Calling All Beings

1
00:00:33,590 --> 00:00:09,700
calling all beings y'all

2
00:00:33,600 --> 00:00:36,150
yeah

3
00:00:41,350 --> 00:00:38,869
welcome back to calling all beings baby

4
00:00:44,389 --> 00:00:41,360
i'm your host dj so happy to be back it

5
00:00:46,630 --> 00:00:44,399
seems like it's been forever but i am

6
00:00:49,190 --> 00:00:46,640
back and i'm back with my cabbie crew

7
00:00:51,590 --> 00:00:49,200
here let me let me get to him first man

8
00:00:53,830 --> 00:00:51,600
let's not waste any time getting to my

9
00:00:57,029 --> 00:00:53,840
co-host my co-collaborator

10
00:01:01,189 --> 00:00:57,039
co-conspirator the man who is the king

11
00:01:03,910 --> 00:01:01,199
of on-ramps off-ramps unpacking and

12
00:01:06,469 --> 00:01:03,920
ontology money nathan what's going on

13
00:01:09,350 --> 00:01:06,479

baby let yeah let's get onto logical to

14

00:01:10,310 --> 00:01:09,360

start that show off right now

15

00:01:12,149 --> 00:01:10,320

yes

16

00:01:13,910 --> 00:01:12,159

uh good we're gonna have a good time

17

00:01:16,550 --> 00:01:13,920

tonight man it's good to see you guys

18

00:01:17,990 --> 00:01:16,560

i'm yeah i'm telling you baby look down

19

00:01:20,070 --> 00:01:18,000

because he's right below you nathan

20

00:01:27,990 --> 00:01:20,080

there he is right there yes

21

00:01:32,230 --> 00:01:30,069

he's holding the pillars up like like

22

00:01:34,149 --> 00:01:32,240

samson hopefully we nobody will cut his

23

00:01:37,510 --> 00:01:34,159

hair in in mid show because something

24

00:01:40,870 --> 00:01:37,520

bad can really happen hi kevin hi

25

00:01:42,230 --> 00:01:40,880

my adam's apple jiggles

26

00:01:45,510 --> 00:01:42,240

i see it

27

00:01:47,350 --> 00:01:45,520

it says hello everyone

28

00:01:50,710 --> 00:01:47,360

we're getting into some what's that

29

00:01:52,870 --> 00:01:50,720

movie with arnold i can't remember

30

00:01:55,030 --> 00:01:52,880

where conan maybe or i don't know no the

31

00:01:57,670 --> 00:01:55,040

one with sharon stone is his wife i

32

00:01:59,270 --> 00:01:57,680

can't remember now oh

33

00:02:01,830 --> 00:01:59,280

no no no no

34

00:02:03,830 --> 00:02:01,840

no it's not the joplin one the one with

35

00:02:06,389 --> 00:02:03,840

he has the the mask yeah it comes off

36

00:02:06,399 --> 00:02:16,190

oh yeah

37

00:02:20,150 --> 00:02:18,550

[Laughter]

38

00:02:22,869 --> 00:02:20,160

and kev if you can just look to your

39

00:02:25,910 --> 00:02:22,879

left at our friend right there she is uh

40

00:02:29,030 --> 00:02:25,920

the therapist uh she's a therapist not

41

00:02:31,750 --> 00:02:29,040

only for uh kids and adults but for ufo

42

00:02:35,509 --> 00:02:31,760

twitter so uh party people put yo hands

43

00:02:37,750 --> 00:02:35,519

together for the host of deb's data dojo

44

00:02:41,190 --> 00:02:37,760

at a study of uap's deb how are you my

45

00:02:42,309 --> 00:02:41,200

dear i'm doing great hello everybody hey

46

00:02:44,229 --> 00:02:42,319

deb

47

00:02:46,390 --> 00:02:44,239

great job last night but now let's let's

48

00:02:47,430 --> 00:02:46,400

get to the man of honor

49

00:02:49,110 --> 00:02:47,440

all right

50

00:02:51,270 --> 00:02:49,120

i'll tell you what man i'm very i'm very

51
00:02:53,350 --> 00:02:51,280
excited to talk to this guy uh he has a

52
00:02:56,550 --> 00:02:53,360
really cool background he's gonna tell

53
00:02:58,949 --> 00:02:56,560
us what his his occupation was he was on

54
00:03:01,750 --> 00:02:58,959
the bad side of cyber now he's on the

55
00:03:05,190 --> 00:03:01,760
good side of cyber he's a badass he's in

56
00:03:07,750 --> 00:03:05,200
the masonic order so everybody all right

57
00:03:10,710 --> 00:03:07,760
get ready for this man because tonight

58
00:03:13,350 --> 00:03:10,720
you facing the mason so put your hands

59
00:03:15,090 --> 00:03:13,360
together for john

60
00:03:18,869 --> 00:03:15,100
majorowski

61
00:03:22,070 --> 00:03:20,869
together wipe that chicken grease off

62
00:03:23,750 --> 00:03:22,080
your hands

63
00:03:25,670 --> 00:03:23,760

what's going on man

64

00:03:27,990 --> 00:03:25,680

wow it feels like i'm either

65

00:03:29,589 --> 00:03:28,000

back in the club or uh getting ready to

66

00:03:31,270 --> 00:03:29,599

wrestle and i can't figure out which one

67

00:03:33,190 --> 00:03:31,280

but i'm excited both of those vibes are

68

00:03:34,550 --> 00:03:33,200

good yeah yeah i dig it yeah hey

69

00:03:36,710 --> 00:03:34,560

wrestling at the club

70

00:03:37,990 --> 00:03:36,720

wrestling i tell you what man

71

00:03:40,550 --> 00:03:38,000

cool voice

72

00:03:42,630 --> 00:03:40,560

cool vibe cool hair

73

00:03:44,550 --> 00:03:42,640

like we said earlier you probably smell

74

00:03:46,949 --> 00:03:44,560

good what do you got to say for yourself

75

00:03:48,390 --> 00:03:46,959

majerowski what's up huh well thanks for

76

00:03:49,270 --> 00:03:48,400

inviting me i got the red jacket out

77

00:03:50,470 --> 00:03:49,280

tonight i figured it was going to be a

78

00:03:51,589 --> 00:03:50,480

special night and i brought it up the

79

00:03:53,270 --> 00:03:51,599

whole entire bottle because i figured

80

00:03:54,869 --> 00:03:53,280

it'd be that kind of night

81

00:03:57,110 --> 00:03:54,879

well it started out as a bottle we got

82

00:03:58,309 --> 00:03:57,120

it that far

83

00:04:01,030 --> 00:03:58,319

hello

84

00:04:02,630 --> 00:04:01,040

the total package yeah

85

00:04:04,470 --> 00:04:02,640

i like to i'd like to be remembered as

86

00:04:06,550 --> 00:04:04,480

the dean martin of ufology so that's

87

00:04:08,550 --> 00:04:06,560

that's how i want to go oh man i love it

88

00:04:10,869 --> 00:04:08,560

i'm trying to remember the song that he

89

00:04:12,229 --> 00:04:10,879

that he did oh there's so many good ones

90

00:04:13,190 --> 00:04:12,239

don't yeah they're all amazing every

91

00:04:14,710 --> 00:04:13,200

single one

92

00:04:16,870 --> 00:04:14,720

it's the best

93

00:04:18,390 --> 00:04:16,880

dean martin is cool man part of the rat

94

00:04:20,710 --> 00:04:18,400

the the rat pack

95

00:04:22,310 --> 00:04:20,720

uh with sammy davis jr i'm trying to

96

00:04:23,909 --> 00:04:22,320

remember there was a british guy as well

97

00:04:25,990 --> 00:04:23,919

that i can't think of his name and

98

00:04:27,270 --> 00:04:26,000

obviously sinatra so

99

00:04:29,830 --> 00:04:27,280

yeah um

100

00:04:31,270 --> 00:04:29,840

but uh great times great time yes uh but

101
00:04:33,510 --> 00:04:31,280
you know what let me turn it over to the

102
00:04:34,390 --> 00:04:33,520
money man he's going to take it away

103
00:04:35,510 --> 00:04:34,400
john

104
00:04:36,870 --> 00:04:35,520
great to talk about that good to have

105
00:04:38,310 --> 00:04:36,880
you to talk with you you're the only guy

106
00:04:39,270 --> 00:04:38,320
that i know that it's actually seen the

107
00:04:41,030 --> 00:04:39,280
face

108
00:04:43,749 --> 00:04:41,040
of one of one of these people that we

109
00:04:45,430 --> 00:04:43,759
know

110
00:04:46,710 --> 00:04:45,440
excellent academia yeah you're the only

111
00:04:48,230 --> 00:04:46,720
guy that i know has actually seen his

112
00:04:49,909 --> 00:04:48,240
face right yeah

113
00:04:52,150 --> 00:04:49,919

you could do a show with him i just had

114

00:04:54,950 --> 00:04:52,160

a a drink with him last night we had a

115

00:04:56,550 --> 00:04:54,960

great time um he is human right he's a

116

00:04:58,710 --> 00:04:56,560

real person i mean i think he's a real

117

00:05:00,710 --> 00:04:58,720

person well i mean you've seen that yeah

118

00:05:03,270 --> 00:05:00,720

i have but it's hard to know

119

00:05:05,350 --> 00:05:03,280

hey yeah oh yeah there's there's there's

120

00:05:07,670 --> 00:05:05,360

the other person who i've seen in real

121

00:05:09,270 --> 00:05:07,680

life over here on our show

122

00:05:11,590 --> 00:05:09,280

gravitate to nathan

123

00:05:12,870 --> 00:05:11,600

yes well anyway he sends his uh regards

124

00:05:14,469 --> 00:05:12,880

he he

125

00:05:16,870 --> 00:05:14,479

wants to let you know that he's a big

126

00:05:18,230 --> 00:05:16,880

fan of you as well and uh and john i've

127

00:05:20,390 --> 00:05:18,240

been listening to you for a while man i

128

00:05:22,469 --> 00:05:20,400

love what you do i love your insight

129

00:05:24,310 --> 00:05:22,479

i've honestly never known a free mason

130

00:05:25,670 --> 00:05:24,320

like that i knew that they were a

131

00:05:26,550 --> 00:05:25,680

freemason

132

00:05:27,909 --> 00:05:26,560

and

133

00:05:31,189 --> 00:05:27,919

i think it's pretty cool that you've

134

00:05:32,950 --> 00:05:31,199

been so forthcoming uh in this community

135

00:05:34,390 --> 00:05:32,960

and bringing that background to bear

136

00:05:35,270 --> 00:05:34,400

what what's something that kind of has

137

00:05:37,110 --> 00:05:35,280

uh

138

00:05:38,629 --> 00:05:37,120

maybe like surprised you about your

139

00:05:40,230 --> 00:05:38,639

engagement with

140

00:05:41,670 --> 00:05:40,240

the ufo subject

141

00:05:42,870 --> 00:05:41,680

with your background

142

00:05:44,469 --> 00:05:42,880

um

143

00:05:47,189 --> 00:05:44,479

well i i think

144

00:05:48,950 --> 00:05:47,199

as a as a mason kind of in that regard

145

00:05:50,150 --> 00:05:48,960

um well

146

00:05:52,230 --> 00:05:50,160

you know the cool thing about being a

147

00:05:54,550 --> 00:05:52,240

freemason and freemasons in general is

148

00:05:57,110 --> 00:05:54,560

that we're pretty tolerant of everything

149

00:05:58,790 --> 00:05:57,120

and i'd say that to the extreme right so

150

00:06:00,710 --> 00:05:58,800

um obviously if you look back

151
00:06:02,710 --> 00:06:00,720
historically you know most of the

152
00:06:05,029 --> 00:06:02,720
revolutions were kind of

153
00:06:06,469 --> 00:06:05,039
um you know hatched maybe in a masonic

154
00:06:08,070 --> 00:06:06,479
lodge and you know for mason's had a lot

155
00:06:10,390 --> 00:06:08,080
to do with it and you know basically

156
00:06:12,469 --> 00:06:10,400
bringing that sense of freedom you know

157
00:06:13,990 --> 00:06:12,479
uh individuality to everybody to have

158
00:06:15,670 --> 00:06:14,000
their own decisions and tolerance for

159
00:06:17,670 --> 00:06:15,680
all you know um

160
00:06:20,070 --> 00:06:17,680
so you know the tenants of freemasonry

161
00:06:22,070 --> 00:06:20,080
are really along those lines you know

162
00:06:23,670 --> 00:06:22,080
faith hope charity you know

163
00:06:25,110 --> 00:06:23,680

and things like that and

164

00:06:27,110 --> 00:06:25,120

when you look at this subject it's kind

165

00:06:28,550 --> 00:06:27,120

of one of those things where you know

166

00:06:29,990 --> 00:06:28,560

you would think

167

00:06:31,990 --> 00:06:30,000

um

168

00:06:33,830 --> 00:06:32,000

you know we've all experienced taboo

169

00:06:35,270 --> 00:06:33,840

right we talk about at the dinner table

170

00:06:36,309 --> 00:06:35,280

or you know even our own families or

171

00:06:37,830 --> 00:06:36,319

friends or things like that and

172

00:06:39,189 --> 00:06:37,840

everybody you know says oh you know this

173

00:06:41,670 --> 00:06:39,199

info hat and you're crazy and stuff like

174

00:06:44,150 --> 00:06:41,680

that but in in the lodge you know i

175

00:06:45,270 --> 00:06:44,160

never really um

176

00:06:46,390 --> 00:06:45,280

you know

177

00:06:47,350 --> 00:06:46,400

i've talked about it but not like

178

00:06:48,550 --> 00:06:47,360

obviously during a lodge meeting you

179

00:06:50,070 --> 00:06:48,560

know before after things like that

180

00:06:51,589 --> 00:06:50,080

obviously there's no kind of not a lot

181

00:06:53,670 --> 00:06:51,599

of just open floor to be you know like

182

00:06:55,270 --> 00:06:53,680

hey you know get out there and just

183

00:06:57,270 --> 00:06:55,280

start going off about you know this

184

00:06:58,790 --> 00:06:57,280

phenomenon or anything but um you know i

185

00:06:59,670 --> 00:06:58,800

talked to a couple brothers and you know

186

00:07:01,909 --> 00:06:59,680

that you know there's a lot of

187

00:07:03,670 --> 00:07:01,919

servicemen and you know that are that

188

00:07:05,350 --> 00:07:03,680

were um that our masons you know that

189

00:07:06,790 --> 00:07:05,360

were in the service currently or you

190

00:07:08,469 --> 00:07:06,800

know retired things like that as well

191

00:07:10,390 --> 00:07:08,479

and and a lot of that

192

00:07:11,670 --> 00:07:10,400

a lot of that so it's not like i'm

193

00:07:13,909 --> 00:07:11,680

telling them anything they really don't

194

00:07:15,189 --> 00:07:13,919

know and i think it's it's

195

00:07:17,110 --> 00:07:15,199

you know it took a lot for me in the

196

00:07:18,230 --> 00:07:17,120

beginning to you know to go out and just

197

00:07:21,189 --> 00:07:18,240

kind of just start talking about it but

198

00:07:22,950 --> 00:07:21,199

once i did it was kind of like

199

00:07:24,469 --> 00:07:22,960

you find your ilk you know and it's not

200

00:07:25,830 --> 00:07:24,479

only just the ufo or the phenomenon

201
00:07:26,870 --> 00:07:25,840
thing or whatever it's kind of about

202
00:07:28,230 --> 00:07:26,880
about talent like i said in the

203
00:07:30,550 --> 00:07:28,240
beginning like kind of tolerance for all

204
00:07:31,830 --> 00:07:30,560
and be able to just say okay cool maybe

205
00:07:33,990 --> 00:07:31,840
you have this different background that

206
00:07:34,870 --> 00:07:34,000
i'm completely not even aware of or part

207
00:07:36,710 --> 00:07:34,880
of

208
00:07:39,670 --> 00:07:36,720
and and you know i have no idea about

209
00:07:41,589 --> 00:07:39,680
but you know i i respect his brother and

210
00:07:43,830 --> 00:07:41,599
your opinions and and things like that

211
00:07:45,189 --> 00:07:43,840
and and you entertain it and and you

212
00:07:47,510 --> 00:07:45,199
know and you learn something all the

213
00:07:49,270 --> 00:07:47,520

time so that's kind of um where i went

214

00:07:51,110 --> 00:07:49,280

with it and you know recently

215

00:07:53,110 --> 00:07:51,120

um i think it was last week that i put a

216

00:07:54,469 --> 00:07:53,120

video of a lecture i gave um to my

217

00:07:57,029 --> 00:07:54,479

brother's lodge

218

00:07:58,150 --> 00:07:57,039

uh rubicon and um that was the first

219

00:08:00,230 --> 00:07:58,160

time that i really got in front of that

220

00:08:02,629 --> 00:08:00,240

many masons and kind of just went blah

221

00:08:04,710 --> 00:08:02,639

this is me and this is like what i do

222

00:08:06,710 --> 00:08:04,720

you know yeah and uh it was really it

223

00:08:08,629 --> 00:08:06,720

was really well received and i was still

224

00:08:10,710 --> 00:08:08,639

getting i'm still getting emails from

225

00:08:13,110 --> 00:08:10,720

brothers and you know after that after

226

00:08:14,550 --> 00:08:13,120

that um lecture i think i stood there

227

00:08:16,390 --> 00:08:14,560

for about another hour and a half and

228

00:08:18,070 --> 00:08:16,400

just had guys come up one by one and

229

00:08:19,110 --> 00:08:18,080

just tell me the most amazing stories

230

00:08:20,150 --> 00:08:19,120

after that

231

00:08:21,990 --> 00:08:20,160

they didn't feel like they could tell

232

00:08:23,430 --> 00:08:22,000

anybody before and it was like now that

233

00:08:25,029 --> 00:08:23,440

it's out and the way i kind of laid it

234

00:08:26,629 --> 00:08:25,039

out it was like you know this is real

235

00:08:28,869 --> 00:08:26,639

the stigma's gone the way that because

236

00:08:29,749 --> 00:08:28,879

there was a stigma for so many years

237

00:08:32,310 --> 00:08:29,759

was

238

00:08:33,750 --> 00:08:32,320

definitely created for a purpose you

239

00:08:35,509 --> 00:08:33,760

know the robinson panel set that all up

240

00:08:36,870 --> 00:08:35,519

and we're still living and breathing it

241

00:08:38,469 --> 00:08:36,880

now so

242

00:08:39,990 --> 00:08:38,479

you know it's don't be afraid to talk

243

00:08:41,190 --> 00:08:40,000

about it you know and and i think it

244

00:08:42,550 --> 00:08:41,200

kind of opened the door a little bit and

245

00:08:44,230 --> 00:08:42,560

a lot of guys have reached out a lot a

246

00:08:45,990 --> 00:08:44,240

lot of brothers have emailed me um that

247

00:08:46,949 --> 00:08:46,000

haven't you know met before but they

248

00:08:48,550 --> 00:08:46,959

said hey

249

00:08:49,910 --> 00:08:48,560

you know i was kind of afraid to talk

250

00:08:52,150 --> 00:08:49,920

about this now but thank you for doing

251

00:08:54,550 --> 00:08:52,160

that you know i kind of feel more

252

00:08:56,070 --> 00:08:54,560

inclined to be able to do in my lodge so

253

00:08:57,670 --> 00:08:56,080

i think that's rad all the way across

254

00:08:59,110 --> 00:08:57,680

the board i think i talked way too long

255

00:09:01,030 --> 00:08:59,120

and i'm sorry

256

00:09:02,630 --> 00:09:01,040

no i thought listen i thought it was

257

00:09:04,790 --> 00:09:02,640

amazing and those of you who are

258

00:09:06,389 --> 00:09:04,800

listening uh with us now or listening

259

00:09:08,550 --> 00:09:06,399

later you definitely gotta check that

260

00:09:10,710 --> 00:09:08,560

out go to john's channel ufo's on the

261

00:09:13,509 --> 00:09:10,720

level on youtube it's uh one of your

262

00:09:15,269 --> 00:09:13,519

most recent uh posts or you know videos

263

00:09:17,030 --> 00:09:15,279

there it's just it's really well done a

264

00:09:17,990 --> 00:09:17,040

great summary honestly of kind of the

265

00:09:19,269 --> 00:09:18,000

topic

266

00:09:21,030 --> 00:09:19,279

uh from

267

00:09:23,509 --> 00:09:21,040

you know kind of recent events and uh

268

00:09:25,030 --> 00:09:23,519

even even old stuff as well

269

00:09:27,110 --> 00:09:25,040

you mentioned the word tolerance and

270

00:09:29,670 --> 00:09:27,120

that's not a word that i think of in

271

00:09:32,310 --> 00:09:29,680

terms of a synonym that i would use for

272

00:09:34,790 --> 00:09:32,320

the ufo twitter community uh at least in

273

00:09:35,910 --> 00:09:34,800

the last few weeks and i was wondering i

274

00:09:38,470 --> 00:09:35,920

really wanted to get your thoughts

275

00:09:40,870 --> 00:09:38,480

because you've been living in community

276

00:09:42,470 --> 00:09:40,880

an intentional community for so long you

277

00:09:44,710 --> 00:09:42,480

know what what are some

278

00:09:46,550 --> 00:09:44,720

you know kind of tenants and values

279

00:09:49,350 --> 00:09:46,560

that you think we would be well served

280

00:09:51,829 --> 00:09:49,360

to adopt uh as we kind of interact with

281

00:09:53,190 --> 00:09:51,839

each other in a charitable way uh you

282

00:09:54,710 --> 00:09:53,200

know kind of kind of turn down the

283

00:09:56,550 --> 00:09:54,720

temperature a little bit what are some

284

00:09:58,070 --> 00:09:56,560

of what some advice you have there

285

00:10:00,710 --> 00:09:58,080

well you know some of the core tenants

286

00:10:02,710 --> 00:10:00,720

of freemasonry are brotherly love relief

287

00:10:04,230 --> 00:10:02,720

and truth you know and those are the

288

00:10:05,590 --> 00:10:04,240

three cores that you kind of go back to

289

00:10:07,509 --> 00:10:05,600

you know brother love love for your

290

00:10:09,990 --> 00:10:07,519

brother if your fellow man you know

291

00:10:12,230 --> 00:10:10,000

woman you know just just basically

292

00:10:13,910 --> 00:10:12,240

self-explanatory you know relief relief

293

00:10:15,030 --> 00:10:13,920

worthy and distressed people that need

294

00:10:16,069 --> 00:10:15,040

help you know there's people out there

295

00:10:17,190 --> 00:10:16,079

that are suffering that actually need

296

00:10:19,030 --> 00:10:17,200

help maybe they just need somebody to

297

00:10:20,470 --> 00:10:19,040

talk to maybe that you know they've gone

298

00:10:22,550 --> 00:10:20,480

through some some experience and nobody

299

00:10:23,670 --> 00:10:22,560

wants to believe them or you know maybe

300

00:10:25,990 --> 00:10:23,680

they've

301
00:10:27,990 --> 00:10:26,000
been subject to some type of

302
00:10:30,230 --> 00:10:28,000
experiment or something that you know we

303
00:10:31,670 --> 00:10:30,240
can't even explain um and they're just

304
00:10:33,430 --> 00:10:31,680
looking for a voice you know and and

305
00:10:35,590 --> 00:10:33,440
truth i mean it's obviously the truth

306
00:10:37,670 --> 00:10:35,600
and we all want the truth right so

307
00:10:39,190 --> 00:10:37,680
i think that um you know a lot of the

308
00:10:41,509 --> 00:10:39,200
times

309
00:10:43,590 --> 00:10:41,519
we're so quick to just jump on things

310
00:10:45,750 --> 00:10:43,600
and you know nitpick and get at things

311
00:10:47,190 --> 00:10:45,760
and we never we look at the you know the

312
00:10:49,670 --> 00:10:47,200
characters that are in that tweet right

313
00:10:51,750 --> 00:10:49,680

we never look at the ration the person

314

00:10:55,350 --> 00:10:51,760

or or the rationale behind those things

315

00:10:56,870 --> 00:10:55,360

or what it is and and you know i think

316

00:10:58,470 --> 00:10:56,880

it it would

317

00:11:00,069 --> 00:10:58,480

serve people well to just you know take

318

00:11:01,509 --> 00:11:00,079

your hands off the keyboard for a second

319

00:11:02,870 --> 00:11:01,519

and just think about it you know just

320

00:11:05,829 --> 00:11:02,880

kind of think about it you know and a

321

00:11:08,150 --> 00:11:05,839

lot of the times and you know from my my

322

00:11:09,190 --> 00:11:08,160

day job my real my security background

323

00:11:11,750 --> 00:11:09,200

you know

324

00:11:13,350 --> 00:11:11,760

that we're out there thinking that we're

325

00:11:15,509 --> 00:11:13,360

interacting with actual humans and their

326

00:11:17,509 --> 00:11:15,519

bots you know their actual ai their

327

00:11:19,590 --> 00:11:17,519

programs that are just

328

00:11:21,509 --> 00:11:19,600

written to engage people and just hit

329

00:11:24,389 --> 00:11:21,519

pressure points and you know just amp

330

00:11:26,310 --> 00:11:24,399

things up and create havoc and you know

331

00:11:28,470 --> 00:11:26,320

that's sometimes lost on people i think

332

00:11:30,150 --> 00:11:28,480

it's lost more more than than you would

333

00:11:31,910 --> 00:11:30,160

think you know so a lot of times when

334

00:11:34,310 --> 00:11:31,920

you're screaming at you know billy who's

335

00:11:36,790 --> 00:11:34,320

you know just saying a bunch of garbage

336

00:11:39,509 --> 00:11:36,800

that could just be a bot

337

00:11:42,790 --> 00:11:39,519

right has that been uh gbt3 that's kind

338

00:11:44,870 --> 00:11:42,800

of like created that situation uh

339

00:11:47,190 --> 00:11:44,880

that i'm not familiar with that the the

340

00:11:49,190 --> 00:11:47,200

gpt-3 is like the um

341

00:11:51,190 --> 00:11:49,200

ai uh

342

00:11:53,990 --> 00:11:51,200

sort of natural lent language

343

00:11:56,470 --> 00:11:54,000

uh machine or it's um it's like the

344

00:11:58,150 --> 00:11:56,480

latest iteration of that and there's a

345

00:11:59,509 --> 00:11:58,160

there's a lot of cool things it can do

346

00:12:01,430 --> 00:11:59,519

like there's a there's an app you can

347

00:12:03,190 --> 00:12:01,440

download called uh ai dungeon you can

348

00:12:04,949 --> 00:12:03,200

basically have your own little

349

00:12:06,150 --> 00:12:04,959

like interactive remember those like

350

00:12:08,310 --> 00:12:06,160

games when we were kids where you could

351
00:12:09,910 --> 00:12:08,320
kind of like you type in a text command

352
00:12:11,910 --> 00:12:09,920
and you go down a hallway and then it's

353
00:12:13,750 --> 00:12:11,920
like open the door or look in the box oh

354
00:12:16,150 --> 00:12:13,760
look at it yes it creates a game like

355
00:12:17,910 --> 00:12:16,160
that but it's all it's entirely ai

356
00:12:18,949 --> 00:12:17,920
driven but it's based on this natural

357
00:12:21,670 --> 00:12:18,959
language

358
00:12:23,190 --> 00:12:21,680
uh ai that they that they created i

359
00:12:24,710 --> 00:12:23,200
thought i was talking about the upscale

360
00:12:25,990 --> 00:12:24,720
package of the trans am that you could

361
00:12:27,590 --> 00:12:26,000
order when you said that i was like oh

362
00:12:31,670 --> 00:12:27,600
yeah

363
00:12:32,949 --> 00:12:31,680

for sure the recaro seats

364

00:12:34,790 --> 00:12:32,959

that's a great point that you bring up

365

00:12:37,110 --> 00:12:34,800

though john and i don't think i knew

366

00:12:38,870 --> 00:12:37,120

that that it was that prevalent so

367

00:12:41,350 --> 00:12:38,880

it's really prevalent i mean and it's

368

00:12:43,110 --> 00:12:41,360

used a lot by the

369

00:12:44,470 --> 00:12:43,120

you know the military industrial complex

370

00:12:46,230 --> 00:12:44,480

we want to call them right so the

371

00:12:47,910 --> 00:12:46,240

agencies because you know nobody's

372

00:12:49,110 --> 00:12:47,920

paying anybody to sit behind keys you

373

00:12:51,509 --> 00:12:49,120

know anymore i mean you could create

374

00:12:52,550 --> 00:12:51,519

natural language chat bots that can go

375

00:12:53,910 --> 00:12:52,560

out there and do that i mean a lot of

376

00:12:55,670 --> 00:12:53,920

the times you ever go to a website that

377

00:12:56,949 --> 00:12:55,680

that little thing pops up in the corner

378

00:12:58,069 --> 00:12:56,959

it's like hey do you want to talk hey

379

00:12:59,269 --> 00:12:58,079

what's going on can i tell you you know

380

00:13:01,670 --> 00:12:59,279

you can actually talk to that thing

381

00:13:02,949 --> 00:13:01,680

forever you know amazon uses it too when

382

00:13:04,550 --> 00:13:02,959

your package is late or something you're

383

00:13:05,990 --> 00:13:04,560

like hey what's going on and you know

384

00:13:07,590 --> 00:13:06,000

you get through 10 minutes of this thing

385

00:13:09,430 --> 00:13:07,600

talking to you and then it's finally let

386

00:13:11,750 --> 00:13:09,440

me connect you to a human you know

387

00:13:12,870 --> 00:13:11,760

so um those things are really prevalent

388

00:13:14,870 --> 00:13:12,880

and they're out there all over the place

389

00:13:16,790 --> 00:13:14,880

and it's i mean if you think about it

390

00:13:18,150 --> 00:13:16,800

think about in terms of not only

391

00:13:19,590 --> 00:13:18,160

the united states government it could be

392

00:13:20,550 --> 00:13:19,600

other governments right it could it

393

00:13:25,190 --> 00:13:20,560

could be

394

00:13:27,190 --> 00:13:25,200

know any nation states governments

395

00:13:30,550 --> 00:13:27,200

whatever doing it so

396

00:13:32,710 --> 00:13:30,560

um you got to kind of uh take it with

397

00:13:33,910 --> 00:13:32,720

a broader scope you know brush with a

398

00:13:35,350 --> 00:13:33,920

broader brush when you're looking at

399

00:13:37,350 --> 00:13:35,360

those things and you know i'm not going

400

00:13:39,430 --> 00:13:37,360

to say that i don't get affected and and

401
00:13:40,790 --> 00:13:39,440
things like that too i think my gut

402
00:13:42,870 --> 00:13:40,800
response sometimes when i don't know how

403
00:13:44,150 --> 00:13:42,880
to respond is just to send a meme you

404
00:13:46,069 --> 00:13:44,160
know

405
00:13:47,590 --> 00:13:46,079
yeah you respond to that chatbot you

406
00:13:48,470 --> 00:13:47,600
know i mean i don't know

407
00:13:51,509 --> 00:13:48,480
but

408
00:13:53,269 --> 00:13:51,519
i think what you started off with though

409
00:13:55,509 --> 00:13:53,279
i think we should all take stock in and

410
00:13:57,269 --> 00:13:55,519
you mentioned that your brothers started

411
00:13:59,509 --> 00:13:57,279
to come up to you and talk about their

412
00:14:01,269 --> 00:13:59,519
experiences and share and if we were

413
00:14:03,590 --> 00:14:01,279

having this conversation so let's say

414

00:14:06,629 --> 00:14:03,600

it's 20 22. if we were having this

415

00:14:08,069 --> 00:14:06,639

conversation in 2017 or something um

416

00:14:09,990 --> 00:14:08,079

that's not happening

417

00:14:11,910 --> 00:14:10,000

people are not coming out and talking

418

00:14:14,710 --> 00:14:11,920

about their experiences i didn't talk

419

00:14:17,269 --> 00:14:14,720

about my experience back then and

420

00:14:20,069 --> 00:14:17,279

wouldn't have and and so i think there's

421

00:14:20,949 --> 00:14:20,079

something to take stock in how far we've

422

00:14:23,829 --> 00:14:20,959

come

423

00:14:26,230 --> 00:14:23,839

that while it's not mainstream i mean

424

00:14:28,710 --> 00:14:26,240

anybody that says it's mainstream i got

425

00:14:30,230 --> 00:14:28,720

news for you it's not mainstream but the

426

00:14:32,550 --> 00:14:30,240

fact that people are having the

427

00:14:35,030 --> 00:14:32,560

conversation in public without feeling

428

00:14:38,629 --> 00:14:35,040

stupid means that we've made

429

00:14:41,189 --> 00:14:38,639

significant progress since tsa the navy

430

00:14:42,710 --> 00:14:41,199

videos elizondo and all that stuff we're

431

00:14:44,470 --> 00:14:42,720

in a different place now

432

00:14:45,430 --> 00:14:44,480

i think you're right you're right no

433

00:14:47,910 --> 00:14:45,440

you're totally right and that's kind of

434

00:14:49,269 --> 00:14:47,920

how um when i built that uh that lecture

435

00:14:50,629 --> 00:14:49,279

i mean that lecture i've been working on

436

00:14:52,710 --> 00:14:50,639

a lecture for about four months believe

437

00:14:54,550 --> 00:14:52,720

it or not wow and it's just been like

438

00:14:55,829 --> 00:14:54,560

well because i wanted to to you know

439

00:14:57,269 --> 00:14:55,839

we're talking a guy we're looking at

440

00:15:01,030 --> 00:14:57,279

guys that are

441

00:15:03,030 --> 00:15:01,040

22 to 98 like no no joke right that's

442

00:15:04,629 --> 00:15:03,040

that's literally the the age range so

443

00:15:06,550 --> 00:15:04,639

you got the guys that were in actually

444

00:15:07,670 --> 00:15:06,560

in world war two right you got the guys

445

00:15:09,110 --> 00:15:07,680

who are in korea and vietnam you know

446

00:15:10,069 --> 00:15:09,120

you got you got all of these things that

447

00:15:11,430 --> 00:15:10,079

people have been in these you know if

448

00:15:13,030 --> 00:15:11,440

you just look at the major battles of

449

00:15:16,470 --> 00:15:13,040

the united states but then you got guys

450

00:15:18,389 --> 00:15:16,480

from a wide swath of you know different

451
00:15:20,069 --> 00:15:18,399
backgrounds and you know understandings

452
00:15:21,509 --> 00:15:20,079
of things and so what i wanted to do is

453
00:15:23,189 --> 00:15:21,519
kind of paint it into a picture of okay

454
00:15:24,870 --> 00:15:23,199
these are the the you know

455
00:15:26,629 --> 00:15:24,880
major cultural things that we're aware

456
00:15:27,910 --> 00:15:26,639
of but here's the underliers and then

457
00:15:29,749 --> 00:15:27,920
here's what built upon that and then

458
00:15:31,030 --> 00:15:29,759
kind of build it up to where here's what

459
00:15:32,389 --> 00:15:31,040
happened in 17. here's what happened

460
00:15:33,990 --> 00:15:32,399
with the long behind the scenes before

461
00:15:35,749 --> 00:15:34,000
that and here's what happened in 17 and

462
00:15:37,670 --> 00:15:35,759
that's kind of this is the the rocky

463
00:15:40,629 --> 00:15:37,680

road we're on now you know so it kind of

464

00:15:43,110 --> 00:15:40,639

paints it in a you know in a

465

00:15:44,310 --> 00:15:43,120

more up-to-date kind of mindset and i

466

00:15:45,509 --> 00:15:44,320

think that kind of really it really

467

00:15:47,350 --> 00:15:45,519

worked because you know i had guys that

468

00:15:48,629 --> 00:15:47,360

were just kind of like

469

00:15:50,150 --> 00:15:48,639

they were like hey i really didn't think

470

00:15:51,910 --> 00:15:50,160

about this at all but you know this is

471

00:15:53,910 --> 00:15:51,920

pretty cool and i'm going to go do some

472

00:15:55,110 --> 00:15:53,920

research which is great you know what i

473

00:15:56,550 --> 00:15:55,120

mean that's

474

00:15:57,990 --> 00:15:56,560

that's awesome because if you can get

475

00:15:59,350 --> 00:15:58,000

somebody to kind of get into it who

476

00:16:00,550 --> 00:15:59,360

maybe didn't have any idea but now

477

00:16:01,749 --> 00:16:00,560

they're into it i mean that's perfect

478

00:16:02,949 --> 00:16:01,759

you know then you've got the other guys

479

00:16:06,150 --> 00:16:02,959

are like yeah i've been into it forever

480

00:16:09,110 --> 00:16:06,160

and that's rad too but you know

481

00:16:10,870 --> 00:16:09,120

big swath of everybody so yeah yeah

482

00:16:12,470 --> 00:16:10,880

flares what do you got for john you both

483

00:16:13,670 --> 00:16:12,480

have great hair what would you like to

484

00:16:16,790 --> 00:16:13,680

talk about

485

00:16:18,389 --> 00:16:16,800

oh my god i got so much

486

00:16:19,990 --> 00:16:18,399

to ask you

487

00:16:22,629 --> 00:16:20,000

thank you for being here and by the way

488

00:16:24,150 --> 00:16:22,639

to you um the listeners if you haven't

489

00:16:25,990 --> 00:16:24,160

watched um

490

00:16:28,310 --> 00:16:26,000

what what he put together it's almost

491

00:16:29,590 --> 00:16:28,320

like a documentary it's his lecture in

492

00:16:31,269 --> 00:16:29,600

fact it's better than a lot of

493

00:16:33,030 --> 00:16:31,279

documentaries if you're just getting

494

00:16:35,509 --> 00:16:33,040

into the ufo topic like a lot of my

495

00:16:37,509 --> 00:16:35,519

friends on facebook please watch his

496

00:16:39,829 --> 00:16:37,519

lecture it's going to give you a great

497

00:16:41,590 --> 00:16:39,839

primer on everything it's just perfect

498

00:16:44,470 --> 00:16:41,600

and you know it was 130 slides i

499

00:16:46,150 --> 00:16:44,480

delivered in an hour and 20 minutes it's

500

00:16:47,829 --> 00:16:46,160

a great listing i got to tell you it's

501

00:16:48,949 --> 00:16:47,839

terri my wife was my cat i kept like

502

00:16:50,790 --> 00:16:48,959

trying to run it past my she's like that

503

00:16:53,189 --> 00:16:50,800

stupid quit quit putting slides in

504

00:16:56,230 --> 00:16:53,199

there's too many slides takes 70 out

505

00:16:57,670 --> 00:16:56,240

take it yeah she's like take 70.

506

00:16:59,269 --> 00:16:57,680

i'm like i can't this is important

507

00:17:00,790 --> 00:16:59,279

that's the thing

508

00:17:01,910 --> 00:17:00,800

you don't know you know fatima we got to

509

00:17:02,870 --> 00:17:01,920

take care of that

510

00:17:04,150 --> 00:17:02,880

absolutely

511

00:17:06,630 --> 00:17:04,160

i really appreciate that thank you very

512

00:17:08,789 --> 00:17:06,640

much thank you so i wanted to ask you um

513

00:17:11,590 --> 00:17:08,799

as as a mason you know you've got

514

00:17:13,750 --> 00:17:11,600

houdini was freemason mozart

515

00:17:16,390 --> 00:17:13,760

um buzz lightyear um

516

00:17:19,510 --> 00:17:16,400

randall carlson the hero of mine have

517

00:17:23,669 --> 00:17:19,520

you met randall not in real life okay

518

00:17:26,710 --> 00:17:24,549

sorry

519

00:17:28,470 --> 00:17:26,720

go ahead

520

00:17:30,470 --> 00:17:28,480

so how does being a freemason affect the

521

00:17:32,950 --> 00:17:30,480

way you interpret your understanding of

522

00:17:34,950 --> 00:17:32,960

the ufo phenomenon

523

00:17:36,310 --> 00:17:34,960

oh so that's red see uh you know and i

524

00:17:39,029 --> 00:17:36,320

talked to scott walter right he's a

525

00:17:40,390 --> 00:17:39,039

brother as well and you know um

526

00:17:41,909 --> 00:17:40,400

and i was like scott i've been looking

527

00:17:44,230 --> 00:17:41,919

for this i mean scott's great man he's

528

00:17:46,549 --> 00:17:44,240

done you know so many tv shows and

529

00:17:48,230 --> 00:17:46,559

you're just as in his own work and his

530

00:17:49,110 --> 00:17:48,240

masonic lectures are amazing too you

531

00:17:50,310 --> 00:17:49,120

know there's a couple of them online if

532

00:17:51,590 --> 00:17:50,320

you go look for them but

533

00:17:53,510 --> 00:17:51,600

i was like scott where's the connection

534

00:17:55,990 --> 00:17:53,520

man i know i know it's here i know it's

535

00:17:57,830 --> 00:17:56,000

there you know i know it's in somewhere

536

00:17:58,789 --> 00:17:57,840

in all these things and

537

00:18:03,029 --> 00:17:58,799

um

538

00:18:05,830 --> 00:18:03,039

you know the symbology and it and it

539

00:18:07,830 --> 00:18:05,840

always goes back to um you know esoteric

540

00:18:09,029 --> 00:18:07,840

uh i really i really had a small

541

00:18:11,350 --> 00:18:09,039

understanding of esoteric knowledge

542

00:18:13,190 --> 00:18:11,360

before i became a mason and

543

00:18:14,630 --> 00:18:13,200

and what i did is basically open up the

544

00:18:16,070 --> 00:18:14,640

door for me to do more research and kind

545

00:18:17,669 --> 00:18:16,080

of get a

546

00:18:19,590 --> 00:18:17,679

do my own research on a broader

547

00:18:20,710 --> 00:18:19,600

understanding of how that plays into

548

00:18:22,710 --> 00:18:20,720

everyday life

549

00:18:25,909 --> 00:18:22,720

and the in uh let me let me try to come

550

00:18:27,430 --> 00:18:25,919

up with a way to explain this well

551
00:18:29,510 --> 00:18:27,440
you know after i became a freemason i

552
00:18:30,710 --> 00:18:29,520
started noticing uh symbols

553
00:18:32,310 --> 00:18:30,720
and things on buildings that i never

554
00:18:34,390 --> 00:18:32,320
noticed before right like cornerstones

555
00:18:35,669 --> 00:18:34,400
are a masonic thing where you um for a

556
00:18:37,830 --> 00:18:35,679
foundation of a building you're building

557
00:18:40,390 --> 00:18:37,840
a new building uh washington actually

558
00:18:41,590 --> 00:18:40,400
laid the foundation for uh

559
00:18:43,190 --> 00:18:41,600
the white house you know the capitol

560
00:18:45,029 --> 00:18:43,200
building like it's just a big ceremony

561
00:18:47,990 --> 00:18:45,039
that masons do it's it's a big thing and

562
00:18:49,510 --> 00:18:48,000
you put this giant cornerstone

563
00:18:51,510 --> 00:18:49,520

of the building in and yeah it's a big

564

00:18:53,669 --> 00:18:51,520

ceremony and it's you know

565

00:18:55,190 --> 00:18:53,679

actually engraved you know and a lot of

566

00:18:57,190 --> 00:18:55,200

times those are actually time capsules

567

00:18:58,710 --> 00:18:57,200

as well so if that was 1862 or whatever

568

00:18:59,669 --> 00:18:58,720

there's big giant time capsule stuff

569

00:19:01,430 --> 00:18:59,679

like that

570

00:19:03,510 --> 00:19:01,440

and um

571

00:19:06,310 --> 00:19:03,520

the year that um it's

572

00:19:07,190 --> 00:19:06,320

anna lucas for masonry so it's 4 000

573

00:19:08,789 --> 00:19:07,200

years

574

00:19:11,029 --> 00:19:08,799

ahead of what our current year is right

575

00:19:13,830 --> 00:19:11,039

so if you if right now it's

576

00:19:15,510 --> 00:19:13,840

what is it uh six twenty two six six six

577

00:19:17,029 --> 00:19:15,520

zero two two so if we put a corner stone

578

00:19:18,150 --> 00:19:17,039

in a building would put six zero two two

579

00:19:20,230 --> 00:19:18,160

and stamp that on there and then we'd

580

00:19:22,230 --> 00:19:20,240

have the actual date or whatever but

581

00:19:23,830 --> 00:19:22,240

um you know i walked by those my entire

582

00:19:24,789 --> 00:19:23,840

life and they're everywhere if you start

583

00:19:26,630 --> 00:19:24,799

looking for them they're right there

584

00:19:28,070 --> 00:19:26,640

boom boom boom they're everywhere right

585

00:19:29,350 --> 00:19:28,080

so things like that and you're like well

586

00:19:30,789 --> 00:19:29,360

that's

587

00:19:31,909 --> 00:19:30,799

interesting i didn't know that you know

588

00:19:33,190 --> 00:19:31,919

and then you're the square encompass you

589

00:19:34,470 --> 00:19:33,200

know the masonic squaring compass that's

590

00:19:35,510 --> 00:19:34,480

kind of everywhere too it's built in the

591

00:19:37,750 --> 00:19:35,520

streets

592

00:19:39,590 --> 00:19:37,760

you know sandusky ohio which is not too

593

00:19:41,909 --> 00:19:39,600

far from me the whole entire

594

00:19:43,510 --> 00:19:41,919

um downtown area is a square encompass

595

00:19:44,470 --> 00:19:43,520

because the uh the guy who's a street

596

00:19:46,950 --> 00:19:44,480

planner

597

00:19:49,350 --> 00:19:46,960

was was a mason and he laid it out and

598

00:19:51,430 --> 00:19:49,360

so the middle of the town is uh right in

599

00:19:53,830 --> 00:19:51,440

the dead center of it is the capital or

600

00:19:55,669 --> 00:19:53,840

the or the you know the courthouse and

601
00:19:57,669 --> 00:19:55,679
all that and then everything else is a

602
00:19:58,630 --> 00:19:57,679
square encompass that are there so like

603
00:20:00,310 --> 00:19:58,640
there's all these symbols that are

604
00:20:01,909 --> 00:20:00,320
hidden there and i'm thinking to myself

605
00:20:03,430 --> 00:20:01,919
well like if that's possible that

606
00:20:05,110 --> 00:20:03,440
anything's possible right i mean because

607
00:20:06,390 --> 00:20:05,120
like if it's been in front of your

608
00:20:07,590 --> 00:20:06,400
entire life and it only took this

609
00:20:09,430 --> 00:20:07,600
experience that i went through to kind

610
00:20:11,669 --> 00:20:09,440
of like wake me up to see it

611
00:20:13,270 --> 00:20:11,679
then what are ufos right i mean is it

612
00:20:14,950 --> 00:20:13,280
the same thing are ufos just a symbol

613
00:20:16,230 --> 00:20:14,960

that have always been there or symbol of

614

00:20:18,390 --> 00:20:16,240

our subconscious or unconscious or

615

00:20:20,870 --> 00:20:18,400

whatever that that

616

00:20:22,870 --> 00:20:20,880

we walk by on a regular basis and

617

00:20:24,149 --> 00:20:22,880

attribute it to nothing or something

618

00:20:25,830 --> 00:20:24,159

else so

619

00:20:28,470 --> 00:20:25,840

i think those things were the kind of my

620

00:20:30,149 --> 00:20:28,480

catalyst for me to kind of go

621

00:20:32,549 --> 00:20:30,159

looking deeper into everything that i

622

00:20:34,390 --> 00:20:32,559

already had already kind of looked into

623

00:20:35,990 --> 00:20:34,400

it was a beautiful tie-in at the end i'm

624

00:20:38,310 --> 00:20:36,000

sorry go ahead kev that was a beautiful

625

00:20:40,710 --> 00:20:38,320

title no it's not making sense just let

626

00:20:43,669 --> 00:20:40,720

me know no no actually you you mentioned

627

00:20:46,789 --> 00:20:43,679

the uh the shapes the the compass um

628

00:20:48,789 --> 00:20:46,799

that sacred geometry right um yeah

629

00:20:50,549 --> 00:20:48,799

basically i mean the sacred geometry

630

00:20:52,789 --> 00:20:50,559

those are the basic patterns of of

631

00:20:54,870 --> 00:20:52,799

existence in in in the universe well at

632

00:20:56,470 --> 00:20:54,880

least this universe if you believe in

633

00:20:58,630 --> 00:20:56,480

that

634

00:21:00,630 --> 00:20:58,640

right um so do you have any knowledge of

635

00:21:02,470 --> 00:21:00,640

maybe how this concept has been bridged

636

00:21:04,390 --> 00:21:02,480

into the ufo phenomenon i'm like i'm

637

00:21:06,230 --> 00:21:04,400

having trouble with the

638

00:21:08,789 --> 00:21:06,240

yeah i haven't trouble with that one

639

00:21:10,470 --> 00:21:08,799

like maybe procession i can see the

640

00:21:11,430 --> 00:21:10,480

stars and

641

00:21:13,430 --> 00:21:11,440

but

642

00:21:14,310 --> 00:21:13,440

yeah

643

00:21:18,789 --> 00:21:14,320

so

644

00:21:19,750 --> 00:21:18,799

sacred geometry in terms of how harvard

645

00:21:23,430 --> 00:21:19,760

has it

646

00:21:25,270 --> 00:21:23,440

phenomenon yet

647

00:21:27,430 --> 00:21:25,280

do you know of any

648

00:21:30,789 --> 00:21:27,440

bridge between the geometry of the

649

00:21:33,430 --> 00:21:30,799

masonic order and and ufos yeah into in

650

00:21:38,070 --> 00:21:33,440

the phenomenon has it have those two

651
00:21:42,950 --> 00:21:40,630
not specific like i've never seen like a

652
00:21:45,110 --> 00:21:42,960
square encompass crop

653
00:21:46,870 --> 00:21:45,120
you circle i guess yeah you know what i

654
00:21:48,070 --> 00:21:46,880
mean like yeah no i mean i have i

655
00:21:49,669 --> 00:21:48,080
haven't seen that i mean that would be

656
00:21:51,270 --> 00:21:49,679
super rad if it was there's one in des

657
00:21:52,710 --> 00:21:51,280
moines it's just outside of des moines

658
00:21:55,909 --> 00:21:52,720
john

659
00:21:58,870 --> 00:21:57,750
i was going to sheboygan next i somebody

660
00:22:01,669 --> 00:21:58,880
told me wrong

661
00:22:02,870 --> 00:22:01,679
god no yeah no i mean i i don't know i

662
00:22:05,350 --> 00:22:02,880
mean there's there's symbology and

663
00:22:06,470 --> 00:22:05,360

everything and yeah you know i mean i've

664

00:22:07,830 --> 00:22:06,480

sat through lectures with brothers that

665

00:22:09,830 --> 00:22:07,840

don't take her geometry lectures that'll

666

00:22:12,149 --> 00:22:09,840

blow your mind right and they tie it

667

00:22:13,909 --> 00:22:12,159

into masonry in a in a way through

668

00:22:15,029 --> 00:22:13,919

symbols and you know basically the core

669

00:22:16,470 --> 00:22:15,039

of the universe and you know the

670

00:22:17,990 --> 00:22:16,480

fibonacci sequence and you know

671

00:22:20,310 --> 00:22:18,000

everything you know that all lines up

672

00:22:22,230 --> 00:22:20,320

the golden ratio and all that stuff but

673

00:22:23,669 --> 00:22:22,240

you know you know i'm not sitting in the

674

00:22:25,590 --> 00:22:23,679

we're not sitting in lodge going yeah

675

00:22:27,990 --> 00:22:25,600

this is the golden ratio lecture you

676

00:22:29,590 --> 00:22:28,000

know i mean it's it's not so

677

00:22:31,270 --> 00:22:29,600

it's kind of hard to explain but masonry

678

00:22:33,750 --> 00:22:31,280

you go through three degrees right and

679

00:22:35,590 --> 00:22:33,760

you go through three ceremonies rituals

680

00:22:38,710 --> 00:22:35,600

right through each degree yeah energy

681

00:22:41,590 --> 00:22:38,720

apprentice fellowcraft master mason

682

00:22:44,950 --> 00:22:41,600

and through those things you experience

683

00:22:47,750 --> 00:22:44,960

the degrees and um basically

684

00:22:49,110 --> 00:22:47,760

you regurgitate those degrees back to ex

685

00:22:50,950 --> 00:22:49,120

to be

686

00:22:52,390 --> 00:22:50,960

um

687

00:22:54,310 --> 00:22:52,400

elevated to the next degree right so you

688

00:22:55,590 --> 00:22:54,320

go through the first degree and all this

689

00:22:57,590 --> 00:22:55,600

stuff happens to you and then you have

690

00:22:59,110 --> 00:22:57,600

to like interpret what happens to you

691

00:23:00,710 --> 00:22:59,120

and repeat it

692

00:23:03,350 --> 00:23:00,720

precisely the way that it needs to be

693

00:23:05,669 --> 00:23:03,360

repeated to the rest of the lodge and

694

00:23:07,590 --> 00:23:05,679

everybody goes okay cool you got it you

695

00:23:09,510 --> 00:23:07,600

can pass to the next degree right so

696

00:23:10,310 --> 00:23:09,520

that happens in succession right three

697

00:23:13,590 --> 00:23:10,320

times

698

00:23:15,350 --> 00:23:13,600

and um it's not until really

699

00:23:16,470 --> 00:23:15,360

you're outside of that and you're in

700

00:23:18,149 --> 00:23:16,480

your master base and you're sitting on

701
00:23:19,510 --> 00:23:18,159
the sidelines and watching somebody else

702
00:23:20,549 --> 00:23:19,520
go through it

703
00:23:22,549 --> 00:23:20,559
that

704
00:23:23,750 --> 00:23:22,559
you visually recognize all of these

705
00:23:25,350 --> 00:23:23,760
different patterns and these different

706
00:23:26,390 --> 00:23:25,360
things that are going on

707
00:23:30,070 --> 00:23:26,400
and

708
00:23:32,470 --> 00:23:30,080
um you can definitely dig into it as far

709
00:23:34,870 --> 00:23:32,480
as you want but basically it's like

710
00:23:37,510 --> 00:23:34,880
symbology hidden in allegory

711
00:23:39,830 --> 00:23:37,520
and uh you know um

712
00:23:43,269 --> 00:23:39,840
basically ritual right so there's a lot

713
00:23:46,070 --> 00:23:43,279

of like i said um you know i i was um in

714

00:23:47,269 --> 00:23:46,080

shadows of your mind uh magazine um last

715

00:23:48,390 --> 00:23:47,279

issue and that was great dave's an

716

00:23:50,630 --> 00:23:48,400

awesome guy if you guys haven't read

717

00:23:53,190 --> 00:23:50,640

shadows your my magazine it's amazing

718

00:23:54,470 --> 00:23:53,200

dave does all that himself right and he

719

00:23:55,350 --> 00:23:54,480

he had a little bit of help in this last

720

00:23:57,110 --> 00:23:55,360

one but

721

00:23:58,470 --> 00:23:57,120

he uh

722

00:24:00,549 --> 00:23:58,480

you know he

723

00:24:01,830 --> 00:24:00,559

he he put that in there in in when you

724

00:24:03,190 --> 00:24:01,840

know dave and i talked for like two and

725

00:24:04,310 --> 00:24:03,200

a half hours and he got a bunch of stuff

726

00:24:06,070 --> 00:24:04,320

and put up and i just let him run with

727

00:24:07,350 --> 00:24:06,080

it because he was he's great but one of

728

00:24:08,630 --> 00:24:07,360

the quotes i put on there is like some

729

00:24:10,230 --> 00:24:08,640

some people become masons and it just

730

00:24:12,390 --> 00:24:10,240

goes right over their heads

731

00:24:14,070 --> 00:24:12,400

and i meant that in the most loving way

732

00:24:16,149 --> 00:24:14,080

where it's like okay cool like you know

733

00:24:17,269 --> 00:24:16,159

you get the foundation of of things you

734

00:24:18,549 --> 00:24:17,279

know you kind of get the understanding

735

00:24:19,669 --> 00:24:18,559

of what's going on and you know what

736

00:24:21,830 --> 00:24:19,679

happened to you

737

00:24:23,750 --> 00:24:21,840

and maybe that's it and other guys like

738

00:24:26,710 --> 00:24:23,760

me like i go right to the bookshelf that

739

00:24:28,310 --> 00:24:26,720

nobody's touched forever you know and i

740

00:24:30,230 --> 00:24:28,320

unlock it and i'm like

741

00:24:31,269 --> 00:24:30,240

blowing off books and i'm i'm that guy

742

00:24:32,549 --> 00:24:31,279

right and i'm going through like a whole

743

00:24:34,070 --> 00:24:32,559

bunch of stuff and i'm asking the guys

744

00:24:36,710 --> 00:24:34,080

that have been here for literally the

745

00:24:38,230 --> 00:24:36,720

guy who's like 98 going okay what does

746

00:24:39,909 --> 00:24:38,240

this mean to you and it's cool because

747

00:24:41,110 --> 00:24:39,919

you can have that conversation and and

748

00:24:42,630 --> 00:24:41,120

you can interpret it in a billion

749

00:24:44,789 --> 00:24:42,640

different ways right or you can just be

750

00:24:47,830 --> 00:24:44,799

like i got the ring and now i can go to

751

00:24:49,510 --> 00:24:47,840

the pancake breakfast

752

00:24:50,950 --> 00:24:49,520

you know like there's i mean so there's

753

00:24:51,830 --> 00:24:50,960

a whole bunch of different ways that

754

00:24:54,950 --> 00:24:51,840

that

755

00:24:56,310 --> 00:24:54,960

right

756

00:24:58,070 --> 00:24:56,320

i've met some masons that are just

757

00:24:59,590 --> 00:24:58,080

amazing you know jamie paul lamb is

758

00:25:01,909 --> 00:24:59,600

another brother of mine that you know it

759

00:25:03,510 --> 00:25:01,919

was it's not my show we did a

760

00:25:05,029 --> 00:25:03,520

lecture and he's actually a fratter you

761

00:25:07,350 --> 00:25:05,039

know he's um uh

762

00:25:09,029 --> 00:25:07,360

rosie cruisian as well so it's uh rosie

763

00:25:10,710 --> 00:25:09,039

christian part of um

764

00:25:12,710 --> 00:25:10,720

srict

765

00:25:15,430 --> 00:25:12,720

it's a branch of uh

766

00:25:17,110 --> 00:25:15,440

masonry and anyways uh jimmy jamie's

767

00:25:19,350 --> 00:25:17,120

amazing he's written three books he's an

768

00:25:21,430 --> 00:25:19,360

amazing lecturer he's way into western

769

00:25:22,789 --> 00:25:21,440

esotericism like deep into it you know

770

00:25:24,230 --> 00:25:22,799

he's he studies

771

00:25:25,430 --> 00:25:24,240

all kinds of stuff you know we talked

772

00:25:27,350 --> 00:25:25,440

about

773

00:25:29,350 --> 00:25:27,360

the head of baphomet for like two hours

774

00:25:31,510 --> 00:25:29,360

one night

775

00:25:33,590 --> 00:25:31,520

you know like so he and you know he's

776

00:25:34,870 --> 00:25:33,600

amazing he's a great guy so like i said

777

00:25:36,149 --> 00:25:34,880

but there's other guys that are just

778

00:25:38,070 --> 00:25:36,159

like

779

00:25:39,590 --> 00:25:38,080

into it for the you know the fraternity

780

00:25:41,269 --> 00:25:39,600

and the camaraderie and that's cool too

781

00:25:42,789 --> 00:25:41,279

and i'm not saying that's not a bad

782

00:25:44,390 --> 00:25:42,799

thing i'm just i'm just saying there's

783

00:25:46,149 --> 00:25:44,400

like that

784

00:25:47,909 --> 00:25:46,159

you can find your own way

785

00:25:49,350 --> 00:25:47,919

it's a two-year-old adventure there it's

786

00:25:51,190 --> 00:25:49,360

it's a choose your own adventure route

787

00:25:53,269 --> 00:25:51,200

you know right it's like that game

788

00:25:54,870 --> 00:25:53,279

you're talking about with ai yeah you

789

00:25:56,789 --> 00:25:54,880

can you can make it up yourself

790

00:25:58,070 --> 00:25:56,799

it would be really robotic if everybody

791

00:26:00,549 --> 00:25:58,080

was the same

792

00:26:03,029 --> 00:26:00,559

you know yeah any fun if you don't have

793

00:26:04,230 --> 00:26:03,039

the differing personalities

794

00:26:05,750 --> 00:26:04,240

and it's cool though because we're all

795

00:26:06,950 --> 00:26:05,760

we all really respect each other and

796

00:26:08,870 --> 00:26:06,960

appreciate each other and love each

797

00:26:10,230 --> 00:26:08,880

other to let you to let you have your

798

00:26:11,269 --> 00:26:10,240

own personalities you know i'm sure

799

00:26:13,669 --> 00:26:11,279

there's some there's some people that

800

00:26:14,950 --> 00:26:13,679

are like oh yeah you know whatever

801
00:26:16,710 --> 00:26:14,960
and you know when i first started out i

802
00:26:18,070 --> 00:26:16,720
was kind of nervous a little bit and

803
00:26:19,669 --> 00:26:18,080
that's why i put like the big disclaimer

804
00:26:21,990 --> 00:26:19,679
like hey you know whatever i'm saying is

805
00:26:23,590 --> 00:26:22,000
not what any appendant body any masonic

806
00:26:24,870 --> 00:26:23,600
body is saying like i'm not speaking for

807
00:26:27,590 --> 00:26:24,880
any appended body this is my own

808
00:26:29,190 --> 00:26:27,600
personal opinion this is just me you

809
00:26:31,110 --> 00:26:29,200
know this is just what i am and honestly

810
00:26:32,630 --> 00:26:31,120
when i got into it i was you know

811
00:26:35,510 --> 00:26:32,640
ian doley i think you see him in the

812
00:26:36,950 --> 00:26:35,520
chat thank god for hit that guy

813
00:26:39,029 --> 00:26:36,960

what's up james

814

00:26:40,710 --> 00:26:39,039

that's my dude right james how are you

815

00:26:42,630 --> 00:26:40,720

doing brother apparently he just needed

816

00:26:44,789 --> 00:26:42,640

to know about the pancake breakfast so

817

00:26:46,870 --> 00:26:44,799

he did i'm sorry man i'll get you in

818

00:26:49,669 --> 00:26:46,880

next time you come in early

819

00:26:51,510 --> 00:26:49,679

you can help me flip them

820

00:26:52,789 --> 00:26:51,520

but that's he's the guy who reached out

821

00:26:54,230 --> 00:26:52,799

to me was like dude you should do this

822

00:26:55,590 --> 00:26:54,240

and i'm like no

823

00:26:57,430 --> 00:26:55,600

it's like yeah you should do it i'm like

824

00:26:58,789 --> 00:26:57,440

nah man i'm i don't want to get put

825

00:27:00,710 --> 00:26:58,799

packed in the back of a van and

826

00:27:02,390 --> 00:27:00,720

disappear i got a family and [h__\h] i

827

00:27:03,750 --> 00:27:02,400

don't want to but you know he was really

828

00:27:06,470 --> 00:27:03,760

really amazing and i wouldn't be here

829

00:27:07,590 --> 00:27:06,480

without james thank you man he's a great

830

00:27:09,750 --> 00:27:07,600

dude and

831

00:27:11,269 --> 00:27:09,760

amazing you know um

832

00:27:13,350 --> 00:27:11,279

and he kind of was like yeah just do it

833

00:27:14,230 --> 00:27:13,360

you know um and that's what you know

834

00:27:16,230 --> 00:27:14,240

made me

835

00:27:18,870 --> 00:27:16,240

kind of take the leap you know uh i did

836

00:27:21,269 --> 00:27:18,880

it and

837

00:27:22,630 --> 00:27:21,279

with the fact that i knew i wasn't gonna

838

00:27:24,549 --> 00:27:22,640

i wasn't gonna make everybody happy but

839

00:27:25,990 --> 00:27:24,559

the same time if they were pissed off

840

00:27:27,750 --> 00:27:26,000

they'd come to me and let me know right

841

00:27:29,750 --> 00:27:27,760

that's how it works the same way i hope

842

00:27:31,909 --> 00:27:29,760

the government comes and tells me

843

00:27:34,389 --> 00:27:31,919

and don't shoot beams at my head or

844

00:27:35,110 --> 00:27:34,399

fake abduct me or whatever

845

00:27:37,110 --> 00:27:35,120

oh

846

00:27:39,269 --> 00:27:37,120

you know that that you've just given us

847

00:27:41,430 --> 00:27:39,279

some food for thought uh james is the

848

00:27:44,149 --> 00:27:41,440

goat by the way but uh somebody else

849

00:27:46,070 --> 00:27:44,159

that you know someday she might be the

850

00:27:48,480 --> 00:27:46,080

goat and take over the mantle from james

851
00:27:52,630 --> 00:27:48,490
and that's deb

852
00:27:56,470 --> 00:27:54,710
a week 10 days how long is this gonna

853
00:27:58,230 --> 00:27:56,480
take i'm just i'm just happy to be

854
00:28:01,350 --> 00:27:58,240
really good friends with james james is

855
00:28:06,070 --> 00:28:03,110
like i um i still gotta figure james one

856
00:28:08,950 --> 00:28:06,080
day i gotta do like a james like

857
00:28:10,710 --> 00:28:08,960
what i mean

858
00:28:13,190 --> 00:28:10,720
i don't i don't know james like i've

859
00:28:15,110 --> 00:28:13,200
never seen james be anybody james knows

860
00:28:16,870 --> 00:28:15,120
everybody he's like

861
00:28:18,149 --> 00:28:16,880
he's like the godfather of everything

862
00:28:20,389 --> 00:28:18,159
you know what i mean like all roads lead

863
00:28:21,990 --> 00:28:20,399

to james man i know can you play that

864

00:28:24,549 --> 00:28:22,000

music from the godfather name i'm just

865

00:28:28,389 --> 00:28:27,350

and i i feel like once you call me

866

00:28:29,830 --> 00:28:28,399

i feel like he's going to call me over

867

00:28:32,149 --> 00:28:29,840

at his house and he's like okay listen

868

00:28:35,269 --> 00:28:32,159

you come to me asking a favor

869

00:28:39,269 --> 00:28:36,789

he's like you gotta go you gotta go on

870

00:28:41,830 --> 00:28:39,279

tour with greer i'll be i'll be enzo the

871

00:28:47,190 --> 00:28:41,840

baker if there's a problem i help you

872

00:28:52,470 --> 00:28:48,470

i'm sorry

873

00:28:53,909 --> 00:28:52,480

just yeah it's true though it's true one

874

00:28:56,310 --> 00:28:53,919

day we're gonna be doing a ce5 and

875

00:28:57,909 --> 00:28:56,320

something's gonna happen

876

00:29:00,230 --> 00:28:57,919

i i'm wait i'm doing that and waiting

877

00:29:02,149 --> 00:29:00,240

for james to appear that's what i yeah

878

00:29:03,350 --> 00:29:02,159

yeah the next time you do a ce5 james is

879

00:29:04,870 --> 00:29:03,360

going to show up yeah it's going to be

880

00:29:07,190 --> 00:29:04,880

indoley he's going to be like boom

881

00:29:09,269 --> 00:29:07,200

that's my practice he's like what's up

882

00:29:10,470 --> 00:29:09,279

how much you bench

883

00:29:12,310 --> 00:29:10,480

hey

884

00:29:14,789 --> 00:29:12,320

[Applause]

885

00:29:17,430 --> 00:29:14,799

you know but for my trip home in august

886

00:29:19,990 --> 00:29:17,440

nate uh james said i hope we get to see

887

00:29:22,149 --> 00:29:20,000

each other so hope means it's not zero

888

00:29:24,230 --> 00:29:22,159

percent right james we're we're above

889

00:29:25,909 --> 00:29:24,240

zero at this point just don't trust him

890

00:29:26,640 --> 00:29:25,919

if he says you guys have to remote view

891

00:29:29,990 --> 00:29:26,650

it

892

00:29:31,990 --> 00:29:30,000

[Laughter]

893

00:29:33,590 --> 00:29:32,000

go ahead debs let me get this off before

894

00:29:35,750 --> 00:29:33,600

we just banter for the next 30 minutes

895

00:29:38,230 --> 00:29:35,760

okay i'm sorry i'm sorry no we're having

896

00:29:41,350 --> 00:29:38,240

fun i'm gonna go deep and serious so

897

00:29:43,510 --> 00:29:41,360

take give me a minute to set it up okay

898

00:29:46,710 --> 00:29:43,520

actually some deep breathing john

899

00:29:49,190 --> 00:29:46,720

so i went down the

900

00:29:51,269 --> 00:29:49,200

freemason research rabbit hole of course

901
00:29:53,430 --> 00:29:51,279
to prepare for today and

902
00:29:55,990 --> 00:29:53,440
at the heart of it seems to be the

903
00:29:59,669 --> 00:29:56,000
temple of king solomon

904
00:30:02,310 --> 00:29:59,679
and what i understand is that the temple

905
00:30:04,310 --> 00:30:02,320
supposedly well they said

906
00:30:08,710 --> 00:30:04,320
was designed with

907
00:30:11,190 --> 00:30:08,720
ritual in mind with structure in mind

908
00:30:13,029 --> 00:30:11,200
in a very specific way to protect the

909
00:30:13,909 --> 00:30:13,039
covenant

910
00:30:17,029 --> 00:30:13,919
now

911
00:30:18,549 --> 00:30:17,039
my understanding is that they honored

912
00:30:20,630 --> 00:30:18,559
the builder

913
00:30:24,310 --> 00:30:20,640

who helped create the temple that

914

00:30:26,950 --> 00:30:24,320

protects the sacred text and secrets

915

00:30:30,149 --> 00:30:26,960

is that the crux of what freemasons are

916

00:30:34,830 --> 00:30:30,159

about creating the ritual and the

917

00:30:38,149 --> 00:30:34,840

structure to protect the sacred and

918

00:30:40,470 --> 00:30:38,159

secrets hmm

919

00:30:41,430 --> 00:30:40,480

well the building of king solomon's

920

00:30:44,070 --> 00:30:41,440

temple

921

00:30:48,549 --> 00:30:44,080

was directed by god

922

00:30:50,710 --> 00:30:48,559

supposedly the plans the actual

923

00:30:53,430 --> 00:30:50,720

structure right the

924

00:30:56,070 --> 00:30:53,440

layout was all

925

00:30:56,789 --> 00:30:56,080

supposedly created as an instrument to

926
00:31:00,789 --> 00:30:56,799
be

927
00:31:03,269 --> 00:31:00,799
a mirror representation of the above

928
00:31:07,029 --> 00:31:03,279
as above so below right so

929
00:31:10,230 --> 00:31:07,039
um the entire layout

930
00:31:12,070 --> 00:31:10,240
was created for that purpose

931
00:31:14,070 --> 00:31:12,080
in all

932
00:31:17,350 --> 00:31:14,080
modern masonic lodges

933
00:31:20,389 --> 00:31:19,110
in the same fashion

934
00:31:23,029 --> 00:31:20,399
in the lodge room

935
00:31:25,350 --> 00:31:23,039
predominantly not the entire

936
00:31:26,870 --> 00:31:25,360
temple right the entire massive temple

937
00:31:29,430 --> 00:31:26,880
so

938
00:31:32,870 --> 00:31:29,440

it's to reflect the

939

00:31:34,789 --> 00:31:32,880

the beauty and glory of above right so

940

00:31:36,149 --> 00:31:34,799

you know that that falls into and a lot

941

00:31:37,750 --> 00:31:36,159

of freemasons don't even you know don't

942

00:31:39,669 --> 00:31:37,760

know the hermetic principle as above so

943

00:31:41,830 --> 00:31:39,679

below as well so i mean

944

00:31:43,590 --> 00:31:41,840

you know with the black and white tiled

945

00:31:45,029 --> 00:31:43,600

checkerboard as the floor you know all

946

00:31:48,870 --> 00:31:45,039

these things like that we're all

947

00:31:51,110 --> 00:31:48,880

supposedly laid down and um king solomon

948

00:31:54,389 --> 00:31:51,120

um

949

00:31:57,430 --> 00:31:54,399

this temple was commissioned by

950

00:31:59,750 --> 00:31:57,440

uh or the bill the

951
00:32:03,110 --> 00:31:59,760
head mason in charge of building that

952
00:32:06,310 --> 00:32:03,120
was um hiram abiff

953
00:32:09,990 --> 00:32:06,320
and that goes into a whole other

954
00:32:15,110 --> 00:32:12,389
it goes into a whole other allegory and

955
00:32:16,870 --> 00:32:15,120
basically um

956
00:32:18,870 --> 00:32:16,880
story that you can you can pretty much

957
00:32:21,350 --> 00:32:18,880
research i'm sure it's all out there

958
00:32:23,669 --> 00:32:21,360
um but it's part of uh

959
00:32:25,669 --> 00:32:23,679
the third degree of masonry

960
00:32:27,750 --> 00:32:25,679
so um

961
00:32:28,630 --> 00:32:27,760
that is

962
00:32:46,470 --> 00:32:28,640
a

963
00:32:49,110 --> 00:32:46,480

perfect cube

964

00:32:51,430 --> 00:32:49,120

and that is basically an allegory

965

00:32:53,750 --> 00:32:51,440

for how you are supposed to live your

966

00:32:54,830 --> 00:32:53,760

life you start out with a you know as a

967

00:32:57,909 --> 00:32:54,840

rough kind

968

00:32:59,029 --> 00:32:57,919

of uh

969

00:33:00,310 --> 00:32:59,039

you know you're still learning things

970

00:33:02,310 --> 00:33:00,320

like that but as you go you learn

971

00:33:04,950 --> 00:33:02,320

lessons you you gain from life

972

00:33:06,070 --> 00:33:04,960

experiences you learn from older

973

00:33:11,110 --> 00:33:06,080

you know

974

00:33:12,310 --> 00:33:11,120

that help you shape yourself and that's

975

00:33:13,990 --> 00:33:12,320

kind of what the core masonry is all

976

00:33:15,509 --> 00:33:14,000

about is making good men great you know

977

00:33:16,950 --> 00:33:15,519

making good men better you know those

978

00:33:18,230 --> 00:33:16,960

kind of things is like basically gives

979

00:33:20,149 --> 00:33:18,240

you the tools

980

00:33:21,669 --> 00:33:20,159

to make yourself a better person better

981

00:33:24,310 --> 00:33:21,679

man a better human a better leader a

982

00:33:25,669 --> 00:33:24,320

better person to say

983

00:33:27,430 --> 00:33:25,679

hey there's there's something wrong here

984

00:33:29,590 --> 00:33:27,440

i want to fix it hey there's people here

985

00:33:31,269 --> 00:33:29,600

that could be helped how can i help them

986

00:33:33,110 --> 00:33:31,279

and that's kind of what masonry does all

987

00:33:35,430 --> 00:33:33,120

across the board it makes you a better

988

00:33:37,509 --> 00:33:35,440

person yourself so that you can go

989

00:33:40,070 --> 00:33:37,519

then and make everything else better

990

00:33:41,830 --> 00:33:40,080

that you see that you need to and

991

00:33:43,350 --> 00:33:41,840

that's kind of the allegory and the

992

00:33:44,870 --> 00:33:43,360

things behind that and those are the

993

00:33:46,710 --> 00:33:44,880

lessons that they kind of teach you

994

00:33:48,230 --> 00:33:46,720

along the way so

995

00:33:49,269 --> 00:33:48,240

it's it's kind of neat i mean i always

996

00:33:50,789 --> 00:33:49,279

felt that as

997

00:33:52,470 --> 00:33:50,799

before but it's kind of neat to be

998

00:33:55,029 --> 00:33:52,480

tasked with that to be like you know you

999

00:33:57,509 --> 00:33:55,039

shouldn't let that person sit there and

1000

00:33:59,029 --> 00:33:57,519

be in need when you can help them right

1001
00:34:00,310 --> 00:33:59,039
you shouldn't you should if you see

1002
00:34:02,070 --> 00:34:00,320
something that you need to fix you

1003
00:34:03,350 --> 00:34:02,080
should fix it you know you should help

1004
00:34:04,710 --> 00:34:03,360
other people help you fix it you should

1005
00:34:06,549 --> 00:34:04,720
make it better

1006
00:34:08,550 --> 00:34:06,559
and that's kind of like the core of

1007
00:34:11,190 --> 00:34:08,560
masonry is like look

1008
00:34:12,790 --> 00:34:11,200
you can make yourself better um

1009
00:34:15,750 --> 00:34:12,800
and in doing so help the whole entire

1010
00:34:18,230 --> 00:34:15,760
world which is awesome

1011
00:34:21,030 --> 00:34:18,240
okay so you're saying the crux is more

1012
00:34:23,270 --> 00:34:21,040
so about building up and

1013
00:34:25,829 --> 00:34:23,280

making things better because of that

1014

00:34:27,990 --> 00:34:25,839

that's kind of the underlying theme but

1015

00:34:29,510 --> 00:34:28,000

you know i asked because everyone thinks

1016

00:34:31,750 --> 00:34:29,520

freemasons have

1017

00:34:34,149 --> 00:34:31,760

you know secret texts that they're

1018

00:34:36,710 --> 00:34:34,159

hiding and protecting and that's why you

1019

00:34:38,790 --> 00:34:36,720

know that whole parallel came to mind

1020

00:34:40,869 --> 00:34:38,800

with the building being designed to

1021

00:34:43,349 --> 00:34:40,879

protect the covenant and so on and so

1022

00:34:46,069 --> 00:34:44,629

there's other

1023

00:34:47,909 --> 00:34:46,079

there's a there's three degrees in

1024

00:34:48,790 --> 00:34:47,919

freemasonry never said that's the

1025

00:34:50,310 --> 00:34:48,800

highest score you can get as a

1026
00:34:51,510 --> 00:34:50,320
mastermind after that

1027
00:34:53,349 --> 00:34:51,520
there's a pending bodies you have the

1028
00:34:55,030 --> 00:34:53,359
york right the scottish rite

1029
00:34:57,030 --> 00:34:55,040
the um

1030
00:34:58,950 --> 00:34:57,040
knights templar you have you know what

1031
00:35:00,310 --> 00:34:58,960
this yeah resections it get all these

1032
00:35:01,990 --> 00:35:00,320
other appended bodies but what they

1033
00:35:04,550 --> 00:35:02,000
always say is the three degrees of the

1034
00:35:06,630 --> 00:35:04,560
core three main degrees of masonry right

1035
00:35:08,470 --> 00:35:06,640
um there's nothing higher than that

1036
00:35:10,150 --> 00:35:08,480
so after throughout the years there was

1037
00:35:11,910 --> 00:35:10,160
other stories and allegories they put in

1038
00:35:14,790 --> 00:35:11,920

and created different bodies that still

1039

00:35:16,550 --> 00:35:14,800

had good morals and historical

1040

00:35:18,390 --> 00:35:16,560

narratives and and truths that were

1041

00:35:19,750 --> 00:35:18,400

built into them

1042

00:35:24,630 --> 00:35:19,760

so

1043

00:35:27,990 --> 00:35:26,230

potentially

1044

00:35:29,430 --> 00:35:28,000

and some of them don't

1045

00:35:30,630 --> 00:35:29,440

you know so it's it's one of those

1046

00:35:33,030 --> 00:35:30,640

things where

1047

00:35:35,670 --> 00:35:33,040

you know um is it another allegory is it

1048

00:35:38,710 --> 00:35:35,680

another is it a little literal

1049

00:35:39,990 --> 00:35:38,720

um retelling of a story i mean

1050

00:35:42,390 --> 00:35:40,000

i've seen the arc of the government like

1051
00:35:44,790 --> 00:35:42,400
four times

1052
00:35:49,430 --> 00:35:44,800
but it's you know made out of plywood

1053
00:35:52,390 --> 00:35:50,870
you know

1054
00:35:54,150 --> 00:35:52,400
but who's to say what's in it or what

1055
00:35:55,990 --> 00:35:54,160
was in it i mean you know i mean it's

1056
00:35:57,750 --> 00:35:56,000
it's kind of one of those things

1057
00:35:59,349 --> 00:35:57,760
it's a good price for krylon because the

1058
00:36:01,030 --> 00:35:59,359
rust-oleum

1059
00:36:02,950 --> 00:36:01,040
you never see it on sale so you never

1060
00:36:04,230 --> 00:36:02,960
see it on sale thank you you're right

1061
00:36:06,870 --> 00:36:04,240
about that and you know it's got the

1062
00:36:09,109 --> 00:36:06,880
primer in it too right through it makes

1063
00:36:10,310 --> 00:36:09,119

it a little pricey uh

1064

00:36:11,190 --> 00:36:10,320

anyway

1065

00:36:13,510 --> 00:36:11,200

so

1066

00:36:16,069 --> 00:36:13,520

uh i'd like to shift gears we're going

1067

00:36:18,550 --> 00:36:16,079

into uh fourth gear now unfortunately i

1068

00:36:21,190 --> 00:36:18,560

didn't pay enough for a five speed but

1069

00:36:24,710 --> 00:36:23,109

but i felt like i ran i felt like that

1070

00:36:26,620 --> 00:36:24,720

was a big politician answer i felt like

1071

00:36:28,630 --> 00:36:26,630

it was harry reid on that one

1072

00:36:29,990 --> 00:36:28,640

[Laughter]

1073

00:36:32,710 --> 00:36:30,000

oh you know

1074

00:36:34,870 --> 00:36:32,720

jasha said harry reid has yet yet he has

1075

00:36:36,710 --> 00:36:34,880

yet to utter his last word so i can't

1076

00:36:39,109 --> 00:36:36,720

wait to hear what that might be and and

1077

00:36:40,870 --> 00:36:39,119

deb also has some theories on what

1078

00:36:43,349 --> 00:36:40,880

groups that he may have been part of but

1079

00:36:44,870 --> 00:36:43,359

um for now what i want to add mormons he

1080

00:36:47,030 --> 00:36:44,880

was a mormon right

1081

00:36:49,670 --> 00:36:47,040

yeah but there's some other groups uh

1082

00:36:51,829 --> 00:36:49,680

and i'll let uh deb expand on that i

1083

00:36:54,710 --> 00:36:51,839

don't want to steal her thunder

1084

00:36:55,750 --> 00:36:54,720

um and yeah james james

1085

00:36:57,990 --> 00:36:55,760

i i

1086

00:36:59,109 --> 00:36:58,000

i hear what you feel it

1087

00:37:00,390 --> 00:36:59,119

i hear what we were talking about

1088

00:37:02,550 --> 00:37:00,400

degrees

1089

00:37:05,430 --> 00:37:02,560

was congress it's uh

1090

00:37:08,069 --> 00:37:05,440

congress oh yeah that was one of them

1091

00:37:10,390 --> 00:37:08,079

the raven aviary is what she thinks he

1092

00:37:11,270 --> 00:37:10,400

was part of the raven aviary

1093

00:37:15,589 --> 00:37:11,280

so

1094

00:37:22,950 --> 00:37:16,710

i knew

1095

00:37:23,750 --> 00:37:22,960

you and uh thank you

1096

00:37:24,470 --> 00:37:23,760

um

1097

00:37:26,950 --> 00:37:24,480

so

1098

00:37:29,030 --> 00:37:26,960

but last time you and i spoke uh we i

1099

00:37:30,310 --> 00:37:29,040

think we had a stream yard and we just

1100

00:37:31,829 --> 00:37:30,320

talked about

1101

00:37:34,470 --> 00:37:31,839

the connections me and you and deb we

1102

00:37:35,430 --> 00:37:34,480

were just just chatting was deb there

1103

00:37:37,829 --> 00:37:35,440

yeah

1104

00:37:39,190 --> 00:37:37,839

okay i don't remember that

1105

00:37:40,790 --> 00:37:39,200

that's the only reason i'm here and i

1106

00:37:42,870 --> 00:37:40,800

love you dj but

1107

00:37:45,190 --> 00:37:42,880

oh well awesome thank you dad for

1108

00:37:46,710 --> 00:37:45,200

getting him to come on

1109

00:37:49,670 --> 00:37:46,720

that's the reason we're all here thanks

1110

00:37:51,750 --> 00:37:49,680

for remembering me dj that's cool

1111

00:37:53,510 --> 00:37:51,760

i'm so sorry

1112

00:37:57,910 --> 00:37:53,520

i'm just teasing you it was a lot of

1113

00:37:59,910 --> 00:37:57,920

glasses of wine to go okay so um anyway

1114

00:38:01,190 --> 00:37:59,920

you were talking about the cross-section

1115

00:38:03,670 --> 00:38:01,200

between

1116

00:38:05,109 --> 00:38:03,680

and i had trouble with this and so i i

1117

00:38:05,990 --> 00:38:05,119

think you might be able to help me out

1118

00:38:08,150 --> 00:38:06,000

here

1119

00:38:10,310 --> 00:38:08,160

is between

1120

00:38:12,310 --> 00:38:10,320

spirits what i

1121

00:38:14,710 --> 00:38:12,320

would think of as ghosts

1122

00:38:18,550 --> 00:38:14,720

that haunt places

1123

00:38:20,230 --> 00:38:18,560

and the phenomenon that we see as uaps

1124

00:38:23,430 --> 00:38:20,240

or ufos

1125

00:38:25,270 --> 00:38:23,440

and you feel a connection

1126
00:38:26,630 --> 00:38:25,280
between those two

1127
00:38:27,910 --> 00:38:26,640
things

1128
00:38:29,109 --> 00:38:27,920
so

1129
00:38:32,470 --> 00:38:29,119
okay please

1130
00:38:34,470 --> 00:38:32,480
yeah i mean if just read um skinwalkers

1131
00:38:36,310 --> 00:38:34,480
at the pentagon

1132
00:38:37,990 --> 00:38:36,320
i mean that that'll tell you right there

1133
00:38:39,349 --> 00:38:38,000
um

1134
00:38:41,190 --> 00:38:39,359
i can't remember who else did this as

1135
00:38:43,829 --> 00:38:41,200
well but somebody else recently just put

1136
00:38:46,470 --> 00:38:43,839
out you know the overlay of

1137
00:38:47,910 --> 00:38:46,480
the ufo sighting map and like the the

1138
00:38:49,430 --> 00:38:47,920

the um

1139

00:38:51,270 --> 00:38:49,440

uh

1140

00:38:53,109 --> 00:38:51,280

poltergeist or whatever you know like

1141

00:38:54,069 --> 00:38:53,119

the ghost sighting map or whatever it is

1142

00:38:54,950 --> 00:38:54,079

and

1143

00:38:56,470 --> 00:38:54,960

um

1144

00:38:59,510 --> 00:38:56,480

i'm actually writing a couple books

1145

00:39:01,910 --> 00:38:59,520

right now believe it or not two of them

1146

00:39:03,589 --> 00:39:01,920

yeah but not one where vamp where jesus

1147

00:39:06,150 --> 00:39:03,599

is a vampire and nathan is but anyway

1148

00:39:07,750 --> 00:39:06,160

that's beside you oh better no but that

1149

00:39:08,550 --> 00:39:07,760

sounds red i'll read the whole different

1150

00:39:10,069 --> 00:39:08,560

show

1151

00:39:10,870 --> 00:39:10,079

yeah yeah yeah

1152

00:39:20,069 --> 00:39:10,880

dude

1153

00:39:23,829 --> 00:39:22,550

oh man i want to make this de long is

1154

00:39:33,349 --> 00:39:23,839

going to put out his movie and ours is

1155

00:39:36,870 --> 00:39:35,190

there's a collaboration has just been

1156

00:39:38,950 --> 00:39:36,880

put together this is almost like when

1157

00:39:40,630 --> 00:39:38,960

nathan met exo academia for the first

1158

00:39:43,030 --> 00:39:40,640

time

1159

00:39:45,510 --> 00:39:43,040

wow he showed up and jesus became a

1160

00:39:47,510 --> 00:39:45,520

vampire yeah that's amazing weird things

1161

00:39:49,030 --> 00:39:47,520

happen man i get it you guys are in

1162

00:39:50,630 --> 00:39:49,040

north carolina i don't want to ask

1163

00:39:53,109 --> 00:39:50,640

anything about blood cells you got the

1164

00:39:55,430 --> 00:39:53,119

[h__h] bases down there the weird stuff

1165

00:39:57,510 --> 00:39:55,440

it is i love it and micah hanks thought

1166

00:39:59,349 --> 00:39:57,520

he was okay we were coordinating from

1167

00:40:01,030 --> 00:39:59,359

micah hanks he's and and we were dying

1168

00:40:03,270 --> 00:40:01,040

to get him on the show

1169

00:40:04,950 --> 00:40:03,280

and he messaged today hey am i on at

1170

00:40:06,870 --> 00:40:04,960

nine tonight i'm like wait i thought you

1171

00:40:08,309 --> 00:40:06,880

were in brazil and we were supposed to

1172

00:40:10,550 --> 00:40:08,319

set a date so that would have been

1173

00:40:13,910 --> 00:40:10,560

ironic because we believe that nathan

1174

00:40:16,390 --> 00:40:13,920

exod x or academia and micah hanks are

1175

00:40:17,670 --> 00:40:16,400

neighbors essentially so i think they're

1176

00:40:19,430 --> 00:40:17,680

the same person i've never seen all

1177

00:40:20,870 --> 00:40:19,440

three of them it's true

1178

00:40:23,430 --> 00:40:20,880

nathan can you prove it do you have

1179

00:40:26,710 --> 00:40:24,710

i'm sorry

1180

00:40:29,030 --> 00:40:26,720

he can't he can't prove this he's doing

1181

00:40:30,150 --> 00:40:29,040

both voices on liminal fringe i know

1182

00:40:31,430 --> 00:40:30,160

that's what i'm saying

1183

00:40:34,470 --> 00:40:31,440

he's just got like a little tweak thing

1184

00:40:36,230 --> 00:40:34,480

he just like hits it up on the side

1185

00:40:38,790 --> 00:40:36,240

pitch shifted a little bit

1186

00:40:40,390 --> 00:40:38,800

this is ridiculous man we should be pexo

1187

00:40:42,150 --> 00:40:40,400

i'm going to send you a check after the

1188

00:40:44,069 --> 00:40:42,160

show this is just too good

1189

00:40:47,270 --> 00:40:44,079

uh i forgot the question was there a

1190

00:40:49,190 --> 00:40:47,280

question yeah there was a question there

1191

00:40:51,270 --> 00:40:49,200

wait wait a minute yeah

1192

00:40:53,190 --> 00:40:51,280

i want that yeah wait

1193

00:40:55,030 --> 00:40:53,200

flair's like i want to get paid all

1194

00:40:57,589 --> 00:40:55,040

right so nathan will take care of your

1195

00:40:59,750 --> 00:40:57,599

benefits plan anyway so

1196

00:41:01,670 --> 00:40:59,760

this is the thing john so you're in

1197

00:41:04,390 --> 00:41:01,680

connecticut you're at this conjuring

1198

00:41:07,829 --> 00:41:04,400

house you know oh you have okay so yeah

1199

00:41:09,750 --> 00:41:07,839

oh yeah okay so yeah so there's

1200

00:41:10,870 --> 00:41:09,760

ah

1201

00:41:12,230 --> 00:41:10,880

so i don't want to get too deep into it

1202

00:41:14,069 --> 00:41:12,240

because i'm writing a couple books with

1203

00:41:15,510 --> 00:41:14,079

with a another guy who's is amazing i

1204

00:41:17,910 --> 00:41:15,520

don't want to say his name he's a he's a

1205

00:41:18,500 --> 00:41:17,920

really great dude and he and i and just

1206

00:41:21,990 --> 00:41:18,510

kidding

1207

00:41:24,230 --> 00:41:22,000

[Laughter]

1208

00:41:25,829 --> 00:41:24,240

um he kind of he kind of got me hit to

1209

00:41:27,670 --> 00:41:25,839

it and we've been really expounding upon

1210

00:41:29,829 --> 00:41:27,680

it but but basically there's a way

1211

00:41:31,589 --> 00:41:29,839

there's a massive overlap and and he

1212

00:41:33,349 --> 00:41:31,599

came from the world of

1213

00:41:35,270 --> 00:41:33,359

the whole

1214

00:41:36,790 --> 00:41:35,280

um i'm gonna go investigate this whole

1215

00:41:38,550 --> 00:41:36,800

poltergeist thing where there's stuff

1216

00:41:39,990 --> 00:41:38,560

flying off the wall the kids can't sleep

1217

00:41:41,109 --> 00:41:40,000

the dog's getting harassed you know

1218

00:41:42,470 --> 00:41:41,119

people you know like there's stuff

1219

00:41:45,670 --> 00:41:42,480

flying out of their drawers and all this

1220

00:41:47,270 --> 00:41:45,680

[h__h] and you know um didn't see the the

1221

00:41:48,550 --> 00:41:47,280

ufo side of it and then you know the

1222

00:41:51,030 --> 00:41:48,560

orbs were part of it and all these

1223

00:41:53,910 --> 00:41:51,040

things but then he started overlapping

1224

00:41:56,230 --> 00:41:53,920

the whole um ufo sighting thing and it

1225

00:41:58,390 --> 00:41:56,240

was like verbatim one for one boom boom

1226

00:41:59,990 --> 00:41:58,400

boom boom boom boom like all the places

1227

00:42:01,750 --> 00:42:00,000

that he was like he he went out and you

1228

00:42:03,109 --> 00:42:01,760

know he's got like the trifield meters

1229

00:42:04,790 --> 00:42:03,119

and he had like people that went with

1230

00:42:05,829 --> 00:42:04,800

them and they did all these things and

1231

00:42:07,349 --> 00:42:05,839

he said that you know a lot of this

1232

00:42:08,950 --> 00:42:07,359

stuff was like the refrigerator was

1233

00:42:10,470 --> 00:42:08,960

screwed up the electrician had to come

1234

00:42:12,309 --> 00:42:10,480

in and like you know they do they do

1235

00:42:13,349 --> 00:42:12,319

like a legit scientific investigation

1236

00:42:15,190 --> 00:42:13,359

they get somebody to come look at all

1237

00:42:16,230 --> 00:42:15,200

the electrical in the house they come to

1238

00:42:17,510 --> 00:42:16,240

look at you know make sure that your

1239

00:42:19,190 --> 00:42:17,520

sewer is not backing up and you're

1240

00:42:21,750 --> 00:42:19,200

getting methane and you know you're

1241

00:42:23,750 --> 00:42:21,760

seeing you know they do it legit

1242

00:42:26,710 --> 00:42:23,760

it's and the ones that they can't

1243

00:42:29,750 --> 00:42:26,720

explain has this massive correlation

1244

00:42:31,030 --> 00:42:29,760

with ufo sightings

1245

00:42:32,630 --> 00:42:31,040

and it's it's always like aerial

1246

00:42:33,990 --> 00:42:32,640

phenomenon things like that and it's not

1247

00:42:35,270 --> 00:42:34,000

only that it's like the cryptid thing

1248

00:42:37,270 --> 00:42:35,280

too it's like or you know like people

1249

00:42:39,109 --> 00:42:37,280

saw a bigfoot or a

1250

00:42:40,710 --> 00:42:39,119

wolf or you know like any of that saw a

1251
00:42:42,309 --> 00:42:40,720
bat or you know like some giant thing

1252
00:42:45,829 --> 00:42:42,319
you know and it's like there's these

1253
00:42:47,589 --> 00:42:45,839
pockets of just mayhem

1254
00:42:48,870 --> 00:42:47,599
you know that happened and people get

1255
00:42:50,950 --> 00:42:48,880
kind of caught up in the middle of it

1256
00:42:52,230 --> 00:42:50,960
and um

1257
00:42:54,390 --> 00:42:52,240
you know and i think that's kind of one

1258
00:42:55,750 --> 00:42:54,400
of the biggest um

1259
00:42:57,829 --> 00:42:55,760
the biggest you know we were talking

1260
00:42:59,430 --> 00:42:57,839
really early on about you know the drama

1261
00:43:01,190 --> 00:42:59,440
on ufo twitter and all those things it's

1262
00:43:02,710 --> 00:43:01,200
like well the ufo twitter people don't

1263
00:43:04,230 --> 00:43:02,720

talk to the bigfoot people and the

1264

00:43:05,270 --> 00:43:04,240

bigfoot people don't talk to the ghost

1265

00:43:07,750 --> 00:43:05,280

people and the ghost people don't talk

1266

00:43:09,109 --> 00:43:07,760

to anybody you know and it's like

1267

00:43:11,270 --> 00:43:09,119

man everybody just needs to talk to

1268

00:43:14,069 --> 00:43:11,280

everybody because um

1269

00:43:15,990 --> 00:43:14,079

until we can share data and and get into

1270

00:43:17,510 --> 00:43:16,000

a you know a no

1271

00:43:19,030 --> 00:43:17,520

um

1272

00:43:21,510 --> 00:43:19,040

uh what am i what are the words i'm

1273

00:43:22,950 --> 00:43:21,520

looking for like like a uh

1274

00:43:24,150 --> 00:43:22,960

dev helped me out like where it's like

1275

00:43:25,510 --> 00:43:24,160

it's okay to talk about everything

1276

00:43:26,630 --> 00:43:25,520

what's the psychological term you talk

1277

00:43:27,910 --> 00:43:26,640

about it's like it's okay to talk about

1278

00:43:29,990 --> 00:43:27,920

all these things

1279

00:43:32,309 --> 00:43:30,000

i'm just gonna call it being open-minded

1280

00:43:34,150 --> 00:43:32,319

i mean well there you go i thought there

1281

00:43:36,069 --> 00:43:34,160

was a term for but you know basically

1282

00:43:37,589 --> 00:43:36,079

it's like you're open to express all of

1283

00:43:39,109 --> 00:43:37,599

your feelings and emotions without

1284

00:43:40,950 --> 00:43:39,119

judgment right or you can just get up

1285

00:43:42,950 --> 00:43:40,960

here and say yeah i saw a ghost okay

1286

00:43:45,430 --> 00:43:42,960

cool i saw a bigfoot oh all right i saw

1287

00:43:47,510 --> 00:43:45,440

ufo yeah cool well my

1288

00:43:49,109 --> 00:43:47,520

refrigerator flew open and all the ice

1289

00:43:50,730 --> 00:43:49,119

flew out of it like

1290

00:43:52,150 --> 00:43:50,740

all right cool so

1291

00:43:53,510 --> 00:43:52,160

[Music]

1292

00:43:56,309 --> 00:43:53,520

is it the same thing is it something

1293

00:43:58,230 --> 00:43:56,319

different is it uh is it whatever it is

1294

00:43:59,750 --> 00:43:58,240

to the individual person experiencing it

1295

00:44:02,710 --> 00:43:59,760

at that moment

1296

00:44:04,150 --> 00:44:02,720

possibly are you influencing it

1297

00:44:07,349 --> 00:44:04,160

yourself

1298

00:44:08,470 --> 00:44:07,359

by whatever your bioelectrical chemical

1299

00:44:10,230 --> 00:44:08,480

makeup is

1300

00:44:12,550 --> 00:44:10,240

maybe is there a magnetic field

1301

00:44:15,510 --> 00:44:12,560

disruption is it all of those things

1302

00:44:17,430 --> 00:44:15,520

probably i don't know i feel the

1303

00:44:19,750 --> 00:44:17,440

difference i feel it seems to me and

1304

00:44:22,710 --> 00:44:19,760

this is just so just i want to just take

1305

00:44:24,309 --> 00:44:22,720

this with i'm open to any possibility

1306

00:44:26,230 --> 00:44:24,319

this is just what i think and what i

1307

00:44:27,990 --> 00:44:26,240

feel and i'm hoping that i could be

1308

00:44:31,589 --> 00:44:28,000

completely wrong about this

1309

00:44:32,790 --> 00:44:31,599

i feel like ghosts are representative of

1310

00:44:34,950 --> 00:44:32,800

humans

1311

00:44:36,470 --> 00:44:34,960

spirits or consciousnesses

1312

00:44:39,190 --> 00:44:36,480

that have died

1313

00:44:40,230 --> 00:44:39,200

and have for some reason decided to

1314

00:44:43,349 --> 00:44:40,240

remain

1315

00:44:44,870 --> 00:44:43,359

in a physical location for either a

1316

00:44:47,750 --> 00:44:44,880

positive reason

1317

00:44:50,069 --> 00:44:47,760

for uh as they tell medium sometimes

1318

00:44:53,190 --> 00:44:50,079

that there was business that was left

1319

00:44:56,309 --> 00:44:53,200

unaccomplished or possibly for malice

1320

00:44:57,829 --> 00:44:56,319

uh that we see in in instances where

1321

00:45:00,550 --> 00:44:57,839

they're violent with someone in the

1322

00:45:03,109 --> 00:45:00,560

house either physically or or something

1323

00:45:05,030 --> 00:45:03,119

and i feel like the the phenomenon that

1324

00:45:07,430 --> 00:45:05,040

i think of as and i'm just going to use

1325

00:45:09,750 --> 00:45:07,440

the term ufos i'm thinking of as

1326

00:45:12,069 --> 00:45:09,760

something that uh

1327

00:45:15,270 --> 00:45:12,079

either comes from another dimension

1328

00:45:18,069 --> 00:45:15,280

something that comes uh from uh possibly

1329

00:45:20,870 --> 00:45:18,079

a different time space and then enters

1330

00:45:23,349 --> 00:45:20,880

into our time space to look around as

1331

00:45:25,589 --> 00:45:23,359

they did with the navy kind of surveil

1332

00:45:27,990 --> 00:45:25,599

see what the navy's doing these types of

1333

00:45:30,550 --> 00:45:28,000

things so i see them as different things

1334

00:45:32,870 --> 00:45:30,560

one of them used to be a human

1335

00:45:36,390 --> 00:45:32,880

that is some for some reason connected

1336

00:45:37,670 --> 00:45:36,400

itself to a specific location or person

1337

00:45:40,069 --> 00:45:37,680

because sometimes there's that

1338

00:45:41,670 --> 00:45:40,079

hitchhiker and i think of the ufos as

1339

00:45:43,510 --> 00:45:41,680

something that is

1340

00:45:46,870 --> 00:45:43,520

coming and interacting with us for a

1341

00:46:01,270 --> 00:45:48,150

i

1342

00:46:04,710 --> 00:46:01,280

you

1343

00:46:06,950 --> 00:46:04,720

i'm open to be wrong

1344

00:46:08,710 --> 00:46:06,960

yeah no totally i mean

1345

00:46:11,030 --> 00:46:08,720

i um

1346

00:46:12,870 --> 00:46:11,040

when i was a kid i saw a ghost it scared

1347

00:46:15,430 --> 00:46:12,880

the [h__\h] out of me

1348

00:46:16,550 --> 00:46:15,440

like a person type thing or

1349

00:46:19,990 --> 00:46:16,560

wow

1350

00:46:22,390 --> 00:46:20,000

oh my god and it wasn't until i was

1351

00:46:24,950 --> 00:46:22,400

17 or 18 until i met a lady named chris

1352

00:46:26,390 --> 00:46:24,960

woodward woodward she writes these books

1353

00:46:28,069 --> 00:46:26,400

she's got a giant series of books called

1354

00:46:29,750 --> 00:46:28,079

haunted ohio she's got like 10 of them

1355

00:46:32,150 --> 00:46:29,760

or something like that

1356

00:46:33,030 --> 00:46:32,160

amazing right she's amazing author nice

1357

00:46:34,710 --> 00:46:33,040

lady

1358

00:46:36,230 --> 00:46:34,720

and i was working at a radio station at

1359

00:46:37,589 --> 00:46:36,240

the time in dayton it was halloween we

1360

00:46:39,270 --> 00:46:37,599

had like the halloween thing and it was

1361

00:46:40,470 --> 00:46:39,280

like in a building from the 1800s and it

1362

00:46:41,750 --> 00:46:40,480

was like you know it was a

1363

00:46:44,309 --> 00:46:41,760

slaughterhouse in the 1800s but they

1364

00:46:46,309 --> 00:46:44,319

turned into a radio station wow amazing

1365

00:46:49,109 --> 00:46:46,319

right so yeah so i got to work

1366

00:46:51,670 --> 00:46:49,119

overnights right i got to do uh 10 or

1367

00:46:53,109 --> 00:46:51,680

yeah 10 p.m to 10 a.m right so i was

1368

00:46:55,190 --> 00:46:53,119

there by myself

1369

00:46:56,870 --> 00:46:55,200

and i saw some weird stuff right like

1370

00:46:58,550 --> 00:46:56,880

chair spinning in circles and all this

1371

00:47:00,630 --> 00:46:58,560

other [h__\h] like just

1372

00:47:01,750 --> 00:47:00,640

weird stuff and i asked her like off the

1373

00:47:02,870 --> 00:47:01,760

air i'm like look this is what i'm

1374

00:47:04,150 --> 00:47:02,880

seeing whatever and she looked at me and

1375

00:47:05,349 --> 00:47:04,160

she's like you could stop seeing it if

1376

00:47:06,230 --> 00:47:05,359

you want to

1377

00:47:07,430 --> 00:47:06,240

like what do you mean she's like you

1378

00:47:09,349 --> 00:47:07,440

just tell yourself you don't want to see

1379

00:47:10,390 --> 00:47:09,359

it anymore and when that happens you're

1380

00:47:11,829 --> 00:47:10,400

like nope

1381

00:47:13,030 --> 00:47:11,839

i'm done i don't want to see it i'm like

1382

00:47:14,069 --> 00:47:13,040

that's it she's like that's it that's

1383

00:47:15,270 --> 00:47:14,079

what i got to do so the next time

1384

00:47:16,150 --> 00:47:15,280

something that happened is i was like

1385

00:47:17,190 --> 00:47:16,160

nope

1386

00:47:19,109 --> 00:47:17,200

i'm done

1387

00:47:21,750 --> 00:47:19,119

and then i didn't see anything anymore

1388

00:47:24,069 --> 00:47:21,760

for a long time talking about 10 20

1389

00:47:25,910 --> 00:47:24,079

years 15 15 years or something like that

1390

00:47:27,750 --> 00:47:25,920

right until allowed myself to be able to

1391

00:47:29,510 --> 00:47:27,760

open to whatever that was without

1392

00:47:31,430 --> 00:47:29,520

because it really scares the

1393

00:47:32,390 --> 00:47:31,440

the hell out of him you know

1394

00:47:33,670 --> 00:47:32,400

and because you don't know what it is

1395

00:47:35,270 --> 00:47:33,680

you immediately go to the thing like oh

1396

00:47:37,270 --> 00:47:35,280

it's my dead grandma it's whatever right

1397

00:47:40,950 --> 00:47:37,280

you know i don't know what that is but

1398

00:47:43,990 --> 00:47:40,960

um the power that you have

1399

00:47:46,069 --> 00:47:44,000

mentally to be able to to or or to not

1400

00:47:48,069 --> 00:47:46,079

experience those things is massive and

1401

00:47:50,470 --> 00:47:48,079

it's so undervalued so

1402

00:47:52,470 --> 00:47:50,480

she taught me that she taught me that

1403

00:47:53,829 --> 00:47:52,480

you can

1404

00:47:55,109 --> 00:47:53,839

allow yourself to do these things or

1405

00:47:56,950 --> 00:47:55,119

allow yourself not to do those things

1406

00:47:58,549 --> 00:47:56,960

and from my personal experience i find

1407

00:47:59,750 --> 00:47:58,559

that to be true but like i've said this

1408

00:48:01,430 --> 00:47:59,760

before in a couple different interviews

1409

00:48:03,589 --> 00:48:01,440

it's just it's harder to turn the knob

1410

00:48:05,510 --> 00:48:03,599

back on than it is to turn it off it's

1411

00:48:08,390 --> 00:48:05,520

easier to turn it off but

1412

00:48:09,990 --> 00:48:08,400

um because you know all of the

1413

00:48:11,829 --> 00:48:10,000

um

1414

00:48:13,190 --> 00:48:11,839

social implications or whatever like you

1415

00:48:14,390 --> 00:48:13,200

know and all these other things and two

1416

00:48:15,670 --> 00:48:14,400

plus you just don't want to be scared

1417

00:48:16,870 --> 00:48:15,680

you know i'm just gonna try to go to the

1418

00:48:17,990 --> 00:48:16,880

bathroom at three in the morning i don't

1419

00:48:19,829 --> 00:48:18,000

wanna see

1420

00:48:22,950 --> 00:48:19,839

two people hanging out in the hallway on

1421

00:48:24,870 --> 00:48:22,960

top of that yeah right

1422

00:48:26,069 --> 00:48:24,880

i really gotta go take a leak a lady i

1423

00:48:27,990 --> 00:48:26,079

don't

1424

00:48:29,190 --> 00:48:28,000

give me that toilet paper yeah yeah

1425

00:48:30,470 --> 00:48:29,200

right yeah if you're gonna do something

1426

00:48:31,750 --> 00:48:30,480

clean up that's what that's that's

1427

00:48:32,790 --> 00:48:31,760

exactly what i did i got really pissed

1428

00:48:34,390 --> 00:48:32,800

because this thing came out i'm like

1429

00:48:36,710 --> 00:48:34,400

look if you're going to be here do the

1430

00:48:37,990 --> 00:48:36,720

laundry or something cause you're like

1431

00:48:43,030 --> 00:48:38,000

like

1432

00:48:44,230 --> 00:48:43,040

how about or get out i don't know what

1433

00:48:46,069 --> 00:48:44,240

to tell you

1434

00:48:47,510 --> 00:48:46,079

well i mean just like that

1435

00:48:49,589 --> 00:48:47,520

yeah you know just like you talked about

1436

00:48:50,950 --> 00:48:49,599

earlier about the cornerstone and and

1437

00:48:53,030 --> 00:48:50,960

things that you started to see as you

1438

00:48:53,990 --> 00:48:53,040

became a mason that had been there all

1439

00:48:55,750 --> 00:48:54,000

along

1440

00:48:57,670 --> 00:48:55,760

you know the truth of the matter is that

1441

00:48:59,430 --> 00:48:57,680

we're born into a world that is already

1442

00:49:00,710 --> 00:48:59,440

putting the blinders on us and is

1443

00:49:02,870 --> 00:49:00,720

already

1444

00:49:04,790 --> 00:49:02,880

you know kind of keeping us in a lane

1445

00:49:07,190 --> 00:49:04,800

and so i agree with you it is really

1446

00:49:09,030 --> 00:49:07,200

hard to open the valve it's it's a lot

1447

00:49:11,510 --> 00:49:09,040

easier to shut it because in many ways

1448

00:49:13,910 --> 00:49:11,520

it's already shut when we get here

1449

00:49:15,910 --> 00:49:13,920

um and so here and then preconditioned

1450

00:49:17,430 --> 00:49:15,920

by society and you're exactly bringing

1451

00:49:19,190 --> 00:49:17,440

in whatever else is just shut down but

1452

00:49:20,150 --> 00:49:19,200

then you look at the like cultures like

1453

00:49:22,630 --> 00:49:20,160

india

1454

00:49:25,190 --> 00:49:22,640

where where reincarnation is just

1455

00:49:26,630 --> 00:49:25,200

welcomed and and embraced

1456

00:49:29,030 --> 00:49:26,640

and they find these people they're like

1457

00:49:30,950 --> 00:49:29,040

hey this my daughter was born with this

1458

00:49:33,510 --> 00:49:30,960

giant birthmark on her chest and she's

1459

00:49:35,270 --> 00:49:33,520

like yeah i got shot by the guy that's

1460

00:49:36,950 --> 00:49:35,280

two villages down and they go down two

1461

00:49:38,069 --> 00:49:36,960

villages and she's four and they take

1462

00:49:39,910 --> 00:49:38,079

her down there and they're like oh yeah

1463

00:49:41,510 --> 00:49:39,920

this is the guy

1464

00:49:43,430 --> 00:49:41,520

and that's my gran and that's my grandma

1465

00:49:45,349 --> 00:49:43,440

and that's aunt sue and like all this

1466

00:49:48,390 --> 00:49:45,359

stuff and they're like yeah and then you

1467

00:49:50,950 --> 00:49:48,400

know like that happens a lot in that in

1468

00:49:52,230 --> 00:49:50,960

in that society and in that in that

1469

00:49:54,150 --> 00:49:52,240

culture right

1470

00:49:55,829 --> 00:49:54,160

but here you know my dad told me a

1471

00:49:57,430 --> 00:49:55,839

couple a long time he's like if

1472

00:49:59,349 --> 00:49:57,440

reincarnation happened here in america

1473

00:50:00,950 --> 00:49:59,359

it'd be so it'd be so bizarre because

1474

00:50:02,150 --> 00:50:00,960

everything changes so often it's like do

1475

00:50:03,990 --> 00:50:02,160

you imagine that like if you

1476
00:50:05,349 --> 00:50:04,000
reincarnated like you know it's 50 years

1477
00:50:06,870 --> 00:50:05,359
100 years whatever it's like [h__h]

1478
00:50:09,349 --> 00:50:06,880
there's a taco bell where the house used

1479
00:50:10,549 --> 00:50:09,359
to be you know there's there's like

1480
00:50:12,470 --> 00:50:10,559
there's all these things that are

1481
00:50:13,670 --> 00:50:12,480
different you know what i mean like

1482
00:50:14,710 --> 00:50:13,680
everything would be completely changed

1483
00:50:15,910 --> 00:50:14,720
you wouldn't have your bearings or

1484
00:50:18,390 --> 00:50:15,920
whatever and plus we don't have the

1485
00:50:20,630 --> 00:50:18,400
cultural or psychological makeup to even

1486
00:50:21,829 --> 00:50:20,640
embrace that idea we have no embracement

1487
00:50:23,990 --> 00:50:21,839
of the idea but other cultures like

1488
00:50:26,470 --> 00:50:24,000

india specifically we're like yeah this

1489

00:50:28,069 --> 00:50:26,480

is what's going on cool and there's so

1490

00:50:29,670 --> 00:50:28,079

many stories out of india about that and

1491

00:50:31,910 --> 00:50:29,680

that's just completely overlooked i

1492

00:50:33,670 --> 00:50:31,920

don't mean to break in nathan's uh

1493

00:50:36,470 --> 00:50:33,680

because nathan's got the con right now

1494

00:50:38,549 --> 00:50:36,480

but do you have a place that you want to

1495

00:50:40,309 --> 00:50:38,559

explore in the world that you

1496

00:50:46,870 --> 00:50:40,319

would like to take all of your knowledge

1497

00:50:50,390 --> 00:50:48,790

south carolina it's right down below you

1498

00:50:51,589 --> 00:50:50,400

man

1499

00:50:53,670 --> 00:50:51,599

honestly

1500

00:50:55,910 --> 00:50:53,680

that's him i'm in florida it doesn't

1501

00:50:58,390 --> 00:50:55,920

exist to me that's uh i stopped i said

1502

00:50:59,990 --> 00:50:58,400

no to it a long time ago no yeah it's

1503

00:51:01,270 --> 00:51:00,000

just not there anymore why is it just

1504

00:51:02,309 --> 00:51:01,280

like why is it not i'll carry online i'm

1505

00:51:04,710 --> 00:51:02,319

sorry yeah

1506

00:51:05,670 --> 00:51:04,720

i digress that's a good question

1507

00:51:08,069 --> 00:51:05,680

uh

1508

00:51:10,230 --> 00:51:08,079

that's a very good question well i you

1509

00:51:11,430 --> 00:51:10,240

know i think um

1510

00:51:13,109 --> 00:51:11,440

there's so many themes that i wanted to

1511

00:51:13,829 --> 00:51:13,119

touch on with what you just said but you

1512

00:51:16,950 --> 00:51:13,839

know

1513

00:51:20,069 --> 00:51:16,960

person

1514

00:51:21,270 --> 00:51:20,079

and i think that um

1515

00:51:23,030 --> 00:51:21,280

you know one thing that i think we're

1516

00:51:25,270 --> 00:51:23,040

all kind of struggling with in the 21st

1517

00:51:27,190 --> 00:51:25,280

century is virtual community how we make

1518

00:51:28,790 --> 00:51:27,200

virtual community work those of us

1519

00:51:30,390 --> 00:51:28,800

who've been in

1520

00:51:31,990 --> 00:51:30,400

real communities like meat space

1521

00:51:33,910 --> 00:51:32,000

communities like we

1522

00:51:35,589 --> 00:51:33,920

we've inherited long traditions that

1523

00:51:38,630 --> 00:51:35,599

have preceded us that allow that

1524

00:51:40,150 --> 00:51:38,640

community to have cohesion meaning value

1525

00:51:43,109 --> 00:51:40,160

and and there's there's something really

1526
00:51:45,589 --> 00:51:43,119
tangible about that in the virtual space

1527
00:51:47,190 --> 00:51:45,599
it's much more difficult i think to to

1528
00:51:48,790 --> 00:51:47,200
kind of create that

1529
00:51:50,549 --> 00:51:48,800
uh you know what are some things that

1530
00:51:51,670 --> 00:51:50,559
you think we can do

1531
00:51:54,230 --> 00:51:51,680
to

1532
00:51:55,589 --> 00:51:54,240
better cement our virtual communities

1533
00:51:57,510 --> 00:51:55,599
you know where we can kind of extend

1534
00:52:00,069 --> 00:51:57,520
open hands as opposed to closed fists

1535
00:52:03,990 --> 00:52:00,079
when we engage with each other

1536
00:52:06,630 --> 00:52:04,000
that's a really great question i i um

1537
00:52:09,510 --> 00:52:06,640
in in to me it goes back to empathy you

1538
00:52:10,710 --> 00:52:09,520

know and and that's kind of where i live

1539

00:52:12,710 --> 00:52:10,720

and i think that's probably just the way

1540

00:52:14,710 --> 00:52:12,720

i was born and the way the way i act but

1541

00:52:17,829 --> 00:52:14,720

you know

1542

00:52:19,750 --> 00:52:17,839

reinforced i guess throughout my life

1543

00:52:22,390 --> 00:52:19,760

because

1544

00:52:24,470 --> 00:52:22,400

it's such a superpower you know um

1545

00:52:25,910 --> 00:52:24,480

empathy is a massive superpower you know

1546

00:52:28,390 --> 00:52:25,920

buddy bolton i think he told me that

1547

00:52:30,230 --> 00:52:28,400

empathy is a superpower you know um

1548

00:52:32,309 --> 00:52:30,240

and it's true

1549

00:52:32,740 --> 00:52:32,319

um

1550

00:52:34,630 --> 00:52:32,750

you

1551

00:52:37,270 --> 00:52:34,640

[Music]

1552

00:52:39,670 --> 00:52:37,280

you don't have any idea the struggles

1553

00:52:41,349 --> 00:52:39,680

that other people are going through

1554

00:52:42,790 --> 00:52:41,359

at all like you really don't i mean you

1555

00:52:44,870 --> 00:52:42,800

can try to put yourself in their shoes

1556

00:52:46,230 --> 00:52:44,880

you can try to

1557

00:52:48,549 --> 00:52:46,240

you know wrap your mind around what

1558

00:52:50,870 --> 00:52:48,559

they're dealing with or whatever and and

1559

00:52:54,069 --> 00:52:50,880

you know we're such a reactionary

1560

00:52:56,230 --> 00:52:54,079

species right and and um

1561

00:52:58,470 --> 00:52:56,240

uh

1562

00:53:02,069 --> 00:52:58,480

you know um your partner in crime who

1563

00:53:06,470 --> 00:53:04,790

um he has a great analogy about this you

1564

00:53:09,589 --> 00:53:06,480

know where and we've talked about this

1565

00:53:11,910 --> 00:53:09,599

too um exo academia you know he and i

1566

00:53:13,990 --> 00:53:11,920

talked about this where it's like

1567

00:53:16,549 --> 00:53:14,000

we have these things built into us that

1568

00:53:18,309 --> 00:53:16,559

are our knee-jerk reactions

1569

00:53:20,309 --> 00:53:18,319

and the analogy i think that what we

1570

00:53:22,950 --> 00:53:20,319

talked about expanded upon was about

1571

00:53:24,390 --> 00:53:22,960

spiders right like i'm scared like i

1572

00:53:26,390 --> 00:53:24,400

don't know why i was just born i don't

1573

00:53:29,589 --> 00:53:26,400

like a spider if i see a spider i just

1574

00:53:31,190 --> 00:53:29,599

boom you know like it's just done like i

1575

00:53:33,349 --> 00:53:31,200

don't care i'm killing every spider i

1576

00:53:35,910 --> 00:53:33,359

see i don't know what that is

1577

00:53:37,349 --> 00:53:35,920

i don't know why it's arachnophobia

1578

00:53:39,109 --> 00:53:37,359

right but i mean it was built into me

1579

00:53:41,270 --> 00:53:39,119

like it wasn't like a you know like a

1580

00:53:43,109 --> 00:53:41,280

you know a thing right but i mean that

1581

00:53:45,190 --> 00:53:43,119

that was a

1582

00:53:47,030 --> 00:53:45,200

a a thing right

1583

00:53:48,549 --> 00:53:47,040

so once i started recognizing that and

1584

00:53:49,750 --> 00:53:48,559

after we had that conversation him and i

1585

00:53:50,950 --> 00:53:49,760

you know then i started seeing spiders

1586

00:53:52,630 --> 00:53:50,960

everywhere they started [h__h] showing

1587

00:53:54,790 --> 00:53:52,640

up like everywhere

1588

00:53:57,430 --> 00:53:54,800

like just coming and i'm like

1589

00:53:59,349 --> 00:53:57,440

i really shouldn't kill you

1590

00:54:00,630 --> 00:53:59,359

like that that was the wrong move i

1591

00:54:02,630 --> 00:54:00,640

really but i don't like you i really

1592

00:54:05,030 --> 00:54:02,640

shouldn't kill you but i just you know

1593

00:54:06,390 --> 00:54:05,040

like i you know so it takes a lot of

1594

00:54:07,829 --> 00:54:06,400

self um

1595

00:54:10,710 --> 00:54:07,839

regulation

1596

00:54:12,069 --> 00:54:10,720

and um and uh

1597

00:54:14,230 --> 00:54:12,079

restraint

1598

00:54:15,910 --> 00:54:14,240

to be to be able to go against whatever

1599

00:54:17,109 --> 00:54:15,920

that initial

1600

00:54:19,349 --> 00:54:17,119

push is

1601
00:54:21,109 --> 00:54:19,359
mentally physically or whatever

1602
00:54:23,030 --> 00:54:21,119
um and i can't remember where i'm going

1603
00:54:24,390 --> 00:54:23,040
with this but i think him and i talked

1604
00:54:26,309 --> 00:54:24,400
about it or maybe he's talked about it

1605
00:54:28,710 --> 00:54:26,319
before that's like what if what if

1606
00:54:31,030 --> 00:54:28,720
another entity that showed up

1607
00:54:32,790 --> 00:54:31,040
from a dimension a craft or whatever it

1608
00:54:34,390 --> 00:54:32,800
showed up and it looked like a spider

1609
00:54:35,750 --> 00:54:34,400
right or something that you really just

1610
00:54:37,030 --> 00:54:35,760
immediately just want to punch in the

1611
00:54:41,109 --> 00:54:37,040
face right

1612
00:54:42,870 --> 00:54:41,119
like a a immediate gut reaction like

1613
00:54:43,990 --> 00:54:42,880

how do you stop yourself from doing that

1614

00:54:46,390 --> 00:54:44,000

and like how you stop yourself from

1615

00:54:47,990 --> 00:54:46,400

doing that as a whole you know it's like

1616

00:54:49,829 --> 00:54:48,000

this thing showed up and it was like the

1617

00:54:53,349 --> 00:54:49,839

nicest thing in the world but it was a

1618

00:54:54,870 --> 00:54:53,359

eight-legged hairy spider

1619

00:54:56,150 --> 00:54:54,880

just they just wanted to give you like

1620

00:54:57,589 --> 00:54:56,160

the secrets of the universe and the

1621

00:54:58,470 --> 00:54:57,599

first thing i do is just punch it in the

1622

00:54:59,750 --> 00:54:58,480

grill

1623

00:55:02,150 --> 00:54:59,760

bam

1624

00:55:03,109 --> 00:55:02,160

like you know like like how do you how

1625

00:55:05,270 --> 00:55:03,119

do you

1626

00:55:07,030 --> 00:55:05,280

harness that uh

1627

00:55:08,870 --> 00:55:07,040

that instinct that's built into you and

1628

00:55:09,750 --> 00:55:08,880

i i don't know i don't know i think it's

1629

00:55:11,349 --> 00:55:09,760

i don't know if it's meditation or

1630

00:55:13,190 --> 00:55:11,359

getting to know yourself or putting

1631

00:55:15,589 --> 00:55:13,200

yourself in a situation where that sucks

1632

00:55:16,950 --> 00:55:15,599

and learning how to overcome it

1633

00:55:19,109 --> 00:55:16,960

i'm still learning every day i don't

1634

00:55:21,270 --> 00:55:19,119

know i can i can actually speak to that

1635

00:55:22,150 --> 00:55:21,280

a little bit john from your point is

1636

00:55:23,990 --> 00:55:22,160

that

1637

00:55:26,710 --> 00:55:24,000

domina i think it was dominic monahan

1638

00:55:28,630 --> 00:55:26,720

who famously was in lost that movie lost

1639

00:55:30,630 --> 00:55:28,640

and he's been excuse me that

1640

00:55:31,510 --> 00:55:30,640

television series that hit tv series

1641

00:55:33,030 --> 00:55:31,520

lost

1642

00:55:34,470 --> 00:55:33,040

and he was on with joe rogan he was

1643

00:55:38,309 --> 00:55:34,480

talking about ants

1644

00:55:40,309 --> 00:55:38,319

and he went through this entire um

1645

00:55:42,069 --> 00:55:40,319

diatribe about basically how

1646

00:55:44,950 --> 00:55:42,079

intellectual ants are how they work

1647

00:55:47,349 --> 00:55:44,960

together how valuable they are and how

1648

00:55:49,270 --> 00:55:47,359

you know people will run over ant hills

1649

00:55:51,190 --> 00:55:49,280

with their cars and it really struck me

1650

00:55:53,430 --> 00:55:51,200

and so what i started to do

1651
00:55:54,870 --> 00:55:53,440
after that because uh people come on

1652
00:55:56,390 --> 00:55:54,880
their show and said well

1653
00:55:58,470 --> 00:55:56,400
you know uh

1654
00:56:00,230 --> 00:55:58,480
you know you say that i i you know you

1655
00:56:02,630 --> 00:56:00,240
shouldn't just indiscriminately shoot a

1656
00:56:05,109 --> 00:56:02,640
squirrel but yet you'll just you know

1657
00:56:07,589 --> 00:56:05,119
crush ants or or or some sort of an

1658
00:56:09,190 --> 00:56:07,599
insect so i started taking things and

1659
00:56:11,349 --> 00:56:09,200
putting them outside so if there's some

1660
00:56:13,190 --> 00:56:11,359
sort of an insect in my house that i

1661
00:56:15,910 --> 00:56:13,200
don't want on there i'll just try it

1662
00:56:17,670 --> 00:56:15,920
i'm doing the same thing i open the door

1663
00:56:19,510 --> 00:56:17,680

and i just put them out i just put them

1664

00:56:23,109 --> 00:56:19,520

outside if i don't want them in there

1665

00:56:25,349 --> 00:56:23,119

but i don't set ant traps anymore or

1666

00:56:27,910 --> 00:56:25,359

you know i try to just leave them alone

1667

00:56:29,190 --> 00:56:27,920

if i i'm i'm out in the forest all the

1668

00:56:31,030 --> 00:56:29,200

time like

1669

00:56:33,190 --> 00:56:31,040

hey these guys know every weekend or

1670

00:56:35,030 --> 00:56:33,200

when i'm off work i'm out there so if i

1671

00:56:37,270 --> 00:56:35,040

see something i'll just

1672

00:56:39,030 --> 00:56:37,280

try to go around it without stepping on

1673

00:56:41,349 --> 00:56:39,040

it without if it's not bothering me now

1674

00:56:42,950 --> 00:56:41,359

obviously when there are certain flies

1675

00:56:45,030 --> 00:56:42,960

that hurt real bad that are on my neck

1676
00:56:46,549 --> 00:56:45,040
your instinct you you you you hit them

1677
00:56:48,950 --> 00:56:46,559
oh yeah but if they're not bothering me

1678
00:56:51,030 --> 00:56:48,960
i'm not i'm not bothering them so i just

1679
00:56:52,870 --> 00:56:51,040
kind of look at it that way i live and

1680
00:56:54,710 --> 00:56:52,880
let live if you're not bothering me you

1681
00:56:56,870 --> 00:56:54,720
know you're okay whether it's a snake or

1682
00:56:59,430 --> 00:56:56,880
whatever you know

1683
00:57:01,670 --> 00:56:59,440
it's hard to get into that that

1684
00:57:03,910 --> 00:57:01,680
that groove i mean you know and i think

1685
00:57:06,150 --> 00:57:03,920
it's probably bred into us for survival

1686
00:57:08,470 --> 00:57:06,160
at some point where a spider bit

1687
00:57:10,470 --> 00:57:08,480
somebody killed him and like all these

1688
00:57:11,589 --> 00:57:10,480

people are like yep nope that's not

1689

00:57:12,870 --> 00:57:11,599

gonna happen anymore same thing with the

1690

00:57:15,109 --> 00:57:12,880

sn you know what i mean like at some

1691

00:57:17,349 --> 00:57:15,119

point it's i think i i was really

1692

00:57:18,470 --> 00:57:17,359

fascinated i i remember

1693

00:57:19,670 --> 00:57:18,480

seeing this documentary and i can't

1694

00:57:20,630 --> 00:57:19,680

remember the name of it right now but it

1695

00:57:21,910 --> 00:57:20,640

was on

1696

00:57:24,470 --> 00:57:21,920

something where

1697

00:57:26,150 --> 00:57:24,480

it was like pre pre was like right

1698

00:57:27,270 --> 00:57:26,160

during world war ii or somewhere near

1699

00:57:31,030 --> 00:57:27,280

there where

1700

00:57:32,470 --> 00:57:31,040

russia started domesticating foxes

1701
00:57:34,710 --> 00:57:32,480
and it was like this lady who was like

1702
00:57:35,910 --> 00:57:34,720
in her 80s or 90s and basically what

1703
00:57:37,829 --> 00:57:35,920
they did is they took all these foxes

1704
00:57:39,030 --> 00:57:37,839
and they put them in cages outside and

1705
00:57:40,870 --> 00:57:39,040
this lady would walk up to him and she

1706
00:57:42,549 --> 00:57:40,880
put her hand next to the cage and if the

1707
00:57:43,750 --> 00:57:42,559
fox would be like

1708
00:57:44,710 --> 00:57:43,760
whatever and it would just attack the

1709
00:57:45,990 --> 00:57:44,720
lady you know and she should go to the

1710
00:57:47,910 --> 00:57:46,000
next one the fox would just be like yeah

1711
00:57:49,349 --> 00:57:47,920
whatever the next one the fox would come

1712
00:57:50,630 --> 00:57:49,359
up and kind of sniff her

1713
00:57:51,990 --> 00:57:50,640

right and she'd do that and they'd find

1714

00:57:53,670 --> 00:57:52,000

like a male and female and they breed

1715

00:57:57,030 --> 00:57:53,680

them and they kept doing that and it was

1716

00:57:59,829 --> 00:57:57,040

like 70 years they did it for 70 years

1717

00:58:01,750 --> 00:57:59,839

and the fox's like ears got smaller

1718

00:58:02,710 --> 00:58:01,760

their tails got bushier they like they

1719

00:58:05,109 --> 00:58:02,720

basically

1720

00:58:07,349 --> 00:58:05,119

created a domestic fox after 70 years

1721

00:58:08,870 --> 00:58:07,359

after this breeding of like taking like

1722

00:58:10,789 --> 00:58:08,880

the chill foxes and breeding them

1723

00:58:12,710 --> 00:58:10,799

together to create this fox and now they

1724

00:58:14,230 --> 00:58:12,720

have like domesticated foxes they did

1725

00:58:15,829 --> 00:58:14,240

this all through the war like all this

1726

00:58:17,910 --> 00:58:15,839

stuff and like in russia they they had

1727

00:58:19,589 --> 00:58:17,920

this program so it's like

1728

00:58:21,990 --> 00:58:19,599

so now they have like this generational

1729

00:58:23,670 --> 00:58:22,000

thing where like it's bred in and it's

1730

00:58:26,309 --> 00:58:23,680

like and i think they've done massive

1731

00:58:27,829 --> 00:58:26,319

research to where it's like

1732

00:58:29,829 --> 00:58:27,839

that could be completely wrong so but i

1733

00:58:32,150 --> 00:58:29,839

think it's like seven generations where

1734

00:58:34,549 --> 00:58:32,160

an inherited trait is is brought into

1735

00:58:35,589 --> 00:58:34,559

you so like seven generations ago

1736

00:58:37,750 --> 00:58:35,599

somebody

1737

00:58:39,829 --> 00:58:37,760

and hair i inherited

1738

00:58:42,470 --> 00:58:39,839

a spider being bad

1739

00:58:44,309 --> 00:58:42,480

and so for me it's just bam you know and

1740

00:58:46,710 --> 00:58:44,319

that's what it is so if you think about

1741

00:58:47,990 --> 00:58:46,720

that in the long run like how many

1742

00:58:49,190 --> 00:58:48,000

thousands of years have we been

1743

00:58:52,549 --> 00:58:49,200

inherited

1744

00:58:56,470 --> 00:58:52,559

whatever our traits are right from

1745

00:58:56,480 --> 00:59:00,789

maybe it was around then

1746

00:59:00,799 --> 00:59:03,589

maybe not

1747

00:59:07,510 --> 00:59:05,589

but but honestly i think that's that's

1748

00:59:08,950 --> 00:59:07,520

like a real that's a legitimate thing

1749

00:59:11,589 --> 00:59:08,960

that you can look up it's an inherited

1750

00:59:13,589 --> 00:59:11,599

trait after seven generations so

1751

00:59:15,670 --> 00:59:13,599

who's to say that

1752

00:59:18,549 --> 00:59:15,680

somebody could potentially manipulate

1753

00:59:21,109 --> 00:59:18,559

our genetic predisposition or or our

1754

00:59:23,109 --> 00:59:21,119

reaction to a certain person place or

1755

00:59:23,990 --> 00:59:23,119

thing

1756

00:59:26,069 --> 00:59:24,000

to

1757

00:59:27,990 --> 00:59:26,079

its conditioning right

1758

00:59:29,829 --> 00:59:28,000

basically it's just mental conditioning

1759

00:59:31,030 --> 00:59:29,839

or physical mental conditioning all of

1760

00:59:32,150 --> 00:59:31,040

it right

1761

00:59:35,109 --> 00:59:32,160

nathan do you think we've been

1762

00:59:40,150 --> 00:59:37,990

uh during this talk yes

1763

00:59:42,150 --> 00:59:40,160

definitely no not just by you john i

1764

00:59:43,430 --> 00:59:42,160

mean oh no i was talking about deb she's

1765

00:59:45,270 --> 00:59:43,440

saying she's not saying a lot but she's

1766

00:59:48,789 --> 00:59:45,280

saying a lot

1767

00:59:51,190 --> 00:59:48,799

uh you know i i do think uh

1768

00:59:53,430 --> 00:59:51,200

we are manipulated by things we see seen

1769

00:59:55,190 --> 00:59:53,440

and unseen let's put it that way and uh

1770

00:59:56,470 --> 00:59:55,200

you know i think john would concur you

1771

00:59:58,870 --> 00:59:56,480

know with

1772

01:00:00,470 --> 00:59:58,880

his understanding of symbology

1773

01:00:02,150 --> 01:00:00,480

and the way that it shapes the way we

1774

01:00:03,349 --> 01:00:02,160

think about the world

1775

01:00:04,630 --> 01:00:03,359

uh

1776

01:00:07,510 --> 01:00:04,640

you know so that

1777

01:00:09,829 --> 01:00:07,520

both generationally and in our current

1778

01:00:10,950 --> 01:00:09,839

present moment we are shaped by forces

1779

01:00:13,589 --> 01:00:10,960

of our own

1780

01:00:16,150 --> 01:00:13,599

awareness and and uh and and that those

1781

01:00:16,950 --> 01:00:16,160

things that we are not cognizant of

1782

01:00:18,470 --> 01:00:16,960

and

1783

01:00:20,710 --> 01:00:18,480

you know

1784

01:00:23,109 --> 01:00:20,720

this topic both i think

1785

01:00:23,990 --> 01:00:23,119

with the community aspect of it but also

1786

01:00:26,390 --> 01:00:24,000

as we just talked about with the

1787

01:00:29,190 --> 01:00:26,400

paranormal

1788

01:00:30,789 --> 01:00:29,200

our ability to engage with it and i i

1789

01:00:32,549 --> 01:00:30,799

keep uh

1790

01:00:34,710 --> 01:00:32,559

and james just picked the perfect title

1791

01:00:36,230 --> 01:00:34,720

for his for his channel engaging the

1792

01:00:39,270 --> 01:00:36,240

phenomenon

1793

01:00:40,829 --> 01:00:39,280

it's you know to have a relationship

1794

01:00:44,069 --> 01:00:40,839

with anything you have to have

1795

01:00:46,309 --> 01:00:44,079

engagement and to have understanding you

1796

01:00:48,150 --> 01:00:46,319

have to have engagement so this is true

1797

01:00:49,990 --> 01:00:48,160

for human relationships and it's going

1798

01:00:51,270 --> 01:00:50,000

to be true for for non-human

1799

01:00:52,630 --> 01:00:51,280

relationships

1800

01:00:55,670 --> 01:00:52,640

you know i think

1801
01:00:58,150 --> 01:00:55,680
that the universe is teeming with life

1802
01:01:00,309 --> 01:00:58,160
both seen and unseen

1803
01:01:02,789 --> 01:01:00,319
there are many many different kinds of

1804
01:01:04,069 --> 01:01:02,799
uh you know sort of intelligent things

1805
01:01:06,630 --> 01:01:04,079
that are out there

1806
01:01:08,069 --> 01:01:06,640
and it really is it's just a matter of

1807
01:01:09,589 --> 01:01:08,079
our awareness

1808
01:01:11,430 --> 01:01:09,599
you know kind of broadening our

1809
01:01:13,750 --> 01:01:11,440
willingness to say

1810
01:01:15,910 --> 01:01:13,760
yes there might be something to this and

1811
01:01:17,910 --> 01:01:15,920
and sure enough

1812
01:01:20,470 --> 01:01:17,920
things kind of fill the the void or the

1813
01:01:22,309 --> 01:01:20,480

door that we begin to leave open

1814

01:01:23,190 --> 01:01:22,319

uh you know and what does that that say

1815

01:01:25,430 --> 01:01:23,200

about

1816

01:01:26,390 --> 01:01:25,440

our our kind of who we are and our

1817

01:01:27,670 --> 01:01:26,400

mental

1818

01:01:29,910 --> 01:01:27,680

you know sort of the ways our minds

1819

01:01:30,870 --> 01:01:29,920

interact with with reality

1820

01:01:32,710 --> 01:01:30,880

uh

1821

01:01:34,710 --> 01:01:32,720

you know to me it's all intertwined

1822

01:01:36,870 --> 01:01:34,720

that's why you really can't take the

1823

01:01:38,390 --> 01:01:36,880

paranormal out of ufology it really is

1824

01:01:41,109 --> 01:01:38,400

all connected

1825

01:01:43,109 --> 01:01:41,119

it's all happening in conscious

1826

01:01:45,829 --> 01:01:43,119

experience

1827

01:01:47,190 --> 01:01:45,839

maybe that's the bridge but

1828

01:01:48,950 --> 01:01:47,200

you know you can be and i think what

1829

01:01:49,829 --> 01:01:48,960

you're saying is you can be manipulated

1830

01:01:51,510 --> 01:01:49,839

by

1831

01:01:54,309 --> 01:01:51,520

programmers at your favorite news

1832

01:01:55,990 --> 01:01:54,319

channel and or an unseen

1833

01:01:59,190 --> 01:01:56,000

intelligence that

1834

01:02:01,029 --> 01:01:59,200

is around you that you don't see

1835

01:02:04,309 --> 01:02:01,039

yeah okay

1836

01:02:08,870 --> 01:02:05,190

uh

1837

01:02:18,630 --> 01:02:11,510

higher cake john pierre cake

1838

01:02:24,309 --> 01:02:22,230

it's a tough one okay

1839

01:02:25,750 --> 01:02:24,319

he's locked up man he totally locked him

1840

01:02:27,750 --> 01:02:25,760

up

1841

01:02:29,670 --> 01:02:27,760

you you don't want to offend either

1842

01:02:31,670 --> 01:02:29,680

either side you know because

1843

01:02:37,349 --> 01:02:31,680

they're in the audience they gotta be

1844

01:02:41,670 --> 01:02:39,670

that tasted like cake

1845

01:02:43,029 --> 01:02:41,680

oh he's not even going for a star wars

1846

01:02:45,109 --> 01:02:43,039

or star trek he's staying on the other

1847

01:02:46,950 --> 01:02:45,119

side i know when you told me pie or cake

1848

01:02:48,789 --> 01:02:46,960

i just got really hungry and like no

1849

01:02:51,589 --> 01:02:48,799

this is weird about it you know that's

1850

01:02:55,430 --> 01:02:53,670

nathan's gonna be pie i'm like i mean i

1851
01:02:57,270 --> 01:02:55,440
like pies

1852
01:02:58,470 --> 01:02:57,280
who doesn't like actually

1853
01:03:01,270 --> 01:02:58,480
have you ever met anybody that was like

1854
01:03:02,549 --> 01:03:01,280
nah man i don't like pie yeah right i've

1855
01:03:03,910 --> 01:03:02,559
never met anybody said that about cake

1856
01:03:05,990 --> 01:03:03,920
either like listen man i just don't like

1857
01:03:07,829 --> 01:03:06,000
you if they say you don't have to have

1858
01:03:09,589 --> 01:03:07,839
both worlds

1859
01:03:11,270 --> 01:03:09,599
i've never met anybody that didn't like

1860
01:03:13,109 --> 01:03:11,280
any one of any of those things that you

1861
01:03:14,549 --> 01:03:13,119
just not you know i said but kevin

1862
01:03:16,870 --> 01:03:14,559
that's how we should greet the aliens

1863
01:03:19,109 --> 01:03:16,880

with pie or cake

1864

01:03:24,630 --> 01:03:19,119

both here's a pie cake

1865

01:03:28,630 --> 01:03:26,950

waffle house hash browns

1866

01:03:30,390 --> 01:03:28,640

hey um

1867

01:03:32,710 --> 01:03:30,400

it's a rare moment flair when we're

1868

01:03:35,270 --> 01:03:32,720

looking to you to get us back on the

1869

01:03:39,750 --> 01:03:35,280

rails okay well i can imagine all of us

1870

01:03:44,549 --> 01:03:41,430

we're going to tell you guys something

1871

01:03:45,430 --> 01:03:44,559

real cool here we go that's right

1872

01:03:47,670 --> 01:03:45,440

guys

1873

01:03:49,750 --> 01:03:47,680

actually for for john actually um i just

1874

01:03:53,589 --> 01:03:49,760

want to know what what the overall

1875

01:03:54,710 --> 01:03:53,599

message or goal is of your your channel

1876

01:03:58,549 --> 01:03:54,720

what do you want

1877

01:04:00,950 --> 01:03:58,559

audience you know the overall

1878

01:04:02,309 --> 01:04:00,960

yeah tell us what tell them dude that's

1879

01:04:05,190 --> 01:04:02,319

a great question that is a really good

1880

01:04:07,109 --> 01:04:05,200

question so thank you

1881

01:04:09,270 --> 01:04:07,119

and jolie and i'm like what am i gonna

1882

01:04:12,069 --> 01:04:09,280

do and he's like you have a different

1883

01:04:13,750 --> 01:04:12,079

voice that i haven't heard before

1884

01:04:16,789 --> 01:04:13,760

that

1885

01:04:19,270 --> 01:04:16,799

you're talking about this and i

1886

01:04:20,710 --> 01:04:19,280

i looked around like i wasn't

1887

01:04:21,990 --> 01:04:20,720

i was looking and i was like are you

1888

01:04:23,750 --> 01:04:22,000

just making this up but no i couldn't

1889

01:04:25,349 --> 01:04:23,760

find any other informations that were

1890

01:04:27,349 --> 01:04:25,359

talking about it and what i really

1891

01:04:29,910 --> 01:04:27,359

wanted to do

1892

01:04:31,750 --> 01:04:29,920

was find other masons right that was

1893

01:04:33,109 --> 01:04:31,760

like the initial goal was like hey i

1894

01:04:34,549 --> 01:04:33,119

know your brothers are out there yeah

1895

01:04:36,470 --> 01:04:34,559

it's a long right

1896

01:04:38,390 --> 01:04:36,480

actually it's amazing right

1897

01:04:40,789 --> 01:04:38,400

um and and there's other brothers out

1898

01:04:43,430 --> 01:04:40,799

there right um

1899

01:04:44,950 --> 01:04:43,440

and i'm like i can't be the only one

1900

01:04:46,230 --> 01:04:44,960

like i can't be the only one not not

1901

01:04:47,349 --> 01:04:46,240

only

1902

01:04:49,750 --> 01:04:47,359

you know

1903

01:04:51,589 --> 01:04:49,760

in our in our little

1904

01:04:53,510 --> 01:04:51,599

twitter sphere or whatever or

1905

01:04:55,430 --> 01:04:53,520

environment but there's got to be other

1906

01:04:57,029 --> 01:04:55,440

brothers out there that are like yeah i

1907

01:04:59,510 --> 01:04:57,039

know what's going on and i got nobody to

1908

01:05:00,870 --> 01:04:59,520

talk to about this like i've experienced

1909

01:05:04,870 --> 01:05:00,880

it or

1910

01:05:08,069 --> 01:05:04,880

some weird stuff happened to me or i

1911

01:05:11,270 --> 01:05:08,079

know a guy or whatever

1912

01:05:13,029 --> 01:05:11,280

you know the the bonds that we have and

1913

01:05:14,789 --> 01:05:13,039

and the you know hosts that we take for

1914

01:05:16,630 --> 01:05:14,799

each other

1915

01:05:18,789 --> 01:05:16,640

make it so that like i can tell you

1916

01:05:20,150 --> 01:05:18,799

anything in the entire world and i know

1917

01:05:21,670 --> 01:05:20,160

that you're never going to tell anybody

1918

01:05:23,430 --> 01:05:21,680

else about this bit i know i can trust

1919

01:05:25,750 --> 01:05:23,440

you with this and i can tell you about

1920

01:05:27,990 --> 01:05:25,760

it even if it's just for the cathartic

1921

01:05:29,349 --> 01:05:28,000

or the or or the you know just i got to

1922

01:05:30,710 --> 01:05:29,359

get it off my chest because i couldn't

1923

01:05:32,630 --> 01:05:30,720

tell

1924

01:05:34,150 --> 01:05:32,640

you know my mom or my dad you know or

1925

01:05:36,150 --> 01:05:34,160

any or my wife even because they would

1926

01:05:38,470 --> 01:05:36,160

think i'm whatever you know even just

1927

01:05:40,630 --> 01:05:38,480

just to get that type of camaraderie or

1928

01:05:42,870 --> 01:05:40,640

just to like be that outlet or just to

1929

01:05:44,150 --> 01:05:42,880

be like look dude you're cool this is a

1930

01:05:45,349 --> 01:05:44,160

real thing you don't have to worry about

1931

01:05:46,870 --> 01:05:45,359

you know like

1932

01:05:48,549 --> 01:05:46,880

um

1933

01:05:50,950 --> 01:05:48,559

don't freak out you know like this is

1934

01:05:52,549 --> 01:05:50,960

you know a real thing and and you know i

1935

01:05:54,470 --> 01:05:52,559

can help you know let's help each other

1936

01:05:55,990 --> 01:05:54,480

or figure it out and that's kind of what

1937

01:05:57,670 --> 01:05:56,000

i was really into was like i know

1938

01:05:59,829 --> 01:05:57,680

there's other people out there

1939

01:06:01,910 --> 01:05:59,839

that are um

1940

01:06:04,470 --> 01:06:01,920

like-minded in that and then like i said

1941

01:06:06,630 --> 01:06:04,480

there's i always feel like there's this

1942

01:06:08,150 --> 01:06:06,640

i keep bugging walter you know

1943

01:06:09,270 --> 01:06:08,160

and i'm like there's got to be something

1944

01:06:11,270 --> 01:06:09,280

in here

1945

01:06:14,309 --> 01:06:11,280

that you know and freemasonry where it's

1946

01:06:15,829 --> 01:06:14,319

like where like where is this thing you

1947

01:06:17,670 --> 01:06:15,839

know where is this consciousness

1948

01:06:21,349 --> 01:06:17,680

connection or where is the

1949

01:06:24,309 --> 01:06:21,359

you know where is the the key to um

1950

01:06:26,710 --> 01:06:24,319

to unlock you know what what

1951

01:06:28,470 --> 01:06:26,720

we we recognize as the phenomenon right

1952

01:06:29,320 --> 01:06:28,480

around us you know

1953

01:06:30,630 --> 01:06:29,330

and and

1954

01:06:32,470 --> 01:06:30,640

[Music]

1955

01:06:34,150 --> 01:06:32,480

is that something that freemasonry has

1956

01:06:36,630 --> 01:06:34,160

always known

1957

01:06:38,549 --> 01:06:36,640

that is hidden inside of the

1958

01:06:40,390 --> 01:06:38,559

allegory and symbolism throughout

1959

01:06:42,630 --> 01:06:40,400

history is it

1960

01:06:45,270 --> 01:06:42,640

i think i personally think that it is

1961

01:06:46,950 --> 01:06:45,280

i i'm gonna try to figure it out i would

1962

01:06:48,390 --> 01:06:46,960

love any other

1963

01:06:50,789 --> 01:06:48,400

brothers out there or anybody else who

1964

01:06:51,910 --> 01:06:50,799

can help me try to get to that path

1965

01:06:53,829 --> 01:06:51,920

um

1966

01:06:56,309 --> 01:06:53,839

but i i really do think that there's

1967

01:06:57,670 --> 01:06:56,319

something in there and i'm and don't get

1968

01:06:58,950 --> 01:06:57,680

me wrong and i'm not sitting here on a

1969

01:07:00,549 --> 01:06:58,960

high horse

1970

01:07:02,870 --> 01:07:00,559

or saying i know anything more than

1971

01:07:04,069 --> 01:07:02,880

anybody else and i'm not and and all i'm

1972

01:07:05,750 --> 01:07:04,079

saying is that

1973

01:07:07,750 --> 01:07:05,760

i had to keep posts and secrets to the

1974

01:07:10,069 --> 01:07:07,760

degrees that i went through and and the

1975

01:07:12,789 --> 01:07:10,079

rituals and the in the signs and symbols

1976

01:07:14,470 --> 01:07:12,799

and the you know um things that i did

1977

01:07:15,910 --> 01:07:14,480

other than that i can tell you anything

1978

01:07:18,630 --> 01:07:15,920

i want to but

1979

01:07:19,130 --> 01:07:18,640

i think that as a human when i went

1980

01:07:21,029 --> 01:07:19,140

through

1981

01:07:22,309 --> 01:07:21,039

[Music]

1982

01:07:25,270 --> 01:07:22,319

the degrees and i went through the

1983

01:07:27,270 --> 01:07:25,280

rituals it did something to me

1984

01:07:29,349 --> 01:07:27,280

psychologically

1985

01:07:30,789 --> 01:07:29,359

to where

1986

01:07:33,029 --> 01:07:30,799

i'm different

1987

01:07:35,029 --> 01:07:33,039

and not a bad way but it kind of like

1988

01:07:36,230 --> 01:07:35,039

it's an initiatory school right it's a

1989

01:07:37,750 --> 01:07:36,240

mystery school it's a it's it's

1990

01:07:39,270 --> 01:07:37,760

something that i think

1991

01:07:41,670 --> 01:07:39,280

was built the way that they built the

1992

01:07:44,309 --> 01:07:41,680

degrees was built in a way that

1993

01:07:46,630 --> 01:07:44,319

it unlocks something in in

1994

01:07:48,470 --> 01:07:46,640

a human where it's like

1995

01:07:50,390 --> 01:07:48,480

cool now you

1996

01:07:52,549 --> 01:07:50,400

have the ability to

1997

01:07:54,710 --> 01:07:52,559

go to pancakes or figure out the

1998

01:07:56,950 --> 01:07:54,720

mysteries of the world i don't know

1999

01:07:59,029 --> 01:07:56,960

but but that's where i'm at

2000

01:08:00,710 --> 01:07:59,039

awesome thank you

2001
01:08:02,230 --> 01:08:00,720
i hope that makes sense that's a great

2002
01:08:03,990 --> 01:08:02,240
answer

2003
01:08:06,950 --> 01:08:04,000
and uh we got to get debs in there we

2004
01:08:10,390 --> 01:08:06,960
have about 23 minutes left debs okay i

2005
01:08:12,150 --> 01:08:10,400
want to go to human initiated contact i

2006
01:08:13,190 --> 01:08:12,160
think it's time

2007
01:08:15,829 --> 01:08:13,200
so

2008
01:08:19,910 --> 01:08:17,910
i i mean obviously if

2009
01:08:21,669 --> 01:08:19,920
you if you want you can summarize a

2010
01:08:24,709 --> 01:08:21,679
little bit of what's happening there for

2011
01:08:26,870 --> 01:08:24,719
you but i think i want to just um get

2012
01:08:32,229 --> 01:08:26,880
kind of like the takeaway for you with

2013
01:08:36,309 --> 01:08:34,630

like personally or as a

2014

01:08:39,269 --> 01:08:36,319

as a whole

2015

01:08:41,110 --> 01:08:39,279

yeah i guess i i want people to make

2016

01:08:43,030 --> 01:08:41,120

their own decisions ultimately if they

2017

01:08:43,910 --> 01:08:43,040

want to try it or not but if you could

2018

01:08:46,229 --> 01:08:43,920

you know

2019

01:08:48,390 --> 01:08:46,239

give advice or

2020

01:08:50,870 --> 01:08:48,400

you know let people know whether or not

2021

01:08:52,630 --> 01:08:50,880

it's worth it that kind of thing

2022

01:08:54,229 --> 01:08:52,640

yeah i think it's i think it's worth it

2023

01:08:56,149 --> 01:08:54,239

and um

2024

01:08:57,349 --> 01:08:56,159

you know nobody uh this is the

2025

01:09:00,630 --> 01:08:57,359

i don't know if james is still there or

2026

01:09:01,749 --> 01:09:00,640

not but anyways i'm calling him out so

2027

01:09:04,309 --> 01:09:01,759

um

2028

01:09:06,789 --> 01:09:04,319

the first time i had a bunch of

2029

01:09:08,070 --> 01:09:06,799

masons um together

2030

01:09:10,470 --> 01:09:08,080

there was

2031

01:09:12,870 --> 01:09:10,480

eight of us

2032

01:09:15,189 --> 01:09:12,880

we booked a

2033

01:09:18,470 --> 01:09:15,199

remote cabin in the middle of literally

2034

01:09:20,070 --> 01:09:18,480

nowhere ohio where there was

2035

01:09:21,349 --> 01:09:20,080

we didn't have electricity right we're

2036

01:09:23,349 --> 01:09:21,359

off the grid

2037

01:09:26,390 --> 01:09:23,359

solar panels windmill

2038

01:09:27,510 --> 01:09:26,400

bank of batteries we're in a cabin

2039

01:09:30,149 --> 01:09:27,520

there's

2040

01:09:31,910 --> 01:09:30,159

an airport to the south of us

2041

01:09:33,349 --> 01:09:31,920

a small regional airport it's tiny

2042

01:09:35,189 --> 01:09:33,359

little thing

2043

01:09:37,030 --> 01:09:35,199

and but other than that there was just

2044

01:09:39,829 --> 01:09:37,040

black black sky

2045

01:09:42,070 --> 01:09:39,839

and this video is on my channel too

2046

01:09:43,349 --> 01:09:42,080

and i got there and i was like look guys

2047

01:09:45,030 --> 01:09:43,359

and everybody kind of knows me right

2048

01:09:46,550 --> 01:09:45,040

obviously

2049

01:09:48,149 --> 01:09:46,560

i want to do this thing

2050

01:09:49,990 --> 01:09:48,159

you know called c5 human initiated

2051

01:09:51,030 --> 01:09:50,000

contact what i want to do is kind of

2052

01:09:52,709 --> 01:09:51,040

like

2053

01:09:54,709 --> 01:09:52,719

all of us get in the mode we kind of

2054

01:09:57,110 --> 01:09:54,719

want to like you know meditate kind of

2055

01:09:58,790 --> 01:09:57,120

get into this idea of

2056

01:10:01,030 --> 01:09:58,800

opening ourselves up to bringing these

2057

01:10:02,470 --> 01:10:01,040

things in right to be able to accept

2058

01:10:03,590 --> 01:10:02,480

whatever's coming in and ask them to

2059

01:10:06,070 --> 01:10:03,600

come

2060

01:10:07,189 --> 01:10:06,080

and and so we can see them

2061

01:10:08,550 --> 01:10:07,199

and i've been i've been talking to these

2062

01:10:09,750 --> 01:10:08,560

guys for like a week before right and

2063

01:10:10,950 --> 01:10:09,760

i'm just talking text and i'm like yeah

2064

01:10:12,310 --> 01:10:10,960

this is what i want to do

2065

01:10:13,910 --> 01:10:12,320

we're driving down i'm talking to him

2066

01:10:15,990 --> 01:10:13,920

about talking about it we get to this

2067

01:10:17,830 --> 01:10:16,000

cabin it's beautiful we all get there we

2068

01:10:19,110 --> 01:10:17,840

kind of like go up it's like

2069

01:10:20,709 --> 01:10:19,120

you know um

2070

01:10:21,990 --> 01:10:20,719

two stories but the second story's got a

2071

01:10:23,030 --> 01:10:22,000

deck that wraps all the way around it so

2072

01:10:24,790 --> 01:10:23,040

we all get up there and we're like all

2073

01:10:26,630 --> 01:10:24,800

hanging out we all get on the top deck

2074

01:10:28,870 --> 01:10:26,640

you know the deck and we're just looking

2075

01:10:30,709 --> 01:10:28,880

out the beautiful blue blue sky white

2076

01:10:32,229 --> 01:10:30,719

puffy clouds and all of us see like a

2077

01:10:35,350 --> 01:10:32,239

white

2078

01:10:38,470 --> 01:10:35,360

tic tac go from one cloud like

2079

01:10:39,669 --> 01:10:38,480

to another one and everybody's like whoa

2080

01:10:42,070 --> 01:10:39,679

i was like yeah did you see that like

2081

01:10:43,590 --> 01:10:42,080

yeah we saw that everybody's like super

2082

01:10:45,189 --> 01:10:43,600

pumped right so we had like our day we

2083

01:10:46,229 --> 01:10:45,199

had dinner we all well cooked we have a

2084

01:10:48,310 --> 01:10:46,239

good time

2085

01:10:50,229 --> 01:10:48,320

we're hanging out we had a fire and i'm

2086

01:10:52,550 --> 01:10:50,239

like all right we're going to do this

2087

01:10:54,149 --> 01:10:52,560

so one of our brothers i had

2088

01:10:55,830 --> 01:10:54,159

he travels a lot and he has like just

2089

01:10:57,750 --> 01:10:55,840

this meditation music it's just like you

2090

01:10:59,110 --> 01:10:57,760

know whatever tones and

2091

01:11:00,790 --> 01:10:59,120

so he's like yeah let's do that i'm like

2092

01:11:02,709 --> 01:11:00,800

all right cool let's just turn that on

2093

01:11:03,990 --> 01:11:02,719

and like just like let's all sit around

2094

01:11:05,030 --> 01:11:04,000

we're sitting around this fire let's all

2095

01:11:07,030 --> 01:11:05,040

meditate

2096

01:11:08,470 --> 01:11:07,040

and just i said uh all i want you to do

2097

01:11:09,270 --> 01:11:08,480

is just kind of get into the mode of

2098

01:11:20,310 --> 01:11:09,280

just

2099

01:11:21,510 --> 01:11:20,320

whatever it is to come to us and

2100

01:11:23,189 --> 01:11:21,520

basically i think i don't know if i

2101
01:11:24,630 --> 01:11:23,199
where i got this from maybe maybe james

2102
01:11:26,229 --> 01:11:24,640
but basically was just

2103
01:11:27,990 --> 01:11:26,239
you know start like if you think you're

2104
01:11:29,270 --> 01:11:28,000
in google maps right and you think where

2105
01:11:30,550 --> 01:11:29,280
we're at and just go all the way up to

2106
01:11:31,910 --> 01:11:30,560
the universe

2107
01:11:33,750 --> 01:11:31,920
as far as you can and then come back

2108
01:11:35,510 --> 01:11:33,760
down and just kind of think of you know

2109
01:11:37,430 --> 01:11:35,520
kind of sending out that signal of love

2110
01:11:39,110 --> 01:11:37,440
you know that we're here

2111
01:11:40,550 --> 01:11:39,120
so we're all just sitting there you know

2112
01:11:42,310 --> 01:11:40,560
it's just quiet we're just hanging out

2113
01:11:43,430 --> 01:11:42,320

like 25 minutes goes by you know we're

2114

01:11:44,709 --> 01:11:43,440

just hanging out we're like okay cool

2115

01:11:46,070 --> 01:11:44,719

and we're sitting around and we all open

2116

01:11:47,430 --> 01:11:46,080

our eyes we're kind of looking around it

2117

01:11:48,950 --> 01:11:47,440

was like

2118

01:11:50,390 --> 01:11:48,960

ah

2119

01:11:51,669 --> 01:11:50,400

that was cool because we're all relaxed

2120

01:11:53,590 --> 01:11:51,679

we're in this chill state nothing's

2121

01:11:55,830 --> 01:11:53,600

really going on and i i bought one of

2122

01:11:57,510 --> 01:11:55,840

those psionic um

2123

01:11:59,189 --> 01:11:57,520

color night vision cameras right like

2124

01:12:00,790 --> 01:11:59,199

that you know cool like you know what

2125

01:12:02,070 --> 01:12:00,800

color is camera so i'm just like have

2126
01:12:03,110 --> 01:12:02,080
that sitting there and we're all just

2127
01:12:06,310 --> 01:12:03,120
sitting there and then all of a sudden

2128
01:12:07,590 --> 01:12:06,320
it's like boom orange orb just

2129
01:12:10,149 --> 01:12:07,600
out of nowhere

2130
01:12:11,510 --> 01:12:10,159
there's light you know there's

2131
01:12:13,110 --> 01:12:11,520
you can see planes in the background

2132
01:12:14,470 --> 01:12:13,120
flying around you know and i'm like holy

2133
01:12:16,550 --> 01:12:14,480
crap we all see with their eyes and i'm

2134
01:12:18,550 --> 01:12:16,560
looking at it too and like like i said

2135
01:12:19,910 --> 01:12:18,560
before like i filmed it for so long i

2136
01:12:21,350 --> 01:12:19,920
was just handing the camera around i'm

2137
01:12:22,630 --> 01:12:21,360
like it's the same thing we're looking

2138
01:12:25,030 --> 01:12:22,640

at but it's you know a little bit

2139

01:12:26,310 --> 01:12:25,040

enhanced and just hanging out you know

2140

01:12:28,630 --> 01:12:26,320

hanging out and they would just kind of

2141

01:12:29,990 --> 01:12:28,640

go and then kind of went over us and

2142

01:12:31,750 --> 01:12:30,000

it was amazing you know we had a great

2143

01:12:33,750 --> 01:12:31,760

night the second night same thing right

2144

01:12:35,590 --> 01:12:33,760

but second night it was just

2145

01:12:37,270 --> 01:12:35,600

more pronounced it was just slower and

2146

01:12:38,870 --> 01:12:37,280

just stopping and just hanging out and

2147

01:12:40,229 --> 01:12:38,880

stopping and hanging out it was getting

2148

01:12:41,750 --> 01:12:40,239

to the point where my arm's tired you

2149

01:12:43,669 --> 01:12:41,760

know i'm like

2150

01:12:44,390 --> 01:12:43,679

okay cool you know just hand the camera

2151

01:12:46,709 --> 01:12:44,400
out

2152

01:12:48,630 --> 01:12:46,719
and it was just a

2153

01:12:51,110 --> 01:12:48,640
calm peaceful kind of feeling where it

2154

01:12:52,870 --> 01:12:51,120
was just kind of like a hey

2155

01:12:54,149 --> 01:12:52,880
it felt like it was just kind of like

2156

01:12:55,270 --> 01:12:54,159
hey

2157

01:12:57,669 --> 01:12:55,280
you know we're kind of here we're

2158

01:12:59,270 --> 01:12:57,679
hanging out you know and um

2159

01:13:00,950 --> 01:12:59,280
it was really awesome

2160

01:13:02,390 --> 01:13:00,960
and like i said you know being a mason

2161

01:13:04,310 --> 01:13:02,400
and all those guys were just completely

2162

01:13:05,830 --> 01:13:04,320
open to like john's you know even if

2163

01:13:08,550 --> 01:13:05,840

even if internally they're going john's

2164

01:13:10,149 --> 01:13:08,560

out of his [h__h] mind

2165

01:13:11,910 --> 01:13:10,159

they're still into it but it's cool

2166

01:13:13,750 --> 01:13:11,920

right they're all doing it right like if

2167

01:13:15,430 --> 01:13:13,760

somebody told me to pick up a like a

2168

01:13:17,030 --> 01:13:15,440

banjo and start playing because they

2169

01:13:18,070 --> 01:13:17,040

thought it'd be cool i mean i would try

2170

01:13:20,790 --> 01:13:18,080

it because it was just fun you know

2171

01:13:23,030 --> 01:13:20,800

that's how the how we are right so that

2172

01:13:24,470 --> 01:13:23,040

that happened right like that that

2173

01:13:26,070 --> 01:13:24,480

literally happened and it was just like

2174

01:13:28,390 --> 01:13:26,080

well yeah

2175

01:13:31,110 --> 01:13:28,400

that that can happen so

2176
01:13:33,030 --> 01:13:31,120
um you know james is like the dude like

2177
01:13:34,870 --> 01:13:33,040
james has done that stuff without even

2178
01:13:36,630 --> 01:13:34,880
trying and and

2179
01:13:39,110 --> 01:13:36,640
you know um

2180
01:13:41,350 --> 01:13:39,120
any of us can do it it it the thing is

2181
01:13:42,709 --> 01:13:41,360
is that it if there's more of us i feel

2182
01:13:44,390 --> 01:13:42,719
like if there's if there's more people

2183
01:13:45,350 --> 01:13:44,400
it's more of an amplifier it's more of

2184
01:13:46,790 --> 01:13:45,360
like a

2185
01:13:48,470 --> 01:13:46,800
resonant amplifier right where you get

2186
01:13:50,470 --> 01:13:48,480
like you know four or five five you know

2187
01:13:52,310 --> 01:13:50,480
two people's better than one and four

2188
01:13:53,590 --> 01:13:52,320

and three you know whatever

2189

01:13:55,030 --> 01:13:53,600

and

2190

01:13:56,390 --> 01:13:55,040

but it's not they're i'm not saying that

2191

01:13:57,830 --> 01:13:56,400

you can't just do it by yourself you can

2192

01:14:00,470 --> 01:13:57,840

do it by yourself too

2193

01:14:02,790 --> 01:14:00,480

hey and it's just there

2194

01:14:04,709 --> 01:14:02,800

despite me i am definitely signing up to

2195

01:14:05,990 --> 01:14:04,719

go and do one of these and james uh

2196

01:14:09,110 --> 01:14:06,000

august

2197

01:14:11,189 --> 01:14:09,120

13th when i'm there in new york uh and

2198

01:14:12,950 --> 01:14:11,199

by the way he lives right across from my

2199

01:14:15,990 --> 01:14:12,960

hometown favorite restaurant like right

2200

01:14:19,590 --> 01:14:16,000

across the street uh but anyway

2201
01:14:22,310 --> 01:14:19,600
anyway deb has a concern about

2202
01:14:23,830 --> 01:14:22,320
the ce5 protocol that she's

2203
01:14:25,669 --> 01:14:23,840
expressed before so i'd like her to

2204
01:14:27,350 --> 01:14:25,679
address it with you i want to know this

2205
01:14:30,950 --> 01:14:27,360
too

2206
01:14:33,430 --> 01:14:30,960
yeah dj what which one

2207
01:14:35,910 --> 01:14:33,440
what you're calling in

2208
01:14:40,390 --> 01:14:35,920
what are you what are you summoning

2209
01:14:42,149 --> 01:14:40,400
oh yes are you summoning the devil no

2210
01:14:45,350 --> 01:14:42,159
okay no i thought you meant because of

2211
01:14:47,189 --> 01:14:45,360
the origin of the terminology and the

2212
01:14:48,390 --> 01:14:47,199
concept but no that's another concern

2213
01:14:49,750 --> 01:14:48,400

but anywho

2214

01:14:53,189 --> 01:14:49,760

oh

2215

01:14:54,790 --> 01:14:53,199

but but no it is it is a concern um

2216

01:14:57,270 --> 01:14:54,800

because

2217

01:15:01,669 --> 01:14:57,280

at times if greer shows up the next time

2218

01:15:05,990 --> 01:15:04,229

i'm just saying it again yeah if being

2219

01:15:07,590 --> 01:15:06,000

doily shows up i'm doing it every day

2220

01:15:09,590 --> 01:15:07,600

absolutely i'll just say that i've

2221

01:15:11,830 --> 01:15:09,600

already had a conversation with james

2222

01:15:14,070 --> 01:15:11,840

about career today because

2223

01:15:14,870 --> 01:15:14,080

i won't go into why but yes

2224

01:15:17,990 --> 01:15:14,880

okay

2225

01:15:19,830 --> 01:15:18,000

um so i guess my concern is sometimes

2226

01:15:22,149 --> 01:15:19,840

when i try to

2227

01:15:24,070 --> 01:15:22,159

basically communicate this is just the

2228

01:15:26,709 --> 01:15:24,080

easiest way to say it i get an

2229

01:15:28,310 --> 01:15:26,719

impression that is like a warning

2230

01:15:31,030 --> 01:15:28,320

of caution

2231

01:15:32,630 --> 01:15:31,040

um and i imagine you know i'm definitely

2232

01:15:35,270 --> 01:15:32,640

not the only one who's gotten that

2233

01:15:37,590 --> 01:15:35,280

impression i'm just being careful that

2234

01:15:40,950 --> 01:15:37,600

not everything is benevolent

2235

01:15:43,669 --> 01:15:40,960

so that would be where the concern is

2236

01:15:45,030 --> 01:15:43,679

yeah no totally i you know i mean i

2237

01:15:46,550 --> 01:15:45,040

think if

2238

01:15:48,870 --> 01:15:46,560

um

2239

01:15:49,990 --> 01:15:48,880

you know if if you go into the

2240

01:15:51,590 --> 01:15:50,000

whole

2241

01:15:53,270 --> 01:15:51,600

you're creating your reality with your

2242

01:15:55,430 --> 01:15:53,280

mind

2243

01:15:56,709 --> 01:15:55,440

avenue

2244

01:15:58,149 --> 01:15:56,719

if you want to see werewolves you're

2245

01:15:59,430 --> 01:15:58,159

going to all right if you want to see

2246

01:16:01,510 --> 01:15:59,440

angels you will if you want to see

2247

01:16:04,070 --> 01:16:01,520

demons you will if you want to see

2248

01:16:06,630 --> 01:16:05,189

i don't know how trolls you're going to

2249

01:16:08,149 --> 01:16:06,640

see you know i mean it's just kind of

2250

01:16:09,830 --> 01:16:08,159

like that whole

2251
01:16:14,310 --> 01:16:09,840
you know like it's like whatever you're

2252
01:16:18,709 --> 01:16:16,390
you know you can't put that out there

2253
01:16:20,709 --> 01:16:18,719
it's kind of it's this is this is a

2254
01:16:22,229 --> 01:16:20,719
really dumb analogy but it's perfect

2255
01:16:25,590 --> 01:16:22,239
it's like ghostbusters right it's like

2256
01:16:27,189 --> 01:16:25,600
don't think of anything it's like rey

2257
01:16:27,910 --> 01:16:27,199
this is a stupid marshmallow marshmallow

2258
01:16:30,070 --> 01:16:27,920
man

2259
01:16:33,590 --> 01:16:30,080
it's like

2260
01:16:34,840 --> 01:16:33,600
literally what it is you know i i

2261
01:16:36,070 --> 01:16:34,850
literally that's like

2262
01:16:37,830 --> 01:16:36,080
[Music]

2263
01:16:40,709 --> 01:16:37,840

i don't want to see the devil well guess

2264

01:16:45,830 --> 01:16:42,470

we're not going to talk about me bigfoot

2265

01:16:50,310 --> 01:16:48,390

i've said it's also a little like we're

2266

01:16:51,990 --> 01:16:50,320

setting out a call and they may be

2267

01:16:54,470 --> 01:16:52,000

coming along going oh it's one of our

2268

01:16:56,550 --> 01:16:54,480

friends oh it's a human

2269

01:16:59,030 --> 01:16:56,560

why are they misdialing us

2270

01:17:01,990 --> 01:16:59,040

yeah right wrong number dude i'm gonna

2271

01:17:04,149 --> 01:17:02,000

teach you a lesson dave's not here man

2272

01:17:05,910 --> 01:17:04,159

yeah dave's not here

2273

01:17:14,070 --> 01:17:05,920

i'm gonna give you a sunburn you're not

2274

01:17:14,080 --> 01:17:17,960

how to come back

2275

01:17:23,110 --> 01:17:20,070

[Music]

2276

01:17:26,870 --> 01:17:23,120

yeah no honestly john the the story that

2277

01:17:29,669 --> 01:17:26,880

you just shared it evoked in me this

2278

01:17:31,830 --> 01:17:29,679

picture of the ancient human family

2279

01:17:32,790 --> 01:17:31,840

you know out on the savannah

2280

01:17:35,030 --> 01:17:32,800

you know

2281

01:17:35,830 --> 01:17:35,040

around a fire

2282

01:17:39,510 --> 01:17:35,840

just

2283

01:17:42,070 --> 01:17:41,270

the heavens

2284

01:17:45,110 --> 01:17:42,080

and

2285

01:17:47,270 --> 01:17:45,120

the sort of

2286

01:17:49,510 --> 01:17:47,280

stories of their own lives projecting

2287

01:17:51,270 --> 01:17:49,520

those onto that

2288

01:17:54,470 --> 01:17:51,280

celestial story

2289

01:17:58,470 --> 01:17:54,480

and invite vice versa and i wonder

2290

01:18:00,630 --> 01:17:58,480

you know is there is the c5

2291

01:18:01,830 --> 01:18:00,640

you know kind of act is that something

2292

01:18:03,750 --> 01:18:01,840

that we are

2293

01:18:05,669 --> 01:18:03,760

is that kind of this

2294

01:18:06,950 --> 01:18:05,679

residue of something ancient that we

2295

01:18:09,030 --> 01:18:06,960

used to do

2296

01:18:11,669 --> 01:18:09,040

just all the time

2297

01:18:13,590 --> 01:18:11,679

and it was more alive than

2298

01:18:16,709 --> 01:18:13,600

than it is now because that's something

2299

01:18:19,910 --> 01:18:16,719

that we just did as part of our everyday

2300

01:18:26,149 --> 01:18:22,229

what are your thoughts on that yeah

2301

01:18:31,430 --> 01:18:28,709

yeah i mean obviously when anything is

2302

01:18:35,669 --> 01:18:33,430

well i mean if you take it back to that

2303

01:18:37,270 --> 01:18:35,679

point

2304

01:18:40,950 --> 01:18:37,280

those people were

2305

01:18:43,669 --> 01:18:40,960

a billion percent more connected to

2306

01:18:45,270 --> 01:18:43,679

the biosphere the ecosystem that than we

2307

01:18:46,070 --> 01:18:45,280

are right now right i mean we're sitting

2308

01:18:50,070 --> 01:18:46,080

in

2309

01:18:54,630 --> 01:18:50,080

right

2310

01:18:57,350 --> 01:18:54,640

these things and you know all this stuff

2311

01:18:58,950 --> 01:18:57,360

i mean those people had like dirt

2312

01:19:01,030 --> 01:18:58,960

caked in places that they're never going

2313

01:19:04,310 --> 01:19:01,040

to get out right

2314

01:19:05,110 --> 01:19:04,320

they're living like they were living in

2315

01:19:10,310 --> 01:19:05,120

in

2316

01:19:12,470 --> 01:19:10,320

we do

2317

01:19:13,990 --> 01:19:12,480

you know exponentially right we kind of

2318

01:19:15,350 --> 01:19:14,000

ah we're going to go on vacation or

2319

01:19:17,750 --> 01:19:15,360

we're going to go out in the backyard do

2320

01:19:19,510 --> 01:19:17,760

a slip and slide and oops i got dirt in

2321

01:19:21,350 --> 01:19:19,520

my mouth like you know but these people

2322

01:19:23,270 --> 01:19:21,360

like live that right

2323

01:19:25,350 --> 01:19:23,280

so when i think when you're connected to

2324

01:19:27,510 --> 01:19:25,360

that you have a greater

2325

01:19:29,189 --> 01:19:27,520

connection to it right and so like when

2326

01:19:30,310 --> 01:19:29,199

i think when we were out where we were

2327

01:19:32,470 --> 01:19:30,320

out

2328

01:19:34,390 --> 01:19:32,480

in the middle of nowhere

2329

01:19:35,830 --> 01:19:34,400

literally like

2330

01:19:37,590 --> 01:19:35,840

and it's funny about this is ian dooley

2331

01:19:39,350 --> 01:19:37,600

if he's still here or not i remember him

2332

01:19:41,590 --> 01:19:39,360

calling me because like i remember him

2333

01:19:43,110 --> 01:19:41,600

calling me like non-stop and it was like

2334

01:19:45,430 --> 01:19:43,120

i can't remember what it was going on

2335

01:19:47,350 --> 01:19:45,440

but it was like something got released

2336

01:19:49,030 --> 01:19:47,360

it was like a big deal right and we were

2337

01:19:50,630 --> 01:19:49,040

down there and like i didn't have any

2338

01:19:51,590 --> 01:19:50,640

celsius like did you see what happened

2339

01:19:53,270 --> 01:19:51,600

i'm like

2340

01:19:56,149 --> 01:19:53,280

dude i'm on a mountaintop with my hand

2341

01:19:57,830 --> 01:19:56,159

on a tree what the [h__h]

2342

01:19:59,030 --> 01:19:57,840

he's like it was a thing and i can't i

2343

01:20:00,470 --> 01:19:59,040

literally can't remember what it is now

2344

01:20:01,590 --> 01:20:00,480

but it was a big deal it literally was a

2345

01:20:03,350 --> 01:20:01,600

big deal and it was like there was a

2346

01:20:04,390 --> 01:20:03,360

thing and i'm like holding onto a tree

2347

01:20:06,950 --> 01:20:04,400

and i'm like

2348

01:20:08,149 --> 01:20:06,960

talking about he was like oh yeah but he

2349

01:20:09,510 --> 01:20:08,159

called me because that was red and i

2350

01:20:11,910 --> 01:20:09,520

appreciated he called me but like you

2351
01:20:14,390 --> 01:20:11,920
know what i mean like i was that far out

2352
01:20:16,229 --> 01:20:14,400
so i was kind of like

2353
01:20:18,070 --> 01:20:16,239
more connected to that and i think

2354
01:20:19,590 --> 01:20:18,080
really

2355
01:20:21,669 --> 01:20:19,600
we miss that

2356
01:20:23,189 --> 01:20:21,679
i think a majority of people miss that

2357
01:20:24,790 --> 01:20:23,199
you know i mean i think it's amazing

2358
01:20:27,430 --> 01:20:24,800
that i can talk to all of you i can talk

2359
01:20:29,510 --> 01:20:27,440
to the world from where i'm sitting but

2360
01:20:31,350 --> 01:20:29,520
i think that we're losing our connection

2361
01:20:32,390 --> 01:20:31,360
to like

2362
01:20:36,229 --> 01:20:32,400
nature

2363
01:20:37,990 --> 01:20:36,239

yeah and uh and

2364

01:20:41,030 --> 01:20:38,000

i'm like i don't like bugs and i don't

2365

01:20:43,270 --> 01:20:41,040

like hanging out outside but

2366

01:20:45,910 --> 01:20:43,280

i know i recognize this and i recognize

2367

01:20:47,910 --> 01:20:45,920

that it's a deal and i feel better when

2368

01:20:49,430 --> 01:20:47,920

i'm out there i feel better when i'm

2369

01:20:51,510 --> 01:20:49,440

when i'm in it and experiencing it and

2370

01:20:54,149 --> 01:20:51,520

the sun's in my face and dirty and i'm

2371

01:20:56,229 --> 01:20:54,159

hanging out and just having fun and

2372

01:20:57,750 --> 01:20:56,239

i think that's a thing i really do think

2373

01:20:59,750 --> 01:20:57,760

that's the thing and i think that more

2374

01:21:02,070 --> 01:20:59,760

of us need to do that

2375

01:21:04,790 --> 01:21:02,080

well then i seek your counsel uh john

2376

01:21:07,110 --> 01:21:04,800

because uh nathan is very aware of this

2377

01:21:08,310 --> 01:21:07,120

flair is very aware of this deb is very

2378

01:21:10,149 --> 01:21:08,320

aware of this

2379

01:21:12,149 --> 01:21:10,159

that i often

2380

01:21:15,189 --> 01:21:12,159

uh will send them a message when i'm on

2381

01:21:17,350 --> 01:21:15,199

my hikes which occur you know probably

2382

01:21:20,390 --> 01:21:17,360

three times a week or so

2383

01:21:22,550 --> 01:21:20,400

and i'm wondering if i can summon

2384

01:21:25,750 --> 01:21:22,560

sasquatch or bigfoot

2385

01:21:28,229 --> 01:21:25,760

to come and say hello to me and the dogs

2386

01:21:30,070 --> 01:21:28,239

and nathan is worried that i'm going to

2387

01:21:31,669 --> 01:21:30,080

become sort of like

2388

01:21:33,669 --> 01:21:31,679

you know an hors d'oeuvre

2389

01:21:35,350 --> 01:21:33,679

you know maybe don't bring the dogs the

2390

01:21:36,070 --> 01:21:35,360

dogs are like a snack in my mind that's

2391

01:21:38,149 --> 01:21:36,080

something

2392

01:21:40,310 --> 01:21:38,159

don't blame this you know yeah yeah like

2393

01:21:42,470 --> 01:21:40,320

a little shrimp purse yeah

2394

01:21:44,470 --> 01:21:42,480

you don't need to you don't need to

2395

01:21:46,550 --> 01:21:44,480

bring that [h__h] in there like just leave

2396

01:21:48,550 --> 01:21:46,560

the dogs at home and hang out

2397

01:21:50,709 --> 01:21:48,560

so what's your what's

2398

01:21:54,390 --> 01:21:50,719

what's your thought about

2399

01:21:57,270 --> 01:21:54,400

um how i can summon an interaction with

2400

01:21:59,990 --> 01:21:57,280

bigfoot and whether or not i should

2401

01:22:01,350 --> 01:22:00,000

and james also feel flip free to weigh

2402

01:22:03,430 --> 01:22:01,360

on the end of this in the chat and by

2403

01:22:04,870 --> 01:22:03,440

the way debs if you can pick a question

2404

01:22:05,910 --> 01:22:04,880

out of the chat for john that would be

2405

01:22:09,350 --> 01:22:05,920

awesome

2406

01:22:13,830 --> 01:22:11,189

uh

2407

01:22:15,030 --> 01:22:13,840

someone whatever the hell you want

2408

01:22:20,550 --> 01:22:15,040

i mean

2409

01:22:23,110 --> 01:22:20,560

nickianna jones is a cool chick and her

2410

01:22:25,750 --> 01:22:23,120

and i've spoken a lot you know look at

2411

01:22:26,950 --> 01:22:25,760

she was like what [h__\h] jones is rad

2412

01:22:28,310 --> 01:22:26,960

she hit me up out of nowhere and i was

2413

01:22:31,270 --> 01:22:28,320

like hey let's talk and i'm like who are

2414

01:22:32,709 --> 01:22:31,280

you and she's like i'm i'm like cool

2415

01:22:34,950 --> 01:22:32,719

so

2416

01:22:36,550 --> 01:22:34,960

she's she's she's amazing she's had

2417

01:22:39,910 --> 01:22:36,560

experiences that just still boggled my

2418

01:22:44,550 --> 01:22:39,920

mind but she went to peru or i don't

2419

01:22:48,550 --> 01:22:45,910

she told listen to the story about her

2420

01:22:50,790 --> 01:22:48,560

seeing a unicorn that exists

2421

01:22:55,430 --> 01:22:50,800

i don't know but she saw one

2422

01:22:59,110 --> 01:22:57,830

during the archives of the impossible

2423

01:23:02,310 --> 01:22:59,120

valley did talk about it where they

2424

01:23:04,709 --> 01:23:02,320

genetically manipulated a goat to grow a

2425

01:23:06,070 --> 01:23:04,719

single horn out of its head in the 70s

2426

01:23:07,350 --> 01:23:06,080

and they took it around and people were

2427

01:23:08,790 --> 01:23:07,360

like that doesn't that's not real and

2428

01:23:10,470 --> 01:23:08,800

they're like yeah it's real and even

2429

01:23:11,590 --> 01:23:10,480

geneticists were like we're like no

2430

01:23:13,669 --> 01:23:11,600

that's not real they're like yeah it's

2431

01:23:16,229 --> 01:23:13,679

real but they genetically manipulated a

2432

01:23:17,750 --> 01:23:16,239

goat to have a a unicorn horn but yeah

2433

01:23:19,350 --> 01:23:17,760

she saw one that was like a more of a

2434

01:23:22,070 --> 01:23:19,360

majestic white horse running through the

2435

01:23:24,790 --> 01:23:22,080

thing i don't know but um so yeah i mean

2436

01:23:26,709 --> 01:23:24,800

you could you could literally

2437

01:23:28,229 --> 01:23:26,719

if you have enough passion

2438

01:23:29,750 --> 01:23:28,239

in it and

2439

01:23:31,350 --> 01:23:29,760

and you really want to do i mean you can

2440

01:23:33,430 --> 01:23:31,360

see whatever the hell you want

2441

01:23:34,709 --> 01:23:33,440

and and that's where like the archons

2442

01:23:36,149 --> 01:23:34,719

and all those weird things that happens

2443

01:23:37,830 --> 01:23:36,159

like chris bledsoe and like all this

2444

01:23:39,510 --> 01:23:37,840

stuff and the white lady

2445

01:23:42,870 --> 01:23:39,520

and like the you know the white lady's

2446

01:23:44,470 --> 01:23:42,880

been seen by a bunch of people and doily

2447

01:23:46,070 --> 01:23:44,480

and a bunch of other you know like

2448

01:23:47,430 --> 01:23:46,080

whatever

2449

01:23:48,709 --> 01:23:47,440

james i don't know

2450

01:23:50,870 --> 01:23:48,719

but you know what i mean like they're

2451
01:23:53,990 --> 01:23:50,880
she's everywhere right and she's she's

2452
01:23:55,110 --> 01:23:54,000
hath or she's she's ayanna she's she's

2453
01:23:57,270 --> 01:23:55,120
you know she's the goddess she's the

2454
01:23:59,030 --> 01:23:57,280
virgin mary she's everything everywhere

2455
01:24:00,070 --> 01:23:59,040
right and and i don't know if that's a

2456
01:24:01,189 --> 01:24:00,080
uh

2457
01:24:02,470 --> 01:24:01,199
connection to the earth i don't know if

2458
01:24:03,990 --> 01:24:02,480
she's gaia i don't know she's the mother

2459
01:24:05,590 --> 01:24:04,000
earth i don't know if she's that thing

2460
01:24:06,629 --> 01:24:05,600
and that people see her i saw her she

2461
01:24:08,870 --> 01:24:06,639
came to me

2462
01:24:11,189 --> 01:24:08,880
i was a little bit upset um

2463
01:24:15,110 --> 01:24:12,790

yeah i mean i think that's a thing where

2464

01:24:16,470 --> 01:24:15,120

if you want to see her you know and

2465

01:24:18,950 --> 01:24:16,480

i only

2466

01:24:20,870 --> 01:24:18,960

saw her after i had a

2467

01:24:23,110 --> 01:24:20,880

inclination

2468

01:24:25,350 --> 01:24:23,120

that

2469

01:24:26,790 --> 01:24:25,360

she was there well i was just whatever

2470

01:24:27,910 --> 01:24:26,800

but

2471

01:24:29,910 --> 01:24:27,920

you know it's like one of those things

2472

01:24:32,629 --> 01:24:29,920

where it's like if you don't even

2473

01:24:34,790 --> 01:24:32,639

entertain the idea that something's real

2474

01:24:36,790 --> 01:24:34,800

it never will be real but if you focus

2475

01:24:39,270 --> 01:24:36,800

on that thing it's like i really think

2476

01:24:42,790 --> 01:24:39,280

this is real and i'm gonna see it

2477

01:24:45,189 --> 01:24:42,800

then you maybe manifest it into reality

2478

01:24:47,110 --> 01:24:45,199

well about gaia i want to say thank you

2479

01:24:48,950 --> 01:24:47,120

to to gaia because i think they've

2480

01:24:51,830 --> 01:24:48,960

created what i would consider a very

2481

01:24:54,470 --> 01:24:51,840

low-cost uh quality yoga mat so i want

2482

01:24:58,149 --> 01:24:54,480

to say thank you to to guy for creating

2483

01:24:59,910 --> 01:24:58,159

that i appreciate that

2484

01:25:01,350 --> 01:24:59,920

and also i want to say i want to correct

2485

01:25:03,830 --> 01:25:01,360

the record here

2486

01:25:05,350 --> 01:25:03,840

you deb and i were on a talk space

2487

01:25:07,990 --> 01:25:05,360

together but when you and i had our

2488

01:25:09,750 --> 01:25:08,000

conversation it was on zoom and deb was

2489

01:25:13,270 --> 01:25:09,760

not there for that that was just you and

2490

01:25:15,110 --> 01:25:13,280

i i said was doing this no you were not

2491

01:25:16,709 --> 01:25:15,120

no you were not you had a wave in the

2492

01:25:17,669 --> 01:25:16,719

background your background was a wave

2493

01:25:20,470 --> 01:25:17,679

because you were hanging out with your

2494

01:25:21,990 --> 01:25:20,480

high school thing i was there what

2495

01:25:24,310 --> 01:25:22,000

yeah your high school reading i couldn't

2496

01:25:26,070 --> 01:25:24,320

stay long dj remember i had to go

2497

01:25:29,830 --> 01:25:26,080

because i was getting ready to do an

2498

01:25:33,189 --> 01:25:31,189

with me

2499

01:25:35,110 --> 01:25:33,199

yeah on the okay i didn't even know i

2500

01:25:37,030 --> 01:25:35,120

had this program yet i thought it was

2501

01:25:38,629 --> 01:25:37,040

done on zoom but anyway

2502

01:25:40,390 --> 01:25:38,639

we have a question from the chat for

2503

01:25:42,629 --> 01:25:40,400

john because we got to let people have

2504

01:25:45,189 --> 01:25:42,639

at least one as long as it's not some

2505

01:25:46,550 --> 01:25:45,199

idiotic question i want 13 of them go

2506

01:25:50,149 --> 01:25:46,560

for it

2507

01:25:53,990 --> 01:25:50,159

okay so i had to go for a non-et's

2508

01:25:56,470 --> 01:25:54,000

question because it has to do with data

2509

01:25:59,030 --> 01:25:56,480

it says could someone please ask john

2510

01:26:02,070 --> 01:25:59,040

some good objective sources to learn

2511

01:26:07,430 --> 01:26:02,080

about masons

2512

01:26:12,390 --> 01:26:09,590

that was easy uh i think you have time

2513

01:26:14,629 --> 01:26:12,400

for another question yeah yes

2514

01:26:16,550 --> 01:26:14,639

that was way too fast okay hold on there

2515

01:26:18,870 --> 01:26:16,560

was another one we could get we could

2516

01:26:21,350 --> 01:26:18,880

get the flare or yourself back in there

2517

01:26:23,990 --> 01:26:21,360

there you go i did have another one that

2518

01:26:27,110 --> 01:26:24,000

i think is sort of relative um how can

2519

01:26:29,590 --> 01:26:27,120

you protect people from

2520

01:26:32,629 --> 01:26:29,600

uh people who are fraudulent about being

2521

01:26:34,790 --> 01:26:32,639

masons like how how do we know someone's

2522

01:26:36,870 --> 01:26:34,800

genuinely amazing

2523

01:26:39,510 --> 01:26:36,880

ooh all right that's a good question i

2524

01:26:41,270 --> 01:26:39,520

should speak clear a free mason yes oh

2525

01:26:44,229 --> 01:26:41,280

yeah well no that's a really good

2526

01:26:46,310 --> 01:26:44,239

question um so we know each other

2527

01:26:48,149 --> 01:26:46,320

through signs symbols

2528

01:26:52,629 --> 01:26:48,159

and um

2529

01:26:56,709 --> 01:26:54,470

that's a really quick great question you

2530

01:26:58,550 --> 01:26:56,719

know asking where lodger at ask them

2531

01:26:59,910 --> 01:26:58,560

what what lodge you're a member of you

2532

01:27:01,189 --> 01:26:59,920

know ask him what year they became a

2533

01:27:02,830 --> 01:27:01,199

mason

2534

01:27:05,830 --> 01:27:02,840

ask him you know

2535

01:27:07,030 --> 01:27:05,840

um you know game three brothers you know

2536

01:27:08,870 --> 01:27:07,040

things like that you know things like

2537

01:27:10,709 --> 01:27:08,880

that um

2538

01:27:13,270 --> 01:27:10,719

it it's uh you know show me your dues

2539

01:27:14,310 --> 01:27:13,280

card you know like

2540

01:27:16,629 --> 01:27:14,320

i don't know i got a couple of them

2541

01:27:21,669 --> 01:27:16,639

laying here oh show me this

2542

01:27:24,390 --> 01:27:23,189

i should need to study are you accepting

2543

01:27:25,189 --> 01:27:24,400

members

2544

01:27:26,790 --> 01:27:25,199

uh

2545

01:27:28,550 --> 01:27:26,800

they're all we're always accepting

2546

01:27:29,910 --> 01:27:28,560

members wow

2547

01:27:32,709 --> 01:27:29,920

yeah we're always accepting members so

2548

01:27:34,709 --> 01:27:32,719

that's the thing like it's sad about

2549

01:27:37,110 --> 01:27:34,719

freemasonry it's sad and awesome at the

2550

01:27:38,709 --> 01:27:37,120

same time where

2551
01:27:41,669 --> 01:27:38,719
last year

2552
01:27:43,590 --> 01:27:41,679
maybe two years ago the um every year

2553
01:27:45,030 --> 01:27:43,600
the

2554
01:27:47,510 --> 01:27:45,040
head of masons of

2555
01:27:49,110 --> 01:27:47,520
ohio or every other state has like their

2556
01:27:50,310 --> 01:27:49,120
theme right where they're like okay this

2557
01:27:51,669 --> 01:27:50,320
is their favorite masonry and they have

2558
01:27:54,229 --> 01:27:51,679
like they put it on a pin and everybody

2559
01:27:55,590 --> 01:27:54,239
gets a pen you know oh you got a pin and

2560
01:27:57,189 --> 01:27:55,600
a couple years ago was like replace

2561
01:27:59,590 --> 01:27:57,199
yourself

2562
01:28:01,350 --> 01:27:59,600
and i was like oh wow so like we're

2563
01:28:02,629 --> 01:28:01,360

never allowed to recruit right we're

2564

01:28:04,550 --> 01:28:02,639

never allowed to be like hey you should

2565

01:28:06,310 --> 01:28:04,560

be a freebasing because that's like goes

2566

01:28:08,229 --> 01:28:06,320

against everything that we're through so

2567

01:28:09,910 --> 01:28:08,239

so it's like if it's so

2568

01:28:11,270 --> 01:28:09,920

it's pretty universal it's like to be

2569

01:28:13,590 --> 01:28:11,280

one ask one right it's like if you want

2570

01:28:15,189 --> 01:28:13,600

to be a mason ask a mason like hey can i

2571

01:28:17,189 --> 01:28:15,199

be a freemason right

2572

01:28:18,390 --> 01:28:17,199

um yeah cool you know like talk about it

2573

01:28:20,550 --> 01:28:18,400

like so we're not just going out there

2574

01:28:22,470 --> 01:28:20,560

like hey you'd be a great guy to join

2575

01:28:24,070 --> 01:28:22,480

the mormons or you know like we're not

2576

01:28:25,510 --> 01:28:24,080

those guys that show up and you're like

2577

01:28:26,629 --> 01:28:25,520

you know like sorry i'm picking on the

2578

01:28:28,950 --> 01:28:26,639

mormons but you know what i mean like

2579

01:28:31,270 --> 01:28:28,960

they're coming door-to-door like

2580

01:28:33,030 --> 01:28:31,280

yeah i'm here to make an offer yeah yeah

2581

01:28:34,870 --> 01:28:33,040

i'll come here you get a get a free

2582

01:28:37,030 --> 01:28:34,880

fruit cake and you know no like we're

2583

01:28:38,629 --> 01:28:37,040

not doing any of that [h__h] right

2584

01:28:40,390 --> 01:28:38,639

like green street's gonna be upset with

2585

01:28:42,950 --> 01:28:40,400

all these mormon comments is green

2586

01:28:44,550 --> 01:28:42,960

street mormon yeah he was i don't think

2587

01:28:45,760 --> 01:28:44,560

he is currently but

2588

01:28:47,990 --> 01:28:45,770

oh really

2589

01:28:48,870 --> 01:28:48,000

[Music]

2590

01:28:50,390 --> 01:28:48,880

wow

2591

01:28:52,550 --> 01:28:50,400

i could write that down

2592

01:28:57,350 --> 01:28:52,560

um so uh

2593

01:28:58,470 --> 01:28:57,360

anyhow uh so yeah so um yeah no no so we

2594

01:29:00,390 --> 01:28:58,480

so we don't recruit at all but i mean

2595

01:29:01,830 --> 01:29:00,400

like it was like so because there's so

2596

01:29:03,030 --> 01:29:01,840

many guys that are like

2597

01:29:06,229 --> 01:29:03,040

in

2598

01:29:08,149 --> 01:29:06,239

so like the world war ii um

2599

01:29:09,750 --> 01:29:08,159

those guys were like a lot of masons and

2600

01:29:12,390 --> 01:29:09,760

things like that and there was all that

2601
01:29:14,149 --> 01:29:12,400
whole rebellion 60s 70s like um screw

2602
01:29:15,590 --> 01:29:14,159
that i'm not doing what my dad did i'm

2603
01:29:18,310 --> 01:29:15,600
not going to be a freemason because

2604
01:29:19,669 --> 01:29:18,320
forget it oh wait a minute like three

2605
01:29:21,030 --> 01:29:19,679
four generations of us have been

2606
01:29:22,550 --> 01:29:21,040
racing's like yeah but i'm not doing

2607
01:29:25,830 --> 01:29:22,560
that

2608
01:29:27,590 --> 01:29:25,840
whole thing right and then it was kind

2609
01:29:29,590 --> 01:29:27,600
of like oh you guys are illuminati and

2610
01:29:31,669 --> 01:29:29,600
you're just sacrificing kids and

2611
01:29:33,510 --> 01:29:31,679
worshiping the devil and like all this

2612
01:29:34,629 --> 01:29:33,520
other crap that's been going on and

2613
01:29:36,310 --> 01:29:34,639

everybody's like i don't want anything

2614

01:29:39,110 --> 01:29:36,320

to do with that so there was like this

2615

01:29:40,950 --> 01:29:39,120

whole wave of of guys that were that

2616

01:29:42,870 --> 01:29:40,960

we're just we're not joining or not even

2617

01:29:44,310 --> 01:29:42,880

interested in it right so a lot of

2618

01:29:46,790 --> 01:29:44,320

lodges closed a lot of lodges

2619

01:29:48,310 --> 01:29:46,800

consolidated a lot of it's it's been

2620

01:29:50,629 --> 01:29:48,320

shrinking the amount of numbers you know

2621

01:29:52,709 --> 01:29:50,639

it was like a bigger number

2622

01:29:55,270 --> 01:29:52,719

and it's just really kind of diminishing

2623

01:29:57,030 --> 01:29:55,280

now but honestly it's like you know we

2624

01:29:58,790 --> 01:29:57,040

don't recruit you know we're not asking

2625

01:30:00,870 --> 01:29:58,800

anybody but it was interesting to see a

2626

01:30:03,270 --> 01:30:00,880

couple years ago where like replace

2627

01:30:05,430 --> 01:30:03,280

yourself right so like

2628

01:30:06,950 --> 01:30:05,440

it kind of it kind of like hit home for

2629

01:30:09,110 --> 01:30:06,960

a lot of the older guys

2630

01:30:11,270 --> 01:30:09,120

they were like eh you know not gonna be

2631

01:30:12,470 --> 01:30:11,280

here because like if you don't if you if

2632

01:30:14,229 --> 01:30:12,480

you don't have the tradition and you

2633

01:30:15,510 --> 01:30:14,239

don't keep going with it like it dies

2634

01:30:17,990 --> 01:30:15,520

right it's just one of those things that

2635

01:30:19,270 --> 01:30:18,000

just fades away and from my research and

2636

01:30:20,470 --> 01:30:19,280

this i'm just gonna put this out here i

2637

01:30:23,110 --> 01:30:20,480

mean i'm sure you could probably read

2638

01:30:28,310 --> 01:30:23,120

about it one of my future books but

2639

01:30:32,950 --> 01:30:31,030

from all walks of life

2640

01:30:35,430 --> 01:30:32,960

have hidden symbology

2641

01:30:37,030 --> 01:30:35,440

and allegory and some

2642

01:30:39,030 --> 01:30:37,040

within masonry

2643

01:30:40,629 --> 01:30:39,040

so the egyptian mystery schools the you

2644

01:30:42,470 --> 01:30:40,639

know sumerians like

2645

01:30:43,910 --> 01:30:42,480

from time to memoriam right have have

2646

01:30:45,110 --> 01:30:43,920

hidden a little bit of it where it's

2647

01:30:47,110 --> 01:30:45,120

like

2648

01:30:48,310 --> 01:30:47,120

hey these people are attacking us and

2649

01:30:49,430 --> 01:30:48,320

they're going to kill our whole way of

2650

01:30:50,629 --> 01:30:49,440

life we have this whole mystery school

2651
01:30:52,310 --> 01:30:50,639
okay boom

2652
01:30:53,590 --> 01:30:52,320
we have that and we take that with us

2653
01:30:55,669 --> 01:30:53,600
and that's kind of gone out through

2654
01:30:56,709 --> 01:30:55,679
history and i think that masonry in some

2655
01:30:59,430 --> 01:30:56,719
regard

2656
01:31:01,350 --> 01:30:59,440
has kept a lot of those ancient

2657
01:31:02,790 --> 01:31:01,360
mystery schools alive

2658
01:31:04,870 --> 01:31:02,800
right throughout history and just kind

2659
01:31:07,510 --> 01:31:04,880
of kept it going so it'd be really

2660
01:31:09,830 --> 01:31:07,520
really horrible now in the 21st century

2661
01:31:11,189 --> 01:31:09,840
to see that

2662
01:31:12,709 --> 01:31:11,199
you know just completely fall to the

2663
01:31:14,550 --> 01:31:12,719

wayside i mean there's documentation and

2664

01:31:17,669 --> 01:31:14,560

all those things out there but still

2665

01:31:20,070 --> 01:31:17,679

so yeah we don't recruit but we

2666

01:31:21,270 --> 01:31:20,080

definitely need people and it's been

2667

01:31:22,870 --> 01:31:21,280

awesome because i've had a lot of people

2668

01:31:24,390 --> 01:31:22,880

reach out to me just from my channel and

2669

01:31:26,149 --> 01:31:24,400

just from knowing me and doing you know

2670

01:31:27,750 --> 01:31:26,159

shows like yours and things like they're

2671

01:31:29,110 --> 01:31:27,760

like yeah how do i join masonry and i

2672

01:31:31,350 --> 01:31:29,120

you know i set them up like hey be at

2673

01:31:32,870 --> 01:31:31,360

freemason.org check it out there's like

2674

01:31:35,270 --> 01:31:32,880

a whole wealth of information there

2675

01:31:36,790 --> 01:31:35,280

there's like uh you know like you know

2676

01:31:38,470 --> 01:31:36,800

is this for you is this something you're

2677

01:31:40,229 --> 01:31:38,480

interested in if not whatever talk to

2678

01:31:41,830 --> 01:31:40,239

somebody and dude i'm always open if

2679

01:31:43,189 --> 01:31:41,840

somebody wants to talk to me

2680

01:31:45,590 --> 01:31:43,199

i'll tell you straight up what's going

2681

01:31:47,990 --> 01:31:45,600

on you know i'm not i'm not beating

2682

01:31:50,070 --> 01:31:48,000

around the bush i'll tell you legit what

2683

01:31:51,350 --> 01:31:50,080

it did for me what it what it does for

2684

01:31:53,430 --> 01:31:51,360

you and it might not be for everybody

2685

01:31:55,750 --> 01:31:53,440

it's literally not for everybody right

2686

01:31:57,990 --> 01:31:55,760

but if you're into it and you want to

2687

01:31:59,110 --> 01:31:58,000

make yourself a better human and you

2688

01:32:00,709 --> 01:31:59,120

want to

2689

01:32:03,590 --> 01:32:00,719

open yourself up to a bunch of stuff

2690

01:32:05,430 --> 01:32:03,600

that maybe you not were

2691

01:32:07,350 --> 01:32:05,440

you know

2692

01:32:08,790 --> 01:32:07,360

even thinking about before then cool do

2693

01:32:10,790 --> 01:32:08,800

it but if not

2694

01:32:13,750 --> 01:32:10,800

you know i mean the first

2695

01:32:15,990 --> 01:32:13,760

third party in american political system

2696

01:32:18,790 --> 01:32:16,000

was the anti-masonic party

2697

01:32:20,790 --> 01:32:18,800

all right so let that sink in

2698

01:32:22,310 --> 01:32:20,800

right like they had to have like a third

2699

01:32:24,629 --> 01:32:22,320

party who was like well this guy's a

2700

01:32:26,390 --> 01:32:24,639

freemason and this guy's a friend

2701
01:32:28,470 --> 01:32:26,400
we're gonna just run on the anti-masonic

2702
01:32:30,709 --> 01:32:28,480
party

2703
01:32:33,270 --> 01:32:30,719
this been uh super duper interesting

2704
01:32:35,189 --> 01:32:33,280
john i i after that conversation with

2705
01:32:38,229 --> 01:32:35,199
you that deb either was or wasn't at we

2706
01:32:41,910 --> 01:32:39,350
uh

2707
01:32:44,149 --> 01:32:41,920
i i just said man this is a guy we just

2708
01:32:46,390 --> 01:32:44,159
have to have on the show and i contacted

2709
01:32:48,550 --> 01:32:46,400
the cabbies and said gotta get this guy

2710
01:32:50,310 --> 01:32:48,560
on man he is so cool he's cooler than

2711
01:32:51,830 --> 01:32:50,320
the other side of the pillow and the

2712
01:32:53,430 --> 01:32:51,840
other side of the pillow is sitting on a

2713
01:32:54,870 --> 01:32:53,440

block of ice

2714

01:32:57,510 --> 01:32:54,880

so

2715

01:32:59,750 --> 01:32:57,520

i'm cooler than a polar bear's toenails

2716

01:33:01,350 --> 01:32:59,760

you are i'll tell you what man you live

2717

01:33:03,990 --> 01:33:01,360

you you lived up to

2718

01:33:06,149 --> 01:33:04,000

to the building um so i'm making that up

2719

01:33:10,950 --> 01:33:06,159

man no i'm sorry man

2720

01:33:15,110 --> 01:33:13,110

this is how we got to do it man

2721

01:33:16,709 --> 01:33:15,120

but go ahead let me let the cabbie say

2722

01:33:18,629 --> 01:33:16,719

goodbye uh

2723

01:33:20,709 --> 01:33:18,639

dean martin of ufology i love you guys

2724

01:33:22,790 --> 01:33:20,719

and i really like seriously i'm i'm

2725

01:33:24,470 --> 01:33:22,800

always game to like whatever just hit me

2726

01:33:26,229 --> 01:33:24,480

up

2727

01:33:28,870 --> 01:33:26,239

we want a round two are you willing to

2728

01:33:30,950 --> 01:33:28,880

say yes to that right now oh my gosh i

2729

01:33:32,950 --> 01:33:30,960

gotta ask i gotta ask my agent

2730

01:33:35,030 --> 01:33:32,960

is he still there okay

2731

01:33:37,350 --> 01:33:35,040

yeah

2732

01:33:41,030 --> 01:33:37,360

oh my god what's your favorite james

2733

01:33:44,149 --> 01:33:41,040

back too hint hit james yeah

2734

01:33:47,669 --> 01:33:44,159

love is the answer get back over here

2735

01:33:52,790 --> 01:33:49,430

no seriously guys like seriously give me

2736

01:33:53,990 --> 01:33:52,800

the wildest question you got right now

2737

01:33:55,110 --> 01:33:54,000

oh

2738

01:33:57,750 --> 01:33:55,120

okay

2739

01:33:57,760 --> 01:34:03,669

oh my gosh uh while this question

2740

01:34:06,629 --> 01:34:05,510

i have a wild one i can throw out real

2741

01:34:07,430 --> 01:34:06,639

quick do it

2742

01:34:10,870 --> 01:34:07,440

do it

2743

01:34:13,270 --> 01:34:10,880

melon free mason yes or no

2744

01:34:14,550 --> 01:34:13,280

did you see my video i did see that yeah

2745

01:34:16,950 --> 01:34:14,560

yes we did

2746

01:34:19,430 --> 01:34:16,960

i asked him

2747

01:34:21,669 --> 01:34:19,440

he doesn't respond

2748

01:34:23,990 --> 01:34:21,679

but it means par for the course for yeah

2749

01:34:27,350 --> 01:34:24,000

yeah but i mean you know what i mean

2750

01:34:29,430 --> 01:34:27,360

i'm being a completely

2751
01:34:31,030 --> 01:34:29,440
uh sympathetic and untruthful here like

2752
01:34:32,550 --> 01:34:31,040
he's doing something he's sticking his

2753
01:34:34,229 --> 01:34:32,560
neck out right

2754
01:34:35,750 --> 01:34:34,239
right he's really sticking his eye out

2755
01:34:39,030 --> 01:34:35,760
for doing what he's doing

2756
01:34:41,350 --> 01:34:39,040
and to put that stamp on him right now

2757
01:34:43,350 --> 01:34:41,360
would just [h__h] him up

2758
01:34:45,350 --> 01:34:43,360
i mean publicly you know what i mean

2759
01:34:47,350 --> 01:34:45,360
because you have that whole side of

2760
01:34:49,270 --> 01:34:47,360
everybody that's like we knew it

2761
01:34:51,270 --> 01:34:49,280
freemasons are running everything and

2762
01:34:54,149 --> 01:34:51,280
it's the illuminati and they're right

2763
01:34:55,910 --> 01:34:54,159

devil worshipers and their other evil

2764

01:34:58,790 --> 01:34:55,920

you know you have all those people and

2765

01:35:03,030 --> 01:35:00,709

few people like me who give a [h__\h]

2766

01:35:05,430 --> 01:35:03,040

they're like yeah cool brother i'm there

2767

01:35:07,669 --> 01:35:05,440

to help you you know so like to him that

2768

01:35:08,950 --> 01:35:07,679

and same thing with tom right the the

2769

01:35:12,390 --> 01:35:08,960

same thing like

2770

01:35:14,709 --> 01:35:12,400

it just hurts him because of all the um

2771

01:35:17,189 --> 01:35:14,719

stigma and all the [h__\h] that's out

2772

01:35:18,390 --> 01:35:17,199

there about masonry right it's just

2773

01:35:19,669 --> 01:35:18,400

everybody thinks we're the devil

2774

01:35:21,430 --> 01:35:19,679

everybody thinks we're doing some evil

2775

01:35:23,189 --> 01:35:21,440

[h__\h] with running the government like i

2776
01:35:25,910 --> 01:35:23,199
wish i was running everything i honestly

2777
01:35:28,790 --> 01:35:25,920
do i'm not running [h__h]

2778
01:35:29,510 --> 01:35:28,800
so like i totally get it but if he was i

2779
01:35:31,750 --> 01:35:29,520
mean

2780
01:35:33,510 --> 01:35:31,760
if he was in my heart

2781
01:35:35,109 --> 01:35:33,520
i would feel happy because he's doing

2782
01:35:36,310 --> 01:35:35,119
the right thing

2783
01:35:37,270 --> 01:35:36,320
at least i hope he's doing the right

2784
01:35:38,870 --> 01:35:37,280
thing

2785
01:35:39,590 --> 01:35:38,880
following the tenets of freemasonry

2786
01:35:43,030 --> 01:35:39,600
right

2787
01:35:45,830 --> 01:35:43,040
brotherly love relief and truth

2788
01:35:48,950 --> 01:35:45,840

it makes me sad the stigma man

2789

01:35:51,109 --> 01:35:48,960

it's like so many levels right

2790

01:35:56,870 --> 01:35:51,119

there are so many

2791

01:35:58,870 --> 01:35:56,880

that are misunderstood because

2792

01:36:00,870 --> 01:35:58,880

we don't know about them and we're

2793

01:36:03,430 --> 01:36:00,880

ignorant of them and i mean ignorant in

2794

01:36:07,350 --> 01:36:03,440

a non-pejorative sense

2795

01:36:08,870 --> 01:36:07,360

that we just fill in whatever

2796

01:36:10,709 --> 01:36:08,880

because it's something we don't know

2797

01:36:13,030 --> 01:36:10,719

about we just fill in what feels most

2798

01:36:14,629 --> 01:36:13,040

comfortable what makes us feel safe and

2799

01:36:15,669 --> 01:36:14,639

makes us feel whole

2800

01:36:17,590 --> 01:36:15,679

and um

2801
01:36:19,350 --> 01:36:17,600
or we've been conditioned and heard

2802
01:36:22,070 --> 01:36:19,360
forever that this is what this is like

2803
01:36:22,950 --> 01:36:22,080
perhaps perhaps right yeah perhaps yeah

2804
01:36:24,870 --> 01:36:22,960
um

2805
01:36:26,790 --> 01:36:24,880
totally but like not like honest to god

2806
01:36:28,229 --> 01:36:26,800
i mean i you know if you if you watch

2807
01:36:31,030 --> 01:36:28,239
that lecture i did my last video it's

2808
01:36:34,470 --> 01:36:31,040
just kind of like man i i know for a

2809
01:36:39,030 --> 01:36:36,070
that they have to have at least a little

2810
01:36:41,510 --> 01:36:39,040
bit of that in them to to do better for

2811
01:36:43,350 --> 01:36:41,520
mankind right to do better for everybody

2812
01:36:45,030 --> 01:36:43,360
around you to do better for

2813
01:36:46,550 --> 01:36:45,040

everybody you can possibly make

2814

01:36:47,990 --> 01:36:46,560

everything better for right that's kind

2815

01:36:50,310 --> 01:36:48,000

of like what we're charged with to like

2816

01:36:51,990 --> 01:36:50,320

make everything around you and

2817

01:36:54,310 --> 01:36:52,000

everything around you for everybody else

2818

01:36:56,709 --> 01:36:54,320

as best as you can make it

2819

01:36:58,229 --> 01:36:56,719

to the extent uh if you can without

2820

01:36:59,109 --> 01:36:58,239

hurting yourself

2821

01:37:01,189 --> 01:36:59,119

you know

2822

01:37:03,669 --> 01:37:01,199

and i think that's rad i think if we all

2823

01:37:06,870 --> 01:37:03,679

did that in every in our everyday lives

2824

01:37:09,830 --> 01:37:06,880

no matter what

2825

01:37:13,030 --> 01:37:09,840

we'd be an amazing species

2826

01:37:14,790 --> 01:37:13,040

if this is a truly a mic drop moment

2827

01:37:16,950 --> 01:37:14,800

john and i i really mean that i'd like

2828

01:37:19,189 --> 01:37:16,960

you to if you would please tell people

2829

01:37:20,950 --> 01:37:19,199

where that they can find your material

2830

01:37:23,270 --> 01:37:20,960

because i find a tremendous amount of

2831

01:37:24,950 --> 01:37:23,280

value in what you you have to say

2832

01:37:27,590 --> 01:37:24,960

thank you very very much thank you and i

2833

01:37:28,790 --> 01:37:27,600

appreciate you guys it's um ufo was on

2834

01:37:31,350 --> 01:37:28,800

the level

2835

01:37:33,109 --> 01:37:31,360

youtube john majorowski

2836

01:37:36,310 --> 01:37:33,119

on twitter

2837

01:37:37,430 --> 01:37:36,320

um yeah i'm unlike all the podcasts so

2838

01:37:40,950 --> 01:37:37,440

like

2839

01:37:42,390 --> 01:37:40,960

uh spotify apple

2840

01:37:46,870 --> 01:37:42,400

google stitcher

2841

01:37:49,350 --> 01:37:46,880

were on there too um so yeah i mean i

2842

01:37:51,510 --> 01:37:49,360

just try to find people

2843

01:37:53,430 --> 01:37:51,520

that i'm cool with like you guys and

2844

01:37:54,709 --> 01:37:53,440

that have a story

2845

01:38:06,790 --> 01:37:54,719

and

2846

01:38:07,830 --> 01:38:06,800

of what that's kind of what i've done so

2847

01:38:09,830 --> 01:38:07,840

like

2848

01:38:11,750 --> 01:38:09,840

everything you've seen that i've done

2849

01:38:13,750 --> 01:38:11,760

on my youtube channel stuff is just from

2850

01:38:17,270 --> 01:38:13,760

like my heart so

2851

01:38:18,550 --> 01:38:17,280

um that's where i'm at and

2852

01:38:21,030 --> 01:38:18,560

yeah

2853

01:38:23,030 --> 01:38:21,040

i uh i hope we're all in this together

2854

01:38:25,030 --> 01:38:23,040

so i'm super super appreciative of you

2855

01:38:27,910 --> 01:38:25,040

guys and and everything else that's been

2856

01:38:29,750 --> 01:38:27,920

going on and like hit me up

2857

01:38:31,830 --> 01:38:29,760

and let's just like surf it together

2858

01:38:33,750 --> 01:38:31,840

surf the wave it's coming just jump on

2859

01:38:36,550 --> 01:38:33,760

the board and just hang out together

2860

01:38:38,149 --> 01:38:36,560

that's the mission of cab and it aligns

2861

01:38:41,750 --> 01:38:38,159

perfectly with what

2862

01:38:42,830 --> 01:38:41,760

you said so for um for uh debs

2863

01:38:47,590 --> 01:38:42,840

for

2864

01:38:49,270 --> 01:38:47,600

saying peace out

2865

01:38:50,790 --> 01:38:49,280

one love

2866

01:38:53,590 --> 01:38:50,800

and we will see

2867

01:38:56,780 --> 01:38:53,600

you and john majorowski down the road
