**Calling All Beings**

1  
00:00:28,870 --> 00:00:24,880  
welcome

2  
00:00:30,710 --> 00:00:28,880  
[Music]

3  
00:00:36,830 --> 00:00:30,720  
yeah

4  
00:00:40,450 --> 00:00:36,840  
it's calling all beings and guess what

5  
00:00:44,209 --> 00:00:40,460  
we gonna bigfooting again

6  
00:00:46,010 --> 00:00:44,219  
and guess what tonight he is back he he

7  
00:00:47,930 --> 00:00:46,020  
saved me from going and getting an

8  
00:00:50,150 --> 00:00:47,940  
unnecessary surgery today at least

9  
00:00:52,130 --> 00:00:50,160  
unnecessary for now but not nothing we

10  
00:00:54,529 --> 00:00:52,140  
really need to talk about so uh let me

11  
00:00:56,770 --> 00:00:54,539  
introduce the co-conspirator of this

12  
00:00:59,930 --> 00:00:56,780  
joint who don't put it all together

13  
00:01:01,369 --> 00:00:59,940

money Nathan yeah good to see you that's

14

00:01:03,830 --> 00:01:01,379

all part of our Healthcare package here

15

00:01:06,289 --> 00:01:03,840

cab uh you get that counseling advice

16

00:01:07,550 --> 00:01:06,299

it's uh just a package deal I appreciate

17

00:01:09,710 --> 00:01:07,560

that I got to remind the prescription

18

00:01:14,330 --> 00:01:09,720

card for 2023 hopefully those are on

19

00:01:17,270 --> 00:01:14,340

order uh and with that uh our our

20

00:01:20,149 --> 00:01:17,280

researcher who today uh made a huge play

21

00:01:22,789 --> 00:01:20,159

through her friend Jennifer on the it's

22

00:01:24,710 --> 00:01:22,799

I think it's called a UFO book club was

23

00:01:27,469 --> 00:01:24,720

able to help us uh hook up with uh

24

00:01:30,050 --> 00:01:27,479

Jonathan Dover the uh the Navajo Ranger

25

00:01:33,050 --> 00:01:30,060

who who Finn to be on lay down right

26

00:01:35,030 --> 00:01:33,060

around with Matt naps can be on but uh

27

00:01:37,249 --> 00:01:35,040

with that uh how are you first of all

28

00:01:39,289 --> 00:01:37,259

how are you this evening Deb I'm doing

29

00:01:42,649 --> 00:01:39,299

great I already have a question for you

30

00:01:44,590 --> 00:01:42,659

DJ are we squashing is that the verb for

31

00:01:47,030 --> 00:01:44,600

what we're doing

32

00:01:48,649 --> 00:01:47,040

you know what I don't think I'm

33

00:01:50,569 --> 00:01:48,659

qualified to answer that but I think we

34

00:01:52,730 --> 00:01:50,579

have two people backstage that are so we

35

00:01:53,990 --> 00:01:52,740

look cool because to the Bigfoot

36

00:01:56,149 --> 00:01:54,000

Community we want to look cool right

37

00:02:00,170 --> 00:01:56,159

Nathan absolutely absolutely credibility

38

00:02:02,690 --> 00:02:00,180

cool right so uh they they fin to answer

39

00:02:05,330 --> 00:02:02,700

that uh Miss Julie is in the chat our

40

00:02:07,850 --> 00:02:05,340

moderator from Alabama by the way of

41

00:02:10,430 --> 00:02:07,860

Indiana and uh let's let's welcome on

42

00:02:12,710 --> 00:02:10,440

our I'm so happy that this guy came on

43

00:02:14,510 --> 00:02:12,720

he agreed to be our special

44

00:02:16,550 --> 00:02:14,520

um uh guest co-host for this episode

45

00:02:18,890 --> 00:02:16,560

I've been bragging about him for a

46

00:02:20,390 --> 00:02:18,900

couple weeks probably Nathan and my

47

00:02:24,530 --> 00:02:20,400

friends are tired of hearing about him

48

00:02:26,930 --> 00:02:24,540

he is the host of Bigfoot Crossroads he

49

00:02:29,390 --> 00:02:26,940

is such a dope interviewer he has great

50

00:02:31,850 --> 00:02:29,400

wit he has a lot of in the field

51  
00:02:34,309 --> 00:02:31,860  
knowledge two decades worth of research

52  
00:02:40,280 --> 00:02:34,319  
experience in the field on Bigfoot put

53  
00:02:45,290 --> 00:02:41,930  
[Applause]

54  
00:02:47,630 --> 00:02:45,300  
Hampton oh no please please

55  
00:02:49,130 --> 00:02:47,640  
thank you for inviting me man thanks for

56  
00:02:51,290 --> 00:02:49,140  
letting me come on here with you guys

57  
00:02:52,309 --> 00:02:51,300  
this is awesome great to have you with

58  
00:02:54,710 --> 00:02:52,319  
us Matt

59  
00:02:58,490 --> 00:02:54,720  
yep Namaste brother this is awesome man

60  
00:03:01,009 --> 00:02:58,500  
and uh so you know getting into this

61  
00:03:02,930 --> 00:03:01,019  
topic and by the way any of you who are

62  
00:03:05,210 --> 00:03:02,940  
sick of me talking about a foot about

63  
00:03:10,130 --> 00:03:05,220

Bigfoot blame this guy right over here

64

00:03:16,130 --> 00:03:13,369

um I I went to uh I think it was Bigfoot

65

00:03:19,190 --> 00:03:16,140

eyewitness radio Vic Condes show and

66

00:03:25,250 --> 00:03:19,200

heard a narrative by this gentleman who

67

00:03:26,930 --> 00:03:25,260

was a arson fire investigator in Texas

68

00:03:29,270 --> 00:03:26,940

um who had his first Bigfoot encounter

69

00:03:32,750 --> 00:03:29,280

and ended up eventually having a first

70

00:03:34,550 --> 00:03:32,760

person Class A experience Defender blow

71

00:03:36,410 --> 00:03:34,560

your mind that's what I'm trying to say

72

00:03:39,710 --> 00:03:36,420

so

73

00:03:42,050 --> 00:03:39,720

's hands together get the Cheeto dust

74

00:03:45,890 --> 00:03:42,060

and the nachos off your hands and put

75

00:03:48,949 --> 00:03:45,900

them together for Rick Taylor

76

00:03:51,890 --> 00:03:48,959

thank you thank you thank you thank you

77

00:03:53,110 --> 00:03:51,900

thank you thank you

78

00:03:56,089 --> 00:03:53,120

please

79

00:03:59,949 --> 00:03:56,099

[Applause]

80

00:04:02,990 --> 00:03:59,959

thank you a pleasure to be here

81

00:04:06,470 --> 00:04:03,000

I love sharing and you'll see it's a

82

00:04:09,649 --> 00:04:06,480

passion of mine uh I had many questions

83

00:04:11,690 --> 00:04:09,659

when that uh first what number what in

84

00:04:15,050 --> 00:04:11,700

the world moment happened

85

00:04:17,270 --> 00:04:15,060

and uh I I dove into it with both ends

86

00:04:22,490 --> 00:04:17,280

and both feet and uh

87

00:04:26,570 --> 00:04:22,500

call it luck uh I I've had numerous

88

00:04:30,290 --> 00:04:26,580

Class A sightings and interaction and

89

00:04:33,590 --> 00:04:30,300

I'm to the point now uh where

90

00:04:35,510 --> 00:04:33,600

it's not a doubt in my mind folks these

91

00:04:40,070 --> 00:04:35,520

things have intellect cognitive thinking

92

00:04:43,790 --> 00:04:40,080

they are as my Cherokee ancestors uh

93

00:04:46,010 --> 00:04:43,800

viewed them as a tribe or a clan shout

94

00:04:48,350 --> 00:04:46,020

out to the Cherokee Nation baby oh yeah

95

00:04:51,110 --> 00:04:48,360

because you got five zero percent going

96

00:04:53,629 --> 00:04:51,120

on uh but before we get into that let's

97

00:04:56,210 --> 00:04:53,639

answer Deb's question so that I mean I

98

00:04:58,909 --> 00:04:56,220

know that a goal of you and Matt is that

99

00:05:00,530 --> 00:04:58,919

Nathan Deb and myself look cool amongst

100

00:05:03,469 --> 00:05:00,540

the Bigfoot community so therefore

101

00:05:06,950 --> 00:05:03,479

should we use the verb squatching or

102

00:05:10,550 --> 00:05:06,960

should we remain distant from that verb

103

00:05:13,070 --> 00:05:10,560

you know squatching is used a lot or

104

00:05:14,830 --> 00:05:13,080

squatching don't even put the G on it so

105

00:05:17,689 --> 00:05:14,840

why did you Squatch it

106

00:05:21,890 --> 00:05:17,699

uh you know you'll hear it in Kentucky

107

00:05:23,510 --> 00:05:21,900

Texas uh even Missouri in most places if

108

00:05:27,110 --> 00:05:23,520

somebody's out squatching you know what

109

00:05:30,409 --> 00:05:27,120

they're doing you know uh it varies the

110

00:05:34,129 --> 00:05:30,419

techniques people have uh mine has not

111

00:05:37,189 --> 00:05:34,139

been a chase them down bang on trees

112

00:05:40,070 --> 00:05:37,199

yell and scream mine is going into an

113

00:05:42,830 --> 00:05:40,080

area of activity and letting them come

114

00:05:47,090 --> 00:05:42,840

to you let them let them make the call

115

00:05:50,749 --> 00:05:47,100

don't try to force them hurt them or uh

116

00:05:53,330 --> 00:05:50,759

trap or bait them uh if they if they

117

00:05:56,570 --> 00:05:53,340

even get a inkling that you've got

118

00:05:59,390 --> 00:05:56,580

something set up as a a trap

119

00:06:01,270 --> 00:05:59,400

they're gone they're not gonna they're

120

00:06:04,909 --> 00:06:01,280

not going to want to mess with anything

121

00:06:06,110 --> 00:06:04,919

uh I've had great success with speaking

122

00:06:08,930 --> 00:06:06,120

to them

123

00:06:11,029 --> 00:06:08,940

and and showing respect

124

00:06:13,310 --> 00:06:11,039

and basically telling them we're here

125

00:06:15,710 --> 00:06:13,320

visiting we're not here to to do

126  
00:06:19,610 --> 00:06:15,720  
anything else and we would like to see

127  
00:06:21,710 --> 00:06:19,620  
you you know that's been My Success you

128  
00:06:23,749 --> 00:06:21,720  
know so says uh Original Gangster Tom

129  
00:06:26,029 --> 00:06:23,759  
Cantrell the guy who had his first

130  
00:06:28,129 --> 00:06:26,039  
sighting in 58 basically said the exact

131  
00:06:30,350 --> 00:06:28,139  
same thing you just said but just to let

132  
00:06:31,909 --> 00:06:30,360  
you know uh what we're gonna do here so

133  
00:06:34,070 --> 00:06:31,919  
we'll go into pattern you know myself

134  
00:06:35,870 --> 00:06:34,080  
and Nathan and Deb and Matt and we'll

135  
00:06:39,290 --> 00:06:35,880  
just keep going in sort of in a circle

136  
00:06:41,510 --> 00:06:39,300  
like that uh we want to get you know the

137  
00:06:43,850 --> 00:06:41,520  
main points of your story and then I

138  
00:06:46,249 --> 00:06:43,860

want to like really hypothesize with

139

00:06:50,330 --> 00:06:46,259

with both of you guys uh that have been

140

00:06:53,629 --> 00:06:50,340

around about you know your hypotheses on

141

00:06:57,010 --> 00:06:53,639

on certain aspects of of Bigfoot in in

142

00:07:00,469 --> 00:06:57,020

the um let's just say uh the behaviors

143

00:07:02,210 --> 00:07:00,479

uh and and things that they do why they

144

00:07:03,950 --> 00:07:02,220

build things why they do this how they

145

00:07:05,749 --> 00:07:03,960

do that I would just love to hear some

146

00:07:08,330 --> 00:07:05,759

of that as well but I don't think we can

147

00:07:10,490 --> 00:07:08,340

go anywhere until we hear you know first

148

00:07:12,650 --> 00:07:10,500

of all how this first interaction

149

00:07:14,809 --> 00:07:12,660

happened to Rick how he ended up having

150

00:07:16,129 --> 00:07:14,819

this life-changing seminal event at Arla

151

00:07:17,749 --> 00:07:16,139

Williams place so

152

00:07:19,790 --> 00:07:17,759

um so please if you would start there

153

00:07:21,830 --> 00:07:19,800

and uh okay unless anybody does anybody

154

00:07:23,390 --> 00:07:21,840

else have anything before Rick jumps

155

00:07:24,830 --> 00:07:23,400

into that

156

00:07:26,210 --> 00:07:24,840

no I think it's a great place to start

157

00:07:29,089 --> 00:07:26,220

yeah we have an audience that just may

158

00:07:31,309 --> 00:07:29,099

not be as familiar with uh the Bigfoot

159

00:07:33,469 --> 00:07:31,319

uh you know sort of literature and the

160

00:07:35,150 --> 00:07:33,479

the big cases and Rick I've heard your

161

00:07:36,770 --> 00:07:35,160

story and it's just super compelling and

162

00:07:40,670 --> 00:07:36,780

I would love to break it down for us

163

00:07:41,689 --> 00:07:40,680

thank you well I as many other people my

164

00:07:45,230 --> 00:07:41,699

age

165

00:07:47,510 --> 00:07:45,240

remember the Patterson gimlin film and I

166

00:07:51,950 --> 00:07:47,520

remember watching it for the first time

167

00:07:54,290 --> 00:07:51,960

uh on ABC uh News Channel and I remember

168

00:07:56,990 --> 00:07:54,300

the hair standing up on the back of my

169

00:07:59,330 --> 00:07:57,000

neck watching Patty strut off it looked

170

00:08:01,370 --> 00:07:59,340

very real

171

00:08:05,210 --> 00:08:01,380

um freaked me out as a matter of fact

172

00:08:07,370 --> 00:08:05,220

you know I mean as many people do when

173

00:08:09,370 --> 00:08:07,380

they come to that point of realizing

174

00:08:12,770 --> 00:08:09,380

these things exist

175

00:08:15,950 --> 00:08:12,780

it's a it's a paradigm shift in your way

176

00:08:18,230 --> 00:08:15,960

of thinking I mean it it a lot of people

177

00:08:21,369 --> 00:08:18,240

can't handle it but I remember going

178

00:08:25,129 --> 00:08:21,379

through and my my you know early

179

00:08:26,529 --> 00:08:25,139

adolescent years uh interested but

180

00:08:30,650 --> 00:08:26,539

College

181

00:08:33,110 --> 00:08:30,660

girls job everything you know it fell in

182

00:08:37,430 --> 00:08:33,120

the rearview mirror and when I moved to

183

00:08:40,510 --> 00:08:37,440

Texas after college uh I I uh at first

184

00:08:43,790 --> 00:08:40,520

Aeronautics major in college and uh

185

00:08:46,250 --> 00:08:43,800

didn't didn't you know the industry was

186

00:08:49,850 --> 00:08:46,260

in the toilet and somebody uh talked me

187

00:08:52,310 --> 00:08:49,860

into between several menial jobs uh to

188

00:08:55,730 --> 00:08:52,320

to get on and put my application in with

189

00:08:59,329 --> 00:08:55,740

fire department uh took uh six months

190

00:09:01,670 --> 00:08:59,339

all kinds of testing and out of the 1800

191

00:09:04,550 --> 00:09:01,680

applicants I was one of the 60 that was

192

00:09:07,670 --> 00:09:04,560

you know uh accepted for their training

193

00:09:10,009 --> 00:09:07,680

class for that that quarter

194

00:09:11,990 --> 00:09:10,019

um in class there an Orson investigator

195

00:09:13,970 --> 00:09:12,000

came during some of our training and

196

00:09:16,370 --> 00:09:13,980

classroom gave a four-hour module in

197

00:09:18,470 --> 00:09:16,380

fire investigations and it was a light

198

00:09:20,870 --> 00:09:18,480

bulb moment I mean I said that's what I

199

00:09:23,449 --> 00:09:20,880

want to do took me 10 years and two

200

00:09:25,310 --> 00:09:23,459

promotions to get into that job but last

201  
00:09:27,650 --> 00:09:25,320  
12 years I was with Houston fire

202  
00:09:29,389 --> 00:09:27,660  
department uh was there as a Norse

203  
00:09:32,889 --> 00:09:29,399  
investor Captain's rank in the arson

204  
00:09:36,110 --> 00:09:32,899  
division but I moved to Texas

205  
00:09:37,150 --> 00:09:36,120  
completed my career with the city of

206  
00:09:40,610 --> 00:09:37,160  
Houston

207  
00:09:45,170 --> 00:09:40,620  
retired and moved into the Dallas area

208  
00:09:47,329 --> 00:09:45,180  
north Texas uh my son we had just one

209  
00:09:51,530 --> 00:09:47,339  
son not by choice that's how it worked

210  
00:09:54,230 --> 00:09:51,540  
out that's how life dealt it to us love

211  
00:09:57,710 --> 00:09:54,240  
fishing more than me he was about 15

212  
00:10:00,050 --> 00:09:57,720  
years old oh yeah he he passed me up but

213  
00:10:02,329 --> 00:10:00,060

we would go out and spend all night

214

00:10:06,290 --> 00:10:02,339

fishing at times you know great father

215

00:10:08,810 --> 00:10:06,300

and son time and not far from the house

216

00:10:12,530 --> 00:10:08,820

look it was 25 miles from downtown

217

00:10:15,170 --> 00:10:12,540

Dallas and and I was told by so-called

218

00:10:17,050 --> 00:10:15,180

experts no that couldn't be a Bigfoot

219

00:10:19,070 --> 00:10:17,060

you know it's too close to a major

220

00:10:22,430 --> 00:10:19,080

metropolitan area and I'm sure you've

221

00:10:25,850 --> 00:10:22,440

heard those same explanations but in in

222

00:10:29,090 --> 00:10:25,860

my 20 years of doing this I found that

223

00:10:32,690 --> 00:10:29,100

they do Venge Venture into populated

224

00:10:35,870 --> 00:10:32,700

areas for nothing more than rating trash

225

00:10:38,930 --> 00:10:35,880

cans dumpsters they love landfills

226

00:10:41,350 --> 00:10:38,940

they're an opportunist you know and they

227

00:10:44,269 --> 00:10:41,360

you know it's mortgage Board of garbage

228

00:10:47,090 --> 00:10:44,279

uh is fine with them matter of fact is

229

00:10:48,410 --> 00:10:47,100

probably you know a delicacy almost from

230

00:10:50,389 --> 00:10:48,420

what they have in the you know the

231

00:10:53,630 --> 00:10:50,399

natural sense but we were out there

232

00:10:55,790 --> 00:10:53,640

fishing in a remote heavily wood matter

233

00:10:57,730 --> 00:10:55,800

of fact it was Rowlett Creek and people

234

00:11:02,449 --> 00:10:57,740

listening might know where that is

235

00:11:05,090 --> 00:11:02,459

Rowlett Creek uh in uh the Garland area

236

00:11:08,329 --> 00:11:05,100

uh very thickly wooded but heavily

237

00:11:10,870 --> 00:11:08,339

fished and we were out there maybe from

238

00:11:13,730 --> 00:11:10,880

about eight o'clock uh caught a few

239

00:11:15,769 --> 00:11:13,740

Throwbacks had a few bites that weren't

240

00:11:17,449 --> 00:11:15,779

weren't knocking it out but hardcore

241

00:11:21,710 --> 00:11:17,459

fisherman it was enough to keep us

242

00:11:24,170 --> 00:11:21,720

interested and it was after midnight I

243

00:11:26,810 --> 00:11:24,180

want to say between midnight one o'clock

244

00:11:28,910 --> 00:11:26,820

uh had folding chairs right by the creek

245

00:11:31,430 --> 00:11:28,920

it had a sharp drop off right in front

246

00:11:34,610 --> 00:11:31,440

of us I had my pickup backed up with a a

247

00:11:37,550 --> 00:11:34,620

Coleman Lantern on which would light the

248

00:11:39,889 --> 00:11:37,560

area but to bait a hook or something we

249

00:11:41,690 --> 00:11:39,899

had cap lights we could turn on see real

250

00:11:44,569 --> 00:11:41,700

good turn the cap light off throw our

251  
00:11:47,269 --> 00:11:44,579  
line out there and had stink bait on the

252  
00:11:49,910 --> 00:11:47,279  
bottom for catfish had minnows under a

253  
00:11:51,949 --> 00:11:49,920  
cork throwing lures basically throwing

254  
00:11:55,250 --> 00:11:51,959  
out anyway anything we could to catch

255  
00:11:57,530 --> 00:11:55,260  
anything and I started becoming aware

256  
00:11:59,630 --> 00:11:57,540  
there was a little side Slough that ran

257  
00:12:02,870 --> 00:11:59,640  
right into the main Creek and I had my

258  
00:12:05,389 --> 00:12:02,880  
pickup parked on that Apex so we had two

259  
00:12:07,009 --> 00:12:05,399  
two water in front of us and water to

260  
00:12:09,889 --> 00:12:07,019  
our right well

261  
00:12:12,889 --> 00:12:09,899  
I began to notice maybe a crackle of

262  
00:12:15,530 --> 00:12:12,899  
leaves a brush of a limb just subtle

263  
00:12:17,509 --> 00:12:15,540

movement on the on our side of the creek

264

00:12:20,569 --> 00:12:17,519

but over the other side of that side

265

00:12:24,829 --> 00:12:20,579

Slough and I'll estimate maybe a hundred

266

00:12:27,949 --> 00:12:24,839

150 yards maybe 200 when I became aware

267

00:12:30,829 --> 00:12:27,959

of real subtle movement and over time

268

00:12:34,610 --> 00:12:30,839

I began to notice it was drawing closer

269

00:12:37,670 --> 00:12:34,620

uh didn't greatly concern me you've got

270

00:12:41,150 --> 00:12:37,680

armadillo you've got coyotes raccoons

271

00:12:43,850 --> 00:12:41,160

you know fortnite foraging animals none

272

00:12:46,250 --> 00:12:43,860

of which you know were a threat maybe a

273

00:12:47,750 --> 00:12:46,260

mountain lion which they are they've

274

00:12:51,050 --> 00:12:47,760

been sighted in and around the Dallas

275

00:12:54,769 --> 00:12:51,060

area and and the surrounding counties

276

00:12:57,670 --> 00:12:54,779

at some point the very distinctive

277

00:13:01,569 --> 00:12:57,680

feeling of being watched came over me

278

00:13:04,550 --> 00:13:01,579

not unsettling but just made me aware

279

00:13:06,710 --> 00:13:04,560

and I just casually started kind of

280

00:13:10,129 --> 00:13:06,720

scanning and panning and looking back at

281

00:13:13,090 --> 00:13:10,139

our pickup in the parking area my first

282

00:13:17,210 --> 00:13:13,100

thought was maybe some night

283

00:13:19,310 --> 00:13:17,220

person homeless person or somebody was

284

00:13:21,410 --> 00:13:19,320

just checking us out you know and and

285

00:13:24,889 --> 00:13:21,420

everything and I wasn't too concerned

286

00:13:27,490 --> 00:13:24,899

because I had a little pocket 380 stuck

287

00:13:30,590 --> 00:13:27,500

in my my fishing shirt pocket being

288

00:13:34,550 --> 00:13:30,600

honorably retired I carry protection

289

00:13:36,889 --> 00:13:34,560

like a set of keys and uh 357 in the

290

00:13:39,230 --> 00:13:36,899

truck if I you know felt more threatened

291

00:13:41,810 --> 00:13:39,240

but at least I wouldn't want to get

292

00:13:44,449 --> 00:13:41,820

popped by a 380 up close I mean it's not

293

00:13:46,850 --> 00:13:44,459

the weapon of choice but I had

294

00:13:50,750 --> 00:13:46,860

protection and so I was aware

295

00:13:53,930 --> 00:13:50,760

but at some point you know when you

296

00:13:54,949 --> 00:13:53,940

break a branch above the ground when it

297

00:13:57,710 --> 00:13:54,959

snaps

298

00:14:00,350 --> 00:13:57,720

the Acoustics are different than the

299

00:14:04,129 --> 00:14:00,360

branch on the ground being stepped on

300

00:14:06,530 --> 00:14:04,139

and breaking it has a muffled uh point

301  
00:14:08,990 --> 00:14:06,540  
to that sharp snap you can tell it's

302  
00:14:12,290 --> 00:14:09,000  
being stepped on rather than being held

303  
00:14:15,230 --> 00:14:12,300  
and I caught that muffled snap of a

304  
00:14:18,350 --> 00:14:15,240  
pretty good sized branch on across the

305  
00:14:20,810 --> 00:14:18,360  
side Slough which immediately told me it

306  
00:14:23,389 --> 00:14:20,820  
wasn't a light four-legged animal like a

307  
00:14:26,810 --> 00:14:23,399  
coyote or armadillo something with

308  
00:14:28,670 --> 00:14:26,820  
weight and mass just snap just stepped

309  
00:14:30,710 --> 00:14:28,680  
on a branch over there or you know

310  
00:14:32,269 --> 00:14:30,720  
pressed it and it broke under their

311  
00:14:34,790 --> 00:14:32,279  
their weight

312  
00:14:36,610 --> 00:14:34,800  
so I kind of looked around that

313  
00:14:39,650 --> 00:14:36,620

direction where I heard the sound

314

00:14:41,629 --> 00:14:39,660

casually got up put my pole down didn't

315

00:14:43,970 --> 00:14:41,639

make a big issue of it went over to my

316

00:14:46,129 --> 00:14:43,980

truck and got a q-beam spotlight

317

00:14:49,069 --> 00:14:46,139

and I turned it on and I started

318

00:14:51,110 --> 00:14:49,079

spotting across the side Slough and I

319

00:14:54,230 --> 00:14:51,120

would say that brush line was probably

320

00:14:56,750 --> 00:14:54,240

from where we were sitting no less than

321

00:14:59,509 --> 00:14:56,760

a hundred feet away you know pretty good

322

00:15:01,610 --> 00:14:59,519

distance anything that would have to get

323

00:15:03,829 --> 00:15:01,620

to us would have to cross water so there

324

00:15:06,410 --> 00:15:03,839

was a little bit of confidence or you

325

00:15:08,750 --> 00:15:06,420

know there not to worry but I was

326

00:15:11,090 --> 00:15:08,760

curious and as I was panning that

327

00:15:14,150 --> 00:15:11,100

Spotlight back and forth in that thick

328

00:15:16,790 --> 00:15:14,160

brush line now it wasn't protruding out

329

00:15:19,189 --> 00:15:16,800

of the brush but those gaps between the

330

00:15:22,730 --> 00:15:19,199

leaves and the branches and that bright

331

00:15:24,889 --> 00:15:22,740

light it momentarily illuminated a

332

00:15:28,610 --> 00:15:24,899

facial shape I'm not talking about a

333

00:15:30,470 --> 00:15:28,620

snout and ears but a facial shape and I

334

00:15:33,470 --> 00:15:30,480

only caught a glimpse because I was

335

00:15:35,509 --> 00:15:33,480

panning at a pretty good speed and I

336

00:15:38,329 --> 00:15:35,519

actually passed it when it registered

337

00:15:41,329 --> 00:15:38,339

there's a face there you know and then I

338

00:15:43,129 --> 00:15:41,339

snapped the light back and uh it wasn't

339

00:15:46,610 --> 00:15:43,139

there I couldn't locate I don't know if

340

00:15:49,129 --> 00:15:46,620

it recessed back or whatever but I only

341

00:15:51,710 --> 00:15:49,139

got a brief Glimpse but my son saw me

342

00:15:55,310 --> 00:15:51,720

kind of jerk and he turned over there he

343

00:15:56,810 --> 00:15:55,320

goes dad he said what are you doing well

344

00:15:58,009 --> 00:15:56,820

I didn't want to say man I think there's

345

00:15:59,870 --> 00:15:58,019

something over there you know I didn't

346

00:16:02,389 --> 00:15:59,880

want to you know I didn't want to Spook

347

00:16:04,550 --> 00:16:02,399

him up but I said oh I'm I'm just

348

00:16:07,490 --> 00:16:04,560

looking you know and I turned the light

349

00:16:09,410 --> 00:16:07,500

off pretty quick after that put it back

350

00:16:11,509 --> 00:16:09,420

in my truck and acted like you know oh

351

00:16:13,730 --> 00:16:11,519

there's nothing but in my mind I'm

352

00:16:16,370 --> 00:16:13,740

thinking what did I see over there you

353

00:16:18,530 --> 00:16:16,380

know so I got and I sat out in the chair

354

00:16:21,530 --> 00:16:18,540

and picked up my pole again

355

00:16:25,550 --> 00:16:21,540

and I'm going to say not more than 10

356

00:16:26,990 --> 00:16:25,560

minutes probably not less than five uh I

357

00:16:28,670 --> 00:16:27,000

was you know I'd occasionally glance

358

00:16:32,030 --> 00:16:28,680

over there and you know I had my my

359

00:16:35,350 --> 00:16:32,040

hearing attuned to that direction I

360

00:16:37,970 --> 00:16:35,360

heard a a swish a sound movement sound

361

00:16:39,350 --> 00:16:37,980

and I turned and looked over now you

362

00:16:42,410 --> 00:16:39,360

gotta understand it was a Coleman

363

00:16:45,350 --> 00:16:42,420

lantern it wasn't a big bright light but

364

00:16:49,569 --> 00:16:45,360

I saw something coming through the air

365

00:16:53,210 --> 00:16:49,579

arcing up and then down towards us

366

00:16:56,269 --> 00:16:53,220

and it hit the water about five feet in

367

00:16:58,310 --> 00:16:56,279

front of us okay on that sharp uh ledge

368

00:17:01,730 --> 00:16:58,320

right probably five feet away

369

00:17:05,030 --> 00:17:01,740

uh wasn't a baseball Splash or a rock

370

00:17:07,730 --> 00:17:05,040

Splash it was like a 50 pound child

371

00:17:13,130 --> 00:17:07,740

doing a cannonball off the high dive I

372

00:17:18,169 --> 00:17:15,289

Big and of course I'm falling back in my

373

00:17:21,230 --> 00:17:18,179

chair and then jumping up and my son

374

00:17:24,049 --> 00:17:21,240

drops his pole and he latches on to me

375

00:17:26,569 --> 00:17:24,059

like Elise screaming what was that what

376

00:17:29,150 --> 00:17:26,579

was that and I'm I'm pulling him back

377

00:17:31,789 --> 00:17:29,160

watching these big waves fan out from

378

00:17:33,890 --> 00:17:31,799

that impact point and in my mind I'm

379

00:17:36,650 --> 00:17:33,900

thinking what was that you know I mean

380

00:17:40,010 --> 00:17:36,660

it it scared the Daylights out of both

381

00:17:42,529 --> 00:17:40,020

of us and I dropped the pole and you

382

00:17:46,610 --> 00:17:42,539

know ran over to the truck forget the

383

00:17:48,350 --> 00:17:46,620

380 I was grabbing the 357. and I got it

384

00:17:50,029 --> 00:17:48,360

out of the truck and yelled I said

385

00:17:53,630 --> 00:17:50,039

that's not funny

386

00:17:56,810 --> 00:17:53,640

I said if you throw something again I

387

00:17:58,130 --> 00:17:56,820

have a gun I just may shoot back you

388

00:18:00,770 --> 00:17:58,140

know I was given a warning I wasn't

389

00:18:03,230 --> 00:18:00,780

going to go busting caps in the brush or

390

00:18:05,090 --> 00:18:03,240

anything but at the time I I thought

391

00:18:08,450 --> 00:18:05,100

there was somebody messing with this you

392

00:18:10,669 --> 00:18:08,460

know for whatever reason and I was very

393

00:18:13,070 --> 00:18:10,679

angry we were on open public land

394

00:18:15,950 --> 00:18:13,080

minding our own business not bothering

395

00:18:18,470 --> 00:18:15,960

anybody legally there and I walked over

396

00:18:22,310 --> 00:18:18,480

to that side Slough in the area across

397

00:18:25,370 --> 00:18:22,320

from where I saw that face I cocked that

398

00:18:27,890 --> 00:18:25,380

revolver single back single action aimed

399

00:18:29,690 --> 00:18:27,900

it down into the mud beside me not

400

00:18:33,049 --> 00:18:29,700

aiming it in the brush or threatening

401  
00:18:36,230 --> 00:18:33,059  
anything but uh plug one ear you know

402  
00:18:38,870 --> 00:18:36,240  
turned away plug one here and uh blew

403  
00:18:42,890 --> 00:18:38,880  
blasted around off down into the mud I

404  
00:18:46,430 --> 00:18:42,900  
mean a loud boom well the moment that

405  
00:18:49,310 --> 00:18:46,440  
that that uh gun went off right on the

406  
00:18:53,150 --> 00:18:49,320  
other side of us it sounded like a bull

407  
00:18:56,630 --> 00:18:53,160  
elk a big buck deer or a horse or

408  
00:18:59,810 --> 00:18:56,640  
something big bolting off away from us

409  
00:19:01,730 --> 00:18:59,820  
at a pretty good rate of speed and uh

410  
00:19:04,789 --> 00:19:01,740  
you could hear it crushing bushes

411  
00:19:06,950 --> 00:19:04,799  
snapping branches it didn't matter the

412  
00:19:10,250 --> 00:19:06,960  
foliage there it was plowing through it

413  
00:19:14,510 --> 00:19:10,260

like a baby bulldozer I mean very very

414

00:19:17,870 --> 00:19:14,520

uh stirring to say the least and it

415

00:19:20,029 --> 00:19:17,880

didn't slow down it it it faded off just

416

00:19:23,630 --> 00:19:20,039

plowing through that that heavy

417

00:19:25,970 --> 00:19:23,640

underbrush and uh my jaw was dropped

418

00:19:30,110 --> 00:19:25,980

open I looked over at my son his jaw was

419

00:19:33,950 --> 00:19:30,120

open and he goes dad what was that and I

420

00:19:36,470 --> 00:19:33,960

said I don't know but let's go you know

421

00:19:40,970 --> 00:19:36,480

I had my first what in the world was

422

00:19:42,890 --> 00:19:40,980

that moment I knew it was big uh I don't

423

00:19:45,110 --> 00:19:42,900

know I I went out the next day looking

424

00:19:49,909 --> 00:19:45,120

at distances David

425

00:19:53,570 --> 00:19:49,919

and I looked at it I estimated and

426

00:19:55,430 --> 00:19:53,580

there's no way uh any human that I know

427

00:19:58,190 --> 00:19:55,440

of could come close to chunking

428

00:20:00,590 --> 00:19:58,200

something that big was it a cinder block

429

00:20:04,610 --> 00:20:00,600

I don't know was it a dirt clod I don't

430

00:20:07,789 --> 00:20:04,620

know piece of concrete it was big and it

431

00:20:10,669 --> 00:20:07,799

lobbed it fairly accurately over over

432

00:20:12,289 --> 00:20:10,679

towards us if it hit either one of us it

433

00:20:16,850 --> 00:20:12,299

could have busted us up or maybe even

434

00:20:19,909 --> 00:20:16,860

killed us but uh I for a a time like

435

00:20:22,070 --> 00:20:19,919

anybody else I would tell that story you

436

00:20:23,690 --> 00:20:22,080

know and you'd get the nods you know and

437

00:20:25,970 --> 00:20:23,700

you know people would hear your story

438

00:20:29,450 --> 00:20:25,980

and I'd say go man what could have done

439

00:20:31,490 --> 00:20:29,460

that and and most people they don't have

440

00:20:35,750 --> 00:20:31,500

an answer for you and they pretty well

441

00:20:37,549 --> 00:20:35,760

well I don't know you know and go ahead

442

00:20:39,350 --> 00:20:37,559

can I interject on this point I actually

443

00:20:41,690 --> 00:20:39,360

want to get your take on this and Matt

444

00:20:44,029 --> 00:20:41,700

and it's because it's one of the areas

445

00:20:45,529 --> 00:20:44,039

that I think all and it could happen to

446

00:20:47,630 --> 00:20:45,539

me if I were out in the forest and this

447

00:20:49,789 --> 00:20:47,640

happened or anybody who's out there and

448

00:20:52,430 --> 00:20:49,799

has a you know even a Class B experience

449

00:20:54,710 --> 00:20:52,440

is there's a cognitive dissidence when

450

00:20:57,470 --> 00:20:54,720

something is thrown at you or multiple

451  
00:20:59,270 --> 00:20:57,480  
things have thrown at you and you have a

452  
00:21:02,390 --> 00:20:59,280  
pretty good idea that there aren't

453  
00:21:04,909 --> 00:21:02,400  
humans out in the area where you are

454  
00:21:07,250 --> 00:21:04,919  
what you're doing what are the species

455  
00:21:09,110 --> 00:21:07,260  
that are capable of picking up something

456  
00:21:10,490 --> 00:21:09,120  
and throwing can you and then Matt

457  
00:21:13,850 --> 00:21:10,500  
please answer that

458  
00:21:16,730 --> 00:21:13,860  
I don't know of any animal that has the

459  
00:21:20,450 --> 00:21:16,740  
coordination and the dexterity in their

460  
00:21:23,090 --> 00:21:20,460  
extremities to grip something maybe a

461  
00:21:26,029 --> 00:21:23,100  
gorilla could do that possibly you know

462  
00:21:28,250 --> 00:21:26,039  
but gorillas don't commonly dwell in

463  
00:21:31,370 --> 00:21:28,260

## North America

464

00:21:34,370 --> 00:21:31,380

um Bears have the power to and I I think

465

00:21:39,590 --> 00:21:34,380

they could lift something raise it and

466

00:21:41,510 --> 00:21:39,600

lift it but Bear's arms our legs are are

467

00:21:44,570 --> 00:21:41,520

on joints that that their their

468

00:21:46,850 --> 00:21:44,580

extremities stick out forward they don't

469

00:21:49,909 --> 00:21:46,860

have the ability to like are rotating

470

00:21:51,770 --> 00:21:49,919

shoulders uh to to actually throw

471

00:21:54,350 --> 00:21:51,780

something like that you know with the

472

00:21:57,830 --> 00:21:54,360

elbow motion we I don't know I mean I'm

473

00:21:59,810 --> 00:21:57,840

not an uh expert on Anatomy but I I

474

00:22:02,630 --> 00:21:59,820

played Sports all my life and I don't

475

00:22:05,149 --> 00:22:02,640

know of any animal in North America that

476  
00:22:09,110 --> 00:22:05,159  
could pick something up and lob it you

477  
00:22:12,110 --> 00:22:09,120  
know Arc it over towards us I I don't

478  
00:22:15,169 --> 00:22:12,120  
you know with you Matt

479  
00:22:15,950 --> 00:22:15,179  
I mean everything he said uh it takes a

480  
00:22:18,950 --> 00:22:15,960  
thumb

481  
00:22:21,110 --> 00:22:18,960  
uh to grasp something so

482  
00:22:24,470 --> 00:22:21,120  
once you start getting

483  
00:22:26,390 --> 00:22:24,480  
above Pebble size you're rolling out

484  
00:22:28,010 --> 00:22:26,400  
pretty much everything in this part of

485  
00:22:32,570 --> 00:22:28,020  
the country

486  
00:22:36,529 --> 00:22:32,580  
um anything let's just say

487  
00:22:38,630 --> 00:22:36,539  
there's some primate uh rehab places in

488  
00:22:41,169 --> 00:22:38,640

Texas at least one that I'm aware of

489

00:22:42,909 --> 00:22:41,179

let's just say something got out

490

00:22:46,610 --> 00:22:42,919

uh

491

00:22:48,649 --> 00:22:46,620

primates as far as We Know

492

00:22:50,990 --> 00:22:48,659

the the ones that are large enough to

493

00:22:53,330 --> 00:22:51,000

throw an object like chimps and gorillas

494

00:22:56,750 --> 00:22:53,340

and orangutans and things like that it's

495

00:22:58,250 --> 00:22:56,760

a flinging motion it's not a high arc

496

00:22:59,990 --> 00:22:58,260

it's not a throw

497

00:23:02,210 --> 00:23:00,000

uh

498

00:23:04,430 --> 00:23:02,220

and the odds of that you know being out

499

00:23:07,010 --> 00:23:04,440

in the woods and deciding to fling

500

00:23:09,770 --> 00:23:07,020

something at a human I it's just not

501  
00:23:12,950 --> 00:23:09,780  
going to happen uh the shoulder aspect

502  
00:23:14,510 --> 00:23:12,960  
is a huge one in my opinion not very

503  
00:23:17,570 --> 00:23:14,520  
many things on this planet have

504  
00:23:19,130 --> 00:23:17,580  
shoulders like we do and it's that

505  
00:23:21,950 --> 00:23:19,140  
shoulder strength

506  
00:23:24,590 --> 00:23:21,960  
that's used in combination with the arm

507  
00:23:27,590 --> 00:23:24,600  
strength to really throw something and

508  
00:23:29,270 --> 00:23:27,600  
uh like Rick you know my first

509  
00:23:31,610 --> 00:23:29,280  
experience with these things is very

510  
00:23:34,549 --> 00:23:31,620  
similar to his

511  
00:23:36,950 --> 00:23:34,559  
um the first aha moment I had involved

512  
00:23:37,970 --> 00:23:36,960  
Rock throwing only it was a very tiny

513  
00:23:41,750 --> 00:23:37,980

Rock

514

00:23:43,669 --> 00:23:41,760

and it was something was able to throw

515

00:23:46,130 --> 00:23:43,679

these tiny rocks

516

00:23:47,870 --> 00:23:46,140

and it was accurate enough that it

517

00:23:50,570 --> 00:23:47,880

landed on the hood of the car that I was

518

00:23:52,669 --> 00:23:50,580

leaned up against The Rock bounced off

519

00:23:54,049 --> 00:23:52,679

the hood and hit me in the stomach and

520

00:23:55,370 --> 00:23:54,059

fell back down on the hood in front of

521

00:23:57,590 --> 00:23:55,380

me

522

00:23:58,789 --> 00:23:57,600

I can't pick up a pebble and throw it

523

00:24:01,070 --> 00:23:58,799

through the trees

524

00:24:03,350 --> 00:24:01,080

I mean think about that for a second you

525

00:24:07,430 --> 00:24:03,360

can't I don't know how that happens yeah

526  
00:24:10,789 --> 00:24:07,440  
so uh I mean Rock throwing has always

527  
00:24:13,310 --> 00:24:10,799  
since day one stood out to me as like

528  
00:24:16,490 --> 00:24:13,320  
well how how can you write that one off

529  
00:24:18,649 --> 00:24:16,500  
there it has to be a person or a Bigfoot

530  
00:24:20,930 --> 00:24:18,659  
and that's what I call the 50 50

531  
00:24:23,930 --> 00:24:20,940  
equation which is usually as far as you

532  
00:24:25,789 --> 00:24:23,940  
can get with evidence so then you start

533  
00:24:28,250 --> 00:24:25,799  
okay well what are the odds that it's a

534  
00:24:31,310 --> 00:24:28,260  
person and ultimately you end up in a

535  
00:24:33,830 --> 00:24:31,320  
position where the odds are

536  
00:24:36,230 --> 00:24:33,840  
it's got to be a Bigfoot doing it

537  
00:24:37,549 --> 00:24:36,240  
yeah and Rick I think it's worth noting

538  
00:24:40,010 --> 00:24:37,559

I've heard that a lot of the gorillas

539

00:24:41,930 --> 00:24:40,020

don't like that fishing spot you had so

540

00:24:43,130 --> 00:24:41,940

that makes it less likely that's right I

541

00:24:45,649 --> 00:24:43,140

think I've heard that they're more like

542

00:24:48,350 --> 00:24:45,659

West Texas watering holes that's it

543

00:24:50,029 --> 00:24:48,360

you're you're perfectly correct before

544

00:24:51,289 --> 00:24:50,039

we move on with the story does Nathan

545

00:24:53,750 --> 00:24:51,299

and Debs have anything and then we'll

546

00:24:57,590 --> 00:24:53,760

just move on if you've got something no

547

00:24:59,870 --> 00:24:57,600

please continue this is great I uh kept

548

00:25:03,470 --> 00:24:59,880

that under my belt for a while and then

549

00:25:05,750 --> 00:25:03,480

didn't talk about it as much but uh I

550

00:25:07,850 --> 00:25:05,760

want to say a couple of years later you

551  
00:25:11,450 --> 00:25:07,860  
know I told the story often

552  
00:25:14,149 --> 00:25:11,460  
uh was surfing the web

553  
00:25:16,789 --> 00:25:14,159  
and somehow one of the threads that

554  
00:25:20,090 --> 00:25:16,799  
popped up on Google or wherever I was

555  
00:25:22,909 --> 00:25:20,100  
surfing uh it was a story and and the

556  
00:25:23,990 --> 00:25:22,919  
caption was uh fisherman attacked at

557  
00:25:26,930 --> 00:25:24,000  
night

558  
00:25:29,210 --> 00:25:26,940  
and I went whoa let me you know let me

559  
00:25:32,029 --> 00:25:29,220  
double click on this and see and it was

560  
00:25:36,190 --> 00:25:32,039  
over in Possum Kingdom Lake here in

561  
00:25:40,190 --> 00:25:36,200  
Texas and it led me to the BFRO website

562  
00:25:41,810 --> 00:25:40,200  
and I started reading it in my jaw drop

563  
00:25:45,649 --> 00:25:41,820

now there was like three or four

564

00:25:48,950 --> 00:25:45,659

fishermen very similar scenarios you

565

00:25:51,169 --> 00:25:48,960

know and man my mind was running Bigfoot

566

00:25:53,210 --> 00:25:51,179

you know Bigfoot you know that type of

567

00:25:57,049 --> 00:25:53,220

thing that's over in the you know the

568

00:25:58,029 --> 00:25:57,059

Pacific Northwest not not in Texas North

569

00:26:01,909 --> 00:25:58,039

Texas

570

00:26:04,310 --> 00:26:01,919

and I over reading and even I went to

571

00:26:07,490 --> 00:26:04,320

other different sightings and stuff I

572

00:26:09,350 --> 00:26:07,500

was overwhelmed with the documentation

573

00:26:12,890 --> 00:26:09,360

you know of sightings in the different

574

00:26:16,010 --> 00:26:12,900

areas in Texas and across the U.S and uh

575

00:26:20,350 --> 00:26:16,020

it really had my mind running so I went

576

00:26:23,330 --> 00:26:20,360

ahead and uh filled out a report online

577

00:26:26,210 --> 00:26:23,340

uh to to you know explain what happened

578

00:26:28,370 --> 00:26:26,220

where and everything and I I you know

579

00:26:30,110 --> 00:26:28,380

sent it in and I said fat chance I'm

580

00:26:32,750 --> 00:26:30,120

gonna get called back

581

00:26:35,810 --> 00:26:32,760

or you know contacted and it was like

582

00:26:38,450 --> 00:26:35,820

two or three days later I get a call I

583

00:26:40,909 --> 00:26:38,460

didn't take it and it left a voicemail

584

00:26:43,549 --> 00:26:40,919

it was a BFRO investigator

585

00:26:45,169 --> 00:26:43,559

and left a phone number and asked me to

586

00:26:48,590 --> 00:26:45,179

call him back he'd like to talk to me

587

00:26:50,690 --> 00:26:48,600

and I I called him back and uh I

588

00:26:53,570 --> 00:26:50,700

immediately haven't come from public

589

00:26:56,630 --> 00:26:53,580

safety law enforcement I could hear

590

00:26:59,750 --> 00:26:56,640

radio traffic in the background and I

591

00:27:02,269 --> 00:26:59,760

said uh are you a cop

592

00:27:05,990 --> 00:27:02,279

and uh he happened to be a federal

593

00:27:07,789 --> 00:27:06,000

officer in a particular agency and uh he

594

00:27:09,649 --> 00:27:07,799

was in the dispatch he wasn't you know

595

00:27:12,710 --> 00:27:09,659

working in but he was in the dispatch

596

00:27:14,450 --> 00:27:12,720

area talking on the phone which added a

597

00:27:16,549 --> 00:27:14,460

lot of credibility it didn't take me

598

00:27:19,130 --> 00:27:16,559

long to to know this guy really knew

599

00:27:22,190 --> 00:27:19,140

what he was talking about and he said oh

600

00:27:26,029 --> 00:27:22,200

yeah we're aware of of several instances

601  
00:27:29,870 --> 00:27:26,039  
in that Waterway of fisherman reporting

602  
00:27:34,549 --> 00:27:29,880  
uh seeing Bigfoot and stuff and so from

603  
00:27:36,350 --> 00:27:34,559  
there uh I I on my own and with him I

604  
00:27:38,990 --> 00:27:36,360  
even met him out there we we did a

605  
00:27:42,230 --> 00:27:39,000  
little bit of research uh I got another

606  
00:27:44,810 --> 00:27:42,240  
newbie and I uh started doing field

607  
00:27:48,529 --> 00:27:44,820  
research in the area where I had the The

608  
00:27:52,370 --> 00:27:48,539  
Rock throwing uh we were followed we

609  
00:27:54,890 --> 00:27:52,380  
were paralleled by something uh found a

610  
00:27:58,130 --> 00:27:54,900  
little crude bridge over a swamp

611  
00:28:00,529 --> 00:27:58,140  
Waterway and it was like turning a light

612  
00:28:02,750 --> 00:28:00,539  
switch on folks I mean we're we're in a

613  
00:28:05,510 --> 00:28:02,760

particular area of the woods and then

614

00:28:09,409 --> 00:28:05,520

all of a sudden this very pungent

615

00:28:12,830 --> 00:28:09,419

uh kind of a sickening odor just

616

00:28:14,750 --> 00:28:12,840

permeated all around us I mean it the

617

00:28:15,830 --> 00:28:14,760

best way I can describe it is sewer

618

00:28:19,130 --> 00:28:15,840

water

619

00:28:21,649 --> 00:28:19,140

something dead and a wet dog all kind of

620

00:28:26,269 --> 00:28:21,659

mixed together you know in one foul

621

00:28:28,730 --> 00:28:26,279

smell and it was funny it came on and

622

00:28:32,269 --> 00:28:28,740

then it disappeared pretty pretty

623

00:28:35,330 --> 00:28:32,279

quickly I mean uh kind of shocked us a

624

00:28:38,029 --> 00:28:35,340

little bit but we decided to switch our

625

00:28:41,750 --> 00:28:38,039

area I did a kind of a topography study

626  
00:28:44,690 --> 00:28:41,760  
of the Waterway it involved Lake Ray

627  
00:28:47,690 --> 00:28:44,700  
Hubbard Lake Lavon the East Trinity

628  
00:28:51,169 --> 00:28:47,700  
River of which Rowlett Creek is a

629  
00:28:53,269 --> 00:28:51,179  
tributary that runs into it and I moved

630  
00:28:56,630 --> 00:28:53,279  
over and we started research in another

631  
00:28:59,930 --> 00:28:56,640  
area and eventually that is where I had

632  
00:29:02,330 --> 00:28:59,940  
my first visual sighting of one uh it

633  
00:29:04,970 --> 00:29:02,340  
was through binoculars during the day we

634  
00:29:09,430 --> 00:29:04,980  
also had activity over there had stuff

635  
00:29:11,930 --> 00:29:09,440  
thrown at us but uh it was a technique

636  
00:29:14,630 --> 00:29:11,940  
that these researchers showed me when

637  
00:29:16,970 --> 00:29:14,640  
you get to an area face each other and

638  
00:29:19,549 --> 00:29:16,980

watch over each other's show older okay

639

00:29:21,230 --> 00:29:19,559

you you're looking at the guy there but

640

00:29:23,029 --> 00:29:21,240

you're looking over her shoulder to your

641

00:29:25,549 --> 00:29:23,039

right you're covering each other's back

642

00:29:28,610 --> 00:29:25,559

and that's exactly what happened I was

643

00:29:31,789 --> 00:29:28,620

talking to him but I had binoculars and

644

00:29:34,190 --> 00:29:31,799

uh what caught my attention it was down

645

00:29:35,810 --> 00:29:34,200

by one of the creek Banks over there and

646

00:29:39,649 --> 00:29:35,820

we were looking at some stick structures

647

00:29:42,049 --> 00:29:39,659

a little glint of light it was a flash

648

00:29:45,769 --> 00:29:42,059

of light caught my attention and all the

649

00:29:47,810 --> 00:29:45,779

greens and the Browns of the forest and

650

00:29:50,450 --> 00:29:47,820

I I turned my binoculars over there and

651  
00:29:53,450 --> 00:29:50,460  
I said it was too late for do on on

652  
00:29:55,130 --> 00:29:53,460  
leaves I said what reflected like that

653  
00:29:57,190 --> 00:29:55,140  
you know it was like a little mirror you

654  
00:30:00,110 --> 00:29:57,200  
know just a little flash glint of light

655  
00:30:02,630 --> 00:30:00,120  
and I was looking right in the area the

656  
00:30:06,950 --> 00:30:02,640  
bush and the tree where I saw it

657  
00:30:08,149 --> 00:30:06,960  
and it turned out to be the sweaty

658  
00:30:13,789 --> 00:30:08,159  
forehead

659  
00:30:16,130 --> 00:30:13,799  
of of not a a brown black uh normal

660  
00:30:18,970 --> 00:30:16,140  
color of a Bigfoot he was gray of course

661  
00:30:21,130 --> 00:30:18,980  
you know he was like gray

662  
00:30:24,529 --> 00:30:21,140  
right now yeah

663  
00:30:26,269 --> 00:30:24,539

I mean hey I don't care I don't care

664

00:30:30,049 --> 00:30:26,279

about it turning gray as long as it

665

00:30:32,590 --> 00:30:30,059

doesn't turn loose David yes yes uh yes

666

00:30:35,690 --> 00:30:32,600

sir well I've lost some here but anyway

667

00:30:39,710 --> 00:30:35,700

uh if he kind of looked like Stephen

668

00:30:41,750 --> 00:30:39,720

Stills you know had the big forehead and

669

00:30:45,649 --> 00:30:41,760

had kind of the gray hair down that's

670

00:30:48,950 --> 00:30:45,659

I'm serious but he was down in the brush

671

00:30:51,409 --> 00:30:48,960

looking right at me and it was a sweaty

672

00:30:53,269 --> 00:30:51,419

forehead that caught my attention of

673

00:30:55,370 --> 00:30:53,279

course the guy that I'm looking over the

674

00:30:56,750 --> 00:30:55,380

shoulders was I said there's one right

675

00:30:58,789 --> 00:30:56,760

there I can see it of course he's

676

00:31:01,669 --> 00:30:58,799

turning around where where you know and

677

00:31:03,830 --> 00:31:01,679

trying to trying to turn and move that

678

00:31:05,690 --> 00:31:03,840

direction and I was trying to move

679

00:31:08,330 --> 00:31:05,700

closer have you ever tried walking in

680

00:31:10,430 --> 00:31:08,340

the woods looking through binoculars not

681

00:31:13,549 --> 00:31:10,440

watching where your feet are stepping it

682

00:31:15,769 --> 00:31:13,559

doesn't work folks I hit a log and

683

00:31:18,230 --> 00:31:15,779

almost face planted you know I had to do

684

00:31:20,690 --> 00:31:18,240

some some quick movements to keep from

685

00:31:22,909 --> 00:31:20,700

crushing my face and once I got my

686

00:31:25,789 --> 00:31:22,919

balance back and got the binoculars back

687

00:31:28,850 --> 00:31:25,799

up the Bush was swaying and the big guy

688

00:31:32,029 --> 00:31:28,860

was was gone he he saw his opportunity

689

00:31:34,669 --> 00:31:32,039

to leave and that was my first sighting

690

00:31:38,810 --> 00:31:34,679

yeah at a distance 150 yards through

691

00:31:41,570 --> 00:31:38,820

binoculars but uh that in and of itself

692

00:31:44,930 --> 00:31:41,580

I thought once I had the my siding

693

00:31:46,149 --> 00:31:44,940

everybody would believe they exist not

694

00:31:52,490 --> 00:31:46,159

so

695

00:31:54,169 --> 00:31:52,500

you know hey um I hear people's wives

696

00:31:55,909 --> 00:31:54,179

like you know someone they love and

697

00:31:57,529 --> 00:31:55,919

they're married to and they say look I

698

00:32:00,769 --> 00:31:57,539

had an encounter tonight and you're like

699

00:32:03,350 --> 00:32:00,779

yeah sure he did but uh I went Julie has

700

00:32:05,690 --> 00:32:03,360

a question for you guys uh whomever Rick

701  
00:32:07,789 --> 00:32:05,700  
take this and if and also Matt if you

702  
00:32:12,169 --> 00:32:07,799  
want to win this ask him about spiral

703  
00:32:13,789 --> 00:32:12,179  
Vine is that sasquatchy so I think Jules

704  
00:32:15,830 --> 00:32:13,799  
are you talking about a forest structure

705  
00:32:18,470 --> 00:32:15,840  
that you've seen spiral Vine

706  
00:32:20,930 --> 00:32:18,480  
I think is that does that ring a bell

707  
00:32:23,389 --> 00:32:20,940  
with you guys or no well I've seen a lot

708  
00:32:25,490 --> 00:32:23,399  
of stuff twisted and braided up if

709  
00:32:28,610 --> 00:32:25,500  
that's what you're talking about they

710  
00:32:30,289 --> 00:32:28,620  
they uh they seem to do that I don't

711  
00:32:32,870 --> 00:32:30,299  
know if it's just casual you know

712  
00:32:35,870 --> 00:32:32,880  
something they just like doing uh I do

713  
00:32:38,630 --> 00:32:35,880

know they like to braid horses Mains uh

714

00:32:40,370 --> 00:32:38,640

a man that I attend church with I

715

00:32:43,549 --> 00:32:40,380

mentioned it one time I said you know he

716

00:32:45,470 --> 00:32:43,559

mentioned he had horses and I said uh

717

00:32:46,850 --> 00:32:45,480

have you ever found your horse's manes

718

00:32:49,370 --> 00:32:46,860

braided

719

00:32:52,070 --> 00:32:49,380

he kind of looked at me said man

720

00:32:54,169 --> 00:32:52,080

I I never looked I never noticed I said

721

00:32:55,970 --> 00:32:54,179

well you got horses and he was near a

722

00:32:57,950 --> 00:32:55,980

Game Preserve or a nature preserve

723

00:33:01,070 --> 00:32:57,960

behind his his property

724

00:33:03,950 --> 00:33:01,080

guess what next next week at church the

725

00:33:07,549 --> 00:33:03,960

guy brings a picture of a braid of his

726

00:33:10,310 --> 00:33:07,559

braided horse's mane and it wasn't a

727

00:33:13,549 --> 00:33:10,320

week or two later uh he took a picture

728

00:33:17,810 --> 00:33:15,769

whatever it was set in the snow and it

729

00:33:21,470 --> 00:33:17,820

melted in the form of their butt cheeks

730

00:33:24,830 --> 00:33:21,480

you know oh yeah yeah he brought me that

731

00:33:26,810 --> 00:33:24,840

picture with with a with a with with a

732

00:33:28,490 --> 00:33:26,820

foot impression in the back of his

733

00:33:30,710 --> 00:33:28,500

property there so they apparently were

734

00:33:34,070 --> 00:33:30,720

coming in there but it you know stuff

735

00:33:37,669 --> 00:33:34,080

like that folks people with no reason to

736

00:33:39,830 --> 00:33:37,679

lie you know telling you things that

737

00:33:43,789 --> 00:33:39,840

they say look I don't care what people

738

00:33:45,889 --> 00:33:43,799

say I saw what I saw and in my early

739

00:33:48,350 --> 00:33:45,899

information gathering

740

00:33:51,769 --> 00:33:48,360

uh with you know my first career

741

00:33:55,250 --> 00:33:51,779

interviewing or custodial interrogation

742

00:33:58,190 --> 00:33:55,260

was a part of my job I'm pretty good at

743

00:34:01,970 --> 00:33:58,200

at getting one-on-one with somebody mono

744

00:34:03,649 --> 00:34:01,980

imano and my My Success on whether

745

00:34:06,409 --> 00:34:03,659

they're fabricating or actually

746

00:34:08,510 --> 00:34:06,419

recalling what the experience can run up

747

00:34:12,109 --> 00:34:08,520

close to 90 percent now it's got to be

748

00:34:15,050 --> 00:34:12,119

in a very con controlled unintrusive no

749

00:34:17,810 --> 00:34:15,060

distractions environment but I would

750

00:34:20,510 --> 00:34:17,820

throw that on people sometimes and not

751  
00:34:23,869 --> 00:34:20,520  
not in an interrogation form in a casual

752  
00:34:27,349 --> 00:34:23,879  
you know conversation but I could tell

753  
00:34:30,050 --> 00:34:27,359  
this person was not lying to me you know

754  
00:34:31,909 --> 00:34:30,060  
and they had no reason or personal gain

755  
00:34:34,730 --> 00:34:31,919  
to be telling their story that's what

756  
00:34:36,950 --> 00:34:34,740  
convinced me more than even my first

757  
00:34:39,589 --> 00:34:36,960  
visual sightings there's something to

758  
00:34:41,930 --> 00:34:39,599  
this man you know these people are not a

759  
00:34:45,349 --> 00:34:41,940  
Cadre of liars you know that are that

760  
00:34:46,849 --> 00:34:45,359  
that have kind of formed a a union or a

761  
00:34:48,369 --> 00:34:46,859  
bond you know when you talk to one

762  
00:34:51,470 --> 00:34:48,379  
person from one end of the country

763  
00:34:54,109 --> 00:34:51,480

telling you my new details on another

764

00:34:57,170 --> 00:34:54,119

end of the country things that wouldn't

765

00:34:59,270 --> 00:34:57,180

matter or make any difference and they

766

00:35:00,950 --> 00:34:59,280

tell you these minute details that are

767

00:35:02,329 --> 00:35:00,960

exactly the same

768

00:35:05,450 --> 00:35:02,339

there's something too it's called

769

00:35:07,490 --> 00:35:05,460

cooperation you know and yeah I think

770

00:35:10,150 --> 00:35:07,500

there's a pretty good Cadre of Witnesses

771

00:35:13,250 --> 00:35:10,160

in like 49 states plus Canada

772

00:35:14,810 --> 00:35:13,260

absolutely North America now I don't

773

00:35:16,210 --> 00:35:14,820

know if too many come from Mexico I've

774

00:35:19,790 --> 00:35:16,220

heard of a few

775

00:35:23,870 --> 00:35:19,800

stories out of Mexico but North America

776

00:35:25,510 --> 00:35:23,880

you know from U.S up you know is is full

777

00:35:29,089 --> 00:35:25,520

of all that but

778

00:35:31,790 --> 00:35:29,099

I as many other people David believed

779

00:35:34,910 --> 00:35:31,800

they were an Undiscovered primate highly

780

00:35:37,750 --> 00:35:34,920

elusive undiscovered primate in my

781

00:35:41,569 --> 00:35:37,760

initial you know uh information

782

00:35:45,650 --> 00:35:41,579

gathering didn't go much to my Native

783

00:35:48,170 --> 00:35:45,660

American uh lineage and blood till later

784

00:35:50,770 --> 00:35:48,180

my grandmother was full-blood Cherokee

785

00:35:54,650 --> 00:35:50,780

my grandfather was mixed blood Cherokee

786

00:35:57,050 --> 00:35:54,660

uh I I took after the Scots Irish Dutch

787

00:35:59,690 --> 00:35:57,060

in German and I'm I'm proud of all of it

788

00:36:04,430 --> 00:35:59,700

it's who I am I can't be anybody but me

789

00:36:06,890 --> 00:36:04,440

but the native people when you study and

790

00:36:09,950 --> 00:36:06,900

gather information their perspective of

791

00:36:12,770 --> 00:36:09,960

these subjects in most cases are very

792

00:36:15,829 --> 00:36:12,780

different than than the European you

793

00:36:19,609 --> 00:36:15,839

know lineage Americans uh it's not a big

794

00:36:22,250 --> 00:36:19,619

deal with these people and Arla uh

795

00:36:25,130 --> 00:36:22,260

Williams who you mentioned is is has

796

00:36:28,490 --> 00:36:25,140

native descent and and that's where my

797

00:36:30,950 --> 00:36:28,500

Epiphany actually occurred in my whole

798

00:36:34,250 --> 00:36:30,960

way of thinking about these these

799

00:36:39,349 --> 00:36:34,260

subjects Changed by an extraordinary

800

00:36:41,630 --> 00:36:39,359

chain of events uh I I was uh I heard

801  
00:36:44,810 --> 00:36:41,640  
and I talked to Arlen and some of what

802  
00:36:47,329 --> 00:36:44,820  
she told me David and any other folks it

803  
00:36:50,810 --> 00:36:47,339  
sounded too incredible I mean you know

804  
00:36:53,030 --> 00:36:50,820  
people would call it a woo factor and uh

805  
00:36:55,089 --> 00:36:53,040  
I found a lot of very serious

806  
00:36:58,970 --> 00:36:55,099  
researchers without

807  
00:37:02,270 --> 00:36:58,980  
formal forensic training education and

808  
00:37:04,910 --> 00:37:02,280  
experience form very strict boundaries

809  
00:37:07,630 --> 00:37:04,920  
as to what these subjects are and what

810  
00:37:11,450 --> 00:37:07,640  
they're not and if it doesn't meet that

811  
00:37:13,730 --> 00:37:11,460  
expectation biased it's thrown out and

812  
00:37:15,650 --> 00:37:13,740  
I'll tell you it's not that's not the

813  
00:37:20,150 --> 00:37:15,660

scientific method you consider all

814

00:37:24,290 --> 00:37:20,160

possibilities very very critically and

815

00:37:26,329 --> 00:37:24,300

closely but sadly in this line you've

816

00:37:29,450 --> 00:37:26,339

got a lot of people no that's not it it

817

00:37:31,730 --> 00:37:29,460

was just like me told very by very

818

00:37:33,589 --> 00:37:31,740

so-called experts no you didn't see a

819

00:37:35,930 --> 00:37:33,599

bit you know that wasn't a Bigfoot

820

00:37:39,829 --> 00:37:35,940

experience too close to the to the

821

00:37:41,990 --> 00:37:39,839

Dallas area well what what you know

822

00:37:45,050 --> 00:37:42,000

empirical knowledge do you have that you

823

00:37:47,810 --> 00:37:45,060

can base that opinion and statement on

824

00:37:51,829 --> 00:37:47,820

on scientific facts you know it's it's

825

00:37:53,569 --> 00:37:51,839

just an opinion an expectation biased if

826

00:37:55,849 --> 00:37:53,579

it doesn't fit their preconceived ideas

827

00:37:58,609 --> 00:37:55,859

they they throw it out I'm sorry I got

828

00:38:01,250 --> 00:37:58,619

on that soapbox folks but no that's good

829

00:38:03,170 --> 00:38:01,260

it's true you got to consider all

830

00:38:06,109 --> 00:38:03,180

possibilities well

831

00:38:09,230 --> 00:38:06,119

I had thought that they were a you know

832

00:38:11,810 --> 00:38:09,240

like I said an Undiscovered primate that

833

00:38:14,450 --> 00:38:11,820

can be baited tricked and everything and

834

00:38:16,910 --> 00:38:14,460

I I told Arla I asked her I said can I

835

00:38:19,569 --> 00:38:16,920

pay it was a drum make Native American

836

00:38:23,089 --> 00:38:19,579

drum making Workshop there were probably

837

00:38:25,490 --> 00:38:23,099

25 or 30 people there on her land you

838

00:38:26,990 --> 00:38:25,500

know that that were attending I told her

839

00:38:28,970 --> 00:38:27,000

I said I wasn't interested in making

840

00:38:31,490 --> 00:38:28,980

drums but could I come up and hang out

841

00:38:33,290 --> 00:38:31,500

and kind of you know lurk around your

842

00:38:35,170 --> 00:38:33,300

property because she had had been

843

00:38:37,430 --> 00:38:35,180

reported she had a ton of big fat

844

00:38:41,270 --> 00:38:37,440

Bigfoot activity there

845

00:38:43,609 --> 00:38:41,280

and so for I want to say three two I

846

00:38:45,290 --> 00:38:43,619

remember I get lost on the time frame I

847

00:38:47,990 --> 00:38:45,300

don't know it was a four day long

848

00:38:51,349 --> 00:38:48,000

weekend or three three to four days up

849

00:38:55,970 --> 00:38:51,359

there uh I lurked around snuck around

850

00:38:58,450 --> 00:38:55,980

with a gin one uh night vision scope and

851

00:39:00,950 --> 00:38:58,460

I had a little RCA Small Wonder

852

00:39:04,250 --> 00:39:00,960

camcorder that I could hold over the

853

00:39:07,130 --> 00:39:04,260

eyepiece of that gen 1 scope and I could

854

00:39:09,050 --> 00:39:07,140

actually record the video you know

855

00:39:12,109 --> 00:39:09,060

through the eyepiece and then of course

856

00:39:13,970 --> 00:39:12,119

the camcorder had a you know a mic to it

857

00:39:14,990 --> 00:39:13,980

so I could get audio and video night

858

00:39:17,690 --> 00:39:15,000

vision

859

00:39:21,770 --> 00:39:17,700

and of course I sent you that one clip

860

00:39:24,950 --> 00:39:21,780

David of the uh the one voice you need

861

00:39:26,750 --> 00:39:24,960

earphones to hear it but uh I will I

862

00:39:28,430 --> 00:39:26,760

didn't have a chance yet today to listen

863

00:39:29,930 --> 00:39:28,440

Okay and by the way Rick I'm

864

00:39:32,150 --> 00:39:29,940

disappointed that you didn't make the

865

00:39:34,310 --> 00:39:32,160

drums and research I feel like you

866

00:39:35,329 --> 00:39:34,320

should have dual rolled on this one I

867

00:39:37,430 --> 00:39:35,339

feel like you should have left there

868

00:39:39,890 --> 00:39:37,440

with a Cherokee drum I really do but

869

00:39:41,230 --> 00:39:39,900

anyway no ah yeah I shortchanged him

870

00:39:44,990 --> 00:39:41,240

there but

871

00:39:48,170 --> 00:39:45,000

I for for several days I got LED around

872

00:39:50,390 --> 00:39:48,180

with a few knocks a few whoops you know

873

00:39:53,510 --> 00:39:50,400

and I like a chicken with my head cut

874

00:39:57,730 --> 00:39:53,520

off they they were having fun with me

875

00:40:00,109 --> 00:39:57,740

but not doing much and I got I got

876

00:40:02,750 --> 00:40:00,119

discouraged upset

877

00:40:04,970 --> 00:40:02,760

I remember it was turning dark

878

00:40:08,450 --> 00:40:04,980

I had driven my truck down a remote

879

00:40:11,210 --> 00:40:08,460

access road there was nobody around okay

880

00:40:14,210 --> 00:40:11,220

that was private property she's

881

00:40:15,829 --> 00:40:14,220

surrounded by people that if they catch

882

00:40:17,569 --> 00:40:15,839

you on their property you stand a good

883

00:40:20,089 --> 00:40:17,579

chance of getting shot if you don't

884

00:40:21,829 --> 00:40:20,099

belong there yeah you're going to be

885

00:40:25,730 --> 00:40:21,839

dealt with you know and it could be

886

00:40:27,829 --> 00:40:25,740

Swift and hard Fast and Furious so it

887

00:40:29,569 --> 00:40:27,839

wouldn't be the place a casual prankster

888

00:40:31,910 --> 00:40:29,579

or somebody is just going to be passing

889

00:40:34,609 --> 00:40:31,920

through it's hard to get in there in the

890

00:40:36,710 --> 00:40:34,619

first place so I was on one of the roads

891

00:40:38,270 --> 00:40:36,720

there access roads unfortunately all the

892

00:40:40,490 --> 00:40:38,280

neighbors knew we were all there with

893

00:40:43,250 --> 00:40:40,500

Arla so that wasn't a problem

894

00:40:45,230 --> 00:40:43,260

but I was sitting on my tailgate and I

895

00:40:46,910 --> 00:40:45,240

got that feeling of being watched again

896

00:40:50,450 --> 00:40:46,920

okay

897

00:40:53,030 --> 00:40:50,460

and I was I was I was like I said

898

00:40:54,470 --> 00:40:53,040

discouraged and I said look now if

899

00:40:56,990 --> 00:40:54,480

somebody had walked up they saw me

900

00:40:59,510 --> 00:40:57,000

talking to the trees you know but

901

00:41:03,349 --> 00:40:59,520

I you know I said look

902

00:41:06,829 --> 00:41:03,359

all I want is a close-up

903

00:41:09,349 --> 00:41:06,839

view I want to see you up close that's

904

00:41:11,890 --> 00:41:09,359

all that's all I just I just want to see

905

00:41:16,250 --> 00:41:11,900

you up close I'm not here to hurt you

906

00:41:18,950 --> 00:41:16,260

just let me see you up close

907

00:41:20,569 --> 00:41:18,960

and one of the guys there he called me

908

00:41:23,170 --> 00:41:20,579

on the radio he said I'm making my way

909

00:41:25,310 --> 00:41:23,180

down you know the the law the the road

910

00:41:26,870 --> 00:41:25,320

and he said I'll be there in a second

911

00:41:28,490 --> 00:41:26,880

and he came up

912

00:41:30,290 --> 00:41:28,500

he said did you know you were being

913

00:41:31,970 --> 00:41:30,300

watched I said well I kind of felt like

914

00:41:34,430 --> 00:41:31,980

he said yeah I saw him moving North

915

00:41:36,710 --> 00:41:34,440

through the woods away from you he said

916

00:41:38,810 --> 00:41:36,720

I didn't get a good look but they were

917

00:41:41,210 --> 00:41:38,820

moving away but they had been close to

918

00:41:42,950 --> 00:41:41,220

you on your your right north side you

919

00:41:46,310 --> 00:41:42,960

know as you were sitting on the back

920

00:41:50,390 --> 00:41:46,320

your truck so you know went in had we

921

00:41:54,589 --> 00:41:50,400

ate had had stuff uh went to bed uh in

922

00:41:57,349 --> 00:41:54,599

my camper shell and uh the next day

923

00:41:59,150 --> 00:41:57,359

early that day some ladies had had a

924

00:42:01,490 --> 00:41:59,160

sighting on a lunch break they weren't

925

00:42:03,290 --> 00:42:01,500

there for bigfoot but they were down

926

00:42:05,510 --> 00:42:03,300

there they'd ate lunch and went down by

927

00:42:08,270 --> 00:42:05,520

this Creek sat on some rock ledge and

928

00:42:10,550 --> 00:42:08,280

and come back gushing that they saw this

929

00:42:12,829 --> 00:42:10,560

this figure peeking around the tree at

930

00:42:16,010 --> 00:42:12,839

them and and she caught a she caught a

931

00:42:19,910 --> 00:42:16,020

uh a little old phone picture of it hey

932

00:42:22,190 --> 00:42:19,920

I was I was torqued folks I was mad I've

933

00:42:24,770 --> 00:42:22,200

been up there for three days and didn't

934

00:42:26,990 --> 00:42:24,780

see anything and these ladies that were

935

00:42:30,349 --> 00:42:27,000

up there not even there for bigfoots it

936

00:42:32,270 --> 00:42:30,359

wasn't fair they saw one you know and so

937

00:42:35,030 --> 00:42:32,280

I was pretty well kind of bummed out

938

00:42:38,450 --> 00:42:35,040

about that but I did have them take me

939

00:42:40,910 --> 00:42:38,460

back to that area and I was at the time

940

00:42:43,550 --> 00:42:40,920

all I could see I'm holding this RCA

941

00:42:46,430 --> 00:42:43,560

Small Wonder with a little one by one

942

00:42:48,589 --> 00:42:46,440

LED screen in the sunlight with little

943

00:42:50,870 --> 00:42:48,599

uh monocular on the front it was a jury

944

00:42:53,930 --> 00:42:50,880

rig uh telephoto but I could put them

945

00:42:56,930 --> 00:42:53,940

both in my front shirt pocket I did get

946

00:42:58,730 --> 00:42:56,940

one I didn't send you the the video of

947

00:43:01,250 --> 00:42:58,740

that but at the time I just saw a

948

00:43:04,370 --> 00:43:01,260

movement it was later studying my videos

949

00:43:07,670 --> 00:43:04,380

that I said wow I actually got one you

950

00:43:12,650 --> 00:43:07,680

know so but that that night

951  
00:43:15,349 --> 00:43:12,660  
uh my as as was my uh uh modus operandi

952  
00:43:18,230 --> 00:43:15,359  
is I would leave the the Fireside Native

953  
00:43:21,349 --> 00:43:18,240  
American functions and I would go into

954  
00:43:24,410 --> 00:43:21,359  
the woods Arla had a clear-cut what

955  
00:43:26,329 --> 00:43:24,420  
maybe 30 40 acres and then was

956  
00:43:29,089 --> 00:43:26,339  
surrounded by thick Woods I would go

957  
00:43:33,470 --> 00:43:29,099  
into the woods One Direction I would

958  
00:43:36,230 --> 00:43:33,480  
stop I would I would be totally still I

959  
00:43:38,809 --> 00:43:36,240  
would pan and scan with my gen 1 to make

960  
00:43:41,569 --> 00:43:38,819  
sure I wasn't being followed because I

961  
00:43:44,809 --> 00:43:41,579  
kind of had a little skept it step and

962  
00:43:46,730 --> 00:43:44,819  
it was a skeptic that I might be pranked

963  
00:43:49,670 --> 00:43:46,740

with you know that somebody might you

964

00:43:52,309 --> 00:43:49,680

know just play with me people you know

965

00:43:55,190 --> 00:43:52,319

and uh it was just in the back of my

966

00:43:56,630 --> 00:43:55,200

mind I was skeptical over that and I

967

00:43:59,809 --> 00:43:56,640

wouldn't want to make sure that I wasn't

968

00:44:01,550 --> 00:43:59,819

followed well I went into the woods on

969

00:44:03,609 --> 00:44:01,560

the south side of her property and I

970

00:44:06,170 --> 00:44:03,619

made my way around towards the east

971

00:44:09,290 --> 00:44:06,180

stopping panning and scanning and seeing

972

00:44:11,690 --> 00:44:09,300

if I was being followed and uh no

973

00:44:14,690 --> 00:44:11,700

nothing you know nobody was there I got

974

00:44:16,910 --> 00:44:14,700

into a very uh tactical position where

975

00:44:19,190 --> 00:44:16,920

Arla said they may come out of the woods

976  
00:44:22,550 --> 00:44:19,200  
and watch the Fireside service so I was

977  
00:44:25,490 --> 00:44:22,560  
flanking that position and I was going

978  
00:44:29,150 --> 00:44:25,500  
to try to get video If one came out of

979  
00:44:32,870 --> 00:44:29,160  
the uh Out of the Woods excuse me

980  
00:44:34,250 --> 00:44:32,880  
so I never saw Arla leave the group of

981  
00:44:37,550 --> 00:44:34,260  
course I wasn't really watching the

982  
00:44:40,250 --> 00:44:37,560  
group that much but at some point I see

983  
00:44:41,930 --> 00:44:40,260  
this figure coming out of the woods you

984  
00:44:44,809 --> 00:44:41,940  
know and I began videoing and everything

985  
00:44:47,270 --> 00:44:44,819  
and and oh yeah I want to get one and

986  
00:44:48,829 --> 00:44:47,280  
all sudden I wait a minute it's out in

987  
00:44:52,490 --> 00:44:48,839  
the clear now and they're not going

988  
00:44:54,650 --> 00:44:52,500

anywhere but towards me and I'm kind of

989

00:44:56,990 --> 00:44:54,660

puzzled and I'm watching and saying who

990

00:44:58,490 --> 00:44:57,000

is this I quit videoing and I looked

991

00:45:02,270 --> 00:44:58,500

through the the scope and get a better

992

00:45:04,190 --> 00:45:02,280

look it was Arla I'm thinking

993

00:45:07,130 --> 00:45:04,200

when did she go over there I didn't see

994

00:45:08,809 --> 00:45:07,140

her leave the the group and uh instead

995

00:45:11,930 --> 00:45:08,819

of heading back towards there now you

996

00:45:14,690 --> 00:45:11,940

look it was almost pitch well two-thirds

997

00:45:17,450 --> 00:45:14,700

moon but under that canopy it was dark

998

00:45:20,750 --> 00:45:17,460

uh she didn't go back to the group she

999

00:45:22,490 --> 00:45:20,760

she made a beeline towards me and I

1000

00:45:25,250 --> 00:45:22,500

stood up out of the brush when she got

1001  
00:45:28,550 --> 00:45:25,260  
you know half dozen steps away and I

1002  
00:45:31,490 --> 00:45:28,560  
said Arla how did you know I was here

1003  
00:45:34,550 --> 00:45:31,500  
she goes they told me you were here

1004  
00:45:36,470 --> 00:45:34,560  
and you know my mind is still doubt and

1005  
00:45:40,010 --> 00:45:36,480  
I'm saying well that's pretty good you

1006  
00:45:43,430 --> 00:45:40,020  
know that she found me but the next

1007  
00:45:45,410 --> 00:45:43,440  
statement blew me away she said do you

1008  
00:45:47,089 --> 00:45:45,420  
want to go see them

1009  
00:45:50,089 --> 00:45:47,099  
okay

1010  
00:45:53,329 --> 00:45:50,099  
the night before I'm telling them with

1011  
00:45:55,609 --> 00:45:53,339  
nobody else around I want to see you

1012  
00:45:58,910 --> 00:45:55,619  
and then the next night somebody that

1013  
00:46:01,069 --> 00:45:58,920

wasn't there didn't know what I said ask

1014

00:46:03,910 --> 00:46:01,079

me the question do you want to go see

1015

00:46:07,609 --> 00:46:03,920

them wow

1016

00:46:09,890 --> 00:46:07,619

exactly you know my investigative law

1017

00:46:13,069 --> 00:46:09,900

enforcement mine knew the chances of

1018

00:46:16,010 --> 00:46:13,079

that are not impossible nor is it

1019

00:46:19,609 --> 00:46:16,020

impossible to get hit by a meteorite you

1020

00:46:22,250 --> 00:46:19,619

know or a comet but it's not likely you

1021

00:46:25,370 --> 00:46:22,260

know I mean that blew me away when she

1022

00:46:28,370 --> 00:46:25,380

said that and I said sure you know my

1023

00:46:30,410 --> 00:46:28,380

mind's still trying to digest wow if

1024

00:46:31,309 --> 00:46:30,420

this is a prank they're pretty good at

1025

00:46:35,210 --> 00:46:31,319

this

1026  
00:46:36,710 --> 00:46:35,220  
so uh we went by the uh we went by the

1027  
00:46:40,430 --> 00:46:36,720  
group

1028  
00:46:42,109 --> 00:46:40,440  
and uh walked back up to the north side

1029  
00:46:46,609 --> 00:46:42,119  
of her property

1030  
00:46:49,910 --> 00:46:46,619  
and it was uh uh I want to say that

1031  
00:46:54,230 --> 00:46:49,920  
about a six foot fence five to six foot

1032  
00:46:57,950 --> 00:46:54,240  
fence uh game fence wooden the clear cut

1033  
00:46:59,990 --> 00:46:57,960  
was about 10 feet out from the fence and

1034  
00:47:03,470 --> 00:47:00,000  
I leaned on it and arless started

1035  
00:47:06,829 --> 00:47:03,480  
calling these subjects by name okay

1036  
00:47:08,930 --> 00:47:06,839  
and it sounded real to me I could hear

1037  
00:47:11,450 --> 00:47:08,940  
it coming up out of the creek bottom

1038  
00:47:14,750 --> 00:47:11,460

from due east

1039

00:47:17,210 --> 00:47:14,760

at least one maybe a couple and then I

1040

00:47:19,670 --> 00:47:17,220

began to hear the same thing coming from

1041

00:47:23,569 --> 00:47:19,680

our Northeast coming up out of the creek

1042

00:47:26,569 --> 00:47:23,579

bottom and into our Southeast even more

1043

00:47:30,309 --> 00:47:26,579

footfalls and it's in the thick Oklahoma

1044

00:47:32,990 --> 00:47:30,319

brush it's pitch dark I don't see any

1045

00:47:34,750 --> 00:47:33,000

flashlights and I'm thinking you know if

1046

00:47:38,150 --> 00:47:34,760

these people are pranking with me

1047

00:47:40,730 --> 00:47:38,160

they're pretty good you know it sounds

1048

00:47:43,250 --> 00:47:40,740

real and big to me and they made their

1049

00:47:46,730 --> 00:47:43,260

way towards us from three different

1050

00:47:48,950 --> 00:47:46,740

directions and I would estimate pause in

1051

00:47:50,990 --> 00:47:48,960

the thick foliage about 10 feet back

1052

00:47:53,930 --> 00:47:51,000

they didn't come out they didn't break

1053

00:47:56,930 --> 00:47:53,940

cover but all this moved up it sounded

1054

00:47:59,569 --> 00:47:56,940

very real and Arla had told me don't

1055

00:48:01,849 --> 00:47:59,579

take any pictures don't put anything up

1056

00:48:06,349 --> 00:48:01,859

to your face and don't use a flashlight

1057

00:48:08,930 --> 00:48:06,359

and I you know I said okay but at that

1058

00:48:11,930 --> 00:48:08,940

point I asked her I said Can can I use

1059

00:48:13,970 --> 00:48:11,940

my night vision I wanna I wanna kind of

1060

00:48:16,910 --> 00:48:13,980

get a look at what's behind that brush

1061

00:48:20,270 --> 00:48:16,920

back there and she said yeah go ahead

1062

00:48:22,609 --> 00:48:20,280

now I had just used this scope folks it

1063

00:48:26,329 --> 00:48:22,619

was nearly brand new

1064

00:48:28,069 --> 00:48:26,339

and I could not get that scope to come

1065

00:48:30,230 --> 00:48:28,079

on okay

1066

00:48:33,170 --> 00:48:30,240

and I'm fiddling with the batteries and

1067

00:48:36,230 --> 00:48:33,180

the switch and everything I tried it two

1068

00:48:38,630 --> 00:48:36,240

times and I looked over at Arlen I said

1069

00:48:41,030 --> 00:48:38,640

it's not working man I don't know what

1070

00:48:43,680 --> 00:48:41,040

happened to it and she just kind of

1071

00:48:45,730 --> 00:48:43,690

smiled and she goes try it now

1072

00:48:49,790 --> 00:48:45,740

[Laughter]

1073

00:48:52,430 --> 00:48:49,800

click right on okay my first thought was

1074

00:48:55,550 --> 00:48:52,440

whoa is this woman a witch or something

1075

00:48:58,130 --> 00:48:55,560

or what you know I mean it was freaking

1076

00:49:00,290 --> 00:48:58,140

me out that really knocked me out of my

1077

00:49:03,050 --> 00:49:00,300

comfort zone because I'm thinking how

1078

00:49:07,730 --> 00:49:03,060

could anybody unless they had some kind

1079

00:49:10,010 --> 00:49:07,740

of uh fantastic EMF you know uh how

1080

00:49:12,530 --> 00:49:10,020

could they affect this night vision that

1081

00:49:14,150 --> 00:49:12,540

was working fine and of course I

1082

00:49:16,910 --> 00:49:14,160

couldn't see anything through the thick

1083

00:49:19,609 --> 00:49:16,920

brush you know I I couldn't see anything

1084

00:49:22,130 --> 00:49:19,619

even tried to iron Illuminator and saw

1085

00:49:23,630 --> 00:49:22,140

more leaves and branches nothing you

1086

00:49:25,430 --> 00:49:23,640

know I could it wasn't the next it

1087

00:49:28,010 --> 00:49:25,440

wasn't an x-ray machine they were back

1088

00:49:29,690 --> 00:49:28,020

there but I couldn't see them so I

1089

00:49:32,150 --> 00:49:29,700

turned it off I put it back in its

1090

00:49:33,890 --> 00:49:32,160

holster and I said well I can't see

1091

00:49:35,510 --> 00:49:33,900

anything she said well you want to go

1092

00:49:37,730 --> 00:49:35,520

inside now

1093

00:49:40,790 --> 00:49:37,740

and I'm going to be brutally honest with

1094

00:49:41,809 --> 00:49:40,800

you folks I don't do vulnerable very

1095

00:49:45,530 --> 00:49:41,819

well

1096

00:49:50,390 --> 00:49:45,540

uh what what was back there sounded big

1097

00:49:53,089 --> 00:49:50,400

and I wasn't sure exactly what it was uh

1098

00:49:55,849 --> 00:49:53,099

if she'd have been a man I'm you know a

1099

00:50:00,170 --> 00:49:55,859

man I'd have probably said no I'm good

1100

00:50:02,630 --> 00:50:00,180

yeah I'm good but exactly but look and

1101

00:50:05,450 --> 00:50:02,640

I'm not a male chauvinist but my

1102

00:50:08,270 --> 00:50:05,460

testosterone Pride would not let me wimp

1103

00:50:10,550 --> 00:50:08,280

out in front of a woman okay I couldn't

1104

00:50:16,850 --> 00:50:10,560

say no you know she was hey you want to

1105

00:50:16,860 --> 00:50:24,670

[Laughter]

1106

00:50:32,150 --> 00:50:27,650

we walked through the gate and then went

1107

00:50:35,089 --> 00:50:32,160

back about 50 yards to a a clear-cut

1108

00:50:38,930 --> 00:50:35,099

trail very narrow I mean on both sides

1109

00:50:40,970 --> 00:50:38,940

there was brush maybe chest to to you

1110

00:50:43,970 --> 00:50:40,980

know shoulder high and maybe even higher

1111

00:50:46,730 --> 00:50:43,980

of course a big canopy of trees when we

1112

00:50:49,730 --> 00:50:46,740

turned East into that trail out of that

1113

00:50:53,510 --> 00:50:49,740

two-thirds Moon I couldn't see but

1114

00:50:56,329 --> 00:50:53,520

hardly see the back of her head and I I

1115

00:50:59,150 --> 00:50:56,339

invaded her personal space I got right

1116

00:51:01,490 --> 00:50:59,160

on her six o'clock because I didn't want

1117

00:51:03,530 --> 00:51:01,500

to I didn't want to separate from her I

1118

00:51:05,950 --> 00:51:03,540

mean I was right there on her six

1119

00:51:09,530 --> 00:51:05,960

o'clock looking at the back of her head

1120

00:51:12,710 --> 00:51:09,540

and I was hearing stuff moving on both

1121

00:51:15,349 --> 00:51:12,720

sides of us and I didn't have The

1122

00:51:17,870 --> 00:51:15,359

Bravery to look over at all I mean I

1123

00:51:20,870 --> 00:51:17,880

just I looked at the back of her head

1124

00:51:21,950 --> 00:51:20,880

and and we went in there maybe a hundred

1125

00:51:24,410 --> 00:51:21,960

yards

1126  
00:51:27,710 --> 00:51:24,420  
turned to the left with probably another

1127  
00:51:31,430 --> 00:51:27,720  
30 yards into a clear-cut

1128  
00:51:33,890 --> 00:51:31,440  
I want to say maybe 10 to 15 yards

1129  
00:51:36,170 --> 00:51:33,900  
circular clear cut

1130  
00:51:38,329 --> 00:51:36,180  
and the the Moon

1131  
00:51:40,549 --> 00:51:38,339  
shown through the Gap in the canopy

1132  
00:51:42,710 --> 00:51:40,559  
right there that meeting place was lit

1133  
00:51:45,190 --> 00:51:42,720  
with the two-thirds Moon a couple of

1134  
00:51:48,230 --> 00:51:45,200  
chairs there she had some gifting stuff

1135  
00:51:51,349 --> 00:51:48,240  
and I could hear stuff moving all around

1136  
00:51:53,450 --> 00:51:51,359  
us and I was right next to her you know

1137  
00:51:56,089 --> 00:51:53,460  
and I'm thinking man you know no

1138  
00:51:57,890 --> 00:51:56,099

distance no distance at all she's her

1139

00:52:01,849 --> 00:51:57,900

friend their friend and I'm gonna be

1140

00:52:05,210 --> 00:52:01,859

right there you know and something I

1141

00:52:09,890 --> 00:52:05,220

would have never expected wouldn't I had

1142

00:52:12,349 --> 00:52:09,900

maybe heard of Mind speak but it was as

1143

00:52:15,170 --> 00:52:12,359

clear as I'm talking to you now people

1144

00:52:19,190 --> 00:52:15,180

said was it English it's really hard to

1145

00:52:21,589 --> 00:52:19,200

describe it's an experienced based uh

1146

00:52:24,530 --> 00:52:21,599

thing you know it's hard to put into

1147

00:52:26,569 --> 00:52:24,540

words but I heard it clearly in my my

1148

00:52:29,450 --> 00:52:26,579

head now you gotta understand retired

1149

00:52:31,490 --> 00:52:29,460

law enforcement I had a 45 tucked away

1150

00:52:35,030 --> 00:52:31,500

on me and nobody would ever seen it or

1151  
00:52:38,809 --> 00:52:35,040  
known it was there but in my head the

1152  
00:52:40,549 --> 00:52:38,819  
words said why why are you carrying a

1153  
00:52:43,130 --> 00:52:40,559  
gun

1154  
00:52:45,829 --> 00:52:43,140  
and I'm looking around going Rick you're

1155  
00:52:47,990 --> 00:52:45,839  
losing it you're hearing voices in your

1156  
00:52:48,770 --> 00:52:48,000  
head you know I mean I was freaking me

1157  
00:52:52,329 --> 00:52:48,780  
out

1158  
00:52:55,270 --> 00:52:52,339  
and I just I I was I was becoming very

1159  
00:52:59,089 --> 00:52:55,280  
overwhelmed emotionally folks very

1160  
00:53:01,430 --> 00:52:59,099  
profound strong and emotional and it was

1161  
00:53:04,609 --> 00:53:01,440  
it was really being hard for me to fully

1162  
00:53:08,210 --> 00:53:04,619  
digest this that voice turned the

1163  
00:53:12,650 --> 00:53:08,220

emphasis up about 10 times more and said

1164

00:53:14,569 --> 00:53:12,660

why are you carrying a gun and on that

1165

00:53:17,390 --> 00:53:14,579

second questioning

1166

00:53:20,210 --> 00:53:17,400

I knew immediately they were talking to

1167

00:53:23,690 --> 00:53:20,220

me okay and they wanted to know they

1168

00:53:26,150 --> 00:53:23,700

wanted an answer and I don't know how I

1169

00:53:29,510 --> 00:53:26,160

knew how to answer them it could it be a

1170

00:53:33,530 --> 00:53:29,520

a primal instinct or ability we've had

1171

00:53:35,329 --> 00:53:33,540

in the past as tribal people the Scots

1172

00:53:36,950 --> 00:53:35,339

were very tried well you know all over

1173

00:53:40,130 --> 00:53:36,960

the world you know we we had family

1174

00:53:44,390 --> 00:53:40,140

groups Clans and stuff we weren't so you

1175

00:53:47,210 --> 00:53:44,400

know civilized and I don't know how but

1176

00:53:49,849 --> 00:53:47,220

I knew how to answer them and I said uh

1177

00:53:53,030 --> 00:53:49,859

it's a tool of protection

1178

00:53:55,790 --> 00:53:53,040

that I've carried on my job

1179

00:53:59,210 --> 00:53:55,800

I've carried it around my close friends

1180

00:54:01,670 --> 00:53:59,220

and family I've never hurt them with it

1181

00:54:03,829 --> 00:54:01,680

and I will not hurt you now

1182

00:54:05,750 --> 00:54:03,839

that's that was my answer and

1183

00:54:07,670 --> 00:54:05,760

immediately the voice said step away

1184

00:54:09,890 --> 00:54:07,680

from Arla

1185

00:54:12,290 --> 00:54:09,900

oh

1186

00:54:16,250 --> 00:54:12,300

it's like you know like step away from

1187

00:54:18,470 --> 00:54:16,260

the car you know or drop it I I I felt

1188

00:54:21,589 --> 00:54:18,480

at that point something was going to

1189

00:54:24,290 --> 00:54:21,599

happen and and I so my mind speaking

1190

00:54:27,650 --> 00:54:24,300

about you must be crazy you know this

1191

00:54:30,470 --> 00:54:27,660

woman's shirt exactly exactly it but

1192

00:54:31,970 --> 00:54:30,480

they said step away from Arla and I

1193

00:54:34,370 --> 00:54:31,980

looked over at her and I said they're

1194

00:54:37,609 --> 00:54:34,380

telling me to move away from you she

1195

00:54:40,430 --> 00:54:37,619

didn't act shocked or surprised she just

1196

00:54:42,829 --> 00:54:40,440

warmly smiled looking at me and said

1197

00:54:45,410 --> 00:54:42,839

well do what they're telling you to do

1198

00:54:46,549 --> 00:54:45,420

you know I mean it it didn't concern her

1199

00:54:48,829 --> 00:54:46,559

at all

1200

00:54:51,290 --> 00:54:48,839

I want to say probably that was one of

1201  
00:54:54,349 --> 00:54:51,300  
the hardest things in my life to do I

1202  
00:54:57,109 --> 00:54:54,359  
turned away from her and I walked back

1203  
00:54:58,910 --> 00:54:57,119  
to where that trail you know intersected

1204  
00:55:01,970 --> 00:54:58,920  
the main trail in

1205  
00:55:04,250 --> 00:55:01,980  
and I thought well if and I was doing

1206  
00:55:07,309 --> 00:55:04,260  
some praying under my breath too folks

1207  
00:55:08,930 --> 00:55:07,319  
uh I thought man if if they're gonna if

1208  
00:55:10,309 --> 00:55:08,940  
they're gonna whack me it's gonna be

1209  
00:55:11,870 --> 00:55:10,319  
here because they're getting me away

1210  
00:55:14,630 --> 00:55:11,880  
from their buddy you know they don't

1211  
00:55:16,790 --> 00:55:14,640  
they don't like me or whatever but I

1212  
00:55:19,910 --> 00:55:16,800  
look to my right the direction we came

1213  
00:55:22,309 --> 00:55:19,920

in and then I looked to my left further

1214

00:55:26,150 --> 00:55:22,319

down the trail in you know deeper into

1215

00:55:28,250 --> 00:55:26,160

the woods and it was like orchestrated

1216

00:55:30,230 --> 00:55:28,260

Ed Sullivan way back there and I know

1217

00:55:32,870 --> 00:55:30,240

I'm dating myself would step out from

1218

00:55:35,170 --> 00:55:32,880

behind the curtain into the spotlight

1219

00:55:39,109 --> 00:55:35,180

you know at the beginning of his shows

1220

00:55:42,530 --> 00:55:39,119

this 12-foot alpha male he was a monster

1221

00:55:45,170 --> 00:55:42,540

he was 12 foot stepped out from behind

1222

00:55:47,990 --> 00:55:45,180

one of those big trees right into a beam

1223

00:55:49,490 --> 00:55:48,000

of moonlight that's shown right there it

1224

00:55:52,250 --> 00:55:49,500

was almost like it was orchestrated

1225

00:55:55,069 --> 00:55:52,260

stepped into the Moonlight I could see

1226

00:55:56,930 --> 00:55:55,079

him very clearly looking at me from

1227

00:55:59,450 --> 00:55:56,940

about 50 feet away

1228

00:56:02,630 --> 00:55:59,460

and he was doing this

1229

00:56:05,630 --> 00:56:02,640

he was doing this side sway

1230

00:56:07,670 --> 00:56:05,640

I don't to this day I can't tell you I I

1231

00:56:10,670 --> 00:56:07,680

know what the significance is I don't

1232

00:56:12,530 --> 00:56:10,680

but Arla said can you see go ahead

1233

00:56:15,109 --> 00:56:12,540

clearly it's something from a break

1234

00:56:17,089 --> 00:56:15,119

dance competition because yeah one

1235

00:56:19,910 --> 00:56:17,099

person's on one side that's how you get

1236

00:56:21,589 --> 00:56:19,920

started yeah yeah so maybe he was

1237

00:56:24,410 --> 00:56:21,599

wanting to dance I don't know but

1238

00:56:26,210 --> 00:56:24,420

probably Arla said can you see him I

1239

00:56:31,210 --> 00:56:26,220

said yeah he's down there on the trail

1240

00:56:34,250 --> 00:56:31,220

and he's swayed she said sway with him

1241

00:56:36,650 --> 00:56:34,260

so that's what that's that's what I did

1242

00:56:39,530 --> 00:56:36,660

I matched you know I matched his

1243

00:56:41,690 --> 00:56:39,540

movements back and forth and the moment

1244

00:56:44,690 --> 00:56:41,700

I matched that I could hear crackling

1245

00:56:45,589 --> 00:56:44,700

and snapping right off the trail to my

1246

00:56:48,049 --> 00:56:45,599

right

1247

00:56:50,510 --> 00:56:48,059

and this subject comes up out of the

1248

00:56:54,010 --> 00:56:50,520

brush I don't remember looking up or

1249

00:56:56,510 --> 00:56:54,020

down he was around six foot but he was

1250

00:56:58,970 --> 00:56:56,520

broad-shouldered I'd say the the big

1251  
00:57:01,609 --> 00:56:58,980  
alpha male was ever been a 900 pounds

1252  
00:57:05,809 --> 00:57:01,619  
this subject had come out and he had a

1253  
00:57:08,329 --> 00:57:05,819  
defined muscle chest uh I'd say you know

1254  
00:57:11,569 --> 00:57:08,339  
three to four hundred pounds just super

1255  
00:57:13,549 --> 00:57:11,579  
he'd make a full back you know all pro

1256  
00:57:16,670 --> 00:57:13,559  
fullback and take on the whole football

1257  
00:57:19,670 --> 00:57:16,680  
team you know but he he was looking at

1258  
00:57:22,910 --> 00:57:19,680  
me in his jaw

1259  
00:57:25,430 --> 00:57:22,920  
dropped open his eyes widened and then

1260  
00:57:27,349 --> 00:57:25,440  
he looked back at the big alpha male and

1261  
00:57:29,690 --> 00:57:27,359  
then he'd look back at me he'd look back

1262  
00:57:31,430 --> 00:57:29,700  
at him and look back at me you know I

1263  
00:57:33,410 --> 00:57:31,440

don't know if it was like Dad you know

1264

00:57:37,130 --> 00:57:33,420

which I think it was I think that was

1265

00:57:39,170 --> 00:57:37,140

Big Daddy but then on the trail not

1266

00:57:41,890 --> 00:57:39,180

coming up out of the brush a female

1267

00:57:43,849 --> 00:57:41,900

stepped into another beam of moonlight

1268

00:57:47,390 --> 00:57:43,859

obviously she didn't have the muscle

1269

00:57:50,270 --> 00:57:47,400

chest she had breasts even no doubt in

1270

00:57:52,490 --> 00:57:50,280

my mind she was female and both of them

1271

00:57:56,089 --> 00:57:52,500

were about six foot tall

1272

00:57:58,309 --> 00:57:56,099

at that point it dawned on me as a

1273

00:57:59,809 --> 00:57:58,319

parent I wasn't a grandparent then but

1274

00:58:02,809 --> 00:57:59,819

as a parent

1275

00:58:04,549 --> 00:58:02,819

Big Daddy was allowing his young to get

1276

00:58:07,910 --> 00:58:04,559

a good look at me

1277

00:58:11,870 --> 00:58:07,920

and I immediately as a parent recognized

1278

00:58:14,750 --> 00:58:11,880

that was a show of trust knowing I was

1279

00:58:17,809 --> 00:58:14,760

armed you know that they let their young

1280

00:58:21,470 --> 00:58:17,819

get up close to me in my apprehension

1281

00:58:24,770 --> 00:58:21,480

for a Time blew out the window I started

1282

00:58:26,870 --> 00:58:24,780

laughing and it was a you know it was an

1283

00:58:30,230 --> 00:58:26,880

experience well behind the young female

1284

00:58:32,510 --> 00:58:30,240

another subject not so much in the light

1285

00:58:35,089 --> 00:58:32,520

but about eight foot which I may think

1286

00:58:37,130 --> 00:58:35,099

were was mom don't know to this day

1287

00:58:39,109 --> 00:58:37,140

because I couldn't get a good look she

1288

00:58:41,270 --> 00:58:39,119

was behind her they were behind the

1289

00:58:44,150 --> 00:58:41,280

young female on the trail

1290

00:58:46,430 --> 00:58:44,160

then the wild card came in that I wasn't

1291

00:58:49,130 --> 00:58:46,440

expecting you know it's very intense

1292

00:58:51,230 --> 00:58:49,140

when you're this close to them they were

1293

00:58:54,170 --> 00:58:51,240

allowing me to get a good look at them

1294

00:58:57,349 --> 00:58:54,180

exactly like what I asked for the night

1295

00:58:59,210 --> 00:58:57,359

before and then down not where the

1296

00:59:01,849 --> 00:58:59,220

Moonlight could really hit I see this

1297

00:59:05,390 --> 00:59:01,859

movement in front of that young female

1298

00:59:07,670 --> 00:59:05,400

standing there looking at me never smelt

1299

00:59:11,089 --> 00:59:07,680

a bad smell they were not aggressive

1300

00:59:13,490 --> 00:59:11,099

they held their position politely in my

1301

00:59:15,710 --> 00:59:13,500

opinion very politely letting me get a

1302

00:59:18,530 --> 00:59:15,720

good look I see this little head

1303

00:59:20,630 --> 00:59:18,540

bobbling around uh toddler you know

1304

00:59:23,210 --> 00:59:20,640

about three foot in front of that young

1305

00:59:25,370 --> 00:59:23,220

female and all of a sudden I notice its

1306

00:59:28,490 --> 00:59:25,380

little head turns around it looks back

1307

00:59:32,030 --> 00:59:28,500

up at me and then starts coming at me

1308

00:59:35,809 --> 00:59:32,040

with its arms raised I like to have lost

1309

00:59:39,710 --> 00:59:35,819

it folks I mean I you know being close

1310

00:59:41,750 --> 00:59:39,720

to these things is super intense but the

1311

00:59:44,630 --> 00:59:41,760

thought of a little hairy one latching

1312

00:59:46,670 --> 00:59:44,640

on to you you know I I don't know to

1313

00:59:50,210 --> 00:59:46,680

this day what I would have done if that

1314

00:59:52,970 --> 00:59:50,220

child had got to me I'd have probably I

1315

00:59:55,250 --> 00:59:52,980

don't know I can't tell you my fear was

1316

00:59:56,510 --> 00:59:55,260

the little one doesn't know who I

1317

00:59:59,329 --> 00:59:56,520

actually am

1318

01:00:01,190 --> 00:59:59,339

and if it Cried Out In Fear I'd be

1319

01:00:03,710 --> 01:00:01,200

afraid Big Daddy would come tear me

1320

01:00:05,390 --> 01:00:03,720

apart you know just rip me apart that

1321

01:00:07,670 --> 01:00:05,400

was a part I didn't know this little one

1322

01:00:09,829 --> 01:00:07,680

don't know who I am but it was running

1323

01:00:11,690 --> 01:00:09,839

at me wanting me to pick it up just like

1324

01:00:15,950 --> 01:00:11,700

a toddler would do you know toddling

1325

01:00:19,549 --> 01:00:15,960

towards me quickly and fortunately that

1326

01:00:21,410 --> 01:00:19,559

young female lungs forward and got got

1327

01:00:24,349 --> 01:00:21,420

the the little one by you know up under

1328

01:00:26,270 --> 01:00:24,359

one arm and pulled her back to her at

1329

01:00:28,270 --> 01:00:26,280

that point I looked it over at Arlen I

1330

01:00:30,950 --> 01:00:28,280

said let's go I'm through

1331

01:00:34,130 --> 01:00:30,960

you know don't let the little one get me

1332

01:00:38,450 --> 01:00:34,140

I mean I just that was the wild you know

1333

01:00:42,349 --> 01:00:38,460

horse in it and uh as we were leaving

1334

01:00:45,289 --> 01:00:42,359

uh I saw that big alpha male [h\_\_h] his

1335

01:00:48,530 --> 01:00:45,299

head back and start giving the best

1336

01:00:51,530 --> 01:00:48,540

barred owl calls you've ever heard I

1337

01:00:53,569 --> 01:00:51,540

mean it was authentic except it sounded

1338

01:00:56,329 --> 01:00:53,579

like they were coming out of four JBL

1339

01:01:00,049 --> 01:00:56,339

woofers I mean it was the resonance

1340

01:01:03,829 --> 01:01:00,059

shook the forest and I sent you that

1341

01:01:04,990 --> 01:01:03,839

that video uh David uh that has the the

1342

01:01:08,030 --> 01:01:05,000

alcohol

1343

01:01:11,089 --> 01:01:08,040

the recording doesn't do it justice but

1344

01:01:14,030 --> 01:01:11,099

if you compare uh those last two calls

1345

01:01:15,890 --> 01:01:14,040

from that other uh researcher they did a

1346

01:01:17,990 --> 01:01:15,900

pretty good barred alcohol they're not

1347

01:01:20,569 --> 01:01:18,000

even close to what what the other the

1348

01:01:23,450 --> 01:01:20,579

other calls there's a big difference in

1349

01:01:25,970 --> 01:01:23,460

them and uh I've seen them do that I've

1350

01:01:27,530 --> 01:01:25,980

heard them before uh give out about

1351

01:01:29,930 --> 01:01:27,540

barred alcohol I've been with people

1352

01:01:31,329 --> 01:01:29,940

that's just a barred alcohol I sit on

1353

01:01:34,010 --> 01:01:31,339

the ground

1354

01:01:36,230 --> 01:01:34,020

right right up the trail right there

1355

01:01:38,390 --> 01:01:36,240

they land on the trail and start no

1356

01:01:40,549 --> 01:01:38,400

they're eight pound bird up in the top

1357

01:01:42,829 --> 01:01:40,559

of the trees they don't the only time

1358

01:01:44,569 --> 01:01:42,839

they go to the ground is to you know get

1359

01:01:47,030 --> 01:01:44,579

prey they're not going to sit there and

1360

01:01:49,730 --> 01:01:47,040

call from the ground you know I said

1361

01:01:52,309 --> 01:01:49,740

you're not go ahead we're not supposed

1362

01:01:53,809 --> 01:01:52,319

to see this stuff so you know people are

1363

01:01:56,390 --> 01:01:53,819

going to try to punch holes in yourself

1364

01:01:58,910 --> 01:01:56,400

oh yeah but one of the things and what I

1365

01:02:01,069 --> 01:01:58,920

want to do now is I want to I want to

1366

01:02:03,710 --> 01:02:01,079

take about the next 30 minutes and I

1367

01:02:07,549 --> 01:02:03,720

want to get questions from the guys and

1368

01:02:10,010 --> 01:02:07,559

gals here to you and and uh and and you

1369

01:02:11,930 --> 01:02:10,020

know Matt chime in with with whatever uh

1370

01:02:12,950 --> 01:02:11,940

you know part of it that that resonates

1371

01:02:15,710 --> 01:02:12,960

with you

1372

01:02:18,109 --> 01:02:15,720

and you know I've learned this from the

1373

01:02:20,990 --> 01:02:18,119

the UFO community and I think it's going

1374

01:02:22,690 --> 01:02:21,000

to serve me very well now that I'm also

1375

01:02:24,589 --> 01:02:22,700

probably part of the Bigfoot Community

1376

01:02:27,170 --> 01:02:24,599

is that

1377

01:02:29,809 --> 01:02:27,180

um I don't have to prove anything to to

1378

01:02:31,670 --> 01:02:29,819

you out there who's doubting what I say

1379

01:02:33,710 --> 01:02:31,680

or thinking I'm full of crap or telling

1380

01:02:35,930 --> 01:02:33,720

me I have to bring back video or photos

1381

01:02:38,390 --> 01:02:35,940

I'm saying no I don't I don't have to

1382

01:02:40,789 --> 01:02:38,400

bring you anything I don't care what you

1383

01:02:42,829 --> 01:02:40,799

think or if you believe it I want to go

1384

01:02:45,109 --> 01:02:42,839

out and have an experience and research

1385

01:02:47,990 --> 01:02:45,119

it for myself

1386

01:02:50,270 --> 01:02:48,000

and and it serves me well because then

1387

01:02:51,770 --> 01:02:50,280

nobody in the UFO Community thinks oh

1388

01:02:53,569 --> 01:02:51,780

you can't prove I don't have to prove it

1389

01:02:55,430 --> 01:02:53,579

I don't have to prove anything to you

1390

01:02:57,710 --> 01:02:55,440

nor do I have to prove anything to the

1391

01:02:59,930 --> 01:02:57,720

Bigfoot community and with that I want

1392

01:03:01,849 --> 01:02:59,940

to pass it to Nathan and then we'll go

1393

01:03:04,309 --> 01:03:01,859

to Debs and Matt and let's start firing

1394

01:03:08,990 --> 01:03:04,319

away some questions at these Bigfoot

1395

01:03:10,730 --> 01:03:09,000

experts in my opinion Rick uh you're so

1396

01:03:12,470 --> 01:03:10,740

gracious to share your story with us and

1397

01:03:14,930 --> 01:03:12,480

it's a it's an incredibly compelling

1398

01:03:18,950 --> 01:03:14,940

story uh and one thing that comes to

1399

01:03:21,049 --> 01:03:18,960

mind for me just hearing it is the the

1400

01:03:23,569 --> 01:03:21,059

way it's obviously impacted your life

1401  
01:03:25,010 --> 01:03:23,579  
and it shifted your understanding of of

1402  
01:03:26,450 --> 01:03:25,020  
reality and I wonder if you could talk a

1403  
01:03:30,470 --> 01:03:26,460  
little bit more about that so what kind

1404  
01:03:32,150 --> 01:03:30,480  
of person were you before this encounter

1405  
01:03:33,589 --> 01:03:32,160  
and and what do you what kind of person

1406  
01:03:35,870 --> 01:03:33,599  
are you now how does it change your

1407  
01:03:37,849 --> 01:03:35,880  
outlook on the world and your

1408  
01:03:39,349 --> 01:03:37,859  
relationships with people and nature I

1409  
01:03:43,730 --> 01:03:39,359  
want you to get a little philosophical

1410  
01:03:46,370 --> 01:03:43,740  
on us here I was a an Outdoorsman I have

1411  
01:03:48,950 --> 01:03:46,380  
been all my life uh

1412  
01:03:51,170 --> 01:03:48,960  
I probably had the opinion if anything

1413  
01:03:53,630 --> 01:03:51,180

was out there I should have seen it you

1414

01:03:55,010 --> 01:03:53,640

know before I had my you know

1415

01:03:58,609 --> 01:03:55,020

experiences

1416

01:04:02,690 --> 01:03:58,619

but these these subjects are extremely

1417

01:04:04,630 --> 01:04:02,700

uh elusive they use cover and

1418

01:04:08,210 --> 01:04:04,640

concealment to Perfection

1419

01:04:10,430 --> 01:04:08,220

uh brief side Peaks and then you won't

1420

01:04:12,250 --> 01:04:10,440

see them if you didn't know where to

1421

01:04:15,349 --> 01:04:12,260

look you wouldn't see them but

1422

01:04:17,930 --> 01:04:15,359

what it's opened up is I thought I I

1423

01:04:19,309 --> 01:04:17,940

thought I knew everything that dwelt out

1424

01:04:19,970 --> 01:04:19,319

in the woods

1425

01:04:24,650 --> 01:04:19,980

um

1426  
01:04:28,250 --> 01:04:24,660  
but over the last going on well 20 years

1427  
01:04:31,150 --> 01:04:28,260  
uh or more I've I've found out I don't

1428  
01:04:35,870 --> 01:04:31,160  
know everything that dwells out there

1429  
01:04:38,150 --> 01:04:35,880  
and I'm very careful about adding other

1430  
01:04:40,069 --> 01:04:38,160  
things that I've seen and document out

1431  
01:04:42,890 --> 01:04:40,079  
there that aren't Bigfoot you know that

1432  
01:04:44,450 --> 01:04:42,900  
I I won't go into here I won't broaden

1433  
01:04:47,569 --> 01:04:44,460  
it to that but

1434  
01:04:49,450 --> 01:04:47,579  
I've reached a point where absolutely

1435  
01:04:52,970 --> 01:04:49,460  
nothing

1436  
01:04:56,270 --> 01:04:52,980  
surprises me I mean no matter how

1437  
01:04:58,490 --> 01:04:56,280  
incredible uh people's stories are now

1438  
01:04:59,569 --> 01:04:58,500

my older brother who passed away from

1439

01:05:03,049 --> 01:04:59,579

cancer

1440

01:05:05,750 --> 01:05:03,059

uh I sat down with him

1441

01:05:07,130 --> 01:05:05,760

and he went over a very detailed

1442

01:05:09,770 --> 01:05:07,140

abduction

1443

01:05:12,710 --> 01:05:09,780

where he was messing with a strobe light

1444

01:05:14,569 --> 01:05:12,720

on some lights in the sky and they

1445

01:05:16,490 --> 01:05:14,579

followed him back to his house up in

1446

01:05:20,210 --> 01:05:16,500

Oregon northern Oregon

1447

01:05:22,670 --> 01:05:20,220

and he was actually abducted and it

1448

01:05:24,770 --> 01:05:22,680

would be an incredible story for anybody

1449

01:05:28,849 --> 01:05:24,780

to believe but it was coming from my

1450

01:05:31,730 --> 01:05:28,859

brother who I knew very well you know

1451

01:05:35,150 --> 01:05:31,740

um I have documented

1452

01:05:36,890 --> 01:05:35,160

I guess people would call them Grace you

1453

01:05:40,430 --> 01:05:36,900

know the little little bubble-headed

1454

01:05:43,069 --> 01:05:40,440

little arm big eye things in my Bigfoot

1455

01:05:44,390 --> 01:05:43,079

research that I don't share with a lot

1456

01:05:47,450 --> 01:05:44,400

of people because they're going oh

1457

01:05:50,569 --> 01:05:47,460

brother you got Bigfoot now you're doing

1458

01:05:52,549 --> 01:05:50,579

you know you're adding the whole but I'm

1459

01:05:54,109 --> 01:05:52,559

telling you I've documented I don't know

1460

01:05:56,990 --> 01:05:54,119

what they are I don't know what their

1461

01:06:00,230 --> 01:05:57,000

intentions are but the bottom line is

1462

01:06:03,230 --> 01:06:00,240

this I'm I'm very cautious when I go out

1463

01:06:05,329 --> 01:06:03,240

there it's not Disneyland you know what

1464

01:06:07,670 --> 01:06:05,339

injured and killed settlers a hundred

1465

01:06:10,549 --> 01:06:07,680

years ago in the woods is still out

1466

01:06:13,190 --> 01:06:10,559

there and people have to understand that

1467

01:06:16,010 --> 01:06:13,200

it's not sterile out there there are

1468

01:06:18,530 --> 01:06:16,020

things that can and will hurt you if

1469

01:06:20,930 --> 01:06:18,540

you're careless or not observe it so

1470

01:06:23,510 --> 01:06:20,940

probably my biggest thing is sharing my

1471

01:06:26,329 --> 01:06:23,520

Bigfoot information but also look folks

1472

01:06:28,730 --> 01:06:26,339

be safe out there you know travel in

1473

01:06:30,470 --> 01:06:28,740

pairs or at least somebody let somebody

1474

01:06:33,529 --> 01:06:30,480

know where you're going to be now I've

1475

01:06:36,650 --> 01:06:33,539

done you know in individual stuff and

1476

01:06:39,049 --> 01:06:36,660

and some strange things happen to me uh

1477

01:06:41,990 --> 01:06:39,059

that I don't have time to go here but

1478

01:06:44,690 --> 01:06:42,000

I'm very observant and and I'm a bit

1479

01:06:47,750 --> 01:06:44,700

cautious about uh going out by myself

1480

01:06:50,329 --> 01:06:47,760

now if that makes sense no it does thank

1481

01:06:52,789 --> 01:06:50,339

you so much absolutely not happening

1482

01:06:55,250 --> 01:06:52,799

going out in the woods by myself anymore

1483

01:06:56,930 --> 01:06:55,260

that was for my teenage years uh but

1484

01:06:59,270 --> 01:06:56,940

yeah and just think of it this way Rick

1485

01:07:01,609 --> 01:06:59,280

we will do you know we'll do a part two

1486

01:07:03,950 --> 01:07:01,619

with you but want to be able to get what

1487

01:07:06,170 --> 01:07:03,960

what you told us so far so rich there's

1488

01:07:08,150 --> 01:07:06,180

quite a bit there so let's get Debs and

1489

01:07:09,829 --> 01:07:08,160

then we'll get Matt in there please yeah

1490

01:07:11,690 --> 01:07:09,839

I just have to say I'm so jealous about

1491

01:07:12,970 --> 01:07:11,700

the toddler I would have cuddled the

1492

01:07:16,789 --> 01:07:12,980

toddler

1493

01:07:18,170 --> 01:07:16,799

come here I know I would have and I

1494

01:07:18,740 --> 01:07:18,180

would have been like you're gonna be

1495

01:07:21,289 --> 01:07:18,750

okay

1496

01:07:23,870 --> 01:07:21,299

[Laughter]

1497

01:07:27,349 --> 01:07:23,880

um anywho so I think that one of my

1498

01:07:29,510 --> 01:07:27,359

questions is why it the Bigfoot are

1499

01:07:31,910 --> 01:07:29,520

attracted to certain people and their

1500

01:07:34,130 --> 01:07:31,920

property and then stay there when they

1501

01:07:36,890 --> 01:07:34,140

perform that attachment

1502

01:07:40,010 --> 01:07:36,900

um like Arla and other people that we've

1503

01:07:42,109 --> 01:07:40,020

spoken to like Robin why do they attach

1504

01:07:43,910 --> 01:07:42,119

to them why do they

1505

01:07:47,210 --> 01:07:43,920

um basically

1506

01:07:50,510 --> 01:07:47,220

like Caravan around that property from

1507

01:07:53,990 --> 01:07:50,520

then on they're they're very curious

1508

01:07:56,589 --> 01:07:54,000

okay and they have intellect and

1509

01:08:00,829 --> 01:07:56,599

cognitive thinking uh

1510

01:08:03,529 --> 01:08:00,839

respect goes a long long way

1511

01:08:05,750 --> 01:08:03,539

and and good intentions if you're there

1512

01:08:08,390 --> 01:08:05,760

to to Market them

1513

01:08:12,589 --> 01:08:08,400

uh to you know

1514

01:08:13,609 --> 01:08:12,599

uh share and and and everything they

1515

01:08:16,430 --> 01:08:13,619

know

1516

01:08:19,430 --> 01:08:16,440

from from my somebody said once you're

1517

01:08:21,950 --> 01:08:19,440

marked by them they'll all know you okay

1518

01:08:24,530 --> 01:08:21,960

I I'm I don't know about that but I know

1519

01:08:28,970 --> 01:08:24,540

I've been had success in Texas Oklahoma

1520

01:08:30,590 --> 01:08:28,980

Wisconsin Georgia uh

1521

01:08:32,570 --> 01:08:30,600

Montana

1522

01:08:36,530 --> 01:08:32,580

where where they've gone out of their

1523

01:08:39,349 --> 01:08:36,540

way and Kentucky oh I love Kentucky uh

1524

01:08:42,410 --> 01:08:39,359

gone out of the way you know gone out of

1525

01:08:44,390 --> 01:08:42,420

their way to make contact with me and

1526

01:08:47,390 --> 01:08:44,400

one of their favorites is look folks

1527

01:08:49,070 --> 01:08:47,400

when I get finished watching at night I

1528

01:08:51,470 --> 01:08:49,080

get in a camper shell because I don't

1529

01:08:53,930 --> 01:08:51,480

want to be pushed through the tent and

1530

01:08:56,510 --> 01:08:53,940

woke up by a big hairy guy I want I want

1531

01:08:59,150 --> 01:08:56,520

a little you know a little security and

1532

01:09:00,829 --> 01:08:59,160

and separation but the last time I was

1533

01:09:03,769 --> 01:09:00,839

in Kentucky here three weeks ago they

1534

01:09:06,289 --> 01:09:03,779

were tapping on my truck you know tap

1535

01:09:08,809 --> 01:09:06,299

tap tap tap tap tap tap and I think

1536

01:09:12,050 --> 01:09:08,819

they were younger ones just wanting to

1537

01:09:14,329 --> 01:09:12,060

to interact banter with you uh they're

1538

01:09:17,269 --> 01:09:14,339

interested in you they like to interact

1539

01:09:20,329 --> 01:09:17,279

with you and I think fear is one of the

1540

01:09:22,729 --> 01:09:20,339

biggest things uh that people encounter

1541

01:09:26,390 --> 01:09:22,739

and it's hard I understand I know why I

1542

01:09:28,669 --> 01:09:26,400

felt that first time but uh I was up

1543

01:09:31,970 --> 01:09:28,679

there with uh Charlie Raymond and his

1544

01:09:35,450 --> 01:09:31,980

lovely wife Lindsay with the KB Ro here

1545

01:09:38,329 --> 01:09:35,460

three weeks ago great person great

1546

01:09:40,249 --> 01:09:38,339

venues if you ever get a chance they're

1547

01:09:43,669 --> 01:09:40,259

they're top shelf they're entertaining

1548

01:09:47,150 --> 01:09:43,679

good people attend uh Charlie saw I

1549

01:09:48,890 --> 01:09:47,160

shine on a trail layer and I I got off

1550

01:09:51,229 --> 01:09:48,900

the eye you know off the trail towards

1551

01:09:53,390 --> 01:09:51,239

the eye shine and saw side Beaker I was

1552

01:09:55,790 --> 01:09:53,400

watching them in my thermal and I said

1553

01:09:58,250 --> 01:09:55,800

Lindsay I said come up here and I've got

1554

01:10:00,890 --> 01:09:58,260

it all on audio too with my matching uh

1555

01:10:02,990 --> 01:10:00,900

thermal and she comes up and I said you

1556

01:10:04,970 --> 01:10:03,000

got your flare she said yeah I said told

1557

01:10:07,430 --> 01:10:04,980

her where to look I said do you see him

1558

01:10:09,709 --> 01:10:07,440

she goes yeah yeah peeking out from

1559

01:10:11,689 --> 01:10:09,719

around the tree right there said yep I

1560

01:10:14,030 --> 01:10:11,699

said you stay there and I'll get closer

1561

01:10:16,669 --> 01:10:14,040

and which I did but I had to look down

1562

01:10:19,610 --> 01:10:16,679

with my thermal and I said okay now let

1563

01:10:21,250 --> 01:10:19,620

me watch them and you get closer well

1564

01:10:24,290 --> 01:10:21,260

that didn't happen

1565

01:10:25,910 --> 01:10:24,300

Lindsay did not want to let did one you

1566

01:10:28,610 --> 01:10:25,920

know and I didn't make a big issue of it

1567

01:10:31,550 --> 01:10:28,620

but I can understand people they're a

1568

01:10:34,850 --> 01:10:31,560

little overwhelmed with me uh I've never

1569

01:10:37,729 --> 01:10:34,860

felt threatened yet uh really haven't uh

1570

01:10:40,970 --> 01:10:37,739

I've had a blast folks uh I've been out

1571

01:10:44,990 --> 01:10:40,980

with I've been out with newbies and uh I

1572

01:10:48,770 --> 01:10:45,000

was in Kentucky uh uh two years ago with

1573

01:10:50,330 --> 01:10:48,780

Charlie again and uh uh we were way out

1574

01:10:53,209 --> 01:10:50,340

in the middle of nowhere

1575

01:10:56,149 --> 01:10:53,219

and I got the feeling of being watched

1576

01:10:58,370 --> 01:10:56,159

and I can kind of I don't know what I

1577

01:11:00,770 --> 01:10:58,380

don't why but I I know where to look I

1578

01:11:03,830 --> 01:11:00,780

can feel them okay does that make sense

1579

01:11:06,709 --> 01:11:03,840

I know something's over there you know

1580

01:11:08,570 --> 01:11:06,719

and I got up and I walked over there by

1581

01:11:10,430 --> 01:11:08,580

this uh there was about a hundred yard

1582

01:11:12,770 --> 01:11:10,440

field to the river and then there was a

1583

01:11:15,110 --> 01:11:12,780

little side Creek to the to our East to

1584

01:11:16,669 --> 01:11:15,120

our right and I'm standing there for a

1585

01:11:18,290 --> 01:11:16,679

while and there was about a half dozen

1586

01:11:20,689 --> 01:11:18,300

people around the campfire and one of

1587

01:11:22,430 --> 01:11:20,699

the newbies got up could barely see me

1588

01:11:24,050 --> 01:11:22,440

you know but the fire you know I had

1589

01:11:26,209 --> 01:11:24,060

enough light clothes he knew where I was

1590

01:11:27,590 --> 01:11:26,219

he walked over there he said Rick what

1591

01:11:30,950 --> 01:11:27,600

are you doing I said I'm watching the

1592

01:11:32,270 --> 01:11:30,960

big guy because really I said yeah he's

1593

01:11:34,310 --> 01:11:32,280

down there in the trees now you

1594

01:11:36,110 --> 01:11:34,320

understand there was a lot of leaves and

1595

01:11:38,810 --> 01:11:36,120

branches so that horizontal figure

1596

01:11:40,790 --> 01:11:38,820

wasn't a clear Bigfoot shape but I could

1597

01:11:43,250 --> 01:11:40,800

see it was horizontal and moving around

1598

01:11:44,990 --> 01:11:43,260

down down in the brush and occasionally

1599

01:11:47,390 --> 01:11:45,000

I could see the shoulders and the head

1600

01:11:48,890 --> 01:11:47,400

uh could it have been an NBA basketball

1601

01:11:50,870 --> 01:11:48,900

player out there in the middle of

1602

01:11:52,910 --> 01:11:50,880

nowhere without without clothes on

1603

01:11:55,610 --> 01:11:52,920

without a flashlight sure it wasn't

1604

01:11:58,669 --> 01:11:55,620

impossible but was it likely I don't

1605

01:12:00,770 --> 01:11:58,679

think so you know so I told him where to

1606

01:12:03,229 --> 01:12:00,780

look I handed him my flare scope I said

1607

01:12:05,510 --> 01:12:03,239

hey he's down there look and I do I go

1608

01:12:06,890 --> 01:12:05,520

do you see him and he goes yeah yeah I

1609

01:12:10,370 --> 01:12:06,900

can see his head and shoulders he's

1610

01:12:12,850 --> 01:12:10,380

peeking around a tree folks that made my

1611

01:12:16,370 --> 01:12:12,860

night that made my trip

1612

01:12:19,010 --> 01:12:16,380

showing a newbie they exist and letting

1613

01:12:21,530 --> 01:12:19,020

them have that empirical knowledge David

1614

01:12:23,870 --> 01:12:21,540

of seeing it for themselves that's

1615

01:12:25,970 --> 01:12:23,880

awesome nothing like it it's great so

1616

01:12:29,149 --> 01:12:25,980

that made my day and he still talks

1617

01:12:30,890 --> 01:12:29,159

about that but why do we were go ahead

1618

01:12:32,470 --> 01:12:30,900

and be planning my trip out with you so

1619

01:12:35,810 --> 01:12:32,480

that I can

1620

01:12:38,149 --> 01:12:35,820

I can be that newbie but well yeah we've

1621

01:12:39,770 --> 01:12:38,159

got we've got about a little over 15

1622

01:12:41,689 --> 01:12:39,780

minutes left so I want to get Matt in

1623

01:12:43,250 --> 01:12:41,699

there I want to get some more some more

1624

01:12:45,830 --> 01:12:43,260

because I have questions for you so we

1625

01:12:47,689 --> 01:12:45,840

got it we got questions brother go ahead

1626

01:12:49,850 --> 01:12:47,699

oh let's do what you think you're on

1627

01:12:52,669 --> 01:12:49,860

semi-auto and you're gonna be yeah got

1628

01:12:54,590 --> 01:12:52,679

it all right short first short burst

1629

01:12:58,070 --> 01:12:54,600

that's that's it

1630

01:13:00,490 --> 01:12:58,080

the Mind speak stuff uh I I have to use

1631

01:13:02,390 --> 01:13:00,500

my time wisely

1632

01:13:04,850 --> 01:13:02,400

was that the only time you've

1633

01:13:08,330 --> 01:13:04,860

experienced that no no I was out with

1634

01:13:11,330 --> 01:13:08,340

the BFRO group uh they were doing some

1635

01:13:14,209 --> 01:13:11,340

wood knocking stuff I was just observing

1636

01:13:18,470 --> 01:13:14,219

and and the voice came to me

1637

01:13:20,390 --> 01:13:18,480

I have young with me and I do not know

1638

01:13:21,189 --> 01:13:20,400

who these people are

1639

01:13:24,370 --> 01:13:21,199

yeah

1640

01:13:27,050 --> 01:13:24,380

it was a female that had young with her

1641

01:13:29,090 --> 01:13:27,060

and you could hear some movements she

1642

01:13:31,430 --> 01:13:29,100

wasn't at all wanting to interact with

1643

01:13:34,850 --> 01:13:31,440

this group not at all so whenever you

1644

01:13:36,530 --> 01:13:34,860

experience that is it the same voice

1645

01:13:40,390 --> 01:13:36,540

that you're hearing

1646

01:13:44,689 --> 01:13:40,400

it's the same oh man

1647

01:13:48,410 --> 01:13:44,699

uh not you tone and stuff no it's okay

1648

01:13:51,709 --> 01:13:48,420

it it is hard to put into words it's

1649

01:13:54,890 --> 01:13:51,719

very clear but and it's just as clear as

1650

01:13:58,250 --> 01:13:54,900

what I'm talking here but it's more in a

1651

01:14:01,490 --> 01:13:58,260

uh not a random thought it's hard it's

1652

01:14:04,689 --> 01:14:01,500

hard to explain yes it's very distinct

1653

01:14:07,850 --> 01:14:04,699

and and very similar each time you know

1654

01:14:09,590 --> 01:14:07,860

go ahead previously in your life had you

1655

01:14:11,930 --> 01:14:09,600

ever experienced any

1656

01:14:16,550 --> 01:14:11,940

psychic abilities or anything like that

1657

01:14:19,130 --> 01:14:16,560

the closest thing to that very similar I

1658

01:14:21,110 --> 01:14:19,140

was cave diving a buddy of mine got

1659

01:14:24,709 --> 01:14:21,120

trapped he could not get out of the cave

1660

01:14:26,930 --> 01:14:24,719

area I eventually had to leave him and

1661

01:14:28,370 --> 01:14:26,940

go for help he he didn't make it he

1662

01:14:30,169 --> 01:14:28,380

drowned

1663

01:14:31,990 --> 01:14:30,179

um it's called Jacob's Well I don't know

1664

01:14:36,470 --> 01:14:32,000

if you've heard any stories about it

1665

01:14:38,810 --> 01:14:36,480

Wimberley uh and as I was coming out I

1666

01:14:40,970 --> 01:14:38,820

got trapped I got lost we didn't have

1667

01:14:44,270 --> 01:14:40,980

guide ropes I went down the I went up

1668

01:14:45,950 --> 01:14:44,280

the false chimney uh a presence was

1669

01:14:50,209 --> 01:14:45,960

chasing me as the best way I can

1670

01:14:52,669 --> 01:14:50,219

describe it and when I hit that dead end

1671

01:14:54,950 --> 01:14:52,679

um the work the the words very similar

1672

01:14:57,830 --> 01:14:54,960

to what I've heard from these Bigfoot

1673

01:14:59,510 --> 01:14:57,840

experiences said I've got your buddy and

1674

01:15:03,050 --> 01:14:59,520

now I'm Gonna Get You

1675

01:15:04,850 --> 01:15:03,060

and and very similar was it a spirit of

1676

01:15:07,370 --> 01:15:04,860

the well I don't know you know was it

1677

01:15:11,149 --> 01:15:07,380

death talking to me I don't know that

1678

01:15:13,790 --> 01:15:11,159

either but uh fortunately

1679

01:15:15,770 --> 01:15:13,800

uh I I well I answered you know yeah I

1680

01:15:17,990 --> 01:15:15,780

guess I did I answered within my inner

1681

01:15:21,110 --> 01:15:18,000

being no not until all the Energy's gone

1682

01:15:24,350 --> 01:15:21,120

you're not getting me that easy no you

1683

01:15:25,669 --> 01:15:24,360

know and vertigo was set in I exhaled

1684

01:15:29,750 --> 01:15:25,679

bubbles I went the opposite direction

1685

01:15:32,270 --> 01:15:29,760

got in the main shaft and uh there I I

1686

01:15:35,630 --> 01:15:32,280

knew I had to get out and I just said

1687

01:15:37,669 --> 01:15:35,640

Jesus help me I said it three times and

1688

01:15:40,250 --> 01:15:37,679

on the third Jesus helped me I felt a

1689

01:15:42,169 --> 01:15:40,260

guide rope get in them it wasn't my guy

1690

01:15:45,050 --> 01:15:42,179

drove somebody else had put a guy broke

1691

01:15:48,050 --> 01:15:45,060

in here call it coincidence no I I don't

1692

01:15:51,530 --> 01:15:48,060

think so I I I consider myself a

1693

01:15:54,229 --> 01:15:51,540

spiritual man but not a religious man I

1694

01:15:57,830 --> 01:15:54,239

do not like religion it judges it puts

1695

01:16:01,790 --> 01:15:57,840

people down it's it's it's it's not what

1696

01:16:02,830 --> 01:16:01,800

the the Creator intended but uh yeah you

1697

01:16:06,350 --> 01:16:02,840

know

1698

01:16:08,630 --> 01:16:06,360

Nathan has a masters in in religion and

1699

01:16:10,070 --> 01:16:08,640

has done a deep dive and gone on a

1700

01:16:12,470 --> 01:16:10,080

roller coaster so I'm sure it's that's

1701

01:16:13,910 --> 01:16:12,480

why he's nodding his head right now uh

1702

01:16:17,270 --> 01:16:13,920

what you're saying I can relate to that

1703

01:16:19,070 --> 01:16:17,280

yeah I I want to uh ask Matt a question

1704

01:16:22,010 --> 01:16:19,080

then I have a question for Rick and then

1705

01:16:24,950 --> 01:16:22,020

I'm going to pass it to Nathan Matt

1706

01:16:26,570 --> 01:16:24,960

um because you've also spent you know a

1707

01:16:28,729 --> 01:16:26,580

couple of decades out there in the woods

1708

01:16:32,330 --> 01:16:28,739

with with the big guys as Rick

1709

01:16:34,189 --> 01:16:32,340

affectionately calls them uh the the did

1710

01:16:37,490 --> 01:16:34,199

the eyes emit light in in your

1711

01:16:39,610 --> 01:16:37,500

estimation from what you've seen

1712

01:16:43,850 --> 01:16:39,620

oh man

1713

01:16:50,770 --> 01:16:47,149

my answer is no however

1714

01:16:53,870 --> 01:16:50,780

I have heard from very reliable people

1715

01:16:55,630 --> 01:16:53,880

that they have witnessed it

1716

01:16:58,910 --> 01:16:55,640

now I wasn't there

1717

01:17:02,209 --> 01:16:58,920

and my analytical Minds like okay well

1718

01:17:04,610 --> 01:17:02,219

if you can see at night there is a light

1719

01:17:07,310 --> 01:17:04,620

source somewhere it may not be it may

1720

01:17:09,830 --> 01:17:07,320

might be Starlight it you know it might

1721

01:17:12,229 --> 01:17:09,840

be Moonlight who knows ambient light

1722

01:17:13,729 --> 01:17:12,239

from a nearby town but there's light

1723

01:17:17,270 --> 01:17:13,739

otherwise you would not be able to see

1724

01:17:19,850 --> 01:17:17,280

anything right so to say that well there

1725

01:17:22,430 --> 01:17:19,860

was no light source to be reflected back

1726

01:17:24,890 --> 01:17:22,440

I mean I don't know but I've actually

1727

01:17:26,950 --> 01:17:24,900

heard people say that no this was

1728

01:17:30,830 --> 01:17:26,960

different I never believed in it before

1729

01:17:33,709 --> 01:17:30,840

but these eyes were actually glowing now

1730

01:17:35,750 --> 01:17:33,719

that starts you know bringing in all the

1731

01:17:38,330 --> 01:17:35,760

questions okay well if you're if the

1732

01:17:40,490 --> 01:17:38,340

eyes can produce light

1733

01:17:43,189 --> 01:17:40,500

how does it keep from blinding them how

1734

01:17:45,470 --> 01:17:43,199

do how are they able to see through eyes

1735

01:17:47,390 --> 01:17:45,480

that are producing light it should you

1736

01:17:49,910 --> 01:17:47,400

know flood out the eyeball and they

1737

01:17:51,410 --> 01:17:49,920

wouldn't be able to see so I mean that

1738

01:17:53,030 --> 01:17:51,420

just starts going into those whole gray

1739

01:17:55,370 --> 01:17:53,040

areas where you start getting in the

1740

01:17:57,370 --> 01:17:55,380

Paranormal more questions than answers

1741

01:18:00,470 --> 01:17:57,380

uh just like with the Mind speak stuff

1742

01:18:02,090 --> 01:18:00,480

if you can talk telepathically why are

1743

01:18:04,250 --> 01:18:02,100

you out there yelling and shouting and

1744

01:18:07,250 --> 01:18:04,260

screaming and doing barred owl calls and

1745

01:18:08,689 --> 01:18:07,260

talking and you know ancient dial it you

1746

01:18:13,550 --> 01:18:08,699

don't need to talk you can just use your

1747

01:18:15,169 --> 01:18:13,560

mind so why do it I nobody knows uh I

1748

01:18:17,689 --> 01:18:15,179

don't know if everyone can receive just

1749

01:18:20,149 --> 01:18:17,699

like you know I watched 28 days haunted

1750

01:18:22,010 --> 01:18:20,159

and I have these brilliant very

1751

01:18:24,110 --> 01:18:22,020

courageous mediums that are interacting

1752

01:18:25,669 --> 01:18:24,120

with these trying to drive these Spirits

1753

01:18:26,870 --> 01:18:25,679

out of the houses I don't know that

1754

01:18:29,149 --> 01:18:26,880

everybody

1755

01:18:31,550 --> 01:18:29,159

has either has the ability or has

1756

01:18:33,050 --> 01:18:31,560

cultivated the ability to do that and I

1757

01:18:35,990 --> 01:18:33,060

would think the same for bigfoot I think

1758

01:18:37,430 --> 01:18:36,000

that perhaps uh some people can hear

1759

01:18:39,649 --> 01:18:37,440

that mind speak and then there's other

1760

01:18:40,970 --> 01:18:39,659

Meatheads out there that like me in the

1761

01:18:43,970 --> 01:18:40,980

woods and I'm not going to hear a thing

1762

01:18:45,709 --> 01:18:43,980

so I don't you know it might be a range

1763

01:18:47,689 --> 01:18:45,719

thing you know I mean yeah it could be

1764

01:18:49,370 --> 01:18:47,699

it can only reach out so far and if

1765

01:18:50,990 --> 01:18:49,380

you're trying to communicate to the

1766

01:18:53,870 --> 01:18:51,000

entire group that's spread out over the

1767

01:18:56,149 --> 01:18:53,880

course of a mile or so at a time maybe

1768

01:18:58,189 --> 01:18:56,159

the Mind speak thing doesn't work I I

1769

01:19:00,410 --> 01:18:58,199

don't know yeah it could be this

1770

01:19:03,050 --> 01:19:00,420

question it could be a distance thing

1771

01:19:04,850 --> 01:19:03,060

yeah is it a just yeah it could be a

1772

01:19:06,830 --> 01:19:04,860

distance thing close proximity but

1773

01:19:08,990 --> 01:19:06,840

further away they can't do that you know

1774

01:19:10,070 --> 01:19:09,000

the knocks in the House serve their

1775

01:19:11,930 --> 01:19:10,080

purpose

1776

01:19:15,050 --> 01:19:11,940

because these things were right on top

1777

01:19:19,610 --> 01:19:16,310

um and

1778

01:19:21,470 --> 01:19:19,620

Rick my question for you is how much do

1779

01:19:23,530 --> 01:19:21,480

you feel like your Native American

1780

01:19:26,630 --> 01:19:23,540

Heritage has

1781

01:19:28,850 --> 01:19:26,640

helped uh or affected in any way

1782

01:19:30,649 --> 01:19:28,860

positively or negatively your

1783

01:19:34,250 --> 01:19:30,659

interactions with them do you think

1784

01:19:37,310 --> 01:19:34,260

that's been a force multiplier for you I

1785

01:19:40,790 --> 01:19:37,320

think so uh I think in Kentucky

1786

01:19:43,490 --> 01:19:40,800

especially with that that newbie we

1787

01:19:45,709 --> 01:19:43,500

heard movement on the side and I've

1788

01:19:47,810 --> 01:19:45,719

always wanted I'm not fluent my

1789

01:19:49,610 --> 01:19:47,820

grandmother was fluent you know my aunt

1790

01:19:51,470 --> 01:19:49,620

and uncles were fluent I brought my

1791

01:19:55,790 --> 01:19:51,480

Cherokee probably a slanted English

1792

01:19:57,709 --> 01:19:55,800

accent to it but uh I I actually that

1793

01:20:00,290 --> 01:19:57,719

night when the guy was there and we had

1794

01:20:02,350 --> 01:20:00,300

stirring I looked over at the the

1795

01:20:04,910 --> 01:20:02,360

movement and I said

1796

01:20:07,610 --> 01:20:04,920

I was asking him what is your name in

1797

01:20:10,970 --> 01:20:07,620

Cherokee and nothing and I asked it

1798

01:20:13,430 --> 01:20:10,980

again I went got to stay Deja Dole and

1799

01:20:16,010 --> 01:20:13,440

on that second question from that

1800

01:20:19,910 --> 01:20:16,020

movement on the side I got a bullfrog

1801

01:20:22,250 --> 01:20:19,920

deep voice that went claw which is no in

1802

01:20:25,850 --> 01:20:22,260

Cherokee no I'm not going to tell you my

1803

01:20:29,149 --> 01:20:25,860

name so I did get a response and that's

1804

01:20:31,430 --> 01:20:29,159

that's one of my passions is to speak

1805

01:20:33,590 --> 01:20:31,440

more and try to interact with them in a

1806

01:20:35,689 --> 01:20:33,600

spoken word because Kentucky Cherokee

1807

01:20:38,990 --> 01:20:35,699

these were there for thousands of years

1808

01:20:41,689 --> 01:20:39,000

before the European settlers came in and

1809

01:20:44,090 --> 01:20:41,699

they got pushed out you know Andrew

1810

01:20:45,950 --> 01:20:44,100

Jackson said you know what we're going

1811

01:20:48,649 --> 01:20:45,960

to pass the Indian Removal Act and free

1812

01:20:50,630 --> 01:20:48,659

it's for your own good but by the way 5

1813

01:20:51,350 --> 01:20:50,640

000 of you are going to die along the

1814

01:20:55,490 --> 01:20:51,360

way

1815

01:21:00,530 --> 01:20:57,530

school it was hard not to cry reading it

1816

01:21:03,169 --> 01:21:00,540

is absolutely and when people are not

1817

01:21:04,729 --> 01:21:03,179

sensitive to that particularly on like

1818

01:21:06,229 --> 01:21:04,739

Columbus Day and stuff and they're not

1819

01:21:07,850 --> 01:21:06,239

sensitive to why people called

1820

01:21:09,530 --> 01:21:07,860

indigenous peoples did just because

1821

01:21:10,910 --> 01:21:09,540

you're an idiot and you haven't read

1822

01:21:13,430 --> 01:21:10,920

history and you don't understand what

1823

01:21:15,709 --> 01:21:13,440

happened you can't connect with that it

1824

01:21:17,450 --> 01:21:15,719

wasn't your people Nathan please go

1825

01:21:20,570 --> 01:21:17,460

ahead sir

1826

01:21:22,669 --> 01:21:20,580

well I want to ask about uh

1827

01:21:26,390 --> 01:21:22,679

I'm not sure how exactly to phrase this

1828

01:21:28,669 --> 01:21:26,400

but there's a lot of um

1829

01:21:30,770 --> 01:21:28,679

the UFO subject has these same sort of

1830

01:21:32,450 --> 01:21:30,780

spectrum of issues right there's a

1831

01:21:35,030 --> 01:21:32,460

there's a craft spectrum and then

1832

01:21:38,030 --> 01:21:35,040

there's the more paranormal aspects and

1833

01:21:40,729 --> 01:21:38,040

uh all of these things if you kind of

1834

01:21:43,250 --> 01:21:40,739

take a big picture view seem to really

1835

01:21:44,750 --> 01:21:43,260

hint at something that is much deeper

1836

01:21:47,990 --> 01:21:44,760

and Ricky talked about you know your

1837

01:21:50,810 --> 01:21:48,000

spiritual uh approach to things and I I

1838

01:21:53,630 --> 01:21:50,820

wondered what is your sense of

1839

01:21:56,450 --> 01:21:53,640

if you had to say there is one where is

1840

01:21:59,030 --> 01:21:56,460

this going you know is uh is this

1841

01:22:01,310 --> 01:21:59,040

leading to an expanded awareness for

1842

01:22:02,810 --> 01:22:01,320

human humans in our civilization

1843

01:22:05,510 --> 01:22:02,820

understanding that we're not alone

1844

01:22:07,790 --> 01:22:05,520

there's a lot more happening in reality

1845

01:22:08,990 --> 01:22:07,800

realities we know it is not you know

1846

01:22:12,770 --> 01:22:09,000

what we thought it was where do you

1847

01:22:15,830 --> 01:22:12,780

think this is headed you know there is a

1848

01:22:19,250 --> 01:22:15,840

purpose you know in an end game which I

1849

01:22:21,530 --> 01:22:19,260

I can't wrap my mind around uh from the

1850

01:22:25,970 --> 01:22:21,540

spiritual aspect I I think they're a

1851

01:22:29,149 --> 01:22:25,980

hybrid human Okay a mixture of if if you

1852

01:22:33,709 --> 01:22:29,159

read the Bible and and you know Genesis

1853

01:22:35,030 --> 01:22:33,719

6 uh talks about that the Nephilim uh I

1854

01:22:36,649 --> 01:22:35,040

think they've been here since the

1855

01:22:40,630 --> 01:22:36,659

beginning of man in the beginning of

1856

01:22:43,910 --> 01:22:40,640

time uh you hear the uh English History

1857

01:22:47,510 --> 01:22:43,920

and and legends talking about ogres and

1858

01:22:51,649 --> 01:22:47,520

trolls uh Gilgamesh in the Sumerian you

1859

01:22:53,630 --> 01:22:51,659

know uh accounts uh Greek Titans uh you

1860

01:22:56,810 --> 01:22:53,640

can go over and over even your eastern

1861

01:22:59,530 --> 01:22:56,820

Indian you know have the same thing I

1862

01:23:03,890 --> 01:22:59,540

think these subjects have been uh

1863

01:23:05,990 --> 01:23:03,900

existing beside man for forever

1864

01:23:08,090 --> 01:23:06,000

and I really don't know what the end

1865

01:23:10,430 --> 01:23:08,100

game is with them now I've I've had some

1866

01:23:12,890 --> 01:23:10,440

people say they're demonic don't have

1867

01:23:15,530 --> 01:23:12,900

anything to do with them uh but I've

1868

01:23:17,630 --> 01:23:15,540

spoken with two different people saved

1869

01:23:20,149 --> 01:23:17,640

from certain death by the benevolent

1870

01:23:23,930 --> 01:23:20,159

acts of these subjects and Native

1871

01:23:25,630 --> 01:23:23,940

American history also has accounts where

1872

01:23:29,870 --> 01:23:25,640

these things came

1873

01:23:32,510 --> 01:23:29,880

unsolicited unasked for and aided people

1874

01:23:35,750 --> 01:23:32,520

in a time of of Dire Straits that's

1875

01:23:39,470 --> 01:23:35,760

benevolent that's not in my opinion an

1876

01:23:40,910 --> 01:23:39,480

inherently Evil subject uh I don't know

1877

01:23:43,370 --> 01:23:40,920

I don't know where it's going to end up

1878

01:23:45,709 --> 01:23:43,380

but I know that these things are there

1879

01:23:48,530 --> 01:23:45,719

whether you believe it or not and

1880

01:23:51,590 --> 01:23:48,540

probably my biggest heartfelt sympathy

1881

01:23:54,770 --> 01:23:51,600

is for somebody that's an Ardent skeptic

1882

01:23:57,229 --> 01:23:54,780

that one day inadvertently one runs into

1883

01:23:59,510 --> 01:23:57,239

one of these subjects in the woods they

1884

01:24:03,470 --> 01:23:59,520

are not the same man I mean they have

1885

01:24:06,709 --> 01:24:03,480

issues between their ears over the PTSD

1886

01:24:09,350 --> 01:24:06,719

it's it's a very emotional and

1887

01:24:11,030 --> 01:24:09,360

devastating experience for them they're

1888

01:24:12,830 --> 01:24:11,040

there

1889

01:24:15,410 --> 01:24:12,840

Debs

1890

01:24:16,910 --> 01:24:15,420

yeah so I know that you alluded to the

1891

01:24:19,850 --> 01:24:16,920

fact that you've run into some other

1892

01:24:21,950 --> 01:24:19,860

things and I'm also fascinated by some

1893

01:24:24,830 --> 01:24:21,960

of those other things like the little

1894

01:24:28,189 --> 01:24:24,840

people also known as fairies goblins

1895

01:24:30,770 --> 01:24:28,199

hobgoblins there's about 500 names and

1896

01:24:34,250 --> 01:24:30,780

all of these are pretty International

1897

01:24:36,850 --> 01:24:34,260

um so I was just wondering if you had

1898

01:24:40,430 --> 01:24:36,860

um run into some of those

1899

01:24:44,270 --> 01:24:40,440

uh uh Toca Oklahoma

1900

01:24:45,590 --> 01:24:44,280

uh about 2011 or 2012 I'd have to look

1901

01:24:50,030 --> 01:24:45,600

at my videos

1902

01:24:52,430 --> 01:24:50,040

uh we had a homestead area land had been

1903

01:24:54,649 --> 01:24:52,440

in the family for several Generations

1904

01:24:58,550 --> 01:24:54,659

Grandma used to watch what they called

1905

01:24:59,689 --> 01:24:58,560

The Boogers pick wild pears or plums I

1906

01:25:02,510 --> 01:24:59,699

can't remember it was a wild fruit

1907

01:25:04,850 --> 01:25:02,520

across the the street from the homestead

1908

01:25:06,229 --> 01:25:04,860

building uh not a big deal they knew

1909

01:25:08,570 --> 01:25:06,239

they were there

1910

01:25:11,630 --> 01:25:08,580

um we were out there near an Artesian

1911

01:25:13,430 --> 01:25:11,640

well that had native hit native and

1912

01:25:15,590 --> 01:25:13,440

settler history had been there for hunt

1913

01:25:18,290 --> 01:25:15,600

well more than 100 years but it's

1914

01:25:22,970 --> 01:25:18,300

discovered uh the big guys came into

1915

01:25:27,229 --> 01:25:22,980

that area and I was there with a a

1916

01:25:29,990 --> 01:25:27,239

uh active uh police officer and a

1917

01:25:32,510 --> 01:25:30,000

college professor whose family owned and

1918

01:25:35,510 --> 01:25:32,520

had been on that land and he had

1919

01:25:39,169 --> 01:25:35,520

actually threw his Flair saw this large

1920

01:25:43,189 --> 01:25:39,179

figure down there tree peaking uh I got

1921

01:25:45,850 --> 01:25:43,199

my gin one uh night vision trying to get

1922

01:25:49,370 --> 01:25:45,860

a good look at it and all I got was this

1923

01:25:51,950 --> 01:25:49,380

luminescence uh it didn't show up in the

1924

01:25:54,229 --> 01:25:51,960

Gen 3. we had a generation three scope

1925

01:25:56,510 --> 01:25:54,239

and I think some of the filtering you

1926

01:25:59,090 --> 01:25:56,520

know knocked that out but with the gin

1927

01:26:01,910 --> 01:25:59,100

one you could see actual luminescence

1928

01:26:04,550 --> 01:26:01,920

from the eyes in the IR spectrum you

1929

01:26:07,070 --> 01:26:04,560

know I got that on video but then I saw

1930

01:26:08,990 --> 01:26:07,080

these other little flashes of light I

1931

01:26:11,270 --> 01:26:09,000

thought they were fireflies you know or

1932

01:26:13,250 --> 01:26:11,280

something another luminescent you know

1933

01:26:17,030 --> 01:26:13,260

living thing

1934

01:26:20,450 --> 01:26:17,040

and uh later going through my videos

1935

01:26:24,050 --> 01:26:20,460

there were three of these bubble-headed

1936

01:26:26,930 --> 01:26:24,060

alien looking things on the video I was

1937

01:26:28,729 --> 01:26:26,940

keying in on the big tall subject behind

1938

01:26:30,830 --> 01:26:28,739

the tree but these other subjects were

1939

01:26:33,470 --> 01:26:30,840

in front of them were they running with

1940

01:26:35,330 --> 01:26:33,480

them I don't know that was in like I

1941

01:26:40,189 --> 01:26:35,340

said 2012

1942

01:26:43,970 --> 01:26:40,199

in 2019 or 2020 I was in the Davy

1943

01:26:47,629 --> 01:26:43,980

Crockett National Forest in uh uh let's

1944

01:26:50,149 --> 01:26:47,639

see Minnesota yes yeah Minnesota

1945

01:26:53,750 --> 01:26:50,159

got the same thing on FLIR two different

1946

01:26:56,149 --> 01:26:53,760

times hundreds of miles apart in and

1947

01:26:59,030 --> 01:26:56,159

amongst Bigfoot activity and they look

1948

01:27:01,729 --> 01:26:59,040

the same you know in the thermal don't

1949

01:27:04,310 --> 01:27:01,739

know I don't know what the connection is

1950

01:27:06,770 --> 01:27:04,320

they run together though

1951

01:27:08,510 --> 01:27:06,780

all right this is uh Matt Matt will get

1952

01:27:11,450 --> 01:27:08,520

our last question

1953

01:27:14,390 --> 01:27:11,460

and then um and then we will we will

1954

01:27:15,890 --> 01:27:14,400

rock on with uh we have to plan a part

1955

01:27:18,169 --> 01:27:15,900

two with you Mr Taylor because

1956

01:27:22,930 --> 01:27:18,179

absolutely there's more stuff that we

1957

01:27:25,189 --> 01:27:22,940

got to get into so let's Mr Knapp

1958

01:27:27,590 --> 01:27:25,199

yeah well I'm going to ask a question

1959

01:27:28,850 --> 01:27:27,600

that I like to ask on my show sometimes

1960

01:27:31,490 --> 01:27:28,860

uh

1961

01:27:33,830 --> 01:27:31,500

what is your end goal with all this what

1962

01:27:35,810 --> 01:27:33,840

what what are you what are you looking

1963

01:27:37,729 --> 01:27:35,820

to accomplish whenever it's all said and

1964

01:27:42,050 --> 01:27:37,739

done with

1965

01:27:45,709 --> 01:27:42,060

I wrote one book it's actually a booklet

1966

01:27:48,050 --> 01:27:45,719

of my early experiences it's on Amazon

1967

01:27:50,510 --> 01:27:48,060

if you Google Richard Taylor Bigfoot

1968

01:27:52,669 --> 01:27:50,520

it'll take you to the links

1969

01:27:56,270 --> 01:27:52,679

if I'm in the show notes just let you

1970

01:27:58,430 --> 01:27:56,280

know we'll have it in there I I quit

1971

01:28:00,410 --> 01:27:58,440

trying to prove it one time I thought

1972

01:28:02,209 --> 01:28:00,420

yeah I get the evidence and prove to the

1973

01:28:04,850 --> 01:28:02,219

world they exist

1974

01:28:07,669 --> 01:28:04,860

I don't think that's meant to be I

1975

01:28:10,610 --> 01:28:07,679

really don't I've seen good people with

1976

01:28:12,410 --> 01:28:10,620

very good evidence get crucified you

1977

01:28:14,629 --> 01:28:12,420

know by the general public and the

1978

01:28:17,629 --> 01:28:14,639

scientific Community I don't think the

1979

01:28:20,450 --> 01:28:17,639

world's ready as a whole to to accept

1980

01:28:22,610 --> 01:28:20,460

this although there are uh substantial

1981

01:28:24,830 --> 01:28:22,620

amount of Americans that say yeah

1982

01:28:27,050 --> 01:28:24,840

absolutely they exist you know I haven't

1983

01:28:31,430 --> 01:28:27,060

seen one but I believe they exist

1984

01:28:33,050 --> 01:28:31,440

I just enjoy sharing on shows like this

1985

01:28:37,010 --> 01:28:33,060

with people

1986

01:28:39,410 --> 01:28:37,020

uh nothing better than for me to go out

1987

01:28:42,590 --> 01:28:39,420

there out in the field away from all of

1988

01:28:45,110 --> 01:28:42,600

the the internet and the Skeptics and

1989

01:28:49,129 --> 01:28:45,120

everything and be out there one-on-one

1990

01:28:51,169 --> 01:28:49,139

with a newbie and and watch the

1991

01:28:53,750 --> 01:28:51,179

expression on her face turning to me

1992

01:28:55,610 --> 01:28:53,760

with wide eyes saying there's something

1993

01:28:59,030 --> 01:28:55,620

out there

1994

01:29:01,370 --> 01:28:59,040

makes my day folks makes my day you know

1995

01:29:03,350 --> 01:29:01,380

Case Closed they they saw it or

1996

01:29:06,110 --> 01:29:03,360

experienced it for themselves nothing

1997

01:29:08,209 --> 01:29:06,120

like it that's it you're not going to

1998

01:29:10,430 --> 01:29:08,219

prove it to the naysayers uh let's start

1999

01:29:13,490 --> 01:29:10,440

with our cabbie goodbyes

2000

01:29:15,649 --> 01:29:13,500

um let's start with uh Matt now well

2001

01:29:17,390 --> 01:29:15,659

let's start with Deb so that Matt knows

2002

01:29:19,790 --> 01:29:17,400

where we're going go ahead

2003

01:29:21,590 --> 01:29:19,800

thank you it was an honor for you to

2004

01:29:23,570 --> 01:29:21,600

share your story with us I hope we get

2005

01:29:25,970 --> 01:29:23,580

to talk more I'm definitely fascinated

2006

01:29:28,669 --> 01:29:25,980

by all these things experiences and your

2007

01:29:31,149 --> 01:29:28,679

knowledge and I hope that I too get to

2008

01:29:33,229 --> 01:29:31,159

see a toddler one day

2009

01:29:35,330 --> 01:29:33,239

you said you didn't want to go in the

2010

01:29:40,030 --> 01:29:35,340

woods Deb you have to go in the woods no

2011

01:29:42,649 --> 01:29:40,040

I have a small backyard the top here

2012

01:29:45,550 --> 01:29:42,659

Rick can you arrange for them to come to

2013

01:29:52,550 --> 01:29:49,189

well adorable I would like sometime

2014

01:29:56,510 --> 01:29:52,560

there's some areas well let me tell you

2015

01:29:57,890 --> 01:29:56,520

this there's a an Oklahoma no I can't

2016

01:30:00,169 --> 01:29:57,900

think of the name right now I'm getting

2017

01:30:03,050 --> 01:30:00,179

a senior moment but there's an area up

2018

01:30:05,810 --> 01:30:03,060

there that's a hotbed and and there are

2019

01:30:07,610 --> 01:30:05,820

people that take Expeditions up there

2020

01:30:10,790 --> 01:30:07,620

they're not real large group of people

2021

01:30:13,450 --> 01:30:10,800

but people there have a great I can get

2022

01:30:17,330 --> 01:30:13,460

you the links to it and everything uh

2023

01:30:20,510 --> 01:30:17,340

kayamichi Mountain yes kiamichi Mountain

2024

01:30:22,970 --> 01:30:20,520

uh Excursion or Expeditions or something

2025

01:30:26,510 --> 01:30:22,980

like that I know the I know the people

2026

01:30:28,189 --> 01:30:26,520

personally and uh I was up there I told

2027

01:30:30,410 --> 01:30:28,199

you about the story of of the guy

2028

01:30:33,350 --> 01:30:30,420

Gathering the The Throne objects and

2029

01:30:34,970 --> 01:30:33,360

everything got up out of his chair and

2030

01:30:36,470 --> 01:30:34,980

was walking to pick this stuff up and

2031

01:30:39,169 --> 01:30:36,480

said can't you guys throw this any

2032

01:30:41,209 --> 01:30:39,179

closer so I don't have to get up I heard

2033

01:30:43,990 --> 01:30:41,219

the thump and look down they put a

2034

01:30:47,030 --> 01:30:44,000

quarter-sized Rock in his chair

2035

01:30:49,729 --> 01:30:47,040

yeah Rick told me that one yesterday

2036

01:30:51,530 --> 01:30:49,739

um yeah and the kiamichi I think that

2037

01:30:52,430 --> 01:30:51,540

the gentleman was on your show right

2038

01:30:55,430 --> 01:30:52,440

Matt

2039

01:30:58,610 --> 01:30:55,440

uh David Wilbanks David will yeah he was

2040

01:31:01,189 --> 01:30:58,620

amazing man it's a wonderful place it

2041

01:31:03,590 --> 01:31:01,199

really is especially around Hornady or

2042

01:31:06,410 --> 01:31:03,600

anoby depending on where you're from

2043

01:31:08,149 --> 01:31:06,420

Adobe Oklahoma Debs we're gonna we're

2044

01:31:10,550 --> 01:31:08,159

gonna get you an experience even if it's

2045

01:31:12,770 --> 01:31:10,560

at uh David Lanier's property in uh

2046

01:31:14,450 --> 01:31:12,780

Alabama but Matt once you go with your

2047

01:31:16,250 --> 01:31:14,460

cabbie goodbye since you're an honorary

2048

01:31:18,890 --> 01:31:16,260

cabbie this evening

2049

01:31:21,950 --> 01:31:18,900

uh Rick thank you for coming on and

2050

01:31:24,649 --> 01:31:21,960

sharing with everyone uh

2051

01:31:26,450 --> 01:31:24,659

I hate to do this to you guys but Rick

2052

01:31:30,050 --> 01:31:26,460

I'd like to have you on my show sometime

2053

01:31:31,550 --> 01:31:30,060

sure that's okay with you sure uh I I we

2054

01:31:34,189 --> 01:31:31,560

definitely got to compare notes like

2055

01:31:37,370 --> 01:31:34,199

you've been uh preaching to the choir

2056

01:31:41,090 --> 01:31:37,380

all night man uh well yeah it's a it's a

2057

01:31:43,430 --> 01:31:41,100

passion of mine folks uh I've been I

2058

01:31:46,729 --> 01:31:43,440

call it blessed I mean I could tell you

2059

01:31:50,149 --> 01:31:46,739

story after story and it they never get

2060

01:31:52,490 --> 01:31:50,159

old because they're they're so I love it

2061

01:31:54,590 --> 01:31:52,500

I love going out on the Expeditions I

2062

01:31:57,229 --> 01:31:54,600

love squatching them something else is

2063

01:31:59,330 --> 01:31:57,239

going to happen and uh you know people

2064

01:32:01,129 --> 01:31:59,340

there they they freak out they they

2065

01:32:03,649 --> 01:32:01,139

don't they don't know how to take it and

2066

01:32:05,870 --> 01:32:03,659

uh that's good it gives them a little

2067

01:32:08,810 --> 01:32:05,880

seed maybe next time they'll they'll be

2068

01:32:12,550 --> 01:32:08,820

more receptive instead of huddling and

2069

01:32:17,090 --> 01:32:14,810

I love it

2070

01:32:19,490 --> 01:32:17,100

um and well you know like I said well

2071

01:32:21,470 --> 01:32:19,500

your book uh Julie's put up your book

2072

01:32:23,510 --> 01:32:21,480

like three or four times now we're gonna

2073

01:32:26,709 --> 01:32:23,520

have it in the show notes for this show

2074

01:32:29,930 --> 01:32:26,719

so Rick's book is called

2075

01:32:33,229 --> 01:32:29,940

my Bigfoot my encounters Forest people

2076

01:32:33,950 --> 01:32:33,239

America's tribe yeah that's right and we

2077

01:32:36,290 --> 01:32:33,960

will

2078

01:32:38,510 --> 01:32:36,300

um we're going to get more into a more

2079

01:32:41,870 --> 01:32:38,520

hypothesis with Rick when we do a part

2080

01:32:47,030 --> 01:32:41,880

two uh Matt Knapp is uh Bigfoot

2081

01:32:49,430 --> 01:32:47,040

Crossroads if you are a cabbie uh a fan

2082

01:32:51,950 --> 01:32:49,440

or friend of ours I recommend that you

2083

01:32:54,410 --> 01:32:51,960

go on uh and check out Bigfoot

2084

01:32:57,110 --> 01:32:54,420

Crossroads with Matt Matthew Knapp it's

2085

01:32:59,450 --> 01:32:57,120

amazing uh he he just has a lot of

2086

01:33:00,890 --> 01:32:59,460

experience like Nathan he's going to

2087

01:33:03,110 --> 01:33:00,900

throw a funny in there when you least

2088

01:33:05,270 --> 01:33:03,120

expect it it's gonna he's gonna he's got

2089

01:33:08,390 --> 01:33:05,280

a great wit and he has a great interview

2090

01:33:12,050 --> 01:33:08,400

style so uh money Nathan your goodbye to

2091

01:33:14,390 --> 01:33:12,060

Mr uh Mr Taylor Rick uh your story has

2092

01:33:16,970 --> 01:33:14,400

uh it's just been fantastic to listen to

2093

01:33:18,590 --> 01:33:16,980

your your passion is contagious and I'm

2094

01:33:20,209 --> 01:33:18,600

so grateful for your willingness to

2095

01:33:22,910 --> 01:33:20,219

share that with us we are looking

2096

01:33:25,070 --> 01:33:22,920

forward to part two there's a slew of

2097

01:33:27,950 --> 01:33:25,080

questions that I know we couldn't get to

2098

01:33:29,450 --> 01:33:27,960

and also from our audience as well so

2099

01:33:32,390 --> 01:33:29,460

we'll try to drop those down and carry

2100

01:33:35,930 --> 01:33:32,400

those with us but thank you for exposing

2101  
01:33:38,030 --> 01:33:35,940  
us to this other aspect of reality that

2102  
01:33:40,189 --> 01:33:38,040  
that many of us just haven't experienced

2103  
01:33:43,310 --> 01:33:40,199  
aren't aware of but I think it certainly

2104  
01:33:44,990 --> 01:33:43,320  
does light our curiosity and and our

2105  
01:33:46,970 --> 01:33:45,000  
passion as well so I really appreciate

2106  
01:33:51,250 --> 01:33:46,980  
that and look forward to our future

2107  
01:33:56,930 --> 01:33:54,110  
thank you folks man it's it's been good

2108  
01:33:58,610 --> 01:33:56,940  
it's been good and and guess what they

2109  
01:34:01,550 --> 01:33:58,620  
are people that's what he's trying to

2110  
01:34:05,689 --> 01:34:01,560  
tell you they have people Rick thank you

2111  
01:34:07,610 --> 01:34:05,699  
so much for answering my message uh and

2112  
01:34:08,930 --> 01:34:07,620  
then calling me I had a great Converse I

2113  
01:34:11,270 --> 01:34:08,940

had a great two days I had a great

2114

01:34:13,550 --> 01:34:11,280

conversation with you yes uh last night

2115

01:34:16,430 --> 01:34:13,560

and then the Navajo Ranger Jonathan

2116

01:34:18,290 --> 01:34:16,440

Dover called me uh today also a Bigfoot

2117

01:34:20,689 --> 01:34:18,300

investigator a great conversation so

2118

01:34:23,570 --> 01:34:20,699

I'll tell you what man life is damn good

2119

01:34:26,629 --> 01:34:23,580

yes it is thank you Mr Taylor Namaste

2120

01:34:29,990 --> 01:34:26,639

brother okay all right all right thank

2121

01:34:32,270 --> 01:34:30,000

you Rick Taylor for Matt Knapp our guest

2122

01:34:35,030 --> 01:34:32,280

co-host and guest cabbie for brother

2123

01:34:38,270 --> 01:34:35,040

Nathan for Debs this is DJ saying peace

2124

01:34:40,850 --> 01:34:38,280

out one love we'll see you down the road

2125

01:34:42,890 --> 01:34:40,860

Bob Marley and as always we're wondering

2126

01:34:44,110 --> 01:34:42,900

what's up around the bend
