38
00:02:10,729 --> 00:02:07,619

alone don't slap him in his bald ass

39

00:02:15,170 --> 00:02:10,739

head and knock him down so party people

40

00:02:19,750 --> 00:02:15,180

put your hands together for Robin Haynes

41

00:02:22,690 --> 00:02:19,760

McRae and Pat McRae

42

00:02:25,630 --> 00:02:22,700

[Applause]

43

00:02:27,670 --> 00:02:25,640

that was an introduction

44

00:02:30,050 --> 00:02:27,680

I like that

45

00:02:32,449 --> 00:02:30,060

welcome to the show

46

00:02:33,890 --> 00:02:32,459

thank you thank you for having us good

47

00:02:36,410 --> 00:02:33,900

to have you with us

48

00:02:37,610 --> 00:02:36,420

oh my goodness yeah Robin took my phone

49

00:02:39,290 --> 00:02:37,620

call I don't know if I told you that

50

00:02:42,470 --> 00:02:39,300

guys that a couple months ago but it was

51
00:02:44,690 --> 00:02:42,480
really cool because I heard her on with

52
00:02:48,229 --> 00:02:44,700
Vic condiff on uh Bigfoot eyewitness

53
00:02:51,110 --> 00:02:48,239
radio Vic has a few shows he's a dog man

54
00:02:53,630 --> 00:02:51,120
show as well and he has a new Bigfoot

55
00:02:55,309 --> 00:02:53,640
show and and I forgot the name of it but

56
00:02:57,170 --> 00:02:55,319
what this his new show it doesn't

57
00:02:58,970 --> 00:02:57,180
include interview it's just a person's

58
00:03:01,009 --> 00:02:58,980
narrative and he doesn't interact with

59
00:03:03,170 --> 00:03:01,019
them well you're gonna see me on there

60
00:03:06,350 --> 00:03:03,180
again because I'm on next week so what

61
00:03:07,970 --> 00:03:06,360
nice is that like the number five I mean

62
00:03:09,410 --> 00:03:07,980
it's not enough Robin's on every show

63
00:03:11,509 --> 00:03:09,420

she's starting to you know she's like

64

00:03:12,850 --> 00:03:11,519

just putting like in her on her bed

65

00:03:15,949 --> 00:03:12,860

poster yeah

66

00:03:17,449 --> 00:03:15,959

it was accidental I played the fifth

67

00:03:19,190 --> 00:03:17,459

um one of the p as a group on Facebook

68

00:03:21,229 --> 00:03:19,200

and one of the Gales on Facebook had

69

00:03:23,089 --> 00:03:21,239

posted anybody want to come on the show

70

00:03:24,589 --> 00:03:23,099

share your experience I didn't respond

71

00:03:27,350 --> 00:03:24,599

because I've already done all three of

72

00:03:31,070 --> 00:03:27,360

the shows yeah and I had a great time

73

00:03:33,530 --> 00:03:31,080

super nice person and then

74

00:03:35,449 --> 00:03:33,540

I had posted a few pictures on there

75

00:03:37,250 --> 00:03:35,459

because I don't do that a lot but I do

76

00:03:38,809 --> 00:03:37,260

now and then because I know Vic and I

77

00:03:41,390 --> 00:03:38,819

know it was safe in there and she went

78

00:03:42,890 --> 00:03:41,400

nuts over my photos and so she contacted

79

00:03:45,949 --> 00:03:42,900

me and said oh my gosh will you come on

80

00:03:47,990 --> 00:03:45,959

the Shelf she's a super sweet girl and

81

00:03:49,490 --> 00:03:48,000

we chatted a minute and I said talk to

82

00:03:51,470 --> 00:03:49,500

Vic because I've already done it he's

83

00:03:53,089 --> 00:03:51,480

probably not going to want me on again

84

00:03:55,729 --> 00:03:53,099

I've already done him and a couple of

85

00:03:58,190 --> 00:03:55,739

them I've done twice and then Vic got

86

00:03:59,690 --> 00:03:58,200

hold of me and said well you know I'd

87

00:04:01,070 --> 00:03:59,700

really like you to come on back there's

88

00:04:02,210 --> 00:04:01,080

some things we could talk about and I

89

00:04:03,710 --> 00:04:02,220

said okay

90

00:04:04,490 --> 00:04:03,720

I love it

91

00:04:06,949 --> 00:04:04,500

um

92

00:04:08,990 --> 00:04:06,959

you know Robin there's there and by the

93

00:04:10,130 --> 00:04:09,000

way I want you to make sure you know I

94

00:04:12,050 --> 00:04:10,140

want to know for one thing I want to

95

00:04:14,149 --> 00:04:12,060

know is if the foots are going to have

96

00:04:16,009 --> 00:04:14,159

an issue with me because I'm bald like

97

00:04:17,270 --> 00:04:16,019

like they don't think you're funny

98

00:04:19,009 --> 00:04:17,280

looking they think you're a hairless

99

00:04:20,750 --> 00:04:19,019

human they call us hairless humans

100

00:04:23,330 --> 00:04:20,760

anyway okay they think you're even more

101
00:04:25,129 --> 00:04:23,340
hairless than we are all right yeah so I

102
00:04:26,930 --> 00:04:25,139
just I want to be able to find it Nathan

103
00:04:28,070 --> 00:04:26,940
I want to find a connection point I want

104
00:04:29,570 --> 00:04:28,080
to find where we I mean that's pretty

105
00:04:38,330 --> 00:04:29,580
similar to what I think about you too so

106
00:04:43,550 --> 00:04:40,969
out with us that is Julie Farrell Jules

107
00:04:45,290 --> 00:04:43,560
at jewels of the wood on Twitter she is

108
00:04:47,930 --> 00:04:45,300
our chat moderator she is my friend

109
00:04:49,969 --> 00:04:47,940
she's the show's friend and we love her

110
00:04:52,670 --> 00:04:49,979
dearly so thank you very much Julie for

111
00:04:54,950 --> 00:04:52,680
doing the business that you do it and

112
00:04:58,070 --> 00:04:54,960
now let's get down to business with

113
00:04:59,990 --> 00:04:58,080

Robin Haynes McRae and Pat McRae rhmc is

114

00:05:02,330 --> 00:05:00,000

my new my new moniker yeah that's what

115

00:05:05,270 --> 00:05:02,340

he calls me it's hysterical I love it I

116

00:05:07,550 --> 00:05:05,280

love it so uh Nathan

117

00:05:09,409 --> 00:05:07,560

I I would pass it to you but I know you

118

00:05:10,790 --> 00:05:09,419

want me to start off but I mean would

119

00:05:12,350 --> 00:05:10,800

you want to know like kind of how they

120

00:05:13,670 --> 00:05:12,360

got started is that where you would want

121

00:05:15,110 --> 00:05:13,680

to go that that's where I was going to

122

00:05:17,390 --> 00:05:15,120

begin if they could just sort of set the

123

00:05:20,330 --> 00:05:17,400

stage for us how they got into it and uh

124

00:05:22,730 --> 00:05:20,340

and I'd like to know too uh what do you

125

00:05:24,170 --> 00:05:22,740

think about it now versus what you

126

00:05:26,270 --> 00:05:24,180

thought about it then what what's

127

00:05:27,950 --> 00:05:26,280

changed after all this time of your

128

00:05:28,870 --> 00:05:27,960

involvement so

129

00:05:33,950 --> 00:05:28,880

um

130

00:05:36,770 --> 00:05:33,960

yeah Pat can go first all right well

131

00:05:38,930 --> 00:05:36,780

um started in Indiana I always thought

132

00:05:41,270 --> 00:05:38,940

you know I said psychic stuff at me

133

00:05:45,710 --> 00:05:41,280

throughout my life but it started in

134

00:05:49,570 --> 00:05:45,720

Indiana I had a friend of a friend uh he

135

00:05:51,290 --> 00:05:49,580

basically said uh he had an area

136

00:05:53,390 --> 00:05:51,300

that

137

00:05:56,510 --> 00:05:53,400

um he's getting an activity so the lady

138

00:06:00,950 --> 00:05:56,520

she said yeah I saw it I saw a Big Ape

139

00:06:01,969 --> 00:06:00,960

or something down the hill okay now I've

140

00:06:04,909 --> 00:06:01,979

never

141

00:06:07,430 --> 00:06:04,919

I thought it'd be neat you know what

142

00:06:09,710 --> 00:06:07,440

about just going over there I've never

143

00:06:13,249 --> 00:06:09,720

done anything like this before

144

00:06:15,230 --> 00:06:13,259

so I called her and then I got to go

145

00:06:17,570 --> 00:06:15,240

over there she let me she had a lock and

146

00:06:20,050 --> 00:06:17,580

key in going she had to open the skate

147

00:06:23,749 --> 00:06:20,060

and you had to go in so

148

00:06:26,570 --> 00:06:23,759

the first time I went up to the property

149

00:06:28,730 --> 00:06:26,580

I took a picture I got a wood knock the

150

00:06:29,809 --> 00:06:28,740

first time I took my brother with me my

151
00:06:32,990 --> 00:06:29,819
brother John

152
00:06:35,870 --> 00:06:33,000
and he said he saw a face in a tree I

153
00:06:36,830 --> 00:06:35,880
mean I don't doubt it and then had wood

154
00:06:39,050 --> 00:06:36,840
knock

155
00:06:41,270 --> 00:06:39,060
and then later on maybe months later

156
00:06:43,969 --> 00:06:41,280
some lady is looking at that very

157
00:06:47,170 --> 00:06:43,979
picture she saw something in there I

158
00:06:51,850 --> 00:06:47,180
sent it to I sent it to DJ

159
00:06:54,590 --> 00:06:51,860
the one in the bush and

160
00:06:56,809 --> 00:06:54,600
uh the second time we were up there is

161
00:06:58,330 --> 00:06:56,819
just every time I go up there something

162
00:07:00,650 --> 00:06:58,340
would happen

163
00:07:03,290 --> 00:07:00,660

and the second time and where we saw

164

00:07:07,370 --> 00:07:03,300

that went up there we saw this huge Dark

165

00:07:09,050 --> 00:07:07,380

Cloud up in the woods and I turned there

166

00:07:12,050 --> 00:07:09,060

we were still in the car we hadn't got

167

00:07:14,390 --> 00:07:12,060

out of the car yet and I go geez I asked

168

00:07:16,749 --> 00:07:14,400

her I said you see that and she said

169

00:07:22,010 --> 00:07:16,759

yeah so

170

00:07:25,309 --> 00:07:22,020

uh that happened uh and then this is the

171

00:07:26,390 --> 00:07:25,319

the one that the kicker that really got

172

00:07:29,450 --> 00:07:26,400

me going

173

00:07:30,710 --> 00:07:29,460

I I went there and I told them I said

174

00:07:32,510 --> 00:07:30,720

you know hey

175

00:07:34,670 --> 00:07:32,520

you know I I'm gonna try something

176

00:07:37,490 --> 00:07:34,680

different let me go up by myself

177

00:07:39,529 --> 00:07:37,500

and see what happened so I went up and

178

00:07:43,670 --> 00:07:39,539

you go up and it's like a little Hill

179

00:07:46,790 --> 00:07:43,680

you go up and it's a circular uh path

180

00:07:49,370 --> 00:07:46,800

and it leads back to where you you began

181

00:07:50,230 --> 00:07:49,380

so I went ahead and I did the circular

182

00:07:54,589 --> 00:07:50,240

path

183

00:08:00,610 --> 00:07:54,599

where I began and I saw this huge black

184

00:08:08,270 --> 00:08:04,730

I said good God I'm looking at it and it

185

00:08:11,629 --> 00:08:08,280

keeps following us and holy [h__\h] and

186

00:08:15,529 --> 00:08:11,639

it was a portal something shot out of it

187

00:08:17,930 --> 00:08:15,539

shot up head in on the trail I thought I

188

00:08:21,670 --> 00:08:17,940

was like pear-shaped I don't know how I

189

00:08:23,390 --> 00:08:21,680

saw it but I did and

190

00:08:25,249 --> 00:08:23,400

subsequent

191

00:08:28,189 --> 00:08:25,259

you know visits to the property and

192

00:08:30,409 --> 00:08:28,199

stuff like that and we heard Indian

193

00:08:32,269 --> 00:08:30,419

drums I saw

194

00:08:38,449 --> 00:08:32,279

uh

195

00:08:43,430 --> 00:08:38,459

like that but I I why not there's this

196

00:08:47,990 --> 00:08:45,949

I was on a it's a hill and there's a

197

00:08:52,910 --> 00:08:48,000

washout down below

198

00:08:56,030 --> 00:08:52,920

and this picture DJ picture yourself or

199

00:08:57,889 --> 00:08:56,040

me totally blacked out there's no

200

00:09:00,949 --> 00:08:57,899

definition or anything just totally

201
00:09:03,410 --> 00:09:00,959
blacked out and that's what I saw it was

202
00:09:05,329 --> 00:09:03,420
a I think it was a young Bigfoot the I

203
00:09:09,350 --> 00:09:05,339
think a lot of them just don't know how

204
00:09:10,389 --> 00:09:09,360
to cloak and stuff like that so I saw

205
00:09:14,269 --> 00:09:10,399
him

206
00:09:17,810 --> 00:09:14,279
climbing down into the washout

207
00:09:19,730 --> 00:09:17,820
and I saw everything his arms all ass

208
00:09:21,949 --> 00:09:19,740
and he's climbing down there I didn't

209
00:09:24,230 --> 00:09:21,959
want to follow him I mean

210
00:09:25,070 --> 00:09:24,240
I don't know what what awaited me down

211
00:09:29,870 --> 00:09:25,080
there

212
00:09:31,790 --> 00:09:29,880
didn't see his features but it was just

213
00:09:35,990 --> 00:09:31,800

a blacked out version of it it was

214

00:09:38,150 --> 00:09:36,000

really weird but all in all

215

00:09:41,269 --> 00:09:38,160

the friend

216

00:09:43,690 --> 00:09:41,279

I I'm like you know I'm thinking I'm

217

00:09:48,110 --> 00:09:43,700

going I'm going crazy

218

00:09:51,590 --> 00:09:48,120

seeing stuff and then you know I I go

219

00:09:55,310 --> 00:09:51,600

there and you know I

220

00:09:58,250 --> 00:09:55,320

see stuff on my peripheral vision and

221

00:10:01,790 --> 00:09:58,260

I see these blacked out shapes hiding

222

00:10:03,949 --> 00:10:01,800

behind a boulder when I'm driving up

223

00:10:06,009 --> 00:10:03,959

so then to make clarity

224

00:10:09,530 --> 00:10:06,019

I talked to Robin

225

00:10:14,930 --> 00:10:09,540

that that was an eye-op poor guy because

226

00:10:17,350 --> 00:10:14,940

I never never in my wildest dreams

227

00:10:19,490 --> 00:10:17,360

only on science fiction

228

00:10:21,170 --> 00:10:19,500

portals CT

229

00:10:22,490 --> 00:10:21,180

what

230

00:10:24,110 --> 00:10:22,500

the hell

231

00:10:27,710 --> 00:10:24,120

yeah

232

00:10:32,630 --> 00:10:30,710

and so Pat this is first time this first

233

00:10:36,170 --> 00:10:32,640

time you've seen anything

234

00:10:39,110 --> 00:10:36,180

yeah this is this is why I I saw and

235

00:10:41,210 --> 00:10:39,120

time number one huh

236

00:10:43,210 --> 00:10:41,220

this first time yeah

237

00:10:46,670 --> 00:10:43,220

yeah all that yeah

238

00:10:49,610 --> 00:10:46,680

but we're not anymore I think

239

00:10:52,670 --> 00:10:49,620

I've seen like um in Michigan I saw a

240

00:10:55,069 --> 00:10:52,680

huge doorway on the side of the highway

241

00:10:57,949 --> 00:10:55,079

I go I told Robin about it

242

00:11:00,949 --> 00:10:57,959

you know what the hell was that you know

243

00:11:03,170 --> 00:11:00,959

it's this huge door and you know what I

244

00:11:05,329 --> 00:11:03,180

knew it wasn't from this Earth because

245

00:11:07,550 --> 00:11:05,339

it didn't look like anything I've ever

246

00:11:11,090 --> 00:11:07,560

seen on this planet

247

00:11:13,910 --> 00:11:11,100

so my thing is maybe it's a glitch in

248

00:11:16,670 --> 00:11:13,920

The Matrix but I don't know you know and

249

00:11:19,670 --> 00:11:16,680

this is the thing that is really

250

00:11:22,009 --> 00:11:19,680

bizarre about all this stuff is there's

251

00:11:24,230 --> 00:11:22,019

no instruction manual for any of this

252

00:11:26,150 --> 00:11:24,240

stuff you know look up she's going to

253

00:11:29,810 --> 00:11:26,160

write Robin's gonna write the

254

00:11:33,790 --> 00:11:29,820

instruction manual yeah and just you

255

00:11:39,769 --> 00:11:33,800

know you're left guessing and feeling

256

00:11:42,470 --> 00:11:39,779

what you think it could be and but I

257

00:11:45,470 --> 00:11:42,480

will tell you that

258

00:11:48,590 --> 00:11:45,480

ET Sasquatch Bigfoots

259

00:11:51,710 --> 00:11:48,600

all the beans that you can't see in the

260

00:11:53,389 --> 00:11:51,720

Cryptids they hold The High Ground

261

00:11:55,430 --> 00:11:53,399

and

262

00:11:58,850 --> 00:11:55,440

I'm gonna say this they're not gonna

263

00:12:02,569 --> 00:11:58,860

reveal give away their possession

264

00:12:06,410 --> 00:12:02,579

to anyone not even to anyone

265

00:12:09,290 --> 00:12:06,420

and that's why you know you're left

266

00:12:10,550 --> 00:12:09,300

wondering you know the stuff that you

267

00:12:14,030 --> 00:12:10,560

see

268

00:12:16,329 --> 00:12:14,040

you know a lot of it isn't explained

269

00:12:18,710 --> 00:12:16,339

it's really bizarre

270

00:12:21,769 --> 00:12:18,720

well I suppose the same question to

271

00:12:23,449 --> 00:12:21,779

Robin so first time uh when your thought

272

00:12:25,430 --> 00:12:23,459

I think if I've got Nathan's question

273

00:12:27,710 --> 00:12:25,440

correctly what you thought the first

274

00:12:28,790 --> 00:12:27,720

time and what you how it's changed and

275

00:12:31,370 --> 00:12:28,800

evolved now

276

00:12:33,050 --> 00:12:31,380

well my situation is a little bit

277

00:12:35,329 --> 00:12:33,060

different than Pat's

278

00:12:37,310 --> 00:12:35,339

I was like literally

279

00:12:39,769 --> 00:12:37,320

when I say Young

280

00:12:41,569 --> 00:12:39,779

we're talking my mother talks about when

281

00:12:44,750 --> 00:12:41,579

I was two years old and learning to talk

282

00:12:47,329 --> 00:12:44,760

me talking about an imaginary friend and

283

00:12:49,430 --> 00:12:47,339

my description of it was a dog man

284

00:12:51,470 --> 00:12:49,440

and the other one looked it was covered

285

00:12:54,370 --> 00:12:51,480

in hair but had no tail

286

00:12:57,290 --> 00:12:54,380

and this was before I could even really

287

00:12:59,269 --> 00:12:57,300

verbalize everything you know my first

288

00:13:02,449 --> 00:12:59,279

ET abduction that I remember I was four

289

00:13:04,550 --> 00:13:02,459

so to tell you exactly the first time I

290

00:13:05,810 --> 00:13:04,560

have no clue because I I've never not

291

00:13:08,210 --> 00:13:05,820

had a Time

292

00:13:09,290 --> 00:13:08,220

you know I mind spoke before I could

293

00:13:11,750 --> 00:13:09,300

talk

294

00:13:13,250 --> 00:13:11,760

so I just assumed that's what everybody

295

00:13:15,350 --> 00:13:13,260

did

296

00:13:17,090 --> 00:13:15,360

and it's just been a progression my

297

00:13:20,150 --> 00:13:17,100

whole entire life like I would go out

298

00:13:22,250 --> 00:13:20,160

and play as a kid and I would see him

299

00:13:24,230 --> 00:13:22,260

I'd be in the house they'd be looking in

300

00:13:26,449 --> 00:13:24,240

the window you know and we actually

301
00:13:29,030 --> 00:13:26,459
lived in a city we had Woods that were

302
00:13:31,490 --> 00:13:29,040
very very close to the house

303
00:13:33,290 --> 00:13:31,500
and you know I would be four or five

304
00:13:34,850 --> 00:13:33,300
years old and ride my bike down to those

305
00:13:36,829 --> 00:13:34,860
woods because back then it was safe now

306
00:13:39,889 --> 00:13:36,839
you would never ever dream of doing that

307
00:13:40,910 --> 00:13:39,899
with your kids but I would go down there

308
00:13:42,110 --> 00:13:40,920
and there'd be three or four of them

309
00:13:43,850 --> 00:13:42,120
that would come out of the woods and

310
00:13:45,829 --> 00:13:43,860
just stand there and watch me like I

311
00:13:49,490 --> 00:13:45,839
always felt safe because they were just

312
00:13:51,170 --> 00:13:49,500
always there and then as I got older I

313
00:13:52,730 --> 00:13:51,180

saw other things and nothing ever

314

00:13:55,129 --> 00:13:52,740

changed I mean it was just always a

315

00:13:56,210 --> 00:13:55,139

constant that was my cousin that was my

316

00:13:58,069 --> 00:13:56,220

normal

317

00:13:59,509 --> 00:13:58,079

and it was a big shock to me to find out

318

00:14:01,610 --> 00:13:59,519

that that wasn't everybody else's normal

319

00:14:04,250 --> 00:14:01,620

you know I talked to my parents about it

320

00:14:06,470 --> 00:14:04,260

my parents were very kind never accused

321

00:14:07,790 --> 00:14:06,480

me of making anything up never said they

322

00:14:09,230 --> 00:14:07,800

didn't believe me they just said they

323

00:14:11,410 --> 00:14:09,240

had no frame of reference to tell me

324

00:14:13,970 --> 00:14:11,420

anything about it

325

00:14:17,030 --> 00:14:13,980

wasn't even out you know I mean there's

326

00:14:20,590 --> 00:14:17,040

no books there's no nothing and that was

327

00:14:25,009 --> 00:14:20,600

just the way it was as I got older

328

00:14:26,509 --> 00:14:25,019

I would tell like my close close friends

329

00:14:28,430 --> 00:14:26,519

because they knew me well enough to know

330

00:14:29,569 --> 00:14:28,440

I wouldn't make it up but I didn't tell

331

00:14:31,730 --> 00:14:29,579

everybody

332

00:14:33,230 --> 00:14:31,740

you know you you travel between this

333

00:14:34,870 --> 00:14:33,240

trying to figure out if you're nuts or

334

00:14:41,030 --> 00:14:34,880

not

335

00:14:43,550 --> 00:14:41,040

people I think don't tell it you know I

336

00:14:45,710 --> 00:14:43,560

told some guy at work about it

337

00:14:48,050 --> 00:14:45,720

you know just okay

338

00:14:50,990 --> 00:14:48,060

uh don't tell anybody this again or

339

00:14:53,449 --> 00:14:51,000

they'll call the ambulance

340

00:14:55,790 --> 00:14:53,459

you know I mean good great

341

00:14:59,030 --> 00:14:55,800

there's so many sightings it's it's it's

342

00:15:01,370 --> 00:14:59,040

uh it's quite

343

00:15:04,009 --> 00:15:01,380

um almost ridiculously in Reverse you

344

00:15:05,689 --> 00:15:04,019

know that people aren't it is but let me

345

00:15:07,670 --> 00:15:05,699

let me let Debs get in there and ask you

346

00:15:09,230 --> 00:15:07,680

what she wants to ask you and then I'll

347

00:15:12,650 --> 00:15:09,240

come back around because I've got I've

348

00:15:15,769 --> 00:15:12,660

got a lot I have so many questions I'm

349

00:15:19,189 --> 00:15:15,779

so very interested in the communication

350

00:15:21,170 --> 00:15:19,199

um so one of my questions is

351

00:15:23,389 --> 00:15:21,180

um why do you think it is that some

352

00:15:26,030 --> 00:15:23,399

people have this gift a lot of people

353

00:15:28,370 --> 00:15:26,040

are leaning towards things like

354

00:15:30,949 --> 00:15:28,380

um experimentation was done on them it

355

00:15:33,350 --> 00:15:30,959

was a gift given to them or we were

356

00:15:35,990 --> 00:15:33,360

evolving and starting to perceive things

357

00:15:38,389 --> 00:15:36,000

for the safe the sake of surviving

358

00:15:40,189 --> 00:15:38,399

things like that what do you think the

359

00:15:43,670 --> 00:15:40,199

reason is that some people have this

360

00:15:45,650 --> 00:15:43,680

ability to communicate with um non-human

361

00:15:48,769 --> 00:15:45,660

entities

362

00:15:51,290 --> 00:15:48,779

personally and this is my own belief I

363

00:15:52,490 --> 00:15:51,300

I'm not a scientist I'm not an expert I

364

00:15:54,110 --> 00:15:52,500

don't believe there's an expert in this

365

00:15:55,790 --> 00:15:54,120

all I can tell you is my experience is

366

00:15:57,350 --> 00:15:55,800

what they've taught me and what I have

367

00:15:59,569 --> 00:15:57,360

learned on my own

368

00:16:01,850 --> 00:15:59,579

everybody has the ability for mind speak

369

00:16:05,030 --> 00:16:01,860

I I believe that with every fiber of my

370

00:16:06,590 --> 00:16:05,040

being I don't personally believe that

371

00:16:08,870 --> 00:16:06,600

some people have that gift and others

372

00:16:10,850 --> 00:16:08,880

don't I think the problem lies with the

373

00:16:12,889 --> 00:16:10,860

fact that we have been told and taught

374

00:16:15,910 --> 00:16:12,899

that the Cryptids don't exist the ETS

375

00:16:18,470 --> 00:16:15,920

don't exist the Mind speed doesn't exist

376

00:16:20,750 --> 00:16:18,480

all of these things and that's what is

377

00:16:22,550 --> 00:16:20,760

programmed in our head when you believe

378

00:16:24,410 --> 00:16:22,560

something that wholeheartedly and it's

379

00:16:27,290 --> 00:16:24,420

been programmed in you and you

380

00:16:28,970 --> 00:16:27,300

experience it your brain does a flip and

381

00:16:31,129 --> 00:16:28,980

it shuts it down like it never happened

382

00:16:33,590 --> 00:16:31,139

and I think that's where the problem is

383

00:16:36,410 --> 00:16:33,600

I work with people Pat works with people

384

00:16:38,810 --> 00:16:36,420

all the time teaching them how to use

385

00:16:41,150 --> 00:16:38,820

the telepathy and and to move forward

386

00:16:44,629 --> 00:16:41,160

with that everybody has the potential

387

00:16:47,389 --> 00:16:44,639

it's easier for some than others you

388

00:16:49,430 --> 00:16:47,399

know and Pat is a genius at it there's

389

00:16:52,249 --> 00:16:49,440

myself Pat and a very dear friend of

390

00:16:54,650 --> 00:16:52,259

mine when it comes to telepathy I trust

391

00:16:56,689 --> 00:16:54,660

them more than I do anybody else on this

392

00:16:59,030 --> 00:16:56,699

planet because their accuracy is uncanny

393

00:17:01,610 --> 00:16:59,040

the three of us verify things with each

394

00:17:04,010 --> 00:17:01,620

other we actually do do some work for

395

00:17:05,929 --> 00:17:04,020

the Cryptids and it's very important

396

00:17:08,329 --> 00:17:05,939

that we get the information accurate

397

00:17:11,329 --> 00:17:08,339

especially when it's kind of dicey and

398

00:17:12,710 --> 00:17:11,339

so we when we do these things we do them

399

00:17:14,630 --> 00:17:12,720

as a team

400

00:17:16,970 --> 00:17:14,640

we don't ever do this as a single person

401
00:17:18,590 --> 00:17:16,980
it's a team effort and we all have

402
00:17:22,010 --> 00:17:18,600
different things that we do and that way

403
00:17:23,510 --> 00:17:22,020
we verify to get it right so I mean it's

404
00:17:27,490 --> 00:17:23,520
something that I believe at some point

405
00:17:34,070 --> 00:17:31,010
uh it's it's interesting because like I

406
00:17:35,990 --> 00:17:34,080
listened to those guys in Ohio uh Kane

407
00:17:38,510 --> 00:17:36,000
is one of them's name

408
00:17:42,350 --> 00:17:38,520
um I can't think of his last name but uh

409
00:17:44,510 --> 00:17:42,360
I think the Enoch house is his is his uh

410
00:17:46,850 --> 00:17:44,520
tag and then he's friends with somebody

411
00:17:48,590 --> 00:17:46,860
named Richard who named the Ohio Bigfoot

412
00:17:51,250 --> 00:17:48,600
the grass man I guess he's the one that

413
00:17:55,010 --> 00:17:51,260

came up with that okay for like 50 years

414

00:17:58,010 --> 00:17:55,020

and they don't speak of the ability to

415

00:18:00,110 --> 00:17:58,020

speak with them and it's perhaps uh

416

00:18:02,150 --> 00:18:00,120

Nathan I don't know is this is it like

417

00:18:03,890 --> 00:18:02,160

EXO's opinion that everybody can do some

418

00:18:06,049 --> 00:18:03,900

of the things that he's doing which is

419

00:18:08,029 --> 00:18:06,059

similar to what Robin does or what what

420

00:18:11,090 --> 00:18:08,039

Chris bledsoe's doing

421

00:18:13,310 --> 00:18:11,100

yeah I think the argument is that um and

422

00:18:16,130 --> 00:18:13,320

Robin I'm kind of hearing you say this

423

00:18:19,190 --> 00:18:16,140

in a way that we have this fundamental

424

00:18:21,169 --> 00:18:19,200

connection like at a really low level of

425

00:18:24,110 --> 00:18:21,179

reality we're all ultimately connected

426

00:18:26,690 --> 00:18:24,120

and these abilities this uh you know

427

00:18:29,650 --> 00:18:26,700

telepathy and and uh you know PSI

428

00:18:32,529 --> 00:18:29,660

abilities they emerge out of that

429

00:18:35,450 --> 00:18:32,539

fundamental deep connection to reality

430

00:18:38,150 --> 00:18:35,460

and you know the ability to do that is

431

00:18:40,370 --> 00:18:38,160

actually something that is uh more

432

00:18:41,690 --> 00:18:40,380

fundamental than our languages our

433

00:18:44,690 --> 00:18:41,700

language is actually kind of like a

434

00:18:45,529 --> 00:18:44,700

rudimentary means of connecting compared

435

00:18:50,510 --> 00:18:45,539

to

436

00:18:52,610 --> 00:18:50,520

you know kind of mind-speak level

437

00:18:54,350 --> 00:18:52,620

well and I think Pat can agree with me

438

00:18:57,230 --> 00:18:54,360

on this when it comes to the Mind speak

439

00:18:58,850 --> 00:18:57,240

because it comes in so many ways okay

440

00:19:01,370 --> 00:18:58,860

you're not going to get just words in

441

00:19:03,710 --> 00:19:01,380

your head or just letters you can get a

442

00:19:05,930 --> 00:19:03,720

picture an image something that'll play

443

00:19:08,390 --> 00:19:05,940

out like a movie you can get a feeling

444

00:19:10,430 --> 00:19:08,400

of knowing you can get a projection of

445

00:19:12,049 --> 00:19:10,440

emotion I mean it's a million different

446

00:19:14,510 --> 00:19:12,059

ways you can get it everybody gets it

447

00:19:15,890 --> 00:19:14,520

differently for whatever reason I get it

448

00:19:17,330 --> 00:19:15,900

in all the different ways if there's

449

00:19:19,190 --> 00:19:17,340

other ways out there to get it I haven't

450

00:19:22,250 --> 00:19:19,200

heard about it

451
00:19:23,750 --> 00:19:22,260
um Pat gets it in an arraignment of ways

452
00:19:26,570 --> 00:19:23,760
as well

453
00:19:28,970 --> 00:19:26,580
but I think no matter how long you've

454
00:19:30,350 --> 00:19:28,980
done it how good you are at it there are

455
00:19:31,789 --> 00:19:30,360
times you second guess yourself and

456
00:19:33,710 --> 00:19:31,799
you're like oh did I just hear that did

457
00:19:35,990 --> 00:19:33,720
I just know that Pat and I are

458
00:19:37,970 --> 00:19:36,000
constantly going to each other aren't we

459
00:19:40,610 --> 00:19:37,980
honey going okay will you verify this

460
00:19:42,650 --> 00:19:40,620
with them to make sure I got it right

461
00:19:44,150 --> 00:19:42,660
yeah

462
00:19:47,330 --> 00:19:44,160
uh

463
00:19:49,850 --> 00:19:47,340

I asked actually a Bigfoot

464

00:19:52,970 --> 00:19:49,860

one of the ones that we deal with and

465

00:19:55,610 --> 00:19:52,980

they asked him I said well hey how do I

466

00:19:58,730 --> 00:19:55,620

know it's you that I'm talking to and

467

00:20:01,070 --> 00:19:58,740

you gotta understand that

468

00:20:04,070 --> 00:20:01,080

going ahead and mind speaking

469

00:20:07,010 --> 00:20:04,080

is like being on the internet

470

00:20:09,470 --> 00:20:07,020

and you've got just that word that name

471

00:20:10,610 --> 00:20:09,480

down there and then you have no idea who

472

00:20:16,430 --> 00:20:10,620

it is

473

00:20:19,850 --> 00:20:16,440

so then basically uh you go ahead and he

474

00:20:24,049 --> 00:20:19,860

told me he says if you do everything by

475

00:20:29,029 --> 00:20:24,059

feel so you're feeling that energy

476

00:20:32,690 --> 00:20:29,039

so to speak that you know it's them

477

00:20:34,610 --> 00:20:32,700

or you'll see them in your mind

478

00:20:37,549 --> 00:20:34,620

and

479

00:20:40,610 --> 00:20:37,559

that's what he told me how to it's

480

00:20:46,310 --> 00:20:42,890

it may not seem though but you put

481

00:20:49,549 --> 00:20:46,320

yourself at risk every time you you mind

482

00:20:50,210 --> 00:20:49,559

speak because there's so much stuff out

483

00:20:56,150 --> 00:20:50,220

there

484

00:20:59,210 --> 00:20:56,160

so much that you can get hold of and you

485

00:21:01,490 --> 00:20:59,220

know I've I've woken up from sleep and I

486

00:21:02,630 --> 00:21:01,500

had three midgets I don't know who the

487

00:21:05,690 --> 00:21:02,640

heck they were they said they're gonna

488

00:21:09,830 --> 00:21:05,700

kill me I saw them so I'm on my mind

489

00:21:12,289 --> 00:21:09,840

and you know I was sitting just my own

490

00:21:14,990 --> 00:21:12,299

business one day and reptilian came up

491

00:21:16,070 --> 00:21:15,000

and said he's gonna kill me so I must be

492

00:21:19,250 --> 00:21:16,080

doing something

493

00:21:21,230 --> 00:21:19,260

so yes what are you doing I mean are you

494

00:21:23,930 --> 00:21:21,240

not leaving enough food outside for

495

00:21:28,149 --> 00:21:23,940

these reptiles to eat I don't know

496

00:21:32,390 --> 00:21:30,710

I'm sorry I want to get this this is

497

00:21:33,890 --> 00:21:32,400

tangential this is exactly what you guys

498

00:21:36,470 --> 00:21:33,900

are talking about this is our friend

499

00:21:37,970 --> 00:21:36,480

Dave Smothers from over in England and

500

00:21:40,130 --> 00:21:37,980

he needs to get himself to bed because

501
00:21:41,870 --> 00:21:40,140
it's late over there right now okay and

502
00:21:44,149 --> 00:21:41,880
so here's the question and both you guys

503
00:21:47,870 --> 00:21:44,159
can attack this or whomever wants it

504
00:21:50,450 --> 00:21:47,880
do Bigfoot's cloak using Tech or with

505
00:21:53,270 --> 00:21:50,460
natural PSI I'm not sure if that's

506
00:21:55,909 --> 00:21:53,280
pounds per square inch other powers and

507
00:21:58,250 --> 00:21:55,919
if they can cloak can they change their

508
00:21:59,750 --> 00:21:58,260
appearance whoa you want me to do this

509
00:22:02,169 --> 00:21:59,760
for you

510
00:22:05,029 --> 00:22:02,179
I'll do it

511
00:22:07,190 --> 00:22:05,039
the way I see it I mean I didn't really

512
00:22:08,270 --> 00:22:07,200
understand it when I first started doing

513
00:22:10,669 --> 00:22:08,280

this but

514

00:22:13,370 --> 00:22:10,679

all the stuff that I hear and we've seen

515

00:22:16,669 --> 00:22:13,380

and stuff like that I've seen a big

516

00:22:18,049 --> 00:22:16,679

cloak right in front of my eyes but I I

517

00:22:19,610 --> 00:22:18,059

think it is

518

00:22:27,049 --> 00:22:19,620

they

519

00:22:29,570 --> 00:22:27,059

bush

520

00:22:31,250 --> 00:22:29,580

and you'll never see them the cloak is

521

00:22:32,630 --> 00:22:31,260

distinguish you'll see them Shimmer

522

00:22:35,990 --> 00:22:32,640

sometimes

523

00:22:38,090 --> 00:22:36,000

and you know like a lot of times when

524

00:22:40,370 --> 00:22:38,100

they want me to see them

525

00:22:42,950 --> 00:22:40,380

it'll be like uh you know you're looking

526

00:22:47,330 --> 00:22:42,960

through a one of those stained glasses

527

00:22:51,230 --> 00:22:47,340

and you'll see a blur of someone the

528

00:22:53,049 --> 00:22:51,240

brown blur but what that is is vibration

529

00:22:56,390 --> 00:22:53,059

and then yeah

530

00:22:58,190 --> 00:22:56,400

they raised that energy I'm sorry they

531

00:23:01,190 --> 00:22:58,200

raise that energy and the vibration and

532

00:23:03,590 --> 00:23:01,200

as they raise it it causes that effect

533

00:23:04,970 --> 00:23:03,600

and you have two things at play you have

534

00:23:06,770 --> 00:23:04,980

cloaking and you have shimmering the

535

00:23:08,390 --> 00:23:06,780

shimmering are what people refer to as

536

00:23:09,590 --> 00:23:08,400

that Predator effect where it's like a

537

00:23:11,570 --> 00:23:09,600

gelled water

538

00:23:15,409 --> 00:23:11,580

where cloaking is a hundred percent

539

00:23:18,110 --> 00:23:15,419

clear there really there is nothing you

540

00:23:20,450 --> 00:23:18,120

can't see it now you can feel the energy

541

00:23:22,909 --> 00:23:20,460

yeah it is it's seamless you can feel

542

00:23:25,310 --> 00:23:22,919

the energy okay and with the Mind speak

543

00:23:26,930 --> 00:23:25,320

if you're gonna mind speak please please

544

00:23:28,490 --> 00:23:26,940

get hold of somebody that can teach you

545

00:23:30,409 --> 00:23:28,500

to read energy so you can tell what

546

00:23:32,210 --> 00:23:30,419

you're talking to the other thing that

547

00:23:35,330 --> 00:23:32,220

he had asked that I want to address is

548

00:23:38,210 --> 00:23:35,340

can they shape shift 100 yes

549

00:23:40,130 --> 00:23:38,220

they can not only as Pat said he's 100

550

00:23:42,710 --> 00:23:40,140

correct they can blend into their

551
00:23:44,149 --> 00:23:42,720
surroundings they also I'm gonna go get

552
00:23:46,789 --> 00:23:44,159
the dog in a minute you guys I'm sorry

553
00:23:47,510 --> 00:23:46,799
he's a puppy and he's having a fit it's

554
00:23:51,890 --> 00:23:47,520
okay

555
00:23:53,750 --> 00:23:51,900
um but they also can shape-shift I've

556
00:23:55,909 --> 00:23:53,760
watched them shape-shift into Deer I've

557
00:23:57,950 --> 00:23:55,919
watched them shaped into raccoons I've

558
00:23:59,450 --> 00:23:57,960
watched them shape shift into other

559
00:24:02,990 --> 00:23:59,460
animals

560
00:24:05,390 --> 00:24:03,000
they 100 can shape shift and it's not

561
00:24:08,810 --> 00:24:05,400
just the Bigfoot it's all the Cryptids

562
00:24:10,490 --> 00:24:08,820
it's the ETS it's not just one thing so

563
00:24:13,610 --> 00:24:10,500

when Pat and I are talking to you about

564

00:24:15,649 --> 00:24:13,620

the telepathy and the shimmering and the

565

00:24:17,390 --> 00:24:15,659

cloaking please know that that is all

566

00:24:20,450 --> 00:24:17,400

your Cryptids we're talking cat people

567

00:24:23,330 --> 00:24:20,460

goat man all these things they're all

568

00:24:30,890 --> 00:24:25,730

um my question um

569

00:24:36,110 --> 00:24:33,950

that one I'll tell field they are all

570

00:24:39,169 --> 00:24:36,120

born with the abilities they actually

571

00:24:42,529 --> 00:24:39,179

are but there's a big difference and

572

00:24:44,270 --> 00:24:42,539

this is where the fluctuation comes they

573

00:24:45,649 --> 00:24:44,280

have the abilities however they have to

574

00:24:47,270 --> 00:24:45,659

be taught from their parents that they

575

00:24:49,370 --> 00:24:47,280

possess these abilities

576

00:24:50,930 --> 00:24:49,380

you have and I this is the way I always

577

00:24:52,250 --> 00:24:50,940

explain it to people it seems to

578

00:24:54,830 --> 00:24:52,260

resonate more

579

00:24:56,870 --> 00:24:54,840

you know we have Amish people and

580

00:24:59,029 --> 00:24:56,880

there's different sectors some use use

581

00:25:00,710 --> 00:24:59,039

electricity some don't some will allow

582

00:25:02,630 --> 00:25:00,720

electricity in the home but nowhere else

583

00:25:04,789 --> 00:25:02,640

some will only use a horse and buggy

584

00:25:06,470 --> 00:25:04,799

some use a car that is their belief

585

00:25:09,470 --> 00:25:06,480

system that is the way that they choose

586

00:25:11,390 --> 00:25:09,480

to live their lives that's fine when it

587

00:25:14,029 --> 00:25:11,400

comes to the forest people because let's

588

00:25:16,610 --> 00:25:14,039

be clear they are a people they are not

589

00:25:18,890 --> 00:25:16,620

our type of people but they RIT people

590

00:25:21,110 --> 00:25:18,900

they are a human hybrid

591

00:25:23,210 --> 00:25:21,120

um and so when it comes to them each

592

00:25:24,950 --> 00:25:23,220

Clan is different on how they run it

593

00:25:26,510 --> 00:25:24,960

they're all going to be telepathic

594

00:25:28,850 --> 00:25:26,520

they're all going to use that telepathy

595

00:25:31,130 --> 00:25:28,860

because they communicate that way now

596

00:25:32,990 --> 00:25:31,140

everybody will use all the other

597

00:25:34,669 --> 00:25:33,000

abilities and trust me when I tell you

598

00:25:37,909 --> 00:25:34,679

the amount abilities they have are

599

00:25:40,070 --> 00:25:37,919

staggering it's just incredible but

600

00:25:42,049 --> 00:25:40,080

unless they're taught

601
00:25:44,210 --> 00:25:42,059
they don't know they have them no they

602
00:25:46,190 --> 00:25:44,220
have it yeah kind of like us like so

603
00:25:48,169 --> 00:25:46,200
like exactly you just said some of us

604
00:25:49,810 --> 00:25:48,179
have all of us may have the ability but

605
00:25:52,370 --> 00:25:49,820
we don't know how to cultivate it and

606
00:25:56,710 --> 00:25:52,380
exactly well

607
00:26:01,430 --> 00:25:56,720
what is like like mind speak

608
00:26:03,470 --> 00:26:01,440
but that I I I didn't you don't go to

609
00:26:06,350 --> 00:26:03,480
school for it I mean like they have

610
00:26:08,210 --> 00:26:06,360
these online classes and spending a

611
00:26:09,590 --> 00:26:08,220
hundred twelve hundred dollars and

612
00:26:12,350 --> 00:26:09,600
somebody's gonna try to teach you that

613
00:26:15,049 --> 00:26:12,360

you can't teach anybody that it's just

614

00:26:18,230 --> 00:26:15,059

you just have to let it happen naturally

615

00:26:20,990 --> 00:26:18,240

all these abilities and my thing is you

616

00:26:23,029 --> 00:26:21,000

never doubt your ability

617

00:26:24,529 --> 00:26:23,039

yeah I agree and I think when it comes

618

00:26:27,110 --> 00:26:24,539

to the Mind speak Pat and I work with

619

00:26:29,570 --> 00:26:27,120

people all the time on it and it's not

620

00:26:31,490 --> 00:26:29,580

that we're teaching them about it most

621

00:26:32,990 --> 00:26:31,500

people are already getting it they just

622

00:26:35,570 --> 00:26:33,000

don't know how to recognize that's what

623

00:26:38,570 --> 00:26:35,580

we're getting all we're doing is

624

00:26:40,070 --> 00:26:38,580

pointing out what's already there he you

625

00:26:42,769 --> 00:26:40,080

know like Pat said he's 100 right

626

00:26:44,810 --> 00:26:42,779

there's no book there's no class

627

00:26:46,669 --> 00:26:44,820

you know you don't charge people for

628

00:26:49,430 --> 00:26:46,679

this all you're doing is explaining

629

00:26:50,990 --> 00:26:49,440

what's already happening nine out of ten

630

00:26:54,049 --> 00:26:51,000

people already experience it and they

631

00:26:57,110 --> 00:26:54,059

don't even realize that they are because

632

00:26:59,810 --> 00:26:57,120

it's out there and nobody tells them

633

00:27:00,769 --> 00:26:59,820

no absolutely and we're going to be

634

00:27:02,810 --> 00:27:00,779

doing

635

00:27:05,090 --> 00:27:02,820

um an ancient structure stuff about how

636

00:27:07,490 --> 00:27:05,100

the pyramids were built and we suspect

637

00:27:09,529 --> 00:27:07,500

at least we hypothesized that there are

638

00:27:11,690 --> 00:27:09,539

some abilities in doing things like that

639

00:27:13,789 --> 00:27:11,700

constructing some of these things that

640

00:27:15,950 --> 00:27:13,799

have been lost and perhaps the ability

641

00:27:20,750 --> 00:27:15,960

to mind speak the ability to remote view

642

00:27:23,930 --> 00:27:20,760

the ability to uh like uh what James

643

00:27:26,570 --> 00:27:23,940

does right Nathan what is it called ce5

644

00:27:29,330 --> 00:27:26,580

yeah so maybe some of these things have

645

00:27:32,930 --> 00:27:29,340

been lost and they need to be rekindled

646

00:27:34,730 --> 00:27:32,940

yeah remote viewing is not that hard I

647

00:27:38,090 --> 00:27:34,740

remote viewed my whole life

648

00:27:41,990 --> 00:27:40,549

it is I mean it really is and it's like

649

00:27:45,169 --> 00:27:42,000

the astral projection

650

00:27:47,570 --> 00:27:45,179

haven't tried to do it it just happens

651
00:27:49,310 --> 00:27:47,580
when I need it to but I mean these are

652
00:27:50,810 --> 00:27:49,320
things that are actually part of what we

653
00:27:52,909 --> 00:27:50,820
are and Who We Are

654
00:27:54,850 --> 00:27:52,919
once but it's all based on the same

655
00:27:57,769 --> 00:27:54,860
basic principles energy and vibration

656
00:27:59,630 --> 00:27:57,779
until your energy and vibration get high

657
00:28:01,370 --> 00:27:59,640
enough your Consciousness gets high

658
00:28:04,669 --> 00:28:01,380
enough you can't really do a whole lot

659
00:28:07,190 --> 00:28:04,679
but people can raise that there's ways

660
00:28:11,570 --> 00:28:07,200
to do it you know I mean we're not as

661
00:28:16,010 --> 00:28:13,970
are the Cryptids ahead of us oh they are

662
00:28:17,810 --> 00:28:16,020
volumes ahead of us you know everybody

663
00:28:19,370 --> 00:28:17,820

talks about how dangerous they are the

664

00:28:20,870 --> 00:28:19,380

fact is that if they really wanted us

665

00:28:23,570 --> 00:28:20,880

gone we wouldn't be here

666

00:28:25,610 --> 00:28:23,580

yeah they can do whatever they want to

667

00:28:28,430 --> 00:28:25,620

do and we really don't have the ability

668

00:28:29,930 --> 00:28:28,440

to stop them I mean there's times I've

669

00:28:31,669 --> 00:28:29,940

had to go into certain areas and do

670

00:28:33,529 --> 00:28:31,679

things to try to stop it and it's you

671

00:28:35,450 --> 00:28:33,539

know I've been doing okay but

672

00:28:38,090 --> 00:28:35,460

they really if they wanted to squish us

673

00:28:40,610 --> 00:28:38,100

like a bug we wouldn't be here right oh

674

00:28:42,470 --> 00:28:40,620

absolutely I mean they're so powerful

675

00:28:44,630 --> 00:28:42,480

um and I've got questions about Dogman

676

00:28:46,669 --> 00:28:44,640

too but I want to pass it back to Deb

677

00:28:49,130 --> 00:28:46,679

and I don't remember if Deb or Nathan is

678

00:28:51,529 --> 00:28:49,140

next Nathan do you remember uh yeah I'll

679

00:28:52,909 --> 00:28:51,539

go next um so to kind of follow on

680

00:28:54,049 --> 00:28:52,919

Robin's what you're just saying there

681

00:28:56,690 --> 00:28:54,059

what

682

00:29:00,110 --> 00:28:56,700

why do you think it is that you know

683

00:29:02,630 --> 00:29:00,120

most of human society today at least

684

00:29:04,430 --> 00:29:02,640

doesn't have this ability or have we

685

00:29:06,350 --> 00:29:04,440

lost it you said we've been led to

686

00:29:09,529 --> 00:29:06,360

believe so what what kind of happened in

687

00:29:12,110 --> 00:29:09,539

our history that that changed this

688

00:29:14,750 --> 00:29:12,120

situation um this will probably get me

689

00:29:16,430 --> 00:29:14,760

in more trouble than I'm already in but

690

00:29:17,630 --> 00:29:16,440

we have been programmed by our

691

00:29:20,029 --> 00:29:17,640

government to believe these things don't

692

00:29:21,769 --> 00:29:20,039

exist and unfortunately that's the way

693

00:29:23,690 --> 00:29:21,779

it is

694

00:29:26,269 --> 00:29:23,700

um they don't want us to know they will

695

00:29:27,350 --> 00:29:26,279

do whatever they need to to stop us from

696

00:29:30,769 --> 00:29:27,360

knowing

697

00:29:33,230 --> 00:29:30,779

just as they do with the Cryptids as

698

00:29:35,450 --> 00:29:33,240

with the ETS and just for the record not

699

00:29:37,610 --> 00:29:35,460

all ETS are bad there's a lot of them

700

00:29:39,950 --> 00:29:37,620

that are wonderful absolutely wonderful

701
00:29:41,810 --> 00:29:39,960
you know Sue Walker has contact with

702
00:29:43,850 --> 00:29:41,820
some that are beautiful

703
00:29:46,549 --> 00:29:43,860
you know I I'm very much looking forward

704
00:29:47,870 --> 00:29:46,559
to talking to sue Sue and I and she had

705
00:29:50,690 --> 00:29:47,880
posted on here too you know that we have

706
00:29:52,549 --> 00:29:50,700
a lot in common we absolutely do

707
00:29:54,350 --> 00:29:52,559
um I have not talked to her personally

708
00:29:56,510 --> 00:29:54,360
yet I know of her I have the utmost

709
00:29:57,950 --> 00:29:56,520
respect for her but like hers are very

710
00:30:00,430 --> 00:29:57,960
kind I've worked with kind ones I've

711
00:30:02,690 --> 00:30:00,440
done healing work on some that were kind

712
00:30:04,070 --> 00:30:02,700
but some are bad I've dealt with those

713
00:30:05,630 --> 00:30:04,080

too and it's the same thing with the

714

00:30:08,510 --> 00:30:05,640

Crypt it's a cosmic balance and

715

00:30:10,490 --> 00:30:08,520

everything is good and bad and be honest

716

00:30:12,049 --> 00:30:10,500

you don't want everything good or bad

717

00:30:14,690 --> 00:30:12,059

because if you have everything good

718

00:30:16,789 --> 00:30:14,700

there are consequences to that and it

719

00:30:19,549 --> 00:30:16,799

doesn't work everything bad it's the

720

00:30:21,710 --> 00:30:19,559

same way you need that balance but

721

00:30:23,510 --> 00:30:21,720

people come down on these Cryptids and

722

00:30:25,850 --> 00:30:23,520

they're like oh no this one is you know

723

00:30:28,010 --> 00:30:25,860

all the dog men are mad or bad that's a

724

00:30:30,769 --> 00:30:28,020

bunch of bull I've had help from them on

725

00:30:32,750 --> 00:30:30,779

and off my whole life the poorest people

726

00:30:35,330 --> 00:30:32,760

have saved my life six times they've

727

00:30:36,889 --> 00:30:35,340

saved Pat's life before you know you

728

00:30:38,690 --> 00:30:36,899

have countless situations where they've

729

00:30:41,330 --> 00:30:38,700

stepped in and helped people

730

00:30:43,850 --> 00:30:41,340

you know go on world Bigfoot radio Duke

731

00:30:46,130 --> 00:30:43,860

Sullivan The Saga of glag with Kevin

732

00:30:47,330 --> 00:30:46,140

Lane tremendous I recommend it for

733

00:30:49,850 --> 00:30:47,340

everybody

734

00:30:52,970 --> 00:30:49,860

okay radio

735

00:30:54,350 --> 00:30:52,980

yeah phenomenal uh Duke Sullivan is a

736

00:30:56,510 --> 00:30:54,360

very dear friend of mine we work on a

737

00:30:58,669 --> 00:30:56,520

lot of things together his radio station

738

00:31:00,950 --> 00:30:58,679

is on YouTube it's called World Bigfoot

739

00:31:02,810 --> 00:31:00,960

radio I would recommend it to anybody

740

00:31:05,450 --> 00:31:02,820

and everybody the information that he

741

00:31:07,430 --> 00:31:05,460

has collected through verified people

742

00:31:10,010 --> 00:31:07,440

these are not somebody that are claiming

743

00:31:11,930 --> 00:31:10,020

things okay he vets his people he makes

744

00:31:13,370 --> 00:31:11,940

sure he vetted me for two years I didn't

745

00:31:16,010 --> 00:31:13,380

even know he was doing it it was fine

746

00:31:17,510 --> 00:31:16,020

but you know these people know what

747

00:31:20,450 --> 00:31:17,520

they're talking about it's solid

748

00:31:21,830 --> 00:31:20,460

information on all kinds of things but

749

00:31:24,889 --> 00:31:21,840

the point is

750

00:31:27,649 --> 00:31:24,899

we have been led to believe these things

751

00:31:29,210 --> 00:31:27,659

never existed to begin with

752

00:31:31,370 --> 00:31:29,220

and so when you believe something

753

00:31:32,990 --> 00:31:31,380

doesn't exist you close your mind off to

754

00:31:35,149 --> 00:31:33,000

it when you close your mind off to it

755

00:31:36,769 --> 00:31:35,159

even if you see it your mind will

756

00:31:39,169 --> 00:31:36,779

interpret that and shut it down like it

757

00:31:42,230 --> 00:31:39,179

never happened cognitive dissonance yeah

758

00:31:44,149 --> 00:31:42,240

yep and that's what it all boils down to

759

00:31:45,590 --> 00:31:44,159

you and when uh Robin when you do get

760

00:31:47,210 --> 00:31:45,600

together with Sue and I hate to throw

761

00:31:48,710 --> 00:31:47,220

this in there so early in the show but

762

00:31:50,590 --> 00:31:48,720

if there's anything about hair

763

00:31:53,690 --> 00:31:50,600

replacement in Bigfoot that could

764

00:31:55,669 --> 00:31:53,700

possibly you know or eat anything like

765

00:31:57,889 --> 00:31:55,679

that we've been asking different people

766

00:31:59,630 --> 00:31:57,899

to to help me out so if you what you

767

00:32:01,190 --> 00:31:59,640

need is all the hair I've collected over

768

00:32:03,470 --> 00:32:01,200

the years we can make you a really good

769

00:32:05,870 --> 00:32:03,480

wig yeah I'm looking for a Peter

770

00:32:10,730 --> 00:32:05,880

Frampton kind of a Frampton it was a

771

00:32:13,549 --> 00:32:10,740

live kind of a look so okay exactly dibs

772

00:32:15,769 --> 00:32:13,559

yep so I I know that you've spoken a

773

00:32:17,510 --> 00:32:15,779

little bit about this um on other

774

00:32:20,029 --> 00:32:17,520

podcasts but I was wondering if you

775

00:32:25,669 --> 00:32:20,039

could talk to us about what you think

776

00:32:28,070 --> 00:32:25,679

the origin of Sasquatch in particular is

777

00:32:31,070 --> 00:32:28,080

um and how that might relate to our

778

00:32:34,010 --> 00:32:32,570

um I worked with Melba Ketchum on the

779

00:32:35,870 --> 00:32:34,020

DNA study

780

00:32:37,490 --> 00:32:35,880

and which of course is extremely

781

00:32:40,310 --> 00:32:37,500

controversial but I'm just putting this

782

00:32:42,529 --> 00:32:40,320

out there it was accurate people do not

783

00:32:45,769 --> 00:32:42,539

know the background they do not know

784

00:32:48,649 --> 00:32:45,779

what lengths were done to ensure no

785

00:32:50,570 --> 00:32:48,659

contamination they don't know DNA that

786

00:32:53,690 --> 00:32:50,580

was checked to make sure was not the

787

00:32:55,909 --> 00:32:53,700

same DNA and she got it right

788

00:32:57,169 --> 00:32:55,919

she got the whole bloody thing right and

789

00:32:58,669 --> 00:32:57,179

nobody would give her the time of day

790

00:33:00,950 --> 00:32:58,679

because Here Comes this woman out of

791

00:33:02,570 --> 00:33:00,960

nowhere with it everybody wanted the

792

00:33:05,570 --> 00:33:02,580

information she gave it to him and she

793

00:33:07,310 --> 00:33:05,580

got totally annihilated for it

794

00:33:09,590 --> 00:33:07,320

um but she was right

795

00:33:12,230 --> 00:33:09,600

and I did not know her prior to the

796

00:33:14,269 --> 00:33:12,240

study I found out about the study and

797

00:33:16,190 --> 00:33:14,279

her because the forest people were the

798

00:33:18,169 --> 00:33:16,200

ones that told me to find her and I

799

00:33:21,950 --> 00:33:18,179

didn't even know what was going on

800

00:33:24,649 --> 00:33:21,960

so when I did I had somebody contact her

801
00:33:27,049 --> 00:33:24,659
she reached out to me

802
00:33:29,389 --> 00:33:27,059
and six weeks I would had been helping

803
00:33:31,009 --> 00:33:29,399
her and she finally said why haven't you

804
00:33:32,930 --> 00:33:31,019
asked me the results everybody asked me

805
00:33:33,769 --> 00:33:32,940
the results I said I don't need the

806
00:33:36,649 --> 00:33:33,779
results

807
00:33:38,570 --> 00:33:36,659
okay I went to the source I asked them

808
00:33:40,669 --> 00:33:38,580
I figured they would know

809
00:33:42,230 --> 00:33:40,679
they looked at me and they said we're

810
00:33:43,970 --> 00:33:42,240
human like you and they pointed to me

811
00:33:46,310 --> 00:33:43,980
and then they pointed to the sky and

812
00:33:48,409 --> 00:33:46,320
said star people now in the study the

813
00:33:52,070 --> 00:33:48,419

father is listed as unknown

814

00:33:54,529 --> 00:33:52,080

okay and it is because you can only get

815

00:33:56,269 --> 00:33:54,539

answers to What's in the databases and

816

00:33:59,149 --> 00:33:56,279

there wasn't anything that matched the

817

00:34:00,769 --> 00:33:59,159

male side in the databases so her study

818

00:34:02,870 --> 00:34:00,779

was a hundred percent she never claimed

819

00:34:04,310 --> 00:34:02,880

they were in ET she never will she

820

00:34:05,930 --> 00:34:04,320

doesn't know because scientifically

821

00:34:07,850 --> 00:34:05,940

speaking there's nothing in a database

822

00:34:11,389 --> 00:34:07,860

for the father that says was it what it

823

00:34:13,790 --> 00:34:11,399

is me personally myself perhaps asked

824

00:34:15,770 --> 00:34:13,800

him before they are the ones that say

825

00:34:17,570 --> 00:34:15,780

the father or they all say mother or

826
00:34:19,010 --> 00:34:17,580
father they just say they're human like

827
00:34:21,169 --> 00:34:19,020
us and star people

828
00:34:22,550 --> 00:34:21,179
hmm

829
00:34:27,530 --> 00:34:22,560
I don't think they've told you anything

830
00:34:32,629 --> 00:34:30,409
that that's what they said uh they also

831
00:34:36,409 --> 00:34:32,639
did they say they're not

832
00:34:40,790 --> 00:34:37,750
yeah

833
00:34:42,710 --> 00:34:40,800
can you uh School us on that that's it

834
00:34:44,149 --> 00:34:42,720
is that like a derivative of a primate

835
00:34:45,950 --> 00:34:44,159
it's like a Biblical thing right what

836
00:34:47,450 --> 00:34:45,960
what is the Nephilim yeah it's the

837
00:34:49,909 --> 00:34:47,460
biblical thing

838
00:34:53,389 --> 00:34:49,919

um the Fallen Angel

839

00:34:55,310 --> 00:34:53,399

no what they told me was they crash

840

00:34:57,470 --> 00:34:55,320

landed on Earth

841

00:34:59,150 --> 00:34:57,480

that's what they said that's what

842

00:35:01,430 --> 00:34:59,160

someone one of the big

843

00:35:03,349 --> 00:35:01,440

yeah the only thing they've ever told me

844

00:35:05,630 --> 00:35:03,359

about it was

845

00:35:07,430 --> 00:35:05,640

um some were sent here to watch over the

846

00:35:10,010 --> 00:35:07,440

Earth

847

00:35:12,829 --> 00:35:10,020

they told me that the ones that Pat

848

00:35:14,810 --> 00:35:12,839

talked to had crashed here so they they

849

00:35:16,490 --> 00:35:14,820

and they've seen them on ships and Pat's

850

00:35:18,290 --> 00:35:16,500

confirmed with several people they've

851
00:35:20,630 --> 00:35:18,300
seen him on ships

852
00:35:22,630 --> 00:35:20,640
and so they'll you know sometime between

853
00:35:25,550 --> 00:35:22,640
those points of travel some have crashed

854
00:35:26,530 --> 00:35:25,560
they're here but they were also put here

855
00:35:29,930 --> 00:35:26,540
too

856
00:35:32,329 --> 00:35:29,940
what Grace of ETS I don't know

857
00:35:34,550 --> 00:35:32,339
I really and truly don't

858
00:35:36,470 --> 00:35:34,560
um that they were created

859
00:35:38,210 --> 00:35:36,480
they're a hybrid the ETS are dropping

860
00:35:40,670 --> 00:35:38,220
off hybrids all over the place

861
00:35:42,410 --> 00:35:40,680
and they were created and they were put

862
00:35:43,849 --> 00:35:42,420
here they were supposed to watch and I

863
00:35:45,290 --> 00:35:43,859

had asked them at one time what was

864

00:35:47,870 --> 00:35:45,300

their job here on this planet and they

865

00:35:50,810 --> 00:35:47,880

wouldn't answer me for a long time I was

866

00:35:52,430 --> 00:35:50,820

in the car one day and they just started

867

00:35:53,630 --> 00:35:52,440

out of nowhere talking about it when

868

00:35:55,790 --> 00:35:53,640

you're in the car you're traveling

869

00:35:59,450 --> 00:35:55,800

between time and space it makes it very

870

00:36:02,030 --> 00:35:59,460

hard for other beings to listen to you

871

00:36:03,710 --> 00:36:02,040

telepathically so if you're in the

872

00:36:06,170 --> 00:36:03,720

shower with the water going above your

873

00:36:07,670 --> 00:36:06,180

head and coming down on you if you're in

874

00:36:09,230 --> 00:36:07,680

a vehicle and you're traveling between

875

00:36:10,790 --> 00:36:09,240

that time and space you actually get

876

00:36:11,750 --> 00:36:10,800

more answers because they feel more

877

00:36:13,430 --> 00:36:11,760

secure

878

00:36:15,589 --> 00:36:13,440

that other things aren't listing at the

879

00:36:17,450 --> 00:36:15,599

same time and they said that you know

880

00:36:20,810 --> 00:36:17,460

they were here they were sent here to

881

00:36:22,609 --> 00:36:20,820

watch us and Report however they are

882

00:36:25,730 --> 00:36:22,619

part human there's Humanity involved

883

00:36:27,050 --> 00:36:25,740

they refuse to do so there are certain

884

00:36:31,430 --> 00:36:27,060

et's

885

00:36:34,430 --> 00:36:31,440

that are not good that have come down to

886

00:36:35,210 --> 00:36:34,440

capture our course people to destroy

887

00:36:37,730 --> 00:36:35,220

them

888

00:36:39,710 --> 00:36:37,740

I've actually seen the ship land I've

889

00:36:41,990 --> 00:36:39,720

seen these robot they replace them with

890

00:36:44,690 --> 00:36:42,000

these robotic looking Bigfoots

891

00:36:46,730 --> 00:36:44,700

and I know how incredible it sounds I'm

892

00:36:48,710 --> 00:36:46,740

sorry I can't make it any easier the

893

00:36:51,230 --> 00:36:48,720

truth is the truth I've seen them coming

894

00:36:53,150 --> 00:36:51,240

off their ships they're robotic in

895

00:36:55,430 --> 00:36:53,160

nature they can't mind speak they can't

896

00:36:57,530 --> 00:36:55,440

verbally speak a Sasquatch can speak not

897

00:36:59,930 --> 00:36:57,540

only in their language but in our

898

00:37:01,910 --> 00:36:59,940

language in any language they want yeah

899

00:37:05,390 --> 00:37:01,920

okay I talk to them verbally as well as

900

00:37:07,609 --> 00:37:05,400

I do telepathically these things can't

901
00:37:09,829 --> 00:37:07,619
and they don't have paranormal abilities

902
00:37:12,650 --> 00:37:09,839
but they are lean mean robotic killing

903
00:37:14,270 --> 00:37:12,660
machines and that's what they want is

904
00:37:18,170 --> 00:37:14,280
our guys

905
00:37:20,630 --> 00:37:18,180
so you have those as well to deal with

906
00:37:22,250 --> 00:37:20,640
so and

907
00:37:24,470 --> 00:37:22,260
when you're saying they speak our

908
00:37:27,109 --> 00:37:24,480
language I was telling these guys about

909
00:37:28,970 --> 00:37:27,119
uh there's a woman in Ohio I think she's

910
00:37:31,490 --> 00:37:28,980
down in Southern Ohio and she does the

911
00:37:33,170 --> 00:37:31,500
Bigfoot tours and basically on one of

912
00:37:34,970 --> 00:37:33,180
them she showed up on a Friday instead

913
00:37:37,730 --> 00:37:34,980

of her normal Saturday and they were

914

00:37:39,490 --> 00:37:37,740

upset and they chased they chased her

915

00:37:42,109 --> 00:37:39,500

out of there basically with her group

916

00:37:45,109 --> 00:37:42,119

and in the process of chasing him out of

917

00:37:46,370 --> 00:37:45,119

there they had an asthmatic and she I

918

00:37:47,750 --> 00:37:46,380

don't know if passed out is the right

919

00:37:50,750 --> 00:37:47,760

word but she

920

00:37:52,370 --> 00:37:50,760

she fell to the ground and and she was

921

00:37:55,190 --> 00:37:52,380

having an asthmatic attack as they were

922

00:37:56,990 --> 00:37:55,200

pitching rocks at them on the way to

923

00:37:59,630 --> 00:37:57,000

um on the way to the parking lot you

924

00:38:01,790 --> 00:37:59,640

know to leave and she said to them hey

925

00:38:04,069 --> 00:38:01,800

you know in an accent that's not too

926

00:38:05,450 --> 00:38:04,079

different from yours she said not you

927

00:38:08,089 --> 00:38:05,460

know basically told them knock it off

928

00:38:10,430 --> 00:38:08,099

you know she she could die if you keep

929

00:38:11,990 --> 00:38:10,440

this up she's having a panic attack and

930

00:38:14,450 --> 00:38:12,000

and and she doesn't I don't know if they

931

00:38:16,910 --> 00:38:14,460

had the albuterol puffer but in any case

932

00:38:19,190 --> 00:38:16,920

they were able to calm her down and say

933

00:38:21,050 --> 00:38:19,200

stopped when she said knock it off you

934

00:38:24,349 --> 00:38:21,060

know she's in danger kind of thing

935

00:38:26,690 --> 00:38:24,359

when you picked her up and they started

936

00:38:28,430 --> 00:38:26,700

to walk again because she had regathered

937

00:38:30,770 --> 00:38:28,440

herself they started to throw the Rocks

938

00:38:31,970 --> 00:38:30,780

again so would you can you speak to a

939

00:38:33,829 --> 00:38:31,980

story like that what's going through

940

00:38:35,810 --> 00:38:33,839

their mind

941

00:38:38,630 --> 00:38:35,820

um first of all before I'd like to

942

00:38:41,270 --> 00:38:38,640

address the racks sure because I really

943

00:38:41,870 --> 00:38:41,280

kind of feel like this is important

944

00:38:44,750 --> 00:38:41,880

um

945

00:38:47,450 --> 00:38:44,760

Pat and I get a lot of people that will

946

00:38:49,670 --> 00:38:47,460

contact us with stories of you know we

947

00:38:51,710 --> 00:38:49,680

were terrorized by them we have PTSD

948

00:38:53,450 --> 00:38:51,720

from them and you know we were attacked

949

00:38:54,410 --> 00:38:53,460

and the first thing that we always say

950

00:38:56,150 --> 00:38:54,420

is

951
00:38:57,790 --> 00:38:56,160
did you get physically hurt did they

952
00:39:02,690 --> 00:38:57,800
physically touch you

953
00:39:04,490 --> 00:39:02,700
99.9 of the people say no okay did they

954
00:39:07,609 --> 00:39:04,500
do something did you get zapped most of

955
00:39:09,290 --> 00:39:07,619
them say no what did they do to you

956
00:39:12,829 --> 00:39:09,300
the two things that are the most common

957
00:39:14,150 --> 00:39:12,839
is they are waving their arms at them

958
00:39:16,310 --> 00:39:14,160
okay

959
00:39:18,890 --> 00:39:16,320
in our culture waving your arms in the

960
00:39:21,530 --> 00:39:18,900
military means you're surrendering

961
00:39:24,410 --> 00:39:21,540
okay in their culture it means I'm

962
00:39:26,990 --> 00:39:24,420
letting you know as peacefully as I can

963
00:39:29,750 --> 00:39:27,000

you are now too close

964

00:39:31,190 --> 00:39:29,760

you're walking out into their world they

965

00:39:33,290 --> 00:39:31,200

could have their children they could

966

00:39:35,870 --> 00:39:33,300

have their women they could be out there

967

00:39:38,750 --> 00:39:35,880

hunting they could be doing their own

968

00:39:39,950 --> 00:39:38,760

rituals whatever you're now and you may

969

00:39:41,450 --> 00:39:39,960

not have known you were going to be too

970

00:39:43,849 --> 00:39:41,460

close to them but that's their way of

971

00:39:46,250 --> 00:39:43,859

saying it they can't come up grab your

972

00:39:48,290 --> 00:39:46,260

hand and say listen please leave because

973

00:39:50,390 --> 00:39:48,300

if they do

974

00:39:52,670 --> 00:39:50,400

they're gonna get shot at

975

00:39:55,190 --> 00:39:52,680

our people are horrible we kill what we

976
00:39:57,109 --> 00:39:55,200
don't understand so they've got to have

977
00:40:00,650 --> 00:39:57,119
a method to get across to people when it

978
00:40:03,530 --> 00:40:00,660
comes to the racks the size of the Rock

979
00:40:05,510 --> 00:40:03,540
means volumes when you get these little

980
00:40:07,250 --> 00:40:05,520
tiny itty bitty Pebbles tossed at you

981
00:40:08,810 --> 00:40:07,260
which a lot of people do as they're

982
00:40:10,310 --> 00:40:08,820
walking that's just to say hey we're

983
00:40:11,750 --> 00:40:10,320
here we want you to know that we're out

984
00:40:14,390 --> 00:40:11,760
here with you

985
00:40:16,550 --> 00:40:14,400
you know as they get a little bit bigger

986
00:40:18,109 --> 00:40:16,560
it's you need to leave because you've

987
00:40:19,490 --> 00:40:18,119
gotten Too Close they may have already

988
00:40:20,990 --> 00:40:19,500

given you subtle warnings that you

989

00:40:22,910 --> 00:40:21,000

didn't see because everything they do is

990

00:40:24,410 --> 00:40:22,920

so subtle most of the time

991

00:40:26,030 --> 00:40:24,420

and so now they're doing a little bit

992

00:40:28,010 --> 00:40:26,040

bigger Rock and they're this is your to

993

00:40:30,530 --> 00:40:28,020

get your attention and say hey we don't

994

00:40:32,390 --> 00:40:30,540

want an altercation we just want you to

995

00:40:34,910 --> 00:40:32,400

back off

996

00:40:36,410 --> 00:40:34,920

that's not an attack if they're going to

997

00:40:38,089 --> 00:40:36,420

attack you with a rock you're looking at

998

00:40:40,790 --> 00:40:38,099

one you can barely lift and their

999

00:40:43,190 --> 00:40:40,800

accuracy is impeccable they do not miss

1000

00:40:45,349 --> 00:40:43,200

if they are tossing a rocket units

1001
00:40:47,750 --> 00:40:45,359
Landing three foot over or ahead of you

1002
00:40:50,089 --> 00:40:47,760
or behind you it's just warning you that

1003
00:40:52,310 --> 00:40:50,099
you need to leave if they want to hit

1004
00:40:54,710 --> 00:40:52,320
you you there's no place on Heavens or

1005
00:40:57,710 --> 00:40:54,720
Earth that you can go

1006
00:40:59,329 --> 00:40:57,720
I agree 100 I have a great question but

1007
00:41:01,190 --> 00:40:59,339
I'm passing it to money Nathan I'm Gonna

1008
00:41:02,089 --> 00:41:01,200
Save this one for when I come back

1009
00:41:05,089 --> 00:41:02,099
around

1010
00:41:06,650 --> 00:41:05,099
it's it's so fascinating so um I'll ask

1011
00:41:09,170 --> 00:41:06,660
a question that kind of comes up in the

1012
00:41:11,089 --> 00:41:09,180
UFO community and and certainly one that

1013
00:41:14,089 --> 00:41:11,099

you're not unaccustomed to hearing but

1014

00:41:16,550 --> 00:41:14,099

what um

1015

00:41:18,050 --> 00:41:16,560

what are the big cases uh in in

1016

00:41:20,150 --> 00:41:18,060

Sasquatch in the Sasquatch community

1017

00:41:23,329 --> 00:41:20,160

that everyone kind of points to is the

1018

00:41:26,270 --> 00:41:23,339

you know the classic cases that that if

1019

00:41:28,310 --> 00:41:26,280

you were to start someone out and uh you

1020

00:41:30,890 --> 00:41:28,320

know kind of get them interested in this

1021

00:41:33,470 --> 00:41:30,900

topic what what do you point them to in

1022

00:41:35,329 --> 00:41:33,480

the UFO World we've got our sort of

1023

00:41:37,310 --> 00:41:35,339

go-to cases but what are the ones other

1024

00:41:40,130 --> 00:41:37,320

than I guess most folks are familiar

1025

00:41:41,569 --> 00:41:40,140

with the Patterson film but um what are

1026
00:41:44,390 --> 00:41:41,579
some others that you can think of that

1027
00:41:45,650 --> 00:41:44,400
are great to start with

1028
00:41:47,630 --> 00:41:45,660
um I think

1029
00:41:49,609 --> 00:41:47,640
Pat do you know of any offhand that you

1030
00:41:51,050 --> 00:41:49,619
would think would be I don't usually use

1031
00:41:53,870 --> 00:41:51,060
cases

1032
00:41:57,710 --> 00:41:53,880
I talk more about experiences

1033
00:41:59,690 --> 00:41:57,720
Albert Osterman yeah oh yes yeah

1034
00:42:03,710 --> 00:41:59,700
he was uh

1035
00:42:05,270 --> 00:42:03,720
basically uh kidnapped by a uh Bigfoot

1036
00:42:09,710 --> 00:42:05,280
he's carried

1037
00:42:13,670 --> 00:42:09,720
campsite

1038
00:42:17,990 --> 00:42:13,680

and to get away uh well they wanted to I

1039

00:42:20,950 --> 00:42:18,000

guess they got him for the daughter and

1040

00:42:23,390 --> 00:42:20,960

maybe he has a you know companion

1041

00:42:27,410 --> 00:42:23,400

yeah something like that in a Range

1042

00:42:29,270 --> 00:42:27,420

marriage yeah and he got away by

1043

00:42:33,109 --> 00:42:29,280

feeding uh

1044

00:42:36,470 --> 00:42:33,119

the male Bigfoot uh snuff and like skull

1045

00:42:38,569 --> 00:42:36,480

yeah and he like yeah yeah basically the

1046

00:42:42,050 --> 00:42:38,579

whole whole thing and then he drank some

1047

00:42:44,569 --> 00:42:42,060

coffee grounds and that really did

1048

00:42:46,370 --> 00:42:44,579

so that's how he got away that's a good

1049

00:42:48,530 --> 00:42:46,380

story I mean it really is it's a true

1050

00:42:52,910 --> 00:42:48,540

story too Pat he was rescued by

1051
00:42:56,150 --> 00:42:52,920
indigestion basically yes exactly no but

1052
00:43:00,370 --> 00:42:56,160
uh there was DJ there was no volanta

1053
00:43:05,870 --> 00:43:02,930
basically uh Albert Osman was in a

1054
00:43:08,150 --> 00:43:05,880
sleeping bag he was up there hunting and

1055
00:43:10,970 --> 00:43:08,160
they gathered him up in a sleeping bag

1056
00:43:13,790 --> 00:43:10,980
and and carried him off uh but he was

1057
00:43:15,890 --> 00:43:13,800
able to um he was there for I believe he

1058
00:43:17,210 --> 00:43:15,900
said it was the sixth day he finally he

1059
00:43:18,890 --> 00:43:17,220
was kind of figuring out what they were

1060
00:43:21,230 --> 00:43:18,900
doing they were getting comfortable

1061
00:43:23,030 --> 00:43:21,240
around him and that's when he the little

1062
00:43:25,250 --> 00:43:23,040
one messed with the snuff and then when

1063
00:43:27,770 --> 00:43:25,260

he gave the snuff to the father that was

1064

00:43:29,270 --> 00:43:27,780

it man that he started gagging he beat

1065

00:43:32,270 --> 00:43:29,280

feet out of there as quickly as he could

1066

00:43:34,730 --> 00:43:32,280

and and was rescued and did he made an

1067

00:43:37,250 --> 00:43:34,740

affidavit and it was uh he was

1068

00:43:39,650 --> 00:43:37,260

interviewed and it was well in 1920 I

1069

00:43:49,450 --> 00:43:39,660

mean it's not a recent case but it's a

1070

00:43:55,609 --> 00:43:52,010

you know I think though when I go to

1071

00:43:57,770 --> 00:43:55,619

talk to people about this topic I for me

1072

00:43:59,870 --> 00:43:57,780

I start out with the basics

1073

00:44:01,670 --> 00:43:59,880

you know um I start out with the fact

1074

00:44:03,530 --> 00:44:01,680

that these you know to be clear they're

1075

00:44:06,829 --> 00:44:03,540

a type of people

1076

00:44:09,109 --> 00:44:06,839

we are not in any more danger or threat

1077

00:44:11,150 --> 00:44:09,119

from them than you are anybody else uh

1078

00:44:15,349 --> 00:44:11,160

the good ones love deeper and harder

1079

00:44:16,910 --> 00:44:15,359

than we even can comprehend okay the bad

1080

00:44:18,530 --> 00:44:16,920

ones are lethal

1081

00:44:20,030 --> 00:44:18,540

and then you have the group that are

1082

00:44:21,950 --> 00:44:20,040

just crabby and don't want to deal with

1083

00:44:23,510 --> 00:44:21,960

us because we're horrible we've

1084

00:44:25,250 --> 00:44:23,520

destroyed the planet we're destroying

1085

00:44:27,410 --> 00:44:25,260

each other and we try to destroy them

1086

00:44:28,430 --> 00:44:27,420

they don't want anything to do with us I

1087

00:44:32,690 --> 00:44:28,440

don't blame them

1088

00:44:36,050 --> 00:44:32,700

okay so I don't really go and give like

1089

00:44:37,790 --> 00:44:36,060

case studies I do use Kevin Lang's story

1090

00:44:39,770 --> 00:44:37,800

that

1091

00:44:41,329 --> 00:44:39,780

um I was fortunate to meet Kevin who had

1092

00:44:43,670 --> 00:44:41,339

a couple of phone conversations with him

1093

00:44:45,829 --> 00:44:43,680

prior to his death and

1094

00:44:47,450 --> 00:44:45,839

I do use that now and then so that

1095

00:44:49,309 --> 00:44:47,460

people can see that you can have that

1096

00:44:54,950 --> 00:44:49,319

relationship

1097

00:44:57,230 --> 00:44:54,960

were best buddies and it was wonderful

1098

00:44:59,690 --> 00:44:57,240

but at the same time

1099

00:45:01,910 --> 00:44:59,700

I do tell people if you think they're

1100

00:45:04,430 --> 00:45:01,920

all good you need to stay away from them

1101
00:45:05,750 --> 00:45:04,440
because they're not all good but also

1102
00:45:08,089 --> 00:45:05,760
don't live in fear either because

1103
00:45:10,430 --> 00:45:08,099
they're not all bad and then I transfer

1104
00:45:13,490 --> 00:45:10,440
that over to looking at signs to find

1105
00:45:16,069 --> 00:45:13,500
out whether or not

1106
00:45:18,349 --> 00:45:16,079
you are being respectful and they're

1107
00:45:19,970 --> 00:45:18,359
being respectful and how to handle

1108
00:45:22,430 --> 00:45:19,980
yourself and conduct yourself around

1109
00:45:25,910 --> 00:45:22,440
them a lot of the problems have to do

1110
00:45:27,650 --> 00:45:25,920
with not knowing their culture or ours

1111
00:45:30,109 --> 00:45:27,660
they're completely different

1112
00:45:32,329 --> 00:45:30,119
what means things in our world doesn't

1113
00:45:36,290 --> 00:45:32,339

mean it in theirs doesn't change that

1114

00:45:41,630 --> 00:45:38,870

and to to buttress what Robin said the

1115

00:45:45,650 --> 00:45:41,640

other Robin whom I listened to who like

1116

00:45:48,410 --> 00:45:45,660

Robin McRae did um about three or four

1117

00:45:52,250 --> 00:45:48,420

episodes with Vic condiff and she was

1118

00:45:55,670 --> 00:45:52,260

the uh Montana homeowner who was in

1119

00:45:58,210 --> 00:45:55,680

terrible fear uh in her home when she

1120

00:46:00,770 --> 00:45:58,220

moved in there and they were you know

1121

00:46:02,510 --> 00:46:00,780

just knocking on the house or coming up

1122

00:46:04,849 --> 00:46:02,520

to the daughter's window when she went

1123

00:46:07,250 --> 00:46:04,859

out there and she spoke with them and

1124

00:46:09,290 --> 00:46:07,260

had literally like a Frank conversation

1125

00:46:11,450 --> 00:46:09,300

at the edge of her property so she

1126

00:46:14,210 --> 00:46:11,460

doesn't see them she's just talking to

1127

00:46:15,770 --> 00:46:14,220

the woods in there you know she said all

1128

00:46:18,710 --> 00:46:15,780

of a sudden

1129

00:46:21,230 --> 00:46:18,720

a calm came over her and the fear was

1130

00:46:23,150 --> 00:46:21,240

gone and what it resulted in after a

1131

00:46:25,670 --> 00:46:23,160

period of of years where she got

1132

00:46:27,050 --> 00:46:25,680

comfortable where she set boundaries for

1133

00:46:28,490 --> 00:46:27,060

them

1134

00:46:30,589 --> 00:46:28,500

um I guess obviously they have

1135

00:46:32,030 --> 00:46:30,599

boundaries as well but she sets and

1136

00:46:33,609 --> 00:46:32,040

boundaries of what she was comfortable

1137

00:46:36,770 --> 00:46:33,619

with being out there with her daughter

1138

00:46:38,150 --> 00:46:36,780

and uh she said now the feeling of to

1139

00:46:40,550 --> 00:46:38,160

and this is the part that's butcherson

1140

00:46:43,010 --> 00:46:40,560

what Robin said

1141

00:46:46,130 --> 00:46:43,020

the feeling of love that she had from

1142

00:46:49,870 --> 00:46:46,140

them she said was as powerful that she

1143

00:46:53,450 --> 00:46:49,880

was you know difficult uh to to to

1144

00:46:55,370 --> 00:46:53,460

uh explain how how the feeling of love

1145

00:46:56,930 --> 00:46:55,380

that they gave her in security and they

1146

00:46:58,730 --> 00:46:56,940

watched over her home and her daughter

1147

00:46:59,930 --> 00:46:58,740

and all that so that's all I wanted to

1148

00:47:01,550 --> 00:46:59,940

say about that

1149

00:47:03,829 --> 00:47:01,560

well it's Deb's turn now when you're

1150

00:47:05,750 --> 00:47:03,839

done yeah it's that's based on mutual

1151
00:47:07,790 --> 00:47:05,760
respect

1152
00:47:10,910 --> 00:47:07,800
you know if you can't give the show them

1153
00:47:13,550 --> 00:47:10,920
respect then don't expect it back

1154
00:47:15,890 --> 00:47:13,560
right yeah the homeowners that are

1155
00:47:18,410 --> 00:47:15,900
having trouble where

1156
00:47:20,809 --> 00:47:18,420
um you know where some of the Bigfoot

1157
00:47:22,430 --> 00:47:20,819
investigators probably not ones that are

1158
00:47:24,589 --> 00:47:22,440
communicating like Robin will come and

1159
00:47:26,630 --> 00:47:24,599
say you know what um you went and you

1160
00:47:29,210 --> 00:47:26,640
shot at them a number of times or

1161
00:47:31,790 --> 00:47:29,220
somebody in a past property owner killed

1162
00:47:33,530 --> 00:47:31,800
one you should sell this place for about

1163
00:47:35,870 --> 00:47:33,540

what you bought it for which was next to

1164

00:47:37,910 --> 00:47:35,880

nothing and leave because I don't yeah

1165

00:47:40,250 --> 00:47:37,920

they're not going to like you know you

1166

00:47:41,569 --> 00:47:40,260

killed one of the not you but the prior

1167

00:47:44,030 --> 00:47:41,579

owner killed one of them that's what I

1168

00:47:47,210 --> 00:47:44,040

heard about well yeah

1169

00:47:49,430 --> 00:47:47,220

yeah and it's like they adore Pat goes

1170

00:47:50,990 --> 00:47:49,440

out there he talks to them you know he's

1171

00:47:53,030 --> 00:47:51,000

he's a very kind-hearted person anyway

1172

00:47:56,470 --> 00:47:53,040

but he talks to them he communicates

1173

00:48:00,349 --> 00:47:56,480

with them he shows them the respect

1174

00:48:01,550 --> 00:48:00,359

and it I did see somebody that said that

1175

00:48:04,430 --> 00:48:01,560

you know

1176

00:48:05,809 --> 00:48:04,440

they thought they were supposed to you

1177

00:48:08,809 --> 00:48:05,819

know like bow down to them or whatever

1178

00:48:10,910 --> 00:48:08,819

don't you don't do that everybody has

1179

00:48:12,950 --> 00:48:10,920

their free will but you have a mutual

1180

00:48:15,410 --> 00:48:12,960

respect and when you walk out your front

1181

00:48:17,270 --> 00:48:15,420

door you're now in their world

1182

00:48:19,010 --> 00:48:17,280

how would you feel if somebody kicked

1183

00:48:20,210 --> 00:48:19,020

open your front door walked in your

1184

00:48:22,010 --> 00:48:20,220

house and you're sitting there with your

1185

00:48:23,990 --> 00:48:22,020

family and your kids or your grandkids

1186

00:48:25,970 --> 00:48:24,000

what would you not do to protect them

1187

00:48:26,990 --> 00:48:25,980

yeah they're crucified for doing the

1188

00:48:30,650 --> 00:48:27,000

same thing

1189

00:48:32,390 --> 00:48:30,660

you're right it makes complete sense uh

1190

00:48:34,490 --> 00:48:32,400

because when you head out into the

1191

00:48:35,809 --> 00:48:34,500

forest and you're passing by some of

1192

00:48:38,030 --> 00:48:35,819

these structures which is going to be

1193

00:48:39,710 --> 00:48:38,040

the the Crux of my question that we're

1194

00:48:41,089 --> 00:48:39,720

not going to do yet

1195

00:48:43,309 --> 00:48:41,099

um you're passing into the living room

1196

00:48:46,430 --> 00:48:43,319

but Debs go ahead my friend and then

1197

00:48:49,069 --> 00:48:46,440

I'll get to mine okay so I have read

1198

00:48:52,190 --> 00:48:49,079

some already six killer Clerk and some

1199

00:48:54,530 --> 00:48:52,200

of the Mayan people informed her that

1200

00:48:57,170 --> 00:48:54,540

they were actually

1201

00:48:59,390 --> 00:48:57,180

um star people that it wasn't that they

1202

00:49:00,710 --> 00:48:59,400

were ancestors of Tsar people or

1203

00:49:02,750 --> 00:49:00,720

anything like that they were the star

1204

00:49:05,390 --> 00:49:02,760

people that they got you know brought

1205

00:49:07,730 --> 00:49:05,400

here and that's where their Origins are

1206

00:49:09,230 --> 00:49:07,740

and the reason I mention this is because

1207

00:49:11,770 --> 00:49:09,240

some people have mentioned that the

1208

00:49:15,050 --> 00:49:11,780

language of Bigfoot is similar to Navajo

1209

00:49:17,750 --> 00:49:15,060

and I was wondering if there is um a

1210

00:49:19,670 --> 00:49:17,760

connection there that perhaps people are

1211

00:49:22,910 --> 00:49:19,680

missing

1212

00:49:28,309 --> 00:49:22,920

babe do you want this one or get me two

1213

00:49:30,650 --> 00:49:28,319

uh okay you have to realize that Native

1214

00:49:32,990 --> 00:49:30,660

Americans are spread all over the world

1215

00:49:34,730 --> 00:49:33,000

okay you have all these different First

1216

00:49:37,370 --> 00:49:34,740

Nation tribes

1217

00:49:38,750 --> 00:49:37,380

wherever the forest people may have

1218

00:49:41,750 --> 00:49:38,760

resided

1219

00:49:44,450 --> 00:49:41,760

at one point in time that's the tribe

1220

00:49:46,370 --> 00:49:44,460

that they're going to relate to so do I

1221

00:49:47,170 --> 00:49:46,380

think that some use the Navajo weighs

1222

00:49:50,750 --> 00:49:47,180

100

1223

00:49:52,250 --> 00:49:50,760

absolutely I lived in Michigan Pat and I

1224

00:49:53,569 --> 00:49:52,260

did for a while and the group that I

1225

00:49:56,870 --> 00:49:53,579

interacted with

1226

00:49:59,569 --> 00:49:56,880

were on Ojibwe land

1227

00:50:02,809 --> 00:49:59,579

so you have that they also seem to

1228

00:50:07,010 --> 00:50:02,819

relate a lot to like the Sanskrit

1229

00:50:09,770 --> 00:50:07,020

wow but again you they used to

1230

00:50:12,829 --> 00:50:09,780

hundreds of years ago they interacted

1231

00:50:14,510 --> 00:50:12,839

freely with not all First Nations but

1232

00:50:16,490 --> 00:50:14,520

some there were some they didn't get

1233

00:50:18,050 --> 00:50:16,500

along with at all I mean their stories

1234

00:50:20,630 --> 00:50:18,060

back in history where they used to steal

1235

00:50:21,829 --> 00:50:20,640

each other's kids which you know I don't

1236

00:50:25,790 --> 00:50:21,839

know if that's true or not I wasn't

1237

00:50:27,589 --> 00:50:25,800

there but again they're individuals they

1238

00:50:29,990 --> 00:50:27,599

are different people if when you look at

1239

00:50:32,030 --> 00:50:30,000

our people you have gangs that are

1240

00:50:34,250 --> 00:50:32,040

terrorizing people you have murderers

1241

00:50:36,530 --> 00:50:34,260

rapists pedophiles all of these things

1242

00:50:39,290 --> 00:50:36,540

they have the same issues

1243

00:50:42,349 --> 00:50:39,300

you know a lot of the First Nations that

1244

00:50:43,430 --> 00:50:42,359

I have spoken to got along well with

1245

00:50:44,990 --> 00:50:43,440

them

1246

00:50:47,270 --> 00:50:45,000

but each

1247

00:50:48,770 --> 00:50:47,280

First Nations tribe is different in

1248

00:50:53,809 --> 00:50:48,780

their relationship

1249

00:50:56,030 --> 00:50:53,819

depending on that particular tribe

1250

00:50:58,309 --> 00:50:56,040

yeah I think Arla Williams fellow mine

1251
00:51:01,130 --> 00:50:58,319
speaker like Robin famous lady from

1252
00:51:03,650 --> 00:51:01,140
Oklahoma like you that that has done

1253
00:51:05,630 --> 00:51:03,660
many conferences in the past said uh

1254
00:51:07,309 --> 00:51:05,640
that speaking Cherokee that people have

1255
00:51:10,910 --> 00:51:07,319
said no those words are definitely

1256
00:51:13,430 --> 00:51:10,920
Cherokee that uh that either her mother

1257
00:51:15,530 --> 00:51:13,440
spoke with them or something so

1258
00:51:17,270 --> 00:51:15,540
um yeah I've heard that from from many

1259
00:51:19,370 --> 00:51:17,280
people

1260
00:51:21,890 --> 00:51:19,380
um I think Nathan is it your turn am I

1261
00:51:25,250 --> 00:51:21,900
it's my turn I think it's my turn Okay

1262
00:51:27,410 --> 00:51:25,260
Robin this one you were and Pat actually

1263
00:51:30,530 --> 00:51:27,420

are very well placed to answer this one

1264

00:51:34,490 --> 00:51:30,540

because it's the subject of

1265

00:51:36,890 --> 00:51:34,500

a lot of mystery around the Bigfoot

1266

00:51:39,890 --> 00:51:36,900

World investigative world

1267

00:51:43,849 --> 00:51:39,900

is the forest structures they are

1268

00:51:45,230 --> 00:51:43,859

beautiful they are cool as hell they are

1269

00:51:47,630 --> 00:51:45,240

intricate

1270

00:51:49,430 --> 00:51:47,640

and that's what I'm going to be doing by

1271

00:51:51,170 --> 00:51:49,440

the way this weekend I'm going to

1272

00:51:54,650 --> 00:51:51,180

Central Florida to go out with their

1273

00:51:57,230 --> 00:51:54,660

group and I am going to ask you if it's

1274

00:51:59,270 --> 00:51:57,240

okay if I'm confronted with the skunk

1275

00:52:01,309 --> 00:51:59,280

ape if I can mention your name drop your

1276

00:52:03,290 --> 00:52:01,319

name or Pat's name and maybe I don't

1277

00:52:06,410 --> 00:52:03,300

know if it'll help but yeah I'll try

1278

00:52:09,290 --> 00:52:06,420

that okay it couldn't hurt certainly but

1279

00:52:11,569 --> 00:52:09,300

um what can you tell us what some of

1280

00:52:16,990 --> 00:52:11,579

these structures mean if you've had that

1281

00:52:21,710 --> 00:52:19,970

well I think a lot of the structures

1282

00:52:24,470 --> 00:52:21,720

people think

1283

00:52:30,530 --> 00:52:27,950

it's a communication for example

1284

00:52:32,030 --> 00:52:30,540

so the communication between

1285

00:52:34,730 --> 00:52:32,040

Bigfoot

1286

00:52:37,430 --> 00:52:34,740

okay for example you'll get the drop

1287

00:52:39,410 --> 00:52:37,440

tile Okay so

1288

00:52:41,089 --> 00:52:39,420

you know you'll know how many they'll

1289

00:52:44,690 --> 00:52:41,099

know how many people have

1290

00:52:47,030 --> 00:52:44,700

passed by so what they'll do is you got

1291

00:52:49,609 --> 00:52:47,040

the mom the dads they'll be

1292

00:52:51,589 --> 00:52:49,619

sick and the baby could be a small stick

1293

00:52:53,890 --> 00:52:51,599

so they'll drop those and on the drop

1294

00:52:57,770 --> 00:52:53,900

pile that's what I know

1295

00:52:58,849 --> 00:52:57,780

and you know the X's I think an x on the

1296

00:53:04,450 --> 00:52:58,859

ground

1297

00:53:11,990 --> 00:53:06,650

yeah it's a welcome

1298

00:53:14,630 --> 00:53:12,000

and we had uh one of our pigs why don't

1299

00:53:18,589 --> 00:53:14,640

you tell that about Elliot no go ahead

1300

00:53:20,850 --> 00:53:18,599

well anyway he got away and then they

1301
00:53:21,770 --> 00:53:20,860
put they put sticks on the ground

1302
00:53:22,549 --> 00:53:21,780
[Music]

1303
00:53:29,630 --> 00:53:22,559
to

1304
00:53:32,770 --> 00:53:29,640
um the garage

1305
00:53:38,150 --> 00:53:35,450
it's they they like some of the

1306
00:53:41,150 --> 00:53:38,160
structures so it's like a a nursery

1307
00:53:42,770 --> 00:53:41,160
they'll put the infants inside some of

1308
00:53:44,089 --> 00:53:42,780
the structures while they go hunting and

1309
00:53:47,390 --> 00:53:44,099
stuff like that

1310
00:53:52,970 --> 00:53:49,250
I mean we don't know I don't know

1311
00:53:55,670 --> 00:53:52,980
everything about the structures but I do

1312
00:53:58,190 --> 00:53:55,680
not know about the draft tile and stuff

1313
00:53:59,809 --> 00:53:58,200

like that I'm sure Robin knows a little

1314

00:54:00,890 --> 00:53:59,819

bit more about it

1315

00:54:02,930 --> 00:54:00,900

right

1316

00:54:05,569 --> 00:54:02,940

Robin have have they talked to you about

1317

00:54:07,730 --> 00:54:05,579

like when they they bend the bowels and

1318

00:54:09,710 --> 00:54:07,740

they stick them into the ground yeah you

1319

00:54:10,549 --> 00:54:09,720

know there's several things to do with

1320

00:54:12,049 --> 00:54:10,559

that

1321

00:54:13,430 --> 00:54:12,059

um when they're doing the bowels they do

1322

00:54:15,950 --> 00:54:13,440

it for various reasons they can use them

1323

00:54:18,109 --> 00:54:15,960

as directionals some of them will use

1324

00:54:20,510 --> 00:54:18,119

them the females will bend them and

1325

00:54:21,650 --> 00:54:20,520

they'll actually urinate and not the

1326

00:54:24,049 --> 00:54:21,660

base of it

1327

00:54:25,370 --> 00:54:24,059

that dog you guys I'm so sorry I'm

1328

00:54:26,890 --> 00:54:25,380

mortified

1329

00:54:29,870 --> 00:54:26,900

um

1330

00:54:31,609 --> 00:54:29,880

yeah he's just a baby and he's like

1331

00:54:34,970 --> 00:54:31,619

having a fit because Mom and Dad are

1332

00:54:37,309 --> 00:54:34,980

both busy yeah but he's gotten they will

1333

00:54:38,930 --> 00:54:37,319

take the arch and at the top of the arch

1334

00:54:41,270 --> 00:54:38,940

where it's down not the base in the

1335

00:54:42,950 --> 00:54:41,280

ground but they always anchor it where

1336

00:54:45,650 --> 00:54:42,960

they anchor it the females will actually

1337

00:54:54,490 --> 00:54:45,660

urinate on that so the guys know which

1338

00:54:58,370 --> 00:54:56,870

but you'll see one where an arch will go

1339

00:55:00,349 --> 00:54:58,380

one way then another one will go another

1340

00:55:01,970 --> 00:55:00,359

way that's because two have passed that

1341

00:55:04,549 --> 00:55:01,980

way one has gone one way one's gone

1342

00:55:07,010 --> 00:55:04,559

another way they used to when I lived in

1343

00:55:08,530 --> 00:55:07,020

Michigan I lived on this one property it

1344

00:55:11,329 --> 00:55:08,540

was prior to Pat and I getting together

1345

00:55:12,650 --> 00:55:11,339

and we had oh my gosh almost 60

1346

00:55:14,450 --> 00:55:12,660

different individuals that would come

1347

00:55:16,250 --> 00:55:14,460

through there they know they would walk

1348

00:55:17,809 --> 00:55:16,260

around uncloaked all day it was like a

1349

00:55:19,670 --> 00:55:17,819

freak Zone I mean everybody just did

1350

00:55:21,230 --> 00:55:19,680

what they wanted to do they would come

1351
00:55:22,490 --> 00:55:21,240
up to the house knock on my window at

1352
00:55:24,530 --> 00:55:22,500
two o'clock in the morning I'd go out

1353
00:55:28,130 --> 00:55:24,540
and sit in the woods with them uh just

1354
00:55:31,549 --> 00:55:28,140
FYI people not a great idea go out and

1355
00:55:34,849 --> 00:55:31,559
you I mean I never had a problem but my

1356
00:55:37,069 --> 00:55:34,859
group was extremely kind and

1357
00:55:38,750 --> 00:55:37,079
it got to the point where so many were

1358
00:55:40,309 --> 00:55:38,760
coming out there with me at one time I

1359
00:55:42,410 --> 00:55:40,319
finally pulled my head out of my rear

1360
00:55:44,089 --> 00:55:42,420
end and said listen this isn't a safe

1361
00:55:45,890 --> 00:55:44,099
situation if they wanted to do something

1362
00:55:47,809 --> 00:55:45,900
I'm out in the dark I don't have a

1363
00:55:49,630 --> 00:55:47,819

flashlight you know I'm sitting out here

1364

00:55:52,010 --> 00:55:49,640

in my pajamas because they wanted me out

1365

00:55:53,390 --> 00:55:52,020

and so I just started sitting on the

1366

00:55:54,829 --> 00:55:53,400

porch you don't ever want to be where

1367

00:55:57,710 --> 00:55:54,839

you're cut off

1368

00:55:59,870 --> 00:55:57,720

because your your clan might be

1369

00:56:01,849 --> 00:55:59,880

wonderful and kind but you could get a

1370

00:56:04,370 --> 00:56:01,859

rogue that comes through there just like

1371

00:56:06,710 --> 00:56:04,380

when you're out walking by yourself even

1372

00:56:09,049 --> 00:56:06,720

if you're out taking a hike by yourself

1373

00:56:10,670 --> 00:56:09,059

you don't know what crazy person's out

1374

00:56:13,730 --> 00:56:10,680

there right

1375

00:56:15,410 --> 00:56:13,740

you know so it becomes a situation

1376

00:56:17,569 --> 00:56:15,420

I think I think that's really

1377

00:56:20,390 --> 00:56:17,579

interesting to point out to the to

1378

00:56:22,490 --> 00:56:20,400

everybody that's listening right now

1379

00:56:25,250 --> 00:56:22,500

um that you're talking to somebody who

1380

00:56:27,710 --> 00:56:25,260

has an ongoing communication with these

1381

00:56:29,270 --> 00:56:27,720

beings with these peoples if you will

1382

00:56:33,650 --> 00:56:29,280

and

1383

00:56:36,170 --> 00:56:33,660

um she's saying that there could be an

1384

00:56:38,630 --> 00:56:36,180

element of danger when you're too close

1385

00:56:40,370 --> 00:56:38,640

and you don't you're you know as she

1386

00:56:42,710 --> 00:56:40,380

said you don't have an Escape Route so I

1387

00:56:47,030 --> 00:56:42,720

think that's something everybody should

1388

00:56:50,510 --> 00:56:47,040

uh be aware of no matter how not

1389

00:56:53,390 --> 00:56:50,520

dangerous you think they are so yeah and

1390

00:56:56,150 --> 00:56:53,400

yeah go ahead

1391

00:56:58,069 --> 00:56:56,160

the next time you guys go out

1392

00:56:59,270 --> 00:56:58,079

and

1393

00:57:03,069 --> 00:56:59,280

you

1394

00:57:07,370 --> 00:57:03,079

It's usually the Arches and stuff

1395

00:57:09,890 --> 00:57:07,380

go ahead and stick your hands underneath

1396

00:57:12,770 --> 00:57:09,900

it you know I actually feel the energy

1397

00:57:15,950 --> 00:57:12,780

coming out of you it'll be a pulsating

1398

00:57:18,470 --> 00:57:15,960

alternating energy in your field wow I

1399

00:57:21,109 --> 00:57:18,480

will it's the truth if we see him this

1400

00:57:23,690 --> 00:57:21,119

weekend because the place I'm going just

1401
00:57:26,210 --> 00:57:23,700
for you know the audience I think Nathan

1402
00:57:28,549 --> 00:57:26,220
and Debs already know what I'm doing but

1403
00:57:30,470 --> 00:57:28,559
um we have our own like uh research

1404
00:57:31,910 --> 00:57:30,480
group here that we've just started

1405
00:57:35,690 --> 00:57:31,920
there's four guys up here in Northwest

1406
00:57:38,450 --> 00:57:35,700
Florida that I spoke with Pat Pam esper

1407
00:57:40,910 --> 00:57:38,460
of the Central Florida Bigfoot research

1408
00:57:43,490 --> 00:57:40,920
group they have a great group and the

1409
00:57:45,589 --> 00:57:43,500
Ocala National Forest apparently is the

1410
00:57:47,750 --> 00:57:45,599
hotbed of Florida in terms of Bigfoot

1411
00:57:49,490 --> 00:57:47,760
because they have the biggest forest so

1412
00:57:51,950 --> 00:57:49,500
they've invited me to come out with them

1413
00:57:53,870 --> 00:57:51,960

and so this will be my first weekend out

1414

00:57:55,250 --> 00:57:53,880

with like real researchers that know

1415

00:57:57,589 --> 00:57:55,260

what they're doing and not just one

1416

00:57:59,210 --> 00:57:57,599

Meathead and you know three guys that

1417

00:58:02,150 --> 00:57:59,220

have no idea what they're doing

1418

00:58:03,950 --> 00:58:02,160

well for example if if you know a

1419

00:58:08,030 --> 00:58:03,960

groundiness you go out and you can pull

1420

00:58:10,670 --> 00:58:08,040

energy from the earth well all these

1421

00:58:12,910 --> 00:58:10,680

structures and some of them

1422

00:58:15,950 --> 00:58:12,920

they're still connected to the ground

1423

00:58:18,950 --> 00:58:15,960

and then the structures are actually

1424

00:58:23,150 --> 00:58:18,960

pulling energy from the Earth

1425

00:58:25,490 --> 00:58:23,160

and you know people the Earth isn't dead

1426

00:58:27,829 --> 00:58:25,500

it's full of energy and then the

1427

00:58:30,230 --> 00:58:27,839

bigfooter tapping that energy with

1428

00:58:32,990 --> 00:58:30,240

structures that they have

1429

00:58:36,109 --> 00:58:33,000

I'm going to tell you a very quick story

1430

00:58:39,349 --> 00:58:36,119

if I might please about these little

1431

00:58:41,450 --> 00:58:39,359

ground exits okay at one point in time

1432

00:58:44,030 --> 00:58:41,460

when I lived at that place where they

1433

00:58:47,030 --> 00:58:44,040

walked around all the time

1434

00:58:48,890 --> 00:58:47,040

it was a double wide trailer and it had

1435

00:58:50,809 --> 00:58:48,900

skirting on it and they were tearing

1436

00:58:52,130 --> 00:58:50,819

they had taken all the skirting out from

1437

00:58:53,510 --> 00:58:52,140

under my bedroom because they would go

1438

00:58:55,490 --> 00:58:53,520

under the floor at night and knock on

1439

00:58:56,569 --> 00:58:55,500

the floor so I would knock back I mean

1440

00:58:59,210 --> 00:58:56,579

it was a game

1441

00:59:01,010 --> 00:58:59,220

but on the end of it they had pulled the

1442

00:59:03,410 --> 00:59:01,020

skirting back and they would go under it

1443

00:59:05,809 --> 00:59:03,420

to play Under the trailer the kids would

1444

00:59:07,549 --> 00:59:05,819

well I lived in Michigan Michigan

1445

00:59:10,309 --> 00:59:07,559

winners you don't want air going under

1446

00:59:12,049 --> 00:59:10,319

your trailer increasing the pipe so I

1447

00:59:14,630 --> 00:59:12,059

would go out there and I would re-tack

1448

00:59:16,549 --> 00:59:14,640

up that end because that was the

1449

00:59:18,829 --> 00:59:16,559

direction the wind came and then by the

1450

00:59:20,930 --> 00:59:18,839

next morning it was torn down again I

1451

00:59:22,849 --> 00:59:20,940

begged I pleaded I stamped my feet they

1452

00:59:24,530 --> 00:59:22,859

didn't care they did it anyway and I

1453

00:59:26,450 --> 00:59:24,540

thought fine you guys use stick

1454

00:59:28,450 --> 00:59:26,460

structures for communication I am going

1455

00:59:32,089 --> 00:59:28,460

to go to your level now

1456

00:59:34,970 --> 00:59:32,099

and I you know X's the upright X's that

1457

00:59:36,589 --> 00:59:34,980

means stay out so I assumed all X's

1458

00:59:39,349 --> 00:59:36,599

meant stay out when you have a regular

1459

00:59:40,250 --> 00:59:39,359

action day out when you have an X that

1460

00:59:42,410 --> 00:59:40,260

has

1461

00:59:45,170 --> 00:59:42,420

posts on either side that's not only

1462

00:59:47,150 --> 00:59:45,180

stay out they're marking territory so

1463

00:59:49,130 --> 00:59:47,160

I'm going to put an x on the ground

1464

00:59:51,530 --> 00:59:49,140

outside of this in their language and

1465

00:59:53,870 --> 00:59:51,540

they're going to stay out of it okay I

1466

00:59:55,730 --> 00:59:53,880

tack it up I put the ground x on it I'm

1467

00:59:57,710 --> 00:59:55,740

sleeping that night it was like Mardi

1468

01:00:00,049 --> 00:59:57,720

Gras under my house

1469

01:00:02,450 --> 01:00:00,059

I mean the whole thing was just rocking

1470

01:00:04,309 --> 01:00:02,460

and I thought what is going on I went

1471

01:00:06,049 --> 01:00:04,319

out there the next morning and I was

1472

01:00:08,630 --> 01:00:06,059

just livid they had tore it all apart

1473

01:00:09,770 --> 01:00:08,640

tore the whole siding off that side I

1474

01:00:11,630 --> 01:00:09,780

mean I don't know how many of them were

1475

01:00:13,789 --> 01:00:11,640

doing the belly crawl under there

1476

01:00:15,530 --> 01:00:13,799

and I was just so mad I went out in the

1477

01:00:17,390 --> 01:00:15,540

woods and I'm just chewing their butt

1478

01:00:20,569 --> 01:00:17,400

you know the mom voice worked in every

1479

01:00:22,130 --> 01:00:20,579

species and all I hear is nothing but

1480

01:00:25,309 --> 01:00:22,140

laughter

1481

01:00:27,589 --> 01:00:25,319

just they're all laughing so I said okay

1482

01:00:29,809 --> 01:00:27,599

I want to know what's so funny and one

1483

01:00:31,609 --> 01:00:29,819

that I'm extremely close to said and

1484

01:00:33,650 --> 01:00:31,619

they call me mom because they heard my

1485

01:00:35,870 --> 01:00:33,660

kids call me Mom all the time right I

1486

01:00:40,130 --> 01:00:35,880

have a tribal name and then they call me

1487

01:00:44,470 --> 01:00:40,140

Mom and he's like you invited them in

1488

01:00:49,910 --> 01:00:47,089

I'm like you couldn't have told me that

1489

01:00:52,730 --> 01:00:49,920

the night before he said everything is a

1490

01:00:54,890 --> 01:00:52,740

learned lesson like oh

1491

01:00:56,329 --> 01:00:54,900

yeah we got to get you one of those the

1492

01:00:58,849 --> 01:00:56,339

Bigfoot Language course I don't know is

1493

01:01:00,890 --> 01:00:58,859

that available Nathan on Babel I gotta

1494

01:01:02,210 --> 01:01:00,900

check oh yeah I think it's on Duolingo

1495

01:01:03,349 --> 01:01:02,220

yeah yeah

1496

01:01:04,069 --> 01:01:03,359

I love it

1497

01:01:06,049 --> 01:01:04,079

love it

1498

01:01:08,450 --> 01:01:06,059

um Robin you said they speak Sanskrit so

1499

01:01:10,490 --> 01:01:08,460

I mean the most obvious question that

1500

01:01:13,069 --> 01:01:10,500

the the cast here knows I'm thinking

1501
01:01:15,770 --> 01:01:13,079
since I'm a yoga teacher is I'm thinking

1502
01:01:19,069 --> 01:01:15,780
of a Bigfoot yoga practice which I can

1503
01:01:21,069 --> 01:01:19,079
do completely in Sanskrit so

1504
01:01:23,390 --> 01:01:21,079
um

1505
01:01:25,430 --> 01:01:23,400
yeah I would be willing to teach a class

1506
01:01:27,230 --> 01:01:25,440
for any group of Bigfoot that's out

1507
01:01:28,849 --> 01:01:27,240
there be they Robbins friends Pats

1508
01:01:30,650 --> 01:01:28,859
friends or otherwise

1509
01:01:33,710 --> 01:01:30,660
um I would love to teach you guys a yoga

1510
01:01:36,370 --> 01:01:33,720
class uh and hopefully not be you know

1511
01:01:39,890 --> 01:01:36,380
used as some sort of a volleyball

1512
01:01:42,950 --> 01:01:39,900
anyway uh we're about out of time here

1513
01:01:47,210 --> 01:01:42,960

but we'll get our last questions in uh

1514

01:01:50,150 --> 01:01:47,220

for Nathan and dubs sounds great so uh

1515

01:01:52,130 --> 01:01:50,160

so yeah I'm just curious we um on the

1516

01:01:53,450 --> 01:01:52,140

UFO side again we we struggle with this

1517

01:01:55,670 --> 01:01:53,460

issue and that's the issue of evidence

1518

01:01:57,530 --> 01:01:55,680

and we live in a materialist World a

1519

01:01:59,030 --> 01:01:57,540

physical materialist World we're always

1520

01:02:00,710 --> 01:01:59,040

looking for photos we're looking for

1521

01:02:02,630 --> 01:02:00,720

videos we're looking and for whatever

1522

01:02:05,030 --> 01:02:02,640

reason no matter how many eyewitness

1523

01:02:06,410 --> 01:02:05,040

testimonies we have even though we rely

1524

01:02:08,450 --> 01:02:06,420

on that very heavily in certain

1525

01:02:09,890 --> 01:02:08,460

circumstances in our culture they don't

1526

01:02:12,589 --> 01:02:09,900

seem to be good enough when it comes to

1527

01:02:14,030 --> 01:02:12,599

these kinds of experiences so what's

1528

01:02:15,589 --> 01:02:14,040

your response to folks that are that

1529

01:02:18,650 --> 01:02:15,599

would say you know hearing what you said

1530

01:02:20,990 --> 01:02:18,660

to us tonight you know

1531

01:02:22,849 --> 01:02:21,000

where is that Crystal Clear video or

1532

01:02:24,650 --> 01:02:22,859

Crystal Clear photo of the beings you

1533

01:02:26,930 --> 01:02:24,660

know because people want to be I think

1534

01:02:29,390 --> 01:02:26,940

people mostly want to be convinced that

1535

01:02:30,770 --> 01:02:29,400

this is real but because we again we

1536

01:02:32,030 --> 01:02:30,780

live in a culture that needs to see

1537

01:02:34,190 --> 01:02:32,040

something I don't know what it is

1538

01:02:36,289 --> 01:02:34,200

exactly because well

1539

01:02:37,849 --> 01:02:36,299

to begin with we get a lot of UFO

1540

01:02:40,069 --> 01:02:37,859

activity

1541

01:02:42,470 --> 01:02:40,079

um Pat and I have both been abducted

1542

01:02:45,410 --> 01:02:42,480

we have both been injured we've also

1543

01:02:48,289 --> 01:02:45,420

been in contact with good ones as well

1544

01:02:52,430 --> 01:02:48,299

and if you again go to world Bigfoot

1545

01:02:55,910 --> 01:02:52,440

radio there is a beautiful video of a

1546

01:02:58,250 --> 01:02:55,920

UFO that actually separates and turns

1547

01:02:59,210 --> 01:02:58,260

into two that was taken from my front

1548

01:03:02,210 --> 01:02:59,220

porch

1549

01:03:04,370 --> 01:03:02,220

and Pat and I my son-in-law was outside

1550

01:03:05,870 --> 01:03:04,380

and had seen it and he videotaped it he

1551
01:03:08,630 --> 01:03:05,880
gets the credit for that

1552
01:03:10,190 --> 01:03:08,640
and unbeknownst to me

1553
01:03:12,349 --> 01:03:10,200
hi Gene

1554
01:03:14,990 --> 01:03:12,359
um unbeknownst to me he sent it to mufat

1555
01:03:16,970 --> 01:03:15,000
that would have been my first choice but

1556
01:03:20,089 --> 01:03:16,980
there's a lot of Newfoundland people that I

1557
01:03:22,490 --> 01:03:20,099
know that I have the utmost respect for

1558
01:03:24,950 --> 01:03:22,500
so he sent it to mufan because it was

1559
01:03:27,049 --> 01:03:24,960
such a good video

1560
01:03:30,589 --> 01:03:27,059
um we got a response from mufon that

1561
01:03:33,410 --> 01:03:30,599
said in their opinion it was a class one

1562
01:03:35,690 --> 01:03:33,420
sighting they checked the sky they did

1563
01:03:37,190 --> 01:03:35,700

all the research there was nothing up in

1564

01:03:40,730 --> 01:03:37,200

the skies that night

1565

01:03:43,549 --> 01:03:40,740

and that it was definitely not a

1566

01:03:47,270 --> 01:03:45,349

um aircraft that it was definitely

1567

01:03:49,309 --> 01:03:47,280

extraterrestrial

1568

01:03:52,549 --> 01:03:49,319

and that is up right now on world

1569

01:03:56,450 --> 01:03:52,559

Bigfoot radio so you can see it there

1570

01:03:58,069 --> 01:03:56,460

um we also have some of the screen

1571

01:04:00,589 --> 01:03:58,079

captures from that

1572

01:04:02,750 --> 01:04:00,599

he he means Bigfoot though he what he's

1573

01:04:05,030 --> 01:04:02,760

asking you is about big I thought it's

1574

01:04:07,370 --> 01:04:05,040

about the UFOs no he he's saying that we

1575

01:04:10,069 --> 01:04:07,380

struggle with the same issue in the UFO

1576

01:04:13,670 --> 01:04:10,079

oh okay is that why is there not well

1577

01:04:15,710 --> 01:04:13,680

Pat and I have a clear photo video of

1578

01:04:17,690 --> 01:04:15,720

these beings number one their energy

1579

01:04:19,670 --> 01:04:17,700

isn't going to allow it okay they

1580

01:04:22,010 --> 01:04:19,680

radiate an extreme amount of energy and

1581

01:04:24,530 --> 01:04:22,020

vibrations that will blur every single

1582

01:04:26,630 --> 01:04:24,540

camera there is and Pat and I have

1583

01:04:28,010 --> 01:04:26,640

learned this over time if you actually

1584

01:04:30,109 --> 01:04:28,020

want

1585

01:04:31,789 --> 01:04:30,119

a picture of them

1586

01:04:33,950 --> 01:04:31,799

quit putting them in the center of your

1587

01:04:35,870 --> 01:04:33,960

frame because if they're in the center

1588

01:04:38,990 --> 01:04:35,880

of the frame they can manipulate the

1589

01:04:41,329 --> 01:04:39,000

camera and they also the energy from

1590

01:04:43,370 --> 01:04:41,339

them blurs it like let's say you were to

1591

01:04:45,109 --> 01:04:43,380

see one and like where I'm on the screen

1592

01:04:46,430 --> 01:04:45,119

right now in the middle of the screen if

1593

01:04:49,010 --> 01:04:46,440

I was a big point you were taking a

1594

01:04:49,910 --> 01:04:49,020

picture I would be you want it over like

1595

01:04:52,609 --> 01:04:49,920

this

1596

01:04:54,770 --> 01:04:52,619

okay you don't want them Center frame

1597

01:04:56,329 --> 01:04:54,780

because it blurs it that's why patties

1598

01:04:58,789 --> 01:04:56,339

came out clear she wasn't Center frame

1599

01:05:01,190 --> 01:04:58,799

either she looks Center frame because of

1600

01:05:03,109 --> 01:05:01,200

how they reconstructed the framing on it

1601
01:05:05,270 --> 01:05:03,119
but she was never photographed in the

1602
01:05:07,250 --> 01:05:05,280
frame the other way too that Pat and I

1603
01:05:08,990 --> 01:05:07,260
we've got some clear ones that we put up

1604
01:05:10,549 --> 01:05:09,000
again they're on world Bigfoot radio

1605
01:05:13,130 --> 01:05:10,559
they've been on Dave Scott so they've

1606
01:05:15,049 --> 01:05:13,140
been all over the place and they were

1607
01:05:17,450 --> 01:05:15,059
done because if you go outside and take

1608
01:05:19,250 --> 01:05:17,460
random photos

1609
01:05:23,630 --> 01:05:19,260
and they're cloaked but they're out

1610
01:05:28,970 --> 01:05:26,390
interesting that is really interesting

1611
01:05:30,410 --> 01:05:28,980
so there's something I mean yeah for the

1612
01:05:32,809 --> 01:05:30,420
photos

1613
01:05:37,069 --> 01:05:32,819

what do you have any other tips for the

1614

01:05:42,109 --> 01:05:40,069

not really just go out and

1615

01:05:43,010 --> 01:05:42,119

we have them in the front yard I'll go

1616

01:05:48,230 --> 01:05:43,020

out

1617

01:05:49,030 --> 01:05:48,240

and that one I sent DJ uh tree pecker it

1618

01:05:56,089 --> 01:05:49,040

was

1619

01:05:57,950 --> 01:05:56,099

you know I I really believe that they

1620

01:06:01,130 --> 01:05:57,960

didn't think uh I was gonna get their

1621

01:06:03,770 --> 01:06:01,140

picture and he peeked from behind the

1622

01:06:05,809 --> 01:06:03,780

tree and I got a picture of it I mean

1623

01:06:08,329 --> 01:06:05,819

sometimes it surprised me who got the

1624

01:06:10,609 --> 01:06:08,339

backyard I got a big female in the

1625

01:06:12,410 --> 01:06:10,619

backyard I saw her head she kind of

1626
01:06:15,109 --> 01:06:12,420
ducked when she knew I was taking a

1627
01:06:18,650 --> 01:06:15,119
picture she she ducked her head like

1628
01:06:19,490 --> 01:06:18,660
that and you could see her brow brow

1629
01:06:21,950 --> 01:06:19,500
Ridge

1630
01:06:23,990 --> 01:06:21,960
and she had kind of reddish hair and

1631
01:06:26,450 --> 01:06:24,000
stuff reddish blonde hair

1632
01:06:28,849 --> 01:06:26,460
and a lot of times you don't you know we

1633
01:06:30,130 --> 01:06:28,859
had the Dogman in the tree picture and

1634
01:06:33,349 --> 01:06:30,140
then we had

1635
01:06:35,569 --> 01:06:33,359
Matilda by the by the pine tree she's

1636
01:06:36,589 --> 01:06:35,579
watching the dog play that's still

1637
01:06:40,010 --> 01:06:36,599
grabbing

1638
01:06:43,309 --> 01:06:40,020

and you know quite quite a few

1639

01:06:46,370 --> 01:06:43,319

just go out you know we've had some

1640

01:06:49,970 --> 01:06:46,380

weird pictures of uh got a picture of

1641

01:06:51,049 --> 01:06:49,980

some guy out in front I got a picture

1642

01:06:55,609 --> 01:06:51,059

like

1643

01:06:58,250 --> 01:06:55,619

had a robe on

1644

01:07:00,829 --> 01:06:58,260

yeah I think too the people that do get

1645

01:07:03,349 --> 01:07:00,839

clear footage nobody wants to believe it

1646

01:07:04,789 --> 01:07:03,359

like you have to have a public that is

1647

01:07:06,589 --> 01:07:04,799

willing when you get these clear

1648

01:07:09,890 --> 01:07:06,599

pictures because they're so hard to get

1649

01:07:11,750 --> 01:07:09,900

you have to have a publicly willing yeah

1650

01:07:13,430 --> 01:07:11,760

they don't that's the thing I don't even

1651
01:07:16,309 --> 01:07:13,440
try to get them that much anymore I mean

1652
01:07:18,589 --> 01:07:16,319
we get them I think DJ did I send you

1653
01:07:21,349 --> 01:07:18,599
those photos yeah there's a couple that

1654
01:07:23,270 --> 01:07:21,359
I could uh there's a couple that both

1655
01:07:25,910 --> 01:07:23,280
you and Pat have shared with me where I

1656
01:07:28,010 --> 01:07:25,920
can I can pretty clear I am not good at

1657
01:07:30,230 --> 01:07:28,020
looking at these photos and saying oh I

1658
01:07:32,690 --> 01:07:30,240
see that there but there's two of them I

1659
01:07:34,609 --> 01:07:32,700
can think of offhand one Robin sent me

1660
01:07:37,069 --> 01:07:34,619
one Pat sent me and I can see pretty

1661
01:07:39,529 --> 01:07:37,079
clearly what it is yeah I mean I've got

1662
01:07:43,690 --> 01:07:39,539
pictures of cat people

1663
01:07:46,430 --> 01:07:43,700

I have dogmen I have ETS I have

1664

01:07:48,770 --> 01:07:46,440

dimensionals I mean we get the photos

1665

01:07:51,349 --> 01:07:48,780

and I'm only one of millions of people

1666

01:07:53,450 --> 01:07:51,359

that get them trust me I I'm not the

1667

01:07:55,010 --> 01:07:53,460

only one Pat's not the only one but you

1668

01:07:56,750 --> 01:07:55,020

have to have people that want to

1669

01:07:59,029 --> 01:07:56,760

actually acknowledge that they're real

1670

01:08:01,069 --> 01:07:59,039

and because there's so many hoaxers out

1671

01:08:04,250 --> 01:08:01,079

there and the other problem and I'm

1672

01:08:07,730 --> 01:08:04,260

sorry to say it is you cannot have an

1673

01:08:09,890 --> 01:08:07,740

ego in this field you cannot and once

1674

01:08:10,789 --> 01:08:09,900

you get it get out because I mean I tell

1675

01:08:12,770 --> 01:08:10,799

everybody I don't have enough

1676

01:08:15,170 --> 01:08:12,780

self-confidence to have an ego

1677

01:08:16,249 --> 01:08:15,180

I mean I know what I know but that I

1678

01:08:19,430 --> 01:08:16,259

don't know at all

1679

01:08:22,010 --> 01:08:19,440

but the thing of it is is you have to

1680

01:08:23,749 --> 01:08:22,020

want to learn and a lot of people and

1681

01:08:26,150 --> 01:08:23,759

this came down with the study with Melba

1682

01:08:28,370 --> 01:08:26,160

if they aren't the one that got the

1683

01:08:30,950 --> 01:08:28,380

goods and got the information as far as

1684

01:08:32,749 --> 01:08:30,960

they're concerned it's not real yeah

1685

01:08:35,809 --> 01:08:32,759

yeah it's not going to be right because

1686

01:08:37,910 --> 01:08:35,819

they do it I wanted to add one thing

1687

01:08:39,890 --> 01:08:37,920

though to to something earlier that you

1688

01:08:43,130 --> 01:08:39,900

said about the structures real quick and

1689

01:08:45,410 --> 01:08:43,140

this is for Nathan and Debs uh is the

1690

01:08:48,349 --> 01:08:45,420

gentleman in Ohio Kane who has basically

1691

01:08:51,769 --> 01:08:48,359

got himself a cabin he is 45 minutes

1692

01:08:54,650 --> 01:08:51,779

from anywhere in Southern Ohio to study

1693

01:08:58,309 --> 01:08:54,660

this it's his life as is Richard his

1694

01:09:01,849 --> 01:08:58,319

sort of Yoda if you will to Obi-Wan and

1695

01:09:04,789 --> 01:09:01,859

he created his own structure and put it

1696

01:09:06,169 --> 01:09:04,799

in the woods to see what would happen so

1697

01:09:08,150 --> 01:09:06,179

he knows what they're strong he's out

1698

01:09:09,470 --> 01:09:08,160

every single day this is what he is he's

1699

01:09:12,189 --> 01:09:09,480

out in the woods he's looking at

1700

01:09:15,050 --> 01:09:12,199

structures so he created his own design

1701

01:09:18,169 --> 01:09:15,060

and what ended up happening is the

1702

01:09:19,309 --> 01:09:18,179

bigfoots came and built his structure in

1703

01:09:22,430 --> 01:09:19,319

his yard

1704

01:09:24,050 --> 01:09:22,440

oh that's cool yeah so

1705

01:09:25,430 --> 01:09:24,060

um and that's because it was his it was

1706

01:09:27,590 --> 01:09:25,440

supposed to be in his yard not theirs

1707

01:09:29,090 --> 01:09:27,600

well I don't know I think I just want to

1708

01:09:30,169 --> 01:09:29,100

show him he could make they could make

1709

01:09:34,809 --> 01:09:30,179

it

1710

01:09:37,789 --> 01:09:34,819

in that he is completely science-based

1711

01:09:39,289 --> 01:09:37,799

evidence-based and and not you know you

1712

01:09:42,410 --> 01:09:39,299

would wonder why isn't he communicating

1713

01:09:44,150 --> 01:09:42,420

but um there's so much there's so much

1714

01:09:46,130 --> 01:09:44,160

here so basically what we've done Robin

1715

01:09:48,470 --> 01:09:46,140

just in tackling some of Bigfoot it's

1716

01:09:51,470 --> 01:09:48,480

like I handed Nathan a Double Quarter

1717

01:09:53,570 --> 01:09:51,480

Pounder with cheese and then in Dogman

1718

01:09:56,750 --> 01:09:53,580

would be like me walking over with a

1719

01:09:59,150 --> 01:09:56,760

huge you know like a 20-inch uh

1720

01:10:01,370 --> 01:09:59,160

pepperoni pizza he's not ready to eat

1721

01:10:03,290 --> 01:10:01,380

that yet because he hasn't digested the

1722

01:10:05,870 --> 01:10:03,300

quarter pounder with cheese or the super

1723

01:10:07,370 --> 01:10:05,880

size fries so

1724

01:10:08,750 --> 01:10:07,380

um so for the next time we'll start

1725

01:10:11,030 --> 01:10:08,760

hitting up you know when we have you

1726

01:10:13,490 --> 01:10:11,040

guys on we'll talk Cryptids and all that

1727

01:10:15,229 --> 01:10:13,500

so DJ may I say one thing before we get

1728

01:10:17,450 --> 01:10:15,239

off real quick yes ma'am when it comes

1729

01:10:19,189 --> 01:10:17,460

to the structures number one I applaud

1730

01:10:21,229 --> 01:10:19,199

the gentleman for doing it he was able

1731

01:10:23,209 --> 01:10:21,239

to to get a really good response that's

1732

01:10:25,130 --> 01:10:23,219

very impressive I have almost respect

1733

01:10:28,310 --> 01:10:25,140

for that really smart but just so people

1734

01:10:30,290 --> 01:10:28,320

know do not touch and mess with the

1735

01:10:32,570 --> 01:10:30,300

structures that is their communication

1736

01:10:34,790 --> 01:10:32,580

for their people it does not make them

1737

01:10:37,130 --> 01:10:34,800

happy at all

1738

01:10:38,270 --> 01:10:37,140

um you don't do it you know you don't

1739

01:10:40,669 --> 01:10:38,280

want somebody coming up to your house

1740

01:10:42,770 --> 01:10:40,679

and start pulling out you know parts of

1741

01:10:44,930 --> 01:10:42,780

your framework on your house don't do it

1742

01:10:46,490 --> 01:10:44,940

you don't at that and we don't know I

1743

01:10:49,490 --> 01:10:46,500

mean we know the basics of what they

1744

01:10:51,350 --> 01:10:49,500

mean we but each Clan has a baseline of

1745

01:10:54,410 --> 01:10:51,360

what everything means and then each Clan

1746

01:10:57,050 --> 01:10:54,420

adds to that so that their specific Clan

1747

01:10:58,790 --> 01:10:57,060

only will know what they're trying to

1748

01:11:00,950 --> 01:10:58,800

say so you're messing with their

1749

01:11:03,050 --> 01:11:00,960

communication so I really urge people to

1750

01:11:04,610 --> 01:11:03,060

be very careful with that

1751

01:11:06,229 --> 01:11:04,620

I and I don't mean that anything

1752

01:11:07,669 --> 01:11:06,239

negative about the person that you're

1753

01:11:09,229 --> 01:11:07,679

talking about I think that's tremendous

1754

01:11:12,110 --> 01:11:09,239

he got that response that's wonderful

1755

01:11:13,970 --> 01:11:12,120

but please be careful what he didn't

1756

01:11:16,669 --> 01:11:13,980

mess with there's what he did is he said

1757

01:11:18,530 --> 01:11:16,679

basically to maybe rephrase it because I

1758

01:11:20,750 --> 01:11:18,540

probably didn't phrase it correctly he

1759

01:11:23,330 --> 01:11:20,760

wanted to create his own signature with

1760

01:11:25,250 --> 01:11:23,340

pieces of wood and just put it so he

1761

01:11:28,550 --> 01:11:25,260

communicated yeah he communicated

1762

01:11:31,790 --> 01:11:28,560

because he was out there every time

1763

01:11:33,830 --> 01:11:31,800

very very wonderful yeah I'll share with

1764

01:11:36,649 --> 01:11:33,840

you guys I believe it's House of Enoch

1765

01:11:40,130 --> 01:11:36,659

on YouTube and he basically has devoted

1766

01:11:42,050 --> 01:11:40,140

I he looks like he's 40-ish he has

1767

01:11:44,630 --> 01:11:42,060

devoted his life to this he's basically

1768

01:11:47,090 --> 01:11:44,640

living like a Hermit out there and then

1769

01:11:49,130 --> 01:11:47,100

this fellow Richard who he said has been

1770

01:11:51,050 --> 01:11:49,140

rest

1771

01:11:54,530 --> 01:11:51,060

um former special forces guy has been

1772

01:11:56,270 --> 01:11:54,540

living out there and uh for five decades

1773

01:11:58,610 --> 01:11:56,280

doing this so

1774

01:12:00,050 --> 01:11:58,620

um these guys are that's all they do you

1775

01:12:02,810 --> 01:12:00,060

know I mean they're not like working a

1776

01:12:04,850 --> 01:12:02,820

regular job so uh but let's get our

1777

01:12:07,729 --> 01:12:04,860

goodbyes in Debs please uh say your

1778

01:12:10,610 --> 01:12:07,739

goodbyes to miss Robin and Pat McRae I

1779

01:12:12,590 --> 01:12:10,620

don't get my final question yes okay

1780

01:12:15,350 --> 01:12:12,600

okay I gotta get it in

1781

01:12:17,510 --> 01:12:15,360

okay so actually my question has to do

1782

01:12:19,310 --> 01:12:17,520

with communication again

1783

01:12:20,630 --> 01:12:19,320

um because you were talking about the

1784

01:12:23,990 --> 01:12:20,640

structures and everything I just wanted

1785

01:12:26,209 --> 01:12:24,000

to say in his background I was told that

1786

01:12:28,729 --> 01:12:26,219

there's a population near a place that I

1787

01:12:31,750 --> 01:12:28,739

go twice a week so every time I go there

1788

01:12:35,630 --> 01:12:31,760

now I say hello Bigfoot

1789

01:12:37,850 --> 01:12:35,640

so I guess um my my question is since

1790

01:12:39,770 --> 01:12:37,860

you are communicating with them is there

1791

01:12:42,350 --> 01:12:39,780

a message that you think that they might

1792

01:12:44,209 --> 01:12:42,360

have for listeners actually because I

1793

01:12:45,830 --> 01:12:44,219

know you engage with them about what

1794

01:12:47,810 --> 01:12:45,840

podcasts you're going on who you're

1795

01:12:49,430 --> 01:12:47,820

engaging with all that stuff what

1796

01:12:52,010 --> 01:12:49,440

message might they have so my question

1797

01:12:53,810 --> 01:12:52,020

is what do they have to say for us is

1798

01:12:55,790 --> 01:12:53,820

there a pickup line like if there's a

1799

01:12:58,790 --> 01:12:55,800

singles bar and Debs is going in there

1800

01:13:01,790 --> 01:12:58,800

like hey handsome you know what no I'm

1801

01:13:07,970 --> 01:13:04,729

hold on Robin you're on mute love

1802

01:13:14,209 --> 01:13:11,090

go ahead you go first go ahead

1803

01:13:16,550 --> 01:13:14,219

uh so Deb just just rephrase the basics

1804

01:13:18,290 --> 01:13:16,560

of the question is uh what what should

1805

01:13:20,450 --> 01:13:18,300

you say or what's the communication or

1806

01:13:22,910 --> 01:13:20,460

what well what is what is the message

1807

01:13:25,010 --> 01:13:22,920

from Bigfoot either to listeners to

1808

01:13:26,510 --> 01:13:25,020

humanity whatever you want to convey I

1809

01:13:29,209 --> 01:13:26,520

want to I want to hear

1810

01:13:30,850 --> 01:13:29,219

the the message

1811

01:13:32,410 --> 01:13:30,860

well he told me

1812

01:13:34,090 --> 01:13:32,420

basically

1813

01:13:35,870 --> 01:13:34,100

that

1814

01:13:39,950 --> 01:13:35,880

we're not

1815

01:13:43,130 --> 01:13:39,960

they don't want to be viewed as monsters

1816

01:13:45,350 --> 01:13:43,140

or they have families

1817

01:13:47,630 --> 01:13:45,360

there's a good reason why they don't

1818

01:13:48,890 --> 01:13:47,640

come out in the office and show

1819

01:13:51,649 --> 01:13:48,900

themselves

1820

01:13:53,270 --> 01:13:51,659

because it's basically a deep season

1821

01:13:55,250 --> 01:13:53,280

mistress

1822

01:13:58,370 --> 01:13:55,260

of mankind

1823

01:14:00,050 --> 01:13:58,380

and uh

1824

01:14:04,390 --> 01:14:00,060

you know they

1825

01:14:08,930 --> 01:14:04,400

they have feelings I felt it I mean

1826

01:14:11,510 --> 01:14:08,940

uh you go out and you know I

1827

01:14:12,950 --> 01:14:11,520

you know they'll project their feelings

1828

01:14:17,390 --> 01:14:12,960

on you they

1829

01:14:20,570 --> 01:14:17,400

love they cry I mean they're part human

1830

01:14:24,770 --> 01:14:23,270

you just can't deny that

1831

01:14:28,310 --> 01:14:24,780

that

1832

01:14:31,310 --> 01:14:28,320

the humanity side to them

1833

01:14:35,149 --> 01:14:31,320

and

1834

01:14:37,490 --> 01:14:35,159

they have a social structure

1835

01:14:41,229 --> 01:14:37,500

they have laws

1836

01:14:44,630 --> 01:14:41,239

it's just it mirrors you know our

1837

01:14:46,850 --> 01:14:44,640

civilization as as we have it

1838

01:14:49,729 --> 01:14:46,860

what they're saying

1839

01:14:53,570 --> 01:14:49,739

go ahead babe no go ahead

1840

01:15:03,050 --> 01:14:53,580

no but they have a much more rigid

1841

01:15:08,330 --> 01:15:06,110

I can explain this

1842

01:15:09,530 --> 01:15:08,340

it's hard to explain

1843

01:15:13,550 --> 01:15:09,540

I

1844

01:15:15,050 --> 01:15:13,560

you know what they're telling me right

1845

01:15:16,850 --> 01:15:15,060

now while we're sitting here is view

1846

01:15:19,070 --> 01:15:16,860

them as you view yourselves

1847

01:15:22,310 --> 01:15:19,080

we are a people

1848

01:15:25,490 --> 01:15:22,320

like they told Pat we are not monsters

1849

01:15:27,470 --> 01:15:25,500

we just wish nothing but peace

1850

01:15:29,090 --> 01:15:27,480

we want to live our lives we want to

1851

01:15:31,070 --> 01:15:29,100

raise our children

1852

01:15:34,910 --> 01:15:31,080

we don't want to live in fear any more

1853

01:15:39,530 --> 01:15:37,550

nothing bad hair replacement

1854

01:15:41,390 --> 01:15:39,540

now they don't have a problem with that

1855

01:15:44,090 --> 01:15:41,400

although I will say this I have a photo

1856

01:15:45,770 --> 01:15:44,100

of a female sitting in the bushes and

1857

01:15:47,090 --> 01:15:45,780

she's like almost bald with just little

1858

01:15:48,169 --> 01:15:47,100

pieces of hair sticking out but she's

1859

01:15:50,870 --> 01:15:48,179

really old

1860

01:15:52,790 --> 01:15:50,880

okay I mean so she's she has the same

1861

01:15:54,649 --> 01:15:52,800

problems I have she's the one I should

1862

01:15:57,290 --> 01:15:54,659

be talking to is how to how to make it

1863

01:15:59,930 --> 01:15:57,300

maybe counseling she can counsel me yeah

1864

01:16:01,729 --> 01:15:59,940

and and Deb when you

1865

01:16:05,330 --> 01:16:01,739

go ahead honey

1866

01:16:08,630 --> 01:16:05,340

no he needs the uh the Bigfoot uh hair

1867

01:16:12,610 --> 01:16:08,640

from uh with hair for men Hair Club for

1868

01:16:16,189 --> 01:16:12,620

bigfoot yes yeah Hair Club yes I would

1869

01:16:17,990 --> 01:16:16,199

yeah Deb when you go out in the woods

1870

01:16:20,810 --> 01:16:18,000

like that another thing that you might

1871

01:16:22,790 --> 01:16:20,820

find helpful and I tell this to a lot of

1872

01:16:26,209 --> 01:16:22,800

people is you know they already know

1873

01:16:28,729 --> 01:16:26,219

what you're doing they know before

1874

01:16:31,070 --> 01:16:28,739

you even get the thought in your mind

1875

01:16:33,290 --> 01:16:31,080

that you're gonna go okay what they want

1876

01:16:35,030 --> 01:16:33,300

is consistency and they want to know

1877

01:16:37,310 --> 01:16:35,040

that what you say to them matches your

1878

01:16:39,709 --> 01:16:37,320

intent so what I tell people when you go

1879

01:16:42,110 --> 01:16:39,719

out in the woods is go out there say I

1880

01:16:44,390 --> 01:16:42,120

come in peace I'm not here to hurt you

1881

01:16:46,669 --> 01:16:44,400

if you can come to me in peace and love

1882

01:16:48,350 --> 01:16:46,679

then I would like to communicate with

1883

01:16:51,290 --> 01:16:48,360

you I'm not here to hurt you please

1884

01:16:52,910 --> 01:16:51,300

allow me to go into your Forest so you

1885

01:16:56,090 --> 01:16:52,920

kind of are announcing them they're

1886

01:16:57,590 --> 01:16:56,100

you're telling them your intent and if

1887

01:17:00,050 --> 01:16:57,600

your intent is exactly what you've told

1888

01:17:01,610 --> 01:17:00,060

them then they see on both sides that

1889

01:17:03,530 --> 01:17:01,620

you're being honest

1890

01:17:05,570 --> 01:17:03,540

and that does pull weight even if you

1891

01:17:07,669 --> 01:17:05,580

don't have an encounter that gives them

1892

01:17:10,189 --> 01:17:07,679

peace of mind and you're putting down

1893

01:17:12,830 --> 01:17:10,199

guidelines saying I'm only here for this

1894

01:17:14,990 --> 01:17:12,840

and I want only contact peacefully

1895

01:17:16,370 --> 01:17:15,000

the other thing is you know a lot of

1896

01:17:18,229 --> 01:17:16,380

people have to carry weapons when they

1897

01:17:19,850 --> 01:17:18,239

go into the woods because of bear cougar

1898

01:17:21,729 --> 01:17:19,860

whatever

1899

01:17:24,110 --> 01:17:21,739

of course you need to protect yourself

1900

01:17:28,010 --> 01:17:24,120

be up front

1901

01:17:30,590 --> 01:17:28,020

when you go in there you know I'm here I

1902

01:17:32,750 --> 01:17:30,600

want you to know this is my purpose yes

1903

01:17:35,450 --> 01:17:32,760

I have a weapon I'm not hiding this from

1904

01:17:37,610 --> 01:17:35,460

you please know this is not for you I'm

1905

01:17:39,770 --> 01:17:37,620

protecting myself from the bear or the

1906

01:17:42,290 --> 01:17:39,780

wolves or the whatever you are but be

1907

01:17:44,870 --> 01:17:42,300

honest and up front that will match your

1908

01:17:46,729 --> 01:17:44,880

intent and that will get you forward

1909

01:17:49,430 --> 01:17:46,739

it really makes a big difference you'd

1910

01:17:51,950 --> 01:17:49,440

be surprised I want to tell you that I

1911

01:17:55,010 --> 01:17:51,960

in in Saturday in yoga class I did just

1912

01:17:57,310 --> 01:17:55,020

exactly that uh good student in class

1913

01:17:59,630 --> 01:17:57,320

and I I spent the the meditation time

1914

01:18:02,090 --> 01:17:59,640

communicating with them telling them

1915

01:18:03,950 --> 01:18:02,100

what I'm coming down there for what I

1916

01:18:06,410 --> 01:18:03,960

what my intention is

1917

01:18:09,050 --> 01:18:06,420

ETC I just laid that all out on the

1918

01:18:12,050 --> 01:18:09,060

table that I'm it's really important for

1919

01:18:16,310 --> 01:18:12,060

curiosity and for exploration not for

1920

01:18:21,770 --> 01:18:19,669

so yeah Nathan yeah I just wanted to

1921

01:18:23,870 --> 01:18:21,780

thank you both for your time tonight uh

1922

01:18:26,630 --> 01:18:23,880

it's clear you've got a a passion and a

1923

01:18:28,310 --> 01:18:26,640

heart for uh them and for for all life

1924

01:18:30,410 --> 01:18:28,320

and that's something that we can

1925

01:18:33,770 --> 01:18:30,420

celebrate and we do celebrate quite

1926

01:18:35,870 --> 01:18:33,780

often on our show uh so it's uh it's

1927

01:18:38,090 --> 01:18:35,880

been a real pleasure to hear your

1928

01:18:39,590 --> 01:18:38,100

stories and and I know there's so much

1929

01:18:42,050 --> 01:18:39,600

more that we haven't even really gotten

1930

01:18:43,310 --> 01:18:42,060

into so I bet there's a future show in

1931

01:18:45,950 --> 01:18:43,320

line where we can kind of dig a little

1932

01:18:47,149 --> 01:18:45,960

bit deeper uh sure but you know again

1933

01:18:48,770 --> 01:18:47,159

just thank you both for what you're

1934

01:18:50,870 --> 01:18:48,780

doing and your willingness to come and

1935

01:18:53,330 --> 01:18:50,880

share your experiences with us

1936

01:18:56,270 --> 01:18:53,340

thank you for having us

1937

01:18:59,930 --> 01:18:56,280

it's been great it has yeah I want to

1938

01:19:01,310 --> 01:18:59,940

just uh uh mimic what what Nathan said

1939

01:19:03,830 --> 01:19:01,320

um yeah there is so much more to get

1940

01:19:05,090 --> 01:19:03,840

into and next time we'll get we'll dig a

1941

01:19:06,890 --> 01:19:05,100

little into Bigfoot then we'll start

1942

01:19:09,590 --> 01:19:06,900

getting into some of the Cryptids and

1943

01:19:11,990 --> 01:19:09,600

and let them be heard and and you you've

1944

01:19:14,090 --> 01:19:12,000

heard their perspectives as well a lot

1945

01:19:16,189 --> 01:19:14,100

of people fear them even more so than

1946

01:19:18,229 --> 01:19:16,199

than Sasquatch so

1947

01:19:19,450 --> 01:19:18,239

um so we'll get and the dog will be in

1948

01:19:21,950 --> 01:19:19,460

the garage

1949

01:19:24,350 --> 01:19:21,960

it's all good I'm actually you can hear

1950

01:19:27,110 --> 01:19:24,360

how how my bad my voice is and I have to

1951

01:19:29,570 --> 01:19:27,120

continue packing because tomorrow when I

1952

01:19:33,290 --> 01:19:29,580

leave the house at uh 5 30 in the

1953

01:19:34,490 --> 01:19:33,300

morning I will be uh I won't come back

1954

01:19:36,590 --> 01:19:34,500

home from work I'm going to head

1955

01:19:38,930 --> 01:19:36,600

straight down to Ocala and go to the uh

1956

01:19:41,510 --> 01:19:38,940

with our friends so yeah and we're going

1957

01:19:44,149 --> 01:19:41,520

to do keep me posted I will I'll be in

1958

01:19:45,890 --> 01:19:44,159

touch with you after the weekend or on

1959

01:19:48,110 --> 01:19:45,900

the way home so to let you know what I

1960

01:19:49,550 --> 01:19:48,120

saw and what I experienced uh but I do

1961

01:19:51,890 --> 01:19:49,560

want to give a shout out to all of your

1962

01:19:53,750 --> 01:19:51,900

1963

1969

01:20:14,630 --> 01:20:12,300

on the show but not the last we've got

1970

01:20:17,630 --> 01:20:14,640

some great ones lined up we have the she

1971

01:20:21,350 --> 01:20:17,640

squatchers from Minnesota lined up great

1972

01:20:24,350 --> 01:20:21,360

girl yeah um we have another amazing

1973

01:20:26,510 --> 01:20:24,360

host named Matt Knapp from Bigfoot

1974

01:20:29,450 --> 01:20:26,520

Crossroads and of course one of your

1975

01:20:31,790 --> 01:20:29,460

colleagues who experience mind speak and

1976

01:20:34,310 --> 01:20:31,800

I guess communicated Rick Taylor Taylor

1977

01:20:37,970 --> 01:20:34,320

the former law enforcement officer from

1978

01:20:42,169 --> 01:20:37,980

Texas so wonderful so thank you so much

1979

01:20:44,750 --> 01:20:42,179

1980

01:20:46,970 --> 01:20:44,760

1981

01:20:48,950 --> 01:20:46,980

we'll see you on the road and as always

1982

01:20:51,340 --> 01:20:48,960

especially in the woods we're always

1983

01:20:59,090 --> 01:20:51,350

wondering what's up around the bin
