

Holiday Party

Dec 18, 2022

Calling All Beings

1
00:00:50,170 --> 00:00:29,510

[Music]

2
00:00:56,090 --> 00:00:52,750

yeah

3
00:01:00,170 --> 00:00:56,100

welcome back to calling all beings it's

4
00:01:03,709 --> 00:01:00,180

the second annual camp holiday party I'm

5
00:01:06,950 --> 00:01:03,719

your host DJ along with the researcher

6
00:01:09,830 --> 00:01:06,960

the cool chick of this joint a study of

7
00:01:10,910 --> 00:01:09,840

UAP Debs money Nathan Finn to be here in

8
00:01:12,649 --> 00:01:10,920

a minute

9
00:01:14,690 --> 00:01:12,659

when it gets to technology business

10
00:01:17,810 --> 00:01:14,700

sorted out Deb how you doing girlfriend

11
00:01:19,149 --> 00:01:17,820

I'm doing great you like my hat

12
00:01:23,630 --> 00:01:19,159

yeah

13
00:01:25,910 --> 00:01:23,640

where the hell I put it I might have to

14

00:01:27,170 --> 00:01:25,920

call katiani in with an assist here I

15

00:01:29,749 --> 00:01:27,180

had a hat I don't know what I did with

16

00:01:31,910 --> 00:01:29,759

it you look great Deb as usual

17

00:01:34,070 --> 00:01:31,920

um and and those backstage will get to

18

00:01:36,710 --> 00:01:34,080

see your smiling face as I said money

19

00:01:40,010 --> 00:01:36,720

Nathan is battling the issues of

20

00:01:42,050 --> 00:01:40,020

Technology uh but you know what the show

21

00:01:43,789 --> 00:01:42,060

must go on and we're gonna intro my

22

00:01:46,730 --> 00:01:43,799

brother when he gets in here he's

23

00:01:48,230 --> 00:01:46,740

responsible for all the branding that

24

00:01:49,730 --> 00:01:48,240

you see here he is the executive

25

00:01:51,590 --> 00:01:49,740

producer of this show and that's why it

26

00:01:54,530 --> 00:01:51,600

looks so damn cool certainly it has

27

00:01:57,410 --> 00:01:54,540

nothing to do with me so with that let

28

00:02:00,649 --> 00:01:57,420

us bring in the Legends of the UAP

29

00:02:02,749 --> 00:02:00,659

Community a bunch of people whom I just

30

00:02:05,209 --> 00:02:02,759

love people that are awesome so uh let's

31

00:02:06,950 --> 00:02:05,219

start so we'll go left to right and

32

00:02:08,870 --> 00:02:06,960

let's start with a friend of cab

33

00:02:11,750 --> 00:02:08,880

somebody who has helped us get guests

34

00:02:13,729 --> 00:02:11,760

who has introduced us to people uh who

35

00:02:15,949 --> 00:02:13,739

has told us of his experiences in a very

36

00:02:18,550 --> 00:02:15,959

genuine way and become a great friend so

37

00:02:20,750 --> 00:02:18,560

party people put those hands together

38

00:02:21,550 --> 00:02:20,760

for Max McCabe

39

00:02:23,030 --> 00:02:21,560

[Music]

40

00:02:28,070 --> 00:02:23,040

[Applause]

41

00:02:31,309 --> 00:02:29,869

thank you brother I you know I was going

42

00:02:32,869 --> 00:02:31,319

to say the same about you but you beat

43

00:02:35,390 --> 00:02:32,879

me to it

44

00:02:37,670 --> 00:02:35,400

um so let's move in intro the next one

45

00:02:39,830 --> 00:02:37,680

this brother's from Manchester he's

46

00:02:41,150 --> 00:02:39,840

about as smart as a whip and if you

47

00:02:42,949 --> 00:02:41,160

think you're smarter than him that's

48

00:02:45,350 --> 00:02:42,959

what the hell he's hoping for because

49

00:02:47,449 --> 00:02:45,360

he's representing the people of

50

00:02:49,670 --> 00:02:47,459

Manchester who need it he's also an

51
00:02:51,350 --> 00:02:49,680
expert in ancient structures in my

52
00:02:53,690 --> 00:02:51,360
opinion and he's going to be coming up

53
00:02:56,089 --> 00:02:53,700
with uh on a show uh I think we're gonna

54
00:02:57,949 --> 00:02:56,099
look for like mid-February with uh with

55
00:03:01,369 --> 00:02:57,959
Dan Warren but uh before we introduce

56
00:03:02,650 --> 00:03:01,379
him let's get to The Man David Smith

57
00:03:06,350 --> 00:03:02,660
asked

58
00:03:08,690 --> 00:03:06,360
hey hi DJ hi everybody hi Dad my Max

59
00:03:10,729 --> 00:03:08,700
yeah I'm into servant I'm into servants

60
00:03:12,649 --> 00:03:10,739
quarters tonight at Smith's Towers so

61
00:03:14,390 --> 00:03:12,659
hopefully you'll forgive the uh Paul

62
00:03:16,190 --> 00:03:14,400
repairs I've just kicked the butler out

63
00:03:17,809 --> 00:03:16,200

so don't you worry is that where

64

00:03:19,850 --> 00:03:17,819

mcgrillin's gonna stay if he comes over

65

00:03:22,330 --> 00:03:19,860

well they're all exactly well yeah yeah

66

00:03:24,830 --> 00:03:22,340

if he's lucky that's of course all right

67

00:03:27,770 --> 00:03:24,840

uh and after that we're gonna bring in

68

00:03:30,350 --> 00:03:27,780

uh uh Dave's co-conspirator on a very

69

00:03:32,390 --> 00:03:30,360

near future episode of cab everybody

70

00:03:34,430 --> 00:03:32,400

knows him because of his Tick Tock the

71

00:03:36,649 --> 00:03:34,440

fifth pillar of emphasis he's from

72

00:03:39,710 --> 00:03:36,659

Tennessee he's trying to help out me to

73

00:03:41,869 --> 00:03:39,720

help out the Bigfoot community and he's

74

00:03:44,509 --> 00:03:41,879

always bringing news and positivity to

75

00:03:48,670 --> 00:03:44,519

the Joint that is none other than hey

76

00:03:51,649 --> 00:03:48,680

look over there Holmes Dan Warren

77

00:03:54,170 --> 00:03:51,659

good to see everybody smiling faces on

78

00:03:56,330 --> 00:03:54,180

this Sunday just remind only one week

79

00:03:58,190 --> 00:03:56,340

left before Christmas and Amazon's not

80

00:04:01,809 --> 00:03:58,200

delivering Before Christmas anymore so

81

00:04:04,190 --> 00:04:01,819

you guys are out of luck run to Walmart

82

00:04:06,530 --> 00:04:04,200

damn that brother looks good I'll tell

83

00:04:08,630 --> 00:04:06,540

you what man uh let me see let me get to

84

00:04:11,149 --> 00:04:08,640

the bottom of the screen okay so this

85

00:04:13,130 --> 00:04:11,159

guy's a brother uh he is a Craftsman and

86

00:04:15,229 --> 00:04:13,140

Artisan who lives in the south of

87

00:04:17,330 --> 00:04:15,239

England he has become a good friend of

88

00:04:19,789 --> 00:04:17,340

mine and cab we've had some great

89

00:04:21,830 --> 00:04:19,799

conversations and he's just very very

90

00:04:25,909 --> 00:04:21,840

kind to me I hope he shows up at the

91

00:04:27,770 --> 00:04:25,919

next uh UAP uh UK luncheon that we're

92

00:04:30,409 --> 00:04:27,780

gonna have maybe in like February yeah

93

00:04:31,909 --> 00:04:30,419

so I haven't haven't told Andy or Mark

94

00:04:34,070 --> 00:04:31,919

about that yet we're going to get to it

95

00:04:36,490 --> 00:04:34,080

and and put your hands together for

96

00:04:40,430 --> 00:04:36,500

Marky oh Boyle

97

00:04:45,350 --> 00:04:42,350

good to see you hi Dave it's nice to

98

00:04:48,290 --> 00:04:45,360

meet you finally I'm Max Dave Dan love

99

00:04:50,090 --> 00:04:48,300

your videos brother love them DJ hello

100

00:04:53,030 --> 00:04:50,100

my friend thank you it's a pleasure to

101
00:04:55,490 --> 00:04:53,040
have you uh next uh this man is known

102
00:04:58,909 --> 00:04:55,500
I'll tell you what man this is like the

103
00:05:02,090 --> 00:04:58,919
like the 60 Minutes of UAP media man

104
00:05:03,590 --> 00:05:02,100
this guy has got one of the dopest shows

105
00:05:06,950 --> 00:05:03,600
out there you know what I'm talking

106
00:05:11,210 --> 00:05:06,960
about it is professional okay and I'm

107
00:05:13,249 --> 00:05:11,220
talking about uh the creator of that UFO

108
00:05:21,490 --> 00:05:13,259
podcast and you know what we're talking

109
00:05:21,500 --> 00:05:25,810
fellow argentinians out there

110
00:05:29,810 --> 00:05:28,249
if I'll tell you what I would have

111
00:05:31,850 --> 00:05:29,820
thought that you were straight out of

112
00:05:33,350 --> 00:05:31,860
Buenos Aires if if I didn't know you

113
00:05:34,969 --> 00:05:33,360

were from Scotland that is brilliant

114

00:05:37,749 --> 00:05:34,979

Andy thank you

115

00:05:43,010 --> 00:05:40,249

it's good to see how many languages do

116

00:05:45,770 --> 00:05:43,020

you speak magrillan I mean come on

117

00:05:48,590 --> 00:05:45,780

um Scottish English and just those lines

118

00:05:50,450 --> 00:05:48,600

of Argentinian

119

00:05:52,129 --> 00:05:50,460

and I'm told you do a whole bunch of

120

00:05:54,710 --> 00:05:52,139

great impressions that uh we'll never

121

00:05:56,810 --> 00:05:54,720

hear on air so it's not oh God no one

122

00:05:59,689 --> 00:05:56,820

but uh hopefully off air I'll take it

123

00:06:02,029 --> 00:05:59,699

either way uh but before we get to that

124

00:06:05,629 --> 00:06:02,039

um and and engage with you I wanted to

125

00:06:08,029 --> 00:06:05,639

introduce my brother the co-conspirator

126

00:06:11,270 --> 00:06:08,039

and calling all being somebody that

127

00:06:13,370 --> 00:06:11,280

everybody love because he's as smooth as

128

00:06:14,689 --> 00:06:13,380

a bottom you know what I'm talking about

129

00:06:17,450 --> 00:06:14,699

my man

130

00:06:20,330 --> 00:06:17,460

the co-host of this joint the co-host of

131

00:06:22,670 --> 00:06:20,340

liminal frames the co-host of

132

00:06:25,909 --> 00:06:22,680

I think it's called perturbations with

133

00:06:29,160 --> 00:06:25,919

Kelly Chase put your hands together for

134

00:06:30,550 --> 00:06:29,170

money Nathan hello

135

00:06:32,990 --> 00:06:30,560

[Applause]

136

00:06:35,090 --> 00:06:33,000

what's up

137

00:06:37,370 --> 00:06:35,100

hey co-conspirator how you doing brother

138

00:06:38,390 --> 00:06:37,380

I'm I well I've been better I don't know

139

00:06:39,469 --> 00:06:38,400

what's going on with my computer I'm

140

00:06:40,430 --> 00:06:39,479

glad to be here can you guys hear me

141

00:06:43,730 --> 00:06:40,440

okay

142

00:06:45,590 --> 00:06:43,740

no problem you sound sexy as usual uh

143

00:06:47,510 --> 00:06:45,600

but you know what somebody else that uh

144

00:06:49,730 --> 00:06:47,520

I know that Andy thinks is just such a

145

00:06:51,529 --> 00:06:49,740

beast has shown up at the bottom of the

146

00:06:53,510 --> 00:06:51,539

screen so we got to get him in the joint

147

00:06:56,150 --> 00:06:53,520

oh look at that he's dressed up like

148

00:06:59,870 --> 00:06:56,160

Rudolph except without the Red Nose he

149

00:07:03,230 --> 00:06:59,880

is an author of several books about UFO

150

00:07:05,689 --> 00:07:03,240

history in World War II and now in the

151
00:07:09,480 --> 00:07:05,699
50s he's getting it done put your hands

152
00:07:12,350 --> 00:07:09,490
together for Graham random

153
00:07:15,909 --> 00:07:12,360
[Music]

154
00:07:18,830 --> 00:07:15,919
oh I love it I love it yeah

155
00:07:20,809 --> 00:07:18,840
man Andy was that part of like did you

156
00:07:23,930 --> 00:07:20,819
guys say hey all the all the guys from

157
00:07:27,290 --> 00:07:23,940
UAP UK media have to wear something you

158
00:07:30,529 --> 00:07:27,300
know holiday no I would never cut it out

159
00:07:32,749 --> 00:07:30,539
for a festivity no no definitely guys

160
00:07:35,170 --> 00:07:32,759
brilliant I'm gonna move it along just

161
00:07:38,350 --> 00:07:35,180
two spaces to the right you can wear it

162
00:07:40,670 --> 00:07:38,360
take me to your reindeers Graham

163
00:07:43,010 --> 00:07:40,680

hey guys welcome

164

00:07:46,309 --> 00:07:43,020

um I really wanted to

165

00:07:49,070 --> 00:07:46,319

um really to wish a holiday greeting to

166

00:07:51,790 --> 00:07:49,080

all of you we did write down a couple of

167

00:07:54,650 --> 00:07:51,800

topics I have a couple wild card topics

168

00:07:56,210 --> 00:07:54,660

uh that that I haven't shared with those

169

00:07:58,730 --> 00:07:56,220

guys yet simply because I wrote them

170

00:08:00,950 --> 00:07:58,740

before the show uh and Nathan also has

171

00:08:02,809 --> 00:08:00,960

some questions that uh that he's he's

172

00:08:06,469 --> 00:08:02,819

made in a spreadsheet that he's going to

173

00:08:08,629 --> 00:08:06,479

ask uh so uh just to kick it around but

174

00:08:11,809 --> 00:08:08,639

um before we go any further I'll take it

175

00:08:17,870 --> 00:08:15,230

oh hey yeah so um so DJ do you see I

176

00:08:19,969 --> 00:08:17,880

can't actually control the uh

177

00:08:21,830 --> 00:08:19,979

the presentation but you see it in the

178

00:08:23,330 --> 00:08:21,840

tray like in the backstage you can if

179

00:08:26,029 --> 00:08:23,340

it's still sitting there you can add it

180

00:08:30,589 --> 00:08:28,790

anything's sitting there you are

181

00:08:33,170 --> 00:08:30,599

you were five and four so there's nine

182

00:08:34,550 --> 00:08:33,180

objects back there where would uh let me

183

00:08:36,829 --> 00:08:34,560

see you know what it might be in the

184

00:08:39,170 --> 00:08:36,839

present area right and slides

185

00:08:40,730 --> 00:08:39,180

let's see yeah is it Untitled present is

186

00:08:42,589 --> 00:08:40,740

probably it all right stand by I'm gonna

187

00:08:44,389 --> 00:08:42,599

see if I can come back in and then I can

188

00:08:46,310 --> 00:08:44,399

at least control it wait I think it's

189

00:08:48,110 --> 00:08:46,320

there now let me see is it this right

190

00:08:49,790 --> 00:08:48,120

here

191

00:08:52,070 --> 00:08:49,800

oh no that's not it that was something

192

00:08:53,870 --> 00:08:52,080

my put in there yeah Full Throttle

193

00:08:55,310 --> 00:08:53,880

standby all technical difficulties be

194

00:08:57,949 --> 00:08:55,320

right back

195

00:09:01,550 --> 00:08:57,959

uh in the meantime I can feed you guys

196

00:09:04,790 --> 00:09:01,560

one of mine and see see what you got so

197

00:09:06,230 --> 00:09:04,800

uh the topic of this is uh thought

198

00:09:09,290 --> 00:09:06,240

leaders

199

00:09:15,110 --> 00:09:09,300

of the UAP community and to see if you

200

00:09:17,090 --> 00:09:15,120

guys can guess who made this quote okay

201
00:09:18,350 --> 00:09:17,100
um

202
00:09:20,750 --> 00:09:18,360
okay

203
00:09:23,750 --> 00:09:20,760
I think I'm gonna go with this one and

204
00:09:26,090 --> 00:09:23,760
see and it'll be interested uh Deb also

205
00:09:28,009 --> 00:09:26,100
uh take a shot at this one so this is a

206
00:09:30,829 --> 00:09:28,019
quote from UAP thought leader someone

207
00:09:32,870 --> 00:09:30,839
that we've all spoken with uh and we all

208
00:09:35,810 --> 00:09:32,880
love all heard from on multiple podcasts

209
00:09:37,910 --> 00:09:35,820
and it goes like this we're just a bunch

210
00:09:40,430 --> 00:09:37,920
of angry Apes I'm not sure we're ready

211
00:09:42,050 --> 00:09:40,440
for the answers yet I mean you don't

212
00:09:43,910 --> 00:09:42,060
tell your children certain things until

213
00:09:46,690 --> 00:09:43,920

they're mature I don't think we've

214

00:09:51,410 --> 00:09:46,700

proven we're still not mature enough yet

215

00:09:53,449 --> 00:09:51,420

unquote uh what what UAP thought leader

216

00:09:55,610 --> 00:09:53,459

does would someone like to to have a

217

00:09:57,590 --> 00:09:55,620

guess at that one

218

00:09:59,810 --> 00:09:57,600

let me remove this from the straw yes

219

00:10:02,530 --> 00:09:59,820

but I I can have a go I think it's Lou

220

00:10:07,970 --> 00:10:02,540

Alexander he all day

221

00:10:11,990 --> 00:10:10,190

go ahead Andy

222

00:10:13,790 --> 00:10:12,000

um did I get two guesses or do I want to

223

00:10:17,870 --> 00:10:13,800

get one oh you get one because then Max

224

00:10:22,970 --> 00:10:20,570

um okay so I'm gonna go with Jim semivan

225

00:10:25,130 --> 00:10:22,980

hey

226

00:10:28,790 --> 00:10:25,140

um you know what I that would have been

227

00:10:31,130 --> 00:10:28,800

my guess Andy but it's not him that was

228

00:10:34,130 --> 00:10:31,140

gonna be the guess I was gonna have uh

229

00:10:36,650 --> 00:10:34,140

go ahead Maxie oh I'll definitely divert

230

00:10:38,870 --> 00:10:36,660

to the lady of the room Debs because I

231

00:10:40,670 --> 00:10:38,880

thought it was Jim anyway as well so wow

232

00:10:41,990 --> 00:10:40,680

that's three of them okay that's two I

233

00:10:44,690 --> 00:10:42,000

know three of them I think I know go

234

00:10:47,990 --> 00:10:44,700

ahead go ahead Ross colthart

235

00:10:50,810 --> 00:10:48,000

it wasn't wow this one's better than I

236

00:10:55,190 --> 00:10:50,820

thought Daniel yeah money Dan I'm gonna

237

00:11:03,470 --> 00:11:00,410

[Laughter]

238

00:11:05,509 --> 00:11:03,480

yeah Dan Warren that is awesome man

239

00:11:06,829 --> 00:11:05,519

I'll tell you man there's some magic in

240

00:11:08,210 --> 00:11:06,839

this guy I don't know what the hell it

241

00:11:10,130 --> 00:11:08,220

is when you got to come back to Destin

242

00:11:12,350 --> 00:11:10,140

man I could just get some of that magic

243

00:11:14,030 --> 00:11:12,360

man just get close to you well it's not

244

00:11:16,310 --> 00:11:14,040

free to go to Destin so that's one of

245

00:11:18,889 --> 00:11:16,320

the impediments but yeah I'll get down

246

00:11:20,449 --> 00:11:18,899

there sooner or later good I hope so man

247

00:11:22,130 --> 00:11:20,459

if you were already here this year I

248

00:11:24,050 --> 00:11:22,140

damn missed you

249

00:11:26,870 --> 00:11:24,060

um anyway hey can you guys hear me now

250

00:11:28,610 --> 00:11:26,880

yes sir okay sound great all right I

251
00:11:30,170 --> 00:11:28,620
know what happened all right so we've

252
00:11:31,730 --> 00:11:30,180
got some uh we got a little trivia here

253
00:11:32,810 --> 00:11:31,740
and I'm gonna put it on screen and when

254
00:11:34,790 --> 00:11:32,820
everybody everybody gets a chance to

255
00:11:36,829 --> 00:11:34,800
answer this question there's no right or

256
00:11:38,810 --> 00:11:36,839
wrong answer this trivia is completely

257
00:11:40,670 --> 00:11:38,820
ridiculous and I made it up this morning

258
00:11:42,230 --> 00:11:40,680
uh but I thought it would be fun to play

259
00:11:45,290 --> 00:11:42,240
so we're gonna get two questions with

260
00:11:46,970 --> 00:11:45,300
this group so I put this on screen first

261
00:11:49,730 --> 00:11:46,980
question and Cav's ridiculous holiday

262
00:11:52,069 --> 00:11:49,740
trivia is which Cryptid would you trust

263
00:11:55,310 --> 00:11:52,079

to take care of your pets while you're

264

00:11:58,910 --> 00:11:55,320

away on holiday or vacation so we our

265

00:12:02,030 --> 00:11:58,920

choices are a Mothman B dog man C

266

00:12:03,949 --> 00:12:02,040

Bigfoot or D Nessie

267

00:12:05,990 --> 00:12:03,959

so uh why don't we start with our friend

268

00:12:07,250 --> 00:12:06,000

Max McCabe over there Maxwell who would

269

00:12:10,009 --> 00:12:07,260

you be most comfortable with here with

270

00:12:13,490 --> 00:12:10,019

your pets

271

00:12:18,050 --> 00:12:15,710

I just make the best of friends we never

272

00:12:21,230 --> 00:12:18,060

know maybe we're just judging dog man a

273

00:12:23,810 --> 00:12:21,240

bit too hot but to be honest you never

274

00:12:26,030 --> 00:12:23,820

really hear much bad stuff about Mothman

275

00:12:28,310 --> 00:12:26,040

so unless he

276

00:12:29,870 --> 00:12:28,320

oh this is tricky this is trickier than

277

00:12:31,670 --> 00:12:29,880

I thought I'm gonna go with Nessie she's

278

00:12:33,050 --> 00:12:31,680

just gonna hang out in the in the water

279

00:12:35,750 --> 00:12:33,060

and leave you know

280

00:12:37,490 --> 00:12:35,760

play catch yourself I love it I love it

281

00:12:39,470 --> 00:12:37,500

great answer all right going with d and

282

00:12:40,670 --> 00:12:39,480

Essie so all right so Dave uh what would

283

00:12:43,069 --> 00:12:40,680

you say here

284

00:12:45,590 --> 00:12:43,079

oh I think I'd have to go with a Bigfoot

285

00:12:47,329 --> 00:12:45,600

to be honest with you uh the other two

286

00:12:49,310 --> 00:12:47,339

are probably Mothman and Dogma probably

287

00:12:52,009 --> 00:12:49,320

cryptos and they have a reputation of

288

00:12:54,230 --> 00:12:52,019

killing dogs so uh I think I'd go with

289

00:12:56,150 --> 00:12:54,240

big photo and very nice and nurturing of

290

00:12:59,030 --> 00:12:56,160

old Nessie if it's in the water couldn't

291

00:13:00,949 --> 00:12:59,040

do much damage I suppose unless I put my

292

00:13:03,410 --> 00:13:00,959

uh pets in a fish tank and jumped them

293

00:13:05,150 --> 00:13:03,420

down so yes Bigfoot I think thanks

294

00:13:07,790 --> 00:13:05,160

excellent all right see Bigfoot

295

00:13:09,410 --> 00:13:07,800

fantastic Dan what do you think here all

296

00:13:10,970 --> 00:13:09,420

right so everybody knows that dog man

297

00:13:13,310 --> 00:13:10,980

smokes cigarettes so I don't want my

298

00:13:17,150 --> 00:13:13,320

house cigarettes

299

00:13:18,769 --> 00:13:17,160

um Flight Risk and my dog can't swim so

300

00:13:19,750 --> 00:13:18,779

I'm gonna have to go with Bigfoot on

301

00:13:22,310 --> 00:13:19,760

this one

302

00:13:24,710 --> 00:13:22,320

excellent all right well that's that's

303

00:13:27,110 --> 00:13:24,720

two for bigfoot so far that's fantastic

304

00:13:29,329 --> 00:13:27,120

all right so uh Marco Boyle how you

305

00:13:31,310 --> 00:13:29,339

feeling about this year

306

00:13:33,710 --> 00:13:31,320

I don't know man I'll be honest with you

307

00:13:36,769 --> 00:13:33,720

I have no idea who Dogman is

308

00:13:38,569 --> 00:13:36,779

I I do have a very very cute little dog

309

00:13:41,389 --> 00:13:38,579

who is not around at the moment they're

310

00:13:44,750 --> 00:13:41,399

like a really cheap vicious little dog

311

00:13:47,329 --> 00:13:44,760

um so uh I'm I'm probably gonna go with

312

00:13:52,449 --> 00:13:47,339

Dave with Bigfoot here because Bigfoot

313

00:13:56,889 --> 00:13:54,769

coming out the lead here a big photo of

314

00:13:59,569 --> 00:13:56,899

that all right so Andy

315

00:14:01,730 --> 00:13:59,579

yeah so thinking back to them off man

316

00:14:03,410 --> 00:14:01,740

prophecies the movie it was a foreboding

317

00:14:05,030 --> 00:14:03,420

of bad things wasn't it so your your

318

00:14:06,590 --> 00:14:05,040

pet's probably gonna die and I had that

319

00:14:07,930 --> 00:14:06,600

already this year

320

00:14:10,190 --> 00:14:07,940

um

321

00:14:14,470 --> 00:14:10,200

no I just want to bring the cone down

322

00:14:19,790 --> 00:14:17,750

I'm glad we had you yeah it's great yeah

323

00:14:24,550 --> 00:14:19,800

um dog man reminds me of my deceased pit

324

00:14:29,090 --> 00:14:26,990

messy and it would probably drown the

325

00:14:29,930 --> 00:14:29,100

dog but again that's that's by the bay

326

00:14:31,850 --> 00:14:29,940

now

327

00:14:34,069 --> 00:14:31,860

um Bigfoot I reckon he's got a tender

328

00:14:37,370 --> 00:14:34,079

side you know you often see him walking

329

00:14:38,690 --> 00:14:37,380

away shy retiring I reckon and he's late

330

00:14:41,870 --> 00:14:38,700

40s you know he's having a bit of a

331

00:14:44,030 --> 00:14:41,880

midlife crisis and would look after the

332

00:14:45,889 --> 00:14:44,040

pit as one of his own

333

00:14:48,470 --> 00:14:45,899

um might be mildly aggressive when you

334

00:14:50,569 --> 00:14:48,480

go to collect them on the way back but

335

00:14:52,250 --> 00:14:50,579

I'll get in touch with David polides

336

00:14:54,829 --> 00:14:52,260

about that so yeah for me probably a big

337

00:14:57,590 --> 00:14:54,839

city excellent excellent Bigfoot all

338

00:15:00,110 --> 00:14:57,600

right well Graham last vote here okay uh

339

00:15:01,610 --> 00:15:00,120

well Dogman to me I I must admit I don't

340

00:15:03,290 --> 00:15:01,620

know much about dog man either it sounds

341

00:15:06,170 --> 00:15:03,300

like a superhero has been lost in line

342

00:15:09,290 --> 00:15:06,180

when the superpowers were given out

343

00:15:10,790 --> 00:15:09,300

um so out of all of them uh Mothman to

344

00:15:12,410 --> 00:15:10,800

me is the most scary as the one that

345

00:15:14,090 --> 00:15:12,420

certainly kept me awake at night when I

346

00:15:15,949 --> 00:15:14,100

used to read about them in the 1970s and

347

00:15:17,710 --> 00:15:15,959

John keel's book so he'd be the one that

348

00:15:20,269 --> 00:15:17,720

would scare whatever Peter had to death

349

00:15:22,490 --> 00:15:20,279

and so either I would come back and it

350

00:15:24,350 --> 00:15:22,500

would be so submissive that actually it

351

00:15:26,329 --> 00:15:24,360

would do what I said once you know I

352

00:15:27,350 --> 00:15:26,339

took the pet back so I'll be I'll be

353

00:15:30,410 --> 00:15:27,360

really happy

354

00:15:32,470 --> 00:15:30,420

um but yeah yeah Mothman definitely I

355

00:15:35,629 --> 00:15:32,480

love it

356

00:15:38,449 --> 00:15:35,639

brother I just want to say this like it

357

00:15:41,269 --> 00:15:38,459

could if your dog is aggressive uh as

358

00:15:42,829 --> 00:15:41,279

many many of uh uh people experience

359

00:15:45,170 --> 00:15:42,839

there's a Bigfoot have said your dog

360

00:15:47,389 --> 00:15:45,180

could literally be torn in half people

361

00:15:49,550 --> 00:15:47,399

have seen them care so if your dog is

362

00:15:52,370 --> 00:15:49,560

cool and approaches Bigfoot like with

363

00:15:54,230 --> 00:15:52,380

kind of like a submissive cool manner I

364

00:15:57,470 --> 00:15:54,240

think it goes really well uh people have

365

00:15:59,389 --> 00:15:57,480

seen Bigfoot that have dogs as pets uh

366

00:16:01,430 --> 00:15:59,399

in South Carolina some fishermen were

367

00:16:03,590 --> 00:16:01,440

getting after a dog and Bigfoot kind of

368

00:16:05,269 --> 00:16:03,600

came down the bank and said no no no I'm

369

00:16:07,310 --> 00:16:05,279

gonna throw rocks at you

370

00:16:10,790 --> 00:16:07,320

um so it could go very well unless your

371

00:16:12,230 --> 00:16:10,800

dog tries to get jiggy wow okay Deb what

372

00:16:14,150 --> 00:16:12,240

do you think and then we'll move on to

373

00:16:16,189 --> 00:16:14,160

the next one here oh it's definitely

374

00:16:17,810 --> 00:16:16,199

going to be a big put big put that

375

00:16:21,110 --> 00:16:17,820

maternal side

376

00:16:22,970 --> 00:16:21,120

I need my my puppies to have maternal

377

00:16:25,490 --> 00:16:22,980

care I love it all right well the clear

378

00:16:27,350 --> 00:16:25,500

winner here Bigfoot uh I love that I

379

00:16:30,170 --> 00:16:27,360

love that Bigfoot picture cat and the

380

00:16:31,670 --> 00:16:30,180

dog and the fish whatever uh leave the

381

00:16:34,129 --> 00:16:31,680

keys with Bigfoot that's what I'm saying

382

00:16:36,590 --> 00:16:34,139

we will do that and by the way they've

383

00:16:38,810 --> 00:16:36,600

entered several people's homes and uh

384

00:16:40,670 --> 00:16:38,820

there's some really good experimenter

385

00:16:41,990 --> 00:16:40,680

narratives about them entering the hone

386

00:16:43,670 --> 00:16:42,000

and and not the strong things

387

00:16:45,050 --> 00:16:43,680

unfortunately though we got to get these

388

00:16:47,329 --> 00:16:45,060

guys out of here because the next group

389

00:16:49,490 --> 00:16:47,339

is in and we're at 20 minutes after

390

00:16:51,650 --> 00:16:49,500

oh we are yeah okay well thank you

391

00:16:54,850 --> 00:16:51,660

everybody for joining us uh great to see

392

00:16:59,090 --> 00:16:57,949

take that one off real quick hey

393

00:17:01,910 --> 00:16:59,100

Christmas

394

00:17:03,889 --> 00:17:01,920

yeah that basically uh uh cabbie

395

00:17:06,049 --> 00:17:03,899

goodbyes uh thank you so much everybody

396

00:17:07,490 --> 00:17:06,059

uh really this was about just really

397

00:17:09,710 --> 00:17:07,500

wanting to wish you guys happy holiday

398

00:17:11,750 --> 00:17:09,720

and say how much we appreciate your

399

00:17:13,370 --> 00:17:11,760

friendship and fellowship and everything

400

00:17:15,890 --> 00:17:13,380

that all of you bring to the community

401
00:17:17,569 --> 00:17:15,900
sometimes like in a really big way that

402
00:17:19,789 --> 00:17:17,579
that Andy that reaches a lot of people

403
00:17:21,650 --> 00:17:19,799
and then some of the rest of us you know

404
00:17:23,990 --> 00:17:21,660
don't reach as many people but we reach

405
00:17:26,090 --> 00:17:24,000
in a lot nonetheless and that was on

406
00:17:31,960 --> 00:17:26,100
display at the uh when we met up in New

407
00:17:31,970 --> 00:17:42,430
[Laughter]

408
00:17:48,830 --> 00:17:45,590
good afternoon thank you brother bye

409
00:17:59,590 --> 00:17:52,270
all right uh bye Andy

410
00:18:09,230 --> 00:18:04,450
that was unexpected yeah

411
00:18:12,529 --> 00:18:09,240
hello loving the energy where's Nathan

412
00:18:17,350 --> 00:18:12,539
where there he is my goodness there he

413
00:18:21,289 --> 00:18:19,430

thank you thank you good to see you guys

414

00:18:22,850 --> 00:18:21,299

there's so many squares down here and DJ

415

00:18:25,789 --> 00:18:22,860

and are both clicking them so it's just

416

00:18:27,169 --> 00:18:25,799

I can just lay off

417

00:18:29,450 --> 00:18:27,179

I could do it man you're back to the

418

00:18:31,430 --> 00:18:29,460

executive producer role I could just be

419

00:18:32,870 --> 00:18:31,440

the you know Meathead that I'm so so

420

00:18:33,890 --> 00:18:32,880

good at

421

00:18:37,010 --> 00:18:33,900

um

422

00:18:39,529 --> 00:18:37,020

welcome Vinnie Adams and welcome uh Dan

423

00:18:41,090 --> 00:18:39,539

zanderstrom from Mexico Bienvenidos

424

00:18:42,030 --> 00:18:41,100

amigo

425

00:18:42,970 --> 00:18:42,040

hola

426

00:18:44,450 --> 00:18:42,980

[Music]

427

00:18:47,950 --> 00:18:44,460

[Applause]

428

00:18:50,870 --> 00:18:47,960

that's the extent of my Spanish

429

00:18:53,150 --> 00:18:50,880

which means I ain't afraid no ghosts

430

00:18:54,710 --> 00:18:53,160

all right we gotta get yeah we got to

431

00:18:56,270 --> 00:18:54,720

get Mark out of there and who else are

432

00:19:01,090 --> 00:18:56,280

we waiting on I ain't afraid of no

433

00:19:06,650 --> 00:19:03,950

red panda UAP Ash

434

00:19:09,610 --> 00:19:06,660

all right what a crew

435

00:19:12,230 --> 00:19:09,620

I hope they show up otherwise

436

00:19:14,029 --> 00:19:12,240

we'll just keep rolling here you know so

437

00:19:17,350 --> 00:19:14,039

good good to see you guys I'm so happy

438

00:19:23,570 --> 00:19:20,810

if I sing rolling on a river uh Vinnie's

439

00:19:25,970 --> 00:19:23,580

gonna be like uh who's that

440

00:19:27,710 --> 00:19:25,980

huh I thought hip-hop I don't know what

441

00:19:30,010 --> 00:19:27,720

you're talking about exactly I'm not

442

00:19:31,730 --> 00:19:30,020

beat there yeah

443

00:19:33,049 --> 00:19:31,740

uh well you know do you want to keep

444

00:19:36,610 --> 00:19:33,059

rolling with the trivia we've got we got

445

00:19:43,310 --> 00:19:40,090

that question was dope man

446

00:19:45,409 --> 00:19:43,320

well the slide two here here we go uh in

447

00:19:48,350 --> 00:19:45,419

our cab ridiculous holiday trivia in a

448

00:19:49,510 --> 00:19:48,360

category we're calling Jay Allen High

449

00:19:52,669 --> 00:19:49,520

next

450

00:19:56,090 --> 00:19:52,679

which alien feces would be voted most

451
00:19:57,770 --> 00:19:56,100
likely to win a limbo competition uh a

452
00:20:01,850 --> 00:19:57,780
the mansions

453
00:20:04,430 --> 00:20:01,860
B the small Grays C the nordics or D

454
00:20:06,890 --> 00:20:04,440
that orb from Skinwalker Ranch

455
00:20:10,130 --> 00:20:06,900
man I'm so ready for this go ahead man

456
00:20:12,650 --> 00:20:10,140
go ahead uh go ahead Vinnie

457
00:20:14,330 --> 00:20:12,660
man yeah this is a really really tough

458
00:20:16,130 --> 00:20:14,340
one because obviously the obvious answer

459
00:20:18,529 --> 00:20:16,140
would be that old from Skinwalker Ranch

460
00:20:20,810 --> 00:20:18,539
but then in my mind I'd like to see the

461
00:20:23,210 --> 00:20:20,820
mantids or like crooked and twisted Bend

462
00:20:25,430 --> 00:20:23,220
him backwards with that pumping music

463
00:20:26,390 --> 00:20:25,440

going on you know what I mean yeah

464

00:20:28,310 --> 00:20:26,400

that's what I'm gonna go with the

465

00:20:29,570 --> 00:20:28,320

mantids I love that I mean they can

466

00:20:31,310 --> 00:20:29,580

probably go real low that's what I'm

467

00:20:33,650 --> 00:20:31,320

thinking yeah

468

00:20:35,150 --> 00:20:33,660

and it depends how big they are too like

469

00:20:36,710 --> 00:20:35,160

if they're kind of little then they can

470

00:20:38,450 --> 00:20:36,720

just walk under like the old you know

471

00:20:40,549 --> 00:20:38,460

yeah but I think I'm thinking they're

472

00:20:42,710 --> 00:20:40,559

quite big and tall and spindly and but

473

00:20:44,870 --> 00:20:42,720

they just after a few like shots of

474

00:20:47,750 --> 00:20:44,880

liquor they can just Flex back and you

475

00:20:51,409 --> 00:20:47,760

know Neo from The Matrix stuff yeah

476

00:20:52,970 --> 00:20:51,419

exactly exactly uh Dan what about you

477

00:20:55,070 --> 00:20:52,980

uh I'm gonna go for the orb from

478

00:20:56,630 --> 00:20:55,080

Skinwalker Ranch because you know if if

479

00:20:58,970 --> 00:20:56,640

we're thinking about limbo competition

480

00:21:00,950 --> 00:20:58,980

it can just move through that limbo bar

481

00:21:04,310 --> 00:21:00,960

and not touch it so is that a

482

00:21:07,610 --> 00:21:04,320

disqualification yes yes Dan yes I would

483

00:21:09,409 --> 00:21:07,620

like to call a party Foul right now it's

484

00:21:11,990 --> 00:21:09,419

a breach of the rules because they have

485

00:21:15,230 --> 00:21:12,000

not maintained contact with the ground

486

00:21:17,510 --> 00:21:15,240

so orb I'm sorry I realize you like to

487

00:21:19,850 --> 00:21:17,520

torment and torture all the staff at the

488

00:21:22,669 --> 00:21:19,860

ranch and you take great pleasure in

489

00:21:24,370 --> 00:21:22,679

sending people to the ER however you're

490

00:21:27,710 --> 00:21:24,380

disqualified

491

00:21:30,529 --> 00:21:27,720

yes the nordics the Grays and the manted

492

00:21:32,270 --> 00:21:30,539

thank you man the most Bill Murray more

493

00:21:34,310 --> 00:21:32,280

fashion I can do it

494

00:21:36,110 --> 00:21:34,320

I don't think the no day I mean the

495

00:21:37,970 --> 00:21:36,120

nordics are pretty much you know human

496

00:21:39,470 --> 00:21:37,980

to answer like that kind of thing and

497

00:21:40,970 --> 00:21:39,480

humans they're not going to be as good

498

00:21:42,230 --> 00:21:40,980

as mountains or small Grays I don't want

499

00:21:43,370 --> 00:21:42,240

to go for mantis again because when he

500

00:21:45,049 --> 00:21:43,380

chose the Mantis so I'm going to go for

501
00:21:46,610 --> 00:21:45,059
the small Grays and just hope that

502
00:21:48,649 --> 00:21:46,620
there's something in their abilities

503
00:21:51,350 --> 00:21:48,659
where they can just you know bend them

504
00:21:52,610 --> 00:21:51,360
these and get under that bar what about

505
00:22:06,789 --> 00:21:52,620
the head size Dan do you worry about

506
00:22:13,190 --> 00:22:10,010
dude I have a question for Debs Debs the

507
00:22:14,930 --> 00:22:13,200
nordics uh with the translucent skin uh

508
00:22:16,850 --> 00:22:14,940
would it freak you out a little bit you

509
00:22:19,310 --> 00:22:16,860
know you have this clear skin you might

510
00:22:21,649 --> 00:22:19,320
see like blood pumping and capillaries

511
00:22:23,029 --> 00:22:21,659
you know in veins and stuff and you

512
00:22:26,149 --> 00:22:23,039
might be like a little grossed out like

513
00:22:27,770 --> 00:22:26,159

I would think you despite the fabio-like

514

00:22:31,410 --> 00:22:27,780

hair you might not want to date any one

515

00:22:37,669 --> 00:22:34,510

[Laughter]

516

00:22:39,230 --> 00:22:37,679

would you be weirded out by see being

517

00:22:41,270 --> 00:22:39,240

able to see through their skin and

518

00:22:43,970 --> 00:22:41,280

possibly seeing some of the architecture

519

00:22:46,070 --> 00:22:43,980

of of their uh their their blood system

520

00:22:47,450 --> 00:22:46,080

there their pulmonary system you could

521

00:22:53,570 --> 00:22:47,460

just see the tequila rushing through

522

00:22:57,470 --> 00:22:55,190

it could be their heartbeat you know

523

00:23:00,590 --> 00:22:57,480

based on their pulse

524

00:23:02,390 --> 00:23:00,600

okay so so they wouldn't be able to fool

525

00:23:05,450 --> 00:23:02,400

you in terms of professions of love and

526

00:23:07,810 --> 00:23:05,460

things like that that's true

527

00:23:10,490 --> 00:23:07,820

that's helpful

528

00:23:12,590 --> 00:23:10,500

okay so my question about the mantis

529

00:23:14,510 --> 00:23:12,600

though okay if the mantids don't win are

530

00:23:16,010 --> 00:23:14,520

they are they good losers are they sore

531

00:23:18,190 --> 00:23:16,020

losers I don't know you know how do they

532

00:23:20,930 --> 00:23:18,200

I feel like they'd be so losers right

533

00:23:22,130 --> 00:23:20,940

they would yeah that'd be bad but then

534

00:23:27,590 --> 00:23:22,140

you might have one that just holds the

535

00:23:31,610 --> 00:23:29,690

I feel like the Grays just will be happy

536

00:23:33,289 --> 00:23:31,620

to take part you know just stoic about

537

00:23:35,450 --> 00:23:33,299

it yeah yeah

538

00:23:38,149 --> 00:23:35,460

just another day in the factory there at

539

00:23:41,470 --> 00:23:38,159

the gray or a breakaway from the factory

540

00:23:43,250 --> 00:23:41,480

for one little night out exactly

541

00:23:44,450 --> 00:23:43,260

excellent excellent all right well hey

542

00:23:46,310 --> 00:23:44,460

let's let's go to the next question here

543

00:23:47,149 --> 00:23:46,320

see what we got in the trivia Hopper or

544

00:23:50,750 --> 00:23:47,159

so

545

00:23:53,149 --> 00:23:50,760

all right uh which would you rather do

546

00:23:57,289 --> 00:23:53,159

this is a tough one we think about it a

547

00:23:59,049 --> 00:23:57,299

b red into the core UFO secret B take a

548

00:24:01,909 --> 00:23:59,059

joyride in a UFO

549

00:24:04,610 --> 00:24:01,919

C go on a romantic date with Sasquatch

550

00:24:07,370 --> 00:24:04,620

or D travel back in time with a sports

551
00:24:09,289 --> 00:24:07,380
Almanac from the future corrupt Casino

552
00:24:12,409 --> 00:24:09,299
magnate who only need to be humiliated

553
00:24:15,470 --> 00:24:12,419
by some punk kid named Calvin Klein

554
00:24:18,409 --> 00:24:16,970
you really think about this this is a

555
00:24:20,270 --> 00:24:18,419
tough one I don't I don't know it's a

556
00:24:21,409 --> 00:24:20,280
tough one uh Vinnie what do you seem to

557
00:24:23,149 --> 00:24:21,419
be pondering this pretty well what do

558
00:24:25,490 --> 00:24:23,159
you think yeah I am my mind's going in

559
00:24:27,770 --> 00:24:25,500
every direction I mean as much as and I

560
00:24:30,470 --> 00:24:27,780
will say I'm Gonna Cancel out C I love

561
00:24:33,830 --> 00:24:30,480
Sasquatch but you know I'm sorry I'm not

562
00:24:36,649 --> 00:24:33,840
into the hairy type yeah um that that is

563
00:24:38,750 --> 00:24:36,659

speciesist Denny that is not okay I said

564

00:24:41,330 --> 00:24:38,760

hairy Thai it's just too much hair human

565

00:24:44,029 --> 00:24:41,340

or anything right so it's not species

566

00:24:46,669 --> 00:24:44,039

based I'm gonna go with a or b and I'm

567

00:24:49,250 --> 00:24:46,679

gonna go with a all right you're going

568

00:24:50,990 --> 00:24:49,260

all in red into the core UFO secret love

569

00:24:51,890 --> 00:24:51,000

that excellent excellent all right so

570

00:24:54,110 --> 00:24:51,900

Dan

571

00:24:55,430 --> 00:24:54,120

what do you think about this V I'm going

572

00:24:58,029 --> 00:24:55,440

to remove just because I feel like

573

00:25:00,890 --> 00:24:58,039

there's copyright issues there

574

00:25:02,690 --> 00:25:00,900

as fun as that would be comfortable

575

00:25:05,390 --> 00:25:02,700

right we can watch it

576

00:25:07,669 --> 00:25:05,400

um a would be great but I wouldn't be

577

00:25:08,810 --> 00:25:07,679

able to talk to anyone about it so that

578

00:25:10,930 --> 00:25:08,820

would suck for me I'd want to tell

579

00:25:12,950 --> 00:25:10,940

everyone about it

580

00:25:18,190 --> 00:25:12,960

a billionaire

581

00:25:21,950 --> 00:25:20,570

right in the UFO I'm not sure how much

582

00:25:23,390 --> 00:25:21,960

of a jewel ride it would be it'd be cool

583

00:25:24,769 --> 00:25:23,400

to see the solar system but in terms of

584

00:25:26,210 --> 00:25:24,779

like feeling the acceleration and

585

00:25:27,289 --> 00:25:26,220

inertia there's not going to be any of

586

00:25:31,070 --> 00:25:27,299

that

587

00:25:33,529 --> 00:25:31,080

more boring than I think it would be so

588

00:25:35,769 --> 00:25:33,539

based on elimination I'm gonna go on a

589

00:25:40,070 --> 00:25:35,779

date with the Sasquatch

590

00:25:43,130 --> 00:25:40,080

I have heard a couple of uh I have heard

591

00:25:44,930 --> 00:25:43,140

a couple of uh folks that uh let's how

592

00:25:46,850 --> 00:25:44,940

do they say it people that have them

593

00:25:48,289 --> 00:25:46,860

show up at their house like every day or

594

00:25:50,330 --> 00:25:48,299

show up in their backyard habitation

595

00:25:52,250 --> 00:25:50,340

they call it I'm sure Vinnie's heard him

596

00:25:53,269 --> 00:25:52,260

too because he steeped on this topic uh

597

00:25:56,029 --> 00:25:53,279

they've some of them said they're

598

00:25:58,909 --> 00:25:56,039

beautiful I've heard women say that the

599

00:26:01,909 --> 00:25:58,919

the males are are handsome uh I've heard

600

00:26:05,029 --> 00:26:01,919

some weirder comments by males about

601
00:26:06,769 --> 00:26:05,039
males uh and I'd say weird but let's say

602
00:26:08,570 --> 00:26:06,779
interesting comments

603
00:26:10,010 --> 00:26:08,580
um before we do that though I I do want

604
00:26:11,210 --> 00:26:10,020
to introduce the people that we have

605
00:26:13,370 --> 00:26:11,220
because we didn't really do that

606
00:26:15,529 --> 00:26:13,380
properly and I know you guys all know

607
00:26:17,630 --> 00:26:15,539
who they are but what we're looking at

608
00:26:20,930 --> 00:26:17,640
here at the bottom of our screen is the

609
00:26:22,909 --> 00:26:20,940
co-host of that UAP podcast and also Dan

610
00:26:26,029 --> 00:26:22,919
has his own pod what is the name of your

611
00:26:27,950 --> 00:26:26,039
pod again so I do a kind of a sideshow

612
00:26:29,690 --> 00:26:27,960
called coloring Outside the Lines

613
00:26:32,390 --> 00:26:29,700

um which I'll be using mode going

614

00:26:34,730 --> 00:26:32,400

forward uh interesting kind of

615

00:26:36,470 --> 00:26:34,740

interviews with people adjacent to the

616

00:26:38,990 --> 00:26:36,480

awaken conversation

617

00:26:40,310 --> 00:26:39,000

um and also as I'm tracking around kind

618

00:26:41,510 --> 00:26:40,320

of all the ancient sites and stuff here

619

00:26:42,590 --> 00:26:41,520

I've been taking video and I'll be

620

00:26:44,450 --> 00:26:42,600

putting stuff together and making

621

00:26:46,130 --> 00:26:44,460

episodes of that for for coloring

622

00:26:49,490 --> 00:26:46,140

Outside the Lines too

623

00:26:51,110 --> 00:26:49,500

he's a great content creator it's one of

624

00:26:52,610 --> 00:26:51,120

the best that's fantastic Dan very

625

00:26:54,110 --> 00:26:52,620

excited listen if you haven't heard the

626
00:26:55,490 --> 00:26:54,120
first episode of coloring outside the

627
00:26:57,950 --> 00:26:55,500
Lions it's a it's a banger it's

628
00:26:59,450 --> 00:26:57,960
excellent uh I highly recommend it and

629
00:27:01,149 --> 00:26:59,460
Dan can't wait to see more content from

630
00:27:03,730 --> 00:27:01,159
that I know you got ideas

631
00:27:07,130 --> 00:27:03,740
yeah

632
00:27:08,870 --> 00:27:07,140
but it's a good episode you're averaging

633
00:27:11,450 --> 00:27:08,880
one a year this is really good it's

634
00:27:14,029 --> 00:27:11,460
consistent quality not quantity yeah no

635
00:27:16,970 --> 00:27:14,039
bad reviews yeah 100 percent you know

636
00:27:18,470 --> 00:27:16,980
it's good all right our next guest is a

637
00:27:20,930 --> 00:27:18,480
man you've seen on this channel many

638
00:27:23,210 --> 00:27:20,940

times because uh he's very giving of his

639

00:27:25,789 --> 00:27:23,220

time he's also helped us get a number of

640

00:27:27,649 --> 00:27:25,799

high-profile guests and uh he's a dear

641

00:27:29,930 --> 00:27:27,659

friend of all of us so put your hands

642

00:27:33,049 --> 00:27:29,940

together for somebody's hair that looks

643

00:27:34,870 --> 00:27:33,059

damn good Vinnie Adams host of

644

00:27:38,769 --> 00:27:34,880

disclosure Team

645

00:27:41,930 --> 00:27:38,779

guys thank you so much

646

00:27:46,310 --> 00:27:41,940

the William Shakespeare of UFO Twitter

647

00:27:51,409 --> 00:27:47,750

yes

648

00:27:54,470 --> 00:27:51,419

thank you thank you you're welcome so

649

00:27:57,289 --> 00:27:54,480

good it's a pleasure to have you um

650

00:28:00,649 --> 00:27:57,299

so Nathan I think if you have more I'll

651
00:28:02,510 --> 00:28:00,659
save uh if you want me to save by my uh

652
00:28:04,669 --> 00:28:02,520
trivia so I can save them if you have

653
00:28:07,190 --> 00:28:04,679
more I only have one more for this group

654
00:28:08,870 --> 00:28:07,200
so we could do that let's do yours yeah

655
00:28:10,730 --> 00:28:08,880
cause we got nine minutes

656
00:28:12,230 --> 00:28:10,740
um and then we got it we'll probably uh

657
00:28:13,850 --> 00:28:12,240
start getting everybody out of here a

658
00:28:16,130 --> 00:28:13,860
minute early get the next group in stay

659
00:28:17,870 --> 00:28:16,140
on schedule all right here's the last

660
00:28:20,049 --> 00:28:17,880
question for this group

661
00:28:22,370 --> 00:28:20,059
as party people

662
00:28:26,630 --> 00:28:22,380
what should you do

663
00:28:29,510 --> 00:28:26,640

a kick your feet together B put your

664

00:28:30,890 --> 00:28:29,520

hands together C call your political

665

00:28:35,450 --> 00:28:30,900

representative and ask about the UAP

666

00:28:37,450 --> 00:28:35,460

report or D keep partying

667

00:28:40,130 --> 00:28:37,460

oh man

668

00:28:42,730 --> 00:28:40,140

what do you think man well I think if

669

00:28:45,529 --> 00:28:42,740

you're a true party person

670

00:28:47,269 --> 00:28:45,539

and I you know I think you would already

671

00:28:49,909 --> 00:28:47,279

have called your political

672

00:28:52,310 --> 00:28:49,919

representative he's so good at this and

673

00:28:55,010 --> 00:28:52,320

so after that there's nothing but keep

674

00:28:57,769 --> 00:28:55,020

partying man just keep partying I love

675

00:29:00,529 --> 00:28:57,779

you come on man we can still do this

676

00:29:02,990 --> 00:29:00,539

serious work ask the serious questions

677

00:29:04,130 --> 00:29:03,000

do all that and still have a good time

678

00:29:06,230 --> 00:29:04,140

you know

679

00:29:08,570 --> 00:29:06,240

and and before we get to the next one I

680

00:29:10,850 --> 00:29:08,580

just want to say uh Kelly Chase from UFO

681

00:29:13,310 --> 00:29:10,860

Rabbit Hole podcast one of Nathan's

682

00:29:15,950 --> 00:29:13,320

co-conspirators in that joint offices

683

00:29:17,690 --> 00:29:15,960

I'll fight you for the Squatch date I'll

684

00:29:19,970 --> 00:29:17,700

tell you what man I'll tell you what

685

00:29:21,889 --> 00:29:19,980

Kelly Chase have you seen some of these

686

00:29:24,049 --> 00:29:21,899

representations man these dudes are

687

00:29:26,029 --> 00:29:24,059

built man that's all I got to say I I

688

00:29:28,010 --> 00:29:26,039

would say that Cali and I could go do

689

00:29:29,510 --> 00:29:28,020

like an acid or ask documentary trying

690

00:29:30,590 --> 00:29:29,520

to get to know the Swatch and the

691

00:29:33,470 --> 00:29:30,600

Squatch family and the different

692

00:29:40,570 --> 00:29:33,480

squatches and find the true face behind

693

00:29:40,580 --> 00:29:45,769

Nathan's got a dating services

694

00:29:51,889 --> 00:29:47,510

you might be missing out on one night

695

00:29:52,690 --> 00:29:51,899

stand squats though that's

696

00:29:55,370 --> 00:29:52,700

that's

697

00:29:56,810 --> 00:29:55,380

oh my God there's so much Creative Juice

698

00:30:00,350 --> 00:29:56,820

here I don't know I'm scared of what

699

00:30:03,230 --> 00:30:00,360

Deb's gonna say now uh but uh no kidding

700

00:30:04,850 --> 00:30:03,240

though this year uh Dan Warren we didn't

701

00:30:06,230 --> 00:30:04,860

tell you during the lasting Vinnie and I

702

00:30:08,870 --> 00:30:06,240

have been talking a little bit in the

703

00:30:11,690 --> 00:30:08,880

background and Dan Warren he got me uh

704

00:30:13,430 --> 00:30:11,700

some contact for uh the representative

705

00:30:15,070 --> 00:30:13,440

uh what's that gentleman's name from

706

00:30:18,289 --> 00:30:15,080

Tennessee Tim

707

00:30:20,870 --> 00:30:18,299

yeah Timber Chet yeah and uh so I'm

708

00:30:23,269 --> 00:30:20,880

gonna write up something and try to get

709

00:30:25,190 --> 00:30:23,279

some representation toward the Bigfoot

710

00:30:28,430 --> 00:30:25,200

topic we are so blessed in our community

711

00:30:30,950 --> 00:30:28,440

that we've had plenty of uh high profile

712

00:30:33,230 --> 00:30:30,960

voices to carry the message forward from

713

00:30:35,510 --> 00:30:33,240

us to legislators and they have

714

00:30:37,070 --> 00:30:35,520

basically none near as I can tell on the

715

00:30:39,649 --> 00:30:37,080

local level they've done well there's

716

00:30:41,630 --> 00:30:39,659

actually some State uh and County

717

00:30:43,970 --> 00:30:41,640

Properties that have been said this is a

718

00:30:45,950 --> 00:30:43,980

cigarch area you can't hunt here these

719

00:30:48,230 --> 00:30:45,960

types of things not targeting them if

720

00:30:50,810 --> 00:30:48,240

you are a hunter so on the local level

721

00:30:53,330 --> 00:30:50,820

there's been a little bit but not on a

722

00:30:54,889 --> 00:30:53,340

on a national level so hopefully we're

723

00:30:56,630 --> 00:30:54,899

going to try to represent on our show

724

00:30:58,730 --> 00:30:56,640

and I hopefully hopefully you guys do as

725

00:31:00,350 --> 00:30:58,740

well Vinnie talked about it and and I

726

00:31:02,930 --> 00:31:00,360

hope you guys do as well they could use

727

00:31:04,130 --> 00:31:02,940

our help and our organization

728

00:31:09,889 --> 00:31:04,140

so

729

00:31:11,710 --> 00:31:09,899

the end did everybody what's your answer

730

00:31:14,750 --> 00:31:11,720

to this question just curious

731

00:31:18,409 --> 00:31:14,760

yeah me yeah yeah how would you answer

732

00:31:20,330 --> 00:31:18,419

me you know uh I I think always you know

733

00:31:23,029 --> 00:31:20,340

obviously people would expect me to say

734

00:31:24,710 --> 00:31:23,039

put your hands together uh but call your

735

00:31:26,870 --> 00:31:24,720

political representative and ask about

736

00:31:30,710 --> 00:31:26,880

the report would be the most responsible

737

00:31:32,690 --> 00:31:30,720

answer that you could have we have had a

738

00:31:34,430 --> 00:31:32,700

lot of movement but that doesn't mean

739

00:31:35,990 --> 00:31:34,440

that's why lobbyists don't go to

740

00:31:39,529 --> 00:31:36,000

Washington for one year and then quit

741

00:31:41,389 --> 00:31:39,539

it's a continuing effort so we have to

742

00:31:44,269 --> 00:31:41,399

have that kind of continuing effort and

743

00:31:46,789 --> 00:31:44,279

we have to hopefully uh get the uh the

744

00:31:48,169 --> 00:31:46,799

Bigfoot people get their start going so

745

00:31:51,649 --> 00:31:48,179

they actually have an effort because

746

00:31:53,630 --> 00:31:51,659

right now they're having more as I've

747

00:31:55,730 --> 00:31:53,640

said they're having more Bigfoot what do

748

00:31:57,950 --> 00:31:55,740

we call the symposiums and conferences

749

00:32:01,310 --> 00:31:57,960

that we're having for UFOs and they're

750

00:32:04,310 --> 00:32:01,320

having much less Traction in nationally

751
00:32:06,649 --> 00:32:04,320
yeah interesting uh dad what about you

752
00:32:09,350 --> 00:32:06,659
what would you recommend party people do

753
00:32:12,769 --> 00:32:09,360
in the situation um I honestly think all

754
00:32:17,110 --> 00:32:12,779
of the above whoa

755
00:32:19,970 --> 00:32:17,120
at the same time wow yes

756
00:32:21,769 --> 00:32:19,980
you guys haven't seen dead party so she

757
00:32:25,130 --> 00:32:21,779
can do it yeah it doesn't color between

758
00:32:26,810 --> 00:32:25,140
the lines Dan that's all I got to say I

759
00:32:28,190 --> 00:32:26,820
haven't seen dead party but I have seen

760
00:32:30,710 --> 00:32:28,200
her in a Bookshop and I have a feeling

761
00:32:32,930 --> 00:32:30,720
I'd like actually parties

762
00:32:34,310 --> 00:32:32,940
yeah I'd be the person that was at a

763
00:32:36,490 --> 00:32:34,320

party going outside calling

764

00:32:38,630 --> 00:32:36,500

Representatives

765

00:32:41,630 --> 00:32:38,640

that's the true positive right that's

766

00:32:43,490 --> 00:32:41,640

the real podcast exactly exactly

767

00:32:44,750 --> 00:32:43,500

fantastic well I really appreciate you

768

00:32:47,450 --> 00:32:44,760

guys playing and participating in that

769

00:32:50,090 --> 00:32:47,460

absolute insane trivia that was uh that

770

00:32:51,769 --> 00:32:50,100

we stood upon you I feel I feel like I

771

00:32:54,049 --> 00:32:51,779

need to throw a serious comment in here

772

00:32:56,810 --> 00:32:54,059

and that would be to anybody outside of

773

00:32:59,090 --> 00:32:56,820

the US you may not be able to contact a

774

00:33:02,330 --> 00:32:59,100

representative be it statewise in the US

775

00:33:05,029 --> 00:33:02,340

but you can contact the Pentagon and the

776

00:33:06,830 --> 00:33:05,039

dod from anywhere in the world I've done

777

00:33:08,810 --> 00:33:06,840

it Dan's done it you know these things

778

00:33:11,210 --> 00:33:08,820

can happen and you can just keep pushing

779

00:33:13,430 --> 00:33:11,220

and pushing and pushing so if you feel

780

00:33:16,009 --> 00:33:13,440

like I wish I could but I can't because

781

00:33:17,690 --> 00:33:16,019

I'm not in the US you can you can so

782

00:33:19,930 --> 00:33:17,700

there you go that's my one serious

783

00:33:22,250 --> 00:33:19,940

comment

784

00:33:24,769 --> 00:33:22,260

I also would recommend that people

785

00:33:27,230 --> 00:33:24,779

contact representatives in their own

786

00:33:28,970 --> 00:33:27,240

country and start absolutely you know if

787

00:33:30,590 --> 00:33:28,980

people are only worried about what the

788

00:33:32,570 --> 00:33:30,600

United States is doing then you're not

789

00:33:34,509 --> 00:33:32,580

holding your own representatives to

790

00:33:38,090 --> 00:33:34,519

account and that's not that's not good

791

00:33:40,490 --> 00:33:38,100

that's a partial fail at least so so you

792

00:33:43,070 --> 00:33:40,500

should be whatever country you're in you

793

00:33:44,690 --> 00:33:43,080

know make a push and and then try and

794

00:33:46,850 --> 00:33:44,700

get together meetings with people that

795

00:33:49,130 --> 00:33:46,860

are that you've met through UFO Twitter

796

00:33:50,930 --> 00:33:49,140

try to have a meeting at a pub or a

797

00:33:52,549 --> 00:33:50,940

restaurant somewhere and then from there

798

00:33:54,529 --> 00:33:52,559

start to organize and start to send

799

00:33:56,630 --> 00:33:54,539

letters to your representatives because

800

00:33:58,490 --> 00:33:56,640

you want to multi-pronged attack in any

801
00:34:00,350 --> 00:33:58,500
in any sort of an engagement not a

802
00:34:01,549 --> 00:34:00,360
single point of attack it's quite easy

803
00:34:02,990 --> 00:34:01,559
to defend

804
00:34:05,090 --> 00:34:03,000
yeah absolutely

805
00:34:07,430 --> 00:34:05,100
yeah I'd agree with that and if you look

806
00:34:09,169 --> 00:34:07,440
at the transcript of the The Briefing

807
00:34:11,329 --> 00:34:09,179
that happened this week the dod arrow

808
00:34:13,129 --> 00:34:11,339
and the Pentagon you can see that

809
00:34:15,109 --> 00:34:13,139
they're taking this national security

810
00:34:16,790 --> 00:34:15,119
threat very seriously so use that

811
00:34:18,829 --> 00:34:16,800
language use the fact that the the

812
00:34:20,149 --> 00:34:18,839
biggest war machine on Earth is afraid

813
00:34:23,149 --> 00:34:20,159

of these things and they're they're

814

00:34:24,889 --> 00:34:23,159

starving this guy has been uh

815

00:34:26,930 --> 00:34:24,899

incurred upon

816

00:34:28,669 --> 00:34:26,940

um point it out where the hell is your

817

00:34:30,530 --> 00:34:28,679

country in this conversation you know

818

00:34:32,149 --> 00:34:30,540

the UK have Skies too as far as I'm away

819

00:34:35,629 --> 00:34:32,159

yeah

820

00:34:37,909 --> 00:34:35,639

um and moreover what we'd like to say as

821

00:34:40,490 --> 00:34:37,919

we as we close up and bring in the next

822

00:34:42,010 --> 00:34:40,500

group is uh it's an honor to have your

823

00:34:45,169 --> 00:34:42,020

friendship to have you in the community

824

00:34:48,109 --> 00:34:45,179

uh and I personally thank you for all of

825

00:34:50,450 --> 00:34:48,119

your efforts and um and really just glad

826

00:34:52,669 --> 00:34:50,460

to be able to call you guys and talk

827

00:34:54,409 --> 00:34:52,679

about things it's been such a blessing

828

00:34:56,570 --> 00:34:54,419

to have all these new friends just as a

829

00:34:59,329 --> 00:34:56,580

result of the UFO community

830

00:35:01,010 --> 00:34:59,339

in in this case the uh the true treasure

831

00:35:06,670 --> 00:35:01,020

with the friends we did find along the

832

00:35:10,910 --> 00:35:09,530

and Dan where are you traveling to next

833

00:35:12,050 --> 00:35:10,920

I know you're you're still in Mexico is

834

00:35:14,089 --> 00:35:12,060

that right

835

00:35:16,010 --> 00:35:14,099

so yes still in Mexico uh tomorrow I'm

836

00:35:17,569 --> 00:35:16,020

gonna go see uh tomorrow or the next day

837

00:35:19,670 --> 00:35:17,579

hopefully tomorrow we'll see you at 302

838

00:35:21,829 --> 00:35:19,680

cab and then I'll be going down to the

839

00:35:24,109 --> 00:35:21,839

Yucatan Peninsula to see Chichen Itza

840

00:35:27,650 --> 00:35:24,119

and some of the rooms down that way nice

841

00:35:29,690 --> 00:35:27,660

awesome can't wait to see that

842

00:35:31,069 --> 00:35:29,700

all right guys uh we got to get you out

843

00:35:33,829 --> 00:35:31,079

of here I just got a message from Scott

844

00:35:36,589 --> 00:35:33,839

gearen poor experiencer Scott gearen is

845

00:35:39,370 --> 00:35:36,599

digging his pickup truck out again up in

846

00:35:42,530 --> 00:35:39,380

Minnesota he had to dig two 30-yard

847

00:35:45,109 --> 00:35:42,540

trenches for his tires to get his truck

848

00:35:48,190 --> 00:35:45,119

to go forward and out of its parking

849

00:35:55,370 --> 00:35:50,630

thank you guys

850

00:35:58,970 --> 00:35:57,109

um well I wish him well and thank you

851

00:36:00,650 --> 00:35:58,980

guys and

852

00:36:02,630 --> 00:36:00,660

thanks for all you do

853

00:36:05,270 --> 00:36:02,640

yeah happy holidays guys thank you so

854

00:36:08,690 --> 00:36:05,280

much happy holidays take care guys

855

00:36:16,870 --> 00:36:10,849

all right look at that man we're getting

856

00:36:22,310 --> 00:36:20,390

Benji I'll tell you what this guy has

857

00:36:24,770 --> 00:36:22,320

been with cab about since the the

858

00:36:26,210 --> 00:36:24,780

beginning of this joint right here and

859

00:36:29,750 --> 00:36:26,220

he's for are you you're in Los Angeles

860

00:36:35,329 --> 00:36:29,760

right yes sir got around Pittsburgh amen

861

00:36:38,329 --> 00:36:36,829

yeah thanks for having me guys I had to

862

00:36:40,430 --> 00:36:38,339

match the energy with the stunner shades

863

00:36:42,109 --> 00:36:40,440

too you got to you got to I love it I

864

00:36:45,950 --> 00:36:42,119

love it the Pittsburgh steel we got the

865

00:36:48,170 --> 00:36:45,960

Steelers man the Steelers uh and then

866

00:36:50,510 --> 00:36:48,180

you know we had a mankunan and we could

867

00:36:52,190 --> 00:36:50,520

not put them in the same group we didn't

868

00:36:55,430 --> 00:36:52,200

want any sort of a border war between

869

00:36:58,550 --> 00:36:55,440

Manchester and Liverpool so here is the

870

00:37:01,670 --> 00:36:58,560

gregarious the engaging the host of the

871

00:37:05,230 --> 00:37:01,680

weird sisters on YouTube hopefully on

872

00:37:09,170 --> 00:37:05,240

podcast soon or I'm gonna slap her up

873

00:37:14,950 --> 00:37:09,180

yeah yeah put your hands together for

874

00:37:19,089 --> 00:37:17,530

she's so Italian

875

00:37:21,829 --> 00:37:19,099

Hollywood

876

00:37:23,870 --> 00:37:21,839

uh I'll go into my Valentina Rossi all

877

00:37:26,050 --> 00:37:23,880

over again nobody needs that

878

00:37:31,490 --> 00:37:28,550

this gentleman is a professional yeah a

879

00:37:34,849 --> 00:37:31,500

professional musician he's also a

880

00:37:36,829 --> 00:37:34,859

brilliant uh podcast host and you know

881

00:37:39,530 --> 00:37:36,839

it's so funny that his show is called

882

00:37:41,210 --> 00:37:39,540

the UFO thinker oh someone's got me

883

00:37:43,329 --> 00:37:41,220

coming out of their speakers

884

00:37:45,890 --> 00:37:43,339

is that a party Foul from Hollywood

885

00:37:48,710 --> 00:37:45,900

probably why change a habit of a

886

00:37:54,670 --> 00:37:48,720

lifetime it's a foul mint you need to

887

00:38:02,170 --> 00:37:57,950

have one of your kids bring them up but

888

00:38:07,250 --> 00:38:04,010

I'm scared

889

00:38:08,270 --> 00:38:07,260

yeah I didn't say good I just said

890

00:38:10,609 --> 00:38:08,280

better

891

00:38:12,950 --> 00:38:10,619

Hollywood anyway uh

892

00:38:16,930 --> 00:38:12,960

Disturbed all of that to show my brother

893

00:38:21,230 --> 00:38:16,940

the host of the UFO thinker Frank Jones

894

00:38:22,490 --> 00:38:21,240

hey how's it going everybody I tried my

895

00:38:24,170 --> 00:38:22,500

best with the Sansa hot it's pretty

896

00:38:25,790 --> 00:38:24,180

difficult with these headphones on but I

897

00:38:28,730 --> 00:38:25,800

managed to somehow like get it all to

898

00:38:31,010 --> 00:38:28,740

work just about it looks fabulous you're

899

00:38:32,630 --> 00:38:31,020

a man that gets it done likewise Nathan

900

00:38:35,630 --> 00:38:32,640

I see you you're rocking the the Santa

901
00:38:42,050 --> 00:38:38,210
yep see no one notices I'm wearing a hat

902
00:38:43,630 --> 00:38:42,060
oh DJ you'll see in a ball a ball

903
00:38:46,490 --> 00:38:43,640
yeah

904
00:38:48,349 --> 00:38:46,500
as well it Blends into the background a

905
00:38:51,829 --> 00:38:48,359
bit that's all it is but yeah very nice

906
00:38:51,839 --> 00:38:54,290
um Nate

907
00:38:58,190 --> 00:38:56,030
neighbors we've got more trivia so we

908
00:39:01,010 --> 00:38:58,200
can jump into that okay all right here

909
00:39:03,770 --> 00:39:01,020
we go so uh continuing with Cab's

910
00:39:06,349 --> 00:39:03,780
ridiculous holiday trivia which one of

911
00:39:10,550 --> 00:39:06,359
the following is likely the seventh

912
00:39:12,050 --> 00:39:10,560
observable characteristic of UAP A Drop

913
00:39:15,130 --> 00:39:12,060

In That Bass

914

00:39:22,250 --> 00:39:18,710

on multiple live stream podcasts at once

915

00:39:24,230 --> 00:39:22,260

C rainbow sparkles or D playing a piano

916

00:39:28,550 --> 00:39:24,240

duet of highway to the danger zone with

917

00:39:33,050 --> 00:39:30,650

it's a tough one I admit it I don't know

918

00:39:34,670 --> 00:39:33,060

oh my goodness Frank why don't you take

919

00:39:36,530 --> 00:39:34,680

this one first what would you uh would

920

00:39:38,810 --> 00:39:36,540

you go with here

921

00:39:40,730 --> 00:39:38,820

I think I'm gonna go with B making the

922

00:39:42,829 --> 00:39:40,740

guest appearance on multiple live stream

923

00:39:45,710 --> 00:39:42,839

podcasts at once because let's be honest

924

00:39:47,750 --> 00:39:45,720

if you're able to be omnipresent like

925

00:39:50,150 --> 00:39:47,760

quite literally then I think that's a

926

00:39:52,190 --> 00:39:50,160

quite anomalous characteristic to be

927

00:39:55,190 --> 00:39:52,200

rocking I mean anyone can drop that bass

928

00:39:57,589 --> 00:39:55,200

I'll do it regularly anyway wake up in

929

00:39:59,210 --> 00:39:57,599

the morning Drop That Bass let's go buy

930

00:40:01,069 --> 00:39:59,220

my business drop a little bit more so

931

00:40:02,930 --> 00:40:01,079

yeah I reckon it's it's got to be

932

00:40:04,670 --> 00:40:02,940

obviously rainbow sparkles again another

933

00:40:06,770 --> 00:40:04,680

thing that I do on a day-to-day basis

934

00:40:09,710 --> 00:40:06,780

dropping rainbow sparkles everywhere I

935

00:40:11,810 --> 00:40:09,720

go and uh clearly you know playing a

936

00:40:13,790 --> 00:40:11,820

piano duet of highway to the danger zone

937

00:40:15,950 --> 00:40:13,800

with Jack valet Devil's Tower another

938

00:40:19,670 --> 00:40:15,960

day-to-day occurrence in my routine so

939

00:40:21,770 --> 00:40:19,680

it's clear that the truly anomalous

940

00:40:23,329 --> 00:40:21,780

characteristic out of that list is is

941

00:40:25,190 --> 00:40:23,339

definitely

942

00:40:26,750 --> 00:40:25,200

wow that's incredible and what an

943

00:40:29,450 --> 00:40:26,760

efficient use of their time too you know

944

00:40:31,250 --> 00:40:29,460

just not this podcast out all at once I

945

00:40:32,270 --> 00:40:31,260

love that uh Holly what would you say

946

00:40:35,150 --> 00:40:32,280

here

947

00:40:37,849 --> 00:40:35,160

wow obviously I'm gonna go for rainbow

948

00:40:40,069 --> 00:40:37,859

sparkles just because it's me but then

949

00:40:41,870 --> 00:40:40,079

I'd like I'd like rainbow sparkles

950

00:40:43,849 --> 00:40:41,880

followed by dropping that bass at the

951

00:40:45,950 --> 00:40:43,859

same time so it became like this big

952

00:40:48,890 --> 00:40:45,960

production but that's where I'm at

953

00:40:50,810 --> 00:40:48,900

definitely oh I like that yeah that's a

954

00:40:55,030 --> 00:40:50,820

whole show right oh I mean like and then

955

00:40:57,650 --> 00:40:55,040

like like smoke Green Smoke as well

956

00:40:59,270 --> 00:40:57,660

Perfection if that could just be figured

957

00:41:01,490 --> 00:40:59,280

out yeah that's like that's like a

958

00:41:02,870 --> 00:41:01,500

festival right there that's yeah you

959

00:41:05,510 --> 00:41:02,880

were Festival yeah we'll do that one

960

00:41:07,849 --> 00:41:05,520

please order it excellent yeah where do

961

00:41:11,450 --> 00:41:07,859

I get my tickets take my money now yeah

962

00:41:13,250 --> 00:41:11,460

amen absolutely Benji I'm actually gonna

963

00:41:16,069 --> 00:41:13,260

piggyback on that Festival Vibe because

964

00:41:19,010 --> 00:41:16,079

I'm I'm thinking D definitely the Piano

965

00:41:20,270 --> 00:41:19,020

Duet but here's the thing though if I

966

00:41:23,089 --> 00:41:20,280

have it my way

967

00:41:24,650 --> 00:41:23,099

Jacques drop in the bass oh at the same

968

00:41:27,890 --> 00:41:24,660

time and then we gotta make West on

969

00:41:30,650 --> 00:41:27,900

drums that's mine that's my time

970

00:41:32,569 --> 00:41:30,660

wow call Steven Spielberg let's redo the

971

00:41:34,310 --> 00:41:32,579

ending of the movie we got to that's we

972

00:41:38,390 --> 00:41:34,320

got it it's fantastic

973

00:41:41,270 --> 00:41:38,400

and I'll tell you what man I have

974

00:41:43,550 --> 00:41:41,280

um I have a question I can throw in here

975

00:41:45,109 --> 00:41:43,560

if you guys are ready for another Nathan

976
00:41:48,230 --> 00:41:45,119
are you ready for another one please go

977
00:41:50,690 --> 00:41:48,240
for it yeah okay so basically what you

978
00:41:52,550 --> 00:41:50,700
uh this uh the the the so the title of

979
00:41:54,770 --> 00:41:52,560
this is thought leaders of the UAP

980
00:41:57,950 --> 00:41:54,780
Community I give you a quote you guess

981
00:42:00,829 --> 00:41:57,960
who it is so here we go

982
00:42:03,170 --> 00:42:00,839
um for those who have seen a UFO or had

983
00:42:06,470 --> 00:42:03,180
a close encounter of any kind the event

984
00:42:08,990 --> 00:42:06,480
is surely part of their reality though

985
00:42:12,050 --> 00:42:09,000
for other members of society who look

986
00:42:13,730 --> 00:42:12,060
who lack any direct involvement it is

987
00:42:15,829 --> 00:42:13,740
questionable unquestionably more

988
00:42:18,530 --> 00:42:15,839

difficult to wrap their minds around

989

00:42:21,770 --> 00:42:18,540

such a situation as it deviates

990

00:42:24,589 --> 00:42:21,780

considerably from more Orthodox facets

991

00:42:27,109 --> 00:42:24,599

of everyday life indeed for those who

992

00:42:29,870 --> 00:42:27,119

have had such an experience no

993

00:42:32,510 --> 00:42:29,880

explanation is necessary but for many of

994

00:42:34,910 --> 00:42:32,520

those who have not none may be possible

995

00:42:37,430 --> 00:42:34,920

at all so this is basically comparing

996

00:42:39,650 --> 00:42:37,440

folks yeah right Holly I know you need

997

00:42:41,450 --> 00:42:39,660

like a you know like a cold towel on

998

00:42:44,569 --> 00:42:41,460

your head after that one I need some

999

00:42:47,750 --> 00:42:44,579

rainbow sparkles yes and Nathan hit the

1000

00:42:49,370 --> 00:42:47,760

rainbow sparkles please so so

1001

00:42:51,470 --> 00:42:49,380

um so basically for uh basically

1002

00:42:53,450 --> 00:42:51,480

comparing those who have had a UFO

1003

00:42:55,910 --> 00:42:53,460

experience and how it leaves that

1004

00:42:58,130 --> 00:42:55,920

indelible mark on you and people who

1005

00:43:00,950 --> 00:42:58,140

can't seem to grasp it who who do you

1006

00:43:02,809 --> 00:43:00,960

think is the UFO thought leader so we're

1007

00:43:04,370 --> 00:43:02,819

talking like phds here who do you think

1008

00:43:08,630 --> 00:43:04,380

that was

1009

00:43:12,410 --> 00:43:10,490

I have no idea man I should have won my

1010

00:43:14,450 --> 00:43:12,420

thinking cap instead of my Santa hat I

1011

00:43:16,250 --> 00:43:14,460

think you all know this guy by the way

1012

00:43:17,329 --> 00:43:16,260

all of you know this person if I said

1013

00:43:20,450 --> 00:43:17,339

his name

1014

00:43:22,730 --> 00:43:20,460

I'm I'm gonna go with

1015

00:43:24,349 --> 00:43:22,740

Jacque Valley just because I feel like

1016

00:43:26,450 --> 00:43:24,359

there may have been a link there with

1017

00:43:28,609 --> 00:43:26,460

the uh the quiz question from earlier on

1018

00:43:31,130 --> 00:43:28,619

but I could be completely Way Off the

1019

00:43:34,010 --> 00:43:31,140

Mark it's it's a bit of an informed

1020

00:43:37,010 --> 00:43:34,020

guess shall we say good Association but

1021

00:43:41,109 --> 00:43:37,020

it's not Jacques oh

1022

00:43:44,150 --> 00:43:41,119

Hollywood it wasn't me I know that much

1023

00:43:47,150 --> 00:43:44,160

oh it wasn't because well it wasn't good

1024

00:43:49,190 --> 00:43:47,160

I can't confirm that so okay um I don't

1025

00:43:51,470 --> 00:43:49,200

know but um I feel like I ought to know

1026

00:43:53,150 --> 00:43:51,480

so tell me tell me tell me well we have

1027

00:43:55,130 --> 00:43:53,160

to ask Benji first we got to give you

1028

00:43:57,470 --> 00:43:55,140

you have to Hazard that's why they call

1029

00:43:58,910 --> 00:43:57,480

it Hazard a guess but you did say so you

1030

00:44:01,069 --> 00:43:58,920

just a quick a quick question you did

1031

00:44:03,170 --> 00:44:01,079

say it's a PhD right so it's it's done

1032

00:44:05,150 --> 00:44:03,180

for someone it is it is and and someone

1033

00:44:07,430 --> 00:44:05,160

we know is what you see is this like

1034

00:44:11,510 --> 00:44:07,440

thing everybody's no game of guess who

1035

00:44:14,510 --> 00:44:11,520

yes okay we have a band from the 70s but

1036

00:44:17,030 --> 00:44:14,520

beside the point does he have a hat

1037

00:44:19,550 --> 00:44:17,040

uh I'm not gonna talk about what kind of

1038

00:44:21,109 --> 00:44:19,560

accoutrements he wears I just say you

1039

00:44:21,770 --> 00:44:21,119

don't know or you don't want a hazard a

1040

00:44:23,690 --> 00:44:21,780

guess

1041

00:44:25,790 --> 00:44:23,700

man Frank took mine honestly I was

1042

00:44:27,710 --> 00:44:25,800

thinking jock I was detecting a slight

1043

00:44:31,069 --> 00:44:27,720

French accent in your description of

1044

00:44:36,069 --> 00:44:31,079

that mm-hmm that's a tough one man

1045

00:44:40,370 --> 00:44:38,690

PhD the only one that comes to mind

1046

00:44:42,589 --> 00:44:40,380

would be Travis Taylor but I don't think

1047

00:44:44,750 --> 00:44:42,599

that's it either it's not that's that's

1048

00:44:46,790 --> 00:44:44,760

actually another great one and I I wish

1049

00:44:49,430 --> 00:44:46,800

I had a quote from him but it actually

1050

00:44:51,530 --> 00:44:49,440

is uh Michael Masters Dr Michael Masters

1051

00:44:53,569 --> 00:44:51,540

uh it was the other one I was thinking

1052

00:44:56,270 --> 00:44:53,579

of that was in the library at Montana

1053

00:44:58,910 --> 00:44:56,280

State so Dr Michael Master said that so

1054

00:45:00,530 --> 00:44:58,920

if I would have put as Nathan knows if I

1055

00:45:02,210 --> 00:45:00,540

would have put the word time in there

1056

00:45:04,069 --> 00:45:02,220

somewhere or relation you guys would

1057

00:45:06,290 --> 00:45:04,079

have known because his Twitter handle is

1058

00:45:07,490 --> 00:45:06,300

more photo time so that that I I

1059

00:45:10,370 --> 00:45:07,500

couldn't pick one of those it would have

1060

00:45:11,870 --> 00:45:10,380

been too obvious so uh good job though I

1061

00:45:14,630 --> 00:45:11,880

I don't know that I would have gotten

1062

00:45:22,450 --> 00:45:14,640

that either I made it uh I made it tough

1063

00:45:26,870 --> 00:45:24,650

I got another trivia question if you

1064

00:45:29,569 --> 00:45:26,880

guys want to jump into it so uh let's do

1065

00:45:33,170 --> 00:45:29,579

that so let's see how do I get on the

1066

00:45:35,329 --> 00:45:33,180

screen boom here we go all right so

1067

00:45:36,589 --> 00:45:35,339

continuing with Cavs ridiculous holiday

1068

00:45:40,190 --> 00:45:36,599

trivia

1069

00:45:45,650 --> 00:45:40,200

if it turns out that Bob Bigelow is an

1070

00:45:48,770 --> 00:45:45,660

actual alien what species is he a a tall

1071

00:45:51,589 --> 00:45:48,780

gray B that strange looking guy from

1072

00:45:56,210 --> 00:45:51,599

Star Wars at the bar in Tatooine

1073

00:46:00,170 --> 00:45:56,220

see a reptilian or D an orb with an

1074

00:46:02,390 --> 00:46:00,180

interdimensional mustache oh yeah I know

1075

00:46:04,550 --> 00:46:02,400

some tough ones here Frank yes that one

1076

00:46:08,329 --> 00:46:04,560

what looks good to you

1077

00:46:10,370 --> 00:46:08,339

could be some kind in some way could be

1078

00:46:12,470 --> 00:46:10,380

all of the above you know I think he

1079

00:46:14,569 --> 00:46:12,480

might I think he might be able to pull

1080

00:46:16,550 --> 00:46:14,579

that off somehow but if I had to narrow

1081

00:46:19,069 --> 00:46:16,560

it down to one since that is kind of the

1082

00:46:21,109 --> 00:46:19,079

name of the game I think I'd go for D

1083

00:46:23,390 --> 00:46:21,119

because that mustache is pretty

1084

00:46:25,550 --> 00:46:23,400

astonishing it's definitely a standout

1085

00:46:27,470 --> 00:46:25,560

physical feature of the man so um I'm

1086

00:46:29,569 --> 00:46:27,480

gonna go for D I think that's my choice

1087

00:46:31,790 --> 00:46:29,579

my selection so there we have it

1088

00:46:33,290 --> 00:46:31,800

fabulous fabulous love it all right

1089

00:46:35,809 --> 00:46:33,300

Holly what do you say

1090

00:46:38,210 --> 00:46:35,819

I am going to stick with the northern

1091

00:46:40,849 --> 00:46:38,220

contingency here and go with d because I

1092

00:46:44,349 --> 00:46:40,859

think it's a strong mustache I think

1093

00:46:47,450 --> 00:46:44,359

that's where he hides his wealth as well

1094

00:46:52,010 --> 00:46:47,460

I'm gonna go for the D oh my God no not

1095

00:46:56,030 --> 00:46:53,990

it will just keep on moving down this

1096

00:46:57,530 --> 00:46:56,040

family show

1097

00:47:02,890 --> 00:46:57,540

oh

1098

00:47:07,609 --> 00:47:05,510

I gotta switch it up and call it like I

1099

00:47:11,109 --> 00:47:07,619

see it I'm saying C reptilian because he

1100

00:47:14,109 --> 00:47:11,119

gives off this nefarious kind of world

1101
00:47:16,670 --> 00:47:14,119
leader control kind of vibe I don't know

1102
00:47:19,609 --> 00:47:16,680
okay interesting answer Dark Horse

1103
00:47:21,410 --> 00:47:19,619
choice I like that yes uh I I love that

1104
00:47:23,450 --> 00:47:21,420
and I love uh I love the other answers

1105
00:47:25,370 --> 00:47:23,460
too the orb I just honestly did not

1106
00:47:26,990 --> 00:47:25,380
think anyone would pick the orb but

1107
00:47:29,210 --> 00:47:27,000
someone Vinci whoever said it was right

1108
00:47:31,069 --> 00:47:29,220
under your nose uh that uh maybe that's

1109
00:47:33,109 --> 00:47:31,079
it right it's uh it's just right there

1110
00:47:35,870 --> 00:47:33,119
the whole time uh Deb what do you think

1111
00:47:38,510 --> 00:47:35,880
about this one I mean I don't think he

1112
00:47:40,849 --> 00:47:38,520
looks weird but I like Star Wars so much

1113
00:47:42,829 --> 00:47:40,859

that I have to pick B I like Tatoonie

1114

00:47:44,930 --> 00:47:42,839

yeah who doesn't like that I mean the

1115

00:47:45,970 --> 00:47:44,940

songs that that bar was always hopping

1116

00:47:48,530 --> 00:47:45,980

man

1117

00:47:50,990 --> 00:47:48,540

I'm always down to go to the canteen you

1118

00:47:52,849 --> 00:47:51,000

know absolutely yeah absolutely

1119

00:47:54,770 --> 00:47:52,859

uh DJ what about you what do you think

1120

00:47:56,690 --> 00:47:54,780

man I'm really struggling with this

1121

00:47:59,030 --> 00:47:56,700

because if somebody said I think Frank

1122

00:48:01,010 --> 00:47:59,040

said you know could be all of them so uh

1123

00:48:03,890 --> 00:48:01,020

but if I have to narrow it down I'm with

1124

00:48:06,710 --> 00:48:03,900

Benji because reptilian struck my mind

1125

00:48:09,890 --> 00:48:06,720

that I feel like if we were to peel back

1126

00:48:12,349 --> 00:48:09,900

some layers of his skin we would see in

1127

00:48:14,750 --> 00:48:12,359

this green kind of sort of alligator-ish

1128

00:48:16,849 --> 00:48:14,760

maybe like lizardish skin under there

1129

00:48:18,470 --> 00:48:16,859

and there would be an entire different

1130

00:48:21,470 --> 00:48:18,480

being on there I feel like that's

1131

00:48:23,329 --> 00:48:21,480

probably what would happen uh and I also

1132

00:48:25,790 --> 00:48:23,339

think the orb with the interdimensional

1133

00:48:27,349 --> 00:48:25,800

mustache is also not a bad one so I I

1134

00:48:29,809 --> 00:48:27,359

just gotta I gotta applaud you on that

1135

00:48:31,250 --> 00:48:29,819

one say I got to get up in there so yeah

1136

00:48:32,750 --> 00:48:31,260

it's a strong Contender right so we're

1137

00:48:34,430 --> 00:48:32,760

kind of deadlocked here I'm gonna I'm

1138

00:48:35,750 --> 00:48:34,440

gonna swing my vote to the orb as well

1139

00:48:38,050 --> 00:48:35,760

so I think we're gonna we're gonna call

1140

00:48:40,490 --> 00:48:38,060

him for the award today

1141

00:48:43,809 --> 00:48:40,500

and right now Bob Bigler there's a

1142

00:48:47,870 --> 00:48:46,309

sorry Bob but you know they're and

1143

00:48:49,490 --> 00:48:47,880

they're at orbs at Skinwalker Ranch so

1144

00:48:51,710 --> 00:48:49,500

maybe he's still there he just he can't

1145

00:48:53,690 --> 00:48:51,720

say goodbye you know it's it's where he

1146

00:48:55,309 --> 00:48:53,700

spins his off hours I don't know

1147

00:48:57,170 --> 00:48:55,319

all right

1148

00:48:58,790 --> 00:48:57,180

um Let me let me check man I got to keep

1149

00:49:01,190 --> 00:48:58,800

this little thing up because I've lost

1150

00:49:03,230 --> 00:49:01,200

track of our 20 minute blocks we started

1151

00:49:04,730 --> 00:49:03,240

the other one at 40 right yes we end

1152

00:49:06,829 --> 00:49:04,740

this one on the hours I want to ask a

1153

00:49:08,150 --> 00:49:06,839

question to uh I'm gonna start with

1154

00:49:09,470 --> 00:49:08,160

Frank and I want to I just want to catch

1155

00:49:10,849 --> 00:49:09,480

up with everybody Frank what have you

1156

00:49:12,349 --> 00:49:10,859

been working on what's uh what's in the

1157

00:49:14,990 --> 00:49:12,359

hopper they've been doing some good

1158

00:49:16,670 --> 00:49:15,000

shows that what's going on in your world

1159

00:49:20,329 --> 00:49:16,680

yeah man well I've got a bit of a

1160

00:49:22,150 --> 00:49:20,339

Christmas special uh episode that I've

1161

00:49:24,890 --> 00:49:22,160

been working on over the last few days

1162

00:49:26,270 --> 00:49:24,900

uh I I I'll tell you what I'll give you

1163

00:49:27,530 --> 00:49:26,280

a little bit of a sneak preview what

1164

00:49:29,329 --> 00:49:27,540

it's all going to be about I've not

1165

00:49:33,410 --> 00:49:29,339

really mentioned it anywhere else so a

1166

00:49:35,809 --> 00:49:33,420

bit of an exclusive there wow yeah but

1167

00:49:37,490 --> 00:49:35,819

yeah it's going to be the ghost of um

1168

00:49:39,890 --> 00:49:37,500

as you know Christmas Carol Charles

1169

00:49:41,930 --> 00:49:39,900

Dickens as the Ghost of Christmas Past

1170

00:49:45,349 --> 00:49:41,940

Christmas present and Christmas future

1171

00:49:46,790 --> 00:49:45,359

and it's going to be uh three guests and

1172

00:49:49,910 --> 00:49:46,800

each guest is going to be one of the

1173

00:49:52,010 --> 00:49:49,920

different ghosts so um I'm not going to

1174

00:49:53,990 --> 00:49:52,020

say who they are I'll leave that as a

1175

00:49:56,390 --> 00:49:54,000

surprise but uh we've got some some nice

1176

00:49:58,130 --> 00:49:56,400

guests on and people who a lot of the

1177

00:49:59,930 --> 00:49:58,140

listeners might have heard before on the

1178

00:50:03,950 --> 00:49:59,940

show and that kind of thing and a bit of

1179

00:50:06,410 --> 00:50:03,960

a festive themed episode I love it I

1180

00:50:09,230 --> 00:50:06,420

love that concept man that's great yeah

1181

00:50:10,730 --> 00:50:09,240

and the idea is that it's like um you

1182

00:50:12,470 --> 00:50:10,740

know the person who I had is the Ghost

1183

00:50:14,990 --> 00:50:12,480

of Christmas Past is somebody who's

1184

00:50:17,990 --> 00:50:15,000

known forth kind of like having a handle

1185

00:50:20,210 --> 00:50:18,000

on the historical aspect of UAP and uh

1186

00:50:22,069 --> 00:50:20,220

the future one similar thing so yeah

1187

00:50:23,870 --> 00:50:22,079

it's it's a bit jokey but there's a lot

1188

00:50:25,849 --> 00:50:23,880

of good information about like you know

1189

00:50:27,710 --> 00:50:25,859

how things have played out over the

1190

00:50:29,569 --> 00:50:27,720

decades where we're at the moment and

1191

00:50:32,450 --> 00:50:29,579

where we could end up going so yeah

1192

00:50:33,650 --> 00:50:32,460

folks can check that out on the uh 23rd

1193

00:50:35,650 --> 00:50:33,660

I think it is couple of days before

1194

00:50:38,569 --> 00:50:35,660

Christmas

1195

00:50:42,550 --> 00:50:38,579

there you go that's a festive one for

1196

00:50:45,710 --> 00:50:42,560

you Holly he's smart isn't it

1197

00:50:47,390 --> 00:50:45,720

that's smart you've got to stop taking

1198

00:50:50,089 --> 00:50:47,400

the Mac out my accent or I'm gonna have

1199

00:50:51,770 --> 00:50:50,099

to come and kick your bum I love you

1200

00:50:53,890 --> 00:50:51,780

Holly come on man you were showing me

1201

00:50:56,510 --> 00:50:53,900

your roast early

1202

00:50:59,210 --> 00:50:56,520

Mickey's roast with this onions and

1203

00:51:01,430 --> 00:50:59,220

carrots and it was a pan of scouse DJ

1204

00:51:05,510 --> 00:51:01,440

and I've ate it all and it's all down my

1205

00:51:08,809 --> 00:51:05,520

top right now so here is it from earlier

1206

00:51:12,109 --> 00:51:10,670

we have to do an episode on on cooking I

1207

00:51:16,130 --> 00:51:12,119

think that sounds like a good thing for

1208

00:51:20,210 --> 00:51:16,140

us we'll get Vinnie absolutely alien

1209

00:51:22,370 --> 00:51:20,220

cook-off UAP kitchen right oh definitely

1210

00:51:24,290 --> 00:51:22,380

I got some Hamburger Helper for that ass

1211

00:51:27,109 --> 00:51:24,300

I think we're gonna have to compete on

1212

00:51:30,589 --> 00:51:27,119

pancakes compete on paleon Pancakes

1213

00:51:33,829 --> 00:51:30,599

there you go yeah I love that idea

1214

00:51:35,030 --> 00:51:33,839

who doesn't love pancakes right uh I

1215

00:51:36,710 --> 00:51:35,040

mean Holly what you got working on I

1216

00:51:39,530 --> 00:51:36,720

know the weird sister's been busy so

1217

00:51:41,870 --> 00:51:39,540

what's yeah we've been looking away with

1218

00:51:44,690 --> 00:51:41,880

that but for some of you may or may not

1219

00:51:46,490 --> 00:51:44,700

be aware of project Nano it's been doing

1220

00:51:49,130 --> 00:51:46,500

that was around

1221

00:51:51,230 --> 00:51:49,140

um for reasons I can't disclose at this

1222

00:51:54,770 --> 00:51:51,240

present time I can't go into too much

1223

00:51:57,589 --> 00:51:54,780

detail but needless to say 2023 we'll

1224

00:52:00,290 --> 00:51:57,599

see a global release of a platform and

1225

00:52:02,450 --> 00:52:00,300

app that helps everybody and their dogs

1226

00:52:04,609 --> 00:52:02,460

well not the dogs but every day to

1227

00:52:07,210 --> 00:52:04,619

investigate the unknown covering all

1228

00:52:10,069 --> 00:52:07,220

aspects of the phenomena from uap's

1229

00:52:12,650 --> 00:52:10,079

spirituality Things That Go Bump in the

1230

00:52:14,630 --> 00:52:12,660

night Sasquatch You Name It We will be

1231

00:52:18,230 --> 00:52:14,640

releasing something that's going to

1232

00:52:20,390 --> 00:52:18,240

change the game so yeah big things are

1233

00:52:22,970 --> 00:52:20,400

happening so go check it out but

1234

00:52:25,990 --> 00:52:22,980

unfortunately due to NDA status I can't

1235

00:52:31,370 --> 00:52:28,670

there's like gym Sammy van like I can't

1236

00:52:33,470 --> 00:52:31,380

tell you nothing man I'm can't but it's

1237

00:52:35,210 --> 00:52:33,480

going to be Mega and it's going to

1238

00:52:38,270 --> 00:52:35,220

change the game and it's going to give

1239

00:52:40,250 --> 00:52:38,280

people these options and tools and the

1240

00:52:42,589 --> 00:52:40,260

ability to share their stories share

1241

00:52:45,349 --> 00:52:42,599

their experiences share their locations

1242

00:52:46,910 --> 00:52:45,359

create community and then loads of other

1243

00:52:49,010 --> 00:52:46,920

things I can't talk about because I'll

1244

00:52:51,589 --> 00:52:49,020

get get mad chopped off so yeah follow

1245

00:52:53,210 --> 00:52:51,599

me can you just throw them before we go

1246

00:52:56,150 --> 00:52:53,220

to Benji can you throw in I can't be

1247

00:52:58,130 --> 00:52:56,160

asked can't be asked all right thank you

1248

00:53:00,250 --> 00:52:58,140

me I'm gonna voice note you that all

1249

00:53:03,589 --> 00:53:00,260

night long

1250

00:53:05,809 --> 00:53:03,599

Benji how you doing man I'm good I'm

1251
00:53:07,670 --> 00:53:05,819
just happy to be here guys thank you for

1252
00:53:10,250 --> 00:53:07,680
inviting me here yeah great to have you

1253
00:53:11,750 --> 00:53:10,260
with us uh Benji you I you like the

1254
00:53:13,849 --> 00:53:11,760
earlier question we were talking about

1255
00:53:15,829 --> 00:53:13,859
the uh you know the seventh observable

1256
00:53:17,329 --> 00:53:15,839
uaps being everywhere all at once I feel

1257
00:53:19,069 --> 00:53:17,339
like you do that you're everywhere all

1258
00:53:21,109 --> 00:53:19,079
at once how do you keep up with all the

1259
00:53:22,309 --> 00:53:21,119
stuff in New York a tireless promoter

1260
00:53:23,990 --> 00:53:22,319
and we really can't thank you enough for

1261
00:53:26,329 --> 00:53:24,000
that good question man I get tired of

1262
00:53:28,190 --> 00:53:26,339
looking into this stuff sometimes but

1263
00:53:30,589 --> 00:53:28,200

you know what it's one it's a community

1264

00:53:32,990 --> 00:53:30,599

I you know you guys definitely keep me

1265

00:53:35,690 --> 00:53:33,000

on my toes with everything

1266

00:53:37,130 --> 00:53:35,700

um second of all still all the while

1267

00:53:39,410 --> 00:53:37,140

trying to figure out

1268

00:53:40,849 --> 00:53:39,420

you know just like my experiences and

1269

00:53:43,069 --> 00:53:40,859

things that I've seen and like just

1270

00:53:44,809 --> 00:53:43,079

trying to make sense of that and then

1271

00:53:47,270 --> 00:53:44,819

also keeping up with everything that's

1272

00:53:49,190 --> 00:53:47,280

going on hitting a couple roadblocks

1273

00:53:51,829 --> 00:53:49,200

right now with some things I'm trying to

1274

00:53:52,190 --> 00:53:51,839

foia involving the Virginia case

1275

00:53:53,329 --> 00:53:52,200

um

1276

00:53:56,569 --> 00:53:53,339

[Music]

1277

00:53:58,609 --> 00:53:56,579

but I don't know dude I just I try to

1278

00:54:00,290 --> 00:53:58,619

keep up as much as I can

1279

00:54:02,990 --> 00:54:00,300

I love it and I mean you really got me

1280

00:54:04,790 --> 00:54:03,000

intrigued now with that foia uh a little

1281

00:54:07,069 --> 00:54:04,800

bit you just mentioned there so did that

1282

00:54:08,569 --> 00:54:07,079

come out of that recent uh autopsy kind

1283

00:54:09,829 --> 00:54:08,579

of forensic thing or what what are you

1284

00:54:11,809 --> 00:54:09,839

looking into there I'm trying to find

1285

00:54:14,270 --> 00:54:11,819

flight logs I want to find more detail

1286

00:54:16,970 --> 00:54:14,280

but I'm hitting roadblocks I've been now

1287

00:54:19,250 --> 00:54:16,980

to Nara and a couple of other agencies

1288

00:54:20,809 --> 00:54:19,260

and nobody seems to have anything so

1289

00:54:22,790 --> 00:54:20,819

it's just

1290

00:54:25,609 --> 00:54:22,800

gonna submit some more appeals some

1291

00:54:27,349 --> 00:54:25,619

others keep at it you know and this

1292

00:54:29,329 --> 00:54:27,359

would be I'm assuming uh the flight

1293

00:54:31,130 --> 00:54:29,339

coming from maybe the states down into

1294

00:54:33,230 --> 00:54:31,140

Brazil and back one that landed in

1295

00:54:35,450 --> 00:54:33,240

Campinas I'm trying to find it I'm

1296

00:54:37,309 --> 00:54:35,460

trying to find it man so cool keep us

1297

00:54:39,230 --> 00:54:37,319

posted on that that's super exciting

1298

00:54:41,630 --> 00:54:39,240

yeah absolutely very cool it might be

1299

00:54:44,690 --> 00:54:41,640

black and it might have people dressed

1300

00:54:46,730 --> 00:54:44,700

and black on it here's from Yanni right

1301
00:54:50,930 --> 00:54:46,740
here love Banshee of course we all do

1302
00:54:53,690 --> 00:54:50,940
obviously yeah and here's from Lara also

1303
00:54:57,109 --> 00:54:53,700
Benji what's up my people love those

1304
00:54:59,750 --> 00:54:57,119
guys yeah and you're you're so uh loved

1305
00:55:02,270 --> 00:54:59,760
and appreciated in the community because

1306
00:55:04,250 --> 00:55:02,280
uh if you don't have a community then

1307
00:55:06,829 --> 00:55:04,260
you know it's like that's what you're

1308
00:55:09,049 --> 00:55:06,839
kind of creating uh content for is to

1309
00:55:10,670 --> 00:55:09,059
have a community of people that are

1310
00:55:12,770 --> 00:55:10,680
working towards a common goal of

1311
00:55:15,290 --> 00:55:12,780
figuring it out and what you're doing is

1312
00:55:17,870 --> 00:55:15,300
you've found something okay I can do

1313
00:55:19,430 --> 00:55:17,880

this to try to get an answer on that you

1314

00:55:22,130 --> 00:55:19,440

know I I actually worked on something

1315

00:55:24,890 --> 00:55:22,140

this week with somebody that was really

1316

00:55:28,430 --> 00:55:24,900

cool that sent me some uh imagery some

1317

00:55:32,089 --> 00:55:28,440

video and I spent uh I spent a lot of

1318

00:55:33,349 --> 00:55:32,099

time on that so hopefully uh I can speak

1319

00:55:36,530 --> 00:55:33,359

with her and find out what the results

1320

00:55:38,329 --> 00:55:36,540

were so uh yeah everybody just pitching

1321

00:55:40,609 --> 00:55:38,339

in man and that and you're you're a big

1322

00:55:43,549 --> 00:55:40,619

part of it plus you let people like

1323

00:55:46,970 --> 00:55:43,559

ourselves and Frank and Holly know that

1324

00:55:49,849 --> 00:55:46,980

what we're doing is listen to and it's

1325

00:55:51,170 --> 00:55:49,859

appreciated otherwise why do it you know

1326
00:55:52,970 --> 00:55:51,180
that's the whole reason I have a social

1327
00:55:55,190 --> 00:55:52,980
media is like I don't I don't have a

1328
00:55:58,730 --> 00:55:55,200
Channel of my own I I pretty much share

1329
00:56:00,470 --> 00:55:58,740
whatever I find useful in my research

1330
00:56:02,329 --> 00:56:00,480
and like things that I look into and I

1331
00:56:04,010 --> 00:56:02,339
just keep the you know Social Media

1332
00:56:07,670 --> 00:56:04,020
stuff public so that everybody else can

1333
00:56:09,650 --> 00:56:07,680
follow like what I find and also it

1334
00:56:12,710 --> 00:56:09,660
allows people to you know find you guys

1335
00:56:14,450 --> 00:56:12,720
at the same time so to me like you said

1336
00:56:16,010 --> 00:56:14,460
DJ it's just the whole Community element

1337
00:56:18,049 --> 00:56:16,020
of it

1338
00:56:21,770 --> 00:56:18,059

you know thank you so much else I can

1339

00:56:23,270 --> 00:56:21,780

say no I I appreciate it and uh I went I

1340

00:56:24,950 --> 00:56:23,280

actually babbled a little bit too long

1341

00:56:27,890 --> 00:56:24,960

because we have to bring in the next

1342

00:56:29,990 --> 00:56:27,900

group in order to stay on schedule as

1343

00:56:31,309 --> 00:56:30,000

Hollywood probably say if she was trying

1344

00:56:32,870 --> 00:56:31,319

to be really posh

1345

00:56:35,630 --> 00:56:32,880

so

1346

00:56:38,569 --> 00:56:35,640

here we go yes

1347

00:56:40,430 --> 00:56:38,579

thank you so much uh Frank Jones uh I

1348

00:56:42,829 --> 00:56:40,440

look forward to speaking with you and

1349

00:56:44,690 --> 00:56:42,839

having more long-form convo that we

1350

00:56:47,150 --> 00:56:44,700

haven't had Holly you're probably sick

1351

00:56:49,250 --> 00:56:47,160

of having long form convo with me and

1352

00:56:52,370 --> 00:56:49,260

Benji I hope to speak to you anytime you

1353

00:56:54,589 --> 00:56:52,380

want I got my number always man Namaste

1354

00:56:56,450 --> 00:56:54,599

appreciate you guys thanks for coming

1355

00:57:00,770 --> 00:56:56,460

thanks guys thanks a lot it's been a

1356

00:57:05,030 --> 00:57:02,329

all right we got more in the coming in

1357

00:57:07,010 --> 00:57:05,040

so stand by everybody bringing people on

1358

00:57:11,510 --> 00:57:07,020

welcome John

1359

00:57:14,990 --> 00:57:11,520

Priscilla Kelly Jay yeah

1360

00:57:18,589 --> 00:57:15,000

yeah party people put those hands

1361

00:57:23,089 --> 00:57:21,130

this is John Ramirez

1362

00:57:26,329 --> 00:57:23,099

what's up John

1363

00:57:29,270 --> 00:57:26,339

hey John hi yes

1364

00:57:32,510 --> 00:57:29,280

and after that I'll tell you what in the

1365

00:57:35,270 --> 00:57:32,520

center square that used to be piloted by

1366

00:57:37,910 --> 00:57:35,280

Paul Lind on the Hollywood Squares put

1367

00:57:41,510 --> 00:57:37,920

your hands together for Priscilla the

1368

00:57:45,849 --> 00:57:43,970

everybody that knows or loves her and if

1369

00:57:49,930 --> 00:57:45,859

you don't know her you want to

1370

00:57:52,910 --> 00:57:49,940

uh next next up in the joint

1371

00:57:55,010 --> 00:57:52,920

co-conspirator on perturbations and the

1372

00:57:58,790 --> 00:57:55,020

host of the UFO rabbit hole and guess

1373

00:58:01,069 --> 00:57:58,800

what she's a published author Holmes how

1374

00:58:03,300 --> 00:58:01,079

you like that put your hands together

1375

00:58:04,690 --> 00:58:03,310

for Kelly chase

1376

00:58:07,609 --> 00:58:04,700

[Applause]

1377

00:58:09,170 --> 00:58:07,619

the intro before and that was the best

1378

00:58:10,510 --> 00:58:09,180

Christmas gift I could have asked for so

1379

00:58:13,069 --> 00:58:10,520

thank you

1380

00:58:16,069 --> 00:58:13,079

I didn't get to speak to you very much

1381

00:58:17,450 --> 00:58:16,079

uh at the at the Symposium and much to

1382

00:58:19,910 --> 00:58:17,460

my chagrin I hope I have that

1383

00:58:22,010 --> 00:58:19,920

opportunity in the future oh same yeah

1384

00:58:24,109 --> 00:58:22,020

it was great to see you though yes ma'am

1385

00:58:26,390 --> 00:58:24,119

uh and speaking of

1386

00:58:28,430 --> 00:58:26,400

speaking of the Symposium they had

1387

00:58:30,530 --> 00:58:28,440

anomalous inquiry all this kind of

1388

00:58:32,690 --> 00:58:30,540

business and I have to go and read it to

1389

00:58:33,349 --> 00:58:32,700

say it but you know what I know who this

1390

00:58:36,170 --> 00:58:33,359

man

1391

00:58:38,210 --> 00:58:36,180

the tall guy in the back with the nice

1392

00:58:39,650 --> 00:58:38,220

hair the nice Blazer and the Apple

1393

00:58:42,410 --> 00:58:39,660

laptop

1394

00:58:45,349 --> 00:58:42,420

who made this joint Coke and spirited

1395

00:58:50,650 --> 00:58:45,359

with James I am doli put your hands

1396

00:58:53,510 --> 00:58:50,660

together for g c k

1397

00:58:57,109 --> 00:58:53,520

thanks guys it's wonderful to be here

1398

00:58:58,549 --> 00:58:57,119

happy holidays and happy holidays to you

1399

00:58:59,990 --> 00:58:58,559

brother hair looks good and you know

1400

00:59:02,329 --> 00:59:00,000

what it's coming together because a

1401

00:59:04,309 --> 00:59:02,339

string is moving right over there to

1402

00:59:06,910 --> 00:59:04,319

your brother with the beard looking like

1403

00:59:09,289 --> 00:59:06,920

he was just out chopping some wood

1404

00:59:12,829 --> 00:59:09,299

chip bro that's broken I'm just gonna

1405

00:59:15,770 --> 00:59:12,839

use an ax this guy's a musician he's a

1406

00:59:17,210 --> 00:59:15,780

content creator he has a great show so

1407

00:59:19,849 --> 00:59:17,220

put your what's the name of your show

1408

00:59:26,950 --> 00:59:24,069

I ain't been on there what's it called

1409

00:59:29,150 --> 00:59:26,960

UFOs plus

1410

00:59:30,349 --> 00:59:29,160

it's a new streaming service actually

1411

00:59:36,289 --> 00:59:30,359

yeah

1412

00:59:41,510 --> 00:59:38,930

can I get a witness

1413

00:59:42,349 --> 00:59:41,520

Sean Rash he's a musician too baby how

1414

00:59:45,410 --> 00:59:42,359

you like

1415

00:59:47,289 --> 00:59:45,420

that yes yeah I like how nobody clap for

1416

00:59:51,750 --> 00:59:47,299

me oh

1417

00:59:56,030 --> 00:59:53,210

[Applause]

1418

00:59:59,329 --> 00:59:56,040

yeah there we go there we go you want

1419

01:00:02,690 --> 00:59:59,339

clap so I got claps hello DJ Nathan Deb

1420

01:00:04,130 --> 01:00:02,700

Kelly Priscilla John and Jay good to see

1421

01:00:06,710 --> 01:00:04,140

you again Sean it's been a while file

1422

01:00:08,750 --> 01:00:06,720

yeah been a while good to be here thanks

1423

01:00:11,569 --> 01:00:08,760

for having me I'm looking forward to

1424

01:00:14,770 --> 01:00:11,579

whatever we're gonna do for the next 15

1425

01:00:20,089 --> 01:00:17,630

you got that right Holmes

1426

01:00:22,130 --> 01:00:20,099

um so yeah it's um happy holidays to

1427

01:00:25,490 --> 01:00:22,140

everybody whatever it is that you

1428

01:00:27,109 --> 01:00:25,500

celebrate I celebrate with you uh and uh

1429

01:00:29,690 --> 01:00:27,119

Nathan Drew up some really cool

1430

01:00:31,370 --> 01:00:29,700

questions and uh I might even get

1431

01:00:33,470 --> 01:00:31,380

throwing a question here we'll see how

1432

01:00:35,030 --> 01:00:33,480

it goes but you know with cabbies we got

1433

01:00:36,890 --> 01:00:35,040

to get up to some Ridiculousness so

1434

01:00:38,150 --> 01:00:36,900

Nathan please take it away sir all right

1435

01:00:39,170 --> 01:00:38,160

so if you've been watching the show at

1436

01:00:41,390 --> 01:00:39,180

all you know we've been doing a little

1437

01:00:42,890 --> 01:00:41,400

trivia okay so we got a couple trivia

1438

01:00:43,970 --> 01:00:42,900

questions for this group because the

1439

01:00:45,470 --> 01:00:43,980

group's a little larger I might even

1440

01:00:48,710 --> 01:00:45,480

throw a third question then we'll see

1441

01:00:51,230 --> 01:00:48,720

how it goes uh so here we go so Cavs

1442

01:00:55,609 --> 01:00:51,240

ridiculous holiday trivia all right

1443

01:00:59,270 --> 01:00:55,619

where is the UAP report is it a in J

1444

01:01:01,609 --> 01:00:59,280

Allen heinitz briefcase B buried in that

1445

01:01:04,370 --> 01:01:01,619

one hole at Skinwalker Ranch

1446

01:01:05,860 --> 01:01:04,380

see inside Ron moultrie's Trekkie

1447

01:01:07,190 --> 01:01:05,870

Collectibles display case

1448

01:01:09,349 --> 01:01:07,200

[Music]

1449

01:01:13,250 --> 01:01:09,359

the report exists but is not physical

1450

01:01:15,829 --> 01:01:13,260

and this only exists in your mind

1451

01:01:17,270 --> 01:01:15,839

right away man boom yeah John what you

1452

01:01:20,950 --> 01:01:17,280

think about this one

1453

01:01:23,270 --> 01:01:20,960

oh I think I'll go with d yeah

1454

01:01:25,609 --> 01:01:23,280

can't go wrong with that yeah you know

1455

01:01:27,829 --> 01:01:25,619

uh DJ you know in government we have

1456

01:01:29,809 --> 01:01:27,839

this term called vaporware

1457

01:01:32,150 --> 01:01:29,819

when people think about software but

1458

01:01:34,250 --> 01:01:32,160

never write it

1459

01:01:34,990 --> 01:01:34,260

it is it's vaporware so I'll go with

1460

01:01:37,789 --> 01:01:35,000

Dave

1461

01:01:39,470 --> 01:01:37,799

I love it I I don't know how many

1462

01:01:40,970 --> 01:01:39,480

contracts you've done for Vapor where

1463

01:01:44,270 --> 01:01:40,980

John hopefully they weren't for a whole

1464

01:01:49,789 --> 01:01:47,809

drills were undefined anyway

1465

01:01:51,289 --> 01:01:49,799

go ahead uh go ahead Nathan take it away

1466

01:01:52,490 --> 01:01:51,299

yeah Priscilla what do you think about

1467

01:01:53,930 --> 01:01:52,500

this one

1468

01:01:57,010 --> 01:01:53,940

um I definitely think it's inside Ron

1469

01:01:59,870 --> 01:01:57,020

moultrie's Truckee collectibles

1470

01:02:02,210 --> 01:01:59,880

yeah how big is that display case you

1471

01:02:05,030 --> 01:02:02,220

think is it I don't know man I feel like

1472

01:02:07,309 --> 01:02:05,040

he's like a secret secret like super

1473

01:02:08,870 --> 01:02:07,319

nerd like he's got a whole you have to

1474

01:02:11,210 --> 01:02:08,880

like pretend he doesn't care about all

1475

01:02:14,690 --> 01:02:11,220

this but he secretly wishes he's working

1476

01:02:16,789 --> 01:02:14,700

on a spaceship I like that I like that

1477

01:02:18,470 --> 01:02:16,799

love it uh Kelly what about you little

1478

01:02:20,510 --> 01:02:18,480

answers or did you make these up yeah

1479

01:02:22,309 --> 01:02:20,520

these are real answers I know I I have a

1480

01:02:24,410 --> 01:02:22,319

source I can't tell you who it is yeah

1481

01:02:30,130 --> 01:02:24,420

one of these is actually true one of

1482

01:02:36,049 --> 01:02:32,150

there's always one Kelly what do you

1483

01:02:38,030 --> 01:02:36,059

think I gotta go D also and I I can't

1484

01:02:39,049 --> 01:02:38,040

believe we didn't think of this what we

1485

01:02:41,510 --> 01:02:39,059

really should be doing is getting

1486

01:02:44,930 --> 01:02:41,520

together and doing like some Heist to

1487

01:02:46,309 --> 01:02:44,940

summon the report and that's our issue I

1488

01:02:48,410 --> 01:02:46,319

think that's right we can even remote

1489

01:02:50,049 --> 01:02:48,420

view it probably wow Priscilla man

1490

01:02:52,730 --> 01:02:50,059

you're on this man

1491

01:02:56,270 --> 01:02:52,740

we can do that Priscilla let's do a

1492

01:03:01,430 --> 01:02:58,910

oh man also by the way I'm trying to

1493

01:03:03,770 --> 01:03:01,440

draft Priscilla we've got a paranormal

1494

01:03:06,349 --> 01:03:03,780

investigator coming on in February and

1495

01:03:07,849 --> 01:03:06,359

I'm trying to get Priscilla to co-host

1496

01:03:10,309 --> 01:03:07,859

oh yes I forgot to message you about

1497

01:03:14,089 --> 01:03:10,319

that the answer is yes that's awesome

1498

01:03:15,349 --> 01:03:14,099

man the ghost the ghost sisters uh Mandy

1499

01:03:17,630 --> 01:03:15,359

I'm trying to remember her like Mandy

1500

01:03:19,250 --> 01:03:17,640

Cummings from the ghost sisters uh

1501
01:03:21,650 --> 01:03:19,260
former correctional officer turned

1502
01:03:23,390 --> 01:03:21,660
Paranormal Investigator and medium so

1503
01:03:25,849 --> 01:03:23,400
yeah I'm really excited about that man

1504
01:03:27,230 --> 01:03:25,859
making the magic happen I love it uh all

1505
01:03:28,370 --> 01:03:27,240
right Jay what do you think about this

1506
01:03:31,250 --> 01:03:28,380
one here

1507
01:03:34,789 --> 01:03:31,260
I um I think it's somewhere between C

1508
01:03:37,069 --> 01:03:34,799
and D I think you'd say that you know I

1509
01:03:38,750 --> 01:03:37,079
I think because you know there there was

1510
01:03:41,030 --> 01:03:38,760
that press conference the other day and

1511
01:03:43,609 --> 01:03:41,040
they were kind of they were they were

1512
01:03:45,349 --> 01:03:43,619
mentioning numbers of reports and things

1513
01:03:48,049 --> 01:03:45,359

like that which tells me that it at

1514

01:03:50,210 --> 01:03:48,059

least lives in somebody's head but they

1515

01:03:52,190 --> 01:03:50,220

were they it seemed that they were

1516

01:03:54,349 --> 01:03:52,200

probably referencing some docs there as

1517

01:03:56,270 --> 01:03:54,359

well which probably went back into Ron

1518

01:03:58,250 --> 01:03:56,280

moultrie's Trekkie Collectibles display

1519

01:04:00,349 --> 01:03:58,260

case okay so I don't I don't know if

1520

01:04:02,210 --> 01:04:00,359

that's I if we gotta go one or the other

1521

01:04:04,730 --> 01:04:02,220

I'm gonna go see

1522

01:04:09,890 --> 01:04:04,740

um but but in reality I think we're

1523

01:04:12,049 --> 01:04:09,900

looking at kind of a CD uh kind of um uh

1524

01:04:13,730 --> 01:04:12,059

kind of a situation where it's like a

1525

01:04:15,349 --> 01:04:13,740

little bit of a three-card Monty you

1526

01:04:17,510 --> 01:04:15,359

know what I mean they're trying to you

1527

01:04:19,430 --> 01:04:17,520

know what I mean like uh it's probably

1528

01:04:22,750 --> 01:04:19,440

right now it's sitting in the same place

1529

01:04:25,430 --> 01:04:22,760

that uh the intact craft is you know

1530

01:04:29,410 --> 01:04:25,440

it could even be on a CD for all we know

1531

01:04:34,010 --> 01:04:31,910

Nathan Jay along with a couple of

1532

01:04:36,349 --> 01:04:34,020

members of this panel have some let's

1533

01:04:38,150 --> 01:04:36,359

call them friends who can sort of go

1534

01:04:40,970 --> 01:04:38,160

through walls without having to like

1535

01:04:43,430 --> 01:04:40,980

open a door so if you guys could call in

1536

01:04:45,950 --> 01:04:43,440

a favor not one that's asking to grow my

1537

01:04:48,109 --> 01:04:45,960

hair back some of it did grow back after

1538

01:04:50,750 --> 01:04:48,119

the Symposium but that's another there's

1539

01:04:52,609 --> 01:04:50,760

one just one giant hair no there was

1540

01:04:54,950 --> 01:04:52,619

like about like seven or eight of them

1541

01:04:57,910 --> 01:04:54,960

actually okay but beside the point

1542

01:05:02,809 --> 01:05:00,530

but if you guys could call in a favor

1543

01:05:05,630 --> 01:05:02,819

maybe we could see if the report exists

1544

01:05:07,670 --> 01:05:05,640

in a desk so I'm asking you Priscilla

1545

01:05:09,650 --> 01:05:07,680

I'm asking you Jay King and John Ramirez

1546

01:05:12,230 --> 01:05:09,660

please talk to some of your let's call

1547

01:05:14,870 --> 01:05:12,240

them friends for for right now all right

1548

01:05:15,829 --> 01:05:14,880

sounds good yeah all right Sean I want

1549

01:05:17,210 --> 01:05:15,839

to hear from you what do you think about

1550

01:05:20,089 --> 01:05:17,220

this one

1551

01:05:23,109 --> 01:05:20,099

uh I'm gonna go with a

1552

01:05:27,829 --> 01:05:25,370

it's been there all the time this whole

1553

01:05:29,750 --> 01:05:27,839

time it's been in that briefcase yeah I

1554

01:05:32,270 --> 01:05:29,760

I mean I don't have a good explanation

1555

01:05:35,809 --> 01:05:32,280

for why I picked a

1556

01:05:49,329 --> 01:05:35,819

um they all seem pretty not realistic so

1557

01:05:54,829 --> 01:05:51,730

that's drier than vermouth come on

1558

01:05:58,670 --> 01:05:54,839

exactly which you're having way too much

1559

01:06:03,170 --> 01:06:01,430

those levels yes all right I'll write

1560

01:06:05,329 --> 01:06:03,180

into other and say it's with the Air

1561

01:06:08,329 --> 01:06:05,339

Force along with the Tic Tac data they

1562

01:06:14,030 --> 01:06:08,339

stole them oh yeah the write-in answer I

1563

01:06:19,609 --> 01:06:17,390

I mean honestly I I'm afraid like I'm

1564

01:06:22,730 --> 01:06:19,619

having this visual it's like I'm doing

1565

01:06:24,190 --> 01:06:22,740

it that it's like under a parrot cage or

1566

01:06:26,870 --> 01:06:24,200

something

1567

01:06:28,430 --> 01:06:26,880

that's how much they're valuing this but

1568

01:06:30,109 --> 01:06:28,440

you know what I think we're gonna get it

1569

01:06:31,970 --> 01:06:30,119

before the end of the year guys in an

1570

01:06:34,010 --> 01:06:31,980

optimistic note let's bring up the

1571

01:06:36,950 --> 01:06:34,020

spirit it's gonna happen that's what

1572

01:06:38,870 --> 01:06:36,960

they said I love it she's channeling Dan

1573

01:06:41,150 --> 01:06:38,880

uh she's channeling Dan zeterson right

1574

01:06:43,730 --> 01:06:41,160

now yes it's coming we're gonna get it

1575

01:06:45,470 --> 01:06:43,740

it's and we're gonna get everything all

1576

01:06:46,609 --> 01:06:45,480

right well we have another question I'm

1577

01:06:49,309 --> 01:06:46,619

just gonna go and move to the next one

1578

01:06:51,950 --> 01:06:49,319

if that's cool uh so

1579

01:06:56,870 --> 01:06:51,960

what would be your hope for the New Year

1580

01:06:58,370 --> 01:06:56,880

in 2023 so uh a disclosure be an

1581

01:07:00,970 --> 01:06:58,380

additional name change for the UAP

1582

01:07:04,309 --> 01:07:00,980

office be a buy one get one

1583

01:07:07,450 --> 01:07:04,319

interdimensional pajamas deals you can

1584

01:07:10,430 --> 01:07:07,460

get those and d uh or D piece on Earth

1585

01:07:11,270 --> 01:07:10,440

uh John what what kind of stands out for

1586

01:07:13,370 --> 01:07:11,280

you here

1587

01:07:15,829 --> 01:07:13,380

well I mean it's hard not to pick D

1588

01:07:18,589 --> 01:07:15,839

that's an aspiration I guess as long

1589

01:07:20,170 --> 01:07:18,599

it's uh peace on Earth and not pieces of

1590

01:07:22,789 --> 01:07:20,180

the earth

1591

01:07:24,589 --> 01:07:22,799

so yeah but you know I don't think

1592

01:07:27,890 --> 01:07:24,599

disclosure will happen

1593

01:07:29,690 --> 01:07:27,900

um I actually B seems um it's not

1594

01:07:32,510 --> 01:07:29,700

something I hope for but it's probably

1595

01:07:34,309 --> 01:07:32,520

likely that office has changed names so

1596

01:07:37,250 --> 01:07:34,319

many times and who knows because you

1597

01:07:39,289 --> 01:07:37,260

know that ndaa gets Rewritten every year

1598

01:07:41,450 --> 01:07:39,299

and who knows what Congress wants the

1599

01:07:43,069 --> 01:07:41,460

name change to be this time you know for

1600

01:07:44,690 --> 01:07:43,079

the next physical year so I'm going with

1601
01:07:46,970 --> 01:07:44,700
B being the most likely but

1602
01:07:48,770 --> 01:07:46,980
aspirationally I'll pick d

1603
01:07:51,170 --> 01:07:48,780
peace on Earth

1604
01:07:53,089 --> 01:07:51,180
fantastic thank you John uh Priscilla

1605
01:07:55,730 --> 01:07:53,099
what do you think about this I'm with

1606
01:07:57,289 --> 01:07:55,740
John I think that b is most likely but I

1607
01:07:59,450 --> 01:07:57,299
really hope for a BOGO on interim

1608
01:08:01,370 --> 01:07:59,460
dimensional pajamas because I hate

1609
01:08:03,529 --> 01:08:01,380
having to buy them here and there so if

1610
01:08:04,789 --> 01:08:03,539
I get one for free it'll at least make

1611
01:08:07,010 --> 01:08:04,799
me feel like I saved some money

1612
01:08:08,510 --> 01:08:07,020
traveling dimensions and sometimes you

1613
01:08:10,370 --> 01:08:08,520

don't get pajamas in the other dimension

1614

01:08:11,870 --> 01:08:10,380

which is also weird

1615

01:08:12,950 --> 01:08:11,880

and they're so comfortable that's what I

1616

01:08:14,390 --> 01:08:12,960

that's what I've heard I've never worn

1617

01:08:15,249 --> 01:08:14,400

them I don't know so that's what I'm

1618

01:08:18,590 --> 01:08:15,259

hearing

1619

01:08:20,090 --> 01:08:18,600

uh fantastic Kelly

1620

01:08:22,610 --> 01:08:20,100

I mean it feels like you should

1621

01:08:25,370 --> 01:08:22,620

definitely say peace on Earth but if I'm

1622

01:08:27,530 --> 01:08:25,380

being honest the answer in my heart is

1623

01:08:41,930 --> 01:08:27,540

that I hope that it's B and that UFO

1624

01:08:46,729 --> 01:08:44,030

love it all right Jay okay Christopher

1625

01:08:49,490 --> 01:08:46,739

which thank you well I mean I agree with

1626
01:08:50,930 --> 01:08:49,500
John that it's hard to not go with peace

1627
01:08:53,510 --> 01:08:50,940
on Earth

1628
01:08:54,410 --> 01:08:53,520
um but if I'm not gonna have peace on

1629
01:08:56,030 --> 01:08:54,420
Earth

1630
01:08:59,510 --> 01:08:56,040
I guess

1631
01:09:01,070 --> 01:08:59,520
and government disclosure is is so

1632
01:09:02,689 --> 01:09:01,080
tricky right because you never know what

1633
01:09:03,829 --> 01:09:02,699
you're really going to get there so I'm

1634
01:09:06,410 --> 01:09:03,839
going to go with interdimensional

1635
01:09:08,030 --> 01:09:06,420
Pajamas this time as well because if I'm

1636
01:09:10,430 --> 01:09:08,040
not going to get peace on Earth I want

1637
01:09:13,430 --> 01:09:10,440
to get those pajamas because astral

1638
01:09:14,450 --> 01:09:13,440

nudity is not something yep you know you

1639

01:09:17,090 --> 01:09:14,460

never know what you're going to bump

1640

01:09:21,289 --> 01:09:17,100

into on the astral plane it's true so

1641

01:09:26,450 --> 01:09:23,289

fantastic

1642

01:09:28,550 --> 01:09:26,460

all right Sean what about you

1643

01:09:29,390 --> 01:09:28,560

oh boy

1644

01:09:31,610 --> 01:09:29,400

um

1645

01:09:33,349 --> 01:09:31,620

you know first of all it's pretty funny

1646

01:09:36,169 --> 01:09:33,359

that if you're gonna go interdimensional

1647

01:09:37,430 --> 01:09:36,179

you have to do it in pajamas

1648

01:09:39,709 --> 01:09:37,440

um

1649

01:09:42,709 --> 01:09:39,719

a change for the UAP office peace on

1650

01:09:46,030 --> 01:09:42,719

Earth disclosure I'm gonna go with the E

1651

01:09:50,510 --> 01:09:48,229

he's going from that earlier question

1652

01:09:52,249 --> 01:09:50,520

Nathan yeah well he's had he's had some

1653

01:09:55,630 --> 01:09:52,259

rough years maybe this will be like a

1654

01:09:55,640 --> 01:10:00,370

not what you want to happen with mockman

1655

01:10:05,750 --> 01:10:03,590

yeah I know I mean I'd hate my friends

1656

01:10:09,590 --> 01:10:05,760

to go interdimensional without me so

1657

01:10:11,630 --> 01:10:09,600

I'll pick c as well yeah nice I love the

1658

01:10:12,709 --> 01:10:11,640

interdimensional pajamas specifically

1659

01:10:14,930 --> 01:10:12,719

because you got to have something that's

1660

01:10:16,250 --> 01:10:14,940

you know spark arresting you know that's

1661

01:10:18,410 --> 01:10:16,260

like not going to create static

1662

01:10:19,910 --> 01:10:18,420

electricity aboard the craft and all

1663

01:10:21,950 --> 01:10:19,920

that you know with all these wave gods

1664

01:10:25,550 --> 01:10:21,960

and stuff it could get Wicked so that's

1665

01:10:27,709 --> 01:10:25,560

I like that one uh I'm fascinated to see

1666

01:10:29,510 --> 01:10:27,719

what you're gonna say to this one I'm

1667

01:10:31,990 --> 01:10:29,520

sorry guys I'm just gonna have to say

1668

01:10:35,930 --> 01:10:32,000

peace on Earth I think

1669

01:10:37,850 --> 01:10:35,940

Advanced civilization we gotta do it and

1670

01:10:39,410 --> 01:10:37,860

then maybe we'll get the disclosure and

1671

01:10:41,270 --> 01:10:39,420

they'll be comfortable coming and just

1672

01:10:44,030 --> 01:10:41,280

sitting down at the table with us peace

1673

01:10:46,370 --> 01:10:44,040

on Earth people let's do it I think Deb

1674

01:10:48,050 --> 01:10:46,380

has been abducted because the Deb I know

1675

01:10:49,970 --> 01:10:48,060

would have said disclosure disclosure

1676

01:10:52,490 --> 01:10:49,980

disclosure it's not the disclosure we

1677

01:10:56,149 --> 01:10:52,500

need it's transparency because they've

1678

01:11:00,770 --> 01:10:58,970

UFOs are real guys but not transparent

1679

01:11:02,110 --> 01:11:00,780

pajamas just transparent government

1680

01:11:04,430 --> 01:11:02,120

thank you

1681

01:11:11,410 --> 01:11:04,440

my transparent pajamas are definitely

1682

01:11:14,630 --> 01:11:13,490

we've got a few minutes left so I would

1683

01:11:16,370 --> 01:11:14,640

like to uh you know hear what

1684

01:11:18,050 --> 01:11:16,380

everybody's up to and uh and also thank

1685

01:11:19,370 --> 01:11:18,060

them for the show so Kelly I'm gonna

1686

01:11:21,050 --> 01:11:19,380

start with you so what's going on with

1687

01:11:23,810 --> 01:11:21,060

you at the end of the year and what's uh

1688

01:11:26,870 --> 01:11:23,820

what's looking ahead

1689

01:11:28,610 --> 01:11:26,880

um Lots is going on I'm trying like heck

1690

01:11:30,770 --> 01:11:28,620

to get myself to a place where I can get

1691

01:11:33,050 --> 01:11:30,780

out two episodes a month

1692

01:11:34,490 --> 01:11:33,060

so I've been doing a lot of work in the

1693

01:11:36,530 --> 01:11:34,500

background to try to make that happen

1694

01:11:38,930 --> 01:11:36,540

I've got another book coming out

1695

01:11:39,770 --> 01:11:38,940

probably in the spring

1696

01:11:42,649 --> 01:11:39,780

um

1697

01:11:43,550 --> 01:11:42,659

yeah and Nathan and I I'm very excited

1698

01:11:45,169 --> 01:11:43,560

for us to move forward with

1699

01:11:47,450 --> 01:11:45,179

perturbations I feel like it's only just

1700

01:11:49,790 --> 01:11:47,460

start gotten started but there's so many

1701
01:11:51,590 --> 01:11:49,800
interesting conversations around AI art

1702
01:11:53,950 --> 01:11:51,600
happening right now that I'm excited to

1703
01:11:56,270 --> 01:11:53,960
dive into with my dude

1704
01:11:58,970 --> 01:11:56,280
at some point the AI will host the show

1705
01:12:00,470 --> 01:11:58,980
for us I think exactly we all just

1706
01:12:03,169 --> 01:12:00,480
retire we're good

1707
01:12:05,209 --> 01:12:03,179
exactly oh fantastic Priscilla what's

1708
01:12:08,390 --> 01:12:05,219
going on with you

1709
01:12:09,890 --> 01:12:08,400
um a lot but not like anything crazy uh

1710
01:12:12,830 --> 01:12:09,900
I'm gonna start

1711
01:12:15,050 --> 01:12:12,840
stuff on audio

1712
01:12:16,010 --> 01:12:15,060
all of my YouTubes because Kelly's been

1713
01:12:17,330 --> 01:12:16,020

helping me out with that because it was

1714

01:12:19,910 --> 01:12:17,340

just overwhelming to me until she's like

1715

01:12:21,169 --> 01:12:19,920

it's not that hard settle down and uh so

1716

01:12:22,610 --> 01:12:21,179

I've got a great support group for that

1717

01:12:24,950 --> 01:12:22,620

I'm excited about that and I'm gonna

1718

01:12:26,750 --> 01:12:24,960

reformatting the show so I'm not reading

1719

01:12:28,430 --> 01:12:26,760

like three books a month only two

1720

01:12:30,350 --> 01:12:28,440

because I want to be able to enjoy the

1721

01:12:32,270 --> 01:12:30,360

book a little more um because I can read

1722

01:12:34,070 --> 01:12:32,280

them but I just feel like I want to

1723

01:12:35,510 --> 01:12:34,080

savor the book and if I'm reading three

1724

01:12:38,330 --> 01:12:35,520

or four books a month like I'm doing now

1725

01:12:40,270 --> 01:12:38,340

it's it's hard uh so that and I'm

1726

01:12:43,189 --> 01:12:40,280

finally gonna get to take my first Astro

1727

01:12:45,169 --> 01:12:43,199

class so I'm excited about that for my

1728

01:12:47,630 --> 01:12:45,179

degree that's awesome yeah so cool

1729

01:12:50,330 --> 01:12:47,640

you're doing that uh fantastic well John

1730

01:12:51,830 --> 01:12:50,340

what you've been up to lately John

1731

01:12:55,610 --> 01:12:51,840

um I'm trying to catch up on my reading

1732

01:12:58,430 --> 01:12:55,620

and the book I'm reading right now is by

1733

01:13:01,370 --> 01:12:58,440

Dr Masters which was the answer to your

1734

01:13:03,410 --> 01:13:01,380

previous question this extra tempestrial

1735

01:13:05,810 --> 01:13:03,420

model so I'm getting into this now

1736

01:13:08,630 --> 01:13:05,820

because I've heard things um

1737

01:13:10,189 --> 01:13:08,640

about this uh kind of likes from

1738

01:13:13,250 --> 01:13:10,199

semi-official

1739

01:13:15,169 --> 01:13:13,260

sources I can't reveal but you know they

1740

01:13:16,669 --> 01:13:15,179

encourage me to

1741

01:13:19,070 --> 01:13:16,679

look at this model

1742

01:13:21,830 --> 01:13:19,080

as well as interdimensional and I'm

1743

01:13:24,070 --> 01:13:21,840

calling intra-terrestrial versus Ultra

1744

01:13:27,050 --> 01:13:24,080

because I think they're like here

1745

01:13:29,209 --> 01:13:27,060

so I am trying to read this book and

1746

01:13:32,030 --> 01:13:29,219

also near term on Tuesday I'll be on

1747

01:13:34,490 --> 01:13:32,040

with Martin Willis UFO podcast

1748

01:13:36,709 --> 01:13:34,500

or podcast UFO rather because we got

1749

01:13:39,890 --> 01:13:36,719

interrupted with technical issues and so

1750

01:13:42,169 --> 01:13:39,900

we're doing a do-over on Tuesday at 7 pm

1751

01:13:44,270 --> 01:13:42,179

eastern time so that's what I'm up to

1752

01:13:46,070 --> 01:13:44,280

thank you yeah that's fantastic thanks

1753

01:13:48,290 --> 01:13:46,080

John no great book and great show please

1754

01:13:50,090 --> 01:13:48,300

say hi to Martin Forrest we see him uh

1755

01:13:51,410 --> 01:13:50,100

and Jay what's going on with you

1756

01:13:54,890 --> 01:13:51,420

oh gosh

1757

01:13:58,070 --> 01:13:54,900

um well I I basically need to like crash

1758

01:14:00,050 --> 01:13:58,080

for maybe 10 straight days

1759

01:14:01,669 --> 01:14:00,060

um I keep I trick myself into thinking

1760

01:14:02,930 --> 01:14:01,679

that like the end of the conference is

1761

01:14:04,669 --> 01:14:02,940

like the end of the conference but

1762

01:14:06,290 --> 01:14:04,679

that's not true at all because that's

1763

01:14:08,510 --> 01:14:06,300

just the beginning of the paperwork for

1764

01:14:09,649 --> 01:14:08,520

the conference so right now I'm finally

1765

01:14:11,209 --> 01:14:09,659

kind of getting

1766

01:14:13,070 --> 01:14:11,219

getting to the point where I can start

1767

01:14:15,470 --> 01:14:13,080

enjoying the holidays like with you guys

1768

01:14:18,110 --> 01:14:15,480

so I'm really enjoying that and then

1769

01:14:19,790 --> 01:14:18,120

when I've been enjoying getting back

1770

01:14:21,350 --> 01:14:19,800

into doing witness citizen with some

1771

01:14:23,030 --> 01:14:21,360

wonderful Sean

1772

01:14:24,350 --> 01:14:23,040

um that's been awesome we have our own

1773

01:14:25,790 --> 01:14:24,360

holiday party that's coming on Wednesday

1774

01:14:29,270 --> 01:14:25,800

and that's going to be

1775

01:14:31,790 --> 01:14:29,280

dope as heck and uh yeah I'm going into

1776

01:14:33,530 --> 01:14:31,800

the new year I have a little bit of time

1777

01:14:37,610 --> 01:14:33,540

to work on the experienter group before

1778

01:14:40,669 --> 01:14:37,620

getting back into uh into doing some of

1779

01:14:42,410 --> 01:14:40,679

these conferences uh in April and then I

1780

01:14:43,850 --> 01:14:42,420

think I'm already planning on going down

1781

01:14:45,530 --> 01:14:43,860

to the archives of the impossible

1782

01:14:48,050 --> 01:14:45,540

conference that's going to be happening

1783

01:14:49,550 --> 01:14:48,060

in may be the second week in May Jeff

1784

01:14:52,669 --> 01:14:49,560

hasn't announced the guess or anything

1785

01:14:56,530 --> 01:14:52,679

like that yet um but um I'm already I'm

1786

01:14:59,030 --> 01:14:56,540

I'm blowing a secret right here

1787

01:15:01,790 --> 01:14:59,040

make sure you pack your interdimensional

1788

01:15:02,649 --> 01:15:01,800

pajamas when you take that trip oh my

1789

01:15:05,270 --> 01:15:02,659

gosh

1790

01:15:06,770 --> 01:15:05,280

The Impossible that's right I wouldn't

1791

01:15:08,870 --> 01:15:06,780

want to I wouldn't want to run into Jeff

1792

01:15:11,689 --> 01:15:08,880

[h__h] on the astral plane

1793

01:15:14,270 --> 01:15:11,699

um without without covering like in a

1794

01:15:16,610 --> 01:15:14,280

loin cloth or something yeah that would

1795

01:15:19,970 --> 01:15:16,620

be so embarrassing or like a fig leaf or

1796

01:15:21,830 --> 01:15:19,980

whatever else indeed you know Jeff has

1797

01:15:24,649 --> 01:15:21,840

some great like Paisley embroidered

1798

01:15:26,570 --> 01:15:24,659

pajamas you know they're very oh of

1799

01:15:27,709 --> 01:15:26,580

course oh yeah shirts are

1800

01:15:29,570 --> 01:15:27,719

interdimensional we just haven't

1801

01:15:30,250 --> 01:15:29,580

realized it yet so

1802

01:15:32,270 --> 01:15:30,260

um

1803

01:15:33,590 --> 01:15:32,280

yeah thanks

1804

01:15:34,729 --> 01:15:33,600

well Sean I want to hear what's going on

1805

01:15:36,950 --> 01:15:34,739

with you Amanda you've been starting the

1806

01:15:38,870 --> 01:15:36,960

show back up what's up uh yeah just

1807

01:15:42,770 --> 01:15:38,880

going at my own pace

1808

01:15:44,450 --> 01:15:42,780

um no I don't like do like um

1809

01:15:46,010 --> 01:15:44,460

you know I don't have any big huge

1810

01:15:49,189 --> 01:15:46,020

projects or anything I just kind of go

1811

01:15:53,750 --> 01:15:49,199

with the flow so to speak so uh doing

1812

01:15:59,330 --> 01:15:55,750

um semi

1813

01:16:02,510 --> 01:15:59,340

semi-tuff uh piece together uh on the

1814

01:16:05,390 --> 01:16:02,520

YouTube channel recently called uh on a

1815

01:16:07,910 --> 01:16:05,400

collision course where I cover five

1816

01:16:10,370 --> 01:16:07,920

pilot UAP encounters where they were on

1817

01:16:12,770 --> 01:16:10,380

a Collegiate course with it so I go

1818

01:16:14,450 --> 01:16:12,780

through five different accounts and I

1819

01:16:15,890 --> 01:16:14,460

put that together today which is pretty

1820

01:16:18,290 --> 01:16:15,900

good they're just brief accounts so I

1821

01:16:21,830 --> 01:16:18,300

don't go into extreme detail but

1822

01:16:23,510 --> 01:16:21,840

um I cover one from the 40s 50s 60s and

1823

01:16:25,130 --> 01:16:23,520

70s so

1824

01:16:26,870 --> 01:16:25,140

um covers the course of a few decades

1825

01:16:30,530 --> 01:16:26,880

but I just thought it'd be interesting

1826

01:16:33,050 --> 01:16:30,540

to focus in on actual like harrowing

1827

01:16:34,370 --> 01:16:33,060

encounters where these Pilots actually

1828

01:16:36,410 --> 01:16:34,380

thought they were going to crash with

1829

01:16:38,090 --> 01:16:36,420

the UAP you know I don't know about you

1830

01:16:40,729 --> 01:16:38,100

but I can never picture myself actually

1831

01:16:44,510 --> 01:16:40,739

flying a plane let alone being on a

1832

01:16:47,570 --> 01:16:44,520

collision course with a UFO so

1833

01:16:49,610 --> 01:16:47,580

um you know those are pretty

1834

01:16:52,250 --> 01:16:49,620

pretty intimate

1835

01:16:55,070 --> 01:16:52,260

um encounters that llos Pilots had so I

1836

01:16:56,510 --> 01:16:55,080

tried to do that real quick and you know

1837

01:16:59,450 --> 01:16:56,520

maybe having some guests in the future

1838

01:17:03,649 --> 01:16:59,460

doing stuff like that but uh mostly just

1839

01:17:05,689 --> 01:17:03,659

trying to stay happy and keep afloat I

1840

01:17:07,010 --> 01:17:05,699

love it well that's so exciting and I

1841

01:17:08,270 --> 01:17:07,020

appreciate the work that you do I

1842

01:17:10,850 --> 01:17:08,280

appreciate the work that all of you guys

1843

01:17:12,169 --> 01:17:10,860

do it's just great to see uh your faces

1844

01:17:14,990 --> 01:17:12,179

great to have you with us on this show

1845

01:17:16,850 --> 01:17:15,000

thanks for cutting up with us and uh and

1846

01:17:17,990 --> 01:17:16,860

doing some trivia fun with us we look

1847

01:17:20,930 --> 01:17:18,000

forward to seeing what you guys get up

1848

01:17:22,669 --> 01:17:20,940

to in the the new year and I think it

1849

01:17:23,930 --> 01:17:22,679

will be an exciting year that's what uh

1850

01:17:27,770 --> 01:17:23,940

that's what I'm hearing that's what I'm

1851
01:17:30,550 --> 01:17:27,780
feeling so Mothman you're Mothman year

1852
01:17:36,169 --> 01:17:32,990
I was gonna say can you do a show on

1853
01:17:38,470 --> 01:17:36,179
near collisions with a large sleigh with

1854
01:17:40,790 --> 01:17:38,480
reindeer ahead of it

1855
01:17:43,189 --> 01:17:40,800
I didn't find any of those in the Blue

1856
01:17:44,870 --> 01:17:43,199
Book files unfortunately you got to keep

1857
01:17:46,790 --> 01:17:44,880
them keep we can look harder

1858
01:17:49,370 --> 01:17:46,800
um you know what uh Happy Holidays to

1859
01:17:51,290 --> 01:17:49,380
you Sean uh thank you for coming on and

1860
01:17:53,870 --> 01:17:51,300
joining us your second appearance on cab

1861
01:17:55,669 --> 01:17:53,880
not the last uh you're so much fun last

1862
01:17:57,290 --> 01:17:55,679
time with Katie we were laughing for

1863
01:17:59,450 --> 01:17:57,300

about an hour

1864

01:18:01,430 --> 01:17:59,460

um Jay Christopher King thank you so

1865

01:18:02,810 --> 01:18:01,440

much for what you're doing for the

1866

01:18:05,390 --> 01:18:02,820

community in terms of bringing together

1867

01:18:07,550 --> 01:18:05,400

all these people the fellowship there

1868

01:18:10,250 --> 01:18:07,560

was worth the price of admission and

1869

01:18:11,270 --> 01:18:10,260

then we had speakers as well so that was

1870

01:18:13,970 --> 01:18:11,280

awesome

1871

01:18:16,250 --> 01:18:13,980

um John my man what's up fam

1872

01:18:18,169 --> 01:18:16,260

thank you so much man I've told Deb I

1873

01:18:21,130 --> 01:18:18,179

missed you so I'm glad you decided to

1874

01:18:23,689 --> 01:18:21,140

join us today namaste

1875

01:18:27,410 --> 01:18:23,699

uh Priscilla I'll try not to bug you

1876

01:18:28,930 --> 01:18:27,420

that much in 2023 I really will

1877

01:18:31,970 --> 01:18:28,940

um

1878

01:18:34,130 --> 01:18:31,980

and Kelly Chase is a pleasure uh to meet

1879

01:18:35,870 --> 01:18:34,140

you ma'am all right of course it's so

1880

01:18:38,270 --> 01:18:35,880

much fun we had a blast

1881

01:18:40,010 --> 01:18:38,280

awesome thank you guys we'll see you

1882

01:18:42,890 --> 01:18:40,020

around guys good seeing everybody happy

1883

01:18:42,900 --> 01:18:46,310

see you

1884

01:18:50,090 --> 01:18:48,590

all right we got some more folks coming

1885

01:18:52,370 --> 01:18:50,100

in now yeah

1886

01:18:58,870 --> 01:18:52,380

yeah stand by

1887

01:19:07,010 --> 01:19:03,950

she is a legend in the UFO Community an

1888

01:19:09,850 --> 01:19:07,020

experiencer an investigator and a

1889

01:19:13,669 --> 01:19:09,860

straight up oh gee we're talking about

1890

01:19:15,669 --> 01:19:13,679

Linda Thompson yeah

1891

01:19:18,590 --> 01:19:15,679

thank you

1892

01:19:22,209 --> 01:19:18,600

I was trying to see Susan she's in the

1893

01:19:25,610 --> 01:19:22,219

dark there's my homie from New York

1894

01:19:27,229 --> 01:19:25,620

City to say it like Mick Jagger I'm

1895

01:19:28,610 --> 01:19:27,239

gonna have to send this to Julie again

1896

01:19:30,830 --> 01:19:28,620

because I don't know where Julie's at

1897

01:19:32,950 --> 01:19:30,840

Julie

1898

01:19:36,649 --> 01:19:32,960

oh there he is

1899

01:19:38,750 --> 01:19:36,659

oh man Susan sent me a message on

1900

01:19:40,610 --> 01:19:38,760

Twitter said she didn't have a link she

1901

01:19:43,390 --> 01:19:40,620

got it now baby because she in the

1902

01:19:45,729 --> 01:19:43,400

studio oh there's David

1903

01:19:48,350 --> 01:19:45,739

Lanier

1904

01:19:50,450 --> 01:19:48,360

Alabama's own

1905

01:19:52,970 --> 01:19:50,460

what's up little foot how's Bigfoot

1906

01:19:55,850 --> 01:19:52,980

doing Outdoors over there

1907

01:19:58,130 --> 01:19:55,860

me Bigfoot no I hope Bigfoot not

1908

01:20:01,310 --> 01:19:58,140

slapping on the house being like yo give

1909

01:20:04,370 --> 01:20:01,320

me some roast beef not not lately not

1910

01:20:07,310 --> 01:20:04,380

today good Susan fencing he hasn't come

1911

01:20:13,270 --> 01:20:07,320

over to your flat in Brooklyn has he and

1912

01:20:19,010 --> 01:20:15,890

right on Atlantic and then over to

1913

01:20:21,709 --> 01:20:19,020

Broadway I don't know oh my goodness I

1914

01:20:23,209 --> 01:20:21,719

wish all right where's Julie we got to

1915

01:20:25,850 --> 01:20:23,219

get Julie Farrell I'm gonna send this to

1916

01:20:27,649 --> 01:20:25,860

her again she has trouble

1917

01:20:30,709 --> 01:20:27,659

okay but let me let me see again because

1918

01:20:32,870 --> 01:20:30,719

she's in the chat right now

1919

01:20:36,050 --> 01:20:32,880

yeah she's in the chat so we got that

1920

01:20:38,090 --> 01:20:36,060

going for her Julie Farrell

1921

01:20:40,010 --> 01:20:38,100

all right you guys uh Talk Amongst

1922

01:20:41,510 --> 01:20:40,020

yourselves while we're waiting we can we

1923

01:20:44,330 --> 01:20:41,520

can start the next round of trivia I

1924

01:20:46,189 --> 01:20:44,340

think so please do we do that uh thanks

1925

01:20:47,630 --> 01:20:46,199

for being with us today guys thanks for

1926

01:20:49,370 --> 01:20:47,640

willing to cut up with us just a little

1927

01:20:51,290 --> 01:20:49,380

at the end of the year so we're going to

1928

01:20:55,030 --> 01:20:51,300

continue with our cabs ridiculous

1929

01:21:00,470 --> 01:20:55,040

holiday trivia and this question is

1930

01:21:05,750 --> 01:21:00,480

where is element 115 likely stored is it

1931

01:21:09,770 --> 01:21:05,760

a Area 51 B Bob Lazar's lab C George

1932

01:21:11,870 --> 01:21:09,780

Knapp's basement or D inside one of

1933

01:21:13,610 --> 01:21:11,880

those hard plastic clamshell packages

1934

01:21:17,090 --> 01:21:13,620

which are guaranteed to cut your finger

1935

01:21:18,350 --> 01:21:17,100

when you try to open them uh Linda I'm

1936

01:21:21,169 --> 01:21:18,360

gonna go with you first what do you

1937

01:21:24,590 --> 01:21:21,179

think where is this element 115. I think

1938

01:21:26,750 --> 01:21:24,600

it's D and then C

1939

01:21:28,310 --> 01:21:26,760

exactly I love the combo that's that's

1940

01:21:29,689 --> 01:21:28,320

fantastic now you know what I'm talking

1941

01:21:32,090 --> 01:21:29,699

about with those packages right you've

1942

01:21:33,350 --> 01:21:32,100

ever yeah experienced that exactly I

1943

01:21:35,149 --> 01:21:33,360

agree

1944

01:21:36,770 --> 01:21:35,159

absolutely terrifying every time I see

1945

01:21:39,649 --> 01:21:36,780

one I don't want to open one it just

1946

01:21:41,750 --> 01:21:39,659

scares me uh fantastic answer so it's in

1947

01:21:43,990 --> 01:21:41,760

a package and it's in George nav's

1948

01:21:46,130 --> 01:21:44,000

basement yeah

1949

01:21:48,590 --> 01:21:46,140

I love that it's right next to the

1950

01:21:50,149 --> 01:21:48,600

Peabody Award yeah that's it that's it

1951

01:21:51,470 --> 01:21:50,159

uh well Susan what do you think about

1952

01:21:54,530 --> 01:21:51,480

this one

1953

01:21:57,169 --> 01:21:54,540

well I kind of I'm getting the psychic

1954

01:22:02,450 --> 01:21:57,179

impression that Bob Lazar is actually

1955

01:22:07,189 --> 01:22:04,610

what is he like in the Harrison Ford

1956

01:22:08,870 --> 01:22:07,199

that that sort of uh thing when he was

1957

01:22:10,550 --> 01:22:08,880

like in that and that's sealed up and

1958

01:22:12,410 --> 01:22:10,560

now what was that Nathan right here the

1959

01:22:15,350 --> 01:22:12,420

carbon the Carbonite the Carbonite yeah

1960

01:22:18,470 --> 01:22:15,360

yeah wow this is like a Russian nesting

1961

01:22:20,470 --> 01:22:18,480

doll of where the element 115 happens to

1962

01:22:23,030 --> 01:22:20,480

be so

1963

01:22:25,090 --> 01:22:23,040

is also in Jordan Jordan snapp's

1964

01:22:28,790 --> 01:22:25,100

basement yes either

1965

01:22:31,970 --> 01:22:28,800

storage facility in the desert what

1966

01:22:37,010 --> 01:22:31,980

it and George snap's basement May really

1967

01:22:38,630 --> 01:22:37,020

be at area 51. see it's on ah yes it's

1968

01:22:41,390 --> 01:22:38,640

coming together and that what they do is

1969

01:22:42,649 --> 01:22:41,400

they went oh Joe Rogan wants a Lazar can

1970

01:22:44,810 --> 01:22:42,659

you go ahead and defrost him we got to

1971

01:22:46,130 --> 01:22:44,820

get him out of here by this afternoon so

1972

01:22:48,830 --> 01:22:46,140

they like go ahead and hit that

1973

01:22:50,149 --> 01:22:48,840

Carbonite thing and you know yeah as

1974

01:22:53,470 --> 01:22:50,159

long as you pay the Bounty off you can

1975

01:22:56,450 --> 01:22:53,480

you can unfreeze them yeah

1976

01:22:58,130 --> 01:22:56,460

exactly exactly that's fantastic all

1977

01:23:00,290 --> 01:22:58,140

right David what what uh what speaks to

1978

01:23:03,229 --> 01:23:00,300

you here what uh I'm going with d

1979

01:23:05,570 --> 01:23:03,239

because it seems to be uh with these

1980

01:23:08,149 --> 01:23:05,580

types of things it's always like it's on

1981

01:23:10,189 --> 01:23:08,159

a laptop in a filing cabinet in a

1982

01:23:12,649 --> 01:23:10,199

basement in a bunker and we lost the key

1983

01:23:14,510 --> 01:23:12,659

yeah well it's it's I'm going with d

1984

01:23:15,709 --> 01:23:14,520

that's a great answer yeah I know for

1985

01:23:18,110 --> 01:23:15,719

sure and I mean those things are

1986

01:23:20,750 --> 01:23:18,120

practically in in pregnant impenetrable

1987

01:23:24,410 --> 01:23:20,760

and Pregnant sort of looking there yeah

1988

01:23:26,630 --> 01:23:24,420

uh very very dangerous very dangerous uh

1989

01:23:28,370 --> 01:23:26,640

just be careful you know if you get one

1990

01:23:30,470 --> 01:23:28,380

of those for Christmas time holiday time

1991

01:23:32,689 --> 01:23:30,480

just kids hey just be careful get the

1992

01:23:34,070 --> 01:23:32,699

scissors ask Mom and Dad for help you

1993

01:23:36,770 --> 01:23:34,080

don't want to get cut opening that

1994

01:23:38,630 --> 01:23:36,780

element 115. no it's very dangerous all

1995

01:23:41,990 --> 01:23:38,640

right well let's move on to the uh to

1996

01:23:43,490 --> 01:23:42,000

the next question here uh let's see okay

1997

01:23:48,770 --> 01:23:43,500

this is a good one I love this one so

1998

01:23:51,470 --> 01:23:48,780

what does woo mean all right so a I

1999

01:23:55,729 --> 01:23:51,480

don't know but I recognize it when I see

2000

01:24:00,350 --> 01:23:55,739

it B wild ornery object

2001
01:24:02,870 --> 01:24:00,360
see everything but the kitchen sink or D

2002
01:24:05,390 --> 01:24:02,880
that feeling you get when you are 12

2003
01:24:07,250 --> 01:24:05,400
tweets deep and a 30 tweet Thread about

2004
01:24:09,050 --> 01:24:07,260
consciousness

2005
01:24:13,370 --> 01:24:09,060
all right Linda what do you think what

2006
01:24:14,870 --> 01:24:13,380
uh definitely D yeah that's when you

2007
01:24:17,450 --> 01:24:14,880
feel the woo right you're kind of in

2008
01:24:19,490 --> 01:24:17,460
that moment yeah one with you

2009
01:24:21,950 --> 01:24:19,500
right you're like will get me out of

2010
01:24:25,970 --> 01:24:21,960
here yeah I'm looking for the exit on

2011
01:24:27,830 --> 01:24:25,980
that tweet thread yeah exactly I love it

2012
01:24:29,290 --> 01:24:27,840
I love it Susan what about you what do

2013
01:24:32,570 --> 01:24:29,300

you think

2014

01:24:35,270 --> 01:24:32,580

ah woo is when you hit the retweet by

2015

01:24:40,070 --> 01:24:35,280

accident and don't realize it and then

2016

01:24:43,790 --> 01:24:41,930

yeah I've been there it's dangerous you

2017

01:24:46,189 --> 01:24:43,800

got to watch that retweet yeah slippery

2018

01:24:48,229 --> 01:24:46,199

very slippery very slippery love that

2019

01:24:50,390 --> 01:24:48,239

all right David what do you think here I

2020

01:24:54,470 --> 01:24:50,400

I'm also going with d

2021

01:24:57,410 --> 01:24:54,480

uh 12 tweets deep into 23 30 tweet

2022

01:25:00,530 --> 01:24:57,420

Thread about Consciousness that that's

2023

01:25:02,030 --> 01:25:00,540

definitely woo yeah yeah anytime someone

2024

01:25:03,910 --> 01:25:02,040

asks me what it means that's where I

2025

01:25:06,229 --> 01:25:03,920

send them

2026

01:25:08,390 --> 01:25:06,239

either my tweet threads or someone

2027

01:25:09,890 --> 01:25:08,400

else's you know what are we talking

2028

01:25:11,630 --> 01:25:09,900

about here all right here's the link and

2029

01:25:13,250 --> 01:25:11,640

I just start this and then uh come back

2030

01:25:16,310 --> 01:25:13,260

to me in about 12 tweets and then we'll

2031

01:25:17,990 --> 01:25:16,320

write it yeah fantastic I see Jules

2032

01:25:19,390 --> 01:25:18,000

connecting excellent Deb what do you

2033

01:25:23,870 --> 01:25:19,400

think about this one

2034

01:25:28,550 --> 01:25:23,880

I don't know it might be some kind of

2035

01:25:33,770 --> 01:25:30,530

it could be could be refused to Be Tamed

2036

01:25:38,810 --> 01:25:36,470

I love it man jewels of the wood is in

2037

01:25:42,950 --> 01:25:38,820

this joints

2038

01:25:47,390 --> 01:25:45,169

we have been so grateful to have Jules

2039

01:25:50,390 --> 01:25:47,400

helping us with the show and keeping the

2040

01:25:52,430 --> 01:25:50,400

audience in check uh it makes a huge

2041

01:25:55,250 --> 01:25:52,440

difference and uh Julie thank you for

2042

01:25:56,510 --> 01:25:55,260

joining us today Julie did you catch

2043

01:25:58,490 --> 01:25:56,520

this question I'd love to get your

2044

01:26:02,510 --> 01:25:58,500

answer what's what sticks out for you

2045

01:26:02,520 --> 01:26:05,750

that she might be frozen

2046

01:26:10,550 --> 01:26:07,850

like surprising maybe she's

2047

01:26:12,110 --> 01:26:10,560

demonstrating in action you know it's

2048

01:26:14,350 --> 01:26:12,120

like

2049

01:26:17,270 --> 01:26:14,360

the course

2050

01:26:20,270 --> 01:26:17,280

it gives me time to change my answer to

2051
01:26:22,010 --> 01:26:20,280
everything and the kitchen sink okay so

2052
01:26:25,490 --> 01:26:22,020
the all of the above sort of situation

2053
01:26:28,189 --> 01:26:25,500
yeah and what I I am also I want to let

2054
01:26:30,590 --> 01:26:28,199
you know I am armed and ready with a

2055
01:26:32,330 --> 01:26:30,600
with a question as well oh so we've got

2056
01:26:33,709 --> 01:26:32,340
ammunition for you guys look who's in

2057
01:26:35,990 --> 01:26:33,719
The Joint yeah you've got one in the

2058
01:26:38,090 --> 01:26:36,000
chamber all right well then uh let's uh

2059
01:26:39,590 --> 01:26:38,100
let's hear from you uh DJ what what you

2060
01:26:45,080 --> 01:26:39,600
got going on there well before we do

2061
01:26:45,090 --> 01:26:52,570
[Applause]

2062
01:26:59,209 --> 01:26:56,270
sorry sorry I'm late I I had a bit of a

2063
01:27:01,550 --> 01:26:59,219

stream yard snafu but I'm here now look

2064

01:27:03,950 --> 01:27:01,560

how cool she looks man the outfit yes

2065

01:27:05,750 --> 01:27:03,960

dopadelic is there anyone here that

2066

01:27:06,910 --> 01:27:05,760

hasn't met Lampe Linda have you met

2067

01:27:10,129 --> 01:27:06,920

Lampe

2068

01:27:11,689 --> 01:27:10,139

I've seen her on shows but I have not

2069

01:27:15,350 --> 01:27:11,699

met her

2070

01:27:18,410 --> 01:27:15,360

hello and the lampy lampy Linda nice to

2071

01:27:21,169 --> 01:27:18,420

meet you she is the official cab legal

2072

01:27:23,709 --> 01:27:21,179

advisor should we get into trouble oh no

2073

01:27:25,729 --> 01:27:23,719

don't say that don't say that

2074

01:27:28,990 --> 01:27:25,739

that's where we send our mail actually

2075

01:27:34,250 --> 01:27:31,790

anyway it's pleasure to have you

2076

01:27:37,070 --> 01:27:34,260

um I've got a question

2077

01:27:39,590 --> 01:27:37,080

um and I have I man I hope that Linda

2078

01:27:41,450 --> 01:27:39,600

doesn't jump all over this but she might

2079

01:27:44,629 --> 01:27:41,460

um so let me let me see and you know

2080

01:27:46,490 --> 01:27:44,639

what if she does it I'll I'll hold it

2081

01:27:48,229 --> 01:27:46,500

until the end if you do if you do guess

2082

01:27:51,110 --> 01:27:48,239

it but let's see what we got here okay

2083

01:27:55,070 --> 01:27:51,120

so these are thought leaders of the UF

2084

01:27:57,470 --> 01:27:55,080

UAP Community PhD o Double G's as I like

2085

01:27:59,330 --> 01:27:57,480

to call them uh our esteemed friends in

2086

01:28:01,910 --> 01:27:59,340

the community that have joined us and

2087

01:28:04,669 --> 01:28:01,920

provided some very thought-provoking uh

2088

01:28:07,070 --> 01:28:04,679

topics for us to consider and expanded

2089

01:28:08,930 --> 01:28:07,080

our our thought process on what what

2090

01:28:10,669 --> 01:28:08,940

this might be which is what we're all

2091

01:28:11,570 --> 01:28:10,679

doing here essentially trying to figure

2092

01:28:14,149 --> 01:28:11,580

it out

2093

01:28:16,189 --> 01:28:14,159

so this quote is from PhD and it says no

2094

01:28:19,729 --> 01:28:16,199

matter how many years we spent in school

2095

01:28:21,649 --> 01:28:19,739

we may we may still be undereducated in

2096

01:28:24,350 --> 01:28:21,659

terms of our planetary intelligence our

2097

01:28:27,050 --> 01:28:24,360

schooling and education have led us to

2098

01:28:30,050 --> 01:28:27,060

be aware of our economic and useful

2099

01:28:31,790 --> 01:28:30,060

qualities but not those aspects of

2100

01:28:34,669 --> 01:28:31,800

awareness that simply exist

2101
01:28:36,830 --> 01:28:34,679
unconditionally we have been conditioned

2102
01:28:39,709 --> 01:28:36,840
to look outside ourselves for happiness

2103
01:28:42,770 --> 01:28:39,719
thus we have become entrained to The

2104
01:28:44,770 --> 01:28:42,780
rhythms of organizations machines and

2105
01:28:48,890 --> 01:28:44,780
beliefs rather than our natural

2106
01:28:52,510 --> 01:28:48,900
environment and its residents resonance

2107
01:28:55,729 --> 01:28:52,520
a very subtle biogenic by let's see

2108
01:28:58,910 --> 01:28:55,739
bioenergetic signals which

2109
01:29:03,530 --> 01:28:58,920
which thought-provoking uh person of in

2110
01:29:05,750 --> 01:29:04,850
well that's a tough one who do we start

2111
01:29:07,850 --> 01:29:05,760
with here

2112
01:29:10,250 --> 01:29:07,860
let's start with uh David John Lanier

2113
01:29:12,530 --> 01:29:10,260

he's uh left to right excellent

2114

01:29:14,590 --> 01:29:12,540

um that uh that sounds like something

2115

01:29:18,350 --> 01:29:14,600

Gary Nolan would say

2116

01:29:21,169 --> 01:29:18,360

that is a great guess uh because I do

2117

01:29:23,930 --> 01:29:21,179

have quotes uh uh some Gary nolanisms

2118

01:29:26,209 --> 01:29:23,940

today but but that one wasn't him uh

2119

01:29:28,070 --> 01:29:26,219

Susan fenston with what can only be

2120

01:29:29,830 --> 01:29:28,080

described as an amazing hat and very

2121

01:29:32,090 --> 01:29:29,840

complementary to you

2122

01:29:37,490 --> 01:29:32,100

thank you

2123

01:29:40,850 --> 01:29:37,500

the snow bunny is my my spirit animal

2124

01:29:42,430 --> 01:29:40,860

I I'm gonna go with John Ramirez there's

2125

01:29:46,610 --> 01:29:42,440

a little John

2126

01:29:49,010 --> 01:29:46,620

Ramirez about that that quote

2127

01:29:51,709 --> 01:29:49,020

I let you know something his philosophy

2128

01:29:54,110 --> 01:29:51,719

does align uh with that but it wasn't

2129

01:29:57,410 --> 01:29:54,120

him who made the quote but yeah John

2130

01:30:00,590 --> 01:29:57,420

Ramirez is is quite an amazing guy

2131

01:30:03,229 --> 01:30:00,600

um oh she's back but let's go to uh to

2132

01:30:06,169 --> 01:30:03,239

Linda Thompson on this one

2133

01:30:08,270 --> 01:30:06,179

sounds similar to what Eric Weinstein

2134

01:30:11,450 --> 01:30:08,280

said this weekend so I'm just going to

2135

01:30:14,570 --> 01:30:11,460

say Eric Weinstein oh another great

2136

01:30:16,189 --> 01:30:14,580

guess and another person that uh you

2137

01:30:18,890 --> 01:30:16,199

know when he speaks it's it's pretty

2138

01:30:20,570 --> 01:30:18,900

amazing uh the the the thoughts that he

2139

01:30:23,030 --> 01:30:20,580

puts into your head and the way he's

2140

01:30:25,370 --> 01:30:23,040

able to express himself uh but it's not

2141

01:30:28,729 --> 01:30:25,380

him lampy

2142

01:30:31,550 --> 01:30:28,739

uh I mean

2143

01:30:34,209 --> 01:30:31,560

somebody is guessed Vale every time it's

2144

01:30:37,669 --> 01:30:34,219

gotta be right one of these times

2145

01:30:40,129 --> 01:30:37,679

hold on hold on let me try this again uh

2146

01:30:41,870 --> 01:30:40,139

we're trying to bring in somebody here

2147

01:30:48,770 --> 01:30:41,880

uh

2148

01:30:52,189 --> 01:30:48,780

have the space so okay so yeah we have

2149

01:30:54,350 --> 01:30:52,199

another guest uh coming in

2150

01:30:55,910 --> 01:30:54,360

um so Nathan do you want to take well

2151

01:30:57,770 --> 01:30:55,920

she did she did take a guess did she get

2152

01:31:00,530 --> 01:30:57,780

it right I'm sorry what did who was it

2153

01:31:03,470 --> 01:31:00,540

uh she lampy gas Jack filet is that okay

2154

01:31:05,390 --> 01:31:03,480

it was not uh Professor valet gonna be

2155

01:31:07,129 --> 01:31:05,400

him one of these times well one of these

2156

01:31:10,070 --> 01:31:07,139

is going to be him uh this other

2157

01:31:11,750 --> 01:31:10,080

individual uh was was uh messaging me

2158

01:31:14,810 --> 01:31:11,760

for the link because I think one of the

2159

01:31:17,510 --> 01:31:14,820

links somehow it it didn't work I don't

2160

01:31:18,709 --> 01:31:17,520

own that copy and paste uh one of these

2161

01:31:20,689 --> 01:31:18,719

days we'll figure out a way to

2162

01:31:23,030 --> 01:31:20,699

universally do that

2163

01:31:25,070 --> 01:31:23,040

um but I just sent it to him and see if

2164

01:31:26,750 --> 01:31:25,080

that works can you give us another clue

2165

01:31:28,490 --> 01:31:26,760

on this one this this feels harder than

2166

01:31:32,330 --> 01:31:28,500

I think we we thought it would so and

2167

01:31:33,770 --> 01:31:32,340

it's a PhD that's uh yep and is it uh

2168

01:31:35,030 --> 01:31:33,780

are they still alive let me ask that

2169

01:31:37,310 --> 01:31:35,040

question yeah because he's still alive

2170

01:31:39,709 --> 01:31:37,320

and he speaks on the topic quite a bit

2171

01:31:41,870 --> 01:31:39,719

hey Jules

2172

01:31:44,990 --> 01:31:41,880

are you there can I can I try to throw a

2173

01:31:47,510 --> 01:31:45,000

guess in give it down for it I think

2174

01:31:50,390 --> 01:31:47,520

that sounds like that to me sounds like

2175

01:31:53,270 --> 01:31:50,400

Sean Cahill and Lou Elizondo mixed

2176
01:31:57,649 --> 01:31:55,610
you know what's interesting is Nathan I

2177
01:31:59,149 --> 01:31:57,659
mean on this show has has espoused a very

2178
01:32:01,450 --> 01:31:59,159
similar opinion

2179
01:32:06,050 --> 01:32:01,460
um so a lot of people I think share this

2180
01:32:08,810 --> 01:32:06,060
uh but it's not it's not uh not him uh

2181
01:32:10,850 --> 01:32:08,820
oh Matt Matt is already here Matt let me

2182
01:32:12,950 --> 01:32:10,860
bring you back in a few minutes because

2183
01:32:15,890 --> 01:32:12,960
there's one person that's going to be

2184
01:32:18,590 --> 01:32:15,900
part of this uh that I hope he's going

2185
01:32:19,729 --> 01:32:18,600
to be able to to dial in and and then

2186
01:32:23,149 --> 01:32:19,739
we'll bring you back and thank you

2187
01:32:25,010 --> 01:32:23,159
brother let me see if he okay so uh

2188
01:32:27,649 --> 01:32:25,020

Nathan take it away for a second and let

2189

01:32:29,270 --> 01:32:27,659

me man I got this is a tough one uh so

2190

01:32:31,070 --> 01:32:29,280

we've tried belay

2191

01:32:32,930 --> 01:32:31,080

we've tried Nolan

2192

01:32:39,410 --> 01:32:32,940

we tried Weinstein

2193

01:32:43,550 --> 01:32:41,689

does that sound right DJ uh it's not no

2194

01:32:45,229 --> 01:32:43,560

okay um we already went with Dr Michael

2195

01:32:47,750 --> 01:32:45,239

Masters earlier so it can't be I'm

2196

01:32:49,729 --> 01:32:47,760

guessing you didn't go with him twice

2197

01:32:51,590 --> 01:32:49,739

uh

2198

01:32:54,050 --> 01:32:51,600

I don't think I'm familiar enough with

2199

01:32:57,250 --> 01:32:54,060

all the thought leaders outside of like

2200

01:32:59,750 --> 01:32:57,260

the core group right is this

2201

01:33:04,189 --> 01:32:59,760

PhD and who doesn't

2202

01:33:06,410 --> 01:33:04,199

it's um okay so I'm hoping that he's

2203

01:33:11,510 --> 01:33:06,420

gonna be in here in a second but it's Dr

2204

01:33:15,950 --> 01:33:13,790

that's okay like again I had to be

2205

01:33:18,110 --> 01:33:15,960

careful because if I there's certain

2206

01:33:20,510 --> 01:33:18,120

buzz you know words if I would use them

2207

01:33:22,310 --> 01:33:20,520

you'd just known exactly who it is so uh

2208

01:33:24,709 --> 01:33:22,320

he has the link and hopefully he's gonna

2209

01:33:25,910 --> 01:33:24,719

get in here I'll I'll send it to him

2210

01:33:27,709 --> 01:33:25,920

again

2211

01:33:29,810 --> 01:33:27,719

um he was just messaging me to see if he

2212

01:33:31,910 --> 01:33:29,820

could uh because I think he had the

2213

01:33:33,590 --> 01:33:31,920

wrong link so excellent cool oh there

2214

01:33:35,149 --> 01:33:33,600

that's not him that's right on this

2215

01:33:36,890 --> 01:33:35,159

group well look what we'll keep moving

2216

01:33:38,270 --> 01:33:36,900

here so David uh what you've been

2217

01:33:40,129 --> 01:33:38,280

working on at the end of the year for

2218

01:33:41,990 --> 01:33:40,139

you and uh first of all I want people to

2219

01:33:44,030 --> 01:33:42,000

know David is an excellent artist and

2220

01:33:45,770 --> 01:33:44,040

musician and I've been enjoying his

2221

01:33:48,530 --> 01:33:45,780

music a lot I'm plugging your music

2222

01:33:50,090 --> 01:33:48,540

David I really like it so uh I think

2223

01:33:51,890 --> 01:33:50,100

folks could check it out but the best

2224

01:33:53,930 --> 01:33:51,900

way to find that is like through the

2225

01:33:57,110 --> 01:33:53,940

manuk YouTube or

2226

01:33:59,870 --> 01:33:57,120

uh you can just I think I'm on all the

2227

01:34:01,850 --> 01:33:59,880

social medias I always hesitate to say

2228

01:34:03,649 --> 01:34:01,860

anything about it because you get kind

2229

01:34:06,169 --> 01:34:03,659

of sworn with people going like he's got

2230

01:34:09,050 --> 01:34:06,179

an angle he's trying to help me

2231

01:34:11,090 --> 01:34:09,060

uh but but I appreciate that it's uh I

2232

01:34:14,330 --> 01:34:11,100

think there's actually a link on my

2233

01:34:17,149 --> 01:34:14,340

Twitter page like in my bio it's a hobby

2234

01:34:19,910 --> 01:34:17,159

it's something to do but um

2235

01:34:23,090 --> 01:34:19,920

as far as UFO related stuff goes I'm

2236

01:34:25,790 --> 01:34:23,100

supposed to be on with Priscilla on her

2237

01:34:29,030 --> 01:34:25,800

show on the 21st and a handful of other

2238

01:34:32,450 --> 01:34:29,040

you know experiencers to discuss what

2239

01:34:34,550 --> 01:34:32,460

have you uh and then I actually just

2240

01:34:36,709 --> 01:34:34,560

finished working with

2241

01:34:38,810 --> 01:34:36,719

um a gosh I don't know his name he's

2242

01:34:42,709 --> 01:34:38,820

from Singapore his name is Nick and he's

2243

01:34:45,290 --> 01:34:42,719

a game designer and he made some artwork

2244

01:34:48,229 --> 01:34:45,300

um that's pretty close to the being I

2245

01:34:51,350 --> 01:34:48,239

saw the gray color in there and it's

2246

01:34:53,090 --> 01:34:51,360

it's really really close uh so I'll kind

2247

01:34:56,330 --> 01:34:53,100

of put that out there and then just keep

2248

01:34:59,629 --> 01:34:56,340

doing what I do and then in my real life

2249

01:35:00,890 --> 01:34:59,639

just work work work love it love it

2250

01:35:02,270 --> 01:35:00,900

excellent well thanks for joining us

2251
01:35:03,530 --> 01:35:02,280
today Susan what's going on in your

2252
01:35:05,629 --> 01:35:03,540
world

2253
01:35:08,090 --> 01:35:05,639
well I

2254
01:35:11,149 --> 01:35:08,100
I've got some exciting stuff coming up

2255
01:35:13,430 --> 01:35:11,159
but I can't talk about it um

2256
01:35:16,310 --> 01:35:13,440
that's the worst it's the good it's

2257
01:35:19,070 --> 01:35:16,320
great but it's it's I just can't I can't

2258
01:35:21,229 --> 01:35:19,080
even talk about it so all right well all

2259
01:35:24,709 --> 01:35:21,239
I can say is things are getting exciting

2260
01:35:27,169 --> 01:35:24,719
and keeping news to yourself is very

2261
01:35:28,850 --> 01:35:27,179
very hard but you gotta sign a contract

2262
01:35:31,189 --> 01:35:28,860
before you start

2263
01:35:33,169 --> 01:35:31,199

telling everybody but I'm I'm very

2264

01:35:35,090 --> 01:35:33,179

excited and very honored and uh

2265

01:35:37,729 --> 01:35:35,100

hopefully some some news will be rolling

2266

01:35:40,310 --> 01:35:37,739

out soon nice we will stay tuned to that

2267

01:35:41,990 --> 01:35:40,320

for sure very exciting yeah uh thank you

2268

01:35:44,030 --> 01:35:42,000

for telling us about that so Linda

2269

01:35:46,669 --> 01:35:44,040

what's going on with you

2270

01:35:48,890 --> 01:35:46,679

okay so I'm also supposed to be on

2271

01:35:49,490 --> 01:35:48,900

several shows coming up

2272

01:35:52,790 --> 01:35:49,500

um

2273

01:35:57,229 --> 01:35:52,800

but I've been staying busy on my cases

2274

01:35:59,689 --> 01:35:57,239

and I've got some private cases I'm also

2275

01:36:02,750 --> 01:35:59,699

working on and um

2276

01:36:05,450 --> 01:36:02,760

the research and trying to get my

2277

01:36:07,970 --> 01:36:05,460

database of archives

2278

01:36:11,330 --> 01:36:07,980

a little bit straight because it's so

2279

01:36:13,669 --> 01:36:11,340

embarrassing but I keep trying to get

2280

01:36:17,689 --> 01:36:13,679

John Greenwald to tell us how he does

2281

01:36:19,189 --> 01:36:17,699

his but nope man that's well there's so

2282

01:36:21,470 --> 01:36:19,199

much content we have a lot of material

2283

01:36:22,790 --> 01:36:21,480

yeah that's fantastic

2284

01:36:25,490 --> 01:36:22,800

um well we look forward to hearing more

2285

01:36:27,530 --> 01:36:25,500

from you in 2023 uh it's been an

2286

01:36:28,729 --> 01:36:27,540

exciting year so far

2287

01:36:29,990 --> 01:36:28,739

um and I know you've been staying busy

2288

01:36:31,189 --> 01:36:30,000

so can't wait to hear more from from

2289

01:36:32,390 --> 01:36:31,199

your side

2290

01:36:33,950 --> 01:36:32,400

um and lampy I know it's been a while

2291

01:36:35,629 --> 01:36:33,960

since we've had a chance to chat so what

2292

01:36:38,030 --> 01:36:35,639

what's been going on your your neck of

2293

01:36:40,189 --> 01:36:38,040

the woods yeah like I've I've kind of

2294

01:36:41,810 --> 01:36:40,199

been off off Twitter for a while I've

2295

01:36:43,129 --> 01:36:41,820

mostly just been working

2296

01:36:46,550 --> 01:36:43,139

um doing stuff

2297

01:36:51,110 --> 01:36:46,560

um out here in the real world I am and

2298

01:36:52,729 --> 01:36:51,120

then uh I got invited by DJ to come back

2299

01:36:54,890 --> 01:36:52,739

and see all you guys and I was really

2300

01:36:56,570 --> 01:36:54,900

excited and it seems like every time it

2301

01:36:58,850 --> 01:36:56,580

seems like every time I pop back into

2302

01:37:00,709 --> 01:36:58,860

the scene that some new exciting stuff

2303

01:37:02,990 --> 01:37:00,719

has happened I am just waiting for the

2304

01:37:05,390 --> 01:37:03,000

time that I come back and

2305

01:37:08,510 --> 01:37:05,400

um the alien Embassy has been set up in

2306

01:37:11,330 --> 01:37:08,520

DC and everyone's gone home and like now

2307

01:37:13,129 --> 01:37:11,340

we're just sharing memes I love it yes

2308

01:37:15,649 --> 01:37:13,139

you're the Bellwether of things that had

2309

01:37:18,850 --> 01:37:15,659

happened so uh whenever you appear then

2310

01:37:23,750 --> 01:37:22,610

baby be absolutely well we've enjoyed

2311

01:37:25,310 --> 01:37:23,760

our time with all of you guys I'm sorry

2312

01:37:26,689 --> 01:37:25,320

it's been so short we look forward to

2313

01:37:28,310 --> 01:37:26,699

talking with you all again thanks for

2314

01:37:31,790 --> 01:37:28,320

having me really love it thanks thank

2315

01:37:34,610 --> 01:37:33,229

thank you for being our friends and

2316

01:37:35,990 --> 01:37:34,620

being so great in the community thank

2317

01:37:37,850 --> 01:37:36,000

you everybody we really appreciate

2318

01:37:42,110 --> 01:37:37,860

everything you do happy holidays

2319

01:37:47,070 --> 01:37:44,990

all right a new crew coming in here oh

2320

01:37:49,129 --> 01:37:47,080

bye

2321

01:37:52,430 --> 01:37:49,139

[Music]

2322

01:37:54,669 --> 01:37:52,440

yes I love when men make that noise when

2323

01:38:00,729 --> 01:37:54,679

I show up on the scene

2324

01:38:00,739 --> 01:38:06,910

excellent excellent yes

2325

01:38:11,810 --> 01:38:09,050

what a line up here they're just they

2326

01:38:13,250 --> 01:38:11,820

keep coming in DJ just oh I love this

2327

01:38:15,229 --> 01:38:13,260

smells like grabbing onto some

2328

01:38:16,930 --> 01:38:15,239

electrical wires how are you guys doing

2329

01:38:19,970 --> 01:38:16,940

happy Sunday

2330

01:38:22,370 --> 01:38:19,980

happy holidays doing well guys

2331

01:38:24,709 --> 01:38:22,380

yeah before we get crazy up here let's

2332

01:38:27,890 --> 01:38:24,719

say hello to the man we know is Corey

2333

01:38:32,030 --> 01:38:27,900

but on Twitter he's known as Jacques

2334

01:38:37,990 --> 01:38:32,040

Keel the prince of positivity yeah

2335

01:38:43,790 --> 01:38:40,910

it's an honor for you guys to have me on

2336

01:38:47,649 --> 01:38:43,800

thank you it is an honor for us to have

2337

01:38:52,370 --> 01:38:50,450

that's why I usually people say uh it's

2338

01:38:55,129 --> 01:38:52,380

so nice for you to see me uh everybody

2339

01:38:58,129 --> 01:38:55,139

I'm just nice for me to see you he says

2340

01:39:00,290 --> 01:38:58,139

that to me all the time in fact yeah

2341

01:39:03,050 --> 01:39:00,300

tell you what next one let me let's talk

2342

01:39:04,570 --> 01:39:03,060

about the name of her podcast Deb what's

2343

01:39:08,090 --> 01:39:04,580

the name of her podcast

2344

01:39:11,030 --> 01:39:08,100

it's the invisible night school

2345

01:39:13,550 --> 01:39:11,040

oh the invisible night school you know

2346

01:39:20,050 --> 01:39:13,560

what time it is right Corey it's prime

2347

01:39:24,550 --> 01:39:22,910

summoning Beetlejuice

2348

01:39:28,550 --> 01:39:24,560

um

2349

01:39:30,050 --> 01:39:28,560

pot smoke with a pile of books yeah I'll

2350

01:39:33,550 --> 01:39:30,060

tell you what she's like drowning books

2351

01:39:36,890 --> 01:39:33,560

I'm not like that uh

2352

01:39:40,669 --> 01:39:36,900

over one of the smartest people on UFO

2353

01:39:42,350 --> 01:39:40,679

Twitter ain't nobody doubt that man

2354

01:39:45,649 --> 01:39:42,360

um so right to her left those another

2355

01:39:47,209 --> 01:39:45,659

smart person he can Spin A Yarn and he

2356

01:39:49,370 --> 01:39:47,219

can tell you what you need to know and

2357

01:39:51,470 --> 01:39:49,380

he's cool he's teaching yoga he's

2358

01:39:54,290 --> 01:39:51,480

teaching cycling and he don't did the

2359

01:39:56,570 --> 01:39:54,300

Yorkshire cycle cross is some kind of

2360

01:39:58,550 --> 01:39:56,580

three Peak challenge I don't even want

2361

01:40:00,590 --> 01:39:58,560

to know man it's painful that's all I

2362

01:40:05,050 --> 01:40:00,600

got to say put your hands together for

2363

01:40:07,250 --> 01:40:05,060

Davey Johnston a host of shifting gears

2364

01:40:09,709 --> 01:40:07,260

thank you

2365

01:40:12,590 --> 01:40:09,719

hello everybody and uh what an absolute

2366

01:40:15,649 --> 01:40:12,600

joy to be here with friends family and

2367

01:40:17,390 --> 01:40:15,659

new acquaintances beautiful yes it is

2368

01:40:19,129 --> 01:40:17,400

man it really it's a beautiful thing my

2369

01:40:21,229 --> 01:40:19,139

fellow yoga teacher right over there

2370

01:40:23,209 --> 01:40:21,239

Davey Johnson uh at the bottom of the

2371

01:40:26,390 --> 01:40:23,219

screen is a brother that we got to meet

2372

01:40:29,209 --> 01:40:26,400

uh it was Another Blessing uh along with

2373

01:40:31,070 --> 01:40:29,219

meeting uh Corey and meeting Leah was to

2374

01:40:32,450 --> 01:40:31,080

meet this gentleman at dinner well

2375

01:40:35,149 --> 01:40:32,460

actually just before dinner we got to

2376

01:40:36,830 --> 01:40:35,159

meet him at the venue uh and he's

2377

01:40:41,990 --> 01:40:36,840

another brilliant brother and people

2378

01:40:45,470 --> 01:40:42,000

know him as Matt Monroe yeah yeah

2379

01:40:47,570 --> 01:40:45,480

hi DJ I uh had to wear some sunglasses

2380

01:40:48,890 --> 01:40:47,580

because you're always wearing them and I

2381

01:40:51,530 --> 01:40:48,900

finally got to see your eyes the other

2382

01:40:53,689 --> 01:40:51,540

day so hey this is tribute to you yeah

2383

01:40:55,189 --> 01:40:53,699

thank you brother I appreciate it man I

2384

01:40:56,689 --> 01:40:55,199

appreciate it if I looked a little

2385

01:40:59,090 --> 01:40:56,699

better I wouldn't wear them all the time

2386

01:41:00,770 --> 01:40:59,100

I almost worm at the event but I've been

2387

01:41:04,689 --> 01:41:00,780

like look at this dude man thinking he

2388

01:41:08,689 --> 01:41:04,699

all Hollywood in here but anyway uh

2389

01:41:11,810 --> 01:41:08,699

uh next to him is a brilliant content

2390

01:41:14,149 --> 01:41:11,820

creator the is it the lato files is that

2391

01:41:15,550 --> 01:41:14,159

what we called that's it later files

2392

01:41:25,370 --> 01:41:15,560

yeah

2393

01:41:28,310 --> 01:41:25,380

Force brother and F-16 pilot

2394

01:41:34,669 --> 01:41:28,320

can you put your hands together for

2395

01:41:39,169 --> 01:41:35,649

everybody

2396

01:41:41,510 --> 01:41:39,179

behind him do you see him

2397

01:41:43,070 --> 01:41:41,520

oh look who's there he showed up all

2398

01:41:45,770 --> 01:41:43,080

right we got him in here better late

2399

01:41:48,950 --> 01:41:45,780

than never uh but before we get to him

2400

01:41:51,410 --> 01:41:48,960

we're gonna get a guy who's brought his

2401

01:41:54,350 --> 01:41:51,420

Acumen his knowledge his talent and his

2402

01:41:56,390 --> 01:41:54,360

skills for business and if you want to

2403

01:41:59,330 --> 01:41:56,400

know what kind of business it's none of

2404

01:42:01,550 --> 01:41:59,340

yours but I'll tell you what this guy is

2405

01:42:03,950 --> 01:42:01,560

a very thoughtful and smart individual

2406

01:42:06,050 --> 01:42:03,960

who's moving and shaking and making some

2407

01:42:08,090 --> 01:42:06,060

things happen behind the scenes that

2408

01:42:10,250 --> 01:42:08,100

y'all don't even know put your hands

2409

01:42:12,590 --> 01:42:10,260

together for another brother we were

2410

01:42:15,770 --> 01:42:12,600

blessed to meet who set up dinner for

2411

01:42:18,950 --> 01:42:15,780

like 25 people at the Symposium Mr

2412

01:42:24,680 --> 01:42:18,960

Jordan flowers

2413

01:42:24,690 --> 01:42:32,810

[Laughter]

2414

01:42:38,270 --> 01:42:35,750

yes if so drop the phone and run faster

2415

01:42:39,950 --> 01:42:38,280

if it's the T-Rex

2416

01:42:42,410 --> 01:42:39,960

um but and somebody who might take down

2417

01:42:44,030 --> 01:42:42,420

the the T-Rex is our next guest with

2418

01:42:46,910 --> 01:42:44,040

some sort of an elephant rifle over

2419

01:42:50,270 --> 01:42:46,920

there somebody who's uh uh written and

2420

01:42:52,790 --> 01:42:50,280

spoken uh significantly about uh

2421

01:42:56,750 --> 01:42:52,800

Sasquatch about UFOs and paranormal

2422

01:42:59,270 --> 01:42:56,760

someone who we have done two Simeon Hein

2423

01:43:01,550 --> 01:42:59,280

quotes on this show so far and nobody

2424

01:43:04,129 --> 01:43:01,560

guessed him which was great so Dr Simian

2425

01:43:06,229 --> 01:43:04,139

Hi how are you brother hey how you doing

2426

01:43:09,830 --> 01:43:06,239

DJ hey guys hey man good to see you

2427

01:43:13,129 --> 01:43:09,840

again yes thanks welcome sir I'm sorry

2428

01:43:15,410 --> 01:43:13,139

there you go David there you go

2429

01:43:18,709 --> 01:43:15,420

I got mine too I got mine right here

2430

01:43:21,290 --> 01:43:18,719

nice I don't go anywhere without it dark

2431

01:43:23,510 --> 01:43:21,300

matter monsters baby I'm sorry uh I

2432

01:43:26,149 --> 01:43:23,520

failed on the sending of the link uh but

2433

01:43:28,129 --> 01:43:26,159

what I did is I I pulled some quotes and

2434

01:43:30,350 --> 01:43:28,139

I I posed them in soft people would know

2435

01:43:31,970 --> 01:43:30,360

they're from you and uh and nobody

2436

01:43:34,189 --> 01:43:31,980

guessed you so it was great because I

2437

01:43:35,810 --> 01:43:34,199

knew if I used certain keywords they

2438

01:43:37,669 --> 01:43:35,820

would know it's from you so I try to

2439

01:43:39,350 --> 01:43:37,679

stay away from that book great job I

2440

01:43:40,910 --> 01:43:39,360

loved him great thoughts

2441

01:43:42,410 --> 01:43:40,920

yeah it's great to have everybody here

2442

01:43:44,570 --> 01:43:42,420

and we have a few more trivia questions

2443

01:43:46,790 --> 01:43:44,580

if you guys are interested in playing a

2444

01:43:48,410 --> 01:43:46,800

little ridiculous trivia so uh

2445

01:43:50,510 --> 01:43:48,420

everyone's gonna get very small on the

2446

01:43:52,810 --> 01:43:50,520

screen while we put this up here so our

2447

01:43:57,050 --> 01:43:52,820

next question for the group

2448

01:44:00,830 --> 01:43:57,060

what does Eric Davis know about UFOs

2449

01:44:03,890 --> 01:44:00,840

does he know a everything B nothing C

2450

01:44:05,750 --> 01:44:03,900

something or D Eric Davis is not an

2451
01:44:07,790 --> 01:44:05,760
actual man but instead a super

2452
01:44:10,189 --> 01:44:07,800
intelligent AI Hawaiian shirt from the

2453
01:44:12,470 --> 01:44:10,199
future which happens to be draped over a

2454
01:44:14,090 --> 01:44:12,480
cybernetic human endoskeleton and it has

2455
01:44:17,350 --> 01:44:14,100
come to warn Humanity about the dangers

2456
01:44:21,950 --> 01:44:20,090
but hey uh what do we think about this

2457
01:44:23,750 --> 01:44:21,960
David Johnson what is your thought here

2458
01:44:25,970 --> 01:44:23,760
what what's the answer

2459
01:44:28,910 --> 01:44:25,980
go back and watch any video of Eric

2460
01:44:31,370 --> 01:44:28,920
Davis any question he gets asked he

2461
01:44:34,550 --> 01:44:31,380
blinks twice before every answer he's

2462
01:44:37,149 --> 01:44:34,560
clearly a cybernetic AI robot from the

2463
01:44:38,890 --> 01:44:37,159

future yeah yeah absolutely

2464

01:44:40,910 --> 01:44:38,900

absolutely

2465

01:44:43,250 --> 01:44:40,920

that's what are you saying that's what

2466

01:44:45,890 --> 01:44:43,260

the programming was is it okay blink

2467

01:44:47,930 --> 01:44:45,900

twice then respond absolutely okay yeah

2468

01:44:51,229 --> 01:44:47,940

in front of us this whole time uh

2469

01:44:52,250 --> 01:44:51,239

fantastic Leia what do you think here

2470

01:44:53,810 --> 01:44:52,260

um

2471

01:44:56,270 --> 01:44:53,820

well I'm not sure I'm supposed to talk

2472

01:44:58,729 --> 01:44:56,280

about this but I do want to say he's uh

2473

01:45:00,350 --> 01:44:58,739

he's definitely D because we were part

2474

01:45:03,970 --> 01:45:00,360

of the same Skunk Works development

2475

01:45:06,290 --> 01:45:03,980

program oh my you are your NTA is broken

2476

01:45:07,970 --> 01:45:06,300

legal representation this is crazy

2477

01:45:11,090 --> 01:45:07,980

what's going on right now yeah that's a

2478

01:45:13,450 --> 01:45:11,100

big reveal thank you wow holy cow uh

2479

01:45:16,490 --> 01:45:13,460

this is how disclosure happens

2480

01:45:18,709 --> 01:45:16,500

one day one voice at a time I love it I

2481

01:45:20,030 --> 01:45:18,719

love it uh Jacques what speaks to you

2482

01:45:21,709 --> 01:45:20,040

here what does Eric Davis know about

2483

01:45:23,689 --> 01:45:21,719

UFOs

2484

01:45:26,510 --> 01:45:23,699

um well I don't think anyone knows quite

2485

01:45:29,330 --> 01:45:26,520

everything uh he definitely doesn't know

2486

01:45:31,669 --> 01:45:29,340

nothing uh so I'm gonna go and see I

2487

01:45:34,609 --> 01:45:31,679

think that he knows quite a bit he's

2488

01:45:38,510 --> 01:45:34,619

held in Iowa bar but he also could be a

2489

01:45:40,790 --> 01:45:38,520

cybernetic human uh so C slash D that's

2490

01:45:45,109 --> 01:45:40,800

okay absolutely we can combo it up no

2491

01:45:46,790 --> 01:45:45,119

problem absolutely uh fantastic uh Matt

2492

01:45:50,209 --> 01:45:46,800

what about you

2493

01:45:53,750 --> 01:45:50,219

uh I would say I would go see something

2494

01:45:55,609 --> 01:45:53,760

because he works for uh he works for a

2495

01:46:00,470 --> 01:45:55,619

very well-known

2496

01:46:02,930 --> 01:46:00,480

um Black Ops or blue program and he's

2497

01:46:04,790 --> 01:46:02,940

he's like read the stuff by Bob forward

2498

01:46:05,510 --> 01:46:04,800

and

2499

01:46:07,850 --> 01:46:05,520

um

2500

01:46:12,229 --> 01:46:07,860

I think he if there's an outside the box

2501

01:46:14,689 --> 01:46:12,239

thinker Eric Davis is that and I think

2502

01:46:16,189 --> 01:46:14,699

he knows something but like Plato if you

2503

01:46:18,470 --> 01:46:16,199

think you know everything you don't know

2504

01:46:22,370 --> 01:46:18,480

anything

2505

01:46:26,090 --> 01:46:24,350

Monroe that's fantastic uh all right

2506

01:46:27,830 --> 01:46:26,100

Chris I know you've got some thoughts on

2507

01:46:30,350 --> 01:46:27,840

this uh What uh what speaks to you here

2508

01:46:32,750 --> 01:46:30,360

his name's been on just so many things

2509

01:46:34,250 --> 01:46:32,760

you know surprisingly

2510

01:46:37,070 --> 01:46:34,260

as well

2511

01:46:38,570 --> 01:46:37,080

I mean the safe answer is something but

2512

01:46:39,950 --> 01:46:38,580

if he doesn't know the answer by now I'm

2513

01:46:41,990 --> 01:46:39,960

gonna go with B that he doesn't know

2514

01:46:44,109 --> 01:46:42,000

anything okay yeah I like that yeah

2515

01:46:46,430 --> 01:46:44,119

that's good imagine your bets it's smart

2516

01:46:48,109 --> 01:46:46,440

uh and Jordan what about you here what

2517

01:46:50,390 --> 01:46:48,119

are you thinking

2518

01:46:52,669 --> 01:46:50,400

I I think we may be uh not giving him

2519

01:46:54,890 --> 01:46:52,679

enough credit by saying he's uh you know

2520

01:46:57,169 --> 01:46:54,900

as a human endoskeleton I think he might

2521

01:46:59,570 --> 01:46:57,179

be the T-1000 you know liquid metal poly

2522

01:47:02,930 --> 01:46:59,580

alloy so

2523

01:47:04,729 --> 01:47:02,940

that's right the AI shirt prevents the

2524

01:47:06,649 --> 01:47:04,739

pattern recognition that's that's why he

2525

01:47:11,450 --> 01:47:06,659

wears it so he can't be identified where

2526

01:47:17,209 --> 01:47:13,970

I don't know more than than we do than

2527

01:47:19,550 --> 01:47:17,219

something something is is wrong uh

2528

01:47:21,830 --> 01:47:19,560

that's what I think yeah excellent

2529

01:47:24,470 --> 01:47:21,840

answer all right Simeon

2530

01:47:28,490 --> 01:47:24,480

well I'm gonna go with C on this one

2531

01:47:30,410 --> 01:47:28,500

because Eric Davis ball lightning study

2532

01:47:33,530 --> 01:47:30,420

for that he did for the Air Force in

2533

01:47:36,470 --> 01:47:33,540

2003 was part of my research for Dark

2534

01:47:40,490 --> 01:47:36,480

Matter monsters and everything from page

2535

01:47:42,709 --> 01:47:40,500

32 to 60 of that Air Force study was

2536

01:47:46,550 --> 01:47:42,719

Whited out redacted

2537

01:47:49,430 --> 01:47:46,560

in white out and ball lightning go

2538

01:47:51,770 --> 01:47:49,440

figure wow so he must know something if

2539

01:47:53,990 --> 01:47:51,780

they're redacting half literally half of

2540

01:47:55,910 --> 01:47:54,000

his ball lightning research review of

2541

01:47:58,790 --> 01:47:55,920

the literature he must know something

2542

01:48:00,590 --> 01:47:58,800

what absolutely well yeah how could he

2543

01:48:01,609 --> 01:48:00,600

not well I hope one day we get to hear a

2544

01:48:04,010 --> 01:48:01,619

little bit about what that something

2545

01:48:06,649 --> 01:48:04,020

happens to be but until then we will

2546

01:48:08,930 --> 01:48:06,659

take the next trivia question here in

2547

01:48:11,930 --> 01:48:08,940

our ridiculous holiday trivia which

2548

01:48:14,750 --> 01:48:11,940

alien species would be voted most likely

2549

01:48:17,990 --> 01:48:14,760

to put you back in the wrong car after

2550

01:48:21,050 --> 01:48:18,000

an abduction uh would it be the nordics

2551

01:48:23,810 --> 01:48:21,060

the tall Grays The Zeta reticulins or

2552

01:48:25,090 --> 01:48:23,820

the Mantis uh Davey which what do you

2553

01:48:27,830 --> 01:48:25,100

think here

2554

01:48:31,669 --> 01:48:27,840

for Christmas last year my two young

2555

01:48:36,649 --> 01:48:34,310

we now have 44 of them

2556

01:48:39,609 --> 01:48:36,659

So my answer has to be insect toys it's

2557

01:48:41,930 --> 01:48:39,619

the mantids every time you guys yeah

2558

01:48:43,850 --> 01:48:41,940

they notoriously can't remember where to

2559

01:48:46,790 --> 01:48:43,860

put things yeah I don't know left from

2560

01:48:48,350 --> 01:48:46,800

right exactly exactly yeah Leia what do

2561

01:48:50,149 --> 01:48:48,360

you think

2562

01:48:51,890 --> 01:48:50,159

um so I'm gonna have to go with a

2563

01:48:54,530 --> 01:48:51,900

because the Nordic stroke me as a race

2564

01:48:57,050 --> 01:48:54,540

of him bows and well they may be very

2565

01:49:00,410 --> 01:48:57,060

nice to look at I don't entirely trust

2566

01:49:02,270 --> 01:49:00,420

them to place me back into my stunning

2567

01:49:08,109 --> 01:49:02,280

vehicle I'll probably wind up in some

2568

01:49:13,550 --> 01:49:11,030

ah man that's unfortunate yeah no I I

2569

01:49:15,550 --> 01:49:13,560

hear you though uh Jacques what's your

2570

01:49:18,229 --> 01:49:15,560

suspicion here yeah

2571

01:49:20,270 --> 01:49:18,239

you know I I guess I want to go with the

2572

01:49:21,709 --> 01:49:20,280

Zetas The Zeta reticulous I can't even

2573

01:49:23,450 --> 01:49:21,719

get my hair

2574

01:49:25,490 --> 01:49:23,460

um I've heard a lot I've read a lot of

2575

01:49:27,229 --> 01:49:25,500

reports of you know folks having those

2576

01:49:30,430 --> 01:49:27,239

abductions and waking up with the wrong

2577

01:49:33,890 --> 01:49:30,440

trousers on and you know uh

2578

01:49:36,490 --> 01:49:33,900

the right foot in the left shoe sounds

2579

01:49:38,810 --> 01:49:36,500

like a good weekend it's not a problem

2580

01:49:40,669 --> 01:49:38,820

they don't want to party man the Zetas

2581

01:49:41,870 --> 01:49:40,679

yeah yeah so it could just be a good

2582

01:49:44,689 --> 01:49:41,880

time they just don't let you remember

2583

01:49:47,149 --> 01:49:44,699

always hey Jacques I just want to say

2584

01:49:49,310 --> 01:49:47,159

Terry Loveless said something about it

2585

01:49:51,350 --> 01:49:49,320

was the mantids and he had the wrong

2586

01:49:53,930 --> 01:49:51,360

shoe on the wrong foot when they stuck

2587

01:49:55,729 --> 01:49:53,940

them back at the uh in his tent uh by

2588

01:49:58,609 --> 01:49:55,739

the tent in Devil's candy in there so I

2589

01:50:01,310 --> 01:49:58,619

I don't know man I mean since it's I

2590

01:50:03,350 --> 01:50:01,320

think bear serious consideration here I

2591

01:50:05,030 --> 01:50:03,360

would have to give you that lovely so

2592

01:50:06,290 --> 01:50:05,040

another Air Force veteran no that's

2593

01:50:07,790 --> 01:50:06,300

right another Air Force brother that's

2594

01:50:10,010 --> 01:50:07,800

right oh excellent guest there all right

2595

01:50:11,870 --> 01:50:10,020

Matt what do you think here I'm gonna go

2596

01:50:14,750 --> 01:50:11,880

with mantids because I don't like

2597

01:50:17,030 --> 01:50:14,760

cockroaches and I've stepped on quite a

2598

01:50:19,310 --> 01:50:17,040

few and if anybody's watched Men In

2599

01:50:22,129 --> 01:50:19,320

Black you and you see that giant

2600

01:50:24,470 --> 01:50:22,139

cockroach coming at you man yeah they

2601
01:50:29,149 --> 01:50:24,480
probably have the more car most Karma

2602
01:50:31,010 --> 01:50:29,159
points for me so yeah I would vote man

2603
01:50:33,770 --> 01:50:31,020
like definitely not putting him in the

2604
01:50:36,229 --> 01:50:33,780
same car that's sad no I could see Matt

2605
01:50:38,990 --> 01:50:36,239
like uh the the figure from Scarface the

2606
01:50:42,050 --> 01:50:39,000
Al Pacino character you little cockroach

2607
01:50:44,689 --> 01:50:42,060
I'm going to squash you yeah they never

2608
01:50:48,530 --> 01:50:44,699
forget a face that's what I've heard uh

2609
01:50:51,290 --> 01:50:48,540
uh Chris uh what about you what uh

2610
01:50:53,030 --> 01:50:51,300
I think set a Zeta reticulants you know

2611
01:50:54,530 --> 01:50:53,040
I just read planet serpo that I guess

2612
01:50:56,330 --> 01:50:54,540
they all look the same I guess as they

2613
01:50:58,010 --> 01:50:56,340

think we all look the same yeah any car

2614

01:51:00,410 --> 01:50:58,020

will do right uh what's the difference

2615

01:51:02,510 --> 01:51:00,420

yeah

2616

01:51:04,550 --> 01:51:02,520

let's upgrade can we please how about

2617

01:51:06,649 --> 01:51:04,560

that red one over there that has like

2618

01:51:09,709 --> 01:51:06,659

the little rearing horse symbol on it if

2619

01:51:13,189 --> 01:51:09,719

you wouldn't mind wanted so upgrade when

2620

01:51:14,629 --> 01:51:13,199

you return I love it all right Dr Hein

2621

01:51:17,209 --> 01:51:14,639

what would you say here

2622

01:51:19,070 --> 01:51:17,219

I'm going on B with this one tall Grace

2623

01:51:20,450 --> 01:51:19,080

because I think that it's known that the

2624

01:51:22,669 --> 01:51:20,460

tall Grays don't have a lot of

2625

01:51:24,109 --> 01:51:22,679

flexibility in their lower lumbar so

2626

01:51:26,629 --> 01:51:24,119

they can't bend over properly to

2627

01:51:28,310 --> 01:51:26,639

identify the car and because they're so

2628

01:51:31,270 --> 01:51:28,320

tall they just you know they're just

2629

01:51:35,270 --> 01:51:31,280

doing a bad job of car identification

2630

01:51:37,490 --> 01:51:35,280

that makes sense very clunky I think the

2631

01:51:38,930 --> 01:51:37,500

VIN number should be more prominent this

2632

01:51:40,370 --> 01:51:38,940

would help out because you're looking

2633

01:51:41,930 --> 01:51:40,380

through the windshield and they're not

2634

01:51:43,850 --> 01:51:41,940

able to identify that VIN number it

2635

01:51:45,970 --> 01:51:43,860

could be the glare the roofs all look

2636

01:51:48,590 --> 01:51:45,980

the same to them it's just that you know

2637

01:51:50,330 --> 01:51:48,600

uh uh all right Jordan uh what do you

2638

01:51:52,430 --> 01:51:50,340

think here

2639

01:51:53,990 --> 01:51:52,440

yeah it seems like the if the nordics

2640

01:51:59,570 --> 01:51:54,000

put you in a car at all it would

2641

01:52:04,430 --> 01:52:02,209

Fair okay I mean that's I I don't want

2642

01:52:06,590 --> 01:52:04,440

that you know but no I think I think

2643

01:52:08,330 --> 01:52:06,600

Leia Prime is actually uh probably

2644

01:52:10,550 --> 01:52:08,340

probably

2645

01:52:12,050 --> 01:52:10,560

I'm gonna pile on with her that I think

2646

01:52:13,550 --> 01:52:12,060

uh they're you know the physical

2647

01:52:15,590 --> 01:52:13,560

appearance is probably inversely

2648

01:52:19,010 --> 01:52:15,600

proportional to their trust ability so

2649

01:52:22,370 --> 01:52:19,020

yeah trustworthiness

2650

01:52:24,050 --> 01:52:22,380

I'm with you I love this Jordan doesn't

2651
01:52:25,910 --> 01:52:24,060
want to look like some family from

2652
01:52:31,490 --> 01:52:25,920
Westchester County going on like a

2653
01:52:34,850 --> 01:52:33,169
fantastic all right well guys because

2654
01:52:36,350 --> 01:52:34,860
you're our last group I actually have an

2655
01:52:38,990 --> 01:52:36,360
extra question for you all so I'm going

2656
01:52:42,169 --> 01:52:39,000
to throw this one out I got one too man

2657
01:52:43,669 --> 01:52:42,179
you want to do yours before mine no

2658
01:52:47,090 --> 01:52:43,679
okay so here's the last one in the

2659
01:52:50,450 --> 01:52:47,100
trivia that I have uh so how fast can a

2660
01:52:53,270 --> 01:52:50,460
UAP travel a Ludicrous Speed be hyper

2661
01:52:55,450 --> 01:52:53,280
speed see faster than light or D faster

2662
01:52:58,490 --> 01:52:55,460
than Grant Cameron

2663
01:53:01,970 --> 01:52:58,500

so uh Davey Johnson what would you say

2664

01:53:06,590 --> 01:53:04,330

could be Ludicrous Speed because nothing

2665

01:53:08,229 --> 01:53:06,600

absolutely nothing can go faster than

2666

01:53:11,090 --> 01:53:08,239

Grand Cameron

2667

01:53:13,250 --> 01:53:11,100

where's all without coffee

2668

01:53:15,050 --> 01:53:13,260

that guy is the most caffeinated man in

2669

01:53:17,510 --> 01:53:15,060

the world and I love him to pieces but

2670

01:53:20,930 --> 01:53:17,520

no I'm going with ludicrous speed on

2671

01:53:23,930 --> 01:53:20,940

this one yeah love it excellent Leo what

2672

01:53:25,550 --> 01:53:23,940

do you think I I was gonna say uh it

2673

01:53:26,990 --> 01:53:25,560

depends if Grant Cameron's having a good

2674

01:53:27,970 --> 01:53:27,000

day or not

2675

01:53:31,550 --> 01:53:27,980

um

2676

01:53:34,490 --> 01:53:31,560

so I'll have to go definitely D and if

2677

01:53:38,149 --> 01:53:34,500

Grant Cameron's uh all Juiced up

2678

01:53:41,330 --> 01:53:38,159

um I'll have to say probably C faster

2679

01:53:42,770 --> 01:53:41,340

than light yeah Leah if he's if he's

2680

01:53:44,990 --> 01:53:42,780

Juiced up and you have him on your show

2681

01:53:47,330 --> 01:53:45,000

like when he was on cab you might get to

2682

01:53:49,430 --> 01:53:47,340

talk for about 90 seconds out of an hour

2683

01:53:51,350 --> 01:53:49,440

show

2684

01:53:53,810 --> 01:53:51,360

drinking from a fire hose

2685

01:53:56,270 --> 01:53:53,820

that game yeah go ahead go ahead I'm

2686

01:54:02,950 --> 01:53:56,280

sorry money I know it's all good Jacques

2687

01:54:07,790 --> 01:54:05,390

all right brother

2688

01:54:08,990 --> 01:54:07,800

I'd say ludicrous speed man nothing goes

2689

01:54:10,910 --> 01:54:09,000

faster than

2690

01:54:12,950 --> 01:54:10,920

space that's fair yeah that's true

2691

01:54:13,970 --> 01:54:12,960

that's true hey and Chris I know you got

2692

01:54:16,790 --> 01:54:13,980

to bounce and really appreciate you

2693

01:54:18,709 --> 01:54:16,800

joining us uh you're a busy man lots of

2694

01:54:20,270 --> 01:54:18,719

things going on uh tell us a little

2695

01:54:22,430 --> 01:54:20,280

about what's happening with UAP Society

2696

01:54:24,950 --> 01:54:22,440

before you head out all right well we're

2697

01:54:26,930 --> 01:54:24,960

getting we just did uh Mount Wilson we

2698

01:54:28,010 --> 01:54:26,940

went to Mount Wilson ranch with uh Carl

2699

01:54:30,169 --> 01:54:28,020

vibe

2700

01:54:31,910 --> 01:54:30,179

brentstone Chris Bartel so we have a

2701
01:54:33,530 --> 01:54:31,920
mini series coming out about that and we

2702
01:54:35,810 --> 01:54:33,540
have some exciting stuff going on so

2703
01:54:37,070 --> 01:54:35,820
that's what we'll be doing we'll be out

2704
01:54:39,649 --> 01:54:37,080
we'll be talking about with Vinnie and

2705
01:54:41,570 --> 01:54:39,659
danzy Carl will be there here on UAP

2706
01:54:45,950 --> 01:54:41,580
Society so I gotta run thanks everybody

2707
01:54:49,070 --> 01:54:48,290
haven't seen you guys yeah I miss you

2708
01:54:50,689 --> 01:54:49,080
brother

2709
01:54:51,830 --> 01:54:50,699
all right so who's in the shock we're

2710
01:54:53,810 --> 01:54:51,840
back to you what would you say here

2711
01:54:56,090 --> 01:54:53,820
maybe you didn't answer this I I think

2712
01:54:58,010 --> 01:54:56,100
Grant Cameron is a force of nature uh

2713
01:55:00,590 --> 01:54:58,020

and oftentimes he is faster than the

2714

01:55:01,790 --> 01:55:00,600

speed of light I think that uaps are uh

2715

01:55:05,270 --> 01:55:01,800

faster than speed of light so I'm gonna

2716

01:55:07,129 --> 01:55:05,280

go with d great camera yeah it's so fast

2717

01:55:08,270 --> 01:55:07,139

it's so fast though I mean I don't know

2718

01:55:10,310 --> 01:55:08,280

it's

2719

01:55:12,530 --> 01:55:10,320

he does a two-hour interview in 20

2720

01:55:14,689 --> 01:55:12,540

minutes it's incredible yeah no it's

2721

01:55:19,550 --> 01:55:14,699

incredible when he finishes uh everyone

2722

01:55:25,729 --> 01:55:22,729

yeah he's that fast money Nathan humor

2723

01:55:27,890 --> 01:55:25,739

baby yeah uh Matt what what uh how fast

2724

01:55:30,830 --> 01:55:27,900

are these things

2725

01:55:33,470 --> 01:55:30,840

um I would go with C faster than light

2726

01:55:36,709 --> 01:55:33,480

because I think it's based on uh like

2727

01:55:39,229 --> 01:55:36,719

changes in spin and if you look at the

2728

01:55:42,290 --> 01:55:39,239

Einstein podoski rosenthot experiment

2729

01:55:45,530 --> 01:55:42,300

whenever you change the magnetic spin

2730

01:55:48,350 --> 01:55:45,540

States they've they've even uh detected

2731

01:55:51,410 --> 01:55:48,360

like nuclear bomb activity

2732

01:55:55,070 --> 01:55:51,420

um from the South Pole like faster than

2733

01:55:58,370 --> 01:55:55,080

light with Soviet research so I would go

2734

01:56:01,550 --> 01:55:58,380

with um like see

2735

01:56:04,550 --> 01:56:01,560

another change of the spin of our

2736

01:56:07,550 --> 01:56:04,560

what he said FTL man that's it all day

2737

01:56:09,290 --> 01:56:07,560

every day fantastic excellent uh all

2738

01:56:10,669 --> 01:56:09,300

right all right Simeon what uh how fast

2739

01:56:12,649 --> 01:56:10,679

are these UAP

2740

01:56:14,390 --> 01:56:12,659

well I'm going with d on this one and

2741

01:56:16,370 --> 01:56:14,400

that's because I was walking with Grant

2742

01:56:18,290 --> 01:56:16,380

Cameron after the citizen hearing

2743

01:56:20,750 --> 01:56:18,300

outside of the of the national Press

2744

01:56:23,149 --> 01:56:20,760

Club in 2013 in DC

2745

01:56:25,129 --> 01:56:23,159

and he he told me something related to

2746

01:56:26,750 --> 01:56:25,139

this he said he had been talking to

2747

01:56:28,550 --> 01:56:26,760

Steve bass at the conference you know

2748

01:56:30,830 --> 01:56:28,560

the event organized from the five-day

2749

01:56:33,169 --> 01:56:30,840

event organizer and Steve it's Stephen

2750

01:56:35,030 --> 01:56:33,179

had said to grant grant you got to slow

2751

01:56:37,790 --> 01:56:35,040

down you're talking to former members of

2752

01:56:40,970 --> 01:56:37,800

Congress how much do you think they can

2753

01:56:42,410 --> 01:56:40,980

absorb in a moment and then and Grandson

2754

01:56:44,450 --> 01:56:42,420

oh I think Steve's just exaggerating

2755

01:56:46,910 --> 01:56:44,460

there so that's my grand cameras being

2756

01:56:48,770 --> 01:56:46,920

story it's well known see this is a it's

2757

01:56:52,310 --> 01:56:48,780

like a standard unit is really that's

2758

01:56:54,290 --> 01:56:52,320

the thing Cameron everyone knows this uh

2759

01:56:56,810 --> 01:56:54,300

Jordan uh welcome back uh What uh what

2760

01:56:58,189 --> 01:56:56,820

answer do you have here for this

2761

01:56:59,930 --> 01:56:58,199

yeah sorry I dropped there for a second

2762

01:57:02,270 --> 01:56:59,940

uh yeah I'm gonna go with I'm gonna go

2763

01:57:04,129 --> 01:57:02,280

with d you know I think that you know uh

2764

01:57:06,050 --> 01:57:04,139

if you're talking about land speed but

2765

01:57:09,050 --> 01:57:06,060

uh you know don't underestimate grants

2766

01:57:11,390 --> 01:57:09,060

uh Grant's wit he's uh super fast and

2767

01:57:12,589 --> 01:57:11,400

really really funny so absolutely uh as

2768

01:57:15,830 --> 01:57:12,599

long as we're just talking about land

2769

01:57:17,330 --> 01:57:15,840

speed uh D yeah I love it yeah the speed

2770

01:57:19,250 --> 01:57:17,340

of thought it's uh it's hard to

2771

01:57:24,830 --> 01:57:19,260

comprehend and the speed of uh Grand

2772

01:57:28,550 --> 01:57:26,990

into Matt speak I'm feeling very Fredo

2773

01:57:32,990 --> 01:57:28,560

Corleone at the moment I'm feeling like

2774

01:57:35,270 --> 01:57:33,000

I'm smart I can do things but you can't

2775

01:57:37,729 --> 01:57:35,280

do things we love you we love you not a

2776

01:57:40,490 --> 01:57:37,739

long DJ not a fantastic Fredo reference

2777

01:57:42,350 --> 01:57:40,500

yes but anyway

2778

01:57:45,169 --> 01:57:42,360

anyway all right I have a question here

2779

01:57:47,570 --> 01:57:45,179

we've done two Simeon Hein uh questions

2780

01:57:50,450 --> 01:57:47,580

on this one uh trivia questions that

2781

01:57:52,370 --> 01:57:50,460

people did not get uh we also did a Gary

2782

01:57:55,370 --> 01:57:52,380

Nolan but let me go let me go with this

2783

01:57:58,070 --> 01:57:55,380

one uh from a uh third these are

2784

01:58:00,169 --> 01:57:58,080

basically uh people that we all consider

2785

01:58:02,330 --> 01:58:00,179

thought leaders in the UAP community

2786

01:58:05,149 --> 01:58:02,340

that that expand

2787

01:58:06,950 --> 01:58:05,159

um our thought and Dr uh the esteem Dr

2788

01:58:09,709 --> 01:58:06,960

Hein and I know I think of broccoli

2789

01:58:11,570 --> 01:58:09,719

every time I say esteemed but um the

2790

01:58:13,070 --> 01:58:11,580

esteem Dr hind is one of them that who

2791

01:58:15,410 --> 01:58:13,080

happens to be with us today thank you

2792

01:58:17,209 --> 01:58:15,420

and so this is from another PhD who

2793

01:58:20,629 --> 01:58:17,219

speaks on the topic

2794

01:58:23,209 --> 01:58:20,639

quote of course one can slice up the UFO

2795

01:58:25,910 --> 01:58:23,219

phenomenon into scientific and the

2796

01:58:30,169 --> 01:58:25,920

humanistic but one will never understand

2797

01:58:31,910 --> 01:58:30,179

it by doing so that in the end is why I

2798

01:58:35,089 --> 01:58:31,920

think the subject is so incredibly

2799

01:58:37,669 --> 01:58:35,099

important it Bears a particular power to

2800

01:58:40,370 --> 01:58:37,679

challenge or just obliterate our present

2801

01:58:44,530 --> 01:58:40,380

order of knowledge and its arbitrary

2802

01:58:48,229 --> 01:58:44,540

divisions whatever quote it is unquote

2803

01:58:52,550 --> 01:58:48,239

it simply does not behave according to

2804

01:58:58,189 --> 01:58:52,560

our rules and assumptions period

2805

01:59:00,350 --> 01:58:58,199

unquote so uh what thought leader PhD

2806

01:59:02,330 --> 01:59:00,360

that speaks a lot on this topic do you

2807

01:59:08,450 --> 01:59:02,340

guys think that is

2808

01:59:14,510 --> 01:59:11,270

that is Dr your colleague Dr jeffreypel

2809

01:59:16,250 --> 01:59:14,520

yes yes my parasocial crush I was so

2810

01:59:17,089 --> 01:59:16,260

excited to meet him a couple weeks ago

2811

01:59:19,030 --> 01:59:17,099

so

2812

01:59:21,890 --> 01:59:19,040

dude makes sense

2813

01:59:24,709 --> 01:59:21,900

it's really nice how cool would it be to

2814

01:59:27,709 --> 01:59:24,719

get in a room with with uh Dr Hein with

2815

01:59:31,990 --> 01:59:27,719

get like Gary Nolan get uh Michael

2816

01:59:35,750 --> 01:59:32,000

Masters get Dr Jeff [\h__\h] uh hey hey

2817

01:59:38,330 --> 01:59:35,760

archives too I'm in Houston we got to

2818

01:59:42,129 --> 01:59:38,340

make something happen here because the

2819

01:59:48,169 --> 01:59:44,990

yeah I do

2820

01:59:50,810 --> 01:59:48,179

and that's in May from what I hear

2821

01:59:53,750 --> 01:59:50,820

the second week in May I think Jay said

2822

01:59:56,350 --> 01:59:53,760

nice so if anybody can lend me an

2823

02:00:00,189 --> 01:59:56,360

airplane I'll happily fly over

2824

02:00:02,450 --> 02:00:00,199

and for Matt I'll take a bear

2825

02:00:04,510 --> 02:00:02,460

yeah we'll send Grant Cameron to pick

2826

02:00:06,910 --> 02:00:04,520

you up

2827

02:00:10,490 --> 02:00:06,920

don't miss them

2828

02:00:12,109 --> 02:00:10,500

all right guys oh man thank you so much

2829

02:00:13,970 --> 02:00:12,119

everybody Nathan's probably gonna ask

2830

02:00:15,229 --> 02:00:13,980

you what you're up to so let let him

2831

02:00:17,629 --> 02:00:15,239

take care of that business and then

2832

02:00:19,129 --> 02:00:17,639

we'll do our cabbie goodbyes I am and uh

2833

02:00:21,050 --> 02:00:19,139

and before I do that I just want to Echo

2834

02:00:22,910 --> 02:00:21,060

What DJ said it's uh it's been so good

2835

02:00:24,589 --> 02:00:22,920

to have you guys join us every single

2836

02:00:26,209 --> 02:00:24,599

one of y'all we'd love to talk to in

2837

02:00:28,189 --> 02:00:26,219

more detail and hope we get that chance

2838

02:00:30,410 --> 02:00:28,199

to do so uh but thanks for you know

2839

02:00:33,530 --> 02:00:30,420

cutting up with us celebrating 2022 and

2840

02:00:36,109 --> 02:00:33,540

uh looking ahead with that 2023 so with

2841

02:00:38,570 --> 02:00:36,119

that said Jacques what's going on with

2842

02:00:40,430 --> 02:00:38,580

you what's happening in your world ah I

2843

02:00:42,470 --> 02:00:40,440

you know I'm a family guy so I'm uh

2844

02:00:46,850 --> 02:00:42,480

after this go upstairs and beat my two

2845

02:00:48,950 --> 02:00:46,860

boys up uh wrestle with them and then my

2846

02:00:50,510 --> 02:00:48,960

my high school daughters uh working her

2847

02:00:52,070 --> 02:00:50,520

first job at the coffee shop and she

2848

02:00:53,990 --> 02:00:52,080

gets off at six so I'm gonna go pick her

2849

02:00:56,510 --> 02:00:54,000

up and see if we can get a free couple

2850

02:00:59,149 --> 02:00:56,520

of shots of espresso that's it

2851
02:01:01,910 --> 02:00:59,159
that sounds fantastic well don't go too

2852
02:01:03,109 --> 02:01:01,920
hard on this boys I appreciate it

2853
02:01:04,609 --> 02:01:03,119
um

2854
02:01:05,629 --> 02:01:04,619
all right Leia what's uh what's going on

2855
02:01:07,310 --> 02:01:05,639
with you I know you're just home with

2856
02:01:09,530 --> 02:01:07,320
Deb's dad a dojo and that was an

2857
02:01:11,750 --> 02:01:09,540
excellent episode uh what's happened in

2858
02:01:14,270 --> 02:01:11,760
the invisible night school yeah so um

2859
02:01:15,950 --> 02:01:14,280
actually have a bunch of stuff uh we

2860
02:01:18,709 --> 02:01:15,960
have the invisible night school uh

2861
02:01:21,050 --> 02:01:18,719
Wednesday evenings 9 p.m Eastern um it's

2862
02:01:23,149 --> 02:01:21,060
me and a panel uh I will I always

2863
02:01:25,609 --> 02:01:23,159

preface this by saying I am definitely

2864

02:01:28,970 --> 02:01:25,619

like the affirmative action Crystal Wu

2865

02:01:30,950 --> 02:01:28,980

out there psychedelic person uh amidst

2866

02:01:32,870 --> 02:01:30,960

the um Triumph root of Skeptics um

2867

02:01:34,970 --> 02:01:32,880

conversations always great

2868

02:01:37,910 --> 02:01:34,980

um I'm also leading uh an EXO Explorer

2869

02:01:39,890 --> 02:01:37,920

study group through 2023 uh shoot me a

2870

02:01:42,109 --> 02:01:39,900

DM on Twitter I'm at Leah prime or you

2871

02:01:44,450 --> 02:01:42,119

can shoot me an email Leah Prime proton

2872

02:01:45,950 --> 02:01:44,460

dot me it's free small group discussion

2873

02:01:47,689 --> 02:01:45,960

just working through some of like what

2874

02:01:50,209 --> 02:01:47,699

I'm considering the seminal texts and

2875

02:01:53,450 --> 02:01:50,219

EXO studies so always looking for people

2876
02:01:56,089 --> 02:01:53,460
to jump in for that awesome awesome if

2877
02:01:59,330 --> 02:01:56,099
only if only she were more uh succinct

2878
02:02:00,970 --> 02:01:59,340
and well and well expressed yeah you're

2879
02:02:02,990 --> 02:02:00,980
amazing man

2880
02:02:04,669 --> 02:02:03,000
no yeah it was amazing that's what I

2881
02:02:06,470 --> 02:02:04,679
mean is you're amazing to listen to but

2882
02:02:09,649 --> 02:02:06,480
party people put those hands together

2883
02:02:15,820 --> 02:02:09,659
for the co-conspirator of the anomalous

2884
02:02:20,629 --> 02:02:17,649
[Music]

2885
02:02:22,250 --> 02:02:20,639
what's up Paisan what's going on I I

2886
02:02:23,930 --> 02:02:22,260
hope I have this setup right because I'm

2887
02:02:25,010 --> 02:02:23,940
I'm not used to doing this on a stream

2888
02:02:26,510 --> 02:02:25,020

yard

2889

02:02:29,209 --> 02:02:26,520

oh you look great don't worry about it

2890

02:02:31,310 --> 02:02:29,219

no the show's over but nonetheless we're

2891

02:02:33,229 --> 02:02:31,320

very glad to have you pop in like I said

2892

02:02:35,450 --> 02:02:33,239

even if you only came in for a minute

2893

02:02:37,550 --> 02:02:35,460

we're happy to see your face hear your

2894

02:02:40,010 --> 02:02:37,560

voice and say thank you for putting

2895

02:02:41,750 --> 02:02:40,020

together uh these amazing things that

2896

02:02:44,870 --> 02:02:41,760

have basically brought you know there's

2897

02:02:47,149 --> 02:02:44,880

one two three four individuals that uh

2898

02:02:48,890 --> 02:02:47,159

excuse me one two three four five

2899

02:02:51,470 --> 02:02:48,900

individuals that are on the screen here

2900

02:02:53,870 --> 02:02:51,480

that we would not have known were it not

2901
02:02:56,149 --> 02:02:53,880
for your event so thank you very much

2902
02:02:57,770 --> 02:02:56,159
sure I'm the only one here not wearing a

2903
02:02:59,810 --> 02:02:57,780
hat or some kind of headset or something

2904
02:03:01,550 --> 02:02:59,820
cool I know but you got a nice haircut

2905
02:03:03,770 --> 02:03:01,560
though the hair looks good I was gonna I

2906
02:03:06,530 --> 02:03:03,780
was gonna say uh Corey has a beautiful

2907
02:03:09,550 --> 02:03:06,540
set of hair man ah you know that I'm

2908
02:03:12,550 --> 02:03:09,560
going for me here you know that baby

2909
02:03:15,229 --> 02:03:12,560
Cory's always looking sharp man

2910
02:03:17,510 --> 02:03:15,239
you know

2911
02:03:19,790 --> 02:03:17,520
but that's not a toupee because I look

2912
02:03:21,950 --> 02:03:19,800
okay when we were there when he was one

2913
02:03:23,930 --> 02:03:21,960

step below me I was like what

2914

02:03:26,390 --> 02:03:23,940

no that's his hair man it's real it's

2915

02:03:32,649 --> 02:03:26,400

natural baby it is no extensions nothing

2916

02:03:37,729 --> 02:03:35,209

but as we're doing our cabbie goodbyes

2917

02:03:40,189 --> 02:03:37,739

uh let's go to Dave uh Davey actually

2918

02:03:41,510 --> 02:03:40,199

what you got going on uh shifting gears

2919

02:03:43,250 --> 02:03:41,520

I don't think James is familiar with

2920

02:03:45,589 --> 02:03:43,260

Davis the first time you guys have been

2921

02:03:47,330 --> 02:03:45,599

on screen together yeah we've we've

2922

02:03:49,010 --> 02:03:47,340

exchanged a few DMS in the past but it's

2923

02:03:52,609 --> 02:03:49,020

the first time we've actually met so uh

2924

02:03:54,950 --> 02:03:52,619

super treat for me hi James so yeah next

2925

02:03:57,589 --> 02:03:54,960

year um I'm gonna be doing more shift

2926
02:03:59,270 --> 02:03:57,599
engaged podcasts looking at talking to

2927
02:04:02,510 --> 02:03:59,280
people who have had transformative

2928
02:04:04,729 --> 02:04:02,520
experiences just like myself so um yeah

2929
02:04:07,010 --> 02:04:04,739
check it out when it comes out and

2930
02:04:09,410 --> 02:04:07,020
there's another podcast on the heart

2931
02:04:11,810 --> 02:04:09,420
it's just beyond the Horizon right we

2932
02:04:13,910 --> 02:04:11,820
can't see it yet the Mast hasn't come up

2933
02:04:15,950 --> 02:04:13,920
no we're working on that one as well

2934
02:04:17,330 --> 02:04:15,960
which is myself and uh and the gentleman

2935
02:04:19,790 --> 02:04:17,340
by the name of Ash

2936
02:04:21,050 --> 02:04:19,800
so uh yeah keep your eyes peeled for

2937
02:04:24,410 --> 02:04:21,060
that one because that one's going to be

2938
02:04:28,189 --> 02:04:24,420

deep woo I love it

2939

02:04:30,229 --> 02:04:28,199

dig it man UK UAP Ash let's move down to

2940

02:04:34,189 --> 02:04:30,239

uh Mr Monroe

2941

02:04:38,089 --> 02:04:34,199

yeah uh I'm going to be helping out with

2942

02:04:39,350 --> 02:04:38,099

uh the research for um the UAP medical

2943

02:04:42,530 --> 02:04:39,360

coalition

2944

02:04:46,070 --> 02:04:42,540

and as part of their research team and

2945

02:04:48,890 --> 02:04:46,080

I'm Gonna Keep uh shining a light behind

2946

02:04:52,129 --> 02:04:48,900

the scenes with some of uh my club

2947

02:04:55,729 --> 02:04:52,139

members that uh make this world a better

2948

02:04:58,430 --> 02:04:55,739

place and try to spread a spirit of

2949

02:05:01,430 --> 02:04:58,440

positivity in this community

2950

02:05:03,109 --> 02:05:01,440

love it it's such an honor to I'm sorry

2951

02:05:04,790 --> 02:05:03,119

I didn't mean to cut you off Nathan such

2952

02:05:06,830 --> 02:05:04,800

an honor to meet people like that

2953

02:05:08,330 --> 02:05:06,840

because that's sort of the mission of

2954

02:05:10,370 --> 02:05:08,340

cab

2955

02:05:13,310 --> 02:05:10,380

um and it's kind of what what we're

2956

02:05:16,310 --> 02:05:13,320

trying to bring me myself as a person I

2957

02:05:17,930 --> 02:05:16,320

I fail at that sometimes uh but I try

2958

02:05:19,970 --> 02:05:17,940

hard and it's the reason we're doing the

2959

02:05:22,490 --> 02:05:19,980

show and it was really an honor to meet

2960

02:05:24,709 --> 02:05:22,500

and connect with you uh to sort of

2961

02:05:27,410 --> 02:05:24,719

affirm uh what we're trying to do thank

2962

02:05:36,430 --> 02:05:31,010

let's move on to Mr Jordan flowers he

2963

02:05:41,750 --> 02:05:39,229

uh yeah I was gonna say who let Jimmy

2964

02:05:43,390 --> 02:05:41,760

Lamborghini into this uh into this

2965

02:05:47,890 --> 02:05:43,400

podcast

2966

02:05:50,390 --> 02:05:47,900

we let anybody in here it's just uh yeah

2967

02:05:53,629 --> 02:05:50,400

the amount of people that have butchered

2968

02:05:55,310 --> 02:05:53,639

toward James's name is just unbelievable

2969

02:05:57,109 --> 02:05:55,320

um James it's really good to see you man

2970

02:05:59,209 --> 02:05:57,119

and thank you again for uh for

2971

02:06:00,350 --> 02:05:59,219

everything you've done to put on uh the

2972

02:06:00,950 --> 02:06:00,360

events

2973

02:06:03,950 --> 02:06:00,960

um

2974

02:06:06,550 --> 02:06:03,960

uh yeah so what are we working on so

2975

02:06:09,530 --> 02:06:06,560

um uh two main things the first thing is

2976

02:06:11,990 --> 02:06:09,540

uh we are building we were sort of

2977

02:06:15,050 --> 02:06:12,000

inspired by at the international UFO

2978

02:06:16,729 --> 02:06:15,060

Congress uh Brian bender and Bryce zabel

2979

02:06:20,390 --> 02:06:16,739

having this idea of turning to Wilson

2980

02:06:22,729 --> 02:06:20,400

Davis notes into a play and we are

2981

02:06:24,050 --> 02:06:22,739

basically trying to you know it's not

2982

02:06:26,629 --> 02:06:24,060

going to be exactly that but it is going

2983

02:06:28,729 --> 02:06:26,639

to be a dramatization uh so we're

2984

02:06:30,050 --> 02:06:28,739

excited to bring that and it's going to

2985

02:06:32,330 --> 02:06:30,060

be a collaboration with several people

2986

02:06:33,890 --> 02:06:32,340

that you've uh you know in the community

2987

02:06:35,270 --> 02:06:33,900

that you've heard of we're really trying

2988

02:06:38,089 --> 02:06:35,280

to get more of these sort of

2989

02:06:40,729 --> 02:06:38,099

collaborations uh done and then the

2990

02:06:44,209 --> 02:06:40,739

second thing is you know sort of my uh

2991

02:06:46,850 --> 02:06:44,219

hobby horse and Obsession which is

2992

02:06:49,310 --> 02:06:46,860

um I'm trying to build a platform a

2993

02:06:51,109 --> 02:06:49,320

decentralized platform for UAP science

2994

02:06:52,490 --> 02:06:51,119

for funding UAP science so that's

2995

02:06:54,890 --> 02:06:52,500

primarily what I'm working on so

2996

02:06:56,689 --> 02:06:54,900

exciting times it's awesome stuff yeah

2997

02:06:58,310 --> 02:06:56,699

fantastic Jordan

2998

02:07:00,530 --> 02:06:58,320

um I have to ask have you seen the

2999

02:07:04,250 --> 02:07:00,540

Michael friend play Copenhagen which is

3000

02:07:06,169 --> 02:07:04,260

about the meeting of um Niels Bohr and

3001

02:07:07,490 --> 02:07:06,179

one of the other physicists I think it

3002

02:07:09,109 --> 02:07:07,500

may be

3003

02:07:11,649 --> 02:07:09,119

um

3004

02:07:14,209 --> 02:07:11,659

no it's a Heisenberg

3005

02:07:16,129 --> 02:07:14,219

okay Bruno Heisenberg

3006

02:07:18,649 --> 02:07:16,139

um you should definitely read it I could

3007

02:07:20,209 --> 02:07:18,659

see where that would be like very

3008

02:07:21,830 --> 02:07:20,219

informative for what you're doing with

3009

02:07:22,609 --> 02:07:21,840

this this dramatization you're working

3010

02:07:24,470 --> 02:07:22,619

on

3011

02:07:25,310 --> 02:07:24,480

that's a great idea yeah because we've

3012

02:07:26,689 --> 02:07:25,320

been

3013

02:07:28,970 --> 02:07:26,699

um you know if you just read the notes

3014

02:07:31,609 --> 02:07:28,980

it's um you know it doesn't lend itself

3015

02:07:33,350 --> 02:07:31,619

to much of a conversation it really is

3016

02:07:35,810 --> 02:07:33,360

like notes

3017

02:07:37,790 --> 02:07:35,820

um so we've been seeking a way to adapt

3018

02:07:39,189 --> 02:07:37,800

that so that's a great recommendation

3019

02:07:41,870 --> 02:07:39,199

thanks so much

3020

02:07:43,669 --> 02:07:41,880

however Jordan if you do use that Leah

3021

02:07:45,109 --> 02:07:43,679

will send you a consulting fee and I

3022

02:07:47,750 --> 02:07:45,119

understand that her weekend rates are

3023

02:07:51,950 --> 02:07:47,760

exorbitant just a heads up on that yeah

3024

02:07:55,310 --> 02:07:51,960

that's all good oh good anyway James

3025

02:07:57,050 --> 02:07:55,320

eiendoli uh you're doing big things

3026

02:07:59,330 --> 02:07:57,060

um you're no Fredo Corleone what's going

3027

02:08:00,890 --> 02:07:59,340

on man

3028

02:08:02,450 --> 02:08:00,900

I just did a I just did an interview

3029

02:08:05,030 --> 02:08:02,460

with the column

3030

02:08:07,669 --> 02:08:05,040

color her and then George now

3031

02:08:09,050 --> 02:08:07,679

awesome man that's the ones you were

3032

02:08:11,750 --> 02:08:09,060

telling me to get on I need to get those

3033

02:08:13,729 --> 02:08:11,760

guys man yeah I'm so tired today because

3034

02:08:15,649 --> 02:08:13,739

I stayed up late watching that I like

3035

02:08:17,570 --> 02:08:15,659

but it was awesome James thank you for

3036

02:08:19,609 --> 02:08:17,580

doing that it was very good

3037

02:08:22,310 --> 02:08:19,619

I want to interview them so much for my

3038

02:08:23,750 --> 02:08:22,320

Art Bell project I'm sure you could I

3039

02:08:26,330 --> 02:08:23,760

mean they're they're definitely open to

3040

02:08:28,850 --> 02:08:26,340

people who are serious researchers in

3041

02:08:30,589 --> 02:08:28,860

the community and are open-minded and I

3042

02:08:33,530 --> 02:08:30,599

I mean

3043

02:08:35,870 --> 02:08:33,540

I think for

3044

02:08:37,970 --> 02:08:35,880

for people to

3045

02:08:40,669 --> 02:08:37,980

try to understand where they're coming

3046

02:08:43,550 --> 02:08:40,679

from you should probably read the uh the

3047

02:08:45,530 --> 02:08:43,560

books that they have produced

3048

02:08:47,990 --> 02:08:45,540

um you know again people are going to go

3049

02:08:49,310 --> 02:08:48,000

super woo on that that's it's again it's

3050

02:08:52,070 --> 02:08:49,320

like

3051

02:08:53,570 --> 02:08:52,080

on the you know the edges of reality if

3052

02:08:56,030 --> 02:08:53,580

you know just like the the valet and

3053

02:08:59,330 --> 02:08:56,040

heinek book but I don't think people

3054

02:09:01,010 --> 02:08:59,340

understand how how read-in people like

3055

02:09:03,530 --> 02:09:01,020

column are

3056

02:09:06,169 --> 02:09:03,540

um and I'm not talking superficially

3057

02:09:09,229 --> 02:09:06,179

um again if you read loose threads by

3058

02:09:10,310 --> 02:09:09,239

hermetic penetrator and uh and Omega

3059

02:09:12,950 --> 02:09:10,320

point

3060

02:09:15,229 --> 02:09:12,960

I mean it paints a picture but even that

3061

02:09:17,510 --> 02:09:15,239

it you know

3062

02:09:21,290 --> 02:09:17,520

I'm sure they there's things that they

3063

02:09:24,050 --> 02:09:21,300

would leave out in respect to

3064

02:09:26,270 --> 02:09:24,060

to you know to to you know maybe

3065

02:09:27,890 --> 02:09:26,280

plausible deniability for column and Hal

3066

02:09:29,689 --> 02:09:27,900

and other people

3067

02:09:31,490 --> 02:09:29,699

um

3068

02:09:33,470 --> 02:09:31,500

so and and they're trying I mean they're

3069

02:09:35,089 --> 02:09:33,480

they're coming to the edge or what they

3070

02:09:36,589 --> 02:09:35,099

what they're allowed to say and

3071

02:09:40,010 --> 02:09:36,599

hopefully with everything that's going

3072

02:09:40,790 --> 02:09:40,020

on they're allowed to push it further

3073

02:09:42,950 --> 02:09:40,800

um

3074

02:09:46,010 --> 02:09:42,960

so that I mean

3075

02:09:47,270 --> 02:09:46,020

I would say definitely get column on and

3076

02:09:49,609 --> 02:09:47,280

you definitely want to pick that dude's

3077

02:09:51,830 --> 02:09:49,619

brain well thank you for helping them

3078

02:09:53,330 --> 02:09:51,840

too also James to come out and do that

3079

02:09:56,570 --> 02:09:53,340

for people

3080

02:09:58,370 --> 02:09:56,580

yeah for sure I mean

3081

02:10:02,109 --> 02:09:58,380

um again I

3082

02:10:05,030 --> 02:10:02,119

George Knapp too he's you know

3083

02:10:06,290 --> 02:10:05,040

he's he's more he he knows more than

3084

02:10:08,990 --> 02:10:06,300

people I know in the intelligence

3085

02:10:11,450 --> 02:10:09,000

community on this stuff he's really uh

3086

02:10:13,910 --> 02:10:11,460

he's hardcore he's he really is he

3087

02:10:15,830 --> 02:10:13,920

really has done some incredible things

3088

02:10:17,870 --> 02:10:15,840

and I hope

3089

02:10:20,810 --> 02:10:17,880

you know he's got stores he's sitting on

3090

02:10:22,669 --> 02:10:20,820

he can't publish because it's not the

3091

02:10:24,350 --> 02:10:22,679

right time it's you know just again just

3092

02:10:26,810 --> 02:10:24,360

as an example

3093

02:10:28,189 --> 02:10:26,820

you know he had the atip stories since

3094

02:10:30,830 --> 02:10:28,199

like

3095

02:10:32,870 --> 02:10:30,840

since since its Inception in 2008 when

3096

02:10:35,390 --> 02:10:32,880

OSAP got the contract he was talking

3097

02:10:38,810 --> 02:10:35,400

with Bigelow he knew he had Bigelow on

3098

02:10:40,729 --> 02:10:38,820

Coast to Coast talking about uh how he

3099

02:10:43,850 --> 02:10:40,739

had a partner you know Bigelow had a

3100

02:10:46,790 --> 02:10:43,860

partner to investigate UFOs and it was

3101

02:10:49,070 --> 02:10:46,800

the Department of Defense was the DIA

3102

02:10:50,510 --> 02:10:49,080

um so he was he he knew the whole time

3103

02:10:51,649 --> 02:10:50,520

you know what was going on but he

3104

02:10:54,530 --> 02:10:51,659

couldn't say anything because of course

3105

02:10:57,109 --> 02:10:54,540

it would compromise the investigation so

3106

02:10:59,089 --> 02:10:57,119

you know he's sitting on a ton more of

3107

02:11:00,830 --> 02:10:59,099

that and you know I hope when the time

3108

02:11:03,169 --> 02:11:00,840

is right he's able to publish it because

3109

02:11:05,450 --> 02:11:03,179

you know again he couldn't publish the

3110

02:11:07,250 --> 02:11:05,460

New York Times story because the New

3111

02:11:09,709 --> 02:11:07,260

York Times had to do it basically right

3112

02:11:12,109 --> 02:11:09,719

you know otherwise it would have been a

3113

02:11:14,270 --> 02:11:12,119

local story and you know he understands

3114

02:11:16,430 --> 02:11:14,280

that kind of uh you know he said he was

3115

02:11:17,930 --> 02:11:16,440

miffed about it but it is what it is you

3116

02:11:18,770 --> 02:11:17,940

know

3117

02:11:22,010 --> 02:11:18,780

um

3118

02:11:24,109 --> 02:11:22,020

so I'm I'm really optimistic for 2023

3119

02:11:25,609 --> 02:11:24,119

hey James I find that very easy to

3120

02:11:26,990 --> 02:11:25,619

believe actually that he does know more

3121

02:11:28,910 --> 02:11:27,000

than a lot of Intel people and the

3122

02:11:31,370 --> 02:11:28,920

reason is because they am they're

3123

02:11:33,229 --> 02:11:31,380

compartmentalized away they don't have a

3124

02:11:35,810 --> 02:11:33,239

need to know that information if they're

3125

02:11:37,790 --> 02:11:35,820

not in the program but people are are in

3126

02:11:39,709 --> 02:11:37,800

the program that thinks that some of

3127

02:11:41,149 --> 02:11:39,719

this should be out there that he's

3128

02:11:42,709 --> 02:11:41,159

obviously interviewed some of those

3129

02:11:44,450 --> 02:11:42,719

people and is protecting them as he

3130

02:11:46,070 --> 02:11:44,460

should but I don't find that difficult

3131

02:11:47,930 --> 02:11:46,080

to believe at all that he probably knows

3132

02:11:49,250 --> 02:11:47,940

more than a lot of Intel people right

3133

02:11:50,270 --> 02:11:49,260

it's harder for them to talk to each

3134

02:11:52,729 --> 02:11:50,280

other especially when they're getting

3135

02:11:55,490 --> 02:11:52,739

polygraphed and you don't have a need to

3136

02:11:57,770 --> 02:11:55,500

know I mean they you you can't just go

3137

02:11:59,270 --> 02:11:57,780

share that to another Intel guy just

3138

02:12:01,910 --> 02:11:59,280

because he's your friend and you both

3139

02:12:04,250 --> 02:12:01,920

have a tssci you can't share it unless

3140

02:12:05,810 --> 02:12:04,260

that individual has a need to know and

3141

02:12:07,669 --> 02:12:05,820

then but sometimes you know they might

3142

02:12:10,370 --> 02:12:07,679

feel comfortable talking to a George

3143

02:12:11,870 --> 02:12:10,380

Knapp and and letting out a nugget I

3144

02:12:14,450 --> 02:12:11,880

mean that's how we know the things that

3145

02:12:18,169 --> 02:12:14,460

we know is because that's happened yeah

3146

02:12:21,290 --> 02:12:18,179

and I mean we you know through not not

3147

02:12:23,750 --> 02:12:21,300

only the Wilson Davis uh notes and memo

3148

02:12:25,970 --> 02:12:23,760

you know which again column went on the

3149

02:12:28,370 --> 02:12:25,980

record and said basically you know right

3150

02:12:29,930 --> 02:12:28,380

around the time that happened he he knew

3151

02:12:32,330 --> 02:12:29,940

about it

3152

02:12:33,350 --> 02:12:32,340

um and it's like one of those gray areas

3153

02:12:34,010 --> 02:12:33,360

right

3154

02:12:35,689 --> 02:12:34,020

um

3155

02:12:38,149 --> 02:12:35,699

and there's there's a lot of that and

3156

02:12:40,669 --> 02:12:38,159

and within those those files that were

3157

02:12:43,129 --> 02:12:40,679

released you know after Dr Edgar

3158

02:12:45,770 --> 02:12:43,139

Mitchell passed away there was also that

3159

02:12:47,810 --> 02:12:45,780

the alien autopsy email thread and you

3160

02:12:52,010 --> 02:12:47,820

know you got Hal put off on there column

3161

02:12:54,770 --> 02:12:52,020

uh Kate green and and Dr kit green

3162

02:12:57,290 --> 02:12:54,780

is telling them you know like he would

3163

02:12:59,209 --> 02:12:57,300

he was brought in to the Pentagon on

3164

02:13:00,169 --> 02:12:59,219

three occasions in the late 90s and

3165

02:13:02,569 --> 02:13:00,179

shown

3166

02:13:04,550 --> 02:13:02,579

but in a briefing uh you know pictures

3167

02:13:08,689 --> 02:13:04,560

of alleged autopsy

3168

02:13:12,229 --> 02:13:08,699

and here's kit green he's oh no you know

3169

02:13:15,109 --> 02:13:12,239

he's he has gotten Awards in the Central

3170

02:13:18,229 --> 02:13:15,119

Intelligence Agency for his work

3171

02:13:20,930 --> 02:13:18,239

um you know because of what he helps do

3172

02:13:23,510 --> 02:13:20,940

with Soviets and and so on

3173

02:13:26,689 --> 02:13:23,520

um and

3174

02:13:29,149 --> 02:13:26,699

and he's he's confused as if he's like

3175

02:13:32,030 --> 02:13:29,159

are they lying to me is this fake

3176

02:13:34,790 --> 02:13:32,040

like this this stuff so I mean it's

3177

02:13:37,189 --> 02:13:34,800

really incredible to uh to see what they

3178

02:13:38,810 --> 02:13:37,199

they had kind of their Journey on this

3179

02:13:41,089 --> 02:13:38,820

and they're trying to figure it out and

3180

02:13:44,390 --> 02:13:41,099

get to the center of the labyrinth

3181

02:13:46,250 --> 02:13:44,400

so that's fascinating and I I think

3182

02:13:49,069 --> 02:13:46,260

since those times you know and again

3183

02:13:52,370 --> 02:13:49,079

that emails back from like it's an email

3184

02:13:54,229 --> 02:13:52,380

thread that covers from like 99 to I

3185

02:13:56,149 --> 02:13:54,239

forget what year 2000 something that

3186

02:13:58,189 --> 02:13:56,159

they're going back and forth and that's

3187

02:13:59,149 --> 02:13:58,199

how we know about zodiac

3188

02:14:01,729 --> 02:13:59,159

um

3189

02:14:03,169 --> 02:14:01,739

you know which is uh tied to crash

3190

02:14:05,270 --> 02:14:03,179

retrieval and reverse engineering

3191

02:14:09,589 --> 02:14:05,280

programs

3192

02:14:12,589 --> 02:14:09,599

um through that you know email chain so

3193

02:14:14,030 --> 02:14:12,599

they are not telling each other

3194

02:14:15,890 --> 02:14:14,040

everything they're trying to communicate

3195

02:14:17,990 --> 02:14:15,900

information they probably bend the rules

3196

02:14:20,569 --> 02:14:18,000

and breaks them

3197

02:14:23,030 --> 02:14:20,579

but uh again I think since that time

3198

02:14:25,010 --> 02:14:23,040

since the the late 90s early 2000s they

3199

02:14:27,109 --> 02:14:25,020

probably in the last 20 years have

3200

02:14:29,149 --> 02:14:27,119

learned a lot more

3201

02:14:30,770 --> 02:14:29,159

before I react to that I just want to

3202

02:14:33,229 --> 02:14:30,780

answer a Thunderbirds question where the

3203

02:14:35,270 --> 02:14:33,239

hell is Jordan he said a coffee shop in

3204

02:14:37,010 --> 02:14:35,280

Van Nuys right now which doubles as a

3205

02:14:40,069 --> 02:14:37,020

climbing gym that's on the other side of

3206

02:14:41,990 --> 02:14:40,079

that wall that you see right there uh

3207

02:14:45,169 --> 02:14:42,000

but other than that I have one final

3208

02:14:47,330 --> 02:14:45,179

trivia question uh just to back up off

3209

02:14:48,410 --> 02:14:47,340

of what James was saying there so

3210

02:14:50,330 --> 02:14:48,420

everybody can just kind of answer this

3211

02:14:52,370 --> 02:14:50,340

however you like but um how many

3212

02:14:54,589 --> 02:14:52,380

ufologists can James carry in his

3213

02:14:57,830 --> 02:14:54,599

backpack

3214

02:15:00,410 --> 02:14:57,840

all of them okay I just have to answer

3215

02:15:02,209 --> 02:15:00,420

he was carrying like 15 bags and

3216

02:15:05,390 --> 02:15:02,219

wouldn't let me help him at the

3217

02:15:07,609 --> 02:15:05,400

conference so a heck of a lot yeah

3218

02:15:09,169 --> 02:15:07,619

okay so Eric Davis is in there kit

3219

02:15:11,689 --> 02:15:09,179

Green's in there Richard Dodie's in

3220

02:15:14,510 --> 02:15:11,699

there uh Dr Hal putoff is in that

3221

02:15:17,030 --> 02:15:14,520

backpack uh Coleman Kelleher is in that

3222

02:15:18,050 --> 02:15:17,040

water bottle pocket on the left side uh

3223

02:15:21,350 --> 02:15:18,060

I don't know how many there's probably

3224

02:15:31,510 --> 02:15:21,360

several yeah there's a Gary Nolan like

3225

02:15:36,290 --> 02:15:34,129

James I appreciate you uh enduring that

3226

02:15:38,689 --> 02:15:36,300

silly joke uh thanks for joining us and

3227

02:15:41,629 --> 02:15:38,699

and participating with us this uh on

3228

02:15:43,729 --> 02:15:41,639

this fine funded afternoon

3229

02:15:45,050 --> 02:15:43,739

um all of you guys are awesome thank you

3230

02:15:46,370 --> 02:15:45,060

for taking time to be with us I know we

3231

02:15:48,530 --> 02:15:46,380

can't we're help we've held you hostage

3232

02:15:49,850 --> 02:15:48,540

longer than we told you we would uh so

3233

02:15:51,770 --> 02:15:49,860

you're all good sports for hanging out a

3234

02:15:53,330 --> 02:15:51,780

little bit longer and uh having a good

3235

02:15:56,089 --> 02:15:53,340

time with us so thanks for being with us

3236

02:15:58,550 --> 02:15:56,099

and Happy Holidays happy New Year all

3237

02:16:00,830 --> 02:15:58,560

the happies good to see you yeah let me

3238

02:16:02,089 --> 02:16:00,840

know if Debs get in there uh Park Debs

3239

02:16:03,770 --> 02:16:02,099

go ahead

3240

02:16:06,649 --> 02:16:03,780

um I love all of you I love everyone

3241

02:16:08,990 --> 02:16:06,659

that's come on our show happy holidays I

3242

02:16:12,709 --> 02:16:09,000

want you to have lovely gifts this year

3243

02:16:13,910 --> 02:16:12,719

when some giant slay comes by and comes

3244

02:16:17,030 --> 02:16:13,920

into your house with permission

3245

02:16:19,729 --> 02:16:17,040

hopefully and

3246

02:16:25,250 --> 02:16:19,739

I'm rooting for my tall Nordic to show

3247

02:16:29,870 --> 02:16:27,109

um and I I want to also I want to thank

3248

02:16:31,910 --> 02:16:29,880

everybody as well it's an honor uh so

3249

02:16:33,650 --> 02:16:31,920

happy to have you part of our our family

3250

02:16:36,349 --> 02:16:33,660

here and to have the community so

3251

02:16:38,929 --> 02:16:36,359

fortunate to have everyone on here and

3252

02:16:42,410 --> 02:16:38,939

uh it's worth staying over to hear uh

3253

02:16:44,929 --> 02:16:42,420

James to bring us information that he

3254

02:16:46,490 --> 02:16:44,939

has from sources because he's not been

3255

02:16:49,370 --> 02:16:46,500

in this for a couple of years he's been

3256

02:16:51,589 --> 02:16:49,380

in this for a couple of decades uh and

3257

02:16:54,709 --> 02:16:51,599

and has spent a lot of time studying

3258

02:16:57,349 --> 02:16:54,719

this and and interacting with people uh

3259

02:16:59,810 --> 02:16:57,359

on camera and off camera and thank you

3260

02:17:02,990 --> 02:16:59,820

James for edifying us with that and uh

3261

02:17:05,030 --> 02:17:03,000

and providing some some more provoking

3262

02:17:06,530 --> 02:17:05,040

thought uh because you can go in all

3263

02:17:08,450 --> 02:17:06,540

these different directions you know what

3264

02:17:11,150 --> 02:17:08,460

you were just talking about was a lot of

3265

02:17:13,009 --> 02:17:11,160

uh disclosure a lot of aspect of who

3266

02:17:15,410 --> 02:17:13,019

knows what and who's talked to who and

3267

02:17:18,230 --> 02:17:15,420

you can also go into Consciousness and

3268

02:17:20,150 --> 02:17:18,240

and themes about reality and and that's

3269

02:17:22,849 --> 02:17:20,160

what makes you a multi-tool player and a

3270

02:17:24,709 --> 02:17:22,859

multi-tool threat so thank you James for

3271

02:17:27,469 --> 02:17:24,719

joining us albeit Lee

3272

02:17:29,230 --> 02:17:27,479

oh thanks he just called me a tool yeah

3273

02:17:31,490 --> 02:17:29,240

yeah

3274

02:17:33,889 --> 02:17:31,500

you're like a Leatherman or a gerber

3275

02:17:35,870 --> 02:17:33,899

tool and I carry one of those I'm sure I

3276

02:17:38,110 --> 02:17:35,880

love Monroe does as well yeah it was

3277

02:17:41,750 --> 02:17:38,120

great man very functional as well yeah

3278

02:17:43,549 --> 02:17:41,760

yeah I'm just another Cog man

3279

02:17:45,410 --> 02:17:43,559

yeah thank you you're you're pretty big

3280

02:17:47,570 --> 02:17:45,420

[h__h] thank you very much everybody we

3281

02:17:51,169 --> 02:17:47,580

love you and thank you for being part of

3282

02:17:53,929 --> 02:17:51,179

the cab holiday party of 2022 and guess

3283

02:17:57,110 --> 02:17:53,939

what we're gonna do it again in 2023.

3284

02:17:59,169 --> 02:17:57,120

all right beautiful thank you thank you

3285

02:18:01,250 --> 02:17:59,179

guys take care everybody

3286

02:18:02,030 --> 02:18:01,260

always wondering what's up around the

3287

02:18:02,990 --> 02:18:02,040

bend
