Calling All Beings

1
00:00:25,060 --> 00:00:09,700
oh

2
00:00:31,750 --> 00:00:29,349
[Music]

3
00:00:37,510 --> 00:00:34,150

5
00:00:42,470 --> 00:00:39,360
it was not the same without these

6
00:00:44,630 --> 00:00:42,480
brothers i'm your host dj uh man i'm so

7
00:00:47,510 --> 00:00:44,640
excited to be back because the homies is

8
00:00:50,310 --> 00:00:47,520
back at least a portion thereof

9
00:00:54,229 --> 00:00:50,320
i want to say that

10
00:00:57,189 --> 00:00:56,310
i came back with some magic

11
00:00:59,270 --> 00:00:57,199
oh

12
00:01:00,630 --> 00:00:59,280
deb came back from harry potterville

13
00:01:02,869 --> 00:01:00,640

with some magic but first let me

14

00:01:04,710 --> 00:01:02,879

introduce the co-conspirator of this

15

00:01:06,390 --> 00:01:04,720

joint my brother who was over there in

16

00:01:08,950 --> 00:01:06,400

england taking care of business and

17

00:01:11,270 --> 00:01:08,960

spreading cab love spreading the word

18

00:01:13,429 --> 00:01:11,280

doing he was like the uh an apostle over

19

00:01:15,590 --> 00:01:13,439

there so what's up get put your hands

20

00:01:18,310 --> 00:01:15,600

together for money nathan what's going

21

00:01:19,910 --> 00:01:18,320

on everybody yeah had an awesome time i

22

00:01:20,950 --> 00:01:19,920

feel like we haven't done a show in five

23

00:01:22,950 --> 00:01:20,960

years

24

00:01:25,590 --> 00:01:22,960

uh you know we've been doing shows so

25

00:01:26,789 --> 00:01:25,600

consistently for like a week every you

26
00:01:28,630 --> 00:01:26,799
know once every week we've been doing

27
00:01:29,590 --> 00:01:28,640
shows for almost a year now which is

28
00:01:31,030 --> 00:01:29,600
crazy

29
00:01:32,550 --> 00:01:31,040
and to not do them for a couple weeks

30
00:01:35,990 --> 00:01:32,560
it's just uh it was weird i missed you

31
00:01:38,950 --> 00:01:36,000
guys missed you guys we missed you

32
00:01:41,510 --> 00:01:38,960
you know i i did feel the i i filled the

33
00:01:43,030 --> 00:01:41,520
chasm that you left with uh

34
00:01:44,870 --> 00:01:43,040
the good friends that we have from the

35
00:01:47,749 --> 00:01:44,880
uk i got a chance to see those guys at

36
00:01:49,990 --> 00:01:47,759
the awakening ufo expo in blackpool so i

37
00:01:52,950 --> 00:01:50,000
got to catch up with our friend dan

38
00:01:54,789 --> 00:01:52,960

zetterstrom mr benny adams and graeme

39

00:01:58,230 --> 00:01:54,799

rendell had a great time meeting those

40

00:02:00,870 --> 00:01:58,240

guys in person and uh and also our good

41

00:02:03,350 --> 00:02:00,880

friend max mccabe who's just yeah

42

00:02:05,910 --> 00:02:03,360

as awesome as you would expect him to be

43

00:02:08,389 --> 00:02:05,920

in the flesh so very cool

44

00:02:10,469 --> 00:02:08,399

ain't no doubt another sister i missed a

45

00:02:13,030 --> 00:02:10,479

woman who really sacrificed a woman who

46

00:02:15,190 --> 00:02:13,040

said can i go 24 hours without talking

47

00:02:17,830 --> 00:02:15,200

49

00:02:21,589 --> 00:02:20,239

disney universal studios is our

50

00:02:22,869 --> 00:02:21,599

researcher and mental health

51
00:02:24,309 --> 00:02:22,879

56
00:02:37,110 --> 00:02:35,440
going oh you broke the covenant

57
00:02:38,710 --> 00:02:37,120

you're gone that was pretty cool

63
00:02:51,270 --> 00:02:48,640

uh now we gonna introduce

64

00:02:53,190 --> 00:02:51,280

an original gangster

65

00:02:54,949 --> 00:02:53,200

of ufology

66

00:02:57,190 --> 00:02:54,959

so let me tell you what i want you to

67

00:02:58,869 --> 00:02:57,200

68

00:03:02,149 --> 00:02:58,879

off your hands from bread and that

69

00:03:07,590 --> 00:03:02,159

chicken and put your hands together for

70

00:03:12,390 --> 00:03:09,830

[Music]

71

00:03:16,309 --> 00:03:12,400

people don't even want to step to it man

79

00:03:36,309 --> 00:03:34,000

you know what i'm saying you're like

80

00:03:38,229 --> 00:03:36,319

with jack filet and grant cameron and

81

00:03:40,550 --> 00:03:38,239

all these brothers man you know what i'm

82

00:03:41,589 --> 00:03:40,560

saying what's up

83

00:03:44,229 --> 00:03:41,599

um

84

00:03:47,670 --> 00:03:44,239

it's it's an honor to have you chase

85

00:03:49,270 --> 00:03:47,680

i work with um kind of grew up with

86

00:03:51,270 --> 00:03:49,280

those are the homies that's what i'm

87

00:03:53,190 --> 00:03:51,280

saying man you guys are standing around

88

00:03:54,869 --> 00:03:53,200

that 50 gallon drum you guys got a

89

00:03:57,030 --> 00:03:54,879

bottle of wine you know it's a little

90

00:03:59,270 --> 00:03:57,040

[h__h] yo pass that over here man let me

91

00:04:00,789 --> 00:03:59,280

have some jacques give me a nip on that

92

00:04:03,670 --> 00:04:00,799

business right there

93

00:04:07,190 --> 00:04:05,270

anyway it's enough

94

00:04:08,869 --> 00:04:07,200

he prefers bourbon

95

00:04:10,949 --> 00:04:08,879

i'm a bourbon guy too so that's good to

96

00:04:12,710 --> 00:04:10,959

hear no i like it you guys got way too

97

00:04:14,949 --> 00:04:12,720

much class for me and deb man that's all

98

00:04:16,949 --> 00:04:14,959

i got no nathan drank beer though in the

99

00:04:19,349 --> 00:04:16,959

uk

100

00:04:21,349 --> 00:04:19,359

confirmed yep

101

00:04:23,670 --> 00:04:21,359

all right well um it's awesome to have

102

00:04:25,749 --> 00:04:23,680

you i'm gonna let uh the co-conspirator

103

00:04:29,590 --> 00:04:25,759

of the joint you know who that is

104

00:04:31,110 --> 00:04:29,600

that is my man who we call him money

105

00:04:33,189 --> 00:04:31,120

money nathan

106

00:04:35,909 --> 00:04:33,199

thank you dj so yes chase great to have

107

00:04:37,830 --> 00:04:35,919

you with us and uh i just wanted to say

108

00:04:39,670 --> 00:04:37,840

how much i was i'm grateful for what

109

00:04:41,749 --> 00:04:39,680

you've done on the feet in the field you

110

00:04:43,030 --> 00:04:41,759

know we're really new to the scene and i

111

00:04:45,350 --> 00:04:43,040

know you've you know seen a little bit

112

00:04:47,350 --> 00:04:45,360

of our show and we enjoy you know

113

00:04:49,590 --> 00:04:47,360

everything about this community we try

114

00:04:51,270 --> 00:04:49,600

our best to be positive and and to

115

00:04:52,790 --> 00:04:51,280

really kind of build up the voices that

116

00:04:54,950 --> 00:04:52,800

are in this community

117

00:04:57,510 --> 00:04:54,960

you've been around this topic a very

118

00:04:59,670 --> 00:04:57,520

long time you know you've seen it uh the

119

00:05:02,629 --> 00:04:59,680

the good and the bad right and i'm just

120

00:05:04,790 --> 00:05:02,639

kind of curious from your perspective

121

00:05:07,110 --> 00:05:04,800

right now absolutely the good the bad

122

00:05:09,189 --> 00:05:07,120

easy there but you know with that

123

00:05:11,909 --> 00:05:09,199

vantage point like how would you rate

124

00:05:13,270 --> 00:05:11,919

the current time in the ufo community

125

00:05:16,150 --> 00:05:13,280

you know do you think that this is a

126

00:05:17,430 --> 00:05:16,160

healthy time for this conversation um

127

00:05:22,870 --> 00:05:17,440

where have we been and where are we

128

00:05:28,230 --> 00:05:24,629

that is one of the best questions i've

129

00:05:34,230 --> 00:05:29,749

love that

130

00:05:38,629 --> 00:05:36,310

all of these new young people are

131

00:05:40,390 --> 00:05:38,639

getting involved i mean you know when i

132

00:05:42,550 --> 00:05:40,400

started out you know

133

00:05:44,310 --> 00:05:42,560

going to started with mufon it was it

134

00:05:47,189 --> 00:05:44,320

was like bingo night at the old folks

135

00:05:50,469 --> 00:05:47,199

home so i love all the new blood that's

136

00:05:52,870 --> 00:05:50,479

coming in however

137

00:05:54,150 --> 00:05:52,880

linda molten howe and i don't agree on

138

00:05:56,390 --> 00:05:54,160

everything

139

00:05:58,629 --> 00:05:56,400

but i never disrespect her i give her

140

00:06:01,350 --> 00:05:58,639

her props and we treat each other with

141

00:06:04,070 --> 00:06:01,360

respect richard dolan and i you know

142

00:06:06,790 --> 00:06:04,080

grant cameron uh like it

143

00:06:08,550 --> 00:06:06,800

go on and on and on but my point is

144

00:06:11,590 --> 00:06:08,560

today

145

00:06:13,830 --> 00:06:11,600

um people like to like really throw

146

00:06:15,830 --> 00:06:13,840

shade and actually get kind of mean and

147

00:06:18,469 --> 00:06:15,840

we've just never done that before so

148

00:06:20,870 --> 00:06:18,479

that's my only complaint of today

149

00:06:23,749 --> 00:06:20,880

you know and i don't agree on everything

150

00:06:25,189 --> 00:06:23,759

we don't so i mean that it's it's okay

151
00:06:26,230 --> 00:06:25,199
you don't have to agree on everything

152
00:06:28,070 --> 00:06:26,240
you just have to be able to have

153
00:06:30,309 --> 00:06:28,080
conversations well and i think i'm so

154
00:06:31,749 --> 00:06:30,319
glad that you brought that chase because

155
00:06:34,390 --> 00:06:31,759
you know i think it's incredibly

156
00:06:35,909 --> 00:06:34,400
important that we try to model

157
00:06:38,230 --> 00:06:35,919
civil behavior

158
00:06:41,110 --> 00:06:38,240
in our communities right because

159
00:06:43,270 --> 00:06:41,120
we we live in a time we all know it's

160
00:06:45,270 --> 00:06:43,280
there's a lot of kind of

161
00:06:47,510 --> 00:06:45,280
vitriol that is everyone's at the

162
00:06:48,790 --> 00:06:47,520
keyboard ready to fire away with their

163
00:06:51,430 --> 00:06:48,800

keys and their their you know their

164

00:06:53,830 --> 00:06:51,440

missiles there but i think if we model a

165

00:06:55,830 --> 00:06:53,840

respectful conversation we actually get

166

00:06:58,070 --> 00:06:55,840

further than if than if we just decide

167

00:07:00,070 --> 00:06:58,080

to throw jabs at each other and it's so

168

00:07:01,909 --> 00:07:00,080

great to hear that that with you and

169

00:07:04,230 --> 00:07:01,919

your colleagues these huge names in the

170

00:07:06,150 --> 00:07:04,240

field that that's what you guys have

171

00:07:06,950 --> 00:07:06,160

always tried to do i mean that's just

172

00:07:11,510 --> 00:07:06,960

really

173

00:07:17,510 --> 00:07:14,950

i know of no big risks um

174

00:07:19,189 --> 00:07:17,520

like uh can you imagine stanton freeman

175

00:07:22,390 --> 00:07:19,199

talking to richard dolan like some of

176

00:07:23,990 --> 00:07:22,400

these people do today it just didn't

177

00:07:26,309 --> 00:07:24,000

happen back then

178

00:07:28,870 --> 00:07:26,319

and i'm not sure if it wasn't because we

179

00:07:32,390 --> 00:07:28,880

didn't have all this social media i mean

180

00:07:35,270 --> 00:07:32,400

we we called each other we wrote snail

181

00:07:37,430 --> 00:07:35,280

mail and and thankful for email but we

182

00:07:39,749 --> 00:07:37,440

didn't have all this so i you know i'm

183

00:07:42,830 --> 00:07:39,759

grateful for it because i love ufo

184

00:07:45,350 --> 00:07:42,840

twitter i believe ufo twitter is a force

185

00:07:48,070 --> 00:07:45,360

multiplier um there's a lot of stuff

186

00:07:51,430 --> 00:07:48,080

that's getting done through ufo twitter

187

00:07:52,790 --> 00:07:51,440

hashtag ufo twitter and um i i just love

188

00:07:55,510 --> 00:07:52,800

it that's where i kind of hang out most

189

00:07:57,830 --> 00:07:55,520

my time so um i'm just really grateful

190

00:08:02,230 --> 00:07:57,840

for the socials on that end but for the

191

00:08:07,270 --> 00:08:04,309

hey chase d do you think like if for

192

00:08:09,670 --> 00:08:07,280

example uh you know uh joe mergia knew

193

00:08:11,990 --> 00:08:09,680

that stan friedman ate pineapple on his

194

00:08:13,830 --> 00:08:12,000

pizza do you think that something at

195

00:08:15,909 --> 00:08:13,840

that level could have caused a rift

196

00:08:21,029 --> 00:08:15,919

between those two because joe murga gets

197

00:08:25,029 --> 00:08:22,790

oh i don't think she heard me or that's

198

00:08:30,309 --> 00:08:25,039

your

199

00:08:39,029 --> 00:08:33,509

okay okay you guys know i love joe and

200

00:08:43,509 --> 00:08:40,870

there's a little bit of a delay so

201
00:08:45,509 --> 00:08:43,519
between when we speak and when uh chase

202
00:08:47,350 --> 00:08:45,519
hears us it's almost like she's up in

203
00:08:48,310 --> 00:08:47,360
that tower in kuala lumpur right now i'm

204
00:08:49,990 --> 00:08:48,320
not sure

205
00:08:52,230 --> 00:08:50,000
but uh anyway

206
00:08:54,230 --> 00:08:52,240
we'll get on with the serious questions

207
00:08:55,590 --> 00:08:54,240
uh nathan do you want me to start off or

208
00:08:58,230 --> 00:08:55,600
do you want to uh do you want to

209
00:09:00,630 --> 00:08:58,240
continue oh i think she wants to jump in

210
00:09:03,030 --> 00:09:00,640
oh please yes ma'am

211
00:09:05,509 --> 00:09:03,040
yeah excellent well i also live in the

212
00:09:06,630 --> 00:09:05,519
mountains i'm a mountain guy so i really

213
00:09:07,670 --> 00:09:06,640

appreciate it

214

00:09:09,350 --> 00:09:07,680

guys

215

00:09:12,550 --> 00:09:09,360

okay excellent all right let's get going

216

00:09:14,230 --> 00:09:12,560

then so uh so chase i wanted to

217

00:09:15,590 --> 00:09:14,240

i wanted to ask you you did you just

218

00:09:17,509 --> 00:09:15,600

mentioned that you spend a lot of time

219

00:09:19,190 --> 00:09:17,519

on ufo twitter thinking about the topic

220

00:09:21,350 --> 00:09:19,200

and really kind of getting into it all

221

00:09:23,350 --> 00:09:21,360

of us i think do the same we think about

222

00:09:25,829 --> 00:09:23,360

this day and night you know for someone

223

00:09:27,590 --> 00:09:25,839

who's been doing that for so long

224

00:09:28,550 --> 00:09:27,600

do you ever find yourself in times where

225

00:09:30,630 --> 00:09:28,560

it's just

226

00:09:32,470 --> 00:09:30,640

you kind of like feel fatigue like ufo

227

00:09:34,070 --> 00:09:32,480

fatigue and how do you kind of break

228

00:09:36,710 --> 00:09:34,080

through from that

229

00:09:41,670 --> 00:09:36,720

sort of malaise if you ever encounter

230

00:09:48,829 --> 00:09:43,910

i i don't i don't i've never suffered

231

00:09:50,870 --> 00:09:48,839

ufo fatigue what i do suffer from is

232

00:09:53,910 --> 00:09:50,880

drama buff

233

00:09:55,590 --> 00:09:53,920

fatigue and i separate myself from that

234

00:09:58,870 --> 00:09:55,600

every single time i just don't have time

235

00:10:01,269 --> 00:09:58,880

for it um and i kind of work on my own

236

00:10:03,910 --> 00:10:01,279

most of it so

237

00:10:06,389 --> 00:10:03,920

you know i kind of that's never had ufo

238

00:10:09,030 --> 00:10:06,399

fatigue i've had people fatigue

239

00:10:13,190 --> 00:10:09,040

yes okay good

240

00:10:13,990 --> 00:10:13,200

i'm with that i am with that 100 um

241

00:10:15,110 --> 00:10:14,000

uh

242

00:10:18,069 --> 00:10:15,120

so

243

00:10:21,030 --> 00:10:18,079

this uh i i listened to uh one of your

244

00:10:24,310 --> 00:10:21,040

uh one of your interviews chase and

245

00:10:25,990 --> 00:10:24,320

it blew me away about your sighting in

246

00:10:27,350 --> 00:10:26,000

the corn field

247

00:10:29,990 --> 00:10:27,360

and

248

00:10:32,470 --> 00:10:30,000

a lot of people will ask especially like

249

00:10:33,990 --> 00:10:32,480

the mw's of the world will ask

250

00:10:36,069 --> 00:10:34,000

well how come you know there's no

251
00:10:37,350 --> 00:10:36,079
everybody's got a 4k camera how come it

252
00:10:39,110 --> 00:10:37,360
didn't work

253
00:10:40,790 --> 00:10:39,120
how come people aren't taking photos and

254
00:10:44,389 --> 00:10:40,800
then i learned from listening to your

255
00:10:47,030 --> 00:10:44,399
interview with andy is that you had four

256
00:10:50,069 --> 00:10:47,040
cameras which i'm certain a person that

257
00:10:51,670 --> 00:10:50,079
is as as detail-oriented as yourself had

258
00:10:54,069 --> 00:10:51,680
previously checked the batteries on

259
00:10:56,230 --> 00:10:54,079
those and none of them worked

260
00:10:57,750 --> 00:10:56,240
and then you saw

261
00:11:01,190 --> 00:10:57,760
three lights

262
00:11:03,110 --> 00:11:01,200
a triangle

263
00:11:05,910 --> 00:11:03,120

and i was wondering

264

00:11:07,509 --> 00:11:05,920

if you can transport yourself and

265

00:11:09,590 --> 00:11:07,519

therefore us

266

00:11:11,030 --> 00:11:09,600

back to that moment when that comes into

267

00:11:11,990 --> 00:11:11,040

view because three lights or three

268

00:11:14,150 --> 00:11:12,000

lights

269

00:11:18,790 --> 00:11:14,160

and a black triangle is a little bit of

270

00:11:24,630 --> 00:11:21,269

you're absolutely right um

271

00:11:27,030 --> 00:11:24,640

i was so shocked to see this and um i'll

272

00:11:28,870 --> 00:11:27,040

explain later about the cameras but

273

00:11:31,750 --> 00:11:28,880

you know the witness is so excited

274

00:11:34,949 --> 00:11:31,760

because i actually had a date to go out

275

00:11:38,470 --> 00:11:34,959

and um you know do an interview and an

276

00:11:39,990 --> 00:11:38,480

investigation a couple days later but he

277

00:11:42,630 --> 00:11:40,000

called and he's like you got to come now

278

00:11:44,949 --> 00:11:42,640

so i did and me and another star team

279

00:11:47,190 --> 00:11:44,959

investigator went out there and

280

00:11:48,550 --> 00:11:47,200

when we saw the lights he's he's

281

00:11:50,550 --> 00:11:48,560

literally

282

00:11:52,790 --> 00:11:50,560

so excited and the reason for that is

283

00:11:55,190 --> 00:11:52,800

guys because he's not crazy

284

00:11:57,590 --> 00:11:55,200

i'm seeing it the other investigators

285

00:11:59,350 --> 00:11:57,600

seeing it and so i see

286

00:12:01,670 --> 00:11:59,360

this light i sure enough i look over and

287

00:12:02,389 --> 00:12:01,680

this it's coming and then two more pop

288

00:12:04,470 --> 00:12:02,399

in

289

00:12:06,230 --> 00:12:04,480

and it took just like a couple seconds

290

00:12:08,629 --> 00:12:06,240

and all of a sudden i realized

291

00:12:11,110 --> 00:12:08,639

this is a freaking triangle i mean it's

292

00:12:13,670 --> 00:12:11,120

starting to black out stars i mean this

293

00:12:14,870 --> 00:12:13,680

thing you can see is connected and i'm

294

00:12:16,069 --> 00:12:14,880

just blown away and of course i'm

295

00:12:17,590 --> 00:12:16,079

reaching down i'm looking for my

296

00:12:19,509 --> 00:12:17,600

tri-film meter because the first thing i

297

00:12:21,190 --> 00:12:19,519

wanted to do was to see if there was any

298

00:12:23,590 --> 00:12:21,200

readings off of that that i could

299

00:12:25,990 --> 00:12:23,600

photograph so i had a camera i had my

300

00:12:28,230 --> 00:12:26,000

trifield down and nothing was working i

301
00:12:30,230 --> 00:12:28,240
was so frustrated you guys i guarantee

302
00:12:32,310 --> 00:12:30,240
you i said dropped an f-bomb and you're

303
00:12:35,670 --> 00:12:32,320
like i can't believe it's like i was

304
00:12:37,750 --> 00:12:35,680
just so frustrated it's right there

305
00:12:39,350 --> 00:12:37,760
my whole career it's right freaking

306
00:12:43,670 --> 00:12:39,360
there

307
00:12:49,269 --> 00:12:46,790
we believe you nonetheless so um

308
00:12:53,030 --> 00:12:49,279
uh we'd like to bring in our researcher

309
00:12:56,790 --> 00:12:53,040
now deb deb is a host of deb's data dojo

310
00:12:59,030 --> 00:12:56,800
and an amazing interviewer herself

311
00:13:01,829 --> 00:12:59,040
well okay so i would really like to talk

312
00:13:04,550 --> 00:13:01,839
about some of the history of ufology for

313
00:13:07,829 --> 00:13:04,560

a moment since you have been around for

314

00:13:09,110 --> 00:13:07,839

some time i have run into some things

315

00:13:12,550 --> 00:13:09,120

that i don't think other people are

316

00:13:15,030 --> 00:13:12,560

aware of like operation right to know

317

00:13:17,110 --> 00:13:15,040

the fund for ufo research i was

318

00:13:19,190 --> 00:13:17,120

wondering if you were involved in any of

319

00:13:21,030 --> 00:13:19,200

those or just wanted to give some input

320

00:13:23,509 --> 00:13:21,040

for people about some of that history

321

00:13:25,750 --> 00:13:23,519

because i think people are missing a lot

322

00:13:30,069 --> 00:13:25,760

of stuff that has been done before by

323

00:13:35,990 --> 00:13:32,870

yeah and um i'm missing her name right

324

00:13:38,949 --> 00:13:36,000

now um but she did uh free right to know

325

00:13:41,110 --> 00:13:38,959

they marched right on dvdc they had nice

326

00:13:43,189 --> 00:13:41,120

picket lines it was oh my gosh she

327

00:13:44,310 --> 00:13:43,199

passed away a long time like a few years

328

00:13:45,670 --> 00:13:44,320

ago and

329

00:13:50,470 --> 00:13:45,680

i

330

00:13:52,150 --> 00:13:50,480

come to me

331

00:13:53,350 --> 00:13:52,160

eventually but

332

00:13:55,430 --> 00:13:53,360

but

333

00:13:56,949 --> 00:13:55,440

um yeah i wasn't part of those groups at

334

00:13:58,310 --> 00:13:56,959

that time because

335

00:14:00,629 --> 00:13:58,320

because

336

00:14:03,590 --> 00:14:00,639

you know i was a mom at that kid at that

337

00:14:07,269 --> 00:14:03,600

time so a lot of my work was local or

338

00:14:09,990 --> 00:14:07,279

interest like part of that stuff um like

339

00:14:12,150 --> 00:14:10,000

right there in dc so

340

00:14:14,069 --> 00:14:12,160

what we're doing today isn't all that

341

00:14:15,910 --> 00:14:14,079

new and thank you for bringing that up

342

00:14:17,269 --> 00:14:15,920

and i'm really horrified that i can't

343

00:14:20,310 --> 00:14:17,279

remember her name because she was

344

00:14:22,389 --> 00:14:20,320

wonderful oh my god

345

00:14:25,030 --> 00:14:22,399

i'll go find it while we're while we're

346

00:14:29,350 --> 00:14:25,040

chatting because i i did research on her

347

00:14:34,310 --> 00:14:31,829

yeah and she's in she's from utah she

348

00:14:39,430 --> 00:14:34,320

was the state director for mufon for

349

00:14:43,509 --> 00:14:41,590

and i was going to say man though

350

00:14:47,509 --> 00:14:43,519

speaking of utah they've had the same

351

00:14:50,629 --> 00:14:47,519

issues uh what dr taylor talks about or

352

00:14:52,870 --> 00:14:50,639

uh the same uh situations with batteries

353

00:14:55,750 --> 00:14:52,880

that you were dealing with uh on site

354

00:14:57,030 --> 00:14:55,760

there in uh where where were you with

355

00:14:59,910 --> 00:14:57,040

the cornfield i'm sorry if i don't

356

00:15:03,030 --> 00:15:01,509

let's see if she hears me

357

00:15:04,870 --> 00:15:03,040

it's a little bitter that's all i can

358

00:15:08,870 --> 00:15:04,880

say because the witness

359

00:15:17,189 --> 00:15:10,550

good enough no need to

360

00:15:21,829 --> 00:15:21,110

yep that's it oh sorry elaine sorry lady

361

00:15:23,590 --> 00:15:21,839

no

362

00:15:28,870 --> 00:15:23,600

that's okay

363

00:15:35,670 --> 00:15:31,430

she's graduate of mit like she she was

364

00:15:37,110 --> 00:15:35,680

brilliant she was ahead of her time

365

00:15:40,310 --> 00:15:37,120

yeah i don't think i get a job at the

366

00:15:42,790 --> 00:15:40,320

cafeteria at mit honestly but uh but i i

367

00:15:44,310 --> 00:15:42,800

salute anybody who who can graduate from

368

00:15:45,269 --> 00:15:44,320

that institution

369

00:15:47,749 --> 00:15:45,279

uh

370

00:15:49,670 --> 00:15:47,759

nathan oh deb has a follow-up i'm sorry

371

00:15:51,590 --> 00:15:49,680

please go ahead man yeah i just i wanted

372

00:15:54,069 --> 00:15:51,600

to comment that for those who don't know

373

00:15:56,389 --> 00:15:54,079

that some of those people are still

374

00:15:58,870 --> 00:15:56,399

around like just like chase they're

375

00:16:00,710 --> 00:15:58,880

still on twitter they're still you know

376

00:16:01,749 --> 00:16:00,720

they're using the title operation right

377

00:16:03,749 --> 00:16:01,759

to know

378

00:16:06,470 --> 00:16:03,759

um a lot of people who came out of some

379

00:16:09,189 --> 00:16:06,480

of those groups are really um noticeable

380

00:16:11,829 --> 00:16:09,199

names like foofor had a lot of really

381

00:16:13,590 --> 00:16:11,839

significant people in it i'm so proud

382

00:16:17,110 --> 00:16:13,600

because i think maryland was a part of

383

00:16:24,629 --> 00:16:18,629

you know what nathan up her share of the

384

00:16:27,990 --> 00:16:25,829

yeah i

385

00:16:29,910 --> 00:16:28,000

i had a question hold on what was it um

386

00:16:32,230 --> 00:16:29,920

yes so chase i really wanted to know

387

00:16:34,629 --> 00:16:32,240

this like i know mufon is still active

388

00:16:36,389 --> 00:16:34,639

and it's got chapters everywhere

389

00:16:38,470 --> 00:16:36,399

a lot of the folks that we traffic with

390

00:16:40,230 --> 00:16:38,480

are really just engaged in this topic

391

00:16:41,829 --> 00:16:40,240

from a kind of a

392

00:16:44,230 --> 00:16:41,839

digital level you know through the

393

00:16:45,670 --> 00:16:44,240

keyboard through hopefully engagement

394

00:16:47,189 --> 00:16:45,680

with our representatives if we're in the

395

00:16:48,389 --> 00:16:47,199

united states or you know we're just

396

00:16:49,990 --> 00:16:48,399

trying to get the word out with people

397

00:16:52,389 --> 00:16:50,000

that we know but if someone wanted to

398

00:16:54,470 --> 00:16:52,399

get a to be a part of mufon and and

399

00:16:56,389 --> 00:16:54,480

become an investigator or support

400

00:16:58,550 --> 00:16:56,399

investigations that happen

401
00:16:59,990 --> 00:16:58,560
in their region of the united states or

402
00:17:02,150 --> 00:17:00,000
wherever they happen to be

403
00:17:03,189 --> 00:17:02,160
how do you even get started doing that

404
00:17:04,630 --> 00:17:03,199
and that is that something that you

405
00:17:10,390 --> 00:17:04,640
would recommend if people have that kind

406
00:17:14,870 --> 00:17:12,710
if you're new

407
00:17:16,549 --> 00:17:14,880
because they do have a great program

408
00:17:18,390 --> 00:17:16,559
it's how i started getting my

409
00:17:20,470 --> 00:17:18,400
investigation skills and then i wanted

410
00:17:23,189 --> 00:17:20,480
more so i went to

411
00:17:25,350 --> 00:17:23,199
uh pi training and then i wanted more

412
00:17:27,270 --> 00:17:25,360
because i thought you know the

413
00:17:29,830 --> 00:17:27,280

gathering these reports

414

00:17:31,750 --> 00:17:29,840

is very very important but what we need

415

00:17:33,590 --> 00:17:31,760

is evidence so

416

00:17:35,830 --> 00:17:33,600

to have evidence that was going to be

417

00:17:37,750 --> 00:17:35,840

admissible i had to know how to do it

418

00:17:38,870 --> 00:17:37,760

right so i went to school

419

00:17:48,310 --> 00:17:38,880

and

420

00:17:50,870 --> 00:17:48,320

um it's just really important so mufon's

421

00:17:52,630 --> 00:17:50,880

great if you're new or if you know

422

00:17:56,470 --> 00:17:52,640

you're just not

423

00:17:58,630 --> 00:17:56,480

that ambitious to you know go to peru or

424

00:18:01,029 --> 00:17:58,640

to go to bolivia which i've been like i

425

00:18:03,990 --> 00:18:01,039

don't know how many times or australia

426

00:18:05,510 --> 00:18:04,000

or mexico so um because it is

427

00:18:08,070 --> 00:18:05,520

territorial

428

00:18:10,870 --> 00:18:08,080

so we have people in texas they take

429

00:18:13,190 --> 00:18:10,880

care of texas if someone called me from

430

00:18:15,669 --> 00:18:13,200

texas and i was in mufon i wouldn't be

431

00:18:18,950 --> 00:18:15,679

able to do that being independent i

432

00:18:20,470 --> 00:18:18,960

could pretty much go where i want boys

433

00:18:23,110 --> 00:18:20,480

[Laughter]

434

00:18:25,110 --> 00:18:23,120

nice sorry that was evil laugh

435

00:18:27,029 --> 00:18:25,120

um so what you're saying is that people

436

00:18:28,390 --> 00:18:27,039

should actually go out and if they're

437

00:18:30,789 --> 00:18:28,400

interested and they think they can

438

00:18:33,029 --> 00:18:30,799

contribute knowledge in an aspect of the

439

00:18:34,789 --> 00:18:33,039

phenomenon actually get some training

440

00:18:36,310 --> 00:18:34,799

and certification

441

00:18:38,150 --> 00:18:36,320

rather than kind of like just be an

442

00:18:40,950 --> 00:18:38,160

expert on twitter just because they said

443

00:18:45,270 --> 00:18:42,310

because that's been working very well

444

00:18:46,549 --> 00:18:45,280

for a lot of people by the way

445

00:18:52,549 --> 00:18:46,559

right

446

00:18:56,070 --> 00:18:53,990

no um

447

00:19:00,630 --> 00:18:56,080

you know and i just i just wanted to

448

00:19:05,350 --> 00:19:04,150

you'll be out there and

449

00:19:07,990 --> 00:19:05,360

[Music]

450

00:19:10,470 --> 00:19:08,000

it's hearing for disclosure that was led

451
00:19:13,110 --> 00:19:10,480
at that time by steve bassett um the

452
00:19:14,230 --> 00:19:13,120
second one after

453
00:19:15,430 --> 00:19:14,240
greer

454
00:19:17,830 --> 00:19:15,440
um

455
00:19:20,549 --> 00:19:17,840
you know that i realized sitting there

456
00:19:23,190 --> 00:19:20,559
you have six

457
00:19:25,430 --> 00:19:23,200
politicians powerful politicians that

458
00:19:29,190 --> 00:19:25,440
are listed

459
00:19:31,510 --> 00:19:29,200
by wednesday their files so in if just

460
00:19:33,270 --> 00:19:31,520
two days of testimony convince these

461
00:19:37,990 --> 00:19:33,280
people we were onto something and this

462
00:19:40,150 --> 00:19:38,000
is not some quack out you know phenomena

463
00:19:43,029 --> 00:19:40,160

and we're not all wearing tin foil hats

464

00:19:44,630 --> 00:19:43,039

and crystals um

465

00:19:47,909 --> 00:19:44,640

i just knew that that was a direction to

466

00:19:49,430 --> 00:19:47,919

go and that's when i decided evidence

467

00:19:50,950 --> 00:19:49,440

evidence

468

00:19:54,150 --> 00:19:50,960

collection if it's going to be

469

00:19:56,470 --> 00:19:54,160

admissible it has to pass

470

00:19:59,270 --> 00:19:56,480

the same standards as a court court of

471

00:20:02,710 --> 00:19:59,280

law if this will slam you if it's not

472

00:20:04,149 --> 00:20:02,720

done correctly so um

473

00:20:07,510 --> 00:20:04,159

that's just where it all went and then i

474

00:20:10,549 --> 00:20:07,520

became a lobbyist

475

00:20:13,190 --> 00:20:10,559

deb has another question for you so uh

476

00:20:15,590 --> 00:20:13,200

you know deb fire away my friend okay so

477

00:20:19,029 --> 00:20:15,600

you said evidence evidence and i love

478

00:20:21,350 --> 00:20:19,039

evidence i am a big fan um

479

00:20:24,630 --> 00:20:21,360

i would like to know what you think is

480

00:20:26,549 --> 00:20:24,640

the most solid evidence that we have

481

00:20:28,630 --> 00:20:26,559

i know obviously you're referring to the

482

00:20:30,149 --> 00:20:28,640

um citizen hearing

483

00:20:32,549 --> 00:20:30,159

that would have been like the witness

484

00:20:34,630 --> 00:20:32,559

testimony but besides that what do you

485

00:20:36,230 --> 00:20:34,640

think is really going to help our case

486

00:20:41,909 --> 00:20:36,240

in this because we need some really good

487

00:20:46,470 --> 00:20:43,750

exactly and i'm not i don't

488

00:20:48,470 --> 00:20:46,480

know of any other than the dod is in

489

00:20:50,950 --> 00:20:48,480

possession and some other

490

00:20:54,310 --> 00:20:50,960

um like honeywell and you know some of

491

00:20:55,909 --> 00:20:54,320

the other contractors um that that's

492

00:21:00,310 --> 00:20:55,919

where the secrets are kept it's not in

493

00:21:02,950 --> 00:21:00,320

dc it's with the contractors and um

494

00:21:03,830 --> 00:21:02,960

if i had to say i honestly

495

00:21:08,070 --> 00:21:03,840

it's

496

00:21:10,070 --> 00:21:08,080

if you can work a witnesses case

497

00:21:12,710 --> 00:21:10,080

that they call you you take their

498

00:21:14,950 --> 00:21:12,720

testimony you do it right you document

499

00:21:17,830 --> 00:21:14,960

it right it's you know sealed it's

500

00:21:19,669 --> 00:21:17,840

you've got a stamp on it and you go out

501
00:21:21,830 --> 00:21:19,679
and you photograph and you do everything

502
00:21:23,430 --> 00:21:21,840
you can and um

503
00:21:25,990 --> 00:21:23,440
unfortunately

504
00:21:29,750 --> 00:21:26,000
99 of the time we're

505
00:21:32,870 --> 00:21:29,760
there after the fact so when we get sent

506
00:21:34,390 --> 00:21:32,880
evidence i can tell you um

507
00:21:38,070 --> 00:21:34,400
i've had a piece of metal that's in the

508
00:21:39,990 --> 00:21:38,080
middle of being analyzed now um i had an

509
00:21:42,310 --> 00:21:40,000
implant

510
00:21:44,230 --> 00:21:42,320
from a veteran um he was a vietnam

511
00:21:45,990 --> 00:21:44,240
veteran they had this thing in his hand

512
00:21:47,270 --> 00:21:46,000
and he was at the va and he just said

513
00:21:48,630 --> 00:21:47,280

hey doc is there any way you could just

514

00:21:50,710 --> 00:21:48,640

take this out

515

00:21:52,390 --> 00:21:50,720

doc says okay

516

00:21:53,990 --> 00:21:52,400

so they take it

517

00:21:55,430 --> 00:21:54,000

out he says wow

518

00:21:57,669 --> 00:21:55,440

oh this is

519

00:22:01,029 --> 00:21:57,679

really a weird metal i don't understand

520

00:22:03,029 --> 00:22:01,039

how it got there because there's no scar

521

00:22:04,789 --> 00:22:03,039

that showed it went in

522

00:22:07,669 --> 00:22:04,799

so anyway

523

00:22:09,350 --> 00:22:07,679

way he said can i keep that and so he

524

00:22:11,430 --> 00:22:09,360

puts it the doctor says

525

00:22:14,549 --> 00:22:11,440

oh yeah puts it in like a little pill

526
00:22:17,190 --> 00:22:14,559
bottle um container and gives it to them

527
00:22:18,390 --> 00:22:17,200
well i end up getting a call and

528
00:22:21,029 --> 00:22:18,400
audition

529
00:22:22,950 --> 00:22:21,039
called me after she received it about

530
00:22:25,190 --> 00:22:22,960
three hours later says i'm sending it

531
00:22:27,510 --> 00:22:25,200
back to you and don't send me anything

532
00:22:30,950 --> 00:22:27,520
else because

533
00:22:33,510 --> 00:22:30,960
when you put that implant down

534
00:22:34,870 --> 00:22:33,520
and you put a magnet near it

535
00:22:37,270 --> 00:22:34,880
it

536
00:22:39,669 --> 00:22:37,280
shot right to the magnet

537
00:22:42,149 --> 00:22:39,679
it's metal i'm not surprised the other

538
00:22:43,110 --> 00:22:42,159

end little fibers coming out like little

539

00:22:45,190 --> 00:22:43,120

wires

540

00:22:47,750 --> 00:22:45,200

true story

541

00:22:49,350 --> 00:22:47,760

wow that's that's amazing and the so

542

00:22:52,470 --> 00:22:49,360

once you get the analysis on that you'll

543

00:22:53,270 --> 00:22:52,480

kind of know if it's uh if that metal uh

544

00:22:56,470 --> 00:22:53,280

is

545

00:22:58,310 --> 00:22:56,480

um

546

00:22:59,669 --> 00:22:58,320

uh something that that we wouldn't have

547

00:23:02,310 --> 00:22:59,679

couldn't have created on earth

548

00:23:04,710 --> 00:23:02,320

particularly at at the time when uh when

549

00:23:07,270 --> 00:23:04,720

he he saw it in him does he know when

550

00:23:14,870 --> 00:23:07,280

when he's when he noticed it in his hand

551

00:23:19,190 --> 00:23:16,149

there's a little bit of a delay but

552

00:23:21,590 --> 00:23:19,200

she's no he just said um all of a sudden

553

00:23:25,590 --> 00:23:21,600

that he said i always have an interest

554

00:23:28,950 --> 00:23:28,149

but he um he doesn't remember exactly

555

00:23:30,870 --> 00:23:28,960

when

556

00:23:32,710 --> 00:23:30,880

you know he realized it was there but it

557

00:23:35,480 --> 00:23:32,720

had been decades like he was vietnam

558

00:23:39,110 --> 00:23:35,490

veteran and this was um 2009

559

00:23:43,029 --> 00:23:40,789

that's awesome uh i have a question but

560

00:23:45,510 --> 00:23:43,039

i i don't want to take i think this

561

00:23:47,510 --> 00:23:45,520

might be nathan's spot so i don't know

562

00:23:48,470 --> 00:23:47,520

well yeah let me jump in real quick uh

563

00:23:51,350 --> 00:23:48,480

we

564

00:23:52,470 --> 00:23:51,360

came out recently skin walkers at the

565

00:23:55,269 --> 00:23:52,480

pentagon

566

00:23:56,710 --> 00:23:55,279

and uh that book received some real

567

00:23:58,470 --> 00:23:56,720

mixed reaction

568

00:24:00,230 --> 00:23:58,480

uh from the community

569

00:24:02,549 --> 00:24:00,240

some folks were incredibly excited to

570

00:24:04,870 --> 00:24:02,559

see it because of course jim lakaski

571

00:24:07,269 --> 00:24:04,880

stepped out from the shadows and put his

572

00:24:10,070 --> 00:24:07,279

name on the book and that lended it a

573

00:24:11,830 --> 00:24:10,080

lot of credibility others i think looked

574

00:24:15,190 --> 00:24:11,840

at some of the stories and anecdotes

575

00:24:16,870 --> 00:24:15,200

from from the time during osap and you

576
00:24:18,950 --> 00:24:16,880
know really just had a hard time dealing

577
00:24:20,390 --> 00:24:18,960
with some of the strangeness that was

578
00:24:22,710 --> 00:24:20,400
recounted

579
00:24:24,630 --> 00:24:22,720
during the the time at skinwalker ranch

580
00:24:26,710 --> 00:24:24,640
and the other investigations that asap

581
00:24:29,830 --> 00:24:26,720
was doing it was revealed in that book

582
00:24:31,990 --> 00:24:29,840
as well that that mufon has a database

583
00:24:34,549 --> 00:24:32,000
you know database of information and

584
00:24:36,789 --> 00:24:34,559
that and that asap was kind of like

585
00:24:38,789 --> 00:24:36,799
working with mufon had some kind of

586
00:24:41,510 --> 00:24:38,799
contractual relationship with mufon to

587
00:24:44,149 --> 00:24:41,520
use or or access or

588
00:24:45,990 --> 00:24:44,159

uh leverage in some way that database of

589

00:24:48,230 --> 00:24:46,000

information are you familiar with that

590

00:24:50,230 --> 00:24:48,240

and what was your take on the book um

591

00:24:52,789 --> 00:24:50,240

are you glad to see it that it come out

592

00:25:03,190 --> 00:24:52,799

like what's your reaction to that entire

593

00:25:07,430 --> 00:25:04,630

again folks there's a little bit of a

594

00:25:09,350 --> 00:25:07,440

delay chase is frozen at the moment i'm

595

00:25:11,590 --> 00:25:09,360

sure in real life she's actually not

596

00:25:12,710 --> 00:25:11,600

frozen but on screen she's frozen

597

00:25:15,190 --> 00:25:12,720

um

598

00:25:18,230 --> 00:25:15,200

so hopefully she's gonna come back if

599

00:25:21,110 --> 00:25:18,240

not chase if you can hear us you may

600

00:25:23,430 --> 00:25:21,120

want to uh leave the studio and then

601
00:25:25,029 --> 00:25:23,440
just come back and we'll try to reset

602
00:25:27,110 --> 00:25:25,039
that way man

603
00:25:29,269 --> 00:25:27,120
uh but yeah that's an interesting point

604
00:25:30,470 --> 00:25:29,279
there as you say

605
00:25:31,590 --> 00:25:30,480
nathan

606
00:25:33,830 --> 00:25:31,600
um

607
00:25:35,830 --> 00:25:33,840
you know lakatsky coming out which

608
00:25:36,950 --> 00:25:35,840
actually ironically

609
00:25:39,669 --> 00:25:36,960
um

610
00:25:42,310 --> 00:25:39,679
somehow harvested credibility away from

611
00:25:45,110 --> 00:25:42,320
lou because people said lakatsky's the

612
00:25:47,190 --> 00:25:45,120
guy lose nothing he had no budget he

613
00:25:49,350 --> 00:25:47,200

wasn't real he was not legitimate it was

614

00:25:51,510 --> 00:25:49,360

lycatsky all along and the 22 million

615

00:25:54,310 --> 00:25:51,520

dollars was all his

616

00:25:55,750 --> 00:25:54,320

and so it's just like okay well then all

617

00:25:57,430 --> 00:25:55,760

these people that said they went to the

618

00:25:59,269 --> 00:25:57,440

pentagon and interviewed with him

619

00:26:01,830 --> 00:25:59,279

they're lying

620

00:26:03,350 --> 00:26:01,840

yeah it uh you know

621

00:26:05,269 --> 00:26:03,360

i think what's frustrating sure what's

622

00:26:07,350 --> 00:26:05,279

frustrating for liquesky and

623

00:26:08,549 --> 00:26:07,360

and george knapp and colin kelleher on

624

00:26:10,149 --> 00:26:08,559

that is that you know they really

625

00:26:12,230 --> 00:26:10,159

thought that that would help kind of

626

00:26:14,149 --> 00:26:12,240

clear up the picture and it sure for

627

00:26:16,149 --> 00:26:14,159

many people actually made it more

628

00:26:17,590 --> 00:26:16,159

confusing and you know i think there are

629

00:26:19,750 --> 00:26:17,600

probably good reasons for some of that

630

00:26:22,470 --> 00:26:19,760

confusion some that are

631

00:26:24,070 --> 00:26:22,480

easier to articulate than others for

632

00:26:27,029 --> 00:26:24,080

certain you know reasons that can't

633

00:26:29,190 --> 00:26:27,039

really be stated at the moment

634

00:26:31,350 --> 00:26:29,200

and you know as i as i know that the

635

00:26:33,350 --> 00:26:31,360

government works in some ways that

636

00:26:35,510 --> 00:26:33,360

aren't necessarily as uh

637

00:26:38,470 --> 00:26:35,520

you know clean lined as people might

638

00:26:40,390 --> 00:26:38,480

imagine it to be you know so

639

00:26:43,029 --> 00:26:40,400

it's not that surprising in other words

640

00:26:45,350 --> 00:26:43,039

that it may have been a little bit murky

641

00:26:47,350 --> 00:26:45,360

and if somebody's agenda if someone i'm

642

00:26:49,990 --> 00:26:47,360

sorry but i mean sub if if someone's

643

00:26:51,590 --> 00:26:50,000

agenda was to discredit lou then this

644

00:26:54,310 --> 00:26:51,600

was the opportunity they were looking

645

00:26:56,870 --> 00:26:54,320

for and you saw them jump all over that

646

00:26:59,110 --> 00:26:56,880

as soon as it as soon as that came out

647

00:27:01,190 --> 00:26:59,120

uh and starting asserting what budgets

648

00:27:03,669 --> 00:27:01,200

are and they don't even know how those

649

00:27:05,430 --> 00:27:03,679

budgets are applied and and what how

650

00:27:08,630 --> 00:27:05,440

they might be parsed out and whether or

651
00:27:11,269 --> 00:27:08,640
not perhaps lou's program was budgeted

652
00:27:12,630 --> 00:27:11,279
under under uh offsapp so there's a lot

653
00:27:14,789 --> 00:27:12,640
of questions we didn't even get to that

654
00:27:17,750 --> 00:27:14,799
with lou but uh hell we can freaking

655
00:27:20,389 --> 00:27:17,760
call him now and ask him

656
00:27:22,630 --> 00:27:20,399
well i guess my perspective on it is

657
00:27:25,430 --> 00:27:22,640
george knapp who was one of the authors

658
00:27:27,269 --> 00:27:25,440
of that book really wants people to

659
00:27:29,110 --> 00:27:27,279
recognize the other part of the

660
00:27:31,430 --> 00:27:29,120
phenomenon

661
00:27:33,510 --> 00:27:31,440
if he goes beyond the ufos

662
00:27:35,510 --> 00:27:33,520
and he is really encouraging people to

663
00:27:37,269 --> 00:27:35,520

663 speak on that and that includes the

664

00:27:39,269 --> 00:27:37,279

hitchhiker effect

665

00:27:40,630 --> 00:27:39,279

and some of the other paranormal

666

00:27:43,110 --> 00:27:40,640

experiences

667

00:27:45,750 --> 00:27:43,120

and he is discouraged that people aren't

668

00:27:47,269 --> 00:27:45,760

focusing on that and the military wasn't

669

00:27:48,789 --> 00:27:47,279

focused on that because they have a

670

00:27:51,269 --> 00:27:48,799

different mission

671

00:27:54,470 --> 00:27:51,279

um right it's not national security

672

00:27:56,950 --> 00:27:54,480

right exactly so like he he's i think

673

00:27:59,510 --> 00:27:56,960

the main person going out come on guys

674

00:28:01,350 --> 00:27:59,520

pay attention to this and and it kind of

675

00:28:03,190 --> 00:28:01,360

conflicts with the other narrative

676
00:28:05,110 --> 00:28:03,200
that's going on unfortunately because

677
00:28:07,430 --> 00:28:05,120
the other narrative is we need to focus

678
00:28:09,510 --> 00:28:07,440
on national security we need to make

679
00:28:12,070 --> 00:28:09,520
sure our our air is

680
00:28:14,389 --> 00:28:12,080
safe for pilots you know and so on and

681
00:28:17,110 --> 00:28:14,399
so forth well can i say one thing when

682
00:28:20,149 --> 00:28:17,120
you have ryan graves out there that's

683
00:28:22,310 --> 00:28:20,159
attending aviation conferences and

684
00:28:24,070 --> 00:28:22,320
asserting exactly what you said don't

685
00:28:26,950 --> 00:28:24,080
you think that's going to get the ear of

686
00:28:29,029 --> 00:28:26,960
lawmakers and the dod

687
00:28:31,430 --> 00:28:29,039
uh as much as anything going on at

688
00:28:34,630 --> 00:28:31,440

skinwalker

689

00:28:37,510 --> 00:28:34,640

yeah definitely and if you guys are not

690

00:28:39,669 --> 00:28:37,520

aware of those watching um

691

00:28:42,630 --> 00:28:39,679

he is a part of

692

00:28:44,710 --> 00:28:42,640

narcaps efforts also narcap has been

693

00:28:45,990 --> 00:28:44,720

working on the faa part of this for a

694

00:28:47,830 --> 00:28:46,000

long time

695

00:28:51,750 --> 00:28:47,840

with ted rowe

696

00:28:54,950 --> 00:28:51,760

and um ryan graves has been working with

697

00:28:58,070 --> 00:28:54,960

that group as well as the i think it's a

698

00:29:00,310 --> 00:28:58,080

i a a is what it is yes yeah it's a na i

699

00:29:01,590 --> 00:29:00,320

believe it's an aviation safety uh

700

00:29:04,230 --> 00:29:01,600

organization

701
00:29:05,909 --> 00:29:04,240
i have to look them up again but yes yep

702
00:29:09,350 --> 00:29:05,919
right so i mean there is a lot of

703
00:29:11,430 --> 00:29:09,360
concern about the safety um the comment

704
00:29:13,430 --> 00:29:11,440
about the near misses

705
00:29:15,510 --> 00:29:13,440
you know there's also been comments that

706
00:29:17,830 --> 00:29:15,520
have been pushed under the rug about

707
00:29:20,149 --> 00:29:17,840
deaths that have happened you know i

708
00:29:21,430 --> 00:29:20,159
can't i hope gary nolan will talk to us

709
00:29:22,549 --> 00:29:21,440
a little bit more about that in the

710
00:29:24,149 --> 00:29:22,559
future

711
00:29:26,070 --> 00:29:24,159
um because i think people need to be

712
00:29:29,990 --> 00:29:26,080
paying attention to some of the safety

713
00:29:34,230 --> 00:29:31,990

i mean to us deb to you myself and

714

00:29:35,590 --> 00:29:34,240

nathan you could sell any part of this

715

00:29:38,070 --> 00:29:35,600

phenomenon and we're going to be

716

00:29:40,549 --> 00:29:38,080

interested to want to investigate it

717

00:29:44,149 --> 00:29:40,559

right whether we were talking about uh

718

00:29:47,830 --> 00:29:44,159

paranormal at it out there at skinwalker

719

00:29:50,789 --> 00:29:47,840

or or ghosts or or actually ufos

720

00:29:52,789 --> 00:29:50,799

unidentified aerial uh phenomenon

721

00:29:53,510 --> 00:29:52,799

but for a lawmaker

722

00:29:58,389 --> 00:29:53,520

you

723

00:30:00,710 --> 00:29:58,399

going on in this ranch right now

724

00:30:03,190 --> 00:30:00,720

is worthy of dollar and cents even if to

725

00:30:05,110 --> 00:30:03,200

you myself and nathan this is important

726

00:30:08,070 --> 00:30:05,120

because this is connected

727

00:30:10,310 --> 00:30:08,080

but to a lawmaker who then has uh

728

00:30:12,630 --> 00:30:10,320

constituents that they have to argue to

729

00:30:15,269 --> 00:30:12,640

of why they're spending those dollars

730

00:30:18,470 --> 00:30:15,279

it's very difficult sell so i think i

731

00:30:19,510 --> 00:30:18,480

think it is as it should be at least in

732

00:30:21,830 --> 00:30:19,520

their

733

00:30:23,269 --> 00:30:21,840

how they have they're kind of forced to

734

00:30:25,350 --> 00:30:23,279

view the world and i'm not trying to

735

00:30:27,430 --> 00:30:25,360

play pollyanna with congress by any

736

00:30:29,390 --> 00:30:27,440

means they're you know as

737

00:30:31,110 --> 00:30:29,400

as dirty sometimes as they come

738

00:30:33,350 --> 00:30:31,120

[Laughter]

739

00:30:35,669 --> 00:30:33,360

yeah i think you're right it's uh it's

740

00:30:37,750 --> 00:30:35,679

really the conundrum that the topic

741

00:30:38,789 --> 00:30:37,760

presents it's that you know you can

742

00:30:42,230 --> 00:30:38,799

think of

743

00:30:44,950 --> 00:30:42,240

the standard on-ramp to getting it into

744

00:30:47,110 --> 00:30:44,960

inserting this into the larger public

745

00:30:49,430 --> 00:30:47,120

discourse and that's the you know it's a

746

00:30:51,110 --> 00:30:49,440

threat it's a nuts and bolts thing uh

747

00:30:52,549 --> 00:30:51,120

it's easy for the public to generally

748

00:30:53,510 --> 00:30:52,559

get their mind around the fact that they

749

00:30:55,430 --> 00:30:53,520

might be

750

00:30:57,430 --> 00:30:55,440

uh you know extraterrestrials from

751
00:30:59,110 --> 00:30:57,440
another planet you know all those things

752
00:31:01,350 --> 00:30:59,120
are like the if you're if you're if

753
00:31:02,710 --> 00:31:01,360
you're looking at that uh you know dj

754
00:31:04,230 --> 00:31:02,720
you're at the italian restaurant you get

755
00:31:05,509 --> 00:31:04,240
the kids menu with the numbers and you

756
00:31:07,750 --> 00:31:05,519
got to draw the lines to connect the

757
00:31:10,549 --> 00:31:07,760
numbers to to create the

758
00:31:12,789 --> 00:31:10,559
the pasta or whatever

759
00:31:14,549 --> 00:31:12,799
they're the they're

760
00:31:16,789 --> 00:31:14,559
you're only going to get that here folks

761
00:31:18,950 --> 00:31:16,799
i don't care what show you go to

762
00:31:20,549 --> 00:31:18,960
you come to calling all beings for takes

763
00:31:22,630 --> 00:31:20,559

just like that at least what we do and

764

00:31:24,149 --> 00:31:22,640

it's a delicious uh delicious pasta

765

00:31:25,830 --> 00:31:24,159

pasta dish but those

766

00:31:27,990 --> 00:31:25,840

those are the early numbers those are

767

00:31:31,190 --> 00:31:28,000

the low numbers on that connect the dots

768

00:31:33,029 --> 00:31:31,200

right so one two three four five

769

00:31:35,269 --> 00:31:33,039

that's what we're talking about here

770

00:31:37,029 --> 00:31:35,279

george knapp colm kelleher

771

00:31:38,470 --> 00:31:37,039

lukaszki

772

00:31:40,070 --> 00:31:38,480

they're way down the line there and

773

00:31:42,710 --> 00:31:40,080

they're what they're saying is look guys

774

00:31:44,870 --> 00:31:42,720

we we got to have this conversation too

775

00:31:45,830 --> 00:31:44,880

the experiencers are also further down

776

00:31:47,190 --> 00:31:45,840

the line we've got to have this

777

00:31:49,750 --> 00:31:47,200

conversation too

778

00:31:51,590 --> 00:31:49,760

the abductee people the you know the

779

00:31:53,350 --> 00:31:51,600

hybrid conversation all of that is a

780

00:31:55,350 --> 00:31:53,360

part of this topic

781

00:31:57,269 --> 00:31:55,360

it's just much further down the line the

782

00:31:58,549 --> 00:31:57,279

consciousness folks and so you know you

783

00:32:00,310 --> 00:31:58,559

really kind of

784

00:32:02,470 --> 00:32:00,320

we want it to be a very linear

785

00:32:04,549 --> 00:32:02,480

progression kind of process where it

786

00:32:06,230 --> 00:32:04,559

feels like yeah i'm with you i can go to

787

00:32:08,230 --> 00:32:06,240

that next number and i'm

788

00:32:09,909 --> 00:32:08,240

you know drawing this but that when you

789

00:32:12,470 --> 00:32:09,919

have folks who

790

00:32:14,950 --> 00:32:12,480

understand aspects of it that that go

791

00:32:16,870 --> 00:32:14,960

further than that it's like you can see

792

00:32:19,269 --> 00:32:16,880

them they're waiting in the wings like i

793

00:32:20,630 --> 00:32:19,279

can't i can't wait any longer nancy

794

00:32:22,310 --> 00:32:20,640

we're gonna do this we're gonna throw it

795

00:32:24,470 --> 00:32:22,320

out there and i want you to take this

796

00:32:26,070 --> 00:32:24,480

seriously and so that i think that

797

00:32:27,990 --> 00:32:26,080

that's where you know you saw that

798

00:32:29,509 --> 00:32:28,000

happen attention the community is you

799

00:32:31,669 --> 00:32:29,519

you get skin walkers at the pentagon

800

00:32:33,509 --> 00:32:31,679

with these accounts that some people go

801
00:32:36,070 --> 00:32:33,519
this is straight up you know out of a

802
00:32:38,149 --> 00:32:36,080
fantasy novel or something uh

803
00:32:39,830 --> 00:32:38,159
it's just absolutely bonkers and they

804
00:32:41,350 --> 00:32:39,840
it's the snicker factor which i find

805
00:32:43,029 --> 00:32:41,360
ironic because

806
00:32:44,950 --> 00:32:43,039
you know in a topic that generally

807
00:32:46,710 --> 00:32:44,960
evokes snickers

808
00:32:49,590 --> 00:32:46,720
you know across the board

809
00:32:51,669 --> 00:32:49,600
who is one side of the camp to say

810
00:32:53,269 --> 00:32:51,679
that the other side is you know more

811
00:32:55,430 --> 00:32:53,279
laughable i mean it's like come on we're

812
00:32:57,190 --> 00:32:55,440
talking about you know aliens and

813
00:32:59,509 --> 00:32:57,200

whatnot and just because you you bring

814

00:33:01,430 --> 00:32:59,519

up a werewolf type creature or something

815

00:33:03,110 --> 00:33:01,440

like now i can't take you seriously i

816

00:33:04,870 --> 00:33:03,120

think that's kind of unfair

817

00:33:06,789 --> 00:33:04,880

uh it is but but it's all like you said

818

00:33:08,470 --> 00:33:06,799

it's all part of this conversation and

819

00:33:09,350 --> 00:33:08,480

it's it's something that i think we have

820

00:33:10,389 --> 00:33:09,360

to be

821

00:33:13,350 --> 00:33:10,399

able to deal with and have a

822

00:33:14,630 --> 00:33:13,360

conversation about in a mature way uh

823

00:33:16,149 --> 00:33:14,640

you know i don't know if the public's

824

00:33:17,750 --> 00:33:16,159

ready for that but hopefully we will be

825

00:33:20,310 --> 00:33:17,760

soon

826

00:33:22,789 --> 00:33:20,320

you know it's a lot of fun to just

827

00:33:25,110 --> 00:33:22,799

approach all of these topics

828

00:33:28,149 --> 00:33:25,120

all of these hypotheses all of the

829

00:33:30,549 --> 00:33:28,159

evidence and just kind of be open-minded

830

00:33:33,029 --> 00:33:30,559

i can't imagine what it would be like to

831

00:33:35,190 --> 00:33:33,039

put myself in a little box where i can't

832

00:33:38,070 --> 00:33:35,200

talk about a different part of this and

833

00:33:40,710 --> 00:33:38,080

i'm refused to hear someone else out and

834

00:33:43,190 --> 00:33:40,720

then not get to learn something

835

00:33:45,190 --> 00:33:43,200

and then ultimately you know can anyone

836

00:33:46,549 --> 00:33:45,200

really say they have all the answers not

837

00:33:49,029 --> 00:33:46,559

really so

838

00:33:51,110 --> 00:33:49,039

no no definitely not

839

00:33:53,590 --> 00:33:51,120

like not even not really like definitely

840

00:33:55,509 --> 00:33:53,600

not nobody has all the answers right so

841

00:33:56,950 --> 00:33:55,519

someone's bound to be upset at the end

842

00:33:58,870 --> 00:33:56,960

if they're keeping themselves in a

843

00:34:00,070 --> 00:33:58,880

little box

844

00:34:02,710 --> 00:34:00,080

right yeah

845

00:34:04,549 --> 00:34:02,720

i mean we're we're in a position our

846

00:34:08,149 --> 00:34:04,559

reality is that

847

00:34:09,109 --> 00:34:08,159

uh you myself stephanie

848

00:34:12,149 --> 00:34:09,119

kevin

849

00:34:15,349 --> 00:34:12,159

we're you know all of our cab network we

850

00:34:18,869 --> 00:34:15,359

are able to take in everything and and

851

00:34:22,310 --> 00:34:18,879

draw something from it we have that

852

00:34:25,030 --> 00:34:22,320

what's the word i'm looking for nathan

853

00:34:26,790 --> 00:34:25,040

we we we're open to that we can be open

854

00:34:28,950 --> 00:34:26,800

to that and i'm sorry i'm not more

855

00:34:30,950 --> 00:34:28,960

artful in describing this if you're a

856

00:34:33,270 --> 00:34:30,960

congressional member you can't

857

00:34:34,389 --> 00:34:33,280

necessarily be open to that in public

858

00:34:36,230 --> 00:34:34,399

yet

859

00:34:38,230 --> 00:34:36,240

right yeah we have the luxury of

860

00:34:41,030 --> 00:34:38,240

exploring these times you know we're not

861

00:34:42,869 --> 00:34:41,040

held by like you said the constraints of

862

00:34:44,869 --> 00:34:42,879

our position and the expectations that

863

00:34:47,750 --> 00:34:44,879

go along with it the political

864

00:34:50,310 --> 00:34:47,760

uh correctness of it all the optics you

865

00:34:52,550 --> 00:34:50,320

know if this is okay to talk about this

866

00:34:53,909 --> 00:34:52,560

isn't okay to talk about you know we

867

00:34:56,550 --> 00:34:53,919

have none of those pressures or

868

00:34:58,710 --> 00:34:56,560

constraints which is great but i do

869

00:35:00,790 --> 00:34:58,720

wonder you know what what is it just to

870

00:35:02,470 --> 00:35:00,800

throw it out to both of you guys

871

00:35:04,230 --> 00:35:02,480

what is it in your minds that you think

872

00:35:07,510 --> 00:35:04,240

is going to

873

00:35:10,470 --> 00:35:07,520

make the room in space for

874

00:35:13,430 --> 00:35:10,480

that conversation to to kind of broaden

875

00:35:14,870 --> 00:35:13,440

from the easily acceptable like oh it's

876

00:35:16,790 --> 00:35:14,880

a technology

877

00:35:18,870 --> 00:35:16,800

you know it's not to to the weirder

878

00:35:20,870 --> 00:35:18,880

things you know to things like the the

879

00:35:22,870 --> 00:35:20,880

poltergeists and uh you know the

880

00:35:25,270 --> 00:35:22,880

consciousness connection what are the

881

00:35:27,349 --> 00:35:25,280

what are the kinds of detailed

882

00:35:28,950 --> 00:35:27,359

bits that have to enter into

883

00:35:30,470 --> 00:35:28,960

political conversation that kind of

884

00:35:32,230 --> 00:35:30,480

opened up those other doors do you guys

885

00:35:33,910 --> 00:35:32,240

have thoughts on that

886

00:35:35,109 --> 00:35:33,920

well clearly time is the biggest the

887

00:35:37,430 --> 00:35:35,119

biggest one

888

00:35:38,870 --> 00:35:37,440

or something that deb and i have talked

889

00:35:41,589 --> 00:35:38,880

about at length in our private

890

00:35:44,310 --> 00:35:41,599

conversations and on air a few times is

891

00:35:47,109 --> 00:35:44,320

an irrefutable event that that people

892

00:35:49,670 --> 00:35:47,119

can't deny where cam news cameras are

893

00:35:52,310 --> 00:35:49,680

pointed right at it they're showing it

894

00:35:54,150 --> 00:35:52,320

and and nobody can say you know and even

895

00:35:55,589 --> 00:35:54,160

still nathan you've said people are

896

00:35:57,510 --> 00:35:55,599

still going to say it's a government

897

00:35:59,109 --> 00:35:57,520

black project and they have an agenda

898

00:36:02,150 --> 00:35:59,119

here so there's still there's always

899

00:36:04,950 --> 00:36:02,160

going to be that crowd but uh but

900

00:36:07,349 --> 00:36:04,960

some time is the biggest factor

901
00:36:09,190 --> 00:36:07,359
and you know based on the space the

902
00:36:11,910 --> 00:36:09,200
other night people screaming

903
00:36:14,470 --> 00:36:11,920
uh they want it now and i think we

904
00:36:16,950 --> 00:36:14,480
realized that we look at our lives as a

905
00:36:19,349 --> 00:36:16,960
very long period of time and geez it's

906
00:36:22,790 --> 00:36:19,359
just our lives are so short

907
00:36:25,589 --> 00:36:22,800
that we may not be alive when when um

908
00:36:28,150 --> 00:36:25,599
any of this is accepted as

909
00:36:30,710 --> 00:36:28,160
public fact

910
00:36:32,390 --> 00:36:30,720
yeah i think of it as like

911
00:36:33,990 --> 00:36:32,400
for this to

912
00:36:35,829 --> 00:36:34,000
be something that everyone's just

913
00:36:37,910 --> 00:36:35,839

comfortable talking about at a dinner

914

00:36:40,470 --> 00:36:37,920

table like they would whales or polar

915

00:36:42,950 --> 00:36:40,480

bears or any other thing that is natural

916

00:36:45,510 --> 00:36:42,960

because i consider it to be natural

917

00:36:47,349 --> 00:36:45,520

um it is going to take time like dj said

918

00:36:49,990 --> 00:36:47,359

because we're just going to have to kind

919

00:36:52,310 --> 00:36:50,000

of get used to it once it's

920

00:36:54,310 --> 00:36:52,320

clearly out there right

921

00:36:55,030 --> 00:36:54,320

but i've also said that i'm not even

922

00:36:57,349 --> 00:36:55,040

sure

923

00:36:59,430 --> 00:36:57,359

a video of a big event would be enough

924

00:37:01,349 --> 00:36:59,440

because people will say that cg or

925

00:37:03,190 --> 00:37:01,359

something we just said that were you

926
00:37:05,349 --> 00:37:03,200
yeah but you said

927
00:37:07,990 --> 00:37:05,359
no no you said

928
00:37:10,230 --> 00:37:08,000
of like a black ops i mean so but i but

929
00:37:12,390 --> 00:37:10,240
this is what i do think will work this

930
00:37:13,349 --> 00:37:12,400
is something i suppose like i throw out

931
00:37:14,230 --> 00:37:13,359
there

932
00:37:15,829 --> 00:37:14,240
if

933
00:37:18,230 --> 00:37:15,839
these

934
00:37:20,870 --> 00:37:18,240
uh others as some people like to call

935
00:37:22,390 --> 00:37:20,880
them make the decision themself to

936
00:37:24,230 --> 00:37:22,400
interact with us

937
00:37:26,310 --> 00:37:24,240
in a physical way

938
00:37:28,790 --> 00:37:26,320

that's not elusive

939

00:37:30,310 --> 00:37:28,800

um and it's i hate to say this but if

940

00:37:32,470 --> 00:37:30,320

they pretty much put themselves in a

941

00:37:34,069 --> 00:37:32,480

position like they're in a zoo

942

00:37:35,430 --> 00:37:34,079

it's a terrible thing but it would

943

00:37:37,990 --> 00:37:35,440

protect them

944

00:37:39,430 --> 00:37:38,000

then people might like fully accept and

945

00:37:41,190 --> 00:37:39,440

just get used to it and like because you

946

00:37:42,950 --> 00:37:41,200

go to a zoo you don't really like stand

947

00:37:44,310 --> 00:37:42,960

around gawking like you've never seen

948

00:37:45,750 --> 00:37:44,320

something before you know you just kind

949

00:37:47,030 --> 00:37:45,760

of get used to it

950

00:37:49,109 --> 00:37:47,040

but

951
00:37:51,430 --> 00:37:49,119
i don't know that like an intelligent

952
00:37:54,870 --> 00:37:51,440
species would be willing to do that for

953
00:37:57,270 --> 00:37:54,880
us you know or you're right i mean

954
00:37:58,790 --> 00:37:57,280
you know what what greater i i shouldn't

955
00:38:00,790 --> 00:37:58,800
say what greater evidence do we need

956
00:38:04,310 --> 00:38:00,800
because we need greater but you just

957
00:38:06,310 --> 00:38:04,320
heard chase klutzky say that all four of

958
00:38:08,390 --> 00:38:06,320
her camera's batteries were dead and her

959
00:38:11,510 --> 00:38:08,400
other piece of equipment was not

960
00:38:14,310 --> 00:38:11,520
functional then you heard travis taylor

961
00:38:16,710 --> 00:38:14,320
say the dr taylor is that his right name

962
00:38:17,750 --> 00:38:16,720
dr taylor said they had a backhoe out

963
00:38:19,829 --> 00:38:17,760

they decided you know what we're gonna

964

00:38:22,230 --> 00:38:19,839

go ahead we're gonna dig in the spot

965

00:38:24,470 --> 00:38:22,240

and he said they replaced three

966

00:38:25,589 --> 00:38:24,480

batteries on that backhoe and it

967

00:38:26,550 --> 00:38:25,599

wouldn't run

968

00:38:28,870 --> 00:38:26,560

right

969

00:38:31,349 --> 00:38:28,880

i mean those are that's the same that's

970

00:38:34,550 --> 00:38:31,359

the phenomenon doing the same thing

971

00:38:38,630 --> 00:38:36,390

guys i just wanted to let you know chase

972

00:38:41,270 --> 00:38:38,640

just messaged me she said that she has a

973

00:38:43,829 --> 00:38:41,280

storm that she's dealing with

974

00:38:46,150 --> 00:38:43,839

um so that's why the delay i apologize i

975

00:38:47,190 --> 00:38:46,160

had to kind of respond to that yeah no

976
00:38:48,870 --> 00:38:47,200
worries

977
00:38:52,310 --> 00:38:48,880
one love writer cue up writers on the

978
00:38:54,630 --> 00:38:52,320
storm please nathan absolutely exactly

979
00:38:56,390 --> 00:38:54,640
got you covered well you know you bring

980
00:38:57,510 --> 00:38:56,400
up an interesting point the dj and i

981
00:38:58,790 --> 00:38:57,520
think that uh you know i've been

982
00:39:01,349 --> 00:38:58,800
thinking about this in the last few days

983
00:39:04,630 --> 00:39:01,359
as well you know

984
00:39:07,670 --> 00:39:04,640
what is the magic concoction of

985
00:39:09,349 --> 00:39:07,680
witnesses experts people

986
00:39:11,510 --> 00:39:09,359
you know events

987
00:39:13,190 --> 00:39:11,520
stories evidence that is going to

988
00:39:16,630 --> 00:39:13,200

satisfy

989

00:39:18,390 --> 00:39:16,640

you know the the the x number of people

990

00:39:20,630 --> 00:39:18,400

which is like the tipping point number

991

00:39:23,109 --> 00:39:20,640

of people in our society

992

00:39:25,030 --> 00:39:23,119

to where it becomes you know accepted

993

00:39:26,470 --> 00:39:25,040

fact right because you know i find it

994

00:39:29,030 --> 00:39:26,480

really interesting the community's

995

00:39:29,990 --> 00:39:29,040

reaction to some of the folks that are

996

00:39:31,670 --> 00:39:30,000

that are

997

00:39:34,790 --> 00:39:31,680

in the public eye

998

00:39:37,670 --> 00:39:34,800

trying to lend their time and energy and

999

00:39:39,190 --> 00:39:37,680

money to figuring this out and and none

1000

00:39:42,310 --> 00:39:39,200

of them seem to be good good enough you

1001

00:39:44,950 --> 00:39:42,320

know it's like oh you've got five phds

1002

00:39:47,109 --> 00:39:44,960

i'm sorry but that's not good enough uh

1003

00:39:48,470 --> 00:39:47,119

because you wrote a sci-fi novel oh

1004

00:39:50,310 --> 00:39:48,480

you've you know

1005

00:39:51,910 --> 00:39:50,320

you know you're a wealthy guy who's made

1006

00:39:53,829 --> 00:39:51,920

a lot of money in real estate and you're

1007

00:39:56,310 --> 00:39:53,839

spending this money of your own free

1008

00:39:57,750 --> 00:39:56,320

will just to study this i you must have

1009

00:40:00,470 --> 00:39:57,760

a hidden agenda

1010

00:40:02,710 --> 00:40:00,480

you know oh you're an ex-dod employee

1011

00:40:05,349 --> 00:40:02,720

who uh wants to blow the whistle on this

1012

00:40:08,309 --> 00:40:05,359

whole thing and and you know no sorry

1013

00:40:10,150 --> 00:40:08,319

like that's i mean it's literally like

1014

00:40:12,710 --> 00:40:10,160

what do we need here you know like what

1015

00:40:14,870 --> 00:40:12,720

what is the right combination to satisfy

1016

00:40:17,270 --> 00:40:14,880

and the answer is there isn't you know

1017

00:40:19,109 --> 00:40:17,280

well well nathan there's that i'm sorry

1018

00:40:20,870 --> 00:40:19,119

nathan there's the one tv show can you

1019

00:40:23,589 --> 00:40:20,880

please remind me is it

1020

00:40:26,150 --> 00:40:23,599

is it uh the tv show where there were a

1021

00:40:28,710 --> 00:40:26,160

bunch of different ships hovering over

1022

00:40:31,270 --> 00:40:28,720

major cities and there's a female lead

1023

00:40:33,510 --> 00:40:31,280

of the alien i i of the

1024

00:40:35,990 --> 00:40:33,520

extraterrestrials i can't remember

1025

00:40:38,470 --> 00:40:36,000

what that tv show was i have to go back

1026

00:40:39,990 --> 00:40:38,480

and look at it and i enjoyed that one

1027

00:40:41,670 --> 00:40:40,000

it's going to take something like that

1028

00:40:43,510 --> 00:40:41,680

that would be the thing yeah where

1029

00:40:44,870 --> 00:40:43,520

people can look up and go open the door

1030

00:40:46,309 --> 00:40:44,880

and they're like right there yeah

1031

00:40:48,470 --> 00:40:46,319

exactly

1032

00:40:50,150 --> 00:40:48,480

i i liked the one where the aliens live

1033

00:40:51,750 --> 00:40:50,160

with us by the way i cannot remember

1034

00:40:53,349 --> 00:40:51,760

what that one was called either they

1035

00:40:55,430 --> 00:40:53,359

just hang out with us they're part of

1036

00:40:57,430 --> 00:40:55,440

the police force so on and so forth what

1037

00:40:59,990 --> 00:40:57,440

was that one alien nation or something

1038

00:41:01,990 --> 00:41:00,000

yes alien nation yeah b was the other

1039

00:41:03,430 --> 00:41:02,000

one and uh

1040

00:41:06,540 --> 00:41:03,440

oh well

1041

00:41:14,130 --> 00:41:06,550

we got her back klutzky

1042

00:41:19,829 --> 00:41:17,829

[Laughter]

1043

00:41:22,630 --> 00:41:19,839

all right the original it's like the

1044

00:41:26,309 --> 00:41:24,230

it's all good girlfriend we've been

1045

00:41:27,670 --> 00:41:26,319

there we've all had some spotty wi-fi

1046

00:41:30,309 --> 00:41:27,680

and you know what i'd rather have a

1047

00:41:31,990 --> 00:41:30,319

cabin in the mountains with no wi-fi

1048

00:41:33,829 --> 00:41:32,000

than no cabin at all that's all i got to

1049

00:41:35,750 --> 00:41:33,839

say actually i rented one in north

1050

00:41:37,829 --> 00:41:35,760

carolina and i went and saw my brother

1051

00:41:40,630 --> 00:41:37,839

nathan i was like what's up man i got a

1052

00:41:43,190 --> 00:41:40,640

cabin up here in north carolina

1053

00:41:45,430 --> 00:41:43,200

so anyway um chase

1054

00:41:46,950 --> 00:41:45,440

i want to get to this question

1055

00:41:48,550 --> 00:41:46,960

uh notice i said that like i was from

1056

00:41:51,829 --> 00:41:48,560

louisiana and i'm not

1057

00:41:53,589 --> 00:41:51,839

sure great question i was so frustrated

1058

00:41:55,670 --> 00:41:53,599

when it dropped because i love that

1059

00:41:57,430 --> 00:41:55,680

question yeah let's get your answer on

1060

00:42:00,550 --> 00:41:57,440

that go back yeah i'm sorry go ahead man

1061

00:42:07,750 --> 00:42:03,990

uh actually to the stars academy never

1062

00:42:10,710 --> 00:42:07,760

worked with mufon um i was at a meeting

1063

00:42:14,470 --> 00:42:10,720

uh with jan harzan it was myself and ken

1064

00:42:16,069 --> 00:42:14,480

saint john um who was a ceo um i was

1065

00:42:18,230 --> 00:42:16,079

director of investigations at the time

1066

00:42:20,950 --> 00:42:18,240

which was number two in the organization

1067

00:42:23,190 --> 00:42:20,960

and we were meeting with steve justice

1068

00:42:26,230 --> 00:42:23,200

um lou elizondo

1069

00:42:27,829 --> 00:42:26,240

um who else was there tom delong kind of

1070

00:42:30,630 --> 00:42:27,839

walked by but he wasn't part of the

1071

00:42:34,150 --> 00:42:30,640

meeting meeting but um

1072

00:42:36,069 --> 00:42:34,160

and jan laid out why mufon was would be

1073

00:42:37,109 --> 00:42:36,079

such an asset for them

1074

00:42:39,109 --> 00:42:37,119

and

1075

00:42:41,990 --> 00:42:39,119

steve justice after about 10 minutes put

1076

00:42:43,829 --> 00:42:42,000

his hand up and he said stop right there

1077

00:42:46,790 --> 00:42:43,839

jan i don't want to waste your time we

1078

00:42:49,349 --> 00:42:46,800

will never work for mufon

1079

00:42:52,150 --> 00:42:49,359

or with mufon because you guys are part

1080

00:42:55,589 --> 00:42:52,160

of the problem and he pulled up one of

1081

00:42:57,109 --> 00:42:55,599

the conferences we had with corey goode

1082

00:43:00,150 --> 00:42:57,119

and all these other people that they

1083

00:43:02,230 --> 00:43:00,160

didn't see as legit now i'm not saying i

1084

00:43:03,990 --> 00:43:02,240

didn't but they literally

1085

00:43:07,589 --> 00:43:04,000

looked right at jan and said we will

1086

00:43:08,870 --> 00:43:07,599

never ever work with mufon

1087

00:43:11,670 --> 00:43:08,880

interesting

1088

00:43:13,829 --> 00:43:11,680

and then chase so what um

1089

00:43:16,069 --> 00:43:13,839

that's really good detail on the tsa

1090

00:43:18,230 --> 00:43:16,079

component there but in the in the skin

1091

00:43:20,069 --> 00:43:18,240

walkers of the pentagon book

1092

00:43:22,630 --> 00:43:20,079

it was mentioned that

1093

00:43:26,470 --> 00:43:22,640

that there were several

1094

00:43:28,150 --> 00:43:26,480

like dia databases that one like one of

1095

00:43:30,069 --> 00:43:28,160

which i'm really mutting the facts here

1096

00:43:31,910 --> 00:43:30,079

deb you make it this better than i will

1097

00:43:34,630 --> 00:43:31,920

but essentially that

1098

00:43:37,030 --> 00:43:34,640

asap was using some data points from

1099

00:43:39,589 --> 00:43:37,040

mufon and there was some concern in the

1100

00:43:41,349 --> 00:43:39,599

community that whether that was

1101
00:43:43,270 --> 00:43:41,359
okay like people who had submitted a

1102
00:43:45,510 --> 00:43:43,280
mufon report may not have known that

1103
00:43:48,710 --> 00:43:45,520
ossapp was using that data and it was

1104
00:43:49,829 --> 00:43:48,720
making its way to this dia database

1105
00:43:51,349 --> 00:43:49,839
did we

1106
00:43:56,630 --> 00:43:51,359
can you clear that up for us like what

1107
00:44:01,430 --> 00:43:59,430
there was a time when robert bigelow

1108
00:44:03,829 --> 00:44:01,440
went to mufon

1109
00:44:05,990 --> 00:44:03,839
and started a star team and that was a

1110
00:44:08,630 --> 00:44:06,000
rapid response group

1111
00:44:11,910 --> 00:44:08,640
and it failed miserably i mean it was

1112
00:44:14,950 --> 00:44:11,920
horrible he cut ties with mufon and um

1113
00:44:16,950 --> 00:44:14,960

and i actually came in a year later and

1114

00:44:18,710 --> 00:44:16,960

and i was selected as star team manager

1115

00:44:21,430 --> 00:44:18,720

and developed an entire program all the

1116

00:44:23,270 --> 00:44:21,440

protocols rules how to deploy what do

1117

00:44:25,109 --> 00:44:23,280

you bring um

1118

00:44:26,870 --> 00:44:25,119

you know but it was volunteer because at

1119

00:44:28,950 --> 00:44:26,880

that time the start team investigators

1120

00:44:31,030 --> 00:44:28,960

were paid well apparently the money

1121

00:44:31,750 --> 00:44:31,040

wasn't going where it was supposed to go

1122

00:44:34,790 --> 00:44:31,760

so

1123

00:44:38,230 --> 00:44:34,800

you know and the information boupon was

1124

00:44:39,750 --> 00:44:38,240

providing wasn't helpful they weren't

1125

00:44:41,750 --> 00:44:39,760

they thought they were going to get like

1126
00:44:44,870 --> 00:44:41,760
these really great evidence cases and

1127
00:44:46,470 --> 00:44:44,880
that's not what happened so um

1128
00:44:49,829 --> 00:44:46,480
that's and that's the same time when

1129
00:44:52,470 --> 00:44:49,839
bigelow was involved with skinwalker and

1130
00:44:53,270 --> 00:44:52,480
george knapp and you know that whole

1131
00:44:56,790 --> 00:44:53,280
little

1132
00:44:58,950 --> 00:44:56,800
know uh be on the radio with above top

1133
00:45:00,470 --> 00:44:58,960
secret so you know all the the owners of

1134
00:45:01,990 --> 00:45:00,480
these websites and everything it was

1135
00:45:04,790 --> 00:45:02,000
just really a great time i mean that's

1136
00:45:07,430 --> 00:45:04,800
old school big time but that's the only

1137
00:45:08,470 --> 00:45:07,440
time mufon had anything to do

1138
00:45:11,030 --> 00:45:08,480

with

1139

00:45:12,150 --> 00:45:11,040

the government so to speak because now

1140

00:45:15,510 --> 00:45:12,160

we know that

1141

00:45:19,270 --> 00:45:15,520

bigelow was contracted by dod so

1142

00:45:20,870 --> 00:45:19,280

this was government work um and a lot of

1143

00:45:24,150 --> 00:45:20,880

mufon people didn't like it they didn't

1144

00:45:27,589 --> 00:45:25,349

not want

1145

00:45:33,430 --> 00:45:27,599

government

1146

00:45:37,430 --> 00:45:35,190

it's still a couple lightning bolts that

1147

00:45:40,069 --> 00:45:37,440

are popping off around um

1148

00:45:42,710 --> 00:45:40,079

chase's cabin but guess what chase still

1149

00:45:43,750 --> 00:45:42,720

got a cabin and that's all that matters

1150

00:45:45,030 --> 00:45:43,760

um

1151
00:45:47,270 --> 00:45:45,040
chase

1152
00:45:50,710 --> 00:45:47,280
i want to take you back to and i got

1153
00:45:53,109 --> 00:45:50,720
back in i didn't want to lose you guys

1154
00:45:55,109 --> 00:45:53,119
no i i really appreciate you guy uh that

1155
00:45:58,150 --> 00:45:55,119
that you did that uh we were making

1156
00:45:59,829 --> 00:45:58,160
convo as as we're want to do but uh we'd

1157
00:46:01,589 --> 00:45:59,839
rather have you than than just us

1158
00:46:03,349 --> 00:46:01,599
talking because hell we can just talk on

1159
00:46:04,870 --> 00:46:03,359
signal um

1160
00:46:07,030 --> 00:46:04,880
anyway um

1161
00:46:08,230 --> 00:46:07,040
so getting back to the corn field we're

1162
00:46:10,150 --> 00:46:08,240
going to take you

1163
00:46:12,069 --> 00:46:10,160

back to the corn field for some corn

1164

00:46:15,190 --> 00:46:12,079

cake like my wife has from brazil or

1165

00:46:16,069 --> 00:46:15,200

cornbread but um

1166

00:46:18,150 --> 00:46:16,079

you know

1167

00:46:21,109 --> 00:46:18,160

you are

1168

00:46:23,510 --> 00:46:21,119

we we know a limited amount of people we

1169

00:46:24,950 --> 00:46:23,520

know a few but we know a limited amount

1170

00:46:27,190 --> 00:46:24,960

of people

1171

00:46:29,430 --> 00:46:27,200

who have actually

1172

00:46:31,829 --> 00:46:29,440

viewed a a being

1173

00:46:33,750 --> 00:46:31,839

at close range

1174

00:46:35,670 --> 00:46:33,760

and

1175

00:46:38,230 --> 00:46:35,680

before i get to

1176

00:46:39,829 --> 00:46:38,240

how you process that today

1177

00:46:41,670 --> 00:46:39,839

again i'd like you

1178

00:46:43,990 --> 00:46:41,680

to take us back to that moment and the

1179

00:46:47,270 --> 00:46:44,000

reason i ask you is because the three

1180

00:46:50,470 --> 00:46:47,280

people be before you have have not seen

1181

00:46:56,309 --> 00:46:54,230

you know it's such a unique thing

1182

00:46:58,790 --> 00:46:56,319

a lot of people a couple of experiencers

1183

00:47:00,630 --> 00:46:58,800

have told me recently and all all four

1184

00:47:03,190 --> 00:47:00,640

of us on this panel here have talked to

1185

00:47:05,270 --> 00:47:03,200

a number of experiencers thank god

1186

00:47:07,190 --> 00:47:05,280

and um

1187

00:47:09,430 --> 00:47:07,200

people say that they don't see you know

1188

00:47:12,150 --> 00:47:09,440

the lower body the feet you know those

1189

00:47:14,550 --> 00:47:12,160

areas i'm curious if you could describe

1190

00:47:16,150 --> 00:47:14,560

that being before you started running

1191

00:47:17,349 --> 00:47:16,160

for your life which i'm sure all of us

1192

00:47:20,150 --> 00:47:17,359

would have done

1193

00:47:21,670 --> 00:47:20,160

uh from except deb actually so maybe

1194

00:47:24,470 --> 00:47:21,680

nathan i would run

1195

00:47:26,390 --> 00:47:24,480

deb probably would run toward it but yes

1196

00:47:29,270 --> 00:47:26,400

i would just can you just

1197

00:47:34,390 --> 00:47:29,280

can you describe it from the head down

1198

00:47:38,549 --> 00:47:36,950

first of all i'd just like to say that

1199

00:47:40,230 --> 00:47:38,559

no we had no

1200

00:47:42,390 --> 00:47:40,240

we had absolutely no control over

1201
00:47:44,470 --> 00:47:42,400
running i didn't run away from a being

1202
00:47:46,470 --> 00:47:44,480
we ran straight to it

1203
00:47:48,150 --> 00:47:46,480
and we were running running running i'm

1204
00:47:50,549 --> 00:47:48,160
watching a light do this and then all of

1205
00:47:53,109 --> 00:47:50,559
a sudden the witness stops and i hit him

1206
00:47:55,589 --> 00:47:53,119
like a brick wall and right there like

1207
00:47:58,790 --> 00:47:55,599
six feet away is this little being so we

1208
00:48:01,589 --> 00:47:58,800
didn't run away from anything oh okay

1209
00:48:04,069 --> 00:48:01,599
eye to eye looking at that and how like

1210
00:48:05,430 --> 00:48:04,079
there wasn't there wasn't even a twitch

1211
00:48:07,990 --> 00:48:05,440
i mean you go

1212
00:48:10,470 --> 00:48:08,000
you know he's a big old country boy

1213
00:48:11,990 --> 00:48:10,480

with this big old halogen flashlight

1214

00:48:14,710 --> 00:48:12,000

that went from

1215

00:48:17,349 --> 00:48:14,720

dark like pitch dark and he swung his

1216

00:48:20,390 --> 00:48:17,359

hand over and you know probably now four

1217

00:48:22,870 --> 00:48:20,400

feet away this being's got this halogen

1218

00:48:25,510 --> 00:48:22,880

light in his face not a movement nothing

1219

00:48:27,270 --> 00:48:25,520

it was stoic as crap and um and i'll

1220

00:48:29,190 --> 00:48:27,280

describe him i mean he was little i mean

1221

00:48:31,829 --> 00:48:29,200

probably three feet maybe three and a

1222

00:48:33,510 --> 00:48:31,839

half but i'd say more about three

1223

00:48:35,589 --> 00:48:33,520

um he had the skinniest legs i was

1224

00:48:38,950 --> 00:48:35,599

really worried because i just remembered

1225

00:48:41,190 --> 00:48:38,960

that they were so twig like um i don't

1226
00:48:43,030 --> 00:48:41,200
remember that you know there's no um

1227
00:48:45,030 --> 00:48:43,040
clothing or anything like that all i

1228
00:48:47,349 --> 00:48:45,040
really remember is his eyes like he was

1229
00:48:49,190 --> 00:48:47,359
just in the freaking legs i mean that

1230
00:48:50,390 --> 00:48:49,200
makes no sense but i was really worried

1231
00:48:51,990 --> 00:48:50,400
about him because

1232
00:48:54,710 --> 00:48:52,000
they wouldn't have held his little body

1233
00:48:57,829 --> 00:48:54,720
up i re we realized later as we kind of

1234
00:49:00,390 --> 00:48:57,839
recreated some things that it's how the

1235
00:49:01,510 --> 00:49:00,400
light hit him so his legs were shattered

1236
00:49:04,390 --> 00:49:01,520
mostly

1237
00:49:06,069 --> 00:49:04,400
so um but it just it just stood there

1238
00:49:08,069 --> 00:49:06,079

and it was it was one second that

1239

00:49:10,710 --> 00:49:08,079

changed my life because honestly that

1240

00:49:13,270 --> 00:49:10,720

light hit and it was one one thousand

1241

00:49:16,950 --> 00:49:13,280

two and then for no reason we're running

1242

00:49:18,390 --> 00:49:16,960

again it was the craziest thing and um

1243

00:49:22,069 --> 00:49:18,400

and of course

1244

00:49:24,870 --> 00:49:22,079

this running started with a physical

1245

00:49:26,309 --> 00:49:24,880

um pounding in your body and it was

1246

00:49:28,870 --> 00:49:26,319

complete terror

1247

00:49:31,670 --> 00:49:28,880

not fight or flight it's not you know

1248

00:49:34,710 --> 00:49:31,680

just fear it is every cell in

1249

00:49:36,790 --> 00:49:34,720

your body is terrified

1250

00:49:38,950 --> 00:49:36,800

and i just remember turning and running

1251
00:49:41,349 --> 00:49:38,960
for no reason i'm not a runner guys let

1252
00:49:44,150 --> 00:49:41,359
me tell you that witness had a big old

1253
00:49:46,470 --> 00:49:44,160
shotgun in the back of his truck and of

1254
00:49:48,309 --> 00:49:46,480
course here i am you know just just this

1255
00:49:50,069 --> 00:49:48,319
girl going out there like oh yeah i'll

1256
00:49:51,190 --> 00:49:50,079
go into cornfield with you i don't even

1257
00:49:52,790 --> 00:49:51,200
know who you are with the big old

1258
00:49:54,870 --> 00:49:52,800
shotgun

1259
00:49:56,309 --> 00:49:54,880
who does that

1260
00:49:58,790 --> 00:49:56,319
so

1261
00:50:00,230 --> 00:49:58,800
anyway this guy's not a runner

1262
00:50:02,069 --> 00:50:00,240
either this

1263
00:50:05,349 --> 00:50:02,079

this is an area you don't

1264

00:50:08,069 --> 00:50:05,359

dial 9-1-1 i mean he we have a problem

1265

00:50:10,390 --> 00:50:08,079

with coyotes around here just in case

1266

00:50:12,470 --> 00:50:10,400

this is not a man who runs i'm not an

1267

00:50:14,950 --> 00:50:12,480

investigator runs we didn't run away

1268

00:50:17,990 --> 00:50:14,960

from anything we ran

1269

00:50:20,549 --> 00:50:18,000

straight to it and um

1270

00:50:24,309 --> 00:50:20,559

that's uh something that i'll just never

1271

00:50:29,270 --> 00:50:27,030

will like to say one other thing though

1272

00:50:35,589 --> 00:50:31,990

i don't know when we got into the dirt

1273

00:50:37,910 --> 00:50:35,599

left or that tara left but by the time

1274

00:50:42,950 --> 00:50:37,920

we got to his garage

1275

00:50:45,270 --> 00:50:42,960

we're all piling out like what the beep

1276

00:50:48,549 --> 00:50:45,280

let's go like what just happened why did

1277

00:50:50,870 --> 00:50:48,559

we run i mean you know i'm forensics i'm

1278

00:50:53,190 --> 00:50:50,880

thinking i i saw a being right there it

1279

00:50:55,589 --> 00:50:53,200

wasn't a statue or anything i saw his

1280

00:50:57,270 --> 00:50:55,599

eyes i mean they're living eyes and i'm

1281

00:50:58,950 --> 00:50:57,280

like there's footprints i could get

1282

00:51:00,549 --> 00:50:58,960

trace evidence all this kind of stuff's

1283

00:51:03,190 --> 00:51:00,559

going through my mind so we weren't

1284

00:51:04,950 --> 00:51:03,200

afraid of anything i'm telling you guys

1285

00:51:07,430 --> 00:51:04,960

whatever was going on in that cornfield

1286

00:51:09,109 --> 00:51:07,440

that night we were not supposed to be

1287

00:51:10,790 --> 00:51:09,119

there

1288

00:51:13,109 --> 00:51:10,800

i did i just want to say i've heard the

1289

00:51:15,190 --> 00:51:13,119

same whispers at the gym oh you know

1290

00:51:17,990 --> 00:51:15,200

he's got really skinny legs he probably

1291

00:51:20,150 --> 00:51:18,000

doesn't do squats and i want to say on

1292

00:51:23,670 --> 00:51:20,160

behalf of the being that you saw i do do

1293

00:51:25,589 --> 00:51:23,680

squats okay and and so you know please

1294

00:51:27,510 --> 00:51:25,599

you guys at the gym and girls stop

1295

00:51:30,230 --> 00:51:27,520

making fun of my skinny legs

1296

00:51:35,030 --> 00:51:30,240

anyway uh chase so

1297

00:51:37,910 --> 00:51:36,710

this this you know this is what you get

1298

00:51:39,829 --> 00:51:37,920

on calling all beings you're going to

1299

00:51:41,829 --> 00:51:39,839

get a mixed bag you're going to get some

1300

00:51:43,750 --> 00:51:41,839

intellectualism and you get some really

1301
00:51:46,069 --> 00:51:43,760
ridiculous comments and then we're going

1302
00:51:48,390 --> 00:51:46,079
to visualize you standing around a fire

1303
00:51:50,630 --> 00:51:48,400
like rocky in philadelphia with jacques

1304
00:51:52,630 --> 00:51:50,640
vale in the crew drinking you know mad

1305
00:51:54,870 --> 00:51:52,640
dog 2020. so

1306
00:51:56,630 --> 00:51:54,880
anyway uh

1307
00:51:59,750 --> 00:51:56,640
anyway chase so

1308
00:52:02,549 --> 00:51:59,760
the eyes um you know we've all uh

1309
00:52:05,190 --> 00:52:02,559
we've seen various uh depictions of

1310
00:52:07,109 --> 00:52:05,200
beings with these very large eyes can

1311
00:52:10,390 --> 00:52:07,119
you describe if you if i were to give

1312
00:52:12,870 --> 00:52:10,400
you from the chin to the top of the head

1313
00:52:17,990 --> 00:52:12,880

what can you recall from that chin to

1314

00:52:24,069 --> 00:52:20,630

and eyes i mean they were really littler

1315

00:52:26,870 --> 00:52:24,079

and more human and um i don't remember a

1316

00:52:29,990 --> 00:52:26,880

mouth i you know just a little tiny nose

1317

00:52:33,030 --> 00:52:30,000

and the head was very very bold this um

1318

00:52:35,910 --> 00:52:33,040

skinny little neck and uh but the it

1319

00:52:38,230 --> 00:52:35,920

wasn't that typical

1320

00:52:39,990 --> 00:52:38,240

which it it should be because then you

1321

00:52:42,069 --> 00:52:40,000

know my story is like everyone else's

1322

00:52:45,270 --> 00:52:42,079

but right it's different it's like these

1323

00:52:47,349 --> 00:52:45,280

eyes were not exactly the same

1324

00:52:49,109 --> 00:52:47,359

interesting and we have we have seen we

1325

00:52:51,349 --> 00:52:49,119

have seen depictions of creatures that

1326

00:52:53,990 --> 00:52:51,359

don't have the big eyes also that have

1327

00:52:55,270 --> 00:52:54,000

more human uh uh what we would associate

1328

00:52:59,349 --> 00:52:55,280

as human eyes

1329

00:53:01,670 --> 00:52:59,359

um do do you have a a working hypothesis

1330

00:53:03,109 --> 00:53:01,680

on whether or not that was some sort of

1331

00:53:06,309 --> 00:53:03,119

a height did that make you think of a

1332

00:53:07,829 --> 00:53:06,319

hybrid creature is is part a of this

1333

00:53:09,990 --> 00:53:07,839

question and part b

1334

00:53:13,270 --> 00:53:10,000

is do you still see this being in your

1335

00:53:15,829 --> 00:53:13,280

in your dreams or in your mind

1336

00:53:19,750 --> 00:53:15,839

so first part is is do you think hybrid

1337

00:53:24,710 --> 00:53:21,910

right

1338

00:53:29,510 --> 00:53:24,720

i did not see hybrid um i never thought

1339

00:53:31,670 --> 00:53:29,520

hybrid um i will tell you that um

1340

00:53:33,910 --> 00:53:31,680

i my mind is gone a million miles an

1341

00:53:35,990 --> 00:53:33,920

hour my husband retired as a navy

1342

00:53:38,150 --> 00:53:36,000

submarine commander i mean like he was a

1343

00:53:39,910 --> 00:53:38,160

golden boy in the navy and here i am you

1344

00:53:43,589 --> 00:53:39,920

know running around and my story's going

1345

00:53:45,829 --> 00:53:43,599

public and you know i just i i even went

1346

00:53:48,390 --> 00:53:45,839

as far down a rabbit hole to think that

1347

00:53:49,670 --> 00:53:48,400

did the government try to scare me so i

1348

00:53:51,750 --> 00:53:49,680

wouldn't go back out in the field

1349

00:53:53,589 --> 00:53:51,760

because my husband's a golden boy like i

1350

00:53:56,309 --> 00:53:53,599

i mean it's ridiculous to say that but

1351

00:53:58,150 --> 00:53:56,319

that's how far i was anything i would

1352

00:53:59,589 --> 00:53:58,160

listen people were contacting me i think

1353

00:54:01,270 --> 00:53:59,599

this is what happened

1354

00:54:04,150 --> 00:54:01,280

and it you know i just listened to it

1355

00:54:07,910 --> 00:54:04,160

all so um i don't think hybrid i know it

1356

00:54:09,430 --> 00:54:07,920

was real uh i know what i saw and

1357

00:54:11,990 --> 00:54:09,440

i don't know

1358

00:54:16,150 --> 00:54:12,000

how to describe any further than that

1359

00:54:18,710 --> 00:54:16,160

the second part of your question is um

1360

00:54:20,790 --> 00:54:18,720

i don't have i've never had dreams of it

1361

00:54:22,790 --> 00:54:20,800

um every once in a while when i'm

1362

00:54:25,190 --> 00:54:22,800

driving kind of late at night

1363

00:54:26,790 --> 00:54:25,200

and i start thinking about it like it's

1364

00:54:30,150 --> 00:54:26,800

just kind of playing over and over in my

1365

00:54:32,790 --> 00:54:30,160

head and you it's almost like that pain

1366

00:54:34,950 --> 00:54:32,800

comes back again it doesn't but you i

1367

00:54:36,950 --> 00:54:34,960

kind of feel it and i'm like i pull off

1368

00:54:39,589 --> 00:54:36,960

the road i'm walking outside getting

1369

00:54:41,109 --> 00:54:39,599

fresh air going blue happy place go to

1370

00:54:43,349 --> 00:54:41,119

my happy place

1371

00:54:45,589 --> 00:54:43,359

because i never want to feel that again

1372

00:54:46,630 --> 00:54:45,599

so um that's about you know and other

1373

00:54:48,630 --> 00:54:46,640

than just

1374

00:54:51,349 --> 00:54:48,640

always

1375

00:54:54,789 --> 00:54:51,359

knowing that one second changed my life

1376

00:54:59,589 --> 00:54:57,270

yeah uh i'll i'll come back to it but i

1377

00:55:02,789 --> 00:54:59,599

gotta get my colleague in here because i

1378

00:55:08,230 --> 00:55:05,670

well i keep i keep thinking about

1379

00:55:11,109 --> 00:55:08,240

you know what what could be going on

1380

00:55:13,510 --> 00:55:11,119

um and it seems like mufon has uh even

1381

00:55:15,349 --> 00:55:13,520

supported books about it being

1382

00:55:18,309 --> 00:55:15,359

extraterrestrial

1383

00:55:20,069 --> 00:55:18,319

um they've actually had publications

1384

00:55:22,069 --> 00:55:20,079

under their name about that and of

1385

00:55:24,309 --> 00:55:22,079

course they have support for

1386

00:55:27,190 --> 00:55:24,319

people who have been abducted and so on

1387

00:55:29,430 --> 00:55:27,200

and so forth so just from your lengthy

1388

00:55:30,230 --> 00:55:29,440

experience with mufon and all of your

1389

00:55:32,069 --> 00:55:30,240

work

1390

00:55:34,150 --> 00:55:32,079

do what what do you think is going on

1391

00:55:36,710 --> 00:55:34,160

what do you think is the most likely

1392

00:55:39,670 --> 00:55:36,720

explanation for these visitations do you

1393

00:55:41,589 --> 00:55:39,680

think extraterrestrial do you think

1394

00:55:43,430 --> 00:55:41,599

ultra terrestrial what do you think

1395

00:55:45,750 --> 00:55:43,440

interdimensional what do you think is

1396

00:55:48,230 --> 00:55:45,760

going on

1397

00:55:49,270 --> 00:55:48,240

i know i know deb right that's the quest

1398

00:55:52,390 --> 00:55:49,280

million

1399

00:55:53,910 --> 00:55:52,400

dollar question and um there's mufon's

1400

00:55:55,750 --> 00:55:53,920

all over the place i mean we have some

1401

00:55:56,950 --> 00:55:55,760

investigators that i started out nuts

1402

00:55:59,190 --> 00:55:56,960

and bolts i didn't even want to hear

1403

00:56:02,630 --> 00:55:59,200

about abductions and you know back in

1404

00:56:04,309 --> 00:56:02,640

the 90s right 95 96 97 98 i was just

1405

00:56:06,150 --> 00:56:04,319

like nuts and bolts that's all i cared

1406

00:56:08,549 --> 00:56:06,160

about and then

1407

00:56:09,829 --> 00:56:08,559

and i really

1408

00:56:11,990 --> 00:56:09,839

kind of

1409

00:56:15,109 --> 00:56:12,000

focused on that for the longest part of

1410

00:56:16,630 --> 00:56:15,119

my career but then you start listening

1411

00:56:18,069 --> 00:56:16,640

is going on

1412

00:56:20,230 --> 00:56:18,079

then

1413

00:56:22,630 --> 00:56:20,240

when you get out there not every ufo

1414

00:56:24,069 --> 00:56:22,640

investigation i did was ufo some of it

1415

00:56:26,630 --> 00:56:24,079

was paranormal

1416

00:56:30,549 --> 00:56:26,640

i swear guys some of it was totally

1417

00:56:31,910 --> 00:56:30,559

paranormal and then i'm in peru i'm in

1418

00:56:34,150 --> 00:56:31,920

bolivia

1419

00:56:35,190 --> 00:56:34,160

we hear stories all the time of these

1420

00:56:37,829 --> 00:56:35,200

you know

1421

00:56:39,750 --> 00:56:37,839

kind of portals that open up and things

1422

00:56:41,430 --> 00:56:39,760

come out of them and then they go back

1423

00:56:43,750 --> 00:56:41,440

and what they're doing here we don't

1424

00:56:46,789 --> 00:56:43,760

know um i was asked a question not too

1425

00:56:48,870 --> 00:56:46,799

long ago like is are these from space

1426

00:56:53,829 --> 00:56:48,880

and if you had to pick a

1427

00:56:58,950 --> 00:56:56,630

what you were what you believe it is

1428

00:57:00,870 --> 00:56:58,960

that how it's close got close encounters

1429

00:57:03,670 --> 00:57:00,880

of a third kind

1430

00:57:04,630 --> 00:57:03,680

i said no it's stranger things

1431

00:57:08,870 --> 00:57:04,640

think

1432

00:57:12,470 --> 00:57:10,630

a little bit of everything why does it

1433

00:57:15,109 --> 00:57:12,480

have

1434

00:57:16,710 --> 00:57:15,119

one

1435

00:57:19,190 --> 00:57:16,720

we could have beings from other planets

1436

00:57:21,430 --> 00:57:19,200

they could be angels and demons we could

1437

00:57:23,750 --> 00:57:21,440

have you know um

1438

00:57:25,670 --> 00:57:23,760

literally all these parallel universes

1439

00:57:27,589 --> 00:57:25,680

which i believe is more

1440

00:57:29,349 --> 00:57:27,599

possible and

1441

00:57:31,829 --> 00:57:29,359

provable

1442

00:57:33,589 --> 00:57:31,839

than the other so that's my personal

1443

00:57:35,510 --> 00:57:33,599

take with all the investigations i've

1444

00:57:37,190 --> 00:57:35,520

done um

1445

00:57:39,990 --> 00:57:37,200

you know i've been on bigfoot hunts i've

1446

00:57:43,109 --> 00:57:40,000

been on you know ufo you know thousands

1447

00:57:44,470 --> 00:57:43,119

honestly um paranormal investigations um

1448

00:57:46,390 --> 00:57:44,480

if you don't know what it is i'll go

1449

00:57:49,750 --> 00:57:46,400

i'll go look right i'll look i've been

1450

00:57:51,510 --> 00:57:49,760

in the swamps of you know uh down in

1451
00:57:53,829 --> 00:57:51,520
pearl river looking for the honey island

1452
00:57:56,549 --> 00:57:53,839
swamp monster you know up the hair and

1453
00:57:57,750 --> 00:57:56,559
swamp water you know it's just it's

1454
00:58:02,230 --> 00:57:57,760
about

1455
00:58:09,270 --> 00:58:05,670
for me honestly

1456
00:58:11,349 --> 00:58:09,280
think stranger things and i feel

1457
00:58:13,510 --> 00:58:11,359
vindicated a little bit

1458
00:58:15,670 --> 00:58:13,520
um even though they haven't come right

1459
00:58:17,750 --> 00:58:15,680
out and set it flat

1460
00:58:21,270 --> 00:58:17,760
lou elizondo

1461
00:58:25,349 --> 00:58:23,190
yeah i i do associate nathan with the

1462
00:58:27,190 --> 00:58:25,359
demogorgon now that you mentioned that

1463
00:58:30,069 --> 00:58:27,200

um and i don't know why i don't really

1464

00:58:32,309 --> 00:58:30,079

have a reason for it uh but

1465

00:58:34,710 --> 00:58:32,319

but what i was gonna say to you is is is

1466

00:58:38,150 --> 00:58:34,720

is how you evolved i think is how a lot

1467

00:58:40,710 --> 00:58:38,160

of us uh should evolve as we come into

1468

00:58:43,430 --> 00:58:40,720

the space uh i'm a retired military

1469

00:58:44,230 --> 00:58:43,440

aviator that's how i spent my career

1470

00:58:46,630 --> 00:58:44,240

it's

1471

00:58:48,549 --> 00:58:46,640

associated with what i do today

1472

00:58:49,349 --> 00:58:48,559

and i came in as a nuts and bolts and

1473

00:58:55,910 --> 00:58:49,359

now

1474

00:58:58,470 --> 00:58:55,920

this because if you were to if i were to

1475

00:59:01,030 --> 00:58:58,480

just limit myself to talking about nuts

1476

00:59:02,870 --> 00:59:01,040

and bolts it'd be like so boring like i

1477

00:59:05,349 --> 00:59:02,880

there's so many more things to to

1478

00:59:08,069 --> 00:59:05,359

hypothesize about and that's why you go

1479

00:59:10,390 --> 00:59:08,079

and you you engage with people who who

1480

00:59:12,950 --> 00:59:10,400

have a greater sense of of what we could

1481

00:59:13,750 --> 00:59:12,960

be looking at to inform

1482

00:59:17,510 --> 00:59:13,760

me

1483

00:59:20,309 --> 00:59:17,520

on and open expand my aperture my mind

1484

00:59:22,470 --> 00:59:20,319

on what it might be so anyway uh with

1485

00:59:25,990 --> 00:59:22,480

that uh nate i'm sorry deb do you have

1486

00:59:28,789 --> 00:59:26,000

something as well my dear eyes

1487

00:59:32,230 --> 00:59:31,109

go ahead man oh i don't yeah chase go

1488

00:59:37,589 --> 00:59:32,240

ahead and finish what you were saying

1489

00:59:41,829 --> 00:59:39,589

oh okay um

1490

00:59:43,829 --> 00:59:41,839

when you're looking into the eyes of

1491

00:59:46,390 --> 00:59:43,839

some of these people that have

1492

00:59:47,670 --> 00:59:46,400

contact or have been terrified

1493

00:59:49,349 --> 00:59:47,680

or

1494

00:59:51,750 --> 00:59:49,359

you know they're taken out they don't

1495

00:59:53,990 --> 00:59:51,760

know what to do who do they go to

1496

00:59:56,230 --> 00:59:54,000

and they call us so

1497

00:59:58,390 --> 00:59:56,240

number one that's why we have to be gold

1498

01:00:00,870 --> 00:59:58,400

standard we have to be better than just

1499

01:00:03,510 --> 01:00:00,880

a pen and pencil but when you look at

1500

01:00:05,829 --> 01:00:03,520

the eyes and you see a trauma and you

1501

01:00:08,390 --> 01:00:05,839

know they have no reason to make this up

1502

01:00:10,470 --> 01:00:08,400

why would they make this up it's crazy

1503

01:00:11,670 --> 01:00:10,480

and you go back all the way to betty and

1504

01:00:13,910 --> 01:00:11,680

barney hill

1505

01:00:15,910 --> 01:00:13,920

you know in the 60s early 60s they were

1506

01:00:17,910 --> 01:00:15,920

biracial couples they were they wanted

1507

01:00:18,630 --> 01:00:17,920

no attention whatsoever

1508

01:00:20,710 --> 01:00:18,640

but

1509

01:00:21,990 --> 01:00:20,720

it's um

1510

01:00:23,750 --> 01:00:22,000

you can't

1511

01:00:26,069 --> 01:00:23,760

ignore

1512

01:00:28,549 --> 01:00:26,079

that it's bigger than nuts and bolts so

1513

01:00:30,549 --> 01:00:28,559

you if your you're open-minded or if

1514

01:00:32,150 --> 01:00:30,559

you're really looking for the answers

1515

01:00:33,750 --> 01:00:32,160

you have to go where the evidence takes

1516

01:00:35,349 --> 01:00:33,760

you you can't go where you're you're you

1517

01:00:36,549 --> 01:00:35,359

know it's nuts and bolts and that's all

1518

01:00:37,670 --> 01:00:36,559

it is

1519

01:00:39,510 --> 01:00:37,680

you know they

1520

01:00:43,589 --> 01:00:39,520

you're gonna be left behind and a lot of

1521

01:00:45,990 --> 01:00:43,599

people have been left way way behind

1522

01:00:47,589 --> 01:00:46,000

and uh um

1523

01:00:50,630 --> 01:00:47,599

yeah for me

1524

01:00:52,549 --> 01:00:50,640

we have to listen to our witnesses and

1525

01:00:55,270 --> 01:00:52,559

if you believe that

1526

01:00:58,710 --> 01:00:55,280

you better be backing up this

1527

01:01:00,870 --> 01:00:58,720

you know this phenomenon as well

1528

01:01:03,190 --> 01:01:00,880

i'm very blessed that uh witnesses do

1529

01:01:04,950 --> 01:01:03,200

call and talk to each one of us and i'm

1530

01:01:07,510 --> 01:01:04,960

very blessed for each one i met in

1531

01:01:10,069 --> 01:01:07,520

floribama with two experiencers on

1532

01:01:11,750 --> 01:01:10,079

friday in from alabama and i was

1533

01:01:13,910 --> 01:01:11,760

perfectly willing to drive two plus

1534

01:01:16,150 --> 01:01:13,920

hours to do that debs

1535

01:01:18,069 --> 01:01:16,160

oh yeah i was just gonna say um i know

1536

01:01:20,230 --> 01:01:18,079

this is not as funny now but i was just

1537

01:01:22,630 --> 01:01:20,240

gonna say if you next time you go

1538

01:01:24,390 --> 01:01:22,640

uh checking out some triangles or little

1539

01:01:25,829 --> 01:01:24,400

beings please let me know

1540

01:01:28,710 --> 01:01:25,839

yeah

1541

01:01:31,589 --> 01:01:28,720

she's kind of local no i i have this

1542

01:01:33,910 --> 01:01:31,599

okay so i have this weird affinity

1543

01:01:35,030 --> 01:01:33,920

towards this description of the little

1544

01:01:37,750 --> 01:01:35,040

people

1545

01:01:39,349 --> 01:01:37,760

um i really do have like an affection

1546

01:01:43,030 --> 01:01:39,359

and like i don't know what that's about

1547

01:01:45,030 --> 01:01:43,040

but i'm like i really want to meet them

1548

01:01:48,710 --> 01:01:45,040

other people are terrified and horrified

1549

01:01:52,390 --> 01:01:51,190

well no you know and

1550

01:01:55,349 --> 01:01:52,400

obviously

1551

01:01:57,829 --> 01:01:55,359

i've spent my life basically adult life

1552

01:01:59,109 --> 01:01:57,839

you know looking for an alien or craft

1553

01:02:01,349 --> 01:01:59,119

or evidence

1554

01:02:03,270 --> 01:02:01,359

and i can tell you that there was one

1555

01:02:05,109 --> 01:02:03,280

part of me and i i can't

1556

01:02:07,589 --> 01:02:05,119

i usually can't get through describing

1557

01:02:08,870 --> 01:02:07,599

this without choking up so excuse me for

1558

01:02:10,710 --> 01:02:08,880

this but

1559

01:02:13,029 --> 01:02:10,720

after talking to so many abductees and

1560

01:02:15,750 --> 01:02:13,039

contactees they tell me that a lot of

1561

01:02:19,510 --> 01:02:15,760

times these beings express what they're

1562

01:02:22,549 --> 01:02:20,630

can you

1563

01:02:25,430 --> 01:02:22,559

imagine if that's what that little being

1564

01:02:27,829 --> 01:02:25,440

was feeling it it was unlike anything

1565

01:02:31,510 --> 01:02:27,839

and i just and i left him

1566

01:02:32,710 --> 01:02:31,520

and he needed help i mean i just there's

1567

01:02:34,150 --> 01:02:32,720

it's not a good it's not a good

1568

01:02:35,589 --> 01:02:34,160

situation i know people are like you're

1569

01:02:38,309 --> 01:02:35,599

so lucky you saw that i'm like no i'm

1570

01:02:40,309 --> 01:02:38,319

not i i would love to not see it again i

1571

01:02:42,870 --> 01:02:40,319

really would because

1572

01:02:45,029 --> 01:02:42,880

if that's it like what if i just held

1573

01:02:47,430 --> 01:02:45,039

out my hand or but we were not in

1574

01:02:50,069 --> 01:02:47,440

control and i know that but it's the

1575

01:02:52,390 --> 01:02:50,079

mama the grandma the you know they call

1576

01:02:54,870 --> 01:02:52,400

me mims not grandma but like

1577

01:02:57,109 --> 01:02:54,880

it's my heart that was just like

1578

01:02:59,589 --> 01:02:57,119

oh my gosh all of a sudden i realized is

1579

01:03:02,710 --> 01:02:59,599

that possible is that a possibility and

1580

01:03:06,950 --> 01:03:02,720

then i'll just gut it absolutely gutted

1581

01:03:11,349 --> 01:03:09,349

i i just want to say in your defense

1582

01:03:14,069 --> 01:03:11,359

that may not have been one of those

1583

01:03:15,750 --> 01:03:14,079

experiences where they shaped your

1584

01:03:17,829 --> 01:03:15,760

feeling based on

1585

01:03:19,589 --> 01:03:17,839

something they were trying to achieve it

1586

01:03:21,510 --> 01:03:19,599

may just have been

1587

01:03:23,349 --> 01:03:21,520

a reaction to something that we don't

1588

01:03:25,750 --> 01:03:23,359

have a box to put it in

1589

01:03:27,910 --> 01:03:25,760

some people see a craft or or they see a

1590

01:03:29,510 --> 01:03:27,920

being and they don't we we're looking

1591

01:03:30,390 --> 01:03:29,520

for a box and there's no damn box

1592

01:03:34,710 --> 01:03:30,400

where's the box

1593

01:03:38,230 --> 01:03:37,029

what's in the box

1594

01:03:41,109 --> 01:03:38,240

exactly

1595

01:03:43,029 --> 01:03:41,119

well chase uh i was listening to an

1596

01:03:44,309 --> 01:03:43,039

interview with grant cameron today and

1597

01:03:45,589 --> 01:03:44,319

we've had him on the show and really

1598

01:03:47,270 --> 01:03:45,599

enjoyed speaking with him and you know

1599

01:03:49,029 --> 01:03:47,280

he mentioned that

1600

01:03:50,950 --> 01:03:49,039

you know he really he's kind of

1601
01:03:52,470 --> 01:03:50,960
surprised that we're getting the

1602
01:03:54,710 --> 01:03:52,480
momentum that we're getting now with

1603
01:03:56,150 --> 01:03:54,720
disclosure that it's you know in his

1604
01:03:57,750 --> 01:03:56,160
words it's kind of it's happening you

1605
01:03:59,430 --> 01:03:57,760
know it's uh the cat's out of the box

1606
01:04:01,190 --> 01:03:59,440
toothpaste attitude whatever metaphor

1607
01:04:03,510 --> 01:04:01,200
you want to use it's really happening

1608
01:04:04,950 --> 01:04:03,520
and and i think you know your comment

1609
01:04:06,789 --> 01:04:04,960
just then about

1610
01:04:08,870 --> 01:04:06,799
the the people that you've interacted

1611
01:04:10,870 --> 01:04:08,880
with on this journey and some of the

1612
01:04:13,029 --> 01:04:10,880
people that we've interacted with you

1613
01:04:14,069 --> 01:04:13,039

know there's a lot at stake in this

1614

01:04:15,990 --> 01:04:14,079

subject

1615

01:04:18,549 --> 01:04:16,000

there's a lot of emotion

1616

01:04:19,349 --> 01:04:18,559

uh there's a lot of you know kind of

1617

01:04:21,349 --> 01:04:19,359

just

1618

01:04:23,349 --> 01:04:21,359

raw feeling and stress and people who

1619

01:04:24,230 --> 01:04:23,359

need real answers

1620

01:04:29,270 --> 01:04:24,240

you know

1621

01:04:30,470 --> 01:04:29,280

we going to get some real answers

1622

01:04:32,470 --> 01:04:30,480

you know are some of these people going

1623

01:04:35,029 --> 01:04:32,480

to find the answers that they're seeking

1624

01:04:36,630 --> 01:04:35,039

or are we going to be left with just a

1625

01:04:40,870 --> 01:04:36,640

bag of brand new questions to have to

1626

01:04:45,349 --> 01:04:43,349

i think i i think

1627

01:04:46,950 --> 01:04:45,359

we have momentum i i agree with grant

1628

01:04:50,549 --> 01:04:46,960

like we're on it and we're not going to

1629

01:04:52,710 --> 01:04:50,559

give up so this is why

1630

01:04:55,029 --> 01:04:52,720

i love the ufo twitter we're

1631

01:04:57,910 --> 01:04:55,039

putting out senators phone numbers like

1632

01:04:59,589 --> 01:04:57,920

contact your representatives tell them

1633

01:05:02,069 --> 01:04:59,599

you know and don't go and say what's

1634

01:05:04,710 --> 01:05:02,079

going on like i want i want disclosure i

1635

01:05:07,190 --> 01:05:04,720

want you know transparency and ufo what

1636

01:05:09,589 --> 01:05:07,200

you want to do is what i do like so you

1637

01:05:12,390 --> 01:05:09,599

get to know who these guys are right you

1638

01:05:14,150 --> 01:05:12,400

get to know so you have somebody like uh

1639

01:05:16,069 --> 01:05:14,160

kentucky rand paul

1640

01:05:18,710 --> 01:05:16,079

he's all about money he's all about

1641

01:05:20,630 --> 01:05:18,720

fiscal responsibility so i call his

1642

01:05:22,470 --> 01:05:20,640

office i'm just like where did that

1643

01:05:25,109 --> 01:05:22,480

money come from because

1644

01:05:28,230 --> 01:05:25,119

i did a foia and i don't see anything in

1645

01:05:30,789 --> 01:05:28,240

the budget for that ufo office oh guess

1646

01:05:32,390 --> 01:05:30,799

whose attention is got now so if you

1647

01:05:33,990 --> 01:05:32,400

know these guys

1648

01:05:36,549 --> 01:05:34,000

and

1649

01:05:39,510 --> 01:05:36,559

um or or pay attention

1650

01:05:42,870 --> 01:05:39,520

this is how we get them involved and

1651
01:05:44,309 --> 01:05:42,880
there is so many many of them that have

1652
01:05:46,309 --> 01:05:44,319
had these briefs they're just not going

1653
01:05:48,309 --> 01:05:46,319
to talk about it some can't handle it

1654
01:05:50,069 --> 01:05:48,319
some don't want to they just want to go

1655
01:05:51,990 --> 01:05:50,079
to target and go home and feed their

1656
01:05:53,990 --> 01:05:52,000
kids and start with their husband

1657
01:05:56,150 --> 01:05:54,000
hopefully on momentum

1658
01:05:57,109 --> 01:05:56,160
definitely on momentum but i will say

1659
01:05:59,750 --> 01:05:57,119
one thing

1660
01:06:01,430 --> 01:05:59,760
this ufo group at the pentagon did you

1661
01:06:04,309 --> 01:06:01,440
see the hearings

1662
01:06:07,829 --> 01:06:04,319
these guys were as clueless as a bag of

1663
01:06:13,109 --> 01:06:07,839

bricks on anything ufo why they have not

1664

01:06:15,029 --> 01:06:13,119

called in louie elizondo or chris mellon

1665

01:06:18,069 --> 01:06:15,039

brief me

1666

01:06:19,990 --> 01:06:18,079

former military how how many times you

1667

01:06:22,470 --> 01:06:20,000

see a change of command where they don't

1668

01:06:24,309 --> 01:06:22,480

share information and kind of the down

1669

01:06:26,309 --> 01:06:24,319

low and what's going on it's just

1670

01:06:27,349 --> 01:06:26,319

ridiculous these guys are these guys are

1671

01:06:28,870 --> 01:06:27,359

clueless they're not going to do

1672

01:06:29,829 --> 01:06:28,880

anything for us and we have to push for

1673

01:06:36,789 --> 01:06:29,839

better

1674

01:06:39,670 --> 01:06:38,309

i was going to say it's by design

1675

01:06:41,910 --> 01:06:39,680

there's nothing different than it's been

1676

01:06:43,270 --> 01:06:41,920

for the last 75 years

1677

01:06:46,390 --> 01:06:43,280

they could hire us

1678

01:06:48,710 --> 01:06:46,400

you're absolutely right

1679

01:06:51,349 --> 01:06:48,720

right exactly but what we're pushing for

1680

01:06:52,150 --> 01:06:51,359

now is because um i can tell you right

1681

01:06:53,430 --> 01:06:52,160

now

1682

01:06:55,190 --> 01:06:53,440

these people don't want to hear about

1683

01:06:57,670 --> 01:06:55,200

roswell they don't want to hear about

1684

01:06:59,670 --> 01:06:57,680

aliens they don't give two craps about

1685

01:07:01,029 --> 01:06:59,680

you know what happened in alabama with

1686

01:07:02,789 --> 01:07:01,039

you know calvin

1687

01:07:05,510 --> 01:07:02,799

you know what they care about is

1688

01:07:07,990 --> 01:07:05,520

national security today

1689

01:07:09,829 --> 01:07:08,000

that's all they're doing right now so

1690

01:07:11,029 --> 01:07:09,839

we're pushing this so what i what we're

1691

01:07:14,309 --> 01:07:11,039

pushing now

1692

01:07:16,069 --> 01:07:14,319

lou elizondo needs to

1693

01:07:18,950 --> 01:07:16,079

brief congress

1694

01:07:19,750 --> 01:07:18,960

that's and chris mellon lou and chris

1695

01:07:21,670 --> 01:07:19,760

need

1696

01:07:24,150 --> 01:07:21,680

to be sitting in those chairs talking to

1697

01:07:27,349 --> 01:07:24,160

congress not those two figureheads you

1698

01:07:29,349 --> 01:07:27,359

know like give me a break because they

1699

01:07:31,829 --> 01:07:29,359

will blow them away and if they get a

1700

01:07:33,829 --> 01:07:31,839

chance to testify it's done guys it's

1701

01:07:36,150 --> 01:07:33,839

it's done i actually feel like it's done

1702

01:07:38,230 --> 01:07:36,160

anyway so you know never in my life did

1703

01:07:40,470 --> 01:07:38,240

i think i'd ever see

1704

01:07:42,789 --> 01:07:40,480

the united states government and

1705

01:07:45,510 --> 01:07:42,799

military admit there are things in our

1706

01:07:48,470 --> 01:07:45,520

skies that they can't identify

1707

01:07:51,910 --> 01:07:48,480

i about fell off my couch i'm just like

1708

01:07:53,910 --> 01:07:51,920

whoa oh my god like i'm not the crazy

1709

01:07:55,910 --> 01:07:53,920

woman down the block right now

1710

01:07:56,950 --> 01:07:55,920

i'm the coolest chick on the block right

1711

01:07:59,750 --> 01:07:56,960

now

1712

01:08:02,230 --> 01:07:59,760

like it was great

1713

01:08:04,150 --> 01:08:02,240

you know what chase if if they do this

1714

01:08:06,150 --> 01:08:04,160

it would be in closed session because

1715

01:08:08,069 --> 01:08:06,160

they don't want the american public to

1716

01:08:10,150 --> 01:08:08,079

confront what lewis and christopher

1717

01:08:12,230 --> 01:08:10,160

would say that's not something that they

1718

01:08:14,630 --> 01:08:12,240

want uh that's not something they've

1719

01:08:16,309 --> 01:08:14,640

wanted for the last 75 years is a

1720

01:08:17,189 --> 01:08:16,319

credible witness to come up there and

1721

01:08:20,309 --> 01:08:17,199

say

1722

01:08:22,470 --> 01:08:20,319

x y z and and especially the the level

1723

01:08:23,910 --> 01:08:22,480

of orator that these two gentlemen are

1724

01:08:26,309 --> 01:08:23,920

is not something that they want because

1725

01:08:29,430 --> 01:08:26,319

then the american public would it would

1726

01:08:31,349 --> 01:08:29,440

uh writ large have to uh would have to

1727

01:08:33,590 --> 01:08:31,359

confront this and we've been talking

1728

01:08:35,189 --> 01:08:33,600

about lately we've we've had a layperson

1729

01:08:38,229 --> 01:08:35,199

come on our show

1730

01:08:42,070 --> 01:08:38,239

a very gregarious uh lady i'm not going

1731

01:08:43,510 --> 01:08:42,080

to name her but somebody uh

1732

01:08:46,709 --> 01:08:43,520

let's just say somebody we've had on

1733

01:08:48,950 --> 01:08:46,719

before that was a a an amazing guest and

1734

01:08:51,430 --> 01:08:48,960

when we asked her to confront

1735

01:08:53,669 --> 01:08:51,440

uh the existence of uaps that that that

1736

01:08:56,149 --> 01:08:53,679

was very angering to her and this is a

1737

01:08:58,390 --> 01:08:56,159

person uh that's also worked in the

1738

01:09:01,430 --> 01:08:58,400

white house this is a person who

1739

01:09:04,309 --> 01:09:01,440

of uh a sound character but not somebody

1740

01:09:06,789 --> 01:09:04,319

who wanted to confront something that um

1741

01:09:10,950 --> 01:09:06,799

uh that that we know exists

1742

01:09:18,470 --> 01:09:10,960

and and bears uh consideration by

1743

01:09:22,789 --> 01:09:20,550

uh-oh chase is frozen but she's coming

1744

01:09:27,030 --> 01:09:22,799

she's listening to people because you

1745

01:09:27,040 --> 01:09:29,829

am i back

1746

01:09:33,669 --> 01:09:31,749

yes ma'am you're back can you re can you

1747

01:09:34,470 --> 01:09:33,679

restart that

1748

01:09:37,030 --> 01:09:34,480

okay

1749

01:09:39,510 --> 01:09:37,040

so with military members

1750

01:09:41,910 --> 01:09:39,520

so as a military member um they have

1751

01:09:43,430 --> 01:09:41,920

also have um security clearances that

1752

01:09:44,470 --> 01:09:43,440

they don't want to lose they don't want

1753

01:09:47,510 --> 01:09:44,480

to lose

1754

01:09:49,349 --> 01:09:47,520

their you know retirement or you know

1755

01:09:51,189 --> 01:09:49,359

even some of the things that they have

1756

01:09:53,590 --> 01:09:51,199

which is like a decent job that they're

1757

01:09:55,590 --> 01:09:53,600

going to be promoted to chief or senior

1758

01:09:57,189 --> 01:09:55,600

chief um

1759

01:09:58,630 --> 01:09:57,199

before

1760

01:09:59,830 --> 01:09:58,640

you know

1761

01:10:02,390 --> 01:09:59,840

and then i'm going to come out and talk

1762

01:10:04,950 --> 01:10:02,400

about a ufo i saw so

1763

01:10:06,229 --> 01:10:04,960

one of the problems that we have with

1764

01:10:08,870 --> 01:10:06,239

and

1765

01:10:10,390 --> 01:10:08,880

yeah other professionals so now i don't

1766

01:10:12,070 --> 01:10:10,400

think they can put it back in the box i

1767

01:10:14,709 --> 01:10:12,080

don't think that this is going to go

1768

01:10:17,189 --> 01:10:14,719

away the momentum is coming because now

1769

01:10:18,550 --> 01:10:17,199

the military is allowed to talk about

1770

01:10:21,990 --> 01:10:18,560

what they're seeing

1771

01:10:25,669 --> 01:10:22,000

we hear the big stuff about um

1772

01:10:27,669 --> 01:10:25,679

nimitz gimbal all of it

1773

01:10:29,669 --> 01:10:27,679

there are plenty of reports coming in

1774

01:10:33,590 --> 01:10:29,679

right now from not

1775

01:10:36,550 --> 01:10:35,430

army

1776

01:10:38,950 --> 01:10:36,560

marines

1777

01:10:41,110 --> 01:10:38,960

you know i have a son who's active duty

1778

01:10:43,910 --> 01:10:41,120

marine i have a grand

1779

01:10:48,310 --> 01:10:43,920

son who's active duty marine and i ask

1780

01:10:52,630 --> 01:10:50,470

uh i have to pass it over to money

1781

01:10:54,630 --> 01:10:52,640

nathan but yeah i agree with you chase

1782

01:10:56,470 --> 01:10:54,640

i've never i would never have talked

1783

01:10:58,550 --> 01:10:56,480

about this during my flying career and

1784

01:11:00,630 --> 01:10:58,560

today i don't talk my boss does not know

1785

01:11:03,270 --> 01:11:00,640

i talk about this hi boss i'm just

1786

01:11:04,870 --> 01:11:03,280

kidding go ahead

1787

01:11:07,350 --> 01:11:04,880

yeah well let's do this i'm going to

1788

01:11:18,229 --> 01:11:07,360

pass it to to deb and then uh and then

1789

01:11:22,470 --> 01:11:19,669

i just want to say when you talk about

1790

01:11:24,630 --> 01:11:22,480

little people deb um you know nathan and

1791

01:11:27,030 --> 01:11:24,640

i are five eight i feel like james ian

1792

01:11:29,189 --> 01:11:27,040

doley could view nathan and i as little

1793

01:11:31,270 --> 01:11:29,199

people when he meets us and i worry

1794

01:11:33,110 --> 01:11:31,280

about that so i'm hoping there's no you

1795

01:11:35,430 --> 01:11:33,120

know what i'm saying yeah there's no

1796

01:11:37,110 --> 01:11:35,440

hitchhiker effect here yeah yeah i'm

1797

01:11:38,470 --> 01:11:37,120

shorter than that okay that's all i'm

1798

01:11:42,229 --> 01:11:38,480

gonna say but

1799

01:11:46,470 --> 01:11:44,550

so yeah i was i was gonna address you

1800

01:11:47,830 --> 01:11:46,480

know we talk a lot about military

1801

01:11:50,550 --> 01:11:47,840

witnesses

1802

01:11:53,189 --> 01:11:50,560

um and i was just telling um dj and

1803

01:11:55,750 --> 01:11:53,199

nathan you know earlier that um i was

1804

01:11:58,709 --> 01:11:55,760

reading a ufo book while i was gone and

1805

01:12:02,470 --> 01:11:58,719

i've been reading indigenous stories um

1806

01:12:05,430 --> 01:12:02,480

international indigenous stories um and

1807

01:12:08,470 --> 01:12:05,440

i was reading native american then

1808

01:12:10,390 --> 01:12:08,480

native australian and now i'm reading

1809

01:12:13,270 --> 01:12:10,400

well i've just finished already six

1810

01:12:15,270 --> 01:12:13,280

killers sky people so i really kind of

1811

01:12:18,229 --> 01:12:15,280

want to emphasize with people that the

1812

01:12:20,870 --> 01:12:18,239

demographics goes well beyond

1813

01:12:23,030 --> 01:12:20,880

um this country and that the the

1814

01:12:24,390 --> 01:12:23,040

patterns are consistent internationally

1815

01:12:26,149 --> 01:12:24,400

so i just you're nodding so you're

1816

01:12:28,709 --> 01:12:26,159

probably answering the question already

1817

01:12:30,630 --> 01:12:28,719

i just you know wanted you know to put

1818

01:12:32,470 --> 01:12:30,640

give you a chance to put your input in

1819

01:12:34,390 --> 01:12:32,480

on that as well because i i've had

1820

01:12:40,310 --> 01:12:34,400

people say oh this is just an american

1821

01:12:44,229 --> 01:12:42,070

deb you are so

1822

01:12:46,709 --> 01:12:44,239

you are so right like on all of it

1823

01:12:50,149 --> 01:12:46,719

indigenous people have an advantage that

1824

01:12:51,830 --> 01:12:50,159

we don't and a lot of that is the

1825

01:12:55,270 --> 01:12:51,840

culture of

1826

01:12:59,750 --> 01:12:55,280

accepting what is real and just dealing

1827

01:13:04,709 --> 01:13:02,709

and i'm doing interviews and um on a

1828

01:13:06,550 --> 01:13:04,719

case that they had i'm standing with the

1829

01:13:09,270 --> 01:13:06,560

mayor of pisco

1830

01:13:12,070 --> 01:13:09,280

on a on a mound and uh actually a buried

1831

01:13:13,430 --> 01:13:12,080

uh step pyramid and he's telling me

1832

01:13:15,590 --> 01:13:13,440

about

1833

01:13:17,110 --> 01:13:15,600

this dry lake bed and what i didn't

1834

01:13:19,830 --> 01:13:17,120

understand like you want me to go take

1835

01:13:21,830 --> 01:13:19,840

samples he goes

1836

01:13:23,350 --> 01:13:21,840

chase no they well they call me chelsea

1837

01:13:25,189 --> 01:13:23,360

because chase does

1838

01:13:26,709 --> 01:13:25,199

the translation

1839

01:13:27,990 --> 01:13:26,719

anyway so

1840

01:13:29,830 --> 01:13:28,000

he's telling

1841

01:13:34,550 --> 01:13:29,840

about this ufo that came down and just

1842

01:13:38,790 --> 01:13:36,149

right i'll be a

1843

01:13:39,750 --> 01:13:38,800

i'll be a chelsea for a day

1844

01:13:42,070 --> 01:13:39,760

so

1845

01:13:43,110 --> 01:13:42,080

he is not only their crops but they're

1846

01:13:44,709 --> 01:13:43,120

animals

1847

01:13:46,950 --> 01:13:44,719

and i'm like well do you want me to go

1848

01:13:48,630 --> 01:13:46,960

take samples or something and he's like

1849

01:13:49,910 --> 01:13:48,640

no i want you to tell them to bring my

1850

01:13:51,270 --> 01:13:49,920

water back

1851

01:13:53,750 --> 01:13:51,280

and

1852

01:13:56,709 --> 01:13:53,760

it's nothing to ask people about

1853

01:13:58,229 --> 01:13:56,719

you know ufo encounters have you seen

1854

01:14:09,910 --> 01:13:58,239

anything

1855

01:14:20,470 --> 01:14:11,990

we're losing chase here i was asked that

1856

01:14:28,390 --> 01:14:22,790

we're losing chase chase yeah i think

1857

01:14:34,390 --> 01:14:30,070

okay you're back yes ma'am so i've never

1858

01:14:37,189 --> 01:14:35,669

awesome

1859

01:14:38,950 --> 01:14:37,199

never seen poverty like this it's

1860

01:14:39,750 --> 01:14:38,960

absolutely ridiculous

1861

01:14:41,510 --> 01:14:39,760

and

1862

01:14:43,510 --> 01:14:41,520

if i went through one more village my

1863

01:14:47,189 --> 01:14:43,520

heart was gonna my heart couldn't take

1864

01:14:53,750 --> 01:14:47,199

it honestly i'm done like i'm just i

1865

01:14:57,669 --> 01:14:55,430

truck that we had

1866

01:14:59,830 --> 01:14:57,679

and this little village boy comes up and

1867

01:15:01,510 --> 01:14:59,840

he has these rosy little cheeks cutest

1868

01:15:02,709 --> 01:15:01,520

little thing ever oh my god i just want

1869

01:15:05,590 --> 01:15:02,719

to pick him up give him kisses and

1870

01:15:06,630 --> 01:15:05,600

squeak he's got dirty little feet

1871

01:15:12,709 --> 01:15:06,640

um

1872

01:15:12,719 --> 01:15:18,229

his eyes

1873

01:15:21,669 --> 01:15:20,229

and chase is uh

1874

01:15:25,189 --> 01:15:21,679

we're going to be lucky if we get these

1875

01:15:27,030 --> 01:15:25,199

last couple of questions and go ahead

1876

01:15:28,630 --> 01:15:27,040

happy community they take care of each

1877

01:15:32,229 --> 01:15:28,640

other they

1878

01:15:33,990 --> 01:15:32,239

share food they share everything

1879

01:15:36,870 --> 01:15:34,000

all of a sudden i realize seeing this

1880

01:15:39,830 --> 01:15:36,880

little boy's eyes it's like who am i

1881

01:15:42,070 --> 01:15:39,840

arrogant oh my god i have friends that

1882

01:15:44,790 --> 01:15:42,080

need xanax because they can't get to

1883

01:15:47,270 --> 01:15:44,800

their yacht by five o'clock it's like

1884

01:15:49,270 --> 01:15:47,280

these people are happy they're happy in

1885

01:15:50,550 --> 01:15:49,280

their villages they are they don't need

1886

01:15:52,630 --> 01:15:50,560

what we have they don't need a cell

1887

01:15:55,590 --> 01:15:52,640

phone took a picture of that little boy

1888

01:15:56,630 --> 01:15:55,600

he was freaking out happy like

1889

01:16:03,030 --> 01:15:56,640

that

1890

01:16:05,350 --> 01:16:03,040

bible passage

1891

01:16:07,910 --> 01:16:05,360

that i heard as a kid

1892

01:16:10,070 --> 01:16:07,920

if you turn off our electricity in three

1893

01:16:12,390 --> 01:16:10,080

days we're killing people

1894

01:16:14,470 --> 01:16:12,400

you turn off their electricity

1895

01:16:16,550 --> 01:16:14,480

just another day in the woods just

1896

01:16:18,790 --> 01:16:16,560

another day in the tropics they're still

1897

01:16:21,110 --> 01:16:18,800

trading machetes for goats and

1898

01:16:23,430 --> 01:16:21,120

so i really think that

1899

01:16:25,030 --> 01:16:23,440

you know just

1900

01:16:27,830 --> 01:16:25,040

we think we're all

1901

01:16:30,870 --> 01:16:27,840

all that and a bag of chips but

1902

01:16:35,430 --> 01:16:32,709

oh you're you're you're right chase and

1903

01:16:37,669 --> 01:16:35,440

i remember uh i moved to england ahead

1904

01:16:40,790 --> 01:16:37,679

of my wife and then when i finally went

1905

01:16:43,110 --> 01:16:40,800

home i picked up her my pets we pcs to

1906

01:16:45,750 --> 01:16:43,120

uh raf milden hall but we're living off

1907

01:16:47,110 --> 01:16:45,760

based in in in a uh like a cottage

1908

01:16:49,350 --> 01:16:47,120

downtown

1909

01:16:51,189 --> 01:16:49,360

and hot water heater wasn't working it

1910

01:16:52,149 --> 01:16:51,199

was pretty cool out it was kind of like

1911

01:16:53,910 --> 01:16:52,159

fall

1912

01:16:55,910 --> 01:16:53,920

and i was like oh man we got no hot

1913

01:16:57,430 --> 01:16:55,920

water or shower my wife's like oh no

1914

01:16:59,030 --> 01:16:57,440

problem she just went and put the

1915

01:17:01,350 --> 01:16:59,040

biggest pot we had on the stove and

1916

01:17:02,870 --> 01:17:01,360

boiled water and made me a bath so you

1917

01:17:04,070 --> 01:17:02,880

know just i wouldn't have even thought

1918

01:17:05,910 --> 01:17:04,080

of that i could probably could have had

1919

01:17:08,149 --> 01:17:05,920

been a week like that and not thought of

1920

01:17:10,229 --> 01:17:08,159

oh i can't shower but you know for her

1921

01:17:12,950 --> 01:17:10,239

she's from brazil she grew up without

1922

01:17:14,950 --> 01:17:12,960

hot water so it was nothing to her to to

1923

01:17:16,709 --> 01:17:14,960

figure that out so right

1924

01:17:19,189 --> 01:17:16,719

um the other thing i want to say about

1925

01:17:21,430 --> 01:17:19,199

the phenomenon you know we talk about

1926

01:17:24,550 --> 01:17:21,440

how intelligent this thing is

1927

01:17:24,560 --> 01:17:27,510

go ahead man

1928

01:17:32,310 --> 01:17:30,229

yeah go ahead how intelligent they

1929

01:17:33,430 --> 01:17:32,320

where we estimate how intelligent they

1930

01:17:35,510 --> 01:17:33,440

are

1931

01:17:37,189 --> 01:17:35,520

um

1932

01:17:39,030 --> 01:17:37,199

i'm gonna make an estimate for you i

1933

01:17:42,830 --> 01:17:39,040

often wonder who's keeping the secret

1934

01:17:46,790 --> 01:17:44,390

okay

1935

01:17:49,030 --> 01:17:46,800

well you know when you look at it they

1936

01:17:51,590 --> 01:17:49,040

go and they empty out a lake and you

1937

01:17:53,590 --> 01:17:51,600

know you you go to walmart it's a dollar

1938

01:17:55,030 --> 01:17:53,600

eight a gallon and when you think about

1939

01:17:56,470 --> 01:17:55,040

it they were able to get all that

1940

01:17:58,630 --> 01:17:56,480

drinking water

1941

01:18:00,709 --> 01:17:58,640

uh for no money instead of going to

1942

01:18:02,950 --> 01:18:00,719

walmart checking out you know buying

1943

01:18:04,229 --> 01:18:02,960

gallon jugs of water i i think that's

1944

01:18:05,990 --> 01:18:04,239

extraordinary that shows their

1945

01:18:07,510 --> 01:18:06,000

intelligence they got all that drinking

1946

01:18:15,350 --> 01:18:07,520

water for free

1947

01:18:18,390 --> 01:18:17,030

yeah there's nothing stupid about these

1948

01:18:20,070 --> 01:18:18,400

people they live

1949

01:18:22,950 --> 01:18:20,080

a

1950

01:18:26,630 --> 01:18:22,960

life

1951

01:18:30,149 --> 01:18:26,640

with their crops and their cattle and

1952

01:18:31,669 --> 01:18:30,159

the love of their family i mean i just

1953

01:18:33,350 --> 01:18:31,679

you know i just came back a different

1954

01:18:35,189 --> 01:18:33,360

person honestly

1955

01:18:36,149 --> 01:18:35,199

let me bring up something i hope to blow

1956

01:18:37,189 --> 01:18:36,159

your mind

1957

01:18:39,270 --> 01:18:37,199

please

1958

01:18:40,550 --> 01:18:39,280

so

1959

01:18:44,790 --> 01:18:40,560

what if

1960

01:18:47,270 --> 01:18:44,800

responsible for keeping this secret that

1961

01:18:49,430 --> 01:18:47,280

they're told they can't talk about it

1962

01:18:51,270 --> 01:18:49,440

because there will be ramifications

1963

01:18:52,709 --> 01:18:51,280

because these beings have been here

1964

01:18:55,910 --> 01:18:52,719

forever

1965

01:18:57,750 --> 01:18:55,920

they could come down and maybe cure

1966

01:19:00,790 --> 01:18:57,760

for cancer

1967

01:19:03,750 --> 01:19:00,800

they could come down and really unite

1968

01:19:06,229 --> 01:19:03,760

the human species they could come down

1969

01:19:07,590 --> 01:19:06,239

and even just let us know their hair and

1970

01:19:10,790 --> 01:19:07,600

they don't

1971

01:19:12,149 --> 01:19:10,800

everything they do is

1972

01:19:14,709 --> 01:19:12,159

[Music]

1973

01:19:19,189 --> 01:19:16,950

darkness and then why keep that secret

1974

01:19:23,189 --> 01:19:19,199

so tight against our chest

1975

01:19:26,709 --> 01:19:23,199

maybe it's not our idea or our decision

1976

01:19:31,510 --> 01:19:29,430

interesting hypothesis for sure

1977

01:19:34,149 --> 01:19:31,520

and uh

1978

01:19:36,070 --> 01:19:34,159

uh but it's gone so many generations it

1979

01:19:38,310 --> 01:19:36,080

would be sort of in so many

1980

01:19:39,910 --> 01:19:38,320

administrations it would be hard to

1981

01:19:41,990 --> 01:19:39,920

to keep that under

1982

01:19:43,910 --> 01:19:42,000

under wraps um

1983

01:19:45,910 --> 01:19:43,920

interesting though i mean who knows so

1984

01:19:48,310 --> 01:19:45,920

many of the aspects of the phenomenon we

1985

01:19:49,910 --> 01:19:48,320

don't know but uh uh deb has something

1986

01:19:52,550 --> 01:19:49,920

for you then we these are this is our

1987

01:19:54,630 --> 01:19:52,560

last round our final round if you are so

1988

01:19:55,830 --> 01:19:54,640

okay we're in a 15-round fight we're in

1989

01:19:58,470 --> 01:19:55,840

round 12.

1990

01:20:01,750 --> 01:19:58,480

yeah i was gonna say that in the native

1991

01:20:04,149 --> 01:20:01,760

australians when they did their artwork

1992

01:20:06,629 --> 01:20:04,159

um they said that they're sky people but

1993

01:20:09,590 --> 01:20:06,639

they also said that only very special

1994

01:20:12,950 --> 01:20:09,600

people are allowed to do it and only

1995

01:20:15,030 --> 01:20:12,960

very specific members of the group are

1996

01:20:17,030 --> 01:20:15,040

allowed to do it and anyone else would

1997

01:20:18,790 --> 01:20:17,040

be offensive and

1998

01:20:20,870 --> 01:20:18,800

sacrilegious and they said that the sky

1999

01:20:22,390 --> 01:20:20,880

people told them that they set that role

2000

01:20:25,110 --> 01:20:22,400

in place for them so it's interesting

2001

01:20:27,510 --> 01:20:25,120

that you should propose that idea

2002

01:20:28,950 --> 01:20:27,520

but um i just think you know as you said

2003

01:20:31,830 --> 01:20:28,960

earlier there's probably lots of

2004

01:20:33,750 --> 01:20:31,840

entities involved so i don't think

2005

01:20:34,790 --> 01:20:33,760

they're all on the same page with that

2006

01:20:37,270 --> 01:20:34,800

either

2007

01:20:39,110 --> 01:20:37,280

you know that's all

2008

01:20:41,510 --> 01:20:39,120

and it and i don't have another question

2009

01:20:42,870 --> 01:20:41,520

i agree i just

2010

01:20:44,229 --> 01:20:42,880

and your question was and i'm just

2011

01:20:45,750 --> 01:20:44,239

kidding yeah i don't really have another

2012

01:20:47,750 --> 01:20:45,760

question i just wanted to thank you so

2013

01:20:50,070 --> 01:20:47,760

much for coming out and talking to us

2014

01:20:51,669 --> 01:20:50,080

today you have invaluable amounts of

2015

01:21:01,350 --> 01:20:51,679

information so i hope you're sharing

2016

01:21:05,590 --> 01:21:03,510

and i was like oh hell yes i'll come on

2017

01:21:09,189 --> 01:21:05,600

your show i love your

2018

01:21:11,510 --> 01:21:09,199

show so thanks for inviting me

2019

01:21:13,590 --> 01:21:11,520

and we have to pay chase by the word so

2020

01:21:16,070 --> 01:21:13,600

now this extra time it's going to cost

2021

01:21:17,189 --> 01:21:16,080

us a little more out of the kitty nathan

2022

01:21:18,629 --> 01:21:17,199

nathan

2023

01:21:19,510 --> 01:21:18,639

i'm going to dip into the well on that

2024

01:21:22,390 --> 01:21:19,520

one

2025

01:21:25,350 --> 01:21:22,400

yeah i i i also just want to because i

2026

01:21:27,350 --> 01:21:25,360

was online for the same amount of time

2027

01:21:29,669 --> 01:21:27,360

right there we go there we go thank you

2028

01:21:32,070 --> 01:21:29,679

chase um

2029

01:21:34,149 --> 01:21:32,080

well i also want to reiterate exactly

2030

01:21:36,470 --> 01:21:34,159

there we go i want to reiterate what deb

2031

01:21:38,470 --> 01:21:36,480

uh said chase and

2032

01:21:39,830 --> 01:21:38,480

you know it takes a lot to devote the

2033

01:21:41,669 --> 01:21:39,840

kind of time and energy that you've

2034

01:21:44,390 --> 01:21:41,679

given to this subject and that comes

2035

01:21:45,510 --> 01:21:44,400

from a place of in my opinion

2036

01:21:48,310 --> 01:21:45,520

passion

2037

01:21:49,990 --> 01:21:48,320

and genuine interest and dedication you

2038

01:21:52,149 --> 01:21:50,000

know all these wonderful qualities that

2039

01:21:54,149 --> 01:21:52,159

you have and i just want to thank you

2040

01:21:57,669 --> 01:21:54,159

for the the work that you've done

2041

01:21:59,510 --> 01:21:57,679

in making this the the the topic and

2042

01:22:01,350 --> 01:21:59,520

kind of expanding the awareness that

2043

01:22:03,669 --> 01:22:01,360

that you have brought to the table

2044

01:22:05,430 --> 01:22:03,679

uh you know we're in a different place

2045

01:22:06,229 --> 01:22:05,440

now because of the work of people like

2046

01:22:09,830 --> 01:22:06,239

you

2047

01:22:12,870 --> 01:22:09,840

and i just i'm so grateful to be alive

2048

01:22:15,750 --> 01:22:12,880

at this time or seeing what we're seeing

2049

01:22:17,030 --> 01:22:15,760

and it's a it's an exciting time but

2050

01:22:19,030 --> 01:22:17,040

it's also going to be a time with

2051

01:22:21,189 --> 01:22:19,040

fraught with change and and there will

2052

01:22:23,510 --> 01:22:21,199

be as you know people who are going to

2053

01:22:25,990 --> 01:22:23,520

have a difficult time transitioning with

2054

01:22:28,629 --> 01:22:26,000

some of this information and you know i

2055

01:22:30,629 --> 01:22:28,639

think part of our job is to be there to

2056

01:22:33,110 --> 01:22:30,639

be supportive and a good listener and

2057

01:22:34,709 --> 01:22:33,120

positive and kind of help us all get

2058

01:22:36,790 --> 01:22:34,719

through this and we're also going to

2059

01:22:39,030 --> 01:22:36,800

have you know folks that we need to talk

2060

01:22:40,229 --> 01:22:39,040

to who can listen to us and and help us

2061

01:22:42,149 --> 01:22:40,239

through it and we're going to get

2062

01:22:43,990 --> 01:22:42,159

through it together but but chase it i

2063

01:22:45,510 --> 01:22:44,000

just i'm really grateful to have the

2064

01:22:52,070 --> 01:22:45,520

chance to speak with you and thank you

2065

01:22:56,629 --> 01:22:54,229

just gonna delay because i don't know

2066

01:22:59,189 --> 01:22:56,639

i'm really very humbled and and thank

2067

01:23:00,709 --> 01:22:59,199

you i would like to say one thing um i'd

2068

01:23:01,669 --> 01:23:00,719

like to include my husband in this

2069

01:23:02,629 --> 01:23:01,679

because

2070

01:23:05,510 --> 01:23:02,639

he

2071

01:23:08,470 --> 01:23:05,520

has funded every penny i've put in

2072

01:23:10,390 --> 01:23:08,480

thousands of dollars in dna analysis

2073

01:23:13,270 --> 01:23:10,400

like he has never once

2074

01:23:16,629 --> 01:23:13,280

made me feel like i couldn't do that

2075

01:23:17,830 --> 01:23:16,639

and his support even when

2076

01:23:20,470 --> 01:23:17,840

his

2077

01:23:21,270 --> 01:23:20,480

job could have been on the line he was

2078

01:23:23,110 --> 01:23:21,280

not

2079

01:23:26,149 --> 01:23:23,120

he was proud of what his wife was doing

2080

01:23:29,110 --> 01:23:26,159

he put my little book up i mean he just

2081

01:23:31,270 --> 01:23:29,120

tell everybody so um without him there's

2082

01:23:34,790 --> 01:23:31,280

no way no way

2083

01:23:37,189 --> 01:23:34,800

so thank you nathan thank you awesome

2084

01:23:38,709 --> 01:23:37,199

shout out to your husband um i want to

2085

01:23:39,990 --> 01:23:38,719

start out by saying your hair looks

2086

01:23:41,110 --> 01:23:40,000

great tonight

2087

01:23:41,870 --> 01:23:41,120

um

2088

01:23:43,910 --> 01:23:41,880

and also

2089

01:23:45,189 --> 01:23:43,920

[Laughter]

2090

01:23:52,390 --> 01:23:45,199

she's probably just gonna hear that

2091

01:23:58,709 --> 01:23:55,189

um i'm gonna you know i

2092

01:24:00,709 --> 01:23:58,719

i'm sorry i can't close it

2093

01:24:04,229 --> 01:24:00,719

like 80s

2094

01:24:07,990 --> 01:24:04,239

no you look great um i i i'm sorry

2095

01:24:09,669 --> 01:24:08,000

that i'm not going to close with a a uh

2096

01:24:11,990 --> 01:24:09,679

well i am going to close with a comment

2097

01:24:12,790 --> 01:24:12,000

but i want to say a word and just get

2098

01:24:17,030 --> 01:24:12,800

your

2099

01:24:19,750 --> 01:24:17,040

opinion because it's there's so much

2100

01:24:22,390 --> 01:24:19,760

tied up in this individual individual of

2101

01:24:23,270 --> 01:24:22,400

the amazing uh things

2102

01:24:24,790 --> 01:24:23,280

that

2103

01:24:28,070 --> 01:24:24,800

he has experienced so i'm gonna say the

2104

01:24:29,110 --> 01:24:28,080

name chris bledsoe in his experience

2105

01:24:35,910 --> 01:24:29,120

and

2106

01:24:42,390 --> 01:24:39,350

100 real deal i have been to his house i

2107

01:24:55,350 --> 01:24:42,400

have i mean for years um i investigated

2108

01:24:58,870 --> 01:24:57,110

that man blows me away and maybe

2109

01:25:01,430 --> 01:24:58,880

sometime if i can come back we had a

2110

01:25:03,350 --> 01:25:01,440

huge experience where chris and i with

2111

01:25:04,950 --> 01:25:03,360

seven other investigators lost eight

2112

01:25:06,629 --> 01:25:04,960

minutes of time so

2113

01:25:09,669 --> 01:25:06,639

you know when you're with chris expect

2114

01:25:13,750 --> 01:25:12,310

and can you speak about the wallpaper on

2115

01:25:15,830 --> 01:25:13,760

that craft

2116

01:25:17,350 --> 01:25:15,840

was it something very gauche was it

2117

01:25:22,629 --> 01:25:17,360

something that you would have put in

2118

01:25:28,470 --> 01:25:25,110

well paper on what craft

2119

01:25:33,510 --> 01:25:29,990

no

2120

01:25:37,189 --> 01:25:35,750

all three helmet cams were missing eight

2121

01:25:39,750 --> 01:25:37,199

minutes i

2122

01:25:41,830 --> 01:25:39,760

don't remember a single minute of it but

2123

01:25:43,720 --> 01:25:41,840

if there was wallpaper they needed me to

2124

01:25:45,910 --> 01:25:43,730

pick it out trust me

2125

01:25:47,750 --> 01:25:45,920

[Laughter]

2126

01:25:49,830 --> 01:25:47,760

well that's a shame because really

2127

01:25:52,390 --> 01:25:49,840

that's really what deb and i and nathan

2128

01:25:54,629 --> 01:25:52,400

wanted to know is what type of wallpaper

2129

01:25:57,030 --> 01:25:54,639

they're using or are they doing like

2130

01:25:58,790 --> 01:25:57,040

sort of a distressed wood kind of a look

2131

01:26:01,030 --> 01:25:58,800

and and we didn't get any of those

2132

01:26:03,189 --> 01:26:01,040

answers from you no i'm just kidding uh

2133

01:26:05,110 --> 01:26:03,199

it's it's not

2134

01:26:06,629 --> 01:26:05,120

is there a ship lap right nathan behind

2135

01:26:09,669 --> 01:26:06,639

the headboard there's definitely a

2136

01:26:14,390 --> 01:26:09,679

shiplap yeah it ship lap i mean come on

2137

01:26:19,189 --> 01:26:16,950

you see why i love these guys oh my

2138

01:26:21,830 --> 01:26:19,199

goodness uh it's not if you're coming

2139

01:26:23,990 --> 01:26:21,840

back uh chase it's only if you say yes

2140

01:26:27,030 --> 01:26:24,000

um uh thank you thank you to your

2141

01:26:29,669 --> 01:26:27,040

husband my u.s navy brother tell him one

2142

01:26:33,110 --> 01:26:29,679

love from dj air force homie

2143

01:26:34,629 --> 01:26:33,120

and one love from everybody on cab uh

2144

01:26:37,350 --> 01:26:34,639

experiencer steph couldn't be here

2145

01:26:40,149 --> 01:26:37,360

tonight flareous kevin uh couldn't be

2146

01:26:41,990 --> 01:26:40,159

here but she got deb and a little bit of

2147

01:26:44,550 --> 01:26:42,000

what she got to offer

2148

01:26:46,629 --> 01:26:44,560

money nathan and thank you so much we're

2149

01:26:48,950 --> 01:26:46,639

2150

01:26:51,830 --> 01:26:48,960

gangster like you yourself may you

2151

01:26:54,390 --> 01:26:51,840

consume many bottles of wine

2152

01:26:58,070 --> 01:26:54,400

around the fire with uh you know richard

2153

01:27:00,870 --> 01:26:58,080

dolan and jacques valet and all these

2154

01:27:05,910 --> 01:27:00,880

people and even throw elizondo in there

2155

01:27:10,070 --> 01:27:07,990

no we can't be drinking cosmopolitan

2156

01:27:13,910 --> 01:27:10,080

around the fire we gotta dumb it down a

2157

01:27:18,470 --> 01:27:16,830

get you some old milwaukee all

2158

01:27:20,390 --> 01:27:18,480
