5
00:00:47,330 --> 00:00:44,760

host DJ welcome to calling all beings

6
00:00:50,450 --> 00:00:47,340

Saturday edition where we will endeavor

7
00:00:52,670 --> 00:00:50,460

to bring on brothers and sisters not

8
00:00:55,549 --> 00:00:52,680

only from the UK but people who are from

9
00:00:57,229 --> 00:00:55,559

a time zone forward of uh of the United

10
00:00:59,569 --> 00:00:57,239

States to where we can make it

11
00:01:01,729 --> 00:00:59,579

accessible for them this was Nathan's

12
00:01:03,770 --> 00:01:01,739

idea and we're gonna try to we're going

13
00:01:07,130 --> 00:01:03,780

to try to do it at least once a month if

14

00:01:09,710 --> 00:01:07,140

not more so without further ado there he

15

00:01:13,550 --> 00:01:09,720

is with a great haircut

16

00:01:16,969 --> 00:01:13,560

with a great beard a man who I want to

17

00:01:19,130 --> 00:01:16,979

be more like in 2023 money Nathan I also

18

00:01:22,490 --> 00:01:19,140

want to be more like me in 2023 that

19

00:01:24,530 --> 00:01:22,500

sounds like a good goal uh yeah happy

20

00:01:25,969 --> 00:01:24,540

Saturday I you know I love this idea

21

00:01:28,010 --> 00:01:25,979

because we get a chance to speak to

22

00:01:29,929 --> 00:01:28,020

folks that aren't in our time zone that

23

00:01:31,789 --> 00:01:29,939

are in different places in the world and

24

00:01:33,830 --> 00:01:31,799

not only to speak with them but they can

25

00:01:35,450 --> 00:01:33,840

also jump in and help us co-host and

26

00:01:37,730 --> 00:01:35,460

have interviews and all that kind of fun

27

00:01:39,770 --> 00:01:37,740

stuff so the more the Mary that's what

28

00:01:42,170 --> 00:01:39,780

we're all about here and calling all

29

00:01:43,910 --> 00:01:42,180

30

00:01:45,830 --> 00:01:43,920

31

00:01:48,649 --> 00:01:45,840

32

00:01:52,190 --> 00:01:48,659

33

00:01:55,850 --> 00:01:52,200

34

00:01:58,850 --> 00:01:55,860

so many people cousins sisters siblings

35

00:02:01,490 --> 00:01:58,860

we we do we do and that that voice that

36

00:02:04,010 --> 00:02:01,500

you hear that smooth the silk voice that

37

00:02:06,830 --> 00:02:04,020

voice that wants to to you to lay back

38

00:02:08,809 --> 00:02:06,840

in that chair like you know have a cup

39

00:02:10,969 --> 00:02:08,819

of Ness Cafe with some sort of oat milk

40

00:02:14,869 --> 00:02:10,979

in there and and talk about what your

41

00:02:17,570 --> 00:02:14,879

problems is that is a study of UAP Debs

42

00:02:18,710 --> 00:02:17,580

the host of Deb's data Dojo how you

43

00:02:20,510 --> 00:02:18,720

44

00:02:22,670 --> 00:02:20,520

45

00:02:24,650 --> 00:02:22,680

story though I did not make coffee today

46

00:02:27,050 --> 00:02:24,660

I accidentally made hot cocoa so I'm

47

00:02:29,030 --> 00:02:27,060

getting chocolate today

48

00:02:31,430 --> 00:02:29,040

amazing Hollywood a little some hot

49

00:02:32,750 --> 00:02:31,440

cocoa baby give us some and let me tell

50

00:02:35,930 --> 00:02:32,760

chat right now we got a superstar of of

52
00:02:41,030 --> 00:02:38,580
the whole of the UFO Universe on Earth

53
00:02:43,670 --> 00:02:41,040
and that is none other than Miss Linda

54
00:02:45,470 --> 00:02:43,680
Thompson somebody I admire she's hanging

55
00:02:48,050 --> 00:02:45,480
out with her home girl who don't

56
00:02:52,250 --> 00:02:48,060
introduce me Julie Farrell our uh

57
00:02:54,770 --> 00:02:52,260
masters of the chat and of course my man

58
00:02:56,990 --> 00:02:54,780
another guy we endeavored look at the

59
00:02:59,089 --> 00:02:57,000
fire Nathan's got the fire going in the

60
00:03:00,229 --> 00:02:59,099
background he doesn't need any kindling

61
00:03:02,449 --> 00:03:00,239
he just goes

62
00:03:04,790 --> 00:03:02,459
do some like Bewitched type stuff and it

63
00:03:07,190 --> 00:03:04,800

just goes on fire uh Davey Johnson is

64

00:03:09,110 --> 00:03:07,200

here the host of shifting gears and a

65

00:03:11,149 --> 00:03:09,120

soon I'll tell you what I don't want to

66

00:03:13,670 --> 00:03:11,159

say soon to be anymore David I want to

67

00:03:14,930 --> 00:03:13,680

hear a starting date for this damn thing

68

00:03:16,250 --> 00:03:14,940

let's go

69

00:03:19,250 --> 00:03:16,260

uh

70

00:03:24,050 --> 00:03:19,260

but without further Ado we bout to bring

71

00:03:28,729 --> 00:03:24,060

in the hostess with the mostest okay she

72

00:03:31,490 --> 00:03:28,739

is a super energetic individual she is

73

00:03:33,050 --> 00:03:31,500

uh she's an empath she's a person who

74

00:03:35,809 --> 00:03:33,060

knows about the world of some white

75

00:03:37,850 --> 00:03:35,819

witchery and some stuff like that UFOs

76
00:03:39,890 --> 00:03:37,860
she got a pad down in Wales where she

77
00:03:43,869 --> 00:03:39,900
goes down and flip her collar up looking

78
00:03:46,729 --> 00:03:43,879
like she's in a J crew ad uh

79
00:03:49,070 --> 00:03:46,739
Jesus cools the other side of the pillow

80
00:03:56,149 --> 00:03:49,080
put your hands together

81
00:03:58,210 --> 00:03:56,159
for liver pools oh miss Hollywood

82
00:04:00,890 --> 00:03:58,220
hey

83
00:04:03,430 --> 00:04:00,900
hello everybody

84
00:04:06,589 --> 00:04:03,440
you know Holly

85
00:04:09,070 --> 00:04:06,599
you know you're really shy you're really

86
00:04:11,509 --> 00:04:09,080
reserved you're really introverted

87
00:04:12,770 --> 00:04:11,519
Nathan and I decided today we talked

88
00:04:14,929 --> 00:04:12,780

privately and said we're going to try to

89

00:04:16,849 --> 00:04:14,939

draw Holly out we're going to try to

90

00:04:17,870 --> 00:04:16,859

bring her out of her shell it's not easy

91

00:04:20,270 --> 00:04:17,880

yeah

92

00:04:23,210 --> 00:04:20,280

it's gonna be tough what are we gonna do

93

00:04:24,370 --> 00:04:23,220

yeah she's like my Shell's been gone for

94

00:04:29,210 --> 00:04:24,380

that

95

00:04:32,210 --> 00:04:29,220

for 35 years my Shell's been gone so I'm

96

00:04:33,469 --> 00:04:32,220

very quiet very very very very shy so

97

00:04:35,689 --> 00:04:33,479

guys I don't know what we're gonna do

98

00:04:37,610 --> 00:04:35,699

for the next however long but we'll get

99

00:04:41,810 --> 00:04:37,620

through it together we will we'll

100

00:04:45,290 --> 00:04:43,850

and do and you know do as and you said

101
00:04:47,090 --> 00:04:45,300
you were going to do as much Liverpool

102
00:04:49,610 --> 00:04:47,100
accent as possible you're gonna ham it

103
00:04:52,070 --> 00:04:49,620
up much like my wife does for me

104
00:04:54,710 --> 00:04:52,080
I shall I think you've got a slight

105
00:04:55,670 --> 00:04:54,720
obsession with my uh dad Impressions so

106
00:04:59,450 --> 00:04:55,680
we may

107
00:05:00,830 --> 00:04:59,460
drop one or two in yes and suffix you

108
00:05:04,629 --> 00:05:00,840
know some of your sentences with the

109
00:05:07,490 --> 00:05:04,639
word kid for no apparent reason okay

110
00:05:10,969 --> 00:05:07,500
law we we can do it all we are

111
00:05:12,409 --> 00:05:10,979
multifaceted DJ kid all right by the way

112
00:05:14,570 --> 00:05:12,419
if you guys are wondering about this

113
00:05:17,450 --> 00:05:14,580

headgear this was a Christmas present

114

00:05:20,390 --> 00:05:17,460

that uh Deb was kind enough to give

115

00:05:22,070 --> 00:05:20,400

Nathan and I uh you know like I felt

116

00:05:24,770 --> 00:05:22,080

like such a loser with my Christmas gift

117

00:05:27,950 --> 00:05:24,780

after seeing the amazing gifts that Deb

118

00:05:30,170 --> 00:05:27,960

gave us at the uh anomalous Symposium in

119

00:05:32,629 --> 00:05:30,180

New York uh forgive me inquiry into the

120

00:05:35,689 --> 00:05:32,639

anomalous in Nueva York with uh James

121

00:05:38,450 --> 00:05:35,699

iandoli and J JC King and by the way

122

00:05:40,490 --> 00:05:38,460

James has helped us get some some

123

00:05:43,310 --> 00:05:40,500

Heavies man that are booked on the show

124

00:05:46,550 --> 00:05:43,320

Dr Jeff cripples coming up Holly and uh

125

00:05:48,110 --> 00:05:46,560

Sean s Bjorn hargens who is apparently

126

00:05:51,770 --> 00:05:48,120

at least half Viking and maybe half

127

00:05:55,330 --> 00:05:51,780

Irish sorry what now

128

00:05:58,430 --> 00:05:55,340

exactly does he have a wife

129

00:06:00,650 --> 00:05:58,440

she really leaned in on that one yeah

130

00:06:02,870 --> 00:06:00,660

I had Irish hiking

131

00:06:05,029 --> 00:06:02,880

I know right he was at that last

132

00:06:07,310 --> 00:06:05,039

Symposium he spoke at that one and and

133

00:06:09,890 --> 00:06:07,320

uh and he's he's really fascinating guy

134

00:06:13,249 --> 00:06:09,900

so we're PR and Anan ET is in the house

135

00:06:15,950 --> 00:06:13,259

what's up Holmes uh John Chapman looking

136

00:06:18,290 --> 00:06:15,960

good Holly great ears yeah uh I'll tell

137

00:06:20,870 --> 00:06:18,300

you what Holly is uh you know what I

138

00:06:25,510 --> 00:06:20,880

mean should we do it you ready go ahead

139

00:06:33,249 --> 00:06:28,930

I've had so much fun with these

140

00:06:35,870 --> 00:06:33,259

they're incredible I'm 37.

141

00:06:37,850 --> 00:06:35,880

37 years old

142

00:06:40,309 --> 00:06:37,860

minutes it seems like with these bad

143

00:06:43,400 --> 00:06:40,319

boys on

144

00:06:46,189 --> 00:06:44,870

[Laughter]

145

00:06:48,230 --> 00:06:46,199

all right

146

00:06:49,670 --> 00:06:48,240

um I wanted to we wanted to interview a

147

00:06:51,770 --> 00:06:49,680

little bit before we get into the

148

00:06:53,210 --> 00:06:51,780

fireside chat whereby Nathan's gonna

149

00:06:56,029 --> 00:06:53,220

have to leave a little bit early today

150

00:06:58,610 --> 00:06:56,039

so he's gonna uh once we get into the

151

00:07:00,170 --> 00:06:58,620

Fireside portion this he'll go first I

152

00:07:02,809 --> 00:07:00,180

don't see Leah prime time I don't know

153

00:07:04,790 --> 00:07:02,819

where Prime time's at so Nathan if you

154

00:07:07,010 --> 00:07:04,800

would uh go ahead with the interview

155

00:07:08,150 --> 00:07:07,020

portion of this business and I will text

156

00:07:09,890 --> 00:07:08,160

prime time

157

00:07:11,150 --> 00:07:09,900

yeah let's jump right into it and the

158

00:07:12,770 --> 00:07:11,160

good news is actually don't leave early

159

00:07:14,629 --> 00:07:12,780

today my plans have changed so

160

00:07:17,510 --> 00:07:14,639

everything is good here's the whole

161

00:07:19,550 --> 00:07:17,520

thing yeah so Holly uh I love everything

162

00:07:21,409 --> 00:07:19,560

you're about I love the ears and I love

163

00:07:22,790 --> 00:07:21,419

everything you're doing uh but I want to

164

00:07:24,290 --> 00:07:22,800

jump into something that that I know

165

00:07:26,450 --> 00:07:24,300

very little about even though I've been

166

00:07:28,249 --> 00:07:26,460

there what's the you can speak more to

167

00:07:30,770 --> 00:07:28,259

the kind of Welsh connection to the

168

00:07:32,330 --> 00:07:30,780

phenomena what is it about whales the

169

00:07:34,909 --> 00:07:32,340

people the country there seems to be a

170

00:07:38,330 --> 00:07:34,919

lot of activity in that area what uh

171

00:07:45,409 --> 00:07:42,469

I have a family farm in North Wales and

172

00:07:47,029 --> 00:07:45,419

um although we're not Welsh Welsh

173

00:07:49,189 --> 00:07:47,039

um you know we've resided there for a

174

00:07:51,350 --> 00:07:49,199

long time and I said I grew up

175

00:07:53,710 --> 00:07:51,360

um just outside of Liverpool in a place

176
00:07:57,650 --> 00:07:53,720
called The Wirral which kind of borders

177
00:08:00,650 --> 00:07:57,660
onto North Wales and for me

178
00:08:03,170 --> 00:08:00,660
North what Wales the places out there

179
00:08:05,570 --> 00:08:03,180
the places I've been there's a there's

180
00:08:08,570 --> 00:08:05,580
there's a mysticism about those Welsh

181
00:08:10,550 --> 00:08:08,580
Hills there's this kind of you can feel

182
00:08:13,370 --> 00:08:10,560
the magic through the Rolling Hills of

183
00:08:16,670 --> 00:08:13,380
snowdonia the legends of of the Dragons

184
00:08:18,589 --> 00:08:16,680
still is prevalent the the mysteries of

185
00:08:21,050 --> 00:08:18,599
the Welsh gold that still Tinkles

186
00:08:22,969 --> 00:08:21,060
through the rivers and there's that you

187
00:08:26,629 --> 00:08:22,979
know how there's that sort of Celtic

188
00:08:30,290 --> 00:08:26,639

vibe in in Ireland and in Scotland Wales

189

00:08:31,490 --> 00:08:30,300

has a for me has a bit more of a theme

190

00:08:33,469 --> 00:08:31,500

feminine

191

00:08:37,310 --> 00:08:33,479

energy to it

192

00:08:40,730 --> 00:08:37,320

um and it it is a hot spot of activity

193

00:08:43,550 --> 00:08:40,740

um for them whoever they may be and

194

00:08:46,070 --> 00:08:43,560

um there's quite a few heists

195

00:08:47,150 --> 00:08:46,080

um and C5 groups and that I'm certainly

196

00:08:49,009 --> 00:08:47,160

involved with

197

00:08:52,610 --> 00:08:49,019

um North Wales and in the South there's

198

00:08:55,490 --> 00:08:52,620

a there's a massive UFO Network down in

199

00:08:57,710 --> 00:08:55,500

the south of Wales but it's still one of

200

00:09:00,410 --> 00:08:57,720

the United Kingdoms

201
00:09:02,870 --> 00:09:00,420
green places you have the Rolling Hills

202
00:09:04,610 --> 00:09:02,880
you have the the North Sea well not the

203
00:09:07,070 --> 00:09:04,620
north side Jesus Christ where am I you

204
00:09:10,250 --> 00:09:07,080
have the Irish sea and it

205
00:09:12,590 --> 00:09:10,260
still just a place of magic and myth and

206
00:09:14,650 --> 00:09:12,600
you can feel it in to me I think that

207
00:09:19,850 --> 00:09:14,660
all knits together to paint this

208
00:09:21,290 --> 00:09:19,860
esoteric type feeling and Vibe and I I

209
00:09:24,710 --> 00:09:21,300
feel definitely when I'm in the marsh

210
00:09:26,570 --> 00:09:24,720
Hills there's just just magic yeah no I

211
00:09:29,449 --> 00:09:26,580
agree I've been to the Brecken beacons

212
00:09:32,870 --> 00:09:29,459
uh and it's absolutely beautiful and

213
00:09:35,449 --> 00:09:32,880

just as you said the the place feels

214

00:09:37,910 --> 00:09:35,459

a little bit here and there there's a

215

00:09:40,490 --> 00:09:37,920

thinness between the Realms in a way

216

00:09:42,170 --> 00:09:40,500

there's very Fantastical I've never seen

217

00:09:45,889 --> 00:09:42,180

green like I've seen green and whales

218

00:09:47,389 --> 00:09:45,899

it's incredibly Rich uh vibrant so if

219

00:09:49,130 --> 00:09:47,399

you haven't had a chance to go folks uh

220

00:09:50,630 --> 00:09:49,140

check it out but and there are a lot of

221

00:09:52,610 --> 00:09:50,640

a lot of active groups there as you said

222

00:09:54,590 --> 00:09:52,620

so how often are are groups kind of

223

00:09:55,970 --> 00:09:54,600

getting together and and doing Heist

224

00:09:57,949 --> 00:09:55,980

activities

225

00:09:59,509 --> 00:09:57,959

there's still some unknown groups

226

00:10:01,790 --> 00:09:59,519

there's it's

227

00:10:03,470 --> 00:10:01,800

um the thesis in Wales that are quite

228

00:10:05,210 --> 00:10:03,480

I'm trying to be very diplomatic because

229

00:10:09,370 --> 00:10:05,220

I don't want to get my Welsh badge taken

230

00:10:12,470 --> 00:10:09,380

off me but this yeah be careful

231

00:10:14,170 --> 00:10:12,480

sorry I've just called you you're all

232

00:10:16,790 --> 00:10:14,180

dirty pigs in Welsh

233

00:10:18,829 --> 00:10:16,800

I don't know what she said I have my

234

00:10:22,550 --> 00:10:18,839

phaser right here I can no I'm just

235

00:10:24,949 --> 00:10:22,560

kidding it's this we um I'll reiterate

236

00:10:27,170 --> 00:10:24,959

the story we we went with a group from

237

00:10:29,449 --> 00:10:27,180

Liverpool and in the north west that I

238

00:10:31,009 --> 00:10:29,459

helped coordinate and we drove to the

239

00:10:31,670 --> 00:10:31,019

the kind of

240

00:10:34,550 --> 00:10:31,680

um

241

00:10:36,590 --> 00:10:34,560

Hills slash Moors of a place called

242

00:10:38,810 --> 00:10:36,600

Denby and this very famous the Denby

243

00:10:41,810 --> 00:10:38,820

lights people know about that that case

244

00:10:44,210 --> 00:10:41,820

so we we packed ourselves up and we all

245

00:10:46,970 --> 00:10:44,220

ran off to the hills and when I say it

246

00:10:48,850 --> 00:10:46,980

biblically range we were short of Noah

247

00:10:51,650 --> 00:10:48,860

coming along On and On

248

00:10:53,509 --> 00:10:51,660

we saw no we saw no

249

00:10:56,150 --> 00:10:53,519

um lights and we didn't experience

250

00:10:59,449 --> 00:10:56,160

anything but what we did experience was

251
00:11:01,790 --> 00:10:59,459
the change in weather was so Dynamic and

252
00:11:04,069 --> 00:11:01,800
so quick that you know at one point The

253
00:11:06,769 --> 00:11:04,079
Mists rolled in and it really speaks to

254
00:11:08,710 --> 00:11:06,779
what you said that Nathan that there's a

255
00:11:11,269 --> 00:11:08,720
kind of you're walking between between

256
00:11:13,430 --> 00:11:11,279
two times and you're walking through

257
00:11:15,470 --> 00:11:13,440
history but the present in

258
00:11:17,449 --> 00:11:15,480
um you know Wales is just a beautiful

259
00:11:18,889 --> 00:11:17,459
beautiful place in

260
00:11:21,290 --> 00:11:18,899
um everyone should experience a bit of

261
00:11:24,110 --> 00:11:21,300
time in them Hills certainly there's all

262
00:11:26,210 --> 00:11:24,120
this old um tales of the pigs I think I

263
00:11:28,670 --> 00:11:26,220

I ever get it right of the small people

264

00:11:33,170 --> 00:11:28,680

of the hills which were often mistaken

265

00:11:35,449 --> 00:11:33,180

for perhaps Faye or Little P people

266

00:11:37,069 --> 00:11:35,459

um and you know I've I've had

267

00:11:40,850 --> 00:11:37,079

experiences

268

00:11:43,430 --> 00:11:40,860

um in Anglesey where we had we heard the

269

00:11:46,910 --> 00:11:43,440

pattern of feet and the sound of voices

270

00:11:48,590 --> 00:11:46,920

and we've seen a string of Light Pop Up

271

00:11:51,410 --> 00:11:48,600

by the side of this beautiful oak tree

272

00:11:54,410 --> 00:11:51,420

and there's nobody there so there's

273

00:11:55,970 --> 00:11:54,420

magic there for sure amazing and there's

274

00:11:58,190 --> 00:11:55,980

a lot of consonants in Wales are the

275

00:12:00,290 --> 00:11:58,200

vowels uh somewhere else where did the

276

00:12:02,690 --> 00:12:00,300

vowels go

277

00:12:08,050 --> 00:12:02,700

um I'm not sure but really I'll do my

278

00:12:10,970 --> 00:12:08,060

best in day two ped web him now

279

00:12:14,449 --> 00:12:10,980

any Welsh people don't shoot me but I

280

00:12:18,110 --> 00:12:14,459

think that was ten amazing thank you

281

00:12:21,410 --> 00:12:18,120

rock man but that's what scousers have I

282

00:12:24,710 --> 00:12:21,420

think in our accent because Welsh they

283

00:12:27,590 --> 00:12:24,720

have the and that carries over to kind

284

00:12:29,590 --> 00:12:27,600

of where I'm from and just for for DJ

285

00:12:33,050 --> 00:12:29,600

kind of Coke

286

00:12:34,790 --> 00:12:33,060

[Laughter]

287

00:12:36,350 --> 00:12:34,800

yeah I I have a lot of Jewish Family

288

00:12:39,590 --> 00:12:36,360

that speaks like that when they speak

289

00:12:41,990 --> 00:12:39,600

Yiddish so uh anyway

290

00:12:44,449 --> 00:12:42,000

um for those I mean we we have the

291

00:12:46,069 --> 00:12:44,459

benefit of having somebody here from the

292

00:12:47,509 --> 00:12:46,079

United Kingdom that's that's well

293

00:12:51,350 --> 00:12:47,519

traveled and so for our American

294

00:12:55,069 --> 00:12:51,360

audience can you give us a sentence on

295

00:12:56,930 --> 00:12:55,079

you know you you just gave us a whales

296

00:12:59,509 --> 00:12:56,940

you gave us some sentences on that can

297

00:13:01,129 --> 00:12:59,519

you give us a sentence on Scotland in a

298

00:13:06,590 --> 00:13:01,139

sentence on Ireland

299

00:13:08,629 --> 00:13:06,600

me you yeah you really know it I mean we

300

00:13:11,210 --> 00:13:08,639

you know we know what we've read about

301
00:13:12,769 --> 00:13:11,220
it or you know went on vacation Maybe

302
00:13:18,530 --> 00:13:12,779
for me

303
00:13:21,410 --> 00:13:18,540
island is the

304
00:13:24,470 --> 00:13:21,420
to the green it's the land of

305
00:13:26,269 --> 00:13:24,480
magic in in oh it's just a beautiful

306
00:13:29,030 --> 00:13:26,279
place but it's like the Emerald Isle so

307
00:13:31,490 --> 00:13:29,040
for me when I go back to to Ireland

308
00:13:33,710 --> 00:13:31,500
there's always a there's always a warm

309
00:13:37,009 --> 00:13:33,720
hug and a warm tradition and there's

310
00:13:38,810 --> 00:13:37,019
always a openness of heart in Ireland I

311
00:13:41,389 --> 00:13:38,820
spent time hitchhiking around the south

312
00:13:43,610 --> 00:13:41,399
coast of Ireland many years ago and I

313
00:13:46,009 --> 00:13:43,620

didn't have any money uh you know I had

314

00:13:48,350 --> 00:13:46,019

a couple of quids and I was welcomed by

315

00:13:50,690 --> 00:13:48,360

all of these beautiful little Irish nuns

316

00:13:52,910 --> 00:13:50,700

that just wanted to feed me a soda bread

317

00:13:55,430 --> 00:13:52,920

and and make sure I'd gone to mass and

318

00:13:58,129 --> 00:13:55,440

I'd set my prayers and you know the

319

00:14:01,190 --> 00:13:58,139

mysticism of Catholicism is still very

320

00:14:03,410 --> 00:14:01,200

has its own tradition in Ireland and I

321

00:14:06,050 --> 00:14:03,420

think I haven't actually spent too much

322

00:14:08,990 --> 00:14:06,060

time in Scotland and the times I have

323

00:14:11,269 --> 00:14:09,000

spent there I um went to find Nessie

324

00:14:15,889 --> 00:14:11,279

turns out she's really really really

325

00:14:16,610 --> 00:14:15,899

hard to find but for me Scotland has its

326

00:14:18,470 --> 00:14:16,620

um

327

00:14:21,590 --> 00:14:18,480

Scotland feels very male in its energy

328

00:14:23,509 --> 00:14:21,600

for me I've I spent some time up in a

329

00:14:24,530 --> 00:14:23,519

place called Colony Stone Circle up

330

00:14:26,269 --> 00:14:24,540

there and

331

00:14:29,150 --> 00:14:26,279

um I had a house experience in the in

332

00:14:30,650 --> 00:14:29,160

that Circle so there's magic across our

333

00:14:33,710 --> 00:14:30,660

Fire Kingdom and that's what makes

334

00:14:36,590 --> 00:14:33,720

England so beautiful you can drive four

335

00:14:39,350 --> 00:14:36,600

hours and you can be transported to

336

00:14:41,810 --> 00:14:39,360

another time another place you can walk

337

00:14:43,069 --> 00:14:41,820

through you can walk with history and I

338

00:14:45,650 --> 00:14:43,079

think that's what's so beautiful about

339

00:14:47,810 --> 00:14:45,660

Britain is that you can walk the path of

340

00:14:50,150 --> 00:14:47,820

the Celtics you can walk the path with

341

00:14:52,550 --> 00:14:50,160

the Vikings you can you can find

342

00:14:55,790 --> 00:14:52,560

yourself in a rolling mistful castle and

343

00:14:57,290 --> 00:14:55,800

and hear the traditions of old and I've

344

00:14:59,629 --> 00:14:57,300

spent a lot of time with some Druid

345

00:15:01,430 --> 00:14:59,639

orders in in the South and you know

346

00:15:03,470 --> 00:15:01,440

there's just magic if you just scratch

347

00:15:06,829 --> 00:15:03,480

beneath the surface there's magic

348

00:15:09,110 --> 00:15:06,839

everywhere so yeah come to England

349

00:15:11,750 --> 00:15:09,120

come it's uh well you have two people

350

00:15:13,310 --> 00:15:11,760

here that it's like I mean Deb's been

351

00:15:15,470 --> 00:15:13,320

overseas as well I don't know I know

352

00:15:16,550 --> 00:15:15,480

she's been Germany and uh I don't know

353

00:15:18,769 --> 00:15:16,560

about England she's going to tell you

354

00:15:21,290 --> 00:15:18,779

here in a second but Nathan I love both

355

00:15:23,629 --> 00:15:21,300

love England I mean I just infatuated

356

00:15:26,269 --> 00:15:23,639

with the place frankly

357

00:15:31,129 --> 00:15:26,279

um Debs go ahead my friend I have been

358

00:15:34,189 --> 00:15:31,139

to Egypt and Germany and Italy and a few

359

00:15:36,530 --> 00:15:34,199

other places Pompeii gets that sensation

360

00:15:38,990 --> 00:15:36,540

of walking back in time too but I have

361

00:15:40,610 --> 00:15:39,000

not gotten to go to England just yet I

362

00:15:45,050 --> 00:15:40,620

was in the airport for France though I

363

00:15:51,290 --> 00:15:48,410

I I wanted to ask if I can about a

364

00:15:54,590 --> 00:15:51,300

recent publication I saw referring to

365

00:15:56,090 --> 00:15:54,600

the women of ufology

366

00:15:59,569 --> 00:15:56,100

um if you could just tell people about

367

00:16:03,170 --> 00:15:59,579

the future of publication talking about

368

00:16:06,290 --> 00:16:03,180

um a young lady who does ce5 and um

369

00:16:08,930 --> 00:16:06,300

yeah but can you talk people about it

370

00:16:12,650 --> 00:16:08,940

was Hollywood well

371

00:16:18,769 --> 00:16:15,610

I didn't see that coming

372

00:16:20,449 --> 00:16:18,779

he's so funny Nate that

373

00:16:24,250 --> 00:16:20,459

um what was the question talking about

374

00:16:28,490 --> 00:16:24,260

C5 in the UK yeah the article that yeah

375

00:16:30,530 --> 00:16:28,500

yeah so um it was it was a research from

376

00:16:34,490 --> 00:16:30,540

last year we um I've worked in public

377

00:16:36,769 --> 00:16:34,500

relations for most of my life and I kind

378

00:16:39,710 --> 00:16:36,779

of noticed that

379

00:16:42,530 --> 00:16:39,720

sometimes the Press isn't so kind to

380

00:16:44,689 --> 00:16:42,540

those of us who are into UFOs or those

381

00:16:47,269 --> 00:16:44,699

of us certainly who stand in fields

382

00:16:50,930 --> 00:16:47,279

trying to make contact with them

383

00:16:52,610 --> 00:16:50,940

um so I was approached by The Daily Mail

384

00:16:54,650 --> 00:16:52,620

and it was around about the same time

385

00:16:58,189 --> 00:16:54,660

that our wonderful mates over at UAP

386

00:17:02,090 --> 00:16:58,199

media releasing all the coal Vine stuff

387

00:17:03,949 --> 00:17:02,100

um so there was an air of kindness

388

00:17:05,630 --> 00:17:03,959

um about those of us that are in this

389

00:17:07,970 --> 00:17:05,640

community and you know we're in this

390

00:17:09,470 --> 00:17:07,980

topic so they reached out to me and we

391

00:17:11,990 --> 00:17:09,480

did an article

392

00:17:15,110 --> 00:17:12,000

um and they they they were really quite

393

00:17:17,870 --> 00:17:15,120

cool and kind and they they publicized

394

00:17:20,870 --> 00:17:17,880

my involvement in the C5 and Heist

395

00:17:23,449 --> 00:17:20,880

Community here in the UK but they also

396

00:17:26,090 --> 00:17:23,459

wanted to highlight females sisters

397

00:17:28,010 --> 00:17:26,100

doing it because more often than not

398

00:17:30,049 --> 00:17:28,020

sorry chaps you know it can be quite

399

00:17:31,669 --> 00:17:30,059

male dominated

400

00:17:34,370 --> 00:17:31,679

um and they really wanted to put the

401
00:17:35,870 --> 00:17:34,380
spotlight on you know female UFO

402
00:17:37,850 --> 00:17:35,880
researchers

403
00:17:40,730 --> 00:17:37,860
um they initially wanted to call us

404
00:17:43,190 --> 00:17:40,740
hunters and I was like absolutely not

405
00:17:44,810 --> 00:17:43,200
negative connotation and they were just

406
00:17:46,730 --> 00:17:44,820
really cool

407
00:17:48,230 --> 00:17:46,740
um and we you know I've established a

408
00:17:50,570 --> 00:17:48,240
really quite good relationship with that

409
00:17:53,330 --> 00:17:50,580
journalist and actually

410
00:17:54,950 --> 00:17:53,340
God I can't hold my own water

411
00:17:56,570 --> 00:17:54,960
um something if you have to go to the

412
00:17:59,810 --> 00:17:56,580
bathroom go ahead

413
00:18:01,789 --> 00:17:59,820

something will be coming soon

414

00:18:04,010 --> 00:18:01,799

um a bit of a follow-up I believe

415

00:18:07,130 --> 00:18:04,020

um because I broke my leg so I was

416

00:18:08,990 --> 00:18:07,140

unable to do a follow-up with them but

417

00:18:10,610 --> 00:18:09,000

um I have invited and extended the

418

00:18:12,950 --> 00:18:10,620

invitation for them to come and join us

419

00:18:14,029 --> 00:18:12,960

in the field at one of our high sessions

420

00:18:15,770 --> 00:18:14,039

which

421

00:18:17,990 --> 00:18:15,780

really putting it out there aren't we

422

00:18:20,150 --> 00:18:18,000

but um yeah

423

00:18:22,549 --> 00:18:20,160

we shall see but it was a great article

424

00:18:24,710 --> 00:18:22,559

very very very blessed that they took

425

00:18:27,169 --> 00:18:24,720

the interest in ultimately what what

426

00:18:29,690 --> 00:18:27,179

that article did is it opened a lot of

427

00:18:30,529 --> 00:18:29,700

conversations for me and it opened a lot

428

00:18:33,230 --> 00:18:30,539

of

429

00:18:36,650 --> 00:18:33,240

um people came forward people who would

430

00:18:38,810 --> 00:18:36,660

necessarily speak up you know I'm very

431

00:18:41,810 --> 00:18:38,820

secure in my job I'm very secure in my

432

00:18:43,970 --> 00:18:41,820

life you know I I have had contact with

433

00:18:45,710 --> 00:18:43,980

them I'm happy to talk about that until

434

00:18:48,350 --> 00:18:45,720

the cows come home but some people

435

00:18:49,430 --> 00:18:48,360

aren't and that article

436

00:18:51,409 --> 00:18:49,440

um

437

00:18:52,610 --> 00:18:51,419

inspires a bit of confidence in some

438

00:18:54,710 --> 00:18:52,620

people that wouldn't have come forward

439

00:18:56,570 --> 00:18:54,720

and that some of those people I'm really

440

00:18:59,090 --> 00:18:56,580

lucky to call friends now and colleagues

441

00:19:01,250 --> 00:18:59,100

within this topic so it did some good

442

00:19:02,029 --> 00:19:01,260

which I'm all about doing good where you

443

00:19:03,830 --> 00:19:02,039

can

444

00:19:05,270 --> 00:19:03,840

does that mean that when the cows come

445

00:19:07,010 --> 00:19:05,280

home you have to stop talking about it

446

00:19:09,230 --> 00:19:07,020

because you said you'll talk about it

447

00:19:12,409 --> 00:19:09,240

until they come home then whatever they

448

00:19:14,630 --> 00:19:12,419

come home and then um we we take a

449

00:19:17,890 --> 00:19:14,640

scheduled break and then we turn the

450

00:19:21,950 --> 00:19:20,450

but there's no lasers and cattle

451

00:19:26,510 --> 00:19:21,960

mutilation like you're not cutting out

452

00:19:28,250 --> 00:19:26,520

like no okay no it's good all right um

453

00:19:30,470 --> 00:19:28,260

can you describe yourself Holly could

454

00:19:32,630 --> 00:19:30,480

you for the audience just explain who

455

00:19:36,350 --> 00:19:32,640

who you see yourself as

456

00:19:37,370 --> 00:19:36,360

who do I see myself out I'm a mom I'm a

457

00:19:40,690 --> 00:19:37,380

friend

458

00:19:44,210 --> 00:19:40,700

I'm as mad as a box of France really I'm

459

00:19:46,130 --> 00:19:44,220

he'll yeah I've had these rumors these

460

00:19:48,950 --> 00:19:46,140

vicious rumors

461

00:19:51,529 --> 00:19:48,960

um I'm curious about the Unseen

462

00:19:54,110 --> 00:19:51,539

I was brought up in a very esoteric way

463

00:19:57,909 --> 00:19:54,120

my mother was a very well-known Mystic

464

00:20:00,049 --> 00:19:57,919

in White Witch so my um

465

00:20:02,930 --> 00:20:00,059

my kind of

466

00:20:06,169 --> 00:20:02,940

shimmy into this world

467

00:20:08,510 --> 00:20:06,179

um has been from a child and I think I

468

00:20:10,970 --> 00:20:08,520

toe the line between mischief and

469

00:20:13,730 --> 00:20:10,980

curiosity quite well

470

00:20:16,310 --> 00:20:13,740

um and you know I'm a big believer in

471

00:20:17,570 --> 00:20:16,320

together we can and as we explore the

472

00:20:20,570 --> 00:20:17,580

mysteries of this world that's

473

00:20:23,450 --> 00:20:20,580

unraveling around us in in this topic in

474

00:20:25,370 --> 00:20:23,460

this phenomena I believe that my part to

475

00:20:26,210 --> 00:20:25,380

play is creating conversation around it

476

00:20:28,190 --> 00:20:26,220

and

477

00:20:31,190 --> 00:20:28,200

you know no disrespect to our American

478

00:20:32,930 --> 00:20:31,200

brothers and cousins I've there's been a

479

00:20:35,270 --> 00:20:32,940

lot from America and where where are the

480

00:20:37,789 --> 00:20:35,280

Brits in the conversation so you know

481

00:20:39,289 --> 00:20:37,799

that's a big passion of mine is wrapping

482

00:20:42,110 --> 00:20:39,299

yeah I can't represent everyone

483

00:20:45,110 --> 00:20:42,120

especially with this accent but if I can

484

00:20:46,390 --> 00:20:45,120

create your kitchen do you think was it

485

00:20:48,890 --> 00:20:46,400

scouting

486

00:20:50,510 --> 00:20:48,900

you know you know like like people like

487

00:20:52,250 --> 00:20:50,520

yourself and Priscilla I mean you guys

488

00:20:54,650 --> 00:20:52,260

are birds of a feather you know they're

489

00:20:57,409 --> 00:20:54,660

that's what the topic does is it bring

490

00:20:58,850 --> 00:20:57,419

yeah I just I just was chat uh she just

491

00:21:00,289 --> 00:20:58,860

sent me a text and I was like you know

492

00:21:02,690 --> 00:21:00,299

you can join us if you want to and she's

493

00:21:05,330 --> 00:21:02,700

like cleaning right now but she she just

494

00:21:07,370 --> 00:21:05,340

does appreciate the invitation

495

00:21:10,850 --> 00:21:07,380

um but anyway it brings people together

496

00:21:13,190 --> 00:21:10,860

around a common topic and um there's a

497

00:21:16,430 --> 00:21:13,200

lot obviously they can be accomplished

498

00:21:18,289 --> 00:21:16,440

by by this as as you can see by what's

499

00:21:20,570 --> 00:21:18,299

happened here you know

500

00:21:23,990 --> 00:21:20,580

for sure and

501
00:21:26,870 --> 00:21:24,000
as as I walk through this topic and this

502
00:21:29,210 --> 00:21:26,880
phenomenon in in you know I have my

503
00:21:31,250 --> 00:21:29,220
experiences there's not a day that goes

504
00:21:34,070 --> 00:21:31,260
by that I don't feel so lucky that

505
00:21:36,049 --> 00:21:34,080
although we don't know everything we may

506
00:21:39,230 --> 00:21:36,059
never know everything but we get to

507
00:21:41,029 --> 00:21:39,240
uncover this whole subject that is

508
00:21:43,490 --> 00:21:41,039
bigger than all of us it's bigger than

509
00:21:46,370 --> 00:21:43,500
anything we can ever dream of this is

510
00:21:49,850 --> 00:21:46,380
huge this is this is this is for me the

511
00:21:51,890 --> 00:21:49,860
most pressing issue of the day and how

512
00:21:53,630 --> 00:21:51,900
lucky am I that I'm in a situation where

513
00:21:56,029 --> 00:21:53,640

I get to have these conversations and

514

00:21:58,610 --> 00:21:56,039

perhaps bring the conversation forward

515

00:22:00,289 --> 00:21:58,620

and and certainly represent some of our

516

00:22:03,049 --> 00:22:00,299

great authors some of our great

517

00:22:05,870 --> 00:22:03,059

researchers you know create conversation

518

00:22:07,490 --> 00:22:05,880

for the Brits so I'm certainly flying

519

00:22:09,710 --> 00:22:07,500

the the Brit flag quite a lot at the

520

00:22:11,330 --> 00:22:09,720

moment which is great

521

00:22:14,690 --> 00:22:11,340

yeah I just want to say one thing before

522

00:22:17,210 --> 00:22:14,700

I pass it to Nathan uh when you look at

523

00:22:19,549 --> 00:22:17,220

this Roswell uh Symposium that's coming

524

00:22:22,010 --> 00:22:19,559

up look who they've asked to come and

525

00:22:24,289 --> 00:22:22,020

speak at that I believe Vinnie speaking

526

00:22:27,529 --> 00:22:24,299

Graham is speaking who's the other

527

00:22:29,810 --> 00:22:27,539

person is it Dan I don't know I'm not

528

00:22:32,570 --> 00:22:29,820

sure it's definitely Finney and Graham

529

00:22:34,730 --> 00:22:32,580

yeah so yeah that tells you that it's

530

00:22:37,370 --> 00:22:34,740

not your accent doesn't matter and all

531

00:22:39,710 --> 00:22:37,380

that it's just people people gravitate

532

00:22:41,330 --> 00:22:39,720

to what you say in your authenticity and

533

00:22:43,310 --> 00:22:41,340

it doesn't really matter what the filter

534

00:22:47,090 --> 00:22:43,320

is that that goes through in terms of

535

00:22:49,669 --> 00:22:47,100

how you sound you know absolutely I was

536

00:22:52,190 --> 00:22:49,679

so thrilled and I'm so proud to to call

537

00:22:55,070 --> 00:22:52,200

on my friends I'm so proud to pull up my

538

00:22:57,409 --> 00:22:55,080

colleagues because you know we we have

539

00:22:59,630 --> 00:22:57,419

become one Global Community

540

00:23:01,789 --> 00:22:59,640

um next stop Australia

541

00:23:04,190 --> 00:23:01,799

I'm just trying to blog a free holiday

542

00:23:06,409 --> 00:23:04,200

to Australia that's all

543

00:23:08,870 --> 00:23:06,419

go ahead money

544

00:23:11,149 --> 00:23:08,880

well I just want to Echo uh something

545

00:23:13,190 --> 00:23:11,159

that you know you just said that you

546

00:23:14,870 --> 00:23:13,200

know the way I was I got a chance to

547

00:23:17,390 --> 00:23:14,880

listen to your Joseph Burke's Twitter

548

00:23:19,010 --> 00:23:17,400

space and it was excellent of course

549

00:23:21,110 --> 00:23:19,020

he's amazing

550

00:23:23,270 --> 00:23:21,120

um but one of the reasons why it was

551
00:23:27,169 --> 00:23:23,280
also very good is just the way that you

552
00:23:28,970 --> 00:23:27,179
make space for everyone and

553
00:23:31,190 --> 00:23:28,980
um it's it's obvious it's wonderful it's

554
00:23:32,810 --> 00:23:31,200
refreshing and you're one of those

555
00:23:35,450 --> 00:23:32,820
voices in the community that is working

556
00:23:38,110 --> 00:23:35,460
hard at least as far as I can tell to to

557
00:23:41,090 --> 00:23:38,120
Foster these connections relationships

558
00:23:43,370 --> 00:23:41,100
constructive conversation uh where does

559
00:23:46,610 --> 00:23:43,380
that come from I mean what's the impetus

560
00:23:53,090 --> 00:23:49,789
good question good question

561
00:23:58,610 --> 00:23:55,190
I

562
00:23:59,750 --> 00:23:58,620
come from a family where you received

563
00:24:02,810 --> 00:23:59,760

and not heard

564

00:24:04,370 --> 00:24:02,820

I come from an environment where

565

00:24:05,630 --> 00:24:04,380

probably without getting too deep

566

00:24:06,890 --> 00:24:05,640

because you know it's not a therapy

567

00:24:09,409 --> 00:24:06,900

session

568

00:24:10,510 --> 00:24:09,419

um but Deb can take you in through

569

00:24:13,850 --> 00:24:10,520

therapy

570

00:24:17,930 --> 00:24:13,860

she's very cheaper that's not she's a

571

00:24:18,710 --> 00:24:17,940

good time I just cash out

572

00:24:21,710 --> 00:24:18,720

um

573

00:24:24,770 --> 00:24:21,720

and I I got into PR when I was about

574

00:24:26,810 --> 00:24:24,780

1920 and I just

575

00:24:29,210 --> 00:24:26,820

you know and many things in life I'm

576

00:24:32,149 --> 00:24:29,220

forgetful I'm ridiculous I'm very

577

00:24:35,750 --> 00:24:32,159

mischievous I I you know I'm as textbook

578

00:24:38,450 --> 00:24:35,760

as ADHD as you can get but I have a way

579

00:24:40,370 --> 00:24:38,460

of having conversations with people and

580

00:24:43,190 --> 00:24:40,380

for some reason people like to speak to

581

00:24:44,930 --> 00:24:43,200

me and when I get involved in the sort

582

00:24:47,149 --> 00:24:44,940

of house community

583

00:24:49,610 --> 00:24:47,159

and some some time ago

584

00:24:52,430 --> 00:24:49,620

I felt that there was so many quiet

585

00:24:55,549 --> 00:24:52,440

conversations happening and I just said

586

00:24:57,830 --> 00:24:55,559

you know with one of my skill sets is to

587

00:25:00,710 --> 00:24:57,840

be loud and proud about what we're doing

588

00:25:03,710 --> 00:25:00,720

and put them put people together

589

00:25:05,690 --> 00:25:03,720

why why wouldn't I so I've been you know

590

00:25:07,370 --> 00:25:05,700

I've been so lucky that I've been able

591

00:25:09,710 --> 00:25:07,380

to draw on my professional background

592

00:25:12,110 --> 00:25:09,720

here to put people together in

593

00:25:14,149 --> 00:25:12,120

unfortunately

594

00:25:16,490 --> 00:25:14,159

um because I'm Northern or fortunately

595

00:25:18,710 --> 00:25:16,500

I'm Northern English but not very good

596

00:25:21,830 --> 00:25:18,720

with the word no it just means not yet

597

00:25:24,110 --> 00:25:21,840

so I'm quite um Relentless in my

598

00:25:26,810 --> 00:25:24,120

approach to to create conversations and

599

00:25:29,690 --> 00:25:26,820

what's been so interesting to me is I

600

00:25:32,810 --> 00:25:29,700

worked um with with people in the public

601
00:25:36,409 --> 00:25:32,820
eye previously in my career so you know

602
00:25:37,970 --> 00:25:36,419
I'm not that uh shy and retiring and

603
00:25:40,310 --> 00:25:37,980
just saying hey

604
00:25:42,289 --> 00:25:40,320
would you you know the worse somebody to

605
00:25:44,990 --> 00:25:42,299
say is you know thank you all right

606
00:25:46,850 --> 00:25:45,000
we'll move on to the next person

607
00:25:50,210 --> 00:25:46,860
um but the conversation with Dr Joseph

608
00:25:53,450 --> 00:25:50,220
Burke what a guy like is the daddy of

609
00:25:55,490 --> 00:25:53,460
heist and I was introduced to him very

610
00:25:58,250 --> 00:25:55,500
quickly when I when I joined the kind of

611
00:26:01,490 --> 00:25:58,260
UK scene and he's just a phenomenal

612
00:26:03,049 --> 00:26:01,500
person and actually uh we spoke a couple

613
00:26:06,470 --> 00:26:03,059

of days ago and we will be doing another

614

00:26:08,570 --> 00:26:06,480

space real soon so I'll um yeah a bit

615

00:26:11,450 --> 00:26:08,580

more on that coming soon but yeah he's

616

00:26:13,370 --> 00:26:11,460

great but if I can create dialogue and I

617

00:26:16,970 --> 00:26:13,380

can create a space for people who were

618

00:26:19,250 --> 00:26:16,980

curious to explore that Curiosity I

619

00:26:21,289 --> 00:26:19,260

think that's my purpose so I like to

620

00:26:23,529 --> 00:26:21,299

live within my purpose and I can't shut

621

00:26:27,289 --> 00:26:23,539

up clearly

622

00:26:29,390 --> 00:26:27,299

what was that and I'm just kidding debsy

623

00:26:32,269 --> 00:26:29,400

oh you know what uh do you guys wanna

624

00:26:33,710 --> 00:26:32,279

start the round well actually if you

625

00:26:36,289 --> 00:26:33,720

have more if you have another question

626

00:26:37,730 --> 00:26:36,299

for just Holly about her Debs please

627

00:26:39,890 --> 00:26:37,740

fire away and then whenever you guys are

628

00:26:41,750 --> 00:26:39,900

ready we'll start the uh the round table

629

00:26:44,269 --> 00:26:41,760

where we'll bring our topics to the four

630

00:26:46,490 --> 00:26:44,279

yeah just um one more question I was

631

00:26:48,470 --> 00:26:46,500

wondering if you would mind sharing some

632

00:26:50,930 --> 00:26:48,480

of your experiences

633

00:26:53,690 --> 00:26:50,940

wow

634

00:26:58,130 --> 00:26:53,700

hold on to your underpants

635

00:26:59,930 --> 00:26:58,140

um my I've had many experiences

636

00:27:02,149 --> 00:26:59,940

um some

637

00:27:04,190 --> 00:27:02,159

beautiful ones

638

00:27:07,130 --> 00:27:04,200

um I've had one that was quite startling

639

00:27:09,769 --> 00:27:07,140

not scary but startling and made me

640

00:27:12,049 --> 00:27:09,779

really question my world view but um my

641

00:27:14,330 --> 00:27:12,059

first experience was um Dan and

642

00:27:17,810 --> 00:27:14,340

Wiltshire a beautiful beautiful magical

643

00:27:20,510 --> 00:27:17,820

spot by Stonehenge and that should be

644

00:27:23,090 --> 00:27:20,520

tour and Avery kind of within the

645

00:27:25,310 --> 00:27:23,100

vicinity or sacred sites that are on um

646

00:27:29,029 --> 00:27:25,320

Ley lines here in the UK

647

00:27:31,909 --> 00:27:29,039

um I've seen a bright burning orange Sun

648

00:27:34,010 --> 00:27:31,919

as I described it as a small child it

649

00:27:36,289 --> 00:27:34,020

was an orange orb

650

00:27:38,990 --> 00:27:36,299

um you know moving throughout my my

651
00:27:41,810 --> 00:27:39,000
childhood these orbs have appeared to me

652
00:27:43,490 --> 00:27:41,820
many many many times and because my mum

653
00:27:45,890 --> 00:27:43,500
was all a bit magical I thought everyone

654
00:27:49,490 --> 00:27:45,900
had that didn't you know I just thought

655
00:27:52,250 --> 00:27:49,500
it was quite normal and more recently

656
00:27:54,169 --> 00:27:52,260
when I broke my leg and I was very very

657
00:27:56,930 --> 00:27:54,179
poorly in hospital

658
00:27:58,850 --> 00:27:56,940
um in a high dependent unit I'd sort of

659
00:28:00,830 --> 00:27:58,860
became quite depressed given the

660
00:28:03,230 --> 00:28:00,840
situation I was in and those orbs

661
00:28:04,909 --> 00:28:03,240
appeared to me again outside of the

662
00:28:06,769 --> 00:28:04,919
hospital

663
00:28:11,149 --> 00:28:06,779

um so for me that was a strong

664

00:28:15,049 --> 00:28:11,159

confirmation that I have some link with

665

00:28:18,529 --> 00:28:15,059

them and it sounds nuts I get that

666

00:28:20,990 --> 00:28:18,539

um but you know those orbs or balls of

667

00:28:23,570 --> 00:28:21,000

small light very very orange but very

668

00:28:26,510 --> 00:28:23,580

bright orange have have come to me

669

00:28:29,450 --> 00:28:26,520

during traumatic periods of my life when

670

00:28:31,549 --> 00:28:29,460

my mother died by seeing them

671

00:28:34,250 --> 00:28:31,559

um happy times in my life when I had my

672

00:28:35,750 --> 00:28:34,260

son I see something caught my eye

673

00:28:37,549 --> 00:28:35,760

outside

674

00:28:40,490 --> 00:28:37,559

um so they've been my my predominant

675

00:28:44,570 --> 00:28:40,500

experiences on a personal level on a

676

00:28:48,830 --> 00:28:44,580

sort of C5 Heist level we've had

677

00:28:51,409 --> 00:28:48,840

some epic epic things happen

678

00:28:53,630 --> 00:28:51,419

um we we have access to

679

00:28:56,570 --> 00:28:53,640

um excuse me we have access to some land

680

00:28:58,850 --> 00:28:56,580

in the near a place called Blackpool

681

00:29:02,210 --> 00:28:58,860

um in Northwest England

682

00:29:05,289 --> 00:29:02,220

um and this Farm is a hive of Paranormal

683

00:29:08,510 --> 00:29:05,299

Activity strange lights

684

00:29:11,029 --> 00:29:08,520

craft delivery drivers will no longer

685

00:29:13,549 --> 00:29:11,039

drop Parcels off anymore that one of the

686

00:29:15,070 --> 00:29:13,559

drivers had to pull over and have a

687

00:29:18,230 --> 00:29:15,080

stiff Brandy because he couldn't

688

00:29:19,970 --> 00:29:18,240

comprehend these these lights and energy

689

00:29:22,909 --> 00:29:19,980

balls whooshing at the front of his

690

00:29:26,510 --> 00:29:22,919

vehicle so we spent some time up there

691

00:29:30,409 --> 00:29:26,520

last summer and independently two Crews

692

00:29:34,010 --> 00:29:30,419

of of Our Gang of our of our team

693

00:29:36,970 --> 00:29:34,020

um saw the same manifestation of a craft

694

00:29:39,769 --> 00:29:36,980

with a sort of iridescent

695

00:29:41,930 --> 00:29:39,779

shimmering like bubble like you know

696

00:29:44,630 --> 00:29:41,940

when kids blow bubbles like that around

697

00:29:47,570 --> 00:29:44,640

it and we'd seen it independently from

698

00:29:51,529 --> 00:29:47,580

two Vantage points so um we've

699

00:29:52,909 --> 00:29:51,539

experienced some wild things we've um we

700

00:29:55,610 --> 00:29:52,919

captured

701
00:29:59,169 --> 00:29:55,620
what looks like an energy ball that

702
00:30:02,870 --> 00:29:59,179
forms into a kind of human looking face

703
00:30:05,450 --> 00:30:02,880
on camera so we've had some the lights

704
00:30:07,669 --> 00:30:05,460
have danced before us and you know very

705
00:30:09,169 --> 00:30:07,679
typical things if you're into C5 those

706
00:30:11,750 --> 00:30:09,179
have happened

707
00:30:13,490 --> 00:30:11,760
um so I've got a really wide wide range

708
00:30:15,649 --> 00:30:13,500
of experiences that have happened to me

709
00:30:18,049 --> 00:30:15,659
but the more personal ones have always

710
00:30:21,289 --> 00:30:18,059
happened for a reason I believe and I

711
00:30:23,570 --> 00:30:21,299
believe that's what drives my curiosity

712
00:30:25,510 --> 00:30:23,580
more into this topic

713
00:30:28,669 --> 00:30:25,520

hmm

714

00:30:31,490 --> 00:30:28,679

you know the David Pilates movie Holly

715

00:30:36,049 --> 00:30:31,500

uh the latest one that I think he's

716

00:30:39,409 --> 00:30:36,059

attributing uh a certain amount of the

717

00:30:40,789 --> 00:30:39,419

missing persons to UFO Abduction and

718

00:30:42,430 --> 00:30:40,799

that's something over the last six

719

00:30:45,110 --> 00:30:42,440

months particularly

720

00:30:47,269 --> 00:30:45,120

proceeding and subsequent to our Jim

721

00:30:49,789 --> 00:30:47,279

semivan interview resonates with me more

722

00:30:51,649 --> 00:30:49,799

and more and you know what I actually

723

00:30:53,630 --> 00:30:51,659

this question I want to go around the

724

00:30:55,370 --> 00:30:53,640

table here even though it's not

725

00:30:57,950 --> 00:30:55,380

technically wasn't my Roundtable

726

00:31:00,830 --> 00:30:57,960

question but

727

00:31:02,810 --> 00:31:00,840

um I think I I think that is that is

728

00:31:04,610 --> 00:31:02,820

plausible what are you what are your

729

00:31:06,230 --> 00:31:04,620

your feelings about that do you think

730

00:31:10,610 --> 00:31:06,240

that there is a certain number of people

731

00:31:13,070 --> 00:31:10,620

who have been abducted and not come back

732

00:31:15,889 --> 00:31:13,080

I am

733

00:31:19,430 --> 00:31:15,899

this whole abduction part of the

734

00:31:20,409 --> 00:31:19,440

phenomenon is always terrified me

735

00:31:24,230 --> 00:31:20,419

um

736

00:31:26,750 --> 00:31:24,240

unbelievably terrified me I I get very

737

00:31:29,510 --> 00:31:26,760

triggered by this topic and I don't know

738

00:31:32,269 --> 00:31:29,520

why and it's something I started to

739

00:31:34,669 --> 00:31:32,279

question well why am I so triggered you

740

00:31:37,010 --> 00:31:34,679

know what is something happened about

741

00:31:39,950 --> 00:31:37,020

you know why does this do this to me and

742

00:31:42,250 --> 00:31:39,960

I watched that um I watched that that

743

00:31:44,409 --> 00:31:42,260

documentary and

744

00:31:48,230 --> 00:31:44,419

it it

745

00:31:51,230 --> 00:31:48,240

I left watching it posing lots of

746

00:31:52,730 --> 00:31:51,240

questions to myself and I think people

747

00:31:54,409 --> 00:31:52,740

are going

748

00:31:55,970 --> 00:31:54,419

and

749

00:31:58,190 --> 00:31:55,980

it it's

750

00:31:59,690 --> 00:31:58,200

it's part of the phenomenon that gives

751
00:32:03,049 --> 00:31:59,700
me the chills

752
00:32:05,450 --> 00:32:03,059
because the experiences I have and have

753
00:32:07,370 --> 00:32:05,460
had you know what one's been startling

754
00:32:10,250 --> 00:32:07,380
but it was more trickstery it was more

755
00:32:13,250 --> 00:32:10,260
kind of no no no no than scary

756
00:32:17,330 --> 00:32:13,260
but that part of this element of the

757
00:32:19,370 --> 00:32:17,340
phenomenon it gives me chills because

758
00:32:22,789 --> 00:32:19,380
I don't like it people shouldn't be

759
00:32:25,730 --> 00:32:22,799
being taken why are they being taken and

760
00:32:29,149 --> 00:32:25,740
it it starts it it started to play with

761
00:32:31,669 --> 00:32:29,159
my my world view or my parents my my

762
00:32:34,130 --> 00:32:31,679
view on this whole thing and it's

763
00:32:36,230 --> 00:32:34,140

something I want to know more about but

764

00:32:38,269 --> 00:32:36,240

I find it quite scary if I'm if the

765

00:32:39,830 --> 00:32:38,279

truth be told I think people are being

766

00:32:41,990 --> 00:32:39,840

taken and me

767

00:32:43,970 --> 00:32:42,000

but why

768

00:32:45,830 --> 00:32:43,980

well you know what's funny is that

769

00:32:48,590 --> 00:32:45,840

question started off as I was going to

770

00:32:51,590 --> 00:32:48,600

ask you about when that man I believe he

771

00:32:52,510 --> 00:32:51,600

was hunting and he saw a cube appear on

772

00:32:55,250 --> 00:32:52,520

the ground

773

00:32:58,010 --> 00:32:55,260

uh and it was sort of clear but he could

774

00:33:00,110 --> 00:32:58,020

see the outline of a cube and I believe

775

00:33:02,690 --> 00:33:00,120

he he was abducted and then came back

776

00:33:04,490 --> 00:33:02,700

but uh and it morphed into the abduction

777

00:33:08,690 --> 00:33:04,500

question so Nathan if if you would

778

00:33:10,970 --> 00:33:08,700

please weigh in on that yeah I am

779

00:33:12,769 --> 00:33:10,980

I I mean I think I

780

00:33:14,630 --> 00:33:12,779

mean Holly I think you hit it really

781

00:33:16,610 --> 00:33:14,640

well I I struggle with this because it

782

00:33:18,830 --> 00:33:16,620

is very disturbing and there's we don't

783

00:33:21,710 --> 00:33:18,840

want to consider that that is taking

784

00:33:23,570 --> 00:33:21,720

place because it it's hard to wrestle

785

00:33:26,210 --> 00:33:23,580

with with that notion

786

00:33:29,149 --> 00:33:26,220

um we want to feel

787

00:33:31,970 --> 00:33:29,159

some degree of of control uh safety in

788

00:33:35,330 --> 00:33:31,980

our own homes uh it's happening to a lot

789

00:33:37,250 --> 00:33:35,340

of children reportedly and that is just

790

00:33:38,330 --> 00:33:37,260

absolutely horrible

791

00:33:41,090 --> 00:33:38,340

um

792

00:33:43,310 --> 00:33:41,100

so I take it very seriously

793

00:33:46,190 --> 00:33:43,320

um you know I I believe people who have

794

00:33:50,630 --> 00:33:46,200

said that that it's happened to them

795

00:33:54,470 --> 00:33:52,909

you know why they would do it you know

796

00:33:55,490 --> 00:33:54,480

we could we could probably Levy the same

797

00:33:57,409 --> 00:33:55,500

sort of

798

00:33:59,870 --> 00:33:57,419

questions to

799

00:34:02,870 --> 00:33:59,880

you know human beings that take other

800

00:34:05,870 --> 00:34:02,880

creatures out of their habitats and do

801
00:34:07,669 --> 00:34:05,880
things with them uh we don't really

802
00:34:09,470 --> 00:34:07,679
question that very much and oftentimes

803
00:34:11,270 --> 00:34:09,480
we say that that's the very good thing

804
00:34:13,970 --> 00:34:11,280
that we do that you know we're

805
00:34:15,770 --> 00:34:13,980
taking care of a creature helping you

806
00:34:17,329 --> 00:34:15,780
know heal it or returning it to its

807
00:34:18,710 --> 00:34:17,339
habitat in a better State than we found

808
00:34:20,810 --> 00:34:18,720
at least that's what we tell ourselves

809
00:34:22,430 --> 00:34:20,820
and for the creature itself it could be

810
00:34:24,710 --> 00:34:22,440
quite traumatic even if they are better

811
00:34:26,389 --> 00:34:24,720
off than they were before they may still

812
00:34:28,849 --> 00:34:26,399
have a trauma around the entire

813
00:34:32,210 --> 00:34:28,859

experience even if biologically you know

814

00:34:32,750 --> 00:34:32,220

they're healthier as a result of it so

815

00:34:36,109 --> 00:34:32,760

um

816

00:34:38,510 --> 00:34:36,119

and I think we have to from for me

817

00:34:41,450 --> 00:34:38,520

you know take it seriously but also

818

00:34:43,070 --> 00:34:41,460

wrestle it should confront us with the

819

00:34:47,389 --> 00:34:43,080

things that we do

820

00:34:49,790 --> 00:34:47,399

in our own world with with our power and

821

00:34:52,369 --> 00:34:49,800

and and and should confess and asking

822

00:34:54,109 --> 00:34:52,379

you know what is okay for us to do and

823

00:34:56,750 --> 00:34:54,119

if it's okay for us to do this why would

824

00:34:59,750 --> 00:34:56,760

it not be okay for other beings that are

825

00:35:01,310 --> 00:34:59,760

you know have a higher perspective

826

00:35:04,130 --> 00:35:01,320

um and I'm just using that word broadly

827

00:35:07,490 --> 00:35:04,140

a bigger perspective than we do about

828

00:35:09,710 --> 00:35:07,500

what's taking place uh they and may have

829

00:35:11,210 --> 00:35:09,720

a good intention behind it now they may

830

00:35:13,370 --> 00:35:11,220

not and I think some of them don't I

831

00:35:14,930 --> 00:35:13,380

think some of them quite frankly uh from

832

00:35:16,310 --> 00:35:14,940

everything that we've heard or are not

833

00:35:18,589 --> 00:35:16,320

doing this with a good intention they're

834

00:35:21,349 --> 00:35:18,599

doing it just to mess with us

835

00:35:23,390 --> 00:35:21,359

um and and may take some degree of you

836

00:35:25,790 --> 00:35:23,400

know pleasure or satisfaction out of

837

00:35:28,069 --> 00:35:25,800

that just like some humans would do that

838

00:35:30,349 --> 00:35:28,079

right they would take pleasure out of

839

00:35:31,849 --> 00:35:30,359

harming another creature just because it

840

00:35:33,050 --> 00:35:31,859

makes them feel powerful

841

00:35:35,990 --> 00:35:33,060

yes

842

00:35:38,030 --> 00:35:36,000

it's um I I I was gonna say I I tell

843

00:35:40,010 --> 00:35:38,040

people I've seen kids over at the beach

844

00:35:41,690 --> 00:35:40,020

where I go do my swim training and

845

00:35:43,370 --> 00:35:41,700

they're hauling some jellyfish out of

846

00:35:45,290 --> 00:35:43,380

the go hey Mom look at this with their

847

00:35:48,290 --> 00:35:45,300

net and I'm like dude you're taking that

848

00:35:50,390 --> 00:35:48,300

out of its home like that like it

849

00:35:52,790 --> 00:35:50,400

belongs in the water like you don't take

850

00:35:54,230 --> 00:35:52,800

that and stick it in a bucket on the

851
00:35:56,690 --> 00:35:54,240
beach it would be like someone taking

852
00:35:59,210 --> 00:35:56,700
you out of your home and and it's okay

853
00:36:01,069 --> 00:35:59,220
yeah I mean why shouldn't someone just

854
00:36:02,450 --> 00:36:01,079
take it of course it's not right you

855
00:36:04,670 --> 00:36:02,460
know if you want to take a look at it

856
00:36:06,069 --> 00:36:04,680
and put it back in the water fine but if

857
00:36:09,290 --> 00:36:06,079
you're putting in a bucket on the beach

858
00:36:10,730 --> 00:36:09,300
you've removed it like you said from its

859
00:36:12,230 --> 00:36:10,740
habitat there's a reason that's why I

860
00:36:13,730 --> 00:36:12,240
don't have fish in my house this is

861
00:36:15,290 --> 00:36:13,740
exactly that reason

862
00:36:17,870 --> 00:36:15,300
Debs

863
00:36:21,109 --> 00:36:17,880

um to get back to kind of like the

864

00:36:23,990 --> 00:36:21,119

center of the question Debs do you think

865

00:36:26,150 --> 00:36:24,000

that there are

866

00:36:28,250 --> 00:36:26,160

people that are being taken and not

867

00:36:30,109 --> 00:36:28,260

coming back so what turns into

868

00:36:32,450 --> 00:36:30,119

kidnapping where they're returned and

869

00:36:34,910 --> 00:36:32,460

Rick Doty tells that story that happened

870

00:36:38,329 --> 00:36:34,920

out I don't know if it was Nellis or one

871

00:36:41,089 --> 00:36:38,339

of those bases in Nevada uh where uh the

872

00:36:43,430 --> 00:36:41,099

couple got their children back their son

873

00:36:45,710 --> 00:36:43,440

and daughters several hours later on a

874

00:36:48,950 --> 00:36:45,720

road outside in Ellis but what it

875

00:36:51,530 --> 00:36:48,960

becomes murder from our perspective if

876
00:36:53,810 --> 00:36:51,540
they leave and don't come back and Terry

877
00:36:56,450 --> 00:36:53,820
Loveless has a chilling story about that

878
00:36:59,390 --> 00:36:56,460
what's your take on that Debs are people

879
00:37:01,790 --> 00:36:59,400
being taken and not coming back

880
00:37:05,089 --> 00:37:01,800
um yes they are

881
00:37:07,310 --> 00:37:05,099
um and the the reasons for being taken

882
00:37:09,230 --> 00:37:07,320
are complicated and vast especially

883
00:37:11,450 --> 00:37:09,240
because it seems to be more than one

884
00:37:14,150 --> 00:37:11,460
group involved

885
00:37:16,370 --> 00:37:14,160
um I point out that even if Grays are

886
00:37:19,010 --> 00:37:16,380
being used they may not be all being

887
00:37:21,470 --> 00:37:19,020
used by the same group either

888
00:37:23,750 --> 00:37:21,480

um so there's a lot of complicated

889

00:37:26,630 --> 00:37:23,760

aspects to this including the fact that

890

00:37:29,270 --> 00:37:26,640

sometimes people are consciously being

891

00:37:30,829 --> 00:37:29,280

abducted as opposed to physically you

892

00:37:32,089 --> 00:37:30,839

know there's some really weird things

893

00:37:34,609 --> 00:37:32,099

but

894

00:37:37,370 --> 00:37:34,619

to answer your question yes I do think

895

00:37:39,349 --> 00:37:37,380

people are leaving and not coming back

896

00:37:41,690 --> 00:37:39,359

we have just a huge number of people

897

00:37:43,849 --> 00:37:41,700

that go missing and

898

00:37:46,069 --> 00:37:43,859

you know it just becomes a statistic to

899

00:37:47,810 --> 00:37:46,079

most of us we hardly unless it come

900

00:37:48,950 --> 00:37:47,820

happens to you personally a lot of

901
00:37:52,069 --> 00:37:48,960
people are just like yeah a lot of

902
00:37:53,210 --> 00:37:52,079
people go missing and shrug you know

903
00:37:55,910 --> 00:37:53,220
um so

904
00:37:59,150 --> 00:37:55,920
I I have to point out though

905
00:38:01,790 --> 00:37:59,160
that the purpose for that we're thinking

906
00:38:03,770 --> 00:38:01,800
about it in human terms of course you

907
00:38:06,230 --> 00:38:03,780
know like this could be

908
00:38:08,630 --> 00:38:06,240
um an attempt to preserve us

909
00:38:10,190 --> 00:38:08,640
um because the messaging is often you

910
00:38:12,710 --> 00:38:10,200
know you're killing you're playing it

911
00:38:15,710 --> 00:38:12,720
and I know this kind of goes into like

912
00:38:17,690 --> 00:38:15,720
the the zoo hypothesis a little bit but

913
00:38:20,270 --> 00:38:17,700

it's possible that they're just trying

914

00:38:23,630 --> 00:38:20,280

to preserve us

915

00:38:26,690 --> 00:38:23,640

wow that's one of them right that I mean

916

00:38:27,950 --> 00:38:26,700

it absolutely could be atopic abductions

917

00:38:31,849 --> 00:38:27,960

yeah

918

00:38:34,790 --> 00:38:31,859

um I just maintain that when if there's

919

00:38:37,310 --> 00:38:34,800

one statistic that you could name any

920

00:38:39,710 --> 00:38:37,320

government on planet Earth of a nation

921

00:38:42,109 --> 00:38:39,720

that they don't want to talk about that

922

00:38:46,329 --> 00:38:42,119

they may have a statistic that they

923

00:38:49,069 --> 00:38:46,339

attribute uh based on

924

00:38:50,750 --> 00:38:49,079

various reporting sources this is the

925

00:38:53,810 --> 00:38:50,760

the biggest thing they don't want to

926
00:38:57,170 --> 00:38:53,820
talk about because you have to think if

927
00:38:59,690 --> 00:38:57,180
Hollywood is unnerved by this and she is

928
00:39:02,630 --> 00:38:59,700
deeply embedded in this topic can you

929
00:39:04,130 --> 00:39:02,640
imagine a layperson soccer mom who

930
00:39:06,890 --> 00:39:04,140
doesn't even know that there's

931
00:39:09,349 --> 00:39:06,900
legislation right now uh how they would

932
00:39:10,849 --> 00:39:09,359
be freaked out if they turned on their

933
00:39:13,190 --> 00:39:10,859
news station and heard the government

934
00:39:16,310 --> 00:39:13,200
talk about this it would be

935
00:39:19,010 --> 00:39:16,320
it would it would be terrifying uh even

936
00:39:21,109 --> 00:39:19,020
Wes right uh Nathan when you you know

937
00:39:23,510 --> 00:39:21,119
Wes the host of probably the biggest

938
00:39:26,810 --> 00:39:23,520

show Sasquatch Chronicles when you bring

939

00:39:29,690 --> 00:39:26,820

up UFOs he freaks out

940

00:39:32,829 --> 00:39:29,700

right now he's like he's he uses the

941

00:39:36,170 --> 00:39:32,839

word terrifying just talking about UFOs

942

00:39:37,849 --> 00:39:36,180

he uses the word terrifying in every

943

00:39:41,630 --> 00:39:37,859

instance that I've heard

944

00:39:44,270 --> 00:39:41,640

think about that this is a guy who's had

945

00:39:46,670 --> 00:39:44,280

a Bigfoot experience and has heard he

946

00:39:49,310 --> 00:39:46,680

has over 900 episodes of Bigfoot

947

00:39:52,609 --> 00:39:49,320

encounters but the thought of UFOs

948

00:39:55,069 --> 00:39:52,619

terrifies him because he looks at life I

949

00:39:56,990 --> 00:39:55,079

I shouldn't say because it could be part

950

00:39:59,390 --> 00:39:57,000

of it because he looks at Life Through

951
00:40:02,870 --> 00:39:59,400
the Bible and this doesn't fit in his

952
00:40:03,710 --> 00:40:02,880
mind I guess you know TJ

953
00:40:07,250 --> 00:40:03,720
um

954
00:40:11,930 --> 00:40:07,260
what what kind of brought abductions

955
00:40:14,930 --> 00:40:11,940
more to my my sphere of control and

956
00:40:16,550 --> 00:40:14,940
influence I won't name them but um a

957
00:40:18,470 --> 00:40:16,560
very dear friend of mine is an author

958
00:40:20,630 --> 00:40:18,480
here in the in in the UK

959
00:40:24,170 --> 00:40:20,640
um he's due to release a book about his

960
00:40:26,450 --> 00:40:24,180
experience his former military and we've

961
00:40:28,370 --> 00:40:26,460
become real good friends

962
00:40:30,349 --> 00:40:28,380
Michael

963
00:40:33,650 --> 00:40:30,359

and um

964

00:40:35,150 --> 00:40:33,660

when he described his experienced man I

965

00:40:36,490 --> 00:40:35,160

could hear

966

00:40:40,010 --> 00:40:36,500

the

967

00:40:43,010 --> 00:40:40,020

unsettled pain confusion

968

00:40:45,950 --> 00:40:43,020

what it's done to his life

969

00:40:48,530 --> 00:40:45,960

that's when I thought you know what as

970

00:40:50,870 --> 00:40:48,540

great as it is me standing in a field

971

00:40:53,329 --> 00:40:50,880

and hey you know let's make contact

972

00:40:56,030 --> 00:40:53,339

less let's meditate there's some real

973

00:40:58,130 --> 00:40:56,040

stuff going on here and that's to me

974

00:41:00,410 --> 00:40:58,140

when the layer of this phenomena a new

975

00:41:02,210 --> 00:41:00,420

layer was added it's like I was doing a

976
00:41:05,170 --> 00:41:02,220
video game when you get an extra extra

977
00:41:08,690 --> 00:41:05,180
leveled in a leveled into a different

978
00:41:11,450 --> 00:41:08,700
space and I think we need to talk about

979
00:41:13,670 --> 00:41:11,460
it more because there are people out

980
00:41:15,829 --> 00:41:13,680
there and I'm contacted very frequently

981
00:41:18,170 --> 00:41:15,839
now there's people certainly in the UK

982
00:41:19,130 --> 00:41:18,180
they don't have any work because you

983
00:41:20,930 --> 00:41:19,140
know you've got the experience in

984
00:41:22,670 --> 00:41:20,940
networks you've got European medical

985
00:41:24,349 --> 00:41:22,680
Coalition you've got loads of great

986
00:41:26,870 --> 00:41:24,359
people and resources looking after

987
00:41:29,089 --> 00:41:26,880
people in the states we don't have that

988
00:41:31,849 --> 00:41:29,099

much in the UK and there are people

989

00:41:34,730 --> 00:41:31,859

coming forward very regularly now saying

990

00:41:37,130 --> 00:41:34,740

I think something happened to me I've

991

00:41:39,230 --> 00:41:37,140

had these marks I've missed time this

992

00:41:40,730 --> 00:41:39,240

that and the other you know I've been

993

00:41:43,849 --> 00:41:40,740

regressed and you know these terrible

994

00:41:46,370 --> 00:41:43,859

things of it I'm aware of and you know

995

00:41:48,710 --> 00:41:46,380

we were this we have a lot of work to do

996

00:41:51,890 --> 00:41:48,720

in the UK to look after people who've

997

00:41:53,270 --> 00:41:51,900

experienced these things and

998

00:41:55,430 --> 00:41:53,280

um you know I think that that's

999

00:41:57,530 --> 00:41:55,440

something that does keep me up at night

1000

00:41:59,150 --> 00:41:57,540

worrying that how can we help how can we

1001
00:42:00,829 --> 00:41:59,160
support these people

1002
00:42:03,109 --> 00:42:00,839
scary you can actually you can actually

1003
00:42:04,849 --> 00:42:03,119
hook up with uapmd and it won't even

1004
00:42:06,050 --> 00:42:04,859
cost you a plane ticket you just have to

1005
00:42:10,670 --> 00:42:06,060
email Deb

1006
00:42:13,609 --> 00:42:10,680
uh so absolutely so that's one thing

1007
00:42:15,230 --> 00:42:13,619
I was I was it was on one of my um to

1008
00:42:16,010 --> 00:42:15,240
Do's over the next couple of weeks

1009
00:42:19,190 --> 00:42:16,020
actually

1010
00:42:20,750 --> 00:42:19,200
um how how can we help more how can we

1011
00:42:22,250 --> 00:42:20,760
help our brothers and sisters here in

1012
00:42:25,310 --> 00:42:22,260
the UK more because

1013
00:42:26,990 --> 00:42:25,320

stuff's happening stuff has happened and

1014

00:42:28,730 --> 00:42:27,000

if I'm here to help tell their stories

1015

00:42:30,589 --> 00:42:28,740

we ought to be able to help their their

1016

00:42:32,810 --> 00:42:30,599

soul and their their mental you know

1017

00:42:34,250 --> 00:42:32,820

their mental their state because it's

1018

00:42:35,930 --> 00:42:34,260

not great

1019

00:42:39,530 --> 00:42:35,940

yeah this is one of the things Deb's

1020

00:42:41,030 --> 00:42:39,540

done that that we're extremely proud of

1021

00:42:42,770 --> 00:42:41,040

um at just you know we had nothing

1022

00:42:45,230 --> 00:42:42,780

absolutely nothing to do with it but

1023

00:42:48,770 --> 00:42:45,240

we're proud of that she's part of our

1024

00:42:50,990 --> 00:42:48,780

our team and that she did it but um I

1025

00:42:52,609 --> 00:42:51,000

just want to say this uh there's an

1026

00:42:55,430 --> 00:42:52,619

interesting I want to point everybody to

1027

00:42:58,849 --> 00:42:55,440

spaced out radio with Dave Scott who had

1028

00:43:00,950 --> 00:42:58,859

an episode yesterday the day before and

1029

00:43:02,690 --> 00:43:00,960

to talk about connection and how this is

1030

00:43:04,309 --> 00:43:02,700

all connected and and Nate I'm going to

1031

00:43:05,750 --> 00:43:04,319

come to you next Nathan so you could put

1032

00:43:08,510 --> 00:43:05,760

your topic out there but this gentleman

1033

00:43:10,970 --> 00:43:08,520

named Glenn Jackson is a paramedic and

1034

00:43:12,589 --> 00:43:10,980

paramedic instructor near Atlanta he's

1035

00:43:15,170 --> 00:43:12,599

from North Georgia

1036

00:43:17,150 --> 00:43:15,180

and his experiences

1037

00:43:18,650 --> 00:43:17,160

and I'll send you the Pod Holly it's

1038

00:43:21,410 --> 00:43:18,660

going to blow your mind

1039

00:43:23,450 --> 00:43:21,420

but not only has he had Bigfoot

1040

00:43:26,089 --> 00:43:23,460

experiences and they had an experience

1041

00:43:28,910 --> 00:43:26,099

that Terry Windell told us and Glenn

1042

00:43:31,309 --> 00:43:28,920

Jackson who was present out in the woods

1043

00:43:33,589 --> 00:43:31,319

when this happened that combines a

1044

00:43:35,510 --> 00:43:33,599

portal in the woods

1045

00:43:38,089 --> 00:43:35,520

uh when they were looking for bigfoot

1046

00:43:40,910 --> 00:43:38,099

but found a portal and then after that

1047

00:43:43,430 --> 00:43:40,920

incident uh one of their very fit

1048

00:43:45,589 --> 00:43:43,440

Special Forces members died of a massive

1049

00:43:48,470 --> 00:43:45,599

heart attack another person developed

1050

00:43:51,170 --> 00:43:48,480

cancer and I think and and uh Glenn

1051

00:43:52,910 --> 00:43:51,180

Jackson himself had became down with a

1052

00:43:55,609 --> 00:43:52,920

very strange medical condition it took

1053

00:43:57,650 --> 00:43:55,619

him a year and a half to clear up this

1054

00:44:00,650 --> 00:43:57,660

dude is one of the most professional

1055

00:44:01,550 --> 00:44:00,660

dudes I've heard of and he has missing

1056

00:44:04,849 --> 00:44:01,560

time

1057

00:44:06,950 --> 00:44:04,859

uh and UFO so the whole first of all he

1058

00:44:08,930 --> 00:44:06,960

did the Monroe Institute uh program

1059

00:44:11,990 --> 00:44:08,940

what's that called uh Gateway the

1060

00:44:13,490 --> 00:44:12,000

Gateway program tapes yes he went to the

1061

00:44:16,309 --> 00:44:13,500

family castle

1062

00:44:18,349 --> 00:44:16,319

yes he went to that and now all these

1063

00:44:21,290 --> 00:44:18,359

things are happening to him and it's on

1064

00:44:23,450 --> 00:44:21,300

all three of these genres so yeah I mean

1065

00:44:26,770 --> 00:44:23,460

the more you guys have you know taught

1066

00:44:30,589 --> 00:44:26,780

me that this is connected

1067

00:44:32,870 --> 00:44:30,599

so that's awesome check out uh everybody

1068

00:44:35,390 --> 00:44:32,880

check out Dave Scott's uh spaced out

1069

00:44:37,970 --> 00:44:35,400

radio with Glenn Jackson and have your

1070

00:44:39,710 --> 00:44:37,980

mind blown like my like mine was uh go

1071

00:44:41,030 --> 00:44:39,720

ahead money

1072

00:44:42,170 --> 00:44:41,040

yeah I want to kind of take this a

1073

00:44:44,150 --> 00:44:42,180

little bit further because it's a really

1074

00:44:46,790 --> 00:44:44,160

good topic and then talk about trauma

1075

00:44:47,990 --> 00:44:46,800

and the way that we deal with trauma uh

1076

00:44:49,730 --> 00:44:48,000

you know Holly I know you've had

1077

00:44:52,309 --> 00:44:49,740

experience with listening to experiences

1078

00:44:54,530 --> 00:44:52,319

uh from others who've had this and deal

1079

00:44:56,750 --> 00:44:54,540

with it day to day and Deb I really want

1080

00:44:58,849 --> 00:44:56,760

your take on this as well and DJ from

1081

00:45:01,069 --> 00:44:58,859

your military experience and uh and your

1082

00:45:03,710 --> 00:45:01,079

colleagues who've dealt with trauma so

1083

00:45:05,750 --> 00:45:03,720

we we have a way of working with trauma

1084

00:45:07,809 --> 00:45:05,760

now that is

1085

00:45:10,190 --> 00:45:07,819

um in some ways it's very

1086

00:45:12,829 --> 00:45:10,200

compartmentalized right so we we sort of

1087

00:45:15,710 --> 00:45:12,839

clinically address the trauma and we

1088

00:45:17,630 --> 00:45:15,720

help the individual sort of you know fit

1089

00:45:20,809 --> 00:45:17,640

it within a framework that they can

1090

00:45:22,730 --> 00:45:20,819

manage and go about their life and keep

1091

00:45:24,829 --> 00:45:22,740

it under control and kind of function in

1092

00:45:26,510 --> 00:45:24,839

society that sort of you know reaching a

1093

00:45:27,710 --> 00:45:26,520

state of function is is one of the goals

1094

00:45:30,170 --> 00:45:27,720

here

1095

00:45:32,270 --> 00:45:30,180

um but I wonder if that's really

1096

00:45:34,190 --> 00:45:32,280

dealing with the trauma I mean obviously

1097

00:45:35,990 --> 00:45:34,200

it's it's helping them go about their

1098

00:45:38,690 --> 00:45:36,000

day-to-day life but is it really

1099

00:45:41,390 --> 00:45:38,700

addressing the core issue and in some

1100

00:45:44,569 --> 00:45:41,400

ways the way we treat trauma like that

1101
00:45:45,770 --> 00:45:44,579
is it's very clean we kind of like kind

1102
00:45:47,630 --> 00:45:45,780
of like you know

1103
00:45:49,730 --> 00:45:47,640
you know wiping our hands with it it's

1104
00:45:50,930 --> 00:45:49,740
like it's not really there la la like we

1105
00:45:52,370 --> 00:45:50,940
kind of dealt with it now we put it in

1106
00:45:55,430 --> 00:45:52,380
this little place over here and I don't

1107
00:45:57,530 --> 00:45:55,440
have to consider the ramifications of

1108
00:46:00,050 --> 00:45:57,540
what caused the the trauma that it's

1109
00:46:01,849 --> 00:46:00,060
real it exists it's with us and I don't

1110
00:46:04,849 --> 00:46:01,859
necessarily have to address it directly

1111
00:46:07,250 --> 00:46:04,859
we've just now kind of uh uh contained

1112
00:46:08,750 --> 00:46:07,260
it in a fence in a way so I wonder what

1113
00:46:11,390 --> 00:46:08,760

your thoughts are like is that the way

1114

00:46:13,309 --> 00:46:11,400

we kind of deal with trauma in modern

1115

00:46:14,990 --> 00:46:13,319

day you know with these different

1116

00:46:17,930 --> 00:46:15,000

treatments is it the right way to deal

1117

00:46:20,809 --> 00:46:19,490

um

1118

00:46:23,210 --> 00:46:20,819

it's really interesting

1119

00:46:26,030 --> 00:46:23,220

that we've come to this place

1120

00:46:28,609 --> 00:46:26,040

I am I feel like we're gonna get very

1121

00:46:31,250 --> 00:46:28,619

deep now a term of flashing lights are

1122

00:46:33,109 --> 00:46:31,260

going deep baby we're going in

1123

00:46:39,109 --> 00:46:33,119

um

1124

00:46:41,710 --> 00:46:39,119

moved around a lot

1125

00:46:46,190 --> 00:46:41,720

um as great as my esoteric mother was

1126

00:46:49,190 --> 00:46:46,200

she she wasn't she was great at the

1127

00:46:51,109 --> 00:46:49,200

esoteric stuff she wasn't as great at

1128

00:46:53,329 --> 00:46:51,119

the mother stuff

1129

00:46:56,930 --> 00:46:53,339

um and I I've carried a lot of a lot of

1130

00:46:58,790 --> 00:46:56,940

trauma as a result of of you know my

1131

00:47:00,770 --> 00:46:58,800

childhood experiences which

1132

00:47:03,170 --> 00:47:00,780

coincidentally a lot of people involved

1133

00:47:05,329 --> 00:47:03,180

in the phenomenon seem to have a little

1134

00:47:07,250 --> 00:47:05,339

trauma track with them which you know I

1135

00:47:10,250 --> 00:47:07,260

find I'm really exploring that myself at

1136

00:47:14,450 --> 00:47:10,260

the moment but I I

1137

00:47:17,930 --> 00:47:14,460

spent my late 20s addressing my trauma

1138

00:47:22,550 --> 00:47:17,940

through spirituality through exploration

1139

00:47:25,790 --> 00:47:22,560

of mysticism through yoga through all of

1140

00:47:30,230 --> 00:47:25,800

these esoteric paths that

1141

00:47:32,990 --> 00:47:30,240

helped me to face them and as you so

1142

00:47:35,270 --> 00:47:33,000

well put it Nathan is you know we I'm

1143

00:47:37,910 --> 00:47:35,280

British people I think as well we can

1144

00:47:41,750 --> 00:47:37,920

put things in a box stiff off the lip

1145

00:47:45,050 --> 00:47:41,760

put it away and then we crack on and for

1146

00:47:48,230 --> 00:47:45,060

me being able to work with my shadows

1147

00:47:51,589 --> 00:47:48,240

and understand the trauma that I have

1148

00:47:55,190 --> 00:47:51,599

the more I have been able to confront

1149

00:47:57,950 --> 00:47:55,200

trauma The more I've been involved and

1150

00:48:00,950 --> 00:47:57,960

the deeper I've got into the phenomenon

1151

00:48:02,750 --> 00:48:00,960

the mysticism mysticism side the

1152

00:48:06,650 --> 00:48:02,760

esoteric side which is all weaved

1153

00:48:09,050 --> 00:48:06,660

together in I'm starting to realize that

1154

00:48:13,089 --> 00:48:09,060

the the the people I meet through the

1155

00:48:15,950 --> 00:48:13,099

work that I do one all carry trauma

1156

00:48:18,410 --> 00:48:15,960

two are at a point in their life when

1157

00:48:22,490 --> 00:48:18,420

they're processing it and maybe able to

1158

00:48:25,490 --> 00:48:22,500

accept it and then three they find

1159

00:48:28,490 --> 00:48:25,500

themselves in this bizarre topic and I'm

1160

00:48:31,010 --> 00:48:28,500

now starting to really believe

1161

00:48:32,750 --> 00:48:31,020

there's some link here what makes a

1162

00:48:35,089 --> 00:48:32,760

believer of the phenomenon and a

1163

00:48:37,970 --> 00:48:35,099

non-believer the believer seems to all

1164

00:48:40,609 --> 00:48:37,980

have had very not similar identical

1165

00:48:43,370 --> 00:48:40,619

situations but we've all carrying

1166

00:48:46,010 --> 00:48:43,380

something we've all had our souls

1167

00:48:48,890 --> 00:48:46,020

touched in different ways and

1168

00:48:50,569 --> 00:48:48,900

it really I've been on this one for

1169

00:48:53,750 --> 00:48:50,579

about three or four weeks really trying

1170

00:48:56,809 --> 00:48:53,760

to understand is trauma a springboard

1171

00:48:58,970 --> 00:48:56,819

into discovery

1172

00:49:02,210 --> 00:48:58,980

that's that's why what's been interested

1173

00:49:03,890 --> 00:49:02,220

recently as well is I'm starting to find

1174

00:49:05,870 --> 00:49:03,900

a lot of our colleagues and our friends

1175

00:49:07,809 --> 00:49:05,880

our mutual friends and people in this

1176

00:49:10,790 --> 00:49:07,819

community a lot of them have a lot of

1177

00:49:12,349 --> 00:49:10,800

neurodiverse challenges as well

1178

00:49:17,809 --> 00:49:12,359

and

1179

00:49:20,750 --> 00:49:17,819

bit of Nora spiciness

1180

00:49:22,910 --> 00:49:20,760

it is all hand in hand is that why we

1181

00:49:28,910 --> 00:49:22,920

are believers is that what brings us to

1182

00:49:34,609 --> 00:49:32,329

yeah let me uh pass it to Debs I was I'm

1183

00:49:37,250 --> 00:49:34,619

not gonna comment because it's not my

1184

00:49:39,650 --> 00:49:37,260

turn so go ahead dibs well there is a

1185

00:49:41,569 --> 00:49:39,660

lot I could say to this one obviously it

1186

00:49:44,930 --> 00:49:41,579

could be an hour and a half alone but

1187

00:49:47,990 --> 00:49:44,940

first of all I wanted to say that

1188

00:49:50,390 --> 00:49:48,000

not everyone is going to be able to

1189

00:49:52,430 --> 00:49:50,400

respond to trauma the same way you know

1190

00:49:54,770 --> 00:49:52,440

some people can face it head on some

1191

00:49:57,410 --> 00:49:54,780

people have to put it on the Shelf to

1192

00:49:59,990 --> 00:49:57,420

function like they just have to

1193

00:50:02,270 --> 00:50:00,000

um so you know we we actually have some

1194

00:50:04,910 --> 00:50:02,280

defenses in place

1195

00:50:07,130 --> 00:50:04,920

um when we have trauma and you know one

1196

00:50:08,930 --> 00:50:07,140

of them is you know just forgetting all

1197

00:50:10,910 --> 00:50:08,940

together and that's that shelving that

1198

00:50:12,950 --> 00:50:10,920

happens and it's just a survival

1199

00:50:14,630 --> 00:50:12,960

technique great

1200

00:50:16,750 --> 00:50:14,640

um but another thing that can happen is

1201
00:50:19,730 --> 00:50:16,760
that it can be transformative for people

1202
00:50:22,250 --> 00:50:19,740
it can make them evolve into something

1203
00:50:25,730 --> 00:50:22,260
else and I think there might even be a

1204
00:50:28,250 --> 00:50:25,740
biological aspect to it that may can

1205
00:50:30,410 --> 00:50:28,260
connect directly to the phenomenon like

1206
00:50:33,050 --> 00:50:30,420
your perceptions are increased your

1207
00:50:35,630 --> 00:50:33,060
intuitions are increased as a survival

1208
00:50:37,730 --> 00:50:35,640
mechanism

1209
00:50:39,290 --> 00:50:37,740
um so basically you start to perceive

1210
00:50:42,050 --> 00:50:39,300
things you weren't noticing before

1211
00:50:44,150 --> 00:50:42,060
because you're on heightened alerts

1212
00:50:46,130 --> 00:50:44,160
because that's how you survive after

1213
00:50:47,450 --> 00:50:46,140

trauma

1214

00:50:50,809 --> 00:50:47,460

so

1215

00:50:54,410 --> 00:50:50,819

wow wow

1216

00:50:57,890 --> 00:50:54,420

you know going to Nathan's question and

1217

00:51:00,109 --> 00:50:57,900

it was a great one and it comes from the

1218

00:51:04,309 --> 00:51:00,119

heart because there's a frustration in

1219

00:51:07,490 --> 00:51:04,319

Nathan's voice in our inability to to

1220

00:51:10,309 --> 00:51:07,500

deal with trauma sometimes in a real way

1221

00:51:12,410 --> 00:51:10,319

we have you know practitioners who who

1222

00:51:14,990 --> 00:51:12,420

do it Deb is one of them

1223

00:51:16,309 --> 00:51:15,000

and I think one of the limitations is is

1224

00:51:19,250 --> 00:51:16,319

that we're human

1225

00:51:22,190 --> 00:51:19,260

so we can only

1226

00:51:25,670 --> 00:51:22,200

you know try to help that person find

1227

00:51:27,770 --> 00:51:25,680

the PATH you know Deb can't turn their

1228

00:51:30,470 --> 00:51:27,780

body and point them in a Direction but

1229

00:51:34,010 --> 00:51:30,480

she can say if you turn this way and

1230

00:51:37,309 --> 00:51:34,020

look this way that could be one path out

1231

00:51:40,309 --> 00:51:37,319

right so we're very limited in what we

1232

00:51:43,309 --> 00:51:40,319

can do and I'm reminded of we were

1233

00:51:45,710 --> 00:51:43,319

talking about this show uh prior to us

1234

00:51:47,690 --> 00:51:45,720

coming on air with you guys called the

1235

00:51:50,990 --> 00:51:47,700

mayor of Kingstown and in that a young

1236

00:51:53,109 --> 00:51:51,000

lady uh who had been hired by uh some

1237

00:51:56,990 --> 00:51:53,119

sort of a Russian mobster and sent to

1238

00:51:59,809 --> 00:51:57,000

Kingstown to use her feminine wiles to

1239

00:52:02,450 --> 00:51:59,819

gain favor with the mayor and get get

1240

00:52:04,069 --> 00:52:02,460

him to do something and he says no you

1241

00:52:06,530 --> 00:52:04,079

know no thank you he goes in by the way

1242

00:52:08,930 --> 00:52:06,540

I recommend that you go back to New York

1243

00:52:10,549 --> 00:52:08,940

because the the path you're headed on

1244

00:52:11,930 --> 00:52:10,559

you're not ready for I know you think

1245

00:52:14,030 --> 00:52:11,940

that you're really tough and you can

1246

00:52:15,109 --> 00:52:14,040

handle this and and things are not going

1247

00:52:17,809 --> 00:52:15,119

to end well for you it's something

1248

00:52:19,309 --> 00:52:17,819

analogous to that he Jeremy Renner does

1249

00:52:22,010 --> 00:52:19,319

that a lot better than I do what ends up

1250

00:52:22,609 --> 00:52:22,020

happening is she ends up being

1251

00:52:25,970 --> 00:52:22,619

um

1252

00:52:28,970 --> 00:52:25,980

she ends up as a prostitute and she sold

1253

00:52:31,130 --> 00:52:28,980

from one group to another ends up with

1254

00:52:33,710 --> 00:52:31,140

this Aryan group and they abuse her

1255

00:52:35,630 --> 00:52:33,720

quite badly and inject her with drugs

1256

00:52:37,490 --> 00:52:35,640

and she has bruises all over her body

1257

00:52:41,150 --> 00:52:37,500

and finally

1258

00:52:43,910 --> 00:52:41,160

um a group of Crips uh contacts the

1259

00:52:46,190 --> 00:52:43,920

mayor and he's able to go and and uh and

1260

00:52:48,470 --> 00:52:46,200

pick her up and then when he brought her

1261

00:52:51,290 --> 00:52:48,480

to his Cabin in the Woods

1262

00:52:53,030 --> 00:52:51,300

she's sitting on the floor she's kind of

1263

00:52:55,309 --> 00:52:53,040

being very reflective about what's

1264

00:52:58,190 --> 00:52:55,319

happened to her and saying that

1265

00:52:59,870 --> 00:52:58,200

basically something analogous to a part

1266

00:53:02,210 --> 00:52:59,880

of me is gone

1267

00:53:04,370 --> 00:53:02,220

and one of the ironies of all this is

1268

00:53:08,089 --> 00:53:04,380

that the phenomenon does have the

1269

00:53:10,609 --> 00:53:08,099

ability to make you forget as if

1270

00:53:13,549 --> 00:53:10,619

something never happened to you

1271

00:53:15,470 --> 00:53:13,559

and that they can somehow put you in a

1272

00:53:19,010 --> 00:53:15,480

place where they do something

1273

00:53:21,410 --> 00:53:19,020

and they're able to get inside your your

1274

00:53:22,250 --> 00:53:21,420

being and somehow you forget that it

1275

00:53:25,430 --> 00:53:22,260

happened

1276

00:53:28,670 --> 00:53:25,440

and because we as humans can't do that

1277

00:53:29,990 --> 00:53:28,680

on our own we can we have our devs and

1278

00:53:32,150 --> 00:53:30,000

they're going to try to point you in a

1279

00:53:34,370 --> 00:53:32,160

direction to deal with this and to find

1280

00:53:37,130 --> 00:53:34,380

your self-worth again and find your

1281

00:53:39,049 --> 00:53:37,140

strength and realize that uh it's not

1282

00:53:42,349 --> 00:53:39,059

something that you did that caused this

1283

00:53:44,150 --> 00:53:42,359

that uh sometimes we're victims and and

1284

00:53:46,730 --> 00:53:44,160

that doesn't mean that you can't rebuild

1285

00:53:48,290 --> 00:53:46,740

your life in this way and that you are

1286

00:53:50,150 --> 00:53:48,300

something that's valuable and beautiful

1287

00:53:52,370 --> 00:53:50,160

and unique and worthy and all these

1288

00:53:54,230 --> 00:53:52,380

things but the phenomenon does have that

1289

00:53:55,790 --> 00:53:54,240

ability and that's the irony of it I

1290

00:53:58,069 --> 00:53:55,800

think we're limited to deal with the

1291

00:54:00,890 --> 00:53:58,079

trauma Nathan because

1292

00:54:03,349 --> 00:54:00,900

um we're human and we uh we don't

1293

00:54:05,930 --> 00:54:03,359

necessarily have the ability to wipe

1294

00:54:08,630 --> 00:54:05,940

that out of your your soul if you will

1295

00:54:11,890 --> 00:54:08,640

it there's an imprint sometimes that

1296

00:54:14,569 --> 00:54:11,900

that a traumatic event puts on your soul

1297

00:54:17,750 --> 00:54:14,579

and and it just never leaves you just

1298

00:54:19,370 --> 00:54:17,760

learn to what Holly said stiff upper lip

1299

00:54:23,630 --> 00:54:19,380

crack on

1300

00:54:28,609 --> 00:54:26,390

so uh with that if Nathan if you don't

1301
00:54:31,670 --> 00:54:28,619
have follow-up commentary we can we'll

1302
00:54:35,390 --> 00:54:31,680
go to the next uh H wood yeah let's do

1303
00:54:37,490 --> 00:54:35,400
it okay H wood what's your topic

1304
00:54:42,150 --> 00:54:37,500
my topic is quite related to this

1305
00:54:46,490 --> 00:54:44,630
[Laughter]

1306
00:54:49,370 --> 00:54:46,500
and I was going to weave my old man and

1307
00:54:50,329 --> 00:54:49,380
trick me dad so

1308
00:54:52,910 --> 00:54:50,339
um

1309
00:54:54,950 --> 00:54:52,920
my topic is believe as best as

1310
00:54:58,670 --> 00:54:54,960
non-believers what what makes you know

1311
00:55:02,150 --> 00:54:58,680
what separates the two now my dad and if

1312
00:55:06,410 --> 00:55:02,160
an Impressions coming DJ you ready

1313
00:55:07,370 --> 00:55:06,420

my job was like can I swear am I a lot

1314

00:55:09,349 --> 00:55:07,380

of swear

1315

00:55:11,650 --> 00:55:09,359

this is up to Nathan

1316

00:55:15,549 --> 00:55:11,660

uh it's fine yeah whatever

1317

00:55:18,349 --> 00:55:15,559

no we'll we'll use all the words

1318

00:55:21,530 --> 00:55:18,359

hold up these are not swear words in

1319

00:55:23,930 --> 00:55:21,540

Liverpool this is normal conversation so

1320

00:55:26,390 --> 00:55:23,940

for the purposes episode we're in

1321

00:55:29,770 --> 00:55:26,400

Liverpool I don't want you to get

1322

00:55:36,049 --> 00:55:32,870

what the flip

1323

00:55:38,990 --> 00:55:36,059

are you on about with these aliens wow

1324

00:55:39,829 --> 00:55:39,000

if you got mad you've got mad you need a

1325

00:55:42,049 --> 00:55:39,839

doctor

1326

00:55:44,510 --> 00:55:42,059

and I was like no I've not no I've not

1327

00:55:46,910 --> 00:55:44,520

gone mad Dad I'm I'm perfectly saying

1328

00:55:48,770 --> 00:55:46,920

I'm already like no you've gone mad

1329

00:55:52,910 --> 00:55:48,780

because you're on the internet talking

1330

00:55:55,490 --> 00:55:52,920

about it with weirdos and and it's it's

1331

00:55:58,490 --> 00:55:55,500

not okay and my dad worries about yeah

1332

00:56:01,309 --> 00:55:58,500

and it's not effing real and I think

1333

00:56:04,370 --> 00:56:01,319

you've got mad and he he was genuinely

1334

00:56:07,510 --> 00:56:04,380

thinking you know woohoo it was time for

1335

00:56:10,670 --> 00:56:07,520

me to get a psychiatric volume and and

1336

00:56:14,030 --> 00:56:10,680

as funny as it was and okay whatever dad

1337

00:56:17,030 --> 00:56:14,040

it posed a question to me

1338

00:56:19,490 --> 00:56:17,040

what makes Believers believe and what

1339

00:56:22,430 --> 00:56:19,500

makes non-believers completely dismiss

1340

00:56:24,010 --> 00:56:22,440

it so I have cognitive dissonance sorry

1341

00:56:29,030 --> 00:56:24,020

go ahead

1342

00:56:32,089 --> 00:56:29,040

but I there's people in my life that

1343

00:56:35,150 --> 00:56:32,099

even when I print reports off the you

1344

00:56:39,470 --> 00:56:35,160

know I I pre I I print off physically

1345

00:56:42,349 --> 00:56:39,480

here you go this is from such and such

1346

00:56:44,930 --> 00:56:42,359

this is from this government this he go

1347

00:56:48,349 --> 00:56:44,940

read it like black and white habit

1348

00:56:52,910 --> 00:56:48,359

tangibly they will still go yeah

1349

00:56:54,829 --> 00:56:52,920

come on really come on and they look at

1350

00:56:59,630 --> 00:56:54,839

me like I've One Flew Over the Cuckoo's

1351
00:57:03,530 --> 00:57:02,030
what makes a non-believer non-belief and

1352
00:57:05,510 --> 00:57:03,540
what makes it we know what makes

1353
00:57:08,829 --> 00:57:05,520
Believers believe but why are these

1354
00:57:13,309 --> 00:57:08,839
what's it going to take okay rephrase

1355
00:57:15,650 --> 00:57:13,319
what's it going to take to inform the

1356
00:57:17,450 --> 00:57:15,660
non-believers that the phenomenon is

1357
00:57:19,970 --> 00:57:17,460
very real what what's it going to take

1358
00:57:21,770 --> 00:57:19,980
because we've had confirmation in in a

1359
00:57:24,530 --> 00:57:21,780
way from the US government we've got

1360
00:57:28,130 --> 00:57:24,540
overwhelming evidence from very credible

1361
00:57:30,710 --> 00:57:28,140
people I had two former in British Intel

1362
00:57:34,069 --> 00:57:30,720
people on a space last week still this

1363
00:57:37,069 --> 00:57:34,079

person in my life's going yeah but Kim

1364

00:57:40,569 --> 00:57:37,079

Kardashian's got a new bomb yeah but and

1365

00:57:43,190 --> 00:57:40,579

it's like what would it take to make

1366

00:57:45,589 --> 00:57:43,200

non-believers believe is it you know

1367

00:57:48,230 --> 00:57:45,599

Gray's tap dancing on the White House

1368

00:57:50,210 --> 00:57:48,240

what would it take and that is my

1369

00:57:51,710 --> 00:57:50,220

question what would it take to make

1370

00:57:54,770 --> 00:57:51,720

non-believers

1371

00:57:56,829 --> 00:57:54,780

buy into the reality of the phenomenon

1372

00:57:59,150 --> 00:57:56,839

being real

1373

00:58:01,190 --> 00:57:59,160

yeah it's an excellent question and I

1374

00:58:03,109 --> 00:58:01,200

dab I'd like you could take that first

1375

00:58:05,230 --> 00:58:03,119

if you don't mind oh really that's great

1376

00:58:08,510 --> 00:58:05,240

because I made a list

1377

00:58:11,150 --> 00:58:08,520

okay first of all we need to have people

1378

00:58:14,030 --> 00:58:11,160

admit that the stigma program existed

1379

00:58:15,770 --> 00:58:14,040

and infiltrated our film

1380

00:58:18,770 --> 00:58:15,780

um of being movies

1381

00:58:21,049 --> 00:58:18,780

um but it was and second we need some

1382

00:58:22,730 --> 00:58:21,059

people to just have the experience some

1383

00:58:24,349 --> 00:58:22,740

people don't believe until they have the

1384

00:58:26,329 --> 00:58:24,359

experience

1385

00:58:28,490 --> 00:58:26,339

um third we need people to overcome

1386

00:58:30,230 --> 00:58:28,500

their arrogance and that's a big leap

1387

00:58:32,210 --> 00:58:30,240

for a lot of people

1388

00:58:34,190 --> 00:58:32,220

um the arrogance that existed when

1389

00:58:37,010 --> 00:58:34,200

people didn't believe in a platypus or

1390

00:58:39,370 --> 00:58:37,020

the gorillas you know the arrogance that

1391

00:58:42,109 --> 00:58:39,380

keeps people from um

1392

00:58:44,150 --> 00:58:42,119

accepting that their own beliefs are

1393

00:58:46,430 --> 00:58:44,160

actually somewhat out there but these

1394

00:58:48,289 --> 00:58:46,440

beliefs for some reason they can't

1395

00:58:51,410 --> 00:58:48,299

accept I don't I don't understand how

1396

00:58:53,329 --> 00:58:51,420

that happens but it does so sort of

1397

00:58:56,690 --> 00:58:53,339

understanding that there's stuff for us

1398

00:58:57,349 --> 00:58:56,700

left to learn if that makes sense and

1399

00:58:59,329 --> 00:58:57,359

then

1400

00:59:01,430 --> 00:58:59,339

um I also wrote you know people just

1401
00:59:03,650 --> 00:59:01,440
have to maybe accept taking the harder

1402
00:59:07,010 --> 00:59:03,660
path sometimes I think some people just

1403
00:59:09,530 --> 00:59:07,020
think it's easier not to believe it's

1404
00:59:12,230 --> 00:59:09,540
easier not to have the conversation or

1405
00:59:14,630 --> 00:59:12,240
the Revelation so they might just have

1406
00:59:16,190 --> 00:59:14,640
to take the harder path so those were

1407
00:59:17,770 --> 00:59:16,200
the things I came up with while you were

1408
00:59:21,109 --> 00:59:17,780
talking

1409
00:59:24,950 --> 00:59:21,119
yeah really solid I mean I think that

1410
00:59:28,910 --> 00:59:24,960
there's a thin line between

1411
00:59:30,130 --> 00:59:28,920
order and and Chaos for most people

1412
00:59:33,049 --> 00:59:30,140
um that

1413
00:59:35,150 --> 00:59:33,059

we're we've done a really good job

1414

00:59:37,789 --> 00:59:35,160

tricking ourselves into thinking that

1415

00:59:40,010 --> 00:59:37,799

we've got things figured out that the

1416

00:59:42,789 --> 00:59:40,020

world that we traffic in and understand

1417

00:59:46,910 --> 00:59:42,799

we understand it we know how it behaves

1418

00:59:52,309 --> 00:59:49,250

things make sense to us and and this is

1419

00:59:54,230 --> 00:59:52,319

one of those topics that if you if for

1420

00:59:55,670 --> 00:59:54,240

some if you just make space for it if

1421

00:59:59,510 --> 00:59:55,680

you if you are a person who just says

1422

01:00:02,030 --> 00:59:59,520

well I'm open to the idea uh it begins

1423

01:00:04,549 --> 01:00:02,040

creating riffs and cracks within that

1424

01:00:07,609 --> 01:00:04,559

order that that allow you to kind of go

1425

01:00:11,030 --> 01:00:07,619

about your day-to-day and

1426
01:00:12,650 --> 01:00:11,040
you know it's one of those issues where

1427
01:00:13,730 --> 01:00:12,660
we in a way we've sort of tricked

1428
01:00:15,829 --> 01:00:13,740
ourselves into forgetting that we're

1429
01:00:17,990 --> 01:00:15,839
really animals you know we're just we're

1430
01:00:21,109 --> 01:00:18,000
animals with ideas and tools we've done

1431
01:00:23,089 --> 01:00:21,119
some amazing things with that but uh at

1432
01:00:24,710 --> 01:00:23,099
the end of the day we're still creatures

1433
01:00:28,130 --> 01:00:24,720
just like the rest of the creatures that

1434
01:00:31,789 --> 01:00:28,140
are sharing this planet with us and

1435
01:00:33,829 --> 01:00:31,799
um you know for many I think

1436
01:00:36,950 --> 01:00:33,839
going down this path going down this

1437
01:00:39,170 --> 01:00:36,960
rabbit hole is just too disruptive

1438
01:00:41,089 --> 01:00:39,180

um yeah because you know I I it

1439

01:00:43,069 --> 01:00:41,099

frustrates me as well because I you know

1440

01:00:45,049 --> 01:00:43,079

I I'm into the topic obviously I'm here

1441

01:00:46,390 --> 01:00:45,059

and I have a huge interest in a lot of

1442

01:00:48,770 --> 01:00:46,400

the uh

1443

01:00:51,530 --> 01:00:48,780

special topics that are talked about all

1444

01:00:52,250 --> 01:00:51,540

the time but I don't necessarily have

1445

01:00:54,710 --> 01:00:52,260

um

1446

01:00:56,930 --> 01:00:54,720

my beliefs aren't some of them are

1447

01:00:59,150 --> 01:00:56,940

concrete but they're not terrifically

1448

01:01:01,670 --> 01:00:59,160

concrete but I'm comfortable in that

1449

01:01:04,670 --> 01:01:01,680

ambiguity right so I'm okay with that

1450

01:01:07,910 --> 01:01:04,680

ambiguity of knowing not knowing it

1451

01:01:09,950 --> 01:01:07,920

being some mystery uh me wanting to

1452

01:01:11,990 --> 01:01:09,960

believe people and what they're telling

1453

01:01:14,630 --> 01:01:12,000

me I I have faith in people and I'd

1454

01:01:17,690 --> 01:01:14,640

rather I would rather believe them than

1455

01:01:20,809 --> 01:01:17,700

reject them and turn them away that's

1456

01:01:22,370 --> 01:01:20,819

just my personality but um you know a

1457

01:01:24,230 --> 01:01:22,380

lot of folks aren't like that and and I

1458

01:01:25,789 --> 01:01:24,240

get it you know it's not for everyone

1459

01:01:27,410 --> 01:01:25,799

and you kind of need to be in a certain

1460

01:01:29,930 --> 01:01:27,420

place

1461

01:01:32,390 --> 01:01:29,940

um everybody's on their own path and and

1462

01:01:34,430 --> 01:01:32,400

to kind of force someone to believe when

1463

01:01:36,170 --> 01:01:34,440

they're not ready for that then that

1464

01:01:41,329 --> 01:01:36,180

could be pretty as we mentioned earlier

1465

01:01:46,730 --> 01:01:43,069

struggled with

1466

01:01:49,549 --> 01:01:46,740

um given my whack within C5 well heists

1467

01:01:53,690 --> 01:01:49,559

more so I I get contacted by a whole

1468

01:01:56,630 --> 01:01:53,700

plethora of people and yeah I had a

1469

01:01:57,490 --> 01:01:56,640

particular person contact me

1470

01:02:00,950 --> 01:01:57,500

um

1471

01:02:05,569 --> 01:02:00,960

and you know she was struggling with

1472

01:02:07,910 --> 01:02:05,579

with her claim was that the um

1473

01:02:11,030 --> 01:02:07,920

all of our family were complete against

1474

01:02:13,849 --> 01:02:11,040

her diligence and a shimmy into this

1475

01:02:17,690 --> 01:02:13,859

world but beings were now at the bottom

1476

01:02:19,910 --> 01:02:17,700

of our garden on a nightly basis

1477

01:02:23,089 --> 01:02:19,920

and they were interacting with her and

1478

01:02:25,910 --> 01:02:23,099

they were hurting her and she she had

1479

01:02:28,670 --> 01:02:25,920

marks on her and and none of her family

1480

01:02:30,650 --> 01:02:28,680

believed and she was you know I don't

1481

01:02:32,750 --> 01:02:30,660

know if that was really happening to her

1482

01:02:35,510 --> 01:02:32,760

I didn't want to reject her I wanted to

1483

01:02:39,710 --> 01:02:35,520

accept her because she she was so alone

1484

01:02:41,450 --> 01:02:39,720

because her family were ready to you

1485

01:02:44,809 --> 01:02:41,460

know the words you know she they wanted

1486

01:02:47,030 --> 01:02:44,819

to have a psychiatrically evaluated you

1487

01:02:49,609 --> 01:02:47,040

know I don't know if what she was

1488

01:02:53,329 --> 01:02:49,619

experiencing was real it

1489

01:02:56,210 --> 01:02:53,339

felt real to her but the fact that she

1490

01:02:58,190 --> 01:02:56,220

was so alone in whatever was happening

1491

01:02:59,630 --> 01:02:58,200

to her because the the complete

1492

01:03:02,930 --> 01:02:59,640

dismissal

1493

01:03:04,430 --> 01:03:02,940

that no it doesn't exist no you're crazy

1494

01:03:06,589 --> 01:03:04,440

you've got a psychiatric challenge

1495

01:03:11,510 --> 01:03:06,599

you're you know you're hallucinating

1496

01:03:14,089 --> 01:03:11,520

you're having auditory hallucinations in

1497

01:03:15,650 --> 01:03:14,099

it's that fine line to walk isn't it

1498

01:03:19,370 --> 01:03:15,660

that that there is the struggle

1499

01:03:22,069 --> 01:03:19,380

sometimes hmm then it's such a it's such

1500

01:03:23,150 --> 01:03:22,079

a diverse thing to unpack isn't it

1501

01:03:25,970 --> 01:03:23,160

really

1502

01:03:28,549 --> 01:03:25,980

one thing I would say is um as someone

1503

01:03:30,589 --> 01:03:28,559

who's trying to help mental health

1504

01:03:32,270 --> 01:03:30,599

professionals figure out how to deal

1505

01:03:34,730 --> 01:03:32,280

with experiencers

1506

01:03:38,510 --> 01:03:34,740

we've really emphasized it doesn't

1507

01:03:41,329 --> 01:03:38,520

matter if a person treating that person

1508

01:03:44,270 --> 01:03:41,339

beliefs or not what they need to treat

1509

01:03:46,250 --> 01:03:44,280

is the symptoms they need to treat that

1510

01:03:49,670 --> 01:03:46,260

trauma they need to treat if this person

1511

01:03:51,770 --> 01:03:49,680

is seeing something that scares them you

1512

01:03:54,770 --> 01:03:51,780

know they need to treat that they don't

1513

01:03:58,069 --> 01:03:54,780

their personal belief ultimately won't

1514

01:04:00,650 --> 01:03:58,079

matter in helping these experiencers

1515

01:04:03,109 --> 01:04:00,660

so that's an aspect but I I have the

1516

01:04:05,690 --> 01:04:03,119

same thought all the time like we see

1517

01:04:08,210 --> 01:04:05,700

the most bizarre creatures on this

1518

01:04:10,370 --> 01:04:08,220

planet but as soon as someone throws up

1519

01:04:12,890 --> 01:04:10,380

a picture of a gray everyone's like oh

1520

01:04:15,650 --> 01:04:12,900

no no no no of course not it's just a

1521

01:04:17,569 --> 01:04:15,660

weird mind trick that we're doing to

1522

01:04:19,010 --> 01:04:17,579

ourselves

1523

01:04:29,690 --> 01:04:19,020

it's that

1524

01:04:32,690 --> 01:04:29,700

instantaneous impossibility implaus

1525

01:04:34,549 --> 01:04:32,700

ability of the possibility oh there's a

1526

01:04:37,010 --> 01:04:34,559

lot of abilities and that that there

1527

01:04:40,190 --> 01:04:37,020

could be more than what we see and you

1528

01:04:42,289 --> 01:04:40,200

know we're so quick is to you know

1529

01:04:46,789 --> 01:04:42,299

to believe in Things That Go Bump in the

1530

01:04:49,549 --> 01:04:46,799

night so but the possibility of them

1531

01:04:53,809 --> 01:04:49,559

whoever they may be is is often met with

1532

01:04:56,870 --> 01:04:53,819

such strict nope it can't and I struggle

1533

01:04:59,589 --> 01:04:56,880

with that sometimes but you know we're

1534

01:05:02,510 --> 01:04:59,599

all unpacking this Mystery One

1535

01:05:03,950 --> 01:05:02,520

Challenge at a time aren't we yeah it's

1536

01:05:05,990 --> 01:05:03,960

weird because of the other things we've

1537

01:05:07,670 --> 01:05:06,000

learned to accept right I wonder if

1538

01:05:09,230 --> 01:05:07,680

people went through the same thing when

1539

01:05:13,490 --> 01:05:09,240

they were trying to figure out how the

1540

01:05:15,109 --> 01:05:13,500

Sun related to the planets you know

1541

01:05:18,049 --> 01:05:15,119

sure hey guys just want to let you know

1542

01:05:20,210 --> 01:05:18,059

I'm back and uh Kati gave me her airpods

1543

01:05:22,670 --> 01:05:20,220

I don't know why mine were dropping dead

1544

01:05:23,770 --> 01:05:22,680

they've never gone dead in within the

1545

01:05:32,950 --> 01:05:23,780

space

1546

01:05:32,960 --> 01:05:41,770

nailed it

1547

01:05:45,950 --> 01:05:44,089

Holly I want to kind of come back to you

1548

01:05:48,650 --> 01:05:45,960

again with this um with your public

1549

01:05:50,809 --> 01:05:48,660

relations background right so uh your

1550

01:05:53,210 --> 01:05:50,819

student of human nature in many ways you

1551

01:05:55,609 --> 01:05:53,220

know looking at how humans react to

1552

01:05:59,690 --> 01:05:55,619

marketing uh how they respond to

1553

01:06:02,510 --> 01:05:59,700

messaging and a lot of this really is I

1554

01:06:05,510 --> 01:06:02,520

think comes down to human beings are are

1555

01:06:07,730 --> 01:06:05,520

our tendency to need to see others doing

1556

01:06:10,849 --> 01:06:07,740

something before we also do something

1557

01:06:12,650 --> 01:06:10,859

you know the experiment where he walks

1558

01:06:14,329 --> 01:06:12,660

in into a field and everybody's staring

1559

01:06:16,309 --> 01:06:14,339

up looking at the sky at this one thing

1560

01:06:17,270 --> 01:06:16,319

and the person's like well and they're

1561

01:06:18,470 --> 01:06:17,280

all saying there's a thing right there

1562

01:06:19,670 --> 01:06:18,480

and I want to see they're going to

1563

01:06:22,430 --> 01:06:19,680

immediately do that thing that

1564

01:06:25,069 --> 01:06:22,440

everyone's doing so I I look at

1565

01:06:27,890 --> 01:06:25,079

disclosure in some ways like this right

1566

01:06:31,250 --> 01:06:27,900

they're they're the world is sort of

1567

01:06:34,370 --> 01:06:31,260

looking around the room of of the world

1568

01:06:36,170 --> 01:06:34,380

and looking for people going there's a

1569

01:06:38,510 --> 01:06:36,180

they're there and when enough their

1570

01:06:40,069 --> 01:06:38,520

theirs are there I love saying that then

1571

01:06:42,230 --> 01:06:40,079

it's like oh well now I have permission

1572

01:06:44,690 --> 01:06:42,240

I I can I can actually believe this that

1573

01:06:47,270 --> 01:06:44,700

and it's safe to say so what's your take

1574

01:06:50,750 --> 01:06:47,280

on that from just a human nature

1575

01:06:57,049 --> 01:06:53,329

humans

1576

01:06:59,990 --> 01:06:57,059

we aren't as complex as sometimes we

1577

01:07:02,390 --> 01:07:00,000

seem we're actually animals and we're

1578

01:07:04,609 --> 01:07:02,400

not that complex we are a head species

1579

01:07:08,630 --> 01:07:04,619

we will always

1580

01:07:12,829 --> 01:07:08,640

go together where we can but I think we

1581

01:07:14,150 --> 01:07:12,839

in this day of information overload we

1582

01:07:17,630 --> 01:07:14,160

don't know

1583

01:07:21,490 --> 01:07:17,640

our ass from our elbow sorry as well and

1584

01:07:28,549 --> 01:07:24,829

this I'm finding now there's there's

1585

01:07:31,670 --> 01:07:28,559

more people more willing to accept the

1586

01:07:33,349 --> 01:07:31,680

possibility than ever before and I think

1587

01:07:35,930 --> 01:07:33,359

that's because there's been kind of

1588

01:07:40,849 --> 01:07:35,940

media there's more shows like this

1589

01:07:42,289 --> 01:07:40,859

people are like myself who you know is

1590

01:07:43,910 --> 01:07:42,299

coming from a certain background that

1591

01:07:46,309 --> 01:07:43,920

you wouldn't necessarily would think

1592

01:07:51,230 --> 01:07:46,319

would stand up and say hey you know I've

1593

01:07:57,589 --> 01:07:53,750

I I get challenged with this sometimes

1594

01:08:00,349 --> 01:07:57,599

that I think there is a there's a strong

1595

01:08:02,930 --> 01:08:00,359

like the younger generation like my kids

1596

01:08:04,849 --> 01:08:02,940

and my nieces and nephews a younger

1597

01:08:07,970 --> 01:08:04,859

generation are more open to believe the

1598

01:08:10,010 --> 01:08:07,980

existence of something I think the the

1599

01:08:12,230 --> 01:08:10,020

older Generations are the ones that have

1600

01:08:15,109 --> 01:08:12,240

had less technology in their lives and

1601

01:08:16,970 --> 01:08:15,119

less acclimatization to things like you

1602

01:08:19,370 --> 01:08:16,980

know I'm a Star Trek not so of course

1603

01:08:23,150 --> 01:08:19,380

it's going to be something that in in my

1604

01:08:25,849 --> 01:08:23,160

world but I think that there's I I feel

1605

01:08:28,370 --> 01:08:25,859

there's a there's a ripple of change in

1606

01:08:30,650 --> 01:08:28,380

the air with with public perception and

1607

01:08:31,910 --> 01:08:30,660

I I think that that's a great thing I

1608

01:08:34,430 --> 01:08:31,920

think it's part of the acclimatization

1609

01:08:36,590 --> 01:08:34,440

process as well that we've had all of

1610

01:08:38,390 --> 01:08:36,600

this stuff like flashed at us for so

1611

01:08:42,470 --> 01:08:38,400

long but

1612

01:08:45,769 --> 01:08:42,480

naturally we are a head species so until

1613

01:08:48,169 --> 01:08:45,779

the Great and the good on math so it

1614

01:08:49,550 --> 01:08:48,179

takes 10 of the of the population to

1615

01:08:53,809 --> 01:08:49,560

change the collective Consciousness

1616

01:08:57,229 --> 01:08:53,819

until we reach that 10 of people going

1617

01:08:59,930 --> 01:08:57,239

this is real you know what what's

1618

01:09:01,970 --> 01:08:59,940

interesting to me is I speak to my

1619

01:09:04,610 --> 01:09:01,980

friends and I will say a name that we

1620

01:09:08,390 --> 01:09:04,620

all know just just come out and said

1621

01:09:10,809 --> 01:09:08,400

such and such and they're like

1622

01:09:14,030 --> 01:09:10,819

who what

1623

01:09:16,070 --> 01:09:14,040

means nothing in unfortunately our

1624

01:09:18,829 --> 01:09:16,080

community can be sometimes a bit of an

1625

01:09:22,189 --> 01:09:18,839

echo chamber because we've all heard it

1626

01:09:24,470 --> 01:09:22,199

together to in you know to pass our

1627

01:09:28,370 --> 01:09:24,480

thoughts and information and feelings

1628

01:09:31,070 --> 01:09:28,380

around and I just wonder is the next

1629

01:09:34,010 --> 01:09:31,080

phase of this disclosure

1630

01:09:36,650 --> 01:09:34,020

is it being able to speak differently to

1631

01:09:38,630 --> 01:09:36,660

outside of our community is that is that

1632

01:09:40,849 --> 01:09:38,640

how we reach a collective consciousness

1633

01:09:42,590 --> 01:09:40,859

of understanding a possibility believing

1634

01:09:44,510 --> 01:09:42,600

I don't think I answered your question

1635

01:09:48,010 --> 01:09:44,520

but I certainly gave you some discussion

1636

01:09:52,550 --> 01:09:50,570

it's that Echo chamber I think that

1637

01:09:54,530 --> 01:09:52,560

interests me so much how do we break

1638

01:09:57,709 --> 01:09:54,540

that how do we break out of this mold

1639

01:09:59,150 --> 01:09:57,719

that we've carefully crafted in our

1640

01:10:01,850 --> 01:09:59,160

community because we've heard it

1641

01:10:05,150 --> 01:10:01,860

together how do we break that wall down

1642

01:10:07,189 --> 01:10:05,160

right it's okay was the question was it

1643

01:10:08,830 --> 01:10:07,199

Holly's question about

1644

01:10:12,290 --> 01:10:08,840

um

1645

01:10:14,510 --> 01:10:12,300

no was I Nathan am I on Holly's question

1646

01:10:16,070 --> 01:10:14,520

or am I in your question just whatever

1647

01:10:19,070 --> 01:10:16,080

you want to jump in on we're just we're

1648

01:10:22,090 --> 01:10:19,080

just chatting man okay uh I believe

1649

01:10:24,830 --> 01:10:22,100

Holly's question was uh

1650

01:10:26,270 --> 01:10:24,840

were you Holly if you can restate your

1651

01:10:27,830 --> 01:10:26,280

question again just to make sure I got

1652

01:10:33,290 --> 01:10:27,840

it

1653

01:10:37,790 --> 01:10:35,270

to reach

1654

01:10:39,110 --> 01:10:37,800

the rest of the world to ensure that

1655

01:10:41,570 --> 01:10:39,120

they can kind of

1656

01:10:43,430 --> 01:10:41,580

how we reaching more people to to to get

1657

01:10:44,870 --> 01:10:43,440

disclosure happening because we can all

1658

01:10:47,090 --> 01:10:44,880

talk to each other all day long and we

1659

01:10:48,590 --> 01:10:47,100

believe but how are we getting John and

1660

01:10:50,689 --> 01:10:48,600

Jane how are they going to understand

1661

01:10:52,310 --> 01:10:50,699

how are they going to evolve okay

1662

01:10:54,649 --> 01:10:52,320

because the question I thought you had

1663

01:10:57,189 --> 01:10:54,659

was something about why people I just

1664

01:11:01,310 --> 01:10:59,390

okay so that's what I wanted to answer

1665

01:11:06,169 --> 01:11:01,320

get that one first

1666

01:11:09,169 --> 01:11:06,179

so uh I think there is a cognitive

1667

01:11:11,810 --> 01:11:09,179

dissonance that people uh they they

1668

01:11:13,729 --> 01:11:11,820

believe and but they don't want to

1669

01:11:15,709 --> 01:11:13,739

believe and when you don't want to do

1670

01:11:18,169 --> 01:11:15,719

something you tell yourself this is

1671

01:11:21,649 --> 01:11:18,179

what's going on so I spoke with I was on

1672

01:11:24,590 --> 01:11:21,659

Sasquatch Odyssey two days ago something

1673

01:11:26,810 --> 01:11:24,600

like that and we recorded an episode and

1674

01:11:29,330 --> 01:11:26,820

the the host of that who will be on at

1675

01:11:31,669 --> 01:11:29,340

some point his name is Brian King sharp

1676

01:11:33,950 --> 01:11:31,679

I think is his name any case uh he does

1677

01:11:35,689 --> 01:11:33,960

have a quite a Big Show and he would say

1678

01:11:38,450 --> 01:11:35,699

half the time I don't I believe in

1679

01:11:39,890 --> 01:11:38,460

Bigfoot half the time I don't uh five

1680

01:11:41,990 --> 01:11:39,900

days a week I believe the Patterson

1681

01:11:44,689 --> 01:11:42,000

gimlin film's real the other two days I

1682

01:11:46,850 --> 01:11:44,699

don't and I was like so you know so I'm

1683

01:11:49,250 --> 01:11:46,860

like but you know people have decided

1684

01:11:51,530 --> 01:11:49,260

they don't want to believe when I see

1685

01:11:55,130 --> 01:11:51,540

something I want to explain in a way

1686

01:11:58,370 --> 01:11:55,140

that this is not real because if it's

1687

01:11:59,990 --> 01:11:58,380

real I have to change my world view and

1688

01:12:02,750 --> 01:12:00,000

I'm not down with that

1689

01:12:05,270 --> 01:12:02,760

Uh I that we have a story The cabbies

1690

01:12:08,689 --> 01:12:05,280

have a story of where we had this guest

1691

01:12:10,070 --> 01:12:08,699

on who had come on my show uh uh on

1692

01:12:12,950 --> 01:12:10,080

another genre when we're talking about

1693

01:12:15,709 --> 01:12:12,960

reality TV this name a lady named Kate

1694

01:12:17,930 --> 01:12:15,719

Casey who's an amazing person uh and

1695

01:12:21,770 --> 01:12:17,940

when we brought her on to the new to cab

1696

01:12:24,649 --> 01:12:21,780

for UFOs she basically just went

1697

01:12:27,649 --> 01:12:24,659

I am not trying to hear what you're

1698

01:12:29,630 --> 01:12:27,659

saying because you are not changing my

1699

01:12:32,090 --> 01:12:29,640

worldview do you got it do you

1700

01:12:36,169 --> 01:12:32,100

understand so that's what you're up

1701

01:12:38,149 --> 01:12:36,179

against in terms of uh people uh even

1702

01:12:40,250 --> 01:12:38,159

people who have a a Bigfoot show like

1703

01:12:42,229 --> 01:12:40,260

Brian who will bring on will bring him

1704

01:12:44,209 --> 01:12:42,239

on and we'll you know we'll ask him

1705

01:12:47,450 --> 01:12:44,219

about his theories he's a police officer

1706

01:12:50,930 --> 01:12:47,460

by trade retired police officer uh and

1707

01:12:52,669 --> 01:12:50,940

in the case of us I I would argue that I

1708

01:12:54,530 --> 01:12:52,679

don't think we're in an echo chamber

1709

01:12:57,890 --> 01:12:54,540

actually

1710

01:12:59,990 --> 01:12:57,900

um there's so much Discord in the in the

1711

01:13:01,970 --> 01:13:00,000

the problem in the UFO Community is that

1712

01:13:05,450 --> 01:13:01,980

we can't agree on anything we don't

1713

01:13:08,570 --> 01:13:05,460

trust the same people we trust people if

1714

01:13:11,510 --> 01:13:08,580

you are very very feel fearful of this

1715

01:13:13,490 --> 01:13:11,520

and what it might mean then maybe you

1716

01:13:14,450 --> 01:13:13,500

trust Mick West and he becomes your

1717

01:13:17,450 --> 01:13:14,460

rabbi

1718

01:13:20,870 --> 01:13:17,460

if you're

1719

01:13:22,729 --> 01:13:20,880

um thinking well disclosures happened uh

1720

01:13:24,649 --> 01:13:22,739

we have legislation it's been talked

1721

01:13:27,590 --> 01:13:24,659

about in the hill maybe Lou Elizondo and

1722

01:13:29,630 --> 01:13:27,600

Chris melon or your rabbis so I I don't

1723

01:13:32,270 --> 01:13:29,640

necessarily think that that we are in an

1724

01:13:35,390 --> 01:13:32,280

echo chamber I think he can seem that

1725

01:13:37,250 --> 01:13:35,400

way because of your friend group but it

1726

01:13:39,950 --> 01:13:37,260

wouldn't take you five minutes to get

1727

01:13:42,530 --> 01:13:39,960

into a screaming match with somebody on

1728

01:13:45,350 --> 01:13:42,540

UFO Twitter if you wanted to

1729

01:13:47,149 --> 01:13:45,360

so I I don't think that's our problem I

1730

01:13:51,590 --> 01:13:47,159

think what our problem is is that we

1731

01:13:55,209 --> 01:13:51,600

can't coalesce around a set of evidence

1732

01:13:58,610 --> 01:13:55,219

that is quite proven without question

1733

01:14:01,790 --> 01:13:58,620

there is no question that there would be

1734

01:14:03,649 --> 01:14:01,800

no legislation on the hill and talked

1735

01:14:05,450 --> 01:14:03,659

about if we didn't have Lou Elizondo

1736

01:14:08,330 --> 01:14:05,460

Chris melon

1737

01:14:10,250 --> 01:14:08,340

um Jim semivan and Tom DeLong and these

1738

01:14:12,110 --> 01:14:10,260

you know and you can add you know you

1739

01:14:14,030 --> 01:14:12,120

can add some outliers to that group as

1740

01:14:15,350 --> 01:14:14,040

well that are maybe on the periphery of

1741

01:14:19,250 --> 01:14:15,360

that Central group

1742

01:14:22,130 --> 01:14:19,260

that is an idea that is there is you

1743

01:14:24,229 --> 01:14:22,140

cannot debate that it it's beyond debate

1744

01:14:27,590 --> 01:14:24,239

but people can't agree on that they go

1745

01:14:30,169 --> 01:14:27,600

up lose the double agent meanwhile we

1746

01:14:33,110 --> 01:14:30,179

sat there Nathan myself and Deb and

1747

01:14:35,510 --> 01:14:33,120

spoke with he and his wife on camera off

1748

01:14:38,090 --> 01:14:35,520

air and his wife told us about the

1749

01:14:40,490 --> 01:14:38,100

moment when he came home and said I'm

1750

01:14:45,709 --> 01:14:40,500

quitting the Pentagon and my GS 15

1751

01:14:49,189 --> 01:14:45,719

salary and my gs15 retirement package

1752

01:14:51,350 --> 01:14:49,199

over UFOs something that this kid would

1753

01:14:55,630 --> 01:14:51,360

not do

1754

01:14:59,450 --> 01:14:55,640

that's sacrifice that's skin in the game

1755

01:15:02,149 --> 01:14:59,460

not I tweeted about stuff for a year and

1756

01:15:04,910 --> 01:15:02,159

a half it's I put my money

1757

01:15:07,610 --> 01:15:04,920

where my mouth was that's not debatable

1758

01:15:10,790 --> 01:15:07,620

but people will debate it and say he's a

1759

01:15:12,709 --> 01:15:10,800

government uh he's a uh some sort of a

1760

01:15:15,169 --> 01:15:12,719

uh double agent I don't know what you

1761

01:15:16,729 --> 01:15:15,179

know the so so I don't think the problem

1762

01:15:18,290 --> 01:15:16,739

is that we're an echo chamber I think

1763

01:15:20,470 --> 01:15:18,300

the problem is we can't even agree on

1764

01:15:22,250 --> 01:15:20,480

basic premises

1765

01:15:24,229 --> 01:15:22,260

[Music]

1766

01:15:26,570 --> 01:15:24,239

pathway

1767

01:15:30,530 --> 01:15:26,580

who's next Nathan

1768

01:15:32,090 --> 01:15:30,540

that's me that's good yeah okay so this

1769

01:15:34,090 --> 01:15:32,100

is kind of a big one

1770

01:15:40,209 --> 01:15:34,100

um that I've been pondering a lot lately

1771

01:15:43,550 --> 01:15:40,219

so from flying motorcycles drones AI

1772

01:15:45,970 --> 01:15:43,560

computer interfaces used for telepathy

1773

01:15:48,229 --> 01:15:45,980

and moving objects with our mind

1774

01:15:50,990 --> 01:15:48,239

space travel

1775

01:15:53,209 --> 01:15:51,000

etc etc Quantum Computing it's pretty

1776

01:15:56,030 --> 01:15:53,219

clear that we're a very different

1777

01:15:59,090 --> 01:15:56,040

species from the other creatures on this

1778

01:16:02,209 --> 01:15:59,100

planet and we seem to be following the

1779

01:16:09,709 --> 01:16:02,219

path of the phenomenon so what are your

1780

01:16:14,930 --> 01:16:12,709

good question

1781

01:16:16,669 --> 01:16:14,940

I need to think on this one yeah that's

1782

01:16:17,390 --> 01:16:16,679

a that's a whole show and a half at

1783

01:16:19,310 --> 01:16:17,400

least

1784

01:16:21,229 --> 01:16:19,320

um

1785

01:16:23,390 --> 01:16:21,239

I mean I think it's related I think it's

1786

01:16:28,790 --> 01:16:23,400

really to Consciousness I think that it

1787

01:16:34,550 --> 01:16:31,250

you know as we are beings that are able

1788

01:16:37,189 --> 01:16:34,560

to uh have a higher order Consciousness

1789

01:16:40,189 --> 01:16:37,199

than the other beings that are here

1790

01:16:43,370 --> 01:16:40,199

um we in a way

1791

01:16:45,590 --> 01:16:43,380

can tap into that that source of

1792

01:16:49,610 --> 01:16:45,600

information and knowledge and in ways

1793

01:16:51,890 --> 01:16:49,620

that that other beings can't quite do

1794

01:16:55,189 --> 01:16:51,900

um and that opens up the possibility

1795

01:16:58,250 --> 01:16:55,199

space dramatically between our

1796

01:17:01,010 --> 01:16:58,260

capability and reality

1797

01:17:03,290 --> 01:17:01,020

um so and that there's a lot to get into

1798

01:17:06,050 --> 01:17:03,300

from there which I don't want to but I

1799

01:17:08,630 --> 01:17:06,060

think that the connection is about our

1800

01:17:11,870 --> 01:17:08,640

conscious development and as that as

1801

01:17:14,950 --> 01:17:11,880

that conscious development progresses uh

1802

01:17:18,050 --> 01:17:14,960

our our capability what becomes possible

1803

01:17:20,510 --> 01:17:18,060

just becomes broader and broader

1804

01:17:24,530 --> 01:17:20,520

over time if we can even use that as a

1805

01:17:31,250 --> 01:17:27,350

that's such a good question you know

1806

01:17:32,930 --> 01:17:31,260

for me you know are we conduits of

1807

01:17:36,169 --> 01:17:32,940

something else

1808

01:17:39,709 --> 01:17:36,179

what is it to be human and your question

1809

01:17:42,110 --> 01:17:39,719

is really given me itchy teeth and itchy

1810

01:17:44,030 --> 01:17:42,120

brain for sure and

1811

01:17:46,189 --> 01:17:44,040

for me I think you know what you've just

1812

01:17:49,130 --> 01:17:46,199

touched Underneath Him

1813

01:17:51,590 --> 01:17:49,140

whatever this extra

1814

01:17:55,310 --> 01:17:51,600

something that we humans have in

1815

01:17:57,770 --> 01:17:55,320

comparison to the animal kingdom is that

1816

01:18:00,530 --> 01:17:57,780

extra something part of

1817

01:18:02,330 --> 01:18:00,540

the bigger ecosystem of the universe and

1818

01:18:04,910 --> 01:18:02,340

which Consciousness is is a thread

1819

01:18:07,130 --> 01:18:04,920

within that in

1820

01:18:11,149 --> 01:18:07,140

I think that's what the separation is

1821

01:18:14,470 --> 01:18:11,159

that we we are of these bodies is our

1822

01:18:17,870 --> 01:18:14,480

mind connected to the Grand grander

1823

01:18:19,729 --> 01:18:17,880

everything of the universe or are we

1824

01:18:22,070 --> 01:18:19,739

merely

1825

01:18:24,050 --> 01:18:22,080

part of well we are the Stardust we're

1826

01:18:28,010 --> 01:18:24,060

made up of everything that is out there

1827

01:18:29,870 --> 01:18:28,020

but is there an extra connection that

1828

01:18:31,850 --> 01:18:29,880

pins us to that

1829

01:18:34,510 --> 01:18:31,860

so I'm just answering questions with

1830

01:18:36,770 --> 01:18:34,520

questions at this point

1831

01:18:38,689 --> 01:18:36,780

we're paying we're not paying you for

1832

01:18:41,750 --> 01:18:38,699

that Holly if you want your check I'm

1833

01:18:43,370 --> 01:18:41,760

just kidding so Deb if you would you

1834

01:18:45,290 --> 01:18:43,380

gave some examples at the beginning but

1835

01:18:47,030 --> 01:18:45,300

if you could restate the central part of

1836

01:18:49,130 --> 01:18:47,040

the question to make sure that I got it

1837

01:18:51,229 --> 01:18:49,140

right okay so we're obviously very

1838

01:18:53,689 --> 01:18:51,239

Advanced at this point within the last

1839

01:18:55,550 --> 01:18:53,699

200 years which makes us really

1840

01:18:56,930 --> 01:18:55,560

different from the other animals on the

1841

01:18:58,729 --> 01:18:56,940

planet they're not trying to go into

1842

01:19:01,250 --> 01:18:58,739

space they're not making quantum

1843

01:19:03,709 --> 01:19:01,260

computers and a lot of this seems to

1844

01:19:06,290 --> 01:19:03,719

very much parallel the technology we

1845

01:19:10,729 --> 01:19:06,300

discussed within non-human intelligence

1846

01:19:13,790 --> 01:19:10,739

and UFOs so why do you think that is

1847

01:19:19,250 --> 01:19:13,800

well I so I wrote down Evolution and

1848

01:19:21,530 --> 01:19:19,260

mimicking uh but I think on our uh two

1849

01:19:24,770 --> 01:19:21,540

broadcasts ago when we spoke with Dave

1850

01:19:26,570 --> 01:19:24,780

Smithers and uh the Great Dan Warren his

1851

01:19:28,910 --> 01:19:26,580

cousin in Tennessee

1852

01:19:31,669 --> 01:19:28,920

we discussed maybe we've actually lost

1853

01:19:34,370 --> 01:19:31,679

something that maybe they were in the

1854

01:19:37,010 --> 01:19:34,380

ancient Egyptians through the maybe

1855

01:19:38,930 --> 01:19:37,020

maybe maybe maybe maybe with the help of

1856

01:19:42,350 --> 01:19:38,940

the phenomenon were able to harness

1857

01:19:45,290 --> 01:19:42,360

something that enabled them to leverage

1858

01:19:46,970 --> 01:19:45,300

uh

1859

01:19:49,189 --> 01:19:46,980

I don't need because I don't want to use

1860

01:19:53,149 --> 01:19:49,199

the word technology let's say inability

1861

01:19:55,430 --> 01:19:53,159

to be able to move uh two and a half ton

1862

01:19:58,669 --> 01:19:55,440

Stones yeah

1863

01:20:02,090 --> 01:19:58,679

uh first to 500 Mile Journey from where

1864

01:20:04,430 --> 01:20:02,100

they were uh the Quarry was down to the

1865

01:20:05,990 --> 01:20:04,440

site and then apparently Dave said uh

1866

01:20:09,709 --> 01:20:06,000

Dave Smither sent me some today that

1867

01:20:13,430 --> 01:20:09,719

said inside of those pyramids are stones

1868

01:20:15,189 --> 01:20:13,440

that are more prone to transmit uh

1869

01:20:18,950 --> 01:20:15,199

electrical current

1870

01:20:22,010 --> 01:20:18,960

than the outside the the there's more

1871

01:20:24,169 --> 01:20:22,020

Crystal and more quartz and so forth uh

1872

01:20:28,330 --> 01:20:24,179

and part of those inner chamber Stones

1873

01:20:31,930 --> 01:20:28,340

uh so so I don't I don't know

1874

01:20:34,970 --> 01:20:31,940

necessarily that we that we've evolved

1875

01:20:37,370 --> 01:20:34,980

uh so much but in some ways we have from

1876

01:20:40,189 --> 01:20:37,380

a technology standpoint and I think it's

1877

01:20:43,250 --> 01:20:40,199

because uh you know obviously our brain

1878

01:20:47,030 --> 01:20:43,260

uh has has enabled us to do that and

1879

01:20:49,850 --> 01:20:47,040

you'll hear uh I think it was uh Michael

1880

01:20:52,310 --> 01:20:49,860

Masters talk about when we begin to

1881

01:20:54,169 --> 01:20:52,320

start to walk upright the the grain the

1882

01:20:57,830 --> 01:20:54,179

brain is able to grow because it's not

1883

01:21:00,770 --> 01:20:57,840

as confined by the the stature uh the

1884

01:21:03,110 --> 01:21:00,780

leaned over bent over stature

1885

01:21:04,430 --> 01:21:03,120

um and also you know you know Bigfoot

1886

01:21:07,010 --> 01:21:04,440

has a little bit of that it's largely

1887

01:21:09,410 --> 01:21:07,020

upright a little bit canted forward but

1888

01:21:11,450 --> 01:21:09,420

uh generally doesn't stand quite quite

1889

01:21:13,550 --> 01:21:11,460

straight up and if it does the legs are

1890

01:21:16,610 --> 01:21:13,560

still bent but maybe that's why it's

1891

01:21:19,310 --> 01:21:16,620

brain for the woods is so Advanced that

1892

01:21:21,649 --> 01:21:19,320

uh that Project X Out in Oklahoma has

1893

01:21:23,930 --> 01:21:21,659

been hunting them for a decade and have

1894

01:21:25,790 --> 01:21:23,940

not brought one in

1895

01:21:27,470 --> 01:21:25,800

um so so I think the answer your

1896

01:21:30,410 --> 01:21:27,480

question is you know this is just simple

1897

01:21:33,290 --> 01:21:30,420

uh technological Evolution that's

1898

01:21:34,970 --> 01:21:33,300

brought on by the expanding of the brain

1899

01:21:36,709 --> 01:21:34,980

and figuring out you know once we

1900

01:21:38,870 --> 01:21:36,719

conquered fire and all these things oh

1901

01:21:41,510 --> 01:21:38,880

my God that that's incredible you know

1902

01:21:43,010 --> 01:21:41,520

that that that we're able to make fire

1903

01:21:45,050 --> 01:21:43,020

in the wheel and all these sorts of

1904

01:21:48,050 --> 01:21:45,060

things and uh it's just mushroom from

1905

01:21:51,669 --> 01:21:48,060

there and of course we're inspired by uh

1906

01:21:54,050 --> 01:21:51,679

probably by what we've seen that these

1907

01:21:55,310 --> 01:21:54,060

hieroglyphs and these paintings and

1908

01:21:58,010 --> 01:21:55,320

these um

1909

01:22:00,290 --> 01:21:58,020

artistic drawings on Cave wall said that

1910

01:22:02,930 --> 01:22:00,300

we've seen these things and then

1911

01:22:04,610 --> 01:22:02,940

somewhere you have a Copernicus and you

1912

01:22:07,010 --> 01:22:04,620

have a Galileo and you have people that

1913

01:22:09,410 --> 01:22:07,020

say you know maybe someday we're going

1914

01:22:12,950 --> 01:22:09,420

to be able to do what they can do well

1915

01:22:15,290 --> 01:22:12,960

we still can't but hey we're as you said

1916

01:22:18,770 --> 01:22:15,300

Deb we're pretty darn close you know

1917

01:22:24,709 --> 01:22:22,430

so anyway uh that was I hope I hope

1918

01:22:27,410 --> 01:22:24,719

today answer the question did I

1919

01:22:29,209 --> 01:22:27,420

absolutely I think you know one thing I

1920

01:22:32,390 --> 01:22:29,219

wanted to just throw out there is just

1921

01:22:34,130 --> 01:22:32,400

another thought about it is like just

1922

01:22:36,350 --> 01:22:34,140

you guys can just say yes or no Oneness

1923

01:22:39,410 --> 01:22:36,360

do you think if we were to go forward a

1924

01:22:40,850 --> 01:22:39,420

million years that the gorilla would be

1925

01:22:42,050 --> 01:22:40,860

where we are

1926

01:22:44,570 --> 01:22:42,060

hmm

1927

01:22:49,729 --> 01:22:44,580

wow

1928

01:22:51,050 --> 01:22:49,739

the Masters and Jeff Meldrum and you

1929

01:22:53,270 --> 01:22:51,060

know

1930

01:22:55,490 --> 01:22:53,280

I think the the the interesting question

1931

01:22:59,870 --> 01:22:55,500

to add to that would they be where we

1932

01:23:05,689 --> 01:23:02,930

would they be where where we are without

1933

01:23:09,950 --> 01:23:05,699

our help that's right

1934

01:23:11,750 --> 01:23:09,960

and I would answer that probably is no

1935

01:23:15,229 --> 01:23:11,760

and so then what does that tell you

1936

01:23:17,149 --> 01:23:15,239

about are ourselves

1937

01:23:18,350 --> 01:23:17,159

what does it tell you

1938

01:23:21,169 --> 01:23:18,360

I

1939

01:23:24,530 --> 01:23:21,179

personally think that

1940

01:23:27,890 --> 01:23:24,540

we didn't arrive where we have arrived

1941

01:23:31,310 --> 01:23:27,900

solely on Good Fortune and you know sort

1942

01:23:33,830 --> 01:23:31,320

of rudimentary evolutionary pressure

1943

01:23:39,410 --> 01:23:35,750

I don't think we're a we're a happy

1944

01:23:42,530 --> 01:23:39,420

accident at all I don't think I think

1945

01:23:44,990 --> 01:23:42,540

there's an intelligent design

1946

01:23:48,350 --> 01:23:45,000

behind us and I've I've always thought

1947

01:23:50,870 --> 01:23:48,360

that I've always believed that there is

1948

01:23:54,530 --> 01:23:50,880

there's more to our

1949

01:23:57,290 --> 01:23:54,540

everything then there should be

1950

01:24:00,050 --> 01:23:57,300

and we don't know our powers it's been

1951

01:24:01,250 --> 01:24:00,060

in our powerful our connection to that

1952

01:24:04,250 --> 01:24:01,260

is

1953

01:24:06,050 --> 01:24:04,260

yet I think by just starting to

1954

01:24:09,470 --> 01:24:06,060

understand that

1955

01:24:12,590 --> 01:24:09,480

we and our Consciousness is connected to

1956

01:24:14,390 --> 01:24:12,600

a much greater Highway of information we

1957

01:24:18,709 --> 01:24:14,400

just don't have the

1958

01:24:21,290 --> 01:24:18,719

abilities yet to fully grasp that I

1959

01:24:23,570 --> 01:24:21,300

think the Ancients did I think we lost

1960

01:24:25,250 --> 01:24:23,580

it somewhere and I think it's slowly

1961

01:24:27,410 --> 01:24:25,260

with some of the work that Gary Nolan

1962

01:24:29,450 --> 01:24:27,420

does any people you know looking at that

1963

01:24:33,350 --> 01:24:29,460

basil spice rack whatever it's called in

1964

01:24:34,550 --> 01:24:33,360

your brain you know yeah that's it it's

1965

01:24:36,830 --> 01:24:34,560

in your skin

1966

01:24:41,570 --> 01:24:36,840

it's a new spiceback but you know

1967

01:24:43,669 --> 01:24:41,580

there's we we can't be a happy accident

1968

01:24:45,709 --> 01:24:43,679

we can't there's no way I don't buy it

1969

01:24:47,689 --> 01:24:45,719

I'm not buying that Kool-Aid so how many

1970

01:24:49,910 --> 01:24:47,699

thousands can anyone how many thousands

1971

01:24:52,070 --> 01:24:49,920

of years ago did Lou say was it 35 000

1972

01:24:53,990 --> 01:24:52,080

years ago or seventeen thousand I said

1973

01:24:56,689 --> 01:24:54,000

70 70 70

1974

01:24:58,010 --> 01:24:56,699

000 years ago thank you so so yeah if I

1975

01:24:58,910 --> 01:24:58,020

would have doubled 35 who would have

1976

01:25:02,030 --> 01:24:58,920

been there

1977

01:25:04,790 --> 01:25:02,040

um so so 70 000 years ago that that's

1978

01:25:07,610 --> 01:25:04,800

that's really interesting Nathan and I I

1979

01:25:10,729 --> 01:25:07,620

find that a very interesting hypothesis

1980

01:25:13,189 --> 01:25:10,739

and moreover I guarantee you that Lou

1981

01:25:14,810 --> 01:25:13,199

did obviously and I'm sure if you were

1982

01:25:16,970 --> 01:25:14,820

here right now you tell you did not come

1983

01:25:18,770 --> 01:25:16,980

up with that on his own and he probably

1984

01:25:22,250 --> 01:25:18,780

spoke to some very very informed

1985

01:25:24,290 --> 01:25:22,260

individuals about that so there's a

1986

01:25:27,110 --> 01:25:24,300

theory related to that time frame called

1987

01:25:30,709 --> 01:25:27,120

the bottleneck theory that Humanity

1988

01:25:34,189 --> 01:25:30,719

almost died out around that time

1989

01:25:37,070 --> 01:25:34,199

okay as tonight's Robert hole thanks Deb

1990

01:25:39,770 --> 01:25:37,080

yeah thank you and and we uh so we got

1991

01:25:42,709 --> 01:25:39,780

to get we got to get uh Holly out of

1992

01:25:44,630 --> 01:25:42,719

here soon so I'll give you guys Nathan

1993

01:25:46,010 --> 01:25:44,640

did you go yet because I don't wanna

1994

01:25:48,110 --> 01:25:46,020

I'm good man this has been an awesome

1995

01:25:49,910 --> 01:25:48,120

conversation okay I'll give you mine

1996

01:25:51,470 --> 01:25:49,920

real quick because this one is not going

1997

01:25:53,570 --> 01:25:51,480

to be one that's going to take a whole

1998

01:25:54,950 --> 01:25:53,580

lot of necessarily it's not going to be

1999

01:25:58,550 --> 01:25:54,960

as good as Deb's question I'll tell you

2000

01:26:02,510 --> 01:25:58,560

that but uh so Nathan and I had a

2001

01:26:04,910 --> 01:26:02,520

discussion the other day about how many

2002

01:26:07,850 --> 01:26:04,920

groups and Nathan I think you said

2003

01:26:09,590 --> 01:26:07,860

speaking with XO that there's a pretty

2004

01:26:13,490 --> 01:26:09,600

good theory about maybe did you say

2005

01:26:16,129 --> 01:26:13,500

seven groups is that I'm told don't

2006

01:26:18,229 --> 01:26:16,139

recall saying seven seven oh okay I

2007

01:26:20,390 --> 01:26:18,239

can't remember what maybe that that was

2008

01:26:23,689 --> 01:26:20,400

just in my in my brain and had nothing

2009

01:26:26,990 --> 01:26:23,699

to do with that but I'm curious with the

2010

01:26:28,729 --> 01:26:27,000

different groups that have different so

2011

01:26:31,010 --> 01:26:28,739

I'm gonna I'm gonna do something really

2012

01:26:34,390 --> 01:26:31,020

bad right now I'm going to try to

2013

01:26:37,370 --> 01:26:34,400

ascribe a human thought

2014

01:26:40,189 --> 01:26:37,380

to a hypothesis about the intelligence

2015

01:26:42,950 --> 01:26:40,199

which I personally have as a No-No

2016

01:26:45,830 --> 01:26:42,960

because you can ascribe human intent to

2017

01:26:48,110 --> 01:26:45,840

something that's not human and certain

2018

01:26:52,729 --> 01:26:48,120

probably not a more even a really really

2019

01:26:55,610 --> 01:26:52,739

more evolved uh future human but

2020

01:26:58,070 --> 01:26:55,620

so starting with you Holly

2021

01:27:01,250 --> 01:26:58,080

um do you think that among intelligences

2022

01:27:04,550 --> 01:27:01,260

that seek to

2023

01:27:07,610 --> 01:27:04,560

inhabit the planet and interact with us

2024

01:27:10,490 --> 01:27:07,620

with an eventual goal do you think there

2025

01:27:13,610 --> 01:27:10,500

could be a bid for power amongst those

2026

01:27:15,770 --> 01:27:13,620

groups which is a very human thing right

2027

01:27:19,070 --> 01:27:15,780

bid for power do you think that's

2028

01:27:21,770 --> 01:27:19,080

something that that could or will happen

2029

01:27:26,090 --> 01:27:21,780

or won't happen

2030

01:27:28,610 --> 01:27:26,100

I think I I very much subscribe to the

2031

01:27:32,110 --> 01:27:28,620

whole sort of zoo Theory I think that

2032

01:27:34,729 --> 01:27:32,120

we've been watched I think we're being

2033

01:27:36,290 --> 01:27:34,739

tested monitored

2034

01:27:38,090 --> 01:27:36,300

and

2035

01:27:40,910 --> 01:27:38,100

examined

2036

01:27:43,550 --> 01:27:40,920

I don't think that that there's going to

2037

01:27:45,470 --> 01:27:43,560

be a big Strife of power I've never felt

2038

01:27:47,930 --> 01:27:45,480

that I felt that they're they're

2039

01:27:50,750 --> 01:27:47,940

watching to see what we do

2040

01:27:51,950 --> 01:27:50,760

and how we evolve and what that looks

2041

01:27:52,910 --> 01:27:51,960

like

2042

01:27:55,729 --> 01:27:52,920

um

2043

01:27:59,629 --> 01:27:55,739

yeah that's how I feel right now on that

2044

01:28:01,310 --> 01:27:59,639

question given what I know right now

2045

01:28:04,550 --> 01:28:01,320

um again you know My Views could change

2046

01:28:07,149 --> 01:28:04,560

but I I it seems too human that there's

2047

01:28:09,649 --> 01:28:07,159

going to be this Galactic battle and

2048

01:28:11,810 --> 01:28:09,659

turn around the earth I just you know

2049

01:28:14,570 --> 01:28:11,820

the these These intelligences are

2050

01:28:16,310 --> 01:28:14,580

Advanced I think has gone there let's

2051
01:28:18,410 --> 01:28:16,320
let's cut each other's heads off and go

2052
01:28:20,450 --> 01:28:18,420
to war and I don't think they play like

2053
01:28:23,270 --> 01:28:20,460
that they think they operate differently

2054
01:28:25,970 --> 01:28:23,280
the different groups depending on where

2055
01:28:29,330 --> 01:28:25,980
and what they're from and what they

2056
01:28:31,610 --> 01:28:29,340
occupy and what their advancement is but

2057
01:28:34,129 --> 01:28:31,620
I I don't it just seems really reductive

2058
01:28:36,169 --> 01:28:34,139
that in advance civilization if that's

2059
01:28:38,030 --> 01:28:36,179
what they are that are millions of years

2060
01:28:41,570 --> 01:28:38,040
more advanced than us would be like come

2061
01:28:44,149 --> 01:28:41,580
on I just don't I just it seems very

2062
01:28:47,209 --> 01:28:44,159
primitive and I think we're we're very

2063
01:28:50,330 --> 01:28:47,219

primitive species in relation to them so

2064

01:28:52,370 --> 01:28:50,340

I think I maybe answered your question

2065

01:28:55,070 --> 01:28:52,380

in true Holly Style

2066

01:28:57,050 --> 01:28:55,080

it was good it was good and as far as

2067

01:28:58,669 --> 01:28:57,060

being monitored you mean besides that

2068

01:29:02,629 --> 01:28:58,679

ankle bracelet from the Liverpool

2069

01:29:05,350 --> 01:29:04,189

well no

2070

01:29:08,750 --> 01:29:05,360

no no

2071

01:29:10,490 --> 01:29:08,760

Nathan where they'll be world will there

2072

01:29:12,229 --> 01:29:10,500

be a bid for power among these

2073

01:29:14,149 --> 01:29:12,239

intelligences

2074

01:29:16,970 --> 01:29:14,159

I mean I tend to side with Holly's

2075

01:29:18,010 --> 01:29:16,980

perspective on this I think that um

2076

01:29:21,470 --> 01:29:18,020

yeah

2077

01:29:25,729 --> 01:29:21,480

it's not to say that there might be

2078

01:29:27,950 --> 01:29:25,739

some attempt at uh you know an agenda

2079

01:29:30,649 --> 01:29:27,960

you know like a certain agenda wanting

2080

01:29:32,510 --> 01:29:30,659

to win the day basically but I don't

2081

01:29:35,930 --> 01:29:32,520

know that it plays out in the way that

2082

01:29:38,570 --> 01:29:35,940

like a human conflict plays out

2083

01:29:40,010 --> 01:29:38,580

um you know I think that um what I'd

2084

01:29:41,930 --> 01:29:40,020

like to think is a better way to put it

2085

01:29:44,390 --> 01:29:41,940

I'd like to think that these other

2086

01:29:46,790 --> 01:29:44,400

entities have a different perspective on

2087

01:29:51,169 --> 01:29:46,800

conflict than we do that doesn't involve

2088

01:29:56,510 --> 01:29:51,179

pointy objects or you know Annihilation

2089

01:29:58,430 --> 01:29:56,520

um so yeah I I I'm gonna say no

2090

01:30:01,970 --> 01:29:58,440

good one man I told you I was breaking a

2091

01:30:05,390 --> 01:30:01,980

rule here oh my God dibs well I think

2092

01:30:07,610 --> 01:30:05,400

that Hollywood can talk to

2093

01:30:10,970 --> 01:30:07,620

um Ross colthard about the spears

2094

01:30:13,310 --> 01:30:10,980

tomorrow because the Spheres are part of

2095

01:30:16,010 --> 01:30:13,320

a theory that the entire planet's being

2096

01:30:18,890 --> 01:30:16,020

protected by a guarding system

2097

01:30:21,169 --> 01:30:18,900

by I think it's Patrick Jackson is the

2098

01:30:22,729 --> 01:30:21,179

one who has this Theory

2099

01:30:25,430 --> 01:30:22,739

um so he thinks that it's already

2100

01:30:27,169 --> 01:30:25,440

happening that one group set that up to

2101
01:30:28,850 --> 01:30:27,179
protect us

2102
01:30:31,370 --> 01:30:28,860
um and I have to think about the wood

2103
01:30:33,950 --> 01:30:31,380
carving I think it was the 1500s

2104
01:30:36,530 --> 01:30:33,960
Nuremberg where they saw a battle

2105
01:30:38,750 --> 01:30:36,540
occurring in the sky and other accounts

2106
01:30:41,209 --> 01:30:38,760
that people have described where

2107
01:30:44,090 --> 01:30:41,219
something has um occurred that looked

2108
01:30:46,250 --> 01:30:44,100
like a battle in the sky and So my

2109
01:30:48,290 --> 01:30:46,260
answer is I do think yes and I think

2110
01:30:50,330 --> 01:30:48,300
it's already happening

2111
01:30:52,310 --> 01:30:50,340
wow I see I didn't even know there was

2112
01:30:54,649 --> 01:30:52,320
anything in this question I just was

2113
01:30:57,169 --> 01:30:54,659

throwing it out there to see if if uh if

2114

01:30:59,330 --> 01:30:57,179

there's anything to it so uh thank you

2115

01:31:02,510 --> 01:30:59,340

for Illuminating uh through all your

2116

01:31:04,910 --> 01:31:02,520

research Debs uh and now we got to go

2117

01:31:08,390 --> 01:31:04,920

with cabbie goodbyes

2118

01:31:10,310 --> 01:31:08,400

you want to start us off dibs

2119

01:31:12,830 --> 01:31:10,320

well thank you Holly for coming and

2120

01:31:16,070 --> 01:31:12,840

talking to us today I super appreciate

2121

01:31:17,870 --> 01:31:16,080

your Insight and your work and your you

2122

01:31:20,629 --> 01:31:17,880

know your mission to get people to talk

2123

01:31:22,669 --> 01:31:20,639

about this love it and um you're just

2124

01:31:24,160 --> 01:31:22,679

amazing and your cat ears

2125

01:31:26,270 --> 01:31:24,170

love them

2126

01:31:27,709 --> 01:31:26,280

[Laughter]

2127

01:31:30,169 --> 01:31:27,719

absolutely you and your cat ears are

2128

01:31:32,149 --> 01:31:30,179

welcome back anytime and uh we look

2129

01:31:34,430 --> 01:31:32,159

forward to doing that soon maybe another

2130

01:31:36,410 --> 01:31:34,440

round table in the future a British

2131

01:31:39,290 --> 01:31:36,420

Invasion I think DJ maybe in the future

2132

01:31:40,610 --> 01:31:39,300

yeah sure we can get get that going

2133

01:31:41,990 --> 01:31:40,620

um and just want to encourage you to

2134

01:31:44,570 --> 01:31:42,000

continue to do the great work that

2135

01:31:45,950 --> 01:31:44,580

you've already been doing uh we you know

2136

01:31:47,930 --> 01:31:45,960

are supporting you from the sidelines

2137

01:31:50,570 --> 01:31:47,940

and look forward to the things that will

2138

01:31:54,169 --> 01:31:50,580

come from all of your efforts

2139

01:31:56,330 --> 01:31:54,179

thank you yeah Holly and for if uh when

2140

01:31:58,189 --> 01:31:56,340

we do plan this round table it would be

2141

01:32:00,709 --> 01:31:58,199

great if you could uh get us somebody

2142

01:32:03,229 --> 01:32:00,719

from Ireland we would really want to be

2143

01:32:05,810 --> 01:32:03,239

get someone from Ireland to be part of

2144

01:32:09,169 --> 01:32:05,820

this uh we've already got Dan from Wales

2145

01:32:10,729 --> 01:32:09,179

so I guess he counts as Welsh uh but but

2146

01:32:12,649 --> 01:32:10,739

yeah I would love to get somebody from

2147

01:32:14,510 --> 01:32:12,659

Ireland to to be part of it that would

2148

01:32:17,030 --> 01:32:14,520

be awesome

2149

01:32:20,030 --> 01:32:17,040

um just the person as well just the

2150

01:32:22,310 --> 01:32:20,040

person who you will adore awesome that

2151
01:32:24,590 --> 01:32:22,320
that'd be great so yeah we gotta start

2152
01:32:26,030 --> 01:32:24,600
planning gotta come up with uh well if

2153
01:32:27,890 --> 01:32:26,040
we're gonna have someone Ireland you

2154
01:32:29,990 --> 01:32:27,900
know q2's got to be one

2155
01:32:32,570 --> 01:32:30,000
I think not I think we did YouTube last

2156
01:32:35,030 --> 01:32:32,580
time so we got we gotta find uh some

2157
01:32:37,729 --> 01:32:35,040
other groups uh maybe Van Morrison or

2158
01:32:39,530 --> 01:32:37,739
something uh but anyway uh Holly yeah

2159
01:32:43,010 --> 01:32:39,540
it's been a pleasure being your friend

2160
01:32:45,410 --> 01:32:43,020
and getting to communicate with you and

2161
01:32:48,050 --> 01:32:45,420
just uh feel your spirit I know the

2162
01:32:51,110 --> 01:32:48,060
community does and you really resonate

2163
01:32:54,770 --> 01:32:51,120

with so many people

2164

01:32:57,590 --> 01:32:54,780

um and uh I'm glad this is sort of long

2165

01:33:00,709 --> 01:32:57,600

overdue I'm glad that uh we finally got

2166

01:33:03,530 --> 01:33:00,719

this this done and uh it's just an honor

2167

01:33:06,229 --> 01:33:03,540

to be your friend and and to uh be able

2168

um welcomed with open arms a couple of

2179

01:33:35,030 --> 01:33:32,520

peculiar looks

2180

01:33:37,310 --> 01:33:35,040

um but more so open arms and I'm

2181

01:33:42,830 --> 01:33:37,320

01:33:45,950 --> 01:33:42,840

Soul I'm grateful that I get to learn

2185

01:33:51,590 --> 01:33:50,159

um we can debate things openly and

2186

01:33:54,290 --> 01:33:51,600

honestly and I think you guys are all

2187

01:33:57,169 --> 01:33:54,300

couple of months

2191

01:34:06,550 --> 01:34:02,940

um yeah I've got a few tricks up my

2192

01:34:09,350 --> 01:34:06,560

sleeve yet so we shall see

2193

01:34:17,750 --> 01:34:09,360

okay one last time one last time we

2194

01:34:22,970 --> 01:34:20,810

for having me I um feel that I'm gonna

2195

01:34:24,950 --> 01:34:22,980

have to up the ante next time so I might

2196

01:34:26,990 --> 01:34:24,960

have like a deer next to me or something

2197

01:34:30,470 --> 01:34:27,000

that would be nice yeah bring a deer

2198

01:34:32,330 --> 01:34:30,480

into the crib man uh uh it you know that

2199

01:34:34,810 --> 01:34:32,340

was great you know we'll continue to

2200

01:34:37,550 --> 01:34:34,820

bring conversations like this this

2201

01:34:39,709 --> 01:34:37,560

cabbie community outreach Holly do you

2202

01:34:41,629 --> 01:34:39,719

want to uh talk about a show that you're

2203

01:34:44,090 --> 01:34:41,639

your show real quick are you on a show

2204

01:34:46,250 --> 01:34:44,100

at the at the minute

2205

01:34:49,070 --> 01:34:46,260

um no this we are this things are

2206

01:34:51,709 --> 01:34:49,080

changing basically around me but

2207

01:34:53,689 --> 01:34:51,719

um we Deb's mentioned it I am holding a

2208

01:34:55,910 --> 01:34:53,699

space tomorrow with Russell first

2209

01:34:58,790 --> 01:34:55,920

tomorrow

2210

01:35:01,850 --> 01:34:58,800

um and yeah there's more to come on many

2211

01:35:03,709 --> 01:35:01,860

many fronts so find me in Twitter on the

2212

01:35:06,430 --> 01:35:03,719

2213

01:35:10,390 --> 01:35:06,440

2214

01:35:12,290 --> 01:35:10,400

2222

01:35:36,169 --> 01:35:34,380

your favorite podcast app and the only

2223

01:35:38,450 --> 01:35:36,179

reason we ask you that is just so that

2224

01:35:39,950 --> 01:35:38,460

uh when prospective guests when we ask

2225

01:35:42,169 --> 01:35:39,960

them to come on that they say yes

2226

01:35:44,810 --> 01:35:42,179

because uh we're not monetized in any

2227

01:35:46,669 --> 01:35:44,820

way shape or form uh thank you Jules for
