Calling All Beings

1
00:00:29,570 --> 00:00:12,009

[Music]

2
00:00:33,010 --> 00:00:29,580

yeah

3
00:00:38,870 --> 00:00:35,930

imma tell you what baby you never know

4
00:00:40,850 --> 00:00:38,880

where this Show's going but tonight we

5
00:00:42,709 --> 00:00:40,860

going bigfooting that's what's gonna

6
00:00:44,569 --> 00:00:42,719

happen we don't even know where we're

7
00:00:46,490 --> 00:00:44,579

gonna go with each episode but we know

8
00:00:49,910 --> 00:00:46,500

it's not going to be to the same spot

9
00:00:52,130 --> 00:00:49,920

right Nathan because you know he moves

10
00:00:55,250 --> 00:00:52,140

you got it you got to man never never go

11
00:00:57,410 --> 00:00:55,260

the same spot twice uh I'm the same way

12
00:00:59,450 --> 00:00:57,420

and and pick up what you take in right

13
00:01:01,549 --> 00:00:59,460

you know you gotta take it out yeah but

14

00:01:03,889 --> 00:01:01,559

yeah pack up your trash damn it don't be

15

00:01:06,170 --> 00:01:03,899

leaving no bud bottles so Terry can go

16

00:01:08,390 --> 00:01:06,180

in there with his plastic bag anyway I'm

17

00:01:11,390 --> 00:01:08,400

your host DJ along with the co-creator

18

00:01:14,090 --> 00:01:11,400

the executive producer of this joint the

19

00:01:15,109 --> 00:01:14,100

technical Beast money Nathan what's up

20

00:01:17,870 --> 00:01:15,119

money

21

00:01:19,490 --> 00:01:17,880

not much man happy Thursday uh it's

22

00:01:21,050 --> 00:01:19,500

almost the end of the month

23

00:01:23,510 --> 00:01:21,060

where's the time going I don't know it's

24

00:01:25,190 --> 00:01:23,520

crazy it's just going really quick it

25

00:01:27,830 --> 00:01:25,200

really thought it was just February 1st

26

00:01:30,170 --> 00:01:27,840

uh but somebody who ain't got time for

27

00:01:32,990 --> 00:01:30,180

the pain is a woman who just did an

28

00:01:36,289 --> 00:01:33,000

episode last night with an experiercer

29

00:01:39,830 --> 00:01:36,299

and she is the host of Deb's dad and

30

00:01:43,069 --> 00:01:39,840

Dojo an original gangster of this show

31

00:01:45,469 --> 00:01:43,079

Deb what's up Holmes I'm excited to meet

32

00:01:48,530 --> 00:01:45,479

our guest and have a conversation that

33

00:01:49,730 --> 00:01:48,540

educates us all more about the Bigfoot

34

00:01:51,770 --> 00:01:49,740

phenomenon

35

00:01:53,690 --> 00:01:51,780

he's as cool as the other side of the

36

00:01:56,090 --> 00:01:53,700

pillow and let me tell you what people

37

00:01:58,670 --> 00:01:56,100

not everybody are doing it like this

38

00:02:00,530 --> 00:01:58,680

man's doing it he's talking about I'm

39

00:02:02,749 --> 00:02:00,540

not coming in your space with you know

40

00:02:05,209 --> 00:02:02,759

getting in your grill trying to uh

41

00:02:08,449 --> 00:02:05,219

ruffle up your stuff this man is talking

42

00:02:11,990 --> 00:02:08,459

about respect between us he is the

43

00:02:16,330 --> 00:02:12,000

creator of Rock Hill Bigfoot put your

44

00:02:22,030 --> 00:02:16,340

hands together for South Carolina's oh

45

00:02:22,040 --> 00:02:25,550

thank you

46

00:02:31,490 --> 00:02:28,369

yes good evening

47

00:02:33,170 --> 00:02:31,500

what's going on brother DJ before we get

48

00:02:35,150 --> 00:02:33,180

started brother I gotta say that was

49

00:02:37,790 --> 00:02:35,160

probably one of the most energetic

50

00:02:40,130 --> 00:02:37,800

introductions I have ever had

51
00:02:41,690 --> 00:02:40,140
thank you sir I appreciate it uh we do

52
00:02:44,990 --> 00:02:41,700
it a little bit differently around here

53
00:02:47,390 --> 00:02:45,000
not better or worse just differently uh

54
00:02:50,270 --> 00:02:47,400
and uh we love it we want everybody to

55
00:02:51,830 --> 00:02:50,280
feel welcome loved and respected and

56
00:02:53,930 --> 00:02:51,840
positive when they get here and when

57
00:02:56,390 --> 00:02:53,940
they leave and that's the pretty much

58
00:02:58,130 --> 00:02:56,400
the mission of the show you know and uh

59
00:02:58,790 --> 00:02:58,140
in this case Terry

60
00:03:01,130 --> 00:02:58,800
um

61
00:03:03,050 --> 00:03:01,140
there and by the way so we have Jill the

62
00:03:04,910 --> 00:03:03,060
jewel of Indiana is in the chat Julie

63
00:03:06,830 --> 00:03:04,920

how are you darling it's great to see

64

00:03:08,570 --> 00:03:06,840

you I know you got to check out early

65

00:03:10,550 --> 00:03:08,580

because you got a meeting tonight you

66

00:03:12,710 --> 00:03:10,560

got to talk to somebody talk to our

67

00:03:14,869 --> 00:03:12,720

brother Simeon Hein and others so thank

68

00:03:16,850 --> 00:03:14,879

you for hanging in Jules and uh when you

69

00:03:18,770 --> 00:03:16,860

gotta go you got to go and we'll talk to

70

00:03:22,970 --> 00:03:18,780

you soon

71

00:03:26,449 --> 00:03:22,980

um so Terry for our audience

72

00:03:29,030 --> 00:03:26,459

um is not as Bigfoot Centric yet as I

73

00:03:30,589 --> 00:03:29,040

hope it will be we hope to bring in all

74

00:03:32,809 --> 00:03:30,599

audiences because we want to talk about

75

00:03:35,390 --> 00:03:32,819

all these different topics we're not a

76
00:03:38,570 --> 00:03:35,400
brand name in Bigfoot where you know we

77
00:03:40,610 --> 00:03:38,580
started off in UFOs but um our interests

78
00:03:43,190 --> 00:03:40,620
take us elsewhere that's not just to

79
00:03:45,170 --> 00:03:43,200
like try to pick up uh you know viewers

80
00:03:46,490 --> 00:03:45,180
or listeners for the sake of it but it's

81
00:03:48,710 --> 00:03:46,500
just because we're interested in other

82
00:03:50,030 --> 00:03:48,720
stuff I mean that's what what drives us

83
00:03:52,309 --> 00:03:50,040
you know again we did a show about

84
00:03:54,649 --> 00:03:52,319
ancient structures on Sunday and there

85
00:03:57,350 --> 00:03:54,659
was almost no UFO discussion on that

86
00:04:00,110 --> 00:03:57,360
episode but more just an exploration of

87
00:04:01,550 --> 00:04:00,120
of how maybe these things happened and

88
00:04:04,789 --> 00:04:01,560

you had some great commentary about

89

00:04:06,470 --> 00:04:04,799

about uh Gobekli Tepe but anyway I I

90

00:04:08,149 --> 00:04:06,480

think our audience you're just such a

91

00:04:10,670 --> 00:04:08,159

great um

92

00:04:13,009 --> 00:04:10,680

a great Ambassador for bigfoot because

93

00:04:16,069 --> 00:04:13,019

of respect between us that's something

94

00:04:19,670 --> 00:04:16,079

that uh that resonates with me and when

95

00:04:22,069 --> 00:04:19,680

I go out uh in the forest uh uh on on

96

00:04:25,010 --> 00:04:22,079

some Expeditions uh that's what I take

97

00:04:27,530 --> 00:04:25,020

with me is what you said resonates with

98

00:04:30,050 --> 00:04:27,540

me and when I was out there last weekend

99

00:04:33,469 --> 00:04:30,060

I got in my bare feet I stood on the

100

00:04:35,629 --> 00:04:33,479

ground and I tried to put that out uh to

101
00:04:38,150 --> 00:04:35,639
to the bigfoots that that may have been

102
00:04:40,189 --> 00:04:38,160
tuning in to me that this is what I'm

103
00:04:41,930 --> 00:04:40,199
here for I'm here to learn about you I'm

104
00:04:44,810 --> 00:04:41,940
not here to get in your space and

105
00:04:47,270 --> 00:04:44,820
disturb you in any way and uh and and I

106
00:04:49,730 --> 00:04:47,280
welcome uh you saying hello kind of

107
00:04:51,650 --> 00:04:49,740
thing so yeah we're in their house you

108
00:04:53,930 --> 00:04:51,660
know yes sir we're in their house let me

109
00:04:57,350 --> 00:04:53,940
turn you over to the capable hands of

110
00:04:59,689 --> 00:04:57,360
North Carolina's own money Nathan thanks

111
00:05:01,550 --> 00:04:59,699
TJ so Terry great to have you with us uh

112
00:05:04,189 --> 00:05:01,560
one of my good friends from high school

113
00:05:06,350 --> 00:05:04,199

actually is he's from Rock Hill from

114

00:05:08,930 --> 00:05:06,360

that area and uh I think some of his

115

00:05:11,030 --> 00:05:08,940

family's still there so I I'm familiar

116

00:05:13,310 --> 00:05:11,040

with it a little bit and uh and it's a

117

00:05:15,409 --> 00:05:13,320

it's a beautiful part of the state what

118

00:05:18,050 --> 00:05:15,419

I'd love to know just for our audience

119

00:05:19,730 --> 00:05:18,060

DJ as he mentioned just now they're not

120

00:05:20,570 --> 00:05:19,740

as familiar with this topic I'd love for

121

00:05:22,909 --> 00:05:20,580

you to kind of give a little

122

00:05:25,730 --> 00:05:22,919

introduction about how you got into

123

00:05:28,670 --> 00:05:25,740

Bigfoot and a little bit about your

124

00:05:30,230 --> 00:05:28,680

organization Rock Hill Bigfoot sure sure

125

00:05:32,029 --> 00:05:30,240

absolutely

126

00:05:33,110 --> 00:05:32,039

um actually let me share a photo with

127

00:05:33,650 --> 00:05:33,120

you here

128

00:05:41,210 --> 00:05:33,660

um

129

00:05:44,570 --> 00:05:41,220

generational Family Farm

130

00:05:47,450 --> 00:05:44,580

that is about 2 000 acres and everything

131

00:05:50,090 --> 00:05:47,460

within that dark green either was owned

132

00:05:50,990 --> 00:05:50,100

by my relatives or friends of my

133

00:05:53,270 --> 00:05:51,000

relatives

134

00:05:55,010 --> 00:05:53,280

and right in the center there's a little

135

00:05:57,710 --> 00:05:55,020

green patch there that was my

136

00:06:00,290 --> 00:05:57,720

grandmother's house that's where I spent

137

00:06:03,469 --> 00:06:00,300

a lot of my Summers

138

00:06:06,230 --> 00:06:03,479

um you know growing up as a

139

00:06:09,469 --> 00:06:06,240

as a seven eight nine-year-old

140

00:06:14,050 --> 00:06:09,479

ten-year-old boy who just loved playing

141

00:06:17,390 --> 00:06:14,060

in the woods on that property there were

142

00:06:19,850 --> 00:06:17,400

Three Springs a couple of lakes it

143

00:06:22,610 --> 00:06:19,860

borders a major river in South Carolina

144

00:06:23,629 --> 00:06:22,620

I'm not going to tell you where

145

00:06:26,570 --> 00:06:23,639

um

146

00:06:31,670 --> 00:06:26,580

any kind of game you could imagine deer

147

00:06:34,010 --> 00:06:31,680

turkey Hogs you know anything

148

00:06:36,650 --> 00:06:34,020

um lots to cover lots of old growth

149

00:06:39,170 --> 00:06:36,660

trees there was some pulp wood

150

00:06:42,230 --> 00:06:39,180

harvesting going on

151
00:06:45,170 --> 00:06:42,240
um you know cultivated Farmland so

152
00:06:47,270 --> 00:06:45,180
basically that's got everything you need

153
00:06:49,730 --> 00:06:47,280
for a Bigfoot habitat you got food you

154
00:06:52,129 --> 00:06:49,740
got water you got cover

155
00:06:54,890 --> 00:06:52,139
um you got ways to move around

156
00:06:57,050 --> 00:06:54,900
and I would often go walking in the

157
00:06:58,550 --> 00:06:57,060
woods back when a nine or ten year old

158
00:07:00,409 --> 00:06:58,560
boy could walk out in the woods by

159
00:07:02,689 --> 00:07:00,419
himself and just go wander if I was over

160
00:07:05,290 --> 00:07:02,699
there and my chores were done for the

161
00:07:08,029 --> 00:07:05,300
day I would just say hey Mom I'm gonna

162
00:07:09,230 --> 00:07:08,039
pack a sandwich or do something and go

163
00:07:11,210 --> 00:07:09,240

down the creek

164

00:07:12,710 --> 00:07:11,220

pick some Watercress and if the

165

00:07:14,809 --> 00:07:12,720

blueberries are in I'll pick some of

166

00:07:16,550 --> 00:07:14,819

those and just hang out and it was

167

00:07:18,409 --> 00:07:16,560

always okay we'll just be back an hour

168

00:07:19,670 --> 00:07:18,419

before Sunset because if we have to come

169

00:07:22,490 --> 00:07:19,680

looking for you you know what's going to

170

00:07:25,730 --> 00:07:22,500

happen yes ma'am get your switch out so

171

00:07:27,469 --> 00:07:25,740

yeah so I would I would always when I

172

00:07:30,770 --> 00:07:27,479

was in the woods

173

00:07:32,930 --> 00:07:30,780

I would always feel like I was somebody

174

00:07:35,390 --> 00:07:32,940

was watching me

175

00:07:37,249 --> 00:07:35,400

um it's not like a creepy thing like I

176

00:07:38,930 --> 00:07:37,259

was afraid or something was going to

177

00:07:41,930 --> 00:07:38,940

happen but it was just like if I turned

178

00:07:44,390 --> 00:07:41,940

around fast enough I'd see somebody duck

179

00:07:46,490 --> 00:07:44,400

down behind the hill or behind a tree or

180

00:07:48,890 --> 00:07:46,500

something and I never could figure out

181

00:07:51,350 --> 00:07:48,900

what it was

182

00:07:53,029 --> 00:07:51,360

um had some things happen I won't get

183

00:07:55,189 --> 00:07:53,039

into a lot of detail because there's a

184

00:07:57,350 --> 00:07:55,199

ton of them but

185

00:07:58,969 --> 00:07:57,360

um had some tree breaks that I really

186

00:08:02,270 --> 00:07:58,979

didn't understand what was going on

187

00:08:05,270 --> 00:08:02,280

there uh you know again growing up on a

188

00:08:07,969 --> 00:08:05,280

farm you my cousins would play the same

189

00:08:10,129 --> 00:08:07,979

places I would a lot of times so maybe

190

00:08:12,290 --> 00:08:10,139

they were skinning up a pine tree and

191

00:08:14,089 --> 00:08:12,300

snapped it off trying to you know

192

00:08:15,589 --> 00:08:14,099

there was a thing called Skin the cat

193

00:08:17,990 --> 00:08:15,599

that we did that you climb a little

194

00:08:20,210 --> 00:08:18,000

little skinny pine tree and try to bend

195

00:08:22,490 --> 00:08:20,220

it back over and touch the ground with

196

00:08:24,790 --> 00:08:22,500

your feet most often it would break off

197

00:08:27,050 --> 00:08:24,800

and you'd end up falling on your head

198

00:08:30,110 --> 00:08:27,060

so it could have been that you know I

199

00:08:31,550 --> 00:08:30,120

just I and at night I would hear strange

200

00:08:32,149 --> 00:08:31,560

noises

201

00:08:35,510 --> 00:08:32,159

um

202

00:08:38,269 --> 00:08:35,520

my grandmother's Farmhouse was uh

203

00:08:40,490 --> 00:08:38,279

it was an old farmhouse it was probably

204

00:08:44,810 --> 00:08:40,500

well that's actually half not there

205

00:08:45,470 --> 00:08:44,820

anymore but it was over 150 years old

206

00:08:47,030 --> 00:08:45,480

um

207

00:08:49,850 --> 00:08:47,040

and

208

00:08:52,009 --> 00:08:49,860

it was heated with pot belly stoves it

209

00:08:55,670 --> 00:08:52,019

was a typical old farmhouse it had a

210

00:08:58,190 --> 00:08:55,680

green tin roof no screens on the Windows

211

00:09:01,070 --> 00:08:58,200

you had some curtains everything and

212

00:09:02,630 --> 00:09:01,080

there no air conditioning of course so

213

00:09:06,110 --> 00:09:02,640

in the summertime you opened the windows

214

00:09:08,269 --> 00:09:06,120

and prayed there was a breeze but

215

00:09:11,150 --> 00:09:08,279

um you know we so I'd sleep upstairs at

216

00:09:13,970 --> 00:09:11,160

night in the upstairs bedroom with the

217

00:09:15,769 --> 00:09:13,980

windows open and I learned what Bobcat

218

00:09:18,530 --> 00:09:15,779

sounded like I learned what foxes

219

00:09:21,350 --> 00:09:18,540

sounded like but I'd hear stuff every

220

00:09:23,570 --> 00:09:21,360

now and then that just was I couldn't

221

00:09:24,350 --> 00:09:23,580

figure it out

222

00:09:27,889 --> 00:09:24,360

um

223

00:09:29,990 --> 00:09:27,899

it was just weird and then I guess when

224

00:09:32,030 --> 00:09:30,000

I was about 10 years old there's this

225

00:09:34,970 --> 00:09:32,040

little movie that came out

226

00:09:36,829 --> 00:09:34,980

um called The Legend of Boggy Creek

227

00:09:38,150 --> 00:09:36,839

I watched that and I knew exactly what I

228

00:09:41,750 --> 00:09:38,160

was dealing with

229

00:09:44,269 --> 00:09:41,760

and it probably took me about 10 years

230

00:09:47,210 --> 00:09:44,279

or sorry about two years to go back in

231

00:09:49,009 --> 00:09:47,220

the woods after I saw that movie

232

00:09:50,930 --> 00:09:49,019

um because my grandmother's Farmhouse

233

00:09:53,030 --> 00:09:50,940

had a wrap around front porch just like

234

00:09:54,470 --> 00:09:53,040

in that movie and when the hand came

235

00:09:57,050 --> 00:09:54,480

through that window and grabbed the girl

236

00:09:59,329 --> 00:09:57,060

on the shoulder oh that was that was it

237

00:10:01,130 --> 00:09:59,339

for me it was like nope I'm not I'm not

238

00:10:04,970 --> 00:10:01,140

sitting near a window at night again

239

00:10:07,490 --> 00:10:04,980

done that place but as as you know over

240

00:10:09,949 --> 00:10:07,500

those couple years it kind of

241

00:10:11,150 --> 00:10:09,959

just worked on me you know I like the

242

00:10:13,190 --> 00:10:11,160

woods

243

00:10:14,509 --> 00:10:13,200

I really don't want to be scared out of

244

00:10:17,449 --> 00:10:14,519

the woods even though I don't understand

245

00:10:20,150 --> 00:10:17,459

what this is because so far

246

00:10:21,290 --> 00:10:20,160

nothing's hurt me uh you know I'm not

247

00:10:23,870 --> 00:10:21,300

trying to push my luck or anything

248

00:10:25,910 --> 00:10:23,880

because as a 10 year old kid

249

00:10:27,470 --> 00:10:25,920

you're you know you don't know what's

250

00:10:28,850 --> 00:10:27,480

going on and we didn't have the internet

251
00:10:30,710 --> 00:10:28,860
back then we have these things called

252
00:10:34,670 --> 00:10:30,720
books that she had to read

253
00:10:36,530 --> 00:10:34,680
when I read I read everything that you

254
00:10:40,130 --> 00:10:36,540
could get that get my hands on there

255
00:10:42,230 --> 00:10:40,140
wasn't a whole lot out back then but I

256
00:10:44,329 --> 00:10:42,240
just soaked up everything I could and

257
00:10:46,250 --> 00:10:44,339
that's kind of what got me to this point

258
00:10:50,470 --> 00:10:46,260
in life about

259
00:10:54,050 --> 00:10:50,480
I guess about 2015 or 20 to end of 2014

260
00:10:56,690 --> 00:10:54,060
I decided you know I've got the means

261
00:10:58,550 --> 00:10:56,700
now and I'm I'm older I really want to

262
00:11:01,550 --> 00:10:58,560
get out and do this and figure out what

263
00:11:03,590 --> 00:11:01,560

this is I've been reading about it

264

00:11:05,690 --> 00:11:03,600

um I just want to know what's going on I

265

00:11:07,970 --> 00:11:05,700

I'm curious

266

00:11:10,490 --> 00:11:07,980

um I need to find some people that are

267

00:11:12,170 --> 00:11:10,500

doing this that

268

00:11:13,670 --> 00:11:12,180

um I can you know I'll see if I can go

269

00:11:14,750 --> 00:11:13,680

hang out with them and learn what's

270

00:11:17,449 --> 00:11:14,760

going on

271

00:11:18,650 --> 00:11:17,459

so I hooked up with a couple of guys in

272

00:11:20,870 --> 00:11:18,660

a group called

273

00:11:24,470 --> 00:11:22,670

it was oh gosh I can't remember David

274

00:11:27,949 --> 00:11:24,480

Pardue and Dave Moser with their names

275

00:11:30,530 --> 00:11:27,959

they're good guys and they kind of took

276

00:11:33,170 --> 00:11:30,540

me under their wing we we met before we

277

00:11:34,790 --> 00:11:33,180

went out in the woods and kind of

278

00:11:37,190 --> 00:11:34,800

convinced each other we weren't ax

279

00:11:39,650 --> 00:11:37,200

murderers or anything like that that's

280

00:11:41,569 --> 00:11:39,660

positive yeah yeah that's always a good

281

00:11:42,829 --> 00:11:41,579

thing yeah um because you know we don't

282

00:11:45,110 --> 00:11:42,839

know each other I don't know who they

283

00:11:47,389 --> 00:11:45,120

are they don't know who I am

284

00:11:50,389 --> 00:11:47,399

um but they were researching mostly up

285

00:11:51,470 --> 00:11:50,399

in the uwari National Forest so at this

286

00:11:53,810 --> 00:11:51,480

point

287

00:11:55,670 --> 00:11:53,820

um all I've ever seen is the Bigfoot

288

00:11:56,930 --> 00:11:55,680

shows on TV where they're out tromping

289

00:11:59,569 --> 00:11:56,940

through the woods in the middle of the

290

00:12:01,490 --> 00:11:59,579

night in the pitch black and you know

291

00:12:03,350 --> 00:12:01,500

they've got the little snury cams with

292

00:12:05,630 --> 00:12:03,360

the with the uh

293

00:12:07,430 --> 00:12:05,640

with the infrared GoPros and stuff like

294

00:12:08,389 --> 00:12:07,440

that on but they can't see where they're

295

00:12:13,550 --> 00:12:08,399

going

296

00:12:16,370 --> 00:12:13,560

to do uh so we went we were actually at

297

00:12:18,110 --> 00:12:16,380

a campsite in one of the uwari

298

00:12:19,910 --> 00:12:18,120

campgrounds

299

00:12:25,130 --> 00:12:19,920

and

300

00:12:27,230 --> 00:12:25,140

thinking okay well let's you know uh let

301
00:12:30,230 --> 00:12:27,240
me get my key I I truly I have no night

302
00:12:33,530 --> 00:12:30,240
vision stuff to this to this day I have

303
00:12:36,829 --> 00:12:33,540
one I do video stuff as well I have one

304
00:12:39,290 --> 00:12:36,839
little Sony uh Handycam that's ancient

305
00:12:40,970 --> 00:12:39,300
that I've had forever that still works

306
00:12:44,389 --> 00:12:40,980
and it's got night shot that's the only

307
00:12:45,949 --> 00:12:44,399
thing I have that sees in the dark

308
00:12:48,889 --> 00:12:45,959
um you know all the other cameras I have

309
00:12:50,509 --> 00:12:48,899
they're they're just cameras so I had

310
00:12:52,250 --> 00:12:50,519
that a couple other things and I figured

311
00:12:54,590 --> 00:12:52,260
okay well it's getting dark we we

312
00:12:57,710 --> 00:12:54,600
probably we need to be like gearing up

313
00:12:59,509 --> 00:12:57,720

and doing stuff and I asked uh David

314

00:13:02,629 --> 00:12:59,519

Pardue I said well

315

00:13:04,430 --> 00:13:02,639

so what's when do we start

316

00:13:06,350 --> 00:13:04,440

and he looked at me and he said well we

317

00:13:08,690 --> 00:13:06,360

already have

318

00:13:11,629 --> 00:13:08,700

and I said what do you mean we're just

319

00:13:13,430 --> 00:13:11,639

sitting around the fire he said yep

320

00:13:15,949 --> 00:13:13,440

and I said

321

00:13:17,269 --> 00:13:15,959

okay uh

322

00:13:21,230 --> 00:13:17,279

okay

323

00:13:23,629 --> 00:13:21,240

so we sat there just just chatting had

324

00:13:25,370 --> 00:13:23,639

had our evening meal it was dark

325

00:13:28,069 --> 00:13:25,380

we were just kind of sitting around

326

00:13:30,290 --> 00:13:28,079

talking you know not playing any loud

327

00:13:32,509 --> 00:13:30,300

music not not hooping and hollering just

328

00:13:35,210 --> 00:13:32,519

sitting around talking about stuff

329

00:13:36,889 --> 00:13:35,220

I got no idea what we're what's going on

330

00:13:40,310 --> 00:13:36,899

so I'm thinking

331

00:13:42,710 --> 00:13:40,320

okay it's getting late and nothing's

332

00:13:44,690 --> 00:13:42,720

going on it's getting on about 11 30 or

333

00:13:46,910 --> 00:13:44,700

so

334

00:13:48,410 --> 00:13:46,920

um I looked over at David another time

335

00:13:51,230 --> 00:13:48,420

and said so

336

00:13:53,449 --> 00:13:51,240

really this is this is what we're doing

337

00:13:56,750 --> 00:13:53,459

right and he said yep

338

00:13:59,150 --> 00:13:56,760

I'm thinking oh man well

339

00:14:01,850 --> 00:13:59,160

I don't know about this this is not like

340

00:14:03,889 --> 00:14:01,860

anything I expected but okay let's let's

341

00:14:06,230 --> 00:14:03,899

hang around a little longer

342

00:14:07,490 --> 00:14:06,240

um I had worked that day and I was

343

00:14:09,410 --> 00:14:07,500

getting tired

344

00:14:11,150 --> 00:14:09,420

and I was kind of a little nervous I was

345

00:14:13,910 --> 00:14:11,160

wound up because it's like I'm I'm

346

00:14:15,350 --> 00:14:13,920

looking for bigfoot so you know although

347

00:14:17,329 --> 00:14:15,360

we're sitting in a campground

348

00:14:19,009 --> 00:14:17,339

at a campsite

349

00:14:21,170 --> 00:14:19,019

so

350

00:14:23,629 --> 00:14:21,180

um we got on till about it got on about

351

00:14:26,990 --> 00:14:23,639

one o'clock and I said guys

352

00:14:28,129 --> 00:14:27,000

you know I I'm I'm tired I'm just gonna

353

00:14:30,350 --> 00:14:28,139

go

354

00:14:31,610 --> 00:14:30,360

crawling my tent and you guys call me if

355

00:14:33,470 --> 00:14:31,620

anything happens because I'm getting

356

00:14:35,990 --> 00:14:33,480

kind of disgusted and you know I didn't

357

00:14:37,910 --> 00:14:36,000

tell them that but I'm thinking well

358

00:14:40,730 --> 00:14:37,920

this is a waste of an evening and David

359

00:14:42,230 --> 00:14:40,740

looked over at me and he went

360

00:14:44,389 --> 00:14:42,240

wait

361

00:14:46,069 --> 00:14:44,399

I said what do you mean white he said

362

00:14:48,230 --> 00:14:46,079

wait

363

00:14:51,050 --> 00:14:48,240

okay

364

00:14:53,689 --> 00:14:51,060

about 15 minutes later I nothing's going

365

00:14:55,370 --> 00:14:53,699

on and I'm thinking this is nuts so I

366

00:14:59,150 --> 00:14:55,380

looked over at David and said well you

367

00:15:01,069 --> 00:14:59,160

know guys I I I'm whooped I'm gonna turn

368

00:15:02,030 --> 00:15:01,079

in and David looked over at me again and

369

00:15:04,069 --> 00:15:02,040

said

370

00:15:07,850 --> 00:15:04,079

wait

371

00:15:14,389 --> 00:15:07,860

15 minutes later we're sitting there

372

00:15:20,030 --> 00:15:17,689

we had a rock throwing the camp

373

00:15:22,850 --> 00:15:20,040

this is that rock

374

00:15:24,290 --> 00:15:22,860

we have a video of that rock being

375

00:15:26,509 --> 00:15:24,300

thrown into camp

376

00:15:29,269 --> 00:15:26,519

and we recovered that

377

00:15:32,090 --> 00:15:29,279

and they gave it to me for my souvenir

378

00:15:34,009 --> 00:15:32,100

at that point we had stuff going on we

379

00:15:37,430 --> 00:15:34,019

heard heard something in the in the

380

00:15:38,329 --> 00:15:37,440

brush now I'm going to tell you we

381

00:15:41,449 --> 00:15:38,339

um

382

00:15:44,810 --> 00:15:41,459

where we were yes it was a campsite

383

00:15:46,970 --> 00:15:44,820

but the area that this came from

384

00:15:49,150 --> 00:15:46,980

nobody could have gotten there we were

385

00:15:51,410 --> 00:15:49,160

there from daylight on

386

00:15:54,410 --> 00:15:51,420

nobody could have gotten there without

387

00:15:57,410 --> 00:15:54,420

us seeing them because the David and

388

00:15:59,449 --> 00:15:57,420

Dave had all the thermal gear you can

389

00:16:00,170 --> 00:15:59,459

think of that was available at that

390

00:16:02,810 --> 00:16:00,180

point

391

00:16:05,150 --> 00:16:02,820

and there's no way anybody could have

392

00:16:08,090 --> 00:16:05,160

gotten in there unless they had belly

393

00:16:10,370 --> 00:16:08,100

crawled in somebody from Fort Bragg had

394

00:16:13,129 --> 00:16:10,380

belly crawled in two days before and had

395

00:16:14,930 --> 00:16:13,139

been in a spider hole just waiting uh

396

00:16:16,850 --> 00:16:14,940

and if somebody was going to do that you

397

00:16:18,470 --> 00:16:16,860

know then the heck more power to them

398

00:16:22,790 --> 00:16:18,480

but

399

00:16:26,990 --> 00:16:22,800

um we were actually able to David had

400

00:16:30,110 --> 00:16:27,000

his thermal and The Rock was glowing hot

401

00:16:33,470 --> 00:16:30,120

it had well it was it had been held in

402

00:16:36,350 --> 00:16:33,480

something's hand it was much warmer than

403

00:16:38,930 --> 00:16:36,360

the rest of the Rocks around it there's

404

00:16:40,970 --> 00:16:38,940

actually that video is actually up on my

405

00:16:42,650 --> 00:16:40,980

YouTube channel there's not a lot on my

406

00:16:45,170 --> 00:16:42,660

YouTube channel but it's that's one of

407

00:16:47,150 --> 00:16:45,180

those that's up there you can see it

408

00:16:49,370 --> 00:16:47,160

being thrown into camp and you can see

409

00:16:51,410 --> 00:16:49,380

it clear as day it hits the ground the

410

00:16:52,990 --> 00:16:51,420

David scans around and finds it because

411

00:16:55,970 --> 00:16:53,000

it's glowing white hot in the thermal

412

00:16:57,889 --> 00:16:55,980

walks Dave Moser in on it and he picks

413

00:17:00,350 --> 00:16:57,899

it up brings it over and hands it to me

414

00:17:02,569 --> 00:17:00,360

and that was my souvenir and from that

415

00:17:04,370 --> 00:17:02,579

point on I was hooked I had to know what

416

00:17:07,370 --> 00:17:04,380

was going on

417

00:17:09,949 --> 00:17:07,380

that was it and that so that um and that

418

00:17:11,929 --> 00:17:09,959

took you was it I I thought it was one

419

00:17:14,929 --> 00:17:11,939

of the very early ones where you met up

420

00:17:17,150 --> 00:17:14,939

with the the yet to be named lady who I

421

00:17:20,689 --> 00:17:17,160

assume you'll name that was soon after

422

00:17:23,270 --> 00:17:20,699

soon after that yeah all right

423

00:17:25,610 --> 00:17:23,280

um that

424

00:17:26,990 --> 00:17:25,620

that one really is uh that's a

425

00:17:29,810 --> 00:17:27,000

life-changing moment

426

00:17:32,210 --> 00:17:29,820

that that you had so uh oh brother

427

00:17:34,610 --> 00:17:32,220

there's more would you are you guys okay

428

00:17:36,470 --> 00:17:34,620

if if we get let Terry go right into

429

00:17:38,630 --> 00:17:36,480

that one

430

00:17:41,990 --> 00:17:38,640

absolutely

431

00:17:46,130 --> 00:17:42,000

go ahead sir you want you want the poker

432

00:17:47,210 --> 00:17:46,140

yeah man I mean yes yeah okay well um

433

00:17:49,549 --> 00:17:47,220

apparently

434

00:17:52,730 --> 00:17:49,559

um you guys know of or hang with some

435

00:17:55,190 --> 00:17:52,740

people that I do um Arla Williams is one

436

00:17:56,690 --> 00:17:55,200

of my other mentors

437

00:17:59,810 --> 00:17:56,700

um I love all of the deaths she's my

438

00:18:02,210 --> 00:17:59,820

Bigfoot mama and I have learned a ton

439

00:18:05,750 --> 00:18:02,220

about things from her that's actually

440

00:18:07,850 --> 00:18:05,760

the respect between us that's actually a

441

00:18:12,529 --> 00:18:07,860

homage to her

442

00:18:14,029 --> 00:18:12,539

um she she says that a lot her saying is

443

00:18:15,950 --> 00:18:14,039

um and this is something that her

444

00:18:17,750 --> 00:18:15,960

grandmother told her as long as there's

445

00:18:19,549 --> 00:18:17,760

respect between us there'll be no

446

00:18:21,289 --> 00:18:19,559

problems

447

00:18:23,090 --> 00:18:21,299

um we're in their house we need to make

448

00:18:24,830 --> 00:18:23,100

sure that we are respectful of them in

449

00:18:26,330 --> 00:18:24,840

their house when we're out there

450

00:18:29,270 --> 00:18:26,340

so

451
00:18:32,870 --> 00:18:29,280
um I had been on several Gatherings with

452
00:18:36,289 --> 00:18:32,880
Arla in different places uh before

453
00:18:37,549 --> 00:18:36,299
um before this one and this was in uh

454
00:18:40,250 --> 00:18:37,559
North Georgia

455
00:18:42,830 --> 00:18:40,260
it was at a campground as well but this

456
00:18:46,789 --> 00:18:42,840
Campground it was

457
00:18:49,070 --> 00:18:46,799
it had a fire pit and a vault toilet and

458
00:18:50,210 --> 00:18:49,080
that was about it you had to drive down

459
00:19:28,070 --> 00:18:50,220
a

460
00:19:31,970 --> 00:19:28,080
but this thing's remote

461
00:19:34,310 --> 00:19:31,980
so we're in there we had

462
00:19:35,690 --> 00:19:34,320
you know we hung out hadn't seen each

463
00:19:37,310 --> 00:19:35,700

other for a long time there's a group of

464

00:19:40,010 --> 00:19:37,320

us that got together every once in a

465

00:19:43,310 --> 00:19:40,020

while and so we were chatting and saying

466

00:19:44,510 --> 00:19:43,320

hi and talking about things and got on

467

00:19:46,789 --> 00:19:44,520

towards

468

00:19:49,250 --> 00:19:46,799

um the evening now before this let me

469

00:19:51,890 --> 00:19:49,260

preface this is where DJ's story about

470

00:19:53,990 --> 00:19:51,900

the trash bag comes in normally when I

471

00:19:56,510 --> 00:19:54,000

go camping I will take a big garbage bag

472

00:19:59,750 --> 00:19:56,520

with me and clean up other stuff that

473

00:20:02,570 --> 00:19:59,760

people had left because

474

00:20:05,210 --> 00:20:02,580

sometimes people suck and leave their

475

00:20:08,330 --> 00:20:05,220

trash all over the place and that ticks

476

00:20:11,150 --> 00:20:08,340

me off a little bit so I just pack out

477

00:20:15,710 --> 00:20:11,160

whatever I can get a hold of and take it

478

00:20:19,130 --> 00:20:15,720

with me and I had set my tent up

479

00:20:21,710 --> 00:20:19,140

um actually let me see if

480

00:20:23,270 --> 00:20:21,720

I can share this with you

481

00:20:25,669 --> 00:20:23,280

um

482

00:20:27,710 --> 00:20:25,679

this is what I usually sleep in it's a

483

00:20:31,430 --> 00:20:27,720

little small one-man tent and not a lot

484

00:20:35,990 --> 00:20:31,440

of room in there and so I had set my

485

00:20:37,789 --> 00:20:36,000

tent up and usually what I'll do is

486

00:20:39,590 --> 00:20:37,799

there's a term called bait because

487

00:20:42,830 --> 00:20:39,600

you'll hear a lot of Bigfoot people talk

488

00:20:45,110 --> 00:20:42,840

about that's the person who's like the

489

00:20:47,330 --> 00:20:45,120

the remote person who's off by

490

00:20:48,470 --> 00:20:47,340

themselves that if something's going to

491

00:20:51,169 --> 00:20:48,480

happen it's going to happen to them

492

00:20:53,150 --> 00:20:51,179

first I'm good with that so I always

493

00:20:56,210 --> 00:20:53,160

look for the remote areas the furthest

494

00:20:57,470 --> 00:20:56,220

away from the center of the camp

495

00:20:59,690 --> 00:20:57,480

um you know I'll look around and go well

496

00:21:01,070 --> 00:20:59,700

if I was a Bigfoot where would I find

497

00:21:03,169 --> 00:21:01,080

the most cover

498

00:21:05,870 --> 00:21:03,179

and you know what would be a good spot

499

00:21:07,370 --> 00:21:05,880

for them to observe me because I want to

500

00:21:10,010 --> 00:21:07,380

have something happen

501
00:21:11,750 --> 00:21:10,020
so I found the spot uh set my tent up I

502
00:21:13,610 --> 00:21:11,760
was I was picking up trash back behind

503
00:21:15,890 --> 00:21:13,620
there Arla came back and was helping me

504
00:21:21,289 --> 00:21:15,900
and we were walking around and probably

505
00:21:24,409 --> 00:21:21,299
about uh 25 yards behind my tent was

506
00:21:26,150 --> 00:21:24,419
this big Fallen uh old growth tree it

507
00:21:28,310 --> 00:21:26,160
was it was rotten it had fallen over

508
00:21:31,970 --> 00:21:28,320
this thing was huge and it kind of made

509
00:21:35,090 --> 00:21:31,980
a natural barrier and then beyond that

510
00:21:38,930 --> 00:21:35,100
about 25 feet is what I'm going to call

511
00:21:40,789 --> 00:21:38,940
the woods where if you step about three

512
00:21:43,430 --> 00:21:40,799
steps into the mountain Laurels you're

513
00:21:46,070 --> 00:21:43,440

gone nobody will see you or hear you if

514

00:21:48,470 --> 00:21:46,080

you stand there quietly so we're picking

515

00:21:51,049 --> 00:21:48,480

up trash we're walking around we got

516

00:21:52,490 --> 00:21:51,059

done it got time for our evening meal we

517

00:21:54,950 --> 00:21:52,500

all went back around sat around the

518

00:21:56,930 --> 00:21:54,960

campfire and

519

00:21:58,310 --> 00:21:56,940

just hanging out talking

520

00:21:59,870 --> 00:21:58,320

and

521

00:22:03,110 --> 00:21:59,880

I've gotten to know Arla pretty pretty

522

00:22:07,010 --> 00:22:03,120

well and I I know there's Arla speak

523

00:22:08,390 --> 00:22:07,020

and one of the terms that that Arla uses

524

00:22:10,610 --> 00:22:08,400

is

525

00:22:13,610 --> 00:22:10,620

I think I'm going to take a walk

526

00:22:15,649 --> 00:22:13,620

I have come to learn what that means is

527

00:22:18,230 --> 00:22:15,659

I think we may have company

528

00:22:20,210 --> 00:22:18,240

so we're sitting around the campfire and

529

00:22:22,789 --> 00:22:20,220

I hear her say

530

00:22:25,730 --> 00:22:22,799

I think I'm going to take a walk

531

00:22:28,250 --> 00:22:25,740

I said hmm can I come with you

532

00:22:30,230 --> 00:22:28,260

and she said sure come on now it's dark

533

00:22:33,830 --> 00:22:30,240

it is the kind of dark you only get in

534

00:22:36,529 --> 00:22:33,840

the Georgia Woods it is dark we got no

535

00:22:39,049 --> 00:22:36,539

flashlights no headlamps no nothing all

536

00:22:42,049 --> 00:22:39,059

it takes off walking like she's got

537

00:22:43,669 --> 00:22:42,059

built-in radar I can't see where I'm

538

00:22:45,830 --> 00:22:43,679

going I'm tripping over stuff and

539

00:22:47,029 --> 00:22:45,840

stumbling trying to keep up with her you

540

00:22:50,930 --> 00:22:47,039

know I'm not paying attention where

541

00:22:53,270 --> 00:22:50,940

we're headed and uh she's I'm just

542

00:22:56,330 --> 00:22:53,280

trying to follow her and not break my

543

00:22:57,950 --> 00:22:56,340

leg on a root ball or something so Terry

544

00:22:59,690 --> 00:22:57,960

can I just let these guys know this is

545

00:23:02,149 --> 00:22:59,700

the same experience Rick Taylor had

546

00:23:04,250 --> 00:23:02,159

where he said our little team walked

547

00:23:06,230 --> 00:23:04,260

right to the blind but she didn't have a

548

00:23:09,049 --> 00:23:06,240

flashlight and she's just you know Come

549

00:23:10,730 --> 00:23:09,059

Close yeah yeah oh yeah she's I I yeah

550

00:23:11,990 --> 00:23:10,740

she I that's that I'm gonna tell you

551
00:23:14,510 --> 00:23:12,000
guys something I don't know if you're

552
00:23:17,210 --> 00:23:14,520
familiar with what the term medicine in

553
00:23:19,850 --> 00:23:17,220
Native American means it's not what it

554
00:23:22,070 --> 00:23:19,860
means in Western culture medicine in the

555
00:23:24,230 --> 00:23:22,080
western culture is something a pill you

556
00:23:26,570 --> 00:23:24,240
take a surgery you have something

557
00:23:28,610 --> 00:23:26,580
medicine in the Native American World

558
00:23:31,010 --> 00:23:28,620
means something completely different

559
00:23:34,190 --> 00:23:31,020
always got medicine that's the only

560
00:23:36,110 --> 00:23:34,200
thing I don't how I don't know why but I

561
00:23:37,070 --> 00:23:36,120
have seen stuff happen that it's just

562
00:23:39,169 --> 00:23:37,080
like

563
00:23:42,110 --> 00:23:39,179

how did you know I was here

564

00:23:43,610 --> 00:23:42,120

how how did how did you know this was

565

00:23:45,649 --> 00:23:43,620

going to happen and that we needed to be

566

00:23:47,149 --> 00:23:45,659

here I don't get it

567

00:23:49,549 --> 00:23:47,159

um so anyway

568

00:23:51,770 --> 00:23:49,559

we're walking back and I realize she's

569

00:23:53,570 --> 00:23:51,780

headed right back behind my tent where

570

00:23:54,950 --> 00:23:53,580

we were picking up the trash

571

00:23:57,289 --> 00:23:54,960

and I'm thinking well this is

572

00:24:00,649 --> 00:23:57,299

interesting uh okay

573

00:24:03,049 --> 00:24:00,659

so we get back to where that fallen tree

574

00:24:05,810 --> 00:24:03,059

is and we stop

575

00:24:08,090 --> 00:24:05,820

and she's standing there and she says oh

576

00:24:11,330 --> 00:24:08,100

they're they're coming they're coming

577

00:24:12,710 --> 00:24:11,340

oh they're here there they are oh my

578

00:24:14,149 --> 00:24:12,720

gosh there's three of them there's a big

579

00:24:16,250 --> 00:24:14,159

one there's a young one oh there's a

580

00:24:18,350 --> 00:24:16,260

little girl aren't you cute oh aren't

581

00:24:21,110 --> 00:24:18,360

you cute oh you're so sweet thank you

582

00:24:23,810 --> 00:24:21,120

guys thank you guys for being here

583

00:24:25,250 --> 00:24:23,820

now I'm not seeing anything I'm just

584

00:24:28,789 --> 00:24:25,260

standing there

585

00:24:31,010 --> 00:24:28,799

looking at the dark and I'm not seeing

586

00:24:33,830 --> 00:24:31,020

what she's seeing

587

00:24:36,289 --> 00:24:33,840

and so I'm thinking well

588

00:24:37,370 --> 00:24:36,299

I know this woman pretty well I trust

589

00:24:44,870 --> 00:24:37,380

her

590

00:24:47,390 --> 00:24:44,880

feelings what do I do and she's standing

591

00:24:48,890 --> 00:24:47,400

there just talking to him and and just

592

00:24:50,630 --> 00:24:48,900

like you're talking to like we're

593

00:24:54,470 --> 00:24:50,640

talking now

594

00:24:55,190 --> 00:24:54,480

um so I kind of lean over to her and say

595

00:24:59,750 --> 00:24:55,200

um

596

00:25:01,549 --> 00:24:59,760

Arla I I can't see him like you can't

597

00:25:03,529 --> 00:25:01,559

I don't I don't understand and she

598

00:25:05,830 --> 00:25:03,539

leaned back over to me and said well

599

00:25:08,210 --> 00:25:05,840

you're not supposed to right now

600

00:25:10,490 --> 00:25:08,220

and that one I almost had to make the

601
00:25:12,250 --> 00:25:10,500
Scooby-Doo noise on it was like

602
00:25:17,690 --> 00:25:12,260
what

603
00:25:20,870 --> 00:25:17,700
okay this is okay all right so she's

604
00:25:22,430 --> 00:25:20,880
talking to him and I said um

605
00:25:26,570 --> 00:25:22,440
can I talk to him

606
00:25:28,070 --> 00:25:26,580
and she said sure introduce yourself

607
00:25:30,049 --> 00:25:28,080
and I'm thinking well

608
00:25:32,330 --> 00:25:30,059
I may just be talking to the trees in

609
00:25:36,529 --> 00:25:32,340
the dark but hey let's try this

610
00:25:38,930 --> 00:25:36,539
so I go hi guys uh my name is Terry

611
00:25:41,390 --> 00:25:38,940
um I don't mean any harm to you or your

612
00:25:43,370 --> 00:25:41,400
family I can't see you like my friend

613
00:25:44,149 --> 00:25:43,380

can right now but just wanted to let you

614

00:25:48,649 --> 00:25:44,159

know

615

00:25:50,990 --> 00:25:48,659

just curious and trying to learn about

616

00:25:54,230 --> 00:25:51,000

you guys so I can maybe learn more about

617

00:25:54,830 --> 00:25:54,240

myself so hope that's okay

618

00:25:56,870 --> 00:25:54,840

um

619

00:25:59,390 --> 00:25:56,880

thanks for coming

620

00:26:02,269 --> 00:25:59,400

so our list starts talking to him again

621

00:26:03,830 --> 00:26:02,279

and then she says and I I can't tell you

622

00:26:05,870 --> 00:26:03,840

how long this went on because my head

623

00:26:07,070 --> 00:26:05,880

was just like a like a merry-go-round at

624

00:26:09,470 --> 00:26:07,080

this point

625

00:26:12,169 --> 00:26:09,480

but it was I'm guessing it was probably

626

00:26:14,390 --> 00:26:12,179

about 20 minutes or so

627

00:26:16,070 --> 00:26:14,400

um right and then she she says oh oh

628

00:26:18,470 --> 00:26:16,080

they're leaving you guys are leaving

629

00:26:20,690 --> 00:26:18,480

okay thank you thank you so much for

630

00:26:22,430 --> 00:26:20,700

coming be careful I can see you be

631

00:26:23,930 --> 00:26:22,440

careful thank you

632

00:26:25,370 --> 00:26:23,940

and she looks over at me and says okay

633

00:26:28,190 --> 00:26:25,380

they're gone

634

00:26:30,890 --> 00:26:28,200

and I'm thinking okay I got no clue what

635

00:26:31,549 --> 00:26:30,900

just happened here but

636

00:26:35,269 --> 00:26:31,559

um

637

00:26:37,130 --> 00:26:35,279

I'm okay I trust this woman I don't know

638

00:26:39,769 --> 00:26:37,140

what's up but I trust her

639

00:26:43,070 --> 00:26:39,779

so we go back and of course we go past

640

00:26:44,810 --> 00:26:43,080

my tent on the way back and there's only

641

00:26:47,169 --> 00:26:44,820

a like I think everybody had left the

642

00:26:50,870 --> 00:26:47,179

fire at that point it was kind of late

643

00:26:52,789 --> 00:26:50,880

so I just said yeah Arla I'm I'm gonna

644

00:26:54,470 --> 00:26:52,799

flop over in my tent it's been a long

645

00:26:56,269 --> 00:26:54,480

drive

646

00:26:57,769 --> 00:26:56,279

um you know I'll catch up with you in

647

00:27:00,350 --> 00:26:57,779

the morning if that's okay and she said

648

00:27:04,310 --> 00:27:00,360

sure let's we'll see at breakfast

649

00:27:07,370 --> 00:27:04,320

so I crawl in my tent and

650

00:27:10,909 --> 00:27:07,380

I'm my head my brain is just going like

651
00:27:13,430 --> 00:27:10,919
doing loop-de-loops you know I'm trying

652
00:27:17,090 --> 00:27:13,440
to make sense of what just happened uh

653
00:27:18,409 --> 00:27:17,100
am I nuts is she nuts you know what the

654
00:27:23,330 --> 00:27:18,419
heck is going on

655
00:27:24,649 --> 00:27:23,340
normally when I'm I'm out like that uh I

656
00:27:26,990 --> 00:27:24,659
I normally keep I've got a little

657
00:27:29,810 --> 00:27:27,000
recorder this little recorder that I'll

658
00:27:31,310 --> 00:27:29,820
put up in the um in the cargo netting of

659
00:27:33,590 --> 00:27:31,320
my tent above the tent and just leave it

660
00:27:35,450 --> 00:27:33,600
on all night most of the time it picks

661
00:27:37,250 --> 00:27:35,460
up me snoring

662
00:27:38,269 --> 00:27:37,260
um and that's all but I do every now and

663
00:27:39,350 --> 00:27:38,279

then you get some really interesting

664

00:27:40,789 --> 00:27:39,360

stuff

665

00:27:42,710 --> 00:27:40,799

this night

666

00:27:44,930 --> 00:27:42,720

I didn't turn it on

667

00:27:48,110 --> 00:27:44,940

I don't know if I forgot or if that was

668

00:27:50,149 --> 00:27:48,120

something somebody did I don't know but

669

00:27:52,730 --> 00:27:50,159

it's just something that I usually do

670

00:27:56,269 --> 00:27:52,740

and I just didn't do it this night

671

00:27:58,250 --> 00:27:56,279

so I'm laying there and I sleep on my

672

00:28:00,890 --> 00:27:58,260

side and I'm I'm kind of back up towards

673

00:28:03,590 --> 00:28:00,900

the edge of the wall of the tent the

674

00:28:05,269 --> 00:28:03,600

door was facing the uh the fire pit and

675

00:28:06,769 --> 00:28:05,279

the back side of the wall was facing the

676

00:28:08,870 --> 00:28:06,779

tree where the falling tree where we'd

677

00:28:10,430 --> 00:28:08,880

come from so I'm laying in there and

678

00:28:12,890 --> 00:28:10,440

just trying to make sense of what's

679

00:28:14,630 --> 00:28:12,900

going on you know am I crazy what the

680

00:28:17,149 --> 00:28:14,640

heck is happening

681

00:28:18,890 --> 00:28:17,159

from behind my tent

682

00:28:20,450 --> 00:28:18,900

I hear

683

00:28:23,950 --> 00:28:20,460

for one

684

00:28:28,789 --> 00:28:26,450

and it's getting closer

685

00:28:30,529 --> 00:28:28,799

and I'm all of a sudden I'm wide awake

686

00:28:32,269 --> 00:28:30,539

you know and you hear these people say

687

00:28:34,250 --> 00:28:32,279

oh I don't know if I was dreaming or I

688

00:28:36,830 --> 00:28:34,260

you know I could have been a drink no I

689

00:28:38,630 --> 00:28:36,840

was as awake then as I am right now

690

00:28:43,909 --> 00:28:38,640

and I hear

691

00:28:47,510 --> 00:28:43,919

something huge walk up behind my tent

692

00:28:49,610 --> 00:28:47,520

and stop right outside my tent

693

00:28:52,490 --> 00:28:49,620

now at this point

694

00:28:54,289 --> 00:28:52,500

I am about to freak out because I'm

695

00:28:56,269 --> 00:28:54,299

laying there and it's like

696

00:28:59,029 --> 00:28:56,279

oh my gosh there's a Bigfoot standing

697

00:29:01,250 --> 00:28:59,039

behind my tent I I got no explanation

698

00:29:03,830 --> 00:29:01,260

you know I've heard squirrels jump

699

00:29:06,649 --> 00:29:03,840

around in the brush at night I've heard

700

00:29:09,590 --> 00:29:06,659

rats rooting around and Chipmunks No

701
00:29:12,230 --> 00:29:09,600
this was if Andre the Giant had strapped

702
00:29:15,769 --> 00:29:12,240
cinder blocks on his feet

703
00:29:17,750 --> 00:29:15,779
and stomped around that's close to what

704
00:29:19,070 --> 00:29:17,760
this sounded like whatever it was was

705
00:29:20,570 --> 00:29:19,080
massive

706
00:29:23,149 --> 00:29:20,580
and it's standing right out behind my

707
00:29:24,889 --> 00:29:23,159
tent so I'm freaking out

708
00:29:26,690 --> 00:29:24,899
oh my gosh oh my gosh what's what's

709
00:29:28,730 --> 00:29:26,700
what's he gonna do what am I going to do

710
00:29:30,409 --> 00:29:28,740
this is crazy is he going to rip through

711
00:29:33,169 --> 00:29:30,419
my tent eat my face off what's what's

712
00:29:35,090 --> 00:29:33,179
going on I don't know what to do

713
00:29:37,850 --> 00:29:35,100

um you know what can I do I don't know

714

00:29:41,269 --> 00:29:37,860

and about that time I hear from behind

715

00:29:48,409 --> 00:29:45,250

like a huge sigh almost like

716

00:29:50,990 --> 00:29:48,419

what am I gonna do with this guy

717

00:29:52,730 --> 00:29:51,000

and so I'm I'm just laying there like oh

718

00:29:54,350 --> 00:29:52,740

dear Lord oh dear Lord he's right

719

00:29:58,490 --> 00:29:54,360

outside my tent what am I going to do

720

00:29:59,630 --> 00:29:58,500

and about that time I feel through my

721

00:30:01,250 --> 00:29:59,640

tent wall

722

00:30:04,190 --> 00:30:01,260

a finger

723

00:30:06,769 --> 00:30:04,200

about this size

724

00:30:09,289 --> 00:30:06,779

poke me in the shoulder

725

00:30:11,269 --> 00:30:09,299

right in my shoulder blade

726

00:30:13,909 --> 00:30:11,279

now you think my head was spinning

727

00:30:16,010 --> 00:30:13,919

before Oh no I'm at a whole I'm at a

728

00:30:18,590 --> 00:30:16,020

whole nother level here

729

00:30:21,049 --> 00:30:18,600

um and no this was not a dog's nose or a

730

00:30:24,230 --> 00:30:21,059

coyote this was not a stick it was a

731

00:30:26,450 --> 00:30:24,240

finger this big I could feel the nail on

732

00:30:28,430 --> 00:30:26,460

the end of the finger

733

00:30:30,230 --> 00:30:28,440

I'm laying inside my tent and I am

734

00:30:31,310 --> 00:30:30,240

freaking out oh my gosh he's poking me

735

00:30:32,930 --> 00:30:31,320

in the shoulder

736

00:30:35,450 --> 00:30:32,940

um what's he gonna do what am I gonna do

737

00:30:37,070 --> 00:30:35,460

what and then it dawned on me

738

00:30:39,110 --> 00:30:37,080

well Terry

739

00:30:42,769 --> 00:30:39,120

there's nothing you can do

740

00:30:44,690 --> 00:30:42,779

and frankly he's not doing anything

741

00:30:46,549 --> 00:30:44,700

he's just poking you in the shoulder he

742

00:30:49,510 --> 00:30:46,559

could rip through this tent carry you

743

00:30:52,610 --> 00:30:49,520

off like the uh Albert ostman Thunderman

744

00:30:53,930 --> 00:30:52,620

you know but he's not doing it he's he's

745

00:30:56,630 --> 00:30:53,940

standing there poking in the shoulder

746

00:30:58,370 --> 00:30:56,640

this is so cool Bigfoot's poking me in

747

00:30:59,450 --> 00:30:58,380

the shoulder behind my tent oh this is

748

00:31:02,330 --> 00:30:59,460

so cool

749

00:31:04,310 --> 00:31:02,340

so I'm all of a sudden things changed

750

00:31:07,190 --> 00:31:04,320

and you know your brain runs through

751

00:31:09,769 --> 00:31:07,200

everything that it you could try and

752

00:31:11,810 --> 00:31:09,779

imagine it to be to protect you to keep

753

00:31:14,149 --> 00:31:11,820

you from going into shock and that's

754

00:31:16,310 --> 00:31:14,159

what I was in before uh when I was

755

00:31:18,169 --> 00:31:16,320

freaking out and then once I calmed down

756

00:31:19,669 --> 00:31:18,179

and realized you know whatever's going

757

00:31:21,649 --> 00:31:19,679

to happen is going to happen and he's

758

00:31:23,690 --> 00:31:21,659

not hurting me then all of a sudden

759

00:31:26,029 --> 00:31:23,700

things changed it was like this is so

760

00:31:27,590 --> 00:31:26,039

cool this is absolutely the coolest

761

00:31:29,990 --> 00:31:27,600

thing that's ever happened to me and at

762

00:31:33,529 --> 00:31:30,000

that point it was and about that point I

763

00:31:36,350 --> 00:31:33,539

feel the finger go whoop back out

764

00:31:38,950 --> 00:31:36,360

now this is a really freaky part I heard

765

00:31:43,210 --> 00:31:38,960

him walk up I never heard him leave

766

00:31:45,950 --> 00:31:43,220

nothing just gone you could feel

767

00:31:47,990 --> 00:31:45,960

you can feel the presence was gone there

768

00:31:51,590 --> 00:31:48,000

was no noise there was nothing

769

00:31:53,570 --> 00:31:51,600

so I got no explanation for that but I

770

00:31:56,269 --> 00:31:53,580

went to sleep I was just you know I was

771

00:31:58,070 --> 00:31:56,279

absolutely just giddy

772

00:32:00,110 --> 00:31:58,080

um laying there I went to sleep had a

773

00:32:01,669 --> 00:32:00,120

great night's sleep got up the next

774

00:32:02,930 --> 00:32:01,679

morning came tearing out of my tent

775

00:32:05,210 --> 00:32:02,940

there were people sitting around the

776

00:32:07,070 --> 00:32:05,220

fire pit so I come screaming out like a

777

00:32:07,909 --> 00:32:07,080

madman oh my gosh oh my gosh you guys

778

00:32:10,370 --> 00:32:07,919

are gonna believe what happened to me

779

00:32:12,230 --> 00:32:10,380

last night oh my gosh and they just

780

00:32:13,430 --> 00:32:12,240

looked at me and Grand and Arlo was

781

00:32:14,330 --> 00:32:13,440

sitting there and Arla just looked at me

782

00:32:17,269 --> 00:32:14,340

and Grand

783

00:32:18,649 --> 00:32:17,279

and it's like you knew didn't you you

784

00:32:20,330 --> 00:32:18,659

knew

785

00:32:24,590 --> 00:32:20,340

how did you know

786

00:32:27,529 --> 00:32:24,600

so anyway that was my tent Poker Story

787

00:32:29,090 --> 00:32:27,539

um and that actually kind of made me

788

00:32:31,250 --> 00:32:29,100

realize you know

789

00:32:33,710 --> 00:32:31,260

I've been close enough if they wanted to

790

00:32:36,169 --> 00:32:33,720

hurt me they could they've had every

791

00:32:38,690 --> 00:32:36,179

opportunity but they haven't

792

00:32:41,389 --> 00:32:38,700

now having said that anybody can have a

793

00:32:43,970 --> 00:32:41,399

bad day even Bigfoot so I'm not

794

00:32:46,730 --> 00:32:43,980

suggesting that people just wander

795

00:32:49,850 --> 00:32:46,740

haphazardly through the woods

796

00:32:51,950 --> 00:32:49,860

um but for me at least it's kind of a

797

00:32:53,750 --> 00:32:51,960

sense now of

798

00:32:58,389 --> 00:32:53,760

I'm not

799

00:33:00,590 --> 00:32:58,399

like I was before

800

00:33:02,510 --> 00:33:00,600

it's still creepy in the woods because

801
00:33:04,490 --> 00:33:02,520
it's dark and there's a lot of things in

802
00:33:06,350 --> 00:33:04,500
the woods besides Bigfoot that have

803
00:33:08,870 --> 00:33:06,360
claws and teeth and walk around on four

804
00:33:10,010 --> 00:33:08,880
legs that would think we taste real good

805
00:33:13,549 --> 00:33:10,020
with ketchup

806
00:33:15,669 --> 00:33:13,559
so be careful don't just go wandering

807
00:33:19,130 --> 00:33:15,679
around like you're in Disneyland

808
00:33:21,230 --> 00:33:19,140
but again for me that was the point

809
00:33:22,850 --> 00:33:21,240
where I realized I don't think they're

810
00:33:24,470 --> 00:33:22,860
trying to hurt me

811
00:33:28,190 --> 00:33:24,480
um I don't think they want to hurt me I

812
00:33:29,750 --> 00:33:28,200
I as long as I'm respectful and don't do

813
00:33:33,230 --> 00:33:29,760

stupid things don't threaten their

814

00:33:34,130 --> 00:33:33,240

family don't get too close to the kids

815

00:33:36,009 --> 00:33:34,140

um

816

00:33:38,570 --> 00:33:36,019

they really they'll leave me alone

817

00:33:40,190 --> 00:33:38,580

they're curious they're all oftentimes

818

00:33:42,009 --> 00:33:40,200

they're as curious about us as we are

819

00:33:44,149 --> 00:33:42,019

about them the juveniles especially

820

00:33:47,990 --> 00:33:44,159

that's kind of what I think was going on

821

00:33:49,750 --> 00:33:48,000

with the rock throwing we are their TV I

822

00:33:52,789 --> 00:33:49,760

kind of tell people that

823

00:33:55,070 --> 00:33:52,799

so that was that story

824

00:33:57,230 --> 00:33:55,080

um and there's

825

00:33:59,389 --> 00:33:57,240

a lot more but at the point at that

826

00:34:02,090 --> 00:33:59,399

point that was the high point of my life

827

00:34:03,110 --> 00:34:02,100

and where I I can only imagine and we're

828

00:34:05,990 --> 00:34:03,120

going to get into that I want to let

829

00:34:08,149 --> 00:34:06,000

Debs have a chance at this and I I and I

830

00:34:09,950 --> 00:34:08,159

will I'll tell a quick ditty about a

831

00:34:12,409 --> 00:34:09,960

researcher who finally did have a face

832

00:34:14,450 --> 00:34:12,419

to face and as you said because of the

833

00:34:16,550 --> 00:34:14,460

scenario it ended up being really scary

834

00:34:18,950 --> 00:34:16,560

but let me let me turn this over to Debs

835

00:34:21,050 --> 00:34:18,960

please yeah so many questions but one of

836

00:34:24,230 --> 00:34:21,060

them is you were talking about sounds

837

00:34:26,690 --> 00:34:24,240

that you've heard and have you heard the

838

00:34:29,329 --> 00:34:26,700

recording that another researcher put

839

00:34:32,149 --> 00:34:29,339

out as sounds and had analyzed I want to

840

00:34:36,829 --> 00:34:32,159

know if it was the same sound or when

841

00:34:40,849 --> 00:34:38,869

you mean uh when I was at my

842

00:34:42,290 --> 00:34:40,859

grandmother's or

843

00:34:45,230 --> 00:34:42,300

um yeah those sounds that you've heard

844

00:34:48,109 --> 00:34:45,240

in the woods um there's a specific

845

00:34:50,990 --> 00:34:48,119

person who I think he was near one of

846

00:34:53,389 --> 00:34:51,000

the national parks did a recording that

847

00:34:55,129 --> 00:34:53,399

got analyzed I was just wondering if you

848

00:34:57,589 --> 00:34:55,139

listened to it and said yep that's what

849

00:34:59,570 --> 00:34:57,599

I heard oh yes absolutely

850

00:35:01,310 --> 00:34:59,580

um the database of all the I can't

851
00:35:03,650 --> 00:35:01,320
remember the database name but the one

852
00:35:06,349 --> 00:35:03,660
of all the known animal sounds that

853
00:35:08,750 --> 00:35:06,359
we've recorded so far uh it's a public

854
00:35:09,770 --> 00:35:08,760
database we've got a friend or I've Got

855
00:35:11,510 --> 00:35:09,780
a Friend

856
00:35:14,089 --> 00:35:11,520
um that I hang out with his name's Matt

857
00:35:16,490 --> 00:35:14,099
not not the Finding Bigfoot Matt but

858
00:35:17,930 --> 00:35:16,500
another Matt he is actually probably one

859
00:35:20,390 --> 00:35:17,940
of the best fiddle players in the state

860
00:35:24,050 --> 00:35:20,400
of North Carolina but he loves doing

861
00:35:26,870 --> 00:35:24,060
audio analysis he's great at it and he

862
00:35:29,569 --> 00:35:26,880
has recorded sounds that we have heard

863
00:35:31,010 --> 00:35:29,579

uh when we've been out together and you

864

00:35:33,770 --> 00:35:31,020

look at them and they don't match any

865

00:35:35,870 --> 00:35:33,780

footprint of anything known and yes

866

00:35:37,130 --> 00:35:35,880

since I've had the opportunity to hear

867

00:35:39,170 --> 00:35:37,140

stuff that

868

00:35:41,690 --> 00:35:39,180

you know nobody has actually seen

869

00:35:44,510 --> 00:35:41,700

Bigfoot making these noises that I know

870

00:35:45,970 --> 00:35:44,520

of but it fits with the experiences that

871

00:35:47,569 --> 00:35:45,980

people have had

872

00:35:49,970 --> 00:35:47,579

so

873

00:35:52,910 --> 00:35:49,980

um yes I would say that a lot of the

874

00:35:54,710 --> 00:35:52,920

things that I heard looking back were

875

00:35:57,290 --> 00:35:54,720

were Bigfoot

876

00:35:58,910 --> 00:35:57,300

um you know a little a little red fox if

877

00:36:00,710 --> 00:35:58,920

you don't know what it is can make a

878

00:36:02,630 --> 00:36:00,720

noise that will have you convinced

879

00:36:03,950 --> 00:36:02,640

there's an 800 pound monster about to

880

00:36:07,010 --> 00:36:03,960

come out of the woods and eat your face

881

00:36:09,470 --> 00:36:07,020

off and it's a little red fox

882

00:36:12,290 --> 00:36:09,480

um you know I just recently learned that

883

00:36:14,270 --> 00:36:12,300

Panthers Panthers cougars can whistle

884

00:36:16,390 --> 00:36:14,280

it's the craziest thing it's actually a

885

00:36:19,069 --> 00:36:16,400

a Mew that they do

886

00:36:21,410 --> 00:36:19,079

but it sounds like a whistle and if you

887

00:36:23,270 --> 00:36:21,420

ever hear it be careful because it means

888

00:36:26,030 --> 00:36:23,280

they're very very close to you and it's

889

00:36:29,030 --> 00:36:26,040

a very it's a very quiet sound

890

00:36:30,650 --> 00:36:29,040

goats at night will make a noise that

891

00:36:32,650 --> 00:36:30,660

sounds like people mumbling when they're

892

00:36:35,450 --> 00:36:32,660

in heat they just they make this

893

00:36:37,730 --> 00:36:35,460

noise this sounds like people that you

894

00:36:39,890 --> 00:36:37,740

can't understand mumbling so I know what

895

00:36:42,829 --> 00:36:39,900

that stuff sounds like I know what

896

00:36:44,329 --> 00:36:42,839

Bobcats sound like I've heard screams at

897

00:36:48,530 --> 00:36:44,339

my grandmother's and also at other

898

00:36:51,410 --> 00:36:48,540

places most recently in Walhalla that

899

00:36:53,329 --> 00:36:51,420

there's no way it could be a human first

900

00:36:55,790 --> 00:36:53,339

of all that they don't match the the

901

00:36:58,550 --> 00:36:55,800

profile the spectral profile

902

00:37:02,750 --> 00:36:58,560

but whatever this is has way more lung

903

00:37:05,450 --> 00:37:02,760

power and is has a way deeper resonant

904

00:37:09,349 --> 00:37:05,460

cavity in their chest than we could ever

905

00:37:10,849 --> 00:37:09,359

do so yeah I I know I know now what I

906

00:37:14,089 --> 00:37:10,859

was hearing

907

00:37:16,190 --> 00:37:14,099

and and to tell real quick at what Rick

908

00:37:18,109 --> 00:37:16,200

said about how things can turn real

909

00:37:20,030 --> 00:37:18,119

quickly you guys remember I went to

910

00:37:22,730 --> 00:37:20,040

Ocala national forest I went out with

911

00:37:25,190 --> 00:37:22,740

the uh the Ladies down there and uh and

912

00:37:27,170 --> 00:37:25,200

also Tim T from green swamp we all went

913

00:37:29,630 --> 00:37:27,180

out together and there was a researcher

914

00:37:31,250 --> 00:37:29,640

that started there and his wife he was a

915

00:37:33,349 --> 00:37:31,260

real estate agent his wife had a job

916

00:37:36,170 --> 00:37:33,359

where they could move out to that area

917

00:37:38,569 --> 00:37:36,180

around where Oregon meets Washington so

918

00:37:40,970 --> 00:37:38,579

I I don't know if I could remember the

919

00:37:42,710 --> 00:37:40,980

mountain range uh Terry but one of those

920

00:37:44,510 --> 00:37:42,720

mountain ranges where they're just you

921

00:37:46,490 --> 00:37:44,520

know massive Bigfoot and lots of

922

00:37:48,829 --> 00:37:46,500

sightings so he moved there and spent

923

00:37:50,510 --> 00:37:48,839

seven years researching and had some

924

00:37:52,190 --> 00:37:50,520

days where he just thought man I'm not

925

00:37:54,589 --> 00:37:52,200

seeing anything I'm ready to quit doing

926

00:37:57,410 --> 00:37:54,599

this and one day he went to wash out his

927

00:37:59,150 --> 00:37:57,420

fry pan at the creek he saw tracks going

928

00:38:02,089 --> 00:37:59,160

away from the creek

929

00:38:04,550 --> 00:38:02,099

uh Bigfoot tracks he followed them and

930

00:38:06,950 --> 00:38:04,560

one was one of those sentries

931

00:38:09,349 --> 00:38:06,960

um uh and basically the centuries will

932

00:38:11,630 --> 00:38:09,359

protect the main body where you have the

933

00:38:13,069 --> 00:38:11,640

alpha male you have the females and you

934

00:38:16,010 --> 00:38:13,079

have the children in these sort of

935

00:38:17,630 --> 00:38:16,020

centuries will will form a perimeter and

936

00:38:18,950 --> 00:38:17,640

if you get close to that perimeter they

937

00:38:21,410 --> 00:38:18,960

will let you know that you're you're

938

00:38:23,450 --> 00:38:21,420

close they're gonna miss you back yes

939

00:38:25,310 --> 00:38:23,460

sir and this is in broad daylight one

940

00:38:28,069 --> 00:38:25,320

walked right out on the trail in front

941

00:38:30,950 --> 00:38:28,079

of them and he literally turned around

942

00:38:32,630 --> 00:38:30,960

he threw up his breakfast and that was

943

00:38:35,089 --> 00:38:32,640

the moment when he said you know what

944

00:38:37,370 --> 00:38:35,099

I've had enough after about seven years

945

00:38:39,710 --> 00:38:37,380

and this man had been on I mean he kid

946

00:38:41,630 --> 00:38:39,720

he goes through talking about kidding up

947

00:38:43,250 --> 00:38:41,640

his van and how many groups of people he

948

00:38:45,710 --> 00:38:43,260

took out and

949

00:38:48,109 --> 00:38:45,720

um how many Expeditions he's been on and

950

00:38:50,210 --> 00:38:48,119

lead and had gotten bored with it

951
00:38:52,609 --> 00:38:50,220
because nothing was happening well you

952
00:38:54,950 --> 00:38:52,619
know you bad you know bad big fun in the

953
00:38:57,410 --> 00:38:54,960
back the Bigfoot let him go is the

954
00:38:59,030 --> 00:38:57,420
bottom line but it scared the absolute

955
00:39:01,670 --> 00:38:59,040
Daylights out of them right and that's

956
00:39:04,670 --> 00:39:01,680
that's absolutely again what I've come

957
00:39:06,349 --> 00:39:04,680
to learn is he the Bigfoot if that

958
00:39:08,210 --> 00:39:06,359
Bigfoot had wanted him there was nothing

959
00:39:10,069 --> 00:39:08,220
that guy could have done he'd run him

960
00:39:13,250 --> 00:39:10,079
down and squashed him like a bug yeah

961
00:39:16,970 --> 00:39:13,260
but he didn't his job was to push the

962
00:39:18,530 --> 00:39:16,980
fellow back from the nursery or wherever

963
00:39:20,690 --> 00:39:18,540

um that's where I think it's my personal

964

00:39:22,550 --> 00:39:20,700

opinion that's where I think a lot of

965

00:39:24,650 --> 00:39:22,560

the stories that you hear coming out of

966

00:39:26,690 --> 00:39:24,660

you know oh we were fishing in Bigfoot

967

00:39:29,329 --> 00:39:26,700

Ramy out of the woods and they threw

968

00:39:30,710 --> 00:39:29,339

stuff and they were screaming well do

969

00:39:32,870 --> 00:39:30,720

you ever think that maybe where you were

970

00:39:35,390 --> 00:39:32,880

fishing was his grocery store and you

971

00:39:37,550 --> 00:39:35,400

were in the way and he had to go get

972

00:39:38,750 --> 00:39:37,560

food to take back to miss Bigfoot and

973

00:39:40,910 --> 00:39:38,760

the kids and if he went back

974

00:39:43,730 --> 00:39:40,920

empty-handed he was going to be in

975

00:39:45,470 --> 00:39:43,740

trouble with Mrs Bigfoot so he needs to

976

00:39:47,270 --> 00:39:45,480

get to where you are get through your

977

00:39:49,490 --> 00:39:47,280

camp and he's trying to get you out of

978

00:39:50,750 --> 00:39:49,500

his way so he can eat

979

00:39:53,750 --> 00:39:50,760

um you know just things like that that

980

00:39:56,270 --> 00:39:53,760

people don't normally stop and think you

981

00:39:59,450 --> 00:39:56,280

know what was it that we were doing that

982

00:40:02,450 --> 00:40:00,950

I want to say thank you too much

983

00:40:04,370 --> 00:40:02,460

information I thought it was Blue

984

00:40:06,470 --> 00:40:04,380

Mountains but I didn't want to say the

985

00:40:08,210 --> 00:40:06,480

wrong name but thank you very much I

986

00:40:09,829 --> 00:40:08,220

appreciate you being here

987

00:40:12,770 --> 00:40:09,839

um so anyway let me turn over to money

988

00:40:15,410 --> 00:40:12,780

Nathan and then Terry can go into his

989

00:40:20,290 --> 00:40:15,420

next experience uh maybe maybe the

990

00:40:22,790 --> 00:40:20,300

portal one but oh man okay go ahead

991

00:40:26,450 --> 00:40:22,800

and Terry I want to get your thoughts on

992

00:40:28,910 --> 00:40:26,460

uh kind of where we are now in society

993

00:40:32,150 --> 00:40:28,920

it seems from my perspective and maybe

994

00:40:34,550 --> 00:40:32,160

this is not accurate but that uh modern

995

00:40:36,530 --> 00:40:34,560

people typically aren't wanting to get

996

00:40:38,990 --> 00:40:36,540

out into the forest as much anymore and

997

00:40:41,390 --> 00:40:39,000

do you kind of see that as a as a good

998

00:40:43,730 --> 00:40:41,400

thing for bigfoot that maybe they might

999

00:40:46,370 --> 00:40:43,740

be left alone or like what are your

1000

00:40:47,990 --> 00:40:46,380

thoughts on people wanting the the

1001
00:40:49,910 --> 00:40:48,000
encounters and more people trying to

1002
00:40:51,770 --> 00:40:49,920
find them and you know what's the right

1003
00:40:53,510 --> 00:40:51,780
balance there in your opinion since

1004
00:40:55,190 --> 00:40:53,520
you've been doing this yourself yeah

1005
00:40:56,990 --> 00:40:55,200
good good question

1006
00:40:59,450 --> 00:40:57,000
um I think there there needs to be a

1007
00:41:00,829 --> 00:40:59,460
balance I think they are often as I said

1008
00:41:03,349 --> 00:41:00,839
I think they're often as curious about

1009
00:41:04,910 --> 00:41:03,359
us as we are about them especially the

1010
00:41:05,690 --> 00:41:04,920
youngsters

1011
00:41:08,750 --> 00:41:05,700
um

1012
00:41:11,870 --> 00:41:08,760
coven For Better or Worse

1013
00:41:13,670 --> 00:41:11,880

um sent people to Camping they learned

1014

00:41:16,790 --> 00:41:13,680

that you could disperse you could go out

1015

00:41:18,050 --> 00:41:16,800

and Camp you could be out in the woods

1016

00:41:19,550 --> 00:41:18,060

um you know that was one of the things

1017

00:41:23,329 --> 00:41:19,560

that you could do during all the

1018

00:41:26,450 --> 00:41:23,339

lockdowns and the uwari national forest

1019

00:41:29,329 --> 00:41:26,460

got absolutely overrun with people

1020

00:41:31,069 --> 00:41:29,339

and this was just this was not just

1021

00:41:32,930 --> 00:41:31,079

people tent camping or in their little

1022

00:41:35,270 --> 00:41:32,940

trailers or anything this was like

1023

00:41:38,510 --> 00:41:35,280

people coming out with their big you

1024

00:41:41,270 --> 00:41:38,520

know a big canopy tents and setting up

1025

00:41:43,310 --> 00:41:41,280

the you know two and three campsites

1026

00:41:45,349 --> 00:41:43,320

full of stuff and the kids are out all

1027

00:41:47,210 --> 00:41:45,359

running around playing soccer games in

1028

00:41:48,470 --> 00:41:47,220

the roads and

1029

00:41:49,970 --> 00:41:48,480

um and which is fine I mean you know

1030

00:41:52,790 --> 00:41:49,980

that's that's absolutely great because

1031

00:41:55,970 --> 00:41:52,800

people are out enjoying the woods

1032

00:41:58,370 --> 00:41:55,980

but in the uwhari in particular that

1033

00:42:00,650 --> 00:41:58,380

drove all the squatches back deeper into

1034

00:42:02,270 --> 00:42:00,660

the woods that much that much activity

1035

00:42:05,150 --> 00:42:02,280

going on

1036

00:42:08,210 --> 00:42:05,160

um so it's it kind of dried up during

1037

00:42:10,370 --> 00:42:08,220

all that and again I you know I'm glad

1038

00:42:13,310 --> 00:42:10,380

that people are getting out experiencing

1039

00:42:15,530 --> 00:42:13,320

the outdoors and learning about things

1040

00:42:18,230 --> 00:42:15,540

uh that are you know

1041

00:42:19,970 --> 00:42:18,240

outside of their normal daily lives you

1042

00:42:21,890 --> 00:42:19,980

know we we tend to walk around again

1043

00:42:24,290 --> 00:42:21,900

like like this with our with our cell

1044

00:42:26,150 --> 00:42:24,300

phones most of the day we don't pay

1045

00:42:28,730 --> 00:42:26,160

attention which is why we miss a lot of

1046

00:42:31,849 --> 00:42:28,740

the Bigfoot stuff in the woods so that's

1047

00:42:33,050 --> 00:42:31,859

a good thing but yes I think at some

1048

00:42:34,970 --> 00:42:33,060

point

1049

00:42:38,390 --> 00:42:34,980

too much is enough

1050

00:42:41,089 --> 00:42:38,400

and you don't want to overburden the the

1051
00:42:43,670 --> 00:42:41,099
campsite areas uh you know there are

1052
00:42:46,490 --> 00:42:43,680
limits to how many how many campsites

1053
00:42:47,810 --> 00:42:46,500
there are for a reason

1054
00:42:49,670 --> 00:42:47,820
um so

1055
00:42:51,589 --> 00:42:49,680
you know it's it's there's a delicate

1056
00:42:53,690 --> 00:42:51,599
balance I'm not quite sure personally

1057
00:42:55,670 --> 00:42:53,700
where that is

1058
00:42:58,370 --> 00:42:55,680
um that's why I always when I'm out I

1059
00:43:00,349 --> 00:42:58,380
try and be respectful of the woods

1060
00:43:02,329 --> 00:43:00,359
um of the water of the land and of other

1061
00:43:04,550 --> 00:43:02,339
people and whatever else is living in

1062
00:43:08,030 --> 00:43:04,560
the woods because again we're in their

1063
00:43:09,890 --> 00:43:08,040

house and you know if somebody came in

1064

00:43:12,650 --> 00:43:09,900

my house and was misbehaving and trashed

1065

00:43:14,990 --> 00:43:12,660

up my front yard I'd be upset and then

1066

00:43:17,030 --> 00:43:15,000

if they came in my front door and sat

1067

00:43:19,730 --> 00:43:17,040

down or if they're I don't know who you

1068

00:43:21,290 --> 00:43:19,740

are or there's kids my kids I don't have

1069

00:43:23,510 --> 00:43:21,300

kids but my kids playing in the backyard

1070

00:43:24,950 --> 00:43:23,520

and I look out in the out the backyard

1071

00:43:26,690 --> 00:43:24,960

and there's somebody hanging over the

1072

00:43:27,650 --> 00:43:26,700

fence talking to my kids that I don't

1073

00:43:30,710 --> 00:43:27,660

know

1074

00:43:32,750 --> 00:43:30,720

I'm gonna take some action

1075

00:43:36,050 --> 00:43:32,760

um I think that's the same thing we see

1076

00:43:38,329 --> 00:43:36,060

a lot of times you know they they are

1077

00:43:41,690 --> 00:43:38,339

they are family oriented they travel in

1078

00:43:44,750 --> 00:43:41,700

Clans uh at least that's my opinion

1079

00:43:46,849 --> 00:43:44,760

um they have family groups and you know

1080

00:43:49,309 --> 00:43:46,859

they have the centuries

1081

00:43:53,390 --> 00:43:49,319

um they have several different layers of

1082

00:43:56,510 --> 00:43:53,400

protection and their job is to push you

1083

00:43:58,790 --> 00:43:56,520

back if you get too close so that's just

1084

00:44:01,250 --> 00:43:58,800

that's actually relating to a story I'll

1085

00:44:04,309 --> 00:44:01,260

tell you later uh that my latest thing

1086

00:44:05,270 --> 00:44:04,319

that happened up in Walhalla so but

1087

00:44:06,770 --> 00:44:05,280

anyway

1088

00:44:07,569 --> 00:44:06,780

um does that kind of answer your

1089

00:44:10,730 --> 00:44:07,579

question

1090

00:44:13,250 --> 00:44:10,740

no it totally does and I think that what

1091

00:44:16,370 --> 00:44:13,260

came to mind as well just listening to

1092

00:44:18,650 --> 00:44:16,380

you how The Importance of Being in

1093

00:44:20,569 --> 00:44:18,660

nature it's having a conservationist

1094

00:44:23,450 --> 00:44:20,579

mindset you know this is something that

1095

00:44:26,510 --> 00:44:23,460

I think uh in many ways we've kind of

1096

00:44:29,870 --> 00:44:26,520

lost we're so used to sort of consuming

1097

00:44:31,970 --> 00:44:29,880

and Disposal things and but when you're

1098

00:44:34,849 --> 00:44:31,980

in nature when you are camping you have

1099

00:44:36,589 --> 00:44:34,859

to think about what you have and and you

1100

00:44:38,690 --> 00:44:36,599

have to manage your resources and

1101

00:44:40,430 --> 00:44:38,700

because you you can't just walk next

1102

00:44:43,010 --> 00:44:40,440

door to the grocery store and get what

1103

00:44:44,809 --> 00:44:43,020

you need so you know I'm a proponent of

1104

00:44:47,329 --> 00:44:44,819

that I think camping is is good it's

1105

00:44:50,150 --> 00:44:47,339

good for the soul it's also good for uh

1106

00:44:52,010 --> 00:44:50,160

you know your character as a person

1107

00:44:54,829 --> 00:44:52,020

um and so you know from my vantage point

1108

00:44:58,550 --> 00:44:54,839

if we can get folks interested in being

1109

00:45:01,130 --> 00:44:58,560

in nature more that's a net positive uh

1110

00:45:03,230 --> 00:45:01,140

but I am also sensitive to the habitats

1111

00:45:05,750 --> 00:45:03,240

not just Bigfoot but what any other

1112

00:45:07,430 --> 00:45:05,760

animal habitat that is there that that

1113

00:45:10,010 --> 00:45:07,440

we could infringe upon we certainly

1114

00:45:12,829 --> 00:45:10,020

don't want to do that either right my

1115

00:45:16,730 --> 00:45:12,839

again my my thought on that is a tag

1116

00:45:18,410 --> 00:45:16,740

along you know if you you don't know we

1117

00:45:20,990 --> 00:45:18,420

don't respect the land anymore we don't

1118

00:45:23,930 --> 00:45:21,000

respect the water and then when you get

1119

00:45:26,210 --> 00:45:23,940

out in the woods you realize oh my gosh

1120

00:45:28,910 --> 00:45:26,220

this this whole other world that I've

1121

00:45:31,069 --> 00:45:28,920

been cut off drum I've cut myself off

1122

00:45:33,530 --> 00:45:31,079

from it this is what people are talking

1123

00:45:36,230 --> 00:45:33,540

about when they talk about conservation

1124

00:45:39,230 --> 00:45:36,240

and and being being good to the planet

1125

00:45:40,910 --> 00:45:39,240

and I'm you know I'm not a Eco Thumper

1126

00:45:42,410 --> 00:45:40,920

or anything like that but it's just it's

1127

00:45:43,970 --> 00:45:42,420

common sense

1128

00:45:45,470 --> 00:45:43,980

um you know even dogs don't poop where

1129

00:45:47,450 --> 00:45:45,480

they sleep and eat they're smart enough

1130

00:45:49,670 --> 00:45:47,460

to do that

1131

00:45:51,349 --> 00:45:49,680

yeah and it not even need to be

1132

00:45:53,510 --> 00:45:51,359

characterized like you said it's just

1133

00:45:55,730 --> 00:45:53,520

it's common sense they become sort of

1134

00:45:57,470 --> 00:45:55,740

these political dog whistle words but

1135

00:46:00,050 --> 00:45:57,480

it's just common sense don't you know

1136

00:46:01,130 --> 00:46:00,060

take care of stuff that that you have or

1137

00:46:03,170 --> 00:46:01,140

it won't be there it's like taking

1138

00:46:04,910 --> 00:46:03,180

exactly your car or your home or

1139

00:46:06,170 --> 00:46:04,920

anything else

1140

00:46:07,609 --> 00:46:06,180

um what I was going to say I want to

1141

00:46:09,470 --> 00:46:07,619

answer Julie's question real quick

1142

00:46:12,950 --> 00:46:09,480

because I I get what you're saying Jules

1143

00:46:14,630 --> 00:46:12,960

this gentleman was very intelligent

1144

00:46:18,170 --> 00:46:14,640

um Turned and

1145

00:46:20,089 --> 00:46:18,180

there's a long Arc of his career in in

1146

00:46:22,849 --> 00:46:20,099

this and when he put a lot of time

1147

00:46:24,470 --> 00:46:22,859

effort money Blood Sweat and Tears his

1148

00:46:26,870 --> 00:46:24,480

wife even came out with him many times

1149

00:46:30,109 --> 00:46:26,880

he took other people out he would get

1150

00:46:31,670 --> 00:46:30,119

upset when he took a female ass hey I

1151
00:46:32,930 --> 00:46:31,680
want to go out Expedition with you and

1152
00:46:35,630 --> 00:46:32,940
then she was all worried about getting

1153
00:46:38,450 --> 00:46:35,640
made up in the woods so it was a long

1154
00:46:40,670 --> 00:46:38,460
Arc of his thing where he never he had

1155
00:46:43,670 --> 00:46:40,680
some sightings and heard howls and heard

1156
00:46:45,650 --> 00:46:43,680
footsteps and had been uh paced out and

1157
00:46:48,170 --> 00:46:45,660
all these sorts of things but never had

1158
00:46:51,230 --> 00:46:48,180
that daylight first person encounter and

1159
00:46:53,030 --> 00:46:51,240
when he did it was so close and so

1160
00:46:55,550 --> 00:46:53,040
personal it scared the hell out of him

1161
00:46:57,109 --> 00:46:55,560
and and you can understand that

1162
00:46:58,910 --> 00:46:57,119
um you know if you're I don't remember

1163
00:47:01,010 --> 00:46:58,920

how many feet away but it was right in

1164

00:47:03,050 --> 00:47:01,020

front of him basically and and it just

1165

00:47:05,089 --> 00:47:03,060

scared the hell out of him and and he uh

1166

00:47:07,790 --> 00:47:05,099

like I said he fell to his knees turned

1167

00:47:09,829 --> 00:47:07,800

around threw up looked back Bigfoot's

1168

00:47:12,470 --> 00:47:09,839

kind of like okay are you done yet

1169

00:47:14,510 --> 00:47:12,480

there's your Camp go and then he walked

1170

00:47:16,849 --> 00:47:14,520

back to where his pickup truck was and

1171

00:47:18,470 --> 00:47:16,859

and I think that was kind of like the be

1172

00:47:20,750 --> 00:47:18,480

that was kind of like the end for him

1173

00:47:22,790 --> 00:47:20,760

not saying he he has a passing interest

1174

00:47:25,130 --> 00:47:22,800

now but he's not out in the woods every

1175

00:47:27,410 --> 00:47:25,140

people get addicted to this I mean this

1176

00:47:29,690 --> 00:47:27,420

is something that people are in the

1177

00:47:32,030 --> 00:47:29,700

woods every week and and an addiction

1178

00:47:33,589 --> 00:47:32,040

can be you know it's not necessarily a

1179

00:47:35,390 --> 00:47:33,599

bad thing but if you watch the John

1180

00:47:38,210 --> 00:47:35,400

Green movie you can see how it can be a

1181

00:47:39,650 --> 00:47:38,220

bad thing absolutely so um so and you

1182

00:47:42,050 --> 00:47:39,660

can't let your family life suffer

1183

00:47:44,470 --> 00:47:42,060

because of that uh you know you have a

1184

00:47:47,390 --> 00:47:44,480

responsibility here in this world too

1185

00:47:50,930 --> 00:47:47,400

my wife often and I love my wife to

1186

00:47:52,490 --> 00:47:50,940

death um she puts up with a lot we she's

1187

00:47:55,490 --> 00:47:52,500

actually my childhood sweetheart we got

1188

00:47:58,130 --> 00:47:55,500

separated from years and years ago uh

1189

00:48:00,650 --> 00:47:58,140

reunited again about uh I guess 10 or 12

1190

00:48:03,410 --> 00:48:00,660

years ago and got married and I sat her

1191

00:48:04,970 --> 00:48:03,420

down when I knew that we were we were

1192

00:48:08,270 --> 00:48:04,980

headed where we were headed and it's

1193

00:48:10,910 --> 00:48:08,280

like okay I gotta tell her what I do um

1194

00:48:12,589 --> 00:48:10,920

let's just see what happens so we were

1195

00:48:15,349 --> 00:48:12,599

out to dinner one night and I sit in the

1196

00:48:17,089 --> 00:48:15,359

table and I said sweetie um there's

1197

00:48:18,770 --> 00:48:17,099

something I got to tell you

1198

00:48:20,809 --> 00:48:18,780

um I don't know how to don't know how to

1199

00:48:23,870 --> 00:48:20,819

tell you this and she's got she got this

1200

00:48:25,849 --> 00:48:23,880

look on her face like oh God he's

1201

00:48:28,250 --> 00:48:25,859

already married or he's an Ax Murderer

1202

00:48:29,809 --> 00:48:28,260

or something I could see it and I said

1203

00:48:32,569 --> 00:48:29,819

um

1204

00:48:34,430 --> 00:48:32,579

I'm a Bigfoot researcher I go out in the

1205

00:48:36,349 --> 00:48:34,440

woods and look for Bigfoot and I'm

1206

00:48:39,589 --> 00:48:36,359

waiting for the you know for the other

1207

00:48:41,150 --> 00:48:39,599

shoe to drop check please yeah and and

1208

00:48:42,650 --> 00:48:41,160

we're at a restaurant so I'm thinking

1209

00:48:45,349 --> 00:48:42,660

she can't make too much of a scene

1210

00:48:47,990 --> 00:48:45,359

because we're in public so I I might be

1211

00:48:49,609 --> 00:48:48,000

safe and she's just dead silent for a

1212

00:48:52,010 --> 00:48:49,619

minute and I'm thinking well I'm done

1213

00:48:53,750 --> 00:48:52,020

I'm I'm done it's over

1214

00:48:56,030 --> 00:48:53,760

and all of a sudden she just looks at me

1215

00:48:58,609 --> 00:48:56,040

and goes is that all

1216

00:49:00,890 --> 00:48:58,619

is that all I thought you were some kind

1217

00:49:03,410 --> 00:49:00,900

of crazed murderer or some on the run

1218

00:49:05,870 --> 00:49:03,420

from the law or something oh my gosh

1219

00:49:06,829 --> 00:49:05,880

so you know I got to give her a lot of

1220

00:49:07,490 --> 00:49:06,839

credit

1221

00:49:10,250 --> 00:49:07,500

um

1222

00:49:11,329 --> 00:49:10,260

but yeah to get back to your to get back

1223

00:49:12,410 --> 00:49:11,339

to the point

1224

00:49:14,630 --> 00:49:12,420

um

1225

00:49:16,490 --> 00:49:14,640

you know you you have even Arlo will

1226

00:49:17,750 --> 00:49:16,500

tell you uh that's one of the things

1227

00:49:20,990 --> 00:49:17,760

that she and I have talked about at

1228

00:49:23,690 --> 00:49:21,000

length this can become an obsession I

1229

00:49:25,250 --> 00:49:23,700

love going in the woods it's just fun

1230

00:49:27,290 --> 00:49:25,260

um you know I went last time I was in

1231

00:49:29,809 --> 00:49:27,300

the woods of my wife we were at a state

1232

00:49:31,849 --> 00:49:29,819

park we did nothing but sit around and

1233

00:49:33,650 --> 00:49:31,859

there were squirrels all in the trees

1234

00:49:35,450 --> 00:49:33,660

above us we sat in our camp chairs we

1235

00:49:37,430 --> 00:49:35,460

made up stories about the squirrels we

1236

00:49:39,710 --> 00:49:37,440

gave them names they had backstories

1237

00:49:40,849 --> 00:49:39,720

they had jobs

1238

00:49:42,349 --> 00:49:40,859

um you know that was that was how we

1239

00:49:46,609 --> 00:49:42,359

entertained ourselves it was just fun

1240

00:49:49,250 --> 00:49:46,619

but you can let it get into your your

1241

00:49:52,130 --> 00:49:49,260

skin and under your skin

1242

00:49:53,569 --> 00:49:52,140

and my wife has asked me on several

1243

00:49:54,710 --> 00:49:53,579

occasions what are you going to do when

1244

00:49:56,089 --> 00:49:54,720

you finally see one because I know

1245

00:49:57,109 --> 00:49:56,099

that's what you want to do and I said

1246

00:50:00,710 --> 00:49:57,119

honey

1247

00:50:02,870 --> 00:50:00,720

I don't know you know at that point

1248

00:50:07,010 --> 00:50:02,880

I I know they're real but at that point

1249

00:50:10,010 --> 00:50:07,020

they become real because I've seen them

1250

00:50:13,550 --> 00:50:10,020

um I don't know I I may back off from

1251

00:50:15,170 --> 00:50:13,560

this I may I don't know nobody knows it

1252

00:50:16,970 --> 00:50:15,180

yeah I can't answer that question

1253

00:50:19,490 --> 00:50:16,980

because it hasn't happened yet

1254

00:50:21,829 --> 00:50:19,500

I've told these guys I have no idea what

1255

00:50:23,510 --> 00:50:21,839

I'm going to do when when one of those

1256

00:50:25,609 --> 00:50:23,520

moments happen where there's rocks or

1257

00:50:27,530 --> 00:50:25,619

footsteps I went out in a lot of woods

1258

00:50:29,329 --> 00:50:27,540

last weekend there's a couple howls

1259

00:50:30,829 --> 00:50:29,339

nothing happened but if they had been

1260

00:50:32,630 --> 00:50:30,839

really close maybe I would have just

1261

00:50:33,950 --> 00:50:32,640

freaked out who knows I never yeah it's

1262

00:50:36,170 --> 00:50:33,960

but you don't know

1263

00:50:38,390 --> 00:50:36,180

um like I said I the the tree poking or

1264

00:50:40,130 --> 00:50:38,400

the uh the tent poking thing I was

1265

00:50:43,130 --> 00:50:40,140

absolutely freaking out and then all of

1266

00:50:46,190 --> 00:50:43,140

a sudden it just dawned on me well you

1267

00:50:49,010 --> 00:50:46,200

dummy he's not hurting you so just go

1268

00:50:51,230 --> 00:50:49,020

with this and see where it goes now the

1269

00:50:53,270 --> 00:50:51,240

question I I've often asked myself about

1270

00:50:55,190 --> 00:50:53,280

that incident is

1271

00:50:58,250 --> 00:50:55,200

what would have happened if I'd had the

1272

00:51:00,170 --> 00:50:58,260

presence of mine to unzip the tent

1273

00:51:02,450 --> 00:51:00,180

and stick my head out

1274

00:51:06,470 --> 00:51:02,460

what would I have seen

1275

00:51:08,329 --> 00:51:06,480

but I think the answer to that is like

1276

00:51:10,010 --> 00:51:08,339

not being able to see them

1277

00:51:11,990 --> 00:51:10,020

I wasn't ready

1278

00:51:13,549 --> 00:51:12,000

I don't think I could have handled it at

1279

00:51:16,190 --> 00:51:13,559

that point I think my brain would have

1280

00:51:19,549 --> 00:51:16,200

gone into lockdown yeah that would have

1281

00:51:22,970 --> 00:51:19,559

been too much yeah but at this point

1282

00:51:25,730 --> 00:51:22,980

and again I may I I always joke I carry

1283

00:51:28,910 --> 00:51:25,740

an extra pair of underwear just for just

1284

00:51:32,690 --> 00:51:28,920

for those events just in case

1285

00:51:35,630 --> 00:51:32,700

um but you know I may freak out because

1286

00:51:38,450 --> 00:51:35,640

it's going to be a big experience or I

1287

00:51:40,549 --> 00:51:38,460

may just look at it like hey thanks man

1288

00:51:44,270 --> 00:51:40,559

good to see you um appreciate you being

1289

00:51:47,150 --> 00:51:44,280

here I you know thank you I appreciate

1290

00:51:48,950 --> 00:51:47,160

the experience I I don't know

1291

00:51:51,230 --> 00:51:48,960

all right well we're gonna we're gonna

1292

00:51:52,970 --> 00:51:51,240

have to go past an hour if everybody

1293

00:51:54,589 --> 00:51:52,980

here is okay with that in order to get

1294

00:51:56,750 --> 00:51:54,599

some more Terry in our lives is

1295

00:51:59,990 --> 00:51:56,760

everybody okay Deb's you all right

1296

00:52:02,390 --> 00:52:00,000

yep okay I'm rambling I'm sorry no not

1297

00:52:04,910 --> 00:52:02,400

at all no no it's okay it's good stuff

1298

00:52:06,770 --> 00:52:04,920

but get us into the next six do you want

1299

00:52:08,089 --> 00:52:06,780

to do go with the portal what what do

1300

00:52:09,950 --> 00:52:08,099

you want to do sure let's do that one

1301
00:52:12,290 --> 00:52:09,960
that's uh that was it a matter of fact

1302
00:52:15,109 --> 00:52:12,300
let me share something with you

1303
00:52:16,730 --> 00:52:15,119
um I I was talking with uh with DJ about

1304
00:52:18,950 --> 00:52:16,740
this before

1305
00:52:21,650 --> 00:52:18,960
um there is an area

1306
00:52:25,370 --> 00:52:21,660
I I cannot disclose where it is because

1307
00:52:27,109 --> 00:52:25,380
I'm under an NDA agreement but there is

1308
00:52:28,670 --> 00:52:27,119
a group that I and a couple of my

1309
00:52:31,250 --> 00:52:28,680
friends here have hung out with they

1310
00:52:32,630 --> 00:52:31,260
invited us in we know them we know most

1311
00:52:34,490 --> 00:52:32,640
of the people in it from different

1312
00:52:37,370 --> 00:52:34,500
places

1313
00:52:41,150 --> 00:52:37,380

um they have a research area

1314

00:52:43,430 --> 00:52:41,160

that is basically Skinwalker Ranch

1315

00:52:46,130 --> 00:52:43,440

of the East Coast

1316

00:52:48,829 --> 00:52:46,140

about the only thing that has not shown

1317

00:52:51,130 --> 00:52:48,839

up there is the Loch Ness monster and

1318

00:52:54,410 --> 00:52:51,140

there is a swampy area

1319

00:52:55,490 --> 00:52:54,420

we hold out hope that we're gonna who

1320

00:52:58,089 --> 00:52:55,500

knows

1321

00:53:01,010 --> 00:52:58,099

um there's aliens there's

1322

00:53:05,450 --> 00:53:01,020

psychic stuff there's missing time

1323

00:53:07,250 --> 00:53:05,460

there's men and women in black

1324

00:53:08,569 --> 00:53:07,260

um you know that I had that happen the

1325

00:53:10,430 --> 00:53:08,579

night of this portal incident that I'm

1326

00:53:13,190 --> 00:53:10,440

getting ready to tell you about

1327

00:53:16,069 --> 00:53:13,200

um there is a book I make no no money

1328

00:53:18,109 --> 00:53:16,079

from this book but it's a it's a very

1329

00:53:20,150 --> 00:53:18,119

good read and I'll share that with you

1330

00:53:24,230 --> 00:53:20,160

real quick here it's called the meadow

1331

00:53:27,349 --> 00:53:24,240

project it's on sale by at Amazon it's a

1332

00:53:29,990 --> 00:53:27,359

great read and it talks about a lot of

1333

00:53:32,150 --> 00:53:30,000

the stuff that's that's in that I've

1334

00:53:35,809 --> 00:53:32,160

experienced

1335

00:53:38,510 --> 00:53:35,819

um I would encourage you to read it I am

1336

00:53:40,480 --> 00:53:38,520

the Terry in that book the names have

1337

00:53:42,770 --> 00:53:40,490

been changed to protect the guilty

1338

00:53:44,150 --> 00:53:42,780

[Laughter]

1339

00:53:47,809 --> 00:53:44,160

but

1340

00:53:50,150 --> 00:53:47,819

this stuff had had I been

1341

00:53:52,790 --> 00:53:50,160

had I not had I been telling me about

1342

00:53:53,990 --> 00:53:52,800

this I wouldn't believe me either so it

1343

00:53:55,870 --> 00:53:54,000

doesn't hurt my feelings if anybody

1344

00:53:59,270 --> 00:53:55,880

doesn't believe this I'm fine with that

1345

00:54:00,589 --> 00:53:59,280

so here's the story

1346

00:54:03,770 --> 00:54:00,599

um

1347

00:54:07,130 --> 00:54:03,780

there is a meadow in this area

1348

00:54:08,150 --> 00:54:07,140

that has all kinds of high strangeness

1349

00:54:10,490 --> 00:54:08,160

going on

1350

00:54:12,710 --> 00:54:10,500

uh this this group has been researching

1351

00:54:16,750 --> 00:54:12,720

this for a number of years

1352

00:54:21,290 --> 00:54:16,760

and it started they it has a history of

1353

00:54:24,049 --> 00:54:21,300

hauntings and ghosts and witches and

1354

00:54:27,109 --> 00:54:24,059

that kind of thing which I've come to

1355

00:54:31,010 --> 00:54:27,119

discover that that is typically an

1356

00:54:33,349 --> 00:54:31,020

indicator that the the old folks in the

1357

00:54:34,849 --> 00:54:33,359

mountains way back when when these these

1358

00:54:37,730 --> 00:54:34,859

things started

1359

00:54:41,510 --> 00:54:37,740

saw things they had no framework to to

1360

00:54:44,750 --> 00:54:41,520

understand them with so it was a witch

1361

00:54:46,190 --> 00:54:44,760

something just appeared it was a ghost

1362

00:54:47,569 --> 00:54:46,200

um you know you had the crazy man that

1363

00:54:50,630 --> 00:54:47,579

lived out in the woods the old Harry

1364

00:54:53,870 --> 00:54:50,640

hermit man that lived in the woods

1365

00:54:55,670 --> 00:54:53,880

um there's there's some basis to all

1366

00:54:59,329 --> 00:54:55,680

myths like that

1367

00:55:02,030 --> 00:54:59,339

so this place is loaded with them so we

1368

00:55:03,530 --> 00:55:02,040

are we are there uh my buddy and I that

1369

00:55:07,210 --> 00:55:03,540

went down there

1370

00:55:10,670 --> 00:55:07,220

um they invite the folks invited us down

1371

00:55:13,010 --> 00:55:10,680

basically because it was a Bigfoot area

1372

00:55:15,770 --> 00:55:13,020

too they they didn't tell us about all

1373

00:55:18,230 --> 00:55:15,780

this other stuff we were the control uh

1374

00:55:19,970 --> 00:55:18,240

they kind of wanted to use us as a you

1375

00:55:21,230 --> 00:55:19,980

know oh this stuff really is happening

1376

00:55:23,390 --> 00:55:21,240

we can have some other people

1377

00:55:27,530 --> 00:55:23,400

independently verify it

1378

00:55:30,410 --> 00:55:27,540

so we go out to the meadow we walk down

1379

00:55:33,530 --> 00:55:30,420

this Trail and again this is this is a

1380

00:55:36,230 --> 00:55:33,540

kind of a camping area but not really

1381

00:55:39,010 --> 00:55:36,240

um you walk down this Trail that's

1382

00:55:41,690 --> 00:55:39,020

probably uh

1383

00:55:44,390 --> 00:55:41,700

150 yards

1384

00:55:47,390 --> 00:55:44,400

from the campsite the main campsite into

1385

00:55:50,690 --> 00:55:47,400

this Meadow you walk down it you hook a

1386

00:55:53,150 --> 00:55:50,700

right and this Meadow opens up my buddy

1387

00:55:55,609 --> 00:55:53,160

David and I had gone down to there to

1388

00:55:57,290 --> 00:55:55,619

this Meadow in the daytime one of the

1389

00:55:59,390 --> 00:55:57,300

things I always try and do is if I'm in

1390

00:56:02,589 --> 00:55:59,400

a new area I'll go out and look around

1391

00:56:05,690 --> 00:56:02,599

during the day and go okay that's a rock

1392

00:56:07,430 --> 00:56:05,700

that that's that's a tree that's a bunch

1393

00:56:09,710 --> 00:56:07,440

of bushes over here I know what that is

1394

00:56:11,750 --> 00:56:09,720

so I know what belongs and it makes it

1395

00:56:13,790 --> 00:56:11,760

easier to pick out what doesn't belong

1396

00:56:16,670 --> 00:56:13,800

and we had done that

1397

00:56:18,890 --> 00:56:16,680

that day in broad daylight so now we're

1398

00:56:20,690 --> 00:56:18,900

going out at night it's dark we're

1399

00:56:23,809 --> 00:56:20,700

walking out there was a group of there

1400

00:56:27,049 --> 00:56:23,819

were three four teams

1401

00:56:28,370 --> 00:56:27,059

um I was in team two each team had four

1402

00:56:30,410 --> 00:56:28,380

people in it and then there was an

1403

00:56:32,870 --> 00:56:30,420

OverWatch team the fourth team was kind

1404

00:56:34,069 --> 00:56:32,880

of an OverWatch team and the strategy

1405

00:56:36,589 --> 00:56:34,079

was

1406

00:56:38,630 --> 00:56:36,599

everybody could see at least one other

1407

00:56:40,130 --> 00:56:38,640

team you had eyes on one other team

1408

00:56:41,930 --> 00:56:40,140

because the meadow kind of bends around

1409

00:56:44,390 --> 00:56:41,940

a little bit and then you have the

1410

00:56:46,790 --> 00:56:44,400

OverWatch team that was up on a forestry

1411

00:56:48,829 --> 00:56:46,800

road that was OverWatch for everybody

1412

00:56:51,589 --> 00:56:48,839

that could see everybody

1413

00:56:54,049 --> 00:56:51,599

so we all we all got radios these folks

1414

00:56:55,730 --> 00:56:54,059

monitor comms like military Precision

1415

00:56:58,309 --> 00:56:55,740

they have somebody sitting back at base

1416

00:57:00,290 --> 00:56:58,319

camp that monitors comms you don't move

1417

00:57:02,150 --> 00:57:00,300

unless you go on the radio and say this

1418

00:57:03,250 --> 00:57:02,160

is team two we're gonna move just want

1419

00:57:06,829 --> 00:57:03,260

to let you know

1420

00:57:08,630 --> 00:57:06,839

this is all very precisely done so

1421

00:57:09,770 --> 00:57:08,640

there's no mistaking anything for

1422

00:57:11,210 --> 00:57:09,780

anything else

1423

00:57:13,010 --> 00:57:11,220

so

1424

00:57:15,530 --> 00:57:13,020

um I'll cut through a lot of the the

1425

00:57:17,089 --> 00:57:15,540

details but we ended up we we were the

1426

00:57:19,130 --> 00:57:17,099

last team to enter

1427

00:57:20,870 --> 00:57:19,140

we were supposed to go to a different

1428

00:57:22,549 --> 00:57:20,880

location but we heard some noise behind

1429

00:57:25,069 --> 00:57:22,559

us turned out to be nothing but we had

1430

00:57:28,010 --> 00:57:25,079

called in and just said hey we're we're

1431

00:57:29,630 --> 00:57:28,020

we're we're here now already can we just

1432

00:57:31,250 --> 00:57:29,640

hold in place

1433

00:57:32,930 --> 00:57:31,260

um is that okay because we can see the

1434

00:57:35,630 --> 00:57:32,940

team that we're supposed to have eyes on

1435

00:57:37,790 --> 00:57:35,640

and the radio came back I said yes no

1436

00:57:39,170 --> 00:57:37,800

problem let us know what happens so

1437

00:57:42,230 --> 00:57:39,180

we're sitting there

1438

00:57:44,270 --> 00:57:42,240

and it's dark and again I have no

1439

00:57:46,010 --> 00:57:44,280

thermal no nothing I got I got a eyeball

1440

00:57:47,930 --> 00:57:46,020

mark one

1441

00:57:51,109 --> 00:57:47,940

um so I'm kind of the control for this

1442

00:57:52,609 --> 00:57:51,119

group everybody else has night vision uh

1443

00:57:54,290 --> 00:57:52,619

one of the one of the ladies that was

1444

00:57:55,730 --> 00:57:54,300

with us has

1445

00:57:57,710 --> 00:57:55,740

um she's got the best tech I've ever

1446

00:57:59,750 --> 00:57:57,720

seen oh my gosh

1447

00:58:01,730 --> 00:57:59,760

um she always has the fun stuff she had

1448

00:58:03,890 --> 00:58:01,740

I don't know what generation night

1449

00:58:06,410 --> 00:58:03,900

vision but hers was like you could see a

1450

00:58:10,670 --> 00:58:06,420

flea on a rock

1451

00:58:14,089 --> 00:58:10,680

um so my buddy David has his out and at

1452

00:58:15,770 --> 00:58:14,099

that point his is a little older and he

1453

00:58:18,470 --> 00:58:15,780

didn't either he didn't have a card in

1454

00:58:20,510 --> 00:58:18,480

it or something it didn't record but

1455

00:58:22,370 --> 00:58:20,520

we're all sitting with our backs to each

1456

00:58:24,829 --> 00:58:22,380

other kind of facing the four cardinal

1457

00:58:28,970 --> 00:58:24,839

points and

1458

00:58:32,630 --> 00:58:28,980

I hear David to one side of me say

1459

00:58:34,430 --> 00:58:32,640

what is that square thing out there

1460

00:58:35,569 --> 00:58:34,440

and it didn't really dawn on me what he

1461

00:58:37,970 --> 00:58:35,579

was saying

1462

00:58:39,530 --> 00:58:37,980

um I I just was sitting there you know

1463

00:58:42,230 --> 00:58:39,540

kind of like well this is it's dark

1464

00:58:45,530 --> 00:58:42,240

what's going on and I hear him say again

1465

00:58:47,690 --> 00:58:45,540

what is that square thing out there

1466

00:58:50,450 --> 00:58:47,700

and it dawned on me

1467

00:58:52,549 --> 00:58:50,460

there is no Square thing out there we've

1468

00:58:54,289 --> 00:58:52,559

we came down here and reconed this

1469

00:58:56,150 --> 00:58:54,299

Meadow in the broad daylight there is

1470

00:58:58,609 --> 00:58:56,160

nothing Square out there so I leaned

1471

00:59:01,670 --> 00:58:58,619

over to him and said what you got he

1472

00:59:04,250 --> 00:59:01,680

said I don't know take a look

1473

00:59:08,390 --> 00:59:04,260

so I leaned over

1474

00:59:12,890 --> 00:59:08,400

through his thermal I could see

1475

00:59:15,650 --> 00:59:12,900

a cube a square it was it was

1476

00:59:17,990 --> 00:59:15,660

it was large and it was getting bigger

1477

00:59:20,630 --> 00:59:18,000

it had according to him had basically

1478

00:59:23,150 --> 00:59:20,640

appeared out of nowhere

1479

00:59:24,770 --> 00:59:23,160

um it's kind of hard to judge at this

1480

00:59:27,650 --> 00:59:24,780

point it's kind of hard to judge size

1481

00:59:29,270 --> 00:59:27,660

but we could tell and of course thermal

1482

00:59:31,849 --> 00:59:29,280

you you don't get the depth perception

1483

00:59:33,589 --> 00:59:31,859

with the old stuff so we knew that there

1484

00:59:35,750 --> 00:59:33,599

were a couple of trees beside of it that

1485

00:59:38,210 --> 00:59:35,760

we had stood next to so we could kind of

1486

00:59:41,089 --> 00:59:38,220

figure this is big and it's getting

1487

00:59:45,410 --> 00:59:41,099

bigger and it was opening up it was

1488

00:59:48,230 --> 00:59:45,420

misty around the edges now the kicker is

1489

00:59:51,890 --> 00:59:48,240

I couldn't see it with my naked eye

1490

00:59:53,289 --> 00:59:51,900

and about this time the lady Kristen who

1491

00:59:56,809 --> 00:59:53,299

was with us

1492

00:59:59,210 --> 00:59:56,819

she had the you know the the new tech

1493

01:00:00,230 --> 00:59:59,220

stuff so she said tell me where you're

1494

01:00:03,289 --> 01:00:00,240

pointing

1495

01:00:06,589 --> 01:00:03,299

and she was able to zoom in on it as

1496

01:00:09,710 --> 01:00:06,599

well so now we got you know we got two

1497

01:00:11,210 --> 01:00:09,720

thermal imagers looking at this and it's

1498

01:00:13,789 --> 01:00:11,220

the same in both of them and we're

1499

01:00:15,470 --> 01:00:13,799

calling it in and it's like what the

1500

01:00:17,089 --> 01:00:15,480

heck is going on here

1501

01:00:22,670 --> 01:00:17,099

and

1502

01:00:25,190 --> 01:00:22,680

later they had had this happen before

1503

01:00:27,230 --> 01:00:25,200

and they the reason that they invited us

1504

01:00:29,030 --> 01:00:27,240

down is they as I said they wanted us to

1505

01:00:31,430 --> 01:00:29,040

independently document it we had not

1506

01:00:32,390 --> 01:00:31,440

been predisposed about anything we

1507

01:00:34,130 --> 01:00:32,400

thought we were going to look for

1508

01:00:36,950 --> 01:00:34,140

Bigfoot

1509

01:00:39,170 --> 01:00:36,960

um up until this point if you had talked

1510

01:00:40,490 --> 01:00:39,180

to me about portals I would have just

1511

01:00:44,210 --> 01:00:40,500

looked at you and gone oh aren't you

1512

01:00:46,490 --> 01:00:44,220

sweet portals yeah no okay

1513

01:00:48,950 --> 01:00:46,500

and now I'm sitting here looking at one

1514

01:00:50,390 --> 01:00:48,960

um the only and it's I I don't know if

1515

01:00:52,370 --> 01:00:50,400

this is a portal but that's the only

1516

01:00:53,809 --> 01:00:52,380

word that fits

1517

01:00:57,109 --> 01:00:53,819

um now

1518

01:00:59,990 --> 01:00:57,119

we hear the OverWatch team say

1519

01:01:03,049 --> 01:01:00,000

okay walk us into it

1520

01:01:06,230 --> 01:01:03,059

and it's like what oh wow

1521

01:01:08,390 --> 01:01:06,240

so we started giving them they came down

1522

01:01:11,270 --> 01:01:08,400

and we're talking amongst themselves

1523

01:01:13,730 --> 01:01:11,280

okay which way you know okay turn your

1524

01:01:16,970 --> 01:01:13,740

left know your other left

1525

01:01:19,069 --> 01:01:16,980

um okay walk forward continue to walk

1526
01:01:21,770 --> 01:01:19,079
forward stop

1527
01:01:26,150 --> 01:01:21,780
you should be within about

1528
01:01:28,069 --> 01:01:26,160
25 or 30 yards of it so you know there

1529
01:01:32,690 --> 01:01:28,079
and this took a little while to make

1530
01:01:36,670 --> 01:01:32,700
happen so they got to the point where

1531
01:01:39,829 --> 01:01:36,680
either they walked into it

1532
01:01:41,450 --> 01:01:39,839
or the glow from the portal obscured

1533
01:01:42,710 --> 01:01:41,460
their heat signatures

1534
01:01:44,930 --> 01:01:42,720
but

1535
01:01:46,870 --> 01:01:44,940
they went off the scope you couldn't see

1536
01:01:49,730 --> 01:01:46,880
them anymore you could not see them on

1537
01:01:52,370 --> 01:01:49,740
so either the background image from

1538
01:01:55,730 --> 01:01:52,380

whatever this was was so bright and so

1539

01:01:58,849 --> 01:01:55,740

hot that it obscured their images

1540

01:02:00,470 --> 01:01:58,859

or they went into it let me get let me

1541

01:02:01,789 --> 01:02:00,480

get Nathan and Debs in here real quick

1542

01:02:03,829 --> 01:02:01,799

because just this part right here is

1543

01:02:07,549 --> 01:02:03,839

freaking me out go ahead and even yeah

1544

01:02:08,930 --> 01:02:07,559

this reminds me of um didn't Deb you

1545

01:02:12,470 --> 01:02:08,940

might remember this but in David

1546

01:02:15,289 --> 01:02:12,480

Polito's uh recent movie he mentions a

1547

01:02:19,490 --> 01:02:15,299

cube yeah in incidents

1548

01:02:21,890 --> 01:02:19,500

hunt yes hunting and yes it was the guy

1549

01:02:23,630 --> 01:02:21,900

it was the one man by himself

1550

01:02:26,150 --> 01:02:23,640

right and he's seeing it right out in

1551

01:02:28,910 --> 01:02:26,160

the middle of a field but it was sort of

1552

01:02:30,829 --> 01:02:28,920

clear or he could see through it but he

1553

01:02:33,470 --> 01:02:30,839

knew there was a cube in front of it yes

1554

01:02:36,890 --> 01:02:33,480

yeah it's actually

1555

01:02:39,950 --> 01:02:36,900

um one of the many object shapes that

1556

01:02:42,109 --> 01:02:39,960

people identify there's a lot more than

1557

01:02:46,190 --> 01:02:42,119

people realize when they come into the

1558

01:02:47,870 --> 01:02:46,200

topic of UFOs including Domino shapes

1559

01:02:50,809 --> 01:02:47,880

hmm

1560

01:02:53,289 --> 01:02:50,819

it's just not really all right

1561

01:02:57,589 --> 01:02:53,299

I'm sorry

1562

01:03:02,089 --> 01:03:00,289

um so yeah this was this was this

1563

01:03:05,930 --> 01:03:02,099

definitely uh twisted my head around

1564

01:03:08,270 --> 01:03:05,940

this one took me a couple of days to

1565

01:03:09,530 --> 01:03:08,280

figure out how to tell my wife because I

1566

01:03:11,809 --> 01:03:09,540

figured you know I got to tell her

1567

01:03:13,849 --> 01:03:11,819

because I can't keep this a secret but

1568

01:03:15,530 --> 01:03:13,859

because she's gonna know I'm I'm weirded

1569

01:03:17,809 --> 01:03:15,540

out about something but she's gonna put

1570

01:03:19,190 --> 01:03:17,819

me out in the backyard or some guys are

1571

01:03:21,410 --> 01:03:19,200

going to show up with a jacket that

1572

01:03:23,750 --> 01:03:21,420

buckles backwards and caught me off

1573

01:03:26,270 --> 01:03:23,760

somewhere no and and the thermal that

1574

01:03:28,250 --> 01:03:26,280

that you guys had the uh it was you said

1575

01:03:31,430 --> 01:03:28,260

it was hot it was glowing hot in the

1576

01:03:32,809 --> 01:03:31,440

thermal it was on on the uh my buddy

1577

01:03:34,970 --> 01:03:32,819

David's was it was kind of a

1578

01:03:37,510 --> 01:03:34,980

monochromatic thermal the the one that

1579

01:03:41,270 --> 01:03:37,520

uh that this other woman had was color

1580

01:03:43,730 --> 01:03:41,280

and she actually got a recording of it

1581

01:03:46,609 --> 01:03:43,740

um I don't know where that recording

1582

01:03:47,990 --> 01:03:46,619

went and I don't want to know um and

1583

01:03:50,089 --> 01:03:48,000

that gets into the story that the rest

1584

01:03:51,190 --> 01:03:50,099

of the story when we got back to Camp

1585

01:03:57,109 --> 01:03:51,200

um

1586

01:03:59,930 --> 01:03:57,119

that was a pretty brain spinning

1587

01:04:02,750 --> 01:03:59,940

experience so

1588

01:04:04,910 --> 01:04:02,760

um the guys that were on the OverWatch

1589

01:04:08,030 --> 01:04:04,920

team go ahead I got one real quick Terry

1590

01:04:11,569 --> 01:04:08,040

about so they walk into the cube and you

1591

01:04:13,190 --> 01:04:11,579

can't see them or you have radio comms

1592

01:04:15,289 --> 01:04:13,200

you telling them back up are you telling

1593

01:04:17,390 --> 01:04:15,299

them walk forward we just we just

1594

01:04:19,010 --> 01:04:17,400

somebody told them um we can't see you

1595

01:04:22,609 --> 01:04:19,020

anymore now again I don't know if they

1596

01:04:25,789 --> 01:04:22,619

actually went into it or if if they were

1597

01:04:27,770 --> 01:04:25,799

obscured by the image from it

1598

01:04:30,109 --> 01:04:27,780

um I can't verify that I don't know but

1599

01:04:32,510 --> 01:04:30,119

but I will tell you this

1600

01:04:35,510 --> 01:04:32,520

um David and I both noticed as we were

1601
01:04:37,430 --> 01:04:35,520
packing out to go on this walk the guys

1602
01:04:39,289 --> 01:04:37,440
on the Overwatch team were carrying we

1603
01:04:41,030 --> 01:04:39,299
all had like day packs because we all

1604
01:04:43,010 --> 01:04:41,040
carry I don't go into Bigfoot's Woods

1605
01:04:44,630 --> 01:04:43,020
without a few things

1606
01:04:46,670 --> 01:04:44,640
um you know we all had some water we had

1607
01:04:49,370 --> 01:04:46,680
a little bit of snacks um you know you

1608
01:04:51,170 --> 01:04:49,380
had a rain poncho and a few things these

1609
01:04:52,309 --> 01:04:51,180
guys were carrying huge packs I mean

1610
01:04:55,849 --> 01:04:52,319
huge

1611
01:04:56,750 --> 01:04:55,859
and they were carrying edged weapons

1612
01:04:59,329 --> 01:04:56,760
um

1613
01:05:00,770 --> 01:04:59,339

they were planning obviously to go into

1614

01:05:01,970 --> 01:05:00,780

this thing

1615

01:05:04,130 --> 01:05:01,980

and they didn't know if they were going

1616

01:05:06,910 --> 01:05:04,140

to get back

1617

01:05:09,829 --> 01:05:06,920

um so at least that's my take on it now

1618

01:05:12,589 --> 01:05:09,839

this portal opened and closed a couple

1619

01:05:15,109 --> 01:05:12,599

of times and moved before they could

1620

01:05:16,430 --> 01:05:15,119

actually get to it

1621

01:05:18,650 --> 01:05:16,440

um when people started getting close to

1622

01:05:19,849 --> 01:05:18,660

it it would close down and open up a

1623

01:05:22,789 --> 01:05:19,859

little bit different a little bit

1624

01:05:25,549 --> 01:05:22,799

different location so again I don't know

1625

01:05:27,410 --> 01:05:25,559

if they went into it or if they were

1626

01:05:30,829 --> 01:05:27,420

just their heat signatures were masked

1627

01:05:32,930 --> 01:05:30,839

because it was overwhelming them we did

1628

01:05:34,910 --> 01:05:32,940

I don't know that we lost radiocom with

1629

01:05:38,329 --> 01:05:34,920

them I'm not sure because at that point

1630

01:05:41,150 --> 01:05:38,339

you know I'm I'm sitting there just my

1631

01:05:43,309 --> 01:05:41,160

Jaws on the ground

1632

01:05:44,450 --> 01:05:43,319

and somebody turned up back at camp for

1633

01:05:48,349 --> 01:05:44,460

you

1634

01:05:50,809 --> 01:05:48,359

we got a call after all this was over

1635

01:05:53,210 --> 01:05:50,819

um it had wound down and the thing had

1636

01:05:54,890 --> 01:05:53,220

whatever it was had gone away all of a

1637

01:05:56,270 --> 01:05:54,900

sudden we get a call from base camp

1638

01:05:58,309 --> 01:05:56,280

saying

1639

01:06:01,789 --> 01:05:58,319

there's someone here we don't know who

1640

01:06:03,589 --> 01:06:01,799

she is she's just shown up she's adamant

1641

01:06:06,049 --> 01:06:03,599

that she needs to speak with the team

1642

01:06:08,270 --> 01:06:06,059

leader she's absolutely adamant that she

1643

01:06:09,770 --> 01:06:08,280

needs to speak with you guys

1644

01:06:13,370 --> 01:06:09,780

um what do we tell her

1645

01:06:15,289 --> 01:06:13,380

so the the group leader said okay

1646

01:06:18,349 --> 01:06:15,299

um tell her to sit tight

1647

01:06:20,030 --> 01:06:18,359

keep an eye on her we don't know who she

1648

01:06:21,530 --> 01:06:20,040

is or what's going on do you recognize

1649

01:06:23,809 --> 01:06:21,540

her he said no she showed up out of

1650

01:06:26,029 --> 01:06:23,819

nowhere this is weird

1651

01:06:26,870 --> 01:06:26,039

um so he said okay we're on the way back

1652

01:06:29,029 --> 01:06:26,880

in

1653

01:06:30,829 --> 01:06:29,039

we're gonna we're gonna pack up head

1654

01:06:33,829 --> 01:06:30,839

back in look for us to be there and

1655

01:06:34,370 --> 01:06:33,839

probably you know 20 minutes

1656

01:06:37,549 --> 01:06:34,380

um

1657

01:06:39,890 --> 01:06:37,559

now my job going back in the lady with

1658

01:06:41,930 --> 01:06:39,900

that had the recording uh we all lined

1659

01:06:43,970 --> 01:06:41,940

up single file going down this Trail my

1660

01:06:46,069 --> 01:06:43,980

job was to walk back in I was behind her

1661

01:06:48,230 --> 01:06:46,079

I had my hand on her shoulder the entire

1662

01:06:49,789 --> 01:06:48,240

time I was not to take my hand off of

1663

01:06:52,670 --> 01:06:49,799

her shoulder

1664

01:06:53,930 --> 01:06:52,680

um you know if anything happened she's

1665

01:06:55,789 --> 01:06:53,940

not going to get snatched by herself

1666

01:06:58,730 --> 01:06:55,799

there's going to be two of us nothing

1667

01:07:01,549 --> 01:06:58,740

happened it was uneventful but that's

1668

01:07:04,490 --> 01:07:01,559

kind of how serious this got

1669

01:07:05,829 --> 01:07:04,500

so we got back into Camp snatch we're

1670

01:07:09,049 --> 01:07:05,839

all just

1671

01:07:10,490 --> 01:07:09,059

snatched by what or what or who or where

1672

01:07:12,349 --> 01:07:10,500

I don't know we've all heard the you

1673

01:07:14,270 --> 01:07:12,359

know the missing David Pilatus missing

1674

01:07:16,309 --> 01:07:14,280

stories we don't know

1675

01:07:19,430 --> 01:07:16,319

um but it was it was like you know if

1676

01:07:21,650 --> 01:07:19,440

something swoops in and grabs her you

1677

01:07:23,270 --> 01:07:21,660

you do what you can go with her prevent

1678

01:07:24,710 --> 01:07:23,280

it scream do whatever you need to do get

1679

01:07:26,029 --> 01:07:24,720

our attention but she's got the

1680

01:07:29,630 --> 01:07:26,039

recording she needs to get out of here

1681

01:07:31,069 --> 01:07:29,640

got it so we get back to base camp and

1682

01:07:32,809 --> 01:07:31,079

you know we're all kind of like you know

1683

01:07:35,690 --> 01:07:32,819

what the heck just happened

1684

01:07:37,370 --> 01:07:35,700

um the other most of the other team knew

1685

01:07:38,450 --> 01:07:37,380

this was or suspected this was going to

1686

01:07:41,930 --> 01:07:38,460

happen

1687

01:07:43,730 --> 01:07:41,940

so the team leader goes under the comms

1688

01:07:45,049 --> 01:07:43,740

person and says okay who's who wants to

1689

01:07:47,329 --> 01:07:45,059

speak to us he said

1690

01:07:50,809 --> 01:07:47,339

I don't know where this woman came from

1691

01:07:53,750 --> 01:07:50,819

she drove up in a beat up Mustang

1692

01:07:55,069 --> 01:07:53,760

her 15 year old son was driving the

1693

01:07:57,770 --> 01:07:55,079

Mustang

1694

01:08:00,529 --> 01:07:57,780

she appears intoxicated and she's

1695

01:08:03,109 --> 01:08:00,539

demanding to speak to you because she

1696

01:08:04,910 --> 01:08:03,119

has information for you

1697

01:08:09,230 --> 01:08:04,920

now

1698

01:08:10,730 --> 01:08:09,240

there anyway and number two how did they

1699

01:08:14,029 --> 01:08:10,740

know what we're doing

1700

01:08:16,189 --> 01:08:14,039

she walks over we're all sitting kind of

1701
01:08:17,689 --> 01:08:16,199
around you know the team leader goes

1702
01:08:20,329 --> 01:08:17,699
over and talks to her and we're all kind

1703
01:08:23,269 --> 01:08:20,339
of just like standing back observing

1704
01:08:25,430 --> 01:08:23,279
um a couple of our guys who are were

1705
01:08:27,530 --> 01:08:25,440
ex-military and I don't know nothing and

1706
01:08:30,050 --> 01:08:27,540
I don't need to know kind of strangely

1707
01:08:32,269 --> 01:08:30,060
disappeared into the the darkness for a

1708
01:08:34,669 --> 01:08:32,279
little while so I suspect they were

1709
01:08:37,789 --> 01:08:34,679
watching

1710
01:08:38,990 --> 01:08:37,799
um so I'm sitting there and team leaders

1711
01:08:40,610 --> 01:08:39,000
talking to this woman

1712
01:08:41,689 --> 01:08:40,620
and she says you got to come with me

1713
01:08:44,090 --> 01:08:41,699

right now

1714

01:08:46,130 --> 01:08:44,100

there's Bigfoot there's Bigfoot and and

1715

01:08:47,749 --> 01:08:46,140

you you need to go see them you got to

1716

01:08:50,450 --> 01:08:47,759

go see them you've got to come with me

1717

01:08:52,070 --> 01:08:50,460

your whole team right now

1718

01:08:53,510 --> 01:08:52,080

um okay and he's talking to her and he

1719

01:08:55,249 --> 01:08:53,520

said okay well where where are these

1720

01:08:56,570 --> 01:08:55,259

Bigfoot well they're in this place away

1721

01:08:58,430 --> 01:08:56,580

from here

1722

01:09:00,110 --> 01:08:58,440

um and it's it's a it's a spot and

1723

01:09:02,209 --> 01:09:00,120

there's only one road that goes into it

1724

01:09:03,470 --> 01:09:02,219

but but you follow me come with me right

1725

01:09:05,809 --> 01:09:03,480

now and I'll take you there because

1726

01:09:07,789 --> 01:09:05,819

they're there if you want to see them

1727

01:09:09,349 --> 01:09:07,799

and so all of a sudden the hairs on the

1728

01:09:10,849 --> 01:09:09,359

back your neck starts standing up it's

1729

01:09:13,550 --> 01:09:10,859

like wait a minute

1730

01:09:15,470 --> 01:09:13,560

we don't know you from Adam hell no you

1731

01:09:17,030 --> 01:09:15,480

don't know us that we know of you show

1732

01:09:19,130 --> 01:09:17,040

up in this camp

1733

01:09:20,689 --> 01:09:19,140

demanding that we go to a place that

1734

01:09:24,050 --> 01:09:20,699

we've never been that's got by Europe

1735

01:09:26,689 --> 01:09:24,060

missions got one Road in one road out

1736

01:09:29,329 --> 01:09:26,699

and we're supposed to do that

1737

01:09:30,110 --> 01:09:29,339

oh I don't think so

1738

01:09:32,809 --> 01:09:30,120

um

1739

01:09:34,729 --> 01:09:32,819

so he's trying to talk to her and get

1740

01:09:37,309 --> 01:09:34,739

more information and this is documented

1741

01:09:39,289 --> 01:09:37,319

in in the meta project book

1742

01:09:41,689 --> 01:09:39,299

um it turns out

1743

01:09:43,789 --> 01:09:41,699

she knew

1744

01:09:46,189 --> 01:09:43,799

where what college this guy had gone to

1745

01:09:48,530 --> 01:09:46,199

the person the team leader she claimed

1746

01:09:50,450 --> 01:09:48,540

to know his professors she and he

1747

01:09:54,410 --> 01:09:50,460

started talking to her Inquisitor

1748

01:09:58,010 --> 01:09:54,420

and lo and behold she knew she she was

1749

01:10:01,070 --> 01:09:58,020

there at the same time somehow she had

1750

01:10:03,110 --> 01:10:01,080

knowledge of everything

1751

01:10:04,490 --> 01:10:03,120

every class that he had taken oh yeah I

1752

01:10:05,750 --> 01:10:04,500

know where that building was yeah I went

1753

01:10:07,850 --> 01:10:05,760

to here and there yeah you were yeah

1754

01:10:08,990 --> 01:10:07,860

yeah I remember that Professor I was

1755

01:10:10,430 --> 01:10:09,000

there

1756

01:10:12,830 --> 01:10:10,440

she knew

1757

01:10:16,550 --> 01:10:12,840

I have no clue how

1758

01:10:19,250 --> 01:10:16,560

um and she just seemed off

1759

01:10:21,110 --> 01:10:19,260

um she was not wearing a black suit

1760

01:10:22,130 --> 01:10:21,120

um how and in fact she was wearing a

1761

01:10:25,070 --> 01:10:22,140

dress

1762

01:10:26,570 --> 01:10:25,080

um because she then proceeded to take a

1763

01:10:28,729 --> 01:10:26,580

couple of steps away from the campfire

1764

01:10:31,189 --> 01:10:28,739

squat down and urinate in front of

1765

01:10:34,250 --> 01:10:31,199

everybody wow

1766

01:10:35,570 --> 01:10:34,260

um no big deal you know just just and

1767

01:10:39,169 --> 01:10:35,580

that's one of the things you hear about

1768

01:10:42,290 --> 01:10:39,179

men in black is that they somehow don't

1769

01:10:45,110 --> 01:10:42,300

fit into our social norms they don't

1770

01:10:46,790 --> 01:10:45,120

have a comprehension of it I guess is a

1771

01:10:47,630 --> 01:10:46,800

good word

1772

01:10:49,910 --> 01:10:47,640

um

1773

01:10:52,550 --> 01:10:49,920

so he keeps talking to her and

1774

01:10:55,010 --> 01:10:52,560

eventually you know she we convinced her

1775

01:10:56,689 --> 01:10:55,020

to leave that we're not going and no you

1776

01:10:59,149 --> 01:10:56,699

can't make us

1777

01:11:00,770 --> 01:10:59,159

um but she's just adamant you know she's

1778

01:11:02,229 --> 01:11:00,780

still adamant you've got to go right now

1779

01:11:04,250 --> 01:11:02,239

all of you you gotta go right now

1780

01:11:05,630 --> 01:11:04,260

they're there they're waiting on you you

1781

01:11:08,450 --> 01:11:05,640

got to go right now

1782

01:11:10,189 --> 01:11:08,460

uh she was a proxy she sounds like they

1783

01:11:12,290 --> 01:11:10,199

were whoever was what was watching you

1784

01:11:14,750 --> 01:11:12,300

guys the whole time saw the whole thing

1785

01:11:16,189 --> 01:11:14,760

then they sent her down to Camp when you

1786

01:11:18,950 --> 01:11:16,199

guys are on your way back and they just

1787

01:11:20,750 --> 01:11:18,960

they must have told her what to say yep

1788

01:11:23,450 --> 01:11:20,760

if she's you know clearly not wearing

1789

01:11:24,709 --> 01:11:23,460

Forest clothing and no she was she was

1790

01:11:27,290 --> 01:11:24,719

wearing a dress just like you know like

1791

01:11:29,209 --> 01:11:27,300

you'd go out to eat or something and um

1792

01:11:31,970 --> 01:11:29,219

you know the fact that her 15 year old

1793

01:11:34,189 --> 01:11:31,980

son drove the car

1794

01:11:37,250 --> 01:11:34,199

um I don't have a clue that's just too

1795

01:11:40,430 --> 01:11:37,260

weird but there was there was definitely

1796

01:11:44,090 --> 01:11:40,440

something off yeah um now the team

1797

01:11:46,250 --> 01:11:44,100

leader followed up he he actually got in

1798

01:11:47,990 --> 01:11:46,260

contact with this woman later on he got

1799

01:11:50,750 --> 01:11:48,000

some contact information out of her

1800

01:11:53,270 --> 01:11:50,760

while she was there and the guy is a

1801
01:11:55,669 --> 01:11:53,280
great researcher um he and this is the

1802
01:11:58,550 --> 01:11:55,679
author of the book as well he tracked

1803
01:12:01,070 --> 01:11:58,560
her down and contacted her and quizzed

1804
01:12:02,570 --> 01:12:01,080
her about this and she claimed to have

1805
01:12:03,590 --> 01:12:02,580
absolutely no knowledge of what he was

1806
01:12:05,930 --> 01:12:03,600
talking about

1807
01:12:07,070 --> 01:12:05,940
interesting no I was never there I don't

1808
01:12:08,689 --> 01:12:07,080
remember that what are you talking about

1809
01:12:10,610 --> 01:12:08,699
who are you why are you stalking me what

1810
01:12:12,050 --> 01:12:10,620
are you talking about did she hand out a

1811
01:12:15,470 --> 01:12:12,060
business card when she was there how did

1812
01:12:18,290 --> 01:12:15,480
he find her I I don't know I I think he

1813
01:12:20,510 --> 01:12:18,300

just he's very good at uh researching

1814

01:12:21,910 --> 01:12:20,520

things I'll say

1815

01:12:25,729 --> 01:12:21,920

um

1816

01:12:27,530 --> 01:12:25,739

he somehow got out of place got some

1817

01:12:28,850 --> 01:12:27,540

information out of her about well how

1818

01:12:31,070 --> 01:12:28,860

can I get in touch with you or something

1819

01:12:33,050 --> 01:12:31,080

and I you know I don't know because they

1820

01:12:34,729 --> 01:12:33,060

were kind of talking away from everybody

1821

01:12:37,729 --> 01:12:34,739

else and we were all just kind of

1822

01:12:39,410 --> 01:12:37,739

looking around like do we run do we you

1823

01:12:41,030 --> 01:12:39,420

know what do we do

1824

01:12:44,330 --> 01:12:41,040

um at that point

1825

01:12:47,330 --> 01:12:44,340

so she ended up leaving and you know we

1826

01:12:50,510 --> 01:12:47,340

all crawled in our in our tents Vehicles

1827

01:12:51,950 --> 01:12:50,520

whatever and went to sleep

1828

01:12:54,770 --> 01:12:51,960

um that night

1829

01:12:57,050 --> 01:12:54,780

I had the craziest dream and my buddy

1830

01:12:59,689 --> 01:12:57,060

and I actually slept in our in the

1831

01:13:02,030 --> 01:12:59,699

vehicle we were in our front seats I had

1832

01:13:04,790 --> 01:13:02,040

the doors locked I had the car keys

1833

01:13:05,750 --> 01:13:04,800

laying on my Dash

1834

01:13:08,209 --> 01:13:05,760

um

1835

01:13:10,250 --> 01:13:08,219

I I had a couple other things out that I

1836

01:13:12,709 --> 01:13:10,260

had prayed that I didn't need to use and

1837

01:13:14,390 --> 01:13:12,719

I didn't but just in case something

1838

01:13:16,970 --> 01:13:14,400

happened and we had to bug out of there

1839

01:13:18,410 --> 01:13:16,980

you know we we broke our tents down and

1840

01:13:21,649 --> 01:13:18,420

we were ready to go all I had to do was

1841

01:13:23,930 --> 01:13:21,659

turn the turn the keys and go

1842

01:13:25,790 --> 01:13:23,940

um so I'm sleeping in the front seat

1843

01:13:27,470 --> 01:13:25,800

laid back and he's on the other side

1844

01:13:29,330 --> 01:13:27,480

laid back and we're just kind of wrapped

1845

01:13:32,209 --> 01:13:29,340

up because it's chilly

1846

01:13:34,370 --> 01:13:32,219

and I had this dream

1847

01:13:38,510 --> 01:13:34,380

um during the night a group of Bigfoot

1848

01:13:41,450 --> 01:13:38,520

came and stood around my vehicle and all

1849

01:13:43,310 --> 01:13:41,460

faced out and I could not see out the

1850

01:13:44,810 --> 01:13:43,320

windows and I don't know what happened

1851

01:13:47,270 --> 01:13:44,820

but they were just standing there

1852

01:13:49,669 --> 01:13:47,280

preventing me from seeing out

1853

01:13:50,990 --> 01:13:49,679

that's the I've never had a dream like

1854

01:13:52,250 --> 01:13:51,000

that before and that was the weirdest

1855

01:13:54,590 --> 01:13:52,260

thing

1856

01:13:57,229 --> 01:13:54,600

can't explain it this sounds like one of

1857

01:14:00,590 --> 01:13:57,239

Deb's dreams about being in the cave Deb

1858

01:14:02,270 --> 01:14:00,600

uh what do you got for Mr Wendell I I

1859

01:14:04,490 --> 01:14:02,280

have to say though those are not Dreams

1860

01:14:06,590 --> 01:14:04,500

DJ I'm I'm kind of jealous because I

1861

01:14:09,530 --> 01:14:06,600

haven't had any limitations meditation

1862

01:14:12,890 --> 01:14:09,540

yeah I haven't had any dreams that are

1863

01:14:15,649 --> 01:14:12,900

about UFOs or or any of it and I'm

1864

01:14:17,330 --> 01:14:15,659

jealous so I was my question is actually

1865

01:14:20,209 --> 01:14:17,340

about

1866

01:14:22,370 --> 01:14:20,219

um the protection aspect of Bigfoot

1867

01:14:24,649 --> 01:14:22,380

because when I first did a little bit of

1868

01:14:27,050 --> 01:14:24,659

research on Bigfoot um you know you hear

1869

01:14:29,750 --> 01:14:27,060

these stories about he you know

1870

01:14:32,689 --> 01:14:29,760

Bigfoot's protecting the woods and you

1871

01:14:35,810 --> 01:14:32,699

know trying to keep people out is it a

1872

01:14:37,729 --> 01:14:35,820

bigger goal of theirs to protect the

1873

01:14:40,669 --> 01:14:37,739

environment or do you think it really is

1874

01:14:42,590 --> 01:14:40,679

just about protecting their families

1875

01:14:44,630 --> 01:14:42,600

I think it's a little of both again

1876

01:14:46,510 --> 01:14:44,640

Native American culture will tell you

1877

01:14:48,830 --> 01:14:46,520

you know they're the boss of the woods

1878

01:14:52,970 --> 01:14:48,840

they are the guardians of the Mountain

1879

01:14:56,090 --> 01:14:52,980

uh you know they're the caretakers

1880

01:14:58,430 --> 01:14:56,100

um so I I think there's probably some

1881

01:15:01,910 --> 01:14:58,440

truth in that uh even if for no other

1882

01:15:03,229 --> 01:15:01,920

reason again this is their home and they

1883

01:15:04,910 --> 01:15:03,239

don't appreciate people trashing up

1884

01:15:05,510 --> 01:15:04,920

their home

1885

01:15:07,910 --> 01:15:05,520

um

1886

01:15:11,090 --> 01:15:07,920

but you know

1887

01:15:12,410 --> 01:15:11,100

I I don't know I I so far I have not had

1888

01:15:14,990 --> 01:15:12,420

the opportunity to sit down with Mr

1889

01:15:18,530 --> 01:15:15,000

Bigfoot and talk to him about it

1890

01:15:21,890 --> 01:15:18,540

um I do think that there are some Clans

1891

01:15:26,149 --> 01:15:21,900

that are more tolerant of human presence

1892

01:15:27,830 --> 01:15:26,159

than others truly really and truly I

1893

01:15:29,870 --> 01:15:27,840

don't think they care about us one way

1894

01:15:32,209 --> 01:15:29,880

or the other as far as

1895

01:15:33,530 --> 01:15:32,219

they don't need us they don't say they

1896

01:15:35,510 --> 01:15:33,540

don't care about us because there's

1897

01:15:36,890 --> 01:15:35,520

stories about them helping hikers that

1898

01:15:39,169 --> 01:15:36,900

are hurt or that kind of thing children

1899

01:15:40,790 --> 01:15:39,179

they don't need us

1900

01:15:43,910 --> 01:15:40,800

um you know they could go back into

1901

01:15:47,330 --> 01:15:43,920

their woods and live whether we're here

1902

01:15:50,169 --> 01:15:47,340

or whether you know we're not I think a

1903

01:15:53,030 --> 01:15:50,179

lot of the encounters are either

1904

01:15:54,910 --> 01:15:53,040

accidents that we happen to walk up on

1905

01:15:57,590 --> 01:15:54,920

one of them

1906

01:15:58,370 --> 01:15:57,600

or that

1907

01:16:00,590 --> 01:15:58,380

um

1908

01:16:02,810 --> 01:16:00,600

they they're curious about us and

1909

01:16:05,330 --> 01:16:02,820

they'll come in closer

1910

01:16:08,090 --> 01:16:05,340

um you know I I don't think they're

1911

01:16:10,490 --> 01:16:08,100

trying to keep us out of the woods

1912

01:16:13,910 --> 01:16:10,500

but if you get too close they will

1913

01:16:14,630 --> 01:16:13,920

definitely push you back and

1914

01:16:17,450 --> 01:16:14,640

um

1915

01:16:19,669 --> 01:16:17,460

you know again I I I can't really answer

1916

01:16:22,010 --> 01:16:19,679

that definitively uh the feeling I get

1917

01:16:24,410 --> 01:16:22,020

is you know really really you're truly

1918

01:16:26,530 --> 01:16:24,420

they don't need us they just kind of

1919

01:16:28,910 --> 01:16:26,540

tolerate us as long as we're we're nice

1920

01:16:31,189 --> 01:16:28,920

and don't trash up their house and

1921

01:16:32,209 --> 01:16:31,199

respect them they'll be okay with us

1922

01:16:34,070 --> 01:16:32,219

being there

1923

01:16:35,930 --> 01:16:34,080

for the most part yeah for the most part

1924

01:16:37,310 --> 01:16:35,940

it seems like yeah

1925

01:16:39,050 --> 01:16:37,320

um what I'd like to do we have 15

1926

01:16:40,970 --> 01:16:39,060

minutes left

1927

01:16:43,610 --> 01:16:40,980

um what I'd like to do Terry is get in

1928

01:16:45,410 --> 01:16:43,620

another experience of yours and another

1929

01:16:47,149 --> 01:16:45,420

round of questions in that 15 minutes

1930

01:16:49,850 --> 01:16:47,159

please I'll make it quick

1931

01:16:52,070 --> 01:16:49,860

um sir I was at a Bigfoot Conference in

1932

01:16:53,830 --> 01:16:52,080

Westminster South Carolina one of my

1933

01:16:56,390 --> 01:16:53,840

favorites small town

1934

01:16:59,990 --> 01:16:56,400

they have raised I've spoken there

1935

01:17:02,270 --> 01:17:00,000

before and they had raised enough money

1936

01:17:04,750 --> 01:17:02,280

this time to put all of us all the

1937

01:17:07,850 --> 01:17:04,760

speakers up in a house very nice house

1938

01:17:10,370 --> 01:17:07,860

up in the little small town of Walhalla

1939

01:17:11,750 --> 01:17:10,380

South Carolina Walhalla everybody in

1940

01:17:14,450 --> 01:17:11,760

Walhalla knows everybody else in

1941

01:17:17,090 --> 01:17:14,460

Walhalla it's an old old old towns

1942

01:17:19,970 --> 01:17:17,100

beautiful town but it's very small and

1943

01:17:22,570 --> 01:17:19,980

it is in the woods and in the mountains

1944

01:17:25,310 --> 01:17:22,580

um this house had a trail

1945

01:17:26,990 --> 01:17:25,320

that went down winding into the woods

1946

01:17:29,530 --> 01:17:27,000

away from the house that led from the

1947

01:17:32,510 --> 01:17:29,540

fire pit at the house down to the woods

1948

01:17:33,770 --> 01:17:32,520

so we all get there there were four or

1949

01:17:36,110 --> 01:17:33,780

five of us speakers and a couple other

1950

01:17:37,850 --> 01:17:36,120

people came and joined us and we're all

1951

01:17:40,130 --> 01:17:37,860

sitting around on the deck and around

1952

01:17:42,110 --> 01:17:40,140

the fire pit and it gets to be I don't

1953

01:17:44,330 --> 01:17:42,120

know about you know close to midnight

1954

01:17:45,770 --> 01:17:44,340

we're winding down and I look over and

1955

01:17:47,630 --> 01:17:45,780

there's this Trail

1956

01:17:51,649 --> 01:17:47,640

and I said hey

1957

01:17:57,709 --> 01:17:54,470

I wanna trailers we're Bigfoot Explorer

1958

01:18:00,050 --> 01:17:57,719

what are we supposed to do and so I just

1959

01:18:01,790 --> 01:18:00,060

I got no flashlight again no headlamp no

1960

01:18:03,110 --> 01:18:01,800

Fleer no nothing

1961

01:18:05,030 --> 01:18:03,120

um I'm going walking in the woods

1962

01:18:06,649 --> 01:18:05,040

anybody want to go and so I stepped down

1963

01:18:09,050 --> 01:18:06,659

off the platform and go walking into

1964

01:18:11,270 --> 01:18:09,060

this trail and I hear from behind me

1965

01:18:12,649 --> 01:18:11,280

um this gentleman I know Michael cook is

1966

01:18:14,570 --> 01:18:12,659

I've known him for a long time is a good

1967

01:18:17,149 --> 01:18:14,580

guy he's a Bigfoot researcher as well

1968

01:18:19,189 --> 01:18:17,159

he's been to Australia he's worked on

1969

01:18:22,010 --> 01:18:19,199

some of the Bigfoot shows I hear his

1970

01:18:23,450 --> 01:18:22,020

voice go well Terry is clearly crazy but

1971

01:18:24,709 --> 01:18:23,460

I'm going with him

1972

01:18:31,790 --> 01:18:24,719

so

1973

01:18:33,169 --> 01:18:31,800

Trail the trail runs uh the houses at

1974

01:18:34,910 --> 01:18:33,179

the Eastern end of the trail it runs

1975

01:18:37,430 --> 01:18:34,920

from east to west we don't know where

1976

01:18:39,590 --> 01:18:37,440

this trail goes and it's dark the Moon

1977

01:18:40,850 --> 01:18:39,600

is coming up but it's dark so we're

1978

01:18:42,649 --> 01:18:40,860

walking down this Trail you can see

1979

01:18:44,030 --> 01:18:42,659

light blacks dark blacks and some Grays

1980

01:18:46,490 --> 01:18:44,040

and there's some Moonlight starting to

1981

01:18:47,330 --> 01:18:46,500

filter in through what leaves are on the

1982

01:18:51,050 --> 01:18:47,340

trees

1983

01:18:52,550 --> 01:18:51,060

we get to this point uh we can't see the

1984

01:18:53,930 --> 01:18:52,560

house anymore but you can still sort of

1985

01:18:55,910 --> 01:18:53,940

see the glow from the fire if you turn

1986

01:18:59,209 --> 01:18:55,920

around but we're looking down this Trail

1987

01:19:01,970 --> 01:18:59,219

and we can see the trail dips down uh

1988

01:19:04,790 --> 01:19:01,980

probably about you know 40 30 yards in

1989

01:19:07,010 --> 01:19:04,800

front of us and

1990

01:19:09,229 --> 01:19:07,020

you can see you can't see what's in the

1991

01:19:12,050 --> 01:19:09,239

dip but you can see the shadowing where

1992

01:19:14,149 --> 01:19:12,060

the trail rises again and we're kind of

1993

01:19:17,090 --> 01:19:14,159

stopped just walking along

1994

01:19:19,970 --> 01:19:17,100

we hear this these dogs

1995

01:19:23,450 --> 01:19:19,980

go off at the Western end of the trail

1996

01:19:26,510 --> 01:19:23,460

and they're just going berserk

1997

01:19:28,189 --> 01:19:26,520

um and Michael and I both stop and we

1998

01:19:31,850 --> 01:19:28,199

look at each other it's like

1999

01:19:34,130 --> 01:19:31,860

okay we we've both been we've both been

2000

01:19:36,770 --> 01:19:34,140

here before so we hear the dogs going

2001
01:19:38,890 --> 01:19:36,780
and the dogs go you know just keep going

2002
01:19:43,090 --> 01:19:38,900
off they get worse and worse and worse

2003
01:19:47,030 --> 01:19:43,100
in between the dogs we hear

2004
01:19:50,450 --> 01:19:47,040
the loudest scream

2005
01:19:52,189 --> 01:19:50,460
it again whatever this is has got way

2006
01:19:54,229 --> 01:19:52,199
more lungs than we do it's not a dog

2007
01:19:56,810 --> 01:19:54,239
it's not a coyote

2008
01:19:59,209 --> 01:19:56,820
um and we both look at each other and

2009
01:20:00,590 --> 01:19:59,219
and we're like dude dude we know what

2010
01:20:02,450 --> 01:20:00,600
that is that's a big I've heard that

2011
01:20:03,770 --> 01:20:02,460
that's a Bigfoot we're standing in this

2012
01:20:05,810 --> 01:20:03,780
Trail in the middle of the dark giggling

2013
01:20:08,750 --> 01:20:05,820

like little girls because it's like oh

2014

01:20:10,370 --> 01:20:08,760

this is so cool this is cool okay so we

2015

01:20:12,110 --> 01:20:10,380

start hearing more noise coming toward

2016

01:20:14,930 --> 01:20:12,120

us dogs other packs of dogs are going

2017

01:20:18,470 --> 01:20:14,940

off and then behind us

2018

01:20:20,390 --> 01:20:18,480

we hear dogs going off back beyond the

2019

01:20:23,030 --> 01:20:20,400

house up in the West

2020

01:20:25,729 --> 01:20:23,040

and we hear noise going on back up there

2021

01:20:28,189 --> 01:20:25,739

and it's like okay they're out prowling

2022

01:20:29,930 --> 01:20:28,199

this is their nightly routine I've I've

2023

01:20:32,570 --> 01:20:29,940

seen this happen before

2024

01:20:34,669 --> 01:20:32,580

so we're standing there and and my buddy

2025

01:20:37,370 --> 01:20:34,679

Mike says Terry look down there at that

2026

01:20:40,189 --> 01:20:37,380

dip tell me what you see

2027

01:20:43,850 --> 01:20:40,199

I looked and I said

2028

01:20:44,870 --> 01:20:43,860

um that's a shape looks like a head and

2029

01:20:46,970 --> 01:20:44,880

shoulders

2030

01:20:48,410 --> 01:20:46,980

he said that's what I thought

2031

01:20:50,689 --> 01:20:48,420

okay

2032

01:20:53,209 --> 01:20:50,699

so all the you know the dogs are going

2033

01:20:54,290 --> 01:20:53,219

back and forth and he says

2034

01:20:58,130 --> 01:20:54,300

um

2035

01:21:01,250 --> 01:20:58,140

the two trees over on the left side uh

2036

01:21:03,709 --> 01:21:01,260

they're about 25 yards

2037

01:21:05,930 --> 01:21:03,719

in front of us uh do you see anything

2038

01:21:07,790 --> 01:21:05,940

there and I said there's a shape there

2039

01:21:08,870 --> 01:21:07,800

too I can't make it out but it looks

2040

01:21:11,090 --> 01:21:08,880

like

2041

01:21:14,149 --> 01:21:11,100

there's there's a dark patch

2042

01:21:15,830 --> 01:21:14,159

that I don't know what it is I was sat

2043

01:21:18,410 --> 01:21:15,840

there before he said no

2044

01:21:21,350 --> 01:21:18,420

I I don't believe so

2045

01:21:24,649 --> 01:21:21,360

it's like cool we got one here watching

2046

01:21:27,530 --> 01:21:24,659

us so again the the whole procedure goes

2047

01:21:31,370 --> 01:21:27,540

into reverse we hear this this huge

2048

01:21:32,870 --> 01:21:31,380

screen from the East End again and it's

2049

01:21:34,370 --> 01:21:32,880

like okay that's big daddy calling the

2050

01:21:35,630 --> 01:21:34,380

kids home there were nothing else is

2051

01:21:38,510 --> 01:21:35,640

going to happen again tonight let's go

2052

01:21:40,189 --> 01:21:38,520

home so we go back we go back and tell

2053

01:21:41,810 --> 01:21:40,199

the Bigfoot people or the the festival

2054

01:21:43,550 --> 01:21:41,820

people about this

2055

01:21:45,709 --> 01:21:43,560

and thinking yeah right they're going to

2056

01:21:48,350 --> 01:21:45,719

believe us and they turns out there had

2057

01:21:51,169 --> 01:21:48,360

been reports of sightings in that area

2058

01:21:53,149 --> 01:21:51,179

and they wanted us to go in unbiased and

2059

01:21:55,430 --> 01:21:53,159

see what happened because they knew one

2060

01:21:57,410 --> 01:21:55,440

of us would go down that trail wow so

2061

01:22:01,070 --> 01:21:57,420

it's like okay

2062

01:22:03,890 --> 01:22:01,080

where this Saturday night oh buddy I'm

2063

01:22:05,450 --> 01:22:03,900

going again uh and and Michael's like

2064

01:22:06,950 --> 01:22:05,460

I'm with you let's go

2065

01:22:08,209 --> 01:22:06,960

so we're at this house again we're

2066

01:22:09,530 --> 01:22:08,219

supposed to leave Sunday morning we

2067

01:22:10,490 --> 01:22:09,540

still have not walked this Trail in the

2068

01:22:13,430 --> 01:22:10,500

daylight

2069

01:22:14,770 --> 01:22:13,440

so we take off same thing happens about

2070

01:22:17,510 --> 01:22:14,780

the same time

2071

01:22:19,729 --> 01:22:17,520

just the same exact pattern dogs going

2072

01:22:22,430 --> 01:22:19,739

off in the in the west it comes up to

2073

01:22:24,530 --> 01:22:22,440

the east we see the the shape down in

2074

01:22:26,689 --> 01:22:24,540

the drop of the trail

2075

01:22:28,250 --> 01:22:26,699

and we're standing there in Michael says

2076

01:22:30,290 --> 01:22:28,260

Terry

2077

01:22:32,810 --> 01:22:30,300

look over at the trees

2078

01:22:35,450 --> 01:22:32,820

I said there's eyes

2079

01:22:36,830 --> 01:22:35,460

there's two glowing red eyes he said

2080

01:22:39,470 --> 01:22:36,840

yeah

2081

01:22:41,450 --> 01:22:39,480

I said okay

2082

01:22:43,729 --> 01:22:41,460

I'm gonna get closer

2083

01:22:45,830 --> 01:22:43,739

you game he said yep let's go so we

2084

01:22:48,530 --> 01:22:45,840

slowly walk up

2085

01:22:50,030 --> 01:22:48,540

we get probably about five or six steps

2086

01:22:53,270 --> 01:22:50,040

ahead

2087

01:22:55,729 --> 01:22:53,280

and all of a sudden if you've ever this

2088

01:22:57,110 --> 01:22:55,739

is weird but as a kid if you take a nine

2089

01:22:58,070 --> 01:22:57,120

volt battery and touch it to the tip of

2090

01:23:00,590 --> 01:22:58,080

your tongue and you get that little

2091

01:23:02,330 --> 01:23:00,600

jingle electric jaw it doesn't hurt but

2092

01:23:05,030 --> 01:23:02,340

it's like a buzz

2093

01:23:07,070 --> 01:23:05,040

I get that in the center of my chest

2094

01:23:09,590 --> 01:23:07,080

I've never had this happen before

2095

01:23:12,590 --> 01:23:09,600

and it radiates out through my entire

2096

01:23:14,870 --> 01:23:12,600

body to my fingers and toes wow and I'm

2097

01:23:16,070 --> 01:23:14,880

standing there and I I just stop and I

2098

01:23:17,870 --> 01:23:16,080

say Mike

2099

01:23:19,729 --> 01:23:17,880

I got something weird going on here I I

2100

01:23:22,430 --> 01:23:19,739

don't know what's going on

2101
01:23:24,709 --> 01:23:22,440
um infrasound I got I got something it

2102
01:23:27,229 --> 01:23:24,719
wasn't being Zapped it wasn't like that

2103
01:23:29,270 --> 01:23:27,239
it was a it's just a tingle it wasn't

2104
01:23:31,790 --> 01:23:29,280
like I was scared and I needed to run I

2105
01:23:33,110 --> 01:23:31,800
didn't feel you know threatened this was

2106
01:23:35,330 --> 01:23:33,120
something different

2107
01:23:36,770 --> 01:23:35,340
and I hear him say beside him I didn't

2108
01:23:38,270 --> 01:23:36,780
tell him what was going on I just said

2109
01:23:40,550 --> 01:23:38,280
this is weird and I hear him beside me

2110
01:23:42,950 --> 01:23:40,560
say electricity

2111
01:23:44,030 --> 01:23:42,960
and it's like oh you got it too he said

2112
01:23:46,070 --> 01:23:44,040
yep

2113
01:23:47,510 --> 01:23:46,080

I said okay

2114

01:23:49,430 --> 01:23:47,520

let's back up

2115

01:23:52,010 --> 01:23:49,440

just just back up don't turn around just

2116

01:23:54,130 --> 01:23:52,020

back up we backed up five steps like a

2117

01:23:56,990 --> 01:23:54,140

switch gone

2118

01:23:58,310 --> 01:23:57,000

I said you got anything you said nope I

2119

01:23:59,450 --> 01:23:58,320

said me neither I said okay let's do an

2120

01:24:02,810 --> 01:23:59,460

experiment

2121

01:24:05,390 --> 01:24:02,820

you stay here I'm gonna walk back up

2122

01:24:07,669 --> 01:24:05,400

before I left and the eyes are still

2123

01:24:09,649 --> 01:24:07,679

there we're watching them how far I

2124

01:24:11,450 --> 01:24:09,659

started moving I said okay guys

2125

01:24:14,209 --> 01:24:11,460

um we know you're there

2126

01:24:15,649 --> 01:24:14,219

um we think we got too close but we just

2127

01:24:17,810 --> 01:24:15,659

want to make sure we understand what you

2128

01:24:19,669 --> 01:24:17,820

were telling us so my buddy's going to

2129

01:24:22,130 --> 01:24:19,679

stay here I'm going to walk forward

2130

01:24:24,709 --> 01:24:22,140

those Five Paces again I'm not going to

2131

01:24:26,689 --> 01:24:24,719

come any closer I mean you no harm I

2132

01:24:28,790 --> 01:24:26,699

mean no harm to anybody I'm gonna stop

2133

01:24:30,830 --> 01:24:28,800

right there I give you my word if you

2134

01:24:33,890 --> 01:24:30,840

were trying to tell us we were too close

2135

01:24:37,010 --> 01:24:33,900

do what you just did again to me

2136

01:24:38,810 --> 01:24:37,020

so I walked up Five Paces bam

2137

01:24:41,149 --> 01:24:38,820

I'm getting it all over again I said

2138

01:24:42,649 --> 01:24:41,159

Michael you got anything he said nope I

2139

01:24:44,570 --> 01:24:42,659

said okay

2140

01:24:45,950 --> 01:24:44,580

guys we get it we're gonna back up

2141

01:24:46,910 --> 01:24:45,960

matter of fact we're gonna head back to

2142

01:24:49,070 --> 01:24:46,920

the house

2143

01:24:51,950 --> 01:24:49,080

thank you so much uh we mean no harm

2144

01:24:55,130 --> 01:24:51,960

thank you so much and we appreciate this

2145

01:24:56,750 --> 01:24:55,140

and that was the end of it we walked

2146

01:24:59,149 --> 01:24:56,760

back to the house we told the rest of

2147

01:25:01,010 --> 01:24:59,159

the group about it the next morning

2148

01:25:02,930 --> 01:25:01,020

um you know and they decided Well maybe

2149

01:25:04,330 --> 01:25:02,940

maybe crazy Terry and crazy Michael had

2150

01:25:06,649 --> 01:25:04,340

the right idea

2151
01:25:08,810 --> 01:25:06,659
that has never happened to me before in

2152
01:25:11,270 --> 01:25:08,820
my life I called Arla on my way home and

2153
01:25:12,290 --> 01:25:11,280
said I gotta talk to you I I got I got

2154
01:25:14,270 --> 01:25:12,300
to tell you something I told her what

2155
01:25:16,370 --> 01:25:14,280
happened and she started laughing she

2156
01:25:18,470 --> 01:25:16,380
said you were too close and they didn't

2157
01:25:20,390 --> 01:25:18,480
know who you were and when you talk to

2158
01:25:22,669 --> 01:25:20,400
them they understood that you didn't

2159
01:25:24,530 --> 01:25:22,679
mean any harm and they realized who you

2160
01:25:26,510 --> 01:25:24,540
were you did the right thing she said

2161
01:25:28,010 --> 01:25:26,520
I've had people on my property they'll

2162
01:25:30,169 --> 01:25:28,020
get to a certain point they'll just

2163
01:25:32,330 --> 01:25:30,179

start laughing for no apparent reasons

2164

01:25:34,430 --> 01:25:32,340

that you cannot stop laughing they take

2165

01:25:35,270 --> 01:25:34,440

five or six steps back whatever it is is

2166

01:25:37,870 --> 01:25:35,280

gone

2167

01:25:40,790 --> 01:25:37,880

she said that's just stuff they do this

2168

01:25:45,410 --> 01:25:40,800

Terry this is this is fascinating this

2169

01:25:47,149 --> 01:25:45,420

opens up a a line of questioning that

2170

01:25:50,090 --> 01:25:47,159

you know this intersection of things

2171

01:25:51,830 --> 01:25:50,100

about this uh what people say just a

2172

01:25:54,410 --> 01:25:51,840

flesh and blood animal that we don't

2173

01:25:58,189 --> 01:25:54,420

understand so let's I don't remember did

2174

01:26:00,950 --> 01:25:58,199

I go to you last Debs or Nathan who's up

2175

01:26:03,470 --> 01:26:00,960

I think it's Nathan's turn okay yeah

2176

01:26:05,090 --> 01:26:03,480

let's uh well I think let's go there DJ

2177

01:26:06,229 --> 01:26:05,100

since that's what you're kind of hinting

2178

01:26:07,310 --> 01:26:06,239

at so

2179

01:26:10,550 --> 01:26:07,320

um there's a lot of different theories

2180

01:26:13,270 --> 01:26:10,560

about what they are biological something

2181

01:26:16,129 --> 01:26:13,280

other than just biological entities

2182

01:26:18,350 --> 01:26:16,139

uh and I don't think any of us on this

2183

01:26:20,689 --> 01:26:18,360

panel you know have the definitive you

2184

01:26:22,250 --> 01:26:20,699

know truth or whatever to that but Terry

2185

01:26:23,870 --> 01:26:22,260

in your experience and then from those

2186

01:26:25,550 --> 01:26:23,880

that you've talked to you know what's

2187

01:26:28,610 --> 01:26:25,560

your sort of leading theory as to what

2188

01:26:30,410 --> 01:26:28,620

these are I originally thought they were

2189

01:26:32,689 --> 01:26:30,420

just an Undiscovered ape

2190

01:26:34,070 --> 01:26:32,699

um in North America night I through my

2191

01:26:36,709 --> 01:26:34,080

experience

2192

01:26:38,750 --> 01:26:36,719

um I kind of tend to lean towards arla's

2193

01:26:42,350 --> 01:26:38,760

thought that these are a people

2194

01:26:44,209 --> 01:26:42,360

they're like us but they're not like us

2195

01:26:45,950 --> 01:26:44,219

um they are Flesh and Blood yes because

2196

01:26:47,990 --> 01:26:45,960

they leave signs they leave Footprints

2197

01:26:49,070 --> 01:26:48,000

they leave supposedly scat that we can

2198

01:26:50,870 --> 01:26:49,080

follow

2199

01:26:51,669 --> 01:26:50,880

but they can do stuff that we don't

2200

01:26:55,070 --> 01:26:51,679

understand

2201
01:26:57,649 --> 01:26:55,080
how do you make your eyes glow and not

2202
01:27:00,050 --> 01:26:57,659
be able to not see at night I don't

2203
01:27:03,410 --> 01:27:00,060
understand that how can the guy behind

2204
01:27:06,709 --> 01:27:03,420
my tent just disappear I don't know now

2205
01:27:08,689 --> 01:27:06,719
is it magic well magic is a word that we

2206
01:27:11,330 --> 01:27:08,699
use to describe something much like the

2207
01:27:12,950 --> 01:27:11,340
people I was talking about uh with the

2208
01:27:15,110 --> 01:27:12,960
start of the the myths about the wild

2209
01:27:17,870 --> 01:27:15,120
man in the woods and the witch we don't

2210
01:27:21,470 --> 01:27:17,880
have a framework to understand what they

2211
01:27:22,970 --> 01:27:21,480
can do so to us that's magic you know if

2212
01:27:24,709 --> 01:27:22,980
I went back just a couple hundred years

2213
01:27:27,110 --> 01:27:24,719

with a big cigarette lighter and flicked

2214

01:27:29,629 --> 01:27:27,120

my Bic I get burned at the stake because

2215

01:27:30,709 --> 01:27:29,639

I was a warlock I could make fire from

2216

01:27:32,090 --> 01:27:30,719

my fingertips

2217

01:27:34,370 --> 01:27:32,100

they didn't have the framework to

2218

01:27:37,669 --> 01:27:34,380

understand that so I don't know there's

2219

01:27:39,110 --> 01:27:37,679

more to them than we understand and I

2220

01:27:41,629 --> 01:27:39,120

don't know that we have the framework

2221

01:27:44,510 --> 01:27:41,639

right now to understand what they can do

2222

01:27:47,209 --> 01:27:44,520

can they cloak I don't know

2223

01:27:48,709 --> 01:27:47,219

um can they can they do mind speak I've

2224

01:27:50,390 --> 01:27:48,719

never had one do that to me but I've

2225

01:27:52,370 --> 01:27:50,400

only lived in this one head all of my

2226

01:27:54,530 --> 01:27:52,380

life so I don't know I can't say

2227

01:27:56,629 --> 01:27:54,540

definitively yes or no

2228

01:27:58,250 --> 01:27:56,639

this this is interesting because you're

2229

01:28:00,530 --> 01:27:58,260

you're so good at answering questions

2230

01:28:02,689 --> 01:28:00,540

that you actually answered like three

2231

01:28:06,110 --> 01:28:02,699

questions in one the other two that I

2232

01:28:08,689 --> 01:28:06,120

had uh because I I've talked about I've

2233

01:28:10,490 --> 01:28:08,699

asked other guests this is about the

2234

01:28:13,490 --> 01:28:10,500

physics of it

2235

01:28:15,590 --> 01:28:13,500

um because for for that creature to be

2236

01:28:18,470 --> 01:28:15,600

able to walk up to your tent Terry and

2237

01:28:20,649 --> 01:28:18,480

then be able to walk away silently that

2238

01:28:24,410 --> 01:28:20,659

defies the laws of physics

2239

01:28:27,050 --> 01:28:24,420

he expressed and demonstrated the laws

2240

01:28:30,470 --> 01:28:27,060

of physics walking to your tent but then

2241

01:28:32,450 --> 01:28:30,480

somehow egressed without that and and

2242

01:28:34,250 --> 01:28:32,460

the general consensus of that group that

2243

01:28:36,590 --> 01:28:34,260

I was with said well he wanted you to

2244

01:28:39,729 --> 01:28:36,600

hear him he wanted to make sure that you

2245

01:28:42,830 --> 01:28:39,739

knew he was coming got it

2246

01:28:44,629 --> 01:28:42,840

I got nothing on that one because that

2247

01:28:46,250 --> 01:28:44,639

litter you know I was out in the woods

2248

01:28:49,490 --> 01:28:46,260

last weekend without litter you just

2249

01:28:52,250 --> 01:28:49,500

can't walk silently no you know that

2250

01:28:53,689 --> 01:28:52,260

Force litter you just it's just so I

2251

01:28:56,209 --> 01:28:53,699

don't know how something that's like

2252

01:28:57,950 --> 01:28:56,219

that could be upwards of 800 or a

2253

01:29:00,290 --> 01:28:57,960

thousand or more pounds could do

2254

01:29:02,390 --> 01:29:00,300

something like that I I got nothing I

2255

01:29:04,070 --> 01:29:02,400

absolutely got nothing and again had I

2256

01:29:06,770 --> 01:29:04,080

not been there and was telling me about

2257

01:29:08,629 --> 01:29:06,780

this I wouldn't believe me either

2258

01:29:09,590 --> 01:29:08,639

because he just defies everything that

2259

01:29:14,930 --> 01:29:09,600

we know

2260

01:29:17,750 --> 01:29:14,940

know go ahead Debs

2261

01:29:20,930 --> 01:29:17,760

I mean I I have a lot of questions but I

2262

01:29:24,050 --> 01:29:20,940

guess I would like to emphasize a point

2263

01:29:28,090 --> 01:29:24,060

that you made earlier that you had this

2264

01:29:31,510 --> 01:29:28,100

huge farm for these um beings to live on

2265

01:29:35,510 --> 01:29:31,520

and people are under this misconception

2266

01:29:37,970 --> 01:29:35,520

that there's no way that we are not

2267

01:29:40,910 --> 01:29:37,980

seeing these beings regularly if they're

2268

01:29:42,770 --> 01:29:40,920

there but they don't understand how many

2269

01:29:45,530 --> 01:29:42,780

places there are that they could be

2270

01:29:46,910 --> 01:29:45,540

hiding so I was just wondering if you

2271

01:29:49,430 --> 01:29:46,920

have like

2272

01:29:51,370 --> 01:29:49,440

um the number of Acres that we aren't

2273

01:29:54,470 --> 01:29:51,380

really

2274

01:29:56,330 --> 01:29:54,480

inhabiting or an idea of how many places

2275

01:30:00,470 --> 01:29:56,340

that they could hide that you could talk

2276

01:30:03,229 --> 01:30:00,480

about like it's generalizing through my

2277

01:30:04,729 --> 01:30:03,239

what I've learned how little cover they

2278

01:30:07,010 --> 01:30:04,739

actually need you know there's there's

2279

01:30:09,350 --> 01:30:07,020

reports of them

2280

01:30:11,810 --> 01:30:09,360

um new subdivisions are built in what

2281

01:30:15,110 --> 01:30:11,820

would be wooded areas as as we spread

2282

01:30:17,209 --> 01:30:15,120

out on the planet and you know they're

2283

01:30:19,129 --> 01:30:17,219

they just the reports of them walking

2284

01:30:20,689 --> 01:30:19,139

through subdivisions to get the trash

2285

01:30:22,310 --> 01:30:20,699

cans

2286

01:30:24,169 --> 01:30:22,320

um and nobody sees them until you're at

2287

01:30:26,689 --> 01:30:24,179

the trash can or you see the footprints

2288

01:30:30,530 --> 01:30:26,699

walking back in the muddy Road you know

2289

01:30:33,530 --> 01:30:30,540

they they truly and we again we do not

2290

01:30:36,050 --> 01:30:33,540

pay attention as as human beings we do

2291

01:30:38,570 --> 01:30:36,060

not pay attention to things so again

2292

01:30:40,790 --> 01:30:38,580

like like I've told you I've been on the

2293

01:30:42,530 --> 01:30:40,800

pinhody trail before where you take a

2294

01:30:44,870 --> 01:30:42,540

couple of steps back into the to the

2295

01:30:46,129 --> 01:30:44,880

foliage and if I stood there quietly and

2296

01:30:47,990 --> 01:30:46,139

didn't move and didn't make any noise

2297

01:30:50,510 --> 01:30:48,000

you'd walk right by me and never know I

2298

01:30:55,970 --> 01:30:53,330

their knowledge of movement is is such a

2299

01:30:58,490 --> 01:30:55,980

a force multiplier because they know

2300

01:31:01,370 --> 01:30:58,500

that they can get into a position in the

2301

01:31:03,950 --> 01:31:01,380

brush even with jet black fur like like

2302

01:31:06,709 --> 01:31:03,960

Harry here say say hi Hera there she is

2303

01:31:10,430 --> 01:31:06,719

my my little black panther

2304

01:31:12,590 --> 01:31:10,440

um and they if they just don't move

2305

01:31:14,930 --> 01:31:12,600

he won't see them and right you know

2306

01:31:17,750 --> 01:31:14,940

there may be there may be everybody that

2307

01:31:19,250 --> 01:31:17,760

that is on this screen right now all

2308

01:31:21,110 --> 01:31:19,260

four of us that have walked through the

2309

01:31:23,030 --> 01:31:21,120

woods and walked by one and been

2310

01:31:25,850 --> 01:31:23,040

observed and just didn't know it you

2311

01:31:28,189 --> 01:31:25,860

clearly felt that as a kid I'm kind of

2312

01:31:29,750 --> 01:31:28,199

thinking back to ironically the the area

2313

01:31:32,450 --> 01:31:29,760

that I grew up was called Blue Mountain

2314

01:31:35,090 --> 01:31:32,460

reservation in the Hudson Valley of New

2315

01:31:37,310 --> 01:31:35,100

York it's where I we owned a little

2316

01:31:40,250 --> 01:31:37,320

horse ranch and I was constantly in the

2317

01:31:42,110 --> 01:31:40,260

woods hiking or or riding my horse and

2318

01:31:44,330 --> 01:31:42,120

there were times when the horses didn't

2319

01:31:46,189 --> 01:31:44,340

want to go down a certain Trail I don't

2320

01:31:48,950 --> 01:31:46,199

know and they would they would refuse to

2321

01:31:51,290 --> 01:31:48,960

go so I don't know if that's indicative

2322

01:31:52,490 --> 01:31:51,300

of something you know I don't know there

2323

01:31:54,410 --> 01:31:52,500

are times you felt like you were being

2324

01:31:56,510 --> 01:31:54,420

watched but I never saw a thing so I

2325

01:31:58,450 --> 01:31:56,520

don't know you know yeah I and truly at

2326
01:32:01,189 --> 01:31:58,460
my grandmother's I never saw anything

2327
01:32:02,209 --> 01:32:01,199
but there was always this presence in

2328
01:32:05,390 --> 01:32:02,219
the woods

2329
01:32:07,910 --> 01:32:05,400
so you know I can't I can't really

2330
01:32:11,209 --> 01:32:07,920
answer that now as far as how many acres

2331
01:32:14,270 --> 01:32:11,219
they inhabit I basically they go where

2332
01:32:16,550 --> 01:32:14,280
they want to go it doesn't really matter

2333
01:32:20,510 --> 01:32:16,560
um I don't know how they do it but if

2334
01:32:22,310 --> 01:32:20,520
they have a need to go somewhere they go

2335
01:32:23,990 --> 01:32:22,320
yeah did you I don't know if you heard

2336
01:32:26,270 --> 01:32:24,000
Terry the one of the New Jersey

2337
01:32:29,290 --> 01:32:26,280
researchers talked about the Pine

2338
01:32:30,970 --> 01:32:29,300

Barrens as one of the biggest

2339

01:32:33,410 --> 01:32:30,980

state-owned

2340

01:32:36,950 --> 01:32:33,420

pieces of property in the entire nation

2341

01:32:39,350 --> 01:32:36,960

is 70 000 Acres or something it's and

2342

01:32:41,629 --> 01:32:39,360

that's huge some crazy I mean if if

2343

01:32:43,790 --> 01:32:41,639

anybody looks up the Pine Barrens in New

2344

01:32:45,229 --> 01:32:43,800

Jersey and they're researchers that go

2345

01:32:49,189 --> 01:32:45,239

there regularly I'm sure you've heard

2346

01:32:51,410 --> 01:32:49,199

them yeah uh it's it is it is massive so

2347

01:32:53,390 --> 01:32:51,420

you just think about that alone

2348

01:32:55,129 --> 01:32:53,400

um yeah I know we're getting short on

2349

01:32:57,770 --> 01:32:55,139

time but I have I have a friend that

2350

01:32:59,629 --> 01:32:57,780

tells me oh no we've we've researched

2351

01:33:01,610 --> 01:32:59,639

we've the satellites have seen all the

2352

01:33:04,729 --> 01:33:01,620

land We've Been Everywhere You know we

2353

01:33:07,189 --> 01:33:04,739

dude have you ever been to Alaska

2354

01:33:10,010 --> 01:33:07,199

I haven't been do you know that that in

2355

01:33:14,030 --> 01:33:10,020

Canada 50 of the population of Canada

2356

01:33:16,790 --> 01:33:14,040

live within a a small band right next to

2357

01:33:19,189 --> 01:33:16,800

the Canadian U.S border There Are Places

2358

01:33:20,270 --> 01:33:19,199

still in this world that we have not set

2359

01:33:23,030 --> 01:33:20,280

foot

2360

01:33:26,450 --> 01:33:23,040

and the satellites cannot see through

2361

01:33:28,490 --> 01:33:26,460

the trees so that's right there is still

2362

01:33:29,390 --> 01:33:28,500

plenty of places that are unexplored on

2363

01:33:31,370 --> 01:33:29,400

this planet

2364

01:33:32,810 --> 01:33:31,380
and if we had set foot there that

2365

01:33:35,090 --> 01:33:32,820
doesn't mean the Bigfoot's not also

2366

01:33:37,010 --> 01:33:35,100
there exactly that doesn't tell you

2367

01:33:39,229 --> 01:33:37,020
anything he may have been on vacation

2368

01:33:41,990 --> 01:33:39,239
that day who knows ABS absolutely he was

2369

01:33:44,390 --> 01:33:42,000
watching you oh yeah but you know there

2370

01:33:46,610 --> 01:33:44,400
was that kid uh there's a I think it's

2371

01:33:50,030 --> 01:33:46,620
on Amazon Prime a young maybe young

2372

01:33:54,110 --> 01:33:50,040
30-something who uh does a solo Traverse

2373

01:33:56,629 --> 01:33:54,120
of Canada and it with a partly canoe and

2374

01:33:58,129 --> 01:33:56,639
then portaging his own stuff and I was

2375

01:34:00,709 --> 01:33:58,139
very very scared for this guy being

2376

01:34:02,209 --> 01:34:00,719

alone because of what we know

2377

01:34:03,890 --> 01:34:02,219

um he didn't mention encountering

2378

01:34:06,890 --> 01:34:03,900

anything not that he necessarily would

2379

01:34:08,270 --> 01:34:06,900

have if he did but uh I I was just

2380

01:34:10,850 --> 01:34:08,280

thinking about that I was thinking about

2381

01:34:12,470 --> 01:34:10,860

him yeah uh his tent and Bigfoot and

2382

01:34:14,870 --> 01:34:12,480

everything

2383

01:34:17,330 --> 01:34:14,880

um now I do carry a Garmin inreach with

2384

01:34:19,129 --> 01:34:17,340

me now that I've gotten a little older

2385

01:34:21,590 --> 01:34:19,139

um when I'm out in the woods just in

2386

01:34:22,910 --> 01:34:21,600

case I get stupid and break my leg or

2387

01:34:25,129 --> 01:34:22,920

something my wife can at least know

2388

01:34:27,169 --> 01:34:25,139

where to start looking for me yeah I'm

2389

01:34:30,110 --> 01:34:27,179

gonna actually I'm gonna do the I've got

2390

01:34:32,090 --> 01:34:30,120

the new uh Apple Ultra that has a

2391

01:34:34,189 --> 01:34:32,100

feature like that but I'm going to get

2392

01:34:36,649 --> 01:34:34,199

one like yours because that battery is

2393

01:34:38,990 --> 01:34:36,659

gonna you know it's gonna stay and you

2394

01:34:42,770 --> 01:34:39,000

know it's not going to draw down

2395

01:34:46,070 --> 01:34:42,780

um I want to just ask you the eyes Terry

2396

01:34:48,050 --> 01:34:46,080

uh what are you thinking in terms of the

2397

01:34:50,270 --> 01:34:48,060

eyes

2398

01:34:53,570 --> 01:34:50,280

I mean as far as how they do it the

2399

01:34:55,430 --> 01:34:53,580

emanation of I don't know I've seen I

2400

01:34:58,370 --> 01:34:55,440

and I don't I typically try not to call

2401

01:35:00,229 --> 01:34:58,380

it I shine because it's it's I shine to

2402

01:35:02,090 --> 01:35:00,239

me is like when you shine a light on a

2403

01:35:04,729 --> 01:35:02,100

deer right and it reflects off the

2404

01:35:07,370 --> 01:35:04,739

retina you're providing that light this

2405

01:35:09,530 --> 01:35:07,380

is eye glue they're self-illuminating

2406

01:35:12,110 --> 01:35:09,540

um in that in that Meadow area that I

2407

01:35:14,450 --> 01:35:12,120

was at uh we had an experience where I I

2408

01:35:16,550 --> 01:35:14,460

had something called flashlight I shine

2409

01:35:17,930 --> 01:35:16,560

I didn't know what it was I woke up in

2410

01:35:19,370 --> 01:35:17,940

the middle of the night we were up on a

2411

01:35:21,770 --> 01:35:19,380

ridge

2412

01:35:24,290 --> 01:35:21,780

um and I was in my tent and there was

2413

01:35:25,610 --> 01:35:24,300

nobody around except our six people and

2414

01:35:28,129 --> 01:35:25,620

I looked like somebody was walking

2415

01:35:31,090 --> 01:35:28,139

around with a flashlight or a headlamp

2416

01:35:35,149 --> 01:35:31,100

outside my tent it swept across my tent

2417

01:35:36,470 --> 01:35:35,159

and you know I as a Boy Scout I when I

2418

01:35:39,050 --> 01:35:36,480

wake up in the middle of the woods you

2419

01:35:41,149 --> 01:35:39,060

learn be still be quiet when you wake up

2420

01:35:43,010 --> 01:35:41,159

and see if you can tell what woke you up

2421

01:35:44,810 --> 01:35:43,020

so I'm laying there and I thought well

2422

01:35:47,870 --> 01:35:44,820

it's just somebody out answering calling

2423

01:35:49,729 --> 01:35:47,880

nature so I went back to sleep

2424

01:35:52,149 --> 01:35:49,739

next morning

2425

01:35:54,410 --> 01:35:52,159

um we got up and got back to base camp

2426

01:35:56,450 --> 01:35:54,420

no one was out of their tents or

2427

01:35:58,010 --> 01:35:56,460

hammocks

2428

01:35:59,570 --> 01:35:58,020

um one of the guys that was with us did

2429

01:36:02,689 --> 01:35:59,580

say we were up on a ridge that you could

2430

01:36:05,169 --> 01:36:02,699

see kind of 100 miles he did say before

2431

01:36:07,250 --> 01:36:05,179

I went to sleep I saw three red lights

2432

01:36:10,550 --> 01:36:07,260

that were kind of floating in the air

2433

01:36:12,590 --> 01:36:10,560

way off in the distance

2434

01:36:15,770 --> 01:36:12,600

I don't know if they're connected I did

2435

01:36:17,750 --> 01:36:15,780

have uh got gifted a stick

2436

01:36:18,890 --> 01:36:17,760

through I'll show you a picture real

2437

01:36:20,629 --> 01:36:18,900

quick and I know we're getting we're

2438

01:36:22,570 --> 01:36:20,639

getting tight on time but take a look at

2439

01:36:26,570 --> 01:36:22,580

this picture

2440

01:36:28,129 --> 01:36:26,580

and notice the stick that goes through

2441

01:36:31,010 --> 01:36:28,139

the hip belt

2442

01:36:33,649 --> 01:36:31,020

it's interlaced this was laying outside

2443

01:36:35,750 --> 01:36:33,659

my tent on that night when the ice shine

2444

01:36:37,010 --> 01:36:35,760

happened all right glow happened there

2445

01:36:39,950 --> 01:36:37,020

were no sticks around there were no

2446

01:36:43,669 --> 01:36:39,960

trees around there was nothing wow

2447

01:36:46,970 --> 01:36:43,679

um that was in my tent or I'm sorry in

2448

01:36:49,850 --> 01:36:46,980

my backpack when I woke up and

2449

01:36:52,370 --> 01:36:49,860

the day before I had the most arduous

2450

01:36:55,370 --> 01:36:52,380

climb I've ever had in my life going up

2451

01:36:57,169 --> 01:36:55,380

this hill or this mountain basically

2452

01:36:59,330 --> 01:36:57,179

um I didn't know if I was going to make

2453

01:37:01,970 --> 01:36:59,340

it and I was struggling and I'm

2454

01:37:03,890 --> 01:37:01,980

wondering at this point did somebody see

2455

01:37:06,709 --> 01:37:03,900

me struggling and decided I needed a

2456

01:37:09,709 --> 01:37:06,719

walking stick I don't know that is

2457

01:37:12,110 --> 01:37:09,719

that's but sticks don't fall like that

2458

01:37:13,850 --> 01:37:12,120

no it seems like there's a beautiful

2459

01:37:18,229 --> 01:37:13,860

relationship between you and these

2460

01:37:21,169 --> 01:37:18,239

creatures that I I think is is uh you

2461

01:37:23,209 --> 01:37:21,179

know should be evident at this point uh

2462

01:37:25,669 --> 01:37:23,219

and what you had happen man where you

2463

01:37:28,790 --> 01:37:25,679

you walk close and said hey send me that

2464

01:37:30,649 --> 01:37:28,800

you know signal if if we're too close by

2465

01:37:33,890 --> 01:37:30,659

the way how many what's the distance on

2466

01:37:37,070 --> 01:37:33,900

the eyeballs uh from you in the end and

2467

01:37:39,229 --> 01:37:37,080

the I glow at that point

2468

01:37:41,209 --> 01:37:39,239

um it was it wasn't like it was

2469

01:37:43,090 --> 01:37:41,219

illuminating anything

2470

01:37:45,950 --> 01:37:43,100

um

2471

01:37:47,570 --> 01:37:45,960

so it was real localized uh you know

2472

01:37:50,750 --> 01:37:47,580

again it wasn't like a headlamp where it

2473

01:37:52,550 --> 01:37:50,760

spread out they're very well defined and

2474

01:37:55,030 --> 01:37:52,560

we're probably

2475

01:37:58,010 --> 01:37:55,040

at that point I was probably

2476

01:38:01,250 --> 01:37:58,020

25 30 feet

2477

01:38:05,689 --> 01:38:01,260

still pretty close pretty close got it

2478

01:38:06,950 --> 01:38:05,699

that makes sense uh anything final you

2479

01:38:09,410 --> 01:38:06,960

know

2480

01:38:11,149 --> 01:38:09,420

anything final from Mr Wendell before

2481

01:38:14,810 --> 01:38:11,159

Gabby goodbyes

2482

01:38:16,370 --> 01:38:14,820

uh what sorry go ahead please yeah just

2483

01:38:18,169 --> 01:38:16,380

real quick I was gonna say could you

2484

01:38:20,330 --> 01:38:18,179

just recommend a really good book for

2485

01:38:23,810 --> 01:38:20,340

people who are interested in this and

2486

01:38:27,430 --> 01:38:23,820

want to get into it for the first time

2487

01:38:30,169 --> 01:38:27,440

um into bigfooting or into camping or

2488

01:38:32,030 --> 01:38:30,179

there are so many um you know anything

2489

01:38:33,830 --> 01:38:32,040

by Grover Krantz or any of the Four

2490

01:38:36,590 --> 01:38:33,840

Horsemen

2491

01:38:37,550 --> 01:38:36,600

um stuff like that I think

2492

01:38:42,169 --> 01:38:37,560

um

2493

01:38:45,530 --> 01:38:42,179

remember the name of it but it's

2494

01:38:47,510 --> 01:38:45,540

basically a Bigfoot guide there's a lot

2495

01:38:48,950 --> 01:38:47,520

of interesting things in there I wish I

2496

01:38:51,590 --> 01:38:48,960

could remember the name of it but if you

2497

01:38:54,050 --> 01:38:51,600

do a Google search on it Jeff Meldrum

2498

01:38:56,149 --> 01:38:54,060

Bigfoot book you'll find it I've got a

2499

01:38:58,490 --> 01:38:56,159

copy of that and that's probably my

2500

01:39:00,470 --> 01:38:58,500

favorite to date wow

2501

01:39:01,850 --> 01:39:00,480

um but there's just there's a ton of

2502

01:39:06,229 --> 01:39:01,860

stuff out there

2503

01:39:10,910 --> 01:39:09,470

money yeah I I'm gonna just kick off the

2504

01:39:13,070 --> 01:39:10,920

uh the thank yous and the goodbyes

2505

01:39:15,050 --> 01:39:13,080

because uh Terry just listening to you

2506

01:39:18,470 --> 01:39:15,060

your stories and the way that you your

2507

01:39:21,050 --> 01:39:18,480

passion for not only Bigfoot but but

2508

01:39:23,629 --> 01:39:21,060

nature and it's rekindled an interest in

2509

01:39:25,729 --> 01:39:23,639

me to get out there more and get some

2510

01:39:27,290 --> 01:39:25,739

camping done and just just be out in the

2511

01:39:29,870 --> 01:39:27,300

woods uh and I think that that's

2512

01:39:31,490 --> 01:39:29,880

something that uh it's a lost art right

2513

01:39:33,709 --> 01:39:31,500

for for a lot of folks in our world

2514

01:39:37,129 --> 01:39:33,719

today it's just to kind of be present in

2515

01:39:38,930 --> 01:39:37,139

nature and let it impact us and clearly

2516

01:39:41,450 --> 01:39:38,940

it's made a big impact on you and and I

2517

01:39:43,490 --> 01:39:41,460

appreciate you sharing that love with us

2518

01:39:47,209 --> 01:39:43,500

so I'm glad to do it

2519

01:39:49,850 --> 01:39:47,219

dabs I have to agree I feel like um we

2520

01:39:51,590 --> 01:39:49,860

forget to connect to the Earth and I'm

2521

01:39:55,490 --> 01:39:51,600

glad that you're out there connecting

2522

01:39:58,310 --> 01:39:55,500

saying hello to for us some of us are on

2523

01:40:01,189 --> 01:39:58,320

asphalt and concrete all day long

2524

01:40:02,510 --> 01:40:01,199

and um please if you see Bigfoot say

2525

01:40:05,030 --> 01:40:02,520

hello for me

2526

01:40:06,410 --> 01:40:05,040

I will do it and definitely need you to

2527

01:40:08,050 --> 01:40:06,420

come back because we're going to need to

2528

01:40:11,629 --> 01:40:08,060

know how to get some of that medicine

2529

01:40:14,510 --> 01:40:11,639

and when I figure it out I'll let you

2530

01:40:17,450 --> 01:40:14,520

know okay thank you so much for coming

2531

01:40:19,729 --> 01:40:17,460

and educating us about this

2532

01:40:21,590 --> 01:40:19,739

well it's been my pleasure

2533

01:40:23,510 --> 01:40:21,600

um you know just everybody needs to take

2534

01:40:25,310 --> 01:40:23,520

their shoes off and walk around Barefoot

2535

01:40:26,750 --> 01:40:25,320

in the dirt once in a while

2536

01:40:28,550 --> 01:40:26,760

um

2537

01:40:31,610 --> 01:40:28,560

be good to the woods be good to each

2538

01:40:35,930 --> 01:40:31,620

other respect yourself respect the woods

2539

01:40:39,110 --> 01:40:35,940

uh just you know just do the right thing

2540

01:40:42,470 --> 01:40:39,120

I want to say my cabbie goodbye to you

2541

01:40:44,629 --> 01:40:42,480

um Terry thank you so much uh like I

2542

01:40:47,330 --> 01:40:44,639

said these guys I was just you know

2543

01:40:49,129 --> 01:40:47,340

glowing after after listening to you in

2544

01:40:51,530 --> 01:40:49,139

the Tokyo Airport and then forwarding

2545

01:40:53,450 --> 01:40:51,540

these guys that podcast I couldn't wait

2546

01:40:55,070 --> 01:40:53,460

to get you on I do want to go out on an

2547

01:41:00,370 --> 01:40:55,080

expedition with you so

2548

01:41:03,649 --> 01:41:00,380

um I've thinly failed agenda here uh so

2549

01:41:05,090 --> 01:41:03,659

no it wasn't whether I got to go with

2550

01:41:06,290 --> 01:41:05,100

you in the woods I wanted to talk to you

2551
01:41:08,330 --> 01:41:06,300
whether I got to go in the woods with

2552
01:41:10,850 --> 01:41:08,340
you or not but I definitely do

2553
01:41:13,250 --> 01:41:10,860
I'm gonna go next weekend with Tyler

2554
01:41:14,990 --> 01:41:13,260
Howell again who I went with last

2555
01:41:17,330 --> 01:41:15,000
weekend he's got a new spot that we're

2556
01:41:19,070 --> 01:41:17,340
going to go hike about two miles in and

2557
01:41:20,570 --> 01:41:19,080
look

2558
01:41:23,270 --> 01:41:20,580
um take some time to sit still and

2559
01:41:25,189 --> 01:41:23,280
listen yes sir yes sir I did I did last

2560
01:41:27,590 --> 01:41:25,199
time and I will again

2561
01:41:30,110 --> 01:41:27,600
um I am also inspired uh by you like

2562
01:41:32,030 --> 01:41:30,120
Nathan is hopefully I'm gonna get to

2563
01:41:33,470 --> 01:41:32,040

come up to Asheville and go out with in

2564

01:41:36,290 --> 01:41:33,480

the woods with Nathan this is something

2565

01:41:38,830 --> 01:41:36,300

that I'm I'm thinking about as well so I

2566

01:41:42,169 --> 01:41:38,840

want to go out with both of you guys

2567

01:41:44,870 --> 01:41:42,179

give me a yell oh yes that's what we

2568

01:41:46,550 --> 01:41:44,880

need to do exactly that's the approach

2569

01:41:49,430 --> 01:41:46,560

that's the approach

2570

01:41:51,770 --> 01:41:49,440

um and it is you're such a gentleman

2571

01:41:53,689 --> 01:41:51,780

um and and uh we're just so honored

2572

01:41:55,850 --> 01:41:53,699

because of the way that that you

2573

01:41:59,629 --> 01:41:55,860

approach this topic I think shouldn't

2574

01:42:01,550 --> 01:41:59,639

Inspire uh other big researchers to uh

2575

01:42:04,310 --> 01:42:01,560

Bigfoot researchers to kind of take a

2576

01:42:06,530 --> 01:42:04,320

look at it maybe a a less invasive

2577

01:42:09,890 --> 01:42:06,540

approach a less of a chasing approach

2578

01:42:12,169 --> 01:42:09,900

and more of just a slow gentle walk into

2579

01:42:14,810 --> 01:42:12,179

the woods and an acknowledgment of them

2580

01:42:16,609 --> 01:42:14,820

and and maybe gonna have more success

2581

01:42:18,470 --> 01:42:16,619

that way and not that everybody needs to

2582

01:42:20,090 --> 01:42:18,480

do it the same either I don't I don't

2583

01:42:22,790 --> 01:42:20,100

necessarily think that I think there's

2584

01:42:24,470 --> 01:42:22,800

more than one good way to do this but uh

2585

01:42:27,050 --> 01:42:24,480

but anyway thank you so much for the

2586

01:42:29,810 --> 01:42:27,060

honor and for Mr Terry Wendell for

2587

01:42:33,350 --> 01:42:29,820

Nathan for Debs this is DJ Singh peace

2588

01:42:35,270 --> 01:42:33,360

out one love we'll see you down the road

2589

01:42:37,470 --> 01:42:35,280

and we're always wondering what's up

2590

01:42:45,810 --> 01:42:37,480

around the bed
