Calling All Beings

1
00:00:32,569 --> 00:00:13,089

[Music]

2
00:00:36,650 --> 00:00:34,670

foreign

3
00:00:40,190 --> 00:00:36,660

I wish I could bottle this up and carry

4
00:00:43,250 --> 00:00:40,200

it with me every place welcome back to

5
00:00:46,069 --> 00:00:43,260

calling all beings I'm your host DJ and

6
00:00:49,069 --> 00:00:46,079

man have I been anticipating this

7
00:00:51,010 --> 00:00:49,079

episode since I met this brother but

8
00:00:53,450 --> 00:00:51,020

before we get to him let's get to the

9
00:00:55,910 --> 00:00:53,460

co-conspirator of this joint the

10
00:00:57,590 --> 00:00:55,920

creative man the executive producer who

11
00:01:00,170 --> 00:00:57,600

don't create it everything you see

12
00:01:02,689 --> 00:01:00,180

except Leah put your hands together for

13
00:01:05,390 --> 00:01:02,699

money Nathan what's going on everybody

14

00:01:07,910 --> 00:01:05,400

how's it going welcome to the campsite

15

00:01:09,410 --> 00:01:07,920

uh I've got a tent in the back and I

16

00:01:11,810 --> 00:01:09,420

guess a visitor I don't know about that

17

00:01:14,450 --> 00:01:11,820

guy but yeah figure out about him in a

18

00:01:16,010 --> 00:01:14,460

minute all right and check it out man

19

00:01:18,530 --> 00:01:16,020

before we get get into a little more

20

00:01:20,270 --> 00:01:18,540

Nathan this uh you know what she's uh

21

00:01:24,070 --> 00:01:20,280

the new addition man she's like kind of

22

00:01:28,190 --> 00:01:24,080

like the uh the Bobby Brown here

23

00:01:29,860 --> 00:01:28,200

the new edition together for Leah Prime

24

00:01:32,570 --> 00:01:29,870

guys yeah

25

00:01:35,210 --> 00:01:32,580

[Applause]

26
00:01:37,130 --> 00:01:35,220
so nice to be here again hi Prime Time

27
00:01:38,510 --> 00:01:37,140
how are you ma'am

28
00:01:40,069 --> 00:01:38,520
I'm hanging in there you know pretty

29
00:01:42,649 --> 00:01:40,079
excited to talk some Bigfoot this is

30
00:01:44,510 --> 00:01:42,659
like my uh upper teeth before jumping

31
00:01:46,490 --> 00:01:44,520
onto my stream at nine o'clock

32
00:01:48,770 --> 00:01:46,500
um first first order of Bigfoot second

33
00:01:51,830 --> 00:01:48,780
order of uh UFO cases that's a good

34
00:01:53,389 --> 00:01:51,840
night don't get you warmed up for the

35
00:01:57,429 --> 00:01:53,399
invisible nice it's my kind of threesome

36
00:02:01,249 --> 00:01:59,450
well someone we don't really need the

37
00:02:04,249 --> 00:02:01,259
dating show that we're gonna do next on

38
00:02:07,670 --> 00:02:04,259

Valentine's Day anyway uh that night was

39

00:02:10,669 --> 00:02:07,680

standing Nathan yes um

40

00:02:14,210 --> 00:02:10,679

how do you it it's so difficult to

41

00:02:14,869 --> 00:02:14,220

Define cool how do you define cool in a

42

00:02:17,690 --> 00:02:14,879

person

43

00:02:21,229 --> 00:02:17,700

effortless man if they're trying it's

44

00:02:23,570 --> 00:02:21,239

not it's not cool cool is just being you

45

00:02:26,690 --> 00:02:23,580

right right they're cool that can be

46

00:02:29,930 --> 00:02:26,700

named is not the Eternal cool right it's

47

00:02:32,390 --> 00:02:29,940

just like taoism exactly exactly

48

00:02:34,010 --> 00:02:32,400

well you know this brother right here

49

00:02:38,990 --> 00:02:34,020

that we're gonna have on tonight this

50

00:02:40,610 --> 00:02:39,000

gentleman who uh as I try to work uh get

51
00:02:42,830 --> 00:02:40,620
an understanding of the Bigfoot World

52
00:02:44,990 --> 00:02:42,840
thanks to you Nathan

53
00:02:46,430 --> 00:02:45,000
um and I'm I'm walking into this world

54
00:02:49,729 --> 00:02:46,440
trudging through the mud and somebody

55
00:02:52,009 --> 00:02:49,739
reached out and pulled me up out of that

56
00:02:53,650 --> 00:02:52,019
that Florida swamp onto some reasonably

57
00:02:58,369 --> 00:02:53,660
uh firm ground

58
00:03:02,210 --> 00:02:58,379
uh and this guy is just so cool so funny

59
00:03:04,430 --> 00:03:02,220
the first time that uh he came on cab uh

60
00:03:06,589 --> 00:03:04,440
Nathan's like wow you know he just fit I

61
00:03:09,589 --> 00:03:06,599
don't remember the exact words that you

62
00:03:12,949 --> 00:03:09,599
use but he just fit and I'm just like

63
00:03:15,130 --> 00:03:12,959

wow man uh he's just such an impressive

64

00:03:17,089 --> 00:03:15,140

well-spoken individual he's in

65

00:03:20,149 --> 00:03:17,099

intellectual who has this deep

66

00:03:22,490 --> 00:03:20,159

understanding of of Bigfoot based on

67

00:03:24,470 --> 00:03:22,500

spending a lot of time out in the woods

68

00:03:27,050 --> 00:03:24,480

studying it and talking to a lot of

69

00:03:29,570 --> 00:03:27,060

people and really being open to that uh

70

00:03:32,089 --> 00:03:29,580

Nathan has I asked him to be bigfoot-ish

71

00:03:34,490 --> 00:03:32,099

tonight uh he you know here I am just

72

00:03:36,410 --> 00:03:34,500

wearing my bigfoot shirt and you know my

73

00:03:38,030 --> 00:03:36,420

Forest cold hat you know make sure and

74

00:03:40,130 --> 00:03:38,040

look at this man he's got the campsite

75

00:03:41,630 --> 00:03:40,140

set up and big butts

76

00:03:43,550 --> 00:03:41,640

in the background

77

00:03:45,229 --> 00:03:43,560

puts apparently a Slayer fan too it's

78

00:03:49,009 --> 00:03:45,239

awesome absolutely

79

00:03:50,830 --> 00:03:49,019

rocks prime time is so damn funny man

80

00:03:53,750 --> 00:03:50,840

she's another one that fits like a glove

81

00:03:58,670 --> 00:03:53,760

uh but this gentleman right here has got

82

00:04:02,630 --> 00:03:58,680

uh 20 years of field research he's a

83

00:04:04,390 --> 00:04:02,640

form of Bigfoot Outlaw baby he's from

84

00:04:06,890 --> 00:04:04,400

the state of Oklahoma

85

00:04:10,970 --> 00:04:06,900

Tulsa's own

86

00:04:16,610 --> 00:04:10,980

put your hands together for the host of

87

00:04:20,150 --> 00:04:16,620

Bigfoot Crossroads Mr Matt now

88

00:04:27,469 --> 00:04:24,170

thank you thank you not now baby welcome

89

00:04:29,990 --> 00:04:27,479

back that is the coolest my name has

90

00:04:32,930 --> 00:04:30,000

ever sounded

91

00:04:35,090 --> 00:04:32,940

can I get it amen Matt I'll tell you

92

00:04:36,650 --> 00:04:35,100

what man you are cooler than the other

93

00:04:39,110 --> 00:04:36,660

side of the pillow I don't know how the

94

00:04:42,290 --> 00:04:39,120

hell you do it brother I really don't

95

00:04:44,870 --> 00:04:42,300

are you you know neither do I

96

00:04:47,030 --> 00:04:44,880

at least yeah

97

00:04:51,310 --> 00:04:47,040

wife can tell us

98

00:04:54,230 --> 00:04:51,320

in Tulsa no she can't a man

99

00:04:54,900 --> 00:04:54,240

that would drastically change your

100

00:05:02,810 --> 00:04:54,910

opinion

101

00:05:08,689 --> 00:05:05,450

itself was cool just you saying that so

102

00:05:10,430 --> 00:05:08,699

uh before I I get into I want to see oh

103

00:05:12,770 --> 00:05:10,440

okay Deb said you cannot hear me very

104

00:05:15,950 --> 00:05:12,780

well hi Debs thank you so much love oh

105

00:05:18,290 --> 00:05:15,960

so tonight uh Debs is not feeling well a

106

00:05:20,570 --> 00:05:18,300

little bit of an earache uh and let me

107

00:05:24,170 --> 00:05:20,580

tell you something uh Matt

108

00:05:26,689 --> 00:05:24,180

for debt you know for Deb to miss an

109

00:05:28,790 --> 00:05:26,699

episode it's of any I mean I don't think

110

00:05:31,730 --> 00:05:28,800

she's ever missed an episode that that

111

00:05:34,070 --> 00:05:31,740

she was you know ever too ill that's

112

00:05:36,650 --> 00:05:34,080

that's how she must really just be like

113

00:05:40,490 --> 00:05:36,660

not feeling good hi hey

114

00:05:42,469 --> 00:05:40,500

hi dub she's saying hello to Matt so uh

115

00:05:44,450 --> 00:05:42,479

so yeah she really wasn't feeling well

116

00:05:45,770 --> 00:05:44,460

uh we have jewels of the wood who is in

117

00:05:48,230 --> 00:05:45,780

the chat

118

00:05:49,790 --> 00:05:48,240

and oh if P I thought people could hear

119

00:05:52,490 --> 00:05:49,800

DJ in Australia without the internet

120

00:05:54,350 --> 00:05:52,500

Giggles okay I'll I'll check my audio to

121

00:05:57,110 --> 00:05:54,360

make sure Debs yeah we've got the right

122

00:05:59,029 --> 00:05:57,120

the right input so unless yeah my mic is

123

00:06:00,469 --> 00:05:59,039

looking good sounded good to me yeah I

124

00:06:02,990 --> 00:06:00,479

think I had it too far away from my

125

00:06:04,310 --> 00:06:03,000

grill when I was introducing Mr Knapp uh

126
00:06:07,490 --> 00:06:04,320
maybe everyone's years are happy about

127
00:06:09,590 --> 00:06:07,500
that Nathan brother take it away with Mr

128
00:06:11,090 --> 00:06:09,600
Matt Now Matt okay great to have you

129
00:06:13,010 --> 00:06:11,100
back on the show this is your first time

130
00:06:16,249 --> 00:06:13,020
being with us I feel like your family

131
00:06:19,490 --> 00:06:16,259
now you're part of the crew uh really

132
00:06:20,810 --> 00:06:19,500
enjoy listening to your podcast and your

133
00:06:22,670 --> 00:06:20,820
experiences

134
00:06:26,330 --> 00:06:22,680
I mean we can go in a lot of directions

135
00:06:29,029 --> 00:06:26,340
I feel like you have a wide array of

136
00:06:30,710 --> 00:06:29,039
interests but what I would like to start

137
00:06:33,590 --> 00:06:30,720
with is

138
00:06:35,150 --> 00:06:33,600

when it comes to Bigfoot right there's a

139

00:06:36,650 --> 00:06:35,160

lot of different theories there's a lot

140

00:06:39,050 --> 00:06:36,660

of different ideas a lot of different

141

00:06:41,809 --> 00:06:39,060

experiences and you've heard a bunch of

142

00:06:43,730 --> 00:06:41,819

them too so what are the big ones for

143

00:06:46,490 --> 00:06:43,740

you what is the what is the theory that

144

00:06:49,189 --> 00:06:46,500

stands out the most for you as to what

145

00:06:51,350 --> 00:06:49,199

they are where they are you know what

146

00:06:55,870 --> 00:06:51,360

what are we dealing with here

147

00:06:59,749 --> 00:06:55,880

oh wow just come out swinging okay

148

00:07:02,870 --> 00:06:59,759

some Joe Frazier business right here so

149

00:07:08,029 --> 00:07:02,880

whenever this started for me personally

150

00:07:11,029 --> 00:07:08,039

uh it was an idea that this is some sort

151

00:07:11,990 --> 00:07:11,039

of undiscovered primate

152

00:07:15,590 --> 00:07:12,000

um

153

00:07:18,050 --> 00:07:15,600

something that has evolved somewhere in

154

00:07:19,550 --> 00:07:18,060

between you know the great apes and

155

00:07:22,790 --> 00:07:19,560

humans

156

00:07:24,650 --> 00:07:22,800

and as you go farther along into it and

157

00:07:28,249 --> 00:07:24,660

get more involved things start getting

158

00:07:30,790 --> 00:07:28,259

kind of weird uh you start to realize

159

00:07:33,110 --> 00:07:30,800

very quickly that if that were the case

160

00:07:34,850 --> 00:07:33,120

this would already be wrapped up this

161

00:07:35,809 --> 00:07:34,860

would this would be done and as a matter

162

00:07:39,589 --> 00:07:35,819

of fact

163

00:07:41,150 --> 00:07:39,599

less than I would say an hour ago I was

164

00:07:44,809 --> 00:07:41,160

actually thinking about that very

165

00:07:46,129 --> 00:07:44,819

subject and at this point uh which I

166

00:07:47,029 --> 00:07:46,139

reserved the right to change at any

167

00:07:50,450 --> 00:07:47,039

moment

168

00:07:52,850 --> 00:07:50,460

uh I would say that

169

00:07:54,350 --> 00:07:52,860

for me personally I can conclude that

170

00:07:57,350 --> 00:07:54,360

these are not

171

00:07:58,909 --> 00:07:57,360

animals as we know it if they were

172

00:08:01,309 --> 00:07:58,919

animals

173

00:08:04,189 --> 00:08:01,319

like I said it would be a known thing

174

00:08:06,469 --> 00:08:04,199

they they would be hidden the way they

175

00:08:10,909 --> 00:08:06,479

are and whenever I say hidden not just

176

00:08:13,850 --> 00:08:10,919

how they remain elusive but uh entities

177

00:08:15,650 --> 00:08:13,860

at work uh you know government whoever's

178

00:08:16,790 --> 00:08:15,660

in charge wouldn't have kept them hidden

179

00:08:19,010 --> 00:08:16,800

this long

180

00:08:20,749 --> 00:08:19,020

uh so there has to be something more to

181

00:08:25,010 --> 00:08:20,759

them now are they

182

00:08:26,570 --> 00:08:25,020

a human are they uh some sort of alien

183

00:08:28,369 --> 00:08:26,580

species are they some sort of

184

00:08:30,170 --> 00:08:28,379

interdimensional species are they

185

00:08:32,690 --> 00:08:30,180

paranormal

186

00:08:33,709 --> 00:08:32,700

man your guess is as good as mine at

187

00:08:36,709 --> 00:08:33,719

this point

188

00:08:38,269 --> 00:08:36,719

uh there are characteristics that are

189

00:08:41,209 --> 00:08:38,279

very uh

190

00:08:43,430 --> 00:08:41,219

based in biology as we understand it uh

191

00:08:46,250 --> 00:08:43,440

you know they I was just looking at some

192

00:08:48,050 --> 00:08:46,260

uh handprints today that were left on a

193

00:08:50,750 --> 00:08:48,060

vehicle during an outing

194

00:08:53,810 --> 00:08:50,760

uh you know with dermal patterns and

195

00:08:56,570 --> 00:08:53,820

everything I've seen dermal patterns and

196

00:08:59,509 --> 00:08:56,580

Footprints and hand prints personally

197

00:09:02,509 --> 00:08:59,519

uh they obviously leave tracks they've

198

00:09:05,690 --> 00:09:02,519

been observed eating drinking everything

199

00:09:07,970 --> 00:09:05,700

so you have all those things going on

200

00:09:11,810 --> 00:09:07,980

but then you have all those stories of

201
00:09:13,730 --> 00:09:11,820
you know well they can turn invisible or

202
00:09:16,009 --> 00:09:13,740
you know they can hop through portals or

203
00:09:18,769 --> 00:09:16,019
they can mind speak or you know all

204
00:09:23,570 --> 00:09:18,779
these other fascinating aspects of it

205
00:09:25,009 --> 00:09:23,580
that at one point in time uh I ignored I

206
00:09:25,790 --> 00:09:25,019
I kept the door completely shut on

207
00:09:30,130 --> 00:09:25,800
because

208
00:09:33,650 --> 00:09:30,140
as a researcher you don't want to try to

209
00:09:35,690 --> 00:09:33,660
answer questions with more questions uh

210
00:09:37,250 --> 00:09:35,700
you have to work and stay grounded in

211
00:09:39,230 --> 00:09:37,260
what we know

212
00:09:41,210 --> 00:09:39,240
or at least what we think we know and

213
00:09:43,389 --> 00:09:41,220

understand otherwise you can't advance

214

00:09:46,310 --> 00:09:43,399

in the research

215

00:09:47,150 --> 00:09:46,320

but after hearing so many things for so

216

00:09:50,329 --> 00:09:47,160

long

217

00:09:52,910 --> 00:09:50,339

now I'm of the mindset of keeping that

218

00:09:54,889 --> 00:09:52,920

door open at least to the possibilities

219

00:09:57,230 --> 00:09:54,899

and hearing what people and Witnesses

220

00:09:58,730 --> 00:09:57,240

have to say about it and sharing their

221

00:10:01,370 --> 00:09:58,740

experiences and that's kind of what I do

222

00:10:02,509 --> 00:10:01,380

on my uh podcast is just provide a

223

00:10:04,850 --> 00:10:02,519

platform

224

00:10:08,269 --> 00:10:04,860

for anyone to share their story

225

00:10:12,290 --> 00:10:08,279

regardless of if it's Flesh and Blood

226

00:10:16,070 --> 00:10:14,030

yeah that's a great answer well just

227

00:10:17,750 --> 00:10:16,080

real quickly before I'm not going to

228

00:10:19,130 --> 00:10:17,760

spend much time on this but I just

229

00:10:23,329 --> 00:10:19,140

wanted to point out the parallels

230

00:10:25,370 --> 00:10:23,339

between those who get into UFOs and kind

231

00:10:27,769 --> 00:10:25,380

of where that road takes them there's

232

00:10:30,530 --> 00:10:27,779

very strong parallels here it's uh

233

00:10:32,750 --> 00:10:30,540

starts out with it being nuts and bolts

234

00:10:34,610 --> 00:10:32,760

craft and there's curiosity to that

235

00:10:36,829 --> 00:10:34,620

there's there's a technology there

236

00:10:39,110 --> 00:10:36,839

they're extraterrestrial that's the

237

00:10:41,449 --> 00:10:39,120

conventional explanation and then the

238

00:10:43,190 --> 00:10:41,459

more that you dig into it the more that

239

00:10:45,050 --> 00:10:43,200

you learn and ex and talk to people

240

00:10:47,090 --> 00:10:45,060

who've had experiences with it the

241

00:10:50,569 --> 00:10:47,100

stranger and stranger becomes the

242

00:10:52,069 --> 00:10:50,579

broader your definition becomes and uh

243

00:10:54,170 --> 00:10:52,079

and and Matt as you point out too that

244

00:10:57,230 --> 00:10:54,180

that raises new challenges how do you

245

00:10:59,329 --> 00:10:57,240

kind of prevent yourself from uh chasing

246

00:11:01,130 --> 00:10:59,339

every single rabbit and getting lost and

247

00:11:02,389 --> 00:11:01,140

then not knowing which way is up and

248

00:11:04,310 --> 00:11:02,399

which way is down

249

00:11:06,110 --> 00:11:04,320

it's very difficult

250

00:11:10,009 --> 00:11:06,120

um I've watched a lot of people

251
00:11:14,630 --> 00:11:12,949
but now maybe it's because I've gotten

252
00:11:16,850 --> 00:11:14,640
older I don't know but now I'm starting

253
00:11:19,130 --> 00:11:16,860
to look at things as well why does it

254
00:11:21,650 --> 00:11:19,140
have to be one or the other

255
00:11:24,710 --> 00:11:21,660
why do we always try to put everything

256
00:11:27,230 --> 00:11:24,720
in a box into a certain category draw

257
00:11:28,670 --> 00:11:27,240
these divisions it's either this or this

258
00:11:30,170 --> 00:11:28,680
well no it doesn't have to be what if

259
00:11:31,370 --> 00:11:30,180
it's both what if it's things that we

260
00:11:34,550 --> 00:11:31,380
don't even know

261
00:11:37,970 --> 00:11:34,560
exist we're just basing things on what

262
00:11:39,230 --> 00:11:37,980
we've discovered so far in our time in

263
00:11:41,569 --> 00:11:39,240

existence

264

00:11:42,889 --> 00:11:41,579

uh there is plenty of time before that

265

00:11:45,590 --> 00:11:42,899

and there will be plenty of time after

266

00:11:48,290 --> 00:11:45,600

it you know there's too much out there

267

00:11:50,630 --> 00:11:48,300

for us to think that in the past couple

268

00:11:54,110 --> 00:11:50,640

hundred years regardless of how advanced

269

00:11:56,329 --> 00:11:54,120

we've become as a species that we just

270

00:12:00,829 --> 00:11:56,339

know everything that's going on and have

271

00:12:03,470 --> 00:12:00,839

a firm grasp of what it is to be reality

272

00:12:05,210 --> 00:12:03,480

and this is a common refrain these guys

273

00:12:08,750 --> 00:12:05,220

on the show have heard me say this many

274

00:12:10,670 --> 00:12:08,760

times when we'll hear theorists of which

275

00:12:12,170 --> 00:12:10,680

basically we're all theorists to one

276

00:12:14,090 --> 00:12:12,180

degree or another in the community

277

00:12:16,190 --> 00:12:14,100

they've heard me say

278

00:12:18,889 --> 00:12:16,200

um that it maybe it's not this or that

279

00:12:20,750 --> 00:12:18,899

it's this and that and if you keep that

280

00:12:22,670 --> 00:12:20,760

attitude then you're open to these new

281

00:12:25,310 --> 00:12:22,680

things and Nathan's got some close

282

00:12:27,650 --> 00:12:25,320

friends who have had some experiences uh

283

00:12:30,050 --> 00:12:27,660

who have probably expanded his mind on

284

00:12:32,329 --> 00:12:30,060

on things certainly mine has and I'm

285

00:12:34,430 --> 00:12:32,339

sure Leah's has uh but you know I'm

286

00:12:36,470 --> 00:12:34,440

gonna say one thing to the UFO homies in

287

00:12:38,210 --> 00:12:36,480

the chat before I get Deb's question in

288

00:12:40,490 --> 00:12:38,220

there and we pass it over to Leah prime

289

00:12:42,230 --> 00:12:40,500

time is that we're going to try to bring

290

00:12:44,690 --> 00:12:42,240

these communities together you know and

291

00:12:48,350 --> 00:12:44,700

there's a reason why if you are a UAP

292

00:12:50,990 --> 00:12:48,360

UFO person in the chat right now

293

00:12:54,590 --> 00:12:51,000

um you've had a modicum of disclosure

294

00:12:56,509 --> 00:12:54,600

that is Grand by any definition where

295

00:12:58,670 --> 00:12:56,519

you're at right now the Bigfoot

296

00:13:01,370 --> 00:12:58,680

Community needs your help because

297

00:13:04,190 --> 00:13:01,380

there's dudes like Matt and dudettes I'm

298

00:13:05,990 --> 00:13:04,200

talking knitting Circle grandmas in

299

00:13:07,310 --> 00:13:06,000

Pennsylvania and I don't know if you

300

00:13:10,370 --> 00:13:07,320

know who those ladies are I'm talking

301

00:13:12,590 --> 00:13:10,380

about Matt out there researching uh

302

00:13:15,769 --> 00:13:12,600

Bigfoot out in the woods at night in the

303

00:13:17,810 --> 00:13:15,779

cold doing this stuff and it's because

304

00:13:20,210 --> 00:13:17,820

it's real and they don't have any

305

00:13:22,069 --> 00:13:20,220

disclosure they're not even within them

306

00:13:24,470 --> 00:13:22,079

they can't even see the highway you're

307

00:13:26,150 --> 00:13:24,480

on right now in the UFO community so

308

00:13:28,250 --> 00:13:26,160

we're going to Endeavor to try to bring

309

00:13:29,930 --> 00:13:28,260

some attention to it I have a couple

310

00:13:32,690 --> 00:13:29,940

other things in the hopper to try to do

311

00:13:34,190 --> 00:13:32,700

that but uh the Bigfoot Community needs

312

00:13:36,230 --> 00:13:34,200

your help you know quite honestly I

313

00:13:38,210 --> 00:13:36,240

can't say it any simpler than that with

314

00:13:41,990 --> 00:13:38,220

that I want to go to Deb's uh first

315

00:13:45,050 --> 00:13:42,000

question Matt is uh in in your who would

316

00:13:47,870 --> 00:13:45,060

be your preferred candidate for bigfoot

317

00:13:50,509 --> 00:13:47,880

babysitting uh and I think

318

00:13:53,030 --> 00:13:50,519

Deb has an eye and a certain woman who

319

00:13:54,610 --> 00:13:53,040

has a UFO show from Baltimore

320

00:13:58,069 --> 00:13:54,620

herself

321

00:14:00,350 --> 00:13:58,079

Bigfoot babysitting

322

00:14:02,509 --> 00:14:00,360

can I say anybody I want to

323

00:14:04,190 --> 00:14:02,519

yes I mean we're going to hope that Debs

324

00:14:05,840 --> 00:14:04,200

could be part of it but maybe just we're

325

00:14:07,430 --> 00:14:05,850

talking Arlo Williams here

326

00:14:12,829 --> 00:14:07,440

[Laughter]

327

00:14:18,650 --> 00:14:16,310

you know I don't know I

328

00:14:20,230 --> 00:14:18,660

I don't want to roll anybody out that

329

00:14:24,769 --> 00:14:20,240

might be offended

330

00:14:30,710 --> 00:14:24,779

uh so I'm going to go with uh Hometown

331

00:14:38,509 --> 00:14:33,550

and I see that coming but I love it

332

00:14:41,629 --> 00:14:38,519

love exactly hey you know what's gonna

333

00:14:43,189 --> 00:14:41,639

blow his mind you know what scenario can

334

00:14:46,310 --> 00:14:43,199

you put him in where he's gonna freak

335

00:14:48,590 --> 00:14:46,320

out you can't you can't yeah no you

336

00:14:52,870 --> 00:14:48,600

obviously Utah get me two of those

337

00:14:57,530 --> 00:14:55,790

yeah let me pass it on to uh Leah Prime

338

00:14:58,550 --> 00:14:57,540

Time Deb I think we're still in the

339

00:14:59,509 --> 00:14:58,560

running though you're still in the top

340

00:15:01,490 --> 00:14:59,519

ten

341

00:15:03,470 --> 00:15:01,500

yeah uh so my contribution to the

342

00:15:04,970 --> 00:15:03,480

Bigfoot discourse tonight is my trusty

343

00:15:07,790 --> 00:15:04,980

Yeti mug

344

00:15:09,350 --> 00:15:07,800

um so you know one of the so and like

345

00:15:11,629 --> 00:15:09,360

you'll have to excuse me because this is

346

00:15:13,730 --> 00:15:11,639

a subject very candidly I I don't know

347

00:15:15,470 --> 00:15:13,740

very much about but DJ thanks to you has

348

00:15:17,449 --> 00:15:15,480

been a bit rekindled after our

349

00:15:18,949 --> 00:15:17,459

conversation in New York

350

00:15:20,210 --> 00:15:18,959

um and I want to ask you a question that

351
00:15:22,730 --> 00:15:20,220

I like to ask

352
00:15:24,769 --> 00:15:22,740

um experiencers in general whether UFO

353
00:15:26,509 --> 00:15:24,779

experiences or emergency experiencers

354
00:15:29,030 --> 00:15:26,519

which is when you think about these

355
00:15:31,490 --> 00:15:29,040

encounters that people report

356
00:15:33,170 --> 00:15:31,500

um and recollect how much um do you

357
00:15:34,310 --> 00:15:33,180

attribute to kind of happenstance like

358
00:15:36,889 --> 00:15:34,320

being in the right place at the right

359
00:15:38,750 --> 00:15:36,899

time versus um the opportunity to kind

360
00:15:40,850 --> 00:15:38,760

of invite or deliberately induce these

361
00:15:43,250 --> 00:15:40,860

kinds of encounters

362
00:15:44,509 --> 00:15:43,260

I think it uh strongly depends on the

363
00:15:48,350 --> 00:15:44,519

person

364

00:15:52,189 --> 00:15:48,360

uh you do have uh

365

00:15:54,829 --> 00:15:52,199

a lot of situations obviously that are

366

00:15:58,810 --> 00:15:54,839

just right place at the right time

367

00:16:00,730 --> 00:15:58,820

I think you have a very rare situations

368

00:16:05,569 --> 00:16:00,740

where a

369

00:16:07,610 --> 00:16:05,579

uh Bigfoot which I use the term Bigfoot

370

00:16:09,110 --> 00:16:07,620

let me just be clear I don't like the

371

00:16:11,569 --> 00:16:09,120

term Bigfoot

372

00:16:12,650 --> 00:16:11,579

but it's the easiest term to use because

373

00:16:15,350 --> 00:16:12,660

everybody knows what you're talking

374

00:16:18,590 --> 00:16:15,360

about uh you have these very rare

375

00:16:22,550 --> 00:16:18,600

situations where they make a mistake

376

00:16:26,750 --> 00:16:22,560

and accidentally get seen by someone

377

00:16:29,750 --> 00:16:26,760

uh I don't think that happens very often

378

00:16:32,629 --> 00:16:29,760

but it does happen I haven't been able

379

00:16:35,210 --> 00:16:32,639

to figure out the uh road crossing

380

00:16:37,370 --> 00:16:35,220

situation you you have a lot of uh

381

00:16:39,530 --> 00:16:37,380

encounters that happen on Old Logging

382

00:16:41,990 --> 00:16:39,540

roads you know uh where they get caught

383

00:16:44,629 --> 00:16:42,000

crossing the road at night I don't

384

00:16:46,430 --> 00:16:44,639

understand how that happens it doesn't

385

00:16:49,490 --> 00:16:46,440

make a lot of sense to me

386

00:16:51,829 --> 00:16:49,500

I also think you have situations where

387

00:16:53,629 --> 00:16:51,839

for whatever reason they allow

388

00:16:56,449 --> 00:16:53,639

themselves to be seen

389

00:16:58,550 --> 00:16:56,459

uh they kind of present themselves to

390

00:16:59,449 --> 00:16:58,560

the person

391

00:17:02,930 --> 00:16:59,459

um

392

00:17:04,850 --> 00:17:02,940

I I again it's more questions I I don't

393

00:17:08,329 --> 00:17:04,860

know why they would do that

394

00:17:09,409 --> 00:17:08,339

a person once told me very early on in

395

00:17:11,510 --> 00:17:09,419

this

396

00:17:12,710 --> 00:17:11,520

uh to see a Bigfoot you have to be the

397

00:17:15,049 --> 00:17:12,720

type of person that would save a

398

00:17:20,030 --> 00:17:15,059

drowning dog

399

00:17:21,590 --> 00:17:20,040

um and I think that's true I I don't I

400

00:17:24,829 --> 00:17:21,600

think it might have a lot to do with

401
00:17:26,929 --> 00:17:24,839
being able to read body language uh

402
00:17:28,730 --> 00:17:26,939
their survival depends on it so they you

403
00:17:31,310 --> 00:17:28,740
know if you're in the mode of being a

404
00:17:33,590 --> 00:17:31,320
hunter for instance you're probably not

405
00:17:36,169 --> 00:17:33,600
going to see one it's probably not going

406
00:17:38,510 --> 00:17:36,179
to present itself to you

407
00:17:41,690 --> 00:17:38,520
um but then I've also been in situations

408
00:17:43,070 --> 00:17:41,700
personally with uh other people

409
00:17:45,890 --> 00:17:43,080
where

410
00:17:49,730 --> 00:17:45,900
our whole research audience were based

411
00:17:52,310 --> 00:17:49,740
on bringing them into us to our location

412
00:17:53,930 --> 00:17:52,320
because we saw it as pointless you know

413
00:17:57,289 --> 00:17:53,940

and I know a lot of people will disagree

414

00:17:59,570 --> 00:17:57,299

with this and that's fine you have

415

00:18:01,010 --> 00:17:59,580

a lot of people who go hiking out in the

416

00:18:03,890 --> 00:18:01,020

middle of nowhere

417

00:18:05,930 --> 00:18:03,900

tracking these things down or trying to

418

00:18:08,750 --> 00:18:05,940

I believe you're in their territory

419

00:18:11,330 --> 00:18:08,760

that's a fruitless endeavor good luck

420

00:18:13,130 --> 00:18:11,340

with that but

421

00:18:15,350 --> 00:18:13,140

I do believe it's possible to use their

422

00:18:17,390 --> 00:18:15,360

curiosity against them you have a lot of

423

00:18:21,350 --> 00:18:17,400

reports of them uh being observed around

424

00:18:22,990 --> 00:18:21,360

campsites or attracted to the sound of

425

00:18:27,110 --> 00:18:23,000

children playing and things like that

426

00:18:28,370 --> 00:18:27,120

and so we would try to put ourselves in

427

00:18:29,630 --> 00:18:28,380

areas

428

00:18:33,529 --> 00:18:29,640

and

429

00:18:35,990 --> 00:18:33,539

cause enough uh commotion

430

00:18:37,789 --> 00:18:36,000

to draw them in and pay attention to our

431

00:18:40,130 --> 00:18:37,799

surroundings without giving away that we

432

00:18:42,049 --> 00:18:40,140

are paying attention to our surroundings

433

00:18:43,909 --> 00:18:42,059

so I don't know if that answered your

434

00:18:47,270 --> 00:18:43,919

question or not

435

00:18:49,370 --> 00:18:47,280

but again it's a hard thing to you know

436

00:18:53,870 --> 00:18:49,380

classify any certain technique or any

437

00:18:58,070 --> 00:18:56,330

um if if I can I'd like to get Tim's

438

00:19:00,169 --> 00:18:58,080

question in here because I thought that

439

00:19:04,130 --> 00:19:00,179

was really good and then and then I'll

440

00:19:07,310 --> 00:19:04,140

go with with mine uh and Nathan here we

441

00:19:09,470 --> 00:19:07,320

go so uh Tim Halloran says Matt what do

442

00:19:13,310 --> 00:19:09,480

you think is missing from the research

443

00:19:15,170 --> 00:19:13,320

last study of the subject of Bigfoot

444

00:19:17,090 --> 00:19:15,180

common sense

445

00:19:21,890 --> 00:19:17,100

[Laughter]

446

00:19:27,230 --> 00:19:25,130

logic uh

447

00:19:28,190 --> 00:19:27,240

uh the one thing that's not missing is

448

00:19:30,830 --> 00:19:28,200

ego

449

00:19:33,350 --> 00:19:30,840

there's plenty of that in the Bigfoot

450

00:19:35,990 --> 00:19:33,360

world uh in the research side of things

451
00:19:39,110 --> 00:19:36,000
you know there aren't any rules there

452
00:19:40,730 --> 00:19:39,120
there's no uh you don't have to fill out

453
00:19:42,830 --> 00:19:40,740
any paperwork you don't have to put in

454
00:19:45,350 --> 00:19:42,840
an application to become a Bigfoot

455
00:19:47,090 --> 00:19:45,360
researcher anybody can be a

456
00:19:49,610 --> 00:19:47,100
cryptozoologist there's not an actual

457
00:19:51,770 --> 00:19:49,620
degree it's just a term that was coined

458
00:19:55,250 --> 00:19:51,780
at one point in time

459
00:19:57,830 --> 00:19:55,260
uh so you get all kinds of people and

460
00:20:00,409 --> 00:19:57,840
everybody has their own opinion on how

461
00:20:02,570 --> 00:20:00,419
it should be carried out what kind of

462
00:20:04,610 --> 00:20:02,580
research should you do how you should go

463
00:20:06,830 --> 00:20:04,620

about doing it the kind of equipment you

464

00:20:08,450 --> 00:20:06,840

should use should you know should you be

465

00:20:09,529 --> 00:20:08,460

aggressive should be should you be

466

00:20:10,970 --> 00:20:09,539

passive

467

00:20:13,610 --> 00:20:10,980

uh

468

00:20:16,970 --> 00:20:13,620

and so because of that

469

00:20:19,870 --> 00:20:16,980

I mean you just have chaos you don't

470

00:20:24,230 --> 00:20:19,880

have any structure to it at all

471

00:20:25,730 --> 00:20:24,240

you have people competing uh against one

472

00:20:27,590 --> 00:20:25,740

another when we should all be working

473

00:20:28,490 --> 00:20:27,600

together because we all want the same

474

00:20:30,950 --> 00:20:28,500

thing

475

00:20:32,990 --> 00:20:30,960

uh you know I get that some people want

476

00:20:35,270 --> 00:20:33,000

them to be proven

477

00:20:37,310 --> 00:20:35,280

but the point is we all want to learn

478

00:20:40,909 --> 00:20:37,320

about these things as much as we can we

479

00:20:42,770 --> 00:20:40,919

want to understand what they are uh get

480

00:20:46,370 --> 00:20:42,780

them protected if possible

481

00:20:48,529 --> 00:20:46,380

and kind of bring some validation

482

00:20:52,850 --> 00:20:48,539

to the thousands and thousands of people

483

00:20:56,510 --> 00:20:52,860

that have reported seeing these things

484

00:20:58,850 --> 00:20:56,520

and yeah I mean there are uh there I

485

00:21:01,730 --> 00:20:58,860

I've tell people that um

486

00:21:03,470 --> 00:21:01,740

I've heard a lot of research techniques

487

00:21:04,070 --> 00:21:03,480

that

488

00:21:06,230 --> 00:21:04,080

um

489

00:21:08,950 --> 00:21:06,240

that don't don't resonate with me and

490

00:21:12,110 --> 00:21:08,960

I've also heard I I guess you could say

491

00:21:14,870 --> 00:21:12,120

there are a lot of wrong ways to do this

492

00:21:16,930 --> 00:21:14,880

and there's probably several right ways

493

00:21:19,430 --> 00:21:16,940

there's not one right way to do this

494

00:21:22,870 --> 00:21:19,440

from what I've heard because I've heard

495

00:21:25,669 --> 00:21:22,880

uh successful people who some of their

496

00:21:27,110 --> 00:21:25,679

their their techniques resonate with me

497

00:21:29,409 --> 00:21:27,120

as something I would want to do and some

498

00:21:31,669 --> 00:21:29,419

of them don't but they're successful so

499

00:21:33,890 --> 00:21:31,679

with that though Matt

500

00:21:35,810 --> 00:21:33,900

um I'd like you to educate our audience

501
00:21:36,890 --> 00:21:35,820
because there's probably a bunch of and

502
00:21:39,049 --> 00:21:36,900
we'll get we'll get you on the next

503
00:21:41,029 --> 00:21:39,059
round Deb's but I'd like if you could

504
00:21:44,690 --> 00:21:41,039
talk to our audience a little bit about

505
00:21:46,010 --> 00:21:44,700
Arla Williams the author mentioned and

506
00:21:48,169 --> 00:21:46,020
um

507
00:21:50,390 --> 00:21:48,179
what is significant about Arlo Williams

508
00:21:52,909 --> 00:21:50,400
what's your thoughts

509
00:21:56,289 --> 00:21:52,919
well I don't know her personally

510
00:21:58,130 --> 00:21:56,299
um she has always been

511
00:22:01,010 --> 00:21:58,140
to me

512
00:22:03,470 --> 00:22:01,020
she has been a person in the research

513
00:22:05,570 --> 00:22:03,480

community that has stayed in kind of a

514

00:22:07,010 --> 00:22:05,580

gray area

515

00:22:09,190 --> 00:22:07,020

um

516

00:22:13,250 --> 00:22:09,200

I know a lot of people

517

00:22:14,570 --> 00:22:13,260

uh that I respect that seeing her

518

00:22:16,669 --> 00:22:14,580

praises

519

00:22:19,430 --> 00:22:16,679

and again I'm speaking from a

520

00:22:20,649 --> 00:22:19,440

perspective of not knowing her

521

00:22:23,110 --> 00:22:20,659

um

522

00:22:26,270 --> 00:22:23,120

and this was even

523

00:22:29,210 --> 00:22:26,280

uh one 20 years ago

524

00:22:30,649 --> 00:22:29,220

the woo crowd as they're called uh the

525

00:22:33,529 --> 00:22:30,659

people who believe

526

00:22:36,289 --> 00:22:33,539

in mind speak and that sort of thing

527

00:22:38,770 --> 00:22:36,299

involving Bigfoot

528

00:22:41,810 --> 00:22:38,780

they were

529

00:22:44,930 --> 00:22:41,820

very very small

530

00:22:46,250 --> 00:22:44,940

uh a very small minority in the Bigfoot

531

00:22:49,430 --> 00:22:46,260

world

532

00:22:52,789 --> 00:22:49,440

over time that Minority has grown rather

533

00:22:55,070 --> 00:22:52,799

large and that train of thought has

534

00:22:57,470 --> 00:22:55,080

become more and more accepted

535

00:23:01,130 --> 00:22:57,480

by a lot of people

536

00:23:04,310 --> 00:23:01,140

and Arla has always been from that camp

537

00:23:08,409 --> 00:23:04,320

trying to share the information trying

538

00:23:10,430 --> 00:23:08,419

to teach the information that like hey

539

00:23:12,890 --> 00:23:10,440

these things

540

00:23:14,750 --> 00:23:12,900

are Flesh and Blood creatures but

541

00:23:18,409 --> 00:23:14,760

they're also doing this this is actually

542

00:23:20,390 --> 00:23:18,419

happening and from my understanding is

543

00:23:22,850 --> 00:23:20,400

she's proven it to people on more than

544

00:23:25,250 --> 00:23:22,860

one occasion

545

00:23:28,810 --> 00:23:25,260

um I think she might be one of the few

546

00:23:30,409 --> 00:23:28,820

individuals out there that uh

547

00:23:34,070 --> 00:23:30,419

has

548

00:23:38,510 --> 00:23:34,080

a very strong ongoing relationship with

549

00:23:42,830 --> 00:23:40,549

that that is an endorsement in itself

550

00:23:46,970 --> 00:23:42,840

right there the fact that what you that

551
00:23:54,409 --> 00:23:51,230
so just to expound on that Matt so you

552
00:23:57,169 --> 00:23:54,419
you believe that that she she is having

553
00:23:59,930 --> 00:23:57,179
ongoing contact from the back of her

554
00:24:01,549 --> 00:23:59,940
property as as Rick Taylor said on the

555
00:24:04,610 --> 00:24:01,559
show that she's having an ongoing

556
00:24:07,070 --> 00:24:04,620
contact and she can communicate with

557
00:24:09,529 --> 00:24:07,080
them and all these sorts of things uh

558
00:24:12,230 --> 00:24:09,539
mind speak with them

559
00:24:16,669 --> 00:24:12,240
I think that something's going on

560
00:24:18,470 --> 00:24:16,679
uh I can't validate you know or vouch

561
00:24:21,230 --> 00:24:18,480
for anything that she can or can't do

562
00:24:22,310 --> 00:24:21,240
herself

563
00:24:25,669 --> 00:24:22,320

um

564

00:24:27,549 --> 00:24:25,679

but I think it would be a hugely

565

00:24:30,230 --> 00:24:27,559

orchestrated hoax

566

00:24:32,870 --> 00:24:30,240

that you know she's been able to draw in

567

00:24:34,669 --> 00:24:32,880

all these other individuals and you know

568

00:24:37,610 --> 00:24:34,679

Rick Taylor for instance you know it

569

00:24:39,890 --> 00:24:37,620

would have to be in on it uh right all

570

00:24:44,289 --> 00:24:39,900

these people would have to be in on it

571

00:24:49,310 --> 00:24:44,299

so either she's an amazing hoaxer

572

00:24:50,990 --> 00:24:49,320

uh and an amazing con artist or she has

573

00:24:53,930 --> 00:24:51,000

something going on

574

00:24:56,450 --> 00:24:53,940

it's just up to the individual to decide

575

00:24:58,789 --> 00:24:56,460

and determine what they want to think

576

00:25:02,390 --> 00:24:58,799

that actually is if they

577

00:25:03,890 --> 00:25:02,400

agree with what she says is going on or

578

00:25:05,149 --> 00:25:03,900

if they think maybe something else is

579

00:25:08,750 --> 00:25:05,159

going on

580

00:25:11,690 --> 00:25:08,760

but uh it's not unheard of for people to

581

00:25:14,210 --> 00:25:11,700

be in that situation

582

00:25:15,710 --> 00:25:14,220

and just to close the loop on that and I

583

00:25:18,169 --> 00:25:15,720

don't mean to belabor this but I'm just

584

00:25:20,630 --> 00:25:18,179

trying to get a sense this is a Native

585

00:25:22,850 --> 00:25:20,640

American woman from Oklahoma so Matt

586

00:25:26,450 --> 00:25:22,860

better be careful man Boomers sooner all

587

00:25:28,430 --> 00:25:26,460

that business yeah but yeah but um

588

00:25:30,649 --> 00:25:28,440

she so there are a number of credible

589

00:25:32,090 --> 00:25:30,659

people in addition to Rick that have

590

00:25:33,289 --> 00:25:32,100

been out to her property and had an

591

00:25:37,669 --> 00:25:33,299

experience like that is that what you're

592

00:25:40,310 --> 00:25:37,679

saying yeah okay for a long time okay

593

00:25:42,289 --> 00:25:40,320

that I didn't I don't know all the I

594

00:25:44,510 --> 00:25:42,299

haven't heard of the the amount of

595

00:25:47,750 --> 00:25:44,520

people so uh I won't I won't keep going

596

00:25:49,730 --> 00:25:47,760

on that but but uh yeah if you guys

597

00:25:52,310 --> 00:25:49,740

haven't heard that you can listen to our

598

00:25:54,289 --> 00:25:52,320

Rick Taylor episode but essentially he

599

00:25:56,570 --> 00:25:54,299

uh she took Rick Taylor in the woods she

600

00:25:59,750 --> 00:25:56,580

had them turn up onto the trail a family

601
00:26:01,730 --> 00:25:59,760
of them and uh they spoke in Rick

602
00:26:04,250 --> 00:26:01,740
Taylor's mind and being a law

603
00:26:05,870 --> 00:26:04,260
enforcement officer he was uh let's just

604
00:26:08,090 --> 00:26:05,880
say rather skeptical that that was going

605
00:26:09,350 --> 00:26:08,100
to take place uh go ahead and take it

606
00:26:11,149 --> 00:26:09,360
away Nathan

607
00:26:13,789 --> 00:26:11,159
yeah I get a lot of different directions

608
00:26:15,590 --> 00:26:13,799
I want to go but I want to come back to

609
00:26:17,810 --> 00:26:15,600
something you said earlier

610
00:26:20,330 --> 00:26:17,820
and that's about

611
00:26:24,470 --> 00:26:20,340
I think you alluded to like a government

612
00:26:26,630 --> 00:26:24,480
uh involvement or cover-up or uh you

613
00:26:30,049 --> 00:26:26,640

know DJ shared a story with us and our

614

00:26:32,149 --> 00:26:30,059

our group chat this week about uh a

615

00:26:33,890 --> 00:26:32,159

creature that came out of a forest fire

616

00:26:37,010 --> 00:26:33,900

that was seven and a half feet tall and

617

00:26:38,810 --> 00:26:37,020

had been treated at a hospital and

618

00:26:40,669 --> 00:26:38,820

the people that treated it were asked to

619

00:26:41,870 --> 00:26:40,679

sign like non-disclosures and things

620

00:26:44,149 --> 00:26:41,880

like that so these are interesting

621

00:26:45,590 --> 00:26:44,159

stories these are interesting anecdotes

622

00:26:47,510 --> 00:26:45,600

um I would was wondering if you could

623

00:26:49,789 --> 00:26:47,520

share any other kinds of anecdotes like

624

00:26:50,890 --> 00:26:49,799

that where there seems to be some sort

625

00:26:53,690 --> 00:26:50,900

of

626
00:26:55,669 --> 00:26:53,700
governmental or authoritative agency

627
00:26:58,310 --> 00:26:55,679
that's engaging

628
00:27:00,110 --> 00:26:58,320
in this topic in this area

629
00:27:04,430 --> 00:27:00,120
I've never experienced anything

630
00:27:06,470 --> 00:27:04,440
firsthand uh I I have to say that I've

631
00:27:09,590 --> 00:27:06,480
looked for it to happen

632
00:27:12,950 --> 00:27:09,600
uh the the strangest thing I ever had

633
00:27:17,690 --> 00:27:12,960
happened personally was uh

634
00:27:19,850 --> 00:27:17,700
some images on a hard drive I had for a

635
00:27:21,769 --> 00:27:19,860
seemingly unexpected reason the hard

636
00:27:24,350 --> 00:27:21,779
drive just crashed there was no warning

637
00:27:27,409 --> 00:27:24,360
that and I'm not computer illiterate by

638
00:27:30,350 --> 00:27:27,419

any means this is back in the days of

639

00:27:35,149 --> 00:27:30,360

the old you know 7200 RPM hard drives

640

00:27:37,549 --> 00:27:35,159

uh and it I mean it just crashed and uh

641

00:27:41,450 --> 00:27:37,559

I I couldn't recover anything

642

00:27:45,470 --> 00:27:41,460

uh and I had some photos on there that

643

00:27:48,049 --> 00:27:45,480

you know I lost whenever that happened

644

00:27:49,610 --> 00:27:48,059

those things do happen so I'm you know I

645

00:27:52,370 --> 00:27:49,620

can't attribute that to anything

646

00:27:53,870 --> 00:27:52,380

specifically now things that I have

647

00:27:55,850 --> 00:27:53,880

heard

648

00:28:01,850 --> 00:27:55,860

uh

649

00:28:04,490 --> 00:28:01,860

that were involved firsthand of going on

650

00:28:05,630 --> 00:28:04,500

a big outing of a fairly publicized

651
00:28:11,750 --> 00:28:05,640
outing

652
00:28:15,230 --> 00:28:11,760
down in Texas that had a group of uh

653
00:28:19,490 --> 00:28:15,240
unmarked Suburbans I think it was that

654
00:28:22,549 --> 00:28:19,500
pulled up on them out in the woods armed

655
00:28:24,590 --> 00:28:22,559
people I I don't remember if they I how

656
00:28:25,909 --> 00:28:24,600
they identified themselves

657
00:28:30,710 --> 00:28:25,919
uh

658
00:28:33,890 --> 00:28:30,720
there was a I think it was a park ranger

659
00:28:37,490 --> 00:28:33,900
or a game warden that was with them

660
00:28:38,570 --> 00:28:37,500
uh but these group of armed men were

661
00:28:40,789 --> 00:28:38,580
separate

662
00:28:43,610 --> 00:28:40,799
they weren't part of the Ranger system

663
00:28:47,570 --> 00:28:43,620

or anything like that they seemed very

664

00:28:48,769 --> 00:28:47,580

militant in nature and they questioned

665

00:28:51,470 --> 00:28:48,779

all of them

666

00:28:52,970 --> 00:28:51,480

all the group that was there they uh

667

00:28:54,470 --> 00:28:52,980

basically shut it down told them they

668

00:28:57,710 --> 00:28:54,480

couldn't be there

669

00:29:00,590 --> 00:28:57,720

down in Texas this happens a lot uh

670

00:29:03,350 --> 00:29:00,600

these unmarked government-looking

671

00:29:04,909 --> 00:29:03,360

Vehicles showing up in research areas at

672

00:29:05,690 --> 00:29:04,919

the same time that the researchers get

673

00:29:08,269 --> 00:29:05,700

there

674

00:29:09,590 --> 00:29:08,279

questioning what are you doing here you

675

00:29:10,850 --> 00:29:09,600

need to get out of here you're not

676

00:29:13,310 --> 00:29:10,860

allowed to be here

677

00:29:15,529 --> 00:29:13,320

and these are public areas the Sam

678

00:29:17,690 --> 00:29:15,539

Houston National Forest uh just a matter

679

00:29:21,649 --> 00:29:17,700

of factly

680

00:29:24,289 --> 00:29:21,659

um and I've heard those type stories

681

00:29:25,669 --> 00:29:24,299

from numerous individuals you know

682

00:29:27,230 --> 00:29:25,679

people that don't know one another

683

00:29:28,310 --> 00:29:27,240

people that

684

00:29:30,289 --> 00:29:28,320

uh

685

00:29:31,730 --> 00:29:30,299

the the story that I just told you for

686

00:29:35,510 --> 00:29:31,740

instance came from a gentleman that's

687

00:29:39,110 --> 00:29:35,520

like extremely skeptical and grounded I

688

00:29:41,570 --> 00:29:39,120

mean would never in a million years

689

00:29:43,789 --> 00:29:41,580

uh

690

00:29:46,610 --> 00:29:43,799

expound farther than what actually

691

00:29:48,350 --> 00:29:46,620

happened you know he he was just he's

692

00:29:50,389 --> 00:29:48,360

the only one I think that I actually

693

00:29:52,430 --> 00:29:50,399

stayed he he's the one that tore down

694

00:29:54,710 --> 00:29:52,440

the entire Camp by himself

695

00:29:56,510 --> 00:29:54,720

and he's experienced that a couple times

696

00:29:58,010 --> 00:29:56,520

one of my best friends has experienced

697

00:29:58,970 --> 00:29:58,020

it

698

00:30:01,789 --> 00:29:58,980

um

699

00:30:04,850 --> 00:30:01,799

Robert yeah as a matter of fact Robert

700

00:30:07,010 --> 00:30:04,860

yeah Robert Dominguez a Bigfoot Club

701

00:30:12,529 --> 00:30:08,630

I've heard

702

00:30:15,230 --> 00:30:12,539

other stories of men in black types

703

00:30:17,630 --> 00:30:15,240

showing up at people's houses I've heard

704

00:30:19,850 --> 00:30:17,640

of people being threatened if you know

705

00:30:23,330 --> 00:30:19,860

you don't quit looking for these things

706

00:30:25,190 --> 00:30:23,340

or whatever I've heard about uh people's

707

00:30:28,070 --> 00:30:25,200

homes getting broken into an Evidence

708

00:30:32,810 --> 00:30:28,080

stolen uh track casts and things like

709

00:30:36,470 --> 00:30:32,820

that uh entire computers and then

710

00:30:39,889 --> 00:30:36,480

I think it was a like a week later they

711

00:30:42,830 --> 00:30:39,899

came home from work and most of the cast

712

00:30:44,630 --> 00:30:42,840

had been returned and the computer had

713

00:30:46,010 --> 00:30:44,640

been returned but the hard hard drive

714

00:30:48,430 --> 00:30:46,020

was wiped

715

00:30:51,169 --> 00:30:48,440

that's fine again these are all just

716

00:30:54,889 --> 00:30:51,179

stories you know I've never seen any

717

00:30:58,190 --> 00:30:54,899

actual uh proof in form of like video or

718

00:31:00,289 --> 00:30:58,200

recording or anything like that

719

00:31:03,409 --> 00:31:00,299

yeah but the two fishermen from Ohio

720

00:31:05,289 --> 00:31:03,419

Matt those guys I believe it was Ohio

721

00:31:08,990 --> 00:31:05,299

where one of them was a former Ranger

722

00:31:11,210 --> 00:31:09,000

his cousin got out of the boat through

723

00:31:13,669 --> 00:31:11,220

rocks at what he thought was a black

724

00:31:15,889 --> 00:31:13,679

person it turned out to be Bigfoot and

725

00:31:18,889 --> 00:31:15,899

then uh Bigfoot came out and engaged

726

00:31:20,330 --> 00:31:18,899

after they were throwing rocks yeah and

727

00:31:23,090 --> 00:31:20,340

they were going to go on a radio show

728

00:31:26,210 --> 00:31:23,100

and somebody showed up and said no shut

729

00:31:27,070 --> 00:31:26,220

it down we can't do this

730

00:31:30,769 --> 00:31:27,080

um

731

00:31:33,769 --> 00:31:30,779

you know again stories

732

00:31:36,350 --> 00:31:33,779

um I'm not calling anybody a liar

733

00:31:38,090 --> 00:31:36,360

it's just that that's what this whole

734

00:31:40,610 --> 00:31:38,100

thing that whenever somebody starts

735

00:31:43,010 --> 00:31:40,620

talking about government cover-up you

736

00:31:44,870 --> 00:31:43,020

know I just point out that they don't

737

00:31:48,169 --> 00:31:44,880

have to do a lot of work

738

00:31:50,570 --> 00:31:48,179

it's not hard to cover it up because all

739

00:31:54,529 --> 00:31:50,580

we have is stories yeah

740

00:31:57,409 --> 00:31:54,539

so until you have you know something on

741

00:31:59,389 --> 00:31:57,419

video showing those unmarked Vehicles

742

00:32:01,190 --> 00:31:59,399

pulling up and armed guys getting out

743

00:32:03,649 --> 00:32:01,200

and threatening you

744

00:32:06,110 --> 00:32:03,659

all you're doing is telling a story and

745

00:32:08,389 --> 00:32:06,120

anybody can write that off but what you

746

00:32:11,330 --> 00:32:08,399

can't write off is that if a guy from

747

00:32:12,710 --> 00:32:11,340

Tulsa Oklahoma can just get an itch to

748

00:32:15,350 --> 00:32:12,720

go out and find out if these things are

749

00:32:18,409 --> 00:32:15,360

real or not and get on the internet and

750

00:32:19,970 --> 00:32:18,419

meet a group of people and go out into

751

00:32:22,970 --> 00:32:19,980

the woods

752

00:32:25,970 --> 00:32:22,980

and end up having a siding

753

00:32:28,430 --> 00:32:25,980

and finding out firsthand yes these

754

00:32:30,409 --> 00:32:28,440

things are out there then of course the

755

00:32:32,330 --> 00:32:30,419

government knows they're there of course

756

00:32:34,970 --> 00:32:32,340

the government is fully aware of them

757

00:32:37,250 --> 00:32:34,980

and has already studied them and knows

758

00:32:40,330 --> 00:32:37,260

exactly what they are you have so many

759

00:32:44,269 --> 00:32:40,340

military people that have had sightings

760

00:32:47,210 --> 00:32:44,279

uh Todd nice was in on a military

761

00:32:51,230 --> 00:32:47,220

exercise whenever he had his sighting

762

00:32:54,350 --> 00:32:51,240

and he's been on numerous TV shows

763

00:32:56,630 --> 00:32:54,360

spoken at numerous conferences the guys

764

00:32:58,430 --> 00:32:56,640

all over the place he just retired from

765

00:32:59,930 --> 00:32:58,440

the military not too long ago as a

766

00:33:01,970 --> 00:32:59,940

sergeant

767

00:33:04,669 --> 00:33:01,980

so yeah obviously the government knows

768

00:33:07,310 --> 00:33:04,679

about him and his story was backed up by

769

00:33:09,529 --> 00:33:07,320

that special operator who came on air

770

00:33:13,970 --> 00:33:09,539

with somebody with this voice disguised

771

00:33:15,950 --> 00:33:13,980

but the the verbiage he was using uh

772

00:33:18,830 --> 00:33:15,960

having worked with those guys was was

773

00:33:21,110 --> 00:33:18,840

genuine so I I'd like what he said I

774

00:33:23,450 --> 00:33:21,120

found him to be credible

775

00:33:25,310 --> 00:33:23,460

um anyway uh let me get Debs in there

776

00:33:27,110 --> 00:33:25,320

real quickly before we get to Leah prime

777

00:33:30,350 --> 00:33:27,120

time uh she wants to know how many

778

00:33:32,509 --> 00:33:30,360

scientists uh how many uh other I mean

779

00:33:34,970 --> 00:33:32,519

we as as Vinnie points out Vinny Adams

780

00:33:37,610 --> 00:33:34,980

we know Jeff Meldrum how many others are

781

00:33:40,070 --> 00:33:37,620

are in there Matt how many scientists do

782

00:33:42,230 --> 00:33:40,080

you wear quite a few I mean you know

783

00:33:43,430 --> 00:33:42,240

obviously Dr Grover Krantz was pretty

784

00:33:46,490 --> 00:33:43,440

famous One

785

00:33:47,210 --> 00:33:46,500

uh John Bender Nagel

786

00:33:50,450 --> 00:33:47,220

um

787

00:33:54,049 --> 00:33:50,460

jeez uh those two were passed out yeah

788

00:33:56,630 --> 00:33:54,059

uh Todd dissatel has been involved

789

00:33:59,870 --> 00:33:56,640

um Melba uh catch him doctor catch him

790

00:34:02,409 --> 00:33:59,880

yeah she's a veterinarian

791

00:34:06,110 --> 00:34:02,419

um she's been involved obviously she

792

00:34:08,329 --> 00:34:06,120

conducted a DNA study uh controversial

793

00:34:10,129 --> 00:34:08,339

results you know again

794

00:34:11,869 --> 00:34:10,139

depending on what camp you're in whether

795

00:34:13,430 --> 00:34:11,879

you want a Believer or not who do you

796

00:34:15,889 --> 00:34:13,440

trust is telling the truth who's not

797

00:34:17,030 --> 00:34:15,899

telling the truth is it's just all over

798

00:34:22,190 --> 00:34:17,040

the place

799

00:34:25,669 --> 00:34:22,200

um Kathy strain uh uh a lady by the name

800

00:34:26,869 --> 00:34:25,679

of Amy view I consider her a scientist

801
00:34:29,930 --> 00:34:26,879
there's

802
00:34:31,550 --> 00:34:29,940
more scientists involved than you

803
00:34:33,230 --> 00:34:31,560
realize I I know there's been

804
00:34:37,669 --> 00:34:33,240
primatologists that have been brought in

805
00:34:40,070 --> 00:34:37,679
on different uh things just recently the

806
00:34:41,930 --> 00:34:40,080
nesting project uh

807
00:34:44,990 --> 00:34:41,940
that the uh

808
00:34:46,909 --> 00:34:45,000
Olympic project is handling right now is

809
00:34:48,889 --> 00:34:46,919
involving primatologists and field

810
00:34:53,149 --> 00:34:48,899
biologists in their work

811
00:34:54,470 --> 00:34:53,159
so you do have scientists involved the

812
00:34:58,210 --> 00:34:54,480
problem is

813
00:35:00,710 --> 00:34:58,220

they can't do it on any official basis

814

00:35:03,410 --> 00:35:00,720

you know they have to get their funding

815

00:35:05,630 --> 00:35:03,420

from certain places they get paid by

816

00:35:08,210 --> 00:35:05,640

certain individuals and they're not

817

00:35:10,670 --> 00:35:08,220

going to pay them to go out and look for

818

00:35:12,109 --> 00:35:10,680

Bigfoot or prove Bigfoot's existence

819

00:35:13,910 --> 00:35:12,119

so

820

00:35:15,950 --> 00:35:13,920

Matt I'm going to ask you to tell about

821

00:35:17,390 --> 00:35:15,960

the the Olympic project for our audience

822

00:35:19,609 --> 00:35:17,400

because I think a lot of people are not

823

00:35:21,710 --> 00:35:19,619

familiar with it but before I do Debs

824

00:35:23,690 --> 00:35:21,720

Raz just wants you to know that Bigfoot

825

00:35:25,609 --> 00:35:23,700

diapers need changing while babysitting

826

00:35:27,589 --> 00:35:25,619

so I want you to be aware of that and

827

00:35:29,870 --> 00:35:27,599

Matt can probably speak to how big the

828

00:35:34,970 --> 00:35:29,880

feces are we're talking Fosters logger

829

00:35:37,490 --> 00:35:34,980

cans size yes you know there's one time

830

00:35:39,109 --> 00:35:37,500

most intellectual show on the on the

831

00:35:42,589 --> 00:35:39,119

internet

832

00:35:44,630 --> 00:35:42,599

you gotta talk about scat okay

833

00:35:47,930 --> 00:35:44,640

me and some buddies

834

00:35:51,010 --> 00:35:47,940

went for like an hour on scat jokes one

835

00:35:55,490 --> 00:35:53,810

no doubt we'll get to scat but tell

836

00:35:57,530 --> 00:35:55,500

people about the Olympic project because

837

00:35:59,930 --> 00:35:57,540

yeah I've heard on your show it sounds

838

00:36:02,750 --> 00:35:59,940

like it's it's very very significant it

839

00:36:04,609 --> 00:36:02,760

is uh in my opinion uh the Olympic

840

00:36:07,010 --> 00:36:04,619

project so you have a group of

841

00:36:09,050 --> 00:36:07,020

researchers uh out in the Pacific

842

00:36:11,630 --> 00:36:09,060

Northwest I believe they're based out of

843

00:36:13,849 --> 00:36:11,640

the state of Washington and they were

844

00:36:17,690 --> 00:36:13,859

fortunate enough to have a private

845

00:36:19,930 --> 00:36:17,700

individual uh who I believe owns some

846

00:36:23,329 --> 00:36:19,940

sort of logging operation

847

00:36:25,550 --> 00:36:23,339

had a lease on some property and they

848

00:36:27,170 --> 00:36:25,560

had gone to look at the lease uh to log

849

00:36:30,849 --> 00:36:27,180

it and everything

850

00:36:35,569 --> 00:36:30,859

and they found these

851

00:36:38,870 --> 00:36:35,579

giant groundness so to speak uh very

852

00:36:40,150 --> 00:36:38,880

similar to what chimpanzees and gorillas

853

00:36:43,730 --> 00:36:40,160

make

854

00:36:46,550 --> 00:36:43,740

now whenever I say that I say that based

855

00:36:49,190 --> 00:36:46,560

on that's what the primatologist told

856

00:36:52,130 --> 00:36:49,200

them they looked like

857

00:36:53,569 --> 00:36:52,140

um he happened to know Derek Randalls

858

00:36:55,609 --> 00:36:53,579

who's the head of the Olympic project

859

00:36:58,010 --> 00:36:55,619

because Derek Randalls owns a

860

00:37:00,589 --> 00:36:58,020

landscaping company

861

00:37:02,990 --> 00:37:00,599

um so this guy contacted him through

862

00:37:05,150 --> 00:37:03,000

that Network he knew him through his

863

00:37:06,530 --> 00:37:05,160

landscaping company but knew he was also

864

00:37:08,569 --> 00:37:06,540

into Bigfoot

865

00:37:10,910 --> 00:37:08,579

and so they

866

00:37:13,609 --> 00:37:10,920

basically had an agreement that the

867

00:37:16,130 --> 00:37:13,619

Olympic project could research this area

868

00:37:17,750 --> 00:37:16,140

for x amount of years

869

00:37:20,810 --> 00:37:17,760

um but then it was going to get logged

870

00:37:22,730 --> 00:37:20,820

and you know their time would be up

871

00:37:24,470 --> 00:37:22,740

since then they've extended that time

872

00:37:26,810 --> 00:37:24,480

they don't know when they're going to

873

00:37:28,490 --> 00:37:26,820

lose access to the area though but they

874

00:37:31,370 --> 00:37:28,500

have managed to keep it

875

00:37:33,349 --> 00:37:31,380

completely sealed within the group uh

876

00:37:35,030 --> 00:37:33,359

they did a documentary with small town

877

00:37:37,190 --> 00:37:35,040

monsters who came in and filmed the area

878

00:37:39,170 --> 00:37:37,200

and everything they've brought in like I

879

00:37:43,310 --> 00:37:39,180

said primatologists and field biologists

880

00:37:44,450 --> 00:37:43,320

uh they've just been meticulously going

881

00:37:46,730 --> 00:37:44,460

over this

882

00:37:49,430 --> 00:37:46,740

uh nesting area

883

00:37:52,370 --> 00:37:49,440

which to my understanding

884

00:37:55,550 --> 00:37:52,380

is one hell of a hike to get to very

885

00:37:56,810 --> 00:37:55,560

dangerous country bear country you know

886

00:37:59,270 --> 00:37:56,820

like

887

00:38:01,310 --> 00:37:59,280

and nobody has an answer for what these

888

00:38:02,089 --> 00:38:01,320

things are where they came from and I

889

00:38:04,069 --> 00:38:02,099

mean

890

00:38:06,650 --> 00:38:04,079

there's only so much information they

891

00:38:09,470 --> 00:38:06,660

can release because it they are trying

892

00:38:11,450 --> 00:38:09,480

to make sure all the t's are crossed and

893

00:38:12,050 --> 00:38:11,460

the eyes are dotted

894

00:38:13,990 --> 00:38:12,060

um

895

00:38:17,150 --> 00:38:14,000

but I can tell you

896

00:38:20,150 --> 00:38:17,160

these nests are intricately woven

897

00:38:22,930 --> 00:38:20,160

it takes hands to do it they are not

898

00:38:27,890 --> 00:38:22,940

baroness they you know nothing a bear

899

00:38:30,290 --> 00:38:27,900

created and they were trying to do some

900

00:38:32,810 --> 00:38:30,300

environmental DNA I think

901
00:38:34,910 --> 00:38:32,820
and they actually

902
00:38:36,650 --> 00:38:34,920
if I understand correctly and I'm

903
00:38:39,890 --> 00:38:36,660
remembering right they actually

904
00:38:42,770 --> 00:38:39,900
deconstructed one of the nests and these

905
00:38:43,849 --> 00:38:42,780
things are huge and weigh hundreds of

906
00:38:48,050 --> 00:38:43,859
pounds

907
00:38:51,470 --> 00:38:48,060
and whenever they got the nest all

908
00:38:55,310 --> 00:38:51,480
you know undone and taken apart they

909
00:38:58,010 --> 00:38:55,320
found tracks underneath them in the soil

910
00:39:00,050 --> 00:38:58,020
that were there before the nests were in

911
00:39:04,430 --> 00:39:00,060
place while they were building them and

912
00:39:06,349 --> 00:39:04,440
they've also seen new things being built

913
00:39:08,450 --> 00:39:06,359

uh

914

00:39:10,310 --> 00:39:08,460

things being

915

00:39:12,589 --> 00:39:10,320

walked they found things walking through

916

00:39:16,250 --> 00:39:12,599

Camp they've got hours and hours of

917

00:39:19,910 --> 00:39:16,260

audio recorded different vocalizations I

918

00:39:22,670 --> 00:39:19,920

mean it's just really amazing and if I

919

00:39:25,250 --> 00:39:22,680

were a betting man I would put my money

920

00:39:29,030 --> 00:39:25,260

on that uh

921

00:39:30,650 --> 00:39:29,040

research being done right now as

922

00:39:33,470 --> 00:39:30,660

The Cutting Edge of everything that's

923

00:39:35,750 --> 00:39:33,480

going on in the Bigfoot world

924

00:39:37,670 --> 00:39:35,760

can I get it amen and I didn't mean to

925

00:39:40,130 --> 00:39:37,680

hold you up prime time but I wanted just

926

00:39:41,930 --> 00:39:40,140

people to understand some of these you

927

00:39:43,790 --> 00:39:41,940

know big things that are going on that

928

00:39:45,410 --> 00:39:43,800

that'll give people an over under all

929

00:39:48,109 --> 00:39:45,420

overall understanding of what's going on

930

00:39:50,329 --> 00:39:48,119

in in in Bigfoot research so go ahead

931

00:39:52,190 --> 00:39:50,339

ma'am oh yeah of course context is

932

00:39:54,349 --> 00:39:52,200

always super valuable

933

00:39:56,990 --> 00:39:54,359

um yeah so Matt 20 years is a very long

934

00:39:59,710 --> 00:39:57,000

time to be interested in anything I'm

935

00:40:02,569 --> 00:39:59,720

curious about I mean yes

936

00:40:03,470 --> 00:40:02,579

I may be projecting my commitment phobia

937

00:40:06,290 --> 00:40:03,480

here

938

00:40:08,030 --> 00:40:06,300

um but um that said like what views or

939

00:40:11,270 --> 00:40:08,040

theories do you have on this particular

940

00:40:13,550 --> 00:40:11,280

subjects that have changed over time

941

00:40:17,569 --> 00:40:13,560

oh geez uh

942

00:40:20,870 --> 00:40:17,579

this being just an Undiscovered primate

943

00:40:24,109 --> 00:40:20,880

um is probably at the top of that list

944

00:40:30,349 --> 00:40:26,030

oh geez I don't know if I even want to

945

00:40:30,359 --> 00:40:33,050

yeah

946

00:40:40,069 --> 00:40:37,250

I find myself more and more on the fence

947

00:40:42,589 --> 00:40:40,079

in regards to what's being referred to

948

00:40:45,050 --> 00:40:42,599

as mind speak

949

00:40:50,510 --> 00:40:47,750

I don't necessarily have a theory that

950

00:40:52,609 --> 00:40:50,520

these things psychically communicate

951
00:40:57,410 --> 00:40:52,619
with humans

952
00:40:59,690 --> 00:40:57,420
but I am wondering if we're not

953
00:41:01,510 --> 00:40:59,700
picking up on thoughts

954
00:41:05,210 --> 00:41:01,520
ourselves

955
00:41:06,829 --> 00:41:05,220
or I I think it might be a situation you

956
00:41:09,170 --> 00:41:06,839
know so now we're getting off into the

957
00:41:12,770 --> 00:41:09,180
world of psychic phenomenon

958
00:41:13,609 --> 00:41:12,780
um which to me you know like I have my

959
00:41:16,970 --> 00:41:13,619
uh

960
00:41:19,490 --> 00:41:16,980
my pots and all kinds of fires so these

961
00:41:21,410 --> 00:41:19,500
were all areas that interested me my

962
00:41:24,410 --> 00:41:21,420
entire life

963
00:41:26,930 --> 00:41:24,420

and in my opinion it would be more

964

00:41:30,650 --> 00:41:26,940

likely that some sort of

965

00:41:33,829 --> 00:41:30,660

uh mental reception was happening as

966

00:41:36,050 --> 00:41:33,839

opposed to mental transmission from a

967

00:41:38,810 --> 00:41:36,060

Bigfoot to a human

968

00:41:41,150 --> 00:41:38,820

um I can't I don't really have another

969

00:41:43,790 --> 00:41:41,160

explanation for it but uh

970

00:41:47,270 --> 00:41:43,800

I've just heard from different people

971

00:41:48,349 --> 00:41:47,280

that just are very emotional and very

972

00:41:51,290 --> 00:41:48,359

adamant

973

00:41:53,630 --> 00:41:51,300

I've never heard them say anything that

974

00:41:55,670 --> 00:41:53,640

you know caught my attention as far as

975

00:41:57,950 --> 00:41:55,680

oh they might be kind of a fringe

976
00:42:00,770 --> 00:41:57,960
thinker or believer in certain phenomena

977
00:42:02,329 --> 00:42:00,780
and then just they're telling me like

978
00:42:05,329 --> 00:42:02,339
I heard

979
00:42:09,410 --> 00:42:05,339
something in my head say get out or you

980
00:42:12,609 --> 00:42:09,420
know get away and things like that um

981
00:42:15,050 --> 00:42:12,619
which also goes down the whole

982
00:42:16,609 --> 00:42:15,060
see I have to be careful because I'll go

983
00:42:20,150 --> 00:42:16,619
off on different tangents but you talk

984
00:42:23,510 --> 00:42:20,160
about uh bigfoots often associated with

985
00:42:26,329 --> 00:42:23,520
smells of a musk or a sulfur type smell

986
00:42:28,670 --> 00:42:26,339
and then you have these mind-speak

987
00:42:31,069 --> 00:42:28,680
situations occurring

988
00:42:33,170 --> 00:42:31,079

and it starts to sound an awful lot like

989

00:42:35,569 --> 00:42:33,180

a lot of things that are associated with

990

00:42:39,109 --> 00:42:35,579

demonic activity

991

00:42:39,890 --> 00:42:39,119

and hauntings and things like that

992

00:42:43,690 --> 00:42:39,900

um

993

00:42:47,410 --> 00:42:43,700

so are there areas where these different

994

00:42:50,510 --> 00:42:47,420

topics start to overlap with one another

995

00:42:52,550 --> 00:42:50,520

one of the first things that I ever kind

996

00:42:54,829 --> 00:42:52,560

of thought of

997

00:42:56,890 --> 00:42:54,839

we were actually in an area called

998

00:43:00,050 --> 00:42:56,900

screaming woman Woods

999

00:43:02,290 --> 00:43:00,060

because there were tells of hearing a

1000

00:43:05,809 --> 00:43:02,300

ghostly scream coming from the woods

1001
00:43:07,370 --> 00:43:05,819
that night I saw a mountain lion so I'm

1002
00:43:08,450 --> 00:43:07,380
guessing that's what the screaming woman

1003
00:43:10,430 --> 00:43:08,460
is

1004
00:43:13,069 --> 00:43:10,440
but it kind of you know I kind of

1005
00:43:14,829 --> 00:43:13,079
thought I wonder how many times people

1006
00:43:18,290 --> 00:43:14,839
have

1007
00:43:19,670 --> 00:43:18,300
experienced a haunted area like in the

1008
00:43:22,010 --> 00:43:19,680
woods or something

1009
00:43:24,170 --> 00:43:22,020
and it's actually Bigfoot

1010
00:43:26,150 --> 00:43:24,180
or how many times do people think that

1011
00:43:29,030 --> 00:43:26,160
they're having a Bigfoot encounter when

1012
00:43:29,809 --> 00:43:29,040
it's actually a haunting

1013
00:43:32,089 --> 00:43:29,819

um

1014

00:43:34,609 --> 00:43:32,099

especially around like old homesteads

1015

00:43:36,829 --> 00:43:34,619

and things like that I have an aunt

1016

00:43:40,250 --> 00:43:36,839

actually who is living in Missouri at

1017

00:43:43,190 --> 00:43:40,260

the time who never believed in Bigfoot

1018

00:43:45,230 --> 00:43:43,200

she knew I was interested and then one

1019

00:43:46,309 --> 00:43:45,240

day she calls me up and she was like you

1020

00:43:48,230 --> 00:43:46,319

know

1021

00:43:51,109 --> 00:43:48,240

have you ever heard of Bigfoot like

1022

00:43:53,630 --> 00:43:51,119

slapping the side of someone's house

1023

00:43:55,609 --> 00:43:53,640

yeah and I was like yeah I've heard it a

1024

00:43:56,930 --> 00:43:55,619

lot and she starts telling me these

1025

00:43:58,430 --> 00:43:56,940

things that she's experiencing around

1026
00:43:59,990 --> 00:43:58,440
her house and she's like do you think

1027
00:44:02,210 --> 00:44:00,000
that could be Bigfoot

1028
00:44:04,010 --> 00:44:02,220
and I was like well I mean

1029
00:44:06,470 --> 00:44:04,020
I think it's a strong possibility I've

1030
00:44:08,030 --> 00:44:06,480
heard you know you're just saying like

1031
00:44:09,710 --> 00:44:08,040
the common things that people report

1032
00:44:11,690 --> 00:44:09,720
happening that you know whenever a

1033
00:44:13,609 --> 00:44:11,700
Bigfoot comes up around their house

1034
00:44:15,230 --> 00:44:13,619
and she was like well you know for the

1035
00:44:16,309 --> 00:44:15,240
past 10 years I thought my house was

1036
00:44:18,230 --> 00:44:16,319
haunted

1037
00:44:20,390 --> 00:44:18,240
she she just thought it was like

1038
00:44:21,410 --> 00:44:20,400

Poltergeist activity happening on her

1039

00:44:24,290 --> 00:44:21,420

property

1040

00:44:26,750 --> 00:44:24,300

so I think you have situations

1041

00:44:29,809 --> 00:44:26,760

where these things do overlap with one

1042

00:44:32,210 --> 00:44:29,819

another so you have to look at different

1043

00:44:34,190 --> 00:44:32,220

theories and different aspects of

1044

00:44:35,809 --> 00:44:34,200

everything whenever you're going into an

1045

00:44:40,190 --> 00:44:35,819

area and trying to research or

1046

00:44:42,530 --> 00:44:40,200

investigate an encounter or a claim

1047

00:44:44,630 --> 00:44:42,540

mad I was having a discussion with one

1048

00:44:48,650 --> 00:44:44,640

of my Florida friends about this

1049

00:44:50,569 --> 00:44:48,660

mindspeak issue and you know I asked her

1050

00:44:53,569 --> 00:44:50,579

her hypothesis she says I think they can

1051

00:44:55,309 --> 00:44:53,579

all mind speak and what I did is I I

1052

00:44:58,329 --> 00:44:55,319

kind of Applied a little bit of what we

1053

00:45:02,170 --> 00:44:58,339

said earlier and then I also

1054

00:45:04,790 --> 00:45:02,180

applied the human

1055

00:45:08,089 --> 00:45:04,800

humanistic sort of theory to it like for

1056

00:45:12,109 --> 00:45:08,099

example we know uh all of us here know

1057

00:45:15,829 --> 00:45:12,119

people that can act as a medium that can

1058

00:45:18,109 --> 00:45:15,839

speak with spirits not while every one

1059

00:45:19,730 --> 00:45:18,119

of us may have the architecture to do

1060

00:45:22,970 --> 00:45:19,740

that everyone that's on the show right

1061

00:45:26,390 --> 00:45:22,980

now we have not cultivated or been able

1062

00:45:28,849 --> 00:45:26,400

to actualize it and use it right but but

1063

00:45:31,790 --> 00:45:28,859

perhaps we have the stuff to do it but

1064

00:45:33,770 --> 00:45:31,800

we we can't do it yet or we haven't been

1065

00:45:35,450 --> 00:45:33,780

able to manifest it right but we know

1066

00:45:36,950 --> 00:45:35,460

people who do we know Priscilla we know

1067

00:45:39,290 --> 00:45:36,960

others you know that can do this sort of

1068

00:45:41,630 --> 00:45:39,300

thing Holly right

1069

00:45:44,089 --> 00:45:41,640

um so what is what if Bigfoot what if

1070

00:45:47,150 --> 00:45:44,099

some of them can mine speak just like

1071

00:45:49,250 --> 00:45:47,160

some people can go in into a a haunted

1072

00:45:51,050 --> 00:45:49,260

house and speak with the spirit and find

1073

00:45:53,210 --> 00:45:51,060

out what it's angry about find out what

1074

00:45:55,910 --> 00:45:53,220

happened to it and why it's it's

1075

00:45:58,490 --> 00:45:55,920

terrorizing people Etc so what if it's

1076
00:46:01,430 --> 00:45:58,500
maybe some but not all Matt what do you

1077
00:46:04,370 --> 00:46:01,440
think about that what if

1078
00:46:05,930 --> 00:46:04,380
what if we're not dealing with just one

1079
00:46:07,970 --> 00:46:05,940
thing

1080
00:46:10,190 --> 00:46:07,980
right what if not all Bigfoot are just

1081
00:46:13,370 --> 00:46:10,200
Bigfoot

1082
00:46:14,450 --> 00:46:13,380
um there are things that happen in the

1083
00:46:17,270 --> 00:46:14,460
woods

1084
00:46:18,710 --> 00:46:17,280
that are the result of something not

1085
00:46:21,829 --> 00:46:18,720
human

1086
00:46:24,829 --> 00:46:21,839
and by that I mean I don't care

1087
00:46:27,410 --> 00:46:24,839
what human you have if you make a human

1088
00:46:28,270 --> 00:46:27,420

grow to be nine feet tall which has

1089

00:46:31,190 --> 00:46:28,280

happened

1090

00:46:33,710 --> 00:46:31,200

they can't twist a tree

1091

00:46:35,770 --> 00:46:33,720

they can't do it they can't rip a tree

1092

00:46:38,450 --> 00:46:35,780

out of the ground

1093

00:46:40,609 --> 00:46:38,460

they don't have that animalistic

1094

00:46:43,190 --> 00:46:40,619

strength

1095

00:46:46,010 --> 00:46:43,200

there are screams and howls that have

1096

00:46:50,089 --> 00:46:46,020

been recorded vocalizations you know in

1097

00:46:52,370 --> 00:46:50,099

the mountains you know are far beyond

1098

00:46:54,230 --> 00:46:52,380

the ability of any human

1099

00:46:56,150 --> 00:46:54,240

but then you also have recordings of

1100

00:46:58,910 --> 00:46:56,160

something Whispering outside windows

1101
00:46:59,750 --> 00:46:58,920
something talking and what sounds to be

1102
00:47:03,290 --> 00:46:59,760
like

1103
00:47:06,410 --> 00:47:03,300
some sort of language uh you know Scott

1104
00:47:09,050 --> 00:47:06,420
or Nelson has kind of validated the

1105
00:47:10,849 --> 00:47:09,060
language thing for the Sierra sounds

1106
00:47:15,109 --> 00:47:10,859
so

1107
00:47:17,690 --> 00:47:15,119
it's my understanding if you're

1108
00:47:20,450 --> 00:47:17,700
creating these vocalizations that can be

1109
00:47:23,630 --> 00:47:20,460
heard for miles and miles and miles your

1110
00:47:26,750 --> 00:47:23,640
vocal cord structure isn't capable of

1111
00:47:29,329 --> 00:47:26,760
speech like humans can do

1112
00:47:30,710 --> 00:47:29,339
but yet you have both going on

1113
00:47:32,990 --> 00:47:30,720

you have

1114

00:47:34,910 --> 00:47:33,000

rock formations being left limb

1115

00:47:37,910 --> 00:47:34,920

formations being left and I'm not

1116

00:47:41,450 --> 00:47:37,920

talking about trebos and X's I'm talking

1117

00:47:44,569 --> 00:47:41,460

about asterisks and glyphs and very

1118

00:47:47,569 --> 00:47:44,579

intricate small detailed things

1119

00:47:50,589 --> 00:47:47,579

but then you also have

1120

00:47:54,230 --> 00:47:50,599

like I said trees being pushed over

1121

00:47:56,530 --> 00:47:54,240

you know Boulders being thrown at people

1122

00:47:59,329 --> 00:47:56,540

uh

1123

00:48:00,710 --> 00:47:59,339

you know I was involved in a case an

1124

00:48:04,670 --> 00:48:00,720

investigation

1125

00:48:06,710 --> 00:48:04,680

on uh kind of a Consulting basis but I

1126
00:48:08,030 --> 00:48:06,720
did go to the property a few times and

1127
00:48:10,069 --> 00:48:08,040
research

1128
00:48:12,829 --> 00:48:10,079
and there were some

1129
00:48:15,650 --> 00:48:12,839
extraordinary claims being made

1130
00:48:18,309 --> 00:48:15,660
and uh

1131
00:48:21,170 --> 00:48:18,319
some communication was happening

1132
00:48:22,010 --> 00:48:21,180
reportedly with the Bigfoot on the

1133
00:48:25,790 --> 00:48:22,020
property

1134
00:48:27,290 --> 00:48:25,800
and it according to these people what

1135
00:48:30,410 --> 00:48:27,300
they were claiming the Bigfoot were

1136
00:48:34,130 --> 00:48:30,420
saying take that however you will

1137
00:48:35,990 --> 00:48:34,140
it was exactly what you're saying

1138
00:48:37,370 --> 00:48:36,000

there was one Bigfoot that did the

1139

00:48:40,550 --> 00:48:37,380

communicating

1140

00:48:43,430 --> 00:48:40,560

it was on a higher IQ level than the

1141

00:48:45,190 --> 00:48:43,440

others and it had abilities that the

1142

00:48:48,829 --> 00:48:45,200

other Bigfoot did not have

1143

00:48:52,370 --> 00:48:48,839

and according to these communications

1144

00:48:56,210 --> 00:48:52,380

some Bigfoot could some Bigfoot couldn't

1145

00:48:58,730 --> 00:48:56,220

some Bigfoot were more of what you would

1146

00:49:02,089 --> 00:48:58,740

consider

1147

00:49:04,309 --> 00:49:02,099

a Mystic or an elder or a medicine man

1148

00:49:06,589 --> 00:49:04,319

or whatever label you want to put on it

1149

00:49:09,530 --> 00:49:06,599

and then others were more animalistic

1150

00:49:11,270 --> 00:49:09,540

and uh couldn't speak the same one one

1151
00:49:14,089 --> 00:49:11,280
sec Matt we want to say goodbye to Leah

1152
00:49:16,190 --> 00:49:14,099
prime time please yes I got a dip I

1153
00:49:17,990 --> 00:49:16,200
gotta go to the nerd herd at a nine

1154
00:49:19,849 --> 00:49:18,000
o'clock Eastern Matt thank you so much

1155
00:49:21,950 --> 00:49:19,859
this was a wonderful conversation really

1156
00:49:23,270 --> 00:49:21,960
really appreciate your perspective oh

1157
00:49:25,790 --> 00:49:23,280
yeah absolutely

1158
00:49:27,290 --> 00:49:25,800
all right thank you gentlemen bye Amigo

1159
00:49:29,870 --> 00:49:27,300
we'll talk to you soon okay thanks Leah

1160
00:49:32,210 --> 00:49:29,880
take care bye

1161
00:49:33,950 --> 00:49:32,220
okay Matt um yeah and when when you

1162
00:49:35,809 --> 00:49:33,960
finish here we'll we'll get Leah's uh

1163
00:49:37,910 --> 00:49:35,819

question in there and then turn it over

1164

00:49:39,650 --> 00:49:37,920

to money Nathan

1165

00:49:42,349 --> 00:49:39,660

um well actually yeah hers can go in

1166

00:49:44,569 --> 00:49:42,359

rotation now because so we can't get

1167

00:49:46,130 --> 00:49:44,579

Nathan now that she's gone yeah did you

1168

00:49:48,470 --> 00:49:46,140

want to finish your thought

1169

00:49:49,609 --> 00:49:48,480

I was just gonna say uh you know some of

1170

00:49:53,329 --> 00:49:49,619

these things

1171

00:49:56,569 --> 00:49:53,339

you know you have to go in with the

1172

00:50:00,890 --> 00:49:56,579

mindset of I can either

1173

00:50:03,470 --> 00:50:00,900

sit here and debunk everything

1174

00:50:05,630 --> 00:50:03,480

which is possible you and I have had

1175

00:50:07,550 --> 00:50:05,640

that conversation you know prove that

1176
00:50:10,370 --> 00:50:07,560
your mother gave birth to you right now

1177
00:50:13,849 --> 00:50:10,380
do it you can't you can't do it so

1178
00:50:17,270 --> 00:50:13,859
anybody can debunk anything okay

1179
00:50:19,790 --> 00:50:17,280
or you can keep an open mind and take

1180
00:50:22,309 --> 00:50:19,800
the evidence that's presented to you and

1181
00:50:25,069 --> 00:50:22,319
play the what if game okay well if this

1182
00:50:28,849 --> 00:50:25,079
is true then what does that mean

1183
00:50:30,770 --> 00:50:28,859
and see where it leads you and a lot of

1184
00:50:32,210 --> 00:50:30,780
this communication that was being done

1185
00:50:33,890 --> 00:50:32,220
uh

1186
00:50:38,390 --> 00:50:33,900
was using

1187
00:50:40,550 --> 00:50:38,400
an ancient uh druidic type language I'm

1188
00:50:42,230 --> 00:50:40,560

not going to specifically name it

1189

00:50:43,690 --> 00:50:42,240

on air I'll talk to you guys about it

1190

00:50:46,069 --> 00:50:43,700

later

1191

00:50:47,510 --> 00:50:46,079

because I don't I don't there's certain

1192

00:50:49,970 --> 00:50:47,520

information I don't like giving out

1193

00:50:52,549 --> 00:50:49,980

because then if somebody does want to do

1194

00:50:55,309 --> 00:50:52,559

nefarious things they have more things

1195

00:50:59,750 --> 00:50:55,319

to use and put in the repertoire

1196

00:51:01,069 --> 00:50:59,760

um thank you but drawings were happening

1197

00:51:03,710 --> 00:51:01,079

uh

1198

00:51:05,089 --> 00:51:03,720

they would leave out a notebook and a

1199

00:51:06,710 --> 00:51:05,099

pencil

1200

00:51:12,790 --> 00:51:06,720

and

1201
00:51:16,430 --> 00:51:12,800
drawing pictures now think about

1202
00:51:20,450 --> 00:51:16,440
an 8 to 10 foot tall creature

1203
00:51:23,990 --> 00:51:20,460
you know this big huge

1204
00:51:26,390 --> 00:51:24,000
Beast for a lack of better term

1205
00:51:28,790 --> 00:51:26,400
do you think it could have the manual

1206
00:51:31,430 --> 00:51:28,800
dexterity to hold a little pencil and

1207
00:51:32,809 --> 00:51:31,440
write and draw with it

1208
00:51:38,809 --> 00:51:32,819
that

1209
00:51:42,049 --> 00:51:38,819
upright gorilla

1210
00:51:44,150 --> 00:51:42,059
uh that's evolved with longer legs uh

1211
00:51:47,089 --> 00:51:44,160
for walking around bipedally

1212
00:51:48,349 --> 00:51:47,099
that's something different

1213
00:51:50,809 --> 00:51:48,359

um

1214

00:51:53,270 --> 00:51:50,819

but yet they're living together they're

1215

00:51:54,710 --> 00:51:53,280

they're part of the same group

1216

00:51:57,349 --> 00:51:54,720

so

1217

00:51:58,549 --> 00:51:57,359

what's going on with it your guess is as

1218

00:52:00,710 --> 00:51:58,559

good as mine

1219

00:52:02,270 --> 00:52:00,720

you know Deb alludes to Little People is

1220

00:52:07,670 --> 00:52:02,280

that what you're referring to

1221

00:52:11,630 --> 00:52:09,230

I think

1222

00:52:13,609 --> 00:52:11,640

that there might be more than one thing

1223

00:52:15,710 --> 00:52:13,619

out there

1224

00:52:18,049 --> 00:52:15,720

and I think maybe some of those things

1225

00:52:22,670 --> 00:52:18,059

have learned to live together

1226

00:52:26,049 --> 00:52:24,829

wow

1227

00:52:32,150 --> 00:52:26,059

yeah

1228

00:52:34,370 --> 00:52:32,160

just as an anecdote from my own

1229

00:52:37,069 --> 00:52:34,380

experience and and it's kind of

1230

00:52:38,089 --> 00:52:37,079

you have to hopefully glean my question

1231

00:52:40,970 --> 00:52:38,099

because I don't think I'm going to

1232

00:52:43,130 --> 00:52:40,980

phrase it very well but you know anybody

1233

00:52:44,990 --> 00:52:43,140

who's lived out in a you know kind of

1234

00:52:45,950 --> 00:52:45,000

role or forested area if you're out

1235

00:52:49,010 --> 00:52:45,960

driving

1236

00:52:50,930 --> 00:52:49,020

at night you'll see a creature that you

1237

00:52:52,670 --> 00:52:50,940

don't normally see

1238

00:52:56,089 --> 00:52:52,680

in the daylight you know you'll see a

1239

00:52:57,770 --> 00:52:56,099

raccoon or uh you know you'll see a fox

1240

00:52:59,870 --> 00:52:57,780

maybe or

1241

00:53:02,690 --> 00:52:59,880

opossum is another common one that comes

1242

00:53:04,250 --> 00:53:02,700

out at night and uh and these These are

1243

00:53:05,569 --> 00:53:04,260

creatures that you don't see if you're

1244

00:53:07,609 --> 00:53:05,579

kind of out on a hike in the middle of

1245

00:53:09,890 --> 00:53:07,619

the day usually I did see a raccoon in

1246

00:53:12,470 --> 00:53:09,900

Central Park once which was kind of cool

1247

00:53:14,450 --> 00:53:12,480

um so my point there is that there are a

1248

00:53:17,390 --> 00:53:14,460

lot of creatures that live in these

1249

00:53:20,750 --> 00:53:17,400

areas that are very good at not being

1250

00:53:21,950 --> 00:53:20,760

seen most of the time you know so and

1251
00:53:24,349 --> 00:53:21,960
they're not and we don't even consider

1252
00:53:27,349 --> 00:53:24,359
them to be highly intelligent or even

1253
00:53:28,730 --> 00:53:27,359
close to having an intelligence that we

1254
00:53:31,730 --> 00:53:28,740
have

1255
00:53:35,569 --> 00:53:31,740
and so I think about that in relation to

1256
00:53:38,870 --> 00:53:35,579
this subject now if you had a a human

1257
00:53:41,270 --> 00:53:38,880
level intelligence or maybe better uh

1258
00:53:44,210 --> 00:53:41,280
well adapted to these environments

1259
00:53:47,290 --> 00:53:44,220
it would be pretty hard to find them I

1260
00:53:49,910 --> 00:53:47,300
think they would be very good at it it

1261
00:53:50,690 --> 00:53:49,920
remaining hidden

1262
00:53:52,910 --> 00:53:50,700
um

1263
00:53:55,010 --> 00:53:52,920

you know so that to me is a compelling

1264

00:53:57,049 --> 00:53:55,020

argument in favor of of

1265

00:53:58,490 --> 00:53:57,059

what what's happening there but I guess

1266

00:54:00,589 --> 00:53:58,500

the where I really wanted to go with

1267

00:54:02,990 --> 00:54:00,599

this is thinking just more broadly right

1268

00:54:08,870 --> 00:54:06,230

we've we've done a very good job

1269

00:54:14,270 --> 00:54:08,880

of

1270

00:54:16,069 --> 00:54:14,280

and and and you know we're all in these

1271

00:54:18,049 --> 00:54:16,079

like manufactured environments now like

1272

00:54:20,630 --> 00:54:18,059

we don't live in the wild

1273

00:54:22,970 --> 00:54:20,640

uh we're not familiar with the wild we

1274

00:54:26,990 --> 00:54:22,980

don't understand how to read it uh

1275

00:54:30,049 --> 00:54:27,000

listen to it interact with it and in our

1276

00:54:31,490 --> 00:54:30,059

Modern Life uh We've replaced all of

1277

00:54:33,829 --> 00:54:31,500

that with

1278

00:54:37,970 --> 00:54:33,839

you know things of our own creation and

1279

00:54:40,370 --> 00:54:37,980

so I I I wonder how that affects us you

1280

00:54:43,010 --> 00:54:40,380

know psychologically when we then enter

1281

00:54:45,770 --> 00:54:43,020

into these Wild Spaces you know how how

1282

00:54:48,530 --> 00:54:45,780

do we mentally engage with the

1283

00:54:50,390 --> 00:54:48,540

Wilderness when we're just not good at

1284

00:54:52,130 --> 00:54:50,400

that anymore and and what's your

1285

00:54:54,230 --> 00:54:52,140

perspective on that and how it may

1286

00:54:56,510 --> 00:54:54,240

interact with what people are

1287

00:55:01,370 --> 00:54:56,520

experiencing out there

1288

00:55:06,650 --> 00:55:01,380

I think it's a it comes hugely into play

1289

00:55:10,609 --> 00:55:09,470

cussing to myself ranting and raving at

1290

00:55:15,049 --> 00:55:10,619

my computer

1291

00:55:17,809 --> 00:55:15,059

at just the disconnect Society has with

1292

00:55:19,609 --> 00:55:17,819

everything going on in the world

1293

00:55:22,069 --> 00:55:19,619

just

1294

00:55:25,430 --> 00:55:22,079

the difference

1295

00:55:27,470 --> 00:55:25,440

of the way things were just 10 years ago

1296

00:55:30,589 --> 00:55:27,480

to how they are now in society for

1297

00:55:32,210 --> 00:55:30,599

instance I was raised by my great

1298

00:55:35,450 --> 00:55:32,220

grandparents my actual great

1299

00:55:38,089 --> 00:55:35,460

grandparents and my great-grandfather uh

1300

00:55:40,730 --> 00:55:38,099

was the oldest of eight brothers and

1301
00:55:43,250 --> 00:55:40,740
sisters he came from an extremely poor

1302
00:55:44,450 --> 00:55:43,260
family in Arkansas in the mountains

1303
00:55:49,309 --> 00:55:44,460
uh

1304
00:55:50,990 --> 00:55:49,319
and his father was an alcoholic and I

1305
00:55:54,109 --> 00:55:51,000
don't even think his dad was around the

1306
00:55:56,150 --> 00:55:54,119
family uh he he might have slept there

1307
00:55:58,490 --> 00:55:56,160
on occasion but otherwise they didn't

1308
00:56:01,309 --> 00:55:58,500
even see their father

1309
00:56:03,770 --> 00:56:01,319
and my great-grandfather as a child

1310
00:56:05,450 --> 00:56:03,780
growing up he had to provide for his

1311
00:56:07,190 --> 00:56:05,460
brothers and sisters and his mom to

1312
00:56:09,589 --> 00:56:07,200
survive

1313
00:56:13,309 --> 00:56:09,599

and he would go out and hunt and fish

1314

00:56:15,950 --> 00:56:13,319

and it wasn't a sport it wasn't you know

1315

00:56:18,290 --> 00:56:15,960

he got a deer tag you know and I'm gonna

1316

00:56:19,970 --> 00:56:18,300

go get you know a trophy Buck to hang on

1317

00:56:23,030 --> 00:56:19,980

the wall it was

1318

00:56:26,870 --> 00:56:23,040

my family has to eat

1319

00:56:30,230 --> 00:56:26,880

so he taught me a tremendous amount at

1320

00:56:33,069 --> 00:56:30,240

an early age I grew up

1321

00:56:35,569 --> 00:56:33,079

with this

1322

00:56:37,190 --> 00:56:35,579

contrasting lifestyle you know we lived

1323

00:56:38,870 --> 00:56:37,200

in a city

1324

00:56:40,190 --> 00:56:38,880

um tall

1325

00:56:41,569 --> 00:56:40,200

Tulsa

1326

00:56:43,130 --> 00:56:41,579

as Matt broke up

1327

00:56:45,230 --> 00:56:43,140

but

1328

00:56:48,170 --> 00:56:45,240

I spent my weekends and all my free time

1329

00:56:49,970 --> 00:56:48,180

out in the country at the lake roaming

1330

00:56:52,250 --> 00:56:49,980

the woods learning tracking learning

1331

00:56:54,049 --> 00:56:52,260

hunting learning fishing for my great

1332

00:56:57,109 --> 00:56:54,059

grandfather from my uncle

1333

00:57:00,770 --> 00:56:57,119

everybody around me was an Outdoorsman

1334

00:57:03,109 --> 00:57:00,780

people don't have that not typically

1335

00:57:05,030 --> 00:57:03,119

the majority of people live in the

1336

00:57:09,290 --> 00:57:05,040

cities they don't live in the rural

1337

00:57:11,569 --> 00:57:09,300

areas the way that life is conducted in

1338

00:57:14,990 --> 00:57:11,579

the rural areas

1339

00:57:17,329 --> 00:57:15,000

is so different from City life and they

1340

00:57:19,490 --> 00:57:17,339

don't have that you know that connection

1341

00:57:21,710 --> 00:57:19,500

uh

1342

00:57:25,430 --> 00:57:21,720

to understand

1343

00:57:26,870 --> 00:57:25,440

hardly anything I've always said if

1344

00:57:28,069 --> 00:57:26,880

you're going to look into the Bigfoot

1345

00:57:29,329 --> 00:57:28,079

phenomenon and you're going to go out

1346

00:57:31,609 --> 00:57:29,339

there and look for this thing the first

1347

00:57:34,069 --> 00:57:31,619

thing you have to do is learn about

1348

00:57:37,849 --> 00:57:34,079

everything that already lives there if

1349

00:57:41,450 --> 00:57:37,859

you don't know what animals are there

1350

00:57:43,670 --> 00:57:41,460

to eat you know the the calls they make

1351
00:57:45,470 --> 00:57:43,680
how are you ever going to be able to

1352
00:57:47,990 --> 00:57:45,480
tell what's not supposed to be there

1353
00:57:51,230 --> 00:57:48,000
what's going to stand out to you

1354
00:57:54,290 --> 00:57:51,240
and I've watched a grown man drop down

1355
00:57:57,410 --> 00:57:54,300
on his hands and knees and it you know

1356
00:57:59,089 --> 00:57:57,420
look Bigfoot fingerprints right here at

1357
00:58:00,530 --> 00:57:59,099
the side of the road look at that isn't

1358
00:58:02,329 --> 00:58:00,540
that amazing

1359
00:58:04,130 --> 00:58:02,339
and I'm just standing there looking I'm

1360
00:58:06,109 --> 00:58:04,140
like that's deer tracks

1361
00:58:08,030 --> 00:58:06,119
like you you don't even know what deer

1362
00:58:11,030 --> 00:58:08,040
tracks are but yet you're a Bigfoot

1363
00:58:13,370 --> 00:58:11,040

researcher and you're you know

1364

00:58:16,670 --> 00:58:13,380

so you know kind of a long-winded answer

1365

00:58:20,270 --> 00:58:16,680

but uh I think it's

1366

00:58:22,970 --> 00:58:20,280

plays a huge role in just the lack of

1367

00:58:25,490 --> 00:58:22,980

knowledge and information and it's only

1368

00:58:27,650 --> 00:58:25,500

getting more so as time advances because

1369

00:58:30,290 --> 00:58:27,660

all those people that taught us those

1370

00:58:32,390 --> 00:58:30,300

things are disappearing

1371

00:58:34,069 --> 00:58:32,400

they're dying off and people don't care

1372

00:58:36,170 --> 00:58:34,079

the attention spans aren't long enough

1373

00:58:37,970 --> 00:58:36,180

people want to sit here on the computer

1374

00:58:39,289 --> 00:58:37,980

and look at YouTube for their Bigfoot

1375

00:58:40,970 --> 00:58:39,299

they don't want to go out into the woods

1376
00:58:42,710 --> 00:58:40,980
and look for it they want somebody else

1377
00:58:45,890 --> 00:58:42,720
to deliver it on a platter

1378
00:58:49,010 --> 00:58:45,900
right delivered to the YouTube feed

1379
00:58:51,109 --> 00:58:49,020
exactly and uh I I think it's that way

1380
00:58:54,710 --> 00:58:51,119
with the Paranormal I think it's that

1381
00:58:57,589 --> 00:58:54,720
way with UFOs I I everything it's just

1382
00:59:02,210 --> 00:59:00,829
yeah did that did that get it Nathan you

1383
00:59:04,730 --> 00:59:02,220
kind of want to know how they interact

1384
00:59:06,589 --> 00:59:04,740
uh how does that know how that informs

1385
00:59:08,329 --> 00:59:06,599
their research right well I mean I think

1386
00:59:10,849 --> 00:59:08,339
that's it's a huge part of it right and

1387
00:59:14,030 --> 00:59:10,859
I think just more broadly too it's uh

1388
00:59:16,370 --> 00:59:14,040

it's speaking to the ways in which human

1389

00:59:19,250 --> 00:59:16,380

beings are different now yeah you know

1390

00:59:21,230 --> 00:59:19,260

and um

1391

00:59:22,910 --> 00:59:21,240

there's something that we've lost and

1392

00:59:24,770 --> 00:59:22,920

Matt you really highlighted this I think

1393

00:59:26,690 --> 00:59:24,780

very well you know that we've lost this

1394

00:59:28,130 --> 00:59:26,700

connection you know this connection that

1395

00:59:30,230 --> 00:59:28,140

we had at one point

1396

00:59:33,650 --> 00:59:30,240

to the natural world

1397

00:59:35,510 --> 00:59:33,660

and and and they're look there's some

1398

00:59:37,789 --> 00:59:35,520

great things about that you know amazing

1399

00:59:38,930 --> 00:59:37,799

advances that we've had from from modern

1400

00:59:41,870 --> 00:59:38,940

living

1401

00:59:43,549 --> 00:59:41,880

uh but there's a lot that we've lost in

1402

00:59:46,010 --> 00:59:43,559

our ability to really

1403

00:59:48,109 --> 00:59:46,020

connect with all of it and when you take

1404

00:59:50,150 --> 00:59:48,119

someone like me uh and you put me in the

1405

00:59:51,770 --> 00:59:50,160

forest you know I don't have a lot of

1406

00:59:55,609 --> 00:59:51,780

experience with understanding what I'm

1407

00:59:58,670 --> 00:59:55,619

what I'm seeing and hearing uh and so a

1408

01:00:00,289 --> 00:59:58,680

lot of sightings are you know sort of uh

1409

01:00:01,910 --> 01:00:00,299

anecdotes that you'll hear probably come

1410

01:00:03,589 --> 01:00:01,920

from people who just have never never

1411

01:00:05,630 --> 01:00:03,599

been camping you know and then like you

1412

01:00:07,309 --> 01:00:05,640

said before like they thought they heard

1413

01:00:10,010 --> 01:00:07,319

a woman screaming and no it's a mountain

1414

01:00:11,809 --> 01:00:10,020

lion uh I remember hearing coyotes for

1415

01:00:13,609 --> 01:00:11,819

the first time and I thought it was I

1416

01:00:16,069 --> 01:00:13,619

thought it was literally like you know

1417

01:00:17,450 --> 01:00:16,079

demons from hell outside it sounds often

1418

01:00:18,770 --> 01:00:17,460

right yeah

1419

01:00:20,210 --> 01:00:18,780

um and so if you don't know what if

1420

01:00:22,130 --> 01:00:20,220

you've never heard it before I mean you

1421

01:00:24,410 --> 01:00:22,140

think like jeez like is the world ending

1422

01:00:26,930 --> 01:00:24,420

outside I don't know how many times do

1423

01:00:28,730 --> 01:00:26,940

you hear a sound outside regardless of

1424

01:00:31,089 --> 01:00:28,740

where you are like

1425

01:00:34,069 --> 01:00:31,099

oh it's just this or oh it's just that

1426
01:00:36,770 --> 01:00:34,079
you you know you take someone who

1427
01:00:39,530 --> 01:00:36,780
doesn't know never gives a thought to

1428
01:00:41,030 --> 01:00:39,540
Bigfoot existing uh you put them on a

1429
01:00:42,710 --> 01:00:41,040
camping trip with their family or

1430
01:00:45,170 --> 01:00:42,720
something some sort of outing that

1431
01:00:46,430 --> 01:00:45,180
places them in the wilderness and they

1432
01:00:48,289 --> 01:00:46,440
do hear

1433
01:00:50,150 --> 01:00:48,299
something walking through camp at night

1434
01:00:51,650 --> 01:00:50,160
uh it's probably just a bear oh it's

1435
01:00:54,650 --> 01:00:51,660
probably just raccoons getting in the

1436
01:00:55,630 --> 01:00:54,660
trash you know the dog barks at nothing

1437
01:00:59,089 --> 01:00:55,640
right

1438
01:01:01,069 --> 01:00:59,099

uh there's no telling how often that

1439

01:01:03,530 --> 01:01:01,079

nothing is actually something you're

1440

01:01:05,150 --> 01:01:03,540

You're Expecting if if you see something

1441

01:01:06,770 --> 01:01:05,160

big and hairy standing on two legs in

1442

01:01:08,690 --> 01:01:06,780

the woods it's a bear

1443

01:01:09,770 --> 01:01:08,700

and if you've never seen a bear in the

1444

01:01:13,069 --> 01:01:09,780

wild

1445

01:01:14,990 --> 01:01:13,079

I I you know that didn't really look

1446

01:01:15,950 --> 01:01:15,000

like a bear but it has to be a bear

1447

01:01:19,370 --> 01:01:15,960

right

1448

01:01:20,690 --> 01:01:19,380

so that just goes unreported it just

1449

01:01:23,510 --> 01:01:20,700

goes ignored

1450

01:01:26,210 --> 01:01:23,520

and because of that mindset whenever

1451

01:01:28,490 --> 01:01:26,220

somebody does come forward and say oh my

1452

01:01:29,630 --> 01:01:28,500

God I saw a Bigfoot uh yeah it was

1453

01:01:32,270 --> 01:01:29,640

probably a bear

1454

01:01:34,609 --> 01:01:32,280

you know it's probably just a homeless

1455

01:01:37,190 --> 01:01:34,619

guy because the homeless population

1456

01:01:38,930 --> 01:01:37,200

lives away from society and lives out in

1457

01:01:41,630 --> 01:01:38,940

the wilderness apparently yes

1458

01:01:42,349 --> 01:01:41,640

covered with hair

1459

01:01:44,390 --> 01:01:42,359

um

1460

01:01:46,549 --> 01:01:44,400

so we have some some questions in the

1461

01:01:48,890 --> 01:01:46,559

chat here plus we got we have Deb so I'm

1462

01:01:51,950 --> 01:01:48,900

going to get the one from Blue uh love

1463

01:01:53,990 --> 01:01:51,960

the blue-ish lane the blue-ish crayon

1464

01:01:55,130 --> 01:01:54,000

sorry okay

1465

01:01:58,190 --> 01:01:55,140

um Celine

1466

01:01:59,990 --> 01:01:58,200

uh right here Matt and this this gets to

1467

01:02:01,849 --> 01:02:00,000

my the discussion we were having on my

1468

01:02:03,650 --> 01:02:01,859

way to Subaru yesterday about the

1469

01:02:05,510 --> 01:02:03,660

handprint on the window that I'll get

1470

01:02:07,849 --> 01:02:05,520

with you but let's get with her part of

1471

01:02:11,210 --> 01:02:07,859

it Matt why does Bigfoot have hair but

1472

01:02:15,470 --> 01:02:13,609

um I would say the answer to the first

1473

01:02:17,650 --> 01:02:15,480

question is the second part of the

1474

01:02:21,250 --> 01:02:17,660

question because they live in the forest

1475

01:02:23,530 --> 01:02:21,260

uh we don't have we are ten-year-old

1476

01:02:26,210 --> 01:02:23,540

we don't have hair

1477

01:02:28,789 --> 01:02:26,220

growing that long on our bodies because

1478

01:02:31,609 --> 01:02:28,799

we learned how to control fire and we

1479

01:02:33,109 --> 01:02:31,619

built uh shelters you know that we can

1480

01:02:35,770 --> 01:02:33,119

insulate that protects us from the

1481

01:02:40,130 --> 01:02:35,780

elements and Bigfoot doesn't have that

1482

01:02:43,250 --> 01:02:40,140

so they've had to adapt with their hair

1483

01:02:45,530 --> 01:02:43,260

this is just my theory you know there

1484

01:02:47,329 --> 01:02:45,540

they've had to retain their hair uh for

1485

01:02:48,829 --> 01:02:47,339

insulation and from protection from the

1486

01:02:51,349 --> 01:02:48,839

elements just like all the other

1487

01:02:52,910 --> 01:02:51,359

creatures that live in the forest

1488

01:02:55,849 --> 01:02:52,920

yeah and we'll I'm going to get into

1489

01:02:58,309 --> 01:02:55,859

this but Lane the the bluish crayon if

1490

01:03:00,710 --> 01:02:58,319

you're our friend uh that's supposed to

1491

01:03:03,589 --> 01:03:00,720

come on with us that's the uh 10 year

1492

01:03:05,750 --> 01:03:03,599

old and Landon right is your brother so

1493

01:03:07,789 --> 01:03:05,760

uh we're gonna get you on here so we can

1494

01:03:10,069 --> 01:03:07,799

uh we talk UFOs and Bigfoot and

1495

01:03:12,549 --> 01:03:10,079

paranormal with you so uh your dad is

1496

01:03:17,210 --> 01:03:12,559

going to reach out to us uh but anyway

1497

01:03:19,069 --> 01:03:17,220

uh Matt so we we did we discussed this

1498

01:03:21,950 --> 01:03:19,079

um so you were talking about the

1499

01:03:25,549 --> 01:03:21,960

handprint and the and the oil so my

1500

01:03:28,250 --> 01:03:25,559

hypothesis is that the oil uh that may

1501
01:03:29,990 --> 01:03:28,260
be on their hand and on their skin would

1502
01:03:32,390 --> 01:03:30,000
protect them from the rain because if

1503
01:03:35,750 --> 01:03:32,400
you're obviously a humanoid creature

1504
01:03:37,190 --> 01:03:35,760
that has uh that has hair uh that's out

1505
01:03:39,470 --> 01:03:37,200
there and you don't have the fur that

1506
01:03:41,950 --> 01:03:39,480
sort of sheds the water the way that a

1507
01:03:44,690 --> 01:03:41,960
bear does or and certain breeds of dog

1508
01:03:47,150 --> 01:03:44,700
could you see where that's possible that

1509
01:03:48,530 --> 01:03:47,160
actually maybe they do secrete an oil

1510
01:03:51,049 --> 01:03:48,540
from their skin what do you think about

1511
01:03:53,329 --> 01:03:51,059
that I do think that's a possibility

1512
01:03:56,630 --> 01:03:53,339
there's obviously examples of other

1513
01:04:00,650 --> 01:03:56,640

animals out there in the wild uh otters

1514

01:04:03,710 --> 01:04:00,660

come to mind uh even you know a lot of

1515

01:04:07,010 --> 01:04:03,720

avians a lot of birds uh have

1516

01:04:09,849 --> 01:04:07,020

specialized oils that repel water

1517

01:04:13,910 --> 01:04:09,859

um so that is absolutely a possibility

1518

01:04:17,390 --> 01:04:13,920

if they do in fact secrete these oils or

1519

01:04:19,609 --> 01:04:17,400

have these this oily skin that is

1520

01:04:21,349 --> 01:04:19,619

currently being theorized

1521

01:04:22,730 --> 01:04:21,359

well there you go see we're not even

1522

01:04:26,870 --> 01:04:22,740

going to have our first debate because

1523

01:04:29,390 --> 01:04:26,880

we agree on that so all right so so Debs

1524

01:04:32,210 --> 01:04:29,400

um is there any indication uh she'd like

1525

01:04:33,410 --> 01:04:32,220

to know that Bigfoot has technology or

1526

01:04:38,329 --> 01:04:33,420

tools

1527

01:04:41,510 --> 01:04:38,339

I believe uh they do prefer Android over

1528

01:04:43,250 --> 01:04:41,520

iPhone uh Believe It or Not which is a

1529

01:04:45,349 --> 01:04:43,260

huge disconnect from you know modern

1530

01:04:47,170 --> 01:04:45,359

society

1531

01:04:51,410 --> 01:04:47,180

um

1532

01:04:53,750 --> 01:04:51,420

as far as tools are concerned uh

1533

01:04:57,230 --> 01:04:53,760

I think so

1534

01:04:59,270 --> 01:04:57,240

but I mean what you define as a tool so

1535

01:05:01,970 --> 01:04:59,280

one of the things that is commonly

1536

01:05:04,670 --> 01:05:01,980

associated with Bigfoot activity is wood

1537

01:05:07,130 --> 01:05:04,680

knocks these you know the idea that they

1538

01:05:09,650 --> 01:05:07,140

smack tree trunks with tree limbs so

1539

01:05:12,170 --> 01:05:09,660

that would be a form of tool usage I

1540

01:05:14,329 --> 01:05:12,180

have heard of

1541

01:05:16,370 --> 01:05:14,339

certain situations where people have

1542

01:05:19,010 --> 01:05:16,380

found uh

1543

01:05:20,089 --> 01:05:19,020

Stone tool implements and things like

1544

01:05:20,930 --> 01:05:20,099

that

1545

01:05:24,849 --> 01:05:20,940

um

1546

01:05:28,910 --> 01:05:24,859

were these actual tools used by Bigfoot

1547

01:05:29,569 --> 01:05:28,920

were they tools at all who knows

1548

01:05:32,390 --> 01:05:29,579

um

1549

01:05:36,470 --> 01:05:32,400

actually DJ and I were just recently

1550

01:05:38,809 --> 01:05:36,480

talking about the area X situation uh

1551
01:05:42,049 --> 01:05:38,819
the North American Wood ape Conservancy

1552
01:05:44,329 --> 01:05:42,059
at one point in time found uh where

1553
01:05:47,089 --> 01:05:44,339
something was using a rock to break open

1554
01:05:50,089 --> 01:05:47,099
uh acorns and walnuts or something like

1555
01:05:53,030 --> 01:05:50,099
that out in the middle of nowhere

1556
01:05:55,130 --> 01:05:53,040
uh so while it was out there using a

1557
01:05:56,990 --> 01:05:55,140
rock to bust open nuts I don't think uh

1558
01:05:57,950 --> 01:05:57,000
squirrels do that

1559
01:06:01,609 --> 01:05:57,960
um

1560
01:06:03,589 --> 01:06:01,619
so in that situation it's a it's a high

1561
01:06:05,030 --> 01:06:03,599
possibility that yeah Bigfoot would use

1562
01:06:08,210 --> 01:06:05,040
tools

1563
01:06:09,589 --> 01:06:08,220

um the only problem I have is uh fire

1564

01:06:11,870 --> 01:06:09,599

usage

1565

01:06:13,789 --> 01:06:11,880

obviously they would have to figure out

1566

01:06:16,490 --> 01:06:13,799

how to create it or steal it from a

1567

01:06:18,410 --> 01:06:16,500

campfire but going back to that earlier

1568

01:06:20,990 --> 01:06:18,420

question about Bigfoot having that long

1569

01:06:22,849 --> 01:06:21,000

hair I think it'd be pretty dangerous

1570

01:06:24,529 --> 01:06:22,859

for a Bigfoot to try to mess around with

1571

01:06:27,230 --> 01:06:24,539

fire

1572

01:06:29,990 --> 01:06:27,240

that that's a good point yeah uh that it

1573

01:06:31,549 --> 01:06:30,000

would be that uh getting burnt in any

1574

01:06:34,390 --> 01:06:31,559

sort of a fire that we would cook with

1575

01:06:36,890 --> 01:06:34,400

is that uh and by the way so Tim

1576

01:06:38,450 --> 01:06:36,900

hallerina uh that was in there you had

1577

01:06:39,710 --> 01:06:38,460

some great questions if I don't know if

1578

01:06:41,930 --> 01:06:39,720

you're still in the chat or if you've

1579

01:06:44,809 --> 01:06:41,940

left I'll connect with you offline about

1580

01:06:46,549 --> 01:06:44,819

one of your questions uh so if you if

1581

01:06:48,529 --> 01:06:46,559

you can catch me on Twitter you see my

1582

01:06:51,829 --> 01:06:48,539

handle there but I'd like to connect

1583

01:06:57,829 --> 01:06:55,190

um so does that uh lead to why they're

1584

01:07:00,650 --> 01:06:57,839

not eating the parts of the the animal

1585

01:07:04,670 --> 01:07:00,660

like uh the thighs and they seem to eat

1586

01:07:08,809 --> 01:07:05,529

um

1587

01:07:11,150 --> 01:07:08,819

wow I didn't expect that

1588

01:07:13,250 --> 01:07:11,160

um hey come on man okay so there is this

1589

01:07:15,109 --> 01:07:13,260

situation yeah so there is this

1590

01:07:17,329 --> 01:07:15,119

situation where some colleagues of mine

1591

01:07:20,150 --> 01:07:17,339

found um an armadillo

1592

01:07:22,670 --> 01:07:20,160

uh the armadillo was uh

1593

01:07:24,410 --> 01:07:22,680

freshly deceased I don't know how to put

1594

01:07:29,569 --> 01:07:24,420

it uh

1595

01:07:32,569 --> 01:07:29,579

cut open in a very uh sort of jagged cut

1596

01:07:34,549 --> 01:07:32,579

it wasn't a a sharp knife cut or

1597

01:07:36,650 --> 01:07:34,559

anything like that but it wasn't ripped

1598

01:07:39,289 --> 01:07:36,660

along its stomach

1599

01:07:41,809 --> 01:07:39,299

uh it appeared that the internal organs

1600

01:07:43,190 --> 01:07:41,819

such as the liver and heart were missing

1601
01:07:44,930 --> 01:07:43,200
and

1602
01:07:49,190 --> 01:07:44,940
the carcass

1603
01:07:51,829 --> 01:07:49,200
had been pulled apart in such a way that

1604
01:07:54,289 --> 01:07:51,839
the blood was all pulled inside of the

1605
01:07:55,490 --> 01:07:54,299
cavity and wasn't spilling out on the

1606
01:07:57,710 --> 01:07:55,500
ground

1607
01:08:01,970 --> 01:07:57,720
and inside

1608
01:08:04,569 --> 01:08:01,980
the body they found one of the claws of

1609
01:08:07,970 --> 01:08:04,579
the armadillo

1610
01:08:10,130 --> 01:08:07,980
uh which led them to believe that the

1611
01:08:14,089 --> 01:08:10,140
claw had actually been removed and used

1612
01:08:15,430 --> 01:08:14,099
to cut open the armadillo wow

1613
01:08:19,490 --> 01:08:15,440

um

1614

01:08:21,550 --> 01:08:19,500
organs livers and hearts I don't

1615

01:08:24,289 --> 01:08:21,560
remember which uh

1616

01:08:28,130 --> 01:08:24,299
vitamin or nutrient or whatever it is

1617

01:08:31,010 --> 01:08:28,140
but it actually AIDS in nocturnal vision

1618

01:08:33,370 --> 01:08:31,020
so it was kind of a thought of mind that

1619

01:08:36,110 --> 01:08:33,380
that's probably why they target those

1620

01:08:38,870 --> 01:08:36,120
those are your highest sources of

1621

01:08:41,990 --> 01:08:38,880
everything that you would need

1622

01:08:43,430 --> 01:08:42,000
a lot of deer kills are found with the

1623

01:08:47,269 --> 01:08:43,440
legs broken

1624

01:08:48,550 --> 01:08:47,279
and twisted and uh if anyone's familiar

1625

01:08:50,990 --> 01:08:48,560
with hunting

1626

01:08:54,709 --> 01:08:51,000

uh broken bones and things of that

1627

01:08:56,390 --> 01:08:54,719

nature uh can spoil the meat

1628

01:08:59,450 --> 01:08:56,400

um so that might be another reason that

1629

01:09:01,669 --> 01:08:59,460

they kind of stay away from you know the

1630

01:09:04,070 --> 01:09:01,679

muscle tissue and things like that in

1631

01:09:06,110 --> 01:09:04,080

certain situations

1632

01:09:09,169 --> 01:09:06,120

um but again

1633

01:09:11,809 --> 01:09:09,179

all speculation and Theory

1634

01:09:14,450 --> 01:09:11,819

uh Tim right here Tim so Tim Tim used to

1635

01:09:16,189 --> 01:09:14,460

heal Matt love your podcast what has

1636

01:09:17,689 --> 01:09:16,199

been your biggest challenge with running

1637

01:09:19,669 --> 01:09:17,699

the podcast

1638

01:09:22,970 --> 01:09:19,679

oh geez

1639

01:09:24,890 --> 01:09:22,980

uh my biggest challenge is he told me

1640

01:09:28,789 --> 01:09:24,900

the other day

1641

01:09:34,789 --> 01:09:31,610

it's tough to find an experience or like

1642

01:09:39,229 --> 01:09:34,799

every week it is it

1643

01:09:41,450 --> 01:09:39,239

I don't have a team helping me uh

1644

01:09:42,349 --> 01:09:41,460

it would be great if I did but it's just

1645

01:09:52,010 --> 01:09:42,359

me

1646

01:09:53,809 --> 01:09:52,020

week it's hard to find people that

1647

01:09:56,150 --> 01:09:53,819

aren't just making the rounds on all the

1648

01:09:56,689 --> 01:09:56,160

other podcasts

1649

01:10:00,229 --> 01:09:56,699

um

1650

01:10:02,990 --> 01:10:00,239

I could go the route of having guests on

1651
01:10:06,169 --> 01:10:03,000
like Dr Meldrum you know and different

1652
01:10:07,669 --> 01:10:06,179
researchers and stuff like that uh but

1653
01:10:09,169 --> 01:10:07,679
honestly I've been around for so long

1654
01:10:11,330 --> 01:10:09,179
you know I've talked to all those people

1655
01:10:13,910 --> 01:10:11,340
and they do go on all the different

1656
01:10:16,790 --> 01:10:13,920
podcasts already they go to all the

1657
01:10:19,130 --> 01:10:16,800
conferences and I like to give people

1658
01:10:21,830 --> 01:10:19,140
without a voice a chance to have a voice

1659
01:10:24,050 --> 01:10:21,840
to put in their opinions to you know get

1660
01:10:29,209 --> 01:10:24,060
their stories out there

1661
01:10:31,130 --> 01:10:29,219
um and sometimes I focus on people who

1662
01:10:32,750 --> 01:10:31,140
have been on other shows but I think

1663
01:10:35,209 --> 01:10:32,760

that their stories are really important

1664

01:10:38,149 --> 01:10:35,219

I think people need to listen to them

1665

01:10:40,070 --> 01:10:38,159

again I think you know sometimes I

1666

01:10:41,810 --> 01:10:40,080

haven't ran across where they've been

1667

01:10:43,850 --> 01:10:41,820

asked certain questions that I want to

1668

01:10:45,350 --> 01:10:43,860

ask them so I want to have them on my

1669

01:10:49,250 --> 01:10:45,360

show just so I can ask them certain

1670

01:10:53,450 --> 01:10:49,260

questions and see how they answer uh

1671

01:10:55,729 --> 01:10:53,460

and I want to help people listening

1672

01:10:57,290 --> 01:10:55,739

people that have had experiences that

1673

01:10:59,990 --> 01:10:57,300

think you know like

1674

01:11:02,149 --> 01:11:00,000

am I crazy did I really experience that

1675

01:11:03,950 --> 01:11:02,159

uh has anybody else experienced

1676

01:11:06,290 --> 01:11:03,960

something like this or people you know

1677

01:11:08,270 --> 01:11:06,300

you know I tried to tell my family and

1678

01:11:10,430 --> 01:11:08,280

they just laughed at me I don't have

1679

01:11:12,709 --> 01:11:10,440

anywhere to turn and maybe they'll never

1680

01:11:15,530 --> 01:11:12,719

come on a show maybe they'll never fill

1681

01:11:17,450 --> 01:11:15,540

out a citing report but I want to have

1682

01:11:18,950 --> 01:11:17,460

that opportunity to just maybe they're

1683

01:11:20,990 --> 01:11:18,960

going to listen to somebody else tell

1684

01:11:22,130 --> 01:11:21,000

their story and it's going to make them

1685

01:11:23,990 --> 01:11:22,140

feel a little bit better about

1686

01:11:26,930 --> 01:11:24,000

themselves

1687

01:11:29,510 --> 01:11:26,940

Nathan people wonder why this brother is

1688

01:11:31,790 --> 01:11:29,520

already a member of cab fam already our

1689

01:11:34,970 --> 01:11:31,800

Bigfoot correspondent and Phil and

1690

01:11:38,110 --> 01:11:37,490

that's that's what we're all about right

1691

01:11:40,130 --> 01:11:38,120

um

1692

01:11:41,930 --> 01:11:40,140

fostering Community a lot of people to

1693

01:11:44,030 --> 01:11:41,940

have conversation

1694

01:11:45,770 --> 01:11:44,040

um not necessarily going for

1695

01:11:47,390 --> 01:11:45,780

the folks that uh

1696

01:11:49,070 --> 01:11:47,400

are making the rounds I think that's all

1697

01:11:51,590 --> 01:11:49,080

very important just listening right

1698

01:11:53,570 --> 01:11:51,600

seeing what people have to say

1699

01:11:55,729 --> 01:11:53,580

um

1700

01:11:57,110 --> 01:11:55,739

Jules has something there yeah what so

1701

01:12:00,050 --> 01:11:57,120

Jules is a question here have you heard

1702

01:12:03,890 --> 01:12:00,060

of accounts of Sasquatch with orbs or

1703

01:12:06,950 --> 01:12:03,900

UFOs yeah I'd love to go there I have uh

1704

01:12:10,010 --> 01:12:06,960

it's one of my deep fascinations

1705

01:12:11,390 --> 01:12:10,020

uh trying to figure out if the two are

1706

01:12:13,729 --> 01:12:11,400

connected

1707

01:12:17,030 --> 01:12:13,739

obviously whenever you get away from the

1708

01:12:18,169 --> 01:12:17,040

city lights out in the woods out in the

1709

01:12:20,930 --> 01:12:18,179

country

1710

01:12:23,030 --> 01:12:20,940

you're in areas where Bigfoot

1711

01:12:25,370 --> 01:12:23,040

are usually found

1712

01:12:28,450 --> 01:12:25,380

you're also away from those lights where

1713

01:12:31,790 --> 01:12:28,460

you can see the night sky a lot easier

1714

01:12:34,550 --> 01:12:31,800

so is that all it is you just happen to

1715

01:12:37,310 --> 01:12:34,560

be experiencing two things at the same

1716

01:12:39,649 --> 01:12:37,320

time that are completely unrelated

1717

01:12:42,770 --> 01:12:39,659

maybe uh

1718

01:12:47,209 --> 01:12:42,780

these orbs you know

1719

01:12:49,610 --> 01:12:47,219

I've never seen an orb out in the woods

1720

01:12:52,070 --> 01:12:49,620

I've talked to a lot of people that I

1721

01:12:54,290 --> 01:12:52,080

know for sure are not lying to me that

1722

01:12:57,169 --> 01:12:54,300

have seen orbs out in the woods

1723

01:12:58,850 --> 01:12:57,179

again are these orbs connected to the

1724

01:13:01,430 --> 01:12:58,860

Bigfoot activity

1725

01:13:04,130 --> 01:13:01,440

uh even in situations I had a guest on

1726

01:13:07,729 --> 01:13:04,140

my show that saw an orb and then had a

1727

01:13:10,010 --> 01:13:07,739

Bigfoot experience at the same time

1728

01:13:11,330 --> 01:13:10,020

was the Bigfoot drawn to the orb just

1729

01:13:14,990 --> 01:13:11,340

like you would be

1730

01:13:19,490 --> 01:13:15,000

or are they actually connected somehow a

1731

01:13:22,610 --> 01:13:19,500

long time ago I heard a story about uh

1732

01:13:24,110 --> 01:13:22,620

people witnessing a UFO landing in a

1733

01:13:26,930 --> 01:13:24,120

field

1734

01:13:30,830 --> 01:13:26,940

and orbs came out of the bottom of this

1735

01:13:32,630 --> 01:13:30,840

UFO and the orbs grew in size and

1736

01:13:34,669 --> 01:13:32,640

morphed into Bigfoot that ran off into

1737

01:13:37,370 --> 01:13:34,679

the tree line

1738

01:13:39,110 --> 01:13:37,380

just an anecdotal story

1739

01:13:41,990 --> 01:13:39,120

but

1740

01:13:44,450 --> 01:13:42,000

is there something to it you know like

1741

01:13:46,010 --> 01:13:44,460

is there a connection to all three of

1742

01:13:48,590 --> 01:13:46,020

these things

1743

01:13:51,290 --> 01:13:48,600

uh or is it just

1744

01:13:54,050 --> 01:13:51,300

a Bigfoot season or glowing out in the

1745

01:13:55,910 --> 01:13:54,060

woods and goes to see what's going on uh

1746

01:13:58,970 --> 01:13:55,920

is that a human do I need to be worried

1747

01:14:00,649 --> 01:13:58,980

I need to go see what this is and a

1748

01:14:03,410 --> 01:14:00,659

human happens to be there and Witnesses

1749

01:14:05,149 --> 01:14:03,420

both of them at the same time I you know

1750

01:14:09,950 --> 01:14:05,159

I'm

1751

01:14:12,350 --> 01:14:09,960

well all I can say is for certainty yes

1752

01:14:14,930 --> 01:14:12,360

orbs are being seen in areas that have

1753

01:14:18,110 --> 01:14:14,940

Bigfoot activity 100 percent

1754

01:14:20,630 --> 01:14:18,120

are they connected your guess is as good

1755

01:14:22,910 --> 01:14:20,640

as anybody else's

1756

01:14:24,590 --> 01:14:22,920

but credible sources and by the way that

1757

01:14:28,250 --> 01:14:24,600

goes all the way back to

1758

01:14:30,649 --> 01:14:28,260

I don't know if it's 1971 or 76 with uh

1759

01:14:35,149 --> 01:14:30,659

Ron Moorhead and Company out at The

1760

01:14:37,850 --> 01:14:35,159

Hunting site saw multiple uh orbs in the

1761

01:14:38,990 --> 01:14:37,860

woods including the light beam uh going

1762

01:14:43,130 --> 01:14:39,000

through the woods if you guys remember

1763

01:14:45,050 --> 01:14:43,140

that from missing 4-1-1 and uh I believe

1764

01:14:48,530 --> 01:14:45,060

Matt there are others that have seen

1765

01:14:50,870 --> 01:14:48,540

that lightsaber looking I can't remember

1766

01:14:54,890 --> 01:14:50,880

who that was going through the woods

1767

01:14:57,169 --> 01:14:54,900

correct yeah I'm trying to remember who

1768

01:14:59,270 --> 01:14:57,179

who that was

1769

01:15:01,729 --> 01:14:59,280

yeah I can't remember either we'll we'll

1770

01:15:04,130 --> 01:15:01,739

we'll we'll try to get to that but

1771

01:15:06,110 --> 01:15:04,140

um Debs has a question

1772

01:15:08,810 --> 01:15:06,120

um are there support groups for bigfoot

1773

01:15:10,490 --> 01:15:08,820

experiencers who have ontological shocks

1774

01:15:14,510 --> 01:15:10,500

so we got a little EXO academianism

1775

01:15:16,250 --> 01:15:14,520

right there Nathan Hale EXO and and

1776

01:15:18,590 --> 01:15:16,260

Julie actually answered that question

1777

01:15:20,209 --> 01:15:18,600

that Dr Simeon Hein has a group that

1778

01:15:23,570 --> 01:15:20,219

meet every other Thursday but do you

1779

01:15:25,430 --> 01:15:23,580

know of another group of uh Matt I do

1780

01:15:29,450 --> 01:15:25,440

not

1781

01:15:32,570 --> 01:15:29,460

um okay I I would love to see it happen

1782

01:15:34,970 --> 01:15:32,580

um I think that is a huge part of it I

1783

01:15:37,490 --> 01:15:34,980

mean I've had so many guests on my show

1784

01:15:40,130 --> 01:15:37,500

that could really benefit from a group

1785

01:15:45,770 --> 01:15:42,350

um sometimes as a matter of fact there

1786

01:15:48,649 --> 01:15:45,780

was uh one guest I had on my show and

1787

01:15:50,390 --> 01:15:48,659

and this isn't uh necessarily Bigfoot

1788

01:15:52,310 --> 01:15:50,400

related

1789

01:15:54,470 --> 01:15:52,320

the things that she was sharing with me

1790

01:15:55,490 --> 01:15:54,480

I asked her

1791

01:15:59,090 --> 01:15:55,500

um

1792

01:16:01,310 --> 01:15:59,100

have you or do you believe you've been

1793

01:16:03,709 --> 01:16:01,320

abducted

1794

01:16:06,050 --> 01:16:03,719

and she said yes

1795

01:16:07,970 --> 01:16:06,060

and at that point

1796

01:16:09,950 --> 01:16:07,980

I kind of froze

1797

01:16:12,890 --> 01:16:09,960

and I was just like you know I'm just

1798

01:16:14,750 --> 01:16:12,900

gonna have to stop that direction of

1799

01:16:16,250 --> 01:16:14,760

conversation right now it's no offense

1800

01:16:18,470 --> 01:16:16,260

to you I'm not saying I don't believe

1801

01:16:23,330 --> 01:16:18,480

you or anything like that but like

1802

01:16:26,390 --> 01:16:23,340

that's something that I have no uh way

1803

01:16:28,990 --> 01:16:26,400

of helping with you know that that calls

1804

01:16:31,370 --> 01:16:29,000

for people that know what they're doing

1805

01:16:33,290 --> 01:16:31,380

uh these people

1806

01:16:35,209 --> 01:16:33,300

regardless of if you believe their

1807

01:16:37,729 --> 01:16:35,219

stories or not are going through

1808

01:16:40,610 --> 01:16:37,739

something extremely emotional

1809

01:16:43,850 --> 01:16:40,620

psychological traumatizing

1810

01:16:47,330 --> 01:16:43,860

and I really wish we had

1811

01:16:51,050 --> 01:16:47,340

uh people that you know professionals to

1812

01:16:52,850 --> 01:16:51,060

help these people to listen to them uh

1813

01:16:55,250 --> 01:16:52,860

even if they don't necessarily believe

1814

01:16:56,990 --> 01:16:55,260

them just to help them with the trauma

1815

01:16:59,990 --> 01:16:57,000

of what they've experienced and

1816

01:17:02,030 --> 01:17:00,000

encountered and having to cope with that

1817

01:17:03,470 --> 01:17:02,040

uh even if they haven't shared their

1818

01:17:05,270 --> 01:17:03,480

story sometimes I believe it can be more

1819

01:17:07,189 --> 01:17:05,280

traumatizing for the person not to share

1820

01:17:08,330 --> 01:17:07,199

their experience and have to keep it

1821

01:17:10,669 --> 01:17:08,340

bottled up

1822

01:17:13,070 --> 01:17:10,679

living with that anxiety and that fear

1823

01:17:15,050 --> 01:17:13,080

of what would people think if they knew

1824

01:17:17,330 --> 01:17:15,060

yeah

1825

01:17:19,010 --> 01:17:17,340

we've heard that in the UFO Community as

1826

01:17:21,530 --> 01:17:19,020

well and I want to

1827

01:17:23,689 --> 01:17:21,540

if I want to say to the audience here if

1828

01:17:25,550 --> 01:17:23,699

you've had something like that a Bigfoot

1829

01:17:27,830 --> 01:17:25,560

experience that you find traumatizing

1830

01:17:32,209 --> 01:17:27,840

you see the Twitter handle on the screen

1831

01:17:35,570 --> 01:17:32,219

at a study of UAP she has a UAP medical

1832

01:17:37,370 --> 01:17:35,580

Coalition I'm pretty certain Debs has

1833

01:17:40,910 --> 01:17:37,380

somebody there that you can talk to

1834

01:17:43,130 --> 01:17:40,920

that's either an experimenter that's in

1835

01:17:45,590 --> 01:17:43,140

the in the medical or psychological

1836

01:17:48,530 --> 01:17:45,600

profession which Deb is

1837

01:17:50,689 --> 01:17:48,540

and would be happy to speak with you if

1838

01:17:53,209 --> 01:17:50,699

you don't have somewhere to go I am

1839

01:17:55,669 --> 01:17:53,219

positive that Deb will speak to you so

1840

01:17:57,350 --> 01:17:55,679

hit her up on Twitter and we'll have her

1841

01:18:00,470 --> 01:17:57,360

information for the UAP medical

1842

01:18:02,450 --> 01:18:00,480

Coalition in the show notes uh their

1843

01:18:03,830 --> 01:18:02,460

website whatever their contact info

1844

01:18:06,470 --> 01:18:03,840

it'll be in the show notes of this

1845

01:18:09,890 --> 01:18:08,209

um

1846

01:18:11,570 --> 01:18:09,900

Nathan is it your turn or my turn

1847

01:18:13,610 --> 01:18:11,580

because I don't know I was going to ask

1848

01:18:16,430 --> 01:18:13,620

a question uh you know we had John and

1849

01:18:18,709 --> 01:18:16,440

and uh John Dover and Stan Milford on

1850

01:18:23,149 --> 01:18:18,719

and you know Matt you were a little bit

1851

01:18:26,149 --> 01:18:23,159

of part of that too I think but uh the

1852

01:18:28,189 --> 01:18:26,159

the cool thing about that for me

1853

01:18:30,110 --> 01:18:28,199

was the degree to which there was more

1854

01:18:33,110 --> 01:18:30,120

of an official connection

1855

01:18:35,990 --> 01:18:33,120

with uh in the investigation that they

1856

01:18:38,630 --> 01:18:36,000

had been tasked by their superiors to

1857

01:18:40,850 --> 01:18:38,640

look into this stuff and I was wondering

1858

01:18:43,970 --> 01:18:40,860

in in the kind of Sasquatch Community

1859

01:18:47,689 --> 01:18:43,980

you know is there there been instances

1860

01:18:49,610 --> 01:18:47,699

where the or any agency has kind of

1861

01:18:51,770 --> 01:18:49,620

gotten close to

1862

01:18:53,510 --> 01:18:51,780

uh

1863

01:18:55,430 --> 01:18:53,520

giving some sort of official

1864

01:18:57,350 --> 01:18:55,440

acknowledgment that there's a there

1865

01:18:59,270 --> 01:18:57,360

there is there any kind of

1866

01:19:01,729 --> 01:18:59,280

you know historical document that

1867

01:19:04,910 --> 01:19:01,739

references this uh in any way like what

1868

01:19:08,030 --> 01:19:04,920

what are some of the stories there

1869

01:19:10,610 --> 01:19:08,040

I mean you've got a couple places you

1870

01:19:12,649 --> 01:19:10,620

know Washington comes to mind instantly

1871

01:19:14,810 --> 01:19:12,659

you know they did pass a law protecting

1872

01:19:16,610 --> 01:19:14,820

these things

1873

01:19:18,290 --> 01:19:16,620

um I believe there's a couple other

1874

01:19:20,209 --> 01:19:18,300

places around the United States that

1875

01:19:21,770 --> 01:19:20,219

have similar laws

1876

01:19:24,950 --> 01:19:21,780

most of it's kind of done

1877

01:19:26,630 --> 01:19:24,960

tongue-in-cheek I believe even the

1878

01:19:27,830 --> 01:19:26,640

Washington law was enacted on April

1879

01:19:31,070 --> 01:19:27,840

Fool's Day

1880

01:19:32,930 --> 01:19:31,080

now is that a way to do it and make it

1881

01:19:34,490 --> 01:19:32,940

look like they're not doing it you know

1882

01:19:37,490 --> 01:19:34,500

who knows

1883

01:19:39,290 --> 01:19:37,500

um you have uh the hair samples that I

1884

01:19:40,550 --> 01:19:39,300

believe it was Peter burnson and the FBI

1885

01:19:42,530 --> 01:19:40,560

in the 70s

1886

01:19:44,689 --> 01:19:42,540

where they did look at them and

1887

01:19:46,550 --> 01:19:44,699

everything and those documents are

1888

01:19:50,570 --> 01:19:46,560

available on the internet you know they

1889

01:19:53,750 --> 01:19:50,580

didn't conclude anything obviously

1890

01:19:56,750 --> 01:19:53,760

um I've talked to uh

1891

01:19:59,750 --> 01:19:56,760

at least one park ranger personally

1892

01:20:04,070 --> 01:19:59,760

that you know acknowledge these things

1893

01:20:06,290 --> 01:20:04,080

um existing not but not you know on an

1894

01:20:09,530 --> 01:20:06,300

official level just you know like I'll

1895

01:20:13,970 --> 01:20:09,540

deny it if you ever ask but yeah

1896

01:20:16,430 --> 01:20:13,980

um but as far as like any sort of

1897

01:20:19,669 --> 01:20:16,440

uh law enforcement or government group

1898

01:20:22,370 --> 01:20:19,679

just coming out and you know backing

1899

01:20:25,250 --> 01:20:22,380

Witnesses or anything like that nothing

1900

01:20:28,910 --> 01:20:25,260

really comes to mind that they can't

1901

01:20:30,950 --> 01:20:28,920

readily dismiss or deny

1902

01:20:32,930 --> 01:20:30,960

mm-hmm

1903

01:20:35,030 --> 01:20:32,940

yeah I mean I just know how much of a

1904

01:20:37,370 --> 01:20:35,040

difference that makes and DJ alluded to

1905

01:20:40,250 --> 01:20:37,380

this right at the beginning of the show

1906

01:20:41,870 --> 01:20:40,260

just that we've gotten

1907

01:20:43,910 --> 01:20:41,880

numerous

1908

01:20:48,050 --> 01:20:43,920

you know sort of acknowledgments to the

1909

01:20:51,830 --> 01:20:48,060

reality of UFOs and UAP it's risen up to

1910

01:20:53,510 --> 01:20:51,840

the level of Congress now and uh you

1911

01:20:55,850 --> 01:20:53,520

know it's just it's frustrating it has

1912

01:20:58,250 --> 01:20:55,860

to be frustrating for those that have

1913

01:21:02,390 --> 01:20:58,260

had these experiences and to just not

1914

01:21:04,310 --> 01:21:02,400

have validation from the agencies or you

1915

01:21:05,930 --> 01:21:04,320

know authorities in our society that we

1916

01:21:09,530 --> 01:21:05,940

would generally look to for that kind of

1917

01:21:10,390 --> 01:21:09,540

validation yeah is that is that a

1918

01:21:12,050 --> 01:21:10,400

possibility

1919

01:21:14,630 --> 01:21:12,060

[Applause]

1920

01:21:17,750 --> 01:21:14,640

it depends on

1921

01:21:22,970 --> 01:21:17,760

what we do ourselves in the private

1922

01:21:25,430 --> 01:21:22,980

sector if we go out and get video

1923

01:21:28,729 --> 01:21:25,440

showing one of these things doing

1924

01:21:30,830 --> 01:21:28,739

something that a human can't do if a

1925

01:21:32,810 --> 01:21:30,840

truck driver smacks one

1926

01:21:33,830 --> 01:21:32,820

you know going down a Logging Road or

1927

01:21:35,810 --> 01:21:33,840

something

1928

01:21:38,270 --> 01:21:35,820

uh

1929

01:21:41,149 --> 01:21:38,280

certain situations where

1930

01:21:42,290 --> 01:21:41,159

a body could be presented

1931

01:21:45,169 --> 01:21:42,300

um

1932

01:21:46,810 --> 01:21:45,179

where they couldn't deny it or they

1933

01:21:49,689 --> 01:21:46,820

couldn't cover it up

1934

01:21:54,410 --> 01:21:49,699

then that day would happen

1935

01:21:56,689 --> 01:21:54,420

outside of that for some reason

1936

01:21:59,090 --> 01:21:56,699

they've hit it this long I don't know

1937

01:22:01,490 --> 01:21:59,100

why they would ever

1938

01:22:04,310 --> 01:22:01,500

finally come forward and say yeah I mean

1939

01:22:06,709 --> 01:22:04,320

with UFOs uaps

1940

01:22:09,290 --> 01:22:06,719

they can't deny it anymore something's

1941

01:22:12,410 --> 01:22:09,300

going on obviously something was going

1942

01:22:16,970 --> 01:22:12,420

on beforehand you know

1943

01:22:18,950 --> 01:22:16,980

as DJ can tell you I'm sure uh by the

1944

01:22:20,030 --> 01:22:18,960

time we hear about something from the

1945

01:22:23,209 --> 01:22:20,040

government

1946

01:22:24,470 --> 01:22:23,219

it's been in the works for decades I was

1947

01:22:25,970 --> 01:22:24,480

just reading an article the other day

1948

01:22:28,970 --> 01:22:25,980

that was talking about

1949

01:22:32,689 --> 01:22:28,980

uh some drone program that they're using

1950

01:22:35,149 --> 01:22:32,699

back in the 60s or 50s even uh to you

1951

01:22:39,229 --> 01:22:35,159

know and we're just now getting our

1952

01:22:41,270 --> 01:22:39,239

hands on drones in the public uh I don't

1953

01:22:43,610 --> 01:22:41,280

that's really what bothers me the most

1954

01:22:46,250 --> 01:22:43,620

about the UFO I'm one of those people

1955

01:22:49,970 --> 01:22:46,260

who has always been interested in the

1956

01:22:52,669 --> 01:22:49,980

UFO phenomenon but never had

1957

01:22:55,189 --> 01:22:52,679

an open door to get involved or you know

1958

01:22:59,450 --> 01:22:55,199

really talk to people about it got one

1959

01:23:01,910 --> 01:22:59,460

now yeah but uh whenever they finally

1960

01:23:04,189 --> 01:23:01,920

came out whenever I first saw the

1961

01:23:06,770 --> 01:23:04,199

article about the gimbal footage

1962

01:23:09,050 --> 01:23:06,780

I was like are you kidding me this is

1963

01:23:10,130 --> 01:23:09,060

actually happening I mean whenever you

1964

01:23:12,050 --> 01:23:10,140

got

1965

01:23:13,850 --> 01:23:12,060

all the major news networks doing

1966

01:23:14,750 --> 01:23:13,860

stories on it and they're not making a

1967

01:23:16,729 --> 01:23:14,760

joke

1968

01:23:19,490 --> 01:23:16,739

you know this is a real thing they're

1969

01:23:22,070 --> 01:23:19,500

acknowledging it that happened and it

1970

01:23:24,110 --> 01:23:22,080

blew my mind I couldn't believe it

1971

01:23:26,810 --> 01:23:24,120

and I look around

1972

01:23:29,270 --> 01:23:26,820

and Society is just

1973

01:23:31,669 --> 01:23:29,280

when's the new iPhone coming out you

1974

01:23:34,310 --> 01:23:31,679

know did you get your Yeezys like they

1975

01:23:36,350 --> 01:23:34,320

don't care they don't everybody always

1976

01:23:38,149 --> 01:23:36,360

talk all those years you know well

1977

01:23:40,970 --> 01:23:38,159

they're doing it for our own safety

1978

01:23:42,470 --> 01:23:40,980

people would go nuts they would lose

1979

01:23:44,270 --> 01:23:42,480

their minds if the government ever

1980

01:23:47,209 --> 01:23:44,280

acknowledged it well here they are

1981

01:23:50,810 --> 01:23:47,219

nobody lost their minds

1982

01:23:52,310 --> 01:23:50,820

um but my question is why why are they

1983

01:23:55,370 --> 01:23:52,320

acknowledging it now

1984

01:23:57,350 --> 01:23:55,380

there's got to be something we don't

1985

01:23:59,270 --> 01:23:57,360

know there has to be

1986

01:24:00,890 --> 01:23:59,280

to it to a degree because there's still

1987

01:24:03,530 --> 01:24:00,900

a lot of people that don't believe it

1988

01:24:05,870 --> 01:24:03,540

and you still haven't had it in a fit

1989

01:24:08,330 --> 01:24:05,880

you haven't had that press conference

1990

01:24:10,850 --> 01:24:08,340

that tells the entirety you know where

1991

01:24:14,270 --> 01:24:10,860

it's on every Cable News Channel at the

1992

01:24:16,970 --> 01:24:14,280

same time acknowledging it and we've

1993

01:24:19,130 --> 01:24:16,980

talked about this so we've basically

1994

01:24:21,530 --> 01:24:19,140

talked about this in the UFO context the

1995

01:24:23,390 --> 01:24:21,540

same way Nathan just asked you what's it

1996

01:24:24,950 --> 01:24:23,400

going to take and somebody in the chat

1997

01:24:29,510 --> 01:24:24,960

asks you that as well I think it might

1998

01:24:31,790 --> 01:24:29,520

have been Tim Halloran but um uh we've

1999

01:24:35,870 --> 01:24:31,800

said and I think Nathan and Debs agree

2000

01:24:38,930 --> 01:24:35,880

if you have an irrefutable contact in

2001

01:24:40,790 --> 01:24:38,940

situation where live news it's on

2002

01:24:42,169 --> 01:24:40,800

whomever your favorite cable news

2003

01:24:43,729 --> 01:24:42,179

channel is because that's the only one

2004

01:24:46,130 --> 01:24:43,739

that people are going to believe is the

2005

01:24:49,370 --> 01:24:46,140

one they like or their local news in

2006

01:24:52,130 --> 01:24:49,380

some cases uh that have a live feed of

2007

01:24:54,530 --> 01:24:52,140

this craft and then they're gonna say

2008

01:24:56,870 --> 01:24:54,540

okay now you we can't deny it because it

2009

01:24:59,330 --> 01:24:56,880

was on everything and I think it would

2010

01:25:01,669 --> 01:24:59,340

take the same thing with with Bigfoot in

2011

01:25:03,709 --> 01:25:01,679

my opinion well fortunately we live in a

2012

01:25:06,530 --> 01:25:03,719

time where

2013

01:25:10,010 --> 01:25:06,540

pretty much anybody on the planet

2014

01:25:13,149 --> 01:25:10,020

can go live anytime they want to if they

2015

01:25:16,430 --> 01:25:13,159

know how that is something that I think

2016

01:25:19,610 --> 01:25:16,440

anybody studying any unexplained

2017

01:25:23,090 --> 01:25:19,620

phenomenon should educate themselves on

2018

01:25:25,090 --> 01:25:23,100

and always be able to go live at the

2019

01:25:28,669 --> 01:25:25,100

drop of a dime

2020

01:25:29,689 --> 01:25:28,679

if you can go live and get it out on the

2021

01:25:32,390 --> 01:25:29,699

internet

2022

01:25:33,709 --> 01:25:32,400

just long enough for other people to

2023

01:25:35,630 --> 01:25:33,719

snag it

2024

01:25:37,790 --> 01:25:35,640

then you don't have to worry they can't

2025

01:25:40,130 --> 01:25:37,800

shut it down there's too many people out

2026

01:25:42,050 --> 01:25:40,140

there that have it you know I've watched

2027

01:25:43,669 --> 01:25:42,060

you know there's been lots of different

2028

01:25:45,950 --> 01:25:43,679

uh

2029

01:25:49,010 --> 01:25:45,960

tragedies that have happened that have

2030

01:25:50,930 --> 01:25:49,020

been caught on video that have made it

2031

01:25:53,270 --> 01:25:50,940

to YouTube and I've watched YouTube try

2032

01:25:55,130 --> 01:25:53,280

to shut it down I used to work for an

2033

01:25:57,830 --> 01:25:55,140

actual News website

2034

01:26:01,610 --> 01:25:57,840

so I've seen it happen

2035

01:26:03,590 --> 01:26:01,620

and the people that already got copies

2036

01:26:05,030 --> 01:26:03,600

of the video and Randa Reddit and 4chan

2037

01:26:06,770 --> 01:26:05,040

and everywhere else with it YouTube

2038

01:26:08,810 --> 01:26:06,780

couldn't keep up with them

2039

01:26:10,850 --> 01:26:08,820

they did their best they you know got

2040

01:26:12,649 --> 01:26:10,860

their algorithm on it but those videos

2041

01:26:14,750 --> 01:26:12,659

are still out there they still circulate

2042

01:26:16,610 --> 01:26:14,760

you know they still exist and they can't

2043

01:26:18,770 --> 01:26:16,620

erase all of them because somebody will

2044

01:26:19,729 --> 01:26:18,780

just put a thousand more up in the next

2045

01:26:23,090 --> 01:26:19,739

hour

2046

01:26:25,550 --> 01:26:23,100

a situation like that again if you can

2047

01:26:28,970 --> 01:26:25,560

get clear footage of something happening

2048

01:26:31,729 --> 01:26:28,980

that can't be hoax that a human can't do

2049

01:26:33,410 --> 01:26:31,739

and you get it on the internet in a live

2050

01:26:36,770 --> 01:26:33,420

format

2051

01:26:39,350 --> 01:26:36,780

there's nothing they could do about it

2052

01:26:41,649 --> 01:26:39,360

and and this could I mean where we could

2053

01:26:44,390 --> 01:26:41,659

go with this is I mean we could get into

2054

01:26:46,790 --> 01:26:44,400

uh that that they're able to avoid trail

2055

01:26:49,070 --> 01:26:46,800

cams and people will still put out

2056

01:26:51,410 --> 01:26:49,080

hundreds of trail cams sure

2057

01:26:53,270 --> 01:26:51,420

um and and it's like I said to my

2058

01:26:55,370 --> 01:26:53,280

colleague at work today I said

2059

01:26:58,910 --> 01:26:55,380

I said we're standing in his cubicle and

2060

01:27:01,970 --> 01:26:58,920

I said if I took a four foot potted pine

2061

01:27:04,669 --> 01:27:01,980

tree and put it in your cubicle and you

2062

01:27:06,530 --> 01:27:04,679

came back from lunch would you notice it

2063

01:27:08,209 --> 01:27:06,540

that it's there

2064

01:27:10,510 --> 01:27:08,219

of course you would

2065

01:27:15,470 --> 01:27:10,520

and so when dudes are out in the woods

2066

01:27:18,890 --> 01:27:15,480

taking Forest you know like 1990s

2067

01:27:20,870 --> 01:27:18,900

green army camo

2068

01:27:23,629 --> 01:27:20,880

like the rain poncho and wrapping up

2069

01:27:25,910 --> 01:27:23,639

their deer blind in it

2070

01:27:28,550 --> 01:27:25,920

um and thinking that okay this is where

2071

01:27:30,290 --> 01:27:28,560

I'm gonna lay and wait for bigfoot like

2072

01:27:31,790 --> 01:27:30,300

I feel like they're gonna see that a

2073

01:27:34,310 --> 01:27:31,800

mile away they're gonna know this

2074

01:27:37,010 --> 01:27:34,320

doesn't belong here this is a synthetic

2075

01:27:39,470 --> 01:27:37,020

thing and the trail cam is and I think

2076

01:27:41,510 --> 01:27:39,480

that's why they're so successful have

2077

01:27:43,129 --> 01:27:41,520

you ever been camping

2078

01:27:46,010 --> 01:27:43,139

have I yes

2079

01:27:48,050 --> 01:27:46,020

out in nature at night

2080

01:27:50,870 --> 01:27:48,060

when it gets quiet

2081

01:27:53,209 --> 01:27:50,880

and you can hear that car on the highway

2082

01:27:55,310 --> 01:27:53,219

about six miles away

2083

01:27:58,010 --> 01:27:55,320

you think they can't hear you pull up

2084

01:28:01,070 --> 01:27:58,020

before you ever even get there

2085

01:28:04,129 --> 01:28:01,080

they don't even you know yes I agree 100

2086

01:28:07,310 --> 01:28:04,139

you know absolutely that that green

2087

01:28:10,370 --> 01:28:07,320

camouflage you know your militia outfit

2088

01:28:11,990 --> 01:28:10,380

is going to stand out like a neon light

2089

01:28:14,870 --> 01:28:12,000

in the woods to them

2090

01:28:17,750 --> 01:28:14,880

but they already heard your truck coming

2091

01:28:20,629 --> 01:28:17,760

down the road six miles ago and hauled

2092

01:28:22,850 --> 01:28:20,639

ass yeah they've already positioned

2093

01:28:25,070 --> 01:28:22,860

themselves strategically in a place

2094

01:28:27,229 --> 01:28:25,080

where they can watch you pull up

2095

01:28:29,390 --> 01:28:27,239

and you don't even know they're there

2096

01:28:33,229 --> 01:28:29,400

they're gonna see you way before you're

2097

01:28:39,470 --> 01:28:35,890

and we're going to get to that Matt

2098

01:28:42,229 --> 01:28:39,480

about how they're able to make you hear

2099

01:28:43,970 --> 01:28:42,239

them to scare you when they're

2100

01:28:46,610 --> 01:28:43,980

approaching when they want to scare you

2101

01:28:49,189 --> 01:28:46,620

away from that campsite and how they can

2102

01:28:51,590 --> 01:28:49,199

creep up to that campsite and you not

2103

01:28:53,810 --> 01:28:51,600

hear them because it defies physics but

2104

01:28:55,550 --> 01:28:53,820

before I get to that I'm going to want

2105

01:28:57,290 --> 01:28:55,560

to get to the lbl a little bit and just

2106

01:28:59,450 --> 01:28:57,300

get your take on that but before I do

2107

01:29:02,350 --> 01:28:59,460

that I want to get to Alex midnight

2108

01:29:05,110 --> 01:29:02,360

Walker our friend from North Georgia

2109

01:29:08,810 --> 01:29:05,120

Nathan shout out

2110

01:29:11,830 --> 01:29:08,820

who is able to apparently he's

2111

01:29:15,169 --> 01:29:11,840

communicated in Spanish

2112

01:29:17,390 --> 01:29:15,179

and he has documented some of their

2113

01:29:20,629 --> 01:29:17,400

words that he believes he knows what

2114

01:29:21,410 --> 01:29:20,639

some of the words that they use mean

2115

01:29:23,810 --> 01:29:21,420

um

2116

01:29:27,050 --> 01:29:23,820

and that he he's going out in the woods

2117

01:29:29,209 --> 01:29:27,060

playing guitar and by the way Nathan my

2118

01:29:34,910 --> 01:29:29,219

brother is going out to these areas

2119

01:29:37,970 --> 01:29:34,920

alone and yes yes sir so give us your T

2120

01:29:40,610 --> 01:29:37,980

give the audience uh something some some

2121

01:29:42,649 --> 01:29:40,620

info on uh Alex midnight Walker and your

2122

01:29:46,370 --> 01:29:42,659

take please

2123

01:29:49,189 --> 01:29:46,380

again I don't know the guy personally uh

2124

01:29:53,830 --> 01:29:49,199

he's been around for a very long time

2125

01:29:57,610 --> 01:29:53,840

I found the Spanish aspect interesting

2126

01:30:01,910 --> 01:29:57,620

uh solely based on

2127

01:30:03,890 --> 01:30:01,920

a woman who is a member of the Wichita

2128

01:30:06,410 --> 01:30:03,900

Tribe here in Oklahoma

2129

01:30:09,709 --> 01:30:06,420

uh once told me

2130

01:30:13,669 --> 01:30:09,719

that they speak whatever language

2131

01:30:15,709 --> 01:30:13,679

the people of that area speak

2132

01:30:17,950 --> 01:30:15,719

okay now

2133

01:30:20,629 --> 01:30:17,960

how would the Bigfoot learn the language

2134

01:30:22,930 --> 01:30:20,639

that's what I want to know

2135

01:30:28,250 --> 01:30:22,940

language has to be taught

2136

01:30:30,350 --> 01:30:28,260

uh learned by uh being encompassed in it

2137

01:30:32,209 --> 01:30:30,360

on a daily basis

2138

01:30:35,149 --> 01:30:32,219

you know you can obviously pick up a

2139

01:30:36,590 --> 01:30:35,159

language that way but otherwise if I

2140

01:30:40,430 --> 01:30:36,600

want to learn

2141

01:30:43,970 --> 01:30:40,440

Spanish I have to take Spanish it has to

2142

01:30:46,610 --> 01:30:43,980

be taught to me so how would a Bigfoot

2143

01:30:48,110 --> 01:30:46,620

know Spanish

2144

01:30:49,910 --> 01:30:48,120

unless

2145

01:30:53,629 --> 01:30:49,920

there's something more going on

2146

01:30:56,990 --> 01:30:53,639

involving psychic phenomenon

2147

01:31:02,450 --> 01:30:57,000

and if that's the case

2148

01:31:05,870 --> 01:31:04,729

it you know it still could be Rosetta

2149

01:31:07,189 --> 01:31:05,880

Stone you don't know that they don't

2150

01:31:12,470 --> 01:31:07,199

have a subscription

2151

01:31:16,330 --> 01:31:12,480

so okay okay that's fair that's fair

2152

01:31:19,610 --> 01:31:16,340

or Babel on their smart device anyway

2153

01:31:22,450 --> 01:31:19,620

I'm sorry all right

2154

01:31:25,850 --> 01:31:22,460

um all right so yeah

2155

01:31:28,129 --> 01:31:25,860

Nathan all right so Matt we've you know

2156

01:31:30,709 --> 01:31:28,139

what like because yeah I could just I

2157

01:31:33,410 --> 01:31:30,719

could just keep going so I think we just

2158

01:31:34,970 --> 01:31:33,420

gotta have you back for a part two so we

2159

01:31:37,729 --> 01:31:34,980

can get through the rest of the stuff

2160

01:31:41,689 --> 01:31:37,739

Matt is is that okay with you what's

2161

01:31:42,770 --> 01:31:41,699

yours man anytime okay that's awesome I

2162

01:31:44,510 --> 01:31:42,780

mean there are a lot of shows we do

2163

01:31:46,250 --> 01:31:44,520

where an hour and a half goes by and

2164

01:31:49,430 --> 01:31:46,260

we're like hey we could do another hour

2165

01:31:51,110 --> 01:31:49,440

and a half oh yeah just easily uh so

2166

01:31:52,610 --> 01:31:51,120

it's it's Matt's it's been a real

2167

01:31:54,110 --> 01:31:52,620

pleasure not just chatting with you

2168

01:31:56,930 --> 01:31:54,120

tonight but getting to know a little bit

2169

01:31:58,850 --> 01:31:56,940

over the last uh several weeks uh you've

2170

01:32:00,830 --> 01:31:58,860

been gracious enough with your time to

2171

01:32:02,810 --> 01:32:00,840

be a part of our show in various ways

2172

01:32:05,510 --> 01:32:02,820

and uh we look forward to that

2173

01:32:08,030 --> 01:32:05,520

partnership continuing to grow

2174

01:32:10,129 --> 01:32:08,040

um it's fascinating stuff I mean I think

2175

01:32:12,410 --> 01:32:10,139

I was into Bigfoot stuff before I was

2176
01:32:16,370 --> 01:32:12,420
into UFOs and then I kind of it just

2177
01:32:17,990 --> 01:32:16,380
sort of faded off into a into my mind I

2178
01:32:20,030 --> 01:32:18,000
didn't think about it much anymore and

2179
01:32:24,229 --> 01:32:20,040
until recently and and I knew someone

2180
01:32:25,970 --> 01:32:24,239
who uh had a UFO experience who had UFO

2181
01:32:29,090 --> 01:32:25,980
experiences but also had difficult

2182
01:32:31,850 --> 01:32:29,100
experiences and uh that really kind of

2183
01:32:33,410 --> 01:32:31,860
sparked my interest and I think also

2184
01:32:35,090 --> 01:32:33,420
speaks to the fact that some of the

2185
01:32:37,550 --> 01:32:35,100
things that we've talked about earlier

2186
01:32:39,709 --> 01:32:37,560
that for folks who've had strange

2187
01:32:41,689 --> 01:32:39,719
experiences and they've already made

2188
01:32:44,149 --> 01:32:41,699

some of those known they may not want to

2189

01:32:47,930 --> 01:32:44,159

make all of them known because the

2190

01:32:49,729 --> 01:32:47,940

stigma right uh so it's uh it's it's

2191

01:32:52,610 --> 01:32:49,739

tough and I really admire the work that

2192

01:32:53,930 --> 01:32:52,620

you're doing and and having a place for

2193

01:32:55,729 --> 01:32:53,940

folks to tell their stories it's it's

2194

01:32:58,490 --> 01:32:55,739

really important and Powerful

2195

01:32:59,930 --> 01:32:58,500

yeah I think we should quit you know you

2196

01:33:03,649 --> 01:32:59,940

know like I started out saying at the

2197

01:33:05,510 --> 01:33:03,659

very beginning uh how we have to put

2198

01:33:07,970 --> 01:33:05,520

things into different groups to make it

2199

01:33:12,050 --> 01:33:07,980

make sense for us I think we got to stop

2200

01:33:14,450 --> 01:33:12,060

doing that you know uh people who are

2201

01:33:15,709 --> 01:33:14,460

having experiences regardless of what it

2202

01:33:18,050 --> 01:33:15,719

is

2203

01:33:19,910 --> 01:33:18,060

they're still people and they're still

2204

01:33:23,149 --> 01:33:19,920

having the same emotions and the same

2205

01:33:26,510 --> 01:33:23,159

trauma and you know all the same issues

2206

01:33:29,709 --> 01:33:26,520

so you know the the UFO group The UAP

2207

01:33:32,350 --> 01:33:29,719

group of people the community absolutely

2208

01:33:35,570 --> 01:33:32,360

uh the Bigfoot Community needs your help

2209

01:33:38,149 --> 01:33:35,580

uh we all need each other same way with

2210

01:33:41,390 --> 01:33:38,159

the Paranormal Community it

2211

01:33:43,850 --> 01:33:41,400

it's all connected whether you want to

2212

01:33:45,530 --> 01:33:43,860

believe the subject specifically are

2213

01:33:48,169 --> 01:33:45,540

connected or not

2214

01:33:52,910 --> 01:33:48,179

the impact it has on people who

2215

01:33:59,570 --> 01:33:56,390

yeah um you're absolutely right and it's

2216

01:34:02,390 --> 01:33:59,580

one of the things that we Endeavor to do

2217

01:34:04,129 --> 01:34:02,400

um I don't I mean as far as you know we

2218

01:34:07,250 --> 01:34:04,139

didn't have this in our initial our

2219

01:34:09,470 --> 01:34:07,260

original plan of of the show and our

2220

01:34:12,890 --> 01:34:09,480

original concept but it got to that

2221

01:34:15,649 --> 01:34:12,900

because Nathan sent me an episode of a

2222

01:34:17,810 --> 01:34:15,659

Bigfoot podcast and then I was like oh

2223

01:34:19,129 --> 01:34:17,820

my God I just couldn't believe it you

2224

01:34:22,189 --> 01:34:19,139

know I was like wow

2225

01:34:23,930 --> 01:34:22,199

So yeah thank you for thank you Tim and

2226

01:34:26,629 --> 01:34:23,940

thank you for everybody that chipped in

2227

01:34:29,209 --> 01:34:26,639

uh and asked questions so I'm sorry we

2228

01:34:31,490 --> 01:34:29,219

couldn't get to them all uh we will have

2229

01:34:33,110 --> 01:34:31,500

Matt I mean Matt is basically he's a

2230

01:34:35,750 --> 01:34:33,120

part of cab fam he's our Bigfoot

2231

01:34:38,570 --> 01:34:35,760

correspondent and he's also gonna uh

2232

01:34:42,709 --> 01:34:38,580

guest co-host with us uh when he wants

2233

01:34:44,330 --> 01:34:42,719

to uh and so you know you will see Matt

2234

01:34:47,090 --> 01:34:44,340

on the show but I want to have him back

2235

01:34:49,430 --> 01:34:47,100

for this style of a you know maybe even

2236

01:34:51,590 --> 01:34:49,440

a we could do like a Fireside next time

2237

01:34:54,410 --> 01:34:51,600

if you want to do that so that what we

2238

01:34:56,149 --> 01:34:54,420

can do with the Fireside Matt uh the uh

2239

01:34:57,890 --> 01:34:56,159

the fireside chat and you'll see like a

2240

01:34:59,990 --> 01:34:57,900

little fireplace in the background that

2241

01:35:02,450 --> 01:35:00,000

Nathan creates but what it'll be is

2242

01:35:04,729 --> 01:35:02,460

we'll all kick around topics we'll we'll

2243

01:35:07,189 --> 01:35:04,739

pick one you'll bring a topic I'll bring

2244

01:35:09,590 --> 01:35:07,199

a topic Nathan will bring a topic uh

2245

01:35:11,629 --> 01:35:09,600

Debs whomever uh Leah and then it'll

2246

01:35:14,030 --> 01:35:11,639

just kind of everyone will go around the

2247

01:35:17,149 --> 01:35:14,040

table so we could do that in in addition

2248

01:35:18,649 --> 01:35:17,159

to an interview with you yeah uh Nathan

2249

01:35:22,669 --> 01:35:18,659

has to promise to bring marshmallows

2250

01:35:25,070 --> 01:35:22,679

next time you got it man you got it yeah

2251

01:35:27,890 --> 01:35:25,080

it's an honor to have you on Matt but

2252

01:35:30,770 --> 01:35:27,900

it's even more uh of an honor to call

2253

01:35:33,830 --> 01:35:30,780

you friend and to have you collaborate

2254

01:35:36,590 --> 01:35:33,840

uh with us on cab so thank you very much

2255

01:35:40,850 --> 01:35:36,600

Matt uh the Honor's all mine man I I've

2256

01:35:43,250 --> 01:35:40,860

been so so happy to have you know met

2257

01:35:44,709 --> 01:35:43,260

you and become friends with you and you

2258

01:35:48,410 --> 01:35:44,719

know you're introducing me to this

2259

01:35:51,410 --> 01:35:48,420

wonderful group of people uh a Wonderful

2260

01:35:55,070 --> 01:35:51,420

World you know like you said well you've

2261

01:35:58,129 --> 01:35:55,080

opened that UFO door for me finally but

2262

01:35:59,990 --> 01:35:58,139

uh you know this sort of networking and

2263

01:36:02,270 --> 01:36:00,000

relationships is what I've always wanted

2264

01:36:04,910 --> 01:36:02,280

to build and uh because of you it's

2265

01:36:09,649 --> 01:36:07,370

awesome brother we will get you you you

2266

01:36:11,450 --> 01:36:09,659

you've got to just tell us what guests

2267

01:36:14,330 --> 01:36:11,460

that you want that you've heard of and

2268

01:36:16,370 --> 01:36:14,340

we will endeavor Nathan and I and Deb uh

2269

01:36:19,010 --> 01:36:16,380

and believe me every one of these guys

2270

01:36:21,110 --> 01:36:19,020

can get guests like uh nobody's business

2271

01:36:24,830 --> 01:36:21,120

and we will endeavor to get you that

2272

01:36:28,610 --> 01:36:24,840

person so uh for uh Matt Knapp the the

2273

01:36:32,990 --> 01:36:28,620

Bigfoot Outlaw my brother the badass uh

2274

01:36:36,530 --> 01:36:33,000

for money Nathan for Debs for Leah Prime

2275

01:36:38,689 --> 01:36:36,540

Time and for the jewels of the wood this

2276

01:36:41,030 --> 01:36:38,699

is DJ saying peace out

2277

01:36:43,430 --> 01:36:41,040

One Love

2278

01:36:46,460 --> 01:36:43,440

we'll see you down the road we always
