42

00:02:23,270 --> 00:02:20,160

happening here

43

00:02:25,670 --> 00:02:23,280

yeah uh unfortunately i couldn't get my

44

00:02:27,110 --> 00:02:25,680

uh visa approved for italy there's a few

45

00:02:28,790 --> 00:02:27,120

countries i've been still on the naughty

46

00:02:32,150 --> 00:02:28,800

list so i'm i'm trying to work through

47

00:02:33,670 --> 00:02:32,160

those uh you know excuse me uh but uh in

48

00:02:36,390 --> 00:02:33,680

this particular case

49

00:02:38,630 --> 00:02:36,400

um you know i'll try for next year luigi

50

00:02:41,509 --> 00:02:38,640

you use my name you're going to come

51
00:02:43,509 --> 00:02:41,519
right in you say i am with the 46. next

52
00:02:46,150 --> 00:02:43,519
time i'm going to fake hey

53
00:02:51,990 --> 00:02:46,160
hey valentino bacca it's my show brother

54
00:02:55,750 --> 00:02:54,150
all right so lou welcome brother it's so

55
00:02:58,309 --> 00:02:55,760
good to have you man

56
00:03:01,030 --> 00:02:58,319
um let's really appreciate it guys and

57
00:03:02,790 --> 00:03:01,040
gals and uh i can't thank you enough um

58
00:03:06,309 --> 00:03:02,800
apologies i know this is a long time

59
00:03:08,070 --> 00:03:06,319
coming um as you can tell this is a bit

60
00:03:12,550 --> 00:03:08,080
of a celebration for me

61
00:03:13,990 --> 00:03:12,560
um it is uh my last podcast

62
00:03:16,390 --> 00:03:14,000
so this is it

63
00:03:18,550 --> 00:03:16,400

and so uh i guess in celebration of that

64

00:03:20,790 --> 00:03:18,560

you will see me in a little bit more uh

65

00:03:23,670 --> 00:03:20,800

relaxed comfortable attire

66

00:03:25,910 --> 00:03:23,680

showing my my old florida roots and uh

67

00:03:27,110 --> 00:03:25,920

this to cover a terrible bad hair day

68

00:03:28,710 --> 00:03:27,120

not that i ever have a good hair day

69

00:03:30,149 --> 00:03:28,720

because we don't but but some days are

70

00:03:33,030 --> 00:03:30,159

worse than others in fact i have a no

71

00:03:34,710 --> 00:03:33,040

hair day most of the time and so um

72

00:03:36,710 --> 00:03:34,720

thank you for allowing me to share this

73

00:03:38,229 --> 00:03:36,720

uh this evening with you with you folks

74

00:03:40,390 --> 00:03:38,239

i really really appreciate it and really

75

00:03:42,550 --> 00:03:40,400

looking forward to it it's an incredible

76

00:03:44,070 --> 00:03:42,560

honor sir uh i was gonna if you had the

77

00:03:45,990 --> 00:03:44,080

goatee i was gonna ask you about what

78

00:03:47,190 --> 00:03:46,000

kind of beard conditioner since i'm not

79

00:03:49,110 --> 00:03:47,200

seeing that i'm going to leave that

80

00:03:50,070 --> 00:03:49,120

aside and we are going to introduce

81

00:03:51,589 --> 00:03:50,080

we're going to do something a little

82

00:03:53,190 --> 00:03:51,599

different tonight than we do on cad

83

00:03:54,789 --> 00:03:53,200

we're each going to introduce ourselves

84

00:03:57,910 --> 00:03:54,799

to you something that we just sort of

85

00:04:01,270 --> 00:03:57,920

came up with today so i'm dj a retired

86

00:04:04,390 --> 00:04:01,280

af sock flight engineer flew uh talons

87

00:04:06,869 --> 00:04:04,400

combat talents flew gunships and uh i'm

88

00:04:09,990 --> 00:04:06,879

a yoga student and teacher

89

00:04:12,550 --> 00:04:10,000

i'm an empath i'm a pretty underwhelming

90

00:04:14,869 --> 00:04:12,560

grappler and just a lover of life in

91

00:04:17,189 --> 00:04:14,879

general and that's me

92

00:04:18,710 --> 00:04:17,199

uh and let me pass it to nathan

93

00:04:20,789 --> 00:04:18,720

yeah lou great to have you with us this

94

00:04:24,230 --> 00:04:20,799

evening so i co-founded this show with

95

00:04:26,230 --> 00:04:24,240

dj and i have a background in religion

96

00:04:27,990 --> 00:04:26,240

and i've been seeking answers regarding

97

00:04:30,150 --> 00:04:28,000

these questions of ultimate importance

98

00:04:31,510 --> 00:04:30,160

importance my whole life

99

00:04:34,070 --> 00:04:31,520

i'm focused on the impact of the

100

00:04:36,550 --> 00:04:34,080

phenomenon on the human experience

101
00:04:38,629 --> 00:04:36,560
and i believe that truth whatever it is

102
00:04:40,629 --> 00:04:38,639
is going to be found in our dialogue

103
00:04:42,950 --> 00:04:40,639
with one another and in our willingness

104
00:04:44,710 --> 00:04:42,960
to ask the big bold questions and

105
00:04:46,950 --> 00:04:44,720
every once in a while we'll also cosplay

106
00:04:48,390 --> 00:04:46,960
as jaylen heineck

107
00:04:51,110 --> 00:04:48,400
yeah

108
00:04:53,590 --> 00:04:51,120
my co-conspirator right there

109
00:04:55,510 --> 00:04:53,600
and now let's pass it over to kevin our

110
00:04:57,830 --> 00:04:55,520
humorist

111
00:04:59,830 --> 00:04:57,840
hey my name is kevin so i'm the graphic

112
00:05:01,189 --> 00:04:59,840
designer and the uh i do all the

113
00:05:03,590 --> 00:05:01,199

trailers for them

114

00:05:05,670 --> 00:05:03,600

i'm a martial artist also i'm a husband

115

00:05:06,629 --> 00:05:05,680

to an amazing wife and father of five

116

00:05:08,790 --> 00:05:06,639

kids

117

00:05:10,390 --> 00:05:08,800

i also teach special ed in a school

118

00:05:12,550 --> 00:05:10,400

setting with the goal of transitioning

119

00:05:14,550 --> 00:05:12,560

students diagnosed with autism to a less

120

00:05:16,070 --> 00:05:14,560

restrictive school setting so i

121

00:05:19,029 --> 00:05:16,080

researched the phenomenon through the

122

00:05:21,830 --> 00:05:19,039

lenses of of my work through a skinner

123

00:05:24,550 --> 00:05:21,840

also i uh i'm inspired by young terence

124

00:05:26,629 --> 00:05:24,560

mckenna bruce lee and uh

125

00:05:28,629 --> 00:05:26,639

also um

126

00:05:31,670 --> 00:05:28,639

yeah we'll just stop over there

127

00:05:34,070 --> 00:05:31,680

okay i also like um i like slow walks on

128

00:05:35,749 --> 00:05:34,080

the beach because you're not a bad hit

129

00:05:38,230 --> 00:05:35,759

you know

130

00:05:40,629 --> 00:05:38,240

one day a squirrel uh got stuck on my

131

00:05:43,189 --> 00:05:40,639

leg and he told me that gobekli tepi is

132

00:05:45,749 --> 00:05:43,199

actually a ancient rest stop

133

00:05:49,990 --> 00:05:45,759

oh my god um

134

00:05:54,029 --> 00:05:51,510

i love it i love flare all right let's

135

00:05:56,710 --> 00:05:54,039

pass up this is our researcher uh and

136

00:05:58,390 --> 00:05:56,720

contextualizer deb collates tons of

137

00:06:00,390 --> 00:05:58,400

information she hosts a show called

138

00:06:02,710 --> 00:06:00,400

deb's data dojo and she also has a

139

00:06:05,189 --> 00:06:02,720

website called the ufo connector with

140

00:06:07,830 --> 00:06:05,199

tons and tons of information ma'am

141

00:06:10,469 --> 00:06:07,840

okay you just kind of took away my intro

142

00:06:12,950 --> 00:06:10,479

for me dj but it's cool i'm yeah i'm a

143

00:06:17,909 --> 00:06:12,960

mental health practitioner

144

00:06:20,629 --> 00:06:17,919

i was invited to help with exploring the

145

00:06:22,710 --> 00:06:20,639

uap hypothesis and i really wanted to do

146

00:06:25,909 --> 00:06:22,720

it in an open-minded way that was

147

00:06:27,189 --> 00:06:25,919

informative supportive and i really like

148

00:06:29,510 --> 00:06:27,199

that we're really

149

00:06:31,350 --> 00:06:29,520

oriented towards free information and

150

00:06:32,309 --> 00:06:31,360

charitable

151
00:06:34,790 --> 00:06:32,319
giving

152
00:06:37,189 --> 00:06:34,800
and i wanted to just make sure that give

153
00:06:40,070 --> 00:06:37,199
a voice to people who have been silenced

154
00:06:42,710 --> 00:06:40,080
for a really long time on this issue

155
00:06:44,390 --> 00:06:42,720
and um i wanted to add that we have

156
00:06:46,790 --> 00:06:44,400
something in common

157
00:06:49,189 --> 00:06:46,800
i too have been told by someone who

158
00:06:51,380 --> 00:06:49,199
worked at the pentagon to stop talking

159
00:06:54,550 --> 00:06:51,390
about ufos

160
00:06:56,950 --> 00:06:54,560
[Laughter]

161
00:06:58,790 --> 00:06:56,960
join the club

162
00:07:01,430 --> 00:06:58,800
all right let's pass it over to our

163
00:07:03,909 --> 00:07:01,440

newest member of cab who um we're so

164

00:07:05,909 --> 00:07:03,919

happy to have she joined us a show or

165

00:07:07,430 --> 00:07:05,919

two ago and miss stephanie

166

00:07:09,909 --> 00:07:07,440

and you guys aren't the only one on that

167

00:07:12,710 --> 00:07:09,919

i've been told the same so i'm in that

168

00:07:15,189 --> 00:07:12,720

same club uh i'm stuff i'm from uap

169

00:07:17,110 --> 00:07:15,199

experiencers i'm the founder and i

170

00:07:19,350 --> 00:07:17,120

provide a platform for

171

00:07:21,110 --> 00:07:19,360

all things uap

172

00:07:23,350 --> 00:07:21,120

phenomenon related

173

00:07:25,670 --> 00:07:23,360

for experiencers to come forth and share

174

00:07:29,029 --> 00:07:25,680

their testimonials i

175

00:07:30,550 --> 00:07:29,039

also am an experiencer myself and i you

176

00:07:32,790 --> 00:07:30,560

know i

177

00:07:34,950 --> 00:07:32,800

feel for all the people who have been

178

00:07:37,990 --> 00:07:34,960

stifled throughout these you know past

179

00:07:40,390 --> 00:07:38,000

years that have no place to really share

180

00:07:42,790 --> 00:07:40,400

so that's where i come forth and uh my

181

00:07:44,550 --> 00:07:42,800

family did also own and operate an

182

00:07:46,710 --> 00:07:44,560

aerospace machine shop in southern

183

00:07:48,070 --> 00:07:46,720

california and we provided airplane

184

00:07:50,390 --> 00:07:48,080

parts to

185

00:07:52,950 --> 00:07:50,400

lockheed boeing mcdonnell douglas

186

00:07:54,790 --> 00:07:52,960

northrup you name it and we were part of

187

00:07:57,510 --> 00:07:54,800

the stealth project and the apollo

188

00:08:01,430 --> 00:08:00,390

wow fantastic folks um

189

00:08:05,830 --> 00:08:01,440

really

190

00:08:07,990 --> 00:08:05,840

know i um

191

00:08:09,510 --> 00:08:08,000

i've often said this before and i mean

192

00:08:11,430 --> 00:08:09,520

it sincerely

193

00:08:12,950 --> 00:08:11,440

if you want to uh if you want to learn

194

00:08:15,029 --> 00:08:12,960

about

195

00:08:17,189 --> 00:08:15,039

what's out there you first have to learn

196

00:08:18,550 --> 00:08:17,199

about what's in here um

197

00:08:21,909 --> 00:08:18,560

the way we

198

00:08:23,110 --> 00:08:21,919

with one another

199

00:08:24,629 --> 00:08:23,120

um

200

00:08:26,230 --> 00:08:24,639

you know every individual is is

201
00:08:27,510 --> 00:08:26,240
different but we're also very similar in

202
00:08:29,189 --> 00:08:27,520
many ways

203
00:08:31,189 --> 00:08:29,199
and um

204
00:08:32,870 --> 00:08:31,199
we all we all look at things

205
00:08:34,630 --> 00:08:32,880
certain things in commonality you know

206
00:08:35,670 --> 00:08:34,640
if we all look at the sun it hurts our

207
00:08:38,310 --> 00:08:35,680
eyes

208
00:08:40,550 --> 00:08:38,320
but uh we don't all look at everything

209
00:08:42,790 --> 00:08:40,560
the same way and this is a topic that's

210
00:08:44,550 --> 00:08:42,800
that's certainly uh in that category

211
00:08:46,150 --> 00:08:44,560
where where a lot of people will look at

212
00:08:48,150 --> 00:08:46,160
it differently

213
00:08:50,150 --> 00:08:48,160

and to some degree i've often explained

214

00:08:51,190 --> 00:08:50,160

it as as the three blind

215

00:08:53,030 --> 00:08:51,200

persons

216

00:08:55,509 --> 00:08:53,040

trying to describe an elephant right and

217

00:08:57,030 --> 00:08:55,519

each person is holding a different part

218

00:08:58,870 --> 00:08:57,040

of the elephant one is holding the trunk

219

00:09:01,190 --> 00:08:58,880

and saying no this is this animal is

220

00:09:02,470 --> 00:09:01,200

long and slender and articulated and

221

00:09:03,670 --> 00:09:02,480

someone else is holding the foot and

222

00:09:04,870 --> 00:09:03,680

says what are you talking about this is

223

00:09:05,990 --> 00:09:04,880

the animal

224

00:09:07,670 --> 00:09:06,000

you must be

225

00:09:09,590 --> 00:09:07,680

more blind than i thought because the

226

00:09:11,350 --> 00:09:09,600

animal i'm i'm i'm feeling right now

227

00:09:12,870 --> 00:09:11,360

it's like a tree trunk it's sturdy and

228

00:09:14,389 --> 00:09:12,880

almost immovable

229

00:09:15,750 --> 00:09:14,399

and then you have the other person

230

00:09:17,269 --> 00:09:15,760

that's that's touching the ear and he

231

00:09:19,190 --> 00:09:17,279

says you both are wrong what are you

232

00:09:21,269 --> 00:09:19,200

talking about it's neither one of those

233

00:09:23,430 --> 00:09:21,279

the thing is soft and delicate

234

00:09:24,949 --> 00:09:23,440

and almost paper-like right and the

235

00:09:26,790 --> 00:09:24,959

question is are they all wrong or are

236

00:09:28,230 --> 00:09:26,800

they all right from their perspective

237

00:09:32,070 --> 00:09:28,240

and i think

238

00:09:34,310 --> 00:09:32,080

i think we need to realize that uh we um

239

00:09:35,590 --> 00:09:34,320

we simply don't have all the data yet

240

00:09:37,350 --> 00:09:35,600

and we're human beings and we're

241

00:09:39,430 --> 00:09:37,360

imperfect creatures and we're going to

242

00:09:42,070 --> 00:09:39,440

process information differently

243

00:09:43,750 --> 00:09:42,080

uh each and every one of us and i also

244

00:09:45,590 --> 00:09:43,760

want to give a quick before we begin a

245

00:09:47,030 --> 00:09:45,600

profound thank you for those who who

246

00:09:49,110 --> 00:09:47,040

continue to serve our communities

247

00:09:51,269 --> 00:09:49,120

whether it's in special education

248

00:09:53,030 --> 00:09:51,279

or helping experiencers or helping

249

00:09:54,550 --> 00:09:53,040

people through psychological or

250

00:09:57,030 --> 00:09:54,560

emotional trauma

251
00:09:59,509 --> 00:09:57,040
uh those who served our countries um

252
00:10:01,750 --> 00:09:59,519
listen i was in a 58 model ac 130

253
00:10:03,110 --> 00:10:01,760
gunship and uh boy one hell of an

254
00:10:06,389 --> 00:10:03,120
experience for sure

255
00:10:07,990 --> 00:10:06,399
um and uh just a big thank you and it's

256
00:10:09,269 --> 00:10:08,000
amazing that everybody can be here in

257
00:10:12,630 --> 00:10:09,279
this community

258
00:10:14,949 --> 00:10:12,640
and um and and come together um

259
00:10:16,630 --> 00:10:14,959
one one quick observation

260
00:10:18,790 --> 00:10:16,640
you know i i studied quite a bit of

261
00:10:20,870 --> 00:10:18,800
martial arts i did a lot of uh early on

262
00:10:22,470 --> 00:10:20,880
as a kid started with with like most

263
00:10:24,550 --> 00:10:22,480

kids i guess taekwondo and then i really

264

00:10:26,310 --> 00:10:24,560

got into muay thai uh i'm not a matter

265

00:10:28,150 --> 00:10:26,320

of most people ever met me i'm not a i'm

266

00:10:29,670 --> 00:10:28,160

not a tall guy i tend to be very stocky

267

00:10:32,230 --> 00:10:29,680

and so i don't have the advantage of

268

00:10:33,590 --> 00:10:32,240

leverage um so i got into you know i

269

00:10:35,269 --> 00:10:33,600

wasn't very good at sports wasn't good

270

00:10:36,870 --> 00:10:35,279

at football or baseball i was always the

271

00:10:39,030 --> 00:10:36,880

last kid picked on the team

272

00:10:40,470 --> 00:10:39,040

in fact i was uh more of a liability i

273

00:10:41,670 --> 00:10:40,480

was always like where literally

274

00:10:43,030 --> 00:10:41,680

everybody was picked before me and

275

00:10:44,150 --> 00:10:43,040

they're like oh god we got to live

276

00:10:45,670 --> 00:10:44,160

somewhere

277

00:10:47,829 --> 00:10:45,680

put him in the parking lot he can catch

278

00:10:49,350 --> 00:10:47,839

a ball out there um

279

00:10:52,710 --> 00:10:49,360

so that was pretty much pretty much me

280

00:10:55,509 --> 00:10:52,720

and so i got very good at um

281

00:10:58,150 --> 00:10:55,519

at muay thai um and

282

00:11:00,790 --> 00:10:58,160

you know at first i realized i i i took

283

00:11:03,509 --> 00:11:00,800

these and i got very good at at

284

00:11:04,949 --> 00:11:03,519

combat style you know martial arts

285

00:11:06,710 --> 00:11:04,959

and initially it's because i'm going to

286

00:11:07,990 --> 00:11:06,720

protect myself and and i'm going to use

287

00:11:09,590 --> 00:11:08,000

it to beat up the bullies that have been

288

00:11:12,630 --> 00:11:09,600

beating me up

289

00:11:15,110 --> 00:11:12,640

and i realize after a while um

290

00:11:17,269 --> 00:11:15,120

i never use it for that in fact uh it

291

00:11:18,790 --> 00:11:17,279

wound up becoming something where the

292

00:11:20,949 --> 00:11:18,800

more you learn the more you learn

293

00:11:22,949 --> 00:11:20,959

self-restraint and the more you realize

294

00:11:25,110 --> 00:11:22,959

that that's not the way to approach a

295

00:11:26,630 --> 00:11:25,120

problem um you don't you don't fight

296

00:11:27,829 --> 00:11:26,640

your way out of a problem unless you

297

00:11:29,590 --> 00:11:27,839

absolutely have to and that's what

298

00:11:31,269 --> 00:11:29,600

that's what war is for

299

00:11:33,190 --> 00:11:31,279

uh and we should try to avoid as much as

300

00:11:34,550 --> 00:11:33,200

possible and so

301

00:11:35,910 --> 00:11:34,560

when it comes to this topic there's a

302

00:11:38,470 --> 00:11:35,920

lot of emotions there's a lot of people

303

00:11:40,790 --> 00:11:38,480

that are are have have their opinions

304

00:11:42,389 --> 00:11:40,800

and i'm you know i try to be as

305

00:11:44,310 --> 00:11:42,399

respectful as possible and i try to

306

00:11:45,590 --> 00:11:44,320

remind myself although sometimes i'm not

307

00:11:47,269 --> 00:11:45,600

very good at it

308

00:11:49,430 --> 00:11:47,279

to try to be respectful of everybody's

309

00:11:52,069 --> 00:11:49,440

position uh and their opinions because

310

00:11:52,949 --> 00:11:52,079

everybody's opinion does matter uh and

311

00:11:54,150 --> 00:11:52,959

um

312

00:11:55,910 --> 00:11:54,160

just you know before we have this

313

00:11:58,389 --> 00:11:55,920

conversation today just want to let you

314

00:11:59,430 --> 00:11:58,399

all know my intent is for all of us to

315

00:12:00,949 --> 00:11:59,440

be able to share a wonderful

316

00:12:02,629 --> 00:12:00,959

conversation together

317

00:12:03,670 --> 00:12:02,639

please feel free to ask me anything you

318

00:12:05,110 --> 00:12:03,680

want you're not going to hurt my

319

00:12:07,030 --> 00:12:05,120

feelings you're not going to surprise me

320

00:12:08,629 --> 00:12:07,040

you're not going to upset me

321

00:12:10,310 --> 00:12:08,639

please feel free to ask me anything you

322

00:12:13,030 --> 00:12:10,320

want this is it this is my my last

323

00:12:14,949 --> 00:12:13,040

podcast for who knows how long uh maybe

324

00:12:16,790 --> 00:12:14,959

sometime in the future i'll do i'll do

325

00:12:18,470 --> 00:12:16,800

more but for now i'm pretty much getting

326

00:12:20,870 --> 00:12:18,480

off social media i still have my twitter

327

00:12:22,550 --> 00:12:20,880

page to put information out but

328

00:12:24,389 --> 00:12:22,560

i'm going to continue working behind the

329

00:12:26,310 --> 00:12:24,399

scenes in the shadows

330

00:12:27,910 --> 00:12:26,320

you know we're so happy to have you lou

331

00:12:29,430 --> 00:12:27,920

and we're really here to have some fun

332

00:12:31,190 --> 00:12:29,440

and we might answer a couple questions

333

00:12:34,389 --> 00:12:31,200

while we're at it uh that's what this

334

00:12:36,629 --> 00:12:34,399

party is all about um what's funny is is

335

00:12:38,150 --> 00:12:36,639

what we were gonna do after we entered

336

00:12:38,870 --> 00:12:38,160

ourselves as i was going to say to you

337

00:12:44,629 --> 00:12:38,880

lou

338

00:12:46,949 --> 00:12:44,639

elizondo dot dot dot and you kind of did

339

00:12:48,550 --> 00:12:46,959

that anyway but if you have anything

340

00:12:50,310 --> 00:12:48,560

left over that you want to say please

341

00:12:53,269 --> 00:12:50,320

the floor is yours too to say to the

342

00:12:55,030 --> 00:12:53,279

community hi i'm lou elizondo yeah dj

343

00:12:57,829 --> 00:12:55,040

absolutely hi i'm lou elizondo i'm a

344

00:13:00,230 --> 00:12:57,839

gemini i like long walks on the beach

345

00:13:01,990 --> 00:13:00,240

that's kevin's line pina coladas how

346

00:13:05,350 --> 00:13:02,000

about that

347

00:13:07,430 --> 00:13:05,360

i love it i love it and elizondo all

348

00:13:10,870 --> 00:13:07,440

analogies we gotta hone them to 30

349

00:13:13,190 --> 00:13:10,880

seconds we only got uh 56 minutes left

350

00:13:15,269 --> 00:13:13,200

all right excuse me 46 minutes left all

351

00:13:17,430 --> 00:13:15,279

right so um

352

00:13:19,110 --> 00:13:17,440

we're really happy uh i i wanted to ask

353

00:13:21,750 --> 00:13:19,120

you something that i think everybody in

354

00:13:24,470 --> 00:13:21,760

the community wants to know and and i

355

00:13:27,670 --> 00:13:24,480

myself want to know lou and i'm curious

356

00:13:28,949 --> 00:13:27,680

if you think it's your responsibility to

357

00:13:31,990 --> 00:13:28,959

teach us

358

00:13:34,710 --> 00:13:32,000

how to make a proper cuban sandwich uh

359

00:13:36,470 --> 00:13:34,720

i've failed uh i've made them i bought

360

00:13:38,230 --> 00:13:36,480

the bread i bought the roast pork i

361

00:13:39,990 --> 00:13:38,240

bought the ham i had the cheese i i

362

00:13:42,150 --> 00:13:40,000

thought i had the right pickles and it

363

00:13:44,550 --> 00:13:42,160

doesn't come out right can you offer

364

00:13:48,629 --> 00:13:44,560

something to the community about this

365

00:13:50,310 --> 00:13:48,639

yes but i'm sworn to cuban secrecy um

366

00:13:52,470 --> 00:13:50,320

yeah when we come out when we hit five

367

00:13:54,550 --> 00:13:52,480

jennifer

368

00:13:56,550 --> 00:13:54,560

we're all we're all all cuban kids are

369

00:13:59,030 --> 00:13:56,560

provided the secret recipe and then

370

00:14:01,269 --> 00:13:59,040

we're told we can never share it um

371

00:14:02,870 --> 00:14:01,279

it's it's part of our unfortunate it's

372

00:14:04,550 --> 00:14:02,880

part of this the secret ritual right

373

00:14:05,990 --> 00:14:04,560

that we have as cubans and

374

00:14:08,069 --> 00:14:06,000

it's like cuban coffee right you can

375

00:14:09,590 --> 00:14:08,079

order a cuban coffee and people say well

376

00:14:12,310 --> 00:14:09,600

it tastes like turkish coffee but it

377

00:14:13,509 --> 00:14:12,320

doesn't it's it's something very unique

378

00:14:16,629 --> 00:14:13,519

um

379

00:14:19,189 --> 00:14:16,639

you know the the trick to a to a good

380

00:14:20,790 --> 00:14:19,199

cuban sandwich is finding somebody who's

381

00:14:23,350 --> 00:14:20,800

been making them on the street for a

382

00:14:25,430 --> 00:14:23,360

long time if you go down kaye ochoa

383

00:14:27,910 --> 00:14:25,440

miami down eighth street and you find

384

00:14:29,189 --> 00:14:27,920

yourself a little pandaria or a little

385

00:14:30,550 --> 00:14:29,199

bakery there

386

00:14:32,790 --> 00:14:30,560

chances are they can make a really good

387

00:14:33,910 --> 00:14:32,800

one there's a couple really good uh

388

00:14:36,310 --> 00:14:33,920

little restaurants there's one that's

389

00:14:37,269 --> 00:14:36,320

more like a street vendor it's called

390

00:14:38,710 --> 00:14:37,279

oh sorry

391

00:14:40,949 --> 00:14:38,720

that's a great one the versailles

392

00:14:42,629 --> 00:14:40,959

another really good one

393

00:14:44,389 --> 00:14:42,639

you can find sorts of little mom and pop

394

00:14:45,269 --> 00:14:44,399

shops and they all have their little

395

00:14:47,350 --> 00:14:45,279

twist

396

00:14:48,389 --> 00:14:47,360

on on the cuban sandwich

397

00:14:50,069 --> 00:14:48,399

um

398

00:14:51,670 --> 00:14:50,079

you know it's it's it's hard to say

399

00:14:53,590 --> 00:14:51,680

there's lots of really good cuban dishes

400

00:14:55,269 --> 00:14:53,600

if you ever get a chance that the name

401
00:14:56,629 --> 00:14:55,279
is kind of doesn't sound like it's good

402
00:14:59,509 --> 00:14:56,639
but it's very good

403
00:15:04,310 --> 00:15:02,310
old clothes old rags um

404
00:15:06,550 --> 00:15:04,320
but what it is is basically a shredded

405
00:15:08,150 --> 00:15:06,560
meat um that has been marinating for a

406
00:15:09,750 --> 00:15:08,160
very long time and it literally just

407
00:15:11,030 --> 00:15:09,760
falls apart you put that over rice and

408
00:15:13,430 --> 00:15:11,040
black beans

409
00:15:14,949 --> 00:15:13,440
and it's just it's it's divine it's

410
00:15:16,710 --> 00:15:14,959
incredible there's some other dishes

411
00:15:19,690 --> 00:15:16,720
one's called picadillo

412
00:15:20,870 --> 00:15:19,700
um that i grew up on another one um

413
00:15:22,150 --> 00:15:20,880

[Music]

414

00:15:23,350 --> 00:15:22,160

which is very common you know and

415

00:15:24,710 --> 00:15:23,360

everybody has a different way of making

416

00:15:25,750 --> 00:15:24,720

it some people say oh you have to pull

417

00:15:26,710 --> 00:15:25,760

apart the chicken and put it in there

418

00:15:27,990 --> 00:15:26,720

and something oh you got to put the

419

00:15:29,350 --> 00:15:28,000

whole chicken in there you know in fact

420

00:15:31,670 --> 00:15:29,360

put it with the feathers put the whole

421

00:15:33,269 --> 00:15:31,680

thing in so yeah it's uh everybody has

422

00:15:34,710 --> 00:15:33,279

their own their own their own twist on

423

00:15:36,150 --> 00:15:34,720

it's just like cuban cigars you know

424

00:15:38,470 --> 00:15:36,160

unfortunately one of my my guilty

425

00:15:40,389 --> 00:15:38,480

pleasures in life um there's three

426

00:15:42,069 --> 00:15:40,399

things that cubans do very well coming

427

00:15:43,990 --> 00:15:42,079

out of the world uh the first thing is

428

00:15:45,509 --> 00:15:44,000

we all dance south suddenly very well

429

00:15:47,269 --> 00:15:45,519

that's just it's inherent you come out

430

00:15:48,870 --> 00:15:47,279

and you're you're dead the doctor

431

00:15:51,030 --> 00:15:48,880

doesn't need to spank you you just come

432

00:15:54,710 --> 00:15:51,040

out you're going uh

433

00:15:56,870 --> 00:15:54,720

the next thing is smoking um cigars uh

434

00:15:58,389 --> 00:15:56,880

it's uh if you don't smoke a cigar

435

00:16:00,790 --> 00:15:58,399

you're probably not cuban so we try to

436

00:16:02,629 --> 00:16:00,800

travel back but we're we're and then the

437

00:16:05,189 --> 00:16:02,639

third thing i can't probably talk about

438

00:16:06,550 --> 00:16:05,199

on radio but these are the activity but

439

00:16:09,670 --> 00:16:06,560

those are the only three things we

440

00:16:11,430 --> 00:16:09,680

really tend to be good at

441

00:16:13,430 --> 00:16:11,440

this is great i had no idea there was a

442

00:16:15,590 --> 00:16:13,440

priory of scion regarding like cuban

443

00:16:17,350 --> 00:16:15,600

sandwiches but now i i won't expect you

444

00:16:19,590 --> 00:16:17,360

to tell me and i'll just hope that

445

00:16:21,590 --> 00:16:19,600

someday i i find someone and maybe i

446

00:16:23,749 --> 00:16:21,600

waterboard and give me a recipe no i'm

447

00:16:25,030 --> 00:16:23,759

being told right now that i got the the

448

00:16:26,150 --> 00:16:25,040

cuban police

449

00:16:27,749 --> 00:16:26,160

i won't i won't say anything all right

450

00:16:29,030 --> 00:16:27,759

all right classified so we're gonna get

451
00:16:30,629 --> 00:16:29,040
this this stream is gonna get

452
00:16:33,269 --> 00:16:30,639
interrupted and and i don't want that to

453
00:16:35,509 --> 00:16:33,279
happen carefully

454
00:16:38,470 --> 00:16:35,519
lou i have a question for you from uh

455
00:16:40,550 --> 00:16:38,480
former pararescueman scott gierin um

456
00:16:42,870 --> 00:16:40,560
he's very famous for having someone fall

457
00:16:44,470 --> 00:16:42,880
through his parachute uh and he hit the

458
00:16:46,470 --> 00:16:44,480
ground doing about 100 miles an hour he

459
00:16:47,829 --> 00:16:46,480
was on the front of airmen magazine it's

460
00:16:49,350 --> 00:16:47,839
unbelievable

461
00:16:51,110 --> 00:16:49,360
well first of all before we go free can

462
00:16:52,550 --> 00:16:51,120
you explain to your audience because i

463
00:16:54,710 --> 00:16:52,560

know what pararescue is okay i know what

464

00:16:55,990 --> 00:16:54,720

these guys have to go through

465

00:16:58,470 --> 00:16:56,000

i'm not sure your audience can

466

00:17:01,749 --> 00:16:58,480

appreciate that uh uh well he was on uh

467

00:17:03,829 --> 00:17:01,759

with deb but uh scott gearin usaf uh

468

00:17:05,909 --> 00:17:03,839

basically it's our form of special

469

00:17:09,270 --> 00:17:05,919

operator and what they do is they do

470

00:17:12,150 --> 00:17:09,280

combat rescue they do combat sar uh if

471

00:17:14,390 --> 00:17:12,160

they're in a unit like the 24th sts or

472

00:17:16,150 --> 00:17:14,400

something they attach to like seal teams

473

00:17:17,510 --> 00:17:16,160

and certain us army units that we don't

474

00:17:20,870 --> 00:17:17,520

say the name of

475

00:17:22,870 --> 00:17:20,880

um so anyway uh scott was one of those

476
00:17:26,470 --> 00:17:22,880
guys and they go through hell to be able

477
00:17:27,909 --> 00:17:26,480
to uh to to uh serve with that edict

478
00:17:28,789 --> 00:17:27,919
that others may live

479
00:17:30,390 --> 00:17:28,799
um

480
00:17:31,590 --> 00:17:30,400
they are truly the best of the best i've

481
00:17:34,230 --> 00:17:31,600
had the honor and privilege of working

482
00:17:36,470 --> 00:17:34,240
with you know pararescue pjs and they

483
00:17:38,230 --> 00:17:36,480
are they are truly the best of the best

484
00:17:39,510 --> 00:17:38,240
that the air force has to offer and it's

485
00:17:41,190 --> 00:17:39,520
always an honor and privilege working

486
00:17:43,350 --> 00:17:41,200
with those with those folks

487
00:17:45,669 --> 00:17:43,360
and and i'm i've i'm honored to be his

488
00:17:47,590 --> 00:17:45,679

friend now we uh i met him on twitter

489

00:17:49,510 --> 00:17:47,600

and he came on with deb and now we talk

490

00:17:51,590 --> 00:17:49,520

on the phone but his question for you is

491

00:17:54,390 --> 00:17:51,600

based on what you know lou and your

492

00:17:56,470 --> 00:17:54,400

definition of a ufo uap are there any

493

00:17:58,710 --> 00:17:56,480

pictures and videos taken by ordinary

494

00:18:00,470 --> 00:17:58,720

people then posted on social media

495

00:18:03,029 --> 00:18:00,480

platforms such as twitter

496

00:18:05,270 --> 00:18:03,039

that are legitimate unidentified flying

497

00:18:07,590 --> 00:18:05,280

objects such as the objects seen by the

498

00:18:10,710 --> 00:18:07,600

military pilots astronauts government

499

00:18:12,470 --> 00:18:10,720

agencies and sensitive space platform so

500

00:18:14,310 --> 00:18:12,480

basically uh have you seen anything on

501
00:18:15,590 --> 00:18:14,320
open source that you say wow that's

502
00:18:17,750 --> 00:18:15,600
that's credible

503
00:18:20,470 --> 00:18:17,760
yeah and the problem with it is is that

504
00:18:23,830 --> 00:18:20,480
that the government recognizes it um

505
00:18:26,390 --> 00:18:23,840
there are some very authentic

506
00:18:28,630 --> 00:18:26,400
uap images when people say oh that's all

507
00:18:30,710 --> 00:18:28,640
grainy and blurry no they're not

508
00:18:32,870 --> 00:18:30,720
there's some that are really clear and

509
00:18:34,710 --> 00:18:32,880
are very authentic um because we can

510
00:18:36,390 --> 00:18:34,720
look at the date and time stamp and the

511
00:18:37,909 --> 00:18:36,400
metadata on the video we can then

512
00:18:40,070 --> 00:18:37,919
correlate that to any other type of

513
00:18:41,430 --> 00:18:40,080

assets that may be in the area and you

514

00:18:43,430 --> 00:18:41,440

know it turns out that yeah we're

515

00:18:45,350 --> 00:18:43,440

picking something up that came across

516

00:18:47,590 --> 00:18:45,360

you know let's say the pacific ocean all

517

00:18:49,110 --> 00:18:47,600

of a sudden someone in san diego's i had

518

00:18:50,549 --> 00:18:49,120

this real funny light doing these weird

519

00:18:52,549 --> 00:18:50,559

things in the backyard and all of a

520

00:18:55,190 --> 00:18:52,559

sudden you realize oh man they got it on

521

00:18:57,350 --> 00:18:55,200

camera um yeah there there are some very

522

00:19:00,150 --> 00:18:57,360

very comp there's one in particular

523

00:19:01,510 --> 00:19:00,160

i i i probably can't talk about it um

524

00:19:03,430 --> 00:19:01,520

but there's one

525

00:19:09,190 --> 00:19:03,440

uh

526
00:19:10,390 --> 00:19:09,200
mean you can see the skin of the

527
00:19:12,150 --> 00:19:10,400
aircraft

528
00:19:14,470 --> 00:19:12,160
uh you can see

529
00:19:16,150 --> 00:19:14,480
a lot and uh to the point where some of

530
00:19:17,669 --> 00:19:16,160
our folks were like well should we take

531
00:19:19,350 --> 00:19:17,679
it off off of the

532
00:19:21,270 --> 00:19:19,360
no don't take it off the internet leave

533
00:19:22,950 --> 00:19:21,280
it up you know that's not your video to

534
00:19:25,750 --> 00:19:22,960
take down that's a private citizens you

535
00:19:27,669 --> 00:19:25,760
know and yes they got a great video of a

536
00:19:29,669 --> 00:19:27,679
uap congratulations you know we should

537
00:19:31,190 --> 00:19:29,679
probably give them an award don't take

538
00:19:33,430 --> 00:19:31,200

the video down

539

00:19:35,029 --> 00:19:33,440

and i'm from the hudson valley so my

540

00:19:37,029 --> 00:19:35,039

friends in high school i probably have

541

00:19:38,789 --> 00:19:37,039

three or four that have seen black

542

00:19:41,190 --> 00:19:38,799

triangles during the 80s because i'm a

543

00:19:42,950 --> 00:19:41,200

class of 85 kid but before i take them

544

00:19:46,870 --> 00:19:42,960

any more of the time i have to pass you

545

00:19:48,390 --> 00:19:46,880

over to my co-conspirator money nathan

546

00:19:50,549 --> 00:19:48,400

thanks dj

547

00:19:51,909 --> 00:19:50,559

so this question also comes from a

548

00:19:53,350 --> 00:19:51,919

friend of the show

549

00:19:54,630 --> 00:19:53,360

tim

550

00:19:55,990 --> 00:19:54,640

and it's something i actually wanted to

551
00:19:57,350 --> 00:19:56,000
know the answer to as well so from the

552
00:19:58,950 --> 00:19:57,360
hearing yesterday

553
00:20:00,710 --> 00:19:58,960
in response to representative

554
00:20:03,029 --> 00:20:00,720
gallagher's questions

555
00:20:05,190 --> 00:20:03,039
usdi moultre stated he was not aware of

556
00:20:07,590 --> 00:20:05,200
anything official which was done between

557
00:20:09,909 --> 00:20:07,600
the close of project blue book in 69 the

558
00:20:12,470 --> 00:20:09,919
start of a tip in 2007.

559
00:20:14,549 --> 00:20:12,480
um if any official dod programs

560
00:20:16,070 --> 00:20:14,559
contracts or even irad's which are

561
00:20:18,310 --> 00:20:16,080
independent research and development

562
00:20:20,230 --> 00:20:18,320
activities as some folks may not know

563
00:20:21,510 --> 00:20:20,240

we're tasked with studying uap during

564

00:20:23,830 --> 00:20:21,520

this period

565

00:20:25,510 --> 00:20:23,840

whom should congress request to testify

566

00:20:27,350 --> 00:20:25,520

who might have actual knowledge of dod

567

00:20:29,110 --> 00:20:27,360

efforts in this regard

568

00:20:30,870 --> 00:20:29,120

great question first of all there are

569

00:20:31,750 --> 00:20:30,880

other programs and they will come to

570

00:20:33,990 --> 00:20:31,760

light

571

00:20:37,029 --> 00:20:34,000

secondly uh this is coming from the same

572

00:20:39,830 --> 00:20:37,039

people who said that uh for the record

573

00:20:43,110 --> 00:20:39,840

that we don't we didn't look at at the

574

00:20:46,070 --> 00:20:43,120

maelstrom uh incident here in

575

00:20:47,830 --> 00:20:46,080

in montana because we don't we

576

00:20:49,510 --> 00:20:47,840

we don't look at information that's not

577

00:20:50,870 --> 00:20:49,520

sourced properly

578

00:20:52,950 --> 00:20:50,880

first of all

579

00:20:54,789 --> 00:20:52,960

you're the source dod i hate to break

580

00:20:56,630 --> 00:20:54,799

the news but you're the ones who wrote

581

00:20:59,510 --> 00:20:56,640

the iir in the first place and then got

582

00:21:01,909 --> 00:20:59,520

foied and you released to the public um

583

00:21:04,390 --> 00:21:01,919

it is you know your your assessment that

584

00:21:06,390 --> 00:21:04,400

was done by the engineers um how this

585

00:21:09,590 --> 00:21:06,400

was not even technically possible it was

586

00:21:10,870 --> 00:21:09,600

your uh commander bob salas and others

587

00:21:12,950 --> 00:21:10,880

who came forward and actually talked

588

00:21:15,669 --> 00:21:12,960

about this and got debriefed so i find

589

00:21:17,350 --> 00:21:15,679

it really interesting uh that you're

590

00:21:19,669 --> 00:21:17,360

saying you're not gonna look at uh

591

00:21:20,950 --> 00:21:19,679

non-credible sources well i hate to tell

592

00:21:22,070 --> 00:21:20,960

you but you're the source of the

593

00:21:23,350 --> 00:21:22,080

information

594

00:21:25,190 --> 00:21:23,360

uh so

595

00:21:27,669 --> 00:21:25,200

this is part of the problem we had

596

00:21:29,510 --> 00:21:27,679

contradiction after contradiction

597

00:21:31,270 --> 00:21:29,520

um stated by people who were not in the

598

00:21:32,630 --> 00:21:31,280

know um how do we know that well the

599

00:21:35,830 --> 00:21:32,640

task force has been around for a year

600

00:21:38,149 --> 00:21:35,840

and a half and uh as of two two two two

601
00:21:39,350 --> 00:21:38,159
months ago was comprised of exactly two

602
00:21:41,990 --> 00:21:39,360
people

603
00:21:43,990 --> 00:21:42,000
two so when they say here uh all hands

604
00:21:45,270 --> 00:21:44,000
on deck that means there's exactly four

605
00:21:47,430 --> 00:21:45,280
hands on you

606
00:21:49,270 --> 00:21:47,440
that's right four hands great

607
00:21:51,110 --> 00:21:49,280
uh that's fantastic and so you can't

608
00:21:53,190 --> 00:21:51,120
even have a good card game

609
00:21:54,630 --> 00:21:53,200
yeah right uh so when they're saying

610
00:21:56,390 --> 00:21:54,640
things like uh

611
00:21:58,310 --> 00:21:56,400
you know we don't know about uh the task

612
00:22:00,470 --> 00:21:58,320
force is not aware of any any material

613
00:22:01,270 --> 00:22:00,480

well you're right because there's two of

614

00:22:04,070 --> 00:22:01,280

you

615

00:22:05,990 --> 00:22:04,080

before

616

00:22:08,070 --> 00:22:06,000

the task force and look at the legacy

617

00:22:10,070 --> 00:22:08,080

efforts and programs that existed which

618

00:22:12,230 --> 00:22:10,080

we know are there because i i met

619

00:22:14,710 --> 00:22:12,240

somebody in the who ran the navy program

620

00:22:15,909 --> 00:22:14,720

in the 80s personally

621

00:22:18,149 --> 00:22:15,919

you're probably going to find a lot of

622

00:22:19,909 --> 00:22:18,159

what you're looking for um

623

00:22:22,870 --> 00:22:19,919

so i you know the problem is when you

624

00:22:25,029 --> 00:22:22,880

put two two senior level of people up to

625

00:22:26,230 --> 00:22:25,039

testify before congress

626

00:22:27,669 --> 00:22:26,240

sometimes they're really telling you the

627

00:22:29,029 --> 00:22:27,679

truth they don't know because they

628

00:22:31,350 --> 00:22:29,039

haven't been briefed and so there's this

629

00:22:32,789 --> 00:22:31,360

one degree of separation between those

630

00:22:34,230 --> 00:22:32,799

who are doing the work and those who

631

00:22:35,190 --> 00:22:34,240

have to go up there and answer before

632

00:22:37,029 --> 00:22:35,200

congress

633

00:22:41,350 --> 00:22:37,039

and and they're not told everything uh

634

00:22:43,190 --> 00:22:41,360

and look aoi msg just got yesterday got

635

00:22:44,789 --> 00:22:43,200

their director so now you have exactly

636

00:22:47,430 --> 00:22:44,799

three people great great that's

637

00:22:49,830 --> 00:22:47,440

fantastic um it took you all this time

638

00:22:51,190 --> 00:22:49,840

just to select somebody um look i'm not

639

00:22:53,029 --> 00:22:51,200

trying to to beat up the department of

640

00:22:55,029 --> 00:22:53,039

defense they do a lot of things and they

641

00:22:56,870 --> 00:22:55,039

do a lot of things very well i was part

642

00:22:57,909 --> 00:22:56,880

of that apparatus i had the honor and

643

00:22:59,350 --> 00:22:57,919

privilege to serve with some of

644

00:23:01,190 --> 00:22:59,360

america's finest

645

00:23:02,549 --> 00:23:01,200

but i also took an oath to defend this

646

00:23:04,549 --> 00:23:02,559

country from all enemies foreign and

647

00:23:06,470 --> 00:23:04,559

domestic and it turns out at the end of

648

00:23:08,549 --> 00:23:06,480

the day the bureaucracy was part of the

649

00:23:10,710 --> 00:23:08,559

enemy and the bureaucracy was not

650

00:23:12,149 --> 00:23:10,720

allowing the right information getting

651
00:23:14,390 --> 00:23:12,159
to the right people so they can make the

652
00:23:16,230 --> 00:23:14,400
right decisions and when that happens

653
00:23:18,390 --> 00:23:16,240
there's a problem we have to fix it

654
00:23:21,270 --> 00:23:18,400
because the bureaucracy isn't a person

655
00:23:23,029 --> 00:23:21,280
the bureaucracy is a systematic issue

656
00:23:25,029 --> 00:23:23,039
and it has to be dealt with

657
00:23:26,950 --> 00:23:25,039
it's no different than uh if there's

658
00:23:28,789 --> 00:23:26,960
there's children in need and for

659
00:23:30,310 --> 00:23:28,799
whatever reason reason the system fails

660
00:23:32,310 --> 00:23:30,320
them and the kids now go hungry or

661
00:23:33,830 --> 00:23:32,320
without medical care that's a problem of

662
00:23:35,669 --> 00:23:33,840
the bureaucracy

663
00:23:38,789 --> 00:23:35,679

this is no different when we're talking

664

00:23:41,110 --> 00:23:38,799

about the topic of uap the system

665

00:23:43,510 --> 00:23:41,120

for a long time was obfuscating and not

666

00:23:45,269 --> 00:23:43,520

being completely transparent

667

00:23:48,149 --> 00:23:45,279

now

668

00:23:50,310 --> 00:23:48,159

we have to unwind 70 years of a tangled

669

00:23:51,510 --> 00:23:50,320

ball of yarn and it's really tangled and

670

00:23:53,510 --> 00:23:51,520

it's really knotted up and it's kind of

671

00:23:54,950 --> 00:23:53,520

gross and matted to be honest with you

672

00:23:57,269 --> 00:23:54,960

it's old and so

673

00:23:59,590 --> 00:23:57,279

how do we untangle this ball of yard in

674

00:24:01,830 --> 00:23:59,600

a way where we don't destroy the very

675

00:24:03,590 --> 00:24:01,840

thing that we're trying to preserve

676

00:24:05,590 --> 00:24:03,600

and it's not easy

677

00:24:08,070 --> 00:24:05,600

so anyways great question

678

00:24:10,149 --> 00:24:08,080

uh i i don't know if i answered it but

679

00:24:12,310 --> 00:24:10,159

um you know i

680

00:24:14,390 --> 00:24:12,320

that's what what moultrie and bray was

681

00:24:16,549 --> 00:24:14,400

saying and this is kind of my issue

682

00:24:18,710 --> 00:24:16,559

because they're not they're not

683

00:24:20,470 --> 00:24:18,720

they're not going back uh

684

00:24:22,390 --> 00:24:20,480

in history you know your taxpayer

685

00:24:24,070 --> 00:24:22,400

dollars millions of dollars if not

686

00:24:25,750 --> 00:24:24,080

billions of dollars were spent on some

687

00:24:27,909 --> 00:24:25,760

of these black programs

688

00:24:29,590 --> 00:24:27,919

um why are we going to reinvent the

689

00:24:31,669 --> 00:24:29,600

wheel why are we going to start from

690

00:24:33,590 --> 00:24:31,679

square one and spend more millions and

691

00:24:35,750 --> 00:24:33,600

billions learning something that we

692

00:24:38,149 --> 00:24:35,760

already have the data what that's that's

693

00:24:40,230 --> 00:24:38,159

crazy why would you do that so

694

00:24:41,750 --> 00:24:40,240

so therein lies part of the problem luke

695

00:24:43,750 --> 00:24:41,760

can i jump in for a second i'd love to

696

00:24:46,310 --> 00:24:43,760

do a saturday night live episode where

697

00:24:48,950 --> 00:24:46,320

you and i are our bray and moultrie and

698

00:24:51,830 --> 00:24:48,960

like uh uh lou uh did you have maelstrom

699

00:24:53,590 --> 00:24:51,840

air force base missiles shutting down

700

00:24:54,950 --> 00:24:53,600

no dj i i

701
00:24:57,190 --> 00:24:54,960
maybe there's something in the media but

702
00:24:58,549 --> 00:24:57,200
i i don't know next question

703
00:24:59,590 --> 00:24:58,559
yeah i've never did i've never been to

704
00:25:01,029 --> 00:24:59,600
melbourne

705
00:25:03,029 --> 00:25:01,039
yeah

706
00:25:05,830 --> 00:25:03,039
i know that'd be great kevin go ahead

707
00:25:09,350 --> 00:25:07,190
you know nathan and i were just

708
00:25:12,950 --> 00:25:09,360
discussing earlier how

709
00:25:14,149 --> 00:25:12,960
how well congress seems to hear things

710
00:25:15,029 --> 00:25:14,159
right nathan maybe it's because they

711
00:25:16,470 --> 00:25:15,039
have

712
00:25:18,710 --> 00:25:16,480
they they um

713
00:25:20,470 --> 00:25:18,720

what is it because they have aids mm-hmm

714

00:25:21,909 --> 00:25:20,480

they're like congress yeah it's

715

00:25:23,430 --> 00:25:21,919

incredible

716

00:25:25,510 --> 00:25:23,440

when he said aids we went back to the

717

00:25:27,190 --> 00:25:25,520

90s hold up without his aides but they

718

00:25:29,750 --> 00:25:27,200

have to go and we had a hearing and

719

00:25:31,750 --> 00:25:29,760

their rights hearings hearing aids seems

720

00:25:33,830 --> 00:25:31,760

to be pretty good at hearing some things

721

00:25:35,110 --> 00:25:33,840

yeah they sure do yeah do you think they

722

00:25:36,710 --> 00:25:35,120

get a discount on their hearing aid

723

00:25:40,630 --> 00:25:36,720

plans at least the uh

724

00:25:55,430 --> 00:25:40,640

aomi sg people or how do you say that i

725

00:25:58,710 --> 00:25:56,630

and then someone came out no we're gonna

726

00:26:00,230 --> 00:25:58,720

call ao imsg like that's almost worse

727

00:26:01,909 --> 00:26:00,240

than atip you know

728

00:26:03,510 --> 00:26:01,919

or or you know come on can we come up

729

00:26:05,110 --> 00:26:03,520

with something a little better than that

730

00:26:07,990 --> 00:26:05,120

i think they figure if they can keep it

731

00:26:10,230 --> 00:26:08,000

super nebulous but the bottom line is if

732

00:26:12,630 --> 00:26:10,240

if we don't know what's going on damn

733

00:26:14,549 --> 00:26:12,640

sure the enemy's not gonna know so it's

734

00:26:16,789 --> 00:26:14,559

it's actually a great effective tool uh

735

00:26:17,830 --> 00:26:16,799

when you're uh you know

736

00:26:18,950 --> 00:26:17,840

when you're worried about the enemy

737

00:26:20,070 --> 00:26:18,960

knowing what you're doing because if you

738

00:26:21,269 --> 00:26:20,080

don't know what you're doing they're

739

00:26:22,830 --> 00:26:21,279

gonna have a hard time figuring it out

740

00:26:24,870 --> 00:26:22,840

too right

741

00:26:27,269 --> 00:26:24,880

right man

742

00:26:29,430 --> 00:26:27,279

so i had a question actually

743

00:26:31,110 --> 00:26:29,440

another one about the hearing so um so

744

00:26:33,590 --> 00:26:31,120

around the 53-minute mark they mentioned

745

00:26:36,070 --> 00:26:33,600

a small handful of cases in which they

746

00:26:38,310 --> 00:26:36,080

had more data but they still couldn't

747

00:26:39,590 --> 00:26:38,320

interpret due to a signature management

748

00:26:40,630 --> 00:26:39,600

which for the listeners that means

749

00:26:42,149 --> 00:26:40,640

stealth

750

00:26:43,510 --> 00:26:42,159

people who don't know that so that being

751
00:26:45,350 --> 00:26:43,520
said um

752
00:26:48,470 --> 00:26:45,360
are these the frequencies in which the

753
00:26:49,909 --> 00:26:48,480
galileo project is hopefully um their

754
00:26:51,029 --> 00:26:49,919
instruments are going to be capable of

755
00:26:53,750 --> 00:26:51,039
exploring

756
00:26:56,549 --> 00:26:53,760
wow uh great question well first of all

757
00:26:59,590 --> 00:26:56,559
um the galileo is doing a great job

758
00:27:00,870 --> 00:26:59,600
i i love what uh avi loeb and his folks

759
00:27:03,029 --> 00:27:00,880
are doing

760
00:27:05,190 --> 00:27:03,039
they have a very practical approach

761
00:27:07,750 --> 00:27:05,200
what they are doing is taking technology

762
00:27:09,669 --> 00:27:07,760
to get a wild wide field view

763
00:27:11,190 --> 00:27:09,679

and then have uh tipping and queuing

764

00:27:12,549 --> 00:27:11,200

capabilities uh i guess in the

765

00:27:15,350 --> 00:27:12,559

vernacular that needs to think of a

766

00:27:16,950 --> 00:27:15,360

tripwire capability that when it detects

767

00:27:19,269 --> 00:27:16,960

something it then has the ability with

768

00:27:20,950 --> 00:27:19,279

another another technical device to

769

00:27:23,029 --> 00:27:20,960

really zoom in so the problem with

770

00:27:24,149 --> 00:27:23,039

cameras for example like this on your

771

00:27:26,630 --> 00:27:24,159

phone

772

00:27:28,310 --> 00:27:26,640

they're really good at either wide shots

773

00:27:29,590 --> 00:27:28,320

or they're really good at super super

774

00:27:31,190 --> 00:27:29,600

focused

775

00:27:33,029 --> 00:27:31,200

long shots

776

00:27:34,470 --> 00:27:33,039

but they're not really good doing both

777

00:27:35,830 --> 00:27:34,480

and that's why sometimes you have focus

778

00:27:38,070 --> 00:27:35,840

problems with cameras because it's

779

00:27:38,870 --> 00:27:38,080

trying to hunt for that for that focus

780

00:27:41,510 --> 00:27:38,880

point

781

00:27:43,669 --> 00:27:41,520

so the idea is to have wide angle

782

00:27:45,669 --> 00:27:43,679

cameras uh that have all sorts of neat

783

00:27:49,269 --> 00:27:45,679

capabilities and all different weather

784

00:27:52,070 --> 00:27:49,279

conditions and day and night and then uh

785

00:27:54,870 --> 00:27:52,080

through a triggering um

786

00:27:56,549 --> 00:27:54,880

cue system be able to really hone in on

787

00:27:58,710 --> 00:27:56,559

the target itself and get that high

788

00:28:00,830 --> 00:27:58,720

fidelity picture that then allows you to

789

00:28:03,430 --> 00:28:00,840

look at telemetry and altitude and

790

00:28:05,350 --> 00:28:03,440

velocity and you know all the things you

791

00:28:08,230 --> 00:28:05,360

need to determine

792

00:28:09,669 --> 00:28:08,240

what something is doing uh and

793

00:28:11,350 --> 00:28:09,679

it's it's a great idea because then you

794

00:28:13,430 --> 00:28:11,360

can you can put these these devices

795

00:28:15,430 --> 00:28:13,440

mobile you can go anywhere in the world

796

00:28:17,510 --> 00:28:15,440

uh there's some really clever ideas they

797

00:28:19,669 --> 00:28:17,520

have i don't want to speak for galileo

798

00:28:21,830 --> 00:28:19,679

right now i haven't talked to abby about

799

00:28:23,510 --> 00:28:21,840

about it so i don't have permission

800

00:28:25,190 --> 00:28:23,520

but they've got a really good plan and

801
00:28:26,870 --> 00:28:25,200
by the way there's other organizations

802
00:28:28,630 --> 00:28:26,880
and institutions that want to be part of

803
00:28:30,070 --> 00:28:28,640
this and there's other countries

804
00:28:32,870 --> 00:28:30,080
i'm working with several right now

805
00:28:35,510 --> 00:28:32,880
overseas to try to see how we can fit

806
00:28:37,269 --> 00:28:35,520
those academic institutions um neatly

807
00:28:39,110 --> 00:28:37,279
and tucked and neatly within the galileo

808
00:28:41,350 --> 00:28:39,120
project

809
00:28:43,909 --> 00:28:41,360
that is awesome man i that that's that's

810
00:28:45,750 --> 00:28:43,919
what they need i i hear more people that

811
00:28:47,909 --> 00:28:45,760
are excited about the the galileo

812
00:28:50,389 --> 00:28:47,919
project because of the organic and pure

813
00:28:52,149 --> 00:28:50,399

nature of it than uh than uh you could

814

00:28:54,789 --> 00:28:52,159

believe it's really amazing uh let me

815

00:28:56,630 --> 00:28:54,799

pass you off to our researcher debs i

816

00:28:58,389 --> 00:28:56,640

know she's she's literally and

817

00:29:02,470 --> 00:28:58,399

figuratively chomping at the bit

818

00:29:04,950 --> 00:29:02,480

i love asking questions okay so

819

00:29:08,070 --> 00:29:04,960

okay so based on yesterday's hearings

820

00:29:10,230 --> 00:29:08,080

would you say the dod is following the

821

00:29:13,510 --> 00:29:10,240

letter of the law as laid out in the

822

00:29:16,470 --> 00:29:13,520

ndaa for instance the requirement to

823

00:29:19,750 --> 00:29:16,480

report on uap involvement

824

00:29:21,950 --> 00:29:19,760

with military nuclear assets including

825

00:29:24,789 --> 00:29:21,960

strategic nuclear weapons

826

00:29:26,750 --> 00:29:24,799

nuclear-powered ships and submarines and

827

00:29:29,350 --> 00:29:26,760

the requirement to report

828

00:29:31,990 --> 00:29:29,360

uap-related events that occurred during

829

00:29:33,269 --> 00:29:32,000

a period other than that one-year period

830

00:29:35,430 --> 00:29:33,279

of review

831

00:29:37,830 --> 00:29:35,440

but were not included in an earlier

832

00:29:40,980 --> 00:29:37,840

report in other words lou do you think

833

00:29:43,830 --> 00:29:40,990

the dod realizes that we can read

834

00:29:45,510 --> 00:29:43,840

[Laughter]

835

00:29:47,269 --> 00:29:45,520

um

836

00:29:48,710 --> 00:29:47,279

i i

837

00:29:50,230 --> 00:29:48,720

boy

838

00:29:51,510 --> 00:29:50,240

it's not whether or not you can read

839

00:29:53,830 --> 00:29:51,520

it's whether or not

840

00:29:56,230 --> 00:29:53,840

the american people can listen um and

841

00:29:59,029 --> 00:29:56,240

dod sometimes plays both sides against

842

00:30:00,230 --> 00:29:59,039

the middle um a lot of people will hear

843

00:30:03,110 --> 00:30:00,240

and as you know this with your

844

00:30:04,789 --> 00:30:03,120

background your professional background

845

00:30:06,389 --> 00:30:04,799

people hear what they want to hear right

846

00:30:09,029 --> 00:30:06,399

there's i'll tell you a kind of a more

847

00:30:11,029 --> 00:30:09,039

humorous way there's a movie that my uh

848

00:30:13,110 --> 00:30:11,039

my my my daughter my oldest daughter and

849

00:30:15,110 --> 00:30:13,120

i love we totally geek out now my wife

850

00:30:17,909 --> 00:30:15,120

thinks we are absolutely certifiably

851

00:30:20,389 --> 00:30:17,919

insane for love in this movie we love it

852

00:30:23,269 --> 00:30:20,399

and it's called dumb and dumber and

853

00:30:24,630 --> 00:30:23,279

there is a i i know i know no judgment

854

00:30:27,110 --> 00:30:24,640

hey members said we're not gonna judge

855

00:30:28,070 --> 00:30:27,120

here no judgement uh it's a yoga studio

856

00:30:30,710 --> 00:30:28,080

here

857

00:30:32,230 --> 00:30:30,720

yeah so my oldest daughter and she's 25

858

00:30:34,070 --> 00:30:32,240

you know works works for the us

859

00:30:35,430 --> 00:30:34,080

government and and we just totally geek

860

00:30:36,950 --> 00:30:35,440

out on it and there's a scene the reason

861

00:30:38,870 --> 00:30:36,960

why i bring this up deb is because

862

00:30:40,710 --> 00:30:38,880

there's a scene in there where jim

863

00:30:43,190 --> 00:30:40,720

carrey is playing uh one of the

864

00:30:46,070 --> 00:30:43,200

characters and he's a a limo driver kind

865

00:30:48,149 --> 00:30:46,080

of a kind of a silly goofy character

866

00:30:50,789 --> 00:30:48,159

and there is this very attractive young

867

00:30:53,269 --> 00:30:50,799

lady that clearly he is very interested

868

00:30:54,789 --> 00:30:53,279

in and he says you know what are my

869

00:30:55,669 --> 00:30:54,799

chances on taking you out for a date

870

00:30:57,590 --> 00:30:55,679

tonight

871

00:31:00,149 --> 00:30:57,600

and she says not very good he says okay

872

00:31:01,269 --> 00:31:00,159

what but give me my chance like one in a

873

00:31:03,190 --> 00:31:01,279

hundred

874

00:31:05,909 --> 00:31:03,200

and she starts to kind of recoil he's

875

00:31:08,149 --> 00:31:05,919

like one in a thousand and she says no

876

00:31:10,470 --> 00:31:08,159

more like one in a million and so he

877

00:31:13,190 --> 00:31:10,480

gets this big smile on his face he says

878

00:31:14,470 --> 00:31:13,200

so you're saying i have a chance right

879

00:31:18,630 --> 00:31:14,480

and so

880

00:31:21,750 --> 00:31:18,640

this is this is my my point um you know

881

00:31:24,310 --> 00:31:21,760

dod is very clever at uh

882

00:31:26,230 --> 00:31:24,320

communicating and and

883

00:31:28,870 --> 00:31:26,240

most of the time they will answer

884

00:31:30,630 --> 00:31:28,880

truthfully if not in a half truth but

885

00:31:33,190 --> 00:31:30,640

enough will be there where they can

886

00:31:36,549 --> 00:31:33,200

wiggle out of it and i think

887

00:31:38,549 --> 00:31:36,559

a lot of what what we're seeing now is

888

00:31:40,149 --> 00:31:38,559

congress is very savvy these folks are

889

00:31:41,830 --> 00:31:40,159

asking absolutely the right questions

890

00:31:43,750 --> 00:31:41,840

make no mistake these people are not

891

00:31:45,190 --> 00:31:43,760

fools these people have been talking

892

00:31:46,950 --> 00:31:45,200

exactly to the right people they know

893

00:31:48,070 --> 00:31:46,960

exactly what to ask dod and so in

894

00:31:50,389 --> 00:31:48,080

essence

895

00:31:52,230 --> 00:31:50,399

they're building a box around dod and i

896

00:31:54,070 --> 00:31:52,240

think what we can see here

897

00:31:56,230 --> 00:31:54,080

are there's going to be other hearings

898

00:31:58,310 --> 00:31:56,240

um don't ask me how i know just

899

00:31:59,990 --> 00:31:58,320

i if i was if i

900

00:32:02,230 --> 00:32:00,000

was a betting man that probably a pretty

901
00:32:04,149 --> 00:32:02,240
good bet but there'll be other hearings

902
00:32:05,669 --> 00:32:04,159
and so what they have to do is give dod

903
00:32:07,669 --> 00:32:05,679
a chance and so what they start by

904
00:32:08,950 --> 00:32:07,679
saying is okay what are you doing who

905
00:32:11,350 --> 00:32:08,960
are you working with what are you

906
00:32:12,389 --> 00:32:11,360
finding out and it's all you know blase

907
00:32:13,509 --> 00:32:12,399
blase

908
00:32:15,909 --> 00:32:13,519
it's going to be you know common

909
00:32:17,509 --> 00:32:15,919
pleasantries but what people don't

910
00:32:20,070 --> 00:32:17,519
realize is that they're asking questions

911
00:32:21,990 --> 00:32:20,080
for a record because now dod can't

912
00:32:23,590 --> 00:32:22,000
wiggle out of the box and so what was

913
00:32:24,950 --> 00:32:23,600

said yesterday let's go over the facts

914

00:32:27,029 --> 00:32:24,960

real quick

915

00:32:29,830 --> 00:32:27,039

uap are real

916

00:32:31,669 --> 00:32:29,840

uap are tangible there's some sort of

917

00:32:34,870 --> 00:32:31,679

technical aspect to them

918

00:32:37,190 --> 00:32:34,880

uapr and national security imperative

919

00:32:39,430 --> 00:32:37,200

they are a priority for this country and

920

00:32:40,230 --> 00:32:39,440

they also are a potential air safety

921

00:32:42,310 --> 00:32:40,240

issue

922

00:32:44,870 --> 00:32:42,320

those four things for the first time in

923

00:32:46,789 --> 00:32:44,880

the history of our country

924

00:32:49,029 --> 00:32:46,799

were now told to the american people for

925

00:32:51,509 --> 00:32:49,039

the record what else happened you had

926

00:32:53,509 --> 00:32:51,519

the wilson documents submitted

927

00:32:55,190 --> 00:32:53,519

for the record

928

00:32:58,070 --> 00:32:55,200

that's going to be interesting

929

00:32:59,669 --> 00:32:58,080

uh you also have um other things

930

00:33:01,590 --> 00:32:59,679

mentioned the fact that a tip they

931

00:33:02,950 --> 00:33:01,600

acknowledge it yes we know about aten

932

00:33:05,029 --> 00:33:02,960

and we know about blue book update up

933

00:33:06,389 --> 00:33:05,039

until that day up until yesterday

934

00:33:08,070 --> 00:33:06,399

there was still discussion of whether or

935

00:33:09,830 --> 00:33:08,080

not atip was even real or talked about

936

00:33:11,110 --> 00:33:09,840

ufos well guess what that conversation

937

00:33:12,870 --> 00:33:11,120

is now over

938

00:33:14,950 --> 00:33:12,880

you just now had the head of dod

939

00:33:18,070 --> 00:33:14,960

intelligence admitting to you yes we are

940

00:33:20,230 --> 00:33:18,080

aware of ata okay so there's no going

941

00:33:21,750 --> 00:33:20,240

back in the conversation now that's done

942

00:33:23,430 --> 00:33:21,760

it's over anybody who wants to argue

943

00:33:25,909 --> 00:33:23,440

that is your

944

00:33:27,430 --> 00:33:25,919

you've missed the train um so those are

945

00:33:30,070 --> 00:33:27,440

some of the things that actually happen

946

00:33:32,310 --> 00:33:30,080

now there's also a whole laundry list of

947

00:33:34,230 --> 00:33:32,320

stuff that we could probably talk about

948

00:33:36,710 --> 00:33:34,240

that were inconsistent

949

00:33:38,630 --> 00:33:36,720

but i think i think that i think what

950

00:33:39,590 --> 00:33:38,640

happened yesterday was historic i think

951
00:33:41,350 --> 00:33:39,600
it was very good i think we're going to

952
00:33:42,950 --> 00:33:41,360
look back and realize this was really

953
00:33:44,389 --> 00:33:42,960
the beginning let's not forget it was

954
00:33:45,990 --> 00:33:44,399
just a little while ago a year ago where

955
00:33:49,029 --> 00:33:46,000
the 180 day report came out and

956
00:33:52,149 --> 00:33:49,039
everybody you know thought it was rather

957
00:33:54,630 --> 00:33:52,159
it was a dud and it was a seven page uh

958
00:33:55,990 --> 00:33:54,640
unclassified nothing burger as a lot of

959
00:33:57,350 --> 00:33:56,000
people like to say

960
00:33:58,710 --> 00:33:57,360
but that's not true

961
00:34:00,710 --> 00:33:58,720
because there was a big classified

962
00:34:02,630 --> 00:34:00,720
appendix to it and it was that

963
00:34:04,470 --> 00:34:02,640

information that caused now congress to

964

00:34:06,389 --> 00:34:04,480

start asking the questions that led to

965

00:34:08,790 --> 00:34:06,399

the hearings we had yesterday

966

00:34:11,669 --> 00:34:08,800

and so this is a process i've been

967

00:34:12,869 --> 00:34:11,679

trying to to to tell people from for

968

00:34:14,790 --> 00:34:12,879

years now

969

00:34:17,270 --> 00:34:14,800

listen if you're impatient and you can't

970

00:34:19,270 --> 00:34:17,280

wait please tune out for five years go

971

00:34:21,510 --> 00:34:19,280

get a hobby and then come back

972

00:34:23,510 --> 00:34:21,520

because this is a process and i know

973

00:34:25,190 --> 00:34:23,520

people are chomping at the bit but

974

00:34:26,869 --> 00:34:25,200

to know the answers

975

00:34:28,629 --> 00:34:26,879

but but this isn't a matter of instant

976

00:34:30,550 --> 00:34:28,639

gratification there's a lot of work that

977

00:34:32,710 --> 00:34:30,560

needs to be done we got to go back 70

978

00:34:34,869 --> 00:34:32,720

years maybe more we got to start working

979

00:34:35,909 --> 00:34:34,879

with our allies and the worst thing we

980

00:34:37,510 --> 00:34:35,919

can do right now is put out some

981

00:34:39,510 --> 00:34:37,520

half-baked truths

982

00:34:42,389 --> 00:34:39,520

um and then it turns out later on that

983

00:34:45,030 --> 00:34:42,399

we were wrong right so so we we really

984

00:34:46,389 --> 00:34:45,040

have to do our due diligence this is not

985

00:34:47,589 --> 00:34:46,399

fun and games and also we have to

986

00:34:48,389 --> 00:34:47,599

remember

987

00:34:51,750 --> 00:34:48,399

we

988

00:34:53,589 --> 00:34:51,760

pound of flesh i know there's people

989

00:34:55,109 --> 00:34:53,599

saying i've been doing this for 25 years

990

00:34:57,349 --> 00:34:55,119

and i'm tired of government lying to me

991

00:35:00,550 --> 00:34:57,359

and and and damn it we need to prosecute

992

00:35:02,630 --> 00:35:00,560

people look i get it i get it but but

993

00:35:03,670 --> 00:35:02,640

slow down for a minute what's more

994

00:35:05,190 --> 00:35:03,680

important

995

00:35:07,349 --> 00:35:05,200

putting people behind bars and putting

996

00:35:09,430 --> 00:35:07,359

them on the stand or the truth

997

00:35:11,190 --> 00:35:09,440

and yes look i i want my pound to flash

998

00:35:13,109 --> 00:35:11,200

i mean i spent four years with people

999

00:35:14,470 --> 00:35:13,119

attacking me constantly and saying all

1000

00:35:15,750 --> 00:35:14,480

social horrible things there's a reason

1001
00:35:18,230 --> 00:35:15,760
why i live in the middle of nowhere

1002
00:35:19,990 --> 00:35:18,240
wyoming right um

1003
00:35:22,390 --> 00:35:20,000
but if if we want

1004
00:35:24,230 --> 00:35:22,400
if if i want the american people to know

1005
00:35:25,670 --> 00:35:24,240
what i know

1006
00:35:28,230 --> 00:35:25,680
it's more important that we get to the

1007
00:35:29,349 --> 00:35:28,240
truth than me being vindicated and i

1008
00:35:30,950 --> 00:35:29,359
can't tell many times this week people

1009
00:35:32,310 --> 00:35:30,960
said no you've been vindicated even

1010
00:35:33,829 --> 00:35:32,320
media says well i must feel great you're

1011
00:35:35,990 --> 00:35:33,839
now vindicated

1012
00:35:37,670 --> 00:35:36,000
it's not about vindication folks

1013
00:35:39,349 --> 00:35:37,680

it's about truth

1014

00:35:41,510 --> 00:35:39,359

it's about it's about disclosure it's

1015

00:35:44,870 --> 00:35:41,520

about transparency and if it means that

1016

00:35:47,190 --> 00:35:44,880

that that i i don't get my my day in the

1017

00:35:48,710 --> 00:35:47,200

spotlight then that's okay

1018

00:35:50,150 --> 00:35:48,720

because it's not about that never was

1019

00:35:51,270 --> 00:35:50,160

about that i didn't leave the department

1020

00:35:53,030 --> 00:35:51,280

of defense

1021

00:35:54,550 --> 00:35:53,040

because i wanted my day in the spotlight

1022

00:35:56,230 --> 00:35:54,560

i left the double heart in the defense

1023

00:35:57,990 --> 00:35:56,240

ironically enough to finish the very

1024

00:36:00,150 --> 00:35:58,000

mission they gave me in the first place

1025

00:36:01,670 --> 00:36:00,160

i didn't ask for it i'm not a ufo guy

1026

00:36:03,510 --> 00:36:01,680

not a ufologist i never have been i

1027

00:36:05,270 --> 00:36:03,520

never will be i'm a counterterrorism and

1028

00:36:07,510 --> 00:36:05,280

counter espionage guy

1029

00:36:09,589 --> 00:36:07,520

counterintelligence counter insurgencies

1030

00:36:11,510 --> 00:36:09,599

that's what i do and it just so happens

1031

00:36:14,150 --> 00:36:11,520

that in 2008 i was asked to apply those

1032

00:36:15,430 --> 00:36:14,160

same skill sets into the ufo community

1033

00:36:18,470 --> 00:36:15,440

but

1034

00:36:19,910 --> 00:36:18,480

i'm not a ufo guy and so for me it's all

1035

00:36:22,870 --> 00:36:19,920

about the truth whether i'm hunting a

1036

00:36:24,790 --> 00:36:22,880

terrorist or a spy or a ufo the bottom

1037

00:36:26,630 --> 00:36:24,800

line is the truth is the truth

1038

00:36:28,950 --> 00:36:26,640

and and that's what

1039

00:36:31,349 --> 00:36:28,960

that's what's motivating me and i hope

1040

00:36:33,829 --> 00:36:31,359

that's what's motivating other people um

1041

00:36:36,630 --> 00:36:33,839

so we can hopefully one day maybe offer

1042

00:36:39,030 --> 00:36:36,640

some sort of amnesty maybe rather than

1043

00:36:40,950 --> 00:36:39,040

persecuting people for keeping the truth

1044

00:36:42,310 --> 00:36:40,960

and and and hiding the truth for this

1045

00:36:43,829 --> 00:36:42,320

many years

1046

00:36:45,349 --> 00:36:43,839

you know rather than

1047

00:36:46,630 --> 00:36:45,359

than hold a fist how about let's hold

1048

00:36:48,950 --> 00:36:46,640

out a hand

1049

00:36:51,430 --> 00:36:48,960

maybe maybe we need we need to take a

1050

00:36:52,630 --> 00:36:51,440

different approach and say look um you

1051

00:36:54,230 --> 00:36:52,640

know what no more are your

1052

00:36:55,030 --> 00:36:54,240

non-disclosure agreements going to hold

1053

00:36:57,430 --> 00:36:55,040

you

1054

00:36:59,270 --> 00:36:57,440

uh to anything uh for the next year and

1055

00:37:01,190 --> 00:36:59,280

a half you have amnesty if you come and

1056

00:37:01,990 --> 00:37:01,200

you talk to us and you tell us what you

1057

00:37:03,270 --> 00:37:02,000

know

1058

00:37:05,030 --> 00:37:03,280

and help us learn from some of the

1059

00:37:06,310 --> 00:37:05,040

lessons learned from before

1060

00:37:08,790 --> 00:37:06,320

then

1061

00:37:10,150 --> 00:37:08,800

you know what um nothing bad is going to

1062

00:37:11,270 --> 00:37:10,160

happen we're not going to come after you

1063

00:37:12,470 --> 00:37:11,280

you're not going to lose your clearance

1064

00:37:13,510 --> 00:37:12,480

in fact you're going to keep your job

1065

00:37:15,430 --> 00:37:13,520

and in fact we're going to we're going

1066

00:37:17,030 --> 00:37:15,440

to call you a hero how about that yeah

1067

00:37:18,630 --> 00:37:17,040

and i'm okay with that

1068

00:37:20,790 --> 00:37:18,640

you definitely don't need a nuremberg

1069

00:37:22,470 --> 00:37:20,800

trial because nobody will say anything

1070

00:37:24,710 --> 00:37:22,480

and and we certainly don't need any sort

1071

00:37:26,150 --> 00:37:24,720

of an event like that we need people to

1072

00:37:28,230 --> 00:37:26,160

do what you've done and some of your

1073

00:37:30,470 --> 00:37:28,240

colleagues have done and come out and

1074

00:37:32,310 --> 00:37:30,480

sort of tell us uh what they can and

1075

00:37:33,829 --> 00:37:32,320

what they know which will encourage

1076

00:37:36,870 --> 00:37:33,839

further still

1077

00:37:39,750 --> 00:37:36,880

uh people to come out um with that uh we

1078

00:37:41,589 --> 00:37:39,760

only have about uh 23

1079

00:37:43,589 --> 00:37:41,599

less than 23 minutes left so we got to

1080

00:37:46,870 --> 00:37:43,599

get through some some questions here and

1081

00:37:49,030 --> 00:37:46,880

we haven't had our experiencer steph get

1082

00:37:51,109 --> 00:37:49,040

up on the microphone so before we get

1083

00:37:53,589 --> 00:37:51,119

into some gear head talk and we talk

1084

00:37:55,430 --> 00:37:53,599

about turbos versus naturally aspirated

1085

00:37:57,750 --> 00:37:55,440

and these types of things lou let me

1086

00:37:59,990 --> 00:37:57,760

give it up to stephanie okay and i agree

1087

00:38:01,670 --> 00:38:00,000

we do need to squash that stigma so you

1088

00:38:04,390 --> 00:38:01,680

know it's all of us putting our efforts

1089

00:38:06,630 --> 00:38:04,400

together and doing so so yeah

1090

00:38:09,349 --> 00:38:06,640

but speaking on behalf of civilian

1091

00:38:11,109 --> 00:38:09,359

experiencers uh they mentioned yesterday

1092

00:38:13,109 --> 00:38:11,119

during the hearing that

1093

00:38:16,630 --> 00:38:13,119

there will be a streamlined protocol put

1094

00:38:19,829 --> 00:38:16,640

in place after declaring a uap for the

1095

00:38:22,390 --> 00:38:19,839

military now do you foresee something

1096

00:38:25,430 --> 00:38:22,400

such as that being put into place for

1097

00:38:28,950 --> 00:38:25,440

you know just regular civilians and how

1098

00:38:33,670 --> 00:38:30,950

stephanie probably one of the best

1099

00:38:35,510 --> 00:38:33,680

questions you could possibly ask

1100

00:38:37,910 --> 00:38:35,520

this really goes to the root of the

1101

00:38:39,829 --> 00:38:37,920

question uh that a lot of people have

1102

00:38:41,190 --> 00:38:39,839

yesterday the department of defense

1103

00:38:42,390 --> 00:38:41,200

testified before congress saying yeah

1104

00:38:44,550 --> 00:38:42,400

we're not really interested in civilian

1105

00:38:45,990 --> 00:38:44,560

information you know yeah you know

1106

00:38:47,670 --> 00:38:46,000

there's a lot a lot of misinformation

1107

00:38:49,510 --> 00:38:47,680

and disinformation out there

1108

00:38:51,670 --> 00:38:49,520

now hold on a second

1109

00:38:52,870 --> 00:38:51,680

this is the same government the same

1110

00:38:55,349 --> 00:38:52,880

government that when you go to an

1111

00:38:57,109 --> 00:38:55,359

airport where you go to a subway they

1112

00:38:59,109 --> 00:38:57,119

tell you over the announcements see

1113

00:39:01,109 --> 00:38:59,119

something say something if you see

1114

00:39:03,270 --> 00:39:01,119

something we want you to report this to

1115

00:39:06,230 --> 00:39:03,280

authorities this is the same government

1116

00:39:08,230 --> 00:39:06,240

that has 1 800 tip lines right that the

1117

00:39:09,829 --> 00:39:08,240

fbi will willing to pay you up to a

1118

00:39:11,990 --> 00:39:09,839

million dollars

1119

00:39:14,630 --> 00:39:12,000

if you can help solve a crime yes you

1120

00:39:15,670 --> 00:39:14,640

joe public you the civilian now wait a

1121

00:39:17,589 --> 00:39:15,680

minute

1122

00:39:19,589 --> 00:39:17,599

the civilian information is good enough

1123

00:39:22,150 --> 00:39:19,599

to help you solve a crime

1124

00:39:23,829 --> 00:39:22,160

capital murder case right and help you

1125

00:39:25,030 --> 00:39:23,839

catch a terrorist

1126
00:39:26,470 --> 00:39:25,040
but it's not good enough to help you

1127
00:39:29,030 --> 00:39:26,480
hunt a ufo

1128
00:39:30,310 --> 00:39:29,040
wait a minute

1129
00:39:31,829 --> 00:39:30,320
say that again

1130
00:39:33,270 --> 00:39:31,839
you're telling me that at the american

1131
00:39:34,390 --> 00:39:33,280
public who you work for by the way

1132
00:39:36,150 --> 00:39:34,400
they're your boss not the other way

1133
00:39:37,589 --> 00:39:36,160
around okay you're held accountable to

1134
00:39:39,190 --> 00:39:37,599
them and congress who are

1135
00:39:40,230 --> 00:39:39,200
representatives of the people by the

1136
00:39:41,510 --> 00:39:40,240
people

1137
00:39:43,990 --> 00:39:41,520
you mean to tell me that their

1138
00:39:45,109 --> 00:39:44,000

information isn't good enough

1139

00:39:47,190 --> 00:39:45,119

um

1140

00:39:49,270 --> 00:39:47,200

i'm curious your rationale for that

1141

00:39:51,109 --> 00:39:49,280

because where i come from we had

1142

00:39:52,950 --> 00:39:51,119

everything from back in the old a

1143

00:39:54,390 --> 00:39:52,960

civilian air corps right and civil air

1144

00:39:55,430 --> 00:39:54,400

patrol these are civilians merchant

1145

00:39:58,069 --> 00:39:55,440

marines

1146

00:39:59,829 --> 00:39:58,079

right saving lives in war in combat but

1147

00:40:03,349 --> 00:39:59,839

now all of a sudden civilian information

1148

00:40:05,030 --> 00:40:03,359

civilian data isn't good for you

1149

00:40:07,510 --> 00:40:05,040

do you see the cut so you see stuff the

1150

00:40:11,990 --> 00:40:07,520

contradiction in that right so

1151

00:40:14,630 --> 00:40:12,000

i i think i think we have further to go

1152

00:40:16,390 --> 00:40:14,640

the question is the real question is how

1153

00:40:19,349 --> 00:40:16,400

do we

1154

00:40:21,910 --> 00:40:19,359

validate and verify information because

1155

00:40:23,430 --> 00:40:21,920

the moment you open the pandora's box

1156

00:40:25,270 --> 00:40:23,440

everybody and anybody anybody's going to

1157

00:40:26,710 --> 00:40:25,280

report information right right and so

1158

00:40:29,589 --> 00:40:26,720

the question the real question is how do

1159

00:40:31,030 --> 00:40:29,599

you tease out the good information from

1160

00:40:32,710 --> 00:40:31,040

maybe the less credible information

1161

00:40:34,309 --> 00:40:32,720

because as we know there's you know a

1162

00:40:36,550 --> 00:40:34,319

lot of

1163

00:40:39,430 --> 00:40:36,560

you know less credible information right

1164

00:40:41,030 --> 00:40:39,440

right related images and yeah i mean

1165

00:40:43,030 --> 00:40:41,040

yeah you see so much of that you just

1166

00:40:44,950 --> 00:40:43,040

scroll through where yeah you're going

1167

00:40:47,109 --> 00:40:44,960

well i don't want to believe any of it

1168

00:40:49,589 --> 00:40:47,119

if i'm seeing all this false information

1169

00:40:51,990 --> 00:40:49,599

and they didn't notice

1170

00:40:53,990 --> 00:40:52,000

possibly step there are ways now where

1171

00:40:55,589 --> 00:40:54,000

we can use algorithms to to decipher

1172

00:40:59,430 --> 00:40:55,599

deep fake videos

1173

00:41:02,790 --> 00:40:59,440

imagine hypothetically and uh

1174

00:41:05,510 --> 00:41:02,800

don't quote me on this please yeah

1175

00:41:07,589 --> 00:41:05,520

but imagine the capability to to

1176

00:41:10,550 --> 00:41:07,599

hypothetically come through thousands if

1177

00:41:12,069 --> 00:41:10,560

not millions of of youtube videos in a

1178

00:41:13,430 --> 00:41:12,079

very short period of time with a certain

1179

00:41:16,150 --> 00:41:13,440

algorithm that all of a sudden can say

1180

00:41:17,670 --> 00:41:16,160

hey guess what yeah these are all fake

1181

00:41:21,430 --> 00:41:17,680

but these are real

1182

00:41:23,190 --> 00:41:21,440

right these these these 200 300 over

1183

00:41:25,030 --> 00:41:23,200

here that those are legit those are real

1184

00:41:26,790 --> 00:41:25,040

videos of real something we have no idea

1185

00:41:28,550 --> 00:41:26,800

what they are all of us now you just

1186

00:41:30,790 --> 00:41:28,560

narrowed that down you've cast a really

1187

00:41:32,630 --> 00:41:30,800

wide net but caught the very fish that

1188

00:41:34,790 --> 00:41:32,640

you're looking for without catching all

1189

00:41:36,790 --> 00:41:34,800

the ash and trash and so there are ways

1190

00:41:38,390 --> 00:41:36,800

to do it um they're not cheap but

1191

00:41:41,109 --> 00:41:38,400

they're certainly worthwhile we have the

1192

00:41:42,710 --> 00:41:41,119

technical capability now um and i think

1193

00:41:44,069 --> 00:41:42,720

there's also you know a way we can vet

1194

00:41:46,069 --> 00:41:44,079

maybe we can use some civilian

1195

00:41:48,550 --> 00:41:46,079

organizations that civilians can report

1196

00:41:50,790 --> 00:41:48,560

to they can do that in immediate triage

1197

00:41:52,630 --> 00:41:50,800

that vetting and then kick up whatever

1198

00:41:54,790 --> 00:41:52,640

information seems to be more legit look

1199

00:41:56,470 --> 00:41:54,800

you can also compare contrast chances

1200

00:41:58,470 --> 00:41:56,480

are if you're near a military base and

1201
00:41:59,750 --> 00:41:58,480
military pilots are singing uap chances

1202
00:42:01,349 --> 00:41:59,760
are someone's on the ground living in

1203
00:42:04,150 --> 00:42:01,359
their house they're probably seeing the

1204
00:42:06,309 --> 00:42:04,160
same thing so that data all of a sudden

1205
00:42:09,109 --> 00:42:06,319
gets a higher level of authenticity

1206
00:42:10,630 --> 00:42:09,119
right and when you look at it it's uh if

1207
00:42:12,710 --> 00:42:10,640
you were to give it a grade let's say

1208
00:42:15,270 --> 00:42:12,720
all of a sudden now what appears to be c

1209
00:42:16,710 --> 00:42:15,280
grade information now it becomes a b

1210
00:42:18,630 --> 00:42:16,720
because you got two pilots over here

1211
00:42:20,630 --> 00:42:18,640
reporting the same thing you have air

1212
00:42:22,550 --> 00:42:20,640
trap atc or traffic control reporting

1213
00:42:24,390 --> 00:42:22,560

this you've got maybe a local sheriff

1214

00:42:25,910 --> 00:42:24,400

and a co in a town

1215

00:42:28,069 --> 00:42:25,920

also reporting it right now that

1216

00:42:31,109 --> 00:42:28,079

information becomes much more valuable

1217

00:42:33,349 --> 00:42:31,119

and so there are ways to do this

1218

00:42:35,430 --> 00:42:33,359

lou um if you could if you could on this

1219

00:42:37,829 --> 00:42:35,440

one if you could reach down on your m4

1220

00:42:39,589 --> 00:42:37,839

i'd like you to go from semi-auto to

1221

00:42:41,349 --> 00:42:39,599

auto or burst

1222

00:42:43,030 --> 00:42:41,359

for this rapid fire round would you do

1223

00:42:45,589 --> 00:42:43,040

that please would you switch over thank

1224

00:42:47,910 --> 00:42:45,599

you 10-4 will go

1225

00:42:50,230 --> 00:42:47,920

okay switched over we're on burst

1226

00:42:52,470 --> 00:42:50,240

because uh our elizondo time is

1227

00:42:54,230 --> 00:42:52,480

dwindling faster than this hip is going

1228

00:42:55,109 --> 00:42:54,240

to be on my body which is being replaced

1229

00:42:57,510 --> 00:42:55,119

tomorrow

1230

00:42:59,109 --> 00:42:57,520

uh 0-500 but anyway

1231

00:43:00,550 --> 00:42:59,119

uh hello

1232

00:43:03,910 --> 00:43:00,560

um

1233

00:43:05,430 --> 00:43:03,920

the question i had was first of all

1234

00:43:07,670 --> 00:43:05,440

um

1235

00:43:09,349 --> 00:43:07,680

there is a depiction in a uh a

1236

00:43:11,430 --> 00:43:09,359

documentary i saw

1237

00:43:13,750 --> 00:43:11,440

and i just just sort of a yes or no it

1238

00:43:16,230 --> 00:43:13,760

it did there at any point

1239

00:43:18,710 --> 00:43:16,240

two individuals walk into your office

1240

00:43:21,349 --> 00:43:18,720

when you were in atip present a folder

1241

00:43:22,550 --> 00:43:21,359

to you without identifying themselves

1242

00:43:27,190 --> 00:43:22,560

let you look through that folder and

1243

00:43:27,200 --> 00:43:31,829

give me a second to recall um

1244

00:43:35,589 --> 00:43:33,510

no they always i always had people

1245

00:43:37,990 --> 00:43:35,599

identify themselves in my office i was

1246

00:43:40,069 --> 00:43:38,000

in a very very secure location

1247

00:43:41,510 --> 00:43:40,079

um there's there's no way anybody would

1248

00:43:42,470 --> 00:43:41,520

come in without me knowing exactly who

1249

00:43:44,150 --> 00:43:42,480

they are

1250

00:43:46,069 --> 00:43:44,160

if you knew who they were did they show

1251
00:43:48,150 --> 00:43:46,079
you a folder that had some things that

1252
00:43:50,710 --> 00:43:48,160
were outside of your program

1253
00:43:52,230 --> 00:43:50,720
i was shown a lot of things out that i

1254
00:43:53,270 --> 00:43:52,240
was showing a lot of things in folders

1255
00:43:55,270 --> 00:43:53,280
all the time

1256
00:43:56,870 --> 00:43:55,280
it could very there were people that

1257
00:43:58,630 --> 00:43:56,880
came in and there were two sometimes two

1258
00:44:00,790 --> 00:43:58,640
people that would come in and it would

1259
00:44:02,870 --> 00:44:00,800
absolutely show me things um that is

1260
00:44:04,309 --> 00:44:02,880
true but as far as not knowing people

1261
00:44:05,990 --> 00:44:04,319
there were never stranger there was i

1262
00:44:07,990 --> 00:44:06,000
would live i had like a concentric ring

1263
00:44:11,589 --> 00:44:08,000

of security i was a vault within a skiff

1264

00:44:13,510 --> 00:44:11,599

within a secure corridor within a it was

1265

00:44:15,910 --> 00:44:13,520

i had other another job that was

1266

00:44:16,710 --> 00:44:15,920

extremely sensitive as well uh working

1267

00:44:18,790 --> 00:44:16,720

some

1268

00:44:19,990 --> 00:44:18,800

program for the white house and so

1269

00:44:21,750 --> 00:44:20,000

um

1270

00:44:24,309 --> 00:44:21,760

i always knew who was coming in except

1271

00:44:26,470 --> 00:44:24,319

for in the very very beginning and and

1272

00:44:27,910 --> 00:44:26,480

they introduced themselves to me okay

1273

00:44:29,430 --> 00:44:27,920

this is a two banger so you knew who

1274

00:44:30,710 --> 00:44:29,440

they were pretend we're in a dirt track

1275

00:44:32,710 --> 00:44:30,720

car we're just going we only have two

1276

00:44:35,910 --> 00:44:32,720

gears to work with we're going into high

1277

00:44:40,309 --> 00:44:35,920

right now um so this next one it if

1278

00:44:42,630 --> 00:44:40,319

there were a if if you had a program

1279

00:44:46,069 --> 00:44:42,640

that you wanted to conceal

1280

00:44:48,870 --> 00:44:46,079

and so and prevent people with a need to

1281

00:44:50,550 --> 00:44:48,880

know that that could meet that standard

1282

00:44:52,550 --> 00:44:50,560

that criteria

1283

00:44:54,069 --> 00:44:52,560

what type of a program would you have

1284

00:44:56,470 --> 00:44:54,079

where you could people have people like

1285

00:44:59,349 --> 00:44:56,480

the sec deaf not briefed in on it the

1286

00:45:01,670 --> 00:44:59,359

president the joint staff what type of a

1287

00:45:04,790 --> 00:45:01,680

construct would you have to have in

1288

00:45:07,589 --> 00:45:04,800

order to have a program that would hide

1289

00:45:09,510 --> 00:45:07,599

something that could very very simple

1290

00:45:11,670 --> 00:45:09,520

very simple you take it out of title 10

1291

00:45:13,270 --> 00:45:11,680

you put it under title 50. super easy

1292

00:45:15,270 --> 00:45:13,280

you take it out of dod channels you put

1293

00:45:18,150 --> 00:45:15,280

under covert action done

1294

00:45:19,990 --> 00:45:18,160

and in terms of funding if you have

1295

00:45:22,309 --> 00:45:20,000

people that are on an intelligence

1296

00:45:24,790 --> 00:45:22,319

committee uh that are

1297

00:45:27,430 --> 00:45:24,800

uh basically they're they're funding a a

1298

00:45:29,190 --> 00:45:27,440

clan within a contract and they don't

1299

00:45:30,630 --> 00:45:29,200

know what's going on

1300

00:45:32,550 --> 00:45:30,640

where that money's going they're not

1301
00:45:33,829 --> 00:45:32,560
aware of of where that happens all the

1302
00:45:36,309 --> 00:45:33,839
time that's why you have government

1303
00:45:37,670 --> 00:45:36,319
accountability office the gao office

1304
00:45:39,829 --> 00:45:37,680
because they do audits all the time

1305
00:45:40,870 --> 00:45:39,839
because that happens millions of dollars

1306
00:45:43,829 --> 00:45:40,880
each year

1307
00:45:45,430 --> 00:45:43,839
goes to to support programs that have

1308
00:45:46,390 --> 00:45:45,440
zero oversight and they should have

1309
00:45:48,630 --> 00:45:46,400
oversight

1310
00:45:52,630 --> 00:45:48,640
okay so it is possible to have a

1311
00:45:54,950 --> 00:45:52,640
construct whereby something could be

1312
00:45:56,870 --> 00:45:54,960
uh for all intents and purposes hidden

1313
00:45:59,190 --> 00:45:56,880

and not sure and then you have had

1314

00:46:01,190 --> 00:45:59,200

things such as even the dod of uh

1315

00:46:03,430 --> 00:46:01,200

unacknowledged wave saps i mean there's

1316

00:46:04,950 --> 00:46:03,440

there's all sorts of ways if you wanted

1317

00:46:06,470 --> 00:46:04,960

to hide a program you certainly could

1318

00:46:08,950 --> 00:46:06,480

hide a program

1319

00:46:10,710 --> 00:46:08,960

very very easily uh if you were in a

1320

00:46:11,589 --> 00:46:10,720

position to do it now the average person

1321

00:46:13,030 --> 00:46:11,599

no they're not gonna be able to do it

1322

00:46:14,390 --> 00:46:13,040

because you have to you have to be read

1323

00:46:16,309 --> 00:46:14,400

on you have authorities you have access

1324

00:46:17,750 --> 00:46:16,319

to the systems you got to be

1325

00:46:20,230 --> 00:46:17,760

you got to have certain certificates on

1326
00:46:21,349 --> 00:46:20,240
your wall uh to show that you you know

1327
00:46:23,109 --> 00:46:21,359
have those

1328
00:46:23,990 --> 00:46:23,119
type of tickets and

1329
00:46:26,470 --> 00:46:24,000
training

1330
00:46:29,109 --> 00:46:26,480
uh but yeah you you can do there's there

1331
00:46:31,030 --> 00:46:29,119
are super users in the intelligence

1332
00:46:32,870 --> 00:46:31,040
community that have access to all sorts

1333
00:46:34,550 --> 00:46:32,880
of things and and a lot of them don't

1334
00:46:37,109 --> 00:46:34,560
have a whole lot of oversight and the

1335
00:46:39,589 --> 00:46:37,119
sec def doesn't know okay uh well the

1336
00:46:41,589 --> 00:46:39,599
sector should know if it's title 10.

1337
00:46:43,190 --> 00:46:41,599
okay if it's title 50 then the sec def

1338
00:46:44,390 --> 00:46:43,200

doesn't then the director of cia should

1339

00:46:46,390 --> 00:46:44,400

know and the director of national

1340

00:46:48,790 --> 00:46:46,400

intelligence who should know everything

1341

00:46:50,950 --> 00:46:48,800

in prison for the dna civilian got it

1342

00:46:52,870 --> 00:46:50,960

nathan

1343

00:46:54,550 --> 00:46:52,880

uh so yesterday representative krishna

1344

00:46:56,630 --> 00:46:54,560

morty asked whether we've attempted to

1345

00:46:59,270 --> 00:46:56,640

communicate with uap he was told we've

1346

00:47:00,790 --> 00:46:59,280

not made any attempts of that nature

1347

00:47:03,349 --> 00:47:00,800

assuming that

1348

00:47:05,030 --> 00:47:03,359

we indeed may have or might try to

1349

00:47:07,190 --> 00:47:05,040

communicate with uap and speaking more

1350

00:47:08,950 --> 00:47:07,200

broadly to your efforts regarding

1351

00:47:10,470 --> 00:47:08,960

greater engagement with the phenomenon

1352

00:47:13,109 --> 00:47:10,480

through things like increased public

1353

00:47:15,109 --> 00:47:13,119

awareness scientific study international

1354

00:47:17,910 --> 00:47:15,119

cooperation collaboration

1355

00:47:20,470 --> 00:47:17,920

what is our best assessment for how uap

1356

00:47:21,670 --> 00:47:20,480

or the phenomenon might respond to our

1357

00:47:24,309 --> 00:47:21,680

outreach

1358

00:47:27,109 --> 00:47:24,319

in short if we call out to it will it

1359

00:47:28,790 --> 00:47:27,119

and how might it respond

1360

00:47:30,390 --> 00:47:28,800

well look there's all sorts of

1361

00:47:32,710 --> 00:47:30,400

non-verbal communication isn't there

1362

00:47:34,470 --> 00:47:32,720

look i have i have four german shepherds

1363

00:47:35,750 --> 00:47:34,480

and i like to think that i've trained

1364

00:47:37,030 --> 00:47:35,760

them you know and they go out to the

1365

00:47:38,790 --> 00:47:37,040

bathroom in their house broken but in

1366

00:47:40,309 --> 00:47:38,800

reality they've trained me you know they

1367

00:47:41,270 --> 00:47:40,319

tell me when they're hungry they tell me

1368

00:47:43,190 --> 00:47:41,280

when they're when they got to go to the

1369

00:47:44,150 --> 00:47:43,200

bathroom you know they they jump on my

1370

00:47:46,150 --> 00:47:44,160

bed they tell me when they want

1371

00:47:49,109 --> 00:47:46,160

attention so in essence it's two-way

1372

00:47:50,549 --> 00:47:49,119

communication it's non-verbal right

1373

00:47:51,990 --> 00:47:50,559

we can sit across the hall from each

1374

00:47:53,430 --> 00:47:52,000

other and i can wave to you and i'm

1375

00:47:55,670 --> 00:47:53,440

waving an intent you can turn around and

1376

00:47:57,349 --> 00:47:55,680

shoot me the bird and i i can figure out

1377

00:47:59,190 --> 00:47:57,359

what what you mean by that

1378

00:48:02,710 --> 00:47:59,200

um communication doesn't have to be

1379

00:48:07,990 --> 00:48:02,720

verbal and i think that uh when we

1380

00:48:11,190 --> 00:48:10,069

case in point i've used this a lot

1381

00:48:12,870 --> 00:48:11,200

when there's a russian bear

1382

00:48:13,910 --> 00:48:12,880

reconnaissance aircraft off the coast of

1383

00:48:15,270 --> 00:48:13,920

alaska

1384

00:48:16,870 --> 00:48:15,280

okay it's not communicating with it's

1385

00:48:18,230 --> 00:48:16,880

not squawking it's not not getting on

1386

00:48:20,470 --> 00:48:18,240

the com saying hi guys we're here we're

1387

00:48:23,349 --> 00:48:20,480

just gonna surveil you what what do we

1388

00:48:25,430 --> 00:48:23,359

do we we we scramble two f-22s out of

1389

00:48:27,109 --> 00:48:25,440

out of alaska and we go on an intercept

1390

00:48:28,470 --> 00:48:27,119

mission now we don't talk to them but we

1391

00:48:29,829 --> 00:48:28,480

just get really really close and let

1392

00:48:32,309 --> 00:48:29,839

them know hey buddy if you step over

1393

00:48:34,470 --> 00:48:32,319

this line bad things are going to happen

1394

00:48:36,230 --> 00:48:34,480

uh are we communicating intent you're

1395

00:48:38,710 --> 00:48:36,240

damn right we are and are they commuting

1396

00:48:40,390 --> 00:48:38,720

intent absolutely they are right so

1397

00:48:41,990 --> 00:48:40,400

there's all sorts of ways to communicate

1398

00:48:43,910 --> 00:48:42,000

some could argue the fact that if you

1399

00:48:46,069 --> 00:48:43,920

have something loitering around loitering

1400

00:48:47,190 --> 00:48:46,079

around a u.s navy vessel for three or

1401
00:48:49,349 --> 00:48:47,200
four hours

1402
00:48:50,710 --> 00:48:49,359
that could be an attempt to communicate

1403
00:48:53,349 --> 00:48:50,720
right hey

1404
00:48:55,430 --> 00:48:53,359
i'm here you can see me here i'm not

1405
00:48:57,670 --> 00:48:55,440
necessarily want anything from you but

1406
00:48:59,030 --> 00:48:57,680
but i want you to know

1407
00:49:01,589 --> 00:48:59,040
that i'm here

1408
00:49:04,630 --> 00:49:01,599
and i know that you know that so

1409
00:49:08,470 --> 00:49:04,640
that's communication um there's you know

1410
00:49:10,870 --> 00:49:08,480
if i go and i disable a a nuclear

1411
00:49:14,309 --> 00:49:10,880
flight uh here in the united states and

1412
00:49:16,309 --> 00:49:14,319
knock 10 icbm missiles offline

1413
00:49:18,870 --> 00:49:16,319

i'm communicating a capability to make

1414

00:49:20,630 --> 00:49:18,880

the mistake very clearly and if i go to

1415

00:49:22,549 --> 00:49:20,640

russia and i decide instead of turning

1416

00:49:25,030 --> 00:49:22,559

them off turning them on

1417

00:49:26,230 --> 00:49:25,040

i'm i'm also communicating a very clear

1418

00:49:27,990 --> 00:49:26,240

message right

1419

00:49:29,829 --> 00:49:28,000

so but that never happened lou that's

1420

00:49:32,309 --> 00:49:29,839

just in the media i mean that i mean

1421

00:49:34,710 --> 00:49:32,319

come on yeah so lou are you saying that

1422

00:49:37,030 --> 00:49:34,720

ask the russians when bray responds that

1423

00:49:39,750 --> 00:49:37,040

we weren't communicating is that kind of

1424

00:49:41,030 --> 00:49:39,760

a very narrow banded way of of of

1425

00:49:43,030 --> 00:49:41,040

dodging that because what you're saying

1426

00:49:44,470 --> 00:49:43,040

is we communicate not in the way that

1427

00:49:45,750 --> 00:49:44,480

you know we think of normal communities

1428

00:49:47,829 --> 00:49:45,760

what he's saying is we're not picking up

1429

00:49:50,390 --> 00:49:47,839

the horn and saying uh

1430

00:49:52,069 --> 00:49:50,400

hey joe uh or marty the martian what's

1431

00:49:54,150 --> 00:49:52,079

going on what are you doing

1432

00:49:55,510 --> 00:49:54,160

uh can i buy a cup of coffee and come on

1433

00:49:57,670 --> 00:49:55,520

down here i'll have my people call your

1434

00:49:59,270 --> 00:49:57,680

people we'll you know we'll do lunch no

1435

00:50:01,589 --> 00:49:59,280

that's of course that's what's going on

1436

00:50:03,829 --> 00:50:01,599

you know uh but are there calls over the

1437

00:50:06,710 --> 00:50:03,839

radio and saying you know

1438

00:50:08,790 --> 00:50:06,720

identify yourself and uh are you are

1439

00:50:11,349 --> 00:50:08,800

they squawking friend or foe on the

1440

00:50:13,270 --> 00:50:11,359

transponders uh what's your intent if

1441

00:50:15,349 --> 00:50:13,280

you come within 300 meters of this ship

1442

00:50:17,910 --> 00:50:15,359

we will engage you with lethal force as

1443

00:50:19,430 --> 00:50:17,920

they do anytime you come by with a boat

1444

00:50:22,230 --> 00:50:19,440

you know i suspect there's all sorts of

1445

00:50:24,150 --> 00:50:22,240

communication that's being attempted um

1446

00:50:25,109 --> 00:50:24,160

but you know look i got to let these

1447

00:50:27,990 --> 00:50:25,119

guys

1448

00:50:29,670 --> 00:50:28,000

speak um at some point i think more

1449

00:50:31,270 --> 00:50:29,680

pointed questions are going to be asked

1450

00:50:32,390 --> 00:50:31,280

and you know i think you're probably

1451
00:50:33,910 --> 00:50:32,400
going to see some of that change a

1452
00:50:35,109 --> 00:50:33,920
little bit

1453
00:50:40,470 --> 00:50:35,119
thank you

1454
00:50:42,710 --> 00:50:40,480
next we have flareus so this is our

1455
00:50:44,390 --> 00:50:42,720
rapid fire do you have something for mr

1456
00:50:45,750 --> 00:50:44,400
um all right so you mentioned a phase

1457
00:50:48,150 --> 00:50:45,760
going forward in which there will be a

1458
00:50:49,510 --> 00:50:48,160
push towards taking the topic mainstream

1459
00:50:51,670 --> 00:50:49,520
so does this mean uh we get to look

1460
00:50:55,829 --> 00:50:51,680
forward to lou elizondo lip-syncing to

1461
00:50:58,150 --> 00:50:55,839
pop music on tiktok yeah yeah i'm not a

1462
00:51:00,230 --> 00:50:58,160
big millie vanilli fan

1463
00:51:02,150 --> 00:51:00,240

so i'm not good at lip syncing

1464

00:51:04,710 --> 00:51:02,160

oh i could do it with you man we could

1465

00:51:06,950 --> 00:51:04,720

do it together you know brother i tried

1466

00:51:10,069 --> 00:51:06,960

a few times to even sing in the shower

1467

00:51:11,510 --> 00:51:10,079

and you know my wife my dogs my

1468

00:51:14,150 --> 00:51:11,520

neighbors i mean i'm getting like the

1469

00:51:15,030 --> 00:51:14,160

cops called on me it's bad so

1470

00:51:16,790 --> 00:51:15,040

uh

1471

00:51:18,630 --> 00:51:16,800

no i think um look there's there's a

1472

00:51:21,349 --> 00:51:18,640

public push as far as mainstream were

1473

00:51:23,750 --> 00:51:21,359

there i mean look look

1474

00:51:25,750 --> 00:51:23,760

yesterday i was on cnn fox news uh

1475

00:51:28,710 --> 00:51:25,760

canadian tv you now have canadian

1476

00:51:30,309 --> 00:51:28,720

parliament uh that is engaging and uh

1477

00:51:31,990 --> 00:51:30,319

you know for example representative

1478

00:51:33,430 --> 00:51:32,000

moultrie you've got our congress

1479

00:51:34,870 --> 00:51:33,440

involved you've got hearings going on i

1480

00:51:37,030 --> 00:51:34,880

mean i don't know how more mainstream we

1481

00:51:39,510 --> 00:51:37,040

need to be at this point when the entire

1482

00:51:41,430 --> 00:51:39,520

world is covering our hearings on ufos

1483

00:51:43,270 --> 00:51:41,440

and now we have a law where we have to

1484

00:51:45,990 --> 00:51:43,280

work with our foreign allies it is

1485

00:51:47,990 --> 00:51:46,000

mainstream um the only thing that's not

1486

00:51:49,829 --> 00:51:48,000

mainstream is ufology okay we've got to

1487

00:51:52,549 --> 00:51:49,839

get ufology out of the dark ages we got

1488

00:51:53,510 --> 00:51:52,559

to get them out of the the conspiracy

1489

00:51:56,870 --> 00:51:53,520

theory

1490

00:51:58,309 --> 00:51:56,880

arena and and start focusing okay look

1491

00:51:59,990 --> 00:51:58,319

the topics here you got what you want

1492

00:52:01,589 --> 00:52:00,000

congratulations now

1493

00:52:03,109 --> 00:52:01,599

now we have a responsibility to the

1494

00:52:04,710 --> 00:52:03,119

general public because the first place

1495

00:52:07,589 --> 00:52:04,720

that the general public is going to look

1496

00:52:10,230 --> 00:52:07,599

are ufologies for answers and if we keep

1497

00:52:11,910 --> 00:52:10,240

going down the same rabbit hole of you

1498

00:52:13,910 --> 00:52:11,920

know i know the truth because of

1499

00:52:16,630 --> 00:52:13,920

pleiades and this told me so

1500

00:52:18,069 --> 00:52:16,640

that's not helpful look maybe so but the

1501
00:52:20,150 --> 00:52:18,079
rest of the world is going to have a

1502
00:52:21,589 --> 00:52:20,160
really hard time with it so so let's

1503
00:52:23,510 --> 00:52:21,599
stick with the facts and then if you

1504
00:52:25,270 --> 00:52:23,520
have an opinion preface it as opinion

1505
00:52:26,790 --> 00:52:25,280
look i've got lots of opinions

1506
00:52:27,990 --> 00:52:26,800
some of them are probably wrong i'm okay

1507
00:52:29,510 --> 00:52:28,000
with that cool

1508
00:52:31,990 --> 00:52:29,520
ask my wife most of mine are wrong

1509
00:52:34,390 --> 00:52:32,000
probably but that's why i keep my

1510
00:52:35,829 --> 00:52:34,400
opinions mostly to myself and i try to

1511
00:52:37,430 --> 00:52:35,839
stick with the facts because i don't

1512
00:52:39,589 --> 00:52:37,440
want to muddy the waters

1513
00:52:41,589 --> 00:52:39,599

you have a bigger responsibility now

1514

00:52:43,589 --> 00:52:41,599

this is not a hobby anymore this is not

1515

00:52:45,510 --> 00:52:43,599

just fun and games you know it's a it's

1516

00:52:47,670 --> 00:52:45,520

a it's a fleeting interest no you're now

1517

00:52:49,190 --> 00:52:47,680

an ambassador for all of us you have a

1518

00:52:51,750 --> 00:52:49,200

responsibility

1519

00:52:54,150 --> 00:52:51,760

to take this topic with with deadly

1520

00:52:56,069 --> 00:52:54,160

seriousness this is a conversation

1521

00:52:58,230 --> 00:52:56,079

that's just as serious about talking to

1522

00:53:00,150 --> 00:52:58,240

a loved one about cancer now fortunately

1523

00:53:01,910 --> 00:53:00,160

there's a good outcome here but this is

1524

00:53:03,910 --> 00:53:01,920

a serious topic you're asking people and

1525

00:53:06,150 --> 00:53:03,920

i'm sure deb can tell you we're asking

1526

00:53:07,990 --> 00:53:06,160

people to challenge their very psyche

1527

00:53:09,990 --> 00:53:08,000

the very essence of what it means to be

1528

00:53:12,710 --> 00:53:10,000

a human being the way they were raised

1529

00:53:15,030 --> 00:53:12,720

culturally religiously politically in

1530

00:53:17,349 --> 00:53:15,040

every single way you're saying hey

1531

00:53:19,589 --> 00:53:17,359

listen

1532

00:53:22,549 --> 00:53:19,599

a lot of things you were told turns out

1533

00:53:24,150 --> 00:53:22,559

may not be entirely accurate so uh let's

1534

00:53:27,190 --> 00:53:24,160

have a talk shall we

1535

00:53:29,270 --> 00:53:27,200

um we gotta handle this responsibly we

1536

00:53:31,030 --> 00:53:29,280

got to have a delicate situation with

1537

00:53:32,230 --> 00:53:31,040

people like talking to kids about sex

1538

00:53:33,990 --> 00:53:32,240

right i know it's uncomfortable you

1539

00:53:36,069 --> 00:53:34,000

don't want to do it but it's better here

1540

00:53:37,910 --> 00:53:36,079

from us than to hear it from somebody

1541

00:53:40,470 --> 00:53:37,920

that you don't want them to hear it from

1542

00:53:43,030 --> 00:53:40,480

you know or worse experiences so you

1543

00:53:44,950 --> 00:53:43,040

know it's it's it's important that we

1544

00:53:46,549 --> 00:53:44,960

have this this talk and we have to

1545

00:53:48,309 --> 00:53:46,559

police ourselves and we have to hold

1546

00:53:49,910 --> 00:53:48,319

ourselves now to a higher standard

1547

00:53:51,510 --> 00:53:49,920

because people are really looking people

1548

00:53:53,829 --> 00:53:51,520

are paying attention some people are

1549

00:53:55,750 --> 00:53:53,839

excited some people are scared some

1550

00:53:57,910 --> 00:53:55,760

people don't know what to think and and

1551
00:53:59,750 --> 00:53:57,920
this is why every single one of you and

1552
00:54:01,990 --> 00:53:59,760
i'm sure deb can can probably jump in if

1553
00:54:03,990 --> 00:54:02,000
she wants to on this

1554
00:54:07,109 --> 00:54:04,000
we we have we have a big responsibility

1555
00:54:08,790 --> 00:54:07,119
on our shoulders and we have to to

1556
00:54:10,870 --> 00:54:08,800
really come together

1557
00:54:12,069 --> 00:54:10,880
and the community the ufo community

1558
00:54:13,589 --> 00:54:12,079
really has to start acting like a

1559
00:54:16,150 --> 00:54:13,599
community stop acting like a bunch of

1560
00:54:17,990 --> 00:54:16,160
child children fighting each other and

1561
00:54:19,910 --> 00:54:18,000
and throwing insults and accusing each

1562
00:54:21,829 --> 00:54:19,920
other and start working together because

1563
00:54:24,309 --> 00:54:21,839

if you really really want disclosure

1564

00:54:25,829 --> 00:54:24,319

really really want it then then you're

1565

00:54:27,430 --> 00:54:25,839

you're you're gonna have to change some

1566

00:54:29,270 --> 00:54:27,440

of the ways you're doing business that's

1567

00:54:31,589 --> 00:54:29,280

that's my personal opinion and by the

1568

00:54:33,589 --> 00:54:31,599

way that that advice includes me too so

1569

00:54:34,790 --> 00:54:33,599

i'm not coming down here from upon high

1570

00:54:36,710 --> 00:54:34,800

some mountain and pointing down saying

1571

00:54:37,510 --> 00:54:36,720

you people shall that's not what i'm

1572

00:54:39,510 --> 00:54:37,520

saying

1573

00:54:42,309 --> 00:54:39,520

i'm i'm one of you guys i'm down here

1574

00:54:43,990 --> 00:54:42,319

looking up saying what do we do so so i

1575

00:54:45,510 --> 00:54:44,000

get it um

1576

00:54:46,549 --> 00:54:45,520

but that's that's that would be my

1577

00:54:48,950 --> 00:54:46,559

advice

1578

00:54:50,710 --> 00:54:48,960

okay alou we have a little less that we

1579

00:54:52,710 --> 00:54:50,720

have almost uh what do we have left

1580

00:54:55,030 --> 00:54:52,720

there with six minutes about almost five

1581

00:54:56,470 --> 00:54:55,040

minutes now deb has a question for you

1582

00:54:58,230 --> 00:54:56,480

and that's probably going to be our last

1583

00:54:59,510 --> 00:54:58,240

question we get you out of here in one

1584

00:55:01,910 --> 00:54:59,520

hour

1585

00:55:03,910 --> 00:55:01,920

right so actually i i did have a

1586

00:55:05,349 --> 00:55:03,920

question about the ai that you mentioned

1587

00:55:07,109 --> 00:55:05,359

earlier i would love to talk about

1588

00:55:08,549 --> 00:55:07,119

mental health but that would be a whole

1589

00:55:10,150 --> 00:55:08,559

hour but

1590

00:55:12,549 --> 00:55:10,160

that's a whole nother thing but yes the

1591

00:55:16,150 --> 00:55:12,559

ai you you had spoken about it on

1592

00:55:18,309 --> 00:55:16,160

vinnie's show um disclosure team and i

1593

00:55:19,990 --> 00:55:18,319

was wondering if there was

1594

00:55:21,990 --> 00:55:20,000

yep shout out vinnie um i was wondering

1595

00:55:24,309 --> 00:55:22,000

if there was any follow-up on where that

1596

00:55:26,309 --> 00:55:24,319

ai went what what happened to it if

1597

00:55:27,030 --> 00:55:26,319

we're gonna see it again

1598

00:55:30,870 --> 00:55:27,040

yeah

1599

00:55:31,990 --> 00:55:30,880

it's expensive i mean it's really

1600

00:55:34,549 --> 00:55:32,000

expensive notice how we never asked

1601
00:55:35,750 --> 00:55:34,559
anybody for donations right unlike a lot

1602
00:55:38,549 --> 00:55:35,760
of other people say hey give me your

1603
00:55:41,030 --> 00:55:38,559
money nope never ask you for a penny

1604
00:55:42,789 --> 00:55:41,040
it takes a lot a lot of darn money to

1605
00:55:44,069 --> 00:55:42,799
make something like that we're working

1606
00:55:46,549 --> 00:55:44,079
with the best of the best who by the way

1607
00:55:48,230 --> 00:55:46,559
have day jobs they have real jobs too uh

1608
00:55:49,349 --> 00:55:48,240
and you know so they volunteer a lot of

1609
00:55:50,950 --> 00:55:49,359
their time and

1610
00:55:53,349 --> 00:55:50,960
and sweat equity

1611
00:55:55,510 --> 00:55:53,359
uh to build this um there's actually now

1612
00:55:57,349 --> 00:55:55,520
some competing efforts which i love um i

1613
00:55:59,190 --> 00:55:57,359

think it's fantastic let's get everybody

1614

00:56:01,270 --> 00:55:59,200

out here and and see which one works

1615

00:56:02,870 --> 00:56:01,280

best uh and see which ones work you know

1616

00:56:04,710 --> 00:56:02,880

better for different situations and

1617

00:56:06,870 --> 00:56:04,720

maybe they can all work together

1618

00:56:09,349 --> 00:56:06,880

wouldn't that be great um

1619

00:56:10,710 --> 00:56:09,359

right now it's it's important that uh

1620

00:56:11,589 --> 00:56:10,720

you know unfortunately i'm just one

1621

00:56:14,150 --> 00:56:11,599

person

1622

00:56:15,829 --> 00:56:14,160

so a lot of my time gets diverted i i

1623

00:56:19,030 --> 00:56:15,839

live my life in seven and a half minute

1624

00:56:20,630 --> 00:56:19,040

increment increments unfortunately um so

1625

00:56:22,230 --> 00:56:20,640

for every seven and a half minutes i

1626
00:56:24,549 --> 00:56:22,240
dedicate to ai it's seven and a half

1627
00:56:26,069 --> 00:56:24,559
minutes i can't dedicate to to congress

1628
00:56:30,390 --> 00:56:26,079
or i can't dedicate

1629
00:56:32,549 --> 00:56:30,400
some other efforts that are going on

1630
00:56:34,390 --> 00:56:32,559
behind the scenes or i can't dedicate to

1631
00:56:36,309 --> 00:56:34,400
mainstream media and so and i can't

1632
00:56:38,710 --> 00:56:36,319
dedicate to my family as a father and as

1633
00:56:41,510 --> 00:56:38,720
a husband or as a citizen

1634
00:56:43,349 --> 00:56:41,520
uh so it's it's um

1635
00:56:45,109 --> 00:56:43,359
it's it's tough but fortunately we have

1636
00:56:47,670 --> 00:56:45,119
some very very good people working on it

1637
00:56:50,789 --> 00:56:47,680
and the ai is is is moving forward quite

1638
00:56:55,910 --> 00:56:53,510

and with that uh thank you lou uh for

1639

00:56:58,309 --> 00:56:55,920

that and uh we have to start our our

1640

00:57:01,270 --> 00:56:58,319

goodbyes uh so that we can get dj can i

1641

00:57:02,630 --> 00:57:01,280

say one thing please yes sir

1642

00:57:06,069 --> 00:57:02,640

i just want to say

1643

00:57:08,390 --> 00:57:06,079

thank god for for deb and steph um look

1644

00:57:10,230 --> 00:57:08,400

ladies i i

1645

00:57:12,549 --> 00:57:10,240

i have a household full of women my i

1646

00:57:13,270 --> 00:57:12,559

have two daughters and a lovely wife and

1647

00:57:15,510 --> 00:57:13,280

and

1648

00:57:18,470 --> 00:57:15,520

girl

1649

00:57:19,990 --> 00:57:18,480

so uh i i am an extremely blessed man

1650

00:57:21,670 --> 00:57:20,000

and i think i think women are the

1651
00:57:22,789 --> 00:57:21,680
greatest accomplishment of god and i

1652
00:57:23,910 --> 00:57:22,799
don't care what anybody thinks that's

1653
00:57:25,670 --> 00:57:23,920
what i think

1654
00:57:29,349 --> 00:57:25,680
um

1655
00:57:32,309 --> 00:57:29,359
you guys have a voice and and ufology

1656
00:57:34,950 --> 00:57:32,319
and the topic of ufos and uaps is in

1657
00:57:37,670 --> 00:57:34,960
desperate need of hearing your voice

1658
00:57:39,349 --> 00:57:37,680
we need it please please please

1659
00:57:42,150 --> 00:57:39,359
uh i know there's a lot of loud

1660
00:57:43,910 --> 00:57:42,160
obnoxious voices out there but

1661
00:57:45,510 --> 00:57:43,920
but sometimes a whisper can be heard

1662
00:57:47,910 --> 00:57:45,520
louder than a shout

1663
00:57:49,430 --> 00:57:47,920

and i just want to thank you for for

1664

00:57:51,349 --> 00:57:49,440

stepping forward and having this

1665

00:57:53,109 --> 00:57:51,359

conversation because i know right now

1666

00:57:55,510 --> 00:57:53,119

there are some young women watching this

1667

00:57:56,789 --> 00:57:55,520

right now and they're looking at you for

1668

00:57:59,510 --> 00:57:56,799

inspiration

1669

00:58:01,270 --> 00:57:59,520

we need you on the scene so

1670

00:58:03,030 --> 00:58:01,280

thank you thank you truly for what you

1671

00:58:05,109 --> 00:58:03,040

do

1672

00:58:05,990 --> 00:58:05,119

thank you

1673

00:58:07,670 --> 00:58:06,000

yeah

1674

00:58:09,589 --> 00:58:07,680

steph oh steph i don't know if her mic

1675

00:58:11,990 --> 00:58:09,599

is her mic is working go ahead miss

1676

00:58:13,910 --> 00:58:12,000

steph thank you thank you lou that's

1677

00:58:15,109 --> 00:58:13,920

very gracious and kind of you and uh

1678

00:58:17,510 --> 00:58:15,119

yeah i do

1679

00:58:19,670 --> 00:58:17,520

uh look forward to passing the torch to

1680

00:58:22,549 --> 00:58:19,680

the younger generation as well so i hope

1681

00:58:24,549 --> 00:58:22,559

that the young ladies are listening and

1682

00:58:26,470 --> 00:58:24,559

uh you know they're going to gain some

1683

00:58:28,549 --> 00:58:26,480

new insight and

1684

00:58:30,150 --> 00:58:28,559

information on uh you know things that

1685

00:58:31,990 --> 00:58:30,160

we never really thought that we'd be

1686

00:58:34,309 --> 00:58:32,000

discussing i think this soon this is

1687

00:58:37,109 --> 00:58:34,319

this is pretty cool to me so you know

1688

00:58:38,710 --> 00:58:37,119

i'm learning something new every day and

1689

00:58:40,950 --> 00:58:38,720

we all have voices here and we all want

1690

00:58:43,270 --> 00:58:40,960

to be heard as well so thank you for for

1691

00:58:46,470 --> 00:58:43,280

recognizing that i appreciate it

1692

00:58:49,190 --> 00:58:46,480

absolutely thank you yeah this though

1693

00:58:52,069 --> 00:58:49,200

yeah go ahead i'm sorry debs

1694

00:58:53,430 --> 00:58:52,079

i was gonna say you can't shut me up lou

1695

00:58:56,069 --> 00:58:53,440

that was the thing

1696

00:58:57,990 --> 00:58:56,079

i i started with that in the beginning

1697

00:59:00,069 --> 00:58:58,000

and now i've i've told people i pretty

1698

00:59:02,230 --> 00:59:00,079

much want to talk to everyone there are

1699

00:59:03,430 --> 00:59:02,240

some people that i have to swallow my

1700

00:59:06,390 --> 00:59:03,440

own personal

1701
00:59:08,150 --> 00:59:06,400
opinion and whatever to talk to them but

1702
00:59:09,589 --> 00:59:08,160
i want to give everyone that chance to

1703
00:59:11,910 --> 00:59:09,599
talk and that's what a lot of people

1704
00:59:12,950 --> 00:59:11,920
have been missing for a long time

1705
00:59:13,750 --> 00:59:12,960
right

1706
00:59:15,990 --> 00:59:13,760
yeah

1707
00:59:18,470 --> 00:59:16,000
we're extremely fortunate to have these

1708
00:59:20,789 --> 00:59:18,480
and nathan and i wanted to have female

1709
00:59:21,510 --> 00:59:20,799
voices on the show we didn't want it to

1710
00:59:23,750 --> 00:59:21,520
be

1711
00:59:25,430 --> 00:59:23,760
just guys uh we wanted to bring in

1712
00:59:27,190 --> 00:59:25,440
people from these different backgrounds

1713
00:59:28,710 --> 00:59:27,200

and and we were able to do that just

1714

00:59:30,630 --> 00:59:28,720

like nathan and i have very different

1715

00:59:32,630 --> 00:59:30,640

backgrounds and and so

1716

00:59:35,349 --> 00:59:32,640

uh it's a blessing to be part of this

1717

00:59:38,549 --> 00:59:35,359

this show for for me personally uh kevin

1718

00:59:41,829 --> 00:59:38,559

uh say your goodbyes please

1719

00:59:43,750 --> 00:59:41,839

okay i will start with my goodbye so um

1720

00:59:45,270 --> 00:59:43,760

so someone who's trained teachers i've

1721

00:59:47,589 --> 00:59:45,280

learned to recognize when um other

1722

00:59:49,990 --> 00:59:47,599

people display those qualities necessary

1723

00:59:52,789 --> 00:59:50,000

for becoming one so whenever i turn into

1724

00:59:55,349 --> 00:59:52,799

you i'm seeing skills in communication

1725

00:59:57,990 --> 00:59:55,359

listening collaboration adaptability

1726

01:00:00,630 --> 00:59:58,000

patience so you're a teacher lou

1727

01:00:03,589 --> 01:00:00,640

so i'm reminded of a quote by terence

1728

01:00:06,150 --> 01:00:03,599

mcqueen ken i'd like to uh read to you

1729

01:00:08,309 --> 01:00:06,160

all right so um it goes uh so nature

1730

01:00:09,829 --> 01:00:08,319

loves courage you make the commitment

1731

01:00:11,910 --> 01:00:09,839

and nature will respond to that

1732

01:00:14,230 --> 01:00:11,920

commitment by removing impossible

1733

01:00:16,230 --> 01:00:14,240

obstacles dream the impossible dream and

1734

01:00:18,870 --> 01:00:16,240

the world will not grind you under it

1735

01:00:21,030 --> 01:00:18,880

will lift you up this is a trick this is

1736

01:00:22,870 --> 01:00:21,040

what all the teachers and philosophers

1737

01:00:24,789 --> 01:00:22,880

who really counted who really touched

1738

01:00:25,990 --> 01:00:24,799

the alchemical goal this is what they

1739

01:00:28,150 --> 01:00:26,000

understood

1740

01:00:30,390 --> 01:00:28,160

this is the shamanic dance in the

1741

01:00:32,150 --> 01:00:30,400

waterfall this is how magic is done by

1742

01:00:34,390 --> 01:00:32,160

hurling yourself into the abyss and

1743

01:00:35,829 --> 01:00:34,400

discovering it's a feather bed that's

1744

01:00:37,829 --> 01:00:35,839

what you've done you've heard yourself

1745

01:00:38,950 --> 01:00:37,839

into the abyss for us man so thank you

1746

01:00:40,309 --> 01:00:38,960

for that

1747

01:00:42,309 --> 01:00:40,319

kevin that was beautiful and very

1748

01:00:43,829 --> 01:00:42,319

touching thank you very much i i that

1749

01:00:46,069 --> 01:00:43,839

was a wonderful gift you give me thank

1750

01:00:48,309 --> 01:00:46,079

you well thank you

1751

01:00:50,069 --> 01:00:48,319

and deb i i didn't want to step on your

1752

01:00:52,470 --> 01:00:50,079

goodbye so if you have something else

1753

01:00:54,870 --> 01:00:52,480

that you'd like to say please do

1754

01:00:56,630 --> 01:00:54,880

thank you um yeah i was having some

1755

01:00:58,150 --> 01:00:56,640

issues interestingly enough that never

1756

01:01:00,870 --> 01:00:58,160

happened before i wonder what that's

1757

01:01:03,190 --> 01:01:00,880

about but anywho um

1758

01:01:06,710 --> 01:01:03,200

i can only see part of the private chat

1759

01:01:09,750 --> 01:01:06,720

now um so i just wanted to say all of us

1760

01:01:12,630 --> 01:01:09,760

at cab are aware of your sacrifices and

1761

01:01:14,549 --> 01:01:12,640

the sacrifices made by your family lou

1762

01:01:16,230 --> 01:01:14,559

we're very aware we talk about it all

1763

01:01:18,069 --> 01:01:16,240

the time

1764

01:01:20,789 --> 01:01:18,079

we would not be taking

1765

01:01:22,230 --> 01:01:20,799

talking about the hearings that happened

1766

01:01:23,910 --> 01:01:22,240

yesterday

1767

01:01:25,829 --> 01:01:23,920

if you had not handed in that

1768

01:01:27,750 --> 01:01:25,839

resignation letter

1769

01:01:28,710 --> 01:01:27,760

it's been an honor to get to talk to you

1770

01:01:30,710 --> 01:01:28,720

today

1771

01:01:31,670 --> 01:01:30,720

it's an honor to get to say thank you

1772

01:01:33,270 --> 01:01:31,680

today

1773

01:01:35,349 --> 01:01:33,280

for your service

1774

01:01:36,710 --> 01:01:35,359

both for your country

1775

01:01:40,069 --> 01:01:36,720

our country

1776

01:01:42,710 --> 01:01:40,079

and with your efforts on the uap topic i

1777

01:01:45,190 --> 01:01:42,720

wanted to urge you to stay

1778

01:01:47,109 --> 01:01:45,200

and continue to give us breadcrumbs

1779

01:01:49,750 --> 01:01:47,119

because we're going to miss that

1780

01:01:52,150 --> 01:01:49,760

we're going to miss your desire for real

1781

01:01:53,510 --> 01:01:52,160

data your exploration of all the

1782

01:01:55,670 --> 01:01:53,520

hypothesis

1783

01:01:57,829 --> 01:01:55,680

your push for the science um your

1784

01:02:00,630 --> 01:01:57,839

passion for transparency

1785

01:02:03,670 --> 01:02:00,640

your vulnerability and your resilience

1786

01:02:05,829 --> 01:02:03,680

with a very complicated crowd

1787

01:02:08,470 --> 01:02:05,839

you have

1788

01:02:10,870 --> 01:02:08,480

and if you do have to go

1789

01:02:13,270 --> 01:02:10,880

i will take the comment

1790

01:02:15,109 --> 01:02:13,280

ask me in five years as a promise that

1791

01:02:17,430 --> 01:02:15,119

you're going to return

1792

01:02:19,270 --> 01:02:17,440

in the meantime thank you thank you

1793

01:02:22,710 --> 01:02:19,280

thank you

1794

01:02:25,510 --> 01:02:22,720

quick reminder it's always been a team

1795

01:02:27,349 --> 01:02:25,520

effort i'm just one person and actually

1796

01:02:29,349 --> 01:02:27,359

i think yesterday's hearings are more a

1797

01:02:30,789 --> 01:02:29,359

reflection of your accomplish

1798

01:02:31,589 --> 01:02:30,799

accomplishments and achievements than

1799

01:02:33,589 --> 01:02:31,599

mine

1800

01:02:35,190 --> 01:02:33,599

um you all decided to pick up the baton

1801

01:02:38,069 --> 01:02:35,200

and run with it um

1802

01:02:41,430 --> 01:02:38,079

i i again i'm one voice in an awfully

1803

01:02:43,910 --> 01:02:41,440

big crowd um but together uh

1804

01:02:46,069 --> 01:02:43,920

our voices were heard and and congress

1805

01:02:47,430 --> 01:02:46,079

is paying attention and listening to you

1806

01:02:49,750 --> 01:02:47,440

um so

1807

01:02:52,230 --> 01:02:49,760

uh as very much as you i appreciate your

1808

01:02:55,510 --> 01:02:52,240

comments um honestly a lot of that

1809

01:02:57,349 --> 01:02:55,520

credit goes goes to you all

1810

01:02:58,710 --> 01:02:57,359

thank you lou steph i i don't want to

1811

01:03:00,789 --> 01:02:58,720

pry i didn't know if you got your

1812

01:03:03,349 --> 01:03:00,799

goodbye out there so please

1813

01:03:05,109 --> 01:03:03,359

that's no problem i i froze up a bit um

1814

01:03:07,190 --> 01:03:05,119

well i'll make it quick i just wanted to

1815

01:03:09,190 --> 01:03:07,200

say thank you so much for your service i

1816

01:03:10,069 --> 01:03:09,200

truly do appreciate that and recognize

1817

01:03:11,990 --> 01:03:10,079

that

1818

01:03:14,150 --> 01:03:12,000

and all of our service men and women

1819

01:03:17,029 --> 01:03:14,160

thank you for all that you do for us um

1820

01:03:18,870 --> 01:03:17,039

i am looking also looking forward to

1821

01:03:21,109 --> 01:03:18,880

well hopefully you having some extra

1822

01:03:23,270 --> 01:03:21,119

time to relax and practice some muay

1823

01:03:24,789 --> 01:03:23,280

thai that would be nice to see because

1824

01:03:25,510 --> 01:03:24,799

we know all the effort that you've put

1825

01:03:27,270 --> 01:03:25,520

in

1826

01:03:38,549 --> 01:03:27,280

towards this subject i'm way too old for

1827

01:03:44,549 --> 01:03:41,029

i'm sure i'll break something

1828

01:03:46,789 --> 01:03:44,559

shadow boxing won't hurt anybody

1829

01:03:48,710 --> 01:03:46,799

but um and then also i'm just looking

1830

01:03:52,789 --> 01:03:48,720

forward to your book and what you have

1831

01:03:57,029 --> 01:03:54,789

thank you steve i really appreciate it

1832

01:04:00,710 --> 01:03:57,039

thank you for being a a bright young

1833

01:04:03,109 --> 01:04:00,720

voice uh for this topic and i i suspect

1834

01:04:05,829 --> 01:04:03,119

you're gonna have a very very uh bright

1835

01:04:07,510 --> 01:04:05,839

future in this and uh just remember

1836

01:04:11,270 --> 01:04:07,520

um

1837

01:04:14,789 --> 01:04:11,280

stay true to yourself

1838

01:04:17,190 --> 01:04:14,799

and and you're going to do just fine

1839

01:04:22,630 --> 01:04:19,349

money nathan the man who needs no

1840

01:04:24,470 --> 01:04:22,640

introduction yeah thank you lou

1841

01:04:26,870 --> 01:04:24,480

there's a story in the old testament in

1842

01:04:29,190 --> 01:04:26,880

the book of genesis about jacob

1843

01:04:31,510 --> 01:04:29,200

wrestling with god in the night and

1844

01:04:33,670 --> 01:04:31,520

jacob survives the ordeal

1845

01:04:35,430 --> 01:04:33,680

and is this story which sort of forms

1846

01:04:37,589 --> 01:04:35,440

part of the bedrock for the history of

1847

01:04:39,270 --> 01:04:37,599

the jewish people and of israel and in a

1848

01:04:41,109 --> 01:04:39,280

similar way you know we've been

1849

01:04:42,549 --> 01:04:41,119

wrestling with this topic for a very

1850

01:04:44,390 --> 01:04:42,559

very long time

1851
01:04:46,309 --> 01:04:44,400
and after the hearing i was reminded of

1852
01:04:47,190 --> 01:04:46,319
the great strides we have made up until

1853
01:04:49,109 --> 01:04:47,200
now

1854
01:04:51,349 --> 01:04:49,119
and i felt a deep sense of appreciation

1855
01:04:53,829 --> 01:04:51,359
for the many wrestlers in this field who

1856
01:04:55,750 --> 01:04:53,839
have preceded us in grappling with this

1857
01:04:58,470 --> 01:04:55,760
profound mystery and there is a very

1858
01:05:00,549 --> 01:04:58,480
real sense in which we are on the cusp

1859
01:05:02,309 --> 01:05:00,559
of a paradigm shift and not only our

1860
01:05:04,710 --> 01:05:02,319
understanding but also

1861
01:05:05,430 --> 01:05:04,720
in our conscious awareness of who we are

1862
01:05:13,510 --> 01:05:05,440
and

1863
01:05:15,190 --> 01:05:13,520

family the ufo community sometimes makes

1864

01:05:17,829 --> 01:05:15,200

a mess and it's struggle to find the

1865

01:05:20,150 --> 01:05:17,839

truth a truth which seems to speak to

1866

01:05:22,789 --> 01:05:20,160

something deep inside of us and who we

1867

01:05:25,029 --> 01:05:22,799

are and where we're going and lou i just

1868

01:05:26,150 --> 01:05:25,039

wanted to thank you for wrestling along

1869

01:05:28,789 --> 01:05:26,160

with us

1870

01:05:30,390 --> 01:05:28,799

and may we all find the answers which we

1871

01:05:33,349 --> 01:05:30,400

seek

1872

01:05:36,470 --> 01:05:33,359

nathan thank you very much um

1873

01:05:39,349 --> 01:05:36,480

you know let us let us not put dominion

1874

01:05:40,309 --> 01:05:39,359

over the creator or or or its creation

1875

01:05:42,230 --> 01:05:40,319

um

1876

01:05:44,390 --> 01:05:42,240

you know there's a lot of things that

1877

01:05:45,829 --> 01:05:44,400

that religion gets right

1878

01:05:47,510 --> 01:05:45,839

if we just just

1879

01:05:49,670 --> 01:05:47,520

learn to listen

1880

01:05:53,270 --> 01:05:49,680

um and it doesn't matter what religion

1881

01:05:56,549 --> 01:05:53,280

really um and any way to get closer to

1882

01:05:59,750 --> 01:05:56,559

to that creator um is is

1883

01:06:01,750 --> 01:05:59,760

probably probably okay um

1884

01:06:03,829 --> 01:06:01,760

you know we are we are a very fragile

1885

01:06:06,150 --> 01:06:03,839

species

1886

01:06:08,309 --> 01:06:06,160

we we need guidance

1887

01:06:09,670 --> 01:06:08,319

i don't care who you are we all we all

1888

01:06:12,230 --> 01:06:09,680

need guidance

1889

01:06:13,589 --> 01:06:12,240

um there are some very dark

1890

01:06:16,950 --> 01:06:13,599

places

1891

01:06:19,349 --> 01:06:16,960

in this world uh where where

1892

01:06:21,430 --> 01:06:19,359

i've seen true evil

1893

01:06:22,630 --> 01:06:21,440

and it's there and it exists

1894

01:06:26,150 --> 01:06:22,640

um

1895

01:06:27,510 --> 01:06:26,160

maybe it's the trials and tribulations

1896

01:06:29,829 --> 01:06:27,520

for our species

1897

01:06:32,549 --> 01:06:29,839

um i ultimately today i don't think this

1898

01:06:33,829 --> 01:06:32,559

topic at all um

1899

01:06:36,069 --> 01:06:33,839

at all

1900

01:06:38,069 --> 01:06:36,079

compromises or challenges the notion of

1901

01:06:41,029 --> 01:06:38,079

god in any way in fact if anything i

1902

01:06:44,549 --> 01:06:41,039

think it it only emboldens uh

1903

01:06:46,630 --> 01:06:44,559

our our our ability to expand maybe our

1904

01:06:48,789 --> 01:06:46,640

own preconceived conceptions of what god

1905

01:06:50,789 --> 01:06:48,799

may be no different than when galileo

1906

01:06:52,870 --> 01:06:50,799

first proposed that the the earth was

1907

01:06:54,230 --> 01:06:52,880

not the center of the solar system

1908

01:06:55,589 --> 01:06:54,240

and there were a lot of people who

1909

01:06:57,430 --> 01:06:55,599

thought that was going to challenge at

1910

01:06:59,430 --> 01:06:57,440

the time religion

1911

01:07:01,589 --> 01:06:59,440

turns out that it didn't and in fact the

1912

01:07:04,789 --> 01:07:01,599

same holds true in

1913

01:07:07,349 --> 01:07:04,799

in judaism and even in islam there have

1914

01:07:10,069 --> 01:07:07,359

been people along the way that have have

1915

01:07:12,630 --> 01:07:10,079

made observations of nature

1916

01:07:15,589 --> 01:07:12,640

that were perceived initially

1917

01:07:18,470 --> 01:07:15,599

to contradict the word of god

1918

01:07:20,789 --> 01:07:18,480

and only afterwards did we realize that

1919

01:07:23,029 --> 01:07:20,799

it did it actually reinforced the notion

1920

01:07:25,829 --> 01:07:23,039

of this this this

1921

01:07:28,870 --> 01:07:25,839

ultimate authority if you will uh this

1922

01:07:31,109 --> 01:07:28,880

this architect of the universe

1923

01:07:33,270 --> 01:07:31,119

and only increases our wonder

1924

01:07:36,390 --> 01:07:33,280

so so thank you very much nathan and i

1925

01:07:38,549 --> 01:07:36,400

think i think theology has a very um i

1926

01:07:40,470 --> 01:07:38,559

think it has a seat at the table uh for

1927

01:07:42,630 --> 01:07:40,480

for this topic i i'm not sure we can

1928

01:07:44,230 --> 01:07:42,640

have this conversation frankly without

1929

01:07:48,069 --> 01:07:44,240

without having some of our religious

1930

01:07:51,910 --> 01:07:49,990

you know uh the

1931

01:07:54,230 --> 01:07:51,920

beauty that you just heard and

1932

01:07:56,549 --> 01:07:54,240

experienced is why

1933

01:07:58,870 --> 01:07:56,559

i love being part of this group

1934

01:08:01,190 --> 01:07:58,880

because i mean how do i how do i follow

1935

01:08:03,430 --> 01:08:01,200

what you just heard from from steph and

1936

01:08:05,589 --> 01:08:03,440

from kevin and then debs was amazing and

1937

01:08:07,349 --> 01:08:05,599

then of course money nathan you just

1938

01:08:10,470 --> 01:08:07,359

kind of close your eyes and you just get

1939

01:08:13,029 --> 01:08:10,480

lost in there it's pretty amazing um

1940

01:08:15,589 --> 01:08:13,039

lou uh it's it's an honor to speak with

1941

01:08:17,189 --> 01:08:15,599

you uh from the bottom of my heart i

1942

01:08:19,430 --> 01:08:17,199

thank you for

1943

01:08:23,829 --> 01:08:19,440

uh you and your team breaking through

1944

01:08:25,990 --> 01:08:23,839

this 50-year long barrier since 69 or 68

1945

01:08:27,910 --> 01:08:26,000

i believe when we when we had the last

1946

01:08:29,510 --> 01:08:27,920

set of hearings that we certainly would

1947

01:08:33,110 --> 01:08:29,520

not have without

1948

01:08:35,749 --> 01:08:33,120

um you interceding in your group and uh

1949

01:08:36,870 --> 01:08:35,759

becoming a bit of a disrupter uh on the

1950

01:08:39,110 --> 01:08:36,880

topic

1951

01:08:40,309 --> 01:08:39,120

um

1952

01:08:42,550 --> 01:08:40,319

you know i

1953

01:08:44,709 --> 01:08:42,560

again i really can't top what they said

1954

01:08:47,269 --> 01:08:44,719

except to really just say thank you and

1955

01:08:50,390 --> 01:08:47,279

i hope that we get to speak to you again

1956

01:08:53,189 --> 01:08:50,400

at some point and uh it was an honor to

1957

01:08:55,110 --> 01:08:53,199

to do so today well dj thank you for for

1958

01:08:57,189 --> 01:08:55,120

your your sacrifice and your service to

1959

01:08:58,630 --> 01:08:57,199

our nation um i know what you guys went

1960

01:08:59,749 --> 01:08:58,640

through especially being part of uh

1961

01:09:01,749 --> 01:08:59,759

afsock

1962

01:09:03,749 --> 01:09:01,759

um you know that your country owes you a

1963

01:09:05,110 --> 01:09:03,759

great debt but on a lighter note you

1964

01:09:06,550 --> 01:09:05,120

didn't let me finish the question that

1965

01:09:08,950 --> 01:09:06,560

you asked me you said turbo are

1966

01:09:10,550 --> 01:09:08,960

naturally aspirated let's go and there's

1967

01:09:11,829 --> 01:09:10,560

there's another category

1968

01:09:14,070 --> 01:09:11,839

supercharged

1969

01:09:16,870 --> 01:09:14,080

okay so all right so uh you know are you

1970

01:09:18,709 --> 01:09:16,880

down for like a a v6 formula one twin

1971

01:09:20,870 --> 01:09:18,719

turbo type of setup with the hybrid are

1972

01:09:22,470 --> 01:09:20,880

you more like you want to see a couple

1973

01:09:24,470 --> 01:09:22,480

four barrels on top of it with a

1974

01:09:27,269 --> 01:09:24,480

supercharge what's your you know it

1975

01:09:28,950 --> 01:09:27,279

depends on what day the week um

1976

01:09:31,829 --> 01:09:28,960

when i start off on a monday i'm ready

1977

01:09:34,070 --> 01:09:31,839

for like a 1964 and a half ac cobra with

1978

01:09:36,390 --> 01:09:34,080

a 427 and a six six-pack

1979

01:09:38,229 --> 01:09:36,400

uh on it uh by the time i get to

1980

01:09:39,590 --> 01:09:38,239

mid-week i'm probably uh

1981

01:09:41,349 --> 01:09:39,600

i'm getting to the point where i want

1982

01:09:44,149 --> 01:09:41,359

something probably a little little beefy

1983

01:09:47,669 --> 01:09:44,159

or something off-road maybe a a newer

1984

01:09:50,309 --> 01:09:47,679

model ram 3500 with the off-road package

1985

01:09:52,870 --> 01:09:50,319

skid plates you know and uh really low

1986

01:09:55,110 --> 01:09:52,880

for really low end rear end and by the

1987

01:09:57,910 --> 01:09:55,120

time i get to like saturday i'm ready

1988

01:10:00,470 --> 01:09:57,920

for like a 1999

1989

01:10:02,550 --> 01:10:00,480

cadillac d elegance

1990

01:10:04,950 --> 01:10:02,560

that's literally a a

1991

01:10:07,910 --> 01:10:04,960

floating couch on the highway where i

1992

01:10:09,990 --> 01:10:07,920

can sit there and i can lay back

1993

01:10:11,750 --> 01:10:10,000

and i can sit back and literally turn

1994

01:10:13,350 --> 01:10:11,760

the entire wheel with a finger

1995

01:10:15,270 --> 01:10:13,360

and i look like that little old man from

1996

01:10:16,790 --> 01:10:15,280

miami and i can actually be that guy i

1997

01:10:19,189 --> 01:10:16,800

always hated when i was growing up in

1998

01:10:21,110 --> 01:10:19,199

miami right that guy in that blue

1999

01:10:22,870 --> 01:10:21,120

cadillac that was always getting in your

2000

01:10:25,270 --> 01:10:22,880

way that would always pull out your

2001
01:10:27,669 --> 01:10:25,280
track sit doing 30 miles an hour in the

2002
01:10:30,630 --> 01:10:27,679
fast lane right and you pass him he's

2003
01:10:32,149 --> 01:10:30,640
wearing the flowered shirt and of course

2004
01:10:33,030 --> 01:10:32,159
he just smiles at you and you're like

2005
01:10:34,390 --> 01:10:33,040

2006
01:10:36,390 --> 01:10:34,400
