good week it's been uh gosh i can't

19

00:01:15,190 --> 00:01:14,320
believe that march is coming to a close

20

00:01:17,910 --> 00:01:15,200
i

21

00:01:19,109 --> 00:01:17,920
we're already

22

00:01:20,390 --> 00:01:19,119
you know quarter of the way through the

23

00:01:22,149 --> 00:01:20,400
year here just

24

00:01:24,870 --> 00:01:22,159
absolutely bonkers to me

25

00:01:27,990 --> 00:01:24,880
but uh we've got an amazing show for uh

26

00:01:30,789 --> 00:01:28,000

folks tonight we are joined by two

27

00:01:32,149 --> 00:01:30,799

incredible people in the community uh

28

00:01:35,510 --> 00:01:32,159

whose names i know everybody will

29

00:01:37,190 --> 00:01:35,520

recognize so one we've got uh jess rogie

30

00:01:40,710 --> 00:01:37,200

of the rogue report escape the

31

00:01:43,510 --> 00:01:40,720

simulation and we've also got enzo cyril

32

00:01:45,510 --> 00:01:43,520

and enzo is a retired air force and he's

33

00:01:47,350 --> 00:01:45,520

a real person he's not just a positivity

34

00:01:48,789 --> 00:01:47,360

bot that shows up all over everyone's

35

00:01:51,990 --> 00:01:48,799

channels which i know is a lot of people

36

00:01:53,749 --> 00:01:52,000

think he's the enzo botnet but he is a

37

00:01:55,670 --> 00:01:53,759

real person and a fantastic person at

38

00:01:57,830 --> 00:01:55,680

that and we are grateful to have both of

39

00:01:59,270 --> 00:01:57,840

these fine humans with us this evening

40

00:02:01,270 --> 00:01:59,280

and i'm going to bring them on stage so

41

00:02:03,990 --> 00:02:01,280

welcome to the show guys

42

00:02:07,510 --> 00:02:05,830

welcome excellent so welcome to calling

43

00:02:09,749 --> 00:02:07,520

all beings and as we talked about

44

00:02:12,470 --> 00:02:09,759

backstage normally we've got dj with us

45

00:02:16,550 --> 00:02:12,480

our host that gives the amazing uh kind

46

00:02:18,630 --> 00:02:16,560

of wwe wwf introduction uh i am not

47

00:02:19,990 --> 00:02:18,640

going to try i can't i've tried before

48

00:02:21,190 --> 00:02:20,000

i've failed so just it's not going to

49

00:02:22,550 --> 00:02:21,200

happen

50

00:02:24,710 --> 00:02:22,560

so hopefully we will maybe we will

51
00:02:26,550 --> 00:02:24,720
record one of those for you guys as a as

52
00:02:29,190 --> 00:02:26,560
a later on a gift if you really want

53
00:02:30,949 --> 00:02:29,200
that full dj experience he is uh for our

54
00:02:33,350 --> 00:02:30,959
listeners wondering where he is this

55
00:02:35,990 --> 00:02:33,360
evening he is chasing a cat that has

56
00:02:39,030 --> 00:02:36,000
gotten stuck inside the walls you heard

57
00:02:40,869 --> 00:02:39,040
that right the walls of his house

58
00:02:43,750 --> 00:02:40,879
so the cab team has already received

59
00:02:44,790 --> 00:02:43,760
photos of drywall coming apart and it

60
00:02:46,390 --> 00:02:44,800
just

61
00:02:47,830 --> 00:02:46,400
man

62
00:02:50,150 --> 00:02:47,840
good luck dj that's all i have to say

63
00:02:52,150 --> 00:02:50,160

hope you find that cat

64

00:02:54,949 --> 00:02:52,160

hopefully he will join us as well but if

65

00:02:57,589 --> 00:02:54,959

not we wish you well dj in that search

66

00:02:59,030 --> 00:02:57,599

so i want to get started uh jess let's

67

00:02:59,910 --> 00:02:59,040

start with you

68

00:03:01,910 --> 00:02:59,920

uh

69

00:03:03,190 --> 00:03:01,920

a couple things i want to say about your

70

00:03:04,949 --> 00:03:03,200

show

71

00:03:06,790 --> 00:03:04,959

one i love that you've got this kind of

72

00:03:08,309 --> 00:03:06,800

wide spectrum of coverage you know

73

00:03:09,190 --> 00:03:08,319

you're talking about a lot of topics

74

00:03:10,710 --> 00:03:09,200

that

75

00:03:13,589 --> 00:03:10,720

if you're if you're kind of heavy in the

76

00:03:15,509 --> 00:03:13,599

ufo side of the of the high strangeness

77

00:03:17,750 --> 00:03:15,519

or whatever you may ignore

78

00:03:20,070 --> 00:03:17,760

a lot of the kind of paranormal aspects

79

00:03:21,110 --> 00:03:20,080

and you seem to be very comfortable not

80

00:03:22,790 --> 00:03:21,120

just

81

00:03:24,630 --> 00:03:22,800

covering them but really diving into

82

00:03:26,149 --> 00:03:24,640

them and is that something that you know

83

00:03:29,190 --> 00:03:26,159

you've always had an interest in or did

84

00:03:31,030 --> 00:03:29,200

that kind of evolve over time

85

00:03:32,789 --> 00:03:31,040

i think it evolved when i did my first

86

00:03:34,470 --> 00:03:32,799

show i was a little more paranormal and

87

00:03:36,229 --> 00:03:34,480

talked a little bit more about these

88

00:03:38,470 --> 00:03:36,239

high strangeness things and then when i

89

00:03:40,869 --> 00:03:38,480

did my second show i kind of threw all

90

00:03:43,589 --> 00:03:40,879

that away and i went hardcore into nuts

91

00:03:45,350 --> 00:03:43,599

and bolts but recently i've kind of been

92

00:03:46,949 --> 00:03:45,360

like you know what i want to get back

93

00:03:49,910 --> 00:03:46,959

into talking about the more strange

94

00:03:52,470 --> 00:03:49,920

things like remote viewing consciousness

95

00:03:54,550 --> 00:03:52,480

you know dreams meditation things like

96

00:03:56,949 --> 00:03:54,560

that because it's all you know you find

97

00:03:58,949 --> 00:03:56,959

the more you look at it and if you keep

98

00:04:00,789 --> 00:03:58,959

an open mind you kind of see that there

99

00:04:01,990 --> 00:04:00,799

is a connection between these different

100

00:04:03,670 --> 00:04:02,000

things

101
00:04:05,429 --> 00:04:03,680
and i think that's what my goal is with

102
00:04:07,110 --> 00:04:05,439
the show is to kind of say like hey why

103
00:04:09,270 --> 00:04:07,120
don't you look at this

104
00:04:10,470 --> 00:04:09,280
look at this person just listen you know

105
00:04:12,390 --> 00:04:10,480
you don't have to

106
00:04:13,990 --> 00:04:12,400
to believe everything but you know just

107
00:04:15,429 --> 00:04:14,000
take in the information and then make

108
00:04:17,430 --> 00:04:15,439
your decisions

109
00:04:19,349 --> 00:04:17,440
yeah totally have you found that uh the

110
00:04:20,310 --> 00:04:19,359
folks in kind of those different pockets

111
00:04:23,030 --> 00:04:20,320
are

112
00:04:24,790 --> 00:04:23,040
they themselves kind of merging into

113
00:04:26,150 --> 00:04:24,800

other areas they wouldn't have been in

114

00:04:27,909 --> 00:04:26,160

before

115

00:04:30,870 --> 00:04:27,919

i think they're they're getting really

116

00:04:33,590 --> 00:04:30,880

interested and talk about talking to you

117

00:04:35,510 --> 00:04:33,600

know your ufo shows too because like

118

00:04:37,189 --> 00:04:35,520

they you know people who work in those

119

00:04:39,110 --> 00:04:37,199

types of you know in the more paranormal

120

00:04:40,950 --> 00:04:39,120

side of things they feel it's all

121

00:04:43,749 --> 00:04:40,960

connected they you know they see all the

122

00:04:45,350 --> 00:04:43,759

connections so i think it kind of opens

123

00:04:48,710 --> 00:04:45,360

them up to kind of look

124

00:04:50,390 --> 00:04:48,720

at the other side of ufology as well

125

00:04:52,629 --> 00:04:50,400

it is funny because the paranormal

126

00:04:54,310 --> 00:04:52,639

people that i'm familiar with do seem to

127

00:04:56,870 --> 00:04:54,320

be like we're waiting for the rest of

128

00:04:58,390 --> 00:04:56,880

you to catch up to us because when you

129

00:05:00,070 --> 00:04:58,400

look at it from that consciousness

130

00:05:02,950 --> 00:05:00,080

connection

131

00:05:04,390 --> 00:05:02,960

that paranormality it does it is more of

132

00:05:05,590 --> 00:05:04,400

an umbrella

133

00:05:07,749 --> 00:05:05,600

kind of

134

00:05:09,510 --> 00:05:07,759

approach to the topic than the ufos

135

00:05:11,189 --> 00:05:09,520

which has traditionally been

136

00:05:12,469 --> 00:05:11,199

either the kind of nuts and bolts

137

00:05:15,990 --> 00:05:12,479

technology

138

00:05:18,469 --> 00:05:16,000

angle or the the kind of hard sci-fi ets

139

00:05:20,390 --> 00:05:18,479

from somewhere else they they don't it's

140

00:05:23,350 --> 00:05:20,400

like taking a while for that crowd to

141

00:05:26,150 --> 00:05:23,360

kind of come along to the the paranormal

142

00:05:30,710 --> 00:05:28,710

yeah i would agree with that i mean it i

143

00:05:33,350 --> 00:05:30,720

think people who are hardcore nuts and

144

00:05:34,230 --> 00:05:33,360

bolts have a little harder of a time

145

00:05:36,950 --> 00:05:34,240

with

146

00:05:39,510 --> 00:05:36,960

being open to these types of things

147

00:05:41,350 --> 00:05:39,520

so it's it's it's difficult

148

00:05:43,029 --> 00:05:41,360

it's just difficult to say like if there

149

00:05:44,790 --> 00:05:43,039

will be a big change or if a lot of

150

00:05:46,790 --> 00:05:44,800

people will look into but i see i think

151

00:05:49,029 --> 00:05:46,800

i see a lot of people being interested

152

00:05:49,990 --> 00:05:49,039

in the more consciousness side of things

153

00:05:51,270 --> 00:05:50,000

right

154

00:05:52,950 --> 00:05:51,280

i love it i love it and i love that

155

00:05:55,350 --> 00:05:52,960

you're promoting that and getting into

156

00:05:57,110 --> 00:05:55,360

it i think honestly from my perspective

157

00:05:59,189 --> 00:05:57,120

that's where this is going it's going

158

00:06:01,350 --> 00:05:59,199

kind of to that direction and we've been

159

00:06:03,110 --> 00:06:01,360

seeing a lot of that recently uh from

160

00:06:04,870 --> 00:06:03,120

folks like jim semivan who've been more

161

00:06:07,430 --> 00:06:04,880

open about his experience

162

00:06:09,990 --> 00:06:07,440

uh from folks like john ramirez and his

163

00:06:11,990 --> 00:06:10,000

uh sort of you know kind of

164

00:06:13,430 --> 00:06:12,000

personal experience with the encounters

165

00:06:14,870 --> 00:06:13,440

uh and of course skin walks at the

166

00:06:17,510 --> 00:06:14,880

pentagon you know that book gets a lot

167

00:06:19,510 --> 00:06:17,520

of sort of laughter and chuckles but if

168

00:06:21,110 --> 00:06:19,520

you've been familiar with the paranormal

169

00:06:22,790 --> 00:06:21,120

side of it and very comfortable with

170

00:06:25,029 --> 00:06:22,800

kind of what's going on over there the

171

00:06:26,710 --> 00:06:25,039

things that you read about in that book

172

00:06:28,230 --> 00:06:26,720

don't seem that strange and don't seem

173

00:06:30,469 --> 00:06:28,240

that off-putting

174

00:06:32,469 --> 00:06:30,479

as i think a lot of the you know kind of

175

00:06:34,629 --> 00:06:32,479

nuts and bolts ufologists

176

00:06:36,469 --> 00:06:34,639

seem to paint it as

177

00:06:37,990 --> 00:06:36,479

no i would agree with that i think what

178

00:06:40,870 --> 00:06:38,000

a lot of people like to look at too is

179

00:06:42,309 --> 00:06:40,880

just the skin walker ranch as an example

180

00:06:44,550 --> 00:06:42,319

of a place where all this different

181

00:06:46,070 --> 00:06:44,560

phenomenon occurs and you know from what

182

00:06:47,670 --> 00:06:46,080

i understand i can't name anywhere but

183

00:06:50,070 --> 00:06:47,680

there's other places in this world on

184

00:06:51,589 --> 00:06:50,080

this planet that you know where the veil

185

00:06:54,309 --> 00:06:51,599

is thinner where all these things can

186

00:06:56,390 --> 00:06:54,319

happen in the same place so it's very

187

00:06:57,830 --> 00:06:56,400

interesting to see like books like

188

00:07:00,070 --> 00:06:57,840

skin walkers at the pentagon get a

189

00:07:01,749 --> 00:07:00,080

little deeper into these cases you know

190

00:07:03,589 --> 00:07:01,759

that have been reported that are pretty

191

00:07:05,189 --> 00:07:03,599

strange

192

00:07:06,710 --> 00:07:05,199

yeah 100

193

00:07:08,870 --> 00:07:06,720

well let me switch gears real quick to

194

00:07:11,189 --> 00:07:08,880

enzo so enzo uh thank you for being on

195

00:07:13,110 --> 00:07:11,199

the show and everyone who's watched any

196

00:07:14,550 --> 00:07:13,120

of the shows in this community will

197

00:07:17,510 --> 00:07:14,560

recognize your name your constant

198

00:07:19,749 --> 00:07:17,520

presence in the chat and uh you know we

199

00:07:20,870 --> 00:07:19,759

thank you very much for your support so

200

00:07:23,589 --> 00:07:20,880

like what

201
00:07:25,270 --> 00:07:23,599
has brought you to this topic and and

202
00:07:27,189 --> 00:07:25,280
also how do you do it do you have a

203
00:07:29,029 --> 00:07:27,199
clone do you have multiple computers

204
00:07:30,629 --> 00:07:29,039
running i mean we really want the

205
00:07:32,390 --> 00:07:30,639
answers here how do you pull this off

206
00:07:34,309 --> 00:07:32,400
how are you everywhere all the time well

207
00:07:37,110 --> 00:07:34,319
a good magician never reveals all their

208
00:07:38,870 --> 00:07:37,120
tricks but uh as far as as far as what

209
00:07:41,350 --> 00:07:38,880
got me into this uh

210
00:07:42,150 --> 00:07:41,360
as as a young kid

211
00:07:45,830 --> 00:07:42,160
uh

212
00:07:48,390 --> 00:07:45,840
remember distinctly going with a group

213
00:07:50,469 --> 00:07:48,400

of friends uh when i was very young to

214

00:07:52,790 --> 00:07:50,479

the theaters there was a movie that was

215

00:07:55,029 --> 00:07:52,800

in there it was bigfoot the loch ness

216

00:07:57,350 --> 00:07:55,039

monster and uh i guess it was just

217

00:07:58,869 --> 00:07:57,360

aliens in general or ufos

218

00:08:00,309 --> 00:07:58,879

and i remember just kind of getting

219

00:08:03,510 --> 00:08:00,319

sucked into that world and was

220

00:08:05,189 --> 00:08:03,520

fascinated by it and when i was about 10

221

00:08:07,430 --> 00:08:05,199

i i did see

222

00:08:09,830 --> 00:08:07,440

what would be a ufo it would be a light

223

00:08:11,749 --> 00:08:09,840

in the sky kind of a thing and

224

00:08:13,670 --> 00:08:11,759

when i started asking around school the

225

00:08:15,990 --> 00:08:13,680

next day because it was in a very public

226
00:08:16,869 --> 00:08:16,000
area a lot of people should have seen it

227
00:08:18,710 --> 00:08:16,879
uh

228
00:08:21,029 --> 00:08:18,720
suddenly i it was like

229
00:08:23,589 --> 00:08:21,039
you're the ufo kid now

230
00:08:26,629 --> 00:08:23,599
it's like okay maybe maybe i won't say

231
00:08:30,790 --> 00:08:26,639
anything else wow about it

232
00:08:33,029 --> 00:08:30,800
but always had that that interest and uh

233
00:08:36,070 --> 00:08:33,039
as i got older i've always been an

234
00:08:37,509 --> 00:08:36,080
insomniac uh so listening to the radio

235
00:08:40,469 --> 00:08:37,519
all night long

236
00:08:42,389 --> 00:08:40,479
art bell of course comes in uh just

237
00:08:44,149 --> 00:08:42,399
hours listening to him and enjoying his

238
00:08:46,310 --> 00:08:44,159

show where he discusses all of these

239

00:08:48,870 --> 00:08:46,320

topics it's it's always kind of been

240

00:08:50,230 --> 00:08:48,880

there in the back of my head

241

00:08:53,509 --> 00:08:50,240

but uh

242

00:08:55,269 --> 00:08:53,519

recently i kind of was just mostly a

243

00:08:56,550 --> 00:08:55,279

nuts and bolts standard nuts and bolts

244

00:08:58,470 --> 00:08:56,560

ufo guy

245

00:09:01,509 --> 00:08:58,480

uh you know the loch ness monster fell

246

00:09:02,710 --> 00:09:01,519

off a long time ago and bigfoot

247

00:09:05,190 --> 00:09:02,720

i've been out in the woods you hear

248

00:09:08,389 --> 00:09:05,200

weird things i don't know about that

249

00:09:11,269 --> 00:09:08,399

but uh i'm also a big fan of uh the tv

250

00:09:12,150 --> 00:09:11,279

show survivor man with les stroud yeah

251

00:09:15,269 --> 00:09:12,160

and

252

00:09:17,269 --> 00:09:15,279

he's like hey

253

00:09:18,389 --> 00:09:17,279

i think it's plausible that there could

254

00:09:20,070 --> 00:09:18,399

be a

255

00:09:23,269 --> 00:09:20,080

even if you go as far as saying it's

256

00:09:25,190 --> 00:09:23,279

just a large gorilla type of thing

257

00:09:27,990 --> 00:09:25,200

or whatever that it's possible something

258

00:09:30,470 --> 00:09:28,000

like that could survive in and he did a

259

00:09:32,470 --> 00:09:30,480

several specials on it

260

00:09:34,550 --> 00:09:32,480

and uh that kind of turned me around

261

00:09:37,190 --> 00:09:34,560

it's like well if he believes it you

262

00:09:39,350 --> 00:09:37,200

know this person that you know

263

00:09:41,670 --> 00:09:39,360

week after week you know go surviving

264

00:09:45,110 --> 00:09:41,680

for a week out in the middle of uh crazy

265

00:09:46,310 --> 00:09:45,120

situations if he thinks it's possible

266

00:09:49,829 --> 00:09:46,320

then

267

00:09:52,389 --> 00:09:49,839

why who am i to say is wrong and kind of

268

00:09:55,030 --> 00:09:52,399

opened the floodgates a little bit and

269

00:09:56,870 --> 00:09:55,040

uh started looking more into

270

00:09:58,070 --> 00:09:56,880

like like everyone else the last couple

271

00:09:59,829 --> 00:09:58,080

of years you're sitting around you've

272

00:10:00,870 --> 00:09:59,839

seen everything on netflix you've seen

273

00:10:02,550 --> 00:10:00,880

all that stuff it's like well what's

274

00:10:04,470 --> 00:10:02,560

going on on youtube

275

00:10:07,269 --> 00:10:04,480

and discovered this

276

00:10:08,550 --> 00:10:07,279

huge selection of uh pop-up youtube

277

00:10:11,190 --> 00:10:08,560

channels about

278

00:10:12,790 --> 00:10:11,200

these very topics and and as we

279

00:10:13,910 --> 00:10:12,800

mentioned you know the the skinwalker

280

00:10:15,910 --> 00:10:13,920

show

281

00:10:18,310 --> 00:10:15,920

uh and just the stories about that and

282

00:10:20,069 --> 00:10:18,320

as as jess rightly pointed out there's

283

00:10:21,509 --> 00:10:20,079

other places that are similar that

284

00:10:23,829 --> 00:10:21,519

around the world

285

00:10:25,430 --> 00:10:23,839

that how could it just be

286

00:10:28,870 --> 00:10:25,440

you know 20 different things all

287

00:10:31,509 --> 00:10:28,880

happening in this like 20 acre property

288

00:10:34,310 --> 00:10:31,519

there's something else going on there so

289

00:10:36,949 --> 00:10:34,320

that's when i kind of took my dive in on

290

00:10:38,949 --> 00:10:36,959

everybody's different youtube channels

291

00:10:40,790 --> 00:10:38,959

and uh try and catch all of them live

292

00:10:43,670 --> 00:10:40,800

it's that's that's what attracts me is

293

00:10:45,910 --> 00:10:43,680

the the live part where they interact

294

00:10:48,069 --> 00:10:45,920

with the you know the fans and in the

295

00:10:50,069 --> 00:10:48,079

chat hi chat

296

00:10:51,910 --> 00:10:50,079

yes

297

00:10:53,590 --> 00:10:51,920

i see like 20 different names that i

298

00:10:54,949 --> 00:10:53,600

normally would be like hi how are you

299

00:10:56,150 --> 00:10:54,959

doing hi how are you doing how are you

300

00:10:57,590 --> 00:10:56,160

doing by this

301
00:10:58,790 --> 00:10:57,600
usually about this stage of the show is

302
00:10:59,990 --> 00:10:58,800
when your fingers are worn out and

303
00:11:01,269 --> 00:11:00,000
everybody's done all their hellos and we

304
00:11:03,030 --> 00:11:01,279
can actually listen to what's going on

305
00:11:04,949 --> 00:11:03,040
in the show

306
00:11:07,030 --> 00:11:04,959
yes no big big shout out to the audience

307
00:11:08,630 --> 00:11:07,040
deb is uh gonna she's coming back she

308
00:11:10,310 --> 00:11:08,640
has some glitching issues but i wanted

309
00:11:11,990 --> 00:11:10,320
to ask you about actually kind of get

310
00:11:13,990 --> 00:11:12,000
both your takes on this because you kind

311
00:11:15,350 --> 00:11:14,000
of brought this up and so

312
00:11:19,990 --> 00:11:15,360
the

313
00:11:21,910 --> 00:11:20,000

really decade maybe a little bit less of

314

00:11:24,790 --> 00:11:21,920

where our content is now

315

00:11:27,269 --> 00:11:24,800

um coming we can consume content now

316

00:11:29,430 --> 00:11:27,279

that is not coming directly through the

317

00:11:31,990 --> 00:11:29,440

traditional channels and and you see a

318

00:11:33,829 --> 00:11:32,000

lot of the content creators that are

319

00:11:35,509 --> 00:11:33,839

kind of coming out of the similar

320

00:11:36,790 --> 00:11:35,519

generation you know we we kind of grew

321

00:11:38,389 --> 00:11:36,800

up with like you mentioned the same

322

00:11:40,949 --> 00:11:38,399

kinds of things and it's like we're

323

00:11:42,949 --> 00:11:40,959

entering this phase in which we're now

324

00:11:44,389 --> 00:11:42,959

feeling comfortable in our own lives

325

00:11:45,910 --> 00:11:44,399

where we are in our careers or whatever

326

00:11:46,949 --> 00:11:45,920

just to kind of we're going there you

327

00:11:47,990 --> 00:11:46,959

know we're going to we're going to we're

328

00:11:49,350 --> 00:11:48,000

going to create content we're going to

329

00:11:50,790 --> 00:11:49,360

ask these questions we're going to we're

330

00:11:51,829 --> 00:11:50,800

going to have these shows explore these

331

00:11:55,509 --> 00:11:51,839

topics

332

00:11:57,350 --> 00:11:55,519

and and that that that process itself is

333

00:11:59,590 --> 00:11:57,360

like an invitation like it's an

334

00:12:02,470 --> 00:11:59,600

invitation for people to say

335

00:12:05,030 --> 00:12:02,480

you know i've had something similar

336

00:12:07,190 --> 00:12:05,040

you know this is what i've seen you know

337

00:12:08,949 --> 00:12:07,200

how do you kind of contextualize this

338

00:12:10,470 --> 00:12:08,959

you described it a little bit but you

339

00:12:13,030 --> 00:12:10,480

know what do you see the trajectory

340

00:12:15,110 --> 00:12:13,040

looking like here as we as this

341

00:12:17,990 --> 00:12:15,120

kind of proliferation of content becomes

342

00:12:20,230 --> 00:12:18,000

the norm and uh the more we embrace this

343

00:12:21,910 --> 00:12:20,240

subject do you see it uh you know

344

00:12:24,069 --> 00:12:21,920

getting weirder than it is now do you

345

00:12:25,990 --> 00:12:24,079

see it becoming kind of more normalized

346

00:12:27,990 --> 00:12:26,000

how do you look at that

347

00:12:30,150 --> 00:12:28,000

is that that for me or for jess yeah go

348

00:12:31,829 --> 00:12:30,160

ahead and take that one yeah okay oh

349

00:12:33,430 --> 00:12:31,839

i'll take that

350

00:12:36,389 --> 00:12:33,440

uh as far as the last part of your

351

00:12:38,550 --> 00:12:36,399

question i i see it getting much weirder

352

00:12:41,110 --> 00:12:38,560

to to especially if you're gonna say

353

00:12:44,150 --> 00:12:41,120

okay all of it's related

354

00:12:46,790 --> 00:12:44,160

the one the explanation for all of it

355

00:12:49,509 --> 00:12:46,800

it's gotta be way beyond what we could

356

00:12:51,430 --> 00:12:49,519

even comprehend at this point without

357

00:12:53,509 --> 00:12:51,440

inventing new science or at least

358

00:12:55,829 --> 00:12:53,519

thought processes out even how that

359

00:12:57,509 --> 00:12:55,839

would even exist or work

360

00:13:00,550 --> 00:12:57,519

uh you know much less you know the

361

00:13:02,310 --> 00:13:00,560

science of how stuff lies around uh what

362

00:13:03,590 --> 00:13:02,320

flies

363

00:13:05,350 --> 00:13:03,600

but uh

364

00:13:07,110 --> 00:13:05,360

it's uh

365

00:13:09,030 --> 00:13:07,120

the thing i love about our little

366

00:13:10,790 --> 00:13:09,040

community is uh

367

00:13:12,470 --> 00:13:10,800

it's just regular people it's not

368

00:13:13,990 --> 00:13:12,480

somebody shilling a book it's not

369

00:13:15,110 --> 00:13:14,000

somebody that has a movie coming out

370

00:13:18,150 --> 00:13:15,120

it's not

371

00:13:19,670 --> 00:13:18,160

you know approved sources

372

00:13:20,870 --> 00:13:19,680

that you don't believe on other things

373

00:13:22,470 --> 00:13:20,880

that you know about but if they talk

374

00:13:24,949 --> 00:13:22,480

about something else oh okay now i

375

00:13:27,829 --> 00:13:24,959

understand no it's still the same

376

00:13:30,150 --> 00:13:27,839

weak source from the beginning but uh

377

00:13:32,310 --> 00:13:30,160

this is it's just us it's it's us it's

378

00:13:34,629 --> 00:13:32,320

our own people it's like

379

00:13:37,269 --> 00:13:34,639

a group of friends uh gathered around

380

00:13:38,790 --> 00:13:37,279

the campfire uh telling telling tales

381

00:13:41,030 --> 00:13:38,800

you know to each other

382

00:13:43,910 --> 00:13:41,040

uh you know the

383

00:13:46,629 --> 00:13:43,920

the phenomenon in general

384

00:13:48,870 --> 00:13:46,639

is uh the one of the big sticking points

385

00:13:52,230 --> 00:13:48,880

for you know the normies outside looking

386

00:13:54,150 --> 00:13:52,240

in is that that lack of evidence

387

00:13:56,150 --> 00:13:54,160

you know we we don't have that ship part

388

00:13:57,990 --> 00:13:56,160

we can pull up we don't have the oh you

389

00:14:00,230 --> 00:13:58,000

see the portal always appears right here

390

00:14:01,990 --> 00:14:00,240

that the bigfoot jumps out of

391

00:14:03,189 --> 00:14:02,000

we don't really have that as nice as

392

00:14:04,230 --> 00:14:03,199

that would be

393

00:14:05,110 --> 00:14:04,240

so

394

00:14:10,069 --> 00:14:05,120

uh

395

00:14:12,949 --> 00:14:10,079

and look to the past at things that have

396

00:14:14,949 --> 00:14:12,959

occurred to maybe try and piece together

397

00:14:17,350 --> 00:14:14,959

something on our own uh

398

00:14:20,069 --> 00:14:17,360

now uh you know the federal government

399

00:14:22,470 --> 00:14:20,079

has started up their own program again

400

00:14:23,990 --> 00:14:22,480

and seems to be taking it seriously uh

401
00:14:25,030 --> 00:14:24,000
we'll we'll see what they have to tell

402
00:14:27,269 --> 00:14:25,040
us uh

403
00:14:29,030 --> 00:14:27,279
later in the year or really

404
00:14:30,790 --> 00:14:29,040
realistically probably more like next

405
00:14:31,910 --> 00:14:30,800
year they're still setting everything up

406
00:14:34,150 --> 00:14:31,920
i don't expect to hear a whole lot out

407
00:14:36,550 --> 00:14:34,160
of them right

408
00:14:38,550 --> 00:14:36,560
but the uh the civilian groups i think

409
00:14:41,430 --> 00:14:38,560
is where we'll probably hear

410
00:14:44,470 --> 00:14:41,440
something substantial from first like

411
00:14:45,829 --> 00:14:44,480
galileo and uapx and so forth so

412
00:14:47,269 --> 00:14:45,839
it does sound like a bit of a horse race

413
00:14:48,790 --> 00:14:47,279

there right i mean we've got a lot of

414

00:14:50,150 --> 00:14:48,800

groups in uh

415

00:14:51,509 --> 00:14:50,160

in the swim lane

416

00:14:53,030 --> 00:14:51,519

mixing a lot of metaphors here but

417

00:14:55,509 --> 00:14:53,040

they're out of the gate and they're

418

00:14:56,870 --> 00:14:55,519

chasing stuff uh do you have you know if

419

00:14:58,310 --> 00:14:56,880

you were to put a bet you know do you

420

00:14:59,430 --> 00:14:58,320

have a sense of which one might find

421

00:15:00,470 --> 00:14:59,440

something first

422

00:15:02,150 --> 00:15:00,480

ooh

423

00:15:05,189 --> 00:15:02,160

which one's going to be in the lead uh

424

00:15:08,470 --> 00:15:05,199

that's a that's a tough one i know uh

425

00:15:10,230 --> 00:15:08,480

uapx has a lot of good folks in it and

426

00:15:11,590 --> 00:15:10,240

it seems like every other week we're

427

00:15:13,910 --> 00:15:11,600

hearing about new people getting added

428

00:15:16,550 --> 00:15:13,920

to the galileo team so

429

00:15:18,389 --> 00:15:16,560

that's that's kind of tough and and

430

00:15:19,910 --> 00:15:18,399

i feel like we've heard a little bit

431

00:15:23,110 --> 00:15:19,920

more at least as far as some of their

432

00:15:24,550 --> 00:15:23,120

tech and some of the stuff from uapx

433

00:15:27,670 --> 00:15:24,560

because a lot of them actually hang out

434

00:15:29,670 --> 00:15:27,680

uh in in our own chats and we'll pop on

435

00:15:31,189 --> 00:15:29,680

some shows with i haven't heard as much

436

00:15:32,389 --> 00:15:31,199

from galileo which doesn't mean they're

437

00:15:35,590 --> 00:15:32,399

not doing anything they're just not

438

00:15:37,670 --> 00:15:35,600

telling us which i can get because

439

00:15:39,509 --> 00:15:37,680

you got you know avi logan you actual

440

00:15:41,670 --> 00:15:39,519

scientist they're going to collect all

441

00:15:42,710 --> 00:15:41,680

the data and for presented at the end

442

00:15:44,470 --> 00:15:42,720

they're not going to tell us what's

443

00:15:46,949 --> 00:15:44,480

going on like right now so

444

00:15:49,430 --> 00:15:46,959

right that's a great point it will just

445

00:15:51,110 --> 00:15:49,440

how do you view this uh sort of

446

00:15:52,550 --> 00:15:51,120

transition you've been in the game you

447

00:15:55,110 --> 00:15:52,560

are in the game you know you're creating

448

00:15:56,550 --> 00:15:55,120

content and you've seen the community uh

449

00:15:59,269 --> 00:15:56,560

kind of go through some some different

450

00:16:00,949 --> 00:15:59,279

stages right and i love how enzo put it

451

00:16:02,470 --> 00:16:00,959

it's very much really it's it's more of

452

00:16:04,389 --> 00:16:02,480

a campfire conversation that's how i

453

00:16:06,230 --> 00:16:04,399

certainly look at it it's less like

454

00:16:08,310 --> 00:16:06,240

we're doing an official thing we're

455

00:16:11,110 --> 00:16:08,320

really just having a chat and so how do

456

00:16:13,430 --> 00:16:11,120

you view that uh kind of trajectory away

457

00:16:16,470 --> 00:16:13,440

from mainstream content to this really

458

00:16:18,150 --> 00:16:16,480

kind of democratization of voices uh you

459

00:16:19,990 --> 00:16:18,160

know and your part in that and where do

460

00:16:22,550 --> 00:16:20,000

you think it's going

461

00:16:24,550 --> 00:16:22,560

oh i think like when i when i first

462

00:16:25,910 --> 00:16:24,560

entered the podcast thing because i come

463

00:16:27,350 --> 00:16:25,920

from a different background than a lot

464

00:16:29,269 --> 00:16:27,360

of other people i actually studied

465

00:16:30,629 --> 00:16:29,279

broadcast journalism so for me i

466

00:16:34,829 --> 00:16:30,639

actually had pursued a career in

467

00:16:39,990 --> 00:16:38,150

but i did not really want to go work in

468

00:16:41,430 --> 00:16:40,000

that system so i ended up working you

469

00:16:43,509 --> 00:16:41,440

know for video game channel which was

470

00:16:45,670 --> 00:16:43,519

way more fun

471

00:16:48,150 --> 00:16:45,680

and um once that kind of ended i went

472

00:16:50,790 --> 00:16:48,160

and did my own thing and podcasting kind

473

00:16:52,310 --> 00:16:50,800

of started to pick up and you know i

474

00:16:54,230 --> 00:16:52,320

actually got into it because you know

475

00:16:55,350 --> 00:16:54,240

i'd listen to coast to coast

476
00:16:57,509 --> 00:16:55,360
or bell

477
00:16:59,749 --> 00:16:57,519
you know and then i listened to nori i

478
00:17:01,350 --> 00:16:59,759
got into jimmy church i listened to joe

479
00:17:03,430 --> 00:17:01,360
roop i listen to all these people and

480
00:17:05,350 --> 00:17:03,440
i'm like man

481
00:17:07,590 --> 00:17:05,360
i want to be like that you know i want

482
00:17:10,789 --> 00:17:07,600
to talk about these things and i want to

483
00:17:12,630 --> 00:17:10,799
be a show where people can tune in

484
00:17:13,909 --> 00:17:12,640
and learn something from like all these

485
00:17:15,189 --> 00:17:13,919
different people and that's what i

486
00:17:17,110 --> 00:17:15,199
always wanted

487
00:17:19,110 --> 00:17:17,120
so i think for me

488
00:17:20,789 --> 00:17:19,120

that was a little different but

489

00:17:22,069 --> 00:17:20,799

and now i can talk about how i've seen

490

00:17:24,789 --> 00:17:22,079

the changes because i've been in the

491

00:17:26,390 --> 00:17:24,799

community a little bit longer than some

492

00:17:28,230 --> 00:17:26,400

and shorter than others

493

00:17:29,350 --> 00:17:28,240

but when i first entered the community

494

00:17:30,150 --> 00:17:29,360

big

495

00:17:32,470 --> 00:17:30,160

the

496

00:17:33,830 --> 00:17:32,480

it was a lot of like unprovable things

497

00:17:36,390 --> 00:17:33,840

there were a lot of people claiming

498

00:17:38,470 --> 00:17:36,400

stories and saying things and asking for

499

00:17:40,070 --> 00:17:38,480

money for information

500

00:17:42,630 --> 00:17:40,080

i'm not that there's people not doing

501

00:17:44,789 --> 00:17:42,640

that now but you know um

502

00:17:46,470 --> 00:17:44,799

i've seen a shift and as the two i

503

00:17:48,710 --> 00:17:46,480

remember when the to the stars academy

504

00:17:52,070 --> 00:17:48,720

stuff started and i was like

505

00:17:54,310 --> 00:17:52,080

why is tom delong why tom's along but

506

00:17:55,909 --> 00:17:54,320

you could see as it went it got more

507

00:17:57,909 --> 00:17:55,919

people interested or more people

508

00:18:00,470 --> 00:17:57,919

comfortable to talk about it and you

509

00:18:02,230 --> 00:18:00,480

kind of saw ufo twitter kind of take off

510

00:18:04,549 --> 00:18:02,240

and this shift from this

511

00:18:07,750 --> 00:18:04,559

super kind of woo like

512

00:18:09,430 --> 00:18:07,760

secret secret 20 and back to mars and

513

00:18:11,430 --> 00:18:09,440

all this and that that stuff kind of

514

00:18:13,669 --> 00:18:11,440

went to the wayside

515

00:18:15,830 --> 00:18:13,679

and we had people like louisando i you

516

00:18:17,750 --> 00:18:15,840

know what whatever you think of him but

517

00:18:19,510 --> 00:18:17,760

people like him coming forward and

518

00:18:21,270 --> 00:18:19,520

saying like we have this information and

519

00:18:22,870 --> 00:18:21,280

releasing these videos

520

00:18:24,789 --> 00:18:22,880

and that's a lot different than what we

521

00:18:26,390 --> 00:18:24,799

had back then so with that the shift

522

00:18:28,630 --> 00:18:26,400

kind of came to where we were going

523

00:18:30,870 --> 00:18:28,640

we're not simple and looking for more

524

00:18:32,789 --> 00:18:30,880

information and you've seen and i've you

525

00:18:33,510 --> 00:18:32,799

know witnessed all these creators kind

526

00:18:35,750 --> 00:18:33,520

of

527

00:18:37,110 --> 00:18:35,760

blossomed from that and i think it's a

528

00:18:39,190 --> 00:18:37,120

wonderful thing to hear all these

529

00:18:40,549 --> 00:18:39,200

different voices talking to

530

00:18:42,390 --> 00:18:40,559

different people and bringing other

531

00:18:43,990 --> 00:18:42,400

people in because for a long time

532

00:18:46,070 --> 00:18:44,000

you're listening to the same people get

533

00:18:47,669 --> 00:18:46,080

talked to over and over again

534

00:18:50,549 --> 00:18:47,679

and now we have

535

00:18:53,510 --> 00:18:50,559

a whole bunch of people new researchers

536

00:18:54,830 --> 00:18:53,520

new hosts it's quite amazing

537

00:18:56,390 --> 00:18:54,840

yeah how do you

538

00:18:57,669 --> 00:18:56,400

um

539

00:19:00,390 --> 00:18:57,679

how do you approach the kind of

540

00:19:02,070 --> 00:19:00,400

divisiveness that seems to kind of rear

541

00:19:03,830 --> 00:19:02,080

to every once in a while because i hear

542

00:19:05,669 --> 00:19:03,840

from what you're saying there that you

543

00:19:07,270 --> 00:19:05,679

know the value of the different voices

544

00:19:09,190 --> 00:19:07,280

and you know kind of validating

545

00:19:11,270 --> 00:19:09,200

different perspectives and you know our

546

00:19:13,510 --> 00:19:11,280

show is about that we are about you know

547

00:19:16,230 --> 00:19:13,520

kind of respecting everybody's journey

548

00:19:18,070 --> 00:19:16,240

and elevating a positive met message

549

00:19:19,830 --> 00:19:18,080

we're all in this together you know heck

550

00:19:22,310 --> 00:19:19,840

if we had the answers we wouldn't be on

551
00:19:24,390 --> 00:19:22,320
a show like this would be on you know 60

552
00:19:25,909 --> 00:19:24,400
minutes or cnn or whatever it is uh

553
00:19:29,190 --> 00:19:25,919
telling the world about it so we're

554
00:19:31,430 --> 00:19:29,200
we're all seeking something uh but it

555
00:19:33,510 --> 00:19:31,440
this tribalism that we see happen so

556
00:19:34,789 --> 00:19:33,520
often uh you know what what's the source

557
00:19:36,150 --> 00:19:34,799
of that how do we how do we kind of

558
00:19:37,750 --> 00:19:36,160
overcome that

559
00:19:39,909 --> 00:19:37,760
i think at the end of the day it's one

560
00:19:42,070 --> 00:19:39,919
word and it's ego

561
00:19:43,669 --> 00:19:42,080
it's people's egos and

562
00:19:46,310 --> 00:19:43,679
and unfortunately that's something

563
00:19:49,510 --> 00:19:46,320

people have to work on on themselves

564

00:19:51,830 --> 00:19:49,520

and this type of work attracts egos too

565

00:19:54,310 --> 00:19:51,840

you know they're like i did this i did

566

00:19:56,310 --> 00:19:54,320

this respect me for this

567

00:19:59,110 --> 00:19:56,320

or you're stupid for this but you know

568

00:20:01,190 --> 00:19:59,120

what i do is i don't go on ufo twitter

569

00:20:02,549 --> 00:20:01,200

and then i and then i start seeing them

570

00:20:04,230 --> 00:20:02,559

i'll look at it and i'm like well what

571

00:20:06,710 --> 00:20:04,240

is this it's

572

00:20:09,190 --> 00:20:06,720

to me it's energy draining it's there's

573

00:20:11,270 --> 00:20:09,200

no reason for it you know

574

00:20:13,430 --> 00:20:11,280

talk about the information

575

00:20:17,270 --> 00:20:13,440

talk about experiences we're not you

576

00:20:19,029 --> 00:20:17,280

know i i don't see the reason to fight

577

00:20:22,710 --> 00:20:19,039

but i think that's in every community

578

00:20:28,149 --> 00:20:24,390

yeah enzo what do you think about that

579

00:20:30,549 --> 00:20:28,159

uh yeah i 100 agree uh i feel that

580

00:20:32,549 --> 00:20:30,559

social media in general we'll just stick

581

00:20:35,110 --> 00:20:32,559

with twitter because that's that's the

582

00:20:36,230 --> 00:20:35,120

thing most folks are familiar with

583

00:20:38,230 --> 00:20:36,240

is

584

00:20:39,510 --> 00:20:38,240

basically the squeaky wheel gets the

585

00:20:42,230 --> 00:20:39,520

grease

586

00:20:43,510 --> 00:20:42,240

and no matter what the topic whether

587

00:20:47,510 --> 00:20:43,520

it's

588

00:20:50,630 --> 00:20:47,520

politics sports ufos bigfoot

589

00:20:51,830 --> 00:20:50,640

uh knitting uh you know water skiing it

590

00:20:53,510 --> 00:20:51,840

doesn't matter

591

00:20:55,990 --> 00:20:53,520

there are

592

00:20:58,310 --> 00:20:56,000

polarized people on either side of the

593

00:20:59,510 --> 00:20:58,320

topic extreme one way and an extreme

594

00:21:00,390 --> 00:20:59,520

another

595

00:21:03,029 --> 00:21:00,400

and

596

00:21:04,870 --> 00:21:03,039

that's who's making the most noise

597

00:21:07,029 --> 00:21:04,880

uh you've got that

598

00:21:08,630 --> 00:21:07,039

other you know 80 percent that's in the

599

00:21:09,990 --> 00:21:08,640

middle that uh

600

00:21:13,190 --> 00:21:10,000

is basically just trying to keep their

601
00:21:14,149 --> 00:21:13,200
head down and not get uh canceled

602
00:21:16,310 --> 00:21:14,159
and it's

603
00:21:18,710 --> 00:21:16,320
you know with with our own stuff uh in

604
00:21:20,870 --> 00:21:18,720
our own like ufo twitter world it seems

605
00:21:23,510 --> 00:21:20,880
to me like there's like a

606
00:21:25,110 --> 00:21:23,520
maybe a dozen or 20

607
00:21:27,510 --> 00:21:25,120
instigators i'm not saying they're doing

608
00:21:30,470 --> 00:21:27,520
it intentionally or it's some secret

609
00:21:31,350 --> 00:21:30,480
government plot that's a whole other web

610
00:21:33,510 --> 00:21:31,360
thing

611
00:21:34,310 --> 00:21:33,520
uh people going down that road but it's

612
00:21:35,669 --> 00:21:34,320
uh

613
00:21:36,520 --> 00:21:35,679

that are just

614

00:21:39,190 --> 00:21:36,530

jerks

615

00:21:40,950 --> 00:21:39,200

[Laughter]

616

00:21:43,029 --> 00:21:40,960

i wish there was a nicer way to say it

617

00:21:45,029 --> 00:21:43,039

but uh you know it's you know their

618

00:21:47,909 --> 00:21:45,039

opinion's always right you're always

619

00:21:50,390 --> 00:21:47,919

wrong uh you know whatever

620

00:21:51,669 --> 00:21:50,400

you they everything's an an a or a b

621

00:21:54,310 --> 00:21:51,679

there's no everything's black and white

622

00:21:56,470 --> 00:21:54,320

there's no gray gradient between

623

00:21:58,390 --> 00:21:56,480

uh and if you're not with me you're

624

00:22:00,710 --> 00:21:58,400

against me kind of attitude

625

00:22:02,070 --> 00:22:00,720

for either i you know either side of the

626
00:22:04,549 --> 00:22:02,080
spectrum

627
00:22:07,190 --> 00:22:04,559
uh for any topic

628
00:22:09,590 --> 00:22:07,200
it's it's what makes

629
00:22:11,430 --> 00:22:09,600
twitter and social media in general just

630
00:22:13,029 --> 00:22:11,440
kind of unbearable for a lot of people

631
00:22:15,830 --> 00:22:13,039
that's why

632
00:22:18,070 --> 00:22:15,840
everyone on the planet isn't using it

633
00:22:20,149 --> 00:22:18,080
the idea behind it is fantastic you

634
00:22:21,430 --> 00:22:20,159
could actually an alien race should be

635
00:22:23,190 --> 00:22:21,440
able to look at

636
00:22:24,870 --> 00:22:23,200
you know if there was just one like

637
00:22:28,230 --> 00:22:24,880
twitter and it's like okay this is you

638
00:22:30,230 --> 00:22:28,240

know an amalgamation of all of humanity

639

00:22:32,710 --> 00:22:30,240

you know what we see here and what do

640

00:22:35,909 --> 00:22:32,720

they see

641

00:22:38,710 --> 00:22:35,919

and uh it's it's aggravating you know it

642

00:22:39,909 --> 00:22:38,720

should be a almost like a hive mind you

643

00:22:42,310 --> 00:22:39,919

know getting the temperature of

644

00:22:43,190 --> 00:22:42,320

everybody it's it's okay to disagree

645

00:22:46,470 --> 00:22:43,200

it's

646

00:22:50,310 --> 00:22:46,480

especially for this topic because

647

00:22:51,990 --> 00:22:50,320

for the most part it's mostly you know

648

00:22:54,470 --> 00:22:52,000

eyewitness statements

649

00:22:56,070 --> 00:22:54,480

a couple of grainy photographs some

650

00:22:58,390 --> 00:22:56,080

radar imagery

651
00:23:00,390 --> 00:22:58,400
and a ton of

652
00:23:03,190 --> 00:23:00,400
personal accounts

653
00:23:04,310 --> 00:23:03,200
and uh that's what we got right now to

654
00:23:05,270 --> 00:23:04,320
work with

655
00:23:07,669 --> 00:23:05,280
so

656
00:23:08,870 --> 00:23:07,679
sharing those stories and you know if it

657
00:23:10,870 --> 00:23:08,880
happens to be something that doesn't

658
00:23:11,909 --> 00:23:10,880
align to someone they get shouted down

659
00:23:13,990 --> 00:23:11,919
well now they're not going to share

660
00:23:16,230 --> 00:23:14,000
again much much like my own story of

661
00:23:17,990 --> 00:23:16,240
seeing the ufo when i was a kid you know

662
00:23:20,230 --> 00:23:18,000
i didn't want to talk to anybody else

663
00:23:23,350 --> 00:23:20,240

and be the weirdo

664

00:23:25,669 --> 00:23:23,360

it's it's that same thing just on a

665

00:23:27,270 --> 00:23:25,679

grander scale

666

00:23:29,270 --> 00:23:27,280

yeah so well said

667

00:23:30,549 --> 00:23:29,280

uh well i've taken up some some time on

668

00:23:31,430 --> 00:23:30,559

the floor kevin do you want to ask some

669

00:23:33,510 --> 00:23:31,440

questions

670

00:23:35,909 --> 00:23:33,520

wow man you know just

671

00:23:37,350 --> 00:23:35,919

uh your conversation the way you

672

00:23:39,510 --> 00:23:37,360

approached all those questions nathan

673

00:23:40,789 --> 00:23:39,520

was fantastic in fact uh they answered a

674

00:23:43,590 --> 00:23:40,799

lot of the questions during that

675

00:23:45,750 --> 00:23:43,600

conversation so

676

00:23:47,510 --> 00:23:45,760

i have actually i have um

677

00:23:49,269 --> 00:23:47,520

i have actually a comical lightning

678

00:23:51,269 --> 00:23:49,279

round at the end of maybe towards the

679

00:23:52,390 --> 00:23:51,279

end of the show i was going to do it

680

00:23:54,789 --> 00:23:52,400

kind of stole

681

00:23:57,669 --> 00:23:54,799

deb's idea sorry dad i feel kind of

682

00:24:00,390 --> 00:23:57,679

guilty about that no no it's it's not

683

00:24:01,830 --> 00:24:00,400

it's not patented i promise okay

684

00:24:03,990 --> 00:24:01,840

lightning rounds for everyone that's

685

00:24:06,070 --> 00:24:04,000

right yeah hang on i'm complaining about

686

00:24:08,310 --> 00:24:06,080

this on twitter exactly oh yeah so

687

00:24:09,669 --> 00:24:08,320

that's the thing i i haven't i've kind

688

00:24:11,830 --> 00:24:09,679

of really backed off twitter it's been a

689

00:24:13,750 --> 00:24:11,840

couple weeks i'm just on there i dropped

690

00:24:15,750 --> 00:24:13,760

the promos and that's it now you know

691

00:24:16,710 --> 00:24:15,760

it's the tribalism it just kills me it's

692

00:24:18,630 --> 00:24:16,720

like

693

00:24:21,350 --> 00:24:18,640

i i'm there for the ufos i'm there for

694

00:24:22,390 --> 00:24:21,360

the flying saucers and not not the drama

695

00:24:24,390 --> 00:24:22,400

i'm like

696

00:24:26,470 --> 00:24:24,400

i'll you know i'll just watch more

697

00:24:28,070 --> 00:24:26,480

history channel less twitter that's fine

698

00:24:29,110 --> 00:24:28,080

with me

699

00:24:35,029 --> 00:24:29,120

you know

700

00:24:36,549 --> 00:24:35,039

earlier about motivations like i'm both

701
00:24:37,909 --> 00:24:36,559
of you actually i will start with just

702
00:24:41,110 --> 00:24:37,919
i'd like to know

703
00:24:43,110 --> 00:24:41,120
what motivated you to um

704
00:24:46,070 --> 00:24:43,120
to really um

705
00:24:47,909 --> 00:24:46,080
the direction of your your podcasts you

706
00:24:49,909 --> 00:24:47,919
know what

707
00:24:52,310 --> 00:24:49,919
no please that's a go ahead

708
00:24:54,470 --> 00:24:52,320
no great question kevin no because i

709
00:24:55,590 --> 00:24:54,480
think i could have gone any way i wanted

710
00:24:57,830 --> 00:24:55,600
to but

711
00:25:00,470 --> 00:24:57,840
what but for me it was you know all

712
00:25:02,789 --> 00:25:00,480
these ex because i haven't had like ufoe

713
00:25:04,950 --> 00:25:02,799

experiences or any things like anything

714

00:25:06,789 --> 00:25:04,960

like that but this whole journey

715

00:25:09,669 --> 00:25:06,799

actually began for me because i had a

716

00:25:11,190 --> 00:25:09,679

lot of questions about my own abilities

717

00:25:12,710 --> 00:25:11,200

you know as far as like psychic

718

00:25:15,430 --> 00:25:12,720

abilities and getting into that and the

719

00:25:16,710 --> 00:25:15,440

way for me to learn was to jump into

720

00:25:20,070 --> 00:25:16,720

this

721

00:25:22,390 --> 00:25:20,080

and find out more and it led here and i

722

00:25:23,830 --> 00:25:22,400

was into conspiracies it was like i dove

723

00:25:25,750 --> 00:25:23,840

into this whole thing and i was like

724

00:25:27,669 --> 00:25:25,760

this is what i want to talk about

725

00:25:29,750 --> 00:25:27,679

because

726

00:25:31,990 --> 00:25:29,760

if i talk about this stuff that i've

727

00:25:34,310 --> 00:25:32,000

experienced and i know maybe somebody

728

00:25:36,630 --> 00:25:34,320

out there will learn something maybe

729

00:25:38,710 --> 00:25:36,640

some conversation i have with a guest

730

00:25:40,950 --> 00:25:38,720

will spark some bad thing or spark

731

00:25:43,350 --> 00:25:40,960

somebody or help somebody to look into

732

00:25:45,990 --> 00:25:43,360

something that they needed to look into

733

00:25:48,310 --> 00:25:46,000

so for me my motivation is really kind

734

00:25:50,390 --> 00:25:48,320

of like thinking of myself out there

735

00:25:52,950 --> 00:25:50,400

years ago listening and looking for

736

00:25:55,430 --> 00:25:52,960

answers and direction

737

00:25:57,269 --> 00:25:55,440

so that's motivates me all right so you

738

00:25:58,870 --> 00:25:57,279

want you want some clarification

739

00:26:01,110 --> 00:25:58,880

basically

740

00:26:03,510 --> 00:26:01,120

okay so do i i'm in it for the same

741

00:26:07,510 --> 00:26:03,520

reason i just got questions i want i

742

00:26:10,950 --> 00:26:08,549

all right

743

00:26:13,190 --> 00:26:10,960

so um the same question i guess for you

744

00:26:14,789 --> 00:26:13,200

but it's more different i wanted to know

745

00:26:16,070 --> 00:26:14,799

you you obviously have that military

746

00:26:17,269 --> 00:26:16,080

background now you mentioned you're in

747

00:26:19,590 --> 00:26:17,279

the air force

748

00:26:22,149 --> 00:26:19,600

i wanted to know what motivated you to

749

00:26:25,750 --> 00:26:22,159

join the military

750

00:26:29,669 --> 00:26:25,760

well uh for me uh i i joined up in

751

00:26:31,750 --> 00:26:29,679

december of 1985. i stayed in for 24

752

00:26:34,310 --> 00:26:31,760

years retired uh

753

00:26:36,630 --> 00:26:34,320

december of 2009

754

00:26:38,630 --> 00:26:36,640

and originally it was just going to

755

00:26:40,390 --> 00:26:38,640

because i grew up in uh

756

00:26:44,230 --> 00:26:40,400

eastern kentucky

757

00:26:46,390 --> 00:26:44,240

uh and in the mid early mid 80s

758

00:26:49,510 --> 00:26:46,400

the economy wasn't so great

759

00:26:51,190 --> 00:26:49,520

and the town that i lived in

760

00:26:53,269 --> 00:26:51,200

the the steel mill

761

00:26:55,110 --> 00:26:53,279

was basically going to shut down

762

00:26:56,870 --> 00:26:55,120

and i was seeing

763

00:27:00,149 --> 00:26:56,880

40 year old men

764

00:27:02,070 --> 00:27:00,159

bagging groceries at the local kroger

765

00:27:04,710 --> 00:27:02,080

to try and make money to support their

766

00:27:07,269 --> 00:27:04,720

family because that's all they could get

767

00:27:09,510 --> 00:27:07,279

you know kind of a thing it's like okay

768

00:27:11,190 --> 00:27:09,520

i got nowhere to go when i get out of

769

00:27:13,750 --> 00:27:11,200

high school so

770

00:27:15,510 --> 00:27:13,760

i'll join the military and

771

00:27:17,350 --> 00:27:15,520

they've got the you know the gi bill and

772

00:27:20,149 --> 00:27:17,360

things like that so that'll

773

00:27:21,990 --> 00:27:20,159

you know give me a few years of uh you

774

00:27:25,430 --> 00:27:22,000

know living living my life maybe earn a

775

00:27:26,870 --> 00:27:25,440

few dollars for my pocket and

776

00:27:28,389 --> 00:27:26,880

you know get money for college and all

777

00:27:30,389 --> 00:27:28,399

that and ended up

778

00:27:33,510 --> 00:27:30,399

you know joining up and uh started

779

00:27:35,350 --> 00:27:33,520

traveling right away and and loving it

780

00:27:37,350 --> 00:27:35,360

cool how do you think uh that your

781

00:27:40,230 --> 00:27:37,360

military experience uh influenced your

782

00:27:43,990 --> 00:27:40,240

thinking about the high strangeness

783

00:27:47,430 --> 00:27:44,000

well my job uh i was to put it simply i

784

00:27:50,149 --> 00:27:47,440

was an aircraft mechanic i was a kc-135

785

00:27:52,389 --> 00:27:50,159

crew chief a kc-135 is uh one of the

786

00:27:53,750 --> 00:27:52,399

planes that refuels other planes in the

787

00:27:56,389 --> 00:27:53,760

air

788

00:27:59,110 --> 00:27:56,399

uh traveled a lot saw a lot of different

789

00:28:01,669 --> 00:27:59,120

places a lot of different cultures a lot

790

00:28:04,470 --> 00:28:01,679

of different airplanes a lot of things

791

00:28:06,310 --> 00:28:04,480

that uh you know

792

00:28:08,470 --> 00:28:06,320

i don't know any secrets you know and i

793

00:28:11,269 --> 00:28:08,480

and i don't have an nda to hide behind

794

00:28:13,510 --> 00:28:11,279

but uh that's that's the other guy

795

00:28:15,430 --> 00:28:13,520

but uh it's

796

00:28:17,669 --> 00:28:15,440

you know i saw some things that were you

797

00:28:19,510 --> 00:28:17,679

know considered classified and as far as

798

00:28:21,110 --> 00:28:19,520

talking of that it's not something i can

799

00:28:22,630 --> 00:28:21,120

blab about

800

00:28:23,909 --> 00:28:22,640

but it's something you could probably

801

00:28:26,710 --> 00:28:23,919

figure out on your own if you looked

802

00:28:29,110 --> 00:28:26,720

around hard enough on the internet but

803

00:28:32,870 --> 00:28:29,120

as far as

804

00:28:37,190 --> 00:28:32,880

in 2000 excuse me in 1990

805

00:28:38,950 --> 00:28:37,200

it was either late 8 98 or 99 early 99.

806

00:28:40,870 --> 00:28:38,960

i was living in wichita kansas saw a

807

00:28:42,710 --> 00:28:40,880

friend was over at a friend's house live

808

00:28:44,310 --> 00:28:42,720

in the middle of the city

809

00:28:46,149 --> 00:28:44,320

standing in his backyard i i'm an

810

00:28:48,070 --> 00:28:46,159

astronomy nerd

811

00:28:49,430 --> 00:28:48,080

you know so anytime i'm outside at night

812

00:28:51,909 --> 00:28:49,440

i'm looking up

813

00:28:54,470 --> 00:28:51,919

and uh while i was sitting there i

814

00:28:56,310 --> 00:28:54,480

for a long story short i basically saw a

815

00:28:59,430 --> 00:28:56,320

black triangle

816

00:29:01,669 --> 00:28:59,440

and it's like wow that's not something

817

00:29:04,710 --> 00:29:01,679

i've ever seen before i know how planes

818

00:29:07,430 --> 00:29:04,720

work i know how you know that goes and

819

00:29:09,669 --> 00:29:07,440

uh it had no lights made no sound the

820

00:29:11,269 --> 00:29:09,679

only reason i was even because it was

821

00:29:13,269 --> 00:29:11,279

all blacked out against the sky i think

822

00:29:15,190 --> 00:29:13,279

the lights from the city were kind of

823

00:29:16,149 --> 00:29:15,200

under lighting the bottom of it a little

824

00:29:17,750 --> 00:29:16,159

bit

825

00:29:19,110 --> 00:29:17,760

and the only way i was even sure i was

826

00:29:21,909 --> 00:29:19,120

even seeing it was it was blocking out

827

00:29:23,669 --> 00:29:21,919

stars as it was yeah so it was something

828

00:29:27,110 --> 00:29:23,679

solid

829

00:29:28,870 --> 00:29:27,120

and i had zero

830

00:29:32,070 --> 00:29:28,880

explanation for what that could have

831

00:29:33,750 --> 00:29:32,080

been from my experience with aviation

832

00:29:36,950 --> 00:29:33,760

you know and you know from you know

833

00:29:39,510 --> 00:29:36,960

flying or even the mechanical side of it

834

00:29:40,789 --> 00:29:39,520

what was that

835

00:29:42,230 --> 00:29:40,799

and uh

836

00:29:44,230 --> 00:29:42,240

that kind of

837

00:29:46,230 --> 00:29:44,240

spurred things up a little bit but uh

838

00:29:49,350 --> 00:29:46,240

and that was in late 99 or sometime in

839

00:29:50,870 --> 00:29:49,360

99-ish and uh a couple years later some

840

00:29:53,029 --> 00:29:50,880

other things kind of came up in world

841

00:29:56,070 --> 00:29:53,039

events i had kind of got distracted from

842

00:29:57,669 --> 00:29:56,080

from that but uh

843

00:29:59,669 --> 00:29:57,679

when i retired

844

00:30:00,950 --> 00:29:59,679

you know i i still had all i've always

845

00:30:01,909 --> 00:30:00,960

had these questions in the back of my

846

00:30:04,789 --> 00:30:01,919

head but

847

00:30:07,029 --> 00:30:04,799

uh much like uh jess said and what i

848

00:30:09,190 --> 00:30:07,039

feel is the basics for our whole

849

00:30:10,549 --> 00:30:09,200

community is we just want to know what's

850

00:30:12,149 --> 00:30:10,559

going on

851
00:30:13,510 --> 00:30:12,159
what is this

852
00:30:15,190 --> 00:30:13,520
what is it

853
00:30:16,630 --> 00:30:15,200
yeah

854
00:30:17,830 --> 00:30:16,640
what is it that's bringing us all

855
00:30:20,230 --> 00:30:17,840
together

856
00:30:22,710 --> 00:30:20,240
negative and positively

857
00:30:27,110 --> 00:30:22,720
but still it's all that one thing

858
00:30:31,590 --> 00:30:30,070
i love that all right deb what you got

859
00:30:34,789 --> 00:30:31,600
okay so

860
00:30:35,750 --> 00:30:34,799
i would like to know jess since you work

861
00:30:38,070 --> 00:30:35,760
on

862
00:30:39,269 --> 00:30:38,080
all of it basically trying to capture

863
00:30:42,630 --> 00:30:39,279

everything

864

00:30:44,710 --> 00:30:42,640

what do you think is going on like it

865

00:30:48,710 --> 00:30:44,720

like if you could summarize what you

866

00:30:51,590 --> 00:30:48,720

think is going on what is the phenomenon

867

00:30:55,750 --> 00:30:51,600

let me preface it by saying i have no

868

00:30:57,750 --> 00:30:55,760

real clue at all and my theories change

869

00:30:59,110 --> 00:30:57,760

constantly based on like what i'm

870

00:31:02,389 --> 00:30:59,120

looking into

871

00:31:04,310 --> 00:31:02,399

but i can say right now in my theory i

872

00:31:05,430 --> 00:31:04,320

don't there's i have no basis for this

873

00:31:06,630 --> 00:31:05,440

other than

874

00:31:07,990 --> 00:31:06,640

maybe

875

00:31:10,389 --> 00:31:08,000

but you know i've been talking to a lot

876

00:31:13,590 --> 00:31:10,399

of people and you know the way that i'm

877

00:31:17,190 --> 00:31:13,600

i'm hearing from people is that

878

00:31:20,389 --> 00:31:17,200

there is a phenomenon out there and

879

00:31:22,789 --> 00:31:20,399

how we perceive it

880

00:31:23,909 --> 00:31:22,799

is what it comes out to be

881

00:31:25,909 --> 00:31:23,919

so

882

00:31:27,990 --> 00:31:25,919

an example people use is like back in

883

00:31:29,269 --> 00:31:28,000

the 1800s right we used to see uh

884

00:31:31,590 --> 00:31:29,279

airships

885

00:31:32,950 --> 00:31:31,600

and uh like and you go move forward into

886

00:31:34,630 --> 00:31:32,960

like the 40s then they're all like

887

00:31:36,549 --> 00:31:34,640

flying saucers

888

00:31:38,389 --> 00:31:36,559

and then um

889

00:31:39,669 --> 00:31:38,399

and then we move towards and then you

890

00:31:40,950 --> 00:31:39,679

know we get the betty and barney hill

891

00:31:42,630 --> 00:31:40,960

story with the grays and then there's a

892

00:31:44,310 --> 00:31:42,640

lot of grays in like the 80s that are

893

00:31:45,909 --> 00:31:44,320

being reported and then now it's like

894

00:31:48,549 --> 00:31:45,919

more tic tacs so now we're seeing a lot

895

00:31:49,430 --> 00:31:48,559

of tic tacs and stuff so

896

00:31:51,909 --> 00:31:49,440

is it

897

00:31:54,549 --> 00:31:51,919

that that that their ships have changed

898

00:31:56,149 --> 00:31:54,559

or is it that that's what we perceive it

899

00:31:59,190 --> 00:31:56,159

we don't even know we're looking at but

900

00:32:01,830 --> 00:31:59,200

that's what our brain picks it up as

901
00:32:03,830 --> 00:32:01,840
so it's a very interesting way of

902
00:32:06,230 --> 00:32:03,840
looking at it but that would join the

903
00:32:08,310 --> 00:32:06,240
phenomenon together

904
00:32:10,070 --> 00:32:08,320
and you know that would explain things

905
00:32:12,389 --> 00:32:10,080
like seeing a ufo seeing a ghost seeing

906
00:32:13,590 --> 00:32:12,399
a bigfoot you know seeing a shadow

907
00:32:15,630 --> 00:32:13,600
person

908
00:32:17,909 --> 00:32:15,640
um other theory

909
00:32:20,470 --> 00:32:17,919
interdimensional stuff

910
00:32:22,149 --> 00:32:20,480
you know i mean there's a world we don't

911
00:32:23,750 --> 00:32:22,159
know and that's the thing we don't

912
00:32:26,710 --> 00:32:23,760
really know

913
00:32:27,990 --> 00:32:26,720

so it could be absolutely anything

914

00:32:29,269 --> 00:32:28,000

we could all every it could be

915

00:32:31,430 --> 00:32:29,279

everything you think it is it could be

916

00:32:34,230 --> 00:32:31,440

guys from space it could be guys from

917

00:32:37,509 --> 00:32:34,240

other dimensions it could be ghost

918

00:32:40,549 --> 00:32:37,519

ghost aliens like what like you know

919

00:32:43,190 --> 00:32:40,559

ooh coast aliens i like that one i have

920

00:32:45,830 --> 00:32:43,200

caught a ghost aliens

921

00:32:47,909 --> 00:32:45,840

actually i have heard of them though

922

00:32:49,830 --> 00:32:47,919

there are stories about them

923

00:32:51,750 --> 00:32:49,840

interesting i will have to look that up

924

00:32:53,669 --> 00:32:51,760

or you'll have to send me a link

925

00:32:56,470 --> 00:32:53,679

yeah it's like laser sharks

926

00:32:59,990 --> 00:32:56,480

that's that's part of i think it was um

927

00:33:01,269 --> 00:33:00,000

bushman's tale of how we interact with

928

00:33:03,830 --> 00:33:01,279

e.t

929

00:33:05,830 --> 00:33:03,840

he mentioned that one had died and then

930

00:33:07,669 --> 00:33:05,840

he showed a picture of like what was

931

00:33:09,269 --> 00:33:07,679

supposed to be the ghost hanging around

932

00:33:11,110 --> 00:33:09,279

the other one

933

00:33:12,070 --> 00:33:11,120

it's so cool

934

00:33:14,070 --> 00:33:12,080

yeah

935

00:33:15,590 --> 00:33:14,080

levels to this if you start to think

936

00:33:17,190 --> 00:33:15,600

about it then there's bigfoot ghosts

937

00:33:19,190 --> 00:33:17,200

there's a loch ness monster goes

938

00:33:21,909 --> 00:33:19,200

everything has a ghost too

939

00:33:24,310 --> 00:33:21,919

so many levels do ghosts have ghosts

940

00:33:26,630 --> 00:33:24,320

what about you and so what is from your

941

00:33:29,669 --> 00:33:26,640

more slightly more nuts and bolts

942

00:33:31,750 --> 00:33:29,679

perspective what do you think's going on

943

00:33:33,830 --> 00:33:31,760

well uh jess actually has hit on the

944

00:33:35,190 --> 00:33:33,840

main ones that i've considered myself i

945

00:33:37,430 --> 00:33:35,200

mean

946

00:33:39,190 --> 00:33:37,440

the perception thing is definitely there

947

00:33:40,789 --> 00:33:39,200

there's something there

948

00:33:42,950 --> 00:33:40,799

uh because

949

00:33:45,110 --> 00:33:42,960

you know our eyes you know our own

950

00:33:46,950 --> 00:33:45,120

senses our eyes our ears our nose our

951
00:33:47,669 --> 00:33:46,960
sense of touch and taste

952
00:33:49,830 --> 00:33:47,679
uh

953
00:33:52,470 --> 00:33:49,840
are fairly limited especially compared

954
00:33:54,630 --> 00:33:52,480
with other animals on the planet

955
00:33:56,230 --> 00:33:54,640
not to say that we're specialized or

956
00:33:58,630 --> 00:33:56,240
anything like that but

957
00:34:01,509 --> 00:33:58,640
it's we have limits

958
00:34:05,990 --> 00:34:03,830
your brain can only process so much and

959
00:34:08,149 --> 00:34:06,000
it kind of filters out the unnecessary

960
00:34:10,470 --> 00:34:08,159
stuff we've all gotten into our car

961
00:34:13,109 --> 00:34:10,480
driven down to the grocery store shopped

962
00:34:15,030 --> 00:34:13,119
around and came back

963
00:34:17,030 --> 00:34:15,040

were there clouds in the sky did they

964

00:34:18,710 --> 00:34:17,040

look like anything in particular how

965

00:34:20,230 --> 00:34:18,720

many birds did you see

966

00:34:21,510 --> 00:34:20,240

you know what was the color of the shirt

967

00:34:23,030 --> 00:34:21,520

of the person that was parked next to

968

00:34:24,790 --> 00:34:23,040

you at the red light these are all

969

00:34:26,950 --> 00:34:24,800

things that were around you you could

970

00:34:28,389 --> 00:34:26,960

observe them but your brain kind of

971

00:34:30,470 --> 00:34:28,399

filters that out it's like i don't need

972

00:34:32,149 --> 00:34:30,480

to know that that's not important

973

00:34:35,190 --> 00:34:32,159

i feel that

974

00:34:36,950 --> 00:34:35,200

seeing something zipping by in the sky

975

00:34:37,909 --> 00:34:36,960

well first you'd have to you know look

976

00:34:40,869 --> 00:34:37,919

up

977

00:34:44,790 --> 00:34:40,879

which is the main problem because

978

00:34:49,190 --> 00:34:46,829

all the time

979

00:34:50,389 --> 00:34:49,200

but you know even if you did see

980

00:34:51,349 --> 00:34:50,399

something

981

00:34:53,750 --> 00:34:51,359

uh

982

00:34:55,510 --> 00:34:53,760

it's it was a bird or a plane or

983

00:34:58,710 --> 00:34:55,520

superman or something i don't know

984

00:35:00,310 --> 00:34:58,720

and so it's there's i feel that there is

985

00:35:01,990 --> 00:35:00,320

an element of

986

00:35:04,069 --> 00:35:02,000

you know it's beyond your understanding

987

00:35:05,190 --> 00:35:04,079

you're working on something else ah just

988

00:35:07,910 --> 00:35:05,200

ignore it

989

00:35:10,550 --> 00:35:07,920

we we've all gone out and bought a new

990

00:35:12,550 --> 00:35:10,560

car or a new to you car

991

00:35:14,550 --> 00:35:12,560

and uh as you know you did your research

992

00:35:16,150 --> 00:35:14,560

you found a car you liked okay there it

993

00:35:17,349 --> 00:35:16,160

is i'll buy it as soon as you start

994

00:35:19,829 --> 00:35:17,359

driving around

995

00:35:21,270 --> 00:35:19,839

you start seeing your car

996

00:35:22,790 --> 00:35:21,280

everywhere

997

00:35:24,630 --> 00:35:22,800

i didn't know there were so many of

998

00:35:26,550 --> 00:35:24,640

whatever it is you're driving

999

00:35:29,190 --> 00:35:26,560

they've always been there but because

1000

00:35:30,630 --> 00:35:29,200

now you own one and you're used to that

1001
00:35:32,790 --> 00:35:30,640
context and its shape and everything

1002
00:35:34,069 --> 00:35:32,800
else you start noticing it at other

1003
00:35:37,430 --> 00:35:34,079
places

1004
00:35:38,630 --> 00:35:37,440
it just so the perception thing

1005
00:35:40,950 --> 00:35:38,640
i think is

1006
00:35:43,190 --> 00:35:40,960
it's it's fairly high on my list it's

1007
00:35:45,589 --> 00:35:43,200
there could be stuff zipping around all

1008
00:35:46,790 --> 00:35:45,599
the time and maybe there always has been

1009
00:35:48,790 --> 00:35:46,800
it's just

1010
00:35:51,109 --> 00:35:48,800
we're too busy you know

1011
00:35:55,109 --> 00:35:51,119
hunting and gathering at one point or

1012
00:35:56,630 --> 00:35:55,119
sending mean tweets uh on you know today

1013
00:35:58,710 --> 00:35:56,640

but

1014

00:36:01,030 --> 00:35:58,720

and again much like jess said the the

1015

00:36:04,150 --> 00:36:01,040

interdimensional side that kind of

1016

00:36:05,990 --> 00:36:04,160

answers everything it does right for

1017

00:36:09,349 --> 00:36:06,000

cryptids and ghosts and

1018

00:36:10,230 --> 00:36:09,359

uh ufos and aliens and

1019

00:36:13,109 --> 00:36:10,240

the

1020

00:36:15,589 --> 00:36:13,119

everything yeah everything it's that

1021

00:36:18,230 --> 00:36:15,599

that's the catch-all for everything and

1022

00:36:21,109 --> 00:36:18,240

some people who uh seem to be in the

1023

00:36:25,030 --> 00:36:21,119

know definitely feel wormholes are the

1024

00:36:29,109 --> 00:36:27,430

yeah if it's a and even for like places

1025

00:36:31,829 --> 00:36:29,119

like skinwalker ranch where you've got

1026

00:36:32,950 --> 00:36:31,839

that that thinning of the veil type of

1027

00:36:35,109 --> 00:36:32,960

concept

1028

00:36:36,950 --> 00:36:35,119

where you know they just kind of slip

1029

00:36:38,550 --> 00:36:36,960

into our reality for a minute and maybe

1030

00:36:39,349 --> 00:36:38,560

slip back out

1031

00:36:41,510 --> 00:36:39,359

uh

1032

00:36:43,349 --> 00:36:41,520

that interdimensional thing really does

1033

00:36:45,030 --> 00:36:43,359

answer that i i've never been a big fan

1034

00:36:48,470 --> 00:36:45,040

of like you know the you know it's it's

1035

00:36:50,310 --> 00:36:48,480

us from the future or whatever or

1036

00:36:51,910 --> 00:36:50,320

they're yeah and then there's a dozen

1037

00:36:54,470 --> 00:36:51,920

other and none of them are really wrong

1038

00:36:55,750 --> 00:36:54,480

because we can't prove any of them

1039

00:36:57,589 --> 00:36:55,760

knows

1040

00:37:00,310 --> 00:36:57,599

exactly it's you know it's it's all

1041

00:37:02,550 --> 00:37:00,320

theorizing at this point but

1042

00:37:03,990 --> 00:37:02,560

if you want to catch all for everything

1043

00:37:06,390 --> 00:37:04,000

you know those parallel worlds

1044

00:37:08,550 --> 00:37:06,400

interdimensional idea

1045

00:37:09,430 --> 00:37:08,560

you know you get someone to invest the

1046

00:37:11,349 --> 00:37:09,440

uh

1047

00:37:14,630 --> 00:37:11,359

portal gun from rick and morty and we'll

1048

00:37:15,510 --> 00:37:14,640

have our answers we'll go there so yes

1049

00:37:17,270 --> 00:37:15,520

yes

1050

00:37:18,790 --> 00:37:17,280

i love rick and morty

1051
00:37:20,310 --> 00:37:18,800
great job

1052
00:37:21,829 --> 00:37:20,320
and that is the reference that i usually

1053
00:37:23,829 --> 00:37:21,839
tell people about it's like look at the

1054
00:37:25,670 --> 00:37:23,839
wackiness all the wacky characters they

1055
00:37:26,870 --> 00:37:25,680
run into just on a single episode on

1056
00:37:29,670 --> 00:37:26,880
that show

1057
00:37:31,589 --> 00:37:29,680
why is that any different from us going

1058
00:37:33,990 --> 00:37:31,599
okay it's grays it's reptilians it's

1059
00:37:35,829 --> 00:37:34,000
tall blondes it's

1060
00:37:37,190 --> 00:37:35,839
whatever whatever you keep the list goes

1061
00:37:39,349 --> 00:37:37,200
on and on

1062
00:37:41,030 --> 00:37:39,359
yeah we see that in the show because

1063
00:37:43,190 --> 00:37:41,040

that's the base the basis of it is

1064

00:37:44,710 --> 00:37:43,200
they're going to these alternate

1065

00:37:46,630 --> 00:37:44,720
parallel worlds

1066

00:37:48,230 --> 00:37:46,640
and timelines and everything else and

1067

00:37:49,910 --> 00:37:48,240
yeah that's what it would be like that's

1068

00:37:52,069 --> 00:37:49,920
why i was earlier saying it's like it's

1069

00:37:55,349 --> 00:37:52,079
going to be so weirdly cosmic we can't

1070

00:37:58,870 --> 00:37:56,870
yeah and we're already part of it you

1071

00:38:00,230 --> 00:37:58,880
know it's a it's just that we have we

1072

00:38:01,990 --> 00:38:00,240
have no awareness

1073

00:38:04,470 --> 00:38:02,000
you know so yeah as our awareness

1074

00:38:06,390 --> 00:38:04,480
expands i kind of wonder like

1075

00:38:08,310 --> 00:38:06,400
do you think that

1076
00:38:09,589 --> 00:38:08,320
in your own personal experience and so

1077
00:38:11,589 --> 00:38:09,599
we can start with you and then jess i

1078
00:38:13,430 --> 00:38:11,599
definitely want to get your take on this

1079
00:38:19,670 --> 00:38:13,440
the

1080
00:38:21,990 --> 00:38:19,680
willingness to accept it does that

1081
00:38:23,829 --> 00:38:22,000
change the way you look at people

1082
00:38:25,589 --> 00:38:23,839
human people you know so just people

1083
00:38:26,630 --> 00:38:25,599
generally you know can you become more

1084
00:38:27,829 --> 00:38:26,640
accepting of different people's

1085
00:38:30,550 --> 00:38:27,839
differences

1086
00:38:33,829 --> 00:38:30,560
because of that or you know yeah i'm

1087
00:38:36,069 --> 00:38:33,839
just curious about that it you know

1088
00:38:38,310 --> 00:38:36,079

if you'd asked me

1089

00:38:40,230 --> 00:38:38,320

even like two years ago probably

1090

00:38:42,870 --> 00:38:40,240

it's like well this person says that

1091

00:38:44,710 --> 00:38:42,880

they can talk to the dead and

1092

00:38:46,870 --> 00:38:44,720

they can

1093

00:38:49,190 --> 00:38:46,880

see ghosts or

1094

00:38:50,710 --> 00:38:49,200

uh they've communicated with aliens or

1095

00:38:52,069 --> 00:38:50,720

all these things and be like yeah okay

1096

00:38:53,990 --> 00:38:52,079

that's great

1097

00:38:55,990 --> 00:38:54,000

and uh

1098

00:38:57,109 --> 00:38:56,000

that would kind of be the rest of it but

1099

00:38:58,470 --> 00:38:57,119

now

1100

00:39:00,069 --> 00:38:58,480

and again

1101
00:39:01,670 --> 00:39:00,079
that interdimensional thing that kind of

1102
00:39:05,030 --> 00:39:01,680
opens it all up

1103
00:39:06,310 --> 00:39:05,040
you at least got to hear somebody out

1104
00:39:08,630 --> 00:39:06,320
you know is

1105
00:39:11,030 --> 00:39:08,640
did they you know imagine something

1106
00:39:12,710 --> 00:39:11,040
maybe you know do do basic detective

1107
00:39:14,870 --> 00:39:12,720
work you know maybe a few basic

1108
00:39:16,950 --> 00:39:14,880
questions without insulting whatever

1109
00:39:18,790 --> 00:39:16,960
their experience was

1110
00:39:21,270 --> 00:39:18,800
just to make sure we were all talking

1111
00:39:23,270 --> 00:39:21,280
about the same thing but i've i you know

1112
00:39:25,349 --> 00:39:23,280
today it's like i will listen to

1113
00:39:27,270 --> 00:39:25,359

anyone's story

1114

00:39:30,069 --> 00:39:27,280

no matter what it is or

1115

00:39:31,750 --> 00:39:30,079

how different it may seem because

1116

00:39:34,150 --> 00:39:31,760

we kind of have to

1117

00:39:35,990 --> 00:39:34,160

at this point because there's so many

1118

00:39:38,470 --> 00:39:36,000

different things and if they're all from

1119

00:39:42,550 --> 00:39:38,480

like the one source

1120

00:39:43,910 --> 00:39:42,560

we have to take all of that into account

1121

00:39:45,670 --> 00:39:43,920

yeah for sure

1122

00:39:47,990 --> 00:39:45,680

jess what about you

1123

00:39:52,150 --> 00:39:48,000

you know ah i just lost it i held it the

1124

00:39:56,710 --> 00:39:55,030

the the the plunge into high strangeness

1125

00:39:58,790 --> 00:39:56,720

no you know i

1126
00:40:00,630 --> 00:39:58,800
did you know it was really hard for me

1127
00:40:03,670 --> 00:40:00,640
for a long time because i like i told

1128
00:40:06,390 --> 00:40:03,680
you i am or i said earlier i am

1129
00:40:09,030 --> 00:40:06,400
i i stayed very nuts and bolts i tried

1130
00:40:10,790 --> 00:40:09,040
to stay very grounded for years

1131
00:40:12,790 --> 00:40:10,800
and with that

1132
00:40:16,550 --> 00:40:12,800
i was hiding parts of myself and

1133
00:40:18,230 --> 00:40:16,560
experiences that i had myself and

1134
00:40:20,309 --> 00:40:18,240
now that i've kind of been more open

1135
00:40:23,190 --> 00:40:20,319
about that i think

1136
00:40:26,069 --> 00:40:23,200
i'm you know i cannot deny things that

1137
00:40:28,069 --> 00:40:26,079
have happened to me thus i cannot deny

1138
00:40:29,829 --> 00:40:28,079

things that people

1139

00:40:31,109 --> 00:40:29,839

say have happened to them because i know

1140

00:40:33,109 --> 00:40:31,119

the things that happened to me were

1141

00:40:34,710 --> 00:40:33,119

freaking real

1142

00:40:36,790 --> 00:40:34,720

you know and that's even from like we're

1143

00:40:39,030 --> 00:40:36,800

talking even you know from uap

1144

00:40:41,510 --> 00:40:39,040

experiences to alien experiences to

1145

00:40:43,910 --> 00:40:41,520

ghost experiences to cryptid experiences

1146

00:40:46,150 --> 00:40:43,920

shadow people you know or different

1147

00:40:48,150 --> 00:40:46,160

beings because i've always said i was

1148

00:40:49,990 --> 00:40:48,160

like when we we talk about disclosure

1149

00:40:50,950 --> 00:40:50,000

you have to disclose every

1150

00:40:53,990 --> 00:40:50,960

thing

1151
00:40:56,230 --> 00:40:54,000
that humans also have this amazing

1152
00:40:58,790 --> 00:40:56,240
ability to connect consciously in the

1153
00:41:00,790 --> 00:40:58,800
dream world remote view

1154
00:41:02,150 --> 00:41:00,800
one thing like that is really amazing

1155
00:41:08,230 --> 00:41:02,160
and i think people are going to get into

1156
00:41:11,750 --> 00:41:10,470
all right we are and how connected we

1157
00:41:13,589 --> 00:41:11,760
are

1158
00:41:15,589 --> 00:41:13,599
i feel like it redeems us that doesn't

1159
00:41:17,109 --> 00:41:15,599
it i mean like our willingness to accept

1160
00:41:19,750 --> 00:41:17,119
these things actually

1161
00:41:21,750 --> 00:41:19,760
it brings us closer together it should

1162
00:41:23,270 --> 00:41:21,760
you know it should place a greater value

1163
00:41:25,349 --> 00:41:23,280

on the things that you experience and

1164

00:41:27,109 --> 00:41:25,359

that i experienced that we're not

1165

00:41:29,750 --> 00:41:27,119

quick to judge

1166

00:41:31,270 --> 00:41:29,760

you know we're we're quick to listen

1167

00:41:33,589 --> 00:41:31,280

i feel like that's a that's important

1168

00:41:35,510 --> 00:41:33,599

and it frustrates me when i see

1169

00:41:37,030 --> 00:41:35,520

a lot more judging happening than

1170

00:41:39,190 --> 00:41:37,040

listening

1171

00:41:40,390 --> 00:41:39,200

and i think you can listen and still in

1172

00:41:43,190 --> 00:41:40,400

your own self

1173

00:41:45,510 --> 00:41:43,200

you know exercise some discernment

1174

00:41:48,150 --> 00:41:45,520

but you know being so quick to kind of

1175

00:41:50,630 --> 00:41:48,160

like come at people and say well i mean

1176
00:41:53,670 --> 00:41:50,640
you your experience is is just too weird

1177
00:41:55,829 --> 00:41:53,680
for me i'm only okay with

1178
00:41:58,390 --> 00:41:55,839
spaceships that materialize out of thin

1179
00:41:59,829 --> 00:41:58,400
air and disappear and come from the far

1180
00:42:01,510 --> 00:41:59,839
side of the universe but this other

1181
00:42:05,190 --> 00:42:01,520
stuff you talk about

1182
00:42:09,109 --> 00:42:07,109
yeah and i think everybody has their

1183
00:42:11,829 --> 00:42:09,119
limits what was interesting i had robert

1184
00:42:14,550 --> 00:42:11,839
bosnack on a couple weeks ago and he's a

1185
00:42:17,109 --> 00:42:14,560
young ian psychologist and he does like

1186
00:42:19,430 --> 00:42:17,119
phenomenology so basically what his job

1187
00:42:20,870 --> 00:42:19,440
is is he talks to people as experiences

1188
00:42:23,270 --> 00:42:20,880

and what he says is i view these

1189

00:42:25,430 --> 00:42:23,280

experiences as real because these these

1190

00:42:26,550 --> 00:42:25,440

experiences happen to these people and

1191

00:42:28,790 --> 00:42:26,560

this is like

1192

00:42:30,550 --> 00:42:28,800

it's a doctor man

1193

00:42:32,150 --> 00:42:30,560

so you know we look at these people you

1194

00:42:34,230 --> 00:42:32,160

guys can check out that episode because

1195

00:42:35,990 --> 00:42:34,240

the way he explains it is like no i'm

1196

00:42:38,550 --> 00:42:36,000

looking at this as this happened to this

1197

00:42:40,390 --> 00:42:38,560

person their experience is real and i

1198

00:42:41,829 --> 00:42:40,400

think people being able to be open i

1199

00:42:43,990 --> 00:42:41,839

mean maybe you don't have to be if

1200

00:42:46,870 --> 00:42:44,000

you're not into it but if you're into it

1201
00:42:50,390 --> 00:42:46,880
learning about people's experiences

1202
00:42:54,390 --> 00:42:51,750
100

1203
00:42:56,230 --> 00:42:54,400
right i just i just wanted to chime in a

1204
00:42:58,550 --> 00:42:56,240
little because the things that you're

1205
00:43:00,230 --> 00:42:58,560
talking about really go into the realm

1206
00:43:02,069 --> 00:43:00,240
of mental health

1207
00:43:05,030 --> 00:43:02,079
um not only the

1208
00:43:07,109 --> 00:43:05,040
doctor's perspective of course that see

1209
00:43:09,670 --> 00:43:07,119
these experiences as real it's

1210
00:43:10,550 --> 00:43:09,680
beneficial to the person the observer

1211
00:43:13,910 --> 00:43:10,560
right

1212
00:43:16,630 --> 00:43:13,920
but also just like for our own people

1213
00:43:19,510 --> 00:43:16,640

who may not have any kind of mental

1214

00:43:22,069 --> 00:43:19,520

illness per se it still helps our mental

1215

00:43:24,550 --> 00:43:22,079

health if we just accept the reality

1216

00:43:27,109 --> 00:43:24,560

of what's going on with us and i think a

1217

00:43:29,990 --> 00:43:27,119

lot of people try to close this part off

1218

00:43:33,270 --> 00:43:30,000

and pretend it's not part of being human

1219

00:43:37,390 --> 00:43:33,280

but there's a reason so many people have

1220

00:43:40,790 --> 00:43:37,400

like psychic dreams or see ghosts or

1221

00:43:43,829 --> 00:43:40,800

cuaps something's going on a lot of us

1222

00:43:46,470 --> 00:43:43,839

have that gut instinct intuition

1223

00:43:48,630 --> 00:43:46,480

um i tend to get lost and i use my gut

1224

00:43:51,510 --> 00:43:48,640

instinct to get unlost and it always

1225

00:43:53,910 --> 00:43:51,520

works so why does that happen you know

1226

00:43:56,710 --> 00:43:53,920

so there's something that maybe we don't

1227

00:43:58,710 --> 00:43:56,720

scientifically understand yet but it is

1228

00:44:00,309 --> 00:43:58,720

part of us and repressing it is

1229

00:44:03,030 --> 00:44:00,319

ridiculous

1230

00:44:04,870 --> 00:44:03,040

oh you're here

1231

00:44:06,069 --> 00:44:04,880

so well said

1232

00:44:07,990 --> 00:44:06,079

you know how

1233

00:44:09,990 --> 00:44:08,000

in in the kind of activities that you

1234

00:44:11,349 --> 00:44:10,000

guys are involved in you know just

1235

00:44:12,950 --> 00:44:11,359

through the show and so through the

1236

00:44:15,030 --> 00:44:12,960

support that you provide shows and and

1237

00:44:16,950 --> 00:44:15,040

you are on shows too your frequent

1238

00:44:18,150 --> 00:44:16,960

presence which i think is great

1239

00:44:19,829 --> 00:44:18,160

you know what are some things that you

1240

00:44:21,270 --> 00:44:19,839

each try to do and bring to the

1241

00:44:24,470 --> 00:44:21,280

conversation

1242

00:44:26,230 --> 00:44:24,480

to elevate this and kind of help steer

1243

00:44:29,109 --> 00:44:26,240

us away from

1244

00:44:32,309 --> 00:44:29,119

the vitriol and the you know the arrow

1245

00:44:38,150 --> 00:44:35,270

enzo oh that wouldn't be first sure

1246

00:44:40,069 --> 00:44:38,160

for me uh i use my my own past

1247

00:44:42,309 --> 00:44:40,079

experience as uh

1248

00:44:43,430 --> 00:44:42,319

you know aircraft mechanics aviation

1249

00:44:45,750 --> 00:44:43,440

travel

1250

00:44:47,510 --> 00:44:45,760

the last part of my career i spent in

1251

00:44:49,430 --> 00:44:47,520

our in the wing safety office which a

1252

00:44:51,670 --> 00:44:49,440

big part of that involves

1253

00:44:53,990 --> 00:44:51,680

wildlife control on the airfield so

1254

00:44:55,750 --> 00:44:54,000

basically keeping birds from flying in

1255

00:44:59,670 --> 00:44:55,760

front of airplanes so

1256

00:45:01,670 --> 00:44:59,680

i've got thousands of hours of

1257

00:45:05,430 --> 00:45:01,680

staring at the sky

1258

00:45:07,670 --> 00:45:05,440

looking at planes birds uh of all

1259

00:45:10,069 --> 00:45:07,680

different types where where i live in

1260

00:45:12,069 --> 00:45:10,079

kansas it's it's the central flyway for

1261

00:45:15,349 --> 00:45:12,079

most migratory birds

1262

00:45:18,230 --> 00:45:15,359

in the country and i see all of it it's

1263

00:45:19,990 --> 00:45:18,240

from from eagles to pelicans and it's

1264

00:45:20,790 --> 00:45:20,000

bananas what i say but

1265

00:45:23,190 --> 00:45:20,800

uh

1266

00:45:24,710 --> 00:45:23,200

you know seeing photography

1267

00:45:27,190 --> 00:45:24,720

of all of these things looking at them

1268

00:45:28,870 --> 00:45:27,200

through binoculars my own experience for

1269

00:45:29,829 --> 00:45:28,880

my own hobby of staring at stuff in the

1270

00:45:32,950 --> 00:45:29,839

stars

1271

00:45:35,270 --> 00:45:32,960

that all kind of equates out to

1272

00:45:37,349 --> 00:45:35,280

when someone sees something weird and

1273

00:45:38,710 --> 00:45:37,359

holds that cell phone up to try and

1274

00:45:42,309 --> 00:45:38,720

capture it

1275

00:45:44,069 --> 00:45:42,319

i can at least tell them what it isn't

1276

00:45:47,030 --> 00:45:44,079

that that's what i feel i kind of bring

1277

00:45:48,550 --> 00:45:47,040

to it as far as my personal experience

1278

00:45:50,150 --> 00:45:48,560

you know i've had a couple of you know

1279

00:45:51,030 --> 00:45:50,160

seen a light in the sky when i was a kid

1280

00:45:53,109 --> 00:45:51,040

and

1281

00:45:55,910 --> 00:45:53,119

a black shape that was kind of wedge

1282

00:45:57,109 --> 00:45:55,920

shaped uh once in the 90s

1283

00:45:59,430 --> 00:45:57,119

and uh

1284

00:46:01,589 --> 00:45:59,440

that doesn't mean that i i can i'll

1285

00:46:02,790 --> 00:46:01,599

listen to anybody as i said before but

1286

00:46:04,390 --> 00:46:02,800

uh

1287

00:46:06,710 --> 00:46:04,400

if it sounds like there's something i

1288

00:46:09,190 --> 00:46:06,720

have a problem with there are avenues to

1289

00:46:10,470 --> 00:46:09,200

try and direct them to uh to maybe seek

1290

00:46:12,870 --> 00:46:10,480

some help if they're having trouble

1291

00:46:17,510 --> 00:46:12,880

processing that

1292

00:46:21,829 --> 00:46:19,589

what else i do is i think it's mostly

1293

00:46:23,750 --> 00:46:21,839

just the ability to to listen and and

1294

00:46:26,790 --> 00:46:23,760

narrow out

1295

00:46:32,470 --> 00:46:26,800

i'm basically a uh

1296

00:46:35,589 --> 00:46:34,230

i'm i'm less immediately he's pretty

1297

00:46:37,670 --> 00:46:35,599

gentle i gotta say

1298

00:46:39,829 --> 00:46:37,680

he is it's just uh it's it's that

1299

00:46:42,230 --> 00:46:39,839

british demeanor of like no you're wrong

1300

00:46:44,309 --> 00:46:42,240

because right which which people don't

1301

00:46:46,069 --> 00:46:44,319

uh particularly care for right off the

1302

00:46:48,550 --> 00:46:46,079

bat because

1303

00:46:50,870 --> 00:46:48,560

nobody likes like no you're wrong

1304

00:46:52,309 --> 00:46:50,880

here's why you're wrong it's like no no

1305

00:46:54,230 --> 00:46:52,319

it's just a mistake

1306

00:46:57,430 --> 00:46:54,240

this is probably i throw a lot of

1307

00:46:59,510 --> 00:46:57,440

probably's and chances are this is a you

1308

00:47:03,270 --> 00:46:59,520

know kind of leave myself a little room

1309

00:47:05,270 --> 00:47:03,280

for doubt uh in there but right it's

1310

00:47:07,030 --> 00:47:05,280

it's it's sometimes little because

1311

00:47:08,790 --> 00:47:07,040

people really do want to believe in like

1312

00:47:11,990 --> 00:47:08,800

whatever their picture is or their video

1313

00:47:13,510 --> 00:47:12,000

or whatever their experience if uh

1314

00:47:15,190 --> 00:47:13,520

if they're if they're being open-minded

1315

00:47:16,790 --> 00:47:15,200

about it they'll at least you know take

1316

00:47:19,109 --> 00:47:16,800

a differing opinion

1317

00:47:21,430 --> 00:47:19,119

uh and you know maybe what they you know

1318

00:47:23,190 --> 00:47:21,440

the light they saw it might have been

1319

00:47:25,510 --> 00:47:23,200

the international space station it might

1320

00:47:27,670 --> 00:47:25,520

have been a meteorite it might have been

1321

00:47:30,470 --> 00:47:27,680

uh but if you can go through all those

1322

00:47:32,150 --> 00:47:30,480

things and look it all up and verify and

1323

00:47:33,670 --> 00:47:32,160

it's none of those things that you can

1324

00:47:35,510 --> 00:47:33,680

research

1325

00:47:38,630 --> 00:47:35,520

it is you know technically an

1326

00:47:40,549 --> 00:47:38,640

unidentified flying object so

1327

00:47:42,710 --> 00:47:40,559

you got that you know you know it's not

1328

00:47:44,549 --> 00:47:42,720

so the normal things so

1329

00:47:47,349 --> 00:47:44,559

if that helps or

1330

00:47:49,349 --> 00:47:47,359

uh hinders them in their follow through

1331

00:47:51,349 --> 00:47:49,359

with whatever it is they experienced

1332

00:47:53,190 --> 00:47:51,359

they they at least have that knowledge

1333

00:47:55,430 --> 00:47:53,200

at least that's where i come

1334

00:47:58,549 --> 00:47:55,440

come at it from so

1335

00:48:01,829 --> 00:47:58,559

i've got dj he's with us he made it

1336

00:48:05,109 --> 00:48:01,839

the great cat on her yes cat

1337

00:48:08,790 --> 00:48:05,119

dances on

1338

00:48:12,630 --> 00:48:11,270

so you found the cat

1339

00:48:15,109 --> 00:48:12,640

hey guys

1340

00:48:17,910 --> 00:48:15,119

what's up man good to see you let's see

1341

00:48:28,069 --> 00:48:17,920

can we see the catastrophic damage oh my

1342

00:48:32,710 --> 00:48:29,990

but he got himself out i don't know how

1343

00:48:35,910 --> 00:48:32,720

he got out but he was out

1344

00:48:38,549 --> 00:48:35,920

oh yo you cat

1345

00:48:39,670 --> 00:48:38,559

jeez man i'm glad he's okay eight times

1346

00:48:40,870 --> 00:48:39,680

left

1347

00:48:44,870 --> 00:48:40,880

yeah

1348

00:48:47,430 --> 00:48:44,880

right yes but anyway so i'll sleep easy

1349

00:48:50,710 --> 00:48:47,440

tonight and i just want to say one love

1350

00:48:52,790 --> 00:48:50,720

to jess and uh and so and i know you

1351
00:48:54,150 --> 00:48:52,800
guys are being well cared for with the

1352
00:48:55,589 --> 00:48:54,160
captain

1353
00:49:11,910 --> 00:48:55,599
and uh

1354
00:49:15,910 --> 00:49:13,670
how do they get into the wall and then

1355
00:49:17,910 --> 00:49:15,920
mysteriously out of the water it's a

1356
00:49:19,589 --> 00:49:17,920
very good question question getting some

1357
00:49:24,470 --> 00:49:19,599
echo from somebody i'm not sure who that

1358
00:49:29,430 --> 00:49:26,710
all right we shall push forward yeah

1359
00:49:30,870 --> 00:49:29,440
sounding good now yep good good okay

1360
00:49:32,230 --> 00:49:30,880
excellent yes well i want to get your

1361
00:49:33,750 --> 00:49:32,240
thoughts on that question so you know

1362
00:49:35,990 --> 00:49:33,760
one of the things that you try to do i

1363
00:49:38,309 --> 00:49:36,000

know you're an excellent host and uh you

1364

00:49:39,589 --> 00:49:38,319

by the way are a top-notch interviewer

1365

00:49:41,190 --> 00:49:39,599

like how do you

1366

00:49:43,030 --> 00:49:41,200

you do a great job setting the table for

1367

00:49:45,349 --> 00:49:43,040

conversation but how do you elevate that

1368

00:49:47,270 --> 00:49:45,359

conversation and you know kind of

1369

00:49:48,630 --> 00:49:47,280

push push things forward in a positive

1370

00:49:50,549 --> 00:49:48,640

way

1371

00:49:52,470 --> 00:49:50,559

i don't know man maybe i don't i'm like

1372

00:49:53,190 --> 00:49:52,480

you're sitting here maybe i don't offer

1373

00:49:56,950 --> 00:49:53,200

a

1374

00:50:02,470 --> 00:50:00,069

you know i just i just try to you know

1375

00:50:05,109 --> 00:50:02,480

go and talk to people that i want to

1376

00:50:07,109 --> 00:50:05,119

talk to that i find interesting that i

1377

00:50:09,589 --> 00:50:07,119

think people will get some value from

1378

00:50:11,430 --> 00:50:09,599

the conversation you know and i think

1379

00:50:13,349 --> 00:50:11,440

honestly you can talk to anybody and you

1380

00:50:15,750 --> 00:50:13,359

get something beautiful out of them you

1381

00:50:17,910 --> 00:50:15,760

know even from like you know i did like

1382

00:50:19,910 --> 00:50:17,920

tommy chong and he told me a spiritual

1383

00:50:21,670 --> 00:50:19,920

story you can get things like that out

1384

00:50:24,390 --> 00:50:21,680

of people you know

1385

00:50:26,630 --> 00:50:24,400

you can talk you know you can have i

1386

00:50:29,430 --> 00:50:26,640

think it's the art of conversation that

1387

00:50:31,750 --> 00:50:29,440

i love and the back and forth and being

1388

00:50:34,630 --> 00:50:31,760

able to like be comfortable and get the

1389

00:50:36,230 --> 00:50:34,640

guests comfortable to like really share

1390

00:50:37,750 --> 00:50:36,240

and you know feel like they're talking

1391

00:50:39,430 --> 00:50:37,760

to their friend because you know

1392

00:50:41,190 --> 00:50:39,440

ultimately all my guests become my

1393

00:50:42,069 --> 00:50:41,200

friends anyways

1394

00:50:44,390 --> 00:50:42,079

nice

1395

00:50:46,230 --> 00:50:44,400

but i i just try to keep it positive i

1396

00:50:47,750 --> 00:50:46,240

guess all the other i could try to close

1397

00:50:50,309 --> 00:50:47,760

i always try to close with something

1398

00:50:53,109 --> 00:50:50,319

positive even if i'm on a conspiratorial

1399

00:50:55,190 --> 00:50:53,119

type of rant um always want to

1400

00:50:56,710 --> 00:50:55,200

leave it on an up note

1401

00:50:59,349 --> 00:50:56,720

yeah you got to

1402

00:51:01,510 --> 00:50:59,359

well on that note then uh like uh what

1403

00:51:04,069 --> 00:51:01,520

interesting conspiracies are kind of cat

1404

00:51:06,470 --> 00:51:04,079

catching your eye these days oh so just

1405

00:51:08,470 --> 00:51:06,480

always the big one man just the elite

1406

00:51:10,150 --> 00:51:08,480

you know there's only people controlling

1407

00:51:11,030 --> 00:51:10,160

everything behind the scenes and you

1408

00:51:14,710 --> 00:51:11,040

know

1409

00:51:16,470 --> 00:51:14,720

we're just kind of stuck in the system

1410

00:51:19,030 --> 00:51:16,480

you know just doing our best and i think

1411

00:51:20,470 --> 00:51:19,040

that's the biggest conspiracy of of them

1412

00:51:21,829 --> 00:51:20,480

all

1413

00:51:24,790 --> 00:51:21,839

and it's a real conspiracy because

1414

00:51:26,230 --> 00:51:24,800

people are working together to you know

1415

00:51:27,030 --> 00:51:26,240

control things

1416

00:51:28,870 --> 00:51:27,040

yeah

1417

00:51:30,630 --> 00:51:28,880

we do find ourselves in a world not of

1418

00:51:32,630 --> 00:51:30,640

our own making you know we we just we

1419

00:51:34,710 --> 00:51:32,640

land here basically and then

1420

00:51:37,670 --> 00:51:34,720

things are happening and things are

1421

00:51:39,910 --> 00:51:37,680

orderly or disorderly and and we have

1422

00:51:42,710 --> 00:51:39,920

very little personal control

1423

00:51:44,710 --> 00:51:42,720

over the grander story of what takes

1424

00:51:46,470 --> 00:51:44,720

place on our planet

1425

00:51:47,750 --> 00:51:46,480

uh so that i can i mean that's very

1426

00:51:49,589 --> 00:51:47,760

appealing right

1427

00:51:51,270 --> 00:51:49,599

but i guess how do you how do you kind

1428

00:51:52,790 --> 00:51:51,280

of process the uh

1429

00:51:54,710 --> 00:51:52,800

the sort of

1430

00:51:55,829 --> 00:51:54,720

far end of that notion which is like

1431

00:51:59,910 --> 00:51:55,839

this

1432

00:52:01,829 --> 00:51:59,920

know really

1433

00:52:03,109 --> 00:52:01,839

the puppet masters you know

1434

00:52:05,349 --> 00:52:03,119

we can hate on the rich and i think

1435

00:52:06,549 --> 00:52:05,359

that's great sometimes but you know

1436

00:52:08,150 --> 00:52:06,559

do you think they really get together in

1437

00:52:10,069 --> 00:52:08,160

a board room somewhere in a forest and

1438

00:52:12,309 --> 00:52:10,079

plan things out or you know like what

1439

00:52:13,750 --> 00:52:12,319

what is happening i mean even if you go

1440

00:52:15,589 --> 00:52:13,760

back to europe you know like all the

1441

00:52:17,510 --> 00:52:15,599

kings were related they're all friends

1442

00:52:19,109 --> 00:52:17,520

you know these you know these leaders

1443

00:52:20,790 --> 00:52:19,119

they all know each other they all party

1444

00:52:22,950 --> 00:52:20,800

together you know

1445

00:52:25,109 --> 00:52:22,960

you know it it's portrayed in the media

1446

00:52:26,470 --> 00:52:25,119

as if like uh they're against each other

1447

00:52:28,069 --> 00:52:26,480

but then there are you know dinner

1448

00:52:30,390 --> 00:52:28,079

parties hanging out so i don't think

1449

00:52:32,069 --> 00:52:30,400

it's like that far of a stretch

1450

00:52:34,309 --> 00:52:32,079

that you know these world leaders get

1451
00:52:35,910 --> 00:52:34,319
together and there are people that are

1452
00:52:37,430 --> 00:52:35,920
behind the scenes that are probably

1453
00:52:38,630 --> 00:52:37,440
giving them a lot of money that help

1454
00:52:40,870 --> 00:52:38,640
control

1455
00:52:43,349 --> 00:52:40,880
you know what is being done

1456
00:52:45,750 --> 00:52:43,359
so i mean how do i how do i stay

1457
00:52:48,069 --> 00:52:45,760
positive with all that is what what can

1458
00:52:50,230 --> 00:52:48,079
you do people are either aware they want

1459
00:52:51,750 --> 00:52:50,240
to be aware they don't want to be aware

1460
00:52:53,510 --> 00:52:51,760
but two you know in the opening of my

1461
00:52:55,109 --> 00:52:53,520
show i have a sound clip that says i

1462
00:52:56,069 --> 00:52:55,119
choose to see the beauty in the world

1463
00:52:58,230 --> 00:52:56,079

because

1464

00:53:00,470 --> 00:52:58,240

there is a lot of dark crap in this

1465

00:53:02,470 --> 00:53:00,480

world and you can get sucked into it

1466

00:53:04,470 --> 00:53:02,480

looking into conspiracies and

1467

00:53:05,670 --> 00:53:04,480

you can also see the beautiful things in

1468

00:53:07,670 --> 00:53:05,680

this world

1469

00:53:10,710 --> 00:53:07,680

you know and realize that

1470

00:53:12,390 --> 00:53:10,720

hey maybe it's not so bad

1471

00:53:14,470 --> 00:53:12,400

i love that

1472

00:53:16,549 --> 00:53:14,480

enzo what about you

1473

00:53:18,230 --> 00:53:16,559

what what what's the big conspiracy i

1474

00:53:20,870 --> 00:53:18,240

mean you you worked for the man at one

1475

00:53:22,870 --> 00:53:20,880

point right so uh well

1476

00:53:25,750 --> 00:53:22,880

conspiracy and so

1477

00:53:28,549 --> 00:53:25,760

i am part of the conspiracy now i i am

1478

00:53:31,030 --> 00:53:28,559

now everyone i'm the internet's uh

1479

00:53:31,670 --> 00:53:31,040

emergency standby guest now because of

1480

00:53:33,270 --> 00:53:31,680

it

1481

00:53:35,829 --> 00:53:33,280

but uh

1482

00:53:37,829 --> 00:53:35,839

from being not working on the inside

1483

00:53:38,710 --> 00:53:37,839

being part of the government for 24

1484

00:53:40,870 --> 00:53:38,720

years

1485

00:53:42,870 --> 00:53:40,880

uh my opinion about as as far as that

1486

00:53:45,750 --> 00:53:42,880

kind of stuff goes back to like hanlon's

1487

00:53:48,069 --> 00:53:45,760

razor kind of an idea you know

1488

00:53:50,390 --> 00:53:48,079

never a tribute to malice what could

1489

00:53:52,710 --> 00:53:50,400

adequately be explained by stupidity

1490

00:53:55,430 --> 00:53:52,720

right it's just there's there i saw a

1491

00:53:57,670 --> 00:53:55,440

lot of dumb people uh that would just

1492

00:53:59,670 --> 00:53:57,680

you know

1493

00:54:01,910 --> 00:53:59,680

anytime you have like that

1494

00:54:03,910 --> 00:54:01,920

bureaucracy there's

1495

00:54:05,990 --> 00:54:03,920

those levels of it it just there's

1496

00:54:08,470 --> 00:54:06,000

people that just kind of get locked in

1497

00:54:10,790 --> 00:54:08,480

there and all they care about is keeping

1498

00:54:12,150 --> 00:54:10,800

their job they don't care about helping

1499

00:54:14,549 --> 00:54:12,160

out their fellow

1500

00:54:16,630 --> 00:54:14,559

constituents or humanity or anything

1501
00:54:18,470 --> 00:54:16,640
like that they just want to keep their

1502
00:54:20,790 --> 00:54:18,480
little job safe and if that means

1503
00:54:23,030 --> 00:54:20,800
throwing somebody under the bus or

1504
00:54:24,790 --> 00:54:23,040
letting this bill go by or

1505
00:54:25,910 --> 00:54:24,800
all these things it's like yeah that's

1506
00:54:27,990 --> 00:54:25,920
fine just do whatever you want just

1507
00:54:30,870 --> 00:54:28,000
don't just leave my stuff alone

1508
00:54:31,910 --> 00:54:30,880
kind of an idea which i saw a lot of uh

1509
00:54:34,630 --> 00:54:31,920
and it's

1510
00:54:35,349 --> 00:54:34,640
to to imagine that you know there's the

1511
00:54:38,390 --> 00:54:35,359
the

1512
00:54:39,349 --> 00:54:38,400
cabal

1513
00:54:41,430 --> 00:54:39,359

of

1514

00:54:42,549 --> 00:54:41,440

people back there i don't know about

1515

00:54:44,789 --> 00:54:42,559

that one

1516

00:54:46,870 --> 00:54:44,799

you know i'm sure there are you know big

1517

00:54:49,430 --> 00:54:46,880

me if anything i would think it would be

1518

00:54:51,109 --> 00:54:49,440

more like uh not necessarily political

1519

00:54:53,670 --> 00:54:51,119

leaders nowadays but

1520

00:54:56,309 --> 00:54:53,680

big industrial and tech leaders

1521

00:54:57,829 --> 00:54:56,319

doing something along those lines

1522

00:54:59,270 --> 00:54:57,839

seeing how yeah they operate

1523

00:55:02,390 --> 00:54:59,280

internationally i mean they don't have

1524

00:55:04,789 --> 00:55:02,400

these state you know restrictions that

1525

00:55:06,390 --> 00:55:04,799

they don't have those silly laws to

1526

00:55:09,190 --> 00:55:06,400

abide to necessarily

1527

00:55:11,910 --> 00:55:09,200

uh so i could see that i think before

1528

00:55:14,309 --> 00:55:11,920

you know the the secret dc cabal that

1529

00:55:16,390 --> 00:55:14,319

controls the world

1530

00:55:19,349 --> 00:55:16,400

now there there's too many points of

1531

00:55:21,030 --> 00:55:19,359

failure for for that for me that

1532

00:55:23,030 --> 00:55:21,040

where somebody would come up was like

1533

00:55:24,549 --> 00:55:23,040

wait a minute you can't do that

1534

00:55:27,030 --> 00:55:24,559

you know kind of a thing there's there

1535

00:55:28,710 --> 00:55:27,040

there are of you as as an awful as a

1536

00:55:32,309 --> 00:55:28,720

picture as i just painted

1537

00:55:34,630 --> 00:55:32,319

there are stop gaps in there to prevent

1538

00:55:39,349 --> 00:55:34,640

you know global catastrophes and things

1539

00:55:43,589 --> 00:55:41,349

there are good people out there in the

1540

00:55:45,829 --> 00:55:43,599

system that's why the system still kind

1541

00:55:47,829 --> 00:55:45,839

of works

1542

00:55:49,670 --> 00:55:47,839

because of those those few good people

1543

00:55:51,190 --> 00:55:49,680

that still believe in

1544

00:55:52,710 --> 00:55:51,200

you know what what goes on in their

1545

00:55:54,789 --> 00:55:52,720

country and believe that they're working

1546

00:55:56,950 --> 00:55:54,799

for their constituents and things like

1547

00:55:57,910 --> 00:55:56,960

that because if if all of them were in

1548

00:55:58,630 --> 00:55:57,920

on it

1549

00:55:59,430 --> 00:55:58,640

right

1550

00:56:01,270 --> 00:55:59,440

then

1551
00:56:02,870 --> 00:56:01,280
we'd never have a voice we'd never we'd

1552
00:56:05,990 --> 00:56:02,880
have never gotten

1553
00:56:08,230 --> 00:56:06,000
uh you know stuff added in to create a

1554
00:56:11,030 --> 00:56:08,240
new you know reporting center for the

1555
00:56:13,190 --> 00:56:11,040
dod and things like that for you know

1556
00:56:15,109 --> 00:56:13,200
what we're looking at right now it's

1557
00:56:17,270 --> 00:56:15,119
i never imagined we'd have that kind of

1558
00:56:19,270 --> 00:56:17,280
thing pop up and to pop up over the last

1559
00:56:21,270 --> 00:56:19,280
couple of years if i guess if there's

1560
00:56:22,470 --> 00:56:21,280
gonna be a conspiracy that that would be

1561
00:56:26,309 --> 00:56:22,480
it for me it's like

1562
00:56:27,349 --> 00:56:26,319
why now all of a sudden why is is there

1563
00:56:29,990 --> 00:56:27,359

like some

1564

00:56:33,430 --> 00:56:30,000

you know evil alien cabal that has a

1565

00:56:35,190 --> 00:56:33,440

specific timeline that you know the umu

1566

00:56:36,630 --> 00:56:35,200

is going to circle back in a couple of

1567

00:56:38,630 --> 00:56:36,640

years and they we need to be prepared

1568

00:56:40,309 --> 00:56:38,640

for i don't know about all that

1569

00:56:41,510 --> 00:56:40,319

but uh

1570

00:56:43,430 --> 00:56:41,520

that's the thing that shocked me the

1571

00:56:45,910 --> 00:56:43,440

most that made me kind of rear my head i

1572

00:56:48,390 --> 00:56:45,920

was like what's going on here

1573

00:56:50,230 --> 00:56:48,400

yeah exciting progress

1574

00:56:54,870 --> 00:56:50,240

all right dad what you got

1575

00:56:57,829 --> 00:56:54,880

so i guess i would like to know um

1576

00:56:59,910 --> 00:56:57,839

what you guys are most excited about

1577

00:57:02,549 --> 00:56:59,920

when you've talked about citizen

1578

00:57:04,630 --> 00:57:02,559

evidence coming forward i know i'm

1579

00:57:06,630 --> 00:57:04,640

excited about that right of course we

1580

00:57:08,309 --> 00:57:06,640

have uapx is supposed to be coming out

1581

00:57:09,990 --> 00:57:08,319

really soon because their movie is about

1582

00:57:12,549 --> 00:57:10,000

to come out which means they have their

1583

00:57:14,870 --> 00:57:12,559

nda lifted and things are coming out

1584

00:57:17,109 --> 00:57:14,880

galileo's been working on building their

1585

00:57:19,670 --> 00:57:17,119

equipment and should start having

1586

00:57:24,710 --> 00:57:19,680

something soon what are you most excited

1587

00:57:30,309 --> 00:57:27,670

let's go with jess i don't i haven't

1588

00:57:32,470 --> 00:57:30,319

been following it to be quite honest um

1589

00:57:34,870 --> 00:57:32,480

and i

1590

00:57:37,109 --> 00:57:34,880

i'm not i mean it all sounds great i'm

1591

00:57:41,190 --> 00:57:37,119

not excited for more one thing more than

1592

00:57:44,630 --> 00:57:42,390

what are uh

1593

00:57:46,309 --> 00:57:44,640

well what's next on your kind of uh on

1594

00:57:47,829 --> 00:57:46,319

your show lineup what what topics are

1595

00:57:50,710 --> 00:57:47,839

you chasing down right now what are we

1596

00:57:52,470 --> 00:57:50,720

doing what are we doing i've got um

1597

00:57:54,630 --> 00:57:52,480

let's see well on monday i have big

1598

00:57:57,589 --> 00:57:54,640

willy that's going to be fun

1599

00:57:59,430 --> 00:57:57,599

look at this here

1600

00:58:02,630 --> 00:57:59,440

yeah i love that beard i do want to talk

1601
00:58:04,710 --> 00:58:02,640
about his beard is it that guy oh yes

1602
00:58:07,510 --> 00:58:04,720
there he just pops in

1603
00:58:09,510 --> 00:58:07,520
next wednesday i have les valdez coming

1604
00:58:12,150 --> 00:58:09,520
on and he talked he has an experiencer

1605
00:58:15,190 --> 00:58:12,160
group and then the following week i've

1606
00:58:17,750 --> 00:58:15,200
got uh radio host alex exum coming on

1607
00:58:20,309 --> 00:58:17,760
and then i have benjamin balderson who

1608
00:58:23,990 --> 00:58:20,319
is an alchemist with and he's going to

1609
00:58:25,670 --> 00:58:24,000
be a really good interesting show if you

1610
00:58:27,589 --> 00:58:25,680
haven't if you don't know about alchemy

1611
00:58:29,270 --> 00:58:27,599
if you've heard these words it's

1612
00:58:31,349 --> 00:58:29,280
definitely something you want to like

1613
00:58:33,109 --> 00:58:31,359

come in and check out this guy like

1614

00:58:35,589 --> 00:58:33,119

knows this stuff and he can explain it

1615

00:58:38,230 --> 00:58:35,599

in a way to people who are totally

1616

00:58:39,829 --> 00:58:38,240

unfamiliar with this topic

1617

00:58:42,150 --> 00:58:39,839

that sounds fascinating

1618

00:58:43,829 --> 00:58:42,160

it's going to be so cool i'm looking

1619

00:58:46,630 --> 00:58:43,839

forward to that one yeah definitely

1620

00:58:51,910 --> 00:58:50,150

and so what uh what's got on your radar

1621

00:58:53,990 --> 00:58:51,920

uh as far as uh

1622

00:58:55,349 --> 00:58:54,000

deb's original question was

1623

00:58:56,710 --> 00:58:55,359

we wanted to

1624

00:58:58,870 --> 00:58:56,720

what were we looking forward out of the

1625

00:59:00,390 --> 00:58:58,880

civilian side was that yeah well in

1626

00:59:02,390 --> 00:59:00,400

general it can be

1627

00:59:05,589 --> 00:59:02,400

government side also but what are you

1628

00:59:07,510 --> 00:59:05,599

excited about i forgot one major one but

1629

00:59:09,190 --> 00:59:07,520

maybe you'll think of it what are you

1630

00:59:10,950 --> 00:59:09,200

excited

1631

00:59:13,670 --> 00:59:10,960

uh as far as uh coming out of galilee

1632

00:59:16,150 --> 00:59:13,680

and uapx

1633

00:59:17,990 --> 00:59:16,160

i don't know the full scope of what

1634

00:59:19,190 --> 00:59:18,000

they're specifically investigating

1635

00:59:21,190 --> 00:59:19,200

obviously there's going to be some

1636

00:59:23,510 --> 00:59:21,200

visual component involved there

1637

00:59:24,789 --> 00:59:23,520

uh i'd like to see

1638

00:59:26,789 --> 00:59:24,799

that's mostly what i'm looking forward

1639

00:59:28,470 --> 00:59:26,799

to is what it what was it that they're

1640

00:59:30,230 --> 00:59:28,480

using what equipment are they using

1641

00:59:32,630 --> 00:59:30,240

where were they using it

1642

00:59:35,109 --> 00:59:32,640

uh what gave them the idea to like point

1643

00:59:37,430 --> 00:59:35,119

their stuff this direction or whatever

1644

00:59:40,150 --> 00:59:37,440

it is i'm i'm almost more curious about

1645

00:59:42,630 --> 00:59:40,160

what their process is than uh

1646

00:59:45,109 --> 00:59:42,640

because even if they found nothing

1647

00:59:46,549 --> 00:59:45,119

that still checks stuff off of the list

1648

00:59:47,829 --> 00:59:46,559

it's like okay they didn't find anything

1649

00:59:52,230 --> 00:59:47,839

in the infrared spectrum or the

1650

00:59:53,750 --> 00:59:52,240

ultraviolet or or violet violet and

1651
00:59:57,430 --> 00:59:53,760
i guess it would be ultra violent too

1652
00:59:59,190 --> 00:59:57,440
they could be more aggressive uh but uh

1653
01:00:00,470 --> 00:59:59,200
you know it's it's it's still things

1654
01:00:03,270 --> 01:00:00,480
that you know even if you didn't find

1655
01:00:05,510 --> 01:00:03,280
something that doesn't mean that you can

1656
01:00:08,069 --> 01:00:05,520
you know it's it's still evidence

1657
01:00:10,150 --> 01:00:08,079
sort of so to speak for at this stage of

1658
01:00:12,789 --> 01:00:10,160
it where we're basically

1659
01:00:14,549 --> 01:00:12,799
pawing around in the dark uh to start

1660
01:00:16,630 --> 01:00:14,559
off with so

1661
01:00:18,870 --> 01:00:16,640
anything they come up with

1662
01:00:20,950 --> 01:00:18,880
good or bad you know it's like we we

1663
01:00:22,549 --> 01:00:20,960

found zero evidence of this for you know

1664

01:00:25,430 --> 01:00:22,559

in this spectrum or

1665

01:00:27,750 --> 01:00:25,440

this particular radio range we did find

1666

01:00:30,230 --> 01:00:27,760

some similar activity when we would see

1667

01:00:32,630 --> 01:00:30,240

anomalous lights or you know it's those

1668

01:00:33,670 --> 01:00:32,640

kind of things uh i'm i'm most curious

1669

01:00:35,270 --> 01:00:33,680

about

1670

01:00:37,190 --> 01:00:35,280

what they're what their processes and

1671

01:00:38,510 --> 01:00:37,200

techniques and technology they're using

1672

01:00:39,750 --> 01:00:38,520

to find it

1673

01:00:41,910 --> 01:00:39,760

[Music]

1674

01:00:44,630 --> 01:00:41,920

what i love about that is they actually

1675

01:00:47,750 --> 01:00:44,640

just said in a conference that they had

1676

01:00:49,990 --> 01:00:47,760

the seu and uapx were meeting and

1677

01:00:53,589 --> 01:00:50,000

talking about some things they just

1678

01:00:55,829 --> 01:00:53,599

spoke about how finding these uaps or

1679

01:00:58,309 --> 01:00:55,839

finding evidence of uaps is actually

1680

01:01:00,069 --> 01:00:58,319

scientifically interesting in general

1681

01:01:01,349 --> 01:01:00,079

and you might really appreciate the part

1682

01:01:03,510 --> 01:01:01,359

where they were talking about it's good

1683

01:01:06,150 --> 01:01:03,520

for anyone who is interested in space

1684

01:01:08,390 --> 01:01:06,160

and astronomy anyway because they're

1685

01:01:09,670 --> 01:01:08,400

exploring new techniques for looking at

1686

01:01:12,150 --> 01:01:09,680

those things

1687

01:01:14,309 --> 01:01:12,160

so there's benefit and i'm hoping

1688

01:01:17,829 --> 01:01:14,319

they'll get the funding beyond just the

1689

01:01:22,829 --> 01:01:17,839

uap topic so it's great stuff but it was

1690

01:01:27,670 --> 01:01:25,589

but as a star fan yeah you got to be uh

1691

01:01:29,430 --> 01:01:27,680

chomping at the ball oh yeah it's

1692

01:01:30,950 --> 01:01:29,440

to get to

1693

01:01:32,549 --> 01:01:30,960

for the things that'll come up with

1694

01:01:35,349 --> 01:01:32,559

that'll that'll change everything we

1695

01:01:38,230 --> 01:01:35,359

know it'll hopefully answer a lot of

1696

01:01:39,750 --> 01:01:38,240

questions that we've we have about space

1697

01:01:42,789 --> 01:01:39,760

in general because

1698

01:01:46,230 --> 01:01:42,799

we there's a that huge specter of uh

1699

01:01:48,470 --> 01:01:46,240

dark matter hanging over uh cosmology at

1700

01:01:49,750 --> 01:01:48,480

the point of like well the map because

1701

01:01:52,069 --> 01:01:49,760

we're pretty good at figuring out the

1702

01:01:53,190 --> 01:01:52,079

math on like the solar system level you

1703

01:01:55,109 --> 01:01:53,200

know we're pretty good at shooting out

1704

01:01:56,549 --> 01:01:55,119

probes and we've we've measured the

1705

01:01:58,390 --> 01:01:56,559

gravity of planets where we can

1706

01:02:00,309 --> 01:01:58,400

slingshot probes around them to get it

1707

01:02:03,510 --> 01:02:00,319

to go faster to reach the outer planets

1708

01:02:05,990 --> 01:02:03,520

we were doing that in the 60s and 70s

1709

01:02:07,589 --> 01:02:06,000

but it doesn't really scale up outside

1710

01:02:09,510 --> 01:02:07,599

of that when you start getting into the

1711

01:02:12,150 --> 01:02:09,520

galaxy range

1712

01:02:13,990 --> 01:02:12,160

you know here where it should work but

1713

01:02:15,670 --> 01:02:14,000

it doesn't it's like there's a lot of

1714

01:02:18,069 --> 01:02:15,680

mass

1715

01:02:21,190 --> 01:02:18,079

that's missing so they just labeled it

1716

01:02:22,549 --> 01:02:21,200

dark matter and it's like wait what does

1717

01:02:23,829 --> 01:02:22,559

that mean

1718

01:02:26,150 --> 01:02:23,839

we don't know

1719

01:02:28,470 --> 01:02:26,160

so there's things like uh

1720

01:02:31,910 --> 01:02:28,480

anything that we can get to kind of

1721

01:02:34,230 --> 01:02:31,920

narrow that focus down and uh kind of

1722

01:02:35,589 --> 01:02:34,240

make up for this mass that appears to be

1723

01:02:37,510 --> 01:02:35,599

missing

1724

01:02:41,109 --> 01:02:37,520

that's what that's what gets us closer

1725

01:02:44,069 --> 01:02:41,119

to figuring out like warp drives and

1726

01:02:45,510 --> 01:02:44,079

things like that that

1727

01:02:47,510 --> 01:02:45,520

i don't say they're holding us back i

1728

01:02:49,750 --> 01:02:47,520

mean it's just the natural evolution of

1729

01:02:51,430 --> 01:02:49,760

discovery but that's to me i think

1730

01:02:52,950 --> 01:02:51,440

that's one of the next bigger steps is

1731

01:02:54,470 --> 01:02:52,960

figuring that out

1732

01:02:56,710 --> 01:02:54,480

because that will lead to other

1733

01:02:58,630 --> 01:02:56,720

innovations of how to

1734

01:03:01,109 --> 01:02:58,640

measure it and deal with it and travel

1735

01:03:05,990 --> 01:03:03,829

yeah completely i love that iterative

1736

01:03:08,150 --> 01:03:06,000

process right i love that uh you know

1737

01:03:10,549 --> 01:03:08,160

these new discoveries just beget

1738

01:03:12,470 --> 01:03:10,559

further discoveries oh yeah we're never

1739

01:03:14,069 --> 01:03:12,480

satisfied and i find it interesting like

1740

01:03:15,910 --> 01:03:14,079

some people like it's like some people

1741

01:03:18,069 --> 01:03:15,920

just like they're they're done you know

1742

01:03:19,829 --> 01:03:18,079

you meet some some folks and

1743

01:03:21,270 --> 01:03:19,839

the way the world is right now like

1744

01:03:23,270 --> 01:03:21,280

they're they're fine with that they're

1745

01:03:25,589 --> 01:03:23,280

you know there's no more to learn

1746

01:03:27,270 --> 01:03:25,599

there's no more discovery it's it's good

1747

01:03:29,349 --> 01:03:27,280

uh it seems like most the folks in this

1748

01:03:31,829 --> 01:03:29,359

community are are not happy with that

1749

01:03:32,789 --> 01:03:31,839

you know we would like to learn more

1750

01:03:35,029 --> 01:03:32,799

uh

1751

01:03:37,910 --> 01:03:35,039

well kev i remember you teasing earlier

1752

01:03:40,470 --> 01:03:37,920

something about a lightning round and uh

1753

01:03:42,390 --> 01:03:40,480

yeah i'm excited about that

1754

01:03:44,230 --> 01:03:42,400

okay let's we'll get to it all right so

1755

01:03:46,630 --> 01:03:44,240

um i'm gonna ask i'm gonna ask you some

1756

01:03:49,910 --> 01:03:46,640

questions i want you to answer

1757

01:03:52,150 --> 01:03:49,920

who is your daddy and what does he do

1758

01:03:53,510 --> 01:03:52,160

okay so um what i'll do i'll just ask

1759

01:03:54,870 --> 01:03:53,520

the question and i'll call on you guys

1760

01:03:56,630 --> 01:03:54,880

one on one so these are yes and no

1761

01:03:59,430 --> 01:03:56,640

questions yes or no

1762

01:04:01,109 --> 01:03:59,440

answers okay so question number one do

1763

01:04:03,270 --> 01:04:01,119

you think the pyramids were built by

1764

01:04:04,870 --> 01:04:03,280

aliens just

1765

01:04:06,390 --> 01:04:04,880

no

1766

01:04:09,510 --> 01:04:06,400

enzo

1767

01:04:11,510 --> 01:04:09,520

uh built by no okay

1768

01:04:12,870 --> 01:04:11,520

do you think a portion of ufo crashes

1769

01:04:18,789 --> 01:04:12,880

are from irresponsible drunk

1770

01:04:22,150 --> 01:04:19,750

yes

1771

01:04:23,510 --> 01:04:22,160

all right oh i like that

1772

01:04:25,430 --> 01:04:23,520

okay so do you think that wearing a

1773

01:04:27,670 --> 01:04:25,440

disguise to bed will prevent alien

1774

01:04:29,670 --> 01:04:27,680

abductions jess

1775

01:04:31,029 --> 01:04:29,680

i don't think so but i think it's worth

1776

01:04:32,870 --> 01:04:31,039

a shot

1777

01:04:33,910 --> 01:04:32,880

i like it endorsement

1778

01:04:36,230 --> 01:04:33,920

enzo

1779

01:04:37,670 --> 01:04:36,240

i'm going to go for a fake mustache but

1780

01:04:40,549 --> 01:04:37,680

uh

1781

01:04:41,589 --> 01:04:40,559

i i don't think that would help okay

1782

01:04:44,309 --> 01:04:41,599

okay

1783

01:04:47,670 --> 01:04:44,319

that's all right i forgive you um

1784

01:04:48,789 --> 01:04:47,680

jess uh do you believe in an afterlife

1785

01:04:50,230 --> 01:04:48,799

yes

1786

01:04:51,430 --> 01:04:50,240

enzo

1787

01:04:53,510 --> 01:04:51,440

yes

1788

01:04:56,789 --> 01:04:53,520

okay jess do you collapse

1789

01:04:57,910 --> 01:04:56,799

what okay do you collect stamps

1790

01:05:00,710 --> 01:04:57,920

no

1791

01:05:02,950 --> 01:05:00,720

okay enzo do you collect stamps

1792

01:05:05,510 --> 01:05:02,960

only to send out the one bill that i

1793

01:05:08,230 --> 01:05:05,520

can't electronically uh use that's the

1794

01:05:10,390 --> 01:05:08,240

only reason i still even have stamps i

1795

01:05:11,829 --> 01:05:10,400

don't know why that one was on there

1796

01:05:13,990 --> 01:05:11,839

okay

1797

01:05:16,630 --> 01:05:14,000

are you good with handling live insects

1798

01:05:19,109 --> 01:05:17,430

no

1799

01:05:21,990 --> 01:05:19,119

oh enzo

1800

01:05:23,670 --> 01:05:22,000

i don't have an issue with it oh cool

1801

01:05:25,109 --> 01:05:23,680

okay do you think

1802

01:05:26,950 --> 01:05:25,119

extraterrestrial insects are

1803

01:05:29,990 --> 01:05:26,960

communicating to us jess

1804

01:05:30,630 --> 01:05:30,000

i got i or this is like the one i can't

1805

01:05:55,670 --> 01:05:30,640

i

1806

01:05:58,549 --> 01:05:55,680

could be

1807

01:06:00,069 --> 01:05:58,559

and that is possible it's just cool

1808

01:06:02,069 --> 01:06:00,079

even if you want to go electronically

1809

01:06:04,150 --> 01:06:02,079

they could be sending something towards

1810

01:06:06,390 --> 01:06:04,160

us that might be common for them then we

1811

01:06:09,430 --> 01:06:06,400

just haven't figured out how to decode

1812

01:06:10,870 --> 01:06:09,440

it yet that's true it's true so um the

1813

01:06:12,230 --> 01:06:10,880

next question have you ever eaten an

1814

01:06:13,750 --> 01:06:12,240

insect

1815

01:06:15,510 --> 01:06:13,760

um jess

1816

01:06:16,829 --> 01:06:15,520

not on purpose

1817

01:06:18,870 --> 01:06:16,839

oh so

1818

01:06:20,309 --> 01:06:18,880

possibly um

1819

01:06:21,349 --> 01:06:20,319

enzo

1820

01:06:22,309 --> 01:06:21,359

uh

1821

01:06:27,750 --> 01:06:22,319

no

1822

01:06:30,470 --> 01:06:27,760

that might be all right then you guys

1823

01:06:32,950 --> 01:06:30,480

might be okay with the invasion

1824

01:06:36,150 --> 01:06:32,960

okay so would you voluntarily be

1825

01:06:37,109 --> 01:06:36,160

abducted by alien insects

1826

01:06:38,230 --> 01:06:37,119

yes

1827

01:06:39,190 --> 01:06:38,240

okay

1828

01:06:46,870 --> 01:06:39,200

no

1829

01:06:48,549 --> 01:06:46,880

depends on the context of the abduction

1830

01:06:50,309 --> 01:06:48,559

they're just dropping by to say hi and

1831

01:06:53,190 --> 01:06:50,319

when i have a conversation i'm all for

1832

01:06:55,109 --> 01:06:53,200

it okay i would totally be for that

1833

01:06:57,430 --> 01:06:55,119

just a social calling you know

1834

01:06:58,870 --> 01:06:57,440

i'd totally sure i would absolutely do

1835

01:07:00,549 --> 01:06:58,880

that cool

1836

01:07:02,549 --> 01:07:00,559

my issue is always the you know what

1837

01:07:04,390 --> 01:07:02,559

comes later so

1838

01:07:06,309 --> 01:07:04,400

well that's that's really up to them if

1839

01:07:07,910 --> 01:07:06,319

they're down for a visit section would

1840

01:07:10,150 --> 01:07:07,920

you be down for one

1841

01:07:12,150 --> 01:07:10,160

i would have to draw the line uh not

1842

01:07:13,109 --> 01:07:12,160

across my abdomen

1843

01:07:16,309 --> 01:07:13,119

okay

1844

01:07:18,230 --> 01:07:16,319

i like the pun that was good

1845

01:07:21,670 --> 01:07:18,240

oh okay next question jess are you an

1846

01:07:24,950 --> 01:07:23,589

not that i know of

1847

01:07:26,069 --> 01:07:24,960

hmm

1848

01:07:29,510 --> 01:07:26,079

okay

1849

01:07:32,789 --> 01:07:30,309

oh

1850

01:07:35,190 --> 01:07:32,799

possibly possibly that's up for a whole

1851

01:07:37,430 --> 01:07:35,200

another episode right there man

1852

01:07:40,870 --> 01:07:37,440

the iron in your blood came from a star

1853

01:07:42,470 --> 01:07:40,880

that exploded in billions oh okay yeah

1854

01:07:44,870 --> 01:07:42,480

if you want to go there

1855

01:07:46,309 --> 01:07:44,880

we're all star stuff

1856

01:07:50,390 --> 01:07:46,319

you're getting too deep for me buddy

1857

01:07:54,069 --> 01:07:52,309

over my head here you're gonna

1858

01:07:55,029 --> 01:07:54,079

knock off my new headset with all that

1859

01:07:57,670 --> 01:07:55,039

okay

1860

01:07:59,430 --> 01:07:57,680

so the next question is

1861

01:08:01,190 --> 01:07:59,440

oh wait a minute and so are you an

1862

01:08:03,589 --> 01:08:01,200

extraterrestrial because you know i

1863

01:08:05,750 --> 01:08:03,599

thought you were a cyborg at first but

1864

01:08:07,670 --> 01:08:05,760

oh no

1865

01:08:10,150 --> 01:08:07,680

this is enzo prime but i have enzo

1866

01:08:11,589 --> 01:08:10,160

clones that go to other shows that's why

1867

01:08:13,349 --> 01:08:11,599

i can watch all of them and be

1868

01:08:15,029 --> 01:08:13,359

everywhere all at once that's that's

1869

01:08:17,030 --> 01:08:15,039

what i figured all right how about you

1870

01:08:20,630 --> 01:08:17,040

um jess do you have trouble getting

1871

01:08:21,829 --> 01:08:20,640

pickles from jars this is a dj question

1872

01:08:23,030 --> 01:08:21,839

you do

1873

01:08:25,590 --> 01:08:23,040

dj

1874

01:08:27,030 --> 01:08:25,600

she may be one of them that's right it's

1875

01:08:29,349 --> 01:08:27,040

the alien test

1876

01:08:32,390 --> 01:08:29,359

yeah enzo how about you how are you with

1877

01:08:37,510 --> 01:08:34,630

when they get when your your quantity of

1878

01:08:39,349 --> 01:08:37,520

pickles gets below the pickle juice line

1879

01:08:40,950 --> 01:08:39,359

just pour out some of the juice and you

1880

01:08:43,110 --> 01:08:40,960

can get through that much you have a

1881

01:08:45,910 --> 01:08:43,120

method

1882

01:08:48,550 --> 01:08:45,920

i use tools i use a fork personally

1883

01:08:50,709 --> 01:08:48,560

but you know i'm a fork guy yeah oh okay

1884

01:08:52,390 --> 01:08:50,719

that's that's really okay jess did you

1885

01:08:54,630 --> 01:08:52,400

cry during close encounters of the third

1886

01:08:56,789 --> 01:08:54,640

kind

1887

01:08:59,669 --> 01:08:56,799

you know i you know i watched that movie

1888

01:09:01,590 --> 01:08:59,679

oh yes or no question i know no

1889

01:09:03,269 --> 01:09:01,600

oh i mean if you want to if you have a

1890

01:09:05,349 --> 01:09:03,279

tangent coming please please talk that's

1891

01:09:06,789 --> 01:09:05,359

the point of

1892

01:09:08,070 --> 01:09:06,799

if i can this you to say something

1893

01:09:09,990 --> 01:09:08,080

that's cool

1894

01:09:11,669 --> 01:09:10,000

i watched the movie on weird hollywood

1895

01:09:13,829 --> 01:09:11,679

with ufo gene probably like a month or

1896

01:09:15,590 --> 01:09:13,839

two ago sorry to watch

1897

01:09:17,590 --> 01:09:15,600

it's a great show by the way

1898

01:09:19,510 --> 01:09:17,600

oh thank you very much but i was

1899

01:09:22,309 --> 01:09:19,520

watching it i was like so this is the

1900

01:09:25,349 --> 01:09:22,319

story of a man that becomes obsessed

1901

01:09:28,789 --> 01:09:25,359

with ufos that he leaves his family to

1902

01:09:30,309 --> 01:09:28,799

go on a spaceship shake off and so i

1903

01:09:32,950 --> 01:09:30,319

kind of broke it down and i couldn't

1904

01:09:34,789 --> 01:09:32,960

stop laughing when i thought about that

1905

01:09:36,789 --> 01:09:34,799

yeah he just didn't have the guts to get

1906

01:09:39,110 --> 01:09:36,799

the divorce you know he just said

1907

01:09:41,349 --> 01:09:39,120

blame the aliens that other lady who had

1908

01:09:42,470 --> 01:09:41,359

her son abducted

1909

01:09:43,990 --> 01:09:42,480

that's right

1910

01:09:45,829 --> 01:09:44,000

it's funny i watched i would just watch

1911

01:09:47,510 --> 01:09:45,839

that recently my wife had never seen it

1912

01:09:49,749 --> 01:09:47,520

i was like you've got to watch this so

1913

01:09:51,269 --> 01:09:49,759

we watched it and uh in part because

1914

01:09:53,749 --> 01:09:51,279

some of the folks we've talked to on the

1915

01:09:55,350 --> 01:09:53,759

show have been like there's more to that

1916

01:09:56,630 --> 01:09:55,360

movie than

1917

01:09:59,750 --> 01:09:56,640

you know like spielberg was really

1918

01:10:01,830 --> 01:09:59,760

plugged in basically yes um elizondo has

1919

01:10:03,350 --> 01:10:01,840

said this and richard doty said this to

1920

01:10:04,149 --> 01:10:03,360

us as well

1921

01:10:05,990 --> 01:10:04,159

uh

1922

01:10:07,350 --> 01:10:06,000

and when i watched it it was like it was

1923

01:10:09,430 --> 01:10:07,360

crazy guys i mean you've seen it

1924

01:10:11,430 --> 01:10:09,440

recently just so you know but like

1925

01:10:13,110 --> 01:10:11,440

so much that's in that movie is stuff

1926

01:10:13,990 --> 01:10:13,120

that we're talking about you know like

1927

01:10:29,590 --> 01:10:14,000

the

1928

01:10:31,590 --> 01:10:29,600

i had never picked up on before like

1929

01:10:33,030 --> 01:10:31,600

there's one scene where

1930

01:10:34,550 --> 01:10:33,040

they're going to like a secure facility

1931

01:10:36,550 --> 01:10:34,560

guy puts his hand on this plate and it's

1932

01:10:37,430 --> 01:10:36,560

like the bob lazar scanner thing oh

1933

01:10:39,110 --> 01:10:37,440

right

1934

01:10:41,189 --> 01:10:39,120

i thought about that too i was like i

1935

01:10:42,870 --> 01:10:41,199

didn't think about that before watching

1936

01:10:46,310 --> 01:10:42,880

it but now when i watch i saw the hand

1937

01:10:48,630 --> 01:10:46,320

scanner yes yeah exactly uh and then

1938

01:10:49,669 --> 01:10:48,640

like dodie said something he said this

1939

01:10:52,229 --> 01:10:49,679

before

1940

01:10:53,750 --> 01:10:52,239

and i know he's a divisive figure but

1941

01:10:56,070 --> 01:10:53,760

you know he

1942

01:10:58,070 --> 01:10:56,080

he talked about you know how the the

1943

01:10:59,750 --> 01:10:58,080

truth quote unquote you know would

1944

01:11:01,030 --> 01:10:59,760

really be transformative of the world

1945

01:11:03,350 --> 01:11:01,040

because like what happened what would

1946

01:11:05,990 --> 01:11:03,360

happen if uh hypothetically like this

1947

01:11:07,430 --> 01:11:06,000

hypothetically you know jesus was some

1948

01:11:09,350 --> 01:11:07,440

sort of uh

1949

01:11:10,630 --> 01:11:09,360

you know kind of extraterrestrial he

1950

01:11:13,590 --> 01:11:10,640

uses that figure he's like i'm not

1951

01:11:16,390 --> 01:11:13,600

saying it was jesus you know just if

1952

01:11:18,070 --> 01:11:16,400

jesus were connected so as i'm watching

1953

01:11:21,110 --> 01:11:18,080

this movie we had just done that

1954

01:11:22,709 --> 01:11:21,120

interview and there's a scene where

1955

01:11:24,709 --> 01:11:22,719

they're in roy's house he's the guy that

1956

01:11:25,910 --> 01:11:24,719

leaves his family and the kids are going

1957

01:11:28,149 --> 01:11:25,920

crazy they're like jumping in the

1958

01:11:30,229 --> 01:11:28,159

playpen and like it just seems like

1959

01:11:32,070 --> 01:11:30,239

totally chaotic and the movie that

1960

01:11:33,590 --> 01:11:32,080

they're trying to watch is the ten

1961

01:11:35,110 --> 01:11:33,600

commandments they're they're trying to

1962

01:11:37,430 --> 01:11:35,120

watch the ten commandments which is a

1963

01:11:40,630 --> 01:11:37,440

long long movie

1964

01:11:42,790 --> 01:11:40,640

but i thought that was a weird like like

1965

01:11:43,750 --> 01:11:42,800

nugget to put in the film like why that

1966

01:11:45,350 --> 01:11:43,760

movie

1967

01:11:47,350 --> 01:11:45,360

it just seemed really strange i was like

1968

01:11:49,590 --> 01:11:47,360

what if interesting

1969

01:11:51,110 --> 01:11:49,600

moses what if moses was the e.t you know

1970

01:11:53,430 --> 01:11:51,120

the whole like

1971

01:11:54,790 --> 01:11:53,440

sea parting and then the pillar of fire

1972

01:11:56,390 --> 01:11:54,800

and the food that kind of kept the

1973

01:11:57,830 --> 01:11:56,400

israelites alive in the in the

1974

01:11:59,350 --> 01:11:57,840

wilderness you know all this kind of

1975

01:12:01,030 --> 01:11:59,360

stuff

1976

01:12:03,350 --> 01:12:01,040

the commandments that themselves hit the

1977

01:12:05,669 --> 01:12:03,360

first half the tablets the on top of the

1978

01:12:07,189 --> 01:12:05,679

mountain where the burning bush there's

1979

01:12:08,790 --> 01:12:07,199

a lot of things in the mooses story that

1980

01:12:10,870 --> 01:12:08,800

are pretty whack

1981

01:12:12,790 --> 01:12:10,880

anyway i i took this on the tangent kev

1982

01:12:14,950 --> 01:12:12,800

so you you bring constants are what this

1983

01:12:16,310 --> 01:12:14,960

is show is all about man that was

1984

01:12:17,990 --> 01:12:16,320

fantastic

1985

01:12:19,590 --> 01:12:18,000

that's what all of these shows are about

1986

01:12:21,430 --> 01:12:19,600

that's that's how you

1987

01:12:23,510 --> 01:12:21,440

you learn really because it's i don't

1988

01:12:25,350 --> 01:12:23,520

know where that conversation is going

1989

01:12:26,950 --> 01:12:25,360

right so if i can prompt a conversation

1990

01:12:29,750 --> 01:12:26,960

with any of these random random

1991

01:12:30,950 --> 01:12:29,760

questions absolutely guys please please

1992

01:12:32,709 --> 01:12:30,960

talk

1993

01:12:34,709 --> 01:12:32,719

all right

1994

01:12:36,709 --> 01:12:34,719

so enzo did you have any more about the

1995

01:12:39,830 --> 01:12:36,719

close encounters did you cry

1996

01:12:43,830 --> 01:12:39,840

i did not cry all right so you guys get

1997

01:12:49,350 --> 01:12:44,630

no

1998

01:12:51,030 --> 01:12:49,360

yes so so okay what about if you hear a

1999

01:12:52,950 --> 01:12:51,040

knock at the window and then you answer

2000

01:12:56,390 --> 01:12:52,960

and you think it's the wind but then you

2001

01:12:58,229 --> 01:12:56,400

see me going just kidding

2002

01:12:59,750 --> 01:12:58,239

um but no

2003

01:13:01,110 --> 01:12:59,760

convince myself that there's like

2004

01:13:02,950 --> 01:13:01,120

something in the kitchen or something

2005

01:13:04,550 --> 01:13:02,960

i'm like can't go out in the kitchen

2006

01:13:05,669 --> 01:13:04,560

nope not going out in the kitchen till

2007

01:13:07,350 --> 01:13:05,679

tomorrow

2008

01:13:09,270 --> 01:13:07,360

i do that yeah it's like two in the

2009

01:13:10,630 --> 01:13:09,280

morning you're like oh okay no i'm not

2010

01:13:13,189 --> 01:13:10,640

that thirsty

2011

01:13:14,870 --> 01:13:13,199

what is that fear what's that about

2012

01:13:16,630 --> 01:13:14,880

it's like somehow like dark in the

2013

01:13:19,189 --> 01:13:16,640

kitchen it's like there's there's

2014

01:13:21,350 --> 01:13:19,199

something there right

2015

01:13:23,030 --> 01:13:21,360

right so i'm gonna have lights in your

2016

01:13:24,470 --> 01:13:23,040

house why is why are you stuck when

2017

01:13:25,750 --> 01:13:24,480

you're out of the dark

2018

01:13:27,270 --> 01:13:25,760

i'm just blind

2019

01:13:29,110 --> 01:13:27,280

no but think about it right you're

2020

01:13:30,870 --> 01:13:29,120

holding your phone light and you

2021

01:13:32,950 --> 01:13:30,880

illumina do you want to illuminate

2022

01:13:34,790 --> 01:13:32,960

something that's in the dark before you

2023

01:13:36,630 --> 01:13:34,800

get to the light switch or you go to the

2024

01:13:39,350 --> 01:13:36,640

light switch

2025

01:13:40,709 --> 01:13:39,360

so that the monster pops out

2026

01:13:41,830 --> 01:13:40,719

maybe the ghosts are being considerate

2027

01:13:43,350 --> 01:13:41,840

they're not turning on the lights

2028

01:13:44,830 --> 01:13:43,360

they're just trying to you know do their

2029

01:13:47,510 --> 01:13:44,840

thing

2030

01:13:49,750 --> 01:13:47,520

mm-hmm right yeah

2031

01:13:51,350 --> 01:13:49,760

very nice of them

2032

01:13:56,390 --> 01:13:51,360

very considerate

2033

01:13:58,390 --> 01:13:56,400

okay so um i'll jump ahead we might be

2034

01:14:00,149 --> 01:13:58,400

are we running out of time no you got it

2035

01:14:02,390 --> 01:14:00,159

man i think we're good we're good got a

2036

01:14:03,830 --> 01:14:02,400

few more minutes okay okay well for good

2037

01:14:06,709 --> 01:14:03,840

then um

2038

01:14:08,870 --> 01:14:06,719

jess and enzo and explain scars

2039

01:14:11,750 --> 01:14:08,880

yes

2040

01:14:13,030 --> 01:14:11,760

i'm like do i have one i don't know

2041

01:14:14,390 --> 01:14:13,040

i don't know

2042

01:14:19,110 --> 01:14:14,400

maybe i do

2043

01:14:25,189 --> 01:14:22,229

enzo were you experimented on by aliens

2044

01:14:27,350 --> 01:14:25,199

i mean do you have any unexplained scars

2045

01:14:29,590 --> 01:14:27,360

i do not have unexplained

2046

01:14:31,270 --> 01:14:29,600

all of my scars have explanations

2047

01:14:32,870 --> 01:14:31,280

all right jess you might you might have

2048

01:14:33,669 --> 01:14:32,880

been

2049

01:14:35,270 --> 01:14:33,679

yeah

2050

01:14:36,790 --> 01:14:35,280

you might want to look on your body

2051

01:14:38,870 --> 01:14:36,800

that's my feel like i don't know that

2052

01:14:40,229 --> 01:14:38,880

i've been abducted like several times

2053

01:14:42,550 --> 01:14:40,239

and then like one day it's all gonna

2054

01:14:44,950 --> 01:14:42,560

come like like crashing back into my

2055

01:14:47,510 --> 01:14:44,960

memory and i'm like no

2056

01:14:50,950 --> 01:14:47,520

if it does please please tell us first 1

2057

01:14:56,310 --> 01:14:52,310

50 really

2058

01:14:58,070 --> 01:14:56,320

yes they did a poll and also uh preston

2059

01:15:00,229 --> 01:14:58,080

dennett also came up with the number

2060

01:15:01,669 --> 01:15:00,239

similar i think it was like one in 40 to

2061

01:15:04,229 --> 01:15:01,679

one in 50.

2062

01:15:06,550 --> 01:15:04,239

true i i don't know but i believe deb

2063

01:15:08,870 --> 01:15:06,560

she's our fax person

2064

01:15:11,669 --> 01:15:08,880

i always believe that yes yep

2065

01:15:13,830 --> 01:15:11,679

that's crazy though 1 in 50. so maybe

2066

01:15:16,149 --> 01:15:13,840

it's you kevin i might i will say just

2067

01:15:17,750 --> 01:15:16,159

from a statistical standpoint it wasn't

2068

01:15:20,149 --> 01:15:17,760

a big enough sample size for me to be

2069

01:15:22,830 --> 01:15:20,159

happy with that just had to throw that

2070

01:15:27,669 --> 01:15:26,070

yeah okay yeah yeah

2071

01:15:29,430 --> 01:15:27,679

all right well how about you uh jess

2072

01:15:32,149 --> 01:15:29,440

would you get into a tic tac full of

2073

01:15:34,470 --> 01:15:32,159

grays that you just met at a party

2074

01:15:36,470 --> 01:15:34,480

no i mean are they

2075

01:15:38,709 --> 01:15:36,480

what kind of like are they the cute

2076

01:15:40,950 --> 01:15:38,719

cuter looking grays are the more like

2077

01:15:43,590 --> 01:15:40,960

kind of scary like

2078

01:15:45,830 --> 01:15:43,600

dead-eyed gray enzo i'm just kidding

2079

01:15:47,910 --> 01:15:45,840

that was me

2080

01:15:49,750 --> 01:15:47,920

if they were all skinny bob would you be

2081

01:15:51,430 --> 01:15:49,760

like gosh um i guess you'd have a mix of

2082

01:15:53,030 --> 01:15:51,440

cute and scary just like people you know

2083

01:15:55,030 --> 01:15:53,040

in real life you know what kind of party

2084

01:15:57,910 --> 01:15:55,040

was it too that's the question where are

2085

01:15:59,270 --> 01:15:57,920

they at the party have they been they

2086

01:16:01,590 --> 01:15:59,280

well of course you know that's why they

2087

01:16:02,390 --> 01:16:01,600

have all these crashes so it may not be

2088

01:16:03,669 --> 01:16:02,400

right

2089

01:16:04,790 --> 01:16:03,679

to drive it's

2090

01:16:07,350 --> 01:16:04,800

that question

2091

01:16:08,870 --> 01:16:07,360

if benji said it's paul so if it's like

2092

01:16:11,350 --> 01:16:08,880

paul the alien

2093

01:16:12,470 --> 01:16:11,360

yes i would go all right okay

2094

01:16:13,830 --> 01:16:12,480

cool

2095

01:16:15,750 --> 01:16:13,840

all right so both of you are down with

2096

01:16:18,709 --> 01:16:15,760

paul all right

2097

01:16:20,470 --> 01:16:18,719

cool so uh star wars oh here you go do

2098

01:16:22,070 --> 01:16:20,480

you like star wars better than star trek

2099

01:16:23,430 --> 01:16:22,080

jess

2100

01:16:26,070 --> 01:16:23,440

yes 100

2101

01:16:28,229 --> 01:16:26,080

i do not like star trek i have tried to

2102

01:16:30,790 --> 01:16:28,239

watch it people are telling me jess you

2103

01:16:33,510 --> 01:16:30,800

gotta watch it but i am

2104

01:16:34,950 --> 01:16:33,520

i grew up on star wars i'm very star

2105

01:16:35,750 --> 01:16:34,960

wars centric

2106

01:16:37,990 --> 01:16:35,760

um

2107

01:16:40,790 --> 01:16:38,000

i just never connected with star trek

2108

01:16:42,630 --> 01:16:40,800

maybe i will now but i don't know

2109

01:16:44,790 --> 01:16:42,640

just give it a chance it's fun it's good

2110

01:16:48,149 --> 01:16:44,800

fun there's a star trek for everybody

2111

01:16:50,550 --> 01:16:48,159

there's like five that's true yeah

2112

01:16:53,830 --> 01:16:50,560

definitely enzo how about you

2113

01:16:56,550 --> 01:16:53,840

i would say i'm probably well current

2114

01:16:57,510 --> 01:16:56,560

year they both kind of stink but uh it's

2115

01:16:59,669 --> 01:16:57,520

true

2116

01:17:01,990 --> 01:16:59,679

i would have to say uh i would probably

2117

01:17:03,110 --> 01:17:02,000

be more of a star trek fan than a star

2118

01:17:05,669 --> 01:17:03,120

wars track

2119

01:17:07,110 --> 01:17:05,679

all right nice cool

2120

01:17:09,189 --> 01:17:07,120

all right i had to pin for it for a

2121

01:17:10,470 --> 01:17:09,199

trekkie anyway i i always wanted to be

2122

01:17:11,590 --> 01:17:10,480

scotty

2123

01:17:13,510 --> 01:17:11,600

yeah

2124

01:17:14,470 --> 01:17:13,520

engineer all right

2125

01:17:17,830 --> 01:17:14,480

cool

2126

01:17:18,870 --> 01:17:17,840

i always wanted to be kirk you know

2127

01:17:20,070 --> 01:17:18,880

yeah

2128

01:17:23,430 --> 01:17:20,080

he's great

2129

01:17:30,470 --> 01:17:24,950

i can't believe he just turned 90. that

2130

01:17:35,669 --> 01:17:33,510

i saw him at aliencon a couple years ago

2131

01:17:37,510 --> 01:17:35,679

i didn't get close to him but he was

2132

01:17:38,630 --> 01:17:37,520

there promoting the show for history

2133

01:17:39,669 --> 01:17:38,640

channel

2134

01:17:41,990 --> 01:17:39,679

but yeah

2135

01:17:44,470 --> 01:17:42,000

but i did not like saw him on a stage

2136

01:17:45,910 --> 01:17:44,480

like he was like that big you know so

2137

01:17:48,229 --> 01:17:45,920

you haven't seen him but

2138

01:17:51,030 --> 01:17:48,239

have you seen galaxy quest

2139

01:17:52,470 --> 01:17:51,040

i love galaxy questions

2140

01:17:53,990 --> 01:17:52,480

i was going to say i think i want to be

2141

01:17:55,750 --> 01:17:54,000

a sigourney weaver

2142

01:17:57,990 --> 01:17:55,760

but then i also want to be so corny

2143

01:17:59,990 --> 01:17:58,000

weaver and aliens

2144

01:18:03,350 --> 01:18:00,000

but i feel like that's that's like could

2145

01:18:06,630 --> 01:18:03,360

be like your uh breakthrough into star

2146

01:18:08,870 --> 01:18:06,640

trek watch it first then get inspired

2147

01:18:10,709 --> 01:18:08,880

i love galaxy quest it's one of those

2148

01:18:12,709 --> 01:18:10,719

movies that i like

2149

01:18:14,390 --> 01:18:12,719

keep watching it's like gotta re-watch

2150

01:18:17,189 --> 01:18:14,400

value and i really appreciate it so i

2151

01:18:19,110 --> 01:18:17,199

watch it all the time

2152

01:18:21,510 --> 01:18:19,120

i feel like yeah that's that that was

2153

01:18:22,390 --> 01:18:21,520

that's a good idea dad yeah thank you

2154

01:18:23,990 --> 01:18:22,400

thank you

2155

01:18:26,470 --> 01:18:24,000

halfway point and it's even got the

2156

01:18:27,830 --> 01:18:26,480

humor in it too so yeah

2157

01:18:30,149 --> 01:18:27,840

i love that

2158

01:18:31,669 --> 01:18:30,159

yeah it's great

2159

01:18:34,709 --> 01:18:31,679

all right um

2160

01:18:37,510 --> 01:18:34,719

yeah that's about all i got so

2161

01:18:39,669 --> 01:18:37,520

well that was fantastic yes thank you i

2162

01:18:43,189 --> 01:18:39,679

mean well thank you i didn't just agree

2163

01:18:46,790 --> 01:18:44,790

love it love it well all right we're

2164

01:18:48,149 --> 01:18:46,800

wrapping up the show so i want you guys

2165

01:18:49,910 --> 01:18:48,159

to uh to tell the audience and our

2166

01:18:53,189 --> 01:18:49,920

listeners you know where can they find

2167

01:18:55,189 --> 01:18:53,199

your work uh and uh

2168

01:18:57,510 --> 01:18:55,199

who to avoid no i'm just kidding where

2169

01:18:59,270 --> 01:18:57,520

can they find what you're doing

2170

01:19:01,590 --> 01:18:59,280

and any advice you would give to folks

2171

01:19:03,110 --> 01:19:01,600

that are getting into this topic and

2172

01:19:05,270 --> 01:19:03,120

uh you know for the first time what

2173

01:19:08,709 --> 01:19:05,280

would you would you offer there

2174

01:19:12,149 --> 01:19:08,719

i guess for advice um

2175

01:19:14,470 --> 01:19:12,159

i would never put anybody on a pedestal

2176

01:19:17,910 --> 01:19:14,480

when you're looking at researching

2177

01:19:19,510 --> 01:19:17,920

things um different things like uh

2178

01:19:21,030 --> 01:19:19,520

you know different topics you know

2179

01:19:23,430 --> 01:19:21,040

always look at every

2180

01:19:26,470 --> 01:19:23,440

try to expand at everything you look at

2181

01:19:28,790 --> 01:19:26,480

um don't take anybody's word for gospel

2182

01:19:31,110 --> 01:19:28,800

you know and use use your critical

2183

01:19:33,270 --> 01:19:31,120

thinking skills you know um

2184

01:19:35,510 --> 01:19:33,280

it's a lot of fun too and i think a lot

2185

01:19:37,669 --> 01:19:35,520

of the times people forget that this is

2186

01:19:39,990 --> 01:19:37,679

supposed to be fun too guys we're

2187

01:19:41,350 --> 01:19:40,000

supposed to be having fun with this

2188

01:19:43,189 --> 01:19:41,360

and um

2189

01:19:45,350 --> 01:19:43,199

i would say have fun

2190

01:19:47,510 --> 01:19:45,360

research you know learn what you want to

2191

01:19:48,950 --> 01:19:47,520

do learn what you want to talk about and

2192

01:19:51,350 --> 01:19:48,960

follow that because there's so many

2193

01:19:53,189 --> 01:19:51,360

areas within this phenomenon

2194

01:19:56,070 --> 01:19:53,199

that you can talk about

2195

01:19:57,910 --> 01:19:56,080

uh so i'll say that and um i want to

2196

01:20:00,229 --> 01:19:57,920

thank you so much for having me on

2197

um yeah and that's about it oh just

2210

01:20:34,070 --> 01:20:32,239

great time love the questions uh awesome

2211

01:20:37,110 --> 01:20:34,080

time i had a lot of fun

2212

01:20:41,430 --> 01:20:39,350

2213

01:20:43,510 --> 01:20:41,440

coming it was it was nice and relaxed

2214

01:20:45,270 --> 01:20:43,520

and i already know you guys so

2215

01:20:48,790 --> 01:20:45,280

yeah no pressure

2216

01:20:49,910 --> 01:20:48,800

it was fun yeah i had a lot of fun

2217

01:20:50,870 --> 01:20:49,920

it's always fun hanging out with you

2218

01:20:52,149 --> 01:20:50,880

guys

2219

01:20:54,229 --> 01:20:52,159

yay

2220

01:20:55,830 --> 01:20:54,239

all right so uh so what what advice

2221

01:20:57,990 --> 01:20:55,840

would you have you you've got a lot of

2222

01:20:58,790 --> 01:20:58,000

uh wisdom i feel like to offer here yes

2223

01:21:02,310 --> 01:20:58,800

well

2224

01:21:04,070 --> 01:21:02,320

for me when i because i haven't been

2225

01:21:07,830 --> 01:21:04,080

in the youtube

2226

01:21:09,189 --> 01:21:07,840

ufo youtube circles uh all that long i

2227

01:21:12,149 --> 01:21:09,199

guess it was

2228

01:21:15,669 --> 01:21:12,159

last september october i started kind of

2229

01:21:16,870 --> 01:21:15,679

snooping around and i first found ucr

2230

01:21:19,030 --> 01:21:16,880

for me which

2231

01:21:21,310 --> 01:21:19,040

coming from a nuts and bolts side

2232

01:21:23,990 --> 01:21:21,320

they're fairly

2233

01:21:25,510 --> 01:21:24,000

evidence-based uh in in

2234

01:21:27,110 --> 01:21:25,520

some of their topics and stuff like that

2235

01:21:28,390 --> 01:21:27,120

i felt like that was a good entry point

2236

01:21:31,030 --> 01:21:28,400

for me

2237

01:21:33,510 --> 01:21:31,040

and every time that they would have

2238

01:21:35,189 --> 01:21:33,520

uh someone else another youtuber on

2239

01:21:37,030 --> 01:21:35,199

their show i would go and check out

2240

01:21:40,310 --> 01:21:37,040

their content that's actually how i

2241

01:21:41,270 --> 01:21:40,320

found jess yes

2242

01:21:47,590 --> 01:21:41,280

and

2243

01:21:49,510 --> 01:21:47,600

her

2244

01:21:51,750 --> 01:21:49,520

uh because of the timing she had like an

2245

01:21:54,870 --> 01:21:51,760

uh halloween party

2246

01:21:57,270 --> 01:21:54,880

and invited a ton of other youtuber

2247

01:21:59,590 --> 01:21:57,280

friends on there and i was just

2248

01:22:00,550 --> 01:21:59,600

hit subscribe subscribe follow subscribe

2249

01:22:01,910 --> 01:22:00,560

subscribe

2250

01:22:04,470 --> 01:22:01,920

and uh

2251

01:22:07,189 --> 01:22:04,480

that's kind of how it all spider webbed

2252

01:22:08,629 --> 01:22:07,199

out for me so you there's plenty of

2253

01:22:10,390 --> 01:22:08,639

content out there and plenty of

2254

01:22:12,790 --> 01:22:10,400

different takes

2255

01:22:15,030 --> 01:22:12,800

on different topics and

2256

01:22:17,430 --> 01:22:15,040

there's more than enough room for for

2257

01:22:21,189 --> 01:22:17,440

everybody for for this topic and

2258

01:22:23,910 --> 01:22:21,199

platform for everybody's specific take

2259

01:22:25,750 --> 01:22:23,920

uh none of the ch you know compared to

2260

01:22:27,430 --> 01:22:25,760

you know other channels about you know

2261

01:22:28,149 --> 01:22:27,440

movies or tv or sports or anything like

2262

01:22:30,790 --> 01:22:28,159

that

2263

01:22:34,629 --> 01:22:30,800

none of them are gigantic channels

2264

01:22:36,470 --> 01:22:34,639

uh but to be honest those smaller

2265

01:22:38,470 --> 01:22:36,480

platforms i feel are a lot better

2266

01:22:41,030 --> 01:22:38,480

especially because a lot of them

2267

01:22:43,750 --> 01:22:41,040

interact directly with the chat so

2268

01:22:45,270 --> 01:22:43,760

your question may actually get answered

2269

01:22:47,510 --> 01:22:45,280

if you ask something from the chat

2270

01:22:49,830 --> 01:22:47,520

versus those larger channels where are

2271

01:22:51,430 --> 01:22:49,840

more popular but you only get that

2272

01:22:53,510 --> 01:22:51,440

answer if you

2273

01:22:55,590 --> 01:22:53,520

do a super chat or something like that

2274

01:22:58,070 --> 01:22:55,600

so i love that it's usually how it ends

2275

01:23:00,149 --> 01:22:58,080

up being but uh

2276

01:23:01,830 --> 01:23:00,159

if anyone wants to follow me i'm on

2277

01:23:04,550 --> 01:23:01,840

twitter and instagram

2278

01:23:06,149 --> 01:23:04,560

full disclosure i don't understand

2279

01:23:08,470 --> 01:23:06,159

instagram

2280

01:23:11,830 --> 01:23:08,480

i'm figuring it out finally like that i

2281

01:23:14,070 --> 01:23:11,840

don't get it but yeah i i mostly post uh

2282

01:23:16,669 --> 01:23:14,080

space related stories things like that

2283

01:23:19,830 --> 01:23:16,679

on twitter when i do

2284

01:23:22,550 --> 01:23:19,840

a lot of solar activity lately which has

2285

01:23:24,470 --> 01:23:22,560

been a ton of different aurora photos

2286

01:23:27,270 --> 01:23:24,480

that i i threw out a bunch this morning

2287

01:23:30,229 --> 01:23:27,280

so cool a lot of fun

2288

01:23:33,430 --> 01:23:30,239

i find i find instagram awkward because

2289

01:23:35,690 --> 01:23:33,440

doing selfies right now it's like which

2290

01:23:37,990 --> 01:23:35,700

angle of my avatar

2291

01:23:42,390 --> 01:23:38,000

[Laughter]

2292

01:23:45,030 --> 01:23:43,750

well speaking of the community i just

2293

01:23:47,189 --> 01:23:45,040
