a lot of people in the UFO Community

42

00:02:45,350 --> 00:02:43,379

59
00:03:35,030 --> 00:03:29,990
hurry

60
00:03:40,490 --> 00:03:38,089
hey Curry

61
00:03:42,170 --> 00:03:40,500
hey Ya

62
00:03:45,410 --> 00:03:42,180
it's a good job

63
00:03:47,630 --> 00:03:45,420

thank you DJ damn look look what I

64

00:03:47,640 --> 00:03:50,930

man smart people man

65

00:03:55,190 --> 00:03:52,970

I'm a little intimidated anytime I see

66

00:03:59,470 --> 00:03:55,200

Leia on the on the line she's she's

67

00:04:04,869 --> 00:04:02,690

well I'm like I'm like the other dumps

68

00:04:10,990 --> 00:04:04,879

this year on cab

69

00:04:15,350 --> 00:04:13,550

I have fabulous things to say about them

70

00:04:17,509 --> 00:04:15,360

as well yeah she's a fellow uh

71

00:04:19,789 --> 00:04:17,519

marylander as well so

72

00:04:21,650 --> 00:04:19,799

that's strike one Corey don't try to get

73

00:04:24,530 --> 00:04:21,660

out of that all right you got two more

74

00:04:26,150 --> 00:04:24,540

all right no I'm all kidding aside I'll

75

00:04:28,730 --> 00:04:26,160

bring the the volume and temperature

76

00:04:31,370 --> 00:04:28,740

down it is an honor to have you we do

77

00:04:34,370 --> 00:04:31,380

like to bring people on who just have

78

00:04:36,530 --> 00:04:34,380

these really interesting perspectives uh

79

00:04:38,930 --> 00:04:36,540

on the phenomenon and I've I've

80

00:04:41,990 --> 00:04:38,940

basically marketed this as in this 60

81

00:04:44,870 --> 00:04:42,000

Minute block right here uh Corey will

82

00:04:46,189 --> 00:04:44,880

explain to you everything that UFOs and

83

00:04:47,990 --> 00:04:46,199

the phenomenon are about and you'll

84

00:04:49,249 --> 00:04:48,000

leave with just Oodles of knowledge that

85

00:04:51,050 --> 00:04:49,259

you never had you'll you'll have no

86

00:04:53,570 --> 00:04:51,060

questions left

87

00:04:55,909 --> 00:04:53,580

I I feel sorry for anyone that believes

88

00:05:02,330 --> 00:04:57,950

until disclosure was happening

89

00:05:02,340 --> 00:05:05,810

not leading into this man

90

00:05:10,430 --> 00:05:08,390

I'm out man I'm out this is the

91

00:05:12,230 --> 00:05:10,440

disclosure right here this is it by the

92

00:05:14,629 --> 00:05:12,240

way before we go any further I just want

93

00:05:16,550 --> 00:05:14,639

to let people know uh money Nathan uh

94

00:05:18,350 --> 00:05:16,560

the executive producer and technical

95

00:05:20,870 --> 00:05:18,360

director of this joint and

96

00:05:23,330 --> 00:05:20,880

co-conspirator in the creation of

97

00:05:25,850 --> 00:05:23,340

calling all beings is with UFO thinker

98

00:05:26,749 --> 00:05:25,860

Frank uh recording an episode today I

99

00:05:29,090 --> 00:05:26,759

don't know what they're talking about

100

00:05:30,770 --> 00:05:29,100

but I'm kind of excited about that so we

101
00:05:32,689 --> 00:05:30,780
have three cabbies here and two over

102
00:05:35,870 --> 00:05:32,699
there that's what's going down today so

103
00:05:39,590 --> 00:05:35,880
Nathan uh Frank love you guys and uh

104
00:05:43,610 --> 00:05:39,600
we'll see you soon uh now let's get to

105
00:05:46,189 --> 00:05:43,620
it Mr Corey man you know when I get on

106
00:05:49,129 --> 00:05:46,199
the phone with you man it's like fire

107
00:05:51,110 --> 00:05:49,139
man because you can you just like start

108
00:05:54,409 --> 00:05:51,120
coming up with things man and you start

109
00:05:57,230 --> 00:05:54,419
talking about these really Grand things

110
00:05:59,390 --> 00:05:57,240
it's just amazing nature of the universe

111
00:06:01,670 --> 00:05:59,400
type things is there something that is

112
00:06:03,350 --> 00:06:01,680
tickling let's see when your ball this

113
00:06:06,409 --> 00:06:03,360

is easier because you can feel it more

114

00:06:09,590 --> 00:06:06,419

then it's tickling your brain right now

115

00:06:12,290 --> 00:06:09,600

uh you know there usually is it's like a

116

00:06:14,629 --> 00:06:12,300

some kind of an uh an Affliction that I

117

00:06:17,270 --> 00:06:14,639

have and I just can't put it down just

118

00:06:19,249 --> 00:06:17,280

can't put it down it's always been there

119

00:06:21,770 --> 00:06:19,259

I love it uh and you know what actually

120

00:06:24,469 --> 00:06:21,780

I want to start with Deb because Deb had

121

00:06:27,290 --> 00:06:24,479

an idea Deb wanted to get into you and

122

00:06:29,210 --> 00:06:27,300

find out your history right Deb so let

123

00:06:32,570 --> 00:06:29,220

me let me uh let me pass it over to Deb

124

00:06:35,450 --> 00:06:32,580

so she can get into it yeah so um

125

00:06:37,730 --> 00:06:35,460

obviously when we met we gravitated

126

00:06:39,710 --> 00:06:37,740

towards each other I don't know like we

127

00:06:41,570 --> 00:06:39,720

just instantly were like we know each

128

00:06:43,010 --> 00:06:41,580

other somehow like we're best friends I

129

00:06:44,870 --> 00:06:43,020

don't know what it is

130

00:06:48,350 --> 00:06:44,880

um there's like an automatic thing so

131

00:06:50,330 --> 00:06:48,360

but we never got into your story and

132

00:06:52,309 --> 00:06:50,340

your history and I know it's sort of

133

00:06:57,830 --> 00:06:52,319

awkward to say let's do it right now on

134

00:07:00,350 --> 00:06:58,550

um

135

00:07:03,170 --> 00:07:00,360

so where uh

136

00:07:05,749 --> 00:07:03,180

let's see where to start so I've been in

137

00:07:07,670 --> 00:07:05,759

uh really obsessed with the UFO

138

00:07:09,770 --> 00:07:07,680

phenomena my entire life

139

00:07:12,170 --> 00:07:09,780

um as long as I can remember and as long

140

00:07:14,330 --> 00:07:12,180

as I could read uh going back to

141

00:07:16,850 --> 00:07:14,340

kindergarten my father was in the Navy I

142

00:07:19,129 --> 00:07:16,860

lived in the Bay Area I was five years

143

00:07:21,050 --> 00:07:19,139

old and for some odd reason they wanted

144

00:07:22,730 --> 00:07:21,060

to put me from kindergarten and to the

145

00:07:24,770 --> 00:07:22,740

first grade when I was in the first

146

00:07:27,110 --> 00:07:24,780

grade I met this lady who acted as a

147

00:07:30,529 --> 00:07:27,120

mentor for me and a tutor her name was

148

00:07:32,570 --> 00:07:30,539

Miss Pilar and she uh I guess was an

149

00:07:35,270 --> 00:07:32,580

experiencer so at five years old I had a

150

00:07:37,249 --> 00:07:35,280

woman at Authority and a position of

151
00:07:40,070 --> 00:07:37,259
authority just kind of confirmed for me

152
00:07:41,689 --> 00:07:40,080
that they were real so

153
00:07:43,909 --> 00:07:41,699
um so throughout my life it wasn't

154
00:07:45,230 --> 00:07:43,919
anything that I ever questioned I always

155
00:07:47,870 --> 00:07:45,240
took it for granted that there was

156
00:07:51,050 --> 00:07:47,880
something being held back from us

157
00:07:55,070 --> 00:07:51,060
um so she she set me off and uh and as a

158
00:07:57,409 --> 00:07:55,080
kid I basically tried to watch read and

159
00:07:59,450 --> 00:07:57,419
listen to anything I could that had

160
00:08:04,730 --> 00:07:59,460
anything to do with UFOs and not only

161
00:08:06,950 --> 00:08:04,740
UFOs big foot uh ndes uh you know what

162
00:08:08,809 --> 00:08:06,960
yeah

163
00:08:11,150 --> 00:08:08,819

um and then after you get in you get

164

00:08:13,070 --> 00:08:11,160

into that then you start getting into uh

165

00:08:15,469 --> 00:08:13,080

philosophy that you get into religion

166

00:08:17,809 --> 00:08:15,479

and then you get into gnosticism and you

167

00:08:20,570 --> 00:08:17,819

start going further and further

168

00:08:22,490 --> 00:08:20,580

um and then you come across genetics

169

00:08:24,589 --> 00:08:22,500

so I'm kind of thankful for the fond

170

00:08:27,290 --> 00:08:24,599

phenomena because it's kind of afforded

171

00:08:30,110 --> 00:08:27,300

me this education in all of these you

172

00:08:31,850 --> 00:08:30,120

know broad kind of topics

173

00:08:34,490 --> 00:08:31,860

you know Corey when you talk about

174

00:08:35,870 --> 00:08:34,500

gnosticism I'm thinking of nitrous oxide

175

00:08:38,029 --> 00:08:35,880

you know you use when you want to make

176

00:08:40,250 --> 00:08:38,039

your car go faster in concert with like

177

00:08:41,990 --> 00:08:40,260

a supercharger is that what Nas

178

00:08:45,110 --> 00:08:42,000

gnosticism is

179

00:08:48,590 --> 00:08:45,120

so uh and Leia probably has a lot on

180

00:08:50,210 --> 00:08:48,600

this Leah uh so so

181

00:08:53,030 --> 00:08:50,220

gnosis

182

00:08:55,730 --> 00:08:53,040

um so a lot of people will know that you

183

00:08:59,210 --> 00:08:55,740

know gnosticism is

184

00:09:01,790 --> 00:08:59,220

um it's a belief system where they the

185

00:09:05,509 --> 00:09:01,800

best way to say it is they look at the

186

00:09:08,090 --> 00:09:05,519

the Old Testament as the the demiurge so

187

00:09:12,410 --> 00:09:08,100

the the the god that they were talking

188

00:09:15,889 --> 00:09:12,420

to in the garden uh was actually an

189

00:09:17,750 --> 00:09:15,899

oppressor and the snake was there to

190

00:09:21,110 --> 00:09:17,760

liberate them if you will to give them

191

00:09:23,389 --> 00:09:21,120

uh the fruit so they could be like Gods

192

00:09:25,130 --> 00:09:23,399

so the gnostics have a really different

193

00:09:26,930 --> 00:09:25,140

take on

194

00:09:29,210 --> 00:09:26,940

um on Christian theology which I find

195

00:09:31,430 --> 00:09:29,220

really interesting

196

00:09:33,530 --> 00:09:31,440

I'll tell you what man this brother is

197

00:09:35,030 --> 00:09:33,540

what I call learned Leia Prime man go

198

00:09:37,670 --> 00:09:35,040

for it

199

00:09:40,310 --> 00:09:37,680

yes it was I first of all I'm totally on

200

00:09:41,570 --> 00:09:40,320

team gnosticism and so many respects so

201
00:09:43,250 --> 00:09:41,580
I'm delighted to hear that you were

202
00:09:44,990 --> 00:09:43,260
informed by this

203
00:09:46,970 --> 00:09:45,000
um you know I'm it which actually leads

204
00:09:50,050 --> 00:09:46,980
me to my next question I'm always really

205
00:09:52,670 --> 00:09:50,060
fascinated by the thinkers and books and

206
00:09:55,009 --> 00:09:52,680
media and philosophies that guide people

207
00:09:56,449 --> 00:09:55,019
to where they are so Corey can you tell

208
00:09:59,210 --> 00:09:56,459
us a little bit about what thinkers or

209
00:10:02,150 --> 00:09:59,220
Works have been really formative for you

210
00:10:04,130 --> 00:10:02,160
yeah um I would say you know earlier in

211
00:10:05,870 --> 00:10:04,140
my life one of my main interests was

212
00:10:08,150 --> 00:10:05,880
always motivational speaking if you had

213
00:10:10,970 --> 00:10:08,160

asked me when uh when I was 10 years old

214

00:10:13,130 --> 00:10:10,980

12 15 18 I would have said I want to be

215

00:10:15,470 --> 00:10:13,140

a motivational speaker uh and that's

216

00:10:17,630 --> 00:10:15,480

because I realized the power of word as

217

00:10:19,730 --> 00:10:17,640

a kid I realized how people could walk

218

00:10:22,910 --> 00:10:19,740

out of a church have a completely

219

00:10:25,250 --> 00:10:22,920

different you know perspective on what

220

00:10:26,870 --> 00:10:25,260

life was you know and and who they were

221

00:10:29,690 --> 00:10:26,880

so

222

00:10:33,550 --> 00:10:29,700

um a lot of the earlier uh motivational

223

00:10:38,990 --> 00:10:33,560

speakers like Zig Ziglar uh Brian Tracy

224

00:10:41,570 --> 00:10:39,000

uh uh Les Brown uh Napoleon Hill so they

225

00:10:43,970 --> 00:10:41,580

really informed me on uh I guess you can

226

00:10:44,810 --> 00:10:43,980

say like some of the new age thought

227

00:10:47,690 --> 00:10:44,820

um

228

00:10:50,030 --> 00:10:47,700

and that I realized that all these

229

00:10:52,069 --> 00:10:50,040

things kind of dovetailed whether it was

230

00:10:54,350 --> 00:10:52,079

motivational speaking uh you know

231

00:10:58,430 --> 00:10:54,360

spirituality and religion

232

00:10:59,810 --> 00:10:58,440

um and then the phenomenon so uh but I

233

00:11:02,150 --> 00:10:59,820

want to answer your question so a couple

234

00:11:06,110 --> 00:11:02,160

of people that informed me uh

235

00:11:07,069 --> 00:11:06,120

uh obviously Jacques valet John Keel

236

00:11:10,130 --> 00:11:07,079

um

237

00:11:14,030 --> 00:11:10,140

have a actually had a had a list here uh

238

00:11:15,889 --> 00:11:14,040

sorry uh Stanton Friedman okay Stan

239

00:11:17,930 --> 00:11:15,899

Friedman and I think most of us will

240

00:11:20,030 --> 00:11:17,940

remember we were kids uh Stan Freeman

241

00:11:21,829 --> 00:11:20,040

was everywhere I was on non-solved

242

00:11:24,290 --> 00:11:21,839

Mysteries History Channel every

243

00:11:27,230 --> 00:11:24,300

documentary uh so I would say Stanton

244

00:11:32,870 --> 00:11:27,240

Freeman Richard Dolan's uh definitely

245

00:11:34,430 --> 00:11:32,880

Grant Cameron uh the Lorenzins uh and a

246

00:11:37,910 --> 00:11:34,440

lot of the uh

247

00:11:40,490 --> 00:11:37,920

the Ivan T Sanderson so a lot of the

248

00:11:43,009 --> 00:11:40,500

early ufologists who kind of helped to

249

00:11:45,769 --> 00:11:43,019

launch ufology in the 60s and the 70s

250

00:11:47,150 --> 00:11:45,779

early contact team movement wonderful

251
00:11:49,190 --> 00:11:47,160
and I'm

252
00:11:51,590 --> 00:11:49,200
I'll pass along the mic in a second but

253
00:11:54,170 --> 00:11:51,600
I'm so delighted that volume Five of

254
00:11:55,790 --> 00:11:54,180
Forbidden Science is out now by Jacques

255
00:11:58,610 --> 00:11:55,800
valet I think it just got announced like

256
00:12:00,470 --> 00:11:58,620
today or the other day wow yeah what's

257
00:12:04,430 --> 00:12:00,480
up Jack

258
00:12:09,009 --> 00:12:06,650
just kidding the other shot yeah you're

259
00:12:11,630 --> 00:12:09,019
jock with he's like the other Jacques

260
00:12:13,730 --> 00:12:11,640
that to be clear that is the real

261
00:12:15,949 --> 00:12:13,740
Jacques valet and that's where the name

262
00:12:18,650 --> 00:12:15,959
comes from the name is derived from

263
00:12:20,870 --> 00:12:18,660

obviously Jacque Valley and John Keel

264

00:12:23,990 --> 00:12:20,880

and John Keel is not as well known as

265

00:12:25,310 --> 00:12:24,000

valet uh he was a New Yorker he was I

266

00:12:27,470 --> 00:12:25,320

think he was in the air force of the

267

00:12:29,269 --> 00:12:27,480

army served in the Korean War uh he was

268

00:12:31,190 --> 00:12:29,279

so he was a correspondent he worked for

269

00:12:35,269 --> 00:12:31,200

afn

270

00:12:37,670 --> 00:12:35,279

um he actually was engaged in like

271

00:12:39,829 --> 00:12:37,680

psychological warfare during the war and

272

00:12:42,650 --> 00:12:39,839

he was a brilliant writer and he was a

273

00:12:44,150 --> 00:12:42,660

very Hands-On researcher early on and

274

00:12:46,009 --> 00:12:44,160

his books are phenomenal for people that

275

00:12:48,110 --> 00:12:46,019

haven't you know read John keel's work

276

00:12:50,569 --> 00:12:48,120

you know he's I think foundational kind

277

00:12:52,370 --> 00:12:50,579

of understanding uh what the phenomenal

278

00:12:54,590 --> 00:12:52,380

mayor would not be

279

00:12:56,569 --> 00:12:54,600

I need to do that because a lot of My

280

00:12:57,470 --> 00:12:56,579

Philosophy have been informed by works

281

00:13:00,470 --> 00:12:57,480

like

282

00:13:02,569 --> 00:13:00,480

Pippi Longstocking would be one of

283

00:13:05,629 --> 00:13:02,579

Clifford the Big Red Dog I think was

284

00:13:07,910 --> 00:13:05,639

another seminal work in my life so I'm

285

00:13:09,009 --> 00:13:07,920

glad to hear you know uh what informed

286

00:13:11,750 --> 00:13:09,019

yours

287

00:13:13,490 --> 00:13:11,760

Cat in the Hat too very cat you know

288

00:13:16,910 --> 00:13:13,500

what that one was a little tough for me

289

00:13:19,190 --> 00:13:16,920

to to digest so I probably need to need

290

00:13:20,569 --> 00:13:19,200

a reread on that uh but thank you

291

00:13:24,829 --> 00:13:20,579

because I should add that to my

292

00:13:27,829 --> 00:13:24,839

collection of of these works but

293

00:13:30,110 --> 00:13:27,839

but anyway uh shout out to Julian the

294

00:13:33,230 --> 00:13:30,120

chatter jewels of the wood from Alabama

295

00:13:35,150 --> 00:13:33,240

she's a remote viewer she is is uh

296

00:13:38,150 --> 00:13:35,160

actually she's from Indiana but she

297

00:13:39,370 --> 00:13:38,160

lives in Alabama okay uh

298

00:13:44,569 --> 00:13:39,380

yeah

299

00:13:47,269 --> 00:13:44,579

girl here in Alabama so she is running

300

00:13:49,730 --> 00:13:47,279

the chat for us thank you Jules

301
00:13:53,150 --> 00:13:49,740
um I wanted to ask you Corey since you

302
00:13:55,129 --> 00:13:53,160
mentioned gnosticism and religion and

303
00:13:57,769 --> 00:13:55,139
I'm gonna be honest with you I don't

304
00:14:00,550 --> 00:13:57,779
know if if Leah and Debs fall in this

305
00:14:04,430 --> 00:14:00,560
category as well but

306
00:14:08,449 --> 00:14:04,440
when Dr sulka talks about and she

307
00:14:11,810 --> 00:14:08,459
conjoins the notion of God and religion

308
00:14:14,750 --> 00:14:11,820
into ufology and not that I doubt her

309
00:14:17,810 --> 00:14:14,760
assertion in the least I don't

310
00:14:19,670 --> 00:14:17,820
but as I because I I know that she has

311
00:14:21,829 --> 00:14:19,680
made a connection I'm trying to

312
00:14:24,710 --> 00:14:21,839
understand that connection can you tell

313
00:14:27,050 --> 00:14:24,720

me how you understand that connection or

314

00:14:28,730 --> 00:14:27,060

is that even something that you see that

315

00:14:30,350 --> 00:14:28,740

and feel that

316

00:14:32,150 --> 00:14:30,360

yeah I do

317

00:14:34,069 --> 00:14:32,160

um thank you that's a good question I'm

318

00:14:36,829 --> 00:14:34,079

a big fan of

319

00:14:40,009 --> 00:14:36,839

um a dinosaur's work I've quoted

320

00:14:41,569 --> 00:14:40,019

American Cosmic a ton she's really

321

00:14:44,389 --> 00:14:41,579

phenomenal and I try to follow all of

322

00:14:45,829 --> 00:14:44,399

her podcasts uh I remember being I

323

00:14:48,829 --> 00:14:45,839

remember being a kid and I think I was

324

00:14:52,370 --> 00:14:48,839

12 years old when uh was it the Heaven's

325

00:14:54,590 --> 00:14:52,380

date Heaven's Gates it was a UFO cup and

326

00:14:56,750 --> 00:14:54,600

I think in 1996 or 97 that they were

327

00:14:59,509 --> 00:14:56,760

convinced there was a uh Haley's Bob

328

00:15:01,129 --> 00:14:59,519

Comet was was coming through and uh

329

00:15:03,230 --> 00:15:01,139

according to the cult there was a UFO

330

00:15:05,329 --> 00:15:03,240

that was going to pick them up

331

00:15:07,550 --> 00:15:05,339

um and take them off before destruction

332

00:15:09,170 --> 00:15:07,560

and I remember as a kid thinking like oh

333

00:15:10,910 --> 00:15:09,180

my gosh I need to find these people I

334

00:15:13,730 --> 00:15:10,920

need to get on this UFO man it's over

335

00:15:15,530 --> 00:15:13,740

you know but to answer the question I

336

00:15:18,110 --> 00:15:15,540

realized then that there was a a

337

00:15:21,650 --> 00:15:18,120

correlation between religious philosophy

338

00:15:25,670 --> 00:15:21,660

and you know researching UFOs and I've

339

00:15:27,949 --> 00:15:25,680

seen that the uh the same types of

340

00:15:29,509 --> 00:15:27,959

motivators and belief systems were

341

00:15:31,850 --> 00:15:29,519

involved

342

00:15:33,410 --> 00:15:31,860

um and there's a lot of history uh about

343

00:15:36,290 --> 00:15:33,420

that uh

344

00:15:39,230 --> 00:15:36,300

if you look at uh there are a lot of

345

00:15:41,269 --> 00:15:39,240

religious UFO Cults there's one that I

346

00:15:45,350 --> 00:15:41,279

think started out of I think was France

347

00:15:49,670 --> 00:15:45,360

in the 70s uh called realism or oh yeah

348

00:15:53,090 --> 00:15:49,680

raelianism realism and a very similar

349

00:15:55,129 --> 00:15:53,100

contact story uh and then when you look

350

00:15:57,769 --> 00:15:55,139

at the literature if you look at UFO

351

00:16:00,590 --> 00:15:57,779

literature the the encounters that

352

00:16:03,050 --> 00:16:00,600

people have with these entities

353

00:16:04,970 --> 00:16:03,060

Bears such a strong resemblance uh to

354

00:16:06,590 --> 00:16:04,980

what you'll read and you know ancient

355

00:16:09,230 --> 00:16:06,600

literature you know religious you know

356

00:16:11,449 --> 00:16:09,240

scripture uh people seeing Angels you

357

00:16:13,009 --> 00:16:11,459

know it wasn't always a you know a

358

00:16:15,110 --> 00:16:13,019

joyous occasion to see an Angel

359

00:16:17,750 --> 00:16:15,120

sometimes you know people were terrified

360

00:16:20,810 --> 00:16:17,760

and uh they didn't look like us

361

00:16:22,370 --> 00:16:20,820

so I I have uh probably liked that

362

00:16:25,189 --> 00:16:22,380

episode I've come to believe that this

363

00:16:28,550 --> 00:16:25,199

is all one thing that what we were

364

00:16:32,810 --> 00:16:28,560

dealing with in scripture the phenomenon

365

00:16:36,530 --> 00:16:34,910

that it's it's an interesting thought

366

00:16:39,590 --> 00:16:36,540

I've also heard people I don't know if

367

00:16:41,210 --> 00:16:39,600

it was Leah who said this but I've heard

368

00:16:46,069 --> 00:16:41,220

people say that they think that this

369

00:16:48,470 --> 00:16:46,079

could be in in an emerging religion I I

370

00:16:50,210 --> 00:16:48,480

the reason I'm unsure about that now I'm

371

00:16:52,129 --> 00:16:50,220

going to pass it to you Deb said don't

372

00:16:54,829 --> 00:16:52,139

don't worry about that but the reason

373

00:16:57,470 --> 00:16:54,839

that I don't think it will is just from

374

00:17:00,110 --> 00:16:57,480

a standpoint that it requires a church

375

00:17:01,189 --> 00:17:00,120

and there's a lot of constructs and

376

00:17:04,010 --> 00:17:01,199

rules

377

00:17:06,770 --> 00:17:04,020

uh that it seems like more than just

378

00:17:08,929 --> 00:17:06,780

like having an online you know if UFO

379

00:17:10,870 --> 00:17:08,939

Twitter I don't know is that a religion

380

00:17:13,610 --> 00:17:10,880

that people have sort of signed up for

381

00:17:15,590 --> 00:17:13,620

Leah is that a religion

382

00:17:18,650 --> 00:17:15,600

I mean I'm not sure I'd call UFO Twitter

383

00:17:20,990 --> 00:17:18,660

religion but I may call it a cult

384

00:17:25,669 --> 00:17:23,689

yeah so I mean I think um like DJ I'm

385

00:17:28,429 --> 00:17:25,679

just gonna very briefly push back on

386

00:17:30,350 --> 00:17:28,439

this because it feels like this idea of

387

00:17:32,390 --> 00:17:30,360

religion existing is a hierarchical

388

00:17:34,970 --> 00:17:32,400

institution is really just an artifact

389

00:17:37,490 --> 00:17:34,980

of like western style thinking

390

00:17:38,810 --> 00:17:37,500

um you know like like we have the pope

391

00:17:41,450 --> 00:17:38,820

or we have

392

00:17:44,690 --> 00:17:41,460

um you know uh like leaders of like the

393

00:17:48,770 --> 00:17:44,700

American Baptists or um things like that

394

00:17:50,510 --> 00:17:48,780

but um I I think this idea of it as a

395

00:17:53,510 --> 00:17:50,520

religion is

396

00:17:55,490 --> 00:17:53,520

founded in this notion that ufology and

397

00:17:57,230 --> 00:17:55,500

the phenomenon helps us sort of

398

00:17:59,690 --> 00:17:57,240

reconcile the subjective personal

399

00:18:01,909 --> 00:17:59,700

experience with was at least nominally

400

00:18:05,330 --> 00:18:01,919

considered an objective shared kind of

401
00:18:07,130 --> 00:18:05,340
consensus based reality and it also

402
00:18:09,590 --> 00:18:07,140
provides like Frameworks for like sense

403
00:18:10,789 --> 00:18:09,600
making like to help understand and sort

404
00:18:14,029 --> 00:18:10,799
of

405
00:18:15,650 --> 00:18:14,039
um navigate the the strange and unusual

406
00:18:17,390 --> 00:18:15,660
and difficult things that happen to

407
00:18:19,010 --> 00:18:17,400
people

408
00:18:22,310 --> 00:18:19,020
um and I also think that there's a huge

409
00:18:24,710 --> 00:18:22,320
overlap between experience or phenomena

410
00:18:27,830 --> 00:18:24,720
and what's typically characterized as

411
00:18:29,990 --> 00:18:27,840
spiritual emergence So Divine Awakenings

412
00:18:31,789 --> 00:18:30,000
or Transcendence either spontaneous or

413
00:18:33,950 --> 00:18:31,799

deliberately induced I think

414

00:18:35,930 --> 00:18:33,960

historically very closely align

415

00:18:38,390 --> 00:18:35,940

themselves with what in modernity we

416

00:18:40,850 --> 00:18:38,400

identify as like the phenomenon or just

417

00:18:43,070 --> 00:18:40,860

you know contact or experience or

418

00:18:45,169 --> 00:18:43,080

experiences

419

00:18:47,870 --> 00:18:45,179

you know I'll come back around on it but

420

00:18:49,730 --> 00:18:47,880

I don't want to take up Deb's time

421

00:18:52,549 --> 00:18:49,740

um so please go ahead comment on that

422

00:18:55,070 --> 00:18:52,559

too yes ma'am I just want to point out

423

00:18:58,130 --> 00:18:55,080

like when external things happen to

424

00:19:01,549 --> 00:18:58,140

humanity we do tend to make religions

425

00:19:03,890 --> 00:19:01,559

out of them so I want to say there is an

426
00:19:05,750 --> 00:19:03,900
external thing happening to some people

427
00:19:09,289 --> 00:19:05,760
they would argue it's an internal thing

428
00:19:11,270 --> 00:19:09,299
also like was mentioned by Leah but that

429
00:19:13,970 --> 00:19:11,280
there is an external thing happening in

430
00:19:16,490 --> 00:19:13,980
Humanity's ability to grasp it ends up

431
00:19:19,010 --> 00:19:16,500
sometimes being a religion and there are

432
00:19:21,890 --> 00:19:19,020
other examples of religions that are

433
00:19:24,770 --> 00:19:21,900
based off of UFO encounters I believe

434
00:19:27,049 --> 00:19:24,780
the Nation of Islam is one

435
00:19:31,190 --> 00:19:27,059
um one would argue even

436
00:19:34,370 --> 00:19:31,200
uh Sky God encounters you know so pretty

437
00:19:36,590 --> 00:19:34,380
much all religions for that right so

438
00:19:38,630 --> 00:19:36,600

um I would say that doesn't exclude that

439

00:19:40,669 --> 00:19:38,640

from being something else is happening

440

00:19:44,390 --> 00:19:40,679

the same thing has happened with the Sun

441

00:19:47,090 --> 00:19:44,400

the moon you know even crops and being

442

00:19:48,830 --> 00:19:47,100

grown you know so like so your position

443

00:19:50,870 --> 00:19:48,840

is

444

00:19:52,850 --> 00:19:50,880

um it could potentially become a

445

00:19:54,710 --> 00:19:52,860

religion but that doesn't it's like a

446

00:19:57,230 --> 00:19:54,720

secondary effect

447

00:19:59,029 --> 00:19:57,240

okay and did you did you have something

448

00:20:01,130 --> 00:19:59,039

else you wanted to add Corey are we

449

00:20:04,190 --> 00:20:01,140

gonna just are we gonna go through the

450

00:20:07,610 --> 00:20:04,200

no no I agree with the with with with

451

00:20:09,770 --> 00:20:07,620

Leia and uh Deb said you know and I was

452

00:20:11,930 --> 00:20:09,780

just thinking that I like to I kind of

453

00:20:14,690 --> 00:20:11,940

see the phenomena as a mechanism for us

454

00:20:17,029 --> 00:20:14,700

uh to evolve our Consciousness and you

455

00:20:19,610 --> 00:20:17,039

know it could be that uh religion at

456

00:20:22,070 --> 00:20:19,620

that time was that mechanism I also

457

00:20:24,529 --> 00:20:22,080

mentioned cargo coats cargo Colts are

458

00:20:25,370 --> 00:20:24,539

like a modern example of you know I

459

00:20:27,110 --> 00:20:25,380

don't want to go through you know what

460

00:20:28,850 --> 00:20:27,120

they are but people can Google this but

461

00:20:31,250 --> 00:20:28,860

they're a modern example of what happens

462

00:20:32,630 --> 00:20:31,260

when you show up to a group of human

463

00:20:35,810 --> 00:20:32,640

beings and you show them something

464

00:20:38,090 --> 00:20:35,820

that's outside of their reality uh we

465

00:20:40,250 --> 00:20:38,100

have this inherent kind of needed scenes

466

00:20:43,370 --> 00:20:40,260

to create belief systems to understand

467

00:20:45,890 --> 00:20:43,380

our reality so if you throw in that UFO

468

00:20:48,289 --> 00:20:45,900

and let's say we didn't have our you

469

00:20:51,770 --> 00:20:48,299

know three major religions what else

470

00:20:53,510 --> 00:20:51,780

would we have to try to frame what might

471

00:20:55,010 --> 00:20:53,520

be going on outside of you know our

472

00:20:55,970 --> 00:20:55,020

perception

473

00:20:59,870 --> 00:20:55,980

um

474

00:21:01,250 --> 00:20:59,880

so yeah I'll just add that there they

475

00:21:03,590 --> 00:21:01,260

can certainly help us frame the

476

00:21:06,409 --> 00:21:03,600

discussion those religious leaders the

477

00:21:08,510 --> 00:21:06,419

only part I was going to uh in response

478

00:21:11,570 --> 00:21:08,520

to what Leah said is well Western

479

00:21:13,130 --> 00:21:11,580

religion may be more hierarchical if you

480

00:21:15,529 --> 00:21:13,140

go to Eastern religion I mean if you go

481

00:21:17,029 --> 00:21:15,539

to Kyoto if you go to Thailand if you go

482

00:21:18,890 --> 00:21:17,039

in the Middle East you know you go to

483

00:21:21,110 --> 00:21:18,900

Old Constantinople

484

00:21:22,669 --> 00:21:21,120

et cetera there are religious symbols

485

00:21:25,669 --> 00:21:22,679

everywhere even if it's a little bit

486

00:21:28,970 --> 00:21:25,679

less hierarchical it's no less uh

487

00:21:32,149 --> 00:21:28,980

symbolic so there still is a

488

00:21:34,730 --> 00:21:32,159

constructive even a a physical construct

489

00:21:36,409 --> 00:21:34,740

even if it's um

490

00:21:38,210 --> 00:21:36,419

you know less than some of the the

491

00:21:40,789 --> 00:21:38,220

Western religions and you know we won't

492

00:21:41,930 --> 00:21:40,799

name them for obvious reasons but but I

493

00:21:43,730 --> 00:21:41,940

understand what you mean from that

494

00:21:45,770 --> 00:21:43,740

standpoint

495

00:21:47,870 --> 00:21:45,780

um so I'm not sure that it's that idea

496

00:21:50,330 --> 00:21:47,880

but I want to pose this question that

497

00:21:52,730 --> 00:21:50,340

Shannon desalvo has here this is really

498

00:21:55,430 --> 00:21:52,740

good and I have you guys attacked that I

499

00:21:56,930 --> 00:21:55,440

guess we should start with uh hey we

500

00:21:59,690 --> 00:21:56,940

could start with Corey and then we can

501
00:22:01,970 --> 00:21:59,700
go to uh I guess Leah on this one after

502
00:22:04,310 --> 00:22:01,980
you go for it please

503
00:22:05,990 --> 00:22:04,320
uh so I think we uh that we have to

504
00:22:09,710 --> 00:22:06,000
determine the difference between a

505
00:22:14,270 --> 00:22:11,750
um that's

506
00:22:16,549 --> 00:22:14,280
yeah that is kind of slippery

507
00:22:19,549 --> 00:22:16,559
uh a lot of Colts would argue that they

508
00:22:22,490 --> 00:22:19,559
are a religion and a lot of uh religions

509
00:22:26,090 --> 00:22:22,500
we would argue are probably Cults

510
00:22:28,130 --> 00:22:26,100
um how would you take that uh yeah

511
00:22:30,409 --> 00:22:28,140
I mean what spring to mind was when

512
00:22:31,870 --> 00:22:30,419
man's religion is another man's cult you

513
00:22:36,950 --> 00:22:31,880

know

514

00:22:39,350 --> 00:22:36,960

make new pretense of having a background

515

00:22:41,029 --> 00:22:39,360

in religious studies but um to me

516

00:22:44,810 --> 00:22:41,039

intuitively what it feels like is that

517

00:22:48,970 --> 00:22:44,820

the occult has an extremely inflexible

518

00:22:52,250 --> 00:22:48,980

kind of dogmatic and almost fundamental

519

00:22:56,029 --> 00:22:52,260

expectation of its adherence to follow

520

00:22:58,789 --> 00:22:56,039

kind of all of the um all of the rules

521

00:23:00,230 --> 00:22:58,799

and expectations of the group

522

00:23:02,210 --> 00:23:00,240

um and I guess you could say at some end

523

00:23:04,549 --> 00:23:02,220

of the like Spectrum any kind of

524

00:23:07,490 --> 00:23:04,559

religious Orthodoxy May

525

00:23:08,149 --> 00:23:07,500

kind of like be categorized as that

526

00:23:12,470 --> 00:23:08,159

um

527

00:23:15,409 --> 00:23:12,480

but I also think their religion instead

528

00:23:17,210 --> 00:23:15,419

offers a bit more kind of flexibility or

529

00:23:19,370 --> 00:23:17,220

spaciousness when it comes to individual

530

00:23:22,190 --> 00:23:19,380

practice even at like its most

531

00:23:25,430 --> 00:23:22,200

observant levels like you still have

532

00:23:28,909 --> 00:23:25,440

some play in how you interpret and act

533

00:23:31,130 --> 00:23:28,919

within the framework of that religion

534

00:23:34,010 --> 00:23:31,140

I was going to say Leah in our religion

535

00:23:35,330 --> 00:23:34,020

I mean the hasidics I think I think

536

00:23:37,730 --> 00:23:35,340

there could be an argument made there

537

00:23:40,310 --> 00:23:37,740

right oh yeah that's what I was thinking

538

00:23:42,230 --> 00:23:40,320

of when I said that um is like I mean

539

00:23:45,110 --> 00:23:42,240

like you have crosses who follow like

540

00:23:48,710 --> 00:23:45,120

all 613 Commandments or whatever to the

541

00:23:50,570 --> 00:23:48,720

T with zero flexibility and that I mean

542

00:23:53,450 --> 00:23:50,580

as a Jew I feel comfortable saying that

543

00:23:55,430 --> 00:23:53,460

feels very culty to me but

544

00:23:58,190 --> 00:23:55,440

um also understand that this is one of

545

00:24:00,970 --> 00:23:58,200

the major kind of extant sects within

546

00:24:03,890 --> 00:24:00,980

modern Judaism as well

547

00:24:05,930 --> 00:24:03,900

I just want to say one thing now just

548

00:24:08,870 --> 00:24:05,940

for everybody out there including the

549

00:24:10,730 --> 00:24:08,880

panel there is a Netflix movie and I'm

550

00:24:12,289 --> 00:24:10,740

I'm remiss I don't remember the name of

551
00:24:14,870 --> 00:24:12,299
it but it's about a one it's a true

552
00:24:18,289 --> 00:24:14,880
story about a woman who escapes a

553
00:24:20,450 --> 00:24:18,299
Hasidic sect in Brooklyn obviously and

554
00:24:22,850 --> 00:24:20,460
escapes to Germany to where she has a

555
00:24:24,590 --> 00:24:22,860
relative to escape her husband in her

556
00:24:26,990 --> 00:24:24,600
marriage I think it was going to be

557
00:24:28,310 --> 00:24:27,000
before the birth of children she's like

558
00:24:30,529 --> 00:24:28,320
I can't I don't want to have children

559
00:24:33,409 --> 00:24:30,539
with this guy I can't stay in this life

560
00:24:35,930 --> 00:24:33,419
anymore and she escapes to a Jewish

561
00:24:38,210 --> 00:24:35,940
neighborhood in Germany uh and and she

562
00:24:40,730 --> 00:24:38,220
has a relative there and it is a awesome

563
00:24:43,490 --> 00:24:40,740

movie it's true story so if those of you

564

00:24:46,130 --> 00:24:43,500

go on Netflix and find that uh the the

565

00:24:48,890 --> 00:24:46,140

character is extremely compelling who

566

00:24:51,529 --> 00:24:48,900

plays the young uh the young lady wow

567

00:24:53,930 --> 00:24:51,539

anyway I'm sorry Debs yeah I was just

568

00:24:56,029 --> 00:24:53,940

going to say that I've definitely looked

569

00:24:57,890 --> 00:24:56,039

at Colts watched documentaries things

570

00:25:01,310 --> 00:24:57,900

like that and I find that they have

571

00:25:03,710 --> 00:25:01,320

almost a formula like there's a really

572

00:25:06,350 --> 00:25:03,720

charismatic cult leader that no one's

573

00:25:08,750 --> 00:25:06,360

allowed to question money has to be

574

00:25:11,870 --> 00:25:08,760

provided people want to go at different

575

00:25:14,330 --> 00:25:11,880

levels of involvement like they have

576

00:25:17,750 --> 00:25:14,340

stages of progression that they usually

577

00:25:19,730 --> 00:25:17,760

have to pay for there's isolation from

578

00:25:22,370 --> 00:25:19,740

the family it's it's almost like a

579

00:25:24,890 --> 00:25:22,380

formula and it's like I I see those

580

00:25:26,690 --> 00:25:24,900

patterns when I look at different Cults

581

00:25:29,570 --> 00:25:26,700

and I'm like well you know I think it's

582

00:25:31,490 --> 00:25:29,580

actually not that hard to make one like

583

00:25:34,850 --> 00:25:31,500

you just need I need that really

584

00:25:37,130 --> 00:25:34,860

charismatic leader to start Corey so if

585

00:25:38,390 --> 00:25:37,140

you're not busy next week I want you to

586

00:25:40,010 --> 00:25:38,400

think about this week you know you can

587

00:25:43,430 --> 00:25:40,020

come up I think you could be the leader

588

00:25:45,830 --> 00:25:43,440

you have awesome hair but to put Jewels

589

00:25:48,350 --> 00:25:45,840

are our chat moderator jewels of the

590

00:25:50,149 --> 00:25:48,360

wood it says here technically Cults

591

00:25:53,630 --> 00:25:50,159

follow a man or woman that claims

592

00:25:55,190 --> 00:25:53,640

Divinity I believe so Jules and Jewel by

593

00:25:58,010 --> 00:25:55,200

the way I just want to say Jules also

594

00:26:00,590 --> 00:25:58,020

involved in library science just like

595

00:26:03,710 --> 00:26:00,600

um Leah so yeah

596

00:26:06,230 --> 00:26:03,720

now you know I was reading uh Julie's

597

00:26:07,310 --> 00:26:06,240

quote and it uh David koresh came to

598

00:26:09,649 --> 00:26:07,320

mind

599

00:26:12,769 --> 00:26:09,659

uh do you remember David koresh uh oh

600

00:26:14,930 --> 00:26:12,779

yeah the Waco Siege yeah he to his

601

00:26:17,149 --> 00:26:14,940

followers he claimed to be divine so

602

00:26:19,730 --> 00:26:17,159

that is uh that does seem to be like an

603

00:26:22,130 --> 00:26:19,740

inherent component that you do have this

604

00:26:26,090 --> 00:26:22,140

charismatic charismatic leader they do

605

00:26:29,630 --> 00:26:26,100

uh claim some uh Divinity uh it is very

606

00:26:31,970 --> 00:26:29,640

uh you know a very fundamentalistic

607

00:26:33,710 --> 00:26:31,980

um but at the same time if I scale that

608

00:26:35,990 --> 00:26:33,720

larger and you know it looks like a

609

00:26:38,990 --> 00:26:36,000

religion it's not to disparage any Colts

610

00:26:40,789 --> 00:26:39,000

or any any religion but uh to Deb's

611

00:26:43,070 --> 00:26:40,799

point I think I've told my life a lot

612

00:26:44,390 --> 00:26:43,080

it's like I think I could start a cult I

613

00:26:46,370 --> 00:26:44,400

think I know exactly what I would need

614

00:26:48,350 --> 00:26:46,380

to say and what I would do and I think

615

00:26:50,990 --> 00:26:48,360

people because people want to believe

616

00:26:53,269 --> 00:26:51,000

something they want somebody who has the

617

00:26:54,950 --> 00:26:53,279

answers and uh if they think they found

618

00:26:57,529 --> 00:26:54,960

that person you know they will follow

619

00:26:59,029 --> 00:26:57,539

them and um unfortunately a lot of

620

00:27:01,669 --> 00:26:59,039

people take advantage of and they

621

00:27:04,370 --> 00:27:01,679

exploit people's beliefs or people's uh

622

00:27:07,250 --> 00:27:04,380

uh you know people's needs emotional and

623

00:27:10,549 --> 00:27:07,260

social needs and you know you do wind up

624

00:27:12,590 --> 00:27:10,559

with a lot of a lot of Cults I I think

625

00:27:14,330 --> 00:27:12,600

Simon fly is trying to preempt you he's

626

00:27:15,909 --> 00:27:14,340

saying that he's starting one you just

627

00:27:18,769 --> 00:27:15,919

send fifty dollars

628

00:27:20,810 --> 00:27:18,779

thank you Simon that's great I'm your

629

00:27:23,269 --> 00:27:20,820

second member I just want to argue

630

00:27:26,149 --> 00:27:23,279

though that knowing that formula is how

631

00:27:28,250 --> 00:27:26,159

you avoid the cult exactly if being

632

00:27:32,390 --> 00:27:28,260

knowledgeable is how you don't get in

633

00:27:34,850 --> 00:27:32,400

there yes can I get an amen yeah this is

634

00:27:36,710 --> 00:27:34,860

an indoctrination process you know that

635

00:27:38,450 --> 00:27:36,720

kind of indoctrinates you into their way

636

00:27:41,570 --> 00:27:38,460

of belief and they you know isolate you

637

00:27:45,769 --> 00:27:41,580

and so we can let's let's let's draw

638

00:27:47,990 --> 00:27:45,779

this into UFOs Corey do you think that

639

00:27:51,230 --> 00:27:48,000

do you think that experiencers who have

640

00:27:54,169 --> 00:27:51,240

had uh abduction experiences perhaps who

641

00:27:57,710 --> 00:27:54,179

have been exposed to this sort of uh

642

00:28:00,890 --> 00:27:57,720

cultivation of their belief into this

643

00:28:05,330 --> 00:28:00,900

group of whether it be Grays or mantids

644

00:28:08,149 --> 00:28:05,340

or or rep reptilians that you need to

645

00:28:11,330 --> 00:28:08,159

carry our message you need to believe

646

00:28:13,070 --> 00:28:11,340

what we say do what we say do you think

647

00:28:17,029 --> 00:28:13,080

there's a possible

648

00:28:19,070 --> 00:28:17,039

uh cult sort of situation going on there

649

00:28:19,909 --> 00:28:19,080

yeah and then Deb and Leah after him

650

00:28:23,330 --> 00:28:19,919

please

651

00:28:26,570 --> 00:28:23,340

yeah I mean it's um that's really that

652

00:28:28,610 --> 00:28:26,580

that's really hard to say that's a very

653

00:28:30,649 --> 00:28:28,620

so yes uh going back since the beginning

654

00:28:32,810 --> 00:28:30,659

of the contact me to contact the

655

00:28:34,730 --> 00:28:32,820

equipment we've had you know dozens and

656

00:28:37,310 --> 00:28:34,740

hundreds of people who have had profound

657

00:28:39,950 --> 00:28:37,320

messages and you know they go out and

658

00:28:44,090 --> 00:28:39,960

start you know they start their groups

659

00:28:46,669 --> 00:28:44,100

um you know I I'm a big fan we're not a

660

00:28:48,649 --> 00:28:46,679

big fan but uh like trickster guys you

661

00:28:50,450 --> 00:28:48,659

know you think about like one of Jack

662

00:28:53,570 --> 00:28:50,460

valet's book wrote a book called

663

00:28:56,390 --> 00:28:53,580

messengers of deception so what if it

664

00:28:58,130 --> 00:28:56,400

was that there was another entity uh who

665

00:28:59,029 --> 00:28:58,140

was outside our space time and they were

666

00:29:00,950 --> 00:28:59,039

just

667

00:29:03,289 --> 00:29:00,960

messing around with this

668

00:29:04,669 --> 00:29:03,299

because they had the ability to uh you

669

00:29:08,750 --> 00:29:04,679

know appear to be you know Supreme

670

00:29:11,630 --> 00:29:08,760

Beings or uh or to be Gods so and it's

671

00:29:13,789 --> 00:29:11,640

not to say that people who are who have

672

00:29:15,890 --> 00:29:13,799

these beautiful messages not to say that

673

00:29:17,750 --> 00:29:15,900

they're being used or that you know

674

00:29:18,950 --> 00:29:17,760

they're not being altruistic it's just

675

00:29:19,850 --> 00:29:18,960

that

676

00:29:24,350 --> 00:29:19,860

um

677

00:29:25,250 --> 00:29:24,360

from you know I'm I'm military minded so

678

00:29:28,730 --> 00:29:25,260

um

679

00:29:32,630 --> 00:29:28,740

the thief doesn't come as a thief right

680

00:29:34,130 --> 00:29:32,640

so if you're getting these messages

681

00:29:36,409 --> 00:29:34,140

um and there's multiple people getting

682

00:29:38,090 --> 00:29:36,419

these messages uh

683

00:29:41,570 --> 00:29:38,100

I think we just want to understand what

684

00:29:44,210 --> 00:29:41,580

the motive might be before we say this

685

00:29:48,230 --> 00:29:44,220

is from a superior being they have the

686

00:29:52,970 --> 00:29:50,090

can I just mention to you this is one in

687

00:29:55,490 --> 00:29:52,980

Nathan's very early hypotheses when we

688

00:29:57,529 --> 00:29:55,500

came together and started uh sort of

689

00:29:59,210 --> 00:29:57,539

trying to decide what our what we

690

00:30:01,730 --> 00:29:59,220

thought about or what we felt about the

691

00:30:05,149 --> 00:30:01,740

phenomena this is one of them

692

00:30:08,570 --> 00:30:05,159

um a long SK a large-scale psychological

693

00:30:11,269 --> 00:30:08,580

you know Warfare game is what uh it

694

00:30:12,769 --> 00:30:11,279

looks like from from a lot of a lot of

695

00:30:14,570 --> 00:30:12,779

sides

696

00:30:16,909 --> 00:30:14,580

um and one of the things I've been very

697

00:30:19,310 --> 00:30:16,919

fortunate these last two years to

698

00:30:21,350 --> 00:30:19,320

um haven't got on UFO Twitter I saw an

699

00:30:23,330 --> 00:30:21,360

orb in 2020 that's what kind of pushed

700

00:30:26,149 --> 00:30:23,340

me over the edge I had been hearing

701
00:30:28,970 --> 00:30:26,159
about uh UFO Twitter forever listening

702
00:30:31,789 --> 00:30:28,980
to all you guys podcasts so the orb kind

703
00:30:35,269 --> 00:30:31,799
of you know set me over and because of

704
00:30:37,250 --> 00:30:35,279
that I've met so many great people uh I

705
00:30:39,049 --> 00:30:37,260
joked that 9 out of 10 of my friends are

706
00:30:40,730 --> 00:30:39,059
you know experiencers which is kind of

707
00:30:43,190 --> 00:30:40,740
true at this point and they're

708
00:30:46,010 --> 00:30:43,200
phenomenal people uh I mean just some of

709
00:30:48,169 --> 00:30:46,020
the the best people I've ever met

710
00:30:50,510 --> 00:30:48,179
um and I met a lot of them at the two

711
00:30:53,930 --> 00:30:50,520
conferences that I've attended and over

712
00:30:56,269 --> 00:30:53,940
the phone so I'm always very careful not

713
00:30:57,889 --> 00:30:56,279

to be respectful of them and what their

714

00:30:59,210 --> 00:30:57,899

experience is

715

00:31:01,310 --> 00:30:59,220

um you know and definitely not here to

716

00:31:02,930 --> 00:31:01,320

say what they aren't or not experiencing

717

00:31:04,310 --> 00:31:02,940

you know I just I respect whatever

718

00:31:06,409 --> 00:31:04,320

they've experienced you know

719

00:31:08,750 --> 00:31:06,419

subjectively

720

00:31:11,090 --> 00:31:08,760

Debs

721

00:31:14,630 --> 00:31:11,100

so yeah kind of going back a little bit

722

00:31:16,250 --> 00:31:14,640

and this is go to a comment that we had

723

00:31:18,049 --> 00:31:16,260

together our conversation we had

724

00:31:21,110 --> 00:31:18,059

together Corey and I we were talking

725

00:31:23,810 --> 00:31:21,120

about how petsd might be a factor with

726

00:31:25,070 --> 00:31:23,820

the phenomenon and it occurred to me

727

00:31:28,370 --> 00:31:25,080

today

728

00:31:31,850 --> 00:31:28,380

that people who have had trauma in their

729

00:31:34,430 --> 00:31:31,860

lives may be looking for answers and

730

00:31:37,070 --> 00:31:34,440

maybe more vulnerable and may also be

731

00:31:39,649 --> 00:31:37,080

more hyper aware of the environment that

732

00:31:41,269 --> 00:31:39,659

they're in so I mean these are thoughts

733

00:31:43,850 --> 00:31:41,279

that I had so when we're talking about

734

00:31:46,430 --> 00:31:43,860

may they be they're more susceptible to

735

00:31:49,010 --> 00:31:46,440

colds maybe they're like grasping for

736

00:31:50,750 --> 00:31:49,020

answers I think those are all factors

737

00:31:52,610 --> 00:31:50,760

and but they're also going to be the

738

00:31:54,649 --> 00:31:52,620

group that will be more aware of what's

739

00:31:56,090 --> 00:31:54,659

going on

740

00:31:58,850 --> 00:31:56,100

yeah

741

00:32:01,310 --> 00:31:58,860

um trauma you know I know Dr Carla

742

00:32:04,789 --> 00:32:01,320

Turner who's a phenomenal researcher uh

743

00:32:07,549 --> 00:32:04,799

who passed uh in in the late 90s so she

744

00:32:09,289 --> 00:32:07,559

talked a lot about trauma really it all

745

00:32:12,169 --> 00:32:09,299

kind of abductive researchers uh talk

746

00:32:15,230 --> 00:32:12,179

about trauma it's a traumatic experience

747

00:32:17,149 --> 00:32:15,240

um there does seem to be something that

748

00:32:19,490 --> 00:32:17,159

I don't want to say a benefit but a

749

00:32:23,269 --> 00:32:19,500

byproduct of trauma it does seem that it

750

00:32:25,130 --> 00:32:23,279

opens up uh certain portions you know of

751
00:32:27,350 --> 00:32:25,140
our perception things that we couldn't

752
00:32:30,470 --> 00:32:27,360
perceive before

753
00:32:32,930 --> 00:32:30,480
um I don't know if that's a necessity to

754
00:32:35,690 --> 00:32:32,940
Awakening I'm starting to believe that

755
00:32:39,409 --> 00:32:35,700
that is a part of the process

756
00:32:41,389 --> 00:32:39,419
um I know for me personally 2019 was a a

757
00:32:43,250 --> 00:32:41,399
rough year just just for my just

758
00:32:45,769 --> 00:32:43,260
career-wise and you know just being in

759
00:32:47,510 --> 00:32:45,779
my mid-30s and having three kids and

760
00:32:50,269 --> 00:32:47,520
trying to find out you know where I'm at

761
00:32:51,830 --> 00:32:50,279
it was a traumatic year it really was

762
00:32:54,350 --> 00:32:51,840
um and I'll you know I'll be personal

763
00:32:56,870 --> 00:32:54,360

I'll be candid with everyone you know I

764

00:32:59,389 --> 00:32:56,880

spent most of my adult life kind of

765

00:33:01,490 --> 00:32:59,399

bragging to my wife that I don't cry oh

766

00:33:03,470 --> 00:33:01,500

I never cried you know I you know I

767

00:33:06,169 --> 00:33:03,480

don't cry at funerals is nothing you

768

00:33:10,250 --> 00:33:06,179

know I spent my 20s kind of taking life

769

00:33:12,289 --> 00:33:10,260

just in the face so after 2019 I

770

00:33:14,870 --> 00:33:12,299

couldn't stop crying man I see somebody

771

00:33:18,070 --> 00:33:14,880

like walking a puppy I'm crying I hear

772

00:33:22,250 --> 00:33:18,080

you know somebody sad story I'm crying

773

00:33:24,289 --> 00:33:22,260

and that year was uh it was an amazing

774

00:33:26,269 --> 00:33:24,299

year I grew so much spiritually

775

00:33:28,370 --> 00:33:26,279

emotionally

776

00:33:30,350 --> 00:33:28,380

um so

777

00:33:32,389 --> 00:33:30,360

from a traumatic from a trauma

778

00:33:35,090 --> 00:33:32,399

standpoint I think that there is a there

779

00:33:38,029 --> 00:33:35,100

is a a trade-off when you have a trauma

780

00:33:41,029 --> 00:33:38,039

that it can open you up to something

781

00:33:43,970 --> 00:33:41,039

something greater but to your point that

782

00:33:47,570 --> 00:33:43,980

uh could that also be an entry point for

783

00:33:49,549 --> 00:33:47,580

something to control you or something to

784

00:33:51,310 --> 00:33:49,559

manipulate you because you're at a low

785

00:33:53,690 --> 00:33:51,320

point I don't know

786

00:33:56,570 --> 00:33:53,700

that's a good one man that's a good

787

00:33:59,149 --> 00:33:56,580

answer I got some I want to ask ask Leah

788

00:34:00,830 --> 00:33:59,159

a question and then we can also funnel

789

00:34:02,570 --> 00:34:00,840

that question over to you guys if this

790

00:34:04,549 --> 00:34:02,580

happens sometimes on caps I ask

791

00:34:07,450 --> 00:34:04,559

questions of my co-host I just call me

792

00:34:12,349 --> 00:34:07,460

crazy uh going off-roading here

793

00:34:14,149 --> 00:34:12,359

Leah when exorcisms occur with this

794

00:34:16,970 --> 00:34:14,159

other phenomenon that's perhaps

795

00:34:19,430 --> 00:34:16,980

connected to our phenomenon meaning

796

00:34:22,369 --> 00:34:19,440

ufology and and perhaps a series of

797

00:34:24,470 --> 00:34:22,379

other phenomenons such as a tangential

798

00:34:28,730 --> 00:34:24,480

component of Bigfoot et cetera et cetera

799

00:34:31,190 --> 00:34:28,740

but when when exorcisms occur and you

800

00:34:35,750 --> 00:34:31,200

have a Catholic priest that will recite

801
00:34:39,530 --> 00:34:35,760
a certain script uh that will somehow

802
00:34:42,530 --> 00:34:39,540
eject an evil spirit from a particular

803
00:34:44,389 --> 00:34:42,540
dwelling why do you think that works

804
00:34:45,230 --> 00:34:44,399
if you believe if in fact you believe it

805
00:34:47,329 --> 00:34:45,240
works

806
00:34:48,829 --> 00:34:47,339
yes this is this is this is a great

807
00:34:52,369 --> 00:34:48,839
question

808
00:34:54,050 --> 00:34:52,379
um so the answer I'll give is actually

809
00:34:56,570 --> 00:34:54,060
very similar to how I would talk about

810
00:34:57,530 --> 00:34:56,580
the Conti contact team movement which is

811
00:35:00,349 --> 00:34:57,540
that

812
00:35:02,870 --> 00:35:00,359
the Western tradition has very few

813
00:35:05,210 --> 00:35:02,880

narratives for the average layperson to

814

00:35:07,609 --> 00:35:05,220

navigate and interpret anomalous or

815

00:35:08,870 --> 00:35:07,619

strange or mysterious phenomena either

816

00:35:10,670 --> 00:35:08,880

something observed or something

817

00:35:12,410 --> 00:35:10,680

personally experienced

818

00:35:16,730 --> 00:35:12,420

and I think that the power of an

819

00:35:18,710 --> 00:35:16,740

exorcism isn't necessarily that like I

820

00:35:21,290 --> 00:35:18,720

re I think that there is something real

821

00:35:22,790 --> 00:35:21,300

going on in the sense that it is real to

822

00:35:26,810 --> 00:35:22,800

someone's reality and it's something

823

00:35:29,390 --> 00:35:26,820

that is um deeply affecting them and the

824

00:35:31,310 --> 00:35:29,400

process of an exorcism one

825

00:35:33,050 --> 00:35:31,320

provides

826

00:35:35,030 --> 00:35:33,060

um witnessing by an authority figure

827

00:35:36,950 --> 00:35:35,040

that the individual trusts so it

828

00:35:39,530 --> 00:35:36,960

legitimizes their experience makes them

829

00:35:40,550 --> 00:35:39,540

feel less alone and more connected due

830

00:35:42,170 --> 00:35:40,560

to something that's likely highly

831

00:35:43,730 --> 00:35:42,180

traumatic

832

00:35:46,130 --> 00:35:43,740

um the other thing it does is it

833

00:35:49,550 --> 00:35:46,140

provides a very powerful ritualistic

834

00:35:52,910 --> 00:35:49,560

container in which both the the priest

835

00:35:57,829 --> 00:35:52,920

or The Exorcist or the shaman is able to

836

00:35:59,690 --> 00:35:57,839

guide the intensity of the person's

837

00:36:01,910 --> 00:35:59,700

reality

838

00:36:03,710 --> 00:36:01,920

um in a way that our current culture and

839

00:36:06,290 --> 00:36:03,720

current moment and current sense making

840

00:36:08,030 --> 00:36:06,300

Frameworks don't manage because

841

00:36:10,550 --> 00:36:08,040

everything that surrounds Us in Western

842

00:36:12,410 --> 00:36:10,560

culture is so heavily predicated on this

843

00:36:15,290 --> 00:36:12,420

Ultra materialistic interpretation of

844

00:36:17,329 --> 00:36:15,300

human experience but the reality is that

845

00:36:19,130 --> 00:36:17,339

um huge huge swaths of the population

846

00:36:20,750 --> 00:36:19,140

regularly experience things that are

847

00:36:22,250 --> 00:36:20,760

well outside that kind of materialist

848

00:36:25,550 --> 00:36:22,260

interpretation

849

00:36:27,710 --> 00:36:25,560

so I think exorcisms or shamanic

850

00:36:30,470 --> 00:36:27,720

journeying or whatever provide that kind

851
00:36:33,770 --> 00:36:30,480
of safe container which allows someone

852
00:36:36,710 --> 00:36:33,780
to navigate the their intense internal

853
00:36:38,750 --> 00:36:36,720
landscape the other thing is there's

854
00:36:40,970 --> 00:36:38,760
something called neural annealing which

855
00:36:44,150 --> 00:36:40,980
happens and neural annealing basically

856
00:36:46,490 --> 00:36:44,160
is a way to excite the brand and then

857
00:36:49,370 --> 00:36:46,500
get it to then simmer back down in a way

858
00:36:51,950 --> 00:36:49,380
that's much more conducive to like

859
00:36:53,990 --> 00:36:51,960
um like emotional regulation or being

860
00:36:56,569 --> 00:36:54,000
able to kind of just navigate life in a

861
00:36:58,190 --> 00:36:56,579
more reliable or stable fashion and

862
00:37:00,410 --> 00:36:58,200
there are all sorts of things we do for

863
00:37:02,150 --> 00:37:00,420

neural annealing right now obviously

864

00:37:03,410 --> 00:37:02,160

psychedelics are a big example of this

865

00:37:05,270 --> 00:37:03,420

but it could be something like having

866

00:37:07,490 --> 00:37:05,280

sex it could be like really intense

867

00:37:09,890 --> 00:37:07,500

exercise it could be emotional catharsis

868

00:37:11,030 --> 00:37:09,900

or it could be an exorcism or shamanic

869

00:37:11,569 --> 00:37:11,040

Journey

870

00:37:13,910 --> 00:37:11,579

um

871

00:37:15,890 --> 00:37:13,920

and this process of neural annealing is

872

00:37:17,690 --> 00:37:15,900

pretty well established in terms of like

873

00:37:19,069 --> 00:37:17,700

cognitive science and Consciousness

874

00:37:20,690 --> 00:37:19,079

research

875

00:37:22,130 --> 00:37:20,700

um and I think that when you go through

876

00:37:25,550 --> 00:37:22,140

that kind of

877

00:37:27,050 --> 00:37:25,560

Ultra intense shake-up it then uh

878

00:37:29,450 --> 00:37:27,060

provides like this emotional and

879

00:37:31,130 --> 00:37:29,460

psychological catharsis so for all

880

00:37:33,589 --> 00:37:31,140

intents and purposes yes it's definitely

881

00:37:34,910 --> 00:37:33,599

like real and uh very helpful for many

882

00:37:37,010 --> 00:37:34,920

many people

883

00:37:40,310 --> 00:37:37,020

but from a

884

00:37:43,569 --> 00:37:40,320

practical standpoint if there is an a

885

00:37:48,230 --> 00:37:43,579

demon or I mean this I I and by the way

886

00:37:50,810 --> 00:37:48,240

I heard a great podcast about a

887

00:37:54,109 --> 00:37:50,820

paranormal experience in Pennsylvania it

888

00:37:56,750 --> 00:37:54,119

was a local legislator uh who had bought

889

00:37:58,730 --> 00:37:56,760

a house he wanted since his childhood uh

890

00:38:02,089 --> 00:37:58,740

it's called the Brownsville Pennsylvania

891

00:38:03,050 --> 00:38:02,099

incident something like that and

892

00:38:06,230 --> 00:38:03,060

um

893

00:38:08,690 --> 00:38:06,240

and yeah uh he ended up it was a 15-year

894

00:38:11,210 --> 00:38:08,700

battle but eventually they were able to

895

00:38:13,849 --> 00:38:11,220

get the spirit out of this home and so

896

00:38:16,190 --> 00:38:13,859

Corey from from your standpoint

897

00:38:18,290 --> 00:38:16,200

what do you think it is that that spirit

898

00:38:21,349 --> 00:38:18,300

is reacting to

899

00:38:23,329 --> 00:38:21,359

uh that causes it to say they hear the

900

00:38:25,550 --> 00:38:23,339

ritual that Leah described something

901
00:38:27,890 --> 00:38:25,560
that isn't part of modern day culture

902
00:38:30,530 --> 00:38:27,900
but was maybe written I don't even know

903
00:38:32,569 --> 00:38:30,540
how old those those uh modalities are or

904
00:38:33,950 --> 00:38:32,579
that protocol that uh what do you think

905
00:38:36,349 --> 00:38:33,960
about that

906
00:38:38,870 --> 00:38:36,359
you know I'm not sure uh you know

907
00:38:40,790 --> 00:38:38,880
obviously I've read a lot I I tend to

908
00:38:43,970 --> 00:38:40,800
think that it's it's probably not the

909
00:38:46,670 --> 00:38:43,980
words that that it's the it's the

910
00:38:49,069 --> 00:38:46,680
emotion or the the energy that is

911
00:38:53,030 --> 00:38:49,079
emanating you know from that person that

912
00:38:55,550 --> 00:38:53,040
probably you know acts as a repellent to

913
00:38:57,050 --> 00:38:55,560

uh like a negative entity

914

00:38:59,870 --> 00:38:57,060

um if that makes you know if that makes

915

00:39:02,870 --> 00:38:59,880

like a wasp it's a wasp spray basically

916

00:39:05,030 --> 00:39:02,880

yeah the the throwing of holy water but

917

00:39:08,390 --> 00:39:05,040

but before we get into that estimate of

918

00:39:11,390 --> 00:39:08,400

the situation Tom is in the joint for

919

00:39:13,730 --> 00:39:11,400

Corey's surprise party baby hey what's

920

00:39:17,710 --> 00:39:13,740

up brother

921

00:39:23,930 --> 00:39:19,490

come

922

00:39:26,210 --> 00:39:23,940

on he's muted there we go I can his mic

923

00:39:29,870 --> 00:39:26,220

is not connected that's why so there we

924

00:39:34,130 --> 00:39:29,880

go uh Tom there he is

925

00:39:37,370 --> 00:39:34,140

good guys hey welcome you feeling okay

926

00:39:39,829 --> 00:39:37,380

yeah yeah I'm uh it's I've been sick all

927

00:39:41,450 --> 00:39:39,839

week so I just got my voice back

928

00:39:43,329 --> 00:39:41,460

um so I mean it happened to be here I've

929

00:39:46,670 --> 00:39:43,339

been listening the last like 10 minutes

930

00:39:48,290 --> 00:39:46,680

uh dude I haven't seen you Corey I

931

00:39:51,530 --> 00:39:48,300

haven't seen you in like a couple months

932

00:39:54,170 --> 00:39:51,540

now since the last one yeah December

933

00:39:56,450 --> 00:39:54,180

yeah December and I know we met uh in

934

00:39:58,190 --> 00:39:56,460

October had a good time I think yeah yes

935

00:40:00,310 --> 00:39:58,200

we stayed out till four o'clock in the

936

00:40:04,730 --> 00:40:00,320

morning

937

00:40:06,170 --> 00:40:04,740

and I have your uh I have your uh the

938

00:40:08,930 --> 00:40:06,180

book that you gave me which I think is

939

00:40:11,450 --> 00:40:08,940

like a phenomenal what you guys did uh

940

00:40:14,150 --> 00:40:11,460

like with that era of ufology and you

941

00:40:15,770 --> 00:40:14,160

turn into a comic book oh you read it oh

942

00:40:18,290 --> 00:40:15,780

yeah yeah you gave me a copy you gave me

943

00:40:19,310 --> 00:40:18,300

a copy and it's really well done

944

00:40:21,589 --> 00:40:19,320

yeah

945

00:40:25,490 --> 00:40:21,599

there it is I'm in the doghouse with Tom

946

00:40:29,089 --> 00:40:27,589

bet thank you dude I would go to these

947

00:40:30,890 --> 00:40:29,099

conventions and like literally give them

948

00:40:33,670 --> 00:40:30,900

out to people I'm like please read this

949

00:40:36,470 --> 00:40:33,680

it's I think it's really good it is

950

00:40:38,270 --> 00:40:36,480

thank you so much for for doing that it

951
00:40:39,890 --> 00:40:38,280
was so awesome to meet you there by the

952
00:40:42,349 --> 00:40:39,900
way you look like the artistic version

953
00:40:44,390 --> 00:40:42,359
of Rocky Balboa with the hoodie on I'm

954
00:40:47,089 --> 00:40:44,400
waiting for you to go Jog and maybe hit

955
00:40:50,150 --> 00:40:47,099
a side of beef in the freezer dude it's

956
00:40:51,890 --> 00:40:50,160
just to to um to uh deter away from the

957
00:40:53,329 --> 00:40:51,900
fact that I like I'm so run down I'm

958
00:40:56,530 --> 00:40:53,339
like I'll just put a hoodie on have a

959
00:41:02,030 --> 00:40:56,540
little yeah coffee and uh I'll be good

960
00:41:09,109 --> 00:41:04,069
when I interviewed him I gave him my

961
00:41:14,450 --> 00:41:11,870
stop sharing like that all right

962
00:41:15,829 --> 00:41:14,460
um I don't know if you guys before we go

963
00:41:17,750 --> 00:41:15,839

did you have anything to say about

964

00:41:20,030 --> 00:41:17,760

exorcism anything interesting and then

965

00:41:23,150 --> 00:41:20,040

we can we can move on

966

00:41:25,849 --> 00:41:23,160

um I mean obviously it has a purpose and

967

00:41:29,750 --> 00:41:25,859

it you can go either way with it that

968

00:41:31,750 --> 00:41:29,760

it's really exercising demons or you

969

00:41:34,910 --> 00:41:31,760

know you could go with placebo effect

970

00:41:37,430 --> 00:41:34,920

which is you know psychological concept

971

00:41:40,550 --> 00:41:37,440

that once you believe a thing has been

972

00:41:43,430 --> 00:41:40,560

done or is working that's all you need

973

00:41:45,230 --> 00:41:43,440

which you know it's not necessarily a

974

00:41:47,450 --> 00:41:45,240

bad thing either because if it's a

975

00:41:49,910 --> 00:41:47,460

spiritual problem that would be

976

00:41:52,250 --> 00:41:49,920

effective as well

977

00:41:55,310 --> 00:41:52,260

yeah I will try I will try to find this

978

00:41:57,410 --> 00:41:55,320

episode for you but just to and and I'm

979

00:41:59,630 --> 00:41:57,420

sorry to interrupt you Corey I'll try to

980

00:42:02,270 --> 00:41:59,640

find this episode for you but there were

981

00:42:04,010 --> 00:42:02,280

essentially multiple members of the

982

00:42:06,589 --> 00:42:04,020

family a lot of different things

983

00:42:09,470 --> 00:42:06,599

happened again it was a a 15-year battle

984

00:42:12,589 --> 00:42:09,480

they even found where there were things

985

00:42:15,650 --> 00:42:12,599

there was a sealed uh kind of like

986

00:42:18,050 --> 00:42:15,660

behind a stairwell there was a wall and

987

00:42:19,849 --> 00:42:18,060

there were things that were found inside

988

00:42:21,950 --> 00:42:19,859

the wall they brought in a medium the

989

00:42:24,410 --> 00:42:21,960

medium is the one who cracked the case

990

00:42:26,930 --> 00:42:24,420

the medium is the one who sort of gave

991

00:42:28,730 --> 00:42:26,940

them the tools to fight and said if you

992

00:42:30,290 --> 00:42:28,740

look inside this wall I think you'll

993

00:42:32,569 --> 00:42:30,300

find something and they broke into that

994

00:42:35,329 --> 00:42:32,579

wall and found things inside the house

995

00:42:38,270 --> 00:42:35,339

that were in the sealed wall uh so this

996

00:42:40,790 --> 00:42:38,280

Spirit was quite powerful had driven

997

00:42:44,089 --> 00:42:40,800

people out of the house members of the

998

00:42:46,609 --> 00:42:44,099

family uh and then finally I think they

999

00:42:48,589 --> 00:42:46,619

said on the last day they felt it's it's

1000

00:42:51,170 --> 00:42:48,599

kind of light go out and they never had

1001
00:42:54,170 --> 00:42:51,180
a problem again after that but 15 years

1002
00:42:56,270 --> 00:42:54,180
it's a long time yeah I'll find that

1003
00:42:58,550 --> 00:42:56,280
podcast and share it with everybody it

1004
00:43:01,190 --> 00:42:58,560
was on the Unsolved Mysteries podcast

1005
00:43:02,630 --> 00:43:01,200
that's where I heard this so if you guys

1006
00:43:04,670 --> 00:43:02,640
know that obviously everyone knows the

1007
00:43:07,910 --> 00:43:04,680
show so did you have anything Tom do you

1008
00:43:10,490 --> 00:43:07,920
want yeah I have a question um so Leah

1009
00:43:11,990 --> 00:43:10,500
mentioned something that like uh you

1010
00:43:14,690 --> 00:43:12,000
know you have a lot of these uh like

1011
00:43:16,730 --> 00:43:14,700
these spiritualistic rituals right that

1012
00:43:19,430 --> 00:43:16,740
um that oftentimes take a mediator like

1013
00:43:20,809 --> 00:43:19,440

a shaman or something like that and like

1014

00:43:23,030 --> 00:43:20,819

according to what you said like the

1015

00:43:26,329 --> 00:43:23,040

theory that is all just to help navigate

1016

00:43:27,829 --> 00:43:26,339

an internal landscape of sorts right do

1017

00:43:30,470 --> 00:43:27,839

you and the rest of the panel do you

1018

00:43:31,849 --> 00:43:30,480

think that that's strictly true or are

1019

00:43:33,829 --> 00:43:31,859

there things that are outside that

1020

00:43:35,750 --> 00:43:33,839

internal landscape like for instance

1021

00:43:37,069 --> 00:43:35,760

when people call on guides or something

1022

00:43:39,410 --> 00:43:37,079

like that that point them in the right

1023

00:43:41,990 --> 00:43:39,420

direction yeah do they exist outside of

1024

00:43:43,970 --> 00:43:42,000

that or is that still kind of part of

1025

00:43:46,490 --> 00:43:43,980

the internal landscape you know it's a

1026

00:43:50,349 --> 00:43:46,500

mind [\h__\h] if you think about it but

1027

00:43:53,270 --> 00:43:50,359

um it could go both ways I don't know

1028

00:43:56,030 --> 00:43:53,280

just to make sure as you talk about in a

1029

00:43:58,370 --> 00:43:56,040

spiritual encounter in a home what what

1030

00:44:01,010 --> 00:43:58,380

is the context of this like let's say

1031

00:44:02,569 --> 00:44:01,020

you um you uh you have an ayahuasca

1032

00:44:04,010 --> 00:44:02,579

ceremony for instance and you have a

1033

00:44:05,870 --> 00:44:04,020

shaman come in and everyone takes the

1034

00:44:09,050 --> 00:44:05,880

brew and then everyone goes on their

1035

00:44:10,550 --> 00:44:09,060

individual spiritual journey but I I

1036

00:44:12,770 --> 00:44:10,560

think like there there's an argument

1037

00:44:15,410 --> 00:44:12,780

right to be made that like all of that

1038

00:44:16,790 --> 00:44:15,420

takes place inside your your mind or

1039

00:44:19,609 --> 00:44:16,800

your soul whatever you want to call it

1040

00:44:22,670 --> 00:44:19,619

or even like even the guides themselves

1041

00:44:24,290 --> 00:44:22,680

like that they exist within you but I'm

1042

00:44:27,109 --> 00:44:24,300

like wondering can they also exist

1043

00:44:28,910 --> 00:44:27,119

outside of you and almost kind of um be

1044

00:44:30,650 --> 00:44:28,920

like a separate entity or separate force

1045

00:44:32,450 --> 00:44:30,660

from all of that and I don't know if

1046

00:44:34,250 --> 00:44:32,460

there's room for those two theories to

1047

00:44:36,230 --> 00:44:34,260

to play well with each other or not but

1048

00:44:37,490 --> 00:44:36,240

like I always wondered if it's if it's

1049

00:44:39,710 --> 00:44:37,500

all in here or if there's actually

1050

00:44:42,050 --> 00:44:39,720

something out there that's communicating

1051
00:44:43,309 --> 00:44:42,060
with me in here you know who wants to

1052
00:44:47,030 --> 00:44:43,319
take that first you want that

1053
00:44:49,670 --> 00:44:47,040
coordination yeah um that that's

1054
00:44:51,589 --> 00:44:49,680
something that uh and that's around like

1055
00:44:53,390 --> 00:44:51,599
diverge from you know technical research

1056
00:44:54,710 --> 00:44:53,400
and you get into like you know theology

1057
00:44:57,349 --> 00:44:54,720
but

1058
00:44:59,870 --> 00:44:57,359
I think all is one I really I really do

1059
00:45:01,730 --> 00:44:59,880
I really do think that all is one that

1060
00:45:05,510 --> 00:45:01,740
uh and I want to try to quote Neville

1061
00:45:08,270 --> 00:45:05,520
Goddard uh all that you behold all the

1062
00:45:11,030 --> 00:45:08,280
although it appears without it is within

1063
00:45:13,370 --> 00:45:11,040

it is within of which this world uh is

1064

00:45:15,829 --> 00:45:13,380

but a shadow and

1065

00:45:18,530 --> 00:45:15,839

um I'm a firm believer that we don't

1066

00:45:21,349 --> 00:45:18,540

live in a materialistic Universe uh it

1067

00:45:24,770 --> 00:45:21,359

is it is thought it is consciousness we

1068

00:45:27,050 --> 00:45:24,780

are manifesting this so what those

1069

00:45:28,670 --> 00:45:27,060

entities yeah I think they're a part of

1070

00:45:30,770 --> 00:45:28,680

the same thing that we're a part of that

1071

00:45:32,630 --> 00:45:30,780

maybe they have more bandwidth than we

1072

00:45:33,950 --> 00:45:32,640

have and we have very narrowly putting

1073

00:45:35,510 --> 00:45:33,960

it

1074

00:45:38,930 --> 00:45:35,520

um and I think that yeah to a degree

1075

00:45:40,790 --> 00:45:38,940

where Sleepwalkers here we have very you

1076

00:45:44,089 --> 00:45:40,800

know very narrow perception

1077

00:45:45,109 --> 00:45:44,099

it's been working for 55 years Corey I

1078

00:45:47,150 --> 00:45:45,119

mean

1079

00:45:48,410 --> 00:45:47,160

my granddad and then we'll go Leah and

1080

00:45:52,190 --> 00:45:48,420

then myself

1081

00:45:54,710 --> 00:45:52,200

I don't know I it's I have to go with a

1082

00:45:56,450 --> 00:45:54,720

personal experience where I was shown

1083

00:45:58,690 --> 00:45:56,460

that a lot of the things that are

1084

00:46:02,230 --> 00:45:58,700

outside of us are actually from within

1085

00:46:05,450 --> 00:46:02,240

and if you read anything on perception

1086

00:46:07,010 --> 00:46:05,460

all of our world is really from you know

1087

00:46:09,230 --> 00:46:07,020

things within

1088

00:46:11,750 --> 00:46:09,240

um our brain makes the world around us

1089

00:46:14,510 --> 00:46:11,760

the world that you see may not be the

1090

00:46:16,069 --> 00:46:14,520

same world that I see so I'm on the

1091

00:46:17,630 --> 00:46:16,079

fence with that one I can't really give

1092

00:46:19,010 --> 00:46:17,640

you a solid answer but there's a

1093

00:46:22,430 --> 00:46:19,020

possibility that things are a little

1094

00:46:26,329 --> 00:46:22,440

more complicated than we realize

1095

00:46:26,870 --> 00:46:26,339

Leah prime time yeah so

1096

00:46:29,030 --> 00:46:26,880

um

1097

00:46:31,450 --> 00:46:29,040

I I will say that probably my most

1098

00:46:33,290 --> 00:46:31,460

closely held

1099

00:46:35,210 --> 00:46:33,300

unconventional belief is that

1100

00:46:36,770 --> 00:46:35,220

Consciousness is not fully local I think

1101

00:46:38,750 --> 00:46:36,780

a substantial amount of Consciousness is

1102

00:46:41,089 --> 00:46:38,760

basically part of a field that we engage

1103

00:46:42,829 --> 00:46:41,099

with and transceive

1104

00:46:44,030 --> 00:46:42,839

um you know and it's very present that

1105

00:46:45,829 --> 00:46:44,040

we're talking about this I was just

1106

00:46:47,809 --> 00:46:45,839

reading Bernardo costrips meaning in

1107

00:46:49,550 --> 00:46:47,819

absurdity this morning which if anyone

1108

00:46:51,770 --> 00:46:49,560

hasn't read that I think is probably one

1109

00:46:54,109 --> 00:46:51,780

of the best works on understanding and

1110

00:46:55,849 --> 00:46:54,119

interpreting anomalous phenomena and he

1111

00:46:57,470 --> 00:46:55,859

draws really heavily on a lot of the

1112

00:46:59,930 --> 00:46:57,480

kind of current idealists like Donald

1113

00:47:01,849 --> 00:46:59,940

Hoffman basically

1114

00:47:04,130 --> 00:47:01,859

um saying that the best we can have is

1115

00:47:06,589 --> 00:47:04,140

this kind of like

1116

00:47:08,270 --> 00:47:06,599

weak objectivity where we can have

1117

00:47:11,750 --> 00:47:08,280

things occur that all of us largely

1118

00:47:14,630 --> 00:47:11,760

agree with and perceive similarly like

1119

00:47:15,349 --> 00:47:14,640

our material and physical realities

1120

00:47:18,050 --> 00:47:15,359

um

1121

00:47:19,849 --> 00:47:18,060

but that that is the best we can do that

1122

00:47:22,670 --> 00:47:19,859

there's still this interpretive lens

1123

00:47:24,770 --> 00:47:22,680

going on that interfaces between us and

1124

00:47:26,089 --> 00:47:24,780

what's actually actually going on around

1125

00:47:32,510 --> 00:47:26,099

us

1126

00:47:33,530 --> 00:47:32,520

engaging with the icons and software on

1127

00:47:35,870 --> 00:47:33,540

the computer you're not actually

1128

00:47:37,609 --> 00:47:35,880

engaging directly with the computer and

1129

00:47:38,809 --> 00:47:37,619

I think that that's sort of

1130

00:47:40,910 --> 00:47:38,819

um when we think

1131

00:47:42,589 --> 00:47:40,920

to Loop this back around to what we were

1132

00:47:44,630 --> 00:47:42,599

originally talking about about is this

1133

00:47:45,230 --> 00:47:44,640

all happening internally

1134

00:47:46,970 --> 00:47:45,240

um

1135

00:47:49,010 --> 00:47:46,980

I don't think it's all necessarily

1136

00:47:51,050 --> 00:47:49,020

happening or being generated internally

1137

00:47:54,230 --> 00:47:51,060

a lot of it is likely exogenous or

1138

00:47:57,230 --> 00:47:54,240

outside of ourselves but I think

1139

00:47:59,150 --> 00:47:57,240

um the emotional uh and sort of

1140

00:48:01,670 --> 00:47:59,160

psychological experience and intensities

1141

00:48:02,990 --> 00:48:01,680

associated with this is an internal

1142

00:48:06,410 --> 00:48:03,000

experience

1143

00:48:09,530 --> 00:48:06,420

so in that sense like getting away from

1144

00:48:11,030 --> 00:48:09,540

anxiety or fear or despair that may

1145

00:48:13,370 --> 00:48:11,040

accompany

1146

00:48:16,250 --> 00:48:13,380

um someone as they're going through an

1147

00:48:17,870 --> 00:48:16,260

emergence of some kind I think that that

1148

00:48:19,250 --> 00:48:17,880

is an internal reality it's not

1149

00:48:22,089 --> 00:48:19,260

something that's happening outside of

1150

00:48:25,790 --> 00:48:23,930

that's interesting

1151
00:48:27,170 --> 00:48:25,800
go ahead you know that's all Leah does

1152
00:48:28,849 --> 00:48:27,180
is interesting that's what she

1153
00:48:31,370 --> 00:48:28,859
specializes in

1154
00:48:33,109 --> 00:48:31,380
um so I think of this kind of like I'm

1155
00:48:34,370 --> 00:48:33,119
going to use some computer analogies

1156
00:48:36,589 --> 00:48:34,380
like

1157
00:48:38,450 --> 00:48:36,599
in the Air Force you know we have these

1158
00:48:40,430 --> 00:48:38,460
uh when you walk up to the wall and

1159
00:48:42,410 --> 00:48:40,440
you're going to plug this ethernet cable

1160
00:48:45,470 --> 00:48:42,420
into your computer

1161
00:48:47,510 --> 00:48:45,480
um Port Securities turned on so if that

1162
00:48:50,089 --> 00:48:47,520
Port hasn't been open you can plug into

1163
00:48:52,130 --> 00:48:50,099

there and there's information coming

1164

00:48:54,050 --> 00:48:52,140

from a server but if that port's not on

1165

00:48:56,690 --> 00:48:54,060

you're not going to get anything until

1166

00:49:00,109 --> 00:48:56,700

they basically put the name of your Port

1167

00:49:02,089 --> 00:49:00,119

uh your computer your Mac address onto

1168

00:49:04,309 --> 00:49:02,099

that Port then then you'll you'll start

1169

00:49:08,329 --> 00:49:04,319

to receive data and you're connected to

1170

00:49:10,849 --> 00:49:08,339

this larger web so for you know this

1171

00:49:13,250 --> 00:49:10,859

Shaman you know this this uh individual

1172

00:49:14,870 --> 00:49:13,260

maybe who's uh you know bringing the

1173

00:49:17,690 --> 00:49:14,880

Ayahuasca who's going to bring you that

1174

00:49:20,870 --> 00:49:17,700

experience uh that's outside

1175

00:49:23,089 --> 00:49:20,880

and then inside you may have your own

1176

00:49:25,670 --> 00:49:23,099

also your own internal Port that is

1177

00:49:28,370 --> 00:49:25,680

either open or not open so some people

1178

00:49:30,770 --> 00:49:28,380

will open that port and they're able to

1179

00:49:33,349 --> 00:49:30,780

connect with the spirit world we call

1180

00:49:36,170 --> 00:49:33,359

them mediums I consider them Heroes

1181

00:49:39,109 --> 00:49:36,180

because they are able to bring Comfort

1182

00:49:41,870 --> 00:49:39,119

to people who are in an extremely

1183

00:49:44,990 --> 00:49:41,880

stressful situation with someone who is

1184

00:49:46,970 --> 00:49:45,000

on another plane they can't connect to

1185

00:49:49,430 --> 00:49:46,980

them the phenomenon can connect to that

1186

00:49:51,950 --> 00:49:49,440

person and move things around in their

1187

00:49:54,170 --> 00:49:51,960

physical world and terrorize them and

1188

00:49:55,550 --> 00:49:54,180

make them feel fear and make them feel

1189

00:49:57,290 --> 00:49:55,560

something as soon as they walk in their

1190

00:50:00,349 --> 00:49:57,300

dwelling and then you have another

1191

00:50:04,490 --> 00:50:00,359

person that comes in that is able to

1192

00:50:06,530 --> 00:50:04,500

their port is open and maybe my port you

1193

00:50:09,290 --> 00:50:06,540

know it's I could open that Port it

1194

00:50:11,150 --> 00:50:09,300

maybe if I knew how you know and maybe

1195

00:50:13,849 --> 00:50:11,160

I'm that Bigfoot who mind speaks with

1196

00:50:15,050 --> 00:50:13,859

people I don't know I don't mean me

1197

00:50:17,630 --> 00:50:15,060

personally but I mean there's some

1198

00:50:20,390 --> 00:50:17,640

bigfoots that seem to mind speak some

1199

00:50:22,250 --> 00:50:20,400

don't so you know some of them may have

1200

00:50:24,349 --> 00:50:22,260

that poured open and some that ports

1201
00:50:27,470 --> 00:50:24,359
turned off and then of course you have

1202
00:50:29,750 --> 00:50:27,480
the uh that uh that that port at the

1203
00:50:32,990 --> 00:50:29,760
wall who's the shaman who is is coming

1204
00:50:35,329 --> 00:50:33,000
in and putting stimuli which could be in

1205
00:50:38,750 --> 00:50:35,339
the form of Ayahuasca it could be in the

1206
00:50:40,550 --> 00:50:38,760
form of ritual uh that has been uh

1207
00:50:42,770 --> 00:50:40,560
coming into you and creating an

1208
00:50:43,910 --> 00:50:42,780
experience that may be very positive may

1209
00:50:46,069 --> 00:50:43,920
not

1210
00:50:48,890 --> 00:50:46,079
um so that's kind of how I look at it I

1211
00:50:52,130 --> 00:50:48,900
I think of uh mediums and so forth are

1212
00:50:54,710 --> 00:50:52,140
these people that are are able to

1213
00:50:56,630 --> 00:50:54,720

connect and I also think that depending

1214

00:50:58,910 --> 00:50:56,640

upon what's going on with you you may be

1215

00:51:00,589 --> 00:50:58,920

open to an experience or you may be

1216

00:51:02,510 --> 00:51:00,599

closed off someone's trying to hypnotize

1217

00:51:04,250 --> 00:51:02,520

you and you just won't let it happen you

1218

00:51:06,650 --> 00:51:04,260

have your door closed you know your your

1219

00:51:08,690 --> 00:51:06,660

arms are folded so that's kind of how I

1220

00:51:11,089 --> 00:51:08,700

think of it uh Tom

1221

00:51:12,890 --> 00:51:11,099

yeah you know the that idea of like

1222

00:51:15,049 --> 00:51:12,900

closing yourself off to the experience I

1223

00:51:16,010 --> 00:51:15,059

wasn't a big believer in that I felt

1224

00:51:18,170 --> 00:51:16,020

like if something was gonna happen to

1225

00:51:19,609 --> 00:51:18,180

you is going to happen then I did do an

1226

00:51:21,890 --> 00:51:19,619

ayahuasca ceremony with two of my

1227

00:51:24,230 --> 00:51:21,900

friends and uh one friend was already

1228

00:51:25,730 --> 00:51:24,240

open to it and the other one was very

1229

00:51:28,370 --> 00:51:25,740

closed off and he came from a financial

1230

00:51:31,250 --> 00:51:28,380

background like a finance background and

1231

00:51:33,710 --> 00:51:31,260

I just remembered that uh the friend who

1232

00:51:36,650 --> 00:51:33,720

was open to it was definitely in it had

1233

00:51:38,569 --> 00:51:36,660

the experience uh different from mine

1234

00:51:40,970 --> 00:51:38,579

but like you know we can relate to it

1235

00:51:42,650 --> 00:51:40,980

the one the friend who wasn't into it

1236

00:51:44,510 --> 00:51:42,660

who was so closed off and I think like

1237

00:51:47,750 --> 00:51:44,520

two hours in he's like I want to go home

1238

00:51:48,829 --> 00:51:47,760

I'm like dude we cannot go home right

1239

00:51:50,630 --> 00:51:48,839

now there's people throwing up

1240

00:51:52,730 --> 00:51:50,640

everywhere like they're gonna call the

1241

00:51:55,069 --> 00:51:52,740

cops etc etc

1242

00:51:56,990 --> 00:51:55,079

um but he could not get into it and he

1243

00:51:58,430 --> 00:51:57,000

took the same dose if not I made him

1244

00:52:00,589 --> 00:51:58,440

take another one well I mean I didn't

1245

00:52:02,809 --> 00:52:00,599

make him but like I I suggested take

1246

00:52:05,690 --> 00:52:02,819

another one maybe you'll get into it he

1247

00:52:07,309 --> 00:52:05,700

did and Ayahuasca is a very powerful you

1248

00:52:08,809 --> 00:52:07,319

know analog it's not something you can

1249

00:52:11,150 --> 00:52:08,819

just take and be like all right well

1250

00:52:13,309 --> 00:52:11,160

that's good I'm gonna go to work but he

1251
00:52:16,670 --> 00:52:13,319
could not get into the experience and

1252
00:52:19,250 --> 00:52:16,680
that was my first like real life world

1253
00:52:21,589 --> 00:52:19,260
case scenario by wow he closed himself

1254
00:52:23,089 --> 00:52:21,599
off and was not able to connect to

1255
00:52:25,130 --> 00:52:23,099
whatever it was that everybody else is

1256
00:52:26,569 --> 00:52:25,140
connecting to ever since then like I've

1257
00:52:27,650 --> 00:52:26,579
been a big believer you closed yourself

1258
00:52:29,210 --> 00:52:27,660
off

1259
00:52:31,190 --> 00:52:29,220
it's not gonna

1260
00:52:34,190 --> 00:52:31,200
I I have something I want to say here

1261
00:52:36,589 --> 00:52:34,200
which is I'm super fascinated by how the

1262
00:52:38,930 --> 00:52:36,599
experience of aesthetic chill relates to

1263
00:52:40,849 --> 00:52:38,940

people's openness to

1264

00:52:42,890 --> 00:52:40,859

um sort of awe and wonderment and I see

1265

00:52:44,270 --> 00:52:42,900

this actually I I when I interviewed

1266

00:52:45,829 --> 00:52:44,280

Mick West the other night that was the

1267

00:52:47,630 --> 00:52:45,839

question I asked him as if he ever

1268

00:52:51,589 --> 00:52:47,640

experiences aesthetic chill because

1269

00:52:54,530 --> 00:52:51,599

there's a relationship between that and

1270

00:52:56,870 --> 00:52:54,540

um awe and Transcendence where people

1271

00:53:00,049 --> 00:52:56,880

who don't experience aesthetic chill

1272

00:53:01,809 --> 00:53:00,059

tend to also have internal Frameworks

1273

00:53:04,370 --> 00:53:01,819

that are extremely

1274

00:53:06,410 --> 00:53:04,380

materialist in nature and like not

1275

00:53:08,150 --> 00:53:06,420

connected to religion or Divinity or

1276

00:53:09,530 --> 00:53:08,160

this overwhelming sense of awe or

1277

00:53:11,510 --> 00:53:09,540

wonderment that people have when they

1278

00:53:12,650 --> 00:53:11,520

see nature or art or hear certain kinds

1279

00:53:15,470 --> 00:53:12,660

of music

1280

00:53:16,970 --> 00:53:15,480

um and similarly I have this pet theory

1281

00:53:18,890 --> 00:53:16,980

that that also relates to how people

1282

00:53:20,809 --> 00:53:18,900

experience psychedelics like Ayahuasca

1283

00:53:22,849 --> 00:53:20,819

and psilocybin where if they are not

1284

00:53:25,250 --> 00:53:22,859

already inclined to experience that

1285

00:53:27,349 --> 00:53:25,260

aesthetic chill or Frozen

1286

00:53:29,930 --> 00:53:27,359

um in turn those experiences kind of

1287

00:53:31,970 --> 00:53:29,940

lack that spiritual or Divine Dimension

1288

00:53:34,069 --> 00:53:31,980

that is otherwise you know pretty common

1289

00:53:35,750 --> 00:53:34,079

for when people participate in those

1290

00:53:38,890 --> 00:53:35,760

ceremonies

1291

00:53:41,450 --> 00:53:38,900

okay yeah it kind of brings us back

1292

00:53:43,430 --> 00:53:41,460

that kind of brings us back to all these

1293

00:53:45,589 --> 00:53:43,440

things you know occurring

1294

00:53:48,109 --> 00:53:45,599

um you know inside or outside you know

1295

00:53:50,329 --> 00:53:48,119

it made me think of like the slit

1296

00:53:54,490 --> 00:53:50,339

experiment the absorber effect we know

1297

00:53:58,069 --> 00:53:54,500

that uh our observation of the universe

1298

00:54:02,150 --> 00:53:58,079

uh interacts with us like the universe

1299

00:54:04,609 --> 00:54:02,160

kind of uh Ken mold to our intentions or

1300

00:54:05,870 --> 00:54:04,619

our expectations

1301

00:54:08,870 --> 00:54:05,880

um that's interesting that somebody

1302

00:54:11,450 --> 00:54:08,880

would take Ayahuasca and not uh feel it

1303

00:54:13,309 --> 00:54:11,460

it almost makes me I know if they have

1304

00:54:15,549 --> 00:54:13,319

like a gallbladder issue or something or

1305

00:54:18,049 --> 00:54:15,559

they're not metabolized

1306

00:54:20,089 --> 00:54:18,059

because it's kind of like get that call

1307

00:54:22,370 --> 00:54:20,099

Black if you were at the ayahuasca

1308

00:54:24,589 --> 00:54:22,380

ceremony with Tom get that gallbladder

1309

00:54:26,569 --> 00:54:24,599

check that's your cab medical and and

1310

00:54:28,730 --> 00:54:26,579

you can talk to Deb if you need to yeah

1311

00:54:32,150 --> 00:54:28,740

maybe he got the bad batch or something

1312

00:54:35,450 --> 00:54:32,160

you know I don't know he he's very

1313

00:54:36,530 --> 00:54:35,460

straight laced and you know um I know it

1314

00:54:38,569 --> 00:54:36,540

was just really strange because again

1315

00:54:40,549 --> 00:54:38,579

like any of these analogs you take I

1316

00:54:42,049 --> 00:54:40,559

was always on the impression that you're

1317

00:54:44,150 --> 00:54:42,059

gonna you're in for a ride no matter

1318

00:54:47,390 --> 00:54:44,160

what you don't have a choice you know so

1319

00:54:49,010 --> 00:54:47,400

so so so Tom if you have you know that

1320

00:54:52,190 --> 00:54:49,020

that on your laptop you know you have

1321

00:54:54,470 --> 00:54:52,200

that ethernet port but if that if that's

1322

00:54:56,870 --> 00:54:54,480

not turned on like there's a malfunction

1323

00:54:59,089 --> 00:54:56,880

with that ethernet port then even though

1324

00:55:01,849 --> 00:54:59,099

you've got a live port on the wall got

1325

00:55:04,549 --> 00:55:01,859

good ethernet connection to the wall but

1326
00:55:07,210 --> 00:55:04,559
then you plug in and nothing happens

1327
00:55:09,530 --> 00:55:07,220
yeah that's a good point

1328
00:55:11,630 --> 00:55:09,540
you know start all these computer

1329
00:55:13,069 --> 00:55:11,640
analogies what's going on here Deb well

1330
00:55:15,349 --> 00:55:13,079
first of all let me say hello to Nicole

1331
00:55:17,450 --> 00:55:15,359
Ness Nelson right here she said bless

1332
00:55:20,150 --> 00:55:17,460
and thank you thank you for coming and

1333
00:55:22,549 --> 00:55:20,160
joining us obviously you're a Corey fan

1334
00:55:25,510 --> 00:55:22,559
so are we he's got great hair uh Chase

1335
00:55:27,770 --> 00:55:25,520
Howard uh

1336
00:55:31,790 --> 00:55:27,780
what's up buddy

1337
00:55:34,370 --> 00:55:31,800
uh and and Shannon says here

1338
00:55:37,430 --> 00:55:34,380

what does she say though what what

1339

00:55:39,530 --> 00:55:37,440

second wonder story makes me think about

1340

00:55:41,809 --> 00:55:39,540

there being several explanations for

1341

00:55:43,309 --> 00:55:41,819

things like possession oh we're back to

1342

00:55:45,829 --> 00:55:43,319

possession I don't know where Deb's

1343

00:55:48,770 --> 00:55:45,839

going you know what I'm the floor is

1344

00:55:50,809 --> 00:55:48,780

dead so wherever Deb wants to go I guess

1345

00:55:53,150 --> 00:55:50,819

I just wanted to talk about what you're

1346

00:55:55,250 --> 00:55:53,160

excited about with this I mean it's a

1347

00:55:57,230 --> 00:55:55,260

pretty broad question but you know

1348

00:55:59,150 --> 00:55:57,240

obviously there are a million things

1349

00:56:00,530 --> 00:55:59,160

what are you excited about right now and

1350

00:56:02,630 --> 00:56:00,540

I love the fact by the way that you're

1351

00:56:05,089 --> 00:56:02,640

writing notes as we talk

1352

00:56:06,650 --> 00:56:05,099

me yeah it looks like you're writing

1353

00:56:08,210 --> 00:56:06,660

notes yeah I'm writing all kinds of

1354

00:56:10,309 --> 00:56:08,220

notes because you guys are hitting on

1355

00:56:13,430 --> 00:56:10,319

all kinds of things like what am I

1356

00:56:15,470 --> 00:56:13,440

excited about in terms of like current

1357

00:56:18,109 --> 00:56:15,480

uh like like what's happening currently

1358

00:56:19,970 --> 00:56:18,119

yes what are you excited about what what

1359

00:56:22,970 --> 00:56:19,980

is giving you

1360

00:56:25,849 --> 00:56:22,980

um that aesthetic chill right now when

1361

00:56:28,130 --> 00:56:25,859

it comes to the UFOs he may not actually

1362

00:56:30,770 --> 00:56:28,140

experienced it only about like

1363

00:56:34,030 --> 00:56:30,780

two-thirds of people do I don't I'm not

1364

00:56:37,370 --> 00:56:34,040

familiar with the aesthetic chill uh

1365

00:56:40,490 --> 00:56:37,380

it's all yeah I'm gonna

1366

00:56:42,410 --> 00:56:40,500

I'm in a constant state of all I you

1367

00:56:44,329 --> 00:56:42,420

know people talk about meditating I

1368

00:56:46,130 --> 00:56:44,339

actually you know don't meditate it's I

1369

00:56:46,990 --> 00:56:46,140

don't know if I could sit still that

1370

00:56:50,510 --> 00:56:47,000

long

1371

00:56:51,890 --> 00:56:50,520

whatever is going on with me and like if

1372

00:56:54,170 --> 00:56:51,900

you look at my Twitter feed and you see

1373

00:56:57,049 --> 00:56:54,180

like why is he posting all this stuff I

1374

00:56:58,970 --> 00:56:57,059

I can't tell you those things come from

1375

00:57:02,630 --> 00:56:58,980

outside of me I don't know how to say it

1376

00:57:05,089 --> 00:57:02,640

uh but I it's like an into it's like an

1377

00:57:07,670 --> 00:57:05,099

intuition so what am I excited about I'm

1378

00:57:09,410 --> 00:57:07,680

excited about watching uh other people

1379

00:57:12,470 --> 00:57:09,420

come into their own I'm excited about

1380

00:57:14,150 --> 00:57:12,480

watching people uh realize that they

1381

00:57:15,109 --> 00:57:14,160

don't have to live their life on a fear

1382

00:57:18,010 --> 00:57:15,119

you know fear shouldn't be your

1383

00:57:21,109 --> 00:57:18,020

motivator I'm I'm excited to see people

1384

00:57:23,569 --> 00:57:21,119

realize that we truly are brothers and

1385

00:57:25,790 --> 00:57:23,579

sisters that we are all connected that

1386

00:57:28,130 --> 00:57:25,800

you know we that we do have a you know a

1387

00:57:30,170 --> 00:57:28,140

common a common goal you know as like a

1388

00:57:31,910 --> 00:57:30,180

species I'm excited to see people cut

1389

00:57:33,650 --> 00:57:31,920

down their barriers and you know open

1390

00:57:36,170 --> 00:57:33,660

their minds

1391

00:57:38,569 --> 00:57:36,180

um I see that happening you know there's

1392

00:57:40,549 --> 00:57:38,579

a lot of bad things happening you know

1393

00:57:43,250 --> 00:57:40,559

um across the world but on a personal

1394

00:57:44,809 --> 00:57:43,260

level I see so many people doing amazing

1395

00:57:46,309 --> 00:57:44,819

things and that's what really really

1396

00:57:49,309 --> 00:57:46,319

inspires me

1397

00:57:51,530 --> 00:57:49,319

um it's not about me uh that's why I try

1398

00:57:54,710 --> 00:57:51,540

to be anonymous but I'm really about

1399

00:57:56,809 --> 00:57:54,720

pushing other people to ask questions

1400

00:57:58,370 --> 00:57:56,819

um not so they can get objective you

1401

00:58:00,290 --> 00:57:58,380

know answers they can go find this

1402

00:58:02,329 --> 00:58:00,300

document so they can find the subjective

1403

00:58:04,549 --> 00:58:02,339

answers within themselves and I think

1404

00:58:05,930 --> 00:58:04,559

ultimately that's what all of us really

1405

00:58:08,510 --> 00:58:05,940

want

1406

00:58:10,970 --> 00:58:08,520

um is to is to have an answer about you

1407

00:58:14,569 --> 00:58:10,980

know who we are and what's our place in

1408

00:58:16,010 --> 00:58:14,579

this you know this this kind of uh you

1409

00:58:17,690 --> 00:58:16,020

know the scheme that we find ourselves

1410

00:58:22,670 --> 00:58:17,700

in

1411

00:58:24,890 --> 00:58:22,680

same place too Corey like I'm went from

1412

00:58:27,589 --> 00:58:24,900

finding all the information going this

1413

00:58:29,870 --> 00:58:27,599

is amazing now I know it and everyone

1414

00:58:31,670 --> 00:58:29,880

needs to think about it so I appreciate

1415

00:58:32,809 --> 00:58:31,680

that

1416

00:58:35,089 --> 00:58:32,819

yeah

1417

00:58:36,770 --> 00:58:35,099

um I just like on Twitter I I like

1418

00:58:38,930 --> 00:58:36,780

getting conversation started you know

1419

00:58:41,089 --> 00:58:38,940

it's not that I don't have any answers

1420

00:58:42,890 --> 00:58:41,099

it's all conjecture

1421

00:58:44,329 --> 00:58:42,900

um and of course you know I've I've read

1422

00:58:46,549 --> 00:58:44,339

all the same books and watched the same

1423

00:58:47,750 --> 00:58:46,559

documentaries as everyone else

1424

00:58:49,430 --> 00:58:47,760

um but I really just like to put out

1425

00:58:51,170 --> 00:58:49,440

different points of opinion and then I

1426

00:58:52,910 --> 00:58:51,180

love to see like those threads kind of

1427

00:58:55,910 --> 00:58:52,920

Blossom on their own and other people

1428

00:58:58,309 --> 00:58:55,920

hop in maybe they start arguing you know

1429

00:59:00,470 --> 00:58:58,319

uh but I yeah I just love to see that

1430

00:59:02,150 --> 00:59:00,480

you know I kind of I want to Galvanize

1431

00:59:03,470 --> 00:59:02,160

you know people with you know maybe

1432

00:59:06,770 --> 00:59:03,480

something that they haven't heard before

1433

00:59:09,770 --> 00:59:06,780

so I'm trying to find you know rare you

1434

00:59:12,650 --> 00:59:09,780

know rare pieces of uh you know UFO data

1435

00:59:14,030 --> 00:59:12,660

to share but my ultimate goal and I'm

1436

00:59:16,430 --> 00:59:14,040

just kind of going on here to see we're

1437

00:59:18,770 --> 00:59:16,440

running out of time is uh no you're okay

1438

00:59:21,049 --> 00:59:18,780

keep keep going you know his pockets

1439

00:59:23,030 --> 00:59:21,059

when I got on you for Twitter one of the

1440

00:59:25,309 --> 00:59:23,040

first things I noticed is that there was

1441

00:59:27,710 --> 00:59:25,319

no healthy discourse if if someone

1442

00:59:31,670 --> 00:59:27,720

disagreed with you uh they were pretty

1443

00:59:34,430 --> 00:59:31,680

quick to bash you and I also saw that um

1444

00:59:35,990 --> 00:59:34,440

that there was a lack of kind of data

1445

00:59:37,430 --> 00:59:36,000

out there people you know they weren't

1446

00:59:38,870 --> 00:59:37,440

quoting things they were just like Oh I

1447

00:59:41,089 --> 00:59:38,880

thought I heard this and I heard that

1448

00:59:43,910 --> 00:59:41,099

and they would argue and too many times

1449

00:59:46,250 --> 00:59:43,920

I would see two people uh who actually

1450

00:59:48,950 --> 00:59:46,260

agree with one another but they've used

1451

00:59:50,450 --> 00:59:48,960

different ways to frame what what

1452

00:59:52,970 --> 00:59:50,460

they're talking about you know maybe

1453

00:59:54,470 --> 00:59:52,980

different you know different words so I

1454

00:59:58,370 --> 00:59:54,480

said if I'm going to do anything on

1455

01:00:00,710 --> 00:59:58,380

Twitter I have to uh promote healthy

1456

01:00:03,710 --> 01:00:00,720

discourse you know uh positive

1457

01:00:05,450 --> 01:00:03,720

interactions so that's one of my goals

1458

01:00:06,890 --> 01:00:05,460

uh is to if I'm gonna have an

1459

01:00:08,690 --> 01:00:06,900

interaction with you it's going to be

1460

01:00:10,250 --> 01:00:08,700

positive you know even if even if we

1461

01:00:10,990 --> 01:00:10,260

disagree

1462

01:00:14,329 --> 01:00:11,000

um

1463

01:00:16,430 --> 01:00:14,339

and uh so try to cultivate that and I've

1464

01:00:17,930 --> 01:00:16,440

seen that a little bit that more and

1465

01:00:20,270 --> 01:00:17,940

more people are like thank you my friend

1466

01:00:23,390 --> 01:00:20,280

you know I really appreciate that so

1467

01:00:25,250 --> 01:00:23,400

just trying to uh yeah just trying to

1468

01:00:26,750 --> 01:00:25,260

trying to be an example to show you know

1469

01:00:28,549 --> 01:00:26,760

that we all can treat each other a lot

1470

01:00:32,150 --> 01:00:28,559

better and these conversations we want

1471

01:00:33,770 --> 01:00:32,160

to have about UFOs can be a lot easier

1472

01:00:37,609 --> 01:00:33,780

um if we all just be a little bit more

1473

01:00:40,250 --> 01:00:37,619

open-minded and you know get rid of some

1474

01:00:42,289 --> 01:00:40,260

of the some of the barriers we've placed

1475

01:00:44,270 --> 01:00:42,299

around these topics

1476

01:00:46,849 --> 01:00:44,280

because Corey

1477

01:00:48,770 --> 01:00:46,859

yeah sorry do you think so

1478

01:00:51,470 --> 01:00:48,780

what do you think it's going to take to

1479

01:00:53,569 --> 01:00:51,480

Galvanize the rest of the public so to

1480

01:00:54,950 --> 01:00:53,579

speaking outside of UFO Twitter to kind of

1481

01:00:57,410 --> 01:00:54,960

be like oh okay let's take a serious

1482

01:00:59,390 --> 01:00:57,420

look at this because right now if you do

1483

01:01:01,069 --> 01:00:59,400

a poll like most people be like yeah

1484

01:01:03,470 --> 01:01:01,079

they might be out there or whatever

1485

01:01:06,589 --> 01:01:03,480

but they're unaware of

1486

01:01:08,270 --> 01:01:06,599

I guess the legacy of like uh of the

1487

01:01:10,970 --> 01:01:08,280

cover-up as well as investigations going

1488

01:01:13,010 --> 01:01:10,980

on for like you know 75 years so like I

1489

01:01:14,270 --> 01:01:13,020

wonder do you do you think it's going to

1490

01:01:17,450 --> 01:01:14,280

be an event do you think it's going to

1491

01:01:20,030 --> 01:01:17,460

be somebody or or maybe maybe a podcast

1492

01:01:22,309 --> 01:01:20,040

blows It Wide Open I don't know you know

1493

01:01:24,410 --> 01:01:22,319

that is that's a good question I I

1494

01:01:27,170 --> 01:01:24,420

really struggle with that

1495

01:01:29,450 --> 01:01:27,180

um I I can't imagine even if we did have

1496

01:01:31,970 --> 01:01:29,460

the infamous White House lawn Landing

1497

01:01:33,410 --> 01:01:31,980

people would still say that CGI I wasn't

1498

01:01:38,270 --> 01:01:33,420

there

1499

01:01:40,370 --> 01:01:38,280

going to be able to convince everybody

1500

01:01:42,650 --> 01:01:40,380

um all of us we've seen enough you know

1501
01:01:44,270 --> 01:01:42,660
we're we're convinced I also think that

1502
01:01:46,309 --> 01:01:44,280
you know the world and especially the

1503
01:01:48,289 --> 01:01:46,319
American population is desensitized to

1504
01:01:50,569 --> 01:01:48,299
this because it's been there in the

1505
01:01:52,910 --> 01:01:50,579
background their whole life yeah their

1506
01:01:54,650 --> 01:01:52,920
whole life there's been movies so we've

1507
01:01:56,569 --> 01:01:54,660
always known that it's there and when

1508
01:01:59,809 --> 01:01:56,579
you go to check up on it they say ah it

1509
01:02:03,170 --> 01:01:59,819
could be maybe it's not so I I think

1510
01:02:04,849 --> 01:02:03,180
people uh are really open to it but I

1511
01:02:07,069 --> 01:02:04,859
don't think they're ready to incorporate

1512
01:02:08,390 --> 01:02:07,079
it as a part of the reality it's kind of

1513
01:02:11,270 --> 01:02:08,400

like Santa Claus or something they're

1514

01:02:13,250 --> 01:02:11,280

like ah you know it could be well let's

1515

01:02:15,770 --> 01:02:13,260

say Santa Claus I'm saying it's

1516

01:02:17,329 --> 01:02:15,780

something that they put out as a as a

1517

01:02:19,190 --> 01:02:17,339

possibility because it's been you know

1518

01:02:21,410 --> 01:02:19,200

it's a part of our culture

1519

01:02:23,569 --> 01:02:21,420

I personally think on an individual

1520

01:02:25,490 --> 01:02:23,579

level is what it takes I think that you

1521

01:02:28,190 --> 01:02:25,500

have to have individual initiative to be

1522

01:02:30,109 --> 01:02:28,200

curious enough uh and then you go out on

1523

01:02:31,910 --> 01:02:30,119

your journey and you find out something

1524

01:02:35,150 --> 01:02:31,920

that's side effects that satisfies you

1525

01:02:37,130 --> 01:02:35,160

that there's you know something Beyond

1526

01:02:40,730 --> 01:02:37,140

uh but I don't think there's

1527

01:02:43,130 --> 01:02:40,740

yeah a one way to to do it unfortunately

1528

01:02:45,289 --> 01:02:43,140

I think that's awesome sorry galvanized

1529

01:02:47,049 --> 01:02:45,299

on an individual level you know like

1530

01:02:49,849 --> 01:02:47,059

that that's that's a pretty cool thought

1531

01:02:53,270 --> 01:02:49,859

and that that's how we're doing it right

1532

01:02:55,970 --> 01:02:53,280

but but what what Tom is asking about is

1533

01:02:59,569 --> 01:02:55,980

mass acceptance and for Mass acceptance

1534

01:03:01,370 --> 01:02:59,579

you're going to need a mass event so the

1535

01:03:03,770 --> 01:03:01,380

White House Long thing forget about the

1536

01:03:05,930 --> 01:03:03,780

location the location could be a parking

1537

01:03:08,690 --> 01:03:05,940

lot in Des Moines a Walmart parking lot

1538

01:03:11,510 --> 01:03:08,700

the what it what it's going to take is

1539

01:03:14,210 --> 01:03:11,520

where all the news cameras are trained

1540

01:03:16,609 --> 01:03:14,220

on some sort of a craft hovering over a

1541

01:03:19,069 --> 01:03:16,619

City local affiliates have come out so

1542

01:03:20,630 --> 01:03:19,079

no matter which channel you change your

1543

01:03:22,730 --> 01:03:20,640

you know your channel to whether you're

1544

01:03:24,829 --> 01:03:22,740

watching this cable news or that cable

1545

01:03:26,990 --> 01:03:24,839

news or this local news or that local

1546

01:03:30,109 --> 01:03:27,000

news you're going to see oh my God

1547

01:03:33,109 --> 01:03:30,119

there's a craft hovering above a parking

1548

01:03:34,849 --> 01:03:33,119

lot in Des Moines that's when you in

1549

01:03:37,190 --> 01:03:34,859

order to get Mass acceptance you need a

1550

01:03:38,809 --> 01:03:37,200

mass event and anything short of that

1551

01:03:41,569 --> 01:03:38,819

somebody's standing up on a Podium

1552

01:03:43,250 --> 01:03:41,579

saying it is probably probably not going

1553

01:03:45,370 --> 01:03:43,260

to do it because not everybody even

1554

01:03:48,650 --> 01:03:45,380

watches the news or watch a C-SPAN even

1555

01:03:50,089 --> 01:03:48,660

so or would or is going to say well I

1556

01:03:51,770 --> 01:03:50,099

don't trust that government because it's

1557

01:03:54,049 --> 01:03:51,780

that Administration and at the

1558

01:03:56,569 --> 01:03:54,059

administration I like so there's that

1559

01:03:57,950 --> 01:03:56,579

that's that's my thought on that but I

1560

01:04:00,589 --> 01:03:57,960

wanted to get that's good two others

1561

01:04:02,270 --> 01:04:00,599

yeah two other things that that and then

1562

01:04:05,750 --> 01:04:02,280

we got to get to Leah Primetime that

1563

01:04:09,770 --> 01:04:05,760

that um uh relate to what Tom said

1564

01:04:12,770 --> 01:04:09,780

earlier about what's within that's gonna

1565

01:04:14,450 --> 01:04:12,780

enable you to have an experience and

1566

01:04:17,030 --> 01:04:14,460

related to Bigfoot I'm very excited

1567

01:04:19,609 --> 01:04:17,040

about this guy coming on named Terry

1568

01:04:20,630 --> 01:04:19,619

Windell from Rock Hill Bigfoot in South

1569

01:04:23,990 --> 01:04:20,640

Carolina

1570

01:04:26,750 --> 01:04:24,000

and when he went on his first expedition

1571

01:04:28,370 --> 01:04:26,760

he broke away from the group at night to

1572

01:04:31,309 --> 01:04:28,380

go to an area where they were picking up

1573

01:04:33,890 --> 01:04:31,319

trash from loser campers who will leave

1574

01:04:35,750 --> 01:04:33,900

their litter in the woods and he and

1575

01:04:38,030 --> 01:04:35,760

this woman went back to that area where

1576
01:04:40,670 --> 01:04:38,040
they were picking up trash and bagging

1577
01:04:43,549 --> 01:04:40,680
it and this Native American woman said

1578
01:04:44,990 --> 01:04:43,559
so you wanna uh you want to see them

1579
01:04:47,210 --> 01:04:45,000
because they're here

1580
01:04:49,490 --> 01:04:47,220
right right in that wood line so she

1581
01:04:51,589 --> 01:04:49,500
starts talking to them and I don't know

1582
01:04:53,150 --> 01:04:51,599
if they're making noises or whatever and

1583
01:04:54,589 --> 01:04:53,160
he goes I don't see them how do you see

1584
01:04:56,630 --> 01:04:54,599
them she goes you're not supposed to see

1585
01:04:59,690 --> 01:04:56,640
them yet but go ahead and introduce

1586
01:05:01,910 --> 01:04:59,700
yourself so he introduces himself to his

1587
01:05:04,010 --> 01:05:01,920
hi my name's Terry

1588
01:05:06,589 --> 01:05:04,020

um I'm really happy to be here I'm not

1589

01:05:08,870 --> 01:05:06,599

here to invade your space I'm not here

1590

01:05:11,569 --> 01:05:08,880

to cause you any harm I'm just really

1591

01:05:14,270 --> 01:05:11,579

interested in your the way that you live

1592

01:05:15,770 --> 01:05:14,280

and the way that you go about surviving

1593

01:05:18,410 --> 01:05:15,780

in the forest and just want to learn

1594

01:05:21,049 --> 01:05:18,420

about you and so they leave and they go

1595

01:05:23,030 --> 01:05:21,059

back to their tents and that night he

1596

01:05:25,370 --> 01:05:23,040

feels something push into the fabric of

1597

01:05:27,710 --> 01:05:25,380

his tent and touch him with a big finger

1598

01:05:29,750 --> 01:05:27,720

he had one man tent so one man tent you

1599

01:05:31,010 --> 01:05:29,760

know you're not far away from the fabric

1600

01:05:32,510 --> 01:05:31,020

no matter where you're laying in that's

1601

01:05:34,309 --> 01:05:32,520

it

1602

01:05:36,049 --> 01:05:34,319

um and he was just like oh my God buddy

1603

01:05:38,210 --> 01:05:36,059

hurts

1604

01:05:40,789 --> 01:05:38,220

and you can see my camera shaking here

1605

01:05:43,190 --> 01:05:40,799

as it was walking up to his tent so he

1606

01:05:46,609 --> 01:05:43,200

kind of knew what was out there

1607

01:05:48,890 --> 01:05:46,619

um anyway so it's within you know are

1608

01:05:52,250 --> 01:05:48,900

you ready to have an experience you know

1609

01:05:54,530 --> 01:05:52,260

uh I wanna I did have a sighting when I

1610

01:05:56,990 --> 01:05:54,540

was when I was a kid and I haven't had

1611

01:05:59,690 --> 01:05:57,000

anything since then Nathan hasn't had a

1612

01:06:01,789 --> 01:05:59,700

sighting so are we going to have a

1613

01:06:04,970 --> 01:06:01,799

sighting can we manifest that and the

1614

01:06:06,670 --> 01:06:04,980

only thing I think of here uh thank you

1615

01:06:10,069 --> 01:06:06,680

Delta and welcome

1616

01:06:12,890 --> 01:06:10,079

uh for uh joining in and uh giving

1617

01:06:15,770 --> 01:06:12,900

giving some love for our friend Corey

1618

01:06:18,970 --> 01:06:15,780

I wrote The Journey to within never ends

1619

01:06:22,430 --> 01:06:18,980

it is not to manifest a specific event

1620

01:06:25,250 --> 01:06:22,440

so we're constantly trying to evolve and

1621

01:06:28,490 --> 01:06:25,260

to evolve but I don't think we can

1622

01:06:30,770 --> 01:06:28,500

evolve to create an event now obviously

1623

01:06:32,750 --> 01:06:30,780

James idoli has a protocol where he can

1624

01:06:35,150 --> 01:06:32,760

make an event happen but it's a

1625

01:06:39,109 --> 01:06:35,160

collective it's a collective thing right

1626

01:06:40,789 --> 01:06:39,119

the ce5 protocol but I think if we just

1627

01:06:43,730 --> 01:06:40,799

keep looking to evolve the way that

1628

01:06:46,549 --> 01:06:43,740

Corey was talking about within and just

1629

01:06:50,029 --> 01:06:46,559

keep improving our understanding of

1630

01:06:53,089 --> 01:06:50,039

other humans and how they see things and

1631

01:06:54,470 --> 01:06:53,099

try to be empathetic to uh how they're

1632

01:06:55,970 --> 01:06:54,480

dealing with the world and what's

1633

01:06:58,069 --> 01:06:55,980

happened in their life and in their

1634

01:07:00,529 --> 01:06:58,079

experience is the most we can do and

1635

01:07:02,569 --> 01:07:00,539

then if an event happens it happens but

1636

01:07:04,309 --> 01:07:02,579

I'm not sure we can manifest a specific

1637

01:07:06,170 --> 01:07:04,319

event and with that let me go to

1638

01:07:08,930 --> 01:07:06,180

primetime

1639

01:07:10,250 --> 01:07:08,940

yeah sure so one of my questions for you

1640

01:07:12,049 --> 01:07:10,260

is something I like to ask everyone

1641

01:07:14,029 --> 01:07:12,059

who's on this kind of Journey of

1642

01:07:15,589 --> 01:07:14,039

exploration and discovery

1643

01:07:17,750 --> 01:07:15,599

which is if you could talk a little bit

1644

01:07:21,950 --> 01:07:17,760

how about how your views and ideas have

1645

01:07:25,069 --> 01:07:24,349

um you know tremendously

1646

01:07:27,349 --> 01:07:25,079

um

1647

01:07:28,910 --> 01:07:27,359

it's I would say it's maybe it's maybe

1648

01:07:31,490 --> 01:07:28,920

more human

1649

01:07:34,609 --> 01:07:31,500

um because the the phenomena studying

1650

01:07:38,390 --> 01:07:34,619

the phenomena has forced uh me as it

1651
01:07:40,490 --> 01:07:38,400
probably does a lot of people to uh to

1652
01:07:41,809 --> 01:07:40,500
walk away from you know a lot of you

1653
01:07:45,589 --> 01:07:41,819
know our you know if we have you know

1654
01:07:46,370 --> 01:07:45,599
fundamental fundamentalistic beliefs

1655
01:07:48,710 --> 01:07:46,380
um

1656
01:07:50,690 --> 01:07:48,720
you know if

1657
01:07:54,650 --> 01:07:50,700
yeah it made a force for you to kind of

1658
01:07:57,470 --> 01:07:54,660
reframe how you how you see the world

1659
01:07:58,490 --> 01:07:57,480
um it so I guess in shortest made me a

1660
01:08:01,490 --> 01:07:58,500
better person

1661
01:08:03,589 --> 01:08:01,500
I researched this to the point to where

1662
01:08:06,109 --> 01:08:03,599
I realized the only thing that I could

1663
01:08:07,309 --> 01:08:06,119

truly do is to be a better person in the

1664

01:08:09,529 --> 01:08:07,319

Here and Now

1665

01:08:11,930 --> 01:08:09,539

uh that that's that's kind of like about

1666

01:08:14,089 --> 01:08:11,940

that's what my takeaway is and I love

1667

01:08:14,690 --> 01:08:14,099

researching it but

1668

01:08:16,669 --> 01:08:14,700

um

1669

01:08:19,669 --> 01:08:16,679

every chance that I get to have an

1670

01:08:20,870 --> 01:08:19,679

interaction with another person you know

1671

01:08:25,430 --> 01:08:20,880

that's

1672

01:08:26,870 --> 01:08:25,440

moment for me

1673

01:08:30,050 --> 01:08:26,880

um so I don't know if that you know

1674

01:08:32,150 --> 01:08:30,060

answers your question but uh as a part

1675

01:08:35,090 --> 01:08:32,160

of like the Awakening process yeah I've

1676

01:08:36,590 --> 01:08:35,100

I found so much more studying this you

1677

01:08:39,769 --> 01:08:36,600

know more than like nuts and bolts I

1678

01:08:42,289 --> 01:08:39,779

found out that you know again we are we

1679

01:08:44,749 --> 01:08:42,299

are uh creative and uh you start having

1680

01:08:46,910 --> 01:08:44,759

synchronicities with people and those

1681

01:08:48,650 --> 01:08:46,920

are kind of hard uh those are kind of

1682

01:08:50,329 --> 01:08:48,660

hard to understand if you're you can

1683

01:08:52,490 --> 01:08:50,339

have this materialistic way of seeing

1684

01:08:55,130 --> 01:08:52,500

the universe it really it's confounding

1685

01:08:56,510 --> 01:08:55,140

like how does how do these things happen

1686

01:08:59,209 --> 01:08:56,520

so once you have some of those

1687

01:09:01,189 --> 01:08:59,219

experiences yeah it forces you to

1688

01:09:03,169 --> 01:09:01,199

um step outside of your comfort zone a

1689

01:09:05,329 --> 01:09:03,179

little bit and you don't see yourself as

1690

01:09:07,010 --> 01:09:05,339

you know as a black guy or as an

1691

01:09:08,930 --> 01:09:07,020

American you're like all right I'm a

1692

01:09:11,390 --> 01:09:08,940

bean with the other bunch of beings

1693

01:09:13,309 --> 01:09:11,400

having a conscious experience you know

1694

01:09:15,169 --> 01:09:13,319

and I don't want to have anything to do

1695

01:09:17,990 --> 01:09:15,179

with them having a bad conscious

1696

01:09:20,150 --> 01:09:18,000

experience you know so

1697

01:09:20,990 --> 01:09:20,160

um yeah so that's that's how it's helped

1698

01:09:23,269 --> 01:09:21,000

me

1699

01:09:25,010 --> 01:09:23,279

it's such a beautiful answer like Corey

1700

01:09:26,749 --> 01:09:25,020

every time you're you're giving a

1701
01:09:27,890 --> 01:09:26,759
response on this show and thinking like

1702
01:09:29,990 --> 01:09:27,900
this is

1703
01:09:31,910 --> 01:09:30,000
like you were such an inspiration for me

1704
01:09:33,590 --> 01:09:31,920
last summer because I saw you as just

1705
01:09:36,169 --> 01:09:33,600
this emblem of really good faith

1706
01:09:38,990 --> 01:09:36,179
conversation and also someone that

1707
01:09:41,209 --> 01:09:39,000
rather than prescriptively answering

1708
01:09:43,309 --> 01:09:41,219
people's questions just did the humans

1709
01:09:45,950 --> 01:09:43,319
work of sharing resources and sharing

1710
01:09:48,950 --> 01:09:45,960
materials to provide people like their

1711
01:09:50,390 --> 01:09:48,960
own path to navigate I just like I just

1712
01:09:53,870 --> 01:09:50,400
I feel like every answer you're giving

1713
01:09:56,930 --> 01:09:53,880

is my respect and uh affection for you

1714

01:09:59,150 --> 01:09:56,940

just grows it's awesome oh thanks Leia

1715

01:10:00,410 --> 01:09:59,160

that means am I saying and I'm saying it

1716

01:10:02,030 --> 01:10:00,420

late and my wife was like I think her

1717

01:10:05,090 --> 01:10:02,040

name's Leah so I was telling you oh yeah

1718

01:10:06,950 --> 01:10:05,100

it's Leah but honestly like I just I

1719

01:10:08,810 --> 01:10:06,960

like gloss right over it because it's so

1720

01:10:10,910 --> 01:10:08,820

common that people call me Leia I'm just

1721

01:10:12,770 --> 01:10:10,920

like yeah like we're all friends it

1722

01:10:15,350 --> 01:10:12,780

sounds cool yeah a few different

1723

01:10:17,570 --> 01:10:15,360

princesses Star Wars you can claim Star

1724

01:10:19,330 --> 01:10:17,580

Wars I have never heard this before Oh

1725

01:10:21,830 --> 01:10:19,340

my God

1726

01:10:25,570 --> 01:10:21,840

first time lunch time let's go to

1727

01:10:29,270 --> 01:10:25,580

estimate of the situation shut up

1728

01:10:31,550 --> 01:10:29,280

uh well one thing about uh meeting Corey

1729

01:10:34,310 --> 01:10:31,560

in person is like he's a hulking figure

1730

01:10:36,110 --> 01:10:34,320

so you kind of walk up to him like oh

1731

01:10:37,310 --> 01:10:36,120

man like you know he's a little

1732

01:10:38,990 --> 01:10:37,320

intimidating but then like once you

1733

01:10:41,570 --> 01:10:39,000

start talking it's it's actually pretty

1734

01:10:43,970 --> 01:10:41,580

down to earth and you know I I know you

1735

01:10:47,090 --> 01:10:43,980

have a background in the military right

1736

01:10:48,890 --> 01:10:47,100

uh can you talk about that and how that

1737

01:10:51,050 --> 01:10:48,900

shaped your perspective on the

1738

01:10:53,570 --> 01:10:51,060

phenomenon like itself like I know

1739

01:10:56,689 --> 01:10:53,580

you're talking about it earlier how this

1740

01:10:58,250 --> 01:10:56,699

might look like a certain way because of

1741

01:11:00,290 --> 01:10:58,260

that background and like I would love to

1742

01:11:03,470 --> 01:11:00,300

just hear more about that

1743

01:11:05,510 --> 01:11:03,480

yeah so I had research I read so many

1744

01:11:07,010 --> 01:11:05,520

UFO books I remember I was doing my

1745

01:11:08,750 --> 01:11:07,020

security clearance I was like no way

1746

01:11:11,570 --> 01:11:08,760

they're going to give me a clearance man

1747

01:11:13,550 --> 01:11:11,580

because I'm like this guy this guy is

1748

01:11:14,870 --> 01:11:13,560

such a conspiracy nut you know we're not

1749

01:11:16,430 --> 01:11:14,880

gonna let him in the military so I

1750

01:11:18,649 --> 01:11:16,440

remember like telling friends like hey

1751

01:11:20,030 --> 01:11:18,659

man like don't tell them like I'm like a

1752

01:11:23,570 --> 01:11:20,040

UFO on that man they're gonna think I'm

1753

01:11:25,370 --> 01:11:23,580

crazy so what really uh surprised me so

1754

01:11:28,070 --> 01:11:25,380

I get in the military you know my first

1755

01:11:30,709 --> 01:11:28,080

assignment was with f-16s and Masala

1756

01:11:32,030 --> 01:11:30,719

Japan and um you know I'm just a young

1757

01:11:35,270 --> 01:11:32,040

Airman so it's not something you ever

1758

01:11:37,370 --> 01:11:35,280

bring up I I was with a major one day

1759

01:11:40,250 --> 01:11:37,380

and I was sitting at the operations desk

1760

01:11:42,050 --> 01:11:40,260

with them we were launching f-16s and I

1761

01:11:44,450 --> 01:11:42,060

knew that he flew the F-117 out of

1762

01:11:47,209 --> 01:11:44,460

tonopop and I knew he flew when it was

1763

01:11:49,310 --> 01:11:47,219

black right so um and he would talk

1764

01:11:50,689 --> 01:11:49,320

about you know flying out to Tonopah and

1765

01:11:52,490 --> 01:11:50,699

being out there for a week and not

1766

01:11:54,470 --> 01:11:52,500

telling his family they just flying this

1767

01:11:56,450 --> 01:11:54,480

you know stealth crap and I said so what

1768

01:12:00,110 --> 01:11:56,460

do you think about Roswell major

1769

01:12:01,310 --> 01:12:00,120

and uh he he kind of got red and he

1770

01:12:03,229 --> 01:12:01,320

turned toward me and he's like they told

1771

01:12:04,669 --> 01:12:03,239

us what happened they told us and I said

1772

01:12:07,070 --> 01:12:04,679

well what did they tell us it was a

1773

01:12:08,570 --> 01:12:07,080

weather balloon and then he you know

1774

01:12:10,850 --> 01:12:08,580

went back to his PC and I was like oh

1775

01:12:13,550 --> 01:12:10,860

well he got he got the briefing

1776

01:12:15,830 --> 01:12:13,560

um not to talk about certain things

1777

01:12:18,530 --> 01:12:15,840

during my whole time in military I never

1778

01:12:20,870 --> 01:12:18,540

saw anything that led me to believe that

1779

01:12:22,729 --> 01:12:20,880

there were UFOs or aliens or that

1780

01:12:25,070 --> 01:12:22,739

anybody was trying to hide anything at

1781

01:12:26,870 --> 01:12:25,080

all uh outside of you know some of the

1782

01:12:29,630 --> 01:12:26,880

programs that were read into which you

1783

01:12:32,270 --> 01:12:29,640

know which you know uh you know keep

1784

01:12:35,270 --> 01:12:32,280

this keep our country safe so that was

1785

01:12:37,070 --> 01:12:35,280

surprising to me and I never got nobody

1786

01:12:39,169 --> 01:12:37,080

ever sat me down and said don't talk

1787

01:12:42,770 --> 01:12:39,179

about UFOs or if you see a UFO don't

1788

01:12:44,990 --> 01:12:42,780

report it so there was like no protocols

1789

01:12:46,790 --> 01:12:45,000

um when I went to get my top secret

1790

01:12:47,990 --> 01:12:46,800

clearance I really thought they were

1791

01:12:49,729 --> 01:12:48,000

gonna you know come down on me because

1792

01:12:51,290 --> 01:12:49,739

that's when they look more granular into

1793

01:12:53,030 --> 01:12:51,300

your background

1794

01:12:54,649 --> 01:12:53,040

um but no it you know it never it never

1795

01:12:57,590 --> 01:12:54,659

came up

1796

01:12:59,930 --> 01:12:57,600

um as uh as a topic

1797

01:13:01,189 --> 01:12:59,940

and that led me to believe that they

1798

01:13:03,169 --> 01:13:01,199

were really good at what they do because

1799

01:13:04,910 --> 01:13:03,179

I know there was a reality to it so I

1800

01:13:06,770 --> 01:13:04,920

said that you know this must be

1801

01:13:10,550 --> 01:13:06,780

absolutely separate from the regular Air

1802

01:13:12,229 --> 01:13:10,560

Force and you know probably my rank and

1803

01:13:13,610 --> 01:13:12,239

file you know we're in the regular Air

1804

01:13:14,750 --> 01:13:13,620

Force doesn't have anything to do with

1805

01:13:16,010 --> 01:13:14,760

it so if you ask them they're probably

1806

01:13:17,030 --> 01:13:16,020

telling you the truth there's nothing to

1807

01:13:21,410 --> 01:13:17,040

see

1808

01:13:24,530 --> 01:13:21,420

these events uh around the world like

1809

01:13:27,110 --> 01:13:24,540

over the last like 75 years or so do you

1810

01:13:28,910 --> 01:13:27,120

have like a specific lens at which you

1811

01:13:31,430 --> 01:13:28,920

view it as like oh this might be what

1812

01:13:34,370 --> 01:13:31,440

they're doing or this might be what like

1813

01:13:37,070 --> 01:13:34,380

a reconnaissance mission or is it beyond

1814

01:13:39,890 --> 01:13:37,080

all of that you know like yeah that's

1815

01:13:43,189 --> 01:13:39,900

yeah I just based on what I've read I do

1816

01:13:45,229 --> 01:13:43,199

think that there is uh there's there's a

1817

01:13:47,450 --> 01:13:45,239

team yeah there's there's a team of

1818

01:13:50,510 --> 01:13:47,460

professionals who probably deploy deploy

1819

01:13:53,209 --> 01:13:50,520

globally uh to mitigate these things

1820

01:13:55,370 --> 01:13:53,219

whether it's somebody saw a UFO sighting

1821

01:13:57,470 --> 01:13:55,380

and they want you to think that you saw

1822

01:14:01,010 --> 01:13:57,480

a military you know helicopter so now

1823

01:14:03,110 --> 01:14:01,020

they go fly a bunch of helicopters uh or

1824

01:14:04,910 --> 01:14:03,120

there could be operations where they

1825

01:14:07,310 --> 01:14:04,920

want people for whatever reason to think

1826

01:14:08,870 --> 01:14:07,320

that they did see a UFO and maybe they

1827

01:14:10,970 --> 01:14:08,880

do that too

1828

01:14:13,430 --> 01:14:10,980

so I think there's a lot of operations

1829

01:14:15,830 --> 01:14:13,440

that we're not aware of that are

1830

01:14:18,410 --> 01:14:15,840

designed to uh

1831

01:14:21,350 --> 01:14:18,420

um control our perceptions you know like

1832

01:14:22,910 --> 01:14:21,360

uh we've been socially engineered if you

1833

01:14:25,450 --> 01:14:22,920

will and I also think that there's a

1834

01:14:27,350 --> 01:14:25,460

long you know a long-term

1835

01:14:29,810 --> 01:14:27,360

acclimatization program that's been

1836

01:14:31,910 --> 01:14:29,820

going on you know probably since you

1837

01:14:33,590 --> 01:14:31,920

know The Day the Earth should still uh

1838

01:14:35,149 --> 01:14:33,600

came out you can go back to that movie

1839

01:14:36,950 --> 01:14:35,159

and still some of the things that we're

1840

01:14:37,790 --> 01:14:36,960

talking about today you'll find in that

1841

01:14:41,149 --> 01:14:37,800

film

1842

01:14:43,550 --> 01:14:41,159

so yeah I think there's a big

1843

01:14:45,470 --> 01:14:43,560

and there's a big charade kind of kind

1844

01:14:47,270 --> 01:14:45,480

of going on if you will I think there

1845

01:14:48,530 --> 01:14:47,280

are a lot of people who do know exactly

1846

01:14:53,689 --> 01:14:48,540

what's going on in this part of their

1847

01:14:57,950 --> 01:14:56,570

oh sorry I was going to say

1848

01:14:59,270 --> 01:14:57,960

um

1849

01:15:02,930 --> 01:14:59,280

from my

1850

01:15:05,570 --> 01:15:02,940

perspective I had 4 000 hours of flying

1851

01:15:07,610 --> 01:15:05,580

and never saw a thing uh on three

1852

01:15:09,470 --> 01:15:07,620

different continents you know with the

1853

01:15:11,870 --> 01:15:09,480

Air Force and never saw anything other

1854

01:15:15,229 --> 01:15:11,880

than my sighting when I was like 15 14

1855

01:15:18,649 --> 01:15:15,239

or 15 years old I think it was

1856

01:15:20,330 --> 01:15:18,659

the beginning of 10th grade so from that

1857

01:15:22,430 --> 01:15:20,340

for a second the other thing that Tom

1858

01:15:23,930 --> 01:15:22,440

asked about how it shapes you one of the

1859

01:15:26,450 --> 01:15:23,940

things I like about being part of this

1860

01:15:29,330 --> 01:15:26,460

community is that

1861

01:15:32,090 --> 01:15:29,340

to be part of the Air Force you have to

1862

01:15:34,510 --> 01:15:32,100

really harden yourself emotionally you

1863

01:15:37,729 --> 01:15:34,520

can't be somebody that is going to cry

1864

01:15:40,490 --> 01:15:37,739

at something that you see you might be

1865

01:15:42,709 --> 01:15:40,500

overseas and see starving animals you

1866

01:15:43,910 --> 01:15:42,719

may be you see a lot of things that you

1867

01:15:47,090 --> 01:15:43,920

don't want to see you may see dead

1868

01:15:48,290 --> 01:15:47,100

people in some cases you may be part of

1869

01:15:50,750 --> 01:15:48,300

a gunship

1870

01:15:53,870 --> 01:15:50,760

crew that makes people dead

1871

01:15:57,890 --> 01:15:55,430

I love coming in this community because

1872

01:15:59,990 --> 01:15:57,900

I can open up now and I can feel these

1873

01:16:03,169 --> 01:16:00,000

emotions and see people who are

1874

01:16:05,390 --> 01:16:03,179

struggling with everyday things and now

1875

01:16:07,850 --> 01:16:05,400

be open to that where I wouldn't have

1876

01:16:09,649 --> 01:16:07,860

been opened I don't think during

1877

01:16:12,290 --> 01:16:09,659

uh during the course of my career

1878

01:16:14,149 --> 01:16:12,300

because it's not it's not healthy for

1879

01:16:17,090 --> 01:16:14,159

you to be that way you have to be able

1880

01:16:19,189 --> 01:16:17,100

to toughen up in order to do that job

1881

01:16:21,890 --> 01:16:19,199

the other thing about disclosure I would

1882

01:16:24,350 --> 01:16:21,900

say is that um I'll repeat kind of what

1883

01:16:27,649 --> 01:16:24,360

Jim semivan said they certainly know

1884

01:16:30,470 --> 01:16:27,659

more than what we know meaning the USG

1885

01:16:32,090 --> 01:16:30,480

but they don't know everything and the

1886

01:16:34,370 --> 01:16:32,100

conundrum for them

1887

01:16:37,010 --> 01:16:34,380

as he said and if you want to listen to

1888

01:16:38,510 --> 01:16:37,020

a great interview and and I'm not

1889

01:16:40,850 --> 01:16:38,520

somebody who's always promoting cab

1890

01:16:42,890 --> 01:16:40,860

stuff I think Stuart Davis's interview

1891

01:16:46,010 --> 01:16:42,900

with Jim semivan was even better than

1892

01:16:47,510 --> 01:16:46,020

our interview with Jim some event uh and

1893

01:16:48,830 --> 01:16:47,520

I thought we did a great interview but I

1894

01:16:52,610 --> 01:16:48,840

thought his was better

1895

01:16:54,290 --> 01:16:52,620

and he said they're at a loss to be able

1896

01:16:55,669 --> 01:16:54,300

to explain something that they don't

1897

01:16:58,669 --> 01:16:55,679

understand

1898

01:17:01,970 --> 01:16:58,679

because as a as a person who's

1899

01:17:03,830 --> 01:17:01,980

responsible whether you own a store and

1900

01:17:06,229 --> 01:17:03,840

somebody a customer comes up and asks

1901

01:17:07,790 --> 01:17:06,239

you what's going on in your store and

1902

01:17:09,050 --> 01:17:07,800

you you can't explain to them what's

1903

01:17:10,370 --> 01:17:09,060

going on they're like you don't even

1904

01:17:12,350 --> 01:17:10,380

know what's going on in your own store

1905

01:17:14,450 --> 01:17:12,360

I'm not in it I don't need to shop here

1906

01:17:16,970 --> 01:17:14,460

from their perspective

1907

01:17:18,229 --> 01:17:16,980

it's very and not that's not to say I

1908

01:17:20,290 --> 01:17:18,239

agree with

1909

01:17:23,570 --> 01:17:20,300

ruining people's careers

1910

01:17:25,370 --> 01:17:23,580

lying with threatening people with

1911

01:17:28,130 --> 01:17:25,380

intimidating people with making

1912

01:17:30,709 --> 01:17:28,140

experiments on people that are immoral

1913

01:17:32,510 --> 01:17:30,719

with all these different things that we

1914

01:17:34,189 --> 01:17:32,520

all know everybody on this panel knows

1915

01:17:37,130 --> 01:17:34,199

that have happened so that's not

1916

01:17:39,110 --> 01:17:37,140

excusing or saying I agree with that but

1917

01:17:40,250 --> 01:17:39,120

understanding and agreeing are two

1918

01:17:42,709 --> 01:17:40,260

different things

1919

01:17:44,330 --> 01:17:42,719

and for them it's very difficult for

1920

01:17:46,490 --> 01:17:44,340

them to say yes we know there's

1921

01:17:49,250 --> 01:17:46,500

something out there we don't control it

1922

01:17:51,410 --> 01:17:49,260

we can't control it it can outfly us

1923

01:17:55,250 --> 01:17:51,420

that's not something you stand up on a

1924

01:17:57,530 --> 01:17:55,260

Podium as somebody who asserts dominion

1925

01:17:59,510 --> 01:17:57,540

over the Skies of the United States and

1926

01:18:01,490 --> 01:17:59,520

in fact globally if necessary you don't

1927

01:18:03,410 --> 01:18:01,500

you don't make that statement because it

1928

01:18:05,750 --> 01:18:03,420

makes you look inept it makes you look

1929

01:18:07,970 --> 01:18:05,760

weak and the Russians would Feast on

1930

01:18:11,630 --> 01:18:07,980

that as with the Chinese

1931

01:18:16,430 --> 01:18:11,640

that's very well said well said I agree

1932

01:18:19,250 --> 01:18:16,440

so I wanted to ask you if you think your

1933

01:18:21,590 --> 01:18:19,260

Heroes which I can identify are of

1934

01:18:25,070 --> 01:18:21,600

course John keel

1935

01:18:27,770 --> 01:18:25,080

Jack fully chocolate and then Charles

1936

01:18:29,750 --> 01:18:27,780

Fort are going to be validated in the

1937

01:18:31,729 --> 01:18:29,760

future if you think we're on the path of

1938

01:18:34,910 --> 01:18:31,739

validating these people that have been

1939

01:18:37,370 --> 01:18:34,920

keeping track of this ex small

1940

01:18:40,010 --> 01:18:37,380

phenomenon

1941

01:18:43,430 --> 01:18:40,020

yeah yes I do I think they're going to

1942

01:18:45,410 --> 01:18:43,440

be about uh validated and I think a lot

1943

01:18:47,330 --> 01:18:45,420

of researchers you know uh you get the

1944

01:18:50,270 --> 01:18:47,340

you know Grant Cameron in there you know

1945

01:18:54,530 --> 01:18:50,280

Richard Dolan but specifically Keel and

1946

01:18:57,590 --> 01:18:54,540

valet because they they really uh

1947

01:18:59,930 --> 01:18:57,600

you know ballet for a long time the UFC

1948

01:19:02,030 --> 01:18:59,940

Community was really upset with him

1949

01:19:03,890 --> 01:19:02,040

because they wanted uh you know a nuts

1950

01:19:05,870 --> 01:19:03,900

and bolts approach to aliens and what

1951

01:19:09,169 --> 01:19:05,880

planet are they coming from and valet

1952

01:19:12,169 --> 01:19:09,179

you know was talking about you know uh

1953

01:19:15,050 --> 01:19:12,179

multiple dimensions and uh crypto

1954

01:19:16,669 --> 01:19:15,060

terrestrials and ultra-terrestrials uh

1955

01:19:19,310 --> 01:19:16,679

just like John Keel was talking about

1956

01:19:21,890 --> 01:19:19,320

the super super Spectrum which is this

1957

01:19:25,790 --> 01:19:21,900

you know this field of of energy that

1958

01:19:28,010 --> 01:19:25,800

we're kind of swimming in so uh ten

1959

01:19:30,590 --> 01:19:28,020

years ago not I would say less than half

1960

01:19:33,290 --> 01:19:30,600

of the community really had made their

1961

01:19:36,110 --> 01:19:33,300

way to Consciousness and now I see on

1962

01:19:38,510 --> 01:19:36,120

UFO Twitter it's pretty uh ubiquitous

1963

01:19:41,330 --> 01:19:38,520

everyone knows that there's something

1964

01:19:42,709 --> 01:19:41,340

that uh that that that's fundamental at

1965

01:19:45,410 --> 01:19:42,719

the conscious level that's connected to

1966

01:19:47,930 --> 01:19:45,420

UFOs so I think that uh they're yeah

1967

01:19:50,149 --> 01:19:47,940

they're being validated uh more and more

1968

01:19:53,450 --> 01:19:50,159

not that they had the answers but I

1969

01:19:56,030 --> 01:19:53,460

think that they were probably closest uh

1970

01:19:58,550 --> 01:19:56,040

to trying to describe you know what this

1971

01:20:00,950 --> 01:19:58,560

what this might be

1972

01:20:04,430 --> 01:20:00,960

and we got 10 minutes to wrap it up so

1973

01:20:05,810 --> 01:20:04,440

let's go with Liam prime time

1974

01:20:08,090 --> 01:20:05,820

awesome

1975

01:20:10,610 --> 01:20:08,100

um so I I'm gonna ask another question

1976

01:20:14,270 --> 01:20:10,620

which is if there are any particular

1977

01:20:16,610 --> 01:20:14,280

cases or subjects that you keep coming

1978

01:20:17,990 --> 01:20:16,620

back to that have continued to Captivate

1979

01:20:20,390 --> 01:20:18,000

you over time

1980

01:20:22,610 --> 01:20:20,400

oh really good question

1981

01:20:24,530 --> 01:20:22,620

um definitely the Nazis you know what

1982

01:20:26,570 --> 01:20:24,540

happened to the Nazis after World War II

1983

01:20:29,330 --> 01:20:26,580

you know I'm a big fan of uh Peter

1984

01:20:30,950 --> 01:20:29,340

lavender and uh you know Joseph Farrow

1985

01:20:33,530 --> 01:20:30,960

has written a lot of good books so

1986

01:20:36,950 --> 01:20:33,540

there's no question it's amazing who's

1987

01:20:40,130 --> 01:20:36,960

that lavinda lavender yeah gosh yeah

1988

01:20:41,030 --> 01:20:40,140

Sinister forces which really ties he's a

1989

01:20:43,310 --> 01:20:41,040

real one

1990

01:20:45,050 --> 01:20:43,320

yeah I mean I think he went to Bobby

1991

01:20:47,090 --> 01:20:45,060

Kennedy's funeral when he was like a kid

1992

01:20:50,510 --> 01:20:47,100

he dressed up as a bishop and snuck into

1993

01:20:53,470 --> 01:20:50,520

the to the to the the church

1994

01:20:57,770 --> 01:20:53,480

um wow

1995

01:21:00,050 --> 01:20:57,780

uh what was the question again

1996

01:21:04,970 --> 01:21:00,060

oh good the question was whether or

1997

01:21:09,590 --> 01:21:07,250

can you know enthrall you basically so

1998

01:21:11,689 --> 01:21:09,600

definitely the Nazis definitely what was

1999

01:21:13,310 --> 01:21:11,699

going on with the occult you know the

2000

01:21:16,250 --> 01:21:13,320

the different occult side he's you know

2001
01:21:18,950 --> 01:21:16,260
theosophy uh the fool Society you know

2002
01:21:21,950 --> 01:21:18,960
Aleister Crowley

2003
01:21:24,290 --> 01:21:21,960
um you know the The Babylon you know

2004
01:21:25,610 --> 01:21:24,300
ritual uh that they did out in the

2005
01:21:26,270 --> 01:21:25,620
desert

2006
01:21:28,490 --> 01:21:26,280
um

2007
01:21:31,250 --> 01:21:28,500
some of our programs you know what kind

2008
01:21:34,370 --> 01:21:31,260
of programs did the US government you

2009
01:21:37,790 --> 01:21:34,380
know put in the place to uh to mitigate

2010
01:21:41,209 --> 01:21:37,800
you know the effects of the phenomenon

2011
01:21:42,470 --> 01:21:41,219
um so MK Ultra you know comes to mind

2012
01:21:44,149 --> 01:21:42,480
um

2013
01:21:46,550 --> 01:21:44,159

and then I would say one of my favorite

2014

01:21:48,890 --> 01:21:46,560

UFO case itself is probably aligning

2015

01:21:52,250 --> 01:21:48,900

with Lonnie Zamora so this is out in I

2016

01:21:53,990 --> 01:21:52,260

think 1965 and Socorro New Mexico it was

2017

01:21:56,330 --> 01:21:54,000

it was a it's just a really credible

2018

01:21:59,450 --> 01:21:56,340

case uh you know we have a credible

2019

01:22:01,250 --> 01:21:59,460

eyewitness you have ground traces uh you

2020

01:22:04,430 --> 01:22:01,260

have the Air Force is on site you know

2021

01:22:07,189 --> 01:22:04,440

within 20 30 minutes you have pictures

2022

01:22:10,910 --> 01:22:07,199

um it's not far it wasn't far from the

2023

01:22:12,649 --> 01:22:10,920

White Sands Missile Range so it was a

2024

01:22:14,390 --> 01:22:12,659

great case and I'm interested in it

2025

01:22:16,610 --> 01:22:14,400

because I think it could have been an

2026

01:22:19,490 --> 01:22:16,620

experimental aircraft

2027

01:22:21,350 --> 01:22:19,500

um just uh or the the aliens were trying

2028

01:22:23,810 --> 01:22:21,360

to they missed their landing spot at

2029

01:22:25,310 --> 01:22:23,820

White Sands but uh no it's a very

2030

01:22:29,030 --> 01:22:25,320

interesting case that's hopefully one

2031

01:22:31,070 --> 01:22:29,040

day we we find out you know what um what

2032

01:22:33,649 --> 01:22:31,080

he saw you know if it was an experiment

2033

01:22:36,229 --> 01:22:33,659

on a craft or if it was uh something

2034

01:22:38,090 --> 01:22:36,239

outside

2035

01:22:40,310 --> 01:22:38,100

yeah it's interesting because what they

2036

01:22:44,030 --> 01:22:40,320

described it doesn't the propulsion

2037

01:22:47,450 --> 01:22:44,040

system doesn't sound like uh doesn't

2038

01:22:49,669 --> 01:22:47,460

sound like uh what we know to be the

2039

01:22:51,890 --> 01:22:49,679

kind of tech that doesn't emit you know

2040

01:22:53,450 --> 01:22:51,900

IR light that doesn't have thermodynamic

2041

01:22:56,870 --> 01:22:53,460

properties that we can visually see

2042

01:23:00,530 --> 01:22:56,880

however applying something that looks

2043

01:23:02,270 --> 01:23:00,540

like a saucer is much much more

2044

01:23:04,430 --> 01:23:02,280

difficult from an aerodynamic because

2045

01:23:05,930 --> 01:23:04,440

now we're talking about an aircraft and

2046

01:23:08,510 --> 01:23:05,940

when we talk about something like a Tic

2047

01:23:10,430 --> 01:23:08,520

Tac or we talk about uh the what Ryan

2048

01:23:12,709 --> 01:23:10,440

Graves saw we're not talking about an

2049

01:23:15,050 --> 01:23:12,719

aircraft because it doesn't require

2050

01:23:17,570 --> 01:23:15,060

interaction with the air to operate

2051

01:23:20,090 --> 01:23:17,580

meaning it doesn't need ailerons and

2052

01:23:23,930 --> 01:23:20,100

Rudders and elevators to go up and down

2053

01:23:25,850 --> 01:23:23,940

and so to fly a craft like that that

2054

01:23:28,490 --> 01:23:25,860

would be saucer shape which is what he

2055

01:23:30,050 --> 01:23:28,500

described a Round Disc it would it's

2056

01:23:32,390 --> 01:23:30,060

kind of like would take like a

2057

01:23:34,610 --> 01:23:32,400

propulsion system like a Harrier jet it

2058

01:23:36,770 --> 01:23:34,620

would be very noisy you would see jet

2059

01:23:38,270 --> 01:23:36,780

blasts coming down and the amount of

2060

01:23:40,310 --> 01:23:38,280

fuel that you would use to move

2061

01:23:41,990 --> 01:23:40,320

something like that people don't

2062

01:23:44,270 --> 01:23:42,000

understand how much energy it takes to

2063

01:23:47,390 --> 01:23:44,280

hover a helicopter well if you're going

2064

01:23:49,850 --> 01:23:47,400

to do that from White Sands to Socorro or

2065

01:23:51,350 --> 01:23:49,860

even Albuquerque to Socorro men it's

2066

01:23:52,310 --> 01:23:51,360

going to be a flying gas tank I don't

2067

01:23:55,010 --> 01:23:52,320

know if there's going to be any room for

2068

01:23:58,070 --> 01:23:55,020

anybody inside knowing that these

2069

01:24:00,290 --> 01:23:58,080

engines are using you know uh you know

2070

01:24:02,149 --> 01:24:00,300

five thousand pounds an hour of gas or

2071

01:24:05,149 --> 01:24:02,159

something like that you know so anyway

2072

01:24:07,189 --> 01:24:05,159

uh you know I was gonna say I'm sorry go

2073

01:24:08,510 --> 01:24:07,199

ahead no go ahead go ahead I was gonna

2074

01:24:10,490 --> 01:24:08,520

say I remember when I was in the

2075

01:24:12,649 --> 01:24:10,500

military they told me it was like 6 500

2076

01:24:14,510 --> 01:24:12,659

an hour in gas just to fly it you know

2077

01:24:16,310 --> 01:24:14,520

an F-16

2078

01:24:18,470 --> 01:24:16,320

um but back to the Sapporo they're

2079

01:24:20,930 --> 01:24:18,480

actually there actually was

2080

01:24:23,209 --> 01:24:20,940

um uh a crater a blast like a small

2081

01:24:26,450 --> 01:24:23,219

blast yeah so when that craft took off

2082

01:24:29,689 --> 01:24:26,460

uh so it did seem like sort of a hybrid

2083

01:24:31,610 --> 01:24:29,699

craft and um I am in the school that I

2084

01:24:33,950 --> 01:24:31,620

do take it for granted that we do have

2085

01:24:36,709 --> 01:24:33,960

these Technologies I don't know how far

2086

01:24:38,090 --> 01:24:36,719

I Advanced but I think that is a big

2087

01:24:39,890 --> 01:24:38,100

part of the cover-up I absolutely do

2088

01:24:42,310 --> 01:24:39,900

think that we have these Technologies if

2089

01:24:42,950 --> 01:24:42,320

you go back to like T towns and brown

2090

01:24:43,490 --> 01:24:42,960

[Music]

2091

01:24:46,130 --> 01:24:43,500

um

2092

01:24:47,390 --> 01:24:46,140

uh I I think that they discovered some

2093

01:24:49,729 --> 01:24:47,400

of these

2094

01:24:53,510 --> 01:24:49,739

um Technologies in the 20s 30s and 40s

2095

01:24:55,729 --> 01:24:53,520

and but they were so revolutionary

2096

01:24:57,350 --> 01:24:55,739

uh how do you incorporate them into your

2097

01:25:00,169 --> 01:24:57,360

into the world

2098

01:25:02,270 --> 01:25:00,179

um navigating is another thing you know

2099

01:25:03,770 --> 01:25:02,280

you you hop on board a craft that is

2100

01:25:06,649 --> 01:25:03,780

made by some sort of a another

2101
01:25:08,390 --> 01:25:06,659
intelligence okay how do we navigate you

2102
01:25:10,850 --> 01:25:08,400
know how do you you know how do you

2103
01:25:12,530 --> 01:25:10,860
modulate power in order to hover in

2104
01:25:14,810 --> 01:25:12,540
order to take off in order to move

2105
01:25:16,610 --> 01:25:14,820
vertically there's a lot of things that

2106
01:25:18,950 --> 01:25:16,620
we take for granted that you see in

2107
01:25:20,689 --> 01:25:18,960
aircraft do but if you board something

2108
01:25:22,669 --> 01:25:20,699
that was created by another intelligence

2109
01:25:24,590 --> 01:25:22,679
you have to understand how to direct it

2110
01:25:27,470 --> 01:25:24,600
to do these things how do you navigate

2111
01:25:31,490 --> 01:25:27,480
do they have Google Maps up there in you

2112
01:25:33,890 --> 01:25:31,500
know in 60 64. I mean I so there's just

2113
01:25:36,410 --> 01:25:33,900

there's a lot of things you go to 19

2114

01:25:38,270 --> 01:25:36,420

inquired so you're gonna now I'm getting

2115

01:25:40,970 --> 01:25:38,280

fired up so you go to 1980 you go to the

2116

01:25:44,090 --> 01:25:40,980

Cash Land room 1980 it was actually the

2117

01:25:46,370 --> 01:25:44,100

same month as rendersham forest and uh

2118

01:25:49,910 --> 01:25:46,380

you know that was it Vicki Landrum uh

2119

01:25:52,010 --> 01:25:49,920

you know coldly and Betty cash they saw

2120

01:25:53,810 --> 01:25:52,020

a craft it was diamond shaped it did

2121

01:25:55,370 --> 01:25:53,820

have a Thrust coming out of the bottom

2122

01:25:57,590 --> 01:25:55,380

and I think even Rick Doherty said that

2123

01:25:59,270 --> 01:25:57,600

that was one of our E.T craft that we

2124

01:26:01,970 --> 01:25:59,280

had reverse engineered and what's

2125

01:26:03,830 --> 01:26:01,980

interesting about that case is that not

2126
01:26:05,030 --> 01:26:03,840
only did they suffer from radiation you

2127
01:26:07,790 --> 01:26:05,040
know poisoning you know they had

2128
01:26:11,510 --> 01:26:07,800
terrible Burns but there was about uh 20

2129
01:26:13,129 --> 01:26:11,520
to 23 double rotor craft uh helicopters

2130
01:26:16,070 --> 01:26:13,139
that were flying with that craft in

2131
01:26:19,610 --> 01:26:16,080
Texas so that was a yeah that was a big

2132
01:26:21,830 --> 01:26:19,620
part and for me Corey yeah Corey you you

2133
01:26:24,530 --> 01:26:21,840
be involved in in operations you know

2134
01:26:27,229 --> 01:26:24,540
what it takes to launch 23 aircraft if

2135
01:26:30,229 --> 01:26:27,239
you have 23 flyable aircraft and 23

2136
01:26:33,110 --> 01:26:30,239
Crews ready to board and take off at

2137
01:26:34,610 --> 01:26:33,120
relatively the same time uh well when

2138
01:26:36,950 --> 01:26:34,620

I've seen that happen it bases like

2139

01:26:38,629 --> 01:26:36,960

Little Rock you're talking that's week's

2140

01:26:40,850 --> 01:26:38,639

worth of coordination and maintenance to

2141

01:26:43,610 --> 01:26:40,860

make that kind of an effort happen so I

2142

01:26:46,250 --> 01:26:43,620

I hear that but and you know what Rick

2143

01:26:49,129 --> 01:26:46,260

Doherty is a is a friend of mine uh I

2144

01:26:51,050 --> 01:26:49,139

like and respect him a lot uh and we may

2145

01:26:53,330 --> 01:26:51,060

we may disagree on some things and also

2146

01:26:55,910 --> 01:26:53,340

I would have to pick his brain on that

2147

01:26:56,930 --> 01:26:55,920

specific case which I I actually talked

2148

01:26:59,390 --> 01:26:56,940

to him

2149

01:27:00,649 --> 01:26:59,400

three weeks ago and we just used like so

2150

01:27:02,689 --> 01:27:00,659

what do you do for a living and he's

2151

01:27:07,189 --> 01:27:02,699

kind of like he was like interviewing me

2152

01:27:08,629 --> 01:27:07,199

so anyways anyway uh he cut his mustache

2153

01:27:10,310 --> 01:27:08,639

I saw you guys have a hard time for

2154

01:27:11,990 --> 01:27:10,320

cutting his mustache by the way I love I

2155

01:27:14,450 --> 01:27:12,000

love it man I love some Rick Doty but

2156

01:27:16,250 --> 01:27:14,460

you know what we got to give uh get Tom

2157

01:27:17,629 --> 01:27:16,260

in there and then we'll go with uh Gabby

2158

01:27:20,149 --> 01:27:17,639

goodbyes

2159

01:27:22,250 --> 01:27:20,159

yeah I guess I just would offer like a

2160

01:27:23,510 --> 01:27:22,260

domestic example of what you were

2161

01:27:25,070 --> 01:27:23,520

talking about like how we take some of

2162

01:27:26,570 --> 01:27:25,080

these Technologies for granted that we

2163

01:27:29,629 --> 01:27:26,580

might have had them

2164

01:27:32,629 --> 01:27:29,639

um we know that new um what the B what

2165

01:27:34,610 --> 01:27:32,639

was it b-51 uh the new this the spirit

2166

01:27:37,430 --> 01:27:34,620

bomber that just came out right which is

2167

01:27:40,250 --> 01:27:37,440

an iteration of some might say the

2168

01:27:42,350 --> 01:27:40,260

Horton's flying wing but also yeah so

2169

01:27:46,189 --> 01:27:42,360

the Northwest was also developing it in

2170

01:27:49,189 --> 01:27:46,199

1947 and like aerodynamically that craft

2171

01:27:50,810 --> 01:27:49,199

was was ahead of its time you know the

2172

01:27:54,229 --> 01:27:50,820

reason they weren't able to implement it

2173

01:27:55,790 --> 01:27:54,239

both Germany and and also over here in

2174

01:27:58,669 --> 01:27:55,800

the late 40s was because they weren't

2175

01:28:00,770 --> 01:27:58,679

able to keep it level until like we were

2176

01:28:02,870 --> 01:28:00,780

able to like install computer from what

2177

01:28:06,229 --> 01:28:02,880

I understand like an algorithm now keep

2178

01:28:08,209 --> 01:28:06,239

it level as it would travel so we yeah

2179

01:28:10,490 --> 01:28:08,219

so we we are

2180

01:28:12,830 --> 01:28:10,500

most of the time we're ahead of the our

2181

01:28:14,629 --> 01:28:12,840

time we're waiting to implement that

2182

01:28:16,490 --> 01:28:14,639

technology somehow in a way that makes

2183

01:28:18,350 --> 01:28:16,500

it feasible so I just thought it was a

2184

01:28:20,209 --> 01:28:18,360

really cool contrast that like you know

2185

01:28:22,129 --> 01:28:20,219

domestically that that's an issue as

2186

01:28:24,169 --> 01:28:22,139

well but like God like what if we had

2187

01:28:27,050 --> 01:28:24,179

something that wasn't from here we

2188

01:28:28,910 --> 01:28:27,060

understood the benefits and how like why

2189

01:28:31,990 --> 01:28:28,920

it works the way it does but we just

2190

01:28:34,669 --> 01:28:32,000

can't implement it like technology right

2191

01:28:36,050 --> 01:28:34,679

everything is fascinating you know what

2192

01:28:39,350 --> 01:28:36,060

I'm going to do with this is I'm going

2193

01:28:41,390 --> 01:28:39,360

to have I'll have an offline I'll have a

2194

01:28:43,610 --> 01:28:41,400

three-way conversation myself Corey and

2195

01:28:46,070 --> 01:28:43,620

Tom so we talk about Aviation

2196

01:28:47,930 --> 01:28:46,080

aerodynamics and I can sort of explain

2197

01:28:50,510 --> 01:28:47,940

to you how that works and then you'll

2198

01:28:53,209 --> 01:28:50,520

understand why the Flying Wing is really

2199

01:28:55,430 --> 01:28:53,219

it's an aircraft it's an airplane it

2200

01:28:58,030 --> 01:28:55,440

works off of Bernoulli's Theorem in

2201

01:29:01,070 --> 01:28:58,040

order to fly something that doesn't have

2202

01:29:03,290 --> 01:29:01,080

ailerons and in you know and an elevator

2203

01:29:04,790 --> 01:29:03,300

then that's when you start getting into

2204

01:29:07,669 --> 01:29:04,800

something that doesn't follow

2205

01:29:10,250 --> 01:29:07,679

Bernoulli's Theorem of uh as velocity

2206

01:29:13,310 --> 01:29:10,260

increases pressure decreases that's how

2207

01:29:15,770 --> 01:29:13,320

flight occurs so we'll you and I we can

2208

01:29:18,350 --> 01:29:15,780

have a separate conversation and I'll

2209

01:29:20,110 --> 01:29:18,360

kind of tell you how amazing some of

2210

01:29:23,570 --> 01:29:20,120

these crafts are that people are seeing

2211

01:29:26,750 --> 01:29:23,580

and why I think that we haven't cracked

2212

01:29:29,930 --> 01:29:26,760

that code yet on something that can fly

2213

01:29:32,390 --> 01:29:29,940

in ignorance of those uh those in

2214

01:29:35,510 --> 01:29:32,400

ignorance of Bernoulli's Theorem and and

2215

01:29:38,149 --> 01:29:35,520

uh Newton's first three laws of motion

2216

01:29:39,229 --> 01:29:38,159

Debs let's go with uh cabbie goodbyes my

2217

01:29:41,629 --> 01:29:39,239

friends

2218

01:29:44,390 --> 01:29:41,639

yeah I just wanted to say

2219

01:29:46,610 --> 01:29:44,400

um Corey thank you so much for coming to

2220

01:29:49,070 --> 01:29:46,620

talk to us and being one of my

2221

01:29:52,850 --> 01:29:49,080

conference BFFs

2222

01:29:55,550 --> 01:29:52,860

um I I think one thing I wanted to touch

2223

01:29:58,250 --> 01:29:55,560

on because you know we're we all have

2224

01:29:59,990 --> 01:29:58,260

like you know endearment towards you is

2225

01:30:02,030 --> 01:30:00,000

that we all have different nicknames for

2226

01:30:04,910 --> 01:30:02,040

you and I wish we had time to go through

2227

01:30:07,390 --> 01:30:04,920

them my nickname for you is jakeel

2228

01:30:10,010 --> 01:30:07,400

because I mix your names together

2229

01:30:11,930 --> 01:30:10,020

I just I wanted to give you a moment to

2230

01:30:14,270 --> 01:30:11,940

let you know that like you know I just

2231

01:30:16,610 --> 01:30:14,280

put your name together jaquille is your

2232

01:30:17,330 --> 01:30:16,620

name and my you know your nickname in my

2233

01:30:20,030 --> 01:30:17,340

head

2234

01:30:21,770 --> 01:30:20,040

um so we really just you know you bring

2235

01:30:25,430 --> 01:30:21,780

that out of us we all want to be your

2236

01:30:28,669 --> 01:30:25,440

buddy uh we all want to chat with you

2237

01:30:32,209 --> 01:30:28,679

um you're a soft place to land so to

2238

01:30:34,850 --> 01:30:32,219

2238
speak on tough topics so thank you and

2239

01:30:36,890 --> 01:30:34,860

look at that yeah and all and also just

2240

01:30:38,750 --> 01:30:36,900

so you know someone in chat I think it

2241

01:30:40,490 --> 01:30:38,760

was Nicole Nelson came up with a good

2242

01:30:43,010 --> 01:30:40,500

podcast name for you I think it was like

2243

01:30:45,530 --> 01:30:43,020

current Curiosities and I was like yeah

2244

01:30:47,050 --> 01:30:45,540

curiosity is with Corey would be a good

2245

01:30:49,970 --> 01:30:47,060

podcast name

2246

01:30:52,070 --> 01:30:49,980

that would be that would be uh and I'm

2247

01:30:54,970 --> 01:30:52,080

unemployed right now so you know maybe I

2248

01:30:58,370 --> 01:30:54,980

should get on that sooner do it

2249

01:31:02,689 --> 01:30:58,380

thank you thank you Deb and you are my

2250

01:31:05,209 --> 01:31:02,699

my conference uh BFF yay I win sorry Tom

2251

01:31:07,850 --> 01:31:05,219

sorry Leah

2252

01:31:09,890 --> 01:31:07,860

we can share it so I'm delighted because

2253

01:31:10,790 --> 01:31:09,900

I'm gonna get to share one of my

2254

01:31:13,430 --> 01:31:10,800

favorite

2255

01:31:15,110 --> 01:31:13,440

um stories in all of my exposure to

2256

01:31:17,510 --> 01:31:15,120

ufology which is when I was at the

2257

01:31:20,149 --> 01:31:17,520

conference in October and you recognized

2258

01:31:24,850 --> 01:31:20,159

me I didn't recognize you

2259

01:31:27,890 --> 01:31:24,860

um and you said wow so you're not Intel

2260

01:31:29,830 --> 01:31:27,900

I you're like everybody thinks you're

2261

01:31:33,169 --> 01:31:29,840

Intel and I was like nope just

2262

01:31:33,950 --> 01:31:33,179

unemployed doing the UFO thing

2263

01:31:36,169 --> 01:31:33,960

um

2264

01:31:37,970 --> 01:31:36,179

and you I I just want to say like that

2265

01:31:39,950 --> 01:31:37,980

was my first time kind of meeting anyone

2266

01:31:42,110 --> 01:31:39,960

into these subjects anyone into these

2267

01:31:43,729 --> 01:31:42,120

interests and the whole reason I went

2268

01:31:45,290 --> 01:31:43,739

the whole weekend for the December event

2269

01:31:47,330 --> 01:31:45,300

was because I had such a great time with

2270

01:31:49,970 --> 01:31:47,340

you guys that one evening in October

2271

01:31:52,550 --> 01:31:49,980

that I wanted basically to be around you

2272

01:31:53,930 --> 01:31:52,560

and around everybody else Deb I got to

2273

01:31:56,030 --> 01:31:53,940

meet DJ

2274

01:31:58,850 --> 01:31:56,040

um at the December event so

2275

01:32:00,410 --> 01:31:58,860

um we I totally agree with Deb when she

2276

01:32:02,270 --> 01:32:00,420

said giving us a soft Landing in this

2277

01:32:04,850 --> 01:32:02,280

subject like I just continue to respect

2278

01:32:07,010 --> 01:32:04,860

and admire so much of the work and the

2279

01:32:08,290 --> 01:32:07,020

uh your contributions to the discourse

2280

01:32:10,970 --> 01:32:08,300

on Twitter

2281

01:32:14,629 --> 01:32:10,980

but can you put your hands together for

2282

01:32:18,110 --> 01:32:14,639

Anjali our USA at home oh

2283

01:32:20,530 --> 01:32:18,120

hey sorry there's another friend of mine

2284

01:32:22,689 --> 01:32:20,540

Anjali hey what's going on

2285

01:32:25,250 --> 01:32:22,699

hey

2286

01:32:27,050 --> 01:32:25,260

I thought this was about Corey hi

2287

01:32:29,149 --> 01:32:27,060

everyone it is all right we're gonna get

2288

01:32:30,830 --> 01:32:29,159

you right up hey yo you bet we're back

2289

01:32:34,189 --> 01:32:30,840

to Corey we just I want to see your new

2290

01:32:36,770 --> 01:32:34,199

hairdo is that a crime come on no it's

2291

01:32:39,830 --> 01:32:36,780

not but you're probably gonna see more

2292

01:32:41,229 --> 01:32:39,840

so don't get attached to anything

2293

01:32:44,149 --> 01:32:41,239

um

2294

01:32:45,709 --> 01:32:44,159

he was like on which one you like I'm

2295

01:32:48,770 --> 01:32:45,719

going through a series of them right now

2296

01:32:53,350 --> 01:32:48,780

trying to figure out okay with this rag

2297

01:32:55,610 --> 01:32:53,360

that's on my head so I'll I'll

2298

01:32:57,830 --> 01:32:55,620

gladly take any of the clippings she has

2299

01:33:01,669 --> 01:32:57,840

left over I'm sorry Corey go ahead no I

2300

01:33:05,390 --> 01:33:03,050

it looks fantastic I put out a tweet

2301

01:33:10,729 --> 01:33:07,610

s gray hair and I'm a proponent of her

2302

01:33:14,169 --> 01:33:10,739

not like dyeing it so I I think it looks

2303

01:33:19,729 --> 01:33:17,270

uh hi hello thank you so much for

2304

01:33:22,610 --> 01:33:19,739

inviting me and yeah

2305

01:33:24,890 --> 01:33:22,620

happy birthday Corey

2306

01:33:26,990 --> 01:33:24,900

no this is a surprise this was a

2307

01:33:29,510 --> 01:33:27,000

surprise okay so Corey this was a

2308

01:33:31,370 --> 01:33:29,520

surprise party for you not necessarily a

2309

01:33:32,750 --> 01:33:31,380

birthday party unless you're having a

2310

01:33:35,930 --> 01:33:32,760

birthday then we will call it a birthday

2311

01:33:38,090 --> 01:33:35,940

party I'm very confused let's call it's

2312

01:33:41,530 --> 01:33:38,100

my birthday is September 16th but this

2313

01:33:44,090 --> 01:33:41,540

is uh let's just call it like a

2314

01:33:45,709 --> 01:33:44,100

celebration day this is phenomenal I get

2315

01:33:48,709 --> 01:33:45,719

to be on cab with some of my favorite

2316

01:33:50,570 --> 01:33:48,719

people I get a surprise with Tom with

2317

01:33:52,669 --> 01:33:50,580

Anjali

2318

01:33:55,010 --> 01:33:52,679

um so this is really phenomenal and all

2319

01:33:59,149 --> 01:33:55,020

of you know my goal was to like always

2320

01:34:01,550 --> 01:33:59,159

be anonymous so it I'm still amazed that

2321

01:34:03,830 --> 01:34:01,560

uh I'm doing a podcast and people you

2322

01:34:07,129 --> 01:34:03,840

know know you know who I am

2323

01:34:08,930 --> 01:34:07,139

um yeah I'm really I'm really sorry that

2324

01:34:11,090 --> 01:34:08,940

Anjali joined when the show was

2325

01:34:15,169 --> 01:34:11,100

basically over so we'll have to invite

2326

01:34:18,110 --> 01:34:15,179

her back no no worries I really just

2327

01:34:20,830 --> 01:34:18,120

wanted to stop in and and just have a

2328

01:34:24,709 --> 01:34:20,840

brief moment to talk about how amazing

2329

01:34:29,510 --> 01:34:24,719

our brother Corey really is and show

2330

01:34:32,750 --> 01:34:29,520

gratitude for him being willing to to

2331

01:34:35,270 --> 01:34:32,760

risk you know his his personal and

2332

01:34:39,470 --> 01:34:35,280

professional life

2333

01:34:43,310 --> 01:34:39,480

um as as most people think of it to to

2334

01:34:46,550 --> 01:34:43,320

be here with us and to tell his story

2335

01:34:49,330 --> 01:34:46,560

and to seek out other people's stories

2336

01:34:52,910 --> 01:34:49,340

and support them and to bring together

2337

01:34:55,189 --> 01:34:52,920

Academia and Science and experiencers

2338

01:35:04,490 --> 01:34:55,199

and

2339

01:35:07,070 --> 01:35:04,500

you know religious texts I mean he's

2340

01:35:08,950 --> 01:35:07,080

bringing it all in from every direction

2341

01:35:12,290 --> 01:35:08,960

and um

2342

01:35:14,209 --> 01:35:12,300

wow you know it's just been such such a

2343

01:35:15,649 --> 01:35:14,219

pleasure watching people so

2344

01:35:17,689 --> 01:35:15,659

thanks Andre

2345

01:35:20,510 --> 01:35:17,699

I got a short story about Anjali go

2346

01:35:22,070 --> 01:35:20,520

ahead brother so I uh so I have been

2347

01:35:25,129 --> 01:35:22,080

following Anjali just like the rest of

2348

01:35:26,810 --> 01:35:25,139

the UFO world and uh you know I try to

2349

01:35:27,709 --> 01:35:26,820

withhold like judgment because I never

2350

01:35:29,629 --> 01:35:27,719

have

2351

01:35:32,510 --> 01:35:29,639

all of the information so I've always

2352

01:35:34,790 --> 01:35:32,520

like don't pass judgments so uh so it

2353

01:35:36,350 --> 01:35:34,800

was a fan had followed her work and I'm

2354

01:35:38,330 --> 01:35:36,360

at the first conference I'm just

2355

01:35:40,790 --> 01:35:38,340

standing outside and getting ready to go

2356

01:35:42,169 --> 01:35:40,800

in and just like it's almost like I

2357

01:35:44,510 --> 01:35:42,179

heard something over my right shoulder I

2358

01:35:45,770 --> 01:35:44,520

look over and it's like Anjali and I

2359

01:35:48,229 --> 01:35:45,780

just stop and I'm like you know hey

2360

01:35:49,790 --> 01:35:48,239

Anjali introduce myself we walked down

2361

01:35:52,790 --> 01:35:49,800

the stairs okay there we take a picture

2362

01:35:54,590 --> 01:35:52,800

and we um uh we sat together for that

2363

01:35:57,830 --> 01:35:54,600

first conference you know I met her I

2364

01:36:00,050 --> 01:35:57,840

met her partner and um so we decided to

2365

01:36:02,810 --> 01:36:00,060

do a zoom sometime after a few months

2366

01:36:04,790 --> 01:36:02,820

after that the David we decided to do

2367

01:36:06,830 --> 01:36:04,800

the zoom I went to her YouTube channel

2368

01:36:08,689 --> 01:36:06,840

and she had a video up there that she

2369

01:36:11,330 --> 01:36:08,699

did a couple of days after the

2370

01:36:13,970 --> 01:36:11,340

conference and what blew me away is that

2371

01:36:16,970 --> 01:36:13,980

she was going to I think Montauk Point

2372

01:36:20,390 --> 01:36:16,980

in New York she unfortunately got into a

2373

01:36:22,669 --> 01:36:20,400

car accident and uh the two EMT or there

2374

01:36:24,470 --> 01:36:22,679

was the EMT on site his name was Corey

2375

01:36:26,090 --> 01:36:24,480

and then she gets to the hospital and

2376

01:36:28,610 --> 01:36:26,100

there's a tech named Corey there's like

2377

01:36:31,430 --> 01:36:28,620

another nurse or person the name Corey

2378

01:36:33,890 --> 01:36:31,440

the nurse name was Corey the lab Tech's

2379

01:36:37,250 --> 01:36:33,900

name was Corey and one of the Radiology

2380

01:36:39,290 --> 01:36:37,260

texts was Corey it was it was crazy I

2381

01:36:42,410 --> 01:36:39,300

was like I've got Corey's coming out of

2382

01:36:45,709 --> 01:36:42,420

my ears this weekend so Anjali was there

2383

01:36:49,030 --> 01:36:45,719

a DJ in there anywhere UFO Twitter Crush

2384

01:36:51,350 --> 01:36:49,040

I mean come on never mind are you

2385

01:36:55,970 --> 01:36:51,360

familiar with

2386

01:36:59,410 --> 01:36:55,980

um DJ funky Chef no okay well now you

2387

01:37:03,169 --> 01:36:59,420

now you have no excuse me

2388

01:37:05,270 --> 01:37:03,179

funky Chef okay so he may or may not

2389

01:37:07,910 --> 01:37:05,280

have come up that day the most important

2390

01:37:10,870 --> 01:37:07,920

note of the day

2391

01:37:10,880 --> 01:37:14,629

it's so amazing

2392

01:37:19,129 --> 01:37:16,850

I just wrote that down but uh but just

2393

01:37:21,350 --> 01:37:19,139

to seal that off when I uh the day I was

2394

01:37:23,270 --> 01:37:21,360

gonna have this one-on-one Anjali I went

2395

01:37:24,649 --> 01:37:23,280

and I saw this video and she's telling a

2396

01:37:26,689 --> 01:37:24,659

story about how she had all these

2397

01:37:28,070 --> 01:37:26,699

quarries and she's like I also met

2398

01:37:30,590 --> 01:37:28,080

another Corey you know at this

2399

01:37:32,689 --> 01:37:30,600

conference so uh that's one of the

2400

01:37:35,390 --> 01:37:32,699

synchronicities that I you know things

2401

01:37:38,149 --> 01:37:35,400

that you just kind of can't explain

2402

01:37:41,810 --> 01:37:38,159

um and anjalise you know seems to be a

2403

01:37:47,090 --> 01:37:41,820

big part of it oh well thank you and I

2404

01:37:49,850 --> 01:37:47,100

mean obviously it was excuse me that

2405

01:37:53,030 --> 01:37:49,860

happens sometimes unfortunately uh we

2406

01:37:56,390 --> 01:37:53,040

obviously were Were Meant to connect and

2407

01:37:59,030 --> 01:37:56,400

um get to know each other in in this

2408

01:38:02,390 --> 01:37:59,040

spiritual Quest that we're all on here

2409

01:38:03,649 --> 01:38:02,400

so I'm just thankful that there are so

2410

01:38:06,290 --> 01:38:03,659

many people

2411

01:38:08,330 --> 01:38:06,300

thick but for all of you who are all

2412

01:38:12,050 --> 01:38:08,340

here trying to do the same thing in our

2413

01:38:14,270 --> 01:38:12,060

own way and uh to our own calling for

2414

01:38:17,770 --> 01:38:14,280

lack of a better way to really

2415

01:38:20,810 --> 01:38:17,780

our own antenna I guess who knows

2416

01:38:22,970 --> 01:38:20,820

the antenna see DJ we can go so many

2417

01:38:26,209 --> 01:38:22,980

places uh with these with with these

2418

01:38:27,890 --> 01:38:26,219

conversations I

2419

01:38:31,070 --> 01:38:27,900

I you know I don't want to get into how

2420

01:38:32,810 --> 01:38:31,080

my name in college I played one year of

2421

01:38:35,330 --> 01:38:32,820

college football and my nickname was

2422

01:38:37,070 --> 01:38:35,340

kazoo because I was so small I had to

2423

01:38:38,810 --> 01:38:37,080

pull the chin straps up real tight and

2424

01:38:40,310 --> 01:38:38,820

they look like I didn't have that train

2425

01:38:43,790 --> 01:38:40,320

or cut him so they look like two

2426
01:38:49,070 --> 01:38:43,800
antennas and it comes to hey kazoo yeah

2427
01:38:52,129 --> 01:38:50,990
and then I'm gonna have a goodbye and

2428
01:38:54,470 --> 01:38:52,139
then we're gonna talk what we're gonna

2429
01:38:57,110 --> 01:38:54,480
do a part two with you but go ahead top

2430
01:39:00,129 --> 01:38:57,120
estimate of the situation

2431
01:39:04,070 --> 01:39:00,139
until your intros are always so awesome

2432
01:39:05,510 --> 01:39:04,080
so Corey uh you were both at you were at

2433
01:39:08,870 --> 01:39:05,520
both of the events that I went to and

2434
01:39:10,310 --> 01:39:08,880
like that was my introduction to uh UFO

2435
01:39:12,530 --> 01:39:10,320
Twitter so to speak and like the

2436
01:39:15,110 --> 01:39:12,540
community as a as a whole

2437
01:39:17,689 --> 01:39:15,120
um people that know me know I'm very shy

2438
01:39:19,490 --> 01:39:17,699

I will have anxiety I I think the first

2439

01:39:21,830 --> 01:39:19,500

one it took me an hour to actually even

2440

01:39:23,330 --> 01:39:21,840

interact with anybody and I like to lurk

2441

01:39:25,970 --> 01:39:23,340

in the shadows

2442

01:39:28,669 --> 01:39:25,980

um you were so welcoming you were so fun

2443

01:39:31,070 --> 01:39:28,679

you had to like just like have a drink

2444

01:39:33,770 --> 01:39:31,080

um and then like being part of the

2445

01:39:35,930 --> 01:39:33,780

conversation with you and I I think uh

2446

01:39:38,510 --> 01:39:35,940

Jay was over there a couple other people

2447

01:39:40,070 --> 01:39:38,520

were there it just felt so like oh my

2448

01:39:43,370 --> 01:39:40,080

God there's people out here really

2449

01:39:45,110 --> 01:39:43,380

interested in this and you know it's uh

2450

01:39:47,450 --> 01:39:45,120

it speaks volumes because like I was

2451

01:39:49,610 --> 01:39:47,460

just at a New Year's Gathering you know

2452

01:39:51,050 --> 01:39:49,620

this year and you mentioned UFOs people

2453

01:39:52,729 --> 01:39:51,060

are like interested for like the first

2454

01:39:55,070 --> 01:39:52,739

two sentences and then they're like oh

2455

01:39:56,930 --> 01:39:55,080

okay and they walk away

2456

01:40:00,110 --> 01:39:56,940

um whereas with you guys it was

2457

01:40:03,770 --> 01:40:00,120

absolutely not that and um honestly like

2458

01:40:05,930 --> 01:40:03,780

it's you're you're a really cool dude

2459

01:40:09,070 --> 01:40:05,940

um your nickname is probably Air Force

2460

01:40:13,850 --> 01:40:12,169

but you you've also got like a crazy

2461

01:40:15,950 --> 01:40:13,860

heart too you know I mean like it just

2462

01:40:17,570 --> 01:40:15,960

resonates from you so

2463

01:40:19,070 --> 01:40:17,580

um I think it's great that like you're

2464

01:40:20,450 --> 01:40:19,080

in the community I think it's great that

2465

01:40:22,790 --> 01:40:20,460

like part of my introduction to the

2466

01:40:24,530 --> 01:40:22,800

community was with you there

2467

01:40:26,149 --> 01:40:24,540

um I can't wait for the next one uh

2468

01:40:27,490 --> 01:40:26,159

we're gonna get drunk we're gonna have

2469

01:40:30,229 --> 01:40:27,500

fun

2470

01:40:33,110 --> 01:40:30,239

and I'm not gonna promote anything but I

2471

01:40:37,310 --> 01:40:33,120

do have a copy for you no one's seen

2472

01:40:39,470 --> 01:40:37,320

this yet oh um so when you uh

2473

01:40:41,870 --> 01:40:39,480

yeah so when in you know so when we do

2474

01:40:43,550 --> 01:40:41,880

meet up at the next one it's gonna be a

2475

01:40:46,070 --> 01:40:43,560

fun time man it's really fun out again

2476

01:40:47,750 --> 01:40:46,080

I'm really glad Tom man thank you for

2477

01:40:49,790 --> 01:40:47,760

those kind of words my friend and

2478

01:40:51,470 --> 01:40:49,800

likewise it was a pleasure to get to

2479

01:40:54,890 --> 01:40:51,480

wrap it up with you man and I didn't

2480

01:40:56,169 --> 01:40:54,900

pick up on any of the anxiety so oh it's

2481

01:41:01,250 --> 01:40:56,179

the alcohol

2482

01:41:02,990 --> 01:41:01,260

yeah no Cory is incredibly memorable uh

2483

01:41:04,910 --> 01:41:03,000

the thing that people remember about me

2484

01:41:06,410 --> 01:41:04,920

most of the conference is that I ordered

2485

01:41:09,290 --> 01:41:06,420

the barbecue chicken and it looked

2486

01:41:11,629 --> 01:41:09,300

excessively dry uh that that's people's

2487

01:41:14,330 --> 01:41:11,639

resounding memory of me

2488

01:41:15,890 --> 01:41:14,340

um I'm just kidding oh man I could have

2489

01:41:18,350 --> 01:41:15,900

gave you some of my brisket it was it

2490

01:41:22,790 --> 01:41:20,030

or at least the fat but at least the

2491

01:41:24,950 --> 01:41:22,800

grizzle yeah but uh I want to save for

2492

01:41:27,770 --> 01:41:24,960

my part before I address Corey I want to

2493

01:41:30,169 --> 01:41:27,780

say it's an honor to be part of this

2494

01:41:32,270 --> 01:41:30,179

community and I mean sort of like all

2495

01:41:34,490 --> 01:41:32,280

these people that uh take part in the

2496

01:41:36,890 --> 01:41:34,500

show come on the show people like Tom

2497

01:41:39,109 --> 01:41:36,900

people like angelio double G how long

2498

01:41:40,729 --> 01:41:39,119

will I live who will I be the G that I

2499

01:41:44,510 --> 01:41:40,739

was right

2500

01:41:47,090 --> 01:41:44,520

um uh and obviously Leia and Deb because

2501
01:41:49,129 --> 01:41:47,100
the diversity of the group is what makes

2502
01:41:50,990 --> 01:41:49,139
it so beautiful you know that people

2503
01:41:53,030 --> 01:41:51,000
from all these different walks of life

2504
01:41:55,669 --> 01:41:53,040
who have different takes come together

2505
01:41:56,930 --> 01:41:55,679
for a common cause this is really what

2506
01:41:59,930 --> 01:41:56,940
it's all about this is what you were

2507
01:42:02,930 --> 01:41:59,940
talking about earlier to you Corey

2508
01:42:05,330 --> 01:42:02,940
um like I was saying we met I introduced

2509
01:42:07,550 --> 01:42:05,340
myself to you just before the event I

2510
01:42:10,310 --> 01:42:07,560
think as Debs told me she met you told

2511
01:42:11,450 --> 01:42:10,320
me you were going to be there and uh I

2512
01:42:13,070 --> 01:42:11,460
don't know there was something that

2513
01:42:15,530 --> 01:42:13,080

intrigued me and I said well I think we

2514

01:42:17,090 --> 01:42:15,540

need to get get you on cab and then so

2515

01:42:20,030 --> 01:42:17,100

we said okay yeah we'll go ahead and

2516
