37,829 --> 00:42:36,160

um the answer my friend is blowing in

1284

00:42:39,349 --> 00:42:37,839

the wind yeah what yeah what's this

1285

00:42:40,950 --> 00:42:39,359

what's his name i can't remember what

1286

00:42:42,069 --> 00:42:40,960

artist someone's got to google it stop

1287

00:42:47,190 --> 00:42:42,079

dylan

1288

00:42:49,030 --> 00:42:47,200

said

1289

00:42:49,910 --> 00:42:49,040

so you got you did that in 10 minutes he

1290

00:42:50,710 --> 00:42:49,920

went

1291

00:42:52,870 --> 00:42:50,720

yeah

1292

00:42:55,190 --> 00:42:52,880

so where'd it come from

1293

00:42:56,950 --> 00:42:55,200

i don't know i'm not sure that uh

1294

00:43:00,069 --> 00:42:56,960

wellspring of creativity and you see

1295

00:43:01,589 --> 00:43:00,079

this over and over musicians don't uh um

1296

00:43:03,349 --> 00:43:01,599

michael jackson said he was embarrassed

1297

00:43:05,349 --> 00:43:03,359

to put his name on the songs because he

1298

00:43:06,550 --> 00:43:05,359

said i didn't write them he said i they

1299

00:43:08,390 --> 00:43:06,560

definitely just came to me and that's

1300

00:43:10,390 --> 00:43:08,400

the whole thing and that is the ability

1301
00:43:11,910 --> 00:43:10,400
to shut down so you've gotta you gotta

1302
00:43:14,309 --> 00:43:11,920
shut down the left brain musicians can

1303
00:43:15,670 --> 00:43:14,319
do it is shut down that rational

1304
00:43:17,589 --> 00:43:15,680
analytical thing that's creating the

1305
00:43:19,190 --> 00:43:17,599
noise and once you get rid of the noise

1306
00:43:20,950 --> 00:43:19,200
where there's meditation or however

1307
00:43:23,109 --> 00:43:20,960
you're doing it and you get into that

1308
00:43:25,109 --> 00:43:23,119
flow state the left brain is shut down

1309
00:43:26,630 --> 00:43:25,119
the flow state is on and the stuff comes

1310
00:43:28,790 --> 00:43:26,640
starts coming in but it's coming in

1311
00:43:31,910 --> 00:43:28,800
through images it's coming in sort of

1312
00:43:33,430 --> 00:43:31,920
intuitively and and very vague and

1313
00:43:34,790 --> 00:43:33,440

you've got to sort of interpret it and

1314

00:43:36,390 --> 00:43:34,800

stuff like that so that's my

1315

00:43:37,990 --> 00:43:36,400

interpretation i think artists are are

1316

00:43:39,349 --> 00:43:38,000

very important that's where

1317

00:43:41,190 --> 00:43:39,359

like even

1318

00:43:42,230 --> 00:43:41,200

roger lear said i mean all right brain

1319

00:43:44,230 --> 00:43:42,240

created people that was his

1320

00:43:45,829 --> 00:43:44,240

interpretation of all experiencers who

1321

00:43:47,190 --> 00:43:45,839

have been abducted so it's not like

1322

00:43:49,829 --> 00:43:47,200

you're on the wrong street corner at the

1323

00:43:51,910 --> 00:43:49,839

wrong time it's uh this whole idea that

1324

00:43:54,069 --> 00:43:51,920

that you're in the right mind state that

1325

00:43:55,910 --> 00:43:54,079

they can they can talk to you if your

1326

00:43:57,829 --> 00:43:55,920

left brain is going they just can't talk

1327

00:43:59,190 --> 00:43:57,839

to you because your your your left brain

1328

00:44:00,870 --> 00:43:59,200

is making too much noise they can't get

1329

00:44:03,109 --> 00:44:00,880

the signal to you everybody can get the

1330

00:44:04,230 --> 00:44:03,119

signal it's the ability to get in that

1331

00:44:06,230 --> 00:44:04,240

state

1332

00:44:07,829 --> 00:44:06,240

i feel like i'm missing half of each

1333

00:44:09,670 --> 00:44:07,839

like i only have half of the left and

1334

00:44:11,670 --> 00:44:09,680

half of the right because i'm not that

1335

00:44:12,710 --> 00:44:11,680

analytical i'm not that creative i don't

1336

00:44:14,470 --> 00:44:12,720

i don't know if you have anybody that

1337

00:44:15,910 --> 00:44:14,480

can help me out but

1338

00:44:17,990 --> 00:44:15,920

well the question the question to that

1339

00:44:19,829 --> 00:44:18,000

is who's the eye that's talking mm-hmm

1340

00:44:21,589 --> 00:44:19,839

yeah you often get that like jim semivan

1341

00:44:23,030 --> 00:44:21,599

came up and said oh i don't i you know i

1342

00:44:25,030 --> 00:44:23,040

they made me very angry and i was like

1343

00:44:26,790 --> 00:44:25,040

well i and or people say i get very

1344

00:44:28,710 --> 00:44:26,800

upset well who's upset is he your ego is

1345

00:44:30,069 --> 00:44:28,720

upset or is your higher self is upset

1346

00:44:31,750 --> 00:44:30,079

it's always the eagle good point it's

1347

00:44:32,950 --> 00:44:31,760

the ego's running the show like he was

1348

00:44:34,470 --> 00:44:32,960

trying to figure out you know i've got

1349

00:44:37,510 --> 00:44:34,480

this figured out and

1350

00:44:39,510 --> 00:44:37,520

and and we always have to stay you know

1351

00:44:41,430 --> 00:44:39,520

the idea that

1352

00:44:44,150 --> 00:44:41,440

all spiritual literature has one

1353

00:44:46,230 --> 00:44:44,160

component to it says remember who you

1354

00:44:48,230 --> 00:44:46,240

actually are that's what it's all about

1355

00:44:50,069 --> 00:44:48,240

nobody ever thinks why did i come in the

1356

00:44:51,910 --> 00:44:50,079

world and where am i going to go when i

1357

00:44:53,910 --> 00:44:51,920

leave the world and what am i doing here

1358

00:44:55,349 --> 00:44:53,920

that's never a consideration by anybody

1359

00:44:57,190 --> 00:44:55,359

that is the number one thing we should

1360

00:44:59,589 --> 00:44:57,200

be working on is what the hell are we

1361

00:45:01,670 --> 00:44:59,599

doing here like what is going on here

1362

00:45:03,349 --> 00:45:01,680

and and that's the idea as the way i

1363

00:45:04,390 --> 00:45:03,359

describe it is described by many

1364

00:45:09,589 --> 00:45:04,400

traditions

1365

00:45:12,790 --> 00:45:09,599

it is remember you are not the actor on

1366

00:45:15,270 --> 00:45:12,800

the stage you are playing an actor on a

1367

00:45:17,990 --> 00:45:15,280

stage big difference you're the person

1368

00:45:20,390 --> 00:45:18,000

behind the stage and you're you're a

1369

00:45:23,190 --> 00:45:20,400

spiritual being having a physical uh

1370

00:45:25,030 --> 00:45:23,200

incarnation and when you leave it's like

1371

00:45:27,109 --> 00:45:25,040

whitley strieber's wife

1372

00:45:29,750 --> 00:45:27,119

and i talked to whitley about this uh

1373

00:45:33,190 --> 00:45:29,760

whitley's wife comes back after

1374

00:45:35,190 --> 00:45:33,200

she dies and she says uh whitley i'd

1375

00:45:37,349 --> 00:45:35,200

like to tell you

1376

00:45:39,910 --> 00:45:37,359

i am no longer anne

1377

00:45:40,870 --> 00:45:39,920

but i'll always be and to you which

1378

00:45:42,870 --> 00:45:40,880

means

1379

00:45:44,870 --> 00:45:42,880

i've gone on i'm i'm somebody else now

1380

00:45:47,349 --> 00:45:44,880

i've gone on but i'll always be anne to

1381

00:45:49,349 --> 00:45:47,359

you because you and i played that role

1382

00:45:50,790 --> 00:45:49,359

on stage it's like when my father died

1383

00:45:52,870 --> 00:45:50,800

two days before my father died his

1384

00:45:54,630 --> 00:45:52,880

father came to see him and i said okay

1385

00:45:56,390 --> 00:45:54,640

so if his father

1386

00:45:58,230 --> 00:45:56,400

had lived a thousand lives why does he

1387

00:45:59,430 --> 00:45:58,240

come as my grandfather because if he

1388

00:46:01,270 --> 00:45:59,440

came to anybody else my father wouldn't

1389

00:46:03,670 --> 00:46:01,280

know who the hell he was right we come

1390

00:46:05,430 --> 00:46:03,680

in and we play whatever whatever role we

1391

00:46:07,910 --> 00:46:05,440

want to play or as there's a guy by the

1392

00:46:09,430 --> 00:46:07,920

name of jose uh uc ronan who's an

1393

00:46:10,550 --> 00:46:09,440

experience he wrote a book called one

1394

00:46:11,750 --> 00:46:10,560

which is the main message that the

1395

00:46:14,550 --> 00:46:11,760

beings are trying to get across this

1396

00:46:16,069 --> 00:46:14,560

oneness message and and he the beings

1397

00:46:17,910 --> 00:46:16,079

were they were green beings that were in

1398

00:46:20,069 --> 00:46:17,920

the room and the way they described it

1399

00:46:22,309 --> 00:46:20,079

when we come into your world

1400

00:46:24,470 --> 00:46:22,319

we have to take on a body we can take on

1401
00:46:26,150 --> 00:46:24,480
whatever body we want we don't need it

1402
00:46:29,030 --> 00:46:26,160
but we have to take it on to come into

1403
00:46:31,270 --> 00:46:29,040
the physical world but we can we can we

1404
00:46:32,790 --> 00:46:31,280
don't need it in our world you can do

1405
00:46:34,710 --> 00:46:32,800
the same thing you just don't know it

1406
00:46:37,109 --> 00:46:34,720
and that's the whole idea is that so you

1407
00:46:38,710 --> 00:46:37,119
start looking at the beings where i'll

1408
00:46:40,309 --> 00:46:38,720
say all beings are different people said

1409
00:46:41,670 --> 00:46:40,319
grace and when i put them all together

1410
00:46:42,950 --> 00:46:41,680
you start putting them on a flowchart

1411
00:46:44,550 --> 00:46:42,960
you start looking they're all different

1412
00:46:47,190 --> 00:46:44,560
they're all look different and it's the

1413
00:46:49,270 --> 00:46:47,200

whole idea is does john mack brought

1414

00:46:51,349 --> 00:46:49,280

this up does the being that you see

1415

00:46:53,910 --> 00:46:51,359

indicate who you are if you're if you're

1416

00:46:55,910 --> 00:46:53,920

in fear you see a gray if you're uh

1417

00:46:57,670 --> 00:46:55,920

you've got a sexual thing or very high

1418

00:47:00,470 --> 00:46:57,680

energy you're going to see a reptilian

1419

00:47:03,109 --> 00:47:00,480

and this whole idea uh

1420

00:47:05,829 --> 00:47:03,119

what you see may be interpreted by

1421

00:47:08,150 --> 00:47:05,839

uh your your your they know what you

1422

00:47:09,430 --> 00:47:08,160

want to see they're showing you what

1423

00:47:11,670 --> 00:47:09,440

they're showing you what they think you

1424

00:47:13,190 --> 00:47:11,680

want to see or we're seeing but to hold

1425

00:47:14,790 --> 00:47:13,200

the ideas they're only one consciousness

1426
00:47:16,630 --> 00:47:14,800
we're behind this whole thing there's no

1427
00:47:17,829 --> 00:47:16,640
them there's there's just us we're

1428
00:47:19,910 --> 00:47:17,839
creating this whole thing we're

1429
00:47:21,670 --> 00:47:19,920
interacting with other sparks of divine

1430
00:47:24,710 --> 00:47:21,680
but we're still creating this so we

1431
00:47:25,990 --> 00:47:24,720
interpret based upon our feelings as to

1432
00:47:28,390 --> 00:47:26,000
what they what what they're going to

1433
00:47:30,549 --> 00:47:28,400
look like and we we build the world it's

1434
00:47:32,710 --> 00:47:30,559
it's the like no two dreams of the same

1435
00:47:35,109 --> 00:47:32,720
no two abduction experiences and i would

1436
00:47:36,630 --> 00:47:35,119
even say that no two ufos are the same

1437
00:47:38,230 --> 00:47:36,640
that if you start looking at them like

1438
00:47:40,309 --> 00:47:38,240

why do you have those lights on him it's

1439

00:47:41,910 --> 00:47:40,319

like you know they would they they want

1440

00:47:43,990 --> 00:47:41,920

us to see them and people are

1441

00:47:45,910 --> 00:47:44,000

interpreting it differently based upon

1442

00:47:47,349 --> 00:47:45,920

how they see things because we're the

1443

00:47:49,109 --> 00:47:47,359

ones that are creating things we always

1444

00:47:51,109 --> 00:47:49,119

want to say there's something out there

1445

00:47:52,950 --> 00:47:51,119

the einstein thing i want to believe the

1446

00:47:54,390 --> 00:47:52,960

moon is behind me when i'm not looking

1447

00:47:55,829 --> 00:47:54,400

and it's the whole idea is the moon

1448

00:47:57,910 --> 00:47:55,839

actually behind you or are we creating

1449

00:47:59,270 --> 00:47:57,920

this is this collective reality are we

1450

00:48:01,030 --> 00:47:59,280

making this correct collective thing

1451
00:48:02,630 --> 00:48:01,040
that we are creating everything this is

1452
00:48:04,870 --> 00:48:02,640
this whole idea god did not create the

1453
00:48:06,630 --> 00:48:04,880
heaven and the earth or desire source or

1454
00:48:08,710 --> 00:48:06,640
whatever you want to call it that we

1455
00:48:10,470 --> 00:48:08,720
it's all consciousness it's all being

1456
00:48:12,549 --> 00:48:10,480
created by the consciousness in the

1457
00:48:14,150 --> 00:48:12,559
universe and it's getting more complex

1458
00:48:15,750 --> 00:48:14,160
but there is no

1459
00:48:18,230 --> 00:48:15,760
separate consciousness we have this idea

1460
00:48:19,750 --> 00:48:18,240
of ai that you can take ai and you can

1461
00:48:22,069 --> 00:48:19,760
take the consciousness out and put it

1462
00:48:23,589 --> 00:48:22,079
into something but

1463
00:48:25,349 --> 00:48:23,599

it's all gonna it's all consciousness

1464

00:48:26,870 --> 00:48:25,359

everything we we're starting to learn

1465

00:48:29,190 --> 00:48:26,880

everything has consciousness in it and

1466

00:48:31,109 --> 00:48:29,200

when you talk to people who died

1467

00:48:34,549 --> 00:48:31,119

like sting the musician when he when he

1468

00:48:36,950 --> 00:48:34,559

was doing the ayahuasca in peru uh or

1469

00:48:38,549 --> 00:48:36,960

brazil wherever he was he said when they

1470

00:48:40,710 --> 00:48:38,559

gave him the one they said which one of

1471

00:48:41,990 --> 00:48:40,720

you would be sting and he goes that's me

1472

00:48:43,990 --> 00:48:42,000

oh we got special one for you and they

1473

00:48:46,069 --> 00:48:44,000

give him this huge thing

1474

00:48:47,589 --> 00:48:46,079

and he's absolutely like totally blown

1475

00:48:49,270 --> 00:48:47,599

away i mean he's just like he said he

1476

00:48:50,950 --> 00:48:49,280

went to the guy and begged him to to get

1477

00:48:52,790 --> 00:48:50,960

rid of him and get help me out of this

1478

00:48:54,230 --> 00:48:52,800

thing and he said and and i suddenly

1479

00:48:55,990 --> 00:48:54,240

realized everything was alive and

1480

00:48:57,430 --> 00:48:56,000

conscious and i looked at a little plant

1481

00:48:59,430 --> 00:48:57,440

coming out of the ground and i said

1482

00:49:01,190 --> 00:48:59,440

that's my brother it's this concept that

1483

00:49:02,710 --> 00:49:01,200

it's all consciousness all created out

1484

00:49:04,150 --> 00:49:02,720

of consciousness and that's what people

1485

00:49:05,829 --> 00:49:04,160

will say when when they have these

1486

00:49:08,549 --> 00:49:05,839

experiences they suddenly realize

1487

00:49:10,069 --> 00:49:08,559

everything is alive and conscious and

1488

00:49:12,950 --> 00:49:10,079

and it's all consciousness so when you

1489

00:49:14,790 --> 00:49:12,960

have the craft you have the aai yes the

1490

00:49:16,549 --> 00:49:14,800

craft is conscious everybody that's

1491

00:49:18,950 --> 00:49:16,559

flown the craft will tell you the craft

1492

00:49:21,670 --> 00:49:18,960

is conscious it's a lie and when you put

1493

00:49:23,430 --> 00:49:21,680

your hand on a panel or on a ball or

1494

00:49:24,790 --> 00:49:23,440

wherever they get you to put your hand

1495

00:49:26,390 --> 00:49:24,800

and you become one with the craft

1496

00:49:27,990 --> 00:49:26,400

everybody says the same thing the 747

1497

00:49:29,829 --> 00:49:28,000

airline pilot he said i had to dream

1498

00:49:30,950 --> 00:49:29,839

twice and he said that joe burks told me

1499

00:49:32,630 --> 00:49:30,960

he said you know i don't think it's a

1500

00:49:34,230 --> 00:49:32,640

dream tell me to tell me this story and

1501

00:49:37,829 --> 00:49:34,240

he said i had a dream last year and

1502

00:49:39,829 --> 00:49:37,839

here's the 747 400 united airlines pilot

1503

00:49:41,349 --> 00:49:39,839

describing this thing that that he

1504

00:49:43,109 --> 00:49:41,359

became one of the craft he said was like

1505

00:49:44,870 --> 00:49:43,119

it was totally he was totally linked in

1506

00:49:46,549 --> 00:49:44,880

he became the craft and whatever he

1507

00:49:48,549 --> 00:49:46,559

thought is what the craft did and that's

1508

00:49:50,230 --> 00:49:48,559

this whole idea that people will say the

1509

00:49:52,069 --> 00:49:50,240

the being will say to you okay where do

1510

00:49:53,910 --> 00:49:52,079

you want to go and they'll say

1511

00:49:56,309 --> 00:49:53,920

i want to go somewhere and they say okay

1512

00:49:58,150 --> 00:49:56,319

you imagine it you have to imagine it

1513

00:49:59,670 --> 00:49:58,160

get it in your mind and they say as soon

1514

00:50:01,349 --> 00:49:59,680

as they get in their mind they are there

1515

00:50:03,430 --> 00:50:01,359

instantaneously wherever it is in the

1516

00:50:05,670 --> 00:50:03,440

universe and that's this whole idea when

1517

00:50:07,109 --> 00:50:05,680

you start if that stories are true

1518

00:50:09,109 --> 00:50:07,119

the idea that we have of how the

1519

00:50:11,109 --> 00:50:09,119

universe works is totally messed up it

1520

00:50:12,790 --> 00:50:11,119

is so we're missing the boat

1521

00:50:14,549 --> 00:50:12,800

may be this totally different thing that

1522

00:50:17,349 --> 00:50:14,559

it's the the physical thing when you

1523

00:50:18,870 --> 00:50:17,359

break down all the physical uh stuff it

1524

00:50:20,390 --> 00:50:18,880

breaks down into smaller and smaller

1525

00:50:23,190 --> 00:50:20,400

components it ends up being energy it

1526

00:50:26,950 --> 00:50:23,200

ends up being vibration and and even

1527

00:50:28,790 --> 00:50:26,960

niels bohr said um back in 100 years ago

1528

00:50:31,030 --> 00:50:28,800

he said there is no and this guy won the

1529

00:50:33,510 --> 00:50:31,040

nobel prize for the adam he said there

1530

00:50:35,510 --> 00:50:33,520

is no matter as such we're still in this

1531

00:50:37,910 --> 00:50:35,520

belief that there is this physical thing

1532

00:50:39,910 --> 00:50:37,920

and it's solid and it's it doesn't have

1533

00:50:41,750 --> 00:50:39,920

any consciousness in it and these are

1534

00:50:45,109 --> 00:50:41,760

all ideas that i say are and are going

1535

00:50:47,270 --> 00:50:45,119

to end up being totally wrong

1536

00:50:48,710 --> 00:50:47,280

yeah yeah i agree deb i know you had a

1537

00:50:52,069 --> 00:50:48,720

question i wanted to make sure you had a

1538

00:50:53,589 --> 00:50:52,079

chance to ask it yeah i'm trying to wrap

1539

00:50:55,750 --> 00:50:53,599

my head around this i've said it a

1540

00:50:58,390 --> 00:50:55,760

couple of times trying to try to get it

1541

00:51:00,150 --> 00:50:58,400

all but but um one thing i've noticed

1542

00:51:01,670 --> 00:51:00,160

though is that there seems to be an

1543

00:51:04,549 --> 00:51:01,680

aspect that's like maybe shared

1544

00:51:06,790 --> 00:51:04,559

consciousness um because some of my

1545

00:51:08,870 --> 00:51:06,800

experiences in meditation other people

1546

00:51:10,790 --> 00:51:08,880

have experienced as well and

1547

00:51:13,030 --> 00:51:10,800

and we were actually touching on this a

1548

00:51:15,109 --> 00:51:13,040

little bit before the show one of the

1549

00:51:17,510 --> 00:51:15,119

things that i've experienced in

1550

00:51:20,470 --> 00:51:17,520

meditation was being shown how to fly

1551
00:51:22,790 --> 00:51:20,480
the craft it was not with controls it

1552
00:51:23,910 --> 00:51:22,800
was with my mind and it was you know

1553
00:51:26,309 --> 00:51:23,920
like

1554
00:51:28,309 --> 00:51:26,319
the the craft is alive it becomes a part

1555
00:51:31,750 --> 00:51:28,319
of you like an extension

1556
00:51:33,910 --> 00:51:31,760
and um i guess my question

1557
00:51:37,349 --> 00:51:33,920
is why do you think it is that we're

1558
00:51:40,870 --> 00:51:37,359
having this shared commonalities with

1559
00:51:46,230 --> 00:51:43,750
it's a teaching process it's all

1560
00:51:48,870 --> 00:51:46,240
developing and

1561
00:51:50,470 --> 00:51:48,880
learning and making more making the

1562
00:51:52,870 --> 00:51:50,480
universe more complex

1563
00:51:54,710 --> 00:51:52,880

it's all it's all going to be uh the the

1564

00:51:56,309 --> 00:51:54,720

whole concept how do why are we here i

1565

00:51:59,589 --> 00:51:56,319

mean we're here to learn certain things

1566

00:52:01,190 --> 00:51:59,599

to experience certain things even just a

1567

00:52:03,589 --> 00:52:01,200

lot of the

1568

00:52:05,990 --> 00:52:03,599

people whether it's the guides

1569

00:52:08,390 --> 00:52:06,000

called the guides

1570

00:52:09,910 --> 00:52:08,400

margie getz uh the

1571

00:52:11,670 --> 00:52:09,920

contact she's got are the beings when i

1572

00:52:13,510 --> 00:52:11,680

went to the beings in great britain i

1573

00:52:14,870 --> 00:52:13,520

said to the beings they wanted an

1574

00:52:16,710 --> 00:52:14,880

interview so and they're actually going

1575

00:52:17,910 --> 00:52:16,720

to do a documentary that i'm going to do

1576
00:52:19,990 --> 00:52:17,920
an interview with these two women that

1577
00:52:22,390 --> 00:52:20,000
are con to contact these beings and i

1578
00:52:23,990 --> 00:52:22,400
asked the beings i said uh are you

1579
00:52:25,270 --> 00:52:24,000
extraterrestrials and i said

1580
00:52:27,190 --> 00:52:25,280
oh if you want us to be

1581
00:52:28,230 --> 00:52:27,200
extraterrestrials we could do that yeah

1582
00:52:30,790 --> 00:52:28,240
we could actually take care to our

1583
00:52:32,870 --> 00:52:30,800
planet if you want but no we've always

1584
00:52:35,270 --> 00:52:32,880
been here and that's this whole idea is

1585
00:52:38,390 --> 00:52:35,280
like is there actually any anything out

1586
00:52:41,109 --> 00:52:38,400
there or is it all within ourselves so

1587
00:52:42,790 --> 00:52:41,119
you have this um this this idea that

1588
00:52:45,829 --> 00:52:42,800

we're all there

1589

00:52:47,670 --> 00:52:45,839

uh but in the end it it sparks of the

1590

00:52:50,470 --> 00:52:47,680

divine that are broken off and we work

1591

00:52:52,790 --> 00:52:50,480

in pairs if you follow dr michael newton

1592

00:52:54,710 --> 00:52:52,800

that we pair up in the old idea that we

1593

00:52:55,910 --> 00:52:54,720

may have i had an agreement before we

1594

00:52:57,750 --> 00:52:55,920

were born that all of us are going to

1595

00:52:58,630 --> 00:52:57,760

get together and do the show oh yeah

1596

00:52:59,750 --> 00:52:58,640

okay you're going to do this you're

1597

00:53:00,870 --> 00:52:59,760

going to do this and everybody's got

1598

00:53:02,950 --> 00:53:00,880

their little thing they're supposed to

1599

00:53:05,349 --> 00:53:02,960

do and we're gathering together but

1600

00:53:06,870 --> 00:53:05,359

we're all players on a stage we're all

1601
00:53:08,870 --> 00:53:06,880
these actors on the stage and we got to

1602
00:53:11,349 --> 00:53:08,880
keep remembering that that when it's all

1603
00:53:13,349 --> 00:53:11,359
over i mean you you if you take this too

1604
00:53:16,630 --> 00:53:13,359
seriously the world and actually believe

1605
00:53:18,630 --> 00:53:16,640
the ego who am i you know the i i i i

1606
00:53:20,710 --> 00:53:18,640
and and then you get off stage you know

1607
00:53:22,150 --> 00:53:20,720
you're you're you're the people in your

1608
00:53:24,470 --> 00:53:22,160
soul group are going to say

1609
00:53:25,670 --> 00:53:24,480
oh uh dj man you you really bought into

1610
00:53:26,870 --> 00:53:25,680
that thing man you really thought you're

1611
00:53:28,790 --> 00:53:26,880
a dj

1612
00:53:30,870 --> 00:53:28,800
you get the academy award man you just

1613
00:53:32,390 --> 00:53:30,880

you got you got you played it so well

1614

00:53:33,910 --> 00:53:32,400

you actually believed it and we all

1615

00:53:35,910 --> 00:53:33,920

believe it we actually believe that we

1616

00:53:38,630 --> 00:53:35,920

are and then once you die you suddenly

1617

00:53:40,390 --> 00:53:38,640

realize like huh oh i you know i'm going

1618

00:53:42,230 --> 00:53:40,400

on to a different life and that was just

1619

00:53:43,670 --> 00:53:42,240

an act that was just a play that we did

1620

00:53:45,829 --> 00:53:43,680

but it was to learn things it was to

1621

00:53:47,910 --> 00:53:45,839

experience things to uh get it more

1622

00:53:50,390 --> 00:53:47,920

complex i think the one thing i like to

1623

00:53:52,470 --> 00:53:50,400

point out because my my my associate

1624

00:53:54,150 --> 00:53:52,480

audesta and i had an experience with she

1625

00:53:56,309 --> 00:53:54,160

had this long

1626
00:53:58,069 --> 00:53:56,319
channeling thing where she had this uh

1627
00:53:59,349 --> 00:53:58,079
they basically told her it's all

1628
00:54:01,030 --> 00:53:59,359
pre-planned

1629
00:54:03,430 --> 00:54:01,040
just live your life i mean you planned

1630
00:54:04,710 --> 00:54:03,440
it it's all like like uh like strings or

1631
00:54:06,470 --> 00:54:04,720
whatever and she was describing this and

1632
00:54:08,150 --> 00:54:06,480
she was really angry because it sort of

1633
00:54:09,910 --> 00:54:08,160
disagreed with everything and she can

1634
00:54:11,589 --> 00:54:09,920
actually have this contact back and

1635
00:54:13,510 --> 00:54:11,599
forth and she's she's in this altered

1636
00:54:15,109 --> 00:54:13,520
state and she's typing and and she's in

1637
00:54:16,549 --> 00:54:15,119
this alternating she's sort of fighting

1638
00:54:18,790 --> 00:54:16,559

with them and then they start to stop

1639

00:54:20,150 --> 00:54:18,800

refusing to stop answering questions and

1640

00:54:22,549 --> 00:54:20,160

stuff and she was really upset about

1641

00:54:23,750 --> 00:54:22,559

this and and it was this whole idea that

1642

00:54:26,230 --> 00:54:23,760

it's all planned but i think it's

1643

00:54:28,309 --> 00:54:26,240

planned between births between lives

1644

00:54:29,990 --> 00:54:28,319

it's not like an overall plan that when

1645

00:54:31,589 --> 00:54:30,000

you come in you plan to get together

1646

00:54:33,589 --> 00:54:31,599

certain people and do certain things and

1647

00:54:36,230 --> 00:54:33,599

you may veer off the path or stuff but

1648

00:54:38,309 --> 00:54:36,240

but it's basically this thing and uh but

1649

00:54:40,390 --> 00:54:38,319

she was basically and the being said the

1650

00:54:41,910 --> 00:54:40,400

same thing just enjoy it because it's

1651
00:54:44,150 --> 00:54:41,920
all it's you you planned this whole

1652
00:54:45,670 --> 00:54:44,160
thing i mean you came in to do this and

1653
00:54:47,910 --> 00:54:45,680
that's what we always forget we forget

1654
00:54:49,589 --> 00:54:47,920
who we are we came into the world to do

1655
00:54:51,349 --> 00:54:49,599
something and we sort of think that

1656
00:54:53,109 --> 00:54:51,359
we're we're individuals and we're here

1657
00:54:56,230 --> 00:54:53,119
we're trying to rape pillage kill and

1658
00:54:58,470 --> 00:54:56,240
steal and in the end uh we've we've come

1659
00:54:59,990 --> 00:54:58,480
in to do something so we we don't really

1660
00:55:00,950 --> 00:55:00,000
have to worry about what anybody else is

1661
00:55:03,109 --> 00:55:00,960
doing

1662
00:55:04,390 --> 00:55:03,119
uh whether it's right or wrong because

1663
00:55:06,309 --> 00:55:04,400

in the end i've never converted to

1664

00:55:08,789 --> 00:55:06,319

anybody in ufology i've never convinced

1665

00:55:10,470 --> 00:55:08,799

anybody of anything and i read stanton

1666

00:55:11,750 --> 00:55:10,480

friedman's files he spent 61 years

1667

00:55:13,510 --> 00:55:11,760

arguing with the top skeptics he never

1668

00:55:15,910 --> 00:55:13,520

convinced anybody people are on their

1669

00:55:18,390 --> 00:55:15,920

own little path and so it comes down to

1670

00:55:20,069 --> 00:55:18,400

why did i come into the world

1671

00:55:21,990 --> 00:55:20,079

uh what am i supposed to be doing and am

1672

00:55:23,270 --> 00:55:22,000

i doing it because when i when you leave

1673

00:55:24,870 --> 00:55:23,280

according to michael newton they only

1674

00:55:26,950 --> 00:55:24,880

ask you one question when you go in

1675

00:55:29,270 --> 00:55:26,960

front of this g this uh panel of life

1676
00:55:30,710 --> 00:55:29,280
review with three to twelve people where

1677
00:55:32,789 --> 00:55:30,720
these medals around their chest or

1678
00:55:34,630 --> 00:55:32,799
whatever they only ask you one question

1679
00:55:36,390 --> 00:55:34,640
so it's hard to work out

1680
00:55:37,990 --> 00:55:36,400
and and you can't say uh well you know

1681
00:55:40,950 --> 00:55:38,000
if we're in for hillary clinton and my

1682
00:55:44,390 --> 00:55:42,710
you know all this sort of stuff i would

1683
00:55:46,630 --> 00:55:44,400
have done something and and they go no

1684
00:55:48,230 --> 00:55:46,640
no no no time out this is about you what

1685
00:55:49,910 --> 00:55:48,240
you agreed to do this to go into the

1686
00:55:52,069 --> 00:55:49,920
world and do this did you how did it

1687
00:55:53,829 --> 00:55:52,079
work out and there is no you know

1688
00:55:55,829 --> 00:55:53,839

damning or whatever it's like oh you

1689

00:55:57,349 --> 00:55:55,839

know i was going to do it i forgot or

1690

00:55:59,030 --> 00:55:57,359

you know i got scared or whatever and

1691

00:56:01,829 --> 00:55:59,040

that's i think what it all comes down to

1692

00:56:03,270 --> 00:56:01,839

is is remembering who we are that we are

1693

00:56:06,710 --> 00:56:03,280

energy beings

1694

00:56:08,230 --> 00:56:06,720

55 percent of all people talk about uh

1695

00:56:10,150 --> 00:56:08,240

energy beings and i'm actually going to

1696

00:56:12,950 --> 00:56:10,160

interview um

1697

00:56:14,710 --> 00:56:12,960

a woman who's an oceanographer i know if

1698

00:56:17,990 --> 00:56:14,720

you've ever heard of her um

1699

00:56:20,230 --> 00:56:18,000

ingrid uh hunkala who's uh she worked

1700

00:56:22,549 --> 00:56:20,240

for nasa and she worked for

1701

00:56:24,950 --> 00:56:22,559

uh the navy she's been in 75 different

1702

00:56:26,390 --> 00:56:24,960

countries she's got a phd and she had a

1703

00:56:28,230 --> 00:56:26,400

near experience at three years old and

1704

00:56:31,030 --> 00:56:28,240

you start looking at that and you see

1705

00:56:33,270 --> 00:56:31,040

exactly the same thing she's she said i

1706

00:56:35,510 --> 00:56:33,280

was i was out of my body she was drowned

1707

00:56:37,349 --> 00:56:35,520

in a pool in the back in the backyard

1708

00:56:39,190 --> 00:56:37,359

and she's there and she said she

1709

00:56:41,270 --> 00:56:39,200

suddenly she was above the maid she's

1710

00:56:42,710 --> 00:56:41,280

just oh there's there's maria and then

1711

00:56:44,789 --> 00:56:42,720

she boom she's above her mother and she

1712

00:56:46,069 --> 00:56:44,799

says oh there's mom and as soon as she

1713

00:56:47,670 --> 00:56:46,079

said that her mother realized something

1714

00:56:49,109 --> 00:56:47,680

was going wrong she goes running back to

1715

00:56:51,109 --> 00:56:49,119

the house 10 minute run back to the

1716

00:56:53,349 --> 00:56:51,119

house and then she goes she sees this

1717

00:56:55,589 --> 00:56:53,359

dog and she goes oh

1718

00:56:57,510 --> 00:56:55,599

a dog and she loves dogs she said

1719

00:56:59,270 --> 00:56:57,520

instantaneously she was with the dog and

1720

00:57:00,470 --> 00:56:59,280

then she looked at the park and she goes

1721

00:57:02,230 --> 00:57:00,480

oh look at the parking she was

1722

00:57:03,589 --> 00:57:02,240

instantaneously at the park and then she

1723

00:57:05,030 --> 00:57:03,599

saw a tree and she said i was

1724

00:57:07,670 --> 00:57:05,040

instantaneously at the tree remember

1725

00:57:09,589 --> 00:57:07,680

this is a phd in oceanography and she's

1726
00:57:11,349 --> 00:57:09,599
describing exactly what the people on

1727
00:57:13,430 --> 00:57:11,359
board the ship are saying you think of

1728
00:57:15,430 --> 00:57:13,440
something it's instantaneously you are

1729
00:57:17,750 --> 00:57:15,440
actually there the same as utter body

1730
00:57:19,349 --> 00:57:17,760
experience people will describe exactly

1731
00:57:20,190 --> 00:57:19,359
what people on board the ship will

1732
00:57:23,030 --> 00:57:20,200
describe

1733
00:57:24,870 --> 00:57:23,040
360 degree vision you never hear about

1734
00:57:26,710 --> 00:57:24,880
that and you hear it and when i saw that

1735
00:57:28,549 --> 00:57:26,720
i went they're talking the same thing

1736
00:57:31,190 --> 00:57:28,559
this has all got to be linked it's all

1737
00:57:33,990 --> 00:57:31,200
got to be the same thing or for example

1738
00:57:35,190 --> 00:57:34,000

ron johnson so ron johnson

1739

00:57:37,430 --> 00:57:35,200

and you've got to interview this guy if

1740

00:57:39,990 --> 00:57:37,440

you've ever never into him ron johnson

1741

00:57:42,710 --> 00:57:40,000

um had being his name his being's name

1742

00:57:44,870 --> 00:57:42,720

was elby and lb takes him to the spirit

1743

00:57:46,390 --> 00:57:44,880

world three times in the third time

1744

00:57:48,069 --> 00:57:46,400

second time he's first time it's sort of

1745

00:57:49,589 --> 00:57:48,079

a um um

1746

00:57:50,950 --> 00:57:49,599

evan alexander thing it's sort of he's

1747

00:57:52,470 --> 00:57:50,960

in the mud he can't you know it's just

1748

00:57:54,470 --> 00:57:52,480

sort of darkness or whatever the second

1749

00:57:55,670 --> 00:57:54,480

time he's in the spirit world with his

1750

00:57:57,109 --> 00:57:55,680

mother but he can't see his mother the

1751
00:57:58,470 --> 00:57:57,119
third time he's with his mother she's uh

1752
00:57:59,990 --> 00:57:58,480
he's actually walking around the spirit

1753
00:58:01,910 --> 00:58:00,000
world and he's a

1754
00:58:03,349 --> 00:58:01,920
latter-day saint guy and he said she

1755
00:58:06,789 --> 00:58:03,359
takes me to this building it looks like

1756
00:58:08,150 --> 00:58:06,799
a temple in nephi utah and and he she

1757
00:58:10,789 --> 00:58:08,160
said ron when you come you're going to

1758
00:58:13,670 --> 00:58:10,799
get a room in in this building and and

1759
00:58:15,750 --> 00:58:13,680
he he says i go into the building and he

1760
00:58:17,270 --> 00:58:15,760
says you know what it was like 10 to 100

1761
00:58:18,950 --> 00:58:17,280
times the size in the building as it was

1762
00:58:20,309 --> 00:58:18,960
outside the building i said hey that's

1763
00:58:21,910 --> 00:58:20,319

exactly what chris bledsoe said about

1764

00:58:23,589 --> 00:58:21,920

being inside the craft that's exactly

1765

00:58:25,109 --> 00:58:23,599

what hell put off talks about that's

1766

00:58:26,789 --> 00:58:25,119

exactly what

1767

00:58:28,069 --> 00:58:26,799

terry lovely said terry lovely i said

1768

00:58:29,349 --> 00:58:28,079

was an ordinary side craft he went

1769

00:58:31,750 --> 00:58:29,359

inside it was the size of a football

1770

00:58:33,430 --> 00:58:31,760

stadium inside that's exactly the same

1771

00:58:35,589 --> 00:58:33,440

story he's in the spirit world that

1772

00:58:36,950 --> 00:58:35,599

guy's in a ufo and you start wondering

1773

00:58:38,630 --> 00:58:36,960

this has all got to be the same thing

1774

00:58:40,950 --> 00:58:38,640

they're in this same sort of thing where

1775

00:58:42,710 --> 00:58:40,960

this time and space and everything is is

1776

00:58:44,870 --> 00:58:42,720

bizarre where you're creating this this

1777

00:58:46,710 --> 00:58:44,880

sort of world that you're in and that's

1778

00:58:48,710 --> 00:58:46,720

where i see these crossovers that when

1779

00:58:50,309 --> 00:58:48,720

you start looking at the data

1780

00:58:52,870 --> 00:58:50,319

between out about experience near death

1781

00:58:55,349 --> 00:58:52,880

experience uh ufo abduction you start

1782

00:58:56,549 --> 00:58:55,359

seeing these parallels that are not

1783

00:58:59,510 --> 00:58:56,559

coincidence there's no way they're

1784

00:59:01,990 --> 00:58:59,520

coincidence you you see this um

1785

00:59:02,870 --> 00:59:02,000

sort of stuff or the the idea where 80

1786

00:59:05,910 --> 00:59:02,880

of all

1787

00:59:07,829 --> 00:59:05,920

um you know people who have um

1788

00:59:09,430 --> 00:59:07,839

uh been abducted say they've had

1789

00:59:11,349 --> 00:59:09,440

out-of-body experiences then i remember

1790

00:59:13,190 --> 00:59:11,359

i asked yvonne smith one time how many

1791

00:59:14,789 --> 00:59:13,200

how many people who uh her abductee

1792

00:59:17,349 --> 00:59:14,799

people have had paranormal experiences

1793

00:59:18,710 --> 00:59:17,359

happen she starts laughing she goes like

1794

00:59:19,670 --> 00:59:18,720

99

1795

00:59:21,430 --> 00:59:19,680

it's like

1796

00:59:24,390 --> 00:59:21,440

totally common and we want to change it

1797

00:59:25,589 --> 00:59:24,400

because our our ego is is is want to be

1798

00:59:27,510 --> 00:59:25,599

the center of attention so it's got to

1799

00:59:29,109 --> 00:59:27,520

be the fear so we turn it into fear so

1800

00:59:30,950 --> 00:59:29,119

what do we do we say oh the hitchhiker

1801

00:59:32,549 --> 00:59:30,960

uh the skinwalker ranch it followed

1802

00:59:34,230 --> 00:59:32,559

these people home and stuff and it's

1803

00:59:35,910 --> 00:59:34,240

like ron johnson ron johnson tells the

1804

00:59:37,510 --> 00:59:35,920

story it's like and we all knew this

1805

00:59:39,190 --> 00:59:37,520

everybody in paranormal knows this

1806

00:59:40,870 --> 00:59:39,200

hitchhiker happens all across the

1807

00:59:42,470 --> 00:59:40,880

paranormal phenomenon it's not just ufos

1808

00:59:44,710 --> 00:59:42,480

so ron johnson has this thing where he

1809

00:59:46,549 --> 00:59:44,720

says i go to this graveyard and to this

1810

00:59:47,910 --> 00:59:46,559

bolt in this graveyard and i set up the

1811

00:59:49,510 --> 00:59:47,920

camera outside the vault and i go bang

1812

00:59:51,589 --> 00:59:49,520

on the vault and i say come on take a

1813

00:59:53,750 --> 00:59:51,599

picture and he says this thing comes out

1814

00:59:55,349 --> 00:59:53,760

of the ball and he gets and he gets it

1815

00:59:57,270 --> 00:59:55,359

on film thing comes out of the vault he

1816

00:59:58,710 --> 00:59:57,280

said took him five years to get rid of

1817

01:00:00,950 --> 00:59:58,720

the thing thing followed him around to

1818

01:00:03,430 --> 01:00:00,960

three different houses for five years

1819

01:00:05,589 --> 01:00:03,440

that's skin rock that's the the whole uh

1820

01:00:07,030 --> 01:00:05,599

you know uh hitchhiker thing it's a it's

1821

01:00:08,549 --> 01:00:07,040

a phenomenon it's part of the ufo

1822

01:00:10,630 --> 01:00:08,559

phenomenon it's part of all different

1823

01:00:12,470 --> 01:00:10,640

paranormal phenomena and we want to turn

1824

01:00:14,789 --> 01:00:12,480

it into the evil thing the evil thing

1825

01:00:17,270 --> 01:00:14,799

and you do influence so i'll say that if

1826

01:00:18,870 --> 01:00:17,280

you go into skinwalker ranch because bob

1827

01:00:20,789 --> 01:00:18,880

bigelow talked about skin rocker ranch

1828

01:00:22,150 --> 01:00:20,799

and he said there really was no injuries

1829

01:00:23,829 --> 01:00:22,160

there was really nothing but we

1830

01:00:26,150 --> 01:00:23,839

respected the phenomenon but when you

1831

01:00:28,710 --> 01:00:26,160

had these special forces guys who were

1832

01:00:30,789 --> 01:00:28,720

armed who are going to try to capture

1833

01:00:32,950 --> 01:00:30,799

the thing they go in there those are the

1834

01:00:34,710 --> 01:00:32,960

guys that went back and had that real

1835

01:00:36,950 --> 01:00:34,720

brutal stuff with the with the

1836

01:00:38,549 --> 01:00:36,960

hitchhiker stuff where the kid has the

1837

01:00:39,910 --> 01:00:38,559

orbs bombarding him in the room and

1838

01:00:42,309 --> 01:00:39,920

stuff like that

1839

01:00:45,589 --> 01:00:42,319

and you you manifest what happens around

1840

01:00:47,750 --> 01:00:45,599

you and uh so the the the even the guy

1841

01:00:49,829 --> 01:00:47,760

that owns skinwalker ranch now says he

1842

01:00:51,990 --> 01:00:49,839

calls it a reflective phenomena

1843

01:00:53,990 --> 01:00:52,000

and george knapp said those that were

1844

01:00:56,789 --> 01:00:54,000

the most aggressive to the phenomenon

1845

01:00:57,829 --> 01:00:56,799

had the worst experiences and and and

1846

01:00:59,910 --> 01:00:57,839

and and

1847

01:01:01,829 --> 01:00:59,920

and the guy on skinwalker ranch now says

1848

01:01:04,069 --> 01:01:01,839

there's a reflective phenomena so when

1849

01:01:07,270 --> 01:01:04,079

he goes on the ranch when they're coming

1850

01:01:09,510 --> 01:01:07,280

in with the helicopter he says they pray

1851

01:01:11,510 --> 01:01:09,520

they know there's a reflective aspect

1852

01:01:12,950 --> 01:01:11,520

that you go in there with a bad attitude

1853

01:01:14,789 --> 01:01:12,960

get ready and so that's this whole thing

1854

01:01:15,910 --> 01:01:14,799

we're forgetting about is that we are

1855

01:01:17,270 --> 01:01:15,920

part of the phenomena that we're

1856

01:01:19,030 --> 01:01:17,280

manifesting we won't always separate it

1857

01:01:21,430 --> 01:01:19,040

we say there's evil aliens out there and

1858

01:01:23,750 --> 01:01:21,440

they're they're picking on us and uh you

1859

01:01:26,069 --> 01:01:23,760

know it's the idea is we it's all goes

1860

01:01:27,589 --> 01:01:26,079

to higher self it's all ourselves in

1861

01:01:29,750 --> 01:01:27,599

this whole thing we keep wanting to

1862

01:01:31,430 --> 01:01:29,760

separate ourselves put ourselves as left

1863

01:01:34,150 --> 01:01:31,440

brain victims and there's this thing

1864

01:01:36,390 --> 01:01:34,160

that's influencing us and and and

1865

01:01:38,630 --> 01:01:36,400

anybody that i think knows the phenomena

1866

01:01:40,069 --> 01:01:38,640

knows that if you protect yourself if

1867

01:01:41,589 --> 01:01:40,079

you go in with the right attitude you

1868

01:01:43,030 --> 01:01:41,599

don't have any problems with hitchhikers

1869

01:01:44,789 --> 01:01:43,040

you don't have any of this this kind of

1870

01:01:46,789 --> 01:01:44,799

stuff the whole phenomena changes you

1871

01:01:48,150 --> 01:01:46,799

are part of the phenomena

1872

01:01:50,789 --> 01:01:48,160

yeah um

1873

01:01:52,870 --> 01:01:50,799

anjali says that uh in her experience

1874

01:01:54,870 --> 01:01:52,880

that there they told her there was a

1875

01:01:56,390 --> 01:01:54,880

council there were some that were very

1876

01:01:59,430 --> 01:01:56,400

friendly toward us

1877

01:02:01,589 --> 01:01:59,440

and uh paternal in in some way some were

1878

01:02:02,630 --> 01:02:01,599

indifferent to us and some were negative

1879

01:02:05,270 --> 01:02:02,640

toward us

1880

01:02:07,670 --> 01:02:05,280

and so i don't know i mean i i haven't

1881

01:02:09,109 --> 01:02:07,680

had any of these encounters but yeah i i

1882

01:02:11,029 --> 01:02:09,119

can comment that that is one of the

1883

01:02:12,069 --> 01:02:11,039

things again that comes down to is that

1884

01:02:13,990 --> 01:02:12,079

is that

1885

01:02:15,670 --> 01:02:14,000

an influence of ego

1886

01:02:17,190 --> 01:02:15,680

going in there because the one thing the

1887

01:02:19,430 --> 01:02:17,200

one channeler i'd say is one of the best

1888

01:02:22,150 --> 01:02:19,440

channelers i've seen is paul selleck

1889

01:02:23,670 --> 01:02:22,160

who's channeled 10 books and there are

1890

01:02:26,390 --> 01:02:23,680

no changes in the books they don't

1891

01:02:27,990 --> 01:02:26,400

change in the words exactly and and you

1892

01:02:29,670 --> 01:02:28,000

know channeling from and i would say

1893

01:02:31,109 --> 01:02:29,680

everybody's channeling like you and i i

1894

01:02:32,150 --> 01:02:31,119

always say to people like

1895

01:02:33,829 --> 01:02:32,160

where do you think the words are coming

1896

01:02:35,349 --> 01:02:33,839

from they're coming out of your mouth

1897

01:02:37,190 --> 01:02:35,359

yeah do you think you actually think

1898

01:02:38,789 --> 01:02:37,200

there's neurons running around and i

1899

01:02:39,910 --> 01:02:38,799

could talk very very fast do you think

1900

01:02:41,109 --> 01:02:39,920

there's neurons i'll be running around

1901

01:02:42,309 --> 01:02:41,119

and say okay what word they're gonna put

1902

01:02:43,829 --> 01:02:42,319

in the sense next okay let's put this

1903

01:02:45,109 --> 01:02:43,839

word in and then somebody's doing the

1904

01:02:46,470 --> 01:02:45,119

grammar and somebody's moving the hands

1905

01:02:48,950 --> 01:02:46,480

and it's like come on give your head a

1906

01:02:50,470 --> 01:02:48,960

shake this is channeling so paul selleck

1907

01:02:51,510 --> 01:02:50,480

channels and the way he describes it i

1908

01:02:53,430 --> 01:02:51,520

think is

1909

01:02:55,190 --> 01:02:53,440

this whole oneness thing

1910

01:02:56,789 --> 01:02:55,200

is it is it separation is there

1911

01:02:58,870 --> 01:02:56,799

separation is there

1912

01:03:01,190 --> 01:02:58,880

good and bad and stuff like that in a

1913

01:03:03,109 --> 01:03:01,200

reincarnation world it's all experience

1914

01:03:05,029 --> 01:03:03,119

the things that happen to you you plan

1915

01:03:06,470 --> 01:03:05,039

if you have a near-death experience or

1916

01:03:07,910 --> 01:03:06,480

if you have if you have psychic says

1917

01:03:09,510 --> 01:03:07,920

you're gonna be an accident tomorrow and

1918

01:03:12,150 --> 01:03:09,520

you have an accident tomorrow is that

1919

01:03:13,990 --> 01:03:12,160

actually random or was that planned and

1920

01:03:15,109 --> 01:03:14,000

we and the whole idea with near-death

1921

01:03:17,270 --> 01:03:15,119

experiences

1922

01:03:20,069 --> 01:03:17,280

with the abduction experience what's the

1923

01:03:21,510 --> 01:03:20,079

chances that 37 of all abductees have

1924

01:03:23,750 --> 01:03:21,520

near-health experiences do you think

1925

01:03:25,190 --> 01:03:23,760

that's by chance or do you think that's

1926

01:03:27,750 --> 01:03:25,200

they actually plan to have a near-death

1927

01:03:30,470 --> 01:03:27,760

experience to learn something or the the

1928

01:03:31,910 --> 01:03:30,480

the

1929

01:03:33,670 --> 01:03:31,920

decided to be abducted to learn

1930

01:03:35,430 --> 01:03:33,680

something and that it's experienced it's

1931

01:03:36,710 --> 01:03:35,440

all experience and you learn mostly from

1932

01:03:38,710 --> 01:03:36,720

the from the bad stuff you don't learn

1933

01:03:40,309 --> 01:03:38,720

from the good stuff so paul selick the

1934

01:03:42,470 --> 01:03:40,319

way paul selick describes this is

1935

01:03:45,190 --> 01:03:42,480

oneness principle which i adhere to and

1936

01:03:48,069 --> 01:03:45,200

that he says it's all divine it all

1937

01:03:50,630 --> 01:03:48,079

comes from source and when you decide

1938

01:03:52,789 --> 01:03:50,640

that i am divine and this is not divine

1939

01:03:55,589 --> 01:03:52,799

when you take something and put it into

1940

01:03:58,390 --> 01:03:55,599

darkness that something that you take

1941

01:04:00,549 --> 01:03:58,400

will take you into the darkness with it

1942

01:04:03,349 --> 01:04:00,559

if you claim that you are divine and

1943

01:04:05,670 --> 01:04:03,359

this or that is not divine that is the

1944

01:04:08,630 --> 01:04:05,680

shadow pretending to be the light it's

1945

01:04:11,029 --> 01:04:08,640

all divine what you damn damns you back

1946

01:04:12,390 --> 01:04:11,039

what you bless blesses you in return and

1947

01:04:14,069 --> 01:04:12,400

that's this whole idea how can you

1948

01:04:16,309 --> 01:04:14,079

separate something from the divine it's

1949

01:04:17,750 --> 01:04:16,319

all divine it's all there for a reason

1950

01:04:19,990 --> 01:04:17,760

it's all there for for a learning

1951

01:04:22,390 --> 01:04:20,000

purpose and whatever the the bad thing

1952

01:04:24,230 --> 01:04:22,400

that happens we realize that we we learn

1953

01:04:26,230 --> 01:04:24,240

from this it's all experience that you

1954

01:04:28,150 --> 01:04:26,240

you if you've died a thousand times if

1955

01:04:29,589 --> 01:04:28,160

reincarnation is fact and you've died a

1956

01:04:31,270 --> 01:04:29,599

thousand times you've planned to die a

1957

01:04:32,789 --> 01:04:31,280

thousand times and it ain't gonna be

1958

01:04:34,870 --> 01:04:32,799

pretty usually it's not pretty when you

1959

01:04:36,870 --> 01:04:34,880

die so you plan to do this and you plan

1960

01:04:39,430 --> 01:04:36,880

to commit go in early or come out late

1961

01:04:40,950 --> 01:04:39,440

or whatever it is and we we always want

1962

01:04:42,549 --> 01:04:40,960

to do this separation thing that we are

1963

01:04:44,630 --> 01:04:42,559

sort of a victim

1964

01:04:47,270 --> 01:04:44,640

to outside forces that god's picking on

1965

01:04:49,750 --> 01:04:47,280

us and and uh we're unfortunate uh you

1966

01:04:51,349 --> 01:04:49,760

know and it's the referee is

1967

01:04:53,190 --> 01:04:51,359

almost like a game we've turned it into

1968

01:04:54,870 --> 01:04:53,200

like a football game the the the ends

1969

01:04:57,750 --> 01:04:54,880

justifies the means it's all about

1970

01:05:00,150 --> 01:04:57,760

winning and uh the refs against us and

1971

01:05:01,750 --> 01:05:00,160

all this kind of stuff and we our ego

1972

01:05:03,349 --> 01:05:01,760

feels good when we can overcome and

1973

01:05:04,789 --> 01:05:03,359

stuff like that but i i would say the

1974

01:05:06,710 --> 01:05:04,799

reincarnation world which is what they

1975

01:05:08,390 --> 01:05:06,720

told me if it's one world that's one

1976

01:05:10,069 --> 01:05:08,400

that's one world and it has certain

1977

01:05:12,710 --> 01:05:10,079

rules but if it's reincarnation and it's

1978

01:05:15,029 --> 01:05:12,720

true if it's reincarnation

1979

01:05:16,789 --> 01:05:15,039

then it's all learning it's all

1980

01:05:18,470 --> 01:05:16,799

we're going to plan to have failures

1981

01:05:21,349 --> 01:05:18,480

we're going to plan to have accidents to

1982

01:05:23,109 --> 01:05:21,359

learn things and and and a lot of the

1983

01:05:24,549 --> 01:05:23,119

people even in the abduction experience

1984

01:05:26,309 --> 01:05:24,559

people will say oh the abduction

1985

01:05:28,230 --> 01:05:26,319

experience is terrible i mean i'm a

1986

01:05:30,789 --> 01:05:28,240

victim that's what jim semivan said i

1987

01:05:32,630 --> 01:05:30,799

was really angry i didn't ask to have

1988

01:05:35,349 --> 01:05:32,640

this happen well you don't think you

1989

01:05:37,750 --> 01:05:35,359

asked to have it happen but if you do

1990

01:05:39,190 --> 01:05:37,760

you remember what had you on your third

1991

01:05:40,390 --> 01:05:39,200

third birthday party what you had for

1992

01:05:42,309 --> 01:05:40,400

dinner i mean you don't remember any of

1993

01:05:44,710 --> 01:05:42,319

that you oh no actually i don't i don't

1994

01:05:46,950 --> 01:05:44,720

i'm sorry i thought i did i'm sorry

1995

01:05:49,109 --> 01:05:46,960

no i'm so so you have this this idea

1996

01:05:51,910 --> 01:05:49,119

that that that we we

1997

01:05:53,349 --> 01:05:51,920

turned it into sort of a victim thing

1998

01:05:54,950 --> 01:05:53,359

and you have two people with the same

1999

01:05:55,910 --> 01:05:54,960

experiences so jim said me van has

2000

01:05:57,990 --> 01:05:55,920

experience with the beings are in the

2001

01:05:59,829 --> 01:05:58,000

room with his wife and he's angry about

2002

01:06:00,870 --> 01:05:59,839

it he feels that he didn't agree to this

2003

01:06:02,630 --> 01:06:00,880

and i said well do you think chris

2004

01:06:04,549 --> 01:06:02,640

bledsoe consciously agreed to what he

2005

01:06:06,309 --> 01:06:04,559

went through chris bledsoe sat there for

2006

01:06:07,829 --> 01:06:06,319

nine months and basically prayed to god

2007

01:06:09,589 --> 01:06:07,839

to take him out of the world he couldn't

2008

01:06:11,109 --> 01:06:09,599

believe it his whole world had come

2009

01:06:13,430 --> 01:06:11,119

apart he was not allowed to talk to his

2010

01:06:16,069 --> 01:06:13,440

kids his he was on a verge of divorce he

2011

01:06:18,309 --> 01:06:16,079

got locked up in a crazy house to see if

2012

01:06:20,789 --> 01:06:18,319

he was insane and now suddenly he has

2013

01:06:22,710 --> 01:06:20,799

the regression where suddenly they he

2014

01:06:24,630 --> 01:06:22,720

gets asked in the regression when did

2015

01:06:27,670 --> 01:06:24,640

you first meet them and he says they

2016

01:06:30,549 --> 01:06:27,680

were with me before i was born and and

2017

01:06:32,230 --> 01:06:30,559

and o'connell o'connor the guy who was

2018

01:06:34,069 --> 01:06:32,240

john max associate at harvard who was

2019

01:06:36,390 --> 01:06:34,079

doing the regression said what do you

2020

01:06:38,150 --> 01:06:36,400

mean where you were what do you mean

2021

01:06:40,390 --> 01:06:38,160

before you were born where you were you

2022

01:06:43,029 --> 01:06:40,400

with them in your last lifetime and he

2023

01:06:44,950 --> 01:06:43,039

said yes and that's the whole thing if

2024

01:06:46,870 --> 01:06:44,960

that's true if john if that regression

2025

01:06:49,430 --> 01:06:46,880

is true and a lot of experiences will

2026

01:06:51,349 --> 01:06:49,440

say this they'll say i agreed to this or

2027

01:06:52,710 --> 01:06:51,359

i asked mary rodwell i said mary this

2028

01:06:54,470 --> 01:06:52,720

whole soul contract thing what do you

2029

01:06:56,230 --> 01:06:54,480

think about the soul contract thing that

2030

01:06:57,990 --> 01:06:56,240

experiences agree to play this role

2031

01:06:59,190 --> 01:06:58,000

they're coming in to raise consciousness

2032

01:07:03,190 --> 01:06:59,200

or

2033

01:07:04,870 --> 01:07:03,200

volunteered to come in the atomic bomb

2034

01:07:06,630 --> 01:07:04,880

goes off and we all volunteered here to

2035

01:07:08,230 --> 01:07:06,640

come in to raise consciousness to save

2036

01:07:09,190 --> 01:07:08,240

the earth and we're all volunteers on

2037

01:07:11,670 --> 01:07:09,200

this whole thing what do you think about

2038

01:07:14,390 --> 01:07:11,680

that and mary rodwell says like 100 will

2039

01:07:15,510 --> 01:07:14,400

agree and i asked kathy martin i said

2040

01:07:17,589 --> 01:07:15,520

kathy what do you think about the soul

2041

01:07:19,349 --> 01:07:17,599

contract thing and kathy said i always

2042

01:07:21,510 --> 01:07:19,359

wondered about it too she said you know

2043

01:07:22,950 --> 01:07:21,520

what i did i actually had myself

2044

01:07:25,510 --> 01:07:22,960

regressed and i heard the words coming

2045

01:07:26,710 --> 01:07:25,520

my mouth i agreed to this that is the

2046

01:07:28,309 --> 01:07:26,720

whole thing about taking personal

2047

01:07:29,750 --> 01:07:28,319

responsibility whether it's right or

2048

01:07:31,109 --> 01:07:29,760

wrong that you agreed to all these

2049

01:07:32,950 --> 01:07:31,119

things in life you take personal

2050

01:07:34,710 --> 01:07:32,960

responsibility because as long as you

2051

01:07:36,150 --> 01:07:34,720

see yourself as a victim you are not

2052

01:07:37,430 --> 01:07:36,160

going to grow you're just going to feel

2053

01:07:39,829 --> 01:07:37,440

sorry for yourself and you're just going

2054

01:07:41,109 --> 01:07:39,839

to recycle and recycle and and take it

2055

01:07:43,990 --> 01:07:41,119

out on other people and blame other

2056

01:07:45,670 --> 01:07:44,000

people and this is whole idea if

2057

01:07:47,670 --> 01:07:45,680

and you get i think 25 of all

2058

01:07:49,589 --> 01:07:47,680

experiences say they remember being in

2059

01:07:50,870 --> 01:07:49,599

their past lifetime john mack has one

2060

01:07:53,109 --> 01:07:50,880

when did you first meet the guy oh he

2061

01:07:55,670 --> 01:07:53,119

was with me in my last lifetime if the

2062

01:07:57,510 --> 01:07:55,680

being was with him in his last lifetime

2063

01:07:59,270 --> 01:07:57,520

that is a different world or when you

2064

01:08:01,670 --> 01:07:59,280

have the people on board the craft and

2065

01:08:03,430 --> 01:08:01,680

i'm not 100 sure on this yet

2066

01:08:05,589 --> 01:08:03,440

everybody that goes on the craft will

2067

01:08:06,950 --> 01:08:05,599

tell the story like for example the 747

2068

01:08:08,710 --> 01:08:06,960

airline pilot the

2069

01:08:10,150 --> 01:08:08,720

air force guy they both said the same

2070

01:08:12,309 --> 01:08:10,160

thing they're on the craft and there's

2071

01:08:15,270 --> 01:08:12,319

somebody behind them they don't know if

2072

01:08:16,950 --> 01:08:15,280

it's human beings or or or aliens they

2073

01:08:19,749 --> 01:08:16,960

don't know what it is and the voice like

2074

01:08:21,749 --> 01:08:19,759

the the 747 or the the i'll give you the

2075

01:08:23,430 --> 01:08:21,759

the air force guy so the air force guy

2076

01:08:25,030 --> 01:08:23,440

he says they say to him

2077

01:08:26,709 --> 01:08:25,040

okay go ahead and do it he just hears

2078

01:08:28,470 --> 01:08:26,719

this voice behind him

2079

01:08:30,789 --> 01:08:28,480

now if you go to michael newton and you

2080

01:08:33,669 --> 01:08:30,799

look at the life review

2081

01:08:36,070 --> 01:08:33,679

the soul guide is always behind the

2082

01:08:37,590 --> 01:08:36,080

person on the left side always and

2083

01:08:39,030 --> 01:08:37,600

that's the thing so when he says that

2084

01:08:40,870 --> 01:08:39,040

i'm going i wonder if that's his soul

2085

01:08:42,390 --> 01:08:40,880

guide he doesn't know what it is and

2086

01:08:45,349 --> 01:08:42,400

he's and he says go ahead and do it and

2087

01:08:47,829 --> 01:08:45,359

the and this david guy says i don't know

2088

01:08:50,470 --> 01:08:47,839

what to do and he says you know what to

2089

01:08:52,870 --> 01:08:50,480

do just do it so he goes there's this

2090

01:08:54,789 --> 01:08:52,880

panel on the wall and this

2091

01:08:57,189 --> 01:08:54,799

air force colonel puts his hand on the

2092

01:08:58,709 --> 01:08:57,199

panel and he said suddenly he says boom

2093

01:09:00,309 --> 01:08:58,719

it's like i'm flying the craft and he

2094

01:09:02,149 --> 01:09:00,319

said i couldn't believe it he said i'm

2095

01:09:03,669 --> 01:09:02,159

flying the craft and he's doing whatever

2096

01:09:05,669 --> 01:09:03,679

i wanted to do and so he said take one

2097

01:09:07,910 --> 01:09:05,679

hand off the panel and he's waiting for

2098

01:09:09,749 --> 01:09:07,920

it to stall and it doesn't stall and

2099

01:09:11,189 --> 01:09:09,759

then he's then he takes the other hand

2100

01:09:12,470 --> 01:09:11,199

off the penalty but it's six inches

2101
01:09:14,630 --> 01:09:12,480
above because he wants to slam his

2102
01:09:15,910 --> 01:09:14,640
handbag down if the craft stalls and

2103
01:09:17,749 --> 01:09:15,920
then he's got his both hands off the

2104
01:09:19,430 --> 01:09:17,759
panel and he's flying the craft and he's

2105
01:09:20,630 --> 01:09:19,440
going this is the most bizarre thing

2106
01:09:22,229 --> 01:09:20,640
i've ever seen in my life and he's

2107
01:09:24,789 --> 01:09:22,239
flying this thing but that's the whole

2108
01:09:26,309 --> 01:09:24,799
thing is this whole idea that that it

2109
01:09:27,669 --> 01:09:26,319
may be soul contract you start seeing

2110
01:09:29,269 --> 01:09:27,679
these things and you wonder is the

2111
01:09:30,870 --> 01:09:29,279
person interpreting

2112
01:09:32,630 --> 01:09:30,880
he's making a vision of what it is but

2113
01:09:35,590 --> 01:09:32,640

it may be soul guy because one of the i

2114

01:09:37,910 --> 01:09:35,600

had a guy who i was submarine guy i

2115

01:09:40,789 --> 01:09:37,920

haven't talked to him yet but a guy usf

2116

01:09:42,870 --> 01:09:40,799

us navy submarine guy said i had this

2117

01:09:45,110 --> 01:09:42,880

that went through this whole thing and i

2118

01:09:47,430 --> 01:09:45,120

was told to see my spirit guide and i

2119

01:09:49,030 --> 01:09:47,440

saw a grey alien and i go wow that's

2120

01:09:51,749 --> 01:09:49,040

that's pretty cool that's this whole

2121

01:09:53,990 --> 01:09:51,759

idea is what's actually going on do is

2122

01:09:56,149 --> 01:09:54,000

it actually are we building this world

2123

01:09:57,910 --> 01:09:56,159

to learn a lesson that they're taking us

2124

01:10:00,149 --> 01:09:57,920

on this this craft thing and the craft

2125

01:10:02,149 --> 01:10:00,159

really may not exist except in our mind

2126
01:10:04,390 --> 01:10:02,159
because one guy actually told me he said

2127
01:10:06,310 --> 01:10:04,400
um he said i actually they said get your

2128
01:10:08,390 --> 01:10:06,320
own craft so he said in my mind i built

2129
01:10:09,750 --> 01:10:08,400
a craft a conscious craft and i made a

2130
01:10:11,189 --> 01:10:09,760
certain size and i was traveling to

2131
01:10:13,350 --> 01:10:11,199
different galaxies and you gotta

2132
01:10:15,590 --> 01:10:13,360
remember these are stories that that uh

2133
01:10:17,270 --> 01:10:15,600
jacques valet will call absurd these are

2134
01:10:18,390 --> 01:10:17,280
not stories if you want to make up a

2135
01:10:20,390 --> 01:10:18,400
story

2136
01:10:21,669 --> 01:10:20,400
and and try to fool me with it you're

2137
01:10:23,510 --> 01:10:21,679
not going to bring up i flew the craft

2138
01:10:24,870 --> 01:10:23,520

from my mind i mean that

2139

01:10:26,149 --> 01:10:24,880

people are going to buy that or i knew

2140

01:10:27,510 --> 01:10:26,159

everything in the universe because i

2141

01:10:28,709 --> 01:10:27,520

would ask people i'd say

2142

01:10:30,790 --> 01:10:28,719

you know everything in the universe are

2143

01:10:32,390 --> 01:10:30,800

you sure yeah and i said well how do you

2144

01:10:33,750 --> 01:10:32,400

know there wasn't something number 678

2145

01:10:35,270 --> 01:10:33,760

on the far side of the universe they

2146

01:10:37,669 --> 01:10:35,280

forgot to tell you about and the people

2147

01:10:40,870 --> 01:10:37,679

will say exactly what i said in my flow

2148

01:10:42,470 --> 01:10:40,880

state i'm not sure i just know it's like

2149

01:10:44,790 --> 01:10:42,480

the flow state comes with absolute

2150

01:10:45,910 --> 01:10:44,800

uncertainty you know nobody has to tell

2151
01:10:47,510 --> 01:10:45,920
you nobody's gonna you're not gonna

2152
01:10:49,750 --> 01:10:47,520
argue with anybody i know this is this

2153
01:10:51,910 --> 01:10:49,760
is accurate information and so that's

2154
01:10:54,149 --> 01:10:51,920
the the the whole idea is this our

2155
01:10:55,990 --> 01:10:54,159
interaction with the thing and the fact

2156
01:10:58,229 --> 01:10:56,000
that it all is

2157
01:11:00,310 --> 01:10:58,239
as one quantum physicist it's all ooly

2158
01:11:01,750 --> 01:11:00,320
stuff it's all consciousness the the

2159
01:11:03,669 --> 01:11:01,760
basic bottom line that we're creating

2160
01:11:06,630 --> 01:11:03,679
the stuff out of consciousness it's all

2161
01:11:09,270 --> 01:11:06,640
dreamscape or even the people say um but

2162
01:11:10,470 --> 01:11:09,280
it is physical right i was abducted they

2163
01:11:11,830 --> 01:11:10,480

say i don't think it was abducted i

2164

01:11:14,070 --> 01:11:11,840

think i think it was they just the

2165

01:11:16,149 --> 01:11:14,080

aliens come to me in my dreams bashar if

2166

01:11:17,990 --> 01:11:16,159

you look at the channeler bashar bashar

2167

01:11:21,750 --> 01:11:18,000

says we come to you in your dreams

2168

01:11:23,430 --> 01:11:21,760

because now you're in our world

2169

01:11:25,030 --> 01:11:23,440

it is physical though i mean if you can

2170

01:11:27,830 --> 01:11:25,040

paint some of these things on radar it's

2171

01:11:29,669 --> 01:11:27,840

physical it it comes into the physical

2172

01:11:30,950 --> 01:11:29,679

world that's what they said to yoshi

2173

01:11:32,310 --> 01:11:30,960

ronan when we come into your physical

2174

01:11:34,149 --> 01:11:32,320

world we take on so they lower their

2175

01:11:36,630 --> 01:11:34,159

vibration that's like i did the whole

2176

01:11:38,550 --> 01:11:36,640

book on on the the portals the the

2177

01:11:40,790 --> 01:11:38,560

zendras if you followed the mission rama

2178

01:11:42,149 --> 01:11:40,800

stuff at mount shasta so i go there and

2179

01:11:45,270 --> 01:11:42,159

i interview the people who are in these

2180

01:11:47,430 --> 01:11:45,280

uh these uh these um these zendra things

2181

01:11:49,590 --> 01:11:47,440

and the way they describe it is that the

2182

01:11:51,910 --> 01:11:49,600

beings come in they lower their

2183

01:11:53,430 --> 01:11:51,920

vibration and what the mission rama

2184

01:11:54,630 --> 01:11:53,440

people and mission rama is so you're

2185

01:11:56,709 --> 01:11:54,640

into thinking about oh there's these

2186

01:11:58,790 --> 01:11:56,719

these aliens that are not good guys

2187

01:12:01,030 --> 01:11:58,800

there's these good guys and bad guys

2188

01:12:03,110 --> 01:12:01,040

no no i'm open to the possibility of no

2189

01:12:04,630 --> 01:12:03,120

no i'm saying this is a this is an idea

2190

01:12:05,990 --> 01:12:04,640

i'm not saying you this is an idea out

2191

01:12:08,229 --> 01:12:06,000

there that's very common that there's

2192

01:12:11,750 --> 01:12:08,239

these good and so what what you get with

2193

01:12:13,510 --> 01:12:11,760

mission rama is i say i defy

2194

01:12:14,709 --> 01:12:13,520

anybody mission around there's 25 000

2195

01:12:17,270 --> 01:12:14,719

these people around the world started in

2196

01:12:18,390 --> 01:12:17,280

1974 a lot of them are

2197

01:12:20,630 --> 01:12:18,400

you know

2198

01:12:22,470 --> 01:12:20,640

latino people and they are able to open

2199

01:12:24,070 --> 01:12:22,480

these zendras these portal things and

2200

01:12:25,830 --> 01:12:24,080

these beings appear in the portal or you

2201

01:12:28,470 --> 01:12:25,840

walk into the portal and you walk in

2202

01:12:29,590 --> 01:12:28,480

into this zendra and the 747 airline guy

2203

01:12:30,950 --> 01:12:29,600

was actually in one of these portals he

2204

01:12:32,870 --> 01:12:30,960

describes that whole story being in the

2205

01:12:34,470 --> 01:12:32,880

in this in his zendra you walk through

2206

01:12:36,550 --> 01:12:34,480

and as soon as you walk into the into

2207

01:12:38,310 --> 01:12:36,560

the zendra you're on another planet just

2208

01:12:39,990 --> 01:12:38,320

like walking through a doorway wow and

2209

01:12:41,750 --> 01:12:40,000

and and what they say is they lower

2210

01:12:43,270 --> 01:12:41,760

their vibration so they're every

2211

01:12:44,470 --> 01:12:43,280

everything is vibration there's all

2212

01:12:45,910 --> 01:12:44,480

consciousness and everybody's having

2213

01:12:47,669 --> 01:12:45,920

vibrations so the beings are here

2214

01:12:49,669 --> 01:12:47,679

everything's here around us if there's

2215

01:12:51,990 --> 01:12:49,679

no time and space it's all here so their

2216

01:12:53,590 --> 01:12:52,000

vibration what we do in psychedelics

2217

01:12:54,790 --> 01:12:53,600

anybody knows there's a psychedelics you

2218

01:12:56,470 --> 01:12:54,800

know when it's going to start the

2219

01:12:58,550 --> 01:12:56,480

vibration starts your vibration is

2220

01:13:00,550 --> 01:12:58,560

changing you feel your body vibrating

2221

01:13:02,950 --> 01:13:00,560

and boom you're suddenly in a different

2222

01:13:04,550 --> 01:13:02,960

environment kev's like i've been in some

2223

01:13:07,110 --> 01:13:04,560

psychedelics baby i know what he's

2224

01:13:09,750 --> 01:13:07,120

talking about yeah so all right grant we

2225

01:13:11,750 --> 01:13:09,760

have about 15 minutes left well kev we

2226
01:13:14,149 --> 01:13:11,760
have some experiences we want to share

2227
01:13:16,229 --> 01:13:14,159
with you and get your take on kevin has

2228
01:13:18,630 --> 01:13:16,239
one i have one that i don't even think

2229
01:13:20,470 --> 01:13:18,640
nathan's heard this one yet but i did

2230
01:13:21,910 --> 01:13:20,480
pose it to deb yesterday and she

2231
01:13:23,750 --> 01:13:21,920
forewarned me

2232
01:13:25,270 --> 01:13:23,760
so i'll see what you guys think but go

2233
01:13:27,110 --> 01:13:25,280
ahead kev

2234
01:13:29,110 --> 01:13:27,120
all right so as i said earlier you know

2235
01:13:31,189 --> 01:13:29,120
i teach kids on the spectrum so i've got

2236
01:13:34,070 --> 01:13:31,199
14 years experience teaching kids with

2237
01:13:35,510 --> 01:13:34,080
autism yeah so what i've done i started

2238
01:13:37,189 --> 01:13:35,520

i've started documenting some of the

2239

01:13:39,510 --> 01:13:37,199

strange phenomenon that i've seen over

2240

01:13:41,350 --> 01:13:39,520

the years some of the stuff that cannot

2241

01:13:42,950 --> 01:13:41,360

be explained and i wanted to to read one

2242

01:13:45,189 --> 01:13:42,960

of those to you okay so one of the

2243

01:13:46,470 --> 01:13:45,199

things we teach is a tacting lesson it's

2244

01:13:48,310 --> 01:13:46,480

commenting on the environment you know

2245

01:13:50,630 --> 01:13:48,320

we teach them to respond to what you see

2246

01:13:52,550 --> 01:13:50,640

what is it so um the particular student

2247

01:13:53,270 --> 01:13:52,560

he liked to smile and hum while looking

2248

01:13:55,510 --> 01:13:53,280

up

2249

01:13:57,189 --> 01:13:55,520

so uh one lesson once the lesson

2250

01:13:59,030 --> 01:13:57,199

progressed to a natural setting is

2251
01:14:00,390 --> 01:13:59,040
during lunch i asked him you know he's

2252
01:14:02,790 --> 01:14:00,400
looking i ask him what do you see up

2253
01:14:04,149 --> 01:14:02,800
there and he points to something i can't

2254
01:14:05,510 --> 01:14:04,159
see you know

2255
01:14:07,830 --> 01:14:05,520
he just points up

2256
01:14:10,149 --> 01:14:07,840
and he says white balls

2257
01:14:11,990 --> 01:14:10,159
right which i found very interesting so

2258
01:14:13,189 --> 01:14:12,000
um and he said it while giggling so over

2259
01:14:15,750 --> 01:14:13,199
the years you know he had a few other

2260
01:14:18,229 --> 01:14:15,760
responses it was like he'd say madness

2261
01:14:20,630 --> 01:14:18,239
or eventually it was friends and we'd

2262
01:14:22,550 --> 01:14:20,640
just start saying hey during lunch time

2263
01:14:24,870 --> 01:14:22,560

are your friends back and be like yeah

2264

01:14:26,790 --> 01:14:24,880

yeah my friends white balls

2265

01:14:30,470 --> 01:14:26,800

that's just one of the phenomenons that

2266

01:14:31,910 --> 01:14:30,480

i'm i'm recording i'm documenting

2267

01:14:34,149 --> 01:14:31,920

what do you think about that

2268

01:14:36,550 --> 01:14:34,159

well i in my contact modalities i do a

2269

01:14:38,470 --> 01:14:36,560

whole chapter on um

2270

01:14:41,110 --> 01:14:38,480

that very phenomena

2271

01:14:43,350 --> 01:14:41,120

um especially when you talk at salons

2272

01:14:45,830 --> 01:14:43,360

so basically what you see is a lot of

2273

01:14:47,830 --> 01:14:45,840

left brain damage for example the the

2274

01:14:49,430 --> 01:14:47,840

one i always show is i say if you don't

2275

01:14:51,030 --> 01:14:49,440

think there's material out there that

2276

01:14:52,950 --> 01:14:51,040

people are seeing that they're able to

2277

01:14:55,270 --> 01:14:52,960

tap into watch this and the guy's name

2278

01:14:57,189 --> 01:14:55,280

and i'm going to forget his name

2279

01:14:59,990 --> 01:14:57,199

he's out in new york city he's now in

2280

01:15:01,270 --> 01:15:00,000

close to 80. uh george finn is the guy's

2281

01:15:03,030 --> 01:15:01,280

name he's on 60 minutes if you look it

2282

01:15:05,030 --> 01:15:03,040

up on 60 minutes you'll see this thing

2283

01:15:07,990 --> 01:15:05,040

so they say to him okay

2284

01:15:09,030 --> 01:15:08,000

uh george uh what's two plus three and

2285

01:15:10,870 --> 01:15:09,040

he goes

2286

01:15:11,830 --> 01:15:10,880

uh would that be uh

2287

01:15:13,910 --> 01:15:11,840

six

2288

01:15:14,790 --> 01:15:13,920

and the guy goes uh what's uh five times

2289

01:15:17,430 --> 01:15:14,800

seven

2290

01:15:19,990 --> 01:15:17,440

uh would that be uh 50

2291

01:15:21,310 --> 01:15:20,000

and then he goes okay so what day is

2292

01:15:23,750 --> 01:15:21,320

july the 11th

2293

01:15:27,430 --> 01:15:23,760

2047 and he goes oh that would be a

2294

01:15:30,070 --> 01:15:27,440

tuesday and he's right 100 of the time

2295

01:15:32,070 --> 01:15:30,080

and the thing is so left brain is simple

2296

01:15:33,669 --> 01:15:32,080

math he cannot do simple math so he's

2297

01:15:35,430 --> 01:15:33,679

not calculating this calendar

2298

01:15:38,550 --> 01:15:35,440

calculating thing and you see this with

2299

01:15:39,669 --> 01:15:38,560

savants and with autistic uh kids is

2300

01:15:41,510 --> 01:15:39,679

they're they're they're in this

2301

01:15:43,270 --> 01:15:41,520

different world if the brain has

2302

01:15:45,350 --> 01:15:43,280

part of the brain is shut down left

2303

01:15:47,110 --> 01:15:45,360

brain is shut down it's cut off the the

2304

01:15:48,709 --> 01:15:47,120

noise they're able to pick it up it's

2305

01:15:50,070 --> 01:15:48,719

all being picked up

2306

01:15:51,189 --> 01:15:50,080

and they're just in this different

2307

01:15:53,990 --> 01:15:51,199

frequency especially the left brain

2308

01:15:56,950 --> 01:15:54,000

damage a lot of autistic is is this left

2309

01:15:58,790 --> 01:15:56,960

brain damage thing or uh even with head

2310

01:16:00,149 --> 01:15:58,800

injuries you see these kind of things so

2311

01:16:02,550 --> 01:16:00,159

i say that's one of the most important

2312

01:16:05,990 --> 01:16:02,560

things you're studying is i tried to get

2313

01:16:07,830 --> 01:16:06,000

gaia actually to do a show on savants on

2314

01:16:10,070 --> 01:16:07,840

guys who you know play the piano have

2315

01:16:12,790 --> 01:16:10,080

never played piano before have 7 000

2316

01:16:14,550 --> 01:16:12,800

songs and and can do mathematics or uh

2317

01:16:17,030 --> 01:16:14,560

you know all this the bizarre things

2318

01:16:18,790 --> 01:16:17,040

they can do and they didn't

2319

01:16:20,229 --> 01:16:18,800

have a budget to travel they wanted

2320

01:16:21,590 --> 01:16:20,239

someone to stand in a studio and just

2321

01:16:23,990 --> 01:16:21,600

talk about it and i said that is the

2322

01:16:26,950 --> 01:16:24,000

most bizarre show you could ever run is

2323

01:16:29,430 --> 01:16:26,960

these people autistic and and and and

2324

01:16:31,750 --> 01:16:29,440

savant people this stuff that they they

2325

01:16:33,350 --> 01:16:31,760

exhibit there's no way you can explain

2326

01:16:34,870 --> 01:16:33,360

it with the present idea we have of the

2327

01:16:36,790 --> 01:16:34,880

universe extremely important stuff

2328

01:16:38,470 --> 01:16:36,800

you're doing there

2329

01:16:40,070 --> 01:16:38,480

thank you thank you uh thank you very

2330

01:16:41,110 --> 01:16:40,080

much for answering that nathan you had

2331

01:16:43,030 --> 01:16:41,120

something

2332

01:16:44,550 --> 01:16:43,040

yeah so grant um if i could get your

2333

01:16:46,229 --> 01:16:44,560

thoughts on this so

2334

01:16:48,790 --> 01:16:46,239

yeah you're obviously familiar with the

2335

01:16:50,070 --> 01:16:48,800

subject uh you know very intimately

2336

01:16:51,750 --> 01:16:50,080

but the

2337

01:16:53,590 --> 01:16:51,760

the way in which it's talked about in

2338

01:16:56,070 --> 01:16:53,600

kind of mainstream stream circles right

2339

01:16:58,070 --> 01:16:56,080

now is very much still from the nuts and

2340

01:17:00,070 --> 01:16:58,080

bolts component everything that you've

2341

01:17:02,310 --> 01:17:00,080

articulated on the show i think everyone

2342

01:17:03,910 --> 01:17:02,320

on our show is in pretty much agreement

2343

01:17:06,470 --> 01:17:03,920

with this is the direction that it needs

2344

01:17:08,149 --> 01:17:06,480

to go but how do you see this really

2345

01:17:11,189 --> 01:17:08,159

playing out from a

2346

01:17:13,030 --> 01:17:11,199

kind of a more public uh perspective you

2347

01:17:15,030 --> 01:17:13,040

know how do you see the world

2348

01:17:16,229 --> 01:17:15,040

being able to transition to this kind of

2349

01:17:17,590 --> 01:17:16,239

understanding because i'm of the a

2350

01:17:20,390 --> 01:17:17,600

conclusion that

2351

01:17:22,550 --> 01:17:20,400

if if the if the disclosure were so

2352

01:17:24,070 --> 01:17:22,560

simple that it was just ets from some

2353

01:17:26,229 --> 01:17:24,080

other star system we would have already

2354

01:17:27,590 --> 01:17:26,239

had that story by now but but i'm i'm

2355

01:17:29,910 --> 01:17:27,600

more in agreement with what you are

2356

01:17:31,189 --> 01:17:29,920

describing that the world that we know

2357

01:17:33,350 --> 01:17:31,199

and the way in which we know it is

2358

01:17:35,510 --> 01:17:33,360

different than what we all assume that's

2359

01:17:36,470 --> 01:17:35,520

a much harder thing i think to get the

2360

01:17:38,310 --> 01:17:36,480

public

2361

01:17:39,910 --> 01:17:38,320

on board with so what does that process

2362

01:17:42,470 --> 01:17:39,920

look like how do you think it really

2363

01:17:44,229 --> 01:17:42,480

will unfold to where we can get to this

2364

01:17:46,229 --> 01:17:44,239

place and have this kind of conversation

2365

01:17:48,390 --> 01:17:46,239

in a broader sense

2366

01:17:49,990 --> 01:17:48,400

i i think that's where the idea of

2367

01:17:51,430 --> 01:17:50,000

trying to convert people

2368

01:17:54,070 --> 01:17:51,440

i don't think is going to work is that

2369

01:17:54,950 --> 01:17:54,080

we want to try to convince everybody and

2370

01:17:57,430 --> 01:17:54,960

we're

2371

01:17:59,430 --> 01:17:57,440

forgetting that it's it's unlimited

2372

01:18:01,030 --> 01:17:59,440

universe it's endless we can take

2373

01:18:03,350 --> 01:18:01,040

forever to figure this thing out and

2374

01:18:04,870 --> 01:18:03,360

that things will flip very very quickly

2375

01:18:06,870 --> 01:18:04,880

uh when i had my consciousness

2376

01:18:07,990 --> 01:18:06,880

experience in 2012 i always make the

2377

01:18:09,830 --> 01:18:08,000

joke i could not have spelled

2378

01:18:11,990 --> 01:18:09,840

consciousness and i couldn't care less

2379

01:18:13,590 --> 01:18:12,000

and a lot of people were are still on

2380

01:18:15,030 --> 01:18:13,600

that thing there are people in the ufo

2381

01:18:15,910 --> 01:18:15,040

community who use the word consciousness

2382

01:18:17,669 --> 01:18:15,920

don't even know what they're talking

2383

01:18:19,110 --> 01:18:17,679

about they know it's a buzzword now you

2384

01:18:21,830 --> 01:18:19,120

could not talk about consciousness in

2385

01:18:23,830 --> 01:18:21,840

2012. and and you could not in academia

2386

01:18:24,870 --> 01:18:23,840

20 years ago you could not you would be

2387

01:18:27,030 --> 01:18:24,880

thrown out if you talked about

2388

01:18:28,470 --> 01:18:27,040

consciousness so it will eventually

2389

01:18:31,030 --> 01:18:28,480

change and i think it's changing very

2390

01:18:32,790 --> 01:18:31,040

fast in terms of the matrix movie it's

2391

01:18:34,229 --> 01:18:32,800

all happening indirectly it's happening

2392

01:18:35,910 --> 01:18:34,239

through the especially the idea of the

2393

01:18:38,070 --> 01:18:35,920

simulated universe if you talk to young

2394

01:18:39,669 --> 01:18:38,080

kids today and you say to them do you

2395

01:18:41,750 --> 01:18:39,679

believe there's a it's a video game it's

2396

01:18:43,350 --> 01:18:41,760

just like well of course it is i mean

2397

01:18:45,750 --> 01:18:43,360

it's a completely different world it's

2398

01:18:48,390 --> 01:18:45,760

almost like max planck said

2399

01:18:50,709 --> 01:18:48,400

a new idea does not come in by

2400

01:18:53,430 --> 01:18:50,719

convincing the opponent he's wrong it

2401
01:18:55,189 --> 01:18:53,440
comes in by those people dying and the

2402
01:18:57,669 --> 01:18:55,199
new generation is not offended with the

2403
01:18:58,950 --> 01:18:57,679
idea so and it will shift very fast i

2404
01:19:02,550 --> 01:18:58,960
remember

2405
01:19:04,149 --> 01:19:02,560
i i was doing the x conferences with

2406
01:19:05,750 --> 01:19:04,159
steve bass is a good friend of mine so

2407
01:19:07,430 --> 01:19:05,760
steve bassett he brought me in and he

2408
01:19:08,790 --> 01:19:07,440
and he had a panel at the end he said so

2409
01:19:10,310 --> 01:19:08,800
when he thinks disclosure's going to

2410
01:19:11,669 --> 01:19:10,320
come and you know he's always in there

2411
01:19:13,590 --> 01:19:11,679
we could need this right now we need the

2412
01:19:15,350 --> 01:19:13,600
gov president to say there's et's and

2413
01:19:17,030 --> 01:19:15,360

stuff and these people going six months

2414

01:19:18,830 --> 01:19:17,040

12 months and it comes to me and there's

2415

01:19:21,430 --> 01:19:18,840

a whole crowd there and i said

2416

01:19:22,950 --> 01:19:21,440

2042. and he looked at me like how did

2417

01:19:25,590 --> 01:19:22,960

you dare do this to me in front of all

2418

01:19:27,910 --> 01:19:25,600

these people and i never because i i've

2419

01:19:29,669 --> 01:19:27,920

done it so many years i said there's no

2420

01:19:32,070 --> 01:19:29,679

way there's ever going to be disclosure

2421

01:19:33,910 --> 01:19:32,080

not a chance but what happens is jim

2422

01:19:36,229 --> 01:19:33,920

semivan if you know the story it's in my

2423

01:19:37,270 --> 01:19:36,239

last podcast jim semivan tells the story

2424

01:19:38,790 --> 01:19:37,280

that he has this thing and he's all

2425

01:19:41,030 --> 01:19:38,800

upset about the subduction experience or

2426

01:19:43,030 --> 01:19:41,040

whatever and i said get this straight if

2427

01:19:44,470 --> 01:19:43,040

he had not been abducted

2428

01:19:46,229 --> 01:19:44,480

there would be no disclosure today

2429

01:19:49,110 --> 01:19:46,239

because it was jim semivan i was told in

2430

01:19:50,470 --> 01:19:49,120

2016 jim semivan from the cia was the

2431

01:19:52,550 --> 01:19:50,480

guy that was behind it behind the new

2432

01:19:54,790 --> 01:19:52,560

york times article he was the man mover

2433

01:19:56,310 --> 01:19:54,800

and shaker and he would not have done it

2434

01:19:57,910 --> 01:19:56,320

if he had the uf experience he would be

2435

01:19:59,669 --> 01:19:57,920

like the 99 percent of people in the

2436

01:20:02,630 --> 01:19:59,679

public who would say who cares about

2437

01:20:04,550 --> 01:20:02,640

ufos i'm trying to film feed my family i

2438

01:20:06,550 --> 01:20:04,560

don't care nobody cares there's very few

2439

01:20:09,830 --> 01:20:06,560

of us who care and so what happens is

2440

01:20:12,310 --> 01:20:09,840

jim semivan says he said on an interview

2441

01:20:13,669 --> 01:20:12,320

he said i went to high-level officials

2442

01:20:16,550 --> 01:20:13,679

in the government and he said we're

2443

01:20:19,270 --> 01:20:16,560

going to force this thing out you guys

2444

01:20:21,189 --> 01:20:19,280

can't get it out and i'm going to i'm

2445

01:20:23,270 --> 01:20:21,199

going to get it out and that's what he

2446

01:20:24,709 --> 01:20:23,280

did and it was because he was abducted

2447

01:20:26,790 --> 01:20:24,719

with this very bad experience that he's

2448

01:20:29,669 --> 01:20:26,800

still upset about that he went out and

2449

01:20:31,430 --> 01:20:29,679

he did this and what happened in 2017.

2450

01:20:33,990 --> 01:20:31,440

they had the new york times article came

2451
01:20:35,270 --> 01:20:34,000
out and that was jim semivan that was uh

2452
01:20:37,350 --> 01:20:35,280
hell put off and all these guys that

2453
01:20:38,950 --> 01:20:37,360
pushed all this stuff tom delong they

2454
01:20:40,950 --> 01:20:38,960
pushed all this new york times did the

2455
01:20:43,110 --> 01:20:40,960
article and in one day

2456
01:20:45,110 --> 01:20:43,120
it was boom it's like you ask everybody

2457
01:20:46,950 --> 01:20:45,120
because steven greer and i used i did an

2458
01:20:48,390 --> 01:20:46,960
article called 64 reasons they decided

2459
01:20:50,310 --> 01:20:48,400
not to tell you the truth one of the

2460
01:20:51,669 --> 01:20:50,320
reasons i gave was steven grier's reason

2461
01:20:53,110 --> 01:20:51,679
that the stock market would completely

2462
01:20:54,790 --> 01:20:53,120
melt down if they actually said oh yeah

2463
01:20:56,149 --> 01:20:54,800

there's ufos everybody would say oh

2464

01:20:58,870 --> 01:20:56,159

oil's worth nothing and everything would

2465

01:21:00,310 --> 01:20:58,880

just melt down and what happened in 2017

2466

01:21:02,870 --> 01:21:00,320

when they released the article

2467

01:21:04,629 --> 01:21:02,880

absolutely nothing nobody jumped off a

2468

01:21:06,629 --> 01:21:04,639

building everybody went yeah i knew that

2469

01:21:08,310 --> 01:21:06,639

already that tell me what's in the craft

2470

01:21:11,189 --> 01:21:08,320

and that's what happens it's like gay

2471

01:21:12,870 --> 01:21:11,199

marriage it's like it's it's like uh you

2472

01:21:14,629 --> 01:21:12,880

know all that kind of stuff

2473

01:21:16,390 --> 01:21:14,639

when did gay marriage come come into

2474

01:21:18,470 --> 01:21:16,400

effect everyone that's why i don't know

2475

01:21:20,950 --> 01:21:18,480

20 years ago nobody knows it just

2476

01:21:22,149 --> 01:21:20,960

happens it will flip overnight and

2477

01:21:24,310 --> 01:21:22,159

that's what's going to happen here it's

2478

01:21:25,669 --> 01:21:24,320

a gradual thing and it's a simulated

2479

01:21:28,310 --> 01:21:25,679

universe that's the big thing it's not

2480

01:21:29,910 --> 01:21:28,320

so much uh the the the beings but

2481

01:21:32,149 --> 01:21:29,920

because they forced this thing out into

2482

01:21:34,229 --> 01:21:32,159

the public out of the black world now

2483

01:21:35,750 --> 01:21:34,239

you can talk about it in academia you

2484

01:21:36,950 --> 01:21:35,760

can talk about it in the pentagon and

2485

01:21:38,790 --> 01:21:36,960

you're going to get it's going to it's

2486

01:21:40,709 --> 01:21:38,800

moving very very fast because you have

2487

01:21:41,990 --> 01:21:40,719

academia talking about this they're

2488

01:21:43,030 --> 01:21:42,000

talking about simulated universe and

2489

01:21:45,350 --> 01:21:43,040

what's really go

2490

01:21:47,270 --> 01:21:45,360

going on and i can say the stupid things

2491

01:21:48,470 --> 01:21:47,280

i'm saying and it's it's not off the

2492

01:21:50,070 --> 01:21:48,480

chart anymore because there's other

2493

01:21:51,910 --> 01:21:50,080

people talking about the same thing so i

2494

01:21:54,629 --> 01:21:51,920

think this is moving pretty fast since

2495

01:21:56,629 --> 01:21:54,639

2017 i never would have believed that i

2496

01:21:58,790 --> 01:21:56,639

saw this absolutely not a chance that i

2497

01:22:01,510 --> 01:21:58,800

believe this would ever happen

2498

01:22:02,870 --> 01:22:01,520

thank you um thank you very much i mean

2499

01:22:03,990 --> 01:22:02,880

yeah you should read more books it

2500

01:22:05,510 --> 01:22:04,000

doesn't seem like you have a lot of

2501
01:22:07,270 --> 01:22:05,520
information

2502
01:22:09,350 --> 01:22:07,280
think about you know

2503
01:22:11,590 --> 01:22:09,360
reading i'm just kidding your recall is

2504
01:22:14,070 --> 01:22:11,600
incredible it really is dude

2505
01:22:15,750 --> 01:22:14,080
so it is like

2506
01:22:16,870 --> 01:22:15,760
that's the question is where is it

2507
01:22:18,550 --> 01:22:16,880
coming from

2508
01:22:19,350 --> 01:22:18,560
consciousness flow state is when you're

2509
01:22:23,590 --> 01:22:19,360
there

2510
01:22:25,189 --> 01:22:23,600
a b c d and e is consciousness

2511
01:22:27,030 --> 01:22:25,199
when i talk i don't know what i'm going

2512
01:22:28,790 --> 01:22:27,040
to say 15 seconds from now but i know in

2513
01:22:30,390 --> 01:22:28,800

15 seconds somebody's going to put

2514

01:22:31,669 --> 01:22:30,400

something in my head to talk about it

2515

01:22:33,750 --> 01:22:31,679

just comes in

2516

01:22:36,470 --> 01:22:33,760

nobody's planning it it's channeling

2517

01:22:38,790 --> 01:22:36,480

it's all channeling it is well you know

2518

01:22:41,189 --> 01:22:38,800

my safety rests in your hands with this

2519

01:22:43,030 --> 01:22:41,199

next question grant so i want you to

2520

01:22:45,189 --> 01:22:43,040

take this with a degree of seriousness

2521

01:22:47,270 --> 01:22:45,199

okay okay um

2522

01:22:49,030 --> 01:22:47,280

so i spoke with deb the other night you

2523

01:22:51,110 --> 01:22:49,040

know nathan hasn't heard this yet i

2524

01:22:53,910 --> 01:22:51,120

don't think flair has heard this one

2525

01:22:55,830 --> 01:22:53,920

but uh i have a tendency to spend a lot

2526

01:22:58,790 --> 01:22:55,840

of time going out in the woods with my

2527

01:23:01,110 --> 01:22:58,800

dogs athena and julia athena's about 50

2528

01:23:01,990 --> 01:23:01,120

pounds julia's about 10 pounds

2529

01:23:04,790 --> 01:23:02,000

um

2530

01:23:07,110 --> 01:23:04,800

and i told deb that i was going to try

2531

01:23:08,790 --> 01:23:07,120

to manifest bigfoot

2532

01:23:11,189 --> 01:23:08,800

to come up to me

2533

01:23:13,189 --> 01:23:11,199

because i think it'd be so cool and i'm

2534

01:23:15,590 --> 01:23:13,199

all this time there's nobody around what

2535

01:23:18,310 --> 01:23:15,600

if he came out and deb feels that i

2536

01:23:20,629 --> 01:23:18,320

could be in grave danger where i to

2537

01:23:22,709 --> 01:23:20,639

manifest bigfoot so grant i'll start

2538

01:23:24,629 --> 01:23:22,719

with you and then we'll go around what's

2539

01:23:26,149 --> 01:23:24,639

what's your thoughts on that

2540

01:23:26,950 --> 01:23:26,159

well again it comes to this good evil

2541

01:23:29,510 --> 01:23:26,960

thing

2542

01:23:30,790 --> 01:23:29,520

i mean are there evil uh

2543

01:23:32,629 --> 01:23:30,800

sasquatches that are running around

2544

01:23:34,790 --> 01:23:32,639

eating people or whatever i mean we sort

2545

01:23:37,110 --> 01:23:34,800

of build this in because it's unknown we

2546

01:23:38,870 --> 01:23:37,120

build it in i i believe there's a

2547

01:23:40,070 --> 01:23:38,880

connection so once you get into the

2548

01:23:41,430 --> 01:23:40,080

phenomena

2549

01:23:42,950 --> 01:23:41,440

it's like the hitchhiker thing suddenly

2550

01:23:44,070 --> 01:23:42,960

the phenomena starts coming to you if

2551

01:23:45,990 --> 01:23:44,080

you start reading about it and getting

2552

01:23:48,229 --> 01:23:46,000

interested and it you start to manifest

2553

01:23:49,669 --> 01:23:48,239

this stuff and i had the one i'll tell

2554

01:23:53,030 --> 01:23:49,679

you the one interesting sasquatch there

2555

01:23:54,950 --> 01:23:53,040

had 76 uh there was a an air base it's

2556

01:23:57,270 --> 01:23:54,960

no longer an air base but on the south

2557

01:23:59,110 --> 01:23:57,280

fence there was a woman who saw a being

2558

01:24:01,430 --> 01:23:59,120

looking in a 9 foot window her kid had

2559

01:24:03,910 --> 01:24:01,440

colic in the middle of night and uh the

2560

01:24:05,669 --> 01:24:03,920

dogs were going crazy down the street

2561

01:24:07,189 --> 01:24:05,679

trying to get off their their leashes

2562

01:24:08,950 --> 01:24:07,199

and stuff like that and the one

2563

01:24:11,189 --> 01:24:08,960

aboriginal tracker took me and showed me

2564

01:24:13,270 --> 01:24:11,199

where this thing had gone and and i say

2565

01:24:15,030 --> 01:24:13,280

if you think that there's sasquatches

2566

01:24:16,390 --> 01:24:15,040

that are living in forests and hiding

2567

01:24:18,390 --> 01:24:16,400

give your head a shake because i live in

2568

01:24:20,709 --> 01:24:18,400

a place where where that is there's like

2569

01:24:22,229 --> 01:24:20,719

one tree per mile and it's the flattest

2570

01:24:23,750 --> 01:24:22,239

part on earth if you're a nine foot

2571

01:24:25,110 --> 01:24:23,760

sasquatch you have a very hard time

2572

01:24:27,110 --> 01:24:25,120

hiding down one

2573

01:24:28,790 --> 01:24:27,120

right right and so the thing was he

2574

01:24:30,310 --> 01:24:28,800

showed me there was a creek and there

2575

01:24:31,750 --> 01:24:30,320

was a couple of bushes there and this

2576

01:24:33,830 --> 01:24:31,760

thing went up the creek and he said he

2577

01:24:35,189 --> 01:24:33,840

was 250 pounds he broke through the snow

2578

01:24:36,870 --> 01:24:35,199

this thing did not break through the

2579

01:24:38,470 --> 01:24:36,880

snow and it went in you can see the

2580

01:24:40,070 --> 01:24:38,480

broken branches and went into the middle

2581

01:24:41,590 --> 01:24:40,080

of this clearing and that's where the

2582

01:24:43,110 --> 01:24:41,600

footprints ended which indicated

2583

01:24:44,470 --> 01:24:43,120

something picked it up so there is this

2584

01:24:46,470 --> 01:24:44,480

connection whether they're dropping them

2585

01:24:48,390 --> 01:24:46,480

off or uh to go to the bathroom or

2586

01:24:50,070 --> 01:24:48,400

whatever but you start talk to sasquatch

2587

01:24:52,149 --> 01:24:50,080

people you'll see a lot of sasquatch

2588

01:24:54,550 --> 01:24:52,159

people believe it's it's etheric beings

2589

01:24:56,629 --> 01:24:54,560

as well that they're they're uh

2590

01:24:57,830 --> 01:24:56,639

manifesting it's all part of the same

2591

01:24:59,669 --> 01:24:57,840

sort of thing it's almost like the

2592

01:25:02,709 --> 01:24:59,679

universe has so many different levels so

2593

01:25:04,310 --> 01:25:02,719

many different dimensions realities and

2594

01:25:06,229 --> 01:25:04,320

you know vibrations and stuff that

2595

01:25:07,669 --> 01:25:06,239

everybody's playing a game so i want a

2596

01:25:09,189 --> 01:25:07,679

world with sasquatches so i can create

2597

01:25:11,030 --> 01:25:09,199

this world to have sasquatches running

2598

01:25:12,629 --> 01:25:11,040

around and it's just making it more

2599

01:25:15,030 --> 01:25:12,639

complex that it's all being created by

2600

01:25:17,510 --> 01:25:15,040

consciousness and there there's like

2601
01:25:19,990 --> 01:25:17,520
probably three million different

2602
01:25:22,070 --> 01:25:20,000
levels and and types of environments we

2603
01:25:23,430 --> 01:25:22,080
haven't even seen before and it's all

2604
01:25:25,350 --> 01:25:23,440
but it's all going to be created just by

2605
01:25:27,590 --> 01:25:25,360
making the world more complex because

2606
01:25:29,270 --> 01:25:27,600
the person that's watching it the source

2607
01:25:31,510 --> 01:25:29,280
wants entertainment it's like if you go

2608
01:25:33,030 --> 01:25:31,520
to a movie if you're in a movie

2609
01:25:35,189 --> 01:25:33,040
and and and you everybody wants

2610
01:25:37,350 --> 01:25:35,199
everything good we we don't want any bad

2611
01:25:39,189 --> 01:25:37,360
stuff we want god to sit and watch us

2612
01:25:41,510 --> 01:25:39,199
drink coffee around a coffee table for

2613
01:25:42,709 --> 01:25:41,520

75 years you go to the movie because

2614

01:25:45,030 --> 01:25:42,719

everything's going bad and the

2615

01:25:46,790 --> 01:25:45,040

character's under attack and you know

2616

01:25:48,310 --> 01:25:46,800

and and he overcomes and that's what

2617

01:25:50,310 --> 01:25:48,320

life is about so that's what we're doing

2618

01:25:52,709 --> 01:25:50,320

is this this idea that we're creating

2619

01:25:54,629 --> 01:25:52,719

these these uh ups and downs and and

2620

01:25:56,149 --> 01:25:54,639

this almost like a movie and we overcome

2621

01:25:58,229 --> 01:25:56,159

this thing and we put another challenge

2622

01:25:59,990 --> 01:25:58,239

in front of us and so the sasquatch i

2623

01:26:01,270 --> 01:26:00,000

think is is is is part of this whole

2624

01:26:02,950 --> 01:26:01,280

thing but i definitely think it's

2625

01:26:04,790 --> 01:26:02,960

connected to ufos because that was the

2626

01:26:07,110 --> 01:26:04,800

thing the ufos were in that area there

2627

01:26:08,229 --> 01:26:07,120

was 32 uh horses disappeared there was

2628

01:26:10,070 --> 01:26:08,239

all these bizarre things happening

2629

01:26:11,910 --> 01:26:10,080

around this area and there's no way

2630

01:26:13,830 --> 01:26:11,920

sasquatch was hiding

2631

01:26:15,510 --> 01:26:13,840

well maybe maybe i shouldn't try to

2632

01:26:17,189 --> 01:26:15,520

connect with one of the nathan nathan

2633

01:26:20,390 --> 01:26:17,199

what do you think should i not be trying

2634

01:26:23,189 --> 01:26:20,400

to manifest fast well i mean i think if

2635

01:26:25,110 --> 01:26:23,199

anybody could and and should i be okay

2636

01:26:27,030 --> 01:26:25,120

with you doing it i think it would be a

2637

01:26:28,790 --> 01:26:27,040

pleasant experience uh you know you've

2638

01:26:29,990 --> 01:26:28,800

got such a warm spirit that i think it

2639

01:26:31,910 --> 01:26:30,000

would be okay

2640

01:26:34,070 --> 01:26:31,920

um but you never know i want to come

2641

01:26:36,550 --> 01:26:34,080

back to something you said grant about

2642

01:26:39,510 --> 01:26:36,560

the the ocean analogy of consciousness

2643

01:26:42,149 --> 01:26:39,520

and you know one analogy that i've heard

2644

01:26:44,149 --> 01:26:42,159

to help describe what's happening here

2645

01:26:46,390 --> 01:26:44,159

is that uh just as a wave is an

2646

01:26:48,709 --> 01:26:46,400

appearance on the ocean you can't take

2647

01:26:52,390 --> 01:26:48,719

that wave out of the ocean it doesn't

2648

01:26:55,030 --> 01:26:52,400

exist independent of the ocean and so

2649

01:26:56,950 --> 01:26:55,040

what we are is sort of these we are all

2650

01:26:59,510 --> 01:26:56,960

just manifestations there are different

2651
01:27:01,270 --> 01:26:59,520
manifestations of the water you know we

2652
01:27:02,950 --> 01:27:01,280
have an appearance of separateness an

2653
01:27:04,790 --> 01:27:02,960
appearance of being distinct but we

2654
01:27:06,149 --> 01:27:04,800
really are the same thing

2655
01:27:07,669 --> 01:27:06,159
and that's really kind of what's

2656
01:27:08,629 --> 01:27:07,679
happening here i think of it in this way

2657
01:27:10,390 --> 01:27:08,639
too

2658
01:27:11,750 --> 01:27:10,400
just as an analogy with modern

2659
01:27:13,189 --> 01:27:11,760
psychology

2660
01:27:14,990 --> 01:27:13,199
you know you can be

2661
01:27:17,510 --> 01:27:15,000
a person who can have

2662
01:27:19,350 --> 01:27:17,520
disassociated uh

2663
01:27:21,590 --> 01:27:19,360

alters you know they use that that's the

2664

01:27:23,189 --> 01:27:21,600

word that is used altered personalities

2665

01:27:24,950 --> 01:27:23,199

and that's essentially consciousness as

2666

01:27:27,350 --> 01:27:24,960

well that it's when it's when it's

2667

01:27:29,030 --> 01:27:27,360

non-altered when it's at its base state

2668

01:27:31,590 --> 01:27:29,040

as you mentioned earlier it's

2669

01:27:34,310 --> 01:27:31,600

essentially kind of alone or you know

2670

01:27:36,310 --> 01:27:34,320

solitude it's it's very boring and so it

2671

01:27:38,629 --> 01:27:36,320

disassociates into all of these

2672

01:27:40,790 --> 01:27:38,639

different you know entities which is us

2673

01:27:43,750 --> 01:27:40,800

and the others and we are all playing in

2674

01:27:45,510 --> 01:27:43,760

mind space essentially and as we kind of

2675

01:27:47,350 --> 01:27:45,520

intersect with each other

2676

01:27:49,750 --> 01:27:47,360

the way in which we see them the way in

2677

01:27:51,990 --> 01:27:49,760

which they see us it is all interpreted

2678

01:27:54,790 --> 01:27:52,000

through the lens of that of that

2679

01:27:55,990 --> 01:27:54,800

conscious experience and so it does vary

2680

01:27:57,669 --> 01:27:56,000

based on

2681

01:27:59,189 --> 01:27:57,679

what their conscious experience of the

2682

01:28:01,030 --> 01:27:59,199

universe is what our conscious

2683

01:28:02,790 --> 01:28:01,040

experience of the universe is sometimes

2684

01:28:04,790 --> 01:28:02,800

we never intersect but we are all part

2685

01:28:06,629 --> 01:28:04,800

of the same thing

2686

01:28:08,790 --> 01:28:06,639

you you mentioned i would like to get

2687

01:28:10,790 --> 01:28:08,800

this in before we close but um you

2688

01:28:11,990 --> 01:28:10,800

talked about this uh alters which is

2689

01:28:13,189 --> 01:28:12,000

another big thing i did in contact

2690

01:28:14,870 --> 01:28:13,199

modalities which i think is a very

2691

01:28:17,510 --> 01:28:14,880

important thing to study when you look

2692

01:28:19,669 --> 01:28:17,520

at alters you hear these stories that

2693

01:28:21,910 --> 01:28:19,679

when the altar comes in it changes eye

2694

01:28:24,870 --> 01:28:21,920

color it doesn't have a disease it has

2695

01:28:26,629 --> 01:28:24,880

this or whatever that's all dna and so

2696

01:28:29,830 --> 01:28:26,639

if you take a look at jay-z knight who

2697

01:28:32,709 --> 01:28:29,840

was the channeler for for uh she did the

2698

01:28:35,510 --> 01:28:32,719

experiment where she's she's rampha they

2699

01:28:37,030 --> 01:28:35,520

do the dna test and they and then she

2700

01:28:39,669 --> 01:28:37,040

has three different tests done then when

2701

01:28:43,270 --> 01:28:39,679

she's normal and in the normal one she's

2702

01:28:47,270 --> 01:28:45,350

ancestry and when she's wrapped up she's

2703

01:28:49,030 --> 01:28:47,280

male and and this sort of stuff and that

2704

01:28:50,950 --> 01:28:49,040

seems to indicate dna maybe

2705

01:28:52,629 --> 01:28:50,960

consciousness and i i actually had

2706

01:28:54,229 --> 01:28:52,639

bashar i had a bunch of people i still

2707

01:28:55,990 --> 01:28:54,239

wanted this test i want to get ions to

2708

01:28:57,830 --> 01:28:56,000

do it because if you take a look at the

2709

01:29:01,030 --> 01:28:57,840

uh even remote viewing when lynne

2710

01:29:03,430 --> 01:29:01,040

buchanan uh mind melded with saddam

2711

01:29:04,470 --> 01:29:03,440

hussein they said his eye color changed

2712

01:29:06,629 --> 01:29:04,480

to brown

2713

01:29:09,030 --> 01:29:06,639

and that's this whole thing is even

2714

01:29:10,870 --> 01:29:09,040

consciousness maybe dna that if your

2715

01:29:12,470 --> 01:29:10,880

consciousness changes if an altar comes

2716

01:29:14,310 --> 01:29:12,480

in and takes over your body your

2717

01:29:16,390 --> 01:29:14,320

consciousness may change and i'm

2718

01:29:18,070 --> 01:29:16,400

determined to get that study because

2719

01:29:20,390 --> 01:29:18,080

i've got all sorts of examples of this

2720

01:29:22,470 --> 01:29:20,400

happening all you need is one more white

2721

01:29:24,390 --> 01:29:22,480

crow and it's game over what are you

2722

01:29:26,390 --> 01:29:24,400

gonna say if the person's consciousness

2723

01:29:27,830 --> 01:29:26,400

changes when they're channeling and it's

2724

01:29:29,350 --> 01:29:27,840

got to be a direct it's got to be a

2725

01:29:30,709 --> 01:29:29,360

trans channel where they're completely

2726

01:29:31,910 --> 01:29:30,719

cut off that's these things have levels

2727

01:29:34,070 --> 01:29:31,920

so you have different levels of

2728

01:29:35,750 --> 01:29:34,080

channeling when you get a trans channel

2729

01:29:37,030 --> 01:29:35,760

the person is completely gone they're

2730

01:29:38,870 --> 01:29:37,040

not even there they don't know what's

2731

01:29:41,030 --> 01:29:38,880

going on their left brain is completely

2732

01:29:43,110 --> 01:29:41,040

gone and the thing comes in and i have

2733

01:29:44,470 --> 01:29:43,120

so many i'm trying to get ions to do it

2734

01:29:47,430 --> 01:29:44,480

because they're doing this stuff with

2735

01:29:50,470 --> 01:29:47,440

with uh trans channelers and there's so

2736

01:29:52,310 --> 01:29:50,480

many examples of of this happening where

2737

01:29:54,550 --> 01:29:52,320

um the person can speak different

2738

01:29:56,390 --> 01:29:54,560

languages and this sort of thing i think

2739

01:29:58,070 --> 01:29:56,400

it's very important and again it shows

2740

01:30:00,550 --> 01:29:58,080

us that we we haven't got a clue what's

2741

01:30:01,910 --> 01:30:00,560

going on we it the the whole phenomena

2742

01:30:03,430 --> 01:30:01,920

is going to be a lot less physical and

2743

01:30:05,030 --> 01:30:03,440

people think it is it's gonna be a lot

2744

01:30:07,030 --> 01:30:05,040

more spiritual than people think it is

2745

01:30:08,950 --> 01:30:07,040

which is really gonna you know pee off a

2746

01:30:10,470 --> 01:30:08,960

bunch of people the scientists are gonna

2747

01:30:12,470 --> 01:30:10,480

be reaching for the cyanide pills when

2748

01:30:14,390 --> 01:30:12,480

they realize oh my goodness this is all

2749

01:30:16,310 --> 01:30:14,400

wrong it's gonna be at least a thousand

2750

01:30:18,229 --> 01:30:16,320

times more complex and i maintain it

2751

01:30:20,229 --> 01:30:18,239

will not have a single hint of

2752

01:30:21,910 --> 01:30:20,239

capitalism in it

2753

01:30:23,990 --> 01:30:21,920

this beehive

2754

01:30:26,149 --> 01:30:24,000

thing it's the idea is that they're all

2755

01:30:28,149 --> 01:30:26,159

working together as one like cells in a

2756

01:30:29,830 --> 01:30:28,159

body and when you get that one cell

2757

01:30:31,510 --> 01:30:29,840

decides it's going to go its own way

2758

01:30:32,950 --> 01:30:31,520

that's called a cancer cell and that's

2759

01:30:36,470 --> 01:30:32,960

what we got in a situation in the world

2760

01:30:39,590 --> 01:30:36,480

today it's it's the the me over we

2761

01:30:41,430 --> 01:30:39,600

it's uh you know the separation and the

2762

01:30:43,510 --> 01:30:41,440

separation the more we break down the

2763

01:30:45,590 --> 01:30:43,520

separation the more we uh have

2764

01:30:48,790 --> 01:30:45,600

individualism the worse it gets we have

2765

01:30:50,470 --> 01:30:48,800

to realize we're all one thing or even

2766

01:30:52,229 --> 01:30:50,480

that i put on facebook the other day

2767

01:30:55,350 --> 01:30:52,239

where edgar mitchell had the experience

2768

01:30:56,870 --> 01:30:55,360

when he was uh um on the moon and he

2769

01:30:58,550 --> 01:30:56,880

said you know you suddenly got to won

2770

01:31:00,390 --> 01:30:58,560

this thing about how it was all one

2771

01:31:02,070 --> 01:31:00,400

thing and he'd like to grab a politician

2772

01:31:04,629 --> 01:31:02,080

by the neck and grab them out and take

2773

01:31:07,430 --> 01:31:04,639

them out two thousand 250 000 miles and

2774

01:31:08,709 --> 01:31:07,440

say look at that yes stupid yeah

2775

01:31:10,390 --> 01:31:08,719

absolutely

2776

01:31:11,830 --> 01:31:10,400

and that's the thing it's oneness is the

2777

01:31:14,310 --> 01:31:11,840

key message that they're trying to get

2778

01:31:16,070 --> 01:31:14,320

across the oneness message and unless we

2779

01:31:17,990 --> 01:31:16,080

do we're gone but again even if we

2780

01:31:21,030 --> 01:31:18,000

destroy the world it's all experience

2781

01:31:22,950 --> 01:31:21,040

it's a multi-life universe we come back

2782

01:31:24,950 --> 01:31:22,960

over and over again you come back some

2783

01:31:26,790 --> 01:31:24,960

other planet whatever whatever is

2784

01:31:28,149 --> 01:31:26,800

happening you either learn from it or

2785

01:31:29,510 --> 01:31:28,159

you don't learn from it you come back

2786

01:31:31,110 --> 01:31:29,520

until you learn the lessons just keep

2787

01:31:32,709 --> 01:31:31,120

playing running the play until you get

2788

01:31:34,070 --> 01:31:32,719

it right that's what it's all about it's

2789

01:31:35,750 --> 01:31:34,080

about experience and it's about trying

2790

01:31:37,350 --> 01:31:35,760

to make the world a better place when

2791

01:31:39,110 --> 01:31:37,360

you see the beings people say why would

2792

01:31:41,830 --> 01:31:39,120

they come here because when you get out

2793

01:31:43,030 --> 01:31:41,840

of this capitalist world of rape pillage

2794

01:31:45,110 --> 01:31:43,040

kill and steal whoever's got the most

2795

01:31:46,790 --> 01:31:45,120

toys when they die wins then you realize

2796

01:31:48,790 --> 01:31:46,800

it's all about trying to be a better

2797

01:31:50,229 --> 01:31:48,800

person in a better universe and and make

2798

01:31:51,669 --> 01:31:50,239

it a bigger and better place that's what

2799

01:31:53,590 --> 01:31:51,679

it's all about and that's what you see

2800

01:31:55,510 --> 01:31:53,600

whether it's spirits or

2801
01:31:56,709 --> 01:31:55,520
beings is that what they're doing why

2802
01:31:58,149 --> 01:31:56,719
would they be helping us that's because

2803
01:32:00,310 --> 01:31:58,159
they're trying to make the world a

2804
01:32:01,669 --> 01:32:00,320
better place instead of you know people

2805
01:32:03,030 --> 01:32:01,679
want to escape the karmic wheel we're

2806
01:32:04,709 --> 01:32:03,040
going to go sit on a beach in hawaii and

2807
01:32:05,910 --> 01:32:04,719
drink mai tais i said how many billion

2808
01:32:07,910 --> 01:32:05,920
years do you think you can sit on a

2809
01:32:09,189 --> 01:32:07,920
beach and drink my thighs in hawaii it's

2810
01:32:10,470 --> 01:32:09,199
going to be able to kid a kid in the

2811
01:32:12,629 --> 01:32:10,480
back seat of a car we there you have to

2812
01:32:14,709 --> 01:32:12,639
kind of go this is boring come on are we

2813
01:32:16,870 --> 01:32:14,719

it's all about experience and excitement

2814

01:32:18,550 --> 01:32:16,880

and and trying to do it and i'm i

2815

01:32:20,229 --> 01:32:18,560

appreciate what you guys are doing we're

2816

01:32:22,550 --> 01:32:20,239

all doing our little job here and the

2817

01:32:24,070 --> 01:32:22,560

more we do the more consciousness rises

2818

01:32:25,189 --> 01:32:24,080

it's like african-american rights or

2819

01:32:27,350 --> 01:32:25,199

anything else we're no different than

2820

01:32:28,790 --> 01:32:27,360

any other social political movement they

2821

01:32:30,470 --> 01:32:28,800

make bad jokes about us they can say

2822

01:32:32,070 --> 01:32:30,480

whatever they want the more we talk

2823

01:32:34,310 --> 01:32:32,080

about it the more the consciousness

2824

01:32:36,870 --> 01:32:34,320

rises and the more in the end everybody

2825

01:32:38,390 --> 01:32:36,880

will know what to do it's going to flip

2826

01:32:40,310 --> 01:32:38,400

but we have to talk about it the more we

2827

01:32:42,310 --> 01:32:40,320

talk about it the better it is that

2828

01:32:45,189 --> 01:32:42,320

that's very inspiring that you say that

2829

01:32:47,750 --> 01:32:45,199

and make that analogy because i i agree

2830

01:32:50,950 --> 01:32:47,760

and i think uh share those values with

2831

01:32:53,990 --> 01:32:50,960

my uh co-hosts here uh everybody's gonna

2832

01:32:56,390 --> 01:32:54,000

say goodbye uh debs

2833

01:32:59,030 --> 01:32:56,400

you so much for coming and sharing your

2834

01:33:00,870 --> 01:32:59,040

vast amounts of knowledge with us i

2835

01:33:02,229 --> 01:33:00,880

appreciate it greatly

2836

01:33:04,470 --> 01:33:02,239

yeah make sure you give me your story so

2837

01:33:06,229 --> 01:33:04,480

i can put it in my book i will

2838

01:33:07,110 --> 01:33:06,239

oh you're go you'll be seeing debs again

2839

01:33:08,629 --> 01:33:07,120

in

2840

01:33:10,390 --> 01:33:08,639

a short period of time

2841

01:33:11,910 --> 01:33:10,400

kevin

2842

01:33:13,910 --> 01:33:11,920

hey man thanks for thanks for your

2843

01:33:16,070 --> 01:33:13,920

insights beautiful i mean

2844

01:33:18,149 --> 01:33:16,080

yeah dude you're awesome you're a fast

2845

01:33:20,070 --> 01:33:18,159

talker you actually intimidated me into

2846

01:33:21,350 --> 01:33:20,080

talking slower

2847

01:33:23,430 --> 01:33:21,360

it was great meeting you so thank you

2848

01:33:25,590 --> 01:33:23,440

for being here seriously you're you're

2849

01:33:27,669 --> 01:33:25,600

someone i i really look up to in this

2850

01:33:29,510 --> 01:33:27,679

yeah in this field

2851
01:33:31,430 --> 01:33:29,520
my name's one when i go that as well

2852
01:33:33,189 --> 01:33:31,440
grant um i've been listening to you for

2853
01:33:35,669 --> 01:33:33,199
quite some time and i've enjoyed

2854
