

FIRESIDE CHAT

*Tim & Dana
Halloran*

Bigfoot Influencers **Mar 13, 2023**

1
00:00:01,580 --> 00:00:06,750
oh my God

2
00:00:31,990 --> 00:00:24,950
[Music]

3
00:00:39,470 --> 00:00:35,530
we going bigfooting again tonight baby

4
00:00:41,389 --> 00:00:39,480
so hold on to your seats welcome back to

5
00:00:43,790 --> 00:00:41,399
calling all beings I'm your host DJ

6
00:00:46,010 --> 00:00:43,800
along with the host of the most my

7
00:00:48,889 --> 00:00:46,020
brother money Nathan the technical

8
00:00:50,810 --> 00:00:48,899
director of this joint the executive

9
00:00:53,150 --> 00:00:50,820
producer

10
00:00:55,310 --> 00:00:53,160
money Nathan how are you brother I'm

11
00:00:56,990 --> 00:00:55,320
good man uh doing well happy Monday

12
00:01:01,189 --> 00:00:57,000
everybody kicking the week off here with

13
00:01:04,969 --> 00:01:02,990

I'll tell you what and you know what she

14

00:01:07,130 --> 00:01:04,979

just got out of work just escaped the

15

00:01:09,230 --> 00:01:07,140

last patient so she could come and hang

16

00:01:11,090 --> 00:01:09,240

out with Tim Dana talk a little bit

17

00:01:13,370 --> 00:01:11,100

about Bigfoot and find out what

18

00:01:18,109 --> 00:01:13,380

influence these peoples and you know I'm

19

00:01:20,090 --> 00:01:18,119

talking about a study of uaps dabs hi

20

00:01:24,230 --> 00:01:20,100

everyone I'm feeling like a future human

21

00:01:25,969 --> 00:01:24,240

today it's like spring forward oh my God

22

00:01:28,910 --> 00:01:25,979

I'm gonna tell you what man Michael

23

00:01:30,710 --> 00:01:28,920

Masters loves you man he does because of

24

00:01:33,230 --> 00:01:30,720

that man and we'll tell Tim and Dana who

25

00:01:35,810 --> 00:01:33,240

Michael Masters is uh UFO Community

26
00:01:37,730 --> 00:01:35,820
Bigfoot Community coming together uh and

27
00:01:40,429 --> 00:01:37,740
look at that man this is my friend right

28
00:01:44,770 --> 00:01:40,439
here from Tulsa Oklahoma the Bigfoot

29
00:01:47,450 --> 00:01:44,780
badass the oh gee Matt nah

30
00:01:50,030 --> 00:01:47,460
what's up what's up

31
00:01:51,469 --> 00:01:50,040
how you doing brother doing okay doing

32
00:01:54,289 --> 00:01:51,479
okay uh

33
00:01:57,410 --> 00:01:54,299
as it was stated in an early week show

34
00:01:59,030 --> 00:01:57,420
not used to this but it's nice for a

35
00:02:00,649 --> 00:01:59,040
little change of pace

36
00:02:02,149 --> 00:02:00,659
that's right we make sure that daylight

37
00:02:03,910 --> 00:02:02,159
savings time baby we don't need that

38
00:02:06,709 --> 00:02:03,920

yeah we don't need that stuff

39

00:02:09,889 --> 00:02:06,719

no we don't need don't come around no

40

00:02:11,390 --> 00:02:09,899

more uh and Matt man Matt and I talked

41

00:02:13,250 --> 00:02:11,400

about something that the cabbies are

42

00:02:15,589 --> 00:02:13,260

working up probably won't happen until

43

00:02:17,869 --> 00:02:15,599

this summer but we'll we'll have a a

44

00:02:20,449 --> 00:02:17,879

pretty huge show it looks like uh based

45

00:02:21,770 --> 00:02:20,459

on the contact that we made in uh and

46

00:02:24,130 --> 00:02:21,780

we'll be streaming it on both channels

47

00:02:28,309 --> 00:02:24,140

it'll be pretty dope

48

00:02:30,589 --> 00:02:28,319

Extravaganza you can I get ahead

49

00:02:32,809 --> 00:02:30,599

but uh but right now I want to introduce

50

00:02:34,910 --> 00:02:32,819

these folks who we had the pleasure of

51
00:02:37,309 --> 00:02:34,920
meeting as a result of interviewing Mr

52
00:02:39,530 --> 00:02:37,319
Matthew Knapp who uh is the quickest

53
00:02:41,589 --> 00:02:39,540
person to make it into cabs

54
00:02:44,930 --> 00:02:41,599
since Nathan and I

55
00:02:46,430 --> 00:02:44,940
day one acceptance letter just

56
00:02:48,890 --> 00:02:46,440
that's what happens when you leave the

57
00:02:52,729 --> 00:02:48,900
door open I just slide right in the back

58
00:02:56,390 --> 00:02:54,770
you know we head down to the field we

59
00:02:58,670 --> 00:02:56,400
watch this guy that's left tackle any

60
00:03:00,530 --> 00:02:58,680
pancakes like four people in a row and

61
00:03:02,150 --> 00:03:00,540
we're from OU we're like yup we'll take

62
00:03:04,190 --> 00:03:02,160
them bring them over here man we're

63
00:03:06,070 --> 00:03:04,200

gonna get that letter the letter of

64

00:03:09,410 --> 00:03:06,080

intent all right

65

00:03:12,649 --> 00:03:09,420

so on that show we had uh this these uh

66

00:03:15,530 --> 00:03:12,659

this author uh these two authors uh

67

00:03:17,390 --> 00:03:15,540

they're also a husband and wife and they

68

00:03:19,610 --> 00:03:17,400

were just came up with excellent

69

00:03:21,170 --> 00:03:19,620

questions like look at this man he's

70

00:03:23,570 --> 00:03:21,180

coming up with better questions than me

71

00:03:25,670 --> 00:03:23,580

love these people I listen to their

72

00:03:28,009 --> 00:03:25,680

podcast they're on I think it's the

73

00:03:30,830 --> 00:03:28,019

unknown radio network we're gonna ask

74

00:03:33,050 --> 00:03:30,840

somebody here in a second but uh it's an

75

00:03:34,430 --> 00:03:33,060

honor to have these guys come on for a

76

00:03:36,170 --> 00:03:34,440

fireside chat where we're going to

77

00:03:37,910 --> 00:03:36,180

interview them for a little bit and then

78

00:03:42,970 --> 00:03:37,920

we're going to go around the table so

79

00:03:45,050 --> 00:03:42,980

put your hands together for Tim and Dana

80

00:03:47,170 --> 00:03:45,060

Halloran hey

81

00:03:51,470 --> 00:03:47,180

yeah

82

00:03:54,589 --> 00:03:51,480

yay hey everyone hi guys I don't know

83

00:03:56,390 --> 00:03:54,599

how we can beat that intro I'm serious

84

00:03:58,970 --> 00:03:56,400

it's such an honor to be here with you

85

00:04:02,330 --> 00:03:58,980

girls yeah we're here with with this is

86

00:04:04,970 --> 00:04:02,340

like like media Legends here on on the

87

00:04:06,710 --> 00:04:04,980

podcast with so nah nothing like that

88

00:04:08,750 --> 00:04:06,720

we're just a bunch of jokers that come

89

00:04:10,670 --> 00:04:08,760

on here we do a little bit of fun a

90

00:04:11,990 --> 00:04:10,680

little bit of seriousness and then we do

91

00:04:13,789 --> 00:04:12,000

a little bit of fun a little bit of

92

00:04:15,410 --> 00:04:13,799

seriousness and it looks like an

93

00:04:19,310 --> 00:04:15,420

electrical sine waves if you know I'm

94

00:04:21,730 --> 00:04:19,320

talking about alternating current uh so

95

00:04:25,310 --> 00:04:21,740

here the podcast the interviewers get

96

00:04:27,950 --> 00:04:25,320

interviewed I know I know we have to

97

00:04:32,870 --> 00:04:29,930

well it's all right

98

00:04:35,450 --> 00:04:32,880

so I I heard another pod that you guys

99

00:04:37,969 --> 00:04:35,460

were on where Tim you said that Dana got

100

00:04:41,330 --> 00:04:37,979

you into this topic is this correct

101
00:04:43,010 --> 00:04:41,340
that is 100 correct she sees the one to

102
00:04:44,749 --> 00:04:43,020
hook me in yeah five years ago I

103
00:04:47,090 --> 00:04:44,759
wouldn't I wouldn't have been here you

104
00:04:52,749 --> 00:04:47,100
know and do you want to get in the house

105
00:04:57,350 --> 00:04:54,830
I've always been interested in the

106
00:05:00,950 --> 00:04:57,360
subject watched all the shows you like

107
00:05:03,650 --> 00:05:00,960
monster quest and um you know uh Finding

108
00:05:04,610 --> 00:05:03,660
Bigfoot and just anything that I could

109
00:05:06,530 --> 00:05:04,620
watch

110
00:05:09,409 --> 00:05:06,540
um for a while there had our son Gabriel

111
00:05:13,010 --> 00:05:09,419
our youngest really interested

112
00:05:15,170 --> 00:05:13,020
um but now he's 19 and in college and

113
00:05:17,210 --> 00:05:15,180

studying biology and he's you know

114

00:05:19,790 --> 00:05:17,220

obviously becoming uh what do you call

115

00:05:22,730 --> 00:05:19,800

it left Chef Meldrum no I'm just kidding

116

00:05:25,070 --> 00:05:22,740

yeah there's a joke when we interviewed

117

00:05:26,270 --> 00:05:25,080

Jeff we have another son who's uh he's

118

00:05:28,850 --> 00:05:26,280

he just he's getting ready to get his

119

00:05:31,249 --> 00:05:28,860

PhD and we uh we tried we were joking

120

00:05:32,330 --> 00:05:31,259

with him and then Jeff uh Dr Jeff Melton

121

00:05:33,710 --> 00:05:32,340

we said hey we're going to try to get

122

00:05:35,870 --> 00:05:33,720

our son to come out there and postdoc

123

00:05:37,070 --> 00:05:35,880

yeah but neither I mean Jeff probably

124

00:05:38,710 --> 00:05:37,080

would have done it but our son was

125

00:05:42,650 --> 00:05:38,720

Adventure no

126

00:05:45,230 --> 00:05:42,660

so anyway back to the story so

127

00:05:47,330 --> 00:05:45,240

um I've you know just kept on asking Tim

128

00:05:49,430 --> 00:05:47,340

I really want to go to a Bigfoot

129

00:05:52,490 --> 00:05:49,440

Conference and he's like okay fine

130

00:05:54,050 --> 00:05:52,500

whatever you want so

131

00:05:56,570 --> 00:05:54,060

um we went to the Ohio Bigfoot

132

00:06:00,529 --> 00:05:56,580

Conference and wow we really picked a

133

00:06:03,230 --> 00:06:00,539

good one to go too far first time and we

134

00:06:05,990 --> 00:06:03,240

just kind of like got embraced by

135

00:06:08,870 --> 00:06:06,000

everybody there I don't know what that

136

00:06:10,550 --> 00:06:08,880

was all about but um yeah it was it was

137

00:06:12,050 --> 00:06:10,560

it was really cool because like

138

00:06:15,010 --> 00:06:12,060

authenticity

139

00:06:18,230 --> 00:06:15,020

I got to see so like Dr Jeff is like my

140

00:06:23,090 --> 00:06:18,240

uh yeah he's like my uh what do you call

141

00:06:24,490 --> 00:06:23,100

it Crush Guru Rabbi my Bigfoot Crush my

142

00:06:27,350 --> 00:06:24,500

man crush

143

00:06:28,790 --> 00:06:27,360

and so he um

144

00:06:30,590 --> 00:06:28,800

I guess it was like our first day when

145

00:06:33,110 --> 00:06:30,600

we just arrived so we're at the lodge

146

00:06:36,590 --> 00:06:33,120

we're going to check in and oh my God

147

00:06:38,809 --> 00:06:36,600

guess who's there checking in too

148

00:06:40,790 --> 00:06:38,819

and and I'm and I'm busting jokes with

149

00:06:42,890 --> 00:06:40,800

him I'm like oh Tim

150

00:06:44,330 --> 00:06:42,900

Tim has no idea who this is well I knew

151

00:06:48,170 --> 00:06:44,340

who he was but I didn't know how you

152

00:06:52,490 --> 00:06:51,230

come here cause Dr Jeff oh my God and so

153

00:06:54,230 --> 00:06:52,500

then he goes over there and starts

154

00:06:56,090 --> 00:06:54,240

talking to him I feel like I was in high

155

00:06:57,189 --> 00:06:56,100

school again you know like oh my God no

156

00:06:59,990 --> 00:06:57,199

no

157

00:07:01,249 --> 00:07:00,000

oh my God so he started talking to him

158

00:07:03,770 --> 00:07:01,259

and then I came over and I just said

159

00:07:07,070 --> 00:07:03,780

something really goofy and stupid yeah

160

00:07:08,749 --> 00:07:07,080

why I don't know I I said that I uh I

161

00:07:11,270 --> 00:07:08,759

said I told him I said you you kind of

162

00:07:12,830 --> 00:07:11,280

look familiar what's your name knowing

163

00:07:14,450 --> 00:07:12,840

that he's you know we're at a Bigfoot

164

00:07:17,330 --> 00:07:14,460

Conference and and he kind of laughed

165

00:07:19,550 --> 00:07:17,340

and chuckled but yeah but we just got um

166

00:07:21,230 --> 00:07:19,560

it was an interesting week I mean we we

167

00:07:24,469 --> 00:07:21,240

kind of stood out I guess because we

168

00:07:26,270 --> 00:07:24,479

weren't big Footers and um we yeah I had

169

00:07:29,270 --> 00:07:26,280

no idea how to dress for a Bigfoot

170

00:07:31,189 --> 00:07:29,280

Conference zero do I wear heels do I

171

00:07:33,290 --> 00:07:31,199

wear a wedge I didn't do I need a

172

00:07:35,510 --> 00:07:33,300

cocktail dress or like the VIP dinner

173

00:07:38,029 --> 00:07:35,520

event you know like I just didn't know

174

00:07:40,010 --> 00:07:38,039

do I try to wear furry feet you know

175

00:07:42,710 --> 00:07:40,020

there's like people in like flannel

176

00:07:45,710 --> 00:07:42,720

shirts and you know holy jeans at the

177

00:07:48,350 --> 00:07:45,720

VIP event so we were we probably stuck

178

00:07:49,850 --> 00:07:48,360

out a little bit because we we needed to

179

00:07:52,370 --> 00:07:49,860

basically go to like shopping at

180

00:07:56,270 --> 00:07:52,380

Columbia and like and that's pretty much

181

00:07:58,490 --> 00:07:56,280

the attire everybody is uh very like

182

00:08:00,890 --> 00:07:58,500

hiking outdoorsy kind of dress so that's

183

00:08:02,930 --> 00:08:00,900

probably why we stuck out so Nathan

184

00:08:04,969 --> 00:08:02,940

write that down it's not uh it's not

185

00:08:08,029 --> 00:08:04,979

Eddie Bauer it's Columbia Sports maybe

186

00:08:11,870 --> 00:08:10,790

um we have an REI not that far away it's

187

00:08:14,570 --> 00:08:11,880

like an hour and a half away but

188

00:08:16,969 --> 00:08:14,580

Columbia for us is like the closest I

189

00:08:18,529 --> 00:08:16,979

love Columbia Sportsman I have one I

190

00:08:20,450 --> 00:08:18,539

have one one follow-up though that I

191

00:08:21,950 --> 00:08:20,460

want to ask I think this is a it's a

192

00:08:23,689 --> 00:08:21,960

general question but I want to ask you

193

00:08:25,309 --> 00:08:23,699

this Dana and

194

00:08:27,710 --> 00:08:25,319

the reason I want you to think about

195

00:08:29,809 --> 00:08:27,720

this of all these different phenomena

196

00:08:32,269 --> 00:08:29,819

you know we we they're UFOs they're

197

00:08:34,370 --> 00:08:32,279

Cryptids there are there's the ghost

198

00:08:35,510 --> 00:08:34,380

Community they're very closely related

199

00:08:37,969 --> 00:08:35,520

with us

200

00:08:40,550 --> 00:08:37,979

and then of course there's Bigfoot which

201

00:08:42,290 --> 00:08:40,560

I think it's kind of its own its own

202

00:08:44,389 --> 00:08:42,300

subset of Cryptids I don't think of

203

00:08:46,370 --> 00:08:44,399

Bigfoot Community as corrupted Community

204

00:08:48,050 --> 00:08:46,380

I think they're kind of like two

205

00:08:52,490 --> 00:08:48,060

separate communities that are that can

206

00:08:54,889 --> 00:08:52,500

join what is it about Bigfoot that

207

00:08:56,870 --> 00:08:54,899

resonated with you that you said I was

208

00:08:59,329 --> 00:08:56,880

into it what is it about this creature

209

00:09:00,590 --> 00:08:59,339

that draws you in

210

00:09:02,150 --> 00:09:00,600

that's a good question that is a good

211

00:09:04,810 --> 00:09:02,160

question we need to remember this to

212

00:09:07,009 --> 00:09:04,820

write it down for our podcast

213

00:09:10,610 --> 00:09:07,019

we'll bring DJ in to ask that one

214

00:09:12,470 --> 00:09:10,620

question that was really good

215

00:09:13,910 --> 00:09:12,480

but that is a great question

216

00:09:16,370 --> 00:09:13,920

do you think

217

00:09:17,870 --> 00:09:16,380

that resonates so much with me

218

00:09:19,790 --> 00:09:17,880

um because I you know obviously I have

219

00:09:22,490 --> 00:09:19,800

pretty open mind but I'm definitely not

220

00:09:23,870 --> 00:09:22,500

like a like a tinfoil Hat wear and kind

221

00:09:25,610 --> 00:09:23,880

of you know

222

00:09:27,230 --> 00:09:25,620

I'm sorry if any of you guys hey wait

223

00:09:29,750 --> 00:09:27,240

Tim flow hat can mean lots of things

224

00:09:32,750 --> 00:09:29,760

right no I'm like I'm cool with the with

225

00:09:35,030 --> 00:09:32,760

the UFO situation but back to Bigfoot

226

00:09:37,190 --> 00:09:35,040

you know what it is there's just so much

227

00:09:42,410 --> 00:09:37,200

evidence

228

00:09:45,710 --> 00:09:42,420

have is a foot like Footprints lots of

229

00:09:48,170 --> 00:09:45,720

footprints who podiatrists couldn't even

230

00:09:51,350 --> 00:09:48,180

fake you know you you have somebody like

231

00:09:54,590 --> 00:09:51,360

like Dr Jeff uh Meldrum who's you know

232

00:09:56,750 --> 00:09:54,600

uh uh who specializes in bipedal

233

00:09:59,870 --> 00:09:56,760

locomotion and the study of it and

234

00:10:02,690 --> 00:09:59,880

anthropology so I mean they're not fake

235

00:10:04,250 --> 00:10:02,700

okay so like if you're in your if you go

236

00:10:05,870 --> 00:10:04,260

for a walk in your backyard and you see

237

00:10:07,850 --> 00:10:05,880

like a bear print

238

00:10:10,430 --> 00:10:07,860

you're gonna be like oh my God there's a

239

00:10:11,930 --> 00:10:10,440

bear here I never saw a bear I never

240

00:10:14,630 --> 00:10:11,940

heard of bear but I know there's a bear

241

00:10:16,430 --> 00:10:14,640

because there's a footprint of a bear

242

00:10:19,130 --> 00:10:16,440

so why can't we just think like that

243

00:10:21,650 --> 00:10:19,140

with Bigfoot we have footprints that

244

00:10:23,389 --> 00:10:21,660

don't belong to any other animal right

245

00:10:26,210 --> 00:10:23,399

why can't we just say there's something

246

00:10:28,490 --> 00:10:26,220

there we don't know exactly everything

247

00:10:31,070 --> 00:10:28,500

about it but we can tell a lot by a

248

00:10:33,050 --> 00:10:31,080

footprint and you could tell how you

249

00:10:35,990 --> 00:10:33,060

know how it walks you can tell how much

250

00:10:37,430 --> 00:10:36,000

it weighs you know how tall it is more

251
00:10:39,590 --> 00:10:37,440
or less

252
00:10:42,290 --> 00:10:39,600
um so that for me that's what really

253
00:10:44,150 --> 00:10:42,300
does it for me are the football we'll

254
00:10:44,990 --> 00:10:44,160
sir we'll Circle back to this because it

255
00:10:46,730 --> 00:10:45,000
actually

256
00:10:48,290 --> 00:10:46,740
because I'm gonna I gotta turn this over

257
00:10:50,090 --> 00:10:48,300
to Nathan and we got to get Deb so we

258
00:10:52,850 --> 00:10:50,100
got to get mad in so I can't hog up

259
00:10:54,410 --> 00:10:52,860
anymore of this but it it it's even

260
00:10:55,970 --> 00:10:54,420
before that it's even before the

261
00:10:58,009 --> 00:10:55,980
evidence there's something about this

262
00:11:00,170 --> 00:10:58,019
creature that Drew you in even before

263
00:11:02,329 --> 00:11:00,180

okay you're right oh you are so sorry

264

00:11:04,009 --> 00:11:02,339

that's okay though but let's we'll

265

00:11:05,930 --> 00:11:04,019

continue we'll Circle back we got time

266

00:11:07,850 --> 00:11:05,940

but let me get let me get the money man

267

00:11:09,190 --> 00:11:07,860

in here because he knows how to ask some

268

00:11:13,190 --> 00:11:09,200

questions

269

00:11:14,870 --> 00:11:13,200

he didn't show up to class I just

270

00:11:16,910 --> 00:11:14,880

skipped that one yeah well I'm actually

271

00:11:19,970 --> 00:11:16,920

gonna I'm gonna piggyback on your

272

00:11:22,329 --> 00:11:19,980

question DJ because I I would like your

273

00:11:24,829 --> 00:11:22,339

perspective having gone to these

274

00:11:26,509 --> 00:11:24,839

conferences and met so many of these

275

00:11:27,470 --> 00:11:26,519

folks who've had experiences who are

276

00:11:29,690 --> 00:11:27,480

doing the research doing the

277

00:11:31,610 --> 00:11:29,700

investigations what is it about the the

278

00:11:33,530 --> 00:11:31,620

personalities of these individuals that

279

00:11:35,509 --> 00:11:33,540

that stands out to you because I mean

280

00:11:37,610 --> 00:11:35,519

just like with UFO folks there doesn't

281

00:11:39,170 --> 00:11:37,620

seem to be a Common Thread and I was I

282

00:11:42,230 --> 00:11:39,180

would bet it's probably true in your

283

00:11:43,550 --> 00:11:42,240

community as well but uh is there

284

00:11:45,829 --> 00:11:43,560

anything that you you could say is

285

00:11:47,569 --> 00:11:45,839

common about their is it open this is it

286

00:11:49,130 --> 00:11:47,579

their curiosity like what what is it

287

00:11:50,930 --> 00:11:49,140

that uh that brings these folks together

288

00:11:52,910 --> 00:11:50,940

I mean I can jump in I guess yeah and

289

00:11:54,590 --> 00:11:52,920

Nathan I'll say we're going to open this

290

00:11:56,509 --> 00:11:54,600

up this is our community anything

291

00:11:57,670 --> 00:11:56,519

unexplained should be a woman in the

292

00:12:01,430 --> 00:11:57,680

community that's what we that's how

293

00:12:03,110 --> 00:12:01,440

perfect answer um you know I I think uh

294

00:12:04,730 --> 00:12:03,120

and Matt obviously Matt can attest to

295

00:12:06,290 --> 00:12:04,740

this probably better than any of us here

296

00:12:06,910 --> 00:12:06,300

on the call

297

00:12:11,930 --> 00:12:06,920

um

298

00:12:13,970 --> 00:12:11,940

we I think probably 60 no not about 60

299

00:12:15,590 --> 00:12:13,980

but at least half the people had an

300

00:12:19,130 --> 00:12:15,600

experience and then it got them into it

301

00:12:22,130 --> 00:12:19,140

and then the other half uh I think they

302

00:12:23,930 --> 00:12:22,140

they got hooked on watching it on TV or

303

00:12:25,490 --> 00:12:23,940

is start you know back when they watched

304

00:12:27,949 --> 00:12:25,500

in search of as a kid and something

305

00:12:29,389 --> 00:12:27,959

piqued your curiosity or we hear a lot a

306

00:12:31,610 --> 00:12:29,399

lot of the folks I interviewed for the

307

00:12:34,190 --> 00:12:31,620

book said it was

308

00:12:35,930 --> 00:12:34,200

um the you know the The Legend Boggy

309

00:12:38,449 --> 00:12:35,940

Creek movie they saw it in the drive-in

310

00:12:41,750 --> 00:12:38,459

theater and and it got him fascinated

311

00:12:43,730 --> 00:12:41,760

and I I think for me I think that's what

312

00:12:46,009 --> 00:12:43,740

I see would be the Common Thread would

313

00:12:47,690 --> 00:12:46,019

be I experience is that what you wanted

314

00:12:51,050 --> 00:12:47,700

Nathan is that what you're looking for

315

00:12:53,030 --> 00:12:51,060

because I I got the impression that was

316

00:12:55,629 --> 00:12:53,040

that personality type no it was like

317

00:12:58,850 --> 00:12:55,639

like I would say

318

00:13:02,690 --> 00:12:58,860

95 of the people there

319

00:13:06,850 --> 00:13:02,700

are Outdoors people there are people who

320

00:13:11,389 --> 00:13:06,860

are loved hiking love fishing hunting

321

00:13:13,670 --> 00:13:11,399

farming and obviously having those types

322

00:13:17,150 --> 00:13:13,680

of hobbies is probably what led them to

323

00:13:18,590 --> 00:13:17,160

either have a sighting or a sound or

324

00:13:20,690 --> 00:13:18,600

something or just to make them curious

325

00:13:23,150 --> 00:13:20,700

about nature in general

326

00:13:25,610 --> 00:13:23,160

um but I would definitely say 95 of the

327

00:13:27,290 --> 00:13:25,620

people like we love hiking

328

00:13:29,889 --> 00:13:27,300

um and even if it was a roadside

329

00:13:32,509 --> 00:13:29,899

Crossing which are 50 of the sightings

330

00:13:33,829 --> 00:13:32,519

those are still in rural areas so if you

331

00:13:35,329 --> 00:13:33,839

you see a roadside Crossing you're

332

00:13:37,250 --> 00:13:35,339

you're probably an outdoors person

333

00:13:38,690 --> 00:13:37,260

because you're there for a reason so the

334

00:13:41,930 --> 00:13:38,700

huge thing I think they all have in

335

00:13:43,970 --> 00:13:41,940

common is they are Outdoors people

336

00:13:46,310 --> 00:13:43,980

and that's so rare today right I mean

337

00:13:48,350 --> 00:13:46,320

we're spending so much time inside so

338

00:13:51,050 --> 00:13:48,360

for folks who are willingly getting out

339

00:13:54,110 --> 00:13:51,060

there getting into nature uh that's

340

00:13:55,250 --> 00:13:54,120

becoming a rare and rarer thing today so

341

00:13:57,769 --> 00:13:55,260

that's uh that's great that's a great

342

00:13:59,629 --> 00:13:57,779

answer I love that

343

00:14:02,990 --> 00:13:59,639

and if you hadn't noticed there's a

344

00:14:04,670 --> 00:14:03,000

campfire going right underneath Dana is

345

00:14:09,230 --> 00:14:04,680

there where is it oh my god look you

346

00:14:13,730 --> 00:14:11,509

and if your boots and stuff all right

347

00:14:15,230 --> 00:14:13,740

Debs go ahead my friend yeah I was

348

00:14:17,210 --> 00:14:15,240

hoping that maybe you could tell us a

349

00:14:20,569 --> 00:14:17,220

little bit more about the book that you

350

00:14:22,490 --> 00:14:20,579

you um put together and maybe some of

351

00:14:26,090 --> 00:14:22,500

the theories that were in that book that

352

00:14:28,490 --> 00:14:26,100

might draw people in interest wise yeah

353

00:14:29,870 --> 00:14:28,500

and guys let's just for the record Tim

354

00:14:32,690 --> 00:14:29,880

wrote the book

355

00:14:36,829 --> 00:14:32,700

I'm not the author of the book I'm just

356

00:14:39,530 --> 00:14:36,839

like the the inspiration and she yes and

357

00:14:41,449 --> 00:14:39,540

the podcaster with him but he wrote the

358

00:14:43,550 --> 00:14:41,459

book all on his own so I know but she

359

00:14:45,889 --> 00:14:43,560

she inspired me so it's we're a team

360

00:14:48,710 --> 00:14:45,899

we're still safe

361

00:14:52,069 --> 00:14:48,720

so uh I mean Deb we could talk so much

362

00:14:53,449 --> 00:14:52,079

about uh so let's start with

363

00:14:55,730 --> 00:14:53,459

um

364

00:14:57,290 --> 00:14:55,740

I guess you you want to start with the

365

00:14:58,370 --> 00:14:57,300

theories of the people in the book or do

366

00:14:59,629 --> 00:14:58,380

you want to start with how we came up

367

00:15:00,710 --> 00:14:59,639

with the book how I came up with the

368

00:15:03,590 --> 00:15:00,720

idea of the book

369

00:15:05,150 --> 00:15:03,600

well honestly as an outside Observer of

370

00:15:07,550 --> 00:15:05,160

someone who hasn't studied as much about

371

00:15:09,470 --> 00:15:07,560

Bigfoot everything is interesting very

372

00:15:12,110 --> 00:15:09,480

like so we just don't know about the big

373

00:15:14,509 --> 00:15:12,120

people we don't know like who Dr Jeff is

374

00:15:16,610 --> 00:15:14,519

to everybody you know things like that

375

00:15:18,829 --> 00:15:16,620

um so anything you want to tell us I'm

376

00:15:20,269 --> 00:15:18,839

also just more interested in the

377

00:15:23,030 --> 00:15:20,279

theories that they might have talked

378

00:15:24,829 --> 00:15:23,040

about too so right and that's an amazing

379

00:15:27,590 --> 00:15:24,839

question which kind of leads right into

380

00:15:28,970 --> 00:15:27,600

why I wrote the book so you know after a

381

00:15:31,670 --> 00:15:28,980

few years

382

00:15:33,170 --> 00:15:31,680

um we got to we just became kind of we

383

00:15:35,090 --> 00:15:33,180

became friends with a lot of these

384

00:15:37,430 --> 00:15:35,100

people and and

385

00:15:39,590 --> 00:15:37,440

um we were at we came back from a

386

00:15:41,449 --> 00:15:39,600

conference once and I I started

387

00:15:43,069 --> 00:15:41,459

listening to podcasts and we obviously

388

00:15:46,189 --> 00:15:43,079

we you know we could start watching more

389

00:15:47,930 --> 00:15:46,199

more documentaries and things on TV and

390

00:15:49,910 --> 00:15:47,940

wherever we could grab it listen to

391

00:15:52,069 --> 00:15:49,920

match I mean uh Matt started listening

392

00:15:55,009 --> 00:15:52,079

to Matt's podcast every single week you

393

00:15:56,509 --> 00:15:55,019

know which is it's it's a no-brainer

394

00:15:58,129 --> 00:15:56,519

there Bigfoot Crossroads for everyone

395

00:16:00,590 --> 00:15:58,139

who doesn't know that

396

00:16:01,310 --> 00:16:00,600

um kind of good amen and

397

00:16:04,189 --> 00:16:01,320

um

398

00:16:06,230 --> 00:16:04,199

one day I just had this idea Deb I said

399

00:16:08,210 --> 00:16:06,240

I was first now I wasn't frustrated but

400

00:16:09,710 --> 00:16:08,220

as a quest I I would hear somebody on a

401
00:16:11,990 --> 00:16:09,720
podcast

402
00:16:14,449 --> 00:16:12,000
and I said who is that I had no idea who

403
00:16:15,889 --> 00:16:14,459
it was and and and then I said how come

404
00:16:18,230 --> 00:16:15,899
I don't know who this person is how

405
00:16:20,269 --> 00:16:18,240
would I get ramped up to really figure

406
00:16:21,769 --> 00:16:20,279
out who all these people are just like

407
00:16:24,050 --> 00:16:21,779
the question you just asked who's Dr

408
00:16:25,550 --> 00:16:24,060
Jeff obviously there's a few that I got

409
00:16:28,370 --> 00:16:25,560
to know but

410
00:16:29,990 --> 00:16:28,380
um so I said wouldn't it be great to

411
00:16:32,689 --> 00:16:30,000
start of course I couldn't get it all in

412
00:16:34,910 --> 00:16:32,699
one book but have a book where anyone if

413
00:16:36,769 --> 00:16:34,920

you're new into this subject if you're

414

00:16:40,210 --> 00:16:36,779

just interested or if you're seasoned

415

00:16:43,430 --> 00:16:40,220

and and want to learn about who's doing

416

00:16:44,870 --> 00:16:43,440

the research or who's in that's where

417

00:16:47,629 --> 00:16:44,880

the title is who's influencing the

418

00:16:49,850 --> 00:16:47,639

subject uh so it opens up not just to

419

00:16:50,990 --> 00:16:49,860

people doing research it could be you

420

00:16:53,389 --> 00:16:51,000

know however you're influencing the

421

00:16:55,310 --> 00:16:53,399

subject whether you're a TV host or a

422

00:16:58,430 --> 00:16:55,320

guy like Les Stroud survivor man who's

423

00:16:59,870 --> 00:16:58,440

who we interviewed for the book and

424

00:17:01,670 --> 00:16:59,880

um so that's going to interview them on

425

00:17:04,010 --> 00:17:01,680

the podcast too which is really cool

426

00:17:05,630 --> 00:17:04,020

yeah yeah so so that's how it started

427

00:17:08,929 --> 00:17:05,640

and that's how we came up with the idea

428

00:17:10,789 --> 00:17:08,939

and we can later talk about you know the

429

00:17:12,890 --> 00:17:10,799

title and that experience how we got it

430

00:17:13,549 --> 00:17:12,900

going but I think

431

00:17:16,490 --> 00:17:13,559

um

432

00:17:18,169 --> 00:17:16,500

Theory so you know the concept of the

433

00:17:21,350 --> 00:17:18,179

book Deb was

434

00:17:24,110 --> 00:17:21,360

um I I asked to interview starbook so

435

00:17:25,970 --> 00:17:24,120

every chapter is an individual and then

436

00:17:29,270 --> 00:17:25,980

I've got a ton of other stuff Blended in

437

00:17:32,870 --> 00:17:29,280

uh the the publisher and and actually

438

00:17:35,870 --> 00:17:32,880

the uh creative art of the book and also

439

00:17:37,190 --> 00:17:35,880

he's in the book is uh Doug hi check and

440

00:17:38,630 --> 00:17:37,200

for the audience who may not know who

441

00:17:40,970 --> 00:17:38,640

Doug hichek is

442

00:17:43,430 --> 00:17:40,980

he's uh well he's a producer of

443

00:17:45,830 --> 00:17:43,440

MonsterQuest uh he's also the producer

444

00:17:48,350 --> 00:17:45,840

of the documentary Sasquatch Legend me

445

00:17:50,990 --> 00:17:48,360

science uh he's producer of mysterious

446

00:17:52,909 --> 00:17:51,000

encounters uh and that's just a few

447

00:17:55,669 --> 00:17:52,919

things I mean he's got a resume that's

448

00:17:57,529 --> 00:17:55,679

insane in in the in the movie in the in

449

00:17:59,450 --> 00:17:57,539

the production I mean he's the study uh

450

00:18:01,549 --> 00:17:59,460

and film wildlife animals

451
00:18:05,750 --> 00:18:01,559
he's a hunting guide from Minnesota too

452
00:18:07,549 --> 00:18:05,760
so very very experienced Outdoorsman

453
00:18:09,590 --> 00:18:07,559
so I think so Deb you wanted to know

454
00:18:11,390 --> 00:18:09,600
like the question you asked him was the

455
00:18:13,370 --> 00:18:11,400
theories what are the theories the

456
00:18:17,150 --> 00:18:13,380
general theories of some of the people

457
00:18:19,549 --> 00:18:17,160
that you interviewed of the existence of

458
00:18:21,650 --> 00:18:19,559
Bigfoot was that your question Deb

459
00:18:24,350 --> 00:18:21,660
yeah that's the part that I found most

460
00:18:26,690 --> 00:18:24,360
intriguing reading about the book yeah I

461
00:18:27,730 --> 00:18:26,700
would like so but I know it's a long

462
00:18:31,130 --> 00:18:27,740
answer

463
00:18:33,470 --> 00:18:31,140

well I know well but I kind of want and

464

00:18:36,049 --> 00:18:33,480

I'm sorry Deb it's it's I get a little

465

00:18:37,930 --> 00:18:36,059

passionate about it I was uh

466

00:18:41,029 --> 00:18:37,940

I was trying to

467

00:18:43,190 --> 00:18:41,039

through that process I I had a list of

468

00:18:44,930 --> 00:18:43,200

questions I asked everybody and some of

469

00:18:46,970 --> 00:18:44,940

them everyone got some of the same

470

00:18:48,529 --> 00:18:46,980

questions and that where it comes to

471

00:18:50,690 --> 00:18:48,539

theories come in and one of the

472

00:18:52,490 --> 00:18:50,700

questions I asked to everybody I think

473

00:18:54,830 --> 00:18:52,500

everybody and some of the questions were

474

00:18:57,350 --> 00:18:54,840

related to that person's background uh

475

00:18:58,730 --> 00:18:57,360

was you know what do they think if

476

00:19:01,250 --> 00:18:58,740

what's their theory on what they think

477

00:19:03,049 --> 00:19:01,260

Bigfoot are so you'll see in my first

478

00:19:07,070 --> 00:19:03,059

book because there's going to be volume

479

00:19:10,370 --> 00:19:07,080

two you're probably gonna see

480

00:19:12,590 --> 00:19:10,380

um what we'll say most of what they call

481

00:19:14,150 --> 00:19:12,600

Flesh and Blood uh

482

00:19:16,970 --> 00:19:14,160

um but that doesn't mean where they're

483

00:19:19,070 --> 00:19:16,980

from but most of the folks I have in the

484

00:19:21,110 --> 00:19:19,080

book are are Flesh and Blood although

485

00:19:23,270 --> 00:19:21,120

there's I didn't want to totally do that

486

00:19:25,430 --> 00:19:23,280

and it wasn't it wasn't by choice when

487

00:19:28,909 --> 00:19:25,440

you say Flesh and Blood it means by they

488

00:19:31,310 --> 00:19:28,919

think because of biology yeah like

489

00:19:32,810 --> 00:19:31,320

um some people believe that bigfoots are

490

00:19:35,630 --> 00:19:32,820

just biological

491

00:19:36,770 --> 00:19:35,640

and other people believe that there's

492

00:19:39,890 --> 00:19:36,780

something

493

00:19:42,590 --> 00:19:39,900

um uh more to them than that like some

494

00:19:45,169 --> 00:19:42,600

sort of unexplained phenomena that goes

495

00:19:47,270 --> 00:19:45,179

with them whether it be that they're

496

00:19:50,049 --> 00:19:47,280

they come from UFOs or they go into a

497

00:19:53,150 --> 00:19:50,059

different dimension or so

498

00:19:55,250 --> 00:19:53,160

we uh so you were talking about the

499

00:19:57,470 --> 00:19:55,260

general theory what is the common theory

500

00:20:00,350 --> 00:19:57,480

of well a lot of the influencers of what

501

00:20:02,330 --> 00:20:00,360

Bigfoot was of the of them sorry the

502

00:20:06,470 --> 00:20:02,340

ones in the book most of them think it's

503

00:20:09,650 --> 00:20:06,480

a biological creature uh on on you know

504

00:20:12,049 --> 00:20:09,660

unidentified or undiscovered uh primate

505

00:20:13,909 --> 00:20:12,059

uh could be gigantopithecus could be

506

00:20:16,190 --> 00:20:13,919

paranthropists could be some other type

507

00:20:17,930 --> 00:20:16,200

of clothes something closer to us that

508

00:20:20,630 --> 00:20:17,940

they don't know you know and then we had

509

00:20:22,010 --> 00:20:20,640

folks like Ron Moorhead and and who who

510

00:20:24,950 --> 00:20:22,020

believes that there was alien

511

00:20:27,110 --> 00:20:24,960

intervention uh maybe before we even

512

00:20:28,970 --> 00:20:27,120

came around and and there's something

513

00:20:30,830 --> 00:20:28,980

with the within there's an alien genome

514

00:20:32,630 --> 00:20:30,840

then there's something that connects us

515

00:20:34,610 --> 00:20:32,640

and and every everything that's going on

516

00:20:36,590 --> 00:20:34,620

there you know and we had other folks

517

00:20:38,630 --> 00:20:36,600

who still might think it's biological

518

00:20:41,029 --> 00:20:38,640

but they don't want to be close-minded

519

00:20:43,789 --> 00:20:41,039

to it because they've seen things you

520

00:20:48,289 --> 00:20:43,799

know whether the orbs or UFOs or uaps

521

00:20:49,730 --> 00:20:48,299

you know in the same areas so they you

522

00:20:52,010 --> 00:20:49,740

know they they don't want to be totally

523

00:20:54,890 --> 00:20:52,020

close-minded to it and others don't want

524

00:20:57,650 --> 00:20:54,900

to hear it so it had a kind of a a mix

525

00:21:01,490 --> 00:20:57,660

of of individuals in the book but I

526

00:21:03,590 --> 00:21:01,500

think probably 65 of them were 70

527

00:21:05,270 --> 00:21:03,600

percent of them I would say more you

528

00:21:07,370 --> 00:21:05,280

know biological or say they call them

529

00:21:10,250 --> 00:21:07,380

apers or whatever I would say like 80

530

00:21:13,070 --> 00:21:10,260

like it's Ron is a super cool dude he

531

00:21:15,230 --> 00:21:13,080

has the theory of uh you know what do

532

00:21:17,710 --> 00:21:15,240

they call it woo

533

00:21:20,750 --> 00:21:17,720

well it could be I mean I mean

534

00:21:23,090 --> 00:21:20,760

Wu is just something to attach a a

535

00:21:24,529 --> 00:21:23,100

certain uh oh if that person's woo that

536

00:21:26,870 --> 00:21:24,539

means they're into kind of the weird

537

00:21:29,870 --> 00:21:26,880

aspect of whatever phenomenon you're

538

00:21:32,330 --> 00:21:29,880

talking about but it can be used as to

539

00:21:34,130 --> 00:21:32,340

to sort of uh take away value from what

540

00:21:37,430 --> 00:21:34,140

that person's opinion is what I'll say

541

00:21:39,710 --> 00:21:37,440

is this if are there humans that are

542

00:21:42,950 --> 00:21:39,720

able to no kid and connect with Spirits

543

00:21:44,570 --> 00:21:42,960

connect with and like act as as a medium

544

00:21:46,850 --> 00:21:44,580

are there humans that are proven they

545

00:21:48,529 --> 00:21:46,860

can do these things sure so there's some

546

00:21:51,110 --> 00:21:48,539

humans that have these extraordinary

547

00:21:53,029 --> 00:21:51,120

abilities that perhaps I don't have or

548

00:21:54,649 --> 00:21:53,039

Nathan or Deb or Matt doesn't have or

549

00:22:01,390 --> 00:21:54,659

you guys don't have there are those

550

00:22:06,289 --> 00:22:04,250

that bigfoots some of them may have

551
00:22:10,010 --> 00:22:06,299
abilities that others don't have is that

552
00:22:12,830 --> 00:22:10,020
within the if we if if possibility is a

553
00:22:15,470 --> 00:22:12,840
gigantic cube is it possible it's

554
00:22:16,850 --> 00:22:15,480
possible that's that's the thing of

555
00:22:19,250 --> 00:22:16,860
course it's flesh and blood if people

556
00:22:21,770 --> 00:22:19,260
have found feces Matt has found tracks

557
00:22:23,510 --> 00:22:21,780
people have seen them smelled them some

558
00:22:25,789 --> 00:22:23,520
people have been physically struck by

559
00:22:27,590 --> 00:22:25,799
them right so so we know that it exists

560
00:22:29,990 --> 00:22:27,600
but does that mean that's the entire

561
00:22:31,909 --> 00:22:30,000
story the answer is we don't know I mean

562
00:22:34,490 --> 00:22:31,919
I I can't imagine there's somebody that

563
00:22:36,470 --> 00:22:34,500

knows so at least if we leave open the

564

00:22:38,390 --> 00:22:36,480

door just because there are humans that

565

00:22:40,490 --> 00:22:38,400

have abilities that we all don't have

566

00:22:42,649 --> 00:22:40,500

maybe it's within us but we're not able

567

00:22:45,169 --> 00:22:42,659

to cultivate it well maybe Bigfoot's the

568

00:22:46,909 --> 00:22:45,179

same so with that let's pass it over

569

00:22:48,350 --> 00:22:46,919

Matt Knapp and then we'll get to Julie's

570

00:22:51,590 --> 00:22:48,360

question for you Julie's in our chat

571

00:22:53,750 --> 00:22:51,600

hello Jewel of Indiana who had a Bigfoot

572

00:22:56,270 --> 00:22:53,760

sighting as a child in Indiana but

573

00:22:59,710 --> 00:22:56,280

anyway go ahead Matt sir oh geez I was

574

00:23:06,169 --> 00:23:02,330

sorry it's time to go to work oh geez

575

00:23:08,890 --> 00:23:06,179

okay uh first off congratulations on the

576

00:23:12,350 --> 00:23:08,900

success of the book

577

00:23:14,810 --> 00:23:12,360

I'm not mistaken you guys got a was it

578

00:23:17,810 --> 00:23:14,820

book of the year in the Bigfoot World

579

00:23:19,970 --> 00:23:17,820

um no well no well the from the

580

00:23:23,390 --> 00:23:19,980

international cryptozoology uh music

581

00:23:25,850 --> 00:23:23,400

museum or crypto's news the hominology

582

00:23:30,049 --> 00:23:25,860

book of the year and then

583

00:23:32,149 --> 00:23:30,059

um Steve calls and squash TV gave it the

584

00:23:34,610 --> 00:23:32,159

book of the year but so yeah it's great

585

00:23:36,350 --> 00:23:34,620

it's awesome thank you no big deal you

586

00:23:38,029 --> 00:23:36,360

know well it's you know it's a it's the

587

00:23:39,710 --> 00:23:38,039

book's really about everybody it's a

588

00:23:42,590 --> 00:23:39,720

unique book yeah it's really neat it is

589

00:23:44,630 --> 00:23:42,600

just like we were you know talking like

590

00:23:47,390 --> 00:23:44,640

um I think Deb mentioned that she didn't

591

00:23:49,250 --> 00:23:47,400

know who Dr Jeff Meldrum was or you know

592

00:23:52,250 --> 00:23:49,260

you know you might not know who Peter

593

00:23:53,810 --> 00:23:52,260

Byrne is or Laurel Lauren Coleman but if

594

00:23:55,850 --> 00:23:53,820

you start to get interested in the

595

00:23:58,549 --> 00:23:55,860

Bigfoot world and you go to conferences

596

00:24:00,710 --> 00:23:58,559

or you see a documentary you've you got

597

00:24:02,450 --> 00:24:00,720

like a you know like a like a chapter on

598

00:24:03,770 --> 00:24:02,460

that person and so now you know who they

599

00:24:08,149 --> 00:24:03,780

are

600

00:24:10,850 --> 00:24:08,159

how did you guys uh choose uh who you

601
00:24:12,470 --> 00:24:10,860
were going to feature in the book

602
00:24:16,370 --> 00:24:12,480
that's a good question yeah that was

603
00:24:18,830 --> 00:24:16,380
yeah so you know for the most part I I

604
00:24:21,730 --> 00:24:18,840
pirated names from from like you like to

605
00:24:24,950 --> 00:24:21,740
listen to your podcast or something

606
00:24:27,049 --> 00:24:24,960
I would hear I would hear him and and or

607
00:24:28,970 --> 00:24:27,059
you know on on or we'd see him on TV so

608
00:24:32,270 --> 00:24:28,980
you you obviously you can come up with a

609
00:24:34,909 --> 00:24:32,280
your generic list right and um you know

610
00:24:36,529 --> 00:24:34,919
there's there's some I asked you know I

611
00:24:38,149 --> 00:24:36,539
I would ask a couple other people that I

612
00:24:39,830 --> 00:24:38,159
knew are good at Doug hi check or Matt

613
00:24:41,510 --> 00:24:39,840

Pro to say Hey you know just get their

614

00:24:44,270 --> 00:24:41,520

idea they obviously it's my book I can

615

00:24:46,310 --> 00:24:44,280

put uh whoever I want it in there and

616

00:24:48,470 --> 00:24:46,320

then it was almost like Dialing for

617

00:24:51,350 --> 00:24:48,480

Dollars uh I hate to say that because I

618

00:24:54,049 --> 00:24:51,360

I've got I had about 90 or so people

619

00:24:55,789 --> 00:24:54,059

listed and now there's more so it was

620

00:24:57,110 --> 00:24:55,799

really who who I could get I mean

621

00:24:58,490 --> 00:24:57,120

obviously I had a few that I said had

622

00:25:01,010 --> 00:24:58,500

you know I had to find a way to get Dr

623

00:25:03,710 --> 00:25:01,020

Jeff Meldrum in the book and and Peter

624

00:25:05,270 --> 00:25:03,720

Byrne who's 97 years old uh that was

625

00:25:06,409 --> 00:25:05,280

that was pretty important for me to get

626

00:25:08,750 --> 00:25:06,419

him in the book

627

00:25:10,789 --> 00:25:08,760

um and he's still doing great uh but I

628

00:25:12,470 --> 00:25:10,799

thought that was I guess he was 96

629

00:25:13,850 --> 00:25:12,480

probably when I talked to him

630

00:25:15,529 --> 00:25:13,860

um so then I just kind of went down the

631

00:25:17,450 --> 00:25:15,539

list and whoever could get a hold of I

632

00:25:20,930 --> 00:25:17,460

got we got some of those

633

00:25:22,850 --> 00:25:20,940

um that just scheduling didn't match up

634

00:25:25,490 --> 00:25:22,860

um and then others you know I think I

635

00:25:27,110 --> 00:25:25,500

only had one person that uh that did not

636

00:25:28,610 --> 00:25:27,120

want to be in the book

637

00:25:30,289 --> 00:25:28,620

um and that's because they they did not

638

00:25:32,990 --> 00:25:30,299

want to be involved in a subject anymore

639

00:25:35,210 --> 00:25:33,000

so a 100 respect of that had a lifelong

640

00:25:37,310 --> 00:25:35,220

conversation with that person and

641

00:25:38,870 --> 00:25:37,320

um and you know that was interesting so

642

00:25:41,450 --> 00:25:38,880

so yeah that's kind of how it was Matt I

643

00:25:43,490 --> 00:25:41,460

just kind of went down the list and now

644

00:25:45,710 --> 00:25:43,500

you know and then I you know I already

645

00:25:47,390 --> 00:25:45,720

have enough for a couple more books from

646

00:25:49,430 --> 00:25:47,400

the first list so I'm just kind of

647

00:25:51,950 --> 00:25:49,440

working through that now who stood out

648

00:25:53,390 --> 00:25:51,960

like the most to you would you say out

649

00:25:56,269 --> 00:25:53,400

of everybody that you talked to and

650

00:26:00,350 --> 00:25:56,279

interviewed that had maybe uh

651
00:26:03,010 --> 00:26:00,360
the most uh influential uh watch on the

652
00:26:05,390 --> 00:26:03,020
subject for you personally

653
00:26:06,710 --> 00:26:05,400
yeah that's so tough because I've been

654
00:26:08,630 --> 00:26:06,720
asked that question before and and

655
00:26:09,890 --> 00:26:08,640
sometimes even like when Dana and I do

656
00:26:11,510 --> 00:26:09,900
the podcast

657
00:26:14,450 --> 00:26:11,520
it changes every week yeah because we're

658
00:26:17,149 --> 00:26:14,460
like oh my God he was so cool or she was

659
00:26:18,470 --> 00:26:17,159
so awesome and you know then you know

660
00:26:30,850 --> 00:26:18,480
then you're like oh my God we're never

661
00:26:37,549 --> 00:26:34,669
it was definitely Ron Moorhead yeah

662
00:26:40,970 --> 00:26:37,559
so he's which was because I'm definitely

663
00:26:43,850 --> 00:26:40,980

like um you know like uh like when it

664

00:26:46,490 --> 00:26:43,860

comes to Bigfoot I really believe that

665

00:26:49,250 --> 00:26:46,500

um that it's just biological

666

00:26:50,269 --> 00:26:49,260

um but you know Ron opened my mind a

667

00:26:53,390 --> 00:26:50,279

little bit

668

00:26:57,649 --> 00:26:53,400

and he's just a really cool dude

669

00:26:58,430 --> 00:26:57,659

like like super spiritual super

670

00:27:02,870 --> 00:26:58,440

um

671

00:27:04,909 --> 00:27:02,880

kind full of love kind of like was I was

672

00:27:06,950 --> 00:27:04,919

really impressed with Ron Moorhead yeah

673

00:27:08,750 --> 00:27:06,960

and it there's so many I I can't pick

674

00:27:10,250 --> 00:27:08,760

one I wish I could that sounds like so

675

00:27:12,890 --> 00:27:10,260

political right now that oh I'm playing

676

00:27:14,870 --> 00:27:12,900

the middle I'm not gonna pick one but I

677

00:27:17,450 --> 00:27:14,880

remember but you know what some some one

678

00:27:21,769 --> 00:27:17,460

that kind of didn't surprise me

679

00:27:24,950 --> 00:27:21,779

um Diane uh stalking which is not um she

680

00:27:27,649 --> 00:27:24,960

because she's on the outside you know

681

00:27:29,870 --> 00:27:27,659

she's kind of a tough tough woman if if

682

00:27:33,409 --> 00:27:29,880

you don't know her and and that's great

683

00:27:35,450 --> 00:27:33,419

I love it and I wasn't sure uh you know

684

00:27:37,250 --> 00:27:35,460

and I thought I was that I was timid

685

00:27:38,870 --> 00:27:37,260

about interviewing when I did the book I

686

00:27:41,690 --> 00:27:38,880

just didn't know know how it was gonna

687

00:27:44,390 --> 00:27:41,700

go and she's the best she is the best it

688

00:27:47,090 --> 00:27:44,400

was so fun yeah and I was just we just

689

00:27:49,789 --> 00:27:47,100

had a blast yeah it was cool and and we

690

00:27:52,370 --> 00:27:49,799

every single interview I had a different

691

00:27:53,810 --> 00:27:52,380

Dynamic and uh just had a bunch of fun

692

00:27:56,029 --> 00:27:53,820

interviewing everybody there's a couple

693

00:27:57,710 --> 00:27:56,039

that a lot of fun there's a gentleman by

694

00:28:00,710 --> 00:27:57,720

the name of Tom Shay in Kentucky and

695

00:28:02,750 --> 00:28:00,720

Thomas this is great but he's

696

00:28:04,909 --> 00:28:02,760

he was he sometimes and I told him this

697

00:28:06,890 --> 00:28:04,919

I joke with Thomas I said he's tough

698

00:28:08,930 --> 00:28:06,900

he's I don't you know I don't think he's

699

00:28:10,430 --> 00:28:08,940

camera shy because he's but he's totally

700

00:28:11,690 --> 00:28:10,440

different in person than when you get

701
00:28:12,750 --> 00:28:11,700
him on the phone oh my God he's like

702
00:28:15,890 --> 00:28:12,760
yeah

703
00:28:17,330 --> 00:28:15,900
[Laughter]

704
00:28:19,010 --> 00:28:17,340
um yeah there's a couple there's just a

705
00:28:20,810 --> 00:28:19,020
bunch so

706
00:28:23,090 --> 00:28:20,820
I'll tell you what uh Julie's question

707
00:28:25,310 --> 00:28:23,100
was basically that what Matt just asked

708
00:28:28,010 --> 00:28:25,320
you so Jules will will get you in during

709
00:28:30,850 --> 00:28:28,020
the uh during the fireside chat portion

710
00:28:32,510 --> 00:28:30,860
which we about to launch into right now

711
00:28:36,710 --> 00:28:32,520
so

712
00:28:39,289 --> 00:28:36,720
um Nathan I guess I could start with one

713
00:28:41,450 --> 00:28:39,299

it's it's fairly General and then it's

714

00:28:42,950 --> 00:28:41,460

gonna go through Tim and Dana first and

715

00:28:45,649 --> 00:28:42,960

then it'll go down through Nathan Deb

716

00:28:48,049 --> 00:28:45,659

and Matt and then it'll just keep going

717

00:28:49,909 --> 00:28:48,059

in a circle unless you guys want to

718

00:28:51,850 --> 00:28:49,919

introduce your topic first we actually

719

00:28:54,169 --> 00:28:51,860

can we could do

720

00:28:55,370 --> 00:28:54,179

yeah okay because Dana doesn't know

721

00:28:58,210 --> 00:28:55,380

about this yet I don't know how to play

722

00:29:03,529 --> 00:29:01,250

if you have one topic that you would

723

00:29:05,630 --> 00:29:03,539

like us all to consider you would throw

724

00:29:08,630 --> 00:29:05,640

that topic on the table now I would

725

00:29:10,549 --> 00:29:08,640

answer it Nathan uh Debs and then Matt

726

00:29:12,409 --> 00:29:10,559

and then I and then it would be my turn

727

00:29:15,169 --> 00:29:12,419

and I would give a topic and everybody

728

00:29:18,289 --> 00:29:15,179

will will okay so you start you start

729

00:29:19,970 --> 00:29:18,299

okay okay all right so uh my question

730

00:29:23,389 --> 00:29:19,980

for you guys and this will kind of get

731

00:29:25,490 --> 00:29:23,399

to where we were it was what aspect of

732

00:29:28,310 --> 00:29:25,500

Bigfoot do you find the most intriguing

733

00:29:30,950 --> 00:29:28,320

yet has been the most difficult for you

734

00:29:33,049 --> 00:29:30,960

to believe and why

735

00:29:35,090 --> 00:29:33,059

and I'll start we'll start with you uh

736

00:29:37,850 --> 00:29:35,100

Tim and and Dana

737

00:29:41,090 --> 00:29:37,860

what was the question okay so the first

738

00:29:43,490 --> 00:29:41,100

part was which okay so which aspect of

739

00:29:44,870 --> 00:29:43,500
of Bigfoot do you find the most

740

00:29:47,450 --> 00:29:44,880
intriguing

741

00:29:48,649 --> 00:29:47,460
yet it was the most difficult for you to

742

00:29:51,350 --> 00:29:48,659
believe so in other words when someone

743

00:29:55,669 --> 00:29:51,360
told you hey we have a lot of evidence

744

00:30:00,409 --> 00:29:55,679
that Bigfoot is X or or does X or is

745

00:30:04,430 --> 00:30:00,419
capable of X and you're like wow man I

746

00:30:06,769 --> 00:30:04,440
that that freaks me out I got it so

747

00:30:08,750 --> 00:30:06,779
for me and and we're going right back to

748

00:30:12,049 --> 00:30:08,760
the Ron Moorhead uh interview that we

749

00:30:14,090 --> 00:30:12,059
did for him on our podcast Ron Moorhead

750

00:30:17,289 --> 00:30:14,100
has audio

751
00:30:19,909 --> 00:30:17,299
of Bigfoot chatter

752
00:30:22,190 --> 00:30:19,919
that by far because I would have never

753
00:30:23,990 --> 00:30:22,200
thought okay bigfoots had communicate

754
00:30:25,850 --> 00:30:24,000
verbally

755
00:30:27,889 --> 00:30:25,860
you know beyond you know like with words

756
00:30:29,930 --> 00:30:27,899
or a language you know obviously there's

757
00:30:32,870 --> 00:30:29,940
you know normal primate sounds

758
00:30:35,389 --> 00:30:32,880
and so when I heard the audio and looked

759
00:30:40,010 --> 00:30:35,399
into it more I was totally freaked out

760
00:30:42,769 --> 00:30:40,020
like I I speak fluent Italian

761
00:30:48,370 --> 00:30:42,779
um obviously so I'm bilingual hey right

762
00:30:52,730 --> 00:30:51,289
so anyway back to the story so let's not

763
00:30:55,549 --> 00:30:52,740

get lost in Italy because it's such a

764

00:30:56,750 --> 00:30:55,559

cool cool place but

765

00:30:59,750 --> 00:30:56,760

um

766

00:31:01,909 --> 00:30:59,760

and I also taught English as well

767

00:31:04,970 --> 00:31:01,919

um with living there which is good

768

00:31:08,269 --> 00:31:04,980

because that's my mother tongue right so

769

00:31:11,450 --> 00:31:08,279

um and you I could tell by listening to

770

00:31:13,250 --> 00:31:11,460

this chatter that it was a language just

771

00:31:14,750 --> 00:31:13,260

from teaching English to people of all

772

00:31:17,330 --> 00:31:14,760

different types of languages and knowing

773

00:31:19,669 --> 00:31:17,340

more or less how their languages work

774

00:31:22,610 --> 00:31:19,679

and also then having like I think some

775

00:31:25,370 --> 00:31:22,620

like an expert basically who was that

776

00:31:27,529 --> 00:31:25,380

Scott Nelson she's so good

777

00:31:29,090 --> 00:31:27,539

what did Scott Nelson do he's a crypto

778

00:31:31,909 --> 00:31:29,100

linguist and three years from the Navy

779

00:31:34,130 --> 00:31:31,919

right Navy yep and so those guys fly

780

00:31:36,049 --> 00:31:34,140

around they listen and they they listen

781

00:31:39,470 --> 00:31:36,059

to languages and they basically

782

00:31:42,049 --> 00:31:39,480

translate uh gather Intel that way so he

783

00:31:44,930 --> 00:31:42,059

knew that he confirmed that this was not

784

00:31:47,690 --> 00:31:44,940

uh some kind of mumbo-jumbo garble that

785

00:31:50,510 --> 00:31:47,700

somebody's faking it it actually has

786

00:31:53,090 --> 00:31:50,520

aspects to it patterns to it that

787

00:31:54,649 --> 00:31:53,100

represent a real language so yeah for me

788

00:31:56,570 --> 00:31:54,659

that was the

789

00:31:58,669 --> 00:31:56,580

that was that that answers what was the

790

00:32:00,230 --> 00:31:58,679

second part of the question that was it

791

00:32:01,789 --> 00:32:00,240

I mean you you answered it it's just

792

00:32:03,830 --> 00:32:01,799

something you you were you were

793

00:32:05,930 --> 00:32:03,840

surprised that they could actually have

794

00:32:07,610 --> 00:32:05,940

a language because that takes them from

795

00:32:09,590 --> 00:32:07,620

oh you know just like a gorilla just

796

00:32:11,810 --> 00:32:09,600

huffing and puffing around the zoo or

797

00:32:13,250 --> 00:32:11,820

around their natural habitat too they're

798

00:32:15,470 --> 00:32:13,260

actually communicating and maybe

799

00:32:17,570 --> 00:32:15,480

speaking about Ron and his group over

800

00:32:19,310 --> 00:32:17,580

there so Tim do you have do you have an

801
00:32:23,930 --> 00:32:19,320
answer for that real quick yeah I try to

802
00:32:24,769 --> 00:32:23,940
make mine a short and and don't be catty

803
00:32:27,529 --> 00:32:24,779
um

804
00:32:29,389 --> 00:32:27,539
uh you know it might sound weird but you

805
00:32:31,250 --> 00:32:29,399
know for me when I when you first when

806
00:32:33,049 --> 00:32:31,260
you you see the Patterson game on film

807
00:32:35,029 --> 00:32:33,059
the first time I go back to when I was a

808
00:32:36,950 --> 00:32:35,039
kid and you're like maybe when I was a

809
00:32:38,630 --> 00:32:36,960
kid I thought that was it was it was it

810
00:32:39,830 --> 00:32:38,640
but then later you know I just got older

811
00:32:41,570 --> 00:32:39,840
and looked at it before I was really in

812
00:32:43,850 --> 00:32:41,580
the subject you look at like

813
00:32:45,350 --> 00:32:43,860

that's just a person in the suit and

814

00:32:47,330 --> 00:32:45,360

that's that's the first thing that comes

815

00:32:49,730 --> 00:32:47,340

to your mind and then and there's still

816

00:32:51,769 --> 00:32:49,740

days I look at that and I'm not 100 all

817

00:32:54,169 --> 00:32:51,779

together any of us can never be 100 on

818

00:32:57,289 --> 00:32:54,179

that because we weren't there

819

00:32:59,090 --> 00:32:57,299

um and and then just but then listening

820

00:33:01,190 --> 00:32:59,100

and and listening to all the evidence

821

00:33:04,310 --> 00:33:01,200

that was collected around that and and

822

00:33:06,529 --> 00:33:04,320

having people like Bill muns and Dr Jeff

823

00:33:08,630 --> 00:33:06,539

Meldrum and and other folks who've

824

00:33:10,850 --> 00:33:08,640

who've I who've broken down that film

825

00:33:12,289 --> 00:33:10,860

and they show Muscle patterns and just

826

00:33:14,870 --> 00:33:12,299

different things that

827

00:33:17,450 --> 00:33:14,880

it's a head scratcher it really is and I

828

00:33:20,810 --> 00:33:17,460

and we we talked to a primatologist Dr

829

00:33:22,370 --> 00:33:20,820

Esteban sarmiento who's uh he's seen

830

00:33:24,409 --> 00:33:22,380

some weird things out there too but he's

831

00:33:26,330 --> 00:33:24,419

not he's he won't come out and say

832

00:33:27,889 --> 00:33:26,340

Bigfoot's uh biological creature or

833

00:33:29,750 --> 00:33:27,899

anything because until he sees one but

834

00:33:32,029 --> 00:33:29,760

he said there's enough he said there's

835

00:33:33,590 --> 00:33:32,039

enough in that film from his experience

836

00:33:35,630 --> 00:33:33,600

to

837

00:33:37,009 --> 00:33:35,640

not have an answer it's there's not

838

00:33:39,049 --> 00:33:37,019

enough to say it's real and there's not

839

00:33:40,009 --> 00:33:39,059

enough to say it's it's fake in his mind

840

00:33:42,110 --> 00:33:40,019

yeah and you guys know what the

841

00:33:44,750 --> 00:33:42,120

Patterson gimlin film is right oh my God

842

00:33:46,310 --> 00:33:44,760

yeah I'm from 1997. I just want to

843

00:33:47,810 --> 00:33:46,320

include all of your viewers because I

844

00:33:50,149 --> 00:33:47,820

know but it's important to know it's

845

00:33:52,430 --> 00:33:50,159

that old film from back in the day that

846

00:33:54,789 --> 00:33:52,440

that scientists are looking at it and

847

00:33:58,130 --> 00:33:54,799

reimaging it and being like

848

00:34:00,169 --> 00:33:58,140

this is not somebody in a costume

849

00:34:03,710 --> 00:34:00,179

yeah I don't want to put a percentage on

850

00:34:05,570 --> 00:34:03,720

it I would have to I would be far far

851
00:34:07,549 --> 00:34:05,580
less likely to get anyone to convince me

852
00:34:10,730 --> 00:34:07,559
that someone could put a suit on and do

853
00:34:13,550 --> 00:34:10,740
that in 1967 I just don't believe it so

854
00:34:15,710 --> 00:34:13,560
I don't want to put a percentage because

855
00:34:16,970 --> 00:34:15,720
I believe in God I haven't seen him

856
00:34:18,950 --> 00:34:16,980
you know what I mean I mean you believe

857
00:34:21,169 --> 00:34:18,960
in a lot of things that I believe that

858
00:34:22,970 --> 00:34:21,179
film is genuine and that's a you know

859
00:34:25,190 --> 00:34:22,980
the way that those guys Came Upon that

860
00:34:26,750 --> 00:34:25,200
the shock when he's falling off the you

861
00:34:28,070 --> 00:34:26,760
know falling off the horse and you know

862
00:34:30,290 --> 00:34:28,080
getting up and trying I mean it's

863
00:34:31,849 --> 00:34:30,300

exactly you know it's a genuine reaction

864

00:34:33,770 --> 00:34:31,859

and and then when you put all the other

865

00:34:36,349 --> 00:34:33,780

evidence together that they were two

866

00:34:39,169 --> 00:34:36,359

Cowboys from Yakima that came you know

867

00:34:40,909 --> 00:34:39,179

like this uh Tom Cantrell says came 600

868

00:34:42,290 --> 00:34:40,919

miles when they could have just gone in

869

00:34:44,149 --> 00:34:42,300

the woods in Washington probably found

870

00:34:46,129 --> 00:34:44,159

one if they would have known but anyway

871

00:34:48,169 --> 00:34:46,139

let's go to uh money Nathan with that

872

00:34:50,030 --> 00:34:48,179

question Nathan what's what is the most

873

00:34:53,990 --> 00:34:50,040

interesting thing the most difficult for

874

00:34:55,790 --> 00:34:54,000

you to believe and uh and and why yeah

875

00:34:58,490 --> 00:34:55,800

that's a good one uh you know I'm pretty

876

00:35:01,010 --> 00:34:58,500

open-minded to a lot of the uh aspects

877

00:35:02,930 --> 00:35:01,020

of Bigfoot the different theories

878

00:35:05,030 --> 00:35:02,940

um one that really intrigues me the most

879

00:35:06,950 --> 00:35:05,040

though is the sort of Mind speak aspect

880

00:35:08,089 --> 00:35:06,960

that some people report that they you

881

00:35:10,550 --> 00:35:08,099

know have

882

00:35:12,589 --> 00:35:10,560

seen a Bigfoot or or you know but then

883

00:35:14,450 --> 00:35:12,599

they're hearing things in their head uh

884

00:35:17,150 --> 00:35:14,460

and it seem to be associated with the

885

00:35:19,790 --> 00:35:17,160

encounter and so that's a big one for me

886

00:35:22,010 --> 00:35:19,800

I would definitely love to get your

887

00:35:23,630 --> 00:35:22,020

thoughts on that but um I don't know if

888

00:35:25,970 --> 00:35:23,640

I can go back to them or or I should

889

00:35:27,290 --> 00:35:25,980

pass it to oh do it however you want to

890

00:35:30,290 --> 00:35:27,300

do it yeah I would love to get your take

891

00:35:32,150 --> 00:35:30,300

on that from from what you've heard in

892

00:35:34,310 --> 00:35:32,160

regard to the Mind speak I mean we have

893

00:35:37,550 --> 00:35:34,320

one witness you know when we talk to

894

00:35:40,069 --> 00:35:37,560

Diane stocking yeah who is like

895

00:35:42,589 --> 00:35:40,079

um so she's a researcher and she's just

896

00:35:44,810 --> 00:35:42,599

like a she's like uh how do you describe

897

00:35:47,810 --> 00:35:44,820

Diane she's very direct very matter of

898

00:35:51,109 --> 00:35:47,820

fact pleasant person very pleasant but

899

00:35:53,750 --> 00:35:51,119

there's no like you know sweet you know

900

00:35:55,790 --> 00:35:53,760

sweeten than anything with her yes yeah

901
00:35:58,010 --> 00:35:55,800
so she

902
00:36:00,349 --> 00:35:58,020
and she does she also comes across to me

903
00:36:03,130 --> 00:36:00,359
as somebody doesn't get scared easily so

904
00:36:05,530 --> 00:36:03,140
she had her she was having an experience

905
00:36:08,030 --> 00:36:05,540
where she was hearing or hearing things

906
00:36:10,190 --> 00:36:08,040
she followed up on a witness a witness

907
00:36:11,870 --> 00:36:10,200
report and she went in the woods or one

908
00:36:13,670 --> 00:36:11,880
she wasn't even in the woods she wants

909
00:36:15,770 --> 00:36:13,680
to work go she went to the site where

910
00:36:18,829 --> 00:36:15,780
the the uh this incident they were

911
00:36:21,349 --> 00:36:18,839
teenagers and as she's walking there she

912
00:36:22,970 --> 00:36:21,359
could hear she got that feeling of dread

913
00:36:24,650 --> 00:36:22,980

and she could hear something says turn

914

00:36:26,690 --> 00:36:24,660

around and get the heck out of here so

915

00:36:29,569 --> 00:36:26,700

she wasn't it's not like somebody was

916

00:36:33,230 --> 00:36:29,579

speaking in her head but

917

00:36:35,089 --> 00:36:33,240

she did get a feeling of I need to not

918

00:36:37,250 --> 00:36:35,099

do this and we're talking about like a

919

00:36:40,370 --> 00:36:37,260

pretty brave lady

920

00:36:42,170 --> 00:36:40,380

um and you know serious researcher

921

00:36:44,329 --> 00:36:42,180

um so she's like I don't know why I

922

00:36:46,250 --> 00:36:44,339

turned around but I just did so if you

923

00:36:47,990 --> 00:36:46,260

want to include that in with mind speak

924

00:36:49,670 --> 00:36:48,000

I don't know it could be him for sound

925

00:36:52,730 --> 00:36:49,680

it could be you know who knows Rick

926

00:36:55,010 --> 00:36:52,740

Taylor uh Rick Taylor Les Stroud a

927

00:36:59,210 --> 00:36:55,020

couple of times Well many other people

928

00:37:01,310 --> 00:36:59,220

it's just the same thing yep for a

929

00:37:03,050 --> 00:37:01,320

researcher to say hey I don't believe

930

00:37:05,030 --> 00:37:03,060

that's a thing is like saying people

931

00:37:07,670 --> 00:37:05,040

saying hey there's no such thing as UFOs

932

00:37:10,670 --> 00:37:07,680

well guess what now we have 30 pages of

933

00:37:11,930 --> 00:37:10,680

legislation about studying UFOs but if I

934

00:37:17,050 --> 00:37:11,940

would ask you that three years ago

935

00:37:22,069 --> 00:37:18,829

what's that

936

00:37:24,170 --> 00:37:22,079

no the thing is we just you can't say

937

00:37:26,690 --> 00:37:24,180

it's not a thing you could say I haven't

938

00:37:27,770 --> 00:37:26,700

experienced it I haven't seen it it's

939

00:37:30,230 --> 00:37:27,780

possible

940

00:37:31,510 --> 00:37:30,240

Now Matt Mays has had I mean Matt's had

941

00:37:35,210 --> 00:37:31,520

some interesting things

942

00:37:38,290 --> 00:37:35,220

oh this map yeah so many mats in our

943

00:37:42,349 --> 00:37:40,310

sorry Matt

944

00:37:43,930 --> 00:37:42,359

very popular name in the Bigfoot World

945

00:37:47,810 --> 00:37:43,940

it is it is

946

00:37:50,810 --> 00:37:47,820

all right Deb's most interesting uh

947

00:37:53,390 --> 00:37:50,820

intriguing aspect about Bigfoot that you

948

00:37:55,490 --> 00:37:53,400

learn but most difficult to believe

949

00:37:57,589 --> 00:37:55,500

well I think for me I have a little bit

950

00:37:58,970 --> 00:37:57,599

of trouble with the portal dimensional

951
00:38:01,670 --> 00:37:58,980
thing

952
00:38:03,770 --> 00:38:01,680
um simply because I think that their

953
00:38:06,050 --> 00:38:03,780
flesh and Blood also

954
00:38:08,089 --> 00:38:06,060
um there's a lot of a lot of reasons to

955
00:38:10,250 --> 00:38:08,099
think that I even think you know the

956
00:38:12,490 --> 00:38:10,260
Mind speak works because it's infrasound

957
00:38:15,950 --> 00:38:12,500
that's what I think it's all like really

958
00:38:18,589 --> 00:38:15,960
explainable to me but the portal thing I

959
00:38:20,390 --> 00:38:18,599
kind of go towards like what Micah Hanks

960
00:38:25,930 --> 00:38:20,400
said about it that they just are really

961
00:38:30,290 --> 00:38:28,910
you know Well Ron Moorhead I'll go back

962
00:38:32,690 --> 00:38:30,300
around Morehead thinks it's quantum

963
00:38:34,609 --> 00:38:32,700

physics where it's energy you know and

964

00:38:36,710 --> 00:38:34,619

then others think they like there's some

965

00:38:39,349 --> 00:38:36,720

type of thing where they can you know

966

00:38:41,630 --> 00:38:39,359

camouflage themselves really well you

967

00:38:43,010 --> 00:38:41,640

know kind of like an octopus right or

968

00:38:45,710 --> 00:38:43,020

like the you know the Predator everyone

969

00:38:47,810 --> 00:38:45,720

always goes back to that but um which

970

00:38:49,190 --> 00:38:47,820

may be at the extreme but definitely

971

00:38:51,290 --> 00:38:49,200

interesting

972

00:38:53,150 --> 00:38:51,300

or them just living in their environment

973

00:38:55,609 --> 00:38:53,160

and becoming so at one with their

974

00:38:57,890 --> 00:38:55,619

environment that they know subtleties of

975

00:39:00,650 --> 00:38:57,900

how to hide especially hiding with

976

00:39:02,990 --> 00:39:00,660

motion uh not moving is what is the

977

00:39:05,390 --> 00:39:03,000

biggest thing uh I mean I was in the

978

00:39:07,730 --> 00:39:05,400

woods yesterday and I was like saying

979

00:39:10,849 --> 00:39:07,740

man I mean I can't see eight feet into

980

00:39:12,890 --> 00:39:10,859

the brush here in Northwest Florida so I

981

00:39:15,050 --> 00:39:12,900

don't know it's I think there may be

982

00:39:17,810 --> 00:39:15,060

multiple things at play to us you know

983

00:39:19,670 --> 00:39:17,820

I'm you know Leah asked me Leah Prime

984

00:39:21,770 --> 00:39:19,680

who's one of our cabbies asked me at the

985

00:39:24,290 --> 00:39:21,780

UFO conference whether I thought there

986

00:39:28,370 --> 00:39:24,300

was any aspect to Bigfoot which was not

987

00:39:30,710 --> 00:39:28,380

just simple biological humanoid slash

988

00:39:32,810 --> 00:39:30,720

half human half animal living in the

989

00:39:34,310 --> 00:39:32,820

woods I said well there's no evidence

990

00:39:37,010 --> 00:39:34,320

that we have that says it's anything

991

00:39:38,870 --> 00:39:37,020

more but that doesn't necessarily mean

992

00:39:40,790 --> 00:39:38,880

that there isn't more to the story

993

00:39:43,970 --> 00:39:40,800

that's of like the glowing eyes we'll

994

00:39:45,710 --> 00:39:43,980

get to that uh Matt what's your take

995

00:39:47,990 --> 00:39:45,720

brother geez see I had an answer and

996

00:39:50,589 --> 00:39:48,000

then you said the glowing eyes I'm sorry

997

00:39:53,390 --> 00:39:50,599

brother go ahead

998

00:39:54,950 --> 00:39:53,400

I don't know which one to pick I've got

999

00:39:59,510 --> 00:39:54,960

a laundry list man I've got a laundry

1000

00:40:04,190 --> 00:39:59,520

list uh okay as a podcast host

1001
00:40:07,130 --> 00:40:04,200
um I feel for my personal uh show

1002
00:40:09,290 --> 00:40:07,140
that I like to remain neutral I allow

1003
00:40:11,210 --> 00:40:09,300
the guests to share their thoughts and

1004
00:40:15,050 --> 00:40:11,220
their beliefs and their opinions it's

1005
00:40:18,170 --> 00:40:15,060
all about them very seldom anymore at

1006
00:40:19,670 --> 00:40:18,180
least do I give my own opinions on

1007
00:40:23,450 --> 00:40:19,680
things but whenever it comes to the

1008
00:40:25,970 --> 00:40:23,460
Paranormal aspects even though I grew up

1009
00:40:28,430 --> 00:40:25,980
uh experiencing paranormal events

1010
00:40:31,130 --> 00:40:28,440
firsthand I've always had a very

1011
00:40:34,370 --> 00:40:31,140
difficult time with the Paranormal stuff

1012
00:40:36,109 --> 00:40:34,380
and probably the biggest one of all is

1013
00:40:39,790 --> 00:40:36,119

the ability to

1014

00:40:44,569 --> 00:40:39,800

cloak themselves or turn invisible

1015

00:40:48,170 --> 00:40:44,579

as I mean if it is Flesh and Blood a

1016

00:40:51,170 --> 00:40:48,180

physical being then that means they

1017

00:40:54,710 --> 00:40:51,180

can't do that that's not how physical

1018

00:40:56,990 --> 00:40:54,720

beings work there has to be so I guess

1019

00:40:59,150 --> 00:40:57,000

it would basically be all the different

1020

00:41:00,530 --> 00:40:59,160

subjects that make them

1021

00:41:03,050 --> 00:41:00,540

uh

1022

00:41:05,390 --> 00:41:03,060

if they can have that ability then they

1023

00:41:08,750 --> 00:41:05,400

have to be something paranormal or

1024

00:41:11,870 --> 00:41:08,760

Supernatural they can't be flesh and

1025

00:41:14,690 --> 00:41:11,880

blood as we understand it and from my

1026

00:41:16,730 --> 00:41:14,700

own experiences uh the physical evidence

1027

00:41:18,829 --> 00:41:16,740

that I've personally found along with

1028

00:41:20,750 --> 00:41:18,839

the long history of physical evidence

1029

00:41:22,370 --> 00:41:20,760

that you know these creatures have left

1030

00:41:25,609 --> 00:41:22,380

uh

1031

00:41:28,970 --> 00:41:25,619

what I saw with my own two eyes what all

1032

00:41:31,130 --> 00:41:28,980

Witnesses describe I mean

1033

00:41:34,370 --> 00:41:31,140

everything about them

1034

00:41:36,650 --> 00:41:34,380

says they are from this planet and right

1035

00:41:38,690 --> 00:41:36,660

in line with the primates that live on

1036

00:41:40,910 --> 00:41:38,700

this planet you know they've got fingers

1037

00:41:43,970 --> 00:41:40,920

and toes and two eyes and a nose and a

1038

00:41:45,910 --> 00:41:43,980

mouth and hair and everything uh breasts

1039

00:41:48,650 --> 00:41:45,920

reproduction everything

1040

00:41:53,329 --> 00:41:48,660

so whenever you start talking about the

1041

00:41:55,550 --> 00:41:53,339

ability to turn invisible or uh the Mind

1042

00:41:58,370 --> 00:41:55,560

speak stuff I I agree with what you said

1043

00:42:00,410 --> 00:41:58,380

earlier that there are people that uh

1044

00:42:04,069 --> 00:42:00,420

apparently have abilities that we can't

1045

00:42:07,190 --> 00:42:04,079

explain so can Bigfoot have that ability

1046

00:42:09,470 --> 00:42:07,200

maybe uh some but but we don't even know

1047

00:42:11,270 --> 00:42:09,480

if they're an animal or more towards

1048

00:42:13,250 --> 00:42:11,280

human you know if you want to separate

1049

00:42:15,530 --> 00:42:13,260

the two you know I understand that you

1050

00:42:16,609 --> 00:42:15,540

know humans are animals uh so to speak

1051

00:42:19,569 --> 00:42:16,619

but

1052

00:42:22,790 --> 00:42:19,579

I mean there's just so much there's

1053

00:42:24,950 --> 00:42:22,800

you really get into an area here man uh

1054

00:42:27,829 --> 00:42:24,960

but yeah I'll just stick with the uh the

1055

00:42:30,050 --> 00:42:27,839

ability to turn invisible at will to

1056

00:42:31,190 --> 00:42:30,060

hide themselves because why didn't Patty

1057

00:42:33,829 --> 00:42:31,200

do it then

1058

00:42:35,870 --> 00:42:33,839

all right good question yeah I'd like I

1059

00:42:37,609 --> 00:42:35,880

said do they all have that ability we

1060

00:42:40,190 --> 00:42:37,619

don't all have these some of these

1061

00:42:42,410 --> 00:42:40,200

abilities I don't know I just don't know

1062

00:42:43,310 --> 00:42:42,420

but but Nathan I would just ask you as

1063

00:42:45,230 --> 00:42:43,320

far as

1064

00:42:48,650 --> 00:42:45,240

we have people that have been abducted

1065

00:42:50,089 --> 00:42:48,660

by UFOs that we believe have so is that

1066

00:42:52,130 --> 00:42:50,099

going through a portal what does that

1067

00:42:55,550 --> 00:42:52,140

mean Nathan

1068

00:42:58,910 --> 00:42:55,560

yeah that's uh and could that happen to

1069

00:43:00,470 --> 00:42:58,920

Bigfoot yeah I mean I

1070

00:43:02,089 --> 00:43:00,480

I'm a little hesitant to respond because

1071

00:43:04,309 --> 00:43:02,099

there's such a rabbit hole we can kind

1072

00:43:07,609 --> 00:43:04,319

of go into right about the nature of

1073

00:43:09,230 --> 00:43:07,619

reality itself right and um

1074

00:43:10,670 --> 00:43:09,240

you know I was just thinking about this

1075

00:43:13,250 --> 00:43:10,680

while everyone was kind of chatting as

1076

00:43:15,950 --> 00:43:13,260

well and that's the the you know to to

1077

00:43:17,210 --> 00:43:15,960

animals which live in the forest right

1078

00:43:19,010 --> 00:43:17,220

if they could communicate with each

1079

00:43:21,530 --> 00:43:19,020

other which they do in some way that you

1080

00:43:23,510 --> 00:43:21,540

know that we don't but you know imagine

1081

00:43:25,010 --> 00:43:23,520

them saying you know there's a creature

1082

00:43:27,470 --> 00:43:25,020

out there that doesn't live in the

1083

00:43:29,390 --> 00:43:27,480

forest and it can get from this place to

1084

00:43:31,670 --> 00:43:29,400

this place really quickly and it can

1085

00:43:35,690 --> 00:43:31,680

travel through the air and these giant

1086

00:43:37,790 --> 00:43:35,700

metal tubes and it can uh you know uh it

1087

00:43:40,670 --> 00:43:37,800

doesn't it seems completely helpless in

1088

00:43:42,710 --> 00:43:40,680

in in in the wild uh they have it wears

1089

00:43:44,569 --> 00:43:42,720

these clothes that it makes in these

1090

00:43:46,250 --> 00:43:44,579

giant factories like I mean if you think

1091

00:43:48,050 --> 00:43:46,260

about it from the other side of the coin

1092

00:43:50,030 --> 00:43:48,060

like human beings are pretty phenomenal

1093

00:43:51,589 --> 00:43:50,040

and crazy and different and the

1094

00:43:53,809 --> 00:43:51,599

differences between human beings and

1095

00:43:55,730 --> 00:43:53,819

creatures in the wild all right like

1096

00:43:57,290 --> 00:43:55,740

incredibly extreme

1097

00:43:59,210 --> 00:43:57,300

um and I think I guess where I'm going

1098

00:44:03,109 --> 00:43:59,220

with that thought is just that there's a

1099

00:44:05,510 --> 00:44:03,119

lot about the world that we

1100

00:44:07,730 --> 00:44:05,520

I think in the 20th century 21st century

1101

00:44:09,530 --> 00:44:07,740

we've inherited as as assuming that

1102

00:44:12,530 --> 00:44:09,540

we've got it figured out like we kind of

1103

00:44:14,630 --> 00:44:12,540

just know how the world is but there's a

1104

00:44:16,609 --> 00:44:14,640

lot about the world that we that we

1105

00:44:18,530 --> 00:44:16,619

don't know that there's a lot of mystery

1106

00:44:20,990 --> 00:44:18,540

that that is still there and how things

1107

00:44:22,370 --> 00:44:21,000

really interact and and uh you know we

1108

00:44:24,290 --> 00:44:22,380

don't understand how we how our

1109

00:44:27,230 --> 00:44:24,300

Consciousness works so there's a lot of

1110

00:44:31,490 --> 00:44:27,240

assumptions that we bring with us to any

1111

00:44:33,950 --> 00:44:31,500

any study any Endeavor that I think are

1112

00:44:35,569 --> 00:44:33,960

um maybe a little too hasty like they're

1113

00:44:38,030 --> 00:44:35,579

really convenient and helpful and they

1114

00:44:40,190 --> 00:44:38,040

work most of the time but but the times

1115

00:44:41,930 --> 00:44:40,200

which they don't work which when when

1116

00:44:44,450 --> 00:44:41,940

you have have a Bigfoot encounter when

1117

00:44:46,670 --> 00:44:44,460

you have a UFO encounter it breaks

1118

00:44:48,530 --> 00:44:46,680

your understanding of what is possible

1119

00:44:49,970 --> 00:44:48,540

right and that's really what we're

1120

00:44:53,450 --> 00:44:49,980

getting at with a lot of this phenomena

1121

00:44:55,970 --> 00:44:53,460

is it changes the possibility space for

1122

00:44:58,609 --> 00:44:55,980

for you and when that changes everything

1123

00:45:01,250 --> 00:44:58,619

then becomes open on the table and Up

1124

00:45:08,270 --> 00:45:04,069

can can uh I have your cash app to venmo

1125

00:45:12,950 --> 00:45:11,270

so do you see why we do you see why we

1126
00:45:15,829 --> 00:45:12,960
love Nathan over here at cabs Tim and

1127
00:45:18,170 --> 00:45:15,839
Dana do you understand all right yes

1128
00:45:20,089 --> 00:45:18,180
absolutely all right it's your day your

1129
00:45:22,490 --> 00:45:20,099
turn Nathan go ahead brother okay yeah

1130
00:45:23,750 --> 00:45:22,500
so I'm I'm going to ask

1131
00:45:26,630 --> 00:45:23,760
um

1132
00:45:31,069 --> 00:45:26,640
what would greater public validation of

1133
00:45:32,450 --> 00:45:31,079
Bigfoot mean for you and also for the

1134
00:45:34,609 --> 00:45:32,460
world

1135
00:45:37,849 --> 00:45:34,619
um in your opinion

1136
00:45:40,750 --> 00:45:37,859
as you send that to Debs uh yeah I guess

1137
00:45:44,990 --> 00:45:40,760
who does that go to yeah okay

1138
00:45:46,430 --> 00:45:45,000

well I think that we would learn a

1139

00:45:49,390 --> 00:45:46,440

little bit more

1140

00:45:52,550 --> 00:45:49,400

about things that we've just kind of

1141

00:45:54,109 --> 00:45:52,560

ignored honestly I think that's what we

1142

00:45:56,390 --> 00:45:54,119

need to do

1143

00:45:59,390 --> 00:45:56,400

um I feel like we kind of ignore things

1144

00:46:01,970 --> 00:45:59,400

and we kind of get caught in ourselves

1145

00:46:05,150 --> 00:46:01,980

we're really absorbed with ourselves as

1146

00:46:06,710 --> 00:46:05,160

humans and kind of discount a lot of the

1147

00:46:09,530 --> 00:46:06,720

rest of the planet

1148

00:46:12,670 --> 00:46:09,540

I think it would force us to do that

1149

00:46:15,829 --> 00:46:12,680

less and be more open-minded to you know

1150

00:46:17,950 --> 00:46:15,839

you know I I don't think a lot of people

1151
00:46:20,510 --> 00:46:17,960
get the idea that there could be other

1152
00:46:22,730 --> 00:46:20,520
intelligences you know like they really

1153
00:46:24,950 --> 00:46:22,740
can't get into that

1154
00:46:28,370 --> 00:46:24,960
um so I think that they would be forced

1155
00:46:30,550 --> 00:46:28,380
to be more open-minded about that

1156
00:46:33,410 --> 00:46:30,560
it's just adding another one

1157
00:46:34,970 --> 00:46:33,420
that response and adding another one if

1158
00:46:36,710 --> 00:46:34,980
I can kind of just quickly kind of jump

1159
00:46:38,329 --> 00:46:36,720
in there on that tag on what you just

1160
00:46:40,370 --> 00:46:38,339
said there Deb

1161
00:46:45,470 --> 00:46:40,380
um there's a great book called uh

1162
00:46:47,329 --> 00:46:45,480
sapiens by oh my God sorry it's great

1163
00:46:48,710 --> 00:46:47,339

right it's great but when you're when

1164

00:46:49,849 --> 00:46:48,720

you're reading it or listening to it I I

1165

00:46:52,670 --> 00:46:49,859

listened to it because I was doing a lot

1166

00:46:54,050 --> 00:46:52,680

of driving at the time and even though

1167

00:46:56,030 --> 00:46:54,060

you learn this when you're kind of going

1168

00:46:58,430 --> 00:46:56,040

through school but just hearing him kind

1169

00:47:00,349 --> 00:46:58,440

of talk about it there was a time in in

1170

00:47:03,650 --> 00:47:00,359

history where there were multiple human

1171

00:47:05,690 --> 00:47:03,660

species that were coexisting on this

1172

00:47:08,450 --> 00:47:05,700

planet together like just think about

1173

00:47:11,290 --> 00:47:08,460

that just think about that like other

1174

00:47:14,089 --> 00:47:11,300

species other intelligent hominids

1175

00:47:16,730 --> 00:47:14,099

occupying the space that that modern

1176
00:47:19,030 --> 00:47:16,740
humans that we think of occupy they had

1177
00:47:21,410 --> 00:47:19,040
tools they had language they had culture

1178
00:47:24,050 --> 00:47:21,420
and they aren't here anymore at least

1179
00:47:26,589 --> 00:47:24,060
that's what we think right so

1180
00:47:29,150 --> 00:47:26,599
um that to me like just kind of

1181
00:47:31,370 --> 00:47:29,160
grappling with that and accepting that

1182
00:47:32,829 --> 00:47:31,380
idea like really does open things up

1183
00:47:35,270 --> 00:47:32,839
quite a bit

1184
00:47:37,309 --> 00:47:35,280
especially against the

1185
00:47:38,750 --> 00:47:37,319
I'm sorry go ahead tabs that was the

1186
00:47:40,370 --> 00:47:38,760
book that taught me about the three foot

1187
00:47:44,050 --> 00:47:40,380
tall people

1188
00:47:46,970 --> 00:47:44,060

[Laughter]

1189

00:47:48,589 --> 00:47:46,980

Deb loves the little people man I was

1190

00:47:50,270 --> 00:47:48,599

talking about it when you put that

1191

00:47:53,870 --> 00:47:50,280

against the backdrop that people today

1192

00:47:55,730 --> 00:47:53,880

have difficulty getting along or just

1193

00:47:57,530 --> 00:47:55,740

having an understanding with people who

1194

00:47:59,630 --> 00:47:57,540

are of a different skin tone that are

1195

00:48:01,309 --> 00:47:59,640

the same species as them or a different

1196

00:48:03,770 --> 00:48:01,319

language they have a problem with

1197

00:48:06,530 --> 00:48:03,780

imagine if it was a complete as Nathan

1198

00:48:09,290 --> 00:48:06,540

was talking about not a homo sapien but

1199

00:48:11,390 --> 00:48:09,300

but perhaps an earlier version

1200

00:48:13,069 --> 00:48:11,400

um it it it's and they probably were a

1201
00:48:14,990 --> 00:48:13,079
lot better at it than we were Matthew

1202
00:48:22,370 --> 00:48:15,000
Knapp

1203
00:48:25,190 --> 00:48:22,380
oh validation for so many witnesses uh

1204
00:48:26,930 --> 00:48:25,200
just the psychological effect that it

1205
00:48:29,390 --> 00:48:26,940
would have the impact that it would have

1206
00:48:32,510 --> 00:48:29,400
on so many people both positive and

1207
00:48:34,190 --> 00:48:32,520
negative uh very positive for the people

1208
00:48:36,109 --> 00:48:34,200
who have experienced these things and I

1209
00:48:37,550 --> 00:48:36,119
think uh very negative for a lot of

1210
00:48:41,270 --> 00:48:37,560
people who haven't

1211
00:48:44,930 --> 00:48:41,280
uh I think one of the the biggest things

1212
00:48:48,109 --> 00:48:44,940
about uh uh public validation of this

1213
00:48:50,210 --> 00:48:48,119

thing's existence would be uh the

1214

00:48:52,010 --> 00:48:50,220

restructuring of the train of thought of

1215

00:48:55,069 --> 00:48:52,020

everybody uh

1216

00:48:57,470 --> 00:48:55,079

an ego shock so to speak

1217

00:49:00,530 --> 00:48:57,480

and then uh going through an

1218

00:49:04,309 --> 00:49:00,540

understanding of what they actually are

1219

00:49:07,150 --> 00:49:04,319

and what it means to be human on this

1220

00:49:09,950 --> 00:49:07,160

planet uh

1221

00:49:11,270 --> 00:49:09,960

I can tell you from the people that I've

1222

00:49:13,430 --> 00:49:11,280

talked to

1223

00:49:15,170 --> 00:49:13,440

um and my own experiences you know

1224

00:49:17,089 --> 00:49:15,180

whenever I was going out in the field

1225

00:49:18,530 --> 00:49:17,099

and researching

1226

00:49:20,809 --> 00:49:18,540

you know we've talked about language

1227

00:49:23,030 --> 00:49:20,819

these things having a language and being

1228

00:49:25,870 --> 00:49:23,040

able to communicate uh vocally to one

1229

00:49:29,510 --> 00:49:25,880

another Beyond just you know rudimentary

1230

00:49:32,870 --> 00:49:29,520

vocalizations uh there's culture there

1231

00:49:35,210 --> 00:49:32,880

there's Society there you know what are

1232

00:49:37,430 --> 00:49:35,220

their beliefs do they have religion you

1233

00:49:38,210 --> 00:49:37,440

know things like that

1234

00:49:41,089 --> 00:49:38,220

um

1235

00:49:44,750 --> 00:49:41,099

are they a type of people so I think you

1236

00:49:47,030 --> 00:49:44,760

would have a much greater impact than

1237

00:49:48,589 --> 00:49:47,040

what people think about just on the

1238

00:49:50,870 --> 00:49:48,599

surface

1239

00:49:53,809 --> 00:49:50,880

um in the long run

1240

00:49:56,270 --> 00:49:53,819

Matt is it going is the fact of that

1241

00:49:59,510 --> 00:49:56,280

there is a certain segment of society

1242

00:50:03,410 --> 00:49:59,520

that does not want to see something that

1243

00:50:05,809 --> 00:50:03,420

is covered in hair and potentially has a

1244

00:50:08,270 --> 00:50:05,819

certain odor to to think of them that

1245

00:50:11,630 --> 00:50:08,280

they could be on a level even close that

1246

00:50:14,930 --> 00:50:11,640

they would deserve that kind of regard

1247

00:50:17,150 --> 00:50:14,940

that we have for Humanity is that an

1248

00:50:19,609 --> 00:50:17,160

impedance to to to this to that

1249

00:50:21,770 --> 00:50:19,619

happening don't we still have racism

1250

00:50:23,349 --> 00:50:21,780

yeah good point

1251

00:50:25,329 --> 00:50:23,359

fair enough

1252

00:50:30,890 --> 00:50:25,339

good answer

1253

00:50:32,569 --> 00:50:30,900

so do you want to go yeah go ahead thank

1254

00:50:37,210 --> 00:50:32,579

you baby

1255

00:50:40,010 --> 00:50:37,220

um so cute they're so adorable Nathan

1256

00:50:43,510 --> 00:50:40,020

I think I think DJ and Nathan are gonna

1257

00:50:47,950 --> 00:50:47,030

we gotta get DJ a wig though yeah it

1258

00:50:50,510 --> 00:50:47,960

shows

1259

00:50:53,329 --> 00:50:50,520

than me when we're together in person so

1260

00:50:56,329 --> 00:50:53,339

it's difficult it's challenging

1261

00:50:58,790 --> 00:50:56,339

so I I think um

1262

00:51:01,730 --> 00:50:58,800

what it would mean to me

1263

00:51:02,809 --> 00:51:01,740

um you know if there was some you know I

1264

00:51:05,329 --> 00:51:02,819

mean when you say greater public

1265

00:51:06,829 --> 00:51:05,339

validation I guess you mean like they

1266

00:51:08,750 --> 00:51:06,839

found a body

1267

00:51:11,450 --> 00:51:08,760

and we have like confirmation that it

1268

00:51:15,470 --> 00:51:11,460

really exists yeah in that case for me

1269

00:51:19,250 --> 00:51:15,480

it would just I don't know I think it

1270

00:51:21,650 --> 00:51:19,260

would satisfy my curiosity but maybe it

1271

00:51:24,349 --> 00:51:21,660

wouldn't maybe it would there would be a

1272

00:51:26,210 --> 00:51:24,359

just a bunch of more questions then

1273

00:51:27,650 --> 00:51:26,220

um so for but for me it would be kind of

1274

00:51:30,349 --> 00:51:27,660

cool to go back to that dinner part and

1275

00:51:34,370 --> 00:51:30,359

be like you guys thought I was crazy and

1276

00:51:36,950 --> 00:51:34,380

now guess what I told you holes I told

1277

00:51:38,329 --> 00:51:36,960

you how many I mean we were just at out

1278

00:51:40,910 --> 00:51:38,339

to dinner with some friends last night

1279

00:51:42,230 --> 00:51:40,920

and they call us Bigfoot Hunters what do

1280

00:51:44,930 --> 00:51:42,240

they call us they have like a name for

1281

00:51:46,609 --> 00:51:44,940

us now people make fun of us but you

1282

00:51:48,170 --> 00:51:46,619

know like the the girl that was sitting

1283

00:51:50,390 --> 00:51:48,180

across from me who's a friend of mine

1284

00:51:53,089 --> 00:51:50,400

she was like she kept on talking about

1285

00:51:55,690 --> 00:51:53,099

Bigfoot as if it was just one Bigfoot do

1286

00:51:58,309 --> 00:51:55,700

you know where does he live

1287

00:52:01,190 --> 00:51:58,319

honey there's more than just one yeah

1288

00:52:03,349 --> 00:52:01,200

but anyway I think for the world I think

1289

00:52:04,970 --> 00:52:03,359

it would be awesome I think for the

1290

00:52:08,030 --> 00:52:04,980

world it would be awesome because we

1291

00:52:10,609 --> 00:52:08,040

will have discovered a new being here on

1292

00:52:13,069 --> 00:52:10,619

the earth we would it would probably be

1293

00:52:16,250 --> 00:52:13,079

great for uh environmental reasons

1294

00:52:19,849 --> 00:52:16,260

because we would be protecting uh land

1295

00:52:21,290 --> 00:52:19,859

that they live on and you know which is

1296

00:52:23,030 --> 00:52:21,300

probably the reason we were saying

1297

00:52:25,910 --> 00:52:23,040

before maybe why that might be something

1298

00:52:27,530 --> 00:52:25,920

that is impeding the actual validation

1299

00:52:29,870 --> 00:52:27,540

is

1300

00:52:31,549 --> 00:52:29,880

how much just even in North America

1301

00:52:33,530 --> 00:52:31,559

could change

1302

00:52:37,309 --> 00:52:33,540

you know our landscape and how things

1303

00:52:39,470 --> 00:52:37,319

were governed and forested and protected

1304

00:52:41,270 --> 00:52:39,480

yeah you know Nathan could do he could

1305

00:52:42,829 --> 00:52:41,280

do quite a bit if we if we ask him to

1306

00:52:45,650 --> 00:52:42,839

talk about the construct of human

1307

00:52:47,990 --> 00:52:45,660

construct of time but if I were to ask

1308

00:52:50,150 --> 00:52:48,000

you what's changed in your life in the

1309

00:52:53,270 --> 00:52:50,160

last 36 months there may not be very

1310

00:52:54,950 --> 00:52:53,280

much but if we go back 36 months and

1311

00:52:57,530 --> 00:52:54,960

talking about this specific incident

1312

00:52:59,809 --> 00:52:57,540

with dinner and people having a laugh

1313

00:53:01,250 --> 00:52:59,819

about Bigfoot and you guys interested in

1314

00:53:04,250 --> 00:53:01,260

this topic

1315

00:53:07,370 --> 00:53:04,260

36 months ago Tucker Carlson would have

1316

00:53:10,130 --> 00:53:07,380

had a laugh about this topic I can send

1317

00:53:12,950 --> 00:53:10,140

you a video that we found on Twitter

1318

00:53:15,530 --> 00:53:12,960

today where he spends like 15 minutes

1319

00:53:17,870 --> 00:53:15,540

talking about all that he's learned from

1320

00:53:20,089 --> 00:53:17,880

the Navy from the Air Force from

1321

00:53:23,329 --> 00:53:20,099

Department of Defense officials about on

1322

00:53:25,309 --> 00:53:23,339

uh UFOs going into the water and exiting

1323

00:53:27,530 --> 00:53:25,319

the water at Mock so just think about

1324

00:53:31,309 --> 00:53:27,540

that when you think about hydrostatic

1325

00:53:34,670 --> 00:53:31,319

Dragon something like a a a a undersea

1326
00:53:37,849 --> 00:53:34,680
going vessel okay Usos as they call them

1327
00:53:40,730 --> 00:53:37,859
so that was ridiculous 36 months ago

1328
00:53:43,549 --> 00:53:40,740
ain't so ridiculous now because they're

1329
00:53:46,790 --> 00:53:43,559
as I said 30 pages of legislation in

1330
00:53:48,589 --> 00:53:46,800
this year's ndaa and an entire office

1331
00:53:50,930 --> 00:53:48,599
stood up by the Pentagon and

1332
00:53:52,970 --> 00:53:50,940
acknowledged publicly

1333
00:53:54,710 --> 00:53:52,980
so could be the same for bigfoot so

1334
00:53:56,630 --> 00:53:54,720
they're laughing at you now

1335
00:53:58,490 --> 00:53:56,640
just like they laughed at UFO people

1336
00:53:59,990 --> 00:53:58,500
they're not laughing now

1337
00:54:01,670 --> 00:54:00,000
because people are talking about it even

1338
00:54:03,890 --> 00:54:01,680

I work for the Air Force people talk

1339

00:54:05,450 --> 00:54:03,900

about it so you wouldn't have talked

1340

00:54:07,490 --> 00:54:05,460

about it I guarantee you wouldn't have

1341

00:54:08,809 --> 00:54:07,500

talked about it during my career and you

1342

00:54:12,230 --> 00:54:08,819

wouldn't have probably talked about it

1343

00:54:14,089 --> 00:54:12,240

three years ago either but in some I may

1344

00:54:16,970 --> 00:54:14,099

be wrong about that Nathan about 36

1345

00:54:18,950 --> 00:54:16,980

months it could be 24 months but it's an

1346

00:54:21,170 --> 00:54:18,960

entirely different landscape this

1347

00:54:23,390 --> 00:54:21,180

discussion because every news every

1348

00:54:26,049 --> 00:54:23,400

major News network is carrying it so

1349

00:54:30,170 --> 00:54:26,059

yeah that that should give you some hope

1350

00:54:32,809 --> 00:54:30,180

uh I guess it's down to me to answer

1351

00:54:35,150 --> 00:54:32,819

this question now so yeah

1352

00:54:37,190 --> 00:54:35,160

so uh what I would say about this

1353

00:54:39,950 --> 00:54:37,200

question is

1354

00:54:42,890 --> 00:54:39,960

um you know if you really if you think

1355

00:54:43,910 --> 00:54:42,900

that the landscape can change where you

1356

00:54:46,309 --> 00:54:43,920

become

1357

00:54:48,530 --> 00:54:46,319

the majority and not the minority no

1358

00:54:51,290 --> 00:54:48,540

longer the tinfoil hat wearing wacko

1359

00:54:53,329 --> 00:54:51,300

that's uh out talking about some hairy

1360

00:54:55,609 --> 00:54:53,339

creature that probably doesn't exist

1361

00:54:56,750 --> 00:54:55,619

because we all know that it that it does

1362

00:54:59,329 --> 00:54:56,760

exist

1363

00:55:01,790 --> 00:54:59,339

uh what I would say and we had this

1364

00:55:04,010 --> 00:55:01,800

discussion with my UFO friends about

1365

00:55:05,329 --> 00:55:04,020

Bigfoot Nathan was in on that

1366

00:55:07,730 --> 00:55:05,339

conversation

1367

00:55:10,730 --> 00:55:07,740

and I was looking at writing a letter to

1368

00:55:13,490 --> 00:55:10,740

a congressman named Tim burchett of

1369

00:55:16,309 --> 00:55:13,500

Tennessee who I have heard uh I he has

1370

00:55:18,109 --> 00:55:16,319

been an advocate for UFO disclosure uh

1371

00:55:21,290 --> 00:55:18,119

openly

1372

00:55:23,690 --> 00:55:21,300

um on the floor and at the lectern

1373

00:55:27,049 --> 00:55:23,700

and I have heard that he also believes

1374

00:55:28,910 --> 00:55:27,059

uh about the Bigfoot phenomena

1375

00:55:31,069 --> 00:55:28,920

and I thought about I got his email

1376

00:55:32,870 --> 00:55:31,079

address from a constituent a friend of

1377

00:55:34,630 --> 00:55:32,880

ours from the show and I thought about

1378

00:55:37,609 --> 00:55:34,640

writing him a letter

1379

00:55:40,490 --> 00:55:37,619

uh and just try to get the ball the the

1380

00:55:42,710 --> 00:55:40,500

ball rolling on Bigfoot disclosure

1381

00:55:45,530 --> 00:55:42,720

and then I thought wait a minute maybe

1382

00:55:48,770 --> 00:55:45,540

this isn't a good idea for Bigfoot

1383

00:55:52,190 --> 00:55:48,780

because what is essentially my interest

1384

00:55:55,849 --> 00:55:52,200

in this topic it's Bigfoot

1385

00:55:58,490 --> 00:55:55,859

is it to prove it no I don't care about

1386

00:56:00,290 --> 00:55:58,500

proving anything to anyone

1387

00:56:03,290 --> 00:56:00,300

um I don't have to prove anything to a

1388

00:56:05,030 --> 00:56:03,300

person that Bigfoot exists

1389

00:56:07,370 --> 00:56:05,040

um do I need to them have to come out

1390

00:56:09,470 --> 00:56:07,380

with a scientific name so that someone

1391

00:56:11,690 --> 00:56:09,480

has to take one out and bring a body in

1392

00:56:13,730 --> 00:56:11,700

we attach the scientific name we study

1393

00:56:15,770 --> 00:56:13,740

the biology of it and then yeah okay

1394

00:56:18,829 --> 00:56:15,780

somebody's we are the CH they play We

1395

00:56:20,870 --> 00:56:18,839

are the champions from Queen and we we

1396

00:56:24,490 --> 00:56:20,880

have an official announcement that it's

1397

00:56:27,589 --> 00:56:24,500

Bigfoot but is that good for Bigfoot

1398

00:56:29,870 --> 00:56:27,599

I am not sure that it is and I'm saying

1399

00:56:34,130 --> 00:56:29,880

I'm I I'm not saying I know that it

1400

00:56:37,609 --> 00:56:34,140

isn't I'm saying I'm not sure that it is

1401
00:56:39,349 --> 00:56:37,619
because then the natural inclination is

1402
00:56:41,569 --> 00:56:39,359
you're going to get like that dentist

1403
00:56:43,910 --> 00:56:41,579
who had to go over to Africa and shoot a

1404
00:56:45,109 --> 00:56:43,920
lion and take a photo with it so he

1405
00:56:47,930 --> 00:56:45,119
could show it around the golf course

1406
00:56:50,150 --> 00:56:47,940
you're going to get those types that are

1407
00:56:52,670 --> 00:56:50,160
going to be hiring trying to hire these

1408
00:56:55,910 --> 00:56:52,680
outdoor guides to go out and try to hunt

1409
00:56:58,490 --> 00:56:55,920
and kill one and turn it into a rug that

1410
00:56:59,809 --> 00:56:58,500
they can put on the floor of their uh

1411
00:57:03,230 --> 00:56:59,819
other place

1412
00:57:06,349 --> 00:57:03,240
and I don't know that that Bigfoot needs

1413
00:57:09,290 --> 00:57:06,359

that I don't think it necessarily needs

1414

00:57:12,230 --> 00:57:09,300

public protection necessarily people

1415

00:57:14,569 --> 00:57:12,240

poach now right so what's to say that

1416

00:57:16,609 --> 00:57:14,579

even if they protect it do you think

1417

00:57:18,829 --> 00:57:16,619

he's just they're going to say okay this

1418

00:57:20,030 --> 00:57:18,839

National Forest this belongs to Bigfoot

1419

00:57:22,430 --> 00:57:20,040

you think this is going to say oh well

1420

00:57:24,650 --> 00:57:22,440

we'll stay there they said This Is Us

1421

00:57:25,970 --> 00:57:24,660

I mean they're gonna migrate and go

1422

00:57:27,770 --> 00:57:25,980

where they want to go where the food

1423

00:57:30,170 --> 00:57:27,780

sources are in the water or whatever

1424

00:57:31,670 --> 00:57:30,180

their migratory pattern is they're going

1425

00:57:34,250 --> 00:57:31,680

to continue to do that whether the

1426

00:57:35,950 --> 00:57:34,260

government recognizes them or or not so

1427

00:57:40,569 --> 00:57:35,960

my question is

1428

00:57:45,049 --> 00:57:40,579

is Bigfoot better off being

1429

00:57:47,750 --> 00:57:45,059

obscured being not believed being uh not

1430

00:57:49,309 --> 00:57:47,760

recognized or is it better that the

1431

00:57:51,230 --> 00:57:49,319

government comes out and says we have a

1432

00:57:53,690 --> 00:57:51,240

body we've analyzed it we're going to

1433

00:57:56,930 --> 00:57:53,700

call it this this researcher brought in

1434

00:57:58,250 --> 00:57:56,940

a body and uh we're gonna look at laws

1435

00:58:00,770 --> 00:57:58,260

to protect it which is going to be a

1436

00:58:03,170 --> 00:58:00,780

whole nother thing we can argue about uh

1437

00:58:05,270 --> 00:58:03,180

in Washington amongst the other 77

1438

00:58:09,589 --> 00:58:05,280

issues that we can't agree on this will

1439

00:58:11,569 --> 00:58:09,599

be 78. and uh does it have human rights

1440

00:58:13,609 --> 00:58:11,579

does it not have human rights should it

1441

00:58:15,349 --> 00:58:13,619

be protected what areas should should it

1442

00:58:17,270 --> 00:58:15,359

should it be given and then it's going

1443

00:58:19,069 --> 00:58:17,280

to just go where it wants anyway so I

1444

00:58:22,549 --> 00:58:19,079

think the best thing is for it to do

1445

00:58:24,410 --> 00:58:22,559

what it's been doing for maybe thousands

1446

00:58:27,109 --> 00:58:24,420

of years maybe tens or hundreds of

1447

00:58:29,870 --> 00:58:27,119

thousands years we don't know uh and

1448

00:58:32,930 --> 00:58:29,880

just remain in the master of the woods

1449

00:58:35,210 --> 00:58:32,940

Anonymous generally speaking not harmful

1450

00:58:37,370 --> 00:58:35,220

to humans unless the right set of

1451
00:58:40,609 --> 00:58:37,380
circumstances present themselves and

1452
00:58:46,789 --> 00:58:43,250
I mean I'm not sure but I think that's

1453
00:58:48,530 --> 00:58:46,799
probably the best thing uh is not to

1454
00:58:53,210 --> 00:58:48,540
have a greater public validation

1455
00:58:57,890 --> 00:58:56,270
yeah good point good answer

1456
00:59:01,910 --> 00:58:57,900
yeah

1457
00:59:05,329 --> 00:59:01,920
who's next is it uh Matthew Knapp no or

1458
00:59:09,609 --> 00:59:05,339
I'm sorry it's me yeah go for it Deb

1459
00:59:12,710 --> 00:59:09,619
okay yeah so I was thinking a lot about

1460
00:59:15,710 --> 00:59:12,720
conferences and podcasts and you know

1461
00:59:19,490 --> 00:59:15,720
all the ways that we are presenting

1462
00:59:21,890 --> 00:59:19,500
information to the public and one thing

1463
00:59:24,589 --> 00:59:21,900

that I've been thinking a lot about is

1464

00:59:27,049 --> 00:59:24,599

what responsibility do we have when we

1465

00:59:29,030 --> 00:59:27,059

do that and how can we be effective with

1466

00:59:31,430 --> 00:59:29,040

that so that's just something I wanted

1467

00:59:33,109 --> 00:59:31,440

to brainstorm with other people who are

1468

00:59:35,270 --> 00:59:33,119

doing that

1469

00:59:37,010 --> 00:59:35,280

can you say that one more time just to

1470

00:59:40,069 --> 00:59:37,020

make sure we get it what responsibility

1471

00:59:42,890 --> 00:59:40,079

do we have with regard yeah that's it

1472

00:59:44,750 --> 00:59:42,900

what responsibility do we have and how

1473

00:59:47,270 --> 00:59:44,760

can we be effective with our messaging

1474

00:59:50,329 --> 00:59:47,280

when we talk to the public about the

1475

00:59:52,430 --> 00:59:50,339

phenomenon and other paranormal topics

1476

00:59:55,190 --> 00:59:52,440

Matthew

1477

00:59:56,990 --> 00:59:55,200

I think it's really up to the individual

1478

00:59:59,210 --> 00:59:57,000

um it depends on your purpose everybody

1479

01:00:01,730 --> 00:59:59,220

has their own goal whether it be

1480

01:00:03,710 --> 01:00:01,740

education or entertainment or just a

1481

01:00:06,470 --> 01:00:03,720

hobby or just you know something you're

1482

01:00:09,170 --> 01:00:06,480

just filling your time with obviously

1483

01:00:13,630 --> 01:00:09,180

uh the past few years have been strange

1484

01:00:17,210 --> 01:00:13,640

for all of us in society uh covid has

1485

01:00:21,109 --> 01:00:17,220

changed the world uh and the direction

1486

01:00:24,710 --> 01:00:21,119

people were headed I've seen tons of

1487

01:00:25,789 --> 01:00:24,720

people start up podcasts uh because of

1488

01:00:28,549 --> 01:00:25,799

coven

1489

01:00:29,809 --> 01:00:28,559

and some of them got out and some of

1490

01:00:30,650 --> 01:00:29,819

them didn't

1491

01:00:34,130 --> 01:00:30,660

um

1492

01:00:36,470 --> 01:00:34,140

like I said from for my own self I'm

1493

01:00:38,150 --> 01:00:36,480

just there to be kind of an advocate for

1494

01:00:40,849 --> 01:00:38,160

the witness and getting their stories

1495

01:00:42,470 --> 01:00:40,859

out there and allowing a platform for

1496

01:00:45,549 --> 01:00:42,480

them to share their information

1497

01:00:50,150 --> 01:00:45,559

regardless of what that information is

1498

01:00:51,470 --> 01:00:50,160

in the specific field of Bigfoot for a

1499

01:00:55,789 --> 01:00:51,480

long time

1500

01:00:58,609 --> 01:00:55,799

uh if you had certain

1501

01:01:01,250 --> 01:00:58,619

uh claims that you were making

1502

01:01:02,809 --> 01:01:01,260

you got shut down a lot of it got

1503

01:01:04,789 --> 01:01:02,819

suppressed by the Bigfoot Community

1504

01:01:06,829 --> 01:01:04,799

itself

1505

01:01:08,870 --> 01:01:06,839

you know people talk about government

1506

01:01:10,309 --> 01:01:08,880

suppression all the time and cover-ups

1507

01:01:12,650 --> 01:01:10,319

and things like that but the Bigfoot

1508

01:01:15,589 --> 01:01:12,660

world does it too uh

1509

01:01:17,450 --> 01:01:15,599

and so I wanted to kind of change that a

1510

01:01:19,490 --> 01:01:17,460

little bit especially with my own

1511

01:01:21,710 --> 01:01:19,500

background and my own beliefs I I

1512

01:01:22,849 --> 01:01:21,720

thought that would kind of have a larger

1513

01:01:25,490 --> 01:01:22,859

impact

1514

01:01:27,950 --> 01:01:25,500

uh so I think sharing the stories

1515

01:01:29,210 --> 01:01:27,960

without the censorship is extremely

1516

01:01:34,010 --> 01:01:29,220

important

1517

01:01:35,270 --> 01:01:34,020

as a podcaster as someone in the media

1518

01:01:37,010 --> 01:01:35,280

circuit

1519

01:01:38,450 --> 01:01:37,020

as a researcher

1520

01:01:40,130 --> 01:01:38,460

I think you should stick with the

1521

01:01:42,829 --> 01:01:40,140

evidence and let the evidence lead you

1522

01:01:45,829 --> 01:01:42,839

and document everything and just leave

1523

01:01:47,809 --> 01:01:45,839

it at that and not form opinions I've

1524

01:01:49,430 --> 01:01:47,819

always said and always been an advocate

1525

01:01:51,890 --> 01:01:49,440

of letting the evidence speak for itself

1526

01:01:53,230 --> 01:01:51,900

and I think that's what researchers

1527

01:01:56,750 --> 01:01:53,240

should do

1528

01:02:00,049 --> 01:01:56,760

a lot of people don't really learn how

1529

01:02:01,609 --> 01:02:00,059

to investigate or how to research and

1530

01:02:03,829 --> 01:02:01,619

just jump into the field and start doing

1531

01:02:05,569 --> 01:02:03,839

it and start doing their own podcasts

1532

01:02:07,910 --> 01:02:05,579

putting their own information out there

1533

01:02:09,530 --> 01:02:07,920

and I think it's done a lot of damage I

1534

01:02:13,069 --> 01:02:09,540

think it's muddied the waters quite a

1535

01:02:15,950 --> 01:02:13,079

bit and held us back from advancing uh

1536

01:02:18,109 --> 01:02:15,960

with any type of answers or any types of

1537

01:02:19,609 --> 01:02:18,119

real evidence that could be held to

1538

01:02:22,250 --> 01:02:19,619

scrutiny

1539

01:02:23,510 --> 01:02:22,260

um so yeah that that's

1540

01:02:26,569 --> 01:02:23,520

uh

1541

01:02:27,770 --> 01:02:26,579

my final answer let me send that man

1542

01:02:30,370 --> 01:02:27,780

event mode

1543

01:02:33,950 --> 01:02:30,380

I think that answer for all of us

1544

01:02:36,170 --> 01:02:33,960

Tim and Dana I I guess I can jump in

1545

01:02:38,690 --> 01:02:36,180

yeah I think it's similar to what Matt's

1546

01:02:41,270 --> 01:02:38,700

saying I think our responsibility is

1547

01:02:43,549 --> 01:02:41,280

to uh because your theory is your theory

1548

01:02:44,690 --> 01:02:43,559

so it doesn't you know my theory could

1549

01:02:46,069 --> 01:02:44,700

be different and I don't really have

1550

01:02:47,809 --> 01:02:46,079

theories because we're not researchers

1551

01:02:50,870 --> 01:02:47,819

but my theory could be different than

1552

01:02:54,230 --> 01:02:50,880

yours and it's just having the data and

1553

01:02:57,170 --> 01:02:54,240

the evidence to to to to to document and

1554

01:02:58,370 --> 01:02:57,180

to show to present your theory and

1555

01:03:01,190 --> 01:02:58,380

that's I think you should do due

1556

01:03:04,430 --> 01:03:01,200

diligence as Matt said with that and

1557

01:03:06,470 --> 01:03:04,440

with uh you know not just throwing ideas

1558

01:03:08,150 --> 01:03:06,480

out without having you know having

1559

01:03:09,589 --> 01:03:08,160

something behind it I think that's

1560

01:03:11,930 --> 01:03:09,599

that's number one and did I think the

1561

01:03:14,930 --> 01:03:11,940

biggest number one responsibility is

1562

01:03:17,750 --> 01:03:14,940

which kind of piggybacks just

1563

01:03:20,089 --> 01:03:17,760

don't you know just tell the truth to

1564

01:03:23,089 --> 01:03:20,099

your best ability I mean that you might

1565

01:03:24,829 --> 01:03:23,099

be wrong but don't don't make up things

1566

01:03:26,569 --> 01:03:24,839

that aren't there and I think that's

1567

01:03:27,829 --> 01:03:26,579

that's what hurts you know and some of

1568

01:03:29,630 --> 01:03:27,839

it's some of it's because people are

1569

01:03:31,789 --> 01:03:29,640

just they want the click bait they want

1570

01:03:34,250 --> 01:03:31,799

the the the likes and things on social

1571

01:03:35,569 --> 01:03:34,260

media but I think just I think that

1572

01:03:37,670 --> 01:03:35,579

would be for me the biggest

1573

01:03:40,430 --> 01:03:37,680

responsibility for everyone just just be

1574

01:03:43,250 --> 01:03:40,440

ethical about it and and be meticulous

1575

01:03:45,829 --> 01:03:43,260

and and you know don't don't

1576
01:03:46,730 --> 01:03:45,839
you know be dishonest yeah and I would

1577
01:03:49,190 --> 01:03:46,740
also say

1578
01:03:52,370 --> 01:03:49,200
um when presenting the information

1579
01:03:54,950 --> 01:03:52,380
you know it's almost like it's like

1580
01:03:56,809 --> 01:03:54,960
we're teaching in a way by you know

1581
01:03:58,609 --> 01:03:56,819
bringing in people interviewing them

1582
01:03:59,750 --> 01:03:58,619
hearing what they have to say I think

1583
01:04:00,650 --> 01:03:59,760
it's also important to keep things

1584
01:04:02,329 --> 01:04:00,660
simple

1585
01:04:05,030 --> 01:04:02,339
you know remind people what the

1586
01:04:07,370 --> 01:04:05,040
Patterson gidlin film is you know this

1587
01:04:08,390 --> 01:04:07,380
you know because I sometimes think you

1588
01:04:11,510 --> 01:04:08,400

know when we're presenting information

1589

01:04:12,890 --> 01:04:11,520

that a lot of this can sound like a

1590

01:04:15,710 --> 01:04:12,900

completely foreign language for new

1591

01:04:17,510 --> 01:04:15,720

people who are coming into the into the

1592

01:04:20,089 --> 01:04:17,520

topic

1593

01:04:23,270 --> 01:04:20,099

I also want to point out that uh the

1594

01:04:25,190 --> 01:04:23,280

Ohio Bigfoot Conference uh the MC's are

1595

01:04:26,930 --> 01:04:25,200

uh the The Beautiful People you're

1596

01:04:29,450 --> 01:04:26,940

seeing right there Tim and Dana are

1597

01:04:31,490 --> 01:04:29,460

going to be MC's at that event uh when

1598

01:04:34,490 --> 01:04:31,500

is that event you know the Ohio it's the

1599

01:04:37,090 --> 01:04:34,500

the oldest Bigfoot Conference it's the

1600

01:04:38,930 --> 01:04:37,100

first weekend in May

1601

01:04:42,049 --> 01:04:38,940

[Music]

1602

01:04:44,630 --> 01:04:42,059

what's that actually it's fine I didn't

1603

01:04:48,589 --> 01:04:44,640

and Tim's gonna be presenting I'm gonna

1604

01:04:50,809 --> 01:04:48,599

be at the booth schlepping books okay

1605

01:04:52,789 --> 01:04:50,819

all right yeah I know I heard it so I I

1606

01:04:54,170 --> 01:04:52,799

that's why I heard it somewhere so

1607

01:04:56,150 --> 01:04:54,180

that's why I wanted to get that out

1608

01:04:58,130 --> 01:04:56,160

there so that people know that are going

1609

01:05:00,530 --> 01:04:58,140

to that conference we actually have a

1610

01:05:02,270 --> 01:05:00,540

friend who's going to be doing a UFO

1611

01:05:04,490 --> 01:05:02,280

conference the following week at

1612

01:05:07,910 --> 01:05:04,500

Wright-Patterson Air Force Base fellow

1613

01:05:09,829 --> 01:05:07,920

Ohio and uh Kelly Chase uh she's the UFO

1614

01:05:12,109 --> 01:05:09,839

Rabbit Hole she's also an author like

1615

01:05:13,910 --> 01:05:12,119

Tim her book is called the UFO Rabbit

1616

01:05:16,190 --> 01:05:13,920

Hole so it's it's some some

1617

01:05:17,630 --> 01:05:16,200

synchronicities here she's the following

1618

01:05:19,849 --> 01:05:17,640

week to your conference she's going to

1619

01:05:21,710 --> 01:05:19,859

be a and I'm going to tell you man if

1620

01:05:24,650 --> 01:05:21,720

you would have told people

1621

01:05:27,829 --> 01:05:24,660

again a few years ago there was going to

1622

01:05:29,329 --> 01:05:27,839

be a UFO conference at a hotel at

1623

01:05:31,370 --> 01:05:29,339

Wright-Patterson Air Force Base they

1624

01:05:34,789 --> 01:05:31,380

would have said you are out of your mind

1625

01:05:35,930 --> 01:05:34,799

but I can take you to go talk to Deb and

1626

01:05:38,150 --> 01:05:35,940

she's going to put you in her

1627

01:05:39,650 --> 01:05:38,160

psychologist chair and and everything's

1628

01:05:41,990 --> 01:05:39,660

gonna be okay we're just going to strap

1629

01:05:43,069 --> 01:05:42,000

down your hands so I mean nobody would

1630

01:05:45,530 --> 01:05:43,079

have believed they're going to have a

1631

01:05:48,530 --> 01:05:45,540

UFO conference at Wright-Patterson Air

1632

01:05:51,230 --> 01:05:48,540

Force Base and they are so uh especially

1633

01:05:53,930 --> 01:05:51,240

if you didn't know that's where uh it's

1634

01:05:57,170 --> 01:05:53,940

told that the Roswell wreckage was

1635

01:05:58,970 --> 01:05:57,180

transferred from Roswell New Mexico to I

1636

01:06:01,069 --> 01:05:58,980

think Love Field in Dallas and then from

1637

01:06:03,170 --> 01:06:01,079

there up to Wright-Patterson Air Force

1638

01:06:06,890 --> 01:06:03,180

Base where there's all kinds of secret

1639

01:06:10,069 --> 01:06:06,900

craziness going on there so uh Air Force

1640

01:06:13,910 --> 01:06:10,079

material come in uh anyway Matthew Knapp

1641

01:06:19,849 --> 01:06:16,270

um let's go with

1642

01:06:21,710 --> 01:06:19,859

why does the government suppress that

1643

01:06:26,029 --> 01:06:21,720

these things exist

1644

01:06:29,870 --> 01:06:26,039

I know you guys are obviously familiar

1645

01:06:32,809 --> 01:06:29,880

with Todd niece uh very famous Bigfoot

1646

01:06:35,829 --> 01:06:32,819

witness uh military guy

1647

01:06:39,230 --> 01:06:35,839

very respected in the military community

1648

01:06:40,670 --> 01:06:39,240

had his sighting during an actual

1649

01:06:43,549 --> 01:06:40,680

exercise

1650

01:06:45,349 --> 01:06:43,559

uh from the best of my recollection he

1651

01:06:48,109 --> 01:06:45,359

immediately reported it to his Superior

1652

01:06:50,630 --> 01:06:48,119

we know that the government knows these

1653

01:06:52,549 --> 01:06:50,640

things are out there so why aren't they

1654

01:06:55,789 --> 01:06:52,559

just saying like yeah these things are

1655

01:06:58,010 --> 01:06:55,799

there why are they covering it up and

1656

01:07:00,289 --> 01:06:58,020

I'm gonna I'll take this one first yeah

1657

01:07:02,470 --> 01:07:00,299

I want to say I'm really heartened by

1658

01:07:05,450 --> 01:07:02,480

the answer I heard from cliff barrickman

1659

01:07:07,990 --> 01:07:05,460

on uh podcast the other day about this

1660

01:07:11,750 --> 01:07:08,000

topic but the reason that they're so

1661

01:07:15,589 --> 01:07:11,760

I've told you know I've tried to sort of

1662

01:07:18,589 --> 01:07:15,599

uh bring government thinking to the the

1663

01:07:20,870 --> 01:07:18,599

to our show and to other shows that

1664

01:07:23,750 --> 01:07:20,880

people have asked me to be on or Twitter

1665

01:07:26,870 --> 01:07:23,760

spaces is how they think and the way

1666

01:07:29,390 --> 01:07:26,880

they think is like if if I were asking

1667

01:07:30,710 --> 01:07:29,400

you to make a deal Tim I would say uh

1668

01:07:31,849 --> 01:07:30,720

here's the deal I have for you and the

1669

01:07:33,109 --> 01:07:31,859

first thing you say is how does that

1670

01:07:35,750 --> 01:07:33,119

benefit me

1671

01:07:37,250 --> 01:07:35,760

okay what do and I I even saw it I

1672

01:07:40,069 --> 01:07:37,260

watched Tulsa King last night with

1673

01:07:43,670 --> 01:07:40,079

Sylvester Stallone uh and and he said

1674

01:07:46,609 --> 01:07:43,680

yeah he said you know what what's in it

1675

01:07:49,549 --> 01:07:46,619

for me so for the government for them to

1676

01:07:53,569 --> 01:07:49,559

admit that that Bigfoot is a thing that

1677

01:07:56,630 --> 01:07:53,579

bigfoots are in 49 of 50 states

1678

01:07:59,109 --> 01:07:56,640

how does it benefit their cause as a

1679

01:08:03,710 --> 01:07:59,119

government which is charged with safety

1680

01:08:07,849 --> 01:08:03,720

with security with public Trust and with

1681

01:08:10,789 --> 01:08:07,859

uh basically uh to to have uh basically

1682

01:08:13,670 --> 01:08:10,799

a calm among the people anytime

1683

01:08:15,470 --> 01:08:13,680

something happens uh like balloons and

1684

01:08:17,090 --> 01:08:15,480

so forth the government now has to

1685

01:08:19,430 --> 01:08:17,100

answer these questions they don't want

1686

01:08:21,470 --> 01:08:19,440

to answer these questions so whether

1687

01:08:23,269 --> 01:08:21,480

it's the REI industry the hunting

1688

01:08:27,470 --> 01:08:23,279

industry everything that you've heard on

1689

01:08:29,630 --> 01:08:27,480

other podcasts that's true so uh as I

1690

01:08:32,870 --> 01:08:29,640

explained to Brian from Bigfoot Odyssey

1691

01:08:35,209 --> 01:08:32,880

uh I was on with him like a week ago is

1692

01:08:37,189 --> 01:08:35,219

it's not a matter that there said okay

1693

01:08:39,349 --> 01:08:37,199

this is what you will say and this will

1694

01:08:41,630 --> 01:08:39,359

be in order going all the way from the

1695

01:08:44,090 --> 01:08:41,640

Department of interior down to every

1696

01:08:46,729 --> 01:08:44,100

State Parks Commission down to the local

1697

01:08:49,370 --> 01:08:46,739

County Parks etc etc it's not

1698

01:08:52,370 --> 01:08:49,380

necessarily that way in a grand

1699

01:08:55,249 --> 01:08:52,380

conspiracy I heard a Florida Fish and

1700

01:08:57,229 --> 01:08:55,259

Wildlife official uh the other day and

1701

01:08:58,910 --> 01:08:57,239

I'll I can't remember which podcast he

1702

01:09:01,370 --> 01:08:58,920

was on and he basically talks about

1703

01:09:04,070 --> 01:09:01,380

graduating school going out into the

1704

01:09:06,530 --> 01:09:04,080

field with a very experience officer on

1705

01:09:08,809 --> 01:09:06,540

his first day and I don't know if it was

1706

01:09:11,390 --> 01:09:08,819

like the first week they had a Bigfoot

1707

01:09:13,849 --> 01:09:11,400

encounter and he said look

1708

01:09:16,610 --> 01:09:13,859

you don't write it up in a report you

1709

01:09:18,410 --> 01:09:16,620

don't talk about it you just see it and

1710

01:09:20,630 --> 01:09:18,420

you ignore it and that's where it goes

1711

01:09:23,510 --> 01:09:20,640

don't take it any further than what you

1712

01:09:25,970 --> 01:09:23,520

just saw and I'm I'm paraphrasing now

1713

01:09:28,189 --> 01:09:25,980

this gentleman is now 20 years down the

1714

01:09:30,289 --> 01:09:28,199

road he's training brand new officers

1715

01:09:34,030 --> 01:09:30,299

what do you guys think he said to those

1716

01:09:39,050 --> 01:09:37,490

exact same thing and he's had multiple

1717

01:09:41,329 --> 01:09:39,060

Bigfoot sightings that he told about

1718

01:09:43,130 --> 01:09:41,339

probably about five of them he told on

1719

01:09:45,470 --> 01:09:43,140

the show

1720

01:09:48,470 --> 01:09:45,480

um and he told him don't report it don't

1721

01:09:50,570 --> 01:09:48,480

talk about it uh it you see it and you

1722

01:09:52,130 --> 01:09:50,580

forget it I've also heard people that

1723

01:09:54,709 --> 01:09:52,140

have gone to uh one of the California

1724

01:09:57,290 --> 01:09:54,719

schools where they train uh California

1725

01:09:59,570 --> 01:09:57,300

forest rangers and they have like a a no

1726

01:10:02,150 --> 01:09:59,580

kidding camp that you're that you're in

1727

01:10:03,290 --> 01:10:02,160

for like a month I mean even to where uh

1728

01:10:05,030 --> 01:10:03,300

the first few weeks you're not even

1729

01:10:06,950 --> 01:10:05,040

allowed to to leave the camp unless

1730

01:10:08,810 --> 01:10:06,960

you're with a member of Staff someone

1731

01:10:10,790 --> 01:10:08,820

came in and spoke to them about Bigfoot

1732

01:10:12,530 --> 01:10:10,800

here's what you do here's what you don't

1733

01:10:14,689 --> 01:10:12,540

do blah blah blah but they're not

1734

01:10:18,350 --> 01:10:14,699

reporting it so it's not in their

1735

01:10:20,330 --> 01:10:18,360

interest uh it could affect uh how

1736

01:10:22,310 --> 01:10:20,340

people would interact whether or not

1737

01:10:24,350 --> 01:10:22,320

they would want to go hiking do I want

1738

01:10:25,970 --> 01:10:24,360

to go hiking in the Catskills and I'm

1739

01:10:27,770 --> 01:10:25,980

from Sullivan County New York do I want

1740

01:10:29,090 --> 01:10:27,780

to go up there I mean I heard there's a

1741

01:10:31,430 --> 01:10:29,100

sighting you know they don't even know

1742

01:10:33,709 --> 01:10:31,440

that the BFRO exists most people don't

1743

01:10:35,450 --> 01:10:33,719

even wear us to us it's like man I every

1744

01:10:38,270 --> 01:10:35,460

week you're on there checking are there

1745

01:10:39,950 --> 01:10:38,280

new reports so that's that's the answer

1746

01:10:42,169 --> 01:10:39,960

to the question it doesn't help their

1747

01:10:43,910 --> 01:10:42,179

cause it doesn't help Inspire safety

1748

01:10:47,330 --> 01:10:43,920

public trust all these sorts of things

1749

01:10:49,430 --> 01:10:47,340

it only makes uh instills fear in people

1750

01:10:52,070 --> 01:10:49,440

but I like what Cliff barrickman said

1751

01:10:54,950 --> 01:10:52,080

they're out there they've been out there

1752

01:10:57,050 --> 01:10:54,960

for many many years don't not go in the

1753

01:10:59,090 --> 01:10:57,060

woods because they're there what is good

1754

01:11:02,270 --> 01:10:59,100

to do is listen to podcasts like yours

1755

01:11:05,209 --> 01:11:02,280

and mats and know what to do should you

1756

01:11:07,669 --> 01:11:05,219

encounter one so that if there does one

1757

01:11:09,410 --> 01:11:07,679

if there is a family there unit and

1758

01:11:10,790 --> 01:11:09,420

they're a little bit Territorial and

1759

01:11:13,130 --> 01:11:10,800

they're trying to get you to back off

1760

01:11:15,229 --> 01:11:13,140

recognize what that is the way that you

1761

01:11:17,930 --> 01:11:15,239

know it when you see a mama bear and her

1762

01:11:19,729 --> 01:11:17,940

Cubs and back off and maybe head head

1763

01:11:22,669 --> 01:11:19,739

back the other direction or circle

1764

01:11:25,669 --> 01:11:22,679

around in worst case scenario so that's

1765

01:11:27,410 --> 01:11:25,679

why uh I believe uh it doesn't help

1766

01:11:29,330 --> 01:11:27,420

anybody for them to admit that there's

1767

01:11:31,970 --> 01:11:29,340

something out there that they have no

1768

01:11:34,070 --> 01:11:31,980

control over they probably have bodies

1769

01:11:36,169 --> 01:11:34,080

I'm sure that they've looked at and

1770

01:11:37,970 --> 01:11:36,179

scientifically know what it is they're

1771

01:11:39,890 --> 01:11:37,980

not in control of it and they don't want

1772

01:11:43,130 --> 01:11:39,900

to start a frenzy of people going out

1773

01:11:45,350 --> 01:11:43,140

hunting these things where humans might

1774

01:11:47,570 --> 01:11:45,360

get killed in in the process of trying

1775

01:11:50,090 --> 01:11:47,580

to hunt them so that's my thought

1776

01:11:51,830 --> 01:11:50,100

uh to mindeno

1777

01:11:53,870 --> 01:11:51,840

do you want to take it or you want me to

1778

01:11:55,010 --> 01:11:53,880

take it sure I'll take it so so I mean

1779

01:11:56,750 --> 01:11:55,020

because this is definitely something

1780

01:11:58,250 --> 01:11:56,760

that comes up in discussion just between

1781

01:12:00,470 --> 01:11:58,260

Tim and I

1782

01:12:03,590 --> 01:12:00,480

um and we've talked about it before and

1783

01:12:06,050 --> 01:12:03,600

it recently came this question recently

1784

01:12:08,030 --> 01:12:06,060

came to mind at the last Ohio Bigfoot

1785

01:12:11,270 --> 01:12:08,040

Conference we were sitting at the VIP

1786

01:12:14,030 --> 01:12:11,280

dinner and we had a person that we just

1787

01:12:14,930 --> 01:12:14,040

met and told us of an experience that he

1788

01:12:16,430 --> 01:12:14,940

had

1789

01:12:18,290 --> 01:12:16,440

um he didn't he chose that he did not

1790

01:12:19,850 --> 01:12:18,300

want to be on the podcast he did not

1791

01:12:22,430 --> 01:12:19,860

want to like come forward with who this

1792

01:12:25,370 --> 01:12:22,440

who he was but his quick story was he

1793

01:12:28,189 --> 01:12:25,380

was traveling on the highway and Saul

1794

01:12:31,669 --> 01:12:28,199

saw a bunch of SUVs

1795

01:12:34,250 --> 01:12:31,679

um in the on the island of the highway

1796

01:12:35,930 --> 01:12:34,260

um and they were all like positioned in

1797

01:12:39,530 --> 01:12:35,940

a way so they were blocking something

1798

01:12:42,890 --> 01:12:39,540

that was on the ground and he said he

1799

01:12:44,930 --> 01:12:42,900

saw something really large and furry and

1800

01:12:49,430 --> 01:12:44,940

there were police cars and these black

1801

01:12:52,490 --> 01:12:49,440

SUVs and that's all he's in you know

1802

01:12:56,390 --> 01:12:52,500

why would SUVs be there if it was just a

1803

01:12:58,550 --> 01:12:56,400

bear or so the the you know the thing

1804

01:13:01,189 --> 01:12:58,560

that I'm getting to is that

1805

01:13:02,689 --> 01:13:01,199

it probably does happen

1806

01:13:03,830 --> 01:13:02,699

um that the government is suppressing

1807

01:13:08,090 --> 01:13:03,840

this

1808

01:13:09,770 --> 01:13:08,100

um and I agree a lot with DJ in that

1809

01:13:13,490 --> 01:13:09,780

um it would cause

1810

01:13:14,930 --> 01:13:13,500

a lot of unnecessary or let's say

1811

01:13:16,729 --> 01:13:14,940

necessary but

1812

01:13:18,590 --> 01:13:16,739

it's just something they'd want to avoid

1813

01:13:20,990 --> 01:13:18,600

chaos that they would just want to avoid

1814

01:13:23,149 --> 01:13:21,000

if possible and basically all the things

1815

01:13:25,490 --> 01:13:23,159

that DJ just said right

1816

01:13:28,310 --> 01:13:25,500

and I think most from from the folks we

1817

01:13:29,750 --> 01:13:28,320

talked to on the podcast and in the book

1818

01:13:31,669 --> 01:13:29,760

there's different theories but I think

1819

01:13:35,330 --> 01:13:31,679

most of them don't think it's a global

1820

01:13:38,689 --> 01:13:35,340

government conspiracy but it's it's

1821

01:13:40,970 --> 01:13:38,699

definitely a suppression of of reports

1822

01:13:42,530 --> 01:13:40,980

and and things like that that are going

1823

01:13:43,910 --> 01:13:42,540

on out there yeah because if it's not

1824

01:13:45,709 --> 01:13:43,920

good for our government it's not going

1825

01:13:48,169 --> 01:13:45,719

to be good for a foreign government

1826

01:13:49,970 --> 01:13:48,179

either yeah it doesn't need to be a

1827

01:13:51,590 --> 01:13:49,980

grand government conspiracy it just

1828

01:13:55,149 --> 01:13:51,600

needs to be a standard operating

1829

01:13:57,950 --> 01:13:55,159

procedure amongst whether you're a a a

1830

01:14:00,290 --> 01:13:57,960

national forest ranger or whether you're

1831

01:14:02,750 --> 01:14:00,300

a state forest ranger any Department of

1832

01:14:04,850 --> 01:14:02,760

interior employee certainly we've heard

1833

01:14:07,130 --> 01:14:04,860

Battle Mountain we've heard those first

1834

01:14:09,229 --> 01:14:07,140

person primary source accounts from

1835

01:14:11,930 --> 01:14:09,239

Battle Mountain let's say I was there I

1836

01:14:13,669 --> 01:14:11,940

saw this creature kind of thing I saw

1837

01:14:17,090 --> 01:14:13,679

the three letter agencies that were

1838

01:14:18,709 --> 01:14:17,100

there and Mount St Helens as well

1839

01:14:20,750 --> 01:14:18,719

um so yeah I have no doubt that they've

1840

01:14:24,229 --> 01:14:20,760

collected a body but I've told people in

1841

01:14:26,450 --> 01:14:24,239

order you have to make government move

1842

01:14:28,250 --> 01:14:26,460

from their position or they're not going

1843

01:14:31,250 --> 01:14:28,260

to move the reason the government moved

1844

01:14:33,590 --> 01:14:31,260

on UFOs is not because of podcasts like

1845

01:14:36,530 --> 01:14:33,600

this the reason they moved is because

1846

01:14:38,810 --> 01:14:36,540

Luis Elizondo who was Pentagon director

1847

01:14:41,450 --> 01:14:38,820

of the program came out and started

1848

01:14:44,030 --> 01:14:41,460

speaking Christopher melon who was under

1849

01:14:46,610 --> 01:14:44,040

secretary of defense for intelligence

1850

01:14:48,410 --> 01:14:46,620

came out and started speaking they

1851

01:14:50,390 --> 01:14:48,420

brought forward Navy pilots who then

1852

01:14:53,990 --> 01:14:50,400

went to the New York Times and the New

1853

01:14:57,649 --> 01:14:54,000

York Times posted a story boom now we

1854

01:14:59,030 --> 01:14:57,659

force not we they forced them to react

1855

01:15:02,149 --> 01:14:59,040

to UFOs

1856

01:15:04,070 --> 01:15:02,159

there is an even not even close to that

1857

01:15:05,689 --> 01:15:04,080

kind of pressure for them to react to

1858

01:15:07,850 --> 01:15:05,699

Bigfoot and I'm not sure that it would

1859

01:15:10,850 --> 01:15:07,860

be good if they did for big for the

1860

01:15:12,709 --> 01:15:10,860

bigfoots in these 49 states if they if

1861

01:15:15,530 --> 01:15:12,719

if we did have a Lou Elizondo and

1862

01:15:17,750 --> 01:15:15,540

Bigfoot who forced them to admit it I

1863

01:15:20,510 --> 01:15:17,760

think the consequences would somehow

1864

01:15:21,890 --> 01:15:20,520

change the Bigfoot's ecosystem or their

1865

01:15:24,110 --> 01:15:21,900

way of life and there would be more

1866

01:15:26,450 --> 01:15:24,120

people looking for them and that might

1867

01:15:28,310 --> 01:15:26,460

not that could end in violence there you

1868

01:15:32,229 --> 01:15:28,320

never know I don't think it's worth it

1869

01:15:35,390 --> 01:15:32,239

to shift that Paradigm uh money Nathan

1870

01:15:37,070 --> 01:15:35,400

yeah I I mean you guys have nailed it I

1871

01:15:39,169 --> 01:15:37,080

think I think that's the reason

1872

01:15:40,910 --> 01:15:39,179

um you know it's it's too complicated to

1873

01:15:44,149 --> 01:15:40,920

talk about it uh they may not have all

1874

01:15:45,350 --> 01:15:44,159

the answers either and just acknowledge

1875

01:15:46,550 --> 01:15:45,360

it you've got to answer you gotta then

1876

01:15:48,110 --> 01:15:46,560

answer all these questions it's just

1877

01:15:50,030 --> 01:15:48,120

like what what happened with this whole

1878

01:15:52,010 --> 01:15:50,040

balloon Fiasco and these objects they

1879

01:15:54,169 --> 01:15:52,020

shot down it's okay you know now I'm not

1880

01:15:55,669 --> 01:15:54,179

gonna answer these questions and well I

1881

01:15:58,010 --> 01:15:55,679

I well we could we couldn't find it we

1882

01:15:59,689 --> 01:15:58,020

just saw please stop for it so yeah I

1883

01:16:02,149 --> 01:15:59,699

mean that's it you know end of story

1884

01:16:03,350 --> 01:16:02,159

Case Closed uh we're done and you know

1885

01:16:06,350 --> 01:16:03,360

they just don't want to have to talk

1886

01:16:09,169 --> 01:16:06,360

about it unless they really have to so

1887

01:16:10,790 --> 01:16:09,179

um and you know I I agree with the

1888

01:16:12,649 --> 01:16:10,800

things that you said earlier too DJ it's

1889

01:16:14,810 --> 01:16:12,659

you know probably for their own benefit

1890

01:16:15,950 --> 01:16:14,820

that that they're just kind of left

1891

01:16:16,790 --> 01:16:15,960

alone

1892

01:16:18,950 --> 01:16:16,800

um

1893

01:16:21,890 --> 01:16:18,960

you know I think the only thing just

1894

01:16:23,750 --> 01:16:21,900

worry about uh with with with being left

1895

01:16:26,870 --> 01:16:23,760

alone is

1896

01:16:29,810 --> 01:16:26,880

I mean six I think still 60 of the US is

1897

01:16:32,810 --> 01:16:29,820

on on uninhabited which is great but I

1898

01:16:35,570 --> 01:16:32,820

think as population increases you know I

1899

01:16:37,550 --> 01:16:35,580

mean not only Bigfoot but any and all

1900

01:16:39,649 --> 01:16:37,560

animals all creatures that aren't you

1901

01:16:40,910 --> 01:16:39,659

know Homo sapiens are going to be in

1902

01:16:42,050 --> 01:16:40,920

Jeopardy and I think we're going to

1903

01:16:43,550 --> 01:16:42,060

continue to do that I think that's the

1904

01:16:46,250 --> 01:16:43,560

only thing that I worry about not

1905

01:16:47,870 --> 01:16:46,260

bringing it out is is that you know

1906

01:16:50,510 --> 01:16:47,880

they're doing fine now and we still have

1907

01:16:52,790 --> 01:16:50,520

you know again 60 of land that's not

1908

01:16:53,689 --> 01:16:52,800

inhabited but it's getting smaller you

1909

01:16:58,550 --> 01:16:53,699

know

1910

01:17:00,590 --> 01:16:58,560

say time things change with time so we

1911

01:17:03,410 --> 01:17:00,600

can only talk about we're looking at a a

1912

01:17:05,390 --> 01:17:03,420

snapshot in Time Of Our Lives that's all

1913

01:17:06,890 --> 01:17:05,400

we have to work with you're right things

1914

01:17:09,050 --> 01:17:06,900

could change in the future where that

1915

01:17:11,270 --> 01:17:09,060

becomes untenable because we've just

1916

01:17:12,830 --> 01:17:11,280

taken up every bit of Farmland but then

1917

01:17:14,689 --> 01:17:12,840

you're gonna have problems with crops

1918

01:17:16,430 --> 01:17:14,699

and you know feeding people and

1919

01:17:19,130 --> 01:17:16,440

vegetation and everything else but

1920

01:17:21,770 --> 01:17:19,140

you're right that that Paradigm could

1921

01:17:23,930 --> 01:17:21,780

shift in in an area where something does

1922

01:17:26,330 --> 01:17:23,940

need to be done for them because they're

1923

01:17:29,990 --> 01:17:26,340

being starved out of uh their resources

1924

01:17:32,810 --> 01:17:30,000

that's possible but so don't you think

1925

01:17:35,390 --> 01:17:32,820

just the fact that they do suppress it

1926

01:17:37,790 --> 01:17:35,400

and that they have for so long

1927

01:17:40,189 --> 01:17:37,800

that kind of tells you some things

1928

01:17:41,450 --> 01:17:40,199

I mean if this were just an Undiscovered

1929

01:17:43,490 --> 01:17:41,460

primate

1930

01:17:44,750 --> 01:17:43,500

why wouldn't they acknowledge it it

1931

01:17:46,490 --> 01:17:44,760

would just be another part of the

1932

01:17:48,950 --> 01:17:46,500

wildlife it would just be like oh here's

1933

01:17:51,050 --> 01:17:48,960

a new species of primate that's in North

1934

01:17:52,790 --> 01:17:51,060

America they didn't suppress the

1935

01:17:54,890 --> 01:17:52,800

existence of the gorilla

1936

01:17:57,649 --> 01:17:54,900

they acknowledge that gorillas exist so

1937

01:18:00,410 --> 01:17:57,659

why why is this different action and

1938

01:18:02,330 --> 01:18:00,420

King Kong too you know in Godzilla I

1939

01:18:04,729 --> 01:18:02,340

mean it came out with that I don't see

1940

01:18:07,930 --> 01:18:04,739

why this is yeah I'm sorry go ahead Dana

1941

01:18:12,830 --> 01:18:10,790

I just want to point out in this lovely

1942

01:18:14,510 --> 01:18:12,840

book called UFO Rabbit Hole it was

1943

01:18:17,090 --> 01:18:14,520

brought up that the gorilla was

1944

01:18:19,669 --> 01:18:17,100

initially ignored and not believed in

1945

01:18:22,189 --> 01:18:19,679

until the late 1800s when they finally

1946

01:18:25,790 --> 01:18:22,199

got a body even though indigenous people

1947

01:18:28,430 --> 01:18:25,800

said it existed so it was not that long

1948

01:18:31,910 --> 01:18:28,440

ago that we even admitted that gorillas

1949

01:18:34,430 --> 01:18:31,920

existed and and in the chat someone

1950

01:18:36,290 --> 01:18:34,440

mentioned the giant squid you know that

1951

01:18:38,510 --> 01:18:36,300

was no one was acknowledging that

1952

01:18:40,790 --> 01:18:38,520

existed even the Platypus that was

1953

01:18:44,030 --> 01:18:40,800

mentioned also in Kelly Chase's book

1954

01:18:45,830 --> 01:18:44,040

they didn't want to acknowledge it but I

1955

01:18:48,950 --> 01:18:45,840

do think that there is another element

1956

01:18:51,709 --> 01:18:48,960

to this that the fact that we are as a

1957

01:18:54,530 --> 01:18:51,719

population just running to get our DNA

1958

01:18:58,250 --> 01:18:54,540

tested and a lot of people are you know

1959

01:19:01,729 --> 01:18:58,260

questioning our ancestry I think that

1960

01:19:04,070 --> 01:19:01,739

might be another factor to consider

1961

01:19:06,229 --> 01:19:04,080

um because not only in like hearing

1962

01:19:09,290 --> 01:19:06,239

about Bigfoot but also in hearing about

1963

01:19:12,110 --> 01:19:09,300

non-human intelligence people are always

1964

01:19:14,510 --> 01:19:12,120

saying oh I hear there's some human DNA

1965

01:19:15,530 --> 01:19:14,520

mixed in there so I think that might be

1966

01:19:18,229 --> 01:19:15,540

a factor I know it's a little

1967

01:19:21,050 --> 01:19:18,239

conspiratal but I I'm intrigued by the

1968

01:19:24,110 --> 01:19:21,060

fact that I am hugely neanderthal

1969

01:19:25,850 --> 01:19:24,120

like I don't know why what like yeah

1970

01:19:28,370 --> 01:19:25,860

you're gonna tell us that's why she has

1971

01:19:31,310 --> 01:19:28,380

Incredible strength I know I have I have

1972

01:19:33,709 --> 01:19:31,320

an excessive amount of Neanderthal DNA

1973

01:19:36,110 --> 01:19:33,719

and there's some populations on the

1974

01:19:38,510 --> 01:19:36,120

Earth where they don't know where their

1975

01:19:41,270 --> 01:19:38,520

DNA come from like they just have chunks

1976

01:19:42,890 --> 01:19:41,280

that they don't know the ancestry of so

1977

01:19:45,050 --> 01:19:42,900

that could be a potentially part of it

1978

01:19:46,970 --> 01:19:45,060

like that again it goes to that ego that

1979

01:19:49,570 --> 01:19:46,980

we have as humans like we're like oh

1980

01:19:52,070 --> 01:19:49,580

we're you know the top dogs

1981

01:19:54,229 --> 01:19:52,080

people don't want to admit that there

1982

01:19:57,950 --> 01:19:54,239

might be something else like a big hairy

1983

01:19:59,450 --> 01:19:57,960

primate that's involved in all that yeah

1984

01:20:01,970 --> 01:19:59,460

totally I mean I agree with you and I

1985

01:20:03,830 --> 01:20:01,980

think that um it confronts us with

1986

01:20:05,570 --> 01:20:03,840

ethical questions that we're not ready

1987

01:20:07,370 --> 01:20:05,580

to wrestle with and you're seeing this

1988

01:20:09,950 --> 01:20:07,380

happen too with a lot of other studies

1989

01:20:13,970 --> 01:20:09,960

that are going on now that are taking a

1990

01:20:16,430 --> 01:20:13,980

harder look at different animals and the

1991

01:20:20,330 --> 01:20:16,440

tools that they create or the potential

1992

01:20:22,490 --> 01:20:20,340

language which they might have uh and if

1993

01:20:25,610 --> 01:20:22,500

if we kind of go down that path and go

1994

01:20:27,709 --> 01:20:25,620

oh well like certain octopus or squid

1995

01:20:30,590 --> 01:20:27,719

like they seem to have a culture they

1996

01:20:32,270 --> 01:20:30,600

seem like they seem to be intelligent uh

1997

01:20:33,709 --> 01:20:32,280

or Dolphins whatever like then we have

1998

01:20:35,149 --> 01:20:33,719

to go well can we eat them you know like

1999

01:20:36,649 --> 01:20:35,159

like is this okay for us to like

2000

01:20:38,510 --> 01:20:36,659

dominate them in the way that we have

2001

01:20:40,189 --> 01:20:38,520

and I so I think in some ways we've been

2002

01:20:44,390 --> 01:20:40,199

we've inherited a lot of thinking about

2003

01:20:47,030 --> 01:20:44,400

the world from uh you know sort of the

2004

01:20:48,470 --> 01:20:47,040

the dawn of naturalism and colonialism

2005

01:20:50,750 --> 01:20:48,480

which were sort of happening at the same

2006

01:20:52,850 --> 01:20:50,760

time the British Empire kind of taking

2007

01:20:54,890 --> 01:20:52,860

over everything taking all these

2008

01:20:56,750 --> 01:20:54,900

artifacts back to you know to the

2009

01:20:57,950 --> 01:20:56,760

British museum like you know like

2010

01:20:58,910 --> 01:20:57,960

essentially

2011

01:21:01,310 --> 01:20:58,920

um

2012

01:21:04,250 --> 01:21:01,320

you know kind of ruling over the having

2013

01:21:06,410 --> 01:21:04,260

dominion over the world and putting

2014

01:21:08,810 --> 01:21:06,420

humans at the very top of this pyramid

2015

01:21:11,870 --> 01:21:08,820

to sort of do with the world as we as we

2016

01:21:15,169 --> 01:21:11,880

please right and that kind of uh being

2017

01:21:16,910 --> 01:21:15,179

thinking and doing has like terrible

2018

01:21:18,709 --> 01:21:16,920

ramifications of which we're now

2019

01:21:21,530 --> 01:21:18,719

starting to see the results of that like

2020

01:21:23,689 --> 01:21:21,540

that that thinking that behavior is

2021

01:21:24,709 --> 01:21:23,699

coming home to roost and we have to

2022

01:21:27,649 --> 01:21:24,719

we're now wrestling with those

2023

01:21:30,169 --> 01:21:27,659

consequences environmentally uh and I

2024

01:21:31,250 --> 01:21:30,179

think with these areas as well and we're

2025

01:21:32,870 --> 01:21:31,260

going to continue to do that I mean

2026

01:21:34,490 --> 01:21:32,880

they're they're trying to develop AI

2027

01:21:37,310 --> 01:21:34,500

right now that's going to listen to

2028

01:21:39,470 --> 01:21:37,320

animal sounds and Communications in in

2029

01:21:41,570 --> 01:21:39,480

the hopes of Translating that to some

2030

01:21:43,729 --> 01:21:41,580

kind of language where we might even be

2031

01:21:45,890 --> 01:21:43,739

able to communicate with animals

2032

01:21:47,209 --> 01:21:45,900

through an AI interpretation a

2033

01:21:49,130 --> 01:21:47,219

interpreter

2034

01:21:50,510 --> 01:21:49,140

so I mean this is where we're headed and

2035

01:21:52,189 --> 01:21:50,520

it's going to really cause a lot of

2036

01:21:53,810 --> 01:21:52,199

interesting and difficult questions for

2037

01:21:56,689 --> 01:21:53,820

us a lot of introspection I think for

2038

01:21:58,850 --> 01:21:56,699

the human for the human species

2039

01:22:01,550 --> 01:21:58,860

can you imagine like we could know what

2040

01:22:04,610 --> 01:22:01,560

our cats are talking about you may not

2041

01:22:07,729 --> 01:22:04,620

want to know right yeah I know according

2042

01:22:12,229 --> 01:22:07,739

to the intent that AI creates for them

2043

01:22:13,189 --> 01:22:12,239

oh yeah that's true just because uh they

2044

01:22:14,630 --> 01:22:13,199

can listen to them I mean they're going

2045

01:22:17,510 --> 01:22:14,640

to get that they're going to understand

2046

01:22:19,669 --> 01:22:17,520

right right right

2047

01:22:22,430 --> 01:22:19,679

that's right even amongst us we can

2048

01:22:24,350 --> 01:22:22,440

listen and not hear exactly or hear and

2049

01:22:25,970 --> 01:22:24,360

not listen you know absolutely even

2050

01:22:28,250 --> 01:22:25,980

amongst and we speak the same language

2051

01:22:30,169 --> 01:22:28,260

all right so uh we're running out of

2052

01:22:32,570 --> 01:22:30,179

time but I want to get I Tim and Dana

2053

01:22:33,890 --> 01:22:32,580

have a topic that we can all consider

2054

01:22:36,890 --> 01:22:33,900

and we'll kind of do this quick hitter

2055

01:22:47,030 --> 01:22:36,900

fashion please go ahead man sir oh I

2056

01:22:50,689 --> 01:22:48,470

if you're sitting around the dinner

2057

01:22:52,189 --> 01:22:50,699

table I think it's now and I don't know

2058

01:22:56,209 --> 01:22:52,199

if it's because of what just came out

2059

01:22:59,270 --> 01:22:56,219

recently but I think uaps UFOs seem to

2060

01:23:01,189 --> 01:22:59,280

be more accepted than than the actual

2061

01:23:05,030 --> 01:23:01,199

possibility of Bigfoot in the common

2062

01:23:08,149 --> 01:23:05,040

World why do you guys think that is

2063

01:23:11,689 --> 01:23:08,159

okay so why are UFOs more accepted than

2064

01:23:14,750 --> 01:23:11,699

Bigfoot in the common World okay uh I'm

2065

01:23:17,750 --> 01:23:14,760

gonna let let's let let's go Matt Debs

2066

01:23:20,390 --> 01:23:17,760

and then myself and money

2067

01:23:22,189 --> 01:23:20,400

I think it all comes down to Ego I think

2068

01:23:24,709 --> 01:23:22,199

uh more people are willing to accept

2069

01:23:27,169 --> 01:23:24,719

that we're not the only intelligent

2070

01:23:29,149 --> 01:23:27,179

things in the entire universe where

2071

01:23:31,070 --> 01:23:29,159

they're not willing to accept that hey

2072

01:23:32,689 --> 01:23:31,080

there's these giant hairy things that

2073

01:23:34,370 --> 01:23:32,699

live right under our noses and we don't

2074

01:23:35,630 --> 01:23:34,380

know about it

2075

01:23:39,169 --> 01:23:35,640

um and I really think that's what it

2076

01:23:40,729 --> 01:23:39,179

boils down to at the end of the day

2077

01:23:43,729 --> 01:23:40,739

did he say I have some hair under my

2078

01:23:45,669 --> 01:23:43,739

nose yeah right right here hold on I'll

2079

01:23:48,229 --> 01:23:45,679

get it I'll get it

2080

01:23:50,930 --> 01:23:48,239

Debs okay so

2081

01:23:53,410 --> 01:23:50,940

um I I keep doing hashtag Bigfoot in the

2082

01:23:55,990 --> 01:23:53,420

city because I am not an outdoors person

2083

01:23:58,070 --> 01:23:56,000

but so

2084

01:23:59,750 --> 01:23:58,080

I thought we were going to go in the

2085

01:24:02,330 --> 01:23:59,760

woods of Maryland and do some Bushcraft

2086

01:24:05,510 --> 01:24:02,340

if there's a mosquito I don't even go in

2087

01:24:09,250 --> 01:24:05,520

my backyard okay so I honestly think

2088

01:24:12,530 --> 01:24:09,260

that because the UFO can be seen

2089

01:24:15,229 --> 01:24:12,540

anywhere like over water over cities

2090

01:24:18,290 --> 01:24:15,239

whether or not you're outdoorsy you know

2091

01:24:19,850 --> 01:24:18,300

that it kind of comes to us Bigfoot is

2092

01:24:22,910 --> 01:24:19,860

something people kind of have to go to

2093

01:24:25,370 --> 01:24:22,920

if that makes sense

2094

01:24:26,810 --> 01:24:25,380

that does that does make sense and Deb

2095

01:24:28,010 --> 01:24:26,820

we're neighbors if you're in Maryland we

2096

01:24:30,890 --> 01:24:28,020

live in Delaware

2097

01:24:33,410 --> 01:24:30,900

sweet maybe you have a forest that

2098

01:24:36,610 --> 01:24:33,420

doesn't have mosquitoes I can visit no

2099

01:24:40,850 --> 01:24:36,620

no we're close to the water

2100

01:24:43,610 --> 01:24:40,860

everywhere mosquito netting over the Hat

2101
01:24:45,709 --> 01:24:43,620
um so I mean I I've already actually

2102
01:24:48,530 --> 01:24:45,719
answered this question in my in the

2103
01:24:51,649 --> 01:24:48,540
previous uh time when I spoke were

2104
01:24:53,209 --> 01:24:51,659
humans and we believe what we see in

2105
01:24:56,209 --> 01:24:53,219
most cases unless we're talking about

2106
01:24:58,729 --> 01:24:56,219
our religious preferences uh what what

2107
01:25:01,250 --> 01:24:58,739
we consider God or call God in different

2108
01:25:03,830 --> 01:25:01,260
religions call them something else

2109
01:25:06,890 --> 01:25:03,840
so we just talked about a major major

2110
01:25:10,850 --> 01:25:06,900
event that put UFOs in everybody's face

2111
01:25:12,350 --> 01:25:10,860
so now uh all these uh the the Pentagon

2112
01:25:14,930 --> 01:25:12,360
director Christopher Mel and they're on

2113
01:25:18,350 --> 01:25:14,940

60 Minutes they're on CNN they're on Fox

2114

01:25:21,410 --> 01:25:18,360

News they're on MSNBC so now everyone

2115

01:25:24,169 --> 01:25:21,420

and and 30 pages of legislation so

2116

01:25:27,470 --> 01:25:24,179

that's why Bigfoot uaps are more

2117

01:25:30,050 --> 01:25:27,480

accepted if we were to turn that 180

2118

01:25:32,570 --> 01:25:30,060

degrees around and Lou Elizondo said

2119

01:25:34,910 --> 01:25:32,580

there is a Bigfoot I have evidence of it

2120

01:25:36,169 --> 01:25:34,920

I'm going to bring you in uh these army

2121

01:25:37,729 --> 01:25:36,179

guy you know we're going to show you

2122

01:25:40,850 --> 01:25:37,739

video whatever the case may be

2123

01:25:43,910 --> 01:25:40,860

everything that he did Christopher melon

2124

01:25:46,070 --> 01:25:43,920

a couple of army guys instead of Pilots

2125

01:25:48,410 --> 01:25:46,080

that that interacted with one or shot or

2126
01:25:49,850 --> 01:25:48,420
killed one uh and then it's in the New

2127
01:25:51,590 --> 01:25:49,860
York Times everybody would believe

2128
01:25:54,229 --> 01:25:51,600
Bigfoot exists and they would still

2129
01:25:56,330 --> 01:25:54,239
doubt UFOs that's my that's my take on

2130
01:25:58,430 --> 01:25:56,340
it money

2131
01:25:59,030 --> 01:25:58,440
yeah I totally agree

2132
01:26:01,250 --> 01:25:59,040
um

2133
01:26:03,169 --> 01:26:01,260
and I mentioned this before but they're

2134
01:26:04,610 --> 01:26:03,179
like society and human beings like we

2135
01:26:06,110 --> 01:26:04,620
need official permission to be

2136
01:26:09,410 --> 01:26:06,120
interested in something like so when we

2137
01:26:11,629 --> 01:26:09,420
have uh government officials we have uh

2138
01:26:14,209 --> 01:26:11,639

anything that that any voice that is

2139

01:26:16,490 --> 01:26:14,219

looked at as a voice of authority

2140

01:26:17,990 --> 01:26:16,500

saying there's a they're there then they

2141

01:26:19,370 --> 01:26:18,000

then we look at that and go well I guess

2142

01:26:20,689 --> 01:26:19,380

we have permission now to like talk

2143

01:26:21,770 --> 01:26:20,699

about like I've always been interested

2144

01:26:23,570 --> 01:26:21,780

in it I didn't want to bring it up

2145

01:26:25,129 --> 01:26:23,580

before but it sounds like we can say

2146

01:26:28,310 --> 01:26:25,139

that out loud and I'm not going to get

2147

01:26:30,649 --> 01:26:28,320

funny looks so like that's a huge uh

2148

01:26:33,470 --> 01:26:30,659

reason why they're you know more

2149

01:26:35,990 --> 01:26:33,480

accepted I think that um you know there

2150

01:26:38,770 --> 01:26:36,000

are other aspects of UAP that make them

2151
01:26:41,450 --> 01:26:38,780
easier to accept as well and that's

2152
01:26:44,950 --> 01:26:41,460
there's a um

2153
01:26:47,570 --> 01:26:44,960
like are are sort of uh are are

2154
01:26:52,370 --> 01:26:47,580
infatuation with technology like it

2155
01:26:55,550 --> 01:26:52,380
really is connected to UAP uh this um

2156
01:26:58,070 --> 01:26:55,560
you know otherworldly Advanced species

2157
01:27:00,290 --> 01:26:58,080
with incredible technology that can do

2158
01:27:02,030 --> 01:27:00,300
things that we could only imagine that

2159
01:27:04,550 --> 01:27:02,040
would be like magic to us like that's uh

2160
01:27:07,370 --> 01:27:04,560
that's super appealing it appeals to uh

2161
01:27:09,830 --> 01:27:07,380
our sense of our need for power our uh

2162
01:27:11,990 --> 01:27:09,840
you know neatly for control

2163
01:27:14,209 --> 01:27:12,000

um it it also kind of dovetails with our

2164

01:27:16,370 --> 01:27:14,219

like existential dread maybe they have

2165

01:27:18,410 --> 01:27:16,380

cures for our terrible diseases maybe

2166

01:27:20,149 --> 01:27:18,420

they can solve our energy crisis maybe

2167

01:27:23,990 --> 01:27:20,159

they you know so there's a lot of things

2168

01:27:26,810 --> 01:27:24,000

about UAP that I think make uh if folks

2169

01:27:29,030 --> 01:27:26,820

feel good about exploring

2170

01:27:31,010 --> 01:27:29,040

um but I would argue that

2171

01:27:34,250 --> 01:27:31,020

this as DJ's point this out too tonight

2172

01:27:36,729 --> 01:27:34,260

that they the UAP issue does I think

2173

01:27:39,470 --> 01:27:36,739

Drive begin driving a wedge into

2174

01:27:41,689 --> 01:27:39,480

consensus reality that that makes room

2175

01:27:44,209 --> 01:27:41,699

for these other experiences that that

2176
01:27:46,129 --> 01:27:44,219
people have and we then have to begin We

2177
01:27:47,870 --> 01:27:46,139
Begin questioning everything that we

2178
01:27:50,810 --> 01:27:47,880
think that we know everything that we we

2179
01:27:52,790 --> 01:27:50,820
thought was uh possible or not possible

2180
01:27:55,010 --> 01:27:52,800
things begin kind of everything gets put

2181
01:27:57,590 --> 01:27:55,020
back on the table we go well maybe there

2182
01:27:59,209 --> 01:27:57,600
is something to this uh you know and I

2183
01:28:01,970 --> 01:27:59,219
think that that that's the real positive

2184
01:28:04,189 --> 01:28:01,980
way to look at this that uh we're on the

2185
01:28:05,870 --> 01:28:04,199
cusp of new kind of discoveries and it's

2186
01:28:09,110 --> 01:28:05,880
going to change it's going to shake us

2187
01:28:11,149 --> 01:28:09,120
out of our like stupor uh that we've

2188
01:28:13,129 --> 01:28:11,159

been malays for a while yeah exactly

2189

01:28:14,990 --> 01:28:13,139

just like this is just you know thinking

2190

01:28:16,669 --> 01:28:15,000

that we knew everything well I mean this

2191

01:28:19,010 --> 01:28:16,679

is how Paradigm shifts happen right like

2192

01:28:21,830 --> 01:28:19,020

they basically hit you like a meteor

2193

01:28:24,350 --> 01:28:21,840

from nowhere like your world is is

2194

01:28:26,510 --> 01:28:24,360

totally changed you know think of 911

2195

01:28:29,209 --> 01:28:26,520

think of covid like these are things

2196

01:28:31,189 --> 01:28:29,219

that happen to us and and we think oh

2197

01:28:33,350 --> 01:28:31,199

that could never happen you know a

2198

01:28:34,790 --> 01:28:33,360

banking crisis or a pandemic like that

2199

01:28:37,129 --> 01:28:34,800

that could never happen but then it

2200

01:28:39,229 --> 01:28:37,139

happens and we have to like our entire

2201

01:28:42,050 --> 01:28:39,239

world changes as a result so I think

2202

01:28:43,850 --> 01:28:42,060

that um you know UAP and Bigfoot and I

2203

01:28:46,129 --> 01:28:43,860

mean a host of other things are are

2204

01:28:47,689 --> 01:28:46,139

doing that and uh and it's ultimately a

2205

01:28:50,629 --> 01:28:47,699

good thing although it does create a lot

2206

01:28:52,070 --> 01:28:50,639

of you know difficult maybe some

2207

01:28:54,470 --> 01:28:52,080

sleepless nights for some folks kind of

2208

01:28:56,450 --> 01:28:54,480

having to wrestle with with these things

2209

01:28:59,330 --> 01:28:56,460

Nathan I want to just come back on two

2210

01:29:01,550 --> 01:28:59,340

things I think the popular 2023 human

2211

01:29:04,250 --> 01:29:01,560

that you're talking about is that person

2212

01:29:06,649 --> 01:29:04,260

who who uh reads Popular Science and

2213

01:29:08,510 --> 01:29:06,659

Popular Mechanics and is so connected to

2214

01:29:10,189 --> 01:29:08,520

the tech aspect of it there's so many

2215

01:29:13,189 --> 01:29:10,199

because everybody has an iPhone everyone

2216

01:29:17,030 --> 01:29:13,199

has a a tablet or an iPad or you know

2217

01:29:19,850 --> 01:29:17,040

and so that whole aspect of the UAP uh

2218

01:29:22,370 --> 01:29:19,860

is written right into those pages of

2219

01:29:24,290 --> 01:29:22,380

Popular Mechanics where we in some cases

2220

01:29:26,030 --> 01:29:24,300

fantasize about technologies that don't

2221

01:29:27,290 --> 01:29:26,040

even exist yet

2222

01:29:28,430 --> 01:29:27,300

um and I I think that's what you're

2223

01:29:30,350 --> 01:29:28,440

talking about the second thing I wanted

2224

01:29:33,530 --> 01:29:30,360

to ask you about

2225

01:29:35,450 --> 01:29:33,540

um let me see if I remember uh yeah I

2226

01:29:37,970 --> 01:29:35,460

think I I think I lost what it was there

2227

01:29:40,729 --> 01:29:37,980

was something I will oh I wanted you to

2228

01:29:44,810 --> 01:29:40,739

recite if you would for Tim and Dana

2229

01:29:48,110 --> 01:29:44,820

basically what Lou Elizondo said uh

2230

01:29:50,090 --> 01:29:48,120

about the what if everything

2231

01:29:51,709 --> 01:29:50,100

if you remember that speech that he gave

2232

01:29:54,890 --> 01:29:51,719

right and Tim and Dana do you know who

2233

01:29:59,270 --> 01:29:57,830

no no no until I started listening to

2234

01:30:02,030 --> 01:29:59,280

him well I think you already mentioned

2235

01:30:03,950 --> 01:30:02,040

it before okay Nathan will go ahead and

2236

01:30:06,169 --> 01:30:03,960

yeah so real quickly and I'll paraphrase

2237

01:30:07,970 --> 01:30:06,179

so and Luella zondo was the director of

2238

01:30:10,250 --> 01:30:07,980

a program inside the Pentagon that that

2239

01:30:13,370 --> 01:30:10,260

looked at UFOs and investigated to UAP

2240

01:30:15,229 --> 01:30:13,380

and he came forward and and he secretly

2241

01:30:16,970 --> 01:30:15,239

yeah yeah secretly he came forward

2242

01:30:18,470 --> 01:30:16,980

publicly and acknowledged that this was

2243

01:30:20,450 --> 01:30:18,480

the thing we were doing

2244

01:30:22,910 --> 01:30:20,460

um he's been an astrology advocate for

2245

01:30:25,070 --> 01:30:22,920

uh you know getting us to explore this

2246

01:30:26,770 --> 01:30:25,080

more explicitly and getting Congress and

2247

01:30:29,510 --> 01:30:26,780

and our government take it seriously

2248

01:30:32,870 --> 01:30:29,520

anyway on one of the podcasts many as

2249

01:30:35,030 --> 01:30:32,880

many appearances he talks about the uh

2250

01:30:37,490 --> 01:30:35,040

way in which UAP

2251

01:30:39,830 --> 01:30:37,500

will change like everything that we

2252

01:30:42,290 --> 01:30:39,840

think we know and I think that Bigfoot

2253

01:30:43,669 --> 01:30:42,300

does that too it kind of rewrites the

2254

01:30:46,970 --> 01:30:43,679

things that we thought we knew to be

2255

01:30:48,649 --> 01:30:46,980

true and it it confronts us in our

2256

01:30:51,169 --> 01:30:48,659

hubris for thinking that we had it all

2257

01:30:52,910 --> 01:30:51,179

figured out and and then when we

2258

01:30:55,430 --> 01:30:52,920

realized we didn't have it all figured

2259

01:30:57,770 --> 01:30:55,440

out and that that it's not as simple as

2260

01:31:00,169 --> 01:30:57,780

you know Humanity being sort of like the

2261

01:31:02,390 --> 01:31:00,179

top of the food chain and and the most

2262

01:31:04,129 --> 01:31:02,400

intelligent species there is and to then

2263

01:31:05,689 --> 01:31:04,139

going from there to like well no there

2264

01:31:08,330 --> 01:31:05,699

are like lots of intelligent species

2265

01:31:09,950 --> 01:31:08,340

that are out there uh not you know some

2266

01:31:11,090 --> 01:31:09,960

more intelligent than humans some a

2267

01:31:13,669 --> 01:31:11,100

little less intelligent or maybe

2268

01:31:15,770 --> 01:31:13,679

similarly intelligent and what does that

2269

01:31:18,410 --> 01:31:15,780

mean for everyone it changes everything

2270

01:31:21,770 --> 01:31:18,420

it changes our entire relationship to

2271

01:31:24,590 --> 01:31:21,780

the natural world uh it it reopens and

2272

01:31:27,169 --> 01:31:24,600

uh the deeper sort of uh conversations

2273

01:31:28,910 --> 01:31:27,179

that we have about our beliefs and the

2274

01:31:31,430 --> 01:31:28,920

afterlife and they're all kind of host

2275

01:31:33,770 --> 01:31:31,440

of things that change because of

2276

01:31:35,930 --> 01:31:33,780

this discovery

2277

01:31:37,490 --> 01:31:35,940

um and you know think about other

2278

01:31:39,770 --> 01:31:37,500

discoveries that have done this for us

2279

01:31:41,870 --> 01:31:39,780

as well you know discovering when the

2280

01:31:43,430 --> 01:31:41,880

West discovered you know the Americas

2281

01:31:44,930 --> 01:31:43,440

and everything I mean it totally changed

2282

01:31:47,209 --> 01:31:44,940

the way we thought about

2283

01:31:49,010 --> 01:31:47,219

the world the world um yeah and it

2284

01:31:50,629 --> 01:31:49,020

changed it changed the West it changed

2285

01:31:53,030 --> 01:31:50,639

the people who live who lived here

2286

01:31:55,189 --> 01:31:53,040

before you know the West got here uh in

2287

01:31:57,470 --> 01:31:55,199

very bad ways for for them

2288

01:32:00,410 --> 01:31:57,480

um and you know everything was different

2289

01:32:02,030 --> 01:32:00,420

after that so I think that we

2290

01:32:03,709 --> 01:32:02,040

we've kind of forgotten that that can

2291

01:32:05,629 --> 01:32:03,719

still happen right I think that that's

2292

01:32:07,790 --> 01:32:05,639

really the lesson here we've forgotten

2293

01:32:10,370 --> 01:32:07,800

that that can still happen that these

2294

01:32:11,930 --> 01:32:10,380

huge changes can still occur and and

2295

01:32:14,930 --> 01:32:11,940

we've gotten really comfortable with

2296

01:32:17,270 --> 01:32:14,940

this incremental change that we just

2297

01:32:19,310 --> 01:32:17,280

like well we're just like we'll learn a

2298

01:32:21,050 --> 01:32:19,320

little something new and like our phds

2299

01:32:22,790 --> 01:32:21,060

like they'll they'll learn a little new

2300

01:32:24,110 --> 01:32:22,800

thing about you know Quantum something

2301

01:32:26,330 --> 01:32:24,120

or whatever and it's but it's just like

2302

01:32:29,149 --> 01:32:26,340

this incremental change we don't we

2303

01:32:31,430 --> 01:32:29,159

don't believe that a sort of tectonic

2304

01:32:33,470 --> 01:32:31,440

shift can occur in the in what we know

2305

01:32:34,850 --> 01:32:33,480

what we think we know uh that could

2306

01:32:37,669 --> 01:32:34,860

rewrite everything and I think that

2307

01:32:39,530 --> 01:32:37,679

that's um the potential

2308

01:32:42,229 --> 01:32:39,540

and I would argue is the the the the

2309

01:32:44,390 --> 01:32:42,239

potential of these topics

2310

01:32:45,770 --> 01:32:44,400

I want to and I'll put you guys up on

2311

01:32:48,110 --> 01:32:45,780

the screen real it's it's very thought

2312

01:32:50,330 --> 01:32:48,120

provoking but to give a little bit of

2313

01:32:52,490 --> 01:32:50,340

further context if we were to take the

2314

01:32:55,310 --> 01:32:52,500

person in the government who's come

2315

01:32:58,129 --> 01:32:55,320

public of all the people that have the

2316

01:32:59,629 --> 01:32:58,139

most information about Cryptids

2317

01:33:02,149 --> 01:32:59,639

paranormal

2318

01:33:05,950 --> 01:33:02,159

and ufology and I'll include Bigfoot in

2319

01:33:08,450 --> 01:33:05,960

encrypted right Lou Elizondo is the most

2320

01:33:11,689 --> 01:33:08,460

knowledgeable person the most read in

2321

01:33:14,510 --> 01:33:11,699

person to come public who quit his job

2322

01:33:17,390 --> 01:33:14,520

in the Pentagon because they wouldn't

2323

01:33:20,270 --> 01:33:17,400

allow him to brief uh Secretary of uh

2324

01:33:23,270 --> 01:33:20,280

defense I believe James Mattis at the

2325

01:33:24,830 --> 01:33:23,280

time so he quit in protest because they

2326

01:33:27,290 --> 01:33:24,840

wouldn't let him brief him on what he

2327

01:33:30,050 --> 01:33:27,300

knew the jarring things that he said

2328

01:33:32,090 --> 01:33:30,060

about this that that make any but any of

2329

01:33:34,010 --> 01:33:32,100

us uncomfortable as he said what if

2330

01:33:36,169 --> 01:33:34,020

everything that your parents told you

2331

01:33:39,229 --> 01:33:36,179

that your teachers told you in school

2332

01:33:41,270 --> 01:33:39,239

that what your pastors told you is not

2333

01:33:44,750 --> 01:33:41,280

how it really is

2334

01:33:47,030 --> 01:33:44,760

now what he knows and what he's been

2335

01:33:49,729 --> 01:33:47,040

informed that caused him to say that we

2336

01:33:51,830 --> 01:33:49,739

can only guess because he hasn't he's

2337

01:33:54,110 --> 01:33:51,840

not going to break his NDA and put

2338

01:33:55,910 --> 01:33:54,120

himself in jail but it's very jarring

2339

01:33:58,430 --> 01:33:55,920

when you say what if everything you

2340

01:34:01,189 --> 01:33:58,440

learned was true was not really how it

2341

01:34:04,310 --> 01:34:01,199

is and that so if you apply that if you

2342

01:34:07,129 --> 01:34:04,320

extrapolate that out to Bigfoot that is

2343

01:34:10,669 --> 01:34:07,139

the mindset that somebody like me who

2344

01:34:12,470 --> 01:34:10,679

hasn't been in this very long uh I mean

2345

01:34:14,629 --> 01:34:12,480

I'm studying it

2346

01:34:17,209 --> 01:34:14,639

harder than I'm studying UFOs I'll put

2347

01:34:19,729 --> 01:34:17,219

it to you that way but

2348

01:34:21,950 --> 01:34:19,739

I come into it being we don't know

2349

01:34:22,910 --> 01:34:21,960

everything we think a lot of things and

2350

01:34:23,870 --> 01:34:22,920

there are a lot of things that are

2351

01:34:25,370 --> 01:34:23,880

evident

2352

01:34:27,830 --> 01:34:25,380

there's a lot of

2353

01:34:29,810 --> 01:34:27,840

evidence that may that that we can draw

2354

01:34:31,790 --> 01:34:29,820

conjecture from and say this is evident

2355

01:34:34,669 --> 01:34:31,800

about this creature what's beyond that

2356

01:34:36,709 --> 01:34:34,679

you don't know

2357

01:34:38,390 --> 01:34:36,719

so with that

2358

01:34:40,370 --> 01:34:38,400

give you guys some stuff to think about

2359

01:34:43,010 --> 01:34:40,380

let's go with cabbie goodbye starting

2360

01:34:45,410 --> 01:34:43,020

with Matthew now

2361

01:34:48,169 --> 01:34:45,420

it's been great really enjoyed this one

2362

01:34:50,570 --> 01:34:48,179

it was nice meeting the two of you I

2363

01:34:53,629 --> 01:34:50,580

hope uh the Bigfoot conversation

2364

01:34:54,770 --> 01:34:53,639

continues in the future between us

2365

01:34:57,590 --> 01:34:54,780

um

2366

01:34:59,270 --> 01:34:57,600

yeah I'm just kind of sitting here in

2367

01:35:00,770 --> 01:34:59,280

awe of the conversation that's just

2368

01:35:03,229 --> 01:35:00,780

taking place here

2369

01:35:05,870 --> 01:35:03,239

and uh yeah I really enjoyed talking to

2370

01:35:11,330 --> 01:35:09,530

that's for sure yeah for sure yeah

2371

01:35:13,250 --> 01:35:11,340

um but you know what before I go to Debs

2372

01:35:16,010 --> 01:35:13,260

I would like you guys to just talk about

2373

01:35:18,410 --> 01:35:16,020

uh I'll I'm gonna put your website Julie

2374

01:35:20,870 --> 01:35:18,420

typed it up here uh there it is right

2375

01:35:22,729 --> 01:35:20,880

yeah thank you uh thank you Nathan you

2376

01:35:24,830 --> 01:35:22,739

got it go ahead and do what you just did

2377

01:35:26,870 --> 01:35:24,840

uh and go ahead and please promote

2378

01:35:28,189 --> 01:35:26,880

everything you guys got going on it's

2379

01:35:30,110 --> 01:35:28,199

all going to be in the show notes

2380

01:35:32,689 --> 01:35:30,120

everything that you've given us but

2381

01:35:34,750 --> 01:35:32,699

please go ahead and speak about it sure

2382

01:35:37,189 --> 01:35:34,760

um so the you know if you go to the

2383

01:35:39,709 --> 01:35:37,199

bigfootinfluencers.com I try to keep

2384

01:35:42,070 --> 01:35:39,719

that updated with how you can buy the

2385

01:35:45,050 --> 01:35:42,080

book how you can follow the podcast

2386

01:35:47,629 --> 01:35:45,060

uh continuously work on on trying to get

2387

01:35:49,430 --> 01:35:47,639

some some some influencers data in there

2388

01:35:51,050 --> 01:35:49,440

so we can connect the world with all of

2389

01:35:52,729 --> 01:35:51,060

the other folks like Matt and folks that

2390

01:35:55,129 --> 01:35:52,739

are out there

2391

01:35:58,310 --> 01:35:55,139

um and you know if you go to YouTube go

2392

01:36:00,950 --> 01:35:58,320

to the untold radio network uh and

2393

01:36:03,110 --> 01:36:00,960

you'll find our podcast as well as eight

2394

01:36:04,189 --> 01:36:03,120

or nine of them and there's there's all

2395

01:36:06,229 --> 01:36:04,199

kinds of podcasts there's not just

2396

01:36:08,570 --> 01:36:06,239

Bigfoot podcasts so again it's uh Doug

2397

01:36:13,010 --> 01:36:08,580

hot check who who Deb actually was the

2398

01:36:15,110 --> 01:36:13,020

first to capture the giant squid uh on

2399

01:36:16,850 --> 01:36:15,120

film and living in its natural habitat

2400

01:36:20,209 --> 01:36:16,860

so that's pretty so that's Doug hijack

2401

01:36:22,250 --> 01:36:20,219

who's who's and and Sons Elaine and Alex

2402

01:36:24,050 --> 01:36:22,260

yeah he's got a Bigfoot of flushers.com

2403

01:36:26,510 --> 01:36:24,060

and you can find us yeah and our podcast

2404

01:36:29,870 --> 01:36:26,520

is mainly it's just introducing the

2405

01:36:32,629 --> 01:36:29,880

world to all of the people in the world

2406

01:36:34,790 --> 01:36:32,639

of Bigfoot who have an influence and so

2407

01:36:36,410 --> 01:36:34,800

you get to know these people you know we

2408

01:36:38,030 --> 01:36:36,420

crack up with them you get to know a

2409

01:36:39,950 --> 01:36:38,040

little bit about their personal lives

2410

01:36:41,689 --> 01:36:39,960

but then you know we hear their witness

2411

01:36:43,070 --> 01:36:41,699

experience

2412

01:36:46,370 --> 01:36:43,080

um and so you're just getting to know

2413

01:36:49,490 --> 01:36:46,380

the researchers and the influencers and

2414

01:36:51,950 --> 01:36:49,500

we our approach to it is at least mine

2415

01:36:54,229 --> 01:36:51,960

is is to come at it from like kind of

2416

01:36:57,110 --> 01:36:54,239

like so people who are new into the

2417

01:36:58,850 --> 01:36:57,120

subject can easily watch it but at the

2418

01:37:01,189 --> 01:36:58,860

same time it's not boring to people who

2419

01:37:03,290 --> 01:37:01,199

already know a lot of stuff already

2420

01:37:05,870 --> 01:37:03,300

I love your questions you guys worked

2421

01:37:07,970 --> 01:37:05,880

hard to get keep Jeff Meldrum on track

2422

01:37:10,669 --> 01:37:07,980

and make sure that he's saying it for

2423

01:37:12,649 --> 01:37:10,679

the lowest common denominator I I felt

2424

01:37:15,110 --> 01:37:12,659

your p as a podcaster I was in the gym

2425

01:37:17,570 --> 01:37:15,120

working out listening to it is great and

2426

01:37:20,209 --> 01:37:17,580

he's awesome he is awesome I love him I

2427

01:37:22,250 --> 01:37:20,219

want to get him on the show I really do

2428

01:37:23,870 --> 01:37:22,260

um so Debs uh go with your cabin

2429

01:37:26,270 --> 01:37:23,880

goodbyes please ma'am

2430

01:37:27,950 --> 01:37:26,280

yes I wanted to say

2431

01:37:30,050 --> 01:37:27,960

um thank you for coming

2432

01:37:32,090 --> 01:37:30,060

um you guys were amazing I'm really

2433

01:37:34,310 --> 01:37:32,100

intrigued by what you've done with the

2434

01:37:35,510 --> 01:37:34,320

book I'm probably going to end up buying

2435

01:37:37,129 --> 01:37:35,520

that even though I said I would stop

2436

01:37:39,649 --> 01:37:37,139

buying books

2437

01:37:41,270 --> 01:37:39,659

um and I I hope that you are going to

2438

01:37:42,770 --> 01:37:41,280

come back one day to talk to us because

2439

01:37:45,470 --> 01:37:42,780

I'd like to know a little bit more about

2440

01:37:47,629 --> 01:37:45,480

the conferences and just all the data

2441

01:37:50,290 --> 01:37:47,639

that you guys are getting I love data

2442

01:37:53,149 --> 01:37:50,300

yes it's nice meeting you

2443

01:37:55,610 --> 01:37:53,159

thank you

2444

01:37:57,590 --> 01:37:55,620

yeah it's been awesome I'm having you

2445

01:37:59,330 --> 01:37:57,600

guys with us and uh and I know you guys

2446

01:38:00,950 --> 01:37:59,340

study influencers and promote them but

2447

01:38:02,810 --> 01:38:00,960

you've influenced us tonight and I

2448

01:38:04,370 --> 01:38:02,820

really appreciate that

2449

01:38:05,750 --> 01:38:04,380

um you know it's inspiring to see the

2450

01:38:07,250 --> 01:38:05,760

work that you're doing and it's really

2451
01:38:09,890 --> 01:38:07,260
cool to see the chemistry that you have

2452
01:38:12,410 --> 01:38:09,900
uh it's not often where you find a

2453
01:38:15,770 --> 01:38:12,420
couple that is both into the same thing

2454
01:38:16,669 --> 01:38:15,780
like about with these kinds of topics

2455
01:38:18,229 --> 01:38:16,679
um at least I speak from my own

2456
01:38:18,910 --> 01:38:18,239
experience in that regard

2457
01:38:21,530 --> 01:38:18,920
um

2458
01:38:24,050 --> 01:38:21,540
couples who Bigfoot together stay

2459
01:38:26,149 --> 01:38:24,060
together I love that well I'm glad to

2460
01:38:28,189 --> 01:38:26,159
hear that that that's true uh so I think

2461
01:38:29,930 --> 01:38:28,199
that's really exciting and uh we're

2462
01:38:31,129 --> 01:38:29,940
written for you guys pulling for you and

2463
01:38:32,870 --> 01:38:31,139

excited for the things that you'll do

2464

01:38:35,450 --> 01:38:32,880

looking forward to the second book uh

2465

01:38:37,370 --> 01:38:35,460

Tim that you're working on and uh here's

2466

01:38:39,229 --> 01:38:37,380

to some bigger acknowledgments hopefully

2467

01:38:41,930 --> 01:38:39,239

we get that kind of validation that

2468

01:38:43,310 --> 01:38:41,940

we're hoping for thanks Nathan thank you

2469

01:38:46,370 --> 01:38:43,320

yeah thank you

2470

01:38:48,649 --> 01:38:46,380

yeah and uh for finally I want to say uh

2471

01:38:51,110 --> 01:38:48,659

thank you so much uh you guys came in

2472

01:38:55,729 --> 01:38:51,120

the chat uh you asked great questions we

2473

01:38:58,010 --> 01:38:55,739

connected after the show on on DM uh and

2474

01:39:00,110 --> 01:38:58,020

for people who are rookies like us you

2475

01:39:01,790 --> 01:39:00,120

know that other than Matt I mean we

2476

01:39:04,250 --> 01:39:01,800

don't really know very much Nathan

2477

01:39:06,229 --> 01:39:04,260

introduced me to the Bigfoot topic I was

2478

01:39:09,050 --> 01:39:06,239

completely caught off guard through my

2479

01:39:10,910 --> 01:39:09,060

entire war world into a spin I was like

2480

01:39:13,729 --> 01:39:10,920

oh my God I got to find out and try to

2481

01:39:15,770 --> 01:39:13,739

understand Bigfoot and I'm enjoying so

2482

01:39:19,490 --> 01:39:15,780

much but for

2483

01:39:21,430 --> 01:39:19,500

yes sir if you get the book DJ yes sir

2484

01:39:24,770 --> 01:39:21,440

it'll bring you into the into the world

2485

01:39:26,990 --> 01:39:24,780

I will I will get the book my friend I I

2486

01:39:28,790 --> 01:39:27,000

need I need to read my I actually just

2487

01:39:30,770 --> 01:39:28,800

bought one that that we had Terry

2488

01:39:33,290 --> 01:39:30,780

Wendell on and we bought the one about

2489

01:39:35,030 --> 01:39:33,300

the meadow project in Alabama I just

2490

01:39:37,610 --> 01:39:35,040

started reading that one but I will get

2491

01:39:40,550 --> 01:39:37,620

your book as well and read your book but

2492

01:39:43,010 --> 01:39:40,560

but uh no thank you I really appreciate

2493

01:39:45,770 --> 01:39:43,020

like I said you guys taking our show

2494

01:39:47,930 --> 01:39:45,780

seriously coming in the cab seeing how

2495

01:39:51,530 --> 01:39:47,940

how we do it and and just acknowledge

2496

01:39:53,330 --> 01:39:51,540

them I love your energy love it love it

2497

01:39:55,070 --> 01:39:53,340

because when I try to get all energetic

2498

01:39:57,050 --> 01:39:55,080

and happy Tim like starts kicking me

2499

01:40:00,530 --> 01:39:57,060

under the table like stop being so goofy

2500

01:40:02,629 --> 01:40:00,540

but I love your energy thank you so much

2501

01:40:07,490 --> 01:40:02,639

man we just try to do a show that's us

2502

01:40:09,350 --> 01:40:07,500

and it the reason why uh is uh it's

2503

01:40:11,390 --> 01:40:09,360

authentic you know what Nathan's doing

2504

01:40:14,209 --> 01:40:11,400

he's not he's not giving you anything

2505

01:40:17,030 --> 01:40:14,219

extra he's just doing him Debs same

2506

01:40:18,830 --> 01:40:17,040

thing with Matt who's a new cat here and

2507

01:40:20,990 --> 01:40:18,840

myself this is just me you know what I

2508

01:40:23,270 --> 01:40:21,000

mean and I you know what just just to

2509

01:40:27,290 --> 01:40:23,280

you know suffix I mean I had a sighting

2510

01:40:29,330 --> 01:40:27,300

in 1982 of a UFO I didn't talk about it

2511

01:40:30,709 --> 01:40:29,340

for my entire Air Force room my wife

2512

01:40:33,350 --> 01:40:30,719

didn't even know

2513

01:40:36,169 --> 01:40:33,360

uh my my brother my father didn't even

2514

01:40:38,270 --> 01:40:36,179

know my mother didn't know so because I

2515

01:40:39,950 --> 01:40:38,280

didn't think anybody would believe me so

2516

01:40:42,229 --> 01:40:39,960

you know I'm one of the people that

2517

01:40:43,550 --> 01:40:42,239

would you know it you know that that you

2518

01:40:45,110 --> 01:40:43,560

would be bringing into the light you

2519

01:40:46,850 --> 01:40:45,120

know what I'm saying so it's been a

2520

01:40:50,090 --> 01:40:46,860

great to be able to come and talk about

2521

01:40:51,709 --> 01:40:50,100

it and not be ashamed you know so uh

2522

01:40:53,390 --> 01:40:51,719

thank you so much I really appreciate

2523

01:40:55,790 --> 01:40:53,400

you guys thank you guys it was great

2524

01:40:58,070 --> 01:40:55,800

being here thank you amazing yeah we

2525

01:41:01,370 --> 01:40:58,080

will we will speak to you again and uh

2526

01:41:04,490 --> 01:41:01,380

for uh Mr Matt Knapp for Debs for money

2527

01:41:07,090 --> 01:41:04,500

Nathan and for Tim and Dana this is DJ

2528

01:41:09,590 --> 01:41:07,100

saying peace

2529

01:41:11,270 --> 01:41:09,600

we'll see we'll see you down the road

2530

01:41:12,470 --> 01:41:11,280

and we always wonder what's up around

2531

01:41:14,209 --> 01:41:12,480

the bend

2532

01:41:15,130 --> 01:41:14,219

take care guys thanks again for having
