with the legend is in the house but

10  
00:00:51,189 --> 00:00:49,200  
before we even get into that first of

11  
00:00:53,910 --> 00:00:51,199  
all uh money nathan couldn't be here

12  
00:00:55,670 --> 00:00:53,920  
tonight he had some business to take

13  
00:00:58,470 --> 00:00:55,680

care of but you know what you're in the

14

00:00:59,189 --> 00:00:58,480

capable hands of deb who is smarter than

15

00:01:03,029 --> 00:00:59,199

i

16

00:01:05,830 --> 00:01:03,039

everybody else on the show that's

17

00:01:08,310 --> 00:01:05,840

smarter than i so let's rock up man deb

18

00:01:10,390 --> 00:01:08,320

what's going on girlfriend hi everyone

19

00:01:13,270 --> 00:01:10,400

it's been an exciting week i look

20

00:01:15,030 --> 00:01:13,280

forward to talking to linda about it

21

00:01:17,990 --> 00:01:15,040

i can't wait man she's a legend all

22

00:01:20,630 --> 00:01:18,000

right so without further ado uh when i

23

00:01:22,070 --> 00:01:20,640

say that this girl is my homie i mean

24

00:01:24,070 --> 00:01:22,080

she really is

25

00:01:26,230 --> 00:01:24,080

she is from right across the river from

26

00:01:28,550 --> 00:01:26,240

henderson high school and the three

27

00:01:30,149 --> 00:01:28,560

towns montrose buchanan over plank she's

28

00:01:32,469 --> 00:01:30,159

right over there in rockland county i

29

00:01:34,390 --> 00:01:32,479

believe she said she's from nanuet she's

30

00:01:35,990 --> 00:01:34,400

going to get me schooled up on that

31

00:01:37,510 --> 00:01:36,000

she's on the west side of the river i'm

32

00:01:40,230 --> 00:01:37,520

on the east side of the river

33

00:01:42,950 --> 00:01:40,240

she has been investigating ufos for

34

00:01:46,550 --> 00:01:42,960

probably somewhere around 30 years or

35

00:01:49,030 --> 00:01:46,560

more also ghosts also murders

36

00:01:51,030 --> 00:01:49,040

uh and also i want to talk about rock

37

00:01:52,310 --> 00:01:51,040

formations because when i go hiking in

38

00:01:54,149 --> 00:01:52,320

the blue mountain reservation i want to

39

00:01:56,389 --> 00:01:54,159

know what's happening with these rock

40

00:01:59,590 --> 00:01:56,399

formations so we're going to ask her

41

00:02:01,030 --> 00:01:59,600

about supporting people put those hands

42

00:02:04,149 --> 00:02:01,040

together

43

00:02:07,470 --> 00:02:04,159

for linda legend baby

44

00:02:12,080 --> 00:02:07,480

the author linda zimmermann

45

00:02:19,350 --> 00:02:15,750

[Laughter]

46

00:02:21,030 --> 00:02:19,360

wow i'm i feel like i should be jumping

47

00:02:23,910 --> 00:02:21,040

up and down and running around the

48

00:02:25,990 --> 00:02:23,920

office but uh thank you for that

49

00:02:27,350 --> 00:02:26,000

remarkable

50

00:02:29,430 --> 00:02:27,360

interest

51  
00:02:31,509 --> 00:02:29,440  
uh you're making me want to jump up and

52  
00:02:32,710 --> 00:02:31,519  
down because we have been wanting to

53  
00:02:34,550 --> 00:02:32,720  
have you on

54  
00:02:37,110 --> 00:02:34,560  
for for so long so let me just let the

55  
00:02:38,949 --> 00:02:37,120  
cabbies my teammates here say hello to

56  
00:02:40,710 --> 00:02:38,959  
you and then we're going to jump right

57  
00:02:43,270 --> 00:02:40,720  
into it

58  
00:02:44,710 --> 00:02:43,280  
hi linda welcome to the show very glad

59  
00:02:46,790 --> 00:02:44,720  
to see you

60  
00:02:48,309 --> 00:02:46,800  
thank you very much i am very happy to

61  
00:02:50,869 --> 00:02:48,319  
be here

62  
00:02:52,630 --> 00:02:50,879  
welcome and yeah likewise i'm looking

63  
00:02:55,190 --> 00:02:52,640

forward to hearing about you know the

64

00:02:58,070 --> 00:02:55,200

hudson valley sightings especially the

65

00:03:01,030 --> 00:02:58,080

triangular sightings which is extremely

66

00:03:02,550 --> 00:03:01,040

fascinating for all um and you know you

67

00:03:06,070 --> 00:03:02,560

i know you're an author of a couple of

68

00:03:09,430 --> 00:03:06,080

books whom you know a lot of people may

69

00:03:10,949 --> 00:03:09,440

or may have not checked into yet i i am

70

00:03:12,790 --> 00:03:10,959

one of them so i'd like to hear a little

71

00:03:14,390 --> 00:03:12,800

bit more on on those

72

00:03:16,790 --> 00:03:14,400

and uh also

73

00:03:18,550 --> 00:03:16,800

yeah just all of the above what's going

74

00:03:20,149 --> 00:03:18,560

on with congress and your thoughts on

75

00:03:23,350 --> 00:03:20,159

that you know

76  
00:03:25,750 --> 00:03:23,360  
having this conver this conversation now

77  
00:03:27,350 --> 00:03:25,760  
after so many years of research and you

78  
00:03:29,350 --> 00:03:27,360  
know all of your due diligence with this

79  
00:03:32,789 --> 00:03:29,360  
community so it's it's just really

80  
00:03:36,390 --> 00:03:32,799  
probably uh exciting for you oh it

81  
00:03:38,149 --> 00:03:36,400  
definitely is and um it's i guess it's

82  
00:03:41,509 --> 00:03:38,159  
better late than never

83  
00:03:45,030 --> 00:03:41,519  
uh for congress um they could use a few

84  
00:03:48,630 --> 00:03:45,040  
experienced people on the panel however

85  
00:03:49,750 --> 00:03:48,640  
um just briefly when uh they mentioned a

86  
00:03:53,350 --> 00:03:49,760  
few

87  
00:03:56,869 --> 00:03:53,360  
very famous cases and the the blank

88  
00:03:58,470 --> 00:03:56,879

expressions on their faces like what we

89

00:04:01,429 --> 00:03:58,480

we never heard of that

90

00:04:03,030 --> 00:04:01,439

so um yeah they might want to get some

91

00:04:05,589 --> 00:04:03,040

people with a clue

92

00:04:10,550 --> 00:04:07,830

linda please we want to bring you out of

93

00:04:14,949 --> 00:04:12,070

we're going to try to draw you out here

94

00:04:16,949 --> 00:04:14,959

okay all right i'll i'll try to uh

95

00:04:18,310 --> 00:04:16,959

bolster up some courage to say what i

96

00:04:20,710 --> 00:04:18,320

really think

97

00:04:24,550 --> 00:04:20,720

i love this new yorker we keep trying to

98

00:04:29,909 --> 00:04:26,310

not let's just say not yet but that

99

00:04:34,310 --> 00:04:32,390

so i mean it's great they're doing

100

00:04:37,670 --> 00:04:34,320

something they're finally recognizing

101  
00:04:41,590 --> 00:04:37,680  
and and the main thing is stop the

102  
00:04:42,390 --> 00:04:41,600  
ridicule of people like pilots that you

103  
00:04:45,110 --> 00:04:42,400  
have

104  
00:04:46,629 --> 00:04:45,120  
put millions of dollars into training

105  
00:04:47,830 --> 00:04:46,639  
and then you don't trust what they're

106  
00:04:50,230 --> 00:04:47,840  
telling you

107  
00:04:52,950 --> 00:04:50,240  
um or you're ridiculing what or you're

108  
00:04:54,469 --> 00:04:52,960  
threatening to ground them for reporting

109  
00:04:58,469 --> 00:04:54,479  
what they've seen

110  
00:05:01,270 --> 00:04:58,479  
so if that changes this is all worth it

111  
00:05:02,710 --> 00:05:01,280  
absolutely exciting

112  
00:05:04,790 --> 00:05:02,720  
what i'm going to do right now i'm just

113  
00:05:07,350 --> 00:05:04,800

going to post um i'm going to post

114

00:05:09,670 --> 00:05:07,360

linda's what deb sent out today which is

115

00:05:11,670 --> 00:05:09,680

basically linda's amazon

116

00:05:13,990 --> 00:05:11,680

link in the chat and there's about three

117

00:05:17,189 --> 00:05:14,000

pages worth of books there that deal

118

00:05:19,430 --> 00:05:17,199

with uh ufos paranormal and ghosts but

119

00:05:22,070 --> 00:05:19,440

what i'd like to do is one of the the

120

00:05:24,550 --> 00:05:22,080

issues is we're in a bit of a bubble in

121

00:05:26,790 --> 00:05:24,560

ufo twitter and we're not aware of

122

00:05:29,110 --> 00:05:26,800

certain people in the community who

123

00:05:30,950 --> 00:05:29,120

aren't familiar with um

124

00:05:33,909 --> 00:05:30,960

uh with with people like linda because

125

00:05:35,749 --> 00:05:33,919

she's not on it and she's probably meant

126

00:05:38,070 --> 00:05:35,759

healthier mentally because of not being

127

00:05:40,230 --> 00:05:38,080

on it but linda would you please just

128

00:05:41,830 --> 00:05:40,240

for our audience that isn't aware of

129

00:05:44,150 --> 00:05:41,840

your extensive accomplishments could you

130

00:05:45,670 --> 00:05:44,160

please just sort of uh get get us uh

131

00:05:47,590 --> 00:05:45,680

caught up on how many years you've been

132

00:05:48,629 --> 00:05:47,600

doing this and the different tangents

133

00:05:51,670 --> 00:05:48,639

please

134

00:05:54,629 --> 00:05:51,680

oh yeah so um you were you were

135

00:05:58,710 --> 00:05:54,639

essentially correct i've been doing

136

00:06:01,270 --> 00:05:58,720

weird topics for almost 30 years now

137

00:06:03,590 --> 00:06:01,280

um i am just drawn to

138

00:06:04,469 --> 00:06:03,600

every rabbit hole i come across pretty

139

00:06:07,029 --> 00:06:04,479

much

140

00:06:10,390 --> 00:06:07,039

and uh i've to me

141

00:06:13,430 --> 00:06:10,400

the best way to understand and tell the

142

00:06:15,110 --> 00:06:13,440

story of the paranormal and ufos is to

143

00:06:17,270 --> 00:06:15,120

experience it

144

00:06:20,950 --> 00:06:17,280

so i don't spend a lot of time on

145

00:06:23,990 --> 00:06:20,960

speculation like like some people um i

146

00:06:26,150 --> 00:06:24,000

go out and try to interview people if

147

00:06:29,670 --> 00:06:26,160

it's a haunted house i go and

148

00:06:31,749 --> 00:06:29,680

investigate it if it's a sighting

149

00:06:36,309 --> 00:06:31,759

i go stake out the place and interview

150

00:06:38,469 --> 00:06:36,319

as many people as i can um so i do have

151

00:06:41,189 --> 00:06:38,479

quite a lot of ghost books the ghost

152

00:06:45,830 --> 00:06:41,199

investigator series

153

00:06:48,230 --> 00:06:45,840

my ufo books i i had three of them i was

154

00:06:51,189 --> 00:06:48,240

about to do a fourth on hudson valley i

155

00:06:53,110 --> 00:06:51,199

said this is crazy so i come by and you

156

00:06:55,270 --> 00:06:53,120

know how many you know you know you're

157

00:06:57,189 --> 00:06:55,280

going to have you don't want some go buy

158

00:07:00,550 --> 00:06:57,199

four books um

159

00:07:03,110 --> 00:07:00,560

so i put all three books together and

160

00:07:05,990 --> 00:07:03,120

then added the fourth book of material

161

00:07:07,110 --> 00:07:06,000

it's called hudson valley ufos the best

162

00:07:08,710 --> 00:07:07,120

evidence

163

00:07:11,029 --> 00:07:08,720

and um

164

00:07:12,070 --> 00:07:11,039

i was just i don't know if i can mention

165

00:07:20,710 --> 00:07:12,080

the

166

00:07:23,749 --> 00:07:20,720

yeah

167

00:07:25,670 --> 00:07:23,759

george knapp coast to coast baby that's

168

00:07:28,230 --> 00:07:25,680

because the original gangsters know each

169

00:07:30,790 --> 00:07:28,240

other like linda and george yeah so it

170

00:07:33,830 --> 00:07:30,800

was george nori actually who who you

171

00:07:35,830 --> 00:07:33,840

know he had a copy of the book and

172

00:07:37,510 --> 00:07:35,840

he liked it but he said he said this

173

00:07:39,589 --> 00:07:37,520

thing is huge he said if you dropped it

174

00:07:41,270 --> 00:07:39,599

from a building it would kill somebody

175

00:07:44,230 --> 00:07:41,280

so i'm like well maybe i should put a

176

00:07:46,790 --> 00:07:44,240

disclaimer on the book you know danger

177

00:07:49,749 --> 00:07:46,800

um it's a big eight and a half by eleven

178

00:07:52,390 --> 00:07:49,759

almost 500 pages but it speaks to what

179

00:07:54,629 --> 00:07:52,400

the hudson valley is all about

180

00:07:55,909 --> 00:07:54,639

it's been going on for over a hundred

181

00:07:57,749 --> 00:07:55,919

years

182

00:08:00,469 --> 00:07:57,759

it's just

183

00:08:03,589 --> 00:08:00,479

and even this doesn't encompass

184

00:08:06,230 --> 00:08:03,599

everything but um so that i'm very proud

185

00:08:07,990 --> 00:08:06,240

of that just came out a few months ago

186

00:08:10,710 --> 00:08:08,000

and the other topic i know we want to

187

00:08:13,749 --> 00:08:10,720

talk hudson valley but what i think is a

188

00:08:15,350 --> 00:08:13,759

vital as importance is animal reactions

189

00:08:18,469 --> 00:08:15,360

to ufos

190

00:08:20,550 --> 00:08:18,479

i have a much smaller and less dangerous

191

00:08:21,150 --> 00:08:20,560

book it wouldn't hurt you if it hit you

192

00:08:24,790 --> 00:08:21,160

in the head

193

00:08:27,189 --> 00:08:24,800

[Laughter]

194

00:08:28,070 --> 00:08:27,199

it's probably the most

195

00:08:29,550 --> 00:08:28,080

under

196

00:08:33,190 --> 00:08:29,560

studied and

197

00:08:35,750 --> 00:08:33,200

unmisunderstood topic in ufology

198

00:08:38,149 --> 00:08:35,760

animal reactions they can tell us so

199

00:08:42,149 --> 00:08:38,159

much and maybe we can touch on that a

200

00:08:44,230 --> 00:08:42,159

little later so that's uh what i do

201

00:08:47,269 --> 00:08:44,240

um linda i would like to get into that

202

00:08:50,389 --> 00:08:47,279

later because of the bigfoot discussion

203

00:08:52,949 --> 00:08:50,399

or sasquatch we had with micah hanks and

204

00:08:54,790 --> 00:08:52,959

one of his guests that was on and i'm

205

00:08:57,750 --> 00:08:54,800

going to want to talk to you about the

206

00:09:00,310 --> 00:08:57,760

reactions of those animals in the forest

207

00:09:02,230 --> 00:09:00,320

when these gentlemen had their sighting

208

00:09:04,310 --> 00:09:02,240

uh but i wanted to talk i wanted to go

209

00:09:05,750 --> 00:09:04,320

back to your experience which i read in

210

00:09:07,829 --> 00:09:05,760

um

211

00:09:09,829 --> 00:09:07,839

i want to say it's called uh it's not

212

00:09:11,829 --> 00:09:09,839

called night sky can you

213

00:09:14,550 --> 00:09:11,839

help me that um you're

214

00:09:16,230 --> 00:09:14,560

in the night sky yeah

215

00:09:19,670 --> 00:09:16,240

that was the first one

216

00:09:21,910 --> 00:09:19,680

and and that book it details so linda

217

00:09:24,949 --> 00:09:21,920

devil loved this one linda is in her

218

00:09:27,269 --> 00:09:24,959

bathrobe after her boyfriend

219

00:09:29,509 --> 00:09:27,279

sees it and then he turns says go

220

00:09:31,829 --> 00:09:29,519

outside look at it you see it and then

221

00:09:33,990 --> 00:09:31,839

he shows up at the house and instead of

222

00:09:36,630 --> 00:09:34,000

getting changed you hop in the car in

223

00:09:38,070 --> 00:09:36,640

the winter and chase after it

224

00:09:39,269 --> 00:09:38,080

and

225

00:09:42,230 --> 00:09:39,279

yeah all right

226

00:09:44,230 --> 00:09:42,240

essentially yes um well i i was with my

227

00:09:46,310 --> 00:09:44,240

boyfriend at the time we were living

228

00:09:50,310 --> 00:09:46,320

together and somebody else had called

229

00:09:53,590 --> 00:09:50,320

and said go outside and look at the ufos

230

00:09:55,350 --> 00:09:53,600

and so yeah my red furry bathrobe

231

00:09:58,550 --> 00:09:55,360

um

232

00:10:01,910 --> 00:09:58,560

went running out and you don't stop to

233

00:10:05,990 --> 00:10:01,920

change when you're seeing these three

234

00:10:07,910 --> 00:10:06,000

bizarre round yellow white lighted craft

235

00:10:10,949 --> 00:10:07,920

flying silently

236

00:10:12,150 --> 00:10:10,959

past you you jump in the car and you go

237

00:10:13,430 --> 00:10:12,160

after it

238

00:10:15,910 --> 00:10:13,440

and

239

00:10:18,710 --> 00:10:15,920

we we followed it

240

00:10:20,710 --> 00:10:18,720

i was later many years later to find out

241

00:10:23,750 --> 00:10:20,720

i had missing time

242

00:10:26,870 --> 00:10:23,760

during that incident but we ultimately

243

00:10:28,069 --> 00:10:26,880

followed it to um we went to a state

244

00:10:31,030 --> 00:10:28,079

park

245

00:10:32,870 --> 00:10:31,040

and these craft looked like they were

246

00:10:34,870 --> 00:10:32,880

going to collide

247

00:10:37,750 --> 00:10:34,880

and they did come together in this

248

00:10:40,310 --> 00:10:37,760

brilliant blue green flash they didn't

249

00:10:43,030 --> 00:10:40,320

blow up they came together

250

00:10:46,630 --> 00:10:43,040

and nobody in physics class ever taught

251  
00:10:47,910 --> 00:10:46,640  
me how three separate objects can become

252  
00:10:50,150 --> 00:10:47,920  
one

253  
00:10:52,550 --> 00:10:50,160  
and lowered onto the top of this

254  
00:10:53,509 --> 00:10:52,560  
mountain and at this point a state

255  
00:10:55,110 --> 00:10:53,519  
trooper

256  
00:10:57,750 --> 00:10:55,120  
comes by and

257  
00:10:59,750 --> 00:10:57,760  
what's a 19 year old girl in a red furry

258  
00:11:00,389 --> 00:10:59,760  
bathrobe doing in a state park with this

259  
00:11:05,990 --> 00:11:00,399  
guy

260  
00:11:09,269 --> 00:11:06,000  
after hours i might mind you yes yes

261  
00:11:11,829 --> 00:11:09,279  
so um i explained we saw this i said

262  
00:11:14,230 --> 00:11:11,839  
just turn around and look and the top of

263  
00:11:16,790 --> 00:11:14,240

this mountain is pulsing green blue

264

00:11:19,350 --> 00:11:16,800

light he didn't want any part of that

265

00:11:22,949 --> 00:11:19,360

he's like get out of here now

266

00:11:25,350 --> 00:11:22,959

and we took off and he blew by us so

267

00:11:27,350 --> 00:11:25,360

he didn't yeah he did not want to deal

268

00:11:29,829 --> 00:11:27,360

with that

269

00:11:32,310 --> 00:11:29,839

so that is my red furry bathrobe talk

270

00:11:33,590 --> 00:11:32,320

about legend

271

00:11:35,829 --> 00:11:33,600

without a doubt

272

00:11:37,990 --> 00:11:35,839

if if not for all the other things one

273

00:11:39,590 --> 00:11:38,000

thing before i pass it to deb and and

274

00:11:41,590 --> 00:11:39,600

the thing you know you talked about you

275

00:11:44,069 --> 00:11:41,600

being a researcher and you said i want

276

00:11:47,269 --> 00:11:44,079

to know i want to go to these places

277

00:11:50,310 --> 00:11:47,279

uh and you you went out there and you

278

00:11:52,949 --> 00:11:50,320

actually hiked up there the next day yes

279

00:11:54,870 --> 00:11:52,959

yeah and there were a lot of broken and

280

00:11:56,790 --> 00:11:54,880

burned branches

281

00:11:59,509 --> 00:11:56,800

and um

282

00:12:01,910 --> 00:11:59,519

i you know i i couldn't say that's why

283

00:12:04,230 --> 00:12:01,920

the branches were broken but it

284

00:12:06,710 --> 00:12:04,240

certainly looked as though something had

285

00:12:10,629 --> 00:12:06,720

landed something solid

286

00:12:11,910 --> 00:12:10,639

had landed on the top of that hill

287

00:12:14,629 --> 00:12:11,920

that's uh

288

00:12:16,790 --> 00:12:14,639

and man that that is uh that's a lot a

289

00:12:18,629 --> 00:12:16,800

lot grander than my sighting so let me

290

00:12:20,550 --> 00:12:18,639

pass it over to debs

291

00:12:22,069 --> 00:12:20,560

while i imagine uh the only thing you're

292

00:12:24,069 --> 00:12:22,079

missing is if you would wore the

293

00:12:26,230 --> 00:12:24,079

bathrobe up to hike up in the forest but

294

00:12:29,990 --> 00:12:26,240

anyway go ahead

295

00:12:32,550 --> 00:12:30,000

i guess i'm um curious about what got

296

00:12:35,590 --> 00:12:32,560

you into this like what kind of pushed

297

00:12:37,430 --> 00:12:35,600

you into doing this work um it sounds

298

00:12:39,350 --> 00:12:37,440

like obviously you've discovered there's

299

00:12:41,990 --> 00:12:39,360

like a lot to

300

00:12:43,509 --> 00:12:42,000

unpack just in the hudson valley alone

301  
00:12:45,750 --> 00:12:43,519  
and a whole bunch of other things you've

302  
00:12:47,110 --> 00:12:45,760  
been working on but what kind of pushed

303  
00:12:48,310 --> 00:12:47,120  
you

304  
00:12:50,790 --> 00:12:48,320  
well

305  
00:12:53,829 --> 00:12:50,800  
growing up in the hudson valley i i

306  
00:12:55,670 --> 00:12:53,839  
thought all of this was normal because

307  
00:12:59,269 --> 00:12:55,680  
it happened so often just about

308  
00:13:02,230 --> 00:12:59,279  
everybody knew of a haunted place and

309  
00:13:04,870 --> 00:13:02,240  
ufo sightings

310  
00:13:07,190 --> 00:13:04,880  
i won't say were common but they were

311  
00:13:09,030 --> 00:13:07,200  
not unusual

312  
00:13:11,750 --> 00:13:09,040  
so i thought

313  
00:13:13,110 --> 00:13:11,760

that's the way the world is ufos fly

314

00:13:16,389 --> 00:13:13,120

through the sky

315

00:13:18,550 --> 00:13:16,399

all around the world and they do but not

316

00:13:19,590 --> 00:13:18,560

with the frequency of the hudson valley

317

00:13:23,990 --> 00:13:19,600

so

318

00:13:24,790 --> 00:13:24,000

the big push probably came in the 1980s

319

00:13:27,829 --> 00:13:24,800

um

320

00:13:31,190 --> 00:13:27,839

with the great hudson valley wave where

321

00:13:34,150 --> 00:13:31,200

from 83 to 86

322

00:13:36,150 --> 00:13:34,160

their any night of the week could have

323

00:13:38,949 --> 00:13:36,160

five thousand witnesses

324

00:13:41,790 --> 00:13:38,959

uh seeing massive silent triangles

325

00:13:44,949 --> 00:13:41,800

hovering directly over them it was just

326

00:13:48,550 --> 00:13:44,959

unprecedented and i always compare it to

327

00:13:51,670 --> 00:13:48,560

the uh phoenix lights which was

328

00:13:54,150 --> 00:13:51,680

a tremendous sighting it was one night

329

00:13:57,590 --> 00:13:54,160

that was a typical night of the week

330

00:14:00,550 --> 00:13:57,600

that's a tuesday in 1985

331

00:14:05,670 --> 00:14:00,560

um here it was just

332

00:14:09,910 --> 00:14:08,790

um before i i'm going to pass it over to

333

00:14:12,550 --> 00:14:09,920

um

334

00:14:14,949 --> 00:14:12,560

to steph but i just want to ask you did

335

00:14:17,590 --> 00:14:14,959

you find in in terms of frequency

336

00:14:18,470 --> 00:14:17,600

between and but by the way ufo thinker

337

00:14:21,110 --> 00:14:18,480

frank

338

00:14:23,269 --> 00:14:21,120

is uh he has a podcast in the uk and if

339

00:14:24,949 --> 00:14:23,279

he asks you to be on

340

00:14:26,710 --> 00:14:24,959

linda i can't i can't recommend him

341

00:14:28,629 --> 00:14:26,720

highly enough he's such a

342

00:14:30,470 --> 00:14:28,639

a gentleman he's very thoughtful but

343

00:14:32,550 --> 00:14:30,480

he's really into this topic and was

344

00:14:35,990 --> 00:14:32,560

excited you were coming on in terms of

345

00:14:38,790 --> 00:14:36,000

the v-shaped craft versus the

346

00:14:41,670 --> 00:14:38,800

triangular craft the equilateral

347

00:14:43,430 --> 00:14:41,680

triangles that you noticed any disparity

348

00:14:46,069 --> 00:14:43,440

in the numbers of those two in terms of

349

00:14:51,750 --> 00:14:46,949

the

350

00:14:53,189 --> 00:14:51,760

predominant of craft shape i think

351  
00:14:56,949 --> 00:14:53,199  
during the

352  
00:14:59,110 --> 00:14:56,959  
wave of the 80s was the solid

353  
00:15:01,910 --> 00:14:59,120  
equilateral triangle

354  
00:15:04,629 --> 00:15:01,920  
but a close second

355  
00:15:08,710 --> 00:15:04,639  
actually two close seconds were the

356  
00:15:11,269 --> 00:15:08,720  
v-shaped which is something i saw in 88

357  
00:15:14,150 --> 00:15:11,279  
just massive rounded lights on this

358  
00:15:16,389 --> 00:15:14,160  
v-shaped silent craft just

359  
00:15:18,389 --> 00:15:16,399  
gliding silently by

360  
00:15:20,949 --> 00:15:18,399  
and then the boomerang

361  
00:15:23,590 --> 00:15:20,959  
a lot of people referred to the wave as

362  
00:15:26,110 --> 00:15:23,600  
the westchester boomerang for

363  
00:15:28,870 --> 00:15:26,120

westchester county it was a

364

00:15:30,389 --> 00:15:28,880

boomerang-shaped craft brightly lit a

365

00:15:32,870 --> 00:15:30,399

lot of lights

366

00:15:36,230 --> 00:15:32,880

so um i think

367

00:15:38,470 --> 00:15:36,240

the solid equilateral winds by a nose

368

00:15:41,590 --> 00:15:38,480

but the other two there were a lot of

369

00:15:43,910 --> 00:15:41,600

them as well

370

00:15:46,389 --> 00:15:43,920

and that yeah and i'm i was curious

371

00:15:48,230 --> 00:15:46,399

about that because of uh you know that

372

00:15:49,910 --> 00:15:48,240

people are still seeing triangles and

373

00:15:51,590 --> 00:15:49,920

we'll get into that but i don't want to

374

00:15:54,150 --> 00:15:51,600

take any more oxygen away from my

375

00:15:56,949 --> 00:15:54,160

homegirl experiencer steph who don't see

376

00:15:59,430 --> 00:15:56,959

one a damn self

377

00:16:02,230 --> 00:15:59,440

yeah i mean i also share that with you

378

00:16:03,509 --> 00:16:02,240

i've witnessed a triangle craft back in

379

00:16:06,150 --> 00:16:03,519

85

380

00:16:08,470 --> 00:16:06,160

so it's been about over 35 years you

381

00:16:09,990 --> 00:16:08,480

know and so it's been a minute but you

382

00:16:12,629 --> 00:16:10,000

know it's just something that does stick

383

00:16:14,069 --> 00:16:12,639

with you for life and you know it does

384

00:16:16,629 --> 00:16:14,079

make you question

385

00:16:19,030 --> 00:16:16,639

everything and uh what our reality is

386

00:16:22,550 --> 00:16:19,040

and whom we're being you know sharing

387

00:16:25,269 --> 00:16:22,560

this planet with so you know a lot i i

388

00:16:27,269 --> 00:16:25,279

do run uap experiencers so i i do have a

389

00:16:29,430 --> 00:16:27,279

lot of different accounts as you have

390

00:16:32,389 --> 00:16:29,440

you know in your research and a lot of

391

00:16:33,670 --> 00:16:32,399

these holographic type virtual

392

00:16:35,990 --> 00:16:33,680

type um

393

00:16:39,269 --> 00:16:36,000

accounts are coming up and i'm wondering

394

00:16:41,749 --> 00:16:39,279

what your beliefs are on that if they're

395

00:16:43,910 --> 00:16:41,759

superimposing themselves do you think

396

00:16:46,310 --> 00:16:43,920

that they're interdimensional and just

397

00:16:48,470 --> 00:16:46,320

showing up or do you believe that it is

398

00:16:50,629 --> 00:16:48,480

some sort of a physical craft that's

399

00:16:52,710 --> 00:16:50,639

entering through a portal i mean there

400

00:16:56,230 --> 00:16:52,720

could very well be some portal near the

401  
00:16:59,110 --> 00:16:56,240  
hudson river or the atlantic and this

402  
00:17:02,389 --> 00:16:59,120  
whole you know triangle area that

403  
00:17:04,309 --> 00:17:02,399  
seems to be this uh it's almost like a

404  
00:17:06,069 --> 00:17:04,319  
trend that there's a triangle

405  
00:17:08,390 --> 00:17:06,079  
triangulation

406  
00:17:10,549 --> 00:17:08,400  
of these crafts that they they like to

407  
00:17:13,270 --> 00:17:10,559  
hang out in and on you know the west

408  
00:17:15,909 --> 00:17:13,280  
coast you're familiar with catalina

409  
00:17:17,750 --> 00:17:15,919  
and that that entire triangle there so

410  
00:17:19,829 --> 00:17:17,760  
it it seems that there's the same

411  
00:17:22,549 --> 00:17:19,839  
similar situation happening on the east

412  
00:17:24,309 --> 00:17:22,559  
coast so what what are your thoughts on

413  
00:17:27,510 --> 00:17:24,319

their kind of like entering the

414

00:17:30,310 --> 00:17:27,520

atmosphere and how they they may be

415

00:17:33,029 --> 00:17:30,320

appearing and uh exiting the the

416

00:17:35,909 --> 00:17:33,039

universe yeah they certainly do seem to

417

00:17:38,630 --> 00:17:35,919

have uh preferred locations like you

418

00:17:41,350 --> 00:17:38,640

said catalina uh hudson and and other

419

00:17:44,230 --> 00:17:41,360

spots around the world but i think

420

00:17:48,870 --> 00:17:44,240

there's a couple of things going on here

421

00:17:50,070 --> 00:17:48,880

um certainly i have no problem with the

422

00:17:52,070 --> 00:17:50,080

uh

423

00:17:54,230 --> 00:17:52,080

people hate to say that they're nuts and

424

00:17:56,390 --> 00:17:54,240

bolts craft but let's face it when a

425

00:17:58,870 --> 00:17:56,400

craft comes and knocks a branch off a

426

00:18:01,669 --> 00:17:58,880

tree i think we can say it's probably

427

00:18:02,960 --> 00:18:01,679

solid and leaves the imprint on the

428

00:18:04,150 --> 00:18:02,970

ground um

429

00:18:06,630 --> 00:18:04,160

[Music]

430

00:18:09,029 --> 00:18:06,640

and people see the

431

00:18:11,110 --> 00:18:09,039

you know some people said if they had a

432

00:18:13,029 --> 00:18:11,120

rock they could have hit it it was that

433

00:18:15,029 --> 00:18:13,039

close so you're seeing in that much

434

00:18:18,070 --> 00:18:15,039

detail um

435

00:18:21,750 --> 00:18:18,080

however there was a mind-blowing case in

436

00:18:24,310 --> 00:18:21,760

cornwall new york in the 90s uh

437

00:18:27,029 --> 00:18:24,320

i'm sure you're familiar with uh where

438

00:18:28,549 --> 00:18:27,039

where cornwall is across the river

439

00:18:29,590 --> 00:18:28,559

the hudson there

440

00:18:35,110 --> 00:18:29,600

and

441

00:18:37,110 --> 00:18:35,120

kids come running in there's a ufo over

442

00:18:39,350 --> 00:18:37,120

the house and the parents are like yeah

443

00:18:44,310 --> 00:18:39,360

sure there is well they come out and

444

00:18:45,909 --> 00:18:44,320

they see this uh massive disc brightly

445

00:18:48,630 --> 00:18:45,919

colorfully lit

446

00:18:50,470 --> 00:18:48,640

it's so close to the top of the house

447

00:18:52,870 --> 00:18:50,480

the woman told me she goes i thought it

448

00:18:55,430 --> 00:18:52,880

was going to crush our house

449

00:18:56,470 --> 00:18:55,440

wow so they're seeing a brightly lit

450

00:18:59,350 --> 00:18:56,480

disc

451  
00:19:00,950 --> 00:18:59,360  
uh dozens if not hundreds of people came

452  
00:19:02,950 --> 00:19:00,960  
out to see this

453  
00:19:03,909 --> 00:19:02,960  
ninety percent of the people

454  
00:19:04,630 --> 00:19:03,919  
saw

455  
00:19:37,270 --> 00:19:04,640  
a

456  
00:19:40,390 --> 00:19:37,280  
shoulder to shoulder

457  
00:19:41,669 --> 00:19:40,400  
some see it as a disc some as a triangle

458  
00:19:43,669 --> 00:19:41,679  
so

459  
00:19:45,990 --> 00:19:43,679  
what is going on are they implanting

460  
00:19:47,510 --> 00:19:46,000  
this image is it a holographic image

461  
00:19:50,710 --> 00:19:47,520  
like you mentioned

462  
00:19:53,510 --> 00:19:50,720  
is it something completely different

463  
00:19:55,909 --> 00:19:53,520

maybe nothing's there and they're

464

00:19:57,990 --> 00:19:55,919

they've planted this

465

00:19:59,029 --> 00:19:58,000

screen image in your mind or or

466

00:20:01,990 --> 00:19:59,039

something

467

00:20:02,870 --> 00:20:02,000

so that to me is the definitive case

468

00:20:06,549 --> 00:20:02,880

that

469

00:20:09,669 --> 00:20:06,559

we cannot stick a pin in our opinion of

470

00:20:11,029 --> 00:20:09,679

what's going on here because too much is

471

00:20:11,830 --> 00:20:11,039

going on

472

00:20:13,830 --> 00:20:11,840

sure

473

00:20:16,789 --> 00:20:13,840

absolutely it's it's such an abstract

474

00:20:17,669 --> 00:20:16,799

topic that we're you know we all share

475

00:20:18,710 --> 00:20:17,679

this

476

00:20:21,029 --> 00:20:18,720

agreed

477

00:20:23,430 --> 00:20:21,039

liking of and you know you have to be

478

00:20:24,630 --> 00:20:23,440

open you have to speculate you have to

479

00:20:26,549 --> 00:20:24,640

question

480

00:20:28,789 --> 00:20:26,559

things i mean constantly i'm sure that

481

00:20:31,590 --> 00:20:28,799

that's it it gets frustrating for you

482

00:20:33,590 --> 00:20:31,600

where you're going look i don't want

483

00:20:35,990 --> 00:20:33,600

you know false information shared with

484

00:20:38,230 --> 00:20:36,000

me i'm sure it's happened plenty through

485

00:20:39,830 --> 00:20:38,240

the years so you get to a point where

486

00:20:41,990 --> 00:20:39,840

you're thinking look if you're not

487

00:20:43,029 --> 00:20:42,000

bringing me something factual if you're

488

00:20:45,350 --> 00:20:43,039

not bringing me something that's

489

00:20:47,029 --> 00:20:45,360

pixelated then then don't bring it to me

490

00:20:49,669 --> 00:20:47,039

at all because we're trying to take this

491

00:20:52,950 --> 00:20:49,679

to the next level so i appreciate all

492

00:20:56,710 --> 00:20:52,960

that you do and i do i do believe that

493

00:20:59,510 --> 00:20:56,720

the uap as they appear um you know we

494

00:21:00,870 --> 00:20:59,520

are perceiving it as they want us to and

495

00:21:03,350 --> 00:21:00,880

there's also

496

00:21:04,710 --> 00:21:03,360

this whole idea of

497

00:21:07,909 --> 00:21:04,720

well it

498

00:21:08,789 --> 00:21:07,919

do they want us to create this reality

499

00:21:11,830 --> 00:21:08,799

of

500

00:21:14,390 --> 00:21:11,840

how i want to see it because in my

501  
00:21:16,789 --> 00:21:14,400  
personal account there were four of us

502  
00:21:18,390 --> 00:21:16,799  
and three of us saw it as one shape and

503  
00:21:19,190 --> 00:21:18,400  
one of us thought is another so it's

504  
00:21:22,870 --> 00:21:19,200  
that

505  
00:21:25,110 --> 00:21:22,880  
exactly what you said and you cannot

506  
00:21:27,190 --> 00:21:25,120  
discount what that person saw because

507  
00:21:29,190 --> 00:21:27,200  
this is what they're they're explaining

508  
00:21:30,870 --> 00:21:29,200  
to you this is what i saw this is what i

509  
00:21:32,710 --> 00:21:30,880  
witnessed so

510  
00:21:35,110 --> 00:21:32,720  
maybe that's maybe they're showing up

511  
00:21:37,669 --> 00:21:35,120  
how they want us to see them it's it's

512  
00:21:39,430 --> 00:21:37,679  
fascinating yeah let's talk go ahead go

513  
00:21:41,510 --> 00:21:39,440

ahead linda you go i was just briefly

514

00:21:43,750 --> 00:21:41,520

going to say and it's the same with

515

00:21:44,870 --> 00:21:43,760

abductions

516

00:21:47,830 --> 00:21:44,880

you know

517

00:21:50,390 --> 00:21:47,840

seeing owls or other birds or something

518

00:21:52,310 --> 00:21:50,400

complete you know completely ridiculous

519

00:21:53,430 --> 00:21:52,320

but that's what they're putting in your

520

00:21:55,190 --> 00:21:53,440

mind

521

00:21:56,310 --> 00:21:55,200

right

522

00:22:01,270 --> 00:21:56,320

everybody

523

00:22:03,590 --> 00:22:01,280

abduction experience i offered dna and

524

00:22:05,190 --> 00:22:03,600

biological material to the phenomenon

525

00:22:05,790 --> 00:22:05,200

they basically said no and then dropped

526

00:22:08,470 --> 00:22:05,800

me off

527

00:22:10,230 --> 00:22:08,480

[Laughter]

528

00:22:12,070 --> 00:22:10,240

you know deb's been working with me i'm

529

00:22:13,830 --> 00:22:12,080

still trying to get therapy for that so

530

00:22:15,590 --> 00:22:13,840

just you know give me some space

531

00:22:16,630 --> 00:22:15,600

anyway

532

00:22:17,430 --> 00:22:16,640

thank you man

533

00:22:18,870 --> 00:22:17,440

all right

534

00:22:20,230 --> 00:22:18,880

i'm just kidding that's my joke

535

00:22:22,470 --> 00:22:20,240

everybody knows that i'm not an

536

00:22:24,070 --> 00:22:22,480

experiencer but i did hear one today i

537

00:22:25,110 --> 00:22:24,080

want to just quickly shout out nick

538

00:22:28,870 --> 00:22:25,120

hunter

539

00:22:30,710 --> 00:22:28,880

and uh he's from ufo chronicles podcast

540

00:22:33,590 --> 00:22:30,720

and he had a gentleman on today whose

541

00:22:34,789 --> 00:22:33,600

name was of philip um

542

00:22:35,909 --> 00:22:34,799

um

543

00:22:37,750 --> 00:22:35,919

uh

544

00:22:40,950 --> 00:22:37,760

kinsella i was thinking of that

545

00:22:43,350 --> 00:22:40,960

character from uh from uh that show uh

546

00:22:44,390 --> 00:22:43,360

but anyway phil philip kinsella was on

547

00:22:45,190 --> 00:22:44,400

with uh

548

00:22:47,510 --> 00:22:45,200

uh

549

00:22:49,669 --> 00:22:47,520

nick hunterday and that experience was

550

00:22:52,710 --> 00:22:49,679

really not only was his experience

551

00:22:55,190 --> 00:22:52,720

incredible but also his opinions on the

552

00:22:56,549 --> 00:22:55,200

phenomenon are extremely well-rounded

553

00:23:00,149 --> 00:22:56,559

and i was very

554

00:23:02,789 --> 00:23:00,159

moved uh by how thoughtful that person

555

00:23:05,110 --> 00:23:02,799

was as a researcher and someone who had

556

00:23:06,870 --> 00:23:05,120

been abducted but uh what i want to do

557

00:23:08,710 --> 00:23:06,880

now uh linda we're gonna go into the

558

00:23:10,230 --> 00:23:08,720

sort of round table

559

00:23:12,470 --> 00:23:10,240

um

560

00:23:14,470 --> 00:23:12,480

phase here and i want to talk about

561

00:23:15,750 --> 00:23:14,480

shapes so i'm going to ask you first and

562

00:23:18,390 --> 00:23:15,760

then we'll go to deb and then we'll go

563

00:23:20,310 --> 00:23:18,400

to steph and then we'll we'll move on uh

564

00:23:22,390 --> 00:23:20,320

but what i what i'd like

565

00:23:24,149 --> 00:23:22,400

somebody just said dj knows the sunshine

566

00:23:25,990 --> 00:23:24,159

hey look if you look like me jedi you'd

567

00:23:28,310 --> 00:23:26,000

be wearing sunglasses too all right this

568

00:23:29,830 --> 00:23:28,320

is all i can do to maintain um but

569

00:23:30,710 --> 00:23:29,840

anyway um

570

00:23:38,070 --> 00:23:30,720

so

571

00:23:40,390 --> 00:23:38,080

frank uh was asking and

572

00:23:42,230 --> 00:23:40,400

obviously in our history going back to

573

00:23:43,990 --> 00:23:42,240

the valley of the kings you know a

574

00:23:46,390 --> 00:23:44,000

three-dimensional representation of a

575

00:23:47,430 --> 00:23:46,400

triangle is you know like that pyramidal

576

00:23:50,149 --> 00:23:47,440

shape

577

00:23:53,430 --> 00:23:50,159

uh and the phenomenon by the way there

578

00:23:55,669 --> 00:23:53,440

are some photos um some official photos

579

00:23:57,590 --> 00:23:55,679

of the phenomenon that do show what what

580

00:23:59,990 --> 00:23:57,600

what it actually looked like that

581

00:24:02,149 --> 00:24:00,000

matches what an what a person saw and

582

00:24:03,590 --> 00:24:02,159

that's why i think it's important to say

583

00:24:05,510 --> 00:24:03,600

it could be

584

00:24:07,510 --> 00:24:05,520

all things can be true yes they may

585

00:24:09,750 --> 00:24:07,520

implant in your mind what it looks like

586

00:24:11,830 --> 00:24:09,760

dr gary nolan spoke about that family

587

00:24:14,230 --> 00:24:11,840

from france where they were in the car

588

00:24:16,070 --> 00:24:14,240

they had a glass roof car they looked up

589

00:24:18,070 --> 00:24:16,080

they saw a certain shape and when the

590

00:24:20,789 --> 00:24:18,080

photo came out it wasn't that shape it

591

00:24:22,710 --> 00:24:20,799

was a star shape so the point is is yes

592

00:24:24,710 --> 00:24:22,720

i agree totally agree with you linda and

593

00:24:26,710 --> 00:24:24,720

then there are also cases where i've

594

00:24:28,149 --> 00:24:26,720

seen some images that have been taken of

595

00:24:30,549 --> 00:24:28,159

the phenomenon that are what the

596

00:24:31,269 --> 00:24:30,559

eyewitnesses exactly what they described

597

00:24:35,590 --> 00:24:31,279

so

598

00:24:37,750 --> 00:24:35,600

like you to consider if you would linda

599

00:24:39,590 --> 00:24:37,760

that triangle shape

600

00:24:41,269 --> 00:24:39,600

and is it

601  
00:24:42,870 --> 00:24:41,279  
significant

602  
00:24:45,190 --> 00:24:42,880  
um to you

603  
00:24:47,510 --> 00:24:45,200  
the way that um do you think the

604  
00:24:50,630 --> 00:24:47,520  
phenomenon that that is a significant

605  
00:24:51,510 --> 00:24:50,640  
shape for a reason

606  
00:24:54,630 --> 00:24:51,520  
well

607  
00:24:57,590 --> 00:24:54,640  
i think it must be because

608  
00:25:00,630 --> 00:24:57,600  
there have been so many sightings of

609  
00:25:01,430 --> 00:25:00,640  
that particular shape around the world

610  
00:25:02,870 --> 00:25:01,440  
for

611  
00:25:05,350 --> 00:25:02,880  
really

612  
00:25:08,390 --> 00:25:05,360  
generations

613  
00:25:12,870 --> 00:25:08,400

mostly post

614

00:25:15,110 --> 00:25:12,880

i'd say post 60s the predominant ones

615

00:25:17,830 --> 00:25:15,120

but certainly

616

00:25:19,909 --> 00:25:17,840

there has to be something about that

617

00:25:22,789 --> 00:25:19,919

configuration

618

00:25:26,149 --> 00:25:22,799

which is suited to their purpose now

619

00:25:28,149 --> 00:25:26,159

that of course leaves openly a ocean of

620

00:25:30,710 --> 00:25:28,159

speculation

621

00:25:32,630 --> 00:25:30,720

but um clearly

622

00:25:34,630 --> 00:25:32,640

between the disc

623

00:25:36,470 --> 00:25:34,640

and the triangle

624

00:25:38,630 --> 00:25:36,480

those are

625

00:25:40,549 --> 00:25:38,640

i think the predominant shapes

626  
00:25:44,950 --> 00:25:40,559  
throughout history

627  
00:25:48,070 --> 00:25:44,960  
and uh you know form follows function so

628  
00:25:49,510 --> 00:25:48,080  
once we figure out what that function is

629  
00:25:52,230 --> 00:25:49,520  
um

630  
00:25:55,590 --> 00:25:52,240  
yeah and some of the tr

631  
00:25:58,470 --> 00:25:55,600  
when it comes to massive craft

632  
00:25:59,669 --> 00:25:58,480  
the triangles again are just

633  
00:26:01,990 --> 00:25:59,679  
stunning

634  
00:26:03,590 --> 00:26:02,000  
how some of them i i've had several

635  
00:26:05,029 --> 00:26:03,600  
people say

636  
00:26:06,950 --> 00:26:05,039  
you know a lot of people said it was the

637  
00:26:09,669 --> 00:26:06,960  
size of a football field

638  
00:26:11,909 --> 00:26:09,679

and i've had several people who said oh

639

00:26:13,990 --> 00:26:11,919

no no it was the size of a football

640

00:26:14,789 --> 00:26:14,000

stadium

641

00:26:18,549 --> 00:26:14,799

so

642

00:26:21,430 --> 00:26:18,559

that lee

643

00:26:22,630 --> 00:26:21,440

lends itself also to

644

00:26:24,789 --> 00:26:22,640

being

645

00:26:26,950 --> 00:26:24,799

enormous

646

00:26:28,630 --> 00:26:26,960

before i pass this question to deb i

647

00:26:30,310 --> 00:26:28,640

just want to let julie know your

648

00:26:32,789 --> 00:26:30,320

question is written down in leon

649

00:26:34,870 --> 00:26:32,799

d'antonio your question is also written

650

00:26:36,310 --> 00:26:34,880

down so we're going to get to those

651  
00:26:38,390 --> 00:26:36,320  
questions and we'll take them around the

652  
00:26:41,669 --> 00:26:38,400  
table but we just had a few a few

653  
00:26:44,390 --> 00:26:41,679  
starters here so so deb um

654  
00:26:46,390 --> 00:26:44,400  
if you could take off where uh

655  
00:26:49,350 --> 00:26:46,400  
where linda left off does that shape do

656  
00:26:51,990 --> 00:26:49,360  
you think that uh history uh shows that

657  
00:26:54,789 --> 00:26:52,000  
it it's significant is it is it is it

658  
00:26:56,549 --> 00:26:54,799  
significant in human history because of

659  
00:26:58,310 --> 00:26:56,559  
interaction with the phenomenon are they

660  
00:26:59,269 --> 00:26:58,320  
separate or what do you make of that

661  
00:27:01,909 --> 00:26:59,279  
debs

662  
00:27:03,909 --> 00:27:01,919  
okay so i did of course go through all

663  
00:27:07,590 --> 00:27:03,919

the foias and in the beginning i was

664

00:27:11,750 --> 00:27:10,470

and i was trying to actually study the

665

00:27:13,510 --> 00:27:11,760

shapes and

666

00:27:15,750 --> 00:27:13,520

there were triangles way in the

667

00:27:17,510 --> 00:27:15,760

beginning in the government documents

668

00:27:19,350 --> 00:27:17,520

but not that many

669

00:27:21,110 --> 00:27:19,360

um so

670

00:27:24,710 --> 00:27:21,120

i think it's actually something that

671

00:27:26,549 --> 00:27:24,720

came out a little bit later more often

672

00:27:28,310 --> 00:27:26,559

um i and things that make me really

673

00:27:31,830 --> 00:27:28,320

wonder about the triangle include the

674

00:27:34,950 --> 00:27:31,840

fact that most of our fastest um

675

00:27:37,669 --> 00:27:34,960

jets and whatever are triangles um

676  
00:27:40,870 --> 00:27:37,679  
they're delta you know and it makes me

677  
00:27:42,710 --> 00:27:40,880  
wonder if some of these are ours um and

678  
00:27:43,990 --> 00:27:42,720  
then i always have to wonder well which

679  
00:27:45,750 --> 00:27:44,000  
came first

680  
00:27:48,549 --> 00:27:45,760  
is it the horse or the cart you know

681  
00:27:50,870 --> 00:27:48,559  
which thing was it was it we've copied

682  
00:27:52,950 --> 00:27:50,880  
something we found or

683  
00:27:55,590 --> 00:27:52,960  
you know or they just

684  
00:27:56,870 --> 00:27:55,600  
happen to have one too you know i have i

685  
00:27:58,389 --> 00:27:56,880  
have a lot of thoughts about that i

686  
00:28:01,029 --> 00:27:58,399  
don't really know

687  
00:28:03,430 --> 00:28:01,039  
um how many of them are ours but clearly

688  
00:28:05,430 --> 00:28:03,440

some of them are not because

689

00:28:07,750 --> 00:28:05,440

you know some of them are so huge

690

00:28:10,149 --> 00:28:07,760

there's no way that we have the physics

691

00:28:12,630 --> 00:28:10,159

knowledge to accomplish that

692

00:28:14,789 --> 00:28:12,640

um but as far as like a symbolic thing

693

00:28:16,549 --> 00:28:14,799

with the triangle i don't think so i

694

00:28:18,630 --> 00:28:16,559

think it's the same reasons we're using

695

00:28:20,630 --> 00:28:18,640

triangles

696

00:28:22,710 --> 00:28:20,640

i'll say that uh from uh one of the

697

00:28:23,510 --> 00:28:22,720

interesting things is actually

698

00:28:28,070 --> 00:28:23,520

uh

699

00:28:30,710 --> 00:28:28,080

wing jets like the b1 bomber

700

00:28:32,789 --> 00:28:30,720

they actually will uh will sweep their

701  
00:28:35,990 --> 00:28:32,799  
wings back when they want to go faster

702  
00:28:38,149 --> 00:28:36,000  
so a delta wing doesn't necessarily go

703  
00:28:40,470 --> 00:28:38,159  
you would want to be swept back further

704  
00:28:43,990 --> 00:28:40,480  
because the more the more aerodynamics

705  
00:28:46,310 --> 00:28:44,000  
come into play is is uh when you would

706  
00:28:49,909 --> 00:28:46,320  
want wings swept further and further and

707  
00:28:52,149 --> 00:28:49,919  
further back away from sort of a delta

708  
00:28:54,149 --> 00:28:52,159  
but if you're coming into land some of

709  
00:28:57,029 --> 00:28:54,159  
those aircraft will extend their wings

710  
00:28:59,190 --> 00:28:57,039  
to create more lift so aerodynamically

711  
00:29:01,669 --> 00:28:59,200  
speaking it really doesn't help you

712  
00:29:05,430 --> 00:29:01,679  
that that b2 shape or that

713  
00:29:07,830 --> 00:29:05,440

f117 shape and those are subsonic craft

714

00:29:10,389 --> 00:29:07,840

uh compared to like an f22 which is a

715

00:29:12,710 --> 00:29:10,399

supersonic or a b1 bomber which is a

716

00:29:15,750 --> 00:29:12,720

supersonic but also uh can sweep the

717

00:29:18,149 --> 00:29:15,760

wings uh steph that shape uh does that

718

00:29:22,149 --> 00:29:18,159

shape resonate uh with you do you find

719

00:29:25,110 --> 00:29:22,159

that there's a uh uh imitation here or

720

00:29:26,710 --> 00:29:25,120

what's your thoughts on that shape

721

00:29:29,350 --> 00:29:26,720

a couple of things have crossed my mind

722

00:29:31,990 --> 00:29:29,360

and i am a realist i try to make sense

723

00:29:34,310 --> 00:29:32,000

of things like well sure why was the

724

00:29:36,070 --> 00:29:34,320

bottom of this triangle shaped like a

725

00:29:37,510 --> 00:29:36,080

boat right

726

00:29:39,510 --> 00:29:37,520

boats

727

00:29:42,950 --> 00:29:39,520

float they go through the water is it

728

00:29:45,750 --> 00:29:42,960

something that would be a hybrid to

729

00:29:48,950 --> 00:29:45,760

enter and exit the air to the water i

730

00:29:50,549 --> 00:29:48,960

mean that the aerodynamics of that

731

00:29:53,269 --> 00:29:50,559

that shape

732

00:29:54,549 --> 00:29:53,279

would easily splash into water is that a

733

00:29:56,389 --> 00:29:54,559

possibility

734

00:29:58,470 --> 00:29:56,399

i don't know you know that that has

735

00:30:00,230 --> 00:29:58,480

crossed my mind

736

00:30:03,029 --> 00:30:00,240

one of the very interesting things about

737

00:30:05,510 --> 00:30:03,039

this that you may not be aware of on but

738

00:30:07,590 --> 00:30:05,520

some of the audience probably is is they

739

00:30:10,230 --> 00:30:07,600

enter the water without a splash

740

00:30:12,230 --> 00:30:10,240

so one of the interesting things about

741

00:30:13,110 --> 00:30:12,240

some of these uh craft that they're

742

00:30:15,909 --> 00:30:13,120

seeing

743

00:30:17,990 --> 00:30:15,919

is not only arrow do aerodynamics not

744

00:30:20,310 --> 00:30:18,000

have an effect on them uh where they

745

00:30:22,789 --> 00:30:20,320

don't need control surfaces to steer etc

746

00:30:25,190 --> 00:30:22,799

etc but but hydrodynamics that they can

747

00:30:28,070 --> 00:30:25,200

pass through the water at speeds that we

748

00:30:30,870 --> 00:30:28,080

we could never uh the hydrodynamic drag

749

00:30:32,870 --> 00:30:30,880

is so extreme that if you're doing like

750

00:30:35,269 --> 00:30:32,880

30 knots underwater you're going really

751

00:30:37,669 --> 00:30:35,279

fast but something that's moving like

752

00:30:41,110 --> 00:30:37,679

the speed of sound underwater would be

753

00:30:43,669 --> 00:30:41,120

like mind-blowing to uh to us but anyway

754

00:30:44,789 --> 00:30:43,679

uh we got to go on to the next topic so

755

00:30:47,269 --> 00:30:44,799

um

756

00:30:50,470 --> 00:30:47,279

if linda has the topic we'll we'll hit

757

00:30:52,149 --> 00:30:50,480

that one or if deb has a topic or i have

758

00:30:54,230 --> 00:30:52,159

two listener questions do you have

759

00:30:56,950 --> 00:30:54,240

anything that you'd like us to consider

760

00:31:00,310 --> 00:30:56,960

for the fireside chat linda

761

00:31:03,029 --> 00:31:00,320

uh well uh you know i am partial to the

762

00:31:05,750 --> 00:31:03,039

to the animal reactions and i i just

763

00:31:09,029 --> 00:31:05,760

want to say on that um

764

00:31:12,389 --> 00:31:09,039

pay attention to your pets the barnyard

765

00:31:13,750 --> 00:31:12,399

animals the the animals in the woods

766

00:31:15,029 --> 00:31:13,760

because

767

00:31:16,789 --> 00:31:15,039

they have

768

00:31:19,750 --> 00:31:16,799

superior six

769

00:31:21,430 --> 00:31:19,760

uh five senses to us for the most part

770

00:31:23,830 --> 00:31:21,440

and i would not discount they have

771

00:31:26,070 --> 00:31:23,840

superior sixth senses

772

00:31:29,669 --> 00:31:26,080

and their electromagnetic field

773

00:31:33,190 --> 00:31:29,679

sensitivity uh known as magnetoreception

774

00:31:36,070 --> 00:31:33,200

is so remarkable that i think that's

775

00:31:38,389 --> 00:31:36,080

where a lot of these abilities with

776

00:31:39,669 --> 00:31:38,399

animals lie um

777

00:31:42,630 --> 00:31:39,679

because

778

00:31:43,909 --> 00:31:42,640

they just are so attuned to the earth's

779

00:31:45,110 --> 00:31:43,919

natural

780

00:31:47,990 --> 00:31:45,120

fields

781

00:31:50,630 --> 00:31:48,000

and if a craft which we know has

782

00:31:54,870 --> 00:31:50,640

electromagnetic fields you know static

783

00:31:59,230 --> 00:31:54,880

on the car radio stalling cars blackouts

784

00:32:01,909 --> 00:31:59,240

if they are coming in with these wild

785

00:32:05,190 --> 00:32:01,919

electromagnetic fields are these animals

786

00:32:06,630 --> 00:32:05,200

reacting with fear and and want to run

787

00:32:08,630 --> 00:32:06,640

away because

788

00:32:10,789 --> 00:32:08,640

their whole world is suddenly spinning

789

00:32:13,669 --> 00:32:10,799

and turning around um you know is it

790

00:32:15,190 --> 00:32:13,679

like us on a on a roller coaster

791

00:32:19,110 --> 00:32:15,200

that

792

00:32:19,990 --> 00:32:19,120

they don't want any part of these craft

793

00:32:22,310 --> 00:32:20,000

so

794

00:32:26,230 --> 00:32:22,320

just pay attention go back through oh

795

00:32:28,630 --> 00:32:26,240

i've gone back through old cases and

796

00:32:31,509 --> 00:32:28,640

it's remarkable the information you can

797

00:32:34,870 --> 00:32:31,519

gather uh from animal reactions so if

798

00:32:37,509 --> 00:32:34,880

you're an investigator pay attention

799

00:32:40,789 --> 00:32:37,519

pay attention debs i'm just kidding no i

800

00:32:43,029 --> 00:32:40,799

ha i have a topic right now uh that that

801  
00:32:44,470 --> 00:32:43,039  
uh just i'm gonna tangent right off of

802  
00:32:46,549 --> 00:32:44,480  
what linda said i'm gonna bring it to

803  
00:32:48,149 --> 00:32:46,559  
deb to steph and then it's gonna come

804  
00:32:50,389 --> 00:32:48,159  
back home to linda

805  
00:32:52,630 --> 00:32:50,399  
so deb um

806  
00:32:54,549 --> 00:32:52,640  
you know when we had micah on and he

807  
00:32:56,310 --> 00:32:54,559  
talked about the gentleman that was on

808  
00:32:58,470 --> 00:32:56,320  
his show and forgive me i'm not gonna

809  
00:33:00,870 --> 00:32:58,480  
remember the names as we speak but he's

810  
00:33:03,350 --> 00:33:00,880  
also an investigator of ufos and of

811  
00:33:05,350 --> 00:33:03,360  
sasquatch uh but they were going to do

812  
00:33:07,909 --> 00:33:05,360  
something more akin to what linda was

813  
00:33:10,149 --> 00:33:07,919

doing they were going to see a shack in

814

00:33:12,310 --> 00:33:10,159

the woods that was owned by which and

815

00:33:14,549 --> 00:33:12,320

they wanted to see if it was really

816

00:33:16,710 --> 00:33:14,559

there because it was lore

817

00:33:18,230 --> 00:33:16,720

uh and they had gotten some good vectors

818

00:33:21,110 --> 00:33:18,240

from somebody old that had a lot of

819

00:33:24,470 --> 00:33:21,120

familiarity and after a couple of hours

820

00:33:26,230 --> 00:33:24,480

they found uh the witch's house slash

821

00:33:28,149 --> 00:33:26,240

shack um

822

00:33:30,549 --> 00:33:28,159

and when they they stayed a little while

823

00:33:31,750 --> 00:33:30,559

there when they left it was coming into

824

00:33:34,470 --> 00:33:31,760

nightfall

825

00:33:36,230 --> 00:33:34,480

and uh what happened debs if you're

826

00:33:37,590 --> 00:33:36,240

recalling them and i'm saying this i

827

00:33:40,310 --> 00:33:37,600

know you know the story but i'm kind of

828

00:33:41,669 --> 00:33:40,320

saying it for the audience and for linda

829

00:33:42,950 --> 00:33:41,679

um

830

00:33:46,149 --> 00:33:42,960

is that uh

831

00:33:48,630 --> 00:33:46,159

uh they they did make eye contact with

832

00:33:51,669 --> 00:33:48,640

what they believed was a sasquatch

833

00:33:54,389 --> 00:33:51,679

and all of the wildlife in the woods it

834

00:33:56,630 --> 00:33:54,399

became totally silent now i understand

835

00:33:58,470 --> 00:33:56,640

when there's a predatory creature around

836

00:34:01,430 --> 00:33:58,480

that there are certain animals that will

837

00:34:04,070 --> 00:34:01,440

be quiet but not like crickets and

838

00:34:06,389 --> 00:34:04,080

things like that so um what's your take

839

00:34:07,269 --> 00:34:06,399

on that on that reaction debs do you do

840

00:34:09,510 --> 00:34:07,279

you think

841

00:34:12,629 --> 00:34:09,520

that that is be does that speak to

842

00:34:15,589 --> 00:34:12,639

something about sasquatch as a

843

00:34:19,430 --> 00:34:15,599

terrestrial creature or does that speak

844

00:34:21,109 --> 00:34:19,440

to sasquatches perhaps a a a creature

845

00:34:23,109 --> 00:34:21,119

that's inter-dimensional what's your

846

00:34:24,550 --> 00:34:23,119

thoughts on that whole phenomenon

847

00:34:26,230 --> 00:34:24,560

well i think we're

848

00:34:27,909 --> 00:34:26,240

we tend to

849

00:34:30,629 --> 00:34:27,919

look at sasquatch and think it's just

850

00:34:33,430 --> 00:34:30,639

one thing and and i i keep falling into

851

00:34:35,030 --> 00:34:33,440

it's maybe more than one right and

852

00:34:37,510 --> 00:34:35,040

and because i do think there might be

853

00:34:40,230 --> 00:34:37,520

some hominids that we miss somehow on

854

00:34:41,829 --> 00:34:40,240

the planet i think that's a possibility

855

00:34:44,710 --> 00:34:41,839

especially because a lot of what people

856

00:34:47,750 --> 00:34:44,720

are seeing looks like a hominid but

857

00:34:49,270 --> 00:34:47,760

when animals respond that way to that

858

00:34:51,030 --> 00:34:49,280

disturbance

859

00:34:52,230 --> 00:34:51,040

um when they're like just basically

860

00:34:54,710 --> 00:34:52,240

freezing

861

00:34:56,950 --> 00:34:54,720

it's like a panic mode and i actually

862

00:34:58,950 --> 00:34:56,960

had like a dinner conversation with my

863

00:35:01,430 --> 00:34:58,960

brother-in-law about this and he

864

00:35:03,270 --> 00:35:01,440

mentioned that animals may actually be

865

00:35:05,030 --> 00:35:03,280

hearing something

866

00:35:08,550 --> 00:35:05,040

that we can't hear

867

00:35:11,829 --> 00:35:08,560

that it might be um in the infrasound

868

00:35:14,069 --> 00:35:11,839

range sort of like an earthquake so if

869

00:35:16,630 --> 00:35:14,079

sasquatch is interdimensional and has

870

00:35:17,510 --> 00:35:16,640

used a portal that might be what they

871

00:35:19,109 --> 00:35:17,520

heard

872

00:35:20,630 --> 00:35:19,119

because if he was just an animal

873

00:35:22,790 --> 00:35:20,640

standing there i don't think it would

874

00:35:24,550 --> 00:35:22,800

have been the same not for the crickets

875

00:35:27,349 --> 00:35:24,560

and all that because they're not i don't

876

00:35:29,589 --> 00:35:27,359

think they see a lot of the insect life

877

00:35:30,630 --> 00:35:29,599

sees a sasquatch or something as a

878

00:35:32,630 --> 00:35:30,640

predator

879

00:35:33,829 --> 00:35:32,640

but the way if they react that way to a

880

00:35:35,670 --> 00:35:33,839

uap

881

00:35:37,829 --> 00:35:35,680

uh coming close and they react that way

882

00:35:39,349 --> 00:35:37,839

to sasquatch then my brain starts going

883

00:35:43,349 --> 00:35:39,359

wait a minute there's a connect there's

884

00:35:47,030 --> 00:35:44,870

oh you're still muted

885

00:35:48,790 --> 00:35:47,040

i have to unmute myself yes there's a

886

00:35:50,870 --> 00:35:48,800

there there's there

887

00:35:52,630 --> 00:35:50,880

we all we all have our ideas of what the

888

00:35:53,829 --> 00:35:52,640

sasquatch is and i know your obsession

889

00:35:55,670 --> 00:35:53,839

with it and

890

00:35:56,829 --> 00:35:55,680

i want to believe

891

00:35:59,750 --> 00:35:56,839

i want to

892

00:36:02,470 --> 00:35:59,760

believe it's not that it's it linda it

893

00:36:04,069 --> 00:36:02,480

said i'm lonely in the forest and i want

894

00:36:05,670 --> 00:36:04,079

to see a creature when i go to blue

895

00:36:07,109 --> 00:36:05,680

mountain reservation when i go home i'm

896

00:36:09,349 --> 00:36:07,119

going to be looking for sasquatch but

897

00:36:12,790 --> 00:36:09,359

anyway uh i certainly make it out to be

898

00:36:15,030 --> 00:36:12,800

more go ahead steph i'm sorry well okay

899

00:36:17,430 --> 00:36:15,040

i'm going with i believe that it's some

900

00:36:19,670 --> 00:36:17,440

sort of a phantom so there's it's not

901  
00:36:21,829 --> 00:36:19,680  
apparently there's no substantial like

902  
00:36:24,470 --> 00:36:21,839  
existence of it but there's there's

903  
00:36:26,630 --> 00:36:24,480  
something that that's appearing there so

904  
00:36:28,630 --> 00:36:26,640  
i think you know could it be

905  
00:36:30,230 --> 00:36:28,640  
crypto it crypto

906  
00:36:32,550 --> 00:36:30,240  
terrestrial

907  
00:36:34,069 --> 00:36:32,560  
i mean phantom is something that kind of

908  
00:36:35,589 --> 00:36:34,079  
sticks with me because it's it's

909  
00:36:37,750 --> 00:36:35,599  
something that you think you see but

910  
00:36:39,510 --> 00:36:37,760  
it's not really there

911  
00:36:43,510 --> 00:36:39,520  
so what if it's like the ghost of our

912  
00:36:45,270 --> 00:36:43,520  
neanderthal hominid ancestors

913  
00:36:48,390 --> 00:36:45,280

that's right

914

00:36:51,670 --> 00:36:48,400

is this quasimodo i mean

915

00:36:54,390 --> 00:36:51,680

it's your turn um so when when when

916

00:36:57,430 --> 00:36:54,400

there's a reaction in the forest

917

00:36:59,829 --> 00:36:57,440

to uh these gentlemen making eye contact

918

00:37:02,630 --> 00:36:59,839

with the sasquatch probably soiling

919

00:37:05,430 --> 00:37:02,640

themselves uh and all and the forest

920

00:37:07,670 --> 00:37:05,440

goes quiet like uh what we've heard

921

00:37:09,589 --> 00:37:07,680

happens when the uap what do you make of

922

00:37:13,430 --> 00:37:09,599

that personally

923

00:37:15,510 --> 00:37:13,440

yeah it's not just a unknown hominid i

924

00:37:19,349 --> 00:37:15,520

think at that point there was a great

925

00:37:21,750 --> 00:37:19,359

case in 1959 in the brazilian jungle

926

00:37:24,870 --> 00:37:21,760

three businessmen were out crocodile

927

00:37:28,069 --> 00:37:24,880

hunting and you know the sound in a in a

928

00:37:29,829 --> 00:37:28,079

jungle it's just a uh i will use the

929

00:37:32,069 --> 00:37:29,839

word a cacophony

930

00:37:34,069 --> 00:37:32,079

of sound um

931

00:37:35,510 --> 00:37:34,079

and a large

932

00:37:38,630 --> 00:37:35,520

kick i don't think that's in anyone

933

00:37:40,950 --> 00:37:38,640

here's vocabulary except linda oh can i

934

00:37:43,750 --> 00:37:40,960

say that comfortably it's anyone it's a

935

00:37:45,750 --> 00:37:43,760

new one oh is it oh okay

936

00:37:48,069 --> 00:37:45,760

it was loud

937

00:37:51,750 --> 00:37:48,079

it was very loud

938

00:37:52,790 --> 00:37:51,760

and they uh brightly lit saucer comes

939

00:37:56,950 --> 00:37:52,800

over

940

00:37:58,470 --> 00:37:56,960

and the entire jungle went silent every

941

00:38:00,310 --> 00:37:58,480

cricket

942

00:38:02,710 --> 00:38:00,320

i don't even know what i don't want to

943

00:38:04,630 --> 00:38:02,720

know what kind of species of insects and

944

00:38:06,470 --> 00:38:04,640

everything birds

945

00:38:09,349 --> 00:38:06,480

i don't know if they're a monkey

946

00:38:13,829 --> 00:38:09,359

everything went absolutely silent

947

00:38:17,670 --> 00:38:13,839

and uh so clearly there is some sort of

948

00:38:19,030 --> 00:38:17,680

field being generated that affects all

949

00:38:21,670 --> 00:38:19,040

life forms

950

00:38:23,829 --> 00:38:21,680

and makes them fall silent probably

951  
00:38:27,190 --> 00:38:23,839  
because they feel threatened

952  
00:38:30,069 --> 00:38:27,200  
but i do have um if i can go a little

953  
00:38:33,430 --> 00:38:30,079  
further into the sasquatch um

954  
00:38:35,349 --> 00:38:33,440  
i am not a sasquatch researcher but when

955  
00:38:36,470 --> 00:38:35,359  
you're in this field people tell you

956  
00:38:40,550 --> 00:38:36,480  
stories

957  
00:38:44,870 --> 00:38:40,560  
and someone told me a story um about uh

958  
00:38:46,710 --> 00:38:44,880  
oh 25 years ago that took place out near

959  
00:38:49,270 --> 00:38:46,720  
western pennsylvania

960  
00:38:51,510 --> 00:38:49,280  
and i won't i won't get to that one yet

961  
00:38:53,990 --> 00:38:51,520  
um but then

962  
00:38:55,109 --> 00:38:54,000  
just several years ago someone told me a

963  
00:38:57,750 --> 00:38:55,119

story

964

00:39:01,349 --> 00:38:57,760

um probably took place about 20 minutes

965

00:39:03,430 --> 00:39:01,359

from here there's a very bizarre road

966

00:39:07,190 --> 00:39:03,440

through a state park area called

967

00:39:09,990 --> 00:39:07,200

longmeadow near the town of tuxedo you

968

00:39:13,510 --> 00:39:10,000

name it it happens there and the story

969

00:39:16,069 --> 00:39:13,520

was he's just driving home from work

970

00:39:18,710 --> 00:39:16,079

and he sees something on the side of a

971

00:39:20,150 --> 00:39:18,720

road and he looks over

972

00:39:21,109 --> 00:39:20,160

and it's

973

00:40:30,550 --> 00:39:21,119

a

974

00:40:33,510 --> 00:40:30,560

is not something

975

00:40:34,630 --> 00:40:33,520

mundane and purely physical

976

00:40:36,790 --> 00:40:34,640

and that's

977

00:40:38,790 --> 00:40:36,800

my take on it

978

00:40:40,470 --> 00:40:38,800

first of all um i really want to thank

979

00:40:42,150 --> 00:40:40,480

you for that take because

980

00:40:43,829 --> 00:40:42,160

when you talk to people who are deep

981

00:40:46,309 --> 00:40:43,839

into this and we just spoke with one

982

00:40:48,230 --> 00:40:46,319

someone i know you know micah hanks we

983

00:40:50,150 --> 00:40:48,240

were honored to speak with him

984

00:40:52,069 --> 00:40:50,160

but i think a lot of the people and

985

00:40:53,430 --> 00:40:52,079

there's not even a but there there are a

986

00:40:55,430 --> 00:40:53,440

lot of people that he speaks with that

987

00:40:58,069 --> 00:40:55,440

are very rooted in that this is just a

988

00:41:00,309 --> 00:40:58,079

living mammal that's hiding and i told

989

00:41:01,750 --> 00:41:00,319

him the story of the navajo ranger

990

00:41:03,589 --> 00:41:01,760

jonathan dover

991

00:41:05,109 --> 00:41:03,599

who said uh

992

00:41:06,710 --> 00:41:05,119

you know and you know navajo ranger

993

00:41:09,349 --> 00:41:06,720

you're talking about a federally trained

994

00:41:11,430 --> 00:41:09,359

law enforcement officer at this point

995

00:41:13,990 --> 00:41:11,440

and he said i have tracked

996

00:41:16,550 --> 00:41:14,000

several of them into the middle of an

997

00:41:18,870 --> 00:41:16,560

open field and the tracks just disappear

998

00:41:20,790 --> 00:41:18,880

i'm looking at tracks i'm tracking it

999

00:41:22,870 --> 00:41:20,800

and they're just gone as if something

1000

00:41:25,190 --> 00:41:22,880

came and lifted it up and

1001  
00:41:27,030 --> 00:41:25,200  
and and that didn't resonate with micah

1002  
00:41:29,270 --> 00:41:27,040  
and i think it's because of like what

1003  
00:41:31,910 --> 00:41:29,280  
you said we have to be open to these

1004  
00:41:35,670 --> 00:41:31,920  
possibilities that yes maybe it walks

1005  
00:41:37,670 --> 00:41:35,680  
around as a mammal and yes maybe it's

1006  
00:41:39,750 --> 00:41:37,680  
walking through a portal as slit if you

1007  
00:41:41,670 --> 00:41:39,760  
will so i imagine the credibility of

1008  
00:41:43,349 --> 00:41:41,680  
that individual went up significantly

1009  
00:41:45,430 --> 00:41:43,359  
when you were able to match that story

1010  
00:41:47,190 --> 00:41:45,440  
up with the previous story from from

1011  
00:41:49,030 --> 00:41:47,200  
1950

1012  
00:41:50,470 --> 00:41:49,040  
so

1013  
00:41:53,030 --> 00:41:50,480

yeah it's

1014

00:41:56,309 --> 00:41:53,040

it's a physical animal but how it gets

1015

00:41:57,829 --> 00:41:56,319

here and how it leaves is the million

1016

00:41:59,670 --> 00:41:57,839

dollar question

1017

00:42:01,430 --> 00:41:59,680

i'm with you i'm with you i want to put

1018

00:42:03,190 --> 00:42:01,440

up julie's question now and then we're

1019

00:42:04,790 --> 00:42:03,200

going to get to the other person and

1020

00:42:06,870 --> 00:42:04,800

then deb and steph if you guys are

1021

00:42:08,550 --> 00:42:06,880

recorded i only have two questions

1022

00:42:10,950 --> 00:42:08,560

written down right here so here's my

1023

00:42:14,069 --> 00:42:10,960

friend julie farrell from alabama who i

1024

00:42:16,550 --> 00:42:14,079

got to meet at a ufo meetup uh and she

1025

00:42:18,790 --> 00:42:16,560

says have the witnesses that you linda

1026  
00:42:21,510 --> 00:42:18,800  
have spoke with has anybody had health

1027  
00:42:23,670 --> 00:42:21,520  
issues that they would assign as as

1028  
00:42:25,030 --> 00:42:23,680  
responsible for their interaction with

1029  
00:42:28,069 --> 00:42:25,040  
the phenomenon

1030  
00:42:31,030 --> 00:42:28,079  
absolutely and it's um on both ends of

1031  
00:42:32,950 --> 00:42:31,040  
the spectrum from people who

1032  
00:42:37,430 --> 00:42:32,960  
believe

1033  
00:42:40,790 --> 00:42:37,440  
adamantly that their interactions have

1034  
00:42:43,510 --> 00:42:40,800  
cured them of certain incurable diseases

1035  
00:42:45,670 --> 00:42:43,520  
or made their general health better

1036  
00:42:47,829 --> 00:42:45,680  
to people who believe they have

1037  
00:42:50,550 --> 00:42:47,839  
developed cancers

1038  
00:42:53,349 --> 00:42:50,560

as a result or

1039

00:42:54,790 --> 00:42:53,359

have just struggled with with physical

1040

00:42:57,750 --> 00:42:54,800

ailments

1041

00:43:00,230 --> 00:42:57,760

as a result mostly with you know intense

1042

00:43:03,030 --> 00:43:00,240

prolonged interactions

1043

00:43:06,309 --> 00:43:03,040

but um

1044

00:43:09,030 --> 00:43:06,319

yeah no question these are

1045

00:43:13,270 --> 00:43:09,040

these are physically altering encounters

1046

00:43:15,829 --> 00:43:13,280

or can be not always um and even to the

1047

00:43:16,790 --> 00:43:15,839

point of their mental and emotional

1048

00:43:18,150 --> 00:43:16,800

health

1049

00:43:19,829 --> 00:43:18,160

some people are

1050

00:43:23,349 --> 00:43:19,839

scarred for life

1051

00:43:24,630 --> 00:43:23,359

from these encounters i know one woman i

1052

00:43:26,390 --> 00:43:24,640

interviewed had

1053

00:43:28,710 --> 00:43:26,400

was back in 83

1054

00:43:31,349 --> 00:43:28,720

she still will not go outside in the

1055

00:43:33,430 --> 00:43:31,359

dark by herself um

1056

00:43:34,470 --> 00:43:33,440

that's you know that's a terrible fear

1057

00:43:37,589 --> 00:43:34,480

to carry

1058

00:43:40,950 --> 00:43:37,599

your entire adult life so

1059

00:43:43,910 --> 00:43:40,960

yeah certainly health issues um as i

1060

00:43:46,230 --> 00:43:43,920

said on both ends of the spectrum

1061

00:43:47,910 --> 00:43:46,240

i also before i pass this to deb because

1062

00:43:50,790 --> 00:43:47,920

we're going to take this question as a

1063

00:43:53,829 --> 00:43:50,800

round table also uh you interviewed my

1064

00:43:56,309 --> 00:43:53,839

high school classmate uh audrey herrer

1065

00:43:57,750 --> 00:43:56,319

uh whose name is now audrey statesgoal

1066

00:43:59,589 --> 00:43:57,760

lives in connecticut

1067

00:44:01,990 --> 00:43:59,599

and she is uh one of the brightest

1068

00:44:04,390 --> 00:44:02,000

lights in my entire class the hen hood

1069

00:44:07,750 --> 00:44:04,400

class of 85 and you interviewed her and

1070

00:44:09,990 --> 00:44:07,760

her family and you left a very positive

1071

00:44:11,670 --> 00:44:10,000

infra impression on her and her family

1072

00:44:13,910 --> 00:44:11,680

from montrose linda i just wanted you to

1073

00:44:16,309 --> 00:44:13,920

know that oh that's wonderful yes i

1074

00:44:18,950 --> 00:44:16,319

remember i remember the name and the the

1075

00:44:21,270 --> 00:44:18,960

family was kind enough to uh

1076

00:44:24,150 --> 00:44:21,280

share their great case with me

1077

00:44:24,950 --> 00:44:24,160

yeah her father was a police detective

1078

00:44:27,270 --> 00:44:24,960

uh

1079

00:44:29,750 --> 00:44:27,280

down in down county somewhere i can't

1080

00:44:32,150 --> 00:44:29,760

remember new rochelle i believe

1081

00:44:34,470 --> 00:44:32,160

and uh and yeah they had a big black

1082

00:44:36,390 --> 00:44:34,480

triangle fly right over montrose right

1083

00:44:38,550 --> 00:44:36,400

over hen hunt high school so

1084

00:44:40,390 --> 00:44:38,560

uh but more importantly i want to get

1085

00:44:42,950 --> 00:44:40,400

something that we were just talking

1086

00:44:46,309 --> 00:44:42,960

about in terms of health issues and deb

1087

00:44:47,910 --> 00:44:46,319

has just started a group of uh

1088

00:44:51,270 --> 00:44:47,920

mental health professionals that they're

1089

00:44:53,030 --> 00:44:51,280

aimed at helping experiencers and and

1090

00:44:55,910 --> 00:44:53,040

people that have been traumatized by the

1091

00:44:59,190 --> 00:44:55,920

phenomenon so deb what's your thought

1092

00:45:00,630 --> 00:44:59,200

about julie's question there and

1093

00:45:02,870 --> 00:45:00,640

writ large

1094

00:45:04,630 --> 00:45:02,880

well i was happy to see that question

1095

00:45:08,069 --> 00:45:04,640

because obviously it's one of the things

1096

00:45:10,069 --> 00:45:08,079

foremost on my mind right now um and

1097

00:45:12,950 --> 00:45:10,079

everyone will get a formal announcement

1098

00:45:15,109 --> 00:45:12,960

about the uap medical coalition in the

1099

00:45:16,390 --> 00:45:15,119

future there are some serious people

1100

00:45:18,630 --> 00:45:16,400

behind that

1101

00:45:21,510 --> 00:45:18,640

um but it is it's

1102

00:45:23,589 --> 00:45:21,520

not just you know the healing and the

1103

00:45:26,069 --> 00:45:23,599

cancer but you know

1104

00:45:27,750 --> 00:45:26,079

gary um just spoke about this in his

1105

00:45:29,190 --> 00:45:27,760

interview with tucker carlson i'm glad i

1106

00:45:32,390 --> 00:45:29,200

get to mention that

1107

00:45:35,510 --> 00:45:32,400

um he just said it's a lot of these your

1108

00:45:38,550 --> 00:45:35,520

irritation like like radioactive

1109

00:45:41,190 --> 00:45:38,560

responses um so there's a lot of burns

1110

00:45:44,069 --> 00:45:41,200

and if it's not treated it can scar

1111

00:45:46,470 --> 00:45:44,079

um there's eye irritation

1112

00:45:48,309 --> 00:45:46,480

nausea um so

1113

00:45:50,710 --> 00:45:48,319

there's a lot of different degrees it

1114

00:45:52,790 --> 00:45:50,720

doesn't always go fully to cancer so and

1115

00:45:55,349 --> 00:45:52,800

he made the point that i really thought

1116

00:45:57,349 --> 00:45:55,359

was interesting that of course

1117

00:45:59,510 --> 00:45:57,359

depending on where brain damage may

1118

00:46:02,390 --> 00:45:59,520

occur because of the encounter there

1119

00:46:04,390 --> 00:46:02,400

might be different cognitive results

1120

00:46:05,910 --> 00:46:04,400

so you know it really that connects in

1121

00:46:07,670 --> 00:46:05,920

more ways than people realize but i

1122

00:46:09,349 --> 00:46:07,680

really just want to make another point

1123

00:46:11,829 --> 00:46:09,359

about this really quick

1124

00:46:14,470 --> 00:46:11,839

not only do people have the initial

1125

00:46:16,790 --> 00:46:14,480

trauma but when their families don't

1126  
00:46:18,950 --> 00:46:16,800  
accept that something happened to them

1127  
00:46:22,230 --> 00:46:18,960  
and that they go to these people trying

1128  
00:46:24,630 --> 00:46:22,240  
to get help they're traumatized again

1129  
00:46:26,470 --> 00:46:24,640  
because families are laughing at them

1130  
00:46:28,069 --> 00:46:26,480  
they don't understand why they're scared

1131  
00:46:30,069 --> 00:46:28,079  
they're not helping protect them because

1132  
00:46:33,030 --> 00:46:30,079  
they think it's ridiculous

1133  
00:46:34,630 --> 00:46:33,040  
so it's like it's dual trauma

1134  
00:46:36,150 --> 00:46:34,640  
so that's one of the reasons it's really

1135  
00:46:38,550 --> 00:46:36,160  
important for mental health

1136  
00:46:41,030 --> 00:46:38,560  
professionals to understand what's going

1137  
00:46:42,950 --> 00:46:41,040  
on and come forward

1138  
00:46:45,190 --> 00:46:42,960

thank you deb it's just more of the

1139

00:46:47,829 --> 00:46:45,200

amazing work that you've done for our

1140

00:46:49,510 --> 00:46:47,839

community along with the obviously steph

1141

00:46:51,030 --> 00:46:49,520

is there's a resource she's not a mental

1142

00:46:53,750 --> 00:46:51,040

health professional but she's still

1143

00:46:55,910 --> 00:46:53,760

there to to to hear you and and let you

1144

00:46:57,270 --> 00:46:55,920

talk about your topic for me personally

1145

00:47:00,150 --> 00:46:57,280

i mean you guys have been talking about

1146

00:47:02,630 --> 00:47:00,160

me uh looking for bigfoot you've noticed

1147

00:47:05,030 --> 00:47:02,640

you know maybe prodigious hair loss uh

1148

00:47:06,950 --> 00:47:05,040

bigfoot having a dearth of hair and if

1149

00:47:08,309 --> 00:47:06,960

we were to get together you know maybe

1150

00:47:10,390 --> 00:47:08,319

something happened maybe my hair would

1151

00:47:12,550 --> 00:47:10,400

grow back i could come back to new york

1152

00:47:15,670 --> 00:47:12,560

linda looking like i'm a guitarist from

1153

00:47:17,750 --> 00:47:15,680

boston i mean you know that

1154

00:47:19,510 --> 00:47:17,760

be careful what you look what you ask

1155

00:47:21,109 --> 00:47:19,520

for right

1156

00:47:23,109 --> 00:47:21,119

you know i'd like to be able to part my

1157

00:47:25,589 --> 00:47:23,119

hair in the middle and you know and look

1158

00:47:28,549 --> 00:47:25,599

like a real 70s you know hender cuts in

1159

00:47:31,910 --> 00:47:28,559

student but anyway uh deb excuse me

1160

00:47:34,150 --> 00:47:31,920

steph uh mental health issues uh or or

1161

00:47:36,470 --> 00:47:34,160

health issues writ large we have just

1162

00:47:39,109 --> 00:47:36,480

bear in mind everybody we have about uh

1163

00:47:40,710 --> 00:47:39,119

13 minutes left with linda so we'll

1164

00:47:42,549 --> 00:47:40,720

probably do quick fire on the next

1165

00:47:44,790 --> 00:47:42,559

couple questions we've got

1166

00:47:46,710 --> 00:47:44,800

sure the majority of experiencers that

1167

00:47:48,630 --> 00:47:46,720

come forth to share you know it is

1168

00:47:51,349 --> 00:47:48,640

important for their mental health just

1169

00:47:54,069 --> 00:47:51,359

to simply share like as you both had

1170

00:47:55,910 --> 00:47:54,079

said and we do need to squash the stigma

1171

00:47:58,870 --> 00:47:55,920

of this whole

1172

00:48:01,109 --> 00:47:58,880

you know phenomenon multi-dimensional al

1173

00:48:03,030 --> 00:48:01,119

all of the phenomena that you have you

1174

00:48:05,030 --> 00:48:03,040

have witnessed so i just want to say

1175

00:48:06,870 --> 00:48:05,040

that that is part of

1176  
00:48:10,710 --> 00:48:06,880  
getting through this and healing your

1177  
00:48:12,390 --> 00:48:10,720  
anxiety or just whatever whatever

1178  
00:48:14,790 --> 00:48:12,400  
if you want to share

1179  
00:48:16,950 --> 00:48:14,800  
anonymously then that is part of your

1180  
00:48:19,750 --> 00:48:16,960  
healing so it's very important you don't

1181  
00:48:21,589 --> 00:48:19,760  
have to be on camera you know

1182  
00:48:23,109 --> 00:48:21,599  
we believe you and that's what that's

1183  
00:48:23,829 --> 00:48:23,119  
the platform that we provide here for

1184  
00:48:25,990 --> 00:48:23,839  
you

1185  
00:48:27,510 --> 00:48:26,000  
um so i just wanted to say that but as

1186  
00:48:28,309 --> 00:48:27,520  
far as any

1187  
00:48:30,470 --> 00:48:28,319  
um

1188  
00:48:32,549 --> 00:48:30,480

say mental health concerns i do

1189

00:48:34,950 --> 00:48:32,559

understand that you know

1190

00:48:36,950 --> 00:48:34,960

that is surrounding this as well i do

1191

00:48:39,109 --> 00:48:36,960

have licensed professionals that i would

1192

00:48:41,670 --> 00:48:39,119

then you know gear that person towards

1193

00:48:44,710 --> 00:48:41,680

and pivot them that way so it is very

1194

00:48:46,309 --> 00:48:44,720

important to me um you know i did have

1195

00:48:48,710 --> 00:48:46,319

family in my

1196

00:48:50,309 --> 00:48:48,720

people who suffered from mental sorry

1197

00:48:51,030 --> 00:48:50,319

i'm stumbling on my words right now i

1198

00:48:56,470 --> 00:48:51,040

love

1199

00:48:58,950 --> 00:48:56,480

i'm just kidding but no but um you know

1200

00:49:01,190 --> 00:48:58,960

it it it's it's very near and dear to my

1201

00:49:04,309 --> 00:49:01,200

heart and i do

1202

00:49:05,910 --> 00:49:04,319

uh want people to be able to speak on it

1203

00:49:08,150 --> 00:49:05,920

should they be

1204

00:49:09,589 --> 00:49:08,160

having something you know that that is

1205

00:49:11,750 --> 00:49:09,599

bothering them that they they maybe

1206

00:49:14,069 --> 00:49:11,760

haven't mentioned to anyone so you know

1207

00:49:16,630 --> 00:49:14,079

these platforms we provide

1208

00:49:17,750 --> 00:49:16,640

that could lead them to that next you

1209

00:49:20,309 --> 00:49:17,760

know

1210

00:49:23,430 --> 00:49:20,319

place that could potentially help them

1211

00:49:26,470 --> 00:49:23,440

further so you know we do we do service

1212

00:49:29,190 --> 00:49:26,480

that as well as far as them sharing any

1213

00:49:31,030 --> 00:49:29,200

physical i have seen um

1214

00:49:33,670 --> 00:49:31,040

almost it looks like somewhat of a burn

1215

00:49:35,829 --> 00:49:33,680

mark um i don't want to be an alarmist

1216

00:49:38,470 --> 00:49:35,839

in this community by any means

1217

00:49:40,710 --> 00:49:38,480

so uh it's primarily people sharing

1218

00:49:43,589 --> 00:49:40,720

their testimonials as far as any of the

1219

00:49:45,190 --> 00:49:43,599

physical i would direct them you know to

1220

00:49:48,309 --> 00:49:45,200

share that with

1221

00:49:50,230 --> 00:49:48,319

a professional source so

1222

00:49:51,750 --> 00:49:50,240

so you have somebody for hair loss that

1223

00:49:53,190 --> 00:49:51,760

i could

1224

00:49:55,030 --> 00:49:53,200

uh you know

1225

00:49:57,910 --> 00:49:55,040

there are things that you can do with

1226

00:49:59,750 --> 00:49:57,920

that with electro actually electro it's

1227

00:50:01,589 --> 00:49:59,760

like this it looks like a rape and it's

1228

00:50:04,230 --> 00:50:01,599

electricity and it stimulates hair

1229

00:50:06,470 --> 00:50:04,240

growth i'm gonna tell you i'm gonna this

1230

00:50:08,870 --> 00:50:06,480

is gonna get to more trauma linda i know

1231

00:50:11,430 --> 00:50:08,880

you and deb don't wanna hear this but i

1232

00:50:14,150 --> 00:50:11,440

did i was driving i had one of those on

1233

00:50:16,630 --> 00:50:14,160

my head the phenomenon flew over it

1234

00:50:18,309 --> 00:50:16,640

shorted it out and okay this is what

1235

00:50:20,549 --> 00:50:18,319

happened so

1236

00:50:22,710 --> 00:50:20,559

i i i've had to deal with a lot of

1237

00:50:24,549 --> 00:50:22,720

trauma because of the phenomenon even

1238

00:50:26,630 --> 00:50:24,559

trying to grow my hair back and then

1239

00:50:28,549 --> 00:50:26,640

have an emi and then next thing thing

1240

00:50:30,549 --> 00:50:28,559

goes haywire and it's not working

1241

00:50:32,950 --> 00:50:30,559

yeah we're gonna

1242

00:50:36,230 --> 00:50:32,960

point out that julie has offered to

1243

00:50:38,630 --> 00:50:36,240

macrame some dreads for you thank you i

1244

00:50:41,510 --> 00:50:38,640

love you baby thank you uh we have

1245

00:50:43,190 --> 00:50:41,520

another question

1246

00:50:44,710 --> 00:50:43,200

yeah we're your friends we serve as your

1247

00:50:47,030 --> 00:50:44,720

friends here

1248

00:50:49,109 --> 00:50:47,040

i appreciate it man it's a lot of trauma

1249

00:50:50,790 --> 00:50:49,119

i'm dealing with here linda a question

1250

00:50:54,230 --> 00:50:50,800

for you do you know anyone who has

1251

00:50:56,790 --> 00:50:54,240

remote viewed these uap occupants or the

1252

00:50:58,309 --> 00:50:56,800

inside structure of these crafts this is

1253

00:51:00,630 --> 00:50:58,319

from leone

1254

00:51:02,150 --> 00:51:00,640

or leon d'antonio

1255

00:51:05,109 --> 00:51:02,160

um

1256

00:51:08,870 --> 00:51:05,119

yes uh

1257

00:51:12,230 --> 00:51:08,880

but i have to qualify that um

1258

00:51:13,109 --> 00:51:12,240

people who believe they have and and of

1259

00:51:15,910 --> 00:51:13,119

course

1260

00:51:18,230 --> 00:51:15,920

they certainly could have it's very you

1261

00:51:19,030 --> 00:51:18,240

know how do you confirm that however

1262

00:51:21,910 --> 00:51:19,040

right

1263

00:51:22,870 --> 00:51:21,920

um some people are a wallpaper i mean

1264

00:51:25,829 --> 00:51:22,880

there's

1265

00:51:27,430 --> 00:51:25,839

i'm just kidding yeah it's um

1266

00:51:32,230 --> 00:51:27,440

but mostly

1267

00:51:35,430 --> 00:51:32,240

people um who've had these encounters or

1268

00:51:38,390 --> 00:51:35,440

through dreams or through

1269

00:51:41,349 --> 00:51:38,400

some sort of meditative state whether

1270

00:51:43,670 --> 00:51:41,359

these are then recollections

1271

00:51:46,069 --> 00:51:43,680

of an encounter or

1272

00:51:47,589 --> 00:51:46,079

they are actually seeing into the craft

1273

00:51:51,750 --> 00:51:47,599

but certainly

1274

00:51:54,549 --> 00:51:51,760

i will say many people feel they have

1275

00:51:55,589 --> 00:51:54,559

some sort of psychic connection with

1276  
00:52:00,549 --> 00:51:55,599  
these

1277  
00:52:02,390 --> 00:52:00,559  
after having you know particularly close

1278  
00:52:04,870 --> 00:52:02,400  
encounters

1279  
00:52:07,589 --> 00:52:04,880  
and whether they are intentionally

1280  
00:52:09,030 --> 00:52:07,599  
remote viewing or it's just that

1281  
00:52:11,670 --> 00:52:09,040  
connection

1282  
00:52:14,630 --> 00:52:11,680  
which is showing them things that they

1283  
00:52:17,589 --> 00:52:14,640  
couldn't otherwise know you know again

1284  
00:52:20,710 --> 00:52:17,599  
that is that is hard to say so i kind of

1285  
00:52:22,470 --> 00:52:20,720  
went a little around about that but

1286  
00:52:26,710 --> 00:52:22,480  
you know you're not sure

1287  
00:52:29,190 --> 00:52:26,720  
how how do you confirm remote viewing uh

1288  
00:52:30,950 --> 00:52:29,200

occupants of a ufo

1289

00:52:33,430 --> 00:52:30,960

yeah and we we could get into this whole

1290

00:52:35,750 --> 00:52:33,440

topic about how when when you and i were

1291

00:52:37,430 --> 00:52:35,760

growing up linda everybody had wallpaper

1292

00:52:39,990 --> 00:52:37,440

and all the reports of the inside of the

1293

00:52:41,750 --> 00:52:40,000

craft nobody has it so maybe wallpaper

1294

00:52:43,829 --> 00:52:41,760

is something that we've just evolved

1295

00:52:47,109 --> 00:52:43,839

beyond that i don't know and and thank

1296

00:52:48,870 --> 00:52:47,119

heaven for that

1297

00:52:51,030 --> 00:52:48,880

it was so uncool that it's actually

1298

00:52:53,990 --> 00:52:51,040

making a comeback but uh all right we

1299

00:52:56,150 --> 00:52:54,000

don't we don't have a lot of time uh we

1300

00:52:58,870 --> 00:52:56,160

have so i want to have a little bit of a

1301  
00:53:01,109 --> 00:52:58,880  
quick fire round from everybody we have

1302  
00:53:03,750 --> 00:53:01,119  
about eight seven minutes left with

1303  
00:53:05,430 --> 00:53:03,760  
linda uh i have one i want to get to

1304  
00:53:06,870 --> 00:53:05,440  
that's going to get to

1305  
00:53:09,270 --> 00:53:06,880  
the it's it's going to be a little bit

1306  
00:53:11,990 --> 00:53:09,280  
of a debbie downer no pun intended deb

1307  
00:53:14,470 --> 00:53:12,000  
about jim semivans comments but deb

1308  
00:53:15,670 --> 00:53:14,480  
please give us uh what you have or if

1309  
00:53:17,349 --> 00:53:15,680  
there's something else from the chat

1310  
00:53:19,910 --> 00:53:17,359  
that you wanted to put up there

1311  
00:53:21,430 --> 00:53:19,920  
well i i just wanted to know if you what

1312  
00:53:24,549 --> 00:53:21,440  
you were the most excited about with

1313  
00:53:26,790 --> 00:53:24,559

everything coming out the way it is um

1314

00:53:29,510 --> 00:53:26,800

all of the people coming out in

1315

00:53:30,549 --> 00:53:29,520

interviews and so on and so forth

1316

00:53:33,910 --> 00:53:30,559

um

1317

00:53:36,710 --> 00:53:33,920

what i'm mo i'm i am not at all excited

1318

00:53:38,870 --> 00:53:36,720

about the committees what i am excited

1319

00:53:41,829 --> 00:53:38,880

about is the

1320

00:53:43,829 --> 00:53:41,839

pilots and their video and their you

1321

00:53:47,109 --> 00:53:43,839

know their testimony

1322

00:53:50,230 --> 00:53:47,119

because um these people are absolutely

1323

00:53:51,030 --> 00:53:50,240

remarkable they are trained to observe

1324

00:53:53,910 --> 00:53:51,040

they

1325

00:53:54,870 --> 00:53:53,920

understand the characteristics of flight

1326

00:53:57,829 --> 00:53:54,880

and

1327

00:54:03,750 --> 00:53:57,839

i find it mesmerizing to hear their

1328

00:54:07,910 --> 00:54:05,589

uh uh there's no question they're

1329

00:54:10,390 --> 00:54:07,920

extremely credible there's sensor data

1330

00:54:12,710 --> 00:54:10,400

that backs them up there's radar data in

1331

00:54:15,190 --> 00:54:12,720

cases that back them up uh there may

1332

00:54:17,829 --> 00:54:15,200

even be you know um

1333

00:54:20,309 --> 00:54:17,839

a geospatial data from from satellites

1334

00:54:22,950 --> 00:54:20,319

that that are classified that backs up a

1335

00:54:25,510 --> 00:54:22,960

lot of this uh if if what we hear is

1336

00:54:27,430 --> 00:54:25,520

true in terms of people like uh john

1337

00:54:30,470 --> 00:54:27,440

ramirez talking about how powerful and

1338

00:54:33,510 --> 00:54:30,480

how capable the the sensor systems are

1339

00:54:35,910 --> 00:54:33,520

on these satellites uh it could be that

1340

00:54:38,150 --> 00:54:35,920

that a lot of this is captured so it's

1341

00:54:40,069 --> 00:54:38,160

gonna be very compelling uh but i have

1342

00:54:41,990 --> 00:54:40,079

one last question but i got to go to uh

1343

00:54:43,349 --> 00:54:42,000

steph first and then and then we're

1344

00:54:45,109 --> 00:54:43,359

going to get into we got to get into

1345

00:54:47,430 --> 00:54:45,119

linda's show because she has a hudson

1346

00:54:49,349 --> 00:54:47,440

valley radio show every week but uh

1347

00:54:50,630 --> 00:54:49,359

please steph go ahead man

1348

00:54:53,190 --> 00:54:50,640

very cool

1349

00:54:55,589 --> 00:54:53,200

i'm so i am sorry i thought that we were

1350

00:54:57,109 --> 00:54:55,599

asking linda a question now i'm

1351

00:54:59,270 --> 00:54:57,119

where where are we at i apologize no

1352

00:55:02,150 --> 00:54:59,280

yeah no what we're doing now i mean you

1353

00:55:02,870 --> 00:55:02,160

can uh ask her where i would like quick

1354

00:55:05,750 --> 00:55:02,880

yeah

1355

00:55:07,670 --> 00:55:05,760

thank you no i now i understand um well

1356

00:55:10,150 --> 00:55:07,680

linda i know that you've spoken with so

1357

00:55:12,789 --> 00:55:10,160

many experiencers throughout your career

1358

00:55:15,109 --> 00:55:12,799

and i want to know your beliefs on

1359

00:55:16,870 --> 00:55:15,119

regression and if you believe that that

1360

00:55:19,349 --> 00:55:16,880

is a healthy choice

1361

00:55:21,190 --> 00:55:19,359

and you know have you have you had that

1362

00:55:24,789 --> 00:55:21,200

performed yourself

1363

00:55:27,030 --> 00:55:24,799

uh yes i have had it performed myself i

1364

00:55:29,910 --> 00:55:27,040

think with a competent

1365

00:55:33,030 --> 00:55:29,920

uh therapist who is trained

1366

00:55:35,030 --> 00:55:33,040

yeah i think it can be a valuable tool

1367

00:55:37,589 --> 00:55:35,040

um it's

1368

00:55:39,990 --> 00:55:37,599

entirely up to the individual because

1369

00:55:41,750 --> 00:55:40,000

there may be a reason this trauma has

1370

00:55:42,710 --> 00:55:41,760

been suppressed

1371

00:55:45,349 --> 00:55:42,720

so

1372

00:55:47,670 --> 00:55:45,359

before you ask the questions and do the

1373

00:55:50,069 --> 00:55:47,680

regression make sure you want to have

1374

00:55:52,390 --> 00:55:50,079

the answers

1375

00:55:53,910 --> 00:55:52,400

wonderful wonderful explanation

1376

00:55:56,230 --> 00:55:53,920

thank you

1377

00:55:58,870 --> 00:55:56,240

up uh and we'll we'll send you a tip for

1378

00:56:00,789 --> 00:55:58,880

that in the mail that great answer linda

1379

00:56:02,710 --> 00:56:00,799

but no i'm just kidding um

1380

00:56:04,870 --> 00:56:02,720

and actually i'm gonna bring you uh when

1381

00:56:07,270 --> 00:56:04,880

i come to new york if i'm able to see

1382

00:56:09,270 --> 00:56:07,280

i'll bring you some dj's bespoke

1383

00:56:11,589 --> 00:56:09,280

skin care

1384

00:56:14,390 --> 00:56:11,599

that's nathan's face on there it's all

1385

00:56:15,829 --> 00:56:14,400

organic uh and i put it on every night

1386

00:56:17,349 --> 00:56:15,839

which is why i

1387

00:56:18,900 --> 00:56:17,359

never mind anyway

1388

00:56:21,270 --> 00:56:18,910

usually

1389

00:56:23,589 --> 00:56:21,280

[Applause]

1390

00:56:26,630 --> 00:56:23,599

left out from that no

1391

00:56:28,950 --> 00:56:26,640

oh no you if you want dj skincare i'm

1392

00:56:31,349 --> 00:56:28,960

literally i'm i'm gonna try to like

1393

00:56:33,589 --> 00:56:31,359

elbow katyani out of the kitchen from

1394

00:56:35,510 --> 00:56:33,599

making empanadas so that i can make my

1395

00:56:38,470 --> 00:56:35,520

damn skincare can you guys just make

1396

00:56:42,710 --> 00:56:40,789

get out the way so maybe maybe tomorrow

1397

00:56:45,030 --> 00:56:42,720

night i'm doing i'm starting another

1398

00:56:47,190 --> 00:56:45,040

podcast about motorcycle racing linda

1399

00:56:50,630 --> 00:56:47,200

tomorrow's going to debut with the

1400

00:56:53,190 --> 00:56:50,640

motorcycle racer kayla yakov she's only

1401  
00:56:55,910 --> 00:56:53,200  
15 years young wow amazing

1402  
00:56:58,390 --> 00:56:55,920  
uh professional road racer but anyway

1403  
00:57:01,430 --> 00:56:58,400  
um i want to ask you

1404  
00:57:02,630 --> 00:57:01,440  
uh about jim semivan's comments um

1405  
00:57:04,309 --> 00:57:02,640  
he did

1406  
00:57:06,150 --> 00:57:04,319  
a um

1407  
00:57:08,710 --> 00:57:06,160  
he did an interview with somebody across

1408  
00:57:12,150 --> 00:57:08,720  
the river from you a fellow pies on

1409  
00:57:16,069 --> 00:57:12,160  
james eindholly uh from verplank point

1410  
00:57:18,710 --> 00:57:16,079  
um and the interview was was uh

1411  
00:57:21,190 --> 00:57:18,720  
no pun intended it was phenomenal um

1412  
00:57:24,470 --> 00:57:21,200  
there was just a lot of very

1413  
00:57:26,630 --> 00:57:24,480

serious discussion and some penetrating

1414

00:57:28,630 --> 00:57:26,640

topics he was able to penetrate some

1415

00:57:31,510 --> 00:57:28,640

areas that i think some of us hadn't

1416

00:57:34,069 --> 00:57:31,520

heard jim go before maybe that's just me

1417

00:57:37,670 --> 00:57:34,079

um but i'd like to ask you

1418

00:57:40,549 --> 00:57:37,680

he's an experimenter um steph and and deb

1419

00:57:42,789 --> 00:57:40,559

may be more aware of his experiences but

1420

00:57:45,750 --> 00:57:42,799

it was he and his wife that had some

1421

00:57:47,829 --> 00:57:45,760

experiences in their home and i believe

1422

00:57:49,349 --> 00:57:47,839

several experiences

1423

00:57:50,470 --> 00:57:49,359

and

1424

00:57:53,670 --> 00:57:50,480

he

1425

00:57:58,150 --> 00:57:55,589

lying deception

1426

00:58:00,789 --> 00:57:58,160

uh not necessarily trusting the

1427

00:58:02,069 --> 00:58:00,799

phenomenon in in in the sense of things

1428

00:58:04,470 --> 00:58:02,079

that were

1429

00:58:05,910 --> 00:58:04,480

communicated to him by whatever means

1430

00:58:07,030 --> 00:58:05,920

that they used

1431

00:58:09,750 --> 00:58:07,040

and

1432

00:58:11,990 --> 00:58:09,760

he made me feel a sense of danger

1433

00:58:14,630 --> 00:58:12,000

uh about the phenomenon and i'd like to

1434

00:58:16,470 --> 00:58:14,640

get your take on that and let's again

1435

00:58:17,990 --> 00:58:16,480

we'll make it kind of quick fire because

1436

00:58:20,230 --> 00:58:18,000

we don't want to keep you over we only

1437

00:58:22,470 --> 00:58:20,240

have two minutes left but and deb has

1438

00:58:24,390 --> 00:58:22,480

something is uh additional but what's

1439

00:58:25,750 --> 00:58:24,400

your take on that linda as far as the

1440

00:58:32,069 --> 00:58:25,760

danger

1441

00:58:34,470 --> 00:58:32,079

of people think oh it's all you know

1442

00:58:36,470 --> 00:58:34,480

sunshine and unicorns and and

1443

00:58:39,510 --> 00:58:36,480

benevolence but

1444

00:58:42,870 --> 00:58:39,520

clearly people have been harmed and

1445

00:58:46,309 --> 00:58:42,880

traumatized and i don't always see this

1446

00:58:48,789 --> 00:58:46,319

as it being in our best interest

1447

00:58:50,710 --> 00:58:48,799

to be plucked out of your room or your

1448

00:58:55,030 --> 00:58:50,720

car

1449

00:58:57,750 --> 00:58:55,040

and be subjected to these things um

1450

00:59:00,390 --> 00:58:57,760

and it also depends on your perspective

1451  
00:59:01,510 --> 00:59:00,400  
well some people oh take me again and

1452  
00:59:03,990 --> 00:59:01,520  
others

1453  
00:59:07,109 --> 00:59:04,000  
there was one man who said i would kill

1454  
00:59:10,950 --> 00:59:07,119  
them all if i could he was so

1455  
00:59:12,470 --> 00:59:10,960  
traumatized by his experiences so again

1456  
00:59:15,990 --> 00:59:12,480  
it's personal

1457  
00:59:19,750 --> 00:59:16,000  
but if you feel threatened you feel a

1458  
00:59:20,870 --> 00:59:19,760  
sense of danger that is real for you

1459  
00:59:23,670 --> 00:59:20,880  
and

1460  
00:59:25,990 --> 00:59:23,680  
whether that is their intention

1461  
00:59:26,870 --> 00:59:26,000  
that is the result

1462  
00:59:33,990 --> 00:59:26,880  
so

1463  
00:59:37,349 --> 00:59:34,000

i i do think there is a sense of danger

1464

00:59:39,349 --> 00:59:37,359

for some of the people absolutely

1465

00:59:41,589 --> 00:59:39,359

and do you and quick quick follow-up

1466

00:59:44,069 --> 00:59:41,599

linda do you also sense from a chris

1467

00:59:46,150 --> 00:59:44,079

bledsoe type of a an individual that

1468

00:59:48,950 --> 00:59:46,160

there's also a benevolence being that he

1469

00:59:51,510 --> 00:59:48,960

was healed and apparently bequeathed the

1470

00:59:53,990 --> 00:59:51,520

power to heal himself

1471

00:59:57,270 --> 00:59:54,000

yes as i said some people have had

1472

01:00:00,150 --> 00:59:57,280

remarkable healings many people have had

1473

01:00:01,990 --> 01:00:00,160

enhanced sixth sense

1474

01:00:05,109 --> 01:00:02,000

they develop

1475

01:00:07,430 --> 01:00:05,119

precognition psychic abilities

1476

01:00:08,870 --> 01:00:07,440

they grow they grow spiritually they

1477

01:00:09,910 --> 01:00:08,880

grow mentally

1478

01:00:12,309 --> 01:00:09,920

um

1479

01:00:15,750 --> 01:00:12,319

look at the allagash case where they

1480

01:00:18,710 --> 01:00:15,760

suddenly became artists and and

1481

01:00:20,309 --> 01:00:18,720

you know people take on these newfound

1482

01:00:21,829 --> 01:00:20,319

abilities

1483

01:00:25,190 --> 01:00:21,839

so

1484

01:00:28,710 --> 01:00:25,200

we again we can't pigeonhole the whole

1485

01:00:30,390 --> 01:00:28,720

phenomena into good or bad it's all

1486

01:00:32,950 --> 01:00:30,400

things

1487

01:00:34,710 --> 01:00:32,960

i i agree i i feel like i have the

1488

01:00:35,670 --> 01:00:34,720

enlarged caudate potato and i feel like

1489

01:00:37,990 --> 01:00:35,680

i can

1490

01:00:39,990 --> 01:00:38,000

visualize when deb is making hamburger

1491

01:00:41,430 --> 01:00:40,000

help her over at her place

1492

01:00:42,950 --> 01:00:41,440

very rarely

1493

01:00:45,030 --> 01:00:42,960

very

1494

01:00:45,990 --> 01:00:45,040

hey it's you know have you made it this

1495

01:00:49,349 --> 01:00:46,000

year

1496

01:00:50,130 --> 01:00:49,359

yes okay there you go all right

1497

01:00:52,390 --> 01:00:50,140

little plug

1498

01:00:54,069 --> 01:00:52,400

[Laughter]

1499

01:00:56,630 --> 01:00:54,079

all right devs

1500

01:00:59,109 --> 01:00:56,640

okay so last night when i was watching

1501  
01:01:01,349 --> 01:00:59,119  
gary's interview he talked a little bit

1502  
01:01:02,950 --> 01:01:01,359  
about the gray

1503  
01:01:06,150 --> 01:01:02,960  
entity being

1504  
01:01:09,750 --> 01:01:06,160  
an avatar and in my research i've heard

1505  
01:01:11,349 --> 01:01:09,760  
before that their dna might be human dna

1506  
01:01:13,510 --> 01:01:11,359  
which has resulted in a lot of these

1507  
01:01:14,870 --> 01:01:13,520  
hybrid conversations

1508  
01:01:16,390 --> 01:01:14,880  
what if

1509  
01:01:19,829 --> 01:01:16,400  
like we've talked a little bit about

1510  
01:01:23,670 --> 01:01:19,839  
this as a manipulation what if they are

1511  
01:01:25,750 --> 01:01:23,680  
creating the avatar with our dna

1512  
01:01:28,710 --> 01:01:25,760  
in order to engage with us

1513  
01:01:28,720 --> 01:01:32,390

is not a question for me

1514

01:01:35,510 --> 01:01:34,630

yeah let's let's let's go to steph on

1515

01:01:36,549 --> 01:01:35,520

that

1516

01:01:39,030 --> 01:01:36,559

go steph

1517

01:01:41,510 --> 01:01:39,040

oh i definitely think that there's some

1518

01:01:44,230 --> 01:01:41,520

intent of hybridization i definitely

1519

01:01:47,030 --> 01:01:44,240

think that they are here to take

1520

01:01:49,270 --> 01:01:47,040

something from us potentially create

1521

01:01:50,309 --> 01:01:49,280

some sort of a hybrid i mean why why

1522

01:01:52,230 --> 01:01:50,319

else are they

1523

01:01:54,950 --> 01:01:52,240

showing up i they're they're they're

1524

01:01:57,349 --> 01:01:54,960

harvesting something i do i do believe

1525

01:01:59,910 --> 01:01:57,359

that it sounds totally out there but i

1526

01:02:02,150 --> 01:01:59,920

mean why else would they be

1527

01:02:04,470 --> 01:02:02,160

you know coming here and

1528

01:02:06,870 --> 01:02:04,480

messing with our military equipment as

1529

01:02:10,069 --> 01:02:06,880

david fravor said jamming is an act of

1530

01:02:12,549 --> 01:02:10,079

war so if they're going to be doing that

1531

01:02:16,390 --> 01:02:12,559

to our military equipment then why would

1532

01:02:19,430 --> 01:02:16,400

they not do something to humans they did

1533

01:02:21,910 --> 01:02:19,440

why why not so yeah absolutely there

1534

01:02:24,230 --> 01:02:21,920

there is uh there's proof of adverse

1535

01:02:26,549 --> 01:02:24,240

reactions and adverse effects alex

1536

01:02:28,950 --> 01:02:26,559

dietrich the pilot i mean she recently

1537

01:02:30,470 --> 01:02:28,960

was diagnosed with breast cancer um you

1538

01:02:32,230 --> 01:02:30,480

know thank you for your service alex if

1539

01:02:34,390 --> 01:02:32,240  
you're listening to this but yeah

1540

01:02:35,670 --> 01:02:34,400  
there's been proven facts that

1541

01:02:39,029 --> 01:02:35,680  
there are

1542

01:02:39,829 --> 01:02:39,039  
possible connections to uap viewing uap

1543

01:02:41,349 --> 01:02:39,839  
so

1544

01:02:42,630 --> 01:02:41,359  
it's pretty it's

1545

01:02:45,029 --> 01:02:42,640  
as much as i don't want to be an

1546

01:02:46,829 --> 01:02:45,039  
alarmist i do believe that there there

1547

01:02:49,589 --> 01:02:46,839  
is something occurring

1548

01:02:51,670 --> 01:02:49,599  
yes and deb can you pose your question

1549

01:02:54,309 --> 01:02:51,680  
again for me because i was typing in the

1550

01:02:56,470 --> 01:02:54,319  
chat right so i guess what's really got

1551  
01:02:58,870 --> 01:02:56,480  
me last night was thinking we're getting

1552  
01:03:01,910 --> 01:02:58,880  
we're getting this idea that we're

1553  
01:03:04,870 --> 01:03:01,920  
hybrids because people have claimed that

1554  
01:03:08,069 --> 01:03:04,880  
the bodies have human dna but what if

1555  
01:03:09,109 --> 01:03:08,079  
they have human dna because these

1556  
01:03:12,150 --> 01:03:09,119  
beings

1557  
01:03:14,829 --> 01:03:12,160  
created the grays out of us

1558  
01:03:18,549 --> 01:03:14,839  
instead of we're created out of

1559  
01:03:20,390 --> 01:03:18,559  
them yes and uh so first of all i i want

1560  
01:03:23,430 --> 01:03:20,400  
to speak to that but shout out to scott

1561  
01:03:26,549 --> 01:03:23,440  
gear and my usaf brother the para rescue

1562  
01:03:27,829 --> 01:03:26,559  
legend is in the uh is in the chat there

1563  
01:03:30,309 --> 01:03:27,839

hello scott

1564

01:03:32,390 --> 01:03:30,319

uh and what i would say is i want to

1565

01:03:34,950 --> 01:03:32,400

direct everybody again

1566

01:03:38,789 --> 01:03:34,960

to that interview with that gentleman

1567

01:03:39,750 --> 01:03:38,799

philip um kinsella that was on with with

1568

01:03:43,430 --> 01:03:39,760

um

1569

01:03:46,390 --> 01:03:43,440

nick hunter today on ufo chronicles

1570

01:03:49,270 --> 01:03:46,400

this is my highest recommendation

1571

01:03:50,390 --> 01:03:49,280

if you want to hear a full

1572

01:03:52,950 --> 01:03:50,400

bodied

1573

01:03:55,910 --> 01:03:52,960

perspective on the phenomenon not only

1574

01:03:58,150 --> 01:03:55,920

as an experiencer as a researcher as an

1575

01:03:59,190 --> 01:03:58,160

analyst and he spoke to that he spoke

1576

01:04:01,589 --> 01:03:59,200

about

1577

01:04:02,870 --> 01:04:01,599

eloquently that there is something that

1578

01:04:04,630 --> 01:04:02,880

we have

1579

01:04:07,430 --> 01:04:04,640

because they don't mate there's

1580

01:04:10,390 --> 01:04:07,440

something we have that they wanted to

1581

01:04:13,990 --> 01:04:10,400

recreate to procreate um

1582

01:04:15,910 --> 01:04:14,000

our our feeling music love

1583

01:04:18,309 --> 01:04:15,920

you know all these things that that we

1584

01:04:21,349 --> 01:04:18,319

have as humans that they probably cannot

1585

01:04:23,589 --> 01:04:21,359

synthetically create that they want so

1586

01:04:26,069 --> 01:04:23,599

um your he'll you'll hear him speak

1587

01:04:28,309 --> 01:04:26,079

about this far more eloquently than i

1588

01:04:31,109 --> 01:04:28,319

but that clearly there's something in

1589

01:04:33,510 --> 01:04:31,119

our biology that they may have used that

1590

01:04:36,470 --> 01:04:33,520

they may have mimicked i think what deb

1591

01:04:39,190 --> 01:04:36,480

was alluding to or created to look like

1592

01:04:41,190 --> 01:04:39,200

us to interact with us as somebody like

1593

01:04:43,029 --> 01:04:41,200

uh i heard somebody the other day

1594

01:04:44,549 --> 01:04:43,039

talking about yeah wouldn't you just

1595

01:04:45,750 --> 01:04:44,559

create a being that looked like the

1596

01:04:47,750 --> 01:04:45,760

people that you're trying to interact

1597

01:04:49,829 --> 01:04:47,760

sure of course you would nordic long

1598

01:04:52,630 --> 01:04:49,839

hair all this well let's get back to my

1599

01:04:55,029 --> 01:04:52,640

hair again but anyway so so yes i i

1600

01:04:56,230 --> 01:04:55,039

agree i think there is uh i don't know

1601  
01:04:58,950 --> 01:04:56,240  
what it is

1602  
01:05:00,710 --> 01:04:58,960  
that we have that they desire but the

1603  
01:05:03,670 --> 01:05:00,720  
points that he laid out in that

1604  
01:05:06,870 --> 01:05:03,680  
interview uh after he spoke about his

1605  
01:05:10,150 --> 01:05:06,880  
experience and went into analyst mode

1606  
01:05:12,309 --> 01:05:10,160  
was brilliant on many different levels

1607  
01:05:13,990 --> 01:05:12,319  
and i recommend everybody check that out

1608  
01:05:15,990 --> 01:05:14,000  
i don't care i'm not competing with

1609  
01:05:18,069 --> 01:05:16,000  
anybody's podcast so i don't care

1610  
01:05:20,710 --> 01:05:18,079  
uh linda your thoughts on why the

1611  
01:05:23,750 --> 01:05:20,720  
phenomenon might might have harvest uh

1612  
01:05:25,670 --> 01:05:23,760  
biology are they uh uh

1613  
01:05:27,190 --> 01:05:25,680

using us to create something that looks

1614

01:05:27,990 --> 01:05:27,200

like us

1615

01:05:30,230 --> 01:05:28,000

well

1616

01:05:31,990 --> 01:05:30,240

i have a slightly different answer and

1617

01:05:35,109 --> 01:05:32,000

i'm i go back

1618

01:05:37,829 --> 01:05:35,119

to my teens when i was at a meditation

1619

01:05:39,589 --> 01:05:37,839

retreat with a lot of wonderful

1620

01:05:42,870 --> 01:05:39,599

spiritual people

1621

01:05:44,390 --> 01:05:42,880

and the subject of ufos and aliens came

1622

01:05:46,710 --> 01:05:44,400

up and

1623

01:05:48,870 --> 01:05:46,720

one older gentleman had a what i

1624

01:05:51,430 --> 01:05:48,880

considered a brilliant comment that

1625

01:05:54,390 --> 01:05:51,440

stuck with me he said

1626  
01:05:57,430 --> 01:05:54,400  
they do not have nervous systems that

1627  
01:05:58,870 --> 01:05:57,440  
support higher forms of consciousness

1628  
01:06:01,990 --> 01:05:58,880  
like humans

1629  
01:06:04,950 --> 01:06:02,000  
and that's what they're trying to attain

1630  
01:06:08,789 --> 01:06:04,960  
it's not so much our physical bodies

1631  
01:06:10,549 --> 01:06:08,799  
they want the ability to transcend

1632  
01:06:11,510 --> 01:06:10,559  
like we do

1633  
01:06:14,470 --> 01:06:11,520  
and

1634  
01:06:16,390 --> 01:06:14,480  
i'm going to stick with that

1635  
01:06:18,710 --> 01:06:16,400  
i'm so glad you said that because mr

1636  
01:06:20,390 --> 01:06:18,720  
kinsella also mentioned that

1637  
01:06:21,829 --> 01:06:20,400  
that um

1638  
01:06:23,510 --> 01:06:21,839

and again he

1639

01:06:25,670 --> 01:06:23,520

he was such a brilliant speaker about

1640

01:06:28,390 --> 01:06:25,680

this but he put it in such a way that

1641

01:06:31,029 --> 01:06:28,400

this is just this this vessel if you

1642

01:06:32,950 --> 01:06:31,039

will uh but that it it the consciousness

1643

01:06:35,190 --> 01:06:32,960

and the way that he put it again was

1644

01:06:37,670 --> 01:06:35,200

brilliant so hopefully uh people will

1645

01:06:40,309 --> 01:06:37,680

check that out um

1646

01:06:41,829 --> 01:06:40,319

linda before we say goodbye uh because

1647

01:06:43,670 --> 01:06:41,839

you've been very gracious with your time

1648

01:06:45,510 --> 01:06:43,680

we've gone six minutes over

1649

01:06:48,870 --> 01:06:45,520

could you tell everybody about your

1650

01:06:51,750 --> 01:06:48,880

radio show in the hudson valley etc

1651

01:06:54,870 --> 01:06:51,760

yes it's called ufo headquarters and

1652

01:06:57,589 --> 01:06:54,880

we're on hudson river radio and you know

1653

01:06:58,950 --> 01:06:57,599

every podcast platform known in the

1654

01:07:03,510 --> 01:06:58,960

universe

1655

01:07:03,880 --> 01:07:03,520

um but we like to concentrate on again

1656

01:07:05,109 --> 01:07:03,890

um

1657

01:07:08,309 --> 01:07:05,119

[Music]

1658

01:07:11,510 --> 01:07:08,319

ufo witnesses interviewing them and talk

1659

01:07:14,470 --> 01:07:11,520

about different you know in-depth topics

1660

01:07:17,910 --> 01:07:14,480

each each episode so uh

1661

01:07:19,190 --> 01:07:17,920

yeah hopefully people can tune in and um

1662

01:07:21,510 --> 01:07:19,200

if you haven't

1663

01:07:24,470 --> 01:07:21,520

uh had your fill of me in this show you

1664

01:07:26,470 --> 01:07:24,480

can see me in my own show

1665

01:07:28,230 --> 01:07:26,480

uh no i don't think it is

1666

01:07:29,910 --> 01:07:28,240

i i want to do this so people could see

1667

01:07:31,190 --> 01:07:29,920

the fire in the background but they

1668

01:07:33,109 --> 01:07:31,200

can't see it

1669

01:07:36,150 --> 01:07:33,119

anyway uh

1670

01:07:37,510 --> 01:07:36,160

um no nobody's had their fill of you um

1671

01:07:39,349 --> 01:07:37,520

actually you can see the fire right

1672

01:07:42,150 --> 01:07:39,359

through there that nathan created that

1673

01:07:44,150 --> 01:07:42,160

uh i'm sorry kev that we didn't get you

1674

01:07:46,309 --> 01:07:44,160

in here uh this time

1675

01:07:48,710 --> 01:07:46,319

um he's probably still coming home from

1676

01:07:52,390 --> 01:07:48,720

work nathan is on the road

1677

01:07:54,710 --> 01:07:52,400

um and you know linda i will have uh

1678

01:07:57,190 --> 01:07:54,720

everything uh in the show notes your

1679

01:07:59,510 --> 01:07:57,200

your link from amazon with all your

1680

01:08:01,910 --> 01:07:59,520

books which is like i think three or

1681

01:08:03,910 --> 01:08:01,920

four pages oh you know what

1682

01:08:05,430 --> 01:08:03,920

real quickly before we let you go linda

1683

01:08:07,349 --> 01:08:05,440

because otherwise i'm gonna have to call

1684

01:08:09,510 --> 01:08:07,359

and bug you on your phone with this

1685

01:08:12,470 --> 01:08:09,520

question and i know you don't want that

1686

01:08:14,069 --> 01:08:12,480

the rock formations um that i see in the

1687

01:08:16,070 --> 01:08:14,079

forest

1688

01:08:18,950 --> 01:08:16,080

what is that all about man

1689

01:08:21,990 --> 01:08:18,960

i think uh predominantly they are

1690

01:08:22,829 --> 01:08:22,000

ancient native american structures which

1691

01:08:25,110 --> 01:08:22,839

have

1692

01:08:27,590 --> 01:08:25,120

astronomical alignments they were

1693

01:08:29,990 --> 01:08:27,600

calendar sites spiritual sites

1694

01:08:33,110 --> 01:08:30,000

ceremonial sites

1695

01:08:34,950 --> 01:08:33,120

maybe something as simple as

1696

01:08:36,470 --> 01:08:34,960

landmark

1697

01:08:39,189 --> 01:08:36,480

locations

1698

01:08:41,990 --> 01:08:39,199

but um they need to be studied and

1699

01:08:44,630 --> 01:08:42,000

preserved because they are still being

1700

01:08:47,510 --> 01:08:44,640

destroyed without being understood and

1701

01:08:49,910 --> 01:08:47,520

appreciated and i think they are some of

1702

01:08:51,510 --> 01:08:49,920

our greatest ancient treasures

1703

01:08:53,189 --> 01:08:51,520

in this country

1704

01:08:55,669 --> 01:08:53,199

and um

1705

01:08:59,030 --> 01:08:55,679

they just have not gotten the respect in

1706

01:09:00,789 --> 01:08:59,040

the northeast that they deserve

1707

01:09:03,110 --> 01:09:00,799

and in the rest of the country for that

1708

01:09:05,189 --> 01:09:03,120

matter

1709

01:09:06,709 --> 01:09:05,199

i'm fascinated with them when i go when

1710

01:09:09,110 --> 01:09:06,719

i whenever i come home i go to blue

1711

01:09:10,550 --> 01:09:09,120

mountain reservation bucket list item

1712

01:09:12,149 --> 01:09:10,560

might be to hike in blue mountain

1713

01:09:14,390 --> 01:09:12,159

reservation with linda on one of these

1714

01:09:16,470 --> 01:09:14,400

trips home that would be really cool

1715

01:09:18,709 --> 01:09:16,480

uh because there's so much rock up there

1716

01:09:22,789 --> 01:09:18,719

i just love it man uh if you know where

1717

01:09:26,870 --> 01:09:25,110

i'm not i don't know the exact location

1718

01:09:29,990 --> 01:09:26,880

no okay i'll send it to you on google

1719

01:09:32,390 --> 01:09:30,000

maps okay yeah and and bring bring an

1720

01:09:34,789 --> 01:09:32,400

emf meter or a compass with you because

1721

01:09:37,510 --> 01:09:34,799

a lot of these sites were chosen because

1722

01:09:39,590 --> 01:09:37,520

they have unusual electromagnetic fields

1723

01:09:41,510 --> 01:09:39,600

or something going on at those sites

1724

01:09:43,990 --> 01:09:41,520

they didn't just say here's a nice place

1725

01:09:45,349 --> 01:09:44,000

let's move 10 tons of rock here they

1726

01:09:49,189 --> 01:09:45,359

were chosen

1727

01:09:51,269 --> 01:09:49,199

for specific reasons now i know cabbies

1728

01:09:53,749 --> 01:09:51,279

know what to get me for christmas try

1729

01:09:55,590 --> 01:09:53,759

field meters uh all right

1730

01:09:57,990 --> 01:09:55,600

everybody i want to give

1731

01:10:00,310 --> 01:09:58,000

steph a chance to say goodbye to linda

1732

01:10:02,390 --> 01:10:00,320

yeah linda you're an inspiration and

1733

01:10:05,270 --> 01:10:02,400

continue what you're doing we're all

1734

01:10:07,669 --> 01:10:05,280

following you and you know i'm fairly

1735

01:10:09,910 --> 01:10:07,679

new to this it's just something that

1736

01:10:13,510 --> 01:10:09,920

came about as you decided to do it one

1737

01:10:15,350 --> 01:10:13,520

day here we are so i i just appreciate

1738

01:10:16,950 --> 01:10:15,360

your due diligence and how long you've

1739

01:10:18,390 --> 01:10:16,960

been doing this for it's just it's super

1740

01:10:19,750 --> 01:10:18,400

cool so it's been really cool chatting

1741

01:10:22,390 --> 01:10:19,760

with you and thank you i really

1742

01:10:25,430 --> 01:10:22,400

appreciate and obviously you are on the

1743

01:10:27,510 --> 01:10:25,440

right path doing this work so um people

1744

01:10:28,790 --> 01:10:27,520

need someone to speak to so thank you

1745

01:10:31,430 --> 01:10:28,800

for what you do

1746

01:10:33,350 --> 01:10:31,440

cool thank you

1747

01:10:35,750 --> 01:10:33,360

my homegirl deb

1748

01:10:37,910 --> 01:10:35,760

thank you very very much for coming and

1749

01:10:40,310 --> 01:10:37,920

sharing your information and

1750

01:10:41,430 --> 01:10:40,320

all the data you've collected um your

1751  
01:10:43,590 --> 01:10:41,440  
insight

1752  
01:10:45,910 --> 01:10:43,600  
with the world not just with us but your

1753  
01:10:47,510 --> 01:10:45,920  
work is obviously sharing it with the

1754  
01:10:51,110 --> 01:10:47,520  
world so thank you so much for what

1755  
01:10:54,550 --> 01:10:51,120  
you're doing appreciate that thank you

1756  
01:10:56,310 --> 01:10:54,560  
linda there's a lot of people that um

1757  
01:10:58,550 --> 01:10:56,320  
would like to be called themselves a

1758  
01:11:01,189 --> 01:10:58,560  
published author and they will go and

1759  
01:11:02,149 --> 01:11:01,199  
drink a lot of wine and champagne and or

1760  
01:11:03,910 --> 01:11:02,159  
beer

1761  
01:11:05,430 --> 01:11:03,920  
at a local tavern

1762  
01:11:07,270 --> 01:11:05,440  
uh when they get their first book

1763  
01:11:09,270 --> 01:11:07,280

published and you've had that happen

1764

01:11:11,670 --> 01:11:09,280

probably better than ten times how many

1765

01:11:13,750 --> 01:11:11,680

books do you have told over thirty 30.

1766

01:11:15,590 --> 01:11:13,760

[Laughter]

1767

01:11:17,590 --> 01:11:15,600

so when linda calls up they're just like

1768

01:11:19,510 --> 01:11:17,600

all right linda whatever you got just

1769

01:11:22,070 --> 01:11:19,520

send us the manuscript and we'll we'll

1770

01:11:23,189 --> 01:11:22,080

give you a date to publish

1771

01:11:25,669 --> 01:11:23,199

i love it

1772

01:11:26,950 --> 01:11:25,679

that is so awesome uh it's an honor you

1773

01:11:34,070 --> 01:11:26,960

were

1774

01:11:36,550 --> 01:11:34,080

probably our first week or two

1775

01:11:38,390 --> 01:11:36,560

uh when when nathan and i got together

1776

01:11:40,390 --> 01:11:38,400

and decided that we were going to do

1777

01:11:42,709 --> 01:11:40,400

this and that was uh

1778

01:11:45,110 --> 01:11:42,719

incredibly kind of you to give

1779

01:11:47,590 --> 01:11:45,120

two people and just for you guys out

1780

01:11:49,990 --> 01:11:47,600

there in in podcast land

1781

01:11:52,950 --> 01:11:50,000

two guys who were not known in the

1782

01:11:55,669 --> 01:11:52,960

community at all and i called

1783

01:11:58,149 --> 01:11:55,679

and i begged and linda

1784

01:12:00,070 --> 01:11:58,159

and linda called me on the phone and

1785

01:12:02,390 --> 01:12:00,080

i'll never forget being at work and

1786

01:12:04,550 --> 01:12:02,400

normally like i'm i'm very nervous about

1787

01:12:07,110 --> 01:12:04,560

answering the phone with air force and

1788

01:12:09,350 --> 01:12:07,120

uh it was linda and i answered the phone

1789

01:12:11,350 --> 01:12:09,360

and i made her laugh and she agreed to

1790

01:12:14,630 --> 01:12:11,360

come on and i thank you for that linda

1791

01:12:17,270 --> 01:12:14,640

really oh my pleasure um i'm i'm always
