avatar add some hair

23

00:01:36,770 --> 00:01:34,020

Bigfoot correspondent he has many titles

28

00:01:48,830 --> 00:01:46,920

we might call him the prodigal

29

00:01:54,289 --> 00:01:48,840

son-in-law of cab

30

00:01:57,590 --> 00:01:54,299

um Mr Matt Knapp the son-in-law

31

00:01:59,330 --> 00:01:57,600

right it's an outlaw what's up Matt I've

32

00:02:02,190 --> 00:01:59,340

been called things that started with sun

33

00:02:04,310 --> 00:02:02,200

before but it did not end with in-law

34

00:02:07,370 --> 00:02:04,320

[Laughter]

35

00:02:09,650 --> 00:02:07,380

your sense of humor man it's just

36

00:02:11,990 --> 00:02:09,660

Nathan he's got a very similar sense of

37

00:02:14,869 --> 00:02:12,000

humor yes to you I know I love this man

38

00:02:18,290 --> 00:02:14,879

40

00:02:22,369 --> 00:02:20,340

41

00:02:24,290 --> 00:02:22,379

the screen tonight a lot of activity I

42

00:02:27,470 --> 00:02:24,300

43

00:02:31,369 --> 00:02:27,480

man these girls from Minnesota Minnesota

44

00:02:36,110 --> 00:02:31,379

slash North Dakota my homegirl Jenna

45

00:02:38,750 --> 00:02:36,120

crawled up in the crib yo Bigfoot where

46

00:02:42,170 --> 00:02:38,760

47

00:02:45,290 --> 00:02:42,180

48

00:02:48,410 --> 00:02:45,300

49

00:02:52,990 --> 00:02:48,420

Fearless this girl is so party people

50

00:02:58,990 --> 00:02:53,000

put those hands together for the she

51

00:03:04,630 --> 00:03:02,210

can I get it hey man for the she

52

00:03:11,210 --> 00:03:04,640

squatches

53

00:03:16,309 --> 00:03:13,910

Jenna you some kind of badass girl man

54

00:03:18,710 --> 00:03:16,319

you're up in you're up in the crib man

55

00:03:21,649 --> 00:03:18,720

where they lay down that's right that

56

00:03:25,070 --> 00:03:21,659

that's right come on Bigfoot where you

57

00:03:27,530 --> 00:03:25,080

at girlfriend I'm in the crib

58

00:03:29,690 --> 00:03:27,540

well at the time I tell you what I

59

00:03:31,190 --> 00:03:29,700

wasn't I wasn't very nervous but now

60

00:03:33,290 --> 00:03:31,200

that I look back at pictures I kind of

61

00:03:36,670 --> 00:03:33,300

think what the hell you crazy yeah

62

00:03:40,970 --> 00:03:39,770

when I saw the photos I was like Nathan

63

00:03:43,009 --> 00:03:40,980

you're like looking around you're like

64

00:03:44,809 --> 00:03:43,019

man I hope I hope they're not coming

65

00:03:47,210 --> 00:03:44,819

back man because I'm doing this little

66

00:03:49,850 --> 00:03:47,220

this photo op right here you know

67

00:03:51,770 --> 00:03:49,860

checking out the bed seeing how it's

68

00:03:53,449 --> 00:03:51,780

like man I'm we're out man we're going

69

00:03:55,490 --> 00:03:53,459

back to the car man this is good enough

70

00:03:57,470 --> 00:03:55,500

for one Expedition right no it wasn't

71

00:03:59,990 --> 00:03:57,480

good enough to start a sleeper though or

72

00:04:02,570 --> 00:04:00,000

is it like a a Sleep Number bed what

73

00:04:04,250 --> 00:04:02,580

kind of bird you know honestly I would

74

00:04:06,229 --> 00:04:04,260

have to actually test a bunch of those

75

00:04:09,170 --> 00:04:06,239

to actually tell you the a good answer

76

00:04:11,270 --> 00:04:09,180

but it it felt nice I could have fallen

77

00:04:13,789 --> 00:04:11,280

asleep right on that right on the ground

78

00:04:17,090 --> 00:04:13,799

it felt like a memory foam that had

79

00:04:19,610 --> 00:04:17,100

really nice softness to it oh there you

80

00:04:21,349 --> 00:04:19,620

go see there you go Jen I mean you got

81

00:04:22,909 --> 00:04:21,359

guys like Matt nap that are buying the

82

00:04:25,430 --> 00:04:22,919

purple mattress with this sort of

83

00:04:27,050 --> 00:04:25,440

cellular technology meanwhile Bigfoot's

84

00:04:29,150 --> 00:04:27,060

out there just winding up some branches

85

00:04:31,730 --> 00:04:29,160

and this [h__h] feels great man

86

00:04:33,950 --> 00:04:31,740

well there were no branches no no what

87

00:04:37,490 --> 00:04:33,960

was it on the bottom it was it was the

88

00:04:40,189 --> 00:04:37,500

dirt was worked up really deep and it so

89

00:04:42,050 --> 00:04:40,199

it was like super super soft and I

90

00:04:43,370 --> 00:04:42,060

actually uh showed it to my neighbor at

91

00:04:46,610 --> 00:04:43,380

my office

92

00:04:48,530 --> 00:04:46,620

and uh I I told him how soft it was it

93

00:04:51,350 --> 00:04:48,540

was just incredible it was way different

94

00:04:53,570 --> 00:04:51,360

than the than the soil outside of it and

95

00:04:57,350 --> 00:04:53,580

he said well Jen and he he taught uh

96

00:04:59,450 --> 00:04:57,360

survival in uh in the Army he's like Jen

97

00:05:02,030 --> 00:04:59,460

in Minnesota you have to work up the

98

00:05:04,189 --> 00:05:02,040

ground about seven eight inches down or

99

00:05:05,390 --> 00:05:04,199

if you sleep on it in the cooler months

100

00:05:06,830 --> 00:05:05,400

it's going to pull the heat right out of

101
00:05:08,629 --> 00:05:06,840
you and you'll die before you wake up

102
00:05:11,270 --> 00:05:08,639
that's right you got to have that that

103
00:05:13,129 --> 00:05:11,280
the air barrier underneath you that you

104
00:05:14,930 --> 00:05:13,139
can warm that air and it'll sort of keep

105
00:05:17,390 --> 00:05:14,940
you warm and not transfer that heat yeah

106
00:05:20,330 --> 00:05:17,400
and that had been done there

107
00:05:28,850 --> 00:05:20,340
incredible I mean look he's got a career

108
00:05:33,650 --> 00:05:31,070
anyway all right let me pass this off to

109
00:05:35,930 --> 00:05:33,660
my man uh money Nathan I know I tell you

110
00:05:38,029 --> 00:05:35,940
what I I know I want to go directly into

111
00:05:40,370 --> 00:05:38,039
the the first encounter to the remote

112
00:05:42,950 --> 00:05:40,380
viewing but Nathan gotta go where Nathan

113
00:05:44,510 --> 00:05:42,960

gotta go uh yeah I mean look we in a

114

00:05:46,969 --> 00:05:44,520

world of heat squatchers there's a lot

115

00:05:48,830 --> 00:05:46,979

of heat squashers out there uh we've got

116

00:05:51,110 --> 00:05:48,840

the cheese squashers and I love that

117

00:05:53,629 --> 00:05:51,120

love the name it's so great to have you

118

00:05:55,430 --> 00:05:53,639

guys with us uh can you give us a short

119

00:05:58,310 --> 00:05:55,440

like intro like how did you guys get

120

00:06:00,650 --> 00:05:58,320

together like uh you know how did you

121

00:06:02,150 --> 00:06:00,660

decide to do this as a team I mean this

122

00:06:04,189 --> 00:06:02,160

is a it's a big effort to do

123

00:06:05,870 --> 00:06:04,199

investigations period but when you're

124

00:06:08,150 --> 00:06:05,880

trying to coordinate schedules and go

125

00:06:09,710 --> 00:06:08,160

out and do Expedition things how does

126

00:06:11,510 --> 00:06:09,720

that work for y'all

127

00:06:14,390 --> 00:06:11,520

definitely it's interesting trying to

128

00:06:17,689 --> 00:06:14,400

coordinate everything but uh I I'm a

129

00:06:19,850 --> 00:06:17,699

psychic medium we all are and uh prior

130

00:06:23,629 --> 00:06:19,860

to doing Bigfoot I was doing paranormal

131

00:06:25,550 --> 00:06:23,639

work and missing persons cases and uh I

132

00:06:28,790 --> 00:06:25,560

had a paranormal radio show and I I

133

00:06:30,710 --> 00:06:28,800

happened to uh score an in-person

134

00:06:32,749 --> 00:06:30,720

sit-down interview with Lauren Coleman

135

00:06:35,330 --> 00:06:32,759

the cryptozoologist who has the

136

00:06:37,909 --> 00:06:35,340

international crypto zoology Museum in

137

00:06:41,150 --> 00:06:37,919

the state of Maine go check it out

138

00:06:43,550 --> 00:06:41,160

um and I I had this interview with him

139

00:06:45,770 --> 00:06:43,560

and I admittedly didn't know hardly

140

00:06:47,930 --> 00:06:45,780

anything about Bigfoot I'd maybe watched

141

00:06:51,249 --> 00:06:47,940

a handful of episodes on finding Bigfoot

142

00:06:54,830 --> 00:06:51,259

while I was playing on my phone uh

143

00:06:57,110 --> 00:06:54,840

so I I really didn't know much I didn't

144

00:06:58,909 --> 00:06:57,120

believe in Bigfoot I hadn't really

145

00:07:01,330 --> 00:06:58,919

thought about whether or not Bigfoot was

146

00:07:04,670 --> 00:07:01,340

real I just assumed it was not

147

00:07:06,950 --> 00:07:04,680

and so when I interviewed him he spent

148

00:07:08,870 --> 00:07:06,960

that hour telling me all about Bigfoot

149

00:07:11,749 --> 00:07:08,880

and that Bigfoot was in my home state of

150

00:07:13,730 --> 00:07:11,759

Minnesota he assured me that he was and

151

00:07:16,430 --> 00:07:13,740

encouraged me to go out with some ladies

152

00:07:19,550 --> 00:07:16,440

because he felt that sending women into

153

00:07:21,830 --> 00:07:19,560

the woods without men dogs or guns would

154

00:07:24,350 --> 00:07:21,840

be the recipe for success in interacting

155

00:07:26,809 --> 00:07:24,360

and getting closer to Bigfoot he thought

156

00:07:29,089 --> 00:07:26,819

they would be more interested in getting

157

00:07:32,390 --> 00:07:29,099

a little closer to check out some ladies

158

00:07:36,010 --> 00:07:32,400

in the woods so you know I jokingly said

159

00:07:39,710 --> 00:07:36,020

hey there big boy pick me pick me

160

00:07:42,050 --> 00:07:39,720

I was joking but by the end of the show

161

00:07:44,390 --> 00:07:42,060

I honestly volunteered I said all right

162

00:07:46,309 --> 00:07:44,400

I'm gonna do it I'm gonna do it I will

163

00:07:48,589 --> 00:07:46,319

find some ladies and go out into the

164

00:07:51,950 --> 00:07:48,599

woods in Minnesota and check this out

165

00:07:54,230 --> 00:07:51,960

now on top of his idea of sending women

166

00:07:56,990 --> 00:07:54,240

into the woods without men dogs or guns

167

00:07:59,150 --> 00:07:57,000

you know I'm like well hey we're psychic

168

00:08:01,969 --> 00:07:59,160

I'm psychic might as well use that as

169

00:08:03,770 --> 00:08:01,979

our advantage because I'm not the uh

170

00:08:06,290 --> 00:08:03,780

stamina girl in the woods I'm not going

171

00:08:09,350 --> 00:08:06,300

to go walking 10 miles

172

00:08:11,270 --> 00:08:09,360

I my goal is to find them before we get

173

00:08:14,089 --> 00:08:11,280

there and get out of the car and park as

174

00:08:16,430 --> 00:08:14,099

close as we can get and get there quick

175

00:08:18,010 --> 00:08:16,440

um surprise we're here

176

00:08:20,390 --> 00:08:18,020

um

177

00:08:22,730 --> 00:08:20,400

and and most people when they're walking

178

00:08:25,070 --> 00:08:22,740

through the forest they're they're not

179

00:08:27,589 --> 00:08:25,080

looking for bigfoot they're just hiking

180

00:08:29,270 --> 00:08:27,599

or whatever they're doing and if you're

181

00:08:30,950 --> 00:08:29,280

getting out of the car parking really

182

00:08:32,810 --> 00:08:30,960

close as you can get to it and you can

183

00:08:34,370 --> 00:08:32,820

park close

184

00:08:37,130 --> 00:08:34,380

um there are ones that are close to the

185

00:08:40,630 --> 00:08:37,140

roads or what I would consider driving

186

00:08:43,550 --> 00:08:40,640

on anyway it's not really a road but

187

00:08:45,829 --> 00:08:43,560

you can fit your vehicle on it but yeah

188

00:08:48,110 --> 00:08:45,839

I got it barely yeah there are videos on

189

00:08:51,170 --> 00:08:48,120

our YouTube channel of of the video of

190

00:08:53,570 --> 00:08:51,180

us driving on these not Road roads the

191

00:08:56,449 --> 00:08:53,580

the trees are scraping up against the

192

00:08:58,269 --> 00:08:56,459

yard yeah I have a very Rusty vehicle

193

00:09:01,090 --> 00:08:58,279

now thank you

194

00:09:03,290 --> 00:09:01,100

minimum maintenance Road

195

00:09:05,570 --> 00:09:03,300

it wasn't even a minimum maintenance

196

00:09:09,829 --> 00:09:05,580

Road it's not even minimum maintenance

197

00:09:14,990 --> 00:09:12,949

huh it was it was trails that were made

198

00:09:18,710 --> 00:09:15,000

by Local Natives on the reservation to

199

00:09:20,870 --> 00:09:18,720

go get down down trees for firewood so

200

00:09:22,850 --> 00:09:20,880

they were homemade Trails basically

201
00:09:25,009 --> 00:09:22,860
through the woods and there is Sugar

202
00:09:27,769 --> 00:09:25,019
Bush Camp back there for those who are

203
00:09:29,630 --> 00:09:27,779
familiar with what that is where uh they

204
00:09:31,430 --> 00:09:29,640
they actually set up camp in the woods

205
00:09:34,329 --> 00:09:31,440
and tap all the maple trees and start

206
00:09:37,850 --> 00:09:34,339
making maple syrup in the in the woods

207
00:09:39,410 --> 00:09:37,860
there we go yeah hey Jen is this the one

208
00:09:41,570 --> 00:09:39,420
where where a couple of those girls are

209
00:09:43,070 --> 00:09:41,580
like when they started getting closer I

210
00:09:45,110 --> 00:09:43,080
don't want to see Bigfoot anymore and

211
00:09:47,930 --> 00:09:45,120
they're like real okay and then these

212
00:09:50,870 --> 00:09:47,940
girls did is that that was the first

213
00:09:53,389 --> 00:09:50,880

time okay uh the minimum the not minimum

214

00:09:56,750 --> 00:09:53,399

maintenance road the non-road road that

215

00:09:58,730 --> 00:09:56,760

was Jenna and I okay um and uh we were

216

00:10:00,410 --> 00:09:58,740

on my reservation I'm a enrolled Tribal

217

00:10:02,150 --> 00:10:00,420

member at the Red Lake band of Chippewa

218

00:10:03,470 --> 00:10:02,160

Indians in northern Minnesota and it is

219

00:10:05,930 --> 00:10:03,480

a closed

220

00:10:07,370 --> 00:10:05,940

closed reservation so you can't just go

221

00:10:09,410 --> 00:10:07,380

there and get out of your car and go in

222

00:10:10,430 --> 00:10:09,420

the woods without a tribal member with

223

00:10:15,310 --> 00:10:10,440

you

224

00:10:20,170 --> 00:10:15,320

so it's kind of the Forbidden land

225

00:10:22,550 --> 00:10:20,180

sorry oh you do that so well

226

00:10:25,130 --> 00:10:22,560

he pays me a lot for this though it's

227

00:10:28,730 --> 00:10:25,140

true yeah

228

00:10:31,730 --> 00:10:28,740

anyway so in 2015 was the interview with

229

00:10:33,829 --> 00:10:31,740

Lauren and inspired me to go out and

230

00:10:36,230 --> 00:10:33,839

give it a try the ladies that I chose

231

00:10:38,690 --> 00:10:36,240

were paranormal investigators I figured

232

00:10:40,250 --> 00:10:38,700

they had night vision cameras and so we

233

00:10:42,110 --> 00:10:40,260

need that to see in the woods didn't

234

00:10:43,850 --> 00:10:42,120

know that those cameras wouldn't light

235

00:10:46,610 --> 00:10:43,860

up the woods like they did haunted

236

00:10:48,829 --> 00:10:46,620

houses that was a something we found out

237

00:10:50,030 --> 00:10:48,839

when we got there in the moment and we

238

00:10:53,870 --> 00:10:50,040

were getting surrounded and we couldn't

239

00:10:59,210 --> 00:10:56,750

um but uh and and those ladies for the

240

00:11:01,310 --> 00:10:59,220

most part were terrified that first

241

00:11:04,370 --> 00:11:01,320

experience we had rocks being thrown at

242

00:11:06,290 --> 00:11:04,380

us we were in the woods um by a lake but

243

00:11:08,210 --> 00:11:06,300

it was thick thick woods and the road

244

00:11:10,250 --> 00:11:08,220

also on a reservation the next

245

00:11:12,710 --> 00:11:10,260

reservation over uh it's called

246

00:11:16,190 --> 00:11:12,720

reservation Highway 20. and let me just

247

00:11:18,050 --> 00:11:16,200

tell you it's a one-car road one if you

248

00:11:19,910 --> 00:11:18,060

meet somebody somebody needs to back up

249

00:11:22,310 --> 00:11:19,920

and it isn't me because I don't do that

250

00:11:24,470 --> 00:11:22,320

very well

251
00:11:27,710 --> 00:11:24,480
yeah she's just being honest parallel

252
00:11:29,329 --> 00:11:27,720
parking also not in my fourth day so

253
00:11:31,850 --> 00:11:29,339
um

254
00:11:33,410 --> 00:11:31,860
so so we were on this little road and we

255
00:11:35,630 --> 00:11:33,420
were parked in there and you know we

256
00:11:38,509 --> 00:11:35,640
drove through there around this this

257
00:11:40,750 --> 00:11:38,519
whole lake in the daytime and um I'm

258
00:11:43,430 --> 00:11:40,760
also an energy worker that's my business

259
00:11:45,470 --> 00:11:43,440
uh and I can feel energy as a physical

260
00:11:47,269 --> 00:11:45,480
sensation it's not just hey you give me

261
00:11:50,329 --> 00:11:47,279
Good Vibes it's literally my body's

262
00:11:52,610 --> 00:11:50,339
vibrating and it's a physical sensation

263
00:11:54,470 --> 00:11:52,620

and and everything has its own for

264

00:11:57,350 --> 00:11:54,480

energy frequency that it vibrates at so

265

00:11:59,150 --> 00:11:57,360

when we were doing this I said I want to

266

00:12:01,550 --> 00:11:59,160

tune into the energy frequency of

267

00:12:04,009 --> 00:12:01,560

Bigfoot whatever that is whatever that

268

00:12:06,590 --> 00:12:04,019

is that's what I asked to be tuned into

269

00:12:08,389 --> 00:12:06,600

and so we stop along the way and we'd

270

00:12:09,889 --> 00:12:08,399

get out and look and we'd look to see if

271

00:12:12,230 --> 00:12:09,899

there were Footprints anywhere and in

272

00:12:14,389 --> 00:12:12,240

any interesting spots and we stopped at

273

00:12:17,389 --> 00:12:14,399

this one spot that I had this energy

274

00:12:19,310 --> 00:12:17,399

Sensation that I had never felt before

275

00:12:20,509 --> 00:12:19,320

and we looked around didn't see anything

276

00:12:22,730 --> 00:12:20,519

that would lead us to believe that

277

00:12:25,009 --> 00:12:22,740

Bigfoot was there but because that

278

00:12:28,009 --> 00:12:25,019

energy sensation was so prominent there

279

00:12:30,250 --> 00:12:28,019

I dropped a GPS pin on it and I said

280

00:12:33,290 --> 00:12:30,260

we're coming back here tonight

281

00:12:34,790 --> 00:12:33,300

and we kept looking throughout the day

282

00:12:36,889 --> 00:12:34,800

we did find some Footprints at the top

283

00:12:38,690 --> 00:12:36,899

of the lake on Six Mile Lake uh in

284

00:12:40,910 --> 00:12:38,700

Minnesota there's a at the very top

285

00:12:43,490 --> 00:12:40,920

there's a little hand little tiny Bridge

286

00:12:46,310 --> 00:12:43,500

with gravel on it that crosses where the

287

00:12:48,769 --> 00:12:46,320

Waterway comes in and there were

288

00:12:51,110 --> 00:12:48,779

actually some footprints in the gravel

289

00:12:52,670 --> 00:12:51,120

where it had crossed the bridge when it

290

00:12:55,009 --> 00:12:52,680

was wet and then it dried they weren't

291

00:12:57,769 --> 00:12:55,019

like indented down it wasn't like a deep

292

00:12:59,449 --> 00:12:57,779

gravel situation you you could barely

293

00:13:00,650 --> 00:12:59,459

see them but when you walked and looked

294

00:13:02,690 --> 00:13:00,660

turned and looked you could see them

295

00:13:06,050 --> 00:13:02,700

clearly and me being the tallest girl

296

00:13:09,050 --> 00:13:06,060

there five foot nine I started to see

297

00:13:10,910 --> 00:13:09,060

can I match this stride so I took a

298

00:13:14,930 --> 00:13:10,920

running and I'm leaping

299

00:13:17,329 --> 00:13:14,940

no way did I even come close wow

300

00:13:19,370 --> 00:13:17,339

so anyway we go back at night when it's

301

00:13:21,590 --> 00:13:19,380

dark and it's so dark you can't see

302

00:13:23,269 --> 00:13:21,600

anything we turned off the lights on the

303

00:13:24,350 --> 00:13:23,279

car you know car in the middle of the

304

00:13:25,129 --> 00:13:24,360

road because there's nowhere else to put

305

00:13:27,110 --> 00:13:25,139

it

306

00:13:30,410 --> 00:13:27,120

get out of the car and one of the girls

307

00:13:32,269 --> 00:13:30,420

hands me a thermal camera that she

308

00:13:33,889 --> 00:13:32,279

borrowed from somebody she didn't even

309

00:13:35,509 --> 00:13:33,899

really know how to use it all she knew

310

00:13:36,290 --> 00:13:35,519

is you pull the trigger and it takes a

311

00:13:40,069 --> 00:13:36,300

picture

312

00:13:43,610 --> 00:13:40,079

had a tiny little two inch screen on it

313

00:13:45,889 --> 00:13:43,620

very cheap little flear camera so she

314

00:13:47,329 --> 00:13:45,899

has it to me I'm excited to have a flear

315

00:13:49,190 --> 00:13:47,339

in my hand I've never played with a

316

00:13:52,310 --> 00:13:49,200

thermal before so I'm scanning the woods

317

00:13:54,949 --> 00:13:52,320

hoping to see anything a bunny a deer a

318

00:13:56,030 --> 00:13:54,959

raccoon anything I just want to see

319

00:13:58,490 --> 00:13:56,040

something

320

00:14:00,170 --> 00:13:58,500

and I'm I'm scanning scanning scanning

321

00:14:02,569 --> 00:14:00,180

and then I get out and I'm scanning out

322

00:14:04,069 --> 00:14:02,579

in front of the car now everybody else

323

00:14:05,690 --> 00:14:04,079

all the other ladies that were with me

324

00:14:08,389 --> 00:14:05,700

went to the back hatch to get their

325

00:14:10,430 --> 00:14:08,399

stuff I had mine on me so I'm just

326

00:14:12,350 --> 00:14:10,440

playing

327

00:14:14,690 --> 00:14:12,360

scan out in front of the car and there's

328

00:14:17,930 --> 00:14:14,700

somebody standing out there on the left

329

00:14:20,269 --> 00:14:17,940

side like just outside the trees and we

330

00:14:22,190 --> 00:14:20,279

are in the middle of nowhere it's the

331

00:14:24,290 --> 00:14:22,200

middle of the week it's not even the

332

00:14:26,030 --> 00:14:24,300

weekend nobody knows that we're there

333

00:14:29,569 --> 00:14:26,040

right

334

00:14:31,129 --> 00:14:29,579

um and and so I'm just like yeah I just

335

00:14:33,230 --> 00:14:31,139

don't know like I thought it was

336

00:14:34,550 --> 00:14:33,240

somebody on the team I thought that was

337

00:14:35,930 --> 00:14:34,560

one of the girls standing out there

338

00:14:38,090 --> 00:14:35,940

because you know thermal you can't

339

00:14:40,490 --> 00:14:38,100

really tell who it is

340

00:14:42,710 --> 00:14:40,500

and I was like hey who's out in front of

341

00:14:45,350 --> 00:14:42,720

the card nobody said anything and I said

342

00:14:46,970 --> 00:14:45,360

who's in front of the car you know if

343

00:14:48,710 --> 00:14:46,980

anything I'm like hey who's in front of

344

00:14:52,069 --> 00:14:48,720

the car and you know I was getting

345

00:14:54,170 --> 00:14:52,079

nervous nobody's saying anything and all

346

00:14:55,670 --> 00:14:54,180

of a sudden Marlo she she heard that I

347

00:14:57,110 --> 00:14:55,680

was feeling nervous and she comes

348

00:14:59,150 --> 00:14:57,120

running up and she looks at the screen

349

00:15:00,470 --> 00:14:59,160

that I'm looking at she sees what I'm

350

00:15:02,990 --> 00:15:00,480

seeing there

351
00:15:06,350 --> 00:15:03,000
and she looked up from there and she she

352
00:15:08,689 --> 00:15:06,360
gasped and she said oh I just saw eyes

353
00:15:10,490 --> 00:15:08,699
and so I'm like really so I like dropped

354
00:15:12,949 --> 00:15:10,500
the camera and I looked directly at it

355
00:15:14,810 --> 00:15:12,959
to see if I could see eyes and I didn't

356
00:15:16,910 --> 00:15:14,820
and then I put the camera back up and

357
00:15:19,009 --> 00:15:16,920
couldn't find it again it was gone so it

358
00:15:21,650 --> 00:15:19,019
stepped into into the trees

359
00:15:23,090 --> 00:15:21,660
and so then what do we do we decide hey

360
00:15:24,850 --> 00:15:23,100
let's go over there and walk in the

361
00:15:27,769 --> 00:15:24,860
woods

362
00:15:31,610 --> 00:15:27,779
yeah hey let's let's go after it sure

363
00:15:33,050 --> 00:15:31,620

yeah so we go three of us Marlo and I

364

00:15:36,170 --> 00:15:33,060

and I can't remember who the third maybe

365

00:15:39,710 --> 00:15:36,180

is Kimberly but uh we walked over

366

00:15:41,750 --> 00:15:39,720

and uh and started walking in there and

367

00:15:43,610 --> 00:15:41,760

we hear something

368

00:15:45,050 --> 00:15:43,620

and we so we stopped we're like what is

369

00:15:46,610 --> 00:15:45,060

that and we hear something coming

370

00:15:48,470 --> 00:15:46,620

through the branches and here it's

371

00:15:50,569 --> 00:15:48,480

something drops on the ground like three

372

00:15:53,629 --> 00:15:50,579

feet in front of us and bounces

373

00:15:55,310 --> 00:15:53,639

and I look at it and I'm like is that a

374

00:15:59,930 --> 00:15:55,320

rock

375

00:16:01,370 --> 00:15:59,940

and I'm just like dumbfounded and then

376

00:16:03,350 --> 00:16:01,380

we hear something else coming through

377

00:16:05,030 --> 00:16:03,360

the branches and it bounces another rock

378

00:16:07,550 --> 00:16:05,040

bounces right next to it and then

379

00:16:10,370 --> 00:16:07,560

another one and I was like what's going

380

00:16:12,889 --> 00:16:10,380

on and now granted I'm telling you I

381

00:16:14,389 --> 00:16:12,899

didn't know anything about Bigfoot I

382

00:16:15,949 --> 00:16:14,399

didn't know that they were known for

383

00:16:18,350 --> 00:16:15,959

throwing rocks at people so I'm just

384

00:16:22,550 --> 00:16:18,360

like what is going on what's throwing

385

00:16:24,230 --> 00:16:22,560

rocks at us and and they it was it had

386

00:16:26,090 --> 00:16:24,240

very good aim it obviously wasn't trying

387

00:16:27,650 --> 00:16:26,100

to hit us yeah it was very much a

388

00:16:29,629 --> 00:16:27,660

warning Don't Walk This Way is how I

389

00:16:30,949 --> 00:16:29,639

felt so I'm like I'm feeling like they

390

00:16:33,170 --> 00:16:30,959

don't want us to walk this way so let's

391

00:16:34,310 --> 00:16:33,180

back up so we backed back up onto the

392

00:16:36,829 --> 00:16:34,320

road and so we're standing there going

393

00:16:39,230 --> 00:16:36,839

now what do we do and one of the girls

394

00:16:41,689 --> 00:16:39,240

says hey why don't we do a Bigfoot call

395

00:16:44,810 --> 00:16:41,699

like they do on TV and I'm like great go

396

00:16:47,329 --> 00:16:44,820

ahead and so she does a whoop you know

397

00:16:49,370 --> 00:16:47,339

like she did and she she she tried

398

00:16:51,829 --> 00:16:49,380

really hard and so here we are all with

399

00:16:53,449 --> 00:16:51,839

our cameras facing out thinking we're

400

00:16:55,189 --> 00:16:53,459

gonna hear something coming from the

401
00:16:56,990 --> 00:16:55,199
left side of the road where that

402
00:16:58,850 --> 00:16:57,000
Bigfoot had disappeared where the Rocks

403
00:17:00,650 --> 00:16:58,860
were coming from

404
00:17:02,930 --> 00:17:00,660
um and

405
00:17:05,449 --> 00:17:02,940
instead we're hearing some movement from

406
00:17:08,090 --> 00:17:05,459
the right side of the road in the woods

407
00:17:11,270 --> 00:17:08,100
and something is walking something large

408
00:17:13,490 --> 00:17:11,280
is walking it has two feet and it stomp

409
00:17:15,890 --> 00:17:13,500
Stomps big sticks are cracking and

410
00:17:17,449 --> 00:17:15,900
snapping as it's walking and we're we

411
00:17:19,789 --> 00:17:17,459
all turned and pointed our cameras that

412
00:17:21,169 --> 00:17:19,799
way couldn't see a thing those cameras

413
00:17:22,970 --> 00:17:21,179

don't light up the woods like they do

414

00:17:25,010 --> 00:17:22,980

haunted houses

415

00:17:26,750 --> 00:17:25,020

um what a waste of time we're like okay

416

00:17:28,130 --> 00:17:26,760

can you see it I can't see anything can

417

00:17:30,110 --> 00:17:28,140

you see it and I mean it didn't

418

00:17:32,750 --> 00:17:30,120

penetrate the woods and so we're all

419

00:17:34,850 --> 00:17:32,760

pointing the cameras at the sound that

420

00:17:37,190 --> 00:17:34,860

we're hearing and then all of a sudden

421

00:17:39,409 --> 00:17:37,200

that sound of something walking towards

422

00:17:40,850 --> 00:17:39,419

us multiplied and now there's something

423

00:17:42,230 --> 00:17:40,860

walking towards us from different

424

00:17:44,570 --> 00:17:42,240

directions

425

00:17:46,970 --> 00:17:44,580

and so then we circled up back to back

426

00:17:48,830 --> 00:17:46,980

facing out which we didn't plan we just

427

00:17:53,450 --> 00:17:48,840

automatically did that I think it's a

428

00:17:56,029 --> 00:17:53,460

rival of something Instinct and uh

429

00:17:57,710 --> 00:17:56,039

and then uh we we're trying to see

430

00:17:58,850 --> 00:17:57,720

whatever was coming and we couldn't see

431

00:18:00,710 --> 00:17:58,860

it and the girls were getting really

432

00:18:02,510 --> 00:18:00,720

really scared which I understand and I'm

433

00:18:05,690 --> 00:18:02,520

like stop being scared

434

00:18:08,270 --> 00:18:05,700

and uh so then one of the girls said Jen

435

00:18:11,150 --> 00:18:08,280

Jen do your tobacco thing and what she

436

00:18:13,730 --> 00:18:11,160

meant was do your native prayer and so

437

00:18:15,409 --> 00:18:13,740

she seen me do it before put uh tobacco

438

00:18:17,390 --> 00:18:15,419

in my left hand and I started to speak

439

00:18:19,190 --> 00:18:17,400

out loud in ojib in the Ojibwe language

440

00:18:22,190 --> 00:18:19,200

I did a very formal introduction of

441

00:18:25,430 --> 00:18:22,200

myself and my waa and where I come from

442

00:18:27,830 --> 00:18:25,440

and I started listing my ancestors which

443

00:18:29,450 --> 00:18:27,840

is a very old protocol greeting where

444

00:18:32,750 --> 00:18:29,460

you just keep naming people until they

445

00:18:36,289 --> 00:18:32,760

know who you are and and

446

00:18:37,850 --> 00:18:36,299

um and then as as soon as I said so I

447

00:18:40,909 --> 00:18:37,860

said me glitch

448

00:18:42,590 --> 00:18:40,919

um which is thank you to the the nature

449

00:18:45,049 --> 00:18:42,600

Spirits basically

450

00:18:46,490 --> 00:18:45,059

um and then I said Miguel which is thank

451
00:18:49,850 --> 00:18:46,500
you to Bigfoot

452
00:18:52,370 --> 00:18:49,860
and as soon as I said that thank you to

453
00:18:53,930 --> 00:18:52,380
Bigfoot in the Ojibwe language all the

454
00:18:56,930 --> 00:18:53,940
sound and the movement

455
00:19:00,110 --> 00:18:56,940
stopped all at once and just silent it

456
00:19:02,990 --> 00:19:00,120
didn't Retreat it didn't come further it

457
00:19:06,350 --> 00:19:03,000
just was silent and I'm like you

458
00:19:07,610 --> 00:19:06,360
yeah and I was excited because the

459
00:19:10,970 --> 00:19:07,620
elders from

460
00:19:12,710 --> 00:19:10,980
um one of the reservations told me that

461
00:19:14,090 --> 00:19:12,720
you could pray to Bigfoot for help and

462
00:19:17,330 --> 00:19:14,100
they will help you

463
00:19:19,430 --> 00:19:17,340

and so I was and I I honor and cherish

464

00:19:22,010 --> 00:19:19,440

everything that they share with me but

465

00:19:24,169 --> 00:19:22,020

I'm very rational thinking person at the

466

00:19:26,090 --> 00:19:24,179

same time I really need to see it I

467

00:19:28,310 --> 00:19:26,100

really need to have that experience to

468

00:19:30,950 --> 00:19:28,320

really fully grasp it and understand

469

00:19:32,630 --> 00:19:30,960

what they're talking about so I I

470

00:19:34,250 --> 00:19:32,640

cherish everything they tell me but I

471

00:19:36,650 --> 00:19:34,260

need to have that experience

472

00:19:38,510 --> 00:19:36,660

and so this was me having that

473

00:19:41,350 --> 00:19:38,520

experience because it reacted to me

474

00:19:44,810 --> 00:19:41,360

thanking them by stopping

475

00:19:47,690 --> 00:19:44,820

Nathan I ought to try this I'd go hey my

476

00:19:50,450 --> 00:19:47,700

father was Donnie from Brooklyn my

477

00:19:52,250 --> 00:19:50,460

grandfather's Johnny from Manhattan

478

00:19:58,549 --> 00:19:52,260

you know and then oh wait they're still

479

00:20:04,130 --> 00:20:01,789

hey I noticed she squatches Jen Jenner

480

00:20:06,650 --> 00:20:04,140

and uh Tammy over there

481

00:20:09,409 --> 00:20:06,660

leave me alone all right anyway all

482

00:20:12,529 --> 00:20:09,419

right let me get let me let me get Debs

483

00:20:15,169 --> 00:20:12,539

and Matt in here uh Debs uh okay remote

484

00:20:16,549 --> 00:20:15,179

viewed their way to this location use a

485

00:20:19,370 --> 00:20:16,559

little tobacco ceremony what are you

486

00:20:22,789 --> 00:20:19,380

thinking Debs actually I'm fascinated by

487

00:20:26,270 --> 00:20:22,799

the the gifts that you all bring to This

488

00:20:27,770 --> 00:20:26,280

research um I was looking at the BIOS on

489

00:20:31,010 --> 00:20:27,780

your website

490

00:20:33,230 --> 00:20:31,020

um she's watchers.com and I was really

491

00:20:36,650 --> 00:20:33,240

interested in you know the fact that

492

00:20:38,810 --> 00:20:36,660

there were nde experiences

493

00:20:42,230 --> 00:20:38,820

um you know their spiritual psychic

494

00:20:45,289 --> 00:20:42,240

medium experiences I I would love to

495

00:20:47,210 --> 00:20:45,299

know more about the geographic remote

496

00:20:49,310 --> 00:20:47,220

viewing that you guys are doing I want

497

00:20:51,230 --> 00:20:49,320

to know more about like because I really

498

00:20:53,990 --> 00:20:51,240

do believe everything's a crossover I've

499

00:20:55,970 --> 00:20:54,000

I I want to know why you also ended up

500

00:20:58,850 --> 00:20:55,980

going for Bigfoot with all of those

501
00:21:02,150 --> 00:20:58,860
gifts too but I'd more so like to know

502
00:21:04,250 --> 00:21:02,160
about your personal gifts thank you

503
00:21:06,110 --> 00:21:04,260
those gifts were something I was using

504
00:21:09,049 --> 00:21:06,120
to look for missing persons and and

505
00:21:10,490 --> 00:21:09,059
helping paranormal teams look at I'd

506
00:21:12,529 --> 00:21:10,500
look at a space before they went there

507
00:21:14,990 --> 00:21:12,539
and I'd tell them what happened what was

508
00:21:16,310 --> 00:21:15,000
happening there what I sensed and what

509
00:21:18,650 --> 00:21:16,320
was the problem and what they could do

510
00:21:22,010 --> 00:21:18,660
to remedy it or I would just interact

511
00:21:24,110 --> 00:21:22,020
with the spirits remotely as well so but

512
00:21:25,909 --> 00:21:24,120
doing missing persons cases although I

513
00:21:26,810 --> 00:21:25,919

helped find some people they were always

514

00:21:29,810 --> 00:21:26,820

dead

515

00:21:32,149 --> 00:21:29,820

and it was very sad and I don't like

516

00:21:34,130 --> 00:21:32,159

connecting with dead energy

517

00:21:36,169 --> 00:21:34,140

um and you know when I was younger it

518

00:21:38,510 --> 00:21:36,179

was better I didn't feel the drain on my

519

00:21:42,850 --> 00:21:38,520

own life energy but now I feel the drain

520

00:21:47,870 --> 00:21:42,860

and uh and I was told by a really really

521

00:21:49,970 --> 00:21:47,880

amazing psychic years ago that if you

522

00:21:52,010 --> 00:21:49,980

work with dead energy it's going to kill

523

00:21:53,690 --> 00:21:52,020

you early it will it's zapping your

524

00:21:55,730 --> 00:21:53,700

energy and I didn't believe that I I

525

00:21:57,590 --> 00:21:55,740

disagreed I said I agree with that at

526

00:21:59,090 --> 00:21:57,600

all I I don't feel the drain at all I

527

00:22:00,830 --> 00:21:59,100

feel great she goes that's because

528

00:22:03,950 --> 00:22:00,840

you're still young

529

00:22:05,690 --> 00:22:03,960

and she assured me that it was true that

530

00:22:08,090 --> 00:22:05,700

all of her psychic friends were dead and

531

00:22:11,690 --> 00:22:08,100

she was the only one left

532

00:22:13,730 --> 00:22:11,700

um and uh it wasn't until I started

533

00:22:14,990 --> 00:22:13,740

having diabetes that I started to feel

534

00:22:17,930 --> 00:22:15,000

the drain

535

00:22:20,210 --> 00:22:17,940

and and uh so I don't really like

536

00:22:22,370 --> 00:22:20,220

working with dead energy so much anymore

537

00:22:24,409 --> 00:22:22,380

I mean I will do it on occasion but I

538

00:22:26,750 --> 00:22:24,419

have to be feeling good

539

00:22:28,190 --> 00:22:26,760

um if I have a cold or the flu or

540

00:22:30,230 --> 00:22:28,200

something like that or if I'm super

541

00:22:32,090 --> 00:22:30,240

super tired I'm not gonna do it

542

00:22:33,770 --> 00:22:32,100

this was an issue during my dating life

543

00:22:35,390 --> 00:22:33,780

a lot of girls that say DJ you have a

544

00:22:38,510 --> 00:22:35,400

lot of dead energy I'm like what do you

545

00:22:40,909 --> 00:22:38,520

mean I don't get it anyway Jenna uh to

546

00:22:43,850 --> 00:22:40,919

Deb's question to you and then Tammy

547

00:22:47,270 --> 00:22:43,860

boy um basically I think she was just

548

00:22:51,470 --> 00:22:47,280

asking what our gifts are or okay

549

00:22:54,770 --> 00:22:51,480

well you know as a young girl I I used

550

00:22:57,169 --> 00:22:54,780

to gravitate toward healing immediately

551

00:22:59,810 --> 00:22:57,179

I mean if my aunt would have problems

552

00:23:01,310 --> 00:22:59,820

with her hands I was young and I would

553

00:23:02,990 --> 00:23:01,320

just be

554

00:23:04,730 --> 00:23:03,000

um I just felt the need to heal them so

555

00:23:07,010 --> 00:23:04,740

I put my hands on her and every time

556

00:23:09,169 --> 00:23:07,020

she'd say how do you do that not well

557

00:23:10,850 --> 00:23:09,179

you didn't know and when you have gifts

558

00:23:13,130 --> 00:23:10,860

like that you don't know who to talk to

559

00:23:15,649 --> 00:23:13,140

so for the longest time I was dealing

560

00:23:18,710 --> 00:23:15,659

with all that myself and I had to create

561

00:23:23,029 --> 00:23:18,720

my own kind of resources and and learn

562

00:23:25,149 --> 00:23:23,039

for myself and so yeah amazing talent

563

00:23:28,250 --> 00:23:25,159

yeah well

564

00:23:29,870 --> 00:23:28,260

no ma'am go ahead no I was just gonna

565

00:23:32,090 --> 00:23:29,880

say you know I call myself a jack of all

566

00:23:34,490 --> 00:23:32,100

trades and I don't I don't like the word

567

00:23:36,049 --> 00:23:34,500

psychic I I say I'm a receiver of

568

00:23:39,890 --> 00:23:36,059

information because that's what I am

569

00:23:41,690 --> 00:23:39,900

whether it's prophecy giving someone a

570

00:23:44,270 --> 00:23:41,700

message from someone who's passed in

571

00:23:47,270 --> 00:23:44,280

their life or help Crossing people over

572

00:23:50,210 --> 00:23:47,280

you know it all comes as it's needed and

573

00:23:53,090 --> 00:23:50,220

it's always to help others so beautiful

574

00:23:55,130 --> 00:23:53,100

yeah that's so nice very kind Julie in

575

00:23:57,649 --> 00:23:55,140

the chat is another healer and remote

576

00:23:59,149 --> 00:23:57,659

viewer so she's got she practices a lot

577

00:24:01,850 --> 00:23:59,159

of the same modalities you do she

578

00:24:04,549 --> 00:24:01,860

actually healed me one time uh when I

579

00:24:07,070 --> 00:24:04,559

when my leg was hurting really bad Tammy

580

00:24:08,330 --> 00:24:07,080

tell us about your gifts other than a

581

00:24:09,770 --> 00:24:08,340

beautiful head of hair that you have

582

00:24:15,470 --> 00:24:09,780

going on there

583

00:24:19,970 --> 00:24:16,850

anyway

584

00:24:22,610 --> 00:24:19,980

um yes for me I've had paranormal

585

00:24:24,230 --> 00:24:22,620

experiences since I was young like my

586

00:24:26,510 --> 00:24:24,240

first major one was when I was four

587

00:24:28,970 --> 00:24:26,520

years old so I've been surrounded by

588

00:24:33,049 --> 00:24:28,980

entities my entire life

589

00:24:34,549 --> 00:24:33,059

um I see them all I don't see all the

590

00:24:37,130 --> 00:24:34,559

spirits all the time but I see both

591

00:24:38,990 --> 00:24:37,140

light and dark and human and non-human

592

00:24:40,549 --> 00:24:39,000

and all the things so

593

00:24:42,890 --> 00:24:40,559

um and I have experience with all of

594

00:24:45,169 --> 00:24:42,900

them I've also

595

00:24:47,990 --> 00:24:45,179

um a Healer but I'm also medical

596

00:24:49,909 --> 00:24:48,000

intuitive I can scan someone's body and

597

00:24:52,250 --> 00:24:49,919

tell them which areas they should

598

00:24:54,649 --> 00:24:52,260

probably have looked at by the doctor I

599

00:24:57,049 --> 00:24:54,659

don't like to diagnose people sometimes

600

00:24:59,510 --> 00:24:57,059

spirit will talk through me and say

601
00:25:01,789 --> 00:24:59,520
words that I don't understand so I will

602
00:25:03,529 --> 00:25:01,799
tell them and then they're like oh yeah

603
00:25:05,750 --> 00:25:03,539
that means this and that means that you

604
00:25:07,310 --> 00:25:05,760
know and I've had them have me tell

605
00:25:08,630 --> 00:25:07,320
people you know you've got you've got

606
00:25:10,549 --> 00:25:08,640
cancer you need to go get that checked

607
00:25:12,409 --> 00:25:10,559
out but it was like a big long word and

608
00:25:14,149 --> 00:25:12,419
I'm like I don't know what that means so

609
00:25:17,450 --> 00:25:14,159
that was just their way of making sure

610
00:25:18,590 --> 00:25:17,460
that I told them but I can also talk to

611
00:25:20,930 --> 00:25:18,600
animals

612
00:25:22,490 --> 00:25:20,940
um I'm not like Dr Doolittle but I can

613
00:25:25,310 --> 00:25:22,500

communicate with animals they understand

614

00:25:28,070 --> 00:25:25,320

when I speak to them and I help have

615

00:25:30,230 --> 00:25:28,080

helped more than one stuck animal bird

616

00:25:32,029 --> 00:25:30,240

whatever that's stuck in a building or

617

00:25:33,529 --> 00:25:32,039

something help them get out and just you

618

00:25:37,370 --> 00:25:33,539

know let them pick you up I won't hurt

619

00:25:39,049 --> 00:25:37,380

you kind of thing and I used to do uh

620

00:25:40,190 --> 00:25:39,059

live readings I used to do tarot

621

00:25:44,750 --> 00:25:40,200

readings

622

00:25:47,570 --> 00:25:44,760

did that for a long time but what I

623

00:25:50,330 --> 00:25:47,580

found from that is people don't want the

624

00:25:52,549 --> 00:25:50,340

truth people want you to tell them what

625

00:25:54,049 --> 00:25:52,559

they want to hear and when you don't

626
00:25:56,930 --> 00:25:54,059
tell them what they want to hear then

627
00:25:58,250 --> 00:25:56,940
they get mad so yeah I just I that

628
00:26:00,470 --> 00:25:58,260
became too much for me and I was like

629
00:26:02,470 --> 00:26:00,480
nah so now I stick with you know I can

630
00:26:05,330 --> 00:26:02,480
see auras and we do the remote viewing

631
00:26:07,789 --> 00:26:05,340
and you know we all use our gifts

632
00:26:10,490 --> 00:26:07,799
together and that makes us a much

633
00:26:13,970 --> 00:26:10,500
stronger presence as a group Wonder Twin

634
00:26:15,470 --> 00:26:13,980
powers activate let me say one thing I

635
00:26:16,970 --> 00:26:15,480
was going to ask you and this is just

636
00:26:18,769 --> 00:26:16,980
off the cuff I'm gonna pass it over to

637
00:26:20,690 --> 00:26:18,779
Matt next but

638
00:26:23,210 --> 00:26:20,700

um I watched that series I don't know if

639

00:26:26,390 --> 00:26:23,220

it was Netflix 28 days haunted where

640

00:26:29,630 --> 00:26:26,400

these uh various women and men mediums

641

00:26:32,450 --> 00:26:29,640

went into a house using the um

642

00:26:35,330 --> 00:26:32,460

uh the Warren theory of you know you

643

00:26:37,610 --> 00:26:35,340

spend 28 days maybe you can uh convince

644

00:26:40,010 --> 00:26:37,620

the spirit to leave Etc and there was

645

00:26:41,990 --> 00:26:40,020

one woman there when they asked her to

646

00:26:43,310 --> 00:26:42,000

connect with the spirit through the

647

00:26:44,930 --> 00:26:43,320

mirror do you know what that's called

648

00:26:46,789 --> 00:26:44,940

because she's like hell no I'm not doing

649

00:26:47,830 --> 00:26:46,799

that have you ever guys ever heard of

650

00:26:50,330 --> 00:26:47,840

that

651
00:26:53,990 --> 00:26:50,340
yes this is the mirror but there's a

652
00:26:57,230 --> 00:26:54,000
it's some sort of a a technique that and

653
00:26:58,850 --> 00:26:57,240
uh but yeah they said that it's a portal

654
00:27:00,169 --> 00:26:58,860
but do you know what that technique is

655
00:27:01,669 --> 00:27:00,179
called there's that that one not

656
00:27:04,970 --> 00:27:01,679
resonate with you

657
00:27:07,130 --> 00:27:04,980
no it sounded scary she's like hell no

658
00:27:09,590 --> 00:27:07,140
I'm not doing it I will do it with a

659
00:27:12,710 --> 00:27:09,600
candle but I will not I don't do mirrors

660
00:27:14,810 --> 00:27:12,720
I'm not I'm not I'm not opening up that

661
00:27:16,730 --> 00:27:14,820
portal of the mirror but anyway it's a

662
00:27:19,490 --> 00:27:16,740
good series man they're already portals

663
00:27:20,690 --> 00:27:19,500

yeah the mirrors are already Porto so it

664

00:27:22,669 --> 00:27:20,700

just takes just a little bit of

665

00:27:25,430 --> 00:27:22,679

attention to them for them to be like oh

666

00:27:29,750 --> 00:27:28,190

I'm like no we're good man we're good

667

00:27:31,789 --> 00:27:29,760

Matt Knapp

668

00:27:33,289 --> 00:27:31,799

what up

669

00:27:34,669 --> 00:27:33,299

I don't know what the technique's called

670

00:27:36,289 --> 00:27:34,679

but the apparatus is called a

671

00:27:38,330 --> 00:27:36,299

phantasmagoria

672

00:27:40,310 --> 00:27:38,340

really yes

673

00:27:42,169 --> 00:27:40,320

just a little bit of worthless knowledge

674

00:27:45,470 --> 00:27:42,179

for you because you've done some

675

00:27:48,529 --> 00:27:45,480

paranormal as well right I dabbled I've

676

00:27:51,470 --> 00:27:48,539

dabbled uh okay just dealing with it in

677

00:27:55,010 --> 00:27:51,480

a life basis not really seeking it out

678

00:27:56,930 --> 00:27:55,020

but just being around it all the time

679

00:27:59,570 --> 00:27:56,940

Nathan we're so deficient we have

680

00:28:02,230 --> 00:27:59,580

numbers you know what I mean yeah only

681

00:28:06,950 --> 00:28:02,240

normal that's what I have

682

00:28:15,830 --> 00:28:06,960

yeah Nathan don't be alarmed

683

00:28:20,149 --> 00:28:17,810

ladies

684

00:28:21,669 --> 00:28:20,159

more people from the actual Bigfoot

685

00:28:27,110 --> 00:28:21,679

World wow

686

00:28:29,930 --> 00:28:27,120

this is odd for me uh so many questions

687

00:28:32,690 --> 00:28:29,940

um I guess I'll start with

688

00:28:34,789 --> 00:28:32,700

just as a group what's your objective

689

00:28:37,310 --> 00:28:34,799

with all of this what what is your goal

690

00:28:41,750 --> 00:28:37,320

if you could have the best possible

691

00:28:42,529 --> 00:28:41,760

outcome to your group what would it be

692

00:28:44,630 --> 00:28:42,539

foreign

693

00:28:46,970 --> 00:28:44,640

I think we just have questions that we

694

00:28:49,010 --> 00:28:46,980

want answers for and I I've been telling

695

00:28:51,110 --> 00:28:49,020

the girl since since we came together to

696

00:28:53,029 --> 00:28:51,120

do this together as a group

697

00:28:55,370 --> 00:28:53,039

that we need to not be so concerned

698

00:28:57,049 --> 00:28:55,380

about what other people think we can go

699

00:28:59,570 --> 00:28:57,059

out there and look for our the answers

700

00:29:02,269 --> 00:28:59,580

that we want to find and we can share

701
00:29:04,130 --> 00:29:02,279
what we find but that's where it kind of

702
00:29:05,870 --> 00:29:04,140
ends people are either going to believe

703
00:29:07,190 --> 00:29:05,880
in it or not you know they're either

704
00:29:08,990 --> 00:29:07,200
going to believe in our gifts or they're

705
00:29:10,490 --> 00:29:09,000
not and I always say you don't have to

706
00:29:11,930 --> 00:29:10,500
believe in remote viewing you don't have

707
00:29:14,510 --> 00:29:11,940
to believe in psychics you don't have to

708
00:29:16,190 --> 00:29:14,520
believe in any of that just when I tell

709
00:29:17,930 --> 00:29:16,200
you there's something there and the GPS

710
00:29:20,889 --> 00:29:17,940
coordinate and then we go there and

711
00:29:23,450 --> 00:29:20,899
there's something there hey

712
00:29:25,130 --> 00:29:23,460
that should tell you something that that

713
00:29:27,470 --> 00:29:25,140

works and I'm going to tell you right

714

00:29:29,570 --> 00:29:27,480

now the first time that I remote viewed

715

00:29:31,970 --> 00:29:29,580

a geographic remote view to location

716

00:29:34,549 --> 00:29:31,980

which is I literally do with Google Maps

717

00:29:36,590 --> 00:29:34,559

satellite imagery I'm looking at

718

00:29:38,570 --> 00:29:36,600

locations and I'm asking questions and

719

00:29:40,310 --> 00:29:38,580

I'm receiving answers and I've I've

720

00:29:42,230 --> 00:29:40,320

always been attracted to looking at

721

00:29:43,730 --> 00:29:42,240

things from the air so this is something

722

00:29:47,090 --> 00:29:43,740

I've done since I was a little girl but

723

00:29:49,190 --> 00:29:47,100

I used to do with maps and atlases okay

724

00:29:51,049 --> 00:29:49,200

but now I do it with satellite imagery

725

00:29:54,169 --> 00:29:51,059

and I can literally knock down a

726

00:29:56,029 --> 00:29:54,179

location with a GPS coordinate so it's

727

00:29:57,590 --> 00:29:56,039

working really well so I was looking at

728

00:30:01,850 --> 00:29:57,600

an area that we were going to go check

729

00:30:05,630 --> 00:30:01,860

out uh and I saw a Bigfoot on the remote

730

00:30:07,850 --> 00:30:05,640

view a very large angry looking male and

731

00:30:09,769 --> 00:30:07,860

I was like oh he's scary

732

00:30:12,889 --> 00:30:09,779

um and it was showing me his territory

733

00:30:15,110 --> 00:30:12,899

and then I saw like a little path that

734

00:30:18,289 --> 00:30:15,120

like went by in the woods and I'm like

735

00:30:21,350 --> 00:30:18,299

is that a road it's not marked as a road

736

00:30:22,970 --> 00:30:21,360

um I wonder if I could drive on that

737

00:30:25,909 --> 00:30:22,980

um and then on the other side of that

738

00:30:28,070 --> 00:30:25,919

about within 100 feet I saw something

739

00:30:29,930 --> 00:30:28,080

that lit up when I asked for Bigfoot

740

00:30:32,210 --> 00:30:29,940

evidence that we collect could collect

741

00:30:34,130 --> 00:30:32,220

it lit up for me this whole huge area

742

00:30:35,750 --> 00:30:34,140

and I didn't know what was there but it

743

00:30:38,210 --> 00:30:35,760

kept lighting up that in response to

744

00:30:40,430 --> 00:30:38,220

that question so I dropped a pin on it

745

00:30:42,590 --> 00:30:40,440

and I said we're going there well it

746

00:30:44,750 --> 00:30:42,600

wasn't until we got there

747

00:30:46,130 --> 00:30:44,760

and uh we had Nikki driving the car so

748

00:30:48,289 --> 00:30:46,140

that I could have my awareness open

749

00:30:51,230 --> 00:30:48,299

while she was driving because I don't

750

00:30:53,149 --> 00:30:51,240

drive a vehicle and open my psychic

751
00:30:55,370 --> 00:30:53,159
awareness fully that's just not a safe

752
00:30:58,070 --> 00:30:55,380
thing to do because you're not really

753
00:31:01,970 --> 00:30:58,080
fully paying attention to the driving

754
00:31:04,490 --> 00:31:01,980
um and so she was driving and uh I had

755
00:31:07,070 --> 00:31:04,500
this stuff ready to go and because my

756
00:31:09,909 --> 00:31:07,080
whole my whole theory on this was park

757
00:31:12,769 --> 00:31:09,919
the car get out and run towards it

758
00:31:15,409 --> 00:31:12,779
okay that was my theory that was what I

759
00:31:16,909 --> 00:31:15,419
wanted to do and Jenna gets out of the

760
00:31:19,250 --> 00:31:16,919
car she's not ready and I said okay

761
00:31:21,289 --> 00:31:19,260
girls if we get out of the car here to

762
00:31:23,090 --> 00:31:21,299
the right within 100 feet we're hitting

763
00:31:24,830 --> 00:31:23,100

that aggressive male's territory so we

764

00:31:26,930 --> 00:31:24,840

probably shouldn't go that way if we go

765

00:31:28,310 --> 00:31:26,940

to the left right from here

766

00:31:29,930 --> 00:31:28,320

um within 100 feet we're going to find

767

00:31:31,490 --> 00:31:29,940

that area with the Bigfoot evidence I'm

768

00:31:33,610 --> 00:31:31,500

not sure what it is but it's definitely

769

00:31:36,830 --> 00:31:33,620

big it's something something is there

770

00:31:39,830 --> 00:31:36,840

and so get out of the car I'm ready

771

00:31:41,330 --> 00:31:39,840

stuff is in hand Jonah's like getting

772

00:31:43,430 --> 00:31:41,340

her stuff

773

00:31:45,409 --> 00:31:43,440

I have to say there wasn't that much

774

00:31:47,210 --> 00:31:45,419

discussion about getting ready and being

775

00:31:48,950 --> 00:31:47,220

ready at the time she did mention it but

776

00:31:52,490 --> 00:31:48,960

boy she's going into a lot of detail now

777

00:31:56,210 --> 00:31:52,500

that she suppose that they told me but

778

00:31:58,310 --> 00:31:56,220

um yes I was not ready I will take that

779

00:32:00,049 --> 00:31:58,320

and so when I got out of the car I just

780

00:32:01,730 --> 00:32:00,059

started looking to the right just just

781

00:32:03,529 --> 00:32:01,740

looking to see if I could see anything

782

00:32:05,990 --> 00:32:03,539

back there while I was waiting for Jenna

783

00:32:07,970 --> 00:32:06,000

and I you know I took a few steps and I

784

00:32:10,370 --> 00:32:07,980

I heard some movement that's you know

785

00:32:11,810 --> 00:32:10,380

sounded like Rocks coming and I was like

786

00:32:13,610 --> 00:32:11,820

oh and then Nikki said oh I see

787

00:32:15,529 --> 00:32:13,620

something back there and so I was like

788

00:32:18,590 --> 00:32:15,539

duh Jen don't look at the

789

00:32:20,870 --> 00:32:18,600

aggressive mail go the other side and so

790

00:32:22,610 --> 00:32:20,880

Nikki had been looking to the left where

791

00:32:24,110 --> 00:32:22,620

I had the scene that there was Bigfoot

792

00:32:25,490 --> 00:32:24,120

evidence that we could collect and so I

793

00:32:26,750 --> 00:32:25,500

go over there and I start looking and

794

00:32:28,370 --> 00:32:26,760

I'm like come on Jonah come on Jonah

795

00:32:31,490 --> 00:32:28,380

she's like yeah Nikki do you want to use

796

00:32:34,610 --> 00:32:32,990

because Nikki didn't feel good and it

797

00:32:36,049 --> 00:32:34,620

was really hot that day so she was gonna

798

00:32:38,690 --> 00:32:36,059

stay in the car with the Essential Air

799

00:32:41,169 --> 00:32:38,700

on I take care of people I love my peeps

800

00:32:44,330 --> 00:32:41,179

I love my peeps

801
00:32:46,310 --> 00:32:44,340
so so we you know I'm like come on John

802
00:32:49,549 --> 00:32:46,320
and I start seeing something moving back

803
00:32:51,169 --> 00:32:49,559
there and I'm like Jenna school and I

804
00:32:52,850 --> 00:32:51,179
start walking towards it and now I'm

805
00:32:55,970 --> 00:32:52,860
scared because I'm walking towards it

806
00:32:59,389 --> 00:32:55,980
moving stuff and I'm doing it by myself

807
00:33:01,370 --> 00:32:59,399
which was not my plan and that was not

808
00:33:04,010 --> 00:33:01,380
my plan and I'm like come on Joanna come

809
00:33:07,310 --> 00:33:04,020
in at granted everything was moving in

810
00:33:08,690 --> 00:33:07,320
slow motion to me like she was like you

811
00:33:11,630 --> 00:33:08,700
know and

812
00:33:17,509 --> 00:33:14,630
I know I know in reality it was just

813
00:33:18,889 --> 00:33:17,519

really really speedy and I just said I

814

00:33:21,669 --> 00:33:18,899

was right behind her and she just thinks

815

00:33:24,289 --> 00:33:21,679

it was slow so

816

00:33:26,389 --> 00:33:24,299

okay Nathan test test how does this

817

00:33:28,850 --> 00:33:26,399

sound lower is that better

818

00:33:31,370 --> 00:33:28,860

yeah it does yeah good okay because I I

819

00:33:32,810 --> 00:33:31,380

did it I've adjusted it like just on the

820

00:33:34,669 --> 00:33:32,820

lap but I went into the settings and

821

00:33:35,930 --> 00:33:34,679

tried it on the computer so I don't want

822

00:33:37,490 --> 00:33:35,940

to blast you guys out because it's

823

00:33:39,710 --> 00:33:37,500

really annoying when someone's voice is

824

00:33:42,470 --> 00:33:39,720

too loud particularly mine

825

00:33:45,169 --> 00:33:42,480

all right so when we when we're starting

826

00:33:46,430 --> 00:33:45,179

so she she finally comes and this is

827

00:33:47,990 --> 00:33:46,440

funny because we were doing an interview

828

00:33:49,370 --> 00:33:48,000

on somebody else's show and I wish I

829

00:33:51,590 --> 00:33:49,380

could remember which so it was because

830

00:33:52,310 --> 00:33:51,600

we could go get a clip of it but Jenna

831

00:33:54,590 --> 00:33:52,320

said

832

00:33:57,830 --> 00:33:54,600

it's like Jen knew there was something

833

00:33:59,930 --> 00:33:57,840

there she was walking straight to it and

834

00:34:01,610 --> 00:33:59,940

I was like didn't that wasn't the whole

835

00:34:03,049 --> 00:34:01,620

point I said something's there within

836

00:34:05,810 --> 00:34:03,059

100 feet there's something right there

837

00:34:08,690 --> 00:34:05,820

and okay but but you have to understand

838

00:34:10,250 --> 00:34:08,700

I tell people I believed in Jen at the

839

00:34:12,829 --> 00:34:10,260

time I did not believe in remote viewing

840

00:34:14,329 --> 00:34:12,839

I really didn't you know I didn't have

841

00:34:16,730 --> 00:34:14,339

the belief in it and all of a sudden

842

00:34:20,030 --> 00:34:16,740

she's bringing me out 50 feet we're

843

00:34:23,030 --> 00:34:20,040

finding something and I'm going

844

00:34:25,669 --> 00:34:23,040

I was shocked I'm sure I'm sure Matt

845

00:34:27,169 --> 00:34:25,679

would tell you guys that there's a lot

846

00:34:29,030 --> 00:34:27,179

of researchers that have been out and

847

00:34:32,690 --> 00:34:29,040

not had a hit like on their first or

848

00:34:34,849 --> 00:34:32,700

even second outing right Matt so this is

849

00:34:36,770 --> 00:34:34,859

pretty extraordinary

850

00:34:38,690 --> 00:34:36,780

I mean there's people that are

851
00:34:40,550 --> 00:34:38,700
considered experts that

852
00:34:42,060 --> 00:34:40,560
literally live their entire lives

853
00:34:45,829 --> 00:34:42,070
without ever finding a track

854
00:34:47,629 --> 00:34:45,839
[Laughter]

855
00:34:49,250 --> 00:34:47,639
what was unusual for us to be finding

856
00:34:52,490 --> 00:34:49,260
something every time we went out we we

857
00:34:54,589 --> 00:34:52,500
were like oh yeah this is easy and but

858
00:34:56,270 --> 00:34:54,599
your your goal what what he was asking

859
00:34:57,589 --> 00:34:56,280
though is about your goal your goal for

860
00:35:00,050 --> 00:34:57,599
the group is what

861
00:35:01,790 --> 00:35:00,060
just to to gain those answers to share

862
00:35:03,349 --> 00:35:01,800
what we found

863
00:35:06,470 --> 00:35:03,359

um and to feel comfortable with that

864

00:35:08,630 --> 00:35:06,480

this is our hobby we enjoy it we we you

865

00:35:10,430 --> 00:35:08,640

know it's exciting to us

866

00:35:12,410 --> 00:35:10,440

um if we can interact and learn more

867

00:35:14,390 --> 00:35:12,420

about them and that would be great but

868

00:35:16,069 --> 00:35:14,400

if I'm telling you right now if we found

869

00:35:18,650 --> 00:35:16,079

a Bigfoot Village

870

00:35:21,170 --> 00:35:18,660

I'm not going to tell you where it is

871

00:35:22,970 --> 00:35:21,180

I didn't I didn't suspect that you would

872

00:35:24,890 --> 00:35:22,980

actually let me tell you something I'm

873

00:35:27,770 --> 00:35:24,900

going to tell you of a neighbor of your

874

00:35:29,270 --> 00:35:27,780

suit our friend who needs you guys to

875

00:35:32,930 --> 00:35:29,280

come up there and check out his place

876

00:35:36,290 --> 00:35:32,940

and and Deb and uh Nathan know who this

877

00:35:39,710 --> 00:35:36,300

is and that is former USAF parrot rescue

878

00:35:43,849 --> 00:35:39,720

men Scott gearen who lives in northern

879

00:35:47,270 --> 00:35:43,859

Minnesota and he sent us some tracks and

880

00:35:51,050 --> 00:35:47,280

he sent us a video that had a Bigfoot

881

00:35:52,550 --> 00:35:51,060

howl that I thought as a novice that

882

00:35:54,770 --> 00:35:52,560

doesn't know anything sounded very

883

00:35:56,569 --> 00:35:54,780

authentic so take that with a grain of

884

00:35:58,310 --> 00:35:56,579

salt but that would be really cool if

885

00:36:01,250 --> 00:35:58,320

you guys met up with Scott he's very

886

00:36:05,270 --> 00:36:01,260

famous in the Air Force Community

887

00:36:07,790 --> 00:36:05,280

because he had a basically someone fell

888

00:36:09,470 --> 00:36:07,800

through his parachute on a free fall and

889

00:36:11,270 --> 00:36:09,480

he hit the ground doing over 100 miles

890

00:36:13,430 --> 00:36:11,280

an hour and survived basically with a

891

00:36:15,829 --> 00:36:13,440

collapsed parachute

892

00:36:17,450 --> 00:36:15,839

um and he was featured on Airman

893

00:36:19,490 --> 00:36:17,460

magazine and all that they showed him

894

00:36:21,050 --> 00:36:19,500

like what he looked like and then what

895

00:36:23,329 --> 00:36:21,060

he looked like when his body was all

896

00:36:26,930 --> 00:36:23,339

swollen up from the from landing on the

897

00:36:29,630 --> 00:36:26,940

ground but uh he's uh no worse for the

898

00:36:31,250 --> 00:36:29,640

wear retired up in Minnesota and and uh

899

00:36:34,569 --> 00:36:31,260

lives near a

900

00:36:36,829 --> 00:36:34,579

State Forest his property of 40 acres

901
00:36:40,370 --> 00:36:36,839
backs up to State four so it's quite

902
00:36:41,390 --> 00:36:40,380
squatchy as he as he says so he needs

903
00:36:43,370 --> 00:36:41,400
you guys to come up there and take a

904
00:36:45,890 --> 00:36:43,380
look I think definitely let's set it up

905
00:36:47,690 --> 00:36:45,900
I went to the show I've already messaged

906
00:36:50,390 --> 00:36:47,700
him just a little while ago that you

907
00:36:52,370 --> 00:36:50,400
guys are on and that you got I didn't

908
00:36:54,829 --> 00:36:52,380
real these guys are minnesotans they

909
00:36:56,510 --> 00:36:54,839
gotta meet up with Scott and and take a

910
00:36:58,069 --> 00:36:56,520
look at the tracks and what he's what he

911
00:36:59,150 --> 00:36:58,079
said and I'll send you what he sent me

912
00:37:00,589 --> 00:36:59,160
as well

913
00:37:02,270 --> 00:37:00,599

so

914

00:37:04,250 --> 00:37:02,280

um what I want to ask you I want to go

915

00:37:05,690 --> 00:37:04,260

to Tammy over here

916

00:37:09,109 --> 00:37:05,700

Tammy

917

00:37:12,589 --> 00:37:09,119

is there the investigations that you've

918

00:37:15,050 --> 00:37:12,599

done can you tell me one thing that you

919

00:37:17,630 --> 00:37:15,060

feel like you've understood or connected

920

00:37:19,550 --> 00:37:17,640

with about Bigfoot and something that

921

00:37:23,210 --> 00:37:19,560

has occurred that you don't understand

922

00:37:27,290 --> 00:37:24,410

okay

923

00:37:29,569 --> 00:37:27,300

um well my best encounter with a Bigfoot

924

00:37:32,270 --> 00:37:29,579

was when we were in Tennessee on top of

925

00:37:33,290 --> 00:37:32,280

a mountain and we had remote viewed at

926
00:37:35,630 --> 00:37:33,300
dinner

927
00:37:37,310 --> 00:37:35,640
um this area that that Jenna and I had

928
00:37:39,670 --> 00:37:37,320
gone with one of our fellow

929
00:37:42,230 --> 00:37:39,680
investigators Matthew Delph from micro

930
00:37:44,569 --> 00:37:42,240
investigations and we had gone up there

931
00:37:46,069 --> 00:37:44,579
during the day and we're out there with

932
00:37:47,510 --> 00:37:46,079
some people and we're like we we need to

933
00:37:49,670 --> 00:37:47,520
come back here at night because we sat

934
00:37:51,710 --> 00:37:49,680
we saw a few things and that were of

935
00:37:55,310 --> 00:37:51,720
Interest so we went to dinner and we

936
00:37:56,690 --> 00:37:55,320
remote viewed the area and Jen found an

937
00:37:58,430 --> 00:37:56,700
area that she thought that there was

938
00:38:01,310 --> 00:37:58,440

going to be a really good

939

00:38:03,109 --> 00:38:01,320

um chance of us getting some evidence or

940

00:38:05,450 --> 00:38:03,119

having an interaction so we went up

941

00:38:07,069 --> 00:38:05,460

there and went on we were got up there

942

00:38:09,050 --> 00:38:07,079

there's no lights there's no electricity

943

00:38:10,609 --> 00:38:09,060

it's on the top of a mountain and she's

944

00:38:12,349 --> 00:38:10,619

like she looks at the remote View and

945

00:38:14,569 --> 00:38:12,359

she's like hey there's one 30 feet right

946

00:38:18,230 --> 00:38:14,579

over there and so I got out of the car

947

00:38:20,390 --> 00:38:18,240

and I had Jenna's flare camera and I'm

948

00:38:22,010 --> 00:38:20,400

looking and I'm like oh my gosh there it

949

00:38:23,510 --> 00:38:22,020

is it's right there and I'm sitting

950

00:38:25,250 --> 00:38:23,520

there and I'm trying to trying to record

951
00:38:26,890 --> 00:38:25,260
my very first time using this flare

952
00:38:29,210 --> 00:38:26,900
camera of course

953
00:38:30,890 --> 00:38:29,220
and so I'm going through it and I'm

954
00:38:32,870 --> 00:38:30,900
changing the settings I'm not hitting

955
00:38:35,210 --> 00:38:32,880
the record and I'm like hey come on come

956
00:38:37,310 --> 00:38:35,220
over here push record and

957
00:38:43,730 --> 00:38:37,320
um I was the first one out of vehicle

958
00:38:43,740 --> 00:38:48,109
like

959
00:38:52,130 --> 00:38:49,730
before and she pressed the record button

960
00:38:55,310 --> 00:38:52,140
but um before while I was waiting for

961
00:38:57,109 --> 00:38:55,320
them yeah he had his arm up and see all

962
00:38:59,810 --> 00:38:57,119
the hair hanging down he was just

963
00:39:02,569 --> 00:38:59,820

lounging there and I'm like oh my gosh

964

00:39:04,310 --> 00:39:02,579

No One's Gonna believe this come on and

965

00:39:08,089 --> 00:39:04,320

so when I started recording you know we

966

00:39:10,790 --> 00:39:08,099

got some minutes of flear footage of

967

00:39:12,410 --> 00:39:10,800

Bigfoot he did not run away we did not

968

00:39:15,170 --> 00:39:12,420

try to get closer

969

00:39:16,790 --> 00:39:15,180

um but we were not quiet at all he

970

00:39:18,650 --> 00:39:16,800

definitely knew that we were there and

971

00:39:22,250 --> 00:39:18,660

that we were recording he was just like

972

00:39:27,770 --> 00:39:25,190

but yeah we got 13 minutes and we had to

973

00:39:32,329 --> 00:39:27,780

uh re-stabilized and I think it was like

974

00:39:34,430 --> 00:39:32,339

Sixers on our website that shows that

975

00:39:35,690 --> 00:39:34,440

do you mind if I jot down what fragrance

976

00:39:41,109 --> 00:39:35,700

you were wearing

977

00:39:46,910 --> 00:39:42,760

oh Tammy

978

00:39:48,410 --> 00:39:46,920

[Laughter]

979

00:39:49,930 --> 00:39:48,420

I don't know if I don't know if I was

980

00:39:52,490 --> 00:39:49,940

wearing perfume or not

981

00:39:54,950 --> 00:39:52,500

oh all right so we can't blame it on

982

00:39:56,930 --> 00:39:54,960

your fragrance it was the aura

983

00:39:58,550 --> 00:39:56,940

um what did what have you not under what

984

00:40:00,109 --> 00:39:58,560

have they done that's really surprised

985

00:40:01,930 --> 00:40:00,119

you that you've said wow I don't know I

986

00:40:05,450 --> 00:40:01,940

don't get that

987

00:40:10,250 --> 00:40:08,390

you know I think that for for me

988

00:40:11,510 --> 00:40:10,260

personally

989

00:40:14,690 --> 00:40:11,520

um

990

00:40:16,250 --> 00:40:14,700

I want to interact with them and I'm so

991

00:40:17,690 --> 00:40:16,260

happy that they let us because I know

992

00:40:20,450 --> 00:40:17,700

that they normally you know these people

993

00:40:24,230 --> 00:40:20,460

get a blob Squatch so I don't really

994

00:40:27,310 --> 00:40:24,240

understand why they allowed us to watch

995

00:40:29,290 --> 00:40:27,320

others can't even get a flyby you know

996

00:40:32,390 --> 00:40:29,300

and I'm

997

00:40:34,370 --> 00:40:32,400

grateful and for them for that

998

00:40:37,190 --> 00:40:34,380

um definitely I think that I think that

999

00:40:39,349 --> 00:40:37,200

they know who we are I think they know

1000

00:40:41,810 --> 00:40:39,359

people in general and they can tell who

1001
00:40:43,430 --> 00:40:41,820
is good and who is not good who has good

1002
00:40:45,770 --> 00:40:43,440
intentions who doesn't who doesn't have

1003
00:40:48,589 --> 00:40:45,780
good intentions for them and I think

1004
00:40:50,990 --> 00:40:48,599
that they know that we don't have any

1005
00:40:53,510 --> 00:40:51,000
interest in you know getting them in

1006
00:40:57,410 --> 00:40:53,520
trouble or harming them and we just want

1007
00:41:00,109 --> 00:40:57,420
to have answers to our questions so I

1008
00:41:02,510 --> 00:41:00,119
mean Nathan I I was going to say I feel

1009
00:41:04,010 --> 00:41:02,520
like Matt did a whole lot of hiking he

1010
00:41:05,630 --> 00:41:04,020
could have just gone out with Jen Jen

1011
00:41:07,190 --> 00:41:05,640
and Tammy and he could have saved

1012
00:41:09,770 --> 00:41:07,200
himself about four miles in the woods

1013
00:41:13,030 --> 00:41:09,780

absolutely yeah no I mean GPS right to

1014

00:41:18,890 --> 00:41:16,430

hey hey hey hey hey

1015

00:41:24,710 --> 00:41:18,900

I had my first sighting in a parking lot

1016

00:41:29,390 --> 00:41:26,870

go ahead Matt because I forgot your

1017

00:41:36,470 --> 00:41:29,400

first outing you had a sighting also

1018

00:41:41,210 --> 00:41:39,770

nappy so funny go ahead Nathan well I

1019

00:41:44,210 --> 00:41:41,220

wanna I wanted to explore the remote

1020

00:41:47,150 --> 00:41:44,220

viewing a little bit too uh if you ever

1021

00:41:50,030 --> 00:41:47,160

when remote viewing a location or one of

1022

00:41:54,530 --> 00:41:50,040

the beings or have you ever since that

1023

00:41:59,450 --> 00:41:54,540

they are aware of you in that process

1024

00:42:02,200 --> 00:41:59,460

yes I have I have yeah and actually

1025

00:42:03,650 --> 00:42:02,210

sometimes they do this

1026

00:42:05,210 --> 00:42:03,660

[Laughter]

1027

00:42:08,150 --> 00:42:05,220

because I do remote viewing for other

1028

00:42:09,770 --> 00:42:08,160

people and uh it's kind of fun to pass

1029

00:42:12,530 --> 00:42:09,780

the time especially in the winter when

1030

00:42:15,589 --> 00:42:12,540

we it's too cold to do that here but

1031

00:42:18,490 --> 00:42:15,599

um yes it gets 40 below zero here it

1032

00:42:20,750 --> 00:42:18,500

does happen wow too cool

1033

00:42:22,990 --> 00:42:20,760

uh I can barely run out to the car in

1034

00:42:26,810 --> 00:42:23,000

that amount of time so

1035

00:42:28,970 --> 00:42:26,820

uh I'm not doing it so anyway I I do we

1036

00:42:30,530 --> 00:42:28,980

do remote viewing for other teams and

1037

00:42:32,270 --> 00:42:30,540

stuff that we trust and that we know

1038

00:42:34,250 --> 00:42:32,280

well and there's one that I remote for

1039

00:42:35,690 --> 00:42:34,260

you for on the regular every time they

1040

00:42:37,730 --> 00:42:35,700

go out they're like hey we're going out

1041

00:42:39,950 --> 00:42:37,740

that's where we're going and it is

1042

00:42:41,390 --> 00:42:39,960

states away from me so it's not like

1043

00:42:44,150 --> 00:42:41,400

they give me any notice to get there

1044

00:42:48,950 --> 00:42:44,160

because I couldn't get there that quick

1045

00:42:52,250 --> 00:42:48,960

anyway uh and and there was uh you know

1046

00:42:54,890 --> 00:42:52,260

I know that this team is is pretty you

1047

00:42:56,510 --> 00:42:54,900

know they don't push up really hard uh

1048

00:43:00,109 --> 00:42:56,520

but they had Russell acord with them one

1049

00:43:02,150 --> 00:43:00,119

night and I knew Russell would be uh

1050

00:43:03,890 --> 00:43:02,160

a little bit more aggressive in it like

1051
00:43:05,870 --> 00:43:03,900
if I said they're over there he would

1052
00:43:07,550 --> 00:43:05,880
probably walk right to it

1053
00:43:11,230 --> 00:43:07,560
um and so I told them where I was seeing

1054
00:43:17,329 --> 00:43:13,670
and they were younger ones they were

1055
00:43:19,309 --> 00:43:17,339
like like teen kids a group of them and

1056
00:43:20,930 --> 00:43:19,319
they were and they were away from

1057
00:43:22,130 --> 00:43:20,940
everybody else a little bit and so I

1058
00:43:24,290 --> 00:43:22,140
didn't even send them in that direction

1059
00:43:25,430 --> 00:43:24,300
and I I told the one guy I said there's

1060
00:43:26,329 --> 00:43:25,440
something else but I'll tell you

1061
00:43:29,109 --> 00:43:26,339
tomorrow

1062
00:43:32,210 --> 00:43:29,119
and when you guys are done

1063
00:43:34,849 --> 00:43:32,220

and so I told him the next day you know

1064

00:43:36,829 --> 00:43:34,859

that there were a group of kids teenage

1065

00:43:38,809 --> 00:43:36,839

younger ones

1066

00:43:40,910 --> 00:43:38,819

um and then where they were at and he

1067

00:43:42,410 --> 00:43:40,920

said we heard we heard something over

1068

00:43:44,450 --> 00:43:42,420

there that sounded like talk like

1069

00:43:46,670 --> 00:43:44,460

talking

1070

00:43:50,450 --> 00:43:46,680

um and I was like yeah they were like

1071

00:43:53,230 --> 00:43:50,460

don't tell so well and is the energy uh

1072

00:43:55,550 --> 00:43:53,240

that you're getting is it is it how how

1073

00:43:57,950 --> 00:43:55,560

familiar does it feel does it feel human

1074

00:43:59,750 --> 00:43:57,960

in any way what's the what's the quality

1075

00:44:02,030 --> 00:43:59,760

to it compared to maybe human energy

1076

00:44:04,010 --> 00:44:02,040

maybe it's better where to put it uh

1077

00:44:06,890 --> 00:44:04,020

when I'm seeing them sometimes I'll see

1078

00:44:10,069 --> 00:44:06,900

their facial expressions and it tells me

1079

00:44:13,430 --> 00:44:10,079

what to expect like if they look really

1080

00:44:15,349 --> 00:44:13,440

mean I'm like oh be careful you know if

1081

00:44:17,750 --> 00:44:15,359

you know don't push this these this

1082

00:44:19,190 --> 00:44:17,760

group is aggressive I wouldn't if they

1083

00:44:21,589 --> 00:44:19,200

start telling you to leave giving you

1084

00:44:23,809 --> 00:44:21,599

signed and back off don't don't push

1085

00:44:25,910 --> 00:44:23,819

them but then in the same location

1086

00:44:28,130 --> 00:44:25,920

sometimes I'll see different ones that

1087

00:44:29,690 --> 00:44:28,140

are not so aggressive or they maybe

1088

00:44:32,589 --> 00:44:29,700

they're older and one even showed me he

1089

00:44:35,390 --> 00:44:32,599

had no teeth and

1090

00:44:38,150 --> 00:44:35,400

and and so if I can see their face close

1091

00:44:40,250 --> 00:44:38,160

up enough and and see that again gaining

1092

00:44:42,950 --> 00:44:40,260

more information and so I I'll tell them

1093

00:44:44,510 --> 00:44:42,960

you know this is where they're at uh you

1094

00:44:46,069 --> 00:44:44,520

know this is what you can expect from

1095

00:44:48,290 --> 00:44:46,079

them you know

1096

00:44:49,790 --> 00:44:48,300

um maybe try this

1097

00:44:51,349 --> 00:44:49,800

um sometimes I'll even say you know

1098

00:44:52,790 --> 00:44:51,359

they're approaching the water right here

1099

00:44:55,069 --> 00:44:52,800

and send them the spot where they're

1100

00:44:57,530 --> 00:44:55,079

going to the water at

1101

00:44:59,210 --> 00:44:57,540

um or I'll I'll also see like what I

1102

00:45:01,069 --> 00:44:59,220

call the Bermuda Triangle of the

1103

00:45:03,710 --> 00:45:01,079

location and I'll literally take a

1104

00:45:05,329 --> 00:45:03,720

screenshot and draw a triangle on it and

1105

00:45:07,550 --> 00:45:05,339

like this is your Bermuda truck the

1106

00:45:10,670 --> 00:45:07,560

weird stuff is gonna happen right there

1107

00:45:14,329 --> 00:45:10,680

and wow so

1108

00:45:16,309 --> 00:45:14,339

um but yeah so I I do get a sense and I

1109

00:45:17,750 --> 00:45:16,319

sometimes I know that they're that

1110

00:45:19,490 --> 00:45:17,760

they're sensing me too because sometimes

1111

00:45:21,530 --> 00:45:19,500

I see them wave

1112

00:45:25,490 --> 00:45:21,540

or they point

1113

00:45:27,770 --> 00:45:25,500

uh like we went that way or you know

1114

00:45:29,390 --> 00:45:27,780

so wow

1115

00:45:32,450 --> 00:45:29,400

so what you see on the screen there

1116

00:45:35,809 --> 00:45:32,460

that's Tyler Howell I'm going out uh to

1117

00:45:37,250 --> 00:45:35,819

his research area next Saturday night I

1118

00:45:39,710 --> 00:45:37,260

think we're gonna do it hello Tyler

1119

00:45:43,309 --> 00:45:39,720

what's up brother and uh I don't know

1120

00:45:45,770 --> 00:45:43,319

maybe uh maybe a general remote view

1121

00:45:48,170 --> 00:45:45,780

that area and tell us and Blackwater uh

1122

00:45:49,670 --> 00:45:48,180

State Forest uh if if there'll be

1123

00:45:52,550 --> 00:45:49,680

like somewhere near the research area

1124

00:45:56,329 --> 00:45:52,560

where you go so uh but anyway what's up

1125

00:45:59,450 --> 00:45:56,339

so let me pass it over to Deb's study of

1126
00:46:01,609 --> 00:45:59,460
uaps yeah so we kind of touched on this

1127
00:46:03,890 --> 00:46:01,619
a little bit but um you talked a little

1128
00:46:06,829 --> 00:46:03,900
bit about the experencer and how that

1129
00:46:09,470 --> 00:46:06,839
kind of creates the interaction

1130
00:46:12,230 --> 00:46:09,480
um I was wondering if you think there's

1131
00:46:14,390 --> 00:46:12,240
something deeper that causes or enables

1132
00:46:16,190 --> 00:46:14,400
some people to have those experiences

1133
00:46:17,750 --> 00:46:16,200
because all of you you know you have the

1134
00:46:20,210 --> 00:46:17,760
gifts you're bringing through the table

1135
00:46:23,390 --> 00:46:20,220
but is there something in other people

1136
00:46:26,089 --> 00:46:23,400
especially considering how often an

1137
00:46:29,650 --> 00:46:26,099
experencer has a Bigfoot experience and

1138
00:46:33,230 --> 00:46:29,660

then another no non-human intelligence

1139

00:46:37,490 --> 00:46:35,210

well I think that

1140

00:46:39,770 --> 00:46:37,500

how with the and how I I've been

1141

00:46:41,690 --> 00:46:39,780

studying the brain since the

1142

00:46:44,990 --> 00:46:41,700

since you know the amount of the brain

1143

00:46:47,089 --> 00:46:45,000

that or the human brain thinks that 400

1144

00:46:48,349 --> 00:46:47,099

billion bytes per second that's not its

1145

00:46:50,870 --> 00:46:48,359

potential that's what it's actually

1146

00:46:52,430 --> 00:46:50,880

doing 400 billion bytes per second but

1147

00:46:55,190 --> 00:46:52,440

the average human is only consciously

1148

00:46:57,470 --> 00:46:55,200

aware of two thousand bytes per second

1149

00:46:59,210 --> 00:46:57,480

so that's nothing I tried to make a pie

1150

00:47:00,650 --> 00:46:59,220

chart it wouldn't even register as a

1151
00:47:03,410 --> 00:47:00,660
single hair on a full pie chart because

1152
00:47:05,510 --> 00:47:03,420
it's too small of a number so that's how

1153
00:47:06,950 --> 00:47:05,520
actually consciously where we are of

1154
00:47:09,589 --> 00:47:06,960
what we're seeing what we're feeling

1155
00:47:11,809 --> 00:47:09,599
what we're sensing most people are

1156
00:47:13,849 --> 00:47:11,819
completely unaware of most of it so

1157
00:47:15,530 --> 00:47:13,859
unless you're literally focusing on

1158
00:47:17,690 --> 00:47:15,540
looking for something specific you're

1159
00:47:19,370 --> 00:47:17,700
probably not going to see it

1160
00:47:20,990 --> 00:47:19,380
probably just walk right by it they

1161
00:47:23,050 --> 00:47:21,000
probably just lay right down and stay

1162
00:47:25,670 --> 00:47:23,060
still and you walk right past them

1163
00:47:28,550 --> 00:47:25,680

and and that's just the way that it is

1164

00:47:31,490 --> 00:47:28,560

and you know what what I tell people

1165

00:47:32,930 --> 00:47:31,500

being psychic is literally science it's

1166

00:47:35,089 --> 00:47:32,940

like looking through binoculars that's

1167

00:47:36,530 --> 00:47:35,099

your 2000 bits of awareness right you're

1168

00:47:38,270 --> 00:47:36,540

just looking through those binoculars

1169

00:47:39,829 --> 00:47:38,280

that's what you see but you can't turn

1170

00:47:42,230 --> 00:47:39,839

your head and focus on seeing something

1171

00:47:45,589 --> 00:47:42,240

else what else is here show me something

1172

00:47:48,109 --> 00:47:45,599

more and and anybody can do that it that

1173

00:47:50,150 --> 00:47:48,119

seems easier for some than others

1174

00:47:53,270 --> 00:47:50,160

um and I'm not gonna lie you know it's

1175

00:47:56,040 --> 00:47:53,280

always been easy for me it just I I was

1176

00:47:57,770 --> 00:47:56,050

born that way I was weird

1177

00:47:59,750 --> 00:47:57,780

[Laughter]

1178

00:48:02,329 --> 00:47:59,760

well you found your tribe here didn't

1179

00:48:05,569 --> 00:48:02,339

you in UFOs and Bigfoot and paranormal

1180

00:48:07,490 --> 00:48:05,579

you know I like to tell uh people that

1181

00:48:08,630 --> 00:48:07,500

like our friend Priscilla the quantum

1182

00:48:10,370 --> 00:48:08,640

witch

1183

00:48:11,990 --> 00:48:10,380

um she says and I've told her about you

1184

00:48:13,550 --> 00:48:12,000

guys and she says yeah I felt like I'm

1185

00:48:15,410 --> 00:48:13,560

weird like I didn't belong I was like

1186

00:48:16,670 --> 00:48:15,420

well you found somewhere you belong now

1187

00:48:19,370 --> 00:48:16,680

that's for sure

1188

00:48:21,890 --> 00:48:19,380

and and you all have boy it's just a

1189

00:48:23,750 --> 00:48:21,900

pleasure you guys are gifted uh and able

1190

00:48:27,290 --> 00:48:23,760

to do these things it's it's awesome and

1191

00:48:28,970 --> 00:48:27,300

it's um it's inspiring so um is that all

1192

00:48:31,069 --> 00:48:28,980

you had Deb should I pass it to Matt or

1193

00:48:33,410 --> 00:48:31,079

do you have something further well I

1194

00:48:36,470 --> 00:48:33,420

mean I'm also interested in the comment

1195

00:48:39,109 --> 00:48:36,480

on the webpage about female energy maybe

1196

00:48:40,670 --> 00:48:39,119

amplifying because I'm female and I want

1197

00:48:44,710 --> 00:48:40,680

to make it

1198

00:48:50,870 --> 00:48:48,230

Coleman felt that uh most of the time

1199

00:48:53,030 --> 00:48:50,880

when people see Bigfoot um by roadways

1200

00:48:56,270 --> 00:48:53,040

or whatever it's normally a younger male

1201
00:48:57,770 --> 00:48:56,280
and he's probably testing his boundaries

1202
00:48:59,270 --> 00:48:57,780
of what he's supposed not supposed to be

1203
00:49:02,030 --> 00:48:59,280
doing he's not probably supposed to be

1204
00:49:04,910 --> 00:49:02,040
there and he felt these younger male

1205
00:49:06,589 --> 00:49:04,920
Sasquatches would be more interested in

1206
00:49:08,510 --> 00:49:06,599
some ladies

1207
00:49:10,010 --> 00:49:08,520
to come a little closer so that's what

1208
00:49:13,150 --> 00:49:10,020
he thought that was all about the hey

1209
00:49:16,010 --> 00:49:13,160
big boy type thing and

1210
00:49:18,410 --> 00:49:16,020
you know uh the girls and the girls kind

1211
00:49:19,609 --> 00:49:18,420
of have a theory about girl parts like

1212
00:49:21,300 --> 00:49:19,619
if you have all your girl parts

1213
00:49:22,730 --> 00:49:21,310

Bigfoot's Gonna Want You

1214

00:49:26,510 --> 00:49:22,740

[Laughter]

1215

00:49:28,430 --> 00:49:26,520

wow interesting the uterus the uh the

1216

00:49:30,109 --> 00:49:28,440

whole works and I don't know if that's

1217

00:49:33,950 --> 00:49:30,119

true or not I just

1218

00:49:37,370 --> 00:49:35,809

I don't know I can't help but wonder if

1219

00:49:39,290 --> 00:49:37,380

maybe it's just our pheromones or

1220

00:49:42,710 --> 00:49:39,300

sending out a message and they can smell

1221

00:49:45,109 --> 00:49:42,720

it better than we can and who knows I

1222

00:49:46,790 --> 00:49:45,119

don't know yeah like a full disclosure

1223

00:49:49,730 --> 00:49:46,800

Deb you want the children too though

1224

00:49:51,829 --> 00:49:49,740

right I just want to babysit and except

1225

00:49:53,390 --> 00:49:51,839

for the butane tank thing has thrown me

1226

00:49:55,030 --> 00:49:53,400

off a little I don't have those around

1227

00:49:58,849 --> 00:49:55,040

for them to play with

1228

00:50:00,829 --> 00:49:58,859

yeah I mean it can you guys is if there

1229

00:50:03,589 --> 00:50:00,839

is a female Bigfoot that you guys are

1230

00:50:05,030 --> 00:50:03,599

you know that you guys know she would

1231

00:50:07,130 --> 00:50:05,040

want to have a date night Deb is

1232

00:50:10,430 --> 00:50:07,140

available uh she'd probably do like

1233

00:50:13,430 --> 00:50:10,440

three hours of babysitting for you know

1234

00:50:15,230 --> 00:50:13,440

for not being strangled by one so

1235

00:50:16,609 --> 00:50:15,240

um it would be good Deb you're the

1236

00:50:20,710 --> 00:50:16,619

you're you're gonna be the first one we

1237

00:50:25,910 --> 00:50:20,720

call okay thank you you're welcome

1238

00:50:32,089 --> 00:50:28,910

uh I'd kind of like to know

1239

00:50:35,089 --> 00:50:32,099

what you've found or encountered in the

1240

00:50:37,010 --> 00:50:35,099

woods that wasn't Bigfoot

1241

00:50:40,190 --> 00:50:37,020

oh well we found lots of things the

1242

00:50:43,430 --> 00:50:40,200

Bears no no no no no

1243

00:50:45,530 --> 00:50:43,440

it did wise yeah in the world of the

1244

00:50:47,089 --> 00:50:45,540

Unexplained paranormal and stuff because

1245

00:50:49,730 --> 00:50:47,099

Bigfoot's obviously not the only thing

1246

00:50:51,770 --> 00:50:49,740

out there and if you bring these sort of

1247

00:50:54,230 --> 00:50:51,780

gifts out there

1248

00:50:56,930 --> 00:50:54,240

uh you're bound to run across other

1249

00:51:00,049 --> 00:50:56,940

things that people may not know are

1250

00:51:02,450 --> 00:51:00,059

lurking in the shadows with them

1251
00:51:04,370 --> 00:51:02,460
we did a went to that structure that

1252
00:51:05,990 --> 00:51:04,380
Jenna had gone inside of that was the

1253
00:51:07,430 --> 00:51:06,000
first remote view where Jenna was taking

1254
00:51:09,109 --> 00:51:07,440
her time by the way that was that

1255
00:51:10,970 --> 00:51:09,119
structure

1256
00:51:12,770 --> 00:51:10,980
that we were walking towards I know

1257
00:51:15,170 --> 00:51:12,780
right there was something out back there

1258
00:51:16,849 --> 00:51:15,180
moving around in the beginning and you

1259
00:51:18,530 --> 00:51:16,859
know she took her time so it got away

1260
00:51:25,970 --> 00:51:18,540
but anyway

1261
00:51:30,290 --> 00:51:28,250
um it was the end of it and it was like

1262
00:51:32,450 --> 00:51:30,300
two three stories tall and it was trees

1263
00:51:33,890 --> 00:51:32,460

that were tied together and then

1264

00:51:37,370 --> 00:51:33,900

um there was foliage weaved together

1265

00:51:40,010 --> 00:51:37,380

into like levels but the the bottom part

1266

00:51:41,750 --> 00:51:40,020

of it was completely dark inside like it

1267

00:51:44,630 --> 00:51:41,760

was five and a half feet tall in there

1268

00:51:47,150 --> 00:51:44,640

and I couldn't see into it

1269

00:51:49,609 --> 00:51:47,160

um and when we were approaching the the

1270

00:51:52,309 --> 00:51:49,619

bushes right outside of it were moving

1271

00:51:55,970 --> 00:51:52,319

three three separate times they moved

1272

00:51:56,870 --> 00:51:55,980

and so I knew something was in there

1273

00:51:58,010 --> 00:51:56,880

I'm like

1274

00:52:00,049 --> 00:51:58,020

[Music]

1275

00:52:03,589 --> 00:52:00,059

trying to stay back but still want to

1276
00:52:05,210 --> 00:52:03,599
see you know and we get around to the

1277
00:52:07,069 --> 00:52:05,220
side of it and we actually had moved the

1278
00:52:08,390 --> 00:52:07,079
sticks because and we didn't realize

1279
00:52:10,190 --> 00:52:08,400
that until later when we looked at the

1280
00:52:12,410 --> 00:52:10,200
video that the sticks were like owned

1281
00:52:14,329 --> 00:52:12,420
and put poked into the ground in a

1282
00:52:15,890 --> 00:52:14,339
crisscross fashion making like a fence

1283
00:52:17,750 --> 00:52:15,900
and we're just ripping them out of the

1284
00:52:18,730 --> 00:52:17,760
ground to walk around while I'm looking

1285
00:52:22,010 --> 00:52:18,740
at this

1286
00:52:23,930 --> 00:52:22,020
from provocation because well I'm

1287
00:52:25,609 --> 00:52:23,940
looking my eyes are focused on this dark

1288
00:52:26,930 --> 00:52:25,619

spot inside the structure right because

1289

00:52:28,849 --> 00:52:26,940

I'm like something's in there and I

1290

00:52:30,530 --> 00:52:28,859

don't want it to come out at me so I'm

1291

00:52:31,910 --> 00:52:30,540

I'm looking at that while we're moving

1292

00:52:33,230 --> 00:52:31,920

the sticks to get around to the other

1293

00:52:34,910 --> 00:52:33,240

side of it and that's where the

1294

00:52:37,309 --> 00:52:34,920

structure there was a structure built

1295

00:52:39,470 --> 00:52:37,319

onto the back of that

1296

00:52:40,910 --> 00:52:39,480

um that was the den like structure and

1297

00:52:43,910 --> 00:52:40,920

it was so cool because everything was

1298

00:52:45,410 --> 00:52:43,920

weaved together uh very tightly and I

1299

00:52:46,910 --> 00:52:45,420

actually grabbed a hold of it and shook

1300

00:52:48,309 --> 00:52:46,920

the crap out of it and it would not

1301
00:52:51,589 --> 00:52:48,319
Comfort

1302
00:52:53,589 --> 00:52:51,599
there's a good video that you can see on

1303
00:52:56,030 --> 00:52:53,599
is that at your website or your YouTube

1304
00:52:58,250 --> 00:52:56,040
uh it's on YouTube but I'm gonna tell

1305
00:53:01,730 --> 00:52:58,260
you that the majority of our video never

1306
00:53:04,309 --> 00:53:01,740
made it to YouTube because look at Jenna

1307
00:53:06,170 --> 00:53:04,319
look at Jenna me it's all my faults

1308
00:53:09,829 --> 00:53:06,180
again

1309
00:53:13,250 --> 00:53:09,839
okay let me just tell you it is so hot

1310
00:53:15,890 --> 00:53:13,260
in the summertime in Minnesota and we

1311
00:53:17,569 --> 00:53:15,900
have to dress like I I had to dress like

1312
00:53:19,069 --> 00:53:17,579
and I was wearing

1313
00:53:20,390 --> 00:53:19,079

um cuddle Duds and they were the

1314

00:53:21,950 --> 00:53:20,400

thinnest kind of cuddle Duds and then

1315

00:53:24,290 --> 00:53:21,960

over that I was wearing like other

1316

00:53:25,910 --> 00:53:24,300

clothing well it was so hot that day

1317

00:53:27,770 --> 00:53:25,920

that I decided that I was just gonna put

1318

00:53:31,930 --> 00:53:27,780

on these sticky bras so I was just like

1319

00:53:35,270 --> 00:53:31,940

popped them on and put on my stuff and

1320

00:53:37,130 --> 00:53:35,280

sticker for a bra oh yes sorry sticky

1321

00:53:38,630 --> 00:53:37,140

brush so yeah sticky bra is like two

1322

00:53:41,089 --> 00:53:38,640

stickers so you just put them on each

1323

00:53:43,790 --> 00:53:41,099

one pull them up in sticks right works

1324

00:53:47,210 --> 00:53:43,800

great love them so anyway we were out

1325

00:53:48,950 --> 00:53:47,220

and we're finding things and I'm in the

1326

00:53:52,609 --> 00:53:48,960

structure and I'm just like I'm so hot I

1327

00:53:56,150 --> 00:53:52,619

tear off my my vest and my sticky bra

1328

00:53:58,910 --> 00:53:56,160

pieces and so I'm just in my in my um

1329

00:54:02,150 --> 00:53:58,920

cuddle Duds and we have a great video we

1330

00:54:03,530 --> 00:54:02,160

have awesome video and granted uh you

1331

00:54:05,270 --> 00:54:03,540

already know what's happening don't you

1332

00:54:07,010 --> 00:54:05,280

anyway needless to say we end up

1333

00:54:09,770 --> 00:54:07,020

watching the video not too long after

1334

00:54:12,589 --> 00:54:09,780

and Jen's going wow look at that amazing

1335

00:54:14,890 --> 00:54:12,599

structure and I was going

1336

00:54:18,470 --> 00:54:14,900

you can see through my clothes

1337

00:54:22,250 --> 00:54:18,480

everything was showing you could see the

1338

00:54:24,650 --> 00:54:22,260

dimples the oh oh and I said no Jen I'm

1339

00:54:28,609 --> 00:54:24,660

sorry no and so we had we tried to have

1340

00:54:31,849 --> 00:54:28,619

it fixed and it's so bad oh my gosh

1341

00:54:37,609 --> 00:54:34,250

you can see my thoughts you could you

1342

00:54:39,410 --> 00:54:37,619

could everything and she was like I I

1343

00:54:41,630 --> 00:54:39,420

wasn't even looking at that and I was

1344

00:54:43,790 --> 00:54:41,640

like yeah I know I had to watch the

1345

00:54:45,290 --> 00:54:43,800

video so many times and try really hard

1346

00:54:47,210 --> 00:54:45,300

just to look at Jenna because every time

1347

00:54:49,370 --> 00:54:47,220

I watched the video I was like wow

1348

00:54:51,630 --> 00:54:49,380

that's so cool and I just couldn't focus

1349

00:54:55,150 --> 00:54:51,640

on her and she's like Jen look at me

1350

00:54:59,630 --> 00:54:57,589

I'm gonna tell you something we've had

1351
00:55:02,089 --> 00:54:59,640
groups of guests on here before we've

1352
00:55:04,250 --> 00:55:02,099
had Duos and trios Nathan these have got

1353
00:55:05,750 --> 00:55:04,260
to be the most adorable that we've ever

1354
00:55:07,730 --> 00:55:05,760
had just the relationship right

1355
00:55:09,589 --> 00:55:07,740
absolutely I mean if I were a Sasquatch

1356
00:55:10,970 --> 00:55:09,599
I would be you know totally interested

1357
00:55:13,130 --> 00:55:10,980
in hanging out with these people I would

1358
00:55:15,890 --> 00:55:13,140
want to hang out with you guys in in the

1359
00:55:18,490 --> 00:55:15,900
woods you know wherever so in the diner

1360
00:55:20,770 --> 00:55:18,500
I mean it doesn't really matter

1361
00:55:23,450 --> 00:55:20,780
bras right

1362
00:55:25,490 --> 00:55:23,460
yeah you guys are just the relationship

1363
00:55:27,770 --> 00:55:25,500

between you is just it's so collegial

1364

00:55:28,670 --> 00:55:27,780

it's it's just adorable

1365

00:55:31,309 --> 00:55:28,680

um

1366

00:55:33,710 --> 00:55:31,319

we are best friends yes these two girls

1367

00:55:35,569 --> 00:55:33,720

were my best friends they didn't know

1368

00:55:37,670 --> 00:55:35,579

each other

1369

00:55:38,930 --> 00:55:37,680

what's that huh

1370

00:55:41,510 --> 00:55:38,940

they did not know each other but they

1371

00:55:43,309 --> 00:55:41,520

were my best friends oh really yeah and

1372

00:55:47,270 --> 00:55:43,319

now they're so now you're all three best

1373

00:55:47,280 --> 00:55:52,609

beautiful and I gotta tell you

1374

00:55:56,329 --> 00:55:54,530

as right with yourself as when you

1375

00:55:57,890 --> 00:55:56,339

surround yourself with people like you

1376

00:56:02,030 --> 00:55:57,900

yeah

1377

00:56:04,430 --> 00:56:02,040

say hey what's going on and everybody

1378

00:56:08,030 --> 00:56:04,440

else is like yeah for sure

1379

00:56:10,370 --> 00:56:08,040

so great well you know like on this

1380

00:56:12,589 --> 00:56:10,380

broadcast right here with this group any

1381

00:56:14,630 --> 00:56:12,599

one of us on the screen could share an

1382

00:56:17,329 --> 00:56:14,640

experience and we're not going to be

1383

00:56:19,670 --> 00:56:17,339

laughed at or felt made to feel like an

1384

00:56:22,730 --> 00:56:19,680

idiot whereas if we go into our normal

1385

00:56:25,370 --> 00:56:22,740

life outside of this type of setup

1386

00:56:27,530 --> 00:56:25,380

despite the fact that we're we're okay

1387

00:56:30,650 --> 00:56:27,540

we're UFO people that are getting into

1388

00:56:32,750 --> 00:56:30,660

Bigfoot you guys are Bigfoot people

1389

00:56:35,990 --> 00:56:32,760

getting in back into getting into or

1390

00:56:38,329 --> 00:56:36,000

back into paranormal and but we all

1391

00:56:41,510 --> 00:56:38,339

share this thing that it's the like kind

1392

00:56:43,430 --> 00:56:41,520

of Matt calls it The Unexplained and and

1393

00:56:45,710 --> 00:56:43,440

we're bound together by that so it's

1394

00:56:48,470 --> 00:56:45,720

it's it's really beautiful

1395

00:56:51,829 --> 00:56:48,480

um what I was going to ask you

1396

00:56:54,170 --> 00:56:51,839

um for my question here is so in terms

1397

00:56:56,690 --> 00:56:54,180

of viewing what they're doing so you're

1398

00:56:59,569 --> 00:56:56,700

taking a look and maybe it's during the

1399

00:57:01,370 --> 00:56:59,579

daytime and you see a group like you saw

1400

00:57:03,589 --> 00:57:01,380

a group that looked a little bit

1401
00:57:05,690 --> 00:57:03,599
malevolent that maybe you don't want to

1402
00:57:07,370 --> 00:57:05,700
interact with that group and then other

1403
00:57:09,530 --> 00:57:07,380
times obviously you've seen groups that

1404
00:57:11,210 --> 00:57:09,540
okay I would want to to interact with

1405
00:57:14,390 --> 00:57:11,220
these this group

1406
00:57:16,910 --> 00:57:14,400
is there what do you see them doing in

1407
00:57:19,549 --> 00:57:16,920
these mean average times when they're

1408
00:57:22,130 --> 00:57:19,559
not being having humans get in their

1409
00:57:24,170 --> 00:57:22,140
space or they're not hunting but they're

1410
00:57:26,150 --> 00:57:24,180
kind of hanging around have you seen

1411
00:57:27,950 --> 00:57:26,160
anything that that just you're kind of

1412
00:57:30,049 --> 00:57:27,960
like just watching them and and what are

1413
00:57:32,030 --> 00:57:30,059

they doing

1414

00:57:34,430 --> 00:57:32,040

no idea what they're doing

1415

00:57:38,809 --> 00:57:36,950

and sometimes there's just one and then

1416

00:57:40,430 --> 00:57:38,819

there's another one over there but

1417

00:57:42,770 --> 00:57:40,440

sometimes they're in a group and it

1418

00:57:45,290 --> 00:57:42,780

seems to me like the younger

1419

00:57:47,630 --> 00:57:45,300

uh the younger Sasquatches kind of

1420

00:57:48,829 --> 00:57:47,640

huddled to closer together unless

1421

00:57:52,490 --> 00:57:48,839

they're teenagers and they're probably

1422

00:57:54,290 --> 00:57:52,500

out on their own but uh but you know

1423

00:57:56,030 --> 00:57:54,300

they they seem to stick together and

1424

00:57:57,890 --> 00:57:56,040

make you know maybe the motherly figures

1425

00:58:02,270 --> 00:57:57,900

right there but the the aggressive male

1426
00:58:06,829 --> 00:58:04,730
yeah we've also heard about when a male

1427
00:58:09,710 --> 00:58:06,839
gets to a certain age but there's

1428
00:58:11,990 --> 00:58:09,720
already an alpha within that group that

1429
00:58:14,569 --> 00:58:12,000
that male and they've talked about that

1430
00:58:17,569 --> 00:58:14,579
when there's a male with a group of

1431
00:58:19,790 --> 00:58:17,579
females that will be your very well

1432
00:58:21,829 --> 00:58:19,800
quaffed alpha male Bigfoot and and

1433
00:58:23,809 --> 00:58:21,839
you've heard people say I saw this

1434
00:58:26,210 --> 00:58:23,819
creature and his hair would look like it

1435
00:58:27,890 --> 00:58:26,220
was perfectly combed and he was clean

1436
00:58:30,170 --> 00:58:27,900
and then there's other ones where they

1437
00:58:32,150 --> 00:58:30,180
said they saw one that looked like he

1438
00:58:34,309 --> 00:58:32,160

could be an alpha and he was by himself

1439

00:58:36,530 --> 00:58:34,319

and he just looked like hell you know

1440

00:58:38,630 --> 00:58:36,540

and just was smelling his hair was all

1441

00:58:40,370 --> 00:58:38,640

knotted so that could be one of those

1442

00:58:42,349 --> 00:58:40,380

things where they're telling okay you're

1443

00:58:45,049 --> 00:58:42,359

you're ready to go and find your own

1444

00:58:46,849 --> 00:58:45,059

group now at this point because I'm

1445

00:58:49,010 --> 00:58:46,859

still young enough that this is my group

1446

00:58:51,230 --> 00:58:49,020

and that'd be interesting like right

1447

00:58:53,690 --> 00:58:51,240

Matt is to figure out what those

1448

00:58:57,289 --> 00:58:53,700

Dynamics are when that turn takes place

1449

00:58:58,730 --> 00:58:57,299

and how that's decided right

1450

00:59:00,530 --> 00:58:58,740

yeah

1451

00:59:03,470 --> 00:59:00,540

um it's one of the great mysteries of

1452

00:59:07,430 --> 00:59:05,390

a lot of people it just kind of depends

1453

00:59:09,349 --> 00:59:07,440

on your belief structure that you have

1454

00:59:11,990 --> 00:59:09,359

on which direction you go with your own

1455

00:59:13,970 --> 00:59:12,000

theories and opinions and everything but

1456

00:59:16,549 --> 00:59:13,980

in my own

1457

00:59:18,650 --> 00:59:16,559

outings and research and everything uh

1458

00:59:21,890 --> 00:59:18,660

what I found was they definitely live in

1459

00:59:23,990 --> 00:59:21,900

family type groups just like we do and

1460

00:59:25,970 --> 00:59:24,000

then those family type groups live

1461

00:59:28,430 --> 00:59:25,980

together in a small community

1462

00:59:30,710 --> 00:59:28,440

and uh the community is never real large

1463

00:59:33,349 --> 00:59:30,720

in an area they don't just

1464

00:59:34,490 --> 00:59:33,359

they never overpopulate an area where

1465

00:59:36,829 --> 00:59:34,500

they're going to decimate all their

1466

00:59:39,410 --> 00:59:36,839

resources or risk getting found or

1467

00:59:41,569 --> 00:59:39,420

whatever now the question is like uh

1468

00:59:44,089 --> 00:59:41,579

earlier you mentioned you saw one that

1469

00:59:45,470 --> 00:59:44,099

didn't have any teeth obviously if you

1470

00:59:47,690 --> 00:59:45,480

live out in the woods that's not a good

1471

00:59:51,289 --> 00:59:47,700

thing so

1472

00:59:54,109 --> 00:59:51,299

do they take care of the elders in the

1473

00:59:56,690 --> 00:59:54,119

group do they cast them out so they

1474

00:59:59,450 --> 00:59:56,700

don't risk you know any danger that they

1475

01:00:01,549 --> 00:59:59,460

bring to the group I've always been

1476

01:00:03,829 --> 01:00:01,559

curious about that do you have any

1477

01:00:06,170 --> 01:00:03,839

insight on that sort of thing so when

1478

01:00:08,349 --> 01:00:06,180

I've seen the older ones the ones that

1479

01:00:10,730 --> 01:00:08,359

are what I would consider elderly

1480

01:00:13,370 --> 01:00:10,740

there's usually not very many of them

1481

01:00:15,289 --> 01:00:13,380

and they're together usually and and

1482

01:00:17,030 --> 01:00:15,299

sometimes they'll have the younger ones

1483

01:00:18,710 --> 01:00:17,040

on the other side of them from where the

1484

01:00:21,349 --> 01:00:18,720

people would approach so they're kind of

1485

01:00:23,569 --> 01:00:21,359

like watching the kids

1486

01:00:26,809 --> 01:00:23,579

um but they're I've never seen any of

1487

01:00:28,609 --> 01:00:26,819

the elderly ones seem aggressive

1488

01:00:30,770 --> 01:00:28,619

um when I when I've noticed that they're

1489

01:00:32,750 --> 01:00:30,780

elderly so there's one particular spot

1490

01:00:35,510 --> 01:00:32,760

that I look at quite frequently for this

1491

01:00:37,490 --> 01:00:35,520

other team and it's quite common for me

1492

01:00:38,809 --> 01:00:37,500

to see the older ones there and they're

1493

01:00:39,829 --> 01:00:38,819

they're usually watching over the

1494

01:00:41,450 --> 01:00:39,839

younger group

1495

01:00:44,030 --> 01:00:41,460

while the other ones are off doing

1496

01:00:47,569 --> 01:00:44,040

whatever they're doing

1497

01:00:49,069 --> 01:00:47,579

um I've I've noticed well and so there's

1498

01:00:52,069 --> 01:00:49,079

things that they could eat without teeth

1499

01:00:54,549 --> 01:00:52,079

you know Cattails are probably a high

1500

01:00:58,130 --> 01:00:54,559

food source for them everything also the

1501
01:00:59,390 --> 01:00:58,140
raw oysters Jen the oyster shooters you

1502
01:01:01,250 --> 01:00:59,400
know you can just

1503
01:01:04,970 --> 01:01:01,260
you go to the Raw Bar I mean you don't

1504
01:01:07,549 --> 01:01:04,980
need teeth for that right sure so

1505
01:01:09,770 --> 01:01:07,559
that's why you know donate some oysters

1506
01:01:12,230 --> 01:01:09,780
to your local Bigfoot where there's an

1507
01:01:15,230 --> 01:01:12,240
elderly geriatric Bigfoot

1508
01:01:17,990 --> 01:01:15,240
what's that you love oysters yes they're

1509
01:01:19,250 --> 01:01:18,000
delicious I know I mean but now you know

1510
01:01:21,170 --> 01:01:19,260
next time when you when you're doing

1511
01:01:23,270 --> 01:01:21,180
gifting you guys should think about that

1512
01:01:25,010 --> 01:01:23,280
bring the cooler of some oysters you

1513
01:01:26,950 --> 01:01:25,020

know there's you know Jen has seen an

1514

01:01:29,630 --> 01:01:26,960

elderly being put out there

1515

01:01:30,950 --> 01:01:29,640

yeah ice maybe a little cocktail sauce

1516

01:01:33,770 --> 01:01:30,960

squeeze a little lemon on there maybe

1517

01:01:37,609 --> 01:01:33,780

there's nothing wrong with that so

1518

01:01:39,410 --> 01:01:37,619

all right let's get our last round money

1519

01:01:42,230 --> 01:01:39,420

oh that's fantastic

1520

01:01:44,210 --> 01:01:42,240

um well we've talked with uh we talked

1521

01:01:46,849 --> 01:01:44,220

with Matt about uh when Matt you kind of

1522

01:01:49,970 --> 01:01:46,859

touched on it too about theories you

1523

01:01:52,130 --> 01:01:49,980

know as to what they are and uh you know

1524

01:01:54,430 --> 01:01:52,140

they're I'm sure there's more than a

1525

01:01:56,930 --> 01:01:54,440

couple of theories just like with UFOs

1526

01:01:59,569 --> 01:01:56,940

uh you know what's your leading theory

1527

01:02:03,230 --> 01:01:59,579

as to are they are they uh like a

1528

01:02:05,809 --> 01:02:03,240

primate relative to humans are they uh

1529

01:02:08,809 --> 01:02:05,819

some other kind of being that

1530

01:02:11,089 --> 01:02:08,819

um borders between here and somewhere

1531

01:02:13,309 --> 01:02:11,099

else uh you know kind of the Paranormal

1532

01:02:19,930 --> 01:02:13,319

realm what what's your operating Theory

1533

01:02:24,230 --> 01:02:22,190

I I'd like to leave the discussion

1534

01:02:26,210 --> 01:02:24,240

because I have to do a disclaimer My

1535

01:02:29,270 --> 01:02:26,220

Views are my own I do not speak for the

1536

01:02:32,990 --> 01:02:29,280

group and it's just my opinion based on

1537

01:02:35,569 --> 01:02:33,000

how I feel in my experiences I believe

1538

01:02:38,569 --> 01:02:35,579

that they are interdimensional beings I

1539

01:02:41,569 --> 01:02:38,579

believe that uh they exist in other

1540

01:02:44,030 --> 01:02:41,579

Realms and that they can come through to

1541

01:02:45,890 --> 01:02:44,040

our realm and whichever realm that they

1542

01:02:48,049 --> 01:02:45,900

go into that is the form that they take

1543

01:02:49,549 --> 01:02:48,059

like we are a 3D realm so they would be

1544

01:02:51,710 --> 01:02:49,559

physical when they're here if they're in

1545

01:02:54,829 --> 01:02:51,720

a fourth realm there are not physical

1546

01:02:56,450 --> 01:02:54,839

here but I believe that that is how they

1547

01:02:58,309 --> 01:02:56,460

interact and I believe that's how they

1548

01:03:00,049 --> 01:02:58,319

escape so easily from us because I think

1549

01:03:02,569 --> 01:03:00,059

that they can just step through to the

1550

01:03:06,049 --> 01:03:02,579

other dimensions and uh I don't remember

1551

01:03:07,730 --> 01:03:06,059

who did the study but I think that it

1552

01:03:10,849 --> 01:03:07,740

was a there's a theory that is out there

1553

01:03:15,109 --> 01:03:10,859

that says that they have to concentrate

1554

01:03:17,990 --> 01:03:15,119

in order to manifest in our Realm and

1555

01:03:20,750 --> 01:03:18,000

when we catch them and we find them and

1556

01:03:22,490 --> 01:03:20,760

they get shocked and they stop

1557

01:03:25,250 --> 01:03:22,500

concentrating and so they disappear from

1558

01:03:28,970 --> 01:03:25,260

us and I I really resonate with that so

1559

01:03:34,490 --> 01:03:32,750

Jen and and and so we all have our own

1560

01:03:39,289 --> 01:03:34,500

ideas of what Bigfoot is and what

1561

01:03:42,230 --> 01:03:39,299

Bigfoot is can do I'm open to whatever

1562

01:03:45,650 --> 01:03:42,240

the answers are

1563

01:03:46,789 --> 01:03:45,660

I I am I'm open-minded to whatever the

1564

01:03:49,250 --> 01:03:46,799

answers are

1565

01:03:50,630 --> 01:03:49,260

um I have experienced some things where

1566

01:03:52,130 --> 01:03:50,640

they just disappear and like the

1567

01:03:53,450 --> 01:03:52,140

footprints don't go anywhere where you

1568

01:03:55,430 --> 01:03:53,460

should be able to see them I go to the

1569

01:03:57,829 --> 01:03:55,440

top of a gravel pit Hill like the

1570

01:04:00,589 --> 01:03:57,839

footprints went up then they disappeared

1571

01:04:02,089 --> 01:04:00,599

where these perfect circles were at uh

1572

01:04:03,890 --> 01:04:02,099

you know and they didn't descend the

1573

01:04:06,170 --> 01:04:03,900

hill and you can see Footprints really

1574

01:04:08,630 --> 01:04:06,180

really easy in a gravel pit just saying

1575

01:04:10,970 --> 01:04:08,640

you can't hide that

1576

01:04:13,789 --> 01:04:10,980

um so I mean we've you know the elders

1577

01:04:15,950 --> 01:04:13,799

from My Tribe tell me that Bigfoot can

1578

01:04:17,809 --> 01:04:15,960

travel instantaneously physical travel

1579

01:04:19,309 --> 01:04:17,819

through the ground from one place to the

1580

01:04:20,510 --> 01:04:19,319

other and I was like okay so like are

1581

01:04:21,890 --> 01:04:20,520

you talking about running really fast

1582

01:04:24,250 --> 01:04:21,900

through a tunnel

1583

01:04:26,510 --> 01:04:24,260

to get somewhere else is like new

1584

01:04:28,430 --> 01:04:26,520

I'm like so you're talking about like a

1585

01:04:29,809 --> 01:04:28,440

portal like they just zap through the

1586

01:04:31,910 --> 01:04:29,819

ground from one place to another and

1587

01:04:32,750 --> 01:04:31,920

they're like yeah

1588

01:04:37,069 --> 01:04:32,760

um

1589

01:04:39,049 --> 01:04:37,079

and so uh I you know Finding footprints

1590

01:04:40,910 --> 01:04:39,059

that lead somewhere that they disappear

1591

01:04:42,289 --> 01:04:40,920

at these circles perfect circles at the

1592

01:04:44,210 --> 01:04:42,299

top of this hill

1593

01:04:45,650 --> 01:04:44,220

circles within circles within circles I

1594

01:04:47,510 --> 01:04:45,660

mean it was crazy

1595

01:04:49,250 --> 01:04:47,520

um but then you know Jenna climbed that

1596

01:04:50,990 --> 01:04:49,260

hill and I'm at the bottom yelling

1597

01:04:52,030 --> 01:04:51,000

what's up there Jenna where do the

1598

01:04:55,010 --> 01:04:52,040

footprints go

1599

01:04:58,609 --> 01:04:55,020

[Laughter]

1600

01:05:01,329 --> 01:04:58,619

and she's like circles yes I took

1601
01:05:03,650 --> 01:05:01,339
pictures and sent them down to Jen

1602
01:05:06,650 --> 01:05:03,660
you should watch Jen you should watch

1603
01:05:09,049 --> 01:05:06,660
our episode with the Navajo Rangers if

1604
01:05:11,390 --> 01:05:09,059
you saw them on uh Unsolved Mysteries

1605
01:05:15,349 --> 01:05:11,400
Jonathan Dover and Stan Millbrook from

1606
01:05:17,329 --> 01:05:15,359
the Navajo reservation in Arizona uh

1607
01:05:20,030 --> 01:05:17,339
they told us you know basically they

1608
01:05:22,430 --> 01:05:20,040
tracked them to Open Fields where the

1609
01:05:25,849 --> 01:05:22,440
footprints just stopped and they say

1610
01:05:29,030 --> 01:05:25,859
that you know as as uh Rangers they're

1611
01:05:30,589 --> 01:05:29,040
experts at tracking and

1612
01:05:34,130 --> 01:05:30,599
if they don't understand what happened

1613
01:05:36,109 --> 01:05:34,140

to them after the footprints just end

1614

01:05:38,809 --> 01:05:36,119

and they're they're not the only guest

1615

01:05:40,370 --> 01:05:38,819

that's told us that by the way so so

1616

01:05:42,109 --> 01:05:40,380

anyway

1617

01:05:45,410 --> 01:05:42,119

um did you want to weigh in on that as

1618

01:05:52,370 --> 01:05:45,420

well uh Jenna sure actually

1619

01:05:56,390 --> 01:05:54,530

they're flesh and blood they you know

1620

01:05:59,870 --> 01:05:56,400

this is my belief their flesh and blood

1621

01:06:01,730 --> 01:05:59,880

they're only able to do so much

1622

01:06:03,829 --> 01:06:01,740

um like we as humans can do we have

1623

01:06:07,370 --> 01:06:03,839

abilities I'm sure without all the

1624

01:06:09,589 --> 01:06:07,380

Clutter of daily life that we have I'm

1625

01:06:12,710 --> 01:06:09,599

sure they can do a lot more

1626

01:06:14,930 --> 01:06:12,720

um but this year I actually changed my

1627

01:06:17,030 --> 01:06:14,940

mind and I'm not really quite ready to

1628

01:06:19,849 --> 01:06:17,040

talk about the whole situation yet but

1629

01:06:20,809 --> 01:06:19,859

um okay as far as three-dimensional I am

1630

01:06:24,770 --> 01:06:20,819

now

1631

01:06:27,370 --> 01:06:24,780

under the belief that it they do move

1632

01:06:29,569 --> 01:06:27,380

through dimensional

1633

01:06:31,730 --> 01:06:29,579

interdimensional the three-dimensional

1634

01:06:33,049 --> 01:06:31,740

sorry I'm still thinking but I can't

1635

01:06:37,789 --> 01:06:33,059

believe I'm talking about this on the

1636

01:06:39,349 --> 01:06:37,799

radio that's fantastic awesome yeah and

1637

01:06:40,789 --> 01:06:39,359

um you know that that's good because if

1638

01:06:43,549 --> 01:06:40,799

you look at the people you look at all

1639

01:06:45,589 --> 01:06:43,559

of cab and by the way on cab tonight uh

1640

01:06:47,450 --> 01:06:45,599

Leah Prime is not here she really wanted

1641

01:06:49,430 --> 01:06:47,460

to be here she had to meet with the

1642

01:06:51,770 --> 01:06:49,440

client this evening and we have a new

1643

01:06:53,630 --> 01:06:51,780

cabbie Frank who's in the UK so if we

1644

01:06:56,150 --> 01:06:53,640

ever if we get together with you guys

1645

01:06:59,150 --> 01:06:56,160

again and we do a weekend we'll be able

1646

01:07:01,430 --> 01:06:59,160

to get our UK guy on as well so that he

1647

01:07:04,970 --> 01:07:01,440

can he can learn about this this topic

1648

01:07:07,910 --> 01:07:04,980

but I think all of us have we've started

1649

01:07:09,890 --> 01:07:07,920

in one position I I can remember very

1650

01:07:12,410 --> 01:07:09,900

early positions Nathan and I talked

1651

01:07:14,750 --> 01:07:12,420

about when we started cab and and we've

1652

01:07:16,430 --> 01:07:14,760

you know we've evolved you know like if

1653

01:07:19,010 --> 01:07:16,440

you just take a position say okay I'm

1654

01:07:21,710 --> 01:07:19,020

not moving off of this despite what I

1655

01:07:24,349 --> 01:07:21,720

see or know or experience then you know

1656

01:07:27,529 --> 01:07:24,359

what are you really doing you know you

1657

01:07:31,970 --> 01:07:27,539

guys are are learning and and exploring

1658

01:07:36,170 --> 01:07:31,980

and evolving as as analysts and thinkers

1659

01:07:38,210 --> 01:07:36,180

in this in this uh this genre of uh or

1660

01:07:40,670 --> 01:07:38,220

this phenomenon so I think that's that's

1661

01:07:42,289 --> 01:07:40,680

awesome but you know Deb you know she

1662

01:07:43,970 --> 01:07:42,299

thought I was a meathead when she came

1663

01:07:46,010 --> 01:07:43,980

to cabin I don't think her opinions

1664

01:07:48,410 --> 01:07:46,020

really changed hasn't really ever

1665

01:07:52,190 --> 01:07:48,420

thought that never I'm just kidding Deb

1666

01:07:55,250 --> 01:07:52,200

love you uh so last questions uh for

1667

01:07:57,170 --> 01:07:55,260

Debs and Matt yeah so I'm going to throw

1668

01:07:58,309 --> 01:07:57,180

another just completely out there

1669

01:07:59,870 --> 01:07:58,319

question

1670

01:08:03,230 --> 01:07:59,880

um and Tammy you might appreciate this

1671

01:08:05,990 --> 01:08:03,240

one but I think a lot about the plants

1672

01:08:08,089 --> 01:08:06,000

that are out there in the world

1673

01:08:09,589 --> 01:08:08,099

um kind of just interacting with us in a

1674

01:08:11,390 --> 01:08:09,599

way that's really subtle that people

1675

01:08:13,970 --> 01:08:11,400

with gifts can kind of pick up people

1676

01:08:16,789 --> 01:08:13,980

who like nature go out and touch them

1677

01:08:20,090 --> 01:08:16,799

and I'm wondering if that might be a

1678

01:08:22,249 --> 01:08:20,100

contributing factor for some of the blue

1679

01:08:23,510 --> 01:08:22,259

part of the phenomenon like is there

1680

01:08:24,950 --> 01:08:23,520

something that we're missing there

1681

01:08:27,289 --> 01:08:24,960

because the

1682

01:08:29,870 --> 01:08:27,299

I don't think the Bigfoot is just in the

1683

01:08:32,150 --> 01:08:29,880

forest because it's a good place to hide

1684

01:08:33,650 --> 01:08:32,160

I think there's something else so I just

1685

01:08:43,189 --> 01:08:33,660

wanted to know if you guys think there's

1686

01:08:47,570 --> 01:08:45,050

the animals I think where is it we're

1687

01:08:49,729 --> 01:08:47,580

all energy we all combine we all have

1688

01:08:51,709 --> 01:08:49,739

everything to do with each other

1689

01:08:53,870 --> 01:08:51,719

personal opinion

1690

01:08:56,450 --> 01:08:53,880

and there's there's other researchers

1691

01:08:58,430 --> 01:08:56,460

that have said that they've seen uh

1692

01:09:02,030 --> 01:08:58,440

bigfoots munching on leaves that had

1693

01:09:04,130 --> 01:09:02,040

medicinal properties so I I'm sure they

1694

01:09:06,890 --> 01:09:04,140

feel the Oneness I mean hell I go out in

1695

01:09:10,430 --> 01:09:06,900

the woods I want to physically touch the

1696

01:09:12,050 --> 01:09:10,440

tree the way my hands feel when I touch

1697

01:09:14,269 --> 01:09:12,060

them is just

1698

01:09:16,550 --> 01:09:14,279

I just love to touch them you know all

1699

01:09:19,130 --> 01:09:16,560

and different kinds of bark and and

1700

01:09:21,530 --> 01:09:19,140

there's something magical about it I

1701

01:09:22,490 --> 01:09:21,540

can't explain it Matt what you have my

1702

01:09:27,829 --> 01:09:22,500

friend

1703

01:09:29,870 --> 01:09:27,839

well even even animals will eat plants

1704

01:09:31,910 --> 01:09:29,880

if they don't feel good you know they

1705

01:09:34,490 --> 01:09:31,920

they will know which ones will make them

1706

01:09:41,090 --> 01:09:34,500

feel better so I definitely believe they

1707

01:09:49,090 --> 01:09:45,729

um so many questions I have to pick one

1708

01:09:51,829 --> 01:09:49,100

I love Matt nappies

1709

01:09:54,770 --> 01:09:51,839

let's just go with this one you you said

1710

01:09:56,650 --> 01:09:54,780

Jen earlier that uh you have worked on

1711

01:09:59,689 --> 01:09:56,660

missing persons cases

1712

01:10:02,330 --> 01:09:59,699

and there is

1713

01:10:06,050 --> 01:10:02,340

a predominant person in the Cryptid

1714

01:10:07,370 --> 01:10:06,060

world uh who specializes in missing

1715

01:10:10,130 --> 01:10:07,380

person cases

1716

01:10:12,650 --> 01:10:10,140

and a lot of people oftentimes tie in

1717

01:10:16,130 --> 01:10:12,660

those missing person cases directly to

1718

01:10:18,110 --> 01:10:16,140

Bigfoot as being the responsible party

1719

01:10:22,189 --> 01:10:18,120

what are your thoughts on that do you

1720

01:10:26,209 --> 01:10:23,930

no I haven't spent a lot of time

1721

01:10:27,890 --> 01:10:26,219

thinking about that

1722

01:10:29,390 --> 01:10:27,900

um there's so many other things that

1723

01:10:30,890 --> 01:10:29,400

could have happened to those people but

1724

01:10:32,689 --> 01:10:30,900

I do know what you're talking about or

1725

01:10:34,970 --> 01:10:32,699

who you're talking about in the weird

1726

01:10:36,830 --> 01:10:34,980

cases where people are disappearing

1727

01:10:38,330 --> 01:10:36,840

they've searched the whole area they're

1728

01:10:39,470 --> 01:10:38,340

definitely not there and then they show

1729

01:10:42,110 --> 01:10:39,480

up there

1730

01:10:43,370 --> 01:10:42,120

dead or alive I mean in a place that

1731

01:10:45,709 --> 01:10:43,380

they've already searched that is weird

1732

01:10:47,570 --> 01:10:45,719

like what happened there

1733

01:10:49,310 --> 01:10:47,580

um could it be that they were taken into

1734

01:10:51,830 --> 01:10:49,320

a different dimension and then dropped

1735

01:10:54,110 --> 01:10:51,840

back off into place you know that they

1736

01:10:56,030 --> 01:10:54,120

were just in a different I mean you hear

1737

01:10:59,090 --> 01:10:56,040

I mean you think about the stories about

1738

01:11:00,770 --> 01:10:59,100

the fairies the FAE and the fairy rings

1739

01:11:02,750 --> 01:11:00,780

don't step into a fairy ring they could

1740

01:11:04,430 --> 01:11:02,760

take you and never ring you back and you

1741

01:11:06,830 --> 01:11:04,440

hear the stories from way back about

1742

01:11:08,270 --> 01:11:06,840

people who who disappeared and they come

1743

01:11:11,510 --> 01:11:08,280

back like

1744

01:11:13,910 --> 01:11:11,520

decades later having not aged

1745

01:11:15,649 --> 01:11:13,920

and you know what was that about was

1746

01:11:17,149 --> 01:11:15,659

that a real thing I mean you hear enough

1747

01:11:18,229 --> 01:11:17,159

stories of that worldwide where you

1748

01:11:20,390 --> 01:11:18,239

start to think you know there might be

1749

01:11:22,189 --> 01:11:20,400

some truth to that and perhaps that's

1750

01:11:25,189 --> 01:11:22,199

what's happening here

1751

01:11:26,990 --> 01:11:25,199

um there was a situation where my very

1752

01:11:29,030 --> 01:11:27,000

first time out where we had that

1753

01:11:30,830 --> 01:11:29,040

encounter we went back the next day

1754

01:11:32,630 --> 01:11:30,840

because I was being a bully and I said

1755

01:11:34,850 --> 01:11:32,640

we have to go back and look for

1756

01:11:37,610 --> 01:11:34,860

Footprints it's daytime now don't be

1757

01:11:39,350 --> 01:11:37,620

afraid and they didn't want to go

1758

01:11:41,630 --> 01:11:39,360

and I'm like we can't be big for

1759

01:11:44,890 --> 01:11:41,640

researchers and not go and look for the

1760

01:11:47,209 --> 01:11:44,900

footprints you just can't you have to

1761

01:11:49,010 --> 01:11:47,219

we're only five minutes away from there

1762

01:11:51,350 --> 01:11:49,020

we have to

1763

01:11:53,030 --> 01:11:51,360

um and so I believe them that it was my

1764

01:11:54,830 --> 01:11:53,040

car and someone else's car and the other

1765

01:11:57,050 --> 01:11:54,840

person had driven the majority of

1766

01:11:58,910 --> 01:11:57,060

everybody else that was there because I

1767

01:12:01,610 --> 01:11:58,920

came from a different direction like

1768

01:12:03,169 --> 01:12:01,620

hours in the other direction and so

1769

01:12:05,270 --> 01:12:03,179

everybody else was in that other

1770

01:12:08,630 --> 01:12:05,280

person's car so they were

1771

01:12:10,070 --> 01:12:08,640

you know at that person's whatever they

1772

01:12:12,890 --> 01:12:10,080

decided to do that's what they had to do

1773

01:12:15,410 --> 01:12:12,900

and so we get out there

1774

01:12:16,669 --> 01:12:15,420

and she has flip-flops on and I said you

1775

01:12:18,830 --> 01:12:16,679

need to put some shoes on you're going

1776

01:12:21,350 --> 01:12:18,840

to get poison ivy oh she's not going to

1777

01:12:22,790 --> 01:12:21,360

do that and she stayed on the road did a

1778

01:12:25,490 --> 01:12:22,800

Facebook live and then she's like we're

1779

01:12:32,149 --> 01:12:28,729

and I was just like no we're out man

1780

01:12:34,430 --> 01:12:32,159

it's just right there and uh it's just

1781

01:12:36,709 --> 01:12:34,440

right there come on and I had made rule

1782

01:12:37,490 --> 01:12:36,719

the rule was nobody goes in the woods

1783

01:12:40,130 --> 01:12:37,500

alone

1784

01:12:41,750 --> 01:12:40,140

that was my rule and then they all drove

1785

01:12:46,430 --> 01:12:41,760

away and I got in my car and I started

1786

01:12:51,350 --> 01:12:48,890

oh dumb it's right there I'm gonna go

1787

01:12:53,750 --> 01:12:51,360

and so I park my car and get out and I

1788

01:12:55,310 --> 01:12:53,760

start walking towards the sound of the

1789

01:12:56,510 --> 01:12:55,320

first sound of something walking towards

1790

01:12:59,270 --> 01:12:56,520

us that night

1791

01:13:01,850 --> 01:12:59,280

and I started to see what looked like a

1792

01:13:05,090 --> 01:13:01,860

golden path and there was an X

1793

01:13:06,709 --> 01:13:05,100

structure that was there and this Golden

1794

01:13:08,570 --> 01:13:06,719

Light just went right underneath that

1795

01:13:12,350 --> 01:13:08,580

and went beyond that and I just felt

1796

01:13:14,930 --> 01:13:12,360

compelled to walk that and I and I was

1797

01:13:18,590 --> 01:13:14,940

totally not in control of myself at the

1798

01:13:19,910 --> 01:13:18,600

time and I realized afterwards that I in

1799

01:13:21,770 --> 01:13:19,920

the middle of it that I was in a

1800

01:13:24,709 --> 01:13:21,780

trans-like state and I was being called

1801
01:13:27,770 --> 01:13:24,719
to Walk This Way and

1802
01:13:30,169 --> 01:13:27,780
um as I'm walking there I heard a memory

1803
01:13:31,910 --> 01:13:30,179
like one of my friends yelling at me not

1804
01:13:33,110 --> 01:13:31,920
to step into a fairy ring they could

1805
01:13:35,330 --> 01:13:33,120
take you and never bring you back she

1806
01:13:38,689 --> 01:13:35,340
used to yell that at me all the time I'm

1807
01:13:40,850 --> 01:13:38,699
like whatever and

1808
01:13:43,850 --> 01:13:40,860
um and so I had that memory but it

1809
01:13:46,729 --> 01:13:43,860
yelled in my ear this memory and I

1810
01:13:48,770 --> 01:13:46,739
stopped and I then I realized I was

1811
01:13:51,050 --> 01:13:48,780
hearing someone calling to me to come

1812
01:13:53,090 --> 01:13:51,060
that way and I'm like who's calling to

1813
01:13:56,030 --> 01:13:53,100

me what is happening here and I got

1814

01:13:57,649 --> 01:13:56,040

scared so I ran back to the car and then

1815

01:13:59,870 --> 01:13:57,659

I'm in the car and I feel pretty safe

1816

01:14:01,550 --> 01:13:59,880

and so that I pull up to the spot where

1817

01:14:04,130 --> 01:14:01,560

I can see that path and I can still see

1818

01:14:05,810 --> 01:14:04,140

it clear as day and I was like well I'm

1819

01:14:07,430 --> 01:14:05,820

feeling pretty safe right now so I

1820

01:14:10,310 --> 01:14:07,440

unrolled the window down and I start

1821

01:14:13,729 --> 01:14:10,320

taking pictures and three of those

1822

01:14:15,110 --> 01:14:13,739

pictures showed the trees were circled

1823

01:14:17,750 --> 01:14:15,120

within Circle within Circle within

1824

01:14:22,030 --> 01:14:17,760

Circle oh wow that's the ring I was in

1825

01:14:31,430 --> 01:14:25,430

I would like to follow up with Jenna did

1826

01:14:35,030 --> 01:14:33,350

oh well I just figured otherwise she

1827

01:14:36,890 --> 01:14:35,040

would not have been alone we would have

1828

01:14:38,390 --> 01:14:36,900

been out there yeah those girls could

1829

01:14:39,410 --> 01:14:38,400

have left we wouldn't okay I just

1830

01:14:41,750 --> 01:14:39,420

figured and we would not have been

1831

01:14:44,450 --> 01:14:41,760

scared we would have we would have not

1832

01:14:45,950 --> 01:14:44,460

impaired or been scared and see here's

1833

01:14:47,930 --> 01:14:45,960

the thing I would have gladly walked

1834

01:14:49,310 --> 01:14:47,940

through that if I had somebody with me

1835

01:14:52,209 --> 01:14:49,320

because at least if I got stranded

1836

01:14:57,470 --> 01:14:54,310

you know

1837

01:14:58,689 --> 01:14:57,480

we'd walk into it totally if I had

1838

01:15:01,010 --> 01:14:58,699

somebody with me

1839

01:15:03,709 --> 01:15:01,020

give me your abilities you know I would

1840

01:15:05,630 --> 01:15:03,719

to find the missing can you find my

1841

01:15:07,729 --> 01:15:05,640

missing sense of humor Nathan give me

1842

01:15:09,729 --> 01:15:07,739

that

1843

01:15:12,649 --> 01:15:09,739

you're somewhere

1844

01:15:14,450 --> 01:15:12,659

thank you

1845

01:15:16,250 --> 01:15:14,460

I love it we haven't used that I don't

1846

01:15:17,030 --> 01:15:16,260

know the last time if we ever used that

1847

01:15:18,530 --> 01:15:17,040

one

1848

01:15:22,370 --> 01:15:18,540

man

1849

01:15:24,530 --> 01:15:22,380

much fun I'm sure the woods just loves

1850

01:15:25,910 --> 01:15:24,540

you when you come out there the woods is

1851

01:15:28,729 --> 01:15:25,920

just like wanting to welcome you there

1852

01:15:31,070 --> 01:15:28,739

along with Bigfoot uh and obviously the

1853

01:15:33,050 --> 01:15:31,080

fairy wanted to take Jen for a ride

1854

01:15:35,510 --> 01:15:33,060

somewhere uh hopefully she was gonna

1855

01:15:37,070 --> 01:15:35,520

come back well and I are they are they

1856

01:15:39,290 --> 01:15:37,080

fairies or are they nature Spirits

1857

01:15:41,209 --> 01:15:39,300

that's the thing like my tribe says that

1858

01:15:42,530 --> 01:15:41,219

Bigfoot is in the same category as the

1859

01:15:44,209 --> 01:15:42,540

little people they're the same type of

1860

01:15:46,550 --> 01:15:44,219

thing

1861

01:15:48,169 --> 01:15:46,560

um they're just Neighbors in the woods

1862

01:15:50,689 --> 01:15:48,179

Deb you you were talking about that

1863

01:15:52,430 --> 01:15:50,699

weren't you Deb yeah I think it's

1864

01:15:55,370 --> 01:15:52,440

interesting how they keep coming out

1865

01:15:57,770 --> 01:15:55,380

together in the woods they're grouping

1866

01:16:00,229 --> 01:15:57,780

up they're hanging out with each other

1867

01:16:02,450 --> 01:16:00,239

and like they help each other or

1868

01:16:04,010 --> 01:16:02,460

something it's kind of I'd like to know

1869

01:16:05,510 --> 01:16:04,020

more about that too I think that's

1870

01:16:09,110 --> 01:16:05,520

fascinating and it's also an

1871

01:16:11,270 --> 01:16:09,120

international story or legend or

1872

01:16:14,450 --> 01:16:11,280

phenomenal history who knows which one

1873

01:16:17,390 --> 01:16:14,460

it is I think it's history right so yeah

1874

01:16:19,970 --> 01:16:17,400

and there's actual evidence of little

1875

01:16:23,209 --> 01:16:19,980

people having existed you know they've

1876

01:16:25,970 --> 01:16:23,219

found fossil evidence of that too so

1877

01:16:29,030 --> 01:16:25,980

that's special

1878

01:16:30,770 --> 01:16:29,040

this man this is uh was so much fun

1879

01:16:34,430 --> 01:16:30,780

about this topic there's just so many

1880

01:16:37,250 --> 01:16:34,440

directions to go uh and so many

1881

01:16:40,850 --> 01:16:37,260

Mysteries to unfold that I think will be

1882

01:16:44,030 --> 01:16:40,860

busy for uh the balance of our lifetime

1883

01:16:45,649 --> 01:16:44,040

with it which is is just fine with me

1884

01:16:48,649 --> 01:16:45,659

um let's go with cabbie goodbye starting

1885

01:16:53,450 --> 01:16:51,050

you ladies are awesome thank you for

1886

01:16:56,870 --> 01:16:53,460

joining us in uh sharing all your

1887

01:17:00,169 --> 01:16:56,880

stories with us uh sharing your gifts

1888

01:17:03,169 --> 01:17:00,179

in a field of study that uh

1889

01:17:05,689 --> 01:17:03,179

is very closed-minded whenever it comes

1890

01:17:07,669 --> 01:17:05,699

to those sort of things you ladies have

1891

01:17:10,250 --> 01:17:07,679

a tremendous amount of courage and

1892

01:17:13,010 --> 01:17:10,260

bravery to put yourselves out there like

1893

01:17:19,010 --> 01:17:13,020

that and I I truly respect and

1894

01:17:23,149 --> 01:17:20,870

Debs

1895

01:17:25,490 --> 01:17:23,159

I don't know where to begin like you are

1896

01:17:29,030 --> 01:17:25,500

doing excellent work you're fantastic

1897

01:17:30,709 --> 01:17:29,040

people and you're really honest and open

1898

01:17:33,110 --> 01:17:30,719

about your gifts which is going to help

1899

01:17:35,390 --> 01:17:33,120

other people be honest and open and

1900

01:17:37,910 --> 01:17:35,400

you're moving the topic forward so I'm

1901

01:17:39,770 --> 01:17:37,920

extremely grateful for that and I'm

1902

01:17:42,410 --> 01:17:39,780

grateful for you coming and talking to

1903

01:17:45,890 --> 01:17:42,420

us today so thank you so much

1904

01:17:49,070 --> 01:17:45,900

wow thank you for having us

1905

01:17:52,250 --> 01:17:49,080

next no I'm kidding okay I will go next

1906

01:17:54,410 --> 01:17:52,260

time the co-conspirator it is great to

1907

01:17:57,229 --> 01:17:54,420

have you guys on uh it's fascinating to

1908

01:17:59,390 --> 01:17:57,239

hear your uh sort of on-ramp to this

1909

01:18:02,030 --> 01:17:59,400

topic it's unlike others that we've run

1910

01:18:04,370 --> 01:18:02,040

into and that uniqueness is really

1911

01:18:07,610 --> 01:18:04,380

special right it's uh it gives the whole

1912

01:18:09,649 --> 01:18:07,620

thing a different angle and you know as

1913

01:18:12,770 --> 01:18:09,659

someone who believes there's a lot of

1914

01:18:14,630 --> 01:18:12,780

unknown out there it's exciting to see

1915

01:18:16,910 --> 01:18:14,640

those who've got the courage to sort of

1916

01:18:19,370 --> 01:18:16,920

chase after that and follow the answers

1917

01:18:20,810 --> 01:18:19,380

wherever they may go and we have many

1918

01:18:23,149 --> 01:18:20,820

questions right we'll continue to have

1919

01:18:25,189 --> 01:18:23,159

many questions so we're cheering you on

1920

01:18:26,930 --> 01:18:25,199

as you continue in your in your Endeavor

1921

01:18:29,390 --> 01:18:26,940

and I look forward to hearing from you

1922

01:18:32,090 --> 01:18:29,400

and what you'll discover

1923

01:18:33,590 --> 01:18:32,100

thank you thank you very much let's do

1924

01:18:35,450 --> 01:18:33,600

this let's collaborate let's all

1925

01:18:36,950 --> 01:18:35,460

collaborate share the information and

1926

01:18:39,169 --> 01:18:36,960

rock on man

1927

01:18:42,229 --> 01:18:39,179

absolutely you know that's nice for you

1928

01:18:44,570 --> 01:18:42,239

I I knew that uh when I saw that you

1929

01:18:45,950 --> 01:18:44,580

girls were speaking at conferences man

1930

01:18:48,830 --> 01:18:45,960

there's like groups of little girls

1931

01:18:50,990 --> 01:18:48,840

there holding their parents hand and

1932

01:18:53,810 --> 01:18:51,000

they're going wow I can go out and do

1933

01:18:56,870 --> 01:18:53,820

this me and my friends can go do this I

1934

01:18:59,330 --> 01:18:56,880

don't have to have a guy lead me into

1935

01:19:02,570 --> 01:18:59,340

the woods and tell me what to do and you

1936

01:19:05,149 --> 01:19:02,580

know how to do it uh and that we can

1937

01:19:07,310 --> 01:19:05,159

just go and do it ourselves and I think

1938

01:19:10,189 --> 01:19:07,320

that's very empowering and I love that

1939

01:19:12,290 --> 01:19:10,199

and as soon as I saw you guys I I knew I

1940

01:19:16,970 --> 01:19:12,300

wanted to have you on and it was right

1941

01:19:20,510 --> 01:19:16,980

after it was days before we had on TJ

1942

01:19:22,490 --> 01:19:20,520

Allard who is the executive producer of

1943

01:19:24,830 --> 01:19:22,500

the secrets of skin Water Ranch if you

1944

01:19:27,470 --> 01:19:24,840

guys have seen that on on History we've

1945

01:19:30,410 --> 01:19:27,480

had him on a couple of times he's a real

1946

01:19:32,630 --> 01:19:30,420

down-home folksy guy from Buffalo lives

1947

01:19:36,590 --> 01:19:32,640

in Buffalo a Hollywood executive

1948

01:19:38,390 --> 01:19:36,600

producer right and so I told him on

1949

01:19:40,130 --> 01:19:38,400

private chat I said man you know if

1950

01:19:42,590 --> 01:19:40,140

you're looking to do a show

1951

01:19:45,770 --> 01:19:42,600

if it were me I'd be looking to these

1952

01:19:47,810 --> 01:19:45,780

three girls in Minnesota uh that you

1953

01:19:50,090 --> 01:19:47,820

know uh that are doing Bigfoot research

1954

01:19:52,669 --> 01:19:50,100

you know because I think people would

1955

01:19:56,270 --> 01:19:52,679

find you guys interesting and compelling

1956

01:19:58,610 --> 01:19:56,280

so um so who knows you know he's just he

1957

01:20:01,790 --> 01:19:58,620

he is not read in on this topic I think

1958

01:20:03,290 --> 01:20:01,800

and I this is getting long-winded so

1959

01:20:08,270 --> 01:20:03,300

forgive me because this was to be my

1960

01:20:10,850 --> 01:20:08,280

cabbie goodbye but when I ask Matt about

1961

01:20:13,970 --> 01:20:10,860

why on finding Bigfoot they really

1962

01:20:17,689 --> 01:20:13,980

didn't have success on in in being able

1963

01:20:19,910 --> 01:20:17,699

to show a you know a legitimate sound or

1964

01:20:21,470 --> 01:20:19,920

or or or or sighting of any sort even

1965

01:20:23,390 --> 01:20:21,480

with the great thermals that they had

1966

01:20:24,950 --> 01:20:23,400

and he said well when you have a whole

1967

01:20:26,410 --> 01:20:24,960

production crew out there with lights

1968

01:20:28,729 --> 01:20:26,420

and cameras and everything else

1969

01:20:30,410 --> 01:20:28,739

obviously Bigfoot is not going to

1970

01:20:32,930 --> 01:20:30,420

respond to that is not going to want to

1971

01:20:35,510 --> 01:20:32,940

come and get close to that the you know

1972

01:20:38,630 --> 01:20:35,520

any Bigfoot male female even probably

1973

01:20:40,729 --> 01:20:38,640

the young ones would be scared

1974

01:20:42,470 --> 01:20:40,739

um so TJ looking at that says well they

1975

01:20:44,750 --> 01:20:42,480

never found Bigfoot but I don't think

1976

01:20:47,030 --> 01:20:44,760

that tells the whole story so hopefully

1977

01:20:49,669 --> 01:20:47,040

I'll have another conversation with him

1978

01:20:51,110 --> 01:20:49,679

again and and uh and bring you guys up

1979

01:20:55,550 --> 01:20:51,120

so

1980

01:20:58,850 --> 01:20:55,560

much fun and you were and uh we're

1981

01:21:01,250 --> 01:20:58,860

honored that you would uh imbue cab with

1982

01:21:02,570 --> 01:21:01,260

a little bit more bigfootness so thank

1983

01:21:04,490 --> 01:21:02,580

you so much

1984

01:21:06,610 --> 01:21:04,500

yeah

1985

01:21:10,370 --> 01:21:06,620

um so for uh foreign

1986

01:21:12,709 --> 01:21:10,380

yes ma'am it's our pleasure for uh

1987

01:21:15,470 --> 01:21:12,719

Nathan for Debs for Matt and for Tammy

1988

01:21:17,390 --> 01:21:15,480

Jenna and Jen this is DJ from calling

1989

01:21:21,050 --> 01:21:17,400

all beings saying peace out

1990

01:21:22,550 --> 01:21:21,060

one love we'll see you down the road and

1991

01:21:24,550 --> 01:21:22,560
