15

00:01:12,289 --> 00:01:10,020

right I said her name I said her name

16

00:01:14,450 --> 00:01:12,299

she is our other co-host she is the

17

00:01:16,310 --> 00:01:14,460

18

00:01:18,469 --> 00:01:16,320

rudder she's holding on to Rudder make

19

00:01:21,649 --> 00:01:18,479

sure we're on the right direction she is

20

00:01:25,130 --> 00:01:21,659

21

00:01:28,670 --> 00:01:25,140

22

00:01:30,950 --> 00:01:28,680

I hope everyone is resolved this year to

23

00:01:33,710 --> 00:01:30,960

have great resolutions

24

00:01:36,350 --> 00:01:33,720

dude I you know what I want to tell Miss

25

00:01:39,649 --> 00:01:36,360

B man my resolution was not to drink on

26
00:01:41,450 --> 00:01:39,659
the show anymore uh maybe after the show

27
00:01:43,030 --> 00:01:41,460
after the show hey there you go there

28
00:01:45,830 --> 00:01:43,040
you go

29
00:01:47,569 --> 00:01:45,840
all right so

30
00:01:48,890 --> 00:01:47,579
um as as everybody knows we've been

31
00:01:51,230 --> 00:01:48,900
talking about on Twitter we've been

32
00:01:53,149 --> 00:01:51,240
wanting to expand the show expand our

33
00:01:55,190 --> 00:01:53,159
aperture to include things like

34
00:01:58,190 --> 00:01:55,200
Paranormal who we're hoping to have on

35
00:01:59,870 --> 00:01:58,200
Miss uh Nicole Strickland uh and Bigfoot

36
00:02:02,030 --> 00:01:59,880
we've had on Matt Knapp among other

37
00:02:04,249 --> 00:02:02,040
Bigfoot um guests and we have more

38
00:02:05,929 --> 00:02:04,259

booked but I'll tell you what uh I

39

00:02:08,510 --> 00:02:05,939

wanted to book someone who was

40

00:02:11,029 --> 00:02:08,520

knowledgeable on Cryptids someone who

41

00:02:14,030 --> 00:02:11,039

had experienced someone who had heard a

42

00:02:16,729 --> 00:02:14,040

lot of stories uh in addition to her own

43

00:02:19,970 --> 00:02:16,739

experiences and she is a content creator

44

00:02:24,170 --> 00:02:19,980

herself so if you would money Nathan

45

00:02:26,690 --> 00:02:24,180

coming here to educate regulate and

46

00:02:30,410 --> 00:02:26,700

dissertate she's the princess of

47

00:02:34,869 --> 00:02:30,420

paranormal the queen of Cryptids and the

48

00:02:44,290 --> 00:02:34,879

host of crypto normal encounters Miss B

49

00:02:52,250 --> 00:02:48,170

hilarious can I get an amen from patina

50

00:02:54,050 --> 00:02:52,260

Moss hey man amen amen

51

00:02:55,970 --> 00:02:54,060

that was

52

00:02:58,009 --> 00:02:55,980

on control nobody's ever introduced me

53

00:02:58,850 --> 00:02:58,019

like that before I love that one and

54

00:03:01,610 --> 00:02:58,860

only

55

00:03:04,009 --> 00:03:01,620

thank you so much

56

00:03:06,350 --> 00:03:04,019

it is an honor to have you uh we really

57

00:03:07,970 --> 00:03:06,360

do want to get educated uh you could

58

00:03:09,949 --> 00:03:07,980

probably tell from just a little bit of

59

00:03:12,890 --> 00:03:09,959

banter that we've had that we really

60

00:03:14,690 --> 00:03:12,900

don't know anything but um uh other you

61

00:03:16,729 --> 00:03:14,700

know we learn a lot from other uh

62

00:03:18,649 --> 00:03:16,739

content creators

63

00:03:20,990 --> 00:03:18,659

um and so you know we're just we're just

64

00:03:22,550 --> 00:03:21,000

building our family uh by the end of

65

00:03:25,670 --> 00:03:22,560

this episode you'll be like oh wow I am

66

00:03:27,410 --> 00:03:25,680

a member of cab fam you are uh but but

67

00:03:29,330 --> 00:03:27,420

one of the questions before I turn you

68

00:03:31,369 --> 00:03:29,340

over to the very capable hands of my

69

00:03:34,910 --> 00:03:31,379

brother money Nathan the co-conspirator

70

00:03:37,670 --> 00:03:34,920

of this joint here is um

71

00:03:39,470 --> 00:03:37,680

so you know the Cryptid family you know

72

00:03:42,110 --> 00:03:39,480

just seeing you know your your social

73

00:03:44,809 --> 00:03:42,120

media and you interacting with other uh

74

00:03:46,430 --> 00:03:44,819

investigators content creators and and

75

00:03:49,070 --> 00:03:46,440

the fam you know it's a beautiful thing

76

00:03:50,869 --> 00:03:49,080

to see that uh and it becomes like a

77

00:03:55,009 --> 00:03:50,879

second family and what I'm curious about

78

00:03:58,130 --> 00:03:55,019

uh Miss B is uh the reaction of your

79

00:04:00,830 --> 00:03:58,140

first fam you know your your actual uh

80

00:04:03,530 --> 00:04:00,840

nuclear family and friends and how they

81

00:04:06,589 --> 00:04:03,540

react uh when you tell them that you are

82

00:04:08,930 --> 00:04:06,599

you know an experienter an analyst of of

83

00:04:10,610 --> 00:04:08,940

Cryptids

84

00:04:13,429 --> 00:04:10,620

you mean with other

85

00:04:14,809 --> 00:04:13,439

um researchers yeah with your family

86

00:04:17,750 --> 00:04:14,819

who's who

87

00:04:20,210 --> 00:04:17,760

no no with your your actual uh family

88

00:04:22,250 --> 00:04:20,220

who are laypersons as it comes to the

89

00:04:23,090 --> 00:04:22,260

topic that you cover how do they react

90

00:04:24,590 --> 00:04:23,100

to this

91

00:04:28,370 --> 00:04:24,600

well

92

00:04:29,629 --> 00:04:28,380

my parents they never believed it um and

93

00:04:31,249 --> 00:04:29,639

I don't know if they say that they

94

00:04:34,550 --> 00:04:31,259

didn't believe it or they were just too

95

00:04:36,710 --> 00:04:34,560

afraid to admit or believe that

96

00:04:38,810 --> 00:04:36,720

something like that was out there almost

97

00:04:40,430 --> 00:04:38,820

like um the whole thing of Bigfoot and

98

00:04:42,770 --> 00:04:40,440

Dogman they've never seen it on that

99

00:04:45,050 --> 00:04:42,780

property so it was almost kind of like

100

00:04:47,270 --> 00:04:45,060

out of sight out of mind and they felt

101
00:04:49,610 --> 00:04:47,280
like that well since they lived there in

102
00:04:52,490 --> 00:04:49,620
that house all those years from like

103
00:04:54,890 --> 00:04:52,500
1985 to like 2019 they never saw

104
00:04:56,570 --> 00:04:54,900
anything so therefore they didn't see it

105
00:04:58,730 --> 00:04:56,580
it didn't exist

106
00:05:00,650 --> 00:04:58,740
and they basically kind of thought that

107
00:05:01,909 --> 00:05:00,660
since I'm seeing these things I'm

108
00:05:03,409 --> 00:05:01,919
telling them about it they just felt

109
00:05:05,210 --> 00:05:03,419
like well you like to watch all that

110
00:05:06,830 --> 00:05:05,220
stuff you know how you know it is like

111
00:05:08,450 --> 00:05:06,840
being a Christian your parents are going

112
00:05:09,890 --> 00:05:08,460
to look at it or most Christians and

113
00:05:12,890 --> 00:05:09,900

they look at it like well you're just

114

00:05:14,570 --> 00:05:12,900

making you know your imagination is

115

00:05:16,790 --> 00:05:14,580

going well like you're researching this

116

00:05:18,469 --> 00:05:16,800

stuff and so basically by you doing that

117

00:05:19,790 --> 00:05:18,479

it's almost like you're Conjuring it up

118

00:05:21,350 --> 00:05:19,800

or you're seeing something that's not

119

00:05:24,710 --> 00:05:21,360

really there and they start to question

120

00:05:26,230 --> 00:05:24,720

your credibility or uh your mental

121

00:05:29,930 --> 00:05:26,240

well-being so

122

00:05:31,330 --> 00:05:29,940

your sanity are you okay Bettina are you

123

00:05:33,950 --> 00:05:31,340

okay

124

00:05:35,990 --> 00:05:33,960

like 10 full hat wearing they think

125

00:05:37,490 --> 00:05:36,000

that's how they feel about it and so

126

00:05:39,890 --> 00:05:37,500

it's just been for me one of those

127

00:05:41,990 --> 00:05:39,900

things that I don't like to uh discuss

128

00:05:43,430 --> 00:05:42,000

it much at all unless it's like with

129

00:05:44,749 --> 00:05:43,440

people like this within the crypto

130

00:05:46,790 --> 00:05:44,759

Community other researchers other

131

00:05:48,770 --> 00:05:46,800

eyewitnesses but friends and family

132

00:05:50,689 --> 00:05:48,780

co-workers and stuff like that I kind of

133

00:05:52,490 --> 00:05:50,699

I'll tell them a little bit but for the

134

00:05:54,050 --> 00:05:52,500

most part I kind of steer clear of it

135

00:05:56,270 --> 00:05:54,060

because most people don't understand it

136

00:05:57,890 --> 00:05:56,280

and don't believe it so it's kind of a

137

00:06:00,310 --> 00:05:57,900

waste of time and I won't even waste my

138

00:06:04,370 --> 00:06:02,110

and so

139

00:06:06,350 --> 00:06:04,380

so you you talked about the Christmas

140

00:06:08,390 --> 00:06:06,360

perspective we just kind of teed it up

141

00:06:09,710 --> 00:06:08,400

for money Nathan right there yeah I mean

142

00:06:11,510 --> 00:06:09,720

since you brought it up I had to go

143

00:06:13,430 --> 00:06:11,520

there so first of all uh thank you so

144

00:06:15,409 --> 00:06:13,440

much for being on the show with us and

145

00:06:18,110 --> 00:06:15,419

be willing to talk about this I know

146

00:06:20,570 --> 00:06:18,120

that uh in our community uh kind of

147

00:06:23,390 --> 00:06:20,580

Cryptids isn't something that are talked

148

00:06:25,850 --> 00:06:23,400

about very often and it's interesting to

149

00:06:28,550 --> 00:06:25,860

me they kind of skepticism that our

150

00:06:30,529 --> 00:06:28,560

community may possess towards something

151

00:06:31,909 --> 00:06:30,539

like Cryptids just as some of the

152

00:06:35,150 --> 00:06:31,919

Cryptid community may have some

153

00:06:37,370 --> 00:06:35,160

skepticism towards the UFO uh side of

154

00:06:40,490 --> 00:06:37,380

things but when it comes to the faith uh

155

00:06:43,189 --> 00:06:40,500

component uh has your interest in this

156

00:06:44,330 --> 00:06:43,199

has your experience with Cryptids and

157

00:06:46,309 --> 00:06:44,340

interviewing people who've had

158

00:06:48,350 --> 00:06:46,319

experience with Cryptids how has that

159

00:06:50,689 --> 00:06:48,360

impacted you personally from from your

160

00:06:53,029 --> 00:06:50,699

own faith perspective and I know that

161

00:06:54,529 --> 00:06:53,039

can be a very uh personal response or

162

00:06:56,450 --> 00:06:54,539

question so you can tell me whatever you

163

00:06:58,430 --> 00:06:56,460

want to tell me but has it in has it

164

00:07:02,210 --> 00:06:58,440

enhanced that kind of Journey for you or

165

00:07:08,029 --> 00:07:05,450

um it makes some of the things that may

166

00:07:10,370 --> 00:07:08,039

have been questionable or that I may

167

00:07:13,309 --> 00:07:10,380

have mulled over before in the Bible or

168

00:07:15,110 --> 00:07:13,319

things that you see like as a Christian

169

00:07:17,390 --> 00:07:15,120

you know we got Christianity but you

170

00:07:20,510 --> 00:07:17,400

also have like judeo

171

00:07:22,249 --> 00:07:20,520

um Hebrew Judaism and you got like Greek

172

00:07:24,770 --> 00:07:22,259

mythology and stuff like that in the

173

00:07:26,270 --> 00:07:24,780

ancient Egyptian all the ancient things

174

00:07:28,550 --> 00:07:26,280

that go into it when you look at that

175

00:07:29,990 --> 00:07:28,560

and then you tie it in with the Bible

176

00:07:32,089 --> 00:07:30,000

um things that we kind of looked over

177

00:07:33,650 --> 00:07:32,099

before where it would talk about

178

00:07:35,629 --> 00:07:33,660

um I guess like for instance like the

179

00:07:37,129 --> 00:07:35,639

lion men of Moab you know you're looking

180

00:07:39,650 --> 00:07:37,139

at that and we kind of just scroll past

181

00:07:41,809 --> 00:07:39,660

that you don't think much about it or in

182

00:07:43,969 --> 00:07:41,819

Genesis where it talks about that not

183

00:07:47,390 --> 00:07:43,979

only did the Fallen Angels come in and

184

00:07:49,969 --> 00:07:47,400

defile the animals but if job says even

185

00:07:52,189 --> 00:07:49,979

that was a joke in Genesis there was

186

00:07:54,770 --> 00:07:52,199

also saying that some of the animals

187

00:07:56,809 --> 00:07:54,780

were also defiled so it's like a lot of

188

00:07:58,370 --> 00:07:56,819

the animals have to be you know why did

189

00:08:00,110 --> 00:07:58,380

some of those have to be wiped out so

190

00:08:03,110 --> 00:08:00,120

you look at that and it's like well if

191

00:08:05,570 --> 00:08:03,120

you got um an angel or Fallen Angel and

192

00:08:07,129 --> 00:08:05,580

then the result of that coming in and

193

00:08:09,529 --> 00:08:07,139

procreating with human women the result

194

00:08:11,029 --> 00:08:09,539

of that is giant humans then what do you

195

00:08:14,210 --> 00:08:11,039

think you're going to get when you have

196

00:08:15,589 --> 00:08:14,220

a fallen angel or whatever y'all want to

197

00:08:16,969 --> 00:08:15,599

call them Sky gods or whatever you want

198

00:08:18,650 --> 00:08:16,979

to call them what do you think you're

199

00:08:20,749 --> 00:08:18,660

going to get when you take that and you

200

00:08:22,490 --> 00:08:20,759

go in with a wolf or an ape you're going

201
00:08:25,070 --> 00:08:22,500
to get a giant animal of that same

202
00:08:27,589 --> 00:08:25,080
species so and maybe look at that and

203
00:08:29,029 --> 00:08:27,599
maybe look at Anubis it made me look at

204
00:08:30,529 --> 00:08:29,039
Greek mythology when you got the

205
00:08:32,269 --> 00:08:30,539
Minotaur

206
00:08:34,310 --> 00:08:32,279
um all these different creatures goat

207
00:08:36,050 --> 00:08:34,320
man we call it today but then back in

208
00:08:37,969 --> 00:08:36,060
those times thousands of years ago

209
00:08:39,829 --> 00:08:37,979
they'd be called a deceder

210
00:08:41,329 --> 00:08:39,839
and then and a lot of people don't

211
00:08:43,010 --> 00:08:41,339
realize and I can't remember right now

212
00:08:45,230 --> 00:08:43,020
but I think it's in the book of Isaiah

213
00:08:48,530 --> 00:08:45,240

where it actually mentions the Seder in

214

00:08:50,389 --> 00:08:48,540

there so we put that together with I

215

00:08:52,910 --> 00:08:50,399

think Isaiah this Old Testament you put

216

00:08:54,170 --> 00:08:52,920

that together with Greek mythology these

217

00:08:55,730 --> 00:08:54,180

things are telling you it's pretty much

218

00:08:57,290 --> 00:08:55,740

these people are seeing these things at

219

00:08:58,550 --> 00:08:57,300

those time periods and that's just my

220

00:09:00,829 --> 00:08:58,560

thoughts on it

221

00:09:02,870 --> 00:09:00,839

The Book of Enoch goes in Greater detail

222

00:09:04,790 --> 00:09:02,880

discussing these um these strange

223

00:09:08,290 --> 00:09:04,800

creatures and beings chimeras that we

224

00:09:12,110 --> 00:09:10,550

it it just makes me look at the world

225

00:09:13,730 --> 00:09:12,120

around us and it makes some of the weird

226

00:09:15,889 --> 00:09:13,740

things that didn't make sense in the

227

00:09:18,170 --> 00:09:15,899

Bible on that level on these strange

228

00:09:20,389 --> 00:09:18,180

creatures Leviathan and other weird

229

00:09:22,670 --> 00:09:20,399

beings and entities or whatever you want

230

00:09:24,170 --> 00:09:22,680

to call them it just makes it make more

231

00:09:25,610 --> 00:09:24,180

sense the fact that we're still seeing

232

00:09:27,889 --> 00:09:25,620

these things today

233

00:09:30,110 --> 00:09:27,899

yeah well that integrative approach is

234

00:09:32,389 --> 00:09:30,120

really fascinating and I think that a

235

00:09:36,470 --> 00:09:32,399

lot of modern people have really created

236

00:09:39,350 --> 00:09:36,480

a barrier a wall between the texts of

237

00:09:43,070 --> 00:09:39,360

old that do speak about these things

238

00:09:44,870 --> 00:09:43,080

quite often we've decided that those are

239

00:09:46,970 --> 00:09:44,880

just uh stories they're imaginary

240

00:09:49,850 --> 00:09:46,980

they're not real and what what's

241

00:09:51,769 --> 00:09:49,860

happening today is is real so we kind of

242

00:09:53,090 --> 00:09:51,779

exclude these areas we don't let them

243

00:09:55,550 --> 00:09:53,100

intermingle and I think it's just

244

00:09:57,350 --> 00:09:55,560

interesting how this topic and it sounds

245

00:10:00,650 --> 00:09:57,360

like for you on a personal level has

246

00:10:02,810 --> 00:10:00,660

really entwined those two things in a

247

00:10:03,889 --> 00:10:02,820

very intimate way I think that's I think

248

00:10:05,449 --> 00:10:03,899

that's really interesting I appreciate

249

00:10:06,829 --> 00:10:05,459

you sharing that with us but uh I want

250

00:10:08,389 --> 00:10:06,839

to turn over to Deb I know she's got a

251

00:10:12,170 --> 00:10:08,399

question she wants to ask

252

00:10:15,530 --> 00:10:12,180

okay so so I feel like this is along the

253

00:10:17,630 --> 00:10:15,540

same vein in the UFO Community there's a

254

00:10:21,490 --> 00:10:17,640

lot of concern that religion will be

255

00:10:25,070 --> 00:10:21,500

like wiped out or knocked off its

256

00:10:27,949 --> 00:10:25,080

pedestal because of UFOs but I feel like

257

00:10:31,009 --> 00:10:27,959

what you've done is shown that religion

258

00:10:32,870 --> 00:10:31,019

could potentially be Amplified by the

259

00:10:35,470 --> 00:10:32,880

evidence of Cryptids what do you think

260

00:10:39,050 --> 00:10:35,480

about that

261

00:10:41,269 --> 00:10:39,060

I think so because if as a Christian

262

00:10:43,970 --> 00:10:41,279

like I said there's you know there are

263

00:10:45,829 --> 00:10:43,980

people who are not non-Christian who

264

00:10:47,870 --> 00:10:45,839

would say well why do you have to bring

265

00:10:50,630 --> 00:10:47,880

up the Bible and that's just my personal

266

00:10:52,910 --> 00:10:50,640

belief but you know to be honest with

267

00:10:54,889 --> 00:10:52,920

you I don't need like the Bible or

268

00:10:56,990 --> 00:10:54,899

Christianity to prove Cryptids I mean

269

00:10:59,569 --> 00:10:57,000

there's cultures all throughout the

270

00:11:01,069 --> 00:10:59,579

entire world that are not Christian that

271

00:11:03,110 --> 00:11:01,079

would be looked at I guess more secular

272

00:11:05,329 --> 00:11:03,120

or new age or

273

00:11:06,769 --> 00:11:05,339

um you know different cultures talking

274

00:11:08,569 --> 00:11:06,779

about these things you got the Native

275

00:11:11,990 --> 00:11:08,579

American cultures who talked about the

276

00:11:13,550 --> 00:11:12,000

redhead Giants which you know maybe that

277

00:11:15,650 --> 00:11:13,560

Sasquatch or Bigfoot then you've got

278

00:11:18,050 --> 00:11:15,660

like stories of giants

279

00:11:19,790 --> 00:11:18,060

um like the Nephilim Genesis six where

280

00:11:21,410 --> 00:11:19,800

it talks about that so if they're and

281

00:11:23,389 --> 00:11:21,420

then you have like so many different

282

00:11:25,310 --> 00:11:23,399

areas of things that's been discussed so

283

00:11:28,190 --> 00:11:25,320

many things it's not really but the Book

284

00:11:30,410 --> 00:11:28,200

of Enoch goes even further in detail

285

00:11:32,030 --> 00:11:30,420

discussing the things in Genesis 6 4

286

00:11:34,790 --> 00:11:32,040

that

287

00:11:36,710 --> 00:11:34,800

um is not really brought up in detail in

288

00:11:38,509 --> 00:11:36,720

kind of makes you wonder why some of

289

00:11:40,490 --> 00:11:38,519

these extra biblical books were taken

290

00:11:41,990 --> 00:11:40,500

out and I'm not saying that it all has

291

00:11:44,090 --> 00:11:42,000

to do with Cryptids but there's a lot of

292

00:11:45,769 --> 00:11:44,100

things in those books that a lot of

293

00:11:48,650 --> 00:11:45,779

people don't realize that that it's in

294

00:11:51,290 --> 00:11:48,660

there a lot of people were uh worshiping

295

00:11:52,550 --> 00:11:51,300

these different deities or gods or if

296

00:11:54,110 --> 00:11:52,560

you just look at it and I might be

297

00:11:56,569 --> 00:11:54,120

completely wrong about this there were

298

00:11:58,430 --> 00:11:56,579

people who were worshiping bulls and

299

00:11:59,990 --> 00:11:58,440

stuff like that we're spend these

300

00:12:02,210 --> 00:12:00,000

different things and so when you look at

301

00:12:05,090 --> 00:12:02,220

it and you look at today a lot of people

302

00:12:07,730 --> 00:12:05,100

I put I like to take

303

00:12:09,110 --> 00:12:07,740

what we do today because I know how the

304

00:12:11,449 --> 00:12:09,120

Bible said there's nothing to be one of

305

00:12:14,389 --> 00:12:11,459

the Sun so if there's nothing new Under

306

00:12:16,310 --> 00:12:14,399

the Sun it means that the way things

307

00:12:17,930 --> 00:12:16,320

were back then we're still a repeat of

308

00:12:19,670 --> 00:12:17,940

those things still today

309

00:12:20,990 --> 00:12:19,680

back then at those times when people

310

00:12:22,790 --> 00:12:21,000

were giving

311

00:12:24,829 --> 00:12:22,800

um offerings they were given offerings

312

00:12:26,630 --> 00:12:24,839

to different gods different deities

313

00:12:28,250 --> 00:12:26,640

different creatures and some were even

314

00:12:30,889 --> 00:12:28,260

given offerings to different animals

315

00:12:32,750 --> 00:12:30,899

well I look at that and I take that the

316

00:12:34,670 --> 00:12:32,760

exact same way as when people go out and

317

00:12:37,310 --> 00:12:34,680

they do gifting as

318

00:12:39,050 --> 00:12:37,320

um to Bigfoot and Dogman they get give

319

00:12:41,150 --> 00:12:39,060

they give them gifts they give them food

320

00:12:44,269 --> 00:12:41,160

and then in a lot of cases you hear

321

00:12:46,009 --> 00:12:44,279

people talk about that these beings or

322

00:12:48,350 --> 00:12:46,019

entities or creatures animals whatever

323

00:12:50,690 --> 00:12:48,360

you want to call them bring them things

324

00:12:52,190 --> 00:12:50,700

back too but when you stop feeding them

325

00:12:55,190 --> 00:12:52,200

when you stop doing all these different

326

00:12:56,569 --> 00:12:55,200

things then it kind of can get ugly

327

00:12:58,310 --> 00:12:56,579

because they come to your house so

328

00:13:00,470 --> 00:12:58,320

basically I look at that like you're

329

00:13:02,870 --> 00:13:00,480

basically giving them offers I think

330

00:13:05,990 --> 00:13:02,880

that this stuff is like it's it's

331

00:13:08,030 --> 00:13:06,000

nothing that's too confusing there's so

332

00:13:12,410 --> 00:13:08,040

many different facets and areas of this

333

00:13:13,610 --> 00:13:12,420

for me he said no like only goes to

334

00:13:15,650 --> 00:13:13,620

prove some of the things some of the

335

00:13:18,110 --> 00:13:15,660

stranger things in the Bible as far as

336

00:13:20,329 --> 00:13:18,120

some of these creatures are concerned

337

00:13:22,129 --> 00:13:20,339

that

338

00:13:23,870 --> 00:13:22,139

you know if you go to look at it because

339

00:13:26,030 --> 00:13:23,880

there's you know have y'all heard of

340

00:13:28,430 --> 00:13:26,040

what they call the woo as it's related

341

00:13:30,470 --> 00:13:28,440

to crypto and that's the you know what

342

00:13:32,389 --> 00:13:30,480

I'm talking about oh have we heard of it

343

00:13:34,310 --> 00:13:32,399

in our community oh yeah

344

00:13:36,829 --> 00:13:34,320

so the Paranormal

345

00:13:38,509 --> 00:13:36,839

um Supernatural aspect the cloaking the

346

00:13:40,790 --> 00:13:38,519

Mind speak

347

00:13:43,370 --> 00:13:40,800

um when I say cloaking I don't mean like

348

00:13:45,530 --> 00:13:43,380

you see like a chameleon

349

00:13:47,690 --> 00:13:45,540

um camouflage and mess you know I guess

350

00:13:49,310 --> 00:13:47,700

kind of camouflage and blend in with the

351
00:13:50,990 --> 00:13:49,320
leaves and the trees around it or like

352
00:13:53,030 --> 00:13:51,000
an octopus that can blend in at the

353
00:13:55,430 --> 00:13:53,040
bottom of the ocean with the sand and

354
00:13:57,829 --> 00:13:55,440
whatever colored things around it now

355
00:13:59,449 --> 00:13:57,839
there's that too they can do that and

356
00:14:02,269 --> 00:13:59,459
they blend in very well

357
00:14:04,490 --> 00:14:02,279
so the other weird strange aspect of it

358
00:14:06,949 --> 00:14:04,500
when I say cloaking that looks more like

359
00:14:09,530 --> 00:14:06,959
if you've seen the movie Predator

360
00:14:11,930 --> 00:14:09,540
if y'all remember how that looked they

361
00:14:14,030 --> 00:14:11,940
do that too I've seen that first hand so

362
00:14:15,410 --> 00:14:14,040
there's that aspect a lot of people have

363
00:14:17,030 --> 00:14:15,420

talked about that

364

00:14:20,629 --> 00:14:17,040

there's a lot of different things they

365

00:14:22,910 --> 00:14:20,639

do that other natural animals don't do

366

00:14:25,310 --> 00:14:22,920

um it's just so different and then the

367

00:14:27,170 --> 00:14:25,320

fact that they can open and close doors

368

00:14:28,550 --> 00:14:27,180

come in people's homes the fact that

369

00:14:30,290 --> 00:14:28,560

there's so many different things they

370

00:14:32,569 --> 00:14:30,300

can completely disappear before your

371

00:14:35,210 --> 00:14:32,579

eyes or manifest in front of you they're

372

00:14:38,150 --> 00:14:35,220

Supernatural speed and strength able to

373

00:14:40,370 --> 00:14:38,160

go from a standing point to just

374

00:14:42,829 --> 00:14:40,380

standing there to jump in 30 or 45 feet

375

00:14:45,290 --> 00:14:42,839

straight up of a clip it's just strange

376

00:14:48,230 --> 00:14:45,300

so there's a lot of different aspects so

377

00:14:50,329 --> 00:14:48,240

it it's just only led to me believing

378

00:14:51,829 --> 00:14:50,339

even more and looking deeper into it

379

00:14:55,189 --> 00:14:51,839

because

380

00:14:57,410 --> 00:14:55,199

the book now before there's uh talk of

381

00:14:59,870 --> 00:14:57,420

these creatures in there

382

00:15:02,870 --> 00:14:59,880

I was going to say uh Miss B in that

383

00:15:05,210 --> 00:15:02,880

missing 4-1-1 the hunted that young lady

384

00:15:06,829 --> 00:15:05,220

in Ohio uh that actually it's not a

385

00:15:08,930 --> 00:15:06,839

young lady she's sort of a grandma age

386

00:15:10,189 --> 00:15:08,940

woman who was sitting in a tree stand

387

00:15:13,129 --> 00:15:10,199

and saw something that looked like

388

00:15:15,470 --> 00:15:13,139

predator and just the story alone scared

389

00:15:17,090 --> 00:15:15,480

the hell out of me but um I do have a

390

00:15:19,490 --> 00:15:17,100

couple quick hitters before I get to my

391

00:15:22,250 --> 00:15:19,500

real question so even though you would

392

00:15:24,949 --> 00:15:22,260

not be given to gifting dog man if you

393

00:15:27,590 --> 00:15:24,959

were going to gifted dog man Miss B

394

00:15:30,170 --> 00:15:27,600

would you be bringing like a nice canned

395

00:15:32,210 --> 00:15:30,180

food out there would you be bringing a

396

00:15:36,110 --> 00:15:32,220

meaty moist would you be bringing a dry

397

00:15:38,329 --> 00:15:36,120

food what type of a a a a a gift would

398

00:15:39,769 --> 00:15:38,339

you bring dog man how would you get a

399

00:15:42,850 --> 00:15:39,779

premium dog food what are we looking at

400

00:15:47,569 --> 00:15:44,509

I mean

401
00:15:50,090 --> 00:15:47,579
you know I would be I can't see giving

402
00:15:52,610 --> 00:15:50,100
it anything at all because like I'm so

403
00:15:55,069 --> 00:15:52,620
like paranoid that I would be afraid

404
00:15:57,050 --> 00:15:55,079
because oh because every time coming

405
00:15:59,689 --> 00:15:57,060
back to Huntsville

406
00:16:01,430 --> 00:15:59,699
absolutely because like I know where to

407
00:16:03,110 --> 00:16:01,440
go right now if I want to see dog man

408
00:16:04,610 --> 00:16:03,120
tomorrow like if I want to see Dogman

409
00:16:06,590 --> 00:16:04,620
right now I know where to go like they

410
00:16:09,470 --> 00:16:06,600
always for whatever reason will show up

411
00:16:10,910 --> 00:16:09,480
like they never they never approach but

412
00:16:12,889 --> 00:16:10,920
they stand off and watch from a distance

413
00:16:16,129 --> 00:16:12,899

I don't care for my different hour so

414

00:16:17,870 --> 00:16:16,139

for me personally I would not go and

415

00:16:19,970 --> 00:16:17,880

feed them because they already feel too

416

00:16:22,250 --> 00:16:19,980

comfortable with me already as it is so

417

00:16:24,410 --> 00:16:22,260

no I wouldn't feed them now there are

418

00:16:26,689 --> 00:16:24,420

some people who probably would no you

419

00:16:28,430 --> 00:16:26,699

got some questions right now

420

00:16:30,769 --> 00:16:28,440

the question is if you were going to

421

00:16:32,329 --> 00:16:30,779

feed them would it be a wet food or dry

422

00:16:40,790 --> 00:16:32,339

food

423

00:16:44,769 --> 00:16:40,800

to give them any meat I don't want to

424

00:16:50,930 --> 00:16:49,069

exactly I I couldn't do it okay second

425

00:16:53,090 --> 00:16:50,940

of the quick hitter questions before I

426

00:16:57,410 --> 00:16:53,100

get to the real question is

427

00:17:00,350 --> 00:16:57,420

um if there is a Cryptid sticker

428

00:17:02,530 --> 00:17:00,360

bumper sticker on Miss B's car and if so

429

00:17:04,069 --> 00:17:02,540

which Cryptid it is

430

00:17:06,590 --> 00:17:04,079

no

431

00:17:08,750 --> 00:17:06,600

stickers on my car at all

432

00:17:10,970 --> 00:17:08,760

oh I don't do bumper stickers

433

00:17:12,470 --> 00:17:10,980

no stickers you're the one that's

434

00:17:14,090 --> 00:17:12,480

pulling the emblem off so people like

435

00:17:16,669 --> 00:17:14,100

what kind of where's that man it's

436

00:17:19,669 --> 00:17:16,679

really cool tinted windows what is it

437

00:17:21,350 --> 00:17:19,679

absolutely I don't do but I mean if I

438

00:17:24,850 --> 00:17:21,360

did I would have a dog man sticker on

439

00:17:28,669 --> 00:17:26,990

I mean because I've got dog man

440

00:17:31,909 --> 00:17:28,679

paraphernalia around here and stuff

441

00:17:34,370 --> 00:17:31,919

already like so no I don't do the bumper

442

00:17:35,930 --> 00:17:34,380

stickers it's just I don't know I guess

443

00:17:37,669 --> 00:17:35,940

I've kind of gotten superstitious like

444

00:17:40,250 --> 00:17:37,679

even like during my shows and stuff like

445

00:17:42,049 --> 00:17:40,260

sometimes like I get creeped out just by

446

00:17:43,850 --> 00:17:42,059

the stuff there's a lot of people who um

447

00:17:46,310 --> 00:17:43,860

have Dogman encounters and stuff like

448

00:17:48,409 --> 00:17:46,320

that or even Bigfoot encounters I guess

449

00:17:51,350 --> 00:17:48,419

some of the some of us have what you

450

00:17:54,049 --> 00:17:51,360

call PTSD I don't have that but I have

451
00:17:56,450 --> 00:17:54,059
had the nightmares that come with it uh

452
00:17:57,890 --> 00:17:56,460
you're a badass um I am not I'm not

453
00:17:59,330 --> 00:17:57,900
gonna go for a third question because I

454
00:18:01,430 --> 00:17:59,340
know one of these two is going to go for

455
00:18:03,830 --> 00:18:01,440
it because we know we we got to go there

456
00:18:05,630 --> 00:18:03,840
so let me pass it over to uh the

457
00:18:08,510 --> 00:18:05,640
co-conspirator my brother money Nathan

458
00:18:11,330 --> 00:18:08,520
thanks TJ yeah so uh in our community uh

459
00:18:13,370 --> 00:18:11,340
with UFOs there are some kind of core

460
00:18:18,409 --> 00:18:13,380
what we call observable characteristics

461
00:18:20,510 --> 00:18:18,419
of UFOs or uaps uh other than dog man

462
00:18:23,210 --> 00:18:20,520
being a humanoid you know kind of

463
00:18:25,909 --> 00:18:23,220

Cryptid what are some other pretty

464

00:18:30,289 --> 00:18:25,919

common things that happen with Dogman

465

00:18:34,070 --> 00:18:32,029

um a lot of things that come along with

466

00:18:35,690 --> 00:18:34,080

Dogman encounters you will hear people

467

00:18:36,529 --> 00:18:35,700

often talk about

468

00:18:37,909 --> 00:18:36,539

um

469

00:18:39,890 --> 00:18:37,919

you'll hear them talking about being

470

00:18:41,330 --> 00:18:39,900

paced in the woods

471

00:18:43,490 --> 00:18:41,340

um if you're out there and like you're

472

00:18:45,590 --> 00:18:43,500

walking and then all of a sudden as

473

00:18:47,450 --> 00:18:45,600

you're walking you hear something that

474

00:18:49,490 --> 00:18:47,460

sounds about Peter walking right next to

475

00:18:51,409 --> 00:18:49,500

you you stop to get a better listen and

476

00:18:54,169 --> 00:18:51,419

when you stop it stops when you start

477

00:18:56,090 --> 00:18:54,179

walking again they start back walking

478

00:18:57,770 --> 00:18:56,100

um that's just one thing another thing

479

00:19:00,710 --> 00:18:57,780

that you'll hear with a lot of these

480

00:19:02,990 --> 00:19:00,720

encounters is how people felt like it

481

00:19:05,150 --> 00:19:03,000

just snuck up on them out of nowhere

482

00:19:07,970 --> 00:19:05,160

they never heard it show up

483

00:19:09,110 --> 00:19:07,980

um and as large as these things are you

484

00:19:11,870 --> 00:19:09,120

would think that you would have heard it

485

00:19:13,690 --> 00:19:11,880

walking there's that aspect

486

00:19:17,150 --> 00:19:13,700

um then you have

487

00:19:18,710 --> 00:19:17,160

the woods going completely silent the

488

00:19:20,450 --> 00:19:18,720

wood's going completely silent like you

489

00:19:22,490 --> 00:19:20,460

know how they say like on a predator is

490

00:19:24,289 --> 00:19:22,500

around the woods that go silent there's

491

00:19:25,730 --> 00:19:24,299

no wind blowing the trees no birds

492

00:19:27,650 --> 00:19:25,740

chirping

493

00:19:29,270 --> 00:19:27,660

um the smells that come from these

494

00:19:31,549 --> 00:19:29,280

creatures you'll a lot of time hear

495

00:19:35,390 --> 00:19:31,559

people talk about they smell like a wet

496

00:19:37,310 --> 00:19:35,400

dog urine blood uh roadkill just

497

00:19:38,390 --> 00:19:37,320

terrible horrendous smell coming from

498

00:19:40,970 --> 00:19:38,400

them

499

00:19:42,770 --> 00:19:40,980

um you hear people talking also about

500

00:19:45,110 --> 00:19:42,780

being Zapped

501
00:19:46,310 --> 00:19:45,120
that more so about Bigfoot more so than

502
00:19:48,830 --> 00:19:46,320
dog man

503
00:19:51,289 --> 00:19:48,840
but you have that then you have people

504
00:19:53,690 --> 00:19:51,299
talking about how

505
00:19:56,150 --> 00:19:53,700
the telepathic speaking um that does

506
00:19:58,250 --> 00:19:56,160
happen with dog man and Bigfoot

507
00:20:00,350 --> 00:19:58,260
um I've heard a lot of those and then

508
00:20:04,190 --> 00:20:00,360
you also hear reports a lot of the time

509
00:20:06,169 --> 00:20:04,200
about the Amber eyes that they do have

510
00:20:07,669 --> 00:20:06,179
eye colors that are different colors but

511
00:20:10,610 --> 00:20:07,679
the ones that's most reported is the

512
00:20:13,130 --> 00:20:10,620
amber colored eyes but there's different

513
00:20:15,110 --> 00:20:13,140

things with different ones

514

00:20:17,270 --> 00:20:15,120

um other factors

515

00:20:18,650 --> 00:20:17,280

uh consent things there's like the

516

00:20:21,529 --> 00:20:18,660

different looks most of the ones that

517

00:20:23,270 --> 00:20:21,539

are reported are often pitch black and

518

00:20:25,130 --> 00:20:23,280

then black that usually look more like

519

00:20:27,890 --> 00:20:25,140

the German Shepherd or black wolf type

520

00:20:30,770 --> 00:20:27,900

Anubis you'll hear those reports some

521

00:20:34,010 --> 00:20:30,780

with Tails some without tails

522

00:20:35,930 --> 00:20:34,020

um upright standing anywhere from almost

523

00:20:38,510 --> 00:20:35,940

say five to eight and a half nine feet

524

00:20:39,950 --> 00:20:38,520

tall somewhere in that Arena most of the

525

00:20:41,930 --> 00:20:39,960

time you hear about five that's seven I

526
00:20:43,430 --> 00:20:41,940
have eight feet tall but every now and

527
00:20:45,830 --> 00:20:43,440
then you'll hear the cases where there's

528
00:20:48,049 --> 00:20:45,840
like this Goliath dog man there's

529
00:20:50,930 --> 00:20:48,059
different types there's different colors

530
00:20:52,610 --> 00:20:50,940
there's different I like to some people

531
00:20:55,549 --> 00:20:52,620
have a chart where they said they're

532
00:20:58,130 --> 00:20:55,559
severing different types of dog man I

533
00:20:59,570 --> 00:20:58,140
don't agree with the chart and that's

534
00:21:01,669 --> 00:20:59,580
just my opinion I could be completely

535
00:21:03,529 --> 00:21:01,679
wrong I personally believe there's

536
00:21:04,610 --> 00:21:03,539
different breeds

537
00:21:06,529 --> 00:21:04,620
um the same way that there's different

538
00:21:08,750 --> 00:21:06,539

breeds of dogs and the reason I say that

539

00:21:10,730 --> 00:21:08,760

is because I've seen ones different

540

00:21:12,590 --> 00:21:10,740

snout links different eye colors

541

00:21:15,409 --> 00:21:12,600

different coat colors

542

00:21:17,510 --> 00:21:15,419

um different body styles it's so many

543

00:21:19,010 --> 00:21:17,520

different facets so those are the things

544

00:21:20,690 --> 00:21:19,020

you're going to hear a lot when it comes

545

00:21:23,810 --> 00:21:20,700

to Dogman as well as you'll hear people

546

00:21:26,090 --> 00:21:23,820

sometimes talk about being blood charged

547

00:21:28,730 --> 00:21:26,100

and that's basically where they will

548

00:21:31,490 --> 00:21:28,740

come and charge you and then like at the

549

00:21:35,029 --> 00:21:31,500

last minute turn and run back off into

550

00:21:38,510 --> 00:21:37,010

wow I never heard that I mean and you

551
00:21:41,330 --> 00:21:38,520
said Zapped earlier that you that kind

552
00:21:44,570 --> 00:21:41,340
of you mean like an electrical discharge

553
00:21:46,190 --> 00:21:44,580
kind of feeling is that no it's the

554
00:21:48,049 --> 00:21:46,200
what would you say it's the infrasound

555
00:21:50,570 --> 00:21:48,059
when they they they're able to imply

556
00:21:53,930 --> 00:21:50,580
emotions upon you or inflict emotion a

557
00:21:58,130 --> 00:21:56,149
okay man of light if you're still out

558
00:22:00,470 --> 00:21:58,140
there you're you've been Zapped a few

559
00:22:01,669 --> 00:22:00,480
times and you talked about this if you

560
00:22:04,430 --> 00:22:01,679
hear that you're still going to come and

561
00:22:06,529 --> 00:22:04,440
speak on that also I'll tell y'all um

562
00:22:08,810 --> 00:22:06,539
just I've never been so-called I've

563
00:22:11,510 --> 00:22:08,820

never been Zapped or have been shot with

564

00:22:12,470 --> 00:22:11,520

infrasound but a lot of times what

565

00:22:14,690 --> 00:22:12,480

people

566

00:22:17,690 --> 00:22:14,700

um say about that is that it comes with

567

00:22:19,669 --> 00:22:17,700

these intense headaches feeling nauseous

568

00:22:20,330 --> 00:22:19,679

feeling really ill

569

00:22:22,430 --> 00:22:20,340

um

570

00:22:24,350 --> 00:22:22,440

sometimes they say they can feel these

571

00:22:26,210 --> 00:22:24,360

vibrations or electric currents going

572

00:22:28,669 --> 00:22:26,220

through their bodies some people get ill

573

00:22:31,010 --> 00:22:28,679

for days some people vomit some people

574

00:22:33,169 --> 00:22:31,020

actually lose time during this when it

575

00:22:34,549 --> 00:22:33,179

happens to them some people actually go

576

00:22:36,529 --> 00:22:34,559

unconscious

577

00:22:39,169 --> 00:22:36,539

um on the spot and then wake up and come

578

00:22:41,510 --> 00:22:39,179

to like right where they are

579

00:22:44,390 --> 00:22:41,520

um so there's a lot of different things

580

00:22:46,730 --> 00:22:44,400

that go with this and it's all different

581

00:22:49,250 --> 00:22:46,740

areas that

582

00:22:50,570 --> 00:22:49,260

concern as far as uh being Zapped is

583

00:22:54,529 --> 00:22:50,580

concerned I've never had that happen to

584

00:22:57,230 --> 00:22:54,539

me but people get ill from this

585

00:22:58,789 --> 00:22:57,240

and a lot of people are actually gotten

586

00:23:01,010 --> 00:22:58,799

really terrified after this has happened

587

00:23:03,289 --> 00:23:01,020

to them

588

00:23:05,930 --> 00:23:03,299

well I could see why it's a it's a

589

00:23:08,090 --> 00:23:05,940

pretty disruptive experience right

590

00:23:11,330 --> 00:23:08,100

oh yeah freaking me out right now that

591

00:23:13,370 --> 00:23:11,340

that I knew about these these things

592

00:23:15,770 --> 00:23:13,380

that uh Miss B's talking about I knew

593

00:23:18,529 --> 00:23:15,780

that were relative to Bigfoot did not

594

00:23:20,450 --> 00:23:18,539

know they were the same for dog ban so

595

00:23:22,190 --> 00:23:20,460

this is really surprising right now I

596

00:23:24,049 --> 00:23:22,200

didn't know that they that they zap

597

00:23:26,450 --> 00:23:24,059

people within for sound

598

00:23:28,250 --> 00:23:26,460

um I didn't know that they Pace as well

599

00:23:30,950 --> 00:23:28,260

so that's interesting

600

00:23:32,570 --> 00:23:30,960

oh yeah that place you and then another

601
00:23:35,090 --> 00:23:32,580
thing that a lot of people don't really

602
00:23:37,789 --> 00:23:35,100
talk about like um you know with dog man

603
00:23:39,590 --> 00:23:37,799
they Bigfoot too but like a lot of

604
00:23:43,549 --> 00:23:39,600
people don't realize it's sometimes

605
00:23:45,169 --> 00:23:43,559
because people ask well why why is it

606
00:23:47,390 --> 00:23:45,179
that you don't see them when you're out

607
00:23:49,010 --> 00:23:47,400
in the woods why do I I've been out

608
00:23:51,470 --> 00:23:49,020
there hunting all my life and I've never

609
00:23:52,970 --> 00:23:51,480
seen a you know a dog man and while I'm

610
00:23:54,470 --> 00:23:52,980
out there well a lot of the times people

611
00:23:57,049 --> 00:23:54,480
don't realize like I said before they

612
00:23:58,490 --> 00:23:57,059
blend in so well they blend in so well

613
00:24:01,210 --> 00:23:58,500

to the point that a lot of times you can

614

00:24:03,649 --> 00:24:01,220

be standing right next to next to one

615

00:24:05,930 --> 00:24:03,659

and not only that I do believe that they

616

00:24:07,789 --> 00:24:05,940

can cloak and I do believe in the wood I

617

00:24:10,310 --> 00:24:07,799

do things and they can go into invisible

618

00:24:12,049 --> 00:24:10,320

at times and then I also think that a

619

00:24:14,570 --> 00:24:12,059

lot of times they are in the trees a lot

620

00:24:16,370 --> 00:24:14,580

of the times that I've taken video or

621

00:24:19,250 --> 00:24:16,380

pictures of them they're in the trees or

622

00:24:21,230 --> 00:24:19,260

hiding behind trees they're always

623

00:24:23,149 --> 00:24:21,240

um just I don't know why they do that

624

00:24:24,770 --> 00:24:23,159

but I guess they don't want to be seen

625

00:24:26,690 --> 00:24:24,780

but as long as they stay in a safe

626

00:24:29,630 --> 00:24:26,700

enough distance

627

00:24:31,250 --> 00:24:29,640

um you know because it's just there's

628

00:24:33,169 --> 00:24:31,260

something to it it's something more than

629

00:24:34,549 --> 00:24:33,179

what we're being told and I think that

630

00:24:37,070 --> 00:24:34,559

the government knows about these

631

00:24:38,149 --> 00:24:37,080

creatures I think that they do have some

632

00:24:39,770 --> 00:24:38,159

of these things in underground

633

00:24:41,510 --> 00:24:39,780

facilities

634

00:24:43,789 --> 00:24:41,520

um people think if they bring in a body

635

00:24:45,710 --> 00:24:43,799

and that's going to

636

00:24:47,270 --> 00:24:45,720

um prove it and I just feel like that's

637

00:24:50,510 --> 00:24:47,280

not going to prove anything because it's

638

00:24:52,549 --> 00:24:50,520

never going to see the light of day not

639

00:24:53,930 --> 00:24:52,559

um publicly like they want it to happen

640

00:24:56,149 --> 00:24:53,940

it's not because they already know these

641

00:25:00,770 --> 00:24:56,159

things exist Bigfoot too

642

00:25:02,450 --> 00:25:00,780

I agree 100 I know I'm sorry go ahead

643

00:25:04,190 --> 00:25:02,460

well I was just going to say like the

644

00:25:06,289 --> 00:25:04,200

reason I feel like they they do know

645

00:25:08,270 --> 00:25:06,299

about this is because for one like if

646

00:25:10,070 --> 00:25:08,280

you look at Bigfoot like New York State

647

00:25:11,510 --> 00:25:10,080

and Washington State they actually have

648

00:25:14,029 --> 00:25:11,520

it in their laws that it's illegal to

649

00:25:15,649 --> 00:25:14,039

kill a Bigfoot that's actually in their

650

00:25:17,090 --> 00:25:15,659

law so why would you put that in there

651

00:25:19,789 --> 00:25:17,100

if that's not something that's actually

652

00:25:21,830 --> 00:25:19,799

real and then law enforcement and uh

653

00:25:23,690 --> 00:25:21,840

what you call the DNR Park Rangers and

654

00:25:25,310 --> 00:25:23,700

stuff like that they know about these

655

00:25:27,669 --> 00:25:25,320

things too they're told not to discuss

656

00:25:30,169 --> 00:25:27,679

it and a lot of times people will get

657

00:25:33,190 --> 00:25:30,179

eyewitnesses or people who report these

658

00:25:39,350 --> 00:25:33,200

things are often told no you saw a bear

659

00:25:43,430 --> 00:25:41,450

yeah I was going to say uh Matt Knapp

660

00:25:45,890 --> 00:25:43,440

the aforementioned uh who's a Bigfoot

661

00:25:48,769 --> 00:25:45,900

Crossroad sent me an ordinance from

662

00:25:51,830 --> 00:25:48,779

Suwanee County Florida that says that

663

00:25:52,789 --> 00:25:51,840

you may not Harvest a skunk ape or swamp

664

00:25:55,610 --> 00:25:52,799

ape

665

00:25:57,049 --> 00:25:55,620

so it's pretty pretty explicit there uh

666

00:25:58,370 --> 00:25:57,059

that's a County ordinance but

667

00:25:59,630 --> 00:25:58,380

nonetheless it means they know they're

668

00:26:01,250 --> 00:25:59,640

there and they're telling you they know

669

00:26:03,049 --> 00:26:01,260

they're there

670

00:26:04,909 --> 00:26:03,059

um I want to we have to get to your

671

00:26:06,710 --> 00:26:04,919

encounter because that is a fascinating

672

00:26:11,029 --> 00:26:06,720

one but before I do that I have to turn

673

00:26:14,029 --> 00:26:11,039

it over to Debs okay yeah so you when we

674

00:26:16,730 --> 00:26:14,039

mentioned before that you know there's

675

00:26:18,070 --> 00:26:16,740

some divide in the UFO Community where

676
00:26:20,630 --> 00:26:18,080
they're not as

677
00:26:23,810 --> 00:26:20,640
inclusive with Cryptids but I notice

678
00:26:26,570 --> 00:26:23,820
when I listened to Cryptid

679
00:26:30,110 --> 00:26:26,580
um chats or when I listen to their

680
00:26:32,870 --> 00:26:30,120
podcast they often talk about entities

681
00:26:36,230 --> 00:26:32,880
that are called alien or we call them

682
00:26:38,450 --> 00:26:36,240
non-human intelligence often so to me

683
00:26:40,070 --> 00:26:38,460
everything's Blended together and you

684
00:26:42,590 --> 00:26:40,080
hear a lot about Cryptids actually

685
00:26:44,269 --> 00:26:42,600
interacting with each other and some of

686
00:26:47,269 --> 00:26:44,279
those symptoms you just described are

687
00:26:50,149 --> 00:26:47,279
pretty much like parallel to encounters

688
00:26:51,950 --> 00:26:50,159

people have with entities so do you feel

689

00:26:55,549 --> 00:26:51,960

like when when you are talking about

690

00:26:58,610 --> 00:26:55,559

Cryptids there's more inclusion for that

691

00:27:01,370 --> 00:26:58,620

alien quote unquote alien

692

00:27:03,350 --> 00:27:01,380

um or non-human intelligence engines and

693

00:27:06,710 --> 00:27:03,360

that maybe there's a reason for those

694

00:27:06,720 --> 00:27:13,070

yes

695

00:27:19,070 --> 00:27:15,110

I don't think it's strange that a lot of

696

00:27:21,769 --> 00:27:19,080

people who have had sightings of Bigfoot

697

00:27:26,029 --> 00:27:21,779

or dog man or any other crypt that have

698

00:27:29,210 --> 00:27:26,039

also had UFO sightings or

699

00:27:30,830 --> 00:27:29,220

um or alien abductees or have the graves

700

00:27:33,049 --> 00:27:30,840

come in and have these nighttime

701
00:27:35,750 --> 00:27:33,059
visitations with them some people a lot

702
00:27:37,850 --> 00:27:35,760
of us also have paranormal activity in

703
00:27:39,289 --> 00:27:37,860
our homes entities and stuff like that

704
00:27:41,450 --> 00:27:39,299
coming in different stuff sleep

705
00:27:43,610 --> 00:27:41,460
paralysis and stuff like that going on I

706
00:27:46,190 --> 00:27:43,620
do think there's a correlation between

707
00:27:47,750 --> 00:27:46,200
that I do know that in a lot of Bigfoot

708
00:27:49,130 --> 00:27:47,760
and Dogma inside it was encrypted

709
00:27:52,549 --> 00:27:49,140
sightings

710
00:27:55,250 --> 00:27:52,559
um orbs lights in the sky UFOs have been

711
00:27:58,070 --> 00:27:55,260
reported over those same areas as well

712
00:28:00,350 --> 00:27:58,080
and so there's even been cases where

713
00:28:02,570 --> 00:28:00,360

there were times when UFOs have landed

714

00:28:04,850 --> 00:28:02,580

in the field right and we're dominant

715

00:28:06,289 --> 00:28:04,860

Bigfoot activities going on so I do

716

00:28:08,810 --> 00:28:06,299

absolutely think that there's a

717

00:28:11,210 --> 00:28:08,820

correlation between that and

718

00:28:12,950 --> 00:28:11,220

the similarities between what you were

719

00:28:15,230 --> 00:28:12,960

saying before a lot of the people who

720

00:28:17,870 --> 00:28:15,240

have been abducted by aliens or have the

721

00:28:22,310 --> 00:28:17,880

grades to show up in their home

722

00:28:24,230 --> 00:28:22,320

um sometimes talk about a as far as the

723

00:28:26,510 --> 00:28:24,240

abductees as far as aliens are concerned

724

00:28:29,269 --> 00:28:26,520

I've heard people report like um about

725

00:28:31,490 --> 00:28:29,279

odor Left Behind after the fact

726

00:28:33,230 --> 00:28:31,500

um you know feel like some type of

727

00:28:34,970 --> 00:28:33,240

electrical Buzz In The Air Sometimes

728

00:28:36,830 --> 00:28:34,980

they'll talk about a smell of sulfur in

729

00:28:38,570 --> 00:28:36,840

the air Left Behind

730

00:28:40,930 --> 00:28:38,580

um so if you take that then you've got

731

00:28:43,190 --> 00:28:40,940

that same thing when you've got

732

00:28:46,070 --> 00:28:43,200

paranormal activity in your homes like

733

00:28:48,169 --> 00:28:46,080

more of the dark or negative energies or

734

00:28:50,149 --> 00:28:48,179

negative energies or demons and stuff

735

00:28:52,010 --> 00:28:50,159

like that a lot of times those same

736

00:28:55,070 --> 00:28:52,020

things will also be reported in the home

737

00:28:57,230 --> 00:28:55,080

as well as smells rotting meat and then

738

00:28:59,330 --> 00:28:57,240

you have different stuff like that that

739

00:29:01,010 --> 00:28:59,340

goes on that correlates with what you

740

00:29:02,269 --> 00:29:01,020

hear about it when it comes to Bigfoot

741

00:29:04,669 --> 00:29:02,279

and Dogman and I'm not saying that

742

00:29:06,289 --> 00:29:04,679

that's the case I don't think that I'm

743

00:29:08,750 --> 00:29:06,299

not sure but I can't say that they're

744

00:29:10,850 --> 00:29:08,760

demonic or or what they are I do know

745

00:29:12,890 --> 00:29:10,860

that there's something about them that's

746

00:29:15,350 --> 00:29:12,900

just not like any other animal but they

747

00:29:17,570 --> 00:29:15,360

do have a paranormal nature to them um

748

00:29:21,230 --> 00:29:17,580

because they they can do things that the

749

00:29:23,750 --> 00:29:21,240

bar I guess what we call Natural

750

00:29:25,909 --> 00:29:23,760

and as well as the smells that come from

751
00:29:28,310 --> 00:29:25,919
them you know so that's why like you

752
00:29:29,930 --> 00:29:28,320
have the skunk Aid you hear stuff like

753
00:29:31,430 --> 00:29:29,940
that well they smell terrible they smell

754
00:29:33,110 --> 00:29:31,440
horrendous same thing with dog man

755
00:29:36,649 --> 00:29:33,120
there's different things that go with

756
00:29:39,409 --> 00:29:36,659
these things just like UFOs aliens are

757
00:29:40,930 --> 00:29:39,419
able to appear and disappear at will if

758
00:29:43,510 --> 00:29:40,940
you wake up during one of these

759
00:29:46,730 --> 00:29:43,520
abductions or sightings in your room

760
00:29:48,710 --> 00:29:46,740
they can actually dissipate right before

761
00:29:50,870 --> 00:29:48,720
you same thing with big fitted dog man

762
00:29:52,070 --> 00:29:50,880
some people actually have um I don't

763
00:29:54,769 --> 00:29:52,080

know if that's what they would call the

764

00:29:55,970 --> 00:29:54,779

Ethereal dog man or Bigfoot but there's

765

00:29:58,130 --> 00:29:55,980

people who actually have them to

766

00:30:00,409 --> 00:29:58,140

manifest in their homes as well so it's

767

00:30:02,990 --> 00:30:00,419

a lot of correlation there and I think

768

00:30:05,690 --> 00:30:03,000

it's all related some kind of way

769

00:30:07,490 --> 00:30:05,700

I actually think that they can manifest

770

00:30:09,409 --> 00:30:07,500

you however whatever your researching

771

00:30:11,630 --> 00:30:09,419

whatever you're looking into they can

772

00:30:13,490 --> 00:30:11,640

appear at any time so that's my thoughts

773

00:30:15,350 --> 00:30:13,500

on that

774

00:30:17,210 --> 00:30:15,360

you know and just being that you're

775

00:30:19,490 --> 00:30:17,220

Regional we could do some sort of a

776

00:30:22,190 --> 00:30:19,500

skunk ape Outreach where we offer body

777

00:30:23,630 --> 00:30:22,200

wash we can Spritz with some cologne we

778

00:30:25,370 --> 00:30:23,640

may be able to help them with this odor

779

00:30:30,970 --> 00:30:25,380

I mean I think it's the human thing to

780

00:30:34,789 --> 00:30:33,350

they actually have a Sasquatch soap

781

00:30:36,169 --> 00:30:34,799

somebody was telling me about that not

782

00:30:38,750 --> 00:30:36,179

too long ago I thought it was hilarious

783

00:30:40,370 --> 00:30:38,760

I think they sell it at Walmart I'm

784

00:30:41,990 --> 00:30:40,380

gonna tell you these guys both these

785

00:30:44,510 --> 00:30:42,000

guys when I saw them in New York City

786

00:30:46,310 --> 00:30:44,520

they both got African black soap for

787

00:30:49,070 --> 00:30:46,320

Christmas and I will use nothing else

788

00:30:51,350 --> 00:30:49,080

but that man that stuff get it uh from

789

00:30:53,269 --> 00:30:51,360

Ghana is just uh man it's just I hope

790

00:30:55,310 --> 00:30:53,279

you guys liked it I never did ask you

791

00:30:57,889 --> 00:30:55,320

about it but yeah that's what I use and

792

00:31:00,889 --> 00:30:57,899

also we haven't shown you this yet but

793

00:31:03,230 --> 00:31:00,899

you know at the end of this episode uh

794

00:31:06,049 --> 00:31:03,240

this is uh right

795

00:31:08,870 --> 00:31:06,059

DJ organic skin care formula and yes

796

00:31:11,830 --> 00:31:08,880

that yeah and that is Nathan on the

797

00:31:16,570 --> 00:31:11,840

cover so uh you will get one of these uh

798

00:31:22,250 --> 00:31:19,730

yes I definitely like that I mean that

799

00:31:24,350 --> 00:31:22,260

you will have some ma'am all right uh we

800

00:31:26,090 --> 00:31:24,360

can't go any further without going into

801
00:31:27,769 --> 00:31:26,100
your encounter Miss B you know how

802
00:31:30,830 --> 00:31:27,779
important this is because it's going to

803
00:31:33,350 --> 00:31:30,840
open up other questions about Origins

804
00:31:35,149 --> 00:31:33,360
and about basic feelings you know

805
00:31:36,710 --> 00:31:35,159
there's a there's a lot of things that

806
00:31:38,870 --> 00:31:36,720
happen to a person when they have an

807
00:31:40,310 --> 00:31:38,880
encounter like this and I know that

808
00:31:43,130 --> 00:31:40,320
you've had you've told this I heard you

809
00:31:45,470 --> 00:31:43,140
tell it on um with Brian on Sasquatch

810
00:31:47,090 --> 00:31:45,480
Odyssey I would love to hear you tell it

811
00:31:49,430 --> 00:31:47,100
here for our audience there's a lot of

812
00:31:51,710 --> 00:31:49,440
UFO people that are really not familiar

813
00:31:54,830 --> 00:31:51,720

and um we're gonna get familiar we're

814

00:31:57,169 --> 00:31:54,840

gonna get educated here tonight so go

815

00:31:59,510 --> 00:31:57,179

ahead Miss B taking away

816

00:32:00,769 --> 00:31:59,520

all right so I'm told my encounter

817

00:32:03,529 --> 00:32:00,779

several times

818

00:32:04,789 --> 00:32:03,539

um from 2020 to now but my encounter

819

00:32:07,010 --> 00:32:04,799

basically

820

00:32:08,330 --> 00:32:07,020

um in north Alabama and during my

821

00:32:11,389 --> 00:32:08,340

encounter

822

00:32:14,029 --> 00:32:11,399

um it was hunting season 2013 November

823

00:32:16,909 --> 00:32:14,039

2013 to be exact and I was married at

824

00:32:19,310 --> 00:32:16,919

the time my husband at that time he

825

00:32:22,190 --> 00:32:19,320

would go hunting sometimes three or four

826
00:32:24,350 --> 00:32:22,200
days and so when he'd go hunting I would

827
00:32:26,029 --> 00:32:24,360
instead of staying three or four days at

828
00:32:27,950 --> 00:32:26,039
the house by myself me and my little dog

829
00:32:29,870 --> 00:32:27,960
I'll pick her up we'd leave and spend

830
00:32:32,389 --> 00:32:29,880
the weekend at my parents house they

831
00:32:35,029 --> 00:32:32,399
lived about 45 minutes away from us so

832
00:32:38,330 --> 00:32:35,039
I'd spend the weekend over there and

833
00:32:39,830 --> 00:32:38,340
I'm always extra so like I always pack a

834
00:32:42,230 --> 00:32:39,840
whole bunch of stuff to take with me and

835
00:32:44,630 --> 00:32:42,240
this is all important because basically

836
00:32:46,070 --> 00:32:44,640
it took me forever that night to kind of

837
00:32:47,810 --> 00:32:46,080
gather my stuff out of the car and I'm

838
00:32:50,930 --> 00:32:47,820

glad it did

839

00:32:52,430 --> 00:32:50,940

um but I'll get to that mistaken so we

840

00:32:55,430 --> 00:32:52,440

made it to the town that my parents

841

00:32:57,110 --> 00:32:55,440

lived in 45 minutes away and just to

842

00:32:58,190 --> 00:32:57,120

kind of build it up for you guys so you

843

00:33:00,529 --> 00:32:58,200

know what it looks like if you're

844

00:33:03,169 --> 00:33:00,539

turning off the main Highway and you

845

00:33:04,730 --> 00:33:03,179

turn right into make a right into their

846

00:33:06,169 --> 00:33:04,740

neighborhood on the end of the

847

00:33:08,870 --> 00:33:06,179

neighborhood that they lived on it was a

848

00:33:10,549 --> 00:33:08,880

cul-de-sac so it ends up like in a dead

849

00:33:11,870 --> 00:33:10,559

end on that end of the neighborhood but

850

00:33:13,549 --> 00:33:11,880

if you would have turned off that main

851
00:33:14,810 --> 00:33:13,559
road and made a left you're going down

852
00:33:16,370 --> 00:33:14,820
into the neighborhood where the rest of

853
00:33:19,310 --> 00:33:16,380
the houses are on the end where they

854
00:33:21,350 --> 00:33:19,320
lived there's about five or six houses

855
00:33:23,450 --> 00:33:21,360
and they had um they didn't have a

856
00:33:25,070 --> 00:33:23,460
garage but they had a carport they had

857
00:33:27,950 --> 00:33:25,080
that they had built on like probably

858
00:33:30,590 --> 00:33:27,960
back in the 90s so two of their vehicles

859
00:33:31,970 --> 00:33:30,600
like are underneath this lattice carport

860
00:33:33,889 --> 00:33:31,980
and then there's an extended driveway

861
00:33:36,230 --> 00:33:33,899
over to the side of my dad's truck would

862
00:33:38,570 --> 00:33:36,240
always be parked over there so that left

863
00:33:40,850 --> 00:33:38,580

me to have to park on the street below

864

00:33:43,310 --> 00:33:40,860

like underneath underneath this big Oak

865

00:33:45,110 --> 00:33:43,320

Tree on the sidewalk next to that

866

00:33:47,210 --> 00:33:45,120

so

867

00:33:49,430 --> 00:33:47,220

on that end of the cul-de-sac under that

868

00:33:51,289 --> 00:33:49,440

tree that I'm parked next to my

869

00:33:52,909 --> 00:33:51,299

headlights are facing Straight Ahead

870

00:33:55,549 --> 00:33:52,919

like from where I'm parked I hadn't cut

871

00:33:57,889 --> 00:33:55,559

the car off yet and the there's a like

872

00:34:00,590 --> 00:33:57,899

the whole area behind their backyard is

873

00:34:02,930 --> 00:34:00,600

the woods and there's a trail that leads

874

00:34:04,789 --> 00:34:02,940

into the woods and my headlights are you

875

00:34:06,529 --> 00:34:04,799

know pointing straight towards that

876

00:34:08,389 --> 00:34:06,539

trail on

877

00:34:10,730 --> 00:34:08,399

this not normally

878

00:34:13,790 --> 00:34:10,740

when I will get out right away I'll get

879

00:34:15,889 --> 00:34:13,800

out and go around to the passenger side

880

00:34:17,570 --> 00:34:15,899

front seat open the door get out the

881

00:34:19,490 --> 00:34:17,580

stuff that I've got over there and then

882

00:34:23,210 --> 00:34:19,500

go back to the back seat and get my

883

00:34:24,950 --> 00:34:23,220

suitcase out but on this night

884

00:34:26,570 --> 00:34:24,960

um I don't know why maybe because it was

885

00:34:28,129 --> 00:34:26,580

super dark out there it was about eight

886

00:34:29,210 --> 00:34:28,139

o'clock at night but it was still dark

887

00:34:30,589 --> 00:34:29,220

because there was some street lights

888

00:34:31,909 --> 00:34:30,599

down there on that end of the

889

00:34:34,970 --> 00:34:31,919

neighborhood

890

00:34:37,190 --> 00:34:34,980

on this night I did not get out right

891

00:34:39,290 --> 00:34:37,200

away I gathered

892

00:34:41,329 --> 00:34:39,300

um my makeup box and other little things

893

00:34:43,849 --> 00:34:41,339

that I had on the floor in the past and

894

00:34:45,109 --> 00:34:43,859

the front seat and um on the floor and

895

00:34:47,149 --> 00:34:45,119

in the front seat I gathered those

896

00:34:48,649 --> 00:34:47,159

things from inside the car headlights

897

00:34:52,010 --> 00:34:48,659

are still on I hadn't cut the car off

898

00:34:53,810 --> 00:34:52,020

yet and that was just so that I could

899

00:34:55,490 --> 00:34:53,820

spend the least amount of time on the

900

00:34:58,310 --> 00:34:55,500

outside of the car as possible because

901
00:35:01,070 --> 00:34:58,320
for whatever reason that night I just I

902
00:35:03,170 --> 00:35:01,080
don't know why I never thought about the

903
00:35:04,790 --> 00:35:03,180
ever seeing a dog man but for whatever

904
00:35:07,310 --> 00:35:04,800
reason that night I guess I just wasn't

905
00:35:08,990 --> 00:35:07,320
supposed to get out

906
00:35:10,250 --> 00:35:09,000
um but I have been listening to the

907
00:35:11,870 --> 00:35:10,260
Dogman encounters and I've been

908
00:35:13,910 --> 00:35:11,880
listening for years and like you know

909
00:35:15,410 --> 00:35:13,920
stuff like that so maybe somewhere in my

910
00:35:17,210 --> 00:35:15,420
subconscious it was at the back of my

911
00:35:19,490 --> 00:35:17,220
mind or maybe it was just dark nobody

912
00:35:20,990 --> 00:35:19,500
else is outside but whatever reason

913
00:35:23,390 --> 00:35:21,000

uh

914

00:35:25,010 --> 00:35:23,400

gathered my stuff and as I looked up

915

00:35:27,530 --> 00:35:25,020

after a few minutes Gathering everything

916

00:35:29,150 --> 00:35:27,540

I needed from the passenger seat I look

917

00:35:31,190 --> 00:35:29,160

up and I look straight ahead and when I

918

00:35:33,589 --> 00:35:31,200

look straight ahead I just remember

919

00:35:35,690 --> 00:35:33,599

thinking to myself oh my God I know

920

00:35:37,490 --> 00:35:35,700

that's not what I think it is

921

00:35:39,230 --> 00:35:37,500

and so you know you think Your Mind is

922

00:35:42,290 --> 00:35:39,240

Playing Tricks on you so I put the high

923

00:35:45,109 --> 00:35:42,300

beams on when I put the high beams on

924

00:35:47,150 --> 00:35:45,119

what I saw like I couldn't believe it

925

00:35:49,730 --> 00:35:47,160

like my worst fears would confirm like

926

00:35:52,190 --> 00:35:49,740

I'm looking at a dog man right now like

927

00:35:55,849 --> 00:35:52,200

I can't believe this so I got this whole

928

00:35:57,589 --> 00:35:55,859

feeling like I'm in shock and awe and at

929

00:36:00,589 --> 00:35:57,599

the same time I'm terrified too because

930

00:36:03,650 --> 00:36:00,599

I'm like oh crap there's nobody else

931

00:36:05,630 --> 00:36:03,660

outside right now number one number two

932

00:36:07,849 --> 00:36:05,640

like sometimes my automatic car doors

933

00:36:09,230 --> 00:36:07,859

would not lock so I thought that this

934

00:36:10,670 --> 00:36:09,240

would be one of those times that it

935

00:36:12,650 --> 00:36:10,680

didn't lock and if that thing walks over

936

00:36:15,230 --> 00:36:12,660

here then maybe it's probably gonna try

937

00:36:17,470 --> 00:36:15,240

to open the door number three the size

938

00:36:20,329 --> 00:36:17,480

of it and

939

00:36:22,550 --> 00:36:20,339

it's just I couldn't believe it so if

940

00:36:25,069 --> 00:36:22,560

you think about dog man the first thing

941

00:36:26,030 --> 00:36:25,079

that if I had to explain to somebody if

942

00:36:27,470 --> 00:36:26,040

you were telling somebody who didn't

943

00:36:28,550 --> 00:36:27,480

know about dogs man and they asked you

944

00:36:32,030 --> 00:36:28,560

what does that look like you're gonna

945

00:36:34,069 --> 00:36:32,040

basically say I saw a werewolf right I'm

946

00:36:36,290 --> 00:36:34,079

looking at something that has its back

947

00:36:38,329 --> 00:36:36,300

to me before I put the high beams on it

948

00:36:40,849 --> 00:36:38,339

the dog man already it was it was never

949

00:36:43,670 --> 00:36:40,859

on all fours it was on two feet to begin

950

00:36:46,069 --> 00:36:43,680

with it had its back to me

951

00:36:48,410 --> 00:36:46,079

it's pitch black on that end of the um

952

00:36:50,510 --> 00:36:48,420

neighborhood so it's got its back to me

953

00:36:52,790 --> 00:36:50,520

and I think what happened was is that

954

00:36:54,770 --> 00:36:52,800

usually since that's a cul-de-sac and on

955

00:36:56,150 --> 00:36:54,780

that end of the road there's only four

956

00:36:57,829 --> 00:36:56,160

or five houses down there I think that

957

00:37:00,109 --> 00:36:57,839

they watch the houses and they know

958

00:37:02,690 --> 00:37:00,119

who's coming and going what time to come

959

00:37:04,490 --> 00:37:02,700

out and be roaming around and who's

960

00:37:06,230 --> 00:37:04,500

coming out and who's not I think I

961

00:37:08,450 --> 00:37:06,240

caught that thing off guard that night

962

00:37:10,370 --> 00:37:08,460

and I'm gonna go straight into what why

963

00:37:12,410 --> 00:37:10,380

I think I saw that and what happened

964

00:37:14,750 --> 00:37:12,420

I think I caught it off guard and I

965

00:37:16,970 --> 00:37:14,760

think it just came out from where it was

966

00:37:18,950 --> 00:37:16,980

getting ready I think it was in this

967

00:37:21,109 --> 00:37:18,960

tree that it was standing in front of I

968

00:37:22,970 --> 00:37:21,119

seen it full body head to toe I think it

969

00:37:24,710 --> 00:37:22,980

just came out of that tree I think when

970

00:37:26,870 --> 00:37:24,720

I pulled up to that curve I think what

971

00:37:29,329 --> 00:37:26,880

happened was that this thing

972

00:37:31,370 --> 00:37:29,339

paused and just stood there and felt

973

00:37:32,870 --> 00:37:31,380

like if I stand still long enough that

974

00:37:34,609 --> 00:37:32,880

they'll cut the car in a minute this

975

00:37:36,829 --> 00:37:34,619

person won't see me but I put the high

976
00:37:41,810 --> 00:37:36,839
beams on it when I put the high beams on

977
00:37:44,630 --> 00:37:41,820
this dog man it turned around to face me

978
00:37:46,430 --> 00:37:44,640
now when y'all look at a regular if you

979
00:37:48,109 --> 00:37:46,440
put your high beams on a dog or any

980
00:37:50,210 --> 00:37:48,119
other animal coyote or something like

981
00:37:54,170 --> 00:37:50,220
that it might look back and look at the

982
00:37:55,910 --> 00:37:54,180
car it doesn't have like maybe some dogs

983
00:37:58,790 --> 00:37:55,920
do but for the most part it doesn't have

984
00:38:01,910 --> 00:37:58,800
the wear with all of the knowledge

985
00:38:04,609 --> 00:38:01,920
um to know to look straight at you into

986
00:38:07,430 --> 00:38:04,619
the windshield straight into your eyes

987
00:38:09,950 --> 00:38:07,440
in the driver's seat it kept eye contact

988
00:38:11,690 --> 00:38:09,960

I mean from eight to ten seconds

989

00:38:13,910 --> 00:38:11,700

this thing

990

00:38:15,410 --> 00:38:13,920

at this point in time like I had a tear

991

00:38:17,750 --> 00:38:15,420

rolling down my eye

992

00:38:20,329 --> 00:38:17,760

and I'm gonna explain it to you first

993

00:38:21,950 --> 00:38:20,339

and I'll tell you what what thought went

994

00:38:23,510 --> 00:38:21,960

to my head and to this day I didn't

995

00:38:25,190 --> 00:38:23,520

write it down so I don't remember if I

996

00:38:26,329 --> 00:38:25,200

said this out loud or if I thought it in

997

00:38:28,370 --> 00:38:26,339

my head

998

00:38:30,050 --> 00:38:28,380

but I'll go ahead and say that part

999

00:38:31,730 --> 00:38:30,060

first I can't remember if I said it out

1000

00:38:35,450 --> 00:38:31,740

loud or if I thought it in my head but I

1001

00:38:37,730 --> 00:38:35,460

do remember what what was said by Me was

1002

00:38:39,890 --> 00:38:37,740

oh my God please don't let that thing

1003

00:38:41,990 --> 00:38:39,900

walk over here this would be the time

1004

00:38:44,089 --> 00:38:42,000

that this thing opens the door the door

1005

00:38:49,010 --> 00:38:44,099

won't lock and the next thing I heard in

1006

00:38:52,190 --> 00:38:49,020

my head was oh it's just you no big deal

1007

00:38:53,930 --> 00:38:52,200

and just as casually as you want to and

1008

00:38:54,710 --> 00:38:53,940

then for those out there listening right

1009

00:38:56,150 --> 00:38:54,720

now I'm gonna give you all the

1010

00:38:59,210 --> 00:38:56,160

description what this dog man looked

1011

00:39:02,030 --> 00:38:59,220

like but just as casual as if nothing

1012

00:39:03,410 --> 00:39:02,040

ever happened it turned its back it

1013

00:39:06,109 --> 00:39:03,420

didn't go on all fours it didn't take

1014

00:39:08,569 --> 00:39:06,119

off running or anything like that okay

1015

00:39:10,010 --> 00:39:08,579

actually and continued on its original

1016

00:39:11,630 --> 00:39:10,020

path where I think it was getting ready

1017

00:39:13,670 --> 00:39:11,640

to go which was down that trail further

1018

00:39:16,490 --> 00:39:13,680

back into the woods

1019

00:39:17,990 --> 00:39:16,500

um before I captured it but it I think

1020

00:39:20,270 --> 00:39:18,000

the reason it turned and looked because

1021

00:39:22,550 --> 00:39:20,280

I spotlighted it by putting the high

1022

00:39:24,349 --> 00:39:22,560

beam so it's like let me see who this is

1023

00:39:28,069 --> 00:39:24,359

and what they're doing

1024

00:39:29,870 --> 00:39:28,079

so I basically put it on blast now what

1025

00:39:32,870 --> 00:39:29,880

I'm looking at when it turns to face me

1026
00:39:34,310 --> 00:39:32,880
this is a jet black dog man that any I'm

1027
00:39:35,810 --> 00:39:34,320
gonna say about eight and a half nine

1028
00:39:37,430 --> 00:39:35,820
feet tall

1029
00:39:38,210 --> 00:39:37,440
um it didn't have the German Shepherd

1030
00:39:40,550 --> 00:39:38,220
head

1031
00:39:43,010 --> 00:39:40,560
um with the elongated snout it had a

1032
00:39:45,349 --> 00:39:43,020
head more like a Rottweiler or a Pit

1033
00:39:47,270 --> 00:39:45,359
Bull or you know some type of dog with

1034
00:39:48,829 --> 00:39:47,280
that type of face a Mastiff something

1035
00:39:51,470 --> 00:39:48,839
like that

1036
00:39:53,450 --> 00:39:51,480
short snout it didn't have the pointy

1037
00:39:56,030 --> 00:39:53,460
ears on top of his head the ears were

1038
00:39:58,370 --> 00:39:56,040

more cropped type ears it didn't have

1039

00:40:01,550 --> 00:39:58,380

the Amber eyes the eyes were like a

1040

00:40:03,530 --> 00:40:01,560

really beautiful like a turquoise blue

1041

00:40:05,870 --> 00:40:03,540

but luminescent like glowing from within

1042

00:40:08,690 --> 00:40:05,880

lots of glowing Amber eyes but this is

1043

00:40:11,329 --> 00:40:08,700

like a turquoise blue it had the upper

1044

00:40:14,210 --> 00:40:11,339

body of a bodybuilder

1045

00:40:15,950 --> 00:40:14,220

um this thing was massive once the upper

1046

00:40:18,410 --> 00:40:15,960

body of a bodybuilder I mean it had the

1047

00:40:20,870 --> 00:40:18,420

picks it had the ABS it had the muscular

1048

00:40:22,910 --> 00:40:20,880

arms it had um what do you call it the

1049

00:40:24,829 --> 00:40:22,920

biceps and the muscular biceps and at

1050

00:40:27,589 --> 00:40:24,839

the long lower arm

1051

00:40:31,490 --> 00:40:27,599

it had the hot style legs tapered waist

1052

00:40:33,470 --> 00:40:31,500

so I'm looking at all this so that once

1053

00:40:36,770 --> 00:40:33,480

this incident happens and it said oh

1054

00:40:38,150 --> 00:40:36,780

it's just you no big deal I think it was

1055

00:40:40,430 --> 00:40:38,160

letting me know it wasn't a threat and

1056

00:40:41,810 --> 00:40:40,440

it just walked away Miss B before you

1057

00:40:43,670 --> 00:40:41,820

get too far away from that because I

1058

00:40:46,790 --> 00:40:43,680

find that very fascinating

1059

00:40:50,870 --> 00:40:46,800

do do you does that indicate you and by

1060

00:40:52,250 --> 00:40:50,880

the way coin is it coin 777 has a good

1061

00:40:53,750 --> 00:40:52,260

question there's there's some questions

1062

00:40:55,670 --> 00:40:53,760

in there Jules and we'll try to get to

1063

00:40:57,770 --> 00:40:55,680

those do you feel like you have a

1064

00:40:59,089 --> 00:40:57,780

connection with this creature has a

1065

00:41:03,530 --> 00:40:59,099

connection with you you have a

1066

00:41:08,510 --> 00:41:04,870

um

1067

00:41:10,790 --> 00:41:08,520

no I think because that's not the vert

1068

00:41:13,130 --> 00:41:10,800

that's just the first one I saw I saw

1069

00:41:16,910 --> 00:41:13,140

multiple ones from that point all the

1070

00:41:19,010 --> 00:41:16,920

way up to 2022 what I think is is that

1071

00:41:24,470 --> 00:41:22,010

I think what that thing when it said oh

1072

00:41:25,970 --> 00:41:24,480

it's just you no big deal I didn't think

1073

00:41:28,130 --> 00:41:25,980

about what that meant at the time until

1074

00:41:29,930 --> 00:41:28,140

later on I haven't interviewed more

1075

00:41:32,030 --> 00:41:29,940

eyewitnesses to start my own show and

1076

00:41:33,890 --> 00:41:32,040

listen to more eyewitness accounts I

1077

00:41:35,810 --> 00:41:33,900

think what that possibly could have

1078

00:41:38,450 --> 00:41:35,820

meant my parents moved in that house in

1079

00:41:40,370 --> 00:41:38,460

1905 they didn't move out to 2019. so

1080

00:41:42,470 --> 00:41:40,380

either this thing had been there all

1081

00:41:45,770 --> 00:41:42,480

those years or it's been there long

1082

00:41:47,630 --> 00:41:45,780

enough to know that that I came over

1083

00:41:49,310 --> 00:41:47,640

there every weekend it saw me enough

1084

00:41:51,829 --> 00:41:49,320

that it knew who I was oh you're no

1085

00:41:54,890 --> 00:41:51,839

threat oh I'm not worried about you

1086

00:41:57,290 --> 00:41:54,900

so I think that it just knew who I was

1087

00:41:59,930 --> 00:41:57,300

and I think I just happened to know

1088

00:42:02,510 --> 00:41:59,940

about dog man anybody else who lived on

1089

00:42:04,790 --> 00:42:02,520

that other on that same end of the of

1090

00:42:05,990 --> 00:42:04,800

the street I think that it probably

1091

00:42:07,730 --> 00:42:06,000

would have probably had the same

1092

00:42:08,990 --> 00:42:07,740

reaction if one of them it came out too

1093

00:42:11,690 --> 00:42:09,000

because

1094

00:42:13,310 --> 00:42:11,700

it knows who they are they

1095

00:42:15,290 --> 00:42:13,320

've been there for you so I think that's

1096

00:42:16,609 --> 00:42:15,300

just what happened but I also think I've

1097

00:42:20,329 --> 00:42:16,619

heard a lot of people say that they know

1098

00:42:22,370 --> 00:42:20,339

you're intent a lot of times so no I

1099

00:42:24,109 --> 00:42:22,380

don't think that um for whatever reason

1100

00:42:25,609 --> 00:42:24,119

they just allowed me to see them they

1101

00:42:27,470 --> 00:42:25,619

come out and they just stay at a

1102

00:42:31,250 --> 00:42:27,480

distance and I stay at a distance I've

1103

00:42:33,950 --> 00:42:32,329

um

1104

00:42:35,990 --> 00:42:33,960

did you have anything else you wanted to

1105

00:42:37,430 --> 00:42:36,000

ask no no I was just going to say I

1106

00:42:39,230 --> 00:42:37,440

remember hearing that a lot when I was

1107

00:42:42,050 --> 00:42:39,240

single and I was dating as they just say

1108

00:42:43,730 --> 00:42:42,060

oh it's just you when I would call so it

1109

00:42:47,109 --> 00:42:43,740

brings back kind of traumatic memories

1110

00:42:49,910 --> 00:42:47,119

for me but uh let me pass over to Nathan

1111

00:42:51,470 --> 00:42:49,920

yeah some horror some hard times there

1112

00:42:55,210 --> 00:42:51,480

yeah

1113

00:43:00,050 --> 00:42:58,190

so you your experience is amazing and

1114

00:43:02,450 --> 00:43:00,060

you've talked to a lot of people who've

1115

00:43:03,829 --> 00:43:02,460

had their experiences as well you

1116

00:43:06,770 --> 00:43:03,839

mentioned um

1117

00:43:08,030 --> 00:43:06,780

that that Mayans speak or telepathy is a

1118

00:43:10,490 --> 00:43:08,040

fairly common

1119

00:43:12,950 --> 00:43:10,500

uh trait and just talked about that in

1120

00:43:15,050 --> 00:43:12,960

your encounter have you heard of any

1121

00:43:17,750 --> 00:43:15,060

other interesting messages given to

1122

00:43:20,210 --> 00:43:17,760

people from these creatures like Beyond

1123

00:43:21,829 --> 00:43:20,220

just you know don't look over here or

1124

00:43:23,569 --> 00:43:21,839

you're no big deal like anything more

1125

00:43:25,910 --> 00:43:23,579

substantial

1126

00:43:30,230 --> 00:43:28,010

I know

1127

00:43:31,849 --> 00:43:30,240

I wish men have liked a lot there

1128

00:43:34,250 --> 00:43:31,859

because he's he's got some of the best

1129

00:43:37,010 --> 00:43:34,260

Dogman pictures like that I've ever seen

1130

00:43:39,470 --> 00:43:37,020

and he's he goes out he contacts them

1131

00:43:41,809 --> 00:43:39,480

and they actually I mean it he talks to

1132

00:43:43,970 --> 00:43:41,819

them he actually recorded some audio for

1133

00:43:45,770 --> 00:43:43,980

them I can't even explain it but I will

1134

00:43:46,730 --> 00:43:45,780

say that there's been some encounters

1135

00:43:49,370 --> 00:43:46,740

where

1136

00:43:52,309 --> 00:43:49,380

I know one guy for instance his name is

1137

00:43:54,890 --> 00:43:52,319

uh Scott Pace he is a researcher um he

1138

00:43:56,750 --> 00:43:54,900

actually has his own group also on

1139

00:43:58,490 --> 00:43:56,760

Facebook but and I actually interviewed

1140

00:44:00,770 --> 00:43:58,500

him on one of my shows but Scott Pace

1141

00:44:03,230 --> 00:44:00,780

actually talked about the fact while he

1142

00:44:05,990 --> 00:44:03,240

was out in the field hunting he was out

1143

00:44:08,690 --> 00:44:06,000

there and he saw dog man and when he saw

1144

00:44:11,030 --> 00:44:08,700

it he got ready to raise his rifle and

1145

00:44:11,930 --> 00:44:11,040

or when he got ready to raise it it told

1146

00:44:15,050 --> 00:44:11,940

him

1147

00:44:17,270 --> 00:44:15,060

put that gun put it down don't shoot or

1148

00:44:18,770 --> 00:44:17,280

you're gonna die and I've heard this a

1149

00:44:20,450 --> 00:44:18,780

couple of times from eyewitnesses

1150

00:44:21,829 --> 00:44:20,460

talking about that and let them know

1151

00:44:23,990 --> 00:44:21,839

you're gonna die

1152

00:44:26,270 --> 00:44:24,000

um there's times when

1153

00:44:28,250 --> 00:44:26,280

they people have been told whether it

1154

00:44:30,050 --> 00:44:28,260

was Bigfoot or dog man don't take that

1155

00:44:31,670 --> 00:44:30,060

picture they know what phones are they

1156

00:44:33,470 --> 00:44:31,680

know what guns are they know what

1157

00:44:35,750 --> 00:44:33,480

cameras are

1158

00:44:38,150 --> 00:44:35,760

um there's been times when

1159

00:44:40,130 --> 00:44:38,160

people have and this is really strange

1160

00:44:43,430 --> 00:44:40,140

to me but the times when you hear people

1161

00:44:44,930 --> 00:44:43,440

talk about dog man actually having an

1162

00:44:47,450 --> 00:44:44,940

evil grin and they say it's not like

1163

00:44:47,990 --> 00:44:47,460

when your dog actually

1164

00:44:50,750 --> 00:44:48,000

um

1165

00:44:53,569 --> 00:44:50,760

you know has a happy face they say it

1166

00:44:56,630 --> 00:44:53,579

actually looks like it's grinning at

1167

00:44:57,829 --> 00:44:56,640

them like an evil grin with intent in

1168

00:45:00,230 --> 00:44:57,839

its eyes

1169

00:45:02,990 --> 00:45:00,240

and there's times people say well it

1170

00:45:04,910 --> 00:45:03,000

looked like it was looking into my soul

1171

00:45:07,130 --> 00:45:04,920

um there's times when people have said

1172

00:45:09,410 --> 00:45:07,140

that it told them I'm going to get you

1173

00:45:10,910 --> 00:45:09,420

there's different things that people are

1174

00:45:12,829 --> 00:45:10,920

told at different times and it just I

1175

00:45:14,990 --> 00:45:12,839

think depends on what is going on at

1176

00:45:17,930 --> 00:45:15,000

that moment

1177

00:45:20,510 --> 00:45:17,940

um right there there he goes

1178

00:45:26,030 --> 00:45:20,520

I walk within five feet and they allow

1179

00:45:28,010 --> 00:45:26,040

me to d-o-s-o and do so to do so okay

1180

00:45:29,569 --> 00:45:28,020

and you know I'm gonna say the reason I

1181

00:45:31,849 --> 00:45:29,579

think he's having success and you're not

1182

00:45:34,730 --> 00:45:31,859

Miss B he's bringing dog food I

1183

00:45:36,530 --> 00:45:34,740

guarantee man he's bringing a great he

1184

00:45:38,750 --> 00:45:36,540

actually yeah

1185

00:45:40,550 --> 00:45:38,760

go to his channel his channel is a man

1186

00:45:43,309 --> 00:45:40,560

of light but he's got I mean he shared

1187

00:45:45,530 --> 00:45:43,319

some of the best I can't Greg what's the

1188

00:45:47,089 --> 00:45:45,540

name of your group down there too

1189

00:45:48,170 --> 00:45:47,099

um but Greg shares a lot of those

1190

00:45:49,790 --> 00:45:48,180

pictures he's got some of the most

1191

00:45:51,589 --> 00:45:49,800

amazing pictures

1192

00:45:54,770 --> 00:45:51,599

um some of your people were asking um

1193

00:45:57,109 --> 00:45:54,780

have I posted these pictures anywhere um

1194

00:45:58,790 --> 00:45:57,119

and I want to ask y'all I don't know if

1195

00:45:59,990 --> 00:45:58,800

you want me to put them on your page I

1196

00:46:02,030 --> 00:46:00,000

1198

00:46:05,990 --> 00:46:04,020

notes so you can just click on it and go

1213

00:46:37,370 --> 00:46:35,460

right to Miss B that is a standard among

1214

00:46:39,470 --> 00:46:37,380

cabs so you will see that

1215

00:46:41,690 --> 00:46:39,480

okay

1216

00:46:43,550 --> 00:46:41,700

all right let's do if y'all have

1217

00:46:45,349 --> 00:46:43,560

anything else that you want I want to

1218

00:46:48,290 --> 00:46:45,359

pass it to Deb but she's she's next in

1219

00:46:51,589 --> 00:46:48,300

the rotation so yeah so one thing that

1220

00:46:53,390 --> 00:46:51,599

was mentioned earlier and I noticed this

1221

00:46:56,930 --> 00:46:53,400

has also happened with Bigfoot is that

1222

00:46:59,210 --> 00:46:56,940

these Cryptids have like regions that

1223

00:47:00,890 --> 00:46:59,220

they're like attached to that they want

1224

00:47:02,510 --> 00:47:00,900

to stay in like they're it's like their

1225

00:47:04,430 --> 00:47:02,520

territory

1226

00:47:07,010 --> 00:47:04,440

um could you speak more on that for

1227

00:47:09,349 --> 00:47:07,020

people like it we we would call that in

1228

00:47:14,150 --> 00:47:09,359

the UFO Community they call that hot

1229

00:47:15,829 --> 00:47:14,160

spots so is it the same with Cryptids

1230

00:47:18,829 --> 00:47:15,839

yes

1231

00:47:21,470 --> 00:47:18,839

um I do know that the southeast is a hot

1232

00:47:23,690 --> 00:47:21,480

spots they do have you hear a lot of

1233

00:47:26,450 --> 00:47:23,700

Bigfoot activity like some people say

1234

00:47:29,150 --> 00:47:26,460

they think Bigfoot activity is like a

1235

00:47:32,210 --> 00:47:29,160

lot in the Pacific Northwest but that's

1236

00:47:33,890 --> 00:47:32,220

not just only the case I know that um

1237

00:47:35,870 --> 00:47:33,900

the southeast and then there's certain

1238

00:47:38,030 --> 00:47:35,880

areas also like Michigan as well

1239

00:47:41,270 --> 00:47:38,040

Michigan y'all heard of the Michigan dog

1240

00:47:43,190 --> 00:47:41,280

man Michigan uh Wisconsin I think that's

1241

00:47:45,170 --> 00:47:43,200

where the Beast of Bray Road was Linda

1242

00:47:47,750 --> 00:47:45,180

gottfri covered that

1243

00:47:50,270 --> 00:47:47,760

um then the South Alabama Tennessee

1244

00:47:51,950 --> 00:47:50,280

Kentucky Louisiana

1245

00:47:55,370 --> 00:47:51,960

Florida

1246

00:47:57,589 --> 00:47:55,380

um Mississippi these are all

1247

00:47:59,390 --> 00:47:57,599

hot spots Kentucky so I can't remember

1248

00:48:01,430 --> 00:47:59,400

if I said that or not but they're very

1249

00:48:02,809 --> 00:48:01,440

very hot spots we're highly heavily

1250

00:48:04,430 --> 00:48:02,819

wooded areas

1251
00:48:06,349 --> 00:48:04,440
um a lot of times there's water sources

1252
00:48:08,450 --> 00:48:06,359
Rivers Creeks

1253
00:48:09,770 --> 00:48:08,460
um plenty of deer and so there's a lot

1254
00:48:12,109 --> 00:48:09,780
going on with that they have a lot of

1255
00:48:13,970 --> 00:48:12,119
tree cover there's a lot of cave systems

1256
00:48:17,030 --> 00:48:13,980
and stuff like around Kentucky Tennessee

1257
00:48:19,670 --> 00:48:17,040
Alabama and then in Florida Mississippi

1258
00:48:22,130 --> 00:48:19,680
you got swamps Louisiana the swamps and

1259
00:48:24,530 --> 00:48:22,140
stuff like that these are

1260
00:48:27,650 --> 00:48:24,540
these are prime areas for Dogman and

1261
00:48:29,990 --> 00:48:27,660
Bigfoot to be so yeah they there are

1262
00:48:33,290 --> 00:48:30,000
areas anytime you've got a huge water

1263
00:48:35,270 --> 00:48:33,300

source and plenty of food for them to

1264

00:48:36,550 --> 00:48:35,280

eat they're going to be there

1265

00:48:40,790 --> 00:48:36,560

it's awesome

1266

00:48:42,470 --> 00:48:40,800

low property taxes uh lots of fat from

1267

00:48:44,210 --> 00:48:42,480

fast food restaurants so I mean there's

1268

00:48:47,050 --> 00:48:44,220

a lot of attractive dog man can eat

1269

00:48:49,550 --> 00:48:47,060

pretty cheap around here I would say so

1270

00:48:50,870 --> 00:48:49,560

the cold and The Salted roads up there

1271

00:48:52,550 --> 00:48:50,880

in Cleveland they don't want that so

1272

00:48:55,069 --> 00:48:52,560

much

1273

00:48:58,130 --> 00:48:55,079

um so anyway

1274

00:49:00,069 --> 00:48:58,140

um so uh one of the folks put on there

1275

00:49:05,569 --> 00:49:00,079

let me see if I can find this question

1276

00:49:09,050 --> 00:49:05,579

from they oh it's from it's coin 777 I

1277

00:49:11,390 --> 00:49:09,060

think the dog man or werewolf B Moss saw

1278

00:49:14,290 --> 00:49:11,400

was a neighbor of her parents that just

1279

00:49:17,450 --> 00:49:14,300

went through metamorphosis

1280

00:49:19,490 --> 00:49:17,460

how do you feel about I mean we're

1281

00:49:21,349 --> 00:49:19,500

getting into Skinwalker territory when

1282

00:49:23,569 --> 00:49:21,359

we start to talk about that but there

1283

00:49:25,670 --> 00:49:23,579

may be other brands of metamorphosis

1284

00:49:29,329 --> 00:49:25,680

what's your feeling about that Miss B

1285

00:49:34,130 --> 00:49:32,210

um so we're talking about werewolves and

1286

00:49:36,530 --> 00:49:34,140

or dogmen

1287

00:49:38,450 --> 00:49:36,540

well if he's talking about metamorphosis

1288

00:49:41,270 --> 00:49:38,460

that would be a werewolf that's changing

1289

00:49:42,589 --> 00:49:41,280

from a human yeah like because dog man

1290

00:49:44,809 --> 00:49:42,599

is supposed to be something that they

1291

00:49:48,050 --> 00:49:44,819

say is in that form and stays that way

1292

00:49:50,210 --> 00:49:48,060

all the time werewolves that is like

1293

00:49:51,589 --> 00:49:50,220

from Hollywood where there's it's not

1294

00:49:53,510 --> 00:49:51,599

just Hollywood I'm gonna go into like

1295

00:49:55,370 --> 00:49:53,520

different aspects of it but where you

1296

00:49:58,370 --> 00:49:55,380

hear about different

1297

00:50:01,130 --> 00:49:58,380

um these creatures or humans having the

1298

00:50:03,170 --> 00:50:01,140

ability whether through in Hollywood

1299

00:50:05,450 --> 00:50:03,180

they say through a bite or through

1300

00:50:08,809 --> 00:50:05,460

bloodline and stuff like that being able

1301
00:50:10,730 --> 00:50:08,819
to transform or shape-shift into

1302
00:50:13,250 --> 00:50:10,740
um a wolf or werewolf what do you call a

1303
00:50:15,710 --> 00:50:13,260
werewolf then you have another aspect of

1304
00:50:17,450 --> 00:50:15,720
that metamorphosis uh taking place

1305
00:50:19,190 --> 00:50:17,460
through

1306
00:50:21,290 --> 00:50:19,200
um different blood rituals whatever

1307
00:50:24,349 --> 00:50:21,300
different um Cults and stuff like that

1308
00:50:25,790 --> 00:50:24,359
whether it be Satanism or shamans and

1309
00:50:28,569 --> 00:50:25,800
stuff like that different people who do

1310
00:50:31,609 --> 00:50:28,579
different rituals in order to be able to

1311
00:50:34,910 --> 00:50:31,619
shape-shift into different creatures

1312
00:50:37,190 --> 00:50:34,920
um so there's that aspect of it

1313
00:50:39,109 --> 00:50:37,200

um I don't know how I feel about that I

1314

00:50:40,849 --> 00:50:39,119

mean I have heard uh encounters and

1315

00:50:44,349 --> 00:50:40,859

stories of people actually talking about

1316

00:50:46,309 --> 00:50:44,359

that they know people who have actually

1317

00:50:48,230 --> 00:50:46,319

shape-shifted or who have actually

1318

00:50:49,790 --> 00:50:48,240

claimed to have seen people who have

1319

00:50:52,549 --> 00:50:49,800

shape-shifted that is a very popular

1320

00:50:54,530 --> 00:50:52,559

thing that's discussed in the

1321

00:50:57,950 --> 00:50:54,540

um African and Native American cultures

1322

00:51:00,109 --> 00:50:57,960

I do know that so but um to speak on his

1323

00:51:01,549 --> 00:51:00,119

on that comment though I don't think

1324

00:51:02,690 --> 00:51:01,559

that that was the case I don't think it

1325

00:51:05,690 --> 00:51:02,700

was a neighbor

1326
00:51:08,569 --> 00:51:05,700
um who had a metamorphosis there was too

1327
00:51:10,490 --> 00:51:08,579
many out there that I've seen over the

1328
00:51:12,890 --> 00:51:10,500
years after that on a consistent enough

1329
00:51:14,870 --> 00:51:12,900
basis that if that's the case then it'd

1330
00:51:16,130 --> 00:51:14,880
be a whole neighborhood or a whole plan

1331
00:51:18,410 --> 00:51:16,140
of people

1332
00:51:20,450 --> 00:51:18,420
it's not only that some of these times

1333
00:51:22,910 --> 00:51:20,460
when I saw these dog man on a few

1334
00:51:25,670 --> 00:51:22,920
occasions they had babies with them

1335
00:51:28,190 --> 00:51:25,680
or juveniles with them those are also on

1336
00:51:29,870 --> 00:51:28,200
some of these pictures so I just think

1337
00:51:31,730 --> 00:51:29,880
that there's different things going on

1338
00:51:34,670 --> 00:51:31,740

with that

1339

00:51:35,990 --> 00:51:34,680

yeah they have Offspring too I was just

1340

00:51:38,930 --> 00:51:36,000

gonna say though if there is an

1341

00:51:40,549 --> 00:51:38,940

equivalent of bear spray for dogmen you

1342

00:51:43,010 --> 00:51:40,559

may invest in that for your parents for

1343

00:51:44,390 --> 00:51:43,020

like a birthday or Christmas you know a

1344

00:51:45,770 --> 00:51:44,400

dog just in case they come out of the

1345

00:51:47,569 --> 00:51:45,780

house you know they're taking the trash

1346

00:51:50,089 --> 00:51:47,579

out to the road and then the next thing

1347

00:51:51,770 --> 00:51:50,099

you know uh the guy who uh thought he

1348

00:51:54,109 --> 00:51:51,780

was your friend shows up you know you

1349

00:51:57,109 --> 00:51:54,119

want your parents to be protected

1350

00:51:58,849 --> 00:51:57,119

they moved out of that house in 2019

1351
00:52:00,049 --> 00:51:58,859
there you go but they never did they

1352
00:52:01,370 --> 00:52:00,059
never did believe it I showed them

1353
00:52:03,109 --> 00:52:01,380
pictures and stuff like that and they

1354
00:52:04,609 --> 00:52:03,119
tried to rationalize it and they came up

1355
00:52:06,890 --> 00:52:04,619
with some of the craziest

1356
00:52:09,049 --> 00:52:06,900
um excuses that they could ever come up

1357
00:52:10,430 --> 00:52:09,059
with to the point I mean I showed them

1358
00:52:13,190 --> 00:52:10,440
one of the one I called a new business

1359
00:52:14,569 --> 00:52:13,200
black German Shepherd dog man and at

1360
00:52:16,190 --> 00:52:14,579
first mama you know was trying to say

1361
00:52:17,870 --> 00:52:16,200
well that's not she was like oh wait

1362
00:52:20,510 --> 00:52:17,880
hold on wait a minute now what is that

1363
00:52:23,690 --> 00:52:20,520

and then she sat there and tried to

1364

00:52:26,270 --> 00:52:23,700

rationalize it she said well maybe so it

1365

00:52:28,609 --> 00:52:26,280

was two coyotes and one of them

1366

00:52:30,349 --> 00:52:28,619

you know stood up like and then I said

1367

00:52:31,970 --> 00:52:30,359

Mama you sound ridiculous right now but

1368

00:52:33,530 --> 00:52:31,980

she tried to rationalize it like that

1369

00:52:35,390 --> 00:52:33,540

and say that's why it was so hot in the

1370

00:52:37,609 --> 00:52:35,400

tree I said you're not even making sense

1371

00:52:39,230 --> 00:52:37,619

right now but she knew enough to think

1372

00:52:40,910 --> 00:52:39,240

it was strange enough that she tried to

1373

00:52:42,470 --> 00:52:40,920

rationalize it it didn't and it didn't

1374

00:52:44,510 --> 00:52:42,480

work

1375

00:52:47,030 --> 00:52:44,520

it's a really difficult topic and by the

1376

00:52:50,750 --> 00:52:47,040

way if you want to tune in next weekend

1377

00:52:52,670 --> 00:52:50,760

Miss B we're going to have the the uh

1378

00:52:54,530 --> 00:52:52,680

what do we call it the Navajo Rangers if

1379

00:52:56,809 --> 00:52:54,540

you saw them on Unsolved Mysteries or

1380

00:52:58,069 --> 00:52:56,819

you saw them on History Channel or you

1381

00:53:00,349 --> 00:52:58,079

saw them on

1382

00:53:02,569 --> 00:53:00,359

um they've been on a few different oh a

1383

00:53:04,309 --> 00:53:02,579

skin walker Ranch they were on uh

1384

00:53:06,650 --> 00:53:04,319

Jonathan Dover and Stan Millbrook are

1385

00:53:11,030 --> 00:53:06,660

going to be on with us to talk about uh

1386

00:53:13,309 --> 00:53:11,040

dealing with uh with uh skinwalkers and

1387

00:53:16,309 --> 00:53:13,319

Bigfoot and other they were the

1388

00:53:19,730 --> 00:53:16,319

Paranormal the two paranormal uh

1389

00:53:21,589 --> 00:53:19,740

investigators for a gigantic swath of

1390

00:53:25,790 --> 00:53:21,599

the Navajo Nation out there in Arizona

1391

00:53:29,569 --> 00:53:25,800

that uh crossed into uh New Mexico and

1392

00:53:30,650 --> 00:53:29,579

Nevada so I'm like wow these two guys so

1393

00:53:32,030 --> 00:53:30,660

they're going to be on next week and

1394

00:53:34,490 --> 00:53:32,040

talk about that stuff

1395

00:53:36,290 --> 00:53:34,500

I would definitely love to hear that um

1396

00:53:37,849 --> 00:53:36,300

there you said now they're going to be

1397

00:53:40,010 --> 00:53:37,859

talking about Skin Walkers

1398

00:53:42,109 --> 00:53:40,020

yeah I mean I want to focus a little bit

1399

00:53:43,609 --> 00:53:42,119

on them because a lot of people just

1400

00:53:45,410 --> 00:53:43,619

want to hear them talk about the weird

1401
00:53:47,510 --> 00:53:45,420
but I thought

1402
00:53:50,089 --> 00:53:47,520
um that the fact that the two of these

1403
00:53:52,910 --> 00:53:50,099
guys were selected among the entire

1404
00:53:54,890 --> 00:53:52,920
Cadre of Navajo Rangers showed an

1405
00:53:56,390 --> 00:53:54,900
incredible amount of Courage as you've

1406
00:53:58,490 --> 00:53:56,400
spoken about before some of these

1407
00:54:01,130 --> 00:53:58,500
entities followed them home became an

1408
00:54:04,130 --> 00:54:01,140
issue for their family uh one of them

1409
00:54:08,089 --> 00:54:04,140
Skinwalker was running next to Stan's

1410
00:54:10,370 --> 00:54:08,099
car at 45 miles an hour terrified him

1411
00:54:12,290 --> 00:54:10,380
um so they experienced a lot I think on

1412
00:54:14,630 --> 00:54:12,300
behalf of the Navajo Nation and I really

1413
00:54:16,130 --> 00:54:14,640

want to focus on that but we will get a

1414

00:54:17,990 --> 00:54:16,140

little bit into the weird as well and

1415

00:54:19,730 --> 00:54:18,000

have them talk and if you have any

1416

00:54:22,670 --> 00:54:19,740

questions you feel free to shoot them to

1417

00:54:26,089 --> 00:54:22,680

me and I will ask them so absolutely yes

1418

00:54:27,470 --> 00:54:26,099

ma'am uh let me pass it to Monet Nathan

1419

00:54:29,390 --> 00:54:27,480

or Debs I don't know if I've cut

1420

00:54:30,650 --> 00:54:29,400

somebody off no I I've got a yeah I've

1421

00:54:32,750 --> 00:54:30,660

got a question so I'm really interested

1422

00:54:35,450 --> 00:54:32,760

in the kind of psychological the

1423

00:54:37,790 --> 00:54:35,460

connection to our conscious experience

1424

00:54:40,670 --> 00:54:37,800

and you mentioned as well that people

1425

00:54:44,150 --> 00:54:40,680

often have dreams around these

1426
00:54:45,950 --> 00:54:44,160
encounters uh can you describe some of

1427
00:54:50,870 --> 00:54:45,960
the dreams or the themes that kind of

1428
00:54:56,150 --> 00:54:53,150
um my experiences as far as the dreams

1429
00:54:58,670 --> 00:54:56,160
I've Had Each time like that I had

1430
00:55:00,349 --> 00:54:58,680
dreams probably I guess over the years

1431
00:55:01,910 --> 00:55:00,359
I've probably had about a total of three

1432
00:55:03,109 --> 00:55:01,920
or four different dreams about dog man

1433
00:55:05,150 --> 00:55:03,119
and for me

1434
00:55:06,410 --> 00:55:05,160
um even though the encounters or

1435
00:55:07,849 --> 00:55:06,420
sightings that I had with these

1436
00:55:10,250 --> 00:55:07,859
creatures even though my experiences

1437
00:55:12,290 --> 00:55:10,260
were not scary and the dreams they were

1438
00:55:16,130 --> 00:55:12,300

scary and I don't know why but they were

1439

00:55:18,109 --> 00:55:16,140

scary in those um usually them watching

1440

00:55:20,210 --> 00:55:18,119

from a d like standing from a distance

1441

00:55:23,210 --> 00:55:20,220

watching them knowing that they're there

1442

00:55:24,890 --> 00:55:23,220

they're usually at night and always nine

1443

00:55:27,349 --> 00:55:24,900

times out of ten and that's the exact

1444

00:55:30,890 --> 00:55:27,359

same area on that trail where I had my

1445

00:55:35,150 --> 00:55:33,290

um knowing that and hope and like

1446

00:55:37,609 --> 00:55:35,160

because I think one of these dreams I

1447

00:55:39,049 --> 00:55:37,619

had was one where it's like well if they

1448

00:55:40,849 --> 00:55:39,059

see me then they're gonna come over here

1449

00:55:42,890 --> 00:55:40,859

and this is one of those nights before I

1450

00:55:44,450 --> 00:55:42,900

knew about Dogman

1451

00:55:46,609 --> 00:55:44,460

um in this dream

1452

00:55:48,410 --> 00:55:46,619

and I'm standing outside of my you

1453

00:55:50,390 --> 00:55:48,420

remember the houses back in the day they

1454

00:55:52,549 --> 00:55:50,400

had the screen doors instead of storm

1455

00:55:54,290 --> 00:55:52,559

doors like we had now so my parents

1456

00:55:57,650 --> 00:55:54,300

would latched that screen door but now

1457

00:55:59,030 --> 00:55:57,660

looking back on it I didn't I would pull

1458

00:56:00,290 --> 00:55:59,040

up over there and they'd have that door

1459

00:56:01,730 --> 00:56:00,300

locked I never thought about anything

1460

00:56:04,430 --> 00:56:01,740

back then there's nothing to worry about

1461

00:56:05,990 --> 00:56:04,440

until after I knew about dog man so in

1462

00:56:07,730 --> 00:56:06,000

one of these dreams I'm standing there

1463

00:56:09,470 --> 00:56:07,740

and

1464

00:56:10,849 --> 00:56:09,480

there's dog man in the distance they're

1465

00:56:12,589 --> 00:56:10,859

waiting and then they start to approach

1466

00:56:15,410 --> 00:56:12,599

and then I get terrified and I just wake

1467

00:56:17,329 --> 00:56:15,420

up in a cold sweat people have PTSD over

1468

00:56:19,130 --> 00:56:17,339

some of these dreams some people who

1469

00:56:21,470 --> 00:56:19,140

like I said that have had terrifying

1470

00:56:23,329 --> 00:56:21,480

experiences with them because there have

1471

00:56:25,910 --> 00:56:23,339

been some people who have actually been

1472

00:56:27,829 --> 00:56:25,920

attacked there's been a few people

1473

00:56:29,990 --> 00:56:27,839

who've actually been killed so there's

1474

00:56:32,329 --> 00:56:30,000

been some cover-ups with that

1475

00:56:34,010 --> 00:56:32,339

um then you have different agencies who

1476

00:56:36,890 --> 00:56:34,020

come in and then have threatened some of

1477

00:56:38,450 --> 00:56:36,900

these people so and told them or

1478

00:56:40,670 --> 00:56:38,460

threatened them or change their bank

1479

00:56:42,530 --> 00:56:40,680

account or change all kind of stuff

1480

00:56:43,910 --> 00:56:42,540

um you know told doctors and stuff like

1481

00:56:46,250 --> 00:56:43,920

that at the hospitals and stuff like

1482

00:56:48,650 --> 00:56:46,260

that to not discuss it

1483

00:56:51,410 --> 00:56:48,660

um there's a specific case County

1484

00:56:53,569 --> 00:56:51,420

Tennessee last year two people in that

1485

00:56:56,589 --> 00:56:53,579

same road [h__h] County Tennessee were

1486

00:56:59,750 --> 00:56:56,599

both killed under strange

1487

00:57:01,970 --> 00:56:59,760

circumstances which they say was an

1488

00:57:04,430 --> 00:57:01,980

unknown canine

1489

00:57:05,990 --> 00:57:04,440

um now I will go into that with y'all

1490

00:57:09,589 --> 00:57:06,000

another time that's a whole other story

1491

00:57:13,670 --> 00:57:09,599

in and of itself but this the situation

1492

00:57:16,010 --> 00:57:13,680

around those killing 15-inch bite marks

1493

00:57:17,390 --> 00:57:16,020

a bite marked like so large that it

1494

00:57:19,190 --> 00:57:17,400

wraps around from the front of the hip

1495

00:57:21,290 --> 00:57:19,200

front of the buttocks area in the upper

1496

00:57:23,630 --> 00:57:21,300

thigh so many wounds on this woman's

1497

00:57:26,630 --> 00:57:23,640

body that they lost count at the

1498

00:57:28,970 --> 00:57:26,640

hospital they the judge put the whole

1499

00:57:30,109 --> 00:57:28,980

medical staff and every witness or

1500

00:57:32,690 --> 00:57:30,119

anybody who had anything to do with that

1501
00:57:35,569 --> 00:57:32,700
case put him on a gag order they say dog

1502
00:57:39,109 --> 00:57:35,579
wild dogs three big dogs killed

1503
00:57:41,569 --> 00:57:39,119
this woman but if that's the case then

1504
00:57:43,190 --> 00:57:41,579
why is it still an open case the reason

1505
00:57:44,690 --> 00:57:43,200
it's still an open case is because as

1506
00:57:47,270 --> 00:57:44,700
long as it's an open case they don't

1507
00:57:49,430 --> 00:57:47,280
have to tell you anything about it and

1508
00:57:51,049 --> 00:57:49,440
it's a lot of stuff that goes on with

1509
00:57:51,890 --> 00:57:51,059
this so

1510
00:57:53,809 --> 00:57:51,900
um

1511
00:57:56,450 --> 00:57:53,819
there are dreams that people have

1512
00:57:58,609 --> 00:57:56,460
because of it I do think also when

1513
00:58:00,410 --> 00:57:58,619

you've had a siding or an encounter some

1514

00:58:03,710 --> 00:58:00,420

people talk about the fact that these

1515

00:58:05,569 --> 00:58:03,720

creatures Mark you which means that you

1516

00:58:07,190 --> 00:58:05,579

can I don't know if that if you believe

1517

00:58:08,569 --> 00:58:07,200

in like werewolf movies and stuff like

1518

00:58:10,970 --> 00:58:08,579

that I don't know imprinting or

1519

00:58:13,430 --> 00:58:10,980

something if that's a real thing but

1520

00:58:14,930 --> 00:58:13,440

these things do stick in your mind you

1521

00:58:17,150 --> 00:58:14,940

can't stop seeing them once you see it

1522

00:58:19,190 --> 00:58:17,160

you can't unsee it so it's some type of

1523

00:58:21,230 --> 00:58:19,200

way it's going to change you to a point

1524

00:58:23,089 --> 00:58:21,240

it changed the way I did stuff it

1525

00:58:25,069 --> 00:58:23,099

changed me from feeling comfortable

1526

00:58:26,870 --> 00:58:25,079

enough to walk outside of their house on

1527

00:58:28,670 --> 00:58:26,880

the weekends when I would go outside if

1528

00:58:31,370 --> 00:58:28,680

I wanted to smoke I wouldn't just go out

1529

00:58:32,750 --> 00:58:31,380

there and sitting on the sidewalk and

1530

00:58:35,750 --> 00:58:32,760

smoke out there in the driveway anymore

1531

00:58:37,190 --> 00:58:35,760

up at night and and close the door

1532

00:58:39,530 --> 00:58:37,200

behind me and like everybody else in the

1533

00:58:41,990 --> 00:58:39,540

house or outside and just I didn't do

1534

00:58:43,849 --> 00:58:42,000

that anymore after that like and even

1535

00:58:45,410 --> 00:58:43,859

when I came over their house at night if

1536

00:58:47,569 --> 00:58:45,420

they weren't outside I'd called inside

1537

00:58:49,370 --> 00:58:47,579

the house to say hey can y'all come open

1538

00:58:51,950 --> 00:58:49,380

the door so it changes the way people do

1539

00:58:53,569 --> 00:58:51,960

things some people have actually decided

1540

00:58:55,430 --> 00:58:53,579

after they've had their encounter out in

1541

00:58:57,230 --> 00:58:55,440

the woods hunting there's some people

1542

00:58:58,730 --> 00:58:57,240

who refuse to go hunting or camping or

1543

00:59:01,549 --> 00:58:58,740

fishing out in the woods again because

1544

00:59:03,589 --> 00:59:01,559

of this so it can be a very traumatic

1545

00:59:06,770 --> 00:59:03,599

experience because depending on what

1546

00:59:09,230 --> 00:59:06,780

kind of encounter you have now man of

1547

00:59:12,130 --> 00:59:09,240

light isn't a complete different example

1548

00:59:15,289 --> 00:59:12,140

because he will be one to tell you that

1549

00:59:17,329 --> 00:59:15,299

none of these creatures will hurt you I

1550

00:59:19,250 --> 00:59:17,339

I we have talked about this plenty of

1551
00:59:21,530 --> 00:59:19,260
times but I just don't think that's the

1552
00:59:23,329 --> 00:59:21,540
case you have to go into the woods or in

1553
00:59:24,710 --> 00:59:23,339
your surroundings

1554
00:59:26,030 --> 00:59:24,720
the stuff you're going out there and

1555
00:59:27,890 --> 00:59:26,040
you're thinking about a wolf or any

1556
00:59:29,510 --> 00:59:27,900
other predator

1557
00:59:31,130 --> 00:59:29,520
because I don't I think that they have

1558
00:59:32,690 --> 00:59:31,140
personalities the same way people or any

1559
00:59:36,829 --> 00:59:32,700
other animal does

1560
00:59:41,349 --> 00:59:38,589
um

1561
00:59:44,210 --> 00:59:41,359
yes but

1562
00:59:46,849 --> 00:59:44,220
I'm gonna put it like this the ones on

1563
00:59:49,250 --> 00:59:46,859

my parents property I have gone back in

1564

00:59:51,589 --> 00:59:49,260

there in those woods at least five or

1565

00:59:53,990 --> 00:59:51,599

six times with other people and I've

1566

00:59:56,809 --> 00:59:54,000

gone back there so I will say

1567

00:59:59,089 --> 00:59:56,819

um do I fear them

1568

01:00:00,829 --> 00:59:59,099

to a certain yeah I mean I wouldn't go

1569

01:00:03,829 --> 01:00:00,839

back there by myself

1570

01:00:05,390 --> 01:00:03,839

and think that I'm like uh

1571

01:00:07,130 --> 01:00:05,400

um hear them because I do know that

1572

01:00:08,630 --> 01:00:07,140

there are aggressive encounters I do

1573

01:00:11,210 --> 01:00:08,640

know that people have been killed I do

1574

01:00:13,849 --> 01:00:11,220

know that people have been attacked

1575

01:00:15,530 --> 01:00:13,859

um and I do know that they are eight and

1576

01:00:18,410 --> 01:00:15,540

a half to nine feet tall I mean in some

1577

01:00:21,109 --> 01:00:18,420

cases regardless they're just not that's

1578

01:00:22,670 --> 01:00:21,119

not something that you just say I would

1579

01:00:25,549 --> 01:00:22,680

be afraid of a bear

1580

01:00:27,530 --> 01:00:25,559

so yeah I do fear them I just can say

1581

01:00:30,349 --> 01:00:27,540

that the ones that I've seen on that

1582

01:00:32,809 --> 01:00:30,359

property I they never given off of a

1583

01:00:34,490 --> 01:00:32,819

vibration fear I never felt terrified

1584

01:00:36,349 --> 01:00:34,500

for my life that first night was the

1585

01:00:39,170 --> 01:00:36,359

first time I can say that

1586

01:00:41,750 --> 01:00:39,180

that time and one other time

1587

01:00:43,250 --> 01:00:41,760

I actually said

1588

01:00:44,809 --> 01:00:43,260

um and that first time was just because

1589

01:00:46,789 --> 01:00:44,819

I couldn't believe I was actually seeing

1590

01:00:47,870 --> 01:00:46,799

it I was just shocking oh and the second

1591

01:00:55,430 --> 01:00:47,880

time

1592

01:00:58,190 --> 01:00:55,440

the car in the backyard in the chain

1593

01:00:59,870 --> 01:00:58,200

link fence and if because I didn't tell

1594

01:01:02,990 --> 01:00:59,880

y'all before if y'all just want to know

1595

01:01:05,690 --> 01:01:03,000

how close was I to these that dog man on

1596

01:01:08,210 --> 01:01:05,700

that night if I'd gotten out of the car

1597

01:01:15,710 --> 01:01:08,220

and taken because I'm not good at

1598

01:01:20,210 --> 01:01:17,990

where it was standing so if I'd gotten

1599

01:01:22,970 --> 01:01:20,220

out and take about 60 anywhere between

1600

01:01:25,910 --> 01:01:22,980

50 to 60 feet that's how close that dog

1601
01:01:29,510 --> 01:01:27,470
um and the other encounter the other

1602
01:01:32,150 --> 01:01:29,520
time that I was scared was just I was in

1603
01:01:34,849 --> 01:01:32,160
the backyard in the chain link fence and

1604
01:01:36,470 --> 01:01:34,859
there was a dog man like jumped over the

1605
01:01:39,470 --> 01:01:36,480
back of the chain link fence walked

1606
01:01:41,150 --> 01:01:39,480
across the field about 20 or 30 steps I

1607
01:01:44,030 --> 01:01:41,160
would have been face to face with this

1608
01:01:45,589 --> 01:01:44,040
one that was up in a tree and this is a

1609
01:01:47,150 --> 01:01:45,599
whole different one not from that same

1610
01:01:49,069 --> 01:01:47,160
night it may have been but I don't know

1611
01:01:52,430 --> 01:01:49,079
but there was two of them in that tree

1612
01:01:55,069 --> 01:01:52,440
that day and um one of them I saw and

1613
01:01:56,450 --> 01:01:55,079

one of them I didn't see but I started

1614

01:01:57,829 --> 01:01:56,460

taking pictures before I left the

1615

01:01:59,589 --> 01:01:57,839

backyard because I was back there

1616

01:02:02,150 --> 01:01:59,599

letting my little dog play run around

1617

01:02:03,950 --> 01:02:02,160

and something I just felt in my mind

1618

01:02:06,349 --> 01:02:03,960

look over here to the left and I turned

1619

01:02:08,329 --> 01:02:06,359

and I looked and I saw something blacker

1620

01:02:09,770 --> 01:02:08,339

than black so black that it was way

1621

01:02:13,069 --> 01:02:09,780

blacker than the Shadows it's like

1622

01:02:14,809 --> 01:02:13,079

looking into the abyss and so I had to

1623

01:02:17,089 --> 01:02:14,819

pick my little dog up finally got her to

1624

01:02:18,470 --> 01:02:17,099

come to me and I before I left the

1625

01:02:20,030 --> 01:02:18,480

backyard I'm walking towards the front

1626

01:02:21,950 --> 01:02:20,040

of the fence but I just had to take

1627

01:02:23,630 --> 01:02:21,960

pictures because it was so black I

1628

01:02:25,250 --> 01:02:23,640

couldn't make out any facial features on

1629

01:02:26,150 --> 01:02:25,260

it so I took multiple pictures and when

1630

01:02:28,549 --> 01:02:26,160

I did

1631

01:02:29,870 --> 01:02:28,559

what I saw because I looked at that

1632

01:02:31,190 --> 01:02:29,880

picture before I left that backyard I

1633

01:02:34,490 --> 01:02:31,200

was like uh-uh I gotta get out of here

1634

01:02:37,370 --> 01:02:34,500

now and I saw what the black thing was

1635

01:02:39,049 --> 01:02:37,380

it was a massive head the head was so

1636

01:02:40,789 --> 01:02:39,059

big

1637

01:02:42,289 --> 01:02:40,799

but this Probably sounds like I'm

1638

01:02:45,530 --> 01:02:42,299

exaggerating but the head on this thing

1639

01:02:48,410 --> 01:02:45,540

was so big the body had to been anywhere

1640

01:02:50,750 --> 01:02:48,420

between I'm gonna say 12 14 feet and I

1641

01:02:54,410 --> 01:02:50,760

know I know that sounds ridiculous but

1642

01:02:56,270 --> 01:02:54,420

the head was way too big it was way too

1643

01:02:57,950 --> 01:02:56,280

big I could see both eyes I could see

1644

01:02:59,150 --> 01:02:57,960

the nose and this is another one with

1645

01:03:02,569 --> 01:02:59,160

one of those short

1646

01:03:04,670 --> 01:03:02,579

stubby noses um cropped ears and it was

1647

01:03:06,230 --> 01:03:04,680

actually bearing its teeth at me it was

1648

01:03:09,230 --> 01:03:06,240

actually snarling

1649

01:03:10,849 --> 01:03:09,240

I said um are you scared

1650

01:03:13,430 --> 01:03:10,859

at that moment

1651
01:03:14,870 --> 01:03:13,440
um and I was scared also because I knew

1652
01:03:16,430 --> 01:03:14,880
before I could actually make out the

1653
01:03:18,589 --> 01:03:16,440
features of it when I first looked over

1654
01:03:21,289 --> 01:03:18,599
there I knew that that wasn't Shadow it

1655
01:03:23,450 --> 01:03:21,299
was way too black for that

1656
01:03:26,089 --> 01:03:23,460
um when I really got scared was when I

1657
01:03:27,710 --> 01:03:26,099
got up to the front of that

1658
01:03:30,470 --> 01:03:27,720
that same

1659
01:03:31,849 --> 01:03:30,480
when I stopped to take pictures and you

1660
01:03:34,309 --> 01:03:31,859
know because I thought I'm a safe enough

1661
01:03:36,650 --> 01:03:34,319
distance now to where if anything

1662
01:03:39,370 --> 01:03:36,660
happens I can run to the front door and

1663
01:03:42,230 --> 01:03:39,380

like go inside the house so I wasn't

1664

01:03:44,150 --> 01:03:42,240

afraid afraid until I looked at that

1665

01:03:45,829 --> 01:03:44,160

picture before I left the backyard and I

1666

01:03:47,690 --> 01:03:45,839

saw it and I saw it in real time

1667

01:03:50,150 --> 01:03:47,700

snarling at me

1668

01:03:51,970 --> 01:03:50,160

so that's the only other time that I can

1669

01:03:54,530 --> 01:03:51,980

say I was afraid

1670

01:03:57,049 --> 01:03:54,540

I'm gonna tell you man especially if my

1671

01:03:58,609 --> 01:03:57,059

dog was there I'd be really scared

1672

01:04:01,849 --> 01:03:58,619

um I was out in the woods the other day

1673

01:04:03,950 --> 01:04:01,859

in extreme fog and it was so creepy I'm

1674

01:04:06,230 --> 01:04:03,960

like I'm thinking the mystery machine is

1675

01:04:07,789 --> 01:04:06,240

going to be like right over there uh but

1676

01:04:09,710 --> 01:04:07,799

let me let Deb get in there and then

1677

01:04:11,990 --> 01:04:09,720

I'll ask a last question then we'll go

1678

01:04:14,809 --> 01:04:12,000

with uh cabbie goodbyes go ahead dibs

1679

01:04:16,789 --> 01:04:14,819

well I I really wanted to learn more

1680

01:04:19,010 --> 01:04:16,799

about the rainbow serpent because I know

1681

01:04:22,370 --> 01:04:19,020

you're interested in that and I am as

1682

01:04:25,789 --> 01:04:22,380

well but I had to make a couple comments

1683

01:04:28,609 --> 01:04:25,799

one I volunteered to babysit all Cryptid

1684

01:04:33,430 --> 01:04:28,619

babies just so you know if you could

1685

01:04:38,450 --> 01:04:36,230

encrypted Services thank you yes I will

1686

01:04:40,970 --> 01:04:38,460

do that for any cryptism you want to

1687

01:04:42,829 --> 01:04:40,980

like take a night off but I also wanted

1688

01:04:44,030 --> 01:04:42,839

to just kind of go back to you were

1689

01:04:46,609 --> 01:04:44,040

going through a kind of a scary

1690

01:04:50,150 --> 01:04:46,619

experience I know it's not as fun as

1691

01:04:52,670 --> 01:04:50,160

babysitting but uh I just I wanted to

1692

01:04:54,530 --> 01:04:52,680

address that because you know within the

1693

01:04:57,410 --> 01:04:54,540

Cryptid Community I'm sure there's been

1694

01:05:00,109 --> 01:04:57,420

conversations about how to kind of deter

1695

01:05:02,930 --> 01:05:00,119

kind of stop some of the possible

1696

01:05:05,450 --> 01:05:02,940

psychic attacks or maybe even prevent

1697

01:05:07,130 --> 01:05:05,460

some of the scary dreams

1698

01:05:09,710 --> 01:05:07,140

um what are what's some advice you would

1699

01:05:13,910 --> 01:05:09,720

give to someone who's not interested in

1700

01:05:17,170 --> 01:05:13,920

inviting phenomenon into their lives

1701

01:05:19,789 --> 01:05:17,180

I think that a person not interested

1702

01:05:21,349 --> 01:05:19,799

depending on what

1703

01:05:23,630 --> 01:05:21,359

it depends on where you're coming from

1704

01:05:24,770 --> 01:05:23,640

with that depends on what you're

1705

01:05:26,750 --> 01:05:24,780

involved in

1706

01:05:28,010 --> 01:05:26,760

um as far as not inviting certain things

1707

01:05:28,670 --> 01:05:28,020

into your life

1708

01:05:30,890 --> 01:05:28,680

um

1709

01:05:32,630 --> 01:05:30,900

if you're talking about on a cryptic

1710

01:05:34,970 --> 01:05:32,640

standpoint then

1711

01:05:36,589 --> 01:05:34,980

I'd like to look at it like this and not

1712

01:05:40,190 --> 01:05:36,599

just Cryptids I guess the Paranormal

1713

01:05:43,130 --> 01:05:40,200

Supernatural or looking into a cult type

1714

01:05:44,990 --> 01:05:43,140

um subjects and topics when you start

1715

01:05:47,510 --> 01:05:45,000

looking into the abyss or when you start

1716

01:05:49,849 --> 01:05:47,520

looking into the darkness the darkness

1717

01:05:52,670 --> 01:05:49,859

will start looking back at you if you go

1718

01:05:53,750 --> 01:05:52,680

into their home and you're going back

1719

01:05:54,950 --> 01:05:53,760

there

1720

01:05:56,510 --> 01:05:54,960

um doing whatever you're doing whether

1721

01:05:58,490 --> 01:05:56,520

it's for research purposes whether

1722

01:05:59,450 --> 01:05:58,500

you're going back there and you're

1723

01:06:02,030 --> 01:05:59,460

getting

1724

01:06:04,069 --> 01:06:02,040

um you know evidence or taking

1725

01:06:06,349 --> 01:06:04,079

Footprints samples and stuff like that

1726

01:06:08,510 --> 01:06:06,359

you're going in their territory like in

1727

01:06:10,789 --> 01:06:08,520

their territory urinating back there so

1728

01:06:13,130 --> 01:06:10,799

if you go do all these things you are

1729

01:06:14,510 --> 01:06:13,140

possibly bringing these things back to

1730

01:06:17,089 --> 01:06:14,520

your home so don't be surprised that's

1731

01:06:19,370 --> 01:06:17,099

why a lot of people have Dogman or big

1732

01:06:21,829 --> 01:06:19,380

not always the case some of them just

1733

01:06:23,569 --> 01:06:21,839

for whatever reason take a liking to

1734

01:06:26,150 --> 01:06:23,579

some people and some people I think have

1735

01:06:28,130 --> 01:06:26,160

actually habituated them and live in

1736

01:06:29,690 --> 01:06:28,140

harmony with them but you still have to

1737

01:06:31,010 --> 01:06:29,700

have a certain level of respect for

1738

01:06:32,870 --> 01:06:31,020

these creatures and understand that

1739

01:06:34,309 --> 01:06:32,880

whether they are Supernatural whether

1740

01:06:35,809 --> 01:06:34,319

they're Nephilim whether they're Flesh

1741

01:06:37,970 --> 01:06:35,819

and Blood creatures you still need to

1742

01:06:40,250 --> 01:06:37,980

understand that if you're going to go

1743

01:06:42,410 --> 01:06:40,260

into their home then you have also given

1744

01:06:45,049 --> 01:06:42,420

them an open invitation and a welcome

1745

01:06:46,609 --> 01:06:45,059

mat to come onto your property to your

1746

01:06:49,010 --> 01:06:46,619

home and people need to take into

1747

01:06:51,349 --> 01:06:49,020

consideration if they do that you're

1748

01:06:52,789 --> 01:06:51,359

opening yourself up to possibly having

1749

01:06:54,589 --> 01:06:52,799

them to possibly come into your home

1750

01:06:57,109 --> 01:06:54,599

because that I do know a few people who

1751

01:06:57,770 --> 01:06:57,119

they have gone into their homes

1752

01:06:59,270 --> 01:06:57,780

um

1753

01:07:02,270 --> 01:06:59,280

so

1754

01:07:04,010 --> 01:07:02,280

the best thing to do is if you were one

1755

01:07:05,390 --> 01:07:04,020

of the people who believe that you can

1756

01:07:06,950 --> 01:07:05,400

go out and speak to these creatures

1757

01:07:08,329 --> 01:07:06,960

because some people do believe that and

1758

01:07:09,770 --> 01:07:08,339

you need to go out there and tell them

1759

01:07:11,510 --> 01:07:09,780

that you mean them no harm if that's

1760

01:07:12,529 --> 01:07:11,520

what you do let them know you mean them

1761

01:07:14,089 --> 01:07:12,539

no harm

1762

01:07:16,130 --> 01:07:14,099

um and when you go out there do not

1763

01:07:18,890 --> 01:07:16,140

bring anything that belongs to them back

1764

01:07:21,170 --> 01:07:18,900

do not go into their dens

1765

01:07:23,150 --> 01:07:21,180

if you see a pup or what you think is a

1766

01:07:25,069 --> 01:07:23,160

pup or some animal that looks a little

1767

01:07:27,650 --> 01:07:25,079

don't pick up their pup don't go do

1768

01:07:30,230 --> 01:07:27,660

anything like that do not I would even

1769

01:07:32,650 --> 01:07:30,240

say um if you are in an area where you

1770

01:07:35,630 --> 01:07:32,660

see things like Footprints or you see

1771

01:07:37,430 --> 01:07:35,640

strange structures or different markings

1772

01:07:38,630 --> 01:07:37,440

on trees and stuff like that do not go

1773

01:07:41,150 --> 01:07:38,640

over there and urinate on the tree

1774

01:07:42,650 --> 01:07:41,160

because that's you marking territory and

1775

01:07:45,349 --> 01:07:42,660

they might take that in an offensive

1776

01:07:48,529 --> 01:07:45,359

type of way do not go out there and

1777

01:07:51,230 --> 01:07:48,539

start feeding them or giving them if you

1778

01:07:53,150 --> 01:07:51,240

you do not but you can unless you intend

1779

01:07:54,470 --> 01:07:53,160

to continue to do that because once you

1780

01:07:56,809 --> 01:07:54,480

do that then they're going to come like

1781

01:07:58,370 --> 01:07:56,819

any other uh wild animal if you believe

1782

01:08:00,049 --> 01:07:58,380

that they're a wild animal they're going

1783

01:08:02,390 --> 01:08:00,059

to come looking for that food just like

1784

01:08:04,250 --> 01:08:02,400

if it was a wild dog or like you know a

1785

01:08:06,589 --> 01:08:04,260

stray dog they're gonna come looking for

1786

01:08:09,230 --> 01:08:06,599

that so you're welcome to your property

1787

01:08:12,589 --> 01:08:09,240

if you don't want that then don't do it

1788

01:08:14,270 --> 01:08:12,599

um so when you have when you go out say

1789

01:08:16,070 --> 01:08:14,280

a prayer some people believe in burning

1790

01:08:19,490 --> 01:08:16,080

stage and stuff like that

1791

01:08:21,289 --> 01:08:19,500

me personally uh people need to realize

1792

01:08:23,269 --> 01:08:21,299

what you're doing too when you burn sage

1793

01:08:25,789 --> 01:08:23,279

and this is just my opinion for those of

1794

01:08:28,070 --> 01:08:25,799

you who want to do that then that's your

1795

01:08:30,890 --> 01:08:28,080

prerogative but I feel that I understand

1796

01:08:33,169 --> 01:08:30,900

that when you burn Sage the belief

1797

01:08:35,090 --> 01:08:33,179

system on that within the native culture

1798

01:08:38,209 --> 01:08:35,100

is that by burning stage you bring in

1799

01:08:40,550 --> 01:08:38,219

positive spirits that are within those

1800

01:08:42,590 --> 01:08:40,560

herbs in order to get rid of negative

1801

01:08:43,970 --> 01:08:42,600

spirits and if that's the case and

1802

01:08:46,610 --> 01:08:43,980

that's what you believe in people don't

1803

01:08:49,610 --> 01:08:46,620

realize that there's also another ritual

1804

01:08:51,050 --> 01:08:49,620

that has to be done after burning that

1805

01:08:53,209 --> 01:08:51,060

Sage to get rid of those negative

1806

01:08:54,890 --> 01:08:53,219

energies or entities there's another

1807

01:08:56,870 --> 01:08:54,900

ritual that has to be done to remove

1808

01:09:00,769 --> 01:08:56,880

those other spirits too that you brought

1809

01:09:01,910 --> 01:09:00,779

in in order to remove the bad ones you

1810

01:09:04,370 --> 01:09:01,920

not understand what I'm saying you have

1811

01:09:06,289 --> 01:09:04,380

to close that doorway yeah sometimes you

1812

01:09:07,090 --> 01:09:06,299

need the party guests to go home you

1813

01:09:10,550 --> 01:09:07,100

know

1814

01:09:12,650 --> 01:09:10,560

I want to I just want to say it with all

1815

01:09:14,809 --> 01:09:12,660

the Bigfoot content that I've consumed

1816

01:09:16,130 --> 01:09:14,819

over the past four or five months which

1817

01:09:18,110 --> 01:09:16,140

is I don't even know how long it's been

1818

01:09:21,110 --> 01:09:18,120

it's been an enormous amount that is

1819

01:09:24,410 --> 01:09:21,120

amazing advice that you've given uh Miss

1820

01:09:26,749 --> 01:09:24,420

B I've been on uh one expedition in

1821

01:09:29,150 --> 01:09:26,759

Earnest a couple that were just me and

1822

01:09:32,809 --> 01:09:29,160

Friends kind of out looking but I went

1823

01:09:35,030 --> 01:09:32,819

without with the Ocala Bigfoot folks

1824

01:09:36,890 --> 01:09:35,040

um and they uh did we did that we did

1825

01:09:39,950 --> 01:09:36,900

that ceremony where we said you know

1826

01:09:42,110 --> 01:09:39,960

we're here we're not coming here uh to

1827

01:09:43,789 --> 01:09:42,120

invade your space we're coming here with

1828

01:09:46,430 --> 01:09:43,799

positivity we just want to see your

1829

01:09:48,169 --> 01:09:46,440

culture and experience it but but we're

1830

01:09:49,910 --> 01:09:48,179

not trying to invade on you in any way

1831

01:09:52,430 --> 01:09:49,920

just something very positive and

1832

01:09:53,809 --> 01:09:52,440

uplifting and and I will do that every

1833

01:09:56,150 --> 01:09:53,819

time that I go in the woods so I love

1834

01:09:58,150 --> 01:09:56,160

the advice that that you gave to our

1835

01:10:01,550 --> 01:09:58,160

audience and as far as I'm coming home

1836

01:10:04,850 --> 01:10:01,560

Nathan has installed the ring door alarm

1837

01:10:06,050 --> 01:10:04,860

system on his house so I feel like one

1838

01:10:08,630 --> 01:10:06,060

thing that's going to help a guy like

1839

01:10:10,729 --> 01:10:08,640

Nathan you see Dogman like ring goes off

1840

01:10:11,630 --> 01:10:10,739

you see Dogman out there Nathan what's

1841

01:10:14,150 --> 01:10:11,640

happening

1842

01:10:17,510 --> 01:10:14,160

uh I I'm staying inside I mean that's my

1843

01:10:19,310 --> 01:10:17,520

just you know I have two dogs now in the

1844

01:10:20,689 --> 01:10:19,320

house that they would probably lose it I

1845

01:10:22,370 --> 01:10:20,699

don't but that's a good question too I

1846

01:10:25,970 --> 01:10:22,380

mean we didn't talk about that how other

1847

01:10:29,530 --> 01:10:25,980

animals interact with dog man if at all

1848

01:10:34,550 --> 01:10:32,209

oldies have often been spotted with a

1849

01:10:36,709 --> 01:10:34,560

dog man a lot I've heard that quite a

1850

01:10:39,709 --> 01:10:36,719

bit I don't know why that is

1851

01:10:41,689 --> 01:10:39,719

um I've heard stories of dog man

1852

01:10:44,930 --> 01:10:41,699

um and Bigfoot killing people's pets but

1853

01:10:47,750 --> 01:10:44,940

I've also heard stories of them

1854

01:10:50,209 --> 01:10:47,760

um taking them in and taking a life into

1855

01:10:52,430 --> 01:10:50,219

them yeah having pets or some people

1856

01:10:54,890 --> 01:10:52,440

like actually said their dog was out

1857

01:10:56,330 --> 01:10:54,900

playing with them so I guess it just

1858

01:10:58,370 --> 01:10:56,340

depends I think they probably just have

1859

01:11:00,410 --> 01:10:58,380

different temperaments

1860

01:11:02,750 --> 01:11:00,420

um but so there's positive sides of it

1861

01:11:05,990 --> 01:11:02,760

there's negative sides um but I do know

1862

01:11:07,610 --> 01:11:06,000

that um both of them do hunt there have

1863

01:11:09,410 --> 01:11:07,620

been people who have actually spotted

1864

01:11:12,110 --> 01:11:09,420

them hunting while they're out hunting

1865

01:11:14,030 --> 01:11:12,120

or people who've actually had them take

1866

01:11:15,709 --> 01:11:14,040

what was it somebody I've heard a few

1867

01:11:17,510 --> 01:11:15,719

cases now where people are out deer

1868

01:11:19,130 --> 01:11:17,520

hunting and then they go and after they

1869

01:11:20,870 --> 01:11:19,140

know for a fact they've shot the deer

1870

01:11:22,910 --> 01:11:20,880

they go out to go look for it and they

1871

01:11:25,250 --> 01:11:22,920

can't find it anywhere it's been like

1872

01:11:26,930 --> 01:11:25,260

dragged off they know where it fell and

1873

01:11:28,250 --> 01:11:26,940

they knew and they've actually had other

1874

01:11:30,649 --> 01:11:28,260

people out there trying to help them

1875

01:11:32,510 --> 01:11:30,659

look for that deer the body the carcass

1876

01:11:38,149 --> 01:11:32,520

and it's just gone

1877

01:11:42,530 --> 01:11:41,030

so it's a lot of stuff too uh when it

1878

01:11:44,450 --> 01:11:42,540

comes to animals and stuff like that

1879

01:11:46,130 --> 01:11:44,460

there's cases where people are going out

1880

01:11:47,570 --> 01:11:46,140

hunting or they're camping or fishing or

1881

01:11:51,229 --> 01:11:47,580

whatever and they got their dog with

1882

01:11:53,689 --> 01:11:51,239

them and the dog refuses to go any

1883

01:11:55,550 --> 01:11:53,699

further or the dog senses it and then

1884

01:11:56,810 --> 01:11:55,560

they're wondering why their dog want to

1885

01:11:58,790 --> 01:11:56,820

come out and then later on there's a

1886

01:12:00,950 --> 01:11:58,800

siding of a bigfooter dog man they

1887

01:12:02,270 --> 01:12:00,960

hunker down a lot of time when it comes

1888

01:12:05,750 --> 01:12:02,280

to that

1889

01:12:08,450 --> 01:12:05,760

terrified I I would say if you love your

1890

01:12:10,250 --> 01:12:08,460

you know all of us here are dog owners

1891

01:12:13,130 --> 01:12:10,260

that are on the show right now pet

1892

01:12:16,450 --> 01:12:13,140

owners do not ever send your dog out

1893

01:12:18,830 --> 01:12:16,460

after a Bigfoot uh dogs will run

1894

01:12:20,810 --> 01:12:18,840

sometimes it's that they're actually

1895

01:12:22,550 --> 01:12:20,820

really aggressive and sometimes it's

1896

01:12:25,490 --> 01:12:22,560

just that they're not thinking and they

1897

01:12:27,229 --> 01:12:25,500

run headlong into something and uh I

1898

01:12:29,270 --> 01:12:27,239

mean up where I come from in the Hudson

1899

01:12:31,370 --> 01:12:29,280

Valley right near Bear Mountain there's

1900

01:12:33,169 --> 01:12:31,380

a young man from New Jersey that was

1901

01:12:35,330 --> 01:12:33,179

with the Boy Scout group and he saw a

1902

01:12:38,149 --> 01:12:35,340

Bigfoot holding half half a dog in one

1903

01:12:40,130 --> 01:12:38,159

hand and a a blanket of somebody from

1904

01:12:43,669 --> 01:12:40,140

someone's uh Campsite in the other hand

1905

01:12:46,010 --> 01:12:43,679

so they do tear dogs in half

1906

01:12:48,410 --> 01:12:46,020

um they're hunting tactics or their ways

1907

01:12:50,209 --> 01:12:48,420

of killing deer are extremely horrific

1908

01:12:52,010 --> 01:12:50,219

graphic to the extent that I don't want

1909

01:12:53,330 --> 01:12:52,020

to talk about them on the show but

1910

01:12:54,890 --> 01:12:53,340

they're very disturbing if you love

1911

01:12:57,410 --> 01:12:54,900

animals

1912

01:12:58,729 --> 01:12:57,420

um so don't ever send your dog out even

1913

01:13:02,209 --> 01:12:58,739

if you think you have the biggest

1914

01:13:04,790 --> 01:13:02,219

baddest uh pit bull dog do not send them

1915

01:13:07,070 --> 01:13:04,800

out after Bigfoot if you love the dog

1916

01:13:09,470 --> 01:13:07,080

because it will probably it will

1917

01:13:12,290 --> 01:13:09,480

certainly end up in multiple pieces

1918

01:13:15,649 --> 01:13:12,300

absolutely some bears have even been

1919

01:13:18,290 --> 01:13:15,659

dragged out of their dens in hibernation

1920

01:13:21,350 --> 01:13:18,300

um there's a lot of stories going on

1921

01:13:22,850 --> 01:13:21,360

with that too I mean it's a lot of stuff

1922

01:13:24,110 --> 01:13:22,860

um and a lot of people don't realize

1923

01:13:25,970 --> 01:13:24,120

when you see some of these deer

1924

01:13:27,410 --> 01:13:25,980

carcasses and stuff like that where the

1925

01:13:30,890 --> 01:13:27,420

head is like turned all the way around

1926

01:13:33,950 --> 01:13:30,900

it's just it's crazy legs ripped off

1927

01:13:35,750 --> 01:13:33,960

yeah So and I've heard a lot of the

1928

01:13:38,209 --> 01:13:35,760

times where there's other predators that

1929

01:13:40,430 --> 01:13:38,219

won't even touch the carcass

1930

01:13:42,590 --> 01:13:40,440

um when I guess in some of these strange

1931

01:13:44,149 --> 01:13:42,600

cases where they say like some of the

1932

01:13:46,130 --> 01:13:44,159

dogs in a Bigfoot going to just take

1933

01:13:47,930 --> 01:13:46,140

certain organs out and then leave the

1934

01:13:49,550 --> 01:13:47,940

rest of it other animals predatory

1935

01:13:52,370 --> 01:13:49,560

animals won't even

1936

01:13:54,830 --> 01:13:52,380

touch it so it's something to it it's

1937

01:13:56,870 --> 01:13:54,840

weird that is really weird yeah they eat

1938

01:13:59,510 --> 01:13:56,880

the guts they eat the guts it's it's

1939

01:14:02,149 --> 01:13:59,520

really weird we're gonna bring it to a

1940

01:14:04,310 --> 01:14:02,159

disgusting level now

1941

01:14:05,209 --> 01:14:04,320

um what I would ask you

1942

01:14:09,649 --> 01:14:05,219

um

1943

01:14:13,430 --> 01:14:09,659

uh for my last question uh Miss B in

1944

01:14:16,550 --> 01:14:13,440

terms of Encounters in the woods uh

1945

01:14:18,890 --> 01:14:16,560

daytime differences between you

1946

01:14:20,870 --> 01:14:18,900

encounter a dog man you encounter a

1947

01:14:24,050 --> 01:14:20,880

Bigfoot what do you see as the

1948

01:14:28,430 --> 01:14:26,030

what do you mean and daytime versus

1949

01:14:30,050 --> 01:14:28,440

night time well no let's let's just

1950

01:14:31,850 --> 01:14:30,060

let's just say daytime where you can

1951

01:14:34,610 --> 01:14:31,860

actually see a lot of times hikers will

1952

01:14:36,350 --> 01:14:34,620

come upon a Bigfoot on the trail a lot

1953

01:14:38,149 --> 01:14:36,360

of times it means that they've penetrate

1954

01:14:40,790 --> 01:14:38,159

they're they're encountering a century

1955

01:14:43,010 --> 01:14:40,800

and they're penetrating the area where

1956

01:14:46,010 --> 01:14:43,020

they're protecting the main family the

1957

01:14:48,590 --> 01:14:46,020

alpha the mom and the babies and and if

1958

01:14:51,470 --> 01:14:48,600

you just are heading down a trail you

1959

01:14:53,870 --> 01:14:51,480

may not know that you've come into that

1960

01:14:55,310 --> 01:14:53,880

area uh and they'll stop you and that's

1961

01:14:57,530 --> 01:14:55,320

usually when they'll stand their ground

1962

01:14:59,750 --> 01:14:57,540

and they'll they'll eyeball you and they

1963

01:15:02,810 --> 01:14:59,760

might you know Roar and make you pee on

1964

01:15:05,510 --> 01:15:02,820

yourself Etc but is there a difference

1965

01:15:08,229 --> 01:15:05,520

as you understand it on how to handle

1966

01:15:14,450 --> 01:15:08,239

yourself if you were to have a daytime

1967

01:15:20,149 --> 01:15:18,350

I think that if you have a date well I

1968

01:15:22,070 --> 01:15:20,159

would handle well it depends on what's

1969

01:15:23,689 --> 01:15:22,080

going on it depends on how many people

1970

01:15:25,970 --> 01:15:23,699

you've got with you that think they're

1971

01:15:27,350 --> 01:15:25,980

safety in numbers but I do know there's

1972

01:15:29,090 --> 01:15:27,360

been time when there's been groups of

1973

01:15:30,770 --> 01:15:29,100

people who've been attacked too but I do

1974

01:15:32,510 --> 01:15:30,780

think that

1975

01:15:34,189 --> 01:15:32,520

um I've heard a lot of people say that

1976

01:15:37,010 --> 01:15:34,199

they know you're intent so if you're in

1977

01:15:39,770 --> 01:15:37,020

a case where you are being blood charged

1978

01:15:42,649 --> 01:15:39,780

or something like that and

1979

01:15:43,669 --> 01:15:42,659

the best thing to assume would be that

1980

01:15:45,229 --> 01:15:43,679

they are trying to protect their

1981

01:15:48,410 --> 01:15:45,239

territory you're getting too close to a

1982

01:15:50,390 --> 01:15:48,420

nest to their young then do not run

1983

01:15:52,189 --> 01:15:50,400

because if it's a predatory animal then

1984

01:15:54,590 --> 01:15:52,199

you're you're creating that Predator

1985

01:15:56,510 --> 01:15:54,600

prey atmosphere at that point

1986

01:15:58,430 --> 01:15:56,520

um back up slowly

1987

01:16:00,590 --> 01:15:58,440

um I would say

1988

01:16:02,510 --> 01:16:00,600

I don't know if it's a good thing to

1989

01:16:04,070 --> 01:16:02,520

keep eye contact with it not take your

1990

01:16:05,689 --> 01:16:04,080

eyes off of it or to lower your eyes

1991

01:16:07,610 --> 01:16:05,699

like this they don't look into a dog's

1992

01:16:09,590 --> 01:16:07,620

eyes or I don't know the best thing to

1993

01:16:11,570 --> 01:16:09,600

do with that other than to either pray

1994

01:16:12,830 --> 01:16:11,580

at that moment and start backing away

1995

01:16:15,830 --> 01:16:12,840

slowly

1996

01:16:18,590 --> 01:16:15,840

um if you have other if you have have to

1997

01:16:20,810 --> 01:16:18,600

I would say if you've got a firearm or

1998

01:16:22,970 --> 01:16:20,820

some type of weapon don't use it unless

1999

01:16:25,189 --> 01:16:22,980

you have to unless you're being charged

2000

01:16:28,010 --> 01:16:25,199

or attacked because sometimes raising

2001

01:16:29,930 --> 01:16:28,020

that gun or firearm can be taken as a

2002

01:16:31,970 --> 01:16:29,940

form of aggression and they may

2003

01:16:34,729 --> 01:16:31,980

because they know what they are

2004

01:16:36,890 --> 01:16:34,739

and so if that's the case and you fire

2005

01:16:38,209 --> 01:16:36,900

it at that thing and you miss

2006

01:16:40,550 --> 01:16:38,219

then

2007

01:16:44,810 --> 01:16:40,560

you are out of luck

2008

01:16:46,310 --> 01:16:44,820

your Sol yeah yeah so if I had to use it

2009

01:16:48,890 --> 01:16:46,320

this right up on me then I would do so

2010

01:16:50,090 --> 01:16:48,900

but let them know you know got to put

2011

01:16:53,350 --> 01:16:50,100

your hands up say hey I mean you know

2012

01:16:55,070 --> 01:16:53,360

harm if they do understand language or

2013

01:16:57,470 --> 01:16:55,080

telepathy if you got to pray whatever

2014

01:17:00,350 --> 01:16:57,480

you got to do do that back up back away

2015

01:17:02,990 --> 01:17:00,360

slowly and do the best you can just to

2016

01:17:05,330 --> 01:17:03,000

get out of there the best way you can

2017

01:17:06,890 --> 01:17:05,340

um as far as a nighttime encounter I

2018

01:17:08,570 --> 01:17:06,900

would say don't go out unless you've got

2019

01:17:09,770 --> 01:17:08,580

other people out there with you if

2020

01:17:11,450 --> 01:17:09,780

you're gonna go out and you're going to

2021

01:17:13,790 --> 01:17:11,460

be in the woods for any reason

2022

01:17:15,950 --> 01:17:13,800

especially if you're going Deep Woods

2023

01:17:17,390 --> 01:17:15,960

hiking or camping or anything like that

2024

01:17:19,189 --> 01:17:17,400

understand that a lot of times you're

2025

01:17:20,510 --> 01:17:19,199

going to be out there and your cell

2026

01:17:23,330 --> 01:17:20,520

phones are probably not going to have

2027

01:17:25,310 --> 01:17:23,340

service so it's best to have

2028

01:17:27,410 --> 01:17:25,320

um some kind of satellite phone a

2029

01:17:29,149 --> 01:17:27,420

locator and let your family or friends

2030

01:17:31,370 --> 01:17:29,159

or somebody know where you're going go

2031

01:17:33,890 --> 01:17:31,380

and Shake in like if you're at a state

2032

01:17:35,270 --> 01:17:33,900

or national park go to like I guess like

2033

01:17:36,530 --> 01:17:35,280

the office area and let people know

2034

01:17:39,169 --> 01:17:36,540

where you're going to be

2035

01:17:40,970 --> 01:17:39,179

and make sure that you do go out whether

2036

01:17:43,430 --> 01:17:40,980

you feel like these things know you're

2037

01:17:46,070 --> 01:17:43,440

intent or not still go out with some

2038

01:17:47,510 --> 01:17:46,080

kind of form of protection firearm knife

2039

01:17:50,149 --> 01:17:47,520

machete whatever you need to go out

2040

01:17:51,649 --> 01:17:50,159

there with just in case because they are

2041

01:17:53,810 --> 01:17:51,659

not the only things out there you still

2042

01:17:55,370 --> 01:17:53,820

got to deal with Wolves bears and every

2043

01:17:57,830 --> 01:17:55,380

other Predator that's out there still

2044

01:17:59,630 --> 01:17:57,840

too and and in some cases humans might

2045

01:18:01,850 --> 01:17:59,640

even be out there to attack you so

2046

01:18:03,410 --> 01:18:01,860

that's what I would say about it just go

2047

01:18:05,570 --> 01:18:03,420

out there with everything that you need

2048

01:18:07,669 --> 01:18:05,580

I won't even take bear spray

2049

01:18:10,189 --> 01:18:07,679

or anything like that that you can take

2050

01:18:11,689 --> 01:18:10,199

just in order to

2051

01:18:13,610 --> 01:18:11,699

um make yourself safe

2052

01:18:16,850 --> 01:18:13,620

even an air horn I think would be good

2053

01:18:18,649 --> 01:18:16,860

just for the noise if you need to

2054

01:18:20,090 --> 01:18:18,659

come on

2055

01:18:22,850 --> 01:18:20,100

yeah so that's my thoughts on that

2056

01:18:24,350 --> 01:18:22,860

safety tip that's a great idea and I

2057

01:18:26,090 --> 01:18:24,360

want it relative to what you said about

2058

01:18:29,510 --> 01:18:26,100

the firearm I want to tell a quick story

2059

01:18:33,770 --> 01:18:29,520

there was a guy uh camping near a river

2060

01:18:35,510 --> 01:18:33,780

in Ohio solo and he drives himself off

2061

01:18:38,390 --> 01:18:35,520

from the river and he goes back to camp

2062

01:18:40,550 --> 01:18:38,400

and he sees something bent over pulling

2063

01:18:43,370 --> 01:18:40,560

off bark and looking like it's eating

2064

01:18:46,010 --> 01:18:43,380

grubs and he thinks it's a bear so he's

2065

01:18:47,630 --> 01:18:46,020

doing the hay bear hey bear you know

2066

01:18:49,430 --> 01:18:47,640

just trying to let it know you know that

2067

01:18:52,189 --> 01:18:49,440

it's coming up so you don't you know

2068

01:18:54,169 --> 01:18:52,199

startle it but it can hear you so he's

2069

01:18:57,050 --> 01:18:54,179

doing the hay bear and he pulls his

2070

01:18:59,930 --> 01:18:57,060

firearm out and what stands up is a is a

2071

01:19:03,470 --> 01:18:59,940

female uh Bigfoot that was picking those

2072

01:19:06,649 --> 01:19:03,480

uh those grub worms so he has his weapon

2073

01:19:08,330 --> 01:19:06,659

so he's the tension is is very very high

2074

01:19:13,189 --> 01:19:08,340

with his and he has a handgun with a

2075

01:19:15,830 --> 01:19:13,199

holster and so he he slowly puts the

2076

01:19:17,870 --> 01:19:15,840

weapon in his holster and feels the

2077

01:19:21,169 --> 01:19:17,880

tension the look on her face everything

2078

01:19:23,330 --> 01:19:21,179

just get very calm she's now looking at

2079

01:19:25,550 --> 01:19:23,340

the the yellow towel that's in his hand

2080

01:19:27,950 --> 01:19:25,560

he said the way that a woman is window

2081

01:19:30,350 --> 01:19:27,960

shopping like on a High Street in

2082

01:19:32,870 --> 01:19:30,360

England or Main Street somewhere and

2083

01:19:34,850 --> 01:19:32,880

she's looking at that yellow towel so

2084

01:19:37,070 --> 01:19:34,860

he's you know he's really nervous but he

2085

01:19:39,950 --> 01:19:37,080

very gently kind of like pitches the

2086

01:19:41,990 --> 01:19:39,960

towel over to her kind of like that over

2087

01:19:46,310 --> 01:19:42,000

onto the log

2088

01:19:48,830 --> 01:19:46,320

and um and so she picks up the towel and

2089

01:19:50,090 --> 01:19:48,840

he starts backing away slowly and he

2090

01:19:52,430 --> 01:19:50,100

turns around and when he turns around

2091

01:19:55,689 --> 01:19:52,440

the male Bigfoot was standing behind him

2092

01:19:58,250 --> 01:19:55,699

the alpha male and he passed out

2093

01:20:00,530 --> 01:19:58,260

uh right there and he's not the first

2094

01:20:02,630 --> 01:20:00,540

person I heard that's fainted but the

2095

01:20:05,270 --> 01:20:02,640

point of the story was uh when Miss B

2096

01:20:07,970 --> 01:20:05,280

mentioned about uh don't Point your

2097

01:20:09,709 --> 01:20:07,980

firearm at him you're not looking at the

2098

01:20:11,570 --> 01:20:09,719

one that's in front of you you don't see

2099

01:20:13,130 --> 01:20:11,580

the other three that are there and you

2100

01:20:14,450 --> 01:20:13,140

probably won't make it out of there if

2101
01:20:16,550 --> 01:20:14,460
you do that so

2102
01:20:18,590 --> 01:20:16,560
absolutely

2103
01:20:23,709 --> 01:20:18,600
so I don't know if anybody has any last

2104
01:20:28,130 --> 01:20:25,850
go ahead

2105
01:20:30,050 --> 01:20:28,140
I I was just going to ask if you could

2106
01:20:35,149 --> 01:20:30,060
just throw in some facts about the

2107
01:20:39,110 --> 01:20:36,530
me

2108
01:20:40,729 --> 01:20:39,120
yes ma'am I don't think I know about the

2109
01:20:42,649 --> 01:20:40,739
rainbow serpent

2110
01:20:45,050 --> 01:20:42,659
but you talk about it you just maybe

2111
01:20:48,770 --> 01:20:45,060
don't use the same terminology the

2112
01:20:52,910 --> 01:20:48,780
rainbow is the flying serpent also known

2113
01:20:55,550 --> 01:20:52,920

as uh by some people like a dragon that

2114

01:20:58,970 --> 01:20:55,560

appears internationally throughout

2115

01:21:00,530 --> 01:20:58,980

history in multiple religions and faiths

2116

01:21:03,530 --> 01:21:00,540

yeah

2117

01:21:05,930 --> 01:21:03,540

so I think like in the Native American

2118

01:21:07,610 --> 01:21:05,940

culture I know and I can't remember if

2119

01:21:09,590 --> 01:21:07,620

this is um

2120

01:21:11,209 --> 01:21:09,600

I can't remember it was buying an Aztec

2121

01:21:14,149 --> 01:21:11,219

but you know you have where you've got

2122

01:21:15,530 --> 01:21:14,159

kukul Khan that is brought up and one of

2123

01:21:18,350 --> 01:21:15,540

them I can't remember if that's the

2124

01:21:19,910 --> 01:21:18,360

Aztec lion or the Mayan

2125

01:21:22,669 --> 01:21:19,920

um but then and the other one you have

2126
01:21:25,550 --> 01:21:22,679
Quetzalcoatl and they are referred to as

2127
01:21:27,350 --> 01:21:25,560
the flying Serpent and the way I look at

2128
01:21:29,090 --> 01:21:27,360
that and like I said before there's no

2129
01:21:32,209 --> 01:21:29,100
new thing Under The Sun It's flying

2130
01:21:33,169 --> 01:21:32,219
serpent okay so you got a serpent a

2131
01:21:35,149 --> 01:21:33,179
serpent

2132
01:21:38,570 --> 01:21:35,159
let me go into that first let me slow

2133
01:21:41,030 --> 01:21:38,580
down blind serpent that's the dragon to

2134
01:21:43,490 --> 01:21:41,040
me in my mind and if you look at that

2135
01:21:45,229 --> 01:21:43,500
like biblically speaking and I make him

2136
01:21:47,570 --> 01:21:45,239
be completely wrong this is just my take

2137
01:21:50,270 --> 01:21:47,580
on it when you say a flying serpent

2138
01:21:52,010 --> 01:21:50,280

we're automatically looking at that I

2139

01:21:55,669 --> 01:21:52,020

think what they were calling it was a

2140

01:21:58,550 --> 01:21:55,679

plume serpent plume means feathers but

2141

01:22:00,050 --> 01:21:58,560

what if it didn't happen if it was just

2142

01:22:01,729 --> 01:22:00,060

flying and you know if you look at it

2143

01:22:03,169 --> 01:22:01,739

like a dragon and then you take into

2144

01:22:06,050 --> 01:22:03,179

that

2145

01:22:07,610 --> 01:22:06,060

um the Chinese culture cultures all over

2146

01:22:09,770 --> 01:22:07,620

the world they have their stories of

2147

01:22:11,270 --> 01:22:09,780

dragons and then you got Medieval Times

2148

01:22:13,610 --> 01:22:11,280

like

2149

01:22:15,530 --> 01:22:13,620

um and you know ancient England ancient

2150

01:22:18,290 --> 01:22:15,540

Europe whatever they have stories of

2151
01:22:19,729 --> 01:22:18,300
dragons and then you got in the book of

2152
01:22:23,090 --> 01:22:19,739
I can't remember the Book of Job but

2153
01:22:24,530 --> 01:22:23,100
leviath that is brought up Leviathan I

2154
01:22:26,630 --> 01:22:24,540
don't remember it being brought up

2155
01:22:28,490 --> 01:22:26,640
anything about any wings or anything

2156
01:22:31,370 --> 01:22:28,500
like that but it was more of like a

2157
01:22:34,310 --> 01:22:31,380
water serpent like a water dragon

2158
01:22:36,470 --> 01:22:34,320
I guess maybe something would breathe

2159
01:22:38,630 --> 01:22:36,480
fire I have no idea but what I do think

2160
01:22:40,669 --> 01:22:38,640
is that there is something to those two

2161
01:22:43,790 --> 01:22:40,679
there are videos and stuff out there to

2162
01:22:46,070 --> 01:22:43,800
this day where there are dragons flying

2163
01:22:48,050 --> 01:22:46,080

scene flying around and then if you

2164

01:22:50,209 --> 01:22:48,060

think about like you know we look at

2165

01:22:51,770 --> 01:22:50,219

dinosaurs a certain type of way and he

2166

01:22:53,270 --> 01:22:51,780

said well dinosaurs in the Bible but

2167

01:22:55,550 --> 01:22:53,280

what if they were in the Bible people

2168

01:22:58,250 --> 01:22:55,560

don't realize that dinosaurs

2169

01:23:00,350 --> 01:22:58,260

man did live alongside dinosaurs as well

2170

01:23:01,910 --> 01:23:00,360

but we were told they didn't there's

2171

01:23:04,430 --> 01:23:01,920

several different cave drawings of

2172

01:23:07,250 --> 01:23:04,440

people hunting dinosaurs there's still

2173

01:23:08,570 --> 01:23:07,260

to this day I think in Africa certain

2174

01:23:10,490 --> 01:23:08,580

areas of Africa I don't know if this is

2175

01:23:12,530 --> 01:23:10,500

in the Congo or where but they have

2176

01:23:15,590 --> 01:23:12,540

something they're called the um what

2177

01:23:17,270 --> 01:23:15,600

they call them Kelly and bimbe it's like

2178

01:23:19,130 --> 01:23:17,280

um a raptor or some type of dinosaur

2179

01:23:21,830 --> 01:23:19,140

they say it's still sighted over there

2180

01:23:23,750 --> 01:23:21,840

still now pterodactyl sightings still

2181

01:23:25,430 --> 01:23:23,760

like North Carolina and Texas Arizona

2182

01:23:28,250 --> 01:23:25,440

certain areas here in the United States

2183

01:23:31,370 --> 01:23:28,260

that's a blind serpent these things are

2184

01:23:33,169 --> 01:23:31,380

still here uh there's a guy on Facebook

2185

01:23:35,570 --> 01:23:33,179

and I don't know if he's he's got a few

2186

01:23:38,209 --> 01:23:35,580

videos on YouTube his name is Rex yappy

2187

01:23:40,189 --> 01:23:38,219

and I he lives in I can't remember if

2188

01:23:43,490 --> 01:23:40,199

it's Guatemala or Guam he lives in

2189

01:23:46,010 --> 01:23:43,500

another country and he actually says

2190

01:23:49,490 --> 01:23:46,020

that there's pterodactyls that actually

2191

01:23:51,410 --> 01:23:49,500

live within this volcano there where he

2192

01:23:53,689 --> 01:23:51,420

lives at he says that it's a major thing

2193

01:23:55,490 --> 01:23:53,699

plenty of people have cited them their

2194

01:23:57,169 --> 01:23:55,500

sightings as far as like I know this is

2195

01:23:59,630 --> 01:23:57,179

January right now but they were

2196

01:24:00,310 --> 01:23:59,640

sightings last year in North Carolina of

2197

01:24:02,810 --> 01:24:00,320

um

2198

01:24:04,970 --> 01:24:02,820

pterodactyls there's a lot of stuff

2199

01:24:06,470 --> 01:24:04,980

that's still out there Thunderbirds so

2200

01:24:09,229 --> 01:24:06,480

when you look at these different things

2201

01:24:12,050 --> 01:24:09,239

I don't think that um a lot of this

2202

01:24:13,610 --> 01:24:12,060

stuff is so hard to believe because for

2203

01:24:14,709 --> 01:24:13,620

one I would have thought that bigfooted

2204

01:24:17,390 --> 01:24:14,719

dog man

2205

01:24:20,450 --> 01:24:17,400

werewolf you know would be something

2206

01:24:22,870 --> 01:24:20,460

ridiculous or not so the way I look

2207

01:24:25,430 --> 01:24:22,880

things now I think that they're

2208

01:24:26,750 --> 01:24:25,440

there's nothing that's beyond the realm

2209

01:24:28,010 --> 01:24:26,760

of possibilities of what's out there I

2210

01:24:29,990 --> 01:24:28,020

think that these things have always

2211

01:24:31,310 --> 01:24:30,000

existed I think they're ancient in some

2212

01:24:34,250 --> 01:24:31,320

cases I think they've been here before

2213

01:24:36,169 --> 01:24:34,260

us or as long as we've been here I think

2214

01:24:38,750 --> 01:24:36,179

that ancient cultures around the world

2215

01:24:40,310 --> 01:24:38,760

whether that was in the Middle East or

2216

01:24:42,649 --> 01:24:40,320

were there anywhere in the world I think

2217

01:24:44,630 --> 01:24:42,659

that people always lived alongside these

2218

01:24:46,669 --> 01:24:44,640

things it's just that today Society

2219

01:24:49,370 --> 01:24:46,679

these things are being covered up from

2220

01:24:51,229 --> 01:24:49,380

us when there's archaeological digs the

2221

01:24:52,729 --> 01:24:51,239

Smithsonian comes in they come and they

2222

01:24:55,310 --> 01:24:52,739

take these bodies or they take these

2223

01:24:56,630 --> 01:24:55,320

skeletal remains away and you never hear

2224

01:24:58,790 --> 01:24:56,640

about them again

2225

01:25:00,970 --> 01:24:58,800

people don't realize that there's Giants

2226

01:25:03,430 --> 01:25:00,980

and stuff like that ever since the 17

2227

01:25:05,750 --> 01:25:03,440

1800s right here in the United States

2228

01:25:06,950 --> 01:25:05,760

hundreds of them like all across the

2229

01:25:10,189 --> 01:25:06,960

United States and all across the world

2230

01:25:13,610 --> 01:25:10,199

that were dug up and these skeletons

2231

01:25:15,530 --> 01:25:13,620

some of them 14 15 16 feet tall but then

2232

01:25:16,970 --> 01:25:15,540

when they were shipped off to the

2233

01:25:17,930 --> 01:25:16,980

Smithsonian you never heard about it

2234

01:25:20,209 --> 01:25:17,940

again

2235

01:25:22,610 --> 01:25:20,219

it's a lot of stuff that's still going

2236

01:25:24,470 --> 01:25:22,620

on to this day there's still sightings

2237

01:25:29,050 --> 01:25:24,480

of giants still going on to this day too

2238

01:25:33,590 --> 01:25:31,729

I can't remember what tsunami this was

2239

01:25:36,110 --> 01:25:33,600

now I don't know if it was the one back

2240

01:25:37,070 --> 01:25:36,120

in like 2002 or what but do y'all

2241

01:25:39,830 --> 01:25:37,080

remember

2242

01:25:42,590 --> 01:25:39,840

um at one point they were showing these

2243

01:25:45,050 --> 01:25:42,600

um big huge sea serpents washing up on

2244

01:25:49,310 --> 01:25:46,910

it looked like one of those

2245

01:25:50,450 --> 01:25:49,320

it had that long neck like one of those

2246

01:25:51,590 --> 01:25:50,460

ancient

2247

01:25:53,090 --> 01:25:51,600

um water

2248

01:25:54,890 --> 01:25:53,100

um dinosaurs and I can't think of the

2249

01:25:57,290 --> 01:25:54,900

name of those now but it had the long

2250

01:25:58,970 --> 01:25:57,300

neck it had that did y'all ever see the

2251

01:26:00,410 --> 01:25:58,980

movie The Water Horse

2252

01:26:04,610 --> 01:26:00,420

mm-hmm

2253

01:26:08,090 --> 01:26:04,620

you know what the Loch Ness monster yeah

2254

01:26:10,430 --> 01:26:08,100

okay well something like that and that's

2255

01:26:12,110 --> 01:26:10,440

not just been that was one incident but

2256

01:26:13,490 --> 01:26:12,120

there's multiple incidents where those

2257

01:26:14,450 --> 01:26:13,500

type of things are washed up on the

2258

01:26:16,729 --> 01:26:14,460

beaches

2259

01:26:18,470 --> 01:26:16,739

it's ancient sharks to this day that was

2260

01:26:20,750 --> 01:26:18,480

supposed to have died out like millions

2261

01:26:22,910 --> 01:26:20,760

of years ago that is still washing up

2262

01:26:24,169 --> 01:26:22,920

right now y'all remember the Megalodon a

2263

01:26:25,970 --> 01:26:24,179

few years ago was something that was

2264

01:26:27,590 --> 01:26:25,980

supposed to be extinct

2265

01:26:29,629 --> 01:26:27,600

hey that's why I don't go into the ocean

2266

01:26:31,550 --> 01:26:29,639

for those reasons Miss B I just want to

2267

01:26:33,290 --> 01:26:31,560

tell you I'm a long distance swimmer I

2268

01:26:34,850 --> 01:26:33,300

do wear a shark band around my wrist

2269

01:26:37,010 --> 01:26:34,860

you're making me think that I should buy

2270

01:26:39,470 --> 01:26:37,020

one for the other wrist and both ankles

2271

01:26:40,390 --> 01:26:39,480

so you know they kind of scare me right

2272

01:26:43,310 --> 01:26:40,400

now

2273

01:26:45,110 --> 01:26:43,320

I'm serious I mean there's a lot of

2274

01:26:46,550 --> 01:26:45,120

stuff out there there's like stuff they

2275

01:26:49,850 --> 01:26:46,560

don't want you to know that stuff is

2276

01:26:51,890 --> 01:26:49,860

real Julie Julie said plesiosaur yep

2277

01:26:53,990 --> 01:26:51,900

Julie that's it like that something like

2278

01:26:55,790 --> 01:26:54,000

that actually washed up on the beach

2279

01:26:57,169 --> 01:26:55,800

matter of fact when y'all y'all are

2280

01:26:58,850 --> 01:26:57,179

still out there watching this when y'all

2281

01:27:01,729 --> 01:26:58,860

get a chance just go to YouTube and type

2282

01:27:03,410 --> 01:27:01,739

in pterodactyl sightings type in dragon

2283

01:27:04,729 --> 01:27:03,420

sightings because it's all kind of

2284

01:27:07,189 --> 01:27:04,739

videos on that

2285

01:27:08,570 --> 01:27:07,199

in addition to flying humanoids and

2286

01:27:10,430 --> 01:27:08,580

everything else

2287

01:27:13,129 --> 01:27:10,440

yeah I think I heard a pretty credible

2288

01:27:16,430 --> 01:27:13,139

source for a Thunderbird the other day

2289

01:27:18,530 --> 01:27:16,440

that was gigantic it was uh uh the

2290

01:27:20,990 --> 01:27:18,540

individual would have been somebody you

2291

01:27:22,970 --> 01:27:21,000

would have thought was a very sober

2292

01:27:24,590 --> 01:27:22,980

individual I'm trying to remember which

2293

01:27:26,750 --> 01:27:24,600

show that I heard it on because I listen

2294

01:27:28,610 --> 01:27:26,760

to a lot of different shows but but it

2295

01:27:31,250 --> 01:27:28,620

is it is very eye-opening and you know

2296

01:27:33,770 --> 01:27:31,260

if if there's one thing that thank you

2297

01:27:36,890 --> 01:27:33,780

thank you Jules if there's one thing

2298

01:27:39,470 --> 01:27:36,900

that that you know we get from this is

2299

01:27:41,270 --> 01:27:39,480

and and what you've helped us do here

2300

01:27:44,270 --> 01:27:41,280

tonight

2301

01:27:46,729 --> 01:27:44,280

um be is that to open your mind open

2302

01:27:49,610 --> 01:27:46,739

your aperture because you're a UFO

2303

01:27:51,050 --> 01:27:49,620

person don't think that get in your mind

2304

01:27:53,090 --> 01:27:51,060

that that's the only thing out there

2305

01:27:55,490 --> 01:27:53,100

because it's not

2306

01:27:59,510 --> 01:27:55,500

um absolutely and you know that there is

2307

01:28:02,330 --> 01:27:59,520

you know thousands uh you know what they

2308

01:28:04,610 --> 01:28:02,340

say since uh in the last 50 years ten

2309

01:28:06,950 --> 01:28:04,620

thousand Bigfoot sightings and then

2310

01:28:08,990 --> 01:28:06,960

that's just reported sightings there's

2311

01:28:10,970 --> 01:28:09,000

probably an additional 10 000 of people

2312

01:28:12,950 --> 01:28:10,980

who are like or more he'll say I'll

2313

01:28:14,450 --> 01:28:12,960

never talk about this again because I'm

2314

01:28:16,250 --> 01:28:14,460

traumatized and a lot of those

2315

01:28:20,090 --> 01:28:16,260

individuals have just popped up on shows

2316

01:28:24,410 --> 01:28:20,100

like vix this year and not to mention uh

2317

01:28:28,669 --> 01:28:24,420

the dog man so if if you're a person who

2318

01:28:30,110 --> 01:28:28,679

is uh following B and you are a Cryptid

2319

01:28:32,510 --> 01:28:30,120

person

2320

01:28:36,770 --> 01:28:32,520

um understand that that the UFO

2321

01:28:38,270 --> 01:28:36,780

phenomenon is quite real uh as well so I

2322

01:28:41,149 --> 01:28:38,280

think absolutely what you're helping us

2323

01:28:43,189 --> 01:28:41,159

do is just to open our mind and open our

2324

01:28:45,950 --> 01:28:43,199

aperture Nathan you know relative to

2325

01:28:47,629 --> 01:28:45,960

Consciousness there's there's a lot out

2326

01:28:49,570 --> 01:28:47,639

there and please don't think that that

2327

01:28:52,550 --> 01:28:49,580

we know it all because we just don't

2328

01:28:54,229 --> 01:28:52,560

absolutely and you know I have my slogan

2329

01:28:55,430 --> 01:28:54,239

and I like to use a lot of time make it

2330

01:29:00,169 --> 01:28:55,440

make sense

2331

01:29:01,610 --> 01:29:00,179

because this is not brand new and just

2332

01:29:03,770 --> 01:29:01,620

real quick because I know y'all are

2333

01:29:06,050 --> 01:29:03,780

getting short for time but like even

2334

01:29:07,729 --> 01:29:06,060

with the whole UFO phenomenon I might be

2335

01:29:09,410 --> 01:29:07,739

reaching with this everything I throw

2336

01:29:11,090 --> 01:29:09,420

out there y'all it's just some of this

2337

01:29:13,669 --> 01:29:11,100

stuff is theories but I look at stuff

2338

01:29:15,709 --> 01:29:13,679

you got like the Indian or what do you

2339

01:29:17,510 --> 01:29:15,719

call it like uh the Hindu cultures and

2340

01:29:19,790 --> 01:29:17,520

stuff like that who talk about the

2341

01:29:21,950 --> 01:29:19,800

vermanas you know that goes back to

2342

01:29:24,290 --> 01:29:21,960

ancient times this UFOs what they were

2343

01:29:25,970 --> 01:29:24,300

calling those you got um different

2344

01:29:28,310 --> 01:29:25,980

cultures whatever talking about the sky

2345

01:29:30,770 --> 01:29:28,320

Gods coming down like Native American

2346

01:29:32,570 --> 01:29:30,780

cultures talk about that and then in

2347

01:29:36,169 --> 01:29:32,580

some cases I don't y'all are familiar

2348

01:29:38,030 --> 01:29:36,179

with that show um Ancient Aliens came on

2349

01:29:39,830 --> 01:29:38,040

a few years ago I don't know if that

2350

01:29:41,629 --> 01:29:39,840

still comes on or not but Ancient Aliens

2351

01:29:43,490 --> 01:29:41,639

were trying to say and they used the

2352

01:29:45,050 --> 01:29:43,500

Bible to their advantage sometimes and

2353

01:29:47,090 --> 01:29:45,060

sometimes they use it to try to

2354

01:29:49,189 --> 01:29:47,100

discredit you know just however whatever

2355

01:29:51,290 --> 01:29:49,199

their narrative was at the time but they

2356

01:29:54,470 --> 01:29:51,300

were saying that ezekiel's will in the

2357

01:29:55,910 --> 01:29:54,480

middle of the will was a UFO so we look

2358

01:29:58,189 --> 01:29:55,920

at different things like that and then

2359

01:29:59,750 --> 01:29:58,199

you have different times when they said

2360

01:30:02,930 --> 01:29:59,760

that that cloud that was following them

2361

01:30:04,310 --> 01:30:02,940

it's Up For Debate I mean or you know

2362

01:30:06,649 --> 01:30:04,320

just depending on how strong your faith

2363

01:30:08,689 --> 01:30:06,659

is there is certain things that we do

2364

01:30:10,669 --> 01:30:08,699

know they were calling them Cherry what

2365

01:30:12,649 --> 01:30:10,679

was it Zechariah sitchin or was it Eric

2366

01:30:19,330 --> 01:30:12,659

Von Danika in the dead Chariots of the

2367

01:30:23,570 --> 01:30:22,070

so basically all

2368

01:30:27,229 --> 01:30:23,580

of us have been around for a long time

2369

01:30:28,790 --> 01:30:27,239

UFOs and then even over in um the

2370

01:30:30,350 --> 01:30:28,800

Egyptian like the caves and stuff like

2371

01:30:32,270 --> 01:30:30,360

the pyramids and stuff over there they

2372

01:30:34,370 --> 01:30:32,280

have actual

2373

01:30:37,970 --> 01:30:34,380

um hieroglyphs and drawings on those

2374

01:30:40,729 --> 01:30:37,980

buildings with UFOs in it so this stuff

2375

01:30:42,709 --> 01:30:40,739

is not brand new none of it is

2376

01:30:45,290 --> 01:30:42,719

keep your minds open and understand it's

2377

01:30:55,610 --> 01:30:45,300

all intertwined in some kind of way can

2378

01:30:59,330 --> 01:30:57,709

I'll go first so B thank you so much for

2379

01:31:02,530 --> 01:30:59,340

joining us and and sharing your

2380

01:31:05,570 --> 01:31:02,540

experiences with us uh as DJ pointed out

2381

01:31:07,129 --> 01:31:05,580

it's really important that we make space

2382

01:31:11,270 --> 01:31:07,139

for each other for the experiences that

2383

01:31:13,610 --> 01:31:11,280

we have uh that we don't be too quick to

2384

01:31:15,410 --> 01:31:13,620

judge and others experience and it's

2385

01:31:18,169 --> 01:31:15,420

very clear that you're a person that is

2386

01:31:20,390 --> 01:31:18,179

uh you know is willing to listen and

2387

01:31:23,270 --> 01:31:20,400

willing to incorporate what people are

2388

01:31:26,030 --> 01:31:23,280

saying and experiencing and uh that

2389

01:31:27,530 --> 01:31:26,040

comes across very clearly you've been an

2390

01:31:28,729 --> 01:31:27,540

excellent guest just you know you've got

2391

01:31:30,530 --> 01:31:28,739

a lot of knowledge and it's been great

2392

01:31:32,689 --> 01:31:30,540

to hear the things that you've had to

2393

01:31:34,669 --> 01:31:32,699

share and uh if folks want to follow you

2394

01:31:36,950 --> 01:31:34,679

2395
