Calling All Beings

1
00:00:30,529 --> 00:00:13,089

[Music]

2
00:00:34,670 --> 00:00:30,539

yeah

3
00:00:37,370 --> 00:00:34,680

welcome back to calling all beings baby

4
00:00:40,670 --> 00:00:37,380

and guess what it's not normal tonight

5
00:00:43,250 --> 00:00:40,680

baby is it Nathan no it's uh what's the

6
00:00:48,170 --> 00:00:43,260

word I'm looking for it's uh okay yeah

7
00:00:53,650 --> 00:00:50,330

I lost we lost your mic we lost

8
00:01:00,889 --> 00:00:58,250

acting paranormal yeah yeah the intro is

9
00:01:05,210 --> 00:01:00,899

so amazing it just like you know it went

10
00:01:11,210 --> 00:01:07,910

that's still gone DJ yeah still gone

11
00:01:14,090 --> 00:01:11,220

it's still gone he needs a medium

12
00:01:17,210 --> 00:01:14,100

he does like a like I wonder if there's

13
00:01:19,070 --> 00:01:17,220

a uh like a paranormal uh Tech help you

14

00:01:21,289 --> 00:01:19,080

know like somebody you can call on the

15

00:01:23,570 --> 00:01:21,299

other side to help you with your gadgets

16

00:01:24,370 --> 00:01:23,580

and stuff that would be pretty cool I

17

00:01:27,890 --> 00:01:24,380

bet

18

00:01:31,789 --> 00:01:27,900

no we still can't hear you uh so maybe

19

00:01:33,830 --> 00:01:31,799

uh maybe just reset you know do the

20

00:01:39,050 --> 00:01:33,840

whole reset come back in and and we'll

21

00:01:43,730 --> 00:01:41,569

um excellent all right so everybody we

22

00:01:46,490 --> 00:01:43,740

got an awesome show for you tonight uh

23

00:01:48,050 --> 00:01:46,500

we are very excited to welcome back uh

24

00:01:50,510 --> 00:01:48,060

or to welcome the first time Nicole

25

00:01:53,210 --> 00:01:50,520

Strickland to our show as we've talked

26

00:01:55,910 --> 00:01:53,220

about before this is going to be the

27

00:01:58,010 --> 00:01:55,920

second time that we've done uh a

28

00:01:59,690 --> 00:01:58,020

paranormal show and the first time was

29

00:02:02,149 --> 00:01:59,700

almost I think of like the second

30

00:02:04,789 --> 00:02:02,159

episode of Cavs so a very long time ago

31

00:02:06,230 --> 00:02:04,799

so we've been doing the UFO thing we've

32

00:02:09,650 --> 00:02:06,240

been now been looking at Bigfoot stuff

33

00:02:11,510 --> 00:02:09,660

and we want to dive more deeply into the

34

00:02:13,729 --> 00:02:11,520

Paranormal aspects of what we would

35

00:02:16,430 --> 00:02:13,739

colloquy colloquially call the parent

36

00:02:18,110 --> 00:02:16,440

the phenomenon and so we thought no

37

00:02:21,350 --> 00:02:18,120

better way to do that and then to bring

38

00:02:24,890 --> 00:02:21,360

Nicole Strickland who is a researcher

39

00:02:28,010 --> 00:02:24,900

investigator writer podcaster I mean she

40

00:02:30,229 --> 00:02:28,020

does it all uh she's also herself had a

41

00:02:32,030 --> 00:02:30,239

ton of paranormal experience since she

42

00:02:34,250 --> 00:02:32,040

was very young and so she's going to

43

00:02:36,410 --> 00:02:34,260

come on tonight to educate us and so

44

00:02:39,949 --> 00:02:36,420

with that welcome to the show Nicole

45

00:02:41,990 --> 00:02:39,959

Strickland hi guys thank you so much for

46

00:02:44,270 --> 00:02:42,000

having me it's an honor to be on your

47

00:02:46,490 --> 00:02:44,280

show great to have you with us man we're

48

00:02:47,630 --> 00:02:46,500

very excited about it so um I was

49

00:02:50,089 --> 00:02:47,640

listening to

50

00:02:51,890 --> 00:02:50,099

um one of your episodes recently

51
00:02:53,750 --> 00:02:51,900
um where you were kind of talking a

52
00:02:55,070 --> 00:02:53,760
little bit about how you got into the

53
00:02:57,890 --> 00:02:55,080
Paranormal and it sounded like it

54
00:03:00,350 --> 00:02:57,900
started just almost from the moment that

55
00:03:02,330 --> 00:03:00,360
you came onto the scene right into this

56
00:03:04,369 --> 00:03:02,340
world so if you could maybe just like

57
00:03:05,570 --> 00:03:04,379
set the stage for our audience you know

58
00:03:08,089 --> 00:03:05,580
tell us a little bit about your

59
00:03:11,210 --> 00:03:08,099
backstory and and what you're doing now

60
00:03:13,070 --> 00:03:11,220
sure so you know it's funny when I talk

61
00:03:16,270 --> 00:03:13,080
to people about this I always say you

62
00:03:19,550 --> 00:03:16,280
know never ever growing up as a child

63
00:03:22,610 --> 00:03:19,560

teenager in college never did I imagine

64

00:03:24,589 --> 00:03:22,620

that I would be as an adult researching

65

00:03:26,930 --> 00:03:24,599

and investigating the Paranormal it just

66

00:03:29,809 --> 00:03:26,940

kind of evolved I guess as it was

67

00:03:33,170 --> 00:03:29,819

supposed to so you know you always hear

68

00:03:36,290 --> 00:03:33,180

people ask that question usually what

69

00:03:39,170 --> 00:03:36,300

got you in the field so for me I've

70

00:03:41,509 --> 00:03:39,180

always had that that interest in

71

00:03:44,030 --> 00:03:41,519

anomalous phenomena even since I was

72

00:03:46,369 --> 00:03:44,040

really young I even had experiences as

73

00:03:47,869 --> 00:03:46,379

far back as I can remember about four or

74

00:03:50,149 --> 00:03:47,879

five years old so I was born in

75

00:03:52,130 --> 00:03:50,159

Huntington Beach California and then my

76
00:03:54,350 --> 00:03:52,140
mom and dad and I moved to Las Vegas and

77
00:03:56,809 --> 00:03:54,360
so it was our house in Las Vegas where I

78
00:03:59,649 --> 00:03:56,819
had some weird experiences you know

79
00:04:01,970 --> 00:03:59,659
seeing shadow figures and and some

80
00:04:04,850 --> 00:04:01,980
apparitions things of that nature in our

81
00:04:06,890 --> 00:04:04,860
home and so I just always had this

82
00:04:09,289 --> 00:04:06,900
interest in and specifically ghosts and

83
00:04:11,570 --> 00:04:09,299
hauntings and and the after life and so

84
00:04:13,309 --> 00:04:11,580
that stayed with me so I would read

85
00:04:15,350 --> 00:04:13,319
pretty much anything I could on it

86
00:04:17,750 --> 00:04:15,360
articles books you know back then there

87
00:04:19,789 --> 00:04:17,760
wasn't the internet and all of that so

88
00:04:20,930 --> 00:04:19,799

then uh fast forwarding to and I'm

89

00:04:23,090 --> 00:04:20,940

trying to shorten this because I could

90

00:04:24,530 --> 00:04:23,100

go on forever uh going uh fast

91

00:04:26,390 --> 00:04:24,540

forwarding to the University of Arizona

92

00:04:30,050 --> 00:04:26,400

that's where I went to undergraduate

93

00:04:32,270 --> 00:04:30,060

college my maternal grandmother Helen

94

00:04:34,550 --> 00:04:32,280

lopinto her and I were extremely close

95

00:04:37,610 --> 00:04:34,560

and so I'm going to try to shorten this

96

00:04:39,710 --> 00:04:37,620

a little bit uh so she called me the

97

00:04:42,230 --> 00:04:39,720

night before she actually transitioned

98

00:04:44,150 --> 00:04:42,240

and so just being grandmotherly I guess

99

00:04:46,670 --> 00:04:44,160

she wanted to know if I was okay and I

100

00:04:49,310 --> 00:04:46,680

thought that was weird now I kind of

101
00:04:52,490 --> 00:04:49,320
think maybe she suspected that maybe she

102
00:04:54,290 --> 00:04:52,500
was going to pass on and maybe she was

103
00:04:56,150 --> 00:04:54,300
making the rounds just to make sure that

104
00:04:57,650 --> 00:04:56,160
her family was okay I mean I don't know

105
00:04:59,390 --> 00:04:57,660
that's what I think so I was talking

106
00:05:01,070 --> 00:04:59,400
with her on the phone and then about

107
00:05:04,370 --> 00:05:01,080
after about 10 minutes got off the phone

108
00:05:06,590 --> 00:05:04,380
fast forward to the next day my mom her

109
00:05:08,689 --> 00:05:06,600
daughter of course called me in the

110
00:05:10,790 --> 00:05:08,699
afternoon and I could tell right away by

111
00:05:12,770 --> 00:05:10,800
her voice that something wasn't right

112
00:05:16,129 --> 00:05:12,780
and then of course she said you know I

113
00:05:17,870 --> 00:05:16,139

love you so much but uh Grandma passed

114

00:05:20,090 --> 00:05:17,880

away in the early morning and so of

115

00:05:21,950 --> 00:05:20,100

course I was devastated and I just got

116

00:05:24,710 --> 00:05:21,960

on the next plane out of Tucson Arizona

117

00:05:26,150 --> 00:05:24,720

back to San Diego where I'm from and

118

00:05:28,730 --> 00:05:26,160

then spent some time with the family

119

00:05:31,129 --> 00:05:28,740

Helen never wanted a funeral so we just

120

00:05:32,810 --> 00:05:31,139

had a very private viewing with her so I

121

00:05:34,730 --> 00:05:32,820

spent a few days and then after that

122

00:05:38,990 --> 00:05:34,740

came back out to Tucson Arizona where

123

00:05:42,890 --> 00:05:39,000

the U of A is and I started having weird

124

00:05:45,830 --> 00:05:42,900

experiences in my apartment that I I did

125

00:05:47,330 --> 00:05:45,840

not experience prior to her passing but

126
00:05:49,670 --> 00:05:47,340
being that it was in an apartment

127
00:05:51,290 --> 00:05:49,680
setting of course my logical mind kicked

128
00:05:54,050 --> 00:05:51,300
in and tried to you know explain it away

129
00:05:56,450 --> 00:05:54,060
okay is it vibration and you know are my

130
00:05:58,790 --> 00:05:56,460
windows open things of that nature but I

131
00:06:00,529 --> 00:05:58,800
could not come to a conclusion as to

132
00:06:03,050 --> 00:06:00,539
what was going on so I started

133
00:06:05,150 --> 00:06:03,060
experiencing especially my front door

134
00:06:07,370 --> 00:06:05,160
knob and then my bedroom door knob it

135
00:06:10,310 --> 00:06:07,380
would rattle as if someone was trying to

136
00:06:13,850 --> 00:06:10,320
open it now weirdly My grandmother used

137
00:06:15,830 --> 00:06:13,860
to go around at night in her house and

138
00:06:17,930 --> 00:06:15,840

she would check the doorknobs so I kind

139

00:06:21,409 --> 00:06:17,940

of made that connection but not I didn't

140

00:06:23,150 --> 00:06:21,419

at that point think it was really her so

141

00:06:26,749 --> 00:06:23,160

this went on for a couple of nights and

142

00:06:29,090 --> 00:06:26,759

then one evening I was actually sitting

143

00:06:32,029 --> 00:06:29,100

on my bed doing school work and I felt I

144

00:06:34,370 --> 00:06:32,039

didn't see anything but I felt what what

145

00:06:36,590 --> 00:06:34,380

I what I felt is almost like a

146

00:06:39,469 --> 00:06:36,600

disembodied hand kind of like

147

00:06:41,029 --> 00:06:39,479

like touching my face and I again I

148

00:06:43,610 --> 00:06:41,039

couldn't see anything but it felt

149

00:06:45,650 --> 00:06:43,620

comforting it felt peaceful so that's

150

00:06:48,230 --> 00:06:45,660

when I started to make the connection of

151
00:06:51,469 --> 00:06:48,240
okay could could Helen be communicating

152
00:06:53,689 --> 00:06:51,479
from Beyond but I also thought too here

153
00:06:56,270 --> 00:06:53,699
I am grieving my grandmother's death I

154
00:06:58,189 --> 00:06:56,280
mean am I projecting this am I

155
00:07:00,710 --> 00:06:58,199
psychogenically projecting this because

156
00:07:02,950 --> 00:07:00,720
of my grief I know I didn't know so then

157
00:07:06,490 --> 00:07:02,960
a couple of nights later I saw her

158
00:07:09,170 --> 00:07:06,500
full-bodied Apparition appear in my room

159
00:07:11,450 --> 00:07:09,180
uh just it almost looked like she had a

160
00:07:13,490 --> 00:07:11,460
spotlight behind her and she looked

161
00:07:15,170 --> 00:07:13,500
about 10 years younger and one of her

162
00:07:17,689 --> 00:07:15,180
favorite dresses and she just stood

163
00:07:20,330 --> 00:07:17,699

there and it was in color and it was

164

00:07:23,029 --> 00:07:20,340

just very very Vivid for me again though

165

00:07:25,610 --> 00:07:23,039

that that was that culminated into that

166

00:07:27,529 --> 00:07:25,620

and it was very very profound for me but

167

00:07:29,629 --> 00:07:27,539

again I was like oh my gosh is this

168

00:07:32,510 --> 00:07:29,639

actually a visitation from her or am I

169

00:07:35,029 --> 00:07:32,520

actually projecting this so I you know I

170

00:07:36,409 --> 00:07:35,039

called my mom and talked with her and we

171

00:07:38,450 --> 00:07:36,419

let Helen know that she's free to move

172

00:07:40,370 --> 00:07:38,460

on on and you know she doesn't need to

173

00:07:42,710 --> 00:07:40,380

be worried about the family or anything

174

00:07:45,350 --> 00:07:42,720

and then after that the experience has

175

00:07:47,330 --> 00:07:45,360

stopped but that even though I had an

176
00:07:51,529 --> 00:07:47,340
interest you know going back many years

177
00:07:54,650 --> 00:07:51,539
that one encounter actually propelled me

178
00:07:56,510 --> 00:07:54,660
into investigating the Paranormal and

179
00:07:59,809 --> 00:07:56,520
the unknown so I started shortly after

180
00:08:01,610 --> 00:07:59,819
that and this was 2001. so I just

181
00:08:05,110 --> 00:08:01,620
started working with different Southern

182
00:08:08,089 --> 00:08:05,120
California teams and then that led into

183
00:08:11,029 --> 00:08:08,099
uh forming the San Diego paranormal

184
00:08:14,029 --> 00:08:11,039
research Society in in 2009 actually I

185
00:08:15,830 --> 00:08:14,039
mean it was October of 2009 so and since

186
00:08:18,830 --> 00:08:15,840
then I mean I've I've gotten the

187
00:08:21,710 --> 00:08:18,840
opportunity to to meet so many amazing

188
00:08:23,869 --> 00:08:21,720

people in the field not just ghosts and

189

00:08:26,890 --> 00:08:23,879

hauntings and the afterlife but people

190

00:08:28,969 --> 00:08:26,900

involved in you know ufologists and

191

00:08:31,369 --> 00:08:28,979

cryptozoologists and all of that psychic

192

00:08:34,430 --> 00:08:31,379

mediums you name it and just everything

193

00:08:35,990 --> 00:08:34,440

kind of fell in place after that you

194

00:08:39,709 --> 00:08:36,000

know and then I started writing books

195

00:08:44,329 --> 00:08:39,719

and you know podcasting so here we are

196

00:08:46,970 --> 00:08:44,339

amazing I love it I love it and uh the

197

00:08:49,130 --> 00:08:46,980

you know for folks that may

198

00:08:52,130 --> 00:08:49,140

I mean we've all I think had exposure to

199

00:08:55,430 --> 00:08:52,140

Paranormal kinds of uh you know shows

200

00:08:56,389 --> 00:08:55,440

like in a popularized sort of sense you

201
00:08:58,490 --> 00:08:56,399
know what's something about the

202
00:09:00,769 --> 00:08:58,500
Paranormal that you think that sometimes

203
00:09:03,530 --> 00:09:00,779
most people get wrong you know the in

204
00:09:06,230 --> 00:09:03,540
how it's popularized in in kind of media

205
00:09:08,750 --> 00:09:06,240
and things like that yeah this is a it's

206
00:09:11,090 --> 00:09:08,760
kind of a I guess a contentious subject

207
00:09:14,329 --> 00:09:11,100
but for you know and I that's fine I

208
00:09:18,470 --> 00:09:14,339
talk about it for me I'm I'm a little

209
00:09:21,310 --> 00:09:18,480
frustrated at uh pop culture uh

210
00:09:25,490 --> 00:09:21,320
television what what have you almost

211
00:09:28,250 --> 00:09:25,500
portraying the Paranormal Spirits ghosts

212
00:09:30,769 --> 00:09:28,260
even other beings too as something that

213
00:09:32,509 --> 00:09:30,779

we always have to fear something that

214

00:09:33,829 --> 00:09:32,519

you know it's just oh my gosh all of

215

00:09:35,990 --> 00:09:33,839

this it's you have to fear it it's

216

00:09:38,630 --> 00:09:36,000

completely evil so that's that's

217

00:09:42,230 --> 00:09:38,640

something that I I don't like at all uh

218

00:09:46,130 --> 00:09:42,240

and another thing too is the tendency to

219

00:09:48,769 --> 00:09:46,140

sometimes over classify certain energies

220

00:09:50,810 --> 00:09:48,779

so they're put in a box and there's this

221

00:09:53,870 --> 00:09:50,820

four corner box and we don't really know

222

00:09:56,150 --> 00:09:53,880

everything about all of this so over

223

00:09:59,449 --> 00:09:56,160

classifying based on certain types of

224

00:10:01,730 --> 00:09:59,459

behaviors and things of that nature so

225

00:10:03,530 --> 00:10:01,740

that's great yeah and I know what you

226

00:10:05,150 --> 00:10:03,540

mean I mean if we and I think I heard

227

00:10:08,389 --> 00:10:05,160

you talk about this too that there's

228

00:10:11,269 --> 00:10:08,399

often um that like the high

229

00:10:13,310 --> 00:10:11,279

entertainment value of the Paranormal uh

230

00:10:16,009 --> 00:10:13,320

that would that they're kind of going

231

00:10:20,210 --> 00:10:16,019

for the thrills or sensationalization

232

00:10:23,030 --> 00:10:20,220

and in a way kind of losing what what I

233

00:10:26,210 --> 00:10:23,040

get from you is this really meaningful

234

00:10:28,310 --> 00:10:26,220

human element to it yes exactly you said

235

00:10:30,829 --> 00:10:28,320

it better than me absolutely and there

236

00:10:32,269 --> 00:10:30,839

is nothing wrong with entertainment and

237

00:10:35,210 --> 00:10:32,279

things of that nature but I think

238

00:10:37,370 --> 00:10:35,220

there's missed opportunities uh not to

239

00:10:38,870 --> 00:10:37,380

say that you know shows shouldn't or

240

00:10:40,790 --> 00:10:38,880

anything in the media shouldn't be

241

00:10:43,850 --> 00:10:40,800

entertaining no but there should be a

242

00:10:46,310 --> 00:10:43,860

little bit more of an informative type

243

00:10:49,370 --> 00:10:46,320

of educational element so you can bring

244

00:10:52,130 --> 00:10:49,380

in that the human component

245

00:10:56,750 --> 00:10:55,009

awesome DJ I think your sound is working

246

00:10:58,910 --> 00:10:56,760

well is that right

247

00:11:00,889 --> 00:10:58,920

yes sir I think that I think that Mike

248

00:11:02,690 --> 00:11:00,899

got scared and went to mute on its own

249

00:11:04,509 --> 00:11:02,700

because when I pushed either that or

250

00:11:07,730 --> 00:11:04,519

someone that's let me just say this

251
00:11:08,590 --> 00:11:07,740
associated with Nicole made my mic go to

252
00:11:12,650 --> 00:11:08,600
mute

253
00:11:15,710 --> 00:11:12,660
I did it it's my fault see what I do see

254
00:11:17,990 --> 00:11:15,720
the problems that cause you know I love

255
00:11:20,269 --> 00:11:18,000
it we this you know it's like uh it's

256
00:11:21,949 --> 00:11:20,279
like that Senator said about the what

257
00:11:23,930 --> 00:11:21,959
happened on the Edmund Pettus bridge in

258
00:11:26,930 --> 00:11:23,940
Alabama he said this is good trouble get

259
00:11:28,610 --> 00:11:26,940
in good trouble you good trouble Nicole

260
00:11:30,290 --> 00:11:28,620
um I will say it's not the first time

261
00:11:32,269 --> 00:11:30,300
that I've been around electronics and

262
00:11:35,389 --> 00:11:32,279
they just kind of you know run off and

263
00:11:38,990 --> 00:11:35,399

do whatever they want so I don't know

264

00:11:42,829 --> 00:11:40,910

um what I wanted to ask you

265

00:11:44,810 --> 00:11:42,839

um for our audience's purposes because

266

00:11:46,370 --> 00:11:44,820

we have listened to some of your content

267

00:11:48,710 --> 00:11:46,380

and I got the answer to this question

268

00:11:50,630 --> 00:11:48,720

although I have added on to it since I

269

00:11:52,910 --> 00:11:50,640

wrote the question but could you explain

270

00:11:56,150 --> 00:11:52,920

to our audience uh some of which is like

271

00:11:58,009 --> 00:11:56,160

ufo-based people that may not know you

272

00:11:59,210 --> 00:11:58,019

know very much about paranormal as I

273

00:12:01,069 --> 00:11:59,220

don't

274

00:12:02,930 --> 00:12:01,079

um what is the difference between a

275

00:12:05,810 --> 00:12:02,940

ghost a spirit and then we'll extend

276

00:12:07,430 --> 00:12:05,820

that out to demon oh my gosh yeah now

277

00:12:11,150 --> 00:12:07,440

and again this is just

278

00:12:12,290 --> 00:12:11,160

opinion here based on talking with

279

00:12:15,230 --> 00:12:12,300

others

280

00:12:18,350 --> 00:12:15,240

might based on my own experience and you

281

00:12:20,509 --> 00:12:18,360

know reading about it all so so and it's

282

00:12:22,550 --> 00:12:20,519

weird because I'm even guilty of this

283

00:12:25,430 --> 00:12:22,560

using the word ghost and spirit

284

00:12:27,530 --> 00:12:25,440

interchangeably technically there is a

285

00:12:29,810 --> 00:12:27,540

difference let me preface this by saying

286

00:12:32,569 --> 00:12:29,820

that we still don't have a hundred

287

00:12:35,630 --> 00:12:32,579

percent definition exactly what a ghost

288

00:12:38,329 --> 00:12:35,640

or an Earthbound is in exactly what a

289

00:12:40,850 --> 00:12:38,339

spirit is we think we do you know it's

290

00:12:43,910 --> 00:12:40,860

theoretical but again we don't have that

291

00:12:45,889 --> 00:12:43,920

100 definition so a ghost or an

292

00:12:50,090 --> 00:12:45,899

Earthbound most people like to use the

293

00:12:52,850 --> 00:12:50,100

word Earthbound are energies of of those

294

00:12:57,050 --> 00:12:52,860

human or animal that maybe have passed

295

00:12:59,150 --> 00:12:57,060

on but yet haven't evolved necessarily

296

00:13:00,190 --> 00:12:59,160

through the ranks of spirithoods they

297

00:13:03,769 --> 00:13:00,200

haven't

298

00:13:05,810 --> 00:13:03,779

gone up into the higher levels of of

299

00:13:07,810 --> 00:13:05,820

being spirit so there for whatever

300

00:13:11,750 --> 00:13:07,820

reason there's different theories

301

00:13:14,750 --> 00:13:11,760

they're stuck here either by choice or

302

00:13:17,389 --> 00:13:14,760

uh maybe they especially in the case of

303

00:13:20,449 --> 00:13:17,399

like tragic deaths or for example

304

00:13:22,129 --> 00:13:20,459

suicides maybe there's that state of

305

00:13:25,250 --> 00:13:22,139

limbo and I know that's kind of a

306

00:13:26,930 --> 00:13:25,260

Catholic term there but a state of limbo

307

00:13:29,870 --> 00:13:26,940

where they're not sure whether or not

308

00:13:31,910 --> 00:13:29,880

maybe they passed on it could also be

309

00:13:34,850 --> 00:13:31,920

maybe they like I said by choice maybe

310

00:13:36,769 --> 00:13:34,860

there's uh they're they're pulled by

311

00:13:39,949 --> 00:13:36,779

grieving family members they want to

312

00:13:42,350 --> 00:13:39,959

stay by the family maybe there's a an

313

00:13:44,449 --> 00:13:42,360

object or maybe they're they're wanting

314

00:13:45,829 --> 00:13:44,459

to stay with their home for example so

315

00:13:49,490 --> 00:13:45,839

there's all kinds of different reasons

316

00:13:51,710 --> 00:13:49,500

as to why potentially uh the energy of

317

00:13:54,889 --> 00:13:51,720

someone wants to remain as an Earthbound

318

00:13:56,750 --> 00:13:54,899

now a spirit and again earthbounds and

319

00:13:58,610 --> 00:13:56,760

Spirits can communicate with us in

320

00:14:00,769 --> 00:13:58,620

similar ways and we can see them in

321

00:14:04,670 --> 00:14:00,779

similar ways but a spirit is someone

322

00:14:08,389 --> 00:14:04,680

that almost has has that Free Will isn't

323

00:14:12,829 --> 00:14:08,399

Bound By The Mortal plane so to speak

324

00:14:15,050 --> 00:14:12,839

and so they can travel to the higher

325

00:14:17,449 --> 00:14:15,060

levels of spirithood and back should

326

00:14:19,490 --> 00:14:17,459

they want to so just to hire I think a

327

00:14:21,829 --> 00:14:19,500

higher level of Consciousness a higher

328

00:14:25,129 --> 00:14:21,839

level of intelligence even too for

329

00:14:28,129 --> 00:14:25,139

certain Spirits now demons and that this

330

00:14:31,490 --> 00:14:28,139

isn't my specialty but I and again some

331

00:14:34,850 --> 00:14:31,500

people may disagree with me I I feel

332

00:14:36,230 --> 00:14:34,860

that demons represent non-human energies

333

00:14:43,790 --> 00:14:36,240

that

334

00:14:46,129 --> 00:14:43,800

or cause will or potentially possess uh

335

00:14:47,930 --> 00:14:46,139

you know living living beings so I think

336

00:14:49,790 --> 00:14:47,940

that um there's you know much of a

337

00:14:51,710 --> 00:14:49,800

difference there but you know in the

338

00:14:54,110 --> 00:14:51,720

Paranormal and this is some people may

339

00:14:56,030 --> 00:14:54,120

completely disagree and that's fine uh

340

00:14:57,889 --> 00:14:56,040

you know everyone should have the

341

00:14:59,689 --> 00:14:57,899

freedom to express their opinions and

342

00:15:01,250 --> 00:14:59,699

all of that and be respectful and

343

00:15:03,769 --> 00:15:01,260

open-minded to others opinions that's

344

00:15:05,150 --> 00:15:03,779

that's my belief in this field I I do

345

00:15:08,629 --> 00:15:05,160

think that

346

00:15:12,710 --> 00:15:08,639

again going back to that the uh pop

347

00:15:15,889 --> 00:15:12,720

culture Hollywood uh media I think it

348

00:15:18,350 --> 00:15:15,899

over emphasizes demonic energy and makes

349

00:15:21,410 --> 00:15:18,360

it sound that gives off the impression

350

00:15:23,990 --> 00:15:21,420

that maybe the ghost of Grandma you know

351

00:15:26,930 --> 00:15:24,000

the Earthbound of grandma or grandpa or

352

00:15:28,970 --> 00:15:26,940

maybe someone's brother that's coming is

353

00:15:30,949 --> 00:15:28,980

oh it's a demon everything has to be a

354

00:15:32,750 --> 00:15:30,959

demon everything has to be so scary and

355

00:15:34,910 --> 00:15:32,760

all of that I mean we know that this is

356

00:15:36,590 --> 00:15:34,920

common sense right so I see that a lot

357

00:15:38,569 --> 00:15:36,600

and that kind of makes me sad I get a

358

00:15:41,150 --> 00:15:38,579

little sad when I hear it but you know I

359

00:15:42,590 --> 00:15:41,160

don't I think so I I really feel that

360

00:15:44,870 --> 00:15:42,600

some people or a lot of people are

361

00:15:47,150 --> 00:15:44,880

starting to see through it now I don't

362

00:15:49,189 --> 00:15:47,160

know how you guys feel about that or you

363

00:15:52,910 --> 00:15:49,199

know what if you have any input too on

364

00:15:56,509 --> 00:15:52,920

on thoughts about demonic activity

365

00:15:57,710 --> 00:15:56,519

I think this one is really deep so I

366

00:15:59,329 --> 00:15:57,720

think we're going to be able to go a

367

00:16:00,530 --> 00:15:59,339

couple rounds on this Debs go ahead my

368

00:16:03,530 --> 00:16:00,540

friend

369

00:16:05,449 --> 00:16:03,540

yep so um I have a lot of questions of

370

00:16:07,970 --> 00:16:05,459

course because I actually

371

00:16:10,009 --> 00:16:07,980

um used to study ghost quite a bit and

372

00:16:12,470 --> 00:16:10,019

that was my advice

373

00:16:16,970 --> 00:16:12,480

um but but I I've gotten to this point

374

00:16:20,389 --> 00:16:16,980

with um studying UFOs that brings me

375

00:16:22,610 --> 00:16:20,399

back to you know the study of ghosts and

376

00:16:24,410 --> 00:16:22,620

spirits and the afterlife

377

00:16:26,629 --> 00:16:24,420

um over and over again it seems to be

378

00:16:28,250 --> 00:16:26,639

that there's a correlation and you've

379

00:16:30,230 --> 00:16:28,260

kind of touched on this a little but I

380

00:16:32,150 --> 00:16:30,240

thought maybe you could expound on how

381

00:16:33,970 --> 00:16:32,160

your view of death has changed since

382

00:16:37,069 --> 00:16:33,980

you've been studying this

383

00:16:38,870 --> 00:16:37,079

excellent excellent uh I and it's

384

00:16:41,569 --> 00:16:38,880

interesting you asked me that question I

385

00:16:43,430 --> 00:16:41,579

have an upcoming book coming out uh

386

00:16:45,170 --> 00:16:43,440

probably end of this Mar end of this

387

00:16:47,629 --> 00:16:45,180

March of course of course it's March end

388

00:16:48,889 --> 00:16:47,639

of this month uh probably maybe more

389

00:16:51,829 --> 00:16:48,899

like the first week of April I'm

390

00:16:53,569 --> 00:16:51,839

slightly behind but that's called the

391

00:16:55,189 --> 00:16:53,579

afterlife Chronicles exploring the

392

00:16:57,050 --> 00:16:55,199

connection between life death and beyond

393

00:16:59,210 --> 00:16:57,060

and in the last chapter I kind of

394

00:17:02,689 --> 00:16:59,220

elaborate or basically elaborate on what

395

00:17:05,870 --> 00:17:02,699

what you ask about how moving through

396

00:17:09,230 --> 00:17:05,880

the stages of grief and loss can really

397

00:17:11,210 --> 00:17:09,240

help you further connect with the energy

398

00:17:14,750 --> 00:17:11,220

of your departed loved one whether it's

399

00:17:17,929 --> 00:17:14,760

a human energy or an animal energy so

400

00:17:21,770 --> 00:17:17,939

having this experience in the Paranormal

401
00:17:25,610 --> 00:17:21,780
and and knowing that when someone I love

402
00:17:27,350 --> 00:17:25,620
passes on and moves on that that's that

403
00:17:30,110 --> 00:17:27,360
they're not forgotten that the energy

404
00:17:31,789 --> 00:17:30,120
the essence of them their soul for

405
00:17:35,270 --> 00:17:31,799
example lives on

406
00:17:38,330 --> 00:17:35,280
and can still communicate there's still

407
00:17:40,310 --> 00:17:38,340
that you know the Love Never Dies so

408
00:17:43,490 --> 00:17:40,320
death can come knocking out the door but

409
00:17:45,529 --> 00:17:43,500
it cannot you know disrupt the the bomb

410
00:17:49,010 --> 00:17:45,539
that we in the Bonsai we have with our

411
00:17:51,529 --> 00:17:49,020
uh family and loved ones and animals so

412
00:17:54,470 --> 00:17:51,539
there's that knowledge of that and it

413
00:17:57,289 --> 00:17:54,480

almost eases I I know that at the time

414

00:17:59,570 --> 00:17:57,299

when for example my mom and dad pass

415

00:18:01,190 --> 00:17:59,580

yes I'm going to be grieving it's going

416

00:18:03,230 --> 00:18:01,200

to be sad because I don't have them

417

00:18:05,990 --> 00:18:03,240

physically here with me but yet their

418

00:18:08,690 --> 00:18:06,000

energy their Essence what makes them

419

00:18:11,390 --> 00:18:08,700

them that Still Remains even though I

420

00:18:16,610 --> 00:18:11,400

can't necessarily see them or hear them

421

00:18:22,669 --> 00:18:18,890

I'm gonna tell you what man there's so

422

00:18:24,890 --> 00:18:22,679

many places uh to go and and uh I feel

423

00:18:28,250 --> 00:18:24,900

like there's still a lot of meat on the

424

00:18:29,810 --> 00:18:28,260

bone with with uh when you said about uh

425

00:18:32,570 --> 00:18:29,820

that there is another

426

00:18:34,730 --> 00:18:32,580

um that the demon is perhaps a non-human

427

00:18:35,930 --> 00:18:34,740

intelligence but uh Nathan let me pass

428

00:18:37,909 --> 00:18:35,940

it to you sir

429

00:18:40,190 --> 00:18:37,919

yeah I definitely want to come back on

430

00:18:42,950 --> 00:18:40,200

that and and before we come back to that

431

00:18:45,590 --> 00:18:42,960

I um I wanted to expand a little bit on

432

00:18:48,049 --> 00:18:45,600

this what we just talked about there

433

00:18:50,750 --> 00:18:48,059

um one of the researchers in the UFO

434

00:18:53,450 --> 00:18:50,760

field that's really big in our circles

435

00:18:54,950 --> 00:18:53,460

is a Woman by the name of Leslie Kane

436

00:18:56,330 --> 00:18:54,960

and you may be familiar with her she

437

00:18:58,970 --> 00:18:56,340

wrote a book called surviving death and

438

00:19:00,650 --> 00:18:58,980

there was a Netflix series about it and

439

00:19:03,230 --> 00:19:00,660

you know one of the things that is a

440

00:19:05,750 --> 00:19:03,240

recurring theme that at least I I picked

441

00:19:08,690 --> 00:19:05,760

up on is that folks that are uh really

442

00:19:12,470 --> 00:19:08,700

interested in the Paranormal uh you know

443

00:19:15,110 --> 00:19:12,480

tend to be uh like highly empathic and

444

00:19:17,390 --> 00:19:15,120

caring kinds of people because what I

445

00:19:19,070 --> 00:19:17,400

get from from from listening to what you

446

00:19:20,570 --> 00:19:19,080

just said and and from these other kind

447

00:19:23,630 --> 00:19:20,580

of anecdotes is

448

00:19:26,990 --> 00:19:23,640

there's this intense kind of human

449

00:19:29,750 --> 00:19:27,000

healing that needs to happen yes and and

450

00:19:31,250 --> 00:19:29,760

so much of the energy that is left is

451
00:19:33,470 --> 00:19:31,260
like this as you pointed out that

452
00:19:35,210 --> 00:19:33,480
there's kind of an attachment or like a

453
00:19:36,890 --> 00:19:35,220
residue in a way

454
00:19:39,710 --> 00:19:36,900
um that is that is present in these

455
00:19:42,169 --> 00:19:39,720
paranormal experiences is is you know

456
00:19:45,590 --> 00:19:42,179
like looking for permission to be let go

457
00:19:48,110 --> 00:19:45,600
uh or or or to uh you know kind of make

458
00:19:50,270 --> 00:19:48,120
them feel at ease and and this seems to

459
00:19:51,830 --> 00:19:50,280
go back a very long time in human

460
00:19:53,750 --> 00:19:51,840
history so I wonder if you could talk to

461
00:19:57,110 --> 00:19:53,760
that the kind of the the caretaking

462
00:19:59,810 --> 00:19:57,120
elements of paranormal work

463
00:20:02,570 --> 00:19:59,820

wow this is a very deep thought out uh

464

00:20:06,289 --> 00:20:02,580

question I appreciate it because I often

465

00:20:08,870 --> 00:20:06,299

think that uh in many ways and on people

466

00:20:13,070 --> 00:20:08,880

may unwillingly be doing this and maybe

467

00:20:15,650 --> 00:20:13,080

some uh don't really care you know

468

00:20:16,909 --> 00:20:15,660

there's the a difference between uh and

469

00:20:20,049 --> 00:20:16,919

I'm going to get to that but there's a

470

00:20:22,490 --> 00:20:20,059

difference between someone who is

471

00:20:24,830 --> 00:20:22,500

Desiring to be in this field just

472

00:20:26,390 --> 00:20:24,840

because they want to throw seek and they

473

00:20:28,490 --> 00:20:26,400

want to emulate what they're seeing in

474

00:20:31,909 --> 00:20:28,500

horror movies and all of that versus

475

00:20:33,830 --> 00:20:31,919

someone who really wants to get into the

476

00:20:36,289 --> 00:20:33,840

nuts and bolts of what goes on in

477

00:20:40,549 --> 00:20:36,299

paranormal investigation and research

478

00:20:43,190 --> 00:20:40,559

and are really wanting to establish an a

479

00:20:45,950 --> 00:20:43,200

rapport with the energies that we come

480

00:20:48,289 --> 00:20:45,960

across whether it's a historical case or

481

00:20:49,190 --> 00:20:48,299

private residence or a business for

482

00:20:53,150 --> 00:20:49,200

example

483

00:20:55,430 --> 00:20:53,160

so uh this is I think where where the

484

00:20:58,430 --> 00:20:55,440

whole respect and reverence of of

485

00:21:01,070 --> 00:20:58,440

energies comes and this goes this

486

00:21:03,110 --> 00:21:01,080

expands to all beings uh not just you

487

00:21:05,870 --> 00:21:03,120

know ghosts and spirits and I think if

488

00:21:07,730 --> 00:21:05,880

you have that that connection or that

489

00:21:08,990 --> 00:21:07,740

that it's it's all about intention I'm

490

00:21:10,490 --> 00:21:09,000

kind of going off in all kinds of

491

00:21:12,289 --> 00:21:10,500

different places because my brain's like

492

00:21:13,669 --> 00:21:12,299

oh I'm not gonna say this see this that

493

00:21:15,529 --> 00:21:13,679

oh God I hate when this happened not at

494

00:21:20,390 --> 00:21:15,539

all in fact I think we're vibing with

495

00:21:24,049 --> 00:21:22,010

um yeah so you know it's all about

496

00:21:26,210 --> 00:21:24,059

intention too so you have to kind of

497

00:21:28,010 --> 00:21:26,220

establish okay your what is your

498

00:21:30,110 --> 00:21:28,020

intention for being in this field why

499

00:21:32,990 --> 00:21:30,120

are you in it do you want to just thrill

500

00:21:36,409 --> 00:21:33,000

seek or do you want to actually make a

501
00:21:40,190 --> 00:21:36,419
really established rapport with certain

502
00:21:42,470 --> 00:21:40,200
energies or beings that you uh come

503
00:21:45,529 --> 00:21:42,480
across in your investigations or just in

504
00:21:48,110 --> 00:21:45,539
in everyday life so there's that they're

505
00:21:49,250 --> 00:21:48,120
going back to that human element I think

506
00:21:51,409 --> 00:21:49,260
uh

507
00:21:52,669 --> 00:21:51,419
for those people that are that are

508
00:21:55,669 --> 00:21:52,679
empathic

509
00:21:58,130 --> 00:21:55,679
uh I would say most of those people do

510
00:22:01,669 --> 00:21:58,140
have that pure intent to want to do good

511
00:22:03,789 --> 00:22:01,679
and to want to uh kind of connect both

512
00:22:06,350 --> 00:22:03,799
Realms when I say both I'm talking about

513
00:22:07,970 --> 00:22:06,360

you know Earthly the Earthly plane in

514

00:22:10,490 --> 00:22:07,980

the afterlife but even other dimensions

515

00:22:12,409 --> 00:22:10,500

I often feel that maybe there's a Nexus

516

00:22:13,730 --> 00:22:12,419

between all these different dimensions

517

00:22:16,130 --> 00:22:13,740

and there's some sort of connection

518

00:22:18,590 --> 00:22:16,140

there I don't know what it is but that's

519

00:22:22,430 --> 00:22:18,600

just something that I that I often

520

00:22:24,529 --> 00:22:22,440

um think about so so P you can kind of

521

00:22:27,049 --> 00:22:24,539

tell and I'm going everywhere here I

522

00:22:29,210 --> 00:22:27,059

know that uh I you can kind of tell when

523

00:22:32,930 --> 00:22:29,220

when someone

524

00:22:35,390 --> 00:22:32,940

is really devoted and dedicated from a

525

00:22:38,330 --> 00:22:35,400

from a genuine point of view in this

526

00:22:41,210 --> 00:22:38,340

field versus someone that just is in it

527

00:22:42,409 --> 00:22:41,220

for other more superficial types of

528

00:22:45,890 --> 00:22:42,419

reasons

529

00:22:47,870 --> 00:22:45,900

so uh yeah so I kind of went all over

530

00:22:49,669 --> 00:22:47,880

there I'm sorry I'm gonna tell you

531

00:22:52,190 --> 00:22:49,679

something it's all Nathan can keep from

532

00:22:54,470 --> 00:22:52,200

doing to stand up and say amen sister

533

00:22:56,990 --> 00:22:54,480

right now that's what he's wanting to

534

00:22:59,029 --> 00:22:57,000

say after what you just said so good and

535

00:23:00,409 --> 00:22:59,039

and you know it made me re the way

536

00:23:02,450 --> 00:23:00,419

you've talked about it is really

537

00:23:05,149 --> 00:23:02,460

reframing the way that I think about it

538

00:23:08,690 --> 00:23:05,159

because so often we think about the

539

00:23:09,950 --> 00:23:08,700

relationship of the The Departed to the

540

00:23:11,930 --> 00:23:09,960

living

541

00:23:14,029 --> 00:23:11,940

um and how they're infecting affecting

542

00:23:16,130 --> 00:23:14,039

us and and really what you're speaking

543

00:23:19,549 --> 00:23:16,140

to here is that the living are giving

544

00:23:21,350 --> 00:23:19,559

something to The Dead We are helping

545

00:23:23,029 --> 00:23:21,360

them the approach yes yes I actually

546

00:23:25,130 --> 00:23:23,039

think there's and that's interesting you

547

00:23:28,010 --> 00:23:25,140

bring that up because that is almost if

548

00:23:30,470 --> 00:23:28,020

there's one takeaway point in my

549

00:23:34,190 --> 00:23:30,480

upcoming book on the afterlife is that

550

00:23:35,149 --> 00:23:34,200

that both worlds are connecting with

551
00:23:37,430 --> 00:23:35,159
each other

552
00:23:38,149 --> 00:23:37,440
and they're also Desiring to help each

553
00:23:40,610 --> 00:23:38,159
other

554
00:23:43,669 --> 00:23:40,620
and kind of fuse together oops excuse me

555
00:23:45,470 --> 00:23:43,679
so I we're seeing that more and more and

556
00:23:48,049 --> 00:23:45,480
I I can't explain the reasons why

557
00:23:50,810 --> 00:23:48,059
necessarily I mean one is well look at

558
00:23:53,390 --> 00:23:50,820
the world now there's so much heartache

559
00:23:55,370 --> 00:23:53,400
and and Challenge and people are hurting

560
00:23:58,130 --> 00:23:55,380
each other it's insane out there

561
00:24:00,049 --> 00:23:58,140
so maybe that's one of the motives that

562
00:24:02,810 --> 00:24:00,059
you know maybe for example the afterlife

563
00:24:04,250 --> 00:24:02,820

and even other dimensions uh are you

564

00:24:06,529 --> 00:24:04,260

know maybe that's the main motive there

565

00:24:09,830 --> 00:24:06,539

for wanting to to communicate with us

566

00:24:12,710 --> 00:24:09,840

more I don't know but uh there's

567

00:24:14,870 --> 00:24:12,720

definitely this uh parallel I call I

568

00:24:18,169 --> 00:24:14,880

call it like a parallel connection

569

00:24:20,450 --> 00:24:18,179

between the living realm and other

570

00:24:22,490 --> 00:24:20,460

Realms so

571

00:24:25,190 --> 00:24:22,500

yeah

572

00:24:28,190 --> 00:24:25,200

um it's it's so fun I had a question

573

00:24:30,409 --> 00:24:28,200

with it driving home today for all three

574

00:24:32,149 --> 00:24:30,419

of or yeah all three of you four yeah

575

00:24:35,890 --> 00:24:32,159

three of you because I'm me so there

576

00:24:39,110 --> 00:24:35,900

there's a total of of four of us

577

00:24:41,570 --> 00:24:39,120

and I can't I can't remember what it is

578

00:24:44,630 --> 00:24:41,580

so this kind of tells you uh podcasters

579

00:24:46,970 --> 00:24:44,640

out there stop the car get out your your

580

00:24:48,350 --> 00:24:46,980

uh virtual notepad and write down that

581

00:24:50,210 --> 00:24:48,360

question because it was something that I

582

00:24:51,830 --> 00:24:50,220

wanted to pass through all three of you

583

00:24:52,850 --> 00:24:51,840

guys but it may come to me during the

584

00:24:54,710 --> 00:24:52,860

discussion

585

00:24:56,810 --> 00:24:54,720

it's and what's interesting here

586

00:25:00,110 --> 00:24:56,820

Nicole's we had a guy on a couple of

587

00:25:03,529 --> 00:25:00,120

weeks ago a Bigfoot researcher named

588

00:25:05,270 --> 00:25:03,539

Terry Windell and his uh his website is

589

00:25:08,510 --> 00:25:05,280
called Rock Hill Bigfoot in South

590

00:25:12,289 --> 00:25:08,520
Carolina and on the logo it says respect

591

00:25:14,510 --> 00:25:12,299
between us oh see that I love that I

592

00:25:16,669 --> 00:25:14,520
knew see I knew and and it just you know

593

00:25:18,890 --> 00:25:16,679
what you said and also I heard your

594

00:25:20,870 --> 00:25:18,900
partners his name Todd your partner Todd

595

00:25:22,610 --> 00:25:20,880
Bates yeah well we we actually I've

596

00:25:25,010 --> 00:25:22,620
known him for years we co-host haunted

597

00:25:27,830 --> 00:25:25,020
voices together haunted voice is right

598

00:25:31,130 --> 00:25:27,840
and it's on radio in um

599

00:25:34,190 --> 00:25:31,140
in San Diego yeah it's at well it's his

600

00:25:36,230 --> 00:25:34,200
station and it's uh it broadcasts from

601
00:25:38,810 --> 00:25:36,240
um Robinson Illinois

602
00:25:40,669 --> 00:25:38,820
oh does it okay yeah okay yeah there's

603
00:25:43,730 --> 00:25:40,679
just there's oh gosh I think he has

604
00:25:45,409 --> 00:25:43,740
about like like 18 or 19 hosts now but

605
00:25:47,570 --> 00:25:45,419
some of us are on the west coast we're

606
00:25:49,190 --> 00:25:47,580
we're kind of all scattered but it

607
00:25:51,529 --> 00:25:49,200
brought I mean it's his station he lives

608
00:25:54,350 --> 00:25:51,539
in Robinson Illinois so

609
00:25:56,450 --> 00:25:54,360
I loved you know like he basically said

610
00:25:59,149 --> 00:25:56,460
you know don't like go out into the

611
00:26:01,430 --> 00:25:59,159
field and be like you know demand that a

612
00:26:03,230 --> 00:26:01,440
spirit appear for you exactly as his

613
00:26:04,850 --> 00:26:03,240

guests are the same thing it's it's a

614

00:26:07,190 --> 00:26:04,860

respect thing you respect them they

615

00:26:09,470 --> 00:26:07,200

respect you the guest said that Todd

616

00:26:11,930 --> 00:26:09,480

said that and and that really resonated

617

00:26:14,269 --> 00:26:11,940

with me and and I'm sure that's part of

618

00:26:16,370 --> 00:26:14,279

your approach would you like talk real

619

00:26:20,769 --> 00:26:16,380

quickly about your approach when you

620

00:26:24,049 --> 00:26:20,779

arrive on scene absolutely so yes so so

621

00:26:25,610 --> 00:26:24,059

uh pretty much if it's a scene of a

622

00:26:28,370 --> 00:26:25,620

place that I've investigated numerous

623

00:26:30,830 --> 00:26:28,380

times or a site that I've never

624

00:26:34,549 --> 00:26:30,840

investigated maybe I know about it maybe

625

00:26:36,409 --> 00:26:34,559

I don't of course uh prior to that I

626
00:26:38,990 --> 00:26:36,419
would have uh you know researched the

627
00:26:41,450 --> 00:26:39,000
property and things of that nature uh

628
00:26:43,250 --> 00:26:41,460
probably done at some point some uh

629
00:26:46,130 --> 00:26:43,260
client interviews and and all of that so

630
00:26:48,350 --> 00:26:46,140
I would have started my my

631
00:26:51,590 --> 00:26:48,360
um supplemental research of the property

632
00:26:55,010 --> 00:26:51,600
but when I actually go on the property

633
00:26:57,830 --> 00:26:55,020
there's a whole I believe when if people

634
00:26:59,570 --> 00:26:57,840
go on to a property and they just start

635
00:27:01,430 --> 00:26:59,580
investigating without any sort of

636
00:27:02,510 --> 00:27:01,440
introduction I'm sorry I don't mean a

637
00:27:05,269 --> 00:27:02,520
Critic I'm not trying to criticize

638
00:27:07,610 --> 00:27:05,279

That's Not My Method I want to set the

639

00:27:09,950 --> 00:27:07,620

tone and you know there is something

640

00:27:11,269 --> 00:27:09,960

there's a difference between

641

00:27:12,649 --> 00:27:11,279

um I'm just going to say this and I'll

642

00:27:14,810 --> 00:27:12,659

and I'll get to that there's a

643

00:27:17,570 --> 00:27:14,820

difference between a residual type of

644

00:27:19,250 --> 00:27:17,580

phenomenon versus an intelligence so

645

00:27:21,470 --> 00:27:19,260

residual is something like a psychic

646

00:27:24,769 --> 00:27:21,480

imprint it's a Memory imprint on the

647

00:27:28,370 --> 00:27:24,779

environment that doesn't have any sort

648

00:27:30,169 --> 00:27:28,380

of intelligent or conscious thoughts of

649

00:27:33,169 --> 00:27:30,179

the present so it's not like you and I

650

00:27:35,930 --> 00:27:33,179

interacting right now it's just a memory

651
00:27:37,490 --> 00:27:35,940
imprint for example Gettysburg if you go

652
00:27:39,710 --> 00:27:37,500
on there and assuming they're not doing

653
00:27:41,990 --> 00:27:39,720
any reenactments that day and you hear a

654
00:27:43,730 --> 00:27:42,000
phantom Canon that would be an example

655
00:27:46,310 --> 00:27:43,740
of a residual phenomenon but for the

656
00:27:48,049 --> 00:27:46,320
intelligent sort of energies that are

657
00:27:49,850 --> 00:27:48,059
there and they are aware of their

658
00:27:52,850 --> 00:27:49,860
surroundings they're aware of us and

659
00:27:55,669 --> 00:27:52,860
they can communicate you yes there's a

660
00:27:58,610 --> 00:27:55,679
whole opening that we do we State our

661
00:28:01,789 --> 00:27:58,620
intent we State why we're there and

662
00:28:03,590 --> 00:28:01,799
something that we do uh as in addition

663
00:28:06,529 --> 00:28:03,600

to that for example before an EBP

664

00:28:09,049 --> 00:28:06,539

session or or Spirit Box session or an

665

00:28:12,470 --> 00:28:09,059

ITC sort of uh whether it's the Estes

666

00:28:14,690 --> 00:28:12,480

method or EVP session ITC session we

667

00:28:17,750 --> 00:28:14,700

will state you know introduce ourselves

668

00:28:19,970 --> 00:28:17,760

you know say you know we're of course

669

00:28:22,310 --> 00:28:19,980

State the location's name and the time

670

00:28:23,990 --> 00:28:22,320

and all of that but we will say you know

671

00:28:26,149 --> 00:28:24,000

we would love to talk with you you're

672

00:28:28,490 --> 00:28:26,159

not forced to talk with us but we would

673

00:28:31,250 --> 00:28:28,500

love to learn about you and and hear

674

00:28:34,130 --> 00:28:31,260

your story uh we're we're fascinated by

675

00:28:36,590 --> 00:28:34,140

this this location because of X Y and Z

676

00:28:38,390 --> 00:28:36,600

whatever that may be and we want to

677

00:28:41,870 --> 00:28:38,400

reassure you that we are here with

678

00:28:44,450 --> 00:28:41,880

respect we come as friends and don't

679

00:28:46,430 --> 00:28:44,460

feel obligated to talk with us and then

680

00:28:48,470 --> 00:28:46,440

we also say something like you know if

681

00:28:50,630 --> 00:28:48,480

if you are speaking to us or

682

00:28:52,610 --> 00:28:50,640

communicating with us and we can't hear

683

00:28:54,350 --> 00:28:52,620

you please don't think that we're

684

00:28:56,390 --> 00:28:54,360

ignoring you right now it's just because

685

00:28:58,630 --> 00:28:56,400

we can't sometimes hear you with our

686

00:29:01,310 --> 00:28:58,640

ears that's why we have all these

687

00:29:04,909 --> 00:29:01,320

devices or we might say gadgets or

688

00:29:06,169 --> 00:29:04,919

Contraptions or whatever uh but uh we

689

00:29:07,909 --> 00:29:06,179

also say you know if you'd like to

690

00:29:10,010 --> 00:29:07,919

telepathically communicate with us

691

00:29:12,649 --> 00:29:10,020

that's fine too so we make it a very

692

00:29:14,630 --> 00:29:12,659

welcoming sort of environment and of

693

00:29:16,370 --> 00:29:14,640

course there's a whole setup phase you

694

00:29:19,130 --> 00:29:16,380

know you want to you know establish your

695

00:29:20,750 --> 00:29:19,140

home base and uh set up certain types of

696

00:29:23,510 --> 00:29:20,760

equipment and all of that but once

697

00:29:26,029 --> 00:29:23,520

everyone is ready to go there's there's

698

00:29:28,130 --> 00:29:26,039

that state there's an opening uh there's

699

00:29:31,370 --> 00:29:28,140

a statement of intent and then there's

700

00:29:35,450 --> 00:29:31,380

grounding exercises it is of my belief

701
00:29:37,850 --> 00:29:35,460
that no one should uh necessarily well

702
00:29:38,930 --> 00:29:37,860
you could communicate with someone at

703
00:29:42,110 --> 00:29:38,940
your house but if you're on an

704
00:29:44,149 --> 00:29:42,120
investigation and you're not in the

705
00:29:48,409 --> 00:29:44,159
frame of mind maybe you're not feeling

706
00:29:49,730 --> 00:29:48,419
well whatever that's probably not a good

707
00:29:52,130 --> 00:29:49,740
time for you to be conducting that

708
00:29:55,909 --> 00:29:52,140
investigation so there needs to be a

709
00:29:59,870 --> 00:29:55,919
sense of grounding a sense of emotional

710
00:30:03,049 --> 00:29:59,880
spiritual and physical grounding so

711
00:30:08,470 --> 00:30:03,059
you're you're just at your A game before

712
00:30:13,310 --> 00:30:11,750
no I I love that uh I love that I mean I

713
00:30:15,409 --> 00:30:13,320

do it differently I usually will go to

714

00:30:17,810 --> 00:30:15,419

the woods I'll get in my bare feet and

715

00:30:19,430 --> 00:30:17,820

I'll say Bigfoot if you come out and

716

00:30:24,590 --> 00:30:19,440

come see me I'm gonna give you a better

717

00:30:29,810 --> 00:30:27,889

but that's creativity though I'm just

718

00:30:31,850 --> 00:30:29,820

kidding I don't I do I do actually do

719

00:30:34,190 --> 00:30:31,860

the exact same thing you do I'll I'll

720

00:30:36,230 --> 00:30:34,200

get in my bare feet

721

00:30:38,389 --> 00:30:36,240

um and I'll I'll just you know State my

722

00:30:40,490 --> 00:30:38,399

intention that I just wanna I do it

723

00:30:42,710 --> 00:30:40,500

every time I go I go big footing

724

00:30:44,210 --> 00:30:42,720

unsuccessfully but I'll say my

725

00:30:46,490 --> 00:30:44,220

intentions here is just to learn about

726

00:30:48,230 --> 00:30:46,500

you I'm not trying to invade your space

727

00:30:50,269 --> 00:30:48,240

and if not cause you any harm or

728

00:30:52,490 --> 00:30:50,279

anything like that so but bring humor

729

00:30:54,889 --> 00:30:52,500

into it too I think you know it works in

730

00:30:57,590 --> 00:30:54,899

some cases as long okay as long as it's

731

00:30:59,690 --> 00:30:57,600

respectful I say you know Nathan I will

732

00:31:02,930 --> 00:30:59,700

mention 401K next time I'm in the woods

733

00:31:05,750 --> 00:31:02,940

you never know or possibly asking if he

734

00:31:08,690 --> 00:31:05,760

has PayPal but Debs go ahead my friend

735

00:31:10,730 --> 00:31:08,700

yeah I just I see so many parallels

736

00:31:13,190 --> 00:31:10,740

between these topics like it's

737

00:31:15,889 --> 00:31:13,200

ridiculous you know and then

738

00:31:18,049 --> 00:31:15,899

um the telepathy the there's something

739

00:31:19,970 --> 00:31:18,059

trying to talk to us there's multiple

740

00:31:23,870 --> 00:31:19,980

different things trying to communicate

741

00:31:26,630 --> 00:31:23,880

with us yes um so do you think that says

742

00:31:28,490 --> 00:31:26,640

something about us as humans or the

743

00:31:30,710 --> 00:31:28,500

people who are going out there trying to

744

00:31:32,930 --> 00:31:30,720

have these conversations or do you think

745

00:31:34,549 --> 00:31:32,940

that is because this is you know even

746

00:31:36,470 --> 00:31:34,559

religion you know they're doing the same

747

00:31:38,389 --> 00:31:36,480

thing in religion they're praying and

748

00:31:41,570 --> 00:31:38,399

trying to engage and

749

00:31:43,730 --> 00:31:41,580

there's angels and all that so

750

00:31:45,830 --> 00:31:43,740

um why why do you think that's happening

751
00:31:48,049 --> 00:31:45,840
like is it something that we used to

752
00:31:50,269 --> 00:31:48,059
know how to do it's like what do you

753
00:31:52,430 --> 00:31:50,279
what are your thoughts on this yeah this

754
00:31:55,430 --> 00:31:52,440
is a good question and it does parallel

755
00:31:56,870 --> 00:31:55,440
religion in many respects so I I kind of

756
00:31:59,450 --> 00:31:56,880
think of when you think of the human

757
00:32:01,789 --> 00:31:59,460
body and you think of our nervous system

758
00:32:03,590 --> 00:32:01,799
and there's all these nerves and these

759
00:32:06,769 --> 00:32:03,600
synapses firing in all these different

760
00:32:09,529 --> 00:32:06,779
directions so there's one person and

761
00:32:11,870 --> 00:32:09,539
then you have a collective group maybe

762
00:32:14,029 --> 00:32:11,880
in the U.S or just pretty much spread

763
00:32:16,610 --> 00:32:14,039

out over the world that are going out

764

00:32:19,250 --> 00:32:16,620

and and wanting to communicate with the

765

00:32:22,070 --> 00:32:19,260

Beyond I will say and doing these sorts

766

00:32:24,529 --> 00:32:22,080

of Investigations so is there a

767

00:32:27,610 --> 00:32:24,539

possibility that maybe

768

00:32:30,710 --> 00:32:27,620

one person let's say out in Australia

769

00:32:32,870 --> 00:32:30,720

could be doing something do or on an

770

00:32:36,830 --> 00:32:32,880

investigation and that may affect

771

00:32:38,510 --> 00:32:36,840

someone out here in the U.S maybe on an

772

00:32:40,430 --> 00:32:38,520

investigation or something like that so

773

00:32:42,710 --> 00:32:40,440

I there's like I said with these CERN

774

00:32:45,169 --> 00:32:42,720

synapses that's kind of how I see it

775

00:32:48,310 --> 00:32:45,179

everything that we're doing individually

776

00:32:51,649 --> 00:32:48,320

but yet collectively kind of

777

00:32:53,810 --> 00:32:51,659

influences uh the rest of us so to speak

778

00:32:58,070 --> 00:32:53,820

and I I almost think it's like one big

779

00:33:00,409 --> 00:32:58,080

giant battery and uh it's it's like this

780

00:33:03,470 --> 00:33:00,419

giant capacitor and then we're all

781

00:33:06,470 --> 00:33:03,480

charging it individually and as a group

782

00:33:09,049 --> 00:33:06,480

and so that's almost pinging out into

783

00:33:10,490 --> 00:33:09,059

the atmosphere pinging out into the

784

00:33:14,210 --> 00:33:10,500

different universities and galaxies

785

00:33:16,370 --> 00:33:14,220

Beyond hey we want to know you we want

786

00:33:18,830 --> 00:33:16,380

to we want to learn about you we want to

787

00:33:21,889 --> 00:33:18,840

communicate with you and so that I think

788

00:33:24,049 --> 00:33:21,899

is what what could be fueling it and

789

00:33:26,450 --> 00:33:24,059

then just another thing too and I and

790

00:33:28,490 --> 00:33:26,460

this is some thing that I've heard other

791

00:33:30,470 --> 00:33:28,500

guests say and that I've just talked

792

00:33:32,630 --> 00:33:30,480

about with friends and colleagues is the

793

00:33:35,090 --> 00:33:32,640

whole technological advancement I mean

794

00:33:37,310 --> 00:33:35,100

is there something with technology and

795

00:33:39,169 --> 00:33:37,320

that's kind of helping all of this to

796

00:33:42,409 --> 00:33:39,179

happen I don't know

797

00:33:45,110 --> 00:33:42,419

so can I can I follow up on that real

798

00:33:48,289 --> 00:33:45,120

quick I call it yes ma'am I call it the

799

00:33:50,810 --> 00:33:48,299

cosmic internet and I think and I think

800

00:33:53,269 --> 00:33:50,820

with technology we're trying to capture

801
00:33:56,810 --> 00:33:53,279
the same thing that we're trying to do

802
00:33:59,090 --> 00:33:56,820
in all of these modalities right the

803
00:34:00,950 --> 00:33:59,100
Technology's trying to do it for us in

804
00:34:03,529 --> 00:34:00,960
fact I think they're getting to the

805
00:34:05,570 --> 00:34:03,539
point where they're going to have ai do

806
00:34:07,869 --> 00:34:05,580
a lot of these things like try to reach

807
00:34:12,109 --> 00:34:07,879
out to the cosmos essentially

808
00:34:14,510 --> 00:34:12,119
to the Beyond yeah I love that and it's

809
00:34:16,550 --> 00:34:14,520
like we're waking up something that may

810
00:34:18,470 --> 00:34:16,560
or may not have been dormant all this

811
00:34:20,570 --> 00:34:18,480
time maybe it wasn't dormant but we just

812
00:34:23,089 --> 00:34:20,580
didn't really have a way of seeking it

813
00:34:26,149 --> 00:34:23,099

or finding it and now we are

814

00:34:27,710 --> 00:34:26,159

so you know it's this is I love these

815

00:34:29,149 --> 00:34:27,720

types of questions because it gets you

816

00:34:31,909 --> 00:34:29,159

to critically think

817

00:34:33,710 --> 00:34:31,919

about this type of phenomena that's out

818

00:34:36,349 --> 00:34:33,720

there

819

00:34:37,909 --> 00:34:36,359

and I want to uh because that topic also

820

00:34:40,070 --> 00:34:37,919

I think we're we're going to try to draw

821

00:34:42,169 --> 00:34:40,080

these three things together before the

822

00:34:44,210 --> 00:34:42,179

end of the show but Jules is our chat

823

00:34:46,730 --> 00:34:44,220

monitor she's in there and this is a

824

00:34:48,770 --> 00:34:46,740

good question for you yeah I'll tell you

825

00:34:49,810 --> 00:34:48,780

what man you are so awesome Nicole

826

00:34:55,129 --> 00:34:49,820

already

827

00:34:57,530 --> 00:34:55,139

too I know right

828

00:34:59,930 --> 00:34:57,540

yep yeah we could feel what you're

829

00:35:03,970 --> 00:34:59,940

saying because if we were paranormal

830

00:35:07,970 --> 00:35:03,980

investigators and it basically took one

831

00:35:10,069 --> 00:35:07,980

a haunted restaurant bathroom for Deb to

832

00:35:12,710 --> 00:35:10,079

go running back to her her seat in the

833

00:35:14,990 --> 00:35:12,720

restaurant but if we were

834

00:35:16,370 --> 00:35:15,000

we would want to approach it like you if

835

00:35:17,870 --> 00:35:16,380

we were brave enough and I don't know

836

00:35:20,569 --> 00:35:17,880

that we are

837

00:35:22,849 --> 00:35:20,579

um so Jules is asking what opinion do

838

00:35:26,750 --> 00:35:22,859

you have for Spirit Box devices versus

839

00:35:29,390 --> 00:35:26,760

EVP via recordings okay yeah this is an

840

00:35:32,990 --> 00:35:29,400

excellent question so so let me just say

841

00:35:35,210 --> 00:35:33,000

so an electronic voice phenomenon is not

842

00:35:37,550 --> 00:35:35,220

a disembodied voice so an EVP is

843

00:35:39,950 --> 00:35:37,560

something that our recorders or

844

00:35:42,349 --> 00:35:39,960

recording devices it'll capture some

845

00:35:44,030 --> 00:35:42,359

sort of Voice or sound if it's a sound

846

00:35:46,010 --> 00:35:44,040

it would be an e an electronic noise

847

00:35:47,990 --> 00:35:46,020

phenomenon but in EVP it's a voice or

848

00:35:49,670 --> 00:35:48,000

sound that we don't hear with our naked

849

00:35:51,470 --> 00:35:49,680

ear at the time it's only you know in

850

00:35:53,870 --> 00:35:51,480

review of the audio that you pick it up

851
00:35:57,250 --> 00:35:53,880
versus a disembodied Voice or an audible

852
00:36:00,530 --> 00:35:57,260
voice phenomenon uh and then so the

853
00:36:02,450 --> 00:36:00,540
ITC instrumental trans communication is

854
00:36:06,650 --> 00:36:02,460
essentially real-time communication

855
00:36:09,470 --> 00:36:06,660
between us and whatever spiritual being

856
00:36:11,450 --> 00:36:09,480
we're trying to to communicate with and

857
00:36:14,170 --> 00:36:11,460
so there's different devices for that it

858
00:36:16,730 --> 00:36:14,180
ITC is a little bit more controversial

859
00:36:20,329 --> 00:36:16,740
just because people claim there's a

860
00:36:21,950 --> 00:36:20,339
little bit more subjectivity to it so uh

861
00:36:24,230 --> 00:36:21,960
if you're doing for example and there's

862
00:36:27,530 --> 00:36:24,240
different devices out there but uh for

863
00:36:29,569 --> 00:36:27,540

example the psb7 and psb11 varieties are

864

00:36:31,430 --> 00:36:29,579

two common ones that people are are

865

00:36:34,790 --> 00:36:31,440

using nowadays there's many others as

866

00:36:35,510 --> 00:36:34,800

well uh but uh for the sake of this I'll

867

00:36:40,130 --> 00:36:35,520

just

868

00:36:43,190 --> 00:36:40,140

um use the PSP 7 and psb11 uh so it what

869

00:36:46,550 --> 00:36:43,200

it does is it's it sweeps nanoseconds of

870

00:36:51,530 --> 00:36:46,560

sound as it goes through the bands of am

871

00:36:55,790 --> 00:36:51,540

and FM radio so it's thought that

872

00:36:58,450 --> 00:36:55,800

energies can use the frequency of that

873

00:37:01,190 --> 00:36:58,460

electronic scanning to somehow

874

00:37:04,849 --> 00:37:01,200

communicate and and and speak whether

875

00:37:08,569 --> 00:37:04,859

it's uh one or two words or a phrase for

876

00:37:11,870 --> 00:37:08,579

example so the difference I I use both

877

00:37:14,810 --> 00:37:11,880

methods I use EVP and I use ITC but with

878

00:37:17,089 --> 00:37:14,820

ITC you have to pay attention to the

879

00:37:19,670 --> 00:37:17,099

subjectivity and it has to be a little

880

00:37:22,670 --> 00:37:19,680

bit more controlled because if you're

881

00:37:24,829 --> 00:37:22,680

doing a session and then and you have a

882

00:37:26,569 --> 00:37:24,839

bunch of people around stating out loud

883

00:37:28,970 --> 00:37:26,579

oh I heard this oh I heard this oh I

884

00:37:31,190 --> 00:37:28,980

heard that that's already there's so

885

00:37:33,710 --> 00:37:31,200

much power suggestion and bias with that

886

00:37:36,650 --> 00:37:33,720

so what we look for to try to eliminate

887

00:37:39,470 --> 00:37:36,660

that is we try to have people when

888

00:37:42,410 --> 00:37:39,480

possible maybe write down what they

889

00:37:44,569 --> 00:37:42,420

heard if it's something completely

890

00:37:47,270 --> 00:37:44,579

obvious that everyone heard of course

891

00:37:50,630 --> 00:37:47,280

that's fine but what we look for is we

892

00:37:53,569 --> 00:37:50,640

look for is everyone can everyone hear

893

00:37:56,990 --> 00:37:53,579

what's being said and understand it or

894

00:37:59,870 --> 00:37:57,000

understand part of it is what you're

895

00:38:01,730 --> 00:37:59,880

talking about so is the answer or to

896

00:38:04,730 --> 00:38:01,740

what they're saying or whatever word or

897

00:38:07,130 --> 00:38:04,740

phrase that comes through is it does it

898

00:38:09,890 --> 00:38:07,140

correlate to the the history of that

899

00:38:11,870 --> 00:38:09,900

property or to the questions that the

900

00:38:14,150 --> 00:38:11,880

investigators are answering and if

901
00:38:16,609 --> 00:38:14,160
that's a yes then that's something to

902
00:38:19,370 --> 00:38:16,619
pay attention to and then also if you

903
00:38:22,370 --> 00:38:19,380
get a word or phrase that or a phrase

904
00:38:24,710 --> 00:38:22,380
actually that kind of you can tell that

905
00:38:26,450 --> 00:38:24,720
the the the device already scanned like

906
00:38:30,050 --> 00:38:26,460
eight or nine radio stations but yet

907
00:38:31,609 --> 00:38:30,060
that whole entire phrase uh kind of I

908
00:38:33,950 --> 00:38:31,619
guess developed over that then that's

909
00:38:35,990 --> 00:38:33,960
something to pay attention to so again

910
00:38:38,210 --> 00:38:36,000
my main thing with it I'm long drawn out

911
00:38:40,370 --> 00:38:38,220
answer here is that ITC in my opinion is

912
00:38:42,410 --> 00:38:40,380
a little bit more subjective a little

913
00:38:45,710 --> 00:38:42,420

bit more by there's bias in it and all

914

00:38:48,770 --> 00:38:45,720

of that EVP it can be as well even with

915

00:38:52,670 --> 00:38:48,780

the SDS method uh but just good old

916

00:38:54,829 --> 00:38:52,680

classic EVP I think is less yes you have

917

00:38:56,690 --> 00:38:54,839

you worry about less subjectivity with

918

00:39:00,170 --> 00:38:56,700

it and

919

00:39:03,770 --> 00:39:00,180

um less uh Power suggestion so to speak

920

00:39:06,710 --> 00:39:03,780

so I use both my advice is experiment

921

00:39:09,530 --> 00:39:06,720

with both and see what works for you and

922

00:39:11,510 --> 00:39:09,540

again it's location dependent too so if

923

00:39:14,030 --> 00:39:11,520

you're in a location that is known for a

924

00:39:16,609 --> 00:39:14,040

bunch of audio probably maybe experience

925

00:39:18,230 --> 00:39:16,619

or experiment with both so it just

926
00:39:20,690 --> 00:39:18,240
depends

927
00:39:23,270 --> 00:39:20,700
Nathan it's easy to see why Nicole was

928
00:39:25,730 --> 00:39:23,280
like West Coast Paranormal Investigator

929
00:39:27,410 --> 00:39:25,740
of the year can I get a name man oh yeah

930
00:39:28,609 --> 00:39:27,420
no it's fantastic

931
00:39:30,230 --> 00:39:28,619
um I mean there's just so many

932
00:39:33,710 --> 00:39:30,240
directions I'm thinking of taking the

933
00:39:35,710 --> 00:39:33,720
conversation but I wanted to um I wanted

934
00:39:38,990 --> 00:39:35,720
to ask

935
00:39:42,890 --> 00:39:39,000
this is kind of a broad question but it

936
00:39:45,290 --> 00:39:42,900
what's the sense that you have with the

937
00:39:46,609 --> 00:39:45,300
Paranormal Community

938
00:39:49,750 --> 00:39:46,619

um about

939

00:39:53,690 --> 00:39:49,760

kind of the the age in which we now live

940

00:39:55,730 --> 00:39:53,700

and is there a

941

00:39:58,010 --> 00:39:55,740

is there a particular energy that you're

942

00:39:59,150 --> 00:39:58,020

kind of picking up on you kind of hinted

943

00:40:00,710 --> 00:39:59,160

to this earlier I think in the

944

00:40:01,790 --> 00:40:00,720

conversation and I just wonder if you

945

00:40:04,490 --> 00:40:01,800

could kind of

946

00:40:05,450 --> 00:40:04,500

expound on this uh is there a sense in

947

00:40:07,790 --> 00:40:05,460

which

948

00:40:10,490 --> 00:40:07,800

there's a shift happening in our

949

00:40:12,589 --> 00:40:10,500

Collective awareness of this issue or a

950

00:40:15,890 --> 00:40:12,599

rediscovery I think is maybe even kind

951
00:40:17,990 --> 00:40:15,900
of hinted at what's your take on the

952
00:40:20,690 --> 00:40:18,000
time in which we find ourselves

953
00:40:22,790 --> 00:40:20,700
but yeah this is a very I love these

954
00:40:25,370 --> 00:40:22,800
sorts of questions and here I go with my

955
00:40:28,069 --> 00:40:25,380
mind going all over the place yeah there

956
00:40:29,810 --> 00:40:28,079
I there and I you know I think about

957
00:40:32,569 --> 00:40:29,820
this and there's some sort of energy

958
00:40:36,470 --> 00:40:32,579
shift that's occurring and I can't quite

959
00:40:39,829 --> 00:40:36,480
put my finger on exactly what that is

960
00:40:42,109 --> 00:40:39,839
uh it seems that for some reason this

961
00:40:44,930 --> 00:40:42,119
goes I think beyond the television shows

962
00:40:47,810 --> 00:40:44,940
Beyond Hollywood and all of that uh that

963
00:40:49,609 --> 00:40:47,820

whole Cosmic shift going on I think

964

00:40:52,810 --> 00:40:49,619

that's there's something in the cosmos

965

00:40:55,790 --> 00:40:52,820

like I said and that's almost

966

00:40:59,270 --> 00:40:55,800

perpetuating this the Paranormal

967

00:41:02,270 --> 00:40:59,280

phenomenon things of that nature uh

968

00:41:05,150 --> 00:41:02,280

oh my gosh let's see there's there's

969

00:41:07,849 --> 00:41:05,160

younger people coming and I am seeing

970

00:41:10,250 --> 00:41:07,859

this there's younger people coming I'm

971

00:41:12,349 --> 00:41:10,260

now I'm 43 so you know I just rebuild my

972

00:41:17,210 --> 00:41:12,359

age but there's younger people young

973

00:41:19,250 --> 00:41:17,220

girl young girl oh no gosh man I I would

974

00:41:22,609 --> 00:41:19,260

just turn 21 where did that go hello

975

00:41:26,990 --> 00:41:22,619

anyway so just glad just left Universe

976

00:41:30,170 --> 00:41:27,000

it just I mean it just happened oh my

977

00:41:33,050 --> 00:41:30,180

god oh anyways so I so I'm seeing

978

00:41:34,970 --> 00:41:33,060

there's different almost Generations now

979

00:41:37,370 --> 00:41:34,980

in the field but maybe it's because

980

00:41:40,609 --> 00:41:37,380

we're more knowledgeable of field it's

981

00:41:41,630 --> 00:41:40,619

more in our infused in our society but I

982

00:41:43,430 --> 00:41:41,640

think there's a little bit of a

983

00:41:45,890 --> 00:41:43,440

difference between the younger

984

00:41:48,589 --> 00:41:45,900

generation and the older when I say

985

00:41:53,870 --> 00:41:48,599

older maybe you know people in their 30s

986

00:41:56,030 --> 00:41:53,880

or 40s or older uh just intent wise and

987

00:41:56,930 --> 00:41:56,040

I and again I may be wrong on this it's

988

00:42:00,050 --> 00:41:56,940

just

989

00:42:03,349 --> 00:42:00,060

and maybe it's that younger age that

990

00:42:04,730 --> 00:42:03,359

pays more attention to the Paranormal

991

00:42:09,170 --> 00:42:04,740

being

992

00:42:12,589 --> 00:42:09,180

almost uh thought of as like one big

993

00:42:15,050 --> 00:42:12,599

entertainment venue ver you know so I

994

00:42:17,089 --> 00:42:15,060

don't yeah this is a good question I

995

00:42:20,390 --> 00:42:17,099

would have to think more on it but there

996

00:42:22,370 --> 00:42:20,400

is some sort of shift going on like I

997

00:42:24,650 --> 00:42:22,380

said I can't quite put my finger on

998

00:42:27,290 --> 00:42:24,660

exactly what that is but you can kind of

999

00:42:29,390 --> 00:42:27,300

feel it you can kind of feel it so I

1000

00:42:31,370 --> 00:42:29,400

just there's more it's more infused and

1001
00:42:39,430 --> 00:42:31,380
more people are opening up to it too

1002
00:42:43,849 --> 00:42:42,710
these two uh both feel that there's a

1003
00:42:45,890 --> 00:42:43,859
sea change

1004
00:42:47,750 --> 00:42:45,900
and and they're looking at it from I

1005
00:42:50,510 --> 00:42:47,760
mean from all three perspectives but

1006
00:42:52,550 --> 00:42:50,520
primarily from the UFO perspective so

1007
00:42:54,890 --> 00:42:52,560
it's kind of bouncing that question off

1008
00:42:56,450 --> 00:42:54,900
you because you have you know tentacles

1009
00:42:59,089 --> 00:42:56,460
spread all over the Paranormal Community

1010
00:43:01,849 --> 00:42:59,099
are people seeing that we're in a moment

1011
00:43:04,730 --> 00:43:01,859
that we've perhaps arrived at a moment

1012
00:43:07,430 --> 00:43:04,740
that that we've not yet

1013
00:43:10,490 --> 00:43:07,440

oh yeah so you just made me think of

1014

00:43:12,470 --> 00:43:10,500

something I I almost think we're at a

1015

00:43:15,050 --> 00:43:12,480

cross now again well in my opinion take

1016

00:43:17,630 --> 00:43:15,060

it or leave it I think we're almost at a

1017

00:43:19,550 --> 00:43:17,640

Crossroads and I'm not just speaking for

1018

00:43:21,710 --> 00:43:19,560

the ghost research Community or the

1019

00:43:23,809 --> 00:43:21,720

afterlife Community I'm speaking for all

1020

00:43:26,390 --> 00:43:23,819

the different subcategories of the

1021

00:43:29,329 --> 00:43:26,400

Paranormal apparent paranormal hi can I

1022

00:43:32,150 --> 00:43:29,339

talk paranormal uh paranormal field

1023

00:43:35,270 --> 00:43:32,160

there and it's it's like we're at this

1024

00:43:37,190 --> 00:43:35,280

Crossroads that we're at like we're on

1025

00:43:39,710 --> 00:43:37,200

to something that could be a huge

1026
00:43:41,990 --> 00:43:39,720
massive Discovery but we could either go

1027
00:43:44,809 --> 00:43:42,000
about it the right way or go about it

1028
00:43:48,050 --> 00:43:44,819
down the path that can [h__h] us and so

1029
00:43:50,089 --> 00:43:48,060
that's something that that I'm kind of

1030
00:43:51,470 --> 00:43:50,099
paying attention to it's something there

1031
00:43:53,809 --> 00:43:51,480
but again it's

1032
00:43:55,910 --> 00:43:53,819
I can't really put my finger on exactly

1033
00:43:58,730 --> 00:43:55,920
what that is I don't I don't know if you

1034
00:44:01,430 --> 00:43:58,740
guys have picked that up as well

1035
00:44:04,210 --> 00:44:01,440
when we talk about it a decent bit I

1036
00:44:07,730 --> 00:44:04,220
think because the um

1037
00:44:10,250 --> 00:44:07,740
we've had uh

1038
00:44:12,650 --> 00:44:10,260

Our Kind of Science has has taken us

1039

00:44:15,589 --> 00:44:12,660

really far and and it's given us amazing

1040

00:44:17,270 --> 00:44:15,599

things yet we've also starting to we're

1041

00:44:19,730 --> 00:44:17,280

kind of coming up against some of its

1042

00:44:23,089 --> 00:44:19,740

limitations and we're we're coming aware

1043

00:44:25,010 --> 00:44:23,099

of some of its of its limitations

1044

00:44:27,530 --> 00:44:25,020

um or at least we're becoming aware of

1045

00:44:29,510 --> 00:44:27,540

how some of the core assumptions that

1046

00:44:32,990 --> 00:44:29,520

we've held for a very long time aren't

1047

00:44:37,010 --> 00:44:33,000

in fact correct right which is which is

1048

00:44:39,109 --> 00:44:37,020

generally the you know kind of

1049

00:44:41,150 --> 00:44:39,119

it pretends that we're on the beginning

1050

00:44:43,010 --> 00:44:41,160

of a change right when when we're

1051
00:44:45,230 --> 00:44:43,020
starting to realize that our models are

1052
00:44:47,030 --> 00:44:45,240
not working the way that they we think

1053
00:44:49,670 --> 00:44:47,040
that they should that tells us that

1054
00:44:51,890 --> 00:44:49,680
we're on the cusp of a discovery right

1055
00:44:54,349 --> 00:44:51,900
and that's what it feels like with this

1056
00:44:56,630 --> 00:44:54,359
topic and and UFOs and all these kinds

1057
00:44:59,030 --> 00:44:56,640
of things that that they are reminding

1058
00:45:01,190 --> 00:44:59,040
us that the models that we all thought

1059
00:45:02,750 --> 00:45:01,200
were kind of like set in stone and

1060
00:45:04,609 --> 00:45:02,760
everything was great we're done we

1061
00:45:06,770 --> 00:45:04,619
figured this out those aren't in fact

1062
00:45:08,630 --> 00:45:06,780
correct like our assumptions are wrong

1063
00:45:11,950 --> 00:45:08,640

and we've got to rework our models

1064

00:45:15,349 --> 00:45:11,960

understanding of reality and incorporate

1065

00:45:18,050 --> 00:45:15,359

this broader phenomena that is happening

1066

00:45:20,930 --> 00:45:18,060

and and and treat it with respect and

1067

00:45:23,030 --> 00:45:20,940

and and and seriousness and not just

1068

00:45:24,710 --> 00:45:23,040

sort of like brush it off it's like well

1069

00:45:26,930 --> 00:45:24,720

that's just another crazy story you know

1070

00:45:28,430 --> 00:45:26,940

humans come up with crazy things exactly

1071

00:45:30,410 --> 00:45:28,440

weirdos yeah just another one of those

1072

00:45:32,089 --> 00:45:30,420

weird things uh you know instead of

1073

00:45:34,250 --> 00:45:32,099

instead of brushing it off like we have

1074

00:45:35,690 --> 00:45:34,260

for the last many many decades I think

1075

00:45:37,309 --> 00:45:35,700

we're now kind of coming to a place

1076

00:45:38,809 --> 00:45:37,319

where like well wait a minute

1077

00:45:40,609 --> 00:45:38,819

you're telling me you've had this

1078

00:45:43,370 --> 00:45:40,619

experience I've had this experience

1079

00:45:45,470 --> 00:45:43,380

let's maybe take this seriously and not

1080

00:45:47,930 --> 00:45:45,480

laugh it off as just kind of a fluke of

1081

00:45:50,030 --> 00:45:47,940

The Human Condition or whatever right I

1082

00:45:51,530 --> 00:45:50,040

mean that that's so eloquently said and

1083

00:45:53,150 --> 00:45:51,540

it's it's almost like it's in front of

1084

00:45:55,370 --> 00:45:53,160

our face you know we're getting all

1085

00:45:57,710 --> 00:45:55,380

these synchronicities and things of that

1086

00:45:59,089 --> 00:45:57,720

nature and it's begging us to pay

1087

00:46:01,370 --> 00:45:59,099

attention

1088

00:46:03,050 --> 00:46:01,380

exactly and so not everyone with going

1089

00:46:05,809 --> 00:46:03,060

back to it's all about intention right

1090

00:46:09,050 --> 00:46:05,819

not everyone with the intent to really

1091

00:46:11,450 --> 00:46:09,060

want to know what this is all about

1092

00:46:13,190 --> 00:46:11,460

maybe someone's wanting to do this

1093

00:46:14,809 --> 00:46:13,200

because they just want to get on TV I

1094

00:46:17,150 --> 00:46:14,819

don't know but for those

1095

00:46:18,890 --> 00:46:17,160

for the people that like us that and in

1096

00:46:22,430 --> 00:46:18,900

those in the in the chat that really

1097

00:46:25,849 --> 00:46:22,440

really want to have this genuine

1098

00:46:28,309 --> 00:46:25,859

uh understanding of what's going on yeah

1099

00:46:29,690 --> 00:46:28,319

I do think we're we're you said it

1100

00:46:31,370 --> 00:46:29,700

beautifully there's it's just something

1101

00:46:33,650 --> 00:46:31,380

like that's right in front of our face

1102

00:46:36,349 --> 00:46:33,660

it's begging us to pay attention and

1103

00:46:38,030 --> 00:46:36,359

when we do that I I maybe I sound a

1104

00:46:40,730 --> 00:46:38,040

little mushy here I don't know I think

1105

00:46:43,130 --> 00:46:40,740

something beautiful is going to uh come

1106

00:46:46,910 --> 00:46:43,140

from it I do

1107

00:46:50,030 --> 00:46:46,920

this is why I love when people use the

1108

00:46:53,150 --> 00:46:50,040

term known science or our science or

1109

00:46:54,770 --> 00:46:53,160

known physics don't say you know that we

1110

00:46:56,870 --> 00:46:54,780

are at the limit of physics or something

1111

00:46:59,630 --> 00:46:56,880

you don't know you just know what you

1112

00:47:02,210 --> 00:46:59,640

know you know what human science and

1113

00:47:05,030 --> 00:47:02,220

human physics but you can't know you

1114

00:47:07,069 --> 00:47:05,040

know universal laws of physics that are

1115

00:47:08,809 --> 00:47:07,079

you can't you just can't know Universal

1116

00:47:10,790 --> 00:47:08,819

you can only know what you know what

1117

00:47:12,829 --> 00:47:10,800

we've discovered on Earth so I like when

1118

00:47:14,750 --> 00:47:12,839

people are careful and they they use

1119

00:47:17,450 --> 00:47:14,760

those terms because we it's yet

1120

00:47:21,170 --> 00:47:17,460

undiscovered it's yet codified and even

1121

00:47:23,630 --> 00:47:21,180

you've said it's not yet understood you

1122

00:47:25,970 --> 00:47:23,640

know it's not I mean we don't even know

1123

00:47:28,730 --> 00:47:25,980

if we're opening up other intelligences

1124

00:47:31,609 --> 00:47:28,740

or tapping into other types of

1125

00:47:34,250 --> 00:47:31,619

Technologies of course that could maybe

1126

00:47:37,370 --> 00:47:34,260

really give us the answer or give us

1127

00:47:40,430 --> 00:47:37,380

some sort of semblance of wow

1128

00:47:42,770 --> 00:47:40,440

wow we thought that was right but boy it

1129

00:47:45,829 --> 00:47:42,780

sure isn't you know it's it's there's so

1130

00:47:46,690 --> 00:47:45,839

much more out there and I it's like

1131

00:47:49,609 --> 00:47:46,700

yeah

1132

00:47:51,650 --> 00:47:49,619

we've got to dig into it Nicole because

1133

00:47:53,210 --> 00:47:51,660

I'm about because I want to add I want

1134

00:47:55,370 --> 00:47:53,220

to get into the but I'll tell you what

1135

00:47:57,170 --> 00:47:55,380

before we leave tonight don't let me

1136

00:47:59,329 --> 00:47:57,180

leave without asking you about 28 days

1137

00:48:01,430 --> 00:47:59,339

haunted because I'm I'm gonna ask you

1138

00:48:08,589 --> 00:48:01,440

about that Series so well we got you

1139

00:48:13,430 --> 00:48:10,550

but anyway

1140

00:48:15,770 --> 00:48:13,440

is really you guys that we can do yeah

1141

00:48:16,970 --> 00:48:15,780

I have but uh I don't even know if Debs

1142

00:48:19,130 --> 00:48:16,980

and Nathan have seen it but what I want

1143

00:48:20,750 --> 00:48:19,140

to do I want to go to Debs and go and

1144

00:48:23,630 --> 00:48:20,760

then we'll go down to Nathan and to you

1145

00:48:26,329 --> 00:48:23,640

with this this notion of demons and and

1146

00:48:28,609 --> 00:48:26,339

something that Nicole suggested about a

1147

00:48:30,829 --> 00:48:28,619

non-human intelligence dubs in

1148

00:48:34,370 --> 00:48:30,839

everything that you've learned in all of

1149

00:48:36,530 --> 00:48:34,380

your research and all the hours that

1150

00:48:39,770 --> 00:48:36,540

you've thought about this what do you

1151
00:48:43,370 --> 00:48:41,630
um honestly I think it's a semantic term

1152
00:48:45,710 --> 00:48:43,380
covering a lot of different things I

1153
00:48:47,510 --> 00:48:45,720
know that sounds like I'm backing out of

1154
00:48:50,390 --> 00:48:47,520
answering but if you look at other

1155
00:48:52,910 --> 00:48:50,400
cultures they have different names for a

1156
00:48:56,150 --> 00:48:52,920
mischievous Spirit like the Gin right

1157
00:48:58,250 --> 00:48:56,160
even like gnomes and Gremlins they're a

1158
00:49:01,730 --> 00:48:58,260
mischievous little beings that are

1159
00:49:04,790 --> 00:49:01,740
bothering humans or harassing them

1160
00:49:07,309 --> 00:49:04,800
um so I feel and you know even in like

1161
00:49:09,290 --> 00:49:07,319
the more spiritual realm we have like

1162
00:49:13,730 --> 00:49:09,300
Poltergeist doing kind of mischievous

1163
00:49:16,089 --> 00:49:13,740

things to humans also so I feel like

1164

00:49:19,190 --> 00:49:16,099

you know I have a question mark on that

1165

00:49:21,530 --> 00:49:19,200

you know like is there something that

1166

00:49:24,710 --> 00:49:21,540

really is a demon or is it a whole bunch

1167

00:49:27,349 --> 00:49:24,720

of things getting that label yeah okay

1168

00:49:29,690 --> 00:49:27,359

let's let me let me try to reframe it

1169

00:49:32,210 --> 00:49:29,700

from a discussion Nathan and I had

1170

00:49:35,089 --> 00:49:32,220

yesterday because there's a podcast that

1171

00:49:37,069 --> 00:49:35,099

I'll send to you guys about exorcism and

1172

00:49:40,190 --> 00:49:37,079

it surrounds these sort of experiences

1173

00:49:43,790 --> 00:49:40,200

of uh uh father Carlos Martins who I

1174

00:49:47,030 --> 00:49:43,800

believe in the the uh CAF the Catholic

1175

00:49:49,309 --> 00:49:47,040

church in this country he is the I I

1176
00:49:52,190 --> 00:49:49,319
hate to say the number one Exorcist but

1177
00:49:55,849 --> 00:49:52,200
I believe they describe him some in in

1178
00:49:58,609 --> 00:49:55,859
some manner uh as as the the Catholic

1179
00:50:01,250 --> 00:49:58,619
Church's preferred Exorcist So I will

1180
00:50:03,710 --> 00:50:01,260
ask you Debs when

1181
00:50:05,329 --> 00:50:03,720
this happens and Nathan and I discussed

1182
00:50:06,890 --> 00:50:05,339
this yesterday where

1183
00:50:09,410 --> 00:50:06,900
um he's trying to exercise he's doing

1184
00:50:11,750 --> 00:50:09,420
his initial interview with someone who's

1185
00:50:14,390 --> 00:50:11,760
potentially possessed he doesn't know

1186
00:50:17,210 --> 00:50:14,400
yet and at one point he went behind the

1187
00:50:20,450 --> 00:50:17,220
subject and took one he said it was an

1188
00:50:22,370 --> 00:50:20,460

eighth of a drop of holy water and

1189

00:50:24,770 --> 00:50:22,380

flicked it on the person's back and they

1190

00:50:26,569 --> 00:50:24,780

just started absolutely screaming uh

1191

00:50:29,630 --> 00:50:26,579

with that you know that demonic deep

1192

00:50:33,309 --> 00:50:29,640

growling voice that didn't sound like

1193

00:50:35,390 --> 00:50:33,319

the individual himself so this sort of

1194

00:50:37,309 --> 00:50:35,400

evil something

1195

00:50:38,809 --> 00:50:37,319

and I'm characterizing it that way and

1196

00:50:40,910 --> 00:50:38,819

forgive me just because I don't know

1197

00:50:43,609 --> 00:50:40,920

exactly how to characterize it but

1198

00:50:46,790 --> 00:50:43,619

that's how the the clergy characterizes

1199

00:50:49,370 --> 00:50:46,800

it is able to at the invitation of an

1200

00:50:51,589 --> 00:50:49,380

individual inhabit that body

1201
00:50:54,710 --> 00:50:51,599
do you think that that's something that

1202
00:50:57,770 --> 00:50:54,720
is another uh as as Nicole said maybe a

1203
00:50:59,329 --> 00:50:57,780
non-human intelligence or or what do

1204
00:51:00,950 --> 00:50:59,339
what what do you make of that and then

1205
00:51:02,109 --> 00:51:00,960
we'll go to Nathan we'll go to Nicole

1206
00:51:05,930 --> 00:51:02,119
with that question

1207
00:51:08,270 --> 00:51:05,940
hmm that's a tough one like I I can't

1208
00:51:10,430 --> 00:51:08,280
help but like my psychology background

1209
00:51:12,290 --> 00:51:10,440
comes up in this too you know I keep

1210
00:51:14,690 --> 00:51:12,300
thinking like the water itself is not

1211
00:51:16,549 --> 00:51:14,700
what's going to matter it's the fact

1212
00:51:18,530 --> 00:51:16,559
that the person thinks that the water is

1213
00:51:19,549 --> 00:51:18,540

going to hurt them is going to be a

1214

00:51:21,950 --> 00:51:19,559

factor

1215

00:51:24,950 --> 00:51:21,960

you know like I I can't help but think

1216

00:51:28,190 --> 00:51:24,960

that that's an issue too so I mean do I

1217

00:51:30,589 --> 00:51:28,200

think that there's actual evil from

1218

00:51:33,109 --> 00:51:30,599

non-human intelligence or Spirits

1219

00:51:34,430 --> 00:51:33,119

absolutely I can answer that

1220

00:51:38,390 --> 00:51:34,440

okay

1221

00:51:39,950 --> 00:51:38,400

fair enough Nathan yeah I think uh and

1222

00:51:42,829 --> 00:51:39,960

Nicole I really love the way that you

1223

00:51:44,630 --> 00:51:42,839

kind of set this up earlier uh that and

1224

00:51:46,250 --> 00:51:44,640

and Deb you hit it on this as well but

1225

00:51:50,809 --> 00:51:46,260

it's the kind of characterization that

1226

00:51:53,750 --> 00:51:50,819

we give uh to this energy or entity

1227

00:51:55,910 --> 00:51:53,760

um you know that we label it demonic

1228

00:51:59,390 --> 00:51:55,920

because we we associate it with it doing

1229

00:52:01,849 --> 00:51:59,400

something harmful to human beings so

1230

00:52:04,609 --> 00:52:01,859

it's antagonistic to us towards us and

1231

00:52:06,290 --> 00:52:04,619

therefore it's demonic and we and we

1232

00:52:08,450 --> 00:52:06,300

have these kind of archetypes that we've

1233

00:52:10,910 --> 00:52:08,460

inherited in the west of you know demons

1234

00:52:12,589 --> 00:52:10,920

or against us and angels are for us and

1235

00:52:15,109 --> 00:52:12,599

you know so it just gets bucketed into

1236

00:52:17,450 --> 00:52:15,119

this demon character uh

1237

00:52:19,970 --> 00:52:17,460

category category

1238

00:52:21,290 --> 00:52:19,980

um but I think you know kind of stepping

1239

00:52:24,470 --> 00:52:21,300

back from

1240

00:52:27,290 --> 00:52:24,480

that knee-jerk reaction to label it like

1241

00:52:29,930 --> 00:52:27,300

that it's it's more so just you know

1242

00:52:31,549 --> 00:52:29,940

what is the overall energy of this being

1243

00:52:35,329 --> 00:52:31,559

and

1244

00:52:37,930 --> 00:52:35,339

um what what is it you know trying to do

1245

00:52:41,329 --> 00:52:37,940

um you know it has its own kind of uh

1246

00:52:44,750 --> 00:52:41,339

need in a way just like we have a need

1247

00:52:47,450 --> 00:52:44,760

uh and and sometimes those needs are not

1248

00:52:49,010 --> 00:52:47,460

in alignment just like uh the needs of

1249

00:52:51,049 --> 00:52:49,020

two friends may not be in alignment

1250

00:52:52,609 --> 00:52:51,059

right like you may want something and I

1251
00:52:54,589 --> 00:52:52,619
want the opposite well does that make

1252
00:52:56,870 --> 00:52:54,599
you a demon to me well no you know we

1253
00:52:59,569 --> 00:52:56,880
just have to negotiate right you know

1254
00:53:02,329 --> 00:52:59,579
kind of our relationship in this way

1255
00:53:05,390 --> 00:53:02,339
um and you know in terms of the you know

1256
00:53:07,370 --> 00:53:05,400
the holy water situation or you know the

1257
00:53:09,770 --> 00:53:07,380
The Exorcist

1258
00:53:11,150 --> 00:53:09,780
um situation I mean humans you can look

1259
00:53:13,670 --> 00:53:11,160
through history there are there are lots

1260
00:53:16,549 --> 00:53:13,680
of examples where there's kind of a a

1261
00:53:18,470 --> 00:53:16,559
shaman type figure in the community who

1262
00:53:21,650 --> 00:53:18,480
helps kind of transmute some of these

1263
00:53:25,010 --> 00:53:21,660

energies that that possess quote unquote

1264

00:53:26,630 --> 00:53:25,020

people in the community and the and most

1265

00:53:29,630 --> 00:53:26,640

other people in the community don't know

1266

00:53:32,750 --> 00:53:29,640

how to engage or work with that kind of

1267

00:53:36,109 --> 00:53:32,760

person you know and so these shamans or

1268

00:53:39,770 --> 00:53:36,119

priests you know they have uh taken it

1269

00:53:42,349 --> 00:53:39,780

upon themselves to to uh you know in a

1270

00:53:43,849 --> 00:53:42,359

way kind of commune with these energies

1271

00:53:45,470 --> 00:53:43,859

that the rest of us are just kind of

1272

00:53:46,970 --> 00:53:45,480

like well I don't you know this makes me

1273

00:53:48,589 --> 00:53:46,980

uncomfortable I don't want to get close

1274

00:53:50,329 --> 00:53:48,599

to this but they're but they're they're

1275

00:53:52,609 --> 00:53:50,339

leaning in rather than leaning away

1276

00:53:54,890 --> 00:53:52,619

right and it's those kinds of people

1277

00:53:56,809 --> 00:53:54,900

that that we need because what they do

1278

00:53:59,569 --> 00:53:56,819

is they transform

1279

00:54:01,970 --> 00:53:59,579

that energy that a situation and and

1280

00:54:03,950 --> 00:54:01,980

they kind of help that energy which is

1281

00:54:06,349 --> 00:54:03,960

sort of stuck in a way like it's

1282

00:54:09,710 --> 00:54:06,359

possessed in that person and allow it to

1283

00:54:11,210 --> 00:54:09,720

flow away from that like it's like it's

1284

00:54:13,190 --> 00:54:11,220

a blocked essentially and they're kind

1285

00:54:15,829 --> 00:54:13,200

of unblocking it

1286

00:54:18,950 --> 00:54:15,839

um and the violent reaction you know to

1287

00:54:20,450 --> 00:54:18,960

to that holy water or what have you

1288

00:54:23,030 --> 00:54:20,460

um you know it's in a way I kind of look

1289

00:54:26,329 --> 00:54:23,040

at that as like almost like the like the

1290

00:54:28,849 --> 00:54:26,339

collective uh unconsciousness awareness

1291

00:54:32,450 --> 00:54:28,859

of what's happening in that individual

1292

00:54:35,630 --> 00:54:32,460

to this sort of overall concept and

1293

00:54:37,849 --> 00:54:35,640

there there's a revulsion to being to

1294

00:54:40,370 --> 00:54:37,859

like wanting to be set free because

1295

00:54:42,589 --> 00:54:40,380

they're they're almost like in a way

1296

00:54:44,750 --> 00:54:42,599

happy where they are but but they're but

1297

00:54:46,010 --> 00:54:44,760

they're also not at home you know

1298

00:54:47,390 --> 00:54:46,020

um so it's like hey you know you know

1299

00:54:49,670 --> 00:54:47,400

you're happy and comfortable there but

1300

00:54:52,190 --> 00:54:49,680

we kind of need you to move along

1301

00:54:54,829 --> 00:54:52,200

um and that can be uncomfortable for

1302

00:54:55,970 --> 00:54:54,839

anyone right to be kind of thing if you

1303

00:54:57,589 --> 00:54:55,980

have a guest that stays at your house

1304

00:54:59,990 --> 00:54:57,599

too long and you say look it's time to

1305

00:55:01,670 --> 00:55:00,000

go they may not like you saying that to

1306

00:55:04,870 --> 00:55:01,680

them but ultimately they know they need

1307

00:55:07,970 --> 00:55:04,880

to leave yeah

1308

00:55:09,470 --> 00:55:07,980

yeah oh go ahead sorry no go ahead go

1309

00:55:10,250 --> 00:55:09,480

ahead Nicole no were you gonna ask

1310

00:55:12,710 --> 00:55:10,260

something

1311

00:55:15,710 --> 00:55:12,720

I was going to ask Nathan like if if you

1312

00:55:17,930 --> 00:55:15,720

go to Ben and Jerry's like would you be

1313

00:55:20,750 --> 00:55:17,940

more prone to get like a cookie dough

1314

00:55:23,150 --> 00:55:20,760

type of an ice cream or more like a a

1315

00:55:25,190 --> 00:55:23,160

coffee with a mocha chip type of an ice

1316

00:55:27,170 --> 00:55:25,200

cream oh man a good like yeah a good

1317

00:55:29,270 --> 00:55:27,180

coffee ice cream that's pretty hard to

1318

00:55:31,190 --> 00:55:29,280

beat sounds good yeah a younger me would

1319

00:55:34,430 --> 00:55:31,200

say cookie dough but the older me is

1320

00:55:37,010 --> 00:55:34,440

saying coffee so I'll go for ice cream

1321

00:55:39,589 --> 00:55:37,020

ice cream mature Nathan the evolved

1322

00:55:42,410 --> 00:55:39,599

Nathan then okay here we go

1323

00:55:44,990 --> 00:55:42,420

um the other the other thing and as I

1324

00:55:47,089 --> 00:55:45,000

just want to uh just add to the frame

1325

00:55:49,309 --> 00:55:47,099

just a little bit for for your answer on

1326

00:55:51,730 --> 00:55:49,319

this same question Nicole that that

1327

00:55:55,069 --> 00:55:51,740

perplexed me that uh some of these

1328

00:55:59,150 --> 00:55:55,079

Exorcist report is they report and some

1329

00:56:00,829 --> 00:55:59,160

people a an unnatural strength like uh

1330

00:56:03,470 --> 00:56:00,839

you know like a hundred pound woman

1331

00:56:05,510 --> 00:56:03,480

tossing these 300 pound men across the

1332

00:56:07,250 --> 00:56:05,520

room there's another thing about

1333

00:56:09,049 --> 00:56:07,260

someone who's never learned a language

1334

00:56:12,530 --> 00:56:09,059

and all of a sudden they're speaking in

1335

00:56:14,690 --> 00:56:12,540

Latin or they're uh there's uh some

1336

00:56:16,490 --> 00:56:14,700

reports to them speaking like in a a

1337

00:56:19,069 --> 00:56:16,500

Norse tongue that would be associated

1338

00:56:20,990 --> 00:56:19,079

with the Viking era or something like a

1339

00:56:23,030 --> 00:56:21,000

language that they couldn't know or or

1340

00:56:25,910 --> 00:56:23,040

their family and friends say they did

1341

00:56:27,910 --> 00:56:25,920

not know this language so I have to add

1342

00:56:30,230 --> 00:56:27,920

that into the mix to try to understand

1343

00:56:31,970 --> 00:56:30,240

what's going on here

1344

00:56:34,849 --> 00:56:31,980

yeah you know

1345

00:56:36,609 --> 00:56:34,859

the whole concept of of demons to me I

1346

00:56:39,650 --> 00:56:36,619

think is something that's misunderstood

1347

00:56:42,790 --> 00:56:39,660

not maybe completely classified

1348

00:56:47,150 --> 00:56:42,800

according to what it really is

1349

00:56:48,589 --> 00:56:47,160

uh and I this is just me personally

1350

00:56:49,849 --> 00:56:48,599

um and I have a psychology background

1351

00:56:52,069 --> 00:56:49,859

too and I thought that that makes me

1352

00:56:54,170 --> 00:56:52,079

more you know knowledgeable of it or

1353

00:56:56,089 --> 00:56:54,180

anything I'm just stating that

1354

00:56:58,309 --> 00:56:56,099

I kind of have a different take and and

1355

00:57:00,710 --> 00:56:58,319

I'll and I'll say this that you know

1356

00:57:04,250 --> 00:57:00,720

there's malevolent energy

1357

00:57:07,490 --> 00:57:04,260

from peop from living people okay so uh

1358

00:57:09,049 --> 00:57:07,500

and even uh non-human energies let's say

1359

00:57:10,370 --> 00:57:09,059

let's let's just for the sake of

1360

00:57:11,809 --> 00:57:10,380

argument let's say that that's what a

1361

00:57:14,870 --> 00:57:11,819

demon is

1362

00:57:17,390 --> 00:57:14,880

um and and it has this intent to want to

1363

00:57:20,990 --> 00:57:17,400

do Malice and things like that

1364

00:57:23,630 --> 00:57:21,000

I do and this is again my own opinion I

1365

00:57:24,589 --> 00:57:23,640

do feel that we we need to kind of think

1366

00:57:27,770 --> 00:57:24,599

about

1367

00:57:29,569 --> 00:57:27,780

the concept of thought projections and

1368

00:57:32,510 --> 00:57:29,579

things like tulpas

1369

00:57:35,270 --> 00:57:32,520

so it's it's when someone concentrates

1370

00:57:37,549 --> 00:57:35,280

on a thought for so long that thought

1371

00:57:39,589 --> 00:57:37,559

can take its own life form and so when

1372

00:57:41,569 --> 00:57:39,599

you think about demons going back

1373

00:57:44,349 --> 00:57:41,579

hundreds of thousands of years and in

1374

00:57:46,609 --> 00:57:44,359

different cultures beliefs and

1375

00:57:49,130 --> 00:57:46,619

predispositions have been formed and

1376

00:57:50,630 --> 00:57:49,140

that's just kind of almost one big

1377

00:57:52,849 --> 00:57:50,640

gigantic

1378

00:57:55,549 --> 00:57:52,859

if you will it could be thought

1379

00:57:57,530 --> 00:57:55,559

formation so again in going back to what

1380

00:57:59,569 --> 00:57:57,540

we were discussing earlier with the

1381

00:58:02,270 --> 00:57:59,579

whole demon thing people that that

1382

00:58:04,370 --> 00:58:02,280

aren't really whether they're religious

1383

00:58:08,089 --> 00:58:04,380

or not certain religions are predisposed

1384

00:58:09,950 --> 00:58:08,099

like Catholicism for example to uh more

1385

00:58:12,950 --> 00:58:09,960

fear ghosts and things of that nature

1386

00:58:14,870 --> 00:58:12,960

but let's say there are people that that

1387

00:58:17,569 --> 00:58:14,880

don't have a lot a lot of knowledge in

1388

00:58:20,450 --> 00:58:17,579

the Paranormal or maybe they uh haven't

1389

00:58:22,069 --> 00:58:20,460

really had a lot of experiences so

1390

00:58:23,690 --> 00:58:22,079

they're and maybe they're vulnerable

1391

00:58:25,549 --> 00:58:23,700

maybe they're a little bit naive and

1392

00:58:28,430 --> 00:58:25,559

they're watching a lot of

1393

00:58:31,790 --> 00:58:28,440

uh TV shows or movies or things of that

1394

00:58:34,069 --> 00:58:31,800

nature and they're seeing all of this

1395

00:58:38,809 --> 00:58:34,079

evil and things of that you know of that

1396

00:58:40,910 --> 00:58:38,819

nature horror uh whatnot that's whether

1397

00:58:42,950 --> 00:58:40,920

they realize it or not that could be

1398

00:58:46,609 --> 00:58:42,960

influencing them and influencing how

1399

00:58:48,890 --> 00:58:46,619

they interpret the types of activity

1400

00:58:51,410 --> 00:58:48,900

that they come across so then you get

1401

00:58:55,250 --> 00:58:51,420

into interpretations as well

1402

00:58:58,670 --> 00:58:55,260

so I feel and then when you get into the

1403

00:59:01,970 --> 00:58:58,680

to human energy how out of all the

1404

00:59:03,950 --> 00:59:01,980

percentage of I'm going to say alleged

1405

00:59:06,470 --> 00:59:03,960

demonic attacks that people have had

1406

00:59:08,530 --> 00:59:06,480

maybe they were maybe they weren't

1407

00:59:11,990 --> 00:59:08,540

have those been

1408

00:59:13,069 --> 00:59:12,000

extensively scrutinized and examined to

1409

00:59:16,250 --> 00:59:13,079

rule out

1410

00:59:19,130 --> 00:59:16,260

uh any sort of psychological component

1411

00:59:20,030 --> 00:59:19,140

or illness or any sort of

1412

00:59:21,370 --> 00:59:20,040

um

1413

00:59:23,930 --> 00:59:21,380

uh

1414

00:59:26,750 --> 00:59:23,940

psychogenic type of causing of the

1415

00:59:29,329 --> 00:59:26,760

activity because I do think that for a

1416

00:59:31,370 --> 00:59:29,339

lot of these cases oh I have this in my

1417

00:59:34,250 --> 00:59:31,380

house I have that and they think it's

1418

00:59:36,309 --> 00:59:34,260

something extremely negative I think in

1419

00:59:39,349 --> 00:59:36,319

many percentages

1420

00:59:41,030 --> 00:59:39,359

they might be causing that type of

1421

00:59:43,970 --> 00:59:41,040

activity maybe there's a certain family

1422

00:59:47,630 --> 00:59:43,980

Dynamic maybe they have some negative

1423

00:59:50,210 --> 00:59:47,640

energy built like deep within that

1424

00:59:52,549 --> 00:59:50,220

they're projecting outward maybe it's

1425

00:59:55,309 --> 00:59:52,559

you know and I how many case requests

1426

00:59:58,370 --> 00:59:55,319

that that we get and there's so many

1427

01:00:00,470 --> 00:59:58,380

people writing saying oh my gosh I have

1428

01:00:02,450 --> 01:00:00,480

anxiety I have this I have a headache

1429

01:00:04,430 --> 01:00:02,460

I'm getting all these symptoms and

1430

01:00:06,650 --> 01:00:04,440

they're blaming they're blaming the

1431

01:00:08,329 --> 01:00:06,660

Paranormal for everything now maybe I'm

1432

01:00:11,390 --> 01:00:08,339

not saying that Paranormal Activity

1433

01:00:13,069 --> 01:00:11,400

can't you know contr or cause physical

1434

01:00:16,309 --> 01:00:13,079

symptoms and people are psychological

1435

01:00:19,069 --> 01:00:16,319

yeah it can but for most of these cases

1436

01:00:21,950 --> 01:00:19,079

a lot of people want to blame

1437

01:00:23,809 --> 01:00:21,960

all of their issues onto the Paranormal

1438

01:00:26,089 --> 01:00:23,819

up the ghost did it it's the ghost's

1439

01:00:29,690 --> 01:00:26,099

fault so you know there's all of this

1440

01:00:31,789 --> 01:00:29,700

there's so much involvement that I

1441

01:00:33,650 --> 01:00:31,799

really think in terms of the whole demon

1442

01:00:37,130 --> 01:00:33,660

thing there needs to be a team of people

1443

01:00:39,049 --> 01:00:37,140

that examine these people that are there

1444

01:00:40,549 --> 01:00:39,059

that have these sorts of experiences

1445

01:00:43,549 --> 01:00:40,559

because we just don't know if it's

1446

01:00:45,349 --> 01:00:43,559

influence are they causing it is it some

1447

01:00:47,690 --> 01:00:45,359

sort of you know psychokinetic thing we

1448

01:00:50,569 --> 01:00:47,700

don't know I don't know so

1449

01:00:52,549 --> 01:00:50,579

it's it's a uh it is a fascinating topic

1450

01:00:54,289 --> 01:00:52,559

I'm ready to go for another round of

1451

01:00:56,870 --> 01:00:54,299

questions so Deb fire away everybody

1452

01:00:58,730 --> 01:00:56,880

yeah I just I wanted comment on that

1453

01:01:01,010 --> 01:00:58,740

real quick if I can I just wanted to say

1454

01:01:03,530 --> 01:01:01,020

I feel like the same thing happens with

1455

01:01:06,770 --> 01:01:03,540

the UFO topic people are always turning

1456

01:01:09,490 --> 01:01:06,780

to the UFOs and saying please come fix

1457

01:01:11,930 --> 01:01:09,500

what we're doing wrong and I'm like how

1458

01:01:14,569 --> 01:01:11,940

about we you know take some

1459

01:01:16,670 --> 01:01:14,579

responsibility oh my God yeah you know

1460

01:01:21,130 --> 01:01:16,680

it's kind of ridiculous but I wanted to

1461

01:01:25,430 --> 01:01:21,140

talk about that's funny it's true yeah

1462

01:01:27,589 --> 01:01:25,440

it's crazy it's hard it's crazy so I

1463

01:01:31,789 --> 01:01:27,599

wanted to comment on something that is

1464

01:01:34,490 --> 01:01:31,799

shared on all of these topics of Bigfoot

1465

01:01:36,589 --> 01:01:34,500

science

1466

01:01:40,970 --> 01:01:36,599

um religion

1467

01:01:45,650 --> 01:01:40,980

um spiritual work and of course in the

1468

01:01:50,210 --> 01:01:45,660

UFOs it would be orbs right there oh so

1469

01:01:52,609 --> 01:01:50,220

yeah okay okay I wanted oh and and also

1470

01:01:54,710 --> 01:01:52,619

even fairy lore because orbs are like

1471

01:01:57,890 --> 01:01:54,720

little fairies to some people so I

1472

01:02:00,890 --> 01:01:57,900

wanted to comment on the fact that if

1473

01:02:04,490 --> 01:02:00,900

you are interested in UFOs

1474

01:02:06,710 --> 01:02:04,500

and you go and try a different branch of

1475

01:02:08,809 --> 01:02:06,720

the Paranormal you discover very quickly

1476

01:02:11,510 --> 01:02:08,819

that there are things like Spirit orbs

1477

01:02:13,789 --> 01:02:11,520

so of course it's like in the eye of the

1478

01:02:16,370 --> 01:02:13,799

beholder what you're dealing with so

1479

01:02:18,530 --> 01:02:16,380

what do you think people could learn if

1480

01:02:21,770 --> 01:02:18,540

they were more open-minded to studying

1481

01:02:23,390 --> 01:02:21,780

all of the topics like what are they

1482

01:02:26,809 --> 01:02:23,400

missing because they're not paying

1483

01:02:29,270 --> 01:02:26,819

attention to all of these topics at once

1484

01:02:31,670 --> 01:02:29,280

oh I just want to make sure let me let

1485

01:02:35,089 --> 01:02:31,680

me talk a little bit about orbs first so

1486

01:02:38,089 --> 01:02:35,099

orbs is a is a is a it's a fascinating

1487

01:02:39,710 --> 01:02:38,099

subject I mean all us in the in the

1488

01:02:43,250 --> 01:02:39,720

Paranormal Community most of us are like

1489

01:02:44,870 --> 01:02:43,260

oh yeah you know 99.9 of orbs oh yeah

1490

01:02:46,549 --> 01:02:44,880

can be explained away you know they're

1491

01:02:48,410 --> 01:02:46,559

mostly cause with digital cameras and

1492

01:02:50,510 --> 01:02:48,420

things of that nature oh it's dust it

1493

01:02:52,809 --> 01:02:50,520

could be moisture it could be bugs it

1494

01:02:56,210 --> 01:02:52,819

could be things of lens flares whatever

1495

01:02:58,970 --> 01:02:56,220

so yes most orbs especially if you are

1496

01:03:01,549 --> 01:02:58,980

using a digital camera and you produce

1497

01:03:03,530 --> 01:03:01,559

orbs on your camera most OP most likely

1498

01:03:05,390 --> 01:03:03,540

it can be explained away there's the

1499

01:03:07,190 --> 01:03:05,400

little gr I can't even tell you how many

1500

01:03:09,589 --> 01:03:07,200

pictures that I've had emailed to me

1501
01:03:11,809 --> 01:03:09,599
from iPhone pictures with the little

1502
01:03:13,730 --> 01:03:11,819
green dot okay no it's it's a glitch

1503
01:03:16,549 --> 01:03:13,740
with the iPhone it's not a ghost it's

1504
01:03:19,490 --> 01:03:16,559
nothing like that now now if someone

1505
01:03:22,130 --> 01:03:19,500
visually sees orbs let's say they're out

1506
01:03:24,230 --> 01:03:22,140
at a site and they visually with their

1507
01:03:25,089 --> 01:03:24,240
own eyes see something coming out of the

1508
01:03:28,490 --> 01:03:25,099
wall

1509
01:03:31,549 --> 01:03:28,500
or uh self-illuminated right in front of

1510
01:03:34,069 --> 01:03:31,559
them then uh yeah that that could be

1511
01:03:36,410 --> 01:03:34,079
interesting so what I look for in orbs

1512
01:03:39,109 --> 01:03:36,420
even and I'm not saying that some orbs

1513
01:03:40,670 --> 01:03:39,119

and pictures might not be orbs I just

1514

01:03:43,309 --> 01:03:40,680

think most of them can obviously be

1515

01:03:46,670 --> 01:03:43,319

explained away but uh some of the

1516

01:03:49,190 --> 01:03:46,680

telltale signs that it might not be you

1517

01:03:51,829 --> 01:03:49,200

know something logical or natural is is

1518

01:03:54,589 --> 01:03:51,839

it is it self-illuminated in other words

1519

01:03:57,589 --> 01:03:54,599

it's not being illuminated by The Flash

1520

01:04:00,230 --> 01:03:57,599

or the camera the camera things of that

1521

01:04:03,650 --> 01:04:00,240

nature does it have some sort of 3d

1522

01:04:06,470 --> 01:04:03,660

effect is it moving in some sort of

1523

01:04:08,270 --> 01:04:06,480

intelligent flight pattern so is it if

1524

01:04:10,250 --> 01:04:08,280

it's a linear pattern most likely it

1525

01:04:12,530 --> 01:04:10,260

could be you know the way that the air

1526

01:04:14,210 --> 01:04:12,540

is blowing in your house if you have a

1527

01:04:15,890 --> 01:04:14,220

window open it's going to go in that

1528

01:04:18,770 --> 01:04:15,900

fashion of the current and follow that

1529

01:04:21,530 --> 01:04:18,780

but if it's some sort of erratic flight

1530

01:04:23,329 --> 01:04:21,540

pattern then that maybe could be some

1531

01:04:25,010 --> 01:04:23,339

people see faces that are very

1532

01:04:28,010 --> 01:04:25,020

identifiable

1533

01:04:31,670 --> 01:04:28,020

other people see uh numbers I've seen

1534

01:04:33,710 --> 01:04:31,680

orbs with numbers in it so it's just

1535

01:04:35,750 --> 01:04:33,720

it's a Nifty situation I just think most

1536

01:04:37,609 --> 01:04:35,760

of those can be explained so just a

1537

01:04:40,430 --> 01:04:37,619

little note on that I have seen visual

1538

01:04:42,230 --> 01:04:40,440

orbs with my own eye and those those are

1539

01:04:45,890 --> 01:04:42,240

quite interesting and the ones that I've

1540

01:04:48,289 --> 01:04:45,900

seen are very self-illuminated almost

1541

01:04:50,210 --> 01:04:48,299

almost as bright as if you look up in

1542

01:04:51,770 --> 01:04:50,220

the sun obviously not quite but almost

1543

01:04:53,930 --> 01:04:51,780

as bright as if you look up in the Sun

1544

01:04:56,750 --> 01:04:53,940

so really interesting when that happens

1545

01:04:58,730 --> 01:04:56,760

so the second part of your question can

1546

01:05:02,390 --> 01:04:58,740

you ask it again because I I'm not sure

1547

01:05:04,430 --> 01:05:02,400

I understand it so or forgotten yeah I

1548

01:05:07,250 --> 01:05:04,440

was trying to say that all all of these

1549

01:05:11,150 --> 01:05:07,260

topics talk about orbs and by the way

1550

01:05:13,010 --> 01:05:11,160

for scientists it's ball lightning but

1551

01:05:15,890 --> 01:05:13,020

um right for those who are not aware

1552

01:05:18,829 --> 01:05:15,900

they call it or whatever right but I

1553

01:05:21,950 --> 01:05:18,839

just I want to know if people are

1554

01:05:24,049 --> 01:05:21,960

looking into this you know us an aspect

1555

01:05:26,510 --> 01:05:24,059

of this but they're not looking at all

1556

01:05:29,270 --> 01:05:26,520

of these different areas they're missing

1557

01:05:32,450 --> 01:05:29,280

out a big part of the story like for

1558

01:05:35,270 --> 01:05:32,460

instance the orbs so they're for the

1559

01:05:37,910 --> 01:05:35,280

spiritual area there's stories about

1560

01:05:41,210 --> 01:05:37,920

like ghost roads where orbs follow

1561

01:05:43,970 --> 01:05:41,220

people yes so I feel like people who

1562

01:05:46,069 --> 01:05:43,980

study UFOs should know that like they're

1563

01:05:47,690 --> 01:05:46,079

that it's they're missing something so

1564

01:05:50,030 --> 01:05:47,700

what do you think people could learn

1565

01:05:53,809 --> 01:05:50,040

from studying all these areas

1566

01:05:56,569 --> 01:05:53,819

so I I there's so many similarities with

1567

01:05:57,950 --> 01:05:56,579

uh cross researching and

1568

01:06:01,309 --> 01:05:57,960

cross-investigating these different

1569

01:06:03,710 --> 01:06:01,319

areas and so for example maybe you are

1570

01:06:06,410 --> 01:06:03,720

looking at something into ufology and

1571

01:06:09,170 --> 01:06:06,420

maybe you that answer whatever you

1572

01:06:10,730 --> 01:06:09,180

experience or encounter or research that

1573

01:06:14,030 --> 01:06:10,740

you're doing you may uncover something

1574

01:06:17,329 --> 01:06:14,040

that can be applicable to maybe uh

1575

01:06:20,150 --> 01:06:17,339

cryptozoology or or you know the ghosts

1576

01:06:23,930 --> 01:06:20,160

and spirits realm hauntings things of

1577

01:06:26,510 --> 01:06:23,940

that nature so I think it's a benefit to

1578

01:06:31,730 --> 01:06:26,520

to research all of the different areas

1579

01:06:35,150 --> 01:06:31,740

and try to uh put together a list of

1580

01:06:37,069 --> 01:06:35,160

either uh I wouldn't say no necessarily

1581

01:06:40,190 --> 01:06:37,079

maybe because we obviously don't know

1582

01:06:42,589 --> 01:06:40,200

100 of all of this but put together a

1583

01:06:45,410 --> 01:06:42,599

list of some of the parallels and

1584

01:06:47,809 --> 01:06:45,420

similarities between all of these fields

1585

01:06:51,470 --> 01:06:47,819

and then obviously you can make a list

1586

01:06:53,270 --> 01:06:51,480

as well of some of the differences so I

1587

01:06:55,670 --> 01:06:53,280

I think that that's extremely important

1588

01:06:58,490 --> 01:06:55,680

but I mean yeah it's the whole concept

1589

01:07:00,589 --> 01:06:58,500

of orbs I mean people should know that

1590

01:07:02,510 --> 01:07:00,599

okay well it could be it could be a

1591

01:07:04,190 --> 01:07:02,520

spirit it could be a ghost it could be a

1592

01:07:08,210 --> 01:07:04,200

spook light it could be some sort of

1593

01:07:11,230 --> 01:07:08,220

swamp gas it could be lights from a UFO

1594

01:07:14,210 --> 01:07:11,240

whatever you know there's the whole uh

1595

01:07:16,490 --> 01:07:14,220

people see sometimes on train tracks

1596

01:07:18,770 --> 01:07:16,500

they might see for example the the

1597

01:07:22,069 --> 01:07:18,780

Phantom Lantern of the train conductor

1598

01:07:24,950 --> 01:07:22,079

who maybe had his head sadly decapitated

1599

01:07:26,930 --> 01:07:24,960

and you see that residual impression of

1600

01:07:29,029 --> 01:07:26,940

the lantern or you know or some sort of

1601
01:07:31,309 --> 01:07:29,039
ball of light kind of swaying back back

1602
01:07:33,470 --> 01:07:31,319
and forth so you know it crosses over

1603
01:07:34,910 --> 01:07:33,480
into these other fields I hope I hope I

1604
01:07:37,069 --> 01:07:34,920
answered it I know that's a that's a

1605
01:07:39,230 --> 01:07:37,079
really good question though I I will

1606
01:07:41,390 --> 01:07:39,240
think about that yeah I was going to say

1607
01:07:43,789 --> 01:07:41,400
one of one of the things that came to

1608
01:07:45,829 --> 01:07:43,799
mind when I was one of the next question

1609
01:07:48,049 --> 01:07:45,839
came to mind was that you know people

1610
01:07:50,870 --> 01:07:48,059
could try using the Spirit box with

1611
01:07:53,390 --> 01:07:50,880
non-human intelligence or Bigfoot not

1612
01:07:55,609 --> 01:07:53,400
just not just spirit so that's exactly

1613
01:07:57,589 --> 01:07:55,619

why I was asking that like who's tried

1614

01:08:00,470 --> 01:07:57,599

that I've not heard that at all everyone

1615

01:08:02,450 --> 01:08:00,480

channels in all of these topics everyone

1616

01:08:04,549 --> 01:08:02,460

is trying to channel but is everyone

1617

01:08:06,770 --> 01:08:04,559

using the same tools wouldn't it be

1618

01:08:09,529 --> 01:08:06,780

helpful if we put our heads together and

1619

01:08:11,390 --> 01:08:09,539

did that that's that's a whole point

1620

01:08:13,190 --> 01:08:11,400

that is such a good point and not I'm

1621

01:08:16,189 --> 01:08:13,200

not every Gadget or piece of equipment

1622

01:08:18,470 --> 01:08:16,199

is going to be necessarily applicable I

1623

01:08:20,090 --> 01:08:18,480

I I'm and this is I'm just not going to

1624

01:08:21,950 --> 01:08:20,100

talk too long on this I'll just say it's

1625

01:08:23,450 --> 01:08:21,960

my opinion I could be a billionaire and

1626

01:08:25,789 --> 01:08:23,460

I still wouldn't own all the gadgets

1627

01:08:30,410 --> 01:08:25,799

that are out there today I think less is

1628

01:08:32,090 --> 01:08:30,420

more and us our helps our human senses

1629

01:08:34,789 --> 01:08:32,100

and our energy we are the there's no

1630

01:08:37,970 --> 01:08:34,799

such thing as a ghost detector and so we

1631

01:08:40,070 --> 01:08:37,980

are our best I guess sense and piece of

1632

01:08:41,390 --> 01:08:40,080

equipment out there so but anyways sorry

1633

01:08:43,130 --> 01:08:41,400

you were gonna say were you going to say

1634

01:08:46,910 --> 01:08:43,140

something no I was going to say I'll ask

1635

01:08:49,189 --> 01:08:46,920

Kathy Westerman of um she's out of Ocala

1636

01:08:52,189 --> 01:08:49,199

I saw her do the dowsing rods out in the

1637

01:08:53,930 --> 01:08:52,199

forest uh when we're looking for bigfoot

1638

01:08:56,450 --> 01:08:53,940

um she was a Paranormal Investigator

1639

01:08:58,430 --> 01:08:56,460

prior so she has some equipment so I'll

1640

01:08:59,689 --> 01:08:58,440

ask her if she's tried any of that

1641

01:09:01,610 --> 01:08:59,699

um she does have a pretty damn good

1642

01:09:04,789 --> 01:09:01,620

photo but what I wanted to tell you

1643

01:09:07,729 --> 01:09:04,799

Nicole before we go to Nathan is that

1644

01:09:10,849 --> 01:09:07,739

I have heard not one two or three I've

1645

01:09:13,370 --> 01:09:10,859

heard dozens of Bigfoot experiencers

1646

01:09:15,289 --> 01:09:13,380

these are the people that go you know in

1647

01:09:18,229 --> 01:09:15,299

some cases quite deep into the forest

1648

01:09:21,229 --> 01:09:18,239

miles off the from the trailhead they

1649

01:09:24,769 --> 01:09:21,239

camp and have had orb experiences where

1650

01:09:26,990 --> 01:09:24,779

you can rule out a lot of the prosaic

1651
01:09:29,870 --> 01:09:27,000
explanations for lights that we might

1652
01:09:32,390 --> 01:09:29,880
experience in Suburbia you know or in

1653
01:09:34,249 --> 01:09:32,400
the city even so I mean you're out there

1654
01:09:37,070 --> 01:09:34,259
in the pitch black forest and you see

1655
01:09:40,130 --> 01:09:37,080
something glowing red oh man I mean if

1656
01:09:43,010 --> 01:09:40,140
you watch missing 4-1-1 the hunted

1657
01:09:45,709 --> 01:09:43,020
um and you get to uh the fourth story on

1658
01:09:47,829 --> 01:09:45,719
there about Ron Moorhead and and his

1659
01:09:50,510 --> 01:09:47,839
guys up there in that camp in California

1660
01:09:52,309 --> 01:09:50,520
where they see not only orbs they see

1661
01:09:55,550 --> 01:09:52,319
something that looks like a lightsaber

1662
01:09:56,990 --> 01:09:55,560
flowing through the forest I mean that

1663
01:09:59,209 --> 01:09:57,000

just gave me chills just watching the

1664

01:10:01,070 --> 01:09:59,219

reenactment of that so but that's a fact

1665

01:10:04,430 --> 01:10:01,080

to make a long story short yeah people

1666

01:10:06,470 --> 01:10:04,440

are seeing orbs in places where it's not

1667

01:10:08,330 --> 01:10:06,480

quite is easy to explain away because

1668

01:10:11,270 --> 01:10:08,340

one of the things about being the force

1669

01:10:12,590 --> 01:10:11,280

is it is dark when you have a good

1670

01:10:14,990 --> 01:10:12,600

canopy over your head and you're out

1671

01:10:18,410 --> 01:10:15,000

there at night it's dark so yeah let me

1672

01:10:20,209 --> 01:10:18,420

go to uh money Nathan and uh and I'll

1673

01:10:21,830 --> 01:10:20,219

get one more and then if if there's any

1674

01:10:23,209 --> 01:10:21,840

final hits and then we'll we'll do cat

1675

01:10:24,890 --> 01:10:23,219

Big Boss

1676

01:10:26,209 --> 01:10:24,900

yeah sounds good

1677

01:10:28,790 --> 01:10:26,219

um you know one of the things we've

1678

01:10:30,770 --> 01:10:28,800

talked about uh in on our show and you

1679

01:10:32,750 --> 01:10:30,780

know in our private conversation as well

1680

01:10:34,970 --> 01:10:32,760

is kind of how lucky we are in the UFO

1681

01:10:37,130 --> 01:10:34,980

Community to have the government now

1682

01:10:41,510 --> 01:10:37,140

officially taking it seriously or being

1683

01:10:44,689 --> 01:10:41,520

more open about UFOs and uaps and I know

1684

01:10:47,649 --> 01:10:44,699

that in the history of the Paranormal uh

1685

01:10:52,970 --> 01:10:47,659

many of our kind of notable

1686

01:10:55,189 --> 01:10:52,980

uh like government figures or no notable

1687

01:10:57,110 --> 01:10:55,199

scientists from the 19th century were

1688

01:10:59,330 --> 01:10:57,120

really into the Paranormal like uh

1689

01:11:01,729 --> 01:10:59,340

mediums were really a huge thing back

1690

01:11:04,490 --> 01:11:01,739

then yeah uh seances and that kind of

1691

01:11:07,130 --> 01:11:04,500

thing and I'm just curious uh you know

1692

01:11:10,550 --> 01:11:07,140

in the Paranormal Community

1693

01:11:12,950 --> 01:11:10,560

um is there any uh you know both maybe

1694

01:11:15,470 --> 01:11:12,960

frustration but are there any signs of

1695

01:11:18,950 --> 01:11:15,480

hope that from a larger kind of

1696

01:11:21,709 --> 01:11:18,960

consensus uh perspective that that

1697

01:11:23,810 --> 01:11:21,719

Paranormal Activity is getting it being

1698

01:11:25,850 --> 01:11:23,820

taken more seriously in the way that you

1699

01:11:27,130 --> 01:11:25,860

know UFOs are are now kind of having

1700

01:11:29,810 --> 01:11:27,140

their day

1701

01:11:32,990 --> 01:11:29,820

yeah that's an excellent question I

1702

01:11:35,750 --> 01:11:33,000

think again you have to

1703

01:11:37,790 --> 01:11:35,760

who who you're talking to and what what

1704

01:11:41,209 --> 01:11:37,800

their involvement is in the field if

1705

01:11:43,970 --> 01:11:41,219

you're talking to a dedicated uh veteran

1706

01:11:45,470 --> 01:11:43,980

researcher who spends the time to do all

1707

01:11:47,689 --> 01:11:45,480

the different types of research and in

1708

01:11:49,910 --> 01:11:47,699

the Paranormal uh they might have a

1709

01:11:51,950 --> 01:11:49,920

different answer versus someone that you

1710

01:11:54,110 --> 01:11:51,960

know is maybe new to the field or just

1711

01:11:56,090 --> 01:11:54,120

in it for you know Thrills and chills

1712

01:12:01,310 --> 01:11:56,100

and they don't care about anything else

1713

01:12:03,950 --> 01:12:01,320

so uh the people like myself and and and

1714

01:12:07,490 --> 01:12:03,960

and you guys in in the in the folks in

1715

01:12:10,430 --> 01:12:07,500

the chat that uh take this seriously and

1716

01:12:12,169 --> 01:12:10,440

really want to try to do to dig into to

1717

01:12:13,970 --> 01:12:12,179

the discoveries if there are any

1718

01:12:16,189 --> 01:12:13,980

hopefully there will be more discoveries

1719

01:12:20,090 --> 01:12:16,199

in the future uh

1720

01:12:24,169 --> 01:12:20,100

yeah I I I do see people taking it more

1721

01:12:26,209 --> 01:12:24,179

serious and wanting to uh

1722

01:12:29,090 --> 01:12:26,219

really try to dig in and see if there

1723

01:12:31,189 --> 01:12:29,100

you know we can uh discover some answers

1724

01:12:34,310 --> 01:12:31,199

to it or maybe more theories or things

1725

01:12:37,610 --> 01:12:34,320

of that that nature and that's it kind

1726

01:12:39,709 --> 01:12:37,620

of parallels to the whole researching

1727

01:12:42,229 --> 01:12:39,719

all the different subtopics of the

1728

01:12:44,149 --> 01:12:42,239

Paranormal as well and and Consulting

1729

01:12:46,610 --> 01:12:44,159

with those in the you know the ufology

1730

01:12:49,189 --> 01:12:46,620

community or the cryptozoology community

1731

01:12:51,470 --> 01:12:49,199

and and hearing what they have to say so

1732

01:12:53,630 --> 01:12:51,480

uh and to answer your question yeah but

1733

01:12:56,090 --> 01:12:53,640

it's the P the people that are going to

1734

01:12:57,709 --> 01:12:56,100

give you a more uh I think honest answer

1735

01:12:59,510 --> 01:12:57,719

are that are the ones that are really

1736

01:13:00,890 --> 01:12:59,520

really devoted to the field and then

1737

01:13:02,450 --> 01:13:00,900

those that are just kind of in it were

1738

01:13:04,729 --> 01:13:02,460

oh I just want to go walk around a

1739

01:13:07,550 --> 01:13:04,739

cemetery at night and just see if I can

1740

01:13:11,750 --> 01:13:07,560

see a ghost and that's it probably won't

1741

01:13:15,110 --> 01:13:11,760

have that deeper observation that uh

1742

01:13:17,930 --> 01:13:15,120

us will have if that makes sense

1743

01:13:20,270 --> 01:13:17,940

great thank you

1744

01:13:22,729 --> 01:13:20,280

um so I have a friend our friend here

1745

01:13:25,189 --> 01:13:22,739

Scott gearen is here

1746

01:13:28,490 --> 01:13:25,199

um he has some some real good UFO videos

1747

01:13:31,970 --> 01:13:28,500

and by the way his place in in in in in

1748

01:13:33,470 --> 01:13:31,980

in Minnesota uh Nicole he showed us

1749

01:13:35,630 --> 01:13:33,480

Bigfoot tracks

1750

01:13:37,189 --> 01:13:35,640

uh and there was I don't know how many

1751

01:13:38,870 --> 01:13:37,199

feet of snow were in his yard but

1752

01:13:41,330 --> 01:13:38,880

probably about four because this Ford

1753

01:13:43,030 --> 01:13:41,340

Raptor looked like it was half buried oh

1754

01:13:46,189 --> 01:13:43,040

my God

1755

01:13:49,070 --> 01:13:46,199

yeah he lives near like a state forest

1756

01:13:52,189 --> 01:13:49,080

uh his property is that one of those

1757

01:13:54,290 --> 01:13:52,199

right he has a Bigfoot how

1758

01:13:56,090 --> 01:13:54,300

um that associated with the video it's

1759

01:13:58,550 --> 01:13:56,100

like him walking outside his house and

1760

01:14:01,610 --> 01:13:58,560

you hear you know I can't even oh my God

1761

01:14:03,590 --> 01:14:01,620

that's amazing it's a it's a it's an

1762

01:14:05,630 --> 01:14:03,600

awesome howl and then he has some tracks

1763

01:14:07,850 --> 01:14:05,640

so here's Scott gearen's question for

1764

01:14:10,490 --> 01:14:07,860

you have any orbs set off any motion

1765

01:14:12,709 --> 01:14:10,500

detectors on your cameras good good

1766

01:14:16,189 --> 01:14:12,719

question so on on the investigations

1767

01:14:18,950 --> 01:14:16,199

that we've done no actually no we have

1768

01:14:21,350 --> 01:14:18,960

not had any of those we actually had an

1769

01:14:23,390 --> 01:14:21,360

interesting private residence case oh I

1770

01:14:26,270 --> 01:14:23,400

would say about maybe eight years ago

1771

01:14:28,490 --> 01:14:26,280

and so this woman she lives up in

1772

01:14:29,870 --> 01:14:28,500

Fallbrook and she had this large home

1773

01:14:33,050 --> 01:14:29,880

and it was used

1774

01:14:35,689 --> 01:14:33,060

um kind of as a a caretaker facility and

1775

01:14:38,450 --> 01:14:35,699

so she had all these different you know

1776

01:14:40,430 --> 01:14:38,460

IR surveillance cameras and so she kept

1777

01:14:42,410 --> 01:14:40,440

seeing these orbs and so she contacted

1778

01:14:45,110 --> 01:14:42,420

us and we were able to determine that

1779

01:14:46,850 --> 01:14:45,120

you know most of the orbs are are caused

1780

01:14:49,070 --> 01:14:46,860

by you know certain things dust and

1781

01:14:51,350 --> 01:14:49,080

things of that nature and we even

1782

01:14:52,970 --> 01:14:51,360

replicated an experiment for her that

1783

01:14:55,070 --> 01:14:52,980

she could do by turning on her phone

1784

01:14:56,750 --> 01:14:55,080

light and looking at the little specks

1785

01:14:58,729 --> 01:14:56,760

of dust and things of that nature we

1786

01:15:01,790 --> 01:14:58,739

even watched the camera with her and we

1787

01:15:04,310 --> 01:15:01,800

were pointing out and explaining what

1788

01:15:06,590 --> 01:15:04,320

those are on her camera but no I've

1789

01:15:08,530 --> 01:15:06,600

never actually had any case where we've

1790

01:15:11,390 --> 01:15:08,540

actually where it's actually set off

1791

01:15:13,430 --> 01:15:11,400

anything that I know that I know I know

1792

01:15:15,770 --> 01:15:13,440

because it would be on video now I mean

1793

01:15:16,970 --> 01:15:15,780

we've had motion detectors going off but

1794

01:15:19,430 --> 01:15:16,980

uh

1795

01:15:21,649 --> 01:15:19,440

specifically on video now that's a good

1796

01:15:23,570 --> 01:15:21,659

question that'd be really cool man if

1797

01:15:25,130 --> 01:15:23,580

that happened that would be that'd be

1798

01:15:27,950 --> 01:15:25,140

interesting to get something like that

1799

01:15:30,050 --> 01:15:27,960

on camera and then have that you know

1800

01:15:32,750 --> 01:15:30,060

security alarm going off and things like

1801
01:15:34,310 --> 01:15:32,760
that or motion sensor alarm going off I

1802
01:15:36,229 --> 01:15:34,320
mean that's two pieces right there of

1803
01:15:38,750 --> 01:15:36,239
the puzzle that connect right

1804
01:15:41,450 --> 01:15:38,760
so that's it man yep

1805
01:15:44,209 --> 01:15:41,460
um I was going to ask you

1806
01:15:45,709 --> 01:15:44,219
um is there a when you're on an

1807
01:15:47,030 --> 01:15:45,719
investigation I actually have two

1808
01:15:48,950 --> 01:15:47,040
questions for you but let's get the

1809
01:15:51,590 --> 01:15:48,960
first one out of the way when you're on

1810
01:15:54,350 --> 01:15:51,600
on an investigation is there a moment

1811
01:15:56,209 --> 01:15:54,360
when you say I'm done or I got to get

1812
01:15:58,310 --> 01:15:56,219
out of here is there a a certain

1813
01:16:00,169 --> 01:15:58,320

circumstance or or feeling that you get

1814

01:16:01,490 --> 01:16:00,179

when you're like okay it's time to close

1815

01:16:06,770 --> 01:16:01,500

up shop

1816

01:16:08,930 --> 01:16:06,780

yes uh two instances so if we as the

1817

01:16:10,729 --> 01:16:08,940

investigators are really starting to

1818

01:16:14,390 --> 01:16:10,739

feel physically tired and mentally

1819

01:16:16,610 --> 01:16:14,400

drained after you know four hours

1820

01:16:17,870 --> 01:16:16,620

because it's intense going in there I

1821

01:16:19,970 --> 01:16:17,880

mean doing these eight hour

1822

01:16:24,050 --> 01:16:19,980

investigations case studies are better

1823

01:16:26,510 --> 01:16:24,060

because you have a time over the course

1824

01:16:28,610 --> 01:16:26,520

of weeks or months to really research

1825

01:16:30,530 --> 01:16:28,620

that location but if you're granted an

1826

01:16:32,689 --> 01:16:30,540

opportunity to do like an eight hour or

1827

01:16:34,370 --> 01:16:32,699

four hour that's fine too but really

1828

01:16:36,890 --> 01:16:34,380

what can you tell

1829

01:16:38,510 --> 01:16:36,900

just from those that short amount of

1830

01:16:41,689 --> 01:16:38,520

time not really much of anything really

1831

01:16:44,450 --> 01:16:41,699

but yeah so if we're tired uh physically

1832

01:16:47,030 --> 01:16:44,460

or mentally uh that's a time to call it

1833

01:16:50,390 --> 01:16:47,040

sorry my clock's going off but also if

1834

01:16:52,669 --> 01:16:50,400

we're getting the vibe or general

1835

01:16:56,930 --> 01:16:52,679

um impression from the energies there

1836

01:17:00,350 --> 01:16:56,940

that they're done absolutely if if if we

1837

01:17:03,470 --> 01:17:00,360

go in and we ask is it okay that we're

1838

01:17:05,750 --> 01:17:03,480

here and and we get a concrete

1839

01:17:08,169 --> 01:17:05,760

definitive answer of no

1840

01:17:10,850 --> 01:17:08,179

we will most likely leave

1841

01:17:12,590 --> 01:17:10,860

or if it's just sometimes if it's like

1842

01:17:14,990 --> 01:17:12,600

is it okay if we talk to you right now

1843

01:17:16,610 --> 01:17:15,000

and they say no well maybe we'll just

1844

01:17:18,410 --> 01:17:16,620

switch to doing a vigil or something

1845

01:17:21,110 --> 01:17:18,420

like that but there have been a couple

1846

01:17:22,090 --> 01:17:21,120

of times where we've received some

1847

01:17:25,430 --> 01:17:22,100

really

1848

01:17:27,530 --> 01:17:25,440

uh compelling answers of no on you know

1849

01:17:30,050 --> 01:17:27,540

like we just can feel it they don't want

1850

01:17:31,550 --> 01:17:30,060

us there and so then we'll leave so yeah

1851

01:17:35,090 --> 01:17:31,560

good question

1852

01:17:37,490 --> 01:17:35,100

we have uh about 12 minutes left uh is

1853

01:17:39,649 --> 01:17:37,500

there an investigation that comes to

1854

01:17:42,530 --> 01:17:39,659

mind that you would like to tell us

1855

01:17:44,450 --> 01:17:42,540

about that that uh probably would scare

1856

01:17:46,010 --> 01:17:44,460

the hell out of us or something no but

1857

01:17:48,350 --> 01:17:46,020

honestly just anyone that you would want

1858

01:17:50,270 --> 01:17:48,360

to tell us about oh my gosh well there's

1859

01:17:52,310 --> 01:17:50,280

so many but I'm gonna I'm gonna share

1860

01:17:54,550 --> 01:17:52,320

this because it touches on some very

1861

01:17:58,250 --> 01:17:54,560

important elements that are sometimes

1862

01:18:00,050 --> 01:17:58,260

overlooked so this was 2010 and so of

1863

01:18:02,450 --> 01:18:00,060

course I'm in San Diego California and

1864

01:18:05,570 --> 01:18:02,460

so Oceanside is about 30 minutes north

1865

01:18:07,790 --> 01:18:05,580

there is a known restaurant up there

1866

01:18:09,470 --> 01:18:07,800

called Hunter Steakhouse and it's

1867

01:18:11,030 --> 01:18:09,480

actually built over a Native American

1868

01:18:14,390 --> 01:18:11,040

burial ground

1869

01:18:15,830 --> 01:18:14,400

uh and I believe I believe the if gosh I

1870

01:18:18,110 --> 01:18:15,840

have the history of it in one of my

1871

01:18:20,990 --> 01:18:18,120

books but I believe that some of the the

1872

01:18:22,550 --> 01:18:21,000

the graves were were desecrated in the

1873

01:18:24,709 --> 01:18:22,560

building of the freeway and things of

1874

01:18:27,350 --> 01:18:24,719

that nature so we were there one night

1875

01:18:30,130 --> 01:18:27,360

and we had broken up into teams of two

1876

01:18:32,930 --> 01:18:30,140

so three and three one team was upstairs

1877

01:18:34,850 --> 01:18:32,940

another team was downstairs in the bar

1878

01:18:38,110 --> 01:18:34,860

area that was that was

1879

01:18:42,290 --> 01:18:38,120

um my group and so we were about an hour

1880

01:18:43,910 --> 01:18:42,300

or so into the investigation when all of

1881

01:18:46,729 --> 01:18:43,920

a sudden and then you have your two-way

1882

01:18:49,130 --> 01:18:46,739

radios so one of the investigators from

1883

01:18:50,810 --> 01:18:49,140

upstairs radio down to us saying stay

1884

01:18:52,070 --> 01:18:50,820

where you are this place has just been

1885

01:18:54,530 --> 01:18:52,080

robbed

1886

01:18:57,050 --> 01:18:54,540

so of course we're like all right we

1887

01:18:58,729 --> 01:18:57,060

just sat there quietly and we found out

1888

01:19:00,709 --> 01:18:58,739

that you know the cops came on the

1889

01:19:02,810 --> 01:19:00,719

premises uh oh my gosh it was a big

1890

01:19:05,810 --> 01:19:02,820

thing like three or four cops there was

1891

01:19:09,050 --> 01:19:05,820

a helicopter flying overhead I guess two

1892

01:19:11,930 --> 01:19:09,060

armed men came through the kitchen and

1893

01:19:14,209 --> 01:19:11,940

so they had guns and everything so that

1894

01:19:16,669 --> 01:19:14,219

was scary luckily you know nothing

1895

01:19:19,010 --> 01:19:16,679

happened to us or anything but it's it

1896

01:19:22,790 --> 01:19:19,020

brings up two points here one always

1897

01:19:24,770 --> 01:19:22,800

have some sort of of emergency plan uh

1898

01:19:27,649 --> 01:19:24,780

set in place

1899

01:19:29,689 --> 01:19:27,659

um also your your permission form and

1900

01:19:32,750 --> 01:19:29,699

your liability waiver make sure you have

1901

01:19:34,310 --> 01:19:32,760

that signed by the manager their owner

1902

01:19:36,169 --> 01:19:34,320

whoever whatever place you're

1903

01:19:38,270 --> 01:19:36,179

investigating have that because the cops

1904

01:19:40,250 --> 01:19:38,280

we showed them that and we explained who

1905

01:19:42,530 --> 01:19:40,260

we were and they just had us stay there

1906

01:19:45,410 --> 01:19:42,540

in case they needed to question us they

1907

01:19:47,630 --> 01:19:45,420

didn't and they let us go but yeah so I

1908

01:19:49,490 --> 01:19:47,640

have those emergency place or plans set

1909

01:19:51,890 --> 01:19:49,500

in place whether it's for earthquakes or

1910

01:19:54,950 --> 01:19:51,900

fires or injuries

1911

01:19:56,689 --> 01:19:54,960

um have P at least one or two people on

1912

01:19:59,750 --> 01:19:56,699

the team specifically

1913

01:20:01,910 --> 01:19:59,760

any every let's say you have a group of

1914

01:20:03,770 --> 01:20:01,920

five or ten doesn't matter at least one

1915

01:20:06,770 --> 01:20:03,780

person that comes on the investigation

1916

01:20:08,570 --> 01:20:06,780

out of the entire team should be CPR and

1917

01:20:10,370 --> 01:20:08,580

BLS certified

1918

01:20:12,590 --> 01:20:10,380

you know I've heard cases one of my

1919

01:20:14,209 --> 01:20:12,600

friends actually was on an investigation

1920

01:20:17,149 --> 01:20:14,219

at night and she tripped and broke her

1921

01:20:19,490 --> 01:20:17,159

ankle so survey these locations in the

1922

01:20:21,950 --> 01:20:19,500

daylight where you can see and map out

1923

01:20:23,750 --> 01:20:21,960

the place and kind of notate possible

1924

01:20:26,270 --> 01:20:23,760

you know dangerous spots and things of

1925

01:20:29,030 --> 01:20:26,280

that nature but that was scary I mean we

1926

01:20:30,830 --> 01:20:29,040

were lucky man yeah I mean that's that's

1927

01:20:33,649 --> 01:20:30,840

like unheard of you don't hear about

1928

01:20:35,030 --> 01:20:33,659

that too often but my gosh so

1929

01:20:37,550 --> 01:20:35,040

I thought you were going to say the

1930

01:20:40,270 --> 01:20:37,560

robbers were ghosts but uh Deb said do

1931

01:20:43,310 --> 01:20:40,280

you have anything final for Miss Nicole

1932

01:20:46,130 --> 01:20:43,320

I wish they were Michael

1933

01:20:48,890 --> 01:20:46,140

actually I've I was really curious um

1934

01:20:51,890 --> 01:20:48,900

going back to Leslie Kane's work um she

1935

01:20:54,470 --> 01:20:51,900

spoke about physical evidence

1936

01:20:57,290 --> 01:20:54,480

um on like a plasma almost that some

1937

01:20:59,090 --> 01:20:57,300

mediums were able to emit oh and since

1938

01:21:00,770 --> 01:20:59,100

you've done so much work on this I'm

1939

01:21:01,669 --> 01:21:00,780

wondering if you've heard anything about

1940

01:21:04,189 --> 01:21:01,679

that

1941

01:21:05,689 --> 01:21:04,199

are you talking about like the ectoplasm

1942

01:21:07,669 --> 01:21:05,699

like during the spiritualist movement

1943

01:21:10,010 --> 01:21:07,679

yes yeah oh gosh the spiritualist

1944

01:21:14,810 --> 01:21:10,020

movement is so fascinating and it was

1945

01:21:17,330 --> 01:21:14,820

also uh seeped in fraud as well so uh a

1946

01:21:22,310 --> 01:21:17,340

lot of the said ectoplasm that these

1947

01:21:24,590 --> 01:21:22,320

female mediums were said to produce gosh

1948

01:21:26,689 --> 01:21:24,600

they found out that it was it was like

1949

01:21:28,550 --> 01:21:26,699

cheese cloth and all these various

1950

01:21:31,790 --> 01:21:28,560

different substances

1951

01:21:33,590 --> 01:21:31,800

uh that they use to to fake this sort of

1952

01:21:35,750 --> 01:21:33,600

thing so

1953

01:21:38,330 --> 01:21:35,760

um yeah the spiritualist movement I

1954

01:21:40,189 --> 01:21:38,340

think in many ways it fueled modern day

1955

01:21:43,070 --> 01:21:40,199

paranormal research I mean that's

1956

01:21:46,250 --> 01:21:43,080

basically why the society for psychical

1957

01:21:49,270 --> 01:21:46,260

research was formed and is still today

1958

01:21:51,950 --> 01:21:49,280

and it's really the the

1959

01:21:53,750 --> 01:21:51,960

Hallmark of how really investigations

1960

01:21:56,930 --> 01:21:53,760

should be done there's a lot of good

1961

01:21:58,550 --> 01:21:56,940

information in the SBR but yeah uh so

1962

01:22:00,649 --> 01:21:58,560

spiritualist movement was is very

1963

01:22:03,649 --> 01:22:00,659

fascinating you really learn about

1964

01:22:05,030 --> 01:22:03,659

uh if you break it down and study it you

1965

01:22:08,090 --> 01:22:05,040

can see how

1966

01:22:10,630 --> 01:22:08,100

how the fraud was kind of caused and

1967

01:22:13,189 --> 01:22:10,640

produced and how you know biased and

1968

01:22:15,709 --> 01:22:13,199

suggestibility and all of that played

1969

01:22:17,930 --> 01:22:15,719

into the whole situation so it's really

1970

01:22:19,510 --> 01:22:17,940

fascinating

1971

01:22:21,890 --> 01:22:19,520

yeah

1972

01:22:23,570 --> 01:22:21,900

on that I'm sorry go ahead go ahead

1973

01:22:26,810 --> 01:22:23,580

brother well I was going to ask about a

1974

01:22:29,750 --> 01:22:26,820

ports um which it kind of ties into that

1975

01:22:32,450 --> 01:22:29,760

a little bit but it's um and we had the

1976

01:22:34,970 --> 01:22:32,460

Navajo Rangers on the show uh a few

1977

01:22:37,550 --> 01:22:34,980

episodes yeah and they had shared a

1978

01:22:40,430 --> 01:22:37,560

story with us about aborts uh where they

1979

01:22:43,790 --> 01:22:40,440

had coins that were coming out of

1980

01:22:45,290 --> 01:22:43,800

just nowhere than falling on the ground

1981

01:22:46,130 --> 01:22:45,300

and they were like all heads up or

1982

01:22:48,229 --> 01:22:46,140

something I figured there was something

1983

01:22:50,750 --> 01:22:48,239

really unique about them

1984

01:22:52,750 --> 01:22:50,760

um and uh I was just curious if you've

1985

01:22:55,070 --> 01:22:52,760

you know heard similar kinds of

1986

01:22:57,649 --> 01:22:55,080

situations but not with coins but with

1987

01:22:59,750 --> 01:22:57,659

any you know objects yeah I've never had

1988

01:23:02,510 --> 01:22:59,760

anything personally for me but I've

1989

01:23:07,729 --> 01:23:02,520

talked with others that have experienced

1990

01:23:10,189 --> 01:23:07,739

uh coins or jewelry just appearing out

1991

01:23:12,110 --> 01:23:10,199

of nowhere and so it's it's you know

1992

01:23:14,930 --> 01:23:12,120

it's fascinating I don't I don't know if

1993

01:23:17,810 --> 01:23:14,940

there's a connection with portals there

1994

01:23:20,450 --> 01:23:17,820

um and and yeah though the whole

1995

01:23:22,010 --> 01:23:20,460

application process is uh pretty

1996

01:23:24,530 --> 01:23:22,020

intriguing but yeah I haven't had that

1997

01:23:25,550 --> 01:23:24,540

happen to me yet so yeah well as we

1998

01:23:27,410 --> 01:23:25,560

pointed out on the show if it does

1999

01:23:30,110 --> 01:23:27,420

happen make sure you collect it take it

2000

01:23:31,729 --> 01:23:30,120

to the coin laundry uh right yes they're

2001

01:23:34,430 --> 01:23:31,739

just doing you a favor as far as I can

2002

01:23:36,590 --> 01:23:34,440

tell you know yeah yeah also machines

2003

01:23:38,570 --> 01:23:36,600

that dispense water a lot of those water

2004

01:23:40,970 --> 01:23:38,580

machines you can put coins get you a

2005

01:23:43,370 --> 01:23:40,980

gallon so very valuable man I don't

2006

01:23:44,990 --> 01:23:43,380

think the Paranormal Rangers really took

2007

01:23:46,790 --> 01:23:45,000

stock of how awesome it was they were

2008

01:23:49,430 --> 01:23:46,800

getting all this change I agree you know

2009

01:23:52,070 --> 01:23:49,440

how much did they get it was a pretty

2010

01:23:53,510 --> 01:23:52,080

good man and he said it was still

2011

01:23:55,250 --> 01:23:53,520

happening to him which I thought was

2012

01:23:58,310 --> 01:23:55,260

interesting I haven't yet watch I'm

2013

01:23:59,510 --> 01:23:58,320

sorry it's on my cue list no no no it's

2014

01:24:02,330 --> 01:23:59,520

all good but yeah it was fascinating

2015

01:24:04,790 --> 01:24:02,340

that bags of it oh my gosh yeah they

2016

01:24:06,470 --> 01:24:04,800

collected evidence bags how many like I

2017

01:24:08,990 --> 01:24:06,480

don't know what the total was and it was

2018

01:24:11,450 --> 01:24:09,000

U.S coins or was it a different yes

2019

01:24:14,209 --> 01:24:11,460

quarters

2020

01:24:16,130 --> 01:24:14,219

yeah it I I it that that just freaks me

2021

01:24:18,169 --> 01:24:16,140

out because you can't there's no way to

2022

01:24:20,390 --> 01:24:18,179

really explain that but I'll but two

2023

01:24:22,070 --> 01:24:20,400

things two things I want to say one

2024

01:24:24,410 --> 01:24:22,080

thing is

2025

01:24:27,050 --> 01:24:24,420

um we def we want to have you come on in

2026

01:24:30,010 --> 01:24:27,060

and uh guest co-hosts with us for an

2027

01:24:32,810 --> 01:24:30,020

episode so I'll I'll coordinate with you

2028

01:24:35,030 --> 01:24:32,820

what type yeah what type of guest you

2029

01:24:37,189 --> 01:24:35,040

wanna you know that you want to uh

2030

01:24:38,750 --> 01:24:37,199

interview with us and if we get the

2031

01:24:41,149 --> 01:24:38,760

Paranormal Rangers on again we'll

2032

01:24:42,950 --> 01:24:41,159

definitely uh have you on because I was

2033

01:24:45,950 --> 01:24:42,960

messaging Jonathan

2034

01:24:47,930 --> 01:24:45,960

the other day the uh he's he's a little

2035

01:24:51,709 --> 01:24:47,940

bit more well-known because Stan is

2036

01:24:54,290 --> 01:24:51,719

still working but um uh Navajo gave me

2037

01:24:55,790 --> 01:24:54,300

some uh uh would you call those photos

2038

01:24:59,410 --> 01:24:55,800

of petroglyphs is that what you call

2039

01:25:02,930 --> 01:24:59,420

them oh yeah oh those are nice yeah yeah

2040

01:25:05,689 --> 01:25:02,940

and then there's a possible UAP in there

2041

01:25:07,370 --> 01:25:05,699

so basically I gave them to Jonathan to

2042

01:25:09,649 --> 01:25:07,380

say hey what's the origin of these

2043

01:25:11,810 --> 01:25:09,659

petroglyphs and he named the tribe and

2044

01:25:14,630 --> 01:25:11,820

so and around the time frame that they

2045

01:25:16,130 --> 01:25:14,640

would have been created so uh I got to

2046

01:25:18,169 --> 01:25:16,140

give this to a Navajo friend of mine

2047

01:25:20,530 --> 01:25:18,179

who's like hey what's this man I'm part

2048

01:25:23,270 --> 01:25:20,540

of the New Mexico navajos

2049

01:25:26,750 --> 01:25:23,280

so awesome wow

2050

01:25:28,729 --> 01:25:26,760

yeah so we'll we go we gonna get you on

2051

01:25:29,689 --> 01:25:28,739

again because you're awesome and I want

2052

01:25:32,630 --> 01:25:29,699

to hear about some of these

2053

01:25:35,209 --> 01:25:32,640

investigations uh so we we will get you

2054

01:25:37,669 --> 01:25:35,219

on again okay this was so much fun thank

2055

01:25:40,850 --> 01:25:37,679

you guys so much for this there's that

2056

01:25:42,530 --> 01:25:40,860

there's a camaraderie yeah you can feel

2057

01:25:44,390 --> 01:25:42,540

it when you go on shows whether you're a

2058

01:25:46,910 --> 01:25:44,400

guest or you're hosting So yeah thank

2059

01:25:49,310 --> 01:25:46,920

you so much I appreciate it thoughtful

2060

01:25:51,590 --> 01:25:49,320

questions all of it you guys are awesome

2061

01:25:52,790 --> 01:25:51,600

you're gonna get three goodbyes so this

2062

01:25:54,950 --> 01:25:52,800

is not the first one we've got to start

2063

01:25:57,830 --> 01:25:54,960

with Deb with camping by so go ahead

2064

01:25:59,629 --> 01:25:57,840

Debs yes thank you for coming and

2065

01:26:01,669 --> 01:25:59,639

talking to us all about um the

2066

01:26:04,310 --> 01:26:01,679

phenomenon and I just wanted to point

2067

01:26:06,410 --> 01:26:04,320

out that hopefully conversations like

2068

01:26:09,169 --> 01:26:06,420

this will take the para out of

2069

01:26:10,910 --> 01:26:09,179

paranormal and there you go and start to

2070

01:26:15,709 --> 01:26:10,920

recognize it's part of the human

2071

01:26:18,169 --> 01:26:15,719

condition thank you Amen to that if

2072

01:26:21,370 --> 01:26:18,179

there's a secret psychology handshake I

2073

01:26:21,380 --> 01:26:26,570

it's a mental one yeah exactly

2074

01:26:32,090 --> 01:26:30,410

oh my gosh that's so true I mean just to

2075

01:26:33,709 --> 01:26:32,100

Echo this I mean look there's something

2076

01:26:37,129 --> 01:26:33,719

uh

2077

01:26:39,229 --> 01:26:37,139

deeply meaningful about the work that

2078

01:26:41,570 --> 01:26:39,239

that you're doing

2079

01:26:43,370 --> 01:26:41,580

um and I think that it's it's not just

2080

01:26:48,110 --> 01:26:43,380

about

2081

01:26:49,729 --> 01:26:48,120

here and there and

2082

01:26:51,470 --> 01:26:49,739

um and the connection between the two

2083

01:26:55,790 --> 01:26:51,480

and we have such a poor relationship

2084

01:26:59,149 --> 01:26:55,800

with death in our culture that uh this

2085

01:27:03,050 --> 01:26:59,159

is a way of redeeming the the dignity in

2086

01:27:04,970 --> 01:27:03,060

death uh and uh so not only that is

2087

01:27:06,470 --> 01:27:04,980

important but just the the work that

2088

01:27:08,390 --> 01:27:06,480

you're doing generally is important and

2089

01:27:10,910 --> 01:27:08,400

I think uh there's many in our field

2090

01:27:13,070 --> 01:27:10,920

that can learn a thing many things from

2091

01:27:14,629 --> 01:27:13,080

from folks in your your field and so I'm

2092

01:27:22,370 --> 01:27:14,639

really grateful to have you with us and

2093

01:27:26,990 --> 01:27:24,110

approach this your viewpoints everything

2094

01:27:28,550 --> 01:27:27,000

just aligns so beautifully so thank you

2095

01:27:31,189 --> 01:27:28,560

for mentioning that that's that's very

2096

01:27:34,430 --> 01:27:31,199

important brings a smile to my face

2097

01:27:36,050 --> 01:27:34,440

here's your third cabbie goodbye because

2098

01:27:40,970 --> 01:27:36,060

sometimes we have six people on here so

2099

01:27:44,149 --> 01:27:40,980

you get six buzz but I love it but

2100

01:27:46,070 --> 01:27:44,159

um what I want to say is that um we

2101
01:27:48,530 --> 01:27:46,080
really appreciate what you're doing we

2102
01:27:50,090 --> 01:27:48,540
we Endeavor to try to bring the three

2103
01:27:52,189 --> 01:27:50,100
communities together the Bigfoot

2104
01:27:54,890 --> 01:27:52,199
Community the UFO community and the

2105
01:27:56,090 --> 01:27:54,900
Paranormal Community we see them all as

2106
01:27:57,890 --> 01:27:56,100
one

2107
01:28:00,950 --> 01:27:57,900
um you have such a beautiful bright

2108
01:28:03,470 --> 01:28:00,960
light about you uh and the way that you

2109
01:28:04,689 --> 01:28:03,480
you treat the topic

2110
01:28:07,129 --> 01:28:04,699
um

2111
01:28:09,430 --> 01:28:07,139
I'm gonna seriously start crying that

2112
01:28:12,169 --> 01:28:09,440
means so much like I said no we're not

2113
01:28:15,229 --> 01:28:12,179

I don't want to make you for clembo but

2114

01:28:17,270 --> 01:28:15,239

uh I do want you to tell people uh about

2115

01:28:19,310 --> 01:28:17,280

where they can find your work you have

2116

01:28:22,790 --> 01:28:19,320

six books out I believe at least six

2117

01:28:24,290 --> 01:28:22,800

maybe more uh plus uh the the radio show

2118

01:28:27,290 --> 01:28:24,300

and your podcast please tell everybody

2119

01:28:29,330 --> 01:28:27,300

about it yeah so you can find me so my

2120

01:28:31,550 --> 01:28:29,340

my regular website is author Nicole

2121

01:28:33,410 --> 01:28:31,560

strickland.com and then my team's

2122

01:28:35,629 --> 01:28:33,420

website is San Diego paranormal

2123

01:28:37,790 --> 01:28:35,639

research.com it is in need of a new

2124

01:28:41,149 --> 01:28:37,800

redesign I must say and then of course

2125

01:28:43,790 --> 01:28:41,159

on Facebook uh I have different pages so

2126
01:28:46,450 --> 01:28:43,800
Nicole D Strickland is my main one and

2127
01:28:49,790 --> 01:28:46,460
then I have uh author Nicole Strickland

2128
01:28:53,330 --> 01:28:49,800
afterlife Chronicles and then my teams

2129
01:28:55,610 --> 01:28:53,340
Facebook is the acronym so sdprs I'm on

2130
01:28:58,910 --> 01:28:55,620
Twitter of course sdprs Nicole Instagram

2131
01:29:01,729 --> 01:28:58,920
author Nicole Strickland and books that

2132
01:29:03,649 --> 01:29:01,739
you can find uh online pretty much all

2133
01:29:06,470 --> 01:29:03,659
of the online retailers my Queen Mary

2134
01:29:09,110 --> 01:29:06,480
books are also sold on board the Queen

2135
01:29:10,970 --> 01:29:09,120
Mary the Queen Mary yeah on board the

2136
01:29:13,490 --> 01:29:10,980
Queen Mary so that's pretty cool and

2137
01:29:16,970 --> 01:29:13,500
then uh let's see my San Diego's most

2138
01:29:19,970 --> 01:29:16,980

haunted is also sold in some stores in

2139

01:29:22,970 --> 01:29:19,980

San Diego as well and then uh let's see

2140

01:29:25,790 --> 01:29:22,980

oh uh podcasting so yeah so Todd Bates

2141

01:29:27,890 --> 01:29:25,800

and I we co-host Hana voices radio it

2142

01:29:31,250 --> 01:29:27,900

was on Tuesday nights it's now on Friday

2143

01:29:33,530 --> 01:29:31,260

night so 8 Pacific 10 Central 11 Eastern

2144

01:29:35,750 --> 01:29:33,540

and then my show the afterlife

2145

01:29:38,689 --> 01:29:35,760

Chronicles it's on Hiatus same network

2146

01:29:40,070 --> 01:29:38,699

uh it was on Thursday nights at 6 p.m

2147

01:29:42,590 --> 01:29:40,080

I'm actually

2148

01:29:45,709 --> 01:29:42,600

um on Hiatus still so I'll probably be

2149

01:29:48,830 --> 01:29:45,719

restarting my show sometime in maybe May

2150

01:29:51,290 --> 01:29:48,840

or June so yeah that's about it

2151
01:29:53,270 --> 01:29:51,300
that that is awesome stuff we will have

2152
01:29:55,790 --> 01:29:53,280
all your stuff in the show notes I'll be

2153
01:29:58,790 --> 01:29:55,800
busy uh typing that all up into the show

2154
01:30:01,189 --> 01:29:58,800
notes if you'd like to uh find Nicole uh

2155
01:30:04,070 --> 01:30:01,199
you will see her back on here as both

2156
01:30:06,350 --> 01:30:04,080
guests and as guest co-host oh that'd be

2157
01:30:08,209 --> 01:30:06,360
so fun thank you so much for having me

2158
01:30:10,370 --> 01:30:08,219
yes this was awesome

2159
01:30:13,189 --> 01:30:10,380
thank you so much so for Nicole for

2160
01:30:16,370 --> 01:30:13,199
Nathan for Debs this is DJ saying peace

2161
01:30:18,770 --> 01:30:16,380
out one love we'll see you down the road

2162
01:30:21,050 --> 01:30:18,780
and as always we're wondering what's up

2163
01:30:24,169 --> 01:30:21,060

around the bend there you go I love it
